FORTEAN FRIDAY!
**PHANTOMS
& MONSTERS**

with
**Sean Forker
& Mike Luci**

Your Host
Lon Strickler

FORTEAN FRIDAY Featuring Guests Sean Forker and Mike Luci - 14

1
00:00:05,269 --> 00:00:04,470

[Music]

2
00:00:08,710 --> 00:00:05,279

the oldest

3
00:00:10,870 --> 00:00:08,720

and strongest human emotion is fear

4
00:00:11,910 --> 00:00:10,880

and the oldest and strongest type of

5
00:00:15,110 --> 00:00:11,920

fear

6
00:00:17,510 --> 00:00:15,120

is trepidation of the unknown

7
00:00:20,950 --> 00:00:17,520

when we were children our parents told

8
00:00:23,429 --> 00:00:20,960

us that monsters didn't exist

9
00:00:26,630 --> 00:00:23,439

but we were sure that something was

10
00:00:31,189 --> 00:00:26,640

lurking under the bed or in the closet

11
00:00:34,389 --> 00:00:31,199

fear sees even if our eyes are closed

12
00:00:36,470 --> 00:00:34,399

welcome to the realm of the arcane my

13
00:00:38,790 --> 00:00:36,480

name is lon strickler

14

00:00:39,910 --> 00:00:38,800

join me as i examine unexplained

15

00:00:42,830 --> 00:00:39,920

creatures

16

00:00:44,869 --> 00:00:42,840

strange manifestations and remarkable

17

00:00:47,910 --> 00:00:44,879

realities

18

00:00:50,549 --> 00:00:47,920

imagine this next hour as a voyage of

19

00:00:53,590 --> 00:00:50,559

discovery to strange lands

20

00:00:56,310 --> 00:00:53,600

seeking not for new territory but for

21

00:00:58,950 --> 00:00:56,320

new knowledge of the supernatural come

22

00:01:00,290 --> 00:00:58,960

on board as we begin this adventure

23

00:01:03,510 --> 00:01:00,300

together

24

00:01:05,189 --> 00:01:03,520

[Music]

