

ARCANE RADIO

Exploring the Unexplained

June 11th, 2021
@ 9PM Eastern

FORTEAN FRIDAY

with guests **Regan Lee**

&

Your Host
Lon Strickler

Manuel Navarette

P&M Researchers **MANUEL NAVARETTE & REGAN LEE** - June 11th, 2021

1
00:00:09,110 --> 00:00:05,670
the oldest

2
00:00:11,270 --> 00:00:09,120
and strongest human emotion is fear

3
00:00:12,310 --> 00:00:11,280
and the oldest and strongest type of

4
00:00:15,430 --> 00:00:12,320
fear

5
00:00:17,910 --> 00:00:15,440
is trepidation of the unknown

6
00:00:21,349 --> 00:00:17,920
when we were children our parents told

7
00:00:23,830 --> 00:00:21,359
us that monsters didn't exist

8
00:00:27,029 --> 00:00:23,840
but we were sure that something was

9
00:00:31,589 --> 00:00:27,039
lurking under the bed or in the closet

10
00:00:34,790 --> 00:00:31,599
fear sees even if our eyes are closed

11
00:00:36,790 --> 00:00:34,800
welcome to the realm of the arcane my

12
00:00:39,190 --> 00:00:36,800
name is lon strickler

13
00:00:40,310 --> 00:00:39,200

join me as i examine unexplained

14

00:00:42,950 --> 00:00:40,320

creatures

15

00:00:45,270 --> 00:00:42,960

strange manifestations of remarkable

16

00:00:48,310 --> 00:00:45,280

realities

17

00:00:50,950 --> 00:00:48,320

imagine this next hour as a voyage of

18

00:00:53,990 --> 00:00:50,960

discovery to strange lands

19

00:00:56,709 --> 00:00:54,000

seeking not for new territory but for

20

00:00:58,310 --> 00:00:56,719

new knowledge of the supernatural come

21

00:01:00,700 --> 00:00:58,320

on board as we begin

22

00:01:04,149 --> 00:01:00,710

this adventure together

23

00:01:08,070 --> 00:01:05,670

folks good evening and welcome to

24

00:01:10,870 --> 00:01:08,080

another episode of arcane radio

25

00:01:12,950 --> 00:01:10,880

where we explore the unexplained live on

26

00:01:15,109 --> 00:01:12,960

beyond explanation

27

00:01:16,950 --> 00:01:15,119

i'm your host lon strickler coming to

28

00:01:19,510 --> 00:01:16,960

you within a candid shot of historic

29

00:01:23,270 --> 00:01:19,520

gettysburg pennsylvania

30

00:01:25,109 --> 00:01:23,280

thanks for joining us so um once again

31

00:01:26,870 --> 00:01:25,119

arcane radio and beyond explanation

32

00:01:29,749 --> 00:01:26,880

channel is made possible by you

33

00:01:30,550 --> 00:01:29,759

liking subscribing and sharing our

34

00:01:34,390 --> 00:01:30,560

programming

35

00:01:36,469 --> 00:01:34,400

super chat donations are essential for

36

00:01:38,710 --> 00:01:36,479

us to continue offering you

37

00:01:40,870 --> 00:01:38,720

our unique content and your

38

00:01:41,910 --> 00:01:40,880

consideration is very much needed and

39

00:01:45,270 --> 00:01:41,920

appreciated

40

00:01:48,950 --> 00:01:45,280

now tonight if you're in the chat room

41

00:01:49,590 --> 00:01:48,960

please feel free to uh ask questions of

42

00:01:53,109 --> 00:01:49,600

the guests

43

00:01:57,109 --> 00:01:53,119

and myself and we will try to

44

00:01:59,670 --> 00:01:57,119

answer them as best as possible

45

00:02:02,230 --> 00:01:59,680

so tonight i welcome phantoms of

46

00:02:04,709 --> 00:02:02,240

monsters 14 research investigator

47

00:02:06,950 --> 00:02:04,719

manuel navarette to arcane radiant

48

00:02:10,070 --> 00:02:06,960

emanuel is the founder and curator

49

00:02:12,309 --> 00:02:10,080

uf folks clearing house and an active

50

00:02:14,550 --> 00:02:12,319

paranormal investigator he is currently

51
00:02:16,790 --> 00:02:14,560
one of the chief investigators

52
00:02:18,070 --> 00:02:16,800
of the chicago lake michigan mothman

53
00:02:21,270 --> 00:02:18,080
phenomenon along with

54
00:02:22,070 --> 00:02:21,280
tobias whalen myself ufo clearinghouse

55
00:02:24,070 --> 00:02:22,080
is a website

56
00:02:26,309 --> 00:02:24,080
dedicated and committed to providing the

57
00:02:29,110 --> 00:02:26,319
most up-to-date information

58
00:02:30,390 --> 00:02:29,120
on recent ufo sightings reported alien

59
00:02:33,750 --> 00:02:30,400
abductions

60
00:02:36,630 --> 00:02:33,760
and cryptid sightings emanuel is a

61
00:02:39,190 --> 00:02:36,640
long-time colleague and member of fans

62
00:02:41,589 --> 00:02:39,200
of monsters fortune research team

63
00:02:43,190 --> 00:02:41,599

you can find the full fans of monster

64

00:02:44,790 --> 00:02:43,200

sports research team and affiliate

65

00:02:48,070 --> 00:02:44,800

researchers

66

00:02:50,470 --> 00:02:48,080

at cryptidhunters.org so manuel

67

00:02:53,589 --> 00:02:50,480

thanks again for joining me this evening

68

00:02:57,030 --> 00:02:53,599

oh thank you to be here

69

00:02:59,509 --> 00:02:57,040

so uh once again

70

00:03:01,030 --> 00:02:59,519

we are getting sightings out of chicago

71

00:03:02,869 --> 00:03:01,040

and uh

72

00:03:04,710 --> 00:03:02,879

you know it's almost like when the

73

00:03:07,670 --> 00:03:04,720

weather turns

74

00:03:10,309 --> 00:03:07,680

this thing starts so since the report

75

00:03:13,430 --> 00:03:10,319

came directly to you why don't you uh

76
00:03:15,830 --> 00:03:13,440
tell everybody about uh what you had

77
00:03:18,869 --> 00:03:15,840
just received this week

78
00:03:19,270 --> 00:03:18,879
well i got a sighting report the other

79
00:03:24,149 --> 00:03:19,280
day

80
00:03:25,670 --> 00:03:24,159
so i haven't even finished updating the

81
00:03:28,789 --> 00:03:25,680
website but

82
00:03:30,149 --> 00:03:28,799
um this young lady and a

83
00:03:32,470 --> 00:03:30,159
pair of her friends were out for an

84
00:03:34,470 --> 00:03:32,480
evening walk they do

85
00:03:36,070 --> 00:03:34,480
they walk along the lake for the trail

86
00:03:38,949 --> 00:03:36,080
um they

87
00:03:39,910 --> 00:03:38,959
were rounding about the uh museum campus

88
00:03:41,670 --> 00:03:39,920

which in chicago

89

00:03:43,430 --> 00:03:41,680

is the area that includes the field

90

00:03:46,149 --> 00:03:43,440

museum the adler planetarium

91

00:03:47,190 --> 00:03:46,159

the shed across aquarium street from

92

00:03:50,550 --> 00:03:47,200

there would be

93

00:03:53,030 --> 00:03:50,560

um soldier field and

94

00:03:54,149 --> 00:03:53,040

from there is grant park that uh

95

00:03:55,589 --> 00:03:54,159

buckingham fountain

96

00:03:57,190 --> 00:03:55,599

if you're from chicago you more or less

97

00:04:00,070 --> 00:03:57,200

know what i'm talking about

98

00:04:00,949 --> 00:04:00,080

um but the trail runs around the whole

99

00:04:03,910 --> 00:04:00,959

area

100

00:04:04,470 --> 00:04:03,920

and uh she could say that she was taking

101
00:04:06,630 --> 00:04:04,480
the path

102
00:04:07,910 --> 00:04:06,640
that was going along the back side of

103
00:04:11,110 --> 00:04:07,920
the shed aquarium

104
00:04:11,830 --> 00:04:11,120
now this is a path that's kind of

105
00:04:13,830 --> 00:04:11,840
elevated

106
00:04:15,830 --> 00:04:13,840
can you ronda hold back end of the shed

107
00:04:17,909 --> 00:04:15,840
aquarium you can look through

108
00:04:20,069 --> 00:04:17,919
you can see the uh the pools where they

109
00:04:20,949 --> 00:04:20,079
have dolphins and the beluga whales and

110
00:04:23,590 --> 00:04:20,959
everything

111
00:04:24,629 --> 00:04:23,600
um and then there's another part that's

112
00:04:27,110 --> 00:04:24,639
a little lower

113
00:04:28,070 --> 00:04:27,120

that's the actual lake front it's the

114

00:04:29,830 --> 00:04:28,080

jetties that

115

00:04:31,749 --> 00:04:29,840

are right up on the bunch of stuff onto

116

00:04:35,670 --> 00:04:31,759

the lakefront itself

117

00:04:37,350 --> 00:04:35,680

and um as they were walking um

118

00:04:38,950 --> 00:04:37,360

she said she saw something about 15 to

119

00:04:41,270 --> 00:04:38,960

20 feet in front of her

120

00:04:41,990 --> 00:04:41,280

and she thought it was just somebody

121

00:04:43,510 --> 00:04:42,000

taking a rest

122

00:04:44,950 --> 00:04:43,520

you know catching their breath or

123

00:04:45,909 --> 00:04:44,960

something while either walking or

124

00:04:48,310 --> 00:04:45,919

jogging

125

00:04:49,189 --> 00:04:48,320

but as she got closer uh she noticed

126

00:04:51,110 --> 00:04:49,199

that it was

127

00:04:53,430 --> 00:04:51,120

not leaned up against the railing it was

128

00:04:56,230 --> 00:04:53,440

actually perched up on the railing

129

00:04:56,950 --> 00:04:56,240

um now if you notice area you know that

130

00:04:59,749 --> 00:04:56,960

they're

131

00:05:01,510 --> 00:04:59,759

from the railing down to the toward uh

132

00:05:04,790 --> 00:05:01,520

to the lakefront it's about

133

00:05:06,870 --> 00:05:04,800

15 to 20 feet um so

134

00:05:08,629 --> 00:05:06,880

being perched up there is just you know

135

00:05:12,629 --> 00:05:08,639

recipe for disaster

136

00:05:15,670 --> 00:05:12,639

um but she says they got closer lifting

137

00:05:17,670 --> 00:05:15,680

she noticed it was solid black and

138

00:05:19,270 --> 00:05:17,680

it turned and she saw what looked like a

139

00:05:20,870 --> 00:05:19,280

pair of red eyes

140

00:05:24,710 --> 00:05:20,880

and she noticed that it had a pair of

141

00:05:26,150 --> 00:05:24,720

wings that were fixed to its back um

142

00:05:28,469 --> 00:05:26,160

she said they had stopped dead in their

143

00:05:29,590 --> 00:05:28,479

tracks and it kind of started making a

144

00:05:32,790 --> 00:05:29,600

chirping sound

145

00:05:35,510 --> 00:05:32,800

at them followed by a very loud screech

146

00:05:36,550 --> 00:05:35,520

um at this point it started flapping its

147

00:05:39,270 --> 00:05:36,560

wings

148

00:05:39,749 --> 00:05:39,280

and took off in the air about this time

149

00:05:42,710 --> 00:05:39,759

that

150

00:05:42,950 --> 00:05:42,720

it started doing this she heard a scream

151
00:05:44,629 --> 00:05:42,960
and

152
00:05:46,230 --> 00:05:44,639
it was coming from a trio of women

153
00:05:47,270 --> 00:05:46,240
coming in the opposite direction that

154
00:05:49,590 --> 00:05:47,280
they were

155
00:05:50,550 --> 00:05:49,600
uh this thing took off into the air and

156
00:05:53,510 --> 00:05:50,560
was gone

157
00:05:55,749 --> 00:05:53,520
uh fire flying toward the area navy pier

158
00:05:58,230 --> 00:05:55,759
uh out over the open water

159
00:05:59,670 --> 00:05:58,240
uh they stood there like she said they

160
00:06:00,950 --> 00:05:59,680
tried to catch their breath kind of see

161
00:06:01,430 --> 00:06:00,960
if this thing was going to try to come

162
00:06:03,670 --> 00:06:01,440
back

163
00:06:04,950 --> 00:06:03,680

you know kind of process the whole thing

164

00:06:06,550 --> 00:06:04,960

they talked to the other

165

00:06:08,309 --> 00:06:06,560

uh witnesses that were coming asking if

166

00:06:10,469 --> 00:06:08,319

they had seen this

167

00:06:11,510 --> 00:06:10,479

and uh they said yeah they they said

168

00:06:14,070 --> 00:06:11,520

that they stepped

169

00:06:15,510 --> 00:06:14,080

sat around for about five minutes and

170

00:06:18,790 --> 00:06:15,520

after which they continued on their

171

00:06:21,430 --> 00:06:18,800

walking and just headed home

172

00:06:22,230 --> 00:06:21,440

now this young lady is you know she's in

173

