1
00:00:08,629 --> 00:00:05,190
the oldest

2
00:00:10,790 --> 00:00:08,639
and strongest human emotion is fear

3
00:00:11,830 --> 00:00:10,800
and the oldest and strongest type of

4
00:00:14,950 --> 00:00:11,840
fear

5
00:00:17,430 --> 00:00:14,960
is trepidation of the unknown

6
00:00:20,870 --> 00:00:17,440
when we were children our parents told

7
00:00:23,349 --> 00:00:20,880
us that monsters didn't exist

8
00:00:26,550 --> 00:00:23,359
but we were sure that something was

9
00:00:31,109 --> 00:00:26,560
lurking under the bed or in the closet

10
00:00:34,310 --> 00:00:31,119
fear sees even if our eyes are closed

11
00:00:36,389 --> 00:00:34,320
welcome to the realm of the arcane my

12
00:00:38,709 --> 00:00:36,399
name is lon stripler

13
00:00:39,830 --> 00:00:38,719

join me as i examine unexplained

14

00:00:42,830 --> 00:00:39,840

creatures

15

00:00:44,790 --> 00:00:42,840

strange manifestations and remarkable

16

00:00:47,830 --> 00:00:44,800

realities

17

00:00:50,470 --> 00:00:47,840

imagine this next hour as a voyage of

18

00:00:53,510 --> 00:00:50,480

discovery to strange lands

19

00:00:56,229 --> 00:00:53,520

seeking not for new territory but for

20

00:00:58,869 --> 00:00:56,239

new knowledge of the supernatural come

21

00:01:00,220 --> 00:00:58,879

on board as we begin this adventure

22

00:01:04,710 --> 00:01:00,230

together

23

00:01:08,390 --> 00:01:06,469

hey folks good evening and welcome to

24

00:01:10,149 --> 00:01:08,400

another episode of arcane radio where we

25

00:01:12,710 --> 00:01:10,159

explore the unexplained

26
00:01:14,390 --> 00:01:12,720
live on beyond explanation now i'm your

27
00:01:16,469 --> 00:01:14,400
host lon strickler

28
00:01:19,670 --> 00:01:16,479
coming to you within a cannon shot of

29
00:01:21,590 --> 00:01:19,680
historic gettysburg pennsylvania

30
00:01:23,670 --> 00:01:21,600
now uh before we get started i'm going

31
00:01:26,390 --> 00:01:23,680
to again ask you for a favor arcane

32
00:01:28,390 --> 00:01:26,400
radio and beyond explanation channel

33
00:01:30,390 --> 00:01:28,400
is made possible by you liking

34
00:01:32,870 --> 00:01:30,400
subscribing and sharing

35
00:01:35,830 --> 00:01:32,880
our programming uh you know with

36
00:01:38,469 --> 00:01:35,840
advertising budgets during this covered

37
00:01:40,870 --> 00:01:38,479
this code with downing and uh increased

38
00:01:42,950 --> 00:01:40,880

use of limited technology

39

00:01:44,469 --> 00:01:42,960

limiting technology has been more and

40

00:01:47,670 --> 00:01:44,479

more difficult to finance

41

00:01:49,030 --> 00:01:47,680

this venture so as a result uh super

42

00:01:51,350 --> 00:01:49,040

chat donations

43

00:01:52,069 --> 00:01:51,360

are essential for us to continue

44

00:01:53,789 --> 00:01:52,079

offering

45

00:01:55,590 --> 00:01:53,799

our unique contacts so your

46

00:01:59,670 --> 00:01:55,600

consideration

47

00:02:03,670 --> 00:01:59,680

is very much needed and appreciated

48

00:02:07,510 --> 00:02:03,680

so um this week i did receive

49

00:02:10,070 --> 00:02:07,520

another sighting from the chicago area

50

00:02:11,270 --> 00:02:10,080

now this was an older sighting but it's

51

00:02:14,550 --> 00:02:11,280

significant

52

00:02:15,830 --> 00:02:14,560

uh for a number of reasons but i'll go

53

00:02:19,510 --> 00:02:15,840

into that when i talk about it

54

00:02:21,190 --> 00:02:19,520

um i received a telephone call from a

55

00:02:24,229 --> 00:02:21,200

gentleman

56

00:02:27,670 --> 00:02:24,239

who i'll refer to as jd now he he

57

00:02:28,790 --> 00:02:27,680

uh called in regards to a wing bean

58

00:02:32,710 --> 00:02:28,800

sighting

59

00:02:35,030 --> 00:02:32,720

he had on on the september 5th 2011

60

00:02:36,550 --> 00:02:35,040

which was actually labor day

61

00:02:38,630 --> 00:02:36,560

this occurred during the same

62

00:02:41,670 --> 00:02:38,640

three-month period

63

00:02:45,030 --> 00:02:41,680

in 2011 when three previous wing

64

00:02:45,430 --> 00:02:45,040

being humanoid settings were reported on

65

00:02:48,790 --> 00:02:45,440

the

66

00:02:52,790 --> 00:02:48,800

mufon cms actually when our in

67

00:02:56,070 --> 00:02:52,800

our investigations next initially began

68

00:02:56,550 --> 00:02:56,080

so at approximately um 4 p.m central

69

00:02:59,030 --> 00:02:56,560

time

70

00:03:00,470 --> 00:02:59,040

the eyewitness jd was getting off the

71

00:03:02,550 --> 00:03:00,480

metro

72

00:03:05,670 --> 00:03:02,560

at the intersection of south jeffrey

73

00:03:07,750 --> 00:03:05,680

boulevard east 67th street in jackson

74

00:03:09,350 --> 00:03:07,760

jackson park highlands which is in south

75

00:03:12,309 --> 00:03:09,360

chicago

76

00:03:13,750 --> 00:03:12,319

uh there was a mobile gas station and

77

00:03:17,110 --> 00:03:13,760

actually still there

78

00:03:18,869 --> 00:03:17,120

at that corner uh jd noticed unusual

79

00:03:22,229 --> 00:03:18,879

flying being

80

00:03:24,070 --> 00:03:22,239

approximately 100 to 120 foot above him

81

00:03:26,550 --> 00:03:24,080

adjacent to an apartment building in the

82

00:03:28,869 --> 00:03:26,560

vicinity

83

00:03:30,070 --> 00:03:28,879

so he describes the entity as black in

84

00:03:33,830 --> 00:03:30,080

color with bat like

85

00:03:35,750 --> 00:03:33,840

wings a small bulbous head and what seems

86

00:03:38,149 --> 00:03:35,760

to be tentacles

87

00:03:40,869 --> 00:03:38,159

extending from behind it now he states

88

00:03:43,589 --> 00:03:40,879

that it was definitely biological

89
00:03:44,949 --> 00:03:43,599
and seemed to be looking down at him and

90
00:03:47,750 --> 00:03:44,959
others

91
00:03:48,229 --> 00:03:47,760
now he began to follow it at miss wick

92
00:03:51,430 --> 00:03:48,239
uh

93
00:03:53,830 --> 00:03:51,440
over jackson park and the golf course

94
00:03:55,589 --> 00:03:53,840
and as he continued to follow the entity

95
00:03:59,190 --> 00:03:55,599
into a stretch of trees

96
00:04:02,149 --> 00:03:59,200
the entity rolled and displayed what was

97
00:04:03,990 --> 00:04:02,159
he described as an emerald green light

98
00:04:06,229 --> 00:04:04,000
on the underbelly

99
00:04:08,949 --> 00:04:06,239
now during the entire time the answer he

100
00:04:11,990 --> 00:04:08,959
never flapped its wings which is

101
00:04:16,789 --> 00:04:12,000
standard for this this these sightings

102
00:04:20,870 --> 00:04:16,799
but flew up and down in altitude

103
00:04:25,030 --> 00:04:20,880
now he uh he also sensed that the

104
00:04:27,670 --> 00:04:25,040
entity was watching him as he chased it

105
00:04:29,110 --> 00:04:27,680
uh it would dip and turn towards him on

106
00:04:32,310 --> 00:04:29,120
occasion

107
00:04:35,110 --> 00:04:32,320
and he but he never was able to

108
00:04:37,189 --> 00:04:35,120
determine the structure of the face

109
00:04:39,189 --> 00:04:37,199
now the wing being eventually turned

110
00:04:41,590 --> 00:04:39,199
towards lake michigan and quickly flew

111
00:04:44,790 --> 00:04:41,600
towards the east

112
00:04:45,350 --> 00:04:44,800
now that night and several subsequent

113
00:04:49,189 --> 00:04:45,360

nights

114

00:04:51,030 --> 00:04:49,199

jd had very vivid and uh

115

00:04:53,510 --> 00:04:51,040

frightening dreams of the wing being

116

00:04:56,230 --> 00:04:53,520

flying towards him and displaying

117

00:04:58,629 --> 00:04:56,240

an al like head and face with large

118

00:05:01,110 --> 00:04:58,639

round amber eyes

119

00:05:02,070 --> 00:05:01,120

now he is positive that the entity knew

120

00:05:05,350 --> 00:05:02,080

that he was

121

00:05:05,830 --> 00:05:05,360

he was following it and that wanted him

122

00:05:09,270 --> 00:05:05,840

to

123

00:05:10,310 --> 00:05:09,280

remember the incident now this event has

124

00:05:13,270 --> 00:05:10,320

bothered jd

125

00:05:15,430 --> 00:05:13,280

since that day and on recently deciding

126

00:05:17,189 --> 00:05:15,440

to come forward and make a report so i'm

127

00:05:19,270 --> 00:05:17,199

glad it did because

128

00:05:20,390 --> 00:05:19,280

these historical sightings are important

129

00:05:23,990 --> 00:05:20,400

with our research

130

00:05:27,909 --> 00:05:24,000

and um it just proves that those three

131

00:05:30,950 --> 00:05:27,919

sightings back in 2011

132

00:05:33,590 --> 00:05:30,960

also had subsequent sightings as well so

133

00:05:35,350 --> 00:05:33,600

um yeah that's that's important for our

134

00:05:39,270 --> 00:05:35,360

research uh so i appreciate you

135

00:05:40,950 --> 00:05:39,280

contacting me so tonight

136

00:05:42,629 --> 00:05:40,960

i welcome bigfoot investigator

137

00:05:45,909 --> 00:05:42,639

researcher and author

138

00:05:46,950 --> 00:05:45,919

142

00:05:56,469 --> 00:05:52,800

believe

143

00:05:58,309 --> 00:05:56,479

about bigfoot sasquatch the book details

144

00:05:59,670 --> 00:05:58,319

examines what people believe about

145

00:06:02,150 --> 00:05:59,680

bigfoot

146

00:06:02,870 --> 00:06:02,160

sharon collected surveys and stories as

147

00:06:05,510 --> 00:06:02,880

well

148

00:06:07,670 --> 00:06:05,520

as forwarding interview questionnaires

149

00:06:10,469 --> 00:06:07,680

to numerous bigfoot researchers

150

00:06:11,430 --> 00:06:10,479

and investigators her personal research

151
00:06:13,029 --> 00:06:11,440
includes

152
00:06:15,510 --> 00:06:13,039
investigating the culture of bigfoot

153
00:06:17,029 --> 00:06:15,520
believers physical and anecdotal

154
00:06:20,950 --> 00:06:17,039
evidence cosmology

155
00:06:23,270 --> 00:06:20,960
and experiences now sharon is also

156
00:06:25,909 --> 00:06:23,280
a member of the phantoms and monsters 14

157
00:06:28,150 --> 00:06:25,919
research as an affiliate member

158
00:06:29,270 --> 00:06:28,160
so sharon thanks for coming on this

159
00:06:32,629 --> 00:06:29,280
evening

160
00:06:34,150 --> 00:06:32,639
thanks alan good to be here so let me

161
00:06:36,870 --> 00:06:34,160
ask you right off the bat

162
00:06:39,749 --> 00:06:36,880
what is what got you started into

163
00:06:44,790 --> 00:06:39,759

investigating bigfoot

164

00:06:46,629 --> 00:06:44,800

you know i was interested in the topic

165

00:06:49,270 --> 00:06:46,639

since i was you know in my youth and i

166

00:06:52,870 --> 00:06:49,280

used to read about bigfoot and ufos and

167

00:06:55,909 --> 00:06:52,880

all that stuff since since i was young

168

00:06:58,710 --> 00:06:55,919

however i the bigfoot itself actually

169

00:07:00,830 --> 00:06:58,720

getting involved took a sighting by my

170

00:07:02,629 --> 00:07:00,840

son when we were all camping in new

171

00:07:04,950 --> 00:07:02,639

mexico um

172

00:07:08,230 --> 00:07:04,960

we lived in el paso texas and uh we went

173

00:07:10,870 --> 00:07:08,240

north past las cruces to radium springs

174

00:07:12,790 --> 00:07:10,880

in new mexico and it was uh november i

175

00:07:15,990 --> 00:07:12,800

think of 2001

176

00:07:19,350 --> 00:07:16,000

and it was a cold windy dark night

177

00:07:21,749 --> 00:07:19,360

but there was a moon some moonlight and

178

00:07:23,110 --> 00:07:21,759

it was so cold that we decided to hang

179

00:07:26,070 --> 00:07:23,120

out in my mom's little

180

00:07:26,469 --> 00:07:26,080

camping trailer rather than the tents

181

00:07:28,870 --> 00:07:26,479

and

182

00:07:30,790 --> 00:07:28,880

uh my son said i gotta go to the

183

00:07:32,790 --> 00:07:30,800

bathroom so he took off and

184

00:07:34,070 --> 00:07:32,800

and went out there i guess without a

185

00:07:38,070 --> 00:07:34,080

flashlight

186

00:07:38,469 --> 00:07:38,080

and um after five minutes or whatever it

187

00:07:41,110 --> 00:07:38,479

was

188

00:07:43,510 --> 00:07:41,120

he'd come running back in the door said

189

00:07:44,550 --> 00:07:43,520

hey i saw i saw a bigfoot i think i saw

190

00:07:47,270 --> 00:07:44,560

a bigfoot

191

00:07:49,350 --> 00:07:47,280

and we were like nah nah you know you're

192

00:07:52,309 --> 00:07:49,360

just telling stories

193

00:07:54,869 --> 00:07:52,319

and uh and he says no really and so my

194

00:07:59,110 --> 00:07:54,879

nephew who's a little bit older than him

195

00:08:01,749 --> 00:07:59,120

said i'll go with them i'll check it out

196

00:08:04,230 --> 00:08:01,759

so they take off and they're gone at

197

00:08:07,909 --> 00:08:04,240

least five minutes maybe up to ten

198

00:08:11,510 --> 00:08:07,919

um seven to ten minutes i guess

199

00:08:14,150 --> 00:08:11,520

and um then all of a sudden they're

200

00:08:16,309 --> 00:08:14,160

they're crashing through the door

201

00:08:19,749 --> 00:08:16,319

following over each other

202

