

**ARCANE RADIO**   
Exploring the Unexplained 

**February 12th, 2021**  
**@ 9PM Eastern**

**Your Host**  
**Lon Strickler**

**With Guest**  
**Dave Spinks**

**Dave Spinks, Supernatural Researcher & Investigator - February 12th, 2021**

1  
00:00:07,670 --> 00:00:04,230  
the oldest

2  
00:00:09,830 --> 00:00:07,680  
and strongest human emotion is fear

3  
00:00:10,870 --> 00:00:09,840  
and the oldest and strongest type of

4  
00:00:14,070 --> 00:00:10,880  
fear

5  
00:00:16,470 --> 00:00:14,080  
is trepidation of the unknown

6  
00:00:19,990 --> 00:00:16,480  
when we were children our parents told

7  
00:00:22,470 --> 00:00:20,000  
us that monsters didn't exist

8  
00:00:25,670 --> 00:00:22,480  
but we were sure that something was

9  
00:00:30,150 --> 00:00:25,680  
lurking under the bed or in the closet

10  
00:00:33,190 --> 00:00:30,160  
fear sees even if our eyes are closed

11  
00:00:36,389 --> 00:00:33,200  
welcome to the realm of the arcane

12  
00:00:37,030 --> 00:00:36,399  
my name is lon strickler join me as i

13  
00:00:39,549 --> 00:00:37,040

examine

14

00:00:43,910 --> 00:00:39,559

unexplained creatures strange

15

00:00:45,830 --> 00:00:43,920

manifestations and remarkable realities

16

00:00:48,389 --> 00:00:45,840

imagine this next hour

17

00:00:49,510 --> 00:00:48,399

as a voyage of discovery to strange

18

00:00:52,549 --> 00:00:49,520

lands

19

00:00:55,110 --> 00:00:52,559

seeking not for new territory but for

20

00:00:57,910 --> 00:00:55,120

new knowledge of the supernatural

21

00:00:59,310 --> 00:00:57,920

come on board as we begin this adventure

22

00:01:03,670 --> 00:00:59,320

together

23

00:01:08,230 --> 00:01:05,830

hey folks good evening and welcome to

24

00:01:10,149 --> 00:01:08,240

another episode of arcane radio where we

25

00:01:13,190 --> 00:01:10,159

explore unexplained

26  
00:01:15,990 --> 00:01:13,200  
live on beyond explanation i'm your host

27  
00:01:19,590 --> 00:01:16,000  
lon strickler coming to you from the

28  
00:01:22,070 --> 00:01:19,600  
howard fields of gettysburg pennsylvania

29  
00:01:23,429 --> 00:01:22,080  
now uh before i introduce tonight's

30  
00:01:26,310 --> 00:01:23,439  
guest

31  
00:01:28,550 --> 00:01:26,320  
bfro and fans of monsters 40 research

32  
00:01:31,270 --> 00:01:28,560  
team member carter bouchard

33  
00:01:33,190 --> 00:01:31,280  
will present a bigfoot report that he

34  
00:01:39,429 --> 00:01:33,200  
personally investigated

35  
00:01:43,990 --> 00:01:42,310  
phantom and monsters sasquatch report

36  
00:01:46,550 --> 00:01:44,000  
number one

37  
00:01:48,389 --> 00:01:46,560  
on the 7th of june in 2013 a friend of

38  
00:01:50,310 --> 00:01:48,399

mine and i decided to visit the monkey

39

00:01:51,350 --> 00:01:50,320

mountain nature reserve in green valley

40

00:01:52,870 --> 00:01:51,360

missouri

41

00:01:54,950 --> 00:01:52,880

as she believed we might catch the sight

42

00:01:56,550 --> 00:01:54,960

of a sasquatch since there had been

43

00:01:57,990 --> 00:01:56,560

documented sightings in that area and

44

00:01:58,709 --> 00:01:58,000

she knew that i was interested in the

45

00:02:01,510 --> 00:01:58,719

sasquatch

46

00:02:02,870 --> 00:02:01,520

legend as we traveled down our demise

47

00:02:04,389 --> 00:02:02,880

road toward the parking lot

48

00:02:05,910 --> 00:02:04,399

area we were startled when a large

49

00:02:07,749 --> 00:02:05,920

creature on all fours

50

00:02:09,029 --> 00:02:07,759

crossed the road less than 100 feet in

51  
00:02:10,949 --> 00:02:09,039  
front of us

52  
00:02:12,390 --> 00:02:10,959  
my friend stopped the car and we watched

53  
00:02:14,550 --> 00:02:12,400  
across the road from north

54  
00:02:16,229 --> 00:02:14,560  
to south it appeared it had come from a

55  
00:02:18,710 --> 00:02:16,239  
field to the right of us

56  
00:02:19,830 --> 00:02:18,720  
it was covered in dark hair and very

57  
00:02:21,589 --> 00:02:19,840  
very muscular

58  
00:02:24,630 --> 00:02:21,599  
the back was arched and its head was

59  
00:02:26,630 --> 00:02:24,640  
tucked i didn't see a tail of any kind

60  
00:02:28,229 --> 00:02:26,640  
i did however notice the hair on its

61  
00:02:30,390 --> 00:02:28,239  
back was considerably shorter than it

62  
00:02:32,390 --> 00:02:30,400  
was on the rest of the body

63  
00:02:34,070 --> 00:02:32,400

it seemed to just glide across the road

64

00:02:36,550 --> 00:02:34,080

which i thought was a strange thing

65

00:02:38,949 --> 00:02:36,560

since it was very large i'm guessing it

66

00:02:40,630 --> 00:02:38,959

weighed at least 500 pounds or more

67

00:02:42,070 --> 00:02:40,640

i reached for my camera which was in my

68

00:02:43,270 --> 00:02:42,080

lap but the creature had already

69

00:02:45,350 --> 00:02:43,280

disappeared

70

00:02:47,509 --> 00:02:45,360

we continued down the road and reached

71

00:02:49,430 --> 00:02:47,519

the parking lot where i told her

72

00:02:51,110 --> 00:02:49,440

please go back so we can look for prince

73

00:02:52,630 --> 00:02:51,120

but she refused

74

00:02:54,550 --> 00:02:52,640

i told her i thought we had just seen a

75

00:02:57,509 --> 00:02:54,560

sasquatch and she told me it must have

76

00:03:00,869 --> 00:02:57,519

been a large dog possibly a newfoundland

77

00:03:02,309 --> 00:03:00,879

because well they are large black dogs i

78

00:03:04,149 --> 00:03:02,319

told her that we had a better chance of

79

00:03:06,229 --> 00:03:04,159

seeing a sasquatch in that particular

80

00:03:07,830 --> 00:03:06,239

area than a newfoundland it was then

81

00:03:09,750 --> 00:03:07,840

that she told me she was going to keep

82

00:03:10,949 --> 00:03:09,760

quiet about what we had seen and that i

83

00:03:13,750 --> 00:03:10,959

should do the same

84

00:03:15,830 --> 00:03:13,760

which obviously i didn't do i know what

85

00:03:19,830 --> 00:03:15,840

i saw and it wasn't a dog a deer or

86

00:03:22,390 --> 00:03:19,840

anything i had ever seen before

87

00:03:23,509 --> 00:03:22,400

phantoms and monsters sasquatch reporter

88

00:03:26,470 --> 00:03:23,519

number one

89

00:03:29,750 --> 00:03:26,480

part two this is a transcript of the

90

00:03:32,710 --> 00:03:29,760

conversation i had with the witness

91

00:03:34,550 --> 00:03:32,720

i did speak to her for nearly two hours

92

00:03:35,430 --> 00:03:34,560

i'm quite familiar with this location

93

00:03:37,589 --> 00:03:35,440

and there are three

94

00:03:39,830 --> 00:03:37,599

other reports at this location that i

95

00:03:41,910 --> 00:03:39,840

have filed personally

96

00:03:44,710 --> 00:03:41,920

they are 30 minutes from my home and

97

00:03:46,470 --> 00:03:44,720

i've been to them numerous times

98

00:03:47,910 --> 00:03:46,480

after her initial encounter she became

99

00:03:48,949 --> 00:03:47,920

quite interested in the sasquatch

100

00:03:50,949 --> 00:03:48,959

phenomenon

101  
00:03:52,470 --> 00:03:50,959  
and was devouring as much information as

102  
00:03:53,830 --> 00:03:52,480  
possible

103  
00:03:55,589 --> 00:03:53,840  
it was at this point she told her

104  
00:03:57,190 --> 00:03:55,599  
girlfriend about the first encounter and

105  
00:03:59,190 --> 00:03:57,200  
the girlfriend told her they should

106  
00:04:01,750 --> 00:03:59,200  
maybe go to monkey mountain because i

107  
00:04:03,350 --> 00:04:01,760  
think they have lots of woods there

108  
00:04:04,869 --> 00:04:03,360  
the friend was a non-believer and she

109  
00:04:07,030 --> 00:04:04,879  
was just taking

110  
00:04:08,630 --> 00:04:07,040  
her there to humor her and then to do

111  
00:04:10,550 --> 00:04:08,640  
and i told you so once they got there

112  
00:04:12,630 --> 00:04:10,560  
and saw nothing

113  
00:04:14,390 --> 00:04:12,640

her above report was very concise and

114

00:04:14,789 --> 00:04:14,400

i'm going to add to it what i got out of

115

00:04:17,749 --> 00:04:14,799

it

116

00:04:18,229 --> 00:04:17,759

during our conversation they were headed

117

00:04:20,710 --> 00:04:18,239

east

118

00:04:22,069 --> 00:04:20,720

on the road toward the parking lot it

119

00:04:24,710 --> 00:04:22,079

had black hair

120

00:04:26,230 --> 00:04:24,720

not fur the hair on the arms was two to

121

00:04:28,469 --> 00:04:26,240

three inches long and it appeared

122

00:04:29,510 --> 00:04:28,479

shorter on the massive back but not by

123

00:04:31,430 --> 00:04:29,520

much

124

00:04:33,110 --> 00:04:31,440

the back arms legs and buttocks were

125

00:04:35,749 --> 00:04:33,120

very muscular and she could see the

126

00:04:37,430 --> 00:04:35,759

musculature rippling as it moved

127

00:04:39,510 --> 00:04:37,440

the head was tucked in toward the right

128

00:04:40,710 --> 00:04:39,520

side of its body as it moved from left

129

00:04:43,430 --> 00:04:40,720

to right

130

00:04:46,469 --> 00:04:43,440

in her words its movement was elegant

131

00:04:48,070 --> 00:04:46,479

graceful and flowing like a gazelle

132

00:04:49,670 --> 00:04:48,080

the back was heavily arched and it would

133

00:04:50,790 --> 00:04:49,680

be somewhat similar to what a human

134

00:04:52,950 --> 00:04:50,800

would look like

135

00:04:56,629 --> 00:04:52,960

if it were to try to run on all fours

136

00:04:59,909 --> 00:04:56,639

without the knees touching the ground

137

00:05:02,550 --> 00:04:59,919

it's a very common description

138

00:05:04,469 --> 00:05:02,560

she felt like it acted afraid the hair

139

00:05:05,909 --> 00:05:04,479

was flowing as it ran and the build was

140

00:05:07,909 --> 00:05:05,919

described

141

00:05:10,070 --> 00:05:07,919

as at least eight feet tall and a

142

00:05:12,310 --> 00:05:10,080

minimum of 500 pounds

143

00:05:13,189 --> 00:05:12,320

the bottoms of the feet were white or at

144

00:05:15,110 --> 00:05:13,199

the very least

145

00:05:16,310 --> 00:05:15,120

considerably lighter than the rest of

146

00:05:18,310 --> 00:05:16,320

the body

147

00:05:19,670 --> 00:05:18,320

the creature was incredibly powerfully

148

00:05:21,670 --> 00:05:19,680

built

149

00:05:23,510 --> 00:05:21,680

this location has had recent and steady

150

00:05:25,830 --> 00:05:23,520

activity

151  
00:05:27,749 --> 00:05:25,840  
as stated her friend didn't see anything

152  
00:05:29,749 --> 00:05:27,759  
but a big dog and that's my story and

153  
00:05:31,430 --> 00:05:29,759  
i'm sticking to it

154  
00:05:33,189 --> 00:05:31,440  
now this witness would rate very high on

155  
00:05:37,270 --> 00:05:33,199  
the observational skills

156  
00:05:40,469 --> 00:05:37,280  
list she is a retired psychologist

157  
00:05:42,310 --> 00:05:40,479  
studied physiology and anatomy she

158  
00:05:43,590 --> 00:05:42,320  
interviewed criminal suspects for a

159  
00:05:45,749 --> 00:05:43,600  
local police department

160  
00:05:47,590 --> 00:05:45,759  
and she is a keen observer of body

161  
00:05:49,670 --> 00:05:47,600  
language and traits

162  
00:05:51,029 --> 00:05:49,680  
very well spoken and her story never

163  
00:05:52,629 --> 00:05:51,039

wavered

164

00:05:54,469 --> 00:05:52,639

this type of witness will be in the top

165

00:05:55,909 --> 00:05:54,479

five of all the witness types i have

166

00:05:58,230 --> 00:05:55,919

interviewed by myself

167

00:05:59,110 --> 00:05:58,240

she was clear as a bell knows exactly

168

00:06:02,390 --> 00:05:59,120

what she saw

169

00:06:04,150 --> 00:06:02,400

and she knows what she did not see

170

00:06:06,070 --> 00:06:04,160

this sighting is within a hundred feet

171

00:06:07,670 --> 00:06:06,080

of a previous report filed by this

172

00:06:10,950 --> 00:06:07,680

investigator

173

00:06:15,670 --> 00:06:13,990

so that was carter bouchard who is now a

174

00:06:17,350 --> 00:06:15,680

member of the fans of monsters 14

175

00:06:21,510 --> 00:06:17,360

research team

176  
00:06:23,510 --> 00:06:21,520  
and uh he's also with dfro and he's done

177  
00:06:24,550 --> 00:06:23,520  
many investigations with them over the

178  
00:06:27,749 --> 00:06:24,560  
years

179  
00:06:31,110 --> 00:06:27,759  
so um occasionally he's gonna do an

180  
00:06:33,749 --> 00:06:31,120  
audio report of his uh from his

181  
00:06:37,270 --> 00:06:33,759  
sasquatch investigations

182  
00:06:39,189 --> 00:06:37,280  
so we appreciate that so tonight

183  
00:06:41,590 --> 00:06:39,199  
i welcome paranormal researcher

184  
00:06:43,110 --> 00:06:41,600  
investigator and author dave spansks to

185  
00:06:44,790 --> 00:06:43,120  
arcane radio

186  
00:06:46,830 --> 00:06:44,800  
now dave has been researching and

187  
00:06:49,990 --> 00:06:46,840  
investigating the paranormal since

188  
00:06:51,749 --> 00:06:50,000

1986 due to several experiments he had

189

00:06:53,909 --> 00:06:51,759

as a young man

190

00:06:55,830 --> 00:06:53,919

since that time he has conducted several

191

00:06:59,029 --> 00:06:55,840

hundred investigations

192

00:06:59,749 --> 00:06:59,039

in the u.s as well as europe dave served

193

00:07:01,830 --> 00:06:59,759

in the u.s

194

00:07:04,309 --> 00:07:01,840

air force for eight years and went on to

195

00:07:07,510 --> 00:07:04,319

work as a federal law enforcement

196

00:07:09,990 --> 00:07:07,520

officer retiring in 2011.

