

ARCANE RADIO
Exploring the Unexplained

February 26th, 2021
@ 9PM Eastern

**Your Host
Lon Strickler**

**With
Guests** FORTEAN RESEARCH
**Butch Witkowski,
Rob Shaw &
Ryan Fusco**

Case Updates with Butch Witkowski, Rob Shaw & Ryan Fusco

1
00:00:05,110 --> 00:00:04,309

[Music]

2
00:00:08,549 --> 00:00:05,120

the oldest

3
00:00:10,709 --> 00:00:08,559

and strongest human emotion is fear

4
00:00:11,749 --> 00:00:10,719

and the oldest and strongest type of

5
00:00:14,950 --> 00:00:11,759

fear

6
00:00:17,349 --> 00:00:14,960

is trepidation of the unknown

7
00:00:20,790 --> 00:00:17,359

when we were children our parents told

8
00:00:23,269 --> 00:00:20,800

us that monsters didn't exist

9
00:00:26,470 --> 00:00:23,279

but we were sure that something was

10
00:00:31,029 --> 00:00:26,480

lurking under the bed or in the closet

11
00:00:34,229 --> 00:00:31,039

fear sees even if our eyes are closed

12
00:00:36,310 --> 00:00:34,239

welcome to the realm of the arcane my

13
00:00:38,630 --> 00:00:36,320

name is lon strickler

14

00:00:39,750 --> 00:00:38,640

join me as i examine unexplained

15

00:00:42,830 --> 00:00:39,760

creatures

16

00:00:44,709 --> 00:00:42,840

strange manifestations and remarkable

17

00:00:47,750 --> 00:00:44,719

realities

18

00:00:50,389 --> 00:00:47,760

imagine this next hour as a voyage of

19

00:00:53,430 --> 00:00:50,399

discovery to strange lands

20

00:00:56,150 --> 00:00:53,440

seeking not for new territory but for

21

00:00:57,990 --> 00:00:56,160

new knowledge of the supernatural come

22

00:01:00,150 --> 00:00:58,000

on board as we begin this

23

00:01:04,469 --> 00:01:00,160

adventure together

24

00:01:09,109 --> 00:01:06,789

hey folks good evening and welcome to

25

00:01:11,109 --> 00:01:09,119

another episode of arcane radio where we

26

00:01:14,469 --> 00:01:11,119

explore the unexplained

27

00:01:16,789 --> 00:01:14,479

live on beyond explanation i'm your host

28

00:01:19,910 --> 00:01:16,799

lon strickler coming to you

29

00:01:22,950 --> 00:01:19,920

from the anomalous state of pennsylvania

30

00:01:24,870 --> 00:01:22,960

now before we get started i'm going to

31

00:01:27,270 --> 00:01:24,880

ask you for a favor

32

00:01:27,910 --> 00:01:27,280

now arcane radio and beyond explanation

33

00:01:30,950 --> 00:01:27,920

channel

34

00:01:34,310 --> 00:01:30,960

is made possible by you liking

35

00:01:37,270 --> 00:01:34,320

subscribing and sharing our programming

36

00:01:40,789 --> 00:01:37,280

uh advertising budgets and increased use

37

00:01:43,190 --> 00:01:40,799

of limiting technology has made it more

38

00:01:47,590 --> 00:01:43,200

more difficult to finance this venture

39

00:01:49,749 --> 00:01:47,600

so as as a result super chat donations

40

00:01:50,870 --> 00:01:49,759

are essential for us to continue

41

00:01:54,389 --> 00:01:50,880

offering you our

42

00:01:55,429 --> 00:01:54,399

unique content your consideration is

43

00:01:58,870 --> 00:01:55,439

very much needed

44

00:02:01,510 --> 00:01:58,880

and appreciated also

45

00:02:04,230 --> 00:02:01,520

every second friday of each month

46

00:02:07,749 --> 00:02:04,240

beginning in april on april 9th

47

00:02:10,630 --> 00:02:07,759

i will be presenting 14 friday on arcane

48

00:02:11,990 --> 00:02:10,640

radio now instead of fans of monsters 14

49

00:02:13,910 --> 00:02:12,000

research team

50

00:02:15,910 --> 00:02:13,920

and affiliate members appearing every

51

00:02:19,670 --> 00:02:15,920

three months or so

52

00:02:22,229 --> 00:02:19,680

uh 14 friday will be a monthly

53

00:02:26,229 --> 00:02:22,239

roundtable discussion that references

54

00:02:29,110 --> 00:02:26,239

current investigations paranormal

55

00:02:30,869 --> 00:02:29,120

and the ability for the audience to ask

56

00:02:34,390 --> 00:02:30,879

our members questions

57

00:02:35,270 --> 00:02:34,400

in the chat so we all look forward to it

58

00:02:37,670 --> 00:02:35,280

you know tonight

59

00:02:39,670 --> 00:02:37,680

what we're doing tonight actually is

60

00:02:40,309 --> 00:02:39,680

going to be similar to what the 14th and

61

00:02:42,949 --> 00:02:40,319

friday

62

00:02:44,710 --> 00:02:42,959

setup is going to be so uh you get a

63

00:02:47,509 --> 00:02:44,720

kind of a look at what it's going to be

64

00:02:48,550 --> 00:02:47,519

like would normally run maybe two

65

00:02:50,470 --> 00:02:48,560

members or so

66

00:02:51,589 --> 00:02:50,480

uh if i can get three and it should be

67

00:02:53,509 --> 00:02:51,599

interesting

68

00:02:56,390 --> 00:02:53,519

so tonight i welcome phantoms of

69

00:02:59,910 --> 00:02:56,400

monsters 14 research investigators

70

00:03:02,070 --> 00:02:59,920

butch witkowski rob shaw and ryan fusco

71

00:03:04,550 --> 00:03:02,080

so arcane radio

72

00:03:06,229 --> 00:03:04,560

now butch witkowski is a ufo paranormal

73

00:03:08,630 --> 00:03:06,239

encrypted investigator

74

00:03:09,910 --> 00:03:08,640

and the founder of ufo research center

75

00:03:13,270 --> 00:03:09,920

of pennsylvania

76

00:03:15,830 --> 00:03:13,280

based in birdsboro pennsylvania ryan

77

00:03:17,110 --> 00:03:15,840

fusco is a paranormal cryptid and ufo

78

00:03:20,309 --> 00:03:17,120

investigator

79

00:03:22,630 --> 00:03:20,319

based in pittsburgh pennsylvania and rob

80

00:03:25,509 --> 00:03:22,640

shell is an experienced 14 investigator

81

00:03:27,350 --> 00:03:25,519

based in point pleasant west virginia

82

00:03:29,550 --> 00:03:27,360

our team and affiliate investigator

83

00:03:30,869 --> 00:03:29,560

information can be found at

84

00:03:34,630 --> 00:03:30,879

cryptidhunters.com

85

00:03:36,869 --> 00:03:34,640

excuse me cryptohunters.org

86

00:03:39,670 --> 00:03:36,879

so please feel free to ask questions in

87

00:03:42,470 --> 00:03:39,680

the chat super chat donations

88

00:03:45,270 --> 00:03:42,480

are very much appreciated so guys thanks

89

00:03:47,990 --> 00:03:45,280

for coming on tonight

90

00:03:49,589 --> 00:03:48,000

thanks for having me pleasure to be here

91

00:03:51,110 --> 00:03:49,599

oh absolutely lion's honor and a

92

00:03:51,750 --> 00:03:51,120

privilege to be here with you gentlemen

93

00:03:55,429 --> 00:03:51,760

thank you man

94

00:03:57,589 --> 00:03:55,439

appreciate it sir so uh

95

00:03:58,710 --> 00:03:57,599

i'm gonna first start off with butch and

96

00:04:00,869 --> 00:03:58,720

uh

97

00:04:01,750 --> 00:04:00,879

kind of give us a a briefing of what

98

00:04:04,309 --> 00:04:01,760

you've been doing

99

00:04:06,789 --> 00:04:04,319

and what's been going on in your neck of

100

00:04:09,429 --> 00:04:06,799

the woods lately

101

00:04:12,830 --> 00:04:09,439

well first of all go get a haircut yeah

102

00:04:13,990 --> 00:04:12,840

well i'm not gonna do until i get my

103

00:04:17,030 --> 00:04:14,000

shot

104

00:04:18,069 --> 00:04:17,040

yeah i uh i i i look i'm ready to go

105

00:04:20,629 --> 00:04:18,079

down and get it done

106

00:04:23,189 --> 00:04:20,639

right now but matt i could i kept

107

00:04:26,230 --> 00:04:23,199

suggesting the bad about getting it done

108

00:04:26,550 --> 00:04:26,240

and he says no so i'm he's the boss so

109

00:04:29,670 --> 00:04:26,560

i'm

110

00:04:31,909 --> 00:04:29,680

gonna listen to him well

111

00:04:34,390 --> 00:04:31,919

i got two updates uh the first one i'm

112

00:04:36,310 --> 00:04:34,400

going to talk about a little bit

113

00:04:38,629 --> 00:04:36,320

the ufo reported flying over the

114

00:04:41,830 --> 00:04:38,639

american airlines airbus

115

00:04:42,390 --> 00:04:41,840

at cruising altitude which was recorded

116

00:04:43,990 --> 00:04:42,400

uh

117

00:04:45,670 --> 00:04:44,000

by a ham operator of the whole

118

00:04:49,590 --> 00:04:45,680

conversation well

119

00:04:51,749 --> 00:04:49,600

yesterday the faa refuted the fact that

120

00:04:54,070 --> 00:04:51,759

that even took place

121

00:04:59,189 --> 00:04:54,080

which is kind of weird because it's an

122

00:05:03,909 --> 00:05:01,270

second the missing eight tourists in the

123

00:05:07,110 --> 00:05:03,919

ural mountains over in russia

124

00:05:09,510 --> 00:05:07,120

there's uh eight individuals

125

00:05:10,870 --> 00:05:09,520

who did not get a permit to go to that

126

00:05:14,870 --> 00:05:10,880

site where the diet loft

127

00:05:18,070 --> 00:05:14,880

incident took place uh in mount orton

128

00:05:21,189 --> 00:05:18,080

so they were supposed to report in

129

00:05:24,390 --> 00:05:21,199

on the 10th of february

130

00:05:26,390 --> 00:05:24,400

no nothing from them since

131

00:05:28,550 --> 00:05:26,400

i did get a hold of a researcher in

132

00:05:31,029 --> 00:05:28,560

russia

133

00:05:32,230 --> 00:05:31,039

mainly a ufo guy but you know he said he

134

00:05:33,510 --> 00:05:32,240

would look into it because he had some

135

00:05:37,029 --> 00:05:33,520

connections at the

136

00:05:39,830 --> 00:05:37,039

media outlet ei agency in russia

137

00:05:41,749 --> 00:05:39,840

in moscow and i heard back from him

138

00:05:44,310 --> 00:05:41,759

today and he says

139

00:05:45,510 --> 00:05:44,320

everything it's clammed up just tight as

140

00:05:48,550 --> 00:05:45,520

a drum

141

00:05:50,629 --> 00:05:48,560

so he said just from his intuition

142

00:05:52,710 --> 00:05:50,639

when you know he was a younger fellow

143

00:05:54,629 --> 00:05:52,720

following the diet loft case

144

00:05:56,790 --> 00:05:54,639

he said that's exactly what happened one

145

00:05:59,670 --> 00:05:56,800

that it they just went dark

146

00:06:00,870 --> 00:05:59,680

and he said now with this deal with the

147

00:06:05,029 --> 00:06:00,880

eight missing

148

00:06:09,029 --> 00:06:07,909

they just went dark so that's not good

149

00:06:11,110 --> 00:06:09,039

in his opinion

150

00:06:12,150 --> 00:06:11,120

he said they're either lost or they

151

00:06:14,870 --> 00:06:12,160

already found them

152

00:06:16,230 --> 00:06:14,880

and they're no longer alive but he's

153

00:06:18,390 --> 00:06:16,240

going to keep digging and let us know

154

00:06:21,990 --> 00:06:18,400

what's going on

155

00:06:23,189 --> 00:06:22,000

and uh which is pretty much about all

156

00:06:24,950 --> 00:06:23,199

you can ask i mean you're not going to

157

00:06:26,710 --> 00:06:24,960

get much out of the russians

158

00:06:28,230 --> 00:06:26,720

i mean that silly thing that they came

159

00:06:29,990 --> 00:06:28,240

up with on that last and second their

160

00:06:32,710 --> 00:06:30,000

second investigation

161

00:06:33,430 --> 00:06:32,720

where they said a slab avalanche caused

162

00:06:39,909 --> 00:06:33,440

that

163

00:06:42,070 --> 00:06:39,919

nonsense because first of all there is

164

00:06:44,469 --> 00:06:42,080

no way

165

00:06:48,790 --> 00:06:44,479

anybody i know including jesse owens is

166

00:06:51,830 --> 00:06:48,800

going to outrun an avalanche of any type

167

00:06:54,390 --> 00:06:51,840

and second the tent's still there so

168

00:06:55,909 --> 00:06:54,400

what the avalon is jump over the tent

169

00:06:57,670 --> 00:06:55,919

and the footprints are still there

170

00:06:59,029 --> 00:06:57,680

leading from the tent down to the tree

171

00:07:03,029 --> 00:06:59,039

line

172

00:07:06,150 --> 00:07:03,039

and the the injuries to the bodies

173

00:07:07,830 --> 00:07:06,160

you know it's just how do you explain

174

00:07:11,029 --> 00:07:07,840

somebody's head being fractured

175

00:07:14,629 --> 00:07:11,039

or chest caved in or broken ribs or

176
00:07:15,990 --> 00:07:14,639
or you know bones and cuts and bruises

177
00:07:19,350 --> 00:07:16,000
and gashes and missing

178
00:07:22,870 --> 00:07:19,360
eyes missing tongue and tell me

179
00:07:25,189 --> 00:07:22,880
that it's hypothermia that killed them

180
00:07:26,629 --> 00:07:25,199
yeah when the first autopsy report says

181
00:07:28,550 --> 00:07:26,639
flat out

182
00:07:31,110 --> 00:07:28,560
it was an unknown compelling force like

183
00:07:34,629 --> 00:07:31,120
they were hit by a speeding truck

184
00:07:36,070 --> 00:07:34,639
so you know the avalanche theory went

185
00:07:38,550 --> 00:07:36,080
out the window because the tent's still

186
00:07:41,990 --> 00:07:38,560
there there's no sign of an avalanche

187
00:07:43,029 --> 00:07:42,000
it didn't disrupt the uh footprints

188
00:07:46,150 --> 00:07:43,039

leading down to the

189

00:07:48,790 --> 00:07:46,160

to the to the uh

190

00:07:51,189 --> 00:07:48,800

tree line and another thing why did the

191

00:07:54,390 --> 00:07:51,199

lead investigator who was only on site

192

00:07:58,469 --> 00:07:54,400

that day that they would started back in

193

00:08:01,270 --> 00:07:58,479

when it happened back in february uh

194

00:08:02,469 --> 00:08:01,280

why did he quit i mean he was russia's

195

00:08:06,550 --> 00:08:02,479

top-notch

196

00:08:08,150 --> 00:08:06,560

forensic investigator he was the man

197

00:08:10,230 --> 00:08:08,160

and after eight hours the guy gets on

198

00:08:13,510 --> 00:08:10,240

the helicopter and says i quit i'm done

199

00:08:14,070 --> 00:08:13,520

and he leaves well you know the soviet

200

00:08:17,110 --> 00:08:14,080

system

201

00:08:18,950 --> 00:08:17,120

i mean you know they you know you

202

00:08:20,390 --> 00:08:18,960

you can't really explain much of what

203

00:08:23,029 --> 00:08:20,400

they ever did back then and

204

00:08:24,309 --> 00:08:23,039

they they to a degree they're that bad

205

00:08:31,430 --> 00:08:24,319

now

206

00:08:33,670 --> 00:08:31,440

