9
00:00:35,110 --> 00:00:34,389
the young man in the woods when i was 10

10
00:00:37,190 --> 00:00:35,120
years old

11
00:00:38,549 --> 00:00:37,200
my grandmother started to recall stories

12
00:00:40,470 --> 00:00:38,559
about a special friend

13
00:00:41,750 --> 00:00:40,480

by the name of percy who she had when

14

00:00:43,830 --> 00:00:41,760

she was a girl

15

00:00:44,869 --> 00:00:43,840

my grandmother lived in the same house

16

00:00:47,029 --> 00:00:44,879

since she was born

17

00:00:48,950 --> 00:00:47,039

a huge old antebellum era house just

18

00:00:51,189 --> 00:00:48,960

outside of alba alabama

19

00:00:53,029 --> 00:00:51,199

apparently percy was a young adult and

20

00:00:54,950 --> 00:00:53,039

she was 10 years old when she met

21

00:00:57,029 --> 00:00:54,960

him she would sometimes see him on the

22

00:00:58,630 --> 00:00:57,039

edge of the woods not far from the house

23

00:01:00,229 --> 00:00:58,640

and when she would tell her family to

24

00:01:01,830 --> 00:01:00,239

look they would see nothing

25

00:01:03,830 --> 00:01:01,840

after a while people started to think

26

00:01:05,109 --> 00:01:03,840

she was crazy saying it's just your

27

00:01:07,190 --> 00:01:05,119

imagination

28

00:01:08,390 --> 00:01:07,200

so she eventually gave up saying she was

29

00:01:10,630 --> 00:01:08,400

just playing a joke

30

00:01:11,429 --> 00:01:10,640

though she still continued to see him

31

00:01:13,670 --> 00:01:11,439

she would say

32

00:01:15,109 --> 00:01:13,680

that he was very nice and kind as well

33

00:01:17,190 --> 00:01:15,119

as very handsome

34

00:01:19,030 --> 00:01:17,200

when i was 12 i was staying at my

35

00:01:20,070 --> 00:01:19,040

grandmother's house during my summer

36

00:01:22,070 --> 00:01:20,080

vacation

37

00:01:23,109 --> 00:01:22,080

i was unpacking my suitcase in one of

38

00:01:24,630 --> 00:01:23,119

the bedrooms

39

00:01:27,109 --> 00:01:24,640

as i tried to pull open one of the

40

00:01:29,350 --> 00:01:27,119

dresser drawers it wouldn't budge at all

41

00:01:30,310 --> 00:01:29,360

i yanked groaned and moaned but to no

42

00:01:32,550 --> 00:01:30,320

avail

43

00:01:34,390 --> 00:01:32,560

after about five minutes of desperation

44

00:01:37,030 --> 00:01:34,400

i heard a low-pitched chuckle

45

00:01:38,950 --> 00:01:37,040

i turned around but nothing was there i

46

00:01:39,749 --> 00:01:38,960

was completely puzzled because i knew

47

00:01:42,149 --> 00:01:39,759

what i heard

48

00:01:44,789 --> 00:01:42,159

but decided to brush it off several

49

00:01:46,789 --> 00:01:44,799

years later my grandmother passed away

50

00:01:48,389 --> 00:01:46,799

my family and i decided to stay at my

51
00:01:49,590 --> 00:01:48,399
grandmother's house during the time of

52
00:01:52,230 --> 00:01:49,600
her viewing and funeral

53
00:01:53,749 --> 00:01:52,240
since we lived about five hours away the

54
00:01:55,590 --> 00:01:53,759
funeral was conducted at her house in

55
00:01:57,590 --> 00:01:55,600
the large front living room

56
00:01:59,270 --> 00:01:57,600
after the ceremony the pallbearers

57
00:01:59,910 --> 00:01:59,280
carried her casket to the hearse parked

58
00:02:01,590 --> 00:01:59,920
in the front

59
00:02:03,190 --> 00:02:01,600
when i noticed out of the corner of my

60
00:02:05,030 --> 00:02:03,200
eye someone quickly running into the

61
00:02:06,389 --> 00:02:05,040
bushes at the edge of the woods

62
00:02:08,229 --> 00:02:06,399
i thought it may have been one of the

63
00:02:09,990 --> 00:02:08,239

neighbors though the nearest farm was

64

00:02:11,910 --> 00:02:10,000

about a mile or so away

65

00:02:13,750 --> 00:02:11,920

that night i was in the same room where

66

00:02:14,229 --> 00:02:13,760

i usually slept at my grandmother's

67

00:02:16,390 --> 00:02:14,239

house

68

00:02:18,309 --> 00:02:16,400

which was her old bedroom when she was a

69

00:02:20,710 --> 00:02:18,319

child as i laid in the bed

70

00:02:22,309 --> 00:02:20,720

i heard soft moans and whimpering the

71

00:02:23,990 --> 00:02:22,319

sound was coming from the direction of

72

00:02:25,910 --> 00:02:24,000

the window and balcony

73

00:02:27,510 --> 00:02:25,920

the evening was very dark and with

74

00:02:29,990 --> 00:02:27,520

moonlight peeking through the trees

75

00:02:31,509 --> 00:02:30,000

the only source of illumination as my

76

00:02:32,550 --> 00:02:31,519

eyes adjusted i could make out the

77

00:02:34,550 --> 00:02:32,560

figure of a man

78

00:02:36,869 --> 00:02:34,560

but more of a shadow instead of a solid

79

00:02:37,830 --> 00:02:36,879

body the spectre was sitting down on the

80

00:02:40,229 --> 00:02:37,840

balcony floor

81

00:02:42,070 --> 00:02:40,239

its elbows resting on its knees and its

82

00:02:44,070 --> 00:02:42,080

