please like subscribe and hit the bell

9
00:00:36,470 --> 00:00:33,910
smelly white humanoid spooks campers at

10
00:00:38,069 --> 00:00:36,480
monjo lookout near ruidoso new mexico

11
00:00:40,150 --> 00:00:38,079
two of my friends and i used to be

12
00:00:41,830 --> 00:00:40,160
stationed at fort bliss in el paso texas

13
00:00:43,270 --> 00:00:41,840

and we decided a memorial day camping

14

00:00:45,110 --> 00:00:43,280

weekend would be a good idea

15

00:00:46,549 --> 00:00:45,120

so we took a trip up to [h__h] peak

16

00:00:48,389 --> 00:00:46,559

outside of rudoso

17

00:00:50,470 --> 00:00:48,399

we planned to stay for three nights the

18

00:00:52,229 --> 00:00:50,480

first two of which were very relaxing

19

00:00:53,910 --> 00:00:52,239

on our first day there when were we're

20

00:00:55,510 --> 00:00:53,920

deciding where to set up our tent we

21

00:00:56,069 --> 00:00:55,520

found loads of bones from various

22

00:00:57,510 --> 00:00:56,079

animals

23

00:00:59,510 --> 00:00:57,520

not mounded up or anything like they

24

00:01:00,389 --> 00:00:59,520

were collected just bones all around the

25

00:01:04,869 --> 00:01:00,399

campsite

26

00:01:06,469 --> 00:01:04,879

tents over about 300 square meters

27

00:01:08,070 --> 00:01:06,479

we decided to pitch our tents on the

28

00:01:10,149 --> 00:01:08,080

highest point at the campsite

29

00:01:11,350 --> 00:01:10,159

about 30 to 40 feet higher elevation

30

00:01:13,190 --> 00:01:11,360

than the parking lot

31

00:01:14,950 --> 00:01:13,200

on the third night it was well after

32

00:01:15,749 --> 00:01:14,960

sunset when all noise from the woods

33

00:01:17,510 --> 00:01:15,759

died out

34

00:01:19,350 --> 00:01:17,520

i'm not sure how long it was silent

35

00:01:20,070 --> 00:01:19,360

before me and my friends broached the

36

00:01:22,070 --> 00:01:20,080

subject

37

00:01:23,990 --> 00:01:22,080

but it wasn't long after that the hair

38

00:01:26,230 --> 00:01:24,000

on the back of my neck started to stand

39

00:01:28,070 --> 00:01:26,240

followed by goosebumps all over i could

40

00:01:29,670 --> 00:01:28,080

see my friends starting to get jittery

41

00:01:31,550 --> 00:01:29,680

and from one of the other campsites we

42

00:01:32,950 --> 00:01:31,560

heard their two dogs going absolutely

43

00:01:34,950 --> 00:01:32,960

ape-sh-i-t

44

00:01:36,469 --> 00:01:34,960

these were very relaxed and happy dogs

45

00:01:38,390 --> 00:01:36,479

for the last two days

46

00:01:39,830 --> 00:01:38,400

we had also made decent acquaintances

47

00:01:41,830 --> 00:01:39,840

with the couple who had the dogs and

48

00:01:43,590 --> 00:01:41,840

they had lunch with us on day two

49

00:01:46,230 --> 00:01:43,600

the other two groups that were camping

50

00:01:48,230 --> 00:01:46,240

at the same time had gone silent as well

51
00:01:50,389 --> 00:01:48,240
the car was about 60 meters from our

52
00:01:51,670 --> 00:01:50,399
campsite and we unanimously decided to

53
00:01:53,429 --> 00:01:51,680
go get our guns

54
00:01:55,030 --> 00:01:53,439
on our way back we started to smell a

55
00:01:57,109 --> 00:01:55,040
rotting fetid stench

56
00:01:59,109 --> 00:01:57,119
i don't know if anyone has ever had to

57
00:02:00,389 --> 00:01:59,119
burn feces before but it smelled like

58
00:02:02,230 --> 00:02:00,399
that mixed with death

59
00:02:04,310 --> 00:02:02,240
it was cloying and felt like it was

60
00:02:06,550 --> 00:02:04,320
almost physical it was so strong

61
00:02:08,309 --> 00:02:06,560
we got back to our campsite and decided

62
00:02:10,389 --> 00:02:08,319
to post guard all through the night

63
00:02:12,470 --> 00:02:10,399

one man up and two asleep or at least

64

00:02:12,869 --> 00:02:12,480

resting i volunteered for the first

65

00:02:14,790 --> 00:02:12,879

shift

66

00:02:16,949 --> 00:02:14,800

because i knew i wasn't getting any rest

67

00:02:17,350 --> 00:02:16,959

at all we had plenty of firewood for the

68

00:02:19,030 --> 00:02:17,360

night

69

00:02:21,350 --> 00:02:19,040

especially because we were leaving the

70

00:02:22,309 --> 00:02:21,360

next morning i kept the fire blazing as

71

00:02:24,150 --> 00:02:22,319

much as i could

72

00:02:25,589 --> 00:02:24,160

because i figured that if it was some

73

00:02:27,270 --> 00:02:25,599

sort of animal it wouldn't be too

74

00:02:29,270 --> 00:02:27,280

interested in messing with me

75

00:02:30,869 --> 00:02:29,280

i kept my back to the fire so i could

76

00:02:32,470 --> 00:02:30,879

maintain good night vision

77

00:02:34,550 --> 00:02:32,480

the forest to the southwest of our

78

00:02:36,630 --> 00:02:34,560

campsite was pretty burnt out but what

79

00:02:37,350 --> 00:02:36,640

you can't see very well is the elevation

80

00:02:39,030 --> 00:02:37,360

change

81

00:02:41,509 --> 00:02:39,040

once you got into the tree line it was

82

00:02:43,270 --> 00:02:41,519

very steep not impassable by any means

83

00:02:45,350 --> 00:02:43,280

but not somewhere you need to be walking

84

00:02:46,630 --> 00:02:45,360

at night behind the trees i notice a

85

00:02:48,630 --> 00:02:46,640

stark white shape

86

00:02:50,949 --> 00:02:48,640

i shouldered my rifle and it didn't move

87

00:02:52,790 --> 00:02:50,959

at all i assumed it was a tree partially

88

00:02:54,550 --> 00:02:52,800

hidden tree behind another one

89

00:02:56,630 --> 00:02:54,560

i started scanning the tree line with a

90

00:02:58,149 --> 00:02:56,640

