9  
00:00:35,110 --> 00:00:33,910  
wolf boy cryptid canine encountered in

10  
00:00:36,870 --> 00:00:35,120  
maryville missouri

11  
00:00:38,389 --> 00:00:36,880  
i was standing outside of my home

12  
00:00:40,229 --> 00:00:38,399  
smoking a cigarette in maryville

13  
00:00:41,510 --> 00:00:40,239

missouri at approximately 3 a.m in

14

00:00:43,190 --> 00:00:41,520

august 2010

15

00:00:45,270 --> 00:00:43,200

the street lights cast a yellow glow

16

00:00:46,549 --> 00:00:45,280

over my neighborhood the air was crisp

17

00:00:48,470 --> 00:00:46,559

from the recent rain

18

00:00:49,910 --> 00:00:48,480

as i stood near the back door i noticed

19

00:00:51,590 --> 00:00:49,920

something moved in the yard

20

00:00:53,670 --> 00:00:51,600

out of my periphery i thought it was a

21

00:00:55,189 --> 00:00:53,680

dog a really big dog

22

00:00:57,830 --> 00:00:55,199

but when i looked at it straight on i

23

00:00:58,630 --> 00:00:57,840

was scared the dog was about as long as

24

00:01:00,630 --> 00:00:58,640

a horse

25

00:01:02,869 --> 00:01:00,640

it loped across the lawn and i got a

26

00:01:05,429 --> 00:01:02,879

good look at it the dog thing was tan

27

00:01:07,030 --> 00:01:05,439

its tail long and bushy with a white tip

28

00:01:08,789 --> 00:01:07,040

its eyes glowed green

29

00:01:10,710 --> 00:01:08,799

it stopped next to a neighbor's fence

30

00:01:11,190 --> 00:01:10,720

staring at me the entire time with those

31

00:01:13,510 --> 00:01:11,200

green

32

00:01:15,590 --> 00:01:13,520

glowing eyes it stared at me until i

33

00:01:17,510 --> 00:01:15,600

finished my cigarette and went inside

34

00:01:19,030 --> 00:01:17,520

about three to five minutes just long

35

00:01:21,429 --> 00:01:19,040

enough to smoke a cigarette

36

00:01:23,910 --> 00:01:21,439

i was little freaked out the dog slunk

37

00:01:25,670 --> 00:01:23,920

off between two houses and i went inside

38

00:01:28,149 --> 00:01:25,680

i took my father outside to look for

39

00:01:29,910 --> 00:01:28,159

tracks the next day but we found nothing

40

00:01:31,990 --> 00:01:29,920

however when i stood where the dog

41

00:01:33,429 --> 00:01:32,000

stopped a defense my heart jumped

42

00:01:35,109 --> 00:01:33,439

the dog would have stood at the middle

43

00:01:37,429 --> 00:01:35,119

of my chest i'm six

44

00:01:38,310 --> 00:01:37,439

foot two that wasn't the last time i saw

45

00:01:40,710 --> 00:01:38,320

the dog

46

00:01:42,230 --> 00:01:40,720

dad calls it wolf boy we joke around

47

00:01:44,469 --> 00:01:42,240

about it being a werewolf

48

00:01:46,230 --> 00:01:44,479

a few weeks later i parked my car on the

49

00:01:47,429 --> 00:01:46,240

street behind the house after work at

50

00:01:49,670 --> 00:01:47,439

around 3am

51  
00:01:51,270 --> 00:01:49,680  
i sat inside the car smoking cigarettes

52  
00:01:52,230 --> 00:01:51,280  
when i saw eyes staring at me through

53  
00:01:54,310 --> 00:01:52,240  
the darkness

54  
00:01:55,670 --> 00:01:54,320  
the street light back there flickers i

55  
00:01:56,469 --> 00:01:55,680  
was sitting in the car smoking a

56  
00:01:58,709 --> 00:01:56,479  
cigarette

57  
00:02:00,469 --> 00:01:58,719  
i saw those green eyes when the street

58  
00:02:01,990 --> 00:02:00,479  
light flicked on he saw the wolf boy i

59  
00:02:02,310 --> 00:02:02,000  
thought my eyes were playing tricks on

60  
00:02:04,469 --> 00:02:02,320  
me

61  
00:02:06,230 --> 00:02:04,479  
because of the green glow but it was the

62  
00:02:08,550 --> 00:02:06,240  
dog it was lying down

63  
