Fortean Friday!

**PHANTOMS
& MONSTERS**

with
**Carter Buschardt
& Marcus Ellis**

Fortean Research Friday! - with Carter Buschardt & Marcus Ellis

1
00:00:05,910 --> 00:00:05,110

[Music]

2
00:00:09,270 --> 00:00:05,920

the oldest

3
00:00:11,509 --> 00:00:09,280

and strongest human emotion is fear

4
00:00:12,470 --> 00:00:11,519

and the oldest and strongest type of

5
00:00:15,829 --> 00:00:12,480

fear

6
00:00:18,310 --> 00:00:15,839

is trepidation of young men

7
00:00:21,590 --> 00:00:18,320

we were children our parents told us

8
00:00:24,070 --> 00:00:21,600

that monsters didn't exist

9
00:00:27,189 --> 00:00:24,080

but we were sure that something was

10
00:00:31,750 --> 00:00:27,199

lurking under the bed or in the closet

11
00:00:34,790 --> 00:00:31,760

fear sees even if our eyes are closed

12
00:00:37,990 --> 00:00:34,800

welcome to the realm of the arcane

13
00:00:38,630 --> 00:00:38,000

my name is lon stripler join me as i

14

00:00:41,150 --> 00:00:38,640

examine

15

00:00:45,510 --> 00:00:41,160

unexplained creatures strange

16

00:00:48,470 --> 00:00:45,520

manifestations and remarkable realities

17

00:00:51,110 --> 00:00:48,480

imagine this next hour as a voyage of

18

00:00:54,150 --> 00:00:51,120

discovery to strange lands

19

00:00:56,709 --> 00:00:54,160

seeking not for new territory but for

20

00:00:59,510 --> 00:00:56,719

new knowledge of the supernatural

21

00:01:00,900 --> 00:00:59,520

come on board as we begin this adventure

22

00:01:04,950 --> 00:01:00,910

together

23

00:01:07,990 --> 00:01:06,950

hey folks good evening and welcome to

24

00:01:10,390 --> 00:01:08,000

another episode of

25

00:01:11,670 --> 00:01:10,400

arcane radio where we explore the

26

00:01:14,950 --> 00:01:11,680

unexplained

27

00:01:16,870 --> 00:01:14,960

live on beyond explanation i'm your host

28

00:01:18,149 --> 00:01:16,880

lon strickler coming to you within a

29

00:01:20,469 --> 00:01:18,159

canon shot

30

00:01:22,149 --> 00:01:20,479

of historic gettysburg pennsylvania

31

00:01:24,230 --> 00:01:22,159

thanks for joining us now

32

00:01:27,670 --> 00:01:24,240

just quick note uh arcane radio and

33

00:01:29,670 --> 00:01:27,680

beyond explanation channel uh

34

00:01:30,870 --> 00:01:29,680

is made possible only by you liking

35

00:01:34,069 --> 00:01:30,880

subscribing and

36

00:01:37,109 --> 00:01:34,079

sharing our programming super chat

37

00:01:38,789 --> 00:01:37,119

excuse me super chat donations are

38

00:01:41,429 --> 00:01:38,799

essential for us to continue

39

00:01:45,190 --> 00:01:41,439

offering this unique content so your

40

00:01:47,429 --> 00:01:45,200

consideration is very much appreciated

41

00:01:48,310 --> 00:01:47,439

uh and for those folks in the chat

42

00:01:50,789 --> 00:01:48,320

tonight

43

00:01:52,469 --> 00:01:50,799

uh if you have questions about bigfoot

44

00:01:55,270 --> 00:01:52,479

other cryptids or

45

00:01:55,830 --> 00:01:55,280

any unexplained phenomena well this is

46

00:01:58,950 --> 00:01:55,840

14

47

00:02:01,190 --> 00:01:58,960

friday this is our new segment so

48

00:02:03,510 --> 00:02:01,200

let the members of the fans of monsters

49

00:02:05,830 --> 00:02:03,520

14 research team help you with the

50

00:02:08,630 --> 00:02:05,840

answers

51
00:02:10,550 --> 00:02:08,640
so uh it's been a busy week i mean it's

52
00:02:12,630 --> 00:02:10,560
been some crazy stuff going on now as

53
00:02:15,110 --> 00:02:12,640
many of you know

54
00:02:15,670 --> 00:02:15,120
i i'm working on a new case and i talked

55
00:02:19,510 --> 00:02:15,680
about it

56
00:02:22,949 --> 00:02:19,520
in the ash line editing segment um

57
00:02:26,070 --> 00:02:22,959
this supposed injured cold

58
00:02:28,869 --> 00:02:26,080
incident uh an individual who's been an

59
00:02:31,589 --> 00:02:28,879
associate of mine who lives in

60
00:02:32,550 --> 00:02:31,599
queens new york got a call from his

61
00:02:37,030 --> 00:02:32,560
friend

62
00:02:41,190 --> 00:02:37,040
who lives north in upstate new york

63
00:02:44,869 --> 00:02:41,200

uh in hartwick new york now

64
00:02:45,430 --> 00:02:44,879
what happened was she had seen she was

65
00:02:49,509 --> 00:02:45,440
outside

66
00:02:51,830 --> 00:02:49,519
it was dark but she had seen a dark

67
00:02:53,030 --> 00:02:51,840
winged humanoid the former dark wing

68
00:02:54,550 --> 00:02:53,040
humanoid

69
00:02:56,150 --> 00:02:54,560
and of course the frightener she know

70
00:02:57,350 --> 00:02:56,160
what it was so she came running in the

71
00:02:59,910 --> 00:02:57,360
house

72
00:03:02,390 --> 00:02:59,920
and she gave hit this guy my friend my

73
00:03:04,309 --> 00:03:02,400
associate her friend to call

74
00:03:07,830 --> 00:03:04,319
and uh because she he was in the

75
00:03:10,470 --> 00:03:07,840
paranormal and uh

76
00:03:11,990 --> 00:03:10,480
she told him what she saw and as they

77
00:03:14,229 --> 00:03:12,000
were talking

78
00:03:15,430 --> 00:03:14,239
the call waiting came up and on the

79
00:03:18,949 --> 00:03:15,440
screen it said

80
00:03:19,509 --> 00:03:18,959
injured cold and there was no phone

81
00:03:21,750 --> 00:03:19,519
number

82
00:03:23,030 --> 00:03:21,760
no other information she answered the

83
00:03:24,789 --> 00:03:23,040
phone

84
00:03:26,949 --> 00:03:24,799
and this guy on the other end of the

85
00:03:29,110 --> 00:03:26,959
phone on the other end of the line said

86
00:03:30,149 --> 00:03:29,120
do not tell anybody about what you just

87
00:03:32,789 --> 00:03:30,159
saw

88
00:03:34,390 --> 00:03:32,799

my name is kindred cole but she freaked

89

00:03:37,270 --> 00:03:34,400

out and hung up

90

00:03:38,070 --> 00:03:37,280

and she told her associate what had just

91

00:03:39,990 --> 00:03:38,080

happened

92

00:03:42,070 --> 00:03:40,000

and this was no more like 20 minutes

93

00:03:45,270 --> 00:03:42,080

after the sighting

94

00:03:46,949 --> 00:03:45,280

well as she was talking to the associate

95

00:03:50,470 --> 00:03:46,959

again

96

00:03:53,670 --> 00:03:50,480

you're cold

97

00:03:56,630 --> 00:03:53,680

well she didn't answer this time so

98

00:03:57,030 --> 00:03:56,640

he drove up there the other day and he's

99

00:04:00,309 --> 00:03:57,040

still

100

00:04:03,589 --> 00:04:00,319

up there and he's investigating this so

101
00:04:04,149 --> 00:04:03,599
if uh i know he's gonna write up a

102
00:04:07,030 --> 00:04:04,159
report

103
00:04:09,350 --> 00:04:07,040
give us an idea what's going on i've got

104
00:04:12,789 --> 00:04:09,360
other team members who may be able to

105
00:04:13,990 --> 00:04:12,799
to help out if he needs it but this is

106
00:04:16,550 --> 00:04:14,000
something that may take some

107
00:04:17,349 --> 00:04:16,560
time to look into you know i talked to

108
00:04:20,469 --> 00:04:17,359
uh

109
00:04:21,349 --> 00:04:20,479
dr raymond keller the other night and he

110
00:04:23,670 --> 00:04:21,359
suggested

111
00:04:25,830 --> 00:04:23,680
that this may very well be some type of

112
00:04:29,189 --> 00:04:25,840
government thing

113
00:04:31,909 --> 00:04:29,199

of course you know uh the uh

114

00:04:32,790 --> 00:04:31,919

the derenberger sightings near parker

115

00:04:35,110 --> 00:04:32,800

parkersburg

116

00:04:36,070 --> 00:04:35,120

um west virginia where this whole

117

00:04:39,270 --> 00:04:36,080

injured cold thing

118

00:04:40,550 --> 00:04:39,280

started there were uh

119

00:04:43,350 --> 00:04:40,560

and a lot of people don't know this

120

00:04:45,990 --> 00:04:43,360

because this was in november 1966

121

00:04:47,670 --> 00:04:46,000

so this was about the time it's the walt

122

00:04:49,430 --> 00:04:47,680

man sighing started

123

00:04:52,070 --> 00:04:49,440

in point pleasant with perkinsburg's

124

00:04:55,110 --> 00:04:52,080

about 55 miles north of there

125

00:04:59,430 --> 00:04:55,120

and uh a lot of people don't know

126

00:05:02,310 --> 00:04:59,440

that they were mothman wing humanoid and

127

00:05:04,870 --> 00:05:02,320

ufo sightings in the parkerberg area

128

00:05:07,110 --> 00:05:04,880

during this period

129

00:05:08,469 --> 00:05:07,120

so uh yeah that's what we're working

130

00:05:10,230 --> 00:05:08,479

with right now so

131

00:05:12,390 --> 00:05:10,240

you know i've got raymond involved with

132

00:05:14,870 --> 00:05:12,400

this and of course my associate

133

00:05:15,430 --> 00:05:14,880

and we've got a team who knows about it

134

00:05:19,430 --> 00:05:15,440

now

135

00:05:22,230 --> 00:05:19,440

if anything comes up

136

00:05:23,270 --> 00:05:22,240

we'll we'll keep you informed on it so

137

00:05:26,150 --> 00:05:23,280

tonight

138

00:05:28,070 --> 00:05:26,160

i welcome fans of monsters 40 research

139

00:05:31,029 --> 00:05:28,080

investigators

140

00:05:33,270 --> 00:05:31,039

carter bouchard and marcus ellis tell

141

00:05:35,590 --> 00:05:33,280

arcane ready for discussion

142

00:05:37,029 --> 00:05:35,600

uh recent investigations and reports of

143

00:05:40,150 --> 00:05:37,039

14 supernatural

144

00:05:41,909 --> 00:05:40,160

and paranormal happens now marcus

145

00:05:43,350 --> 00:05:41,919

conducts most of his work in the state

146

00:05:46,230 --> 00:05:43,360

of mississippi

147

00:05:47,110 --> 00:05:46,240

after seeing the patterson bigfoot film

148

00:05:49,189 --> 00:05:47,120

and

149

00:05:51,270 --> 00:05:49,199

the legend of bogey creek as a kid he

150

00:05:52,230 --> 00:05:51,280

has studied the world of sasquatch ever

151
00:05:53,909 --> 00:05:52,240
since

152
00:05:57,309 --> 00:05:53,919
is one of the lead investigators for the

153
00:05:59,510 --> 00:05:57,319
mississippi based research group

154
00:06:00,950 --> 00:05:59,520
m-b-e-e-s-t or m-best which is

155
00:06:04,150 --> 00:06:00,960
mississippi

156
00:06:06,070 --> 00:06:04,160
bigfoot evidence search team and

157
00:06:08,870 --> 00:06:06,080
carter has been an investigator with

158
00:06:11,110 --> 00:06:08,880
bfro for about 12 years

159
00:06:12,629 --> 00:06:11,120
originally from texas he currently lives

160
00:06:15,110 --> 00:06:12,639
in missouri

161
00:06:15,990 --> 00:06:15,120
he's had over 75 reports published in

162
00:06:18,390 --> 00:06:16,000
bfo

163
00:06:19,350 --> 00:06:18,400

our website he's telling me now it was

164

00:06:22,230 --> 00:06:19,360

almost it was

165

00:06:23,990 --> 00:06:22,240

over 90 now i think and he has

166

00:06:25,510 --> 00:06:24,000

interviewed over 200 witnesses and

167

00:06:27,029 --> 00:06:25,520

counting he is an experienced

168

00:06:30,150 --> 00:06:27,039

outdoorsman trained

169

00:06:33,830 --> 00:06:30,160

as an investigator for mufon he

170

00:06:36,230 --> 00:06:33,840

studied hertology in college long time

171

00:06:38,070 --> 00:06:36,240

special interest in sasquatch long-term

172

00:06:41,110 --> 00:06:38,080

habituation sites

173

00:06:44,150 --> 00:06:41,120

burial research infrasound language and

174

00:06:46,830 --> 00:06:44,160

and stick structures and carter's recent

175

00:06:49,110 --> 00:06:46,840

book is titled sasquatch evidence of an

176

00:06:50,550 --> 00:06:49,120

enigma and i

177

00:06:52,550 --> 00:06:50,560

believe you should get that you're

178

00:06:53,589 --> 00:06:52,560

involved with bigfoot because

179

00:06:55,670 --> 00:06:53,599

it's got a lot of interesting

180

00:06:58,150 --> 00:06:55,680

information there so guys

181

00:06:59,749 --> 00:06:58,160

thanks for coming on the show tonight

182

00:07:02,950 --> 00:06:59,759

thanks for having me

183

00:07:05,670 --> 00:07:02,960

hey thanks for having us

184

00:07:07,029 --> 00:07:05,680

so uh i guess we all start out and i

185

00:07:08,950 --> 00:07:07,039

guess we're going to talk a bit about

186

00:07:10,710 --> 00:07:08,960

bigfoot before we start

187

00:07:12,390 --> 00:07:10,720

uh answering some you know some of the

188

00:07:14,070 --> 00:07:12,400

questions that are in here so

189

00:07:15,430 --> 00:07:14,080

carter why don't you tell some folks

190

00:07:17,909 --> 00:07:15,440

what you've been working on i know

191

00:07:19,909 --> 00:07:17,919

you're you're doing your second book now

192

00:07:21,110 --> 00:07:19,919

uh what's some what's some of the stuff

193

00:07:23,110 --> 00:07:21,120

of interest

194

00:07:24,309 --> 00:07:23,120

well uh the second book it's going to be

195

00:07:27,430 --> 00:07:24,319

you know

196

00:07:31,189 --> 00:07:27,440

enigma too basically uh but uh it's

197

00:07:34,710 --> 00:07:31,199

more uh metaphysical

198

00:07:37,990 --> 00:07:34,720

quantum uh paranormal

199

00:07:40,070 --> 00:07:38,000

uh type reports uh

200

00:07:42,150 --> 00:07:40,080

it may or may not include your standard

201

00:07:44,869 --> 00:07:42,160

you know bigfoot road crossing but

202

00:07:46,230 --> 00:07:44,879

uh the people are coming out of the

203

00:07:48,469 --> 00:07:46,240

woodwork now with some

204

00:07:49,990 --> 00:07:48,479

off-the-wall stuff and it's a stuff that

205

00:07:51,589 --> 00:07:50,000

nobody else will touch

206

00:07:52,950 --> 00:07:51,599

you know the main reporting agencies

207

00:07:54,469 --> 00:07:52,960

don't want to touch it if it's got any

208

00:07:55,749 --> 00:07:54,479

kind of paranormal

209

