[Applause]

5  
00:00:21,910 --> 00:00:19,670  
welcome to the best of first person

6  
00:00:24,790 --> 00:00:21,920  
episodes of phantoms and monsters

please like subscribe and hit the bell

9  
00:00:35,430 --> 00:00:34,790  
red eyed creatures my name is brian d

10  
00:00:37,910 --> 00:00:35,440  
birch

11  
00:00:39,990 --> 00:00:37,920  
i'm a 75 year old who not only has had

12  
00:00:41,750 --> 00:00:40,000  
close encounters with ufos but i came

13  
00:00:43,430 --> 00:00:41,760

face to face with two of the occupants

14

00:00:45,430 --> 00:00:43,440

when i was age 19.

15

00:00:47,190 --> 00:00:45,440

another nut case many might remark if

16

00:00:48,950 --> 00:00:47,200

not to my face rest or should i have

17

00:00:50,470 --> 00:00:48,960

after all no witness to that encounter

18

00:00:52,069 --> 00:00:50,480

that took place here in the uk

19

00:00:54,950 --> 00:00:52,079

as my brother dennis departed these

20

00:00:56,389 --> 00:00:54,960

shores to live in australia in 1969.

21

00:00:58,229 --> 00:00:56,399

he would however attest to that which

22

00:01:00,310 --> 00:00:58,239

took place 10 years earlier on the first

23

00:01:01,750 --> 00:01:00,320

sunday of january 1959

24

00:01:04,070 --> 00:01:01,760

because he shared that terrifying

25

00:01:05,910 --> 00:01:04,080

encounter with me my family members are

26  
00:01:07,910 --> 00:01:05,920  
fully aware of what my brother den and i

27  
00:01:08,550 --> 00:01:07,920  
experienced that traumatic early morning

28  
00:01:10,310 --> 00:01:08,560  
hour

29  
00:01:11,910 --> 00:01:10,320  
because i have reiterated that account

30  
00:01:13,510 --> 00:01:11,920  
of that mind-blowing experience

31  
00:01:15,749 --> 00:01:13,520  
countless times since

32  
00:01:17,510 --> 00:01:15,759  
it happened at approximately 200 hours

33  
00:01:19,789 --> 00:01:17,520  
when den and i were on route home along

34  
00:01:20,950 --> 00:01:19,799  
the a3 route from portsmouth on dennis

35  
00:01:24,230 --> 00:01:20,960  
125

36  
00:01:25,190 --> 00:01:24,240  
ccbs a bantam motorcycle he had taken

37  
00:01:27,190 --> 00:01:25,200  
our younger brother

38  
00:01:28,390 --> 00:01:27,200

rob back to his royal marine barracks

39

00:01:30,230 --> 00:01:28,400

near portsmouth

40

00:01:32,230 --> 00:01:30,240

both rob and i were serving in the royal

41

00:01:34,069 --> 00:01:32,240

marines and our two weeks christmas

42

00:01:34,710 --> 00:01:34,079

leave had overlapped one and others by

43

00:01:39,030 --> 00:01:34,720

one week

44

00:01:40,630 --> 00:01:39,040

mine i had taken rob's railway warrant

45

00:01:42,550 --> 00:01:40,640

which i was entitled to as a fellow

46

00:01:44,630 --> 00:01:42,560

royal marine to meet both brothers at

47

00:01:46,310 --> 00:01:44,640

portsmouth and south sea railway station

48

00:01:47,830 --> 00:01:46,320

dennis having taken rob there on the

49

00:01:49,830 --> 00:01:47,840

pinion of his motorbike

50

00:01:51,749 --> 00:01:49,840

my intention was to say goodbye to rob

51  
00:01:52,710 --> 00:01:51,759  
at the station and then to return home

52  
00:01:54,710 --> 00:01:52,720  
with dennis

53  
00:01:55,990 --> 00:01:54,720  
i had little else to do and i welcomed

54  
00:01:57,670 --> 00:01:56,000  
the ride in the company

55  
00:01:59,350 --> 00:01:57,680  
i remember that night the brother was at

56  
00:02:01,429 --> 00:01:59,360  
the station when i arrived there and i

57  
00:02:01,910 --> 00:02:01,439  
had to wait some time before den turned

58  
00:02:03,910 --> 00:02:01,920  
up

59  
00:02:05,510 --> 00:02:03,920  
his motorbike had incurred a front tire

60  
00:02:07,109 --> 00:02:05,520  
puncture although i have a feeling that

61  
00:02:08,070 --> 00:02:07,119  
i was late arriving at portsmouth and

62  
00:02:10,309 --> 00:02:08,080  
south sea railway

63  
00:02:12,070 --> 00:02:10,319

station through some delay or other when

64

00:02:13,670 --> 00:02:12,080

i'd last met up with then he told me

65

00:02:14,229 --> 00:02:13,680

that rob had continued onward to his

66

00:02:15,910 --> 00:02:14,239

barracks

67

00:02:17,350 --> 00:02:15,920

as he had to be there by three minutes

68

00:02:19,270 --> 00:02:17,360

to midnight thus

69

00:02:20,390 --> 00:02:19,280

i mounted the pigeon of den's motorbike

70

00:02:22,390 --> 00:02:20,400

well after midnight

71

00:02:24,390 --> 00:02:22,400

and very soon we left portsmouth far

72

00:02:26,309 --> 00:02:24,400

behind i remember that it was bitter

73

00:02:28,229 --> 00:02:26,319

cold and i clung behind my brother's

74

00:02:29,110 --> 00:02:28,239

body to shield myself from that bitter

75

00:02:31,110 --> 00:02:29,120

cold air

76

00:02:33,030 --> 00:02:31,120

i wore only a light blue summer jacket

77

00:02:35,110 --> 00:02:33,040

and light formed summer trousers

78

00:02:36,470 --> 00:02:35,120

aside from my uniform i possessed few

79

00:02:39,350 --> 00:02:36,480

civilian clothes

80

00:02:41,270 --> 00:02:39,360

thus we rode along the a3 i was silent

81

00:02:41,990 --> 00:02:41,280

alone with thoughts of my own return to

82

00:02:44,390 --> 00:02:42,000

my rm

83

00:02:45,430 --> 00:02:44,400

barracks a week later conversing was out

84

00:02:47,350 --> 00:02:45,440

of the question

85

00:02:49,110 --> 00:02:47,360

even shouting loudly was ineffective in

86

00:02:50,869 --> 00:02:49,120

the slipstream as we sped along

87

00:02:52,869 --> 00:02:50,879

the whole route was bereft of traffic

88

00:02:54,150 --> 00:02:52,879

and eventually we found ourselves riding

89

00:02:55,589 --> 00:02:54,160

around the perimeter of the devil's

90

00:02:57,670 --> 00:02:55,599

punch ball at hind head

91

00:02:58,869 --> 00:02:57,680

at one point as we were almost about to

92

00:03:00,710 --> 00:02:58,879

leave the ball behind

93

00:03:02,630 --> 00:03:00,720

