

ARCANE RADIO 
Exploring the Unexplained 

April 23rd, 2021
@ 9PM Eastern

Your Host
Lon Strickler

With Guest
Albert Rosales

Featuring Special Guest Albert Rosales, Humanoid Researcher

1
00:00:03,030 --> 00:00:02,230

[Music]

2
00:00:06,470 --> 00:00:03,040

the oldest

3
00:00:08,629 --> 00:00:06,480

and strongest human emotion is fear

4
00:00:09,669 --> 00:00:08,639

and the oldest and strongest type of

5
00:00:12,870 --> 00:00:09,679

fear

6
00:00:15,350 --> 00:00:12,880

is trepidation of young men

7
00:00:18,710 --> 00:00:15,360

when we were children our parents told

8
00:00:21,189 --> 00:00:18,720

us that monsters didn't exist

9
00:00:24,390 --> 00:00:21,199

but we were sure that something was

10
00:00:28,950 --> 00:00:24,400

lurking under the bed or in the closet

11
00:00:32,150 --> 00:00:28,960

fear sees even if our eyes are closed

12
00:00:34,229 --> 00:00:32,160

welcome to the realm of the arcane my

13
00:00:36,549 --> 00:00:34,239

name is lon stripler

14

00:00:37,670 --> 00:00:36,559

join me as i examine unexplained

15

00:00:40,389 --> 00:00:37,680

creatures

16

00:00:42,709 --> 00:00:40,399

strange manifestations of remarkable

17

00:00:45,670 --> 00:00:42,719

realities

18

00:00:48,310 --> 00:00:45,680

imagine this next hour as a voyage of

19

00:00:51,350 --> 00:00:48,320

discovery to strange lands

20

00:00:54,150 --> 00:00:51,360

seeking not for new territory but for

21

00:00:55,670 --> 00:00:54,160

new knowledge of the supernatural come

22

00:00:58,080 --> 00:00:55,680

on board as we begin

23

00:01:02,630 --> 00:00:58,090

this adventure together

24

00:01:07,270 --> 00:01:04,789

hey folks good evening and welcome to

25

00:01:08,950 --> 00:01:07,280

another episode of arcane radio where we

26

00:01:11,990 --> 00:01:08,960

explore the unexplained

27

00:01:14,070 --> 00:01:12,000

here live on beyond explanation i'm your

28

00:01:15,670 --> 00:01:14,080

host lon strickler and coming to you

29

00:01:17,830 --> 00:01:15,680

within a canon shot

30

00:01:19,910 --> 00:01:17,840

of historic gettysburg pennsylvania

31

00:01:22,070 --> 00:01:19,920

thanks for joining me

32

00:01:24,149 --> 00:01:22,080

now quick note as always arcane radio

33

00:01:26,230 --> 00:01:24,159

and beyond explanation channel

34

00:01:28,789 --> 00:01:26,240

is made possible by you liking

35

00:01:31,190 --> 00:01:28,799

subscribing sharing or programming

36

00:01:33,830 --> 00:01:31,200

super chat donations are essential to us

37

00:01:36,149 --> 00:01:33,840

continuing with our unique content

38

00:01:38,710 --> 00:01:36,159

uh your consideration is very much

39

00:01:41,270 --> 00:01:38,720

appreciated and needed

40

00:01:42,469 --> 00:01:41,280

so before i bring my guests in i am

41

00:01:45,830 --> 00:01:42,479

going to run through

42

00:01:49,429 --> 00:01:45,840

an account that i received this

43

00:01:51,030 --> 00:01:49,439

week from a pottstown pennsylvania

44

00:01:54,069 --> 00:01:51,040

resident

45

00:01:55,910 --> 00:01:54,079

um we turn to friends actually had

46

00:01:57,030 --> 00:01:55,920

sightings of strange encounters some

47

00:01:59,270 --> 00:01:57,040

type of

48

00:02:00,789 --> 00:01:59,280

canine cryptid at various times and

49

00:02:03,270 --> 00:02:00,799

locations

50

00:02:04,789 --> 00:02:03,280

and it's something that uh it's a case

51
00:02:08,229 --> 00:02:04,799
we're going to look into since it's

52
00:02:09,830 --> 00:02:08,239
fairly close actually butch lives

53
00:02:11,350 --> 00:02:09,840
oh god i think but told me he lives

54
00:02:13,430 --> 00:02:11,360
about six miles from one of the

55
00:02:15,510 --> 00:02:13,440
locations so um

56
00:02:17,350 --> 00:02:15,520
he's gonna follow up on and check on it

57
00:02:20,070 --> 00:02:17,360
eventually

58
00:02:22,150 --> 00:02:20,080
but anyway the witness states that she

59
00:02:24,869 --> 00:02:22,160
was born raised in pottstown

60
00:02:25,670 --> 00:02:24,879
pennsylvania and currently lives there

61
00:02:27,910 --> 00:02:25,680
uh

62
00:02:29,670 --> 00:02:27,920
the sighting was an hour west of

63
00:02:32,550 --> 00:02:29,680

philadelphia and a half an hour away

64

00:02:35,190 --> 00:02:32,560

from valley forge

65

00:02:35,990 --> 00:02:35,200

she said you ran into your facebook page

66

00:02:39,110 --> 00:02:36,000

through the weird

67

00:02:41,750 --> 00:02:39,120

pennsylvania uh webpage

68

00:02:42,949 --> 00:02:41,760

and um she was reading some of the

69

00:02:43,830 --> 00:02:42,959

things that several people had

70

00:02:47,589 --> 00:02:43,840

experienced

71

00:02:49,509 --> 00:02:47,599

experiences and sightings so she emailed

72

00:02:53,270 --> 00:02:49,519

it to me

73

00:02:56,949 --> 00:02:53,280

um she said last year a friend

74

00:03:00,309 --> 00:02:56,959

and her went for a ride to catch up with

75

00:03:04,149 --> 00:03:00,319

another friend it was march of 2020.

76

00:03:06,229 --> 00:03:04,159

on a saturday night it just so happened

77

00:03:07,910 --> 00:03:06,239

to be the weekend when the quarantine

78

00:03:10,390 --> 00:03:07,920

started

79

00:03:11,350 --> 00:03:10,400

she said we were on route 422 around

80

00:03:14,869 --> 00:03:11,360

midnight

81

00:03:16,790 --> 00:03:14,879

and it was odd because the highway is

82

00:03:17,990 --> 00:03:16,800

usually pretty busy on saturday night

83

00:03:21,110 --> 00:03:18,000

but that night

84

00:03:24,229 --> 00:03:21,120

we saw maybe three cars within a 30 mile

85

00:03:26,630 --> 00:03:24,239

a 30 minute ride

86

00:03:28,630 --> 00:03:26,640

so we were finishing visiting our friend

87

00:03:32,710 --> 00:03:28,640

and started to make our way back home

88

00:03:35,190 --> 00:03:32,720

it was around 2 30 to 4 o'clock a.m

89
00:03:36,869 --> 00:03:35,200
and we were going westbound on route 422

90
00:03:39,750 --> 00:03:36,879
and again

91
00:03:41,110 --> 00:03:39,760
uh you know pretty much the only car on

92
00:03:43,589 --> 00:03:41,120
the road

93
00:03:45,110 --> 00:03:43,599
she said there's a grass like patch at

94
00:03:48,390 --> 00:03:45,120
divides east and west

95
00:03:51,830 --> 00:03:48,400
highway we were in the fast lane

96
00:03:53,750 --> 00:03:51,840
between the collegeville and royersford

97
00:03:55,190 --> 00:03:53,760
exit when all of a sudden we passed

98
00:03:58,470 --> 00:03:55,200
something

99
00:03:59,990 --> 00:03:58,480
to the left of us in the grass now we

100
00:04:02,390 --> 00:04:00,000
couldn't see it until

101
00:04:05,030 --> 00:04:02,400
we were right up on it and only caught a

102
00:04:07,030 --> 00:04:05,040
glimpse of it for a second

103
00:04:08,229 --> 00:04:07,040
now this thing looked like it was on all

104
00:04:11,030 --> 00:04:08,239
fours

105
00:04:13,670 --> 00:04:11,040
maybe eating roadkill or something but

106
00:04:15,990 --> 00:04:13,680
unfortunately she said i could only see

107
00:04:18,949 --> 00:04:16,000
uh from the waist of the hips up

108
00:04:19,270 --> 00:04:18,959
uh it was much bigger than a deer and

109
00:04:21,909 --> 00:04:19,280
had

110
00:04:22,310 --> 00:04:21,919
longer unkept scraggly orange reddish

111
00:04:25,030 --> 00:04:22,320
fur

112
00:04:26,950 --> 00:04:25,040
kind of like the color of a red fox but

113
00:04:29,110 --> 00:04:26,960

maybe a little bit lighter

114

00:04:30,550 --> 00:04:29,120

what really gets me was the legs on this

115

00:04:35,909 --> 00:04:30,560

thing had canine like

116

00:04:39,030 --> 00:04:35,919

legs but they were huge and muscular

117

00:04:39,590 --> 00:04:39,040

uh it just had that shape that instantly

118

00:04:42,230 --> 00:04:39,600

told me

119

00:04:43,670 --> 00:04:42,240

that this wasn't anything to screw

120

00:04:45,510 --> 00:04:43,680

around with so

121

00:04:48,629 --> 00:04:45,520

the legs look like the drawings i've

122

00:04:50,310 --> 00:04:48,639

seen on werewolves or something evil

123

00:04:52,870 --> 00:04:50,320

something told me that this thing could

124

00:04:53,830 --> 00:04:52,880

walk on two legs also so after we passed

125

00:04:55,749 --> 00:04:53,840

it

126

00:04:57,430 --> 00:04:55,759

i asked my friend he was driving did you

127

00:05:00,310 --> 00:04:57,440

see that he replied yeah

128

00:05:00,870 --> 00:05:00,320

i asked him what was that he replied i

129

00:05:02,629 --> 00:05:00,880

don't know

130

00:05:04,310 --> 00:05:02,639

so neither of us brought it up again

131

00:05:06,469 --> 00:05:04,320

during the ride

132

00:05:07,990 --> 00:05:06,479

because i think we were just little

133

00:05:09,590 --> 00:05:08,000

trying to process what the hell this

134

00:05:12,469 --> 00:05:09,600

thing really was

135

00:05:14,469 --> 00:05:12,479

and didn't want to sound any more crazy

136

00:05:17,270 --> 00:05:14,479

crazier than we thought it was so when i

137

00:05:19,270 --> 00:05:17,280

got home i told my boyfriend about it

138

00:05:20,710 --> 00:05:19,280

and he has no idea what kind of animal

139

00:05:22,390 --> 00:05:20,720

that lives around there that could have

140

00:05:24,629 --> 00:05:22,400

been so

141

00:05:26,710 --> 00:05:24,639

the next time i saw my friend who had

142

00:05:29,670 --> 00:05:26,720

been driving at night we uh

143

00:05:31,350 --> 00:05:29,680

both agreed that whatever we saw does

144

00:05:33,430 --> 00:05:31,360

not fit the description of any animal in

145

00:05:36,870 --> 00:05:33,440

the area and that was scary looking

146

00:05:38,790 --> 00:05:36,880

so he calls it the beast so a couple

147

00:05:41,749 --> 00:05:38,800

months later

148

00:05:43,510 --> 00:05:41,759

another friend was leaving my house and

149

00:05:46,150 --> 00:05:43,520

heard something across the street making

150

00:05:48,150 --> 00:05:46,160

a little guttural growling noise

151
00:05:49,830 --> 00:05:48,160
which scared him straight to his car and

152
00:05:51,749 --> 00:05:49,840
out of there so

153
00:05:53,189 --> 00:05:51,759
he was a former animal control officer

154
00:05:55,110 --> 00:05:53,199
for years

155
00:05:56,469 --> 00:05:55,120
and says nothing around here would make

156
00:05:58,550 --> 00:05:56,479
that noise

157
00:05:59,749 --> 00:05:58,560
so then about a month late after that my

158
00:06:01,909 --> 00:05:59,759
boyfriend

159
00:06:03,110 --> 00:06:01,919
was taking out the trash when he got to

160
00:06:05,510 --> 00:06:03,120
the front door

161
00:06:07,110 --> 00:06:05,520
he heard something scratching at the

162
00:06:09,189 --> 00:06:07,120
door and sniffing

163
00:06:12,390 --> 00:06:09,199

loudly he said it sounded like a pig

164

00:06:16,629 --> 00:06:12,400

grunt sound but obviously when a pig

165

00:06:19,990 --> 00:06:19,510

my friend was sitting in his car in my

166

00:06:21,909 --> 00:06:20,000

driveway

167

00:06:23,749 --> 00:06:21,919

waiting for me to come out i noticed his

168

00:06:24,790 --> 00:06:23,759

doors were locked when i went to get in

169

00:06:26,790 --> 00:06:24,800

the car

170

00:06:28,469 --> 00:06:26,800

he said he heard something that sounded

171

00:06:30,230 --> 00:06:28,479

kind of human

172

00:06:32,150 --> 00:06:30,240

but didn't know what it was and scared

173

00:06:33,110 --> 00:06:32,160

him once i got in his car i told him

174

00:06:35,830 --> 00:06:33,120

everything

175

00:06:36,950 --> 00:06:35,840

i just wrote here and i ended my story

176

00:06:38,550 --> 00:06:36,960

by saying to him

177

00:06:40,390 --> 00:06:38,560

a few months ago i saw something on

178

00:06:42,150 --> 00:06:40,400

route 4 22.

