

ARCANE RADIO 
Exploring the Unexplained

May 7th, 2021
@ 9PM Eastern

With
Guest
Nick
Redfern

Featuring Guest Nick Redfern, Ufologist, Paranormal Researcher, and

1
00:00:06,230 --> 00:00:05,430

[Music]

2
00:00:09,669 --> 00:00:06,240

the oldest

3
00:00:11,830 --> 00:00:09,679

and strongest human emotion is fear

4
00:00:12,870 --> 00:00:11,840

and the oldest and strongest type of

5
00:00:16,630 --> 00:00:12,880

fear

6
00:00:17,510 --> 00:00:16,640

is trepidation of young when we were

7
00:00:19,990 --> 00:00:17,520

children

8
00:00:21,910 --> 00:00:20,000

our parents told us that monsters didn't

9
00:00:24,390 --> 00:00:21,920

exist

10
00:00:27,589 --> 00:00:24,400

but we were sure that something was

11
00:00:32,150 --> 00:00:27,599

lurking under the bed or in the closet

12
00:00:35,190 --> 00:00:32,160

fear sees even if our eyes are closed

13
00:00:38,389 --> 00:00:35,200

welcome to the realm of the arcane

14

00:00:39,030 --> 00:00:38,399

my name is lon strickler join me as i

15

00:00:41,510 --> 00:00:39,040

examine

16

00:00:45,910 --> 00:00:41,520

unexplained creatures strange

17

00:00:48,869 --> 00:00:45,920

manifestations of remarkable realities

18

00:00:51,510 --> 00:00:48,879

imagine this next hour as a voyage of

19

00:00:54,549 --> 00:00:51,520

discovery to strange lands

20

00:00:57,029 --> 00:00:54,559

seeking not for new territory but for

21

00:00:59,910 --> 00:00:57,039

new knowledge of the supernatural

22

00:01:01,290 --> 00:00:59,920

come on board as we begin this adventure

23

00:01:06,230 --> 00:01:01,300

together

24

00:01:10,950 --> 00:01:08,390

hey folks good evening and welcome to

25

00:01:13,510 --> 00:01:10,960

another episode of arcane radio

26
00:01:14,149 --> 00:01:13,520
where we explore the unexplained live on

27
00:01:16,710 --> 00:01:14,159
beyond

28
00:01:18,950 --> 00:01:16,720
explanation and i'm your host lon

29
00:01:19,670 --> 00:01:18,960
strickler coming to you within a canon

30
00:01:22,789 --> 00:01:19,680
shot

31
00:01:26,070 --> 00:01:22,799
of historic gettysburg so

32
00:01:26,550 --> 00:01:26,080
uh quick note tonight um you know arcane

33
00:01:29,830 --> 00:01:26,560
radio

34
00:01:32,550 --> 00:01:29,840
and beyond explanation uh is made

35
00:01:32,870 --> 00:01:32,560
possible only by you liking subscribing

36
00:01:36,550 --> 00:01:32,880
and

37
00:01:39,109 --> 00:01:36,560
sharing our programming the super chat

38
00:01:41,910 --> 00:01:39,119

donations are essential for us

39

00:01:43,270 --> 00:01:41,920

to continue offering you our unique

40

00:01:46,069 --> 00:01:43,280

content

41

00:01:47,749 --> 00:01:46,079

so your consideration is very much

42

00:01:50,950 --> 00:01:47,759

appreciated

43

00:01:55,030 --> 00:01:50,960

now tonight i welcome author

44

00:01:57,830 --> 00:01:55,040

cryptid researcher you ufologist

45

00:01:59,350 --> 00:01:57,840

nick redfern to arcane radio assault

46

00:02:01,670 --> 00:01:59,360

after speaker

47

00:02:03,749 --> 00:02:01,680

nick is a respected full-time author and

48

00:02:06,389 --> 00:02:03,759

journalist specializing

49

00:02:07,109 --> 00:02:06,399

in a wide range of unsolved mysteries

50

00:02:10,309 --> 00:02:07,119

including

51
00:02:12,949 --> 00:02:10,319
bigfoot the loch ness monster ufo

52
00:02:14,949 --> 00:02:12,959
sightings government conspiracies

53
00:02:16,070 --> 00:02:14,959
alien abductions and paranormal

54
00:02:18,869 --> 00:02:16,080
phenomena

55
00:02:20,229 --> 00:02:18,879
his most recent title is the martians

56
00:02:23,750 --> 00:02:20,239
evidence of life

57
00:02:24,070 --> 00:02:23,760
on the red planet and as well as he told

58
00:02:27,430 --> 00:02:24,080
me

59
00:02:30,070 --> 00:02:27,440
earlier his newest book diaries

60
00:02:32,150 --> 00:02:30,080
secrets will be released tomorrow and

61
00:02:34,630 --> 00:02:32,160
we'll talk a bit about that

62
00:02:36,150 --> 00:02:34,640
uh nick appears on the lecture circuit

63
00:02:39,270 --> 00:02:36,160

in the u.s

64
00:02:42,550 --> 00:02:39,280
and the uk and overseas and has appeared

65
00:02:45,830 --> 00:02:42,560
in internationally syndicated shows

66
00:02:48,830 --> 00:02:45,840
discussing the ufo phenomena

67
00:02:52,470 --> 00:02:48,840
so uh nick thanks for coming on this

68
00:02:56,790 --> 00:02:53,830
well thanks for having me on the show

69
00:02:59,830 --> 00:02:56,800
again it's always good to talk to you

70
00:03:03,990 --> 00:02:59,840
and catch up with you

71
00:03:06,550 --> 00:03:04,000
um let's mention you've got this

72
00:03:08,390 --> 00:03:06,560
new book coming out tomorrow titled

73
00:03:10,229 --> 00:03:08,400
diary of secrets

74
00:03:11,910 --> 00:03:10,239
kind of give us a thumbnail what it's

75
00:03:14,229 --> 00:03:11,920
about and uh

76

00:03:16,149 --> 00:03:14,239

you you told me about it earlier it it

77

00:03:18,470 --> 00:03:16,159

it sounds like

78

00:03:19,750 --> 00:03:18,480

something i want to really read so uh

79

00:03:21,990 --> 00:03:19,760

and it's an interesting

80

00:03:26,149 --> 00:03:22,000

subject so why don't you let's talk

81

00:03:31,030 --> 00:03:28,710

yeah sure well hopefully hopefully

82

00:03:32,390 --> 00:03:31,040

fingers crossed it'll be up on and

83

00:03:35,110 --> 00:03:32,400

tomorrow night

84

00:03:37,110 --> 00:03:35,120

uh sometimes it takes a little bit maybe

85

00:03:39,270 --> 00:03:37,120

sort of a day or two after but

86

00:03:41,270 --> 00:03:39,280

at the very latest it should be i would

87

00:03:42,149 --> 00:03:41,280

say monday morning at the very very

88

00:03:45,030 --> 00:03:42,159

latest

89

00:03:46,070 --> 00:03:45,040
and it's called dark secrets and um some

90

00:03:48,470 --> 00:03:46,080
of your listeners

91

00:03:49,110 --> 00:03:48,480
might have heard this story or know of

92

00:03:52,470 --> 00:03:49,120
it

93

00:03:56,470 --> 00:03:52,480
which got to the 1990s um

94

00:03:58,710 --> 00:03:56,480
about the the theory that marilyn

95

00:04:00,149 --> 00:03:58,720
was murdered because of what she knew

96

00:04:03,509 --> 00:04:00,159
about ufos

97

00:04:05,670 --> 00:04:03,519
from the kennedy brothers and uh it's a

98

00:04:09,270 --> 00:04:05,680
controversial story

99

00:04:12,869 --> 00:04:09,280
and it began as i said in the 1990s

100

00:04:17,110 --> 00:04:12,879
um with this intriguing document

101
00:04:20,469 --> 00:04:17,120
that um a cia document

102
00:04:21,670 --> 00:04:20,479
um talking about uh wiretaps and

103
00:04:25,030 --> 00:04:21,680
listening in on

104
00:04:26,950 --> 00:04:25,040
phone calls and her speaking to

105
00:04:28,629 --> 00:04:26,960
journalists and that she's gonna blow

106
00:04:32,629 --> 00:04:28,639
the whistle on

107
00:04:36,150 --> 00:04:32,639
what she knows about ufos etc etc

108
00:04:38,070 --> 00:04:36,160
now the question is you know is the

109
00:04:40,950 --> 00:04:38,080
document the real deal

110
00:04:41,990 --> 00:04:40,960
um or is it a sophisticated hope or

111
00:04:45,270 --> 00:04:42,000
could there be

112
00:04:49,110 --> 00:04:45,280
other um scenarios and so

113
00:04:52,950 --> 00:04:49,120

what i've done is to back to the story

114

00:04:56,230 --> 00:04:52,960

which as i said started in the 90s but

115

00:04:57,749 --> 00:04:56,240

um it was kind of an an enigma because

116

00:05:00,790 --> 00:04:57,759

no one ever has ever come

117

00:05:01,990 --> 00:05:00,800

forward claiming you know like a kind of

118

00:05:04,870 --> 00:05:02,000

situation

119

00:05:05,830 --> 00:05:04,880

or a prank no one's ever tried to make

120

00:05:09,029 --> 00:05:05,840

money off

121

00:05:11,990 --> 00:05:09,039

it and it was it was basically handed

122

00:05:15,590 --> 00:05:12,000

over um to a guy named timothy cooper

123

00:05:17,510 --> 00:05:15,600

ufo reester um from what you would call

124

00:05:21,749 --> 00:05:17,520

like a whistleblower

125

00:05:22,469 --> 00:05:21,759

and um and it kind of went away for a

126
00:05:24,469 --> 00:05:22,479
while

127
00:05:27,110 --> 00:05:24,479
and i thought well when i was looking

128
00:05:28,629 --> 00:05:27,120
for ideas to do books i thought well why

129
00:05:31,830 --> 00:05:28,639
don't i go back

130
00:05:32,629 --> 00:05:31,840
and look at this story because most

131
00:05:35,189 --> 00:05:32,639
people

132
00:05:36,830 --> 00:05:35,199
know the sort of the outlines of it but

133
00:05:40,310 --> 00:05:36,840
there's never been a

134
00:05:42,070 --> 00:05:40,320
deep um the investigation

135
00:05:44,390 --> 00:05:42,080
of the whole story and that's what i've

136
00:05:47,189 --> 00:05:44,400
done so it's essentially

137
00:05:48,390 --> 00:05:47,199
like hitting the road and interviewing

138
00:05:51,029 --> 00:05:48,400

people

139

00:05:52,790 --> 00:05:51,039

and trying to see what the truth is you

140

00:05:55,909 --> 00:05:52,800

know i was marilyn killed

141

00:05:58,950 --> 00:05:55,919

because of what she knew about ufos

142

00:06:01,990 --> 00:05:58,960

um from the kennedy brothers and um

143

00:06:06,390 --> 00:06:02,000

as i said it should be out in um two

144

00:06:08,469 --> 00:06:06,400

three nights at the most and um

145

00:06:09,990 --> 00:06:08,479

and that's the story it's sort of

146

00:06:13,590 --> 00:06:10,000

fascinating

147

00:06:16,629 --> 00:06:13,600

but um you know intriguing story as well

148

00:06:19,990 --> 00:06:16,639

um the idea of politics

149

00:06:24,070 --> 00:06:20,000

and government secrecy um crossing over

150

00:06:27,029 --> 00:06:24,080

with with hollywood secrets as well

151
00:06:27,909 --> 00:06:27,039
you know um and i know you did write a

152
00:06:30,710 --> 00:06:27,919
book about the

153
00:06:32,390 --> 00:06:30,720
kennedy assassination some time back and

154
00:06:36,150 --> 00:06:32,400
um

155
00:06:39,590 --> 00:06:36,160
you know i i'm wondering if uh

156
00:06:42,150 --> 00:06:39,600
if she actually did know some

157
00:06:43,510 --> 00:06:42,160
some deep dark secrets about the

158
00:06:45,350 --> 00:06:43,520
government and some of the things

159
00:06:47,830 --> 00:06:45,360
military and such

160
00:06:49,589 --> 00:06:47,840
may have maybe contributed to why

161
00:06:54,070 --> 00:06:49,599
kennedy was shot what's your thoughts on

162
00:06:57,990 --> 00:06:57,350
oh well i mean you know in terms of

163
00:07:00,629 --> 00:06:58,000

marilyn

164

00:07:02,309 --> 00:07:00,639

i mean you know she really did keep this

165

00:07:05,830 --> 00:07:02,319

diary you know that had

166

00:07:08,870 --> 00:07:05,840

a bunch of material in there um

167

00:07:09,430 --> 00:07:08,880

about the kennedys we know from people

168

00:07:13,830 --> 00:07:09,440

who

169

00:07:15,749 --> 00:07:13,840

60s

170

00:07:17,510 --> 00:07:15,759

there was writing in there things that

171

00:07:21,029 --> 00:07:17,520

the kennedys had told her

172

00:07:24,230 --> 00:07:21,039

about for example plans to eat

173

00:07:25,270 --> 00:07:24,240

cuba and to assassinate fidel castro

174

00:07:28,870 --> 00:07:25,280

things like that

175

00:07:32,710 --> 00:07:28,880

so in other words in a very precarious

176

00:07:38,790 --> 00:07:36,309

simply because provided

177

00:07:41,990 --> 00:07:38,800

government secrecies uh you know things

178

00:07:45,270 --> 00:07:42,000

like that and so

179

00:07:48,309 --> 00:07:45,280

then you you then you've got the

180

00:07:50,390 --> 00:07:48,319

situation she died or was murdered in

181

00:07:52,869 --> 00:07:50,400

august 1962

182

00:07:53,990 --> 00:07:52,879

then the following year you know jfk

183

00:07:57,110 --> 00:07:54,000

himself

184

00:07:59,189 --> 00:07:57,120

is murdered um you know then robert

185

00:08:02,309 --> 00:07:59,199

kennedy

186

00:08:06,150 --> 00:08:02,319

and that's one of the book

187

00:08:09,909 --> 00:08:06,160

the sheer number of people who just get

188

00:08:13,510 --> 00:08:09,919

they basically get whack and um

189

00:08:17,029 --> 00:08:13,520

and many of them have ties to the uf

190

00:08:19,990 --> 00:08:17,039

subject in various ways so

191

00:08:21,110 --> 00:08:20,000

um and again you know that sort of dare

192

00:08:25,670 --> 00:08:21,120

straight

193

00:08:29,029 --> 00:08:25,680

to the sheer extent um to

194

00:08:32,630 --> 00:08:29,039

go to to hide you know the the real

195

00:08:32,630 --> 00:08:32,640

um ufo secrets

196

00:08:37,990 --> 00:08:36,709

well anyway i i'm never going to read

197

00:08:40,149 --> 00:08:38,000

that because that that sounds

198

00:08:41,430 --> 00:08:40,159

interesting i i've always been intrigued

199

00:08:43,750 --> 00:08:41,440

by

200

00:08:44,790 --> 00:08:43,760

the possible connection of the kennedys

201

00:08:48,389 --> 00:08:44,800

with some of the

202

00:08:50,870 --> 00:08:48,399

uh secrets involved with the government

203

00:08:53,030 --> 00:08:50,880

so uh that that might that should be a

204

00:08:55,670 --> 00:08:53,040

very interesting book

205

00:08:57,829 --> 00:08:55,680

now the book you wrote entitled the

206

00:09:01,269 --> 00:08:57,839

martians

207

00:09:03,990 --> 00:09:01,279

i uh it's interesting to me i

208

00:09:05,670 --> 00:09:04,000

i i do have one real quick question for

209

00:09:08,949 --> 00:09:05,680

you about that

210

00:09:11,750 --> 00:09:08,959

does um what are your thoughts on

211

00:09:14,949 --> 00:09:11,760

roswell do you believe

212

00:09:17,190 --> 00:09:14,959

that it actually occurred

213

00:09:18,550 --> 00:09:17,200

or or do you believe it was a weather

214

00:09:21,990 --> 00:09:18,560

balloon i know you you

215

00:09:25,110 --> 00:09:22,000

mentioned mac tony's throughout the book

216

00:09:32,550 --> 00:09:25,120

uh do you kind of subscribe to what his

217

00:09:36,150 --> 00:09:34,949

well yeah mac had some interesting

218

00:09:38,949 --> 00:09:36,160

theories i mean

219

00:09:40,070 --> 00:09:38,959

one of the big problems with roswell is

220

00:09:42,949 --> 00:09:40,080

that there are

221

00:09:44,070 --> 00:09:42,959

so many different theories uh you know

222

00:09:50,230 --> 00:09:44,080

you've got um

223

00:09:52,389 --> 00:09:50,240

the air force's explanation which is

224

00:09:55,910 --> 00:09:52,399

that it's a mogul balloon

225

00:09:58,710 --> 00:09:55,920

mogul balloons were just to monitor for

226

00:09:59,750 --> 00:09:58,720

early russian atomic bomb tests in the

227

00:10:02,790 --> 00:09:59,760

atmosphere

228

00:10:05,110 --> 00:10:02,800

so they put these huge mogul

229

00:10:06,710 --> 00:10:05,120

balloons into the sky and they'd be able

230

00:10:09,509 --> 00:10:06,720

to determine you know

231

00:10:10,150 --> 00:10:09,519

the russians had just set off um an

232

00:10:13,990 --> 00:10:10,160

early

233

00:10:18,310 --> 00:10:14,000

atomic weapon you know like in post-war

234

00:10:21,430 --> 00:10:18,320

um and then you've got the ideas um

235

00:10:22,949 --> 00:10:21,440

of like this had an intriguing theory

236

00:10:25,910 --> 00:10:22,959

you know the idea of an

237

00:10:28,150 --> 00:10:25,920

ancient race which he called the [h__\h]