00:08:20,550 --> 00:08:19,759

and screaming and and shut the door shut

203

00:08:22,629 --> 00:08:20,560

the door

204

00:08:23,830 --> 00:08:22,639

and get get in get in hurry shut the

205

00:08:26,070 --> 00:08:23,840

door and

206

00:08:27,670 --> 00:08:26,080

they're freaking out and they said there

207

00:08:30,150 --> 00:08:27,680

really was something out there

208

00:08:31,430 --> 00:08:30,160

and uh we were like oh you guys just

209

00:08:33,509 --> 00:08:31,440

went out there and made this story

210

00:08:36,070 --> 00:08:33,519

together just so you can you know

211

00:08:37,909 --> 00:08:36,080

and we were kind of hesitant to believe

212

00:08:38,709 --> 00:08:37,919

him and he says no really and my nephew

213

00:08:41,190 --> 00:08:38,719

takes my hand

214

00:08:43,350 --> 00:08:41,200

and puts it on his heart and he says it

215

00:08:45,350 --> 00:08:43,360

and it's just beating out of his chest

216

00:08:48,070 --> 00:08:45,360

and i'm just like okay that's a

217

00:08:50,630 --> 00:08:48,080

physiological reaction

218

00:08:52,230 --> 00:08:50,640

and this is some something's happening

219

00:08:55,190 --> 00:08:52,240

here it's not just

220

00:08:56,310 --> 00:08:55,200

you know them getting uh excited to tell

221

00:08:59,350 --> 00:08:56,320

a story

222

00:09:01,590 --> 00:08:59,360

so i said okay all right what what

223

00:09:03,990 --> 00:09:01,600

happened what'd you see what'd you hear

224

00:09:05,269 --> 00:09:04,000

so my son said when he went out the

225

00:09:08,150 --> 00:09:05,279

first time

226

00:09:09,990 --> 00:09:08,160

he was just standing by the arroyo now

227

00:09:11,590 --> 00:09:10,000

it's one of those deep gullies that's

228

00:09:13,750 --> 00:09:11,600

empty of water it's just dry because

229

00:09:15,430 --> 00:09:13,760

it's desert right it's right next to the

230

00:09:16,150 --> 00:09:15,440

mountain we were on the plateau and then

231

00:09:18,070 --> 00:09:16,160

there's a big

232

00:09:20,630 --> 00:09:18,080

arroyo and then the mountains beyond

233

00:09:23,829 --> 00:09:20,640

that and uh

234

00:09:27,269 --> 00:09:23,839

he's just peeing like next to the royal

235

00:09:30,310 --> 00:09:27,279

and he said that he saw in the moonlight

236

00:09:32,949 --> 00:09:30,320

a bipedal figure

237

00:09:34,389 --> 00:09:32,959

walking down the center of the arroyo

238

00:09:36,470 --> 00:09:34,399

down its length

239

00:09:37,509 --> 00:09:36,480

and it passed right by him and he said

240

00:09:45,190 --> 00:09:37,519

it was

241

00:09:47,910 --> 00:09:45,200

and had really broad shoulders

242

00:09:48,470 --> 00:09:47,920

and almost no neck and was super tall it

243

00:09:50,150 --> 00:09:48,480

was like

244

00:09:51,750 --> 00:09:50,160

to the top of the arroyo which you know

245

00:09:53,829 --> 00:09:51,760

those are pretty deep out there

246

00:09:55,350 --> 00:09:53,839

i think that one was i don't remember

247

00:09:57,750 --> 00:09:55,360

how deep it was but

248

00:09:58,470 --> 00:09:57,760

it might have been anywhere from eight

249

00:10:01,509 --> 00:09:58,480

to ten

250

00:10:02,069 --> 00:10:01,519

feet deep at least these were huge

251
00:10:05,829 --> 00:10:02,079
royals

252
00:10:06,630 --> 00:10:05,839
and so we were he said that's what he

253
00:10:08,630 --> 00:10:06,640
saw

254
00:10:10,550 --> 00:10:08,640
and then that's when he freaked out and

255
00:10:12,949 --> 00:10:10,560
took off and went to the trailer and

256
00:10:17,350 --> 00:10:12,959
then my nephew derek went out with him

257
00:10:21,350 --> 00:10:19,829
when they went back out they did i guess

258
00:10:22,630 --> 00:10:21,360
they were looking around and they were

259
00:10:24,069 --> 00:10:22,640
they went up to the royal but they

260
00:10:25,030 --> 00:10:24,079
didn't see anything and then they heard

261
00:10:27,430 --> 00:10:25,040
it down below

262
00:10:29,190 --> 00:10:27,440
somewhere down below not far from them

263
00:10:29,910 --> 00:10:29,200

um he said it was hard to see over the

264

00:10:31,350 --> 00:10:29,920

edge

265

00:10:32,949 --> 00:10:31,360

and they were too afraid to get too

266

00:10:34,710 --> 00:10:32,959

close to the edge because you know it

267

00:10:38,710 --> 00:10:34,720

was a little freaky for them

268

00:10:41,990 --> 00:10:38,720

but uh they heard all of a sudden this

269

00:10:43,910 --> 00:10:42,000

this pound and dragging

270

00:10:45,110 --> 00:10:43,920

sound and then a pound and dragging

271

00:10:48,310 --> 00:10:45,120

sound like a hand

272

00:10:49,190 --> 00:10:48,320

drag hit in the dirt and and uh like

273

00:10:51,350 --> 00:10:49,200

over and over

274

00:10:52,310 --> 00:10:51,360

and uh he said kind of like my nephew

275

00:10:54,949 --> 00:10:52,320

described it as

276

00:10:56,470 --> 00:10:54,959

kind of like a when a bull will pound

277

00:10:58,790 --> 00:10:56,480

the ground with its hoof

278

00:10:59,509 --> 00:10:58,800

and drag leg but he said there was

279

00:11:02,389 --> 00:10:59,519

definitely

280

00:11:04,310 --> 00:11:02,399

no bulls out there and then all of a

281

00:11:06,310 --> 00:11:04,320

sudden it screamed

282

00:11:07,670 --> 00:11:06,320

and screamed like a warning sound to

283

00:11:09,910 --> 00:11:07,680

them and

284

00:11:11,910 --> 00:11:09,920

and he said it went right through them

285

00:11:13,509 --> 00:11:11,920

like through their entire being he said

286

00:11:14,310 --> 00:11:13,519

it didn't sound like an animal he's ever

287

00:11:16,470 --> 00:11:14,320

heard

288

00:11:17,509 --> 00:11:16,480

and he's didn't sound human either it

289

00:11:21,030 --> 00:11:17,519

was kind of like a

290

00:11:23,590 --> 00:11:21,040

mix between the two super loud

291

00:11:25,590 --> 00:11:23,600

and it went it reverberated his guts he

292

00:11:27,509 --> 00:11:25,600

said it felt like

293

00:11:28,790 --> 00:11:27,519

extremely low frequency was going

294

00:11:30,949 --> 00:11:28,800

through him

295

00:11:32,550 --> 00:11:30,959

and uh it just shook him up and they

296

00:11:34,069 --> 00:11:32,560

took off run and that's when they

297

00:11:36,710 --> 00:11:34,079

fell over each other trying to get in

298

00:11:37,590 --> 00:11:36,720

the trailer and so everybody was afraid

299

00:11:39,829 --> 00:11:37,600

like there was

300

00:11:41,430 --> 00:11:39,839

a there was like this sense of fear in

301
00:11:42,470 --> 00:11:41,440
the room you know how fear can become

302
00:11:44,150 --> 00:11:42,480
tangible

303
00:11:46,710 --> 00:11:44,160
like you can feel that energy in the

304
00:11:49,030 --> 00:11:46,720
room that's exactly how it was in that

305
00:11:51,030 --> 00:11:49,040
trailer after they told us this story

306
00:11:52,790 --> 00:11:51,040
and you it was you know they were like

307
00:11:55,509 --> 00:11:52,800
emanating fear like they could

308
00:11:57,590 --> 00:11:55,519
they were just too scared to go back out

309
00:12:00,710 --> 00:11:57,600
and um

310
00:12:02,150 --> 00:12:00,720
consequently now we didn't have any uh

311
00:12:03,670 --> 00:12:02,160
we didn't tell anybody we were just

312
00:12:04,470 --> 00:12:03,680
sitting out there like staying in the

313
00:12:07,269 --> 00:12:04,480

trailer

314

00:12:08,870 --> 00:12:07,279

hoping it would go away and not knowing

315

00:12:10,790 --> 00:12:08,880

what happened we didn't have any guts to

316

00:12:11,990 --> 00:12:10,800

go out back out after what what they

317

00:12:15,670 --> 00:12:12,000

experienced

318

00:12:18,310 --> 00:12:15,680

um but uh you know my my my dad's back

319

00:12:20,389 --> 00:12:18,320

home in el paso at that same time

320

00:12:22,470 --> 00:12:20,399

and he started now my dad's a christian

321

00:12:24,790 --> 00:12:22,480

minister so he started praying for us

322

00:12:26,710 --> 00:12:24,800

because he felt like something was wrong

323

00:12:28,790 --> 00:12:26,720

like we didn't tell him so i thought

324

00:12:30,550 --> 00:12:28,800

that was an interesting connection

325

00:12:32,310 --> 00:12:30,560

and i've never told anybody that before

326

00:12:37,509 --> 00:12:32,320

but um it was

327

00:12:41,190 --> 00:12:37,519

just interesting and so anyway my um

328

00:12:42,629 --> 00:12:41,200

my my son and my nephew you know

329

00:12:44,710 --> 00:12:42,639

they had this experience but i didn't

330

00:12:47,269 --> 00:12:44,720

know what to do with it i was like

331

00:12:48,790 --> 00:12:47,279

i had forgotten completely that years

332

00:12:51,750 --> 00:12:48,800

before my friend had told me

333

00:12:53,750 --> 00:12:51,760

about some minor big sightings in the

334

00:12:54,550 --> 00:12:53,760

franklin mountains of el paso out in the

335

00:12:57,030 --> 00:12:54,560

desert

336

00:12:58,310 --> 00:12:57,040

and i just didn't think about bigfoot in

337

00:13:00,150 --> 00:12:58,320

the desert you know he was supposed to

338

00:13:02,230 --> 00:13:00,160

be in the pnw he was supposed to be up

339

00:13:04,550 --> 00:13:02,240

in washington state in oregon and

340

00:13:06,470 --> 00:13:04,560

and other places but you know where

341

00:13:09,829 --> 00:13:06,480

there's like trees

342

00:13:13,350 --> 00:13:09,839

and water not the desert and uh

343

00:13:14,550 --> 00:13:13,360

not the dry climate so um i started

344

00:13:16,629 --> 00:13:14,560

asking round

345

00:13:18,310 --> 00:13:16,639

and uh did some research online i was

346

00:13:19,350 --> 00:13:18,320

like could this really be a bigfoot in

347

00:13:21,190 --> 00:13:19,360

the desert i just

348

00:13:22,470 --> 00:13:21,200

i just don't you don't hear about this

349

00:13:26,230 --> 00:13:22,480

too much and

350

00:13:27,269 --> 00:13:26,240

so i contacted the texas bigfoot

351

00:13:30,790 --> 00:13:27,279

research center

352

00:13:31,590 --> 00:13:30,800

and the bfro and and they said yeah yeah

353

00:13:34,710 --> 00:13:31,600

we've heard of

354

00:13:36,150 --> 00:13:34,720

the desert like that

355

00:13:38,069 --> 00:13:36,160

and i said well that's interesting and

356

00:13:41,430 --> 00:13:38,079

the bfro had an

357

00:13:43,189 --> 00:13:41,440

investigator call me and talk to my son

358

00:13:44,470 --> 00:13:43,199

and and talk to i can't remember if he

359

00:13:46,150 --> 00:13:44,480

talked to my nephew but he talked to my

360

00:13:47,910 --> 00:13:46,160

son and you talked to me

361

00:13:50,150 --> 00:13:47,920

and he made a report and it's on the

362

00:13:51,750 --> 00:13:50,160

website you know their websites at the

363

00:13:54,790 --> 00:13:51,760

bfro so

364

00:13:56,870 --> 00:13:54,800

um that's still there and uh so anybody

365

00:14:01,590 --> 00:13:56,880

could look it up if they wanted to

366

00:14:03,910 --> 00:14:01,600

and um that's really what started me

367

00:14:05,350 --> 00:14:03,920

researching and getting to know people

368

00:14:07,350 --> 00:14:05,360

in the community and

369

00:14:08,550 --> 00:14:07,360

kind of watching and listening and and i

370

00:14:09,590 --> 00:14:08,560

thought well i don't know if this is

371

00:14:11,750 --> 00:14:09,600

going to come up again

372

00:14:13,110 --> 00:14:11,760

but if it does you know maybe i'll do

373

00:14:16,150 --> 00:14:13,120

some more

374

00:14:19,590 --> 00:14:16,160

and it was 2003 i'm sitting at my desk

375

00:14:23,750 --> 00:14:19,600

in the uh in el paso

376

00:14:25,990 --> 00:14:23,760

and my nephew same nephew derek walks in

377

00:14:27,509 --> 00:14:26,000

and he throws the newspaper down in

378

00:14:29,030 --> 00:14:27,519

front of me and he says look at the

379

00:14:33,430 --> 00:14:29,040

headline

380

00:14:36,230 --> 00:14:33,440

and it was horizon cities monster

381

00:14:37,509 --> 00:14:36,240

and that was the el paso times newspaper

382

00:14:41,030 --> 00:14:37,519

and it had this

383

00:14:41,509 --> 00:14:41,040

drawn picture of a bigfoot and horizon

384

00:14:45,430 --> 00:14:41,519

city

385

00:14:49,350 --> 00:14:45,440

is just a small a small yep that's it

386

00:14:52,470 --> 00:14:49,360

a small uh town outside of el paso

387

00:14:53,110 --> 00:14:52,480

right south of where i lived so about 20

388

00:14:56,230 --> 00:14:53,120

minutes

389

00:14:58,710 --> 00:14:56,240

so i am i said well that's it

390

00:15:00,629 --> 00:14:58,720

i'm jumping in with both feet i i got to

391

00:15:01,829 --> 00:15:00,639

investigate this thing so i called the

392

00:15:04,230 --> 00:15:01,839

newspaper

393

00:15:05,670 --> 00:15:04,240

and got a hold of the journalist and

394

00:15:09,189 --> 00:15:05,680

asked

395

00:15:11,990 --> 00:15:09,199

for um the contact information

396