00:06:24,710 --> 00:06:22,240

her 30s

174

00:06:26,550 --> 00:06:24,720

professional has lived in that area for

175

00:06:30,070 --> 00:06:26,560

about 10 years in the loop

176

00:06:31,670 --> 00:06:30,080

um and she says she has gone the same

177

00:06:33,830 --> 00:06:31,680

she's taking the same route

178

00:06:35,749 --> 00:06:33,840

with her friends on the weekly walks you

179

00:06:38,870 --> 00:06:35,759

know three four times a week

180

00:06:41,670 --> 00:06:38,880

um and she's like she said herself she

181

00:06:43,189 --> 00:06:41,680

doesn't really believe in the paranormal

182

00:06:44,950 --> 00:06:43,199

in the report she says i really don't

183

00:06:48,550 --> 00:06:44,960

believe in the ub boogie

184

00:06:49,990 --> 00:06:48,560

um but she says that this thing can

185

00:06:52,309 --> 00:06:50,000

it could have been a bird but she says

186

00:06:54,629 --> 00:06:52,319

it was shaped more like a man

187

00:06:55,510 --> 00:06:54,639

and she and like she stated when i

188

00:06:57,830 --> 00:06:55,520

talked to her

189

00:06:58,790 --> 00:06:57,840

she's never seen birds that have their

190

00:07:01,909 --> 00:06:58,800

wings perched

191

00:07:03,350 --> 00:07:01,919

on their back um and that's what really

192

00:07:05,830 --> 00:07:03,360

stood out

193

00:07:06,629 --> 00:07:05,840

um she went home she told her girlfriend

194

00:07:09,589 --> 00:07:06,639

about it

195

00:07:10,390 --> 00:07:09,599

her girlfriend um kind of laughed it off

196

00:07:11,990 --> 00:07:10,400

and said it might have been a

197

00:07:13,510 --> 00:07:12,000

miscellaneous viper

198

00:07:15,189 --> 00:07:13,520

but at the same time started telling her

199

00:07:18,150 --> 00:07:15,199

about all the mothman settings

200

00:07:19,430 --> 00:07:18,160

so you know curiosity got you know the

201
00:07:19,830 --> 00:07:19,440
better part of her she started looking

202
00:07:21,350 --> 00:07:19,840
it up

203
00:07:25,110 --> 00:07:21,360
and that's where she found the site and

204
00:07:31,990 --> 00:07:28,309
this the first sighting we've had

205
00:07:33,909 --> 00:07:32,000
down along the lake let alone downtown

206
00:07:35,990 --> 00:07:33,919
over a year i'd say wouldn't you think

207
00:07:38,550 --> 00:07:36,000
about about a year year and a half

208
00:07:40,070 --> 00:07:38,560
uh we had a string of them along uh near

209
00:07:41,430 --> 00:07:40,080
the adler planetarium which is part of

210
00:07:43,589 --> 00:07:41,440
the media campus

211
00:07:44,710 --> 00:07:43,599
a couple of them along the navy pier a

212
00:07:48,230 --> 00:07:44,720
couple of them along

213
00:07:50,629 --> 00:07:48,240

the riverwalk um out by the marinas

214

00:07:52,150 --> 00:07:50,639

uh but it's been you know quite a while

215

00:07:53,670 --> 00:07:52,160

before since we've had one

216

00:07:56,230 --> 00:07:53,680

most of them been centered out toward

217

00:07:58,469 --> 00:07:56,240

the airport which we've had recent ones

218

00:07:59,510 --> 00:07:58,479

out at the airport but yeah the first

219

00:08:03,189 --> 00:07:59,520

time we've had them

220

00:08:05,510 --> 00:08:03,199

you know that close to the lakefront

221

00:08:08,790 --> 00:08:05,520

so uh why don't you tell us about the uh

222

00:08:11,909 --> 00:08:08,800

the latest sightings out at uh o'hare

223

00:08:12,550 --> 00:08:11,919

uh i think we've had two of them within

224

00:08:15,110 --> 00:08:12,560

the last

225

00:08:15,749 --> 00:08:15,120

month yes and of course we had that

226

00:08:19,270 --> 00:08:15,759

dragon

227

00:08:19,909 --> 00:08:19,280

report over there at portage park which

228

00:08:23,830 --> 00:08:19,919

is about

229

00:08:25,589 --> 00:08:23,840

two miles east of uh o'hara

230

00:08:26,950 --> 00:08:25,599

had you heard it had had you heard

231

00:08:29,670 --> 00:08:26,960

anything about

232

00:08:30,869 --> 00:08:29,680

any follow-up on that uh on that dragon

233

00:08:33,509 --> 00:08:30,879

report

234

00:08:34,149 --> 00:08:33,519

uh none whatsoever i've been out to that

235

00:08:38,949 --> 00:08:34,159

area

236

00:08:40,230 --> 00:08:38,959

i mean it's your typical chicago name

237

00:08:42,790 --> 00:08:40,240

you know suburb neighborhood

238

00:08:43,589 --> 00:08:42,800

it's uh you know most of the parkings on

239

00:08:45,990 --> 00:08:43,599

the street

240

00:08:46,949 --> 00:08:46,000

alleyways but you know we drove around

241

00:08:51,509 --> 00:08:46,959

there thinking like

242

00:08:53,829 --> 00:08:51,519

you know what could we see you know and

243

00:08:54,949 --> 00:08:53,839

you know nothing out of the ordinary um

244

00:08:57,750 --> 00:08:54,959

a lot of trees so

245

00:08:59,030 --> 00:08:57,760

it kind of rules out for me at least it

246

00:09:00,230 --> 00:08:59,040

rules out that it could have been like a

247

00:09:01,430 --> 00:09:00,240

tight

248

00:09:04,150 --> 00:09:01,440

you know because there are a lot of

249

00:09:04,870 --> 00:09:04,160

wires in that area in that block there's

250

00:09:08,150 --> 00:09:04,880

you know

251
00:09:09,110 --> 00:09:08,160
a junction of telephone and electrical

252
00:09:12,470 --> 00:09:09,120
wires

253
00:09:15,590 --> 00:09:12,480
so and a lot of trees a lot of big trees

254
00:09:17,509 --> 00:09:15,600
so you know in my mind that kind of

255
00:09:19,509 --> 00:09:17,519
rules out the possibility not saying

256
00:09:22,230 --> 00:09:19,519
that it could be a kite

257
00:09:23,910 --> 00:09:22,240
but um as far as anything you know

258
00:09:26,870 --> 00:09:23,920
coming out of that area

259
00:09:28,790 --> 00:09:26,880
nothing since then um what really

260
00:09:30,310 --> 00:09:28,800
surprised me is that he said it was more

261
00:09:34,230 --> 00:09:30,320
dragon like

262
00:09:38,870 --> 00:09:34,240
uh than you know wind humanoid

263
00:09:40,790 --> 00:09:38,880

um which is kind of like a a strange

264

00:09:43,110 --> 00:09:40,800

you know mix to though to this whole

265

00:09:44,470 --> 00:09:43,120

thing but of course we had that recent

266

00:09:47,670 --> 00:09:44,480

photo that came out that

267

00:09:50,710 --> 00:09:47,680

people were saying looked like a dragon

268

00:09:53,829 --> 00:09:50,720

and um you know so we never know we

269

00:09:57,269 --> 00:09:53,839

might have a new player in the game um

270

00:10:00,550 --> 00:09:57,279

as well as that area but as far as the

271

00:10:03,430 --> 00:10:00,560

reports out of chicago o'hare we've had

272

00:10:04,150 --> 00:10:03,440

two um let me go to the first ones

273

00:10:07,350 --> 00:10:04,160

though

274

00:10:08,470 --> 00:10:07,360

uh the first one was made by a airport

275

00:10:12,069 --> 00:10:08,480

employee

276

00:10:12,870 --> 00:10:12,079

the gentleman uh was a shuttle bus

277

00:10:14,949 --> 00:10:12,880

driver

278

00:10:17,509 --> 00:10:14,959

and if you've ever been on hotel here

279

00:10:20,230 --> 00:10:17,519

you've seen the little white boxes

280

00:10:21,509 --> 00:10:20,240

uh those are the shuttles that take you

281

00:10:24,069 --> 00:10:21,519

to and from

282

00:10:25,670 --> 00:10:24,079

the different places and he was near the

283

00:10:27,590 --> 00:10:25,680

new parking terminal that they built

284

00:10:29,350 --> 00:10:27,600

they expanded the monorail

285

00:10:31,110 --> 00:10:29,360

and a huge parking area that's where all

286

00:10:33,269 --> 00:10:31,120

most of the uh

287

00:10:35,910 --> 00:10:33,279

the rental companies are out in this new

288

00:10:36,710 --> 00:10:35,920

area and you see it's a terminus for all

289

00:10:39,990 --> 00:10:36,720

the buses

290

00:10:42,230 --> 00:10:40,000

um you will any given day at night

291

00:10:43,190 --> 00:10:42,240

you'll see two dozen buses sitting

292

00:10:45,430 --> 00:10:43,200

around

293

00:10:47,110 --> 00:10:45,440

uh because they come they stop that's

294

00:10:48,949 --> 00:10:47,120

kind of like the end of the line

295

00:10:50,710 --> 00:10:48,959

they'll still go back on their route

296

00:10:52,550 --> 00:10:50,720

again um

297

00:10:54,069 --> 00:10:52,560

he was staged there he said he had

298

00:10:55,110 --> 00:10:54,079

wandered away from the bus to take a

299

00:10:57,990 --> 00:10:55,120

smoke break

300

00:10:59,670 --> 00:10:58,000

when he saw a large owl fly over the top

301
00:11:00,069 --> 00:10:59,680
of the building and disappeared behind

302
00:11:02,790 --> 00:11:00,079
the

303
00:11:04,550 --> 00:11:02,800
parking garage he said it was about 30

304
00:11:06,790 --> 00:11:04,560
to 40 feet off the ground

305
00:11:07,590 --> 00:11:06,800
i already tried to fly over but it made

306
00:11:09,670 --> 00:11:07,600
no sound

307
00:11:11,750 --> 00:11:09,680
and it looked like like a giant black

308
00:11:14,069 --> 00:11:11,760
thing with very large wings

309
00:11:16,150 --> 00:11:14,079
um he said seaside for all two or three

310
00:11:17,590 --> 00:11:16,160
seconds as it flew overhead and over the

311
00:11:19,269 --> 00:11:17,600
building out of sight

312
00:11:21,030 --> 00:11:19,279
he didn't see it again even when he

313
00:11:24,389 --> 00:11:21,040

drove around the side of the building

314

00:11:25,509 --> 00:11:24,399

as he was headed out um the interesting

315

00:11:27,670 --> 00:11:25,519

thing was i had a

316

00:11:28,790 --> 00:11:27,680

you know long talk with the gentleman

317

00:11:32,389 --> 00:11:28,800

via telephone

318

00:11:34,949 --> 00:11:32,399

and um you know we talked about this uh

319

00:11:37,269 --> 00:11:34,959

incident and the thing that really stuck

320

00:11:38,550 --> 00:11:37,279

out about it was that he was told by his

321

00:11:40,949 --> 00:11:38,560

supervisors

322

00:11:42,949 --> 00:11:40,959

you know directly that this all it was a

323

00:11:44,710 --> 00:11:42,959

misidentified large bird

324

00:11:46,630 --> 00:11:44,720

and that he should not speak to anyone

325

00:11:49,590 --> 00:11:46,640

else about these sightings

326

00:11:49,990 --> 00:11:49,600

um and he says they were very adamant

327

00:11:53,350 --> 00:11:50,000

about

328

00:11:56,069 --> 00:11:53,360

that do not speak to anybody else

329

00:11:56,389 --> 00:11:56,079

about the sightings you know he thought

330

00:11:59,030 --> 00:11:56,399

that

331

00:11:59,430 --> 00:11:59,040

it was maybe a large bird but he was not

332

00:12:03,030 --> 00:11:59,440

certain

333

00:12:05,030 --> 00:12:03,040

because he's seen large birds you know

334

00:12:07,110 --> 00:12:05,040

there's all sorts of wildlife at the

335

00:12:09,509 --> 00:12:07,120

airport um

336

00:12:10,230 --> 00:12:09,519

that you see out there but he says that

337

00:12:14,230 --> 00:12:10,240

um

338

00:12:17,430 --> 00:12:14,240

the wingspan easily was 15 to 20 feet

339

00:12:19,269 --> 00:12:17,440

by his estimates and which from tip to

340

00:12:20,949 --> 00:12:19,279

tip and this thing was easily the size

341

00:12:24,150 --> 00:12:20,959

of a human being

342

00:12:26,310 --> 00:12:24,160

um you know that he had seen that larger

343

00:12:29,990 --> 00:12:26,320

than any bird he had ever seen

344