238

00:10:29,030 --> 00:10:28,160

restrictions the idea that there could

239

00:10:34,310 --> 00:10:29,040

be

240

00:10:38,230 --> 00:10:34,320

billions afterwards

241

00:10:40,630 --> 00:10:38,240

um mack came to suspect

242

00:10:42,150 --> 00:10:40,640

that they were sort of an ancient uh

243

00:10:45,590 --> 00:10:42,160

race of humans

244

00:10:48,389 --> 00:10:45,600

um living on our planet uh

245

00:10:49,269 --> 00:10:48,399

but masquerading as extraterrestrials so

246

00:10:52,310 --> 00:10:49,279

we wouldn't find

247

00:10:55,910 --> 00:10:52,320

out who they really were until

248

00:10:58,829 --> 00:10:55,920

they crashed at roswell um but

249

00:11:00,470 --> 00:10:58,839

from my perspective i mean i do books on

250

00:11:03,670 --> 00:11:00,480

roswell and

251
00:11:06,949 --> 00:11:03,680
all i i believe that you know the

252
00:11:10,470 --> 00:11:06,959
event um and

253
00:11:13,509 --> 00:11:10,480
i'm 100 sure that he had nothing to do

254
00:11:14,949 --> 00:11:13,519
with balloons or crash test dummies or

255
00:11:17,829 --> 00:11:14,959
weather balloons

256
00:11:18,470 --> 00:11:17,839
but i do i don't think your terrestrial

257
00:11:22,069 --> 00:11:18,480
events

258
00:11:24,470 --> 00:11:22,079
my take on it is that if you look at

259
00:11:25,509 --> 00:11:24,480
that period and what was going on in new

260
00:11:27,509 --> 00:11:25,519
mexico

261
00:11:29,269 --> 00:11:27,519
you know a lot of german scientists were

262
00:11:32,310 --> 00:11:29,279
being brought over

263
00:11:34,550 --> 00:11:32,320

at the end world war um through this top

264

00:11:36,550 --> 00:11:34,560
secret program called operation

265

00:11:39,829 --> 00:11:36,560
paperclip

266

00:11:42,470 --> 00:11:39,839
a lot of bizarre um high altitude

267

00:11:45,509 --> 00:11:42,480
experiments were being undertaken

268

00:11:47,910 --> 00:11:45,519
on human guinea pigs um just determine

269

00:11:49,190 --> 00:11:47,920
the effects of high altitude exposure

270

00:11:52,389 --> 00:11:49,200
because not much

271

00:11:52,949 --> 00:11:52,399
known too much about it at that time and

272

00:11:55,990 --> 00:11:52,959
my

273

00:11:57,910 --> 00:11:56,000
personal view is i think with

274

00:11:58,949 --> 00:11:57,920
extraterrestrials my view is that we're

275

00:12:02,150 --> 00:11:58,959
dealing with

276

00:12:05,829 --> 00:12:02,160

some very sort of dark and disturbing

277

00:12:09,910 --> 00:12:05,839

human experimentation um in the

278

00:12:10,870 --> 00:12:09,920

sort of um the stratosphere and um

279

00:12:12,870 --> 00:12:10,880

things like that

280

00:12:14,389 --> 00:12:12,880

now a lot of people probably don't want

281

00:12:15,910 --> 00:12:14,399

to hear that they want to hear about

282

00:12:18,870 --> 00:12:15,920

adam's but the more

283

00:12:19,350 --> 00:12:18,880

i've looked into it the more i've come

284

00:12:22,949 --> 00:12:19,360

to

285

00:12:24,710 --> 00:12:22,959

um suspect we're talking about some sort

286

00:12:27,910 --> 00:12:24,720

of kind of grim

287

00:12:28,710 --> 00:12:27,920

and grisly experiments using people in

288

00:12:32,269 --> 00:12:28,720

these um

289

00:12:36,629 --> 00:12:32,279

high level altitude flights that went

290

00:12:41,110 --> 00:12:38,710

and of course you've got the um the

291

00:12:43,430 --> 00:12:41,120

theory that it could have been sort of

292

00:12:44,949 --> 00:12:43,440

like a russian spy plane that crashed

293

00:12:47,990 --> 00:12:44,959

and um

294

00:12:50,629 --> 00:12:48,000

and america wanted to ask me to sort of

295

00:12:51,750 --> 00:12:50,639

pick up the pieces and see how advanced

296

00:12:55,750 --> 00:12:51,760

they were

297

00:12:57,750 --> 00:12:55,760

you know um and hid the story behind a

298

00:12:59,750 --> 00:12:57,760

a flying source of story you know to

299

00:13:02,069 --> 00:12:59,760

keep people away from

300

00:13:03,190 --> 00:13:02,079

another story so in other words you know

301

00:13:07,509 --> 00:13:03,200

there are a lot of

302

00:13:09,670 --> 00:13:07,519

um a lot of difference now clearly

303

00:13:10,550 --> 00:13:09,680

they can't all be correct unless you

304

00:13:12,870 --> 00:13:10,560

kind of

305

00:13:15,670 --> 00:13:12,880

you know buy into like name travel

306

00:13:16,230 --> 00:13:15,680

timelines you know multiple timelines

307

00:13:19,269 --> 00:13:16,240

which

308

00:13:22,550 --> 00:13:19,279

gets things even more complicated

309

00:13:23,990 --> 00:13:22,560

but um but but yeah you know it's one of

310

00:13:26,710 --> 00:13:24,000

these situations

311

00:13:27,670 --> 00:13:26,720

where there's no doubt in my mind

312

00:13:31,110 --> 00:13:27,680

something

313

00:13:36,069 --> 00:13:31,120

weird and sinister happened and we can

314

00:13:42,629 --> 00:13:39,750

well you know i um you know

315

00:13:43,189 --> 00:13:42,639

after reading the book i i kind of gotta

316

00:13:46,790 --> 00:13:43,199

i gotta

317

00:13:50,870 --> 00:13:46,800

ask you this as well what connections

318

00:13:54,870 --> 00:13:50,880

other than i don't know in ufology or

319

00:13:55,590 --> 00:13:54,880

folklore possibly do humans actually

320

00:13:58,870 --> 00:13:55,600

have with

321

00:14:02,310 --> 00:13:58,880

with mars i mean do you believe there is

322

00:14:04,949 --> 00:14:02,320

a an actual physical connection

323

00:14:06,710 --> 00:14:04,959

between humans on earth and possibly

324

00:14:09,509 --> 00:14:06,720

humans that may have been

325

00:14:10,949 --> 00:14:09,519

or some type of evolved species that may

326

00:14:14,829 --> 00:14:10,959

have been there at

327

00:14:16,310 --> 00:14:14,839

you know millions of millions of years

328

00:14:18,870 --> 00:14:16,320

ago

329

00:14:21,030 --> 00:14:18,880

yeah i actually do um believe there is a

330

00:14:24,389 --> 00:14:21,040

connection between

331

00:14:26,150 --> 00:14:24,399

the earth and and um

332

00:14:27,670 --> 00:14:26,160

one of the things about mars that

333

00:14:31,110 --> 00:14:27,680

fascinates me

334

00:14:33,189 --> 00:14:31,120

is the nature of the planet itself you

335

00:14:36,310 --> 00:14:33,199

know the pictures that are coming back

336

00:14:38,389 --> 00:14:36,320

um from nasa and uh

337

00:14:39,829 --> 00:14:38,399

and this is one of the most for me the

338

00:14:43,189 --> 00:14:39,839

most important things

339

00:14:44,710 --> 00:14:43,199

um which i always always stress is that

340

00:14:47,189 --> 00:14:44,720

you know when you look at some of these

341

00:14:50,389 --> 00:14:47,199

pictures that look really weird

342

00:14:52,470 --> 00:14:50,399

you know they seem to show images of

343

00:14:54,069 --> 00:14:52,480

in some cases what look like weird

344

00:14:56,790 --> 00:14:54,079

animals and

345

00:14:57,269 --> 00:14:56,800

carb structures we have to remember you

346

00:15:00,870 --> 00:14:57,279

know

347

00:15:01,509 --> 00:15:00,880

these aren't sort of um questionable

348

00:15:05,590 --> 00:15:01,519

pictures

349

00:15:07,829 --> 00:15:05,600

come back from nasa

350

00:15:09,030 --> 00:15:07,839

now if you look at some of these

351

00:15:12,069 --> 00:15:09,040

pictures where they

352

00:15:14,870 --> 00:15:12,079

you know they do seem to show images

353

00:15:16,870 --> 00:15:14,880

of what what looked like pyramids but

354

00:15:20,150 --> 00:15:16,880

obviously you know very

355

00:15:22,310 --> 00:15:20,160

damaged and pulverized over probably

356

00:15:26,069 --> 00:15:22,320

hundreds of thousands of years

357

00:15:29,509 --> 00:15:26,079

um and everybody's heard

358

00:15:32,230 --> 00:15:29,519

you know of this on mars um

359

00:15:33,829 --> 00:15:32,240

which is a famous image and of course

360

00:15:36,150 --> 00:15:33,839

you have some people say

361

00:15:39,030 --> 00:15:36,160

well this is just you know like a case

362

00:15:42,389 --> 00:15:39,040

of seeing you know a face of a dogging

363

00:15:44,629 --> 00:15:42,399

cloud of thing do you know um

364

00:15:45,590 --> 00:15:44,639

but there's actually another one a lot

365

00:15:47,829 --> 00:15:45,600

of people don't

366

00:15:48,629 --> 00:15:47,839

know about it's known as the crowned

367

00:15:51,110 --> 00:15:48,639

face

368

00:15:52,389 --> 00:15:51,120

now if you google it go to google

369

00:15:55,430 --> 00:15:52,399

pictures

370

00:15:58,629 --> 00:15:55,440

and just look on nasa

371

00:16:01,189 --> 00:15:58,639

crowned face mars you'll see

372

00:16:02,069 --> 00:16:01,199

a pitch i would actually was go i would

373

00:16:05,749 --> 00:16:02,079

go as far as

374

00:16:08,629 --> 00:16:05,759

say it's it's stunning um it has

375

00:16:11,430 --> 00:16:08,639

it's called the crowned um king because

376

00:16:14,550 --> 00:16:11,440

it kind of looks like a crowned head

377

00:16:17,829 --> 00:16:14,560

with eyes pupils nose

378

00:16:20,629 --> 00:16:17,839

uh with two nostrils a mouth with lips

379

00:16:21,430 --> 00:16:20,639

and almost like a dimple in the chin

380

00:16:23,670 --> 00:16:21,440

which sounds

381

00:16:24,710 --> 00:16:23,680

bizarre but if you look at that picture

382

00:16:27,670 --> 00:16:24,720

the uh

383

00:16:28,949 --> 00:16:27,680

and excuse me if you look at that

384

00:16:31,990 --> 00:16:28,959

picture the the crown

385

00:16:35,509 --> 00:16:32,000

face um you see

386

00:16:37,670 --> 00:16:35,519

how almost in

387

00:16:39,749 --> 00:16:37,680

he almost looks like as if it's been

388

00:16:43,430 --> 00:16:39,759

sculpted

389

00:16:46,550 --> 00:16:43,440

and another image that's come back

390

00:16:49,509 --> 00:16:46,560

from mars well totally different thing

391

00:16:52,949 --> 00:16:49,519

but important as well

392

00:16:56,389 --> 00:16:52,959

anybody who's watched the um the uh

393

00:16:59,110 --> 00:16:56,399

aliens movies with sigourney weaver

394

00:16:59,509 --> 00:16:59,120

uh and you've got the the face huggers

395

00:17:02,069 --> 00:16:59,519

well

396

00:17:02,870 --> 00:17:02,079

there's a photograph that came back from

397

00:17:06,069 --> 00:17:02,880

nasa

398

00:17:07,510 --> 00:17:06,079

which shows something eerily like one of

399

00:17:10,480 --> 00:17:07,520

those face huggers

400

00:17:11,669 --> 00:17:10,490

crawling up the side of a um

401
00:17:13,110 --> 00:17:11,679

[Music]

