00:00:21,910 --> 00:00:19,670  
welcome to the best of first person

6  
00:00:24,790 --> 00:00:21,920  
episodes of phantoms and monsters

please like subscribe and hit the bell

8  
00:00:31,910 --> 00:00:28,840  
icon so you'll be notified of all future

9  
00:00:35,270 --> 00:00:33,590  
men in black supposedly following

10  
00:00:37,030 --> 00:00:35,280  
roswell crash researcher

11  
00:00:38,549 --> 00:00:37,040  
i believe the men in black or what we

12  
00:00:40,150 --> 00:00:38,559  
would call them are following me

13  
00:00:42,470 --> 00:00:40,160

they are tall with the stereotypical

14

00:00:44,150 --> 00:00:42,480

black suits glasses and hats but in some

15

00:00:46,229 --> 00:00:44,160

cases they even wear what looks like

16

00:00:46,950 --> 00:00:46,239

cowls or even black bandanas over their

17

00:00:48,709 --> 00:00:46,960

mouths

18

00:00:50,069 --> 00:00:48,719

they have pale skin they haven't

19

00:00:51,750 --> 00:00:50,079

approached me yet as i think they are

20

00:00:53,350 --> 00:00:51,760

trying to get a journal for me somehow

21

00:00:55,350 --> 00:00:53,360

without having to confront me

22

00:00:57,189 --> 00:00:55,360

although haven't had an opportunity how

23

00:00:58,630 --> 00:00:57,199

they discovered i was creating a journal

24

00:01:00,150 --> 00:00:58,640

of my knowledge i am unaware

25

00:01:01,830 --> 00:01:00,160

although i believe it to directly

26

00:01:02,549 --> 00:01:01,840

coincide with some of our work in the

27

00:01:04,469 --> 00:01:02,559

past

28

00:01:06,550 --> 00:01:04,479

they are very subtle and never directly

29

00:01:07,830 --> 00:01:06,560

looking at me sometimes walking within a

30

00:01:09,429 --> 00:01:07,840

crowd or surprising me

31

00:01:11,350 --> 00:01:09,439

of how close they might be standing

32

00:01:12,550 --> 00:01:11,360

without me knowing unless i am actively

33

00:01:14,469 --> 00:01:12,560

looking out for them

34

00:01:16,230 --> 00:01:14,479

no matter how loof or involved they may

35

00:01:17,990 --> 00:01:16,240

seem in anything they are too frequent

36

00:01:19,749 --> 00:01:18,000

around me to be coincidental

37

00:01:21,350 --> 00:01:19,759

i am not sure who or what they are but

38

00:01:23,190 --> 00:01:21,360

they seem alien from what a human's

39

00:01:23,749 --> 00:01:23,200

natural interactions or emotions would

40

00:01:29,590 --> 00:01:23,759

be

41

00:01:31,429 --> 00:01:29,600

they confront me directly asking about

42

00:01:32,870 --> 00:01:31,439

it and i feel this to be true

43

00:01:34,469 --> 00:01:32,880

if this happens i fear they will

44

00:01:35,350 --> 00:01:34,479

forcefully take it or something may

45

00:01:37,510 --> 00:01:35,360

happen to me

46

00:01:39,190 --> 00:01:37,520

those that opt not to believe me great

47

00:01:41,350 --> 00:01:39,200

those that share my knowledge or can

48

00:01:41,910 --> 00:01:41,360

provide any helpful info please contact

49

00:01:43,350 --> 00:01:41,920

me

50

00:01:44,950 --> 00:01:43,360

here is what i would like to tell the

51

00:01:47,030 --> 00:01:44,960

public after all these years

52

00:01:48,870 --> 00:01:47,040

when i was hired to do what i did i had

53

00:01:49,270 --> 00:01:48,880

no idea the direction or scope it would

54

00:01:50,950 --> 00:01:49,280

go

55

00:01:53,109 --> 00:01:50,960

as did many of the people i worked for

56

00:01:54,950 --> 00:01:53,119

back then it started as a research and

57

00:01:56,389 --> 00:01:54,960

development on understanding ufo

58

00:01:58,230 --> 00:01:56,399

activity for the government

59

00:02:00,069 --> 00:01:58,240

it ended up all bought and paid for by

60

00:02:01,670 --> 00:02:00,079

huge multi-million dollar cabals and

61

00:02:03,190 --> 00:02:01,680

military engineers and core

62

00:02:05,350 --> 00:02:03,200

that i can only begin to try and

63

00:02:06,469 --> 00:02:05,360

understand now we think the aliens have

64

00:02:08,389 --> 00:02:06,479

always been here

65

00:02:10,070 --> 00:02:08,399

only through one scientist study were we

66

00:02:11,750 --> 00:02:10,080

actually able to create something that

67

00:02:12,550 --> 00:02:11,760

interfered with the vehicle's stability

68

00:02:14,550 --> 00:02:12,560

in the air

69

00:02:16,550 --> 00:02:14,560

and even this was by accident the

70

00:02:18,309 --> 00:02:16,560

roswell incident was a craft and it was