back to that

207

00:08:35,110 --> 00:08:33,680

let's let me get to ryan we'll go back

208

00:08:36,630 --> 00:08:35,120

to that later because i want to ask you

209

00:08:38,550 --> 00:08:36,640

a few things about that what your

210

00:08:41,829 --> 00:08:38,560

opinions are okay

211

00:08:43,750 --> 00:08:41,839

okay okay so ryan uh what

212

00:08:45,430 --> 00:08:43,760

what have you been investigating i mean

213

00:08:47,590 --> 00:08:45,440

we know the case in

214

00:08:49,350 --> 00:08:47,600

oklahoma and we're gonna have some we

215

00:08:52,630 --> 00:08:49,360

have some shots

216

00:08:54,230 --> 00:08:52,640

some uh photo shots that you took there

217

00:08:55,829 --> 00:08:54,240

why don't you explain what's been going

218

00:08:58,389 --> 00:08:55,839

on out there

219

00:08:59,190 --> 00:08:58,399

oh so uh yeah for the most for the most

220

00:09:00,949 --> 00:08:59,200

part um

221

00:09:02,389 --> 00:09:00,959

when i was on last time i i think i

222

00:09:03,910 --> 00:09:02,399

explained uh

223

00:09:06,389 --> 00:09:03,920

quite a bit of it but uh towards the end

224

00:09:09,509 --> 00:09:06,399

i didn't really get to say what had been

225

00:09:11,190 --> 00:09:09,519

had happened out there uh but for who

226

00:09:13,030 --> 00:09:11,200

whoever didn't read the investigation

227

00:09:15,910 --> 00:09:13,040

basically

228

00:09:17,110 --> 00:09:15,920

what the i guess what the end game i

229

00:09:17,910 --> 00:09:17,120

don't even know if this is the end game

230

00:09:20,310 --> 00:09:17,920

or not but

231

00:09:21,190 --> 00:09:20,320

anyways i s what i saw with my own eyes

232

00:09:24,630 --> 00:09:21,200

and

233

00:09:28,870 --> 00:09:24,640

i did get a lot of it on film um

234

00:09:30,949 --> 00:09:28,880

they were they were v they were visiting

235

00:09:33,030 --> 00:09:30,959

they were going in our cars out in the

236

00:09:35,990 --> 00:09:33,040

parking lot in the driveway

237

00:09:37,190 --> 00:09:36,000

and um i have pictures of this i have a

238

00:09:38,550 --> 00:09:37,200

picture of a

239

00:09:40,870 --> 00:09:38,560

something sitting in the front of a

240

00:09:42,310 --> 00:09:40,880

truck um it's not human

241

00:09:44,949 --> 00:09:42,320

you can tell because it's i mean you can

242

00:09:47,190 --> 00:09:44,959

see its eye and you know anyways

243

00:09:48,870 --> 00:09:47,200

um they were coming in every 10 minutes

244

00:09:51,430 --> 00:09:48,880

changing

245

00:09:52,389 --> 00:09:51,440

um i guess entities it was it was very

246

00:09:53,990 --> 00:09:52,399

crazy

247

00:09:55,990 --> 00:09:54,000

um i couldn't believe i couldn't believe

248

00:09:57,829 --> 00:09:56,000

what i was seeing um

249

00:10:00,630 --> 00:09:57,839

but when we went outside to confront

250

00:10:04,389 --> 00:10:00,640

them there was four of us

251
00:10:07,509 --> 00:10:04,399
they didn't say one word to us and

252
00:10:08,630 --> 00:10:07,519
if you shined a light on them or a

253
00:10:12,150 --> 00:10:08,640
camera

254
00:10:13,750 --> 00:10:12,160
they would look like vegetation it was

255
00:10:15,269 --> 00:10:13,760
it was pretty weird but you could

256
00:10:16,470 --> 00:10:15,279
literally just sit there and stare at

257
00:10:18,150 --> 00:10:16,480
them you could see them

258
00:10:20,710 --> 00:10:18,160
i mean right they were right there it

259
00:10:22,310 --> 00:10:20,720
was pretty wild um

260
00:10:23,750 --> 00:10:22,320
but uh yeah that's what they were doing

261
00:10:25,110 --> 00:10:23,760
i don't know they were just

262
00:10:27,269 --> 00:10:25,120
it looks like they were just taking

263
00:10:29,509 --> 00:10:27,279

tours that's honestly what

264

00:10:31,350 --> 00:10:29,519

it looked like they were doing but uh

265

00:10:33,910 --> 00:10:31,360

after that i got home

266

00:10:36,310 --> 00:10:33,920

um it started on december 1st some weird

267

00:10:39,509 --> 00:10:36,320

stuff started at my house and then

268

00:10:41,030 --> 00:10:39,519

um basically

269

00:10:43,509 --> 00:10:41,040

i pretty much brought something back

270

00:10:44,870 --> 00:10:43,519

with me um that i'm guessing

271

00:10:47,030 --> 00:10:44,880

yeah but i was talking with david

272

00:10:48,949 --> 00:10:47,040

eckhart we were

273

00:10:51,110 --> 00:10:48,959

for the last couple months here and me

274

00:10:53,269 --> 00:10:51,120

and him got something similar going on

275

00:10:54,790 --> 00:10:53,279

so i mean for right now like especially

276

00:10:57,110 --> 00:10:54,800

the stuff that's been

277

00:10:58,829 --> 00:10:57,120

i have taken through the front door and

278

00:11:02,069 --> 00:10:58,839

stuff like that

279

00:11:03,910 --> 00:11:02,079

so but what what do these entities look

280

00:11:06,069 --> 00:11:03,920

like

281

00:11:07,670 --> 00:11:06,079

the ones in oklahoma are the ones not

282

00:11:10,230 --> 00:11:07,680

the one in oklahoma

283

00:11:11,590 --> 00:11:10,240

even the ones you got out at your place

284

00:11:14,230 --> 00:11:11,600

oh the the ones that

285

00:11:15,350 --> 00:11:14,240

okay the one and there was two main ones

286

00:11:17,350 --> 00:11:15,360

they were

287

00:11:19,910 --> 00:11:17,360

that were bringing the groups in the one

288

00:11:21,590 --> 00:11:19,920

was a lady i have a photo of her

289

00:11:23,110 --> 00:11:21,600

um it looks like a cartoon though it's

290

00:11:25,430 --> 00:11:23,120

so weird um

291

00:11:27,750 --> 00:11:25,440

she had orange glowing skin she had

292

00:11:30,230 --> 00:11:27,760

black polka dots and she wore sunglasses

293

00:11:32,310 --> 00:11:30,240

and whenever we were in the basement of

294

00:11:35,990 --> 00:11:32,320

the house

295

00:11:38,550 --> 00:11:36,000

um she they waved to us and smiled at us

296

00:11:39,590 --> 00:11:38,560

and i was like holy crap it was crazy

297

00:11:42,630 --> 00:11:39,600

and then uh

298

00:11:44,630 --> 00:11:42,640

so um

299

00:11:46,389 --> 00:11:44,640

the other one had a red jacket on and he

300

00:11:46,949 --> 00:11:46,399

had big tall stalks coming out of his

301
00:11:49,910 --> 00:11:46,959
head

302
00:11:51,030 --> 00:11:49,920
and he had blue jeans on but i mean

303
00:11:51,990 --> 00:11:51,040
every time i would say something to him

304
00:11:53,990 --> 00:11:52,000
they wouldn't say anything they would

305
00:11:57,030 --> 00:11:54,000
just sit there and stare at us

306
00:12:00,470 --> 00:11:57,040
so it was pretty wild um but then

307
00:12:02,629 --> 00:12:00,480
the ones i got on out here they just

308
00:12:04,629 --> 00:12:02,639
i don't know they look odd they just

309
00:12:07,430 --> 00:12:04,639
don't they don't look like anything that

310
00:12:08,230 --> 00:12:07,440
would come up in any abduction stories

311
00:12:10,790 --> 00:12:08,240
or

312
00:12:12,550 --> 00:12:10,800
contact cases i've ever heard of any

313
00:12:15,509 --> 00:12:12,560

none of it

314

00:12:16,550 --> 00:12:15,519

it's crazy so some of the um some of the

315

00:12:19,269 --> 00:12:16,560

images that you

316

00:12:20,310 --> 00:12:19,279

got there was one that looked

317

00:12:23,350 --> 00:12:20,320

distinctively

318

00:12:27,750 --> 00:12:23,360

like a canine of some type

319

00:12:30,310 --> 00:12:27,760

yeah with uh with the white eyes um

320

00:12:32,710 --> 00:12:30,320

i you know it it wasn't very definitive

321

00:12:35,750 --> 00:12:32,720

but it did have the shape of a canine

322

00:12:38,710 --> 00:12:35,760

but the one that interested me the most

323

00:12:40,710 --> 00:12:38,720

was the glimmer man or glimmer image

324

00:12:43,829 --> 00:12:40,720

that was in the tree

325

00:12:45,509 --> 00:12:43,839

and uh you know i

326

00:12:47,430 --> 00:12:45,519

you know this phenomena we have heard

327

00:12:51,030 --> 00:12:47,440

about a lot

328

00:12:54,470 --> 00:12:51,040

but as far as getting photographs

329

00:12:57,190 --> 00:12:54,480

it's you know it's not that easy to get

330

00:12:59,110 --> 00:12:57,200

yeah and uh you know if you think about

331

00:13:00,230 --> 00:12:59,120

the predator movies that's what these

332

00:13:03,190 --> 00:13:00,240

things look like

333

00:13:04,389 --> 00:13:03,200

and that picture you got looked just

334

00:13:06,470 --> 00:13:04,399

like that

335

00:13:08,230 --> 00:13:06,480

yeah yeah and that's the crazy part too

336

00:13:11,269 --> 00:13:08,240

is when i took that

337

00:13:12,790 --> 00:13:11,279

i i felt like i was being stared at so

338

00:13:14,470 --> 00:13:12,800

and i was the only one at the house that

339

00:13:15,750 --> 00:13:14,480

day that was in the middle of the day

340

00:13:18,870 --> 00:13:15,760

the second day

341

00:13:20,710 --> 00:13:18,880

and i turned around this

342

00:13:22,389 --> 00:13:20,720

the sun was beating on me and then it

343

00:13:24,230 --> 00:13:22,399

was really windy there too because

344

00:13:26,550 --> 00:13:24,240

you know in oklahoma i mean it's windy

345

00:13:28,389 --> 00:13:26,560

so but i turned around and i could

346

00:13:31,030 --> 00:13:28,399

literally see

347

00:13:32,310 --> 00:13:31,040

what i took a photo of it was just an

348

00:13:33,670 --> 00:13:32,320

image doing this

349

00:13:35,509 --> 00:13:33,680

i was like oh my god and my heart

350

00:13:38,550 --> 00:13:35,519

started beating real fast and

351

00:13:40,470 --> 00:13:38,560

i held my camera snapped a picture

352

00:13:42,470 --> 00:13:40,480

and then snapped another one and then i

353

00:13:45,030 --> 00:13:42,480

went to go step forward

354

00:13:46,550 --> 00:13:45,040

and then it moved it it moved its arm

355

00:13:49,350 --> 00:13:46,560

and his leg down like this

356

00:13:49,910 --> 00:13:49,360

and then it just disappeared completely

357

00:13:54,150 --> 00:13:49,920

and i

358

00:13:57,030 --> 00:13:54,160

i was like see ya walk back in the house

359

00:13:58,230 --> 00:13:57,040

but yeah it was pretty wild but his dog

360

00:14:01,110 --> 00:13:58,240

the wild part

361

00:14:02,230 --> 00:14:01,120

his dog listened to me you know i mean i

362

00:14:04,069 --> 00:14:02,240

didn't even know the dog

363

00:14:05,829 --> 00:14:04,079

you know but it would go run after these

364

00:14:07,350 --> 00:14:05,839

things like crazy it was

365

00:14:08,949 --> 00:14:07,360

it was insane i didn't want anything bad

366

00:14:11,030 --> 00:14:08,959

to happen to it but yeah the

367

00:14:12,230 --> 00:14:11,040

dog was a a big part of it out there

368

00:14:14,389 --> 00:14:12,240

because

369

00:14:16,150 --> 00:14:14,399

the first night when i was out there he

370

00:14:18,389 --> 00:14:16,160

was barking like crazy and i didn't

371

00:14:21,269 --> 00:14:18,399

think to go look on the other side of

372

00:14:23,590 --> 00:14:21,279

the house where the second night

373

00:14:24,790 --> 00:14:23,600

whenever we saw that blue lightning yard

374

00:14:25,990 --> 00:14:24,800

i'm like

375

00:14:28,790 --> 00:14:26,000

what the heck was that it just

376

00:14:30,790 --> 00:14:28,800

disappeared and i said

377

00:14:32,550 --> 00:14:30,800

he looked over to the right and he goes

378

00:14:32,870 --> 00:14:32,560

there's a red light in the field over

379

00:14:34,949 --> 00:14:32,880

there

380

00:14:36,550 --> 00:14:34,959

i said i'll go get your i said go get

381

00:14:38,550 --> 00:14:36,560

your uh flashlight

382

00:14:40,550 --> 00:14:38,560

so he goes he gets flashlight comes back

383

00:14:43,430 --> 00:14:40,560

out and there it was

384

00:14:44,790 --> 00:14:43,440

for the first time in my eyes ever um

385

00:14:45,430 --> 00:14:44,800

there they were sitting there i mean i

386

00:14:47,509 --> 00:14:45,440

have a

387

00:14:48,710 --> 00:14:47,519

i have one picture of it two pictures of

388

00:14:50,790 --> 00:14:48,720

it um

389

00:14:52,069 --> 00:14:50,800

they all had the same outfits on they

390

00:14:55,030 --> 00:14:52,079

had

391

00:14:55,750 --> 00:14:55,040

these brown colored outfits and they all

392

00:14:57,990 --> 00:14:55,760

had

393

00:14:59,430 --> 00:14:58,000

green goggles bright goggles on and

394

00:14:59,990 --> 00:14:59,440

they're all moving like this back and

395

00:15:01,750 --> 00:15:00,000

forth and

396

00:15:04,230 --> 00:15:01,760

it was like a wave it was really weird

397

00:15:06,710 --> 00:15:04,240

looking but it was it was amazing to see

398

00:15:07,509 --> 00:15:06,720

you know and then right after that my

399

00:15:10,829 --> 00:15:07,519

phone died

400

00:15:13,350 --> 00:15:10,839

i was like what and it was like 84 so

401

00:15:15,750 --> 00:15:13,360

yeah of course have you talked to the

402

00:15:17,430 --> 00:15:15,760

have you talked to the witness lately

403

00:15:19,189 --> 00:15:17,440

yeah yeah i just talked to him last week

404

00:15:19,670 --> 00:15:19,199

yep yeah there's still stuff going on

405

00:15:21,990 --> 00:15:19,680

out there

406

00:15:24,150 --> 00:15:22,000

so i mean i asked if the same stuff was

407

00:15:25,910 --> 00:15:24,160

happening in the driveway he said yeah

408

00:15:29,189 --> 00:15:25,920

and he said that uh now they were

409

00:15:31,030 --> 00:15:29,199

actually coming inside the house now so

410

00:15:33,030 --> 00:15:31,040

yeah yeah because they were knocking on

411

00:15:34,870 --> 00:15:33,040

their door there you might

412

00:15:36,310 --> 00:15:34,880

has she been trying to get photographs

413

00:15:38,550 --> 00:15:36,320

for evidence

414

00:15:39,990 --> 00:15:38,560

i thought i keep telling him to get

415