00:07:57,510 --> 00:07:55,759

i really hate that word it's a dirty

210

00:07:59,589 --> 00:07:57,520

word but anyway so

211

00:08:01,909 --> 00:07:59,599

that's what i'm gathering and some of it

212

00:08:05,670 --> 00:08:01,919

is just like

213

00:08:08,070 --> 00:08:05,680

what you know uh but uh

214

00:08:09,270 --> 00:08:08,080

it it's crazy stuff people need to hear

215

00:08:09,909 --> 00:08:09,280

this you don't have to necessarily

216

00:08:10,950 --> 00:08:09,919

believe

217

00:08:13,110 --> 00:08:10,960

any of this stuff but you have to at

218

00:08:14,550 --> 00:08:13,120

least consider it because we're banging

219

00:08:15,749 --> 00:08:14,560

our heads against the wall with a dumb

220

00:08:16,629 --> 00:08:15,759

ape in the woods theory so we got to

221

00:08:18,390 --> 00:08:16,639

keep moving

222

00:08:20,150 --> 00:08:18,400

and you know come up with some other

223

00:08:25,189 --> 00:08:20,160

ideas you know

224

00:08:30,070 --> 00:08:26,869

excellent so marcus what have you been

225

00:08:35,110 --> 00:08:33,190

well um with covid and everything i

226

00:08:37,029 --> 00:08:35,120

haven't been able to get with

227

00:08:39,670 --> 00:08:37,039

you know doug and karen randall who are

228

00:08:41,190 --> 00:08:39,680

the the founders of mbest

229

00:08:43,990 --> 00:08:41,200

i think they've been out in the field a

230

00:08:46,630 --> 00:08:44,000

little bit uh you know on their own

231

00:08:47,350 --> 00:08:46,640

and i've done a little bit on my own but

232

00:08:49,509 --> 00:08:47,360

um

233

00:08:51,269 --> 00:08:49,519

and i didn't know this about carter but

234

00:08:52,150 --> 00:08:51,279

uh we kind of have something else in

235

00:08:55,110 --> 00:08:52,160

common

236

00:08:57,509 --> 00:08:55,120

um i'm a big uh a mufon field

237

00:08:59,829 --> 00:08:57,519

investigator and i've been doing more

238

00:09:00,630 --> 00:08:59,839

i've been doing more ufo investigations

239

00:09:04,150 --> 00:09:00,640

for mufon

240

00:09:07,910 --> 00:09:04,160

than i have anything else all year so

241

00:09:09,190 --> 00:09:07,920

uh with covid doing the damage that it's

242

00:09:12,630 --> 00:09:09,200

done

243

00:09:14,070 --> 00:09:12,640

thank you um uh mufon has had me rolling

244

00:09:16,470 --> 00:09:14,080

i mean

245

00:09:20,070 --> 00:09:16,480

we don't get a lot we don't get a lot of

246

00:09:22,070 --> 00:09:20,080

bigfoot stuff and cryptic stuff because

247

00:09:24,470 --> 00:09:22,080

i don't know people in mississippi i've

248

00:09:27,590 --> 00:09:24,480

said this before and i'll say it again

249

00:09:28,230 --> 00:09:27,600

people down here they're really reticent

250

00:09:32,150 --> 00:09:28,240

about

251

00:09:36,070 --> 00:09:32,160

really they're really private

252

00:09:37,750 --> 00:09:36,080

but now if if there's a ufo sighting

253

00:09:39,590 --> 00:09:37,760

people tend to be a little more open

254

00:09:40,550 --> 00:09:39,600

here in mississippi and we'll talk about

255

00:09:43,430 --> 00:09:40,560

that so

256

00:09:45,110 --> 00:09:43,440

uh they've kept me and my fellow field

257

00:09:47,350 --> 00:09:45,120

investigators with mufon they've

258

00:09:49,990 --> 00:09:47,360

they've had us hopping so but i haven't

259

00:09:51,190 --> 00:09:50,000

had a couple of weird things happen in

260

00:09:54,949 --> 00:09:51,200

the bigfoot

261

00:09:55,910 --> 00:09:54,959

yes yes pascagoula i've come across some

262

00:09:58,949 --> 00:09:55,920

things

263

00:10:01,509 --> 00:09:58,959

that never made mainstream news

264

00:10:02,230 --> 00:10:01,519

that that i've been looking into so uh

265

00:10:04,949 --> 00:10:02,240

but yeah

266

00:10:06,230 --> 00:10:04,959

bigfoot's uh he's alive and well in

267

00:10:08,710 --> 00:10:06,240

mississippi

268

00:10:11,110 --> 00:10:08,720

i say that all the time too and i've had

269

00:10:13,829 --> 00:10:11,120

some some recent activity

270

00:10:15,030 --> 00:10:13,839

so he they haven't gone anywhere that's

271

00:10:17,829 --> 00:10:15,040

that's for certain

272

00:10:19,350 --> 00:10:17,839

yeah well we're coming into the season

273

00:10:21,509 --> 00:10:19,360

now of course it's

274

00:10:23,670 --> 00:10:21,519

fairly warm down you all boo arden right

275

00:10:25,509 --> 00:10:23,680

now and you know it's it's not bad here

276

00:10:28,069 --> 00:10:25,519

i mean it's been warm

277

00:10:29,910 --> 00:10:28,079

and uh you know people can start getting

278

00:10:32,310 --> 00:10:29,920

out there and start seeing stuff

279

00:10:33,110 --> 00:10:32,320

and you're right the ufo sightings have

280

00:10:34,790 --> 00:10:33,120

been

281

00:10:37,430 --> 00:10:34,800

pretty steady the whole way through this

282

00:10:39,430 --> 00:10:37,440

gowdy thing uh butch has been busy as

283

00:10:42,310 --> 00:10:39,440

hell i mean i have been here

284

00:10:42,710 --> 00:10:42,320

in pennsylvania with uh with sightings

285

00:10:45,030 --> 00:10:42,720

so

286

00:10:46,470 --> 00:10:45,040

uh and i have had sightings down in

287

00:10:49,590 --> 00:10:46,480

mississippi i've had people

288

00:10:51,990 --> 00:10:49,600

telling me about things they've seen so

289

00:10:53,030 --> 00:10:52,000

you know that area has been pretty busy

290

00:10:56,230 --> 00:10:53,040

even over the years

291

00:10:59,509 --> 00:10:56,240

so well you know like i said

292

00:10:59,990 --> 00:10:59,519

uh and you know carter you mentioned

293

00:11:01,509 --> 00:11:00,000

with the

294

00:11:05,110 --> 00:11:01,519

uh we were talking about this before the

295

00:11:07,110 --> 00:11:05,120

show about the supernatural aspect of uh

296

00:11:08,470 --> 00:11:07,120

this phenomena of bigfoot even other

297

00:11:11,910 --> 00:11:08,480

cryptids as well

298

00:11:14,949 --> 00:11:11,920

yeah uh i

299

00:11:16,230 --> 00:11:14,959

i like most most people in this field

300

00:11:18,150 --> 00:11:16,240

now

301
00:11:19,910 --> 00:11:18,160
think that there is a connection in the

302
00:11:20,870 --> 00:11:19,920
paranormals and i'm talking about all

303
00:11:24,389 --> 00:11:20,880
kinds of things

304
00:11:29,110 --> 00:11:24,399
you know ufos uh

305
00:11:30,630 --> 00:11:29,120
ghosts anything as far as crypt is good

306
00:11:32,389 --> 00:11:30,640
there's some type of connection

307
00:11:33,829 --> 00:11:32,399
somewhere uh

308
00:11:36,150 --> 00:11:33,839
a lot of times you'll get into an

309
00:11:36,710 --> 00:11:36,160
investigation something else just pops

310
00:11:39,350 --> 00:11:36,720
up

311
00:11:41,110 --> 00:11:39,360
like huh didn't see that coming you know

312
00:11:43,030 --> 00:11:41,120
you know just like with the uh

313
00:11:44,949 --> 00:11:43,040

the wing humanoid settings now we're

314

00:11:47,269 --> 00:11:44,959

getting ufo and

315

00:11:49,430 --> 00:11:47,279

other humanoid settings associated with

316

00:11:52,310 --> 00:11:49,440

it and you know that's been going on for

317

00:11:56,629 --> 00:11:52,320

years with bigfoot so

318

00:11:59,590 --> 00:11:56,639

interesting yeah and i i

319

00:12:00,949 --> 00:11:59,600

from the last book i got a guy contacted

320

00:12:03,590 --> 00:12:00,959

my website and i've just

321

00:12:06,150 --> 00:12:03,600

finished writing up his story he had a

322

00:12:08,949 --> 00:12:06,160

sasquatch corner him and his dog

323

00:12:11,430 --> 00:12:08,959

and he basically had six hours of

324

00:12:14,310 --> 00:12:11,440

missing time

325

00:12:15,190 --> 00:12:14,320

and so that's a conundrum in and of

326

00:12:16,949 --> 00:12:15,200

itself

327

00:12:18,870 --> 00:12:16,959

uh you know he was working on his house

328

00:12:21,350 --> 00:12:18,880

he's he's adding on to his uh

329

00:12:22,629 --> 00:12:21,360

cabin uh up in the you know the hills i

330

00:12:24,949 --> 00:12:22,639

can't say where but he

331

00:12:26,710 --> 00:12:24,959

he's got a nice cabin his wife was

332

00:12:27,430 --> 00:12:26,720

pregnant at the time they had a newborn

333

00:12:29,990 --> 00:12:27,440

already

334

00:12:31,990 --> 00:12:30,000

so he had moved her out of the house and

335

00:12:33,350 --> 00:12:32,000

moved a travel trailer onto his property

336

00:12:34,790 --> 00:12:33,360

so he could stay there

337

00:12:36,470 --> 00:12:34,800

and scab off the electricity because

338

00:12:38,150 --> 00:12:36,480

everything was turned off in the house

339

00:12:39,750 --> 00:12:38,160

so he's gathering up the tools and he's

340

00:12:41,509 --> 00:12:39,760

kind of subcontracting this so in the

341

00:12:41,990 --> 00:12:41,519

mornings all workers show up and he you

342

00:12:43,750 --> 00:12:42,000

know

343

00:12:45,269 --> 00:12:43,760

delegates you go here you go do this and

344

00:12:47,430 --> 00:12:45,279

all that so he's putting his tools away

345

00:12:50,230 --> 00:12:47,440

it's about 11 11 30 one night

346

00:12:52,470 --> 00:12:50,240

and he had some activity but it's few

347

00:12:55,990 --> 00:12:52,480

and far between but this

348

00:12:57,430 --> 00:12:56,000

ten foot squatch just appeared uh

349

00:12:59,030 --> 00:12:57,440

made a noise came out of the woods and

350

00:12:59,350 --> 00:12:59,040

it was about 11 30 he could see him full

351
00:13:00,710 --> 00:12:59,360
moon

352
00:13:02,949 --> 00:13:00,720
at night there's some you know lights

353
00:13:04,790 --> 00:13:02,959
around the property it started walking

354
00:13:07,509 --> 00:13:04,800
toward him so he freaked

355
00:13:09,030 --> 00:13:07,519
and grabbed his dog 110 pound german

356
00:13:11,350 --> 00:13:09,040
shepherd that was

357
00:13:13,350 --> 00:13:11,360
cowering and didn't want to go anywhere

358
00:13:15,430 --> 00:13:13,360
near it they ran into the

359
00:13:16,550 --> 00:13:15,440
trailer uh he realized he didn't have a

360
00:13:17,750 --> 00:13:16,560
weapon with him he went through the

361
00:13:20,230 --> 00:13:17,760
drawers grabbed a

362
00:13:21,750 --> 00:13:20,240
carving knife he locked himself in the

363
00:13:24,470 --> 00:13:21,760

bathroom with his dog

364

00:13:27,350 --> 00:13:24,480

with a knife pointed out like this at

365

00:13:31,190 --> 00:13:27,360

the door just waiting for him to come in

366

00:13:34,470 --> 00:13:31,200

and that was about 11 30 and

367

00:13:37,430 --> 00:13:34,480

he awoke at 5 30 the next morning

368

00:13:38,470 --> 00:13:37,440

in the same position he was in and his

369

00:13:41,110 --> 00:13:38,480

dog

370

00:13:43,509 --> 00:13:41,120

was still out his uh he was in a transit

371

00:13:47,350 --> 00:13:43,519

he was his eyes were open

372

00:13:48,790 --> 00:13:47,360

and when he stood up he realized i

373

00:13:50,790 --> 00:13:48,800

don't feel like i've been in the same

374

00:13:51,910 --> 00:13:50,800

position for six hours i feel like

375

00:13:54,550 --> 00:13:51,920

refreshed and

376

00:13:55,269 --> 00:13:54,560

like it just happened you know overnight

377

00:13:58,710 --> 00:13:55,279

i mean

378

00:13:59,670 --> 00:13:58,720

in a split second so but he had six

379

00:14:01,750 --> 00:13:59,680

hours

380

00:14:05,269 --> 00:14:01,760

of missing time and a sasquatch was

381

00:14:10,150 --> 00:14:07,670

i have suggested that he go to do some

382

00:14:12,389 --> 00:14:10,160

regression hypnosis to maybe perhaps

383

00:14:15,509 --> 00:14:12,399

find out because i've done regression

384

00:14:18,150 --> 00:14:15,519

hypnosis and i found out a lot of stuff

385

00:14:19,430 --> 00:14:18,160

that i was unaware of so it's not that

386

00:14:21,110 --> 00:14:19,440

bad you just got to find the right

387

00:14:22,629 --> 00:14:21,120

people to do it but that that's the

388

00:14:26,069 --> 00:14:22,639

first one that i've

389

00:14:28,069 --> 00:14:26,079

taken where

390

00:14:29,269 --> 00:14:28,079

he had missing time with the sasquatch

391

00:14:31,030 --> 00:14:29,279

you know i've heard of the report

392

00:14:33,110 --> 00:14:31,040

obviously with missing time and you know

393

00:14:34,629 --> 00:14:33,120

alien abductions and the you know the

394

00:14:36,550 --> 00:14:34,639

genetics and all all the stuff they're

395

00:14:38,150 --> 00:14:36,560

doing you know but this was just really

396

00:14:40,790 --> 00:14:38,160

bizarre and he's

397

00:14:42,550 --> 00:14:40,800

very moved by it he wants to find out

398

00:14:45,750 --> 00:14:42,560

he's very troubled

399

00:14:46,389 --> 00:14:45,760

and i told him you know if you find out

400

00:14:49,509 --> 00:14:46,399

what happened

401
00:14:51,590 --> 00:14:49,519
it'll be less stress than you

402
00:14:52,550 --> 00:14:51,600
wondering about it for the next 20 30

403
00:14:54,629 --> 00:14:52,560
years of your life

404
00:14:56,069 --> 00:14:54,639
just find out what it was and and deal

405
00:14:56,870 --> 00:14:56,079
with it if it's too painful and too

406
00:14:59,910 --> 00:14:56,880
traumatic

407
00:15:02,550 --> 00:14:59,920
well we'll lay off a little bit you know

408
00:15:04,470 --> 00:15:02,560
do it in steps but it does work you know

409
00:15:05,590 --> 00:15:04,480
i've been under twice with dolores

410
00:15:08,069 --> 00:15:05,600
cannon bless her heart

411
00:15:08,710 --> 00:15:08,079