402
00:17:15,510 --> 00:17:13,120
it looks like it's actually on the side

403
00:17:18,470 --> 00:17:15,520
of a little cavern or a cave

404
00:17:19,189 --> 00:17:18,480
now if you look at the picture it's very

405
00:17:23,510 --> 00:17:19,199
difficult

406
00:17:27,189 --> 00:17:23,520
to deny it's not a a living preacher

407
00:17:30,950 --> 00:17:27,199
and and again if you if you google

408
00:17:34,950 --> 00:17:30,960
um google images and

409
00:17:38,310 --> 00:17:34,960
type in um facehugger mars

410
00:17:39,430 --> 00:17:38,320
um at nasa you'll see this picture of

411
00:17:41,909 --> 00:17:39,440
this thing

412
00:17:44,150 --> 00:17:41,919
which looks like it's got sort of eight

413
00:17:47,590 --> 00:17:44,160

limbs and this rounded body

414

00:17:49,909 --> 00:17:47,600

crawling up the side of a wall now

415

00:17:51,750 --> 00:17:49,919

the skeptics have said well there's no

416

00:17:52,630 --> 00:17:51,760

way there could be like sort of five or

417

00:17:55,750 --> 00:17:52,640

six

418

00:17:58,150 --> 00:17:55,760

you know four tall long crab-like

419

00:18:00,630 --> 00:17:58,160

spidery things crawling around mars

420

00:18:01,909 --> 00:18:00,640

but if you look at the picture it's

421

00:18:04,150 --> 00:18:01,919

difficult

422

00:18:06,470 --> 00:18:04,160

to just to understand what else it could

423

00:18:09,270 --> 00:18:06,480

be you know it doesn't look anything

424

00:18:12,390 --> 00:18:09,280

like it does look like some sort of

425

00:18:16,789 --> 00:18:12,400

spidery thing now that's just

426

00:18:19,270 --> 00:18:16,799

two photos of many and um

427

00:18:21,190 --> 00:18:19,280

and for me you know again the important

428

00:18:23,830 --> 00:18:21,200

thing that these are not

429

00:18:24,549 --> 00:18:23,840

um photographs that have you know been

430

00:18:27,909 --> 00:18:24,559

touched up

431

00:18:29,669 --> 00:18:27,919

by some kid in basement you know these

432

00:18:33,190 --> 00:18:29,679

are legitimate nasa

433

00:18:36,630 --> 00:18:33,200

photographs and um another

434

00:18:39,870 --> 00:18:36,640

important aspect which um

435

00:18:42,390 --> 00:18:39,880

makes me believe that there is

436

00:18:44,470 --> 00:18:42,400

significant significance

437

00:18:45,830 --> 00:18:44,480

um you know things on mars in the

438

00:18:49,110 --> 00:18:45,840

distant past

439

00:18:53,110 --> 00:18:49,120

and the reason why i say that is because

440

00:18:55,590 --> 00:18:53,120

in um 1984 something we didn't know

441

00:18:58,870 --> 00:18:55,600

until years later

442

00:19:02,150 --> 00:18:58,880

was that the cia initiated

443

00:19:06,630 --> 00:19:02,160

a remote viewing program

444

00:19:10,150 --> 00:19:06,640

to um essentially remote view

445

00:19:13,190 --> 00:19:10,160

mars itself and they had several

446

00:19:17,430 --> 00:19:13,200

remote views um focusing their minds

447

00:19:18,470 --> 00:19:17,440

on mars and a number of them said they

448

00:19:21,270 --> 00:19:18,480

could see

449

00:19:21,990 --> 00:19:21,280

uh mars in a state of turmoil with this

450

00:19:25,029 --> 00:19:22,000

with the

451

00:19:28,310 --> 00:19:25,039

atmosphere on fire and

452

00:19:30,470 --> 00:19:28,320

gigantic earthquakes and um

453

00:19:33,029 --> 00:19:30,480

and the the landscape would have just

454

00:19:36,310 --> 00:19:33,039

been turmoil and being destroyed

455

00:19:39,750 --> 00:19:36,320

and but also seeing these

456

00:19:42,789 --> 00:19:39,760

most eerily human-like um

457

00:19:43,190 --> 00:19:42,799

beings fleeing for their lives as well

458

00:19:46,230 --> 00:19:43,200

like

459

00:19:47,350 --> 00:19:46,240

you would call real martians but what's

460

00:19:50,230 --> 00:19:47,360

intriguing

461

00:19:51,029 --> 00:19:50,240

the the cia documentation that comes

462

00:19:53,990 --> 00:19:51,039

back

463

00:19:54,470 --> 00:19:54,000

um the remote viewers said that the they

464

00:19:57,270 --> 00:19:54,480

looked

465

00:20:00,230 --> 00:19:57,280

almost identical to us but they were

466

00:20:03,990 --> 00:20:00,240

much taller sort of like 12 to 13

467

00:20:06,549 --> 00:20:04,000

14 feet tall you know so

468

00:20:07,430 --> 00:20:06,559

apart from the gigantic side you know

469

00:20:10,470 --> 00:20:07,440

they

470

00:20:11,830 --> 00:20:10,480

reportedly weren't that different you

471

00:20:14,630 --> 00:20:11,840

know to us

472

00:20:15,350 --> 00:20:14,640

um and as i said the important thing

473

00:20:18,149 --> 00:20:15,360

here

474

00:20:20,310 --> 00:20:18,159

is that in the same way that nasa you

475

00:20:23,590 --> 00:20:20,320

know is an agency of the government

476
00:20:24,870 --> 00:20:23,600
so is this ia and both of them you know

477
00:20:28,149 --> 00:20:24,880
have brought back

478
00:20:30,710 --> 00:20:28,159
this incredible data and uh

479
00:20:31,909 --> 00:20:30,720
and but the big question of course is

480
00:20:34,950 --> 00:20:31,919
why is it

481
00:20:38,310 --> 00:20:34,960
that the cia felt there was a

482
00:20:41,350 --> 00:20:38,320
a need or a reason um to

483
00:20:44,549 --> 00:20:41,360
remote view mars into this place

484
00:20:48,070 --> 00:20:44,559
that makes me think they knew already

485
00:20:50,310 --> 00:20:48,080
there was something going on now

486
00:20:51,270 --> 00:20:50,320
unfortunately i don't think we're in a

487
00:20:54,710 --> 00:20:51,280
situation

488
00:20:58,710 --> 00:20:54,720

where um talking about

489

00:21:02,470 --> 00:20:58,720

um mars you know being

490

00:21:03,110 --> 00:21:02,480

a vibrant world as it's you know as it

491

00:21:05,590 --> 00:21:03,120

could have been

492

00:21:07,270 --> 00:21:05,600

like our world once you know hundreds of

493

00:21:09,110 --> 00:21:07,280

thousands of years ago

494

00:21:10,630 --> 00:21:09,120

and i think you know we are really

495

00:21:12,510 --> 00:21:10,640

looking at a world

496

00:21:14,149 --> 00:21:12,520

that was sort of you know just

497

00:21:17,230 --> 00:21:14,159

devastated

498

00:21:19,270 --> 00:21:17,240

but there's a you know if you put the

499

00:21:22,549 --> 00:21:19,280

devastation to lead

500

00:21:23,110 --> 00:21:22,559

uh i still think there's enough to show

501
00:21:26,390 --> 00:21:23,120
that

502
00:21:28,870 --> 00:21:26,400
um you know there was once

503
00:21:30,390 --> 00:21:28,880
possibly even something not dissimilar

504
00:21:33,350 --> 00:21:30,400
to our world

505
00:21:34,149 --> 00:21:33,360
now one of the most intriguing things of

506
00:21:36,310 --> 00:21:34,159
course

507
00:21:38,149 --> 00:21:36,320
where you've got that crowned face and

508
00:21:39,909 --> 00:21:38,159
the face tonight

509
00:21:41,669 --> 00:21:39,919
there's actually another one that's very

510
00:21:45,110 --> 00:21:41,679
similar as well

511
00:21:47,190 --> 00:21:45,120
what's particularly noticeable is they

512
00:21:50,230 --> 00:21:47,200
you know the carvings if they are

513
00:21:53,510 --> 00:21:50,240

carvings and i do believe they are

514

00:21:56,630 --> 00:21:53,520

and what i've concluded

515

00:21:58,470 --> 00:21:56,640

is that obviously the you know

516

00:21:59,750 --> 00:21:58,480

the important thing is that these

517

00:22:03,029 --> 00:21:59,760

carvings

518

00:22:03,990 --> 00:22:03,039

shut present them as almost like a huge

519

00:22:07,270 --> 00:22:04,000

case

520

00:22:10,470 --> 00:22:07,280

so maybe you know we're looking at

521

00:22:12,390 --> 00:22:10,480

a martian race like the cia said when

522

00:22:15,430 --> 00:22:12,400

they're doing their remote viewing

523

00:22:18,710 --> 00:22:15,440

you know we're looking at a a martian

524

00:22:20,950 --> 00:22:18,720

um civilization very um

525

00:22:21,990 --> 00:22:20,960

similar to us in terms of appearance but

526

00:22:25,750 --> 00:22:22,000

much much

527

00:22:28,789 --> 00:22:25,760

bigger color um or possibly as uh

528

00:22:32,070 --> 00:22:28,799

mac tony who we mentioned earlier mac

529

00:22:33,190 --> 00:22:32,080

wounded if they were actually um sort of

530

00:22:37,909 --> 00:22:33,200

visiting

531

00:22:38,789 --> 00:22:37,919

um space um civilizations that came to

532

00:22:41,909 --> 00:22:38,799

mars

533

00:22:44,549 --> 00:22:41,919

and possibly even um

534

00:22:45,830 --> 00:22:44,559

settled there but we're actually not the

535

00:22:48,630 --> 00:22:45,840

original

536

00:22:50,230 --> 00:22:48,640

you know sort of martians on the surface

537

00:22:51,270 --> 00:22:50,240

of mars there's a lot of different

538

00:22:53,669 --> 00:22:51,280

theories

539

00:22:55,029 --> 00:22:53,679

as to what's going on you know in

540

00:22:57,750 --> 00:22:55,039

relation to

541

00:22:59,830 --> 00:22:57,760

um to all of this and um and in terms of

542

00:23:02,230 --> 00:22:59,840

the remote viewing i mean this is still

543

00:23:03,990 --> 00:23:02,240

going on i don't know if it's still

544

00:23:06,070 --> 00:23:04,000

going on with the cia

545

00:23:07,430 --> 00:23:06,080

but one of the people i inter

546

00:23:10,070 --> 00:23:07,440

interviewed for my book

547

00:23:10,789 --> 00:23:10,080

a friend of mine kimberly rackley uh

548

00:23:14,070 --> 00:23:10,799

