

ALIEN ABDUCTIONS

Where am I?
Who are you?
What are you
Doing to me?

Five Encounters
Far Too Close
For Comfort!

1
00:00:05,860 --> 00:00:04,590
[Music]

2
00:00:10,540 --> 00:00:05,870
[Applause]

3
00:00:12,890 --> 00:00:10,550
[Music]

4
00:00:17,750 --> 00:00:12,900
[Applause]

5
00:00:21,910 --> 00:00:19,670
welcome to the best of first person

6
00:00:24,790 --> 00:00:21,920
episodes of phantoms and monsters

7
00:00:28,830 --> 00:00:24,800
please like subscribe and hit the bell

8
00:00:32,069 --> 00:00:28,840
icon so you'll be notified of all future

9
00:00:35,750 --> 00:00:33,910
experiencer touched probe during two

10
00:00:37,430 --> 00:00:35,760
separate alien incidents at home

11
00:00:39,190 --> 00:00:37,440
this is an event that happened many

12
00:00:41,030 --> 00:00:39,200
years ago for a long time

13
00:00:42,389 --> 00:00:41,040

i couldn't even think about it much less

14

00:00:44,229 --> 00:00:42,399

discuss it with anyone

15

00:00:46,150 --> 00:00:44,239

as the years have gone by it's gotten

16

00:00:47,190 --> 00:00:46,160

easier to do so and i've decided to

17

00:00:49,110 --> 00:00:47,200

share it with you

18

00:00:50,950 --> 00:00:49,120

make of it what you will i had moved

19

00:00:52,549 --> 00:00:50,960

back home in faf town north carolina to

20

00:00:54,229 --> 00:00:52,559

take care of my mother after my father

21

00:00:56,869 --> 00:00:54,239

died in 1991.

