9  
00:00:35,430 --> 00:00:33,510  
intense upright canine encounter at

10  
00:00:37,030 --> 00:00:35,440  
grandma's house in middletown maryland

11  
00:00:38,790 --> 00:00:37,040  
i am not making an official report

12  
00:00:40,709 --> 00:00:38,800  
because it was so long ago and i have

13  
00:00:42,630 --> 00:00:40,719

always brushed this incident off

14

00:00:44,549 --> 00:00:42,640

at the time i was only about eight to 11

15

00:00:45,110 --> 00:00:44,559

years old and i can't recall what year

16

00:00:48,389 --> 00:00:45,120

exactly

17

00:00:50,470 --> 00:00:48,399

1960 to 1963 since this was many years

18

00:00:51,029 --> 00:00:50,480

ago and nobody believed me since i was a

19

00:00:52,310 --> 00:00:51,039

kid

20

00:00:53,750 --> 00:00:52,320

i was spending the summer at my

21

00:00:54,389 --> 00:00:53,760

grandma's house on shank road in

22

00:00:56,229 --> 00:00:54,399

middletown

23

00:00:58,389 --> 00:00:56,239

frederick county as i had for a couple

24

00:00:59,510 --> 00:00:58,399

of years in a row i welcome the summers

25

00:01:01,590 --> 00:00:59,520

i spend with grandma

26

00:01:03,430 --> 00:01:01,600

except for the darn out house if i had

27

00:01:04,869 --> 00:01:03,440

to go at night i was a nuisance having

28

00:01:05,910 --> 00:01:04,879

to take grandma with me which meant

29

00:01:07,830 --> 00:01:05,920

waking her up

30

00:01:09,510 --> 00:01:07,840

it was an awful part of being there one

31

00:01:10,149 --> 00:01:09,520

late night i had to get up to use the

32

00:01:12,469 --> 00:01:10,159

outhouse

33

00:01:13,910 --> 00:01:12,479

and it was stark black outside no lamp

34

00:01:14,630 --> 00:01:13,920

hosts her outdoor lighting line to

35

00:01:16,630 --> 00:01:14,640

mainly

36

00:01:17,749 --> 00:01:16,640

grandma had electricity but it was only

37

00:01:20,550 --> 00:01:17,759

for the house inside

38

00:01:22,390 --> 00:01:20,560

oven and appliances she had a tv a very

39

00:01:22,870 --> 00:01:22,400

old floor model and nobody watched it

40

00:01:24,469 --> 00:01:22,880

anyway

41

00:01:25,990 --> 00:01:24,479

since there was not much tv on the

42

00:01:27,350 --> 00:01:26,000

maryland airwaves back in the early

43

00:01:29,270 --> 00:01:27,360

1960s

44

00:01:31,590 --> 00:01:29,280

it had to be like 3am when i ventured

45

00:01:32,950 --> 00:01:31,600

outside i didn't take a flashlight and i

46

00:01:34,469 --> 00:01:32,960

didn't want to wake grandma up for

47

00:01:35,830 --> 00:01:34,479

finding the flashlight or for her to

48

00:01:37,670 --> 00:01:35,840

walk me to the outhouse

49

00:01:39,109 --> 00:01:37,680

the outhouse was located far from the

50

00:01:40,550 --> 00:01:39,119

main grouping of structures on the

51

00:01:42,630 --> 00:01:40,560

property and the main house

52

00:01:44,469 --> 00:01:42,640

for obvious reasons it was not a full

53

00:01:46,149 --> 00:01:44,479

moon more like a half moon that night

54

00:01:48,310 --> 00:01:46,159

but enough nighttime illumination in the

55

00:01:49,109 --> 00:01:48,320

sky that my eyes adjusted quickly to see

56

00:01:50,870 --> 00:01:49,119

the grounds

57

00:01:52,550 --> 00:01:50,880

i could easily navigate my way using

58

00:01:53,749 --> 00:01:52,560

grandma's long and narrow flower garden

59

00:01:55,590 --> 00:01:53,759

as a guiding trill

60

00:01:57,109 --> 00:01:55,600

my biggest fear was of black snakes and

61

00:01:58,709 --> 00:01:57,119

copperheads because i was worried

62

00:02:00,550 --> 00:01:58,719

constantly to look out for them