197

00:07:12,309 --> 00:07:10,000

dave has been seen on many television

198

00:07:15,270 --> 00:07:12,319

programs including expedition x

199

00:07:16,469 --> 00:07:15,280

terror in the woods paranormal 911 the

200

00:07:18,390 --> 00:07:16,479

unexplained

201  
00:07:21,189 --> 00:07:18,400  
in search of monsters in these woods are

202  
00:07:23,350 --> 00:07:21,199  
haunted to name a few

203  
00:07:25,350 --> 00:07:23,360  
he's also featured in the film flatwoods

204  
00:07:28,230 --> 00:07:25,360  
monster legacy of fear

205  
00:07:29,189 --> 00:07:28,240  
by small town monsters dave often a

206  
00:07:31,350 --> 00:07:29,199  
featured

207  
00:07:33,270 --> 00:07:31,360  
guest speaker at paranormal conferences

208  
00:07:35,350 --> 00:07:33,280  
around the country

209  
00:07:38,550 --> 00:07:35,360  
he is also an author on topics that

210  
00:07:40,710 --> 00:07:38,560  
include cryptids hauntings and ufology

211  
00:07:41,589 --> 00:07:40,720  
releasing his first book west virginia

212  
00:07:44,629 --> 00:07:41,599  
bigfoot

213  
00:07:46,550 --> 00:07:44,639

in 2018 and was featured in the highly

214

00:07:49,029 --> 00:07:46,560

successful wood knock series

215

00:07:50,710 --> 00:07:49,039

by david weatherly dave is also the

216

00:07:51,909 --> 00:07:50,720

co-founder of the society of the

217

00:07:54,150 --> 00:07:51,919

supernatural

218

00:07:55,670 --> 00:07:54,160

with his colleague investigator dave

219

00:07:59,629 --> 00:07:55,680

weatherly

220

00:08:04,710 --> 00:08:01,830

davespanxparanormalinvestigator.com

221

00:08:07,029 --> 00:08:04,720

so dave thanks for coming on the show

222

00:08:09,189 --> 00:08:07,039

hey man thanks for having me as usual

223

00:08:11,189 --> 00:08:09,199

appreciate it we hadn't talked back for

224

00:08:14,950 --> 00:08:11,199

a couple years i imagine

225

00:08:16,550 --> 00:08:14,960

yeah so let you catch up and tell us

226

00:08:18,550 --> 00:08:16,560

what you've been up to and what's what's

227

00:08:21,029 --> 00:08:18,560

going to be going on soon with you

228

00:08:22,150 --> 00:08:21,039

oh man a lot of stuff in the works you

229

00:08:24,230 --> 00:08:22,160

know with this

230

00:08:26,309 --> 00:08:24,240

whole covert thing it's kind of slowed

231

00:08:29,990 --> 00:08:26,319

the conference circuits down to a small

232

00:08:32,230 --> 00:08:30,000

dribble so to speak so you know

233

00:08:33,990 --> 00:08:32,240

uh i i miss that part getting out and

234

00:08:35,589 --> 00:08:34,000

meeting people and getting to hear their

235

00:08:37,750 --> 00:08:35,599

stories and their experiences

236

00:08:39,670 --> 00:08:37,760

but you know it's just the world we're

237

00:08:41,750 --> 00:08:39,680

living in right now unfortunately but

238

00:08:44,470 --> 00:08:41,760

other than that you know i'm still

239

00:08:45,509 --> 00:08:44,480

pumping away on books and uh i got a new

240

00:08:47,030 --> 00:08:45,519

project that i

241

00:08:49,269 --> 00:08:47,040

am working with a friend of mine named

242

00:08:50,070 --> 00:08:49,279

billy lewis called orange street films

243

00:08:53,110 --> 00:08:50,080

it's a

244

00:08:54,949 --> 00:08:53,120

called the scare network dot tv

245

00:08:56,710 --> 00:08:54,959

it's a new streaming service where we're

246

00:08:58,870 --> 00:08:56,720

going to be featuring uh

247

00:09:00,550 --> 00:08:58,880

there he's a horror filmmaker so he's

248

00:09:01,990 --> 00:09:00,560

going to have some horror folks on there

249

00:09:03,910 --> 00:09:02,000

some horror films and we're going to

250

00:09:04,790 --> 00:09:03,920

feature a lot of real paranormal folks

251  
00:09:07,430 --> 00:09:04,800  
on there

252  
00:09:08,470 --> 00:09:07,440  
including myself uh where we're gonna go

253  
00:09:10,790 --> 00:09:08,480  
out and we're gonna

254  
00:09:12,949 --> 00:09:10,800  
share people's documentaries their you

255  
00:09:13,910 --> 00:09:12,959  
know their footage their experiences

256  
00:09:16,630 --> 00:09:13,920  
will be a weekly

257  
00:09:18,230 --> 00:09:16,640  
a little weekly podcast on there uh

258  
00:09:19,910 --> 00:09:18,240  
where he's interviewing various folks

259  
00:09:21,829 --> 00:09:19,920  
from the horror realm plus

260  
00:09:23,190 --> 00:09:21,839  
you know real supernatural and and

261  
00:09:25,910 --> 00:09:23,200  
paranormal realms

262  
00:09:26,790 --> 00:09:25,920  
of all sorts we're talking cryptids ufos

263  
00:09:31,110 --> 00:09:26,800

and uh

264

00:09:31,590 --> 00:09:31,120

other paranormal investigators on there

265

00:09:33,430 --> 00:09:31,600

as well

266

00:09:34,790 --> 00:09:33,440

uh once it gets up and running it's a

267

00:09:36,470 --> 00:09:34,800

streaming network so it will be

268

00:09:38,550 --> 00:09:36,480

subscription based

269

00:09:39,670 --> 00:09:38,560

um and there's right now we're filming a

270

00:09:42,949 --> 00:09:39,680

ton of content on

271

00:09:45,350 --> 00:09:42,959

you know for it so it's exciting because

272

00:09:47,190 --> 00:09:45,360

um we get to do what we really do and

273

00:09:49,190 --> 00:09:47,200

there's no production company involved

274

00:09:50,230 --> 00:09:49,200

there's no tv people involved it's just

275

00:09:52,310 --> 00:09:50,240

the real

276  
00:09:54,070 --> 00:09:52,320  
boots on the ground type investigators

277  
00:09:56,389 --> 00:09:54,080  
doing what we all do you know and

278  
00:09:58,790 --> 00:09:56,399  
that's what i'm most excited about and

279  
00:10:00,470 --> 00:09:58,800  
any and that's the way tv's going anyway

280  
00:10:02,710 --> 00:10:00,480  
they're moving everything to discovery

281  
00:10:04,710 --> 00:10:02,720  
plus all these paranormal shows

282  
00:10:05,910 --> 00:10:04,720  
so why not do it ourselves and do it the

283  
00:10:07,350 --> 00:10:05,920  
right way that's what i'm you know

284  
00:10:09,670 --> 00:10:07,360  
that's what i'm excited about

285  
00:10:11,590 --> 00:10:09,680  
so that's what we're doing and uh we got

286  
00:10:13,350 --> 00:10:11,600  
our first documentary film that's being

287  
00:10:16,069 --> 00:10:13,360  
put together right now and it's a

288  
00:10:17,990 --> 00:10:16,079

it's called malefice and it's a it's an

289

00:10:19,750 --> 00:10:18,000

investigation that me and my partner

290

00:10:21,509 --> 00:10:19,760

you know guy i work with a lot too sean

291

00:10:23,829 --> 00:10:21,519

austin who was featured on ghost loop

292

00:10:25,670 --> 00:10:23,839

and the demon files with ralph sarchie

293

00:10:27,509 --> 00:10:25,680

will the short long and short of it is

294

00:10:29,670 --> 00:10:27,519

we did an investigation

295

00:10:31,110 --> 00:10:29,680

five years ago at this place you know

296

00:10:31,990 --> 00:10:31,120

routine investigation one of the

297

00:10:34,389 --> 00:10:32,000

commercial

298

00:10:36,389 --> 00:10:34,399

spots and lo and behold the place we

299

00:10:38,389 --> 00:10:36,399

were staying in across the street

300

00:10:40,230 --> 00:10:38,399

turned out to have some really really

301  
00:10:43,269 --> 00:10:40,240  
bad negative activity and then we found

302  
00:10:45,910 --> 00:10:43,279  
out some history about the property and

303  
00:10:48,310 --> 00:10:45,920  
lo and behold basically it has been

304  
00:10:48,949 --> 00:10:48,320  
following sean for the last five years

305  
00:10:51,269 --> 00:10:48,959  
and we

306  
00:10:53,030 --> 00:10:51,279  
actually picked this thing up on at

307  
00:10:54,630 --> 00:10:53,040  
other locations that we've been at over

308  
00:10:56,069 --> 00:10:54,640  
the last five years

309  
00:10:57,750 --> 00:10:56,079  
and it's got to the point where it's

310  
00:11:00,630 --> 00:10:57,760  
affecting his life

311  
00:11:02,550 --> 00:11:00,640  
negatively so uh we got with his mentor

312  
00:11:04,150 --> 00:11:02,560  
ralph sarchie ralph sartre performed a

313  
00:11:06,790 --> 00:11:04,160

minor right on him

314

00:11:08,630 --> 00:11:06,800

and uh we went back and uh pretty much

315

00:11:10,470 --> 00:11:08,640

did a full-blown exorcism because he is

316

00:11:11,750 --> 00:11:10,480

a demonologist trained by ralph sargie

317

00:11:13,590 --> 00:11:11,760

now you know he's been training under

318

00:11:15,430 --> 00:11:13,600

him for several years

319

00:11:17,269 --> 00:11:15,440

and uh we went back and filmed it all

320

00:11:19,829 --> 00:11:17,279

and got some crazy just

321

00:11:21,350 --> 00:11:19,839

crazy stuff um and we're excited to

322

00:11:21,750 --> 00:11:21,360

share that with everybody you know on

323

00:11:25,430 --> 00:11:21,760

the new

324

00:11:27,110 --> 00:11:25,440

scare network tv so it's it's exciting

325

00:11:28,630 --> 00:11:27,120

stuff and it's one of those

326

00:11:30,069 --> 00:11:28,640

you know it's it's kind of like we talk

327

00:11:30,710 --> 00:11:30,079

about you know we've talked about it i

328

00:11:32,389 --> 00:11:30,720

think before

329

00:11:34,230 --> 00:11:32,399

one where sometimes when you're

330

00:11:35,430 --> 00:11:34,240

investigating these hauntings you never

331

00:11:37,829 --> 00:11:35,440

know what's going to happen

332

00:11:40,389 --> 00:11:37,839

and you know you know they can be quite

333

00:11:42,150 --> 00:11:40,399

literally dangerous at some points and

334

00:11:44,550 --> 00:11:42,160

that's pretty much what we got into on

335

00:11:46,870 --> 00:11:44,560

this one and it affected him

336

00:11:48,069 --> 00:11:46,880

very negatively you know over this last

337

00:11:50,069 --> 00:11:48,079

five years and it's

338

00:11:51,670 --> 00:11:50,079

come through at other locations since

339

00:11:53,590 --> 00:11:51,680

that time when we've been investigating

340

00:11:54,949 --> 00:11:53,600

the same voice same person

341

00:11:56,949 --> 00:11:54,959

well i wouldn't call it a person i'd

342

00:11:57,910 --> 00:11:56,959

call it a negative entity of some sort

343

00:12:00,550 --> 00:11:57,920

so

344

00:12:01,110 --> 00:12:00,560

um you know and then uh another exciting

345

00:12:03,430 --> 00:12:01,120

uh

346

00:12:04,870 --> 00:12:03,440

project i have going was with you know

347

00:12:07,110 --> 00:12:04,880

our good friend david weatherly you've

348

00:12:09,910 --> 00:12:07,120

had him on your show many times

349

00:12:10,949 --> 00:12:09,920

uh it's a it's a documentary on a

350

00:12:13,590 --> 00:12:10,959

location

351

00:12:14,790 --> 00:12:13,600

i can't spill the beans uh yet but that

352

00:12:17,509 --> 00:12:14,800

no one's ever done

353

00:12:19,430 --> 00:12:17,519

very historical it has to do with uh

354

00:12:20,310 --> 00:12:19,440

outlaws in the fbi that's all i'll tell

355

00:12:23,750 --> 00:12:20,320

you about it

356

00:12:27,030 --> 00:12:23,760

that project is all done um and it'll be

357

00:12:28,629 --> 00:12:27,040

coming out real soon too so uh got some

358

00:12:30,389 --> 00:12:28,639

phenomenal evidence there too and we

359

00:12:31,829 --> 00:12:30,399

filmed that one two years ago and it's

360

00:12:33,430 --> 00:12:31,839

finally done you know

361

00:12:34,949 --> 00:12:33,440

a lot of times these things take a lot

362

00:12:35,350 --> 00:12:34,959

of time to get put together the right

363

00:12:38,870 --> 00:12:35,360

way

364

00:12:40,790 --> 00:12:38,880

so you know what it is

365

00:12:42,550 --> 00:12:40,800

yeah i understand completely got some

366

00:12:44,150 --> 00:12:42,560

books coming out you know i'm continuing

367

00:12:45,750 --> 00:12:44,160

my real west virginia haunted series

368

00:12:46,710 --> 00:12:45,760

i'll have books two and three out of

369

00:12:49,350 --> 00:12:46,720

that this year

370

00:12:50,230 --> 00:12:49,360

got a brand new bigfoot book coming out

371

00:12:53,750 --> 00:12:50,240

uh

372

00:12:56,069 --> 00:12:53,760

coming out so

373

00:12:57,190 --> 00:12:56,079

uh probably have three to four books out

374

00:12:58,710 --> 00:12:57,200

this year alone

375

00:13:00,550 --> 00:12:58,720

because with this last year no

376

00:13:02,310 --> 00:13:00,560

conferences man i had all kind of time

377

00:13:04,790 --> 00:13:02,320

to finish up projects so

378

00:13:06,629 --> 00:13:04,800

yeah sounds like it yeah yeah i

379

00:13:09,269 --> 00:13:06,639

understand what you're saying about

380

00:13:11,350 --> 00:13:09,279

you know doing an investigation and

381

00:13:11,750 --> 00:13:11,360

something negative comes in the picture

382

00:13:14,230 --> 00:13:11,760

and

383

00:13:16,310 --> 00:13:14,240

occasionally somebody will get an

384

00:13:19,269 --> 00:13:16,320

attachment and it'll follow around

385

00:13:21,110 --> 00:13:19,279

and uh yeah i've seen it i mean you know

386

00:13:24,150 --> 00:13:21,120

it does happen

387

00:13:26,870 --> 00:13:24,160

so that's unfortunate but if it's taken

388

00:13:28,150 --> 00:13:26,880

care of i guess it's it's pretty good

389

00:13:30,230 --> 00:13:28,160

you might have got some pretty good

390

00:13:32,870 --> 00:13:30,240

video out there good care of it that's

391

00:13:37,269 --> 00:13:32,880

the thing you know you never know

392

00:13:40,949 --> 00:13:37,279

until later on down the road so yeah

393

00:13:42,870 --> 00:13:40,959

so um you were involved

394

00:13:44,150 --> 00:13:42,880

with and you know i had never talked to

395

00:13:47,590 --> 00:13:44,160

you about this though

396

00:13:50,710 --> 00:13:47,600

it happened over two years ago was the

397

00:13:52,629 --> 00:13:50,720

wills weep investigation

398

00:13:53,990 --> 00:13:52,639

why don't you talk us talk to us a bit

399

00:13:56,230 --> 00:13:54,000

about that

400

00:13:57,990 --> 00:13:56,240

and the location some of the history

401  
00:13:59,829 --> 00:13:58,000  
behind it because uh

402  
00:14:01,670 --> 00:13:59,839  
you know i can't i can't read and look

403  
00:14:03,590 --> 00:14:01,680  
at everything and i missed this one

404  
00:14:05,430 --> 00:14:03,600  
completely

405  
00:14:07,829 --> 00:14:05,440  
well willow's weave is just one of those

406  
00:14:09,590 --> 00:14:07,839  
things um you know you know how we hear

407  
00:14:11,990 --> 00:14:09,600  
through the paranormal grapevine i call

408  
00:14:13,990 --> 00:14:12,000  
it about these haunted locations oh man

409  
00:14:16,150 --> 00:14:14,000  
you got to go here we went there and we

410  
00:14:17,750 --> 00:14:16,160  
we got this that and the other so i

411  
00:14:19,670 --> 00:14:17,760  
heard about the house

412  
00:14:22,710 --> 00:14:19,680  
i think i went back the first time i was

413  
00:14:25,030 --> 00:14:22,720

there was probably 2014.