kimberly

549

00:23:16,070 --> 00:23:14,080

is a very skilled remote viewer and

550

00:23:18,789 --> 00:23:16,080

she's done a lot of work over the

551
00:23:19,909 --> 00:23:18,799
decades and she came up with some very

552
00:23:23,990 --> 00:23:19,919
similar

553
00:23:28,070 --> 00:23:24,000
beta to the cia's um

554
00:23:28,630 --> 00:23:28,080
material and again it was all revolved

555
00:23:31,029 --> 00:23:28,640
around

556
00:23:32,470 --> 00:23:31,039
catastrophe and sort of the apocalypse

557
00:23:35,909 --> 00:23:32,480
and you know

558
00:23:38,390 --> 00:23:35,919
um the atmosphere on fire now whether it

559
00:23:40,789 --> 00:23:38,400
was some sort of nuclear war

560
00:23:42,549 --> 00:23:40,799
or you know like a natural disaster like

561
00:23:44,789 --> 00:23:42,559
meteorites slamming into

562
00:23:46,070 --> 00:23:44,799
into mars that kind of thing we don't

563
00:23:48,950 --> 00:23:46,080

know

564

00:23:50,710 --> 00:23:48,960

um for me you put all this together and

565

00:23:53,590 --> 00:23:50,720

i think you know the

566

00:23:54,470 --> 00:23:53,600

the tragic side of it is that we've lost

567

00:23:58,630 --> 00:23:54,480

the truth

568

00:24:01,750 --> 00:23:58,640

of you know this ancient civilization

569

00:24:04,870 --> 00:24:01,760

and just with a few

570

00:24:07,430 --> 00:24:04,880

you know um remnants left and i

571

00:24:08,630 --> 00:24:07,440

in the book i kind of make a parallel

572

00:24:11,430 --> 00:24:08,640

you know with the uh

573

00:24:11,990 --> 00:24:11,440

the first planets of the apes movie you

574

00:24:20,470 --> 00:24:12,000

know

575

00:24:22,070 --> 00:24:20,480

um and obviously it's a bit of a

576

00:24:25,029 --> 00:24:22,080

different situation

577

00:24:26,390 --> 00:24:25,039

but you know you've got this world that

578

00:24:29,029 --> 00:24:26,400

is destroyed

579

00:24:30,549 --> 00:24:29,039

and yet there are remnants and rumors

580

00:24:33,590 --> 00:24:30,559

and legends

581

00:24:35,110 --> 00:24:33,600

of an ancient race that once existed

582

00:24:36,630 --> 00:24:35,120

in the distant past and of course in

583

00:24:36,950 --> 00:24:36,640

planets of the apes you know you know

584

00:24:39,669 --> 00:24:36,960

that

585

00:24:41,350 --> 00:24:39,679

we all know the story um and i think

586

00:24:44,549 --> 00:24:41,360

perhaps something like that

587

00:24:46,710 --> 00:24:44,559

happened with mars something

588

00:24:48,070 --> 00:24:46,720

you know led to massive planet-wide

589

00:24:51,110 --> 00:24:48,080

destruction

590

00:24:54,470 --> 00:24:51,120

and we all we've got left now is

591

00:24:55,669 --> 00:24:54,480

are the photographs and and just trying

592

00:25:00,070 --> 00:24:55,679

to put together

593

00:25:02,710 --> 00:25:00,080

you know the remnants of the left

594

00:25:04,149 --> 00:25:02,720

is intriguing uh you know especially the

595

00:25:08,390 --> 00:25:04,159

fact that

596

00:25:10,950 --> 00:25:08,400

we are exploring mars much more now

597

00:25:12,549 --> 00:25:10,960

hopefully there will be some type of

598

00:25:15,909 --> 00:25:12,559

manned mission there

599

00:25:17,830 --> 00:25:15,919

in the not so distant future uh

600

00:25:19,750 --> 00:25:17,840

when it does get to that point i think

601
00:25:21,510 --> 00:25:19,760
we're gonna learn a lot more hopefully

602
00:25:24,310 --> 00:25:21,520
we're gonna learn a lot more

603
00:25:24,789 --> 00:25:24,320
um you know it's it's interesting first

604
00:25:29,029 --> 00:25:24,799
of all

605
00:25:32,789 --> 00:25:29,039
i actually read two articles about mars

606
00:25:35,510 --> 00:25:32,799
today quite frankly and um

607
00:25:35,990 --> 00:25:35,520
they uh these scientists are actually

608
00:25:39,110 --> 00:25:36,000
saying

609
00:25:42,870 --> 00:25:39,120
now that they believe that

610
00:25:44,950 --> 00:25:42,880
mars is still seismic active

611
00:25:46,390 --> 00:25:44,960
uh that there are actually volcanoes

612
00:25:51,110 --> 00:25:46,400
that may be

613
00:25:57,909 --> 00:25:51,120

uh still living you know

614

00:26:01,909 --> 00:26:00,149

well yeah i mean this is one of the

615

00:26:05,269 --> 00:26:01,919

interesting things about

616

00:26:08,310 --> 00:26:05,279

mars because um it is it is pretty

617

00:26:09,590 --> 00:26:08,320

much apart from our world um you know it

618

00:26:12,630 --> 00:26:09,600

is actually

619

00:26:16,149 --> 00:26:12,640

not a dead world you know

620

00:26:18,070 --> 00:26:16,159

right um and by that i mean for example

621

00:26:20,630 --> 00:26:18,080

you know we we know that on mars there's

622

00:26:24,310 --> 00:26:20,640

a huge amount of water

623

00:26:27,669 --> 00:26:24,320

now some of it is in regular water

624

00:26:31,190 --> 00:26:27,679

um some is in ice and

625

00:26:34,390 --> 00:26:31,200

and some you know is in vapor um

626
00:26:37,909 --> 00:26:34,400
but you know we have this vast amounts

627
00:26:38,710 --> 00:26:37,919
of um you know sort of watering burying

628
00:26:41,029 --> 00:26:38,720
wet

629
00:26:41,990 --> 00:26:41,039
on mars and of course you know what's

630
00:26:45,029 --> 00:26:42,000
the one thing that

631
00:26:48,390 --> 00:26:45,039
none of us on the planet can do without

632
00:26:50,870 --> 00:26:48,400
that's water so you know that

633
00:26:52,549 --> 00:26:50,880
the most important commodity to the

634
00:26:56,390 --> 00:26:52,559
lives of everything

635
00:26:58,630 --> 00:26:56,400
you know from from a dog and a cat to us

636
00:26:59,750 --> 00:26:58,640
you know and every animal on the planet

637
00:27:05,830 --> 00:26:59,760
as well

638
00:27:06,950 --> 00:27:05,840

we're not just talking about water we're

639

00:27:10,070 --> 00:27:06,960

talking about

640

00:27:13,350 --> 00:27:10,080

uh vegetation as well

641

00:27:16,630 --> 00:27:13,360

um for example again do a

642

00:27:21,190 --> 00:27:16,640

google image search on

643

00:27:24,470 --> 00:27:21,200

mars banyan tree which is b-a-n-y-a-n

644

00:27:25,430 --> 00:27:24,480

if you do a google image um banyan tree

645

00:27:28,950 --> 00:27:25,440

and mars

646

00:27:31,990 --> 00:27:28,960

you'll see these um overhead photographs

647

00:27:35,669 --> 00:27:32,000

taken by one of the um

648

00:27:39,269 --> 00:27:35,679

one of nasa's craft and it shows

649

00:27:42,630 --> 00:27:39,279

jesus what look almost eerily like

650

00:27:43,510 --> 00:27:42,640

bushes and trees now they don't kind of

651
00:27:45,430 --> 00:27:43,520
look like

652
00:27:47,990 --> 00:27:45,440
the bushes and trees you would find on

653
00:27:50,230 --> 00:27:48,000
earth but you wouldn't expect to you

654
00:27:52,549 --> 00:27:50,240
know if they were sort of um

655
00:27:55,269 --> 00:27:52,559
you know they grew on mars you wouldn't

656
00:27:59,430 --> 00:27:55,279
expect them to look exactly like uh

657
00:28:02,070 --> 00:27:59,440
trees and bushes um now

658
00:28:04,149 --> 00:28:02,080
nasa dismisses away you know these

659
00:28:06,710 --> 00:28:04,159
images they don't deny

660
00:28:08,630 --> 00:28:06,720
their pictures um you know they're happy

661
00:28:11,269 --> 00:28:08,640
to say yeah these pictures

662
00:28:12,310 --> 00:28:11,279
we took them but we think they're ice

663
00:28:15,430 --> 00:28:12,320

particles

664

00:28:16,149 --> 00:28:15,440

but if you look at these pictures to me

665

00:28:19,909 --> 00:28:16,159

they they

666

00:28:22,310 --> 00:28:19,919

don't look like um ice particles

667

00:28:23,830 --> 00:28:22,320

they look like cheese um you know it

668

00:28:26,870 --> 00:28:23,840

kind of looks like somebody

669

00:28:27,269 --> 00:28:26,880

as you know flying over arizona out of

670

00:28:34,230 --> 00:28:27,279

the

671

00:28:35,510 --> 00:28:34,240

and and taking a picture you know from

672

00:28:37,830 --> 00:28:35,520

um

673

00:28:39,590 --> 00:28:37,840

500 feet or whatever that's what these

674

00:28:42,230 --> 00:28:39,600

pictures look like

675

00:28:43,110 --> 00:28:42,240

so for me you know when you've got the

676
00:28:47,029 --> 00:28:43,120
issue of

677
00:28:47,750 --> 00:28:47,039
ice and and you know flowing water as

678
00:28:52,950 --> 00:28:47,760
well

679
00:28:55,669 --> 00:28:52,960
and you've got bushes and trees um

680
00:28:57,990 --> 00:28:55,679
and that and you put all that together

681
00:29:01,110 --> 00:28:58,000
and these structures and things like

682
00:29:03,909 --> 00:29:01,120
the facehugger there's no planet

683
00:29:04,310 --> 00:29:03,919
on the earth so far as we know but has

684
00:29:08,470 --> 00:29:04,320
come

685
00:29:10,630 --> 00:29:08,480
back with so much bizarre photography

686
00:29:12,230 --> 00:29:10,640
and that that's an important thing you

687
00:29:14,389 --> 00:29:12,240
know if you look at pictures say for

688
00:29:17,830 --> 00:29:14,399

example of mercury

689

00:29:20,230 --> 00:29:17,840

you know venus um things like that

690

00:29:22,070 --> 00:29:20,240

there's none of those planets really

691

00:29:24,950 --> 00:29:22,080

have the kind of anomalies

692

00:29:27,530 --> 00:29:24,960

that we do have on mars and that's an

693

00:29:28,950 --> 00:29:27,540

important thing to know

694

00:29:32,230 --> 00:29:28,960

[Music]