flashlight because i felt the stench was

91

00:03:00,070 --> 00:02:58,159

stronger than it was before

92

00:03:01,750 --> 00:03:00,080

as my beam passed over what i thought

93

00:03:03,589 --> 00:03:01,760

was the obscured tree i saw i

94

00:03:04,949 --> 00:03:03,599

shine from the white shape as soon as i

95

00:03:06,550 --> 00:03:04,959

registered what i was seeing it

96

00:03:08,869 --> 00:03:06,560

disappeared behind the tree

97

00:03:09,990 --> 00:03:08,879

i debated investigating but instead just

98

00:03:12,070 --> 00:03:10,000

roused my friends

99

00:03:14,309 --> 00:03:12,080

and we scanned together when my shift

100

00:03:16,070 --> 00:03:14,319

ended i took off my rain fly on my tent

101
00:03:18,149 --> 00:03:16,080
so i could see out if needed

102
00:03:19,270 --> 00:03:18,159
i didn't see anything on my next shift

103
00:03:21,190 --> 00:03:19,280
just the smell

104
00:03:22,550 --> 00:03:21,200
in the morning just before dawn broke

105
00:03:24,710 --> 00:03:22,560
the smell seemed to recede

106
00:03:26,229 --> 00:03:24,720
but only so much almost like it left a

107
00:03:27,110 --> 00:03:26,239
scent as a warning was the impression

108
00:03:29,270 --> 00:03:27,120
that i got

109
00:03:30,949 --> 00:03:29,280
we broke camp and started packing up

110
00:03:32,710 --> 00:03:30,959
about halfway through our breakdown we

111
00:03:33,350 --> 00:03:32,720
saw the other three groups packing up as

112
00:03:34,869 --> 00:03:33,360
well

113
00:03:36,789 --> 00:03:34,879

i went over and talked to the couple

114

00:03:38,789 --> 00:03:36,799

with the dogs asking them if they saw

115

00:03:39,350 --> 00:03:38,799

anything last night or if their dogs

116

00:03:41,589 --> 00:03:39,360

calmed down

117

00:03:43,190 --> 00:03:41,599

after the barking stopped they told me

118

00:03:44,470 --> 00:03:43,200

that even when they stopped barking the

119

00:03:45,830 --> 00:03:44,480

dogs didn't sleep

120

00:03:47,430 --> 00:03:45,840

they spent the night whining and

121

00:03:48,630 --> 00:03:47,440

growling in the direction of the hill to

122

00:03:55,429 --> 00:03:48,640

the southwest

123

00:03:59,030 --> 00:03:57,030

bigfooter skinwalker stalks forest

124

00:03:59,990 --> 00:03:59,040

ranger after being shot near suny pueblo

125

00:04:01,750 --> 00:04:00,000

new mexico

126
00:04:03,910 --> 00:04:01,760
this happened to my dad's family when he

127
00:04:05,750 --> 00:04:03,920
was a kid i'm not too sure how old he

128
00:04:07,270 --> 00:04:05,760
was or the exact date this happened

129
00:04:09,589 --> 00:04:07,280
but what i know is that it was a night

130
00:04:11,190 --> 00:04:09,599
in the full sometime in the early 80s

131
00:04:13,350 --> 00:04:11,200
my dad and his parents were on their way

132
00:04:15,350 --> 00:04:13,360
to gallup new mexico to see a movie

133
00:04:17,509 --> 00:04:15,360
they're located in sunny new mexico and

134
00:04:18,069 --> 00:04:17,519
the drive to gallup is 32 miles heading

135
00:04:19,830 --> 00:04:18,079
north

136
00:04:21,990 --> 00:04:19,840
my grandpa was a forest ranger at the

137
00:04:23,909 --> 00:04:22,000
time and worked in the zuni mountains

138
00:04:26,230 --> 00:04:23,919

he was using his ranger truck to get to

139

00:04:28,469 --> 00:04:26,240

town now i will tell this incense mainly

140

00:04:30,550 --> 00:04:28,479

from my dad's perspective he's the only

141

00:04:32,550 --> 00:04:30,560

person that's ever explained this to me

142

00:04:34,070 --> 00:04:32,560

my grandma is early bothered so much she

143

00:04:35,590 --> 00:04:34,080

doesn't like talking about it

144

00:04:37,510 --> 00:04:35,600

my grandpa is dissociative with the

145

00:04:38,150 --> 00:04:37,520

family so i've never had the chance to

146

00:04:40,150 --> 00:04:38,160

ask

147

00:04:42,230 --> 00:04:40,160

anyways they're about halfway to town

148

00:04:43,830 --> 00:04:42,240

it's dark out large ponderosa trees

149

00:04:45,430 --> 00:04:43,840

cover both sides of the road

150

00:04:46,870 --> 00:04:45,440

in the midst of driving my grandpa

151
00:04:48,629 --> 00:04:46,880
stomped on his bricks

152
00:04:49,909 --> 00:04:48,639
my grandma is sitting passenger and my

153
00:04:52,070 --> 00:04:49,919
dad in the back seat

154
00:04:54,150 --> 00:04:52,080
at this moment my dad is confused he's

155
00:04:54,710 --> 00:04:54,160
facing towards the back window passenger

156
00:04:56,469 --> 00:04:54,720
side

157
00:04:58,230 --> 00:04:56,479
he sees my grandpa quickly reach over

158
00:04:59,030 --> 00:04:58,240
the back seat to grab his rifle off a

159
00:05:00,790 --> 00:04:59,040
gun rack

160
00:05:03,189 --> 00:05:00,800
heard him open his door and fire one

161
00:05:04,950 --> 00:05:03,199
shot my grandpa headed and it screamed

162
00:05:06,310 --> 00:05:04,960
my dad now looks over the seat to see it

163
00:05:08,150 --> 00:05:06,320

running to the right of the road

164

00:05:09,830 --> 00:05:08,160

east and it takes one large step over

165

00:05:10,390 --> 00:05:09,840

cattle guard and disappears into the

166

00:05:12,070 --> 00:05:10,400

woods

167

00:05:13,909 --> 00:05:12,080

they drove away and proceeded to watch

168

00:05:15,029 --> 00:05:13,919

the movie without discussing anything

169

00:05:17,189 --> 00:05:15,039

about what happened

170

00:05:19,029 --> 00:05:17,199

now my dad says according to grandma and

171

00:05:20,310 --> 00:05:19,039

grandpa that the bigfoot was hairy but

172

