9  
00:00:35,590 --> 00:00:33,910  
bloomer man and black orb encountered at

10  
00:00:37,830 --> 00:00:35,600  
lake jacomo missouri

11  
00:00:39,830 --> 00:00:37,840  
i have a couple experiences one with a

12  
00:00:40,950 --> 00:00:39,840  
translucent entity that i would like to

13  
00:00:43,030 --> 00:00:40,960

share with you

14  
00:00:44,950 --> 00:00:43,040  
while my main concern is seeking answers

15  
00:00:46,869 --> 00:00:44,960  
to what exactly i have witnessed

16  
00:00:48,310 --> 00:00:46,879  
while visiting lake jacomo missouri on

17  
00:00:50,310 --> 00:00:48,320  
two separate occasions

18  
00:00:51,830 --> 00:00:50,320  
the second one being dark energies or

19  
00:00:53,830 --> 00:00:51,840  
black gray orbs

20  
00:00:55,029 --> 00:00:53,840  
the first incident was right around four

21  
00:00:56,869 --> 00:00:55,039  
years ago

22  
00:00:59,110 --> 00:00:56,879  
i know this because the other day i

23  
00:01:00,630 --> 00:00:59,120  
found the citation i have received on my

24  
00:01:03,189 --> 00:01:00,640  
car for being at the lake past

25  
00:01:04,869 --> 00:01:03,199  
closing time which is sunset finding it

26  
00:01:05,590 --> 00:01:04,879  
brought the feelings i had experienced

27  
00:01:07,750 --> 00:01:05,600  
that night

28  
00:01:09,350 --> 00:01:07,760  
and for several months even years

29  
00:01:11,350 --> 00:01:09,360  
afterwards back to me

30  
00:01:13,510 --> 00:01:11,360  
these feelings consist of a deep need to

31  
00:01:15,109 --> 00:01:13,520  
know almost to the point of obsession

32  
00:01:17,190 --> 00:01:15,119  
what i and other people have seen as

33  
00:01:19,670 --> 00:01:17,200  
well i need answers

34  
00:01:20,950 --> 00:01:19,680  
so let me explain my boyfriend and i

35  
00:01:23,990 --> 00:01:20,960  
were at lake jacomo

36  
00:01:24,950 --> 00:01:24,000  
sometime in april 2017 i could tell you

37  
00:01:27,270 --> 00:01:24,960  
the exact date

38  
00:01:28,310 --> 00:01:27,280

if i have a citation in front of me but

39

00:01:30,469 --> 00:01:28,320

it's put up

40

00:01:31,590 --> 00:01:30,479

anyway he and i love to be out in nature

41

00:01:33,190 --> 00:01:31,600

digging up plants

42

00:01:35,510 --> 00:01:33,200

to replant in the yard or picking

43

00:01:36,310 --> 00:01:35,520

flowers just enjoying being out in

44

00:01:38,390 --> 00:01:36,320

nature

45

00:01:39,510 --> 00:01:38,400

we also collect things like rocks

46

00:01:41,749 --> 00:01:39,520

interesting ones

47

00:01:42,870 --> 00:01:41,759

crystals also driftwood in my favorite

48

00:01:45,190 --> 00:01:42,880

arrowheads

49

00:01:47,190 --> 00:01:45,200

things like that we also collect old

50

00:01:48,310 --> 00:01:47,200

bottles and you can find most of these

51

00:01:51,030 --> 00:01:48,320

things there

52

00:01:51,749 --> 00:01:51,040

so it was probably around 6 p.m on that

53

00:01:53,670 --> 00:01:51,759

spring night

54

00:01:55,270 --> 00:01:53,680

when we arrive at the lake the sun

55

00:01:57,749 --> 00:01:55,280

doesn't set until about 7

56

00:01:58,550 --> 00:01:57,759

30 or 8 p.m that's when they lock the

57

00:02:00,709 --> 00:01:58,560

gates

58

00:02:02,709 --> 00:02:00,719

and it's posted thinking about it is

59