695

00:29:36,470 --> 00:29:32,240

you know i also read something today

696

00:29:40,149 --> 00:29:36,480

which i think is bizarre anyway but

697

00:29:44,230 --> 00:29:40,159

apparently verner von braun who was

698

00:29:47,430 --> 00:29:44,240

the uh the german scientist who

699

00:29:48,950 --> 00:29:47,440

basically took over nasa and and

700

00:29:51,750 --> 00:29:48,960

designed the saturn v

701
00:29:53,029 --> 00:29:51,760
rocket and and got us to the moon quite

702
00:29:56,710 --> 00:29:53,039
frankly

703
00:29:57,029 --> 00:29:56,720
uh he had written and i didn't know this

704
00:30:00,310 --> 00:29:57,039
he

705
00:30:05,190 --> 00:30:00,320
had written a fictional

706
00:30:08,470 --> 00:30:05,200
story back in the early 1950s

707
00:30:12,070 --> 00:30:08,480
and in that story in that

708
00:30:15,430 --> 00:30:12,080
book the individual who

709
00:30:22,389 --> 00:30:15,440
helped to get humans to mars

710
00:30:25,430 --> 00:30:22,399
was named elon have you ever heard that

711
00:30:30,630 --> 00:30:25,440
eli um elon like

712
00:30:37,510 --> 00:30:34,389
who sorry like

713
00:30:40,710 --> 00:30:37,520

it was e-l-o-n like elon

714

00:30:41,269 --> 00:30:40,720

musk in this story that vern verner von

715

00:30:45,350 --> 00:30:41,279

braun

716

00:30:49,269 --> 00:30:46,710

yes yeah i know exactly what you're

717

00:30:53,350 --> 00:30:49,279

talking about yeah yeah

718

00:31:03,029 --> 00:30:53,360

well actually what's going on with

719

00:31:09,750 --> 00:31:07,669

hello yeah go ahead go ahead nick

720

00:31:10,870 --> 00:31:09,760

okay yeah i was just going to say that

721

00:31:13,149 --> 00:31:10,880

um

722

00:31:14,470 --> 00:31:13,159

there was actually a lot going on in the

723

00:31:17,990 --> 00:31:14,480

1950s

724

00:31:21,029 --> 00:31:18,000

um in relation to mars

725

00:31:21,909 --> 00:31:21,039

um this gets kind of gets sort of really

726

00:31:25,269 --> 00:31:21,919

weird

727

00:31:28,389 --> 00:31:25,279

um that's jack kirby one of the

728

00:31:29,350 --> 00:31:28,399

sort of most famous comic book artists

729

00:31:33,190 --> 00:31:29,360

of

730

00:31:37,669 --> 00:31:33,200

the 20th century um he actually

731

00:31:40,470 --> 00:31:37,679

wrote a um a story for a comic book

732

00:31:41,909 --> 00:31:40,480

uh called the face on mars uh that's

733

00:31:42,950 --> 00:31:41,919

literally what it was called the face on

734

00:31:44,870 --> 00:31:42,960

mars

735

00:31:46,149 --> 00:31:44,880

and and again you know you can google

736

00:31:48,870 --> 00:31:46,159

that and find the

737

00:31:49,350 --> 00:31:48,880

extracts uh from you know where people

738

00:31:53,750 --> 00:31:49,360

have

739

00:31:57,909 --> 00:31:53,760

from the comic book

740

00:32:00,710 --> 00:31:57,919

and um and it looks very much like

741

00:32:03,909 --> 00:32:00,720

the the so-called face on mars that um

742

00:32:06,470 --> 00:32:03,919

that was found in 1976 when uh

743

00:32:07,830 --> 00:32:06,480

when nasa photographed it and of course

744

00:32:10,470 --> 00:32:07,840

the big question is

745

00:32:11,830 --> 00:32:10,480

is this just some sort of bizarre

746

00:32:15,990 --> 00:32:11,840

coincidence

747

00:32:18,789 --> 00:32:16,000

you know the idea that in 1976

748

00:32:20,950 --> 00:32:18,799

you know that um nasa found this

749

00:32:23,990 --> 00:32:20,960

so-called face on mars

750

00:32:25,110 --> 00:32:24,000

and yet 20 years earlier there was a

751
00:32:27,830 --> 00:32:25,120
comic book called

752
00:32:30,070 --> 00:32:27,840
the face on mars and what you have in

753
00:32:34,470 --> 00:32:30,080
that story are these astronauts

754
00:32:37,509 --> 00:32:34,480
climbing um on this gigantic

755
00:32:41,430 --> 00:32:37,519
um sculptured um

756
00:32:43,110 --> 00:32:41,440
human-like face and of course this has

757
00:32:45,430 --> 00:32:43,120
given rise to the theory

758
00:32:46,870 --> 00:32:45,440
did jack kirby have some inside

759
00:32:49,509 --> 00:32:46,880
information

760
00:32:51,750 --> 00:32:49,519
that perhaps the government you already

761
00:32:52,870 --> 00:32:51,760
knew back in the 50s that something was

762
00:32:56,470 --> 00:32:52,880
going on

763
00:32:58,230 --> 00:32:56,480

on mars and one of the theories is

764

00:32:59,750 --> 00:32:58,240

that perhaps they put the story out

765

00:33:02,070 --> 00:32:59,760

there to

766

00:33:03,909 --> 00:33:02,080

to see how people kind of responded you

767

00:33:06,950 --> 00:33:03,919

know what would be the vibe be

768

00:33:08,630 --> 00:33:06,960

if um bit by bit you know we

769

00:33:09,990 --> 00:33:08,640

we got a little bit more information

770

00:33:12,310 --> 00:33:10,000

from the government and a little bit

771

00:33:13,350 --> 00:33:12,320

more you know and it's an interesting

772

00:33:15,870 --> 00:33:13,360

theory but

773

00:33:18,149 --> 00:33:15,880

either you know it's an incredible

774

00:33:20,389 --> 00:33:18,159

coincidence you know this face on

775

00:33:21,350 --> 00:33:20,399

mars and the other face on mars you know

776

00:33:24,389 --> 00:33:21,360

it's it's either

777

00:33:27,029 --> 00:33:24,399

an incredible um

778

00:33:28,789 --> 00:33:27,039

you know sort of um situation that you

779

00:33:32,149 --> 00:33:28,799

just would not think would happen

780

00:33:33,190 --> 00:33:32,159

but uh the fact is it did happen you

781

00:33:36,830 --> 00:33:33,200

know it sort of

782

00:33:40,230 --> 00:33:36,840

um preempted things for you know 20

783

00:33:46,549 --> 00:33:43,269

talking about the operation paperclip

784

00:33:50,230 --> 00:33:46,559

and these um the german scientists that

785

00:33:53,590 --> 00:33:50,240

the united states actually brought back

786

00:33:57,830 --> 00:33:53,600

and you know got involved in nasa

787

00:34:01,070 --> 00:33:57,840

do you believe that the nazis or

788

00:34:05,110 --> 00:34:01,080

the third rank really had some

789

00:34:10,950 --> 00:34:05,120

inside track on other civilizations and

790

00:34:17,349 --> 00:34:14,230

sorry what the nazis what say that again

791

00:34:20,710 --> 00:34:17,359

if they had some inch inside track

792

00:34:22,149 --> 00:34:20,720

of alien technology or if they had

793

00:34:25,589 --> 00:34:22,159

actually

794

00:34:29,750 --> 00:34:25,599

gotten in contact with these these

795

00:34:34,310 --> 00:34:32,069

well i mean i've heard these stories uh

796

00:34:37,909 --> 00:34:34,320

on many occasions you know when

797

00:34:41,109 --> 00:34:37,919

um you know you hear stories uh sort of

798

00:34:43,430 --> 00:34:41,119

nazi technology being used you know back

799

00:34:47,510 --> 00:34:43,440

engineered and all this business

800

00:34:51,030 --> 00:34:47,520

um you know for me i've never found any

801
00:34:53,510 --> 00:34:51,040
hard evidence of that and

802
00:34:55,589 --> 00:34:53,520
some of the cases i've looked into the

803
00:34:58,950 --> 00:34:55,599
people who have made those claims

804
00:34:59,670 --> 00:34:58,960
are pro-nazis themselves which isn't a

805
00:35:03,349 --> 00:34:59,680
good thing

806
00:35:06,310 --> 00:35:03,359
you know um so

807
00:35:07,030 --> 00:35:06,320
but but i mean in terms of um you know

808
00:35:09,670 --> 00:35:07,040
paper clip

809
00:35:10,630 --> 00:35:09,680
i mean operation paperclip was a

810
00:35:12,790 --> 00:35:10,640
legitimate

811
00:35:14,550 --> 00:35:12,800
program for people who may not know

812
00:35:15,349 --> 00:35:14,560
basically the end of the second world

813
00:35:19,030 --> 00:35:15,359

war

814

00:35:20,069 --> 00:35:19,040

um the it was clear that you know that

815

00:35:23,670 --> 00:35:20,079

the next

816

00:35:27,270 --> 00:35:23,680

two the two superpowers would be the us

817

00:35:30,390 --> 00:35:27,280

and the soviet union and

818

00:35:33,990 --> 00:35:30,400

both sides were of the mindset that

819

00:35:36,550 --> 00:35:34,000

well you know we need to grab detect the

820

00:35:37,349 --> 00:35:36,560

nazi technology and the russians said

821

00:35:40,710 --> 00:35:37,359

the same

822

00:35:44,550 --> 00:35:40,720

so both russia and the us

823

00:35:46,950 --> 00:35:44,560

and the uk were racing to get as much of

824

00:35:49,270 --> 00:35:46,960

you know the russian technology but

825

00:35:50,230 --> 00:35:49,280

primarily rocket technology that kind of

826
00:35:53,349 --> 00:35:50,240
thing

827
00:35:54,470 --> 00:35:53,359
um and you know it's one of these

828
00:35:57,990 --> 00:35:54,480
situations

829
00:36:00,790 --> 00:35:58,000
where the the big dark side

830
00:36:03,270 --> 00:36:00,800
of our preparation paper clip was that a

831
00:36:06,390 --> 00:36:03,280
lot of these german scientists

832
00:36:09,349 --> 00:36:06,400
were given sort of free reign and

833
00:36:10,550 --> 00:36:09,359
allowed to move into the united states

834
00:36:13,510 --> 00:36:10,560
providing

835
00:36:14,069 --> 00:36:13,520
you know they worked for the us and of

836
00:36:18,150 --> 00:36:14,079
course

837
00:36:21,430 --> 00:36:18,160
um i mean um for example

838
00:36:24,390 --> 00:36:21,440

um you know the if you look into the

839

00:36:25,109 --> 00:36:24,400

um the history of paper clip like von

840

00:36:27,270 --> 00:36:25,119

braun

841

00:36:29,589 --> 00:36:27,280

for example you know he was brought you

842

00:36:32,950 --> 00:36:29,599

know he in the second world war

843

00:36:36,310 --> 00:36:32,960

von braun he's one's primary jobs

844

00:36:39,829 --> 00:36:36,320

was built it was designing rockets

845

00:36:42,870 --> 00:36:39,839

um to have them blast off from

846

00:36:45,030 --> 00:36:42,880

europa and reach the uk and

847

00:36:46,550 --> 00:36:45,040

desert their mates you know whole

848

00:36:48,550 --> 00:36:46,560

swathes of the uk

849

00:36:50,950 --> 00:36:48,560

and then a couple of years later you

850

00:36:53,990 --> 00:36:50,960

know they're they're working for us

851

00:36:55,829 --> 00:36:54,000

which a lot of people back in that time

852

00:36:57,829 --> 00:36:55,839

we're not happy about that and you can

853

00:37:00,790 --> 00:36:57,839

easily understand

854

00:37:01,430 --> 00:37:00,800

and uh and the rationale for that was

855

00:37:04,150 --> 00:37:01,440

well

856

00:37:04,870 --> 00:37:04,160

if we don't get a the russians will get

857

00:37:08,550 --> 00:37:04,880

them

858

00:37:11,430 --> 00:37:08,560

um so it's one of these situations

859

00:37:13,270 --> 00:37:11,440

where you know it's um as i said it's

860

00:37:16,470 --> 00:37:13,280

one of those dark periods

861

00:37:17,750 --> 00:37:16,480

post-war periods um but going back to

862

00:37:21,190 --> 00:37:17,760

what you said about

863

00:37:22,790 --> 00:37:21,200

um sort of nazi um sources and all that

864

00:37:26,470 --> 00:37:22,800

kind of thing

865

00:37:28,069 --> 00:37:26,480

um i i i mean i've read about

866

00:37:29,990 --> 00:37:28,079

things like this and you can actually

867

00:37:31,829 --> 00:37:30,000

find um

868

00:37:33,030 --> 00:37:31,839

people who claim to have seen sort of

869

00:37:35,430 --> 00:37:33,040

nazi sources

870

00:37:36,630 --> 00:37:35,440

and you can read about them in the fbi's

871

00:37:40,069 --> 00:37:36,640

declassified

872

00:37:41,190 --> 00:37:40,079

files however you know i think if there

873

00:37:43,910 --> 00:37:41,200

was anything

874

00:37:44,950 --> 00:37:43,920

significant to this you know we would

875

00:37:47,910 --> 00:37:44,960

have

876

00:37:49,270 --> 00:37:47,920

at least found something significant

877

00:37:52,470 --> 00:37:49,280

rather than

878

00:37:53,030 --> 00:37:52,480

stories and as i said um without saying

879

00:37:56,230 --> 00:37:53,040

names

880

00:37:59,109 --> 00:37:56,240

i know of people who um

881

00:38:00,230 --> 00:37:59,119

you know sort of almost championed the

882

00:38:02,710 --> 00:38:00,240

ideas that the

883

00:38:03,990 --> 00:38:02,720

you know the germans could do this you

884

00:38:06,470 --> 00:38:04,000

know well

885

00:38:09,510 --> 00:38:06,480

for me nobody should be championing the

886

00:38:13,030 --> 00:38:09,520

germans in the second world war you know

887

00:38:15,910 --> 00:38:13,040

um and so

888

00:38:17,990 --> 00:38:15,920

you know my view is that you know

889

00:38:21,030 --> 00:38:18,000

there's a political angle here

890

00:38:24,630 --> 00:38:21,040

you know to try and um

891

00:38:26,710 --> 00:38:24,640

you know sort of amplify the nazis even

892