00:05:22,310 --> 00:05:20,320

not like you'd expect

173

00:05:23,909 --> 00:05:22,320

this hair was fringed and bolting they

174

00:05:24,629 --> 00:05:23,919

said it had pale blue skin and looked

175

00:05:26,469 --> 00:05:24,639

fatigued

176

00:05:28,150 --> 00:05:26,479

when my grandpa shot it it dropped its

177

00:05:30,070 --> 00:05:28,160

jaw for a couple of seconds

178

00:05:31,510 --> 00:05:30,080

its jaw-dropping looker test like it

179

00:05:32,390 --> 00:05:31,520

couldn't have possibly made its mouth

180

00:05:34,469 --> 00:05:32,400

any whiter

181

00:05:35,590 --> 00:05:34,479

then came the screen the scream is the

182

00:05:37,430 --> 00:05:35,600

eerie sport

183

00:05:39,430 --> 00:05:37,440

they all set they'll never forget it it

184

00:05:41,189 --> 00:05:39,440

was loud gross and had meaning

185

00:05:43,110 --> 00:05:41,199

after screaming at lunch to his left

186

00:05:44,550 --> 00:05:43,120

east took a step over the cable guard

187

00:05:46,070 --> 00:05:44,560

and ran into the forest

188

00:05:47,590 --> 00:05:46,080

the jaw-dropping is what makes my

189

00:05:49,590 --> 00:05:47,600

grandma not talk about it

190

00:05:50,870 --> 00:05:49,600

she says it's the scariest most ugliest

191

00:05:52,870 --> 00:05:50,880

thing to have witnessed

192

00:05:54,629 --> 00:05:52,880

now after they got back home it started

193

00:05:56,629 --> 00:05:54,639

haunting following my grandpa

194

00:05:58,390 --> 00:05:56,639

that night my grandpa got no sleep my

195

00:05:59,029 --> 00:05:58,400

grandma didn't either and that's how she

196

00:06:00,870 --> 00:05:59,039

knows

197

00:06:02,390 --> 00:06:00,880

she pretended to be asleep but the both

198

00:06:03,189 --> 00:06:02,400

of them heard things around their house

199

00:06:04,950 --> 00:06:03,199

that night

200

00:06:06,629 --> 00:06:04,960

movement noise against a waltzed

201
00:06:07,749 --> 00:06:06,639
overwhelming feeling like something is

202
00:06:09,430 --> 00:06:07,759
out there in the dark

203
00:06:11,189 --> 00:06:09,440
my grandpa continued his work as a

204
00:06:12,469 --> 00:06:11,199
ranger but soon quit due to constant

205
00:06:14,390 --> 00:06:12,479
run-ins with this thing

206
00:06:16,309 --> 00:06:14,400
when he was out in the forest he knew it

207
00:06:17,830 --> 00:06:16,319
was watching he could smell it hear

208
00:06:19,590 --> 00:06:17,840
screams here knocking

209
00:06:21,590 --> 00:06:19,600
it made disturbances in the road just

210
00:06:23,590 --> 00:06:21,600
for him it would toss branches in the

211
00:06:25,670 --> 00:06:23,600
road to and from destinations like it

212
00:06:27,510 --> 00:06:25,680
knew his schedule or where he had to be

213
00:06:29,510 --> 00:06:27,520

it scared my grandpa so much she hasn't

214

00:06:30,390 --> 00:06:29,520

gone back since and since then it hasn't

215

00:06:32,230 --> 00:06:30,400

bothered him

216

00:06:34,469 --> 00:06:32,240

all while this was happening my grandpa

217

00:06:37,029 --> 00:06:34,479

experienced one wild ride as a ranger

218

00:06:38,710 --> 00:06:37,039

i believe he's seen ufos strange murders

219

00:06:41,110 --> 00:06:38,720

and very odd occurrences all in that

220

00:06:43,029 --> 00:06:41,120

forest people acting too jolly rituals

221

00:06:44,230 --> 00:06:43,039

lost people he's written down all

222

00:06:46,070 --> 00:06:44,240

everything that's happened

223

00:06:47,270 --> 00:06:46,080

it's in a binder at his house but i

224

00:06:49,350 --> 00:06:47,280

really want to read it

225

00:06:51,430 --> 00:06:49,360

my dad has and says it's nuts but my

226
00:06:52,070 --> 00:06:51,440
gramps now has cancer and is a shut-in

227
00:06:53,990 --> 00:06:52,080
from it

228
00:06:55,430 --> 00:06:54,000
hopefully i get to see him soon or i get

229
00:06:57,909 --> 00:06:55,440
my hands on that book

230
00:07:00,830 --> 00:06:57,919
zuni is truly a place of mysteries weird

231
00:07:06,870 --> 00:07:00,840
stuff goes down there all the time

232
00:07:11,029 --> 00:07:08,790
tall screaming humanoids encountered in

233
00:07:13,749 --> 00:07:11,039
lincoln national forest new mexico

234
00:07:14,550 --> 00:07:13,759
i am from roswell new mexico born and

235
00:07:17,029 --> 00:07:14,560
raised

236
00:07:18,390 --> 00:07:17,039
i grew up dealing with bs alien nonsense

237
00:07:20,550 --> 00:07:18,400
my entire life

238
00:07:22,390 --> 00:07:20,560

i am a very logical thinker and have had

239

00:07:24,230 --> 00:07:22,400

many strange things happen to me in the

240

00:07:25,909 --> 00:07:24,240

past but i've always dealt with them in

241

00:07:26,629 --> 00:07:25,919

a this can logically be explained

242

00:07:29,029 --> 00:07:26,639

mindset

243

00:07:30,629 --> 00:07:29,039

since i can remember but what i am about

244

00:07:31,270 --> 00:07:30,639

to write about is something i cannot

245

00:07:33,189 --> 00:07:31,280

explain

246

00:07:34,790 --> 00:07:33,199

and it also something i am hesitant to

247

00:07:37,510 --> 00:07:34,800

even think about anymore

248

00:07:38,230 --> 00:07:37,520

i was camping with my cousin cam 17 at

249

00:07:40,309 --> 00:07:38,240

the time

250

00:07:42,629 --> 00:07:40,319

same age as i was his little brother

251
00:07:44,950 --> 00:07:42,639
nick 13 and my aunt and uncle

252
00:07:45,749 --> 00:07:44,960
we were near cloudcroft new mexico up in

253
00:07:48,070 --> 00:07:45,759
the mountains

254
00:07:50,230 --> 00:07:48,080
lincoln national forest my uncle had