rest in peace she's a great lady she was

412
00:15:10,069 --> 00:15:08,720
and uh

413
00:15:12,310 --> 00:15:10,079

her daughters are still running her

414

00:15:15,590 --> 00:15:12,320

operation down there in arkansas

415

00:15:16,389 --> 00:15:15,600

anyway that was a unique report and we

416

00:15:17,829 --> 00:15:16,399

both are like

417

00:15:20,949 --> 00:15:17,839

scratching their heads because you know

418

00:15:24,310 --> 00:15:20,959

there's that six hours of missing time

419

00:15:25,590 --> 00:15:24,320

and he has no explanation

420

00:15:28,389 --> 00:15:25,600

well there is one he's just gonna have

421

00:15:31,269 --> 00:15:28,399

to dig for it you know pretty cool stuff

422

00:15:32,389 --> 00:15:31,279

well you know i've heard this situation

423

00:15:36,470 --> 00:15:32,399

before you know

424

00:15:39,670 --> 00:15:36,480

and um you know that all comes back to

425

00:15:41,829 --> 00:15:39,680

what people think bigfoot really is is

426

00:15:43,269 --> 00:15:41,839

it some type of non-trustual being you

427

00:15:47,509 --> 00:15:43,279

know i had a um

428

00:15:50,550 --> 00:15:47,519

i had an habituations uh uh

429

00:15:54,470 --> 00:15:50,560

case i was working on nova scotia

430

00:15:57,269 --> 00:15:54,480

and the guy who owned the farm

431

00:15:59,110 --> 00:15:57,279

uh who's deceased now unfortunately uh

432

00:15:59,910 --> 00:15:59,120

he had the same thing he was missing

433

00:16:03,829 --> 00:15:59,920

time

434

00:16:05,670 --> 00:16:03,839

sighting of the bigfoot

435

00:16:07,269 --> 00:16:05,680

he would have missing time he wouldn't

436

00:16:09,110 --> 00:16:07,279

he didn't know what happened

437

00:16:10,310 --> 00:16:09,120

he'd always find himself laying in bed

438

00:16:11,990 --> 00:16:10,320

and waking up

439

00:16:13,910 --> 00:16:12,000

almost like it was like a dream but it

440

00:16:17,350 --> 00:16:13,920

wasn't you know of course

441

00:16:18,870 --> 00:16:17,360

but yeah it is weird you know we had a

442

00:16:25,110 --> 00:16:18,880

discussion

443

00:16:29,189 --> 00:16:25,120

in the chat about why do the

444

00:16:29,829 --> 00:16:29,199

eyes of the bigfoot shine the way down

445

00:16:33,030 --> 00:16:29,839

you know

446

00:16:36,150 --> 00:16:33,040

is it related to uh uh

447

00:16:37,829 --> 00:16:36,160

the um you know just like with dogs and

448

00:16:39,670 --> 00:16:37,839

other animal cats where they have the

449

00:16:41,430 --> 00:16:39,680

reflective

450

00:16:42,949 --> 00:16:41,440

gather you know the gathering light

451

00:16:44,629 --> 00:16:42,959

reflective uh

452

00:16:46,230 --> 00:16:44,639

part of the retina where it actually

453

00:16:48,829 --> 00:16:46,240

shines back uh

454

00:16:51,269 --> 00:16:48,839

do you think this that you think this is

455

00:16:51,990 --> 00:16:51,279

something similar to that or you think

456

00:16:58,949 --> 00:16:52,000

it may be

457

00:17:01,509 --> 00:16:58,959

with the eye glows well the glowing eyes

458

00:17:02,870 --> 00:17:01,519

you've got two different categories i

459

00:17:06,870 --> 00:17:02,880

glow and i shine

460

00:17:09,189 --> 00:17:06,880

i glow they produce their own light

461

00:17:10,789 --> 00:17:09,199

and i shine is reflective it's ambient

462

00:17:11,429 --> 00:17:10,799

light headlights or a flashlight or

463

00:17:14,150 --> 00:17:11,439

whatever

464

00:17:15,909 --> 00:17:14,160

so i have seen them up in iowa on a

465

00:17:18,949 --> 00:17:15,919

nighttime expedition

466

00:17:21,350 --> 00:17:18,959

uh i've seen the beams

467

00:17:22,309 --> 00:17:21,360

coming out of the eyes hitting the

468

00:17:25,909 --> 00:17:22,319

ground

469

00:17:27,429 --> 00:17:25,919

it was white but they were

470

00:17:29,350 --> 00:17:27,439

there was a beam coming out i mean it

471

00:17:31,190 --> 00:17:29,360

just it is what it is

472

00:17:32,310 --> 00:17:31,200

and so there's no ambient light we're in

473

00:17:32,950 --> 00:17:32,320

the middle of the woods in the middle of

474

00:17:34,470 --> 00:17:32,960

nowhere

475

00:17:36,150 --> 00:17:34,480

you know so there's no ambient light

476

00:17:40,350 --> 00:17:36,160

there's no headlights campfire

477

00:17:43,830 --> 00:17:40,360

lanterns nothing so that was

478

00:17:46,549 --> 00:17:43,840

self-produced how they do it

479

00:17:48,070 --> 00:17:46,559

don't know you know uh i i've getting

480

00:17:48,470 --> 00:17:48,080

i've got several reports on the new book

481

00:17:50,789 --> 00:17:48,480

where

482

00:17:52,390 --> 00:17:50,799

they've got red light uh red eyes in

483

00:17:54,710 --> 00:17:52,400

there in broad daylight

484

00:17:55,510 --> 00:17:54,720

and they're seeing the eyes go on now so

485

00:17:58,630 --> 00:17:55,520

i i

486

00:18:00,950 --> 00:17:58,640

i'm trying to decide if it's a a stress

487

00:18:02,870 --> 00:18:00,960

situation that triggers this you know

488

00:18:04,150 --> 00:18:02,880

like an alarm thing where they just you

489

00:18:04,710 --> 00:18:04,160

know they get stressed and hyper and

490

00:18:10,390 --> 00:18:04,720

they're

491

00:18:11,590 --> 00:18:10,400

they don't know what to do but the eyes

492

00:18:14,390 --> 00:18:11,600

got red

493

00:18:16,549 --> 00:18:14,400

and it was generated it was daylight and

494

00:18:17,830 --> 00:18:16,559

there was nothing to reflect off of it

495

00:18:20,070 --> 00:18:17,840

was in a forest and

496

00:18:21,750 --> 00:18:20,080

this guy and his father watched this

497

00:18:23,029 --> 00:18:21,760

creature it was do all kinds of

498

00:18:24,230 --> 00:18:23,039

gymnastics but

499

00:18:26,710 --> 00:18:24,240

there's two different kinds so they can

500

00:18:28,390 --> 00:18:26,720

produce it or it's reflective

501
00:18:29,909 --> 00:18:28,400
you know and the stuff where they're

502
00:18:32,630 --> 00:18:29,919
producing the light

503
00:18:33,510 --> 00:18:32,640
there's something there that's just you

504
00:18:34,789 --> 00:18:33,520
know

505
00:18:35,909 --> 00:18:34,799
you can't make that up especially if

506
00:18:37,350 --> 00:18:35,919
you've seen them there's people who have

507
00:18:39,669 --> 00:18:37,360
seen

508
00:18:40,870 --> 00:18:39,679
the beams coming out i was with four

509
00:18:44,390 --> 00:18:40,880
other people so

510
00:18:47,510 --> 00:18:44,400
it's there either we're all nuts

511
00:18:51,590 --> 00:18:47,520
stoners or it's happening

512
00:18:54,310 --> 00:18:51,600
you know we all took a vote it happened

513
00:18:55,110 --> 00:18:54,320

you know i mean it was like holy crap

514

00:18:58,310 --> 00:18:55,120

you know

515

00:19:02,470 --> 00:18:58,320

yeah so some so marcus what's your

516

00:19:05,590 --> 00:19:04,549

again i i'm gonna have to lean it

517

00:19:08,870 --> 00:19:05,600

towards the

518

00:19:11,190 --> 00:19:08,880

to being a little bit of both uh

519

00:19:12,870 --> 00:19:11,200

now the reports that i've heard and and

520

00:19:15,270 --> 00:19:12,880

gotten here in mississippi

521

00:19:16,070 --> 00:19:15,280

is more i shine i haven't talked to

522

00:19:21,110 --> 00:19:16,080

anyone

523

00:19:24,710 --> 00:19:21,120

it's been more eyes shine

524

00:19:26,950 --> 00:19:24,720

but as we started talking earlier in

525

00:19:29,830 --> 00:19:26,960

this you know the show

526

00:19:32,150 --> 00:19:29,840

um you know that back in the day they

527

00:19:34,310 --> 00:19:32,160

used to refer to this in the ufo world

528

00:19:37,990 --> 00:19:34,320

as high strangeness

529

00:19:40,870 --> 00:19:38,000

and you know uh i always bring up john

530

00:19:42,070 --> 00:19:40,880

keel john keel when when he got started

531

00:19:44,470 --> 00:19:42,080

looking into

532

00:19:46,230 --> 00:19:44,480

well mothman and all these other things

533

00:19:48,950 --> 00:19:46,240

that he started looking into of course

534

00:19:51,350 --> 00:19:48,960

he really started out with ufos you know

535

00:19:53,190 --> 00:19:51,360

he was a nuts and bolts guy these things

536

00:19:57,430 --> 00:19:53,200

are nuts and bowls

537

00:19:59,510 --> 00:19:57,440

but he started getting off into it

538

00:20:01,909 --> 00:19:59,520

and then the next thing he knows he's

539

00:20:02,630 --> 00:20:01,919

dealing with poulter guys he's dealing

540

00:20:07,029 --> 00:20:02,640

with

541

00:20:10,789 --> 00:20:07,039

cattle mutilations

542

00:20:15,190 --> 00:20:10,799

so it's

543

00:20:20,549 --> 00:20:15,200

big bigfoot winds up in that bag

544

00:20:24,390 --> 00:20:20,559

and you know what what do you make of it

545

00:20:24,710 --> 00:20:24,400

heck if i know but the important thing

546

00:20:27,590 --> 00:20:24,720

is

547

00:20:28,870 --> 00:20:27,600

as carter pointed out you can't take

548

00:20:32,149 --> 00:20:28,880

this

549

00:20:34,789 --> 00:20:32,159

and sit that over here

550

00:20:37,029 --> 00:20:34,799

and go i'm not gonna fool with that i'm

551
00:20:39,830 --> 00:20:37,039
just gonna fool with this

552
00:20:41,190 --> 00:20:39,840
if you do that you're not an

553
00:20:43,510 --> 00:20:41,200
investigator

554
00:20:45,669 --> 00:20:43,520
you're not a researcher you've made your

555
00:20:48,789 --> 00:20:45,679
mind up you've solved the case

556
00:20:49,830 --> 00:20:48,799
time to pack it in and go home and i'm

557
00:20:52,870 --> 00:20:49,840
an investigator

558
00:20:54,549 --> 00:20:52,880
i'm a researcher so uh

559
00:20:56,630 --> 00:20:54,559
i mean goodness lawn that's like the

560
00:20:58,630 --> 00:20:56,640
case that you had me look into with the

561
00:21:00,950 --> 00:20:58,640
gentleman

562
00:21:02,310 --> 00:21:00,960
who who had bigfoot on his property

563
00:21:04,870 --> 00:21:02,320

remember that case you

564

00:21:05,990 --> 00:21:04,880

let me look into he had bigfoot on his

565

00:21:09,510 --> 00:21:06,000

property

566

00:21:10,789 --> 00:21:09,520

he had all type of ghost activity in the

567

00:21:15,270 --> 00:21:10,799

house

568

00:21:18,390 --> 00:21:15,280

uh then he leaves and joins the military

569

00:21:23,110 --> 00:21:18,400

he he witnesses at 30 000 feet

570

00:21:24,870 --> 00:21:23,120

a ufo he's in his bedroom in nashville

571

00:21:25,909 --> 00:21:24,880

tennessee he wakes up at three o'clock

572

00:21:28,149 --> 00:21:25,919

in the morning

573

00:21:30,710 --> 00:21:28,159

and there's a gray standing there you

574

00:21:33,990 --> 00:21:30,720

know in the corner of the room

575

00:21:36,149 --> 00:21:34,000

this is one guy but he had all these

576

00:21:39,510 --> 00:21:36,159

things happen to him

577

00:21:41,029 --> 00:21:39,520

in the course of his life so you you

578

00:21:43,350 --> 00:21:41,039

can't

579

00:21:44,470 --> 00:21:43,360

oh like hell's gate i always talk about

580

00:21:47,590 --> 00:21:44,480

hell's gate

581

00:21:49,350 --> 00:21:47,600

again mk davis introduced me to hell's

582

00:21:51,350 --> 00:21:49,360

gate he took me out there

583

00:21:53,909 --> 00:21:51,360

and the first one of the first nights we

584

00:21:57,270 --> 00:21:53,919

were there we have got concrete

585

00:22:00,870 --> 00:21:57,280

in the bag bigfoot activity going on

586

00:22:01,750 --> 00:22:00,880

so i started going out there on my own

587

00:22:05,029 --> 00:22:01,760

where these three

588

00:22:09,510 --> 00:22:08,390

name it i've had it happen residual

589

00:22:12,870 --> 00:22:09,520

hauntings

590

00:22:16,230 --> 00:22:12,880

uh a demonic encounter uh

591

00:22:19,510 --> 00:22:16,240

wood knocks name it

592

00:22:20,149 --> 00:22:19,520

ufo activity name it and i've

593

00:22:22,950 --> 00:22:20,159

experienced

594

00:22:24,710 --> 00:22:22,960

it at this one spot and it all it all

595

00:22:27,750 --> 00:22:24,720

sprang from

596

00:22:28,310 --> 00:22:27,760

going there following a hunch thinking

597

00:22:30,870 --> 00:22:28,320

that it's

598

00:22:32,230 --> 00:22:30,880

it's bigfoot and and i believe that it

599

00:22:37,029 --> 00:22:32,240

is

600

00:22:39,110 --> 00:22:37,039

other activity

601
00:22:41,270 --> 00:22:39,120
yeah so you can't you can't be an

602
00:22:43,430 --> 00:22:41,280
investigator and close the door

603
00:22:46,710 --> 00:22:43,440
uh you got to take it all in and you got

604
00:22:50,390 --> 00:22:48,549
that's correct you know it's kind of

605
00:22:54,870 --> 00:22:50,400
like um just like here in

606
00:22:57,990 --> 00:22:54,880
gettysburg we get a lot of bigfoot

607
00:23:00,470 --> 00:22:58,000
reports on the battlefield ufo reports

608
00:23:01,750 --> 00:23:00,480
it's almost like they're attracted to

609
00:23:05,190 --> 00:23:01,760
all the spirit energy

610
00:23:05,510 --> 00:23:05,200
on the battlefield uh it's weird i mean

611
00:23:07,190 --> 00:23:05,520
i

612
00:23:08,789 --> 00:23:07,200
you know when you go out there you

613
00:23:11,270 --> 00:23:08,799

almost sense

614

00:23:12,230 --> 00:23:11,280

that there's something else out there

615

00:23:14,390 --> 00:23:12,240

and i

616

00:23:15,350 --> 00:23:14,400

of course i'm intuitive i kind of pick

617

00:23:18,950 --> 00:23:15,360

up on that

618

00:23:21,270 --> 00:23:18,960

but it's hard to explain uh we did get a

619

00:23:24,470 --> 00:23:21,280

question here