so den suddenly steered the motorbike

94

00:03:04,869 --> 00:03:02,640

onto the grass and the engine cut

95

00:03:06,550 --> 00:03:04,879

problem dennis assured me there wasn't a

96

00:03:08,630 --> 00:03:06,560

problem but that it was a good spot to

97

00:03:10,309 --> 00:03:08,640

take a breather and to spend a penny

98

00:03:12,070 --> 00:03:10,319

so we stood there on the swathe of grass

99

00:03:13,509 --> 00:03:12,080

overlooking the deep ball-shaped valley

100

00:03:15,190 --> 00:03:13,519

stretching away before us

101  
00:03:16,790 --> 00:03:15,200  
the sounds of the wind of the motorbike

102  
00:03:18,550 --> 00:03:16,800  
engine took several minutes to disperse

103  
00:03:20,550 --> 00:03:18,560  
from ours and it was good to get some

104  
00:03:22,229 --> 00:03:20,560  
respite from that bitter cold wind

105  
00:03:24,390 --> 00:03:22,239  
then as the ghost sound of wind and

106  
00:03:25,910 --> 00:03:24,400  
engine dispersed so we noticed a strange

107  
00:03:26,789 --> 00:03:25,920  
sound emanating from down in the punch

108  
00:03:28,630 --> 00:03:26,799  
bowl itself

109  
00:03:29,830 --> 00:03:28,640  
a sound impossible to describe except

110  
00:03:31,509 --> 00:03:29,840  
maybe that it was almost

111  
00:03:33,270 --> 00:03:31,519  
musical to the is like the azdek of a

112  
00:03:34,630 --> 00:03:33,280  
submarine and yet at the same time

113  
00:03:36,390 --> 00:03:34,640

really nothing like it

114

00:03:37,910 --> 00:03:36,400

we had never heard such a weird sound

115

00:03:39,430 --> 00:03:37,920

before and there was nothing with which

116

00:03:41,030 --> 00:03:39,440

to otherwise compare it

117

00:03:42,470 --> 00:03:41,040

puzzled and exceedingly curious we

118

00:03:43,830 --> 00:03:42,480

elected to make our way down into the

119

00:03:45,030 --> 00:03:43,840

punch bowl to discover the source of

120

00:03:46,869 --> 00:03:45,040

that mysterious sound

121

00:03:48,949 --> 00:03:46,879

there was an initial very steep slope of

122

00:03:50,710 --> 00:03:48,959

maybe 30 feet or so that we were obliged

123

00:03:52,229 --> 00:03:50,720

to descend on our backsides

124

00:03:53,830 --> 00:03:52,239

then with then leading the way we were

125

00:03:55,350 --> 00:03:53,840

able to continue on downwards along a

126

00:03:56,390 --> 00:03:55,360

belly discernable but more gently

127

00:03:58,149 --> 00:03:56,400

descending track

128

00:03:59,990 --> 00:03:58,159

how long we were making our way steadily

129

00:04:01,429 --> 00:04:00,000

deeper i don't know but we were quite a

130

00:04:03,030 --> 00:04:01,439

long way down there and to me the weird

131

00:04:04,869 --> 00:04:03,040

musical sound was becoming ever more

132

00:04:06,309 --> 00:04:04,879

mysterious and much louder as we came

133

00:04:08,149 --> 00:04:06,319

closer to its source

134

00:04:09,910 --> 00:04:08,159

what's more as we drew closer to that

135

00:04:12,070 --> 00:04:09,920

source i developed a strong sense of

136

00:04:14,229 --> 00:04:12,080

unease that persisted as we proceeded

137

00:04:15,429 --> 00:04:14,239

soon afterwards den stopped abruptly and

138

00:04:17,430 --> 00:04:15,439

turned to me to express

139

00:04:18,949 --> 00:04:17,440

that he had a bad feeling and added i

140

00:04:20,550 --> 00:04:18,959

think we should turn back

141

00:04:22,230 --> 00:04:20,560

looking back in the direction of whence

142

00:04:23,590 --> 00:04:22,240

we had come i could see that it we had

143

00:04:24,469 --> 00:04:23,600

in fact travelled an uncomfortable

144

00:04:26,150 --> 00:04:24,479

distance away

145

00:04:27,830 --> 00:04:26,160

and in hushed tones i readily agreed

146

00:04:29,110 --> 00:04:27,840

with my brother that maybe we should

147

00:04:31,030 --> 00:04:29,120

indeed turn back

148

00:04:32,390 --> 00:04:31,040

literally at that precise moment before

149

00:04:34,310 --> 00:04:32,400

we had even turned around

150

00:04:36,310 --> 00:04:34,320

they came a sudden momentarily silences

151  
00:04:38,070 --> 00:04:36,320  
that weird sound abruptly ceased

152  
00:04:39,909 --> 00:04:38,080  
what occurred next is equally difficult

153  
00:04:41,749 --> 00:04:39,919  
to describe there was a sound

154  
00:04:43,590 --> 00:04:41,759  
almost like that of displaced air i can

155  
00:04:45,590 --> 00:04:43,600  
explain it no better than that

156  
00:04:47,510 --> 00:04:45,600  
then this sound rose vertically into the

157  
00:04:48,710 --> 00:04:47,520  
air very close to where we stood

158  
00:04:50,310 --> 00:04:48,720  
we both dropped to the ground

159  
00:04:51,670 --> 00:04:50,320  
instinctively in an effort to silhouette

160  
00:04:52,790 --> 00:04:51,680  
the object against that brilliant

161  
00:04:54,550 --> 00:04:52,800  
backdrop of stars

162  
00:04:56,230 --> 00:04:54,560  
but we saw nothing even though we were

163  
00:04:57,830 --> 00:04:56,240

able to follow the path of travel by the

164

00:04:59,670 --> 00:04:57,840

strange sound it was emitting

165

00:05:01,430 --> 00:04:59,680

it appeared to travel somehow away to

166

00:05:02,950 --> 00:05:01,440

our right and then swooped back around

167

00:05:04,870 --> 00:05:02,960

to head back towards us

168

00:05:06,469 --> 00:05:04,880

the terrific crash that ensued as it

169

00:05:08,230 --> 00:05:06,479

struck the ground was deafening and

170

00:05:10,310 --> 00:05:08,240

ought to have been heard as far away as

171

00:05:11,830 --> 00:05:10,320

guilford my thoughts at that time

172

00:05:13,590 --> 00:05:11,840

it had me comparing it to that of a

173

00:05:15,110 --> 00:05:13,600

large airliner crash landing

174

00:05:16,550 --> 00:05:15,120

they then followed the distinct loud

175

00:05:17,990 --> 00:05:16,560

sound of scrub being flattened in its

176

00:05:19,749 --> 00:05:18,000

path as it seemed to skid along under