179

00:06:44,550 --> 00:06:42,160

and before i could say anything else he

180

00:06:46,790 --> 00:06:44,560

said i saw it too

181

00:06:48,469 --> 00:06:46,800

so i asked what color was he described

182

00:06:51,029 --> 00:06:48,479

the exact same fur

183

00:06:52,950 --> 00:06:51,039

i saw then he said when i saw it it was

184

00:06:54,790 --> 00:06:52,960

running on two legs across the highway

185

00:06:56,790 --> 00:06:54,800

and once i saw my car

186

00:06:58,390 --> 00:06:56,800

it took off really fast like nothing

187

00:07:01,909 --> 00:06:58,400

around here would it you know

188

00:07:02,469 --> 00:07:01,919

would be able to do my heart was beating

189

00:07:05,029 --> 00:07:02,479

so

190

00:07:08,710 --> 00:07:05,039

hard listening to him tell me this

191

00:07:10,390 --> 00:07:08,720

because i know he wasn't making it up

192

00:07:12,230 --> 00:07:10,400

now i was glad somebody else had seen

193

00:07:14,870 --> 00:07:12,240

this thing he doesn't know what a

194

00:07:16,469 --> 00:07:14,880

what it is but he said is about seven to

195

00:07:19,189 --> 00:07:16,479

eight foot tall

196

00:07:20,950 --> 00:07:19,199

and look nefarious he uh he agreed its

197

00:07:23,990 --> 00:07:20,960

legs look evil

198

00:07:25,029 --> 00:07:24,000

he saw it around the same time a year as

199

00:07:30,150 --> 00:07:25,039

me

200

00:07:33,430 --> 00:07:30,160

look

201
00:07:34,309 --> 00:07:33,440
for it every time i'm out there so she

202
00:07:36,469 --> 00:07:34,319
said i was about

203
00:07:38,550 --> 00:07:36,479
you know it was a story so i i asked her

204
00:07:41,430 --> 00:07:38,560
to get contact with us

205
00:07:43,430 --> 00:07:41,440
so we can talk and you know further nail

206
00:07:45,189 --> 00:07:43,440
you know pinpoint this so butch like i

207
00:07:46,950 --> 00:07:45,199
said before

208
00:07:49,749 --> 00:07:46,960
he and i are going to continue to gather

209
00:07:51,909 --> 00:07:49,759
evidence and information on this

210
00:07:53,830 --> 00:07:51,919
you know pottstown is in montgomery

211
00:07:57,189 --> 00:07:53,840
county pennsylvania

212
00:07:59,749 --> 00:07:57,199
uh for those who know about ufo activity

213
00:08:01,670 --> 00:07:59,759

you know they had the uh they had a lot

214

00:08:04,790 --> 00:08:01,680

of ufo activity

215

00:08:05,990 --> 00:08:04,800

in that area uh that in bucks county for

216

00:08:09,670 --> 00:08:06,000

many years and

217

00:08:12,469 --> 00:08:09,680

um you know that part of pennsylvania

218

00:08:15,510 --> 00:08:12,479

that south eastern part of pennsylvania

219

00:08:17,270 --> 00:08:15,520

i have reported several uh cryptic

220

00:08:20,230 --> 00:08:17,280

canine settings as well

221

00:08:21,430 --> 00:08:20,240

so you know this is something else we're

222

00:08:24,469 --> 00:08:21,440

going to look into

223

00:08:27,350 --> 00:08:24,479

and uh we get any more information we

224

00:08:31,189 --> 00:08:27,360

will definitely get back to you

225

00:08:33,909 --> 00:08:31,199

so tonight i welcome longtime humanoid

226

00:08:35,990 --> 00:08:33,919

ufo researcher and author albert s

227

00:08:38,550 --> 00:08:36,000

rosales to hurricane radio now we're

228

00:08:40,870 --> 00:08:38,560

born in cuba and migrated to the united

229

00:08:42,870 --> 00:08:40,880

states in 1966

230

00:08:44,949 --> 00:08:42,880

he witnessed several unusual incidents

231

00:08:46,710 --> 00:08:44,959

as a young man while living in cuba

232

00:08:49,030 --> 00:08:46,720

which continued throughout his life in

233

00:08:50,949 --> 00:08:49,040

the u.s and albert became interested in

234

00:08:51,509 --> 00:08:50,959

unusual phenomena and ufos at a young

235

00:08:53,590 --> 00:08:51,519

age

236

00:08:54,949 --> 00:08:53,600

but soon directed his focus to the crux

237

00:08:56,870 --> 00:08:54,959

of the phenomena

238

00:08:58,310 --> 00:08:56,880

the humanoids and the other worldly

239

00:09:00,870 --> 00:08:58,320

entities he began

240

00:09:03,670 --> 00:09:00,880

collecting data on the encounters from

241

00:09:06,550 --> 00:09:03,680

worldwide sources in the late 80s

242

00:09:07,590 --> 00:09:06,560

his current database is well over 20 000

243

00:09:10,070 --> 00:09:07,600

entries

244

00:09:11,430 --> 00:09:10,080

albert has published 16 titles including

245

00:09:13,670 --> 00:09:11,440

the most recent book

246

00:09:15,590 --> 00:09:13,680

which was titled ufos over florida

247

00:09:16,630 --> 00:09:15,600

humanoid and other strange encounters in

248

00:09:20,230 --> 00:09:16,640

the sunshine

249

00:09:26,230 --> 00:09:20,240

state so albert thank you for joining me

250

00:09:29,590 --> 00:09:27,829

hey thanks for having me you're welcome

251

00:09:30,870 --> 00:09:29,600

it's my pleasure

252

00:09:33,350 --> 00:09:30,880

how you doing well you and i have known

253

00:09:34,949 --> 00:09:33,360

each other a long time you know i i

254

00:09:36,870 --> 00:09:34,959

think uh

255

00:09:38,949 --> 00:09:36,880

i think i've known you about as long as

256

00:09:42,710 --> 00:09:38,959

any researcher

257

00:09:44,470 --> 00:09:42,720

in any type of cryptids or humanoids

258

00:09:48,310 --> 00:09:44,480

i mean i'm quite sure it's been over

259

00:09:51,430 --> 00:09:50,550

it seems that way lana i i know we've

260

00:09:54,310 --> 00:09:51,440

been around

261

00:09:55,269 --> 00:09:54,320

with all the humanoids and stuff yeah

262

00:09:59,910 --> 00:09:55,279

yeah we got this

263

00:10:11,110 --> 00:10:02,790

the same uh you know mindset humanoid

264

00:10:14,550 --> 00:10:12,790

but people are people that read your

265

00:10:16,630 --> 00:10:14,560

books and you know used to keep the date

266

00:10:19,829 --> 00:10:16,640

of the database

267

00:10:22,310 --> 00:10:19,839

online and uh

268

00:10:23,350 --> 00:10:22,320

uh you know people have been reading you

269

00:10:25,910 --> 00:10:23,360

for a long time

270

00:10:28,230 --> 00:10:25,920

every time i talk about you people tell

271

00:10:30,150 --> 00:10:28,240

me oh yeah i've read i read his reports

272

00:10:33,269 --> 00:10:30,160

i read his research

273

00:10:35,269 --> 00:10:33,279

um and then when you know when

274

00:10:38,150 --> 00:10:35,279

the soviet union kind of want to get

275

00:10:44,550 --> 00:10:41,910

what's that i want to get back to uh

276
00:10:46,470 --> 00:10:44,560
having my database online again

277
00:10:48,230 --> 00:10:46,480
oh yeah that's that way everybody can

278
00:10:50,550 --> 00:10:48,240
read them because

279
00:10:51,990 --> 00:10:50,560
i i have updated the cases and they're

280
00:10:58,710 --> 00:10:52,000
almost almost 30

281
00:11:05,590 --> 00:11:01,990
well you know like i was saying um

282
00:11:06,790 --> 00:11:05,600
when the cold war when the cold war

283
00:11:08,470 --> 00:11:06,800
ended soviet union

284
00:11:11,030 --> 00:11:08,480
it kind of opened up everything over

285
00:11:12,069 --> 00:11:11,040
there and you had a lot of connections

286
00:11:14,389 --> 00:11:12,079
over there and

287
00:11:19,430 --> 00:11:14,399
you started started getting a lot of

288
00:11:26,630 --> 00:11:22,710

a lot from starting in 89 all

289

00:11:32,550 --> 00:11:30,069
to 97 it was hundreds of cases

290

00:11:33,750 --> 00:11:32,560
maybe thousands of cases uh encounters

291

00:11:36,310 --> 00:11:33,760
i've done

292

00:11:37,509 --> 00:11:36,320
unbelievable i don't know what happened

293

00:11:40,150 --> 00:11:37,519
you know it

294

00:11:42,790 --> 00:11:40,160
it started in 89 when the when the

295

00:11:45,190 --> 00:11:42,800
soviet union started falling apart

296

00:11:46,710 --> 00:11:45,200
the iron curtain fell that's what i i

297

00:11:47,269 --> 00:11:46,720
don't know if there was any relation to

298

00:11:49,190 --> 00:11:47,279
that but

299

00:11:51,670 --> 00:11:49,200
that's how it started it was in

300

00:11:53,190 --> 00:11:51,680
incredible amount of cases like

301
00:11:55,670 --> 00:11:53,200
and the humanoids were like different

302
00:11:57,430 --> 00:11:55,680
type but mostly for some reason

303
00:11:58,870 --> 00:11:57,440
the taller ones were reported there

304
00:12:00,150 --> 00:11:58,880
human-like

305
00:12:02,150 --> 00:12:00,160
even though there were smaller ones and

306
00:12:03,350 --> 00:12:02,160
no other types a lot of bigfoot type

307
00:12:06,550 --> 00:12:03,360
humanoids

308
00:12:09,030 --> 00:12:06,560
but a wide range and

309
00:12:10,069 --> 00:12:09,040
there's still stuff going on i mean like

310
00:12:13,110 --> 00:12:10,079
everywhere else in the world

311
00:12:16,069 --> 00:12:13,120
is slowed down but still

312
00:12:17,110 --> 00:12:16,079
still a lot going on i was listening to

313
00:12:20,310 --> 00:12:17,120

your report about the

314

00:12:21,750 --> 00:12:20,320

the k9 and

315

00:12:23,829 --> 00:12:21,760

you know i don't know i always think

316

00:12:25,509 --> 00:12:23,839

what what could those things be are they

317

00:12:28,710 --> 00:12:25,519

maybe humans that's

318

00:12:30,710 --> 00:12:28,720

somehow changing to uh werewolves

319

00:12:31,750 --> 00:12:30,720

or do they come from another dimension

320

00:12:34,470 --> 00:12:31,760

or

321

00:12:35,590 --> 00:12:34,480

why why are they frequently now where do

322

00:12:38,710 --> 00:12:35,600

they come from

323

00:12:42,150 --> 00:12:38,720

now and we wish you uh you know

324

00:12:44,710 --> 00:12:42,160

to have to answer those questions but

325

00:12:46,069 --> 00:12:44,720

well that's uh you know that's the big

326

00:12:48,550 --> 00:12:46,079

question you know

327

00:12:50,710 --> 00:12:48,560

butch and i have been collecting these

328

00:12:53,590 --> 00:12:50,720

cases here in pennsylvania now for

329

00:12:54,069 --> 00:12:53,600

oh i know about six or seven years and

330

00:12:57,509 --> 00:12:54,079

uh

331

00:12:58,710 --> 00:12:57,519

we continuously get reports you know we

332

00:12:59,750 --> 00:12:58,720

quite frankly we don't know where

333

00:13:01,829 --> 00:12:59,760

they're coming from

334

00:13:03,750 --> 00:13:01,839

and a lot of these reports that we've

335

00:13:06,470 --> 00:13:03,760

gotten are coming from

336

00:13:08,310 --> 00:13:06,480

game commission people i mean they're

337

00:13:10,150 --> 00:13:08,320

running into these things they have no

338

00:13:12,710 --> 00:13:10,160

idea what they are

339

00:13:15,269 --> 00:13:12,720

uh we get hunters encounter these things

340

00:13:17,430 --> 00:13:15,279

as well so

341

00:13:19,910 --> 00:13:17,440

i don't know i mean i wish i did have a

342

00:13:21,509 --> 00:13:19,920

better better idea where they're coming

343

00:13:23,509 --> 00:13:21,519

from i don't think

344

00:13:27,030 --> 00:13:23,519

i don't think for the most part they're

345

00:13:29,829 --> 00:13:27,040

indigenous it just doesn't seem that way

346

00:13:31,350 --> 00:13:29,839

but uh you know because occasionally we

347

00:13:33,030 --> 00:13:31,360

do get

348

00:13:34,870 --> 00:13:33,040

you know we will get a report that it

349

00:13:37,350 --> 00:13:34,880

does seem like it's um

350

00:13:39,110 --> 00:13:37,360

