1  
00:00:06,070 --> 00:00:04,470  
the oldest and strongest human emotion

2  
00:00:08,230 --> 00:00:06,080  
is fear

3  
00:00:09,270 --> 00:00:08,240  
and the oldest and strongest type of

4  
00:00:12,470 --> 00:00:09,280  
fear

5  
00:00:14,950 --> 00:00:12,480  
is trepidation of young men

6  
00:00:18,310 --> 00:00:14,960  
when we were children our parents told

7  
00:00:20,790 --> 00:00:18,320  
us that monsters didn't exist

8  
00:00:23,990 --> 00:00:20,800  
but we were sure that something was

9  
00:00:28,550 --> 00:00:24,000  
lurking under the bed or in the closet

10  
00:00:31,589 --> 00:00:28,560  
fear sees even if our eyes are closed

11  
00:00:34,790 --> 00:00:31,599  
welcome to the realm of the arcane

12  
00:00:35,430 --> 00:00:34,800  
my name is lon stripler join me as i

13  
00:00:37,950 --> 00:00:35,440

examine

14

00:00:42,310 --> 00:00:37,960

unexplained creatures strange

15

00:00:45,270 --> 00:00:42,320

manifestations of remarkable realities

16

00:00:47,910 --> 00:00:45,280

imagine this next hour as a voyage of

17

00:00:50,950 --> 00:00:47,920

discovery to strange lands

18

00:00:53,510 --> 00:00:50,960

seeking not for new territory but for

19

00:00:56,830 --> 00:00:53,520

new knowledge of the supernatural

20

00:01:01,750 --> 00:00:56,840

come on board as we begin this adventure

21

00:01:06,630 --> 00:01:04,630

hey folks good evening and welcome to

22

00:01:08,710 --> 00:01:06,640

another episode of arcane radio where we

23

00:01:11,750 --> 00:01:08,720

explore the unexplained

24

00:01:13,429 --> 00:01:11,760

live on beyond explanation i'm your host

25

00:01:15,749 --> 00:01:13,439

lon strickler

26  
00:01:18,630 --> 00:01:15,759  
coming to you from the spectral shadows

27  
00:01:21,429 --> 00:01:18,640  
of gettysburg pennsylvania

28  
00:01:22,550 --> 00:01:21,439  
uh before i introduce my guest i'm going

29  
00:01:26,390 --> 00:01:22,560  
to go ahead and

30  
00:01:28,630 --> 00:01:26,400  
read an account

31  
00:01:29,590 --> 00:01:28,640  
actually that i posted today you know

32  
00:01:32,230 --> 00:01:29,600  
this is

33  
00:01:34,069 --> 00:01:32,240  
this particular account's been out there

34  
00:01:38,830 --> 00:01:34,079  
for a while

35  
00:01:40,069 --> 00:01:38,840  
i think uh i saw it for the first time

36  
00:01:42,630 --> 00:01:40,079  
today

37  
00:01:43,270 --> 00:01:42,640  
but i i just got this feeling it's been

38  
00:01:46,950 --> 00:01:43,280

out there but

39

00:01:52,149 --> 00:01:46,960

so if it sounds familiar uh

40

00:01:55,830 --> 00:01:52,159

just excuse me for that uh this was uh

41

00:01:57,749 --> 00:01:55,840

this was a uh an account by a first

42

00:02:02,069 --> 00:01:57,759

nations

43

00:02:03,830 --> 00:02:02,079

member um had this strange encounter at

44

00:02:05,830 --> 00:02:03,840

his grandparents

45

00:02:07,109 --> 00:02:05,840

home on the reserve on a reservation

46

00:02:08,630 --> 00:02:07,119

he's cree

47

00:02:11,510 --> 00:02:08,640

so it was a cree reservation i do

48

00:02:15,830 --> 00:02:11,520

believe was probably in alberta

49

00:02:18,790 --> 00:02:15,840

um and it was 1994 i think

50

00:02:19,830 --> 00:02:18,800

so anyway he states i'm a first nations

51

00:02:22,869 --> 00:02:19,840

person

52

00:02:25,910 --> 00:02:22,879

from a reservation in canada i grew up

53

00:02:28,070 --> 00:02:25,920

in different reserves with different

54

00:02:30,309 --> 00:02:28,080

family members now this happened when i

55

00:02:31,430 --> 00:02:30,319

was seven years old my sister and i were

56

00:02:34,630 --> 00:02:31,440

visiting

57

00:02:36,790 --> 00:02:34,640

our grandparents house the adults

58

00:02:38,869 --> 00:02:36,800

decided to go to bingo

59

00:02:40,949 --> 00:02:38,879

and they got the eldest cousin to

60

00:02:42,470 --> 00:02:40,959

babysit everybody his name was corey and

61

00:02:46,150 --> 00:02:42,480

he was 16.