63

00:02:02,069 --> 00:02:00,560

i made it down to the outhouse and don't

64

00:02:03,670 --> 00:02:02,079

even remember hearing the usual night

65

00:02:05,910 --> 00:02:03,680

noises like cricket swells

66

00:02:07,830 --> 00:02:05,920

it seemed almost too quiet i was a sharp

67

00:02:09,749 --> 00:02:07,840

and smart kid with a great imagination

68

00:02:11,589 --> 00:02:09,759

but not enough to make this story up

69

00:02:13,670 --> 00:02:11,599

i felt an uncanny sensation of being

70

00:02:15,990 --> 00:02:13,680

watched and i started to get scared

71

00:02:17,750 --> 00:02:16,000

i left the outhouse peak outside first

72

00:02:18,470 --> 00:02:17,760

and for some reason i wanted to run back

73

00:02:20,710 --> 00:02:18,480

to the house

74

00:02:21,990 --> 00:02:20,720

getting to safety as quickly as possible

75

00:02:23,750 --> 00:02:22,000

it was a rough and long run

76  
00:02:25,430 --> 00:02:23,760  
and i tire quickly and began walking the

77  
00:02:26,229 --> 00:02:25,440  
last few hundred feet to the porch of

78  
00:02:27,670 --> 00:02:26,239  
the house

79  
00:02:30,070 --> 00:02:27,680  
something told me to look back where i

80  
00:02:32,309 --> 00:02:30,080  
had been to this day i wished i hadn't

81  
00:02:33,830 --> 00:02:32,319  
what i saw was an impossible sight this

82  
00:02:35,589 --> 00:02:33,840  
animal stepping through the backyard of

83  
00:02:35,990 --> 00:02:35,599  
grandma's property just passed the guard

84  
00:02:38,229 --> 00:02:36,000  
in about

85  
00:02:40,070 --> 00:02:38,239  
10 feet past the outhouse it was this

86  
00:02:40,550 --> 00:02:40,080  
upright furry creature with a dog wolf

87  
00:02:42,150 --> 00:02:40,560  
head

88  
00:02:43,910 --> 00:02:42,160

i have owned german shepherds from the

89

00:02:45,509 --> 00:02:43,920

age of seven so the head was almost

90

00:02:46,790 --> 00:02:45,519

similar to the ears and snoot of a

91

00:02:48,869 --> 00:02:46,800

german shepherd dog

92

00:02:49,990 --> 00:02:48,879

i stopped dead in my tracks not leaving

93

00:02:51,750 --> 00:02:50,000

my eyes because it was

94

00:02:53,430 --> 00:02:51,760

impossible it had arms that had

95

00:02:53,990 --> 00:02:53,440

claw-like hands that hung out in front

96

00:02:55,430 --> 00:02:54,000

of it

97

00:02:57,270 --> 00:02:55,440

as it turned its head and looked right

98

00:02:58,229 --> 00:02:57,280

at me the eyes looked yellow and super

99

00:02:59,990 --> 00:02:58,239

reflective

100

00:03:01,830 --> 00:03:00,000

chills shot up my spine as i quickly

101  
00:03:03,350 --> 00:03:01,840  
walked on two legs that looked like real

102  
00:03:05,110 --> 00:03:03,360  
dog legs bending backwards

103  
00:03:07,110 --> 00:03:05,120  
traveling from left to right past her

104  
00:03:08,550 --> 00:03:07,120  
garden into the old gravel lane then

105  
00:03:09,750 --> 00:03:08,560  
across into the thicket of the woods

106  
00:03:11,589 --> 00:03:09,760  
where it disappeared

107  
00:03:13,190 --> 00:03:11,599  
i heard the rustling through the weeds

108  
00:03:15,030 --> 00:03:13,200  
it may have initially traveled from the

109  
00:03:15,589 --> 00:03:15,040  
usually full cow pasture that was up in

110  
00:03:17,509 --> 00:03:15,599  
incline

111  
00:03:19,270 --> 00:03:17,519  
past the spring and up to the cow passer

112  
00:03:21,110 --> 00:03:19,280  
that was behind grandma's house

113  
00:03:23,110 --> 00:03:21,120

i sure to think it was hiding behind the

114

00:03:24,550 --> 00:03:23,120

outhouse i was in but that is a distinct