414

00:14:27,030 --> 00:14:25,040

i heard about it i had saw an

415

00:14:27,750 --> 00:14:27,040

investigation the foreman brothers did

416

00:14:29,509 --> 00:14:27,760

there

417

00:14:30,949 --> 00:14:29,519

uh and then i you know i re i knew those

418

00:14:32,069 --> 00:14:30,959

guys so i talked to them about and they

419

00:14:33,750 --> 00:14:32,079

said man it was

420

00:14:35,269 --> 00:14:33,760

to them according to them it was off the

421

00:14:36,790 --> 00:14:35,279

chain and they had some really profound

422

00:14:38,949 --> 00:14:36,800

experiences

423

00:14:40,790 --> 00:14:38,959

and they did capture some phenomenal a

424

00:14:42,710 --> 00:14:40,800

couple of pictures and stuff that

425

00:14:44,230 --> 00:14:42,720

that would blow you away so of course

426  
00:14:45,990 --> 00:14:44,240  
through the grapevine i ended up going

427  
00:14:47,590 --> 00:14:46,000  
there and investigating it and

428  
00:14:50,790 --> 00:14:47,600  
first time i was there has a couple of

429  
00:14:52,389 --> 00:14:50,800  
real really weird things happen like

430  
00:14:54,230 --> 00:14:52,399  
i was standing there and something hit

431  
00:14:55,990 --> 00:14:54,240  
underneath the floor really hard

432  
00:14:57,590 --> 00:14:56,000  
so hard in fact that it almost like

433  
00:14:58,069 --> 00:14:57,600  
lifted me up a little bit it was just

434  
00:15:01,350 --> 00:14:58,079  
loud

435  
00:15:02,710 --> 00:15:01,360  
bang and then this burst of frigid cold

436  
00:15:03,590 --> 00:15:02,720  
air went right through me and it felt

437  
00:15:05,750 --> 00:15:03,600  
like it came from

438  
00:15:06,790 --> 00:15:05,760

under the house up through me is really

439

00:15:09,110 --> 00:15:06,800

bizarre

440

00:15:11,110 --> 00:15:09,120

uh and then the standard the standard

441

00:15:12,470 --> 00:15:11,120

battery drain happened numerous pieces

442

00:15:15,509 --> 00:15:12,480

of equipment going off

443

00:15:17,750 --> 00:15:15,519

um disembodied voices evps had pretty

444

00:15:20,389 --> 00:15:17,760

much the whole gambit besides

445

00:15:22,150 --> 00:15:20,399

barring any kind of apparition uh

446

00:15:23,829 --> 00:15:22,160

captures or anything like that

447

00:15:25,509 --> 00:15:23,839

so i said man i gotta and i had a

448

00:15:27,590 --> 00:15:25,519

limited time the first time i went there

449

00:15:29,110 --> 00:15:27,600

so i came back again

450

00:15:30,470 --> 00:15:29,120

and then it was about the same you know

451  
00:15:31,269 --> 00:15:30,480  
and it got a little and then i started

452  
00:15:32,710 --> 00:15:31,279  
seeing uh

453  
00:15:34,790 --> 00:15:32,720  
the second time i was there i saw some

454  
00:15:36,629 --> 00:15:34,800  
weird shadow play uh

455  
00:15:39,430 --> 00:15:36,639  
captured some really crazy light

456  
00:15:41,749 --> 00:15:39,440  
anomalies on on the full spectrum camera

457  
00:15:42,550 --> 00:15:41,759  
and so on and so forth then as the years

458  
00:15:44,629 --> 00:15:42,560  
went by

459  
00:15:46,310 --> 00:15:44,639  
i kind of went back several more times

460  
00:15:47,829 --> 00:15:46,320  
and you know ran the whole gamut

461  
00:15:49,509 --> 00:15:47,839  
start talking to all kinds of other

462  
00:15:51,509 --> 00:15:49,519  
investigators

463  
00:15:52,629 --> 00:15:51,519

well it's been a while since i've been

464

00:15:55,350 --> 00:15:52,639

there and

465

00:15:57,590 --> 00:15:55,360

back in 2007 i had become friends with

466

00:16:00,150 --> 00:15:57,600

the owner then her name was brenda

467

00:16:01,829 --> 00:16:00,160

by that time and she reached out to me

468

00:16:03,430 --> 00:16:01,839

one day out of the clear blue and said

469

00:16:04,949 --> 00:16:03,440

hey dave um

470

00:16:07,269 --> 00:16:04,959

me and my husband are done with this

471

00:16:08,790 --> 00:16:07,279

house and

472

00:16:12,389 --> 00:16:08,800

we you know we feel that it's trying to

473

00:16:14,069 --> 00:16:12,399

kill us multiple times do you want it

474

00:16:15,269 --> 00:16:14,079

and i was kind of taken back while i was

475

00:16:16,069 --> 00:16:15,279

like what do you mean do i want she goes

476

00:16:17,829 --> 00:16:16,079

well

477

00:16:19,350 --> 00:16:17,839

i only trust you and one other person

478

00:16:20,870 --> 00:16:19,360

another person i already talked to said

479

00:16:22,629 --> 00:16:20,880

they can't do it they're just not in a

480

00:16:24,150 --> 00:16:22,639

position to do it and i want to sell it

481

00:16:25,430 --> 00:16:24,160

to you if you want

482

00:16:27,829 --> 00:16:25,440

and i said i don't know brenda i mean

483

00:16:29,430 --> 00:16:27,839

that place is pretty negative you know

484

00:16:32,069 --> 00:16:29,440

let me think about it so i took about

485

00:16:33,509 --> 00:16:32,079

three or four days and i said well

486

00:16:35,990 --> 00:16:33,519

you know what better chance as an

487

00:16:37,990 --> 00:16:36,000

investigator would i have to own my own

488

00:16:39,030 --> 00:16:38,000

paranormal laboratory so to speak you

489

00:16:41,430 --> 00:16:39,040

know so

490

00:16:43,110 --> 00:16:41,440

we can let other investigators in we can

491

00:16:45,030 --> 00:16:43,120

document things and that's what i ended

492

00:16:46,629 --> 00:16:45,040

up doing i bought it from her

493

00:16:49,350 --> 00:16:46,639

and that's what i've been doing it with

494

00:16:50,389 --> 00:16:49,360

it since and some really bizarre things

495

00:16:52,949 --> 00:16:50,399

that happened

496

00:16:54,710 --> 00:16:52,959

at this property to even modern day

497

00:16:56,150 --> 00:16:54,720

people you know investigators i had this

498

00:16:57,670 --> 00:16:56,160

one woman her name was michelle

499

00:16:59,269 --> 00:16:57,680

fitzpatrick you don't know if you guys

500

00:17:01,269 --> 00:16:59,279

know who she is

501  
00:17:02,790 --> 00:17:01,279  
but she was prior law enforcement pretty

502  
00:17:04,470 --> 00:17:02,800  
well known in the paranormal not

503  
00:17:06,470 --> 00:17:04,480  
great big known but a lot of people knew

504  
00:17:08,549 --> 00:17:06,480  
who she was well she had

505  
00:17:09,990 --> 00:17:08,559  
a totally different take on this house

506  
00:17:12,870 --> 00:17:10,000  
than anyone i talked to

507  
00:17:14,309 --> 00:17:12,880  
plus what i've experienced there and she

508  
00:17:15,909 --> 00:17:14,319  
was talking to me about

509  
00:17:17,510 --> 00:17:15,919  
you know she felt that there was

510  
00:17:19,429 --> 00:17:17,520  
something interdimensional going on

511  
00:17:21,829 --> 00:17:19,439  
there was a big portal and there's all

512  
00:17:24,870 --> 00:17:21,839  
kinds of stuff going in and out right

513  
00:17:25,270 --> 00:17:24,880

and i said well you know uh i had called

514

00:17:26,870 --> 00:17:25,280

her

515

00:17:28,390 --> 00:17:26,880

you know because uh she reached out to

516

00:17:31,110 --> 00:17:28,400

me through a mutual mutual

517

00:17:32,470 --> 00:17:31,120

friend barry gaunt and she said i want

518

00:17:34,630 --> 00:17:32,480

to talk to you about the house that you

519

00:17:37,669 --> 00:17:34,640

since you own it now so

520

00:17:38,789 --> 00:17:37,679

i called her up and um we got the

521

00:17:40,710 --> 00:17:38,799

talking and she said

522

00:17:42,710 --> 00:17:40,720

and i said well hey listen i want to

523

00:17:43,590 --> 00:17:42,720

talk to you more but i got i'm leaving

524

00:17:45,270 --> 00:17:43,600

to an event

525

00:17:46,950 --> 00:17:45,280

this week and i'm leaving tomorrow

526

00:17:48,950 --> 00:17:46,960

matter of fact and

527

00:17:50,630 --> 00:17:48,960

she said good because she had a whole

528

00:17:52,470 --> 00:17:50,640

bunch of things that she her evidence

529

00:17:55,110 --> 00:17:52,480

that she wanted to give to me

530

00:17:56,630 --> 00:17:55,120

and uh she said we'll meet up you know

531

00:17:58,070 --> 00:17:56,640

on the phone we'll get i'll get back in

532

00:17:59,590 --> 00:17:58,080

touch with you next week when you get

533

00:18:04,150 --> 00:17:59,600

back i said okay

534

00:18:05,590 --> 00:18:04,160

so tuesday came the next week and i

535

00:18:07,110 --> 00:18:05,600

didn't hear back from her so i waited a

536

00:18:10,390 --> 00:18:07,120

couple days and i called her

537

00:18:13,029 --> 00:18:10,400

and no answer you know no answer

538

00:18:14,150 --> 00:18:13,039

and uh then i jumped on our facebook

539

00:18:16,549 --> 00:18:14,160

page because i was going to send her a

540

00:18:18,390 --> 00:18:16,559

message and all i saw on her facebook

541

00:18:19,350 --> 00:18:18,400

page was all these oh my god i can't

542

00:18:21,750 --> 00:18:19,360

believe it

543

00:18:23,350 --> 00:18:21,760

uh rest in peace michelle and all this

544

00:18:26,549 --> 00:18:23,360

crazy stuff

545

00:18:28,230 --> 00:18:26,559

and found out she had died at um

546

00:18:29,669 --> 00:18:28,240

two o'clock in the morning the night

547

00:18:30,549 --> 00:18:29,679

before i was supposed to get in touch

548

00:18:32,630 --> 00:18:30,559

with her

549

00:18:34,070 --> 00:18:32,640

her daughter found her deceased in her

550

00:18:36,549 --> 00:18:34,080

house and

551  
00:18:38,549 --> 00:18:36,559  
with no apparent it's still nobody knows

552  
00:18:39,190 --> 00:18:38,559  
why she died how she died like they're

553  
00:18:44,070 --> 00:18:39,200  
not

554  
00:18:45,430 --> 00:18:44,080  
only medical problems i knew she had

555  
00:18:47,270 --> 00:18:45,440  
that i knew because she had

556  
00:18:48,870 --> 00:18:47,280  
injured back from law enforcement stuff

557  
00:18:50,549 --> 00:18:48,880  
and that's the only thing we know

558  
00:18:52,710 --> 00:18:50,559  
and nobody can find out any difference

559  
00:18:53,669 --> 00:18:52,720  
so you know coincidental maybe

560  
00:18:56,549 --> 00:18:53,679  
coincidental yes

561  
00:18:58,549 --> 00:18:56,559  
who knows but it's kind of just fishy

562  
00:18:59,669 --> 00:18:58,559  
out of nowhere i got talking to her and

563  
00:19:01,350 --> 00:18:59,679

then boom

564

00:19:02,950 --> 00:19:01,360

you know the day before i'm supposed to

565

00:19:06,390 --> 00:19:02,960

talk to her again

566

00:19:08,549 --> 00:19:06,400

she's no longer with us um so

567

00:19:09,990 --> 00:19:08,559

you know that's just one crazy thing and

568

00:19:12,390 --> 00:19:10,000

i just it was so bizarre

569

00:19:13,990 --> 00:19:12,400

because she had a totally different

570

00:19:15,909 --> 00:19:14,000

outlook on this house than any other

571

00:19:17,750 --> 00:19:15,919

investigator and

572

00:19:19,990 --> 00:19:17,760

maybe she was hitting on something that

573

00:19:21,830 --> 00:19:20,000

nobody else did and it was

574

00:19:24,070 --> 00:19:21,840

maybe hitting the nail on the head so to

575

00:19:25,270 --> 00:19:24,080

speak and whatever this negative entity

576

00:19:27,110 --> 00:19:25,280

that's in that house

577

00:19:28,549 --> 00:19:27,120

decided no you're not going to tell that

578

00:19:29,510 --> 00:19:28,559

i don't know you know you just never

579

00:19:33,110 --> 00:19:29,520

know but

580

00:19:35,590 --> 00:19:33,120

anyway i ended up buying the house um

581

00:19:37,029 --> 00:19:35,600

and started letting people go in you

582

00:19:38,630 --> 00:19:37,039

know brenda was doing the same thing

583

00:19:41,830 --> 00:19:38,640

because she wanted answers too

584

00:19:44,710 --> 00:19:41,840

the house was built in 1890 i found out

585

00:19:45,350 --> 00:19:44,720

just not too long ago by a 32nd degree

586

00:19:47,110 --> 00:19:45,360

mason

587

00:19:49,750 --> 00:19:47,120

that the house was definitely built by

588

00:19:51,909 --> 00:19:49,760

the mason's formation

589

00:19:53,669 --> 00:19:51,919

i knew there was some masonic symbology

590

00:19:54,710 --> 00:19:53,679

in this house but i didn't know to the

591

00:19:56,870 --> 00:19:54,720

extent

592

00:19:58,950 --> 00:19:56,880

so and he took pictures of it when he

593

00:19:59,590 --> 00:19:58,960

was in with his group and told me all

594

00:20:02,070 --> 00:19:59,600

about it

595

00:20:03,110 --> 00:20:02,080

he said well he said you see that you

596

00:20:05,590 --> 00:20:03,120

know there's

597

00:20:07,110 --> 00:20:05,600

triangles above every door and mind you

598

00:20:08,630 --> 00:20:07,120

this house is built in the shape of a

599

00:20:11,190 --> 00:20:08,640

cross which is really bizarre

600

00:20:11,669 --> 00:20:11,200

okay but if you think about the templar

601  
00:20:13,830 --> 00:20:11,679  
knights

602  
00:20:15,350 --> 00:20:13,840  
that was one of their insignia was you

603  
00:20:18,149 --> 00:20:15,360  
know the templar cross

604  
00:20:18,950 --> 00:20:18,159  
even though it had double crosses it had

605  
00:20:22,149 --> 00:20:18,960  
double

606  
00:20:22,950 --> 00:20:22,159  
lines across the normal cross but every

607  
00:20:26,230 --> 00:20:22,960  
it had four

608  
00:20:28,310 --> 00:20:26,240  
entrances and exits okay above each

609  
00:20:30,390 --> 00:20:28,320  
entrance and exit of this house was a

610  
00:20:30,870 --> 00:20:30,400  
was a triangle built into the structure

611  
00:20:34,950 --> 00:20:30,880  
which is

612  
00:20:37,669 --> 00:20:34,960  
really bizarre um then

613  
00:20:38,630 --> 00:20:37,679

on every doorway there are the temples

614

00:20:41,590 --> 00:20:38,640

of solomon

615

00:20:41,909 --> 00:20:41,600

uh carved into the you know the trim

616

00:20:44,549 --> 00:20:41,919

with

617

00:20:46,630 --> 00:20:44,559

the and it's turned sideways so a

618

00:20:49,110 --> 00:20:46,640

non-masonic member would not really

619

00:20:50,870 --> 00:20:49,120

recognize it um he sent me the

620

00:20:51,750 --> 00:20:50,880

literature on it and showed me exactly

621

00:20:54,070 --> 00:20:51,760

what it was

622

00:20:55,350 --> 00:20:54,080

it matched up perfectly and i was like

623

00:20:57,350 --> 00:20:55,360

whoa okay

624

00:20:59,270 --> 00:20:57,360

and there's some other things with mason

625

00:21:01,110 --> 00:20:59,280

masons in that in that house too

626

00:21:03,029 --> 00:21:01,120

he was looking up information trying to

627

00:21:03,669 --> 00:21:03,039

find out if it was either a secret

628

00:21:08,149 --> 00:21:03,679

temple

629

00:21:08,870 --> 00:21:08,159

back because it was built in 1890 you

630

00:21:11,270 --> 00:21:08,880

know

631

00:21:12,870 --> 00:21:11,280

but can't find anything on it even

632

00:21:13,830 --> 00:21:12,880

though there's definitely masonic

633

00:21:15,510 --> 00:21:13,840

symbology

634

00:21:16,950 --> 00:21:15,520

could've been just he was a mason and he

635

00:21:18,470 --> 00:21:16,960

wanted that in his house could have been

636

00:21:20,950 --> 00:21:18,480

as simple as that

637

00:21:21,909 --> 00:21:20,960

so if you picture a cross in your mind

638

00:21:24,470 --> 00:21:21,919

here's the top

639

00:21:25,029 --> 00:21:24,480

goes like this comes down right in every

640

00:21:26,549 --> 00:21:25,039

corner

641

00:21:28,549 --> 00:21:26,559

there was a doorway in the initial

642

00:21:30,149 --> 00:21:28,559

building of the structure above each one

643

00:21:30,549 --> 00:21:30,159

of those doors there's a three-sided you

644

00:21:32,789 --> 00:21:30,559

know

645

00:21:33,830 --> 00:21:32,799

triangle all pointing to the middle of

646

00:21:35,510 --> 00:21:33,840

the cross

647

00:21:36,950 --> 00:21:35,520

now another bizarre feature of this

648

00:21:40,870 --> 00:21:36,960

house is underneath

649

00:21:43,190 --> 00:21:40,880

it has a a freaking fire pit dug

650

00:21:44,870 --> 00:21:43,200

in the crawl space which i still can't

651  
00:21:46,470 --> 00:21:44,880  
wrap my mind around why in the hell

652  
00:21:48,549 --> 00:21:46,480  
somebody would build a crawl space under

653  
00:21:51,990 --> 00:21:48,559  
the house or a fire pit

654  
00:21:53,270 --> 00:21:52,000  
um the fire pit has um granite rock

655  
00:21:55,270 --> 00:21:53,280  
around it just like you see at a

656  
00:21:57,190 --> 00:21:55,280  
campfire and in that pit there are still

657  
00:22:00,710 --> 00:21:57,200  
ashes to this day

658  
00:22:02,870 --> 00:22:00,720  
another strange aspect to the house was

659  
00:22:04,870 --> 00:22:02,880  
um after brenda bought it he bought it

660  
00:22:06,310 --> 00:22:04,880  
for her son to get started in life

661  
00:22:08,470 --> 00:22:06,320  
and help him out you know it was a real

662  
00:22:09,750 --> 00:22:08,480  
cheap uh and that was because the last

663  
00:22:11,270 --> 00:22:09,760

person that lived in the house

664

00:22:12,950 --> 00:22:11,280