head hung down in its hands

83

00:02:45,110 --> 00:02:44,080

after a few moments the figure became

84

00:02:47,670 --> 00:02:45,120

somewhat clearer

85

00:02:49,030 --> 00:02:47,680

and i realized that this was percy i

86

00:02:50,790 --> 00:02:49,040

called out percy

87

00:02:52,309 --> 00:02:50,800

the spirit raised its head and slowly

88

00:02:54,150 --> 00:02:52,319

looked in my direction

89

00:02:56,390 --> 00:02:54,160

he was exactly as my grandmother had

90

00:02:58,390 --> 00:02:56,400

described though i only saw his face for

91

00:03:00,070 --> 00:02:58,400

a second as he quickly vanished

92

00:03:02,550 --> 00:03:00,080

i didn't know whether it had been a

93

00:03:03,430 --> 00:03:02,560

dream or what so i decided to keep my

94

00:03:05,110 --> 00:03:03,440

mouth shut

95

00:03:07,750 --> 00:03:05,120

not wanting people to think i was

96

00:03:10,470 --> 00:03:07,760

delusional the next night while i slept

97

00:03:12,149 --> 00:03:10,480

i felt a cold brush by on my cheek my

98

00:03:13,910 --> 00:03:12,159

eyes snapped open and the young man i

99

00:03:14,470 --> 00:03:13,920

had seen the night before was looking at

100

00:03:16,149 --> 00:03:14,480

me

101

00:03:18,070 --> 00:03:16,159

he appeared blurry but still

102

00:03:19,270 --> 00:03:18,080

recognizable with light brown hair and

103

00:03:21,350 --> 00:03:19,280

bright blue eyes

104

00:03:22,390 --> 00:03:21,360

he stared at me and smiled then quickly

105

00:03:24,229 --> 00:03:22,400

dissipated

106

00:03:26,710 --> 00:03:24,239

the next morning we prepared to leave

107

00:03:28,390 --> 00:03:26,720

for home i sat on the edge of the bed

108

00:03:29,830 --> 00:03:28,400

and thought about what had transpired

109

00:03:31,830 --> 00:03:29,840

the previous days

110

00:03:33,030 --> 00:03:31,840

a few minutes later we were in the car

111

00:03:34,710 --> 00:03:33,040

ready to pull away

112

00:03:36,309 --> 00:03:34,720

when i decided to look out the side

113

00:03:38,550 --> 00:03:36,319

window towards the woods

114

00:03:40,229 --> 00:03:38,560

there he stood arms by his side but

115

00:03:42,070 --> 00:03:40,239

staring directly at me

116

00:03:44,630 --> 00:03:42,080

he quickly turned and vanished into the

117

00:03:45,270 --> 00:03:44,640

bushes i just knew i would never see him

118

00:03:47,350 --> 00:03:45,280

again

119

00:03:49,270 --> 00:03:47,360

i later found out that percy was the son

120

00:03:51,030 --> 00:03:49,280

of a wealthy landowner who built and

121

00:03:52,550 --> 00:03:51,040

lived in my grandmother's house in the

122

00:03:55,270 --> 00:03:52,560

1850s

123

00:03:56,070 --> 00:03:55,280

one day at the age of 20 percy simply

124

00:03:58,309 --> 00:03:56,080

disappeared

125

00:03:59,990 --> 00:03:58,319

and was never heard from again there had

126

00:04:02,309 --> 00:04:00,000

been a rumor that he was killed by a

127

00:04:04,869 --> 00:04:02,319

slave who worked on a nearby plantation

128

00:04:06,070 --> 00:04:04,879

but a body was never recovered that was

129

00:04:08,710 --> 00:04:06,080

15 years ago

130

00:04:10,470 --> 00:04:08,720

but i still see percy in my mind's eye i

131

00:04:11,910 --> 00:04:10,480

was able to talk to the current owner of

132

00:04:13,910 --> 00:04:11,920

the house recently who says they

133

00:04:15,270 --> 00:04:13,920

occasionally hear someone talking softly

134

00:04:17,430 --> 00:04:15,280

on moonlit nights

135

00:04:18,310 --> 00:04:17,440

i have little doubt that percy is still

136

00:04:25,350 --> 00:04:18,320

at home

137

00:04:29,749 --> 00:04:28,070

the fairy in white i've seen something i

138

00:04:32,950 --> 00:04:29,759

can only assume was a fairy

139

00:04:34,950 --> 00:04:32,960

elf all the like we our friend my mum

140

00:04:36,469 --> 00:04:34,960

and me were house-sitting this beautiful

141

00:04:38,710 --> 00:04:36,479

condo in the forest

142

00:04:40,950 --> 00:04:38,720

this forest was no doubt magical in some

143

00:04:43,030 --> 00:04:40,960

way it just had an energy to it

144

00:04:44,870 --> 00:04:43,040

we were having breakfast one morning and

145

00:04:47,110 --> 00:04:44,880

i suddenly see a small person

146

00:04:48,870 --> 00:04:47,120

size of a six-year-old child run through

147

00:04:50,870 --> 00:04:48,880

the field next to the house

148

00:04:52,950 --> 00:04:50,880

it disappeared behind a tree that was

149

00:04:54,469 --> 00:04:52,960

too thin for it to hide behind

150

00:04:55,990 --> 00:04:54,479

my friend and my mum was sitting

151
00:04:58,310 --> 00:04:56,000
opposite of me so they didn't

152
00:05:00,469 --> 00:04:58,320
catch it i tell my mum that i saw

153
00:05:01,990 --> 00:05:00,479
something and she says i think i saw it

154
00:05:03,830 --> 00:05:02,000
too few days ago

155