00:02:10,469 --> 00:02:08,560

just staring at me each time the street

64

00:02:11,110 --> 00:02:10,479

light flickered the wolf boy inched

65

00:02:13,110 --> 00:02:11,120

closer

66

00:02:14,869 --> 00:02:13,120

it was freaky as close as the dog was

67

00:02:24,550 --> 00:02:14,879

when the light flickered back on

68

00:02:28,390 --> 00:02:26,949

stalking werewolf in 1980 sarasota

69

00:02:30,550 --> 00:02:28,400

florida suburbs

70

00:02:32,309 --> 00:02:30,560

long the other story i want to tell you

71

00:02:33,589 --> 00:02:32,319

was a series of incidents with my

72

00:02:35,830 --> 00:02:33,599

siblings and i

73

00:02:36,790 --> 00:02:35,840

as i said before we had a house in south

74

00:02:39,589 --> 00:02:36,800

west florida

75

00:02:41,190 --> 00:02:39,599

back in the 1980s for over a week our

76

00:02:41,750 --> 00:02:41,200

neighborhood had a series of what i

77

00:02:44,150 --> 00:02:41,760

believe

78

00:02:45,990 --> 00:02:44,160

were a stalking werewolf it was june i

79

00:02:48,630 --> 00:02:46,000

think and around 9pm

80

00:02:49,990 --> 00:02:48,640

i was out back on the patio at that time

81

00:02:51,830 --> 00:02:50,000

no one had fences around

82

00:02:54,150 --> 00:02:51,840

their property because all of us knew

83

00:02:56,070 --> 00:02:54,160

the others families around the area

84

00:02:58,229 --> 00:02:56,080

the only exception was the family across

85

00:03:00,710 --> 00:02:58,239

the street from us they had a seven foot

86

00:03:02,229 --> 00:03:00,720

tall cinderblock wall behind their house

87

00:03:04,390 --> 00:03:02,239

they had a large wooded piece of

88

00:03:06,229 --> 00:03:04,400

property and kept equipment out there

89

00:03:08,470 --> 00:03:06,239

the dad was in construction and the wall

90

00:03:10,470 --> 00:03:08,480

enclosed three sides of the property

91

00:03:11,990 --> 00:03:10,480

it was hot out in a slight breeze no

92

00:03:13,750 --> 00:03:12,000

clouds and starry

93

00:03:15,270 --> 00:03:13,760

as i sat there you could hear the dogs

94

00:03:17,830 --> 00:03:15,280

in the neighborhood begin to bark

95

00:03:18,309 --> 00:03:17,840

then everything got quiet alone owl

96

00:03:21,350 --> 00:03:18,319

started

97

00:03:22,949 --> 00:03:21,360

so i howl back i do this rather well i'd

98

00:03:25,270 --> 00:03:22,959

watch national geographic

99

00:03:26,949 --> 00:03:25,280

and would mimic wolf cries anyway this

100

00:03:28,710 --> 00:03:26,959

went on for about five minutes

101  
00:03:29,990 --> 00:03:28,720  
each time the howl from the other end

102  
00:03:32,390 --> 00:03:30,000  
got closer

103  
00:03:33,589 --> 00:03:32,400  
down the road our train tracks that run

104  
00:03:35,110 --> 00:03:33,599  
north to south

105  
00:03:37,350 --> 00:03:35,120  
the sound seemed to come from that

106  
00:03:38,710 --> 00:03:37,360  
direction i started to get spooked as

107  
00:03:40,470 --> 00:03:38,720  
the howling stopped

108  
00:03:42,710 --> 00:03:40,480  
our yard had bushes and a tree on the

109  
00:03:44,630 --> 00:03:42,720  
side where the sound came from

110  
00:03:47,509 --> 00:03:44,640  
the hair on my arms and neck started to

111  
00:03:49,030 --> 00:03:47,519  
stand up so i felt like i should go in

112  
00:03:51,350 --> 00:03:49,040  
as i stood i heard movement by the

113  
00:03:52,070 --> 00:03:51,360

bushes i glanced over and saw something

114

00:03:53,670 --> 00:03:52,080

move

115

00:03:55,750 --> 00:03:53,680

i didn't wait to see what it was so i

116

00:03:57,910 --> 00:03:55,760

booked it into the house and i stood by