177

00:05:21,270 --> 00:05:19,759

the inertia of its descent and then to

178

00:05:21,909 --> 00:05:21,280

finally come to a stop some little

179

00:05:24,710 --> 00:05:21,919

distance

180

00:05:26,550 --> 00:05:24,720

maybe 20 to 30 feet in front of us i

181

00:05:28,310 --> 00:05:26,560

clearly have etched into my mind

182

00:05:30,230 --> 00:05:28,320

a distinct memory of the noise of thin

183

00:05:31,990 --> 00:05:30,240

branches or scrubs scraping along an

184

00:05:33,830 --> 00:05:32,000

obviously metallic fuselage

185

00:05:35,350 --> 00:05:33,840

followed by the final scraping sound as

186

00:05:37,670 --> 00:05:35,360

that branch broke free

187

00:05:38,390 --> 00:05:37,680

a flying object of some sort had come to

188

00:05:39,990 --> 00:05:38,400

a halt

189

00:05:42,070 --> 00:05:40,000

i stood staring at the bushes from where

190

00:05:44,150 --> 00:05:42,080

the sound of that crash landing had come

191

00:05:45,909 --> 00:05:44,160

i we had seen nothing and yet this

192

00:05:47,670 --> 00:05:45,919

flying object by the very sound it made

193

00:05:49,749 --> 00:05:47,680

as it hit the ground indicated a large

194

00:05:51,350 --> 00:05:49,759

exceedingly heavy if invisible craft and

195

00:05:52,310 --> 00:05:51,360

in my head the word ufo was at the

196

00:05:54,310 --> 00:05:52,320

forefront

197

00:05:55,749 --> 00:05:54,320

then almost immediately my attention was

198

00:05:57,909 --> 00:05:55,759

drawn to something approaching us from

199

00:05:59,909 --> 00:05:57,919

the direction that the ufo had landed

200

00:06:02,230 --> 00:05:59,919

i stayed ahead my mind struggling to

201  
00:06:04,469 --> 00:06:02,240  
believe what was actually taking place

202  
00:06:06,550 --> 00:06:04,479  
then it emerged i will describe what we

203  
00:06:08,150 --> 00:06:06,560  
saw as best to my memory is possible for

204  
00:06:08,710 --> 00:06:08,160  
i was overcome by a feeling of sheer

205  
00:06:10,550 --> 00:06:08,720  
terror

206  
00:06:12,230 --> 00:06:10,560  
this figure stood some eight to ten feet

207  
00:06:14,390 --> 00:06:12,240  
tall it appeared to glide

208  
00:06:16,230 --> 00:06:14,400  
rather than to walk it also appeared to

209  
00:06:16,870 --> 00:06:16,240  
be floating some two feet or so off the

210  
00:06:18,870 --> 00:06:16,880  
ground

211  
00:06:20,710 --> 00:06:18,880  
it stopped in front of me so close that

212  
00:06:22,309 --> 00:06:20,720  
i could have touched it i was literally

213  
00:06:24,150 --> 00:06:22,319

paralyzed with fear and adrenaline

214

00:06:24,629 --> 00:06:24,160

rushed so great that it had an opposite

215

00:06:26,870 --> 00:06:24,639

effect

216

00:06:27,909 --> 00:06:26,880

and i stood there transfixed unable to

217

00:06:29,830 --> 00:06:27,919

move then

218

00:06:31,830 --> 00:06:29,840

a second figure identical to the first

219

00:06:33,350 --> 00:06:31,840

glided out from the same direction and

220

00:06:35,749 --> 00:06:33,360

stood to the left of the first one

221

00:06:37,430 --> 00:06:35,759

as viewed from my position both figures

222

00:06:38,710 --> 00:06:37,440

seemed to be floating off the ground and

223

00:06:40,629 --> 00:06:38,720

had seemed to glide

224

00:06:42,629 --> 00:06:40,639

the body seemed composed of some sort of

225

00:06:44,230 --> 00:06:42,639

black material that was convoluted with

226

00:06:45,909 --> 00:06:44,240

like lengthwise false

227

00:06:47,749 --> 00:06:45,919

the head was encased in an elongated

228

00:06:49,589 --> 00:06:47,759

glass helmet and where the eyes would be

229

00:06:51,749 --> 00:06:49,599

was a single large round shaped green

230

00:06:52,790 --> 00:06:51,759

eye or light today i would liken it to a

231

00:06:54,629 --> 00:06:52,800

large led

232

00:06:57,110 --> 00:06:54,639

light emitting diode but i am not so

233

00:06:59,189 --> 00:06:57,120

sure such devices existed at that time

234

00:07:01,029 --> 00:06:59,199

mercifully i felt i could not see the

235

00:07:02,629 --> 00:07:01,039

features behind the glass but i had an

236

00:07:04,550 --> 00:07:02,639

uncanny and distinct feeling that i

237

00:07:05,270 --> 00:07:04,560

won't want to see behind the glass

238

00:07:07,029 --> 00:07:05,280

anyway

239

00:07:08,790 --> 00:07:07,039

i am unable to clearly describe my

240

00:07:10,550 --> 00:07:08,800

feelings except for one thought within

241

00:07:12,710 --> 00:07:10,560

the sheer terror that overwhelmed me

242

00:07:13,990 --> 00:07:12,720

this cannot be happening but it is

243

00:07:15,510 --> 00:07:14,000

amazingly thoughts of those in

244

00:07:17,110 --> 00:07:15,520

government would not believe what is

245

00:07:18,469 --> 00:07:17,120

happening to me right now but they are

246

00:07:20,150 --> 00:07:18,479

fast asleep in their beds

247

00:07:21,510 --> 00:07:20,160

and not hearing this punchbowl with me

248

00:07:23,830 --> 00:07:21,520

seeing what i am seeing

249

00:07:25,110 --> 00:07:23,840

i clearly recall those thoughts i seem

250

00:07:27,589 --> 00:07:25,120

to remember something else

251

00:07:29,589 --> 00:07:27,599

a sickly odor was this the odor of fear

252

00:07:31,909 --> 00:07:29,599

or did it come from those two aliens

253

00:07:32,629 --> 00:07:31,919

i truthfully do not know such thoughts

254

00:07:34,150 --> 00:07:32,639

were fleeting

255

00:07:36,150 --> 00:07:34,160

coming to me in a moment of utmost

256

00:07:37,670 --> 00:07:36,160

terror my second thought was of the

257

00:07:39,990 --> 00:07:37,680

sudden need to look at another human

258

00:07:41,430 --> 00:07:40,000

being and almost in slow motion and with

259

00:07:43,189 --> 00:07:41,440

great concentration of effort

260

00:07:45,350 --> 00:07:43,199

i managed to turn my head left the look

261

00:07:46,710 --> 00:07:45,360