62

00:02:47,270 --> 00:02:46,160

my grandparents home had a few trees

63

00:02:50,309 --> 00:02:47,280

around their home

64

00:02:51,190 --> 00:02:50,319

where they had planted and it was mostly

65

00:02:54,390 --> 00:02:51,200

all field

66

00:02:56,390 --> 00:02:54,400

which they formed i said we were outside

67

00:02:58,229 --> 00:02:56,400

all day long i said my cousin corey was

68

00:03:00,630 --> 00:02:58,239

sitting on the patio

69

00:03:01,509 --> 00:03:00,640

as we were all jumping on the trampoline

70

00:03:04,949 --> 00:03:01,519

and he was keeping

71

00:03:07,270 --> 00:03:04,959

islands i went out i went inside

72

00:03:08,949 --> 00:03:07,280

and i came on back out jumped off the

73

00:03:10,630 --> 00:03:08,959

edge of the patio

74

00:03:13,670 --> 00:03:10,640

onto the trampoline i was telling

75

00:03:16,630 --> 00:03:13,680

everybody on the trampoline to move

76  
00:03:17,990 --> 00:03:16,640  
uh as i was about to jump but they were

77  
00:03:21,030 --> 00:03:18,000  
completely fixated

78  
00:03:21,910 --> 00:03:21,040  
on the field so i looked towards the

79  
00:03:25,190 --> 00:03:21,920  
field as well

80  
00:03:27,830 --> 00:03:25,200  
and what we saw

81  
00:03:30,309 --> 00:03:27,840  
are two things coming things i'm saying

82  
00:03:32,789 --> 00:03:30,319  
now two things coming towards us

83  
00:03:33,990 --> 00:03:32,799  
in the field the field is about a mile

84  
00:03:36,229 --> 00:03:34,000  
long

85  
00:03:38,470 --> 00:03:36,239  
but you could see two huge black things

86  
00:03:42,229 --> 00:03:38,480  
hopping in our direction

87  
00:03:45,750 --> 00:03:42,239  
they come up uh then down like a snake

88  
00:03:47,670 --> 00:03:45,760

taking a peek in perfect unison together

89

00:03:48,789 --> 00:03:47,680

i called corey and pointed towards the

90

00:03:51,110 --> 00:03:48,799

field

91

00:03:52,229 --> 00:03:51,120

he told us all to get inside the house

92

00:03:55,910 --> 00:03:52,239

and

93

00:03:59,110 --> 00:03:55,920

it was they were looking at

94

00:04:02,149 --> 00:03:59,120

and uh so we did as you said

95

00:04:04,949 --> 00:04:02,159

my sister was beside me crying and my

96

00:04:07,190 --> 00:04:04,959

cousin was holding my other little

97

00:04:09,750 --> 00:04:07,200

cousin

98

00:04:12,070 --> 00:04:09,760

i got up to the front door and corey was

99

00:04:14,229 --> 00:04:12,080

running back in at that time

100

00:04:16,550 --> 00:04:14,239

and he said that these things are

101  
00:04:18,870 --> 00:04:16,560  
circling around the house

102  
00:04:20,949 --> 00:04:18,880  
uh he was trying to run across the road

103  
00:04:23,350 --> 00:04:20,959  
to the neighbors because our phone had

104  
00:04:25,510 --> 00:04:23,360  
completely shut down

105  
00:04:28,070 --> 00:04:25,520  
so i i went back to the couch to sit

106  
00:04:29,909 --> 00:04:28,080  
with my sister

107  
00:04:32,070 --> 00:04:29,919  
so we could comfort each other and when

108  
00:04:33,350 --> 00:04:32,080  
i got to her she told me to look at the

109  
00:04:38,550 --> 00:04:33,360  
window

110  
00:04:41,110 --> 00:04:38,560  
so i did those things were looking in

111  
00:04:42,469 --> 00:04:41,120  
and they they had their hands against

112  
00:04:45,189 --> 00:04:42,479  
the window

113  
00:04:47,350 --> 00:04:45,199

as they peeked in they looked like

114

00:04:50,710 --> 00:04:47,360

crocodiles

115

00:04:52,629 --> 00:04:50,720

but shaped like humans their face wasn't

116

00:04:55,030 --> 00:04:52,639

as long as a crocodile

117

00:04:56,629 --> 00:04:55,040

they had five fingers but they weren't

118

00:04:58,629 --> 00:04:56,639

human fingers

119

00:05:01,749 --> 00:04:58,639

they had long nails were crocodile like

120

00:05:04,070 --> 00:05:01,759

skin and walk standing upright

121

00:05:04,790 --> 00:05:04,080

they wore long black clothes cloaks or

122

00:05:07,749 --> 00:05:04,800

something

123

00:05:09,510 --> 00:05:07,759

like that on themselves uh they stood at

124

00:05:11,350 --> 00:05:09,520

the window for only a few seconds then

125

00:05:13,350 --> 00:05:11,360

they took off

126  
00:05:15,830 --> 00:05:13,360  
so not long later my grandparents got

127  
00:05:18,150 --> 00:05:15,840  
home with my uncle

128  
00:05:20,310 --> 00:05:18,160  
we all went running to them crying

129  
00:05:23,350 --> 00:05:20,320  
telling them what had happened

130  
00:05:25,350 --> 00:05:23,360  
my grandparents were very traditional

131  
00:05:27,670 --> 00:05:25,360  
and told us we had to leave and needed

132  
00:05:30,790 --> 00:05:27,680  
to go to my aunts

133  
00:05:31,749 --> 00:05:30,800  
she had lived on another reserve my aunt

134  
00:05:35,350 --> 00:05:31,759  
came to get us

135  
00:05:37,350 --> 00:05:35,360  
it not long later my uncle was upset

136  
00:05:38,550 --> 00:05:37,360  
he drove along the field looking for

137  
00:05:40,870 --> 00:05:38,560  
whatever they were

138  
00:05:42,790 --> 00:05:40,880

but when we all jumped in my aunt's van

139

00:05:44,070 --> 00:05:42,800

to go to their house

140

00:05:45,670 --> 00:05:44,080

those things were behind our

141

00:05:47,189 --> 00:05:45,680

grandparents house we could see them as

142

00:05:50,390 --> 00:05:47,199

we took off

143

00:05:53,670 --> 00:05:50,400

then they ran south

144

00:05:56,150 --> 00:05:53,680

i always thought that this was a dream

145

00:05:57,990 --> 00:05:56,160

but then at one family gathering i

146

00:06:00,550 --> 00:05:58,000

mentioned it to everyone who

147

00:06:02,950 --> 00:06:00,560

i recall was there at the time and they

148

00:06:05,510 --> 00:06:02,960

all remembered it

149

00:06:06,550 --> 00:06:05,520

so basically that's the whole story now

150

00:06:08,150 --> 00:06:06,560

he um

151  
00:06:09,830 --> 00:06:08,160  
like i said i think this occurred in

152  
00:06:14,469 --> 00:06:09,840  
alberta

153  
00:06:15,270 --> 00:06:14,479  
think is probably eastern albert next to

154  
00:06:20,710 --> 00:06:15,280  
uh

155  
00:06:23,749 --> 00:06:20,720  
i i don't know what this was a reptilian

156  
00:06:25,029 --> 00:06:23,759  
or something that degree i have no idea

157  
00:06:26,950 --> 00:06:25,039  
but i thought that was pretty

158  
00:06:29,749 --> 00:06:26,960  
interesting

159  
00:06:30,790 --> 00:06:29,759  
so tonight i want to welcome biologists

160  
00:06:34,950 --> 00:06:30,800  
and paranormal

161  
00:06:37,110 --> 00:06:34,960  
researcher wild trees to arcane radio

162  
00:06:38,629 --> 00:06:37,120  
now he has a degree in biology has

163  
00:06:40,150 --> 00:06:38,639

published several rece

164

00:06:41,670 --> 00:06:40,160

has published research in a

165

00:06:44,790 --> 00:06:41,680

peer-reviewed journal

166

00:06:47,670 --> 00:06:44,800

co-written a college science lab manual

167

00:06:49,350 --> 00:06:47,680

as an extensive field research

168

00:06:51,749 --> 00:06:49,360

experience and

169

00:06:53,990 --> 00:06:51,759

has had extensive field research

170

00:06:57,350 --> 00:06:54,000

experiences in texas

171

00:06:58,790 --> 00:06:57,360

colorado alaska montana wyoming and

172

00:07:01,909 --> 00:06:58,800

arkansas

173

00:07:03,430 --> 00:07:01,919

he specializes in animal behavior

174

00:07:06,870 --> 00:07:03,440

experimental design

175

00:07:09,510 --> 00:07:06,880

and microbiology now wild trees can be

176

00:07:13,589 --> 00:07:09,520

found on youtube facebook and instagram

177

00:07:14,550 --> 00:07:13,599

live to

179

00:07:19,189 --> 00:07:17,919

youtube broadcast at black lotus

180

00:07:21,430 --> 00:07:19,199

production

181

00:07:22,390 --> 00:07:21,440

so wound trees thanks for coming on the

00:07:26,950 --> 00:07:25,199

thanks for having me on a big fan well i

appreciate that

185

00:07:31,510 --> 00:07:29,199

so uh then you can you probably know you

186

00:07:32,870 --> 00:07:31,520

can expect about anything

187

00:07:35,749 --> 00:07:32,880

that's what i wouldn't want anything

188

00:07:39,510 --> 00:07:35,759

less yeah well that's cool

189

00:07:43,029 --> 00:07:39,520

so uh how about giving me an

190

00:07:44,070 --> 00:07:43,039

overview of your you know what you do as

191

00:07:47,270 --> 00:07:44,080

far as science

192

00:07:48,950 --> 00:07:47,280

and scientific method real

193

00:07:51,350 --> 00:07:48,960

field research anything that goes along

194

00:07:54,950 --> 00:07:51,360

with that yeah sure

195

00:07:57,270 --> 00:07:54,960

so um you know i specialize in biology

196

00:07:57,990 --> 00:07:57,280

and that's a branch of science it

197

00:08:01,510 --> 00:07:58,000

studies life

198

00:08:03,670 --> 00:08:01,520

so basically every aspect of life and so

199

00:08:06,070 --> 00:08:03,680

you know this perhaps the smallest unit

200

00:08:08,309 --> 00:08:06,080

of life is just one individual cell

201  
00:08:09,350 --> 00:08:08,319  
and so you and i are made of billions

202  
00:08:11,990 --> 00:08:09,360  
trillions of

203  
00:08:13,909 --> 00:08:12,000  
little living cells and then the largest

204  
00:08:15,830 --> 00:08:13,919  
unit of biology is really our planet you

205  
00:08:18,869 --> 00:08:15,840  
know our planet is uh

206  
00:08:20,710 --> 00:08:18,879  
full of life so that's basically the

207  
00:08:22,150 --> 00:08:20,720  
scale of biology today it's basically

208  
00:08:23,029 --> 00:08:22,160  
from a tiny cell all the way to the

209  
00:08:24,869 --> 00:08:23,039  
planet

210  
00:08:26,390 --> 00:08:24,879  
i suspect we're going to find life's in

211  
00:08:27,990 --> 00:08:26,400  
other planets so then the scale of

212  
00:08:30,710 --> 00:08:28,000  
biology will expand

213  
00:08:32,550 --> 00:08:30,720

uh even larger so it's a pretty big

214

00:08:34,389 --> 00:08:32,560

field

215

00:08:35,750 --> 00:08:34,399

now what i do is i i work in a

216

00:08:39,430 --> 00:08:35,760

laboratory

217

00:08:42,310 --> 00:08:39,440

and i basically my goal is to

218

00:08:43,750 --> 00:08:42,320

i kind of brainstorm research projects

219

00:08:46,310 --> 00:08:43,760

from the ground up

220

00:08:46,949 --> 00:08:46,320

i have to write a proposal and then i

221

00:08:49,509 --> 00:08:46,959

have to

222

00:08:51,030 --> 00:08:49,519

um have it approved usually by somebody

223

00:08:52,230 --> 00:08:51,040

i don't have to but if i'm applying for

224

00:08:54,070 --> 00:08:52,240

money or something

225

00:08:56,150 --> 00:08:54,080

it's usually good to have it approved by

226

00:08:57,910 --> 00:08:56,160

maybe other scientists to say

227

00:08:59,670 --> 00:08:57,920

before you start this is a good plan of

228

00:09:01,590 --> 00:08:59,680

action uh

229

00:09:03,829 --> 00:09:01,600

then i conduct the work i'm a field

230

00:09:06,870 --> 00:09:03,839

biologist so i like to go out

231

00:09:08,550 --> 00:09:06,880

and uh the mountains the forest

232

00:09:10,949 --> 00:09:08,560

and i gather all my data that's usually

233

00:09:12,630 --> 00:09:10,959

the funnest part it's really fun

234

00:09:14,150 --> 00:09:12,640

but then i have to go to the laboratory

235

00:09:16,230 --> 00:09:14,160

and that's not as much it's not as much

236

00:09:16,870 --> 00:09:16,240

fun but i i'm skilled with a microscope

237

00:09:18,710 --> 00:09:16,880

and

238

00:09:20,070 --> 00:09:18,720

you have to get all the numbers together

239

00:09:21,269 --> 00:09:20,080

and then you have to write a formal

240

00:09:25,829 --> 00:09:21,279

paper

241

00:09:29,990 --> 00:09:25,839

science has an introduction

242

00:09:31,670 --> 00:09:30,000

uh it's got a methods it's got a results

243

00:09:33,670 --> 00:09:31,680

and a discussion section those are the

244

00:09:36,470 --> 00:09:33,680

main sections uh so

245

00:09:38,470 --> 00:09:36,480

once you finish that project the paper

246

00:09:41,350 --> 00:09:38,480

you submit it to a journal

247

00:09:43,269 --> 00:09:41,360

and a peer-reviewed academic journal so

248

00:09:45,269 --> 00:09:43,279

when you submit it to that journal

249

00:09:46,870 --> 00:09:45,279

other biologists or scientists will look

250

00:09:49,110 --> 00:09:46,880

at it and then

251  
00:09:50,230 --> 00:09:49,120  
they will give you feedback they'll

252  
00:09:51,750 --> 00:09:50,240  
either say

253  
00:09:53,990 --> 00:09:51,760  
rarely but sometimes they'll say this is

254  
00:09:56,070 --> 00:09:54,000  
perfect nothing's wrong with it

255  
00:09:57,110 --> 00:09:56,080  
let's publish it and then once it's

256  
00:09:59,509 --> 00:09:57,120  
published

257  
00:10:01,590 --> 00:09:59,519  
then the goal is that this publication

258  
00:10:03,910 --> 00:10:01,600  
is accessible to the entire world

259  
00:10:05,670 --> 00:10:03,920  
and whatever you discovered it becomes

260  
00:10:08,630 --> 00:10:05,680  
humanity's knowledge you know

261  
00:10:09,509 --> 00:10:08,640  
other people can use it to uh come up

262  
00:10:11,670 --> 00:10:09,519  
with some

263  
00:10:13,430 --> 00:10:11,680

advancement in technology or they could

264

00:10:16,630 --> 00:10:13,440

they could expand on it

265

00:10:18,550 --> 00:10:16,640

but this is basically how uh humanity

266

00:10:19,750 --> 00:10:18,560

uh expands their knowledge base this is

267

00:10:21,110 --> 00:10:19,760

how we learn about our place in the

268

00:10:23,350 --> 00:10:21,120

universe is through this

269

00:10:24,870 --> 00:10:23,360

process that i described it's possible

270

00:10:27,030 --> 00:10:24,880

to do research

271

00:10:28,949 --> 00:10:27,040

uh and not do this for instance if

272

00:10:31,590 --> 00:10:28,959

you're the if you're the government

273

00:10:32,870 --> 00:10:31,600

or if you're a private company you could

274

00:10:33,990 --> 00:10:32,880

do what i just said

275

00:10:35,430 --> 00:10:34,000

but you're not going to publish it

276

00:10:36,790 --> 00:10:35,440

you're going to keep it to yourself

277

00:10:39,829 --> 00:10:36,800

because there's no incentive

278

00:10:41,910 --> 00:10:39,839

you probably paid all this money and so

279

00:10:43,430 --> 00:10:41,920

this method that i described as academic

280

00:10:46,150 --> 00:10:43,440

method this is how the world

281

00:10:47,509 --> 00:10:46,160

expands their knowledge base basically

282

00:10:49,670 --> 00:10:47,519

so do you work for

283

00:10:51,269 --> 00:10:49,680

uh an independent group or you work for

284

00:10:52,790 --> 00:10:51,279

a university

285

00:10:55,030 --> 00:10:52,800

uh right now i work for the independent

286

00:10:56,230 --> 00:10:55,040

group yeah okay

287

00:10:58,069 --> 00:10:56,240

well that's interesting you know it's

288

00:10:58,870 --> 00:10:58,079

something i never thought about doing or

289

00:11:01,030 --> 00:10:58,880

even

290

00:11:02,949 --> 00:11:01,040

uh you know i'm i'm quite sure it's

291

00:11:06,150 --> 00:11:02,959

pretty involved and

292

00:11:08,389 --> 00:11:06,160

if you're if you're relying on somebody

293

00:11:10,550 --> 00:11:08,399

else's money i think you probably end up

294

00:11:11,829 --> 00:11:10,560

having to have a little bit of pressure

295

00:11:13,670 --> 00:11:11,839

and have to come up with some pretty

296

00:11:16,710 --> 00:11:13,680

good thesis and and uh

297

00:11:18,470 --> 00:11:16,720

results by doing that yeah you're

298

00:11:21,190 --> 00:11:18,480

absolutely correct and then um

299

00:11:23,590 --> 00:11:21,200

that's why i i try without getting too

300

00:11:26,710 --> 00:11:23,600

given too much detail about my personal

301  
00:11:29,509 --> 00:11:26,720  
work uh you know i try to

302  
00:11:30,710 --> 00:11:29,519  
self-fund my work self-funded because

303  
00:11:33,110 --> 00:11:30,720  
then you do have freedom

304  
00:11:35,269 --> 00:11:33,120  
but i you know this is why this what you

305  
00:11:37,190 --> 00:11:35,279  
just touched on this is why

306  
00:11:39,110 --> 00:11:37,200  
you know mainstream science has not

307  
00:11:41,269 --> 00:11:39,120  
accepted the paranormal it's basically

308  
00:11:44,630 --> 00:11:41,279  
because of this funding thing okay

309  
00:11:46,230 --> 00:11:44,640  
so as i just laid out if the world is

310  
00:11:47,590 --> 00:11:46,240  
going to learn about the paranormal and

311  
00:11:48,550 --> 00:11:47,600  
the world is going to accept the

312  
00:11:51,590 --> 00:11:48,560  
paranormal

313  
00:11:54,069 --> 00:11:51,600

it has to be through this academic

314

00:11:54,790 --> 00:11:54,079

avenue so i believe paranormal research

315

00:11:56,310 --> 00:11:54,800

has been done

316

00:11:59,430 --> 00:11:56,320

with private companies and with the

317

00:12:00,949 --> 00:11:59,440

government but as you remember as i said

318

00:12:02,790 --> 00:12:00,959

those results are not published those

319

00:12:04,870 --> 00:12:02,800

are private results

320

00:12:06,470 --> 00:12:04,880

so the government can do whatever

321

00:12:08,550 --> 00:12:06,480

amazing research they want

322

00:12:10,069 --> 00:12:08,560

a private company like spacex or

323

00:12:12,069 --> 00:12:10,079

microsoft can do whatever

324

00:12:13,430 --> 00:12:12,079

amazing research they want but you and i

325

00:12:15,190 --> 00:12:13,440

are never going to find out about it

326

00:12:17,590 --> 00:12:15,200

i mean unless we work for the company

327

00:12:18,389 --> 00:12:17,600

okay so then so why isn't the academic

328

00:12:19,910 --> 00:12:18,399

world

329

00:12:21,829 --> 00:12:19,920

doing paranormal research well it

330

00:12:24,870 --> 00:12:21,839

basically is because of funding

331

00:12:27,430 --> 00:12:24,880

so these projects they don't have to

332

00:12:28,230 --> 00:12:27,440

but they can take you know millions of

333

00:12:31,829 --> 00:12:28,240

dollars

334

00:12:33,910 --> 00:12:31,839

and hundreds of hours of work to do okay

335

00:12:35,190 --> 00:12:33,920

and where does that money come from well

336

00:12:37,430 --> 00:12:35,200

in the united states

337

00:12:38,949 --> 00:12:37,440

it comes from research grants for

338

00:12:40,870 --> 00:12:38,959

example we have the national science

339

00:12:43,590 --> 00:12:40,880

foundation which is a uh

340

00:12:44,470 --> 00:12:43,600

it's a tax it's a it's funded by our

341

00:12:46,629 --> 00:12:44,480

taxes

342

00:12:48,069 --> 00:12:46,639

but they give out lots and lots of

343

00:12:49,750 --> 00:12:48,079

research money

344

00:12:51,910 --> 00:12:49,760

but the people that give out this

345

00:12:54,150 --> 00:12:51,920

research money they're the ones that

346

00:12:55,590 --> 00:12:54,160

specify what the money is used for

347

00:12:57,990 --> 00:12:55,600

so they're the ones that say this is for

348

00:13:00,870 --> 00:12:58,000

cancer research this is for studying

349

00:13:01,590 --> 00:13:00,880

fruits this is for studying uh fish

350

00:13:03,750 --> 00:13:01,600

whatever

351  
00:13:05,990 --> 00:13:03,760  
so as long as none of them say this is

352  
00:13:08,150 --> 00:13:06,000  
for paranormal research

353  
00:13:09,350 --> 00:13:08,160  
there is no incentive for an academic

354  
00:13:10,710 --> 00:13:09,360  
scientist to do paranormal research

355  
00:13:12,230 --> 00:13:10,720  
because the money's not there

356  
00:13:13,990 --> 00:13:12,240  
they're not going to waste their time so

357  
00:13:15,190 --> 00:13:14,000  
this is kind of a vicious cycle and this

358  
00:13:17,430 --> 00:13:15,200  
is why we're at

359  
00:13:21,269 --> 00:13:17,440  
the place where we're at today well then

360  
00:13:23,670 --> 00:13:21,279  
that's understandable i mean you know um

361  
00:13:25,590 --> 00:13:23,680  
i i know there are many instances for

362  
00:13:27,030 --> 00:13:25,600  
individuals who are scientists that they

363  
00:13:30,790 --> 00:13:27,040

do not

364

00:13:34,150 --> 00:13:30,800

really want their themselves to be known

365

00:13:39,110 --> 00:13:34,160

as far as delving into the paranormal

366

00:13:41,269 --> 00:13:39,120

yes so in your case how did that happen

367

00:13:43,030 --> 00:13:41,279

yeah it's uh well i first got interested

368

00:13:45,430 --> 00:13:43,040

in the paranormal as a little boy

369

00:13:46,829 --> 00:13:45,440

and perhaps uh lon if you grew up in

370

00:13:49,030 --> 00:13:46,839

north america perhaps

371

00:13:50,550 --> 00:13:49,040

experience so when i was a little kid

372

00:13:52,870 --> 00:13:50,560

every library i went to

373

00:13:54,790 --> 00:13:52,880

at the public library or at the school

374

00:13:55,910 --> 00:13:54,800

library they had a tiny little section

375

00:13:57,430 --> 00:13:55,920

of paranormal books

376

00:13:59,750 --> 00:13:57,440

but they always had one you know it was

377

00:14:02,389 --> 00:13:59,760

maybe 10 books bermuda triangle

378

00:14:03,030 --> 00:14:02,399

cryptids ufos that was really the first

379

00:14:05,269 --> 00:14:03,040

inkling

380

00:14:06,470 --> 00:14:05,279

or indication that there was something

381

00:14:08,150 --> 00:14:06,480

more going on

382

00:14:10,470 --> 00:14:08,160

in the world that's really how i got

383

00:14:11,509 --> 00:14:10,480

into it and then um what really kind of

384

00:14:14,949 --> 00:14:11,519

jump started my

385

00:14:17,590 --> 00:14:14,959

um my uh my work in the paranormal

386

00:14:18,870 --> 00:14:17,600

is that i was uh i was in graduate

387

00:14:20,470 --> 00:14:18,880

school getting a master's degree in

388

00:14:21,110 --> 00:14:20,480

biology and i got sick for like two

389

00:14:23,509 --> 00:14:21,120

weeks

390

00:14:25,430 --> 00:14:23,519

so i started just watching netflix and i

391

00:14:27,269 --> 00:14:25,440

saw steven grier's documentaries on

392

00:14:29,030 --> 00:14:27,279

netflix his ufo documentaries

393

00:14:30,550 --> 00:14:29,040

and then it'd been a while since i

394

00:14:32,069 --> 00:14:30,560

looked into the paranormal stuff but at

395

00:14:33,509 --> 00:14:32,079

this time i already had all this

396

00:14:35,110 --> 00:14:33,519

scientific training

397

00:14:36,629 --> 00:14:35,120

i knew how to value i knew how to

398

00:14:39,110 --> 00:14:36,639

evaluate claims

399

00:14:40,949 --> 00:14:39,120

think critically i knew i had already

400

00:14:42,550 --> 00:14:40,959

conducted studies myself

401

00:14:44,150 --> 00:14:42,560

so then i started digging into it and i

402

00:14:45,670 --> 00:14:44,160

was like oh my god you know there is a

403

00:14:47,990 --> 00:14:45,680

lot of evidence here

404

00:14:49,910 --> 00:14:48,000

there is something definitely going on

405

00:14:51,590 --> 00:14:49,920

and that's what started my

406

00:14:53,750 --> 00:14:51,600

uh interest in the paranormal and and

407

00:14:56,470 --> 00:14:53,760

honestly as a scientist like

408

00:14:59,269 --> 00:14:56,480

this is amazing like this is like there

409

00:15:02,550 --> 00:14:59,279

is so much uh possibility for like

410

00:15:04,870 --> 00:15:02,560

new discoveries uh you know

411

00:15:06,389 --> 00:15:04,880

just uh publications just uh

412

00:15:08,949 --> 00:15:06,399

opportunities to change the world

413

00:15:10,389 --> 00:15:08,959

within the paranormal you know because

414

00:15:12,069 --> 00:15:10,399

when you're a scientist you know

415

00:15:13,829 --> 00:15:12,079

it's very competitive you're you know

416

00:15:15,430 --> 00:15:13,839

you're trying to you know

417

00:15:17,509 --> 00:15:15,440

get the newest discovery but a lot of

418

00:15:18,870 --> 00:15:17,519

these fields are over saturated

419

00:15:20,670 --> 00:15:18,880

there's already a lot of gen there's a

420

00:15:23,269 --> 00:15:20,680

lot of geneticists already

421

00:15:24,389 --> 00:15:23,279

entomologists you know ichthyologists

422

00:15:25,829 --> 00:15:24,399

virologists

423

00:15:27,110 --> 00:15:25,839

all these mainstream subjects there's a

424

00:15:27,829 --> 00:15:27,120

lot of sciences there so it's a little

425

00:15:29,430 --> 00:15:27,839

bit harder

426

00:15:31,590 --> 00:15:29,440

to come up with something new but

427

00:15:33,110 --> 00:15:31,600

there's this whole domain of

428

00:15:35,350 --> 00:15:33,120

a paranormal research that just no

429

00:15:37,749 --> 00:15:35,360

scientists have touched so if

430

00:15:38,790 --> 00:15:37,759

it's done delicately and it's done

431

00:15:41,430 --> 00:15:38,800

smartly

432

00:15:41,910 --> 00:15:41,440

then it's like it's a huge opportunity

433

00:15:45,269 --> 00:15:41,920

uh

434

00:15:47,110 --> 00:15:45,279

done but

435

00:15:48,790 --> 00:15:47,120

it does have to be done delicately and

436

00:15:52,870 --> 00:15:48,800

it has to be done correctly

437

00:15:55,590 --> 00:15:52,880

for it to work so um

438

00:15:56,230 --> 00:15:55,600

for you to get involved in something

439

00:15:59,269 --> 00:15:56,240

like this

440

00:16:00,870 --> 00:15:59,279

by being a scientist i'm quite sure

441

00:16:02,870 --> 00:16:00,880

you've had some experiences that

442

00:16:05,030 --> 00:16:02,880

probably

443

00:16:06,870 --> 00:16:05,040

kind of uh linked you linked together

444

00:16:09,189 --> 00:16:06,880

and got you thinking about

445

00:16:10,710 --> 00:16:09,199

you know what's the connection between

446

00:16:13,670 --> 00:16:10,720

science and

447

00:16:15,430 --> 00:16:13,680

supernatural yes i have i've had i have

448

00:16:17,269 --> 00:16:15,440

had experiences uh

449

00:16:18,790 --> 00:16:17,279

i guess i guess i'll just quickly name

450

00:16:20,230 --> 00:16:18,800

some of the the broad things that

451  
00:16:22,710 --> 00:16:20,240  
happened to me

452  
00:16:24,710 --> 00:16:22,720  
uh when i was like 10 years old i felt

453  
00:16:27,269 --> 00:16:24,720  
like an invisible hand

454  
00:16:29,269 --> 00:16:27,279  
tried to stop me from closing a door you

455  
00:16:31,110 --> 00:16:29,279  
know it was like on my wrist and i just

456  
00:16:33,590 --> 00:16:31,120  
i looked down and i was like

457  
00:16:35,990 --> 00:16:33,600  
this feels just like a human hand this

458  
00:16:37,910 --> 00:16:36,000  
does not want me to close this door and

459  
00:16:41,030 --> 00:16:37,920  
i was 10 years old i was just like

460  
00:16:42,629 --> 00:16:41,040  
okay and i kind of pushed against it i

461  
00:16:44,629 --> 00:16:42,639  
closed the door anyway

462  
00:16:46,150 --> 00:16:44,639  
and it smashed my mother's fingers in

463  
00:16:47,590 --> 00:16:46,160

the door and she had to go to the

464

00:16:50,069 --> 00:16:47,600

emergency room

465

00:16:52,150 --> 00:16:50,079

and so i was like okay so an invisible

466

00:16:55,430 --> 00:16:52,160

hand was trying to prevent me from

467

00:16:57,509 --> 00:16:55,440

hurting my mother on accident so

468

00:17:00,069 --> 00:16:57,519

that's odd i mean it was a positive

469

00:17:02,870 --> 00:17:00,079

experience in that it was trying to help

470

00:17:04,309 --> 00:17:02,880

but um you know that's a very odd

471

00:17:06,150 --> 00:17:04,319

experience that i can't explain with

472

00:17:10,309 --> 00:17:06,160

conventional science

473

00:17:12,549 --> 00:17:10,319

um i also um when i was 19

474

00:17:14,710 --> 00:17:12,559

you know i guess nine years after that i

475

00:17:16,949 --> 00:17:14,720

was sleeping on my couch

476

00:17:18,150 --> 00:17:16,959

during the daytime i woke up and i saw

477

00:17:21,429 --> 00:17:18,160

my two younger sisters

478

00:17:22,230 --> 00:17:21,439

which were kids standing next to me and

479

00:17:25,270 --> 00:17:22,240

i thought it was

480

00:17:27,750 --> 00:17:25,280

staring at me while i was napping

481

00:17:29,110 --> 00:17:27,760

but then like i focused my eyes and it

482

00:17:30,310 --> 00:17:29,120

turns out there were like three little

483

00:17:32,950 --> 00:17:30,320

grey aliens

484

00:17:34,549 --> 00:17:32,960

classic gray aliens i think they had

485

00:17:37,270 --> 00:17:34,559

little spacesuits on

486

00:17:38,710 --> 00:17:37,280

they were very childlike as soon as they

487

00:17:40,470 --> 00:17:38,720

noticed that i was awake

488

00:17:41,830 --> 00:17:40,480

they freaked out like children and they

489

00:17:43,510 --> 00:17:41,840

ran down the hallway

490

00:17:45,110 --> 00:17:43,520

and i went back to sleep now that

491

00:17:47,430 --> 00:17:45,120

experience that experience

492

00:17:48,630 --> 00:17:47,440

hey it could be could have been a dream

493

00:17:51,029 --> 00:17:48,640

could have been real

494

00:17:51,990 --> 00:17:51,039

uh the jury's still out in my my mind

495

00:17:53,669 --> 00:17:52,000

but the

496

00:17:55,510 --> 00:17:53,679

all things about that experience is that

497

00:17:56,230 --> 00:17:55,520

at the time i'll tell you right now man

498

00:17:59,510 --> 00:17:56,240

i had my

499

00:18:01,110 --> 00:17:59,520

a girlfriend at the time and i was 19.