22

00:00:58,549 --> 00:00:56,879

my mother died in december of 1999 so

23

00:00:59,189 --> 00:00:58,559

this incident happened during this time

24

00:01:01,110 --> 00:00:59,199

frame

25

00:01:03,510 --> 00:01:01,120

i can narrow it down a little more a

26

00:01:05,109 --> 00:01:03,520

specific job i had until 1996

27

00:01:06,789 --> 00:01:05,119

i know it happened during this time

28

00:01:07,590 --> 00:01:06,799

because of the guy i was dating while i

29

00:01:09,429 --> 00:01:07,600

worked there

30

00:01:11,510 --> 00:01:09,439

i'm afraid i can't be any more specific

31

00:01:13,590 --> 00:01:11,520

than this he had been over to the house

32

00:01:15,350 --> 00:01:13,600

that evening to hang out i lived in the

33

00:01:17,590 --> 00:01:15,360

basement of my parents house

34

00:01:19,510 --> 00:01:17,600

we watched tv in little elves he left

35

00:01:20,070 --> 00:01:19,520

around midnight and i worked on going to

36

00:01:21,910 --> 00:01:20,080

bed

37

00:01:23,670 --> 00:01:21,920

the next thing i remember i was laying

38

00:01:25,350 --> 00:01:23,680

in bed on my right side

39

00:01:27,590 --> 00:01:25,360

i had my right arm under my head

40

00:01:29,109 --> 00:01:27,600

stretched out my left arm was kind of

41

00:01:31,270 --> 00:01:29,119

slung behind my back

42

00:01:33,030 --> 00:01:31,280

the room was dark i was just trying to

43

00:01:34,789 --> 00:01:33,040

drift off to sleep but was still fully

44

00:01:36,550 --> 00:01:34,799

conscious of my surroundings

45

00:01:38,230 --> 00:01:36,560

the next thing i remember was hearing a

46

00:01:38,950 --> 00:01:38,240

very soft shuffling of lots of little

47

00:01:40,390 --> 00:01:38,960

footsteps

48

00:01:42,789 --> 00:01:40,400

carpet coming into the room and

49

00:01:44,630 --> 00:01:42,799

surrounding my bed i opened my eyes to

50

00:01:45,670 --> 00:01:44,640

see a typical grey alien standing right

51
00:01:48,149 --> 00:01:45,680
in front of my bed

52
00:01:48,950 --> 00:01:48,159
about three feet away from me behind him

53
00:01:50,710 --> 00:01:48,960
in the shadows

54
00:01:53,109 --> 00:01:50,720
i could make out several smaller ones

55
00:01:54,870 --> 00:01:53,119
kind of like children surrounding my bed

56
00:01:56,389 --> 00:01:54,880
the bigger one was a rubbery gray but

57
00:01:58,469 --> 00:01:56,399
unlike picks that i've seen

58
00:02:00,149 --> 00:01:58,479
it was wearing this gray puffy quilted

59
00:02:02,789 --> 00:02:00,159
vest that crossed over his shoulders

60
00:02:03,670 --> 00:02:02,799
like an x over his chest i don't know if

61
00:02:05,749 --> 00:02:03,680
that makes sense

62
00:02:07,670 --> 00:02:05,759
but it's the best i can describe it i

63
00:02:08,710 --> 00:02:07,680

tried to move but realized i was unable

64

00:02:10,389 --> 00:02:08,720

to do so

65

00:02:12,150 --> 00:02:10,399

i kept trying to pull my left arm from

66

00:02:13,430 --> 00:02:12,160

behind my back but it was completely

67

00:02:15,670 --> 00:02:13,440

frozen in place

68

00:02:17,750 --> 00:02:15,680

the only thing i could move was my eyes

69

00:02:19,589 --> 00:02:17,760

i realized this was really happening

70

00:02:20,869 --> 00:02:19,599

the time on my bedside clock was six

71

00:02:23,030 --> 00:02:20,879

minutes after one

72

00:02:24,869 --> 00:02:23,040

i'll never forget that i finally managed

73

00:02:26,390 --> 00:02:24,879

to talk a little and for some reason

74

00:02:28,390 --> 00:02:26,400

it seemed important at the time to make

75

00:02:30,869 --> 00:02:28,400

sure the alien knew that i could see him

76

00:02:31,589 --> 00:02:30,879

that it had been caught i kept croaking

77

00:02:34,150 --> 00:02:31,599

out the words

78

00:02:35,270 --> 00:02:34,160

no not night over and over it's the only

79

00:02:36,949 --> 00:02:35,280

thing i could say

80

00:02:38,550 --> 00:02:36,959

after a minute it reached out and

81

00:02:39,990 --> 00:02:38,560

touched my arm with either long thin

82

00:02:41,589 --> 00:02:40,000

wand or his finger

83

00:02:43,350 --> 00:02:41,599

i don't know which but there was a small

84

00:02:43,830 --> 00:02:43,360

light on the end of it when it touched

85

00:02:45,509 --> 00:02:43,840

my arm

86

00:02:47,270 --> 00:02:45,519

they were all gone and i could move

87

00:02:49,030 --> 00:02:47,280

again it was over

88

00:02:50,630 --> 00:02:49,040

i remember just laying there trying to

89

00:02:51,670 --> 00:02:50,640

remember to breathe looking at the clock

90

00:02:53,270 --> 00:02:51,680

by my bed

91

00:02:55,110 --> 00:02:53,280

i did tell my mom about it the next

92

00:02:56,710 --> 00:02:55,120

morning she didn't remember anything

93

00:02:58,390 --> 00:02:56,720

strange from the night before

94

00:03:00,390 --> 00:02:58,400

i had a second encounter some several

95

00:03:01,509 --> 00:03:00,400

months later this one is extremely

96

00:03:03,509 --> 00:03:01,519

difficult to write about

97

00:03:04,949 --> 00:03:03,519

but i figure if i'm going to share i

98

00:03:07,030 --> 00:03:04,959

might as well share all

99

00:03:08,869 --> 00:03:07,040

again i was laying in my bed this time

100

00:03:10,470 --> 00:03:08,879

more on my stomach when i felt something

101
00:03:12,790 --> 00:03:10,480
climb up on the bed with me

102
00:03:13,670 --> 00:03:12,800
again when i tried to move i found i was

103
00:03:15,190 --> 00:03:13,680
paralyzed

104
00:03:17,750 --> 00:03:15,200
i then felt something being inserted

105
00:03:19,430 --> 00:03:17,760
into my rend and then into my vagina

106
00:03:21,750 --> 00:03:19,440
it generated a pulse which after a

107
00:03:23,589 --> 00:03:21,760
couple minutes brought me to an orgasm

108
00:03:25,350 --> 00:03:23,599
after that i felt it being removed

109
00:03:27,030 --> 00:03:25,360
something slowly climb off my bed

110
00:03:29,589 --> 00:03:27,040
and then i could move again and it was

111
00:03:31,350 --> 00:03:29,599
over i was never able to see anything

112
00:03:33,750 --> 00:03:31,360
what's even more crazy is i again looked

113
00:03:36,149 --> 00:03:33,760

at the time it was six minutes after one

114

00:03:37,030 --> 00:03:36,159

same as before the next morning my

115

00:03:38,630 --> 00:03:37,040

mother asked me

116

00:03:40,869 --> 00:03:38,640

if i had another visit from my little

117

00:03:42,710 --> 00:03:40,879

friends she had gone up around 1am to

118

00:03:44,470 --> 00:03:42,720

use the bathroom and saw some strange

119

00:03:46,630 --> 00:03:44,480

lights outside the bathroom window

120

00:03:48,710 --> 00:03:46,640

down in the woods behind the house in my

121

00:03:50,789 --> 00:03:48,720

heart i know these events were very real

122

00:03:51,750 --> 00:03:50,799

i have no idea what was going on or what

123

00:03:53,589 --> 00:03:51,760

they were doing

124

00:03:55,509 --> 00:03:53,599

i've never had any other encounters that

125

00:03:57,350 --> 00:03:55,519

i'm aware of i thought over the years

126
00:03:58,229 --> 00:03:57,360
about possibly going through hypnosis to

127
00:04:00,149 --> 00:03:58,239
find out

128
00:04:05,100 --> 00:04:00,159
but i think i don't really want to know

129
00:04:09,670 --> 00:04:07,110
[Music]

130
00:04:11,589 --> 00:04:09,680
verifying scaly grey being encounter i

131
00:04:12,630 --> 00:04:11,599
feel that people tend to criticize other

132
00:04:14,149 --> 00:04:12,640
stories like these

133
00:04:15,910 --> 00:04:14,159
and make that person feel like they're

134
00:04:18,390 --> 00:04:15,920
insane regardless of that

135
00:04:19,270 --> 00:04:18,400
here's my story on the night of may 18

136
00:04:21,270 --> 00:04:19,280
2016

137
00:04:23,590 --> 00:04:21,280
i was playing a popular online console

138
00:04:25,830 --> 00:04:23,600

game called call of duty black ops 3.