115

00:03:26,470 --> 00:03:24,560

possibility as well

116

00:03:28,309 --> 00:03:26,480

ever since that night after being teased

117

00:03:29,190 --> 00:03:28,319

of the cliché of seeing the big bad wolf

118

00:03:30,869 --> 00:03:29,200

at grandma's house

119

00:03:32,390 --> 00:03:30,879

nobody believed me and thought i made up

120

00:03:34,390 --> 00:03:32,400

the story for attention like the

121

00:03:36,149 --> 00:03:34,400

imaginary friend syndrome of kids

122

00:03:38,229 --> 00:03:36,159

from those teasing me i just put it all

123

00:03:40,070 --> 00:03:38,239

behind me buried this story forever and

124

00:03:40,869 --> 00:03:40,080

never told another human being this tale

125

00:03:43,190 --> 00:03:40,879

until now

126  
00:03:45,110 --> 00:03:43,200  
i just turned 72 years old this year and

127  
00:03:47,190 --> 00:03:45,120  
it am sharing this tale with you now

128  
00:03:49,110 --> 00:03:47,200  
like i said it's too late now to submit

129  
00:03:50,710 --> 00:03:49,120  
an official report i can't even remember

130  
00:03:58,830 --> 00:03:50,720  
which year it occurred but i will never

131  
00:04:02,070 --> 00:04:00,390  
eh

132  
00:04:04,390 --> 00:04:02,080  
upright canine encountered in virginia

133  
00:04:05,990 --> 00:04:04,400  
beach virginia ten or so years ago i was

134  
00:04:06,630 --> 00:04:06,000  
driving with my brother in virginia

135  
00:04:07,990 --> 00:04:06,640  
beach

136  
00:04:10,070 --> 00:04:08,000  
it was late at night and we were going

137  
00:04:11,910 --> 00:04:10,080  
to grab some food we were the only car

138  
00:04:13,670 --> 00:04:11,920

on this road a sina boulevard near the

139

00:04:15,350 --> 00:04:13,680

ocean naval air station which wasn't

140

00:04:16,870 --> 00:04:15,360

abnormal due to the time of night

141

00:04:18,550 --> 00:04:16,880

the right side of the road was wooded

142

00:04:20,310 --> 00:04:18,560

with trees and on the left was a fence

143

00:04:22,069 --> 00:04:20,320

that ran parallel to the road

144

00:04:23,670 --> 00:04:22,079

a giant upright wolf like creature ran

145

00:04:25,189 --> 00:04:23,680

full speed in front of the car

146

00:04:26,950 --> 00:04:25,199

it came from the right wooded area and

147

00:04:28,550 --> 00:04:26,960

was booking it towards the fence

148

00:04:30,310 --> 00:04:28,560

this thing was at least 12 feet tall

149

00:04:32,390 --> 00:04:30,320

minimum it was hunched over running

150

00:04:33,749 --> 00:04:32,400

insanely fast on its back legs

151

00:04:35,909 --> 00:04:33,759

the legs were bent backwards and

152

00:04:37,430 --> 00:04:35,919

extremely muscular the only way i could

153

00:04:39,350 --> 00:04:37,440

describe it was they were bent backwards

154

00:04:41,110 --> 00:04:39,360

in a way that demon legs are depicted

155

00:04:42,390 --> 00:04:41,120

the legs were furless except for near

156

00:04:43,030 --> 00:04:42,400

the bottom where there were patches of

157

00:04:44,710 --> 00:04:43,040

fur

158

00:04:46,629 --> 00:04:44,720

it was wearing a brown hooded cloak that

159

00:04:48,310 --> 00:04:46,639

was tattered along the bottom edges

160

00:04:50,150 --> 00:04:48,320

the hood covered its head in midsection

161

00:04:51,749 --> 00:04:50,160

leaving the legs fully exposed

162

00:04:53,430 --> 00:04:51,759

some sort of elongated snout was

163

00:04:55,510 --> 00:04:53,440

emerging from the front of the hood

164

00:04:57,270 --> 00:04:55,520

it was square like a wolves and had fur

165

00:04:58,950 --> 00:04:57,280