of my brother one left when he had been

262

00:07:48,869 --> 00:07:46,720

standing on my right

263

00:07:50,869 --> 00:07:48,879

i'm at a loss to explain that one the

264

00:07:52,550 --> 00:07:50,879

two aliens stood a mere few feet away

265

00:07:54,869 --> 00:07:52,560

within touching distance

266

00:07:56,950 --> 00:07:54,879

utilizing all my concentration i slowly

267

00:07:57,990 --> 00:07:56,960

so very slowly and mechanically managed

268

00:08:00,150 --> 00:07:58,000

to turn my head to look

269

00:08:01,830 --> 00:08:00,160

upon my brother the second shock now

270

00:08:02,710 --> 00:08:01,840

struck me as i saw that i was standing

271

00:08:04,710 --> 00:08:02,720

there alone

272

00:08:06,710 --> 00:08:04,720

the shock of this realization galvanized

273

00:08:07,110 --> 00:08:06,720

my hitherto paralyzed body into sudden

274

00:08:08,550 --> 00:08:07,120

action

275

00:08:10,150 --> 00:08:08,560

and turning my body to face the

276

00:08:11,909 --> 00:08:10,160

direction that i was facing for the

277

00:08:13,749 --> 00:08:11,919

thought came to me that if i looked back

278

00:08:16,070 --> 00:08:13,759

at them again i would not escape

279

00:08:17,589 --> 00:08:16,080

i then ran that headlong terra stricken

280

00:08:19,270 --> 00:08:17,599

flight was like a nightmare in itself

281

00:08:20,230 --> 00:08:19,280

because i was expecting to be ceased

282

00:08:21,749 --> 00:08:20,240

from behind

283

00:08:23,430 --> 00:08:21,759

my thought was that i would surely not

284

00:08:24,390 --> 00:08:23,440

be allowed to escape after what i had

285

00:08:26,230 --> 00:08:24,400

just witnessed

286

00:08:27,749 --> 00:08:26,240

i had no sense of direction at all i

287

00:08:29,270 --> 00:08:27,759

remember only that my one and only

288

00:08:30,710 --> 00:08:29,280

desperate thought was to put as much

289

00:08:31,430 --> 00:08:30,720

distance between me and them and as

290

00:08:33,509 --> 00:08:31,440

possible

291

00:08:35,269 --> 00:08:33,519

i ran seemingly blindly and i could

292

00:08:35,829 --> 00:08:35,279

plainly hear high pitched screaming as i

293

00:08:37,750 --> 00:08:35,839

ran

294

00:08:39,269 --> 00:08:37,760

those screams seem to be apart from me

295

00:08:41,430 --> 00:08:39,279

but may well have come from me

296

00:08:43,190 --> 00:08:41,440

i truly don't know all i remember was

297

00:08:44,550 --> 00:08:43,200

that headlong panic stricken flight is

298

00:08:46,230 --> 00:08:44,560

running in a nightmare and the full

299

00:08:47,110 --> 00:08:46,240

expectancy that i would not be allowed

300

00:08:49,269 --> 00:08:47,120

to escape

301  
00:08:51,110 --> 00:08:49,279  
the next images i ran so blindly was of

302  
00:08:53,110 --> 00:08:51,120  
finding myself inexplicably at the base

303  
00:08:54,389 --> 00:08:53,120  
of the 30-foot steep incline that we had

304  
00:08:56,310 --> 00:08:54,399  
initially descended

305  
00:08:57,990 --> 00:08:56,320  
how did i in that panic stricken flight

306  
00:08:59,750 --> 00:08:58,000  
managed to find my way back to where we

307  
00:09:01,829 --> 00:08:59,760  
had descended into the punch ball

308  
00:09:03,990 --> 00:09:01,839  
i wasn't unable to explain that one

309  
00:09:06,070 --> 00:09:04,000  
either there ahead of me and scrubbing

310  
00:09:07,750 --> 00:09:06,080  
up that steeping climb was my brother

311  
00:09:09,190 --> 00:09:07,760  
i had caught up with him and in later

312  
00:09:10,550 --> 00:09:09,200  
years he told me that he was on a rise

313  
00:09:11,829 --> 00:09:10,560

before reaching that incline

314

00:09:13,430 --> 00:09:11,839

and that when he looked back to check

315

00:09:14,710 --> 00:09:13,440

that i was with him he saw to his horror

316

00:09:16,550 --> 00:09:14,720

that i was still standing at the

317

00:09:17,910 --> 00:09:16,560

original spot with two aliens clearly

318

00:09:19,590 --> 00:09:17,920

seen towing over me

319

00:09:21,269 --> 00:09:19,600

by the time he had scaled that steep

320

00:09:23,269 --> 00:09:21,279

incline i had caught him up

321

00:09:24,710 --> 00:09:23,279

he must have seen me but seconds before

322

00:09:26,790 --> 00:09:24,720

i had turned and fled

323

00:09:28,630 --> 00:09:26,800

as a very fit young royal marine and at

324

00:09:30,630 --> 00:09:28,640

the same time fueled with sheer panic i

325

00:09:32,710 --> 00:09:30,640

can answer that one quite clearly

326

00:09:34,310 --> 00:09:32,720

as we fevishly tried to climb that steep

327

00:09:36,389 --> 00:09:34,320

incline so we would slip back down a

328

00:09:38,710 --> 00:09:36,399

foot for every three we made upwards

329

00:09:39,509 --> 00:09:38,720

eventually we made the top then mounted

330

00:09:41,190 --> 00:09:39,519

his motorbike

331

00:09:43,350 --> 00:09:41,200

kick-started it and i leapt onto the

332

00:09:45,269 --> 00:09:43,360

pillion the way we sped in great haste

333

00:09:46,949 --> 00:09:45,279

even as we rode at speed along that road

334

00:09:48,710 --> 00:09:46,959

i was half expecting to be seized and

335

00:09:49,590 --> 00:09:48,720

pulled off that motorbike and i clung

336

00:09:51,829 --> 00:09:49,600

tenaciously

337

00:09:53,509 --> 00:09:51,839

my arms around my brother's waist i

338

00:09:55,430 --> 00:09:53,519

remember that just before we reached the

339

00:09:57,590 --> 00:09:55,440

city of guilford 11 miles on

340

00:09:59,829 --> 00:09:57,600

then pulled over and cut the engine a

341

00:10:01,269 --> 00:09:59,839

tall long ash fence lay close to us and

342

00:10:03,030 --> 00:10:01,279

against this we dropped onto our

343

00:10:03,509 --> 00:10:03,040

haunches unable to believe what had

344

00:10:05,269 --> 00:10:03,519

happened

345

00:10:07,269 --> 00:10:05,279

and how we had escaped a fate worse than

346

00:10:09,030 --> 00:10:07,279