117

00:04:00,070 --> 00:03:57,920

the door which had glass panes in it

118

00:04:01,830 --> 00:04:00,080

i watched as something very large and

119

00:04:04,229 --> 00:04:01,840

arc moved about the bushes

120

00:04:05,990 --> 00:04:04,239

it moved away and i could no longer see

121

00:04:07,670 --> 00:04:06,000

it from my vantage point

122

00:04:09,110 --> 00:04:07,680

i went to the front porch to look out

123

00:04:10,149 --> 00:04:09,120

the windows hoping to get a look at

124

00:04:12,789 --> 00:04:10,159

whatever was there

125

00:04:13,350 --> 00:04:12,799

but it never came out that way so i went

126  
00:04:15,750 --> 00:04:13,360  
to bed

127  
00:04:17,509 --> 00:04:15,760  
and to read for a while to calm down

128  
00:04:18,229 --> 00:04:17,519  
about less than an hour later my brother

129  
00:04:20,949 --> 00:04:18,239  
came home

130  
00:04:22,390 --> 00:04:20,959  
he came to my room and as wide as paper

131  
00:04:25,430 --> 00:04:22,400  
he was shaking all over

132  
00:04:27,749 --> 00:04:25,440  
his eyes the size of saucers i asked him

133  
00:04:29,590 --> 00:04:27,759  
if he was okay now my brother is the

134  
00:04:30,710 --> 00:04:29,600  
sort that has an explanation for

135  
00:04:32,790 --> 00:04:30,720  
anything unusual

136  
00:04:34,550 --> 00:04:32,800  
and he's a big guy so for him to be in

137  
00:04:36,310 --> 00:04:34,560  
this state was not normal

138  
00:04:38,230 --> 00:04:36,320

he said i need you to come with me right

139

00:04:38,950 --> 00:04:38,240

now i'll explain when we get in the

140

00:04:41,510 --> 00:04:38,960

truck

141

00:04:42,310 --> 00:04:41,520

i was still dressed so i got up and went

142

00:04:44,469 --> 00:04:42,320

with him

143

00:04:46,629 --> 00:04:44,479

when we got outside i asked what's going

144

00:04:48,629 --> 00:04:46,639

on he told me there was something in the

145

00:04:49,430 --> 00:04:48,639

road by the tracks he needed to show me

146

00:04:51,510 --> 00:04:49,440

first

147

00:04:53,350 --> 00:04:51,520

i was not happy about that as i just had

148

00:04:54,310 --> 00:04:53,360

my own experience with something from

149

00:04:55,670 --> 00:04:54,320

that way

150

00:04:57,990 --> 00:04:55,680

as we got there it looked as if

151  
00:04:59,590 --> 00:04:58,000  
something had exploded all over the road

152  
00:05:01,430 --> 00:04:59,600  
there was blood everywhere as if

153  
00:05:04,150 --> 00:05:01,440  
something was mowed down in that spot

154  
00:05:05,270 --> 00:05:04,160  
but there was no body parts anywhere my

155  
00:05:07,590 --> 00:05:05,280  
brother related then

156  
00:05:08,550 --> 00:05:07,600  
what he had seen coming down the road i

157  
00:05:10,710 --> 00:05:08,560  
was coming home

158  
00:05:12,870 --> 00:05:10,720  
and as i got closer to the tracks there

159  
00:05:14,870 --> 00:05:12,880  
was this huge thing lying in the road

160  
00:05:16,790 --> 00:05:14,880  
i thought it must have been a mastiff or

161  
00:05:18,870 --> 00:05:16,800  
great dane in the road but as i pulled

162  
00:05:19,830 --> 00:05:18,880  
up to it it didn't look like a dog i'd

163  
00:05:22,070 --> 00:05:19,840

ever seen

164

00:05:23,270 --> 00:05:22,080

it was hairy its head and nose was twice

165

00:05:25,909 --> 00:05:23,280

the size of a dog

166

00:05:26,390 --> 00:05:25,919

the body wasn't a dog just og-like but

167

00:05:30,629 --> 00:05:26,400

much

168

00:05:33,590 --> 00:05:30,639

there was an arm on the road

169

00:05:34,870 --> 00:05:33,600

not og a human arm there was no trace of