25

00:01:07,510 --> 00:01:05,199

hey folks good evening and welcome to

26

00:01:09,190 --> 00:01:07,520

another episode of arcane radio where we

27

00:01:12,390 --> 00:01:09,200

explore the unexplained

28

00:01:14,230 --> 00:01:12,400

live on beyond explanation i'm your host

29

00:01:15,429 --> 00:01:14,240

lonnie strickler coming to you within a

30

00:01:18,390 --> 00:01:15,439

cannon shot

31

00:01:20,630 --> 00:01:18,400

of historic gettysburg now quick note

32

00:01:23,270 --> 00:01:20,640

arcane radio and beyond explanation

33

00:01:25,990 --> 00:01:23,280

channel are made possible by you liking

34

00:01:28,390 --> 00:01:26,000

subscribing and sharing our programming

35

00:01:29,350 --> 00:01:28,400

super chat donations are essential for

36

00:01:31,670 --> 00:01:29,360

us to continue

37

00:01:33,830 --> 00:01:31,680

offering you unique content your

38

00:01:35,270 --> 00:01:33,840

consideration is very much needed and

39

00:01:38,469 --> 00:01:35,280

appreciated

40

00:01:40,950 --> 00:01:38,479

now i also want to mention

41

00:01:42,870 --> 00:01:40,960

i'm contemplating developing a new show

42

00:01:45,749 --> 00:01:42,880

here on beyond explanation that

43

00:01:47,030 --> 00:01:45,759

will concentrate on spirituality and the

44

00:01:48,710 --> 00:01:47,040

ability

45

00:01:50,230 --> 00:01:48,720

to help afflicted persons through the

46

00:01:53,270 --> 00:01:50,240

use of remote viewing and

47

00:01:54,230 --> 00:01:53,280

intuitive energy now as many of you may

48

00:01:56,950 --> 00:01:54,240

know

49

00:01:58,709 --> 00:01:56,960

i've been engaged in successful distance

50

00:02:00,630 --> 00:01:58,719

healing and malevolent cleansing for

51
00:02:03,670 --> 00:02:00,640
many years now

52
00:02:06,310 --> 00:02:03,680
much my work uses uh positive thought

53
00:02:08,150 --> 00:02:06,320
affirmation and visualization as well as

54
00:02:10,630 --> 00:02:08,160
certain degrees of divination

55
00:02:11,270 --> 00:02:10,640
and personal spirituality now i'm

56
00:02:13,830 --> 00:02:11,280
interested

57
00:02:15,589 --> 00:02:13,840
in your thoughts about this venture and

58
00:02:18,070 --> 00:02:15,599
if you believe

59
00:02:20,949 --> 00:02:18,080
that this type of presentation would be

60
00:02:23,830 --> 00:02:20,959
helpful enjoyable to the listeners

61
00:02:25,830 --> 00:02:23,840
so uh stay tuned for further information

62
00:02:27,990 --> 00:02:25,840
now tonight

63
00:02:29,589 --> 00:02:28,000

i welcome phantoms of matches forty

64

00:02:31,830 --> 00:02:29,599

research investigators

65

00:02:32,869 --> 00:02:31,840

sean forker and mike lucci to arcane

66

00:02:34,710 --> 00:02:32,879

radio

67

00:02:37,350 --> 00:02:34,720

uh bigfoot and fourteen investigator

68

00:02:39,350 --> 00:02:37,360

sean forker began his search for bigfoot

69

00:02:41,190 --> 00:02:39,360

and other unexplained phenomena at an

70

00:02:43,509 --> 00:02:41,200

early age and has continued these

71

00:02:45,670 --> 00:02:43,519

pursuits for over 20 years

72

00:02:47,430 --> 00:02:45,680

he was also the co-creator and the host

73

00:02:50,309 --> 00:02:47,440

of beyond the edge radio

74

00:02:52,630 --> 00:02:50,319

and arcane radio sean is the founder of

75

00:02:54,869 --> 00:02:52,640

the keystone bigfoot project

76

00:02:57,509 --> 00:02:54,879

mike lucci is a cryptid investigator and

77

00:03:00,149 --> 00:02:57,519

member of the catskill appalachian

78

00:03:01,830 --> 00:03:00,159

research collective and co-host on from

79

00:03:04,229 --> 00:03:01,840

behind tall trees

80

00:03:06,470 --> 00:03:04,239

which presented here on beyond

81

00:03:09,430 --> 00:03:06,480

explanation so guys

82

00:03:10,949 --> 00:03:09,440

thanks for coming on with me tonight

83

00:03:13,030 --> 00:03:10,959

well thanks for having us lon yeah

84

00:03:14,710 --> 00:03:13,040

appreciate you having us

85

00:03:16,710 --> 00:03:14,720

now before i start going getting into

86

00:03:17,670 --> 00:03:16,720

bigfoot and what we're really here to

87

00:03:19,910 --> 00:03:17,680

talk about

88

00:03:20,790 --> 00:03:19,920

i also wanted to mention that today we

89

00:03:23,910 --> 00:03:20,800

got a report

90

00:03:25,270 --> 00:03:23,920

on another report out of chicago and

91

00:03:28,710 --> 00:03:25,280

this time it was

92

00:03:31,750 --> 00:03:28,720

uh a wing being of some type

93

00:03:33,830 --> 00:03:31,760

about 78 foot red eyes

94

00:03:35,110 --> 00:03:33,840

black and color very similar to what

95

00:03:37,190 --> 00:03:35,120

people have been seeing in and around

96

00:03:41,190 --> 00:03:37,200

chicago and most recently

97

00:03:44,949 --> 00:03:41,200

around the airport and uh this was a

98

00:03:49,270 --> 00:03:44,959

um this was an employee of the chicago

99

00:03:51,990 --> 00:03:49,280

department of aviation which is actually

100

00:03:53,270 --> 00:03:52,000

uh located right at the airport and it's

101
00:03:54,630 --> 00:03:53,280
in an area of the airport

102
00:03:56,390 --> 00:03:54,640
towards roads of mine where it's been a

103
00:03:58,949 --> 00:03:56,400
lot of activity

104
00:04:00,630 --> 00:03:58,959
so you know i guess spring has sprung i

105
00:04:02,710 --> 00:04:00,640
guess uh

106
00:04:04,869 --> 00:04:02,720
it's starting these these reports are

107
00:04:06,470 --> 00:04:04,879
starting to show up now

108
00:04:08,949 --> 00:04:06,480
uh you know we're going on our fourth

109
00:04:11,030 --> 00:04:08,959
year since the

110
00:04:12,070 --> 00:04:11,040
when you know the real advent of the all

111
00:04:15,509 --> 00:04:12,080
these sightings

112
00:04:18,710 --> 00:04:15,519
of course it started back in 2011. so

113
00:04:20,550 --> 00:04:18,720

um and you know shawna asked me

114

00:04:22,069 --> 00:04:20,560

just before the show how many sightings

115

00:04:24,310 --> 00:04:22,079

we've had so far

116

00:04:25,510 --> 00:04:24,320

and i think up we're up to about 130

117

00:04:28,790 --> 00:04:25,520

right now so it's

118

00:04:30,710 --> 00:04:28,800

pretty busy that's that's a lot of

119

00:04:33,670 --> 00:04:30,720

creature sightings lon

120

00:04:34,230 --> 00:04:33,680

yeah you know it's it's weird um you

121

00:04:35,830 --> 00:04:34,240

know

122

00:04:38,870 --> 00:04:35,840

the fact that this thing kind of landed

123

00:04:40,710 --> 00:04:38,880

in our lap in the very beginning and uh

124

00:04:42,390 --> 00:04:40,720

we've been getting most the reports

125

00:04:44,950 --> 00:04:42,400

which you know it's it's kind of

126
00:04:46,870 --> 00:04:44,960
it's very interesting to me and because

127
00:04:48,550 --> 00:04:46,880
it kind of parallels the encounter i had

128
00:04:52,070 --> 00:04:48,560
back in 88

129
00:04:54,710 --> 00:04:52,080
uh not far from here so um

130
00:04:56,150 --> 00:04:54,720
you know why we're getting it and why

131
00:04:57,990 --> 00:04:56,160
this is happening

132
00:04:59,909 --> 00:04:58,000
you know is there some kind of

133
00:05:00,629 --> 00:04:59,919
connection somehow to that or so i don't

134
00:05:03,590 --> 00:05:00,639
know

135
00:05:05,430 --> 00:05:03,600
but it's interesting yeah i think the

136
00:05:08,070 --> 00:05:05,440
interesting thing is lon it's being seen

137
00:05:10,310 --> 00:05:08,080
by a lot of the personnel at the airport

138
00:05:12,310 --> 00:05:10,320

not the regular civilian siding it's

139

00:05:14,710 --> 00:05:12,320

happening with people that work there

140

00:05:16,150 --> 00:05:14,720

yeah yeah that's the real interesting

141

00:05:19,189 --> 00:05:16,160

thing um

142

00:05:22,629 --> 00:05:20,870

half the sightings are people that

143

00:05:25,670 --> 00:05:22,639

actually work at the airport

144

00:05:29,830 --> 00:05:25,680

we've had security guards tsa people

145

00:05:32,950 --> 00:05:29,840

uh baggage personnel pilots

146

00:05:36,390 --> 00:05:32,960

uh air traffic controllers you know it's

147

00:05:42,310 --> 00:05:39,749

as long as people aren't afraid to

148

00:05:43,749 --> 00:05:42,320

show up and tell us what's going on

149

00:05:46,070 --> 00:05:43,759

believe me

150

00:05:48,310 --> 00:05:46,080

the administration at the airport has

151

00:05:50,310 --> 00:05:48,320

been keeping tight lip about it

152

00:05:52,070 --> 00:05:50,320

and have been telling employees not to

153

00:05:53,990 --> 00:05:52,080

contact us

154

00:05:55,510 --> 00:05:54,000

i hear it all the time manuel hears it

155

00:05:58,790 --> 00:05:55,520

all the time and

156

00:06:02,309 --> 00:05:58,800

uh you know when they go and make an

157

00:06:03,749 --> 00:06:02,319

inquiry they they tell them to tell us i

158

00:06:05,270 --> 00:06:03,759

don't say anything to him if anybody

159

00:06:07,029 --> 00:06:05,280

asks him just a big hour or something

160

00:06:08,870 --> 00:06:07,039

like that you know

161

00:06:10,150 --> 00:06:08,880

so uh you know that's what we run up

162

00:06:13,510 --> 00:06:10,160

into but no these

163

00:06:15,270 --> 00:06:13,520

these are pretty good reports and uh

164

00:06:17,990 --> 00:06:15,280

it's not like anything i've ever been

165

00:06:19,029 --> 00:06:18,000

involved with before

166

00:06:21,110 --> 00:06:19,039

yeah that's another that's an

167

00:06:24,070 --> 00:06:21,120

understatement

168

00:06:25,590 --> 00:06:24,080

so mike you're up at a bald eagle state

169

00:06:29,189 --> 00:06:25,600

park

170

00:06:32,230 --> 00:06:29,199

and what county is that center county

171

00:06:34,469 --> 00:06:32,240

um bald eagle bald eagle state forest

172

00:06:35,749 --> 00:06:34,479

it's like a little east of bald eagle

173

00:06:37,270 --> 00:06:35,759

state park i think it's about an hour

174

00:06:40,950 --> 00:06:37,280

and a half away from the state park

175

00:06:43,830 --> 00:06:40,960

um i think the area we're in is in

176
00:06:46,150 --> 00:06:43,840
monroe county because i know bald eagle

177
00:06:47,830 --> 00:06:46,160
state forest it's like 190 something

178
00:06:49,350 --> 00:06:47,840
thousand odd acres it covers like four

179
00:06:51,189 --> 00:06:49,360
or five counties

180
00:06:53,029 --> 00:06:51,199
um we're more like yeah we're kind of

181
00:06:54,790 --> 00:06:53,039
like monroe county right now like south

182
00:06:56,710 --> 00:06:54,800
of i-80 so

183
00:06:58,150 --> 00:06:56,720
um myself and another team member team

184
00:07:00,070 --> 00:06:58,160
member we just got here it's really one

185
00:07:02,070 --> 00:07:00,080
of our first weekend add-ins of the year

186
00:07:03,350 --> 00:07:02,080
so we're definitely excited to uh

187
00:07:05,830 --> 00:07:03,360
be getting back in the swing of things

188
00:07:09,749 --> 00:07:05,840

getting out in the field last year we

189

00:07:11,909 --> 00:07:09,759

visited um bald eagle state forest twice

190

00:07:13,430 --> 00:07:11,919

and i remember the second night we

191

00:07:14,150 --> 00:07:13,440

weren't we're in a different spot than

192

00:07:16,469 --> 00:07:14,160

we are

193

00:07:17,990 --> 00:07:16,479

uh this weekend we're a little more like

194

00:07:20,550 --> 00:07:18,000

south more kind like like the thicket of

195

00:07:23,029 --> 00:07:20,560

the greenway that it forms but

196

00:07:24,790 --> 00:07:23,039

i remember that's um that second time we

197

00:07:26,710 --> 00:07:24,800

had a um

198

00:07:28,390 --> 00:07:26,720

we had a boatload of uh potential

199

00:07:32,070 --> 00:07:28,400

activity that happened

200

00:07:33,830 --> 00:07:32,080

knox tree falls vocalization so

201

00:07:35,909 --> 00:07:33,840

this area you know so this area really

202

00:07:38,230 --> 00:07:35,919

in my opinion harbors a um holds a

203

00:07:40,070 --> 00:07:38,240

holds a lot of promise definitely

204

00:07:40,469 --> 00:07:40,080

definitely holds a lot of promise for um

205

00:07:44,790 --> 00:07:40,479

you know

206

00:07:46,070 --> 00:07:44,800

getting evidence for this phenomena so

207

00:07:46,629 --> 00:07:46,080

um you know we're kind of making it one

208

00:07:49,670 --> 00:07:46,639

of our like

209

00:07:51,029 --> 00:07:49,680

main uh main research main research

210

00:07:51,749 --> 00:07:51,039

areas moving forward just because the

211

00:07:54,070 --> 00:07:51,759

conditions here

212

00:07:54,950 --> 00:07:54,080

are so ideal so we're done you know

213

00:07:58,629 --> 00:07:54,960

we're definitely looking forward to

214

00:08:01,029 --> 00:07:58,639

spending more time here this year

215

00:08:02,550 --> 00:08:01,039

yeah i i've i've received reports from

216

00:08:05,029 --> 00:08:02,560

there

217

00:08:05,670 --> 00:08:05,039

well i had two of them last fall two

218

00:08:08,950 --> 00:08:05,680

reports

219

00:08:11,270 --> 00:08:08,960

of um a bigfoot activity uh of course

220

00:08:13,589 --> 00:08:11,280

sean i gave those to sean

221

00:08:15,670 --> 00:08:13,599

and uh i guess you're going to follow up

222

00:08:19,909 --> 00:08:15,680

on that eventually or whenever

223

00:08:21,110 --> 00:08:19,919

and uh and i also told you i you know i

224

00:08:22,230 --> 00:08:21,120

was i went back and looked through the

225

00:08:24,070 --> 00:08:22,240

archives

226

00:08:25,430 --> 00:08:24,080

and we had an upright canine setting

227

00:08:29,589 --> 00:08:25,440

there in 2017

228

00:08:31,510 --> 00:08:29,599

as well which isn't unusual because that

229

00:08:34,310 --> 00:08:31,520

whole area

230

00:08:35,909 --> 00:08:34,320

you know anywhere from center county and

231

00:08:36,550 --> 00:08:35,919

the counties around there they have been

232

00:08:40,070 --> 00:08:36,560

hot

233

00:08:41,190 --> 00:08:40,080

for the dogman upright k-9 activity they

234

00:08:44,389 --> 00:08:41,200

were recent years

235

00:08:44,790 --> 00:08:44,399

so um you know i want to say lon since i

236

00:08:46,150 --> 00:08:44,800

was

237

00:08:47,670 --> 00:08:46,160

you know looking into this and i know we

238

00:08:48,790 --> 00:08:47,680

talked just moments before we came on

239

00:08:51,990 --> 00:08:48,800

air

240

00:08:54,310 --> 00:08:52,000

mike i think in the late 90s 96

241

00:08:56,470 --> 00:08:54,320

to the early 2000s there were a lot of

242

00:09:00,070 --> 00:08:56,480

reports that came from

243

00:09:02,150 --> 00:09:00,080

uh clinton county center county

244

00:09:04,310 --> 00:09:02,160

uh mifflin county now the county is

245

00:09:06,630 --> 00:09:04,320

really close to the area you're in

246

00:09:07,590 --> 00:09:06,640

uh and a lot of them i i think i don't

247

00:09:09,030 --> 00:09:07,600

wanna see a lot of them

248

00:09:11,990 --> 00:09:09,040

but i do know at least two or three of

249

00:09:15,110 --> 00:09:12,000

them came from a a police officer

250

00:09:16,470 --> 00:09:15,120

that uh frequented that area i just had

251

00:09:17,829 --> 00:09:16,480

some recall going on

252

00:09:20,070 --> 00:09:17,839

you know just going through the mental

253

00:09:22,470 --> 00:09:20,080

data banks and those are the ones i

254

00:09:23,910 --> 00:09:22,480

remember i want to say they were in 96

255

00:09:27,269 --> 00:09:23,920

but they're pretty close to the area

256

00:09:31,190 --> 00:09:28,710

wait now when you say when you say

257

00:09:33,990 --> 00:09:31,200

reports are you referring to like um

258

00:09:36,710 --> 00:09:34,000

bipedal bipolar primates the dog we're

259

00:09:42,070 --> 00:09:40,470

uh you know i don't know even if in the

260

00:09:44,150 --> 00:09:42,080

90s they would even know how to

261

00:09:45,430 --> 00:09:44,160

consider that a dog man to be honest

262

00:09:46,949 --> 00:09:45,440

because it's not something you really

263

00:09:48,870 --> 00:09:46,959

hear a lot of until now

264

00:09:50,550 --> 00:09:48,880

and you know there's different theories

265

00:09:52,150 --> 00:09:50,560

on that or you know same creatures

266

00:09:53,509 --> 00:09:52,160

similar is it a bigfoot with different

267

00:09:54,470 --> 00:09:53,519

features you know a lot of questions we

268

00:09:56,630 --> 00:09:54,480

don't know

269

00:09:57,910 --> 00:09:56,640

but i just know from from the experience

270

00:09:59,509 --> 00:09:57,920

in this area

271

00:10:01,350 --> 00:09:59,519

that wasn't part of the vernacular at

272

00:10:03,190 --> 00:10:01,360

that time anything probably unknown

273

00:10:05,750 --> 00:10:03,200

upright walking would probably have been

274

00:10:06,630 --> 00:10:05,760

labeled a bigfoot sighting at that time

275

00:10:09,670 --> 00:10:06,640

for sure

276

00:10:11,190 --> 00:10:09,680

yeah and you know with the um

277

00:10:12,949 --> 00:10:11,200

me personally ever since i ever since i

278

00:10:14,470 --> 00:10:12,959

got into this stuff my beliefs have

279

00:10:15,670 --> 00:10:14,480

definitely been have definitely gotten

280

00:10:17,030 --> 00:10:15,680

more um

281

00:10:18,389 --> 00:10:17,040

dialed back about these different about

282

00:10:18,870 --> 00:10:18,399

these different phenomena i mean believe

283

00:10:20,630 --> 00:10:18,880

me like

284

00:10:22,230 --> 00:10:20,640

i'm dying for all the stuff to be real

285

00:10:23,670 --> 00:10:22,240

but with you know

286

00:10:26,150 --> 00:10:23,680

the um hairy bite you know without you

287

00:10:27,750 --> 00:10:26,160

know our hairy bipedal primate friends

288