death i remember nothing more after

347

00:10:11,030 --> 00:10:09,040

collapsing against that fence

348

00:10:12,710 --> 00:10:11,040

i haven't memory of arriving home not

349

00:10:14,470 --> 00:10:12,720

even of the rest of my leave

350

00:10:16,069 --> 00:10:14,480

i do not to this day remember returning

351  
00:10:17,190 --> 00:10:16,079  
to my barracks and all of the intense

352  
00:10:19,030 --> 00:10:17,200  
training that followed

353  
00:10:20,389 --> 00:10:19,040  
i have hitherto told no one outside of

354  
00:10:21,990 --> 00:10:20,399  
the family of our experience of the

355  
00:10:22,710 --> 00:10:22,000  
punchbowl that never to be forgotten

356  
00:10:24,790 --> 00:10:22,720  
night

357  
00:10:26,069 --> 00:10:24,800  
strangely i never forgave my brother for

358  
00:10:27,990 --> 00:10:26,079  
deserting me down there

359  
00:10:30,069 --> 00:10:28,000  
for three years i had no contact with

360  
00:10:32,069 --> 00:10:30,079  
him then i heard that my brother was in

361  
00:10:33,670 --> 00:10:32,079  
an isolation hospital at falcon where he

362  
00:10:34,470 --> 00:10:33,680  
lived and that he was in a serious

363  
00:10:36,630 --> 00:10:34,480

condition

364

00:10:38,550 --> 00:10:36,640

dennis had contracted hepatitis c and

365

00:10:40,470 --> 00:10:38,560

relenting i went to visit him

366

00:10:42,630 --> 00:10:40,480

what i saw shocked me and totally melted

367

00:10:44,389 --> 00:10:42,640

my anger then looked like a skeleton

368

00:10:46,310 --> 00:10:44,399

with yellow skin drawn over it

369

00:10:48,470 --> 00:10:46,320

he was badly jaundiced and had almost

370

00:10:49,750 --> 00:10:48,480

died a priest had closed his eyes when

371

00:10:51,990 --> 00:10:49,760

then suddenly opened them

372

00:10:53,190 --> 00:10:52,000

and the nurse had screamed it had been a

373

00:10:55,030 --> 00:10:53,200

very close call

374

00:10:56,470 --> 00:10:55,040

it was years later that den explained

375

00:10:57,350 --> 00:10:56,480

that he had thought i was behind him

376

00:10:59,030 --> 00:10:57,360

when he ran

377

00:11:00,630 --> 00:10:59,040

that only on reaching high ground had he

378

00:11:02,150 --> 00:11:00,640

turned to look back and saw that i was

379

00:11:03,829 --> 00:11:02,160

not with him but was standing there

380

00:11:04,550 --> 00:11:03,839

still with those two beings towering

381

00:11:06,310 --> 00:11:04,560

over me

382

00:11:07,829 --> 00:11:06,320

his only thought then was to escape and

383

00:11:09,590 --> 00:11:07,839

to report what had happened

384

00:11:11,110 --> 00:11:09,600

luckily for me that i managed to just

385

00:11:12,150 --> 00:11:11,120

catch him up before he gained the top of

386

00:11:14,389 --> 00:11:12,160

that steeping climb

387

00:11:16,230 --> 00:11:14,399

above which his motorbike was parked it

388

00:11:17,110 --> 00:11:16,240

was all of 30 miles journey back to

389

00:11:18,870 --> 00:11:17,120

where i lived

390

00:11:21,269 --> 00:11:18,880

besides poor den would no doubt have

391

00:11:22,790 --> 00:11:21,279

been taken for psychiatric observation

392

00:11:24,710 --> 00:11:22,800

or charged with possible murder

393

00:11:27,750 --> 00:11:24,720

associated with my disappearance

394

00:11:29,910 --> 00:11:27,760

do i believe in aliens do i what oh yes

395

00:11:30,870 --> 00:11:29,920

they exist for sure you won't find them

396

00:11:33,110 --> 00:11:30,880

when you are in the pub

397

00:11:34,790 --> 00:11:33,120

watching tv or fast asleep in your bed

398

00:11:36,150 --> 00:11:34,800

although i must hesitate here because i

399

00:11:37,750 --> 00:11:36,160

have since read of inductions of

400

00:11:39,030 --> 00:11:37,760

hitherto sleeping persons

401  
00:11:41,030 --> 00:11:39,040  
there was something else that is

402  
00:11:42,790 --> 00:11:41,040  
relevant to this true story when i

403  
00:11:44,389 --> 00:11:42,800  
finally talked with dennis and asked him

404  
00:11:44,870 --> 00:11:44,399  
outright why did you deserve me down

405  
00:11:46,790 --> 00:11:44,880  
there

406  
00:11:48,630 --> 00:11:46,800  
he told me it was those small creatures

407  
00:11:49,750 --> 00:11:48,640  
with red eyes that had almost formed a

408  
00:11:51,430 --> 00:11:49,760  
circle around you

409  
00:11:52,949 --> 00:11:51,440  
there were hundreds of them i never

410  
00:11:54,949 --> 00:11:52,959  
thought i would see you again

411  
00:11:57,350 --> 00:11:54,959  
i had not seen these red eyed creatures

412  
00:11:59,269 --> 00:11:57,360  
but then i had not been looking back

413  
00:12:00,870 --> 00:11:59,279

many years later on desolate dartmouth

414

00:12:02,069 --> 00:12:00,880

in devonshire late one night

415

00:12:03,910 --> 00:12:02,079

on the northern more out of rocky

416

00:12:04,790 --> 00:12:03,920

hampton was a strange arc of brilliant

417

00:12:06,710 --> 00:12:04,800

white light

418

00:12:07,990 --> 00:12:06,720

another brother jim and his teenage son

419

00:12:09,430 --> 00:12:08,000

and daughter were with us

420

00:12:11,269 --> 00:12:09,440

we decided to look closer at this

421

00:12:12,470 --> 00:12:11,279

strange arc of bright white light behind

422

00:12:13,829 --> 00:12:12,480

a hierarchy tour

423

00:12:15,829 --> 00:12:13,839

the road to that part of the mall was

424

00:12:17,670 --> 00:12:15,839

narrow too narrow to reverse turn and so

425

00:12:19,269 --> 00:12:17,680

would necessitate continuing a few miles

426  
00:12:20,949 --> 00:12:19,279  
further to the tiny round about all done

427  
00:12:22,790 --> 00:12:20,959  
up to come back on ourselves

428  
00:12:24,710 --> 00:12:22,800  
after driving along this narrow road

429  
00:12:26,550 --> 00:12:24,720  
flanked on either side by a steep drop

430  
00:12:28,230 --> 00:12:26,560  
onto a boulder strewn murphys and miles

431  