500

00:18:03,110 --> 00:18:01,120

i had just started college i was playing

501  
00:18:04,549 --> 00:18:03,120  
video games i was not thinking about

502  
00:18:07,270 --> 00:18:04,559  
ufos at all you know

503  
00:18:08,630 --> 00:18:07,280  
so it wasn't like it was in my mind and

504  
00:18:11,029 --> 00:18:08,640  
it didn't feel like sleep paralysis

505  
00:18:13,270 --> 00:18:11,039  
either because i wasn't like uh

506  
00:18:14,950 --> 00:18:13,280  
i didn't feel paralyzed i felt very calm

507  
00:18:16,310 --> 00:18:14,960  
you know i felt relaxed i was just an

508  
00:18:19,270 --> 00:18:16,320  
odd experience and

509  
00:18:20,789 --> 00:18:19,280  
i will say thank god these aliens that i

510  
00:18:21,830 --> 00:18:20,799  
saw looked very non-threatening

511  
00:18:23,510 --> 00:18:21,840  
thank goodness because i've heard of

512  
00:18:24,310 --> 00:18:23,520  
some terrifying looking ones they look

513  
00:18:27,190 --> 00:18:24,320

like children

514

00:18:28,390 --> 00:18:27,200

so so then uh you know another thing

515

00:18:30,390 --> 00:18:28,400

that happened was

516

00:18:32,789 --> 00:18:30,400

uh i guess four years ago i saw an orb

517

00:18:34,470 --> 00:18:32,799

of light i was with a research assistant

518

00:18:36,390 --> 00:18:34,480

i was in graduate school again

519

00:18:37,750 --> 00:18:36,400

and just above the trees we saw like a

520

00:18:39,590 --> 00:18:37,760

round uh

521

00:18:41,110 --> 00:18:39,600

super white ball of light that just

522

00:18:43,029 --> 00:18:41,120

streaked across the sky

523

00:18:44,150 --> 00:18:43,039

and it had like a tail like a trailing

524

00:18:47,190 --> 00:18:44,160

tail of light

525

00:18:48,390 --> 00:18:47,200

we both saw it and um yeah i guess that

526

00:18:51,270 --> 00:18:48,400

could be classified as an

527

00:18:53,029 --> 00:18:51,280

orb it's definitely a ufo it was

528

00:18:54,950 --> 00:18:53,039

unidentified i haven't been able to find

529

00:18:57,270 --> 00:18:54,960

what it could possibly be

530

00:18:58,310 --> 00:18:57,280

um it was night time it didn't make any

531

00:19:00,710 --> 00:18:58,320

noise

532

00:19:02,630 --> 00:19:00,720

there wasn't anybody around there i

533

00:19:04,870 --> 00:19:02,640

looked in the field over which it was

534

00:19:07,190 --> 00:19:04,880

at and i didn't see like fireworks or a

535

00:19:08,710 --> 00:19:07,200

meteorite i didn't see any evidence

536

00:19:11,510 --> 00:19:08,720

and then i guess another just the last

537

00:19:13,110 --> 00:19:11,520

major one is i was at a research station

538

00:19:15,110 --> 00:19:13,120

once again this was oh this was exactly

539

00:19:16,390 --> 00:19:15,120

three years ago okay exactly three years

540

00:19:19,830 --> 00:19:16,400

ago

541

00:19:21,510 --> 00:19:19,840

i went to a biological research station

542

00:19:24,310 --> 00:19:21,520

and i stayed there for the entire month

543

00:19:26,150 --> 00:19:24,320

of december and some of january and so

544

00:19:28,310 --> 00:19:26,160

the park service had a house i could

545

00:19:29,830 --> 00:19:28,320

stay in this big two-story house

546

00:19:32,390 --> 00:19:29,840

so i stayed there the whole time by

547

00:19:34,789 --> 00:19:32,400

myself and it was very lonely

548

00:19:36,150 --> 00:19:34,799

it was very cold it was beautiful it was

549

00:19:37,590 --> 00:19:36,160

like a one horse town

550

00:19:40,150 --> 00:19:37,600

when you're at the front porch you could

551

00:19:42,390 --> 00:19:40,160

just see every star in the night sky

552

00:19:43,830 --> 00:19:42,400

um every day i would wake up you know

553

00:19:45,669 --> 00:19:43,840

eat breakfast i would go out in the

554

00:19:48,070 --> 00:19:45,679

woods and take pictures

555

00:19:50,310 --> 00:19:48,080

i just had a really fun time but at

556

00:19:51,590 --> 00:19:50,320

night it became very lonely it was a big

557

00:19:53,430 --> 00:19:51,600

house very lonely

558

00:19:55,110 --> 00:19:53,440

my only friend and the only other living

559

00:19:57,270 --> 00:19:55,120

thing in that cabin was a roach

560

00:19:59,350 --> 00:19:57,280

that lived in the bathroom which i

561

00:20:00,870 --> 00:19:59,360

befriended and i was so happy to see it

562

00:20:02,870 --> 00:20:00,880

i would give it mangoes and

563

00:20:05,110 --> 00:20:02,880

that was just me and his roach but

564

00:20:07,510 --> 00:20:05,120

anyway one night i received a phone call

565

00:20:09,430 --> 00:20:07,520

it lasted probably like five minutes i

566

00:20:10,870 --> 00:20:09,440

believe that whatever called me were two

567

00:20:13,110 --> 00:20:10,880

non-humans

568

00:20:15,510 --> 00:20:13,120

you know i one thing started talking to

569

00:20:17,830 --> 00:20:15,520

me and the sound of the voice

570

00:20:18,710 --> 00:20:17,840

it did not sound like a human it did not

571

00:20:20,390 --> 00:20:18,720

sound feminine

572

00:20:22,310 --> 00:20:20,400

it did not sound masculine it just

573

00:20:23,909 --> 00:20:22,320

sounded bizarre

574

00:20:25,270 --> 00:20:23,919

started talking to me and i i probably

575

00:20:25,669 --> 00:20:25,280

sounded like an idiot i was probably

576

00:20:31,750 --> 00:20:25,679

like

577

00:20:33,350 --> 00:20:31,760

what's going on and then another one

578

00:20:35,750 --> 00:20:33,360

came on the on the phone like it's a

579

00:20:38,070 --> 00:20:35,760

buddy so it was like a three-way call

580

00:20:39,110 --> 00:20:38,080

then they started talking to each other

581

00:20:41,430 --> 00:20:39,120

and uh

582

00:20:42,950 --> 00:20:41,440

they started laughing at me and i was

583

00:20:44,310 --> 00:20:42,960

paranoid i was like man

584

00:20:46,310 --> 00:20:44,320

i was like these are aliens and they

585

00:20:48,870 --> 00:20:46,320

want to abduct me tonight

586

00:20:49,350 --> 00:20:48,880

and so i was very freaked out now i wish

587

00:20:51,669 --> 00:20:49,360

i would

588

00:20:53,350 --> 00:20:51,679

if i could go back i wish i could have

589

00:20:54,549 --> 00:20:53,360

been friendlier and more open to the

590

00:20:55,029 --> 00:20:54,559

experience i wish i could have laughed

591

00:20:57,029 --> 00:20:55,039

with them

592

00:20:58,789 --> 00:20:57,039

and gone with the flow but unfortunately

593

00:21:01,190 --> 00:20:58,799

i was very paranoid

594

00:21:02,230 --> 00:21:01,200

around that time i realized that they

595

00:21:04,870 --> 00:21:02,240

were talking

596

00:21:06,470 --> 00:21:04,880

with english words so every word was

597

00:21:07,590 --> 00:21:06,480

english but they were using the words

598

00:21:09,270 --> 00:21:07,600

incorrectly

599

00:21:10,630 --> 00:21:09,280

i've since i've since learned that this

600

00:21:13,830 --> 00:21:10,640

is a common thing

601  
00:21:15,510 --> 00:21:13,840  
like ufo occupants uh sometimes people

602  
00:21:18,310 --> 00:21:15,520  
will talk to them and they look

603  
00:21:20,789 --> 00:21:18,320  
human a little bit off but they describe

604  
00:21:23,750 --> 00:21:20,799  
the same language so this is a weird

605  
00:21:24,149 --> 00:21:23,760  
uses of english anyway so then i was

606  
00:21:27,590 --> 00:21:24,159  
like

607  
00:21:30,390 --> 00:21:27,600  
i got defensive i guess

608  
00:21:31,590 --> 00:21:30,400  
i i did not want to get abducted um so

609  
00:21:34,149 --> 00:21:31,600  
what i did is uh

610  
00:21:35,750 --> 00:21:34,159  
i've been in similar situations in in

611  
00:21:37,909 --> 00:21:35,760  
this world in these woods okay

612  
00:21:40,230 --> 00:21:37,919  
i will say these woods are probably it's

613  
00:21:42,470 --> 00:21:40,240

called the big thicket national preserve

614

00:21:44,070 --> 00:21:42,480

this is one of the most biodiverse areas

615

00:21:45,510 --> 00:21:44,080

in the entire world

616

00:21:47,909 --> 00:21:45,520

and i will say there's a strong

617

00:21:49,510 --> 00:21:47,919

connection between biodiversity and

618

00:21:50,789 --> 00:21:49,520

paranormal activity

619

00:21:52,390 --> 00:21:50,799

obviously you're going to probably see a

620

00:21:53,909 --> 00:21:52,400

lot of cryptids in an area that has a

621

00:21:57,110 --> 00:21:53,919

lot of biodiversity

622

00:21:57,669 --> 00:21:57,120

so this area has is known for landed

623

00:22:00,630 --> 00:21:57,679

crafts

624

00:22:01,270 --> 00:22:00,640

landed ufos there's a there's a road

625

00:22:02,789 --> 00:22:01,280

there

626

00:22:04,470 --> 00:22:02,799

it's called ghost road and it's just

627

00:22:05,909 --> 00:22:04,480

known for spheres of light

628

00:22:07,830 --> 00:22:05,919

just everybody knows about it's got a

629

00:22:10,149 --> 00:22:07,840

big uh marker

630

00:22:10,950 --> 00:22:10,159

there's bigfoot sightings in this area

631

00:22:12,310 --> 00:22:10,960

so

632

00:22:13,750 --> 00:22:12,320

there's just a lot of paranormal it's a

633

00:22:15,590 --> 00:22:13,760

paranormal hot spot so i had my own

634

00:22:17,510 --> 00:22:15,600

paranormal experience

635

00:22:19,110 --> 00:22:17,520

um but yeah but i've almost died at

636

00:22:20,310 --> 00:22:19,120

least twice in this area one time i got

637

00:22:21,590 --> 00:22:20,320

lost in the woods

638

00:22:23,990 --> 00:22:21,600

i could have easily drowned or been

639

00:22:24,950 --> 00:22:24,000

bitten by a snake uh one time i got

640

00:22:26,470 --> 00:22:24,960

stuck in some

641

00:22:28,310 --> 00:22:26,480

quicksand which i didn't even know was a

642

00:22:29,830 --> 00:22:28,320

real thing i was uh

643

00:22:31,590 --> 00:22:29,840

collecting these water beetles on the

644

00:22:34,070 --> 00:22:31,600

side of this big river

645

00:22:34,870 --> 00:22:34,080

the river had like really long sandy

646

00:22:36,789 --> 00:22:34,880

banks

647

00:22:38,710 --> 00:22:36,799

i was there with my research assistant

648

00:22:40,630 --> 00:22:38,720

which was a was a really petite girl

649

00:22:43,270 --> 00:22:40,640

very small girl this is important

650

00:22:44,950 --> 00:22:43,280

we're walking down and i guess i i

651  
00:22:47,110 --> 00:22:44,960  
stepped in an area that had the right

652  
00:22:49,270 --> 00:22:47,120  
concentration of water and sand

653  
00:22:51,590 --> 00:22:49,280  
so i immediately sunk down to my thighs

654  
00:22:52,789 --> 00:22:51,600  
basically and sand and i was just like

655  
00:22:54,070 --> 00:22:52,799  
immovable

656  
00:22:55,909 --> 00:22:54,080  
and then i looked at my research

657  
00:22:57,590 --> 00:22:55,919  
assistant and she's bouncing up and down

658  
00:23:00,870 --> 00:22:57,600  
the quicksand like nothing's wrong

659  
00:23:02,149 --> 00:23:00,880  
and as i was panicking i realized that

660  
00:23:04,950 --> 00:23:02,159  
she did not weigh enough

661  
00:23:05,350 --> 00:23:04,960  
to break the surface tension of the sand

662  
00:23:08,470 --> 00:23:05,360  
so

663  
00:23:09,190 --> 00:23:08,480

she was fine but not me and then i was i

664

00:23:12,390 --> 00:23:09,200

was like

665

00:23:14,149 --> 00:23:12,400

because she's having a great time and i

666

00:23:16,390 --> 00:23:14,159

don't want to sour the situation so let

667

00:23:18,230 --> 00:23:16,400

me try to get out of this myself so

668

00:23:20,549 --> 00:23:18,240

i eventually the other thing that was

669

00:23:22,310 --> 00:23:20,559

helpful is i had on waders you know i

670

00:23:23,510 --> 00:23:22,320

always wear waders in the woods so these

671

00:23:25,350 --> 00:23:23,520

went up to my chest

672

00:23:26,870 --> 00:23:25,360

so i wasn't directly in it i had like a

673

00:23:29,029 --> 00:23:26,880

little shell

674

00:23:30,149 --> 00:23:29,039

and eventually i had to just inch my way

675

00:23:32,070 --> 00:23:30,159

out i mean like pain

676

00:23:33,430 --> 00:23:32,080

i had to calm down first i could i i

677

00:23:34,070 --> 00:23:33,440

could see how easily if you were to

678

00:23:35,669 --> 00:23:34,080

panic

679

00:23:37,190 --> 00:23:35,679

you would just make it worse and you

680

00:23:37,830 --> 00:23:37,200

would if it was alone if i would have

681

00:23:39,750 --> 00:23:37,840

been alone

682

00:23:41,430 --> 00:23:39,760

and if i would have panicked it was game

683

00:23:43,750 --> 00:23:41,440

over man but um

684

00:23:44,710 --> 00:23:43,760

i inched my way out of it and i did find

685

00:23:46,149 --> 00:23:44,720

a new uh

686

00:23:48,310 --> 00:23:46,159

beetle on the side of there i found a

687

00:23:49,430 --> 00:23:48,320

new uh locality record so i did make a

688

00:23:51,750 --> 00:23:49,440

small discovery

689

00:23:53,110 --> 00:23:51,760

anyway that's to say that i have been in

690

00:23:55,110 --> 00:23:53,120

danger in this area so that's

691

00:23:56,870 --> 00:23:55,120

i got in that that mindset with these

692

00:23:58,870 --> 00:23:56,880

aliens

693

00:24:00,310 --> 00:23:58,880

so i i what i did is i remembered the

694

00:24:03,029 --> 00:24:00,320

last thing they said to me

695

00:24:04,390 --> 00:24:03,039

which i believe my memory is hazy but i

696

00:24:05,269 --> 00:24:04,400

believe that the closest thing i could

697

00:24:07,430 --> 00:24:05,279

remember

698

00:24:09,350 --> 00:24:07,440

is in this weird alien voice they kept

699

00:24:11,830 --> 00:24:09,360

asking me they were asking me

700

00:24:13,190 --> 00:24:11,840

where's the bucket leroy where's the

701

00:24:17,190 --> 00:24:13,200

bucket lero y

702

00:24:19,590 --> 00:24:17,200

very odd so i i memorized that phrase

703

00:24:21,190 --> 00:24:19,600

and i asked it to them so i started

704

00:24:22,950 --> 00:24:21,200

asking them i was like

705

00:24:24,630 --> 00:24:22,960

asking them hey where's the bucket i

706

00:24:27,510 --> 00:24:24,640

started calling them lero y

707

00:24:29,269 --> 00:24:27,520

and then i got uh more heated i opened

708

00:24:30,870 --> 00:24:29,279

the door and i went outside

709

00:24:32,549 --> 00:24:30,880

i was just shouting into the darkness it

710

00:24:34,310 --> 00:24:32,559

was cold i had the phone i was just like

711

00:24:36,630 --> 00:24:34,320

where's the pocket lero y

712

00:24:37,830 --> 00:24:36,640

but eventually like they freaked out and

713

00:24:39,350 --> 00:24:37,840

they hung up on me

714

00:24:41,269 --> 00:24:39,360

so they thought i was the weird one

715

00:24:43,190 --> 00:24:41,279

which is very interesting

716

00:24:45,510 --> 00:24:43,200

and as far as i know i did not get

717

00:24:47,430 --> 00:24:45,520

abducted that day

718

00:24:50,470 --> 00:24:47,440

but yeah those are some of the major

719

00:24:54,870 --> 00:24:50,480

paranormal stuff that has happened to me

720

00:24:58,549 --> 00:24:54,880

so um so you being a scientist

721

00:25:01,510 --> 00:24:58,559

and you've had experiences

722

00:25:03,350 --> 00:25:01,520

do you believe that you were either at

723

00:25:04,510 --> 00:25:03,360

the right place at the right time or are

724

00:25:08,630 --> 00:25:04,520

you someone who's

725

00:25:10,470 --> 00:25:08,640

predisposed the paranormal activity

726

00:25:11,830 --> 00:25:10,480

it's a really good question really good

727

00:25:14,470 --> 00:25:11,840

question because i've heard both

728

00:25:16,470 --> 00:25:14,480

arguments you know i think some of these

729

00:25:19,110 --> 00:25:16,480

were

730

00:25:21,350 --> 00:25:19,120

yeah i don't know i okay like like say

731

00:25:23,590 --> 00:25:21,360

the one with my mom

732

00:25:24,710 --> 00:25:23,600

in the door i don't think i was at the

733

00:25:26,630 --> 00:25:24,720

right place at the right time i think

734

00:25:30,390 --> 00:25:26,640

somebody something was watching

735

00:25:31,510 --> 00:25:30,400

me the one with the research station

736

00:25:32,710 --> 00:25:31,520

that might have been the right place at

737

00:25:34,070 --> 00:25:32,720

the right time because that was a

738

00:25:36,310 --> 00:25:34,080

paranormal hotspot

739

00:25:37,110 --> 00:25:36,320

and i didn't mention this but in that

740

00:25:38,710 --> 00:25:37,120

same area

741

00:25:40,230 --> 00:25:38,720

around the same time someone shot a

742

00:25:41,909 --> 00:25:40,240

video of a ufo

743

00:25:43,750 --> 00:25:41,919

it's still up on youtube so it was like

744

00:25:46,789 --> 00:25:43,760

the same period i was there