71

00:02:20,150 --> 00:02:18,319

brought down by a scientist testing a

72

00:02:21,750 --> 00:02:20,160

new kind of energy device

73

00:02:23,750 --> 00:02:21,760

at the time it had nothing to do with

74

00:02:24,710 --> 00:02:23,760

military except for when they found out

75

00:02:26,470 --> 00:02:24,720

what had happened

76

00:02:28,470 --> 00:02:26,480

the scientist was testing a kind of

77

00:02:30,390 --> 00:02:28,480

energy operating on a higher frequency

78

00:02:30,949 --> 00:02:30,400

on an unknown vibration scale at the

79

00:02:32,790 --> 00:02:30,959

time

80

00:02:34,790 --> 00:02:32,800

the technology is still hidden from the

81

00:02:36,390 --> 00:02:34,800

public and is very complex for anyone

82

00:02:38,710 --> 00:02:36,400

without training to understand

83

00:02:40,309 --> 00:02:38,720

including me it was brought to arizona

84

00:02:40,869 --> 00:02:40,319

as a weather test to bring rain to the

85

00:02:42,550 --> 00:02:40,879

area

86

00:02:44,070 --> 00:02:42,560

the energy was made to reverberate

87

00:02:45,750 --> 00:02:44,080

outwards in a line to the sky

88

00:02:47,830 --> 00:02:45,760

and began to show that more rain would

89

00:02:49,670 --> 00:02:47,840

come into the area eventually it was

90

00:02:51,509 --> 00:02:49,680

found that stars would begin to blip in

91

00:02:52,869 --> 00:02:51,519

and out or even wobble when the device

92

00:02:55,110 --> 00:02:52,879

shot the energy added

93

00:02:56,710 --> 00:02:55,120

these weren't stars they were ufo the

94

00:02:58,949 --> 00:02:56,720

scientists became obsessed now with

95

00:03:00,070 --> 00:02:58,959

these new ufos and more sightings began

96

00:03:02,070 --> 00:03:00,080

to be reported

97

00:03:03,670 --> 00:03:02,080

eventually he determined his device was

98

00:03:03,990 --> 00:03:03,680

able to somehow interfere with these

99

00:03:06,070 --> 00:03:04,000

lights

100

00:03:07,589 --> 00:03:06,080

in the sky then coined fast walkers

101

00:03:08,229 --> 00:03:07,599

flight just by pointing in their

102

00:03:10,550 --> 00:03:08,239

direction

103

00:03:12,390 --> 00:03:10,560

eventually bringing one down in roswell

104

00:03:14,309 --> 00:03:12,400

the craft operated on an energy we

105

00:03:15,990 --> 00:03:14,319

barely understood and still don't

106

00:03:17,990 --> 00:03:16,000

the scientists and military soon

107

00:03:19,670 --> 00:03:18,000

deducted the crafts actually operated

108

00:03:21,509 --> 00:03:19,680

on a resource that we were unaware of

109

00:03:23,670 --> 00:03:21,519

and that this might actually be reason a

110

00:03:25,670 --> 00:03:23,680

desert is in fact a desert void of water

111

00:03:27,750 --> 00:03:25,680

plants and animal species whether

112

00:03:28,390 --> 00:03:27,760

purposely accidental or simply lack of

113

00:03:30,390 --> 00:03:28,400

concern

114

00:03:31,430 --> 00:03:30,400

the alien crafts as well as perhaps the

115

00:03:33,350 --> 00:03:31,440

alien themselves

116

00:03:34,710 --> 00:03:33,360

consume this resource that we are slowly

117

00:03:36,550 --> 00:03:34,720

perhaps affected by

118

00:03:38,789 --> 00:03:36,560

ignorant of its very existence until

119

00:03:40,710 --> 00:03:38,799

recently so in some ways the beings are

120

00:03:42,630 --> 00:03:40,720

parasitic to our planet even though they

121

00:03:44,149 --> 00:03:42,640

may have been here longer than we have

122

00:03:46,149 --> 00:03:44,159

but it's hard for me to say they are

123

00:03:48,149 --> 00:03:46,159

good or bad when i don't even understand

124

00:03:49,910 --> 00:03:48,159

the resource they are taking from us

125

00:03:51,509 --> 00:03:49,920

some believe though that the earth at

126

00:03:53,509 --> 00:03:51,519

one point must have had a lot more of

127

00:03:55,190 --> 00:03:53,519

whatever this energy resource is

128

00:03:57,190 --> 00:03:55,200

causing longer life and even more

129

00:03:58,710 --> 00:03:57,200

variations in animal species

130

00:04:00,070 --> 00:03:58,720

they do have the craft somewhere and

131

00:04:01,589 --> 00:04:00,080

have been making money off its

132

00:04:03,350 --> 00:04:01,599

technology ever since

133

00:04:04,869 --> 00:04:03,360

there was a balloon crash in roswell

134

00:04:06,470 --> 00:04:04,879

apparently but it was a direct

135

00:04:08,309 --> 00:04:06,480