some type of supernatural being where

351

00:13:42,069 --> 00:13:39,120

it'll have that kind of look to it like

352

00:13:45,189 --> 00:13:42,079

it's something other worldly but

353

00:13:49,110 --> 00:13:45,199

i i don't know you know i'm always open

354

00:13:50,629 --> 00:13:49,120

for suggestions like

355

00:13:52,470 --> 00:13:50,639

like they said in the middle ages and

356

00:13:55,430 --> 00:13:52,480

maybe they they call them werewolves but

357

00:13:57,110 --> 00:13:55,440

there's the worlds are were supposedly

358

00:14:00,710 --> 00:13:57,120

humans that would

359

00:14:02,310 --> 00:14:00,720

turn into into you know into werewolves

360

00:14:04,550 --> 00:14:02,320

have you ever had a report of one of

361

00:14:07,670 --> 00:14:04,560

these uh bipedal canine

362

00:14:10,069 --> 00:14:07,680

wearing like a torn shirt or

363

00:14:11,829 --> 00:14:10,079

any kind of clothing because i know one

364

00:14:14,069 --> 00:14:11,839

or two cases like that

365

00:14:15,269 --> 00:14:14,079

one from california back in the 50s and

366

00:14:17,350 --> 00:14:15,279

one

367

00:14:18,310 --> 00:14:17,360

i think texas but uh have you had any

368

00:14:22,069 --> 00:14:18,320

reports like that in

369

00:14:25,189 --> 00:14:22,079

pennsylvania or uh they were all

370

00:14:28,310 --> 00:14:25,199

they were all older reports um

371

00:14:31,030 --> 00:14:28,320

when we had a uh

372

00:14:34,150 --> 00:14:31,040

you know back then back in the late

373

00:14:36,069 --> 00:14:34,160

1800s well come even the mid-1800s

374

00:14:38,710 --> 00:14:36,079

we had a lot of people in this area

375

00:14:41,269 --> 00:14:38,720

coming in from germany

376

00:14:41,990 --> 00:14:41,279

and of course they had they had these

377

00:14:43,590 --> 00:14:42,000

sightings

378

00:14:45,590 --> 00:14:43,600

in the old world when you know it was

379

00:14:48,389 --> 00:14:45,600

part of their culture

380

00:14:49,910 --> 00:14:48,399

and a lot of these german farmers who

381

00:14:52,069 --> 00:14:49,920

had made reports of what they were

382

00:14:56,230 --> 00:14:52,079

calling it the dwell

383

00:14:58,629 --> 00:14:56,240

and uh i had a few of them

384

00:15:00,470 --> 00:14:58,639

that where they mentioned that they had

385

00:15:02,310 --> 00:15:00,480

clothes on so

386

00:15:04,069 --> 00:15:02,320

i don't know what they were seeing i

387

00:15:06,710 --> 00:15:04,079

mean you know when

388

00:15:07,430 --> 00:15:06,720

you talk about lycanthropy where some

389

00:15:09,670 --> 00:15:07,440

like

390

00:15:11,350 --> 00:15:09,680

some mental disease where these these

391

00:15:13,670 --> 00:15:11,360

humans turn into

392

00:15:14,389 --> 00:15:13,680

almost like an animal a bloodthirsty

393

00:15:16,389 --> 00:15:14,399

animal

394

00:15:18,150 --> 00:15:16,399

of course there have been been

395

00:15:21,750 --> 00:15:18,160

historical accounts of

396

00:15:25,590 --> 00:15:21,760

of these uh these lycanthropy incidents

397

00:15:28,150 --> 00:15:25,600

but uh i don't know i mean yeah

398

00:15:29,269 --> 00:15:28,160

you do occasionally see an older account

399

00:15:31,030 --> 00:15:29,279

but more recently

400

00:15:34,230 --> 00:15:31,040

i don't think we've ever had one like

401

00:15:41,430 --> 00:15:37,430

i i read an account and

402

00:15:45,189 --> 00:15:41,440

jerome clark encyclopedia one of his

403

00:15:48,550 --> 00:15:45,199

opinions he uh and this

404

00:15:52,230 --> 00:15:48,560

texas looking 58 greg brickstown

405

00:15:55,030 --> 00:15:52,240

uh a lady her stout and she's so

406

00:15:55,509 --> 00:15:55,040

uh what he looked like a bipedal you

407

00:15:59,670 --> 00:15:55,519

know

408

00:16:02,710 --> 00:15:59,680

the height like

409

00:16:04,310 --> 00:16:02,720

the height of a man it walked behind a

410

00:16:07,269 --> 00:16:04,320

pole or something then and the other

411

00:16:13,430 --> 00:16:10,310

something else emerged a naked male that

412

00:16:17,910 --> 00:16:15,430

that maybe showed a connection between

413

00:16:20,829 --> 00:16:17,920

both but you don't hear too many

414

00:16:22,069 --> 00:16:20,839

that type of reports anyway i mean it's

415

00:16:25,110 --> 00:16:22,079

like uh

416

00:16:26,470 --> 00:16:25,120

like big i mean

417

00:16:28,470 --> 00:16:26,480

i don't i don't think there's any way

418

00:16:31,590 --> 00:16:28,480

that bigfoot could be a uh

419

00:16:34,710 --> 00:16:31,600

in indigenous maybe that

420

00:16:37,670 --> 00:16:34,720

they they might live among us but not

421

00:16:39,269 --> 00:16:37,680

in this plane you know what they they

422

00:16:39,990 --> 00:16:39,279

probably come from another dimension and

423

00:16:41,910 --> 00:16:40,000

they come in

424

00:16:43,509 --> 00:16:41,920

and they go back out again because

425

00:16:43,749 --> 00:16:43,519

they've been around for for years like

426
00:16:46,949 --> 00:16:43,759
the

427
00:16:50,069 --> 00:16:46,959
hairy man and

428
00:16:50,710 --> 00:16:50,079
and they've been around because i i

429
00:16:51,990 --> 00:16:50,720
don't think that

430
00:16:53,749 --> 00:16:52,000
that we can ever going to be able to

431
00:16:55,110 --> 00:16:53,759
catch up bigfoot even though people say

432
00:16:58,069 --> 00:16:55,120
they have but i don't believe none of

433
00:17:03,189 --> 00:17:00,710
yeah i'm with you i i i'd be very

434
00:17:06,710 --> 00:17:03,199
surprised if we ever do get a body or

435
00:17:08,710 --> 00:17:06,720
even a live one i um and also i

436
00:17:11,350 --> 00:17:08,720
i believe most cryptids for the most

437
00:17:12,230 --> 00:17:11,360
part are not indigenous that they are

438
00:17:19,029 --> 00:17:12,240

some type of

439

00:17:20,069 --> 00:17:19,039

doorway into another dimension or

440

00:17:22,710 --> 00:17:20,079

reality

441

00:17:24,309 --> 00:17:22,720

that opens up and uh you know we see it

442

00:17:27,350 --> 00:17:24,319

for a brief time

443

00:17:29,590 --> 00:17:27,360

and then it's gone um

444

00:17:31,909 --> 00:17:29,600

it's hard to tell i mean you know i've

445

00:17:33,430 --> 00:17:31,919

had my own bigfoot encounter and i saw

446

00:17:36,310 --> 00:17:33,440

this thing for

447

00:17:37,669 --> 00:17:36,320

a decent amount of time i i don't know

448

00:17:41,110 --> 00:17:37,679

you know but you know i've always

449

00:17:43,510 --> 00:17:41,120

questioned was this thing actually

450

00:17:45,669 --> 00:17:43,520

uh i believe it's flesh and blood but

451

00:17:48,230 --> 00:17:45,679

was it actually of this world or was it

452

00:17:49,830 --> 00:17:48,240

somewhere else and uh

453

00:17:54,390 --> 00:17:49,840

you know i hear people talk about that

454

00:17:57,430 --> 00:17:56,230

well we read their reports like from

455

00:17:59,430 --> 00:17:57,440

stan gordon

456

00:18:00,549 --> 00:17:59,440

about those incidents you know back in

457

00:18:03,909 --> 00:18:00,559

the 70s when they

458

00:18:06,470 --> 00:18:03,919

people do that at a bigfoot and

459

00:18:07,430 --> 00:18:06,480

a flash of light and they'll be or turn

460

00:18:10,710 --> 00:18:07,440

it

461

00:18:11,830 --> 00:18:10,720

they both light and disappear not only

462

00:18:15,510 --> 00:18:11,840

in pennsylvania

463

00:18:17,350 --> 00:18:15,520

other locations also i know

464

00:18:18,630 --> 00:18:17,360

back in sedona arizona there was a

465

00:18:21,750 --> 00:18:18,640

report of

466

00:18:26,830 --> 00:18:21,760

about 1989 some guy was hiking

467

00:18:32,630 --> 00:18:29,830

air

468

00:18:33,510 --> 00:18:32,640

like some type of portal open up thing

469

00:18:35,830 --> 00:18:33,520

it opened up and

470

00:18:37,430 --> 00:18:35,840

out of the portal uh bigfoot thing

471

00:18:38,870 --> 00:18:37,440

jumped out and ran away

472

00:18:40,549 --> 00:18:38,880

then the portal kind of closed up and

473

00:18:43,350 --> 00:18:40,559

disappeared

474

00:18:45,190 --> 00:18:43,360

like a window thing is something that

475

00:18:49,350 --> 00:18:45,200

came through

476

00:18:52,710 --> 00:18:49,360

uh yeah you know

477

00:18:54,830 --> 00:18:52,720

the very first uh upright k9 dogma

478

00:18:56,310 --> 00:18:54,840

report that we received and butch and i

479

00:18:59,830 --> 00:18:56,320

received was

480

00:19:02,549 --> 00:18:59,840

of a guy who was out walking his dogs

481

00:19:04,070 --> 00:19:02,559

and all of us they were in a state game

482

00:19:05,750 --> 00:19:04,080

and all of a sudden this thing appeared

483

00:19:06,710 --> 00:19:05,760

in front of them like it walked out of a

484

00:19:08,950 --> 00:19:06,720

door

485

00:19:10,710 --> 00:19:08,960

it completely ignored them walked right

486

00:19:13,430 --> 00:19:10,720

past them and took off

487

00:19:15,350 --> 00:19:13,440

into the woods and you know the dogs are

488

00:19:16,230 --> 00:19:15,360

going crazy trying to get to this thing

489

00:19:18,870 --> 00:19:16,240

but

490

00:19:19,270 --> 00:19:18,880

this this beast didn't even react to it

491

00:19:22,310 --> 00:19:19,280

so

492

00:19:23,750 --> 00:19:22,320

um you know it makes you wonder here

493

00:19:25,350 --> 00:19:23,760

what it does

494

00:19:27,909 --> 00:19:25,360

you know that's you know that's why we

495

00:19:30,310 --> 00:19:27,919

look into this crazy stuff you know

496

00:19:32,310 --> 00:19:30,320

with these these wing humanoid phenomena

497

00:19:33,909 --> 00:19:32,320

again we have no idea where these things

498

00:19:36,150 --> 00:19:33,919

are coming from we're kind of

499

00:19:37,510 --> 00:19:36,160

we're trying to grasp at all kinds of

500

00:19:41,029 --> 00:19:37,520

theories

501
00:19:44,150 --> 00:19:41,039
uh but i i think for the most part

502
00:19:47,909 --> 00:19:44,160
those of us um and you know myself

503
00:19:48,310 --> 00:19:47,919
manuel and tobias i i think all three of

504
00:19:52,150 --> 00:19:48,320
us

505
00:19:53,350 --> 00:19:52,160
are agreeing to a point now that these

506
00:19:56,789 --> 00:19:53,360
are some type of

507
00:19:58,789 --> 00:19:56,799
uh interdimensional being

508
00:20:00,150 --> 00:19:58,799
some type of creature that comes in from

509
00:20:02,549 --> 00:20:00,160
another reality

510
00:20:04,070 --> 00:20:02,559
for a short brief time and then is go is

511
00:20:08,149 --> 00:20:04,080
gone again

512
00:20:10,310 --> 00:20:08,159
so uh why does it yeah i don't know

513
00:20:11,510 --> 00:20:10,320

yeah the weird thing about these flying

514

00:20:13,830 --> 00:20:11,520

humanoids some other

515

00:20:15,270 --> 00:20:13,840

they're so different they seem to be

516

00:20:15,590 --> 00:20:15,280

different types you know that the ones

517

00:20:18,630 --> 00:20:15,600

are

518

00:20:20,950 --> 00:20:18,640

leathery winged like a bat and then

519

00:20:22,390 --> 00:20:20,960

you got the ones that seem to be uh more

520

00:20:26,070 --> 00:20:22,400

human-like but

521

00:20:26,710 --> 00:20:26,080

with clothing there was one a reporter

522

00:20:28,470 --> 00:20:26,720

that

523

00:20:29,990 --> 00:20:28,480

the thing was wearing boots boots or