00:15:41,030 --> 00:15:40,000

better ones because he keeps sending me

416

00:15:45,189 --> 00:15:41,040

blurry ones

417

00:15:47,670 --> 00:15:45,199

and uh it's hard to uh you know um

418

00:15:48,310 --> 00:15:47,680

especially with someone who doesn't he

419

00:15:51,590 --> 00:15:48,320

doesn't know

420

00:15:53,269 --> 00:15:51,600

anything about the field at all right um

421

00:15:54,629 --> 00:15:53,279

yeah it's kind of hard to get through

422

00:15:56,230 --> 00:15:54,639

them about it but

423

00:15:57,749 --> 00:15:56,240

um yeah i said you got to get a good a

424

00:15:59,670 --> 00:15:57,759

better photo i said

425

00:16:00,870 --> 00:15:59,680

you know like the dog one that was a

426

00:16:03,110 --> 00:16:00,880

that was a good photo

427

00:16:04,949 --> 00:16:03,120

um especially the one coming out of the

428

00:16:07,269 --> 00:16:04,959

side of the house we actually saw those

429

00:16:08,150 --> 00:16:07,279

it was crazy they were hopping like how

430

00:16:10,310 --> 00:16:08,160

he said

431

00:16:12,230 --> 00:16:10,320

they were hopping like dog it was

432

00:16:13,269 --> 00:16:12,240

strange they were hopping like rap like

433

00:16:16,710 --> 00:16:13,279

rabbits

434

00:16:17,990 --> 00:16:16,720

but they were hopping really high in the

435

00:16:21,030 --> 00:16:18,000

air it was crazy

436

00:16:24,069 --> 00:16:21,040

it was insane to see

437

00:16:26,150 --> 00:16:24,079

well for folks you want to read this the

438

00:16:29,910 --> 00:16:26,160

uh the investigation

439

00:16:32,550 --> 00:16:29,920

it's over at cryptidhunters.org

440

00:16:33,030 --> 00:16:32,560

and the title is investigation glimmer

441

00:16:40,470 --> 00:16:33,040

man

442

00:16:42,710 --> 00:16:40,480

oklahoma so um ryan's report is there

443

00:16:45,189 --> 00:16:42,720

the photographs are there so if you want

444

00:16:48,710 --> 00:16:45,199

to look at it just go over and uh

445

00:16:50,949 --> 00:16:48,720

check it out so rob

446

00:16:53,269 --> 00:16:50,959

rob i haven't had on you on the show i

447

00:16:55,509 --> 00:16:53,279

don't think ever i'll be honest with you

448

00:16:57,350 --> 00:16:55,519

um no sir what's been going on what's

449

00:16:58,790 --> 00:16:57,360

been going on down at point pleasant

450

00:17:02,470 --> 00:16:58,800

lately

451
00:17:04,390 --> 00:17:02,480
but uh

452
00:17:05,750 --> 00:17:04,400
oh man what the last two or three months

453
00:17:08,549 --> 00:17:05,760
it's been really kind of

454
00:17:08,949 --> 00:17:08,559
just dead but uh yeah was it this past

455
00:17:11,189 --> 00:17:08,959
fall

456
00:17:15,429 --> 00:17:11,199
uh this summer and especially during the

457
00:17:19,829 --> 00:17:17,189
so uh give me an idea of what's been

458
00:17:21,510 --> 00:17:19,839
going on what was going on

459
00:17:22,870 --> 00:17:21,520
the other there's just the unknown craft

460
00:17:23,750 --> 00:17:22,880
you know a lot of them i call it uncle

461
00:17:26,549 --> 00:17:23,760
sam or you know

462
00:17:27,990 --> 00:17:26,559
alphabet agency tech it's what you know

463
00:17:28,950 --> 00:17:28,000

my gut feeling is that's a greater

464

00:17:30,470 --> 00:17:28,960

majority i'm there

465

00:17:32,310 --> 00:17:30,480

now and we'll see something that's just

466

00:17:34,390 --> 00:17:32,320

really you know just really

467

00:17:35,830 --> 00:17:34,400

out there it's it's not you know you

468

00:17:37,110 --> 00:17:35,840

wouldn't call it tech it's a textbook

469

00:17:39,110 --> 00:17:37,120

ufo

470

00:17:40,549 --> 00:17:39,120

but uh we've had a little bit of

471

00:17:43,350 --> 00:17:40,559

mysterious uh

472

00:17:44,470 --> 00:17:43,360

vocals you know uh unless howls you know

473

00:17:46,310 --> 00:17:44,480

like i was telling you about

474

00:17:48,710 --> 00:17:46,320

uh what was it back during this yeah i

475

00:17:51,029 --> 00:17:48,720

think it was turned uh last fall

476
00:17:52,390 --> 00:17:51,039
you just gnarly howls you know laughs it

477
00:17:53,909 --> 00:17:52,400
sounds like a uh

478
00:17:55,830 --> 00:17:53,919
like you know the old school fire you

479
00:17:58,070 --> 00:17:55,840
know the big fire sirens you hear

480
00:17:58,950 --> 00:17:58,080
i mean that loud and you you know you

481
00:18:01,110 --> 00:17:58,960
just know in your heart

482
00:18:03,510 --> 00:18:01,120
ain't that's not coyotes you know yeah

483
00:18:05,270 --> 00:18:03,520
well i listen to the audio

484
00:18:07,750 --> 00:18:05,280
yeah i've listened to the audio you

485
00:18:10,070 --> 00:18:07,760
collected and those aren't coyotes

486
00:18:12,390 --> 00:18:10,080
and those are just aren't dogs i mean

487
00:18:15,510 --> 00:18:12,400
you know this is something

488
00:18:18,310 --> 00:18:15,520

different you know and um

489

00:18:20,070 --> 00:18:18,320

you you have been gathering evidence

490

00:18:22,870 --> 00:18:20,080

mostly audio evidence

491

00:18:24,789 --> 00:18:22,880

over the years but uh there's something

492

00:18:27,750 --> 00:18:24,799

definitely in those woods around

493

00:18:28,390 --> 00:18:27,760

point pleasant oh god buddy it's it's

494

00:18:29,750 --> 00:18:28,400

unreal

495

00:18:31,750 --> 00:18:29,760

i mean just something i think the

496

00:18:32,470 --> 00:18:31,760

understatement of the year it seems like

497

00:18:34,150 --> 00:18:32,480

it's

498

00:18:35,669 --> 00:18:34,160

i hear stuff from people you you've

499

00:18:37,029 --> 00:18:35,679

never dreamed you know you hear

500

00:18:39,190 --> 00:18:37,039

yeah yeah i mean you know better not you

501
00:18:41,830 --> 00:18:39,200
know better i do you know how it is

502
00:18:43,029 --> 00:18:41,840
it's just just when i think i've seen it

503
00:18:44,549 --> 00:18:43,039
all out here or something or somebody

504
00:18:45,669 --> 00:18:44,559
else calling me man you won't believe

505
00:18:48,950 --> 00:18:45,679
this

506
00:18:52,630 --> 00:18:48,960
unbelievable yeah

507
00:18:54,830 --> 00:18:52,640
you know i know you know all the reports

508
00:18:55,990 --> 00:18:54,840
i've had in mason county and areas

509
00:18:58,230 --> 00:18:56,000
around

510
00:18:59,830 --> 00:18:58,240
point pleasant over the years i mean

511
00:19:02,310 --> 00:18:59,840
yeah of course every

512
00:19:04,870 --> 00:19:02,320
you know it's known for mothman and you

513
00:19:07,510 --> 00:19:04,880

know ufos and such but

514

00:19:08,470 --> 00:19:07,520

man i'm telling you the dog man

515

00:19:12,789 --> 00:19:08,480

phenomena

516

00:19:15,990 --> 00:19:12,799

really picking up there

517

00:19:19,029 --> 00:19:16,000

and uh it just seems to be a hot spot

518

00:19:23,029 --> 00:19:19,039

for a lot of unexplained anomalies

519

00:19:23,750 --> 00:19:23,039

and uh you know i i i have to commend

520

00:19:27,590 --> 00:19:23,760

you for

521

00:19:29,750 --> 00:19:27,600

you know keeping on it uh and

522

00:19:31,990 --> 00:19:29,760

collecting audio and trying to discern

523

00:19:33,830 --> 00:19:32,000

what's been going on

524

00:19:35,990 --> 00:19:33,840

oh thank you i appreciate it means world

525

00:19:37,110 --> 00:19:36,000

to me like i told you a while back i

526

00:19:39,029 --> 00:19:37,120

mean if we had

527

00:19:40,630 --> 00:19:39,039

eight people down here full time i mean

528

00:19:42,630 --> 00:19:40,640

you know when stuff cuts loose i think

529

00:19:44,390 --> 00:19:42,640

it still would still be overwhelmed but

530

00:19:45,270 --> 00:19:44,400

you know how it is it's feast or famine

531

00:19:47,110 --> 00:19:45,280

it's like it

532

00:19:48,390 --> 00:19:47,120

here probably just like anywhere else

533

00:19:50,230 --> 00:19:48,400

but it might go

534

00:19:52,150 --> 00:19:50,240

months and years weeks just about to

535

00:19:54,230 --> 00:19:52,160

give it up the next thing you know it's

536

00:19:55,669 --> 00:19:54,240

just stuff cuts loose and it's just

537

00:19:57,029 --> 00:19:55,679

like i said the unknown craft that's

538

00:19:58,870 --> 00:19:57,039

really interesting this stuff been i

539

00:20:00,630 --> 00:19:58,880

think like the tr3b type thing you know

540

00:20:01,990 --> 00:20:00,640

we see the deltas and

541

00:20:03,830 --> 00:20:02,000

you know triangle look at things and

542

00:20:05,590 --> 00:20:03,840

we've got you know the orbs and uh

543

00:20:06,950 --> 00:20:05,600

i've got managed to get a good bit of

544

00:20:08,070 --> 00:20:06,960

pictures a lot of it you just can't make

545

00:20:09,830 --> 00:20:08,080

sense out of

546

00:20:11,350 --> 00:20:09,840

yeah you're looking especially zooming

547

00:20:13,190 --> 00:20:11,360

in it's you can tell it's not a star

548

00:20:14,390 --> 00:20:13,200

it's not a satellite it's

549

00:20:15,669 --> 00:20:14,400

like i said most of them when they go

550

00:20:16,870 --> 00:20:15,679

over you just kind of get that feeling

551
00:20:20,710 --> 00:20:16,880
of something right and since they're

552
00:20:22,310 --> 00:20:20,720
dead quiet i mean absolutely silent

553
00:20:23,990 --> 00:20:22,320
and uh we've been seeing a bunch of them

554
00:20:26,230 --> 00:20:24,000
here lately well the majority of the

555
00:20:27,750 --> 00:20:26,240
ones we see we kind of like 36 one night

556
00:20:28,710 --> 00:20:27,760
it was of course around the 24th the

557
00:20:30,149 --> 00:20:28,720
25th

558
00:20:31,990 --> 00:20:30,159
i think we gave up about two o'clock in

559
00:20:32,390 --> 00:20:32,000
the morning but they looked it looks

560
00:20:34,390 --> 00:20:32,400
like a

561
00:20:35,750 --> 00:20:34,400
just a star that just don't look right

562
00:20:36,230 --> 00:20:35,760
it might be just a little bit brighter

563
00:20:38,149 --> 00:20:36,240

or just

564

00:20:39,350 --> 00:20:38,159

you know got kind of an odd twinkle to

565

00:20:40,549 --> 00:20:39,360

it and when you start paying attention

566

00:20:41,909 --> 00:20:40,559

next thing you know it might just blink

567

00:20:43,190 --> 00:20:41,919

out next thing you know all these lights

568

00:20:44,789 --> 00:20:43,200

come on

569

00:20:46,230 --> 00:20:44,799

and if you didn't know better it looks

570

00:20:48,390 --> 00:20:46,240

like an airplane

571

00:20:50,070 --> 00:20:48,400

we got what about two years ago we

572

00:20:51,669 --> 00:20:50,080

started looking up faa

573

00:20:53,190 --> 00:20:51,679

you know and uh like the federal

574

00:20:54,390 --> 00:20:53,200

regulations on any of the light patterns

575

00:20:56,470 --> 00:20:54,400

and everything and these things

576
00:20:57,830 --> 00:20:56,480
look just enough to pass but once you

577
00:20:59,270 --> 00:20:57,840
start looking up you know what's leaking

578
00:21:00,549 --> 00:20:59,280
what's not no they're

579
00:21:02,470 --> 00:21:00,559
especially when they get you know go

580
00:21:03,350 --> 00:21:02,480
right overhead you can tell it's just

581
00:21:04,789 --> 00:21:03,360
something's not right

582
00:21:07,510 --> 00:21:04,799
the colors are always off they don't

583
00:21:13,430 --> 00:21:07,520
blink right i've seen led lights on

584
00:21:19,830 --> 00:21:16,549
have you um have you had any reports

585
00:21:24,230 --> 00:21:19,840
of uh any type of close encounters or

586
00:21:27,669 --> 00:21:24,240
possible abductions uh down your way

587
00:21:29,669 --> 00:21:27,679
no not uh i've i've talked to a woman up

588
00:21:30,070 --> 00:21:29,679

in galapagos ferry between uh gapless

589

00:21:31,830 --> 00:21:30,080

ferry

590

00:21:33,750 --> 00:21:31,840

right before we get to april she seen

591

00:21:35,430 --> 00:21:33,760

one about 20 some years ago

592

00:21:36,950 --> 00:21:35,440

really close within a couple of couple

593

00:21:38,549 --> 00:21:36,960

hundred yards

594

00:21:39,909 --> 00:21:38,559

just fall on the river and cut across

595

00:21:40,870 --> 00:21:39,919

the field and it really freaked her out

596

00:21:42,549 --> 00:21:40,880

she just got a

597

00:21:43,990 --> 00:21:42,559

you know a few seconds glimpse of it and

598

00:21:45,590 --> 00:21:44,000

ran inside she said this thing was as

599

00:21:49,430 --> 00:21:45,600

big as a football field

600

00:21:50,310 --> 00:21:49,440

massively huge no probably not even just

601
00:21:53,350 --> 00:21:50,320
at 200 feet

602
00:21:55,270 --> 00:21:53,360
maybe just just barely by the tree lines

603
00:21:57,190 --> 00:21:55,280
and that's about the closest thing i've

604
00:21:58,310 --> 00:21:57,200
i've you know got too soft around here

605
00:21:59,590 --> 00:21:58,320
of course you know how it is it's

606
00:22:01,510 --> 00:21:59,600
people's

607
00:22:02,870 --> 00:22:01,520
like twisted arms i mean you know a lot

608
00:22:03,909 --> 00:22:02,880
of this stuff just in the weirder it

609
00:22:05,669 --> 00:22:03,919
gets you know you know better than

610
00:22:08,390 --> 00:22:05,679
anybody

611
00:22:10,070 --> 00:22:08,400
well you you're a long time resident of

612
00:22:11,669 --> 00:22:10,080
point pleasant you know the area you

613
00:22:15,430 --> 00:22:11,679

know the people

614

00:22:17,430 --> 00:22:15,440

you work on the river uh

615

00:22:18,710 --> 00:22:17,440

what do you think is the reason for all

616

00:22:21,830 --> 00:22:18,720

the strange stuff that

617

00:22:24,870 --> 00:22:23,669

i have no idea i mean the only thing i

618

00:22:26,149 --> 00:22:24,880

can think of is probably

619

00:22:28,149 --> 00:22:26,159

like you know a lot of stuff like kiel

620

00:22:29,669 --> 00:22:28,159

said you know you got that two uh

621

00:22:31,110 --> 00:22:29,679

you know for the river claw river and

622

00:22:31,590 --> 00:22:31,120