killed himself he shot himself in the

665

00:22:14,390 --> 00:22:12,960

head but

666

00:22:17,029 --> 00:22:14,400

as they were doing construction trying

667

00:22:19,110 --> 00:22:17,039

to get this house ready for her son

668

00:22:22,070 --> 00:22:19,120

she reported and the workers reported

669

00:22:23,669 --> 00:22:22,080

that tools would fly across the room

670

00:22:25,110 --> 00:22:23,679

they would turn on even some of them

671

00:22:27,110 --> 00:22:25,120

sometimes when they weren't plugged in

672

00:22:29,430 --> 00:22:27,120

you know your typical paranormal type of

673

00:22:31,190 --> 00:22:29,440

activity well the first time she walked

674

00:22:33,190 --> 00:22:31,200

into the house the son that was selling

675

00:22:33,909 --> 00:22:33,200

it to her of the last man that died in

676

00:22:36,070 --> 00:22:33,919

the house

677

00:22:38,390 --> 00:22:36,080

wouldn't go in and she didn't know why

678

00:22:41,190 --> 00:22:38,400

well they walked in looked around

679

00:22:41,590 --> 00:22:41,200

and she said uh i think it was a piece

680

00:22:43,990 --> 00:22:41,600

of

681

00:22:45,830 --> 00:22:44,000

metal pipe or wood flew from the other

682

00:22:47,270 --> 00:22:45,840

wall and smacked her son right ahead and

683

00:22:48,789 --> 00:22:47,280

cut him on the forehead right off the

684

00:22:50,310 --> 00:22:48,799

get-go the first time they ever walked

685

00:22:53,990 --> 00:22:50,320

into it

686

00:22:56,630 --> 00:22:54,000

but um so there's were after that

687

00:22:58,390 --> 00:22:56,640

time they had to uh who up they had a a

688

00:23:00,470 --> 00:22:58,400

new laminate floor over the original

689

00:23:01,270 --> 00:23:00,480

floor from 1890 the original floor's

690

00:23:03,350 --> 00:23:01,280

still in there but

691

00:23:05,270 --> 00:23:03,360

someone had put a new floor in it well

692

00:23:06,070 --> 00:23:05,280

it was all hooved up from moisture so

693

00:23:10,230 --> 00:23:06,080

they

694

00:23:13,430 --> 00:23:10,240

one corner of

695

00:23:14,950 --> 00:23:13,440

one room they found a weird pamphlet

696

00:23:17,669 --> 00:23:14,960

that says

697

00:23:19,350 --> 00:23:17,679

it's from the church of god okay on the

698

00:23:21,430 --> 00:23:19,360

front of this pamphlet

699

00:23:22,549 --> 00:23:21,440

it's got an upside down pentagram on

700

00:23:25,510 --> 00:23:22,559

fire and it says

701  
00:23:27,510 --> 00:23:25,520  
is the spirit world real now when you

702  
00:23:30,310 --> 00:23:27,520  
open this pamphlet up

703  
00:23:31,430 --> 00:23:30,320  
it talks about necromancy how to summon

704  
00:23:33,830 --> 00:23:31,440  
demons

705  
00:23:34,549 --> 00:23:33,840  
and all this crazy stuff i don't know

706  
00:23:36,630 --> 00:23:34,559  
about you

707  
00:23:38,390 --> 00:23:36,640  
guys but me any christian organization

708  
00:23:40,149 --> 00:23:38,400  
i've ever heard of would never publish a

709  
00:23:41,590 --> 00:23:40,159  
pamphlet talking about how to do those

710  
00:23:44,710 --> 00:23:41,600  
types of things

711  
00:23:46,870 --> 00:23:44,720  
and all that and all that sort of thing

712  
00:23:48,549 --> 00:23:46,880  
uh and i looked it up and the book was

713  
00:23:50,390 --> 00:23:48,559

published or the pamphlet was published

714

00:23:52,310 --> 00:23:50,400  
in 1985

715

00:23:53,669 --> 00:23:52,320  
and it's still available today you can

716

00:23:55,590 --> 00:23:53,679  
get it so what it is

717

00:23:57,750 --> 00:23:55,600  
is the people that are running this are

718

00:23:59,269 --> 00:23:57,760  
masquerading as a christian organization

719

00:24:02,789 --> 00:23:59,279  
and it's more or less a cult

720

00:24:04,390 --> 00:24:02,799  
okay um so i've heard i've heard of the

721

00:24:06,549 --> 00:24:04,400  
church of god before

722

00:24:07,830 --> 00:24:06,559  
and it is a cult but this ain't the real

723

00:24:09,669 --> 00:24:07,840  
church of god let me tell you

724

00:24:11,830 --> 00:24:09,679  
yeah there are a little different yeah

725

00:24:13,750 --> 00:24:11,840  
it's some weird sect of it that's into

726

00:24:15,990 --> 00:24:13,760

some weird

727

00:24:18,310 --> 00:24:16,000

so you know the original owner died in

728

00:24:19,990 --> 00:24:18,320

the house um he was also a pedophile

729

00:24:22,390 --> 00:24:20,000

he was charged in court i've got the

730

00:24:23,990 --> 00:24:22,400

paperwork said he was previously married

731

00:24:25,350 --> 00:24:24,000

and his new wife was previously married

732

00:24:27,350 --> 00:24:25,360

they both had children's from

733

00:24:28,549 --> 00:24:27,360

children from their first marriages then

734

00:24:30,630 --> 00:24:28,559

when they got married they had more

735

00:24:33,029 --> 00:24:30,640

children he actually was molesting

736

00:24:34,070 --> 00:24:33,039

one of his step-daughters he got caught

737

00:24:35,750 --> 00:24:34,080

uh they

738

00:24:38,149 --> 00:24:35,760

they charged him in court i've got the

739

00:24:38,630 --> 00:24:38,159

paperwork so he's a real piece of work

740

00:24:41,669 --> 00:24:38,640

right

741

00:24:42,870 --> 00:24:41,679

so as time went on brenda was fixing up

742

00:24:44,549 --> 00:24:42,880

this house trying they were trying to

743

00:24:46,630 --> 00:24:44,559

fix it up so she had a local guy

744

00:24:47,750 --> 00:24:46,640

doing maintenance fixing up things

745

00:24:49,350 --> 00:24:47,760

painting

746

00:24:51,269 --> 00:24:49,360

and she sent him under the house one day

747

00:24:52,630 --> 00:24:51,279

to check the pipes so

748

00:24:54,470 --> 00:24:52,640

and i'm talking i've been under this

749

00:24:56,549 --> 00:24:54,480

house man i can barely squeeze my big

750

00:24:57,990 --> 00:24:56,559

butt down in there and once once you get

751  
00:24:59,750 --> 00:24:58,000  
down in the crawl hole

752  
00:25:01,269 --> 00:24:59,760  
then it opens up to where you can kind

753  
00:25:03,669 --> 00:25:01,279  
of crawl on you almost have to belly

754  
00:25:05,510 --> 00:25:03,679  
crawl it's really low

755  
00:25:07,190 --> 00:25:05,520  
and he gets under there to check the

756  
00:25:08,230 --> 00:25:07,200  
pipes when he has to crawl over to the

757  
00:25:10,149 --> 00:25:08,240  
side of the house

758  
00:25:11,590 --> 00:25:10,159  
and he said there was these weird mounds

759  
00:25:13,269 --> 00:25:11,600  
of dirt i've actually interviewed this

760  
00:25:15,269 --> 00:25:13,279  
man and he won't do it on camera because

761  
00:25:17,590 --> 00:25:15,279  
it scared him so bad

762  
00:25:19,350 --> 00:25:17,600  
so he crawls under there and he has to

763  
00:25:21,269 --> 00:25:19,360

push the mounds of dirt out of his way

764

00:25:24,310 --> 00:25:21,279

to get to the pipes

765

00:25:27,510 --> 00:25:24,320

so as he's doing this a bone pops out

766

00:25:27,990 --> 00:25:27,520

of one of the dirt he grabs it starts

767

00:25:30,390 --> 00:25:28,000

looking at

768

00:25:31,350 --> 00:25:30,400

it and then he claimed that something

769

00:25:33,110 --> 00:25:31,360

unseen

770

00:25:34,470 --> 00:25:33,120

physically attacked him to the point

771

00:25:37,350 --> 00:25:34,480

where he couldn't move

772

00:25:37,830 --> 00:25:37,360

and it was in a sexual manner mind you

773

00:25:39,510 --> 00:25:37,840

uh

774

00:25:40,950 --> 00:25:39,520

and it was he said he fought with

775

00:25:41,990 --> 00:25:40,960

everything he could just to get out of

776

00:25:44,390 --> 00:25:42,000

he finally got free

777

00:25:45,430 --> 00:25:44,400

of whatever this thing was had to bone

778

00:25:46,870 --> 00:25:45,440

with him

779

00:25:49,110 --> 00:25:46,880

took it to brenda and said i'm never

780

00:25:50,549 --> 00:25:49,120

going under that f in the house again

781

00:25:52,470 --> 00:25:50,559

and she didn't know what to do so she

782

00:25:54,950 --> 00:25:52,480

took the bone to the local country doc

783

00:25:57,029 --> 00:25:54,960

down the road there he looked at he said

784

00:25:58,549 --> 00:25:57,039

yes it's definitely a child's arm bone

785

00:25:59,990 --> 00:25:58,559

but it looks really old so

786

00:26:01,990 --> 00:26:00,000

we don't know at this point if it's

787

00:26:03,430 --> 00:26:02,000

native american or someone was murdered

788

00:26:05,590 --> 00:26:03,440

and buried under the house

789

00:26:06,789 --> 00:26:05,600

was this original owner did he kill one

790

00:26:10,230 --> 00:26:06,799

of his kids

791

00:26:12,310 --> 00:26:10,240

who knows so that happened

792

00:26:13,750 --> 00:26:12,320

another occasion when he was painting

793

00:26:16,710 --> 00:26:13,760

the outside with brenda

794

00:26:17,510 --> 00:26:16,720

the owner the house is really tall and

795

00:26:19,350 --> 00:26:17,520

it only has

796

00:26:20,789 --> 00:26:19,360

one upstairs window and the whole

797

00:26:23,350 --> 00:26:20,799

upstairs is blocked off

798

00:26:24,070 --> 00:26:23,360

it's another really strange feature in

799

00:26:25,350 --> 00:26:24,080

the original

800

00:26:27,110 --> 00:26:25,360

home plans there's supposed to be a

801  
00:26:28,950 --> 00:26:27,120  
staircase there is no staircase you

802  
00:26:30,710 --> 00:26:28,960  
can't find it it's buried in the wall or

803  
00:26:31,510 --> 00:26:30,720  
it was never put in or it was taken out

804  
00:26:33,830 --> 00:26:31,520  
and boarded up

805  
00:26:35,190 --> 00:26:33,840  
now you can make up your own mind

806  
00:26:38,310 --> 00:26:35,200  
whatever you want to do with that

807  
00:26:40,149 --> 00:26:38,320  
scenario right the only way to get into

808  
00:26:41,669 --> 00:26:40,159  
the upstairs part of the house there's

809  
00:26:43,350 --> 00:26:41,679  
one outside window and you have to pull

810  
00:26:45,590 --> 00:26:43,360  
the entire window pane out

811  
00:26:46,549 --> 00:26:45,600  
crawl up in there so they were painting

812  
00:26:49,110 --> 00:26:46,559  
up in there

813  
00:26:50,950 --> 00:26:49,120

outside and they had to pull a truck up

814

00:26:53,269 --> 00:26:50,960

and put a ladder in the bed of the truck

815

00:26:55,269 --> 00:26:53,279

so they could reach that high

816

00:26:57,190 --> 00:26:55,279

this poor guy the same maintenance guy

817

00:27:00,630 --> 00:26:57,200

man he's up there

818

00:27:01,750 --> 00:27:00,640

painting and he said he heard this old

819

00:27:03,990 --> 00:27:01,760

woman's voice said

820

00:27:05,669 --> 00:27:04,000

get that out i'm away from my house or

821

00:27:07,669 --> 00:27:05,679

whatever and then the ladder

822

00:27:09,269 --> 00:27:07,679

shoved off the thing and he went flying

823

00:27:11,029 --> 00:27:09,279

like 20 feet in the air and landed on

824

00:27:13,909 --> 00:27:11,039

his back on the ground

825

00:27:16,549 --> 00:27:13,919

so he had that encounter there and

826

00:27:18,630 --> 00:27:16,559

another encounter he had to

827

00:27:19,990 --> 00:27:18,640

is that he was mowing he's mowing

828

00:27:22,149 --> 00:27:20,000

everything for you know whatever he

829

00:27:24,549 --> 00:27:22,159

could do to get some extra money

830

00:27:25,269 --> 00:27:24,559

so he was mowing and brenda was in the

831

00:27:26,789 --> 00:27:25,279

backyard

832

00:27:29,029 --> 00:27:26,799

and she's one that told me the story and

833

00:27:32,310 --> 00:27:29,039

i confirmed it through him

834

00:27:33,430 --> 00:27:32,320

uh the mowing you know the mower was

835

00:27:34,870 --> 00:27:33,440

going she's doing

836

00:27:36,630 --> 00:27:34,880

cleaning up sticks in the backyard

837

00:27:37,990 --> 00:27:36,640

whatever and the mower stopped and after

838

00:27:40,070 --> 00:27:38,000

like 10 minutes she's like

839

00:27:42,310 --> 00:27:40,080

that's weird so she goes to the front of

840

00:27:44,070 --> 00:27:42,320

the house and there's this guy

841

00:27:46,630 --> 00:27:44,080

that was working for her laying on the

842

00:27:48,870 --> 00:27:46,640

front porch like this

843

00:27:50,149 --> 00:27:48,880

going oh you know he was all out of it

844

00:27:51,830 --> 00:27:50,159

and everything like what happened she

845

00:27:53,430 --> 00:27:51,840

goes he said something threw me off the

846

00:27:54,710 --> 00:27:53,440

lawnmower and i can't move well they

847

00:27:56,710 --> 00:27:54,720

rushed him to the hospital he had a

848

00:27:58,470 --> 00:27:56,720

broken vertebrae in his back where

849

00:28:00,389 --> 00:27:58,480

he flew off the mower and we're talking

850

00:28:02,789 --> 00:28:00,399

this ground is flatter than the

851  
00:28:04,870 --> 00:28:02,799  
pancake man there's no reason he should

852  
00:28:07,029 --> 00:28:04,880  
have flew off the lawnmower

853  
00:28:08,310 --> 00:28:07,039  
uh another crazy story uh that happened

854  
00:28:09,909 --> 00:28:08,320  
at this house

855  
00:28:12,070 --> 00:28:09,919  
brenda's two of her friend two or three

856  
00:28:13,909 --> 00:28:12,080  
of her three of her friends pulled up

857  
00:28:15,830 --> 00:28:13,919  
that she knew and they they all rode

858  
00:28:17,590 --> 00:28:15,840  
motorcycles and stuff you know and big

859  
00:28:19,190 --> 00:28:17,600  
biker type dudes

860  
00:28:21,190 --> 00:28:19,200  
and they were just bs and with her and

861  
00:28:22,230 --> 00:28:21,200  
then he said one of the guys said

862  
00:28:23,669 --> 00:28:22,240  
something to her about

863  
00:28:25,590 --> 00:28:23,679

you know i heard this they say this

864

00:28:26,870 --> 00:28:25,600

house is haunted and all this and this

865

00:28:28,630 --> 00:28:26,880

tree you don't want to mess with this

866

00:28:30,310 --> 00:28:28,640

willow tree in the front

867

00:28:32,070 --> 00:28:30,320

i don't believe in none of that crap he

868

00:28:33,669 --> 00:28:32,080

ripped off a branch of the willow tree

869

00:28:34,870 --> 00:28:33,679

threw it in a dash and they took off

870

00:28:37,590 --> 00:28:34,880

went down the road

871

00:28:39,110 --> 00:28:37,600

she gets a call an hour later the two

872

00:28:41,110 --> 00:28:39,120

brothers that were in the front seat got

873

00:28:41,990 --> 00:28:41,120

into a fist fight in the car while it

874

00:28:44,710 --> 00:28:42,000

was driving

875

00:28:45,750 --> 00:28:44,720

and they lost control that the car went

876

00:28:48,389 --> 00:28:45,760

flipping off the road

877

00:28:49,830 --> 00:28:48,399

into the graveyard where they last where

878

00:28:50,630 --> 00:28:49,840

one of the people that died in the house

879

00:28:52,710 --> 00:28:50,640

is buried

880

00:28:54,870 --> 00:28:52,720

and they all got lifeline they all got

881

00:28:57,750 --> 00:28:54,880

life flighted out

882

00:28:59,269 --> 00:28:57,760

wow um that's another bizarre story i

883

00:29:02,950 --> 00:28:59,279

mean there's a ton of them one of the

884

00:29:04,630 --> 00:29:02,960

spookiest stories that she told me was

885

00:29:06,710 --> 00:29:04,640

okay so in the back of the house there's

886

00:29:07,430 --> 00:29:06,720

a large metal building it's like 40 by

887

00:29:10,630 --> 00:29:07,440

40

888

00:29:12,149 --> 00:29:10,640

um metal building cement floor and she

889

00:29:13,430 --> 00:29:12,159

used to be a professional pool player

890

00:29:15,750 --> 00:29:13,440

she played against like

891

00:29:18,789 --> 00:29:15,760

black widow on espn and all kinds of

892

00:29:22,230 --> 00:29:20,470

and they would have family gatherings

893

00:29:23,029 --> 00:29:22,240

there and everything and grill out and

894

00:29:25,110 --> 00:29:23,039

stuff

895

00:29:26,630 --> 00:29:25,120

because she owned the house next door to

896

00:29:28,470 --> 00:29:26,640

this house too

897

00:29:30,789 --> 00:29:28,480

so and she ended up marrying that guy

898

00:29:33,110 --> 00:29:30,799

that lived there all these years

899

00:29:35,269 --> 00:29:33,120

and they had some some kids over and

900

00:29:37,110 --> 00:29:35,279

stuff that were members of the family

901  
00:29:38,950 --> 00:29:37,120  
and her little niece was like three or

902  
00:29:40,789 --> 00:29:38,960  
four years old and they saw her

903  
00:29:42,549 --> 00:29:40,799  
standing outside the building waving and

904  
00:29:44,470 --> 00:29:42,559  
looking up right

905  
00:29:45,750 --> 00:29:44,480  
so they're they after a few minutes of

906  
00:29:47,029 --> 00:29:45,760  
that they walk out there guys who are

907  
00:29:48,470 --> 00:29:47,039  
you waving at honey and

908  
00:29:50,630 --> 00:29:48,480  
that same window i'm telling you that

909  
00:29:51,990 --> 00:29:50,640  
you got to pull out in the upstairs

910  
00:29:54,070 --> 00:29:52,000  
she said that little girl up in the

911  
00:29:55,430 --> 00:29:54,080  
window up there and

912  