00:05:05,670 --> 00:05:03,840
my friend suggests we both move to a

156
00:05:06,870 --> 00:05:05,680
different room and draw what we had seen

157
00:05:08,870 --> 00:05:06,880
to compare

158
00:05:10,870 --> 00:05:08,880
mind you so far we only know that we

159
00:05:13,189 --> 00:05:10,880
both saw something run across the field

160
00:05:15,350 --> 00:05:13,199
not what it looked like my mum and i

161
00:05:17,830 --> 00:05:15,360
both drew the exact same creature

162
00:05:18,950 --> 00:05:17,840
a small human with adult proportions so

163
00:05:20,870 --> 00:05:18,960

not a child

164

00:05:22,469 --> 00:05:20,880

it was dressed in all white clothes that

165

00:05:24,070 --> 00:05:22,479

looked like pajamas

166

00:05:26,230 --> 00:05:24,080

my encounter had looked my way and

167

00:05:27,350 --> 00:05:26,240

smiled laughed my mom's had its face

168

00:05:29,110 --> 00:05:27,360

turned away

169

00:05:30,390 --> 00:05:29,120

it was wearing a long night cap that

170

00:05:32,550 --> 00:05:30,400

trailed behind it

171

00:05:33,909 --> 00:05:32,560

it was faster than a human that size

172

00:05:35,830 --> 00:05:33,919

could reasonably be

173

00:05:37,670 --> 00:05:35,840

we called the owner of the house and say

174

00:05:40,710 --> 00:05:37,680

we saw a spirit in the field

175

00:05:42,710 --> 00:05:40,720

she says oh the fairy in white ha yeah

176

00:05:45,029 --> 00:05:42,720

it's attached to that tree out front

177

00:05:46,790 --> 00:05:45,039

the thin one that's the wedding tree my

178

00:05:47,590 --> 00:05:46,800

husband and i planted when we got

179

00:05:50,150 --> 00:05:47,600

married

180

00:05:51,990 --> 00:05:50,160

it had no bad vibes i think it might

181

00:06:00,469 --> 00:05:52,000

have been the protector of the tree

182

00:06:04,230 --> 00:06:02,469

living with fey in northern california

183

00:06:05,749 --> 00:06:04,240

i'm costa rican and this little people

184

00:06:07,430 --> 00:06:05,759

folklore is heavily instilled in

185

00:06:09,590 --> 00:06:07,440

children so they don't go running off to

186

00:06:11,510 --> 00:06:09,600

become a two-in day with the forest folk

187

00:06:12,710 --> 00:06:11,520

the last time i visited the country i

188

00:06:14,230 --> 00:06:12,720

was sleeping on the floor

189

00:06:16,150 --> 00:06:14,240

and was awoken calmly in the middle of

190

00:06:17,350 --> 00:06:16,160

the night at the end of the bed there

191

00:06:19,990 --> 00:06:17,360

was this shadow figure

192

00:06:20,870 --> 00:06:20,000

two foot stalky and robust just watching

193

00:06:23,029 --> 00:06:20,880

me sleep

194

00:06:24,870 --> 00:06:23,039

i didn't feel disturbed or even offended

195

00:06:26,950 --> 00:06:24,880

i felt well-guarded and watched over

196

00:06:29,029 --> 00:06:26,960

so i went back to sleep without a second

197

00:06:30,629 --> 00:06:29,039

thought i even invited the two and they

198

00:06:32,950 --> 00:06:30,639

to stay as long as they'd like

199

00:06:34,070 --> 00:06:32,960

when i later woke my dad told me who was

200

00:06:35,510 --> 00:06:34,080

sleeping in the living room

201
00:06:37,270 --> 00:06:35,520
that he was woken up in the middle of

202
00:06:39,189 --> 00:06:37,280
the night and the back patio door

203
00:06:40,629 --> 00:06:39,199
in his field of vision from couch had

204
00:06:41,029 --> 00:06:40,639
opened slowly during the middle of the

205
00:06:42,629 --> 00:06:41,039
night

206
00:06:44,710 --> 00:06:42,639
and he heard something come in

207
00:06:46,550 --> 00:06:44,720
emotionally he responded the same way

208
00:06:47,749 --> 00:06:46,560
and just went back to sleep as if the

209
00:06:49,749 --> 00:06:47,759
creature had a connection or

210
00:06:50,230 --> 00:06:49,759
relationship or responsibility to be

211
00:06:52,150 --> 00:06:50,240
there

212
00:06:54,070 --> 00:06:52,160
at a hard-based level neither one of us

213
00:06:55,510 --> 00:06:54,080

questioned why or how it was there

214

00:06:57,670 --> 00:06:55,520

later in the trip we walked around the

215

00:06:58,950 --> 00:06:57,680

rainforest and i swore fey had called to

216

00:07:00,629 --> 00:06:58,960

me telepathically

217

00:07:02,790 --> 00:07:00,639

i turned to look in my eyes were drawn

218

00:07:04,710 --> 00:07:02,800

to a tree it had a hole on the stump

219

00:07:06,309 --> 00:07:04,720

and very obviously looked like a tan

220

00:07:08,150 --> 00:07:06,319

there were grass strands right in front

221

00:07:09,909 --> 00:07:08,160

of a fluttering yet no wind

222

00:07:11,909 --> 00:07:09,919

i knew it was the fey and i came upright

223

00:07:14,230 --> 00:07:11,919

to the store said hello and thank you

224

00:07:17,110 --> 00:07:14,240

then went on my way this was five years

225

00:07:19,589 --> 00:07:17,120

ago fast forward to this year 2020.