524

00:20:33,270 --> 00:20:30,000

something like that

525

00:20:35,990 --> 00:20:33,280

and different types like uh like the

526

00:20:37,909 --> 00:20:36,000

most mothman type and uh

527

00:20:40,630 --> 00:20:37,919

because there's been flying humanoid

528

00:20:43,590 --> 00:20:40,640

reports like from

529

00:20:46,230 --> 00:20:43,600

backing down i know some back in the 30s

530

00:20:49,029 --> 00:20:46,240

from russia and stuff like that

531

00:20:51,110 --> 00:20:49,039

flying humanoids bat like human-like

532

00:20:53,350 --> 00:20:51,120

different types

533

00:20:55,110 --> 00:20:53,360

yeah well you talk about the garuda and

534

00:20:57,510 --> 00:20:55,120

other types of uh

535

00:20:58,390 --> 00:20:57,520

other types of phenomena that are wing

536

00:21:01,110 --> 00:20:58,400

beings and

537

00:21:02,710 --> 00:21:01,120

uh yeah you know people kind of you know

538

00:21:03,669 --> 00:21:02,720

people hear about mothman and wing

539

00:21:05,510 --> 00:21:03,679

humanoids

540

00:21:07,830 --> 00:21:05,520

they say oh well that started with the

541

00:21:09,990 --> 00:21:07,840

mothman oh no way i mean that

542

00:21:12,230 --> 00:21:10,000

you know it was way back then you know

543

00:21:15,270 --> 00:21:12,240

we talked about the anunnaki and other

544

00:21:17,270 --> 00:21:15,280

possible types of winged beans uh

545

00:21:18,950 --> 00:21:17,280

even people that consider angels

546

00:21:19,909 --> 00:21:18,960

possibly being some type of cryptic

547

00:21:24,710 --> 00:21:19,919

being

548

00:21:28,870 --> 00:21:26,870

there's been reports of uh creatures

549

00:21:32,950 --> 00:21:28,880

like that look like angels

550

00:21:36,630 --> 00:21:32,960

a man with wings i know puerto rico

551
00:21:38,310 --> 00:21:36,640
and he this guy was flying horizontally

552
00:21:40,870 --> 00:21:38,320
like he was like

553
00:21:42,070 --> 00:21:40,880
standing up and he looked like a man

554
00:21:43,669 --> 00:21:42,080
wearing some kind of robe

555
00:21:45,350 --> 00:21:43,679
and he had like what appeared to be

556
00:21:46,390 --> 00:21:45,360
wings he wasn't flapping the wings he

557
00:21:49,669 --> 00:21:46,400
was just floating

558
00:21:53,350 --> 00:21:49,679
along tall muscular

559
00:21:55,909 --> 00:21:53,360
blonde hair totally different from

560
00:21:56,870 --> 00:21:55,919
the other type of flying humanoids and

561
00:22:00,070 --> 00:21:56,880
there's one uh

562
00:22:00,549 --> 00:22:00,080
another report that it from canada that

563
00:22:04,149 --> 00:22:00,559

the guy

564

00:22:06,310 --> 00:22:04,159

sent to me directly but he sent a report

565

00:22:09,590 --> 00:22:06,320

to mufon also

566

00:22:10,310 --> 00:22:09,600

this huge winged muscular humanoid too

567

00:22:12,310 --> 00:22:10,320

but

568

00:22:13,669 --> 00:22:12,320

it landed on the roadway and then looked

569

00:22:15,350 --> 00:22:13,679

at him and he

570

00:22:17,270 --> 00:22:15,360

looked more like a man but wearing you

571

00:22:18,070 --> 00:22:17,280

know with not worrying but he had like

572

00:22:24,830 --> 00:22:18,080

uh

573

00:22:27,750 --> 00:22:24,840

creature that has been seen in chicago

574

00:22:29,590 --> 00:22:27,760

recently

575

00:22:31,590 --> 00:22:29,600

yeah well you know we're getting we do

576

00:22:33,669 --> 00:22:31,600

get reports from other places too

577

00:22:35,350 --> 00:22:33,679

i mean you know these wing humanoids

578

00:22:38,470 --> 00:22:35,360

seem to be

579

00:22:40,149 --> 00:22:38,480

primarily in in recent times uh

580

00:22:42,870 --> 00:22:40,159

something in north america

581

00:22:43,510 --> 00:22:42,880

or canada uh we don't get a whole lot of

582

00:22:47,510 --> 00:22:43,520

them

583

00:22:50,549 --> 00:22:47,520

from overseas now i will say

584

00:22:53,029 --> 00:22:50,559

when it comes to humanoids and you and i

585

00:22:56,070 --> 00:22:53,039

were talking about this before the show

586

00:22:59,350 --> 00:22:56,080

these crawler

587

00:23:02,710 --> 00:22:59,360

you know type of humanoids these pale

588

00:23:04,470 --> 00:23:02,720

or white type humanoids very few body

589

00:23:06,789 --> 00:23:04,480

features hairless

590

00:23:07,990 --> 00:23:06,799

smooth skin they seem to just turn up

591

00:23:11,830 --> 00:23:08,000

people have no idea

592

00:23:14,950 --> 00:23:11,840

what they are i uh it's interesting i

593

00:23:17,990 --> 00:23:14,960

i had some photos from a

594

00:23:20,149 --> 00:23:18,000

uh from a sighting in poland

595

00:23:22,470 --> 00:23:20,159

uh and bill's got those you're gonna

596

00:23:25,669 --> 00:23:22,480

flash put them up on the screen

597

00:23:28,710 --> 00:23:25,679

but uh you know it is these

598

00:23:31,830 --> 00:23:28,720

these screenshots came from a video

599

00:23:35,190 --> 00:23:31,840

and this thing was screaming you know

600

00:23:36,870 --> 00:23:35,200

like crazy like a banshee uh

601
00:23:38,310 --> 00:23:36,880
and he had heard it while he was in his

602
00:23:41,190 --> 00:23:38,320
house

603
00:23:42,630 --> 00:23:41,200
and uh he came out to investigate and

604
00:23:46,870 --> 00:23:42,640
this is what he found

605
00:23:50,070 --> 00:23:46,880
so i have no idea what those things are

606
00:23:50,310 --> 00:23:50,080
and that that that is something that you

607
00:23:52,789 --> 00:23:50,320
know

608
00:23:54,710 --> 00:23:52,799
i'm gonna ha i feel like i'm gonna have

609
00:23:56,310 --> 00:23:54,720
to have more information on before i

610
00:23:58,390 --> 00:23:56,320
write a book about it

611
00:24:01,669 --> 00:23:58,400
because there's there's just really no

612
00:24:04,149 --> 00:24:01,679
explanation as to why they're here

613
00:24:05,750 --> 00:24:04,159

and what they want or what they you know

614

00:24:08,149 --> 00:24:05,760

what the deal is with them so

615

00:24:08,789 --> 00:24:08,159

um they don't seem to be they don't seem

616

00:24:13,029 --> 00:24:08,799

to hurt

617

00:24:20,950 --> 00:24:18,070

what's that

618

00:24:23,909 --> 00:24:20,960

they're just weird because they crawl

619

00:24:28,470 --> 00:24:26,870

and when you see those movies from um

620

00:24:31,430 --> 00:24:28,480

the horror movies uh

621

00:24:32,950 --> 00:24:31,440

when they the demons and all that that's

622

00:24:33,590 --> 00:24:32,960

the same thing they do they crawl around

623

00:24:37,029 --> 00:24:33,600

up the wall

624

00:24:38,630 --> 00:24:37,039

and on the floor so i i i don't want to

625

00:24:39,350 --> 00:24:38,640

see one of those calling humanoids for

626
00:24:41,510 --> 00:24:39,360
sure

627
00:24:45,029 --> 00:24:41,520
but they because that that's that's very

628
00:24:49,269 --> 00:24:47,029
i don't know and i'm not saying that

629
00:24:50,710 --> 00:24:49,279
they're demons but

630
00:24:52,950 --> 00:24:50,720
i don't know maybe they're creatures

631
00:24:54,549 --> 00:24:52,960
that could be considered

632
00:24:56,390 --> 00:24:54,559
considered demons that they were maybe

633
00:24:57,510 --> 00:24:56,400
considered demons back in the back in

634
00:25:01,669 --> 00:24:57,520
the day

635
00:25:03,350 --> 00:25:01,679
another one's more benevolent

636
00:25:05,110 --> 00:25:03,360
who knows but you say they don't they

637
00:25:09,430 --> 00:25:05,120
haven't heard anybody or nobody

638
00:25:12,630 --> 00:25:09,440

that we know so yeah

639

00:25:14,230 --> 00:25:12,640

yeah i mean uh some people now some

640

00:25:15,350 --> 00:25:14,240

people have told me they have seen them

641

00:25:19,110 --> 00:25:15,360

feeding

642

00:25:22,310 --> 00:25:19,120

on dead animals and uh such but

643

00:25:25,029 --> 00:25:22,320

as far as humans go i i don't i really

644

00:25:27,029 --> 00:25:25,039

know of any deliberate attacks or

645

00:25:28,549 --> 00:25:27,039

anything now

646

00:25:30,710 --> 00:25:28,559

we had a couple reports here in

647

00:25:31,750 --> 00:25:30,720

pennsylvania and unfortunately because

648

00:25:34,230 --> 00:25:31,760

of this cove

649

00:25:35,750 --> 00:25:34,240

quarantine we just haven't really been

650

00:25:39,909 --> 00:25:35,760

able to investigate them

651
00:25:41,430 --> 00:25:39,919
but we we plan on going into these areas

652
00:25:43,909 --> 00:25:41,440
and possibly

653
00:25:44,710 --> 00:25:43,919
gathering some information of these

654
00:25:48,310 --> 00:25:44,720
things so

655
00:25:49,110 --> 00:25:48,320
um i don't know i i wish i had more

656
00:25:51,909 --> 00:25:49,120
information

657
00:25:53,830 --> 00:25:51,919
it's it's unfortunate but you know it's

658
00:25:56,950 --> 00:25:53,840
it's just like anything else

659
00:25:59,190 --> 00:25:56,960
we get these spats of these um

660
00:26:00,710 --> 00:25:59,200
these sightings uh of these creatures

661
00:26:02,950 --> 00:26:00,720
different creatures

662
00:26:04,390 --> 00:26:02,960
for a period of time and then they just

663
00:26:06,549 --> 00:26:04,400

kind of fade off and

664

00:26:08,230 --> 00:26:06,559

you know we don't hear about it for a

665

00:26:11,990 --> 00:26:08,240

while so

666

00:26:14,230 --> 00:26:12,000

who knows well it

667

00:26:15,510 --> 00:26:14,240

seems like the bigfoot in pennsylvania

668

00:26:17,430 --> 00:26:15,520

seems to be very steady

669

00:26:18,710 --> 00:26:17,440

every year you know there's reports

670

00:26:23,750 --> 00:26:18,720

there

671

00:26:25,909 --> 00:26:23,760

of a bigfoot type

672

00:26:26,870 --> 00:26:25,919

creature attacking a human even though

673

00:26:29,110 --> 00:26:26,880

there's

674

00:26:29,909 --> 00:26:29,120

some on record especially in the early

675

00:26:33,110 --> 00:26:29,919

days you know

676
00:26:37,350 --> 00:26:33,120
back in the second day yeah but i mean

677
00:26:43,269 --> 00:26:40,549
especially back in e3 when they had that

678
00:26:44,149 --> 00:26:43,279
that that landing there in greensburg uh

679
00:26:48,149 --> 00:26:44,159
where they had the

680
00:26:51,190 --> 00:26:48,159
the ufo and the the bigfoot near the ufo

681
00:26:54,870 --> 00:26:51,200
yeah implied a direct connection

682
00:26:58,070 --> 00:26:54,880
which i i'm convinced yeah

683
00:27:01,269 --> 00:26:58,080
well if anybody gets a chance to see the

684
00:27:04,549 --> 00:27:01,279
um see seth breedlove's

685
00:27:07,430 --> 00:27:04,559
film about the chestnut ridge

686
00:27:07,990 --> 00:27:07,440
and the uh you know stands in that stan

687
00:27:10,310 --> 00:27:08,000
gordon is

688
00:27:11,350 --> 00:27:10,320

in that and he explains and they

689

00:27:13,909 --> 00:27:11,360

dramatize

690

00:27:14,950 --> 00:27:13,919

the uh the bigfoot in the ufo connection

691

00:27:17,830 --> 00:27:14,960

there

692

00:27:18,310 --> 00:27:17,840

uh you know and you're right that 73

693

00:27:22,310 --> 00:27:18,320

flap

694

00:27:25,350 --> 00:27:22,320

phenomena

695

00:27:26,310 --> 00:27:25,360

i mean it was crazy i mean it just

696

00:27:27,669 --> 00:27:26,320

wasn't in the

697

00:27:30,149 --> 00:27:27,679

on the ridge either it was all

698

00:27:31,190 --> 00:27:30,159

throughout the state down into maryland

699

00:27:34,549 --> 00:27:31,200