745

00:25:48,310 --> 00:25:46,799

so it seems like um i was having uh

746

00:25:50,549 --> 00:25:48,320

i was just in a paranormal hot spot and

747

00:25:53,110 --> 00:25:50,559

they just whatever they keyed into me

748

00:25:54,630 --> 00:25:53,120

decided to have a conversation with me

749

00:25:56,789 --> 00:25:54,640

so i guess to answer your question

750

00:25:58,630 --> 00:25:56,799

i think it's a little bit of both but

751  
00:25:59,909 --> 00:25:58,640  
because i have had multiple paranormal

752  
00:26:01,990 --> 00:25:59,919  
experiences

753  
00:26:03,830 --> 00:26:02,000  
i i think yeah maybe there is a

754  
00:26:06,070 --> 00:26:03,840  
trajectory there there's a pattern

755  
00:26:07,510 --> 00:26:06,080  
that it seems to target me another thing

756  
00:26:08,870 --> 00:26:07,520  
though it could be that paranormal stuff

757  
00:26:10,950 --> 00:26:08,880  
happens to everybody

758  
00:26:13,029 --> 00:26:10,960  
all the time but only certain people

759  
00:26:14,470 --> 00:26:13,039  
notice it and they don't recognize it

760  
00:26:15,990 --> 00:26:14,480  
right they don't recognize it yeah

761  
00:26:18,310 --> 00:26:16,000  
that could be what's happening as well

762  
00:26:20,310 --> 00:26:18,320  
yeah i think that there's a lot to

763  
00:26:23,110 --> 00:26:20,320

that you know i have been lucky enough

764

00:26:24,070 --> 00:26:23,120

to have a few things happen to me over

765

00:26:27,269 --> 00:26:24,080

the years and

766

00:26:30,070 --> 00:26:27,279

um because of that

767

00:26:31,110 --> 00:26:30,080

i i think i'm somewhat predisposed and

768

00:26:34,390 --> 00:26:31,120

as far as getting

769

00:26:37,510 --> 00:26:34,400

into the paranormal eventually and then

770

00:26:40,549 --> 00:26:37,520

writing and doing more research i

771

00:26:42,789 --> 00:26:40,559

i think i'm not been much more lucky

772

00:26:46,310 --> 00:26:42,799

enough to be able to get

773

00:26:49,750 --> 00:26:46,320

certain cases certain events

774

00:26:52,789 --> 00:26:49,760

that kind of seem to drop in my lab yeah

775

00:26:54,310 --> 00:26:52,799

and uh for what why that happens i

776

00:26:56,549 --> 00:26:54,320

really don't know

777

00:26:58,789 --> 00:26:56,559

but uh it is interesting you know i've

778

00:26:59,510 --> 00:26:58,799

had people ask me a lot about that you

779

00:27:01,510 --> 00:26:59,520

know

780

00:27:04,149 --> 00:27:01,520

this this stuff seems to be attracted to

781

00:27:07,269 --> 00:27:04,159

you well that may very well be

782

00:27:08,870 --> 00:27:07,279

but uh you know i mean that that just

783

00:27:12,070 --> 00:27:08,880

you know i really don't have an answer

784

00:27:15,990 --> 00:27:12,080

to that yeah

785

00:27:18,310 --> 00:27:16,000

so um as far as

786

00:27:19,750 --> 00:27:18,320

doing paranormal research and being a

787

00:27:21,990 --> 00:27:19,760

scientist

788

00:27:24,870 --> 00:27:22,000

what's the goal i mean are you trying to

789

00:27:27,830 --> 00:27:24,880

find a connection between the two

790

00:27:28,470 --> 00:27:27,840

trying to understand more about one or

791

00:27:32,470 --> 00:27:28,480

the other

792

00:27:34,789 --> 00:27:32,480

and how to um how to use it

793

00:27:35,750 --> 00:27:34,799

i mean basically yeah that's a good

794

00:27:38,389 --> 00:27:35,760

question

795

00:27:39,269 --> 00:27:38,399

so look to me i don't see a distinction

796

00:27:41,830 --> 00:27:39,279

between

797

00:27:43,350 --> 00:27:41,840

the paranormal and science i don't see

798

00:27:45,750 --> 00:27:43,360

it there's not a there's not a

799

00:27:46,630 --> 00:27:45,760

distinction between them okay so so let

800

00:27:48,870 --> 00:27:46,640

me explain let me

801  
00:27:52,230 --> 00:27:48,880  
so first of all i think every paranormal

802  
00:27:54,870 --> 00:27:52,240  
thing that i've heard of it can be

803  
00:27:56,789 --> 00:27:54,880  
it can't be described and understood

804  
00:27:58,389 --> 00:27:56,799  
through the process of science

805  
00:28:00,389 --> 00:27:58,399  
if you're a scientist and you say that's

806  
00:28:04,470 --> 00:28:00,399  
not possible you are lazy

807  
00:28:06,310 --> 00:28:04,480  
you are a bad scientist i'm sorry so

808  
00:28:07,510 --> 00:28:06,320  
um if look i'm gonna tell you something

809  
00:28:09,430 --> 00:28:07,520  
about science and

810  
00:28:11,110 --> 00:28:09,440  
for you and anybody watching it if you

811  
00:28:12,630 --> 00:28:11,120  
only learn one thing please remember

812  
00:28:14,549 --> 00:28:12,640  
what i'm about to say okay

813  
00:28:15,990 --> 00:28:14,559

so i'm just gonna describe what science

814

00:28:18,389 --> 00:28:16,000

is and what it's not

815

00:28:20,630 --> 00:28:18,399

and once again i'll just say right now i

816

00:28:21,909 --> 00:28:20,640

don't care if you like science

817

00:28:24,149 --> 00:28:21,919

my goal is not to convince you that

818

00:28:25,669 --> 00:28:24,159

science is great if you hate science you

819

00:28:27,590 --> 00:28:25,679

should hate science but

820

00:28:28,789 --> 00:28:27,600

my goal is to educate you to what

821

00:28:31,029 --> 00:28:28,799

science is

822

00:28:32,230 --> 00:28:31,039

so that if you hate it you could at

823

00:28:34,149 --> 00:28:32,240

least know what it is you could make

824

00:28:35,669 --> 00:28:34,159

bigger better arguments okay so

825

00:28:37,029 --> 00:28:35,679

i'm not trying to evangelize science

826

00:28:39,029 --> 00:28:37,039

here i just want people to understand

827

00:28:40,310 --> 00:28:39,039

what it is okay

828

00:28:42,149 --> 00:28:40,320

first thing i'll say about science is

829

00:28:42,630 --> 00:28:42,159

that science can be thought of as a as a

830

00:28:45,830 --> 00:28:42,640

tool

831

00:28:46,549 --> 00:28:45,840

okay science is benign it does not have

832

00:28:57,669 --> 00:28:46,559

a

833

00:29:00,230 --> 00:28:57,679

know

834

00:29:01,669 --> 00:29:00,240

a spoon can help you eat delicious ice

835

00:29:03,190 --> 00:29:01,679

cream or you could

836

00:29:05,029 --> 00:29:03,200

you know do bad things use your

837

00:29:07,909 --> 00:29:05,039

imagination but that's what science is

838

00:29:10,549 --> 00:29:07,919

it's a tool the way this tool works the

839

00:29:13,190 --> 00:29:10,559

way science works is basically

840

00:29:14,789 --> 00:29:13,200

you could ask a question to science and

841

00:29:16,070 --> 00:29:14,799

it will give you an answer

842

00:29:18,149 --> 00:29:16,080

you could ask it anything you know you

843

00:29:18,710 --> 00:29:18,159

could ask it you know how can i get out

844

00:29:20,630 --> 00:29:18,720

of jail

845

00:29:22,149 --> 00:29:20,640

sooner you know you could ask it how can

846

00:29:24,950 --> 00:29:22,159

i make a million dollars

847

00:29:27,269 --> 00:29:24,960

how can i make this boat more fuel

848

00:29:29,269 --> 00:29:27,279

efficient how can i get to the moon

849

00:29:31,029 --> 00:29:29,279

i mean whatever question you want you

850

00:29:33,350 --> 00:29:31,039

can ask it to science that's the purpose

851

00:29:34,870 --> 00:29:33,360

of science and you will get an answer

852

00:29:37,430 --> 00:29:34,880

now the important thing is you have to

853

00:29:38,710 --> 00:29:37,440

be unbiased unbiased means that when

854

00:29:39,990 --> 00:29:38,720

you're asking the question when you're

855

00:29:41,990 --> 00:29:40,000

forming your question

856

00:29:44,310 --> 00:29:42,000

you really cannot have a preconceived

857

00:29:46,870 --> 00:29:44,320

notion you cannot believe

858

00:29:48,149 --> 00:29:46,880

the answer before it happens because

859

00:29:49,110 --> 00:29:48,159

science will give you an answer and you

860

00:29:51,669 --> 00:29:49,120

may not like it

861

00:29:53,190 --> 00:29:51,679

and you have to accept it if you're not

862

00:29:54,149 --> 00:29:53,200

if you're not unbiased in the whole

863

00:29:56,950 --> 00:29:54,159

science process

864

00:29:57,750 --> 00:29:56,960

falls apart okay so just to summarize

865

00:30:00,149 --> 00:29:57,760

real fast

866

00:30:02,710 --> 00:30:00,159

science is simply a tool that can be

867

00:30:04,789 --> 00:30:02,720

used to answer any question you have

868

00:30:06,149 --> 00:30:04,799

in order for this to work correctly you

869

00:30:07,909 --> 00:30:06,159

have to be unbiased

870

00:30:09,590 --> 00:30:07,919

when you go in you cannot have any

871

00:30:11,350 --> 00:30:09,600

preconceived notions okay

872

00:30:13,430 --> 00:30:11,360

so the last thing about science is

873

00:30:14,630 --> 00:30:13,440

there's two components of science

874

00:30:17,350 --> 00:30:14,640

this is the part that i want people to

875

00:30:19,830 --> 00:30:17,360

memorize there's two things to science

876

00:30:20,630 --> 00:30:19,840

that have to be there so remember

877

00:30:23,269 --> 00:30:20,640

science

878

00:30:24,470 --> 00:30:23,279

two things the first thing is in order

879

00:30:26,950 --> 00:30:24,480

for science to work

880

00:30:28,149 --> 00:30:26,960

you have to have repeatability

881

00:30:31,909 --> 00:30:28,159

repeatability

882

00:30:32,950 --> 00:30:31,919

know you you say something you come up

883

00:30:34,549 --> 00:30:32,960

with discovery

884

00:30:35,830 --> 00:30:34,559

someone else has to be able to do it

885

00:30:37,029 --> 00:30:35,840

consistently you have to have the

886

00:30:38,310 --> 00:30:37,039

repeatability

887

00:30:40,230 --> 00:30:38,320

now i hear people say that the

888

00:30:41,909 --> 00:30:40,240

paranormal you know it lacks

889

00:30:43,590 --> 00:30:41,919

repeatability you know what i say

890

00:30:45,510 --> 00:30:43,600

yeah sometimes it does but you're being

891

00:30:46,950 --> 00:30:45,520

lazy if you think that you cannot get

892

00:30:49,269 --> 00:30:46,960

repeatability on the panel

893

00:30:50,149 --> 00:30:49,279

you can just be more creative be a

894

00:30:52,230 --> 00:30:50,159

scientist

895

00:30:54,149 --> 00:30:52,240

so okay so the first thing you have to

896

00:30:56,549 --> 00:30:54,159

have repeatability in science okay

897

00:30:58,990 --> 00:30:56,559

remember that repeatability the second

898

00:31:02,350 --> 00:30:59,000

thing is you have to have

899

00:31:05,029 --> 00:31:02,360

falsifiability falsifiability

900

00:31:06,149 --> 00:31:05,039

falsifiability means you have to have

901  
00:31:08,470 --> 00:31:06,159  
the ability

902  
00:31:09,990 --> 00:31:08,480  
to prove something false to say

903  
00:31:11,750 --> 00:31:10,000  
something is not true

904  
00:31:13,269 --> 00:31:11,760  
okay so a lot of people make this

905  
00:31:14,149 --> 00:31:13,279  
mistake they think that science is about

906  
00:31:16,789 --> 00:31:14,159  
proving something

907  
00:31:17,350 --> 00:31:16,799  
right like science is used to prove that

908  
00:31:20,710 --> 00:31:17,360  
this is

909  
00:31:21,269 --> 00:31:20,720  
right that's incorrect science is used

910  
00:31:25,029 --> 00:31:21,279  
to prove

911  
00:31:27,110 --> 00:31:25,039  
wrong falsifiability

912  
00:31:29,029 --> 00:31:27,120  
okay so science has to have

913  
00:31:29,830 --> 00:31:29,039

repeatability and it has to be able to

914

00:31:31,750 --> 00:31:29,840

prove something

915

00:31:33,350 --> 00:31:31,760

wrong it has to have falsifiability so

916

00:31:34,870 --> 00:31:33,360

let me give you this falsifiability

917

00:31:36,389 --> 00:31:34,880

concept is a little confusing but let me

918

00:31:38,230 --> 00:31:36,399

explain it okay

919

00:31:40,310 --> 00:31:38,240

so here's an example that i learned in

920

00:31:42,789 --> 00:31:40,320

in college okay

921

00:31:44,149 --> 00:31:42,799

here's a claim okay here's a claim you

922

00:31:46,070 --> 00:31:44,159

go to your buddy's house and he says

923

00:31:48,710 --> 00:31:46,080

there's a there's an invisible dragon

924

00:31:49,990 --> 00:31:48,720

living in my garage okay so there's

925

00:31:51,669 --> 00:31:50,000

there's a claim okay

926  
00:31:53,909 --> 00:31:51,679  
so you're like let me use science to

927  
00:31:55,590 --> 00:31:53,919  
discover if there's a really invisible

928  
00:31:58,310 --> 00:31:55,600  
dragon in my buddy's garage

929  
00:32:00,149 --> 00:31:58,320  
science is perfect for this okay so then

930  
00:32:02,870 --> 00:32:00,159  
like i said science you ask a question

931  
00:32:05,350 --> 00:32:02,880  
so the question would be is there a

932  
00:32:08,630 --> 00:32:05,360  
invisible dragon in my friend's

933  
00:32:10,070 --> 00:32:08,640  
garage okay so now this is where

934  
00:32:11,990 --> 00:32:10,080  
falsifiability comes in

935  
00:32:14,070 --> 00:32:12,000  
so you're actually not trying to find

936  
00:32:14,950 --> 00:32:14,080  
out if there is a dragon you're trying

937  
00:32:16,950 --> 00:32:14,960  
to say

938  
00:32:18,310 --> 00:32:16,960

can i prove that they're can i prove

939

00:32:20,310 --> 00:32:18,320

that there isn't a dragon

940

00:32:22,710 --> 00:32:20,320

so this is how you do it for instance so

941

00:32:26,789 --> 00:32:22,720

let's say you tell your friend okay

942

00:32:28,389 --> 00:32:26,799

what if we uh pour some paint

943

00:32:30,070 --> 00:32:28,399

on the dragon i know it's invisible

944

00:32:31,669 --> 00:32:30,080

let's pour some paint on it

945

00:32:34,310 --> 00:32:31,679

right and then we should be able to see

946

00:32:36,310 --> 00:32:34,320

its outline okay and your friend says

947

00:32:37,669 --> 00:32:36,320

no that won't work because the dragon's

948

00:32:39,509 --> 00:32:37,679

got a force field

949

00:32:41,750 --> 00:32:39,519

and it you know the paint will just

950

00:32:41,990 --> 00:32:41,760

slide off you're like okay fine that's

951  
00:32:46,710 --> 00:32:42,000  
cool

952  
00:32:48,310 --> 00:32:46,720  
i can't prove you wrong because you're

953  
00:32:50,710 --> 00:32:48,320  
saying that the paint will go away

954  
00:32:51,909 --> 00:32:50,720  
so then you say okay how about this

955  
00:32:54,549 --> 00:32:51,919  
let's put some

956  
00:32:56,630 --> 00:32:54,559  
flour on the ground and when the dragon

957  
00:32:58,149 --> 00:32:56,640  
moves around he'll leave his footprints

958  
00:33:00,549 --> 00:32:58,159  
okay then your friend says nope you

959  
00:33:01,590 --> 00:33:00,559  
can't do that because it hovers above

960  
00:33:03,110 --> 00:33:01,600  
the ground

961  
00:33:05,110 --> 00:33:03,120  
okay once again you can't prove him

962  
00:33:05,909 --> 00:33:05,120  
wrong you're lacking falsifiability so

963  
00:33:08,310 --> 00:33:05,919

you say okay

964

00:33:12,149 --> 00:33:08,320

that's fine dude that's fine okay what

965

00:33:13,990 --> 00:33:12,159

if we use uh like a heat sensor camera

966

00:33:15,350 --> 00:33:14,000

and then your friend says no that's not

967

00:33:18,070 --> 00:33:15,360

gonna work because it

968

00:33:19,750 --> 00:33:18,080

could modulate its temperature okay so i

969

00:33:23,029 --> 00:33:19,760

think you get the point okay

970

00:33:25,269 --> 00:33:23,039

that that claim lacks falsifiability

971

00:33:26,789 --> 00:33:25,279

you cannot use science with that claim

972

00:33:28,070 --> 00:33:26,799

because your friend is saying it's

973

00:33:30,950 --> 00:33:28,080

impossible

974

00:33:32,630 --> 00:33:30,960

to prove it does not happen okay so

975

00:33:32,950 --> 00:33:32,640

another thing that your friend is doing

976

00:33:34,950 --> 00:33:32,960

is

977

00:33:35,990 --> 00:33:34,960

he's using what's called in science he's

978

00:33:38,470 --> 00:33:36,000

using multiple

979

00:33:39,350 --> 00:33:38,480

outs multiple outs is the way that

980

00:33:41,830 --> 00:33:39,360

people

981

00:33:43,350 --> 00:33:41,840

it's a method to get out of science okay

982

00:33:44,389 --> 00:33:43,360

multiple outs like you always just have

983

00:33:45,830 --> 00:33:44,399

an excuse for everything

984

00:33:47,750 --> 00:33:45,840

here's an example of multiple outs you

985

00:33:49,190 --> 00:33:47,760

know one time i was in college i asked a

986

00:33:51,590 --> 00:33:49,200

girl out on a date

987

00:33:53,110 --> 00:33:51,600

she said no i can't go i'm busy that day

988

00:33:53,990 --> 00:33:53,120

and i say okay well about the next week