malfunction of a balloon to detect

136

00:04:09,910 --> 00:04:08,319

soviet nuclear activity from high

137

00:04:11,190 --> 00:04:09,920

altitudes in a different area for

138

00:04:13,350 --> 00:04:11,200

reasons unknown

139

00:04:14,949 --> 00:04:13,360

how does a balloon crash there were six

140

00:04:16,629 --> 00:04:14,959

beings recovered in roswell

141

00:04:18,469 --> 00:04:16,639

and back in the eighties it wasn't as

142

00:04:20,229 --> 00:04:18,479

big of a secret as it was now

143

00:04:22,069 --> 00:04:20,239

if you remember or lived in the eighties

144

00:04:24,150 --> 00:04:22,079

it wasn't uncommon to see ufos on

145

00:04:25,110 --> 00:04:24,160

mainstream news investigating nuclear

146

00:04:26,550 --> 00:04:25,120

facilities

147

00:04:27,990 --> 00:04:26,560

of course in the eighties there were no

148

00:04:29,990 --> 00:04:28,000

living beings they had all been

149

00:04:31,030 --> 00:04:30,000

preserved in special kind of plastics

150

00:04:32,950 --> 00:04:31,040

after the crash

151  
00:04:34,070 --> 00:04:32,960  
one of them had been alive but soon just

152  
00:04:35,909 --> 00:04:34,080  
kind of stopped

153  
00:04:37,270 --> 00:04:35,919  
when i saw one i wasn't thinking as

154  
00:04:38,710 --> 00:04:37,280  
people do today about them

155  
00:04:40,550 --> 00:04:38,720  
having the fears and stories of

156  
00:04:41,670 --> 00:04:40,560  
abductions already pre-programmed into

157  
00:04:43,670 --> 00:04:41,680  
my understanding

158  
00:04:45,350 --> 00:04:43,680  
think about a very small extreme version

159  
00:04:46,710 --> 00:04:45,360  
of a human with asian descent and you

160  
00:04:47,990 --> 00:04:46,720  
would be closer than a lot of the

161  
00:04:49,830 --> 00:04:48,000  
fiction on tv

162  
00:04:51,510 --> 00:04:49,840  
we were biologists working with what we

163  
00:04:53,110 --> 00:04:51,520

thought were animals and went about

164

00:04:54,950 --> 00:04:53,120

everything in a pretty fascinated yet

165

00:04:56,950 --> 00:04:54,960

professional kind of engagement

166

00:04:59,189 --> 00:04:56,960

the beings were small a lot smaller than

167

00:05:01,350 --> 00:04:59,199

the beings now portrayed many times

168

00:05:03,270 --> 00:05:01,360

they were actually only half our size

169

00:05:05,029 --> 00:05:03,280

when you see them in such an atmosphere

170

00:05:06,790 --> 00:05:05,039

your mind treats them more as perhaps

171

00:05:08,629 --> 00:05:06,800

mutated humans than an alien

172

00:05:10,390 --> 00:05:08,639

their eyes were larger than human but

173

00:05:11,909 --> 00:05:10,400

not so dramatically slanted like the

174

00:05:12,870 --> 00:05:11,919

common understanding of the gray and

175

00:05:14,870 --> 00:05:12,880

much rounder

176

00:05:16,870 --> 00:05:14,880

gray is also misleading as their skin is

177

00:05:18,950 --> 00:05:16,880

more brown than gray but i also can't

178

00:05:20,870 --> 00:05:18,960

prove that gray colors don't exist

179

00:05:22,950 --> 00:05:20,880

their anatomy was unlike a human as the

180

00:05:24,950 --> 00:05:22,960

insides were very odd yet clean

181

00:05:26,550 --> 00:05:24,960

back then robots weren't common but some

182

00:05:28,950 --> 00:05:26,560

of the materials inside could have been

183

00:05:31,189 --> 00:05:28,960

seen as robotic by today's standards

184

00:05:32,950 --> 00:05:31,199

no wires or anything recognizable just

185

00:05:34,070 --> 00:05:32,960

to clean inside to be discerned is

186

00:05:35,909 --> 00:05:34,080

entirely organic

187

00:05:37,749 --> 00:05:35,919

and materials unlike growing tissues

188

00:05:38,550 --> 00:05:37,759

inside that were neatly and sparsely

189

00:05:40,710 --> 00:05:38,560

oriented

190

00:05:42,150 --> 00:05:40,720

in any case the crafts quickly seemed to

191

00:05:43,749 --> 00:05:42,160

adapt to the old devices

192

00:05:45,430 --> 00:05:43,759

so they haven't been able to bring one

193

00:05:54,790 --> 00:05:45,440

down on their own terms since

194

00:05:58,230 --> 00:05:56,230

roswell crash witness statement

195

00:05:59,830 --> 00:05:58,240

disclosed this is a report of an

196

00:06:01,189 --> 00:05:59,840

interview i conducted of a person who

197

00:06:03,749 --> 00:06:01,199

was at the roswell crash

198

00:06:05,350 --> 00:06:03,759

site i am a retired engineer i joined

199

00:06:07,749 --> 00:06:05,360