139

00:04:27,189 --> 00:04:25,840

i am an avid gamer and tend to lose time

140

00:04:28,870 --> 00:04:27,199

when playing this game

141

00:04:30,790 --> 00:04:28,880

during the wait between matches i would

142

00:04:32,230 --> 00:04:30,800

watch random youtube videos that popped

143

00:04:33,430 --> 00:04:32,240

up in the recommended section on the

144

00:04:34,950 --> 00:04:33,440

side of the screen

145

00:04:36,950 --> 00:04:34,960

i'm sure many of you have had this

146

00:04:38,230 --> 00:04:36,960

happen to you but somehow i ended up in

147

00:04:40,230 --> 00:04:38,240

the section about space

148

00:04:41,749 --> 00:04:40,240

time travel and aliens some of the

149

00:04:43,590 --> 00:04:41,759

videos questioned the origins of

150

00:04:45,189 --> 00:04:43,600

humanity if ufos were real

151
00:04:47,189 --> 00:04:45,199
and the different types of aliens that

152
00:04:48,790 --> 00:04:47,199
have visited earth after spending a few

153
00:04:50,469 --> 00:04:48,800
hours on the game and watching these

154
00:04:51,749 --> 00:04:50,479
videos i looked at one of my monitor

155
00:04:53,670 --> 00:04:51,759
screens to check the time

156
00:04:55,030 --> 00:04:53,680
and had noticed it was past midnight

157
00:04:57,510 --> 00:04:55,040
somewhere around 1am

158
00:04:59,110 --> 00:04:57,520
i don't remember specifically i decided

159
00:05:00,070 --> 00:04:59,120
it was pretty late and needed to get

160
00:05:02,230 --> 00:05:00,080
some sleep

161
00:05:04,310 --> 00:05:02,240
so i turned off the console and hopped

162
00:05:06,230 --> 00:05:04,320
in bed for some reason i could not get

163
00:05:07,909 --> 00:05:06,240

comfortable lying in bed normally so i

164

00:05:09,590 --> 00:05:07,919

pretty much slept upside down

165

00:05:11,350 --> 00:05:09,600

meaning feet to the headboard head to

166

00:05:13,749 --> 00:05:11,360

the foot of the bed i know

167

00:05:15,670 --> 00:05:13,759

strange but it worked and i fell asleep

168

00:05:16,790 --> 00:05:15,680

now this next part is important to the

169

00:05:18,550 --> 00:05:16,800

scenery of the room

170

00:05:20,230 --> 00:05:18,560

if i could draw a picture and upload it

171

00:05:22,150 --> 00:05:20,240

i would but i don't believe that to be

172

00:05:24,469 --> 00:05:22,160

an option on this specific site

173

00:05:26,469 --> 00:05:24,479

i have a pretty nerdy gaming setup i've

174

00:05:28,469 --> 00:05:26,479

always been into video games since i was

175

00:05:30,310 --> 00:05:28,479

a kid and friends of mine today say that

176

00:05:31,749 --> 00:05:30,320

i am an undercover nerd because of all

177

00:05:33,830 --> 00:05:31,759

the electronics i have

178

00:05:35,110 --> 00:05:33,840

my setup consists of three monitors a

179

00:05:36,710 --> 00:05:35,120

custom built pc

180

00:05:38,950 --> 00:05:36,720

all the bells and whistles for live

181

00:05:41,110 --> 00:05:38,960

streaming videos games etc

182

00:05:42,550 --> 00:05:41,120

most nights i don't turn my monitors off

183

00:05:44,870 --> 00:05:42,560

because when the computer goes into

184

00:05:46,870 --> 00:05:44,880

sleep mode the monitors just go black

185

00:05:48,310 --> 00:05:46,880

you may be asking why i'm even typing

186

00:05:49,990 --> 00:05:48,320

all this out but trust me

187

00:05:51,749 --> 00:05:50,000

it becomes relevant to the rest of the

188

00:05:53,510 --> 00:05:51,759

event which i'll get into now

189

00:05:55,670 --> 00:05:53,520

so here i am starting to get really

190

00:05:57,749 --> 00:05:55,680

tired and my eyes begin to close

191

00:05:59,029 --> 00:05:57,759

i don't remember going to sleep but i do

192

00:06:01,189 --> 00:05:59,039

remember waking up

193

00:06:02,870 --> 00:06:01,199

i woke up to the strangest feeling i

194

00:06:03,990 --> 00:06:02,880

thought i was having a nightmare and

195

00:06:05,350 --> 00:06:04,000

remembered that if you know you're

196

00:06:05,990 --> 00:06:05,360

dreaming then you're not dreaming

197

00:06:08,230 --> 00:06:06,000

anymore

198

00:06:09,350 --> 00:06:08,240

i was awake very awake and i could not

199

00:06:11,029 --> 00:06:09,360

move my body

200

00:06:12,710 --> 00:06:11,039

my head was faced towards my nerdy

201
00:06:14,870 --> 00:06:12,720
gaming setup and all three of my

202
00:06:16,790 --> 00:06:14,880
monitors were doing that hazy status-y

203
00:06:18,230 --> 00:06:16,800
wide and grey projection that everyone's

204
00:06:19,670 --> 00:06:18,240
seen in scary movies

205
00:06:21,909 --> 00:06:19,680
the weird part is that they have never

206
00:06:23,510 --> 00:06:21,919
done that before ever the light emitted

207
00:06:25,270 --> 00:06:23,520
from the monitors was so bright that i

208
00:06:26,309 --> 00:06:25,280
did not notice what was standing next to

209
00:06:28,230 --> 00:06:26,319
me at first

210
00:06:29,830 --> 00:06:28,240
i have a king-sized bed on a frame that

211
00:06:31,510 --> 00:06:29,840
puts the mattress pretty high

212
00:06:33,270 --> 00:06:31,520
this thing was at about eye level with

213
00:06:34,150 --> 00:06:33,280

me so it had to have been about four

214

00:06:36,390 --> 00:06:34,160

feet tall

215

00:06:37,830 --> 00:06:36,400

like i said i could not move my body at

216

00:06:40,309 --> 00:06:37,840

all during this entire time

217

00:06:41,590 --> 00:06:40,319

i could however move my eyes i tried my

218

00:06:43,670 --> 00:06:41,600

hardest to turn my head

219

00:06:45,909 --> 00:06:43,680

make a noise scream but nothing would

220