into new york

700

00:27:37,029 --> 00:27:34,559

it was prevalent and um

701
00:27:38,870 --> 00:27:37,039
you know i i it's on you you know

702
00:27:42,549 --> 00:27:38,880
indiana

703
00:27:46,789 --> 00:27:42,559
yeah it was all over um

704
00:27:50,070 --> 00:27:46,799
we um and we still get weird reports

705
00:27:52,310 --> 00:27:50,080
of bigfoot involved phenomena uh

706
00:27:53,430 --> 00:27:52,320
associated with lights and other type of

707
00:27:57,350 --> 00:27:53,440
strange uh

708
00:27:59,590 --> 00:27:57,360
unexplained encounters um

709
00:28:01,669 --> 00:27:59,600
you know you sit there and you wonder i

710
00:28:02,870 --> 00:28:01,679
mean what are these how are these things

711
00:28:05,029 --> 00:28:02,880
connected

712
00:28:06,549 --> 00:28:05,039
and are they really extraterrestrials

713
00:28:08,149 --> 00:28:06,559

who knows but

714

00:28:10,470 --> 00:28:08,159

you know some of the stories and of

715

00:28:13,110 --> 00:28:10,480

course when you get these uh

716

00:28:13,909 --> 00:28:13,120

these upright canine sightings involved

717

00:28:17,190 --> 00:28:13,919

and you know

718

00:28:18,310 --> 00:28:17,200

as well you know you really have to

719

00:28:20,230 --> 00:28:18,320

wonder

720

00:28:21,909 --> 00:28:20,240

you know if these are some type of

721

00:28:23,990 --> 00:28:21,919

portal opening up

722

00:28:29,669 --> 00:28:24,000

and these uh these creatures are able to

723

00:28:32,870 --> 00:28:31,909

the funny thing about uh some of the the

724

00:28:36,230 --> 00:28:32,880

bigfoot reports

725

00:28:40,149 --> 00:28:36,240

i i know some some cases

726

00:28:43,029 --> 00:28:40,159

in which um there's one case

727

00:28:43,590 --> 00:28:43,039

specifically from spain 1990 with this

728

00:28:51,909 --> 00:28:43,600

guy

729

00:28:53,590 --> 00:28:51,919

signal up in the mountain he was

730

00:28:56,549 --> 00:28:53,600

abducted

731

00:28:56,950 --> 00:28:56,559

and while on board the ufo you remember

732

00:28:59,029 --> 00:28:56,960

seeing

733

00:29:00,470 --> 00:28:59,039

several type of creatures but one of the

734

00:29:05,110 --> 00:29:00,480

creatures what he called

735

00:29:09,269 --> 00:29:05,120

uh a nape man looking like a big ape

736

00:29:11,350 --> 00:29:09,279

bipedal uh sounds like bigfoot to me and

737

00:29:15,830 --> 00:29:11,360

then there's another case from france

738

00:29:17,269 --> 00:29:15,840

and 73 that there was a couple out there

739

00:29:18,870 --> 00:29:17,279

you know they were necking out in the

740

00:29:19,830 --> 00:29:18,880

woods and parked on this other side of

741

00:29:22,310 --> 00:29:19,840

the road

742

00:29:24,310 --> 00:29:22,320

and they saw like a big sphere land and

743

00:29:27,350 --> 00:29:24,320

a nearby field

744

00:29:29,669 --> 00:29:27,360

a door open and then uh

745

00:29:31,269 --> 00:29:29,679

some little figures came out you know

746

00:29:35,190 --> 00:29:31,279

little humanoids then

747

00:29:38,470 --> 00:29:35,200

two men exited long hair blonde

748

00:29:40,710 --> 00:29:38,480

the nordics and and then after that

749

00:29:42,549 --> 00:29:40,720

they walked around and then the door

750

00:29:43,510 --> 00:29:42,559

stayed open and something else came out

751
00:29:46,470 --> 00:29:43,520
that

752
00:29:47,590 --> 00:29:46,480
the couple said it was like a big ape

753
00:29:52,549 --> 00:29:47,600
and it stood like

754
00:29:55,590 --> 00:29:52,559
guard by the door of the ufo

755
00:29:57,830 --> 00:29:55,600
after a while they these the big tall

756
00:30:00,549 --> 00:29:57,840
man the ape went in and then

757
00:30:02,230 --> 00:30:00,559
went back in and the little man and this

758
00:30:03,909 --> 00:30:02,240
this case

759
00:30:06,549 --> 00:30:03,919
they found a lot of tracks and different

760
00:30:09,029 --> 00:30:06,559
stuff very interesting

761
00:30:09,830 --> 00:30:09,039
as far as the connection with bigfoot

762
00:30:14,310 --> 00:30:09,840
and

763
00:30:15,269 --> 00:30:14,320

ufos yeah we've got i've gotten some

764

00:30:17,909 --> 00:30:15,279

strange

765

00:30:18,630 --> 00:30:17,919

reports from spain myself and i know you

766

00:30:20,789 --> 00:30:18,640

have

767

00:30:22,549 --> 00:30:20,799

i don't know what it is about spain but

768

00:30:25,029 --> 00:30:22,559

there seemed to be a lot of reptilian

769

00:30:29,110 --> 00:30:25,039

reports that come out of there as well

770

00:30:32,870 --> 00:30:29,120

uh i i don't know if there's a specific

771

00:30:35,510 --> 00:30:32,880

specific reason for that uh

772

00:30:35,909 --> 00:30:35,520

you know reptilian cases are very few

773

00:30:39,190 --> 00:30:35,919

and far

774

00:30:42,950 --> 00:30:39,200

between uh and most time we associate

775

00:30:45,669 --> 00:30:42,960

reptilians with extraterrestrials but

776

00:30:49,510 --> 00:30:45,679

there do seem to be reports of these

777

00:30:49,520 --> 00:31:03,190

that may be indigenous

778

00:31:07,430 --> 00:31:05,830

that there's uh yeah i heard some of the

779

00:31:10,470 --> 00:31:07,440

reptilian cases from

780

00:31:12,389 --> 00:31:10,480

from spain uh

781

00:31:14,149 --> 00:31:12,399

i know a couple not that many though but

782

00:31:15,909 --> 00:31:14,159

i know a lot of flying humanoid cases

783

00:31:19,190 --> 00:31:15,919

from spain

784

00:31:19,509 --> 00:31:19,200

back in the 80s 88 87 there were a lot

785

00:31:22,630 --> 00:31:19,519

of

786

00:31:23,430 --> 00:31:22,640

reptilian cases in italy in which there

787

00:31:27,509 --> 00:31:23,440

was a

788

00:31:29,669 --> 00:31:27,519

an area there were like similar beans

789

00:31:30,950 --> 00:31:29,679

remember the some freda abduction back

790

00:31:32,070 --> 00:31:30,960

in 78

791

00:31:34,230 --> 00:31:32,080

they they're pretty similar but these

792

00:31:37,350 --> 00:31:34,240

were like according to the witnesses

793

00:31:41,269 --> 00:31:37,360

they looked like like dragons

794

00:31:43,350 --> 00:31:41,279

bipedal with a green scaly skin

795

00:31:44,470 --> 00:31:43,360

and this is this was in italy in 1980

796

00:31:47,669 --> 00:31:44,480

from 87

797

00:31:50,149 --> 00:31:47,679

88 the same year

798

00:31:51,669 --> 00:31:50,159

they found that mistake in the same year

799

00:31:54,789 --> 00:31:51,679

of the uh

800

00:31:56,710 --> 00:31:54,799

the cases in south carolina

801
00:32:03,269 --> 00:31:56,720
where the kids saw the lizardmen

802
00:32:06,389 --> 00:32:05,750
yeah skateboarder swamp exactly like

803
00:32:08,310 --> 00:32:06,399
that one

804
00:32:09,590 --> 00:32:08,320
and this is the same year 88 that was

805
00:32:11,990 --> 00:32:09,600
seen in italy

806
00:32:13,269 --> 00:32:12,000
i don't know they seem to come in the

807
00:32:19,190 --> 00:32:13,279
way

808
00:32:24,310 --> 00:32:22,070
yeah you're right i mean you know it's

809
00:32:26,549 --> 00:32:24,320
uh

810
00:32:28,789 --> 00:32:26,559
you know oh you were asking me you were

811
00:32:32,389 --> 00:32:28,799
mentioning to me that you're

812
00:32:34,630 --> 00:32:32,399
involved with looking into cases

813
00:32:39,029 --> 00:32:34,640

uh during world war ii can you kind of

814

00:32:44,710 --> 00:32:42,470

i i recently had a i talked to

815

00:32:46,470 --> 00:32:44,720

somebody in argentina about cases from

816

00:32:49,990 --> 00:32:46,480

world war ii

817

00:32:53,430 --> 00:32:50,000

and i mentioned a couple of cases that i

818

00:33:00,549 --> 00:32:56,549

on especially there was one i

819

00:33:04,149 --> 00:33:00,559

got from a uh a hungarian uh

820

00:33:07,110 --> 00:33:04,159

researcher his name is christon andre

821

00:33:08,310 --> 00:33:07,120

he said he said he sent me a badge i had

822

00:33:10,230 --> 00:33:08,320

to translate him

823

00:33:11,430 --> 00:33:10,240

google translate so hopefully i did it

824

00:33:14,310 --> 00:33:11,440

right i'm not sure

825

00:33:14,789 --> 00:33:14,320

because he couldn't translate do that a

826
00:33:19,269 --> 00:33:14,799
lot of

827
00:33:21,990 --> 00:33:19,279
case was in uh

828
00:33:23,590 --> 00:33:22,000
november 1944 their germans were

829
00:33:26,950 --> 00:33:23,600
retreating

830
00:33:29,350 --> 00:33:26,960
and there was this uh village in uh

831
00:33:30,470 --> 00:33:29,360
in hungary and there was some german

832
00:33:32,870 --> 00:33:30,480
soldier station there and there were

833
00:33:35,269 --> 00:33:32,880
some kids playing outside and

834
00:33:37,750 --> 00:33:35,279
and all of a sudden they saw like a

835
00:33:40,549 --> 00:33:37,760
apparently a disc

836
00:33:42,149 --> 00:33:40,559
metallic they it landed on the field

837
00:33:43,990 --> 00:33:42,159
near where the soldiers were standing

838
00:33:45,430 --> 00:33:44,000

or being stationed or doing guard i

839

00:33:46,789 --> 00:33:45,440

don't know what they're doing and the

840

00:33:50,710 --> 00:33:46,799

kids right now up to the

841

00:33:52,389 --> 00:33:50,720

to the ship to the ufo

842

00:33:54,789 --> 00:33:52,399

followed by the soldiers the german

843

00:33:58,230 --> 00:33:54,799

soldiers were armed

844

00:33:59,909 --> 00:33:58,240

a door opened and several figures

845

00:34:01,590 --> 00:33:59,919

or entities walked out they were wearing

846

00:34:05,350 --> 00:34:01,600

metallic suits or something or

847

00:34:08,149 --> 00:34:05,360

human like human height and

848

00:34:08,629 --> 00:34:08,159

the german soldiers panicked and they uh

849

00:34:11,829 --> 00:34:08,639

began

850

00:34:12,710 --> 00:34:11,839

firing at the uh humanoids there was a

851
00:34:15,030 --> 00:34:12,720

big

852
00:34:16,470 --> 00:34:15,040

flash of light and blinded the uh the

853
00:34:18,790 --> 00:34:16,480

germans and they had a retreat

854
00:34:20,470 --> 00:34:18,800

and then they think these uh entities

855
00:34:23,190 --> 00:34:20,480

went back into the option and they

856
00:34:24,470 --> 00:34:23,200

and it took off very interesting case

857
00:34:27,270 --> 00:34:24,480

that's how we greet uh

858
00:34:28,069 --> 00:34:27,280

our um visitors from outer space with

859
00:34:29,750 --> 00:34:28,079

bullets

860
00:34:32,829 --> 00:34:29,760

well i'm talking about 1944 in the

861
00:34:35,589 --> 00:34:32,839

middle of the war so

862
00:34:38,629 --> 00:34:35,599

um

863
00:34:42,710 --> 00:34:38,639

there were a lot of cases in russia

864

00:34:47,190 --> 00:34:44,950

yeah i mean you know there was another

865

00:34:50,869 --> 00:34:47,200

case

866

00:34:53,909 --> 00:34:50,879

go ahead go ahead

867

00:34:56,149 --> 00:34:53,919

oh there's a another case i got from uh

868

00:34:58,390 --> 00:34:56,159

this is from the czech republic

869

00:35:00,069 --> 00:34:58,400

czechoslovakia back then

870

00:35:02,069 --> 00:35:00,079

well it had been taken over by germany

871

00:35:05,589 --> 00:35:02,079

but anyway uh the

872

00:35:07,990 --> 00:35:05,599

the researchers jitka linkova

873

00:35:09,750 --> 00:35:08,000

she i got uh her book she sent me over a

874

00:35:14,310 --> 00:35:09,760

copy of her book a pdf

875

00:35:17,990 --> 00:35:14,320

and there was a case there in like 1943.