255
00:07:52,390 --> 00:07:50,240
just bought a new camper and we decided

256
00:07:54,309 --> 00:07:52,400
to go camping with it for the weekend

257
00:07:56,150 --> 00:07:54,319
the weather was beautiful and me and my

258
00:07:58,150 --> 00:07:56,160
cousins decided to bring a tent

259
00:07:59,430 --> 00:07:58,160
to sleep in instead of the camper so we

260
00:08:01,749 --> 00:07:59,440
could be in peace

261
00:08:03,189 --> 00:08:01,759
we set up our tent about 60 yards away

262
00:08:05,350 --> 00:08:03,199
from the camper and the fire

263
00:08:07,350 --> 00:08:05,360

that was right outside of it towards the

264

00:08:08,469 --> 00:08:07,360

end of the first night and after a long

265

00:08:10,869 --> 00:08:08,479

day of exploring

266

00:08:12,550 --> 00:08:10,879

we all decided to lay down for the night

267

00:08:13,430 --> 00:08:12,560

we were not camping on an actual

268

00:08:15,350 --> 00:08:13,440

campsite

269

00:08:17,430 --> 00:08:15,360

it was a spot my uncle had found some

270

00:08:18,629 --> 00:08:17,440

years back and it was the perfect spot

271

00:08:21,270 --> 00:08:18,639

to set up camp

272

00:08:21,909 --> 00:08:21,280

at about 3 a.m the fire was completely

273

00:08:24,550 --> 00:08:21,919

out

274

00:08:25,510 --> 00:08:24,560

my cousins and i were still awake nick

275

00:08:27,670 --> 00:08:25,520

being the youngest

276

00:08:29,510 --> 00:08:27,680

was trying to stay up to be cool with us

277

00:08:32,070 --> 00:08:29,520

but ended up falling asleep

278

00:08:33,670 --> 00:08:32,080

it was only cam and i awake now we were

279

00:08:35,589 --> 00:08:33,680

just shooting the sh t

280

00:08:37,029 --> 00:08:35,599

talking about hot chicks from school

281

00:08:39,110 --> 00:08:37,039

brilliant ideas for things

282

00:08:41,509 --> 00:08:39,120

that need to be invented and eventually

283

00:08:43,029 --> 00:08:41,519

slowly started to fall asleep too

284

00:08:44,710 --> 00:08:43,039

all of the sudden we heard a blood

285

00:08:46,389 --> 00:08:44,720

curdling scream from the distance

286

00:08:48,070 --> 00:08:46,399

probably the same distance away the

287

00:08:49,030 --> 00:08:48,080

camper was only in the opposite

288

00:08:51,030 --> 00:08:49,040

direction

289

00:08:52,550 --> 00:08:51,040

me and cam both picked our heads up off

290

00:08:53,590 --> 00:08:52,560

the pillow and said almost

291

00:08:56,070 --> 00:08:53,600

simultaneously

292

00:08:57,350 --> 00:08:56,080

what the f was that it wasn't a bear it

293

00:08:59,990 --> 00:08:57,360

wasn't a fox

294

00:09:01,590 --> 00:09:00,000

it was big the closest way i know how to

295

00:09:03,509 --> 00:09:01,600

describe it is a mixture between a

296

00:09:05,509 --> 00:09:03,519

banshee and a rabid peacock

297

00:09:06,550 --> 00:09:05,519

its voice was deep and echoed through

298

00:09:08,710 --> 00:09:06,560

the deep woods

299

00:09:10,790 --> 00:09:08,720

it let out another blood curdling shriek

300

00:09:11,670 --> 00:09:10,800

and we both sat upright on our blow up

301
00:09:13,829 --> 00:09:11,680
mattress

302
00:09:15,269 --> 00:09:13,839
immediately after the screech it started

303
00:09:17,269 --> 00:09:15,279
clicking an odd

304
00:09:18,389 --> 00:09:17,279
deep clicking sound coming from the back

305
00:09:19,990 --> 00:09:18,399
of its throat

306
00:09:22,070 --> 00:09:20,000
it was loud enough to hear from the

307
00:09:23,829 --> 00:09:22,080
distance too we were scared

308
00:09:25,910 --> 00:09:23,839
and neither of us had any idea of what

309
00:09:28,310 --> 00:09:25,920
it could be we waited a second

310
00:09:30,389 --> 00:09:28,320
both quiet as a mouse it let out another

311
00:09:32,389 --> 00:09:30,399
scream followed by a series of clicks

312
00:09:35,030 --> 00:09:32,399
but it seemed to be closer now

313
00:09:36,710 --> 00:09:35,040

maybe ten yards closer i looked at cam

314

00:09:37,509 --> 00:09:36,720

and he looked just as shocked as i was

315

00:09:39,509 --> 00:09:37,519

feeling

316

00:09:41,750 --> 00:09:39,519

i was trying to convince myself it was a

317

00:09:43,910 --> 00:09:41,760

bird of some sort or a mountain cat

318

00:09:44,790 --> 00:09:43,920

then i heard it walking it was walking

319

00:09:47,030 --> 00:09:44,800

on two feet

320

00:09:47,910 --> 00:09:47,040

and i could distinctly hear it it even

321

00:09:50,150 --> 00:09:47,920

sounded big

322

00:09:52,310 --> 00:09:50,160

taking huge strides cracking branches

323

00:09:54,310 --> 00:09:52,320

and leaves under its feet as it walked

324

00:09:56,630 --> 00:09:54,320

it sounded like it was coming close to

325

00:09:58,630 --> 00:09:56,640

us it screeched clicked loudly again

326

00:10:00,070 --> 00:09:58,640

i could tell it was about halfway to us

327

00:10:01,670 --> 00:10:00,080

now suddenly

328

00:10:03,990 --> 00:10:01,680

another scream and clicks came from

329

00:10:06,150 --> 00:10:04,000

another direction sounding just as close

330

00:10:08,470 --> 00:10:06,160

as the other creature it sounded more

331

00:10:10,550 --> 00:10:08,480

aggressive more angry and dominant

332

00:10:11,750 --> 00:10:10,560

the first creature then let off a series

333

00:10:14,150 --> 00:10:11,760

of clicks too

334

00:10:15,030 --> 00:10:14,160

then it hit me they were communicating

335

00:10:17,990 --> 00:10:15,040

at this point

336

00:10:19,590 --> 00:10:18,000

i was terrified and so was cam i had an

337

00:10:21,910 --> 00:10:19,600