ohio joint it seems like you've always

623

00:22:34,070 --> 00:22:31,600

got an

624

00:22:35,510 --> 00:22:34,080

influx of a lot of activity you know

625

00:22:38,149 --> 00:22:35,520

when you got two major

626
00:22:39,350 --> 00:22:38,159
you know waterways joining that seems

627
00:22:41,590 --> 00:22:39,360
like the native america

628
00:22:42,470 --> 00:22:41,600
who was it i think andrew colvin wrote

629
00:22:43,990 --> 00:22:42,480
about uh

630
00:22:45,830 --> 00:22:44,000
i see an article a post he put out a

631
00:22:47,270 --> 00:22:45,840
while back about the canal river valley

632
00:22:48,630 --> 00:22:47,280
being one of the oldest i think it's

633
00:22:50,549 --> 00:22:48,640
glaciated maybe

634
00:22:53,029 --> 00:22:50,559
one of the oldest glacier river valleys

635
00:22:54,630 --> 00:22:53,039
that they found so far

636
00:22:56,310 --> 00:22:54,640
and uh going back with a native american

637
00:22:57,510 --> 00:22:56,320
history i mean it's just amazing

638
00:22:58,870 --> 00:22:57,520

especially when you get like in the

639

00:23:00,230 --> 00:22:58,880

moonlight people

640

00:23:02,149 --> 00:23:00,240

and they talk about you know the old

641

00:23:02,549 --> 00:23:02,159

giants that were the allegory tribe or

642

00:23:05,669 --> 00:23:02,559

you know

643

00:23:08,470 --> 00:23:05,679

become the allegheny later on supposedly

644

00:23:09,190 --> 00:23:08,480

uh supposedly the land they they you

645

00:23:12,870 --> 00:23:09,200

know they

646

00:23:15,750 --> 00:23:12,880

generations but it sounds

647

00:23:16,789 --> 00:23:15,760

it sounded like the the local native uh

648

00:23:18,149 --> 00:23:16,799

cultures talked about

649

00:23:19,430 --> 00:23:18,159

you know their their that was their

650

00:23:19,990 --> 00:23:19,440

place and they didn't want nothing to do

651
00:23:21,430 --> 00:23:20,000
with

652
00:23:23,590 --> 00:23:21,440
the mounds and all the structures that

653
00:23:25,110 --> 00:23:23,600
was all theirs and it was the whole land

654
00:23:26,630 --> 00:23:25,120
was you know

655
00:23:28,710 --> 00:23:26,640
it was bad duty to begin with the way

656
00:23:30,710 --> 00:23:28,720
they talked so

657
00:23:32,070 --> 00:23:30,720
yeah i got lucky and had a real good

658
00:23:34,870 --> 00:23:32,080
family friend that i you know

659
00:23:36,710 --> 00:23:34,880
grew up from my time i was 16 until

660
00:23:38,870 --> 00:23:36,720
about ten years ago when he passed away

661
00:23:40,710 --> 00:23:38,880
uh he was half native american and uh

662
00:23:42,310 --> 00:23:40,720
actually owned a little uh

663
00:23:44,870 --> 00:23:42,320

oh he called the shawnee trading post

664

00:23:47,830 --> 00:23:44,880

little indian museum

665

00:23:50,390 --> 00:23:47,840

and uh my gosh she had hundreds of all

666

00:23:51,350 --> 00:23:50,400

kind of artifacts like uh oh shoot he

667

00:23:52,870 --> 00:23:51,360

even hadn't done

668

00:23:54,870 --> 00:23:52,880

i mean arrowhead's like you wouldn't

669

00:23:56,870 --> 00:23:54,880

believe but

670

00:23:58,070 --> 00:23:56,880

he taught me a lot about this stuff and

671

00:23:59,430 --> 00:23:58,080

uh he had a big map

672

00:24:02,549 --> 00:23:59,440

one on the wall i'd say it was about a

673

00:24:04,950 --> 00:24:02,559

five by ten foot just massive map

674

00:24:06,710 --> 00:24:04,960

and this thing covered i mean you

675

00:24:08,070 --> 00:24:06,720

wouldn't believe just trading routes uh

676

00:24:09,190 --> 00:24:08,080

different hunting grounds for different

677

00:24:10,549 --> 00:24:09,200

seeds and this and that

678

00:24:12,470 --> 00:24:10,559

we was looking at it one time he said do

679

00:24:13,990 --> 00:24:12,480

you see anything strange there

680

00:24:15,510 --> 00:24:14,000

started i said yeah i said something

681

00:24:17,909 --> 00:24:15,520

strange what's here there's a big

682

00:24:19,110 --> 00:24:17,919

you know big blank spot just nothing

683

00:24:20,950 --> 00:24:19,120

cause that's where you're standing he

684

00:24:22,310 --> 00:24:20,960

said that's most of kentucky

685

00:24:24,390 --> 00:24:22,320

a little bit of ohio just about this

686

00:24:25,990 --> 00:24:24,400

whole state he said it's

687

00:24:27,669 --> 00:24:26,000

back then we might come through you know

688

00:24:29,029 --> 00:24:27,679

our people come through here we got

689

00:24:31,029 --> 00:24:29,039

we never stayed more than four or five

690

00:24:32,710 --> 00:24:31,039

nights but just something about this

691

00:24:34,070 --> 00:24:32,720

land it was notorious for generations

692

00:24:35,750 --> 00:24:34,080

just being

693

00:24:37,269 --> 00:24:35,760

you know not a wholesome place to be you

694

00:24:39,909 --> 00:24:37,279

know for very long

695

00:24:43,110 --> 00:24:39,919

yeah one of them yeah their ancestors so

696

00:24:46,710 --> 00:24:44,870

there have been so many tribes that have

697

00:24:49,510 --> 00:24:46,720

come through there

698

00:24:50,310 --> 00:24:49,520

uh and there's been a lot of battles

699

00:24:53,590 --> 00:24:50,320

there between

700

00:24:57,190 --> 00:24:53,600

settlers and tribes themselves and such

701
00:24:59,830 --> 00:24:57,200
i mean the history is so varied

702
00:25:01,190 --> 00:24:59,840
uh there's got to be an imprint on the

703
00:25:04,710 --> 00:25:01,200
land you know i

704
00:25:08,549 --> 00:25:04,720
i've been saying for years

705
00:25:11,350 --> 00:25:08,559
that you know it's no wonder why

706
00:25:13,430 --> 00:25:11,360
something like a mothman or the mothman

707
00:25:14,230 --> 00:25:13,440
would show up there because it was

708
00:25:17,190 --> 00:25:14,240
probably

709
00:25:18,390 --> 00:25:17,200
summoned by something that's part of the

710
00:25:21,669 --> 00:25:18,400
land

711
00:25:24,070 --> 00:25:21,679
uh you know it it's just so much

712
00:25:26,149 --> 00:25:24,080
weird stuff that goes on down there you

713
00:25:29,430 --> 00:25:26,159

know i get people all the time

714

00:25:32,630 --> 00:25:29,440

making comments and making suggestions

715

00:25:35,269 --> 00:25:32,640

about phenomena in and around mason

716

00:25:38,390 --> 00:25:35,279

county in particular into

717

00:25:41,269 --> 00:25:38,400

up and down the the konawaena river and

718

00:25:41,990 --> 00:25:41,279

up in into the ohio valley it's it's

719

00:25:45,510 --> 00:25:42,000

just so much

720

00:25:49,430 --> 00:25:47,750

oh it is it's unreal he said any place

721

00:25:50,950 --> 00:25:49,440

of blow john kills mine back in the day

722

00:25:51,750 --> 00:25:50,960

just about gave him a you know permanent

723

00:25:54,470 --> 00:25:51,760

fit

724

00:25:55,350 --> 00:25:54,480

it's gonna be pretty heavy area yeah you

725

00:25:56,950 --> 00:25:55,360

know when you read

726

00:25:58,149 --> 00:25:56,960

some of the cosmic question or what was

727

00:25:58,390 --> 00:25:58,159

the eighth power you know that was the

728

00:26:00,310 --> 00:25:58,400

other

729

00:26:01,510 --> 00:26:00,320

way the original prophecies he said you

730

00:26:02,390 --> 00:26:01,520

could tell he was really having problems

731

00:26:04,789 --> 00:26:02,400

and this stuff was just

732

00:26:05,590 --> 00:26:04,799

really getting to him and that god was

733

00:26:08,070 --> 00:26:05,600

the way he

734

00:26:09,510 --> 00:26:08,080

sounded fearless i mean he just put this

735

00:26:10,230 --> 00:26:09,520

stuff you know just like where you go

736

00:26:11,590 --> 00:26:10,240

into

737

00:26:13,190 --> 00:26:11,600

just pick a spot at random take off

738

00:26:14,950 --> 00:26:13,200

walking two or three hours later end up

739

00:26:16,870 --> 00:26:14,960

at a farmhouse he'd ever seen as soon as

740

00:26:18,549 --> 00:26:16,880

he's walking

741

00:26:19,830 --> 00:26:18,559

all this stuff was done he's like man

742

00:26:21,590 --> 00:26:19,840

you know this wasn't knuckle sand this

743

00:26:23,350 --> 00:26:21,600

wasn't the nibs this was

744

00:26:26,070 --> 00:26:23,360

this was the phenomenon and it was let

745

00:26:30,230 --> 00:26:26,080

me know you know

746

00:26:37,269 --> 00:26:33,830

so uh butch uh

747

00:26:38,870 --> 00:26:37,279

you know you're hearing what what rob is

748

00:26:41,590 --> 00:26:38,880

describing

749

00:26:42,149 --> 00:26:41,600

with all the ufo phenomena down in that

750

00:26:45,269 --> 00:26:42,159

area

751

00:26:46,310 --> 00:26:45,279

and you know it it's it's no wonder i

752

00:26:50,149 --> 00:26:46,320

mean everywhere

753

00:26:53,269 --> 00:26:50,159

we seem to be here in the east coast

754

00:26:56,390 --> 00:26:53,279

these these triangle

755

00:26:59,669 --> 00:26:56,400

and large uh ufos

756

00:27:01,190 --> 00:26:59,679

just seem to pop up everywhere

757

00:27:03,669 --> 00:27:01,200

oh yeah and they've been around for a

758

00:27:06,390 --> 00:27:03,679

while now yeah

759

00:27:08,710 --> 00:27:06,400

i had two in the basically the same area

760

00:27:13,750 --> 00:27:08,720

in a three-month period

761

00:27:16,070 --> 00:27:13,760

uh and that was in 2010

762

00:27:17,669 --> 00:27:16,080

uh my one was like in june the other was

763

00:27:20,870 --> 00:27:17,679

like in september

764

00:27:24,870 --> 00:27:20,880

but they were multi-witness

765

00:27:26,630 --> 00:27:24,880

so and then one of my investigators

766

00:27:28,549 --> 00:27:26,640

a police officer he was coming home from

767

00:27:31,350 --> 00:27:28,559

work and um

768

00:27:31,990 --> 00:27:31,360

up by indian town gap uh heading home

769

00:27:35,590 --> 00:27:32,000

and

770

00:27:38,470 --> 00:27:35,600

uh he followed one he said you know

771

00:27:40,070 --> 00:27:38,480

just cruising along 35 40 miles an hour

772

00:27:41,750 --> 00:27:40,080

so it wasn't real high in the sky he

773

00:27:44,789 --> 00:27:41,760

figured maybe 2500

774

00:27:46,230 --> 00:27:44,799

3000 foot quiet

775

00:27:48,149 --> 00:27:46,240

one light in the front one light in the

776

00:27:50,870 --> 00:27:48,159

back not flashing just

777

00:27:52,070 --> 00:27:50,880

on and just followed it until it hit the

778

00:27:53,190 --> 00:27:52,080

mountain and he said when it went over

779

00:27:54,149 --> 00:27:53,200

the mountain he got the other side of

780

00:27:57,590 --> 00:27:54,159

mountain that was

781

00:28:00,230 --> 00:27:57,600

no longer be able to be seen but uh

782

00:28:03,029 --> 00:28:00,240

yeah yeah i look the ufo phenomenon in

783

00:28:05,190 --> 00:28:03,039

eastern pennsylvania

784

00:28:06,389 --> 00:28:05,200

pretty much all of pennsylvania but um

785

00:28:10,149 --> 00:28:06,399

and ohio

786

00:28:12,470 --> 00:28:10,159

west virginia baltimore maryland i mean

787

00:28:15,110 --> 00:28:12,480

that whole just this whole circle new

788

00:28:17,830 --> 00:28:15,120

york state

789

00:28:19,269 --> 00:28:17,840

has always been you know ripe with ufo

790

00:28:21,190 --> 00:28:19,279

sightings

791

00:28:23,110 --> 00:28:21,200

unfortunately with all this snow and

792

00:28:24,870 --> 00:28:23,120

rotten weather we haven't had any really

793

00:28:29,190 --> 00:28:24,880

clear skies

794

00:28:32,230 --> 00:28:29,200

uh to get out and look but um you know

795

00:28:34,630 --> 00:28:32,240

uh you can go to any one of the dark

796

00:28:37,909 --> 00:28:34,640

spots in pennsylvania you know

797

00:28:40,549 --> 00:28:37,919

and uh i usually uh

798

00:28:42,389 --> 00:28:40,559

go down the road to french creek state

799

00:28:45,110 --> 00:28:42,399

park which is like number two

800

00:28:46,710 --> 00:28:45,120

darkest spot in pennsylvania and then

801

00:28:49,350 --> 00:28:46,720

one night we saw 16

802

00:28:51,990 --> 00:28:49,360

and we were there with police officers

803

00:28:55,669 --> 00:28:54,230

they are what they are i mean you know

804

00:28:57,909 --> 00:28:55,679

people say well

805

00:28:59,430 --> 00:28:57,919

we're looking for disclosure well if

806

00:29:01,590 --> 00:28:59,440

seeing these things

807

00:29:02,870 --> 00:29:01,600

you need disclosure i don't know what

808

00:29:04,070 --> 00:29:02,880

you're going to disclose they're up

809

00:29:05,430 --> 00:29:04,080

there we don't know what they are we

810

00:29:06,710 --> 00:29:05,440

don't know who's putting them on there

811

00:29:09,029 --> 00:29:06,720

we don't know if there's anybody in them

812

00:29:11,110 --> 00:29:09,039

or if they're mechanical or

813

00:29:12,549 --> 00:29:11,120

who knows are they a probe what are they

814

00:29:14,789 --> 00:29:12,559

nobody knows

815

00:29:16,070 --> 00:29:14,799

that uh you know it's pretty much like i

816

00:29:17,190 --> 00:29:16,080

always say you know all this is

817

00:29:19,909 --> 00:29:17,200

paranormal

818

00:29:20,630 --> 00:29:19,919

it doesn't matter whether it's ufology

819

00:29:23,990 --> 00:29:20,640

uh

820

00:29:26,310 --> 00:29:24,000

ghosts cryptids it all falls under

821

00:29:27,110 --> 00:29:26,320

it all falls under paranormal because

822

00:29:31,430 --> 00:29:27,120

there's no

823

00:29:35,110 --> 00:29:33,750

and you know and after a while you just

824

00:29:36,789 --> 00:29:35,120

get used to it

825

00:29:38,230 --> 00:29:36,799

and that's the way you approach the

826

00:29:40,470 --> 00:29:38,240

reports and that's where you approach

827

00:29:44,710 --> 00:29:40,480

the investigations

828

00:29:47,750 --> 00:29:46,310

pretty much the way it is always has

829

00:29:50,389 --> 00:29:47,760

been now

830

00:29:52,389 --> 00:29:50,399

sometimes you luck out and you get some

831