620

00:23:27,029 --> 00:23:24,480

uh indigenous people say you should

621

00:23:31,750 --> 00:23:27,039

never look into the eyes of sasquatch

622

00:23:38,310 --> 00:23:35,510

what do you think it is lore

623

00:23:39,990 --> 00:23:38,320

and myth for sure with the indigenous

624

00:23:42,789 --> 00:23:40,000

peoples and native americans

625

00:23:43,669 --> 00:23:42,799

and and on up into canada and alaska

626

00:23:47,750 --> 00:23:43,679

it's

627

00:23:49,990 --> 00:23:47,760

gender generation whether it was

628

00:23:51,350 --> 00:23:50,000

meant to scare the children to keep them

629

00:23:53,269 --> 00:23:51,360

close to camp

630

00:23:55,269 --> 00:23:53,279

or if it's a real thing i think they

631

00:23:58,870 --> 00:23:55,279

really truly believe

632

00:24:00,870 --> 00:23:58,880

that that is a form of betrayal

633

00:24:02,310 --> 00:24:00,880

to look them in the eye because they are

634

00:24:05,350 --> 00:24:02,320

to be worshipped in their

635

00:24:08,470 --> 00:24:05,360

superior you know but that's how

636

00:24:11,029 --> 00:24:08,480

mythology started you know yeah

637

00:24:11,909 --> 00:24:11,039

yeah can you show me somebody who's been

638

00:24:15,029 --> 00:24:11,919

struck down

639

00:24:15,830 --> 00:24:15,039

and killed because you looked at a

640

00:24:18,870 --> 00:24:15,840

sasquatch

641

00:24:19,430 --> 00:24:18,880

you know i mean it it sounds frightening

642

00:24:22,549 --> 00:24:19,440

and if

643

00:24:23,909 --> 00:24:22,559

these glowing eyes and i've seen the the

644

00:24:25,510 --> 00:24:23,919

glowing eyes

645

00:24:27,029 --> 00:24:25,520

uh we weren't looking at one another

646

00:24:28,149 --> 00:24:27,039

they were looking down at the ground

647

00:24:29,750 --> 00:24:28,159

because we could watch them they weren't

648

00:24:30,630 --> 00:24:29,760

looking at me but we were looking at

649

00:24:32,470 --> 00:24:30,640

them so

650

00:24:34,870 --> 00:24:32,480

if there was some repercussion we didn't

651
00:24:36,710 --> 00:24:34,880
get it you know but there was no direct

652
00:24:39,990 --> 00:24:36,720
eye contact so

653
00:24:43,350 --> 00:24:40,000
i think belief in that mythology

654
00:24:44,789 --> 00:24:43,360
will certainly enhance the relationship

655
00:24:46,789 --> 00:24:44,799
you have with the sasquatch if you come

656
00:24:48,470 --> 00:24:46,799
face-to-face with look him in the eye

657
00:24:50,470 --> 00:24:48,480
and maybe he will turn away and won't

658
00:24:52,149 --> 00:24:50,480
look at him and sasquatch don't like to

659
00:24:54,390 --> 00:24:52,159
be looked at they don't like to be

660
00:24:55,590 --> 00:24:54,400
uh looked in the eye and i'm working

661
00:24:58,310 --> 00:24:55,600
with a guy now

662
00:24:59,430 --> 00:24:58,320
on the second book that is talking about

663
00:25:03,510 --> 00:24:59,440

this very thing

664

00:25:07,190 --> 00:25:03,520

the avoid eye contact at all costs

665

00:25:09,269 --> 00:25:07,200

uh because you know we have these

666

00:25:11,110 --> 00:25:09,279

cameras we have boxes with eyeballs on

667

00:25:14,630 --> 00:25:11,120

them we stick on trees

668

00:25:17,029 --> 00:25:14,640

and they that's like sticking a

669

00:25:18,310 --> 00:25:17,039

camera in your living room marcus or

670

00:25:19,909 --> 00:25:18,320

lawn you stick a camera up in your

671

00:25:20,950 --> 00:25:19,919

corner your living room how long before

672

00:25:22,470 --> 00:25:20,960

you see it's there

673

00:25:23,669 --> 00:25:22,480

well who's doing it who's spying on it

674

00:25:24,390 --> 00:25:23,679

what are they looking at it's humans i

675

00:25:27,510 --> 00:25:24,400

don't want you

676

00:25:30,310 --> 00:25:27,520

so there's there's something

677

00:25:30,870 --> 00:25:30,320

with native americans native americans

678

00:25:33,269 --> 00:25:30,880

when

679

00:25:35,590 --> 00:25:33,279

white men started taking their picture

680

00:25:39,110 --> 00:25:35,600

i'm getting to a point i'm getting

681

00:25:40,870 --> 00:25:39,120

uh they thought the camera lens stole

682

00:25:42,390 --> 00:25:40,880

your soul

683

00:25:44,230 --> 00:25:42,400

and that goes back right there's a

684

00:25:46,230 --> 00:25:44,240

symbiotic relationship with with uh you

685

00:25:47,430 --> 00:25:46,240

know native americans in sasquatch going

686

00:25:50,149 --> 00:25:47,440

back

687

00:25:51,430 --> 00:25:50,159

10 000 years 5 000. just pick a number

688

00:25:53,990 --> 00:25:51,440

you know they're going to pick up

689

00:25:55,029 --> 00:25:54,000

those belief systems you know and they

690

00:25:57,510 --> 00:25:55,039

will shy away

691

00:25:58,950 --> 00:25:57,520

and native americans hated having their

692

00:26:00,950 --> 00:25:58,960

picture taken

693

00:26:02,310 --> 00:26:00,960

because i think many of them had to go

694

00:26:05,590 --> 00:26:02,320

get cleansed

695

00:26:06,789 --> 00:26:05,600

or had some prayers told over them or

696

00:26:09,110 --> 00:26:06,799

for them

697

00:26:09,990 --> 00:26:09,120

if they had their pictures taken you

698

00:26:12,549 --> 00:26:10,000

know

699

00:26:14,070 --> 00:26:12,559

uh not all tribes but anyway i think

700

00:26:15,750 --> 00:26:14,080

that whole thing with the eye

701
00:26:17,510 --> 00:26:15,760
and looking in the eye and we have a

702
00:26:19,669 --> 00:26:17,520
camera with a

703
00:26:20,630 --> 00:26:19,679
eyeball on it and a tree that is their

704
00:26:23,510 --> 00:26:20,640
living room

705
00:26:24,149 --> 00:26:23,520
you know there's probably is some truth

706
00:26:27,350 --> 00:26:24,159
to that

707
00:26:30,149 --> 00:26:27,360
or a belief system you know but

708
00:26:30,870 --> 00:26:30,159
i have not heard anybody that has been

709
00:26:32,870 --> 00:26:30,880
injured or

710
00:26:36,149 --> 00:26:32,880
even heard about it i haven't maybe

711
00:26:40,710 --> 00:26:36,159
marcus has i haven't heard anything but

712
00:26:45,909 --> 00:26:41,990
if i was worried about looking in the

713
00:26:48,950 --> 00:26:47,909

i i haven't heard of that either carter

714

00:26:50,549 --> 00:26:48,960

i mean i i yeah

715

00:26:53,990 --> 00:26:50,559

you know i've i've never heard that

716

00:26:57,029 --> 00:26:54,000

neither but but usually

717

00:26:59,990 --> 00:26:57,039

that being said

718

00:27:01,510 --> 00:27:00,000

when when a lot of people encounter

719

00:27:03,909 --> 00:27:01,520

sasquatch

720

00:27:04,549 --> 00:27:03,919

especially someone who is not looking

721

00:27:07,110 --> 00:27:04,559

for them

722

00:27:08,950 --> 00:27:07,120

a lot of times when you're like us a lot

723

00:27:11,350 --> 00:27:08,960

of times when you're investigating and

724

00:27:12,870 --> 00:27:11,360

you're going and looking

725

00:27:15,430 --> 00:27:12,880

most of the time you don't find you

726

00:27:18,630 --> 00:27:15,440

don't see bigfoot it's the people who

727

00:27:20,310 --> 00:27:18,640

who happen upon him or bigfoot happens

728

00:27:24,470 --> 00:27:20,320

upon them

729

00:27:25,990 --> 00:27:24,480

but uh is is it it's it's tough enough

730

00:27:28,950 --> 00:27:26,000

for a lot of people

731

00:27:29,750 --> 00:27:28,960

when they do see bigfoot when they

732

00:27:32,789 --> 00:27:29,760

realize

733

00:27:35,029 --> 00:27:32,799

they are looking at something that their

734

00:27:38,870 --> 00:27:35,039

mom and dad that their teachers

735

00:27:42,070 --> 00:27:38,880

and their college professors told them

736

00:27:44,389 --> 00:27:42,080

that does not exist that creature

737

00:27:45,750 --> 00:27:44,399

does not exist that's that's a legend

738

00:27:48,630 --> 00:27:45,760

that's a myth

739

00:27:50,870 --> 00:27:48,640

but when you talk to witnesses when you

740

00:27:54,070 --> 00:27:50,880

listen to witnesses

741

00:27:57,269 --> 00:27:54,080

i saw this thing it was eight feet tall

742

00:28:03,269 --> 00:27:57,279

it was as wide as my refrigerator and it

743

00:28:07,029 --> 00:28:03,279

looked like it was staring into my soul

744

00:28:10,710 --> 00:28:07,039

i i mean it's a life-changing experience

745

00:28:14,230 --> 00:28:10,720

yeah and uh you know it

746

00:28:17,909 --> 00:28:14,240

i mean that's enough i mean

747

00:28:18,389 --> 00:28:17,919

people are just gobsmacked when they

748

00:28:24,710 --> 00:28:18,399

when they

749

00:28:29,510 --> 00:28:27,909

yeah they are and and you know i've got

750

00:28:32,470 --> 00:28:29,520

a guy that's going to be in

751
00:28:33,590 --> 00:28:32,480
i'm working on his story uh now he was

752
00:28:36,230 --> 00:28:33,600
25 feet away

753
00:28:37,990 --> 00:28:36,240
staring at a sasquatch and this thing

754
00:28:40,310 --> 00:28:38,000
had this

755
00:28:42,070 --> 00:28:40,320
the joker kind of smile it was just this

756
00:28:44,870 --> 00:28:42,080
big grin it was looking right at him

757
00:28:45,669 --> 00:28:44,880
just standing right there and they were

758
00:28:49,430 --> 00:28:45,679
looking

759
00:28:52,310 --> 00:28:49,440
eye to eye nothing happened now maybe

760
00:28:53,110 --> 00:28:52,320
the sasquatch doesn't have those skill

761
00:28:56,149 --> 00:28:53,120
sets maybe

762
00:28:58,950 --> 00:28:56,159
he didn't feel threatened so he didn't

763
00:29:00,549 --> 00:28:58,960

zap the guy you know and that's another

764

00:29:01,430 --> 00:29:00,559

thing you know looking into the eye of a

765

00:29:03,510 --> 00:29:01,440

sasquatch

766

00:29:05,909 --> 00:29:03,520

you could be a form of transmitting

767

00:29:08,149 --> 00:29:05,919

zapping or infrasound

768

00:29:09,909 --> 00:29:08,159

uh not that you really need that because

769

00:29:12,789 --> 00:29:09,919

they can affect you with that

770

00:29:13,830 --> 00:29:12,799

without you being anywhere physically

771

00:29:16,070 --> 00:29:13,840

close to them

772

00:29:17,110 --> 00:29:16,080

you know i've i've had that my wife and

773

00:29:19,990 --> 00:29:17,120

i had that

774

00:29:21,029 --> 00:29:20,000

i've experienced that at a distance yeah

775

00:29:25,430 --> 00:29:21,039

i have too

776

00:29:29,430 --> 00:29:25,440

uh yeah so um so somebody could say

777

00:29:34,230 --> 00:29:31,190

yeah i'm sorry carter go ahead no go

778

00:29:37,350 --> 00:29:35,990

well i was just gonna say that that like

779

00:29:40,470 --> 00:29:37,360

you and your wife

780

00:29:42,870 --> 00:29:40,480

i've experienced uh infrasound i mean

781

00:29:43,669 --> 00:29:42,880

you know we're asking about the eyes and

782

00:29:46,549 --> 00:29:43,679

talking about

783

00:29:47,510 --> 00:29:46,559

what a bigfoot's eyes can do to to you

784

00:29:50,549 --> 00:29:47,520

or whatever

785

00:29:53,990 --> 00:29:50,559

uh but infrasound to me is

786

00:29:57,190 --> 00:29:54,000

is i don't know it

787

00:30:00,149 --> 00:29:57,200

i'll use the word tangible but but

788

00:30:02,310 --> 00:30:00,159

it's a lot more reported uh i've

789

00:30:05,750 --> 00:30:02,320
experienced infrasound

790

00:30:08,630 --> 00:30:05,760
at least three times uh one time

791

00:30:09,830 --> 00:30:08,640
uh these things were way off we never

792

00:30:12,870 --> 00:30:09,840
saw them

793

00:30:16,710 --> 00:30:12,880
but again i was with mk davis and we

794

00:30:17,750 --> 00:30:16,720
both at the same time the same this is

795

00:30:20,710 --> 00:30:17,760
like our you know

796

00:30:23,430 --> 00:30:20,720
mid-morning we're investigating this

797

00:30:27,590 --> 00:30:23,440
place out around belzona mississippi

798

00:30:31,190 --> 00:30:27,600
and we both got violently sick

799

00:30:32,549 --> 00:30:31,200
violently sick at the exact same time

800

00:30:35,029 --> 00:30:32,559
and and you know you can sit there and

801
00:30:37,190 --> 00:30:35,039
go okay well they must have stopped at

802
00:30:38,950 --> 00:30:37,200
mcdonald's and got bad breakfast at the

803
00:30:43,590 --> 00:30:38,960
same time together

804
00:30:46,789 --> 00:30:43,600
we didn't now mk stopped at mcdonald's

805
00:30:50,549 --> 00:30:46,799
i had breakfast at home so we weren't

806
00:30:52,710 --> 00:30:50,559
both sick because of what we ate

807
00:30:55,110 --> 00:30:52,720
it it was there was activity going on

808
00:30:59,669 --> 00:30:55,120
around us and we got zapped

809
00:31:02,710 --> 00:30:59,679
and i've been in a location by myself

810
00:31:04,630 --> 00:31:02,720
and the minute i got out of my car i

811
00:31:05,830 --> 00:31:04,640
mean the split second i stepped out of

812
00:31:10,070 --> 00:31:05,840
my car

813
00:31:13,509 --> 00:31:10,080

i had an overwhelming sense of fear

814

00:31:14,710 --> 00:31:13,519

i was terrified i mean just absolutely

815

00:31:18,149 --> 00:31:14,720

from head to toe

816

00:31:19,590 --> 00:31:18,159

i almost just got back in my car and

817

00:31:22,149 --> 00:31:19,600

went home

818

00:31:23,990 --> 00:31:22,159

but i was like no you you're an

819

00:31:26,070 --> 00:31:24,000

investigator you need to

820

00:31:27,430 --> 00:31:26,080

suck it up a little bit and let's let's

821

00:31:31,990 --> 00:31:27,440

push forward

822

00:31:35,110 --> 00:31:32,000

but it was terror i mean sheer terror

823

00:31:36,789 --> 00:31:35,120

yeah it is totally unnatural

824

