**Your Host** **With Guest**  
**Lon Strickler** **Shannon LeGro**

Shannon LeGro - Podcast Host & Film Personality - May 28th, 2021

1  
00:00:08,870 --> 00:00:05,510  
the oldest

2  
00:00:11,110 --> 00:00:08,880  
and strongest human emotion is fear

3  
00:00:12,070 --> 00:00:11,120  
and the oldest and strongest type of

4  
00:00:15,270 --> 00:00:12,080  
fear

5  
00:00:17,750 --> 00:00:15,280  
is trepidation of the unknown

6  
00:00:21,189 --> 00:00:17,760  
when we were children our parents told

7  
00:00:23,670 --> 00:00:21,199  
us that monsters didn't exist

8  
00:00:26,870 --> 00:00:23,680  
but we were sure that something was

9  
00:00:31,429 --> 00:00:26,880  
lurking under the bed or in the closet

10  
00:00:34,549 --> 00:00:31,439  
fear sees even if our eyes are closed

11  
00:00:35,430 --> 00:00:34,559  
welcome to the realm of the arcane my

12  
00:00:38,310 --> 00:00:35,440  
name is lon

13  
00:00:40,150 --> 00:00:38,320

stripler join me as i examine

14

00:00:42,830 --> 00:00:40,160

unexplained creatures

15

00:00:45,110 --> 00:00:42,840

strange manifestations and remarkable

16

00:00:48,069 --> 00:00:45,120

realities

17

00:00:50,709 --> 00:00:48,079

imagine this next hour as a voyage of

18

00:00:53,830 --> 00:00:50,719

discovery to strange lands

19

00:00:56,549 --> 00:00:53,840

seeking not for new territory but for

20

00:00:57,189 --> 00:00:56,559

new knowledge of the supernatural come

21

00:01:00,530 --> 00:00:57,199

on board

22

00:01:03,830 --> 00:01:00,540

as we begin this adventure together

23

00:01:07,830 --> 00:01:05,350

folks good evening welcome to another

24

00:01:09,270 --> 00:01:07,840

episode of arcane radio where we explore

25

00:01:11,750 --> 00:01:09,280

the unexplained

26  
00:01:12,950 --> 00:01:11,760  
live on beyond explanation i'm your host

27  
00:01:14,950 --> 00:01:12,960  
lon strickler

28  
00:01:17,830 --> 00:01:14,960  
coming to you within a candid shot of

29  
00:01:21,510 --> 00:01:17,840  
historic gettysburg pennsylvania

30  
00:01:23,350 --> 00:01:21,520  
so a quick note uh like we normally say

31  
00:01:24,870 --> 00:01:23,360  
begin the show arcane radio and beyond

32  
00:01:27,109 --> 00:01:24,880  
explanation channel

33  
00:01:29,990 --> 00:01:27,119  
is made possible by you liking

34  
00:01:32,469 --> 00:01:30,000  
subscribing and sharing our programming

35  
00:01:33,830 --> 00:01:32,479  
super chat donations are essential for

36  
00:01:36,310 --> 00:01:33,840  
us to continue

37  
00:01:38,069 --> 00:01:36,320  
offering you you this unique content and

38  
00:01:42,469 --> 00:01:38,079

your consideration

39

00:01:45,109 --> 00:01:42,479

is very much appreciated now um

40

00:01:45,830 --> 00:01:45,119

i am gonna i'm gonna basically talk

41

00:01:47,749 --> 00:01:45,840

about

42

00:01:50,069 --> 00:01:47,759

the cryptid activity and reports that

43

00:01:53,190 --> 00:01:50,079

we've been picking up lately you know

44

00:01:55,910 --> 00:01:53,200

we've received three

45

00:01:57,190 --> 00:01:55,920

wing being reports in the chicago region

46

00:01:59,910 --> 00:01:57,200

over the past

47

00:02:00,709 --> 00:01:59,920

i don't know three weeks or so and um

48

00:02:04,950 --> 00:02:00,719

and as well

49

00:02:06,950 --> 00:02:04,960

stan gordon has reported on two supposed

50

00:02:08,949 --> 00:02:06,960

thunderbird sightings in and around

51

00:02:11,670 --> 00:02:08,959

green greensburg

52

00:02:13,350 --> 00:02:11,680

uh pennsylvania and a bigfoot encounter

53

00:02:16,630 --> 00:02:13,360

in fayette county

54

00:02:19,990 --> 00:02:16,640

that was uh just reported this past

55

00:02:22,390 --> 00:02:20,000

week or so and that was sent over to

56

00:02:23,510 --> 00:02:22,400

eric over at the pennsylvania bigfoot

57

00:02:25,750 --> 00:02:23,520

society

58

00:02:28,270 --> 00:02:25,760

so if you have an encounter sighting

59

00:02:30,309 --> 00:02:28,280

feel free to contact me at

60

00:02:32,229 --> 00:02:30,319

lawnstripperfansmonsters.com or call me

61

00:02:36,229 --> 00:02:32,239

directly uh using the phone number

62

00:02:38,949 --> 00:02:36,239

posted at phantomsomemonsters.com so

63

00:02:39,430 --> 00:02:38,959

tonight i welcome paranormal researcher

64

00:02:42,229 --> 00:02:39,440

author

65

00:02:43,430 --> 00:02:42,239

and into the fray podcaster shannon

66

00:02:44,710 --> 00:02:43,440

legrill

67

00:02:47,030 --> 00:02:44,720

shannon has been interested in

68

00:02:49,190 --> 00:02:47,040

paranormal ever since she was a teen

69

00:02:51,589 --> 00:02:49,200

after her own paranormal sighting of

70

00:02:54,309 --> 00:02:51,599

something truly anomalous

71

00:02:55,030 --> 00:02:54,319

and although it's not what her encounter

72

00:02:57,430 --> 00:02:55,040

entailed

73

00:02:58,710 --> 00:02:57,440

is one of her passions as a subject with

74

00:03:01,830 --> 00:02:58,720

sasquatch

75

00:03:03,910 --> 00:03:01,840

she strives to bring a fresh perspective

76  
00:03:05,670 --> 00:03:03,920  
and an open mind to the most intriguing

77  
00:03:07,910 --> 00:03:05,680  
mysteries in our universe

78  
00:03:10,229 --> 00:03:07,920  
she is a host and producer of the

79  
00:03:13,110 --> 00:03:10,239  
popular podcast into the fray

80  
00:03:15,190 --> 00:03:13,120  
and can also be heard as a guest host on

81  
00:03:17,670 --> 00:03:15,200  
midnight in the desert

82  
00:03:19,110 --> 00:03:17,680  
you can also see her in several small

83  
00:03:21,350 --> 00:03:19,120  
town monsters production

84  
00:03:23,670 --> 00:03:21,360  
including on the trail of bigfoot and on

85  
00:03:25,509 --> 00:03:23,680  
the trail of ufos and uh there's a new

86  
00:03:27,830 --> 00:03:25,519  
one coming out soon

87  
00:03:28,550 --> 00:03:27,840  
and it just was uh like they just

88  
00:03:31,430 --> 00:03:28,560

wrapped up

89

00:03:32,789 --> 00:03:31,440

filming this week so um her weekly show

90

00:03:35,350 --> 00:03:32,799

into the fray

91

00:03:37,910 --> 00:03:35,360

has shannon speaking to witnesses of

92

00:03:39,990 --> 00:03:37,920

cryptids ufos of various aspects

93

00:03:41,589 --> 00:03:40,000

of the paranormal she has co-authored

94

00:03:45,190 --> 00:03:41,599

books on both bigfoot

95

00:03:47,430 --> 00:03:45,200

and the paranormal and

96

00:03:49,430 --> 00:03:47,440

she founded beyond fray publishing as

97

00:03:53,270 --> 00:03:49,440

well doing very well

98

00:03:53,750 --> 00:03:53,280

uh shannon's website is into thefray.com

99

00:03:56,229 --> 00:03:53,760

so

100

00:03:58,149 --> 00:03:56,239

shannon thanks for joining me well thank

101  
00:03:59,429 --> 00:03:58,159  
you lon very happy to be back on with

102  
00:04:02,149 --> 00:03:59,439  
you

103  
00:04:02,869 --> 00:04:02,159  
so let's uh let's kind of go over again

104  
00:04:05,830 --> 00:04:02,879  
what you

105  
00:04:07,830 --> 00:04:05,840  
how you got involved in all this uh how

106  
00:04:10,789 --> 00:04:07,840  
you became interested in the paranormal

107  
00:04:13,030 --> 00:04:10,799  
and what you know what put you on your

108  
00:04:15,750 --> 00:04:13,040  
your path to what you do now

109  
00:04:16,150 --> 00:04:15,760  
absolutely so yeah i guess we all have

110  
00:04:18,469 --> 00:04:16,160  
those

111  
00:04:19,670 --> 00:04:18,479  
inception stories right and i certainly

112  
00:04:22,069 --> 00:04:19,680  
do as well

113  
00:04:22,870 --> 00:04:22,079

and mine was and i apologize i know a

114

00:04:25,030 --> 00:04:22,880

lot of you guys

115

00:04:26,550 --> 00:04:25,040

probably heard me tell this a lot but if

116

00:04:28,390 --> 00:04:26,560

there are a couple that haven't heard it

117

00:04:29,909 --> 00:04:28,400

they may wonder why i'm

118

00:04:31,590 --> 00:04:29,919

i'm into the weird so i'm going to tell

119

00:04:35,510 --> 00:04:31,600

it again sorry guys

120

00:04:38,469 --> 00:04:35,520

just bear with me so around 12 years old

121

00:04:39,990 --> 00:04:38,479

and my dad has a cabin in in utah in

122

00:04:42,070 --> 00:04:40,000

duck creek utah to be

123

00:04:44,070 --> 00:04:42,080

specific duck creek is a place where a

124

00:04:46,870 --> 00:04:44,080

lot of los vegas like to go

125

00:04:48,070 --> 00:04:46,880

it's about five hours outside of town so

126

00:04:49,510 --> 00:04:48,080

we would go out there

127

00:04:52,550 --> 00:04:49,520

especially heavily in the summer

128

00:04:55,350 --> 00:04:52,560

obviously and all we did as kids was

129

00:04:56,469 --> 00:04:55,360

either take our pellet guns out little

130

00:04:59,350 --> 00:04:56,479

target practice

131

00:05:00,230 --> 00:04:59,360

fishing or falling on this particular

132

00:05:03,270 --> 00:05:00,240

day

133

00:05:06,710 --> 00:05:03,280

it was quite nice out so we went

134

00:05:07,270 --> 00:05:06,720

forward and i just want to go ahead and

135

00:05:09,670 --> 00:05:07,280

note

136

00:05:11,430 --> 00:05:09,680

right off the bat that my dad had gone

137

00:05:14,550 --> 00:05:11,440

down into cedar city to do

138

00:05:16,390 --> 00:05:14,560

something or other so i

139

00:05:17,749 --> 00:05:16,400

decided not to wear my helmet which is

140

00:05:19,350 --> 00:05:17,759

not a smart idea uh

141

00:05:21,909 --> 00:05:19,360

for anybody to do if you're writing such

142

00:05:23,830 --> 00:05:21,919

a thing so that comes into play

143

00:05:25,909 --> 00:05:23,840

uh later and you'll find out why so i

144

00:05:28,870 --> 00:05:25,919

had no helmet and no goggles on

145

00:05:30,310 --> 00:05:28,880

and the way that the roads there are set

146

00:05:30,870 --> 00:05:30,320

up they're not really they're roads but

147

00:05:33,510 --> 00:05:30,880

they're not

148

00:05:35,350 --> 00:05:33,520

paved so they're dirt so my brothers are

149

00:05:37,749 --> 00:05:35,360

riding in front of me

150

00:05:39,110 --> 00:05:37,759

and we're riding at a pretty good clip

151

00:05:42,070 --> 00:05:39,120

down one of these roads it's

152

00:05:42,629 --> 00:05:42,080

it's really a grid pattern uh in this

153

00:05:44,790 --> 00:05:42,639

area

154

00:05:46,230 --> 00:05:44,800

so you can ride pretty quickly not a lot

155

00:05:49,270 --> 00:05:46,240

of traffic obviously

156

00:05:51,590 --> 00:05:49,280

pretty rural area and laid back so

157

00:05:52,950 --> 00:05:51,600

i'm hanging back because i don't want

158

00:05:54,310 --> 00:05:52,960

dust in my face because i don't have

159

00:05:55,510 --> 00:05:54,320

those goggles and i don't have that

160

00:05:57,990 --> 00:05:55,520

helmet on

161

00:05:59,029 --> 00:05:58,000

and at some point i look off into the

162

00:06:02,390 --> 00:05:59,039

woods

163

00:06:03,350 --> 00:06:02,400

to my right and now it's broad daylight

164

00:06:05,590 --> 00:06:03,360

no clouds

165

00:06:07,990 --> 00:06:05,600

i can see perfectly fine and off to my

166

00:06:11,670 --> 00:06:08,000

right i can see

167

00:06:14,070 --> 00:06:11,680

four pitch black what we now would call

168

00:06:15,029 --> 00:06:14,080

shadow figures shadow people whatever

169

00:06:19,189 --> 00:06:15,039

they are

170

00:06:20,790 --> 00:06:19,199

keeping pace with me as i am

171

00:06:22,790 --> 00:06:20,800

really moving at a good clip on my

172

00:06:25,830 --> 00:06:22,800

four-wheeler and

173

00:06:27,990 --> 00:06:25,840

this of course immediately catches my

174

00:06:30,150 --> 00:06:28,000

attention because i know that they are

175

00:06:31,189 --> 00:06:30,160

very very odd these are not people they

176

00:06:33,270 --> 00:06:31,199

were

177

00:06:34,469 --> 00:06:33,280

beyond completely devoid of light it was

178

00:06:36,710 --> 00:06:34,479

almost like

179

00:06:38,390 --> 00:06:36,720

they were the cut outs of the deepest

180

00:06:40,469 --> 00:06:38,400

darkest night and somehow

181

00:06:41,749 --> 00:06:40,479

still darker than that no light touched

182

00:06:45,350 --> 00:06:41,759

them uh

183

00:06:46,710 --> 00:06:45,360

also interesting to note it wasn't like

184

00:06:48,070 --> 00:06:46,720

they were running through the trees it's

185

00:06:49,990 --> 00:06:48,080

just like the trees weren't affecting

186

00:06:53,749 --> 00:06:50,000

them they didn't have to

187

00:06:55,430 --> 00:06:53,759

dodge or duck any trees

188

00:06:56,950 --> 00:06:55,440

they were not in their way in any way

189

00:06:59,110 --> 00:06:56,960

shape or form

190

00:07:00,390 --> 00:06:59,120

and they were moving their arms and legs

191

00:07:03,270 --> 00:07:00,400

while they were running which

192

00:07:04,790 --> 00:07:03,280

immediatly also made me go why do you

193

00:07:07,909 --> 00:07:04,800

guys need to do that

194

00:07:09,909 --> 00:07:07,919

uh i watched them for about five seconds

195

00:07:11,589 --> 00:07:09,919

a full five seconds pretty good amount

196

00:07:13,270 --> 00:07:11,599

of time before i

197

00:07:14,790 --> 00:07:13,280

figured i had to check my path in front

198

00:07:16,629 --> 00:07:14,800

of me which i did

199

00:07:19,029 --> 00:07:16,639

and i immediatly looked back and they

200

00:07:21,430 --> 00:07:19,039

were gone and

201  
00:07:24,070 --> 00:07:21,440  
those five seconds was all it took

202  
00:07:27,830 --> 00:07:24,080  
granted i didn't really talk about this

203  
00:07:29,749 --> 00:07:27,840  
experience until i mean 30 years later

204  
00:07:31,430 --> 00:07:29,759  
when i was on sasquatch chronicles when

205  
00:07:34,629 --> 00:07:31,440  
i really had told it

206  
00:07:37,589 --> 00:07:34,639  
in full for the very first time it was

207  
00:07:38,469 --> 00:07:37,599  
strike that let let me say for the

208  
00:07:40,870 --> 00:07:38,479  
second time

209  
00:07:42,790 --> 00:07:40,880  
but the first time was to my father

210  
00:07:45,510 --> 00:07:42,800  
right after it happened he got back

211  
00:07:47,510 --> 00:07:45,520  
and i told him and he said oh they do

212  
00:07:49,510 --> 00:07:47,520  
military exercises out here all the time

213  
00:07:52,150 --> 00:07:49,520

he's a military guy so

214

00:07:52,950 --> 00:07:52,160

that was um not that that shut me down

215

00:07:54,790 --> 00:07:52,960

all the way

216

00:07:56,150 --> 00:07:54,800

but it it definitely kind of makes you

217

00:07:58,309 --> 00:07:56,160

go oh okay

218