00:02:03,670 --> 00:02:02,719

funny because they only lock down part

60

00:02:06,950 --> 00:02:03,680

of the lake

61

00:02:09,669 --> 00:02:06,960

night long anytime

62

00:02:11,270 --> 00:02:09,679

we mess around find a snake and video it

63

00:02:13,190 --> 00:02:11,280

then i go my own way looking for

64

00:02:15,110 --> 00:02:13,200

something cool to add to our collection

65

00:02:16,309 --> 00:02:15,120

and my boyfriend stays up on a rock

66

00:02:18,150 --> 00:02:16,319

cliff face

67

00:02:20,390 --> 00:02:18,160

i venture down into the area below where

68

00:02:22,790 --> 00:02:20,400

he is and go around a corner

69

00:02:24,869 --> 00:02:22,800

we're probably 50 feet apart but i can't

70

00:02:26,869 --> 00:02:24,879

see him and he can't see me

71

00:02:28,790 --> 00:02:26,879

he told me that he heard a splash in the

72

00:02:30,949 --> 00:02:28,800

water just a good 10 minutes

73

00:02:32,309 --> 00:02:30,959

after i went down to where i was which i

74

00:02:33,910 --> 00:02:32,319

wasn't even near the water

75

00:02:36,150 --> 00:02:33,920

and he thought maybe it was me messing

76

00:02:37,910 --> 00:02:36,160

with him but i know it wasn't and he

77

00:02:39,509 --> 00:02:37,920

thought he felt a presence of something

78

00:02:41,430 --> 00:02:39,519

and maybe saw movements out of his

79

00:02:42,630 --> 00:02:41,440

peripherals which he also then again

80

00:02:44,470 --> 00:02:42,640

thought it was me

81

00:02:46,150 --> 00:02:44,480

he looked and didn't see anything so

82

00:02:46,710 --> 00:02:46,160

then his mind started wondering or

83

00:02:48,470 --> 00:02:46,720

thinking

84

00:02:50,470 --> 00:02:48,480

that i was somehow doing some sort of

85

00:02:51,830 --> 00:02:50,480

magic or something and messing with his

86

00:02:53,509 --> 00:02:51,840

head which isn't something

87

00:02:55,830 --> 00:02:53,519

that i would do because i'm not a

88

00:02:58,710 --> 00:02:55,840

practitioner of witchcraft at all

89

00:03:00,710 --> 00:02:58,720

so he says he hollers for me calls my

90

00:03:02,070 --> 00:03:00,720

name several times and i didn't hear him

91

00:03:04,309 --> 00:03:02,080

not one time

92

00:03:06,309 --> 00:03:04,319

i didn't hear anything and so eventually

93

00:03:09,030 --> 00:03:06,319

he comes down and finds me

94

00:03:11,270 --> 00:03:09,040

at this point it's after dark so we

95

00:03:13,509 --> 00:03:11,280

walked over toward my car to leave

96

00:03:15,270 --> 00:03:13,519

but before we go he decides to go down

97

00:03:16,470 --> 00:03:15,280

to the water to do whatever it was he

98

00:03:18,630 --> 00:03:16,480

wanted to do

99

00:03:20,149 --> 00:03:18,640

that's when i found a citation on my car

100

00:03:22,229 --> 00:03:20,159

for being there after curfew

101

00:03:23,830 --> 00:03:22,239

which i just found the other day and it

102

00:03:24,710 --> 00:03:23,840

reminded me of this whole thing all over

103

00:03:27,030 --> 00:03:24,720

again

104

00:03:28,229 --> 00:03:27,040

my car which is parked roughly 45 feet

105

00:03:30,550 --> 00:03:28,239

down off the road

106

00:03:32,949 --> 00:03:30,560

the road is on a curve with a guard rail

107

00:03:34,309 --> 00:03:32,959

i am also parked about 35 feet from the