the staff of the then new campus of the

200

00:06:09,510 --> 00:06:07,759

university of california at santa cruz

201  
00:06:12,150 --> 00:06:09,520  
there were several sightings of ufos in

202  
00:06:13,909 --> 00:06:12,160  
the mountains behind the campus in 1969

203  
00:06:15,510 --> 00:06:13,919  
and reported to the university

204  
00:06:17,510 --> 00:06:15,520  
i was asked to interview three people

205  
00:06:19,430 --> 00:06:17,520  
and file a report i could find no

206  
00:06:21,510 --> 00:06:19,440  
credibility or evidence in these events

207  
00:06:22,870 --> 00:06:21,520  
but because it was a small campus and

208  
00:06:24,469 --> 00:06:22,880  
everybody in the sciences

209  
00:06:26,309 --> 00:06:24,479  
knew what was going on i got the

210  
00:06:27,590 --> 00:06:26,319  
unwanted reputation of someone who knew

211  
00:06:30,070 --> 00:06:27,600  
about ufos

212  
00:06:31,350 --> 00:06:30,080  
one day in 1970 a maintenance worker who

213  
00:06:32,950 --> 00:06:31,360

i knew well from my church

214

00:06:34,710 --> 00:06:32,960

came into my lap and said he had a

215

00:06:36,710 --> 00:06:34,720

friend who wanted to talk to me but did

216

00:06:38,390 --> 00:06:36,720

not want to meet in a public place

217

00:06:39,830 --> 00:06:38,400

i suggested we meet at my home that

218

00:06:41,430 --> 00:06:39,840

evening at the time

219

00:06:42,870 --> 00:06:41,440

i did not know he wanted to tell me

220

00:06:44,710 --> 00:06:42,880

about a ufo incident

221

00:06:45,990 --> 00:06:44,720

that evening i was told by the two men

222

00:06:47,510 --> 00:06:46,000

that they had been captured by the

223

00:06:49,510 --> 00:06:47,520

germans during world war ii

224

00:06:51,430 --> 00:06:49,520

and spent a year and a half in a pow

225

00:06:52,070 --> 00:06:51,440

camp they became good friends during

226

00:06:53,909 --> 00:06:52,080

that time

227

00:06:55,990 --> 00:06:53,919

and remained so after the war the

228

00:06:57,830 --> 00:06:56,000

individual i interviewed was a welder by

229

00:06:59,909 --> 00:06:57,840

trade and after the war was employed at

230

00:07:02,150 --> 00:06:59,919

the roswell air force base welding jigs

231

00:07:03,189 --> 00:07:02,160

and fixers for servicing aircraft he

232

00:07:04,790 --> 00:07:03,199

began by stating

233

00:07:06,629 --> 00:07:04,800

that the week before the 4th of july

234

00:07:08,390 --> 00:07:06,639

flying saucers would fly over the base

235

00:07:09,990 --> 00:07:08,400

in pairs every once in a while

236

00:07:12,070 --> 00:07:10,000

he said they were circular and had a

237

00:07:13,510 --> 00:07:12,080

large dome on the top they were flat on

238

00:07:15,110 --> 00:07:13,520

the bottom and were silent

239

00:07:16,870 --> 00:07:15,120

he assumed there was some technology

240

00:07:18,309 --> 00:07:16,880

obtained from the germans he said

241

00:07:20,390 --> 00:07:18,319

everyone working there called the

242

00:07:22,230 --> 00:07:20,400

flats he said that he had just returned

243

00:07:23,830 --> 00:07:22,240

back to work after the 4th of july

244

00:07:25,749 --> 00:07:23,840

holiday when a truck pulled up and an

245

00:07:27,350 --> 00:07:25,759

officer got out and told him to load a

246

00:07:28,550 --> 00:07:27,360

cutting torch in fresh tanks

247

00:07:30,790 --> 00:07:28,560

and that they were going out to the

248

00:07:32,790 --> 00:07:30,800

desert he said that it was mid-afternoon

249

00:07:34,309 --> 00:07:32,800

when they arrived at the crash site

250

00:07:36,469 --> 00:07:34,319

he said at the time he thought a plane

251  
00:07:37,909 --> 00:07:36,479  
had gone down he said they had a flatbed

252  
00:07:39,670 --> 00:07:37,919  
truck loaded with wreckage and there

253  
00:07:41,350 --> 00:07:39,680  
were soldiers on their hands and knees

254  
00:07:43,589 --> 00:07:41,360  
picking up every piece of wreckage

255  
00:07:45,749 --> 00:07:43,599  
and putting it in cloth bags he said the

256  
00:07:47,350 --> 00:07:45,759  
bags were the kind used for sandbags

257  
00:07:49,189 --> 00:07:47,360  
he said they drove a little farther out

258  
00:07:50,950 --> 00:07:49,199  
of sight from the wreckage and came upon

259  
00:07:52,150 --> 00:07:50,960  
a second group of people standing around

260  
00:07:53,589 --> 00:07:52,160  
an intact ufo

261  
00:07:55,270 --> 00:07:53,599  