00:15:13,110 --> 00:15:12,000

to the lady that saw this bigfoot out in

397

00:15:16,150 --> 00:15:13,120

the desert

398

00:15:16,550 --> 00:15:16,160

and uh she said well yeah i can put you

399

00:15:19,269 --> 00:15:16,560

in touch

400

00:15:21,189 --> 00:15:19,279

because i can't give out her contact

401
00:15:23,829 --> 00:15:21,199
information i said that's great

402
00:15:26,150 --> 00:15:23,839
so that's what we did i i um she

403
00:15:29,910 --> 00:15:26,160
contacted me and we went out and and

404
00:15:31,910 --> 00:15:29,920
and interviewed her and and asked i went

405
00:15:33,509 --> 00:15:31,920
to see the site the exact mound where

406
00:15:36,389 --> 00:15:33,519
she saw this bigfoot walk

407
00:15:37,749 --> 00:15:36,399
over the mound and down and down and

408
00:15:39,670 --> 00:15:37,759
down on the other side until

409
00:15:41,189 --> 00:15:39,680
it disappeared and its head just kept

410
00:15:42,230 --> 00:15:41,199
getting lower and lower like it went

411
00:15:44,870 --> 00:15:42,240
into the ground

412
00:15:45,670 --> 00:15:44,880
and she said it must have happened where

413
00:15:47,670 --> 00:15:45,680

it it

414

00:15:49,829 --> 00:15:47,680

she swore up and down that it had to

415

00:15:52,389 --> 00:15:49,839

walk down into like a cave

416

00:15:53,189 --> 00:15:52,399

or some stairway on the other side of

417

00:15:54,949 --> 00:15:53,199

the mound

418

00:15:58,230 --> 00:15:54,959

and you know these these mesquite mounds

419

00:16:01,590 --> 00:16:01,030

four or five feet high give or take and

420

00:16:03,350 --> 00:16:01,600

uh

421

00:16:04,949 --> 00:16:03,360

she just saw the head go down and down

422

00:16:06,629 --> 00:16:04,959

and down she says i had to disappear

423

00:16:07,670 --> 00:16:06,639

down into there into the hole in the

424

00:16:12,150 --> 00:16:07,680

ground because

425

00:16:14,150 --> 00:16:12,160

some kind of cave or something and uh

426

00:16:16,470 --> 00:16:14,160

we went back there we we found no

427

00:16:17,910 --> 00:16:16,480

opening and so it was a mystery

428

00:16:20,150 --> 00:16:17,920

we couldn't figure out this was broad

429

00:16:23,350 --> 00:16:20,160

daylight that this happened

430

00:16:26,470 --> 00:16:23,360

and um so

431

00:16:28,230 --> 00:16:26,480

we just you know when i i have a habit

432

00:16:30,550 --> 00:16:28,240

of whenever i make a report

433

00:16:32,710 --> 00:16:30,560

that i i just tell it the way they say

434

00:16:34,310 --> 00:16:32,720

it whatever it is that they say they see

435

00:16:35,269 --> 00:16:34,320

it's really important to tell all those

436

00:16:39,030 --> 00:16:35,279

details

437

00:16:40,310 --> 00:16:39,040

because um you know going a big foot

438

00:16:42,550 --> 00:16:40,320

going into the hole in the

439

00:16:44,230 --> 00:16:42,560

ground in the ground that doesn't exist

440

00:16:47,829 --> 00:16:44,240

that you can find

441

00:16:50,550 --> 00:16:47,839

anyway um could be important and it did

442

00:16:53,749 --> 00:16:50,560

it came back up later with the um

443

00:16:56,550 --> 00:16:53,759

another sighting that you know about and

444

00:16:57,189 --> 00:16:56,560

i'm sure you're going to ask me about

445

00:17:03,670 --> 00:16:57,199

yeah

446

00:17:07,189 --> 00:17:03,680

phone call from

447

00:17:09,189 --> 00:17:07,199

the witness and uh she claimed that she

448

00:17:12,710 --> 00:17:09,199

had a physical contact

449

00:17:16,870 --> 00:17:12,720

or physical attack by what a deserty

450

00:17:18,069 --> 00:17:16,880

and uh it's good that i was looking for

451

00:17:20,230 --> 00:17:18,079

somebody to

452

00:17:21,590 --> 00:17:20,240

but i think what i had done was post it

453

00:17:23,669 --> 00:17:21,600

on facebook

454

00:17:24,710 --> 00:17:23,679

and bruce got a hold of me or you got a

455

00:17:27,990 --> 00:17:24,720

hold of me i

456

00:17:30,310 --> 00:17:28,000

i did yeah yeah yep

457

00:17:33,510 --> 00:17:30,320

so uh why don't you tell us about that i

458

00:17:36,950 --> 00:17:33,520

mean it fits right in with what you

459

00:17:40,310 --> 00:17:36,960

had been investigating for years yeah

460

00:17:41,909 --> 00:17:40,320

and the the bigfoot in the

461

00:17:43,909 --> 00:17:41,919

in the desert area they'll have very

462

00:17:46,789 --> 00:17:43,919

similar features and when when you

463

00:17:48,870 --> 00:17:46,799

put me on this one it was actually i had

464

00:17:51,990 --> 00:17:48,880

all this research behind me

465

00:17:55,190 --> 00:17:52,000

so i kind of knew what to to ask her and

466

00:18:01,830 --> 00:17:57,669

she said this is juliana perez is her

467

00:18:04,470 --> 00:18:01,840

name and uh she was out

468

00:18:06,789 --> 00:18:04,480

uh well let me back up you you you

469

00:18:09,110 --> 00:18:06,799

posted it and i said ah i'm on it

470

00:18:10,070 --> 00:18:09,120

i'm on that's my research area i i can

471

00:18:12,630 --> 00:18:10,080

totally handle this

472

00:18:14,390 --> 00:18:12,640

and and i called bruce dr bruce cornett

473

00:18:16,470 --> 00:18:14,400

right away because he's still in el paso

474

00:18:19,190 --> 00:18:16,480

and i am now in nova scotia

475

00:18:20,710 --> 00:18:19,200

so i was a little far removed but um we

476

00:18:24,470 --> 00:18:20,720

stayed on top of it

477

00:18:26,630 --> 00:18:24,480

and uh him to call her and talk to her

478

00:18:28,950 --> 00:18:26,640

and then also go out to the site where

479

00:18:31,990 --> 00:18:28,960

she had this bigfoot attack

480

00:18:33,669 --> 00:18:32,000

and um and you don't hear about bigfoot

481

00:18:36,310 --> 00:18:33,679

attacks too often

482

00:18:37,270 --> 00:18:36,320

and when you do it's it's disconcerting

483

00:18:40,630 --> 00:18:37,280

because a lot of them

484

00:18:43,750 --> 00:18:40,640

are you know so benign

485

00:18:46,870 --> 00:18:43,760

uh but

486

00:18:48,150 --> 00:18:46,880

this time it wasn't and uh she had

487

00:18:50,789 --> 00:18:48,160

pictures

488

00:18:52,230 --> 00:18:50,799

and of her legs where she had scrambled

489

00:18:54,950 --> 00:18:52,240

through the brush

490

00:18:56,310 --> 00:18:54,960

and trying to get away from this thing

491

00:18:58,789 --> 00:18:56,320

but what happened

492

00:18:59,750 --> 00:18:58,799

is uh that we found out and i didn't get

493

00:19:03,110 --> 00:18:59,760

to go until

494

00:19:05,750 --> 00:19:03,120

um gosh just over a year ago um

495

00:19:06,870 --> 00:19:05,760

so this was summer of 2019 when bruce

496

00:19:09,990 --> 00:19:06,880

went out with her

497

00:19:13,190 --> 00:19:10,000

and got to see the site and um

498

00:19:17,110 --> 00:19:13,200

i went out in

499

00:19:17,590 --> 00:19:17,120

in early 2020 so about six months later

500

00:19:21,830 --> 00:19:17,600

or so

501
00:19:24,150 --> 00:19:21,840
seven months and um she showed me

502
00:19:26,310 --> 00:19:24,160
how she and her husband and their

503
00:19:29,669 --> 00:19:26,320
six-year-old little boy

504
00:19:32,870 --> 00:19:29,679
had been east of horizon

505
00:19:34,070 --> 00:19:32,880
city out in kind of out in the out near

506
00:19:36,150 --> 00:19:34,080
the mountain

507
00:19:37,350 --> 00:19:36,160
and there's this place where there's a

508
00:19:40,630 --> 00:19:37,360
big tree and

509
00:19:42,150 --> 00:19:40,640
some runoff by the road where water

510
00:19:44,870 --> 00:19:42,160
collects and runs off and

511
00:19:46,470 --> 00:19:44,880
and so you can you can see in some of

512
00:19:49,590 --> 00:19:46,480
the pictures there's a lot of

513
00:19:51,590 --> 00:19:49,600

tall mesquite bushes and some trees here

514

00:19:55,029 --> 00:19:51,600

and there

515

00:19:58,150 --> 00:19:55,039

and uh basically

516

00:20:00,470 --> 00:19:58,160

she went out they went out to stargaze

517

00:20:01,510 --> 00:20:00,480

and all three of them she and her

518

00:20:03,590 --> 00:20:01,520

husband and her son

519

00:20:05,190 --> 00:20:03,600

and they were they parked the car by on

520

00:20:07,350 --> 00:20:05,200

the road right next to

521

00:20:08,630 --> 00:20:07,360

um kind of where the tree was the

522

00:20:11,430 --> 00:20:08,640

largest tree

523

00:20:12,870 --> 00:20:11,440

and she says i got to go to the bathroom

524

00:20:14,950 --> 00:20:12,880

so she went out

525

00:20:16,310 --> 00:20:14,960

around the tree by herself except she

526

00:20:20,070 --> 00:20:16,320

had the dog with her

527

00:20:22,310 --> 00:20:20,080

and she did what she needed to do and

528

00:20:24,470 --> 00:20:22,320

when she was done the dog started

529

00:20:26,230 --> 00:20:24,480

taking off down to the south along

530

00:20:28,310 --> 00:20:26,240

parallel to the road but on the other

531

00:20:30,549 --> 00:20:28,320

side of the brush

532

00:20:32,870 --> 00:20:30,559

so there was a lot of brush between the

533

00:20:34,549 --> 00:20:32,880

road and where she was

534

00:20:37,430 --> 00:20:34,559

um so you kind of had to walk around it

535

00:20:40,390 --> 00:20:37,440

to get through but

536

00:20:41,430 --> 00:20:40,400

uh she she was going after the dog she

537

00:20:45,750 --> 00:20:41,440

was calling him and

538

00:20:49,110 --> 00:20:45,760

and she caught up with him and she's

539

00:20:50,549 --> 00:20:49,120

she said that she was

540

00:20:52,470 --> 00:20:50,559

she finally caught up with the dog but

541

00:20:55,909 --> 00:20:52,480

it was like looking down

542

00:20:58,470 --> 00:20:55,919

towards the ground and

543

00:20:59,669 --> 00:20:58,480

she she heard it whimper like the dog

544

00:21:04,630 --> 00:20:59,679

was

545

00:21:06,789 --> 00:21:04,640

and it started to take off

546

00:21:09,350 --> 00:21:06,799

and she looked and she saw a hole in the

547

00:21:12,149 --> 00:21:09,360

ground several feet wide

548

00:21:13,190 --> 00:21:12,159

and coming up out of it she just saw

549

00:21:16,390 --> 00:21:13,200

like

550

00:21:19,110 --> 00:21:16,400

the head of the

551
00:21:19,990 --> 00:21:19,120
of this creature with all hair and its

552
00:21:23,029 --> 00:21:20,000
hands

553
00:21:23,669 --> 00:21:23,039
kind of beside its ears but palms facing

554
00:21:28,470 --> 00:21:23,679
up

555
00:21:28,950 --> 00:21:28,480
dirt but she didn't see any dirt in its

556
00:21:32,470 --> 00:21:28,960
hands

557
00:21:33,430 --> 00:21:32,480
just just this position and it started

558
00:21:36,630 --> 00:21:33,440
rising up

559
00:21:37,830 --> 00:21:36,640
and um i guess i guess

560
00:21:40,310 --> 00:21:37,840
somewhere in there she also heard

561
00:21:41,750 --> 00:21:40,320
breathing and

562
00:21:43,510 --> 00:21:41,760
she said that she didn't want to wait it

563
00:21:46,149 --> 00:21:43,520

was a very long slow

564

00:21:47,909 --> 00:21:46,159

breathing noise and she didn't want to

565

00:21:49,190 --> 00:21:47,919

wait for like a third breath she knew

566

00:21:51,669 --> 00:21:49,200

she'd be dead

567

00:21:52,789 --> 00:21:51,679

so she was she started getting oh man i

568

00:21:54,950 --> 00:21:52,799

got to get out of here

569

00:21:55,830 --> 00:21:54,960

she saw that and heard that and it

570

00:21:58,230 --> 00:21:55,840

started coming

571

00:22:00,070 --> 00:21:58,240

up out of the hole towards her and she

572

00:22:01,830 --> 00:22:00,080

says ah that's it i got to get out of

573

00:22:03,029 --> 00:22:01,840

here she turned around to run and it

574

00:22:05,669 --> 00:22:03,039

come up behind her

575

00:22:06,870 --> 00:22:05,679

and as she run it it reached out to

576
00:22:09,590 --> 00:22:06,880
touch her

577
00:22:10,549 --> 00:22:09,600
um and it just barely touched her lower

578
00:22:14,230 --> 00:22:10,559
back

579
00:22:17,510 --> 00:22:14,240
little bit

580
00:22:21,430 --> 00:22:17,520
and um or forward i should say

581
00:22:22,710 --> 00:22:21,440
and uh she was taken off running as this

582
00:22:25,110 --> 00:22:22,720
was happening

583
00:22:26,470 --> 00:22:25,120
and it left marks on her and she didn't

584
00:22:28,549 --> 00:22:26,480
know that right away

585
00:22:30,710 --> 00:22:28,559
she didn't even feel it except the light

586
00:22:31,909 --> 00:22:30,720
touch but what happened later was

587
00:22:34,310 --> 00:22:31,919
important and i'll tell you that in a

588
00:22:36,310 --> 00:22:34,320

minute but she took off running

589

00:22:37,750 --> 00:22:36,320

to the north to go back towards the tree

590

00:22:41,029 --> 00:22:37,760

where she came from

591

00:22:42,070 --> 00:22:41,039

and uh it was behind her and she wasn't

592

00:22:44,149 --> 00:22:42,080

sure where to go

593

00:22:46,549 --> 00:22:44,159

and the next thing she knew it was it

594