108

00:03:36,390 --> 00:03:34,319

water where he is

109

00:03:38,390 --> 00:03:36,400

i'm standing by my car when i hear what

110

00:03:39,110 --> 00:03:38,400

i assume is someone walking up on the

111

00:03:41,190 --> 00:03:39,120

road

112

00:03:42,550 --> 00:03:41,200

it definitely sounded by petal footsteps

113

00:03:44,949 --> 00:03:42,560

crunching leaves

114

00:03:46,309 --> 00:03:44,959

i mean clearly i can hear the leaves in

115

00:03:48,470 --> 00:03:46,319

the little twigs breaking

116

00:03:50,630 --> 00:03:48,480

so it's obvious to me that somebody was

117

00:03:52,789 --> 00:03:50,640

up there and wanted me to know it

118

00:03:53,830 --> 00:03:52,799

they weren't trying to be stealthy but

119

00:03:56,470 --> 00:03:53,840

when i look up there

120

00:03:58,070 --> 00:03:56,480

at first i didn't see anything but as

121

00:03:59,670 --> 00:03:58,080

i'm watching and listening and hearing i

122

00:04:01,030 --> 00:03:59,680

begin to make out like a shimmer

123

00:04:03,350 --> 00:04:01,040

see-through moving thing

124

00:04:04,949 --> 00:04:03,360

to me it looked like water moving when i

125

00:04:06,869 --> 00:04:04,959

say walking i mean i could see its

126  
00:04:08,630 --> 00:04:06,879  
movements and it was seemingly moving

127  
00:04:11,030 --> 00:04:08,640  
forward in walking fashion

128  
00:04:12,229 --> 00:04:11,040  
it was crunching the leaves it had mass

129  
00:04:14,550 --> 00:04:12,239  
and some weight behind it

130  
00:04:16,229 --> 00:04:14,560  
even though it was practically invisible

131  
00:04:18,390 --> 00:04:16,239  
i mean i could see it but it was

132  
00:04:20,069 --> 00:04:18,400  
definitely clear and translucent

133  
00:04:21,670 --> 00:04:20,079  
there's just enough light behind it

134  
00:04:23,430 --> 00:04:21,680  
coming from the street light that i

135  
00:04:25,749 --> 00:04:23,440  
could see it shimmer as it moved

136  
00:04:27,430 --> 00:04:25,759  
it seemed to be about 10 to 12 foot tall

137  
00:04:28,230 --> 00:04:27,440  
but i'm not the best judge of those

138  
00:04:30,469 --> 00:04:28,240

things

139

00:04:31,830 --> 00:04:30,479

i kept looking trying to figure out what

140

00:04:33,510 --> 00:04:31,840

it is i'm looking at

141

00:04:36,070 --> 00:04:33,520

i'm hearing it and it's definitely

142

00:04:36,629 --> 00:04:36,080

walking i can totally hear it and see

143

00:04:39,030 --> 00:04:36,639

something

144

00:04:39,990 --> 00:04:39,040

and i'm about a 45 to 50 feet down from

145

00:04:41,990 --> 00:04:40,000

where it is

146

00:04:43,830 --> 00:04:42,000

it wasn't trying to be quiet so it

147

00:04:45,830 --> 00:04:43,840

wanted me to know it was there

148

00:04:47,990 --> 00:04:45,840

so my boyfriend comes up towards me and

149

00:04:48,870 --> 00:04:48,000

i say hey babe i think there's somebody

150

00:04:50,870 --> 00:04:48,880

up there

151

00:04:52,390 --> 00:04:50,880

why don't you get check it out my

152

00:04:53,110 --> 00:04:52,400

boyfriend is bold and pretty much

153

00:04:55,590 --> 00:04:53,120

fearless

154

00:04:57,590 --> 00:04:55,600

and i know he can handle himself at that

155

00:04:59,830 --> 00:04:57,600

time i didn't feel there was any danger

156