he said the brush was knocked down

262  
00:07:57,270 --> 00:07:55,280  
indicating the craft had skidded across

263  
00:07:59,189 --> 00:07:57,280

the ground and came to rest nose into a

264

00:08:00,150 --> 00:07:59,199

natural berm with the back side slightly

265

00:08:02,469 --> 00:08:00,160

off the ground

266

00:08:04,869 --> 00:08:02,479

he described the craft as being about 25

267

00:08:05,589 --> 00:08:04,879

to 26 feet in diameter with a large dome

268

00:08:07,270 --> 00:08:05,599

on top

269

00:08:08,790 --> 00:08:07,280

he said the craft was the color of wheat

270

00:08:10,309 --> 00:08:08,800

tea with a burnished finish

271

00:08:12,629 --> 00:08:10,319

he said there were no signs of weld

272

00:08:13,110 --> 00:08:12,639

marks seams or rivets and that all the

273

00:08:15,350 --> 00:08:13,120

edges

274

00:08:16,790 --> 00:08:15,360

had either an insider outside radius

275

00:08:17,589 --> 00:08:16,800

there were no visible windows or

276

00:08:19,589 --> 00:08:17,599

openings

277

00:08:21,270 --> 00:08:19,599

that was why he was brought there he was

278

00:08:22,950 --> 00:08:21,280

told to cut an opening in the dome big

279

00:08:24,629 --> 00:08:22,960

enough for a man to crawl through

280

00:08:26,150 --> 00:08:24,639

by this time it was getting to be late

281

00:08:28,150 --> 00:08:26,160

afternoon and there were soldiers

282

00:08:29,749 --> 00:08:28,160

setting up a bank of portable lights

283

00:08:31,830 --> 00:08:29,759

he said he began cutting a hole from the

284

00:08:33,750 --> 00:08:31,840

base of the dome he said it was a tough

285

00:08:35,190 --> 00:08:33,760

alloy and slow cutting but the material

286

00:08:36,790 --> 00:08:35,200

was surprisingly thin

287

00:08:38,310 --> 00:08:36,800

he tried bending the metal out of his

288

00:08:40,070 --> 00:08:38,320

way as he was cutting but the metal

289

00:08:41,269 --> 00:08:40,080

would spring back to its original shape

290

00:08:42,790 --> 00:08:41,279

without creasing

291

00:08:44,710 --> 00:08:42,800

he finished his cut and set the metal

292

00:08:45,670 --> 00:08:44,720

piece aside and looked into the cockpit

293

00:08:47,910 --> 00:08:45,680

for a few seconds

294

00:08:49,590 --> 00:08:47,920

before he was ordered off the craft he

295

00:08:50,389 --> 00:08:49,600

said it was difficult to see very far

296

00:08:51,910 --> 00:08:50,399

into the craft

297

00:08:53,829 --> 00:08:51,920

because of the glare from the portable

298

00:08:55,190 --> 00:08:53,839

lights and the cockpit was full of smoke

299

00:08:56,790 --> 00:08:55,200

from the cutting torch

300

00:08:58,870 --> 00:08:56,800

he said he saw two beings who appeared

301  
00:09:00,389 --> 00:08:58,880  
to be dead he said the copy it had a

302  
00:09:01,990 --> 00:09:00,399  
strong smell of ammonia

303  
00:09:03,350 --> 00:09:02,000  
he described the two beams as being

304  
00:09:03,990 --> 00:09:03,360  
about four foot tall but they were

305  
00:09:06,070 --> 00:09:04,000  
doubled up

306  
00:09:07,829 --> 00:09:06,080  
so it was hard to say they were wearing

307  
00:09:09,269 --> 00:09:07,839  
what he said where skin-tight purplish

308  
00:09:10,070 --> 00:09:09,279  
flight suits that reminded him of

309  
00:09:11,829 --> 00:09:10,080  
sequence

310  
00:09:13,190 --> 00:09:11,839  
he described their headsets what we now

311  
00:09:14,470 --> 00:09:13,200  
refer to as graves

312  
00:09:16,470 --> 00:09:14,480  
he said there were no visible

313  
00:09:18,150 --> 00:09:16,480

instruments that he could see he was

314

00:09:20,310 --> 00:09:18,160

ordered off the craft with his gear

315

00:09:21,910 --> 00:09:20,320

and returned to the air base he said it

316

00:09:23,910 --> 00:09:21,920

was dark when they arrived and he was

317

00:09:25,110 --> 00:09:23,920

escorted by barn guards into a building

318

00:09:26,710 --> 00:09:25,120

for a debriefing

319

00:09:28,470 --> 00:09:26,720

he said there were several high-ranking

320

00:09:30,150 --> 00:09:28,480

officers at the table along with four or

321

00:09:31,990 --> 00:09:30,160

five civilians in suits

322

00:09:33,829 --> 00:09:32,000

he said that after he was debriefed he

323

00:09:35,350 --> 00:09:33,839

was told that he was not to talk about

324

00:09:37,030 --> 00:09:35,360

what he had seen as it was a state

325

00:09:38,630 --> 00:09:37,040