axe under my blow up mattress

338

00:10:23,750 --> 00:10:21,920

but i was afraid to get up and grab it

339

00:10:25,190 --> 00:10:23,760

then both of the creatures started

340

00:10:27,590 --> 00:10:25,200

walking towards us

341

00:10:29,509 --> 00:10:27,600

both on two legs not screaming or

342

00:10:31,350 --> 00:10:29,519

clicking but it sounded like they were

343

00:10:33,670 --> 00:10:31,360

trying sneak up on our tent

344

00:10:35,590 --> 00:10:33,680

they were getting closer and closer the

345

00:10:37,670 --> 00:10:35,600

first one screamed loudly

346

00:10:40,150 --> 00:10:37,680

i could tell it was roughly 15 yards

347

00:10:41,829 --> 00:10:40,160

away now and so was the other creature

348

00:10:43,990 --> 00:10:41,839

after screaming it started clicking

349

00:10:44,470 --> 00:10:44,000

again and the other one clicked back at

350

00:10:46,550 --> 00:10:44,480

it

351
00:10:47,509 --> 00:10:46,560
they were both walking closer and closer

352
00:10:49,509 --> 00:10:47,519
to the tent

353
00:10:51,350 --> 00:10:49,519
i could hear them both stepping on limbs

354
00:10:53,190 --> 00:10:51,360
and leaves but i could feel the ground

355
00:10:55,269 --> 00:10:53,200
thud with each step they took

356
00:10:57,269 --> 00:10:55,279
i was panicking frantically looking for

357
00:10:59,110 --> 00:10:57,279
my axe while cam was frantically trying

358
00:11:01,350 --> 00:10:59,120
to wake up his little brother

359
00:11:03,430 --> 00:11:01,360
i couldn't find my axe anywhere i

360
00:11:05,269 --> 00:11:03,440
realized i had left it near the campfire

361
00:11:06,790 --> 00:11:05,279
because we were using it to cut pieces

362
00:11:08,550 --> 00:11:06,800
of wood for the fire

363
00:11:10,949 --> 00:11:08,560

nick was not waking up and they were

364

00:11:13,670 --> 00:11:10,959

getting closer and closer to the tent

365

00:11:15,590 --> 00:11:13,680

eventually cam and i froze the second

366

00:11:16,230 --> 00:11:15,600

one had stopped about 10 feet away from

367

00:11:18,069 --> 00:11:16,240

the tent

368

00:11:20,230 --> 00:11:18,079

but the first one was walking right up

369

00:11:22,389 --> 00:11:20,240

to the tent as soon as it was right

370

00:11:22,790 --> 00:11:22,399

outside the tent i yelled as loud as i

371

00:11:24,870 --> 00:11:22,800

could

372

00:11:26,470 --> 00:11:24,880

out of pure fear get the f away from

373

00:11:29,269 --> 00:11:26,480

here leave us alone

374

00:11:31,269 --> 00:11:29,279

that stopped it was right outside i

375

00:11:33,670 --> 00:11:31,279

could almost see it through the tent

376

00:11:35,190 --> 00:11:33,680

it was huge tall enough to lean over and

377

00:11:36,230 --> 00:11:35,200

look through the top of the tent if it

378

00:11:38,389 --> 00:11:36,240

wanted to

379

00:11:40,470 --> 00:11:38,399

i could tell it was slim humanoid and

380

00:11:42,790 --> 00:11:40,480

heavy i could feel its energy

381

00:11:44,389 --> 00:11:42,800

and it was very negative i felt the

382

00:11:45,910 --> 00:11:44,399

vibes of the universe and they were

383

00:11:46,310 --> 00:11:45,920

telling me that whatever these things

384

00:11:49,590 --> 00:11:46,320

were

385

00:11:52,389 --> 00:11:49,600

steal our hot dogs

386

00:11:54,069 --> 00:11:52,399

i was frozen they were right outside and

387

00:11:56,069 --> 00:11:54,079

the moon was covered by clouds

388

00:11:57,990 --> 00:11:56,079

so moonlight was no longer shining

389

00:11:58,790 --> 00:11:58,000

anywhere i couldn't even hear it

390

00:12:01,190 --> 00:11:58,800

breathing

391

00:12:02,069 --> 00:12:01,200

it was silent the second one clicked

392

00:12:04,629 --> 00:12:02,079

from behind us

393

00:12:06,310 --> 00:12:04,639

still 10 feet away or so from the tent

394

00:12:08,470 --> 00:12:06,320

the first was didn't move

395

00:12:10,470 --> 00:12:08,480

it didn't make a single sound and it was

396

00:12:12,230 --> 00:12:10,480

probably a foot away from the tent

397

00:12:14,150 --> 00:12:12,240

my heart was beating so hard that i

398

00:12:16,310 --> 00:12:14,160

thought i was going to pass out

399

00:12:18,310 --> 00:12:16,320

all of the sudden it took two huge steps

400

00:12:20,069 --> 00:12:18,320

back and the second one let out a scream

401

00:12:22,389 --> 00:12:20,079

so loud it hurt my ears

402

00:12:24,389 --> 00:12:22,399

i immediately burst into tears the

403

00:12:25,910 --> 00:12:24,399

second creature took off into the woods

404

00:12:27,430 --> 00:12:25,920

pounding the ground underneath it

405

00:12:29,430 --> 00:12:27,440

running on two legs

406

00:12:31,190 --> 00:12:29,440

the first one apparently turned around

407

00:12:31,910 --> 00:12:31,200

and walked away back into the deep's

408

00:12:33,670 --> 00:12:31,920

woods

409

00:12:35,670 --> 00:12:33,680

i waited until i completely heard its

410

00:12:36,310 --> 00:12:35,680

footsteps disappear until i unzipped the

411

00:12:38,069 --> 00:12:36,320

tent

412

00:12:39,990 --> 00:12:38,079

i threw a little nick over my shoulder

413

00:12:42,150 --> 00:12:40,000

and we booked it towards the camper

414

00:12:44,949 --> 00:12:42,160

we got inside and woke up my aunt and

415

00:12:47,509 --> 00:12:44,959

uncle they had no idea what was going on

416

00:12:49,509 --> 00:12:47,519

and urged us to take our asses to bed we

417

00:12:51,190 --> 00:12:49,519

slept in the camper the next two nights

418

00:12:53,350 --> 00:12:51,200

and i didn't leave the campsite for the