170

00:05:36,710 --> 00:05:34,880

anything when we got there

171

00:05:37,990 --> 00:05:36,720

and it was only minutes that it took us

172

00:05:39,670 --> 00:05:38,000

to get there i

173

00:05:41,189 --> 00:05:39,680

said to get the hell out of there now

174

00:05:43,189 --> 00:05:41,199

and we went back home

175

00:05:44,790 --> 00:05:43,199

i told him what i experienced just

176

00:05:46,870 --> 00:05:44,800

before he got home

177

00:05:49,029 --> 00:05:46,880

a couple of days later my sister came to

178

00:05:51,029 --> 00:05:49,039

me and said she has been seeing a large

179

00:05:53,029 --> 00:05:51,039

dog prowling around at night

180

00:05:55,510 --> 00:05:53,039

it was huge and she had seen it across

181

00:05:58,070 --> 00:05:55,520

the street as she sat on the porch

182

00:05:59,990 --> 00:05:58,080

i told her what my brother and i saw and

183

00:06:01,510 --> 00:06:00,000

not to be outside alone until we could

184

00:06:03,830 --> 00:06:01,520

find out what it was

185

00:06:05,270 --> 00:06:03,840

we got together and decided to stake out

186

00:06:06,550 --> 00:06:05,280

the yard over the next night

187

00:06:08,710 --> 00:06:06,560

sure enough it was back in the

188

00:06:10,150 --> 00:06:08,720

neighbor's yard this thing was about the

189

00:06:12,870 --> 00:06:10,160

size of a shetland pony

190

00:06:14,469 --> 00:06:12,880

black in color we had flashlights and

191

00:06:15,990 --> 00:06:14,479

turned them on a took off to the back

192

00:06:18,309 --> 00:06:16,000

wall behind the house

193

00:06:20,790 --> 00:06:18,319

their dog was going off like crazy they

194

00:06:22,230 --> 00:06:20,800

had a small terrier we watched this dog

195

00:06:23,749 --> 00:06:22,240

thing scale the wall

196

00:06:25,670 --> 00:06:23,759

the neighbor came out to see what was

197

00:06:26,950 --> 00:06:25,680

going on and we shouted there was

198

00:06:29,350 --> 00:06:26,960

something in his yard

199

00:06:30,550 --> 00:06:29,360

he went back in and grabbed his pistol

200

00:06:39,270 --> 00:06:30,560

and went around back

201  
00:06:42,390 --> 00:06:40,950  
canine deer like humanoid encountered

202  
00:06:44,070 --> 00:06:42,400  
near gallipolis ohio

203  
00:06:45,590 --> 00:06:44,080  
this story is from a few years ago but

204  
00:06:47,270 --> 00:06:45,600  
my mother and i remember every single

205  
00:06:48,390 --> 00:06:47,280  
detail of what happened but i would like

206  
00:06:50,629 --> 00:06:48,400  
some advice

207  
00:06:52,150 --> 00:06:50,639  
i'm just not sure what we saw so when i

208  
00:06:53,270 --> 00:06:52,160  
was about at middle school my mom and i

209  
00:06:54,870 --> 00:06:53,280  
were driving home

210  
00:06:56,950 --> 00:06:54,880  
it was winter and a full moon because i

211  
00:06:59,430 --> 00:06:56,960  
remember the snow glowing under the moon

212  
00:07:01,510 --> 00:06:59,440  
it was only 6 pm but really dark so

213  
00:07:01,990 --> 00:07:01,520

we're going about 55 miles per hour when

214

00:07:03,990 --> 00:07:02,000

this thing

215

00:07:05,510 --> 00:07:04,000

crosses and stops in front of us the

216

00:07:07,350 --> 00:07:05,520

only way i can describe it is that it

217

00:07:07,909 --> 00:07:07,360

was if you combined a deer a dog and a

218

00:07:09,909 --> 00:07:07,919

human

219

00:07:11,430 --> 00:07:09,919

it stood about as tall as our windshield

220

00:07:13,110 --> 00:07:11,440

it had the legs of what i can describe

221

00:07:14,309 --> 00:07:13,120

as a deer its back was hunched over and

222

00:07:16,550 --> 00:07:14,319