00:29:56,710 --> 00:29:55,440  
they're like there's no little girl up

913  
00:29:57,590 --> 00:29:56,720

there she goes yeah she's right there

914

00:30:00,149 --> 00:29:57,600

she's right there

915

00:30:01,669 --> 00:30:00,159

right nobody saw anything so after a few

916

00:30:02,470 --> 00:30:01,679

minutes they're saying oh okay it's just

917

00:30:04,870 --> 00:30:02,480

you know just his

918

00:30:06,549 --> 00:30:04,880

child's imagination whatever a few

919

00:30:08,950 --> 00:30:06,559

minutes go by and the little girl will

920

00:30:10,630 --> 00:30:08,960

literally starts screaming bloody murder

921

00:30:12,549 --> 00:30:10,640

and they run over like what's wrong

922

00:30:14,070 --> 00:30:12,559

what's wrong she said that little girl

923

00:30:15,590 --> 00:30:14,080

came down from the window and bit me on

924

00:30:17,110 --> 00:30:15,600

my face

925

00:30:19,110 --> 00:30:17,120

and they said sure enough in a few

926  
00:30:20,149 --> 00:30:19,120  
minutes a human child bite mark showed

927  
00:30:22,470 --> 00:30:20,159  
up right on her face

928  
00:30:24,070 --> 00:30:22,480  
and they never been back since they left

929  
00:30:26,549 --> 00:30:24,080  
never came back

930  
00:30:27,990 --> 00:30:26,559  
and her and her husband her husband

931  
00:30:29,190 --> 00:30:28,000  
reported that he saw

932  
00:30:31,669 --> 00:30:29,200  
and he don't believe in none other

933  
00:30:34,549 --> 00:30:31,679  
paranormal like he said later on

934  
00:30:35,350 --> 00:30:34,559  
he saw an old man in a pair of uh

935  
00:30:36,710 --> 00:30:35,360  
overalls

936  
00:30:38,389 --> 00:30:36,720  
holding a little girl's hand and they

937  
00:30:39,990 --> 00:30:38,399  
walk right through the wall there

938  
00:30:41,430 --> 00:30:40,000

there's been other people that have seen

939

00:30:42,630 --> 00:30:41,440

the curtains open when no one's in the

940

00:30:44,710 --> 00:30:42,640

house and looking out

941

00:30:46,310 --> 00:30:44,720

you know people looking out of the house

942

00:30:47,750 --> 00:30:46,320

and another little boy that was family

943

00:30:50,149 --> 00:30:47,760

relation to brendan them

944

00:30:51,750 --> 00:30:50,159

said he saw came running in the building

945

00:30:52,149 --> 00:30:51,760

over there and said i just saw jesus

946

00:30:53,110 --> 00:30:52,159

christ

947

00:30:55,510 --> 00:30:53,120

and they're like what are you talking

948

00:30:56,310 --> 00:30:55,520

about she said this man came out of the

949

00:30:59,269 --> 00:30:56,320

house have

950

00:31:01,909 --> 00:30:59,279

had a full beard you know gray long hair

951  
00:31:04,389 --> 00:31:01,919  
and a white robe

952  
00:31:06,230 --> 00:31:04,399  
so i don't know you know with that fire

953  
00:31:07,430 --> 00:31:06,240  
pit scenario that's going on there i

954  
00:31:09,110 --> 00:31:07,440  
don't know if people were practicing

955  
00:31:09,750 --> 00:31:09,120  
practicing witchcraft there at some time

956  
00:31:12,950 --> 00:31:09,760  
or whatever

957  
00:31:15,029 --> 00:31:12,960  
you know um um also the man's

958  
00:31:17,269 --> 00:31:15,039  
the man that shot himself in the head

959  
00:31:20,870 --> 00:31:17,279  
his wife actually od

960  
00:31:22,630 --> 00:31:20,880  
as well um several years before that but

961  
00:31:24,870 --> 00:31:22,640  
the family has a big issue with that

962  
00:31:26,310 --> 00:31:24,880  
because the doctor said she died at the

963  
00:31:28,070 --> 00:31:26,320

hospital well we all know

964

00:31:29,669 --> 00:31:28,080

in most states you're not dead until the

965

00:31:32,389 --> 00:31:29,679

doctor says you're dead at the hospital

966

00:31:34,149 --> 00:31:32,399

technically you know but her husband

967

00:31:35,350 --> 00:31:34,159

knew those people he lived there since

968

00:31:37,190 --> 00:31:35,360

the 60s

969

00:31:38,630 --> 00:31:37,200

and told me first hand that he was

970

00:31:39,669 --> 00:31:38,640

friends with them and they he saw them

971

00:31:41,350 --> 00:31:39,679

wheel her out

972

00:31:42,950 --> 00:31:41,360

covered up they were not working on her

973

00:31:46,149 --> 00:31:42,960

she died in the house

974

00:31:48,389 --> 00:31:46,159

so um you know there's this um another

975

00:31:50,470 --> 00:31:48,399

strange story there's a lot of years

976  
00:31:52,389 --> 00:31:50,480  
between the for the owner the original

977  
00:31:54,549 --> 00:31:52,399  
builder and his son living there

978  
00:31:55,590 --> 00:31:54,559  
that are unaccounted for there's no

979  
00:31:58,710 --> 00:31:55,600  
records

980  
00:32:00,630 --> 00:31:58,720  
of who lived there um other than

981  
00:32:02,310 --> 00:32:00,640  
i think the family had it and they were

982  
00:32:04,470 --> 00:32:02,320  
renting it out to people and they just

983  
00:32:06,149 --> 00:32:04,480  
did you know the county's records there

984  
00:32:07,669 --> 00:32:06,159  
are a flipping mess let me tell you i've

985  
00:32:09,909 --> 00:32:07,679  
been in that courthouse so many times

986  
00:32:11,269 --> 00:32:09,919  
researching you can't find anything

987  
00:32:12,789 --> 00:32:11,279  
because they they

988  
00:32:15,029 --> 00:32:12,799

use the town used to be called

989

00:32:16,710 --> 00:32:15,039

springfield now it's called cayuga

990

00:32:18,789 --> 00:32:16,720

and the records have been moved several

991

00:32:22,310 --> 00:32:18,799

times there's a lot of stuff missing

992

00:32:24,549 --> 00:32:22,320

but another spooky account that

993

00:32:25,509 --> 00:32:24,559

uh the old woman that lived on the other

994

00:32:27,750 --> 00:32:25,519

side of the house

995

00:32:28,870 --> 00:32:27,760

was like 95 when brenda bought this

996

00:32:31,350 --> 00:32:28,880

house old as

997

00:32:33,110 --> 00:32:31,360

you know she was up there she told

998

00:32:33,830 --> 00:32:33,120

brenda she couldn't remember what decade

999

00:32:36,230 --> 00:32:33,840

it was like

1000

00:32:37,750 --> 00:32:36,240

40s or 50 that this woman moved in she

1001

00:32:38,950 --> 00:32:37,760

had a really weird nickname i can't

1002

00:32:41,750 --> 00:32:38,960

remember

1003

00:32:42,070 --> 00:32:41,760

her nickname was but she only went by

1004

00:32:44,789 --> 00:32:42,080

one

1005

00:32:46,310 --> 00:32:44,799

name she had an older teenage boy and

1006

00:32:48,310 --> 00:32:46,320

she had a little girl that was four

1007

00:32:49,509 --> 00:32:48,320

maybe five that the teenage boy was

1008

00:32:53,269 --> 00:32:49,519

maybe 18 19

1009

00:32:55,029 --> 00:32:53,279

20 years old they moved in there and

1010

00:32:56,710 --> 00:32:55,039

they come to find out that the woman had

1011

00:32:58,549 --> 00:32:56,720

been married three times

1012

00:33:00,470 --> 00:32:58,559

and all of her husbands died

1013

00:33:02,549 --> 00:33:00,480

mysteriously and she collected all the

1014

00:33:04,389 --> 00:33:02,559

insurance money right

1015

00:33:06,310 --> 00:33:04,399

well out of nowhere after they lived

1016

00:33:07,830 --> 00:33:06,320

there a short time a year or two the

1017

00:33:09,110 --> 00:33:07,840

little girl came up missing

1018

00:33:11,350 --> 00:33:09,120

nobody knows what happened they did a

1019

00:33:14,870 --> 00:33:11,360

big search could never find her

1020

00:33:17,509 --> 00:33:14,880

and uh a short time later the young man

1021

00:33:20,870 --> 00:33:17,519

was found hanging in the house too

1022

00:33:22,149 --> 00:33:20,880

so you know that's here though i can't

1023

00:33:24,710 --> 00:33:22,159

confirm it i don't got

1024

00:33:26,310 --> 00:33:24,720

i have no records of that and the woman

1025

00:33:28,149 --> 00:33:26,320

just disappeared and nobody knew what

1026

00:33:29,750 --> 00:33:28,159

her nobody knew what her real name was

1027

00:33:30,549 --> 00:33:29,760

because she went by a nickname and

1028

00:33:33,909 --> 00:33:30,559

nobody knew

1029

00:33:34,470 --> 00:33:33,919

you know who she was where she went and

1030

00:33:35,990 --> 00:33:34,480

uh

1031

00:33:38,230 --> 00:33:36,000

i'm thinking well maybe that little

1032

00:33:39,029 --> 00:33:38,240

girl's arm bone that he found could be

1033

00:33:40,870 --> 00:33:39,039

that little girl

1034

00:33:42,310 --> 00:33:40,880

i don't know you know there's still a

1035

00:33:44,230 --> 00:33:42,320

lot of work to be done at the house i

1036

00:33:45,110 --> 00:33:44,240

need to get gpr under the house but

1037

00:33:46,470 --> 00:33:45,120

here's the deal

1038

00:33:48,710 --> 00:33:46,480

i'm gonna have to tear the whole floor

1039

00:33:51,190 --> 00:33:48,720

up to do that to get it in there

1040

00:33:51,990 --> 00:33:51,200

so you know there's a lot of stuff and

1041

00:33:53,750 --> 00:33:52,000

i've had some good

1042

00:33:54,950 --> 00:33:53,760

questions you know people are like man

1043

00:33:56,710 --> 00:33:54,960

you got why didn't they get law

1044

00:33:58,710 --> 00:33:56,720

enforcement in there i said well

1045

00:33:59,750 --> 00:33:58,720

brenda told me the doctor that she took

1046

00:34:02,149 --> 00:33:59,760

the bone to called

1047

00:34:03,830 --> 00:34:02,159

local sheriff and said he said well the

1048

00:34:05,029 --> 00:34:03,840

doc said it's very old just either get

1049

00:34:05,990 --> 00:34:05,039

rid of it or put it back it's probably

1050

00:34:09,430 --> 00:34:06,000

native american

1051  
00:34:10,950 --> 00:34:09,440  
influence there there's huge native

1052  
00:34:12,230 --> 00:34:10,960  
american battles with the french in that

1053  
00:34:15,030 --> 00:34:12,240  
whole area

1054  
00:34:17,030 --> 00:34:15,040  
um a lot of people died on both sides uh

1055  
00:34:18,550 --> 00:34:17,040  
settlers you know were killed massacred

1056  
00:34:20,230 --> 00:34:18,560  
and the whole nine yards

1057  
00:34:21,829 --> 00:34:20,240  
there's two major rivers that come into

1058  
00:34:22,790 --> 00:34:21,839  
that little town right there by the

1059  
00:34:26,069 --> 00:34:22,800  
house

1060  
00:34:27,909 --> 00:34:26,079  
huge aquifer

1061  
00:34:29,990 --> 00:34:27,919  
and all the neighbors dig up native

1062  
00:34:31,510 --> 00:34:30,000  
american pottery arrowheads you name it

1063  
00:34:33,669 --> 00:34:31,520

when they're digging their gardens

1064

00:34:35,030 --> 00:34:33,679

so you've got and then right in front of

1065

00:34:37,030 --> 00:34:35,040

the house

1066

00:34:38,470 --> 00:34:37,040

you've we've all heard that the devil is

1067

00:34:40,550 --> 00:34:38,480

selling this selling your soul to the

1068

00:34:41,990 --> 00:34:40,560

devil at the crossroads story well guess

1069

00:34:43,510 --> 00:34:42,000

what what's in front of the house a

1070

00:34:46,149 --> 00:34:43,520

crossroads right in front

1071

00:34:46,869 --> 00:34:46,159

exactly in front of the house so it's

1072

00:34:49,270 --> 00:34:46,879

just got

1073

00:34:49,909 --> 00:34:49,280

it's got so many factors that we look

1074

00:34:52,230 --> 00:34:49,919

for for

1075

00:34:54,069 --> 00:34:52,240

possible causes of paranormal activity i

1076  
00:34:54,790 --> 00:34:54,079  
mean it was a no-brainer for me to just

1077  
00:34:56,790 --> 00:34:54,800  
hey

1078  
00:34:58,310 --> 00:34:56,800  
let's do this let's you know let's study

1079  
00:34:59,910 --> 00:34:58,320  
it find out what see we can find out

1080  
00:35:03,030 --> 00:34:59,920  
what's going on here

1081  
00:35:05,109 --> 00:35:03,040  
and um that's what i'm doing you know

1082  
00:35:06,470 --> 00:35:05,119  
and there's a lot more to it you know

1083  
00:35:08,630 --> 00:35:06,480  
the native the native americans the

1084  
00:35:11,270 --> 00:35:08,640  
willow tree is very sacred to them

1085  
00:35:12,230 --> 00:35:11,280  
the roots go right down in into the

1086  
00:35:13,990 --> 00:35:12,240  
under the house

1087  
00:35:15,589 --> 00:35:14,000  
so and that house is stained with blood

1088  
00:35:17,589 --> 00:35:15,599

let me tell you there's been

1089

00:35:19,750 --> 00:35:17,599

you know i think there's been six deaths

1090

00:35:22,550 --> 00:35:19,760

total in that house at least

1091

00:35:24,790 --> 00:35:22,560

uh two two at least one by suicide the

1092

00:35:27,109 --> 00:35:24,800

other one was probably accidental od

1093

00:35:28,230 --> 00:35:27,119

whatever uh and then the original owners

1094

00:35:31,270 --> 00:35:28,240

all died in the house

1095

00:35:33,829 --> 00:35:31,280

him his wife and the son too and then

1096

00:35:34,470 --> 00:35:33,839

we don't know about the kid hanging

1097

00:35:36,790 --> 00:35:34,480

himself

1098

00:35:37,750 --> 00:35:36,800

and or being hung and the little girl

1099

00:35:39,990 --> 00:35:37,760

either

1100

00:35:41,670 --> 00:35:40,000

now i got another interesting email

1101  
00:35:42,310 --> 00:35:41,680  
about a year after i first bought the

1102  
00:35:44,310 --> 00:35:42,320  
house

1103  
00:35:46,470 --> 00:35:44,320  
from a man who said his grandma lived in

1104  
00:35:48,310 --> 00:35:46,480  
the house back in the 60s

1105  
00:35:50,470 --> 00:35:48,320  
and she was old school and this house

1106  
00:35:51,990 --> 00:35:50,480  
didn't have a kitchen back in those days

1107  
00:35:54,710 --> 00:35:52,000  
that was added into the house

1108  
00:35:55,510 --> 00:35:54,720  
later they used to have a summer kitchen

1109  
00:35:56,790 --> 00:35:55,520  
in the back

1110  
00:35:59,190 --> 00:35:56,800  
a little building where they did all the

1111  
00:36:00,550 --> 00:35:59,200  
cooking right and then they cooked on

1112  
00:36:03,109 --> 00:36:00,560  
one of those old

1113  
00:36:03,990 --> 00:36:03,119

catherine stoves in the house right and

1114

00:36:06,069 --> 00:36:04,000

this woman

1115

00:36:07,829 --> 00:36:06,079

was old school she would after dinner

1116

00:36:09,589 --> 00:36:07,839

you know she would do all the dishes set

1117

00:36:11,109 --> 00:36:09,599

the plates and everything for breakfast

1118

00:36:13,349 --> 00:36:11,119

the next day well

1119

00:36:14,230 --> 00:36:13,359

she he said he remembered his grandma

1120

00:36:15,910 --> 00:36:14,240

talking about

1121

00:36:17,270 --> 00:36:15,920

she would come out almost every night

1122

00:36:17,670 --> 00:36:17,280

after setting the table and the dishes

1123

00:36:21,349 --> 00:36:17,680

would be

1124

00:36:21,910 --> 00:36:21,359

scattered all over the floor excuse me

1125

00:36:24,630 --> 00:36:21,920

and uh

1126

00:36:26,069 --> 00:36:24,640

everything was in disarray and the

1127

00:36:27,829 --> 00:36:26,079

rocking chair in the house used to rock

1128

00:36:30,550 --> 00:36:27,839

by itself all the time

1129

00:36:30,950 --> 00:36:30,560

so it's got paranormal activity reports

1130

00:36:34,069 --> 00:36:30,960

going

1131

00:36:35,829 --> 00:36:34,079

way back man you know so so this is an

1132

00:36:39,430 --> 00:36:35,839

indiana what part of the state

1133

00:36:42,630 --> 00:36:39,440

is this it's about 45 minutes

1134

00:36:45,589 --> 00:36:42,640

west of indy okay

1135

00:36:47,589 --> 00:36:45,599

right on the board toward illinois yeah

1136

00:36:48,470 --> 00:36:47,599

right on the border illinois like 15

1137

00:36:51,670 --> 00:36:48,480

minutes

1138

00:36:53,990 --> 00:36:51,680

from the illinois border so also

1139

00:36:55,109 --> 00:36:54,000

indiana indiana in general and yeah of

1140

00:36:57,670 --> 00:36:55,119

course

1141

00:37:00,069 --> 00:36:57,680

dave wrote that book and uh i have him

1142

00:37:03,270 --> 00:37:00,079

coming on a couple weeks but

1143

00:37:05,190 --> 00:37:03,280

indiana my god i mean it is amazing

1144

00:37:07,990 --> 00:37:05,200

the paranormal activity in the cryptid

1145

00:37:09,670 --> 00:37:08,000

activity in that

1146

00:37:11,670 --> 00:37:09,680

well it is the crossroads state me and

1147

00:37:15,109 --> 00:37:11,680

him we're talking about that you know

1148

00:37:17,030 --> 00:37:15,119

um it's so me and him spent uh

1149

00:37:18,870 --> 00:37:17,040

at least two and a half solid years of

1150

00:37:21,030 --> 00:37:18,880

investigations in that statement

1151

00:37:23,030 --> 00:37:21,040

and i have family ties to indiana too i

1152

00:37:24,870 --> 00:37:23,040

have family that lives there so

1153

00:37:26,790 --> 00:37:24,880

um i've been going there for quite a

1154

00:37:29,030 --> 00:37:26,800

long time and

1155

00:37:30,230 --> 00:37:29,040

you know it just so happens i ended up

1156

00:37:32,790 --> 00:37:30,240

buying a place there

1157

00:37:33,349 --> 00:37:32,800

just to study the paranormal but you

1158

00:37:35,030 --> 00:37:33,359

know

1159

00:37:36,710 --> 00:37:35,040