00:10:29,829 --> 00:10:27,760

the thing that really like gets me with

289

00:10:31,269 --> 00:10:29,839

it is um there's a lot of

290

00:10:33,829 --> 00:10:31,279

you know there's a lot of supposed quote

291

00:10:36,710 --> 00:10:33,839

evidence to back it you know footprints

292

00:10:38,310 --> 00:10:36,720

footprints audio video things like that

293

00:10:40,150 --> 00:10:38,320

um

294

00:10:41,190 --> 00:10:40,160

you know you guys know this stuff you

295

00:10:42,389 --> 00:10:41,200

know you guys know the stuff a lot

296

00:10:43,590 --> 00:10:42,399

better than me you'll be doing it a lot

297

00:10:44,870 --> 00:10:43,600

longer than me maybe you could like

298

00:10:46,230 --> 00:10:44,880

answer me

299

00:10:47,829 --> 00:10:46,240

this question because like i said you

300

00:10:50,790 --> 00:10:47,839

know like i would love for osap to be

301
00:10:53,110 --> 00:10:50,800
real but with things like you know um

302
00:10:54,949 --> 00:10:53,120
the upright upright bipedal came up

303
00:10:58,230 --> 00:10:54,959
right bipedal canines

304
00:11:00,870 --> 00:10:58,240
you know uh lizardmen other weird things

305
00:11:02,310 --> 00:11:00,880
where's the you know how do you account

306
00:11:03,990 --> 00:11:02,320
for like the

307
00:11:05,509 --> 00:11:04,000
lack of unless you know something i

308
00:11:06,949 --> 00:11:05,519
don't know the lack of like you know

309
00:11:09,670 --> 00:11:06,959
physical evidence out there that you see

310
00:11:11,910 --> 00:11:09,680
with like bigfoots and things like that

311
00:11:13,750 --> 00:11:11,920
well i think you know and i haven't

312
00:11:15,590 --> 00:11:13,760
always been a proponent for dog man

313
00:11:18,069 --> 00:11:15,600

sightings along knows that but

314

00:11:19,509 --> 00:11:18,079

you know there are footprints i mean you

315

00:11:21,829 --> 00:11:19,519

can't dispute there are footprint

316

00:11:24,389 --> 00:11:21,839

evidence for from large

317

00:11:25,750 --> 00:11:24,399

uh canine upright creatures in fact

318

00:11:27,350 --> 00:11:25,760

we've seen them on and we've heard

319

00:11:30,949 --> 00:11:27,360

reports of them in the area of

320

00:11:32,310 --> 00:11:30,959

up this way um lizard man little harder

321

00:11:33,430 --> 00:11:32,320

you know because i think a lot of the

322

00:11:35,430 --> 00:11:33,440

evidence that has been

323

00:11:36,790 --> 00:11:35,440

shown from the honey island swamp

324

00:11:38,310 --> 00:11:36,800

monster those type things have been

325

00:11:41,430 --> 00:11:38,320

fabricated

326

00:11:44,069 --> 00:11:41,440

uh it just all depends

327

00:11:45,509 --> 00:11:44,079

you know eyewitness testimony isn't

328

00:11:46,470 --> 00:11:45,519

evidence right it's just eyewitness

329

00:11:48,550 --> 00:11:46,480

testimony

330

00:11:49,910 --> 00:11:48,560

it's you know if it was evidence it'd be

331

00:11:51,590 --> 00:11:49,920

you know called evidence at a court of

332

00:11:53,430 --> 00:11:51,600

law it's not its testimony

333

00:11:55,030 --> 00:11:53,440

it's you know the visual representation

334

00:11:56,629 --> 00:11:55,040

what we see we know through psychology

335

00:11:59,910 --> 00:11:56,639

sometimes what we see

336

00:12:01,990 --> 00:11:59,920

isn't necessarily so uh

337

00:12:04,069 --> 00:12:02,000

you know the human mind has a tendency

338

00:12:05,350 --> 00:12:04,079

to embellish and add detail after the

339

00:12:06,870 --> 00:12:05,360

fact which makes it a little bit more

340

00:12:10,230 --> 00:12:06,880

complicated

341

00:12:10,949 --> 00:12:10,240

but you know even aside from some video

342

00:12:13,030 --> 00:12:10,959

footage

343

00:12:14,949 --> 00:12:13,040

and some sounds we don't really have a

344

00:12:17,190 --> 00:12:14,959

lot of great evidence for

345

00:12:18,870 --> 00:12:17,200

for any of these creatures mike we just

346

00:12:21,030 --> 00:12:18,880

we like to think we do

347

00:12:22,710 --> 00:12:21,040

but there's just not a whole lot out

348

00:12:24,790 --> 00:12:22,720

there that anybody

349

00:12:26,470 --> 00:12:24,800

scientifically is willing to accept i

350

00:12:28,310 --> 00:12:26,480

mean take it on face value

351

00:12:29,829 --> 00:12:28,320

yeah i think we could make a case that

352

00:12:32,629 --> 00:12:29,839

the bigfoot is real

353

00:12:34,310 --> 00:12:32,639

or that you know but without having some

354

00:12:37,430 --> 00:12:34,320

concrete hard proof

355

00:12:39,110 --> 00:12:37,440

it's you know a refutable point now

356

00:12:40,870 --> 00:12:39,120

what do i think is going to happen one

357

00:12:42,310 --> 00:12:40,880

day some lady's going to come

358

00:12:43,750 --> 00:12:42,320

some old lady is going to be coming home

359

00:12:45,110 --> 00:12:43,760

from bingo and she's going to cream one

360

00:12:49,670 --> 00:12:45,120

with her buick

361

00:12:52,870 --> 00:12:50,790

and i think that's what it's going to

362

00:12:53,110 --> 00:12:52,880

take as a body anymore to be honest with

363

00:12:55,190 --> 00:12:53,120

you

364

00:12:56,230 --> 00:12:55,200

getting harder with with people being

365

00:12:58,790 --> 00:12:56,240

able to you know

366

00:13:00,150 --> 00:12:58,800

photoshop at home and you know even the

367

00:13:01,430 --> 00:13:00,160

special effects you can do in your home

368

00:13:04,230 --> 00:13:01,440

computer is getting a lot

369

00:13:04,949 --> 00:13:04,240

you know a lot better and a lot more

370

00:13:07,990 --> 00:13:04,959

economical

371

00:13:09,110 --> 00:13:08,000

it's it's gonna be hard yeah and that's

372

00:13:11,910 --> 00:13:09,120

why for me just

373

00:13:14,069 --> 00:13:11,920

um ever since i got into this my s like

374

00:13:14,790 --> 00:13:14,079

me personally my standard for you know

375

00:13:17,350 --> 00:13:14,800

what i you know

376

00:13:19,190 --> 00:13:17,360

my standard for evident evidence or

377

00:13:20,069 --> 00:13:19,200

things to consider has really risen you

378

00:13:21,750 --> 00:13:20,079

know considerably

379

00:13:23,350 --> 00:13:21,760

like you said the technology and

380

00:13:24,310 --> 00:13:23,360

resources out there they definitely make

381

00:13:26,310 --> 00:13:24,320

it a lot more

382

00:13:28,629 --> 00:13:26,320

a lot easier for people to like hoax and

383

00:13:29,269 --> 00:13:28,639

manipulate images and videos and whatnot

384

00:13:30,710 --> 00:13:29,279

but

385

00:13:33,190 --> 00:13:30,720

i feel like fortunately too the

386

00:13:34,870 --> 00:13:33,200

technology to um

387

00:13:36,470 --> 00:13:34,880

sift out you know set out those

388

00:13:38,230 --> 00:13:36,480

anomalies and separate you know like

389

00:13:39,910 --> 00:13:38,240

what's legit from what could be

390

00:13:41,670 --> 00:13:39,920

you know from what's legit from what's

391

00:13:43,030 --> 00:13:41,680

[h__\h] as also

392

00:13:44,949 --> 00:13:43,040

and you know i know has also kind of

393

00:13:47,189 --> 00:13:44,959

like kept pace considerably too

394

00:13:48,550 --> 00:13:47,199

so you're kind of seeing just like this

395

00:13:50,230 --> 00:13:48,560

constant

396

00:13:52,150 --> 00:13:50,240

back and forth with that like um one of

397

00:13:53,829 --> 00:13:52,160

my favorite channels is uh the power

398

00:13:55,910 --> 00:13:53,839

breakdown channel phil polling's channel

399

00:13:57,670 --> 00:13:55,920

i think he does an excellent job of

400

00:13:59,430 --> 00:13:57,680

great of you know breaking down videos

401
00:14:01,030 --> 00:13:59,440
identifying like you know just like

402
00:14:03,590 --> 00:14:01,040
subtle details that most people

403
00:14:06,710 --> 00:14:03,600
otherwise wouldn't notice to determine a

404
00:14:08,550 --> 00:14:06,720
videos you know legitimacy so i think as

405
00:14:10,710 --> 00:14:08,560
long as we have people like that

406
00:14:11,990 --> 00:14:10,720
out there um you know with more

407
00:14:13,910 --> 00:14:12,000
objective mindsets

408
00:14:16,310 --> 00:14:13,920
uh researching researching the stuff i'm

409
00:14:19,189 --> 00:14:16,320
there to like you know combat all the

410
00:14:20,629 --> 00:14:19,199
fabricated or identified or hoaxed

411
00:14:22,310 --> 00:14:20,639
content that's out there

412
00:14:23,509 --> 00:14:22,320
um you know we should continue to pursue

413
00:14:26,069 --> 00:14:23,519

the long present you know fairly

414

00:14:30,310 --> 00:14:29,189

well unfortunately most people that have

415

00:14:32,470 --> 00:14:30,320

um

416

00:14:33,670 --> 00:14:32,480

that investigate bigfoot and some of

417

00:14:35,350 --> 00:14:33,680

these other creatures that have never

418

00:14:37,350 --> 00:14:35,360

had an encounter

419

00:14:39,430 --> 00:14:37,360

yeah i've been lucky enough to have had

420

00:14:41,829 --> 00:14:39,440

one many years ago

421

00:14:43,590 --> 00:14:41,839

but uh you know in my mind i believe

422

00:14:45,430 --> 00:14:43,600

it's real though you know you never know

423

00:14:49,910 --> 00:14:45,440

what you're really looking at

424

00:14:52,230 --> 00:14:49,920

i um you know what i saw i believe

425

00:14:53,350 --> 00:14:52,240

was a bigfoot and uh some of the

426
00:14:55,110 --> 00:14:53,360
reaction from

427
00:14:56,550 --> 00:14:55,120
the local authorities at the time it

428
00:14:58,790 --> 00:14:56,560
happened

429
00:15:00,389 --> 00:14:58,800
uh kind of makes me believe that there

430
00:15:03,990 --> 00:15:00,399
was definitely something out there

431
00:15:07,430 --> 00:15:04,000
yeah so uh but

432
00:15:09,110 --> 00:15:07,440
you know um we're kind of lucky here in

433
00:15:12,230 --> 00:15:09,120
pennsylvania because we do

434
00:15:16,230 --> 00:15:12,240
get you know the witnesses that we

435
00:15:19,269 --> 00:15:16,240
get and like sean mentioned earlier

436
00:15:21,350 --> 00:15:19,279
it's a very conservative state and if

437
00:15:21,990 --> 00:15:21,360
you get a witness report from someone

438
00:15:26,069 --> 00:15:22,000

who's not

439

00:15:27,670 --> 00:15:26,079

involved with the actual investigation

440

00:15:29,350 --> 00:15:27,680

of the research and they don't know what

441

00:15:31,670 --> 00:15:29,360

the hell they're looking at

442

00:15:32,389 --> 00:15:31,680

you're normally going to get a straight

443

00:15:37,749 --> 00:15:32,399

shoot

444

00:15:40,470 --> 00:15:37,759

something they can't explain

445

00:15:41,749 --> 00:15:40,480

and when they report to you you become

446

00:15:44,389 --> 00:15:41,759

part of their story

447

00:15:45,110 --> 00:15:44,399

so uh you better take what they're

448

00:15:48,230 --> 00:15:45,120

telling you

449

00:15:50,550 --> 00:15:48,240

and go as far as you can with it

450

00:15:52,710 --> 00:15:50,560

to the point where if you do prove that

451

00:15:54,470 --> 00:15:52,720

what they're telling you isn't true or

452

00:15:56,470 --> 00:15:54,480

could have been a misidentification or

453

00:15:59,829 --> 00:15:56,480

something yeah then then that's okay

454

00:16:01,990 --> 00:15:59,839

but um i'd say nine times out of ten

455

00:16:04,069 --> 00:16:02,000

with the type of witnesses we get in

456

00:16:05,990 --> 00:16:04,079

this part of the country you're going to

457

00:16:07,110 --> 00:16:06,000

uh you're going to get something

458

00:16:09,590 --> 00:16:07,120

truthful

459

00:16:10,389 --> 00:16:09,600

and you know they definitely they

460

00:16:11,990 --> 00:16:10,399

definitely saw

461

00:16:14,310 --> 00:16:12,000

something i'm not saying exactly what

462

00:16:15,829 --> 00:16:14,320

they saw is what they're saying it is

463

00:16:17,030 --> 00:16:15,839

but they saw something that's very

464

00:16:18,949 --> 00:16:17,040

unusual

465

00:16:20,230 --> 00:16:18,959

i think through my own experience to

466

00:16:24,710 --> 00:16:20,240

that statement lon

467

00:16:26,550 --> 00:16:24,720

anybody who has been a serious witness

468

00:16:28,310 --> 00:16:26,560

uh you know has really proven themselves

469

00:16:30,389 --> 00:16:28,320

to be so anybody who's you know out to

470

00:16:30,949 --> 00:16:30,399

hoax or pull a prank on you or have a

471

00:16:34,150 --> 00:16:30,959

good time

472

00:16:36,949 --> 00:16:34,160

usually relatively quickly

473

00:16:37,990 --> 00:16:36,959

easily you know filtered out and weeded

474

00:16:40,230 --> 00:16:38,000

through

475

00:16:42,150 --> 00:16:40,240

um but a lot of the witnesses i've

476

00:16:44,710 --> 00:16:42,160

spoken to over the years have been

477

00:16:45,829 --> 00:16:44,720

you know long time hunters people that

478

00:16:48,389 --> 00:16:45,839

have been out in the woods

479

00:16:48,870 --> 00:16:48,399

for 20 to 40 years and they see

480

00:16:51,910 --> 00:16:48,880

something

481

00:16:53,350 --> 00:16:51,920

one day out while they're hunting or you

482

00:16:54,790 --> 00:16:53,360

know even going about their daily

483

00:16:56,069 --> 00:16:54,800

business and it frightens them so much

484

00:16:59,269 --> 00:16:56,079

they don't want to go back

485

00:16:59,749 --> 00:16:59,279

to these spots uh those have been the

486

00:17:03,030 --> 00:16:59,759

best

487

00:17:04,630 --> 00:17:03,040

witnesses because you know

488

00:17:06,309 --> 00:17:04,640

you have somebody that knows the

489

00:17:07,990 --> 00:17:06,319

wildlife you have somebody that knows

490

00:17:09,189 --> 00:17:08,000

there is they already know what it

491

00:17:10,949 --> 00:17:09,199

cannot be

492

00:17:13,110 --> 00:17:10,959

you don't have to spend time trying to

493

00:17:15,510 --> 00:17:13,120

convince them what it is

494

00:17:16,949 --> 00:17:15,520

um you know it makes your job a little

495

00:17:20,150 --> 00:17:16,959

easier however

496

00:17:22,150 --> 00:17:20,160

psychologically again it's a lot harder

497

00:17:23,510 --> 00:17:22,160

on those witnesses and i've had several

498

00:17:24,870 --> 00:17:23,520

times where i couldn't even get the

499

00:17:26,789 --> 00:17:24,880

witnesses to

500

00:17:29,270 --> 00:17:26,799

you know go back out into those areas

501

00:17:31,270 --> 00:17:29,280

with us uh without some uh

502

00:17:32,470 --> 00:17:31,280

you know heavy coaxing and you know

503

00:17:33,350 --> 00:17:32,480

convincing them that you know it's going

504

00:17:34,549 --> 00:17:33,360

to be okay

505

00:17:36,630 --> 00:17:34,559

you know the chance of this happening

506

00:17:38,310 --> 00:17:36,640

again are very slim than none i just

507

00:17:39,669 --> 00:17:38,320

want you to take me back to the place it

508

00:17:40,870 --> 00:17:39,679

happened so i can really get the full

509

00:17:42,789 --> 00:17:40,880

experience of it

510

00:17:45,110 --> 00:17:42,799

in fact one of the recent cases i'm

511

00:17:49,029 --> 00:17:45,120

working on is the guy that was

512

00:17:51,270 --> 00:17:49,039

was hunting and uh you know he witnessed

513

00:17:53,590 --> 00:17:51,280

it and as he noticed it

514

00:17:54,789 --> 00:17:53,600

it noticed it knew it noticed it

515

00:17:56,310 --> 00:17:54,799

observed him

516

00:17:59,190 --> 00:17:56,320

and it tried to hide and when it

517

00:18:01,590 --> 00:17:59,200

realized it couldn't get out of his

518

00:18:02,549 --> 00:18:01,600

uh out of his field of vision or you

519

00:18:05,190 --> 00:18:02,559

know hide itself

520

00:18:07,669 --> 00:18:05,200

it got very agitated and through its

521

00:18:10,470 --> 00:18:07,679

activity of being agitated it frightened

522

00:18:12,470 --> 00:18:10,480

the witness and he ran off

523

00:18:13,990 --> 00:18:12,480

so i mean this was something that you

524

00:18:15,750 --> 00:18:14,000

know we always say it's a master of

525

00:18:17,029 --> 00:18:15,760

camouflage or a master of you know

526

00:18:19,510 --> 00:18:17,039

escape and

527

00:18:21,669 --> 00:18:19,520

uh you know that made me wonder maybe

528

00:18:23,430 --> 00:18:21,679

it's not a master of escape maybe it is

529

00:18:25,110 --> 00:18:23,440

just that damn good of hiding itself

530

00:18:27,430 --> 00:18:25,120

into its surroundings

531

00:18:28,710 --> 00:18:27,440

and it got caught in that instance and

532

00:18:30,630 --> 00:18:28,720

it made itself

533

00:18:32,789 --> 00:18:30,640

known that it uh to the witness that it

534

00:18:33,990 --> 00:18:32,799

was not happy about it

535

00:18:34,950 --> 00:18:34,000

and that's something i could really

536

00:18:36,230 --> 00:18:34,960

that's something i could definitely

537

00:18:37,110 --> 00:18:36,240

attest to just like throughout my

538

00:18:38,630 --> 00:18:37,120

throughout my time

539

00:18:40,230 --> 00:18:38,640

hiking and things like that or just you

540

00:18:42,870 --> 00:18:40,240

know looking at pictures of

541

00:18:44,549 --> 00:18:42,880

um wooded areas animals blending in

542

00:18:45,990 --> 00:18:44,559

because it's like when you're out

543

00:18:47,669 --> 00:18:46,000

whether you're driving through a wooded

544

00:18:50,310 --> 00:18:47,679

area hiking camping

545

00:18:51,590 --> 00:18:50,320

let's be real 99 of the time when you're

546

00:18:52,390 --> 00:18:51,600

walking you're looking straight you know

547

00:18:54,310 --> 00:18:52,400

you're looking

548

00:18:55,990 --> 00:18:54,320

straight ahead you're staying on the

549

00:18:57,590 --> 00:18:56,000