00:22:48,310 --> 00:22:46,559

she thinks it ran around her

595

00:22:50,149 --> 00:22:48,320

uh because then it was standing in front

596

00:22:53,190 --> 00:22:50,159

of her in the only

597

00:22:56,789 --> 00:22:53,200

opening between two trees and uh

598

00:22:57,830 --> 00:22:56,799

or mesquite and um she wasn't sure how

599

00:23:00,870 --> 00:22:57,840

she was gonna get past

600

00:23:01,830 --> 00:23:00,880

it so she turned back again and we we

601
00:23:03,990 --> 00:23:01,840
theorized later

602
00:23:05,350 --> 00:23:04,000
maybe there was a second one because it

603
00:23:07,909 --> 00:23:05,360
was suddenly in front of her

604
00:23:08,630 --> 00:23:07,919
and it had to move like lightning to get

605
00:23:10,390 --> 00:23:08,640
past her

606
00:23:12,789 --> 00:23:10,400
and get around her so we weren't sure if

607
00:23:15,270 --> 00:23:12,799
it was the same one or a different one

608
00:23:16,789 --> 00:23:15,280
but so you know you leave all

609
00:23:19,909 --> 00:23:16,799
possibilities open

610
00:23:20,310 --> 00:23:19,919
but um and there's other hypotheses

611
00:23:21,830 --> 00:23:20,320
about

612
00:23:23,350 --> 00:23:21,840
you know how it could get from one place

613
00:23:26,630 --> 00:23:23,360

the other faster than her

614

00:23:28,230 --> 00:23:26,640

running or not um but it gets into the

615

00:23:29,110 --> 00:23:28,240

paranormal and right now we just wanted

616

00:23:32,149 --> 00:23:29,120

to treat it as

617

00:23:35,590 --> 00:23:32,159

you know your standard flesh and blood

618

00:23:37,510 --> 00:23:35,600

creature and um

619

00:23:38,789 --> 00:23:37,520

it was so in front of her she turned

620

00:23:40,310 --> 00:23:38,799

around and started going back

621

00:23:42,310 --> 00:23:40,320

again towards the hole where she had

622

00:23:44,149 --> 00:23:42,320

come from and uh

623

00:23:45,909 --> 00:23:44,159

she didn't know where to go she was

624

00:23:46,950 --> 00:23:45,919

trying to find an escape she went around

625

00:23:48,630 --> 00:23:46,960

some brush and

626

00:23:51,269 --> 00:23:48,640

under a mesquite tree and she was

627

00:23:54,390 --> 00:23:51,279

crawling at this point it was behind her

628

00:23:56,149 --> 00:23:54,400

and chasing her and uh it was

629

00:23:58,070 --> 00:23:56,159

she said it was reaching out and trying

630

00:23:59,830 --> 00:23:58,080

to grab at her legs

631

00:24:01,510 --> 00:23:59,840

and she's pretty sure that it it

632

00:24:04,070 --> 00:24:01,520

scratched her legs

633

00:24:04,789 --> 00:24:04,080

um but there were also scratches from

634

00:24:07,909 --> 00:24:04,799

the mesquite

635

00:24:09,990 --> 00:24:07,919

so um she she kind of showed me in my

636

00:24:12,710 --> 00:24:10,000

next book i'll have pictures showing

637

00:24:13,029 --> 00:24:12,720

exactly which mark she was sure that was

638

00:24:16,230 --> 00:24:13,039

it

639

00:24:16,789 --> 00:24:16,240

versus the brush um right here in this

640

00:24:18,710 --> 00:24:16,799

photo

641

00:24:20,549 --> 00:24:18,720

that you're showing is you can't really

642

00:24:23,750 --> 00:24:20,559

tell for sure i would get

643

00:24:27,350 --> 00:24:23,760

that a lot of the the sideways kind of

644

00:24:29,029 --> 00:24:27,360

scratches probably come from mesquite um

645

00:24:31,029 --> 00:24:29,039

something trying to grab her from behind

646

00:24:32,789 --> 00:24:31,039

might might make that

647

00:24:34,630 --> 00:24:32,799

too but you're just not we're just not

648

00:24:37,909 --> 00:24:34,640

sure so

649

00:24:39,590 --> 00:24:37,919

anyway yuliana she's is trying to escape

650

00:24:41,669 --> 00:24:39,600

this she had shorts on

651
00:24:42,710 --> 00:24:41,679
so she's and it's dark and she's

652
00:24:44,630 --> 00:24:42,720
screaming and her

653
00:24:46,470 --> 00:24:44,640
her husband is freaking out because he

654
00:24:49,029 --> 00:24:46,480
hears his wife screaming

655
00:24:50,149 --> 00:24:49,039
uh babe babe where are you what's wrong

656
00:24:53,029 --> 00:24:50,159
what's the matter and

657
00:24:53,909 --> 00:24:53,039
and she says it's after me and and uh

658
00:24:55,990 --> 00:24:53,919
it's

659
00:24:56,950 --> 00:24:56,000
he's reaching through the brush from the

660
00:24:59,110 --> 00:24:56,960
road

661
00:25:00,789 --> 00:24:59,120
and trying to to reach out to her but

662
00:25:02,390 --> 00:25:00,799
and she's trying to reach out to him but

663
00:25:03,110 --> 00:25:02,400

they're like still two or three feet

664

00:25:05,110 --> 00:25:03,120

apart

665

00:25:06,149 --> 00:25:05,120

and they can't quite touch each other so

666

00:25:07,990 --> 00:25:06,159

she decides to go

667

00:25:09,590 --> 00:25:08,000

down through the other way and she heads

668

00:25:11,190 --> 00:25:09,600

south again and then they finally find

669

00:25:11,830 --> 00:25:11,200

an opening and he meets her at the

670

00:25:14,950 --> 00:25:11,840

opening

671

00:25:17,909 --> 00:25:14,960

following her screams and she's able to

672

00:25:18,710 --> 00:25:17,919

escape out this little opening back to

673

00:25:21,269 --> 00:25:18,720

the road

674

00:25:22,070 --> 00:25:21,279

and they jump in the car and you know

675

00:25:24,630 --> 00:25:22,080

the dog

676
00:25:26,470 --> 00:25:24,640
by this time had gone way down the road

677
00:25:27,190 --> 00:25:26,480
it took off when it when it whimpered

678
00:25:29,669 --> 00:25:27,200
and first

679
00:25:30,390 --> 00:25:29,679
left the dog went down the road it was

680
00:25:33,029 --> 00:25:30,400
going home

681
00:25:33,830 --> 00:25:33,039
it wasn't even it wasn't even going to

682
00:25:35,990 --> 00:25:33,840
wait

683
00:25:37,750 --> 00:25:36,000
or go to the car or anything it just

684
00:25:38,630 --> 00:25:37,760
started taking off towards home miles

685
00:25:41,750 --> 00:25:38,640
away

686
00:25:41,990 --> 00:25:41,760
and they they got the dog and and the

687
00:25:44,390 --> 00:25:42,000
little

688
00:25:45,590 --> 00:25:44,400

boy was really scared because his mother

689

00:25:47,590 --> 00:25:45,600

was screaming

690

00:25:49,510 --> 00:25:47,600

and they got in the car and they took

691

00:25:51,510 --> 00:25:49,520

off and and it was later

692

00:25:52,789 --> 00:25:51,520

when she got home that she realized that

693

00:25:56,230 --> 00:25:52,799

her back

694

00:25:57,830 --> 00:25:56,240

was burning where it touched and they

695

00:25:59,990 --> 00:25:57,840

took those pictures and you could see it

696

00:26:03,110 --> 00:26:00,000

looks different than a bruise it's

697

00:26:04,950 --> 00:26:03,120

it's reddish and she says it burned it

698

00:26:06,789 --> 00:26:04,960

it burned so bad that it felt like it

699

00:26:09,669 --> 00:26:06,799

went through to the bone

700

00:26:10,870 --> 00:26:09,679

just deep deep and it burned for three

701
00:26:13,350 --> 00:26:10,880
days

702
00:26:13,990 --> 00:26:13,360
and until it faded you know the the

703
00:26:17,190 --> 00:26:14,000
aching

704
00:26:19,909 --> 00:26:17,200
from it took three days to fade and

705
00:26:21,669 --> 00:26:19,919
uh and go away and she said it she stunk

706
00:26:25,190 --> 00:26:21,679
she smelled like sulfur

707
00:26:27,830 --> 00:26:25,200
even her hair smelled like sulfur

708
00:26:30,390 --> 00:26:27,840
and uh she didn't know yeah and she had

709
00:26:32,070 --> 00:26:30,400
ptsd like she was afraid to go outside

710
00:26:32,950 --> 00:26:32,080
she didn't ever want to go stargazing

711
00:26:35,510 --> 00:26:32,960
again

712
00:26:36,630 --> 00:26:35,520
she was afraid that of that monsters

713
00:26:38,549 --> 00:26:36,640

were out there and

714

00:26:40,950 --> 00:26:38,559

and she did she felt it was really

715

00:26:41,669 --> 00:26:40,960

important to tell her story that's why

716

00:26:43,750 --> 00:26:41,679

she came

717

00:26:45,830 --> 00:26:43,760

and started calling people she wanted

718

00:26:47,350 --> 00:26:45,840

her story to be known because there's

719

00:26:48,630 --> 00:26:47,360

things out there that could get people

720

00:26:50,549 --> 00:26:48,640

you know get you

721

00:26:52,870 --> 00:26:50,559

and she was really in fear for her life

722

00:26:53,830 --> 00:26:52,880

it really did affect her in a negative

723

00:26:55,909 --> 00:26:53,840

way

724

00:26:57,430 --> 00:26:55,919

and uh i talked to her about that for a

725

00:26:59,669 --> 00:26:57,440

while and um

726

00:27:00,870 --> 00:26:59,679

and uh when i when i met with her and

727

00:27:03,430 --> 00:27:00,880

her and her

728

00:27:05,990 --> 00:27:03,440

husband and her son and we went out in

729

00:27:07,750 --> 00:27:06,000

daylight and it was you know

730

00:27:09,269 --> 00:27:07,760

quite a while later and she was with us

731

00:27:10,390 --> 00:27:09,279

so she was able to go out there in the

732

00:27:13,909 --> 00:27:10,400

daytime

733

00:27:15,430 --> 00:27:13,919

um but and we looked and we never found

734

00:27:15,909 --> 00:27:15,440

a hole in the ground and here we are

735

00:27:18,950 --> 00:27:15,919

again

736

00:27:20,549 --> 00:27:18,960

out near horizon city in a location just

737

00:27:22,549 --> 00:27:20,559

miles up the road

738

00:27:24,789 --> 00:27:22,559

um outside of horizon city that the

739

00:27:26,950 --> 00:27:24,799

first sighting that i investigated was

740

00:27:28,549 --> 00:27:26,960

very close to horizon city it was just

741

00:27:30,310 --> 00:27:28,559

outside the city limits

742

00:27:32,310 --> 00:27:30,320

and then uh this one was a little

743

00:27:35,269 --> 00:27:32,320

further out towards the mountain

744

00:27:37,430 --> 00:27:35,279

but on the same almost on the same road

745

00:27:40,870 --> 00:27:37,440

just just off that same road

746

00:27:42,549 --> 00:27:40,880

and um one

747

00:27:43,909 --> 00:27:42,559

bigfoot was going down into a hole in

748

00:27:45,350 --> 00:27:43,919

the ground that didn't exist and the

749

00:27:46,710 --> 00:27:45,360

other one was coming out of a hole in

750

00:27:47,990 --> 00:27:46,720

the ground that didn't exist we could

751
00:27:50,149 --> 00:27:48,000
not find the hole

752
00:27:51,990 --> 00:27:50,159
now it's possible that in six months or

753
00:27:54,389 --> 00:27:52,000
seven months or whatever it was

754
00:27:56,789 --> 00:27:54,399
that that it could have washed you know

755
00:27:59,590 --> 00:27:56,799
there you could see clear

756
00:28:00,950 --> 00:27:59,600
where uh clearly where the water had run

757
00:28:05,669 --> 00:28:00,960
off the road

758
00:28:08,470 --> 00:28:05,679
and and um it fills that whole area

759
00:28:10,630 --> 00:28:08,480
and the grass is all pushed over all in

760
00:28:13,590 --> 00:28:10,640
the same direction from the water

761
00:28:15,430 --> 00:28:13,600
so it it floods through there and then

762
00:28:16,230 --> 00:28:15,440
it runs off down into an arroyo further

763
00:28:19,669 --> 00:28:16,240

down

764

00:28:21,430 --> 00:28:19,679

and uh it uh it it's just

765

00:28:23,350 --> 00:28:21,440

you know it's possible that if there was

766

00:28:26,230 --> 00:28:23,360

a hole that it was

767

00:28:27,909 --> 00:28:26,240

filled in we couldn't find really a

768

00:28:30,950 --> 00:28:27,919

strong depression though

769

00:28:33,990 --> 00:28:30,960

uh it's possible that it was re-buried

770

00:28:35,350 --> 00:28:34,000

if there was a hole um and it's possible

771

00:28:37,350 --> 00:28:35,360

that it was not a very

772

00:28:39,110 --> 00:28:37,360

deep hole and it was laying flat rather

773

00:28:40,070 --> 00:28:39,120

than coming up out in a standing

774

00:28:42,389 --> 00:28:40,080

position

775

00:28:43,350 --> 00:28:42,399

so that's a possibility too so we looked

776
00:28:47,029 --> 00:28:43,360
at all those

777
00:28:49,110 --> 00:28:47,039
things but um it was just

778
00:28:50,310 --> 00:28:49,120
fascinating that she had physical

779
00:28:53,590 --> 00:28:50,320
evidence a

780
00:28:54,630 --> 00:28:53,600
picture of injuries and then i spoke

781
00:28:56,630 --> 00:28:54,640
with her husband

782
00:28:58,389 --> 00:28:56,640
and he verified the whole story he said

783
00:29:00,310 --> 00:28:58,399
yeah i was i was trying to get to her i

784
00:29:02,470 --> 00:29:00,320
was really scared i didn't understand

785
00:29:03,350 --> 00:29:02,480
what was and then he said at one point

786
00:29:06,149 --> 00:29:03,360
when he looked over

787
00:29:06,630 --> 00:29:06,159
about the time when she was was was

788
00:29:08,950 --> 00:29:06,640

running

789

00:29:09,750 --> 00:29:08,960

up to to escape to the north towards the

790

00:29:11,750 --> 00:29:09,760

big tree

791

00:29:13,269 --> 00:29:11,760

she said that that he said that tall one