989

00:33:56,070 --> 00:33:54,000

she says no

990

00:33:57,190 --> 00:33:56,080

i'm doing something else and i say okay

991

00:33:59,029 --> 00:33:57,200

well how about we

992

00:34:00,470 --> 00:33:59,039

uh we go a different day she's like no

993

00:34:01,909 --> 00:34:00,480

you know actually i can't leave the

994

00:34:02,630 --> 00:34:01,919

house because i'm taking care of my

995

00:34:04,149 --> 00:34:02,640

grandpa

996

00:34:06,070 --> 00:34:04,159

anyway i kept asking her questions and

997

00:34:09,349 --> 00:34:06,080

she just kept denying me she was using

998

00:34:11,589 --> 00:34:09,359

multiple outs okay so

999

00:34:12,550 --> 00:34:11,599

anyway let me summarize it all science

1000

00:34:14,869 --> 00:34:12,560

is a tool

1001

00:34:15,829 --> 00:34:14,879

it's not good or bad it is used to

1002

00:34:18,230 --> 00:34:15,839

answer questions

1003

00:34:19,109 --> 00:34:18,240

any question you have but in order for

1004

00:34:21,270 --> 00:34:19,119

it to work

1005

00:34:22,470 --> 00:34:21,280

you have to be unbiased you have to not

1006

00:34:24,550 --> 00:34:22,480

have an answer in your mind

1007

00:34:26,629 --> 00:34:24,560

you have to accept what the answer is

1008

00:34:28,230 --> 00:34:26,639

and you have to have repeatability so

1009

00:34:29,109 --> 00:34:28,240

whatever you discover has to happen over

1010

00:34:31,750 --> 00:34:29,119

and over again

1011

00:34:33,030 --> 00:34:31,760

and number two it has to have falsified

1012

00:34:34,470 --> 00:34:33,040

falsifiability

1013

00:34:36,149 --> 00:34:34,480

whatever you're trying to discover you

1014

00:34:37,030 --> 00:34:36,159

have to be able to prove it false not

1015

00:34:39,990 --> 00:34:37,040

prove it right

1016

00:34:40,310 --> 00:34:40,000

but prove it false that being said i

1017

00:34:42,310 --> 00:34:40,320

think

1018

00:34:43,909 --> 00:34:42,320

almost any claim in the paranormal can

1019

00:34:48,069 --> 00:34:43,919

be studied with science

1020

00:34:50,470 --> 00:34:48,079

bigfoot ufos ghosts uh

1021

00:34:51,589 --> 00:34:50,480

i mean on and on all of those claims can

1022

00:34:55,750 --> 00:34:51,599

be studied using

1023

00:34:57,829 --> 00:34:55,760

science okay so that is my goal is to

1024

00:34:59,030 --> 00:34:57,839

start making progress with some of these

1025

00:35:02,069 --> 00:34:59,040

questions okay

1026  
00:35:03,510 --> 00:35:02,079  
and my goal specifically is to publish a

1027  
00:35:05,910 --> 00:35:03,520  
research paper

1028  
00:35:06,870 --> 00:35:05,920  
that is involved some aspect of the

1029  
00:35:08,870 --> 00:35:06,880  
paranormal

1030  
00:35:09,910 --> 00:35:08,880  
now in order to do this uh you have to

1031  
00:35:12,150 --> 00:35:09,920  
be a little uh

1032  
00:35:13,270 --> 00:35:12,160  
sneaky not really like i can't just

1033  
00:35:14,870 --> 00:35:13,280  
publish a paper

1034  
00:35:16,790 --> 00:35:14,880  
with the name bigfoot in the title

1035  
00:35:19,430 --> 00:35:16,800  
sasquash poltergeist

1036  
00:35:21,190 --> 00:35:19,440  
ghost i i think i have to be a little

1037  
00:35:23,589 --> 00:35:21,200  
sneakier with the title

1038  
00:35:24,870 --> 00:35:23,599

and what i'm trying to say um you know

1039

00:35:25,510 --> 00:35:24,880

some scientists have talked about this

1040

00:35:27,109 --> 00:35:25,520

already like

1041

00:35:28,870 --> 00:35:27,119

john alexander i'm sure you're familiar

1042

00:35:30,390 --> 00:35:28,880

with john alexander

1043

00:35:31,910 --> 00:35:30,400

he's worked with the government he's

1044

00:35:33,589 --> 00:35:31,920

worked at skinwalker ranch

1045

00:35:35,190 --> 00:35:33,599

he talked about how he they used to

1046

00:35:37,430 --> 00:35:35,200

publish paranormal papers

1047

00:35:39,030 --> 00:35:37,440

and i believe scientists are publishing

1048

00:35:41,190 --> 00:35:39,040

paranormal papers right now

1049

00:35:42,630 --> 00:35:41,200

but they're using titles that kind of

1050

00:35:45,910 --> 00:35:42,640

belly or

1051  
00:35:47,510 --> 00:35:45,920  
obscure their true paranormal content

1052  
00:35:49,030 --> 00:35:47,520  
it's kind of like it's kind of like a

1053  
00:35:51,109 --> 00:35:49,040  
tip you know atip

1054  
00:35:52,470 --> 00:35:51,119  
was a government program and it was

1055  
00:35:54,150 --> 00:35:52,480  
studying ufos

1056  
00:35:55,990 --> 00:35:54,160  
but if you look at the name eight tip it

1057  
00:35:58,790 --> 00:35:56,000  
doesn't say ufo it says like

1058  
00:35:59,829 --> 00:35:58,800  
you know uh anomalous aerial phenomenon

1059  
00:36:01,430 --> 00:35:59,839  
you know

1060  
00:36:02,470 --> 00:36:01,440  
so that's basically one of the things

1061  
00:36:04,069 --> 00:36:02,480  
that has to be done when you publish

1062  
00:36:07,349 --> 00:36:04,079  
paranormal research right now

1063  
00:36:08,710 --> 00:36:07,359

is you have to you know the title has it

1064

00:36:10,790 --> 00:36:08,720

can't be so explicit

1065

00:36:12,950 --> 00:36:10,800

the content could be about paranormal

1066

00:36:14,790 --> 00:36:12,960

but the title cannot be so explicit

1067

00:36:16,630 --> 00:36:14,800

just so you could get past the reviewers

1068

00:36:18,870 --> 00:36:16,640

basically yeah

1069

00:36:20,950 --> 00:36:18,880

well see now this has been the argument

1070

00:36:22,310 --> 00:36:20,960

within the paranormal

1071

00:36:24,710 --> 00:36:22,320

ever since i've been involved i've been

1072

00:36:27,910 --> 00:36:24,720

around since the 70s doing this sure

1073

00:36:34,870 --> 00:36:31,349

and as time has gone on

1074

00:36:37,349 --> 00:36:34,880

i i believe that the scientific world

1075

00:36:40,550 --> 00:36:37,359

needs to be a little bit more

1076

00:36:44,150 --> 00:36:40,560

open-minded about the phenomena

1077

00:36:50,950 --> 00:36:47,990

it's kind of hard to

1078

00:36:52,630 --> 00:36:50,960

prove the phenomena under the guidelines

1079

00:36:54,390 --> 00:36:52,640

you just gave

1080

00:36:55,510 --> 00:36:54,400

it is hard it is very yeah it would have

1081

00:36:56,390 --> 00:36:55,520

it would have been done already if it

1082

00:36:59,910 --> 00:36:56,400

was easy

1083

00:37:02,230 --> 00:36:59,920

sure sure i mean you talk to people

1084

00:37:03,990 --> 00:37:02,240

about bigfoot well you know

1085

00:37:05,430 --> 00:37:04,000

the only way you're gonna find a bigfoot

1086

00:37:07,510 --> 00:37:05,440

or prove a bigfoot

1087

00:37:09,030 --> 00:37:07,520

is if you do find a body or to find the

1088

00:37:12,310 --> 00:37:09,040

actual dna

1089

00:37:13,190 --> 00:37:12,320

to where it can be sequenced and be

1090

00:37:14,950 --> 00:37:13,200

understood

1091

00:37:17,190 --> 00:37:14,960

i mean it just can't be put out there

1092

00:37:19,510 --> 00:37:17,200

that it's an unknown being

1093

00:37:20,230 --> 00:37:19,520

uh and that's it i mean there's got to

1094

00:37:22,790 --> 00:37:20,240

be some

1095

00:37:23,589 --> 00:37:22,800

something tangible there you're right

1096

00:37:27,190 --> 00:37:23,599

absolutely right

1097

00:37:29,870 --> 00:37:27,200

and and you being a biologist you would

1098

00:37:31,270 --> 00:37:29,880

want there to be some type of

1099

00:37:38,470 --> 00:37:31,280

carbon-based

1100

00:37:40,790 --> 00:37:38,480

proof that this is a living thing

1101  
00:37:42,470 --> 00:37:40,800  
now if it's if it's something other than

1102  
00:37:48,870 --> 00:37:42,480  
that

1103  
00:37:51,750 --> 00:37:48,880  
turns out to be an ammonia-based

1104  
00:37:52,550 --> 00:37:51,760  
alien or something like that they've got

1105  
00:37:54,710 --> 00:37:52,560  
a problem

1106  
00:37:55,910 --> 00:37:54,720  
but i mean but it's going to be harder

1107  
00:37:58,630 --> 00:37:55,920  
to prove it

1108  
00:37:59,349 --> 00:37:58,640  
and worst of all it's going to be hard

1109  
00:38:02,470 --> 00:37:59,359  
to

1110  
00:38:06,870 --> 00:38:02,480  
uh convince some people

1111  
00:38:08,950 --> 00:38:06,880  
that it's actually some type of being

1112  
00:38:10,230 --> 00:38:08,960  
no you're right i mean those are 100

1113  
00:38:13,190 --> 00:38:10,240

true claims okay

1114

00:38:14,950 --> 00:38:13,200

so my response to you is this um the

1115

00:38:16,630 --> 00:38:14,960

study of uh

1116

00:38:18,630 --> 00:38:16,640

paranormal phenomenon using the

1117

00:38:21,910 --> 00:38:18,640

scientific method i would say

1118

00:38:22,870 --> 00:38:21,920

it's in its infancy infancy as far as i

1119

00:38:25,510 --> 00:38:22,880

know perhaps it's

1120

00:38:25,910 --> 00:38:25,520

it's fully developed in the secret world

1121

00:38:28,150 --> 00:38:25,920

but

1122

00:38:29,589 --> 00:38:28,160

as far as publicly it is in its infancy

1123

00:38:31,750 --> 00:38:29,599

okay so unfortunately

1124

00:38:33,510 --> 00:38:31,760

we got to crawl before we could walk

1125

00:38:36,310 --> 00:38:33,520

okay so

1126  
00:38:37,910 --> 00:38:36,320  
you have to be from my perspective you

1127  
00:38:39,589 --> 00:38:37,920  
have to be a little selective

1128  
00:38:41,910 --> 00:38:39,599  
of what project you attempt to start

1129  
00:38:44,069 --> 00:38:41,920  
first for instance proving bigfoot

1130  
00:38:45,190 --> 00:38:44,079  
that's probably that's probably that's a

1131  
00:38:47,349 --> 00:38:45,200  
really big project that's

1132  
00:38:48,310 --> 00:38:47,359  
a little bit too ambitious unfortunately

1133  
00:38:51,109 --> 00:38:48,320  
definitely for me

1134  
00:38:51,589 --> 00:38:51,119  
i have my ideas of how i would do it but

1135  
00:38:53,910 --> 00:38:51,599  
um

1136  
00:38:55,109 --> 00:38:53,920  
it's a little bit uh ambitious so i have

1137  
00:38:56,870 --> 00:38:55,119  
a list of four things

1138  
00:38:58,550 --> 00:38:56,880

categories that i could go over that i

1139

00:39:01,349 --> 00:38:58,560

think would be good starter projects

1140

00:39:02,310 --> 00:39:01,359

for my specific skills that i have but

1141

00:39:03,670 --> 00:39:02,320

okay

1142

00:39:05,270 --> 00:39:03,680

let me tell you about the bigfoot thing

1143

00:39:06,630 --> 00:39:05,280

because this is another opportunity for

1144

00:39:07,430 --> 00:39:06,640

i used to teach college so i love

1145

00:39:09,510 --> 00:39:07,440

teaching so

1146

00:39:11,750 --> 00:39:09,520

a little opportunity for me to teach

1147

00:39:13,190 --> 00:39:11,760

about cryptids and about bigfoot okay

1148

00:39:15,030 --> 00:39:13,200

because what you said was correct but

1149

00:39:17,430 --> 00:39:15,040

let me expand on it okay

1150

00:39:19,510 --> 00:39:17,440

so you know the world and scientists

1151

00:39:21,349 --> 00:39:19,520

they know that there is a giraffe

1152

00:39:22,790 --> 00:39:21,359

they know that there's a zebra even

1153

00:39:25,190 --> 00:39:22,800

though they've never seen a zebra

1154

00:39:27,589 --> 00:39:25,200

everybody accepts that there's a zebra

1155

00:39:30,710 --> 00:39:27,599

so how do we how do we get to this point

1156

00:39:32,310 --> 00:39:30,720

with bigfoot or with a lake monster you

1157

00:39:34,710 --> 00:39:32,320

know how do we get there so

1158

00:39:35,670 --> 00:39:34,720

this is how it works in science if this

1159

00:39:37,910 --> 00:39:35,680

is cryptids

1160

00:39:39,589 --> 00:39:37,920

if you have a new organism what happens

1161

00:39:42,790 --> 00:39:39,599

is you know a scientist

1162

00:39:44,470 --> 00:39:42,800

goes out and they find the organism now

1163

00:39:45,190 --> 00:39:44,480

usually like you said they need a body

1164

00:39:47,510 --> 00:39:45,200

okay

1165

00:39:49,030 --> 00:39:47,520

so that body is found let's say somebody

1166

00:39:50,470 --> 00:39:49,040

just finds a bigfoot body probably not

1167

00:39:51,430 --> 00:39:50,480

going to happen but you find a corpse of

1168

00:39:53,190 --> 00:39:51,440

a bigfoot

1169

00:39:55,190 --> 00:39:53,200

which would be which would be the ideal

1170

00:39:56,150 --> 00:39:55,200

scenario because i i suspect that

1171

00:39:58,230 --> 00:39:56,160

bigfoot is

1172

00:39:59,670 --> 00:39:58,240

probably more intelligent than humans so

1173

00:40:01,030 --> 00:39:59,680

there's a lot of ethical and moral

1174

00:40:01,750 --> 00:40:01,040

questions involved in just killing one

1175

00:40:03,829 --> 00:40:01,760

of them

1176

00:40:05,430 --> 00:40:03,839

but ideal situation you a scientist

1177

00:40:07,109 --> 00:40:05,440

finds a dead bigfoot body

1178

00:40:08,790 --> 00:40:07,119

what would happen then is that body

1179

00:40:10,390 --> 00:40:08,800

would be preserved you probably preserve

1180

00:40:12,710 --> 00:40:10,400

the skin and the bones

1181

00:40:14,470 --> 00:40:12,720

now those skin and bones would be they

1182

00:40:15,430 --> 00:40:14,480

would be called a type specimen that's

1183

00:40:18,309 --> 00:40:15,440

what is

1184

00:40:20,230 --> 00:40:18,319

no unscientifically a type specimen

1185

00:40:21,109 --> 00:40:20,240

every known animal we know of has a type

1186

00:40:25,589 --> 00:40:21,119

specimen

1187

00:40:26,230 --> 00:40:25,599

and anybody can go check it out at any

1188

00:40:27,990 --> 00:40:26,240

time

1189

00:40:30,230 --> 00:40:28,000

that's how that's why there is no debate

1190

00:40:32,069 --> 00:40:30,240

nobody's going to argue about a giraffe

1191

00:40:34,069 --> 00:40:32,079

because somebody will say look there is

1192

00:40:35,910 --> 00:40:34,079

a type specimen in germany

1193

00:40:37,190 --> 00:40:35,920

if you don't believe me go to the museum

1194

00:40:39,349 --> 00:40:37,200

and look at it for yourself

1195

00:40:40,630 --> 00:40:39,359

that's how new animals are discovered

1196

00:40:41,910 --> 00:40:40,640

the other thing that happens is somebody

1197

00:40:44,150 --> 00:40:41,920

publishes a paper

1198

00:40:45,589 --> 00:40:44,160

the paper talks about you know why the

1199

00:40:47,349 --> 00:40:45,599

animal is new

1200

00:40:48,790 --> 00:40:47,359

it talks about what it looks like it

1201

00:40:50,790 --> 00:40:48,800

talks about where it was found

1202

00:40:52,630 --> 00:40:50,800

the circumstances it was found in it's

1203

00:40:53,990 --> 00:40:52,640

given a new name it's a really long

1204

00:40:55,270 --> 00:40:54,000

formal paper i've done this before

1205

00:40:55,990 --> 00:40:55,280

because i've discovered a new species of

1206

00:40:58,470 --> 00:40:56,000

beetle

1207

00:40:59,670 --> 00:40:58,480

so that's where we have to get to in

1208

00:41:01,430 --> 00:40:59,680

order for me to make some of these

1209

00:41:03,670 --> 00:41:01,440

cryptids but like i said

1210

00:41:06,069 --> 00:41:03,680

cryptids are very tricky i suspect that

1211

00:41:08,790 --> 00:41:06,079

many cryptids are highly intelligent

1212

00:41:09,750 --> 00:41:08,800

and i suspect that they have radical

1213

00:41:11,349 --> 00:41:09,760

adaptations

1214

00:41:13,510 --> 00:41:11,359

that make it very difficult for them to

1215

00:41:15,270 --> 00:41:13,520

be caught like first is bigfoot

1216

00:41:16,630 --> 00:41:15,280

i suspect that bigfoot is more

1217

00:41:17,910 --> 00:41:16,640

intelligent in humans

1218

00:41:20,390 --> 00:41:17,920

okay i think there's multiple

1219

00:41:21,910 --> 00:41:20,400

explanations for bigfoot but i believe

1220

00:41:23,109 --> 00:41:21,920

one group of bigfoot is a flesh and

1221

00:41:24,550 --> 00:41:23,119

blood animal i think they're more

1222

00:41:28,069 --> 00:41:24,560

intelligent in humans

1223

00:41:29,910 --> 00:41:28,079

i think perhaps they have the ability to

1224

00:41:31,829 --> 00:41:29,920

communicate telepathically i think

1225

00:41:33,430 --> 00:41:31,839

perhaps they have a radical adaptation

1226

00:41:36,309 --> 00:41:33,440

that allows them to form

1227

00:41:38,069 --> 00:41:36,319

portals or to go through portals i

1228

00:41:39,109 --> 00:41:38,079

suspect they probably have invisibility

1229

00:41:40,390 --> 00:41:39,119

functions

1230

00:41:42,150 --> 00:41:40,400

i think they're just animals but they

1231

00:41:44,550 --> 00:41:42,160

have all these amazing

1232

00:41:45,910 --> 00:41:44,560

intelligence adaptations which make it

1233

00:41:48,150 --> 00:41:45,920

very difficult for us to capture one

1234