00:07:59,990 --> 00:07:58,319

i'll just zip my lips about that you

219

00:08:00,629 --> 00:08:00,000

know it's kind of a weird thing anyway

220

00:08:04,230 --> 00:08:00,639

so

221

00:08:07,270 --> 00:08:04,240

i i knew what i saw was very strange and

222

00:08:07,670 --> 00:08:07,280

i've said many times as i'm sure you've

223

00:08:10,469 --> 00:08:07,680

heard

224

00:08:11,909 --> 00:08:10,479

something similar along that when you

225

00:08:13,270 --> 00:08:11,919

see something weird that's one thing but

226

00:08:14,950 --> 00:08:13,280

when it interacts with you

227

00:08:16,390 --> 00:08:14,960

that's another these guys did not

228

00:08:16,869 --> 00:08:16,400

interact with me in any way shape or

229

00:08:18,230 --> 00:08:16,879

form

230

00:08:20,390 --> 00:08:18,240

they didn't look over they didn't wave

231

00:08:21,430 --> 00:08:20,400

they didn't wink there was no not even a

232

00:08:24,150 --> 00:08:21,440

mention a

233

00:08:24,469 --> 00:08:24,160

a whisper of a head turn towards me even

234

00:08:27,909 --> 00:08:24,479

though

235

00:08:31,189 --> 00:08:27,919

i'd say they were 20

236

00:08:31,830 --> 00:08:31,199

20 to 30 yards within the the forest

237

00:08:33,350 --> 00:08:31,840

there

238

00:08:35,350 --> 00:08:33,360

and it's important to note this part of

239

00:08:36,870 --> 00:08:35,360

utah had almost no ground brush

240

00:08:38,550 --> 00:08:36,880

it was just those aspen trees they're

241

00:08:40,230 --> 00:08:38,560

very skinny very tall

242

00:08:42,389 --> 00:08:40,240

no ground brush i saw them perfectly

243

00:08:45,829 --> 00:08:42,399

fine so i just

244

00:08:47,750 --> 00:08:45,839

think that i got a glimpse maybe into

245

00:08:49,910 --> 00:08:47,760

another realm another dimension there

246

00:08:51,750 --> 00:08:49,920

for a few seconds and i don't even know

247

00:08:52,070 --> 00:08:51,760

if they were aware that i was there but

248

00:09:24,710 --> 00:08:52,080

i

249

00:09:26,310 --> 00:09:24,720

four-wheeler

250

00:09:29,190 --> 00:09:26,320

well that's a little bit different you

251  
00:09:30,790 --> 00:09:29,200  
know yeah so you you really have no idea

252  
00:09:33,509 --> 00:09:30,800  
what it was

253  
00:09:35,110 --> 00:09:33,519  
no and i wouldn't pretend to you know be

254  
00:09:35,990 --> 00:09:35,120  
one of those people that says i know

255  
00:09:38,710 --> 00:09:36,000  
because i absolutely

256  
00:09:39,190 --> 00:09:38,720  
do not it was pretty cool to run to see

257  
00:09:41,430 --> 00:09:39,200  
them

258  
00:09:43,030 --> 00:09:41,440  
keeping pace with me as i'm really

259  
00:09:45,190 --> 00:09:43,040  
hauling tushy on my

260  
00:09:46,310 --> 00:09:45,200  
four-wheeler i was going up the cliff i

261  
00:09:49,190 --> 00:09:46,320  
mean you know

262  
00:09:50,150 --> 00:09:49,200  
your kids and of course i still tend to

263  
00:09:52,710 --> 00:09:50,160

drive a little fast

264

00:09:54,150 --> 00:09:52,720

now but uh you know you're reckless and

265

00:09:56,470 --> 00:09:54,160

you're you may be driving a little

266

00:09:59,269 --> 00:09:56,480

quicker than you should but um

267

00:10:00,710 --> 00:09:59,279

yeah i i didn't write after that for a

268

00:10:02,230 --> 00:10:00,720

couple of days because it really did

269

00:10:04,470 --> 00:10:02,240

shake me up enough i mean it didn't

270

00:10:06,470 --> 00:10:04,480

terrify me or anything but um

271

00:10:08,790 --> 00:10:06,480

it was enough for me to to go hey let's

272

00:10:10,389 --> 00:10:08,800

just go uh let's go fishing or let's

273

00:10:12,310 --> 00:10:10,399

hang out at the cabin and my brother's

274

00:10:15,430 --> 00:10:12,320

like what is your problem

275

00:10:17,590 --> 00:10:15,440

they didn't understand at all

276

00:10:19,430 --> 00:10:17,600

so you had that experience and then you

277

00:10:20,870 --> 00:10:19,440

became interested in sasquatch and how

278

00:10:22,870 --> 00:10:20,880

did that work

279

00:10:24,470 --> 00:10:22,880

you know what i i don't have really an

280

00:10:25,590 --> 00:10:24,480

inception story into that a lot of

281

00:10:27,910 --> 00:10:25,600

people were like i have

282

00:10:28,870 --> 00:10:27,920

you know i saw boggy creek or i you know

283

00:10:30,310 --> 00:10:28,880

they have some

284

00:10:32,310 --> 00:10:30,320

i really don't have a good story for

285

00:10:33,030 --> 00:10:32,320

that i'm really boring in that aspect i

286

00:10:37,590 --> 00:10:33,040

just

287

00:10:40,230 --> 00:10:37,600

never stopped for me and then

288

00:10:42,150 --> 00:10:40,240

i found podcasts at some point because i

289

00:10:43,750 --> 00:10:42,160

had been consuming books and all

290

00:10:46,550 --> 00:10:43,760

whatever i could get my hands on and

291

00:10:48,790 --> 00:10:46,560

then podcasts i found those

292

00:10:49,750 --> 00:10:48,800

and that's all i would listen to i mean

293

00:10:51,910 --> 00:10:49,760

i'd listen to you

294

00:10:54,949 --> 00:10:51,920

i'd listen to i mean all you guys that

295

00:10:56,710 --> 00:10:54,959

have been in this for a very long time

296

00:10:58,550 --> 00:10:56,720

i was consuming all i could and then

297

00:11:00,790 --> 00:10:58,560

actually books got put down

298

00:11:02,470 --> 00:11:00,800

on the back burner and podcast became my

299

00:11:04,470 --> 00:11:02,480

main way of consuming

300

00:11:08,150 --> 00:11:04,480

these stories from these experiencers

301

00:11:11,990 --> 00:11:10,069

you know it it's kind of difficult for

302

00:11:13,110 --> 00:11:12,000

me to understand how people even get

303

00:11:16,230 --> 00:11:13,120

into the

304

00:11:17,590 --> 00:11:16,240

bigfoot sasquatch or cryptids in general

305

00:11:18,790 --> 00:11:17,600

unless they had an encounter and i've

306

00:11:19,670 --> 00:11:18,800

been fortunate enough to have an

307

00:11:22,389 --> 00:11:19,680

encounter

308

00:11:23,750 --> 00:11:22,399

and uh you know i can understand it on

309

00:11:25,670 --> 00:11:23,760

that level

310

00:11:27,509 --> 00:11:25,680

because you know all i ever did before

311

00:11:29,910 --> 00:11:27,519

was just paranormal investigations you

312

00:11:31,509 --> 00:11:29,920

know homes and businesses and such

313

00:11:33,430 --> 00:11:31,519

of bumps in the night and other strange

314

00:11:35,590 --> 00:11:33,440

phenomena but

315

00:11:36,710 --> 00:11:35,600

when i did have that encounter in 81

316

00:11:39,509 --> 00:11:36,720

well that just changed

317

00:11:41,030 --> 00:11:39,519

forever and how does anybody really get

318

00:11:43,990 --> 00:11:41,040

into this

319

00:11:45,190 --> 00:11:44,000

you know other than being pushed into it

320

00:11:47,430 --> 00:11:45,200

some other way

321

00:11:48,949 --> 00:11:47,440

i i just find that a little difficult

322

00:11:50,069 --> 00:11:48,959

but you know i can understand it you

323

00:11:51,750 --> 00:11:50,079

know it's something

324

00:11:53,750 --> 00:11:51,760

people want to know what thing you know

325

00:11:54,790 --> 00:11:53,760

what goes on and uh you know it just

326

00:11:58,629 --> 00:11:54,800

becomes

327

00:12:01,430 --> 00:11:58,639

comes for a lot of people obsession but

328

00:12:02,790 --> 00:12:01,440

you know yeah we all become a enthusiast

329

00:12:04,710 --> 00:12:02,800

of a lot of different things for a lot

330

00:12:07,829 --> 00:12:04,720

of different reasons

331

00:12:10,230 --> 00:12:07,839

yeah i mean did you did you go fishing

332

00:12:12,470 --> 00:12:10,240

long after that experience their lawn i

333

00:12:14,470 --> 00:12:12,480

mean you know go down by the water and

334

00:12:17,990 --> 00:12:14,480

enjoy it quite quite i'll be honest with

335

00:12:19,829 --> 00:12:18,000

you i had never gone fishing there again

336

00:12:21,110 --> 00:12:19,839

i don't know if that's the reason why

337

00:12:23,910 --> 00:12:21,120

you know life

338

00:12:24,949 --> 00:12:23,920

life happens so you never know uh you

339

00:12:28,470 --> 00:12:24,959

know it's a story

340

00:12:29,030 --> 00:12:28,480

that i didn't i didn't tell many people

341

00:12:32,990 --> 00:12:29,040

about

342

00:12:36,310 --> 00:12:33,000

for years uh until maybe

343

00:12:38,790 --> 00:12:36,320

1995 which was like

344

00:12:40,389 --> 00:12:38,800

14 years later when the bfro mistake

345

00:12:43,350 --> 00:12:40,399

we're taking reports

346

00:12:45,430 --> 00:12:43,360

and i called the local bfro investigator

347

00:12:47,030 --> 00:12:45,440

and i told him about it

348

00:12:48,870 --> 00:12:47,040

that's the first that's the first that

349

00:12:51,990 --> 00:12:48,880

really got out yeah

350

00:12:54,389 --> 00:12:52,000

but uh yeah uh no i'm you know but i did

351

00:12:55,430 --> 00:12:54,399

start getting interested in it you know

352

00:12:58,470 --> 00:12:55,440

the uh the whole

353

00:12:59,269 --> 00:12:58,480

big sykesville monster phenomena which

354

00:13:02,069 --> 00:12:59,279

would have

355

00:13:04,230 --> 00:13:02,079

actually happened years before that but

356

00:13:07,030 --> 00:13:04,240

uh that area still has a lot of

357

00:13:07,670 --> 00:13:07,040

sightings even though it's much more you

358

00:13:09,750 --> 00:13:07,680

know it's

359

00:13:11,590 --> 00:13:09,760

built up a lot now you know but that

360

00:13:13,509 --> 00:13:11,600

that part of the state park

361

00:13:15,190 --> 00:13:13,519

well even all the patapsco state park

362

00:13:18,790 --> 00:13:15,200

has had a lot of phenomena

363

00:13:20,389 --> 00:13:18,800

including a lot of ufo activity

364

00:13:22,710 --> 00:13:20,399

what do you think and sorry to flip this

365

00:13:24,790 --> 00:13:22,720

grip here real quick but

366

00:13:26,310 --> 00:13:24,800

what what would you change about your

367

00:13:27,829 --> 00:13:26,320

your sighting you know would have been

368

00:13:30,230 --> 00:13:27,839

closer farther what

369

00:13:31,110 --> 00:13:30,240

i mean what what details maybe would you

370

00:13:33,590 --> 00:13:31,120

have

371

00:13:34,870 --> 00:13:33,600

changed about how you saw it or where

372

00:13:38,389 --> 00:13:34,880

you saw it

373

00:13:39,030 --> 00:13:38,399

well not nothing really other than the

374

00:13:41,269 --> 00:13:39,040

fact

375

00:13:43,189 --> 00:13:41,279

you know of course there was all this

376

00:13:44,790 --> 00:13:43,199

government involvement

377

00:13:47,269 --> 00:13:44,800

you know right after it happened which

378

00:13:50,389 --> 00:13:47,279

kind of confused me for a long time

379

00:13:52,949 --> 00:13:50,399

and i didn't really know why

380

00:13:54,470 --> 00:13:52,959

that became part of what i had

381

00:13:57,670 --> 00:13:54,480

experienced

382

00:14:00,470 --> 00:13:57,680

uh you know when i first saw that thing

383

00:14:01,430 --> 00:14:00,480

it it it looked like a neanderthal or

384

00:14:03,910 --> 00:14:01,440

what a

385

00:14:05,670 --> 00:14:03,920

wreck you know of the uh description of

386

00:14:07,910 --> 00:14:05,680

a neanderthal would have been

387

00:14:09,269 --> 00:14:07,920

and that's what i referred to it being

388

00:14:11,189 --> 00:14:09,279

like a uh

389

00:14:12,870 --> 00:14:11,199

an early caveman or something to that

390

00:14:14,710 --> 00:14:12,880

effect you know because it didn't look

391

00:14:18,069 --> 00:14:14,720

more human than it did

392

00:14:21,189 --> 00:14:18,079

you know uh ape or you know so

393

00:14:22,629 --> 00:14:21,199

um you know that's why i really say a

394

00:14:25,189 --> 00:14:22,639

whole lot but of course when all

395

00:14:25,670 --> 00:14:25,199

this you know when i went back and all

396

00:14:31,590 --> 00:14:25,680

these

397

00:14:33,269 --> 00:14:31,600

and you know local authorities

398

00:14:35,430 --> 00:14:33,279

you know it that just went into an

399

00:14:37,590 --> 00:14:35,440

entirely different realm

400

00:14:39,350 --> 00:14:37,600

and that's why i think that's really why

401

00:14:43,030 --> 00:14:39,360

i became more interested

402

00:14:46,790 --> 00:14:43,040

because i was kind of surprised

403

00:14:47,430 --> 00:14:46,800

that they would really be interested in

404

00:14:50,790 --> 00:14:47,440

what

405

00:14:52,550 --> 00:14:50,800

i had seen and

406

00:14:54,069 --> 00:14:52,560

apparently someone else well i know

407

00:14:55,910 --> 00:14:54,079

someone had seen it

408

00:14:57,750 --> 00:14:55,920

earlier that same day and they were

409

00:15:00,389 --> 00:14:57,760

chasing it so

410

00:15:00,949 --> 00:15:00,399

i don't know what the whole situation

411

00:15:03,910 --> 00:15:00,959

was

412

00:15:04,310 --> 00:15:03,920

but i think this thing i think this

413

00:15:07,829 --> 00:15:04,320

thing

414

00:15:09,750 --> 00:15:07,839

probably escaped from somewhere now this

415

00:15:12,069 --> 00:15:09,760

the area where i lived at was between

416

00:15:14,310 --> 00:15:12,079

baltimore and washington and you know

417

00:15:16,069 --> 00:15:14,320

there's a lot of government facilities

418

00:15:17,350 --> 00:15:16,079

all around there that we have no idea

419

00:15:19,670 --> 00:15:17,360

what's going on

420

00:15:22,069 --> 00:15:19,680

yeah and uh i i think there was

421

00:15:24,870 --> 00:15:22,079

something involved there

422

00:15:25,430 --> 00:15:24,880

so you know it's you know and over the

423

00:15:28,470 --> 00:15:25,440

years

424

00:15:30,629 --> 00:15:28,480

the you know investigating uh

425

00:15:32,310 --> 00:15:30,639

the bigfoot activity and some of the

426

00:15:35,350 --> 00:15:32,320

other stuff that happened around that

427

00:15:37,829 --> 00:15:35,360

baltimore washington metro area uh i

428

00:15:38,829 --> 00:15:37,839

i've become pretty convinced that that

429

00:15:42,710 --> 00:15:38,839

may be what

430

00:15:44,550 --> 00:15:42,720

happened the implications of that though

431

00:15:46,470 --> 00:15:44,560

you know and and it being the more

432

00:15:49,829 --> 00:15:46,480

human-looking kind

433

00:15:52,069 --> 00:15:49,839

escaping from a a human facility

434

00:15:54,790 --> 00:15:52,079

uh that's a a whole nother can of

435

00:15:57,829 --> 00:15:54,800

terrifying worms right there

436

00:15:58,870 --> 00:15:57,839