792

00:29:17,190 --> 00:29:13,279

that was blocking

793

00:29:18,310 --> 00:29:17,200

the her way that he saw that a black

794

00:29:21,430 --> 00:29:18,320

shadow

795

00:29:21,750 --> 00:29:21,440

a tall figure um and just saw it move

796

00:29:25,269 --> 00:29:21,760

and

797

00:29:26,870 --> 00:29:25,279

went

798

00:29:28,310 --> 00:29:26,880

kind of towards her and she turned

799

00:29:31,029 --> 00:29:28,320

around by that time

800

00:29:32,549 --> 00:29:31,039

and uh so he saw that just barely but he

801
00:29:36,230 --> 00:29:32,559
saw it in the moonlight

802
00:29:38,549 --> 00:29:36,240
and um and

803
00:29:41,190 --> 00:29:38,559
the little boy though i have to say

804
00:29:44,070 --> 00:29:41,200
talking to him

805
00:29:44,789 --> 00:29:44,080
was really convincing this really did

806
00:29:48,789 --> 00:29:44,799
happen

807
00:29:52,710 --> 00:29:48,799
i mean this is a child you know

808
00:29:54,149 --> 00:29:52,720
of six and he was scared and i talked to

809
00:29:56,630 --> 00:29:54,159
him a minute and i said do you

810
00:29:58,149 --> 00:29:56,640
can you tell me he heard us all talking

811
00:29:59,430 --> 00:29:58,159
about you know what it had transpired

812
00:30:00,710 --> 00:29:59,440
there and i said can you tell me what

813
00:30:03,029 --> 00:30:00,720

you remember

814

00:30:04,549 --> 00:30:03,039

and he got really quiet and he put his

815

00:30:06,789 --> 00:30:04,559

head down

816

00:30:08,070 --> 00:30:06,799

and i said it's okay if you don't want

817

00:30:10,470 --> 00:30:08,080

to tell me that's okay

818

00:30:12,310 --> 00:30:10,480

he says i do want to tell you but i was

819

00:30:14,549 --> 00:30:12,320

just really scared for my mom

820

00:30:17,269 --> 00:30:14,559

and he started just about crying and

821

00:30:21,190 --> 00:30:17,279

then i was gonna bawl so i just

822

00:30:24,549 --> 00:30:21,200

i just have to poor thing

823

00:30:27,430 --> 00:30:24,559

you know he's just so cute and um

824

00:30:28,230 --> 00:30:27,440

it's just it was just so genuine and so

825

00:30:30,789 --> 00:30:28,240

authentic

826
00:30:32,070 --> 00:30:30,799
when you hear a child that was affected

827
00:30:33,269 --> 00:30:32,080
because he thought he was going to lose

828
00:30:35,590 --> 00:30:33,279
his mom that night

829
00:30:36,710 --> 00:30:35,600
you know he's really scared for her and

830
00:30:40,310 --> 00:30:36,720
his dad's screaming

831
00:30:43,110 --> 00:30:40,320
to try to get her so you know

832
00:30:44,070 --> 00:30:43,120
this happened whatever it was we don't

833
00:30:46,149 --> 00:30:44,080
have fully

834
00:30:47,510 --> 00:30:46,159
you know full all the answers but we

835
00:30:50,149 --> 00:30:47,520
have an account

836
00:30:52,470 --> 00:30:50,159
of something she saw scrape marks and

837
00:30:55,029 --> 00:30:52,480
burn marks that occurred to her

838
00:30:55,590 --> 00:30:55,039

and and you know how do you explain this

839

00:30:58,710 --> 00:30:55,600

what is

840

00:30:59,990 --> 00:30:58,720

yeah the burn marks that's that's

841

00:31:03,430 --> 00:31:00,000

interesting

842

00:31:05,830 --> 00:31:03,440

you know when i when she called me

843

00:31:07,350 --> 00:31:05,840

i mean she was freaking i mean you know

844

00:31:08,630 --> 00:31:07,360

i mean i was just lucky enough to get

845

00:31:10,789 --> 00:31:08,640

the call

846

00:31:12,710 --> 00:31:10,799

and i mean she was really freaking out

847

00:31:14,310 --> 00:31:12,720

because quite frankly she had no idea

848

00:31:16,310 --> 00:31:14,320

what was going on

849

00:31:17,669 --> 00:31:16,320

and uh you know she was telling well i

850

00:31:19,909 --> 00:31:17,679

got these marks i'm going to send it to

851

00:31:22,630 --> 00:31:19,919

you right away and all this and that

852

00:31:24,630 --> 00:31:22,640

i thought okay well you know look i i

853

00:31:25,509 --> 00:31:24,640

had been to el paso before i know the

854

00:31:28,549 --> 00:31:25,519

area

855

00:31:30,710 --> 00:31:28,559

uh i had a friend use it was out

856

00:31:32,950 --> 00:31:30,720

at fort hood and you know i know you

857

00:31:33,990 --> 00:31:32,960

should across into mexico there whereas

858

00:31:35,830 --> 00:31:34,000

and all but

859

00:31:37,110 --> 00:31:35,840

i had never i you know i have heard

860

00:31:38,870 --> 00:31:37,120

stories

861

00:31:40,230 --> 00:31:38,880

but boy i was lucky to get a hold of you

862

00:31:43,110 --> 00:31:40,240

and folks it's in the book

863

00:31:45,269 --> 00:31:43,120

the book is fantastic it's it's a huge

864

00:31:47,269 --> 00:31:45,279

book it's got everything in there

865

00:31:49,750 --> 00:31:47,279

uh you know i don't think i've ever had

866

00:31:52,710 --> 00:31:49,760

a more comprehensive big book book

867

00:31:55,029 --> 00:31:52,720

it's over 500 pages it's a lot in there

868

00:31:56,950 --> 00:31:55,039

but anyway

869

00:31:58,870 --> 00:31:56,960

this uh you said took four years to

870

00:32:02,230 --> 00:31:58,880

write this book

871

00:32:04,549 --> 00:32:02,240

mm-hmm yeah that's a lot of work

872

00:32:05,990 --> 00:32:04,559

but yeah and it's on my research before

873

00:32:08,789 --> 00:32:06,000

that as well as

874

00:32:10,389 --> 00:32:08,799

a lot of newer stuff though well that's

875

00:32:11,669 --> 00:32:10,399

a lot of good stuff in there i mean it

876

00:32:16,149 --> 00:32:11,679

really is

877

00:32:19,029 --> 00:32:16,159

um is this the most aggressive

878

00:32:21,830 --> 00:32:19,039

bigfoot encounter that you have heard of

879

00:32:25,909 --> 00:32:24,789

probably not that i've heard of um but

880

00:32:31,909 --> 00:32:25,919

investigated

881

00:32:32,950 --> 00:32:31,919

um and to have physical evidence like

882

00:32:37,190 --> 00:32:32,960

that

883

00:32:41,269 --> 00:32:37,200

was intriguing compelling

884

00:32:43,110 --> 00:32:41,279

yeah for sure and um

885

00:32:45,350 --> 00:32:43,120

i i like i said we don't have any

886

00:32:49,190 --> 00:32:45,360

answers we just have you know

887

00:32:55,830 --> 00:32:52,549

you know jc johnson uh

888

00:32:56,630 --> 00:32:55,840

used to tell me how aggressive these

889

00:33:00,710 --> 00:32:56,640

bigfoot

890

00:33:03,990 --> 00:33:00,720

in the in the desert are um you know

891

00:33:06,789 --> 00:33:04,000

i i took a lot of that just you know

892

00:33:08,710 --> 00:33:06,799

by his experiences i've talked to others

893

00:33:11,029 --> 00:33:08,720

as well you know david weatherly used to

894

00:33:12,710 --> 00:33:11,039

go out with him a few other researchers

895

00:33:14,630 --> 00:33:12,720

but they said the same thing they seem

896

00:33:16,549 --> 00:33:14,640

to be much more aggressive

897

00:33:18,070 --> 00:33:16,559

than those beings that you encounter in

898

00:33:20,310 --> 00:33:18,080

the woods and such

899

00:33:21,430 --> 00:33:20,320

i don't know it's just because the rough

900

00:33:23,750 --> 00:33:21,440

terrain and

901
00:33:25,509 --> 00:33:23,760
you know it's uh it's a harder living

902
00:33:27,909 --> 00:33:25,519
for them i don't know

903
00:33:30,310 --> 00:33:27,919
but they he did tell me that he felt

904
00:33:33,509 --> 00:33:30,320
they were much more aggressive

905
00:33:36,230 --> 00:33:33,519
uh it's funny you had mentioned dr dr

906
00:33:37,669 --> 00:33:36,240
chris dyer in there as well

907
00:33:39,669 --> 00:33:37,679
he was involved with a lot of the

908
00:33:41,990 --> 00:33:39,679
investigations with jc

909
00:33:44,230 --> 00:33:42,000
especially the last couple years in and

910
00:33:47,190 --> 00:33:44,240
around the uh the novelhood reservation

911
00:33:47,909 --> 00:33:47,200
so you know i i will tell folks i mean

912
00:33:50,149 --> 00:33:47,919
you you

913
00:33:52,149 --> 00:33:50,159

described him in there as a good guy and

914

00:33:54,549 --> 00:33:52,159

he is really he's a good investigator

915

00:33:55,350 --> 00:33:54,559

and he's very he's also a professor at

916

00:34:00,070 --> 00:33:55,360

uh

917

00:34:03,269 --> 00:34:02,630

yeah is it was it yeah he's in gallup

918

00:34:10,629 --> 00:34:03,279

yeah

919

00:34:13,030 --> 00:34:10,639

so uh and you know he's uh he's another

920

00:34:16,389 --> 00:34:13,040

one of these few scientists that

921

00:34:25,829 --> 00:34:16,399

believe the phenomena and uh you know

922

00:34:32,470 --> 00:34:29,349

it's interesting that you had

923

00:34:33,109 --> 00:34:32,480

been involved with these this area and

924

00:34:36,389 --> 00:34:33,119

then

925

00:34:38,149 --> 00:34:36,399

something like this came up but uh it

926
00:34:39,349 --> 00:34:38,159
kind of reinforces what you had

927
00:34:42,389 --> 00:34:39,359
been writing about from the very

928
00:34:49,909 --> 00:34:46,829
yeah it's um it's interesting

929
00:34:51,750 --> 00:34:49,919
because i i have noticed a pattern

930
00:34:53,270 --> 00:34:51,760
in in how they move through the desert

931
00:34:55,270 --> 00:34:53,280
you said you know it's because of the

932
00:34:56,470 --> 00:34:55,280
harsh environment um i had come to the

933
00:34:59,030 --> 00:34:56,480
same conclusion

934
00:34:59,910 --> 00:34:59,040
quite a while back um they tend to

935
00:35:03,349 --> 00:34:59,920
follow

936
00:35:06,630 --> 00:35:03,359
mountain ranges and ways

937
00:35:09,030 --> 00:35:06,640
you know and water water's kind of

938
00:35:12,790 --> 00:35:09,040

scarce in the desert you know you can

939

00:35:18,310 --> 00:35:16,870

you know open up a open up a cactus or

940

00:35:19,510 --> 00:35:18,320

something but otherwise there's not a

941

00:35:21,670 --> 00:35:19,520

lot of water out there

942

00:35:24,630 --> 00:35:21,680

and you know you can dig in the right

943

00:35:26,630 --> 00:35:24,640

places in the origins and

944

00:35:28,390 --> 00:35:26,640

you can you can find wacos in the

945

00:35:31,349 --> 00:35:28,400

mountains and

946

00:35:32,470 --> 00:35:31,359

different different things but it's um

947

00:35:34,870 --> 00:35:32,480

it's difficult

948

00:35:35,670 --> 00:35:34,880

so it's there's with scarce water

949

00:35:37,750 --> 00:35:35,680

resources

950

00:35:39,910 --> 00:35:37,760

and a large body that would probably

951
00:35:42,950 --> 00:35:39,920
require a lot more water

952
00:35:44,069 --> 00:35:42,960
um they there was a in horizon city uh

953
00:35:46,870 --> 00:35:44,079
there's a small lake

954
00:35:47,990 --> 00:35:46,880
out there that was man-made and there is

955
00:35:49,750 --> 00:35:48,000
a story you know

956
00:35:51,349 --> 00:35:49,760
everybody out there says hey have you

957
00:35:53,190 --> 00:35:51,359
heard about the bigfoot that they saw

958
00:35:54,790 --> 00:35:53,200
drinking out of the lake it kneeled down

959
00:35:56,710 --> 00:35:54,800
and was scooping water

960
00:35:57,990 --> 00:35:56,720
and i'm like yeah i've heard that one

961
00:36:00,710 --> 00:35:58,000
lots of times

962
00:36:01,589 --> 00:36:00,720
and uh you know it's everybody knows

963
00:36:04,390 --> 00:36:01,599

that story

964

00:36:05,190 --> 00:36:04,400

and it's it's not surprising to me at

965

00:36:07,109 --> 00:36:05,200

all because

966

00:36:10,710 --> 00:36:07,119

they're they got a drink too i suppose

967

00:36:13,829 --> 00:36:10,720

if they're if they're flesh and blood

968

00:36:15,589 --> 00:36:13,839

and that's another big question there

969

00:36:16,230 --> 00:36:15,599

there's another report i sent you back

970

00:36:19,990 --> 00:36:16,240

into

971

00:36:22,870 --> 00:36:20,000

back in july of 2020

972

00:36:23,910 --> 00:36:22,880

of uh and this is kind of a strange

973

00:36:26,870 --> 00:36:23,920

story

974

00:36:28,710 --> 00:36:26,880

but this uh these small hairy hominids

975

00:36:30,790 --> 00:36:28,720

that were observed

976

00:36:32,390 --> 00:36:30,800

by these fossil hunters out in west

977

00:36:33,750 --> 00:36:32,400

texas can you tell us a little bit about

978

00:36:36,630 --> 00:36:33,760

that

979

00:36:37,430 --> 00:36:36,640

oh my gosh it's been a while since i did

980

00:36:39,750 --> 00:36:37,440

that one

981

00:36:40,950 --> 00:36:39,760

um yeah it hit i think it was him and

982

00:36:44,790 --> 00:36:40,960

his daughter went out

983

00:36:46,710 --> 00:36:44,800

um it was in west texas and uh

984

00:36:49,109 --> 00:36:46,720

uh if i remember right i'm trying to

985

00:36:51,030 --> 00:36:49,119

remember the exact spot though

986

00:36:52,790 --> 00:36:51,040

it was uh near fort stockton in the

987

00:36:54,950 --> 00:36:52,800

davis mountains yes that's right and

988

00:36:57,109 --> 00:36:54,960

they were hiking out by the mountains

989

00:36:58,310 --> 00:36:57,119