00:38:29,750 --> 00:38:26,720

to this day you know that

893

00:38:32,390 --> 00:38:29,760

unfortunately there is this still this

894

00:38:34,310 --> 00:38:32,400

you know fascination for them when there

895

00:38:38,069 --> 00:38:34,320

shouldn't be any fascination

896

00:38:42,790 --> 00:38:40,710

you have been writing some very

897

00:38:44,230 --> 00:38:42,800

interesting articles over at mysterious

898

00:38:47,349 --> 00:38:44,240

universe

899

00:38:48,710 --> 00:38:47,359

uh well you've been doing it for a long

900

00:38:52,790 --> 00:38:48,720

time quite frankly but

901
00:38:56,310 --> 00:38:52,800
i i find some of these uh

902
00:38:58,470 --> 00:38:56,320
these articles about the triangle ufo is

903
00:39:01,990 --> 00:38:58,480
pretty intriguing

904
00:39:05,030 --> 00:39:02,000
uh it does seem that we're we're seeing

905
00:39:08,150 --> 00:39:05,040
many more of these uh

906
00:39:10,310 --> 00:39:08,160
and that it you know some of the

907
00:39:12,069 --> 00:39:10,320
speculation is that these are most

908
00:39:15,349 --> 00:39:12,079
likely terrestrial

909
00:39:17,030 --> 00:39:15,359
as opposed to extraterrestrial what are

910
00:39:17,750 --> 00:39:17,040
your thoughts on that do you believe

911
00:39:21,750 --> 00:39:17,760
this

912
00:39:26,829 --> 00:39:21,760
military or government

913
00:39:28,069 --> 00:39:26,839

uh program or you know are they actually

914

00:39:30,230 --> 00:39:28,079

here

915

00:39:32,310 --> 00:39:30,240

well that's a good question because this

916

00:39:35,430 --> 00:39:32,320

is this gets into really

917

00:39:39,589 --> 00:39:35,440

complicated but intriguing areas

918

00:39:42,069 --> 00:39:39,599

um the one of the main reasons for

919

00:39:44,069 --> 00:39:42,079

why i have such an interest in the whole

920

00:39:46,470 --> 00:39:44,079

black uh flying triangle

921

00:39:47,910 --> 00:39:46,480

aspect of the ufo phenomenon is because

922

00:39:49,910 --> 00:39:47,920

where i grew up in

923

00:39:51,589 --> 00:39:49,920

central england there are actually a lot

924

00:39:55,190 --> 00:39:51,599

of sightings

925

00:39:58,430 --> 00:39:55,200

of those um flying triangles

926

00:40:01,630 --> 00:39:58,440

particularly from the early um

927

00:40:03,190 --> 00:40:01,640

1990s through to the later part of the

928

00:40:07,030 --> 00:40:03,200

1990s

929

00:40:09,910 --> 00:40:07,040

and now one of the things you

930

00:40:11,190 --> 00:40:09,920

you can make a case that well maybe the

931

00:40:14,230 --> 00:40:11,200

flying triangles

932

00:40:16,710 --> 00:40:14,240

are like a next generation

933

00:40:17,430 --> 00:40:16,720

sort of secret aircraft you know that's

934

00:40:21,030 --> 00:40:17,440

been

935

00:40:23,109 --> 00:40:21,040

designed outside of area 51 or whatever

936

00:40:25,670 --> 00:40:23,119

and the reason why you could make that

937

00:40:26,470 --> 00:40:25,680

case is because you know if you look at

938

00:40:34,309 --> 00:40:26,480

the

939

00:40:36,309 --> 00:40:34,319

color

940

00:40:37,589 --> 00:40:36,319

so you could make a case that the black

941

00:40:40,150 --> 00:40:37,599

flying triangles

942

00:40:40,790 --> 00:40:40,160

which are actually quite similar in

943

00:40:42,390 --> 00:40:40,800

shape

944

00:40:44,069 --> 00:40:42,400

you could make a case that they're the

945

00:40:47,190 --> 00:40:44,079

next generation

946

00:40:48,870 --> 00:40:47,200

after the fly after the um

947

00:40:50,710 --> 00:40:48,880

the stealth fighter and the stealth

948

00:40:53,910 --> 00:40:50,720

bomber and they're still

949

00:40:56,069 --> 00:40:53,920

hidden away or whatever but what's

950

00:40:57,270 --> 00:40:56,079

particularly fascinating and actually

951
00:41:00,550 --> 00:40:57,280
talked about this

952
00:41:05,030 --> 00:41:00,560
in one of the articles last week um

953
00:41:07,190 --> 00:41:05,040
is that in the um just outside of london

954
00:41:08,710 --> 00:41:07,200
we have the the national archives like

955
00:41:12,150 --> 00:41:08,720
it's the equivalence of the us

956
00:41:14,390 --> 00:41:12,160
national archives and down at the

957
00:41:15,349 --> 00:41:14,400
the uk national archives that's where

958
00:41:18,710 --> 00:41:15,359
all the now

959
00:41:21,910 --> 00:41:18,720
declassified ufo files are held

960
00:41:23,109 --> 00:41:21,920
and when i was down there um a handful

961
00:41:26,870 --> 00:41:23,119
of years ago

962
00:41:30,630 --> 00:41:26,880
um i came across um a report

963
00:41:32,630 --> 00:41:30,640

from 1965 um

964

00:41:34,710 --> 00:41:32,640

where a guy named jeffrey brown was

965

00:41:37,990 --> 00:41:34,720

driving home late one night

966

00:41:38,630 --> 00:41:38,000

on the sort of the wilds of the north of

967

00:41:42,150 --> 00:41:38,640

england

968

00:41:45,910 --> 00:41:42,160

and he said um he saw this like um

969

00:41:48,710 --> 00:41:45,920

a squadron of craft that he described as

970

00:41:50,069 --> 00:41:48,720

as triangular and he said they were

971

00:41:52,470 --> 00:41:50,079

giving off

972

00:41:53,430 --> 00:41:52,480

like this deep humming noise which was

973

00:41:55,270 --> 00:41:53,440

like um

974

00:41:56,470 --> 00:41:55,280

it kind of made him feel a little bit

975

00:41:59,670 --> 00:41:56,480

stick

976
00:42:00,470 --> 00:41:59,680
um it had lights underneath and rather

977
00:42:04,390 --> 00:42:00,480
than having

978
00:42:07,589 --> 00:42:04,400
direct angled edges um

979
00:42:10,550 --> 00:42:07,599
on the triangle they were rounded now

980
00:42:12,550 --> 00:42:10,560
those angles the rounded corners of the

981
00:42:16,870 --> 00:42:12,560
flying triangles

982
00:42:20,550 --> 00:42:16,880
excuse me the rounded um edges on the

983
00:42:23,829 --> 00:42:20,560
flying triangles the under surface

984
00:42:24,550 --> 00:42:23,839
lights the humming noise and the large

985
00:42:31,190 --> 00:42:24,560
black

986
00:42:33,270 --> 00:42:31,200
that is identical what jeffrey brown

987
00:42:35,510 --> 00:42:33,280
described in an official government

988
00:42:36,950 --> 00:42:35,520

document in 1965

989

00:42:39,030 --> 00:42:36,960
which you can go to the national

990

00:42:40,710 --> 00:42:39,040
archives and not just see but you can

991

00:42:43,349 --> 00:42:40,720
hold the document

992

00:42:44,790 --> 00:42:43,359
in its in your hands you know just be

993

00:42:46,069 --> 00:42:44,800
careful not to sort of

994

00:42:48,470 --> 00:42:46,079
you know tear them because they're

995

00:42:49,990 --> 00:42:48,480
getting old but that

996

00:42:53,510 --> 00:42:50,000
that is probably one of the most

997

00:42:57,030 --> 00:42:53,520
important flying triangle documents

998

00:42:59,349 --> 00:42:57,040
because we can prove that um

999

00:43:01,670 --> 00:42:59,359
black flying triangles with rounded

1000

00:43:04,950 --> 00:43:01,680
corners and this humming sound

1001
00:43:08,390 --> 00:43:04,960
we can prove that those were being seen

1002
00:43:12,150 --> 00:43:08,400
back in the mid 1960s now

1003
00:43:14,150 --> 00:43:12,160
if we were flying them then why

1004
00:43:15,190 --> 00:43:14,160
aren't we using them on the battlefield

1005
00:43:18,470 --> 00:43:15,200
you know

1006
00:43:21,510 --> 00:43:18,480
why keep them hidden um

1007
00:43:24,870 --> 00:43:21,520
and the other angle of course is well

1008
00:43:27,589 --> 00:43:24,880
you know if if they aren't

1009
00:43:28,150 --> 00:43:27,599
ours then who will whose are they and

1010
00:43:29,109 --> 00:43:28,160
then you

1011
00:43:31,910 --> 00:43:29,119
you know you're left with the

1012
00:43:35,190 --> 00:43:31,920
extraterrestrial angle um

1013
00:43:36,950 --> 00:43:35,200

but what i can say for sure is that

1014

00:43:38,870 --> 00:43:36,960

from these reports that we have in the

1015

00:43:41,910 --> 00:43:38,880

national archives in the uk

1016

00:43:45,030 --> 00:43:41,920

we we can say for sure that the

1017

00:43:47,910 --> 00:43:45,040

black flying triangles are not a new

1018

00:43:49,510 --> 00:43:47,920

phenomenon so either you know they're

1019

00:43:52,069 --> 00:43:49,520

extraterrestrial or for some

1020

00:43:52,950 --> 00:43:52,079

strange reason the government has them

1021

00:43:55,589 --> 00:43:52,960

but doesn't

1022

00:43:56,470 --> 00:43:55,599

want to admit it's got them um and that

1023

00:43:59,109 --> 00:43:56,480

in itself

1024

00:44:01,030 --> 00:43:59,119

doesn't make sense either so um but the

1025

00:44:04,950 --> 00:44:01,040

whole thing is fascinating

1026
00:44:05,670 --> 00:44:04,960
you know as to what the flying triangles

1027
00:44:09,190 --> 00:44:05,680
are and

1028
00:44:11,750 --> 00:44:09,200
who they belong to yeah and

1029
00:44:12,950 --> 00:44:11,760
uh the reason i bring it up and it

1030
00:44:16,150 --> 00:44:12,960
interests me because

1031
00:44:18,390 --> 00:44:16,160
my neck of the woods here in the east uh

1032
00:44:19,510 --> 00:44:18,400
you know i used to live near baltimore

1033
00:44:22,870 --> 00:44:19,520
near washington

1034
00:44:23,750 --> 00:44:22,880
and for whatever reason there have been

1035
00:44:27,109 --> 00:44:23,760
a lot of

1036
00:44:30,790 --> 00:44:27,119
large black triangle sightings

1037
00:44:33,430 --> 00:44:30,800
by uh people even in the cities i mean

1038
00:44:34,870 --> 00:44:33,440

it it and they just suddenly disappear

1039

00:44:37,270 --> 00:44:34,880

quickly like they're cloaked

1040

00:44:38,390 --> 00:44:37,280

and uh now that i'm up here in

1041

00:44:40,950 --> 00:44:38,400

pennsylvania

1042

00:44:42,630 --> 00:44:40,960

it's the same thing we you know

1043

00:44:45,589 --> 00:44:42,640

especially in the area

1044

00:44:48,069 --> 00:44:45,599

you know of the susquehanna valley we

1045

00:44:50,470 --> 00:44:48,079

have been getting numerous reports

1046

00:44:51,670 --> 00:44:50,480

of uh these huge black triangle

1047

00:44:55,510 --> 00:44:51,680

sightings and

1048

00:44:57,589 --> 00:44:55,520

you know they're brief uh but you know

1049

00:45:00,069 --> 00:44:57,599

it makes one wonder if it's it's

1050

00:45:02,829 --> 00:45:00,079

actually some type of uh

1051
00:45:05,510 --> 00:45:02,839
government involvement or if it is

1052
00:45:08,390 --> 00:45:05,520
extraterrestrial

1053
00:45:08,790 --> 00:45:08,400
well yeah and i mean i mean you as i

1054
00:45:11,030 --> 00:45:08,800
said

1055
00:45:12,470 --> 00:45:11,040
you can actually i totally get your

1056
00:45:15,750 --> 00:45:12,480
point you know you can

1057
00:45:18,630 --> 00:45:15,760
make you know a case that they are

1058
00:45:19,510 --> 00:45:18,640
secret planes but then you know when you

1059
00:45:22,630 --> 00:45:19,520
look back at

1060
00:45:24,309 --> 00:45:22,640
those reports of 65 in the air you know

1061
00:45:27,190 --> 00:45:24,319
in the archives

1062
00:45:29,270 --> 00:45:27,200
and they described exactly and i don't

1063
00:45:30,230 --> 00:45:29,280

mean exactly as the black triangles

1064

00:45:32,230 --> 00:45:30,240

today

1065

00:45:35,030 --> 00:45:32,240

you know you have to think well that was

1066

00:45:38,230 --> 00:45:35,040

almost sort of like 60 years ago

1067

00:45:40,230 --> 00:45:38,240

so then forced to almost think well

1068

00:45:42,470 --> 00:45:40,240

they can't be ours you know if they were

1069

00:45:45,910 --> 00:45:42,480

flying at 60 years ago

1070

00:45:47,109 --> 00:45:45,920

so um and it would be too much of a

1071

00:45:49,750 --> 00:45:47,119

coincidence if

1072

00:45:51,510 --> 00:45:49,760

aliens were building black triangled

1073

00:45:54,230 --> 00:45:51,520

ufos went the same time as

1074

00:45:54,550 --> 00:45:54,240

us you know that that's just way too you

1075

00:45:57,750 --> 00:45:54,560

know

1076

00:45:59,990 --> 00:45:57,760

impossible um but there's no doubt

1077

00:46:02,550 --> 00:46:00,000

it's a real phenomenon somebody is

1078

00:46:05,910 --> 00:46:02,560

flying these incredible craft

1079

00:46:07,990 --> 00:46:05,920

around the world um

1080

00:46:11,190 --> 00:46:08,000

big question is you know who or what are

1081

00:46:14,309 --> 00:46:13,670

now you wrote an article uh this this

1082

00:46:18,710 --> 00:46:14,319

week

1083

00:46:21,150 --> 00:46:18,720

actually i think it was um about

1084

00:46:22,309 --> 00:46:21,160

possible government involvement in

1085

00:46:25,510 --> 00:46:22,319

cryptozoology

1086

00:46:28,470 --> 00:46:25,520

cryptids and such uh

1087

00:46:28,790 --> 00:46:28,480

now you know and i think you're familiar

1088