00:41:51,270 --> 00:41:48,160

it's not like a sea cucumber you know

1235

00:41:53,829 --> 00:41:51,280

well let's put it this way now i

1236

00:41:54,950 --> 00:41:53,839

i have seen a bigfoot yeah i've seen

1237

00:41:56,950 --> 00:41:54,960

some i've seen your cup

1238

00:41:58,550 --> 00:41:56,960

i have seen something that i believe was

1239

00:42:00,550 --> 00:41:58,560

a bigfoot i have seen something i

1240

00:42:03,589 --> 00:42:00,560

believe was a winged humanoid

1241

00:42:05,030 --> 00:42:03,599

okay i um

1242

00:42:06,710 --> 00:42:05,040

but let's let's just talk about the

1243

00:42:10,230 --> 00:42:06,720

bigfoot i saw this thing

1244

00:42:12,870 --> 00:42:10,240

i recognized it i i there was

1245

00:42:14,550 --> 00:42:12,880

it was a physical being you know i heard

1246

00:42:15,910 --> 00:42:14,560

it making noise i heard it doing things

1247

00:42:17,510 --> 00:42:15,920

i said you know i saw the whole nine

1248

00:42:20,150 --> 00:42:17,520

yards

1249

00:42:21,510 --> 00:42:20,160

uh i am still not convinced that it's a

1250

00:42:25,750 --> 00:42:21,520

flesh and blood being

1251  
00:42:27,430 --> 00:42:25,760  
why because after i saw the bigfoot i

1252  
00:42:29,910 --> 00:42:27,440  
started getting interested into

1253  
00:42:31,990 --> 00:42:29,920  
why this thing was around okay i have

1254  
00:42:33,670 --> 00:42:32,000  
heard so many explanations i have heard

1255  
00:42:35,910 --> 00:42:33,680  
the interdimensional

1256  
00:42:37,270 --> 00:42:35,920  
i have heard the flesh and blood i heard

1257  
00:42:39,190 --> 00:42:37,280  
every argument

1258  
00:42:40,870 --> 00:42:39,200  
you know is this thing alien is this

1259  
00:42:44,069 --> 00:42:40,880  
able to move between

1260  
00:42:47,270 --> 00:42:44,079  
different realities is it

1261  
00:42:49,829 --> 00:42:47,280  
able to some types either matches

1262  
00:42:52,309 --> 00:42:49,839  
vibration to move in and out of

1263  
00:42:53,349 --> 00:42:52,319

inanimate objects of some you know the

1264

00:42:57,030 --> 00:42:53,359

whole nine yards

1265

00:42:57,990 --> 00:42:57,040

of course so you know so when somebody

1266

00:43:01,510 --> 00:42:58,000

tells you they saw

1267

00:43:01,829 --> 00:43:01,520

a bigfoot the only thing they can tell

1268

00:43:03,910 --> 00:43:01,839

you

1269

00:43:05,349 --> 00:43:03,920

is unless they absolutely saw this thing

1270

00:43:07,589 --> 00:43:05,359

disappear

1271

00:43:09,430 --> 00:43:07,599

uh and i have had people tell me that

1272

00:43:11,349 --> 00:43:09,440

but that's all they can tell you they

1273

00:43:14,470 --> 00:43:11,359

saw it

1274

00:43:15,990 --> 00:43:14,480

i do believe there are actual bigfoot i

1275

00:43:18,069 --> 00:43:16,000

do believe there are flesh and blood

1276

00:43:19,349 --> 00:43:18,079

bigfoot that live in certain parts of

1277

00:43:21,349 --> 00:43:19,359

the world or in the country in

1278

00:43:23,349 --> 00:43:21,359

particular and

1279

00:43:25,109 --> 00:43:23,359

i i but i think the majority are

1280

00:43:28,550 --> 00:43:25,119

something other than

1281

00:43:29,109 --> 00:43:28,560

what normal carbon-based beings on this

1282

00:43:32,550 --> 00:43:29,119

planet

1283

00:43:34,950 --> 00:43:32,560

are i think they have an ability

1284

00:43:37,030 --> 00:43:34,960

to do things that we may have had the

1285

00:43:39,430 --> 00:43:37,040

ability to do at some point

1286

00:43:41,750 --> 00:43:39,440

and just don't know how to do it anymore

1287

00:43:43,910 --> 00:43:41,760

and that's why we're confused with it

1288

00:43:45,750 --> 00:43:43,920

yeah i agree with everything you said

1289

00:43:48,390 --> 00:43:45,760

definitely that's why

1290

00:43:49,990 --> 00:43:48,400

that's why i'm saying that this you know

1291

00:43:52,309 --> 00:43:50,000

you have to categorize these phenomena

1292

00:43:53,670 --> 00:43:52,319

and unfortunately bigfoot is it's it's

1293

00:43:56,470 --> 00:43:53,680

like the moby dick

1294

00:43:57,910 --> 00:43:56,480

yeah of a paranormal phenomenon as far

1295

00:43:58,950 --> 00:43:57,920

as proving it scientifically i do think

1296

00:44:01,910 --> 00:43:58,960

it's possible

1297

00:44:03,349 --> 00:44:01,920

i will say that one i'm steering away

1298

00:44:04,950 --> 00:44:03,359

from that kind of stuff because there's

1299

00:44:05,270 --> 00:44:04,960

a lot of ethical questions like i asked

1300

00:44:07,589 --> 00:44:05,280

you

1301

00:44:09,109 --> 00:44:07,599

there's a lot of danger involved but i

1302

00:44:11,109 --> 00:44:09,119

would just say briefly that

1303

00:44:12,230 --> 00:44:11,119

in order i believe in order to catch a

1304

00:44:16,950 --> 00:44:12,240

bigfoot

1305

00:44:18,309 --> 00:44:16,960

okay you basically have to become a

1306

00:44:19,510 --> 00:44:18,319

trickster you know

1307

00:44:20,790 --> 00:44:19,520

we always talk about the paranormal

1308

00:44:22,150 --> 00:44:20,800

being a trickster they're always like

1309

00:44:24,710 --> 00:44:22,160

one step ahead of you

1310

00:44:25,829 --> 00:44:24,720

you have to mimic them you your methods

1311

00:44:27,030 --> 00:44:25,839

as a biologist

1312

00:44:29,270 --> 00:44:27,040

you have to become a true you have to

1313

00:44:32,150 --> 00:44:29,280

trick them you have to get really sneaky

1314

00:44:32,790 --> 00:44:32,160

uh more sneaky than them at that point

1315

00:44:34,630 --> 00:44:32,800

it becomes

1316

00:44:36,390 --> 00:44:34,640

less like a field biology you become

1317

00:44:39,430 --> 00:44:36,400

more like a high level spy

1318

00:44:40,870 --> 00:44:39,440

you know how spies hunt other spies

1319

00:44:42,630 --> 00:44:40,880

that's what you have to become and a lot

1320

00:44:44,790 --> 00:44:42,640

of biologists do not have those skills

1321

00:44:46,309 --> 00:44:44,800

i mean spies have those skills once

1322

00:44:47,190 --> 00:44:46,319

again i'm not getting into that realm

1323

00:44:49,670 --> 00:44:47,200

because

1324

00:44:51,430 --> 00:44:49,680

of the ethical problems and the danger

1325

00:44:52,630 --> 00:44:51,440

call me a coward but i want to be a

1326

00:44:54,230 --> 00:44:52,640

long-lived coward

1327

00:44:56,150 --> 00:44:54,240

at the very least well you know

1328

00:44:57,190 --> 00:44:56,160

paranormal research is basically just

1329

00:44:58,710 --> 00:44:57,200

being counted it's just

1330

00:45:01,510 --> 00:44:58,720

counterintelligence

1331

00:45:02,309 --> 00:45:01,520

yeah i mean that's all it is i mean and

1332

00:45:04,630 --> 00:45:02,319

uh

1333

00:45:05,430 --> 00:45:04,640

you know i get i get reports all the

1334

00:45:08,950 --> 00:45:05,440

time

1335

00:45:11,750 --> 00:45:08,960

and i got to figure out

1336

00:45:13,270 --> 00:45:11,760

which ones that i believe in you know i

1337

00:45:14,470 --> 00:45:13,280

give most people the better for the

1338

00:45:15,589 --> 00:45:14,480

doubt but of course you're going to get

1339

00:45:17,670 --> 00:45:15,599

a few

1340

00:45:19,270 --> 00:45:17,680

eyeball things that you know you just

1341

00:45:19,750 --> 00:45:19,280

think well that's just not going to

1342

00:45:22,230 --> 00:45:19,760

happen

1343

00:45:23,510 --> 00:45:22,240

or i'll put it out there and i'm just

1344

00:45:26,550 --> 00:45:23,520

going to get ridiculed for it

1345

00:45:27,990 --> 00:45:26,560

anyway but i am pretty open-minded about

1346

00:45:30,790 --> 00:45:28,000

this stuff

1347

00:45:31,990 --> 00:45:30,800

uh and and the reason i am open mind is

1348

00:45:35,109 --> 00:45:32,000

because i've had some pretty

1349

00:45:38,230 --> 00:45:35,119

strange experiences in over over time

1350

00:45:40,950 --> 00:45:38,240

i've had um i'm

1351  
00:45:42,390 --> 00:45:40,960  
intuitive you know i have seen a lot of

1352  
00:45:43,670 --> 00:45:42,400  
things i have experienced a lot of

1353  
00:45:46,870 --> 00:45:43,680  
things

1354  
00:45:50,950 --> 00:45:46,880  
uh so i i know there there is a

1355  
00:45:53,109 --> 00:45:50,960  
different degree of

1356  
00:45:54,870 --> 00:45:53,119  
i can't i don't want to say life but

1357  
00:45:58,309 --> 00:45:54,880  
there's a different

1358  
00:46:01,430 --> 00:45:58,319  
uh degree of reality out there

1359  
00:46:03,910 --> 00:46:01,440  
yes that we just don't understand

1360  
00:46:05,430 --> 00:46:03,920  
yes uh we call it a lot of different

1361  
00:46:09,589 --> 00:46:05,440  
things

1362  
00:46:11,510 --> 00:46:09,599  
but like you say sidewise science-wise

1363  
00:46:13,990 --> 00:46:11,520

it's just going to be difficult to prove

1364

00:46:15,589 --> 00:46:14,000

it difficult but not impossible i think

1365

00:46:17,109 --> 00:46:15,599

no i'm not saying it's impossible but

1366

00:46:17,990 --> 00:46:17,119

it's going to be difficult it is

1367

00:46:19,270 --> 00:46:18,000

difficult

1368

00:46:20,950 --> 00:46:19,280

like once again it would have been done

1369

00:46:21,750 --> 00:46:20,960

by now if it would have been easy sure

1370

00:46:23,190 --> 00:46:21,760

um

1371

00:46:25,190 --> 00:46:23,200

but if you want to i could get into

1372

00:46:25,910 --> 00:46:25,200

these categories and i would love to get

1373

00:46:29,430 --> 00:46:25,920

your feed

1374

00:46:30,710 --> 00:46:29,440

so if i if i was to start a

1375

00:46:32,710 --> 00:46:30,720

paranormal project these are the

1376

00:46:34,630 --> 00:46:32,720

categories that i've come up with okay

1377

00:46:37,670 --> 00:46:34,640

number one

1378

00:46:41,270 --> 00:46:37,680

i think it'd be very interesting to

1379

00:46:44,309 --> 00:46:41,280

uh uh studying this idea

1380

00:46:47,670 --> 00:46:44,319

of living ufos that are perhaps

1381

00:46:49,190 --> 00:46:47,680

amoeba-like or jellyfish-like that

1382

00:46:51,270 --> 00:46:49,200

this was described one of the people

1383

00:46:54,309 --> 00:46:51,280

described it was uh ivan

1384

00:46:56,630 --> 00:46:54,319

t sanderson who is a paranormal

1385

00:47:00,390 --> 00:46:56,640

investigator who's also a biologist

1386

00:47:03,030 --> 00:47:00,400

he was a he well he's the father of

1387

00:47:04,710 --> 00:47:03,040

cryptozoology basically he's the one who

1388

00:47:06,069 --> 00:47:04,720

besides him and charles work kind of the

1389

00:47:08,950 --> 00:47:06,079

ones that put it out there

1390

00:47:10,950 --> 00:47:08,960

yeah as well yeah he came up with the

1391

00:47:12,950 --> 00:47:10,960

term ultra-terrestrial as well right

1392

00:47:14,630 --> 00:47:12,960

um so i will say i first found out about

1393

00:47:17,270 --> 00:47:14,640

ivan t sanderson through uh

1394

00:47:18,950 --> 00:47:17,280

zelia edgar zelie edgar has a channel

1395

00:47:19,910 --> 00:47:18,960

called just another tinfoil hat so she

1396

00:47:21,990 --> 00:47:19,920

turned me on

1397

00:47:24,230 --> 00:47:22,000

so anyway i think the book was uninvited

1398

00:47:25,109 --> 00:47:24,240

visitors a biologist looks at ufos which

1399

00:47:28,390 --> 00:47:25,119

was published

1400

00:47:30,150 --> 00:47:28,400

in 1967. so he describes and he gives

1401  
00:47:31,270 --> 00:47:30,160  
the hypothesis that perhaps in our upper

1402  
00:47:33,430 --> 00:47:31,280  
absence here

1403  
00:47:34,549 --> 00:47:33,440  
some of these ufos are actually living

1404  
00:47:37,750 --> 00:47:34,559  
animals that are like

1405  
00:47:39,670 --> 00:47:37,760  
amoeba-like or jellyfish-like now the

1406  
00:47:41,750 --> 00:47:39,680  
reason why this appeals to me

1407  
00:47:43,589 --> 00:47:41,760  
is because i'm making a little

1408  
00:47:45,670 --> 00:47:43,599  
supposition but perhaps these things

1409  
00:47:47,910 --> 00:47:45,680  
aren't too intelligent okay perhaps

1410  
00:47:48,950 --> 00:47:47,920  
they're not super intelligent and

1411  
00:47:49,750 --> 00:47:48,960  
they're not going to haunt me for

1412  
00:47:52,150 --> 00:47:49,760  
several years

1413  
00:47:53,589 --> 00:47:52,160

now they could be they could be but yeah

1414

00:47:55,430 --> 00:47:53,599

when i hear the words amiibo like and

1415

00:47:57,270 --> 00:47:55,440

jellyfish like i'm thinking

1416

00:47:58,470 --> 00:47:57,280

okay these are maybe a little more

1417

00:47:59,670 --> 00:47:58,480

benign in nature

1418

00:48:01,430 --> 00:47:59,680

this is more like what i'm used to

1419

00:48:01,990 --> 00:48:01,440

studying well let me let me throw this

1420

00:48:04,829 --> 00:48:02,000

out at you

1421

00:48:07,270 --> 00:48:04,839

as you're talking about this okay i have

1422

00:48:10,390 --> 00:48:07,280

investigated a phenomena

1423

00:48:12,069 --> 00:48:10,400

that people call or describe as being a

1424

00:48:16,790 --> 00:48:12,079

flying manta ray

1425

00:48:20,790 --> 00:48:19,670

bio form yes it looks like it looks like

1426

00:48:24,710 --> 00:48:20,800

a manta ray it

1427

00:48:28,069 --> 00:48:24,720

different sizes

1428

00:48:28,790 --> 00:48:28,079

sometimes a translucent i have heard of

1429

00:48:31,270 --> 00:48:28,800

these things

1430

00:48:32,790 --> 00:48:31,280

all over the country mostly in the

1431

00:48:33,750 --> 00:48:32,800

eastern part of the united states but

1432

00:48:37,589 --> 00:48:33,760

there have been some

1433

00:48:41,270 --> 00:48:37,599

other parts okay uh it's there's no

1434

00:48:43,670 --> 00:48:41,280

real rhyme or reason for it uh

1435

00:48:44,549 --> 00:48:43,680

it it looks like the ufo but it's most

1436

00:48:46,710 --> 00:48:44,559

likely not

1437

00:48:49,109 --> 00:48:46,720

it's i mean it could be ufo it's

1438

00:48:52,470 --> 00:48:49,119

something that's unidentified flying but

1439

00:48:55,349 --> 00:48:52,480

it may actually be biological yes

1440

00:48:56,230 --> 00:48:55,359

there there have been other cases i have

1441

00:48:59,910 --> 00:48:56,240

investigated

1442

00:49:03,910 --> 00:48:59,920

of higher flying craft that

1443

00:49:06,630 --> 00:49:03,920

seemed to um change

1444

00:49:09,030 --> 00:49:06,640

in shape have different physical

1445

00:49:12,069 --> 00:49:09,040

properties to them

1446

00:49:14,870 --> 00:49:12,079

uh as opposed to the standard

1447

00:49:15,270 --> 00:49:14,880

nuts and bolts type of craft right right

1448

00:49:17,910 --> 00:49:15,280

so

1449

00:49:19,030 --> 00:49:17,920

yeah i i i do what you're coming from

1450

00:49:22,230 --> 00:49:19,040

here i do believe it

1451

00:49:24,710 --> 00:49:22,240

i and i have had cases as to

1452

00:49:25,750 --> 00:49:24,720

something similar to that i didn't want

1453

00:49:28,790 --> 00:49:25,760

to interrupt you but i

1454

00:49:29,990 --> 00:49:28,800

oh no no i i want you i mean obviously

1455

00:49:31,510 --> 00:49:30,000

the whole purpose that came on here i

1456

00:49:33,270 --> 00:49:31,520

i want to get your expertise you have

1457

00:49:34,069 --> 00:49:33,280

decades of expertise to me it's

1458

00:49:35,510 --> 00:49:34,079

invaluable

1459

00:49:37,349 --> 00:49:35,520

so by all means please tell me your

1460

00:49:38,150 --> 00:49:37,359

feedback okay so the way this project

1461

00:49:40,710 --> 00:49:38,160

would work like

1462

00:49:42,309 --> 00:49:40,720

i'm used to doing surveys of animals so

1463

00:49:43,910 --> 00:49:42,319

one of the projects i do is i somebody

1464

00:49:44,549 --> 00:49:43,920

hires me or gives me money to go in the

1465

00:49:46,150 --> 00:49:44,559

woods

1466

00:49:47,829 --> 00:49:46,160

and discover just find every animal

1467

00:49:48,710 --> 00:49:47,839

that's there some of these are very

1468

00:49:51,190 --> 00:49:48,720

hidden

1469

00:49:53,190 --> 00:49:51,200

so i would probably you know form a plan

1470

00:49:55,270 --> 00:49:53,200

i would pick an area in the atmosphere

1471

00:49:56,309 --> 00:49:55,280

geographically where i want to survey

1472

00:49:58,790 --> 00:49:56,319

and i could probably

1473

00:49:59,430 --> 00:49:58,800

send up some balloons or something and i

1474

00:50:02,150 --> 00:49:59,440

would have to

1475

00:50:03,430 --> 00:50:02,160

you know tweak the tweak the uh methods

1476

00:50:04,950 --> 00:50:03,440

but basically i would just try to do a

1477

00:50:05,750 --> 00:50:04,960

survey to see if i could find any of

1478

00:50:07,829 --> 00:50:05,760

these things