00:05:01,189 --> 00:04:59,840

or i wouldn't have sent him up there so

157

00:05:03,029 --> 00:05:01,199

he walks up there

158

00:05:05,110 --> 00:05:03,039

i didn't tell him what i was thinking or

159

00:05:05,990 --> 00:05:05,120

what i saw either because i wasn't sure

160

00:05:07,670 --> 00:05:06,000

at that point

161

00:05:10,070 --> 00:05:07,680

and i didn't want him to think i was

162

00:05:11,029 --> 00:05:10,080

crazy also i needed some personal

163

00:05:13,590 --> 00:05:11,039

confirmation

164

00:05:15,830 --> 00:05:13,600

that i'm not crazy he goes up there

165

00:05:17,830 --> 00:05:15,840

checks it out and comes back down

166

00:05:19,590 --> 00:05:17,840

i asked him if there was somebody up

167

00:05:21,350 --> 00:05:19,600

there he's like there was something up

168

00:05:24,070 --> 00:05:21,360

there and my stomach just drops

169

00:05:25,510 --> 00:05:24,080

i'm like oh my gosh i'm really not crazy

170

00:05:28,469 --> 00:05:25,520

and you saw it too

171

00:05:29,990 --> 00:05:28,479

and he's like yeah i did what was it he

172

00:05:31,830 --> 00:05:30,000

said he didn't know exactly

173

00:05:34,310 --> 00:05:31,840

and it just stepped over the guardrail

174

00:05:35,110 --> 00:05:34,320

and was gone at that point i'm like okay

175

00:05:37,110 --> 00:05:35,120

let's go

176

00:05:38,550 --> 00:05:37,120

and we get into the car and we leave

177

00:05:40,390 --> 00:05:38,560

that's when i start getting really

178

00:05:42,070 --> 00:05:40,400

freaked out for some reason

179

00:05:43,749 --> 00:05:42,080

i don't know why but i became

180

00:05:45,830 --> 00:05:43,759

overwhelmingly scared right then

181

00:05:47,110 --> 00:05:45,840

because i didn't know what it was and he

182

00:05:48,950 --> 00:05:47,120

confirmed what i thought i

183

00:05:50,550 --> 00:05:48,960

saw there was something invisible

184

00:05:52,310 --> 00:05:50,560

walking and watching us

185

00:05:54,710 --> 00:05:52,320

and clearly it wanted us to know that it

186

00:05:56,390 --> 00:05:54,720

was there so we get around to the gate

187

00:05:57,510 --> 00:05:56,400

that they locked and we're supposed to

188

00:05:59,350 --> 00:05:57,520

be out of there

189

00:06:01,189 --> 00:05:59,360

he walks away from me trying to find

190

00:06:02,309 --> 00:06:01,199

somebody to open the gate but there's

191

00:06:04,230 --> 00:06:02,319

nobody there

192

00:06:06,150 --> 00:06:04,240

i'm freaking out the whole time because

193

00:06:07,909 --> 00:06:06,160

he left me in the car by myself and i

194

00:06:08,469 --> 00:06:07,919

thinking it's going to come back and get

195

00:06:11,909 --> 00:06:08,479

me

196

00:06:13,510 --> 00:06:11,919

we ended up driving around the big

197

00:06:15,029 --> 00:06:13,520

stones they placed around the gate to

198

00:06:17,189 --> 00:06:15,039

keep people in or out

199

00:06:18,070 --> 00:06:17,199

we found a way out and i was terrified

200

00:06:20,230 --> 00:06:18,080

the whole time

201  
00:06:21,830 --> 00:06:20,240  
mainly because i didn't know what it was

202  
00:06:22,469 --> 00:06:21,840  
and i never seen anything like that

203  
00:06:25,830 --> 00:06:22,479  
before

204  
00:06:27,670 --> 00:06:25,840  
but we got out of there