876

00:35:20,550 --> 00:35:18,000

there was some uh kids they saw a like a

877

00:35:22,069 --> 00:35:20,560

an object it looked like a bell it

878

00:35:24,870 --> 00:35:22,079

reminds me of

879

00:35:26,230 --> 00:35:24,880

supposedly the german the glock but it

880

00:35:27,589 --> 00:35:26,240

was a bell

881

00:35:30,390 --> 00:35:27,599

and it descended to the ground there

882

00:35:32,150 --> 00:35:30,400

were two human-like figures and

883

00:35:33,750 --> 00:35:32,160

there was one that was a man blonde hair

884

00:35:35,589 --> 00:35:33,760

and the other was another male

885

00:35:37,670 --> 00:35:35,599

but he looked more like a hindu dark

886

00:35:40,150 --> 00:35:37,680

darker

887

00:35:41,670 --> 00:35:40,160

with black hair and the thing just over

888

00:35:44,150 --> 00:35:41,680

there for a while and uh

889

00:35:45,670 --> 00:35:44,160

there were other witnesses and then it

890

00:35:48,870 --> 00:35:45,680

made a sound and it

891

00:35:52,230 --> 00:35:48,880

shot away it's just interesting then

892

00:35:56,390 --> 00:35:52,240

and a lot of the cases that i

893

00:35:59,510 --> 00:35:56,400

got a lot of all those areas denmark

894

00:36:02,230 --> 00:35:59,520

a lot of cases and uh

895

00:36:04,069 --> 00:36:02,240

many of the the entities seen there at

896

00:36:05,829 --> 00:36:04,079

that time they were human-like the very

897

00:36:09,510 --> 00:36:05,839

few reports of the uh

898

00:36:10,310 --> 00:36:09,520

our friends the greys back in the 40s or

899

00:36:13,430 --> 00:36:10,320

50s or

900

00:36:15,750 --> 00:36:13,440

even 60s 70s that's when we started

901
00:36:18,790 --> 00:36:15,760
getting reports of uh

902
00:36:20,069 --> 00:36:18,800
some of the little great great types i

903
00:36:21,270 --> 00:36:20,079
don't know i call them the hollywood

904
00:36:24,390 --> 00:36:21,280
grades but

905
00:36:28,710 --> 00:36:24,400
you never know then in the 80s with

906
00:36:31,349 --> 00:36:28,720
the straver books and that's uh

907
00:36:33,750 --> 00:36:31,359
he and um bud hopkins the late bud

908
00:36:36,310 --> 00:36:33,760
hopkins and

909
00:36:37,589 --> 00:36:36,320
he had a lot of reports of great type

910
00:36:39,030 --> 00:36:37,599
you know creatures

911
00:36:40,790 --> 00:36:39,040
that they're the ones that seem to do a

912
00:36:42,230 --> 00:36:40,800
lot of the abductions

913
00:36:44,069 --> 00:36:42,240

even though the ones that stream were

914

00:36:44,870 --> 00:36:44,079

reported not exactly grace but they were

915

00:36:47,109 --> 00:36:44,880

like

916

00:36:48,550 --> 00:36:47,119

similar to grace i've always been

917

00:36:51,829 --> 00:36:48,560

fascinated by

918

00:36:54,950 --> 00:36:51,839

his encounters

919

00:36:57,990 --> 00:36:54,960

communion right

920

00:37:01,589 --> 00:36:58,000

well you know i i believe there was

921

00:37:04,950 --> 00:37:01,599

a lot going on even before world war ii

922

00:37:05,829 --> 00:37:04,960

involving uh the third rake i think that

923

00:37:09,589 --> 00:37:05,839

i i think

924

00:37:10,069 --> 00:37:09,599

they probably did have an encounter or

925

00:37:14,550 --> 00:37:10,079

two

926
00:37:16,470 --> 00:37:14,560
with some unknown type of beings um

927
00:37:17,750 --> 00:37:16,480
they're you know they had the cernitsa

928
00:37:21,190 --> 00:37:17,760
crash which was

929
00:37:24,470 --> 00:37:21,200
actually in poland but that was part of

930
00:37:28,069 --> 00:37:24,480
german territory later where the

931
00:37:30,150 --> 00:37:28,079
uh they supposedly had found bodies

932
00:37:32,230 --> 00:37:30,160
and uh they had contact with

933
00:37:35,670 --> 00:37:32,240
extraterrestrial beings you know

934
00:37:37,270 --> 00:37:35,680
quite frankly i mean their technology

935
00:37:38,710 --> 00:37:37,280
and even though a lot of people want to

936
00:37:41,990 --> 00:37:38,720
discount it they they

937
00:37:45,109 --> 00:37:42,000
had a lot of technology a lot of

938
00:37:47,910 --> 00:37:45,119

very different technology

939

00:37:49,510 --> 00:37:47,920

than uh what we could have had at the

940

00:37:52,790 --> 00:37:49,520

time and

941

00:37:55,349 --> 00:37:52,800

yeah you do know that i mean the germans

942

00:37:58,069 --> 00:37:55,359

had a lot of very skilled engineers and

943

00:38:02,470 --> 00:37:58,079

scientists and no doubt about that

944

00:38:04,630 --> 00:38:02,480

uh but yeah when you look into it

945

00:38:06,390 --> 00:38:04,640

and go back and look into some of what

946

00:38:08,150 --> 00:38:06,400

they um

947

00:38:09,589 --> 00:38:08,160

you know what they were doing at the

948

00:38:11,670 --> 00:38:09,599

time and of course we

949

00:38:13,510 --> 00:38:11,680

without with operation paperclip we

950

00:38:15,829 --> 00:38:13,520

grabbed as many as we could

951
00:38:16,870 --> 00:38:15,839
at the end of the war i mean i i don't

952
00:38:18,470 --> 00:38:16,880
think we've ever

953
00:38:20,310 --> 00:38:18,480
i don't think we'd admitted to the moon

954
00:38:23,750 --> 00:38:20,320
if we didn't have some of these

955
00:38:25,750 --> 00:38:23,760
german scientists from uh from the third

956
00:38:30,430 --> 00:38:25,760
break working with us

957
00:38:33,109 --> 00:38:30,440
back the moon of two guys in charge were

958
00:38:34,230 --> 00:38:33,119
ex-german nazis and and yeah they were

959
00:38:37,430 --> 00:38:34,240
the ones in charge there

960
00:38:39,030 --> 00:38:37,440
nasa bone brown and

961
00:38:40,470 --> 00:38:39,040
i forgot the other guy's name there they

962
00:38:41,510 --> 00:38:40,480
were freaking nazis and they were

963
00:38:45,750 --> 00:38:41,520

brought in

964

00:38:47,750 --> 00:38:45,760

so we could get to the moon yeah

965

00:38:49,589 --> 00:38:47,760

von braun was uh he was ahead of his

966

00:38:52,710 --> 00:38:49,599

time he he uh

967

00:38:56,790 --> 00:38:52,720

he basically built the saturn v

968

00:38:58,470 --> 00:38:56,800

rocket and uh got us to the moon but

969

00:38:59,910 --> 00:38:58,480

you know i don't think i don't think

970

00:39:01,670 --> 00:38:59,920

beyond that

971

00:39:03,270 --> 00:39:01,680

we could have collected the technology

972

00:39:04,390 --> 00:39:03,280

to be able to do that himself now of

973

00:39:06,790 --> 00:39:04,400

course

974

00:39:08,230 --> 00:39:06,800

you know back in 47 with the roswell

975

00:39:11,430 --> 00:39:08,240

crash and there were others are

976
00:39:13,109 --> 00:39:11,440
before that time and and after you

977
00:39:16,069 --> 00:39:13,119
you really don't know what kind of

978
00:39:18,150 --> 00:39:16,079
technology that we acquired through that

979
00:39:20,150 --> 00:39:18,160
i you know from people i've talked to

980
00:39:21,030 --> 00:39:20,160
and through sources and such over the

981
00:39:24,630 --> 00:39:21,040
years

982
00:39:26,470 --> 00:39:24,640
i i do believe that

983
00:39:28,870 --> 00:39:26,480
even to the day i think some of the

984
00:39:31,670 --> 00:39:28,880
technology that we have

985
00:39:32,069 --> 00:39:31,680
is a result of some type of interaction

986
00:39:35,190 --> 00:39:32,079
with

987
00:39:36,630 --> 00:39:35,200
other beings uh and i think that's

988
00:39:37,190 --> 00:39:36,640

something that's going to continue to

989

00:39:43,589 --> 00:39:37,200

occur

990

00:39:45,589 --> 00:39:43,599

i mean you know well i think in roswell

991

00:39:47,030 --> 00:39:45,599

uh i do believe that something crashed

992

00:39:49,670 --> 00:39:47,040

but i think it was more than one

993

00:39:50,870 --> 00:39:49,680

ship i think there were a couple crashes

994

00:39:54,950 --> 00:39:50,880

there

995

00:39:57,190 --> 00:39:54,960

nearby and and even before roswell it

996

00:40:00,870 --> 00:39:57,200

was like crashing 45

997

00:40:03,430 --> 00:40:00,880

also in new mexico and then in 48

998

00:40:04,390 --> 00:40:03,440

brother crashes there were a lot of

999

00:40:06,390 --> 00:40:04,400

crashes back in

1000

00:40:07,430 --> 00:40:06,400

those years and then there have been

1001

00:40:11,430 --> 00:40:07,440

other crashes uh

1002

00:40:12,950 --> 00:40:11,440

keksburg shag harbor

1003

00:40:14,710 --> 00:40:12,960

i don't know if that was a total

1004

00:40:15,829 --> 00:40:14,720

complete crash but they retrieved the

1005

00:40:17,430 --> 00:40:15,839

object or something

1006

00:40:19,030 --> 00:40:17,440

we didn't retrieve it but i think they

1007

00:40:23,030 --> 00:40:19,040

they did themselves

1008

00:40:27,030 --> 00:40:23,040

yeah that crash there looked like

1009

00:40:30,990 --> 00:40:27,040

like the german glock or the bell

1010

00:40:41,109 --> 00:40:38,230

yeah there's been a lot of reports

1011

00:40:42,150 --> 00:40:41,119

go ahead oh yeah well of course you know

1012

00:40:45,270 --> 00:40:42,160

stan

1013

00:40:47,190 --> 00:40:45,280

has been investigating and uh has

1014

00:40:49,430 --> 00:40:47,200

continued to investigate

1015

00:40:51,349 --> 00:40:49,440

the uh the kecksburg incident for almost

1016

00:40:54,710 --> 00:40:51,359

50 years now

1017

00:40:57,349 --> 00:40:54,720

um now he i

1018

00:40:57,910 --> 00:40:57,359

i think you know of course some of the

1019

00:40:59,670 --> 00:40:57,920

uh

1020

00:41:01,349 --> 00:40:59,680

some of the technology that possibly

1021

00:41:03,829 --> 00:41:01,359

came from that thing

1022

00:41:07,270 --> 00:41:03,839

i i think it's kind of been discounted

1023

00:41:11,670 --> 00:41:07,280

by many but i believe as some people

1024

00:41:14,150 --> 00:41:11,680

some people don't know at that time nasa

1025

00:41:15,750 --> 00:41:14,160

was in charge of collecting any type of

1026

00:41:17,990 --> 00:41:15,760

evidence like that

1027

00:41:19,750 --> 00:41:18,000

early 60s it you know the military

1028

00:41:23,030 --> 00:41:19,760

wasn't doing it

1029

00:41:25,109 --> 00:41:23,040

nasa the new nasa uh

1030

00:41:26,630 --> 00:41:25,119

was was in charge of doing that of

1031

00:41:28,630 --> 00:41:26,640

actually collecting and

1032

00:41:29,670 --> 00:41:28,640

stan said that these were these were

1033

00:41:33,589 --> 00:41:29,680

nasa

1034

00:41:35,589 --> 00:41:33,599

collected that not where they went

1035

00:41:37,030 --> 00:41:35,599

did it go to wright patterson i don't

1036

00:41:38,069 --> 00:41:37,040

know you know it could have gone a lot

1037

00:41:40,230 --> 00:41:38,079

of places

1038

00:41:44,950 --> 00:41:40,240

you know even even just like these alien

1039

00:41:51,270 --> 00:41:47,990

go ahead i think nasa

1040

00:41:54,630 --> 00:41:51,280

was behind a lot of the uh

1041

00:41:57,190 --> 00:41:54,640

supposedly uh crash recoveries i mean

1042

00:41:58,470 --> 00:41:57,200

that's i'm talking about the six uh 60s

1043

00:42:02,150 --> 00:41:58,480

when

1044

00:42:03,910 --> 00:42:02,160

there was a nasa bef before that i don't

1045

00:42:07,750 --> 00:42:03,920

know

1046

00:42:11,430 --> 00:42:07,760

maybe the navy cia

1047

00:42:14,870 --> 00:42:13,430

yeah i you know i think i think the

1048

00:42:16,150 --> 00:42:14,880

military was kind of

1049

00:42:18,150 --> 00:42:16,160

you know they were looking at me of

1050

00:42:18,710 --> 00:42:18,160

course project blue book and all that

1051

00:42:22,069 --> 00:42:18,720

you know

1052

00:42:23,670 --> 00:42:22,079

enigma

1053

00:42:25,190 --> 00:42:23,680

we really don't know what they were

1054

00:42:28,630 --> 00:42:25,200

really doing back then

1055

00:42:29,589 --> 00:42:28,640

was a disinformation program who knows i

1056

00:42:32,630 --> 00:42:29,599

mean

1057

00:42:34,390 --> 00:42:32,640

i don't know uh they were trying to keep

1058

00:42:36,630 --> 00:42:34,400

things quiet for the most part

1059

00:42:37,589 --> 00:42:36,640

but i i do believe there were some

1060

00:42:40,069 --> 00:42:37,599

incidents where

1061

00:42:41,190 --> 00:42:40,079

they may have collected real evidence

1062

00:42:43,829 --> 00:42:41,200

and uh

1063

00:42:46,230 --> 00:42:43,839

you know but like i said before er you

1064

00:42:48,950 --> 00:42:46,240

know as time went by and nasa was

1065

00:42:51,829 --> 00:42:48,960

was created they they kind of did most

1066

00:42:55,910 --> 00:42:51,839

of the retrieval from what i understand

1067

00:42:57,750 --> 00:42:55,920

uh then of course it it kind of

1068

00:42:59,270 --> 00:42:57,760

you know kind of evolved into something

1069

00:43:00,790 --> 00:42:59,280

else

1070

00:43:03,589 --> 00:43:00,800

you know if something like that happened

1071

00:43:04,390 --> 00:43:03,599

nowadays most likely would be the air

1072

00:43:08,230 --> 00:43:04,400

force

1073

00:43:13,510 --> 00:43:08,240

that

1074

00:43:18,550 --> 00:43:13,520

extraterrestrial non-human type

1075

00:43:22,630 --> 00:43:20,309

well you know a lot of the reports of

1076

00:43:26,069 --> 00:43:22,640

crashes in in south america

1077

00:43:27,910 --> 00:43:26,079

like the one in seventy eighteen uh

1078

00:43:29,510 --> 00:43:27,920

olivia on the frontier bolivia and

1079

00:43:31,910 --> 00:43:29,520

argentina

1080

00:43:32,950 --> 00:43:31,920

the the people there reported that later

1081

00:43:35,190 --> 00:43:32,960

after the crash the

1082

00:43:38,470 --> 00:43:35,200

they saw like americans there and then

1083

00:43:45,270 --> 00:43:42,390

nasa logos they've been seen in other

1084

00:43:46,550 --> 00:43:45,280

mostly in south america poor retail

1085

00:43:51,190 --> 00:43:46,560

people were in

1086

00:43:53,750 --> 00:43:51,200

a scene of uh supposed ufo crashes

1087

00:43:55,109 --> 00:43:53,760

nasa personnel at the scene and they

1088

00:43:57,030 --> 00:43:55,119

were working on

1089

00:43:59,030 --> 00:43:57,040

openly because back you know they were

1090

00:44:03,030 --> 00:43:59,040

in south america

1091

00:44:05,030 --> 00:44:03,040

but some people recognize it as as

1092

00:44:09,349 --> 00:44:05,040

you know from the usa yeah makings and

1093

00:44:11,510 --> 00:44:09,359