1479

00:50:08,870 --> 00:50:07,839

any evidence of them and then i would

1480

00:50:10,390 --> 00:50:08,880

progress from there

1481

00:50:11,990 --> 00:50:10,400

what i like about this project is that

1482

00:50:13,990 --> 00:50:12,000

it's you know i believe

1483

00:50:15,589 --> 00:50:14,000

that there's a lot of well i know for a

1484

00:50:18,069 --> 00:50:15,599

fact there are thousands

1485

00:50:19,670 --> 00:50:18,079

of undiscovered species on this planet

1486

00:50:20,549 --> 00:50:19,680

the most they most likely live in the

1487

00:50:23,670 --> 00:50:20,559

ocean

1488

00:50:25,430 --> 00:50:23,680

under water underground in mountains and

1489

00:50:26,870 --> 00:50:25,440

in our upper atmospheres these are areas

1490

00:50:28,470 --> 00:50:26,880

that humans do not travel

1491

00:50:29,990 --> 00:50:28,480

it's like free real estate of course

1492

00:50:31,430 --> 00:50:30,000

there's going to be and i believe some

1493

00:50:33,750 --> 00:50:31,440

of these animals are large and i believe

1494

00:50:37,670 --> 00:50:33,760

some of them are intelligent as well so

1495

00:50:41,750 --> 00:50:37,680

so that's one idea okay now another idea

1496

00:50:43,750 --> 00:50:41,760

is uh okay the ce5 methodology

1497

00:50:45,670 --> 00:50:43,760

close encounters of the fifth kind now

1498

00:50:46,790 --> 00:50:45,680

okay what i like about close encounters

1499

00:50:48,390 --> 00:50:46,800

of fifth kind

1500

00:50:50,710 --> 00:50:48,400

is it has got that one thing i mentioned

1501  
00:50:52,549 --> 00:50:50,720  
repeatability apparently

1502  
00:50:54,069 --> 00:50:52,559  
you're able to meditate or follow some

1503  
00:50:57,190 --> 00:50:54,079  
methods and you could bring

1504  
00:50:57,510 --> 00:50:57,200  
these anomalous lights to you i mean

1505  
00:51:00,790 --> 00:50:57,520  
this

1506  
00:51:02,309 --> 00:51:00,800  
repeatability so that is something where

1507  
00:51:05,510 --> 00:51:02,319  
i could see that i make

1508  
00:51:06,950 --> 00:51:05,520  
methods i do trials over and over again

1509  
00:51:08,870 --> 00:51:06,960  
and it's very straightforward i'm going

1510  
00:51:10,950 --> 00:51:08,880  
to try to summon these lights and then

1511  
00:51:12,790 --> 00:51:10,960  
once the lights come you know i could

1512  
00:51:14,790 --> 00:51:12,800  
check with apps to make sure it's not a

1513  
00:51:17,270 --> 00:51:14,800

helicopter make sure it's not a

1514

00:51:18,630 --> 00:51:17,280

craft or a star or a some kind of

1515

00:51:21,670 --> 00:51:18,640

natural phenomenon

1516

00:51:22,710 --> 00:51:21,680

and you know jacques valet you know he's

1517

00:51:24,790 --> 00:51:22,720

talked about this

1518

00:51:26,230 --> 00:51:24,800

if you photograph a ufo using

1519

00:51:28,710 --> 00:51:26,240

old-fashioned film

1520

00:51:29,829 --> 00:51:28,720

that those photos are data rich there's

1521

00:51:30,790 --> 00:51:29,839

a lot of information you could get out

1522

00:51:34,309 --> 00:51:30,800

of them

1523

00:51:36,790 --> 00:51:34,319

now the potential dangers of ce5 is that

1524

00:51:37,670 --> 00:51:36,800

if they are intelligent beings that

1525

00:51:39,589 --> 00:51:37,680

you're attracting

1526  
00:51:41,510 --> 00:51:39,599  
they could have nefarious intentions so

1527  
00:51:43,430 --> 00:51:41,520  
it could be dangerous

1528  
00:51:46,069 --> 00:51:43,440  
but i don't know you got to start

1529  
00:51:47,510 --> 00:51:46,079  
somewhere so ce5 to me seems like it's

1530  
00:51:48,870 --> 00:51:47,520  
got the repeatability

1531  
00:51:51,030 --> 00:51:48,880  
and it's something that could provide a

1532  
00:51:52,150 --> 00:51:51,040  
lot of data so that's something i've

1533  
00:51:56,309 --> 00:51:52,160  
been considering as well

1534  
00:51:57,910 --> 00:51:56,319  
okay okay another one is

1535  
00:51:59,430 --> 00:51:57,920  
okay here's one that i think is probably

1536  
00:52:00,630 --> 00:51:59,440  
the most likely to occur

1537  
00:52:03,030 --> 00:52:00,640  
and this is the one that i think you

1538  
00:52:06,150 --> 00:52:03,040

give me a lot of feedback so i feel like

1539

00:52:09,190 --> 00:52:06,160

an avenue of paranormal research

1540

00:52:11,270 --> 00:52:09,200

is to start off by helping people who

1541

00:52:13,670 --> 00:52:11,280

are suffering from paranormal problems

1542

00:52:15,270 --> 00:52:13,680

okay because i don't want to create

1543

00:52:17,510 --> 00:52:15,280

paranormal problems by like

1544

00:52:18,390 --> 00:52:17,520

you know sticking my nose and conjuring

1545

00:52:20,710 --> 00:52:18,400

whatever

1546

00:52:21,910 --> 00:52:20,720

but if somebody is already suffering

1547

00:52:25,109 --> 00:52:21,920

from a poltergeist

1548

00:52:26,470 --> 00:52:25,119

abductions bigfoot whatever if they're

1549

00:52:27,270 --> 00:52:26,480

already suffering and they don't have

1550

00:52:29,670 --> 00:52:27,280

any help

1551

00:52:33,190 --> 00:52:29,680

if i could try to help them with my

1552

00:52:36,950 --> 00:52:34,870

of that help is that i learned something

1553

00:52:38,390 --> 00:52:36,960

about the paranormal i think that's

1554

00:52:40,470 --> 00:52:38,400

that's another way of doing paranormal

1555

00:52:41,910 --> 00:52:40,480

research um but yeah let's make a

1556

00:52:44,549 --> 00:52:41,920

similar december

1557

00:52:46,069 --> 00:52:44,559

spirit rescue and something i've been

1558

00:52:47,990 --> 00:52:46,079

involved with for years now

1559

00:52:49,270 --> 00:52:48,000

and uh you know i've done remote doing

1560

00:52:52,630 --> 00:52:49,280

as well

1561

00:52:53,190 --> 00:52:52,640

and uh you know you can get into that i

1562

00:52:57,030 --> 00:52:53,200

mean

1563

00:53:00,710 --> 00:52:57,040

and you will you will discover

1564

00:53:02,549 --> 00:53:00,720

certain aspects um

1565

00:53:05,030 --> 00:53:02,559

the paranormal that you probably haven't

1566

00:53:07,829 --> 00:53:05,040

you really thought about before

1567

00:53:08,230 --> 00:53:07,839

yeah and that does happen i mean look i

1568

00:53:17,670 --> 00:53:08,240

i

1569

00:53:23,510 --> 00:53:17,680

actually

1570

00:53:24,630 --> 00:53:23,520

i i know it did happen now why happen

1571

00:53:26,309 --> 00:53:24,640

you know

1572

00:53:28,309 --> 00:53:26,319

there's a lot of reasons why these

1573

00:53:31,750 --> 00:53:28,319

things happen uh

1574

00:53:34,150 --> 00:53:31,760

i'm not saying we have a real uh

1575

00:53:36,150 --> 00:53:34,160

real idea what it is what the reason is

1576

00:53:39,190 --> 00:53:36,160

but it there is a reason

1577

00:53:42,230 --> 00:53:39,200

yeah yeah so yeah that sounds like uh

1578

00:53:44,230 --> 00:53:42,240

it sounds worthwhile and um

1579

00:53:45,589 --> 00:53:44,240

you have an amazing resource with your

1580

00:53:47,270 --> 00:53:45,599

decades of experience

1581

00:53:49,829 --> 00:53:47,280

you know people know to go to you with

1582

00:53:51,750 --> 00:53:49,839

these cases so you're like a source

1583

00:53:53,270 --> 00:53:51,760

of this information which is really

1584

00:53:54,470 --> 00:53:53,280

great but of course you work very hard

1585

00:53:56,069 --> 00:53:54,480

to get that information

1586

00:53:57,670 --> 00:53:56,079

or to get to the place you are which is

1587

00:54:00,710 --> 00:53:57,680

a very respectable

1588

00:54:01,270 --> 00:54:00,720

um okay i guess i have two more things

1589

00:54:04,470 --> 00:54:01,280

uh

1590

00:54:06,069 --> 00:54:04,480

one thing is developing highly detailed

1591

00:54:08,069 --> 00:54:06,079

thought experiments okay

1592

00:54:09,109 --> 00:54:08,079

now this is where we could get into the

1593

00:54:12,630 --> 00:54:09,119

risky

1594

00:54:14,390 --> 00:54:12,640

research

1595

00:54:15,750 --> 00:54:14,400

so what i mean by a thought experiment

1596

00:54:18,309 --> 00:54:15,760

is for instance i

1597

00:54:19,510 --> 00:54:18,319

have come up with a method of trapping a

1598

00:54:22,150 --> 00:54:19,520

poltergeist

1599

00:54:23,670 --> 00:54:22,160

i believe that certain not all but a

1600

00:54:24,390 --> 00:54:23,680

minority of poultry poltergeists are

1601  
00:54:28,630 --> 00:54:24,400  
probably

1602  
00:54:30,309 --> 00:54:28,640  
ability to travel through time

1603  
00:54:32,549 --> 00:54:30,319  
and they probably have the ability to

1604  
00:54:35,430 --> 00:54:32,559  
teleport and some other things

1605  
00:54:37,670 --> 00:54:35,440  
so i'm working on a story that's a very

1606  
00:54:40,230 --> 00:54:37,680  
detailed story on how to trap one

1607  
00:54:42,230 --> 00:54:40,240  
once again let me say when i say trap i

1608  
00:54:43,750 --> 00:54:42,240  
don't mean a physical trap i do not

1609  
00:54:46,710 --> 00:54:43,760  
believe a poultry vice can be

1610  
00:54:48,710 --> 00:54:46,720  
trapped with a physical trap no no no it

1611  
00:54:50,789 --> 00:54:48,720  
has to be a mental trap

1612  
00:54:52,390 --> 00:54:50,799  
you're basically trapping it with it's

1613  
00:54:54,069 --> 00:54:52,400

um using its desires

1614

00:54:55,990 --> 00:54:54,079

and your intention let me give you an

1615

00:54:57,829 --> 00:54:56,000

example you know one way to trap a

1616

00:55:01,190 --> 00:54:57,839

dangerous animal like a tiger

1617

00:55:03,109 --> 00:55:01,200

is you put a cage out with bait

1618

00:55:05,109 --> 00:55:03,119

and it goes in there and it gets caught

1619

00:55:05,990 --> 00:55:05,119

and it immediately knows it's caught and

1620

00:55:08,150 --> 00:55:06,000

it freaks out

1621

00:55:09,430 --> 00:55:08,160

it gets stressed out and it's not a good

1622

00:55:10,870 --> 00:55:09,440

situation

1623

00:55:12,710 --> 00:55:10,880

let's think of an alternative method to

1624

00:55:14,549 --> 00:55:12,720

catch this tiger let's say you want to

1625

00:55:17,190 --> 00:55:14,559

catch a tiger and you say you know what

1626

00:55:18,789 --> 00:55:17,200

i want to catch him but you know the

1627

00:55:20,390 --> 00:55:18,799

cage that i want to contain him in

1628

00:55:22,150 --> 00:55:20,400

because i want to observe him

1629

00:55:25,349 --> 00:55:22,160

i want to photograph him let's say the

1630

00:55:26,630 --> 00:55:25,359

cage is one acre of woods let's say i

1631

00:55:29,589 --> 00:55:26,640

want to keep him

1632

00:55:31,510 --> 00:55:29,599

in one acre of wood so what you do is

1633

00:55:32,870 --> 00:55:31,520

you fill that one acre of woods with

1634

00:55:35,910 --> 00:55:32,880

what it likes

1635

00:55:36,950 --> 00:55:35,920

fresh meats fresh water pheromones of

1636

00:55:39,030 --> 00:55:36,960

what it likes

1637

00:55:40,150 --> 00:55:39,040

and so basically this tiger could end up

1638

00:55:43,190 --> 00:55:40,160

spending a lot of time

1639

00:55:44,870 --> 00:55:43,200

only in this one acre of woods it

1640

00:55:48,870 --> 00:55:44,880

effectively is trapped

1641

00:55:50,630 --> 00:55:48,880

because of its desires but it at no time

1642

00:55:52,069 --> 00:55:50,640

at no time does he ever realize it's

1643

00:55:52,549 --> 00:55:52,079

trapped it has no inkling that is

1644

00:55:53,750 --> 00:55:52,559

trapped

1645

00:55:55,910 --> 00:55:53,760

and it's actually it's actually

1646

00:55:58,950 --> 00:55:55,920

beneficial to the animal he likes it

1647

00:56:00,549 --> 00:55:58,960

and so that's basically how i think

1648

00:56:03,030 --> 00:56:00,559

i would trap a poultry guys with his

1649

00:56:05,349 --> 00:56:03,040

desires

1650

00:56:06,630 --> 00:56:05,359

let me let me now let me mention this

1651  
00:56:09,990 --> 00:56:06,640  
now poltergeist

1652  
00:56:11,670 --> 00:56:10,000  
is not a spiritual being a poltergeist

1653  
00:56:15,270 --> 00:56:11,680  
is a thought form

1654  
00:56:17,349 --> 00:56:15,280  
right that's actually manifested by

1655  
00:56:19,030 --> 00:56:17,359  
a living being in other words if you get

1656  
00:56:20,230 --> 00:56:19,040  
into a situation where there's a lot of

1657  
00:56:24,309 --> 00:56:20,240  
stuff going on

1658  
00:56:27,349 --> 00:56:24,319  
with a family dysfunction

1659  
00:56:33,829 --> 00:56:30,870  
certain people are able to

1660  
00:56:35,430 --> 00:56:33,839  
create a thought form yes and that will

1661  
00:56:38,630 --> 00:56:35,440  
turn into a poltergeist

1662  
00:56:40,630 --> 00:56:38,640  
uh they rarely realize what they're

1663  
00:56:43,030 --> 00:56:40,640

doing

1664

00:56:45,349 --> 00:56:43,040

as far as catching one of these i think

1665

00:56:47,109 --> 00:56:45,359

that is possible

1666

00:56:48,870 --> 00:56:47,119

but it would have to be on the same

1667

00:56:51,990 --> 00:56:48,880

level

1668

00:56:53,589 --> 00:56:52,000

that this poltergeist is in other words

1669

00:56:55,349 --> 00:56:53,599

it would have to be

1670

00:56:56,950 --> 00:56:55,359

it would have to have the same type of

1671

00:56:59,750 --> 00:56:56,960

energy level

1672

00:57:01,349 --> 00:56:59,760

that the poltergeist is and as well you

1673

00:57:02,309 --> 00:57:01,359

would have to have some influence on the

1674

00:57:05,030 --> 00:57:02,319

host

1675

00:57:06,309 --> 00:57:05,040

yes of course and this is why i believe

1676  
00:57:07,349 --> 00:57:06,319  
this thought experiment that i came up

1677  
00:57:08,950 --> 00:57:07,359  
is very detailed

1678  
00:57:11,589 --> 00:57:08,960  
i may send it to a select amount of

1679  
00:57:13,109 --> 00:57:11,599  
people but the reason why this will only

1680  
00:57:13,990 --> 00:57:13,119  
be a thought experiment is kind of the

1681  
00:57:15,750 --> 00:57:14,000  
reasons you said

1682  
00:57:18,230 --> 00:57:15,760  
i think it's very dangerous it's

1683  
00:57:20,950 --> 00:57:18,240  
incredibly dangerous

1684  
00:57:22,309 --> 00:57:20,960  
and unethical so i think we can make

1685  
00:57:23,430 --> 00:57:22,319  
some progress by just making it a

1686  
00:57:25,349 --> 00:57:23,440  
thought experiment

1687  
00:57:26,549 --> 00:57:25,359  
detailing like i would detail the

1688  
00:57:28,069 --> 00:57:26,559

methods of trapping it

1689

00:57:29,750 --> 00:57:28,079

and i would walk through what would

1690

00:57:31,589 --> 00:57:29,760

happen through every step

1691

00:57:33,990 --> 00:57:31,599

and perhaps that could give us some more

1692

00:57:35,990 --> 00:57:34,000

insight without actually having to do it

1693

00:57:38,470 --> 00:57:36,000

um so that is another avenue is making

1694

00:57:41,990 --> 00:57:38,480

these very detailed thought experiments

1695

00:57:43,349 --> 00:57:42,000

to generate ideas yeah but um but yeah

1696

00:57:44,950 --> 00:57:43,359

your feedback is invaluable for

1697

00:57:46,710 --> 00:57:44,960

something like that um

1698

00:57:49,190 --> 00:57:46,720

and i guess i'll say the last thing that

1699

00:57:53,430 --> 00:57:49,200

i've thought about is um

1700

00:57:55,750 --> 00:57:53,440

it seems like uh ufo occupants uh aliens

1701

00:57:57,270 --> 00:57:55,760

there's a lot of cases where they

1702

00:57:59,270 --> 00:57:57,280

somehow they either have like a little

1703

00:58:01,349 --> 00:57:59,280

wand or a little stick they point at you

1704

00:58:03,030 --> 00:58:01,359

and they just immobilize you you're just

1705

00:58:05,430 --> 00:58:03,040

stuck you can't move

1706

00:58:07,750 --> 00:58:05,440

to me that sucks i don't i think that's

1707

00:58:09,510 --> 00:58:07,760

a evolutionary disadvantage

1708

00:58:11,270 --> 00:58:09,520

i would like to level the playing field

1709

00:58:13,510 --> 00:58:11,280

i would like to develop a method

1710

00:58:14,470 --> 00:58:13,520

to prevent this peril paralysis from

1711

00:58:17,349 --> 00:58:14,480

happening

1712

00:58:18,950 --> 00:58:17,359

so that's another avenue basically is

1713

00:58:19,510 --> 00:58:18,960

try to just level the playing field

1714

00:58:21,109 --> 00:58:19,520

because it

1715

00:58:22,630 --> 00:58:21,119

the obvious these things obviously have

1716

00:58:24,390 --> 00:58:22,640

advantages over us

1717

00:58:25,990 --> 00:58:24,400

and it's it's not good evolutionarily

1718

00:58:28,710 --> 00:58:26,000

it's not good it's like you know

1719

00:58:30,630 --> 00:58:28,720

it's like uh a tiger versus a zebra but

1720

00:58:31,349 --> 00:58:30,640