00:12:30,949 --> 00:12:30,000

but you know he really he didn't want to

345

00:12:33,350 --> 00:12:30,959

really elaborate

346

00:12:35,110 --> 00:12:33,360

because he was you know worried about

347

00:12:35,829 --> 00:12:35,120

his job he was a long-term employee

348

00:12:37,990 --> 00:12:35,839

there

349

00:12:39,350 --> 00:12:38,000

he didn't want to you know really go

350

00:12:41,590 --> 00:12:39,360

into any more depth i

351
00:12:42,949 --> 00:12:41,600
wanted to say anonymous about it because

352
00:12:43,829 --> 00:12:42,959
he's like he said they were pretty

353
00:12:46,069 --> 00:12:43,839
adamant about

354
00:12:47,030 --> 00:12:46,079
you know please do not talk to anybody

355
00:12:49,990 --> 00:12:47,040
about this

356
00:12:50,550 --> 00:12:50,000
um and these are by the supervisors you

357
00:12:54,150 --> 00:12:50,560
know

358
00:12:56,550 --> 00:12:54,160
they're the second one

359
00:12:58,470 --> 00:12:56,560
that happened was about i just wanna say

360
00:13:01,829 --> 00:12:58,480
about a week or so later

361
00:13:05,670 --> 00:13:01,839
um and the funny thing was

362
00:13:08,150 --> 00:13:05,680
where you see the terminus where it's at

363
00:13:09,590 --> 00:13:08,160

you can look directly to where the

364

00:13:12,790 --> 00:13:09,600

second sighting happened

365

00:13:14,710 --> 00:13:12,800

um this happened at the uh

366

00:13:16,870 --> 00:13:14,720

that's a building that houses the city

367

00:13:19,829 --> 00:13:16,880

of chicago department of aviation

368

00:13:20,629 --> 00:13:19,839

the worker had been there who had the

369

00:13:22,389 --> 00:13:20,639

sighting

370

00:13:24,629 --> 00:13:22,399

had been working at that building for

371

00:13:26,069 --> 00:13:24,639

over nine years and before that had been

372

00:13:28,389 --> 00:13:26,079

working at the airport in another

373

00:13:31,190 --> 00:13:28,399

capacity for five years before that

374

00:13:31,829 --> 00:13:31,200

so she was a very long-term uh employee

375

00:13:35,269 --> 00:13:31,839

she knew

376

00:13:37,990 --> 00:13:35,279

the airport like the back of her hand um

377

00:13:39,590 --> 00:13:38,000

and she says that you know she heard

378

00:13:41,590 --> 00:13:39,600

stories about all the uh

379

00:13:42,790 --> 00:13:41,600

you know goings on the strange heist you

380

00:13:46,150 --> 00:13:42,800

know sightings of

381

00:13:48,150 --> 00:13:46,160

ufos and you know cryptids and

382

00:13:49,189 --> 00:13:48,160

you know just about anything and

383

00:13:52,389 --> 00:13:49,199

everything you can think of

384

00:13:53,829 --> 00:13:52,399

out there um she had stayed late to

385

00:13:55,910 --> 00:13:53,839

catch up on work

386

00:13:57,670 --> 00:13:55,920

and she had left it was about 9 p.m as

387

00:14:00,550 --> 00:13:57,680

she walked out of the building

388

00:14:02,310 --> 00:14:00,560

into the parking lot and she said that

389

00:14:03,430 --> 00:14:02,320

she heard what sounded like wings

390

00:14:05,829 --> 00:14:03,440

fluttering

391

00:14:07,350 --> 00:14:05,839

you know and she thought at first it was

392

00:14:09,030 --> 00:14:07,360

nothing she said it sounds like when the

393

00:14:09,990 --> 00:14:09,040

bird is either getting ready to take off

394

00:14:11,829 --> 00:14:10,000

for land

395

00:14:13,269 --> 00:14:11,839

and she dismissed it as you know the

396

00:14:20,629 --> 00:14:13,279

geese

397

00:14:22,310 --> 00:14:20,639

and it's not you know out of the

398

00:14:24,069 --> 00:14:22,320

ordinary to see them taking off or

399

00:14:26,230 --> 00:14:24,079

landing all over the place

400

00:14:27,189 --> 00:14:26,240

um right now especially because they got

401
00:14:29,910 --> 00:14:27,199
goslings

402
00:14:31,189 --> 00:14:29,920
everywhere they're like super aggressive

403
00:14:34,870 --> 00:14:31,199
um

404
00:14:36,310 --> 00:14:34,880
but she dismissed it as just a goose and

405
00:14:38,389 --> 00:14:36,320
you know like she said there's literally

406
00:14:41,189 --> 00:14:38,399
hundreds of them around the airport

407
00:14:42,710 --> 00:14:41,199
um but what followed was a loud screech

408
00:14:43,189 --> 00:14:42,720
and she said it didn't sound like a

409
00:14:46,790 --> 00:14:43,199
goose

410
00:14:47,829 --> 00:14:46,800
honk but very very loud ear splitting

411
00:14:49,750 --> 00:14:47,839
screech

412
00:14:51,590 --> 00:14:49,760
and she says it sounded like a train

413
00:14:54,550 --> 00:14:51,600

that's applying its brakes

414

00:14:55,430 --> 00:14:54,560

the problem was that it went from a

415

00:14:58,629 --> 00:14:55,440

higher octave

416

00:14:59,430 --> 00:14:58,639

to a lower body and then again and then

417

00:15:01,350 --> 00:14:59,440

she says

418

00:15:02,470 --> 00:15:01,360

the train tracks are three to four miles

419

00:15:05,590 --> 00:15:02,480

away on the

420

00:15:07,269 --> 00:15:05,600

other side of the airport um

421

00:15:09,509 --> 00:15:07,279

and so she continued walking toward her

422

00:15:10,550 --> 00:15:09,519

car when she heard the screech again and

423

00:15:13,030 --> 00:15:10,560

it sounded like it was coming from

424

00:15:15,189 --> 00:15:13,040

behind her she turned and looked

425

00:15:16,790 --> 00:15:15,199

toward the trees that were by the road

426
00:15:18,470 --> 00:15:16,800
and what she saw were two red eyes

427
00:15:20,150 --> 00:15:18,480
staring back at her

428
00:15:22,150 --> 00:15:20,160
and she said she sat there looking at

429
00:15:25,189 --> 00:15:22,160
those eyes for what seemed eternity

430
00:15:26,949 --> 00:15:25,199
in her in her words she actually

431
00:15:28,310 --> 00:15:26,959
felt like you know that this thing was

432
00:15:31,350 --> 00:15:28,320
sizing her up

433
00:15:33,110 --> 00:15:31,360
um like stop almost like stalking her

434
00:15:34,550 --> 00:15:33,120
and she felt like the air was being

435
00:15:36,389 --> 00:15:34,560
sucked under her lungs

436
00:15:38,230 --> 00:15:36,399
at the same time and she was about to

437
00:15:39,829 --> 00:15:38,240
have an asthma attack

438
00:15:41,590 --> 00:15:39,839

and she saw this thing emerge from

439

00:15:44,710 --> 00:15:41,600

around the trees and

440

00:15:47,030 --> 00:15:44,720

it was illuminated because where

441

00:15:48,389 --> 00:15:47,040

the back of the building was the parking

442

00:15:49,350 --> 00:15:48,399

there's a parking lot then there's a

443

00:15:51,110 --> 00:15:49,360

road

444

00:15:52,629 --> 00:15:51,120

where the trees are and across the

445

00:15:55,749 --> 00:15:52,639

street is a large

446

00:15:57,670 --> 00:15:55,759

terminal uh where they have cargo plates

447

00:15:58,870 --> 00:15:57,680

coming in and out and this terminal is

448

00:16:00,470 --> 00:15:58,880

lit up

449

00:16:02,150 --> 00:16:00,480

really really bright i've actually got

450

00:16:04,550 --> 00:16:02,160

pictures of it um

451
00:16:05,829 --> 00:16:04,560
it's the planes will actually park right

452
00:16:06,710 --> 00:16:05,839
next to the building and they'll be

453
00:16:08,470 --> 00:16:06,720
unloaded

454
00:16:10,310 --> 00:16:08,480
there so it's always it's not uncommon

455
00:16:13,509 --> 00:16:10,320
to see you know three four

456
00:16:15,350 --> 00:16:13,519
five cargo huge cargo planes out there

457
00:16:17,030 --> 00:16:15,360
with a lot of activity going on around

458
00:16:20,470 --> 00:16:17,040
it for being unloaded

459
00:16:22,870 --> 00:16:20,480
um and she said she sat there

460
00:16:24,790 --> 00:16:22,880
and saw this thing emerge she said it

461
00:16:28,150 --> 00:16:24,800
was about seven to eight feet tall

462
00:16:31,189 --> 00:16:28,160
and was black and she just

463
00:16:31,670 --> 00:16:31,199

said that it just she couldn't move she

464

00:16:35,110 --> 00:16:31,680

felt

465

00:16:36,790 --> 00:16:35,120

like kind of like prey like you know a

466

00:16:37,829 --> 00:16:36,800

rabbit's about to get pounced on by an

467

00:16:41,350 --> 00:16:37,839

owl

468

00:16:43,670 --> 00:16:41,360

um and she said how about this time a

469

00:16:45,670 --> 00:16:43,680

large semi had turned the corner was

470

00:16:49,749 --> 00:16:45,680

coming up the road

471

00:16:51,829 --> 00:16:49,759

and um justine took off she says that um

472

00:16:53,189 --> 00:16:51,839

she stood there for a few seconds after

473

00:16:55,670 --> 00:16:53,199

they had left

474

00:16:57,509 --> 00:16:55,680

um she was still so very afraid to move

475

00:16:58,150 --> 00:16:57,519

that and when she finally got to her

476
00:17:01,269 --> 00:16:58,160
center she

477
00:17:01,910 --> 00:17:01,279
practically sprinted for her car and she

478
00:17:05,189 --> 00:17:01,920
couldn't

479
00:17:05,990 --> 00:17:05,199
into my car fast enough and as i closed

480
00:17:08,549 --> 00:17:06,000
the door

481
00:17:10,870 --> 00:17:08,559
i heard the screech again i turned on my

482
00:17:14,630 --> 00:17:10,880
car and left as quickly as i could

483
00:17:18,309 --> 00:17:14,640
now this area is very well lit up

484
00:17:20,789 --> 00:17:18,319
very high traffic uh even late at night

485
00:17:22,630 --> 00:17:20,799
uh this this uh if you know the cargo

486
00:17:23,510 --> 00:17:22,640
operations at o'hare it's a 24-hour

487
00:17:25,510 --> 00:17:23,520
operation

488
00:17:27,270 --> 00:17:25,520

so you have trucks coming in and out you

489

00:17:30,470 --> 00:17:27,280

have security

490

00:17:32,630 --> 00:17:30,480

uh going in and out and she says that

491

00:17:34,470 --> 00:17:32,640

she felt she felt like she was being

492

00:17:36,230 --> 00:17:34,480

stalked like even after this thing had

493

00:17:37,590 --> 00:17:36,240

taken off into the air if she was still

494

00:17:40,310 --> 00:17:37,600

being stopped

495

00:17:41,830 --> 00:17:40,320

she said she felt sick to her stomach

496

00:17:42,789 --> 00:17:41,840

for two or three days after the

497

00:17:44,870 --> 00:17:42,799

encounter

498

00:17:46,070 --> 00:17:44,880

and it took just as long for the

499

00:17:47,830 --> 00:17:46,080

feelings of paranoia

500

00:17:49,430 --> 00:17:47,840

to finally go away she said she slept

501
00:17:51,830 --> 00:17:49,440
with some kind of light on

502
00:17:53,510 --> 00:17:51,840
for two or three days you know after

503
00:17:56,549 --> 00:17:53,520
that because she is just so

504
00:17:58,950 --> 00:17:56,559
she felt like this feel this fear

505
00:18:00,470 --> 00:17:58,960
you know complete utter hopelessness

506
00:18:03,510 --> 00:18:00,480
feelings of paranoia

507
00:18:07,029 --> 00:18:03,520
you know and it really disturbed her

508
00:18:09,430 --> 00:18:07,039
um and really you know made her hesitant

509
00:18:11,669 --> 00:18:09,440
at first to try to make the report

510
00:18:12,710 --> 00:18:11,679
um she said she didn't even tell her

511
00:18:14,950 --> 00:18:12,720
boyfriend about this

512
00:18:16,630 --> 00:18:14,960
and you could actually tell that

513
00:18:20,070 --> 00:18:16,640

trepidation that she had

514

00:18:21,510 --> 00:18:20,080

when i was speaking with her um and she

515

00:18:24,630 --> 00:18:21,520

said you know

516

00:18:26,710 --> 00:18:24,640

this is uh she felt very very scared she