walking on all fours

223

00:07:18,230 --> 00:07:16,560

it had the head of a dog minus ears but

224

00:07:18,870 --> 00:07:18,240

its eyes were white and it didn't have a

225

00:07:20,309 --> 00:07:18,880

tail

226

00:07:22,390 --> 00:07:20,319

the freakish thing about this creature

227

00:07:23,430 --> 00:07:22,400

was its skin it wasn't a canine with

228

00:07:25,029 --> 00:07:23,440

mange or anything

229

00:07:27,430 --> 00:07:25,039

it had actual human skin all the way

230

00:07:29,029 --> 00:07:27,440

down its legs too long to be dog legs

231

00:07:30,950 --> 00:07:29,039

it had a rotting meat odor and some

232

00:07:32,150 --> 00:07:30,960

parts the flesh was broken open like if

233

00:07:33,749 --> 00:07:32,160

you would scrape your knee

234

00:07:35,830 --> 00:07:33,759

it was pale white and you could see its

235

00:07:37,350 --> 00:07:35,840

veins this thing was fast

236

00:07:38,870 --> 00:07:37,360

it stood there and just ran across the

237

00:07:40,790 --> 00:07:38,880

road in a blink of an eye

238

00:07:41,909 --> 00:07:40,800

my mom had to pull over to calm down but

239

00:07:43,830 --> 00:07:41,919

we both saw it

240

00:07:45,749 --> 00:07:43,840

this sighting was in southeastern ohio

241

00:07:54,710 --> 00:07:45,759

near gallipolis what did we see

242

00:07:58,950 --> 00:07:56,710

tall dog-headed man stalks witness in

243

00:08:00,629 --> 00:07:58,960

cottage birmingham uk

244

00:08:03,189 --> 00:08:00,639

this incident occurred on a winter

245

00:08:05,350 --> 00:08:03,199

evening in 2009 in the cottage area of

246

00:08:06,550 --> 00:08:05,360

birmingham uk i was on my evening walk

247

00:08:08,230 --> 00:08:06,560

near my home

248

00:08:10,150 --> 00:08:08,240

after walking about a quarter of the

249

00:08:11,909 --> 00:08:10,160

length i glanced to my left and saw a

250

00:08:13,749 --> 00:08:11,919

very tall man walking parallel with me

251

00:08:15,589 --> 00:08:13,759

across the other side of the field

252

00:08:17,589 --> 00:08:15,599

i estimate that the guy was about seven

253

00:08:18,790 --> 00:08:17,599

to eight foot tall which made me look a

254

00:08:20,950 --> 00:08:18,800

little more carefully

255

00:08:22,710 --> 00:08:20,960

whilst still walking i noticed to my

256

00:08:24,469 --> 00:08:22,720

surprise the guy had what appeared to be

257

00:08:26,469 --> 00:08:24,479

the head of an alsatian dog

258

00:08:28,150 --> 00:08:26,479

at first i thought maybe it was a mask

259

00:08:29,670 --> 00:08:28,160

of some sword but as i looked i could

260

00:08:31,830 --> 00:08:29,680

see the creature's breath coming from

261

00:08:33,350 --> 00:08:31,840

its snout it was very cold and there

262

00:08:33,829 --> 00:08:33,360

seemed to be a fluid movement as it

263

00:08:35,509 --> 00:08:33,839

walked

264

00:08:37,430 --> 00:08:35,519

not the stiff neck you'd expect from a

265

00:08:39,190 --> 00:08:37,440

mask placed over man's head

266

00:08:41,430 --> 00:08:39,200

the creature was wearing a long dark

267

00:08:43,029 --> 00:08:41,440

coat and never looked in my direction

268

00:08:45,030 --> 00:08:43,039

i panicked a little at this point and

269

00:08:46,710 --> 00:08:45,040

decided to speed up my pace

270

00:08:48,389 --> 00:08:46,720

i glanced again to my left and was

271

00:08:49,350 --> 00:08:48,399

alarmed to see the dog-headed man that

272

00:08:51,829 --> 00:08:49,360

matched my pace

273

00:08:53,590 --> 00:08:51,839

but stayed on a parallel course i stayed

274

00:08:53,990 --> 00:08:53,600

calm and continued my brisk walk