the thing never turned to look us

166

00:05:00,550 --> 00:04:58,960

it was running towards the fence jumped

167

00:05:02,070 --> 00:05:00,560

and cleared it i have never seen

168

00:05:03,590 --> 00:05:02,080

anything jump so high

169

00:05:05,350 --> 00:05:03,600

i spent the next couple of moments

170

00:05:06,950 --> 00:05:05,360

trying to process what i saw

171

00:05:08,790 --> 00:05:06,960

i thought there was some kind of logical

172

00:05:09,749 --> 00:05:08,800

explanation until my brother said did

173

00:05:11,590 --> 00:05:09,759

you see that

174

00:05:13,350 --> 00:05:11,600

and described in detail exactly what i

175

00:05:14,950 --> 00:05:13,360

had seen the only thing that differed

176

00:05:16,390 --> 00:05:14,960

was he saw what he described as long

177

00:05:17,029 --> 00:05:16,400

claws emerging from the front of the

178

00:05:20,150 --> 00:05:17,039

cloak

179

00:05:21,830 --> 00:05:20,160

something i really focused on

180

00:05:23,430 --> 00:05:21,840

the cloak was cloth and i am certain it

181

00:05:25,670 --> 00:05:23,440

wasn't for anything else

182

00:05:27,430 --> 00:05:25,680

seeing this thing terrified me ten years

183

00:05:35,749 --> 00:05:27,440

later i am still terrified

184

00:05:39,590 --> 00:05:37,830

recent upright canine cryptid sightings

185

00:05:41,110 --> 00:05:39,600

and encounters reported in montgomery

186

00:05:43,029 --> 00:05:41,120

county pennsylvania

187

00:05:44,629 --> 00:05:43,039

i was born and raised in pottstown and

188

00:05:46,150 --> 00:05:44,639

currently still live here

189

00:05:48,230 --> 00:05:46,160

the sighting was an hour west from

190

00:05:49,430 --> 00:05:48,240

philadelphia and half an hour away from

191

00:05:51,029 --> 00:05:49,440

valley forge

192

00:05:53,189 --> 00:05:51,039

i ran into your facebook page through

193

00:05:54,790 --> 00:05:53,199

weird pennsylvania or something similar

194

00:05:56,390 --> 00:05:54,800

to that which led me to the webpage

195

00:05:58,390 --> 00:05:56,400

phantoms and monsters

196

00:06:00,309 --> 00:05:58,400

i was reading some things and saw where

197

00:06:01,909 --> 00:06:00,319

people who had experienced encounters

198

00:06:04,150 --> 00:06:01,919

and sightings could email you with their

199

00:06:06,550 --> 00:06:04,160

story i've had two experiences where

200

00:06:08,870 --> 00:06:06,560

i've seen things that i cannot explain

201  
00:06:09,670 --> 00:06:08,880  
i'll start with the most recent last

202  
00:06:11,670 --> 00:06:09,680  
year a friend

203  
00:06:14,150 --> 00:06:11,680  
and i went for a ride to catch up with

204  
00:06:16,070 --> 00:06:14,160  
our friend it was in march 2020 on a

205  
00:06:17,749 --> 00:06:16,080  
saturday night and it just so happened

206  
00:06:18,390 --> 00:06:17,759  
to be the weekend when the quarantine

207  
00:06:20,870 --> 00:06:18,400  
started

208  
00:06:21,909 --> 00:06:20,880  
we were on route 422 around midnight and

209  
00:06:23,909 --> 00:06:21,919  
it was odd cause

210  
00:06:25,830 --> 00:06:23,919  
that highway is usually pretty busy on a

211  
00:06:28,309 --> 00:06:25,840  
saturday night but that night we saw

212  
00:06:30,390 --> 00:06:28,319  
maybe three cars within a 30-minute ride

213  
00:06:32,309 --> 00:06:30,400

so we finishing visiting our friend and

214

00:06:34,790 --> 00:06:32,319

started to make our way back home

215

00:06:36,070 --> 00:06:34,800

it was around 2 30 to 3 a.m and we were

216

00:06:38,150 --> 00:06:36,080

going westbound on 4

217

00:06:39,510 --> 00:06:38,160