yeah i mean it it's i don't know i i

437

00:16:02,389 --> 00:15:58,880

just

438

00:16:04,150 --> 00:16:02,399

time and you know

439

00:16:07,030 --> 00:16:04,160

every once in a while it'll come back to

440

00:16:09,269 --> 00:16:07,040

me like you know but what's this

441

00:16:11,110 --> 00:16:09,279

why was that did that happen why did it

442

00:16:13,430 --> 00:16:11,120

become more involved like that

443

00:16:15,509 --> 00:16:13,440

you know when my story first came out

444

00:16:18,230 --> 00:16:15,519

when they actually did the filming

445

00:16:20,310 --> 00:16:18,240

uh on uh monsters and mysteries of

446

00:16:22,949 --> 00:16:20,320

america and it came out

447

00:16:23,509 --> 00:16:22,959

i a lot of people were surprised that

448

00:16:25,350 --> 00:16:23,519

you know

449

00:16:27,189 --> 00:16:25,360

that did actually happen as far as with

450

00:16:29,430 --> 00:16:27,199

the government involved and you know

451  
00:16:31,110 --> 00:16:29,440  
the police and everything because quite

452  
00:16:32,949 --> 00:16:31,120  
frankly you know you don't hear a whole

453  
00:16:33,749 --> 00:16:32,959  
lot about that though we know it does

454  
00:16:36,790 --> 00:16:33,759  
happen

455  
00:16:39,509 --> 00:16:36,800  
occasionally but uh yeah

456  
00:16:41,030 --> 00:16:39,519  
i i think that the uh i think the

457  
00:16:43,670 --> 00:16:41,040  
government's very involved with the

458  
00:16:46,389 --> 00:16:43,680  
bigfoot phenomenon

459  
00:16:47,749 --> 00:16:46,399  
i've always said that as much as i want

460  
00:16:49,350 --> 00:16:47,759  
to see a bigfoot i want that

461  
00:16:50,230 --> 00:16:49,360  
confirmation experience i've had a

462  
00:16:52,389 --> 00:16:50,240  
couple of

463  
00:16:54,230 --> 00:16:52,399

interesting auditory experiences that

464

00:16:55,829 --> 00:16:54,240

may have been bigfoot i can't say right

465

00:16:58,150 --> 00:16:55,839

because i didn't see

466

00:16:59,670 --> 00:16:58,160

i think that for me personally and i

467

00:17:00,710 --> 00:16:59,680

could be way off but i think for me

468

00:17:05,029 --> 00:17:00,720

personally

469

00:17:08,309 --> 00:17:05,039

to see one of the more human-looking

470

00:17:10,549 --> 00:17:08,319

faced sasquatch would i don't

471

00:17:12,470 --> 00:17:10,559

i don't mess me up would be the term or

472

00:17:14,549 --> 00:17:12,480

you know bother me more

473

00:17:15,510 --> 00:17:14,559

uh or maybe just because there's more

474

00:17:17,270 --> 00:17:15,520

questions there

475

00:17:18,630 --> 00:17:17,280

about things that maybe you know people

476

00:17:21,750 --> 00:17:18,640

find very uncomfortable

477

00:17:24,150 --> 00:17:21,760

with a more human looking bigfoot

478

00:17:25,590 --> 00:17:24,160

yeah and that's kind of what confused me

479

00:17:27,270 --> 00:17:25,600

because uh

480

00:17:29,110 --> 00:17:27,280

you know around the time i had seen this

481

00:17:31,430 --> 00:17:29,120

thing you know the boggy creek thing

482

00:17:33,029 --> 00:17:31,440

had been out the movie and most of the

483

00:17:33,669 --> 00:17:33,039

bigfoot sightings that you heard about

484

00:17:36,470 --> 00:17:33,679

of course but

485

00:17:38,310 --> 00:17:36,480

the patterson gimlin film looked like

486

00:17:38,870 --> 00:17:38,320

what people described as a bigfoot it

487

00:17:41,909 --> 00:17:38,880

didn't look

488

00:17:44,390 --> 00:17:41,919

much like what i saw yeah what i saw was

489

00:17:46,470 --> 00:17:44,400

different more human but i mean this

490

00:17:50,070 --> 00:17:46,480

thing was huge and

491

00:17:50,789 --> 00:17:50,080

uh but since i have gotten involved with

492

00:17:54,070 --> 00:17:50,799

this and then

493

00:17:54,710 --> 00:17:54,080

over the years these settings are fairly

494

00:17:57,750 --> 00:17:54,720

common

495

00:18:01,110 --> 00:17:57,760

especially on the east coast uh the

496

00:18:03,190 --> 00:18:01,120

the the more human aspect

497

00:18:04,230 --> 00:18:03,200

having a more human aspect of a lot of

498

00:18:07,350 --> 00:18:04,240

these settings is

499

00:18:10,150 --> 00:18:07,360

is pretty i'd say more uh

500

00:18:10,549 --> 00:18:10,160

more relevant here on the east coast

501  
00:18:12,390 --> 00:18:10,559  
yeah

502  
00:18:14,230 --> 00:18:12,400  
i definitely agree with that i think on

503  
00:18:16,789 --> 00:18:14,240  
the on the west we have the

504  
00:18:17,510 --> 00:18:16,799  
the classic you know pacific northwest

505  
00:18:19,270 --> 00:18:17,520  
massive

506  
00:18:21,029 --> 00:18:19,280  
apes just straight up well if you wanna

507  
00:18:22,710 --> 00:18:21,039  
whatever you wanna call the ape looking

508  
00:18:24,789 --> 00:18:22,720  
gorilla looking creature

509  
00:18:26,870 --> 00:18:24,799  
is does seem to be more prevalent out

510  
00:18:29,909 --> 00:18:26,880  
this way

511  
00:18:31,430 --> 00:18:29,919  
yeah and you know and i do believe that

512  
00:18:32,310 --> 00:18:31,440  
the settings that are in northern

513  
00:18:35,029 --> 00:18:32,320

california

514

00:18:36,870 --> 00:18:35,039

northward up into british columbia i i

515

00:18:39,909 --> 00:18:36,880

think for the most part that those

516

00:18:42,070 --> 00:18:39,919

are actual indigenous beings i mean

517

00:18:43,110 --> 00:18:42,080

you know of course you see people see a

518

00:18:47,669 --> 00:18:43,120

lot

519

00:18:51,029 --> 00:18:47,679

groups

520

00:18:53,750 --> 00:18:51,039

in that area and i i think that is is

521

00:18:55,270 --> 00:18:53,760

probably an indigenous being in that in

522

00:18:57,909 --> 00:18:55,280

that area

523

00:18:59,350 --> 00:18:57,919

but of course you know here in

524

00:19:01,830 --> 00:18:59,360

pennsylvania in

525

00:19:04,070 --> 00:19:01,840

in you know in the upper midwest and

526

00:19:05,830 --> 00:19:04,080

such i don't think that's the case

527

00:19:07,669 --> 00:19:05,840

and i still say that people there's

528

00:19:09,270 --> 00:19:07,679

always an argument about it that

529

00:19:11,029 --> 00:19:09,280

well you know where they coming from

530

00:19:14,950 --> 00:19:11,039

well

531

00:19:17,990 --> 00:19:14,960

most of the time we say singular bigfoot

532

00:19:22,230 --> 00:19:18,000

or singular creature and

533

00:19:26,310 --> 00:19:22,240

uh why is that very rarely do we see

534

00:19:28,230 --> 00:19:26,320

uh juveniles are are two at a time

535

00:19:29,510 --> 00:19:28,240

it's usually something that shows up

536

00:19:36,789 --> 00:19:29,520

quickly

537

00:19:39,510 --> 00:19:36,799

heard stan's story about you know with

538

00:19:42,390 --> 00:19:39,520

the ufo involvement and such out at

539

00:19:44,150 --> 00:19:42,400

chestnut ridge and there's a you know we

540

00:19:46,710 --> 00:19:44,160

hear a lot of stories around here of

541

00:19:48,870 --> 00:19:46,720

uh paranormal like involvement with the

542

00:19:51,190 --> 00:19:48,880

phenomena

543

00:19:53,029 --> 00:19:51,200

i that's why i think there's something

544

00:19:54,390 --> 00:19:53,039

there's definitely supernatural aspect

545

00:19:56,310 --> 00:19:54,400

of the bigfoot

546

00:19:57,590 --> 00:19:56,320

in this area and other areas but of

547

00:20:00,630 --> 00:19:57,600

course

548

00:20:02,390 --> 00:20:00,640

in areas like like i said the uh pacific

549

00:20:06,070 --> 00:20:02,400

northwest

550

00:20:07,830 --> 00:20:06,080

around the gulf of mexico into into

551  
00:20:10,149 --> 00:20:07,840  
florida and maybe the whole way around

552  
00:20:12,310 --> 00:20:10,159  
basically into texas i think a lot of

553  
00:20:15,029 --> 00:20:12,320  
those are indigenous beings

554  
00:20:16,630 --> 00:20:15,039  
uh but i think what people are seeing

555  
00:20:18,230 --> 00:20:16,640  
other than that

556  
00:20:19,909 --> 00:20:18,240  
uh in other parts of the country may

557  
00:20:22,630 --> 00:20:19,919  
very well be a

558  
00:20:23,990 --> 00:20:22,640  
supernatural being well i've always

559  
00:20:24,710 --> 00:20:24,000  
wanted to ask you this and maybe it's

560  
00:20:28,230 --> 00:20:24,720  
null and void

561  
00:20:28,470 --> 00:20:28,240  
if you know if you're on fully in kind

562  
00:20:31,990 --> 00:20:28,480  
of

563  
00:20:34,470 --> 00:20:32,000

they do come in and out

564

00:20:36,390 --> 00:20:34,480  
say they're all in they're all all of

565

00:20:39,909 --> 00:20:36,400  
them that can be enter in

566

00:20:42,230 --> 00:20:39,919  
what kind of numbers are you thinking

567

00:20:42,950 --> 00:20:42,240  
but see that's tough i mean you know i i

568

00:20:46,230 --> 00:20:42,960  
think if

569

00:20:47,270 --> 00:20:46,240  
if these things even though they are

570

00:20:49,830 --> 00:20:47,280  
very elusive

571

00:20:51,430 --> 00:20:49,840  
and such if they were all indigenous

572

00:20:52,070 --> 00:20:51,440  
we'd definitely have a body but now i

573

00:20:54,149 --> 00:20:52,080  
think or

574

00:20:56,870 --> 00:20:54,159  
we'd have a live one or something like

575

00:21:00,230 --> 00:20:56,880  
that i think we'd have one i really do

576

00:21:01,990 --> 00:21:00,240

uh thousands you know if they were

577

00:21:05,110 --> 00:21:02,000

actually breeding

578

00:21:07,110 --> 00:21:05,120

here it would be tens of thousands i

579

00:21:08,870 --> 00:21:07,120

would i would definitely say

580

00:21:11,110 --> 00:21:08,880

uh i mean you're i'm gonna get a lot of

581

00:21:11,590 --> 00:21:11,120

pushback on that from people but i think

582

00:21:14,390 --> 00:21:11,600

that's

583

00:21:16,230 --> 00:21:14,400

the facts uh you know you're in trouble

584

00:21:19,909 --> 00:21:16,240

now lon you're in big trouble

585

00:21:21,350 --> 00:21:19,919

well you know that's nothing new for me

586

00:21:23,110 --> 00:21:21,360

you know just like with what's been

587

00:21:24,070 --> 00:21:23,120

going on in around chicago and lake

588

00:21:27,350 --> 00:21:24,080

michigan

589

00:21:29,990 --> 00:21:27,360

you know those beings those wing beans

590

00:21:32,070 --> 00:21:30,000

are coming in and out quickly i mean

591

00:21:34,630 --> 00:21:32,080

they're they're fleeting sightings

592

00:21:36,149 --> 00:21:34,640

people see them and then some people

593

00:21:38,070 --> 00:21:36,159

have actually seen them disappear

594

00:21:39,669 --> 00:21:38,080

or they just take off somewhere and you

595

00:21:43,750 --> 00:21:39,679

don't see it anymore

596

00:21:45,669 --> 00:21:43,760

uh i i i do strongly believe that these

597

00:21:48,310 --> 00:21:45,679

those have an interdimensional

598

00:21:51,750 --> 00:21:48,320

supernatural aspect to them

599

00:21:53,750 --> 00:21:51,760

and i i think the bigfoot phenomena

600

00:21:55,029 --> 00:21:53,760

in these in these areas where they

601  
00:21:58,470 --> 00:21:55,039  
probably

602  
00:22:00,710 --> 00:21:58,480  
are not indigenous i think that's

603  
00:22:02,789 --> 00:22:00,720  
possibly what's going on there and you

604  
00:22:04,710 --> 00:22:02,799  
know we talk about the upright canines

605  
00:22:04,950 --> 00:22:04,720  
and dog man i think the same thing there

606  
00:22:10,310 --> 00:22:04,960  
i

607  
00:22:14,230 --> 00:22:10,320  
whatever reason

608  
00:22:15,909 --> 00:22:14,240  
are is the is the veil thinning of some

609  
00:22:18,630 --> 00:22:15,919  
some way or are they able to get through

610  
00:22:23,270 --> 00:22:18,640  
a rift and get into the same uh

611  
00:22:25,510 --> 00:22:23,280  
get into our earth plane for some reason

612  
00:22:26,950 --> 00:22:25,520  
maybe i mean you know but it just seems

613  
00:22:30,230 --> 00:22:26,960

awful strange

614

00:22:33,669 --> 00:22:30,240

that we just not have found any real

615

00:22:36,630 --> 00:22:33,679

physical evidence of these beings

616

00:22:38,390 --> 00:22:36,640

yeah and i forget who it was i spoke to

617

00:22:39,430 --> 00:22:38,400

i'm the worst with the actual numbers of

618

00:22:42,549 --> 00:22:39,440

my show

619

00:22:43,350 --> 00:22:42,559

episode numbers and such um it was

620

00:22:46,549 --> 00:22:43,360

someone that

621

00:22:47,510 --> 00:22:46,559

was a researcher and he would go out

622

00:22:51,350 --> 00:22:47,520

quite often for

623

00:22:54,310 --> 00:22:51,360

bigfoot purposes solely for bigfoot and

624

00:22:55,110 --> 00:22:54,320

one day he had followed a very distinct

625

00:22:58,870 --> 00:22:55,120

trackway

626

00:23:01,830 --> 00:22:58,880

into a cops of trees and

627

00:23:03,669 --> 00:23:01,840

it was literally like he said basically

628

00:23:05,669 --> 00:23:03,679

like a circle not a perfect circle but

629

00:23:09,190 --> 00:23:05,679

it was a circle of trees

630

00:23:11,590 --> 00:23:09,200

nothing in the middle no way no how

631

00:23:13,430 --> 00:23:11,600

that this thing could have done this but

632

00:23:15,830 --> 00:23:13,440

he said the trackway just

633

00:23:16,789 --> 00:23:15,840

ended in the middle of this stand of

634

00:23:18,549 --> 00:23:16,799

trees

635

00:23:20,470 --> 00:23:18,559

and you know he's looking up like where

636

00:23:22,789 --> 00:23:20,480

did it go trees but

637

00:23:25,190 --> 00:23:22,799

he's he's just going physically even

638

00:23:26,950 --> 00:23:25,200

though yes it is a powerful being

639

00:23:28,710 --> 00:23:26,960

there was no way that it could have

640

00:23:30,230 --> 00:23:28,720

gotten

641

00:23:32,390 --> 00:23:30,240

out of there the way that it did and

642

00:23:35,590 --> 00:23:32,400

have this trackway just abruptly

643

00:23:38,149 --> 00:23:35,600

end yeah yeah you know

644

00:23:38,950 --> 00:23:38,159

when i when uh jc johnson was still

645

00:23:41,990 --> 00:23:38,960

around he

646

00:23:43,830 --> 00:23:42,000

ran into a lot of that out there in uh

647

00:23:45,590 --> 00:23:43,840

in the four corners there he would they

648

00:23:47,510 --> 00:23:45,600

would follow a track line

649

00:23:49,590 --> 00:23:47,520

and you know jack talks about it now as

650

00:23:51,110 --> 00:23:49,600

well they'd find a track line and they'd

651  
00:23:53,590 --> 00:23:51,120  
follow and the thing would just

652  
00:23:55,590 --> 00:23:53,600  
stop yeah like this thing got a running

653  
00:23:57,909 --> 00:23:55,600  