00:31:39,269 --> 00:31:36,799

yeah now the same for me you know i've

825

00:31:41,990 --> 00:31:39,279

been i took my wife

826
00:31:42,789 --> 00:31:42,000
to one of my research areas and we were

827
00:31:46,070 --> 00:31:42,799
both

828
00:31:49,430 --> 00:31:46,080
zapped yet we

829
00:31:52,870 --> 00:31:49,440
both had completely different reactions

830
00:31:55,590 --> 00:31:52,880
not like unmk where you both got ill

831
00:31:56,710 --> 00:31:55,600
i mean she was freaked out from the

832
00:31:58,870 --> 00:31:56,720
moment we got there

833
00:32:00,230 --> 00:31:58,880
she had that you know that creepy you

834
00:32:02,470 --> 00:32:00,240
know

835
00:32:03,590 --> 00:32:02,480
tingly something's looking at me i i

836
00:32:04,950 --> 00:32:03,600
want to get out of here right now this

837
00:32:06,870 --> 00:32:04,960
is just this area is creeping me out

838
00:32:09,830 --> 00:32:06,880

it's my research area one of them

839

00:32:10,549 --> 00:32:09,840

and it's very active it's a good place i

840

00:32:12,389 --> 00:32:10,559

on the other hand

841

00:32:14,710 --> 00:32:12,399

we parked our car at the very top of

842

00:32:16,630 --> 00:32:14,720

this hill it's undrivable they have a

843

00:32:18,310 --> 00:32:16,640

big steel gate that you park in front of

844

00:32:20,230 --> 00:32:18,320

and you walk down about 100 yards to

845

00:32:21,990 --> 00:32:20,240

where i was going to take her

846

00:32:23,750 --> 00:32:22,000

and so because i wanted to show her this

847

00:32:25,190 --> 00:32:23,760

area where i had a a

848

00:32:27,750 --> 00:32:25,200

thermal sighting you know a few years

849

00:32:30,149 --> 00:32:27,760

back so as we're walking down there

850

00:32:31,430 --> 00:32:30,159

she's freaking out she's stopping every

851
00:32:32,870 --> 00:32:31,440
few steps i can't

852
00:32:34,389 --> 00:32:32,880
there's something's wrong so i i just

853
00:32:35,590 --> 00:32:34,399
you know i'm freaking out we need to get

854
00:32:36,310 --> 00:32:35,600
out of here i believe you i believe you

855
00:32:38,310 --> 00:32:36,320
let's just go

856
00:32:39,590 --> 00:32:38,320
i said no no no just i won't take you

857
00:32:40,149 --> 00:32:39,600
down here it's okay nothing's gonna

858
00:32:41,750 --> 00:32:40,159
happen

859
00:32:44,149 --> 00:32:41,760
i kind of feel it too but i'm used to

860
00:32:44,789 --> 00:32:44,159
this and so look our car is right up

861
00:32:55,509 --> 00:32:44,799
here

862
00:32:57,110 --> 00:32:55,519
going just out of habit because that's

863
00:32:58,630 --> 00:32:57,120

the only place i thought i looked down

864

00:33:00,870 --> 00:32:58,640

at the bottom of this ravine which is

865

00:33:04,070 --> 00:33:00,880

blocked by a steel gate

866

00:33:05,590 --> 00:33:04,080

i'm seeing my car i'm going

867

00:33:07,110 --> 00:33:05,600

well how'd our car get down there now

868

00:33:07,990 --> 00:33:07,120

she's freaking out even worse because

869

00:33:09,669 --> 00:33:08,000

she's going

870

00:33:11,269 --> 00:33:09,679

our car's not there it's up there i

871

00:33:12,789 --> 00:33:11,279

looked up there i said no it's not it's

872

00:33:13,990 --> 00:33:12,799

gone and she's looking up there and i'm

873

00:33:16,870 --> 00:33:14,000

shining my light

874

00:33:19,509 --> 00:33:16,880

it's not there i said she said yes it is

875

00:33:22,070 --> 00:33:19,519

it's there i'm going no it's down here

876

00:33:24,389 --> 00:33:22,080

and then i look back up and there it was

877

00:33:26,630 --> 00:33:24,399

where it should be i looked back down

878

00:33:28,789 --> 00:33:26,640

and it was not there where wasn't in the

879

00:33:31,909 --> 00:33:28,799

first place

880

00:33:33,269 --> 00:33:31,919

i was turned around so but

881

00:33:35,190 --> 00:33:33,279

i knew what was happening but at the

882

00:33:36,070 --> 00:33:35,200

same time i was going i couldn't believe

883

00:33:37,509 --> 00:33:36,080

my eyes and

884

00:33:38,870 --> 00:33:37,519

i know what's going on this is they're

885

00:33:39,590 --> 00:33:38,880

just messing with me but they were

886

00:33:43,110 --> 00:33:39,600

messing with me

887

00:33:47,230 --> 00:33:43,120

thing is uh

888

00:33:50,830 --> 00:33:47,240

infrasound two people a foot apart

889

00:33:52,230 --> 00:33:50,840

completely different reactions i'm

890

00:33:55,350 --> 00:33:52,240

hallucinating

891

00:33:55,750 --> 00:33:55,360

something i even know isn't happening

892

00:33:59,590 --> 00:33:55,760

but

893

00:34:01,029 --> 00:33:59,600

it was real and she is just totally free

894

00:34:02,470 --> 00:34:01,039

to get that creepy vibe someone's

895

00:34:03,909 --> 00:34:02,480

looking at me someone's stalking me

896

00:34:07,110 --> 00:34:03,919

someone's here you know i mean

897

00:34:07,990 --> 00:34:07,120

it so two different things like ron

898

00:34:10,710 --> 00:34:08,000

moorhead uh

899

00:34:11,109 --> 00:34:10,720

you familiar with his uh sierra sounds

900

00:34:24,950 --> 00:34:11,119

he

901
00:34:26,950 --> 00:34:24,960
cans being ripped apart and thrown down

902
00:34:29,750 --> 00:34:26,960
the mountainside they heard all their

903
00:34:30,149 --> 00:34:29,760
tools and food and fire and everything

904
00:34:32,629 --> 00:34:30,159
tint

905
00:34:34,950 --> 00:34:32,639
everything being ripped to shreds when

906
00:34:38,069 --> 00:34:34,960
it all died down it was quiet

907
00:34:39,190 --> 00:34:38,079
they walk out everything's just like it

908
00:34:45,109 --> 00:34:39,200
was

909
00:34:46,389 --> 00:34:45,119
and they all heard it so that's not four

910
00:34:47,909 --> 00:34:46,399
guys going crazy

911
00:34:49,750 --> 00:34:47,919
there's four guys had heard something

912
00:34:52,230 --> 00:34:49,760
and they were so is either mass hypnosis

913
00:34:54,790 --> 00:34:52,240

or telepathy or mind speak or

914

00:34:55,589 --> 00:34:54,800

infrasound you know and they all heard

915

00:34:59,349 --> 00:34:55,599

that and

916

00:35:01,190 --> 00:34:59,359

there was nothing there so they're not

917

00:35:02,790 --> 00:35:01,200

spooked they're not freaked out because

918

00:35:04,150 --> 00:35:02,800

they're in the dark all by themselves or

919

00:35:05,990 --> 00:35:04,160

the big you know mean squatch

920

00:35:07,670 --> 00:35:06,000

they're adult men they know what they're

921

00:35:10,870 --> 00:35:07,680

seeing and what they're not seeing and

922

00:35:12,310 --> 00:35:10,880

hearing and so how do you explain that

923

00:35:14,630 --> 00:35:12,320

stuff away

924

00:35:16,390 --> 00:35:14,640

you know ron warren i mean he's like the

925

00:35:17,589 --> 00:35:16,400

salt of the earth and honest as they

926

00:35:18,710 --> 00:35:17,599

come and

927

00:35:20,630 --> 00:35:18,720

you know he doesn't care if you don't

928

00:35:24,230 --> 00:35:20,640

believe them or not absolutely

929

00:35:25,829 --> 00:35:24,240

how do you blow that off

930

00:35:27,430 --> 00:35:25,839

and other stories just like it you know

931

00:35:30,630 --> 00:35:27,440

well you know you know

932

00:35:32,870 --> 00:35:30,640

you you that's right you can't

933

00:35:34,470 --> 00:35:32,880

and you know he expounded on that in his

934

00:35:36,069 --> 00:35:34,480

quantum bigfoot book

935

00:35:38,230 --> 00:35:36,079

i don't know if either you guys have

936

00:35:41,910 --> 00:35:38,240

ever read that but

937

00:35:48,150 --> 00:35:45,190

it opened my eyes up it really did

938

00:35:49,430 --> 00:35:48,160

it really did yeah now it's very

939

00:35:52,870 --> 00:35:49,440

intriguing and you know

940

00:35:56,829 --> 00:35:52,880

uh the uh uh

941

00:36:00,310 --> 00:35:56,839

oh there's a good question but uh the uh

942

00:36:01,109 --> 00:36:00,320

yeah a good question can be proven with

943

00:36:03,109 --> 00:36:01,119

math

944

00:36:04,310 --> 00:36:03,119

and the only way it can be disproven is

945

00:36:06,550 --> 00:36:04,320

with math

946

00:36:08,390 --> 00:36:06,560

according to wrong and it's true i mean

947

00:36:08,790 --> 00:36:08,400

it's mathematical formula so you know if

948

00:36:10,470 --> 00:36:08,800

you're

949

00:36:12,630 --> 00:36:10,480

hypothesizing certain quantum things

950

00:36:15,349 --> 00:36:12,640

that can happen with science physics

951
00:36:16,950 --> 00:36:15,359
you know math uh math is the answer and

952
00:36:18,470 --> 00:36:16,960
if you can if it's provable

953
00:36:20,150 --> 00:36:18,480
with math because that's all that's a

954
00:36:23,430 --> 00:36:20,160
universal language of all science

955
00:36:27,109 --> 00:36:23,440
is math you know so you can only unprove

956
00:36:29,510 --> 00:36:27,119
it you can't just so well that's baloney

957
00:36:30,950 --> 00:36:29,520
show me that it can't happen i think

958
00:36:32,069 --> 00:36:30,960
it's like you know einstein or max

959
00:36:35,430 --> 00:36:32,079
planck or way back

960
00:36:38,390 --> 00:36:35,440
you know the theorists come up with

961
00:36:39,510 --> 00:36:38,400
the theories and they're proven to be

962
00:36:42,550 --> 00:36:39,520
possible if not

963
00:36:43,750 --> 00:36:42,560

probable so how do you blow something

964

00:36:45,030 --> 00:36:43,760

off because you just

965

00:36:46,870 --> 00:36:45,040

don't believe it that's too incredible

966

00:36:47,750 --> 00:36:46,880

that's too much like star trek i mean

967

00:36:55,349 --> 00:36:47,760

you know

968

00:36:57,589 --> 00:36:55,359

yeah we had this every day

969

00:36:58,470 --> 00:36:57,599

in the past did settlers acknowledge the

970

00:37:01,349 --> 00:36:58,480

strange creatures

971

00:37:04,069 --> 00:37:01,359

well yeah they did and i know that for a

972

00:37:05,990 --> 00:37:04,079

fact i mean here in uh

973

00:37:07,190 --> 00:37:06,000

southern pennsylvania and i lived in

974

00:37:10,950 --> 00:37:07,200

maryland but you know

975

00:37:14,950 --> 00:37:10,960

they had what they call the dwell and uh

976

00:37:17,990 --> 00:37:14,960

basically it was what people got

977

00:37:18,950 --> 00:37:18,000

an upright canine or a dog man and of

978

00:37:22,069 --> 00:37:18,960

course

979

00:37:24,150 --> 00:37:22,079

when the german settlers uh started

980

00:37:25,510 --> 00:37:24,160

moving into the farms in southern

981

00:37:29,109 --> 00:37:25,520

pennsylvania

982

00:37:30,230 --> 00:37:29,119

and into western maryland all these dual

983

00:37:32,870 --> 00:37:30,240

reports were coming

984

00:37:34,310 --> 00:37:32,880

in you know of course a lot of people

985

00:37:36,310 --> 00:37:34,320

thought they were talking about

986

00:37:38,630 --> 00:37:36,320

werewolves or stuff that was part of the

987

00:37:39,750 --> 00:37:38,640

lore in in old germany back in the old

988

00:37:42,470 --> 00:37:39,760

country

989

00:37:44,390 --> 00:37:42,480

but you know i have seen some i have

990

00:37:46,790 --> 00:37:44,400

seen some uh

991

00:37:47,670 --> 00:37:46,800

some of these stories that are pretty

992

00:37:51,030 --> 00:37:47,680

frightening and

993

00:37:53,030 --> 00:37:51,040

um you know it was uh you know it's

994

00:37:54,390 --> 00:37:53,040

pretty well known around here

995

00:37:55,829 --> 00:37:54,400

that these these things may have

996

00:37:58,310 --> 00:37:55,839

happened of course you know we get these

997

00:38:00,550 --> 00:37:58,320

sightings of pennsylvania pretty steady

998

00:38:03,670 --> 00:38:00,560

so uh yeah what do you guys think about

999

00:38:05,349 --> 00:38:03,680

with settlers and such and uh

1000

00:38:08,150 --> 00:38:05,359

people that came into the colonies or

1001
00:38:11,910 --> 00:38:08,160
even just beyond that

1002
00:38:14,790 --> 00:38:11,920
well i i'm i'm friends with the

1003
00:38:15,510 --> 00:38:14,800
native american uh the cherokee in

1004
00:38:19,750 --> 00:38:15,520
oklahoma

1005
00:38:20,069 --> 00:38:19,760
and uh he's got thousands of stories and

1006
00:38:26,710 --> 00:38:20,079
i

1007
00:38:30,310 --> 00:38:26,720
grandfather and an uncle

1008
00:38:31,829 --> 00:38:30,320
and this was in the early 1900s

1009
00:38:33,670 --> 00:38:31,839
and so but it goes further back than

1010
00:38:35,829 --> 00:38:33,680
that you know uh

1011
00:38:37,349 --> 00:38:35,839
you know they had no running water and

1012
00:38:41,109 --> 00:38:37,359
no electricity so

1013
00:38:43,750 --> 00:38:41,119

uh the uh grandfather was

1014

00:38:46,470 --> 00:38:43,760

babysitting the uncle so the grandfather

1015

00:38:48,069 --> 00:38:46,480

had to leave for a while 15 minutes to

1016

00:38:48,870 --> 00:38:48,079

go down the creek get water and come

1017

00:38:52,150 --> 00:38:48,880

back

1018

00:38:55,349 --> 00:38:52,160

middle of nowhere

1019

00:38:57,990 --> 00:38:55,359

you know on tribal land in oklahoma

1020

00:38:58,630 --> 00:38:58,000

there's a sasquatch looking over his

1021

00:39:02,550 --> 00:38:58,640

uncle

1022

00:39:05,270 --> 00:39:02,560

in the crib just looking over

1023

00:39:06,310 --> 00:39:05,280

the baby there's only one way in one way

1024

00:39:10,069 --> 00:39:06,320

out

1025

00:39:11,270 --> 00:39:10,079

he backed away said you may leave

1026

00:39:13,270 --> 00:39:11,280

please get out of here there's a lot of

1027

00:39:14,950 --> 00:39:13,280

screaming yelling but