275

00:08:55,750 --> 00:08:54,000

observing

276

00:08:57,910 --> 00:08:55,760

the dog-headed man from the corner of my

277

00:08:58,550 --> 00:08:57,920

eye if the thing changed his direction i

278

00:09:00,310 --> 00:08:58,560

would run

279

00:09:02,310 --> 00:09:00,320

but i still hoped it was all a bad dream

280

00:09:03,910 --> 00:09:02,320

or a hoax at the bottom

281

00:09:05,430 --> 00:09:03,920

instead of crossing the brook that runs

282

00:09:06,150 --> 00:09:05,440

along the base of the field leading to

283

00:09:08,470 --> 00:09:06,160

the canal

284

00:09:10,310 --> 00:09:08,480

i cut right up the small road just

285

00:09:11,509 --> 00:09:10,320

before i reached the road i broke into a

286

00:09:13,670 --> 00:09:11,519

sprint and looked fully at the

287

00:09:15,509 --> 00:09:13,680

dog-headed man to see what it would do

288

00:09:17,269 --> 00:09:15,519

it kept pace with me that didn't appear

289

00:09:18,470 --> 00:09:17,279

to be running again maintaining its

290

00:09:20,070 --> 00:09:18,480

parallel course

291

00:09:22,310 --> 00:09:20,080

it stepped over the brook like you would

292

00:09:23,910 --> 00:09:22,320

a small puddle at which time i had to

293

00:09:24,870 --> 00:09:23,920

turn my back making the sprint to the

294

00:09:26,870 --> 00:09:24,880

main road

295

00:09:28,470 --> 00:09:26,880

that was the worst part imagining this

296

00:09:35,110 --> 00:09:28,480

thing was right at my back

297

00:09:39,509 --> 00:09:37,269

dogman bigfoot sightings and activity

298

00:09:41,990 --> 00:09:39,519

reported in portage county ohio

299

00:09:43,670 --> 00:09:42,000

hello i live in northeast ohio in the

300

00:09:44,949 --> 00:09:43,680

area i'm going to tell you about is a

301

00:09:46,550 --> 00:09:44,959

country township

302

00:09:48,870 --> 00:09:46,560

there's one blinking traffic light in

303

00:09:49,990 --> 00:09:48,880

lots of woods farms and lakes

304

00:09:52,070 --> 00:09:50,000

every night i would take my

305

00:09:53,829 --> 00:09:52,080

granddaughter who was nine years old

306

00:09:55,910 --> 00:09:53,839

for a ride down all the back roads to

307

00:09:57,509 --> 00:09:55,920

see if we could spot some deer

308

00:09:59,509 --> 00:09:57,519

one night we were coming down a road

309

00:10:01,110 --> 00:09:59,519

with no houses as it was with most of

310

00:10:02,870 --> 00:10:01,120

the roads around this area

311

00:10:04,310 --> 00:10:02,880

we were coming up on a part of the road

312

00:10:06,150 --> 00:10:04,320

that had the back end of a christmas

313

00:10:08,389 --> 00:10:06,160

tree farm on the right with deep woods

314

00:10:10,069 --> 00:10:08,399

and a creek on the left we were driving

315

00:10:11,750 --> 00:10:10,079

slow so we would see a deer

316

00:10:13,350 --> 00:10:11,760

if there were any there since it was a

317

00:10:15,269 --> 00:10:13,360

common place to see them

318

00:10:17,110 --> 00:10:15,279

all of a sudden from out of the trees on

319

00:10:18,710 --> 00:10:17,120

the left a huge and i mean this thing

320

00:10:20,470 --> 00:10:18,720

was a good seven or eight foot long

321

00:10:22,949 --> 00:10:20,480

wolf-like creature came loping across

322

00:10:25,509 --> 00:10:22,959

the road not 20 feet in front of us

323

00:10:27,190 --> 00:10:25,519

i sail open because it ran so awkwardly

324

00:10:27,990 --> 00:10:27,200

like it didn't normally move on four

325

00:10:29,670 --> 00:10:28,000

legs

326

00:10:31,110 --> 00:10:29,680

like if you or i got on our hands and

327

00:10:32,630 --> 00:10:31,120