00:12:30,470 --> 00:12:28,240  
i began to feel a strong sense of

432  
00:12:32,790 --> 00:12:30,480  
apprehension a strange feeling of danger

433  
00:12:34,069 --> 00:12:32,800  
my sixth sense of work this feeling had

434  
00:12:35,430 --> 00:12:34,079  
barely been with me for long when

435  
00:12:37,030 --> 00:12:35,440  
brother jim suggested that we should

436  
00:12:38,470 --> 00:12:37,040  
turn back because he felt it was

437  
00:12:40,550 --> 00:12:38,480  
dangerous to continue

438  
00:12:42,550 --> 00:12:40,560

however i had spotted something else

439

00:12:44,150 --> 00:12:42,560

something that made my heart race

440

00:12:45,990 --> 00:12:44,160

i saw literally hundreds if not

441

00:12:48,069 --> 00:12:46,000

thousands of pairs of red eyes

442

00:12:49,910 --> 00:12:48,079

those red eyes did not belong to animals

443

00:12:51,750 --> 00:12:49,920

because no animal was capable of such

444

00:12:53,269 --> 00:12:51,760

speed and able to traverse that boulder

445

00:12:54,230 --> 00:12:53,279

string terrain and the deep crate is

446

00:12:56,150 --> 00:12:54,240

littering the north mo

447

00:12:57,910 --> 00:12:56,160

especially at night besides which the

448

00:12:58,629 --> 00:12:57,920

number of those pairs of red eyes was

449

00:13:00,470 --> 00:12:58,639

vast

450

00:13:01,910 --> 00:13:00,480

my blood ran cold as i remembered what

451  
00:13:03,670 --> 00:13:01,920  
den had seen at the punch bowl

452  
00:13:04,949 --> 00:13:03,680  
red eye is exactly what we were seeing

453  
00:13:06,310 --> 00:13:04,959  
there now on that more

454  
00:13:08,550 --> 00:13:06,320  
and without doubt we're seeking to

455  
00:13:10,550 --> 00:13:08,560  
surround us keeping my mounting panic

456  
00:13:12,550 --> 00:13:10,560  
and concern to myself i heard jim again

457  
00:13:13,990 --> 00:13:12,560  
express his concern at continuing and i

458  
00:13:15,750 --> 00:13:14,000  
responded with mounting anger

459  
00:13:17,750 --> 00:13:15,760  
due to fear and frustration that i could

460  
00:13:19,269 --> 00:13:17,760  
not bloody well turn around as the road

461  
00:13:20,470 --> 00:13:19,279  
was far too narrow and too high above

462  
00:13:20,870 --> 00:13:20,480  
the mower for the wheels to reach the

463  
00:13:23,110 --> 00:13:20,880

ground

464

00:13:24,870 --> 00:13:23,120

once the wheels left the road i felt

465

00:13:26,710 --> 00:13:24,880

that we had no choice but to continue on

466

00:13:28,470 --> 00:13:26,720

to that small roundabout or donut that i

467

00:13:28,870 --> 00:13:28,480

estimated was about four miles further

468

00:13:33,509 --> 00:13:28,880

on

469

00:13:35,110 --> 00:13:33,519

and brother dumas to get out to see

470

00:13:37,030 --> 00:13:35,120

if there was a place we do a reverse

471

00:13:38,550 --> 00:13:37,040

turn all too soon he called out here

472

00:13:41,030 --> 00:13:38,560

bright you can reverse here

473

00:13:43,030 --> 00:13:41,040

i replied are you sure jim i had doubts

474

00:13:44,870 --> 00:13:43,040

in that the drop appeared to be too deep

475

00:13:46,710 --> 00:13:44,880

he assured me that it was okay the

476

00:13:48,550 --> 00:13:46,720

rapidly moving red eyes had by now

477

00:13:50,389 --> 00:13:48,560

spread out ahead of us crossed over the

478

00:13:51,910 --> 00:13:50,399

road and having split into two vast

479

00:13:53,350 --> 00:13:51,920

groups either side of that road

480

00:13:55,509 --> 00:13:53,360

both were rushing speedily in our

481

00:13:57,430 --> 00:13:55,519

direction as if to encircle us

482

00:13:59,509 --> 00:13:57,440

where had i heard this before it was

483

00:14:00,230 --> 00:13:59,519

dennis and the punch bowl saga all over

484

00:14:02,310 --> 00:14:00,240

again

485

00:14:04,550 --> 00:14:02,320

thousands of them it seemed to me to be

486

00:14:06,310 --> 00:14:04,560

now i knew it was vital that we escaped

487

00:14:07,829 --> 00:14:06,320

the memory of the punch bowl left little

488

00:14:09,750 --> 00:14:07,839

doubt in my mind as to what those red

489

00:14:11,670 --> 00:14:09,760

eyes were common what they belong to

490

00:14:13,829 --> 00:14:11,680

trying hard to control the fast rising

491

00:14:15,430 --> 00:14:13,839

panic within me i shakily expressed my

492

00:14:17,110 --> 00:14:15,440

doubts that the drop was too deep and

493

00:14:19,269 --> 00:14:17,120

would plant the car on its chassis

494

00:14:20,710 --> 00:14:19,279

before the wheels contacted the ground

495

00:14:22,710 --> 00:14:20,720

no it's okay

496

00:14:24,629 --> 00:14:22,720

jim's words were hardly convincing but

497

00:14:26,389 --> 00:14:24,639

by now close to panic myself i drove

498

00:14:28,470 --> 00:14:26,399

slowly turning the steering wheel hard

499

00:14:30,150 --> 00:14:28,480

over to greatly affect the reverse turn

500

00:14:31,990 --> 00:14:30,160

and trusting jim's observation

501  
00:14:33,590 --> 00:14:32,000  
i put the gear into reverse and backed

502  
00:14:35,590 --> 00:14:33,600  
the car slowly off the road

503  
00:14:36,710 --> 00:14:35,600  
a sudden crash ensued in the wheels it

504  
00:14:38,710 --> 00:14:36,720  
was rear-wheel drive

505  
00:14:41,030 --> 00:14:38,720  
spun above the surface of the ground we

506  
00:14:42,629 --> 00:14:41,040  
were now completely trapped and helpless

507  
00:14:44,470 --> 00:14:42,639  
jim and jimmy got out of the car and

508  
00:14:45,910 --> 00:14:44,480  
went to the rear christine was sitting

509  
00:14:47,350 --> 00:14:45,920  
behind me as her dad and brother were

510  
00:14:49,110 --> 00:14:47,360  
trying to lift the car back onto the

511  
00:14:51,189 --> 00:14:49,120  
road without success

512  
00:14:52,710 --> 00:14:51,199  
i had seldom experienced such fear as i

513  
00:14:54,230 --> 00:14:52,720

sat there helplessly watching those

514

00:14:56,550 --> 00:14:54,240