22 and again we were pretty much the

218

00:06:41,270 --> 00:06:39,520

only car on the road

219

00:06:43,270 --> 00:06:41,280

there's a grass patch that divides the

220

00:06:44,790 --> 00:06:43,280

eastbound and westbound highway

221

00:06:46,469 --> 00:06:44,800

we were in the fast lane between the

222

00:06:48,070 --> 00:06:46,479

collegeville and royersford exit

223

00:06:49,909 --> 00:06:48,080

when all of a sudden we passed something

224

00:06:51,350 --> 00:06:49,919

to the left of us in the grass

225

00:06:53,189 --> 00:06:51,360

we couldn't see it until we were right

226

00:06:54,390 --> 00:06:53,199

up on it and only could catch a glimpse

227

00:06:55,830 --> 00:06:54,400

of it for a second

228

00:06:57,749 --> 00:06:55,840

this thing looked like it was on all

229

00:06:59,430 --> 00:06:57,759

fours maybe eating roadkill or something

230

00:07:01,350 --> 00:06:59,440

but unfortunately i could only see it

231

00:07:03,270 --> 00:07:01,360

from like the waist hips down

232

00:07:05,350 --> 00:07:03,280

it was much bigger than a deer and had

233

00:07:05,749 --> 00:07:05,360

longer on camp straggly orangish reddish

234

00:07:07,909 --> 00:07:05,759

fur

235

00:07:09,350 --> 00:07:07,919

kind of like the color of a red fox but

236

00:07:11,189 --> 00:07:09,360

a little lighter in color

237

00:07:13,589 --> 00:07:11,199

what really gets me was the legs on this

238

00:07:15,189 --> 00:07:13,599

thing it had canine like legs but they

239

00:07:17,110 --> 00:07:15,199

were huge and muscular

240

00:07:18,790 --> 00:07:17,120

it just had that shape that instantly

241

00:07:20,309 --> 00:07:18,800

told me this thing was not something you

242

00:07:21,749 --> 00:07:20,319

wanted fck with

243

00:07:23,909 --> 00:07:21,759

the legs look like the drawings i've

244

00:07:25,589 --> 00:07:23,919

seen of werewolves or something evil

245

00:07:27,430 --> 00:07:25,599

something told me that this thing could

246

00:07:29,510 --> 00:07:27,440

walk on two legs also

247

00:07:31,430 --> 00:07:29,520

after we passed it i asked my friend who

248

00:07:34,309 --> 00:07:31,440

was driving did you see that

249

00:07:34,870 --> 00:07:34,319

he replied yeah i asked him what was

250

00:07:37,110 --> 00:07:34,880

that

251

00:07:38,790 --> 00:07:37,120

he replied i don't know neither of us

252

00:07:40,469 --> 00:07:38,800

brought it up again during that ride

253

00:07:42,790 --> 00:07:40,479

because i think we were just trying to

254

00:07:45,110 --> 00:07:42,800

process what the hell did we just see

255

00:07:47,110 --> 00:07:45,120

and didn't want to sound crazy when i

256

00:07:49,189 --> 00:07:47,120

got home i told my boyfriend about it

257

00:07:50,790 --> 00:07:49,199

and he has no idea what kind of animal

258

00:07:53,189 --> 00:07:50,800

that lives around here that it could

259

00:07:55,029 --> 00:07:53,199

have been next time i saw my friend

260

00:07:56,790 --> 00:07:55,039

who had been driving that night we both

261

00:07:58,309 --> 00:07:56,800

agreed that whatever we saw

262

00:07:59,990 --> 00:07:58,319

does not fit the description of any

263

00:08:01,110 --> 00:08:00,000

animals in the area and that it was

264

00:08:03,270 --> 00:08:01,120

scary looking

265

00:08:04,869 --> 00:08:03,280

he calls it the beast a couple months

266

00:08:05,430 --> 00:08:04,879

later another friend was leaving my

267

00:08:07,029 --> 00:08:05,440

house

268

00:08:08,710 --> 00:08:07,039

and heard something across the street

269