205  
00:06:29,590 --> 00:06:27,680  
and i was obsessed for the longest time

206  
00:06:31,510 --> 00:06:29,600  
with figuring out what it was

207  
00:06:33,270 --> 00:06:31,520  
i googled it everything i could think of

208  
00:06:35,110 --> 00:06:33,280  
and i came across your accounts about

209  
00:06:36,469 --> 00:06:35,120  
some witness encounters with invisible

210  
00:06:38,230 --> 00:06:36,479  
things in the woods

211  
00:06:40,309 --> 00:06:38,240  
and i'm sure people thought i was nuts

212  
00:06:40,550 --> 00:06:40,319  
for a while because i was talking about

213  
00:06:45,350 --> 00:06:40,560

it

214

00:06:47,590 --> 00:06:45,360

anyone

215

00:06:49,029 --> 00:06:47,600

he would barely talk about it with me

216

00:06:50,870 --> 00:06:49,039

and there i was obsessed over it

217

00:06:52,390 --> 00:06:50,880

eventually i just got tired of looking

218

00:06:55,430 --> 00:06:52,400

without finding any answer

219

00:06:57,430 --> 00:06:55,440

so i kind of put it out of my mind okay

220

00:06:59,830 --> 00:06:57,440

so that was the first experience of lake

221

00:07:00,629 --> 00:06:59,840

jacomo the other one was just a couple

222

00:07:02,950 --> 00:07:00,639

months ago

223

00:07:04,710 --> 00:07:02,960

when i went to the lake all by myself

224

00:07:05,350 --> 00:07:04,720

and on this day there was nobody out

225

00:07:08,870 --> 00:07:05,360

there

226

00:07:10,390 --> 00:07:08,880

have been nobody near enough to hear me

227

00:07:12,629 --> 00:07:10,400

the overall energy was a little

228

00:07:13,510 --> 00:07:12,639

unnerving i typically walk down a

229

00:07:15,830 --> 00:07:13,520

certain trail

230

00:07:17,749 --> 00:07:15,840

and i go down by the water i look for

231

00:07:18,390 --> 00:07:17,759

driftwood and then i go back up to the

232

00:07:20,150 --> 00:07:18,400

trail

233

00:07:21,990 --> 00:07:20,160

and keep walking around checking on my

234

00:07:23,350 --> 00:07:22,000

little spots for gorgeous driftwood i

235

00:07:25,189 --> 00:07:23,360

can't live without

236

00:07:27,189 --> 00:07:25,199

that day it just felt different i felt

237

00:07:28,070 --> 00:07:27,199

uneasy and i thought i heard somebody

238

00:07:29,990 --> 00:07:28,080

holler something

239

00:07:31,430 --> 00:07:30,000

while i was down by the water but i

240

00:07:33,189 --> 00:07:31,440

didn't see anybody

241

00:07:34,870 --> 00:07:33,199

i know for a fact that there were no

242

00:07:37,589 --> 00:07:34,880

cars parked at the trailhead

243

00:07:39,270 --> 00:07:37,599

when i came down just moments before i

244

00:07:41,589 --> 00:07:39,280

can remember feeling like i needed to

245

00:07:43,430 --> 00:07:41,599

constantly be aware of my surroundings

246

00:07:44,710 --> 00:07:43,440

but eventually i'm not paying attention

247

00:07:47,029 --> 00:07:44,720

to my surroundings

248

00:07:48,790 --> 00:07:47,039

while searching for items i thought i

249

00:07:50,309 --> 00:07:48,800

saw a bird flying from one tree to

250

00:07:52,390 --> 00:07:50,319

another out of my peripherals when i

251  
00:07:54,710 --> 00:07:52,400  
looked up but there was nothing there

252  
00:07:57,110 --> 00:07:54,720  
it happened several times so i got my

253  