start and took off and

654  
00:23:59,750 --> 00:23:57,919  
sprouted wings and left or went into

655  
00:24:02,230 --> 00:23:59,760  
some other dimension or something

656  
00:24:02,789 --> 00:24:02,240  
went into a portal you know it does

657  
00:24:06,070 --> 00:24:02,799  
happen

658  
00:24:07,909 --> 00:24:06,080  
and um you know we found out we found

659  
00:24:09,990 --> 00:24:07,919  
the same thing with the uh

660  
00:24:11,269 --> 00:24:10,000  
the upright canine phenomena where you

661  
00:24:12,230 --> 00:24:11,279  
know you would just see it and all of a

662  
00:24:16,149 --> 00:24:12,240  
sudden this thing would

663  
00:24:17,430 --> 00:24:16,159

be gone uh and people tell you that and

664

00:24:19,110 --> 00:24:17,440

they you know the first thing they want

665

00:24:20,710 --> 00:24:19,120

to know is well what's going on here

666

00:24:22,470 --> 00:24:20,720

well

667

00:24:24,630 --> 00:24:22,480

you know all i can do is take the

668

00:24:27,510 --> 00:24:24,640

information from folks

669

00:24:29,990 --> 00:24:27,520

and uh we can make some theories we can

670

00:24:31,830 --> 00:24:30,000

be conjectures but you know

671

00:24:34,870 --> 00:24:31,840

until we get any physical evidence or

672

00:24:37,029 --> 00:24:34,880

get it on video or get it somewhere else

673

00:24:39,029 --> 00:24:37,039

to where we you know

674

00:24:40,470 --> 00:24:39,039

actually see something you know then you

675

00:24:43,190 --> 00:24:40,480

know that all we can do is

676  
00:24:44,870 --> 00:24:43,200  
you know use a theory or come up with

677  
00:24:46,230 --> 00:24:44,880  
conjecture that's

678  
00:24:48,070 --> 00:24:46,240  
that's just the bottom line at this

679  
00:24:51,590 --> 00:24:48,080  
point wait we're not experts

680  
00:24:52,870 --> 00:24:51,600  
long what are you saying yeah i mean you

681  
00:24:56,149 --> 00:24:52,880  
know

682  
00:24:58,390 --> 00:24:56,159  
they call you

683  
00:24:59,269 --> 00:24:58,400  
or come in contact with you and ask you

684  
00:25:01,269 --> 00:24:59,279  
about these things

685  
00:25:03,029 --> 00:25:01,279  
of course they want answers you know

686  
00:25:05,029 --> 00:25:03,039  
it's just like the thing uh that

687  
00:25:08,549 --> 00:25:05,039  
happened in chicago

688  
00:25:11,269 --> 00:25:08,559

last week where this guy

689

00:25:13,430 --> 00:25:11,279

69 year old man just east he lived by

690

00:25:16,549 --> 00:25:13,440

two miles east of

691

00:25:18,710 --> 00:25:16,559

o'hare in portage park

692

00:25:20,310 --> 00:25:18,720

he's out in the yard with his neighbor

693

00:25:22,310 --> 00:25:20,320

and he looks up and he sees this thing

694

00:25:24,310 --> 00:25:22,320

it looks like a dragon

695

00:25:26,149 --> 00:25:24,320

i mean it's got huge wings got the body

696

00:25:28,789 --> 00:25:26,159

with dragon you know

697

00:25:29,990 --> 00:25:28,799

you know what people describe as a

698

00:25:33,510 --> 00:25:30,000

dragon

699

00:25:34,710 --> 00:25:33,520

and uh this thing he just can't believe

700

00:25:37,510 --> 00:25:34,720

what he's looking at

701  
00:25:40,390 --> 00:25:37,520  
he had no idea of the the wing humanoid

702  
00:25:43,350 --> 00:25:40,400  
phenomena had been going on around there

703  
00:25:44,230 --> 00:25:43,360  
but he saw it this thing tipped its head

704  
00:25:46,950 --> 00:25:44,240  
down

705  
00:25:47,990 --> 00:25:46,960  
flapped its wings twice and shot off to

706  
00:25:53,029 --> 00:25:48,000  
the north

707  
00:25:54,870 --> 00:25:53,039  
and vanished within seconds and um

708  
00:25:56,870 --> 00:25:54,880  
you know he's he's there dumbfounded he

709  
00:25:59,669 --> 00:25:56,880  
tells his brother about it

710  
00:26:01,590 --> 00:25:59,679  
his brother gets online finds my number

711  
00:26:03,269 --> 00:26:01,600  
and then the guy gives me a call

712  
00:26:05,830 --> 00:26:03,279  
and he's asking me what in the hell did

713  
00:26:09,750 --> 00:26:05,840

i see i said you know

714

00:26:11,430 --> 00:26:09,760

i tell you what go back to and read all

715

00:26:13,190 --> 00:26:11,440

the sightings that have been going on in

716

00:26:15,990 --> 00:26:13,200

chicago for the past

717

00:26:16,390 --> 00:26:16,000

four or five years and when you get done

718

00:26:18,149 --> 00:26:16,400

reading

719

00:26:19,909 --> 00:26:18,159

if you come of any theories call me

720

00:26:20,549 --> 00:26:19,919

because i have no idea what people are

721

00:26:23,750 --> 00:26:20,559

saying

722

00:26:25,510 --> 00:26:23,760

right you know so uh

723

00:26:27,350 --> 00:26:25,520

actually this is the first dragon report

724

00:26:29,110 --> 00:26:27,360

we got out there so

725

00:26:30,950 --> 00:26:29,120

i don't know if this thing's changing

726

00:26:33,110 --> 00:26:30,960

somehow or

727

00:26:34,549 --> 00:26:33,120

uh you know i you know i guess

728

00:26:36,149 --> 00:26:34,559

everybody's perspective

729

00:26:39,669 --> 00:26:36,159

you know they have their own perspective

730

00:26:43,510 --> 00:26:39,679

of things uh but

731

00:26:46,710 --> 00:26:43,520

you know i i uh i think uh

732

00:26:49,029 --> 00:26:46,720

manuel is canvassing the uh the portage

733

00:26:53,750 --> 00:26:49,039

park area for other sightings

734

00:26:56,710 --> 00:26:53,760

i do know i did get a triangle sighting

735

00:26:57,750 --> 00:26:56,720

just about a couple blocks from the this

736

00:27:00,390 --> 00:26:57,760

sighting

737

00:27:02,549 --> 00:27:00,400

a couple days later so there have been

738

00:27:05,510 --> 00:27:02,559

some ufo sightings there as well so

739

00:27:07,510 --> 00:27:05,520

i don't know if that's related or not

740

00:27:10,149 --> 00:27:07,520

very close though

741

00:27:10,789 --> 00:27:10,159

you mentioned kind of the gentleman

742

00:27:13,750 --> 00:27:10,799

wasn't

743

00:27:15,029 --> 00:27:13,760

familiar with winged humanoids but this

744

00:27:16,870 --> 00:27:15,039

thing didn't have

745

00:27:18,549 --> 00:27:16,880

like a humanoid body this was a straight

746

00:27:23,190 --> 00:27:18,559

up look dragon looking

747

00:27:26,389 --> 00:27:23,200

guy yeah you know he used the analogy

748

00:27:28,630 --> 00:27:26,399

um i i don't know if you have any idea

749

00:27:30,070 --> 00:27:28,640

what do you remember the old sinclair

750

00:27:31,909 --> 00:27:30,080

gas stations

751  
00:27:33,350 --> 00:27:31,919  
yes oh okay do you remember the

752  
00:27:36,470 --> 00:27:33,360  
brontosaurus

753  
00:27:38,149 --> 00:27:36,480  
yeah that was their their uh mascot they

754  
00:27:41,510 --> 00:27:38,159  
used to give out these little green

755  
00:27:44,310 --> 00:27:41,520  
brontosaurus plastic figures

756  
00:27:46,149 --> 00:27:44,320  
to their customers and that's what he

757  
00:27:48,310 --> 00:27:46,159  
said it looked like

758  
00:27:49,909 --> 00:27:48,320  
of course my uncle great uncle used to

759  
00:27:52,149 --> 00:27:49,919  
own a sinclair station

760  
00:27:54,149 --> 00:27:52,159  
so it hit me right off the bat i mean

761  
00:27:55,830 --> 00:27:54,159  
and i said well yeah it looked like it

762  
00:27:57,830 --> 00:27:55,840  
didn't look like a brontosaurus he said

763  
00:27:58,710 --> 00:27:57,840

yeah it looked like that big dinosaur

764

00:28:01,590 --> 00:27:58,720

you see

765

00:28:03,190 --> 00:28:01,600

and i said okay he said he had a a

766

00:28:05,909 --> 00:28:03,200

viper-like head

767

00:28:06,630 --> 00:28:05,919

and the tail had a spade-like appendage

768

00:28:08,870 --> 00:28:06,640

to it

769

00:28:10,950 --> 00:28:08,880

the wings were as wide as the thing was

770

00:28:15,350 --> 00:28:10,960

long it had the big body

771

00:28:17,350 --> 00:28:15,360

and there was definitely membrane wings

772

00:28:19,269 --> 00:28:17,360

and i'm thinking well that's a dragon i

773

00:28:21,669 --> 00:28:19,279

guess i mean you know

774

00:28:23,029 --> 00:28:21,679

uh you know so i don't know what he saw

775

00:28:23,510 --> 00:28:23,039

but that's what he said it looked like

776

00:28:25,750 --> 00:28:23,520

in a

777

00:28:27,590 --> 00:28:25,760

course his neighbor saw it and he said

778

00:28:30,870 --> 00:28:27,600

the same thing

779

00:28:32,549 --> 00:28:30,880

so it wasn't like it was something in

780

00:28:33,350 --> 00:28:32,559

his imagination or something he

781

00:28:36,789 --> 00:28:33,360

hallucinated

782

00:28:38,950 --> 00:28:36,799

it was something that both of them saw

783

00:28:40,870 --> 00:28:38,960

i have things that are on my what my

784

00:28:42,710 --> 00:28:40,880

listeners know i call the no list

785

00:28:44,310 --> 00:28:42,720

right i think a dragon would definitely

786

00:28:45,350 --> 00:28:44,320

be on the yes list i want to see a

787

00:28:48,710 --> 00:28:45,360

dragon

788

00:28:50,710 --> 00:28:48,720

settings before

789

00:28:51,990 --> 00:28:50,720

i you know new jersey for whatever

790

00:28:54,389 --> 00:28:52,000

reason

791

00:28:55,909 --> 00:28:54,399

is an area where we've had dragon

792

00:28:56,950 --> 00:28:55,919

sightings uh you know of course you've

793

00:28:58,950 --> 00:28:56,960

got the

794

00:29:00,789 --> 00:28:58,960

the jersey devil which kind of looks

795

00:29:04,230 --> 00:29:00,799

like a dragon i guess if you want to

796

00:29:07,669 --> 00:29:04,240

stretch it a bit but uh i've had people

797

00:29:09,669 --> 00:29:07,679

actually describe huge dragons

798

00:29:11,269 --> 00:29:09,679

you know literally flying about in

799

00:29:14,789 --> 00:29:11,279

certain areas of

800

00:29:17,510 --> 00:29:14,799

central and southern new jersey i had

801  
00:29:20,149 --> 00:29:17,520  
one out in california a couple years ago

802  
00:29:21,350 --> 00:29:20,159  
near a casino uh this thing was flying

803  
00:29:24,870 --> 00:29:21,360  
over the parking lot

804  
00:29:27,909 --> 00:29:24,880  
casino in the valley central valley and

805  
00:29:30,310 --> 00:29:27,919  
a couple people saw it

806  
00:29:32,070 --> 00:29:30,320  
so what's the closest that any of these

807  
00:29:36,070 --> 00:29:32,080  
reports have have gotten to

808  
00:29:39,190 --> 00:29:36,080  
one of these creatures pretty close

809  
00:29:41,990 --> 00:29:39,200  
pretty close i mean the the the one

810  
00:29:43,750 --> 00:29:42,000  
one of those in new jersey he said he

811  
00:29:44,710 --> 00:29:43,760  
stopped he was in his car he had stopped

812  
00:29:46,950 --> 00:29:44,720  
the car

813  
00:29:48,549 --> 00:29:46,960

because he hadn't seen it fly around he

814

00:29:50,389 --> 00:29:48,559

got out of the car

815

00:29:52,070 --> 00:29:50,399

he said there was a guy that stopped the

816

00:29:54,149 --> 00:29:52,080

car in front of him

817

00:29:56,470 --> 00:29:54,159

and he was looking out the window he

818

00:29:58,070 --> 00:29:56,480

said this thing swooped down and went

819

00:30:01,190 --> 00:29:58,080

over them

820

00:30:04,549 --> 00:30:01,200

he didn't hear anything but he felt heat

821

00:30:06,950 --> 00:30:04,559

and wind i had

822

00:30:09,110 --> 00:30:06,960

a witness out in california say they

823

00:30:12,310 --> 00:30:09,120

were on the road pulling in

824

00:30:13,269 --> 00:30:12,320

to the casino and this thing went over

825

00:30:16,870 --> 00:30:13,279

the car

826

00:30:20,549 --> 00:30:16,880

and ahead of them

827

00:30:22,789 --> 00:30:20,559

and the wind that it caused

828

00:30:24,470 --> 00:30:22,799

actually moved the car they could feel

829

00:30:27,909 --> 00:30:24,480

it

830

00:30:29,389 --> 00:30:27,919

so you know

831

00:30:31,430 --> 00:30:29,399

they can't really go into the

832

00:30:34,710 --> 00:30:31,440

hallucination

833

00:30:35,909 --> 00:30:34,720

uh department or whatever you want to

834

00:30:38,870 --> 00:30:35,919

say but

835

00:30:40,789 --> 00:30:38,880

i don't know you know i i just don't i

836

00:30:42,470 --> 00:30:40,799

just don't know what to say when i get

837

00:30:44,710 --> 00:30:42,480

when i get with something like that it's

838

00:30:46,710 --> 00:30:44,720

like okay i'll put it in the file and

839

00:30:48,950 --> 00:30:46,720

see if anything else comes up so

840

00:30:50,870 --> 00:30:48,960

right uh you know it's just like most of

841

00:30:53,269 --> 00:30:50,880

the stuff we get

842

00:30:54,310 --> 00:30:53,279

but i love that really really off the

843

00:30:56,470 --> 00:30:54,320

wall uh

844

00:30:58,470 --> 00:30:56,480

i mean we talk about weird but i love

845

00:30:59,750 --> 00:30:58,480

the really weird stuff and i love that

846

00:31:02,070 --> 00:30:59,760

the dragon reports

847

00:31:02,789 --> 00:31:02,080

are very cool and the part where you

848

00:31:06,149 --> 00:31:02,799

said

849

00:31:07,669 --> 00:31:06,159

there's the wind and then heat i wasn't

850

00:31:10,470 --> 00:31:07,679

expecting that part that's

851  
00:31:13,190 --> 00:31:10,480  
pretty amazing actually yeah he and he

852  
00:31:15,990 --> 00:31:13,200  
was pretty emphatic about the heat

853  
00:31:17,269 --> 00:31:16,000  
the color of this actually there was i

854  
00:31:18,870 --> 00:31:17,279  
think this thing it was kind of a

855  
00:31:20,549 --> 00:31:18,880  
brownish-looking one

856  
00:31:22,470 --> 00:31:20,559  
but there was another one where it was

857  
00:31:25,830 --> 00:31:22,480  
actually red

858  
00:31:29,669 --> 00:31:25,840  
oh that's awesome yeah so you know

859  
00:31:31,430 --> 00:31:29,679  
uh you know i i i'm honestly

860  
00:31:33,190 --> 00:31:31,440  
i i think i've heard everything for the

861  
00:31:34,789 --> 00:31:33,200  
most part but i'm telling you every once

862  
00:31:36,950 --> 00:31:34,799  
well something will come to you and like

863  
00:31:38,630 --> 00:31:36,960

oh my god you gotta shake your head

864

00:31:42,149 --> 00:31:38,640

and you know that's what this whole

865

00:31:43,909 --> 00:31:42,159

thing in chicago has been like i mean

866

00:31:46,310 --> 00:31:43,919

i have heard of flying humanoids of

867

00:31:49,190 --> 00:31:46,320

course mothman and that but

868

00:31:50,230 --> 00:31:49,200

you know something for that to continue

869

00:31:53,149 --> 00:31:50,240

the way it has

870

00:31:56,389 --> 00:31:53,159