1028

00:39:16,550 --> 00:39:14,960

and that's in the early 1900s and it

1029

00:39:19,430 --> 00:39:16,560

goes back you know again with the native

1030

00:39:21,910 --> 00:39:19,440

americans and settlers you know and

1031

00:39:23,109 --> 00:39:21,920

there's all kinds of you know mythology

1032

00:39:27,430 --> 00:39:23,119

and folklore

1033

00:39:29,270 --> 00:39:27,440

tales but you know the vikings and 1400s

1034

00:39:32,630 --> 00:39:29,280

supposedly saw

1035

00:39:35,510 --> 00:39:32,640

uh sasquatch wild hairy crazy

1036

00:39:36,950 --> 00:39:35,520

wild men i believe it was more on the

1037

00:39:38,310 --> 00:39:36,960

east coast i believe that's where they

1038

00:39:39,510 --> 00:39:38,320

landed somewhere on the east coast i

1039

00:39:41,430 --> 00:39:39,520

can't remember but

1040

00:39:43,109 --> 00:39:41,440

they go back i cannot imagine that now

1041

00:39:44,390 --> 00:39:43,119

the the only reason nobody knows about

1042

00:39:47,990 --> 00:39:44,400

it really is

1043

00:39:50,310 --> 00:39:48,000

there's no internet you got telegraph

1044

00:39:51,910 --> 00:39:50,320

how do you telegraph now that did it did

1045

00:39:52,550 --> 00:39:51,920

it says watch how do you do that you

1046

00:39:54,710 --> 00:39:52,560

know so

1047

00:39:56,069 --> 00:39:54,720

there's just no way to share those

1048

00:39:57,430 --> 00:39:56,079

stories you know listen to somebody who

1049

00:39:59,109 --> 00:39:57,440

goes to the newspaper and say hey i just

1050

00:40:00,550 --> 00:39:59,119

saw this eight foot tall

1051
00:40:02,550 --> 00:40:00,560
red haired something i don't know what

1052
00:40:04,390 --> 00:40:02,560
it was you know

1053
00:40:05,990 --> 00:40:04,400
well you're crazy bob i'm putting that

1054
00:40:07,430 --> 00:40:06,000
in the store but it makes the papers

1055
00:40:09,109 --> 00:40:07,440
anyway so

1056
00:40:10,790 --> 00:40:09,119
you know that's out there i'm just not

1057
00:40:12,630 --> 00:40:10,800
familiar but i know it's there

1058
00:40:14,150 --> 00:40:12,640
you just brought great examples a lot i

1059
00:40:17,190 --> 00:40:14,160
mean you know we all know it's

1060
00:40:20,470 --> 00:40:17,200
it's part of our heritage you know

1061
00:40:21,270 --> 00:40:20,480
yep how about a marcus well and and it's

1062
00:40:25,349 --> 00:40:21,280
part of

1063
00:40:28,150 --> 00:40:25,359

heritage too because

1064

00:40:29,270 --> 00:40:28,160

when you talk to bigfoot researchers

1065

00:40:32,470 --> 00:40:29,280

here in the south

1066

00:40:35,510 --> 00:40:32,480

especially mississippi one of the first

1067

00:40:38,630 --> 00:40:35,520

terms that you will hear a

1068

00:40:40,150 --> 00:40:38,640

a a a bigfooter or other researchers

1069

00:40:42,550 --> 00:40:40,160

like say uh

1070

00:40:44,069 --> 00:40:42,560

you know lyle blackburn you know being a

1071

00:40:47,190 --> 00:40:44,079

famous example

1072

00:40:50,230 --> 00:40:47,200

you'll hear the term booger

1073

00:40:52,870 --> 00:40:50,240

and i heard this expression

1074

00:40:55,430 --> 00:40:52,880

when i was a little bitty boy coming up

1075

00:40:58,069 --> 00:40:55,440

in lena mississippi

1076

00:41:00,230 --> 00:40:58,079

you know you know i would hear my

1077

00:41:02,950 --> 00:41:00,240

grandparents say

1078

00:41:04,950 --> 00:41:02,960

you know talking to my mom go get marcus

1079

00:41:05,670 --> 00:41:04,960

and bring him in before that booger gets

1080

00:41:08,069 --> 00:41:05,680

him

1081

00:41:08,950 --> 00:41:08,079

now as i grow up and getting i'm

1082

00:41:11,990 --> 00:41:08,960

thinking about

1083

00:41:15,750 --> 00:41:12,000

the boogeyman the you know uh but

1084

00:41:17,510 --> 00:41:15,760

but i was hearing it remembering it

1085

00:41:21,109 --> 00:41:17,520

wrong

1086

00:41:24,470 --> 00:41:21,119

because if if you go back and you look

1087

00:41:26,950 --> 00:41:24,480

you're you're scott irish people

1088

00:41:29,190 --> 00:41:26,960

in in scotland and ireland and places

1089

00:41:33,430 --> 00:41:29,200

like that

1090

00:41:36,950 --> 00:41:33,440

what they refer to as a swamp was a bog

1091

00:41:39,430 --> 00:41:36,960

so they had these creatures

1092

00:41:41,109 --> 00:41:39,440

in england and scotland to this very day

1093

00:41:42,230 --> 00:41:41,119

they have bigfoot sightings in these

1094

00:41:44,470 --> 00:41:42,240

other countries

1095

00:41:46,950 --> 00:41:44,480

well they would refer to these creatures

1096

00:41:51,829 --> 00:41:46,960

as boggers

1097

00:41:55,670 --> 00:41:51,839

so they get on board their ships

1098

00:41:58,710 --> 00:41:55,680

they they they travel to the new land

1099

00:42:01,750 --> 00:41:58,720

they come to america so

1100

00:42:06,309 --> 00:42:01,760

their terminology their phrasing gets

1101

00:42:08,230 --> 00:42:06,319

morphed and and kind of

1102

00:42:09,829 --> 00:42:08,240

i don't know if twisted is the right

1103

00:42:13,750 --> 00:42:09,839

word it's probably not but

1104

00:42:15,910 --> 00:42:13,760

but it changes from bogger into booger

1105

00:42:17,750 --> 00:42:15,920

and a lot of bigfoot researchers who

1106

00:42:20,550 --> 00:42:17,760

have gone and looked into this

1107

00:42:21,109 --> 00:42:20,560

that's where that word comes from so

1108

00:42:25,349 --> 00:42:21,119

yeah the

1109

00:42:26,150 --> 00:42:25,359

uh you know i'm irish my ancestors are

1110

00:42:28,230 --> 00:42:26,160

irish

1111

00:42:30,390 --> 00:42:28,240

uh and i've got indian blood in me as

1112

00:42:33,589 --> 00:42:30,400

well but

1113

00:42:35,030 --> 00:42:33,599

my my ken folk from ireland they brought

1114

00:42:38,870 --> 00:42:35,040

that term

1115

00:42:41,430 --> 00:42:38,880

into mississippi with them and i again

1116

00:42:43,270 --> 00:42:41,440

uh that's that's what i remember hearing

1117

00:42:45,910 --> 00:42:43,280

the old folks

1118

00:42:46,950 --> 00:42:45,920

back in the old homestead talking about

1119

00:42:51,030 --> 00:42:46,960

the booger

1120

00:42:53,670 --> 00:42:51,040

hear that booger

1121

00:42:55,030 --> 00:42:53,680

they're talking about bigfoot that's

1122

00:42:56,950 --> 00:42:55,040

what they're talking about they're not

1123

00:42:59,190 --> 00:42:56,960

talking about michael myers

1124

00:43:00,069 --> 00:42:59,200

you know the boogeyman they're talking

1125

00:43:03,109 --> 00:43:00,079

about

1126

00:43:06,870 --> 00:43:03,119

those years

1127

00:43:08,150 --> 00:43:06,880

it took me to becoming an investigator

1128

00:43:11,589 --> 00:43:08,160

and a researcher

1129

00:43:14,710 --> 00:43:11,599

to go have that light bulb pop on

1130

00:43:17,510 --> 00:43:14,720

they were talking about bigfoot so

1131

00:43:18,950 --> 00:43:17,520

so again yes to answer the the the

1132

00:43:22,069 --> 00:43:18,960

person's question

1133

00:43:24,630 --> 00:43:22,079

uh that does come from from

1134

00:43:26,150 --> 00:43:24,640

across the sea and people who you know

1135

00:43:29,589 --> 00:43:26,160

immigrated to america

1136

00:43:31,349 --> 00:43:29,599

uh uh yeah absolutely

1137

00:43:32,309 --> 00:43:31,359

i've never heard that i never heard that

1138

00:43:33,750 --> 00:43:32,319

version before that's actually

1139

00:43:35,270 --> 00:43:33,760

interesting is that you know

1140

00:43:36,550 --> 00:43:35,280

you just i've always just thought it was

1141

00:43:37,109 --> 00:43:36,560

an american word you know because you

1142

00:43:41,670 --> 00:43:37,119

know

1143

00:43:43,910 --> 00:43:41,680

call them yeah me too

1144

00:43:45,270 --> 00:43:43,920

wood boogers and whatever you know so

1145

00:43:47,910 --> 00:43:45,280

that's interesting

1146

00:43:49,190 --> 00:43:47,920

yeah i've never i've never heard that

1147

00:43:50,309 --> 00:43:49,200

that version before that's actually kind

1148

00:43:52,069 --> 00:43:50,319

of interesting so

1149

00:43:54,550 --> 00:43:52,079

it's cool to know you know yeah it's a

1150

00:43:56,630 --> 00:43:54,560

trivia it's a bar yeah very much

1151
00:43:58,710 --> 00:43:56,640
and say i bet you i know where booger

1152
00:44:02,470 --> 00:43:58,720
come from

1153
00:44:04,870 --> 00:44:02,480
that's cool so we got

1154
00:44:07,670 --> 00:44:04,880
another question here why do you think

1155
00:44:09,510 --> 00:44:07,680
there have been a spike in encounters in

1156
00:44:12,550 --> 00:44:09,520
recent years well

1157
00:44:15,670 --> 00:44:12,560
my thoughts are the internet

1158
00:44:18,630 --> 00:44:15,680
and paranormal tv and i think

1159
00:44:20,150 --> 00:44:18,640
because of that people people are much

1160
00:44:22,950 --> 00:44:20,160
more open

1161
00:44:25,030 --> 00:44:22,960
to coming forward and making reports now

1162
00:44:28,150 --> 00:44:25,040
you guys may have different opinion

1163
00:44:31,270 --> 00:44:28,160

but uh i i believe that maybe what's

1164

00:44:33,190 --> 00:44:31,280

what's helping it anyway we think carter

1165

00:44:34,390 --> 00:44:33,200

well i think more people in the woods i

1166

00:44:37,109 --> 00:44:34,400

think

1167

00:44:38,069 --> 00:44:37,119

technology the uh cell phones are

1168

00:44:39,910 --> 00:44:38,079

getting better

1169

00:44:41,990 --> 00:44:39,920

although they're all really block swatch

1170

00:44:44,550 --> 00:44:42,000

photos the cameras are getting good

1171

00:44:46,870 --> 00:44:44,560

you know that photo i showed you guys is

1172

00:44:50,309 --> 00:44:46,880

proof that you can get

1173

00:44:51,829 --> 00:44:50,319

something on a camera you know so they

1174

00:44:53,109 --> 00:44:51,839

they do make cameras they can do that

1175

00:44:54,470 --> 00:44:53,119

work and you just have to be in the

1176

00:44:57,430 --> 00:44:54,480

right place at the right time

1177

00:44:57,990 --> 00:44:57,440

to have your camera ready and so uh you

1178

00:44:59,750 --> 00:44:58,000

know

1179

00:45:01,109 --> 00:44:59,760

that i think and people are more

1180

00:45:01,829 --> 00:45:01,119

interested in this because i think a lot

1181

00:45:03,109 --> 00:45:01,839

of people have

1182

00:45:04,710 --> 00:45:03,119

questions even though they say they

1183

00:45:06,150 --> 00:45:04,720

don't believe in it or they don't really

1184

00:45:07,750 --> 00:45:06,160

pay attention to it i think they really

1185

00:45:09,829 --> 00:45:07,760

do a lot of people do

1186

00:45:11,349 --> 00:45:09,839

they go could you really could there be

1187

00:45:12,470 --> 00:45:11,359

an eight or nine ten foot creature

1188

00:45:15,270 --> 00:45:12,480

walking around

1189

00:45:17,270 --> 00:45:15,280

no no let's go let's take a look i mean

1190

00:45:19,430 --> 00:45:17,280

you know i think people are open to it

1191

00:45:21,430 --> 00:45:19,440

if nothing else because technology is

1192

00:45:24,550 --> 00:45:21,440

getting to the point where

1193

00:45:26,790 --> 00:45:24,560

you can't dismiss it you know look at

1194

00:45:29,510 --> 00:45:26,800

the tic tac video they did not deny the

1195

00:45:30,710 --> 00:45:29,520

ufos for what 80 years humiliated people

1196

00:45:32,150 --> 00:45:30,720

ruined their lives

1197

00:45:33,750 --> 00:45:32,160

and all of a sudden we see the tic tac

1198

00:45:34,870 --> 00:45:33,760

videos oh yeah we've known about it for

1199

00:45:37,430 --> 00:45:34,880

quite a while

1200

00:45:38,069 --> 00:45:37,440

so it's gonna be the same with sasquatch

1201

00:45:40,950 --> 00:45:38,079

dna

1202

00:45:42,870 --> 00:45:40,960

and technology is gonna answer it plus

1203

00:45:45,190 --> 00:45:42,880

boots on the ground people in the woods

1204

00:45:47,030 --> 00:45:45,200

i'm a i'm a boots on the ground guy i'm

1205

00:45:47,750 --> 00:45:47,040

out there i'm getting dirty i love it

1206

00:45:49,670 --> 00:45:47,760

you know

1207

00:45:51,270 --> 00:45:49,680

i love talking to the people but yeah i

1208

00:45:52,150 --> 00:45:51,280

think people are actually interested in

1209

00:45:54,309 --> 00:45:52,160

it more than

1210

00:45:57,750 --> 00:45:54,319

they let on and that's why this fight

1211

00:46:04,790 --> 00:45:57,760

plus it's seasonal too you know

1212

00:46:10,069 --> 00:46:07,990

carter is absolutely of course right

1213

00:46:13,109 --> 00:46:10,079

uh but i also go back to what you said a

1214

00:46:16,230 --> 00:46:13,119

little while ago lon

1215

00:46:18,630 --> 00:46:16,240

the atmosphere in in

1216

00:46:19,990 --> 00:46:18,640

the united states has changed like

1217

00:46:22,790 --> 00:46:20,000

carter pointed out

1218

00:46:24,230 --> 00:46:22,800

years ago if you said you saw a ufo or

1219

00:46:26,710 --> 00:46:24,240

you saw bigfoot

1220

00:46:28,470 --> 00:46:26,720

uh you better be running somewhere

1221

00:46:29,670 --> 00:46:28,480

because the guys in the little white

1222

00:46:32,710 --> 00:46:29,680

coats are fixing to come

1223

00:46:35,829 --> 00:46:32,720

pack you up you're you're done

1224

00:46:39,109 --> 00:46:35,839

um but today and

1225

00:46:42,550 --> 00:46:39,119

this is what's funny every single

1226

00:46:45,190 --> 00:46:42,560

mufon case that i have investigated

1227

00:46:45,990 --> 00:46:45,200

one of my questions is well hey what

1228