00:06:47,670 --> 00:06:45,919

come out i was paralyzed looking at this

221

00:06:48,469 --> 00:06:47,680

thing that got even more terrifying by

222

00:06:50,629 --> 00:06:48,479

the second

223

00:06:52,469 --> 00:06:50,639

i started panicking and began convulsing

224

00:06:53,189 --> 00:06:52,479

violently because i didn't know what was

225

00:06:54,710 --> 00:06:53,199

happening

226

00:06:56,790 --> 00:06:54,720

i could see this thing looking right

227

00:06:59,029 --> 00:06:56,800

into my eyes with its huge dark glossy

228

00:07:01,430 --> 00:06:59,039

black ovals as eyes and skin that seemed

229

00:07:03,270 --> 00:07:01,440

almost lizard and really dark gray color

230

00:07:04,950 --> 00:07:03,280

eventually i just blacked out after

231

00:07:06,070 --> 00:07:04,960

staring at this thing for a few very

232

00:07:07,909 --> 00:07:06,080

long seconds

233

00:07:09,749 --> 00:07:07,919

i've never had a seizure i've seen

234

00:07:11,430 --> 00:07:09,759

someone have them multiple times but i

235

00:07:13,029 --> 00:07:11,440

have never had one myself

236

00:07:14,790 --> 00:07:13,039

that is the only word i can think of

237

00:07:16,309 --> 00:07:14,800

that relates to what happened to my body

238

00:07:18,150 --> 00:07:16,319

after i began panicking

239

00:07:19,510 --> 00:07:18,160

but if you have a seizure you don't know

240

00:07:21,909 --> 00:07:19,520

you're having a seizure

241

00:07:22,550 --> 00:07:21,919

so what happened after blacking out i

242

00:07:24,870 --> 00:07:22,560

came to

243

00:07:26,629 --> 00:07:24,880

still laying backwards in my bed all the

244

00:07:27,510 --> 00:07:26,639

lights were off in the room the monitors

245

00:07:29,189 --> 00:07:27,520

were pitch black

246

00:07:31,350 --> 00:07:29,199

and it almost seemed like everything was

247

00:07:32,950 --> 00:07:31,360

back to normal i just laid there for

248

00:07:35,430 --> 00:07:32,960

probably 10 to 15 minutes

249

00:07:37,189 --> 00:07:35,440

petrified as to what i just experienced

250

00:07:38,710 --> 00:07:37,199

after slowly getting the courage to get

251
00:07:40,870 --> 00:07:38,720
out of bed and tactically check my

252
00:07:42,550 --> 00:07:40,880
apartment for intruders i sat down at my

253
00:07:44,629 --> 00:07:42,560
computer and looked at the time

254
00:07:46,550 --> 00:07:44,639
i don't recall the exact time i got into

255
00:07:48,390 --> 00:07:46,560
bed but i do recall the time difference

256
00:07:49,990 --> 00:07:48,400
from when i got into bed and when i had

257
00:07:50,869 --> 00:07:50,000
gotten up out of bed after the whole

258
00:07:52,629 --> 00:07:50,879
experience

259
00:07:55,110 --> 00:07:52,639
the difference in time was only 30

260
00:07:55,830 --> 00:07:55,120
minutes so within 30 minutes all of this

261
00:07:58,230 --> 00:07:55,840
happened

262
00:07:59,990 --> 00:07:58,240
it wasn't a dream it was as real as i've

263
00:08:01,749 --> 00:08:00,000

ever seen anything in my life

264

00:08:03,830 --> 00:08:01,759

i made an attempt at drawing what i had

265

00:08:04,790 --> 00:08:03,840

seen before my eyes which is attached to

266

00:08:06,629 --> 00:08:04,800

this post

267

00:08:08,390 --> 00:08:06,639

i told this story to my mother and

268

00:08:10,790 --> 00:08:08,400

surprisingly she believed me

269

00:08:12,790 --> 00:08:10,800

just so you know i am 23 a combat

270

00:08:13,430 --> 00:08:12,800

veteran and [h__h] doesn't scare me very

271

00:08:15,110 --> 00:08:13,440

often

272

00:08:16,230 --> 00:08:15,120

this is my attempt at letting you all

273

00:08:18,390 --> 00:08:16,240

know that i have been in pretty

274

00:08:20,230 --> 00:08:18,400

stressful situations and not turned into

275

00:08:22,550 --> 00:08:20,240

a [h__h] like i did on this night

276

00:08:24,230 --> 00:08:22,560

to be honest i quite enjoy scary movies

277

00:08:26,550 --> 00:08:24,240

i find them kind of funny

278

00:08:28,390 --> 00:08:26,560

but this thing was absolutely terrifying

279

00:08:29,990 --> 00:08:28,400

and not being able to control my body

280

00:08:30,790 --> 00:08:30,000

while this happened made it even more

281

00:08:32,630 --> 00:08:30,800

traumatic

282

00:08:34,389 --> 00:08:32,640

i wanted to type this up to get the word

283

00:08:36,149 --> 00:08:34,399

out because i know some people have had

284

00:08:38,469 --> 00:08:36,159

other experiences like this but are

285

00:08:40,310 --> 00:08:38,479

confused and frightened like i was an am

286

00:08:41,990 --> 00:08:40,320

if something similar has happened to you

287

00:08:43,829 --> 00:08:42,000

know that you're not alone out there

288

00:08:45,509 --> 00:08:43,839

i was a skeptic about this type of thing

289

00:08:47,190 --> 00:08:45,519

beforehand and i believe that is the

290

00:08:48,870 --> 00:08:47,200

smartest way to go about life

291

00:08:50,470 --> 00:08:48,880

until you are certain something is real

292

00:08:52,310 --> 00:08:50,480

with personal experience

293

00:08:53,990 --> 00:08:52,320

there are a lot of videos and stories on

294

00:08:55,750 --> 00:08:54,000

the internet that are extremely fake

295

00:08:57,430 --> 00:08:55,760

so definitely question everything you

296

00:08:59,110 --> 00:08:57,440

see if you're skeptical as well

297

00:09:00,630 --> 00:08:59,120

however after this night i am

298

00:09:04,740 --> 00:09:00,640

full-heartedly a believer

299

00:09:06,829 --> 00:09:04,750

aliens are real and they are terrifying

300

00:09:10,230 --> 00:09:06,839

[Music]