517

00:18:30,310 --> 00:18:26,720

felt very scared for her life

518

00:18:32,230 --> 00:18:30,320

at this and i asked her you know are you

519

00:18:35,190 --> 00:18:32,240

sure it couldn't be

520

00:18:36,310 --> 00:18:35,200

um train tracks or train brakes or it

521

00:18:39,270 --> 00:18:36,320

could have been a truck

522

00:18:39,669 --> 00:18:39,280

and she said no i'm used to those sounds

523

00:18:41,190 --> 00:18:39,679

i mean

524

00:18:42,710 --> 00:18:41,200

i know what those sounds sound like and

525

00:18:44,310 --> 00:18:42,720

i know for a fact

526

00:18:46,230 --> 00:18:44,320

that the train where the train tracks

527

00:18:47,750 --> 00:18:46,240

are located they are they are located on

528

00:18:51,510 --> 00:18:47,760

the other side of the airport

529

00:18:53,750 --> 00:18:51,520

uh by the secondary cargo area um

530

00:18:56,310 --> 00:18:53,760

and she says that um when this thing

531

00:18:59,350 --> 00:18:56,320

took off it had about a 10 foot wingspan

532

00:19:00,870 --> 00:18:59,360

that she could estimate but it was gone

533

00:19:03,110 --> 00:19:00,880

in a matter of seconds one or two

534

00:19:09,029 --> 00:19:03,120

seconds after it took off it was gone

535

00:19:14,789 --> 00:19:12,630

well once again we're getting witnesses

536

00:19:16,549 --> 00:19:14,799

who are sticking to the guns on stories

537

00:19:20,710 --> 00:19:16,559

not embellishing on

538

00:19:22,870 --> 00:19:20,720

the initial setting report and um

539

00:19:25,510 --> 00:19:22,880

you know i think we're in for a long

540

00:19:28,710 --> 00:19:25,520

summer i'll be honest with you

541

00:19:31,029 --> 00:19:28,720

um which is fine with me you know

542

00:19:33,270 --> 00:19:31,039

you know the thing is how many people

543

00:19:36,150 --> 00:19:33,280

aren't reporting now of course

544

00:19:39,190 --> 00:19:36,160

we know that the uh the folks that are

545

00:19:40,789 --> 00:19:39,200

running the airport are very wary about

546

00:19:43,190 --> 00:19:40,799

these sighting reports and they're

547

00:19:45,830 --> 00:19:43,200

telling people to stay away from us for

548

00:19:49,909 --> 00:19:45,840

the most part

549

00:19:51,990 --> 00:19:49,919

most of the people who i have talked to

550

00:19:54,710 --> 00:19:52,000

within the airport and i have i have a

551
00:19:59,510 --> 00:19:54,720
few people i keep in touch with

552
00:20:02,549 --> 00:19:59,520
keep telling me that i guess the uh

553
00:20:04,149 --> 00:20:02,559
the company policy is just to say it's a

554
00:20:08,710 --> 00:20:04,159
large owl

555
00:20:10,149 --> 00:20:08,720
and uh i i just wonder how many people

556
00:20:13,350 --> 00:20:10,159
they're discouraging from

557
00:20:15,590 --> 00:20:13,360
contacting us uh i

558
00:20:17,510 --> 00:20:15,600
the one of these individuals who i have

559
00:20:21,350 --> 00:20:17,520
been talking to

560
00:20:22,549 --> 00:20:21,360
is a supervisor for one of the airlines

561
00:20:27,029 --> 00:20:22,559
uh

562
00:20:27,430 --> 00:20:27,039
she actually she actually is in charge

563
00:20:30,710 --> 00:20:27,440

of

564

00:20:33,110 --> 00:20:30,720

uh the

565

00:20:35,270 --> 00:20:33,120

luggage crews and those folks loading

566

00:20:39,350 --> 00:20:35,280

the planes up

567

00:20:42,230 --> 00:20:39,360

and uh you know she's telling me that

568

00:20:45,590 --> 00:20:42,240

people are talking to her all the time

569

00:20:46,950 --> 00:20:45,600

uh and she's hearing all kinds of stuff

570

00:20:51,270 --> 00:20:46,960

now i got to get back with her

571

00:20:54,310 --> 00:20:51,280

last time i talked to her was uh

572

00:20:56,950 --> 00:20:54,320

i don't know maybe around the holidays

573

00:20:58,950 --> 00:20:56,960

so i got to see him get contact with her

574

00:21:00,710 --> 00:20:58,960

i know her brother because her brother

575

00:21:03,909 --> 00:21:00,720

is an attorney

576

00:21:08,310 --> 00:21:03,919

locally so um

577

00:21:11,510 --> 00:21:08,320

yeah you know this uh of course

578

00:21:13,750 --> 00:21:11,520

you know it's all speculation to us

579

00:21:15,830 --> 00:21:13,760

where these things are coming from now

580

00:21:18,710 --> 00:21:15,840

i'm pretty sure you're

581

00:21:20,070 --> 00:21:18,720

your overall thoughts are very similar

582

00:21:23,110 --> 00:21:20,080

to mine that this may

583

00:21:24,950 --> 00:21:23,120

very well be a some type of

584

00:21:27,350 --> 00:21:24,960

interdimensional

585

00:21:29,110 --> 00:21:27,360

being or something coming through some

586

00:21:32,310 --> 00:21:29,120

type of portal

587

00:21:34,870 --> 00:21:32,320

uh what do you think on that i

588

00:21:36,230 --> 00:21:34,880

really do think it is i mean i'm kind of

589

00:21:38,950 --> 00:21:36,240

split between you know

590

00:21:40,230 --> 00:21:38,960

portal or something being summoned yeah

591

00:21:42,630 --> 00:21:40,240

um

592

00:21:43,750 --> 00:21:42,640

they're you know chicago has a very rich

593

00:21:47,350 --> 00:21:43,760

you know occult

594

00:21:50,710 --> 00:21:47,360

and you know pagan history um

595

00:21:51,669 --> 00:21:50,720

and i've seen a lot of uh you know you

596

00:21:54,950 --> 00:21:51,679

can see the signs

597

00:21:57,110 --> 00:21:54,960

you know where people have you know made

598

00:21:59,190 --> 00:21:57,120

marks on the wall or something like that

599

00:22:03,190 --> 00:21:59,200

but it's um

600

00:22:06,470 --> 00:22:03,200

you know the chicago area is also

601
00:22:08,710 --> 00:22:06,480
very rich in bay lines um there are

602
00:22:12,149 --> 00:22:08,720
quite a lot of lay lines in this city

603
00:22:12,549 --> 00:22:12,159
um especially in the city proper many of

604
00:22:15,029 --> 00:22:12,559
the

605
00:22:15,990 --> 00:22:15,039
streets are supposedly built on ley

606
00:22:19,750 --> 00:22:16,000
lines

607
00:22:23,110 --> 00:22:19,760
um so it could be easily

608
00:22:25,830 --> 00:22:23,120
very easily for something to to pop up

609
00:22:26,950 --> 00:22:25,840
o'hare has a very rich history when it

610
00:22:30,789 --> 00:22:26,960
comes to

611
00:22:32,950 --> 00:22:30,799
you know the paranormal um ufos you know

612
00:22:34,549 --> 00:22:32,960
cryptids aliens you know actual

613
00:22:37,909 --> 00:22:34,559

sightings of aliens

614

00:22:39,510 --> 00:22:37,919

um it goes far beyond you know everyone

615

00:22:41,510 --> 00:22:39,520

knows about the o'hare

616

00:22:42,870 --> 00:22:41,520

incident from a few years ago where the

617

00:22:45,510 --> 00:22:42,880

airport saw you know

618

00:22:47,190 --> 00:22:45,520

employees saw it but you know all you

619

00:22:47,909 --> 00:22:47,200

gotta do is do a little bit of searching

620

00:22:50,870 --> 00:22:47,919

you'll see that

621

00:22:52,310 --> 00:22:50,880

that's just the tip of the iceberg um

622

00:22:55,110 --> 00:22:52,320

and there's just so many

623

00:22:55,430 --> 00:22:55,120

tunnels in and around the chicago area

624

00:22:58,870 --> 00:22:55,440

and

625

00:23:01,270 --> 00:22:58,880

around the airport there are you know

626

00:23:03,270 --> 00:23:01,280

places that are really wild out there

627

00:23:04,390 --> 00:23:03,280

you know there's a lot of green spaces

628

00:23:05,750 --> 00:23:04,400

in chicago

629

00:23:08,230 --> 00:23:05,760

where something like this could hide

630

00:23:10,549 --> 00:23:08,240

especially like around the uh

631

00:23:12,390 --> 00:23:10,559

the riverfronts and everything along the

632

00:23:15,750 --> 00:23:12,400

the disc plains river

633

00:23:19,110 --> 00:23:15,760

um o'hare is a vast

634

00:23:21,350 --> 00:23:19,120

fast it's the size of a small city yeah

635

00:23:22,549 --> 00:23:21,360

and there are places out there that you

636

00:23:25,190 --> 00:23:22,559

know you could find

637

00:23:27,270 --> 00:23:25,200

you know yourself out there you're in an

638

00:23:28,230 --> 00:23:27,280

international airport and there's nobody

639

00:23:31,830 --> 00:23:28,240

around

640

00:23:34,549 --> 00:23:31,840

um especially late late at night um

641

00:23:36,310 --> 00:23:34,559

so yeah i think i'm kind of drawn

642

00:23:39,350 --> 00:23:36,320

between the fact that it could be

643

00:23:40,710 --> 00:23:39,360

you know you know a cult-based maybe a

644

00:23:42,870 --> 00:23:40,720

summoned creature or

645

00:23:43,909 --> 00:23:42,880

maybe even you know something that was

646

00:23:49,190 --> 00:23:43,919

you know

647

00:23:53,110 --> 00:23:51,669

my hope is eventually somebody's going

648

00:23:56,149 --> 00:23:53,120

to open up and

649

00:23:58,950 --> 00:23:56,159

get us a security photograph or

650

00:23:59,830 --> 00:23:58,960

something especially out at the airport

651

00:24:01,830 --> 00:23:59,840

uh

652

00:24:03,990 --> 00:24:01,840

you got to think that something has

653

00:24:07,110 --> 00:24:04,000

shown up on one of the security cameras

654

00:24:08,310 --> 00:24:07,120

out there um you know

655

00:24:10,950 --> 00:24:08,320

that's why i'm trying to keep

656

00:24:12,950 --> 00:24:10,960

connections with people

657

00:24:15,430 --> 00:24:12,960

you know within the airport as much as

658

00:24:17,909 --> 00:24:15,440

possible even security people

659

00:24:19,669 --> 00:24:17,919

uh of course they don't want their names

660

00:24:20,710 --> 00:24:19,679

used and i don't blame them you know

661

00:24:24,870 --> 00:24:20,720

they're

662

00:24:26,710 --> 00:24:24,880

but um you know i i i'm just hoping one

663

00:24:28,310 --> 00:24:26,720

of these days we can get a photograph of

664

00:24:31,430 --> 00:24:28,320

some type

665

00:24:33,990 --> 00:24:31,440

uh but in the meantime you know

666

00:24:36,390 --> 00:24:34,000

you're right i mean this that whole area

667

00:24:39,430 --> 00:24:36,400

out there

668

00:24:43,669 --> 00:24:39,440

especially on the uh

669

00:24:45,269 --> 00:24:43,679

the north eastern part of the airport

670

00:24:47,350 --> 00:24:45,279

uh there just seems to be a lot of

671

00:24:50,870 --> 00:24:47,360

reports coming from that area

672

00:24:52,870 --> 00:24:50,880

in into rosemont i i don't know exactly

673

00:24:53,510 --> 00:24:52,880

what it is but it seems like that area

674

00:24:57,029 --> 00:24:53,520

up there

675

00:25:00,630 --> 00:24:57,039

and then further down further south

676
00:25:02,950 --> 00:25:00,640
into the uh the cargo areas just seem to

677
00:25:04,549 --> 00:25:02,960
be the hot spots

678
00:25:06,950 --> 00:25:04,559
you know i still think there's something

679
00:25:10,549 --> 00:25:06,960
to do

680
00:25:13,750 --> 00:25:10,559
with that cemetery there um i i think

681
00:25:16,470 --> 00:25:13,760
if there's a portal

682
00:25:18,149 --> 00:25:16,480
that would be the place that it would

683
00:25:19,669 --> 00:25:18,159
show up at

684
00:25:21,750 --> 00:25:19,679
i you know i this is just all

685
00:25:25,430 --> 00:25:21,760
speculation on my part but you know

686
00:25:28,470 --> 00:25:25,440
as many times as we heard about

687
00:25:31,669 --> 00:25:28,480
bigfoot upright canine

688
00:25:35,990 --> 00:25:31,679