00:29:54,149 --> 00:29:52,399

really good evidence

832

00:29:55,750 --> 00:29:54,159

but then you know you'll spend months

833

00:29:56,950 --> 00:29:55,760

following that up and then all of a

834

00:30:01,110 --> 00:29:56,960

sudden you hit a

835

00:30:04,149 --> 00:30:01,120

dead end that's it it's done right

836

00:30:05,750 --> 00:30:04,159

but this uh we're coming ahead

837

00:30:07,430 --> 00:30:05,760

now for the bipedal reports they'll

838

00:30:09,190 --> 00:30:07,440

start they'll start coming in probably

839

00:30:12,310 --> 00:30:09,200

around april or may

840

00:30:16,230 --> 00:30:12,320

let's hope yeah

841

00:30:17,830 --> 00:30:16,240

let's hope going back to this diatolof

842

00:30:20,389 --> 00:30:17,840

uh

843

00:30:21,190 --> 00:30:20,399

incident what do you think it was i mean

844

00:30:22,870 --> 00:30:21,200

what do you think

845

00:30:25,110 --> 00:30:22,880

actually happened there you know i've

846

00:30:27,430 --> 00:30:25,120

read several books

847

00:30:29,269 --> 00:30:27,440

several articles about this i've talked

848

00:30:31,110 --> 00:30:29,279

to people about it

849

00:30:33,830 --> 00:30:31,120

you know not there's not much of it

850

00:30:36,470 --> 00:30:33,840

really makes much sense to me

851
00:30:37,909 --> 00:30:36,480
you know i i know that there's

852
00:30:40,950 --> 00:30:37,919
supposedly

853
00:30:43,990 --> 00:30:40,960
a bigfoot like creature there

854
00:30:45,269 --> 00:30:44,000
and then people talk about other type of

855
00:30:46,710 --> 00:30:45,279
phenomena that could have been

856
00:30:48,230 --> 00:30:46,720
associated with it

857
00:30:50,470 --> 00:30:48,240
what are your thoughts on it after

858
00:30:53,830 --> 00:30:50,480
looking into it

859
00:30:55,990 --> 00:30:53,840
well it comes down to it well it's

860
00:31:00,710 --> 00:30:56,000
definitely not a mink because all those

861
00:31:03,430 --> 00:31:00,720
are bigfoot uh russian calls it mink but

862
00:31:04,389 --> 00:31:03,440
bigfoot reports are way north of that

863
00:31:06,549 --> 00:31:04,399

location

864

00:31:07,509 --> 00:31:06,559

all the reports matter of fact there's

865

00:31:13,029 --> 00:31:07,519

only

866

00:31:16,470 --> 00:31:14,470

one thing that was strange right off the

867

00:31:18,230 --> 00:31:16,480

get-go was

868

00:31:20,070 --> 00:31:18,240

going years back there's a before diet

869

00:31:23,830 --> 00:31:20,080

loft before that group

870

00:31:27,029 --> 00:31:23,840

nine mancy warriors disappeared nine

871

00:31:28,950 --> 00:31:27,039

in the 50s early 50s mid 50s a

872

00:31:31,350 --> 00:31:28,960

transport plane for the russian

873

00:31:33,990 --> 00:31:31,360

government with nine people on board

874

00:31:35,430 --> 00:31:34,000

crash they were all killed and then you

875

00:31:39,509 --> 00:31:35,440

have in hikers

876

00:31:43,509 --> 00:31:39,519

now we got missing hate hikers um

877

00:31:44,870 --> 00:31:43,519

the two things that i think are being

878

00:31:47,669 --> 00:31:44,880

researched a lot

879

00:31:49,110 --> 00:31:47,679

by the swiss uh research team that's

880

00:31:50,310 --> 00:31:49,120

been out there twice now

881

00:31:52,710 --> 00:31:50,320

and they're the ones that said no way

882

00:31:54,789 --> 00:31:52,720

was it a uh uh avalanche

883

00:31:57,430 --> 00:31:54,799

you know just it's not the slope isn't

884

00:31:59,990 --> 00:31:57,440

there and there wasn't that much snow

885

00:32:01,509 --> 00:32:00,000

so uh you know they're looking at

886

00:32:04,070 --> 00:32:01,519

infrasound

887

00:32:04,710 --> 00:32:04,080

uh as one uh you know just drove them

888

00:32:07,190 --> 00:32:04,720

nuts

889

00:32:07,990 --> 00:32:07,200

but that doesn't explain the injuries

890

00:32:12,470 --> 00:32:08,000

and

891

00:32:15,750 --> 00:32:12,480

lightning

892

00:32:20,470 --> 00:32:15,760

now if they were i

893

00:32:23,669 --> 00:32:20,480

heard that one if they were in a group

894

00:32:27,990 --> 00:32:23,679

and the ball lightning was low enough

895

00:32:31,990 --> 00:32:28,000

it'd be like running into a hand grenade

896

00:32:33,830 --> 00:32:32,000

a pretty big jump yeah

897

00:32:35,669 --> 00:32:33,840

but when you look when you know i got

898

00:32:37,350 --> 00:32:35,679

the autopsy reports i got the autopsy

899

00:32:38,870 --> 00:32:37,360

pictures i got all that stuff

900

00:32:40,230 --> 00:32:38,880

and you know i just looked it over over

901
00:32:41,990 --> 00:32:40,240
and over and over and over trying to

902
00:32:45,430 --> 00:32:42,000
make sense of it

903
00:32:48,870 --> 00:32:45,440
you know the the wounds i mean

904
00:32:50,230 --> 00:32:48,880
and they all had i mean any one of the

905
00:32:50,549 --> 00:32:50,240
wounds that they had would have killed

906
00:32:53,350 --> 00:32:50,559
them

907
00:32:55,830 --> 00:32:53,360
period and the story nobody survived any

908
00:32:58,470 --> 00:32:55,840
of their wounds

909
00:32:59,269 --> 00:32:58,480
but the one guy i mean his skull was

910
00:33:02,789 --> 00:32:59,279
crushed

911
00:33:05,350 --> 00:33:02,799
from the um

912
00:33:06,870 --> 00:33:05,360
frontal lobe all the way to the rear and

913
00:33:07,909 --> 00:33:06,880

heading over to the other side of his

914

00:33:09,509 --> 00:33:07,919

skull

915

00:33:11,590 --> 00:33:09,519

and he was laying in the snow and there

916

00:33:13,190 --> 00:33:11,600

were no rocks around or anything like

917

00:33:14,630 --> 00:33:13,200

that

918

00:33:16,870 --> 00:33:14,640

you don't want to fall in the snow and

919

00:33:18,710 --> 00:33:16,880

fracture a skull like that

920

00:33:20,310 --> 00:33:18,720

uh broken ribs and i don't mean broken

921

00:33:21,430 --> 00:33:20,320

ribs and they're just cracked or

922

00:33:23,350 --> 00:33:21,440

like somebody pushed them or something

923

00:33:25,029 --> 00:33:23,360

like that i mean these ribs were severed

924

00:33:28,310 --> 00:33:25,039

they were broken

925

00:33:31,750 --> 00:33:28,320

uh leg bones arms fingers it's just

926
00:33:33,110 --> 00:33:31,760
crazy and of course the only thing that

927
00:33:36,470 --> 00:33:33,120
bothers me is

928
00:33:37,990 --> 00:33:36,480
about two years ago and i can't get any

929
00:33:41,830 --> 00:33:38,000
information i'm trying

930
00:33:45,029 --> 00:33:41,840
with and the diet loft research center

931
00:33:46,549 --> 00:33:45,039
in russia is trying to help they

932
00:33:51,029 --> 00:33:46,559
actually assumed

933
00:33:53,990 --> 00:33:51,039
one of the bodies one of the males

934
00:33:55,430 --> 00:33:54,000
it was it was done he was exhumed the

935
00:33:57,269 --> 00:33:55,440
body was taken away

936
00:33:58,549 --> 00:33:57,279
the body was brought back and reburied

937
00:33:59,430 --> 00:33:58,559
and they never mentioned anything about

938
00:34:01,669 --> 00:33:59,440

it was actually

939

00:34:03,590 --> 00:34:01,679

somebody that actually saw him replacing

940

00:34:06,470 --> 00:34:03,600

the body

941

00:34:07,669 --> 00:34:06,480

that spilled the beans on them now

942

00:34:08,310 --> 00:34:07,679

they've been asked about it the

943

00:34:09,669 --> 00:34:08,320

government's been

944

00:34:12,629 --> 00:34:09,679

well they're not going to give any

945

00:34:15,990 --> 00:34:12,639

answer there but it's just one of those

946

00:34:17,909 --> 00:34:16,000

weird stupid reports

947

00:34:20,869 --> 00:34:17,919

where did the government have anything

948

00:34:23,909 --> 00:34:20,879

to do with it was it natural phenomenon

949

00:34:27,109 --> 00:34:23,919

uh how does the main

950

00:34:30,389 --> 00:34:27,119

autopsy reports from the main surgeon

951
00:34:31,030 --> 00:34:30,399
autopsy surgeon state that what killed

952
00:34:34,069 --> 00:34:31,040
them was an

953
00:34:35,589 --> 00:34:34,079
unknown compelling force

954
00:34:37,349 --> 00:34:35,599
and what the hell is an unknown

955
00:34:38,950 --> 00:34:37,359
compelling force

956
00:34:41,909 --> 00:34:38,960
i mean if you get by truck he gave my

957
00:34:43,909 --> 00:34:41,919
truck that's it that's compelling force

958
00:34:45,430 --> 00:34:43,919
um you're struck by lightning that's a

959
00:34:46,790 --> 00:34:45,440
compelling force

960
00:34:49,349 --> 00:34:46,800
you know if you fall off a cliff that's

961
00:34:50,629 --> 00:34:49,359
a compelling force laying face down in

962
00:34:53,270 --> 00:34:50,639
the snow

963
00:34:54,790 --> 00:34:53,280

where the group runs most of the group

964

00:34:55,909 --> 00:34:54,800

gets to the tree line which is a mile

965

00:34:57,430 --> 00:34:55,919

from the tent

966

00:34:59,030 --> 00:34:57,440

and three other ones head back to the

967

00:35:00,829 --> 00:34:59,040

tent

968

00:35:02,310 --> 00:35:00,839

and then they said well they died of

969

00:35:04,310 --> 00:35:02,320

hypothermia

970

00:35:06,150 --> 00:35:04,320

well that doesn't explain the injuries i

971

00:35:08,230 --> 00:35:06,160

mean yeah these people were barefoot

972

00:35:09,430 --> 00:35:08,240

and half of them had had very little

973

00:35:13,109 --> 00:35:09,440

clothing on

974

00:35:16,710 --> 00:35:15,030

hypothermia the three of them were

975

00:35:18,390 --> 00:35:16,720

already dead

976
00:35:20,470 --> 00:35:18,400
yeah i mean the the guy with the skull

977
00:35:22,069 --> 00:35:20,480
fractures one doctor said

978
00:35:23,670 --> 00:35:22,079
this guy lasted about three or four

979
00:35:26,069 --> 00:35:23,680
minutes

980
00:35:27,829 --> 00:35:26,079
and the one girl same thing and then you

981
00:35:31,670 --> 00:35:27,839
find the other ones

982
00:35:32,950 --> 00:35:31,680
in a creek now he said he wouldn't know

983
00:35:36,230 --> 00:35:32,960
why

984
00:35:40,630 --> 00:35:38,230
i mean that just doesn't make any sense

985
00:35:45,109 --> 00:35:43,430
i you know it's one of those cases where

986
00:35:46,870 --> 00:35:45,119
unless something happens with the eight

987
00:35:48,390 --> 00:35:46,880
tourists that are missing now

988
00:35:52,230 --> 00:35:48,400

we're probably never ever going to find

989

00:35:57,109 --> 00:35:54,390

was this near the same area where these

990

00:35:59,109 --> 00:35:57,119

these people disappeared

991

00:36:00,710 --> 00:35:59,119

yeah oh yeah they were headed there they

992

00:36:02,150 --> 00:36:00,720

were gone the

993

00:36:04,390 --> 00:36:02,160

the russian government does not allow

994

00:36:06,630 --> 00:36:04,400

anybody there

995

00:36:07,829 --> 00:36:06,640

they don't to go there you have to have

996

00:36:09,510 --> 00:36:07,839

a special permit

997

00:36:12,390 --> 00:36:09,520

and there were three groups out on

998

00:36:14,230 --> 00:36:12,400

special permits going up to pay respects

999

00:36:15,589 --> 00:36:14,240

to the to the group there's a monument

1000

00:36:18,230 --> 00:36:15,599

there

1001
00:36:20,470 --> 00:36:18,240
and then you know they're in contact via

1002
00:36:22,310 --> 00:36:20,480
cell phone radio whatever they're using

1003
00:36:24,950 --> 00:36:22,320
but the this other group that's fourth

1004
00:36:26,790 --> 00:36:24,960
group with the eight people from moscow

1005
00:36:28,069 --> 00:36:26,800
they did not get a permit they just took

1006
00:36:29,829 --> 00:36:28,079
off

1007
00:36:32,390 --> 00:36:29,839
and they were supposed to call back into

1008
00:36:34,390 --> 00:36:32,400
whoever a friend of theirs or

1009
00:36:36,069 --> 00:36:34,400
family member or something on the 10th

1010
00:36:37,750 --> 00:36:36,079
to say that they were on their way back

1011
00:36:39,190 --> 00:36:37,760
well they never had any contact with

1012
00:36:40,950 --> 00:36:39,200
them at all

1013
00:36:42,790 --> 00:36:40,960

uh the mancy village people were

1014

00:36:43,430 --> 00:36:42,800

notified they said no we didn't see any

1015

00:36:44,950 --> 00:36:43,440

eight people

1016

00:36:46,630 --> 00:36:44,960

you know we saw this team and we saw

1017

00:36:49,430 --> 00:36:46,640

that team you know they came

1018

00:36:50,630 --> 00:36:49,440

put up flowers or monuments and took off

1019

00:36:52,390 --> 00:36:50,640

and they all returned

1020

00:36:54,790 --> 00:36:52,400

but the eight haven't heard a thing from

1021

00:36:57,510 --> 00:36:54,800

them since they were supposed to return

1022

00:36:58,230 --> 00:36:57,520

or hear from them on february 10th this

1023

00:37:01,270 --> 00:36:58,240

year

1024

00:37:02,710 --> 00:37:01,280

and they've heard nothing

1025

00:37:06,069 --> 00:37:02,720

but here's another thing they haven't

1026

00:37:09,109 --> 00:37:07,589

that i checked on this morning there's

1027

00:37:11,109 --> 00:37:09,119

no search team that's ever been sent out

1028

00:37:14,310 --> 00:37:11,119

for these people

1029

00:37:17,270 --> 00:37:14,320

so you know

1030

00:37:18,069 --> 00:37:17,280

it's just like that one note uh in the

1031

00:37:20,069 --> 00:37:18,079

diary

1032

00:37:21,349 --> 00:37:20,079

uh of the investigation when you look

1033

00:37:22,870 --> 00:37:21,359

through the reports which is all

1034

00:37:24,069 --> 00:37:22,880

available to the public i mean it's

1035

00:37:27,670 --> 00:37:24,079

there

1036

00:37:28,710 --> 00:37:27,680

where a chief investigator

1037

00:37:33,349 --> 00:37:28,720

from the investigation chief

1038

00:37:37,430 --> 00:37:35,030

talked about he was going to make his

1039

00:37:40,230 --> 00:37:37,440

way out there on february 2nd

1040

00:37:41,829 --> 00:37:40,240

to check on the dead hikers they didn't

1041

00:37:43,990 --> 00:37:41,839

die till the 5th

1042

00:37:46,069 --> 00:37:44,000