226

00:07:21,430 --> 00:07:19,599

i live in northern california chico my

227

00:07:23,270 --> 00:07:21,440

apartment is infested with faith

228

00:07:24,550 --> 00:07:23,280

it was previously rented by older women

229

00:07:26,390 --> 00:07:24,560

who had passed away

230

00:07:28,550 --> 00:07:26,400

they fed the alley cats and would always

231

00:07:29,270 --> 00:07:28,560

have them over they held that ore once i

232

00:07:31,270 --> 00:07:29,280

moved in

233

00:07:32,469 --> 00:07:31,280

i tried cleansing it but lo and behold

234

00:07:34,230 --> 00:07:32,479

those spirits were strong

235

00:07:35,990 --> 00:07:34,240

and in love with the home so we live

236

00:07:37,830 --> 00:07:36,000

mutually in my shower

237

00:07:39,270 --> 00:07:37,840

i constantly saw fluttering lights

238

00:07:41,029 --> 00:07:39,280

dancing around with me

239

00:07:42,390 --> 00:07:41,039

i eventually began offering the fey

240

00:07:44,070 --> 00:07:42,400

anything i could to appease them

241

00:07:45,430 --> 00:07:44,080

simply because they can make the space

242

00:07:47,830 --> 00:07:45,440

very buzzy and electric

243

00:07:48,710 --> 00:07:47,840

sometimes an overwhelming feeling milk

244

00:07:51,510 --> 00:07:48,720

honey rum

245

00:07:52,150 --> 00:07:51,520

chocolate bread mints sweets flowers

246

00:07:53,990 --> 00:07:52,160

stones

247

00:07:55,909 --> 00:07:54,000

and kind words and affirmations were my

248

00:07:56,230 --> 00:07:55,919

offerings i set up a little home for

249

00:07:57,990 --> 00:07:56,240

them

250

00:07:59,830 --> 00:07:58,000

and would like candles every night to

251
00:08:00,710 --> 00:07:59,840
symbolize the warmth and welcoming i was

252
00:08:02,550 --> 00:08:00,720
extending

253
00:08:03,749 --> 00:08:02,560
they're certainly mischievous and can be

254
00:08:05,430 --> 00:08:03,759
emotionally flustered

255
00:08:07,749 --> 00:08:05,440
what people say is their angry or

256
00:08:08,710 --> 00:08:07,759
vengeful side it seems gnomes and fey

257
00:08:10,469 --> 00:08:08,720
work together

258
00:08:11,990 --> 00:08:10,479
they live in the same median realm and

259
00:08:14,070 --> 00:08:12,000
communicate with humans in the same

260
00:08:15,029 --> 00:08:14,080
way gnomes mind their own business for

261
00:08:16,869 --> 00:08:15,039
the most part

262
00:08:23,670 --> 00:08:16,879
but they will garner your attention

263
00:08:28,390 --> 00:08:26,150

was the black-eyed kid actually fey i'm

264

00:08:29,990 --> 00:08:28,400

telling this story for the first time

265

00:08:32,149 --> 00:08:30,000

the only other people who know about

266

00:08:34,389 --> 00:08:32,159

this are my immediate family members

267

00:08:35,509 --> 00:08:34,399

i know it sounds completely fabricated

268

00:08:38,149 --> 00:08:35,519

and i have no way

269

00:08:40,870 --> 00:08:38,159

to prove any of it but it happened i'll

270

00:08:42,870 --> 00:08:40,880

do my best i'm originally from ireland

271

00:08:45,350 --> 00:08:42,880

i moved to the states roughly 20 years

272

00:08:47,670 --> 00:08:45,360

back this story takes place in county

273

00:08:48,310 --> 00:08:47,680

clare island when i was about 15 years

274

00:08:49,990 --> 00:08:48,320

old

275

00:08:51,350 --> 00:08:50,000

one afternoon i was walking through the

276

00:08:54,070 --> 00:08:51,360

woods near my home

277

00:08:55,670 --> 00:08:54,080

i was alone i was alone in my youth and

278

00:08:56,550 --> 00:08:55,680

i would often stroll the woods until i

279

00:08:58,710 --> 00:08:56,560

found a tree

280

00:09:00,230 --> 00:08:58,720

to sit beneath and write writing has

281

00:09:01,910 --> 00:09:00,240

always been my hobby

282

00:09:04,389 --> 00:09:01,920

my point is that i was very familiar

283

00:09:06,230 --> 00:09:04,399

with these woods i felt safe there

284

00:09:08,230 --> 00:09:06,240

on this particular day i was walking a

285

00:09:09,829 --> 00:09:08,240

path to a specific tree that was my

286

00:09:11,670 --> 00:09:09,839

favorite to sit beneath

287

00:09:13,590 --> 00:09:11,680

the sounds of the woods were all around

288

00:09:15,110 --> 00:09:13,600

me there was a gentle breeze

289

00:09:17,350 --> 00:09:15,120

and while i couldn't see the birds i

290

00:09:19,350 --> 00:09:17,360

could hear them it was comforting

291

00:09:20,949 --> 00:09:19,360

and then it all stopped everything

292

00:09:22,710 --> 00:09:20,959

became unnaturally still

293

00:09:24,710 --> 00:09:22,720

the air was still the birds stopped

294

00:09:25,350 --> 00:09:24,720

twittering i no longer heard a single

295

00:09:27,750 --> 00:09:25,360

thing

296

00:09:29,990 --> 00:09:27,760

i had never experienced this before it

297

00:09:32,470 --> 00:09:30,000

was as if i had suddenly become deaf

298

00:09:33,110 --> 00:09:32,480

there was just nothing no sound no

299

00:09:35,670 --> 00:09:33,120

movement

300

00:09:36,949 --> 00:09:35,680

no breeze at this point i had started to

301
00:09:39,190 --> 00:09:36,959
become anxious

302
00:09:39,990 --> 00:09:39,200
i wasn't yet afraid but i started home

303
00:09:41,910 --> 00:09:40,000
anyway

304
00:09:43,030 --> 00:09:41,920
the feeling in the woods was not what i

305
00:09:45,509 --> 00:09:43,040
was used to

306
00:09:46,550 --> 00:09:45,519
i was no longer comforted so i decided

307
00:09:48,150 --> 00:09:46,560
to go home

308
00:09:49,990 --> 00:09:48,160
it was then that i saw movement from the

309
00:09:52,070 --> 00:09:50,000
corner of my eye nothing i could

310
00:09:52,710 --> 00:09:52,080
pinpoint but a dark shape that was just

311
00:09:54,949 --> 00:09:52,720
there

312
00:09:56,389 --> 00:09:54,959
and then it wasn't everything else was