feet and tried to run

328

00:10:35,190 --> 00:10:32,640

there was something so odd about its

329

00:10:37,030 --> 00:10:35,200

back legs the best way i can describe it

330

00:10:37,910 --> 00:10:37,040

was almost like they had an extra boner

331

00:10:39,990 --> 00:10:37,920

joined to them

332

00:10:41,829 --> 00:10:40,000

i was stopped and staring in disbelief

333

00:10:44,710 --> 00:10:41,839

at this point and my granddaughter said

334

00:10:45,750 --> 00:10:44,720

grammy what is that like i said it was

335

00:10:48,069 --> 00:10:45,760

long black fur

336

00:10:50,069 --> 00:10:48,079

thin but long-legged its chest was huge

337

00:10:52,150 --> 00:10:50,079

like a pipple's only much bigger

338

00:10:54,310 --> 00:10:52,160

its tongue was hanging to the side i

339

00:10:55,110 --> 00:10:54,320

didn't notice any teeth nor did i recall

340

00:10:57,750 --> 00:10:55,120

a tail

341

00:10:58,230 --> 00:10:57,760

i was so intent on those back legs it

342

00:11:00,069 --> 00:10:58,240

looked

343

00:11:01,750 --> 00:11:00,079

but pretty fast across the road and

344

00:11:03,590 --> 00:11:01,760

disappeared into the woods

345

00:11:05,269 --> 00:11:03,600

i know it wasn't a coyote and there were

346

00:11:07,750 --> 00:11:05,279

no wolves in this area

347

00:11:09,350 --> 00:11:07,760

now i'm a country girl the woods and the

348

00:11:10,230 --> 00:11:09,360

beasts in them have never given me any

349

00:11:11,910 --> 00:11:10,240

concern

350

00:11:14,069 --> 00:11:11,920

but watching this thing move across the

351

00:11:15,750 --> 00:11:14,079

road gave me such a feeling of dread it

352

00:11:16,550 --> 00:11:15,760

actually left me with a kind of sick

353

00:11:18,470 --> 00:11:16,560

feeling

354

00:11:20,310 --> 00:11:18,480

i have to add that this area is a hot

355

00:11:22,550 --> 00:11:20,320

spot for bigfoot sightings

356

00:11:24,230 --> 00:11:22,560

they go back for decades the house we

357

00:11:25,829 --> 00:11:24,240

lived in was surrounded by woods

358

00:11:28,230 --> 00:11:25,839

and a railroad track ran through them

359

00:11:29,750 --> 00:11:28,240

behind it about a mile back there was an

360

00:11:31,910 --> 00:11:29,760

old indian burial mound that only a

361

00:11:33,670 --> 00:11:31,920

handful of the old-timers knew about

362

00:11:35,590 --> 00:11:33,680

past this was a bigfoot habitat or

363

00:11:36,870 --> 00:11:35,600

hunting area i say that

364

00:11:38,949 --> 00:11:36,880

because they had built an enormous

365

00:11:40,069 --> 00:11:38,959

corral out of 20 and 30 foot trees all

366

00:11:42,389 --> 00:11:40,079

locked within each other

367

00:11:44,470 --> 00:11:42,399

and in a semicircle it was marked with a

368

00:11:46,230 --> 00:11:44,480

huge x made of giant trees

369

00:11:48,230 --> 00:11:46,240

the back of this area butted up against

370

00:11:49,990 --> 00:11:48,240

the very back edge of one of the lakes

371

00:11:51,750 --> 00:11:50,000

there are at least three large lakes

372

00:11:53,670 --> 00:11:51,760

that all connect and i believe that was

373

00:11:56,150 --> 00:11:53,680

how they traveled between areas

374

00:11:58,069 --> 00:11:56,160

one winter after a big snow i had left

375

00:11:58,790 --> 00:11:58,079

work and went to my friends to stay the

376

00:12:01,430 --> 00:11:58,800

night

377

00:12:03,190 --> 00:12:01,440

at 6 a.m my daughter who was 16 years

378

00:12:05,110 --> 00:12:03,200

old called and told me i needed to come

379

00:12:06,790 --> 00:12:05,120

home right now to see something

380

00:12:09,350 --> 00:12:06,800