trails and like those trails

550

00:18:59,190 --> 00:18:57,600

you know like a bald eagle state forest

551
00:19:01,110 --> 00:18:59,200
for example like yeah they have like

552
00:19:01,590 --> 00:19:01,120
several miles of trails and roads here

553
00:19:03,990 --> 00:19:01,600
but

554
00:19:05,270 --> 00:19:04,000
they probably only cover maybe five to

555
00:19:08,630 --> 00:19:05,280
ten percent

556
00:19:11,190 --> 00:19:08,640
of the um just you know all the uh

557
00:19:13,909 --> 00:19:11,200
terrain here so that leaves 90 to 95 of

558
00:19:16,710 --> 00:19:13,919
just undeveloped uncharted forest that

559
00:19:18,310 --> 00:19:16,720
you know out of 365 days a person you

560
00:19:19,990 --> 00:19:18,320
know at any given time a person probably

561
00:19:22,310 --> 00:19:20,000
walks through it maybe

562
00:19:24,070 --> 00:19:22,320
five you know maybe five to ten one to

563
00:19:25,830 --> 00:19:24,080

two percent

564

00:19:26,870 --> 00:19:25,840

out of those days but um you know you're

565

00:19:27,990 --> 00:19:26,880

walking you know like you're walking

566

00:19:29,190 --> 00:19:28,000

through the woods you know you're

567

00:19:31,190 --> 00:19:29,200

looking straight ahead you're not really

568

00:19:33,510 --> 00:19:31,200

mindful of your

569

00:19:34,470 --> 00:19:33,520

um i mean i don't want to say that

570

00:19:35,830 --> 00:19:34,480

you're mindful but you know you're not

571

00:19:37,350 --> 00:19:35,840

really as like in tune to your

572

00:19:39,270 --> 00:19:37,360

surroundings as

573

00:19:40,710 --> 00:19:39,280

you know you might you might want to be

574

00:19:42,390 --> 00:19:40,720

when you're trying you know when you're

575

00:19:46,150 --> 00:19:42,400

trying to uh

576
00:19:49,270 --> 00:19:46,160
to uh look for this stuff

577
00:19:49,669 --> 00:19:49,280
you know well you know you know i i one

578
00:19:51,590 --> 00:19:49,679
thing

579
00:19:52,870 --> 00:19:51,600
i was just stan has told me more

580
00:19:56,310 --> 00:19:52,880
recently than not

581
00:19:59,510 --> 00:19:56,320
is um a lot of the reports he has gotten

582
00:20:04,230 --> 00:19:59,520
over recent years is that when these

583
00:20:06,789 --> 00:20:04,240
bigfoot are seen and they realize that

584
00:20:07,990 --> 00:20:06,799
you're looking at them they act very

585
00:20:11,350 --> 00:20:08,000
surprised

586
00:20:15,029 --> 00:20:11,360
now i don't know why that is

587
00:20:17,909 --> 00:20:15,039
uh but like shawn said they try to

588
00:20:19,270 --> 00:20:17,919

either get out your vision or move off

589

00:20:22,230 --> 00:20:19,280

quickly

590

00:20:22,870 --> 00:20:22,240

but i have had witnesses tell me they

591

00:20:25,669 --> 00:20:22,880

have seen

592

00:20:26,070 --> 00:20:25,679

facial expressions on this thing that

593

00:20:29,430 --> 00:20:26,080

they

594

00:20:32,390 --> 00:20:29,440

it it showed that it was surprised that

595

00:20:36,310 --> 00:20:35,430

so i don't know where that falls into it

596

00:20:38,789 --> 00:20:36,320

you know it's also

597

00:20:41,110 --> 00:20:38,799

i mean a lot of the times when people

598

00:20:43,110 --> 00:20:41,120

will make a report of a bigfoot and

599

00:20:43,669 --> 00:20:43,120

maybe a day or two later an investigator

600

00:20:45,669 --> 00:20:43,679

will go

601
00:20:48,310 --> 00:20:45,679
out there and then there's other

602
00:20:51,669 --> 00:20:48,320
activity going on at the same time orb

603
00:20:54,549 --> 00:20:51,679
activity uh you know paranormal activity

604
00:20:56,789 --> 00:20:54,559
something other than

605
00:20:57,590 --> 00:20:56,799
just some type of bigfoot running around

606
00:20:59,830 --> 00:20:57,600
you know

607
00:21:02,950 --> 00:20:59,840
or any other type of evidence i mean is

608
00:21:05,510 --> 00:21:02,960
that connected to it you know

609
00:21:07,110 --> 00:21:05,520
go ahead uh i have to tell you you need

610
00:21:09,990 --> 00:21:07,120
to get a hold of todd nice

611
00:21:11,909 --> 00:21:10,000
and talk to todd about some interesting

612
00:21:13,990 --> 00:21:11,919
things he's found under the microscope

613
00:21:14,789 --> 00:21:14,000

with some hair samples regarding these

614

00:21:16,310 --> 00:21:14,799

uh

615

00:21:17,909 --> 00:21:16,320

you know potential sasquatch hair

616

00:21:19,590 --> 00:21:17,919

samples you know how we've heard reports

617

00:21:21,750 --> 00:21:19,600

over the years of the shimmering man or

618

00:21:23,830 --> 00:21:21,760

that shimmering kind of predator effect

619

00:21:25,110 --> 00:21:23,840

yeah well he's found some interesting

620

00:21:27,990 --> 00:21:25,120

structures

621

00:21:29,270 --> 00:21:28,000

in these hair samples that kind of

622

00:21:32,310 --> 00:21:29,280

reflects the light

623

00:21:33,750 --> 00:21:32,320

almost uh through the natural hair

624

00:21:35,350 --> 00:21:33,760

samples that he's collecting almost like

625

00:21:38,470 --> 00:21:35,360

an undercoat

626

00:21:40,710 --> 00:21:38,480

uh on this creature and that kind of

627

00:21:42,870 --> 00:21:40,720

you know has really illuminated my you

628

00:21:44,950 --> 00:21:42,880

know my thought process on you know

629

00:21:46,950 --> 00:21:44,960

going back to these reports of you know

630

00:21:49,190 --> 00:21:46,960

people attribute a paranormal element to

631

00:21:51,110 --> 00:21:49,200

this thing and you know you can't

632

00:21:53,350 --> 00:21:51,120

espouse that right but what you can

633

00:21:55,350 --> 00:21:53,360

think is if todd's got some of these

634

00:21:56,310 --> 00:21:55,360

samples and they can do exactly that

635

00:21:58,149 --> 00:21:56,320

effect

636

00:22:00,230 --> 00:21:58,159

you know perhaps now we actually have

637

00:22:02,149 --> 00:22:00,240

some biological proof

638

00:22:03,750 --> 00:22:02,159

of something that's just a natural

639

00:22:07,110 --> 00:22:03,760

built-in uh

640

00:22:09,190 --> 00:22:07,120

capability and nothing you know

641

00:22:11,270 --> 00:22:09,200

supernatural or you know predator

642

00:22:12,390 --> 00:22:11,280

natural about it it just happens to be a

643

00:22:16,070 --> 00:22:12,400

natural

644

00:22:17,750 --> 00:22:16,080

kind of uh uh you know ability

645

00:22:19,110 --> 00:22:17,760

you know that's just been into itself

646

00:22:20,630 --> 00:22:19,120

you know if it's got a high and it's got

647

00:22:22,390 --> 00:22:20,640

to camouflage itself you know through

648

00:22:25,510 --> 00:22:22,400

that adaptation has its

649

00:22:28,070 --> 00:22:25,520

hair actually made itself uh

650

00:22:29,669 --> 00:22:28,080

you know more of an ally than a uh

651

00:22:31,270 --> 00:22:29,679

what's what i'm looking for than a

652

00:22:33,190 --> 00:22:31,280

threat to itself it's pretty interesting

653

00:22:34,710 --> 00:22:33,200

you got to talk to him about that though

654

00:22:36,630 --> 00:22:34,720

we just talked about this a couple weeks

655

00:22:38,830 --> 00:22:36,640

ago about a year and a half ago and he

656

00:22:42,470 --> 00:22:38,840

mentioned something about that

657

00:22:44,310 --> 00:22:42,480

daddy it's almost like that these things

658

00:22:45,590 --> 00:22:44,320

may possibly have some type of natural

659

00:22:49,190 --> 00:22:45,600

cloaking

660

00:22:52,230 --> 00:22:49,200

uh involved with them uh you know and i

661

00:22:54,149 --> 00:22:52,240

i you know i i find it fascinating

662

00:22:55,590 --> 00:22:54,159

through its natural fur no less how

663

00:22:57,190 --> 00:22:55,600

about that

664

00:22:58,789 --> 00:22:57,200

yeah that's that's kind of the cam

665

00:23:00,230 --> 00:22:58,799

that's kind of kind of the camp i'm in

666

00:23:01,990 --> 00:23:00,240

i'm in through all this you know like if

667

00:23:03,270 --> 00:23:02,000

if this thing isn't fat if this thing is

668

00:23:05,909 --> 00:23:03,280

in fact out there

669

00:23:06,390 --> 00:23:05,919

i strongly and sincerely believe it's of

670

00:23:08,310 --> 00:23:06,400

you know

671

00:23:10,789 --> 00:23:08,320

flesh flesh for blood or flesh and blood

672

00:23:12,710 --> 00:23:10,799

origin um a lot of the supernatural

673

00:23:14,710 --> 00:23:12,720

attributes that people talk about like

674

00:23:16,470 --> 00:23:14,720

you know you know like people say like

675

00:23:17,270 --> 00:23:16,480

they look at it and just um you know

676
00:23:19,430 --> 00:23:17,280
quote

677
00:23:20,470 --> 00:23:19,440
disrepeat you know quota disappears

678
00:23:22,149 --> 00:23:20,480
things like that

679
00:23:24,070 --> 00:23:22,159
you have to really in my opinion you

680
00:23:26,230 --> 00:23:24,080
have to like put those situations into

681
00:23:28,470 --> 00:23:26,240
consideration and really try to

682
00:23:29,990 --> 00:23:28,480
break it down um you know first off most

683
00:23:31,750 --> 00:23:30,000
of these sites you know most of these uh

684
00:23:33,190 --> 00:23:31,760
alleged sightings supposedly only happen

685
00:23:34,549 --> 00:23:33,200
for more than a few seconds

686
00:23:36,230 --> 00:23:34,559
when you see something you know like

687
00:23:37,590 --> 00:23:36,240
when you see something like that

688
00:23:40,710 --> 00:23:37,600

you know it's something you've never

689

00:23:42,310 --> 00:23:40,720

seen before so your brain kind of

690

00:23:43,990 --> 00:23:42,320

your brain kind of like not short

691

00:23:45,590 --> 00:23:44,000

circuits but like freezes freezes for a

692

00:23:47,110 --> 00:23:45,600

split second kind of like processes that

693

00:23:47,990 --> 00:23:47,120

like this is something that you've nev

694

00:23:51,510 --> 00:23:48,000

you know

695

00:23:51,909 --> 00:23:51,520

you like you kind of go through like

696

00:23:54,470 --> 00:23:51,919

those

697

00:23:56,630 --> 00:23:54,480

split seconds of just like you know just

698

00:23:58,149 --> 00:23:56,640

disbelief you have all those emotions

699

00:23:59,750 --> 00:23:58,159

all those emotions running through you

700

00:24:00,390 --> 00:23:59,760

and then i think what happens is you

701
00:24:03,590 --> 00:24:00,400
know

702
00:24:04,870 --> 00:24:03,600
they quote disappear or just like you

703
00:24:05,669 --> 00:24:04,880
know disappear behind like a tree or

704
00:24:07,110 --> 00:24:05,679
something like that

705
00:24:08,549 --> 00:24:07,120
i really think most of the time they're

706
00:24:10,470 --> 00:24:08,559
just walking away and obscuring

707
00:24:13,669 --> 00:24:10,480
themselves into the background

708
00:24:14,630 --> 00:24:13,679
and um you know when a highly traumatic

709
00:24:16,870 --> 00:24:14,640
event happen you know

710
00:24:18,870 --> 00:24:16,880
like that happens um you know the the uh

711
00:24:21,110 --> 00:24:18,880
the brain

712
00:24:22,470 --> 00:24:21,120
blacks out certain instances and you

713
00:24:24,789 --> 00:24:22,480

know it kind of like

714

00:24:26,390 --> 00:24:24,799

fills in those you know blank spots on

715

00:24:26,870 --> 00:24:26,400

itself like i know i think the term for

716

00:24:29,669 --> 00:24:26,880

its um

717

00:24:30,549 --> 00:24:29,679

cognitive distortion so the question i

718

00:24:33,909 --> 00:24:30,559

have for you guys is

719

00:24:35,510 --> 00:24:33,919

how much do you think instances of uh

720

00:24:37,029 --> 00:24:35,520

you know like cognitive distortion and

721

00:24:38,950 --> 00:24:37,039

you know things like that really factor

722

00:24:41,029 --> 00:24:38,960

into these claims that people

723

00:24:42,230 --> 00:24:41,039

are saying you know that people using to

724

00:24:44,470 --> 00:24:42,240

say these things might have some

725

00:24:46,310 --> 00:24:44,480

supernatural elements to them

726

00:24:48,149 --> 00:24:46,320

yeah i mean i i think it's you know a

727

00:24:49,750 --> 00:24:48,159

possibility that happens and i think now

728

00:24:51,029 --> 00:24:49,760

that we take what you know todd was

729

00:24:53,750 --> 00:24:51,039

telling us

730

00:24:55,350 --> 00:24:53,760

you know even in an instance if it is a

731

00:24:57,029 --> 00:24:55,360

biological adaptation

732

00:24:58,470 --> 00:24:57,039

to the point it still is paranormal

733

00:25:00,470 --> 00:24:58,480

right paranormal doesn't have to be

734

00:25:01,750 --> 00:25:00,480

ghost demon or anything strange

735

00:25:03,830 --> 00:25:01,760

it just has to be something that's you

736

00:25:05,590 --> 00:25:03,840

know above the norm right this would

737

00:25:07,590 --> 00:25:05,600

definitely fall into that category but

738

00:25:08,470 --> 00:25:07,600

it would be a biological paranormal

739

00:25:10,470 --> 00:25:08,480

design

740

00:25:12,830 --> 00:25:10,480

not some sort of spiritual or you know

741

00:25:14,870 --> 00:25:12,840

ethereal case and

742

00:25:16,070 --> 00:25:14,880

uh kind of alluding to yeah yeah and you

743

00:25:18,710 --> 00:25:16,080

talk about the cognitive

744

00:25:20,310 --> 00:25:18,720

you know dissonance to it like you know

745

00:25:21,110 --> 00:25:20,320

i think one of the things too the human

746

00:25:22,630 --> 00:25:21,120

mind

747

00:25:24,310 --> 00:25:22,640

automatically we see something like that

748

00:25:25,190 --> 00:25:24,320

we try to make it comfortable to the

749

00:25:28,310 --> 00:25:25,200

mindset

750

00:25:29,830 --> 00:25:28,320

so we start making it more like us and i

751
00:25:31,110 --> 00:25:29,840
think that's one of the things that you

752
00:25:32,870 --> 00:25:31,120
know i think lon would think

753
00:25:34,630 --> 00:25:32,880
you want juan would agree with me on is

754
00:25:36,630 --> 00:25:34,640
for the longest time i've always thought

755
00:25:37,269 --> 00:25:36,640
that these things have been made more

756
00:25:39,909 --> 00:25:37,279
human

757
00:25:41,350 --> 00:25:39,919
because it's something we've been as a

758
00:25:43,350 --> 00:25:41,360
people more

759
00:25:44,549 --> 00:25:43,360
comfortable with doesn't necessarily

760
00:25:45,990 --> 00:25:44,559
have to be the case

761
00:25:47,110 --> 00:25:46,000
that's just something we've made

762
00:25:49,590 --> 00:25:47,120
ourselves comfortable with because

763
00:25:51,669 --> 00:25:49,600

mentally we can handle it a lot easier

764

00:25:53,350 --> 00:25:51,679

right but that does not mean that that's

765

00:25:55,510 --> 00:25:53,360

what it is and

766

00:25:56,630 --> 00:25:55,520

there's some really strange things that

767

00:25:59,029 --> 00:25:56,640

we could get into

768

00:26:00,789 --> 00:25:59,039

mike and i think it's worth exploring

769

00:26:03,430 --> 00:26:00,799

the our own mind

770

00:26:05,269 --> 00:26:03,440

uh and our you know preconceived notions

771

00:26:06,710 --> 00:26:05,279

going into

772

00:26:08,630 --> 00:26:06,720

you know what you know the bigfoot

773

00:26:10,070 --> 00:26:08,640

research and what we come away with you

774

00:26:12,390 --> 00:26:10,080

know what is the psychological

775

00:26:14,070 --> 00:26:12,400

response to the body there's definitely

776

00:26:17,190 --> 00:26:14,080

a lot more research that can be done

777

00:26:19,190 --> 00:26:17,200

on the human end and and crypto crypto

778

00:26:20,470 --> 00:26:19,200

research than just looking for this this

779

00:26:21,830 --> 00:26:20,480

being like how do we deal with the

780

00:26:23,909 --> 00:26:21,840

witness after

781

00:26:25,029 --> 00:26:23,919

and you know how does the mind really

782

00:26:27,669 --> 00:26:25,039

handle

783

00:26:29,590 --> 00:26:27,679

the the trauma associated with it

784

00:26:30,870 --> 00:26:29,600

because it is traumatic i mean

785

00:26:32,149 --> 00:26:30,880

let's be honest with it right these

786

00:26:32,950 --> 00:26:32,159

things aren't supposed to exist and all

787

00:26:36,230 --> 00:26:32,960

of a sudden

788

00:26:37,269 --> 00:26:36,240

bam right in your face uh you've just

789

00:26:39,590 --> 00:26:37,279

seen you know

790

00:26:40,870 --> 00:26:39,600

a monster and they're not supposed to

791

00:26:42,149 --> 00:26:40,880

exist right

792

00:26:44,070 --> 00:26:42,159

yeah and that's one that's actually one

793

00:26:45,590 --> 00:26:44,080

of the things that i'm going going out

794

00:26:47,590 --> 00:26:45,600

going out this year this spring summer

795

00:26:48,710 --> 00:26:47,600

fall it's um you know we're kind of

796

00:26:50,230 --> 00:26:48,720

going to go we're kind of going to do a

797

00:26:51,430 --> 00:26:50,240

bit of like a paradigm shift now we're

798

00:26:52,870 --> 00:26:51,440

out in the field

799

00:26:54,149 --> 00:26:52,880

um last year you know we did the

800

00:26:55,590 --> 00:26:54,159

quintessential you know we had like a

801
00:26:56,470 --> 00:26:55,600
quintessential rudimentary setup

802
00:26:57,909 --> 00:26:56,480
whenever we go

803
00:27:00,470 --> 00:26:57,919
we just went out did it with all the

804
00:27:01,830 --> 00:27:00,480
other you know do what most other

805
00:27:04,390 --> 00:27:01,840
research teams do you know go out in the

806
00:27:06,549 --> 00:27:04,400
woods make some noise you know do some

807
00:27:07,750 --> 00:27:06,559
general research uh this year we're out

808
00:27:09,510 --> 00:27:07,760
when we go out in the field we're gonna

809
00:27:11,029 --> 00:27:09,520
be focusing a lot more on the uh

810
00:27:12,549 --> 00:27:11,039
scientific aspects of it