spirit activity all kinds of crazy

689

00:25:38,390 --> 00:25:36,000

uh phenomena occurring in and around

690

00:25:39,909 --> 00:25:38,400

cemeteries and for the fact that there's

691

00:25:43,669 --> 00:25:39,919

an actual cemetery

692

00:25:45,590 --> 00:25:43,679

inside the airport property

693

00:25:47,269 --> 00:25:45,600

i i kind of believe that there's some

694

00:25:49,029 --> 00:25:47,279

connection there of course we had the

695

00:25:52,549 --> 00:25:49,039

ufo sighting

696

00:25:54,950 --> 00:25:52,559

and something being you know ascended up

697

00:25:59,029 --> 00:25:54,960

into the ufo

698

00:26:01,830 --> 00:25:59,039

at that um at that cemetery as well as

699

00:26:05,110 --> 00:26:01,840

some humanoid sightings other than

700

00:26:06,870 --> 00:26:05,120

winged humanoids so um i don't know i

701
00:26:09,590 --> 00:26:06,880
mean what are your thoughts on that

702
00:26:10,789 --> 00:26:09,600
well i mean if you've been out today to

703
00:26:13,190 --> 00:26:10,799
wrestle with my

704
00:26:15,110 --> 00:26:13,200
cemetery i've been out there like around

705
00:26:18,549 --> 00:26:15,120
11 o'clock at night and

706
00:26:21,190 --> 00:26:18,559
even though there is a very large uh

707
00:26:22,470 --> 00:26:21,200
facility directly across the street from

708
00:26:25,990 --> 00:26:22,480
this place

709
00:26:27,830 --> 00:26:26,000
um the main entrance to the uh

710
00:26:29,029 --> 00:26:27,840
two for semis and everything to go

711
00:26:31,750 --> 00:26:29,039
through is

712
00:26:34,630 --> 00:26:31,760
a block and a half down the street so

713
00:26:38,310 --> 00:26:34,640

when you get there it is absolutely

714

00:26:39,909 --> 00:26:38,320

it's dark it's very very you know you're

715

00:26:42,549 --> 00:26:39,919

very much alone

716

00:26:44,710 --> 00:26:42,559

out there uh and it's in a it's on a

717

00:26:47,669 --> 00:26:44,720

dead end street of all places

718

00:26:50,149 --> 00:26:47,679

um so there's no cross traffic you have

719

00:26:53,750 --> 00:26:50,159

to be going to the cemetery

720

00:26:54,230 --> 00:26:53,760

uh to get out there and i've gone out

721

00:26:56,549 --> 00:26:54,240

there

722

00:26:57,830 --> 00:26:56,559

you know at night but you know it's also

723

00:27:00,149 --> 00:26:57,840

a great place to get

724

00:27:00,950 --> 00:27:00,159

airport security getting called on you

725

00:27:04,149 --> 00:27:00,960

to

726

00:27:07,110 --> 00:27:04,159

come and get checked out but um it's

727

00:27:08,230 --> 00:27:07,120

it's very alone you you it's a very kind

728

00:27:09,669 --> 00:27:08,240

of wild place

729

00:27:11,430 --> 00:27:09,679

in the middle of an international

730

00:27:14,149 --> 00:27:11,440

airport um

731

00:27:16,789 --> 00:27:14,159

because um you know a hundred yards over

732

00:27:20,549 --> 00:27:16,799

the fence line is an active runway

733

00:27:22,549 --> 00:27:20,559

uh and you will see planes

734

00:27:23,750 --> 00:27:22,559

taxiing toward the fedex facility

735

00:27:25,110 --> 00:27:23,760

because they're going to the back side

736

00:27:28,950 --> 00:27:25,120

of the facility

737

00:27:32,710 --> 00:27:28,960

and these are you know 747 cargo jets

738

00:27:35,029 --> 00:27:32,720

and just uh i mean 150 yards from this

739

00:27:36,230 --> 00:27:35,039

cemetery but this place you get out

740

00:27:37,830 --> 00:27:36,240

there and it's

741

00:27:40,230 --> 00:27:37,840

it's actually really spooky at night

742

00:27:41,750 --> 00:27:40,240

because even though there's an airport

743

00:27:43,269 --> 00:27:41,760

there's all sorts of activity there's a

744

00:27:44,230 --> 00:27:43,279

huge processing facility across the

745

00:27:47,430 --> 00:27:44,240

street

746

00:27:48,389 --> 00:27:47,440

it's dead silent out there many of those

747

00:27:50,950 --> 00:27:48,399

graves are

748

00:27:52,789 --> 00:27:50,960

you know you know close to 100 if not

749

00:27:55,909 --> 00:27:52,799

over 100 years old

750

00:27:57,110 --> 00:27:55,919

um and just think of all the things and

751
00:27:59,830 --> 00:27:57,120
just in that

752
00:28:00,549 --> 00:27:59,840
i say within a mile of that place there

753
00:28:06,230 --> 00:28:00,559
have been

754
00:28:08,549 --> 00:28:06,240
alien gray sightings uh we had one

755
00:28:11,510 --> 00:28:08,559
gentleman who was at the facility

756
00:28:12,630 --> 00:28:11,520
um not even a quarter of a mile down the

757
00:28:15,110 --> 00:28:12,640
road from there

758
00:28:18,230 --> 00:28:15,120
who was watching uh who watched the gray

759
00:28:20,310 --> 00:28:18,240
just sounded across the parking lot

760
00:28:22,310 --> 00:28:20,320
um and he tried to run up on the

761
00:28:25,110 --> 00:28:22,320
thinking it was this lost child

762
00:28:25,990 --> 00:28:25,120
um only to be confronted with an alien

763
00:28:29,590 --> 00:28:26,000

grade

764

00:28:32,389 --> 00:28:29,600

um and he said that it turned

765

00:28:32,870 --> 00:28:32,399

it he says it almost it got into his

766

00:28:35,590 --> 00:28:32,880

mind

767

00:28:36,310 --> 00:28:35,600

and he it just made him freeze and then

768

00:28:38,149 --> 00:28:36,320

it took off

769

00:28:39,350 --> 00:28:38,159

faster than he'd ever seen he said that

770

00:28:42,389 --> 00:28:39,360

i think it reports that he

771

00:28:44,070 --> 00:28:42,399

he put usain bolt to shame um at the

772

00:28:46,870 --> 00:28:44,080

speed that he took off

773

00:28:47,590 --> 00:28:46,880

um we have seen right there at that

774

00:28:49,590 --> 00:28:47,600

facility

775

00:28:51,350 --> 00:28:49,600

a ufo was like i said something being

776

00:28:54,470 --> 00:28:51,360

ascended up into it

777

00:28:57,350 --> 00:28:54,480

um we the fedex facilities had

778

00:28:58,789 --> 00:28:57,360

tons of winged uh sightings we've had

779

00:29:02,549 --> 00:28:58,799

the one gentleman who's an

780

00:29:05,630 --> 00:29:02,559

airport employee uh who said that he has

781

00:29:07,430 --> 00:29:05,640

seen multiple uh you know

782

00:29:09,269 --> 00:29:07,440

extraterrestrials

783

00:29:10,950 --> 00:29:09,279

on the airport grounds along the fence

784

00:29:12,549 --> 00:29:10,960

lines he says that don't sit there and

785

00:29:14,710 --> 00:29:12,559

watch them

786

00:29:16,549 --> 00:29:14,720

uh along the fence line or they'll sit

787

00:29:19,430 --> 00:29:16,559

there you know if you'll see them

788

00:29:21,110 --> 00:29:19,440

moving um they've seen you know winged

789

00:29:23,190 --> 00:29:21,120

humanoid activity

790

00:29:25,269 --> 00:29:23,200

um this gentleman is you know said it

791

00:29:28,230 --> 00:29:25,279

was an ongoing

792

00:29:29,350 --> 00:29:28,240

thing he says everybody there is they've

793

00:29:32,149 --> 00:29:29,360

gotten

794

00:29:32,950 --> 00:29:32,159

kind of uh i want to stay used to it but

795

00:29:35,269 --> 00:29:32,960

he says like

796

00:29:36,710 --> 00:29:35,279

no one really he says he doesn't know if

797

00:29:39,269 --> 00:29:36,720

it's part of their

798

00:29:41,830 --> 00:29:39,279

whole mystique whether they've you know

799

00:29:44,870 --> 00:29:41,840

you know made it so that no one

800

00:29:46,870 --> 00:29:44,880

um no one um

801
00:29:47,990 --> 00:29:46,880
notices them or maybe he's the only one

802
00:29:50,789 --> 00:29:48,000
noticing but they

803
00:29:51,430 --> 00:29:50,799
are really you know he says that they're

804
00:29:57,350 --> 00:29:51,440
out there

805
00:30:02,789 --> 00:30:01,269
yeah i'm looking at the map right now

806
00:30:05,269 --> 00:30:02,799
and folks if you're interested in

807
00:30:07,029 --> 00:30:05,279
looking at the chicago lake michigan

808
00:30:10,070 --> 00:30:07,039
wing humanoid

809
00:30:13,990 --> 00:30:10,080
uh encounter map

810
00:30:16,950 --> 00:30:14,000
um if you go to famzamastas.com

811
00:30:18,870 --> 00:30:16,960
and uh search for the link there it'll

812
00:30:21,990 --> 00:30:18,880
take you right there

813
00:30:25,269 --> 00:30:22,000

i i just put up the 124th

814

00:30:30,070 --> 00:30:25,279

sighting that we feel is legitimate

815

00:30:33,190 --> 00:30:30,080

up on that map with deciding uh

816

00:30:34,389 --> 00:30:33,200

we talked about earlier i i just did a

817

00:30:37,909 --> 00:30:34,399

head count i mean

818

00:30:41,510 --> 00:30:37,919

we've had 16 sightings

819

00:30:45,310 --> 00:30:41,520

in around o'hara

820

00:30:48,710 --> 00:30:45,320

and i guess that started in october of

821

00:30:50,549 --> 00:30:48,720

2019 when we started getting reports out

822

00:30:52,789 --> 00:30:50,559

of course we had a report

823

00:30:55,110 --> 00:30:52,799

in rosemont as well we have a four or

824

00:30:58,310 --> 00:30:55,120

five other ones out there

825

00:31:00,389 --> 00:30:58,320

so uh for whatever reason i mean you

826

00:31:02,230 --> 00:31:00,399

know it it's just bizarre

827

00:31:04,310 --> 00:31:02,240

you know i found out something as well

828

00:31:06,549 --> 00:31:04,320

maybe you knew about this

829

00:31:07,350 --> 00:31:06,559

having lived in chicago for a long time

830

00:31:09,509 --> 00:31:07,360

now

831

00:31:10,710 --> 00:31:09,519

uh there used to be another cemetery out

832

00:31:14,470 --> 00:31:10,720

there

833

00:31:16,070 --> 00:31:14,480

it was uh

834

00:31:17,590 --> 00:31:16,080

it was moved when they started doing the

835

00:31:21,110 --> 00:31:17,600

expansions yeah

836

00:31:24,149 --> 00:31:21,120

to the airport um and

837

00:31:26,149 --> 00:31:24,159

the only reason no one's touched uh this

838

00:31:27,029 --> 00:31:26,159

one is because a it's on the historic

839

00:31:29,830 --> 00:31:27,039

registry

840

00:31:33,350 --> 00:31:29,840

uh it can't be touched and number two

841

00:31:35,430 --> 00:31:33,360

it's in a little area where um

842

00:31:37,990 --> 00:31:35,440

you know it's out of the way there's you

843

00:31:41,110 --> 00:31:38,000

know there's already um

844

00:31:41,909 --> 00:31:41,120

a like a a lot because i'm just behind

845

00:31:44,389 --> 00:31:41,919

it because if

846

00:31:46,710 --> 00:31:44,399

on the other side of the fence are uh

847

00:31:50,470 --> 00:31:46,720

they have these big blast protectors

848

00:31:52,549 --> 00:31:50,480

there that are used to deflect like a uh

849

00:31:53,590 --> 00:31:52,559

plane turns right there in that vicinity

850

00:31:56,789 --> 00:31:53,600

it deflects the

851
00:32:00,389 --> 00:31:56,799
the blast of the engines upwards um

852
00:32:01,110 --> 00:32:00,399
so it's not going over it and but yeah

853
00:32:03,110 --> 00:32:01,120
there was

854
00:32:04,789 --> 00:32:03,120
for the longest time on their another

855
00:32:08,549 --> 00:32:04,799
cemetery there and they got

856
00:32:11,350 --> 00:32:08,559
uh moved and i remember the um

857
00:32:11,830 --> 00:32:11,360
the um the whole scandal about that

858
00:32:13,590 --> 00:32:11,840
because

859
00:32:15,110 --> 00:32:13,600
you know the city of i believe elko

860
00:32:17,909 --> 00:32:15,120
village was trying to fight it

861
00:32:19,509 --> 00:32:17,919