or the 9th because when everything

1043

00:37:48,829 --> 00:37:46,079

happened when they were found

1044

00:37:52,470 --> 00:37:48,839

so what did he know that nobody else

1045

00:37:56,550 --> 00:37:54,390

that whole thing is that whole thing is

1046

00:37:59,589 --> 00:37:56,560

weird it really really is

1047

00:38:01,589 --> 00:37:59,599

i mean you know because

1048

00:38:03,190 --> 00:38:01,599

look if something like that happened

1049

00:38:04,710 --> 00:38:03,200

here i'm pretty sure

1050

00:38:07,109 --> 00:38:04,720

you know especially with the first

1051
00:38:09,349 --> 00:38:07,119
incident than having this follow-up

1052
00:38:11,270 --> 00:38:09,359
incident happening you know

1053
00:38:12,870 --> 00:38:11,280
it would be it would be all over the

1054
00:38:16,630 --> 00:38:12,880
news here

1055
00:38:17,109 --> 00:38:16,640
and it almost seems that it kind of got

1056
00:38:21,030 --> 00:38:17,119
out

1057
00:38:23,589 --> 00:38:21,040
from there by circumstance

1058
00:38:24,310 --> 00:38:23,599
you know you know does it seem to you

1059
00:38:27,430 --> 00:38:24,320
like they're

1060
00:38:30,550 --> 00:38:27,440
trying to cover it up somehow

1061
00:38:35,349 --> 00:38:30,560
oh yeah absolutely because

1062
00:38:38,710 --> 00:38:35,359
the uh the media company in moscow

1063
00:38:40,150 --> 00:38:38,720

is called ei yeah there's a long russian

1064

00:38:42,150 --> 00:38:40,160

there's a long russian name for it but i

1065

00:38:44,310 --> 00:38:42,160

can't pronounce it right

1066

00:38:46,230 --> 00:38:44,320

yeah i gave it to newsweek newsweek

1067

00:38:49,750 --> 00:38:46,240

published it here in this country

1068

00:38:51,910 --> 00:38:49,760

right oh uh from

1069

00:38:52,950 --> 00:38:51,920

from the point of being published in

1070

00:38:56,870 --> 00:38:52,960

newsweek

1071

00:39:00,630 --> 00:38:56,880

and ei in russia after that initial

1072

00:39:03,750 --> 00:39:00,640

posting there's been nothing zero nada

1073

00:39:07,589 --> 00:39:04,870

you know why wouldn't they go back up

1074

00:39:09,190 --> 00:39:07,599

there either they already know what

1075

00:39:12,310 --> 00:39:09,200

happened to them

1076

00:39:13,829 --> 00:39:12,320

well they're already gone but

1077

00:39:16,550 --> 00:39:13,839

when you look back on the history of

1078

00:39:19,910 --> 00:39:16,560

that of that mountain you know you have

1079

00:39:21,109 --> 00:39:19,920

those nine mancies way back in the early

1080

00:39:24,150 --> 00:39:21,119

1900s

1081

00:39:25,750 --> 00:39:24,160

nine of them die they're on a hunting

1082

00:39:27,750 --> 00:39:25,760

trip and they're dead

1083

00:39:29,030 --> 00:39:27,760

and then in the early 50s you have a

1084

00:39:33,109 --> 00:39:29,040

transport plane

1085

00:39:36,069 --> 00:39:33,119

with nine people on it a pilot co-pilot

1086

00:39:37,510 --> 00:39:36,079

and passengers and it crashes with nine

1087

00:39:40,870 --> 00:39:37,520

people

1088

00:39:41,829 --> 00:39:40,880

now this one's different because it's

1089

00:39:45,270 --> 00:39:41,839

eight

1090

00:39:46,950 --> 00:39:45,280

yeah but who knows

1091

00:39:48,790 --> 00:39:46,960

we'll find out eventually that's why it

1092

00:39:53,589 --> 00:39:48,800

always works

1093

00:39:55,910 --> 00:39:53,599

but but one thing the guy in russia

1094

00:39:57,670 --> 00:39:55,920

will you say rob i was one of those

1095

00:39:58,950 --> 00:39:57,680

butch uh one thing uh wasn't there at

1096

00:40:00,710 --> 00:39:58,960

least one or two the

1097

00:40:02,150 --> 00:40:00,720

folks they found uh in that original

1098

00:40:03,750 --> 00:40:02,160

investigation they found them nearly

1099

00:40:06,950 --> 00:40:03,760

either near the wood line or near a tree

1100

00:40:08,550 --> 00:40:06,960

pretty you know good ways but they said

1101

00:40:10,390 --> 00:40:08,560

i remember reading about uh

1102

00:40:11,589 --> 00:40:10,400

their hands were so tore up yeah they

1103

00:40:12,550 --> 00:40:11,599

were down to the bone and they said

1104

00:40:14,069 --> 00:40:12,560

don't know what that could happen is

1105

00:40:15,430 --> 00:40:14,079

where they were trying to climb the tree

1106

00:40:17,030 --> 00:40:15,440

or trying to

1107

00:40:18,710 --> 00:40:17,040

trying to get up and they just kept on

1108

00:40:21,829 --> 00:40:18,720

until yeah

1109

00:40:23,270 --> 00:40:21,839

yeah two mate yeah well all made it to

1110

00:40:24,150 --> 00:40:23,280

the tree line with the exception of

1111

00:40:25,990 --> 00:40:24,160

three

1112

00:40:27,349 --> 00:40:26,000

who stopped short of the tree line they

1113

00:40:29,109 --> 00:40:27,359

turned around they were heading back to

1114

00:40:29,910 --> 00:40:29,119

the tent but they died one two three in

1115

00:40:31,510 --> 00:40:29,920

a row

1116

00:40:34,950 --> 00:40:31,520

but the rest made it down to the tree

1117

00:40:37,910 --> 00:40:34,960

line three wound up in the creek

1118

00:40:39,750 --> 00:40:37,920

and one tried to climb the tree and they

1119

00:40:41,349 --> 00:40:39,760

saw the broken branches and that and

1120

00:40:43,109 --> 00:40:41,359

the guy at the bottom looked like he was

1121

00:40:45,670 --> 00:40:43,119

trying to start a fire

1122

00:40:48,390 --> 00:40:45,680

but the one guy's clothing was burned

1123

00:40:50,230 --> 00:40:48,400

but they had no fire at the campground

1124

00:40:51,990 --> 00:40:50,240

you know where they camped there was no

1125

00:40:55,270 --> 00:40:52,000

they never used their stove

1126

00:41:01,030 --> 00:40:55,280

that was still packed so it's it's

1127

00:41:03,270 --> 00:41:01,040

ribs and crust it's it's just bizarre

1128

00:41:04,829 --> 00:41:03,280

you have crazy photos of that too the

1129

00:41:06,550 --> 00:41:04,839

last photo they

1130

00:41:08,309 --> 00:41:06,560

took that's what i was just gonna bring

1131

00:41:09,109 --> 00:41:08,319

up like why in the hell would they have

1132

00:41:11,349 --> 00:41:09,119

a tripod

1133

00:41:12,550 --> 00:41:11,359

in the middle of the tent and that last

1134

00:41:13,910 --> 00:41:12,560

i was gonna ask much about that what's

1135

00:41:15,109 --> 00:41:13,920

your feelings on that butch i mean

1136

00:41:16,950 --> 00:41:15,119

do you feel that that's pretty well

1137

00:41:17,829 --> 00:41:16,960

legit i mean because it's in the the two

1138

00:41:19,430 --> 00:41:17,839

books i've read

1139

00:41:20,710 --> 00:41:19,440

and i know a lot of people talk about it

1140

00:41:22,550 --> 00:41:20,720

they usually don't bring up the photo

1141

00:41:24,069 --> 00:41:22,560

they're talking about the camera

1142

00:41:27,510 --> 00:41:24,079

yeah because the photo is real widened

1143

00:41:29,670 --> 00:41:27,520

out but you can see an object on it

1144

00:41:30,870 --> 00:41:29,680

oh yeah the the white dot that was that

1145

00:41:32,950 --> 00:41:30,880

was the camera that was found in the

1146

00:41:36,150 --> 00:41:32,960

creek

1147

00:41:37,750 --> 00:41:36,160

um the that was uh

1148

00:41:39,589 --> 00:41:37,760

uh they say that was the last photograph

1149

00:41:42,550 --> 00:41:39,599

taken they actually retrieved

1150

00:41:43,030 --> 00:41:42,560

three cameras but they've only ever put

1151

00:41:44,870 --> 00:41:43,040

out

1152

00:41:47,109 --> 00:41:44,880

film from the with the camera you're the

1153

00:41:49,270 --> 00:41:47,119

one you're talking about with the white

1154

00:41:50,950 --> 00:41:49,280

flash on it and there's one off to the

1155

00:41:53,109 --> 00:41:50,960

left also

1156

00:41:54,630 --> 00:41:53,119

but they said that could have been their

1157

00:41:59,270 --> 00:41:54,640

excuse for that was it

1158

00:42:01,190 --> 00:41:59,280

could have been the film was um

1159

00:42:02,470 --> 00:42:01,200

screwed up by being in the water it was

1160

00:42:04,470 --> 00:42:02,480

actually onto one guy's

1161

00:42:06,790 --> 00:42:04,480

person but he was in the water so that's

1162

00:42:09,430 --> 00:42:06,800

what they figured

1163

00:42:11,030 --> 00:42:09,440

but all the it's funny because the diet

1164

00:42:14,309 --> 00:42:11,040

love institute

1165

00:42:19,190 --> 00:42:14,319

research center they have all the

1166

00:42:22,630 --> 00:42:20,870

i mean they have them all every one of

1167

00:42:25,990 --> 00:42:22,640

them they have

1168

00:42:29,349 --> 00:42:26,000

two of the four cameras the other two

1169

00:42:32,390 --> 00:42:29,359

um were i i guess they were just

1170

00:42:34,950 --> 00:42:32,400

falling apart or whatever the case was

1171

00:42:36,790 --> 00:42:34,960

but um you know everything's come up on

1172

00:42:39,190 --> 00:42:36,800

this i mean they blame the military they

1173

00:42:43,109 --> 00:42:39,200

blame the nancy people they blamed uh

1174

00:42:44,309 --> 00:42:43,119

bigfoot they blamed um aliens the ufo i

1175

00:42:46,870 --> 00:42:44,319

mean

1176
00:42:47,750 --> 00:42:46,880
they ran the whole gamut on this thing

1177
00:42:52,630 --> 00:42:47,760
and

1178
00:42:54,550 --> 00:42:52,640
pretty sharp investigator

1179
00:42:56,309 --> 00:42:54,560
uh everybody's saying well it had to be

1180
00:42:58,470 --> 00:42:56,319
uh you know the slab

1181
00:42:59,589 --> 00:42:58,480
avalanche because the tents collapsed in

1182
00:43:01,349 --> 00:42:59,599
the middle

1183
00:43:03,030 --> 00:43:01,359
well no the tents collapsed in the

1184
00:43:03,430 --> 00:43:03,040
middle because they cut the sides out of

1185
00:43:06,790 --> 00:43:03,440
it

1186
00:43:11,510 --> 00:43:06,800
yeah they kind of yeah yeah just go up

1187
00:43:13,910 --> 00:43:12,630
they foreign must been watching

1188
00:43:15,510 --> 00:43:13,920

something because they actually cut

1189

00:43:18,390 --> 00:43:15,520

slits at the top

1190

00:43:20,630 --> 00:43:18,400

like yeah you know what i mean before

1191

00:43:22,710 --> 00:43:20,640

before they cut into the sides

1192

00:43:23,670 --> 00:43:22,720

so did they see something here's

1193

00:43:26,230 --> 00:43:23,680

something coming

1194

00:43:27,589 --> 00:43:26,240

or whatever it was i mean it just scared

1195

00:43:30,790 --> 00:43:27,599

the hell out of them

1196

00:43:33,589 --> 00:43:30,800

yeah yeah that that's one aspect that

1197

00:43:34,309 --> 00:43:33,599

that that whole thing that just seems so

1198

00:43:37,430 --> 00:43:34,319

weird to me

1199

00:43:40,710 --> 00:43:37,440

why they slipped it out slit the tent

1200

00:43:42,309 --> 00:43:40,720

yeah you know why couldn't they just go

1201
00:43:44,790 --> 00:43:42,319
out the front of the tent

1202
00:43:45,990 --> 00:43:44,800
or were they looking at something or was

1203
00:43:48,790 --> 00:43:46,000
it i don't know

1204
00:43:50,630 --> 00:43:48,800
i mean it it just seems that they went

1205
00:43:54,069 --> 00:43:50,640
crazy somehow

1206
00:43:57,349 --> 00:43:54,079
and started ripping and cutting

1207
00:44:00,790 --> 00:43:57,359
the tent to either get out or

1208
00:44:02,230 --> 00:44:00,800
whatever or they were or a couple of

1209
00:44:02,950 --> 00:44:02,240
them were sleeping and two of them were

1210
00:44:05,910 --> 00:44:02,960
looking and

1211
00:44:06,710 --> 00:44:05,920
seemed like one of them freaked out and

1212
00:44:10,470 --> 00:44:06,720
they pushed

1213
00:44:11,510 --> 00:44:10,480

about a rogue wind well what's a rogue

1214

00:44:14,150 --> 00:44:11,520

wind

1215

00:44:15,430 --> 00:44:14,160

i mean either 100 mile an hour it's five

1216

00:44:19,910 --> 00:44:15,440

mile an hour

1217

00:44:23,589 --> 00:44:19,920

but they say uh this um

1218

00:44:26,950 --> 00:44:23,599

the rogue wind passing between

1219

00:44:30,630 --> 00:44:26,960

certain obstacles at a high speed

1220

00:44:32,630 --> 00:44:30,640

would almost put out an infrasound

1221

00:44:33,670 --> 00:44:32,640

which infrasound is we can't hear

1222

00:44:37,670 --> 00:44:33,680

infrasound

1223

00:44:39,349 --> 00:44:37,680

animals it's that's way below us we

1224

00:44:41,670 --> 00:44:39,359

can't we can't hear that

1225

00:44:43,349 --> 00:44:41,680

but what it does do is it causes

1226

00:44:44,550 --> 00:44:43,359

hallucinations and all that kind of

1227

00:44:48,470 --> 00:44:44,560

stuff so

1228

00:44:51,510 --> 00:44:48,480

is that a possibility yeah i guess it is

1229

00:44:54,069 --> 00:44:51,520

but how are you going to prove it yeah

1230

00:44:55,589 --> 00:44:54,079

it's never happened before the nine

1231

00:44:58,230 --> 00:44:55,599

mancy that died

1232

00:44:59,670 --> 00:44:58,240

on that hunting trip they just died they

1233

00:45:00,950 --> 00:44:59,680

had all kind of wounds

1234

00:45:02,870 --> 00:45:00,960

they figured they were attacked by

1235

00:45:04,630 --> 00:45:02,880

somebody but there was nobody ever

1236

00:45:05,990 --> 00:45:04,640

charged with that and the plane that

1237

00:45:08,150 --> 00:45:06,000

crashed

1238

00:45:09,270 --> 00:45:08,160

that they still didn't put anything up

1239

00:45:12,870 --> 00:45:09,280

on that it wasn't like

1240

00:45:14,309 --> 00:45:12,880

um uh they were reporting engine trouble

1241

00:45:16,150 --> 00:45:14,319

or anything like that the plane just

1242

00:45:19,589 --> 00:45:16,160

went down

1243

00:45:21,030 --> 00:45:19,599

and that tent only had one door

1244

00:45:22,870 --> 00:45:21,040

and that was at the one end the other

1245

00:45:24,710 --> 00:45:22,880

end is solid it was an old military tent

1246

00:45:28,950 --> 00:45:24,720

basically

1247

00:45:34,309 --> 00:45:31,510