and there's so many other reports that

1160

00:37:38,550 --> 00:37:36,720

go along with willow's weep um if you

1161

00:37:41,190 --> 00:37:38,560

look on my youtube channel

1162

00:37:42,790 --> 00:37:41,200

there's a i'll give you i've never seen

1163

00:37:44,230 --> 00:37:42,800

a shadow figure like this long i've been

1164

00:37:45,750 --> 00:37:44,240

doing this quite a long time and i've

1165

00:37:47,109 --> 00:37:45,760

caught shadow figures but nothing like

1166

00:37:49,510 --> 00:37:47,119

this and this was by pure

1167

00:37:51,270 --> 00:37:49,520

happenstance i've been filming a

1168

00:37:51,990 --> 00:37:51,280

documentary about the place with a

1169

00:37:54,069 --> 00:37:52,000

friend who's

1170

00:37:56,310 --> 00:37:54,079

who's running the scare network tv with

1171

00:37:58,310 --> 00:37:56,320

me and we were up there just doing

1172

00:37:59,430 --> 00:37:58,320

interviews on for a couple of days

1173

00:38:01,030 --> 00:37:59,440

talking to me you know

1174

00:38:02,630 --> 00:38:01,040

talking about what i just basically what

1175

00:38:04,150 --> 00:38:02,640

we're talking about and interviewing

1176

00:38:05,670 --> 00:38:04,160

some of the locals

1177

00:38:07,270 --> 00:38:05,680

well we were done for the day and we

1178

00:38:08,710 --> 00:38:07,280

were in the back building packing up all

1179

00:38:10,870 --> 00:38:08,720

the gear and we got done

1180

00:38:12,710 --> 00:38:10,880

and he's like oh crap i left the gopro

1181

00:38:15,589 --> 00:38:12,720

in there well he had stuck a gopro

1182

00:38:17,109 --> 00:38:15,599

up on top on the doors just for a extra

1183

00:38:19,030 --> 00:38:17,119

angle right

1184

00:38:20,870 --> 00:38:19,040

so thinking nothing of it he walks in

1185

00:38:21,670 --> 00:38:20,880

there grabs a gopro throws in his bag

1186

00:38:23,990 --> 00:38:21,680

and we're out of there

1187

00:38:25,430 --> 00:38:24,000

a month later he calls me up freaking

1188

00:38:27,109 --> 00:38:25,440

out and this is a guy that's not an

1189

00:38:29,190 --> 00:38:27,119

investigator he's a film guy

1190

00:38:30,470 --> 00:38:29,200

you know that's all he does he's like

1191

00:38:32,230 --> 00:38:30,480

i'm never going in that

1192

00:38:33,750 --> 00:38:32,240

effing house again i'm like what are you

1193

00:38:36,069 --> 00:38:33,760

talking about he's like dude

1194

00:38:38,069 --> 00:38:36,079

i just sent you i just emailed you the

1195

00:38:39,670 --> 00:38:38,079

footage i can't believe what we caught

1196

00:38:42,710 --> 00:38:39,680

on that gopro

1197

00:38:44,230 --> 00:38:42,720

nobody's in the house you hear this

1198

00:38:46,470 --> 00:38:44,240

shuffling noise

1199

00:38:47,910 --> 00:38:46,480

dragging sound and then in the back

1200

00:38:49,109 --> 00:38:47,920

corner of one of those little rooms that

1201

00:38:51,990 --> 00:38:49,119

used to be a door that they

1202

00:38:54,150 --> 00:38:52,000

add to these little rooms on full-blown

1203

00:38:56,150 --> 00:38:54,160

shadow figure in the middle of the day

1204

00:38:58,829 --> 00:38:56,160

walks across the room from head to toe

1205

00:39:01,510 --> 00:38:58,839

it's semi-transparent but you can see

1206

00:39:03,109 --> 00:39:01,520

everything and there's no way there was

1207

00:39:05,910 --> 00:39:03,119

nobody outside around the house

1208

00:39:07,430 --> 00:39:05,920

and even if it was if it was somebody

1209

00:39:09,030 --> 00:39:07,440

that walked up to the window

1210

00:39:11,589 --> 00:39:09,040

they would have been cut off at the legs

1211

00:39:13,190 --> 00:39:11,599

down because the windows are about

1212

00:39:15,910 --> 00:39:13,200

three and a half four feet high off the

1213

00:39:17,109 --> 00:39:15,920

ground weird looking windows

1214

00:39:18,950 --> 00:39:17,119

it wouldn't you would have seen them on

1215

00:39:20,310 --> 00:39:18,960

camera as well so

1216

00:39:22,069 --> 00:39:20,320

you can you can check it out on my

1217

00:39:25,430 --> 00:39:22,079

youtube channel it's a short clip

1218

00:39:26,630 --> 00:39:25,440

uh capture just go on my videos and

1219

00:39:28,390 --> 00:39:26,640

scroll down about 20

1220

00:39:29,829 --> 00:39:28,400

30 videos and you'll see it shadow man

1221

00:39:30,470 --> 00:39:29,839

captured it's at the willow's wheat

1222

00:39:33,030 --> 00:39:30,480

house

1223

00:39:34,069 --> 00:39:33,040

and after that thing goes across

1224

00:39:36,710 --> 00:39:34,079

something else comes

1225

00:39:38,069 --> 00:39:36,720

out of the room behind it like it's a

1226

00:39:40,150 --> 00:39:38,079

shadowy and then a white

1227

00:39:42,150 --> 00:39:40,160

misty looking substance and there's all

1228

00:39:43,349 --> 00:39:42,160

kind of shadow play going on

1229

00:39:45,190 --> 00:39:43,359

and there's nothing there that could

1230

00:39:45,750 --> 00:39:45,200

have caused it and noises unexplained

1231

00:39:48,230 --> 00:39:45,760

noises

1232

00:39:49,910 --> 00:39:48,240

inside the house is pretty phenomenal

1233

00:39:52,950 --> 00:39:49,920

and that was by pure happiness

1234

00:39:55,430 --> 00:39:52,960

through the middle of the day so well

1235

00:39:56,230 --> 00:39:55,440

as you know these shadow figures they're

1236

00:39:58,470 --> 00:39:56,240

only going to

1237

00:39:59,910 --> 00:39:58,480

come into a place where there's a lot of

1238

00:40:01,510 --> 00:39:59,920

energy and you know

1239

00:40:03,030 --> 00:40:01,520

they they got to have feed off this

1240

00:40:04,710 --> 00:40:03,040

stuff somehow

1241

00:40:08,069 --> 00:40:04,720

so and i was going to ask you if you had

1242

00:40:10,230 --> 00:40:08,079

a shadow shadow person activity because

1243

00:40:11,990 --> 00:40:10,240

that stuff kind of seems to follow

1244

00:40:13,670 --> 00:40:12,000

places like this where

1245

00:40:15,829 --> 00:40:13,680

there's just a lot of unexplained

1246

00:40:16,790 --> 00:40:15,839

activity and uh yeah that doesn't

1247

00:40:19,990 --> 00:40:16,800

surprise me at

1248

00:40:21,750 --> 00:40:20,000

all yeah it was trippy man i i still i'm

1249

00:40:22,390 --> 00:40:21,760

blown away by that capture you know and

1250

00:40:24,150 --> 00:40:22,400

then

1251  
00:40:25,670 --> 00:40:24,160  
another weird bizarre thing brenda used

1252  
00:40:26,950 --> 00:40:25,680  
to tell me about is when she first

1253  
00:40:28,069 --> 00:40:26,960  
started letting paranormal people in

1254  
00:40:29,349 --> 00:40:28,079  
there because she wanted answers they're

1255  
00:40:30,950 --> 00:40:29,359  
trying to figure out what the hell is

1256  
00:40:33,670 --> 00:40:30,960  
going on in this place

1257  
00:40:35,670 --> 00:40:33,680  
she uh said there's a graveyard about

1258  
00:40:38,870 --> 00:40:35,680  
maybe 150 yards

1259  
00:40:40,309 --> 00:40:38,880  
caddy corner to the house she said time

1260  
00:40:41,829 --> 00:40:40,319  
after time when someone would die and

1261  
00:40:43,190 --> 00:40:41,839  
they'd bury him in there that the people

1262  
00:40:45,030 --> 00:40:43,200  
that were investigating the house would

1263  
00:40:46,710 --> 00:40:45,040

get the names on their

1264

00:40:48,710 --> 00:40:46,720

on their recorders and on the ghost

1265

00:40:54,150 --> 00:40:48,720

boxes and stuff of the people that were

1266

00:40:57,670 --> 00:40:55,750

and the way this house is built in the

1267

00:40:58,150 --> 00:40:57,680

shape of a cross you okay you think

1268

00:41:00,470 --> 00:40:58,160

about it

1269

00:41:02,150 --> 00:41:00,480

at four entrances and exits these

1270

00:41:03,510 --> 00:41:02,160

triangles are all pointing to the center

1271

00:41:04,470 --> 00:41:03,520

of the house and directly under the

1272

00:41:05,750 --> 00:41:04,480

center of the house you have this

1273

00:41:07,990 --> 00:41:05,760

bizarre fire pit

1274

00:41:09,829 --> 00:41:08,000

it's almost as if it was built to funnel

1275

00:41:12,230 --> 00:41:09,839

energy into that thing

1276  
00:41:13,589 --> 00:41:12,240  
and a lot of people said they you know

1277  
00:41:14,950 --> 00:41:13,599  
i've had psychics going there

1278  
00:41:16,550 --> 00:41:14,960  
metaphysical people

1279  
00:41:18,230 --> 00:41:16,560  
regular investigators they all feel

1280  
00:41:19,750 --> 00:41:18,240  
there's a doorway in the center of that

1281  
00:41:20,950 --> 00:41:19,760  
house that's been open

1282  
00:41:22,710 --> 00:41:20,960  
you know that's what it sounds like to

1283  
00:41:23,829 --> 00:41:22,720  
me it sounds like there's a portal there

1284  
00:41:26,309 --> 00:41:23,839  
some type

1285  
00:41:27,270 --> 00:41:26,319  
a vortex a portal when you stand on this

1286  
00:41:29,030 --> 00:41:27,280  
through that house

1287  
00:41:31,109 --> 00:41:29,040  
some people get really dizzy they get

1288  
00:41:32,950 --> 00:41:31,119

disoriented you can really feel it

1289

00:41:34,150 --> 00:41:32,960

i set a compass right there one time on

1290

00:41:36,390 --> 00:41:34,160

the ground and it went

1291

00:41:37,990 --> 00:41:36,400

cool and then stopped and went back the

1292

00:41:41,030 --> 00:41:38,000

other way it was doing all kind of

1293

00:41:43,190 --> 00:41:41,040

bizarre stuff and uh i mean and

1294

00:41:44,390 --> 00:41:43,200

equipment goes crazy in that place

1295

00:41:46,230 --> 00:41:44,400

battery drain like

1296

00:41:47,750 --> 00:41:46,240

brand new batteries will drain out like

1297

00:41:47,990 --> 00:41:47,760

you wouldn't believe in that place man

1298

00:41:54,150 --> 00:41:48,000

it's

1299

00:41:54,870 --> 00:41:54,160

one of the local shamans or elders come

1300

00:41:58,069 --> 00:41:54,880

in there

1301  
00:41:59,430 --> 00:41:58,079  
from the last tribe no not yet i've been

1302  
00:42:02,069 --> 00:41:59,440  
talking to a couple though

1303  
00:42:03,829 --> 00:42:02,079  
and i think my plan for the house it's

1304  
00:42:05,030 --> 00:42:03,839  
very negative and if you ever spend any

1305  
00:42:07,190 --> 00:42:05,040  
time there you'll know

1306  
00:42:08,870 --> 00:42:07,200  
you'll feel it man it's not a good place

1307  
00:42:09,270 --> 00:42:08,880  
i don't even let people under 18 in the

1308  
00:42:11,589 --> 00:42:09,280  
place

1309  
00:42:12,870 --> 00:42:11,599  
period no i don't blame you no because

1310  
00:42:13,750 --> 00:42:12,880  
i'm scared i don't want nothing to

1311  
00:42:15,829 --> 00:42:13,760  
happen to anybody

1312  
00:42:17,349 --> 00:42:15,839  
anyway i keep it locked down for the

1313  
00:42:19,109 --> 00:42:17,359

most part every once in a while i'll

1314

00:42:20,710 --> 00:42:19,119

open it up for investigations but

1315

00:42:22,950 --> 00:42:20,720

because i'm trying to pay the taxes on

1316

00:42:25,589 --> 00:42:22,960

the place and stuff you know what i mean

1317

00:42:27,510 --> 00:42:25,599

so um but it needs a lot of work you

1318

00:42:29,190 --> 00:42:27,520

know it's built in 1890 and

1319

00:42:30,630 --> 00:42:29,200

it's so far away from me i think what

1320

00:42:32,630 --> 00:42:30,640

i'm gonna end up doing is

1321

00:42:34,230 --> 00:42:32,640

uh bringing in some i'm probably gonna

1322

00:42:37,750 --> 00:42:34,240

bring in a catholic priest

1323

00:42:39,990 --> 00:42:37,760

a minister a shaman and a light worker

1324

00:42:42,630 --> 00:42:40,000

and really get down and try to close

1325

00:42:44,309 --> 00:42:42,640

that shop up man and bless it and i may

1326

00:42:46,069 --> 00:42:44,319

even tear the place down

1327

00:42:47,829 --> 00:42:46,079

i mean that that's how strongly i feel

1328

00:42:50,470 --> 00:42:47,839

how negative it is

1329

00:42:51,510 --> 00:42:50,480

yeah you know it would be nice to get a

1330

00:42:54,870 --> 00:42:51,520

whole bunch of

1331

00:42:57,990 --> 00:42:54,880

um people involved as far as

1332

00:43:00,069 --> 00:42:58,000

metaphysical and try to get it and

1333

00:43:01,750 --> 00:43:00,079

i don't know trying to get their

1334

00:43:03,030 --> 00:43:01,760

opinions as to what they believe is

1335

00:43:06,150 --> 00:43:03,040

going on

1336

00:43:08,069 --> 00:43:06,160

document it then lock it up

1337

00:43:09,829 --> 00:43:08,079

either lock it up tear it down burn it

1338

00:43:12,150 --> 00:43:09,839

down or whatever you want to do

1339

00:43:13,030 --> 00:43:12,160

i mean i've got numerous there's been

1340

00:43:14,630 --> 00:43:13,040

hundreds of

1341

00:43:16,390 --> 00:43:14,640

people in there investigating i've got

1342

00:43:18,069 --> 00:43:16,400

tons of evidence on the place i don't

1343

00:43:21,190 --> 00:43:18,079

need any more evidence

1344

00:43:23,270 --> 00:43:21,200

um it's just the the next step would be

1345

00:43:24,870 --> 00:43:23,280

to try to figure out what it what it

1346

00:43:27,430 --> 00:43:24,880

what's going on there you know

1347

00:43:28,630 --> 00:43:27,440

is it a portal is it interdimensional or

1348

00:43:35,829 --> 00:43:28,640

is it

1349

00:43:37,990 --> 00:43:35,839

there that attack people people

1350

00:43:39,510 --> 00:43:38,000

brenda the first time she let a group in

1351  
00:43:40,950 --> 00:43:39,520  
there

1352  
00:43:43,349 --> 00:43:40,960  
she said something it felt like

1353  
00:43:45,750 --> 00:43:43,359  
something punched her in the gut so hard

1354  
00:43:47,829 --> 00:43:45,760  
like she passed out in front of people

1355  
00:43:49,190 --> 00:43:47,839  
and she had three ginormous scratches on

1356  
00:43:50,230 --> 00:43:49,200  
her back where she was bleeding through

1357  
00:43:52,390 --> 00:43:50,240  
her shirt

1358  
00:43:53,430 --> 00:43:52,400  
she had to go to the hospital and her

1359  
00:43:55,430 --> 00:43:53,440  
her liver

1360  
00:43:58,309 --> 00:43:55,440  
or her spleen one of the two i can't

1361  
00:44:00,550 --> 00:43:58,319  
remember was actually ruptured from this

1362  
00:44:02,150 --> 00:44:00,560  
wow and then her husband remember

1363  
00:44:03,829 --> 00:44:02,160

earlier in the show i told you they felt

1364

00:44:04,390 --> 00:44:03,839

that the thing tried to kill him twice

1365

00:44:08,950 --> 00:44:04,400

whatever

1366

00:44:10,550 --> 00:44:08,960

this guy's in good shape he's probably

1367

00:44:11,990 --> 00:44:10,560

a little maybe our age a little bit

1368

00:44:13,990 --> 00:44:12,000

younger um

1369

00:44:16,069 --> 00:44:14,000

he went over there to do some work one

1370

00:44:19,109 --> 00:44:16,079

day on the house

1371

00:44:21,589 --> 00:44:19,119

boom kicks over has a stroke

1372

00:44:23,430 --> 00:44:21,599

and then has a whole i mean first no

1373

00:44:24,309 --> 00:44:23,440

first he has a heart attack the first

1374

00:44:26,470 --> 00:44:24,319

time

1375

00:44:27,990 --> 00:44:26,480

uh a mild heart attack they take him he

1376

00:44:29,990 --> 00:44:28,000

finally he gets through that

1377

00:44:31,990 --> 00:44:30,000

you know and everything and then later

1378

00:44:33,670 --> 00:44:32,000

on goes back to work on the house like

1379

00:44:35,030 --> 00:44:33,680

several months they locked the house up

1380

00:44:36,790 --> 00:44:35,040

during this time

1381

00:44:38,470 --> 00:44:36,800

several months and then he went back

1382

00:44:40,710 --> 00:44:38,480

over to do something or get something

1383

00:44:42,309 --> 00:44:40,720

boom kicks over with a stroke

1384

00:44:45,349 --> 00:44:42,319

and that's he's like that's it we're

1385

00:44:47,190 --> 00:44:45,359

done they ended up moving 20 miles away

1386

00:44:48,950 --> 00:44:47,200

and that's when i that's when i ended up

1387

00:44:50,470 --> 00:44:48,960

buying the place and they moved 20 miles

1388

00:44:51,910 --> 00:44:50,480

away and they sold the other properties

1389

00:44:52,470 --> 00:44:51,920

that are right next to it that they had

1390

00:44:54,230 --> 00:44:52,480

too

1391

00:44:55,270 --> 00:44:54,240

that's how strongly they felt that this

1392

00:44:56,710 --> 00:44:55,280

thing tried and they said they would

1393

00:44:58,230 --> 00:44:56,720

have stuff happening in their house that

1394

00:44:59,990 --> 00:44:58,240

was next door too that they couldn't

1395

00:45:00,630 --> 00:45:00,000

explain this thing was coming over there

1396

00:45:03,670 --> 00:45:00,640

now

1397

00:45:05,190 --> 00:45:03,680

done

1398

00:45:06,630 --> 00:45:05,200

so you know when people go through

1399

00:45:08,309 --> 00:45:06,640

something like that you know if they're

1400

00:45:09,270 --> 00:45:08,319

going to sell their property in their

1401

00:45:12,630 --> 00:45:09,280

homes you know

1402

00:45:14,790 --> 00:45:12,640

that there's some serious stuff going on

1403

00:45:16,710 --> 00:45:14,800

wow yeah i was going to ask you if there

1404