yeah not be moved but then it got moved

862
00:32:20,789 --> 00:32:19,519
because of course they're expanding the

863
00:32:23,830 --> 00:32:20,799

airport out

864

00:32:27,029 --> 00:32:23,840

um and making it quite larger but

865

00:32:29,350 --> 00:32:27,039

yeah there's a lot of you know

866

00:32:30,389 --> 00:32:29,360

wild things have gone on at that airport

867

00:32:33,990 --> 00:32:30,399

um

868

00:32:36,950 --> 00:32:34,000

you know we've we've had wow wow

869

00:32:39,110 --> 00:32:36,960

um thinking of all just um the whole

870

00:32:40,549 --> 00:32:39,120

array of people that have seen things i

871

00:32:43,750 --> 00:32:40,559

mean we're talking

872

00:32:44,870 --> 00:32:43,760

tsa officers we're talking security

873

00:32:47,990 --> 00:32:44,880

personnel we're

874

00:32:51,509 --> 00:32:48,000

flight uh air traffic controllers

875

00:32:53,750 --> 00:32:51,519

pilots themselves you know and

876

00:32:55,269 --> 00:32:53,760

that was just a wild report you know

877

00:32:57,029 --> 00:32:55,279

you're sitting on the flight line as you

878

00:32:58,389 --> 00:32:57,039

after you've landed and this thing flies

879

00:33:01,190 --> 00:32:58,399

in front of your

880

00:33:02,389 --> 00:33:01,200

plane and you and the co-pilot see this

881

00:33:06,310 --> 00:33:02,399

um

882

00:33:09,350 --> 00:33:06,320

it's just been just one after the other

883

00:33:10,950 --> 00:33:09,360

of of reports and you know you got the

884

00:33:13,269 --> 00:33:10,960

reports coming from the

885

00:33:14,870 --> 00:33:13,279

the usps facility right there in that

886

00:33:17,990 --> 00:33:14,880

that general area

887

00:33:20,149 --> 00:33:18,000

um you had you know the reports coming

888

00:33:21,509 --> 00:33:20,159

out of the fedex facility all the cargo

889

00:33:24,950 --> 00:33:21,519

facilities there

890

00:33:27,990 --> 00:33:24,960

that have had so many sightings

891

00:33:29,509 --> 00:33:28,000

um you know it just what in the last two

892

00:33:32,070 --> 00:33:29,519

years or so

893

00:33:33,750 --> 00:33:32,080

um and that's not even counting rosemont

894

00:33:36,950 --> 00:33:33,760

or schiller park or

895

00:33:40,230 --> 00:33:36,960

franklin park um any of those areas

896

00:33:45,509 --> 00:33:42,470

uh we we got something here question

897

00:33:48,070 --> 00:33:45,519

from android purity in in the chat

898

00:33:50,310 --> 00:33:48,080

uh states that i haven't seen other

899

00:33:52,950 --> 00:33:50,320

paranormal shows talk about the ongoing

900

00:33:54,909 --> 00:33:52,960

wing encrypted sightings in chicago

901
00:33:56,870 --> 00:33:54,919
why aren't more discussing it with

902
00:33:58,549 --> 00:33:56,880
120-plus settings

903
00:34:00,149 --> 00:33:58,559
you know that's a good question and of

904
00:34:02,070 --> 00:34:00,159
course the first thing i got to say is

905
00:34:05,110 --> 00:34:02,080
we got in on this

906
00:34:08,790 --> 00:34:05,120
from the very beginning um

907
00:34:10,550 --> 00:34:08,800
in fact uh you're the one that told me

908
00:34:12,310 --> 00:34:10,560
when the first sighting reports went up

909
00:34:15,190 --> 00:34:12,320
in 2011

910
00:34:17,829 --> 00:34:15,200
on the move on cms and uh some of the

911
00:34:20,550 --> 00:34:17,839
earlier sightings came from there

912
00:34:21,030 --> 00:34:20,560
and we were aggressive enough to get out

913
00:34:25,030 --> 00:34:21,040

there

914

00:34:25,349 --> 00:34:25,040

and try to find other exciting reports

915

00:34:28,470 --> 00:34:25,359

from

916

00:34:34,389 --> 00:34:28,480

folks so when all this started up again

917

00:34:35,829 --> 00:34:34,399

in uh the early spring of 2017

918

00:34:37,829 --> 00:34:35,839

of course there were you know there were

919

00:34:41,430 --> 00:34:37,839

other sightings coming from mufon

920

00:34:43,430 --> 00:34:41,440

first of all but then you have

921

00:34:46,629 --> 00:34:43,440

you were able to find one of the the

922

00:34:51,190 --> 00:34:46,639

witnesses at the oz park sighting

923

00:34:54,550 --> 00:34:51,200

and uh we have been getting

924

00:34:55,669 --> 00:34:54,560

i would say 98 to 99 of the signing

925

00:34:59,430 --> 00:34:55,679

reports between you

926

00:35:01,589 --> 00:34:59,440

myself and uh and tobias

927

00:35:03,430 --> 00:35:01,599

uh and of course it's not all in in

928

00:35:05,030 --> 00:35:03,440

chicago i mean we've gotten a lot of

929

00:35:08,790 --> 00:35:05,040

reports

930

00:35:12,390 --> 00:35:08,800

in areas around chicago up in as far

931

00:35:14,829 --> 00:35:12,400

north as milwaukee and down into

932

00:35:16,390 --> 00:35:14,839

indianapolis and other parts of illinois

933

00:35:19,910 --> 00:35:16,400

so

934

00:35:23,430 --> 00:35:19,920

you know this is a regional phenomena

935

00:35:25,990 --> 00:35:23,440

and uh you know that

936

00:35:27,190 --> 00:35:26,000

i guess that's the best answer to that

937

00:35:30,710 --> 00:35:27,200

question because

938

00:35:31,270 --> 00:35:30,720

uh we just you know and for the most

939

00:35:34,390 --> 00:35:31,280

part i

940

00:35:36,470 --> 00:35:34,400

i just don't i just you're right and i

941

00:35:40,230 --> 00:35:36,480

just don't see people talking about it

942

00:35:42,150 --> 00:35:40,240

on other shows uh i don't know i guess

943

00:35:42,390 --> 00:35:42,160

it's just because of our experience with

944

00:35:45,829 --> 00:35:42,400

it

945

00:35:47,910 --> 00:35:45,839

and maybe they'd just be uh

946

00:35:50,310 --> 00:35:47,920

shooting in the dark trying to explain

947

00:35:52,710 --> 00:35:50,320

or understand i mean hell we've written

948

00:35:56,230 --> 00:35:52,720

three books about it already now

949

00:35:58,790 --> 00:35:56,240

between myself and dubai so uh you know

950

00:36:01,750 --> 00:35:58,800

the information is there you know we

951
00:36:02,710 --> 00:36:01,760
of course like with any other thing any

952
00:36:04,710 --> 00:36:02,720
other anonymous

953
00:36:05,990 --> 00:36:04,720
activity you're gonna get your doubters

954
00:36:07,510 --> 00:36:06,000
and of course we've got plenty of

955
00:36:10,870 --> 00:36:07,520
doubters

956
00:36:12,310 --> 00:36:10,880
on uh the these witnesses we have been

957
00:36:14,950 --> 00:36:12,320
very fortunate

958
00:36:17,510 --> 00:36:14,960
we have very good witnesses people who

959
00:36:20,950 --> 00:36:17,520
have not been afraid to come forward

960
00:36:23,589 --> 00:36:20,960
who have been you know

961
00:36:26,230 --> 00:36:23,599
brave enough to come forward and tell us

962
00:36:28,950 --> 00:36:26,240
exactly what happened to them

963
00:36:30,550 --> 00:36:28,960

and i i just hope it continues on i mean

964

00:36:31,589 --> 00:36:30,560

you know if this phenomenon is going to

965

00:36:33,430 --> 00:36:31,599

continue

966

00:36:35,349 --> 00:36:33,440

we're going to need more reports from

967

00:36:38,470 --> 00:36:35,359

people to give us

968

00:36:42,150 --> 00:36:38,480

an opportunity to try to ex

969

00:36:45,270 --> 00:36:42,160

find out the reason behind it

970

00:36:45,990 --> 00:36:45,280

and it does you know it does come up on

971

00:36:49,990 --> 00:36:46,000

other shows

972

00:36:51,589 --> 00:36:50,000

but their take on it is not

973

00:36:54,710 --> 00:36:51,599

they're not seeing it from missing it

974

00:36:56,790 --> 00:36:54,720

from a this it's a topic to talk about

975

00:36:58,390 --> 00:36:56,800

um it's a topic to get you know

976

00:37:01,589 --> 00:36:58,400

listeners or clicks

977

00:37:02,550 --> 00:37:01,599

um and even the uh you know the

978

00:37:05,190 --> 00:37:02,560

newspaper has

979

00:37:07,190 --> 00:37:05,200

run it a couple of times um a couple of

980

00:37:11,190 --> 00:37:07,200

documentaries have gone up um

981

00:37:14,230 --> 00:37:11,200

about it but you gotta see that

982

00:37:16,870 --> 00:37:14,240

um there are a lot of doubters a lot of

983

00:37:18,069 --> 00:37:16,880

you know even mufon was doubting it for

984

00:37:20,150 --> 00:37:18,079

the longest time some of their

985

00:37:24,310 --> 00:37:20,160

explanations were just

986

00:37:26,630 --> 00:37:24,320

outrageous um you know it's

987

00:37:27,589 --> 00:37:26,640

it's not like you say it's a regional

988

00:37:29,349 --> 00:37:27,599

phenomenon

989

00:37:31,270 --> 00:37:29,359

and the thing i hate about it the most

990

00:37:32,069 --> 00:37:31,280

is that every time i hear something

991

00:37:34,069 --> 00:37:32,079

about you know

992

00:37:35,750 --> 00:37:34,079

chicago mockman you know they gotta

993

00:37:36,550 --> 00:37:35,760

start drawing the comparisons to point

994

00:37:39,670 --> 00:37:36,560

pleasant

995

00:37:41,990 --> 00:37:39,680

yeah um there are it's this is two sides

996

00:37:44,470 --> 00:37:42,000

of a different coin i was saying coin

997

00:37:45,990 --> 00:37:44,480

um you know there are multiple different

998

00:37:49,349 --> 00:37:46,000

kinds of uh

999

00:37:51,670 --> 00:37:49,359

sightings going on in chicago and it has

1000

00:37:52,790 --> 00:37:51,680

you know i don't know it's a winged

1001
00:37:54,710 --> 00:37:52,800
humanoid

1002
00:37:55,829 --> 00:37:54,720
that's about the only similarity there

1003
00:38:00,069 --> 00:37:55,839
is to

1004
00:38:03,829 --> 00:38:00,079
uh point pleasant um

1005
00:38:08,310 --> 00:38:06,630
we've had what about 120 130 reports

1006
00:38:10,310 --> 00:38:08,320
since this all began

1007
00:38:13,910 --> 00:38:10,320
honestly i i honestly think there's

1008
00:38:18,230 --> 00:38:13,920
maybe four times that amount all right

1009
00:38:19,829 --> 00:38:18,240
yeah i agree i mean uh

1010
00:38:21,910 --> 00:38:19,839
you know if we i think if we had

1011
00:38:22,710 --> 00:38:21,920
everybody that come forward for the most

1012
00:38:24,390 --> 00:38:22,720
part

1013
00:38:26,870 --> 00:38:24,400

we wouldn't have time to do anything

1014

00:38:29,670 --> 00:38:26,880

else to be honest with you

1015

00:38:31,270 --> 00:38:29,680

uh because um people are definitely

1016

00:38:34,550 --> 00:38:31,280

seeing this thing

1017

00:38:35,990 --> 00:38:34,560

and uh i don't know

1018

00:38:38,470 --> 00:38:36,000

you know you're talking about

1019

00:38:41,510 --> 00:38:38,480

documentaries small town monsters is

1020

00:38:42,630 --> 00:38:41,520

in the process of of making another

1021

00:38:45,910 --> 00:38:42,640

documentary

1022

00:38:48,150 --> 00:38:45,920

and this one's about chicago and the uh

1023

00:38:51,270 --> 00:38:48,160

the reports they had they had an earlier

1024

00:38:54,470 --> 00:38:51,280

production about uh about

1025

00:38:55,430 --> 00:38:54,480

uh other reports and and some to do with

1026

00:38:58,150 --> 00:38:55,440

chicago

1027

00:39:00,870 --> 00:38:58,160

that was a terran disguise uh

1028

00:39:03,030 --> 00:39:00,880

documentary which is pretty good

1029

00:39:05,109 --> 00:39:03,040

uh but i think this is going to be more

1030

00:39:06,069 --> 00:39:05,119

geared into the actual phenomena of the

1031

00:39:09,270 --> 00:39:06,079

lake michigan

1032

00:39:10,870 --> 00:39:09,280