301
00:09:14,630 --> 00:09:12,310
uniformed alien confronts witness near

302
00:09:16,870 --> 00:09:14,640
landau lake state forest minnesota

303
00:09:18,790 --> 00:09:16,880
i was attending our family reunion at my

304
00:09:20,630 --> 00:09:18,800
uncle's cabin near lando lake state

305
00:09:22,470 --> 00:09:20,640
forest minnesota during the first week

306
00:09:24,550 --> 00:09:22,480
of july 1986

307
00:09:26,230 --> 00:09:24,560
there were about 25 family members

308
00:09:28,710 --> 00:09:26,240
present including my aunts

309
00:09:29,750 --> 00:09:28,720
uncles and cousins it was the first

310
00:09:31,430 --> 00:09:29,760
night at the cabin

311
00:09:33,430 --> 00:09:31,440
and all the children were set up in

312
00:09:35,750 --> 00:09:33,440
tents outside that night

313
00:09:38,550 --> 00:09:35,760

my two older brothers my cousin and i

314

00:09:39,990 --> 00:09:38,560

shared a four-person tent about 150 feet

315

00:09:41,910 --> 00:09:40,000

away from the cabin

316

00:09:44,070 --> 00:09:41,920

since it was so long ago i've just

317

00:09:46,310 --> 00:09:44,080

recently become more fearful of it

318

00:09:47,750 --> 00:09:46,320

we were all sleeping i guess it was

319

00:09:49,590 --> 00:09:47,760

around 2 am

320

00:09:51,509 --> 00:09:49,600

i was sleeping on the far side of the

321

00:09:52,790 --> 00:09:51,519

tent and for some reason i woke up in

322

00:09:55,269 --> 00:09:52,800

the middle of the night

323

00:09:57,269 --> 00:09:55,279

i was lying flat on my back and i found

324

00:09:58,070 --> 00:09:57,279

myself looking directly into the eyes of

325

00:10:00,310 --> 00:09:58,080

something

326

00:10:02,230 --> 00:10:00,320

it was standing on my left near my head

327

00:10:02,949 --> 00:10:02,240

and appeared to be studying me before i

328

00:10:04,870 --> 00:10:02,959

woke

329

00:10:06,389 --> 00:10:04,880

the image of its face that i can still

330

00:10:08,389 --> 00:10:06,399

picture vividly in my head

331

00:10:10,389 --> 00:10:08,399

is similar to other's drawings that i've

332

00:10:12,550 --> 00:10:10,399

seen later in my adult life

333

00:10:13,670 --> 00:10:12,560

somewhat normal sized head though large

334

00:10:15,110 --> 00:10:13,680

for its body

335

00:10:18,069 --> 00:10:15,120

it couldn't have been more than four

336

00:10:20,550 --> 00:10:18,079

feet tall gray green wrinkly face

337

00:10:22,470 --> 00:10:20,560

very small nostril holes the nose was

338

00:10:24,790 --> 00:10:22,480

almost flush with its face

339

00:10:25,910 --> 00:10:24,800

the eyes the frightening part about its

340

00:10:28,069 --> 00:10:25,920

eyes was the way

341

00:10:30,470 --> 00:10:28,079

that it was looking at me or maybe i

342

00:10:32,389 --> 00:10:30,480

misunderstood its reaction to my terror

343

00:10:34,870 --> 00:10:32,399

it was wearing a collared uniform of

344

00:10:36,550 --> 00:10:34,880

sorts similar to a trench coat that came

345

00:10:37,269 --> 00:10:36,560

down to the ground with seams on the

346

00:10:39,590 --> 00:10:37,279

front

347

00:10:41,590 --> 00:10:39,600

i believe that this being was important

348

00:10:43,910 --> 00:10:41,600

it was dark fuchsia purple in color

349

00:10:45,670 --> 00:10:43,920

and appeared to be a dull suede texture

350

00:10:46,790 --> 00:10:45,680

the moonlight made his face and coat

351

00:10:49,110 --> 00:10:46,800

sort of glow

352

00:10:50,870 --> 00:10:49,120

the suit had a tall collar i got the

353

00:10:52,230 --> 00:10:50,880

impression that this was a possible

354

00:10:54,470 --> 00:10:52,240

leader or overseer

355

00:10:55,990 --> 00:10:54,480

this all happened in a few seconds i

356

00:10:57,829 --> 00:10:56,000

remember being terrified

357

00:10:59,030 --> 00:10:57,839

and immediately trying to scream but

358

00:11:01,590 --> 00:10:59,040

nothing happened

359

00:11:03,590 --> 00:11:01,600

my brothers didn't wake i just remember

360

00:11:04,069 --> 00:11:03,600

the very serious look that came over its

361

00:11:06,870 --> 00:11:04,079

face

362

00:11:08,069 --> 00:11:06,880

as if i did scream his head tilted back

363

00:11:10,389 --> 00:11:08,079

like he was scorning me

364

00:11:12,230 --> 00:11:10,399

or that it was somehow disappointed the

365

00:11:13,430 --> 00:11:12,240

next portion of my memory picks up

366

00:11:15,509 --> 00:11:13,440

shortly after

367

00:11:17,110 --> 00:11:15,519

i remember being very cold wet and

368

00:11:18,630 --> 00:11:17,120

beginning to wake again

369

00:11:21,030 --> 00:11:18,640

this time i am on the ground in the

370

00:11:23,350 --> 00:11:21,040

weeds about 15 feet from the tent

371

00:11:24,069 --> 00:11:23,360

it took all of five seconds after waking

372

00:11:26,310 --> 00:11:24,079

on the ground

373

00:11:28,150 --> 00:11:26,320

before i remembered the face that i just

374

00:11:28,550 --> 00:11:28,160

saw looking down at me from inside the

375

00:11:30,949 --> 00:11:28,560

tent

376

00:11:33,110 --> 00:11:30,959

and i let out a terrifying scream i

377

00:11:34,710 --> 00:11:33,120

remember i screamed so violently that i

378

00:11:37,190 --> 00:11:34,720

woke my aunt who was sleeping in the

379

00:11:39,190 --> 00:11:37,200

cabin over 150 feet away

380

00:11:41,269 --> 00:11:39,200

i saw her silhouette after she quickly

381

00:11:43,110 --> 00:11:41,279

flipped on the lights to investigate

382

00:11:45,350 --> 00:11:43,120

i ran to the tent and my brother was

383

00:11:47,110 --> 00:11:45,360

still scrambling to unzip the door

384

00:11:48,949 --> 00:11:47,120

i remember the sound of the zipper when

385

00:11:49,670 --> 00:11:48,959

finally opening it and he reached his

386

00:11:51,910 --> 00:11:49,680

arms out

387

00:11:52,870 --> 00:11:51,920

and pulled me in he was asking me what

388

00:11:55,430 --> 00:11:52,880

was wrong

389

00:11:56,470 --> 00:11:55,440

i was scared and confused he had me lie

390

00:11:58,629 --> 00:11:56,480

back down

391

00:12:00,230 --> 00:11:58,639

as i lied there i told him what i had