00:07:59,670 --> 00:07:57,120  
phone out and i started recording

254  
00:08:02,230 --> 00:07:59,680  
and i went on for about 20 minutes when

255  
00:08:04,869 --> 00:08:02,240  
i got home i went over my video footage

256  
00:08:06,550 --> 00:08:04,879  
lo and behold i caught a black orb i

257  
00:08:08,869 --> 00:08:06,560  
know i saw it following me around i

258  
00:08:10,150 --> 00:08:08,879  
caught it no less than 14 times on three

259  
00:08:11,749 --> 00:08:10,160  
different videos

260  
00:08:13,589 --> 00:08:11,759  
plus there were a couple other different

261  
00:08:14,150 --> 00:08:13,599  
anomalies and i would like to know what

262  
00:08:22,309 --> 00:08:14,160  
they are

263  
00:08:26,150 --> 00:08:24,629

troll bigfooter glimmerman roaming woods

264

00:08:27,990 --> 00:08:26,160

in dubang in sweden

265

00:08:30,070 --> 00:08:28,000

a friend and i went to the woods to

266

00:08:32,149 --> 00:08:30,080

barbecue over a fire as we do now

267

00:08:33,909 --> 00:08:32,159

and then all year around i live in

268

00:08:35,829 --> 00:08:33,919

stockholm sweden in the woods we go to

269

00:08:36,709 --> 00:08:35,839

lies next to a lot of apartments in de

270

00:08:38,389 --> 00:08:36,719

benjen

271

00:08:41,110 --> 00:08:38,399

i have always been into the sasquatch

272

00:08:43,269 --> 00:08:41,120

bigfoot subject and i know it is real

273

00:08:45,110 --> 00:08:43,279

we have them here in sweden as well what

274

00:08:46,790 --> 00:08:45,120

people refer to as trolls here is the

275

00:08:49,750 --> 00:08:46,800

same as bigfooter sasquatch

276

00:08:51,350 --> 00:08:49,760

same being different names however my

277

00:08:53,269 --> 00:08:51,360

friend and i went into the woods to a

278

00:08:54,310 --> 00:08:53,279

specific place we always go to when we

279

00:08:56,710 --> 00:08:54,320

make our fire

280

00:08:58,070 --> 00:08:56,720

barbecue and drink beer after a while

281

00:09:00,310 --> 00:08:58,080

when the fire was started

282

00:09:02,150 --> 00:09:00,320

i grabbed a big stick went to a tree and

283

00:09:04,150 --> 00:09:02,160

knocked it hard three times

284

00:09:06,070 --> 00:09:04,160

ten minutes pass and further into the

285

00:09:07,829 --> 00:09:06,080

woods to see this orb just appear

286

00:09:09,670 --> 00:09:07,839

and hovers about three meters off the

287

00:09:11,430 --> 00:09:09,680

ground i stare at it

288

00:09:12,870 --> 00:09:11,440

and i think to myself that is not a

289

00:09:15,110 --> 00:09:12,880

person with a flashlight

290

00:09:16,949 --> 00:09:15,120

or anything like that at all the orb

291

00:09:17,990 --> 00:09:16,959

just hovered at the same spot and then

292

00:09:19,910 --> 00:09:18,000

disappeared

293

00:09:21,110 --> 00:09:19,920

i thought to myself weird [h\_\_\h] is about

294

00:09:23,190 --> 00:09:21,120

to go down

295

00:09:25,670 --> 00:09:23,200

time passes and darkness has fallen over

296

00:09:28,070 --> 00:09:25,680

the woods we sit in front of the fire

297

00:09:30,070 --> 00:09:28,080

when we hear a weird noise my friend

298

00:09:32,070 --> 00:09:30,080

asks if i had heard that

299

00:09:33,829 --> 00:09:32,080

i looked over the fire into the darkness

300

00:09:35,350 --> 00:09:33,839