811
00:27:14,549 --> 00:27:12,559
you know um really break down this

812
00:27:15,510 --> 00:27:14,559
phenomena like segment by segment you

813
00:27:17,510 --> 00:27:15,520

know

814

00:27:19,510 --> 00:27:17,520

focus solely on things like wood knocks

815

00:27:21,029 --> 00:27:19,520

the role of audio the role of video you

816

00:27:23,110 --> 00:27:21,039

know the psychological

817

00:27:24,950 --> 00:27:23,120

aspects that we've been talking about so

818

00:27:27,110 --> 00:27:24,960

we're really hoping that um by

819

00:27:28,789 --> 00:27:27,120

focusing on those kind you know like by

820

00:27:29,510 --> 00:27:28,799

focusing on those components researching

821

00:27:31,269 --> 00:27:29,520

them

822

00:27:32,950 --> 00:27:31,279

and the stuff we learned apply it when

823

00:27:34,389 --> 00:27:32,960

we're out in the field we really hope it

824

00:27:35,990 --> 00:27:34,399

could yield some um

825

00:27:37,110 --> 00:27:36,000

different results if we take that if we

826

00:27:38,230 --> 00:27:37,120

take that unique approach so we're

827

00:27:38,950 --> 00:27:38,240

really looking forward to drawing that

828

00:27:41,669 --> 00:27:38,960

this year

829

00:27:43,909 --> 00:27:41,679

yeah just document everything everything

830

00:27:45,669 --> 00:27:43,919

that seems silly right like

831

00:27:47,909 --> 00:27:45,679

i think if i could go back and do things

832

00:27:49,510 --> 00:27:47,919

a lot differently than what we used to

833

00:27:49,909 --> 00:27:49,520

you know one of the things we even tried

834

00:27:52,470 --> 00:27:49,919

mike

835

00:27:53,190 --> 00:27:52,480

was and it was kind of mean-spirited but

836

00:27:57,590 --> 00:27:53,200

you know

837

00:28:00,549 --> 00:27:57,600

not contaminating

838

00:28:01,190 --> 00:28:00,559

things yourself right so we were trying

839

00:28:02,630 --> 00:28:01,200

to

840

00:28:03,990 --> 00:28:02,640

and it's kind of mean now that i think

841

00:28:06,149 --> 00:28:04,000

about it with some of the new members

842

00:28:08,149 --> 00:28:06,159

our team kind of creating the scenarios

843

00:28:09,669 --> 00:28:08,159

and making it up as it we went along and

844

00:28:11,110 --> 00:28:09,679

seeing it the power suggestion and

845

00:28:11,990 --> 00:28:11,120

influence was a lot greater than we

846

00:28:15,190 --> 00:28:12,000

thought

847

00:28:18,070 --> 00:28:15,200

and because you know we wanted to see

848

00:28:19,590 --> 00:28:18,080

how people would uh you know react and

849

00:28:21,590 --> 00:28:19,600

if they could draw their own conclusions

850

00:28:22,470 --> 00:28:21,600

and be bold enough to you know state

851
00:28:24,230 --> 00:28:22,480
their own

852
00:28:25,669 --> 00:28:24,240
opinions and facts and see if they could

853
00:28:28,310 --> 00:28:25,679
be contradictory

854
00:28:30,630 --> 00:28:28,320
most often times they wouldn't so uh my

855
00:28:32,630 --> 00:28:30,640
i could say the baker won hey

856
00:28:34,549 --> 00:28:32,640
did you see that over did you hear that

857
00:28:36,070 --> 00:28:34,559
and baker go yeah yeah i heard that and

858
00:28:36,870 --> 00:28:36,080
you know we both know damn well he

859
00:28:38,230 --> 00:28:36,880
didn't

860
00:28:39,909 --> 00:28:38,240
and then all of a sudden you got all the

861
00:28:41,590 --> 00:28:39,919
other members of the team doing it right

862
00:28:43,110 --> 00:28:41,600
now you have to start

863
00:28:44,789 --> 00:28:43,120

going and coaching and training your

864

00:28:46,549 --> 00:28:44,799

team that uh

865

00:28:47,830 --> 00:28:46,559

you know that power of per you know that

866

00:28:50,149 --> 00:28:47,840

power of suggestion

867

00:28:51,269 --> 00:28:50,159

is so strong that you have to be very

868

00:28:53,990 --> 00:28:51,279

careful

869

00:28:55,830 --> 00:28:54,000

with uh even the things you say and do

870

00:28:57,110 --> 00:28:55,840

uh out in the field with your teams

871

00:28:58,549 --> 00:28:57,120

because now all of a sudden you've got

872

00:29:01,110 --> 00:28:58,559

contaminated data

873

00:29:02,470 --> 00:29:01,120

right and then it's no good so sometimes

874

00:29:05,190 --> 00:29:02,480

it's a little mean to

875

00:29:08,230 --> 00:29:05,200

a little mean-spirited but you got to do

876

00:29:11,669 --> 00:29:08,240

it sometimes how long

877

00:29:16,070 --> 00:29:14,310

i i i guess when you get familiar people

878

00:29:17,269 --> 00:29:16,080

you kind of do a lot of crazy stuff but

879

00:29:18,630 --> 00:29:17,279

anyway i

880

00:29:20,710 --> 00:29:18,640

you know we had a good we have a

881

00:29:23,430 --> 00:29:20,720

question here um

882

00:29:25,590 --> 00:29:23,440

uh why do you think sasquatch is the

883

00:29:29,590 --> 00:29:25,600

most common encrypted setting

884

00:29:31,510 --> 00:29:29,600

more of them because they are

885

00:29:32,950 --> 00:29:31,520

only physical creatures and other

886

00:29:34,789 --> 00:29:32,960

reasons

887

00:29:37,350 --> 00:29:34,799

i don't know i i guess maybe i guess

888

00:29:38,389 --> 00:29:37,360

maybe it's just something we're familiar

889

00:29:40,789 --> 00:29:38,399

with

890

00:29:42,870 --> 00:29:40,799

and i don't know if these upright cane i

891

00:29:45,430 --> 00:29:42,880

never seen an upright canine but

892

00:29:46,789 --> 00:29:45,440

you know the descriptions are somewhat

893

00:29:47,909 --> 00:29:46,799

different than what you would get with a

894

00:29:50,630 --> 00:29:47,919

bigfoot

895

00:29:52,630 --> 00:29:50,640

yeah uh you know but then when you talk

896

00:29:55,190 --> 00:29:52,640

about wing humanoids and other

897

00:29:56,549 --> 00:29:55,200

kind of crazy stuff that's you know out

898

00:30:00,549 --> 00:29:56,559

there

899

00:30:03,269 --> 00:30:00,559

it just seems that more people are

900

00:30:04,470 --> 00:30:03,279

resonant to seeing a bigfoot as opposed

901
00:30:05,990 --> 00:30:04,480
to anything else i don't know what you

902
00:30:07,750 --> 00:30:06,000
guys think about that

903
00:30:09,750 --> 00:30:07,760
no i agree with you i think it's because

904
00:30:11,990 --> 00:30:09,760
it's the most

905
00:30:13,750 --> 00:30:12,000
common but i don't know i think it's the

906
00:30:15,029 --> 00:30:13,760
most reported because they're the most

907
00:30:17,190 --> 00:30:15,039
people looking for it

908
00:30:19,669 --> 00:30:17,200
well that's true you know and i think if

909
00:30:22,870 --> 00:30:19,679
you were if we went back to

910
00:30:24,470 --> 00:30:22,880
the you know 1960s and roger patterson

911
00:30:26,389 --> 00:30:24,480
filmed a unicorn

912
00:30:28,310 --> 00:30:26,399
you know we'd be all out there looking

913
00:30:28,549 --> 00:30:28,320

for unicorns and unicorns would be more

914

00:30:30,470 --> 00:30:28,559

so

915

00:30:31,830 --> 00:30:30,480

you know popular than bigfoot right it

916

00:30:34,070 --> 00:30:31,840

just happens to be

917

00:30:35,510 --> 00:30:34,080

then there are more people actively out

918

00:30:37,110 --> 00:30:35,520

seeking it so of course you're going to

919

00:30:38,950 --> 00:30:37,120

get more reports

920

00:30:40,310 --> 00:30:38,960

uh of it but i guess it depends where

921

00:30:41,110 --> 00:30:40,320

you live there's been a decent amount of

922

00:30:43,909 --> 00:30:41,120

sightings of the

923

00:30:46,230 --> 00:30:43,919

you know lake champlain monster right

924

00:30:48,149 --> 00:30:46,240

there's been all kinds of reports of uh

925

00:30:49,350 --> 00:30:48,159

the upright canine cryptids that are

926
00:30:51,350 --> 00:30:49,360
going on

927
00:30:53,029 --> 00:30:51,360
moth man you know and here you go with

928
00:30:55,110 --> 00:30:53,039
uh you know

929
00:30:56,630 --> 00:30:55,120
the uh chicago mothman or whatever the

930
00:30:58,470 --> 00:30:56,640
chicago fan i'm like whatev

931
00:30:59,830 --> 00:30:58,480
everybody's named that thing on its own

932
00:31:01,669 --> 00:30:59,840
like i mean i just haven't

933
00:31:03,990 --> 00:31:01,679
you know hear him off man now i mean

934
00:31:06,230 --> 00:31:04,000
yeah cornered

935
00:31:07,830 --> 00:31:06,240
so like its own name changes every week

936
00:31:09,350 --> 00:31:07,840
absolutely i told you american express

937
00:31:12,389 --> 00:31:09,360
is going to brand a credit card after

938
00:31:15,509 --> 00:31:12,399

yours i

939

00:31:16,870 --> 00:31:15,519

um you know of course now more recently

940

00:31:19,590 --> 00:31:16,880

though there have been sayings in the

941

00:31:21,509 --> 00:31:19,600

past are these grow humanoids

942

00:31:24,630 --> 00:31:21,519

uh you know that's something that's been

943

00:31:27,750 --> 00:31:24,640

popping up here in pennsylvania actually

944

00:31:28,389 --> 00:31:27,760

uh butch is working on a case now near

945

00:31:31,909 --> 00:31:28,399

him

946

00:31:32,950 --> 00:31:31,919

in uh oh god was that montgomery county

947

00:31:35,830 --> 00:31:32,960

berks county

948

00:31:37,029 --> 00:31:35,840

his area uh yeah cause he lives that way

949

00:31:39,830 --> 00:31:37,039

past reading

950

00:31:41,590 --> 00:31:39,840

and uh and it's something that we've

951
00:31:44,950 --> 00:31:41,600
been getting reports of nationwide

952
00:31:46,149 --> 00:31:44,960
actually just something else to put in

953
00:31:48,070 --> 00:31:46,159
the pile

954
00:31:49,750 --> 00:31:48,080
yeah and those humanoid sightings that

955
00:31:51,430 --> 00:31:49,760
you know have been journaled for how

956
00:31:52,710 --> 00:31:51,440
long and i can never why do i always get

957
00:31:54,549 --> 00:31:52,720
them confused with manuel it's not

958
00:31:55,509 --> 00:31:54,559
manwell that writes them but i always

959
00:31:57,590 --> 00:31:55,519
get it

960
00:31:59,909 --> 00:31:57,600
uh confused he's written the journal of

961
00:32:02,310 --> 00:31:59,919
uh a humanoid

962
00:32:03,830 --> 00:32:02,320
by alba rosalia's yeah albert yeah i

963
00:32:05,110 --> 00:32:03,840

always get i always want to say manuel

964

00:32:05,750 --> 00:32:05,120

but albert rosales you know he's

965

00:32:08,789 --> 00:32:05,760

compiled

966

00:32:10,470 --> 00:32:08,799

so many reports of these strange

967

00:32:10,789 --> 00:32:10,480

humanoids that we don't know what they

968

00:32:12,470 --> 00:32:10,799

are

969

00:32:14,310 --> 00:32:12,480

right and i'm sure if we go back to the

970

00:32:16,070 --> 00:32:14,320

archives even of your blog lawn

971

00:32:18,389 --> 00:32:16,080

there's a lot of cryptids that are out

972

00:32:19,830 --> 00:32:18,399

there but bigfoot happens to be the most

973

00:32:22,310 --> 00:32:19,840

popular you don't see people out there

974

00:32:25,590 --> 00:32:22,320

with tv shows like finding nessie or

975

00:32:27,430 --> 00:32:25,600

you know the the goblins or

976
00:32:29,029 --> 00:32:27,440
whatever is going on out there there are

977
00:32:31,669 --> 00:32:29,039
a lot more cryptids

978
00:32:34,870 --> 00:32:31,679
bigfoot's just the most popular is it

979
00:32:38,470 --> 00:32:34,880
the only physical one i don't think so

980
00:32:40,470 --> 00:32:38,480
yeah the way i look at that um

981
00:32:41,669 --> 00:32:40,480
one of the possible reasons why people

982
00:32:43,110 --> 00:32:41,679
you know like you know people see

983
00:32:44,630 --> 00:32:43,120
squatches pro above

984
00:32:47,029 --> 00:32:44,640
more than others in my opinion i

985
00:32:50,070 --> 00:32:47,039
probably think i i think it's

986
00:32:51,990 --> 00:32:50,080
simply put either one of the only you

987
00:32:55,110 --> 00:32:52,000
know either one of the only cryptids

988
00:32:55,990 --> 00:32:55,120

of this kind out there you know um i

989

00:32:57,430 --> 00:32:56,000

know i'm gonna get some some

990

00:32:59,590 --> 00:32:57,440

flak some of the flack of this from your

991

00:33:00,710 --> 00:32:59,600

listeners but i think you know you could

992

00:33:03,669 --> 00:33:00,720

chalk up

993

00:33:04,389 --> 00:33:03,679

a lot of a lot if not all of these dog

994

00:33:06,230 --> 00:33:04,399

man

995

00:33:08,549 --> 00:33:06,240

other weird humored sightings to you

996

00:33:10,789 --> 00:33:08,559

know fabrications or

997

00:33:11,830 --> 00:33:10,799

you know misidentifications maybe i

998

00:33:13,269 --> 00:33:11,840

haven't

999

00:33:14,950 --> 00:33:13,279

rece you know like i know i i clearly

1000

00:33:16,549 --> 00:33:14,960

don't know as much on topic or the

1001
00:33:17,190 --> 00:33:16,559
history of the sightings as you guys but

1002
00:33:18,950 --> 00:33:17,200
just

1003
00:33:21,269 --> 00:33:18,960
my opinion i guess the second thing too

1004
00:33:22,830 --> 00:33:21,279
is yeah like even though when people

1005
00:33:26,029 --> 00:33:22,840
have supposed you know

1006
00:33:28,070 --> 00:33:26,039
um hairy bipedal primate

1007
00:33:29,990 --> 00:33:28,080
encounters yeah there's a free you know

1008
00:33:32,710 --> 00:33:30,000
like there's a fear of ridicule but

1009
00:33:34,070 --> 00:33:32,720
let's be real though do you think if

1010
00:33:36,549 --> 00:33:34,080
what would you be more nervous about

1011
00:33:38,070 --> 00:33:36,559
getting ridiculed for reporting a

1012
00:33:39,990 --> 00:33:38,080
site about something like you know a

1013
00:33:41,190 --> 00:33:40,000

bigfoot which is a little more

1014

00:33:42,630 --> 00:33:41,200

a little more notarized or well

1015

00:33:44,149 --> 00:33:42,640

documented or something a little more

1016

00:33:45,990 --> 00:33:44,159

outlandish that you think you saw like a

1017

00:33:49,350 --> 00:33:46,000

dog man or something like that

1018

00:33:50,789 --> 00:33:49,360

yeah and that's where we are right you

1019

00:33:52,549 --> 00:33:50,799

tell somebody you saw bigfoot

1020

00:33:53,990 --> 00:33:52,559

now even though you're going to get the

1021

00:33:55,509 --> 00:33:54,000

ridicule you're going to get a hell of a

1022

00:33:57,909 --> 00:33:55,519

lot less ridicule than you say you know

1023

00:34:00,950 --> 00:33:57,919

i saw a flying purple people eater

1024

00:34:01,509 --> 00:34:00,960

out there on main street you know it all

1025

00:34:02,789 --> 00:34:01,519

depends

1026

00:34:04,230 --> 00:34:02,799

the more outlandish it is the more

1027

00:34:05,269 --> 00:34:04,240

ridicule you're going to get right

1028

00:34:06,950 --> 00:34:05,279

bigfoot's not

1029

00:34:09,829 --> 00:34:06,960

that outlandish to people anymore and i

1030

00:34:11,589 --> 00:34:09,839

think the the growing growing number of

1031

00:34:13,589 --> 00:34:11,599

the populace is becoming more and more

1032

00:34:15,030 --> 00:34:13,599

accepted that it's a potentiality than

1033

00:34:17,190 --> 00:34:15,040

it is a myth

1034

00:34:18,230 --> 00:34:17,200

yeah i think that's true because i get

1035

00:34:21,030 --> 00:34:18,240

much less traffic

1036

00:34:22,310 --> 00:34:21,040

for bigfoot sightings that i post than i

1037

00:34:25,909 --> 00:34:22,320

do anything else

1038

00:34:29,829 --> 00:34:25,919

and the more the newer the more unusual

1039

00:34:31,349 --> 00:34:29,839

uh black eyed kid just creepypastas of

1040

00:34:34,710 --> 00:34:31,359

like slenderman

1041

00:34:36,869 --> 00:34:34,720

goat man all kinds of other crazy stuff

1042

00:34:39,349 --> 00:34:36,879

uh i'm not saying that some of this

1043

00:34:41,589 --> 00:34:39,359

stuff isn't true

1044

00:34:43,829 --> 00:34:41,599

but that's what people want to read and

1045

00:34:45,589 --> 00:34:43,839

uh you know i can't just put stuff up

1046

00:34:48,310 --> 00:34:45,599

there because people want to read it

1047

00:34:48,869 --> 00:34:48,320

yeah and you make a good point yeah

1048

00:34:52,310 --> 00:34:48,879

because

1049

00:34:55,589 --> 00:34:52,320

kids you know my kids age you know from

1050

00:34:57,510 --> 00:34:55,599

18 to 15. you know my two older kids

1051

00:34:59,990 --> 00:34:57,520

they're uh far more interested in the

1052

00:35:01,670 --> 00:35:00,000

creepypasta's lawn than they are

1053

00:35:03,589 --> 00:35:01,680

you know it's it's a lot more

1054

00:35:05,190 --> 00:35:03,599

interesting and entertaining right then

1055

00:35:06,550 --> 00:35:05,200

you have the old man's out looking for

1056

00:35:09,750 --> 00:35:06,560

bigfoot well dad does it it can't be

1057

00:35:18,550 --> 00:35:13,030

but slenderman all of a sudden hell yeah

1058

00:35:22,790 --> 00:35:20,790

yeah i'm sorry i first heard slenderman

1059

00:35:23,829 --> 00:35:22,800

when i was 18 years old

1060

00:35:25,829 --> 00:35:23,839

it was kind of like you know when it

1061

00:35:26,230 --> 00:35:25,839

first came out 2008 i remember that

1062

00:35:29,589 --> 00:35:26,240

first

1063

00:35:31,670 --> 00:35:29,599

night i was home alone

1064

00:35:32,950 --> 00:35:31,680

not only did i leave all the lights on

1065

00:35:36,710 --> 00:35:32,960

in my house

1066

00:35:39,190 --> 00:35:36,720

but i was too afraid to um

1067

00:35:40,230 --> 00:35:39,200

venture out of my bedroom 18 years old

1068

00:35:42,550 --> 00:35:40,240

that's how i forget afraid

1069

00:35:44,230 --> 00:35:42,560

that's how freaking afraid i was i

1070

00:35:46,870 --> 00:35:44,240

wouldn't you know i had all my shades

1071

00:35:47,670 --> 00:35:46,880

all my bed but my window shades down

1072

00:35:49,349 --> 00:35:47,680