rapidly speeding entities that would

515

00:14:58,790 --> 00:14:56,560

soon have encircled and been upon us

516

00:15:00,870 --> 00:14:58,800

no one else in my car had as yet seen

517

00:15:03,509 --> 00:15:00,880

them jim and his son were trying to lift

518

00:15:04,710 --> 00:15:03,519

the rear of that 1600 cc ford console

519

00:15:06,870 --> 00:15:04,720

back onto the road

520

00:15:08,470 --> 00:15:06,880

jim was a brawley a strong fellow but

521

00:15:09,189 --> 00:15:08,480

all that he and his son achieved was to

522

00:15:11,030 --> 00:15:09,199

lift the car

523

00:15:13,350 --> 00:15:11,040

only so far a little way off its

524

00:15:14,629 --> 00:15:13,360

suspension the wheels however remained

525

00:15:16,710 --> 00:15:14,639

firmly on the ground

526

00:15:18,710 --> 00:15:16,720

the idea fleetingly entered my head to

527

00:15:20,389 --> 00:15:18,720

get out and to run those nine miles back

528

00:15:22,389 --> 00:15:20,399

to rocky hampton but how when those

529

00:15:24,710 --> 00:15:22,399

things were so fleetingly fast

530

00:15:26,069 --> 00:15:24,720

besides which i couldn't leave christine

531

00:15:28,069 --> 00:15:26,079

and whatever happened we were not

532

00:15:30,710 --> 00:15:28,079

capable of traveling nine miles on foot

533

00:15:32,629 --> 00:15:30,720

to escape those rapidly speeding beings

534

00:15:34,629 --> 00:15:32,639

then as jim was trying without success

535

00:15:36,069 --> 00:15:34,639

to lift the car so christine suddenly

536

00:15:37,829 --> 00:15:36,079

glanced over to her right

537

00:15:39,430 --> 00:15:37,839

saw the hundreds of red eyes pouring

538

00:15:40,150 --> 00:15:39,440

like a flood down that sloping terrain

539

00:15:42,470 --> 00:15:40,160

towards us

540

00:15:43,189 --> 00:15:42,480

screamed loudly what are those what are

541

00:15:45,030 --> 00:15:43,199

those

542

00:15:46,870 --> 00:15:45,040

a loud scream signal for the movement of

543

00:15:47,350 --> 00:15:46,880

the car on its springs to momentarily

544

00:15:49,350 --> 00:15:47,360

cease

545

00:15:50,629 --> 00:15:49,360

obviously jim had paused to see what had

546

00:15:52,550 --> 00:15:50,639

frightened his daughter

547

00:15:54,310 --> 00:15:52,560

this was then followed by the sudden and

548

00:15:55,030 --> 00:15:54,320

unbelievable lifting of the car bodily

549

00:15:57,110 --> 00:15:55,040

in such a way

550

00:15:58,949 --> 00:15:57,120

as to slew it around at the same time so

551  
00:15:59,590 --> 00:15:58,959  
that it was facing our escape route out

552  
00:16:01,509 --> 00:15:59,600  
of there

553  
00:16:03,269 --> 00:16:01,519  
jim and jimmy dived into the car and

554  
00:16:04,710 --> 00:16:03,279  
opening the throttle i drove out of that

555  
00:16:06,949 --> 00:16:04,720  
place like the proverbial bat

556  
00:16:08,069 --> 00:16:06,959  
out of hell i could scarcely believe our

557  
00:16:10,150 --> 00:16:08,079  
lucky escape

558  
00:16:11,829 --> 00:16:10,160  
it is said that fear can induce enormous

559  
00:16:13,829 --> 00:16:11,839  
reserves of strength in a crisis

560  
00:16:15,749 --> 00:16:13,839  
and that is what happened with jim i

561  
00:16:17,509 --> 00:16:15,759  
drove as fast as was safely possible on

562  
00:16:19,350 --> 00:16:17,519  
that narrow road that night and upon

563  
00:16:20,230 --> 00:16:19,360

reaching the top of a hill some mile or

564

00:16:22,310 --> 00:16:20,240

two further on

565

00:16:23,670 --> 00:16:22,320

i stopped the car engine left running

566

00:16:26,150 --> 00:16:23,680

got out and looked back

567

00:16:26,949 --> 00:16:26,160

gym likewise for several seconds we saw

568

00:16:28,949 --> 00:16:26,959

nothing but then

569

00:16:30,150 --> 00:16:28,959

there they were those two vast swarms of

570

00:16:32,230 --> 00:16:30,160

red eyes pursuing us

571

00:16:34,150 --> 00:16:32,240

on both sides of that road i don't

572

00:16:36,230 --> 00:16:34,160

exaggerate the numbers to be that seemed

573

00:16:37,590 --> 00:16:36,240

to run in hundreds if not thousands

574

00:16:39,350 --> 00:16:37,600

they appeared to me to be small in

575

00:16:41,189 --> 00:16:39,360

stature that was my impression

576

00:16:42,949 --> 00:16:41,199

because it was dark they certainly

577

00:16:44,710 --> 00:16:42,959

traveled at speed over a very dangerous

578

00:16:45,910 --> 00:16:44,720

and rough terrain with many deep craters

579

00:16:48,230 --> 00:16:45,920

and strewn boulders

580

00:16:49,829 --> 00:16:48,240

after about five stops atop a hill a

581

00:16:51,670 --> 00:16:49,839

precaution in the event that the car

582

00:16:52,550 --> 00:16:51,680

stalled and would not restart we would

583

00:16:54,550 --> 00:16:52,560

curse down

584

00:16:56,310 --> 00:16:54,560

each time we stopped and looked back so

585

00:16:56,949 --> 00:16:56,320

men it also would pass then suddenly

586

00:16:58,949 --> 00:16:56,959

there they were

587

00:17:00,550 --> 00:16:58,959

continuing their pursuit of us on the

588

00:17:01,910 --> 00:17:00,560

last hill i was able to see the lights

589

00:17:03,910 --> 00:17:01,920

of rocky hampton ahead of us

590

00:17:05,909 --> 00:17:03,920

on our right we stopped here and again

591

00:17:07,909 --> 00:17:05,919

looked back this time however we saw

592

00:17:09,669 --> 00:17:07,919

nothing more of those red eyed creatures

593

00:17:11,669 --> 00:17:09,679

whether you believe my true narrative i

594

00:17:12,230 --> 00:17:11,679

leave with you i can but sincerely

595

00:17:14,150 --> 00:17:12,240

express

596

00:17:15,990 --> 00:17:14,160

that it happened as i have recorded it

597

00:17:17,669 --> 00:17:16,000

as a reluctant ufologist i have written

598

00:17:18,150 --> 00:17:17,679

of this alien encounter quite some time

599

00:17:19,909 --> 00:17:18,160

ago