392

00:12:02,790 --> 00:12:00,240

seen in the tent with us

393

00:12:03,670 --> 00:12:02,800

he told me to just go back to sleep i

394

00:12:06,310 --> 00:12:03,680

never told him

395

00:12:08,870 --> 00:12:06,320

that i also just woke up outside that

396

00:12:10,470 --> 00:12:08,880

wasn't supposed to be the important part

397

00:12:12,230 --> 00:12:10,480

the next morning there were about 10

398

00:12:12,710 --> 00:12:12,240

other people who were talking and asking

399

00:12:14,069 --> 00:12:12,720

around

400

00:12:16,310 --> 00:12:14,079

if they knew who it was that was

401
00:12:18,629 --> 00:12:16,320
screaming at 3 30 in the morning

402
00:12:19,829 --> 00:12:18,639
no one would say my aunt chimed in and

403
00:12:21,430 --> 00:12:19,839
said she heard it too

404
00:12:23,670 --> 00:12:21,440
and how she had quickly looked out the

405
00:12:25,430 --> 00:12:23,680
window and couldn't see who it was

406
00:12:27,430 --> 00:12:25,440
this also frightened me because i

407
00:12:29,430 --> 00:12:27,440
thought it was apparent to everyone

408
00:12:30,550 --> 00:12:29,440
i went and found my mom and whispered to

409
00:12:33,190 --> 00:12:30,560
her that it was me

410
00:12:34,710 --> 00:12:33,200
that i screamed last night she appeared

411
00:12:37,190 --> 00:12:34,720
worried and asked why

412
00:12:39,430 --> 00:12:37,200
i saw an alien i remember the nervous

413
00:12:42,069 --> 00:12:39,440

pause before she whispered back

414

00:12:43,750 --> 00:12:42,079

don't say that to anyone okay i believe

415

00:12:45,670 --> 00:12:43,760

that there was an hour or more of lost

416

00:12:47,430 --> 00:12:45,680

time between the encounter in the tent

417

00:12:48,790 --> 00:12:47,440

and realizing that i was outside the

418

00:12:51,110 --> 00:12:48,800

tent and screaming

419

00:12:52,310 --> 00:12:51,120

how did i end up outside the tent how

420

00:12:54,629 --> 00:12:52,320

did i get wet

421

00:12:55,750 --> 00:12:54,639

was i abducted i've never been able to

422

00:12:56,960 --> 00:12:55,760

answer this

423

00:13:02,470 --> 00:12:56,970

k

424

00:13:06,150 --> 00:13:04,629

why did this happen to me in the spring

425

00:13:07,590 --> 00:13:06,160

of 1967

426

00:13:09,750 --> 00:13:07,600

my mother and i were living in a third

427

00:13:11,269 --> 00:13:09,760

floor apartment in cleveland oh

428

00:13:12,949 --> 00:13:11,279

the apartment was on the back side of

429

00:13:14,310 --> 00:13:12,959

the building with an alley below

430

00:13:16,389 --> 00:13:14,320

there were fraternity houses at

431

00:13:18,710 --> 00:13:16,399

cleveland state across the alley

432

00:13:20,550 --> 00:13:18,720

around 9 00 pm my mother is washing the

433

00:13:22,150 --> 00:13:20,560

dishes and as i walk from the kitchen

434

00:13:23,430 --> 00:13:22,160

into the living room i passed the large

435

00:13:25,350 --> 00:13:23,440

window on the right

436

00:13:27,269 --> 00:13:25,360

i wasn't looking at the window but as i

437

00:13:29,350 --> 00:13:27,279

walked by something caught my eye

438

00:13:31,110 --> 00:13:29,360

i turned and faced the window there's a

439

00:13:32,550 --> 00:13:31,120

big huge round yellowish white lighter

440

00:13:34,870 --> 00:13:32,560

orb just hovering out there

441

00:13:35,590 --> 00:13:34,880

probably 30 to 40 feet beyond between

442

00:13:37,110 --> 00:13:35,600

our building

443

00:13:39,189 --> 00:13:37,120

and the frat houses right above the

444

00:13:41,110 --> 00:13:39,199

alley the first few seconds

445

00:13:42,949 --> 00:13:41,120

that i looked at it my mind is racing

446

00:13:45,189 --> 00:13:42,959

trying to figure out what it is

447

00:13:46,470 --> 00:13:45,199

i was 12 years old and had never seen

448

00:13:47,990 --> 00:13:46,480

anything like that

449

00:13:50,310 --> 00:13:48,000

after looking at it for a couple more

450

00:13:52,550 --> 00:13:50,320

seconds a strange feeling came over me

451
00:13:53,829 --> 00:13:52,560
it's hard to explain but i could feel

452
00:13:55,910 --> 00:13:53,839
that this thing was alive

453
00:13:57,509 --> 00:13:55,920
and it was looking back at me as that

454
00:13:59,189 --> 00:13:57,519
thought registered in my brain

455
00:14:00,710 --> 00:13:59,199
it quickly flied straight towards the

456
00:14:02,389 --> 00:14:00,720
window and towards me

457
00:14:03,829 --> 00:14:02,399
it abruptly stopped and hovered a few

458
00:14:05,750 --> 00:14:03,839
feet from the window

459
00:14:07,670 --> 00:14:05,760
suddenly i had a warm sensation at my

460
00:14:09,829 --> 00:14:07,680
feet like it was scanning me

461
00:14:11,189 --> 00:14:09,839
the warm feeling traveled up my legs

462
00:14:13,350 --> 00:14:11,199
slowly through my waist

463
00:14:15,110 --> 00:14:13,360

chest and shoulders when it reached my

464

00:14:17,030 --> 00:14:15,120

head i felt a sharp pain

465

00:14:18,470 --> 00:14:17,040

like the thing was now inside my head

466

00:14:20,550 --> 00:14:18,480

and i was in there with it

467

00:14:22,870 --> 00:14:20,560

for a matter of seconds i felt like my

468

00:14:24,949 --> 00:14:22,880

life was being examined by this entity

469

00:14:26,310 --> 00:14:24,959

i sensed images like they were a part of

470

00:14:28,230 --> 00:14:26,320

a movie of my life

471

00:14:30,310 --> 00:14:28,240

i felt that it was in a hurry to do this

472

00:14:32,230 --> 00:14:30,320

and that it was excited and enjoying it

473

00:14:33,590 --> 00:14:32,240

then immediately it came out of me and i

474

00:14:35,350 --> 00:14:33,600

collapsed to the floor

475

00:14:37,269 --> 00:14:35,360

i could still mentally communicate with

476

00:14:38,389 --> 00:14:37,279

it and asked it to just leave and that i

477

00:14:40,310 --> 00:14:38,399

wasn't a threat

478

00:14:42,230 --> 00:14:40,320

it hovered above me for a few seconds

479

00:14:43,670 --> 00:14:42,240

then quickly moved through the window

480

00:14:45,829 --> 00:14:43,680

i completely lost sight and

481

00:14:46,230 --> 00:14:45,839