313
00:09:58,470 --> 00:09:56,399

still that eerie calm

314

00:09:59,750 --> 00:09:58,480

i started to walk faster and then the

315

00:10:02,230 --> 00:09:59,760

black shape again

316

00:10:03,110 --> 00:10:02,240

this time on my other side now i was

317

00:10:05,670 --> 00:10:03,120

afraid

318

00:10:07,750 --> 00:10:05,680

i began to run i still heard nothing but

319

00:10:09,910 --> 00:10:07,760

i was sure something was chasing me

320

00:10:10,870 --> 00:10:09,920

when i reached my home i ran inside and

321

00:10:13,030 --> 00:10:10,880

slammed the door

322

00:10:15,190 --> 00:10:13,040

fully expecting my mum to yell at me for

323

00:10:17,910 --> 00:10:15,200

slamming but she wasn't there

324

00:10:19,910 --> 00:10:17,920

in fact nobody was home that was a bit

325

00:10:22,150 --> 00:10:19,920

odd but not unheard of

326

00:10:23,269 --> 00:10:22,160

finally gaining some sanity i decided i

327

00:10:26,630 --> 00:10:23,279

needed tea

328

00:10:28,790 --> 00:10:26,640

now so i began to boil the water for tea

329

00:10:31,509 --> 00:10:28,800

and then there was a knock at the door i

330

00:10:33,750 --> 00:10:31,519

jumped my heart rose to my throat

331

00:10:34,550 --> 00:10:33,760

nobody knocked in this parts it was a

332

00:10:36,470 --> 00:10:34,560

small village

333

00:10:37,910 --> 00:10:36,480

where everyone knew everyone else

334

00:10:39,670 --> 00:10:37,920

everyone was family

335

00:10:41,590 --> 00:10:39,680

there was no knocking there was a

336

00:10:41,990 --> 00:10:41,600

friendly way there and then people came

337

00:10:44,310 --> 00:10:42,000

in

338

00:10:46,230 --> 00:10:44,320

so knock was strange i crept over to the

339

00:10:47,990 --> 00:10:46,240

glass in the door and peeked out

340

00:10:49,829 --> 00:10:48,000

i noticed two things right away that

341

00:10:52,310 --> 00:10:49,839

terrified and confused me

342

00:10:53,030 --> 00:10:52,320

the first was a child a girl of maybe 10

343

00:10:55,430 --> 00:10:53,040

or 12

344

00:10:57,590 --> 00:10:55,440

looking not at me but at her feet the

345

00:10:59,590 --> 00:10:57,600

second thing scared me to my toes

346

00:11:01,829 --> 00:10:59,600

it was getting dark how was that

347

00:11:02,710 --> 00:11:01,839

possible i had left to go on my walk in

348

00:11:04,550 --> 00:11:02,720

midday

349

00:11:06,790 --> 00:11:04,560

the sun had been fully out and i had

350

00:11:08,790 --> 00:11:06,800

been gone no longer than forty minutes

351

00:11:10,389 --> 00:11:08,800

how then was it dark i looked at the

352

00:11:13,190 --> 00:11:10,399

clock it was almost

353

00:11:15,110 --> 00:11:13,200

seven how how have i misplaced five

354

00:11:17,350 --> 00:11:15,120

hours the knock came again

355

00:11:19,829 --> 00:11:17,360

and i jumped again i didn't open the

356

00:11:22,389 --> 00:11:19,839

door i called out boy there

357

00:11:23,990 --> 00:11:22,399

can i help you the girl didn't look up

358

00:11:26,389 --> 00:11:24,000

she said i need to come in

359

00:11:27,590 --> 00:11:26,399

please let me and she had no accent she

360

00:11:29,750 --> 00:11:27,600

wasn't irish

361

00:11:31,030 --> 00:11:29,760

there was no lil to her voice she

362

00:11:33,430 --> 00:11:31,040

sounded american

363

00:11:34,550 --> 00:11:33,440

i called out again i can't let you in

364

00:11:36,790 --> 00:11:34,560

but i'll ring someone

365

00:11:37,590 --> 00:11:36,800

if you need help the child still didn't

366

00:11:40,470 --> 00:11:37,600

look up

367

00:11:41,269 --> 00:11:40,480

she said no that won't work i need to

368

00:11:42,949 --> 00:11:41,279

come in

369

00:11:44,550 --> 00:11:42,959

at this point i had had enough of the

370

00:11:47,590 --> 00:11:44,560

strange scary child

371

00:11:50,069 --> 00:11:47,600

she was freaking me out i wanted my mum

372

00:11:51,430 --> 00:11:50,079

i wanted my dad i wanted to know where

373

00:11:53,269 --> 00:11:51,440

five hours of my life

374

00:11:55,190 --> 00:11:53,279

had gone and i was so frightened at this

375

00:11:57,430 --> 00:11:55,200

point that not even tea was going to

376

00:11:58,069 --> 00:11:57,440

help so i did what any teenage girl

377

00:12:00,629 --> 00:11:58,079

would do

378

00:12:02,470 --> 00:12:00,639

when faced with a situation such as this

379

00:12:04,150 --> 00:12:02,480

i screamed and ran to my bed

380

00:12:06,069 --> 00:12:04,160

covered myself with my blanket and

381

00:12:08,150 --> 00:12:06,079

waited for my mum to come home

382

00:12:10,069 --> 00:12:08,160

this was pre-cellular phones and i was

383

00:12:11,269 --> 00:12:10,079

not going to risk going to the kitchen

384

00:12:13,750 --> 00:12:11,279

to phone someone

385

00:12:15,670 --> 00:12:13,760

plus i had no idea who i would call the

386

00:12:17,509 --> 00:12:15,680

girl was still knocking on the door

387

00:12:19,590 --> 00:12:17,519

but she never moved to a window or to

388

00:12:20,310 --> 00:12:19,600

the back door she stayed at the front

389

00:12:22,150 --> 00:12:20,320

door

390

00:12:23,990 --> 00:12:22,160

after a while i got my nerve up to go

391

00:12:26,150 --> 00:12:24,000

check again it had been silent

392

00:12:27,190 --> 00:12:26,160

for a bit i went to the door and looked

393

00:12:29,350 --> 00:12:27,200

out the glass

394

00:12:30,550 --> 00:12:29,360

the girl was still there but she was no

395

00:12:32,949 --> 00:12:30,560

longer at the door

396

00:12:34,310 --> 00:12:32,959

she was sitting on the fence she was no

397

00:12:36,389 --> 00:12:34,320

longer looking down

398

00:12:37,990 --> 00:12:36,399

she was looking right at me and in the

399

00:12:40,470 --> 00:12:38,000