been i mean right now we're up to about

871

00:32:00,950 --> 00:31:56,399

130 reports in that area

872

00:32:04,789 --> 00:32:00,960

uh i'm talking about a radius of like

873

00:32:08,630 --> 00:32:04,799

200 250 miles from chicago on out

874

00:32:09,830 --> 00:32:08,640

and um we got about 130 reports that we

875

00:32:12,549 --> 00:32:09,840

accumulated

876

00:32:14,070 --> 00:32:12,559

that we feel were legitimate we've had a

877

00:32:15,750 --> 00:32:14,080

lot more we've had a lot of different

878

00:32:19,830 --> 00:32:15,760

stuff

879

00:32:20,630 --> 00:32:19,840

but uh yeah uh and every time i get one

880

00:32:22,549 --> 00:32:20,640

it's like

881

00:32:25,430 --> 00:32:22,559

you're opening up a new chapter it's

882

00:32:27,509 --> 00:32:25,440

like what in the hell are people seeing

883

00:32:29,350 --> 00:32:27,519

and for the most part these people had

884

00:32:30,950 --> 00:32:29,360

no idea this phenomenon has been going

885

00:32:32,630 --> 00:32:30,960

on

886

00:32:34,549 --> 00:32:32,640

you know they're so glad that they're

887

00:32:36,789 --> 00:32:34,559

able to tell somebody who has had

888

00:32:39,430 --> 00:32:36,799

other reports that they're they're

889

00:32:40,870 --> 00:32:39,440

almost giddy

890

00:32:42,470 --> 00:32:40,880

do you find that most the people that

891

00:32:44,310 --> 00:32:42,480

specific to these

892

00:32:45,509 --> 00:32:44,320

more mothman or humanoid sightings out

893

00:32:47,830 --> 00:32:45,519

in chicago

894

00:32:49,590 --> 00:32:47,840

have they gone to your site and have

895

00:32:51,350 --> 00:32:49,600

already read a few of these reports and

896

00:32:52,389 --> 00:32:51,360

that's what prompted them to contact you

897

00:32:54,789 --> 00:32:52,399

or they found you

898

00:32:55,990 --> 00:32:54,799

and then there afterward you're like hey

899

00:32:59,430 --> 00:32:56,000

you might want to check out my

900

00:33:02,470 --> 00:32:59,440

site because there's more like you

901  
00:33:04,870 --> 00:33:02,480  
i after the first couple months of the

902  
00:33:07,190 --> 00:33:04,880  
sightings in 2017 now of course we had

903  
00:33:10,549 --> 00:33:07,200  
some in 2011 as well

904  
00:33:13,669 --> 00:33:10,559  
but uh i started running an ad

905  
00:33:14,470 --> 00:33:13,679  
in google uh and i put up their wing

906  
00:33:17,430 --> 00:33:14,480  
humanoids

907  
00:33:19,110 --> 00:33:17,440  
mothman chicago mothman and i put it up

908  
00:33:20,950 --> 00:33:19,120  
there

909  
00:33:23,029 --> 00:33:20,960  
figuring that people did actually get on

910  
00:33:24,230 --> 00:33:23,039  
there and start searching for it would

911  
00:33:27,110 --> 00:33:24,240  
come up and it

912  
00:33:27,750 --> 00:33:27,120  
has been where they've been coming from

913  
00:33:29,350 --> 00:33:27,760

you know

914

00:33:31,669 --> 00:33:29,360

they of course they probably get on

915

00:33:33,750 --> 00:33:31,679

google and say man with wings

916

00:33:35,590 --> 00:33:33,760

and figured that nothing's going to come

917

00:33:36,789 --> 00:33:35,600

up but when that google ad comes up

918

00:33:39,350 --> 00:33:36,799

there

919

00:33:39,990 --> 00:33:39,360

saying you know ex you know describing

920

00:33:42,870 --> 00:33:40,000

something that

921

00:33:43,830 --> 00:33:42,880

they actually saw yeah you know they're

922

00:33:47,269 --> 00:33:43,840

coming

923

00:33:48,950 --> 00:33:47,279

call right away yeah

924

00:33:52,389 --> 00:33:48,960

and i've gotten a lot of calls within

925

00:33:54,310 --> 00:33:52,399

like a half hour in the sightings

926  
00:33:55,830 --> 00:33:54,320  
well see now if that doesn't tell you

927  
00:33:56,310 --> 00:33:55,840  
that something's really going on because

928  
00:33:57,990 --> 00:33:56,320  
you're not

929  
00:33:59,750 --> 00:33:58,000  
getting one guy here and then three

930  
00:34:00,230 --> 00:33:59,760  
weeks later one guy over there you're

931  
00:34:03,029 --> 00:34:00,240  
getting

932  
00:34:03,830 --> 00:34:03,039  
several calls the same day from that

933  
00:34:06,870 --> 00:34:03,840  
same area

934  
00:34:07,750 --> 00:34:06,880  
so that says a lot doesn't it yeah and

935  
00:34:11,109 --> 00:34:07,760  
of course

936  
00:34:12,310 --> 00:34:11,119  
the witness the witnesses have been very

937  
00:34:15,510 --> 00:34:12,320  
diverse

938  
00:34:15,829 --> 00:34:15,520

we've had police officers uh i've talked

939

00:34:18,069 --> 00:34:15,839

to

940

00:34:18,950 --> 00:34:18,079

a few police officers off record who

941

00:34:21,990 --> 00:34:18,960

didn't want

942

00:34:25,750 --> 00:34:22,000

any anything said about you actually had

943

00:34:27,669 --> 00:34:25,760

encounters uh our cops are telling me

944

00:34:30,869 --> 00:34:27,679

that people have told them

945

00:34:32,710 --> 00:34:30,879

of what they had experienced uh

946

00:34:35,430 --> 00:34:32,720

of course with all these these sightings

947

00:34:38,950 --> 00:34:35,440

in around o'hara airport the past

948

00:34:43,030 --> 00:34:38,960

18 months or so we have uh

949

00:34:46,550 --> 00:34:43,040

tsa people security people

950

00:34:49,190 --> 00:34:46,560

uh pilots

951  
00:34:51,829 --> 00:34:49,200  
transit drivers and air traffic

952  
00:34:54,629 --> 00:34:51,839  
controllers

953  
00:34:56,389 --> 00:34:54,639  
so you know they're coming forward now

954  
00:34:57,589 --> 00:34:56,399  
o'hara has been really pushing back on

955  
00:34:59,670 --> 00:34:57,599  
people you know

956  
00:35:01,910 --> 00:34:59,680  
a lot of times these people will make

957  
00:35:02,950 --> 00:35:01,920  
will state something to a supervisor and

958  
00:35:04,870 --> 00:35:02,960  
say look

959  
00:35:07,190 --> 00:35:04,880  
i saw this and this out in the tarmac

960  
00:35:08,710 --> 00:35:07,200  
are out out and about and

961  
00:35:11,190 --> 00:35:08,720  
they tell them well you just saw a big

962  
00:35:13,270 --> 00:35:11,200  
al don't report to anybody

963  
00:35:15,510 --> 00:35:13,280

and there's a oh well you know that's

964

00:35:17,750 --> 00:35:15,520

that's crap so they're you know they do

965

00:35:18,630 --> 00:35:17,760

come forward you know we've been very

966

00:35:23,589 --> 00:35:18,640

good about keeping

967

00:35:25,430 --> 00:35:23,599

it uh confidential but uh

968

00:35:27,109 --> 00:35:25,440

the one phenomena that has happened

969

00:35:28,790 --> 00:35:27,119

since then is

970

00:35:30,870 --> 00:35:28,800

and i've talked to security people out

971

00:35:32,950 --> 00:35:30,880

there they've been pulling people off

972

00:35:34,870 --> 00:35:32,960

the property and arresting people

973

00:35:36,150 --> 00:35:34,880

who are doing their own paranormal

974

00:35:38,950 --> 00:35:36,160

investigation of the

975

00:35:40,630 --> 00:35:38,960

the harem mothman so there's been a lot

976

00:35:43,589 --> 00:35:40,640

of that out there as well

977

00:35:45,270 --> 00:35:43,599

wow yeah that's really heating up out

978

00:35:46,790 --> 00:35:45,280

there well as you mentioned too i mean

979

00:35:48,310 --> 00:35:46,800

tobias is out there

980

00:35:50,310 --> 00:35:48,320

at tobias and emily are out there with

981

00:35:52,950 --> 00:35:50,320

uh small town monsters right now so

982

00:35:54,310 --> 00:35:52,960

uh crossing our fingers that maybe maybe

983

00:35:57,109 --> 00:35:54,320

they actually get to see something

984

00:35:59,190 --> 00:35:57,119

live and in person well emmanuel

985

00:36:00,950 --> 00:35:59,200

navarette he actually had a sighting he

986

00:36:02,630 --> 00:36:00,960

was out there doing an investigation of

987

00:36:06,069 --> 00:36:02,640

a sighting out of air

988

00:36:09,510 --> 00:36:06,079

and he saw something so uh

989

00:36:12,069 --> 00:36:09,520

you know what he saw how close was it

990

00:36:14,470 --> 00:36:12,079

uh it was he saw it actually coming down

991

00:36:18,710 --> 00:36:14,480

and landing on top of a building

992

00:36:22,870 --> 00:36:18,720

out at the airport that's cool

993

00:36:24,710 --> 00:36:22,880

yeah so um yeah

994

00:36:26,470 --> 00:36:24,720

so i tell you you've had a lot you've

995

00:36:27,190 --> 00:36:26,480

heard a lot of sasquatch stories in the

996

00:36:28,790 --> 00:36:27,200

past

997

00:36:30,230 --> 00:36:28,800

what's the strangest one you've ever

998

00:36:39,109 --> 00:36:30,240

heard

999

00:36:43,109 --> 00:36:41,589

gosh strange that that one put me on the

1000

00:36:46,310 --> 00:36:43,119

spot there long that's

1001  
00:36:47,990 --> 00:36:46,320  
way your favorite let's do it that way

1002  
00:36:49,750 --> 00:36:48,000  
all right that that's maybe maybe a

1003  
00:36:50,310 --> 00:36:49,760  
little better like strange i've heard so

1004  
00:36:52,310 --> 00:36:50,320  
many

1005  
00:36:54,550 --> 00:36:52,320  
that some of them each have i guess

1006  
00:36:56,710 --> 00:36:54,560  
they're all strange

1007  
00:36:57,829 --> 00:36:56,720  
yeah they each have their own little

1008  
00:37:00,550 --> 00:36:57,839  
kind of oddity

1009  
00:37:01,030 --> 00:37:00,560  
i mean of course i've i've heard of you

1010  
00:37:02,790 --> 00:37:01,040  
know

1011  
00:37:05,750 --> 00:37:02,800  
bigfoot kind of being around orbs and

1012  
00:37:07,349 --> 00:37:05,760  
things um i've had my own orb experience

1013  
00:37:09,109 --> 00:37:07,359

while out bigfooting i didn't see a

1014

00:37:10,950 --> 00:37:09,119

bigfoot never have but i had my own

1015

00:37:12,310 --> 00:37:10,960

orb experience while out bigfooting but

1016

00:37:16,069 --> 00:37:12,320

that's a whole nother story

1017

00:37:16,790 --> 00:37:16,079

but um i would say that and actually

1018

00:37:19,750 --> 00:37:16,800

this may be

1019

00:37:21,510 --> 00:37:19,760

a little bit strange and scary uh all

1020

00:37:23,670 --> 00:37:21,520

kind of rolled into one

1021

00:37:24,790 --> 00:37:23,680

but it happened in bear mountain state

1022

00:37:27,589 --> 00:37:24,800

park in

1023

00:37:28,150 --> 00:37:27,599

new york state and this gentleman named

1024

00:37:31,190 --> 00:37:28,160

chris

1025

00:37:33,349 --> 00:37:31,200

he was part of a day camp situation

1026

00:37:35,109 --> 00:37:33,359

with some other kids so you know they'd

1027

00:37:36,550 --> 00:37:35,119

bus out they'd go to a location and come

1028

00:37:38,470 --> 00:37:36,560

back home the same day

1029

00:37:40,150 --> 00:37:38,480

and they're a bear mountain for some

1030

00:37:43,670 --> 00:37:40,160

hiking around

1031

00:37:46,230 --> 00:37:43,680

and he admits that he was he was

1032

00:37:47,670 --> 00:37:46,240

younger and he wanted to be a little bit

1033

00:37:49,829 --> 00:37:47,680

on the naughty side so he

1034

00:37:51,109 --> 00:37:49,839

and another young man went off to smoke

1035

00:37:53,589 --> 00:37:51,119

a cigarette

1036

00:37:55,349 --> 00:37:53,599

with the counselors so that's what they

1037

00:37:56,550 --> 00:37:55,359

decided to do

1038

00:37:58,710 --> 00:37:56,560

and when they figured they were far

1039

00:38:01,349 --> 00:37:58,720

enough away to not get in trouble

1040

00:38:02,470 --> 00:38:01,359

they went to light up or pardon me his

1041

00:38:05,349 --> 00:38:02,480

friend went to light up

1042

00:38:05,829 --> 00:38:05,359

and they're facing each other and the

1043

00:38:08,950 --> 00:38:05,839

friend

1044

00:38:10,790 --> 00:38:08,960

is like going like this and looks up and

1045

00:38:13,829 --> 00:38:10,800

just stops what he's doing

1046

00:38:15,349 --> 00:38:13,839

he drops the cigarette and the lighter

1047

00:38:17,670 --> 00:38:15,359

and bolts

1048

00:38:19,510 --> 00:38:17,680

back the direction that he came so chris

1049

00:38:21,030 --> 00:38:19,520

is left there standing alone going what

1050

00:38:24,390 --> 00:38:21,040

is your problem

1051  
00:38:28,790 --> 00:38:24,400  
so he turns around and what he sees

1052  
00:38:32,069 --> 00:38:28,800  
is a he estimates about 10 foot tall

1053  
00:38:35,990 --> 00:38:32,079  
gray in color sasquatch

1054  
00:38:36,630 --> 00:38:36,000  
and it is within i believe he said about

1055  
00:38:39,589 --> 00:38:36,640  
10 feet

1056  
00:38:40,069 --> 00:38:39,599  
so incredibly shockingly close for this

1057  
00:38:43,270 --> 00:38:40,079  
thing

1058  
00:38:44,230 --> 00:38:43,280  
that size uh and if and no one's ever

1059  
00:38:46,470 --> 00:38:44,240  
taken a

1060  
00:38:47,349 --> 00:38:46,480  
a measuring tape and just taking it 10

1061  
00:38:49,270 --> 00:38:47,359  
feet up i

1062  
00:38:50,470 --> 00:38:49,280  
encourage you to do so it would be quite

1063  
00:38:53,910 --> 00:38:50,480

shocking to see something

1064

00:38:57,510 --> 00:38:53,920

that tall so in one hand

1065

00:38:59,829 --> 00:38:57,520

this sasquatch is holding a

1066

00:39:01,109 --> 00:38:59,839

something implement of clothing a

1067

00:39:03,589 --> 00:39:01,119

blanket something

1068

00:39:05,190 --> 00:39:03,599

ripped up torn up right in one hand in

1069

00:39:09,270 --> 00:39:05,200

the other hand

1070

00:39:12,390 --> 00:39:09,280

is the bottom half of a medium-sized dog

1071

00:39:15,270 --> 00:39:12,400

uh just just the one half of this dog

1072

00:39:15,750 --> 00:39:15,280

and the entrails are kind of hanging out

1073

00:39:19,030 --> 00:39:15,760

and

1074

00:39:22,950 --> 00:39:19,040

um it is a horrifying scene for

1075

00:39:25,109 --> 00:39:22,960

chris and this episode was entitled

1076

00:39:26,550 --> 00:39:25,119

scarface because this particular

1077

00:39:29,670 --> 00:39:26,560

sasquatch had a

1078

00:39:31,589 --> 00:39:29,680

massive scar that went down over one eye

1079

00:39:33,430 --> 00:39:31,599

and all the way down the side of his

1080

00:39:35,990 --> 00:39:33,440

cheek area so

1081

00:39:38,069 --> 00:39:36,000

you know that's that's kind of a an

1082

00:39:40,710 --> 00:39:38,079

interesting aspect to think of you know

1083

00:39:42,870 --> 00:39:40,720

we see just glimpses of these things or

1084

00:39:44,550 --> 00:39:42,880

we get reports of just glimpses but what

1085

00:39:45,510 --> 00:39:44,560

are their lives really like like how did

1086

00:39:47,190 --> 00:39:45,520

he get that scar

1087