00:08:10,390 --> 00:08:08,720

making a low guttural growling noise

270

00:08:12,230 --> 00:08:10,400

which scared him straight to his car

271

00:08:13,830 --> 00:08:12,240

and out of there he was an animal

272

00:08:15,350 --> 00:08:13,840

control officer for years

273

00:08:17,510 --> 00:08:15,360

and says nothing around here would make

274

00:08:19,270 --> 00:08:17,520

that noise then about a month after

275

00:08:21,350 --> 00:08:19,280

that my boyfriend was taking out the

276

00:08:22,950 --> 00:08:21,360

trash when he got to the front door he

277

00:08:24,309 --> 00:08:22,960

heard something scratching at the door

278

00:08:26,070 --> 00:08:24,319

and sniffing loudly

279

00:08:28,469 --> 00:08:26,080

he said it sounded like a pig grunt

280

00:08:30,390 --> 00:08:28,479

sound but obviously it wasn't a pig

281

00:08:32,230 --> 00:08:30,400

this past october my friend was sitting

282

00:08:33,589 --> 00:08:32,240

in his car in my driveway waiting for me

283

00:08:35,269 --> 00:08:33,599

to come outside

284

00:08:37,269 --> 00:08:35,279

i noticed his doors were locked when i

285

00:08:39,110 --> 00:08:37,279

went to get in the car he said he heard

286

00:08:40,389 --> 00:08:39,120

something that sounded kind of human but

287

00:08:42,709 --> 00:08:40,399

didn't know what it was

288

00:08:44,710 --> 00:08:42,719

and it scared him once i got in his car

289

00:08:46,949 --> 00:08:44,720

i told him everything i just wrote here

290

00:08:49,670 --> 00:08:46,959

and i ended my story to him saying a few

291

00:08:51,430 --> 00:08:49,680

months ago i saw something on route 422

292

00:08:52,790 --> 00:08:51,440

and before i could say anything else he

293

00:08:54,790 --> 00:08:52,800

said i saw it too

294

00:08:57,190 --> 00:08:54,800

so i asked what color it was and he

295

00:08:58,870 --> 00:08:57,200

described the exact same fur i saw

296

00:09:00,949 --> 00:08:58,880

then he said when i saw it it was

297

00:09:02,630 --> 00:09:00,959

running on two legs across the highway

298

00:09:04,230 --> 00:09:02,640

and once it saw my car it took off

299

00:09:05,430 --> 00:09:04,240

really fast like nothing around here

300

00:09:07,430 --> 00:09:05,440

would be able to

301  
00:09:08,550 --> 00:09:07,440  
my heart was beating so hard listening

302  
00:09:10,790 --> 00:09:08,560  
to him tell me this

303  
00:09:12,949 --> 00:09:10,800  
because i know he wasn't making it up i

304  
00:09:14,550 --> 00:09:12,959  
was glad someone else saw this thing

305  
00:09:16,150 --> 00:09:14,560  
he doesn't know what it was but said it

306  
00:09:17,110 --> 00:09:16,160  
was about seven to eight tall and looked

307  
00:09:19,590 --> 00:09:17,120  
nefarious

308  
00:09:21,269 --> 00:09:19,600  
he agreed its legs looked evil he saw it

309  
00:09:23,030 --> 00:09:21,279  
around the same time of year as me

310  
00:09:25,509 --> 00:09:23,040  
and it was about the same time of night

311  
00:09:27,509 --> 00:09:25,519  
too i drive this highway all the time

312  
00:09:28,630 --> 00:09:27,519  
and look for it every time but haven't

313  
00:09:30,949 --> 00:09:28,640

seen it again

314

00:09:32,870 --> 00:09:30,959

that's about it for that story i always

315

00:09:33,269 --> 00:09:32,880

wonder if any other people saw this

316

00:09:39,590 --> 00:09:33,279

thing

317

00:09:43,030 --> 00:09:42,150

this is lon strickler if you like this

318

00:09:44,790 --> 00:09:43,040

319

00:09:46,150 --> 00:09:44,800

it would help us if you would give it a

320

00:09:49,030 --> 00:09:46,160

thumbs up