she wouldn't say why i had to get there

381

00:12:11,030 --> 00:12:09,360

fast when i got home she said our dogs

382

00:12:11,990 --> 00:12:11,040

who were in a fenced an area off of the

383

00:12:14,389 --> 00:12:12,000

back of the house

384

00:12:15,750 --> 00:12:14,399

had started going crazy that night she

385

00:12:16,230 --> 00:12:15,760

looked out her window on the second

386

00:12:17,590 --> 00:12:16,240

floor

387

00:12:19,430 --> 00:12:17,600

but didn't see anything in the way the

388

00:12:20,710 --> 00:12:19,440

pups were carrying on she was too scared

389

00:12:22,790 --> 00:12:20,720

to go outside

390

00:12:23,990 --> 00:12:22,800

then she showed me the footprints at the

391

00:12:25,829 --> 00:12:24,000

base of a huge catalpa

392

00:12:27,350 --> 00:12:25,839

tree was the first one then another

393

00:12:29,269 --> 00:12:27,360

about six feet from that

394

00:12:30,870 --> 00:12:29,279

they continued like that for a ways and

395

00:12:31,670 --> 00:12:30,880

then it turned and walked to the dog

396

00:12:33,190 --> 00:12:31,680

fence

397

00:12:34,790 --> 00:12:33,200

here the prince sort of shuffled back

398

00:12:35,509 --> 00:12:34,800

and forth and then they continued

399

00:12:37,030 --> 00:12:35,519

through the yard

400

00:12:39,110 --> 00:12:37,040

and across the road into the woods

401  
00:12:41,430 --> 00:12:39,120  
getting even further apart as it went

402  
00:12:43,030 --> 00:12:41,440  
these prints had toes they were not that

403  
00:12:44,550 --> 00:12:43,040  
long maybe eight inches

404  
00:12:46,150 --> 00:12:44,560  
and they were narrow at the heel and

405  
00:12:48,629 --> 00:12:46,160  
slightly wider at the top

406  
00:12:49,829 --> 00:12:48,639  
there were also very obvious claw prints

407  
00:12:52,069 --> 00:12:49,839  
bigfooter dogman

408  
00:12:53,269 --> 00:12:52,079  
i don't know but whatever it was walked

409  
00:12:55,590 --> 00:12:53,279  
on two legs

410  
00:12:57,350 --> 00:12:55,600  
one last thing i took my granddaughter

411  
00:12:58,230 --> 00:12:57,360  
and grandson for a drive around the lake

412  
00:12:59,910 --> 00:12:58,240  
one night

413  
00:13:02,389 --> 00:12:59,920

we stopped because a deer went tearing

414

00:13:04,230 --> 00:13:02,399

across the road it wasn't rut season

415

00:13:05,829 --> 00:13:04,240

and i was wondering what scared it when

416

00:13:06,069 --> 00:13:05,839

all of a sudden my granddaughter grabbed

417

00:13:09,430 --> 00:13:06,079

my

418

00:13:11,110 --> 00:13:09,440

the spot

419

00:13:13,269 --> 00:13:11,120

where her eyes were focused and there

420

00:13:14,629 --> 00:13:13,279

were two bright red spots about 10 feet

421

00:13:15,910 --> 00:13:14,639

up in the thick brush

422

00:13:17,910 --> 00:13:15,920

i just looked at them wondering what

423

00:13:19,829 --> 00:13:17,920

they might be and then they blinked

424

00:13:22,069 --> 00:13:19,839

that was that we got the hell out of

425

00:13:22,949 --> 00:13:22,079

there this area is in portage county

426

00:13:25,430 --> 00:13:22,959

ohio

427

00:13:26,870 --> 00:13:25,440

near atwater to be specific if you check

428

00:13:28,389 --> 00:13:26,880

it out on google you'll see there has

429

00:13:32,829 --> 00:13:28,399

been a lot of activity there over the

430

00:13:37,269 --> 00:13:34,710

m

431

00:13:38,150 --> 00:13:37,279

this is lon strickler if you like this

432

00:13:39,910 --> 00:13:38,160

program

433

00:13:41,269 --> 00:13:39,920

it would help us if you would give it a

434

00:13:44,150 --> 00:13:41,279