and saw two yellow eyes glowing in the

301

00:09:37,030 --> 00:09:35,360

darkness staring at us

302

00:09:39,829 --> 00:09:37,040

i said do you see those glowing eyes

303

00:09:41,750 --> 00:09:39,839

staring at us he confirmed that he did

304

00:09:42,870 --> 00:09:41,760

that is not a human or an animal i said

305

00:09:45,110 --> 00:09:42,880

and he agreed

306

00:09:47,110 --> 00:09:45,120

we stared at it for 30 seconds when it

307

00:09:49,590 --> 00:09:47,120

suddenly moves away almost floating

308

00:09:50,790 --> 00:09:49,600

leaving traces from a glowing eyes i was

309

00:09:52,710 --> 00:09:50,800

creeped out

310

00:09:54,949 --> 00:09:52,720

one week later we go to the same spot

311

00:09:56,790 --> 00:09:54,959

and it's dark the fire is lit when we

312

00:09:57,350 --> 00:09:56,800

suddenly start to hear tree breaks from

313

00:09:59,590 --> 00:09:57,360

the woods

314

00:10:01,269 --> 00:09:59,600

thick tree breaks it starts from the

315

00:10:02,310 --> 00:10:01,279

left and moves to the right in circles

316

00:10:05,750 --> 00:10:02,320

around us

317

00:10:07,430 --> 00:10:05,760

and gets closer

318

00:10:09,990 --> 00:10:07,440

and then gets quiet for a couple of

319

00:10:11,750 --> 00:10:10,000

minutes all of a sudden 15 meters to the

320

00:10:13,350 --> 00:10:11,760

right of us a big freaking tree break

321

00:10:15,110 --> 00:10:13,360

echoes through the woods

322

00:10:17,110 --> 00:10:15,120

my friend quickly stood up when this

323

00:10:18,550 --> 00:10:17,120

five meter long log crashes into a big

324

00:10:20,470 --> 00:10:18,560

rock behind us

325

00:10:23,110 --> 00:10:20,480

suddenly something then appears behind

326  
00:10:25,750 --> 00:10:23,120  
us and smashes the log with another lock

327  
00:10:27,430 --> 00:10:25,760  
we jump back and away this thing hit the

328  
00:10:29,190 --> 00:10:27,440  
upper part of the log which means

329  
00:10:31,670 --> 00:10:29,200  
that this thing was huge and strong as

330  
00:10:32,630 --> 00:10:31,680  
hell my friend turns on the flashlight

331  
00:10:34,870 --> 00:10:32,640  
and looks around

332  
00:10:36,710 --> 00:10:34,880  
we see nothing and it's quiet when we

333  
00:10:37,350 --> 00:10:36,720  
walked around in the woods we were loud

334  
00:10:39,350 --> 00:10:37,360  
as hell

335  
00:10:40,550 --> 00:10:39,360  
twigs breaking in tons of other sounds

336  
00:10:42,710 --> 00:10:40,560  
under our feet

337  
00:10:43,750 --> 00:10:42,720  
but this thing moves fast silently

338  
00:10:46,069 --> 00:10:43,760

around us

339

00:10:48,150 --> 00:10:46,079

that's the scary part as well we were

340

00:10:49,990 --> 00:10:48,160

scared as hell and quickly left

341

00:10:52,389 --> 00:10:50,000

one other time when i was walking on a

342

00:10:54,870 --> 00:10:52,399

track two stones comes flying from above

343

00:10:55,590 --> 00:10:54,880

and lands in front of me i look up into

344

00:10:57,509 --> 00:10:55,600

the trees

345

00:11:00,069 --> 00:10:57,519

and see this transparent shape thing in

346

00:11:05,750 --> 00:11:00,079

the trees and then it just disappears

347

00:11:09,190 --> 00:11:08,230

this is lon strickler if you like this

348

00:11:10,949 --> 00:11:09,200