phenomenon itself so that's something we

1033

00:39:14,150 --> 00:39:10,880

can all look forward to

1034

00:39:16,310 --> 00:39:14,160

uh i i think uh well you and i had

1035

00:39:17,910 --> 00:39:16,320

are going to be interviewed too yet so

1036

00:39:19,589 --> 00:39:17,920

um

1037

00:39:21,109 --> 00:39:19,599

uh i've been talking to a few of the

1038

00:39:24,470 --> 00:39:21,119

folks involved there was

1039

00:39:27,990 --> 00:39:24,480

seth and uh and uh

1040

00:39:31,190 --> 00:39:28,000

shannon about that so um

1041

00:39:34,470 --> 00:39:31,200

yeah so uh hopefully it continues on

1042

00:39:37,030 --> 00:39:34,480

i mean you know you know i've been

1043

00:39:39,910 --> 00:39:37,040

accused so many times of

1044

00:39:41,829 --> 00:39:39,920

perpetrating the hoax in order to get

1045

00:39:42,230 --> 00:39:41,839

publicity for the blog and books and

1046

00:39:44,630 --> 00:39:42,240

such

1047

00:39:45,750 --> 00:39:44,640

well that's just ridiculous i mean you

1048

00:39:48,069 --> 00:39:45,760

know

1049

00:39:50,069 --> 00:39:48,079

i i think a lot of people and i don't

1050

00:39:51,670 --> 00:39:50,079

know you know i know you and i have been

1051

00:39:56,150 --> 00:39:51,680

involved with this together

1052

00:39:58,230 --> 00:39:56,160

from the very beginning and uh

1053

00:40:00,069 --> 00:39:58,240

and tobias came in later on i think the

1054

00:40:01,750 --> 00:40:00,079

bob's a bit skeptical from the very

1055

00:40:03,670 --> 00:40:01,760

beginning but

1056

00:40:05,670 --> 00:40:03,680

yeah he's kind of drunk the cool weight

1057

00:40:07,430 --> 00:40:05,680

since then i guess

1058

00:40:09,990 --> 00:40:07,440

yeah some of the reports he's gotten

1059

00:40:12,069 --> 00:40:10,000

have kind of impressed on him that

1060

00:40:13,190 --> 00:40:12,079

this is something real this is just as

1061

00:40:15,069 --> 00:40:13,200

in

1062

00:40:17,030 --> 00:40:15,079

uh mass hysteria of people's

1063

00:40:20,390 --> 00:40:17,040

hallucinations

1064

00:40:24,069 --> 00:40:20,400

yes so um i mean

1065

00:40:25,910 --> 00:40:24,079

it's you know i don't even know how to

1066

00:40:27,670 --> 00:40:25,920

how to even just go with that i mean

1067

00:40:29,190 --> 00:40:27,680

people have always said that hey we're

1068

00:40:31,990 --> 00:40:29,200

doing this to make

1069

00:40:32,950 --> 00:40:32,000

make money we're we're here to make uh

1070

00:40:35,990 --> 00:40:32,960

profits i

1071

00:40:39,270 --> 00:40:36,000

have not seen one dime yeah

1072

00:40:41,109 --> 00:40:39,280

yeah so i run my site my site is mostly

1073

00:40:42,870 --> 00:40:41,119

geared towards ufos

1074

00:40:45,589 --> 00:40:42,880

you know sightings and abduction

1075

00:40:47,670 --> 00:40:45,599

sightings i kind of stumbled into this

1076

00:40:50,790 --> 00:40:47,680

when i started getting the reports

1077

00:40:54,069 --> 00:40:50,800

you know of uh of the wing humanoids

1078

00:40:57,589 --> 00:40:54,079

and even now my my main focus with

1079

00:41:00,950 --> 00:40:57,599

your clear house is you know ufos um

1080

00:41:03,030 --> 00:41:00,960

if you look at the site you know 99.9

1081

00:41:07,030 --> 00:41:03,040

percent of the society ports are all

1082

00:41:09,910 --> 00:41:07,040

ufos um so it's not like

1083

00:41:12,470 --> 00:41:09,920

we're sitting here drawing uh you know

1084

00:41:13,109 --> 00:41:12,480

large numbers i'm i'm happy if i get you

1085

00:41:16,710 --> 00:41:13,119

know

1086

00:41:20,630 --> 00:41:16,720

um

1087

00:41:21,990 --> 00:41:20,640

want to

1088

00:41:24,069 --> 00:41:22,000

learn about the truth i'm trying to

1089

00:41:26,069 --> 00:41:24,079

learn about you know research this

1090

00:41:27,990 --> 00:41:26,079

it's something i'm i'm passionate about

1091

00:41:30,630 --> 00:41:28,000

it's something that i like

1092

00:41:31,990 --> 00:41:30,640

to do um i like to you know go out there

1093

00:41:35,109 --> 00:41:32,000

and investigate it

1094

00:41:37,270 --> 00:41:35,119

but at the same time i'm not here to

1095

00:41:39,430 --> 00:41:37,280

you know i'm approaching this with uh

1096

00:41:41,750 --> 00:41:39,440

you know skepticism

1097

00:41:42,710 --> 00:41:41,760

i'm not just getting reports and

1098

00:41:46,150 --> 00:41:42,720

publishing and say

1099

00:41:47,829 --> 00:41:46,160

this is uh this is uh definitive proof

1100

00:41:49,030 --> 00:41:47,839

you know there are quite a lot of hoaxes

1101

00:41:52,069 --> 00:41:49,040

out there there are a lot of

1102

00:41:54,790 --> 00:41:52,079

people who who send reports that are

1103

00:41:55,109 --> 00:41:54,800

that you know it can be misidentified as

1104

00:42:02,550 --> 00:41:55,119

a

1105

00:42:04,630 --> 00:42:02,560

photo i posted on the group one time um

1106

00:42:05,670 --> 00:42:04,640

it turned out to be what the butterfly

1107

00:42:09,109 --> 00:42:05,680

emily

1108

00:42:12,230 --> 00:42:09,119

identified as a butterfly um

1109

00:42:13,349 --> 00:42:12,240

and you know there's there are some

1110

00:42:16,630 --> 00:42:13,359

things out there

1111

00:42:20,069 --> 00:42:16,640

that i can't say i don't know about

1112

00:42:22,470 --> 00:42:20,079

um i heard a recent

1113

00:42:23,589 --> 00:42:22,480

podcast on the way to work where they

1114

00:42:26,069 --> 00:42:23,599

were talking about

1115

00:42:28,230 --> 00:42:26,079

the chicago mothman and the gentleman

1116

00:42:30,630 --> 00:42:28,240

was talking about how

1117

00:42:32,630 --> 00:42:30,640

about the sighting report where someone

1118

00:42:34,069 --> 00:42:32,640

has says that they saw it jump off the

1119

00:42:36,710 --> 00:42:34,079

willis tower

1120

00:42:38,550 --> 00:42:36,720

and somebody was out there talking about

1121

00:42:39,829 --> 00:42:38,560

oh it was just a guy in a parachute or

1122

00:42:42,550 --> 00:42:39,839

the guy in a wingsuit

1123

00:42:45,030 --> 00:42:42,560

um take it from somebody who worked on

1124

00:42:46,870 --> 00:42:45,040

the 51st floor of the willis tower

1125

00:42:48,309 --> 00:42:46,880

when it's snowing outside and you see

1126

00:42:51,670 --> 00:42:48,319

the stove coming

1127

00:42:54,870 --> 00:42:51,680

up it's it's not falling down it's

1128

00:42:56,829 --> 00:42:54,880

it's coming up uh blowing upwards

1129

00:42:58,150 --> 00:42:56,839

because of the wind that's hitting this

1130

00:43:00,950 --> 00:42:58,160

building um

1131

00:43:01,589 --> 00:43:00,960

carrying the snow up okay there's no way

1132

00:43:05,190 --> 00:43:01,599

somebody's

1133

00:43:06,390 --> 00:43:05,200

dumb enough um to get up to the top of

1134

00:43:08,069 --> 00:43:06,400

this building first off through the

1135

00:43:09,990 --> 00:43:08,079

security measures that you go through i

1136

00:43:12,550 --> 00:43:10,000

had to go through two checkpoints

1137

00:43:13,990 --> 00:43:12,560

just to get up to my to my office uh

1138

00:43:16,710 --> 00:43:14,000

when i worked up there

1139

00:43:18,790 --> 00:43:16,720

and um that was two security protection

1140

00:43:20,309 --> 00:43:18,800

board i had to take my backpack off

1141

00:43:21,910 --> 00:43:20,319

take my wallet out everything put it

1142

00:43:23,510 --> 00:43:21,920

through an x-ray machine

1143

00:43:25,349 --> 00:43:23,520

you're not gonna get past security

1144

00:43:26,550 --> 00:43:25,359

guards there was a parachute or a

1145

00:43:28,950 --> 00:43:26,560

wingsuit on

1146

00:43:30,710 --> 00:43:28,960

um amazing if you did you are going to

1147

00:43:31,510 --> 00:43:30,720

either get slammed back up into the

1148

00:43:34,309 --> 00:43:31,520

building

1149

00:43:34,790 --> 00:43:34,319

or you're going to die very shortly when

1150

00:43:36,710 --> 00:43:34,800

yeah

1151

00:43:37,910 --> 00:43:36,720

they don't call chicago the windy city

1152

00:43:41,190 --> 00:43:37,920

for no reason i mean

1153

00:43:42,150 --> 00:43:41,200

oh yes exactly i got a uh i got another

1154

00:43:46,150 --> 00:43:42,160

question here about

1155

00:43:49,670 --> 00:43:46,160

real truth uh who does your artwork on p

1156

00:43:50,630 --> 00:43:49,680

phantoms and monsters you know the

1157

00:43:53,589 --> 00:43:50,640

artwork

1158

00:43:54,870 --> 00:43:53,599

that i post up there for the most part

1159

00:43:57,349 --> 00:43:54,880

comes from

1160

00:43:58,069 --> 00:43:57,359

fans of the site i mean uh people who

1161

00:44:04,230 --> 00:43:58,079

are

1162

00:44:04,630 --> 00:44:04,240

make stuff uh voluntarily for the for

1163

00:44:07,510 --> 00:44:04,640

this

1164

00:44:07,990 --> 00:44:07,520

uh for the group or for the website so

1165

00:44:10,390 --> 00:44:08,000

uh yeah

1166

00:44:12,390 --> 00:44:10,400

that's where most that stuff comes from

1167

00:44:12,950 --> 00:44:12,400

also i got another question from nancy

1168

00:44:15,589 --> 00:44:12,960

malcolm

1169

00:44:18,470 --> 00:44:15,599

do people think that this mothman or

1170

00:44:20,550 --> 00:44:18,480

wing humanoids is a bad luck sign

1171

00:44:22,309 --> 00:44:20,560

of course this all goes back to the

1172

00:44:25,589 --> 00:44:22,319

point pleasant harbinger

1173

00:44:30,470 --> 00:44:25,599

thing with uh the silver bridge collapse

1174

00:44:32,950 --> 00:44:30,480

back in uh december 67

1175

00:44:34,390 --> 00:44:32,960

you know i don't buy into that whole

1176

00:44:36,230 --> 00:44:34,400

harbinger thing you know

1177

00:44:38,069 --> 00:44:36,240

i've you know i've heard a lot of things

1178

00:44:40,870 --> 00:44:38,079

that

1179

00:44:42,950 --> 00:44:40,880

you know people would say after disaster

1180

00:44:43,270 --> 00:44:42,960

oh yeah well we saw this winged humanoid

1181

00:44:46,390 --> 00:44:43,280

or

1182

00:44:49,589 --> 00:44:46,400

that

1183

00:44:51,030 --> 00:44:49,599

and of course you know as long as since

1184

00:44:54,790 --> 00:44:51,040

we've been doing all this

1185

00:44:59,190 --> 00:44:54,800

i really don't know any

1186

00:45:01,349 --> 00:44:59,200

any uh anything bad or anything

1187

00:45:03,430 --> 00:45:01,359

disasters happening in chicago that we

1188

00:45:05,510 --> 00:45:03,440

could tie that into

1189

00:45:07,430 --> 00:45:05,520

uh of course if it did we'd definitely

1190

00:45:09,910 --> 00:45:07,440

be reporting it

1191

00:45:10,710 --> 00:45:09,920

so uh i i just don't think i just don't

1192

00:45:13,829 --> 00:45:10,720

think there's no

1193

00:45:16,950 --> 00:45:13,839

any correlation there yeah

1194

00:45:19,030 --> 00:45:16,960

and i i believe the same thing i don't

1195

00:45:21,349 --> 00:45:19,040

buy into the whole harbinger of doom i

1196

00:45:23,829 --> 00:45:21,359

mean yes there are reports that

1197

00:45:25,829 --> 00:45:23,839

um that you know it was seen at

1198

00:45:28,470 --> 00:45:25,839

chernobyl it was seen at fukushima it

1199

00:45:29,829 --> 00:45:28,480

was seen in minneapolis before the uh

1200

00:45:32,470 --> 00:45:29,839

the bridge collapsed i believe it was

1201

00:45:35,589 --> 00:45:32,480

even seen at before 9 11.