419

00:12:55,350 --> 00:12:53,360

rest of the trip i don't know what we

420

00:12:56,949 --> 00:12:55,360

encountered that night but all i know is

421

00:12:59,110 --> 00:12:56,959

that it was not an animal

422

00:13:00,550 --> 00:12:59,120

it was not human not a bear or a

423

00:13:02,389 --> 00:13:00,560

four-legged animal

424

00:13:04,069 --> 00:13:02,399

it has scarred me ever since and its

425

00:13:04,949 --> 00:13:04,079

energy and screams still haunt me to

426

00:13:07,750 --> 00:13:04,959

this day

427

00:13:09,509 --> 00:13:07,760

i give you my word this was very real i

428

00:13:12,230 --> 00:13:09,519

didn't find any proof to back up

429

00:13:13,910 --> 00:13:12,240

our story however one thing i did find

430

00:13:15,590 --> 00:13:13,920

really strange was the fact that there

431

00:13:17,509 --> 00:13:15,600

was a huge rock at the end of a trail

432

00:13:18,710 --> 00:13:17,519

near our campsite that was absolutely

433

00:13:20,470 --> 00:13:18,720

covered in moss

434

00:13:22,150 --> 00:13:20,480

the last day we were there all of the

435

00:13:24,230 --> 00:13:22,160

moss on the rock was gone

436

00:13:26,150 --> 00:13:24,240

i couldn't even recognize the rock until

437

00:13:27,750 --> 00:13:26,160

little nick said something about it

438

00:13:30,230 --> 00:13:27,760

the rock looked like it had been licked

439

00:13:32,150 --> 00:13:30,240

clean not literally but there wasn't any

440

00:13:33,350 --> 00:13:32,160

sign that moss was ever growing on it in

441

00:13:35,590 --> 00:13:33,360

the first place

442

00:13:37,190 --> 00:13:35,600

just a two days prior the moss on it was

443

00:13:38,069 --> 00:13:37,200

so thick that it felt like a couch

444

00:13:45,030 --> 00:13:38,079

cushion

445

00:13:48,949 --> 00:13:46,949

bertillon alien encountered during visit

446

00:13:52,069 --> 00:13:48,959

to mount capulen new mexico

447

00:13:54,230 --> 00:13:52,079

in august 1959 my parents and i were

448

00:13:55,430 --> 00:13:54,240

traveling to colorado springs colorado

449

00:13:57,590 --> 00:13:55,440

on a vacation

450

00:13:59,829 --> 00:13:57,600

for some unknown reason dad decided that

451
00:14:01,670 --> 00:13:59,839
we would stop and visit mount capulin

452
00:14:03,269 --> 00:14:01,680
an extinct volcano in the northeast

453
00:14:05,269 --> 00:14:03,279
corner of new mexico

454
00:14:06,710 --> 00:14:05,279
mom stayed in the tourist center while

455
00:14:07,509 --> 00:14:06,720
dad and i climbed up the side of the

456
00:14:09,350 --> 00:14:07,519
volcano

457
00:14:10,870 --> 00:14:09,360
and down into the crater then we

458
00:14:12,389 --> 00:14:10,880
returned to the center

459
00:14:15,189 --> 00:14:12,399
as i was walking through the tourist

460
00:14:17,030 --> 00:14:15,199
center i felt myself stop in mid-step

461
00:14:19,430 --> 00:14:17,040
i felt my consciousness lift out of my

462
00:14:22,310 --> 00:14:19,440
body and drop straight through the floor

463
00:14:23,350 --> 00:14:22,320

how deep i cannot imagine my drop ended

464

00:14:25,030 --> 00:14:23,360

in an arch tunnel deep

465

00:14:27,269 --> 00:14:25,040

underground the tunnel was lighted with

466

00:14:28,470 --> 00:14:27,279

orange lights standing in front of me

467

00:14:30,470 --> 00:14:28,480

was a smallish being

468

00:14:31,509 --> 00:14:30,480

or entity that i now know to identify as

469

00:14:33,189 --> 00:14:31,519

a reptilian

470

00:14:34,710 --> 00:14:33,199

i would estimate its height at somewhere

471

00:14:36,310 --> 00:14:34,720

around four feet tall

472

00:14:37,990 --> 00:14:36,320

it was wearing a gray color robe with

473

00:14:39,670 --> 00:14:38,000

long sleeves and a hood

474

00:14:41,990 --> 00:14:39,680

the most i could see of its face was

475

00:14:43,910 --> 00:14:42,000

intense oversized dark eyes

476

00:14:45,750 --> 00:14:43,920

in its left hand number of fingers

477

00:14:47,430 --> 00:14:45,760

unclear but definitely a thumb

478

00:14:49,189 --> 00:14:47,440

it held something that looked similar to

479

00:14:50,069 --> 00:14:49,199

what we today would describe as an ipad

480

00:14:51,829 --> 00:14:50,079

or the like

481

00:14:53,910 --> 00:14:51,839

in its right hand it held some kind of

482

00:14:56,230 --> 00:14:53,920

stylus it looks straight at me

483

00:14:57,269 --> 00:14:56,240

and with mind to mind talk said what are

484

00:14:59,189 --> 00:14:57,279

you doing here

485

00:15:00,710 --> 00:14:59,199

we're not ready for you yet then my

486

00:15:02,470 --> 00:15:00,720

consciousness zoomed back up through the

487

00:15:04,230 --> 00:15:02,480

ground and back into my head where i

488

00:15:06,230 --> 00:15:04,240

stood in the tourist center

489

00:15:07,990 --> 00:15:06,240

since then i have wondered when the we

490

00:15:09,110 --> 00:15:08,000

that this alien entity represented would

491

00:15:10,550 --> 00:15:09,120

be ready for me

492

00:15:12,870 --> 00:15:10,560

i have had other encounters with

493

00:15:14,550 --> 00:15:12,880

ufo-related entities like the mib

494

00:15:15,269 --> 00:15:14,560

dressed in a black warrant officer's

495

00:15:17,030 --> 00:15:15,279

uniform

496

00:15:19,350 --> 00:15:17,040

driving a yellow mini cooper on the

497

00:15:21,430 --> 00:15:19,360

military base near keflavik iceland

498

00:15:23,509 --> 00:15:21,440

he told me go home and point it towards

499

00:15:25,430 --> 00:15:23,519

the southwest and north america