00:39:49,109 --> 00:39:47,200

you know i was at a fight with another

1088

00:39:50,790 --> 00:39:49,119

bigfoot or a dog man or

1089

00:39:53,349 --> 00:39:50,800

climbing a tree and he's just clumsy

1090

00:39:55,750 --> 00:39:53,359

that would be me so i

1091

00:39:56,870 --> 00:39:55,760

those are the the little tidbits in a

1092

00:39:59,349 --> 00:39:56,880

story

1093

00:40:00,310 --> 00:39:59,359

you're kind of going why would chris

1094

00:40:01,990 --> 00:40:00,320

make that part up

1095

00:40:04,309 --> 00:40:02,000

you know like that's just such a weird

1096

00:40:07,910 --> 00:40:04,319

thing to to bring up

1097

00:40:11,670 --> 00:40:07,920

um so the scar i think and not the

1098

00:40:13,030 --> 00:40:11,680

i'm diminishing the dog or the implement

1099

00:40:15,109 --> 00:40:13,040

which i'll get back to that in a second

1100

00:40:17,589 --> 00:40:15,119

but i just think that the whole

1101  
00:40:18,550 --> 00:40:17,599  
he said is a really horrible scar uh

1102  
00:40:21,430 --> 00:40:18,560  
that was a pretty

1103  
00:40:22,230 --> 00:40:21,440  
cool part of that story the the

1104  
00:40:25,829 --> 00:40:22,240  
implement

1105  
00:40:28,550 --> 00:40:25,839  
of clothing or fabric i should say

1106  
00:40:29,829 --> 00:40:28,560  
i keep calling it clothing the fabric he

1107  
00:40:31,349 --> 00:40:29,839  
said that bothered him more than

1108  
00:40:33,430 --> 00:40:31,359  
anything because he's like

1109  
00:40:35,349 --> 00:40:33,440  
was that the dog's blanket was that

1110  
00:40:37,670 --> 00:40:35,359  
someone's clothing you know was that the

1111  
00:40:38,550 --> 00:40:37,680  
dog's owner's clothing or something what

1112  
00:40:41,589 --> 00:40:38,560  
is going on

1113  
00:40:43,430 --> 00:40:41,599

with that that piece of fabric so

1114

00:40:44,790 --> 00:40:43,440

that's one of my favorite i think

1115

00:40:46,790 --> 00:40:44,800

sasquatch encounters

1116

00:40:49,109 --> 00:40:46,800

uh told on my show it was in fact told

1117

00:40:51,670 --> 00:40:49,119

first on sasquatch chronicles many many

1118

00:40:53,670 --> 00:40:51,680

years ago

1119

00:40:55,030 --> 00:40:53,680

but uh he actually came back on with me

1120

00:40:57,030 --> 00:40:55,040

for for itf

1121

00:40:58,630 --> 00:40:57,040

so that's one of my favorite sasquatch

1122

00:40:58,950 --> 00:40:58,640

encounters and not not great for chris

1123

00:41:01,349 --> 00:40:58,960

though

1124

00:41:03,030 --> 00:41:01,359

obviously he was a terrifying situation

1125

00:41:03,910 --> 00:41:03,040

for him he stood there for a few seconds

1126

00:41:07,589 --> 00:41:03,920

and

1127

00:41:10,470 --> 00:41:07,599

tried to

1128

00:41:12,069 --> 00:41:10,480

talk to his friend that had left him uh

1129

00:41:13,589 --> 00:41:12,079

so ceremoniously

1130

00:41:15,270 --> 00:41:13,599

uh the kid wouldn't talk he was

1131

00:41:17,589 --> 00:41:15,280

traumatized and still to this day

1132

00:41:18,470 --> 00:41:17,599

kid will not or the guy he's a guy now

1133

00:41:21,750 --> 00:41:18,480

he's a man

1134

00:41:24,950 --> 00:41:21,760

uh he won't talk about it so

1135

00:41:27,430 --> 00:41:24,960

you know um you know i've had

1136

00:41:29,750 --> 00:41:27,440

literally thousands of bigfoot reports

1137

00:41:32,790 --> 00:41:29,760

but you know the gory

1138

00:41:33,829 --> 00:41:32,800

in the gory aspects of a bigfoot

1139

00:41:35,589 --> 00:41:33,839

encounter you don't

1140

00:41:38,069 --> 00:41:35,599

hear a whole lot of that and you think

1141

00:41:41,109 --> 00:41:38,079

you probably would

1142

00:41:41,670 --> 00:41:41,119

uh even something descriptive as as the

1143

00:41:43,910 --> 00:41:41,680

uh

1144

00:41:46,550 --> 00:41:43,920

as a scar that he was lucky enough to

1145

00:41:49,109 --> 00:41:46,560

get close to that thing to see that scar

1146

00:41:50,950 --> 00:41:49,119

uh but no you you don't you don't get a

1147

00:41:54,390 --> 00:41:50,960

lot of reports

1148

00:41:58,069 --> 00:41:54,400

that have something attached to it that

1149

00:42:00,390 --> 00:41:58,079

really hits home with

1150

00:42:01,829 --> 00:42:00,400

you know the actual sighting itself

1151

00:42:02,630 --> 00:42:01,839

right that that's an interesting

1152

00:42:06,470 --> 00:42:02,640

sighting uh

1153

00:42:10,390 --> 00:42:06,480

you know and then you think

1154

00:42:12,790 --> 00:42:10,400

did this did this bigfoot rip this dog

1155

00:42:14,230 --> 00:42:12,800

after he ripped the owner apart or what

1156

00:42:16,230 --> 00:42:14,240

what happened you know

1157

00:42:18,150 --> 00:42:16,240

right yeah and that's what really

1158

00:42:20,150 --> 00:42:18,160

bothered chris about that

1159

00:42:21,750 --> 00:42:20,160

and not even just i mean obviously being

1160

00:42:24,790 --> 00:42:21,760

that close to a sasquatch

1161

00:42:27,430 --> 00:42:24,800

would be humbling to say the least uh

1162

00:42:29,190 --> 00:42:27,440

but that he's like i just don't know

1163

00:42:30,870 --> 00:42:29,200

what that piece of fabric was after all

1164

00:42:33,030 --> 00:42:30,880

these years and i i still wonder about

1165

00:42:34,630 --> 00:42:33,040

that and he didn't go

1166

00:42:36,069 --> 00:42:34,640

as we've heard many times he didn't go

1167

00:42:36,870 --> 00:42:36,079

back in the woods for quite a long time

1168

00:42:39,510 --> 00:42:36,880

but

1169

00:42:41,430 --> 00:42:39,520

it actually kind of became a bug in his

1170

00:42:41,990 --> 00:42:41,440

ear and almost an obsession and he did

1171

00:42:44,150 --> 00:42:42,000

end up

1172

00:42:45,990 --> 00:42:44,160

starting to go out and and do more

1173

00:42:48,150 --> 00:42:46,000

investigations for bigfoot so

1174

00:42:49,030 --> 00:42:48,160

and you hear that all the time right lon

1175

00:42:51,589 --> 00:42:49,040

i mean either

1176

00:42:53,109 --> 00:42:51,599

yeah it's a fire or you're like i'm

1177

00:42:54,470 --> 00:42:53,119

moving to a condo in the middle of the

1178

00:42:54,950 --> 00:42:54,480

city and i'm never going in the woods

1179

00:42:59,349 --> 00:42:54,960

again

1180

00:43:02,870 --> 00:42:59,359

so it goes either way well i tell you

1181

00:43:03,829 --> 00:43:02,880

uh i have never i used to hunt a lot i

1182

00:43:07,270 --> 00:43:03,839

used to hunt

1183

00:43:08,870 --> 00:43:07,280

a lot when i was younger and i have

1184

00:43:11,589 --> 00:43:08,880

never been back out in the woods with a

1185

00:43:14,069 --> 00:43:11,599

gun ever since i had my encounter

1186

00:43:16,150 --> 00:43:14,079

yeah that's a fact now i don't know if

1187

00:43:18,230 --> 00:43:16,160

it's because of that

1188

00:43:20,550 --> 00:43:18,240

i don't know it's because my wife didn't

1189

00:43:23,750 --> 00:43:20,560

like me going hunting or what it was

1190

00:43:25,510 --> 00:43:23,760

but i i really have not been out in the

1191

00:43:25,990 --> 00:43:25,520

woods or even any at the fields or

1192

00:43:29,349 --> 00:43:26,000

anything doing

1193

00:43:32,790 --> 00:43:29,359

any hunting since then um

1194

00:43:35,030 --> 00:43:32,800

and i've been quite frank with you i um

1195

00:43:36,870 --> 00:43:35,040

i'd really had to second guess about

1196

00:43:39,589 --> 00:43:36,880

going out into an area where i

1197

00:43:40,710 --> 00:43:39,599

really don't know what's the area itself

1198

00:43:44,150 --> 00:43:40,720

and

1199

00:43:46,870 --> 00:43:44,160

alone in in doing something like that

1200

00:43:48,790 --> 00:43:46,880

uh there just seems you hear a lot of

1201  
00:43:50,230 --> 00:43:48,800  
different stories of a lot of different

1202  
00:43:52,829 --> 00:43:50,240  
things

1203  
00:43:54,550 --> 00:43:52,839  
and uh some of these stories are

1204  
00:43:57,349 --> 00:43:54,560  
horrifying

1205  
00:43:58,710 --> 00:43:57,359  
and it makes you would second i would

1206  
00:44:01,030 --> 00:43:58,720  
second guess going back

1207  
00:44:02,950 --> 00:44:01,040  
out there you know that's just me you

1208  
00:44:04,870 --> 00:44:02,960  
know if i had somebody had butch and

1209  
00:44:07,589 --> 00:44:04,880  
sean with me or something yeah okay

1210  
00:44:09,750 --> 00:44:07,599  
we'll do that but you know

1211  
00:44:11,750 --> 00:44:09,760  
you know i'd be very wary of going out

1212  
00:44:13,750 --> 00:44:11,760  
into one of these areas again

1213  
00:44:15,670 --> 00:44:13,760

yeah that's a good point with the

1214

00:44:17,510 --> 00:44:15,680

weapons because uh

1215

00:44:19,030 --> 00:44:17,520

that's something comes up all the time

1216

00:44:21,750 --> 00:44:19,040

people go well uh

1217

00:44:22,309 --> 00:44:21,760

did i see the bigfoot because i had a

1218

00:44:24,790 --> 00:44:22,319

weapon

1219

00:44:26,150 --> 00:44:24,800

or you know it's it is really a gray

1220

00:44:27,670 --> 00:44:26,160

area because you

1221

00:44:29,750 --> 00:44:27,680

you really should carry if you're going

1222

00:44:31,990 --> 00:44:29,760

into the woods but there's crazy people

1223

00:44:34,069 --> 00:44:32,000

and there's uh mountain lions and all

1224

00:44:37,829 --> 00:44:34,079

sorts of the things that we

1225

00:44:39,750 --> 00:44:37,839

were very familiar with uh but

1226

00:44:41,270 --> 00:44:39,760

i think they know what a gun is of

1227

00:44:43,349 --> 00:44:41,280

course they do sure they do

1228

00:44:45,430 --> 00:44:43,359

not what it is so it does make you

1229

00:44:46,630 --> 00:44:45,440

wonder do it does it draw them in or

1230

00:44:49,349 --> 00:44:46,640

does it scare them off i

1231

00:44:50,790 --> 00:44:49,359

i i don't know and i thought about that

1232

00:44:52,309 --> 00:44:50,800

a lot because a lot of these upright

1233

00:44:53,270 --> 00:44:52,319

canine settings have been made by

1234

00:44:56,150 --> 00:44:53,280

hunters

1235

00:44:57,109 --> 00:44:56,160

who are fully armed with sidearms and a

1236

00:44:58,710 --> 00:44:57,119

rifle

1237

00:45:00,230 --> 00:44:58,720

and they'll walk up on one of these

1238

00:45:01,109 --> 00:45:00,240

things and this thing will stand its

1239

00:45:05,430 --> 00:45:01,119

ground and look

1240

00:45:07,510 --> 00:45:05,440

you know staring down and they have no

1241

00:45:08,790 --> 00:45:07,520

no thoughts of taking a shot at this

1242

00:45:14,950 --> 00:45:08,800

thing

1243

00:45:18,150 --> 00:45:16,390

interest sound or some type of

1244

00:45:21,109 --> 00:45:18,160

infrasound that that

1245

00:45:23,109 --> 00:45:21,119

coming from the beast that causes this

1246

00:45:24,390 --> 00:45:23,119

for them to back off or not do that you

1247

00:45:25,510 --> 00:45:24,400

know there's been a lot of theories

1248

00:45:27,589 --> 00:45:25,520

about that

1249

00:45:29,270 --> 00:45:27,599

that a bigfoot or an upright cane or

1250

00:45:29,589 --> 00:45:29,280

other cryptids have the ability to kind

1251

00:45:32,790 --> 00:45:29,599

of

1252

00:45:33,190 --> 00:45:32,800

uh get in your head and try to talk you

1253

00:45:36,309 --> 00:45:33,200

down

1254

00:45:37,030 --> 00:45:36,319

or try to get you back away but i i

1255

00:45:38,950 --> 00:45:37,040

think

1256

00:45:41,829 --> 00:45:38,960

for the most part when you're shocked

1257

00:45:43,270 --> 00:45:41,839

enough to see something like that

1258

00:45:45,990 --> 00:45:43,280

i think you'd have to second guess

1259

00:45:48,550 --> 00:45:46,000

taking a pop shot at it

1260

00:45:49,430 --> 00:45:48,560

oh yeah and you hear the the people that

1261

00:45:51,670 --> 00:45:49,440

are going

1262

00:45:53,270 --> 00:45:51,680

i had the biggest gun with the biggest

1263

00:45:53,990 --> 00:45:53,280

rounds because i was hunting something

1264

00:45:58,230 --> 00:45:54,000

large

1265

00:46:01,109 --> 00:45:58,240

right and they go even with a really

1266

00:46:02,630 --> 00:46:01,119

really good shot a well-placed shot it

1267

00:46:04,230 --> 00:46:02,640

still wouldn't have been enough i just

1268

00:46:08,630 --> 00:46:04,240

would have pissed this thing off

1269

00:46:09,910 --> 00:46:08,640

yeah yep you're right

1270

00:46:11,829 --> 00:46:09,920

you know i don't think i've talked to

1271

00:46:14,950 --> 00:46:11,839

you since the first

1272

00:46:15,750 --> 00:46:14,960

on the trail of ufos came out which by

1273

00:46:17,910 --> 00:46:15,760

the way

1274

00:46:19,270 --> 00:46:17,920

if you have people you have not seen it

1275

00:46:20,069 --> 00:46:19,280

i know it's about a year and a half two

1276

00:46:22,069 --> 00:46:20,079

years old

1277

00:46:24,069 --> 00:46:22,079

it is excellent you know butch was

1278

00:46:26,829 --> 00:46:24,079

involved with one butchen

1279

00:46:27,990 --> 00:46:26,839

uh sean were involved with one of the

1280

00:46:30,470 --> 00:46:28,000

episodes

1281

00:46:32,550 --> 00:46:30,480

uh but you did such a good job i swear

1282

00:46:35,829 --> 00:46:32,560

it was very interesting

1283

00:46:38,150 --> 00:46:35,839

uh it i can't

1284

00:46:39,349 --> 00:46:38,160

imagine how the second one's gonna be so

1285

00:46:41,990 --> 00:46:39,359

you give me an idea

1286

00:46:42,550 --> 00:46:42,000

what is this second one entails a bit

1287

00:46:44,550 --> 00:46:42,560

you know

1288

00:46:46,150 --> 00:46:44,560

i don't say too much because i don't

1289

00:46:48,230 --> 00:46:46,160

want you getting in trouble but

1290

00:46:50,069 --> 00:46:48,240

give us an idea of what the second the

1291

00:46:52,630 --> 00:46:50,079

second uh version of

1292

00:46:53,670 --> 00:46:52,640

the trail of ufos is gonna be like yeah

1293

00:46:55,430 --> 00:46:53,680

thanks lon

1294

00:46:57,109 --> 00:46:55,440

yeah that that first season did turn out

1295

00:46:59,430 --> 00:46:57,119

awesome and i feel good

1296

00:47:01,030 --> 00:46:59,440

i've seen the final cut of season two

1297

00:47:02,790 --> 00:47:01,040

and i'm just i'm super excited for

1298

00:47:04,230 --> 00:47:02,800

everybody to see it i really really am

1299

00:47:05,910 --> 00:47:04,240

and i know that that sounds silly

1300

00:47:07,270 --> 00:47:05,920

because i'm actually in it so obviously

1301

00:47:08,870 --> 00:47:07,280

i'm gonna say that but this one is

1302

00:47:10,630 --> 00:47:08,880