fading light it looked like her

400

00:12:42,870 --> 00:12:40,480

eyes were pitch black i screamed again

401
00:12:45,430 --> 00:12:42,880
and ran back to the safety of my blanket

402
00:12:46,389 --> 00:12:45,440
eventually my mum came home i told her

403
00:12:48,150 --> 00:12:46,399
what happened

404
00:12:50,230 --> 00:12:48,160
she decided that it was my overactive

405
00:12:50,870 --> 00:12:50,240
imagination but she did call down to the

406
00:12:52,870 --> 00:12:50,880
shops

407
00:12:55,110 --> 00:12:52,880
and the pub to find out if anyone in

408
00:12:57,110 --> 00:12:55,120
town had american family visiting

409
00:12:59,430 --> 00:12:57,120
or if anyone knew who the girl was

410
00:13:01,190 --> 00:12:59,440
nobody did my grandmother told me i had

411
00:13:03,590 --> 00:13:01,200
survived an encounter with the fae

412
00:13:05,430 --> 00:13:03,600
fairies and that i was lucky she was the

413
00:13:07,670 --> 00:13:05,440

only one who ever believed me

414

00:13:08,949 --> 00:13:07,680

i never saw the girl again i never had

415

00:13:10,710 --> 00:13:08,959

missing time again

416

00:13:12,710 --> 00:13:10,720

i never felt the absolute stillness in

417

00:13:13,670 --> 00:13:12,720

the woods again when i got up my courage

418

00:13:15,430 --> 00:13:13,680

to go back

419

00:13:17,509 --> 00:13:15,440

after i moved to the states and years

420

00:13:19,910 --> 00:13:17,519

later i heard of black-eyed children

421

00:13:21,590 --> 00:13:19,920

my story seemed to coincide with that

422

00:13:25,190 --> 00:13:21,600

but that's ridiculous right

423

00:13:26,949 --> 00:13:25,200

i still have no explanation demon fairy

424

00:13:28,550 --> 00:13:26,959

the fey is said to be evil and will

425

00:13:29,269 --> 00:13:28,560

kidnap children in the woods was near a

426

00:13:32,470 --> 00:13:29,279

fairy hill

427

00:13:41,829 --> 00:13:32,480

ghost black-eyed child i don't know

428

00:13:46,870 --> 00:13:45,110

ghost goblin duen day when i was younger

429

00:13:48,710 --> 00:13:46,880

i saw something in an older house in

430

00:13:51,189 --> 00:13:48,720

midtown sacramento california

431

00:13:52,949 --> 00:13:51,199

that i still can't explain this house

432

00:13:53,350 --> 00:13:52,959

belonged to the couple who would babysit

433

00:13:55,269 --> 00:13:53,360

me

434

00:13:57,350 --> 00:13:55,279

when my mom would have to work a closing

435

00:13:59,110 --> 00:13:57,360

shift at the diner she worked at

436

00:14:01,590 --> 00:13:59,120

most visits to the babysitters were

437

00:14:03,910 --> 00:14:01,600

unremarkable i remember that the husband

438

00:14:05,350 --> 00:14:03,920

had a whole room devoted to model trains

439

00:14:07,670 --> 00:14:05,360

and that they were nice people who

440

00:14:10,550 --> 00:14:07,680

treated me well i never minded

441

00:14:12,230 --> 00:14:10,560

having to go over there usually my mom

442

00:14:14,470 --> 00:14:12,240

would show up pretty late at night

443

00:14:16,470 --> 00:14:14,480

to come pick me up so the female

444

00:14:18,310 --> 00:14:16,480

babysitter would put me to sleep on some

445

00:14:20,230 --> 00:14:18,320

cushions on the floor of the living room

446

00:14:22,629 --> 00:14:20,240

and she'd fall asleep on the couch right

447

00:14:24,949 --> 00:14:22,639

above me this particular night

448

00:14:26,230 --> 00:14:24,959

i couldn't fall asleep this is still

449

00:14:28,310 --> 00:14:26,240

fairly common for me

450

00:14:30,550 --> 00:14:28,320

i don't fall asleep easily in silence

451
00:14:31,030 --> 00:14:30,560
and darkness and was just kind of lying

452
00:14:33,110 --> 00:14:31,040
there

453
00:14:34,069 --> 00:14:33,120
and staring at the wall in the dark

454
00:14:36,310 --> 00:14:34,079
along this wall

455
00:14:37,509 --> 00:14:36,320
there was a table or a desk of some sort

456
00:14:39,750 --> 00:14:37,519
i remember

457
00:14:40,710 --> 00:14:39,760
so i was staring at this general spot

458
00:14:42,629 --> 00:14:40,720
not sleeping

459
00:14:44,470 --> 00:14:42,639
when i see this grace humanoid shape

460
00:14:46,310 --> 00:14:44,480
kind of glider slide out from under the

461
00:14:48,389 --> 00:14:46,320
table and stand before me

462
00:14:50,310 --> 00:14:48,399
it is too dark to really see details or

463
00:14:52,150 --> 00:14:50,320

colors all i remember

464

00:14:54,069 --> 00:14:52,160

was that it was about two or three feet

465

00:14:54,629 --> 00:14:54,079

tall and appeared to either be holding a

466

00:14:57,269 --> 00:14:54,639

spear

467

00:14:57,990 --> 00:14:57,279

or sort of perhaps wearing a pointy hat

468

00:15:00,389 --> 00:14:58,000

i remember

469

00:15:02,230 --> 00:15:00,399

being terrified and hiding my face under

470

00:15:04,389 --> 00:15:02,240

the covers for some time

471

00:15:06,389 --> 00:15:04,399

eventually i heard a faint swishing

472

00:15:07,110 --> 00:15:06,399

sound and i looked to see the figure was

473

00:15:09,910 --> 00:15:07,120

gone

474

00:15:11,189 --> 00:15:09,920

i shook my babysitter awake and told her

475

00:15:13,430 --> 00:15:11,199

that i'd seen a ghost

476
00:15:14,629 --> 00:15:13,440
and she told me i was dreaming and to go

477
00:15:17,269 --> 00:15:14,639
back to sleep

478
00:15:17,990 --> 00:15:17,279
the thing is i hadn't been sleeping to

479
00:15:21,269 --> 00:15:18,000
this day

480
00:15:23,269 --> 00:15:21,279
i have no idea what i saw in sacramento

481
00:15:25,269 --> 00:15:23,279
i have heard stories of creatures called

482
00:15:27,829 --> 00:15:25,279
dune days but most sightings are

483
00:15:29,990 --> 00:15:27,839
dismissed as opossums which makes sense

484
00:15:31,990 --> 00:15:30,000