like i'll

1073

00:35:51,109 --> 00:35:49,359

slenderman was probably you know you

1074

00:35:52,710 --> 00:35:51,119

know just like from like you know a

1075

00:35:53,990 --> 00:35:52,720

relations standpoint you know from which

1076

00:35:55,670 --> 00:35:54,000

one was saying

1077

00:35:57,910 --> 00:35:55,680

um i remember that was like probably one

1078

00:35:58,550 --> 00:35:57,920

of the last things that really like

1079

00:36:02,470 --> 00:35:58,560

scare

1080

00:36:05,510 --> 00:36:02,480

time i remember

1081

00:36:05,910 --> 00:36:05,520

well you know these memes you know i

1082

00:36:08,470 --> 00:36:05,920

mean

1083

00:36:10,230 --> 00:36:08,480

pastor robin you know he wrote that book

1084

00:36:12,069 --> 00:36:10,240

about slender man

1085

00:36:13,990 --> 00:36:12,079

and he and i have talked i've talked

1086

00:36:15,829 --> 00:36:14,000

about that a lot

1087

00:36:17,910 --> 00:36:15,839

i i think a lot of those sayings just

1088

00:36:21,109 --> 00:36:17,920

because of the internet meme

1089

00:36:22,710 --> 00:36:21,119

caused a lot of thought form absolutely

1090

00:36:24,710 --> 00:36:22,720

manifestations and you know these

1091

00:36:26,550 --> 00:36:24,720

thought form manifestations are

1092

00:36:28,550 --> 00:36:26,560

or something that are real i mean that

1093

00:36:31,990 --> 00:36:28,560

is a real phenomena

1094

00:36:34,150 --> 00:36:32,000

and uh the unfortunate part of it is

1095

00:36:36,790 --> 00:36:34,160

when it does happen

1096

00:36:38,550 --> 00:36:36,800

uh people believe it's a real being and

1097

00:36:41,190 --> 00:36:38,560

um

1098

00:36:42,870 --> 00:36:41,200

you know the more diabolical phenomena

1099

00:36:44,710 --> 00:36:42,880

that i personally did not like and you

1100

00:36:45,670 --> 00:36:44,720

know this for a fact lon was the phantom

1101
00:36:48,630 --> 00:36:45,680
clowns

1102
00:36:50,870 --> 00:36:48,640
i was not a fan of that we were running

1103
00:36:52,470 --> 00:36:50,880
psas about people getting

1104
00:36:54,950 --> 00:36:52,480
killed because they were going to go out

1105
00:36:56,630 --> 00:36:54,960
and do this dress up as a clown and

1106
00:36:58,710 --> 00:36:56,640
sulk around people's property and get

1107
00:37:01,349 --> 00:36:58,720
their brains blown out because they've

1108
00:37:03,349 --> 00:37:01,359
uh you know become a participant in what

1109
00:37:06,390 --> 00:37:03,359
was becoming quite the

1110
00:37:08,390 --> 00:37:06,400
odd craze for a while there like there

1111
00:37:10,790 --> 00:37:08,400
was nothing smart about that dressing up

1112
00:37:12,870 --> 00:37:10,800
as a clown or you know going

1113
00:37:13,829 --> 00:37:12,880

and you know the still occasionally lawn

1114

00:37:16,710 --> 00:37:13,839

the random

1115

00:37:19,190 --> 00:37:16,720

phantom clown sighting still pops up

1116

00:37:20,870 --> 00:37:19,200

yeah there was one not long ago actually

1117

00:37:22,390 --> 00:37:20,880

uh there was another one in minnesota it

1118

00:37:24,390 --> 00:37:22,400

seemed like the upper midwest where a

1119

00:37:27,430 --> 00:37:24,400

lot of these have been showing up

1120

00:37:30,470 --> 00:37:27,440

but uh after you know a couple years

1121

00:37:33,589 --> 00:37:30,480

it started up again so

1122

00:37:34,870 --> 00:37:33,599

you know i i i blame daisy for the clown

1123

00:37:36,870 --> 00:37:34,880

thing i really do

1124

00:37:38,069 --> 00:37:36,880

yeah i think that has a lot to do with i

1125

00:37:40,790 --> 00:37:38,079

think after

1126

00:37:41,829 --> 00:37:40,800

john wayne gacy the the whole the whole

1127

00:37:44,310 --> 00:37:41,839

vernacular

1128

00:37:45,990 --> 00:37:44,320

crazy clowns and murders kind of got

1129

00:37:49,190 --> 00:37:46,000

stuck out there

1130

00:37:52,230 --> 00:37:49,200

but uh yeah you know but that's you know

1131

00:37:53,670 --> 00:37:52,240

you know the internet has generated a

1132

00:37:56,710 --> 00:37:53,680

lot of stuff

1133

00:37:58,870 --> 00:37:56,720

as far as memes and possible thoughtful

1134

00:38:00,470 --> 00:37:58,880

manifestations but you know

1135

00:38:02,310 --> 00:38:00,480

i'll be quite honest with you without

1136

00:38:03,510 --> 00:38:02,320

the internet and and the ability for

1137

00:38:06,069 --> 00:38:03,520

people to put this stuff

1138

00:38:07,510 --> 00:38:06,079

out there i think there's a lot of who

1139

00:38:09,829 --> 00:38:07,520

we still wouldn't know about

1140

00:38:11,510 --> 00:38:09,839

and oh absolutely yeah you know it's

1141

00:38:13,030 --> 00:38:11,520

it's been a bless it's been a blessed

1142

00:38:15,109 --> 00:38:13,040

thing and it's kind of been a curse in a

1143

00:38:17,190 --> 00:38:15,119

way you know i

1144

00:38:19,349 --> 00:38:17,200

i don't know what you guys think about

1145

00:38:19,990 --> 00:38:19,359

you know well you guys know how you know

1146

00:38:23,030 --> 00:38:20,000

how i feel

1147

00:38:25,270 --> 00:38:23,040

uh sean about paranormal tv

1148

00:38:26,790 --> 00:38:25,280

and uh you know how that you know

1149

00:38:30,069 --> 00:38:26,800

because i've been through it you've been

1150

00:38:33,750 --> 00:38:31,829

there are big problems with it though

1151

00:38:35,670 --> 00:38:33,760

there's no reality to it

1152

00:38:37,990 --> 00:38:35,680

well that's true and it's promoted it's

1153

00:38:39,510 --> 00:38:38,000

promoted everything and it's kind of got

1154

00:38:41,430 --> 00:38:39,520

it's kind of put it out there in the

1155

00:38:44,390 --> 00:38:41,440

mainstream for people to wonder

1156

00:38:45,589 --> 00:38:44,400

but there is there is a problem with it

1157

00:38:48,069 --> 00:38:45,599

to where

1158

00:38:50,069 --> 00:38:48,079

people get this these thoughts that well

1159

00:38:51,510 --> 00:38:50,079

i'll go out there and do investigation

1160

00:38:52,950 --> 00:38:51,520

and something's gonna show up every time

1161

00:38:53,829 --> 00:38:52,960

i go out there and that just does not

1162

00:38:57,109 --> 00:38:53,839

happen

1163

00:38:58,390 --> 00:38:57,119

no actually go ahead mike yeah

1164

00:39:00,550 --> 00:38:58,400

i was i was gonna say you like you know

1165

00:39:01,750 --> 00:39:00,560

the reality of it is you're going out

1166

00:39:03,670 --> 00:39:01,760

you know you're going out in the woods

1167

00:39:05,670 --> 00:39:03,680

for four or five hours and you know

1168

00:39:07,430 --> 00:39:05,680

out of those five hours four hours and

1169

00:39:09,030 --> 00:39:07,440

40 minutes you got you know you're just

1170

00:39:11,030 --> 00:39:09,040

sitting there in the dark in silence you

1171

00:39:12,710 --> 00:39:11,040

know the way i

1172

00:39:14,150 --> 00:39:12,720

think of it it's kind of like i'm a big

1173

00:39:16,390 --> 00:39:14,160

fisherman um i know

1174

00:39:17,910 --> 00:39:16,400

i know you are too lon it's kind you

1175

00:39:19,589 --> 00:39:17,920

know it's kind of like filming a

1176

00:39:20,630 --> 00:39:19,599

fishing show you know you know like

1177

00:39:21,990 --> 00:39:20,640

you're not you're not gonna have all

1178

00:39:24,470 --> 00:39:22,000

your footage of you know

1179

00:39:26,310 --> 00:39:24,480

a freaking guy casting casting reeling

1180

00:39:28,390 --> 00:39:26,320

it back and doing that over and over now

1181

00:39:29,670 --> 00:39:28,400

you're gonna you know the footage you're

1182

00:39:31,750 --> 00:39:29,680

gonna show is you know when he when he

1183

00:39:35,030 --> 00:39:31,760

gets his uh his

1184

00:39:36,150 --> 00:39:35,040

first you know first hit like i guess

1185

00:39:37,829 --> 00:39:36,160

you know like there is a

1186

00:39:39,190 --> 00:39:37,839

small sect of people out there who

1187

00:39:40,470 --> 00:39:39,200

definitely want to appreciate you know

1188

00:39:41,270 --> 00:39:40,480

like you know we definitely want a sense

1189

00:39:42,870 --> 00:39:41,280

of like

1190

00:39:44,790 --> 00:39:42,880

what it really is like to be you know

1191

00:39:45,750 --> 00:39:44,800

what it really really is like to be out

1192

00:39:47,589 --> 00:39:45,760

in the field but

1193

00:39:48,710 --> 00:39:47,599

the majority of people they just want to

1194

00:39:50,870 --> 00:39:48,720

you know they just want to watch these

1195

00:39:53,030 --> 00:39:50,880

shows to be entertained you know

1196

00:39:54,710 --> 00:39:53,040

to give themselves a reason to believe

1197

00:39:55,670 --> 00:39:54,720

and the producer you know the producers

1198

00:39:57,190 --> 00:39:55,680

know that

1199

00:39:59,190 --> 00:39:57,200

and you know like yeah it's you know

1200

00:40:01,270 --> 00:39:59,200

it's definitely something they um they

1201

00:40:03,349 --> 00:40:01,280

play on like i know you know finding

1202

00:40:05,510 --> 00:40:03,359

bigfoot expedition bigfoot

1203

00:40:07,190 --> 00:40:05,520

those shows get you know those shows get

1204

00:40:08,710 --> 00:40:07,200

a lot of flack for the way um you know

1205

00:40:10,309 --> 00:40:08,720

their film they've had they have a lot

1206

00:40:13,030 --> 00:40:10,319

of accusations

1207

00:40:14,790 --> 00:40:13,040

a lot of um rumors out there and i guess

1208

00:40:15,990 --> 00:40:14,800

for the most part rightfully so but at

1209

00:40:16,550 --> 00:40:16,000

the same time we have to remember you

1210

00:40:19,910 --> 00:40:16,560

know

1211

00:40:22,150 --> 00:40:19,920

it's still a business and absolutely

1212

00:40:23,990 --> 00:40:22,160

as passionate as you know these

1213

00:40:26,309 --> 00:40:24,000

researchers really truly might

1214

00:40:29,430 --> 00:40:26,319

be you know the end game is to make

1215

00:40:31,829 --> 00:40:29,440

money you get good ratings you know

1216

00:40:33,030 --> 00:40:31,839

i actually both know that because we

1217

00:40:35,990 --> 00:40:33,040

went through that

1218

00:40:36,710 --> 00:40:36,000

i mean we actually got involved with the

1219

00:40:39,990 --> 00:40:36,720

uh

1220

00:40:42,790 --> 00:40:40,000

the possibility of producing a show

1221

00:40:43,829 --> 00:40:42,800

two three years three years ago and uh

1222

00:40:46,150 --> 00:40:43,839

we had this

1223

00:40:47,750 --> 00:40:46,160

sizzle reel and everything made we had

1224

00:40:50,790 --> 00:40:47,760

an actual production company

1225

00:40:52,230 --> 00:40:50,800

that came out to my place and guys and

1226
00:40:53,750 --> 00:40:52,240
team were there and we did of the whole

1227
00:40:56,069 --> 00:40:53,760
nine yards

1228
00:40:56,790 --> 00:40:56,079
but you know it just never panned out

1229
00:41:00,630 --> 00:40:56,800
you know

1230
00:41:02,390 --> 00:41:00,640
none of the uh none of the

1231
00:41:03,829 --> 00:41:02,400
tv channels wanted to buy it so that

1232
00:41:05,510 --> 00:41:03,839
just fell through but

1233
00:41:07,190 --> 00:41:05,520
you know that's just part of a lot of it

1234
00:41:08,550 --> 00:41:07,200
unfortunately when you do stuff like

1235
00:41:10,470 --> 00:41:08,560
that

1236
00:41:12,150 --> 00:41:10,480
you know we tried to make it as real as

1237
00:41:13,990 --> 00:41:12,160
possible and that was one of the things

1238
00:41:15,510 --> 00:41:14,000

we impressed on to producers we know we

1239

00:41:16,870 --> 00:41:15,520

wanted to make it as real as possible

1240

00:41:19,190 --> 00:41:16,880

but unfortunately

1241

00:41:21,030 --> 00:41:19,200

that's not what the tv channels are

1242

00:41:22,790 --> 00:41:21,040

looking for

1243

00:41:24,309 --> 00:41:22,800

they they want to be able to have the

1244

00:41:26,630 --> 00:41:24,319

ability to put something

1245

00:41:27,750 --> 00:41:26,640

in there to sensationalize it to a

1246

00:41:30,630 --> 00:41:27,760

degree you know they got

1247

00:41:32,710 --> 00:41:30,640

they got advertisers that are paying so

1248

00:41:34,790 --> 00:41:32,720

i mean i understand that

1249

00:41:36,550 --> 00:41:34,800

but as far as the paranormal goes it

1250

00:41:38,710 --> 00:41:36,560

just doesn't work out that well

1251
00:41:41,270 --> 00:41:38,720
as far as i'm concerned and look i've

1252
00:41:44,550 --> 00:41:41,280
been on tv shows and i've you know i've

1253
00:41:48,069 --> 00:41:44,560
i've been at a casting or

1254
00:41:51,349 --> 00:41:48,079
at a um at a filming where i'm there

1255
00:41:53,990 --> 00:41:51,359
for four or five hours you know

1256
00:41:56,069 --> 00:41:54,000
getting film in the can and end up with

1257
00:41:59,190 --> 00:41:56,079
five seconds showing up on the show

1258
00:42:02,069 --> 00:41:59,200
you know that's just reality

1259
00:42:03,589 --> 00:42:02,079
it's very true we filmed an entire day

1260
00:42:05,430 --> 00:42:03,599
for them to make a five-minute sizzle

1261
00:42:08,390 --> 00:42:05,440
reel

1262
00:42:09,750 --> 00:42:08,400
we really did right and it was uh we had

1263
00:42:11,589 --> 00:42:09,760

a lot of fun doing it but

1264

00:42:13,030 --> 00:42:11,599

you know that just uh you know make that

1265

00:42:14,790 --> 00:42:13,040

five minutes is a real there was a lot

1266

00:42:16,230 --> 00:42:14,800

of waiting a lot of talking

1267

00:42:17,990 --> 00:42:16,240

and some of the good stuff they really

1268

00:42:19,510 --> 00:42:18,000

missed just because they weren't focused

1269

00:42:20,069 --> 00:42:19,520

on getting that they wanted something

1270

00:42:21,910 --> 00:42:20,079

different

1271

00:42:23,430 --> 00:42:21,920

but yeah i think at the end of the day i

1272

00:42:24,309 --> 00:42:23,440

was happy with how the scissor reel came

1273

00:42:27,190 --> 00:42:24,319

out anyhow

1274

00:42:28,230 --> 00:42:27,200

would it have been a good long-form tv

1275

00:42:29,270 --> 00:42:28,240

maybe who knows

1276

00:42:30,630 --> 00:42:29,280

it would have been interesting it would

1277

00:42:31,430 --> 00:42:30,640

have been a lot definitely been a good

1278

00:42:32,710 --> 00:42:31,440

show

1279

00:42:35,270 --> 00:42:32,720

it was going to be called cryptid

1280

00:42:38,790 --> 00:42:35,280

hunters that was the name of it and

1281

00:42:42,309 --> 00:42:38,800

uh you know that's the that's the actual

1282

00:42:45,829 --> 00:42:42,319

uh url or domain i use for uh

1283

00:42:46,950 --> 00:42:45,839

our website and uh i think it

1284

00:42:48,950 --> 00:42:46,960

i think it would have been a pretty good

1285

00:42:50,550 --> 00:42:48,960

show but you know

1286

00:42:51,829 --> 00:42:50,560

the powers to be did things so that's

1287

00:42:52,630 --> 00:42:51,839

the way it goes they're the money guys

1288

00:42:54,309 --> 00:42:52,640

so

1289

00:42:55,750 --> 00:42:54,319

well you know they're a dime a dozen

1290

00:42:57,109 --> 00:42:55,760

right now too these shows are

1291

00:42:58,790 --> 00:42:57,119

popping up everywhere and there's not

1292

00:43:00,950 --> 00:42:58,800

much variety in them

1293

00:43:02,630 --> 00:43:00,960

and it's not a critique it's it's just

1294

00:43:03,750 --> 00:43:02,640

you know again a reality they're not

1295

00:43:05,910 --> 00:43:03,760

much different and

1296

00:43:07,349 --> 00:43:05,920

and look at all the recycled material

1297

00:43:09,990 --> 00:43:07,359

that they're putting on

1298

00:43:10,950 --> 00:43:10,000

like i've got the discovery plus uh

1299

00:43:12,630 --> 00:43:10,960

streaming app

1300

00:43:14,230 --> 00:43:12,640

right and you know tear in the woods or

1301
00:43:15,349 --> 00:43:14,240
whatever that show used to be called is

1302
00:43:17,670 --> 00:43:15,359
now called

1303
00:43:19,829 --> 00:43:17,680
these woods are haunted and like they

1304
00:43:22,630 --> 00:43:19,839
just rename the show rebrand it stick

1305
00:43:24,150 --> 00:43:22,640
another logo on it and off it goes

1306
00:43:26,309 --> 00:43:24,160
right so it's just recycling the

1307
00:43:28,550 --> 00:43:26,319
material so it's a lot easier to recycle

1308
00:43:30,630 --> 00:43:28,560
it than it is to go out and reproduce it

1309
00:43:32,470 --> 00:43:30,640
especially now in in the covet world

1310
00:43:34,230 --> 00:43:32,480
right like you have to be

1311
00:43:35,750 --> 00:43:34,240
you know not a lot more careful with

1312
00:43:38,150 --> 00:43:35,760
travel and everything else

1313
00:43:40,150 --> 00:43:38,160

and that you know probably had a little

1314

00:43:41,910 --> 00:43:40,160

bit of hampering on projects too

1315

00:43:43,829 --> 00:43:41,920

but you know i'm a big fan of expedition

1316

00:43:45,190 --> 00:43:43,839

bigfoot i like that show a lot

1317

00:43:47,430 --> 00:43:45,200

i think it's interesting and it's

1318

00:43:48,309 --> 00:43:47,440

different enough does it have its hokey

1319

00:43:51,109 --> 00:43:48,319

moments yeah

1320

00:43:53,270 --> 00:43:51,119

of course but it's interesting tv i i

1321

00:43:54,950 --> 00:43:53,280

enjoy it

1322

00:43:57,349 --> 00:43:54,960

you know um and mike you're going to

1323

00:44:00,710 --> 00:43:57,359

find this out being part of the uh

1324

00:44:03,829 --> 00:44:00,720

famous month of foreign research uh

1325

00:44:05,190 --> 00:44:03,839

we get proposals to do shows all the

1326

00:44:09,030 --> 00:44:05,200

time

1327

00:44:13,109 --> 00:44:09,040

i i literally get 10 to 15

1328

00:44:15,349 --> 00:44:13,119

per season uh and it's usually

1329