and you know at both ends uh they had

1248

00:45:38,230 --> 00:45:34,319

all their gear and the stove and their

1249

00:45:40,069 --> 00:45:38,240

their food and all that stuff so

1250

00:45:43,030 --> 00:45:40,079

but it scared them enough that they had

1251
00:45:48,390 --> 00:45:46,230
that tent and we're burning alive or

1252
00:45:50,069 --> 00:45:48,400
something

1253
00:45:52,870 --> 00:45:50,079
another thing is they never found any of

1254
00:45:57,829 --> 00:45:54,590
what where are these knives

1255
00:46:01,270 --> 00:45:59,829
they never found any knives never

1256
00:46:02,150 --> 00:46:01,280
thought about it no never thought about

1257
00:46:04,470 --> 00:46:02,160
that

1258
00:46:05,589 --> 00:46:04,480
unbelievable they found a hatchet they

1259
00:46:09,430 --> 00:46:05,599
found a hatchet

1260
00:46:13,990 --> 00:46:09,440
that was inside the tent hey hatchet

1261
00:46:17,349 --> 00:46:14,000
it was in a bag still not

1262
00:46:17,829 --> 00:46:17,359
wow not even a pocket knife and judging

1263
00:46:19,030 --> 00:46:17,839

from the

1264

00:46:20,950 --> 00:46:19,040

looks of that tent i mean you know

1265

00:46:22,230 --> 00:46:20,960

that's not that wasn't a couple swiss

1266

00:46:23,589 --> 00:46:22,240

army knives doing that i mean that was

1267

00:46:26,870 --> 00:46:23,599

you know i mean they had to have

1268

00:46:28,950 --> 00:46:26,880

yeah it was like so yeah it was it was

1269

00:46:30,790 --> 00:46:28,960

unbelievable the way it looked that that

1270

00:46:32,390 --> 00:46:30,800

last picture in uh all the first book

1271

00:46:34,630 --> 00:46:32,400

they put out that

1272

00:46:36,950 --> 00:46:34,640

yeah two people wear the tree line they

1273

00:46:39,190 --> 00:46:36,960

look like a blender

1274

00:46:40,790 --> 00:46:39,200

yeah the two people by the tree line had

1275

00:46:43,270 --> 00:46:40,800

crushed ribs too

1276

00:46:44,790 --> 00:46:43,280

i think the best book that i read that

1277

00:46:47,990 --> 00:46:44,800

was pretty accurate

1278

00:46:49,270 --> 00:46:48,000

was called dead mountain dead that's it

1279

00:46:51,349 --> 00:46:49,280

forget about the dead mountain yeah

1280

00:46:54,710 --> 00:46:51,359

that's the one i read

1281

00:46:56,550 --> 00:46:54,720

one of the ones that's pretty

1282

00:46:57,750 --> 00:46:56,560

he i mean he's pretty open-minded about

1283

00:46:59,430 --> 00:46:57,760

the whole thing

1284

00:47:00,950 --> 00:46:59,440

and he lets everything go into play and

1285

00:47:02,470 --> 00:47:00,960

with a case like this you really do have

1286

00:47:04,150 --> 00:47:02,480

to let everything go into play

1287

00:47:05,829 --> 00:47:04,160

because let's face it we don't know what

1288

00:47:08,550 --> 00:47:05,839

caused it

1289

00:47:10,069 --> 00:47:08,560

uh animals are as hard as missing eyes

1290

00:47:12,390 --> 00:47:10,079

and tongues and stuff like that animals

1291

00:47:16,470 --> 00:47:12,400

ruled out from the very beginning an

1292

00:47:20,230 --> 00:47:17,910

i mean it would have been chew mark

1293

00:47:21,670 --> 00:47:20,240

hallmarks everything all over that face

1294

00:47:24,549 --> 00:47:21,680

same same thing with the eyes the

1295

00:47:32,549 --> 00:47:24,559

eyelids weren't even damaged

1296

00:47:35,750 --> 00:47:35,270

we'll see you know see where it goes

1297

00:47:38,950 --> 00:47:35,760

well

1298

00:47:39,349 --> 00:47:38,960

is there a case even similar to like

1299

00:47:44,870 --> 00:47:39,359

that

1300

00:47:48,390 --> 00:47:44,880

united states at all

1301

00:47:49,829 --> 00:47:48,400

no i can find it i look

1302

00:47:52,150 --> 00:47:49,839

i mean there's a lot of missing people

1303

00:47:56,870 --> 00:47:52,160

don't get me wrong uh

1304

00:47:59,670 --> 00:47:56,880

but as far as uh left for dead no

1305

00:48:01,670 --> 00:47:59,680

yeah exactly not with that but that kind

1306

00:48:04,870 --> 00:48:01,680

of madness involved

1307

00:48:07,829 --> 00:48:04,880

yeah i mean we've had we had 39

1308

00:48:09,349 --> 00:48:07,839

missing cases uh here in pennsylvania

1309

00:48:11,589 --> 00:48:09,359

where the people were never found or

1310

00:48:15,109 --> 00:48:11,599

when they were found they were dead

1311

00:48:17,910 --> 00:48:15,119

um so

1312

00:48:20,630 --> 00:48:17,920

i got somebody to chat who's asked who's

1313

00:48:24,230 --> 00:48:20,640

asking about todd seeds butch

1314

00:48:26,069 --> 00:48:24,240

you want to give us an update on that

1315

00:48:27,349 --> 00:48:26,079

uh well we're still trying to locate his

1316

00:48:31,190 --> 00:48:27,359

son that's

1317

00:48:33,990 --> 00:48:31,200

um the uh

1318

00:48:35,030 --> 00:48:34,000

two people that we were dealing with uh

1319

00:48:37,349 --> 00:48:35,040

one trooper

1320

00:48:38,549 --> 00:48:37,359

and well actually two troopers uh they

1321

00:48:41,990 --> 00:48:38,559

went dark

1322

00:48:43,829 --> 00:48:42,000

so uh i guess we were getting too close

1323

00:48:46,150 --> 00:48:43,839

to coming up with something that all of

1324

00:48:49,190 --> 00:48:46,160

a sudden um

1325

00:48:51,829 --> 00:48:49,200

crazy you know everybody got clammed up

1326
00:48:53,750 --> 00:48:51,839
by it but you know how that worked you

1327
00:48:55,109 --> 00:48:53,760
know how that works

1328
00:48:57,270 --> 00:48:55,119
you think nothing's gonna happen

1329
00:48:59,510 --> 00:48:57,280
something happens

1330
00:49:01,349 --> 00:48:59,520
well that's just it i mean when when it

1331
00:49:01,990 --> 00:49:01,359
seems like everything's so quiet then

1332
00:49:05,990 --> 00:49:02,000
all of a sudden

1333
00:49:07,670 --> 00:49:06,000
uh

1334
00:49:09,190 --> 00:49:07,680
you know and we you know we really

1335
00:49:12,390 --> 00:49:09,200
haven't been pushing it

1336
00:49:14,069 --> 00:49:12,400
lately you know i haven't been writing

1337
00:49:17,349 --> 00:49:14,079
about it i haven't been

1338
00:49:19,109 --> 00:49:17,359

saying much about it uh and the only

1339

00:49:21,430 --> 00:49:19,119

reason for that is that we just haven't

1340

00:49:24,230 --> 00:49:21,440

gotten any real

1341

00:49:26,470 --> 00:49:24,240

you know exclusive evidence you know

1342

00:49:29,510 --> 00:49:26,480

other than you know the same thing

1343

00:49:32,549 --> 00:49:29,520

over and over again um

1344

00:49:34,950 --> 00:49:32,559

i don't know i you know i i am

1345

00:49:37,510 --> 00:49:34,960

definitely hoping we eventually get it

1346

00:49:40,309 --> 00:49:37,520

get something maybe we you know butch

1347

00:49:43,030 --> 00:49:40,319

maybe we need to go back

1348

00:49:44,710 --> 00:49:43,040

and do a show about it from the very

1349

00:49:48,230 --> 00:49:44,720

beginning

1350

00:49:51,349 --> 00:49:48,240

and present all the evidence again

1351

00:49:54,950 --> 00:49:51,359

uh you know i mean that's up to you

1352

00:49:58,150 --> 00:49:54,960

but you know maybe i'll put it back

1353

00:50:01,589 --> 00:49:58,160

out there again you know

1354

00:50:02,230 --> 00:50:01,599

we can do that yeah it's a good case

1355

00:50:03,670 --> 00:50:02,240

because

1356

00:50:05,589 --> 00:50:03,680

you know you and i have both been

1357

00:50:06,790 --> 00:50:05,599

fascinated by that thing from the very

1358

00:50:09,510 --> 00:50:06,800

beginning

1359

00:50:11,589 --> 00:50:09,520

you know this case you know for people

1360

00:50:14,549 --> 00:50:11,599

don't understand what happened

1361

00:50:15,910 --> 00:50:14,559

the todd sees case is basically an

1362

00:50:19,030 --> 00:50:15,920

individual

1363

00:50:21,030 --> 00:50:19,040

who lived just off the montour ridge

1364

00:50:22,549 --> 00:50:21,040

near in northumberland when near

1365

00:50:24,829 --> 00:50:22,559

northumberland pennsylvania

1366

00:50:26,549 --> 00:50:24,839

but in northumberland county

1367

00:50:30,950 --> 00:50:26,559

pennsylvania and

1368

00:50:34,230 --> 00:50:30,960

uh apparently this individual

1369

00:50:37,349 --> 00:50:34,240

uh got onto his atv

1370

00:50:39,270 --> 00:50:37,359

and went up the ridge saying that he was

1371

00:50:42,549 --> 00:50:39,280

spotting deer now this was in

1372

00:50:43,510 --> 00:50:42,559

august of 2002 that's one thing i still

1373

00:50:45,829 --> 00:50:43,520

don't understand

1374

00:50:47,990 --> 00:50:45,839

why in the hell the middle summer you're

1375

00:50:49,750 --> 00:50:48,000

out there looking for deer i just don't

1376

00:50:53,030 --> 00:50:49,760

get that but anyway

1377

00:50:55,670 --> 00:50:53,040

he went up there and

1378

00:50:57,829 --> 00:50:55,680

that's what he told his wife and uh that

1379

00:51:01,109 --> 00:50:57,839

he'd be back at noon

1380

00:51:03,190 --> 00:51:01,119

and apparently

1381

00:51:04,790 --> 00:51:03,200

he just wait just didn't come back so

1382

00:51:06,390 --> 00:51:04,800

everybody got freaked out didn't know

1383

00:51:09,510 --> 00:51:06,400

where he was at

1384

00:51:12,870 --> 00:51:09,520

and uh she called the authorities

1385

00:51:15,750 --> 00:51:12,880

and within several hours

1386

00:51:16,470 --> 00:51:15,760

they had over 200 people looking for

1387

00:51:19,109 --> 00:51:16,480

this guy

1388

00:51:20,150 --> 00:51:19,119

on this ridge around the property on the

1389

00:51:24,150 --> 00:51:20,160

ridge

1390

00:51:27,750 --> 00:51:24,160

and according to later information

1391

00:51:31,030 --> 00:51:27,760

particularly from uh

1392

00:51:34,150 --> 00:51:31,040

peter davenport over newfork and

1393

00:51:37,030 --> 00:51:34,160

some other places we um

1394

00:51:38,470 --> 00:51:37,040

we had two eyewitnesses on either side

1395

00:51:41,829 --> 00:51:38,480

of the ridge

1396

00:51:45,190 --> 00:51:41,839

one was a farmer and two others

1397

00:51:49,510 --> 00:51:45,200

were fishermen on the west branch of the

1398

00:51:52,710 --> 00:51:49,520

susquehanna river who saw

1399

00:51:56,069 --> 00:51:52,720

a large disc hovering above

1400

00:51:59,109 --> 00:51:56,079

the power line that runs down over

1401

00:52:02,630 --> 00:51:59,119

the uh over the ridge

1402

00:52:05,349 --> 00:52:02,640

down into the valley and they saw

1403

00:52:07,030 --> 00:52:05,359

something being pulled up into which

1404

00:52:08,470 --> 00:52:07,040

looked like somebody in underwear is

1405

00:52:12,470 --> 00:52:08,480

what they said

1406

00:52:16,630 --> 00:52:12,480

up into the craft that's mind-blowing

1407

00:52:19,510 --> 00:52:16,640

so after after 36 hours or so

1408

00:52:21,190 --> 00:52:19,520

of investigating and searching the whole

1409

00:52:24,309 --> 00:52:21,200

area

1410

00:52:26,630 --> 00:52:24,319

uh the body just turns up all of a

1411

00:52:29,990 --> 00:52:26,640

sudden

1412

00:52:33,829 --> 00:52:30,000

yeah dead and

1413

00:52:36,630 --> 00:52:33,839

on the property what's that

1414

00:52:38,470 --> 00:52:36,640

on the same on his property yeah well

1415

00:52:40,309 --> 00:52:38,480

just you know just

1416

00:52:41,589 --> 00:52:40,319

maybe 70 yards from the house right

1417

00:52:44,069 --> 00:52:41,599

something like that yeah

1418

00:52:45,109 --> 00:52:44,079

yeah yeah yeah they already searched it

1419

00:52:46,470 --> 00:52:45,119

a couple of times

1420

00:52:47,990 --> 00:52:46,480

that the searchers were driving up and

1421

00:52:49,829 --> 00:52:48,000

down and riding up and down and walking

1422

00:52:51,829 --> 00:52:49,839

up and down for two days

1423

00:52:53,349 --> 00:52:51,839

well they had dogs and everything up

1424

00:52:56,069 --> 00:52:53,359

there i mean you know

1425

00:52:57,510 --> 00:52:56,079

they had a pond there was a pond there

1426
00:53:00,870 --> 00:52:57,520
raindale

1427
00:53:03,990 --> 00:53:00,880
yeah you know

1428
00:53:06,710 --> 00:53:04,000
so actually you know in a nutshell what

1429
00:53:09,109 --> 00:53:06,720
happened after the body was found

1430
00:53:09,910 --> 00:53:09,119
is they gathered all the the people who

1431
00:53:13,270 --> 00:53:09,920
were doing the

1432
00:53:14,710 --> 00:53:13,280
uh the search took them up to the

1433
00:53:18,790 --> 00:53:14,720
tuckahoe

1434
00:53:21,990 --> 00:53:18,800
fire department put them inside of there

1435
00:53:24,150 --> 00:53:22,000
closed the doors and according to people

1436
00:53:26,630 --> 00:53:24,160
who were in there at the time

1437
00:53:28,870 --> 00:53:26,640
a few of them they were told not to say

1438
00:53:32,150 --> 00:53:28,880

anything about this

1439

00:53:35,190 --> 00:53:32,160
and to keep quiet about it now

1440

00:53:38,309 --> 00:53:35,200
you know the the standard fair was that

1441

00:53:40,549 --> 00:53:38,319
people these people

1442

00:53:42,710 --> 00:53:40,559
who were telling them to do this for fbi

1443

00:53:45,430 --> 00:53:42,720
well i i have never believed that i

1444

00:53:47,750 --> 00:53:45,440
don't like butch as either

1445

00:53:49,589 --> 00:53:47,760
these guys these guys weren't fbi i

1446

00:53:52,870 --> 00:53:49,599
believe

1447

00:53:57,109 --> 00:53:52,880
these were united states air force

1448

00:53:59,109 --> 00:53:57,119
investigators and uh

1449

00:54:00,870 --> 00:53:59,119
that from what happens they found that

1450

00:54:03,430 --> 00:54:00,880
they believed there was an abduction

1451
00:54:06,230 --> 00:54:03,440
from the beginning

1452
00:54:07,270 --> 00:54:06,240
now i can't prove that it was an

1453
00:54:10,309 --> 00:54:07,280
abduction

1454
00:54:16,470 --> 00:54:10,319
it's all anecdotal evidence

1455
00:54:24,230 --> 00:54:20,870
they came up with some [h__\h]