and he showed me aerial photographs of

990

00:37:01,430 --> 00:36:58,320

where they were

991

00:37:02,390 --> 00:37:01,440

and um gosh i should pull that up

992

00:37:03,910 --> 00:37:02,400

sometime and

993

00:37:05,670 --> 00:37:03,920

look at it again because it's amazing

994

00:37:05,990 --> 00:37:05,680

how much you forget with so much on your

995

00:37:10,150 --> 00:37:06,000

mind

996

00:37:14,310 --> 00:37:13,030

yeah and and my memory is not the

997

00:37:17,270 --> 00:37:14,320

greatest but yes they

998

00:37:18,950 --> 00:37:17,280

they saw these tiny short little hairy

999

00:37:21,910 --> 00:37:18,960

hominids

1000

00:37:24,710 --> 00:37:21,920

crazy sounding things just almost like

1001
00:37:26,230 --> 00:37:24,720
you almost think they belong to the fae

1002
00:37:29,030 --> 00:37:26,240
you know or the fairy realm but they

1003
00:37:32,710 --> 00:37:29,040
look like little tiny hairy

1004
00:37:36,630 --> 00:37:32,720
dudes i mean um almost like bigfoot

1005
00:37:38,630 --> 00:37:36,640
kind of but not so it

1006
00:37:40,390 --> 00:37:38,640
i don't even know what category to put

1007
00:37:43,670 --> 00:37:40,400
them in but they were really short

1008
00:37:45,430 --> 00:37:43,680
really small little guys uh yeah it was

1009
00:37:47,349 --> 00:37:45,440
funny because when i talked to them they

1010
00:37:48,790 --> 00:37:47,359
told me the um

1011
00:37:50,390 --> 00:37:48,800
they you know they're out there fossil

1012
00:37:51,829 --> 00:37:50,400
hunting and apparently they've gone out

1013
00:37:54,069 --> 00:37:51,839

there alive

1014

00:37:55,910 --> 00:37:54,079

but as they were you know they were

1015

00:37:59,589 --> 00:37:55,920

looking and digging

1016

00:38:01,589 --> 00:37:59,599

his the daughter i i believe saw this

1017

00:38:03,190 --> 00:38:01,599

looked behind her and saw these things

1018

00:38:05,589 --> 00:38:03,200

in a group

1019

00:38:06,470 --> 00:38:05,599

and it must been a fairly decent

1020

00:38:08,390 --> 00:38:06,480

distance

1021

00:38:10,630 --> 00:38:08,400

but as soon as she looked at them they

1022

00:38:14,390 --> 00:38:10,640

started dispersing they ran off

1023

00:38:16,950 --> 00:38:14,400

right they did congregated again

1024

00:38:18,150 --> 00:38:16,960

they turned around and then when they

1025

00:38:19,829 --> 00:38:18,160

looked back in then they

1026

00:38:21,430 --> 00:38:19,839

started scattering again it's the

1027

00:38:24,069 --> 00:38:21,440

darnedest thing

1028

00:38:25,750 --> 00:38:24,079

but uh you know i'm like you know i i

1029

00:38:27,270 --> 00:38:25,760

have no idea what these things were i

1030

00:38:29,750 --> 00:38:27,280

mean they thought

1031

00:38:31,190 --> 00:38:29,760

they were a little bigfoot or you know

1032

00:38:32,069 --> 00:38:31,200

littlefoot or what do you want to call

1033

00:38:34,950 --> 00:38:32,079

them sometimes

1034

00:38:35,510 --> 00:38:34,960

hairy hominin but i had no idea what

1035

00:38:37,589 --> 00:38:35,520

that was

1036

00:38:39,190 --> 00:38:37,599

that's the first time i heard that i

1037

00:38:41,349 --> 00:38:39,200

i've heard of them before but

1038

00:38:42,710 --> 00:38:41,359

i'd never have you when before that had

1039

00:38:44,950 --> 00:38:42,720

actually seen them

1040

00:38:46,150 --> 00:38:44,960

yeah i've heard stories of them but uh

1041

00:38:48,470 --> 00:38:46,160

never out there

1042

00:38:49,589 --> 00:38:48,480

and never personally you know spoken

1043

00:38:52,630 --> 00:38:49,599

with someone until that

1044

00:38:53,990 --> 00:38:52,640

until that case but um that was

1045

00:38:56,069 --> 00:38:54,000

fascinating they did they

1046

00:38:58,630 --> 00:38:56,079

they would make little noises and i if i

1047

00:39:00,069 --> 00:38:58,640

remember right and they kind of like

1048

00:39:01,670 --> 00:39:00,079

i don't know if they were laughing or

1049

00:39:03,750 --> 00:39:01,680

snickering or what they were doing or

1050

00:39:05,430 --> 00:39:03,760

joking maybe they were juveniles i'm not

1051

00:39:07,270 --> 00:39:05,440

sure what they were but they were acting

1052

00:39:09,910 --> 00:39:07,280

very juvenile-like

1053

00:39:11,670 --> 00:39:09,920

um dispersing and trying to hide and

1054

00:39:12,950 --> 00:39:11,680

then coming back together and following

1055

00:39:15,990 --> 00:39:12,960

them they followed them

1056

00:39:17,670 --> 00:39:16,000

quite a ways back on the trail

1057

00:39:19,030 --> 00:39:17,680

so they saw them when they were almost

1058

00:39:21,589 --> 00:39:19,040

out towards the end

1059

00:39:23,190 --> 00:39:21,599

and then they kept going and then they

1060

00:39:24,790 --> 00:39:23,200

turned around and started heading back

1061

00:39:27,430 --> 00:39:24,800

and they followed them three quarters of

1062

00:39:31,829 --> 00:39:29,589

hiding and dispersing and coming back

1063

00:39:33,990 --> 00:39:31,839

and yeah

1064

00:39:35,910 --> 00:39:34,000

that sounds like something when you talk

1065

00:39:36,470 --> 00:39:35,920

about faye or gnomes or something like

1066

00:39:38,550 --> 00:39:36,480

that

1067

00:39:43,510 --> 00:39:38,560

where they they noticed you were looking

1068

00:39:48,790 --> 00:39:46,790

yeah that's that's weird anyway you know

1069

00:39:51,910 --> 00:39:48,800

let me ask you this

1070

00:39:56,470 --> 00:39:51,920

now you since you got involved with the

1071

00:39:59,670 --> 00:39:56,480

investigating bigfoot and harry hominids

1072

00:40:01,589 --> 00:39:59,680

uh how's it affected you has it changed

1073

00:40:04,309 --> 00:40:01,599

your life uh

1074

00:40:06,190 --> 00:40:04,319

i you know it's it's funny and and i can

1075

00:40:08,870 --> 00:40:06,200

talk about liminality now

1076
00:40:10,630 --> 00:40:08,880
liminalization is is when someone has a

1077
00:40:13,910 --> 00:40:10,640
liminal experience

1078
00:40:17,030 --> 00:40:13,920
they're usually in between

1079
00:40:19,430 --> 00:40:17,040
two two statuses like let's say from

1080
00:40:20,390 --> 00:40:19,440
unbeliever to believer that's just one

1081
00:40:23,990 --> 00:40:20,400
example

1082
00:40:25,430 --> 00:40:24,000
of many um but you could go from

1083
00:40:27,589 --> 00:40:25,440
someone who doesn't believe in bigfoot

1084
00:40:30,790 --> 00:40:27,599
at all and then

1085
00:40:33,510 --> 00:40:30,800
you have this experience let's say and

1086
00:40:35,270 --> 00:40:33,520
it changes you like it affects you and

1087
00:40:36,710 --> 00:40:35,280
you start researching it and you talk to

1088
00:40:37,990 --> 00:40:36,720

other people who have had similar

1089

00:40:40,230 --> 00:40:38,000

experiences and

1090

00:40:42,390 --> 00:40:40,240

get some things verified and confirmed

1091

00:40:45,030 --> 00:40:42,400

and at least in your mind right

1092

00:40:46,069 --> 00:40:45,040

and you go through this process of like

1093

00:40:49,270 --> 00:40:46,079

well i don't believe

1094

00:40:50,150 --> 00:40:49,280

to oh my god what just happened and what

1095

00:40:52,150 --> 00:40:50,160

was that

1096

00:40:54,470 --> 00:40:52,160

and you start researching and finding

1097

00:40:56,950 --> 00:40:54,480

out more as much as you can

1098

00:40:57,589 --> 00:40:56,960

and you you then you become you know you

1099

00:41:00,550 --> 00:40:57,599

kind of join

1100

00:41:01,510 --> 00:41:00,560

groups of people and you you have shared

1101
00:41:04,069 --> 00:41:01,520
information

1102
00:41:04,870 --> 00:41:04,079
so lots of cultural sharing going on and

1103
00:41:06,950 --> 00:41:04,880
then

1104
00:41:08,069 --> 00:41:06,960
at in the end there's this point where

1105
00:41:11,270 --> 00:41:08,079
you turn and you

1106
00:41:13,829 --> 00:41:11,280
and you become a believer let's say and

1107
00:41:15,750 --> 00:41:13,839
at that point your liminal experience is

1108
00:41:17,510 --> 00:41:15,760
over because you've you've switched

1109
00:41:19,030 --> 00:41:17,520
it's called trans tribalism you switch

1110
00:41:20,550 --> 00:41:19,040
from one tribe to the other you've gone

1111
00:41:23,109 --> 00:41:20,560
from unbeliever to believer

1112
00:41:24,150 --> 00:41:23,119
and this liminal state is that middle

1113
00:41:26,309 --> 00:41:24,160

state where

1114

00:41:27,829 --> 00:41:26,319

you're it's everything's changing and

1115

00:41:29,510 --> 00:41:27,839

you're growing and you're learning

1116

00:41:30,870 --> 00:41:29,520

things and you don't quite know where

1117

00:41:33,030 --> 00:41:30,880

you belong

1118

00:41:34,870 --> 00:41:33,040

um and you don't belong to either group

1119

00:41:38,790 --> 00:41:34,880

anymore you know like

1120

00:41:41,829 --> 00:41:38,800

in this stuck in and me i'm stuck there

1121

00:41:43,430 --> 00:41:41,839

i ride the fence i am neither a believer

1122

00:41:46,630 --> 00:41:43,440

nor an unbeliever i take

1123

00:41:47,990 --> 00:41:46,640

i'm very open-minded and but i think

1124

00:41:51,589 --> 00:41:48,000

hard about things and

1125

00:41:53,430 --> 00:41:51,599

um i think critically and and i i

1126

00:41:55,670 --> 00:41:53,440

observe and i pay attention and when i

1127

00:41:58,309 --> 00:41:55,680

even when i investigate something

1128

00:41:59,829 --> 00:41:58,319

i try to consider everything from flesh

1129

00:42:02,950 --> 00:41:59,839

and blood to paranormal to

1130

00:42:05,349 --> 00:42:02,960

to whatever um

1131

00:42:06,390 --> 00:42:05,359

alien off-world interdimensional all of

1132

00:42:08,309 --> 00:42:06,400

it you just have to

1133

00:42:09,589 --> 00:42:08,319

you have to keep an open mind because as

1134

00:42:12,790 --> 00:42:09,599

soon as you say

1135

00:42:13,430 --> 00:42:12,800

it's one thing or another you've boxed

1136

00:42:15,109 --> 00:42:13,440

it

1137

00:42:18,870 --> 00:42:15,119

and then you're not open to anything

1138

00:42:21,750 --> 00:42:18,880

else except that interpretation

1139

00:42:22,069 --> 00:42:21,760

yeah and so i i don't want to be there i

1140

00:42:29,990 --> 00:42:22,079

i

1141

00:42:32,390 --> 00:42:30,000

and not

1142

00:42:34,069 --> 00:42:32,400

maybe i'm afraid i'll miss something if

1143

00:42:35,349 --> 00:42:34,079

i try to box it and say oh yeah it's

1144

00:42:37,190 --> 00:42:35,359

this or that

1145

00:42:38,630 --> 00:42:37,200

and i and i think as an investigator

1146

00:42:40,630 --> 00:42:38,640

it's very important that i

1147

00:42:42,390 --> 00:42:40,640

don't do that i don't want to just say

1148

00:42:45,190 --> 00:42:42,400

oh yeah you're right or oh yeah you're

1149

00:42:46,309 --> 00:42:45,200

or you're wrong when you know it may not

1150

00:42:49,030 --> 00:42:46,319

be the case

1151
00:42:49,510 --> 00:42:49,040
so i i listen and i pay attention but i

1152
00:42:53,030 --> 00:42:49,520
do

1153
00:42:53,349 --> 00:42:53,040
uh analyze a lot and um especially when

1154
00:42:55,349 --> 00:42:53,359
i'm

1155
00:42:56,550 --> 00:42:55,359
interviewing people i even use nlp

1156
00:42:58,870 --> 00:42:56,560
techniques

1157
00:43:00,230 --> 00:42:58,880
um neuro linguistic programming so i

1158
00:43:01,990 --> 00:43:00,240
watch where they're pulling in from

1159
00:43:03,430 --> 00:43:02,000
information from their brain i see how

1160
00:43:05,430 --> 00:43:03,440
they're wired i

1161
00:43:07,270 --> 00:43:05,440
see if they're pulling from feeling if

1162
00:43:08,950 --> 00:43:07,280
they have feelings about something or if

1163
00:43:09,910 --> 00:43:08,960

they're pulling from auditory memory or

1164

00:43:16,230 --> 00:43:09,920

construct

1165

00:43:19,030 --> 00:43:16,240

you can kind of you can you can tell if

1166

00:43:20,630 --> 00:43:19,040

someone's had a real experience

1167

00:43:23,030 --> 00:43:20,640

based on if they're pulling from their

1168

00:43:26,150 --> 00:43:23,040

memory um or not

1169

00:43:26,710 --> 00:43:26,160

now if someone tells a story and it's

1170

00:43:28,950 --> 00:43:26,720

false

1171

00:43:30,710 --> 00:43:28,960

and if they're hoaxing and they tell it

1172

00:43:31,589 --> 00:43:30,720

long enough that they actually begin to

1173

00:43:33,910 --> 00:43:31,599

believe it

1174

00:43:35,750 --> 00:43:33,920

then you can't tell the difference um

1175

00:43:36,710 --> 00:43:35,760

but generally if someone just came up

1176

00:43:38,550 --> 00:43:36,720

with something they're

1177

00:43:41,109 --> 00:43:38,560

they're gonna tell on themselves if

1178

00:43:42,390 --> 00:43:41,119

they're if they're lying it's gonna show

1179

00:43:44,150 --> 00:43:42,400

it's gonna show in a handwriting

1180

00:43:47,270 --> 00:43:44,160

analysis it's gonna show in their

1181