00:45:17,990 --> 00:45:16,720

were any neighbors there because i i was

1405

00:45:20,470 --> 00:45:18,000

just wondering if they were having

1406

00:45:21,990 --> 00:45:20,480

activity as well well there's another i

1407

00:45:23,430 --> 00:45:22,000

found out through some of the neighbors

1408

00:45:25,030 --> 00:45:23,440

there in the locals that there's another

1409

00:45:26,230 --> 00:45:25,040

house down the road that has a lot of

1410

00:45:28,230 --> 00:45:26,240

stuff going on too

1411

00:45:29,510 --> 00:45:28,240

and then another house that's kind of

1412

00:45:32,550 --> 00:45:29,520

close to that other one

1413

00:45:33,510 --> 00:45:32,560

but it it's a little bit farther away so

1414

00:45:36,069 --> 00:45:33,520

it seems like

1415

00:45:37,670 --> 00:45:36,079

also i found out there's some native

1416

00:45:38,710 --> 00:45:37,680

american burial mounds right in that

1417

00:45:40,630 --> 00:45:38,720

area as well

1418

00:45:42,230 --> 00:45:40,640

so all right they're surprised of that

1419

00:45:43,670 --> 00:45:42,240

yeah yeah there's all kind of stuff

1420

00:45:46,230 --> 00:45:43,680

going on native wise there

1421

00:45:46,790 --> 00:45:46,240

you know and another weird thing is so

1422

00:45:48,550 --> 00:45:46,800

during

1423

00:45:50,470 --> 00:45:48,560

the settlers and the native american

1424

00:45:52,230 --> 00:45:50,480

wars there with the french

1425

00:45:54,230 --> 00:45:52,240

they finally came to a peace agreement

1426

00:45:56,230 --> 00:45:54,240

and the chief at that time i forget what

1427

00:45:58,390 --> 00:45:56,240

his name is off top of my head but

1428

00:46:00,230 --> 00:45:58,400

the county is shaped like it's really

1429

00:46:02,390 --> 00:46:00,240

long and weird looking well

1430

00:46:03,910 --> 00:46:02,400

the chief went boom stuck his spear in

1431

00:46:06,150 --> 00:46:03,920

the ground and said

1432

00:46:07,990 --> 00:46:06,160

where the shadow hits that's your guys's

1433

00:46:08,870 --> 00:46:08,000

area and where the light hits that's our

1434

00:46:11,670 --> 00:46:08,880

area

1435

00:46:12,710 --> 00:46:11,680

so if you think about that that was very

1436

00:46:14,550 --> 00:46:12,720

significant

1437

00:46:17,109 --> 00:46:14,560

he gave the white cellars where the

1438

00:46:20,150 --> 00:46:17,119

shadow was the dark area

1439

00:46:21,670 --> 00:46:20,160

and they kept the light area so he he

1440

00:46:23,990 --> 00:46:21,680

knew what he was doing you know

1441

00:46:24,790 --> 00:46:24,000

he knew what he was doing like that to

1442

00:46:26,870 --> 00:46:24,800

this day

1443

00:46:28,069 --> 00:46:26,880

and that's like a legend a local legend

1444

00:46:30,069 --> 00:46:28,079

there that talks about

1445

00:46:31,349 --> 00:46:30,079

how the county got its shape and

1446

00:46:34,710 --> 00:46:31,359

everything

1447

00:46:36,069 --> 00:46:34,720

what tribe was there i'm not sure man

1448

00:46:37,829 --> 00:46:36,079

i think there was a couple of different

1449

00:46:40,550 --> 00:46:37,839

ones i don't know what tribe was in that

1450

00:46:40,950 --> 00:46:40,560

yeah i think it was uh i'd had to look

1451  
00:46:44,870 --> 00:46:40,960  
at

1452  
00:46:47,190 --> 00:46:44,880  
with indiana you know

1453  
00:46:49,190 --> 00:46:47,200  
so there was a lot of a lot of activity

1454  
00:46:51,190 --> 00:46:49,200  
in there you talked about the french and

1455  
00:46:53,510 --> 00:46:51,200  
all the battles they had yeah you're

1456  
00:46:55,270 --> 00:46:53,520  
right there was a lot going on there

1457  
00:46:57,109 --> 00:46:55,280  
yep i'd have to look i think there were

1458  
00:46:59,190 --> 00:46:57,119  
several tribes in that area you know

1459  
00:47:01,589 --> 00:46:59,200  
i mean that whole area in ohio with all

1460  
00:47:03,910 --> 00:47:01,599  
the you know the great serpent mound and

1461  
00:47:05,030 --> 00:47:03,920  
the circle mounds that from there all

1462  
00:47:06,950 --> 00:47:05,040  
the way through that area

1463  
00:47:08,470 --> 00:47:06,960

illinois is full of native american

1464

00:47:11,030 --> 00:47:08,480

stuff

1465

00:47:12,710 --> 00:47:11,040

so yeah i you know when i started

1466

00:47:14,390 --> 00:47:12,720

getting involved with all this stuff in

1467

00:47:15,430 --> 00:47:14,400

chicago with the wing humanoids and

1468

00:47:17,349 --> 00:47:15,440

stuff

1469

00:47:20,390 --> 00:47:17,359

uh you know we were getting sightings

1470

00:47:23,589 --> 00:47:20,400

down as far down into indiana as well

1471

00:47:25,030 --> 00:47:23,599

and uh i was just shocked all the crazy

1472

00:47:26,710 --> 00:47:25,040

stuff i was hearing from people

1473

00:47:29,589 --> 00:47:26,720

yeah i think it's all interrelated to

1474

00:47:32,710 --> 00:47:29,599

the native american uh

1475

00:47:34,150 --> 00:47:32,720

protection spirits and and curses i mean

1476

00:47:35,829 --> 00:47:34,160

basically let's face it

1477

00:47:37,030 --> 00:47:35,839

you know the white men take their land

1478

00:47:38,230 --> 00:47:37,040

they're gonna put a curse on you that's

1479

00:47:39,990 --> 00:47:38,240

just how it is

1480

00:47:41,910 --> 00:47:40,000

and uh same with you know thinking about

1481

00:47:43,750 --> 00:47:41,920

the ohio river valley chief cornstalk he

1482

00:47:45,510 --> 00:47:43,760

put a curse oh my god well you know i

1483

00:47:48,549 --> 00:47:45,520

was going to ask you about

1484

00:47:49,270 --> 00:47:48,559

point pleasant you know what's your

1485

00:47:52,390 --> 00:47:49,280

opinion

1486

00:47:54,069 --> 00:47:52,400

with the mothman thing i

1487

00:47:55,910 --> 00:47:54,079

you know since i've been doing these

1488

00:47:57,670 --> 00:47:55,920

other investigations and i've been to

1489

00:47:59,510 --> 00:47:57,680

point pleasant several times and have

1490

00:48:03,829 --> 00:47:59,520

done investigations there

1491

00:48:06,390 --> 00:48:03,839

i believe uh personally that the energy

1492

00:48:08,390 --> 00:48:06,400

is indigenous related because of all the

1493

00:48:10,230 --> 00:48:08,400

indian activity uh and you know they had

1494

00:48:12,069 --> 00:48:10,240

all these battles between

1495

00:48:13,270 --> 00:48:12,079

other tribes and the settlers and

1496

00:48:15,750 --> 00:48:13,280

everything it was

1497

00:48:17,829 --> 00:48:15,760

you know it was a hot area oh yeah i

1498

00:48:19,670 --> 00:48:17,839

mean two major rivers coming in there

1499

00:48:19,990 --> 00:48:19,680

you got the ohio and the kanawha meeting

1500

00:48:22,710 --> 00:48:20,000

right

1501

00:48:23,589 --> 00:48:22,720

there um there was revolutionary war

1502

00:48:27,510 --> 00:48:23,599

battles fought there

1503

00:48:29,430 --> 00:48:27,520

was way back and

1504

00:48:30,950 --> 00:48:29,440

of course they brought chief course talk

1505

00:48:33,430 --> 00:48:30,960

there under the guise of a peace

1506

00:48:35,430 --> 00:48:33,440

agreement and they killed him

1507

00:48:38,309 --> 00:48:35,440

you know he was the head honcho for that

1508

00:48:40,230 --> 00:48:38,319

whole area for many tribes and

1509

00:48:42,230 --> 00:48:40,240

and they they even talk about it you

1510

00:48:44,390 --> 00:48:42,240

know it says in the whole lord that he

1511

00:48:45,750 --> 00:48:44,400

on his dying breath he cursed that whole

1512

00:48:47,270 --> 00:48:45,760

area and

1513

00:48:49,750 --> 00:48:47,280

look what's happened there you've got

1514

00:48:51,589 --> 00:48:49,760

hauntings you've got major ufo sightings

1515

00:48:52,390 --> 00:48:51,599

and you've got of course the mothman and

1516

00:48:54,710 --> 00:48:52,400

other

1517

00:48:55,670 --> 00:48:54,720

strange beings cited all over that area

1518

00:48:57,750 --> 00:48:55,680

you know and

1519

00:48:59,030 --> 00:48:57,760

i 100 agree with you i think it's

1520

00:49:01,510 --> 00:48:59,040

indigenous related

1521

00:49:03,750 --> 00:49:01,520

you know and if you go back to ancient

1522

00:49:06,549 --> 00:49:03,760

folklore you've got the whole winged uh

1523

00:49:07,190 --> 00:49:06,559

pazuzu demon who's to say them all man

1524

00:49:09,270 --> 00:49:07,200

ain't some

1525

00:49:10,470 --> 00:49:09,280

form of that i mean i don't know you

1526

00:49:17,910 --> 00:49:10,480

know

1527

00:49:19,829 --> 00:49:17,920

of

1528

00:49:22,069 --> 00:49:19,839

evps that people have taken especially

1529

00:49:24,950 --> 00:49:22,079

around the old west virginia ordinance

1530

00:49:29,349 --> 00:49:24,960

works area down around the old tnt plant

1531

00:49:31,990 --> 00:49:29,359

and uh i am of the opinion that

1532

00:49:33,270 --> 00:49:32,000

moth man and maybe some of this other

1533

00:49:36,390 --> 00:49:33,280

stuff that people see

1534

00:49:37,190 --> 00:49:36,400

are summoned summoned by some strong

1535

00:49:40,390 --> 00:49:37,200

indigenous

1536

00:49:41,510 --> 00:49:40,400

spirit or as a protector or some type of

1537

00:49:44,309 --> 00:49:41,520

sentinel

1538

00:49:45,829 --> 00:49:44,319

you know that's just the sense i get

1539

00:49:48,069 --> 00:49:45,839

when i um

1540

00:49:48,950 --> 00:49:48,079

when i started really looking deep into

1541

00:49:52,470 --> 00:49:48,960

it and in fact

1542

00:49:55,910 --> 00:49:52,480

i i think a lot of these wing humanoids

1543

00:49:59,030 --> 00:49:55,920

may actually be summoned beings as well

1544

00:50:02,150 --> 00:49:59,040

now you know i had no proof of that but

1545

00:50:03,910 --> 00:50:02,160

it just seems interesting that uh

1546

00:50:06,630 --> 00:50:03,920

with all the crazy stuff that has

1547

00:50:09,109 --> 00:50:06,640

happened historically around that area

1548

00:50:09,670 --> 00:50:09,119

uh that this type of being would

1549

00:50:13,190 --> 00:50:09,680

actually

1550

00:50:14,150 --> 00:50:13,200

show up and uh you know and people don't

1551  
00:50:15,990 --> 00:50:14,160  
realize

1552  
00:50:18,230 --> 00:50:16,000  
there's still sightings around there i

1553  
00:50:21,750 --> 00:50:18,240  
mean the mothman settings are

1554  
00:50:23,990 --> 00:50:21,760  
continue around there oh yeah all around

1555  
00:50:24,870 --> 00:50:24,000  
all around west virginia pea i mean

1556  
00:50:27,510 --> 00:50:24,880  
they're

1557  
00:50:29,190 --> 00:50:27,520  
it's all and it seems to always be in a

1558  
00:50:30,069 --> 00:50:29,200  
native american hot spot for the most

1559  
00:50:31,589 --> 00:50:30,079  
part

1560  
00:50:33,270 --> 00:50:31,599  
you know i mean it really does even

1561  
00:50:35,190 --> 00:50:33,280  
these hauntings you know me and weather

1562  
00:50:37,349 --> 00:50:35,200  
we talk about all the time

1563  
00:50:39,030 --> 00:50:37,359

once we start delving into the land in

1564

00:50:41,030 --> 00:50:39,040

the area sure enough almost

1565

00:50:43,190 --> 00:50:41,040

every probably 90 something percent of

1566

00:50:45,750 --> 00:50:43,200

the time it's native american

1567

00:50:46,790 --> 00:50:45,760

uh native american hunting ground or

1568

00:50:48,630 --> 00:50:46,800

sacred land

1569

00:50:50,150 --> 00:50:48,640

way back when i mean it's something

1570

00:50:53,510 --> 00:50:50,160

related to these

1571

00:50:55,190 --> 00:50:53,520

uh indigenous tribes you know and uh

1572

00:50:57,349 --> 00:50:55,200

you have to take a hard look at that as

1573

00:50:59,270 --> 00:50:57,359

an investigator because it seems like

1574

00:51:02,150 --> 00:50:59,280

more and more things are going up

1575

00:51:03,990 --> 00:51:02,160

related to that aspect of it

1576

00:51:07,030 --> 00:51:04,000

well it's like the the place where i had

1577

00:51:08,630 --> 00:51:07,040

my my wing humanoid decided back in 88

1578

00:51:10,230 --> 00:51:08,640

which is actually just down the road

1579

00:51:13,829 --> 00:51:10,240

from me now

1580

00:51:16,790 --> 00:51:13,839

uh and uh it was a main area for uh

1581

00:51:18,549 --> 00:51:16,800

susquehanna indians they uh they

1582

00:51:19,990 --> 00:51:18,559

actually did a lot of raiding around

1583

00:51:23,109 --> 00:51:20,000

that area

1584

00:51:25,430 --> 00:51:23,119

uh historically they they had actually

1585

00:51:27,430 --> 00:51:25,440

taken a lot of settlers out of there

1586

00:51:27,990 --> 00:51:27,440

then the area became an actual trading

1587

00:51:31,510 --> 00:51:28,000

post

1588

00:51:32,470 --> 00:51:31,520

but um yeah i think uh i think the

1589

00:51:35,030 --> 00:51:32,480

influent the

1590

00:51:36,390 --> 00:51:35,040

indigenous influence in these beings is

1591

00:51:38,230 --> 00:51:36,400

strong

1592

00:51:39,910 --> 00:51:38,240

and uh you know i don't know how we're

1593

00:51:41,510 --> 00:51:39,920

ever going to figure it out but you know

1594

00:51:43,829 --> 00:51:41,520

you know tim brenner now tim renner is

1595

00:51:45,829 --> 00:51:43,839

part of my you know the fans of monsters

1596

00:51:47,430 --> 00:51:45,839

40 research team too and he's just down

1597

00:51:50,549 --> 00:51:47,440

the road for me

1598

00:51:51,510 --> 00:51:50,559

and that area where he has his he does

1599

00:51:53,829 --> 00:51:51,520

his work at

1600

00:51:55,750 --> 00:51:53,839

right there along the susquehanna

1601  
00:51:57,430 --> 00:51:55,760  
there's all kinds of crazy stuff showing

1602  
00:51:59,829 --> 00:51:57,440  
up there i mean you know

1603  
00:52:01,430 --> 00:51:59,839  
i did uh one of my previous

1604  
00:52:04,309 --> 00:52:01,440  
investigations lon was in

1605  
00:52:05,829 --> 00:52:04,319  
wilkes-barre pa believe it or not okay i

1606  
00:52:07,589 --> 00:52:05,839  
spent a month in this house

1607  
00:52:08,950 --> 00:52:07,599  
and then went back three more times at

1608  
00:52:12,630 --> 00:52:08,960  
two weeks at a time

1609  
00:52:14,790 --> 00:52:12,640  
was a small house no but it's

1610  
00:52:16,630 --> 00:52:14,800  
i can't really say it's pretty similar

1611  
00:52:17,030 --> 00:52:16,640  
yeah it's related to them i'll just say

1612  
00:52:20,710 --> 00:52:17,040  
that

1613  
00:52:22,309 --> 00:52:20,720

oh okay they deny it to this day but

1614

00:52:24,630 --> 00:52:22,319

it's a long story you'll see it in my

1615

00:52:27,750 --> 00:52:24,640

book coming out with me and earlier

1616

00:52:29,510 --> 00:52:27,760

but i actually had a meeting this guy

1617

00:52:31,910 --> 00:52:29,520

found out we were there turns out this

1618

00:52:33,589 --> 00:52:31,920

guy is a high up in the native american

1619

00:52:34,790 --> 00:52:33,599

susquehanna tribe i mean probably the

1620

00:52:36,710 --> 00:52:34,800

highest dude up there

1621

00:52:38,309 --> 00:52:36,720

his grandma was the chief of that tribe

1622

00:52:40,230 --> 00:52:38,319

let's just put it that way

1623

00:52:42,630 --> 00:52:40,240

and we couldn't film him we couldn't

1624

00:52:44,150 --> 00:52:42,640

record him anything but we had a secret

1625

00:52:46,230 --> 00:52:44,160

meeting with this guy

1626  
00:52:47,990 --> 00:52:46,240  
takes us to this restaurant it's all we

1627  
00:52:48,549 --> 00:52:48,000  
have to meet in the back and then we go

1628  
00:52:51,109 --> 00:52:48,559  
in

1629  
00:52:53,109 --> 00:52:51,119  
this huge russian dude comes out and

1630  
00:52:55,510 --> 00:52:53,119  
he's just like

1631  
00:52:57,510 --> 00:52:55,520  
and he lets us in he's like no cameras

1632  
00:52:59,109 --> 00:52:57,520  
no recorders we go into this restaurant

1633  
00:53:00,230 --> 00:52:59,119  
it's just the jeep and his assistant

1634  
00:53:02,790 --> 00:53:00,240  
over there

1635  
00:53:04,549 --> 00:53:02,800  
and we meet this guy and a very

1636  
00:53:06,950 --> 00:53:04,559  
well-known person was with me

1637  
00:53:08,950 --> 00:53:06,960  
uh we'll just say his initials are jay-z

1638  
00:53:12,790 --> 00:53:08,960

figure it out for yourself okay

1639

00:53:14,790 --> 00:53:12,800

um when you shook this man's hand you

1640

00:53:15,510 --> 00:53:14,800

felt the energy coming off of him and he

1641

00:53:17,990 --> 00:53:15,520

told us

1642

00:53:19,829 --> 00:53:18,000

that and he brought out all these family

1643

00:53:20,230 --> 00:53:19,839

pictures and pictures of the whole area

1644

00:53:22,870 --> 00:53:20,240

from

1645

00:53:24,549 --> 00:53:22,880

way back i mean we're talking some of

1646

00:53:27,030 --> 00:53:24,559

the first pictures ever taken in that

1647

00:53:28,950 --> 00:53:27,040

area of his tribe and everything else

1648

00:53:30,470 --> 00:53:28,960

and he said see this this area right

1649

00:53:32,790 --> 00:53:30,480

here and it showed all these native

1650

00:53:35,030 --> 00:53:32,800

american graves that had been desecrated