secret and if he was caught divulging

326

00:09:40,150 --> 00:09:38,640

anything he would spend the rest of his

327

00:09:41,910 --> 00:09:40,160

life in prison or worse

328

00:09:43,509 --> 00:09:41,920

he was scared to death by the threat and

329

00:09:45,670 --> 00:09:43,519

my friend and myself were the only

330

00:09:47,030 --> 00:09:45,680

people he ever told and that was 23

331

00:09:49,110 --> 00:09:47,040

years after the event

332

00:09:50,710 --> 00:09:49,120

when we started the interview i was told

333

00:09:51,430 --> 00:09:50,720

that i could not take notes or use the

334

00:09:53,350 --> 00:09:51,440

recorder

335

00:09:55,190 --> 00:09:53,360

he was very nervous telling the story

336

00:09:57,190 --> 00:09:55,200

and had to be reassured by my friend

337

00:09:58,949 --> 00:09:57,200

that i would not betray him he said that

338

00:10:00,790 --> 00:09:58,959

what had been described as the roswell

339

00:10:02,389 --> 00:10:00,800

event was not true and he wanted the

340

00:10:03,910 --> 00:10:02,399

truth told after his death

341

00:10:05,670 --> 00:10:03,920

he asked did i keep what he told me a

342

00:10:06,470 --> 00:10:05,680

secret until after his death which i

343

00:10:08,150 --> 00:10:06,480

have done

344

00:10:09,509 --> 00:10:08,160

he and my friend both passed away in the

345

00:10:11,110 --> 00:10:09,519

late 1980s

346

00:10:13,590 --> 00:10:11,120

when i heard this story i did not know

347

00:10:15,430 --> 00:10:13,600

what to think i was not a ufo buff i had

348

00:10:17,110 --> 00:10:15,440

never heard the roswell's story

349

00:10:18,870 --> 00:10:17,120

my friend said this guy was the real

350

00:10:20,150 --> 00:10:18,880

thing and during the interview i never

351  
00:10:20,949 --> 00:10:20,160  
sensed anything odd about his

352  
00:10:23,269 --> 00:10:20,959  
presentation

353  
00:10:24,230 --> 00:10:23,279  
or with his mannerisms he provided a lot

354  
00:10:26,069 --> 00:10:24,240  
more information

355  
00:10:28,230 --> 00:10:26,079  
that i have stated but the interview was

356  
00:10:30,150 --> 00:10:28,240  
almost 50 years ago and forgotten

357  
00:10:31,509 --> 00:10:30,160  
i think he was telling the truth my

358  
00:10:32,069 --> 00:10:31,519  
friend was a very honorable and

359  
00:10:33,670 --> 00:10:32,079  
trustworthy

360  
00:10:35,750 --> 00:10:33,680  
man who would not knowingly support a

361  
00:10:37,430 --> 00:10:35,760  
bogus story i never saw her spoke the

362  
00:10:38,870 --> 00:10:37,440  
welder again after that evening

363  
00:10:40,790 --> 00:10:38,880

i had shared my knowledge of this

364

00:10:48,949 --> 00:10:40,800

interview with a couple of investigators

365

00:10:53,190 --> 00:10:51,590

odd incidents in roswell i was in los

366

00:10:55,030 --> 00:10:53,200

angeles at my mom's house

367

00:10:56,949 --> 00:10:55,040

while my friend was visiting our other

368

00:10:57,910 --> 00:10:56,959

friend who had just moved to roswell new

369

00:11:00,069 --> 00:10:57,920

mexico

370

00:11:01,829 --> 00:11:00,079

all of a sudden i got a text from lee

371

00:11:02,230 --> 00:11:01,839

she was very frightened and wanted to

372

00:11:04,230 --> 00:11:02,240

know

373

00:11:06,389 --> 00:11:04,240

if there were such things as aliens for

374

00:11:08,550 --> 00:11:06,399

real she felt that something was

375

00:11:10,150 --> 00:11:08,560

gonna happen to her she texted me

376

00:11:10,790 --> 00:11:10,160

everything that was happening to her as

377

00:11:12,389 --> 00:11:10,800

it happened

378

00:11:13,990 --> 00:11:12,399

and i could tell by the way she was

379

00:11:16,310 --> 00:11:14,000

typing her words that she was

380

00:11:18,389 --> 00:11:16,320

terrified and scared for her life i

381

00:11:19,350 --> 00:11:18,399

became very frightened myself as i read

382

00:11:21,030 --> 00:11:19,360

her texts

383

00:11:23,269 --> 00:11:21,040

i kept telling her to call me and she

384

00:11:25,110 --> 00:11:23,279

wouldn't she just continued texting

385

00:11:27,110 --> 00:11:25,120

and finally she said she didn't want to

386

00:11:29,269 --> 00:11:27,120

call because they would hear her

387

00:11:31,269 --> 00:11:29,279

anyway this is the story she told me

388

00:11:33,110 --> 00:11:31,279

about what happened to her that night

389

00:11:35,190 --> 00:11:33,120

she was coming back from a late night