1456
00:54:27,829 --> 00:54:24,240
excuse that it was cocaine

1457
00:54:30,549 --> 00:54:27,839
toxicity which is just a

1458
00:54:32,309 --> 00:54:30,559
just a bunch of crap they were talking

1459
00:54:33,910 --> 00:54:32,319
about uh

1460
00:54:36,470 --> 00:54:33,920
yeah i mean they were talking about a

1461
00:54:40,390 --> 00:54:36,480
rattlesnake being found near the body

1462
00:54:43,510 --> 00:54:40,400
and a whole bunch of stuff with butch

1463
00:54:45,270 --> 00:54:43,520

was able to get the actual autopsy

1464

00:54:46,230 --> 00:54:45,280

report that nobody else seemed to be

1465

00:54:48,950 --> 00:54:46,240

able to get

1466

00:54:50,829 --> 00:54:48,960

but butch got it how many pages was it

1467

00:54:54,150 --> 00:54:50,839

butch

1468

00:54:58,069 --> 00:54:54,160

uh six pages plus the

1469

00:55:02,230 --> 00:54:58,079

um uh toxicology report

1470

00:55:05,109 --> 00:55:02,240

right wow and and that the problem is

1471

00:55:05,910 --> 00:55:05,119

you guys know where northumberland is

1472

00:55:08,950 --> 00:55:05,920

it's right in

1473

00:55:11,670 --> 00:55:08,960

the northern middle part of the state

1474

00:55:13,829 --> 00:55:11,680

and the autopsy the body was taken to

1475

00:55:16,150 --> 00:55:13,839

allentown pennsylvania

1476
00:55:20,789 --> 00:55:16,160
which is the eastern part of the state

1477
00:55:23,910 --> 00:55:20,799
for the autopsy you know and

1478
00:55:25,829 --> 00:55:23,920
you know the the corner for

1479
00:55:27,270 --> 00:55:25,839
for the county of northumberland was a

1480
00:55:30,710 --> 00:55:27,280
local

1481
00:55:34,470 --> 00:55:30,720
mortician who took the body

1482
00:55:37,510 --> 00:55:34,480
and stored it in his

1483
00:55:40,309 --> 00:55:37,520
his funeral home

1484
00:55:43,349 --> 00:55:40,319
uh until they took the next day to

1485
00:55:50,309 --> 00:55:46,470
so when the body is finally released

1486
00:55:54,150 --> 00:55:50,319
to the family it's in a sealed

1487
00:55:56,069 --> 00:55:54,160
metal maybe lead coffin

1488
00:55:57,670 --> 00:55:56,079

and the people and the families told do

1489

00:56:02,230 --> 00:55:57,680

not open it

1490

00:56:05,829 --> 00:56:02,240

oh my god

1491

00:56:09,349 --> 00:56:07,910

so you know anything you want to add

1492

00:56:13,030 --> 00:56:09,359

butch i just did a

1493

00:56:14,870 --> 00:56:13,040

thumbnail sketch of what was going on

1494

00:56:16,789 --> 00:56:14,880

was there something stuck on a tree or

1495

00:56:18,950 --> 00:56:16,799

something i don't know i mean you know

1496

00:56:20,710 --> 00:56:18,960

if you were saying about doing a

1497

00:56:22,390 --> 00:56:20,720

one-hour show if we we went over that

1498

00:56:23,990 --> 00:56:22,400

whole case from beginning and it'd be a

1499

00:56:27,990 --> 00:56:24,000

five or six hour show

1500

00:56:29,829 --> 00:56:28,000

yeah because it you know there's

1501
00:56:32,150 --> 00:56:29,839
you know over the over the period of all

1502
00:56:33,670 --> 00:56:32,160
the years of investigation i mean

1503
00:56:35,510 --> 00:56:33,680
we got statements from people that we

1504
00:56:39,510 --> 00:56:35,520
didn't even know about we got

1505
00:56:42,230 --> 00:56:39,520
we got information uh we connected the

1506
00:56:44,549 --> 00:56:42,240
person that actually did the autopsy uh

1507
00:56:46,230 --> 00:56:44,559
connected to another guy uh who

1508
00:56:47,670 --> 00:56:46,240
worked for the military i mean it just

1509
00:56:48,309 --> 00:56:47,680
goes on and on and on you know what i'm

1510
00:56:50,069 --> 00:56:48,319
saying

1511
00:56:52,230 --> 00:56:50,079
uh we try to contact the police they

1512
00:56:55,109 --> 00:56:52,240
avoid us like the plague

1513
00:56:56,470 --> 00:56:55,119

um we try to contact the fire companies

1514

00:56:56,950 --> 00:56:56,480

for all the search teams that are out

1515

00:57:00,150 --> 00:56:56,960

there

1516

00:57:01,589 --> 00:57:00,160

they hang up on us then we call back the

1517

00:57:03,349 --> 00:57:01,599

number is disconnected

1518

00:57:04,950 --> 00:57:03,359

or there's a block on the line i mean

1519

00:57:07,670 --> 00:57:04,960

it's just

1520

00:57:08,230 --> 00:57:07,680

we can go on and on about that case but

1521

00:57:11,510 --> 00:57:08,240

uh

1522

00:57:13,589 --> 00:57:11,520

and we had the nephew

1523

00:57:15,030 --> 00:57:13,599

that was uh killed on his lunch hour by

1524

00:57:16,549 --> 00:57:15,040

a tractor trailer

1525

00:57:18,150 --> 00:57:16,559

and the driver of the tractor trailer

1526

00:57:20,150 --> 00:57:18,160

was not retained at the scene of the

1527

00:57:23,589 --> 00:57:20,160

accident of the fatality

1528

00:57:26,150 --> 00:57:23,599

uh he was just driven away i don't know

1529

00:57:27,030 --> 00:57:26,160

who's got it and this was after this was

1530

00:57:28,870 --> 00:57:27,040

after

1531

00:57:30,470 --> 00:57:28,880

when i worked when i wore a badge if

1532

00:57:32,390 --> 00:57:30,480

there was a fatality there was nobody

1533

00:57:35,990 --> 00:57:32,400

going nowhere

1534

00:57:39,349 --> 00:57:36,000

the strange thing about this nephew was

1535

00:57:42,789 --> 00:57:39,359

this nephew and i had an argument

1536

00:57:44,309 --> 00:57:42,799

on a chat board about two days before he

1537

00:57:47,510 --> 00:57:44,319

died

1538

00:57:49,349 --> 00:57:47,520

and uh he was upset because butch and i

1539

00:57:51,349 --> 00:57:49,359

were looking into it

1540

00:57:52,549 --> 00:57:51,359

he didn't he you know he was trying to

1541

00:57:54,789 --> 00:57:52,559

say

1542

00:57:55,670 --> 00:57:54,799

that we had no business looking into

1543

00:57:58,630 --> 00:57:55,680

this case

1544

00:57:59,829 --> 00:57:58,640

and to stop doing it and to stop

1545

00:58:02,549 --> 00:57:59,839

bothering people

1546

00:58:03,670 --> 00:58:02,559

it wasn't important you know that todd

1547

00:58:06,870 --> 00:58:03,680

died from

1548

00:58:09,190 --> 00:58:06,880

cocaine overdose and that was it

1549

00:58:10,870 --> 00:58:09,200

and then two days later this guy ends up

1550

00:58:13,430 --> 00:58:10,880

dead

1551
00:58:16,630 --> 00:58:13,440
yeah you know he he he's you know high

1552
00:58:19,510 --> 00:58:16,640
school just graduated my high school

1553
00:58:22,870 --> 00:58:19,520
so uh yeah i mean that whole thing is

1554
00:58:26,390 --> 00:58:22,880
that whole thing is strange um

1555
00:58:27,829 --> 00:58:26,400
another thing was we had done a show

1556
00:58:29,990 --> 00:58:27,839
back in

1557
00:58:31,829 --> 00:58:30,000
one beyond the edge radio butch and i

1558
00:58:34,069 --> 00:58:31,839
were on there and we did a show about

1559
00:58:36,309 --> 00:58:34,079
this case and what we had found

1560
00:58:37,750 --> 00:58:36,319
did a brief overview of what was going

1561
00:58:44,470 --> 00:58:37,760
on

1562
00:58:46,789 --> 00:58:44,480
we had no access to todd seeds

1563
00:58:47,670 --> 00:58:46,799

personal information his social security

1564

00:58:50,150 --> 00:58:47,680

number

1565

00:58:51,589 --> 00:58:50,160

anything and you know everything was

1566

00:58:53,430 --> 00:58:51,599

gone

1567

00:58:55,670 --> 00:58:53,440

and i'm telling we both tried to get

1568

00:58:58,789 --> 00:58:55,680

information from the state

1569

00:59:01,109 --> 00:58:58,799

local county everywhere you know and we

1570

00:59:05,789 --> 00:59:01,119

all got to run around

1571

00:59:09,349 --> 00:59:05,799

the day after the show was aired

1572

00:59:11,670 --> 00:59:09,359

ancestry.com his social security number

1573

00:59:13,190 --> 00:59:11,680

and an old traffic ticket and it showed

1574

00:59:16,549 --> 00:59:13,200

up on there

1575

00:59:18,069 --> 00:59:16,559

of course all of a sudden now why did

1576

00:59:20,630 --> 00:59:18,079

that happen

1577

00:59:21,109 --> 00:59:20,640

you know that was that was very strange

1578

00:59:24,230 --> 00:59:21,119

so

1579

00:59:28,150 --> 00:59:25,829

it's a craziest you know it's one of the

1580

00:59:31,190 --> 00:59:28,160

craziest cases i mean

1581

00:59:32,950 --> 00:59:31,200

first of all i i do believe i do believe

1582

00:59:35,670 --> 00:59:32,960

that he died

1583

00:59:37,430 --> 00:59:35,680

as a result of an induction and if that

1584

00:59:40,870 --> 00:59:37,440

is the case

1585

00:59:42,390 --> 00:59:40,880

then it's probably the only known case

1586

00:59:45,190 --> 00:59:42,400

of that happening

1587

00:59:45,990 --> 00:59:45,200

at least here in the united states you

1588

00:59:48,150 --> 00:59:46,000

know we have had

1589

00:59:49,750 --> 00:59:48,160

pushback from lufon on this from the

1590

00:59:53,190 --> 00:59:49,760

very beginning

1591

00:59:57,270 --> 00:59:53,200

you know uh they have been you know

1592

01:00:02,710 --> 01:00:00,549

so you know what i think ought to do

1593

01:00:04,230 --> 01:00:02,720

i only take what we had again you know

1594

01:00:04,950 --> 01:00:04,240

it's been a while since i posted

1595

01:00:06,789 --> 01:00:04,960

anything

1596

01:00:09,109 --> 01:00:06,799

take what we had again put it up on the

1597

01:00:11,349 --> 01:00:09,119

blog and

1598

01:00:13,589 --> 01:00:11,359

ask for information anybody's got any

1599

01:00:17,270 --> 01:00:13,599

further information to contact you

1600

01:00:19,750 --> 01:00:17,280

but you're not and see what we can come

1601

01:00:23,829 --> 01:00:19,760

up with what do you think butch

1602

01:00:26,630 --> 01:00:23,839

yeah that'll work yeah

1603

01:00:28,870 --> 01:00:26,640

yeah we need to do that because you know

1604

01:00:31,109 --> 01:00:28,880

you know i know this case

1605

01:00:32,710 --> 01:00:31,119

it leaves a sore spot in me from the

1606

01:00:34,950 --> 01:00:32,720

very beginning

1607

01:00:37,109 --> 01:00:34,960

and you know i know butch i know it's by

1608

01:00:38,870 --> 01:00:37,119

bothering butch but um

1609

01:00:43,030 --> 01:00:38,880

we need to get some answers we got to

1610

01:00:47,510 --> 01:00:43,040

find out what the hell happened

1611

01:00:48,710 --> 01:00:47,520

so has anybody else got anything to add

1612

01:00:50,789 --> 01:00:48,720

didn't they did they find something in

1613

01:00:52,150 --> 01:00:50,799

the tree or am i just

1614

01:00:54,710 --> 01:00:52,160

thinking something else i thought they

1615

01:00:58,950 --> 01:00:54,720

found something uh hanging in a tree

1616

01:01:01,430 --> 01:00:58,960

or somewhere but that was a story

1617

01:01:02,390 --> 01:01:01,440

but it's from butch butch can tell you i

1618

01:01:05,750 --> 01:01:02,400

think that was a

1619

01:01:06,390 --> 01:01:05,760

load of crap okay yeah but what about a

1620

01:01:09,510 --> 01:01:06,400

foot

1621

01:01:10,069 --> 01:01:09,520

the tree what about a butch they never

1622

01:01:14,470 --> 01:01:10,079

found

1623

01:01:18,069 --> 01:01:14,480

they said

1624

01:01:19,589 --> 01:01:18,079

the atv the atv was exactly one mile

1625

01:01:21,670 --> 01:01:19,599

away from where the body was found on

1626
01:01:24,230 --> 01:01:21,680
the property

1627
01:01:25,750 --> 01:01:24,240
uh and he was found right on the

1628
01:01:29,109 --> 01:01:25,760
property

1629
01:01:32,309 --> 01:01:29,119
the family found the coveralls

1630
01:01:34,150 --> 01:01:32,319
uh which puts a little credence into the

1631
01:01:36,150 --> 01:01:34,160
sighting of somebody being pulled up

1632
01:01:38,390 --> 01:01:36,160
into a craft in their underwear because

1633
01:01:42,470 --> 01:01:38,400
that's how he was found

1634
01:01:46,150 --> 01:01:42,480
in his underwear no shoes

1635
01:01:46,789 --> 01:01:46,160
uh just white socks and that area is so

1636
01:01:48,390 --> 01:01:46,799
rocky

1637
01:01:50,150 --> 01:01:48,400
when you walk over it in hunting boots

1638
01:01:52,710 --> 01:01:50,160

it hurts

1639

01:01:54,150 --> 01:01:52,720

and he had the the damage to the bottom

1640

01:01:55,670 --> 01:01:54,160

of his feet was unremarkable there was

1641

01:01:57,190 --> 01:01:55,680

no damage

1642

01:01:58,950 --> 01:01:57,200

he had a lot of cuts and scratches but

1643

01:01:59,829 --> 01:01:58,960

you know going through the brush and

1644

01:02:01,910 --> 01:01:59,839

stuff or

1645

01:02:03,029 --> 01:02:01,920

dragged or thrown or wherever however he

1646

01:02:05,829 --> 01:02:03,039

got there

1647

01:02:06,950 --> 01:02:05,839

but um when the family found the cover

1648

01:02:08,150 --> 01:02:06,960

holes they went through the coveralls

1649

01:02:09,349 --> 01:02:08,160

see if the keys were in there for the

1650

01:02:11,430 --> 01:02:09,359

atv

1651
01:02:12,870 --> 01:02:11,440
they weren't so they gave the coveralls

1652
01:02:17,750 --> 01:02:12,880
over to the police department and the

1653
01:02:22,069 --> 01:02:19,589
doctor doing the autopsy that cocaine

1654
01:02:23,910 --> 01:02:22,079
was found in the pocket

1655
01:02:25,430 --> 01:02:23,920
and the family said there was no cocaine

1656
01:02:26,630 --> 01:02:25,440
in those pockets there was nothing in

1657
01:02:29,750 --> 01:02:26,640
the rocket

1658
01:02:31,990 --> 01:02:29,760
and just common sense if your brother

1659
01:02:34,150 --> 01:02:32,000
if this was your brother and you did

1660
01:02:35,349 --> 01:02:34,160
find cocaine in that pocket were you

1661
01:02:36,390 --> 01:02:35,359
going to give that to the police or

1662
01:02:41,349 --> 01:02:36,400
you're going to just

1663
01:02:47,510 --> 01:02:45,190

yeah and in the family and the family

1664

01:02:48,789 --> 01:02:47,520

has really shut up about this from the

1665

01:02:50,870 --> 01:02:48,799

very beginning

1666

01:02:52,549 --> 01:02:50,880

i don't know if they were scared so

1667

01:02:55,270 --> 01:02:52,559

badly

1668

01:02:56,549 --> 01:02:55,280

by whoever was in charge to not say

1669

01:02:58,710 --> 01:02:56,559

anything

1670

01:03:00,710 --> 01:02:58,720

but they have been closed mouth about

1671

01:03:03,430 --> 01:03:00,720

this whole thing

1672

01:03:04,950 --> 01:03:03,440

you know um the fact that we got some

1673

01:03:08,390 --> 01:03:04,960

information about

1674

01:03:11,829 --> 01:03:08,400

the supposed body being in in a

1675

01:03:14,950 --> 01:03:11,839

sealed metal casket

1676

01:03:16,789 --> 01:03:14,960

is interesting but you know

1677

01:03:17,990 --> 01:03:16,799

i don't know you know it's in another

1678

01:03:19,589 --> 01:03:18,000

thing and

1679

01:03:21,829 --> 01:03:19,599

i don't know if this guy talked to you

1680

01:03:23,990 --> 01:03:21,839

first or talk to me for a butch

1681

01:03:26,309 --> 01:03:24,000

but there was one individual who said he

1682

01:03:29,829 --> 01:03:26,319

went to the grave site

1683

01:03:30,309 --> 01:03:29,839

and stuck a thin metal probe down into

1684

01:03:33,430 --> 01:03:30,319

where

1685

01:03:38,069 --> 01:03:33,440

a crypto casket or something should be

1686

01:03:40,390 --> 01:03:38,079

and he never hit anything yeah

1687

01:03:41,670 --> 01:03:40,400

sounds right maybe there's nothing

1688

01:03:45,510 --> 01:03:41,680

buried there you know

1689

01:03:47,829 --> 01:03:45,520

i don't know thanks to high heaven

1690

01:03:50,390 --> 01:03:47,839

but uh i would like to have you know i

1691

01:03:53,190 --> 01:03:50,400

would really like to open it up again

1692

01:03:54,069 --> 01:03:53,200

and get more information and see if

1693

01:03:57,270 --> 01:03:54,079

somebody

1694

01:04:00,309 --> 01:03:57,280

will come forward because uh

1695

01:04:05,829 --> 01:04:00,319

it's been pretty dry lately so

1696

01:04:09,750 --> 01:04:08,069

so guys i tell you i i thank you for

1697

01:04:13,029 --> 01:04:09,760

coming on tonight with me

1698

01:04:15,510 --> 01:04:13,039

and uh we're we're going to do this

1699

01:04:17,190 --> 01:04:15,520

again this 14th friday

1700

01:04:18,710 --> 01:04:17,200

show that we're going to present every

1701

01:04:21,109 --> 01:04:18,720

month is going to be

1702

01:04:22,870 --> 01:04:21,119

like a round table like this we're going

1703

01:04:24,870 --> 01:04:22,880

to pick subjects and we're going to talk

1704

01:04:27,670 --> 01:04:24,880

about it and you know

1705

01:04:29,029 --> 01:04:27,680

uh i mean it may be you know next the

1706

01:04:32,309 --> 01:04:29,039

next one we have is with

1707

01:04:34,470 --> 01:04:32,319

um carter bouchard and and marc gasel

1708

01:04:35,430 --> 01:04:34,480

as well these two guys are known for

1709

01:04:37,109 --> 01:04:35,440

bigfoot so

1710

01:04:39,430 --> 01:04:37,119

i think what we'll be talking about that

1711

01:04:41,670 --> 01:04:39,440

night is bigfoot but you know we can

1712

01:04:43,109 --> 01:04:41,680

always think of subjects to kind of

1713

01:04:45,990 --> 01:04:43,119

focus on and then

1714

01:04:46,789 --> 01:04:46,000

banner about you know what's going on i

1715

01:04:48,710 --> 01:04:46,799

think that's that

1716

01:04:49,990 --> 01:04:48,720

i think that is really why i'd like to

1717

01:04:54,230 --> 01:04:50,000

do that because

1718

01:04:56,870 --> 01:04:54,240

get more in depth with certain subjects

1719

01:04:58,789 --> 01:04:56,880

you know we got a large team you know

1720

01:05:02,069 --> 01:04:58,799

we've got almost 20

1721

01:05:05,270 --> 01:05:02,079

team members as well as at least 15

1722

01:05:08,549 --> 01:05:05,280

affiliate members so uh

1723

01:05:09,029 --> 01:05:08,559

you know it should be pretty nice it

1724

01:05:12,150 --> 01:05:09,039

should be

1725

01:05:14,870 --> 01:05:12,160

make for an interesting show every month

1726

01:05:17,190 --> 01:05:14,880

so uh of course i invite you guys to be

1727

01:05:19,829 --> 01:05:17,200

a part of that as we go we're gonna give

1728

01:05:21,109 --> 01:05:19,839

everybody a chance to get involved with

1729

01:05:22,710 --> 01:05:21,119

it but um

1730

01:05:24,789 --> 01:05:22,720

again i thank you all for coming on

1731

01:05:28,470 --> 01:05:24,799

tonight and you all take it easy and

1732

01:05:31,829 --> 01:05:30,309

thank you nice all right welcome thank

1733

01:05:35,349 --> 01:05:31,839

you thank you man

1734

01:05:36,950 --> 01:05:35,359

greatly appreciate it had a blast

1735

01:05:41,109 --> 01:05:36,960

okay you take care and i'll be talking

1736

01:05:44,630 --> 01:05:43,349

now if you have an unexplained encounter

1737

01:05:46,390 --> 01:05:44,640

or something

1738

01:05:48,950 --> 01:05:46,400

feel free to contact me through the

1739

01:05:51,270 --> 01:05:48,960

families and monsters blog site

1740

01:05:53,270 --> 01:05:51,280

i want to again thank butch ryan and rob

1741

01:05:55,750 --> 01:05:53,280

for joining me this evening

1742

01:05:57,750 --> 01:05:55,760

and thanks to each and all of you for

1743

01:06:00,230 --> 01:05:57,760

watching and chatting

1744

01:06:02,150 --> 01:06:00,240

uh if you made a super chat donation

1745

01:06:04,549 --> 01:06:02,160

it's truly appreciated

1746

01:06:05,670 --> 01:06:04,559

your support is what makes this possible

1747

01:06:08,789 --> 01:06:05,680

so

1748

01:06:11,670 --> 01:06:08,799

please like subscribe and share

1749

01:06:12,710 --> 01:06:11,680

until next week stay healthy have a safe