500

00:15:26,870 --> 00:15:25,440

maybe the alien entities have visited me

501
00:15:28,629 --> 00:15:26,880
but i don't remember it

502
00:15:30,710 --> 00:15:28,639
ready is a term that has shown up in

503
00:15:32,550 --> 00:15:30,720
many stories about ce3

504
00:15:34,629 --> 00:15:32,560
i am very much on my guard for when this

505
00:15:36,230 --> 00:15:34,639
word shows up because of this encounter

506
00:15:43,269 --> 00:15:36,240
in which the word was spoken to me by

507
00:15:47,749 --> 00:15:45,030
fired s and i is staring at me from the

508
00:15:49,749 --> 00:15:47,759
shadows gila national forest new mexico

509
00:15:51,509 --> 00:15:49,759
this incident occurred in 2007 in the

510
00:15:52,550 --> 00:15:51,519
wilderness of the gila national forest

511
00:15:54,550 --> 00:15:52,560
in new mexico

512
00:15:56,230 --> 00:15:54,560
i am from new mexico and was raised in

513
00:15:57,990 --> 00:15:56,240

roswell so this is an area i have

514

00:15:58,629 --> 00:15:58,000

visited several times prior without

515

00:16:00,310 --> 00:15:58,639

issue

516

00:16:02,470 --> 00:16:00,320

on this trip i was with a group of about

517

00:16:04,150 --> 00:16:02,480

10 other people we were two days into

518

00:16:05,430 --> 00:16:04,160

our trek with several more to go

519

00:16:07,189 --> 00:16:05,440

for those who aren't familiar with the

520

00:16:09,030 --> 00:16:07,199

gila it's a stunningly beautiful area

521

00:16:10,550 --> 00:16:09,040

with trails that follow winding river

522

00:16:11,990 --> 00:16:10,560

that carves through a canyon

523

00:16:13,269 --> 00:16:12,000

there are high cliffsides jutting up

524

00:16:14,949 --> 00:16:13,279

hundreds of feet through some parts of

525

00:16:17,030 --> 00:16:14,959

the canyon and dense brush

526

00:16:19,110 --> 00:16:17,040

overall it is very isolated and has an

527

00:16:20,870 --> 00:16:19,120

odd vibe to it in certain places

528

00:16:22,389 --> 00:16:20,880

i've always associated that with the

529

00:16:24,150 --> 00:16:22,399

fact that it's an area with ancient

530

00:16:26,230 --> 00:16:24,160

native american history dating back to

531

00:16:28,790 --> 00:16:26,240

at least 9600 bc

532

00:16:30,550 --> 00:16:28,800

that i know of or maybe further lots of

533

00:16:31,829 --> 00:16:30,560

crazy stuff has happened there over the

534

00:16:33,829 --> 00:16:31,839

years to be sure

535

00:16:35,269 --> 00:16:33,839

it has a compelling history on this

536

00:16:36,949 --> 00:16:35,279

particular night we were camped in an

537

00:16:38,389 --> 00:16:36,959

area where the river makes a u-shape as

538

00:16:40,230 --> 00:16:38,399

it wraps through the canyon

539

00:16:41,829 --> 00:16:40,240

it was a fun day and i had even managed

540

00:16:42,470 --> 00:16:41,839

to catch some trout that i ate for

541

00:16:44,069 --> 00:16:42,480

dinner

542

00:16:45,990 --> 00:16:44,079

right around dusk i needed to relieve

543

00:16:47,749 --> 00:16:46,000

myself so i wandered away from our camp

544

00:16:49,430 --> 00:16:47,759

into what i would describe as a ravine

545

00:16:51,430 --> 00:16:49,440

or an arroyo where flood waters drain

546

00:16:53,430 --> 00:16:51,440

into the river there was dense brush and

547

00:16:55,110 --> 00:16:53,440

high sloping banks on either side

548

00:16:56,790 --> 00:16:55,120

all in all it seemed a good place to go

549

00:16:58,470 --> 00:16:56,800

to do my business at the time

550

00:17:00,150 --> 00:16:58,480

i made my way up the ravine and thinking

551
00:17:01,749 --> 00:17:00,160
back on it i walk an unreasonable

552
00:17:02,550 --> 00:17:01,759
distance from a camp which i find

553
00:17:03,990 --> 00:17:02,560
strange

554
00:17:06,069 --> 00:17:04,000
as if i kept walking almost

555
00:17:07,510 --> 00:17:06,079
absent-mindedly or was drawn further in

556
00:17:09,270 --> 00:17:07,520
which is not my norm

557
00:17:10,630 --> 00:17:09,280
as a preface there is something i think

558
00:17:12,710 --> 00:17:10,640
many here are familiar with that is

559
00:17:14,230 --> 00:17:12,720
known colloquially as the silence

560
00:17:15,909 --> 00:17:14,240
typically this phenomenon occurs in

561
00:17:16,789 --> 00:17:15,919
nature when there is a large predator in

562
00:17:18,949 --> 00:17:16,799
the area

563
00:17:21,189 --> 00:17:18,959

anyways i noticed it was nearly quiet

564

00:17:23,029 --> 00:17:21,199

and i knew that something was very wrong

565

00:17:24,949 --> 00:17:23,039

when i say quiet i mean the silence was

566

00:17:26,949 --> 00:17:24,959

deafening if that makes sense

567

00:17:28,950 --> 00:17:26,959

by this time it's nearly completely dark

568

00:17:30,870 --> 00:17:28,960

and i am out of your shot of my cam

569

00:17:33,110 --> 00:17:30,880

alarm bells intensely started blaring in

570

00:17:34,710 --> 00:17:33,120

my head and got my hair stood on end

571

00:17:36,789 --> 00:17:34,720

i noticed a strange change in my

572

00:17:38,470 --> 00:17:36,799

perception likely caused by the twilight

573

00:17:39,909 --> 00:17:38,480

phase change but the light around me

574

00:17:41,029 --> 00:17:39,919

seemed to become shrouded in shadow

575

00:17:42,549 --> 00:17:41,039

quite suddenly

576

00:17:43,990 --> 00:17:42,559

it was almost like someone had one of

577

00:17:44,710 --> 00:17:44,000

those sliding dimming switches for a

578

00:17:45,990 --> 00:17:44,720

light bulb

579

00:17:47,510 --> 00:17:46,000

you know the feeling you get when you