390

00:11:37,430 --> 00:11:35,200

colin hobbs like 2 am

391

00:11:38,310 --> 00:11:37,440

and she still had several miles to go to

392

00:11:40,550 --> 00:11:38,320

reach the house

393

00:11:42,150 --> 00:11:40,560

where she was staying in roswell she

394

00:11:43,990 --> 00:11:42,160

said that she saw a light in the sky

395

00:11:45,990 --> 00:11:44,000

zoom past her from the front

396

00:11:47,590 --> 00:11:46,000

then suddenly she became aware of very

397

00:11:49,509 --> 00:11:47,600

bright lights behind her car

398

00:11:51,430 --> 00:11:49,519

that seemingly came out of nowhere but

399

00:11:53,509 --> 00:11:51,440

were following her car in very close

400

00:11:54,230 --> 00:11:53,519

proximity and resembled the headlights

401  
00:11:55,990 --> 00:11:54,240  
of a car

402  
00:11:58,230 --> 00:11:56,000  
except that there was no car visibly

403  
00:11:59,990 --> 00:11:58,240  
attached to them it was as if the lights

404  
00:12:00,230 --> 00:12:00,000  
themselves were floating and following

405  
00:12:01,829 --> 00:12:00,240  
her

406  
00:12:03,750 --> 00:12:01,839  
when she would speed up they would speed

407  
00:12:05,430 --> 00:12:03,760  
up very close to her car

408  
00:12:06,949 --> 00:12:05,440  
when she would slow down they would slow

409  
00:12:08,710 --> 00:12:06,959  
down even more to the point

410  
00:12:10,629 --> 00:12:08,720  
where they were no longer close to her

411  
00:12:11,590 --> 00:12:10,639  
car anymore but they would stall way

412  
00:12:13,269 --> 00:12:11,600  
further behind

413  
00:12:15,350 --> 00:12:13,279

so that she could still not get a good

414

00:12:17,829 --> 00:12:15,360

look at the vehicle behind the lights

415

00:12:19,110 --> 00:12:17,839

then she would speed up to 100 miles per

416

00:12:20,870 --> 00:12:19,120

hour at one point

417

00:12:22,389 --> 00:12:20,880

because she was trying to see how far

418

00:12:24,230 --> 00:12:22,399

they would go to keep up with her

419

00:12:26,230 --> 00:12:24,240

and they were almost glued to her bumper

420

00:12:27,829 --> 00:12:26,240

at that point they had no problem

421

00:12:28,310 --> 00:12:27,839

staying right along with her at that

422

00:12:30,470 --> 00:12:28,320

speed

423

00:12:32,550 --> 00:12:30,480

and yet they would not pass her while

424

00:12:34,230 --> 00:12:32,560

she was driving very fast trying

425

00:12:36,069 --> 00:12:34,240

to shape the lights the inside of her

426

00:12:38,389 --> 00:12:36,079

car filled up with the noise

427

00:12:40,150 --> 00:12:38,399

that she could not quite put into words

428

00:12:41,190 --> 00:12:40,160

she said it seemed to be coming from her

429

00:12:43,509 --> 00:12:41,200

purse beside her

430

00:12:45,430 --> 00:12:43,519

and it was a loud and terrifying sound

431

00:12:47,190 --> 00:12:45,440

unlike anything she ever heard before

432

00:12:49,030 --> 00:12:47,200

and she felt at that moment that they

433

00:12:51,110 --> 00:12:49,040

were trying to make her crash

434

00:12:53,110 --> 00:12:51,120

she started noticing all the skid marks

435

00:12:54,230 --> 00:12:53,120

on the road that were going off the road

436

00:12:56,470 --> 00:12:54,240

in the same direction

437

00:12:58,949 --> 00:12:56,480

and how many there were one after the

438

00:13:01,030 --> 00:12:58,959

other like almost 30 sets of skid marks

439

00:13:03,110 --> 00:13:01,040

all within a one mile stretch of road

440

00:13:05,030 --> 00:13:03,120

that she felt was designated for that

441

00:13:05,990 --> 00:13:05,040

purpose and she felt that it was

442

00:13:08,550 --> 00:13:06,000

intended for her to

443

00:13:09,990 --> 00:13:08,560

do the same she got the idea that they

444

00:13:11,590 --> 00:13:10,000

were amused by her fear

445

00:13:13,509 --> 00:13:11,600

and that they could read her mind and

446

00:13:15,430 --> 00:13:13,519

that's why she was afraid to call me

447

00:13:17,350 --> 00:13:15,440

because she felt they would hear her

448

00:13:18,310 --> 00:13:17,360

almost as fast as the lights appeared

449

00:13:20,069 --> 00:13:18,320

they disappeared

450

00:13:21,990 --> 00:13:20,079

and she resumed her driving normally

451  
00:13:23,829 --> 00:13:22,000  
till she reached her friend's house

452  
00:13:25,910 --> 00:13:23,839  
she was so scared she couldn't even get

453  
00:13:26,710 --> 00:13:25,920  