00:44:16,950 --> 00:44:15,359

to the point where they want you to

1330

00:44:18,790 --> 00:44:16,960

provide them a storyline

1331

00:44:20,390 --> 00:44:18,800

as opposed to you actually doing

1332

00:44:22,230 --> 00:44:20,400

anything but

1333

00:44:23,910 --> 00:44:22,240

sometimes they will come forward and ask

1334

00:44:26,230 --> 00:44:23,920

you to do something and

1335

00:44:28,790 --> 00:44:26,240

you know i i used to kind of jump in and

1336

00:44:30,550 --> 00:44:28,800

say to tell everybody on the team

1337

00:44:32,309 --> 00:44:30,560

well somebody's proposing this i'm

1338

00:44:33,270 --> 00:44:32,319

proposing that i just don't do that

1339

00:44:37,270 --> 00:44:33,280

anymore

1340

00:44:38,950 --> 00:44:37,280

unless there's something very serious uh

1341

00:44:40,150 --> 00:44:38,960

you know they look at the blog and they

1342

00:44:41,829 --> 00:44:40,160

figure we're going to be able to get

1343

00:44:45,270 --> 00:44:41,839

some material off this blog and

1344

00:44:47,349 --> 00:44:45,280

i just i just do not allow that

1345

00:44:49,109 --> 00:44:47,359

anymore i mean you know i've had enough

1346

00:44:50,630 --> 00:44:49,119

shows and sean knows this

1347

00:44:52,309 --> 00:44:50,640

there have been enough shows that have

1348

00:44:55,589 --> 00:44:52,319

been made without my permission

1349

00:44:58,309 --> 00:44:55,599

material i've i've actually published

1350

00:44:59,190 --> 00:44:58,319

and uh i had to really crack down on

1351
00:45:05,829 --> 00:44:59,200
that

1352
00:45:07,670 --> 00:45:05,839
you know there's a limit to what you

1353
00:45:09,510 --> 00:45:07,680
want to see

1354
00:45:10,950 --> 00:45:09,520
yeah and it's not just limited to the

1355
00:45:11,589 --> 00:45:10,960
written material either they're stealing

1356
00:45:14,550 --> 00:45:11,599
everything

1357
00:45:16,630 --> 00:45:14,560
you know artwork from artists and like

1358
00:45:19,829 --> 00:45:16,640
it's becoming a serious

1359
00:45:20,309 --> 00:45:19,839
uh you know individual property rights

1360
00:45:24,790 --> 00:45:20,319
it's

1361
00:45:27,990 --> 00:45:24,800
being exploited for its uh

1362
00:45:30,950 --> 00:45:28,000
creativity and it's you know

1363
00:45:33,109 --> 00:45:30,960

and and it's media it's it's unreal this

1364

00:45:35,190 --> 00:45:33,119

wouldn't have happened like 15 years ago

1365

00:45:36,790 --> 00:45:35,200

and i really i really think too the way

1366

00:45:37,910 --> 00:45:36,800

it's being poured the way it's being

1367

00:45:39,430 --> 00:45:37,920

portrayed and

1368

00:45:41,430 --> 00:45:39,440

you know like through like a mainstream

1369

00:45:43,349 --> 00:45:41,440

lens just you know like the

1370

00:45:45,829 --> 00:45:43,359

main points just like the main points

1371

00:45:46,550 --> 00:45:45,839

and aspects that they're trying to

1372

00:45:49,030 --> 00:45:46,560

highlight

1373

00:45:50,309 --> 00:45:49,040

they really try to give it more of like

1374

00:45:52,230 --> 00:45:50,319

a um

1375

00:45:53,190 --> 00:45:52,240

cinema you know like cinematic feel to

1376

00:45:54,470 --> 00:45:53,200

it like they're trying to add like an

1377

00:45:55,670 --> 00:45:54,480

element to it that really

1378

00:45:58,069 --> 00:45:55,680

doesn't exist they're trying to give the

1379

00:45:59,589 --> 00:45:58,079

stuff you know like a um

1380

00:46:00,870 --> 00:45:59,599

i mean you know a cinematic element

1381

00:46:02,069 --> 00:46:00,880

don't get me wrong like you know it

1382

00:46:03,829 --> 00:46:02,079

could definitely be exciting it's

1383

00:46:05,430 --> 00:46:03,839

definitely mysterious you know

1384

00:46:06,870 --> 00:46:05,440

um really you know really cool stuff in

1385

00:46:07,910 --> 00:46:06,880

my opinion you know really really

1386

00:46:09,910 --> 00:46:07,920

fascinating

1387

00:46:11,270 --> 00:46:09,920

but the way they portray it though you

1388

00:46:12,470 --> 00:46:11,280

know in

1389

00:46:13,910 --> 00:46:12,480
mainstream media mainstream

1390

00:46:14,950 --> 00:46:13,920
entertainment i really don't think it

1391

00:46:16,790 --> 00:46:14,960
helps

1392

00:46:18,230 --> 00:46:16,800
the people who you know really like

1393

00:46:21,030 --> 00:46:18,240
delve into the um

1394

00:46:21,349 --> 00:46:21,040
sign you know this the uh science of it

1395

00:46:23,670 --> 00:46:21,359
and

1396

00:46:25,670 --> 00:46:23,680
um you know it really i don't really

1397

00:46:27,510 --> 00:46:25,680
think it's doing any favors to have like

1398

00:46:28,309 --> 00:46:27,520
you know mainstream science mainstream

1399

00:46:30,230 --> 00:46:28,319
media

1400

00:46:31,430 --> 00:46:30,240
you know like um you know the public in

1401

00:46:34,390 --> 00:46:31,440

general take to

1402

00:46:35,750 --> 00:46:34,400

take this as seriously as you know

1403

00:46:37,190 --> 00:46:35,760

people who really like seriously reach

1404

00:46:38,790 --> 00:46:37,200

their research and stuff would like to

1405

00:46:40,630 --> 00:46:38,800

see it

1406

00:46:42,470 --> 00:46:40,640

well you know you know i agree with that

1407

00:46:44,710 --> 00:46:42,480

to a point but let's just take the

1408

00:46:46,230 --> 00:46:44,720

hulu sasquatch documentary that just

1409

00:46:48,390 --> 00:46:46,240

came out right

1410

00:46:49,750 --> 00:46:48,400

that had very little to do with bigfoot

1411

00:46:52,710 --> 00:46:49,760

all right that was

1412

00:46:54,390 --> 00:46:52,720

really disappointing see i loved it

1413

00:46:55,430 --> 00:46:54,400

because i knew what i was getting into

1414

00:46:58,710 --> 00:46:55,440

right away

1415

00:47:00,390 --> 00:46:58,720

and and you know i'm a little bit of a

1416

00:47:02,470 --> 00:47:00,400

freak when it comes to that stuff

1417

00:47:04,390 --> 00:47:02,480

it was like watching an adult scooby-doo

1418

00:47:05,270 --> 00:47:04,400

episode like you know who done it and

1419

00:47:08,790 --> 00:47:05,280

why

1420

00:47:10,470 --> 00:47:08,800

but i told the producers who sent me the

1421

00:47:12,390 --> 00:47:10,480

the screener i'm like you know you're

1422

00:47:13,589 --> 00:47:12,400

gonna piss a lot of bigfoot people off

1423

00:47:14,790 --> 00:47:13,599

with this and i don't mean bigfoot

1424

00:47:15,589 --> 00:47:14,800

people i mean like the bigfoot

1425

00:47:16,470 --> 00:47:15,599

researchers

1426
00:47:19,510 --> 00:47:16,480
you're gonna make a lot of people

1427
00:47:22,470 --> 00:47:19,520
unhappy because how it's been portrayed

1428
00:47:25,990 --> 00:47:22,480
is not how it's gonna play out at all

1429
00:47:27,430 --> 00:47:26,000
and i went into it happy and surprised

1430
00:47:29,190 --> 00:47:27,440
but there's a lot of elements to it too

1431
00:47:31,750 --> 00:47:29,200
long there's like the whole

1432
00:47:33,510 --> 00:47:31,760
cannabis campaign in the 90s and like

1433
00:47:34,150 --> 00:47:33,520
there's a lot of historical elements to

1434
00:47:37,030 --> 00:47:34,160
it too

1435
00:47:38,309 --> 00:47:37,040
that built a really good story but to go

1436
00:47:40,230 --> 00:47:38,319
out and like you know

1437
00:47:42,069 --> 00:47:40,240
make that any kind of connection to a

1438
00:47:44,069 --> 00:47:42,079

cryptid documentary

1439

00:47:45,990 --> 00:47:44,079

you know you throw dr meldrum in there

1440

00:47:48,710 --> 00:47:46,000

some you know esteemed researchers

1441

00:47:51,030 --> 00:47:48,720

like i i see what they did with it i

1442

00:47:53,349 --> 00:47:51,040

really liked it

1443

00:47:55,349 --> 00:47:53,359

but they they really didn't do it

1444

00:47:57,270 --> 00:47:55,359

justice to the you know the bigfoot

1445

00:47:58,790 --> 00:47:57,280

you know can't you know bigfoot people

1446

00:48:00,390 --> 00:47:58,800

and i think

1447

00:48:02,710 --> 00:48:00,400

you know if you tried to do more and

1448

00:48:06,390 --> 00:48:04,950

documentaries or programming that kind

1449

00:48:08,549 --> 00:48:06,400

of reach different segments like the

1450

00:48:09,910 --> 00:48:08,559

true crime and the sasquatch and the

1451

00:48:11,510 --> 00:48:09,920

cryptids like

1452

00:48:13,510 --> 00:48:11,520

i don't think it's going to work just

1453

00:48:16,390 --> 00:48:13,520

because of an example like that

1454

00:48:17,910 --> 00:48:16,400

like the researchers don't want the hard

1455

00:48:21,109 --> 00:48:17,920

fact shows

1456

00:48:22,710 --> 00:48:21,119

they want to be entertained too

1457

00:48:24,630 --> 00:48:22,720

i wish they would talk more i wish they

1458

00:48:27,430 --> 00:48:24,640

would talk more about

1459

00:48:28,069 --> 00:48:27,440

uh bigfoot raiden raiding marijuana

1460

00:48:30,390 --> 00:48:28,079

fields

1461

00:48:31,510 --> 00:48:30,400

and and start sucking on buds and

1462

00:48:33,349 --> 00:48:31,520

getting high

1463

00:48:35,270 --> 00:48:33,359

uh you know i had a story out of

1464

00:48:37,030 --> 00:48:35,280

minnesota not long ago

1465

00:48:39,430 --> 00:48:37,040

where a guy had a gross shed that got

1466

00:48:42,230 --> 00:48:39,440

busted into because uh

1467

00:48:43,829 --> 00:48:42,240

he thinks the the sasquatch we're using

1468

00:48:45,750 --> 00:48:43,839

as pain meds

1469

00:48:48,390 --> 00:48:45,760

yeah hey i don't know that's true or not

1470

00:48:51,430 --> 00:48:48,400

but i mean it's an interesting story

1471

00:48:53,510 --> 00:48:51,440

yeah it is go ahead mike what were you

1472

00:48:58,630 --> 00:48:53,520

saying

1473

00:49:01,190 --> 00:48:58,640

um i forgot i forgot slipped my mind

1474

00:49:03,030 --> 00:49:01,200

i got a question here uh lon i live

1475

00:49:05,670 --> 00:49:03,040

close to eldersburg maryland

1476

00:49:07,430 --> 00:49:05,680

have you gotten any recent sasquatch or

1477

00:49:08,230 --> 00:49:07,440

crypto reports from that area in recent

1478

00:49:10,390 --> 00:49:08,240

years

1479

00:49:12,390 --> 00:49:10,400

well you know my sighting was not too

1480

00:49:14,950 --> 00:49:12,400

far from eldersburg it was just

1481

00:49:17,349 --> 00:49:14,960

uh outside of sykesville and i have had

1482

00:49:20,069 --> 00:49:17,359

reports we've had bigfoot reports

1483

00:49:21,190 --> 00:49:20,079

up and down the uh up and down the south

1484

00:49:23,430 --> 00:49:21,200

branch of the tapsco

1485

00:49:24,470 --> 00:49:23,440

river not far from where i had my

1486

00:49:27,270 --> 00:49:24,480

encounter

1487

00:49:28,870 --> 00:49:27,280

uh i've had three reports over the years

1488

00:49:30,390 --> 00:49:28,880

from there

1489

00:49:32,710 --> 00:49:30,400

so there even though it's starting to

1490

00:49:36,069 --> 00:49:32,720

get built up around there now

1491

00:49:37,990 --> 00:49:36,079

there are still reports and uh you know

1492

00:49:41,349 --> 00:49:38,000

the patapsco

1493

00:49:44,390 --> 00:49:41,359

valley state park is still pretty active

1494

00:49:46,710 --> 00:49:44,400

uh people are having in fact

1495

00:49:48,710 --> 00:49:46,720

one of the witnesses had an account at

1496

00:49:51,829 --> 00:49:48,720

the old daniels damn

1497

00:49:53,270 --> 00:49:51,839

if if you're familiar with that uh and

1498

00:49:56,470 --> 00:49:53,280

it's it's actually

1499

00:49:59,990 --> 00:49:56,480

this is before they they tore it up but

1500

00:50:01,750 --> 00:50:00,000

they had one chase amount of there uh so

1501
00:50:02,309 --> 00:50:01,760
yeah the the bigfooter the bigfoot

1502
00:50:04,309 --> 00:50:02,319
reports

1503
00:50:06,230 --> 00:50:04,319
are still around there i don't know of

1504
00:50:08,630 --> 00:50:06,240
any other cryptids

1505
00:50:11,430 --> 00:50:08,640
but we uh we we still get a bigfoot

1506
00:50:13,349 --> 00:50:11,440
report out of that part of the country

1507
00:50:14,790 --> 00:50:13,359
and this is like this is like central

1508
00:50:15,510 --> 00:50:14,800
southern marylander you're talking about

1509
00:50:18,309 --> 00:50:15,520
yeah

1510
00:50:19,030 --> 00:50:18,319
this is uh carroll county baltimore

1511
00:50:23,349 --> 00:50:19,040
county

1512
00:50:26,870 --> 00:50:23,359
for scienceville maryland

1513
00:50:29,109 --> 00:50:26,880

and patapsco state park uh

1514

00:50:31,030 --> 00:50:29,119

it's well known for bigfoot actively the

1515

00:50:33,990 --> 00:50:31,040

sykesville monster was something

1516

00:50:34,870 --> 00:50:34,000

that was occurred back in your early 70s

1517

00:50:38,230 --> 00:50:34,880

my uh

1518

00:50:41,349 --> 00:50:38,240

my encounter was in 81 but it

1519

00:50:44,549 --> 00:50:41,359

you know the bfro has received a

1520

00:50:46,790 --> 00:50:44,559

a-class replace a reports out of their

1521

00:50:48,150 --> 00:50:46,800

uh liberty reservoir and other places

1522

00:50:50,790 --> 00:50:48,160

along the parks

1523

00:50:53,030 --> 00:50:50,800

so uh even though it's just outside of

1524

00:50:54,309 --> 00:50:53,040

baltimore it's still pretty uh pretty

1525

00:50:57,589 --> 00:50:54,319

active

1526
00:50:58,470 --> 00:50:57,599
and uh you know bigfoot activity between

1527
00:51:02,790 --> 00:50:58,480
the baltimore

1528
00:51:04,309 --> 00:51:02,800
washington metro area is pretty heavy

1529
00:51:06,790 --> 00:51:04,319
yeah that kind of blow that kind of

1530
00:51:08,309 --> 00:51:06,800
blows my mind um when

1531
00:51:09,510 --> 00:51:08,319
well maryland's one of the states i've

1532
00:51:11,030 --> 00:51:09,520
actually been doing a good amount of

1533
00:51:12,470 --> 00:51:11,040
research on when

1534
00:51:13,750 --> 00:51:12,480
planning the future out you know when

1535
00:51:15,030 --> 00:51:13,760
planning future addings for this year

1536
00:51:16,470 --> 00:51:15,040
we're definitely trying to get the

1537
00:51:18,309 --> 00:51:16,480
i'm definitely trying to get the team to

1538
00:51:20,309 --> 00:51:18,319

go down like me show

1539

00:51:21,910 --> 00:51:20,319

um you know stay forest down by where

1540

00:51:22,710 --> 00:51:21,920

you are then you know while we're there

1541

00:51:24,470 --> 00:51:22,720

we figure

1542

00:51:26,470 --> 00:51:24,480

let's check out let's check out northern

1543

00:51:28,150 --> 00:51:26,480

maryland you know there's been a lot of

1544

00:51:29,910 --> 00:51:28,160

information reports coming out of that

1545

00:51:31,430 --> 00:51:29,920

area through my through my research

1546

00:51:31,990 --> 00:51:31,440

though looking at different databases

1547

00:51:33,270 --> 00:51:32,000

and whatnot

1548

00:51:35,349 --> 00:51:33,280

it really seemed like the bulk of

1549

00:51:36,790 --> 00:51:35,359

reports coming out of that state

1550

00:51:38,549 --> 00:51:36,800

we're from like the central part of the

1551

00:51:39,910 --> 00:51:38,559

state the southern part of the state

1552

00:51:41,990 --> 00:51:39,920

but a lot of them are from like you know

1553

00:51:43,829 --> 00:51:42,000

40 50 something out of years ago

1554

00:51:45,270 --> 00:51:43,839

uh between now and then that areas you

1555

00:51:47,190 --> 00:51:45,280

know those areas have become like

1556

00:51:48,549 --> 00:51:47,200

a lot more developed you know like the

1557

00:51:50,630 --> 00:51:48,559

dc suburbs

1558

00:51:53,190 --> 00:51:50,640

a lot of those towns are built out there

1559

00:51:55,829 --> 00:51:53,200

really aren't a lot of um

1560

00:51:56,470 --> 00:51:55,839

you know rural secluded you know like

1561

00:51:59,589 --> 00:51:56,480

remote

1562

00:52:00,790 --> 00:51:59,599

stretches of woods and forests like you

1563

00:52:01,990 --> 00:52:00,800

know you'll see up in like northern

1564

00:52:05,270 --> 00:52:02,000

maryland or

1565

00:52:06,710 --> 00:52:05,280

southern pa so at least to me you know

1566

00:52:08,309 --> 00:52:06,720

like it really it really still is kind

1567

00:52:09,910 --> 00:52:08,319

of mind-blowing that um

1568

00:52:12,150 --> 00:52:09,920

you know reports are still coming out of

1569

00:52:16,829 --> 00:52:12,160

that particular part of uh

1570

00:52:21,109 --> 00:52:19,349

pennsylvania maryland itself

1571

00:52:23,510 --> 00:52:21,119

are kind of synonymous with activity i

1572

00:52:26,470 --> 00:52:23,520

mean what happens here happens there

1573

00:52:27,510 --> 00:52:26,480

and uh you know here in york county and

1574

00:52:30,150 --> 00:52:27,520

uh

1575

00:52:32,069 --> 00:52:30,160

adams county the areas where tim renner

1576

00:52:33,589 --> 00:52:32,079

and i live at uh

1577

00:52:35,190 --> 00:52:33,599

you know there's been a lot of activity

1578

00:52:36,710 --> 00:52:35,200

a lot of different stuff over the years

1579

00:52:39,589 --> 00:52:36,720

and uh maryland

1580

00:52:41,030 --> 00:52:39,599

is the same way so uh you know just like

1581

00:52:42,630 --> 00:52:41,040

the gettysburg battlefield now

1582

00:52:43,190 --> 00:52:42,640

gettysburg battlefield was right between

1583

00:52:46,870 --> 00:52:43,200

me

1584

00:52:49,109 --> 00:52:46,880

here and uh and and misho

1585

00:52:51,430 --> 00:52:49,119

and bigfoot activity and gettysburg

1586

00:52:53,990 --> 00:52:51,440

battlefield is pretty heavy

1587

00:52:54,790 --> 00:52:54,000

be honest with you it's you know not

1588

00:52:57,030 --> 00:52:54,800

only the

1589

00:52:58,150 --> 00:52:57,040

paranormal spiritual activity at