580

00:17:49,190 --> 00:17:47,520

are sitting somewhere public and just

581

00:17:50,549 --> 00:17:49,200

feel someone else looking at you

582

00:17:52,789 --> 00:17:50,559

that's what happened suddenly and

583

00:17:53,909 --> 00:17:52,799

intensely a few moments later i heard a

584

00:17:56,070 --> 00:17:53,919

loud and distinct crack

585

00:17:57,430 --> 00:17:56,080

an odd wrestling from about 30 feet away

586

00:17:59,029 --> 00:17:57,440

above me in the bush

587

00:18:01,029 --> 00:17:59,039

it sounded like a person walking where

588

00:18:03,029 --> 00:18:01,039

no person should be it sounded like

589

00:18:04,789 --> 00:18:03,039

human footsteps cracking twigs

590

00:18:06,470 --> 00:18:04,799

i was petrified to make a move but

591

00:18:08,150 --> 00:18:06,480

finished my business and stood as

592

00:18:09,510 --> 00:18:08,160

confidently as i could muster facing the

593

00:18:11,190 --> 00:18:09,520

direction of the sound

594

00:18:12,870 --> 00:18:11,200

i was unarmed and knowing what i know

595

00:18:14,470 --> 00:18:12,880

about predators i didn't want to make

596

00:18:15,590 --> 00:18:14,480

myself appear any more vulnerable than a

597

00:18:17,750 --> 00:18:15,600

kid alone in a ditch

598

00:18:19,270 --> 00:18:17,760

and in the dark i've had encounters with

599

00:18:22,070 --> 00:18:19,280

bears mountain lions

600

00:18:23,430 --> 00:18:22,080

etc but this felt so much different i

601
00:18:25,590 --> 00:18:23,440
did not have the high ground

602
00:18:26,950 --> 00:18:25,600
figuratively and literally i called out

603
00:18:28,630 --> 00:18:26,960
loudly hello

604
00:18:30,230 --> 00:18:28,640
a few seconds passed and the wrestling

605
00:18:32,470 --> 00:18:30,240
continued in the distance

606
00:18:34,070 --> 00:18:32,480
silence at this point i felt beyond

607
00:18:36,470 --> 00:18:34,080
vulnerable and terrified

608
00:18:37,430 --> 00:18:36,480
unreasonably terrified in hindsight and

609
00:18:39,830 --> 00:18:37,440
after researching i

610
00:18:41,430 --> 00:18:39,840
often wonder if infrasound played a role

611
00:18:41,990 --> 00:18:41,440
with my hair standing on end i took a

612
00:18:43,669 --> 00:18:42,000
few steps

613
00:18:45,990 --> 00:18:43,679

backward and that's when i noticed the

614

00:18:47,830 --> 00:18:46,000

eyes about 20 feet away above the bank

615

00:18:48,470 --> 00:18:47,840

of the ditch was a pair staring directly

616

00:18:49,990 --> 00:18:48,480

at me

617

00:18:51,669 --> 00:18:50,000

i was in shock for a moment as it was

618

00:18:53,430 --> 00:18:51,679

near where i heard the crack slightly

619

00:18:54,310 --> 00:18:53,440

iridescent looking eyes high above me on

620

00:18:55,669 --> 00:18:54,320

the bank

621

00:18:57,510 --> 00:18:55,679

high enough that they had to either be a

622

00:18:58,549 --> 00:18:57,520

massive creature or a large creature in

623

00:19:00,230 --> 00:18:58,559

a tree branch

624

00:19:02,470 --> 00:19:00,240

the silhouette didn't make sense but

625

00:19:04,230 --> 00:19:02,480

shadows played fix on the eyes and mind

626

00:19:05,270 --> 00:19:04,240

i can't be sure it wasn't a large owl or

627

00:19:07,029 --> 00:19:05,280

something like that but the

628

00:19:07,590 --> 00:19:07,039

circumstances and general feeling make

629

00:19:09,669 --> 00:19:07,600

me believe

630

00:19:10,950 --> 00:19:09,679

otherwise the silence and heaviness in

631

00:19:13,350 --> 00:19:10,960

the air was totally wrong

632

00:19:14,950 --> 00:19:13,360

but it's hard to explain instinctively i

633

00:19:15,669 --> 00:19:14,960

backed up as slowly as i could facing

634

00:19:16,950 --> 00:19:15,679

those eyes

635

00:19:19,110 --> 00:19:16,960

and that's when i heard another crack

636

00:19:20,070 --> 00:19:19,120

above me to my right this made me lose

637

00:19:22,390 --> 00:19:20,080

my sh t

638

00:19:23,350 --> 00:19:22,400

as that noise was much closer at this

639

00:19:25,110 --> 00:19:23,360

point my fight or

640

00:19:26,950 --> 00:19:25,120

kick in and i turned and sprinted as

641

00:19:28,470 --> 00:19:26,960

fast as i could breathless

642

00:19:29,909 --> 00:19:28,480

i made it back to camp and told my

643

00:19:31,430 --> 00:19:29,919

friends i thought there was possibly a

644

00:19:32,789 --> 00:19:31,440

large predator in the area and we should

645

00:19:33,830 --> 00:19:32,799

make sure we bare bag and take

646

00:19:35,510 --> 00:19:33,840

precautions

647

00:19:36,870 --> 00:19:35,520

thinking back on it i think it very well

648

00:19:37,510 --> 00:19:36,880

could have been a mountain lion or a

649

00:19:39,590 --> 00:19:37,520

bear

650

00:19:41,190 --> 00:19:39,600

who knows one thing i know for certain

651
00:19:41,669 --> 00:19:41,200
is that i felt like i was in absolute

652
00:19:43,270 --> 00:19:41,679
danger

653
00:19:44,710 --> 00:19:43,280
and all of my alarm bells were screaming

654
00:19:46,150 --> 00:19:44,720
to get the f out of there

655
00:19:47,909 --> 00:19:46,160
still freaks me out all these years

656
00:19:49,830 --> 00:19:47,919
later the shade of that memory is always

657
00:19:50,950 --> 00:19:49,840
in the back of my mind whenever i'm out

658
00:19:52,870 --> 00:19:50,960
in the woods alone

659
00:19:55,029 --> 00:19:52,880
all in all i'm just glad i'm not another

660
00:20:00,789 --> 00:19:55,039
backwoods missing person statistic

661
00:20:04,230 --> 00:20:03,350
this is lon strickler if you like this