anyone else ever see anything like this

485
00:15:34,949 --> 00:15:32,000
or have heard of anything like this

486
00:15:35,990 --> 00:15:34,959
what did i see that night ghost goblin

487
00:15:44,629 --> 00:15:36,000
doo and day

488
00:15:48,389 --> 00:15:46,949

little folks living under the house my

489

00:15:50,310 --> 00:15:48,399

mom is from the philippines

490

00:15:52,069 --> 00:15:50,320

and there are many tales of supernatural

491

00:15:52,949 --> 00:15:52,079

creatures roaming every stretch of the

492

00:15:55,350 --> 00:15:52,959

country

493

00:15:57,110 --> 00:15:55,360

most sound ludicrous and exaggerated but

494

00:15:59,509 --> 00:15:57,120

none more so than the due end day

495

00:16:01,350 --> 00:15:59,519

and the experience i am going to relay

496

00:16:01,910 --> 00:16:01,360

my grandmother kept some chickens and

497

00:16:03,990 --> 00:16:01,920

dogs

498

00:16:05,590 --> 00:16:04,000

who roamed the grounds including a pair

499

00:16:06,230 --> 00:16:05,600

of turkeys who would wander underneath

500

00:16:08,629 --> 00:16:06,240

the house

501
00:16:10,069 --> 00:16:08,639
and freak me out as a child one day when

502
00:16:11,749 --> 00:16:10,079
i was still small enough

503
00:16:14,150 --> 00:16:11,759
to walk underneath the house dodging

504
00:16:15,990 --> 00:16:14,160
cobwebs and such i came across some tall

505
00:16:16,550 --> 00:16:16,000
thickly painted red crosses on the

506
00:16:18,389 --> 00:16:16,560
stilts

507
00:16:19,590 --> 00:16:18,399
and by the high walls surrounding one

508
00:16:21,749 --> 00:16:19,600
side of the house

509
00:16:23,910 --> 00:16:21,759
having never noticed this before i asked

510
00:16:25,189 --> 00:16:23,920
my mom about it who proceeded to tell me

511
00:16:27,350 --> 00:16:25,199
what they were about

512
00:16:29,350 --> 00:16:27,360
to set the scene it is important to know

513
00:16:31,110 --> 00:16:29,360

details about my mom's family home in

514

00:16:32,150 --> 00:16:31,120

the farming provincial area of north

515

00:16:34,310 --> 00:16:32,160

philippines

516

00:16:35,990 --> 00:16:34,320

my grandparents were rice farmers and my

517

00:16:37,670 --> 00:16:36,000

mom and three of her siblings

518

00:16:39,509 --> 00:16:37,680

lived in the house with them either

519

00:16:41,350 --> 00:16:39,519

studying at university or working in the

520

00:16:44,230 --> 00:16:41,360

nearby city in finance

521

00:16:46,790 --> 00:16:44,240

a typical tagalog house raised on stilts

522

00:16:48,790 --> 00:16:46,800

was built sometime during the 1950s

523

00:16:50,470 --> 00:16:48,800

and had dark dark mahogany type

524

00:16:52,389 --> 00:16:50,480

floorboards and furniture

525

00:16:54,310 --> 00:16:52,399

the floor where the dining room crosses

526

00:16:55,030 --> 00:16:54,320

into the kitchen however is made from

527

00:16:57,350 --> 00:16:55,040

bamboo

528

00:16:59,430 --> 00:16:57,360

and is springy when walked across there

529

00:17:00,870 --> 00:16:59,440

are small gaps in between these whereby

530

00:17:02,230 --> 00:17:00,880

you can see down into the ground

531

00:17:04,309 --> 00:17:02,240

underneath the house

532

00:17:06,549 --> 00:17:04,319

the whole compound was fairly sized with

533

00:17:09,110 --> 00:17:06,559

concrete and brick walls eight foot high

534

00:17:10,870 --> 00:17:09,120

studded with broken glass for security

535

00:17:12,549 --> 00:17:10,880

my mom lived with her other female

536

00:17:13,909 --> 00:17:12,559

siblings and chores always shared

537

00:17:16,069 --> 00:17:13,919

including laundry

538

00:17:18,150 --> 00:17:16,079

no one's clothes were kept separate and

539

00:17:18,949 --> 00:17:18,160

everyone's clothing went into one wash

540

00:17:20,390 --> 00:17:18,959

basin

541

00:17:22,630 --> 00:17:20,400

the clothes were then hung on the

542

00:17:24,949 --> 00:17:22,640

various clothes lines in the backyard

543

00:17:25,669 --> 00:17:24,959

her youngest sibling ella was around 21

544

00:17:27,429 --> 00:17:25,679

at the time

545

00:17:28,950 --> 00:17:27,439

and started to notice her underwear

546

00:17:30,630 --> 00:17:28,960

missing from the washing line

547

00:17:32,710 --> 00:17:30,640

prominent gaps where panties were

548

00:17:34,390 --> 00:17:32,720

supposed to be drying in the sun

549

00:17:36,630 --> 00:17:34,400

thinking nothing of it and putting it

550

00:17:37,510 --> 00:17:36,640

down to birds or another sibling pulling

551

00:17:39,990 --> 00:17:37,520

pranks on her

552

00:17:41,830 --> 00:17:40,000

she learned to ignore it weeks past and

553

00:17:43,190 --> 00:17:41,840

buying knickers was getting to be a very

554

00:17:45,190 --> 00:17:43,200

expensive habit

555

00:17:47,029 --> 00:17:45,200

angry and frustrated about the prank

556

00:17:48,870 --> 00:17:47,039

ella questioned everyone about why they

557

00:17:49,590 --> 00:17:48,880

were picking on her and her underwear

558

00:17:51,669 --> 00:17:49,600

only

559

00:17:53,510 --> 00:17:51,679

no one owned up to stealing her panties

560

00:17:55,029 --> 00:17:53,520

with everyone absolutely firm and

561

00:17:57,190 --> 00:17:55,039

adamant that it wasn't them

562

00:17:59,190 --> 00:17:57,200

and retorts of why on earth would we do

563

00:18:01,190 --> 00:17:59,200

that ella grew less angry

564

00:18:02,870 --> 00:18:01,200

and just remained frustrated at why it

565

00:18:04,549 --> 00:18:02,880

was only her underwear missing from a

566

00:18:07,190 --> 00:18:04,559

line of six other people

567

00:18:08,789 --> 00:18:07,200

the maids were questioned and again firm

568

00:18:10,630 --> 00:18:08,799

shakes of heads followed

569

00:18:12,870 --> 00:18:10,640