1590

00:53:00,150 --> 00:52:58,160

gettysburg

1591

00:53:03,829 --> 00:53:00,160

but there's bigfoot activity and there

1592

00:53:05,990 --> 00:53:03,839

has been a lot of ufo activity as well

1593

00:53:07,990 --> 00:53:06,000

so uh this whole part of the country has

1594

00:53:11,589 --> 00:53:08,000

just got a lot of strange things that go

1595

00:53:15,030 --> 00:53:13,430

for sure i've heard that about the

1596

00:53:18,470 --> 00:53:15,040

bigfoot activity lawn

1597

00:53:21,109 --> 00:53:18,480

on the on the battlefield yeah

1598

00:53:23,829 --> 00:53:21,119

that's pretty yeah it is it is it's uh

1599

00:53:26,950 --> 00:53:25,270

you know people won't talk about it a

1600

00:53:30,069 --> 00:53:26,960

lot

1601
00:53:32,470 --> 00:53:30,079
but quite frankly from gettysburg

1602
00:53:33,990 --> 00:53:32,480
into me show and just beyond it going

1603
00:53:37,589 --> 00:53:34,000
towards chambersburg

1604
00:53:40,390 --> 00:53:37,599
that route 30 or the lincoln highway

1605
00:53:41,430 --> 00:53:40,400
and i i i told mike this you know a lot

1606
00:53:43,670 --> 00:53:41,440
of the bigfoot

1607
00:53:46,549 --> 00:53:43,680
sightings are a people that are

1608
00:53:48,710 --> 00:53:46,559
traveling traveling along that highway

1609
00:53:51,190 --> 00:53:48,720
where bigfoot are crossing are going to

1610
00:53:52,950 --> 00:53:51,200
the other side to grab a dead deer on

1611
00:53:55,990 --> 00:53:52,960
the side of the road

1612
00:53:58,150 --> 00:53:56,000
i have had countless reports of people

1613
00:53:59,750 --> 00:53:58,160

literally seeing a bigfoot grab a

1614

00:54:01,109 --> 00:53:59,760

dearest throat over shoulder go back

1615

00:54:04,150 --> 00:54:01,119

into the woods

1616

00:54:06,710 --> 00:54:04,160

and um you know the deer are just

1617

00:54:08,150 --> 00:54:06,720

so plentiful around here and there's

1618

00:54:11,270 --> 00:54:08,160

going to be a lot of roadkill

1619

00:54:13,109 --> 00:54:11,280

and they take advantage of it

1620

00:54:14,549 --> 00:54:13,119

yeah the same thing happens down around

1621

00:54:17,990 --> 00:54:14,559

the torrent state hospital

1622

00:54:20,309 --> 00:54:18,000

in uh south southwestern pa

1623

00:54:22,390 --> 00:54:20,319

uh you know the gray station area where

1624

00:54:23,910 --> 00:54:22,400

the an active train track and

1625

00:54:25,510 --> 00:54:23,920

you know oftentimes i remember the

1626
00:54:27,030 --> 00:54:25,520
famous reporter the lady that was out

1627
00:54:29,510 --> 00:54:27,040
jogging and

1628
00:54:31,190 --> 00:54:29,520
saw a bigfoot coming up the tracks with

1629
00:54:33,349 --> 00:54:31,200
a deer over his shoulder that it's just

1630
00:54:37,270 --> 00:54:33,359
picked up off the

1631
00:54:37,990 --> 00:54:37,280
think about it they don't have to expend

1632
00:54:39,589 --> 00:54:38,000
so much energy

1633
00:54:41,910 --> 00:54:39,599
trying to get a meal you know the hard

1634
00:54:43,510 --> 00:54:41,920
work has been done for them right

1635
00:54:46,549 --> 00:54:43,520
all they got to do is just go and reap

1636
00:54:50,309 --> 00:54:46,559
the benefits and uh

1637
00:54:52,870 --> 00:54:50,319
why not so mike how long you guys going

1638
00:54:54,870 --> 00:54:52,880

to stay up there all weekend

1639

00:54:56,549 --> 00:54:54,880

yeah we're staying um yeah we got here

1640

00:54:58,870 --> 00:54:56,559

today we'll probably stay through

1641

00:55:00,309 --> 00:54:58,880

sunday um i know we have our campsite

1642

00:55:01,750 --> 00:55:00,319

book until monday but we're probably

1643

00:55:03,190 --> 00:55:01,760

gonna head out sunday but

1644

00:55:05,430 --> 00:55:03,200

at least you know we'll be able to take

1645

00:55:07,349 --> 00:55:05,440

our time leaving on sunday

1646

00:55:08,549 --> 00:55:07,359

so um i actually actually have to hop

1647

00:55:10,870 --> 00:55:08,559

off now but

1648

00:55:12,309 --> 00:55:10,880

we're gonna um probably do some driving

1649

00:55:13,990 --> 00:55:12,319

probably some driving around tonight do

1650

00:55:15,270 --> 00:55:14,000

a little mini night ops

1651

00:55:17,670 --> 00:55:15,280

and then uh tomorrow night we'll

1652

00:55:19,270 --> 00:55:17,680

probably do something a little more uh

1653

00:55:20,710 --> 00:55:19,280

a little more extravagant and only it's

1654

00:55:23,109 --> 00:55:20,720

only myself and one other person so

1655

00:55:26,230 --> 00:55:23,119

we're really kind of like limited on

1656

00:55:27,430 --> 00:55:26,240

what we could do but um you know play

1657

00:55:29,270 --> 00:55:27,440

you know a place like this

1658

00:55:30,870 --> 00:55:29,280

anything's possible so we're just pumped

1659

00:55:33,190 --> 00:55:30,880

up to be here and

1660

00:55:34,470 --> 00:55:33,200

and it's a gorgeous spring night too oh

1661

00:55:37,510 --> 00:55:34,480

yeah oh yeah

1662

00:55:37,910 --> 00:55:37,520

beautiful tonight yeah so yeah i hope

1663

00:55:39,589 --> 00:55:37,920

you

1664

00:55:41,430 --> 00:55:39,599

guys are successful and getting some

1665

00:55:43,829 --> 00:55:41,440

evidence and uh yeah for sure

1666

00:55:45,510 --> 00:55:43,839

anything coming up let me know about it

1667

00:55:47,430 --> 00:55:45,520

yeah absolutely

1668

00:55:49,589 --> 00:55:47,440

i think we're in for a good year i think

1669

00:55:51,030 --> 00:55:49,599

with covet thing kind of loosening up

1670

00:55:53,030 --> 00:55:51,040

and um

1671

00:55:54,309 --> 00:55:53,040

uh the team's gonna be able to get out

1672

00:55:58,069 --> 00:55:54,319

and start looking into

1673

00:55:59,510 --> 00:55:58,079

reports uh you know butch has been

1674

00:56:01,030 --> 00:55:59,520

chomping at the bit for the past year

1675

00:56:02,069 --> 00:56:01,040

and i have to get out there and do

1676
00:56:03,750 --> 00:56:02,079
something

1677
00:56:05,270 --> 00:56:03,760
and you know butch is you know he's just

1678
00:56:07,430 --> 00:56:05,280
he wants to get out there

1679
00:56:09,109 --> 00:56:07,440
and uh you know i'll send him reports

1680
00:56:11,349 --> 00:56:09,119
but he can't go anywhere but i think

1681
00:56:13,349 --> 00:56:11,359
he's gonna start looking at it now

1682
00:56:14,950 --> 00:56:13,359
uh but no there's a lot of stuff there's

1683
00:56:16,309 --> 00:56:14,960
a lot of stuff we can look into and i'm

1684
00:56:18,390 --> 00:56:16,319
quite sure

1685
00:56:20,710 --> 00:56:18,400
uh we're going to get a lot of stuff so

1686
00:56:21,910 --> 00:56:20,720
um you know we got a good team we got

1687
00:56:25,270 --> 00:56:21,920
good people and

1688
00:56:26,150 --> 00:56:25,280

uh you know the guys at cork you're you

1689

00:56:29,349 --> 00:56:26,160

know i'm

1690

00:56:32,789 --> 00:56:29,359

glad you're involved with us now and uh

1691

00:56:36,230 --> 00:56:32,799

you know like i said you know

1692

00:56:37,670 --> 00:56:36,240

i i think the sharing experiences and

1693

00:56:39,510 --> 00:56:37,680

evidence and

1694

00:56:41,030 --> 00:56:39,520

you know doing this type of thing on the

1695

00:56:43,349 --> 00:56:41,040

show and stuff is good

1696

00:56:44,470 --> 00:56:43,359

and uh it not only benefits us but it

1697

00:56:45,750 --> 00:56:44,480

benefits the people that are all

1698

00:56:48,630 --> 00:56:45,760

listening to us

1699

00:56:49,750 --> 00:56:48,640

yeah absolutely but um lon i want to

1700

00:56:50,710 --> 00:56:49,760

thank you again i want to thank you for

1701

00:56:52,789 --> 00:56:50,720

having me on the show

1702

00:56:54,710 --> 00:56:52,799

uh sean great touching base with you

1703

00:56:57,270 --> 00:56:54,720

i'll um yeah i'll let you go yeah i'll

1704

00:56:59,109 --> 00:56:57,280

definitely let you guys know how we uh

1705

00:57:00,230 --> 00:56:59,119

how we make out this weekend you know

1706

00:57:01,190 --> 00:57:00,240

maybe we could all get down here

1707

00:57:03,990 --> 00:57:01,200

together one of these days

1708

00:57:04,549 --> 00:57:04,000

absolutely oh wonderful very good yeah

1709

00:57:06,870 --> 00:57:04,559

thanks guys

1710

00:57:07,990 --> 00:57:06,880

and uh okay i will talk to you later

1711

00:57:11,270 --> 00:57:08,000

mike

1712

00:57:13,990 --> 00:57:11,280

now sean um what have you been up to

1713

00:57:14,630 --> 00:57:14,000

lately i mean you know i i get to touch

1714

00:57:16,950 --> 00:57:14,640

with you

1715

00:57:18,710 --> 00:57:16,960

once in a while but not as much as we

1716

00:57:20,230 --> 00:57:18,720

used to you know we used to do the radio

1717

00:57:21,349 --> 00:57:20,240

show together we saw each other every

1718

00:57:24,150 --> 00:57:21,359

week

1719

00:57:25,510 --> 00:57:24,160

and uh you know i know you've been busy

1720

00:57:26,710 --> 00:57:25,520

you've got a lot of things going on in

1721

00:57:29,990 --> 00:57:26,720

your life

1722

00:57:31,349 --> 00:57:30,000

and uh yeah you know i'd like to

1723

00:57:32,710 --> 00:57:31,359

i'll be glad when you can get start

1724

00:57:33,910 --> 00:57:32,720

getting out there and we start doing

1725

00:57:37,109 --> 00:57:33,920

stuff together again

1726

00:57:39,510 --> 00:57:37,119

but um absolutely yeah

1727

00:57:41,430 --> 00:57:39,520

yeah no i think i i i want to start

1728

00:57:44,230 --> 00:57:41,440

getting back out more routinely

1729

00:57:46,150 --> 00:57:44,240

uh i got a good team of people up here

1730

00:57:47,990 --> 00:57:46,160

with me that uh

1731

00:57:49,589 --> 00:57:48,000

really you know wants to get out there

1732

00:57:50,710 --> 00:57:49,599

get motivated and stay motivated to

1733

00:57:52,390 --> 00:57:50,720

follow up on these sightings

1734

00:57:54,069 --> 00:57:52,400

you know i think cove would really put a

1735

00:57:55,430 --> 00:57:54,079

dampener on a lot of things

1736

00:57:57,910 --> 00:57:55,440

you know it's easy to use that as an

1737

00:57:59,030 --> 00:57:57,920

excuse but you know in a reality

1738

00:58:01,109 --> 00:57:59,040

you know to say nothing in my

1739

00:58:01,430 --> 00:58:01,119
professional life you know it it's

1740

00:58:04,950 --> 00:58:01,440
really

1741

00:58:06,150 --> 00:58:04,960
wreaked havoc on on multiple parts of my

1742

00:58:06,950 --> 00:58:06,160
life you know i'm a professional

1743

00:58:10,150 --> 00:58:06,960
retailer

1744

00:58:11,030 --> 00:58:10,160
by my day trade and uh this has just

1745

00:58:14,150 --> 00:58:11,040
been a very

1746

00:58:15,510 --> 00:58:14,160
difficult year of constant change uh you

1747

00:58:16,230 --> 00:58:15,520
know trying to take care of that facet

1748

00:58:17,270 --> 00:58:16,240
of my life

1749

00:58:18,950 --> 00:58:17,280
you know i've been employed through the

1750

00:58:20,390 --> 00:58:18,960
whole thing so it's not that i mean it's

1751
00:58:21,430 --> 00:58:20,400
just you know trying to run a business

1752
00:58:23,589 --> 00:58:21,440
during it

1753
00:58:25,270 --> 00:58:23,599
which has been difficult uh you know my

1754
00:58:28,390 --> 00:58:25,280
daughter's graduating high school

1755
00:58:31,510 --> 00:58:28,400
in a month you know yeah

1756
00:58:33,910 --> 00:58:31,520
crazy going to college oh geez yep so

1757
00:58:34,630 --> 00:58:33,920
you know life doesn't stop for the

1758
00:58:37,750 --> 00:58:34,640
bigfoot

1759
00:58:39,349 --> 00:58:37,760
or the the research lawn and it's really

1760
00:58:41,910 --> 00:58:39,359
been a difficult balance to bring it

1761
00:58:43,829 --> 00:58:41,920
back in but it's something i'm really

1762
00:58:46,630 --> 00:58:43,839
you know you know some guys have bowling

1763
00:58:49,030 --> 00:58:46,640

you know bigfoot's my bowling

1764

00:58:50,789 --> 00:58:49,040

right so i really want to get back out

1765

00:58:51,750 --> 00:58:50,799

and embrace that there's so much going

1766

00:58:55,829 --> 00:58:51,760

on

1767

00:58:57,190 --> 00:58:55,839

know it's nice to see guys like mike

1768

00:58:59,670 --> 00:58:57,200

getting out there

1769

00:59:01,430 --> 00:58:59,680

uh you know anytime we can impart you

1770

00:59:02,950 --> 00:59:01,440

know our thoughts and

1771

00:59:04,470 --> 00:59:02,960

things that we've done that have worked

1772

00:59:06,069 --> 00:59:04,480

it's always a pleasure for me to be able

1773

00:59:07,510 --> 00:59:06,079

to talk with guys like that and get out

1774

00:59:09,030 --> 00:59:07,520

in the field with them too

1775

00:59:10,710 --> 00:59:09,040

because we're always learning from each

1776

00:59:11,990 --> 00:59:10,720

other yeah it's good to have the young

1777

00:59:12,549 --> 00:59:12,000

guys getting involved with those old

1778

00:59:16,230 --> 00:59:12,559

guys

1779

00:59:17,750 --> 00:59:16,240

too you know and uh you know i'm glad

1780

00:59:20,470 --> 00:59:17,760

that some of the younger folks are

1781

00:59:22,950 --> 00:59:20,480

getting involved with with the whole uh

1782

00:59:23,750 --> 00:59:22,960

paranormal encrypted investigations as

1783

00:59:26,470 --> 00:59:23,760

well so

1784

00:59:28,630 --> 00:59:26,480

um absolutely you know it's uh it's kind

1785

00:59:31,190 --> 00:59:28,640

of passion to torch

1786

00:59:31,670 --> 00:59:31,200

and but i'm gonna be around it well i

1787

00:59:34,230 --> 00:59:31,680

hope

1788

00:59:35,990 --> 00:59:34,240

right i plan on living until i'm 150 so

1789

00:59:37,910 --> 00:59:36,000

it's going to be a long haul

1790

00:59:40,150 --> 00:59:37,920

still got a long time for that one and i

1791

00:59:40,870 --> 00:59:40,160

think i think butch is going to beat me

1792

00:59:43,030 --> 00:59:40,880

though

1793

00:59:46,470 --> 00:59:43,040

that guy is just he's chomping at the

1794

00:59:50,069 --> 00:59:46,480

bit man to get out there and

1795

00:59:51,910 --> 00:59:50,079

yeah yeah we're gonna have to get on the

1796

00:59:52,950 --> 00:59:51,920

road and do a few things as well you

1797

00:59:56,150 --> 00:59:52,960

know

1798

00:59:57,349 --> 00:59:56,160

i i we need to get out and do some shows

1799

01:00:01,430 --> 00:59:57,359

and such and

1800

01:00:03,430 --> 01:00:01,440

do some appearances together and um

1801

01:00:04,470 --> 01:00:03,440

uh you know that's a whole lot of fun

1802

01:00:06,549 --> 01:00:04,480

when we do that

1803

01:00:07,670 --> 01:00:06,559

so you know i talked to seth breedlove

1804

01:00:10,230 --> 01:00:07,680

today he's out

1805

01:00:10,870 --> 01:00:10,240

filming filming and they're on the road

1806

01:00:12,789 --> 01:00:10,880

and uh

1807

01:00:14,710 --> 01:00:12,799

couldn't make our paths cross but i was

1808

01:00:16,470 --> 01:00:14,720

hoping to see them this week but

1809

01:00:18,390 --> 01:00:16,480

they ran behind schedule but they got

1810

01:00:20,309 --> 01:00:18,400

some good stuff coming out too lon that

1811

01:00:21,430 --> 01:00:20,319

i think the officers are gonna like this

1812

01:00:24,710 --> 01:00:21,440

year

1813

01:00:26,470 --> 01:00:24,720

yeah i saw that uh i saw that they were

1814

01:00:29,510 --> 01:00:26,480

in the airport getting ready to go out

1815

01:00:31,510 --> 01:00:29,520

and start working on some stuff so uh

1816

01:00:33,349 --> 01:00:31,520

okay sean well i thank you for coming on

1817

01:00:35,030 --> 01:00:33,359

tonight uh my pleasure man always

1818

01:00:36,390 --> 01:00:35,040

and uh yeah we're gonna have to get

1819

01:00:38,150 --> 01:00:36,400

together and do this again

1820

01:00:39,750 --> 01:00:38,160

it's always fun getting some of the team

1821

01:00:42,230 --> 01:00:39,760

to come on the show and

1822

01:00:43,910 --> 01:00:42,240

and talk about what we love to do so you

1823

01:00:45,349 --> 01:00:43,920

take care have a good weekend and i'll

1824

01:00:46,950 --> 01:00:45,359

be talking to you soon

1825

01:00:50,069 --> 01:00:46,960

you bet thank you so much i'll see you

1826
01:00:55,829 --> 01:00:54,069
so if you have an unexplained encounter

1827
01:00:57,109 --> 01:00:55,839
or sighting feel free to contact me

1828
01:00:57,990 --> 01:00:57,119
through the phantoms of monsters blog

1829
01:01:00,150 --> 01:00:58,000
site

1830
01:01:02,069 --> 01:01:00,160
i want to again thank uh sean fork and

1831
01:01:04,630 --> 01:01:02,079
mike lucci for joining me this evening

1832
01:01:07,270 --> 01:01:04,640
and thanks to each and all of you

1833
01:01:09,430 --> 01:01:07,280
for watching and chatting uh if you made

1834
01:01:12,309 --> 01:01:09,440
a super chat donation

1835
01:01:13,430 --> 01:01:12,319
it's truly appreciated your support is

1836
01:01:15,829 --> 01:01:13,440
what makes all this

1837
01:01:17,109 --> 01:01:15,839
possible and uh please like subscribe

1838
01:01:20,230 --> 01:01:17,119

and share

1839

01:01:22,630 --> 01:01:20,240

so until next week and next week we have

1840

01:01:24,150 --> 01:01:22,640

stan gordon coming on so

1841

01:01:27,109 --> 01:01:24,160

of course when stan comes on we're

1842

01:01:29,190 --> 01:01:27,119

talking about all kinds of stuff pa

1843

01:01:30,309 --> 01:01:29,200

and uh it should be interesting he's

1844

01:01:32,630 --> 01:01:30,319

been busy so

1845

01:01:42,420 --> 01:01:32,640

stay healthy have a safe enjoyable

1846

01:01:42,430 --> 01:01:55,040

[Music]

1847

01:01:55,050 --> 01:02:20,120

[Applause]

1848

01:02:20,130 --> 01:02:32,829

[Music]

1849

01:02:58,549 --> 01:02:34,000

so