out of the car our friend had to come

454  
00:13:28,710 --> 00:13:26,720  
get her

455  
00:13:29,990 --> 00:13:28,720  
she got very very ill the next day she

456  
00:13:32,230 --> 00:13:30,000  
couldn't get out of bed

457  
00:13:34,069 --> 00:13:32,240  
she was terribly sick for two days

458  
00:13:36,389 --> 00:13:34,079  
before the incident occurred she was not

459  
00:13:37,990 --> 00:13:36,399  
one to really care too much one way or

460  
00:13:39,670 --> 00:13:38,000  
the other about other life forms

461  
00:13:41,509 --> 00:13:39,680  
and she bordered on disbelief in

462  
00:13:42,230 --> 00:13:41,519  
anything she had not seen with her own

463  
00:13:44,470 --> 00:13:42,240

eyes

464

00:13:46,550 --> 00:13:44,480

she now has a firm belief in alien life

465

00:13:48,470 --> 00:13:46,560

forms and she also believes that they

466

00:13:50,150 --> 00:13:48,480

were trying to run her off the road

467

00:13:51,590 --> 00:13:50,160

that night and that they had run several

468

00:13:53,590 --> 00:13:51,600

people off the road before

469

00:13:55,269 --> 00:13:53,600

evidenced by the many skid marks that

470

00:13:56,870 --> 00:13:55,279

were veering off the road in the same

471

00:13:58,230 --> 00:13:56,880

direction in that one little mile

472

00:14:00,069 --> 00:13:58,240

stretch of highway

473

00:14:01,990 --> 00:14:00,079

the other strange thing that happened

474

00:14:04,150 --> 00:14:02,000

was that when we were both discussing

475

00:14:06,150 --> 00:14:04,160

it a few days later we wanted to retrace

476

00:14:07,750 --> 00:14:06,160

her route that she took that night to

477

00:14:08,470 --> 00:14:07,760

try to determine where it had happened

478

00:14:10,389 --> 00:14:08,480

exactly

479

00:14:12,150 --> 00:14:10,399

and her latitude history for that little

480

00:14:13,670 --> 00:14:12,160

stretch of time was missing

481

00:14:15,910 --> 00:14:13,680

we looked at all the records of the

482

00:14:17,590 --> 00:14:15,920

texts that we sent back and forth both

483

00:14:19,910 --> 00:14:17,600

on her phone and on mine

484

00:14:21,430 --> 00:14:19,920

we both have google voice and it saves

485

00:14:23,110 --> 00:14:21,440

every text and phone call

486

00:14:24,550 --> 00:14:23,120

yet there was no trace of any of the

487

00:14:27,269 --> 00:14:24,560

texts on either end

488

00:14:29,030 --> 00:14:27,279

it was very strange then two weeks after

489

00:14:30,150 --> 00:14:29,040

this happened my daughter came to visit

490

00:14:32,310 --> 00:14:30,160

me in california

491

00:14:33,990 --> 00:14:32,320

she had done a movie shootout in roswell

492

00:14:35,829 --> 00:14:34,000

and she told me this story

493

00:14:38,150 --> 00:14:35,839

she was shooting a movie about aliens

494

00:14:39,750 --> 00:14:38,160

and she wanted it on location in roswell

495

00:14:41,430 --> 00:14:39,760

so she brought her equipment and crew

496

00:14:43,269 --> 00:14:41,440

members out to roswell

497

00:14:44,949 --> 00:14:43,279

they shot the scenes and ended up having

498

00:14:47,110 --> 00:14:44,959

to spend the night out there

499

00:14:48,550 --> 00:14:47,120

so she went to the hotel and paid for

500

00:14:50,870 --> 00:14:48,560

several rooms for herself

501  
00:14:52,310 --> 00:14:50,880  
and her crew members for the night upon

502  
00:14:54,150 --> 00:14:52,320  
going to bed she discovered

503  
00:14:55,350 --> 00:14:54,160  
as did the rest of her crew members in

504  
00:14:57,269 --> 00:14:55,360  
each of their own rooms

505  
00:14:59,269 --> 00:14:57,279  
that the bed mattresses and box springs

506  
00:15:01,269 --> 00:14:59,279  
were covered with massive blood stains

507  
00:15:02,949 --> 00:15:01,279  
and there was not a mattress or box

508  
00:15:04,870 --> 00:15:02,959  
spring in the whole hotel that did not

509  
00:15:07,189 --> 00:15:04,880  
have blood stains on it for which they

510  
00:15:09,030 --> 00:15:07,199  
would not even offer an explanation

511  
00:15:10,870 --> 00:15:09,040  
why would the whole hotel be filled with

512  
00:15:13,509 --> 00:15:10,880  
mattresses covered with blood

513  
00:15:13,910 --> 00:15:13,519

very scary stuff needless to say they

514

00:15:17,460 --> 00:15:13,920

left

515

00:15:21,509 --> 00:15:17,470

and will not be returning casey

516

00:15:24,949 --> 00:15:24,069

this is lon strickler if you like this