let's say the zebra never developed its

1721

00:58:34,789 --> 00:58:31,359

stripes

1722

00:58:36,470 --> 00:58:34,799

in and it levels the playing field

1723

00:58:38,069 --> 00:58:36,480

but imagine if that zebra never leveled

1724

00:58:39,510 --> 00:58:38,079

the playing field you know it was just

1725

00:58:41,270 --> 00:58:39,520

out there without any stripes

1726  
00:58:43,030 --> 00:58:41,280  
and the tiger could just have its way

1727  
00:58:44,309 --> 00:58:43,040  
with them i feel like that's what's

1728  
00:58:45,190 --> 00:58:44,319  
happening with a lot of these paranormal

1729  
00:58:46,630 --> 00:58:45,200  
entities

1730  
00:58:48,150 --> 00:58:46,640  
we're not we it's not a level playing

1731  
00:58:49,670 --> 00:58:48,160  
field they have a huge advantage of it

1732  
00:58:49,990 --> 00:58:49,680  
of us and i'd like to level the playing

1733  
00:58:51,990 --> 00:58:50,000  
field

1734  
00:58:53,990 --> 00:58:52,000  
in some ways let me throw this caveat at

1735  
00:58:56,789 --> 00:58:54,000  
you okay

1736  
00:58:58,390 --> 00:58:56,799  
i i have i believe and i i know there

1737  
00:58:59,589 --> 00:58:58,400  
are other people that believe this but i

1738  
00:59:02,069 --> 00:58:59,599

believe

1739

00:59:03,750 --> 00:59:02,079

that those beings particularly what

1740

00:59:05,910 --> 00:59:03,760

people describe as the greys

1741

00:59:06,870 --> 00:59:05,920

and they come in all kinds of sizes apes

1742

00:59:09,510 --> 00:59:06,880

and such

1743

00:59:10,789 --> 00:59:09,520

yeah i i think they are actually evolved

1744

00:59:13,589 --> 00:59:10,799

humans

1745

00:59:15,109 --> 00:59:13,599

in fact i i believe they they are from

1746

00:59:17,430 --> 00:59:15,119

our future

1747

00:59:19,670 --> 00:59:17,440

and that they had developed a way to

1748

00:59:23,109 --> 00:59:19,680

come back

1749

00:59:25,829 --> 00:59:23,119

into our reality or our timeline yeah

1750

00:59:27,589 --> 00:59:25,839

and that those abilities that they do

1751  
00:59:31,670 --> 00:59:27,599  
have

1752  
00:59:33,910 --> 00:59:31,680  
are either some type of hybrid

1753  
00:59:35,270 --> 00:59:33,920  
be you know hybrid ability that was bred

1754  
00:59:37,750 --> 00:59:35,280  
into them

1755  
00:59:40,789 --> 00:59:37,760  
or it was something that was

1756  
00:59:46,789 --> 00:59:44,150  
evolutionized they actually

1757  
00:59:47,990 --> 00:59:46,799  
evolved into something a higher being or

1758  
00:59:53,270 --> 00:59:48,000  
higher

1759  
00:59:55,430 --> 00:59:53,280  
type of intelligence

1760  
00:59:57,589 --> 00:59:55,440  
yeah i mean that's that's my theory and

1761  
01:00:00,950 --> 00:59:57,599  
i think it can go both ways i think

1762  
01:00:04,470 --> 01:00:00,960  
i mean it can go back as well uh

1763  
01:00:05,990 --> 01:00:04,480

i i believe that you know previous to

1764

01:00:08,470 --> 01:00:06,000

what we are

1765

01:00:10,069 --> 01:00:08,480

there could be beings that have the

1766

01:00:12,950 --> 01:00:10,079

ability then

1767

01:00:15,829 --> 01:00:12,960

to move into our reality which is what

1768

01:00:18,470 --> 01:00:15,839

may actually be some cryptid activity

1769

01:00:20,150 --> 01:00:18,480

yeah of course of course now so you know

1770

01:00:22,710 --> 01:00:20,160

i just wanted to say that

1771

01:00:24,309 --> 01:00:22,720

yeah what is because what is your main

1772

01:00:27,349 --> 01:00:24,319

evidence or what has convinced you that

1773

01:00:30,390 --> 01:00:27,359

they are future travelers degrees

1774

01:00:33,190 --> 01:00:30,400

just just that

1775

01:00:34,150 --> 01:00:33,200

they're what they look like when people

1776

01:00:36,470 --> 01:00:34,160

see

1777

01:00:37,349 --> 01:00:36,480

that even people had no idea what they

1778

01:00:40,829 --> 01:00:37,359

were looking at

1779

01:00:44,309 --> 01:00:40,839

but their description is very similar uh

1780

01:00:46,230 --> 01:00:44,319

it why they would why they would look so

1781

01:00:50,470 --> 01:00:46,240

much the same

1782

01:00:53,750 --> 01:00:50,480

why they seem to be the overwhelming

1783

01:00:56,950 --> 01:00:53,760

species and i and i

1784

01:01:00,230 --> 01:00:56,960

it seems to me that there is a in a

1785

01:01:02,230 --> 01:01:00,240

a good i don't know you know

1786

01:01:04,549 --> 01:01:02,240

this is just this is my personal feeling

1787

01:01:08,150 --> 01:01:04,559

i think they probably try

1788

01:01:10,789 --> 01:01:08,160

have tried to come back to try to either

1789

01:01:11,190 --> 01:01:10,799

right or wrong or something that caused

1790

01:01:14,390 --> 01:01:11,200

them

1791

01:01:16,309 --> 01:01:14,400

to turn into what they turned into yeah

1792

01:01:18,230 --> 01:01:16,319

you know maybe something maybe there was

1793

01:01:21,750 --> 01:01:18,240

a mass nuclear

1794

01:01:23,910 --> 01:01:21,760

or biological disaster that

1795

01:01:25,829 --> 01:01:23,920

either screwed them up so bad that they

1796

01:01:26,390 --> 01:01:25,839

had to leave as planned or go someplace

1797

01:01:29,030 --> 01:01:26,400

else

1798

01:01:30,470 --> 01:01:29,040

and they evolved into what they are in

1799

01:01:34,470 --> 01:01:30,480

our future

1800

01:01:39,030 --> 01:01:34,480

and that they are trying to come back

1801  
01:01:42,069 --> 01:01:39,040  
to either the hybrid you know to hybrid

1802  
01:01:43,030 --> 01:01:42,079  
you know with us to uh you know try to

1803  
01:01:46,390 --> 01:01:43,040  
find some type of

1804  
01:01:49,510 --> 01:01:46,400  
human dna to possibly

1805  
01:01:51,270 --> 01:01:49,520  
fix certain mutations that have happened

1806  
01:01:53,750 --> 01:01:51,280  
yes you know i think it's a very

1807  
01:01:57,190 --> 01:01:53,760  
possible i think that's very possible

1808  
01:01:59,029 --> 01:01:57,200  
you know yeah and you know i as far as

1809  
01:02:02,069 --> 01:01:59,039  
time travel goes and

1810  
01:02:03,270 --> 01:02:02,079  
going into uh you know folding time and

1811  
01:02:06,230 --> 01:02:03,280  
space

1812  
01:02:07,190 --> 01:02:06,240  
well if you just look at strength theory

1813  
01:02:10,710 --> 01:02:07,200

and quantum

1814

01:02:11,589 --> 01:02:10,720

computing there there is a good theory

1815

01:02:13,910 --> 01:02:11,599

that that

1816

01:02:16,230 --> 01:02:13,920

is a reality and it can be a much more

1817

01:02:18,630 --> 01:02:16,240

reality as time goes by

1818

01:02:21,349 --> 01:02:18,640

and uh i i think that's what we're

1819

01:02:23,270 --> 01:02:21,359

looking at and i think a lot of what we

1820

01:02:26,549 --> 01:02:23,280

experience

1821

01:02:28,549 --> 01:02:26,559

uh of these humanoids

1822

01:02:31,029 --> 01:02:28,559

these gray humanoids and there's others

1823

01:02:34,309 --> 01:02:31,039

as well other types of humanoids

1824

01:02:37,109 --> 01:02:34,319

may actually be something that has

1825

01:02:38,870 --> 01:02:37,119

evolved from the human species

1826  
01:02:40,230 --> 01:02:38,880  
yeah okay yeah thank you for explaining

1827  
01:02:42,309 --> 01:02:40,240  
that yeah that makes a lot of sense

1828  
01:02:44,630 --> 01:02:42,319  
i've heard it before you know like the

1829  
01:02:46,309 --> 01:02:44,640  
aerial school encounter in zimbabwe

1830  
01:02:48,150 --> 01:02:46,319  
you know the message the messages they

1831  
01:02:50,309 --> 01:02:48,160  
had were about avoiding technology

1832  
01:02:51,270 --> 01:02:50,319  
they were predicting a disastrous future

1833  
01:02:52,549 --> 01:02:51,280  
for us that's not

1834  
01:02:54,309 --> 01:02:52,559  
that's not the only time usually when

1835  
01:02:55,829 --> 01:02:54,319  
they talk to us telepathically that is

1836  
01:02:57,430 --> 01:02:55,839  
the message they have it's like

1837  
01:02:59,270 --> 01:02:57,440  
you're going down a bad path you're

1838  
01:03:01,829 --> 01:02:59,280

using technology incorrectly

1839

01:03:03,190 --> 01:03:01,839

so that that would make sense and um i

1840

01:03:04,789 --> 01:03:03,200

wonder if there's that could kind of

1841

01:03:05,270 --> 01:03:04,799

explain the the family connection you

1842

01:03:07,430 --> 01:03:05,280

know how

1843

01:03:09,670 --> 01:03:07,440

certain families are visited over and

1844

01:03:12,950 --> 01:03:09,680

over again

1845

01:03:16,470 --> 01:03:14,230

right is there something in the

1846

01:03:18,069 --> 01:03:16,480

bloodline something biologically that's

1847

01:03:21,990 --> 01:03:18,079

connected to

1848

01:03:25,349 --> 01:03:22,000

these future humans uh

1849

01:03:27,829 --> 01:03:25,359

that connects them to these beings

1850

01:03:28,549 --> 01:03:27,839

and that yeah and you know i see it all

1851  
01:03:30,470 --> 01:03:28,559  
the time with

1852  
01:03:32,150 --> 01:03:30,480  
people who have gone through the

1853  
01:03:32,630 --> 01:03:32,160  
abduction experience or believe they

1854  
01:03:34,630 --> 01:03:32,640  
have been

1855  
01:03:36,630 --> 01:03:34,640  
going through the inductive experience

1856  
01:03:38,950 --> 01:03:36,640  
or have had an encounter

1857  
01:03:40,950 --> 01:03:38,960  
that it's a continuous thing and it

1858  
01:03:41,990 --> 01:03:40,960  
happens generation by generation per

1859  
01:03:45,109 --> 01:03:42,000  
generation

1860  
01:03:48,309 --> 01:03:45,119  
yeah and you know you you can you can

1861  
01:03:52,069 --> 01:03:48,319  
kind of guess what has been going on but

1862  
01:03:54,950 --> 01:03:52,079  
that may be a very tangible possibility

1863  
01:03:56,549 --> 01:03:54,960

sure sure yeah so i mean in that

1864

01:03:58,870 --> 01:03:56,559

instance i mean some of the implications

1865

01:04:00,309 --> 01:03:58,880

are that these guys are probably trying

1866

01:04:02,470 --> 01:04:00,319

to help us they have uh

1867

01:04:04,630 --> 01:04:02,480

good intentions but well i don't believe

1868

01:04:06,630 --> 01:04:04,640

it oh you so you think that they don't

1869

01:04:08,150 --> 01:04:06,640

have good intentions

1870

01:04:10,230 --> 01:04:08,160

let's put it this way i wouldn't trust

1871

01:04:14,150 --> 01:04:10,240

one okay i've seen a lot

1872

01:04:17,829 --> 01:04:14,160

i think i think there are some degrees

1873

01:04:19,510 --> 01:04:17,839

of trust but i think

1874

01:04:20,870 --> 01:04:19,520

for the most part and you know i've been

1875

01:04:22,309 --> 01:04:20,880

involved with this thing with david

1876

01:04:23,990 --> 01:04:22,319

eckhart and his

1877

01:04:26,470 --> 01:04:24,000

oh yeah i've heard yeah i've been

1878

01:04:29,589 --> 01:04:26,480

hearing about your stuff and uh

1879

01:04:30,789 --> 01:04:29,599

i i think there is an agenda down the

1880

01:04:33,109 --> 01:04:30,799

line i mean

1881

01:04:34,789 --> 01:04:33,119

what that is i and that he's not the

1882

01:04:37,109 --> 01:04:34,799

only person i've worked with with this

1883

01:04:39,190 --> 01:04:37,119

you know i have worked with people who

1884

01:04:41,029 --> 01:04:39,200

have just suddenly disappeared

1885

01:04:42,870 --> 01:04:41,039

after talking to them they never should

1886

01:04:44,390 --> 01:04:42,880

back up again oh my goodness

1887

01:04:46,230 --> 01:04:44,400

and there's no there's no proof that

1888

01:04:48,150 --> 01:04:46,240

they ever that they were

1889

01:04:49,270 --> 01:04:48,160

really taken but they just you know

1890

01:04:51,430 --> 01:04:49,280

there's no

1891

01:04:53,190 --> 01:04:51,440

evidence that they're around anymore

1892

01:04:56,870 --> 01:04:53,200

sure so uh

1893

01:04:59,349 --> 01:04:56,880

i do believe there is an agenda

1894

01:05:00,309 --> 01:04:59,359

uh you know from what davis told me i do

1895

01:05:03,510 --> 01:05:00,319

believe that

1896

01:05:05,109 --> 01:05:03,520

they have no issues with taking

1897

01:05:07,109 --> 01:05:05,119

biological

1898

01:05:08,710 --> 01:05:07,119

material from humans and disposing of

1899

01:05:11,829 --> 01:05:08,720

what else is left

1900

01:05:12,870 --> 01:05:11,839

oh okay you know i think i think that is

1901

01:05:14,789 --> 01:05:12,880

um

1902

01:05:16,470 --> 01:05:14,799

yeah i mean i when people say well i

1903

01:05:18,390 --> 01:05:16,480

wish i'd be abducted i'd say

1904

01:05:21,190 --> 01:05:18,400

no you don't i don't think you want to

1905

01:05:22,870 --> 01:05:21,200

be because there's a lot of

1906

01:05:24,630 --> 01:05:22,880

you know you hear a lot of things i've

1907

01:05:27,029 --> 01:05:24,640

heard a lot of things and it's not

1908

01:05:28,789 --> 01:05:27,039

nothing that i'd want to be i have been

1909

01:05:31,109 --> 01:05:28,799

what i believe abducted

1910

01:05:32,150 --> 01:05:31,119

i have had lost time i have been shown

1911

01:05:35,589 --> 01:05:32,160

some things

1912

01:05:38,549 --> 01:05:35,599

okay uh but i don't particularly

1913

01:05:40,950 --> 01:05:38,559

want to do it again sure though nothing

1914

01:05:43,190 --> 01:05:40,960

major happened to me you know

1915

01:05:45,750 --> 01:05:43,200

uh and actually the experience was

1916

01:05:48,069 --> 01:05:45,760

pretty it was very interesting

1917

01:05:49,910 --> 01:05:48,079

uh and i was told a lot of things that

1918

01:05:50,549 --> 01:05:49,920

you know i never even thought of before

1919

01:05:51,910 --> 01:05:50,559

but

1920

01:05:53,750 --> 01:05:51,920

i don't want to have i don't want to

1921

01:05:56,230 --> 01:05:53,760

happen again okay

1922

01:05:57,109 --> 01:05:56,240

yeah so i mean going back to this

1923

01:05:59,270 --> 01:05:57,119

question i was

1924

01:06:00,710 --> 01:05:59,280

this possible project is basically to

1925

01:06:02,549 --> 01:06:00,720

prevent these things from happening

1926

01:06:04,630 --> 01:06:02,559

so developing some kind of method or

1927

01:06:06,470 --> 01:06:04,640

technology to prevent these abductions

1928

01:06:08,150 --> 01:06:06,480

and parallelizations that these things

1929

01:06:09,430 --> 01:06:08,160

are doing to level the playing field

1930

01:06:13,829 --> 01:06:09,440

yeah

1931

01:06:17,029 --> 01:06:13,839

that and then see if there is

1932

01:06:18,309 --> 01:06:17,039

some type of uh further evidence that it

1933

01:06:21,109 --> 01:06:18,319

may actually be

1934

01:06:22,470 --> 01:06:21,119

causing you know some you know helping

1935

01:06:27,029 --> 01:06:22,480

or causing

1936

01:06:30,069 --> 01:06:27,039

some type of change right yeah

1937

01:06:32,069 --> 01:06:30,079

cool well i tell you

1938

01:06:33,670 --> 01:06:32,079

the hour it flew by and it's going we've

1939

01:06:36,630 --> 01:06:33,680

gone over an hour

1940

01:06:38,390 --> 01:06:36,640

but uh yeah i mean if there's anything

1941

01:06:40,069 --> 01:06:38,400

that you want to come up with and

1942

01:06:41,029 --> 01:06:40,079

contact me about it i'd be more than

1943

01:06:42,309 --> 01:06:41,039

willing

1944

01:06:44,870 --> 01:06:42,319

to talk to you about it and help you

1945

01:06:46,710 --> 01:06:44,880

with it i mean i'm interested in this

1946

01:06:48,230 --> 01:06:46,720

great and if you have any cases that you

1947

01:06:48,950 --> 01:06:48,240

need uh you would like to have my

1948

01:06:50,630 --> 01:06:48,960

insights

1949

01:06:52,309 --> 01:06:50,640

if there's anything that's around my

1950

01:06:55,910 --> 01:06:52,319

area i'm around you know

1951

01:06:59,589 --> 01:06:55,920

south the gulf coast of texas all years

1952

01:07:00,069 --> 01:06:59,599

all years okay well i think for coming

1953

01:07:01,829 --> 01:07:00,079

on the show

1954

01:07:03,670 --> 01:07:01,839

it's very interesting i had a blast it

1955

01:07:05,829 --> 01:07:03,680

was great meeting you along

1956

01:07:07,510 --> 01:07:05,839

i had to get your back on again oh i

1957

01:07:08,710 --> 01:07:07,520

love it i would love it uh maybe you'll

1958

01:07:10,390 --> 01:07:08,720

progress to the point where i can put

1959

01:07:13,829 --> 01:07:10,400

your name out there too

1960

01:07:16,390 --> 01:07:13,839

yeah we get home we can hope

1961

01:07:16,870 --> 01:07:16,400

well you take care and uh thanks again

1962

01:07:20,150 --> 01:07:16,880

thank you

1963

01:07:21,910 --> 01:07:20,160

goodbye okay now if you have an

1964

01:07:23,270 --> 01:07:21,920