communication with it i could hardly

482

00:14:48,389 --> 00:14:46,240

move

483

00:14:49,910 --> 00:14:48,399

but managed to get on my feet and slowly

484

00:14:51,750 --> 00:14:49,920

walk towards the kitchen

485

00:14:53,750 --> 00:14:51,760

i called for my mother but she didn't

486

00:14:54,629 --> 00:14:53,760

acknowledge me and continued washing

487

00:14:56,389 --> 00:14:54,639

dishes

488

00:14:58,230 --> 00:14:56,399

i tried to call out to her again but

489

00:14:59,590 --> 00:14:58,240

then realized i wasn't hearing anything

490

00:15:01,829 --> 00:14:59,600

coming from my mouth

491

00:15:02,629 --> 00:15:01,839

i reached and grabbed her by the arm she

492

00:15:04,150 --> 00:15:02,639

was alarmed

493

00:15:06,790 --> 00:15:04,160

and we quickly moved into the living

494

00:15:08,629 --> 00:15:06,800

room i sat there for almost 10 minutes

495

00:15:09,910 --> 00:15:08,639

unable to speak while looking at my

496

00:15:12,470 --> 00:15:09,920

terrified mother

497

00:15:13,670 --> 00:15:12,480

eventually my voice returned and i told

498

00:15:15,910 --> 00:15:13,680

her what had happened

499

00:15:16,710 --> 00:15:15,920

she later called the air force the man

500

00:15:18,310 --> 00:15:16,720

on the phone

501
00:15:20,710 --> 00:15:18,320
told her that i probably saw a car

502
00:15:22,629 --> 00:15:20,720
headlight and misinterpreted the event

503
00:15:23,910 --> 00:15:22,639
she argued but eventually hung up the

504
00:15:25,910 --> 00:15:23,920
telephone on her

505
00:15:28,069 --> 00:15:25,920
i've had to deal with this for almost 50

506
00:15:28,870 --> 00:15:28,079
years i still don't know why it happened

507
00:15:30,790 --> 00:15:28,880
to me

508
00:15:32,870 --> 00:15:30,800
i was a child and didn't know how to

509
00:15:33,910 --> 00:15:32,880
handle it i didn't understand why it

510
00:15:35,749 --> 00:15:33,920
happened to me

511
00:15:37,509 --> 00:15:35,759
it has affected my life and i believe i

512
00:15:39,189 --> 00:15:37,519
have been monitored by it or something

513
00:15:40,150 --> 00:15:39,199

else during that period of time since

514

00:15:41,910 --> 00:15:40,160

the event

515

00:15:43,430 --> 00:15:41,920

i have trouble interacting with people

516

00:15:44,550 --> 00:15:43,440

though i was fortunate to marry a man

517

00:15:46,870 --> 00:15:44,560

who helps me to get through the

518

00:15:48,790 --> 00:15:46,880

uncertainty i experience each day

519

00:15:51,110 --> 00:15:48,800

we never had children which was by

520

00:15:52,389 --> 00:15:51,120

design i just couldn't expose them to

521

00:15:53,990 --> 00:15:52,399

what i have become

522

00:15:55,829 --> 00:15:54,000

i don't know if i have ever been

523

00:15:56,150 --> 00:15:55,839

confronted by these entities since that

524

00:15:58,069 --> 00:15:56,160

day

525

00:16:00,150 --> 00:15:58,079

but i always have a lingering sense that

526
00:16:06,790 --> 00:16:00,160
they will eventually show themselves

527
00:16:10,310 --> 00:16:08,870
billing craft entity communication near

528
00:16:13,670 --> 00:16:10,320
dylan south carolina

529
00:16:15,350 --> 00:16:13,680
on friday april 4 1969 just a few days

530
00:16:17,189 --> 00:16:15,360
before easter my friend and i were

531
00:16:19,030 --> 00:16:17,199
setting out on a hitchhiking expedition

532
00:16:20,389 --> 00:16:19,040
from fort bragg north carolina to myrtle

533
00:16:22,150 --> 00:16:20,399
beach south carolina

534
00:16:23,829 --> 00:16:22,160
two soldiers with fake hopes of scoring

535
00:16:25,430 --> 00:16:23,839
with some partying college co-eds

536
00:16:27,670 --> 00:16:25,440
taking their spring break in the popular

537
00:16:29,430 --> 00:16:27,680
seaside town leaving the base with our

538
00:16:31,350 --> 00:16:29,440

backpacks and sleeping bags at about

539

00:16:33,030 --> 00:16:31,360

sunset we headed south out of fayetteville

540

00:16:34,790 --> 00:16:33,040

on interstate 95

541

00:16:36,870 --> 00:16:34,800

reaching the large rest stop south of

542

00:16:38,550 --> 00:16:36,880

the border a few hours later we stopped

543

00:16:40,550 --> 00:16:38,560

at a coffee shop to grab a cup and get

544

00:16:42,310 --> 00:16:40,560

our bearings before continuing on

545

00:16:44,150 --> 00:16:42,320

saab as the soldiers called it was

546

00:16:46,150 --> 00:16:44,160

located just across the border in south

547

00:16:47,749 --> 00:16:46,160

carolina outside the town of dylan

548

00:16:49,590 --> 00:16:47,759

while drinking our coffees and looking

549

00:16:51,430 --> 00:16:49,600

over our map we couldn't help but notice

550

00:16:53,189 --> 00:16:51,440

a rather loud group of local rowdies

551

00:16:55,030 --> 00:16:53,199

talking loudly and throwing dirty looks

552

00:16:56,470 --> 00:16:55,040

our way this was the way it was during

553

00:16:57,829 --> 00:16:56,480

the 1960s

554

00:16:59,269 --> 00:16:57,839

in the area of the south we were in it

555

00:16:59,990 --> 00:16:59,279

could be dangerous for hitchhiking

556

00:17:02,150 --> 00:17:00,000

strangers

557

00:17:03,030 --> 00:17:02,160

especially blacks hippies yankees and

558

00:17:04,870 --> 00:17:03,040

soldiers

559

00:17:06,870 --> 00:17:04,880

accordingly we took the leering snarls

560

00:17:08,390 --> 00:17:06,880

very seriously finishing up quickly and

561

00:17:10,069 --> 00:17:08,400

moving on down the road

562

00:17:11,669 --> 00:17:10,079

soon we were walking through downtown

563

00:17:13,270 --> 00:17:11,679

dillon toward route 25

564

00:17:15,669 --> 00:17:13,280

the old lada highway cut-off toward

565

00:17:17,350 --> 00:17:15,679

myrtle beach still 70 miles away

566

00:17:18,870 --> 00:17:17,360

one good ride would get us there and at

567

00:17:20,390 --> 00:17:18,880

the same time get us away from the

568

00:17:22,230 --> 00:17:20,400

trouble we both sent

569

00:17:23,750 --> 00:17:22,240

and sure enough it wasn't all that long

570

00:17:25,429 --> 00:17:23,760

before two cars showed up with our

571

00:17:27,350 --> 00:17:25,439