1651  
00:53:37,030 --> 00:53:35,040  
he said that house you guys are in sets

1652  
00:53:38,870 --> 00:53:37,040  
right where these graves were

1653  
00:53:40,630 --> 00:53:38,880  
he said the only thing that's going to

1654  
00:53:42,069 --> 00:53:40,640  
stop the activity in that house is

1655  
00:53:43,750 --> 00:53:42,079  
you're going to have to tear that house

1656  
00:53:45,190 --> 00:53:43,760  
down and you're gonna have to build a

1657  
00:53:46,630 --> 00:53:45,200  
medicine garden

1658  
00:53:48,390 --> 00:53:46,640  
and you're gonna have to have a water

1659  
00:53:50,150 --> 00:53:48,400  
feature he said i'm gonna give you some

1660  
00:53:51,750 --> 00:53:50,160  
things to do that you can slow it down

1661  
00:53:53,589 --> 00:53:51,760  
but it's not gonna satisfy

1662  
00:53:55,109 --> 00:53:53,599  
the elemental native american spirits

1663  
00:53:58,150 --> 00:53:55,119

until you do this

1664

00:53:58,950 --> 00:53:58,160

because those graves were desecrated and

1665

00:54:00,309 --> 00:53:58,960

of course the guy

1666

00:54:02,069 --> 00:54:00,319

didn't know i was working with at the

1667

00:54:04,309 --> 00:54:02,079

time um

1668

00:54:06,069 --> 00:54:04,319

he had bought in the house like i did

1669

00:54:07,030 --> 00:54:06,079

the willow's weep house to study the

1670

00:54:08,630 --> 00:54:07,040

paranormal

1671

00:54:10,950 --> 00:54:08,640

he's like i can't do that i can't do

1672

00:54:12,309 --> 00:54:10,960

that he goes well he goes you're asking

1673

00:54:15,670 --> 00:54:12,319

for trouble son you know and

1674

00:54:16,230 --> 00:54:15,680

i mean and this and that and um end up

1675

00:54:20,309 --> 00:54:16,240

we all

1676  
00:54:21,109 --> 00:54:20,319  
that except for me and you know me and

1677  
00:54:22,829 --> 00:54:21,119  
jay-z are

1678  
00:54:24,470 --> 00:54:22,839  
obviously into some a couple other

1679  
00:54:26,870 --> 00:54:24,480  
people but

1680  
00:54:27,910 --> 00:54:26,880  
a lot of bad things happened to all of

1681  
00:54:30,549 --> 00:54:27,920  
us after that

1682  
00:54:31,829 --> 00:54:30,559  
and uh i ended up right after that

1683  
00:54:33,349 --> 00:54:31,839  
investigation is when i

1684  
00:54:35,829 --> 00:54:33,359  
ended the friendship with this guy and

1685  
00:54:38,150 --> 00:54:35,839  
then i noticed this weird lump on my leg

1686  
00:54:39,670 --> 00:54:38,160  
right looked like an ingrown hair like a

1687  
00:54:40,950 --> 00:54:39,680  
pimple well

1688  
00:54:43,109 --> 00:54:40,960

after a little bit longer got a little

1689

00:54:44,230 --> 00:54:43,119

bit bigger got the size of about a dime

1690

00:54:46,150 --> 00:54:44,240

and it got the size about

1691

00:54:47,829 --> 00:54:46,160

the nickel and i said man i'm gonna go

1692

00:54:48,870 --> 00:54:47,839

get this checked out the doctor at the

1693

00:54:50,870 --> 00:54:48,880

va

1694

00:54:52,309 --> 00:54:50,880

went down there my doctor started

1695

00:54:54,470 --> 00:54:52,319

pushing her and she starts she said let

1696

00:54:55,990 --> 00:54:54,480

me go stand up here on this table

1697

00:54:58,230 --> 00:54:56,000

started pushing on my leg and she's like

1698

00:54:59,670 --> 00:54:58,240

oh my god i'm like don't be saying that

1699

00:55:00,950 --> 00:54:59,680

you know what's the problem she goes

1700

00:55:03,990 --> 00:55:00,960

i'm sending you upstairs for an

1701  
00:55:06,230 --> 00:55:04,000  
ultrasound right now and i go up there

1702  
00:55:07,910 --> 00:55:06,240  
you know and i turns out i have a mass

1703  
00:55:10,230 --> 00:55:07,920  
in my leg bigger than a softball

1704  
00:55:11,510 --> 00:55:10,240  
came out of nowhere right after that

1705  
00:55:15,030 --> 00:55:11,520  
investigation

1706  
00:55:16,549 --> 00:55:15,040  
wow um so i have within two weeks i'm in

1707  
00:55:17,910 --> 00:55:16,559  
surgery and they pull this thing out i

1708  
00:55:18,870 --> 00:55:17,920  
said i want pictures of that take

1709  
00:55:20,390 --> 00:55:18,880  
pictures of it

1710  
00:55:22,630 --> 00:55:20,400  
so they took pictures of the thing was

1711  
00:55:24,230 --> 00:55:22,640  
like this big like a softball man

1712  
00:55:26,309 --> 00:55:24,240  
so they sent it off for testing of

1713  
00:55:27,910 --> 00:55:26,319

course and the doctor's like man

1714

00:55:29,109 --> 00:55:27,920

i met him he's like scratching his head

1715

00:55:29,829 --> 00:55:29,119

as he goes this is one of the weirdest

1716

00:55:31,349 --> 00:55:29,839

things i ever see

1717

00:55:33,270 --> 00:55:31,359

number one for the location it's in

1718

00:55:35,349 --> 00:55:33,280

number two it's not

1719

00:55:36,710 --> 00:55:35,359

it has cancer in it but it's not cancer

1720

00:55:38,630 --> 00:55:36,720

it doesn't make any sense

1721

00:55:41,670 --> 00:55:38,640

and they even had a weird instead of a

1722

00:55:45,030 --> 00:55:42,789

i'm trying to think of what they were

1723

00:55:45,750 --> 00:55:45,040

okay it's not a there's a they call it a

1724

00:55:47,190 --> 00:55:45,760

scar

1725

00:55:49,190 --> 00:55:47,200

but there's another name for regular

1726

00:55:50,789 --> 00:55:49,200

cancer um so no

1727

00:55:53,829 --> 00:55:50,799

like sonoma or something what's that

1728

00:55:56,789 --> 00:55:53,839

other one there's this one and now

1729

00:55:58,789 --> 00:55:56,799

sarcoma yeah this was a scar noma they

1730

00:56:02,390 --> 00:55:58,799

called it something totally different

1731

00:56:04,789 --> 00:56:02,400

and he's like it's it's very bizarre and

1732

00:56:06,390 --> 00:56:04,799

um and at that time i was having these

1733

00:56:08,150 --> 00:56:06,400

dreams every night that these black i

1734

00:56:09,750 --> 00:56:08,160

was in this black cloud was around me

1735

00:56:12,069 --> 00:56:09,760

and these arms were coming out

1736

00:56:13,109 --> 00:56:12,079

trying to grab me these black arms and

1737

00:56:13,670 --> 00:56:13,119

every night they would get a little

1738

00:56:15,030 --> 00:56:13,680

closer

1739

00:56:16,630 --> 00:56:15,040

and then one night they finally grabbed

1740

00:56:18,230 --> 00:56:16,640

a hold of my arm and i went like that

1741

00:56:21,670 --> 00:56:18,240

this is all in my dream right

1742

00:56:23,030 --> 00:56:21,680

i woke up sweating profusely and my

1743

00:56:24,309 --> 00:56:23,040

shirt had a little rip and i had a

1744

00:56:26,230 --> 00:56:24,319

scratch on my arm

1745

00:56:27,670 --> 00:56:26,240

that's what i knew i got an attachment

1746

00:56:29,990 --> 00:56:27,680

from this [h\_\_\h] place

1747

00:56:33,750 --> 00:56:30,000

i went and got voiced by a catholic

1748

00:56:37,510 --> 00:56:36,069

and at that time man i was going through

1749

00:56:40,630 --> 00:56:37,520

a really

1750

00:56:41,670 --> 00:56:40,640

really bad divorce and i had financial

1751

00:56:43,270 --> 00:56:41,680

difficulties like

1752

00:56:45,270 --> 00:56:43,280

i almost went totally broke all this

1753

00:56:45,910 --> 00:56:45,280

stuff was going on as soon as i did that

1754

00:56:48,950 --> 00:56:45,920

cleansing

1755

00:56:51,589 --> 00:56:48,960

everything turned around overnight so

1756

00:56:53,510 --> 00:56:51,599

i knew that i'd carry home something

1757

00:56:56,230 --> 00:56:53,520

from that investigation

1758

00:56:56,710 --> 00:56:56,240

and contacted that that that native

1759

00:56:58,710 --> 00:56:56,720

american

1760

00:57:00,710 --> 00:56:58,720

he said i'm going to give you a name and

1761

00:57:03,349 --> 00:57:00,720

a number you call this man and

1762

00:57:05,829 --> 00:57:03,359

he's a shaman he will help you and he's

1763

00:57:07,990 --> 00:57:05,839

one of the ones that i had to do that

1764

00:57:09,589 --> 00:57:08,000

and i also had to do some stuff on me

1765

00:57:12,630 --> 00:57:09,599

because he's a shaman too

1766

00:57:14,470 --> 00:57:12,640

so this stuff is dangerous it can

1767

00:57:17,109 --> 00:57:14,480

and will affect you let me tell you i've

1768

00:57:18,789 --> 00:57:17,119

experienced it and it's not fun

1769

00:57:20,870 --> 00:57:18,799

and i went through i had to go through

1770

00:57:23,109 --> 00:57:20,880

like three major surgeries and i

1771

00:57:24,630 --> 00:57:23,119

i can't say it's paranormal 100 because

1772

00:57:25,750 --> 00:57:24,640

i can't prove it but it's so

1773

00:57:27,190 --> 00:57:25,760

coincidental

1774

00:57:29,030 --> 00:57:27,200

what's the chance is this thing comes

1775

00:57:30,150 --> 00:57:29,040

out of nowhere right after this crazy

1776

00:57:32,630 --> 00:57:30,160

investigation

1777

00:57:34,150 --> 00:57:32,640

npa in a native american site sacred

1778

00:57:36,150 --> 00:57:34,160

native american site

1779

00:57:37,190 --> 00:57:36,160

and these things are pissed let me tell

1780

00:57:43,190 --> 00:57:37,200

you

1781

00:57:46,150 --> 00:57:43,200

that whole area up there wilkes-barre

1782

00:57:48,549 --> 00:57:46,160

scranton i have had some crazy

1783

00:57:49,190 --> 00:57:48,559

crazy incidents reported me from up

1784

00:57:51,510 --> 00:57:49,200

there

1785

00:57:52,789 --> 00:57:51,520

you know that's a big upgrade canine

1786

00:57:55,430 --> 00:57:52,799

dogman area now

1787

00:57:56,870 --> 00:57:55,440

i mean we have been getting a lot of

1788

00:57:59,510 --> 00:57:56,880

sightings around there's some

1789

00:58:01,349 --> 00:57:59,520

big mountains in that area man and yeah

1790

00:58:02,789 --> 00:58:01,359

volcanoes up there and

1791

00:58:04,710 --> 00:58:02,799

let me tell you something if you do a

1792

00:58:07,349 --> 00:58:04,720

little research there's a ton

1793

00:58:08,069 --> 00:58:07,359

of satanic groups in that area a ton of

1794

00:58:10,470 --> 00:58:08,079

them

1795

00:58:11,349 --> 00:58:10,480

yes and there's newspaper articles uh

1796

00:58:14,150 --> 00:58:11,359

there's

1797

00:58:14,870 --> 00:58:14,160

satanic murders up in there and and you

1798

00:58:16,870 --> 00:58:14,880

can look it up

1799

00:58:17,910 --> 00:58:16,880

there's a whole bunch of covens up there

1800

00:58:19,589 --> 00:58:17,920

i mean it's there

1801

00:58:21,109 --> 00:58:19,599

so that that's kind of when you're

1802

00:58:22,789 --> 00:58:21,119

talking about these uh

1803

00:58:24,390 --> 00:58:22,799

dogman and these black dog type

1804

00:58:26,150 --> 00:58:24,400

sightings um you know that

1805

00:58:28,710 --> 00:58:26,160

that can run right along with that type

1806

00:58:31,430 --> 00:58:28,720

of practice

1807

00:58:33,270 --> 00:58:31,440

yeah we've yeah in recent years we have

1808

00:58:36,470 --> 00:58:33,280

been getting a lot of sightings of these

1809

00:58:38,150 --> 00:58:36,480

upright canines in that area uh

1810

00:58:39,670 --> 00:58:38,160

and of course you talk about the poke

1811

00:58:43,589 --> 00:58:39,680

and those we have getting there

1812

00:58:46,390 --> 00:58:43,599

too uh it is it's bizarre

1813

00:58:48,630 --> 00:58:46,400

well back when me and weatherly wrote

1814

00:58:51,589 --> 00:58:48,640

that book on this what was coming out

1815

00:58:53,190 --> 00:58:51,599

yeah it that that little town wilkes bar

1816

00:58:54,230 --> 00:58:53,200

is not that big it's a good sized city

1817

00:58:56,870 --> 00:58:54,240

but it's right

1818

00:58:58,470 --> 00:58:56,880

but it happens river is a higher moon

1819

00:59:01,109 --> 00:58:58,480

rate than new york city

1820

00:59:03,030 --> 00:59:01,119

mind you oh that doesn't surprise me

1821

00:59:05,109 --> 00:59:03,040

that native american told us that that

1822

00:59:06,309 --> 00:59:05,119

used to be that tribe sacred medicine

1823

00:59:08,069 --> 00:59:06,319

garden area that whole

1824

00:59:09,349 --> 00:59:08,079

area because they had beautiful springs

1825

00:59:11,030 --> 00:59:09,359

there they grew all their medicines

1826

00:59:13,910 --> 00:59:11,040

there and then the whites came in

1827

00:59:14,789 --> 00:59:13,920

huge battles lots died there too and

1828

00:59:18,309 --> 00:59:14,799

boom

1829

00:59:22,069 --> 00:59:18,319

now look what's going on wow

1830

00:59:25,510 --> 00:59:22,079

you know um during during agnes

1831

00:59:29,030 --> 00:59:25,520

uh tropical storm agnes back in 72

1832

00:59:33,109 --> 00:59:29,040

that wilkes-barre area really got nailed

1833

00:59:35,349 --> 00:59:33,119

i mean yeah oh it was terrible

1834

00:59:38,069 --> 00:59:35,359

i mean the river was tearing up

1835

00:59:40,309 --> 00:59:38,079

cemeteries it was that bad you know

1836

00:59:41,430 --> 00:59:40,319

the whole way you know but wilkes i know

1837

00:59:44,789 --> 00:59:41,440

wilkesboro got hit

1838

00:59:47,190 --> 00:59:44,799

bad and i have talked to several people

1839

00:59:50,069 --> 00:59:47,200

and they tell me things just not have

1840

00:59:51,109 --> 00:59:50,079

have not gotten better since the floods

1841

00:59:53,349 --> 00:59:51,119

up there

1842

00:59:55,349 --> 00:59:53,359

uh i don't know if it brought something

1843

00:59:57,030 --> 00:59:55,359

out or did something but

1844

00:59:58,710 --> 00:59:57,040

i think it's one of the places like we

1845

01:00:01,910 --> 00:59:58,720

talked about it yeah

1846

01:00:02,549 --> 01:00:01,920

i really do interesting well i tell you

1847

01:00:05,589 --> 01:00:02,559

dave

1848

01:00:06,150 --> 01:00:05,599

you know uh is there anything else you

1849

01:00:08,549 --> 01:00:06,160

want to

1850

01:00:09,589 --> 01:00:08,559

tell us about your website or whatever

1851  
01:00:11,589 --> 01:00:09,599  
and

1852  
01:00:13,430 --> 01:00:11,599  
um scare network dot tv guys that's

1853  
01:00:14,789 --> 01:00:13,440  
gonna be a fun time

1854  
01:00:16,630 --> 01:00:14,799  
going to get a lot of other

1855  
01:00:19,109 --> 01:00:16,640  
investigators involved with that as time

1856  
01:00:20,950 --> 01:00:19,119  
goes on a lot of content on there and um

1857  
01:00:23,190 --> 01:00:20,960  
it's all going to be the real you know

1858  
01:00:24,150 --> 01:00:23,200  
it's it's no tv production companies

1859  
01:00:26,549 --> 01:00:24,160  
involved

1860  
01:00:29,589 --> 01:00:26,559  
and uh what we do paranormally on there

1861  
01:00:31,670 --> 01:00:29,599  
is it should open your eyes

1862  
01:00:33,670 --> 01:00:31,680  
well you get that going i'm gonna have

1863  
01:00:35,109 --> 01:00:33,680

you come back on here and we'll uh help

1864

01:00:37,589 --> 01:00:35,119

promote it for you okay

1865

01:00:39,910 --> 01:00:37,599

cool man i appreciate it will you take

1866

01:00:41,190 --> 01:00:39,920

care and have a good weekend and i'll be

1867

01:00:42,870 --> 01:00:41,200

talking to you soon

1868

01:00:46,390 --> 01:00:42,880

you too lon take care thanks for having

1869

01:00:48,390 --> 01:00:46,400

me okay you take care now

1870

01:00:50,390 --> 01:00:48,400

now if you have an unexplained encounter

1871

01:00:52,230 --> 01:00:50,400

sighting feel free to contact me through

1872

01:00:53,829 --> 01:00:52,240

the phantoms of monsters blog site if

1873

01:00:54,950 --> 01:00:53,839

you're interested in supporting phantoms

1874

01:00:56,870 --> 01:00:54,960

of monsters

1875

01:00:58,230 --> 01:00:56,880

and arcane radio you can use paypal

1876

01:01:01,349 --> 01:00:58,240

donation

1877

01:01:04,150 --> 01:01:01,359

buttons on the blog and newsletter uh

1878

01:01:05,910 --> 01:01:04,160

this youtube channel beyond explanation

1879

01:01:09,109 --> 01:01:05,920

new content

1880

01:01:11,270 --> 01:01:09,119

coming in we're we got a bunch of shows

1881

01:01:12,309 --> 01:01:11,280

on here now we've got a few things

1882

01:01:15,349 --> 01:01:12,319

coming up very

1883

01:01:15,750 --> 01:01:15,359

soon which we will have an announcement

1884

01:01:19,750 --> 01:01:15,760

next

1885

01:01:22,630 --> 01:01:19,760

wednesday uh about a few new things so

1886

01:01:23,990 --> 01:01:22,640

make sure on the ashland anything so

1887

01:01:25,990 --> 01:01:24,000

make sure you come on wednesday

1888

01:01:27,030 --> 01:01:26,000

night and then we'll you know you can

1889

01:01:29,349 --> 01:01:27,040

hear that and

1890

01:01:31,190 --> 01:01:29,359

ask some questions and get the whole

1891

01:01:34,470 --> 01:01:31,200

skinny on that

1892

01:01:35,910 --> 01:01:34,480

so uh and of course come on check it out

1893

01:01:37,990 --> 01:01:35,920

and subscribe

1894

01:01:39,670 --> 01:01:38,000

i want to again thank dave spansks for

1895

01:01:41,589 --> 01:01:39,680

coming on this evening i want to thank

1896

01:01:43,670 --> 01:01:41,599

you for listening to the show

1897

01:01:44,829 --> 01:01:43,680

stay healthy have a safe and enjoyable