there was absolutely no reason for the

570

00:18:13,270 --> 00:18:12,880

stealing the knickers were not expensive

571

00:18:15,830 --> 00:18:13,280

and

572

00:18:17,350 --> 00:18:15,840

dare i say it some full of holes there

573

00:18:19,510 --> 00:18:17,360

was completely no reason

574

00:18:20,390 --> 00:18:19,520

as to why they were being taken and of

575

00:18:22,549 --> 00:18:20,400

course to where

576

00:18:24,630 --> 00:18:22,559

and for what purpose the washing was

577

00:18:25,430 --> 00:18:24,640

monitored for signs of animals or birds

578

00:18:28,150 --> 00:18:25,440

stealing them

579

00:18:29,909 --> 00:18:28,160

and nothing noted if it was an animal it

580

00:18:32,549 --> 00:18:29,919

would be very clever for them to only

581

00:18:34,789 --> 00:18:32,559

know to steal from one particular person

582

00:18:35,590 --> 00:18:34,799

after so many weeks of this happening my

583

00:18:37,669 --> 00:18:35,600

grandfather

584

00:18:39,190 --> 00:18:37,679

having had enough of the whole situation

585

00:18:41,190 --> 00:18:39,200

called a local manula

586

00:18:42,710 --> 00:18:41,200

or psychic to take a look at the house

587

00:18:44,870 --> 00:18:42,720

and investigate who or

588

00:18:47,110 --> 00:18:44,880

what might be causing the distress the

589

00:18:48,390 --> 00:18:47,120

mangula took a walk around the compound

590

00:18:50,230 --> 00:18:48,400

and immediately picked up

591

00:18:51,830 --> 00:18:50,240

that my family weren't the only ones

592

00:18:54,070 --> 00:18:51,840

living at that residence

593

00:18:55,909 --> 00:18:54,080

she sat the family down upstairs and

594

00:18:57,750 --> 00:18:55,919

revealed that she had discovered a small

595

00:18:58,630 --> 00:18:57,760

family of duende living under the

596

00:19:00,390 --> 00:18:58,640

coconut trees

597

00:19:02,630 --> 00:19:00,400

stretching their territory right up to

598

00:19:04,390 --> 00:19:02,640

the area underneath the house itself

599

00:19:06,549 --> 00:19:04,400

everyone was shocked and slightly

600

00:19:07,830 --> 00:19:06,559

bewildered as no one was particularly

601
00:19:09,590 --> 00:19:07,840
superstitious

602
00:19:11,750 --> 00:19:09,600
yes they had all heard about the little

603
00:19:13,029 --> 00:19:11,760
folk as folklore but never had any

604
00:19:14,710 --> 00:19:13,039
connection with them

605
00:19:16,390 --> 00:19:14,720
she mentioned that the duende were

606
00:19:17,909 --> 00:19:16,400
usually tree living beings

607
00:19:19,669 --> 00:19:17,919
and because they were invisible to

608
00:19:21,430 --> 00:19:19,679
people with their third eye closed

609
00:19:23,430 --> 00:19:21,440
only certain people could pick up on

610
00:19:25,110 --> 00:19:23,440
their existence third eye being the

611
00:19:25,590 --> 00:19:25,120
psychic or sixth sense that allows

612
00:19:27,270 --> 00:19:25,600
people

613
00:19:29,510 --> 00:19:27,280

to see through the veil of our normal

614

00:19:31,909 --> 00:19:29,520

world and into another crossover

615

00:19:33,909 --> 00:19:31,919

it is customary in filipino culture to

616

00:19:34,470 --> 00:19:33,919

always say excuse me when walking under

617

00:19:36,549 --> 00:19:34,480

trees

618

00:19:37,669 --> 00:19:36,559

or in long grass to avoid stepping on

619

00:19:39,830 --> 00:19:37,679

the creatures

620

00:19:41,750 --> 00:19:39,840

if you do not the due end day can cast

621

00:19:44,150 --> 00:19:41,760

revenge either making you sick

622

00:19:45,029 --> 00:19:44,160

or injured shortly after there are both

623

00:19:47,270 --> 00:19:45,039

good and bad

624

00:19:48,950 --> 00:19:47,280

trickster and malicious due end day the

625

00:19:50,470 --> 00:19:48,960

manula was able to see

626

00:19:52,070 --> 00:19:50,480

that the culprit of ella's party

627

00:19:53,430 --> 00:19:52,080

stealing was a due-end day of that

628

00:19:55,350 --> 00:19:53,440

family living there

629

00:19:56,950 --> 00:19:55,360

she was able to attest to the reason why

630

00:19:59,270 --> 00:19:56,960

as well you see

631

00:20:01,430 --> 00:19:59,280

that particular duende had a huge crush

632

00:20:03,510 --> 00:20:01,440

on ella and would steal her panties

633

00:20:04,950 --> 00:20:03,520

probably to become noticed or for other

634

00:20:06,710 --> 00:20:04,960

unmentionable means

635

00:20:08,870 --> 00:20:06,720

ella and the family were then led under

636

00:20:10,470 --> 00:20:08,880

the house whereby every single pair of

637

00:20:12,310 --> 00:20:10,480

missing panties were found

638

00:20:14,149 --> 00:20:12,320

tightly and nearly folded and stuffed

639

00:20:16,149 --> 00:20:14,159

into cracks underneath the house

640

00:20:17,990 --> 00:20:16,159

the manula blessed the house with holy

641

00:20:20,149 --> 00:20:18,000

coconut oil and prayers were said to

642

00:20:22,390 --> 00:20:20,159

move on the family of due end day

643

00:20:24,149 --> 00:20:22,400

afterward it was advised the tread

644

00:20:24,789 --> 00:20:24,159

crosses were to be painted underneath

645

00:20:26,870 --> 00:20:24,799

the house

646

00:20:28,789 --> 00:20:26,880

and white crosses placed in windows to

647

00:20:30,950 --> 00:20:28,799

draw away and discourage anything

648

00:20:33,270 --> 00:20:30,960

spiritual to reside there again

649

00:20:35,270 --> 00:20:33,280

to this day the house is still standing

650

00:20:36,789 --> 00:20:35,280

with its fortress of crosses

651
00:20:38,710 --> 00:20:36,799
who knows whether or not anything

652
00:20:40,950 --> 00:20:38,720
managed to slip past the warnings

653
00:20:46,830 --> 00:20:40,960
and is residing there currently dormant

654
00:20:51,190 --> 00:20:48,630