600

00:17:22,150 --> 00:17:19,919

it was not published on the site i sent

601  
00:17:23,990 --> 00:17:22,160  
it to neither was it even acknowledged

602  
00:17:25,350 --> 00:17:24,000  
i wrote it out of sincere interest and

603  
00:17:27,110 --> 00:17:25,360  
possibly in the hope of eliciting a

604  
00:17:28,549 --> 00:17:27,120  
similar experience from others who maybe

605  
00:17:29,669 --> 00:17:28,559  
experienced an extraterrestrial

606  
00:17:30,950 --> 00:17:29,679  
identical to mine

607  
00:17:32,549 --> 00:17:30,960  
for what it's worth i have made

608  
00:17:33,350 --> 00:17:32,559  
pilgrimage to that same area several

609  
00:17:35,510 --> 00:17:33,360  
times since

610  
00:17:37,510 --> 00:17:35,520  
without success except for two occasions

611  
00:17:37,909 --> 00:17:37,520  
when i heard that same musical sound fly

612  
00:17:41,110 --> 00:17:37,919  
over

613  
00:17:42,870 --> 00:17:41,120

height in fact

614

00:17:44,470 --> 00:17:42,880

nothing was visible although the sound

615

00:17:45,990 --> 00:17:44,480

indicated it had passed over the top of

616

00:17:46,630 --> 00:17:46,000

the tall pine trees through which up are

617

00:17:48,549 --> 00:17:46,640

fled

618

00:17:50,230 --> 00:17:48,559

my car borrowed from my younger brother

619

00:17:52,390 --> 00:17:50,240

was parked some half mile away at a car

620

00:17:53,830 --> 00:17:52,400

park off the a3 and unable to contain my

621

00:17:54,310 --> 00:17:53,840

excitement as my brother said to me

622

00:17:55,990 --> 00:17:54,320

brian

623

00:17:57,430 --> 00:17:56,000

i have never doubted your story but

624

00:17:59,750 --> 00:17:57,440

hearing that sound for myself

625

00:18:01,270 --> 00:17:59,760

well it is certainly not of this world i

626

00:18:02,950 --> 00:18:01,280

suggested we return to the car

627

00:18:04,950 --> 00:18:02,960

have a much-needed coffee to steady our

628

00:18:06,950 --> 00:18:04,960

nerves grab the portable excuse for a

629

00:18:09,029 --> 00:18:06,960

tape recorder a tiny woolworth job

630

00:18:10,390 --> 00:18:09,039

an endeavor to capture that weird sound

631

00:18:11,830 --> 00:18:10,400

we made it to the car park

632

00:18:13,350 --> 00:18:11,840

and to the coffee when suddenly

633

00:18:14,070 --> 00:18:13,360

brilliant lights lit up the car from

634

00:18:15,590 --> 00:18:14,080

behind

635

00:18:17,510 --> 00:18:15,600

a wrap on the window and i saw a

636

00:18:19,669 --> 00:18:17,520

policeman accompanied by a special

637

00:18:20,630 --> 00:18:19,679

i wound the window down he asked what

638

00:18:21,990 --> 00:18:20,640

are you doing here

639

00:18:23,750 --> 00:18:22,000

my short fuse at this offensive

640

00:18:25,430 --> 00:18:23,760

intrusion along with my irate words to

641

00:18:26,310 --> 00:18:25,440

the effect that it was a free country

642

00:18:28,150 --> 00:18:26,320

and to clear off

643

00:18:30,070 --> 00:18:28,160

well clear was not exactly the word i

644

00:18:30,470 --> 00:18:30,080

used dry parenthesis did not go down

645

00:18:32,549 --> 00:18:30,480

well

646

00:18:34,310 --> 00:18:32,559

because a second patrol car arrived and

647

00:18:36,150 --> 00:18:34,320

my brother and i were handcuffed and

648

00:18:37,590 --> 00:18:36,160

incarcerated in separate cells of god

649

00:18:39,430 --> 00:18:37,600

arming police station

650

00:18:41,669 --> 00:18:39,440

how could we explain that we were ufo

651  
00:18:43,350 --> 00:18:41,679  
hunting the police cells that we spent

652  
00:18:45,270 --> 00:18:43,360  
six hours in be infinitely the better

653  
00:18:47,190 --> 00:18:45,280  
alternative to a mental hospital

654  
00:18:48,310 --> 00:18:47,200  
this incarceration was due to the copper

655  
00:18:50,150 --> 00:18:48,320  
opening the boot of the car

656  
00:18:51,830 --> 00:18:50,160  
and discovering a 12-ball shotgun that i

657  
00:18:53,350 --> 00:18:51,840  
had placed there intending to shoot

658  
00:18:55,270 --> 00:18:53,360  
rabbits the following morning

659  
00:18:56,950 --> 00:18:55,280  
i was accused of being harry roberts the

660  
00:18:58,789 --> 00:18:56,960  
guy who had shot a policeman dead

661  
00:19:00,950 --> 00:18:58,799  
although this man was already in police

662  
00:19:02,950 --> 00:19:00,960  
custody in 1966

663  
00:19:04,549 --> 00:19:02,960

raymond and i were released to those 600

664

00:19:05,270 --> 00:19:04,559

hours the following morning without

665

00:19:07,430 --> 00:19:05,280

charge

666

00:19:09,350 --> 00:19:07,440

i have had other experiences of ufos one

667

00:19:11,190 --> 00:19:09,360

of which was no rest distance away out

668

00:19:13,270 --> 00:19:11,200

of sea off brighton in sussex

669

00:19:15,029 --> 00:19:13,280

it made no sound gave the undoubted

670

00:19:17,110 --> 00:19:15,039

impression of being immense in size

671

00:19:19,110 --> 00:19:17,120

and moved slowly and silently just above

672

00:19:20,950 --> 00:19:19,120

the sea emerging from the fog bank on

673

00:19:22,870 --> 00:19:20,960

the west side to vanish silently into

674

00:19:24,390 --> 00:19:22,880

the fog bank on the east side

675

00:19:26,230 --> 00:19:24,400

it was followed then by a second

676

00:19:28,230 --> 00:19:26,240

identical saucer-shaped ufo with a

677

00:19:29,750 --> 00:19:28,240

beehive-like dome on top and small

678

00:19:30,630 --> 00:19:29,760

portholes around the circumference of

679

00:19:33,590 --> 00:19:30,640

the body

680

00:19:35,430 --> 00:19:33,600

time being oh 500 hours i had been sea

681

00:19:37,270 --> 00:19:35,440

fishing at the time of the occurrence

682

00:19:39,350 --> 00:19:37,280

i also had a frightening experience

683

00:19:40,710 --> 00:19:39,360

whilst under canvas at that same seaside

684

00:19:48,310 --> 00:19:40,720

resort of brighton

685

00:19:51,750 --> 00:19:50,870