00:43:48,630 --> 00:43:47,280

in their speech and uh and the things

1182

00:43:50,150 --> 00:43:48,640

they say and where they're pulling

1183

00:43:51,589 --> 00:43:50,160

information from in their head

1184

00:43:54,790 --> 00:43:51,599

and so i look at all of that when i

1185

00:43:57,030 --> 00:43:54,800

interview people um so

1186

00:43:58,150 --> 00:43:57,040

you know most people that talk to me

1187

00:44:00,870 --> 00:43:58,160

don't realize that

1188

00:44:01,430 --> 00:44:00,880

i just use these techniques quietly and

1189

00:44:03,109 --> 00:44:01,440

um

1190

00:44:04,550 --> 00:44:03,119

just because i have experience with them

1191

00:44:08,309 --> 00:44:04,560

and some training

1192

00:44:09,589 --> 00:44:08,319

so it's it's probably good to have that

1193

00:44:12,950 --> 00:44:09,599

when you're in the field and

1194

00:44:14,950 --> 00:44:12,960

and doing uh uh investigations i'd say

1195

00:44:16,710 --> 00:44:14,960

and talking with you know people

1196

00:44:19,589 --> 00:44:16,720

interviewing them but uh

1197

00:44:19,910 --> 00:44:19,599

um otherwise in the end you know it only

1198

00:44:21,510 --> 00:44:19,920

get

1199

00:44:23,270 --> 00:44:21,520

there it's kind of like anecdotal

1200

00:44:24,790 --> 00:44:23,280

evidence you have stories

1201

00:44:26,470 --> 00:44:24,800

you have people that tell stories and

1202

00:44:28,550 --> 00:44:26,480

this is what happened to them

1203

00:44:30,790 --> 00:44:28,560

and that's their interpretation of it

1204

00:44:33,109 --> 00:44:30,800

you know the lady the first lady

1205

00:44:34,829 --> 00:44:33,119

cecilia mangenies and that is a pen name

1206

00:44:37,270 --> 00:44:34,839

she never wanted me to give out her real

1207

00:44:38,950 --> 00:44:37,280

name cecilia montagne is the one that

1208

00:44:40,870 --> 00:44:38,960

saw the bigfoot walk

1209

00:44:42,550 --> 00:44:40,880

over the mound and down and down and

1210

00:44:44,470 --> 00:44:42,560

down into the ground

1211

00:44:46,710 --> 00:44:44,480

that was her interpretation of what she

1212

00:44:47,750 --> 00:44:46,720

saw we don't know if it walked into the

1213

00:44:49,910 --> 00:44:47,760

ground

1214

00:44:51,910 --> 00:44:49,920

she just saw the head get lower and

1215

00:44:52,230 --> 00:44:51,920

lower and lower behind the mound until

1216

00:44:54,630 --> 00:44:52,240

it

1217

00:44:56,309 --> 00:44:54,640

just got like you know three or four

1218

00:44:58,150 --> 00:44:56,319

feet tops

1219

00:44:59,829 --> 00:44:58,160

and maybe a little lower than that um

1220

00:45:01,510 --> 00:44:59,839

and then just was gone

1221

00:45:03,349 --> 00:45:01,520

you know was it trying to get on its

1222

00:45:05,510 --> 00:45:03,359

knees and laying down and pretending

1223

00:45:07,670 --> 00:45:05,520

it was going into the ground or did it

1224

00:45:09,829 --> 00:45:07,680

actually go in the ground we don't know

1225

00:45:11,349 --> 00:45:09,839

so we have to you have to kind of look

1226

00:45:12,790 --> 00:45:11,359

at everything but

1227

00:45:14,790 --> 00:45:12,800

you know that that's if you're trying to

1228

00:45:16,790 --> 00:45:14,800

decipher what really happened

1229

00:45:18,870 --> 00:45:16,800

and uh i just think it's really

1230

00:45:20,069 --> 00:45:18,880

important to to write everything down

1231

00:45:21,430 --> 00:45:20,079

when you make a report

1232

00:45:23,270 --> 00:45:21,440

because you don't know what might be

1233

00:45:25,030 --> 00:45:23,280

important later

1234

00:45:27,829 --> 00:45:25,040

you know we'll start getting all these

1235

00:45:30,230 --> 00:45:27,839

other um

1236

00:45:31,430 --> 00:45:30,240

things that start showing patterns uh

1237

00:45:34,309 --> 00:45:31,440

one of the patterns that i

1238

00:45:34,790 --> 00:45:34,319

discovered when i was doing my research

1239

00:45:37,430 --> 00:45:34,800

between

1240

00:45:39,270 --> 00:45:37,440

uh west texas and southern new mexico i

1241

00:45:42,230 --> 00:45:39,280

was in the sacramento mountains a lot

1242

00:45:44,230 --> 00:45:42,240

um up near mescalero uh apache indian

1243

00:45:46,870 --> 00:45:44,240

reservation i have friends up there

1244

00:45:47,670 --> 00:45:46,880

i've lived uh you know i i've lived near

1245

00:45:49,910 --> 00:45:47,680

there for

1246

00:45:51,430 --> 00:45:49,920

for 23 years when i lived in el paso i

1247

00:45:54,630 --> 00:45:51,440

was going up there and

1248

00:45:55,990 --> 00:45:54,640

um camping and and we met with the bfro

1249

00:45:58,230 --> 00:45:56,000

group one time up there and met

1250

00:46:01,670 --> 00:45:58,240

moneymaker and all those guys and

1251

00:46:04,470 --> 00:46:01,680

um uh i met one of one of my informants

1252

00:46:05,750 --> 00:46:04,480

um that had had a bigfoot portal

1253

00:46:10,470 --> 00:46:05,760

experience and his

1254

00:46:12,710 --> 00:46:10,480

his uh stories in my book too but um

1255

00:46:14,790 --> 00:46:12,720

one of the features that was really

1256

00:46:16,870 --> 00:46:14,800

common in the southwest

1257

00:46:18,550 --> 00:46:16,880

bigfoot the desert apes is what i call

1258

00:46:19,750 --> 00:46:18,560

them and my next book will be named that

1259

00:46:24,870 --> 00:46:19,760

desert apes

1260

00:46:28,309 --> 00:46:27,349

that their hair was a certain color and

1261

00:46:31,030 --> 00:46:28,319

then there were

1262

00:46:32,069 --> 00:46:31,040

two additional colors mixed in and it

1263

00:46:34,790 --> 00:46:32,079

was the same

1264

00:46:35,990 --> 00:46:34,800

every time it was usual anytime someone

1265

00:46:38,390 --> 00:46:36,000

saw it in the day

1266

00:46:40,150 --> 00:46:38,400

the hair was almost black but not quite

1267

00:46:42,630 --> 00:46:40,160

it was a very dark brown

1268

00:46:44,309 --> 00:46:42,640

and then on top of that there was a

1269

00:46:47,030 --> 00:46:44,319

reddish hue

1270

00:46:47,510 --> 00:46:47,040

and then at the very ends of the hairs

1271

00:46:51,030 --> 00:46:47,520

they

1272

00:46:53,910 --> 00:46:51,040

white but

1273

00:46:54,950 --> 00:46:53,920

faded like they like sun bleached kind

1274

00:46:58,150 --> 00:46:54,960

of faded

1275

00:46:59,589 --> 00:46:58,160

and that was a common feature from the

1276

00:47:01,589 --> 00:46:59,599

witnesses

1277

00:47:02,790 --> 00:47:01,599

throughout the southwest area where i

1278

00:47:04,550 --> 00:47:02,800

investigated

1279

00:47:06,150 --> 00:47:04,560

and these people did not know each other

1280

00:47:08,950 --> 00:47:06,160

and i and i didn't

1281

00:47:11,030 --> 00:47:08,960

always tell that information but there

1282

00:47:14,710 --> 00:47:11,040

was one piece of information that i kept

1283

00:47:15,910 --> 00:47:14,720

off the internet um and that was that

1284

00:47:18,470 --> 00:47:15,920

they all said

1285

00:47:20,309 --> 00:47:18,480

unanimously that there was this really

1286

00:47:22,870 --> 00:47:20,319

long hair under the forearm

1287

00:47:24,710 --> 00:47:22,880

i mean the same broad shoulders the same

1288

00:47:27,030 --> 00:47:24,720

you know short neck the same hairy

1289

00:47:30,309 --> 00:47:27,040

everywhere the three colors in the hair

1290

00:47:32,470 --> 00:47:30,319

um but

1291

00:47:34,710 --> 00:47:32,480

this long hair in the forearm was

1292

00:47:38,470 --> 00:47:34,720

something that i did not publicize

1293

00:47:40,230 --> 00:47:38,480

and it was in all of them too so

1294

00:47:41,910 --> 00:47:40,240

and i couldn't find the information when

1295

00:47:43,670 --> 00:47:41,920

i looked online

1296

00:47:45,670 --> 00:47:43,680

trying to find other sightings that were

1297

00:47:48,230 --> 00:47:45,680

similar and i couldn't find too much out

1298

00:47:50,870 --> 00:47:48,240

there like that at all

1299

00:47:51,990 --> 00:47:50,880

so i thought that was really interesting

1300

00:47:54,309 --> 00:47:52,000

but that kept showing

1301

00:47:55,589 --> 00:47:54,319

up so to me these this is you know

1302

00:47:58,630 --> 00:47:55,599

anecdotal evidence

1303

00:48:01,190 --> 00:47:58,640

is people stories and that's not always

1304

00:48:02,950 --> 00:48:01,200

necessarily the truth but it if you get

1305

00:48:03,589 --> 00:48:02,960

enough of it it starts pointing to the

1306

00:48:06,549 --> 00:48:03,599

truth

1307

00:48:07,030 --> 00:48:06,559

and so i i feel that there's some weight

1308

00:48:09,030 --> 00:48:07,040

there

1309

00:48:11,190 --> 00:48:09,040

with anecdotal evidence when when you

1310

00:48:13,990 --> 00:48:11,200

start finding patterns

1311

00:48:14,710 --> 00:48:14,000

so yeah you know i'm kind of in the same

1312

00:48:18,309 --> 00:48:14,720

boat i

1313

00:48:20,309 --> 00:48:18,319

you know when i had my sighting in 81

1314

00:48:21,589 --> 00:48:20,319

i i you know i had heard of bigfoot of

1315

00:48:23,910 --> 00:48:21,599

course you heard a bigfoot that was

1316

00:48:29,270 --> 00:48:23,920

about the time when the uh

1317

00:48:32,390 --> 00:48:31,190

down in arkansas you know the fountain

1318

00:48:35,430 --> 00:48:32,400

monster

1319

00:48:37,349 --> 00:48:35,440

and um

1320

00:48:38,710 --> 00:48:37,359

you know i saw this thing it thing was

1321

00:48:40,790 --> 00:48:38,720

closed to me

1322

00:48:42,069 --> 00:48:40,800

um thank god it didn't scream at me my

1323

00:48:44,870 --> 00:48:42,079

lord i i you know

1324

00:48:47,349 --> 00:48:44,880

but it was bad enough but i i'm looking

1325

00:48:49,990 --> 00:48:47,359

at this thing not knowing what it was

1326
00:48:51,190 --> 00:48:50,000
looked more human than it did ape but

1327
00:48:54,309 --> 00:48:51,200
anyway

1328
00:48:56,069 --> 00:48:54,319
i um i really didn't know what i was

1329
00:48:58,630 --> 00:48:56,079
looking at

1330
00:48:59,990 --> 00:48:58,640
you know and as years went by and i

1331
00:49:01,510 --> 00:49:00,000
started getting more and more involved

1332
00:49:02,790 --> 00:49:01,520
because look that's what put me over the

1333
00:49:04,710 --> 00:49:02,800
edge as far as

1334
00:49:06,390 --> 00:49:04,720
starting to get encrypted because you

1335
00:49:08,069 --> 00:49:06,400
know i was just i was actually a

1336
00:49:10,069 --> 00:49:08,079
paranormal investigator just doing

1337
00:49:12,790 --> 00:49:10,079
hauntings and such before that

1338
00:49:13,190 --> 00:49:12,800

but since i had that experience i wanted

1339

00:49:16,710 --> 00:49:13,200

to

1340

00:49:19,750 --> 00:49:16,720

roy went head

1341

00:49:20,390 --> 00:49:19,760

first into it but then this thing came

1342

00:49:22,470 --> 00:49:20,400

up about

1343

00:49:23,589 --> 00:49:22,480

is this are these things real is this an

1344

00:49:26,710 --> 00:49:23,599

actual being

1345

00:49:28,710 --> 00:49:26,720

was this something that i just

1346

00:49:31,430 --> 00:49:28,720

thought formed something and maybe i

1347

00:49:33,670 --> 00:49:31,440

manufactured my mind or such

1348

00:49:36,230 --> 00:49:33,680

but you know with all the the stuff that

1349

00:49:38,390 --> 00:49:36,240

subsequently happened with my sighting

1350

00:49:40,230 --> 00:49:38,400

i was pretty convinced that i did

1351

00:49:42,630 --> 00:49:40,240

definitely see something

1352

00:49:44,150 --> 00:49:42,640

but you know as years gone by and i've

1353

00:49:47,270 --> 00:49:44,160

talked to people

1354

00:49:49,430 --> 00:49:47,280

you know it it's it's pretty clear

1355

00:49:52,309 --> 00:49:49,440

that

1356

00:49:54,309 --> 00:49:52,319

bigfoot in general does fall into two

1357

00:49:56,309 --> 00:49:54,319

categories i believe i believe there is

1358

00:49:59,430 --> 00:49:56,319

a flesh and blood

1359

00:50:02,470 --> 00:49:59,440

that is indigenous to degree and then

1360

00:50:04,630 --> 00:50:02,480

there's a flesh and blood that somehow

1361

00:50:07,670 --> 00:50:04,640

is able to possibly move between

1362

00:50:10,950 --> 00:50:07,680

realities or just

1363

00:50:13,109 --> 00:50:10,960

somehow is supernatural you know

1364

00:50:14,390 --> 00:50:13,119

because the evidence is there from what

1365

00:50:15,990 --> 00:50:14,400

you know and like you said

1366

00:50:17,750 --> 00:50:16,000

it's anecdotal most of it there's

1367

00:50:20,950 --> 00:50:17,760

nothing really

1368

00:50:23,510 --> 00:50:20,960

to prove that correct but

1369

00:50:24,150 --> 00:50:23,520

after all the hundreds and thousands of

1370

00:50:27,910 --> 00:50:24,160

tales

1371

00:50:29,910 --> 00:50:27,920

and stories and such it's pretty

1372

00:50:30,309 --> 00:50:29,920

conclusive that there's something out

1373

00:50:33,910 --> 00:50:30,319

there

1374