friends from the coffee shop on board

572

00:17:29,270 --> 00:17:27,360

putin and hollering as they went by

573

00:17:30,630 --> 00:17:29,280

as empty as the town was at this time of

574

00:17:32,310 --> 00:17:30,640

night nearly 10 p.m

575

00:17:33,909 --> 00:17:32,320

it didn't bother us too much because of

576

00:17:35,190 --> 00:17:33,919

the street lights and the occasional

577

00:17:36,870 --> 00:17:35,200

traffic on the road

578

00:17:38,630 --> 00:17:36,880

but as we reach the edge of town near

579

00:17:40,230 --> 00:17:38,640

the cut-off with the rowdies going by

580

00:17:42,070 --> 00:17:40,240

every few minutes and the chances of a

581

00:17:43,830 --> 00:17:42,080

ride looking increasingly doubtful the

582

00:17:44,549 --> 00:17:43,840

two of us began looking for an escape

583

00:17:46,470 --> 00:17:44,559

hatch

584

00:17:47,909 --> 00:17:46,480

after the loud mouths pass by us again

585

00:17:49,750 --> 00:17:47,919

and drove out of sight we took the

586

00:17:51,669 --> 00:17:49,760

opportunity to slip off the road into a

587

00:17:52,950 --> 00:17:51,679

dimly lit area behind a vacant broken

588

00:17:54,630 --> 00:17:52,960

down gas station

589

00:17:56,310 --> 00:17:54,640

walking by the left side of the deserted

590

00:17:58,310 --> 00:17:56,320

building we followed a wheel redditor

591

00:17:59,990 --> 00:17:58,320

path up and over a small crest by now

592

00:18:01,990 --> 00:18:00,000

barely able to see more than a few feet

593

00:18:03,590 --> 00:18:02,000

in front of us as we pass by trees on

594

00:18:05,110 --> 00:18:03,600

the edge of the gas station lot into

595

00:18:06,710 --> 00:18:05,120

almost complete darkness

596

00:18:08,390 --> 00:18:06,720

but as the two of us picked our way

597

00:18:10,070 --> 00:18:08,400

carefully down the car path the whole

598

00:18:10,549 --> 00:18:10,080

area suddenly lit up in an aqua green

599

00:18:12,150 --> 00:18:10,559

glow

600

00:18:14,630 --> 00:18:12,160

showing a small field no more than a few

601
00:18:16,230 --> 00:18:14,640
acres in size now i could see clearly

602
00:18:18,310 --> 00:18:16,240
and what i saw amazed me there was a

603
00:18:20,390 --> 00:18:18,320
three or four story high multi-tech ufo

604
00:18:22,150 --> 00:18:20,400
standing on what seemed to be metal legs

605
00:18:23,990 --> 00:18:22,160
in addition they were being similar to

606
00:18:26,070 --> 00:18:24,000
humans i had with two eyes

607
00:18:27,029 --> 00:18:26,080
two arms and upright on two legs they

608
00:18:28,710 --> 00:18:27,039
were colored green

609
00:18:30,549 --> 00:18:28,720
either an effect of the ambient light or

610
00:18:31,029 --> 00:18:30,559
the result of my extreme confusion and

611
00:18:32,549 --> 00:18:31,039
fear

612
00:18:34,310 --> 00:18:32,559
they were walking in the field and on

613
00:18:36,390 --> 00:18:34,320

decks which curved around the ship with

614

00:18:39,110 --> 00:18:36,400

the nearest one about 20 feet away

615

00:18:41,029 --> 00:18:39,120

he she it turned our way and said firmly

616

00:18:42,870 --> 00:18:41,039

i believe telepathically leave

617

00:18:44,470 --> 00:18:42,880

now in spite of the danger that it

618

00:18:44,950 --> 00:18:44,480

caused us leave the highway in the first

619

00:18:46,710 --> 00:18:44,960

place

620

00:18:48,789 --> 00:18:46,720

we both like the trained soldiers we

621

00:18:50,549 --> 00:18:48,799

were executed a smart about face and

622

00:18:52,150 --> 00:18:50,559

marched right back toward trouble

623

00:18:53,990 --> 00:18:52,160

we hiked a pretty quick route step down

624

00:18:55,350 --> 00:18:54,000

the road a few miles without saying a

625

00:18:57,270 --> 00:18:55,360

word to or looking at

626

00:18:58,870 --> 00:18:57,280

each other huffing just as fast as we

627

00:18:59,990 --> 00:18:58,880

could out of dylan into some farming in

628

00:19:01,750 --> 00:19:00,000

passage area

629

00:19:03,510 --> 00:19:01,760

presently the rowdies showed up once

630

00:19:05,270 --> 00:19:03,520

more in their cars making it clear we

631

00:19:07,270 --> 00:19:05,280

were their targets for this night

632

00:19:09,430 --> 00:19:07,280

once again as the cars went out of sight

633

00:19:09,990 --> 00:19:09,440

we left the highway into cow passer this

634

00:19:11,750 --> 00:19:10,000

time

635

00:19:13,190 --> 00:19:11,760

from a spot a few hundred yards off the

636

00:19:14,310 --> 00:19:13,200

road we watched them as their turn

637

00:19:15,990 --> 00:19:14,320

looking for us

638

00:19:17,830 --> 00:19:16,000

eventually the night settled down the

639

00:19:18,950 --> 00:19:17,840

cards were gone and we climbed into our

640

00:19:20,549 --> 00:19:18,960

sleeping bags

641

00:19:22,950 --> 00:19:20,559

the next morning we continued on to

642

00:19:24,310 --> 00:19:22,960

myrtle beach here's the best sport

643

00:19:26,390 --> 00:19:24,320

as far as i could recall we had

644

00:19:28,230 --> 00:19:26,400

forgotten about the ufo one day

645

00:19:29,669 --> 00:19:28,240

30 years later my buddy called up from

646

00:19:30,710 --> 00:19:29,679

out of the blue and asked me do you

647

00:19:32,950 --> 00:19:30,720

remember dylan

648

00:19:34,150 --> 00:19:32,960

i had no idea what he was talking about

649

00:19:35,750 --> 00:19:34,160

but as soon as he said

650

00:19:42,150 --> 00:19:35,760

that you felt the whole experience came

651
00:19:45,590 --> 00:19:44,710
this is lon strickler if you like this

652
00:19:47,350 --> 00:19:45,600
program

653
00:19:48,710 --> 00:19:47,360
it would help us if you would give it a

654
00:19:51,590 --> 00:19:48,720
thumbs up

655
00:19:52,070 --> 00:19:51,600
then subscribe and click the bell icon

656
00:19:54,390 --> 00:19:52,080
so you

657
00:19:56,549 --> 00:19:54,400
get notification when we upload new

658
00:19:59,669 --> 00:19:56,559
first person encounters

659
00:20:02,070 --> 00:19:59,679
we have many more to come very soon and

660
00:20:04,470 --> 00:20:02,080
by the way if you have a suggestion