00:46:49,349 --> 00:46:46,000

what made you

1229

00:46:51,829 --> 00:46:49,359

decide to report this to mufon

1230

00:46:52,470 --> 00:46:51,839

well i seen this tv show uh the other

1231

00:46:55,589 --> 00:46:52,480

night called

1232

00:46:57,510 --> 00:46:55,599

unidentified and and and

1233

00:47:00,630 --> 00:46:57,520

you know i've been watching this this

1234

00:47:02,950 --> 00:47:00,640

this this cool drama show on the history

1235

00:47:06,550 --> 00:47:02,960

channel called project blue book and

1236

00:47:09,910 --> 00:47:06,560

i was looking into dr j allen heineck

1237

00:47:12,470 --> 00:47:09,920

and you know i people are talking about

1238

00:47:16,069 --> 00:47:12,480

it they're talking about the tic tac

1239

00:47:17,190 --> 00:47:16,079

i don't feel alone now so the atmosphere

1240

00:47:19,190 --> 00:47:17,200

has changed

1241

00:47:20,390 --> 00:47:19,200

and that translates to what's going on

1242

00:47:22,630 --> 00:47:20,400

in our government

1243

00:47:24,630 --> 00:47:22,640

i'll use the word here for you it's

1244

00:47:27,910 --> 00:47:24,640

called youth

1245

00:47:31,430 --> 00:47:27,920

our young people who are

1246

00:47:35,430 --> 00:47:31,440

coming up the younger generation

1247

00:47:36,710 --> 00:47:35,440

they have been watching independence day

1248

00:47:45,349 --> 00:47:36,720

they've been watching

1249

00:47:48,069 --> 00:47:45,359

they're open their mind is open

1250

00:47:50,950 --> 00:47:48,079

you know to to things that were once

1251
00:47:52,470 --> 00:47:50,960
fantastical

1252
00:47:53,910 --> 00:47:52,480
they're just more open-minded and i

1253
00:47:54,710 --> 00:47:53,920
think that's creeping into our

1254
00:47:56,790 --> 00:47:54,720
government

1255
00:47:57,990 --> 00:47:56,800
i think it's creeping into uh the

1256
00:47:59,829 --> 00:47:58,000
pentagon

1257
00:48:01,990 --> 00:47:59,839
i think that's there's just an

1258
00:48:04,549 --> 00:48:02,000
atmosphere where

1259
00:48:05,990 --> 00:48:04,559
now these people like the people that

1260
00:48:09,910 --> 00:48:06,000
have come to me

1261
00:48:11,750 --> 00:48:09,920
with mufon they don't feel like

1262
00:48:13,030 --> 00:48:11,760
they they know that marcus is going to

1263
00:48:15,190 --> 00:48:13,040

listen to them they know that that

1264

00:48:18,309 --> 00:48:15,200

somebody at mufon

1265

00:48:19,430 --> 00:48:18,319

sent marcus their way and marcus is not

1266

00:48:22,470 --> 00:48:19,440

laughing

1267

00:48:24,309 --> 00:48:22,480

he's serious so people

1268

00:48:26,230 --> 00:48:24,319

are not as afraid in the morning it's

1269

00:48:31,030 --> 00:48:26,240

because of the internet it's because of

1270

00:48:36,549 --> 00:48:31,040

everything you said lawn yeah and more

1271

00:48:40,390 --> 00:48:38,069

you know it's interesting when you see

1272

00:48:43,349 --> 00:48:40,400

when you see these shows

1273

00:48:46,710 --> 00:48:43,359

uh on tv and then we talk you know talk

1274

00:48:50,309 --> 00:48:48,630

you can of course when you get a when

1275

00:48:50,950 --> 00:48:50,319

you get called say you get a telephone

1276

00:48:52,870 --> 00:48:50,960

call

1277

00:48:55,030 --> 00:48:52,880

or you you're answering the email you

1278

00:48:57,990 --> 00:48:55,040

know you can tell when people

1279

00:48:59,829 --> 00:48:58,000

are serious i mean you know yeah uh you

1280

00:49:02,230 --> 00:48:59,839

know they're not taking they're not

1281

00:49:04,230 --> 00:49:02,240

for the most part they saw something or

1282

00:49:07,510 --> 00:49:04,240

thought they saw something

1283

00:49:08,950 --> 00:49:07,520

and there's just less hesitation to come

1284

00:49:11,829 --> 00:49:08,960

forward now

1285

00:49:13,589 --> 00:49:11,839

so uh yeah and you know it kind of runs

1286

00:49:15,190 --> 00:49:13,599

into this other question

1287

00:49:18,790 --> 00:49:15,200

what's the what do you think the future

1288

00:49:21,190 --> 00:49:18,800

is sasquatch sasquatch research

1289

00:49:22,790 --> 00:49:21,200

well i think you know like you said we

1290

00:49:24,309 --> 00:49:22,800

got a lot of younger folks that are

1291

00:49:26,309 --> 00:49:24,319

involved with this

1292

00:49:28,829 --> 00:49:26,319

uh you know it's funny you mentioned

1293

00:49:30,390 --> 00:49:28,839

star wars god i was just a kid when that

1294

00:49:35,670 --> 00:49:30,400

started that was

1295

00:49:41,910 --> 00:49:39,990

yeah so uh you know but um

1296

00:49:43,030 --> 00:49:41,920

what do you think we think is the

1297

00:49:45,829 --> 00:49:43,040

destiny of

1298

00:49:46,150 --> 00:49:45,839

sasquatch research you know i i had

1299

00:49:49,910 --> 00:49:46,160

think

1300

00:49:52,870 --> 00:49:49,920

find a sasquatch say we do

1301
00:49:53,270 --> 00:49:52,880
actually have absolute proof when these

1302
00:49:56,150 --> 00:49:53,280
things

1303
00:49:58,390 --> 00:49:56,160
exist you know i've seen one i had an

1304
00:49:59,030 --> 00:49:58,400
encounter but you know there's a lot of

1305
00:50:00,950 --> 00:49:59,040
people that

1306
00:50:03,109 --> 00:50:00,960
that look for bigfoot have never seen

1307
00:50:04,710 --> 00:50:03,119
one or let alone seeing the evidence of

1308
00:50:07,750 --> 00:50:04,720
one

1309
00:50:08,870 --> 00:50:07,760
if they find if it is found or the proof

1310
00:50:12,390 --> 00:50:08,880
is there

1311
00:50:13,030 --> 00:50:12,400
is the sasquatch phenomenon are people

1312
00:50:15,670 --> 00:50:13,040
going to stop

1313
00:50:17,270 --> 00:50:15,680

looking into it or are they going to

1314

00:50:21,829 --> 00:50:17,280

expand

1315

00:50:25,750 --> 00:50:21,839

into the research and to try to find

1316

00:50:28,309 --> 00:50:25,760

something else that's related to it

1317

00:50:30,470 --> 00:50:28,319

and i i think that's what may happen i

1318

00:50:33,670 --> 00:50:30,480

think finding a bigfoot

1319

00:50:36,309 --> 00:50:33,680

will kind of give us more info

1320

00:50:38,390 --> 00:50:36,319

or more desire to look into the

1321

00:50:41,829 --> 00:50:38,400

supernatural aspect of these things

1322

00:50:42,230 --> 00:50:41,839

what do you all think i i agree uh you

1323

00:50:44,230 --> 00:50:42,240

know

1324

00:50:45,589 --> 00:50:44,240

like i said i think technology is really

1325

00:50:47,109 --> 00:50:45,599

gonna you know blow the lid off of this

1326
00:50:47,910 --> 00:50:47,119
thing because you know we only see a

1327
00:50:50,549 --> 00:50:47,920
very small

1328
00:50:52,710 --> 00:50:50,559
a spectrum of of light you know every

1329
00:50:54,950 --> 00:50:52,720
other animal on the planet

1330
00:50:56,470 --> 00:50:54,960
can see better than we can than humans i

1331
00:50:58,710 --> 00:50:56,480
mean insects

1332
00:51:00,150 --> 00:50:58,720
fish every everything you know any man

1333
00:51:01,829 --> 00:51:00,160
they they all are

1334
00:51:03,349 --> 00:51:01,839
designed to operate at night they can

1335
00:51:03,829 --> 00:51:03,359
see at night we can't we have to have

1336
00:51:06,069 --> 00:51:03,839
little

1337
00:51:07,990 --> 00:51:06,079
you know thermal cameras and goggles to

1338
00:51:10,230 --> 00:51:08,000

help us see at night you know uh

1339

00:51:12,069 --> 00:51:10,240

if we create cameras and things of that

1340

00:51:14,150 --> 00:51:12,079

nature that can

1341

00:51:15,190 --> 00:51:14,160

help us see the things tonight we're

1342

00:51:16,710 --> 00:51:15,200

really missing i'm not even talking

1343

00:51:17,589 --> 00:51:16,720

about thermal cameras i'm talking about

1344

00:51:21,430 --> 00:51:17,599

you know

1345

00:51:23,030 --> 00:51:21,440

that are

1346

00:51:24,710 --> 00:51:23,040

are right there and we just can't see

1347

00:51:25,829 --> 00:51:24,720

and we look but we can't see them i

1348

00:51:27,829 --> 00:51:25,839

think the technology

1349

00:51:29,910 --> 00:51:27,839

has to continue do they have these

1350

00:51:32,470 --> 00:51:29,920

paranormal skills we're talking about

1351

00:51:33,589 --> 00:51:32,480

quantum uh of course we'd have to

1352

00:51:36,710 --> 00:51:33,599

probably

1353

00:51:38,870 --> 00:51:36,720

talk to one or see one do these things

1354

00:51:41,030 --> 00:51:38,880

no one's ever seen them make a structure

1355

00:51:42,069 --> 00:51:41,040

you know but we know they're there you

1356

00:51:43,829 --> 00:51:42,079

know we see them

1357

00:51:45,270 --> 00:51:43,839

and they're not all made by people very

1358

00:51:45,829 --> 00:51:45,280

few are actually probably made by people

1359

00:51:48,549 --> 00:51:45,839

so

1360

00:51:50,069 --> 00:51:48,559

we have to get into the the physiology

1361

00:51:52,309 --> 00:51:50,079

and the psyche

1362

00:51:53,750 --> 00:51:52,319

of the sasquatch you know and that you

1363

00:51:55,190 --> 00:51:53,760

know i i've got witnesses that are

1364

00:51:56,630 --> 00:51:55,200

talking about mind speak you know and

1365

00:51:58,950 --> 00:51:56,640

i've done research a little bit for the

1366

00:52:01,349 --> 00:51:58,960

books anyway as far as what you

1367

00:52:03,109 --> 00:52:01,359

would actually hallucinate or think you

1368

00:52:04,069 --> 00:52:03,119

see you have to have a certain type of

1369

00:52:06,549 --> 00:52:04,079

mental condition

1370

00:52:07,190 --> 00:52:06,559

to actually hallucinate unless you're on

1371

00:52:09,750 --> 00:52:07,200

drugs

1372

00:52:11,829 --> 00:52:09,760

you know in a cliff notes version but

1373

00:52:13,510 --> 00:52:11,839

you know i think the technology

1374

00:52:16,950 --> 00:52:13,520

and dna is going to blow it off we just

1375

00:52:19,829 --> 00:52:16,960

have to once we have a body on a slab

1376
00:52:20,710 --> 00:52:19,839
we can't let them say there you go they

1377
00:52:22,790 --> 00:52:20,720
do exist

1378
00:52:24,230 --> 00:52:22,800
now let's just drop it we'll protect

1379
00:52:25,349 --> 00:52:24,240
them and put them in a little habitat

1380
00:52:28,150 --> 00:52:25,359
over here and

1381
00:52:28,950 --> 00:52:28,160
no keep digging what's all this other

1382
00:52:31,430 --> 00:52:28,960
stuff

1383
00:52:32,870 --> 00:52:31,440
that they're gonna they're gonna give us

1384
00:52:34,710 --> 00:52:32,880
that like the tic tac video

1385
00:52:36,150 --> 00:52:34,720
they give the tic tac video and was it

1386
00:52:38,790 --> 00:52:36,160
three or four months ago

1387
00:52:40,630 --> 00:52:38,800
promised us all these revelations well

1388
00:52:41,990 --> 00:52:40,640

that's it they gave us a carrot

1389

00:52:43,750 --> 00:52:42,000

we're still gonna be asking for this

1390

00:52:45,109 --> 00:52:43,760

stuff at the end of the year we've got

1391

00:52:46,549 --> 00:52:45,119

too many distractions covered and

1392

00:52:47,910 --> 00:52:46,559

whatever you know the economy

1393

00:52:49,190 --> 00:52:47,920

so same thing with you know the

1394

00:52:50,710 --> 00:52:49,200

sasquatch they're going to give us a

1395

00:52:52,549 --> 00:52:50,720

body on a slab and here they are

1396

00:52:54,230 --> 00:52:52,559

okay you finally met it all these

1397

00:52:56,470 --> 00:52:54,240

skeletons the smithsonian

1398

00:52:58,829 --> 00:52:56,480

smithsonian stolen has deep buried in

1399

00:53:04,150 --> 00:53:01,750

museum uh these are them so

1400

00:53:04,950 --> 00:53:04,160

you got us we've known them about them

1401
00:53:06,309 --> 00:53:04,960
we just want to make sure there's

1402
00:53:08,950 --> 00:53:06,319
nothing else and that's it

1403
00:53:09,910 --> 00:53:08,960
so we'll be spoon fed some garbage but

1404
00:53:12,549 --> 00:53:09,920
we can't

1405
00:53:13,910 --> 00:53:12,559
take that like we have with the tic tac

1406
00:53:16,710 --> 00:53:13,920
videos you know they they feel

1407
00:53:17,910 --> 00:53:16,720
something it's a bone oh goody they're

1408
00:53:21,750 --> 00:53:17,920
real

1409
00:53:23,349 --> 00:53:21,760
okay what else i mean you know expand

1410
00:53:25,589 --> 00:53:23,359
oh that question there yeah the

1411
00:53:28,470 --> 00:53:25,599
government knows

1412
00:53:30,870 --> 00:53:28,480
yeah lumber companies know the forest

1413
00:53:32,309 --> 00:53:30,880

service they all know

1414

00:53:34,150 --> 00:53:32,319

and they're just waiting for us to get

1415

00:53:34,630 --> 00:53:34,160

so close here they can't keep a lid on

1416

00:53:37,990 --> 00:53:34,640

it

1417

00:53:40,790 --> 00:53:38,000

can't know we

1418

00:53:41,990 --> 00:53:40,800

we've got a drone on mars and you can't

1419

00:53:44,470 --> 00:53:42,000

tell me that there's a creature

1420

00:53:45,670 --> 00:53:44,480

living in our woods you know what i mean

1421

00:53:48,390 --> 00:53:45,680

i mean yeah

1422

00:53:50,230 --> 00:53:48,400

just don't even mommy look at my face

1423

00:53:53,670 --> 00:53:50,240

slap you when you tell me that crap

1424

00:53:56,710 --> 00:53:53,680

because it's just the joke you know

1425

00:53:59,030 --> 00:53:56,720

well you look at my encounter in the uh

1426
00:53:59,829 --> 00:53:59,040
the authorities getting and feds getting

1427
00:54:02,870 --> 00:53:59,839
involved with

1428
00:54:07,510 --> 00:54:02,880
that was 40 years ago yeah so

1429
00:54:11,670 --> 00:54:10,790
it just defies logic they're definitely