00:50:38,230 --> 00:50:33,920

that we really don't understand

1375

00:50:38,240 --> 00:50:42,230

you just don't know if it's

1376

00:50:45,910 --> 00:50:44,470

some people say mass delusions or

1377

00:50:48,230 --> 00:50:45,920

hallucinations even

1378

00:50:50,150 --> 00:50:48,240

and but there's more to it than that

1379

00:50:52,870 --> 00:50:50,160

because there's individuals that have

1380

00:50:53,990 --> 00:50:52,880

completely unique experiences but

1381

00:50:56,069 --> 00:50:54,000

there's these features these

1382

00:50:58,069 --> 00:50:56,079

core features that are common and you

1383

00:50:59,750 --> 00:50:58,079

know you start getting into archetypes

1384

00:51:01,829 --> 00:50:59,760

and you're wondering you know how much

1385

00:51:03,910 --> 00:51:01,839

is locked up in our dna and maybe we're

1386

00:51:05,910 --> 00:51:03,920

seeing something from the past or

1387

00:51:07,270 --> 00:51:05,920

that's you know whatever i mean there's

1388

00:51:09,349 --> 00:51:07,280

just so many

1389

00:51:11,510 --> 00:51:09,359

hypotheses out there about what this

1390

00:51:12,230 --> 00:51:11,520

could be especially when you start going

1391

00:51:15,349 --> 00:51:12,240

into

1392

00:51:18,549 --> 00:51:15,359

flesh and blood versus paranormal

1393

00:51:21,589 --> 00:51:18,559

or you know is it alien or

1394

00:51:23,190 --> 00:51:21,599

or is it a pet of the aliens or is it an

1395

00:51:26,230 --> 00:51:23,200

interdimensional being

1396

00:51:26,950 --> 00:51:26,240

or you know are they creating portals do

1397

00:51:29,589 --> 00:51:26,960

they have

1398

00:51:30,870 --> 00:51:29,599

science and scientific you know

1399

00:51:33,750 --> 00:51:30,880

technology

1400

00:51:34,390 --> 00:51:33,760

beyond ours we just don't know it seems

1401

00:51:37,589 --> 00:51:34,400

odd

1402

00:51:37,910 --> 00:51:37,599

that you know it's it's not like they

1403

00:51:44,069 --> 00:51:37,920

look

1404

00:51:45,589 --> 00:51:44,079

a hominid you know or an ape-like with a

1405

00:51:47,670 --> 00:51:45,599

lot of ape-like features

1406

00:51:50,150 --> 00:51:47,680

and you know there's some hominids or

1407

00:51:53,109 --> 00:51:50,160

hominins even that have um

1408

00:51:56,069 --> 00:51:53,119

ape-like features the um the the the

1409

00:51:58,549 --> 00:51:56,079

small the hobbit from the isle of flores

1410

00:52:00,230 --> 00:51:58,559

you know the those those fossils that

1411

00:52:03,510 --> 00:52:00,240

they found of these small

1412

00:52:06,790 --> 00:52:03,520

three foot high little people

1413

00:52:07,270 --> 00:52:06,800

had wrist bones that are apes more like

1414

00:52:08,790 --> 00:52:07,280

an ape

1415

00:52:10,549 --> 00:52:08,800

than a than a person you know than a

1416

00:52:13,990 --> 00:52:10,559

human and um

1417

00:52:17,270 --> 00:52:14,000

neanderthal who who mixed genetically

1418

00:52:20,549 --> 00:52:17,280

with with homo sapiens you know

1419

00:52:21,750 --> 00:52:20,559

um up until about 24 to 28 000 years ago

1420

00:52:24,950 --> 00:52:21,760

when they died off

1421

00:52:27,910 --> 00:52:24,960

they have they had hot neanderthal had

1422

00:52:28,950 --> 00:52:27,920

rib cages that are much more ape-like

1423

00:52:32,230 --> 00:52:28,960

more conical

1424

00:52:32,950 --> 00:52:32,240

and humans have a barrel chest you know

1425

00:52:35,589 --> 00:52:32,960

barrel-shaped

1426

00:52:37,510 --> 00:52:35,599

chest cavity and uh their sinuses are

1427

00:52:39,270 --> 00:52:37,520

completely different and like it's it's

1428

00:52:40,950 --> 00:52:39,280

just amazing they're short and stocky

1429

00:52:43,030 --> 00:52:40,960

people say oh bigfoot was a neander

1430

00:52:44,069 --> 00:52:43,040

or neanderthal was a bigfoot and i'm

1431

00:52:46,790 --> 00:52:44,079

like no

1432

00:52:48,630 --> 00:52:46,800

no no they were much more like us in in

1433

00:52:49,910 --> 00:52:48,640

their side they're shorter than us in

1434

00:52:52,630 --> 00:52:49,920

fact and in most

1435

00:52:54,710 --> 00:52:52,640

your average human today um they were

1436

00:52:57,510 --> 00:52:54,720

shorter than us so you know five fighter

1437

00:52:59,030 --> 00:52:57,520

five five or less maybe but very stocky

1438

00:53:00,950 --> 00:52:59,040

and made for cold weather

1439

00:53:02,069 --> 00:53:00,960

and you know we don't know exactly how

1440

00:53:04,950 --> 00:53:02,079

hairy they were but

1441

00:53:06,470 --> 00:53:04,960

uh i don't i don't see that um not when

1442

00:53:08,470 --> 00:53:06,480

you look at the evidence

1443

00:53:10,069 --> 00:53:08,480

um yeah these things that people are

1444

00:53:12,390 --> 00:53:10,079

saying are not neanderthals they may

1445

00:53:15,109 --> 00:53:12,400

look like and they're thought like

1446

00:53:16,790 --> 00:53:15,119

uh you know are somewhat human but they

1447

00:53:19,190 --> 00:53:16,800

are not human and they are not

1448

00:53:20,150 --> 00:53:19,200

neanderthal they're something completely

1449

00:53:21,829 --> 00:53:20,160

different

1450

00:53:23,670 --> 00:53:21,839

yeah they are you know they have a lot

1451

00:53:26,390 --> 00:53:23,680

more ape-like features too

1452

00:53:28,309 --> 00:53:26,400

yeah you know i i the one thing i really

1453

00:53:31,349 --> 00:53:28,319

found fascinating about your book was

1454

00:53:33,270 --> 00:53:31,359

your belief studies um

1455

00:53:35,270 --> 00:53:33,280

you know the demographics you used and

1456

00:53:39,589 --> 00:53:35,280

it's intense i mean it's

1457

00:53:41,910 --> 00:53:39,599

it's extensive as well i mean it's uh

1458

00:53:44,150 --> 00:53:41,920

it's something you don't see too often

1459

00:53:47,030 --> 00:53:44,160

in a book about bigfoot

1460

00:53:49,109 --> 00:53:47,040

yeah and my my goal was to study the

1461

00:53:49,910 --> 00:53:49,119

believers in bigfoot rather than bigfoot

1462

00:53:53,030 --> 00:53:49,920

itself

1463

00:53:53,430 --> 00:53:53,040

yeah yeah yeah and that that's unusual

1464

00:53:56,950 --> 00:53:53,440

but

1465

00:54:00,390 --> 00:53:56,960

it it's it's profound i mean

1466

00:54:02,230 --> 00:54:00,400

i mean the the range of uh answers that

1467

00:54:04,069 --> 00:54:02,240

you received

1468

00:54:07,190 --> 00:54:04,079

i mean what did you get out of it what

1469

00:54:10,230 --> 00:54:07,200

did you discover by doing that

1470

00:54:13,829 --> 00:54:10,240

wow you know that there is a whole gamut

1471

00:54:16,870 --> 00:54:13,839

of information that people believe

1472

00:54:19,349 --> 00:54:16,880

things that just don't mesh together

1473

00:54:21,430 --> 00:54:19,359

some are absolute believers in you know

1474

00:54:23,829 --> 00:54:21,440

you got the disbelieving skeptics

1475

00:54:25,589 --> 00:54:23,839

and say you know they they call

1476

00:54:27,670 --> 00:54:25,599

themselves bigfoot researchers

1477

00:54:29,109 --> 00:54:27,680

um but they don't believe in bigfoot at

1478

00:54:31,750 --> 00:54:29,119

all and i i

1479

00:54:32,390 --> 00:54:31,760

that it's perplexing to me but why they

1480

00:54:34,790 --> 00:54:32,400

keep going

1481

00:54:36,150 --> 00:54:34,800

except maybe to try to disprove it and

1482

00:54:37,190 --> 00:54:36,160

you know there's a certain

1483

00:54:39,109 --> 00:54:37,200

to a certain degree when you're

1484

00:54:40,789 --> 00:54:39,119

skeptical you're supposed to falsify

1485

00:54:41,910 --> 00:54:40,799

information but not to the point where

1486

00:54:43,670 --> 00:54:41,920

your belief

1487

00:54:45,829 --> 00:54:43,680

uh or disbelief which is a form of

1488

00:54:48,870 --> 00:54:45,839

belief um overrides

1489

00:54:51,430 --> 00:54:48,880

uh logic or evidence and um

1490

00:54:53,910 --> 00:54:51,440

anyway the the there's you know there

1491

00:54:55,990 --> 00:54:53,920

was 23 bigfoot researchers that i did a

1492

00:54:59,510 --> 00:54:56,000

semi-structured survey with

1493

00:55:01,990 --> 00:54:59,520

um you know and and they i asked them

1494

00:55:02,549 --> 00:55:02,000

seven questions you know all the same

1495

00:55:05,990 --> 00:55:02,559

questions

1496

00:55:08,309 --> 00:55:06,000

open-ended for the most part and uh

1497

00:55:10,230 --> 00:55:08,319

it was their answers were fascinating

1498

00:55:11,349 --> 00:55:10,240

and then i analyzed their cosmologies

1499

00:55:13,750 --> 00:55:11,359

the things that they

1500

00:55:15,109 --> 00:55:13,760

probably believe when it comes to the

1501
00:55:17,430 --> 00:55:15,119
world the universe

1502
00:55:19,190 --> 00:55:17,440
you know and what it what is the world

1503
00:55:20,710 --> 00:55:19,200
how was it made how did we get here and

1504
00:55:22,630 --> 00:55:20,720
what is our place in it

1505
00:55:24,390 --> 00:55:22,640
you know that's our cosmology we all

1506
00:55:27,589 --> 00:55:24,400
have a cosmology whether it's

1507
00:55:29,670 --> 00:55:27,599
science or religion or whatever

1508
00:55:31,270 --> 00:55:29,680
of how everything was made but i go into

1509
00:55:33,030 --> 00:55:31,280
those and i go to the native and

1510
00:55:36,549 --> 00:55:33,040
historical accounts

1511
00:55:40,309 --> 00:55:36,559
and lots of surveys on facebook

1512
00:55:42,069 --> 00:55:40,319
and a 300 person bigfoot believers in

1513
00:55:43,670 --> 00:55:42,079

particular survey

1514

00:55:46,150 --> 00:55:43,680

um you know asking people their

1515

00:55:48,150 --> 00:55:46,160

political backgrounds and their religion

1516

00:55:50,069 --> 00:55:48,160

and i just there were patterns that i

1517

00:55:52,150 --> 00:55:50,079

had seen in the field

1518

00:55:53,589 --> 00:55:52,160

and talking to people and i just wanted

1519

00:55:55,670 --> 00:55:53,599

to see if that showed up

1520

00:55:57,829 --> 00:55:55,680

again in an official survey of just

1521

00:56:00,150 --> 00:55:57,839

bigfoot believers and sure enough

1522

00:56:01,030 --> 00:56:00,160

i found that pattern and i talked about

1523

00:56:04,710 --> 00:56:01,040

that in the book

1524

00:56:08,230 --> 00:56:04,720

yeah yeah it's an interesting study

1525

00:56:11,190 --> 00:56:08,240

i mean it's it's it's really detailed

1526

00:56:12,870 --> 00:56:11,200

and uh i i just i just found it

1527

00:56:17,750 --> 00:56:12,880

fascinating

1528

00:56:20,789 --> 00:56:17,760

uh look folks this book is is really

1529

00:56:23,670 --> 00:56:20,799

really unbelievably good it really is

1530

00:56:26,870 --> 00:56:23,680

it's it's titled bigfoot beyond belief

1531

00:56:28,390 --> 00:56:26,880

uh sharon eby is the author and

1532

00:56:29,990 --> 00:56:28,400

this is your first book you're talking

1533

00:56:33,990 --> 00:56:30,000

about doing a second one now too

1534

00:56:35,750 --> 00:56:34,000

right i have three in this one

1535

00:56:37,430 --> 00:56:35,760

yes uh the next one will be on the

1536

00:56:38,789 --> 00:56:37,440

desert apes and the one after that will

1537

00:56:40,549 --> 00:56:38,799

definitely start including the

1538

00:56:43,990 --> 00:56:40,559

paranormal in ufos

1539

00:56:46,630 --> 00:56:44,000

and such well you know i was telling you

1540

00:56:48,069 --> 00:56:46,640

about a habituation up in nova scotia i

1541

00:56:50,390 --> 00:56:48,079

was involved with

1542

00:56:52,549 --> 00:56:50,400

and there was definitely ufo activity

1543

00:56:54,630 --> 00:56:52,559

involved with that as well

1544

00:56:55,829 --> 00:56:54,640

so you know you were talking about stan

1545

00:56:58,630 --> 00:56:55,839

gordon and i

1546

00:56:59,349 --> 00:56:58,640

and uh you know stan you know he

1547

00:57:04,309 --> 00:56:59,359

believes that

1548

00:57:06,230 --> 00:57:04,319

100 i do as well you know the paranormal

1549

00:57:08,630 --> 00:57:06,240

phenomena in general they're all

1550

00:57:11,750 --> 00:57:08,640

connected i mean it's

1551
00:57:13,030 --> 00:57:11,760
you know we don't have we don't have all

1552
00:57:17,270 --> 00:57:13,040
the knowledge now

1553
00:57:20,069 --> 00:57:17,280
but it's pretty hard to deny

1554
00:57:22,230 --> 00:57:20,079
that many of these genres of paranormal

1555
00:57:24,470 --> 00:57:22,240
are not connected

1556
00:57:25,990 --> 00:57:24,480
it is after a while you start collecting

1557
00:57:28,789 --> 00:57:26,000
the evidence and seeing the big

1558
00:57:30,370 --> 00:57:28,799
patterns and it is very hard to deny

1559
00:57:31,829 --> 00:57:30,380
that's for sure

1560
00:57:34,069 --> 00:57:31,839
[Music]

1561
00:57:34,870 --> 00:57:34,079
so sharon you're welcome to come on

1562
00:57:37,430 --> 00:57:34,880
anytime

1563
00:57:39,430 --> 00:57:37,440