really really good guys so i'm very

1303

00:47:14,550 --> 00:47:10,640

excited about it but

1304

00:47:16,870 --> 00:47:14,560

we uh we're mostly hanging out in

1305

00:47:18,630 --> 00:47:16,880

a lot of west virginia which all of us

1306

00:47:19,190 --> 00:47:18,640

have agreed is just one of our favorite

1307

00:47:22,230 --> 00:47:19,200

states

1308

00:47:24,549 --> 00:47:22,240

it's just so diverse and

1309

00:47:25,829 --> 00:47:24,559

from the people they're so nice to the

1310

00:47:28,870 --> 00:47:25,839

landscape

1311

00:47:30,230 --> 00:47:28,880

and it's got a ton of cool weird stuff

1312

00:47:33,430 --> 00:47:30,240

going on there

1313

00:47:34,150 --> 00:47:33,440

and the ufo reports that we got first

1314

00:47:36,069 --> 00:47:34,160

hand

1315

00:47:38,069 --> 00:47:36,079

were some of my favorites that i've ever

1316

00:47:39,990 --> 00:47:38,079

heard uh and actually

1317

00:47:42,230 --> 00:47:40,000

one of my favorite witnesses was kenneth

1318

00:47:44,549 --> 00:47:42,240

and you'll be seeing a lot of him

1319

00:47:45,270 --> 00:47:44,559

in season two and we actually saw

1320

00:47:47,510 --> 00:47:45,280

kenneth again

1321

00:47:48,950 --> 00:47:47,520

on this very last trip that we went on a

1322

00:47:52,230 --> 00:47:48,960

few weeks ago

1323

00:47:53,109 --> 00:47:52,240

and found us in an actual uh cave it was

1324

00:47:55,990 --> 00:47:53,119

my first time

1325

00:47:57,990 --> 00:47:56,000

in a legitimate cave i saw a picture on

1326  
00:47:58,870 --> 00:47:58,000  
your on your facebook page of you in the

1327  
00:48:01,589 --> 00:47:58,880  
cave

1328  
00:48:02,309 --> 00:48:01,599  
so yeah you didn't look too thrilled it

1329  
00:48:04,790 --> 00:48:02,319  
was

1330  
00:48:08,630 --> 00:48:04,800  
it's the first time that uh they've got

1331  
00:48:15,109 --> 00:48:12,790  
the the smelling of the cave was

1332  
00:48:16,470 --> 00:48:15,119  
right above our heads essentially we at

1333  
00:48:17,589 --> 00:48:16,480  
some points we were kind of duck

1334  
00:48:21,589 --> 00:48:17,599  
crawling

1335  
00:48:23,109 --> 00:48:21,599  
um very ceremoniously to get to an open

1336  
00:48:24,710 --> 00:48:23,119  
spot in the cave and one of the guys

1337  
00:48:27,910 --> 00:48:24,720  
goes hey shannon look up

1338  
00:48:29,109 --> 00:48:27,920

and look up and there are at first i

1339

00:48:30,630 --> 00:48:29,119

thought they were all spiders but they

1340

00:48:32,549 --> 00:48:30,640

were cave crickets which look

1341

00:48:33,510 --> 00:48:32,559

suspiciously just like spiders they're

1342

00:48:36,390 --> 00:48:33,520

hideous

1343

00:48:38,150 --> 00:48:36,400

and then we saw the black widows um so

1344

00:48:38,870 --> 00:48:38,160

shannon is officially on film screaming

1345

00:48:41,670 --> 00:48:38,880

like a girl

1346

00:48:42,630 --> 00:48:41,680

yeah i'm big time busted i'm not super

1347

00:48:44,710 --> 00:48:42,640

girly

1348

00:48:45,670 --> 00:48:44,720

um a lot of people that know me probably

1349

00:48:49,109 --> 00:48:45,680

know that

1350

00:48:50,790 --> 00:48:49,119

but uh yeah uh the the screams came out

1351

00:48:52,790 --> 00:48:50,800

on that one not not

1352

00:48:54,069 --> 00:48:52,800

not long peeling ones or anything too

1353

00:48:57,109 --> 00:48:54,079

dramatic but um

1354

00:48:58,790 --> 00:48:57,119

no we've got a lot of very unique

1355

00:49:01,349 --> 00:48:58,800

reports coming out for season two

1356

00:49:01,990 --> 00:49:01,359

and there was a really cool pattern that

1357

00:49:04,710 --> 00:49:02,000

you know it's been

1358

00:49:06,549 --> 00:49:04,720

postulated before but there was a

1359

00:49:08,870 --> 00:49:06,559

pattern that we we kind of

1360

00:49:09,670 --> 00:49:08,880

figured out for this whole thing which

1361

00:49:12,950 --> 00:49:09,680

it it

1362

00:49:13,829 --> 00:49:12,960

leads to other theories about where they

1363

00:49:17,109 --> 00:49:13,839

might be from

1364

00:49:20,710 --> 00:49:17,119

what they might be doing here as far as

1365

00:49:22,630 --> 00:49:20,720

um the who why what

1366

00:49:24,710 --> 00:49:22,640

and and where is really what we were

1367

00:49:27,829 --> 00:49:24,720

trying to cover for

1368

00:49:31,430 --> 00:49:27,839

for season two and uh i

1369

00:49:34,470 --> 00:49:31,440

may have had kind of my own siding

1370

00:49:35,349 --> 00:49:34,480

in there too so yeah yeah it'll be out

1371

00:49:37,030 --> 00:49:35,359

this summer so

1372

00:49:38,470 --> 00:49:37,040

i really hope that everybody checks that

1373

00:49:41,510 --> 00:49:38,480

out it's going to be

1374

00:49:44,230 --> 00:49:41,520

on most uh vod platforms

1375

00:49:45,510 --> 00:49:44,240

and i'm sure back on amazon prime as

1376

00:49:48,309 --> 00:49:45,520

well

1377

00:49:50,549 --> 00:49:48,319

yeah i um you know with this so-called

1378

00:49:52,390 --> 00:49:50,559

disclosure coming forth

1379

00:49:54,630 --> 00:49:52,400

supposedly next month and they've been

1380

00:49:56,790 --> 00:49:54,640

kind of talking it up

1381

00:49:57,670 --> 00:49:56,800

uh you know i i don't know what to

1382

00:50:00,470 --> 00:49:57,680

expect

1383

00:50:01,589 --> 00:50:00,480

but you know when i read that i read

1384

00:50:04,470 --> 00:50:01,599

that article that came

1385

00:50:06,230 --> 00:50:04,480

out last week where former astronaut

1386

00:50:08,630 --> 00:50:06,240

literally said

1387

00:50:10,069 --> 00:50:08,640

that if you think aliens and ufos are

1388

00:50:11,510 --> 00:50:10,079

tied together you got another thing

1389

00:50:13,829 --> 00:50:11,520

coming i mean he just

1390

00:50:16,470 --> 00:50:13,839

comes right out there and says that

1391

00:50:18,069 --> 00:50:16,480

aliens and ufos are not connected

1392

00:50:19,990 --> 00:50:18,079

so the first thing you're thinking is

1393

00:50:22,470 --> 00:50:20,000

well okay

1394

00:50:24,710 --> 00:50:22,480

so what what what's going on you know

1395

00:50:28,630 --> 00:50:24,720

what are we people are seeing

1396

00:50:31,910 --> 00:50:28,640

uh you know i i'm i'm not really

1397

00:50:35,109 --> 00:50:31,920

sold on the idea of uh interglass

1398

00:50:36,950 --> 00:50:35,119

galactic vehicles coming through space

1399

00:50:40,069 --> 00:50:36,960

and showing up here

1400

00:50:41,990 --> 00:50:40,079

i i think um i think a lot of the lights

1401

00:50:45,430 --> 00:50:42,000

and stuff that we do see

1402

00:50:47,190 --> 00:50:45,440

can be explained away somehow

1403

00:50:48,470 --> 00:50:47,200

but i think and i don't know if you've

1404

00:50:51,750 --> 00:50:48,480

covered this in in

1405

00:50:53,109 --> 00:50:51,760

in the uh in the film but i think a lot

1406

00:50:57,030 --> 00:50:53,119

of it has to do with

1407

00:51:00,950 --> 00:50:57,040

uh portal or wormhole travel and these

1408

00:51:02,790 --> 00:51:00,960

these craft are coming through somehow

1409

00:51:04,069 --> 00:51:02,800

we'll see and and isn't that interesting

1410

00:51:06,069 --> 00:51:04,079

what he said that

1411

00:51:07,430 --> 00:51:06,079

they're just not tied in at all because

1412

00:51:09,109 --> 00:51:07,440

then does that mean

1413

00:51:11,270 --> 00:51:09,119

and i know that you've talked about

1414

00:51:14,549 --> 00:51:11,280

things like this does that then mean

1415

00:51:17,829 --> 00:51:14,559

that these craft are all um

1416

00:51:20,390 --> 00:51:17,839

in between uh government craft or

1417

00:51:21,750 --> 00:51:20,400

you know futuristic craft of human

1418

00:51:23,270 --> 00:51:21,760

beings so straight up it's us in the

1419

00:51:24,870 --> 00:51:23,280

future coming back we're you know

1420

00:51:26,630 --> 00:51:24,880

whatever we're high fiving whoever

1421

00:51:28,150 --> 00:51:26,640

is here for whatever reason and then the

1422

00:51:30,710 --> 00:51:28,160

et's then

1423

00:51:31,510 --> 00:51:30,720

classic grays you know or these other

1424

00:51:34,230 --> 00:51:31,520

beings

1425

00:51:35,030 --> 00:51:34,240

then our people have labeled them

1426

00:51:37,430 --> 00:51:35,040

demonic

1427

00:51:39,589 --> 00:51:37,440

right they say that you know these

1428

00:51:40,309 --> 00:51:39,599

demonic entities and other such things

1429

00:51:41,829 --> 00:51:40,319

that are

1430

00:51:43,829 --> 00:51:41,839

really quite dark and nasty and you

1431

00:51:45,430 --> 00:51:43,839

don't want to round they can

1432

00:51:47,990 --> 00:51:45,440

they can change in any shape that they

1433

00:51:49,589 --> 00:51:48,000

want and a lot of times we hear

1434

00:51:52,069 --> 00:51:49,599

uh not a lot of times occasionally you

1435

00:51:52,870 --> 00:51:52,079

will hear once people have a sighting of

1436

00:51:54,390 --> 00:51:52,880

a craft

1437

00:51:56,390 --> 00:51:54,400

then they'll start to have kind of these

1438

00:51:57,109 --> 00:51:56,400

abduction scenarios or the starts the

1439

00:51:59,190 --> 00:51:57,119

grey's nerve

1440

00:52:00,470 --> 00:51:59,200

but they also have poltergeist activity

1441

00:52:02,470 --> 00:52:00,480

like straight up

1442

00:52:04,549 --> 00:52:02,480

classic poltergeist activity things

1443

00:52:05,829 --> 00:52:04,559

moving and they don't see a gray moving

1444

00:52:07,589 --> 00:52:05,839

it it's just

1445

00:52:09,270 --> 00:52:07,599

straight up culture rice activity so i'm

1446

00:52:10,950 --> 00:52:09,280

not sure what to make of that i'm glad

1447

00:52:13,270 --> 00:52:10,960

you brought that up because

1448

00:52:14,710 --> 00:52:13,280

poltergeist activity on a lot in a lot

1449

00:52:16,710 --> 00:52:14,720

of instances

1450

00:52:18,150 --> 00:52:16,720

it's tied to ufo sightings i for

1451  
00:52:19,750 --> 00:52:18,160  
whatever reason

1452  
00:52:21,829 --> 00:52:19,760  
you know i've talked to people who have

1453  
00:52:23,829 --> 00:52:21,839  
had poltergeists activity

1454  
00:52:24,950 --> 00:52:23,839  
in their home or wherever around them

1455  
00:52:29,030 --> 00:52:24,960  
and

1456  
00:52:30,230 --> 00:52:29,040  
many of them have had ufo sightings

1457  
00:52:32,549 --> 00:52:30,240  
like i said again i don't know if

1458  
00:52:36,630 --> 00:52:32,559  
there's a connection

1459  
00:52:39,829 --> 00:52:36,640  
many abduction scenarios that i have

1460  
00:52:41,109 --> 00:52:39,839  
been privy to and talk to people do not

1461  
00:52:45,589 --> 00:52:41,119  
happen

1462  
00:52:47,430 --> 00:52:45,599  
or have no relevance with a crap or ufo

1463  
00:52:49,430 --> 00:52:47,440

it's usually where something will come

1464

00:52:52,549 --> 00:52:49,440

into the into the room

1465

00:52:55,829 --> 00:52:52,559

where they're at or somewhere else and

1466

00:52:56,470 --> 00:52:55,839

they would see these beings but they

1467

00:52:58,470 --> 00:52:56,480

will not

1468

00:53:00,470 --> 00:52:58,480

see a craft and you know they'll go

1469

00:53:01,990 --> 00:53:00,480

somewhere but they don't know if it's a

1470

00:53:04,630 --> 00:53:02,000

craft or what it is

1471

00:53:06,549 --> 00:53:04,640

right you know i you know when i heard

1472

00:53:09,829 --> 00:53:06,559

that statement by that astronaut

1473

00:53:12,710 --> 00:53:09,839

i was thinking to myself that well

1474

00:53:13,109 --> 00:53:12,720

maybe he's just saying this to kind of

1475

00:53:16,230 --> 00:53:13,119

tamp

1476

00:53:18,390 --> 00:53:16,240

down the expectations i don't know

1477

00:53:19,750 --> 00:53:18,400

uh i don't i don't really think that

1478

00:53:23,069 --> 00:53:19,760

we're ever going to get

1479

00:53:26,069 --> 00:53:23,079

much out of the government as far as uh

1480

00:53:27,510 --> 00:53:26,079

extraterrestrials or alien beings and

1481

00:53:28,150 --> 00:53:27,520

such i don't think that's going to

1482

00:53:29,829 --> 00:53:28,160

happen

1483

00:53:31,510 --> 00:53:29,839

i think a lot of people hope that's

1484

00:53:33,670 --> 00:53:31,520

going to happen or maybe

1485

00:53:36,950 --> 00:53:33,680

be something that's involved with this

1486

00:53:39,829 --> 00:53:36,960

so-called disclosure that we're getting

1487

00:53:41,349 --> 00:53:39,839

but uh you know when people ask me what

1488

00:53:44,790 --> 00:53:41,359

to expect

1489

00:53:47,109 --> 00:53:44,800

you know what forthcoming i i just

1490

00:53:48,309 --> 00:53:47,119

say you know don't get your hopes up

1491

00:53:50,549 --> 00:53:48,319

because i just don't think they're going

1492

00:53:53,270 --> 00:53:50,559

to tell you but so much

1493

00:53:55,030 --> 00:53:53,280

yeah and george knapp and jeremy corbell

1494

00:53:55,589 --> 00:53:55,040

just came out with that stuff on mystery

1495

00:53:58,549 --> 00:53:55,599

wire

1496

00:54:00,470 --> 00:53:58,559

another radar you know situation with

1497

00:54:02,069 --> 00:54:00,480

all these bogeys and the radar operators

1498

00:54:05,349 --> 00:54:02,079

are talking about it

1499

00:54:07,030 --> 00:54:05,359

and it is a cool video and you do kind

1500

00:54:08,470 --> 00:54:07,040

of have to watch the breakdown to really

1501  
00:54:09,270 --> 00:54:08,480  
understand what you're looking at unless

1502  
00:54:11,349 --> 00:54:09,280  
you're a

1503  
00:54:12,790 --> 00:54:11,359  
military radar operator of some sort it

1504  
00:54:16,069 --> 00:54:12,800  
may be a little tough

1505  
00:54:17,109 --> 00:54:16,079  
but it's not that it's a total letdown

1506  
00:54:19,109 --> 00:54:17,119  
but i was

1507  
00:54:21,589 --> 00:54:19,119  
you know in my brain i'm kind of going

1508  
00:54:22,630 --> 00:54:21,599  
where's the alien body video where's the

1509  
00:54:25,510 --> 00:54:22,640  
interview with a

1510  
00:54:27,510 --> 00:54:25,520  
you know i want that might be kind of

1511  
00:54:29,030 --> 00:54:27,520  
dark of me but i am totally on board

1512  
00:54:30,710 --> 00:54:29,040  
with you i'm going

1513  
00:54:32,230 --> 00:54:30,720

they know we can't handle that if if

1514

00:54:33,109 --> 00:54:32,240

that's out there i don't i just don't

1515

00:54:37,589 --> 00:54:33,119

know that

1516

00:54:39,270 --> 00:54:37,599

ready for that

1517

00:54:40,870 --> 00:54:39,280

well that may very well be you know i

1518