they were wearing nasa uniforms

1094

00:44:13,030 --> 00:44:11,520

and and that's correct uh if you look

1095

00:44:14,150 --> 00:44:13,040

back at some of the older cases

1096

00:44:18,150 --> 00:44:14,160

especially

1097

00:44:20,950 --> 00:44:18,160

coming out of brazil and argentina uh

1098

00:44:22,790 --> 00:44:20,960

a lot of times there were u.s personnel

1099

00:44:25,430 --> 00:44:22,800

involved with these recoveries

1100

00:44:27,349 --> 00:44:25,440

and like you stated some of them were

1101

00:44:30,870 --> 00:44:27,359

recognized as national

1102

00:44:33,829 --> 00:44:30,880

nasa engineers and scientists uh

1103

00:44:34,790 --> 00:44:33,839

you know we've had our fingers in with

1104

00:44:36,390 --> 00:44:34,800

into all that

1105

00:44:38,870 --> 00:44:36,400

that's been going on down in south

1106

00:44:40,950 --> 00:44:38,880

america for a lot of years and of course

1107

00:44:42,790 --> 00:44:40,960

you know argentina and brazil have been

1108

00:44:46,309 --> 00:44:42,800

very open about

1109

00:44:48,309 --> 00:44:46,319

their uh their encounters down there

1110

00:44:50,550 --> 00:44:48,319

and of course i'm quite sure the united

1111

00:44:53,670 --> 00:44:50,560

states has been very

1112

00:44:55,349 --> 00:44:53,680

very uh accommodating to their

1113

00:44:57,030 --> 00:44:55,359

whatever government they have at the

1114

00:45:01,030 --> 00:44:57,040

time and and uh

1115

00:45:04,309 --> 00:45:01,040

are very uh prudent about getting what

1116

00:45:08,470 --> 00:45:04,319

information or what material they can

1117

00:45:12,069 --> 00:45:09,829

yeah most of the south american

1118

00:45:14,950 --> 00:45:12,079

countries are very open now but

1119

00:45:16,390 --> 00:45:14,960

yeah they admit that they had especially

1120

00:45:22,710 --> 00:45:16,400

like chile

1121

00:45:31,430 --> 00:45:26,230

and a lot of them in europe also spain

1122

00:45:34,870 --> 00:45:33,910

but you kind of have a unique here we're

1123

00:45:38,870 --> 00:45:34,880

getting more

1124

00:45:43,430 --> 00:45:41,430

yeah right now somebody asked me up what

1125

00:45:45,750 --> 00:45:43,440

do you think about this pentagon

1126

00:45:47,349 --> 00:45:45,760

disclosure and stuff well i go maybe

1127

00:45:49,750 --> 00:45:47,359

there is something to it maybe we're

1128

00:45:52,069 --> 00:45:49,760

getting more

1129

00:45:54,390 --> 00:45:52,079

we're getting prepared or there's

1130

00:45:55,910 --> 00:45:54,400

there's more

1131

00:45:57,510 --> 00:45:55,920

they want to inform the people better

1132

00:45:59,109 --> 00:45:57,520

now i mean they want to make it more

1133

00:46:02,230 --> 00:45:59,119

legitimate

1134

00:46:03,510 --> 00:46:02,240

i don't know well you and i haven't

1135

00:46:05,910 --> 00:46:03,520

taught before because of your

1136

00:46:09,270 --> 00:46:05,920

perspective and you being cuban

1137

00:46:12,309 --> 00:46:09,280

uh of a lot of uh strange

1138

00:46:15,030 --> 00:46:12,319

humanoid sightings and ufo encounters

1139

00:46:16,230 --> 00:46:15,040

in cuba as well and you you do have some

1140

00:46:18,309 --> 00:46:16,240

connections

1141

00:46:19,910 --> 00:46:18,319

and you have been able to get some of

1142

00:46:23,510 --> 00:46:19,920

these stories can you kind of tell us a

1143

00:46:27,589 --> 00:46:25,589

there there's one there's always

1144

00:46:30,150 --> 00:46:27,599

intrigued me that this is uh

1145

00:46:32,390 --> 00:46:30,160

you know in cuba there's uh a lot of

1146

00:46:35,270 --> 00:46:32,400

tobacco fields and

1147

00:46:36,230 --> 00:46:35,280

this there was a ranch um this is in the

1148

00:46:38,870 --> 00:46:36,240

60s i like

1149

00:46:40,390 --> 00:46:38,880

i don't have my my information with me

1150

00:46:43,190 --> 00:46:40,400

my laptop but

1151

00:46:44,950 --> 00:46:43,200

uh there was uh uh one of the ranch

1152

00:46:47,670 --> 00:46:44,960

hands a worker in the fields

1153

00:46:48,230 --> 00:46:47,680

he went to check on the uh the tobacco

1154

00:46:52,150 --> 00:46:48,240

they

1155

00:47:01,030 --> 00:46:52,160

a

1156

00:47:03,829 --> 00:47:01,040

to check on it this is in the

1157

00:47:04,790 --> 00:47:03,839

las vegas province and he walked in

1158

00:47:06,870 --> 00:47:04,800

there and

1159

00:47:08,550 --> 00:47:06,880

uh he was checking around all of a

1160

00:47:09,349 --> 00:47:08,560

sudden he heard a noise he looked behind

1161

00:47:11,430 --> 00:47:09,359

him

1162

00:47:12,790 --> 00:47:11,440

and there was a creature or some kind of

1163

00:47:16,069 --> 00:47:12,800

humanoid

1164

00:47:18,790 --> 00:47:16,079

standing in bipedal two feet

1165

00:47:19,910 --> 00:47:18,800

and he looked like uh something he's

1166

00:47:23,990 --> 00:47:19,920

never seen before

1167

00:47:27,109 --> 00:47:24,000

uh it was all thin big

1168

00:47:27,829 --> 00:47:27,119

dark like dark brown in color i don't

1169

00:47:29,430 --> 00:47:27,839

remember if

1170

00:47:31,190 --> 00:47:29,440

you said it was wrinkled kind of belt

1171

00:47:33,349 --> 00:47:31,200

but all of a sudden

1172

00:47:36,950 --> 00:47:33,359

he looked at him he tried to approach

1173

00:47:40,309 --> 00:47:36,960

the the end of the end the entity

1174

00:47:43,510 --> 00:47:40,319

admitted like a a loud very loud

1175

00:47:46,069 --> 00:47:43,520

yell scream and it was so loud that it

1176

00:47:47,670 --> 00:47:46,079

cracked his eardrums and he passed out

1177

00:47:49,589 --> 00:47:47,680

when they found him he was bleeding from

1178

00:47:52,549 --> 00:47:49,599

his eardrum

1179

00:47:53,589 --> 00:47:52,559

and he was passed out i guess that's

1180

00:47:56,150 --> 00:47:53,599

that was the kind of

1181

00:47:56,870 --> 00:47:56,160

defense mechanism that the entity used

1182

00:47:59,190 --> 00:47:56,880

so we

1183

00:48:02,549 --> 00:47:59,200

he wouldn't approached it there's other

1184

00:48:09,910 --> 00:48:06,150

this is a winged humanoid in 1952

1185

00:48:10,870 --> 00:48:09,920

in cuba uh it looked like it was wearing

1186

00:48:14,230 --> 00:48:10,880

something

1187

00:48:15,589 --> 00:48:14,240

a hover over a field and had it was kind

1188

00:48:18,829 --> 00:48:15,599

of gold-colored but it was

1189

00:48:19,990 --> 00:48:18,839

man-shaped and he had wings and it says

1190

00:48:24,230 --> 00:48:20,000

something

1191

00:48:26,549 --> 00:48:24,240

they couldn't understand what he was

1192

00:48:29,589 --> 00:48:26,559

saying then it flew away

1193

00:48:31,589 --> 00:48:29,599

this is in 1952 and in cuba i know

1194

00:48:32,950 --> 00:48:31,599

there's one

1195

00:48:35,109 --> 00:48:32,960

one of the early ones that i know from

1196

00:48:38,390 --> 00:48:35,119

cuba is 1930

1197

00:48:41,829 --> 00:48:41,190

naval commander was driving this sounds

1198

00:48:44,309 --> 00:48:41,839

more like a

1199

00:48:45,990 --> 00:48:44,319

like urban legend but they i talked to

1200

00:48:47,190 --> 00:48:46,000

researchers said that actually did it

1201
00:48:49,910 --> 00:48:47,200
really happen

1202
00:48:51,670 --> 00:48:49,920
he was a naval commander he was driving

1203
00:48:54,470 --> 00:48:51,680
he was a doctor also he was driving

1204
00:48:55,589 --> 00:48:54,480
to habana the main highway back there at

1205
00:48:57,510 --> 00:48:55,599
the time

1206
00:48:58,870 --> 00:48:57,520
and he saw a little a little figure on

1207
00:49:01,109 --> 00:48:58,880
the side of the road

1208
00:49:01,990 --> 00:49:01,119
and he thought he was a child or missed

1209
00:49:04,390 --> 00:49:02,000
a lost child

1210
00:49:06,630 --> 00:49:04,400
or something and he was concerned so he

1211
00:49:08,390 --> 00:49:06,640
stopped his vehicle he ran over to it

1212
00:49:09,589 --> 00:49:08,400
it looked like he was kind of dark so

1213
00:49:12,150 --> 00:49:09,599

you couldn't see exactly what he looked

1214

00:49:16,470 --> 00:49:12,160

like but it was humanoid

1215

00:49:19,510 --> 00:49:16,480

very short you know shaped like a human

1216

00:49:21,910 --> 00:49:19,520

proportionally and he said well let me

1217

00:49:24,150 --> 00:49:21,920

pick this kid up when he grabbed it

1218

00:49:25,670 --> 00:49:24,160

it felt like lead he couldn't he

1219

00:49:28,710 --> 00:49:25,680

couldn't budget it was like

1220

00:49:30,150 --> 00:49:28,720

very heavy and he looked at it and his

1221

00:49:31,349 --> 00:49:30,160

face was totally different he had a

1222

00:49:34,549 --> 00:49:31,359

bigger a big bob

1223

00:49:37,829 --> 00:49:34,559

you know a wide mouth and big eyes

1224

00:49:40,710 --> 00:49:37,839

and he just let go and took off

1225

00:49:43,190 --> 00:49:40,720

and he drove away he said he was so

1226

00:49:45,750 --> 00:49:43,200

heavy they couldn't budget

1227

00:49:50,630 --> 00:49:45,760

it was like if it was made out of lead

1228

00:49:50,640 --> 00:49:55,030

and then yeah it was a big way

1229

00:49:58,950 --> 00:49:57,510

in 93 94 95 there was a there were a lot

1230

00:50:02,710 --> 00:49:58,960

of cases

1231

00:50:04,150 --> 00:50:02,720

lelia has been a couple but i've never

1232

00:50:07,750 --> 00:50:04,160

too much lately

1233

00:50:12,309 --> 00:50:07,760

yeah uh we had a question in the uh

1234

00:50:17,030 --> 00:50:12,319

in the chat about what percentage of uh

1235

00:50:20,870 --> 00:50:17,040

humanoids have non-evil intentions i

1236

00:50:23,910 --> 00:50:20,880

you know i personally i don't think uh

1237

00:50:25,670 --> 00:50:23,920

that there they have some type of evil

1238

00:50:27,030 --> 00:50:25,680

intention of course you know

1239

00:50:29,190 --> 00:50:27,040

you're going to get you're going to get

1240

00:50:32,230 --> 00:50:29,200

those sightings where

1241

00:50:35,190 --> 00:50:32,240

uh either an animal is

1242

00:50:37,270 --> 00:50:35,200

mutilated somehow or you know just like

1243

00:50:39,349 --> 00:50:37,280

the old chupacabra cases

1244

00:50:41,670 --> 00:50:39,359

we used to get out of puerto rico i mean

1245

00:50:44,069 --> 00:50:41,680

you know they they did seem to be there

1246

00:50:46,710 --> 00:50:44,079

with some type of intention

1247

00:50:47,270 --> 00:50:46,720

uh and believe me i've gotten a lot of

1248

00:50:50,630 --> 00:50:47,280

reports

1249

00:50:52,549 --> 00:50:50,640

of these type of beings uh you know

1250

00:50:53,990 --> 00:50:52,559

that were either bipedal or or

1251
00:50:56,390 --> 00:50:54,000
quarterbacks that

1252
00:50:57,750 --> 00:50:56,400
people were calling chupacabras but i

1253
00:50:59,510 --> 00:50:57,760
don't think for the most part that

1254
00:51:03,270 --> 00:50:59,520
they're evil

1255
00:51:05,990 --> 00:51:03,280
what do you think uh

1256
00:51:09,190 --> 00:51:06,000
i don't know direct cases which we can't

1257
00:51:12,309 --> 00:51:09,200
had uh direct the hostile

1258
00:51:15,430 --> 00:51:12,319
intentions from humanoids to

1259
00:51:17,829 --> 00:51:15,440
humans i very few

1260
00:51:19,670 --> 00:51:17,839
maybe a couple i think most of the

1261
00:51:21,430 --> 00:51:19,680
injuries that we

1262
00:51:23,190 --> 00:51:21,440
some of the witnesses have received have

1263
00:51:26,390 --> 00:51:23,200

been unintentional

1264

00:51:28,870 --> 00:51:26,400

accidental they ran towards the

1265

00:51:29,910 --> 00:51:28,880

humanoids and they used like this guy in

1266

00:51:31,750 --> 00:51:29,920

cuba

1267

00:51:33,829 --> 00:51:31,760

they used some kind of a defense

1268

00:51:36,950 --> 00:51:33,839

mechanism they don't mean to hurt us but

1269

00:51:38,470 --> 00:51:36,960

when they do that the human you know

1270

00:51:39,190 --> 00:51:38,480

there's some kind of injuries involved

1271

00:51:43,670 --> 00:51:39,200

there's a

1272

00:51:46,150 --> 00:51:43,680

case in peru uh a landing of a craft

1273

00:51:47,589 --> 00:51:46,160

back in 68 and tingle a place called

1274

00:51:50,470 --> 00:51:47,599

tingo maria

1275

00:51:51,349 --> 00:51:50,480

but their two kids ran over to a landed

1276

00:51:54,390 --> 00:51:51,359

craft or

1277

00:51:55,670 --> 00:51:54,400

there were some entities around it it

1278

00:51:58,950 --> 00:51:55,680

was a bright flash so

1279

00:52:00,950 --> 00:51:58,960

and later some people went over to the

1280

00:52:04,549 --> 00:52:00,960

site after the ufo left and

1281

00:52:06,230 --> 00:52:04,559

the two kids were dead i mean

1282

00:52:08,390 --> 00:52:06,240

they would they have died of appear to

1283

00:52:09,510 --> 00:52:08,400

be burns maybe it was an accidental i

1284

00:52:10,870 --> 00:52:09,520

don't think they would it was done

1285

00:52:13,030 --> 00:52:10,880

intentionally but

1286

00:52:14,790 --> 00:52:13,040

but you know you heard reports of human

1287

00:52:16,150 --> 00:52:14,800

mutilations also so i don't know what to

1288

00:52:19,109 --> 00:52:16,160

say about those

1289

00:52:26,230 --> 00:52:19,119

i know a couple cases supposedly who

1290

00:52:30,230 --> 00:52:28,549

hey this is a bill the producer here

1291

00:52:33,510 --> 00:52:30,240

alberta we had a question

1292

00:52:34,390 --> 00:52:33,520

here claudio's asking have you heard

1293

00:52:38,790 --> 00:52:34,400

anything about the

1294

00:52:45,190 --> 00:52:42,069

yeah barghingha back in 1996

1295

00:52:47,030 --> 00:52:45,200

a very important incident

1296

00:52:50,309 --> 00:52:47,040

and there's a lot of evidence that the

1297

00:52:52,150 --> 00:52:50,319

brazilian military recovered something

1298

00:52:53,750 --> 00:52:52,160

as and as a result a couple of the

1299

00:52:56,549 --> 00:52:53,760

soldiers that were the scene of the

1300

00:52:58,150 --> 00:52:56,559

recovery of the site died of some kind

1301

00:53:01,990 --> 00:52:58,160

of a unknown illness

1302

00:53:05,349 --> 00:53:02,000

but yeah this is a 1996 crash in uh

1303

00:53:09,750 --> 00:53:05,359

bad badging in uh

1304

00:53:11,750 --> 00:53:09,760

brazil back in january 1996.