00:46:31,990 --> 00:46:28,800

with

1089

00:46:33,670 --> 00:46:32,000

what i went through back in 81 and the

1090

00:46:35,190 --> 00:46:33,680

possible government involvement with the

1091

00:46:38,069 --> 00:46:35,200

sighting i had

1092

00:46:40,470 --> 00:46:38,079

uh do you think this is something that

1093

00:46:43,910 --> 00:46:40,480

that is actually true that

1094

00:46:49,190 --> 00:46:46,950

deeply involved with cryptids are

1095

00:46:50,069 --> 00:46:49,200

uh you know in other governments as well

1096

00:46:53,430 --> 00:46:50,079

i mean

1097

00:46:56,870 --> 00:46:53,440

but is this uh is this a actual

1098

00:46:59,030 --> 00:46:56,880

program that's being that's being

1099

00:47:02,630 --> 00:46:59,040

used by you know by the military or the

1100

00:47:05,990 --> 00:47:05,349

well yeah as bizarre as it might sound i

1101
00:47:09,190 --> 00:47:06,000
mean

1102
00:47:10,710 --> 00:47:09,200
there is data you know in support of

1103
00:47:15,109 --> 00:47:10,720
that scenario

1104
00:47:18,950 --> 00:47:15,119
um for example when um

1105
00:47:20,950 --> 00:47:18,960
helens welded or erupted in 1980

1106
00:47:23,430 --> 00:47:20,960
washington state

1107
00:47:25,430 --> 00:47:23,440
there were rumors almost immediately

1108
00:47:28,870 --> 00:47:25,440
that the military had moved in

1109
00:47:30,470 --> 00:47:28,880
because the the bodies um of a number of

1110
00:47:33,750 --> 00:47:30,480
bigfoot creatures had been

1111
00:47:36,870 --> 00:47:33,760
found and um and they were sending

1112
00:47:38,710 --> 00:47:36,880
in helicopters and and flying them out

1113
00:47:40,549 --> 00:47:38,720

if the bodies were dead or trying to

1114

00:47:42,309 --> 00:47:40,559

save them if they were alive

1115

00:47:44,230 --> 00:47:42,319

now it sounds you know it sounds like

1116

00:47:46,549 --> 00:47:44,240

something straight out of a

1117

00:47:47,910 --> 00:47:46,559

you know sort of a sci-fi movie or

1118

00:47:51,349 --> 00:47:47,920

something like that

1119

00:47:54,549 --> 00:47:51,359

but um a number of the um

1120

00:47:56,309 --> 00:47:54,559

the guys who were uh claimed to have

1121

00:47:58,630 --> 00:47:56,319

worked out there at the time and

1122

00:48:00,309 --> 00:47:58,640

and found the bodies you know after the

1123

00:48:03,670 --> 00:48:00,319

after manson helens

1124

00:48:05,990 --> 00:48:03,680

uh erupted um people were told you know

1125

00:48:07,750 --> 00:48:06,000

you don't you won't talk about this now

1126

00:48:10,150 --> 00:48:07,760

of course the big question is

1127

00:48:12,470 --> 00:48:10,160

well if the bigfoot creatures are real

1128

00:48:15,030 --> 00:48:12,480

which i believe they are

1129

00:48:16,470 --> 00:48:15,040

um why should there be secrecy

1130

00:48:18,549 --> 00:48:16,480

surrounding them i mean

1131

00:48:21,190 --> 00:48:18,559

you know it's not like there's a secrecy

1132

00:48:22,230 --> 00:48:21,200

surrounding bears or mountain lions you

1133

00:48:25,510 --> 00:48:22,240

know

1134

00:48:27,990 --> 00:48:25,520

why should there be secrecy surrounding

1135

00:48:29,829 --> 00:48:28,000

um bigfoot well one of the theories

1136

00:48:32,950 --> 00:48:29,839

relates to the fact that

1137

00:48:35,430 --> 00:48:32,960

a number of actually quite a few

1138

00:48:36,309 --> 00:48:35,440

numbers of people who seen the big foot

1139

00:48:39,270 --> 00:48:36,319

creatures

1140

00:48:41,190 --> 00:48:39,280

have said they quite literally see that

1141

00:48:44,390 --> 00:48:41,200

saw these creatures vanish

1142

00:48:46,549 --> 00:48:44,400

in front of them and so sometimes

1143

00:48:48,630 --> 00:48:46,559

they sort of had these strange balls of

1144

00:48:51,910 --> 00:48:48,640

light fluttering around them

1145

00:48:52,549 --> 00:48:51,920

um which clearly puts them in a you know

1146

00:49:07,270 --> 00:48:52,559

a

1147

00:49:09,670 --> 00:49:07,280

is looking into the bigfoot phenomenon

1148

00:49:10,390 --> 00:49:09,680

and things like the dog man which is

1149

00:49:12,069 --> 00:49:10,400

this

1150

00:49:14,710 --> 00:49:12,079

thing that sort of superficially

1151
00:49:16,790 --> 00:49:14,720
superficially look kind of looks like

1152
00:49:18,950 --> 00:49:16,800
like what you would call a werewolf you

1153
00:49:19,589 --> 00:49:18,960
know these upright wolves that people

1154
00:49:22,710 --> 00:49:19,599
described

1155
00:49:25,430 --> 00:49:22,720
that have become known as the dog men

1156
00:49:27,270 --> 00:49:25,440
and people have seen them sort of vanish

1157
00:49:30,630 --> 00:49:27,280
in the flash of a light as well

1158
00:49:33,109 --> 00:49:30,640
so i think if the government is involved

1159
00:49:35,510 --> 00:49:33,119
and i think they are to some degree i

1160
00:49:38,630 --> 00:49:35,520
think they're trying to figure out

1161
00:49:41,670 --> 00:49:38,640
the ability how these creatures

1162
00:49:43,829 --> 00:49:41,680
can quite literally sort of vanish

1163
00:49:45,589 --> 00:49:43,839

in front of us you know i mean if we

1164

00:49:48,150 --> 00:49:45,599

could find a way to do that

1165

00:49:50,069 --> 00:49:48,160

that would be you know the ultimate

1166

00:49:51,589 --> 00:49:50,079

weapon you know jump from one place to

1167

00:49:54,870 --> 00:49:51,599

another and to another

1168

00:49:56,630 --> 00:49:54,880

so and but i mean there's other examples

1169

00:50:00,390 --> 00:49:56,640

as well for example um

1170

00:50:01,190 --> 00:50:00,400

in the 1960s um the british royal air

1171

00:50:05,270 --> 00:50:01,200

force

1172

00:50:09,030 --> 00:50:05,280

um got intrigued and um and they used

1173

00:50:12,870 --> 00:50:09,040

um high high-res cameras

1174

00:50:15,990 --> 00:50:12,880

and film uh camera films etc etc

1175

00:50:17,750 --> 00:50:16,000

um to try and figure out what the loch

1176
00:50:19,670 --> 00:50:17,760
ness monsters might be

1177
00:50:21,270 --> 00:50:19,680
and uh you know when people talk about

1178
00:50:22,790 --> 00:50:21,280
the loch ness monster

1179
00:50:24,470 --> 00:50:22,800
you know it kind of makes it sound like

1180
00:50:24,870 --> 00:50:24,480
there's one of them you know just

1181
00:50:27,750 --> 00:50:24,880
there's

1182
00:50:28,390 --> 00:50:27,760
one for hundreds of years which is just

1183
00:50:30,870 --> 00:50:28,400
not

1184
00:50:32,470 --> 00:50:30,880
possible um so there would have to be

1185
00:50:33,430 --> 00:50:32,480
you know if they're flesh and blood

1186
00:50:35,829 --> 00:50:33,440
rather than

1187
00:50:36,549 --> 00:50:35,839
something supernatural you know they

1188
00:50:39,589 --> 00:50:36,559

would

1189

00:50:42,790 --> 00:50:39,599

you know

1190

00:50:45,750 --> 00:50:42,800

for there to be like a herd if you like

1191

00:50:46,549 --> 00:50:45,760

um but but yeah the the british royal

1192

00:50:49,910 --> 00:50:46,559

air force

1193

00:50:53,030 --> 00:50:49,920

um got intrigued and you know they use

1194

00:50:56,150 --> 00:50:53,040

their sort of high-tech technology

1195

00:51:00,309 --> 00:50:56,160

and um and came away

1196

00:51:03,829 --> 00:51:00,319

after looking and um and studying

1197

00:51:05,510 --> 00:51:03,839

um high-res pictures etc came to the

1198

00:51:08,790 --> 00:51:05,520

conclusion that whatever these

1199

00:51:11,510 --> 00:51:08,800

photographs showed they showed something

1200

00:51:12,069 --> 00:51:11,520

of a large mass partially under the

1201
00:51:17,910 --> 00:51:12,079
water

1202
00:51:18,710 --> 00:51:17,920
you know um i don't know first time i

1203
00:51:21,990 --> 00:51:18,720
went to

1204
00:51:25,190 --> 00:51:22,000
loch ness i was about five as a kid and

1205
00:51:26,470 --> 00:51:25,200
um if you go there you know you'll see

1206
00:51:29,190 --> 00:51:26,480
how incredibly

1207
00:51:30,230 --> 00:51:29,200
huge it is and deep and it's it's easy

1208
00:51:33,109 --> 00:51:30,240
to see

1209
00:51:34,150 --> 00:51:33,119
how you know a bunch of creatures could

1210
00:51:37,349 --> 00:51:34,160
survive

1211
00:51:39,230 --> 00:51:37,359
um but another good example as well is

1212
00:51:41,910 --> 00:51:39,240
that if you go back to

1213
00:51:45,109 --> 00:51:41,920

1967 and point players in

1214

00:51:49,349 --> 00:51:45,119

west virginia when you had the um

1215

00:51:52,710 --> 00:51:49,359

the mothman sightings well no time after

1216

00:51:54,230 --> 00:51:52,720

the mothman was seen um you had the men

1217

00:51:56,870 --> 00:51:54,240

in black roaming around

1218

00:51:58,790 --> 00:51:56,880

point pleasant and warning people not to

1219

00:52:01,829 --> 00:51:58,800

talk about their encounters or

1220

00:52:04,309 --> 00:52:01,839

sightings of mothman so

1221

00:52:05,190 --> 00:52:04,319

yeah you can actually make a good strong

1222

00:52:08,069 --> 00:52:05,200

case

1223

00:52:10,470 --> 00:52:08,079

um you know that there is a connection

1224

00:52:13,510 --> 00:52:10,480

between these so-called cryptid

1225

00:52:18,069 --> 00:52:13,520

creatures um and

1226

00:52:21,589 --> 00:52:18,079

um and government agencies

1227

00:52:25,430 --> 00:52:21,599

well i i think anybody that uh

1228

00:52:28,870 --> 00:52:25,440

research is researches uh

1229

00:52:32,390 --> 00:52:28,880

uh the paranormal supernatural you know

1230

00:52:34,790 --> 00:52:32,400

the cryptids you know

1231

00:52:35,589 --> 00:52:34,800

after all the time that that is you we

1232

00:52:38,230 --> 00:52:35,599

have done it

1233

00:52:40,630 --> 00:52:38,240

we have actually had to keep more of an

1234

00:52:44,790 --> 00:52:40,640

open mind as time went on because

1235

00:52:46,710 --> 00:52:44,800

uh you know it does seem that there are

1236

00:52:51,030 --> 00:52:46,720

some type of government involvement with

1237

00:52:54,950 --> 00:52:52,549

well yeah you're right and i think the

1238

00:52:56,790 --> 00:52:54,960

one person who's demonstrated that

1239

00:52:58,390 --> 00:52:56,800

more than any other is a good friend of

1240

00:53:01,270 --> 00:52:58,400

mine stan gordon

1241

00:53:03,630 --> 00:53:01,280

you know stan um works out of um

1242

00:53:05,829 --> 00:53:03,640

pennsylvania and he's done a lot of

1243

00:53:07,829 --> 00:53:05,839

research

1244

00:53:09,589 --> 00:53:07,839

into the weirdest side of bigfoot you

1245

00:53:12,549 --> 00:53:09,599

know a lot of a lot of people

1246

00:53:13,990 --> 00:53:12,559

in the crypto field you know they just

1247

00:53:16,790 --> 00:53:14,000

want to focus on the idea

1248

00:53:17,190 --> 00:53:16,800

that you know the big creatures are are

1249

00:53:19,589 --> 00:53:17,200

just

1250

00:53:21,670 --> 00:53:19,599

unknown apes you know like the the

1251

00:53:24,470 --> 00:53:21,680

american equivalent of like a

1252

00:53:25,750 --> 00:53:24,480

of a gorilla that kind of thing but i

1253

00:53:28,549 --> 00:53:25,760

think there is enough

1254

00:53:29,990 --> 00:53:28,559

data to suggest that there's more to

1255

00:53:33,349 --> 00:53:30,000

bigfoot

1256

00:53:35,910 --> 00:53:33,359

than than just that and um

1257

00:53:36,870 --> 00:53:35,920

as i said with stan i mean he's

1258

00:53:39,430 --> 00:53:36,880

collected

1259

00:53:41,589 --> 00:53:39,440

a huge amount of material where

1260

00:53:42,870 --> 00:53:41,599

anomalous of events have occurred

1261

00:53:44,950 --> 00:53:42,880

you know like the creatures have

1262

00:53:46,230 --> 00:53:44,960

vanished under these weird lights in the

1263

00:53:49,190 --> 00:53:46,240

sky

1264

00:53:49,990 --> 00:53:49,200

and um so i think there's something

1265

00:53:55,510 --> 00:53:50,000

weird

1266

00:53:56,710 --> 00:53:55,520

that meets the eye i don't think these

1267

00:54:00,230 --> 00:53:56,720

creatures are just

1268

00:54:02,870 --> 00:54:00,240

as i said um the equivalent of um

1269

00:54:04,230 --> 00:54:02,880

african gorillas there's something more

1270

00:54:07,349 --> 00:54:04,240

of a supernatural

1271

00:54:10,390 --> 00:54:07,359

aspect to them i think

1272

00:54:10,870 --> 00:54:10,400

yeah i talked to stan regularly we we

1273

00:54:14,710 --> 00:54:10,880

kind of

1274

00:54:15,990 --> 00:54:14,720

uh uh cross-reference cases together if

1275

00:54:19,030 --> 00:54:16,000

i get something he's

1276

00:54:21,670 --> 00:54:19,040

i sent to him and vice versa and

1277

00:54:23,109 --> 00:54:21,680

quite frankly you know everything that

1278

00:54:25,670 --> 00:54:23,119

we have seen

1279

00:54:27,109 --> 00:54:25,680