00:54:42,390 --> 00:54:40,880

have some i've heard some real horror

1519

00:54:44,150 --> 00:54:42,400

stories over the years you know i even

1520

00:54:45,990 --> 00:54:44,160

wrote a book about it

1521

00:54:48,710 --> 00:54:46,000

that you know i don't expect the

1522

00:54:52,390 --> 00:54:48,720

government to disclose much about aliens

1523

00:54:54,950 --> 00:54:52,400

uh the the only

1524

00:54:58,470 --> 00:54:54,960

exposure that you're going to get is

1525

00:54:59,750 --> 00:54:58,480

going to come from experiencers and um

1526

00:55:01,750 --> 00:54:59,760

you know i don't think it's going to go

1527

00:55:04,230 --> 00:55:01,760

too far beyond that but

1528

00:55:05,750 --> 00:55:04,240

i do believe that there are alien beings

1529

00:55:07,430 --> 00:55:05,760

i do believe

1530

00:55:08,870 --> 00:55:07,440

that people have had encounters with

1531

00:55:11,349 --> 00:55:08,880

them you know some of the evidence i've

1532

00:55:13,349 --> 00:55:11,359

gotten from david eckhart over the years

1533

00:55:14,710 --> 00:55:13,359

has convinced me that there's something

1534

00:55:17,990 --> 00:55:14,720

going on

1535

00:55:21,190 --> 00:55:18,000

you know um i've had encounters

1536

00:55:23,670 --> 00:55:21,200

you know i've had one real strong

1537

00:55:27,270 --> 00:55:23,680

encounter and i had another one later

1538

00:55:27,990 --> 00:55:27,280

and uh it's always it's been difficult

1539

00:55:30,789 --> 00:55:28,000

for me to

1540

00:55:32,470 --> 00:55:30,799

realize what i actually saw or was told

1541

00:55:33,349 --> 00:55:32,480

and i was told a lot of different things

1542

00:55:36,470 --> 00:55:33,359

but

1543

00:55:37,990 --> 00:55:36,480

you know when you come out of it and

1544

00:55:38,630 --> 00:55:38,000

then when you're sitting there thinking

1545

00:55:41,750 --> 00:55:38,640

about

1546

00:55:43,750 --> 00:55:41,760

what happened during the encounter

1547

00:55:45,829 --> 00:55:43,760

you kind of second-guess yourself that's

1548

00:55:48,069 --> 00:55:45,839

why i think a lot of people

1549

00:55:50,230 --> 00:55:48,079

are so confused by you know if you're

1550

00:55:52,230 --> 00:55:50,240

not used to

1551  
00:55:53,349 --> 00:55:52,240  
dealing with this with other people's

1552  
00:55:55,829 --> 00:55:53,359  
experiences i

1553  
00:55:56,630 --> 00:55:55,839  
i think when it happens to you first of

1554  
00:55:58,630 --> 00:55:56,640  
all

1555  
00:56:01,349 --> 00:55:58,640  
you're shocked you're scared to death

1556  
00:56:04,069 --> 00:56:01,359  
what had probably happened

1557  
00:56:06,470 --> 00:56:04,079  
but you just had difficulty explaining

1558  
00:56:10,549 --> 00:56:06,480  
it especially to someone else

1559  
00:56:12,470 --> 00:56:10,559  
uh let alone understanding it and um

1560  
00:56:13,910 --> 00:56:12,480  
but i do think i do think it's a real

1561  
00:56:15,910 --> 00:56:13,920  
phenomena i really do

1562  
00:56:19,270 --> 00:56:15,920  
i mean you know i i don't discount

1563  
00:56:20,950 --> 00:56:19,280

people uh you know when i get a report

1564

00:56:22,870 --> 00:56:20,960

the first thing i'm thinking is you know

1565

00:56:26,470 --> 00:56:22,880

when they take the time to contact

1566

00:56:28,870 --> 00:56:26,480

me i'm part of their experience now

1567

00:56:30,789 --> 00:56:28,880

yes and it's my obligation to tell it

1568

00:56:33,109 --> 00:56:30,799

like they told it

1569

00:56:34,150 --> 00:56:33,119

not to question them and you know until

1570

00:56:37,910 --> 00:56:34,160

i find out

1571

00:56:40,710 --> 00:56:37,920

otherwise you know and uh

1572

00:56:44,069 --> 00:56:40,720

i i'd say 99 of the things i've been

1573

00:56:45,829 --> 00:56:44,079

told over the years

1574

00:56:49,109 --> 00:56:45,839

believable i mean i i think they're

1575

00:56:50,710 --> 00:56:49,119

tangible and i think they're believable

1576  
00:56:52,230 --> 00:56:50,720  
you know you're talking about strange

1577  
00:56:56,230 --> 00:56:52,240  
sasquatch experiences

1578  
00:56:58,710 --> 00:56:56,240  
and not that not that every

1579  
00:56:59,990 --> 00:56:58,720  
quote unquote et or alien or ufo

1580  
00:57:01,910 --> 00:57:00,000  
encounter isn't

1581  
00:57:04,230 --> 00:57:01,920  
strange in its own way and each bigfoot

1582  
00:57:05,910 --> 00:57:04,240  
encounter is as well

1583  
00:57:08,789 --> 00:57:05,920  
and other subjects sorry guys not to

1584  
00:57:10,069 --> 00:57:08,799  
leave everybody else out but

1585  
00:57:12,470 --> 00:57:10,079  
i don't know if you've ever talked to

1586  
00:57:13,510 --> 00:57:12,480  
chad and alta dillard or heard their

1587  
00:57:16,150 --> 00:57:13,520  
experiences but

1588  
00:57:17,510 --> 00:57:16,160

just a quick snapshot they've had

1589

00:57:18,870 --> 00:57:17,520

several experiences but

1590

00:57:20,950 --> 00:57:18,880

i think the very first one they had they

1591

00:57:23,589 --> 00:57:20,960

were in new orleans and

1592

00:57:24,870 --> 00:57:23,599

they were out on a busy road and they

1593

00:57:26,630 --> 00:57:24,880

you know again a snapshot

1594

00:57:29,190 --> 00:57:26,640

they were taken up into what they

1595

00:57:32,309 --> 00:57:29,200

perceived was a craft

1596

00:57:34,230 --> 00:57:32,319

and chad was in one of

1597

00:57:35,829 --> 00:57:34,240

these quote-unquote rooms of this craft

1598

00:57:37,270 --> 00:57:35,839

and he could actually see outside see

1599

00:57:38,950 --> 00:57:37,280

the stars and he got

1600

00:57:40,390 --> 00:57:38,960

the sense that he was in fact up in

1601  
00:57:44,390 --> 00:57:40,400  
space and

1602  
00:57:47,750 --> 00:57:44,400  
he saw in this very stark room

1603  
00:57:48,630 --> 00:57:47,760  
just uh alone like a regular recliner

1604  
00:57:50,630 --> 00:57:48,640  
like a brown

1605  
00:57:52,069 --> 00:57:50,640  
chair or something like just a chair

1606  
00:57:54,630 --> 00:57:52,079  
normal chair

1607  
00:57:55,109 --> 00:57:54,640  
but he he knew and he got the sense that

1608  
00:57:58,630 --> 00:57:55,119  
he

1609  
00:58:01,670 --> 00:57:58,640  
that chair

1610  
00:58:05,030 --> 00:58:01,680  
it's just very random uh thing

1611  
00:58:08,309 --> 00:58:05,040  
and that popped into my head as far as

1612  
00:58:11,109 --> 00:58:08,319  
what is a very strange aspect to

1613  
00:58:11,990 --> 00:58:11,119

really what is a classic i was taken

1614

00:58:14,069 --> 00:58:12,000

into the sky

1615

00:58:15,190 --> 00:58:14,079

by things that i didn't i i didn't know

1616

00:58:17,430 --> 00:58:15,200

what they were

1617

00:58:19,030 --> 00:58:17,440

uh he actually saw a human being on that

1618

00:58:20,950 --> 00:58:19,040

craft and all this stuff but

1619

00:58:22,230 --> 00:58:20,960

that chair thing always stuck with me

1620

00:58:24,150 --> 00:58:22,240

him going

1621

00:58:31,190 --> 00:58:24,160

i knew i shouldn't sit in the chair so i

1622

00:58:34,789 --> 00:58:32,630

yeah some of some of these things you

1623

00:58:37,510 --> 00:58:34,799

hear just

1624

00:58:38,390 --> 00:58:37,520

they're hard to comprehend i i guess but

1625

00:58:41,190 --> 00:58:38,400

uh

1626  
00:58:42,470 --> 00:58:41,200  
you know you know i've got beyond the

1627  
00:58:45,750 --> 00:58:42,480  
point where

1628  
00:58:49,990 --> 00:58:45,760  
i get a get a sighting or

1629  
00:58:52,870 --> 00:58:50,000  
a report or an experience from a witness

1630  
00:58:54,950 --> 00:58:52,880  
and i hedge on putting it out there for

1631  
00:58:56,549 --> 00:58:54,960  
consumption you know

1632  
00:58:58,630 --> 00:58:56,559  
i'm not worried about what people think

1633  
00:59:01,670 --> 00:58:58,640  
anymore you know

1634  
00:59:04,390 --> 00:59:01,680  
i i i do my diligence to

1635  
00:59:05,829 --> 00:59:04,400  
put it out there get people to try and

1636  
00:59:09,030 --> 00:59:05,839  
understand what happened

1637  
00:59:10,710 --> 00:59:09,040  
but uh you know i'm not letting it i

1638  
00:59:11,670 --> 00:59:10,720

don't let it bother me more it just kind

1639

00:59:14,950 --> 00:59:11,680

of rolls off the

1640

00:59:16,230 --> 00:59:14,960

off my back now no you can't and really

1641

00:59:19,910 --> 00:59:16,240

those are the

1642

00:59:21,670 --> 00:59:19,920

at the time you're kind of going

1643

00:59:23,030 --> 00:59:21,680

wow that's really that is weird and

1644

00:59:24,069 --> 00:59:23,040

interesting and cool and

1645

00:59:25,670 --> 00:59:24,079

i don't know what to make of that but

1646

00:59:28,230 --> 00:59:25,680

those are the data points that need to

1647

00:59:31,030 --> 00:59:28,240

be out there because there might just be

1648

00:59:33,270 --> 00:59:31,040

somebody listening even a year or five

1649

00:59:35,670 --> 00:59:33,280

years or ten years from now and go

1650

00:59:36,630 --> 00:59:35,680

oh my gosh i had that exact same

1651

00:59:38,630 --> 00:59:36,640

experience

1652

00:59:39,750 --> 00:59:38,640

you know and their mind is blown and

1653

00:59:41,589 --> 00:59:39,760

they're gonna they're gonna get in

1654

00:59:43,349 --> 00:59:41,599

contact with you and now you've

1655

00:59:45,270 --> 00:59:43,359

you've got a new thread to follow which

1656

00:59:46,630 --> 00:59:45,280

we've got about how many now long we

1657

00:59:49,270 --> 00:59:46,640

probably got about a million threads to

1658

00:59:52,390 --> 00:59:49,280

follow but that's okay yeah

1659

00:59:54,789 --> 00:59:52,400

yeah so shannon uh

1660

00:59:56,069 --> 00:59:54,799

tell the folks what books you got coming

1661

00:59:57,829 --> 00:59:56,079

out soon

1662

01:00:00,470 --> 00:59:57,839

what else to expect from small town

1663

01:00:01,910 --> 01:00:00,480

monsters and uh

1664

01:00:03,510 --> 01:00:01,920

whatever you can think of whatever you

1665

01:00:04,950 --> 01:00:03,520

want people to know about and how to get

1666

01:00:07,549 --> 01:00:04,960

onto your website

1667

01:00:09,030 --> 01:00:07,559

absolutely so uh website is into the

1668

01:00:11,430 --> 01:00:09,040

frayradio.com

1669

01:00:13,589 --> 01:00:11,440

and i have a of course i'm on facebook

1670

01:00:14,950 --> 01:00:13,599

twitter and instagram for myself and

1671

01:00:16,630 --> 01:00:14,960

into the fray

1672

01:00:19,430 --> 01:00:16,640

and as far as the books the ones that

1673

01:00:21,589 --> 01:00:19,440

are out is beyond the fray bigfoot and

1674

01:00:24,150 --> 01:00:21,599

beyond the fray paramagamation

1675

01:00:25,030 --> 01:00:24,160

and i am right now we are in the process

1676

01:00:27,270 --> 01:00:25,040

jeff and i

1677

01:00:29,030 --> 01:00:27,280

of compiling more bigfoot stories for

1678

01:00:31,990 --> 01:00:29,040

beyond the fray bigfoot part

1679

01:00:33,109 --> 01:00:32,000

two so uh really looking for more

1680

01:00:35,829 --> 01:00:33,119

bigfoot stories

1681

01:00:38,230 --> 01:00:35,839

for that upcoming and then for small

1682

01:00:39,829 --> 01:00:38,240

town monsters i know of a trip that i

1683

01:00:41,750 --> 01:00:39,839

will be going on but i am not

1684

01:00:43,349 --> 01:00:41,760

sure if i'm allowed to say where that is

1685

01:00:45,829 --> 01:00:43,359

right now so that's cool

1686

01:00:47,670 --> 01:00:45,839

shouldn't i apologize but yeah there is

1687

01:00:48,950 --> 01:00:47,680

definitely more coming up from small

1688

01:00:50,309 --> 01:00:48,960

town monsters which is going to be

1689

01:00:52,789 --> 01:00:50,319

really exciting

1690

01:00:54,309 --> 01:00:52,799

well like i told you before i hope at

1691

01:00:56,230 --> 01:00:54,319

some point you and i can do an

1692

01:00:58,630 --> 01:00:56,240

investigation or do a

1693

01:01:00,390 --> 01:00:58,640

do a production together or something to

1694

01:01:02,870 --> 01:01:00,400

add to that effect

1695

01:01:04,230 --> 01:01:02,880

uh i definitely want you to come back on

1696

01:01:06,950 --> 01:01:04,240

the show

1697

01:01:09,030 --> 01:01:06,960

quicker than you have been before uh so

1698

01:01:10,470 --> 01:01:09,040

we can cover some things uh

1699

01:01:12,870 --> 01:01:10,480

i'm always available to come home with

1700

01:01:15,190 --> 01:01:12,880

you and and i just do enjoy

1701

01:01:17,190 --> 01:01:15,200

talking to y'all i've always had a good

1702

01:01:20,309 --> 01:01:17,200

time talking to you you're

1703

01:01:20,789 --> 01:01:20,319

you you you kind of i don't know you

1704

01:01:22,390 --> 01:01:20,799

kind of

1705

01:01:24,789 --> 01:01:22,400

get it you know let's put it that way

1706

01:01:26,789 --> 01:01:24,799

you understand so uh

1707

01:01:28,549 --> 01:01:26,799

thanks again for coming on tonight

1708

01:01:30,789 --> 01:01:28,559

keaton contact let me know what's going

1709

01:01:33,190 --> 01:01:30,799

on and we will be talking soon

1710

01:01:35,030 --> 01:01:33,200

absolutely on thank you so much okay you

1711

01:01:39,270 --> 01:01:35,040

take care and have a good weekend

1712

01:01:41,349 --> 01:01:39,280

all right everybody be safe out there

1713

01:01:43,030 --> 01:01:41,359

now if you have an unexplained encounter

1714

01:01:44,470 --> 01:01:43,040

of sighting feel free to contact me

1715

01:01:45,270 --> 01:01:44,480

through the families of monsters blog

1716

01:01:47,270 --> 01:01:45,280

site

1717

01:01:49,030 --> 01:01:47,280

i once again thank shannon legrove for

1718

01:01:50,870 --> 01:01:49,040

joining me this evening

1719

01:01:53,030 --> 01:01:50,880

and thanks to each and all of you for

1720

01:01:54,950 --> 01:01:53,040

watching and chatting if you made a

1721

01:01:57,750 --> 01:01:54,960

super chat donation

1722

01:01:59,750 --> 01:01:57,760

it's truly appreciated your support is

1723

01:02:02,230 --> 01:01:59,760

what makes all this possible so please

1724

01:02:04,710 --> 01:02:02,240

like subscribe and share

1725

01:02:07,109 --> 01:02:04,720

uh until next week and i think i think

1726

01:02:08,870 --> 01:02:07,119

ken gerhart is our guest next week

1727

01:02:11,109 --> 01:02:08,880

so that should be a great show so stay

1728

01:02:20,790 --> 01:02:11,119

healthy have a safe and enjoyable

1729

01:02:33,420 --> 01:02:20,800

weekend good night

1730

01:02:33,430 --> 01:02:58,480

[Applause]