1305

00:53:14,150 --> 00:53:11,760

and it's funny because back in 95 there

1306

00:53:16,230 --> 00:53:14,160

was another crash

1307

00:53:18,069 --> 00:53:16,240

in brazil no one speaks about that one

1308

00:53:20,870 --> 00:53:18,079

but it was another crash

1309

00:53:22,470 --> 00:53:20,880

similar in the same area but this is the

1310

00:53:29,270 --> 00:53:22,480

one that's very known as the

1311

00:53:31,109 --> 00:53:29,280

the one that claudia was talking about

1312

00:53:33,109 --> 00:53:31,119

yeah that brazil that brazilians is

1313

00:53:34,230 --> 00:53:33,119

pretty well known the the one you were

1314

00:53:36,950 --> 00:53:34,240

mentioning

1315

00:53:38,549 --> 00:53:36,960

uh you know those those beings were kind

1316

00:53:40,309 --> 00:53:38,559

of screens they were

1317

00:53:42,630 --> 00:53:40,319

i think the description for the most

1318

00:53:44,549 --> 00:53:42,640

part they were kind of a greenish

1319

00:53:45,750 --> 00:53:44,559

type being about three to four foot

1320

00:53:48,390 --> 00:53:45,760

maybe in height

1321

00:53:49,430 --> 00:53:48,400

with spine with spikes coming down the

1322

00:53:52,790 --> 00:53:49,440

back of them

1323

00:53:54,950 --> 00:53:52,800

with large bulbous red eyes strange

1324

00:53:58,470 --> 00:53:54,960

uh i think it was a bunch of girls that

1325

00:54:01,349 --> 00:53:58,480

kind of encountered them funny

1326

00:54:02,390 --> 00:54:01,359

yeah and they had super funny shape they

1327

00:54:05,510 --> 00:54:02,400

were like

1328

00:54:07,430 --> 00:54:05,520

not your typical gray pear-shaped head

1329

00:54:10,390 --> 00:54:07,440

were different

1330

00:54:12,390 --> 00:54:10,400

they're from another place yeah somehow

1331

00:54:16,230 --> 00:54:12,400

they crashed

1332

00:54:19,270 --> 00:54:16,240

yeah who knows

1333

00:54:21,990 --> 00:54:19,280

i don't know that maybe uh that's

1334

00:54:24,069 --> 00:54:22,000

possible i guess

1335

00:54:25,670 --> 00:54:24,079

you know down there down there i guess a

1336

00:54:28,549 --> 00:54:25,680

lot of times just kind of

1337

00:54:31,109 --> 00:54:28,559

shoot and ask questions later uh but

1338

00:54:32,790 --> 00:54:31,119

yeah that case was pretty interesting

1339

00:54:34,950 --> 00:54:32,800

uh because it was it was a bunch of

1340

00:54:36,789 --> 00:54:34,960

girls i believe teenage girls that kind

1341

00:54:40,390 --> 00:54:36,799

of came across them

1342

00:54:45,510 --> 00:54:44,630

yeah the girls saw the creature first

1343

00:54:48,549 --> 00:54:45,520

and then the

1344

00:54:50,069 --> 00:54:48,559

military was called in and they

1345

00:54:52,069 --> 00:54:50,079

i believe they capture a couple of the

1346

00:54:55,589 --> 00:54:52,079

creatures or something

1347

00:54:57,349 --> 00:54:55,599

alive they catch them alive well if they

1348

00:54:58,200 --> 00:54:57,359

called them then we got them

1349

00:55:02,069 --> 00:54:58,210

believe me

1350

00:55:03,829 --> 00:55:02,079

[Laughter]

1351

00:55:05,670 --> 00:55:03,839

you know there's a couple there's

1352

00:55:08,789 --> 00:55:05,680

several books on the incident

1353

00:55:14,069 --> 00:55:08,799

mostly in portuguese though yeah

1354

00:55:17,510 --> 00:55:15,670

well you know i've been fortunate enough

1355

00:55:19,589 --> 00:55:17,520

to have several people

1356

00:55:21,750 --> 00:55:19,599

uh have come forward from puerto rico

1357

00:55:26,950 --> 00:55:21,760

with these um

1358

00:55:28,470 --> 00:55:26,960

with these uh gray encounters and uh

1359

00:55:29,990 --> 00:55:28,480

i mean to the point where some some of

1360

00:55:33,109 --> 00:55:30,000

these witnesses and

1361

00:55:33,910 --> 00:55:33,119

experiencers and i wrote about it in my

1362

00:55:37,990 --> 00:55:33,920

book i

1363

00:55:41,270 --> 00:55:38,000

have actually had um were healed by them

1364

00:55:42,069 --> 00:55:41,280

and such uh you know in the rain forest

1365

00:55:44,630 --> 00:55:42,079

areas

1366

00:55:46,390 --> 00:55:44,640

of puerto rico there have been a lot of

1367

00:55:49,510 --> 00:55:46,400

different types of landings

1368

00:55:51,910 --> 00:55:49,520

and settings of all types of uh

1369

00:55:53,829 --> 00:55:51,920

humanoid beings very described a lot of

1370

00:55:55,910 --> 00:55:53,839

times like graves

1371

00:55:57,030 --> 00:55:55,920

but they seem to be very benevolent for

1372

00:55:58,789 --> 00:55:57,040

the most part

1373

00:56:04,230 --> 00:55:58,799

i don't know if any i don't know of any

1374

00:56:10,950 --> 00:56:07,589

uh in puerto rico like

1375

00:56:14,230 --> 00:56:10,960

researcher jorge martin and especially

1376

00:56:19,990 --> 00:56:16,069

mountain is like a rain forest the only

1377

00:56:23,670 --> 00:56:22,470

that area is just unbelievable kind of

1378

00:56:25,510 --> 00:56:23,680

stuff that happens there they

1379

00:56:27,829 --> 00:56:25,520

he thinks that there's some kind of

1380

00:56:31,030 --> 00:56:27,839

underground installation there

1381

00:56:32,630 --> 00:56:31,040

run by u.s government and aliens at the

1382

00:56:33,270 --> 00:56:32,640

same time like in conjunction that's

1383

00:56:36,150 --> 00:56:33,280

what he

1384

00:56:36,950 --> 00:56:36,160

theory he talked to me about that well

1385

00:56:38,309 --> 00:56:36,960

there's a lot of

1386

00:56:39,670 --> 00:56:38,319

they they've seen different type of

1387

00:56:43,589 --> 00:56:39,680

aliens there there's been a lot of

1388

00:56:49,910 --> 00:56:46,630

yeah i know i know and i had a

1389

00:56:52,150 --> 00:56:49,920

a woman and her daughter who um who had

1390

00:56:54,549 --> 00:56:52,160

actually gotten some photographs

1391

00:56:56,069 --> 00:56:54,559

of some type of be some type of craft in

1392

00:56:56,870 --> 00:56:56,079

one of these rainforests they lived

1393

00:56:58,470 --> 00:56:56,880

nearby

1394

00:57:00,230 --> 00:56:58,480

and i think it was the same area where

1395

00:57:02,950 --> 00:57:00,240

you were just talking about

1396

00:57:05,349 --> 00:57:02,960

but uh you know they aren't the only

1397

00:57:07,589 --> 00:57:05,359

ones i've talked to several people

1398

00:57:08,470 --> 00:57:07,599

who have had these encounters in puerto

1399

00:57:11,030 --> 00:57:08,480

rico and

1400

00:57:12,069 --> 00:57:11,040

you know a lot of them do believe that

1401

00:57:16,069 --> 00:57:12,079

the us government

1402

00:57:19,109 --> 00:57:16,079

has some type of installation there

1403

00:57:22,069 --> 00:57:19,119

uh who knows i mean you know you you're

1404

00:57:24,150 --> 00:57:22,079

the researcher you you've referenced he

1405

00:57:27,670 --> 00:57:24,160

may very well know more than what most

1406

00:57:29,829 --> 00:57:27,680

of us know

1407

00:57:31,030 --> 00:57:29,839

yeah according to him one case that he's

1408

00:57:34,069 --> 00:57:31,040

investigated the

1409

00:57:37,670 --> 00:57:34,079

there's a couple bases different types

1410

00:57:38,390 --> 00:57:37,680

one run by the us government aliens and

1411

00:57:40,710 --> 00:57:38,400

the other one

1412

00:57:44,549 --> 00:57:40,720

by different type of aliens and there's

1413

00:57:49,030 --> 00:57:46,789

he knows more details about that but

1414

00:57:53,030 --> 00:57:49,040

yeah interesting stuff

1415

00:57:59,589 --> 00:57:57,190

so um he's yeah

1416

00:58:01,670 --> 00:57:59,599

yeah so i i i know you mentioned you

1417

00:58:04,470 --> 00:58:01,680

want to get the database going again

1418

00:58:06,789 --> 00:58:04,480

and uh i always look forward to getting

1419

00:58:08,069 --> 00:58:06,799

information from you i know my readers

1420

00:58:11,829 --> 00:58:08,079

love to read

1421

00:58:13,910 --> 00:58:11,839

your reports and uh you know if

1422

00:58:16,390 --> 00:58:13,920

if you're inclined to do something

1423

00:58:19,750 --> 00:58:17,430

i'm going to send you some stuff

1424

00:58:23,910 --> 00:58:19,760

tomorrow okay some cases over

1425

00:58:28,069 --> 00:58:26,230

but i'll send you some more stuff yeah

1426

00:58:30,549 --> 00:58:28,079

okay oh that sounds great yeah i

1427

00:58:31,829 --> 00:58:30,559

appreciate that i mean you know

1428

00:58:33,430 --> 00:58:31,839

you know you're not knowing each other a

1429

00:58:34,150 --> 00:58:33,440

long time we've been involved a lot of

1430

00:58:37,430 --> 00:58:34,160

things so

1431

00:58:39,190 --> 00:58:37,440

uh yeah whatever you can provide i i i

1432

00:58:42,470 --> 00:58:39,200

most appreciate it i know my readers

1433

00:58:47,270 --> 00:58:45,990

got you so right now i got um what is it

1434

00:58:50,950 --> 00:58:47,280

10 o'clock

1435

00:58:52,150 --> 00:58:50,960

i have to go say goodbye to mom and uh

1436

00:58:54,549 --> 00:58:52,160

we're going to see if we can do this

1437

00:58:58,710 --> 00:58:54,559

again and i will okay

1438

00:58:59,030 --> 00:58:58,720

next weekend okay well i appreciate that

1439

00:59:02,390 --> 00:58:59,040

so

1440

00:59:04,710 --> 00:59:02,400

say hi and uh you take care

1441

00:59:07,430 --> 00:59:04,720

tell your family hi for me and we will

1442

00:59:10,309 --> 00:59:07,440

talk to you soon

1443

00:59:13,109 --> 00:59:10,319

okay great now take care you take care

1444

00:59:16,870 --> 00:59:14,789

now if you have an unexplained encounter

1445

00:59:18,470 --> 00:59:16,880

or something feel free to contact me

1446

00:59:21,190 --> 00:59:18,480

through the families and monsters blog

1447

00:59:23,270 --> 00:59:21,200

site i once again thank alberto rosales

1448

00:59:26,390 --> 00:59:23,280

for joining me this evening

1449

00:59:29,109 --> 00:59:26,400

and i want to thank each and all of you

1450

00:59:31,109 --> 00:59:29,119

for watching and chatting this chat room

1451
00:59:33,910 --> 00:59:31,119
has really expanded over

1452
00:59:34,309 --> 00:59:33,920
uh the past month or so and i you know

1453
00:59:38,630 --> 00:59:34,319
it's

1454
00:59:40,390 --> 00:59:38,640
on what you

1455
00:59:41,670 --> 00:59:40,400
you're talking about and asking

1456
00:59:44,470 --> 00:59:41,680
questions

1457
00:59:46,390 --> 00:59:44,480
uh you know you're the super chat

1458
00:59:46,870 --> 00:59:46,400
donations you know for those who made

1459
00:59:49,670 --> 00:59:46,880
them

1460
00:59:51,829 --> 00:59:49,680
it's very much appreciated and you know

1461
00:59:52,549 --> 00:59:51,839
your support is what makes this possible

1462
00:59:56,549 --> 00:59:52,559
so

1463
00:59:59,670 --> 00:59:56,559

again please like subscribe and share

1464

01:00:11,320 --> 00:59:59,680

so until next week stay healthy

1465

01:00:23,970 --> 01:00:12,829

[Music]

1466

01:00:49,030 --> 01:00:26,829

[Applause]