1430
00:54:14,549 --> 00:54:11,680
interested in it

1431
00:54:15,510 --> 00:54:14,559
and um you know i have just seen so much

1432
00:54:19,670 --> 00:54:15,520
evidence

1433
00:54:23,109 --> 00:54:19,680
over the years that there is a distinct

1434
00:54:23,510 --> 00:54:23,119
interest by whatever agencies involved i

1435
00:54:26,150 --> 00:54:23,520
believe

1436
00:54:27,589 --> 00:54:26,160
probably military more than anything as

1437
00:54:31,349 --> 00:54:27,599
far as the bigfoot phenomena

1438
00:54:32,710 --> 00:54:31,359

absolutely yeah well when people have

1439

00:54:35,109 --> 00:54:32,720

gone missing

1440

00:54:35,750 --> 00:54:35,119

and when you when you listen to like

1441

00:54:37,910 --> 00:54:35,760

okay

1442

00:54:39,190 --> 00:54:37,920

like for example now i'm not saying

1443

00:54:42,390 --> 00:54:39,200

because i don't know

1444

00:54:44,710 --> 00:54:42,400

i wasn't there i don't know but if you

1445

00:54:46,870 --> 00:54:44,720

if you you know check out the the

1446

00:54:48,309 --> 00:54:46,880

missing person case of the little boy

1447

00:54:51,510 --> 00:54:48,319

dennis martin

1448

00:54:54,069 --> 00:54:51,520

uh you know witnesses saw

1449

00:54:54,710 --> 00:54:54,079

an upright creature carrying something

1450

00:54:59,510 --> 00:54:54,720

over it

1451
00:55:03,109 --> 00:54:59,520
this young boy

1452
00:55:06,230 --> 00:55:03,119
disappeared from you know a bear

1453
00:55:08,230 --> 00:55:06,240
is not going to sling

1454
00:55:10,390 --> 00:55:08,240
something over its shoulder and walk off

1455
00:55:13,670 --> 00:55:10,400
you're you're talking either humanoid

1456
00:55:17,270 --> 00:55:13,680
a human or you're you're talking bigfoot

1457
00:55:20,549 --> 00:55:17,280
so once this child comes up

1458
00:55:23,750 --> 00:55:20,559
really hardcore we know he's missing

1459
00:55:25,510 --> 00:55:23,760
who shows up the green beret the green

1460
00:55:27,990 --> 00:55:25,520
beret flies in

1461
00:55:28,789 --> 00:55:28,000
they set up a separate a completely

1462
00:55:32,950 --> 00:55:28,799
separate

1463
00:55:34,549 --> 00:55:32,960

search area they have nothing to do

1464

00:55:37,030 --> 00:55:34,559
with the volunteers the sheriff's

1465

00:55:41,030 --> 00:55:37,040
department the the park officials

1466

00:55:41,910 --> 00:55:41,040
the green beret search those woods for

1467

00:55:45,670 --> 00:55:41,920
that boy

1468

00:55:50,150 --> 00:55:45,680
all by themselves and refuse all contact

1469

00:55:54,789 --> 00:55:52,549
crowd control called them to this day

1470

00:55:58,230 --> 00:55:54,799
nobody knows

1471

00:55:58,710 --> 00:55:58,240
but i think yeah so so there there's

1472

00:56:00,470 --> 00:55:58,720
been

1473

00:56:02,150 --> 00:56:00,480
lots of cases where people have had

1474

00:56:06,390 --> 00:56:02,160
bigfoot sightings

1475

00:56:10,069 --> 00:56:06,400
and then all of a sudden the military

1476

00:56:12,230 --> 00:56:10,079

shows up yeah i've heard several

1477

00:56:14,390 --> 00:56:12,240

so you know there have been stories yeah

1478

00:56:18,390 --> 00:56:14,400

absolutely and if you stop and think

1479

00:56:22,710 --> 00:56:21,430

if you if you stop people if if your

1480

00:56:25,589 --> 00:56:22,720

government

1481

00:56:27,270 --> 00:56:25,599

admits hey there's this eight to ten

1482

00:56:29,990 --> 00:56:27,280

foot tall creature

1483

00:56:32,150 --> 00:56:30,000

that is again as big as my refrigerator

1484

00:56:33,910 --> 00:56:32,160

roaming the woods

1485

00:56:36,710 --> 00:56:33,920

are you going to be encouraged to go to

1486

00:56:37,829 --> 00:56:36,720

your your your state and federal parks

1487

00:56:39,910 --> 00:56:37,839

you're probably going to go i'm not

1488

00:56:41,430 --> 00:56:39,920

going i'm not going to go to the woods

1489

00:56:42,230 --> 00:56:41,440

and knowing there's something like that

1490

00:56:46,630 --> 00:56:42,240

out there

1491

00:56:49,910 --> 00:56:46,640

i think i think it's about money

1492

00:56:53,430 --> 00:56:49,920

i think it would stop a lot of

1493

00:56:54,950 --> 00:56:53,440

revenue yeah so yeah i

1494

00:56:57,109 --> 00:56:54,960

i think the government knows that

1495

00:56:57,910 --> 00:56:57,119

bigfoot exists and i don't think they're

1496

00:57:00,309 --> 00:56:57,920

keen for that

1497

00:57:02,390 --> 00:57:00,319

that information to get out either well

1498

00:57:05,670 --> 00:57:02,400

if you take the 411 books

1499

00:57:10,230 --> 00:57:08,309

take an overlay of the cave system in

1500

00:57:12,789 --> 00:57:10,240

the united states

1501
00:57:14,549 --> 00:57:12,799
and overlay it on a map of the 4-1-1

1502
00:57:17,430 --> 00:57:14,559
missing

1503
00:57:18,069 --> 00:57:17,440
heck of a close correlation with the

1504
00:57:21,750 --> 00:57:18,079
missing

1505
00:57:23,829 --> 00:57:21,760
and the cave system known

1506
00:57:25,510 --> 00:57:23,839
and purported cave system you know

1507
00:57:26,390 --> 00:57:25,520
there's certain ones they admit to and

1508
00:57:28,309 --> 00:57:26,400
certain ones

1509
00:57:30,069 --> 00:57:28,319
haven't even been explored yet but

1510
00:57:33,430 --> 00:57:30,079
there's a massive cave system

1511
00:57:37,190 --> 00:57:33,440
under under our feet you know

1512
00:57:38,309 --> 00:57:37,200
so that could be you know there's just

1513
00:57:39,829 --> 00:57:38,319

too many

1514

00:57:41,829 --> 00:57:39,839

weird things and this is another thing

1515

00:57:44,069 --> 00:57:41,839

with the research that you know pilates

1516

00:57:47,109 --> 00:57:44,079

is doing and you know technology

1517

00:57:48,789 --> 00:57:47,119

you know you just you have to and the

1518

00:57:51,430 --> 00:57:48,799

forest service doesn't even report when

1519

00:57:54,230 --> 00:57:51,440

people go missing in their own parks

1520

00:57:55,430 --> 00:57:54,240

they're not required to well yeah what

1521

00:57:57,190 --> 00:57:55,440

about like you know

1522

00:57:58,870 --> 00:57:57,200

having a soul and caring about people i

1523

00:58:00,150 --> 00:57:58,880

mean you know what what do you mean i

1524

00:58:02,069 --> 00:58:00,160

don't have to report it because

1525

00:58:03,910 --> 00:58:02,079

we're not required to well how about you

1526
00:58:04,390 --> 00:58:03,920
just like be square and honest with you

1527
00:58:06,230 --> 00:58:04,400
yeah

1528
00:58:08,470 --> 00:58:06,240
bob smith just disappeared he walked up

1529
00:58:09,829 --> 00:58:08,480
there took his shoes off and you know

1530
00:58:12,150 --> 00:58:09,839
disappeared and we've never seen him

1531
00:58:14,069 --> 00:58:12,160
again we found his backpack in his shoes

1532
00:58:16,950 --> 00:58:14,079
you know and he's folded up socks in his

1533
00:58:21,430 --> 00:58:19,589
what is that you know a very clever and

1534
00:58:25,589 --> 00:58:21,440
let me say that

1535
00:58:31,829 --> 00:58:27,750
i mean and and i'm not i'm not saying

1536
00:58:33,510 --> 00:58:31,839
that bigfoot is responsible for all

1537
00:58:35,910 --> 00:58:33,520
these disappearances i'm

1538
00:58:37,589 --> 00:58:35,920

probably cases where where bigfoot has

1539

00:58:40,870 --> 00:58:37,599

done some of this i think if you

1540

00:58:43,990 --> 00:58:40,880

if you come up on the the right

1541

00:58:45,270 --> 00:58:44,000

bigfoot like any animal you know

1542

00:58:49,750 --> 00:58:45,280

what what's going to happen to you if

1543

00:58:54,309 --> 00:58:53,030

been there yeah you're done you're gonna

1544

00:58:57,750 --> 00:58:54,319

end well

1545

00:59:00,950 --> 00:58:57,760

you know yeah i mean i think if you

1546

00:59:04,069 --> 00:59:00,960

you yeah yeah hey bear you know

1547

00:59:06,069 --> 00:59:04,079

yeah it i it

1548

00:59:07,270 --> 00:59:06,079

it it's too much to these missing people

1549

00:59:09,829 --> 00:59:07,280

to all be bigfoot

1550

00:59:11,190 --> 00:59:09,839

so it's not it's not all big yeah yeah

1551

00:59:13,109 --> 00:59:11,200

no i don't think it's

1552

00:59:14,870 --> 00:59:13,119

really much bigfoot related but my whole

1553

00:59:16,309 --> 00:59:14,880

point is there's things going on and i

1554

00:59:18,710 --> 00:59:16,319

know they know about that

1555

00:59:20,309 --> 00:59:18,720

too and we're just being paid for

1556

00:59:21,910 --> 00:59:20,319

limitless you know they

1557

00:59:23,589 --> 00:59:21,920

there's something there you know i think

1558

00:59:24,710 --> 00:59:23,599

very little of it that actually has to

1559

00:59:26,870 --> 00:59:24,720

do with bigfoot but

1560

00:59:28,549 --> 00:59:26,880

my point was just the things that are

1561

00:59:30,309 --> 00:59:28,559

going on that the government

1562

00:59:32,069 --> 00:59:30,319

in one form or fashion whatever

1563

00:59:35,349 --> 00:59:32,079

department they are forestry service

1564

00:59:36,870 --> 00:59:35,359

dns whatever they know

1565

00:59:38,069 --> 00:59:36,880

and they just don't say anything because

1566

00:59:39,109 --> 00:59:38,079

then we don't have to we're the

1567

00:59:39,829 --> 00:59:39,119

government we don't have to tell you

1568

00:59:41,670 --> 00:59:39,839

anything

1569

00:59:43,190 --> 00:59:41,680

we don't want to yeah you know so

1570

00:59:45,750 --> 00:59:43,200

there's all kinds of weird stuff

1571

00:59:46,789 --> 00:59:45,760

going on you know paranormal ufo uh

1572

00:59:49,109 --> 00:59:46,799

sasquatch

1573

00:59:50,470 --> 00:59:49,119

you know mothman there's all kinds of

1574

00:59:52,230 --> 00:59:50,480

stuff

1575

00:59:53,670 --> 00:59:52,240

we're not all suffering from mass

1576

00:59:55,910 --> 00:59:53,680

hysteria there's

1577

00:59:57,030 --> 00:59:55,920

stuff going on and those of us just

1578

01:00:00,470 --> 00:59:57,040

don't want to explain it

1579

01:00:03,109 --> 01:00:00,480

well we just don't you know the the

1580

01:00:04,309 --> 01:00:03,119

dummy side you know there's just gonna

1581

01:00:04,789 --> 01:00:04,319

have an open mind and all this stuff

1582

01:00:06,390 --> 01:00:04,799

just

1583

01:00:07,829 --> 01:00:06,400

open the mind you don't have to believe

1584

01:00:09,430 --> 01:00:07,839

just consider it

1585

01:00:11,030 --> 01:00:09,440

just go well that's weird well i've

1586

01:00:13,030 --> 01:00:11,040

heard that like 17 other times

1587

01:00:15,030 --> 01:00:13,040

okay maybe there's something to that you

1588

01:00:16,470 --> 01:00:15,040

know just keep it on the plate think

1589

01:00:19,829 --> 01:00:16,480

about it you know

1590

01:00:21,750 --> 01:00:19,839

so well

1591

01:00:23,430 --> 01:00:21,760

look guys i appreciate you coming on

1592

01:00:26,549 --> 01:00:23,440

tonight really good show

1593

01:00:29,670 --> 01:00:26,559

very good discussion i i like this

1594

01:00:32,470 --> 01:00:29,680

format where we chat involved with

1595

01:00:33,750 --> 01:00:32,480

asking questions and uh kind of rolling

1596

01:00:37,109 --> 01:00:33,760

off the answers

1597

01:00:39,750 --> 01:00:37,119

as best we can so um once again i want

1598

01:00:41,670 --> 01:00:39,760

to thank you all for coming on

1599

01:00:43,030 --> 01:00:41,680

and i will definitely have you all come

1600

01:00:45,030 --> 01:00:43,040

back uh

1601
01:00:46,069 --> 01:00:45,040
this is gonna be a monthly thing and

1602
01:00:49,510 --> 01:00:46,079
we're going to

1603
01:00:52,230 --> 01:00:49,520
uh bring members of the team on and

1604
01:00:55,030 --> 01:00:52,240
see if we can uh answer people's

1605
01:00:56,470 --> 01:00:55,040
questions i i think people enjoy it so

1606
01:01:02,950 --> 01:00:56,480
you all take care and you have a good

1607
01:01:05,990 --> 01:01:05,190
so uh if you have an unexplained

1608
01:01:07,510 --> 01:01:06,000
encounter

1609
01:01:09,349 --> 01:01:07,520
or sledding feel free to call and

1610
01:01:10,069 --> 01:01:09,359
contact me through the phantoms of

1611
01:01:11,750 --> 01:01:10,079
monsters blog

1612
01:01:14,470 --> 01:01:11,760
site and i want to again thank carter

1613
01:01:15,829 --> 01:01:14,480

bouchard and marcus ells for joining me

1614

01:01:17,990 --> 01:01:15,839

this evening

1615

01:01:19,829 --> 01:01:18,000

and thanks to each and all of you for

1616

01:01:22,549 --> 01:01:19,839

watching and chatting

1617

01:01:24,630 --> 01:01:22,559

uh if you made a super chat donation

1618

01:01:26,549 --> 01:01:24,640

it's truly appreciated

1619

01:01:28,309 --> 01:01:26,559

your support is what makes all this

1620

01:01:33,030 --> 01:01:28,319

possible so please like

1621

01:01:35,910 --> 01:01:33,040

subscribe and share so until next week

1622

01:01:38,710 --> 01:01:35,920

and look next week is going to be an

1623

01:01:41,190 --> 01:01:38,720

interesting mothman discussion

1624

01:01:42,470 --> 01:01:41,200

uh i'm going to have to boss whalen and

1625

01:01:46,470 --> 01:01:42,480

travis short

1626

01:01:50,390 --> 01:01:46,480

coming in and we're going to

1627

01:01:53,030 --> 01:01:50,400

dig deep into the mothman phenomena

1628

01:01:53,589 --> 01:01:53,040

so uh like i said till next week stay

1629

01:02:04,829 --> 01:01:53,599

healthy

1630

01:02:04,839 --> 01:02:17,350

night

1631

01:02:17,360 --> 01:02:42,420

[Applause]