at least over the past decade but even

1280

00:54:31,030 --> 00:54:27,119

longer of course

1281

00:54:34,910 --> 00:54:31,040

uh it it does suggest that

1282

00:54:37,829 --> 00:54:34,920

uh there is some type of possible

1283

00:54:40,870 --> 00:54:37,839

extraterrestrial ufo or other phenom

1284

00:54:43,430 --> 00:54:40,880

other type of uh anomalous activity

1285

00:54:46,470 --> 00:54:43,440

connected with bigfoot i mean you know

1286

00:54:48,150 --> 00:54:46,480

i i'm convinced by it and um

1287

00:54:50,230 --> 00:54:48,160

you know stan has been talking about

1288

00:54:53,270 --> 00:54:50,240

that for a long time now

1289

00:54:56,630 --> 00:54:53,280

uh even going back to the 73 flap

1290

00:54:58,470 --> 00:54:56,640

where you know these these these bigfoot

1291

00:55:02,710 --> 00:54:58,480

were associated with ufo

1292

00:55:05,030 --> 00:55:02,720

activity so yeah um

1293

00:55:06,150 --> 00:55:05,040

you know it and it kind of preached into

1294

00:55:08,870 --> 00:55:06,160

the choir there

1295

00:55:10,549 --> 00:55:08,880

uh you know when you live around here in

1296

00:55:13,349 --> 00:55:10,559

pennsylvania you kind of do

1297

00:55:14,390 --> 00:55:13,359

kind of hear a whole lot of strange

1298

00:55:16,870 --> 00:55:14,400

things

1299

00:55:17,750 --> 00:55:16,880

and uh i think that goes for a lot of

1300

00:55:20,630 --> 00:55:17,760

other cryptid

1301
00:55:22,870 --> 00:55:20,640
beings as well because you know we've

1302
00:55:24,390 --> 00:55:22,880
got upright canines and winged humanoids

1303
00:55:28,710 --> 00:55:24,400
in the whole nine yards here

1304
00:55:30,789 --> 00:55:28,720
also and uh you know many of us

1305
00:55:31,750 --> 00:55:30,799
that are involved with this these

1306
00:55:34,150 --> 00:55:31,760
phenomena here in

1307
00:55:35,670 --> 00:55:34,160
pennsylvania you know when we get

1308
00:55:35,990 --> 00:55:35,680
together and talk about it it's kind of

1309
00:55:37,829 --> 00:55:36,000
like

1310
00:55:41,430 --> 00:55:37,839
yeah you know there's something going on

1311
00:55:46,710 --> 00:55:44,549
yeah and i think you know for me um

1312
00:55:49,510 --> 00:55:46,720
you know when you look at the issue of

1313
00:55:50,870 --> 00:55:49,520

the origin or what these things are

1314

00:55:53,349 --> 00:55:50,880

you know i sometimes think they're not

1315

00:55:57,030 --> 00:55:53,359

so much extraterrestrial but sort of

1316

00:55:59,910 --> 00:55:57,040

inter-dimensional or multi-dimensional

1317

00:56:01,030 --> 00:55:59,920

the reason i say that is because these

1318

00:56:02,950 --> 00:56:01,040

things you know that

1319

00:56:04,230 --> 00:56:02,960

if they were just regular animals we'd

1320

00:56:07,270 --> 00:56:04,240

have found them by now

1321

00:56:09,030 --> 00:56:07,280

i mean for example you know i could

1322

00:56:11,030 --> 00:56:09,040

easily understand how

1323

00:56:12,950 --> 00:56:11,040

we might not have found a bigfoot if

1324

00:56:15,670 --> 00:56:12,960

they were just the size of a squirrel

1325

00:56:16,950 --> 00:56:15,680

you know but we're talking about these

1326
00:56:19,270 --> 00:56:16,960
creatures being seen

1327
00:56:20,230 --> 00:56:19,280
all across the united states and they're

1328
00:56:23,430 --> 00:56:20,240
like

1329
00:56:24,230 --> 00:56:23,440
seven feet tall and we can't even catch

1330
00:56:27,030 --> 00:56:24,240
one

1331
00:56:27,430 --> 00:56:27,040
now how that that's just not possible

1332
00:56:30,549 --> 00:56:27,440
and

1333
00:56:34,309 --> 00:56:30,559
so my view is that the reason why they

1334
00:56:37,190 --> 00:56:34,319
are so incredibly elusive

1335
00:56:39,109 --> 00:56:37,200
is probably because they they're not

1336
00:56:41,750 --> 00:56:39,119
hiding i think they literally are sort

1337
00:56:44,950 --> 00:56:41,760
of flitting into a different reality

1338
00:56:46,150 --> 00:56:44,960

you know a different dimension you know

1339

00:56:48,390 --> 00:56:46,160

and uh

1340

00:56:49,910 --> 00:56:48,400

and i think that's that could for me

1341

00:56:52,230 --> 00:56:49,920

that's the only way

1342

00:56:53,829 --> 00:56:52,240

you know in a country the size of the us

1343

00:56:55,430 --> 00:56:53,839

with so many people

1344

00:56:57,270 --> 00:56:55,440

and so many people looking for these

1345

00:56:58,309 --> 00:56:57,280

things and they're like seven to eight

1346

00:57:01,430 --> 00:56:58,319

feet tall

1347

00:57:02,710 --> 00:57:01,440

and we can't even get one you know

1348

00:57:05,990 --> 00:57:02,720

there's something wrong

1349

00:57:08,870 --> 00:57:06,000

something's just not right there so uh

1350

00:57:10,950 --> 00:57:08,880

that's why i think that they literally

1351

00:57:12,230 --> 00:57:10,960

flit in and out of our reality that's

1352

00:57:16,150 --> 00:57:12,240

that's the reason

1353

00:57:17,910 --> 00:57:16,160

why we're unable to catch them

1354

00:57:19,589 --> 00:57:17,920

yeah and you know i'm more convinced of

1355

00:57:23,349 --> 00:57:19,599

the interdimensional theory

1356

00:57:26,150 --> 00:57:23,359

of cryptids uh as well now since

1357

00:57:28,069 --> 00:57:26,160

we you know gotten involved with the uh

1358

00:57:29,270 --> 00:57:28,079

the lake michigan wing humanoid

1359

00:57:31,109 --> 00:57:29,280

phenomena

1360

00:57:33,990 --> 00:57:31,119

and how these things are the sightings

1361

00:57:37,109 --> 00:57:34,000

are so fleeting that they just seem to

1362

00:57:40,950 --> 00:57:37,119

to show up and then

1363

00:57:43,670 --> 00:57:40,960

you know quickly disappear and uh

1364

00:57:44,950 --> 00:57:43,680

you know the only thing we can even

1365

00:57:48,150 --> 00:57:44,960

remotely

1366

00:57:51,510 --> 00:57:48,160

explain it as uh some type of

1367

00:57:53,829 --> 00:57:51,520

interdimensional uh activity

1368

00:57:55,510 --> 00:57:53,839

uh and of course you know then when you

1369

00:57:56,390 --> 00:57:55,520

get involved with the other cryptids you

1370

00:58:01,349 --> 00:57:56,400

know

1371

00:58:06,630 --> 00:58:03,829

and that may also sort of tie in with

1372

00:58:09,750 --> 00:58:06,640

the ufo subject you know i mean ufos

1373

00:58:11,990 --> 00:58:09,760

go you know they fled out of our

1374

00:58:15,270 --> 00:58:12,000

reality that what their one second

1375

00:58:19,109 --> 00:58:15,280

gone the next second so maybe a lot of

1376

00:58:21,670 --> 00:58:19,119

this you know is is actually from here

1377

00:58:23,510 --> 00:58:21,680

you know but we just not we don't don't

1378

00:58:24,470 --> 00:58:23,520

really understand physics and the

1379

00:58:26,549 --> 00:58:24,480

science

1380

00:58:29,430 --> 00:58:26,559

around it you know when you think about

1381

00:58:31,349 --> 00:58:29,440

it i mean the sheer size of the universe

1382

00:58:33,589 --> 00:58:31,359

and they we we're expecting to believe

1383

00:58:34,390 --> 00:58:33,599

that blind sources and ufos are coming

1384

00:58:38,710 --> 00:58:34,400

back and forth

1385

00:58:41,910 --> 00:58:38,720

away well maybe they're not

1386

00:58:45,349 --> 00:58:41,920

maybe they actually live

1387

00:58:49,190 --> 00:58:45,359

in our in our reality uh but in a dif

1388

00:58:52,390 --> 00:58:49,200

in a different kind of um frequency

1389

00:58:53,589 --> 00:58:52,400

if you like um but we generally see them

1390

00:58:56,870 --> 00:58:53,599

when they

1391

00:59:00,309 --> 00:58:56,880

you know they wish they wish to be seen

1392

00:59:02,950 --> 00:59:00,319

absolutely well nick you know this hour

1393

00:59:04,870 --> 00:59:02,960

went by very quickly and um

1394

00:59:08,069 --> 00:59:04,880

once again you've got this new book

1395

00:59:11,109 --> 00:59:10,390

possibly tomorrow i i'm i'm definitely

1396

00:59:13,829 --> 00:59:11,119

going to get it

1397

00:59:15,510 --> 00:59:13,839

and uh if you've got any what do you

1398

00:59:17,910 --> 00:59:15,520

have coming up do you have anything

1399

00:59:18,789 --> 00:59:17,920

scheduled that may actually be able to

1400

00:59:21,829 --> 00:59:18,799

get done

1401

00:59:25,589 --> 00:59:21,839

any type of uh uh

1402

00:59:29,109 --> 00:59:25,599

online lectures such that are

1403

00:59:32,549 --> 00:59:29,119

not going to be affected by the code

1404

00:59:34,470 --> 00:59:32,559

yeah yeah at the uh

1405

00:59:35,750 --> 00:59:34,480

at the end of this escape at the end of

1406

00:59:38,470 --> 00:59:35,760

um june

1407

00:59:39,270 --> 00:59:38,480

i'm speaking at the contact in the

1408

00:59:41,829 --> 00:59:39,280

desert

1409

00:59:42,950 --> 00:59:41,839

conference which is usually out in

1410

00:59:45,430 --> 00:59:42,960

joshua tree

1411

00:59:47,109 --> 00:59:45,440

uh california but because with the whole

1412

00:59:50,150 --> 00:59:47,119

virus situation

1413

00:59:52,870 --> 00:59:50,160

um it's going to be a virtual conference

1414

00:59:53,430 --> 00:59:52,880

um which you know it you don't have the

1415

00:59:55,270 --> 00:59:53,440

same

1416

00:59:56,630 --> 00:59:55,280

kind of atmosphere but it'll still be

1417

00:59:59,430 --> 00:59:56,640

good you know to

1418

01:00:00,069 --> 00:59:59,440

um for the particularly for the audience

1419

01:00:02,630 --> 01:00:00,079

you know

1420

01:00:03,109 --> 01:00:02,640

um i'm sure that the way it's going to

1421

01:00:06,150 --> 01:00:03,119

work

1422

01:00:08,470 --> 01:00:06,160

you know you can sort of log in and just

1423

01:00:09,910 --> 01:00:08,480

whichever lecture you want to watch you

1424

01:00:13,750 --> 01:00:09,920

know

1425

01:00:16,950 --> 01:00:13,760

thing because rather than just

1426

01:00:17,589 --> 01:00:16,960

sort of um think oh well what are we

1427

01:00:20,309 --> 01:00:17,599

gonna do

1428

01:00:21,990 --> 01:00:20,319

you know let's try and do something for

1429

01:00:24,549 --> 01:00:22,000

for people you know and so we can keep

1430

01:00:26,870 --> 01:00:24,559

the momentum for the and the interest

1431

01:00:27,589 --> 01:00:26,880

uh for the audience and i think people

1432

01:00:31,270 --> 01:00:27,599

hopefully

1433

01:00:33,109 --> 01:00:31,280

will enjoy it you know that and um

1434

01:00:34,710 --> 01:00:33,119

so i think that'll be pretty cool this

1435

01:00:38,710 --> 01:00:34,720

you know a virtual one

1436

01:00:42,069 --> 01:00:38,720

um end of um june contacting the desert

1437

01:00:42,789 --> 01:00:42,079

and um and all being well if things get

1438

01:00:44,710 --> 01:00:42,799

better

1439

01:00:45,910 --> 01:00:44,720

you know with the whole virus thing i'll

1440

01:00:50,150 --> 01:00:45,920

be speaking

1441

01:00:53,309 --> 01:00:50,160

at the mothman festival import in um

1442

01:00:55,990 --> 01:00:53,319

in point pleasant um in

1443

01:00:58,150 --> 01:00:56,000

september of this year but uh but we'll

1444

01:01:00,789 --> 01:00:58,160

see how that goes

1445

01:01:02,309 --> 01:01:00,799

yeah well nick thanks again for joining

1446

01:01:03,910 --> 01:01:02,319

me this evening it's always good to

1447

01:01:08,150 --> 01:01:03,920

catch up with you

1448

01:01:10,549 --> 01:01:08,160

and uh you know everything else comes up

1449

01:01:11,589 --> 01:01:10,559

yeah just you know keep in contact and

1450

01:01:15,750 --> 01:01:11,599

uh

1451
01:01:23,430 --> 01:01:18,390
all right sounds good thanks you take

1452
01:01:28,630 --> 01:01:25,829
now if you have an unexplained encounter

1453
01:01:30,870 --> 01:01:28,640
or sighting feel free to contact me

1454
01:01:32,230 --> 01:01:30,880
through the phantoms of monsters blog

1455
01:01:34,390 --> 01:01:32,240
site

1456
01:01:35,990 --> 01:01:34,400
i want to again thank uh nick redford

1457
01:01:38,150 --> 01:01:36,000
for joining me this evening

1458
01:01:39,589 --> 01:01:38,160
and thanks to each and all of you for

1459
01:01:42,470 --> 01:01:39,599
watching and chatting

1460
01:01:44,230 --> 01:01:42,480
it's um if you made a super chat

1461
01:01:45,670 --> 01:01:44,240
donation this evening it's truly

1462
01:01:48,230 --> 01:01:45,680
appreciated

1463
01:01:49,510 --> 01:01:48,240

uh your support is what makes all this

1464

01:01:52,230 --> 01:01:49,520

possible

1465

01:01:53,510 --> 01:01:52,240

please like subscribe and share and

1466

01:01:55,670 --> 01:01:53,520

until next week

1467

01:02:06,470 --> 01:01:55,680

stay healthy and have a safe and

1468

01:02:19,040 --> 01:02:06,480

enjoyable weekend good night

1469

01:02:19,050 --> 01:02:44,100

[Applause]