1202

00:45:39,030 --> 00:45:35,599

um but

1203

00:45:41,750 --> 00:45:39,040

that could just be coincidence um

1204

00:45:42,950 --> 00:45:41,760

i live in the in the suburbs of chicago

1205

00:45:45,430 --> 00:45:42,960

and i've seen

1206

00:45:45,990 --> 00:45:45,440

nothing you know yeah we have you know

1207

00:45:47,829 --> 00:45:46,000

the shooting

1208

00:45:50,390 --> 00:45:47,839

the carjackings that's everyday life in

1209

00:45:52,630 --> 00:45:50,400

chicago um

1210

00:45:55,349 --> 00:45:52,640

it's nothing really disastrous is

1211

00:45:59,190 --> 00:45:55,359

happening these things have been seen

1212

00:46:01,270 --> 00:45:59,200

wow since 2015 uh when the first

1213

00:46:03,430 --> 00:46:01,280

yeah when i was 2011 we start seeing the

1214

00:46:04,390 --> 00:46:03,440

words around the university of chicago

1215

00:46:07,910 --> 00:46:04,400

were the first ones

1216

00:46:11,510 --> 00:46:07,920

that came along um so

1217

00:46:13,190 --> 00:46:11,520

it's um you know nothing has really

1218

00:46:14,150 --> 00:46:13,200

happened i don't really buy into the

1219

00:46:17,190 --> 00:46:14,160

whole

1220

00:46:20,309 --> 00:46:17,200

um harbinger doing i do that does

1221

00:46:21,990 --> 00:46:20,319

you know tie directly back again to

1222

00:46:25,670 --> 00:46:22,000

point pleasant

1223

00:46:27,510 --> 00:46:25,680

virginia yeah um

1224

00:46:30,069 --> 00:46:27,520

now i just wanted to mention folks in

1225

00:46:32,630 --> 00:46:30,079

the chat if you if you got a question

1226
00:46:34,470 --> 00:46:32,640
or you want to make a donation uh please

1227
00:46:36,630 --> 00:46:34,480
feel free to do so

1228
00:46:38,150 --> 00:46:36,640
we will try to answer your questions

1229
00:46:41,109 --> 00:46:38,160
here's your chance to

1230
00:46:43,910 --> 00:46:41,119
if you got any questions about uh the

1231
00:46:45,589 --> 00:46:43,920
phenomena in chicago or even ufos we're

1232
00:46:48,470 --> 00:46:45,599
going to talk about that

1233
00:46:50,550 --> 00:46:48,480
and we will answer your questions um

1234
00:46:51,910 --> 00:46:50,560
yeah speaking of ufos and of course

1235
00:46:54,390 --> 00:46:51,920
that's your bread and butter

1236
00:46:56,309 --> 00:46:54,400
not really mine but you know i'm kind of

1237
00:46:59,829 --> 00:46:56,319
interested in the phenomena

1238
00:47:02,950 --> 00:46:59,839

but not not like you and maybe butch

1239

00:47:04,710 --> 00:47:02,960

uh what do you make of this whole ufo

1240

00:47:06,870 --> 00:47:04,720

government disclosure thing do you

1241

00:47:09,270 --> 00:47:06,880

believe like i do that this is

1242

00:47:10,950 --> 00:47:09,280

that we're being spoon fed this this

1243

00:47:13,990 --> 00:47:10,960

information

1244

00:47:17,109 --> 00:47:14,000

are is just

1245

00:47:17,910 --> 00:47:17,119

something to quell the masses i honestly

1246

00:47:20,710 --> 00:47:17,920

think it's

1247

00:47:22,150 --> 00:47:20,720

it's something to spoon feed the masses

1248

00:47:23,670 --> 00:47:22,160

i mean

1249

00:47:26,230 --> 00:47:23,680

why would you want to come out during

1250

00:47:27,910 --> 00:47:26,240

this um honestly

1251
00:47:29,990 --> 00:47:27,920
this is something that's been happening

1252
00:47:33,030 --> 00:47:30,000
for thousands of years

1253
00:47:36,630 --> 00:47:33,040
we've only had the modern ufo uh

1254
00:47:39,829 --> 00:47:36,640
era since um i believe it was ken arnold

1255
00:47:41,829 --> 00:47:39,839
yeah mount um but

1256
00:47:43,910 --> 00:47:41,839
i mean come on back in biblical times

1257
00:47:46,710 --> 00:47:43,920
prehistoric times how many

1258
00:47:47,910 --> 00:47:46,720
how many ancient artworks depict uh

1259
00:47:51,190 --> 00:47:47,920
rockets or men with

1260
00:47:53,109 --> 00:47:51,200
uh suits or even grays um

1261
00:47:54,790 --> 00:47:53,119
a lot of the cave work that's in france

1262
00:47:56,630 --> 00:47:54,800
that was discovered has a lot of

1263
00:47:57,829 --> 00:47:56,640

creatures that look like graves

1264

00:48:01,349 --> 00:47:57,839

hieroglyphics

1265

00:48:04,470 --> 00:48:01,359

have things that look like grays um

1266

00:48:06,069 --> 00:48:04,480

honestly i don't i

1267

00:48:08,790 --> 00:48:06,079

i think that they're just trying to

1268

00:48:10,630 --> 00:48:08,800

maybe barely scratch the service

1269

00:48:12,470 --> 00:48:10,640

there are so many things that the

1270

00:48:15,750 --> 00:48:12,480

government does not tell

1271

00:48:17,829 --> 00:48:15,760

you know us and you know and i believe

1272

00:48:19,270 --> 00:48:17,839

part of it is you know yeah you don't

1273

00:48:22,069 --> 00:48:19,280

want to have an uncontrolled

1274

00:48:22,710 --> 00:48:22,079

you know you know breakdown of society

1275

00:48:25,990 --> 00:48:22,720

because

1276

00:48:27,750 --> 00:48:26,000

i mean for the most part humans are

1277

00:48:29,190 --> 00:48:27,760

you know we think we're the center of

1278

00:48:31,270 --> 00:48:29,200

the universe um

1279

00:48:32,390 --> 00:48:31,280

imagine how that's gonna go when we find

1280

00:48:35,030 --> 00:48:32,400

out we're not

1281

00:48:35,829 --> 00:48:35,040

um but there are so many things out

1282

00:48:38,309 --> 00:48:35,839

there

1283

00:48:39,750 --> 00:48:38,319

um that have been seen the military's

1284

00:48:43,349 --> 00:48:39,760

been seeing

1285

00:48:45,270 --> 00:48:43,359

ufos since that's been i want to say the

1286

00:48:46,470 --> 00:48:45,280

revolutionary war there are reports of

1287

00:48:48,549 --> 00:48:46,480

lights and sky

1288

00:48:49,589 --> 00:48:48,559

and think of the world war two foo

1289

00:48:53,030 --> 00:48:49,599

fighters

1290

00:48:55,910 --> 00:48:53,040

um think about you know

1291

00:48:56,630 --> 00:48:55,920

a good example would be the iranian uh

1292

00:48:58,470 --> 00:48:56,640

incident

1293

00:49:00,230 --> 00:48:58,480

where they sent a mig after one of these

1294

00:49:03,829 --> 00:49:00,240

and the meg never came back

1295

00:49:05,670 --> 00:49:03,839

um you know there are reports of

1296

00:49:07,030 --> 00:49:05,680

soldiers seeing flying humanoids in

1297

00:49:13,349 --> 00:49:07,040

vietnam

1298

00:49:14,309 --> 00:49:13,359

there are so many things out there that

1299

00:49:16,790 --> 00:49:14,319

i think that

1300

00:49:17,750 --> 00:49:16,800

they're just trying to you know quell

1301

00:49:21,270 --> 00:49:17,760

the masses

1302

00:49:21,990 --> 00:49:21,280

in a way um i was kind of surprised

1303

00:49:23,910 --> 00:49:22,000

really to

1304

00:49:25,030 --> 00:49:23,920

see obama actually get on there and talk

1305

00:49:28,069 --> 00:49:25,040

about it

1306

00:49:29,430 --> 00:49:28,079

really really surprised uh that stopped

1307

00:49:32,790 --> 00:49:29,440

me dead in my tracks

1308

00:49:34,549 --> 00:49:32,800

but um honestly i i think they're

1309

00:49:38,470 --> 00:49:34,559

spoon-feeding

1310

00:49:42,230 --> 00:49:38,480

only imagine

1311

00:49:46,069 --> 00:49:42,240

how many hundreds if not thousands

1312

00:49:49,990 --> 00:49:46,079

of hours that the military must have

1313

00:49:52,710 --> 00:49:50,000

of flight recordings that might have uh

1314

00:49:53,349 --> 00:49:52,720

ufos look at this this one from the navy

1315

00:49:55,670 --> 00:49:53,359

you know

1316

00:49:57,190 --> 00:49:55,680

this was a they locked onto it with uh

1317

00:49:59,589 --> 00:49:57,200

an advanced clear

1318

00:50:01,510 --> 00:49:59,599

system and they the fluorescent could

1319

00:50:03,670 --> 00:50:01,520

barely keep up with it

1320

00:50:05,109 --> 00:50:03,680

um and this is a i believe it was an

1321

00:50:08,150 --> 00:50:05,119

f-22 raptor

1322

00:50:09,349 --> 00:50:08,160

that they were flying or an f-18 i mean

1323

00:50:11,109 --> 00:50:09,359

either way they're

1324

00:50:13,589 --> 00:50:11,119

very fast and this thing was outpacing

1325

00:50:15,910 --> 00:50:13,599

them um

1326

00:50:18,150 --> 00:50:15,920

there are so many reports out there of

1327

00:50:21,270 --> 00:50:18,160

such technology of the technology that

1328

00:50:22,710 --> 00:50:21,280

we may have already

1329

00:50:24,470 --> 00:50:22,720

i mean there's there's always been that

1330

00:50:25,990 --> 00:50:24,480

saying that you know the government's 50

1331

00:50:28,630 --> 00:50:26,000

years ahead of everything

1332

00:50:30,470 --> 00:50:28,640

that they release i mean they did we

1333

00:50:33,829 --> 00:50:30,480

didn't know about the sr-71 until

1334

00:50:37,109 --> 00:50:33,839

what a decade after it was created yeah

1335

00:50:39,349 --> 00:50:37,119

and flying um one

1336

00:50:41,349 --> 00:50:39,359

interesting thing um this is always an

1337

00:50:43,430 --> 00:50:41,359

interesting one that i've always liked

1338

00:50:44,870 --> 00:50:43,440

um have you ever seen the report of the

1339

00:50:47,109 --> 00:50:44,880

uh of the noaa

1340

00:50:48,549 --> 00:50:47,119

satellite that caught something leaving

1341

00:50:52,390 --> 00:50:48,559

groom lake

1342

00:50:54,630 --> 00:50:52,400

um they caught the contrail and they

1343

00:50:56,549 --> 00:50:54,640

it was in the photo it's just a straight

1344

00:51:00,309 --> 00:50:56,559

contrast starting from nevada

1345

00:51:02,630 --> 00:51:00,319

out over the atlantic it covered that

1346

00:51:03,510 --> 00:51:02,640

space where it flew out of frame over

1347

00:51:07,510 --> 00:51:03,520

the atlantic

1348

00:51:10,549 --> 00:51:07,520

it covered that space in 15 minutes

1349

00:51:11,750 --> 00:51:10,559

now imagine the speed that this thing

1350

00:51:16,230 --> 00:51:11,760

was flying

1351

00:51:18,470 --> 00:51:16,240

uh sr 71 maybe

1352

00:51:19,430 --> 00:51:18,480

maybe come close but this thing has

1353

00:51:21,270 --> 00:51:19,440

maybe

1354

00:51:22,710 --> 00:51:21,280

i wouldn't say was quite going twice the

1355

00:51:26,069 --> 00:51:22,720

speed

1356

00:51:28,710 --> 00:51:26,079

of the sr-71 and

1357

00:51:29,589 --> 00:51:28,720

it was caught on noah on anoa weather

1358

00:51:32,069 --> 00:51:29,599

satellite and

1359

00:51:33,109 --> 00:51:32,079

it's just they did the calculations they

1360

00:51:35,670 --> 00:51:33,119

said this thing

1361

00:51:36,710 --> 00:51:35,680

you know completed that you know a

1362

00:51:39,990 --> 00:51:36,720

couple of what 3

1363

00:51:42,150 --> 00:51:40,000

000 mile journey in 15 minutes um

1364

00:51:43,510 --> 00:51:42,160

imagine you know the the reports of

1365

00:51:46,549 --> 00:51:43,520

people seeing the

1366

00:51:47,670 --> 00:51:46,559

what they call the aurora and even by

1367

00:51:49,349 --> 00:51:47,680

now even by

1368

00:51:51,910 --> 00:51:49,359

today's standards i'm pretty sure aurora

1369

00:51:54,069 --> 00:51:51,920

is probably outdated

1370

00:51:55,910 --> 00:51:54,079

um you know how many people have

1371

00:51:57,190 --> 00:51:55,920

reported seeing the uh the donuts on a

1372

00:51:59,510 --> 00:51:57,200

string

1373

00:52:01,430 --> 00:51:59,520

caused by the by the engine of what they

1374

00:52:05,589 --> 00:52:01,440

are the aurora which is a nuclear pulse

1375

00:52:09,109 --> 00:52:08,309

i i think honestly by now i would think

1376

00:52:12,230 --> 00:52:09,119

that

1377

00:52:16,150 --> 00:52:12,240

you know we are so advanced

1378

00:52:17,670 --> 00:52:16,160

that the government doesn't want to be

1379

00:52:19,270 --> 00:52:17,680

the ones who say hey

1380

00:52:20,790 --> 00:52:19,280

we've gotten all this stuff because we

1381

00:52:23,910 --> 00:52:20,800

were reverse engineering

1382

00:52:27,750 --> 00:52:23,920

you know um things that we caught

1383

00:52:31,109 --> 00:52:27,760

back in the 50s um

1384

00:52:32,630 --> 00:52:31,119

so honestly i just think that it's it's

1385

00:52:34,549 --> 00:52:32,640

you know they're kind of filling the

1386

00:52:37,109 --> 00:52:34,559

masses by giving us just a little bit of

1387

00:52:41,030 --> 00:52:37,119

tantalizing information

1388

00:52:45,030 --> 00:52:41,040

um you know i i think that you know

1389

00:52:46,549 --> 00:52:45,040

they're never it's if they ever did it

1390

00:52:49,910 --> 00:52:46,559

would be a

1391

00:52:52,309 --> 00:52:49,920

a blow to a society

1392

00:52:53,510 --> 00:52:52,319

if this would never happen but and then

1393

00:52:57,190 --> 00:52:53,520

honestly

1394

00:52:59,030 --> 00:52:57,200

nowadays even if the government would

1395

00:53:00,549 --> 00:52:59,040

come up and say even if i was to stand

1396

00:53:03,349 --> 00:53:00,559

up and say

1397

00:53:05,030 --> 00:53:03,359

the aliens are real we're not alone half

1398

00:53:07,190 --> 00:53:05,040

of us would never believe it

1399

00:53:08,790 --> 00:53:07,200

oh sure you know he could be telling the

1400

00:53:09,990 --> 00:53:08,800

honest to god truth and happiness never

1401
00:53:11,990 --> 00:53:10,000
believe it

1402
00:53:14,150 --> 00:53:12,000
i got another question here from android

1403
00:53:16,230 --> 00:53:14,160
purity do you still get winged cryptid

1404
00:53:21,109 --> 00:53:16,240
reports in west virginia

1405
00:53:28,870 --> 00:53:24,950
you know uh even since the

1406
00:53:32,790 --> 00:53:28,880
the mothman sightings out of um

1407
00:53:36,790 --> 00:53:32,800
out of uh point pleasant in that whole

1408
00:53:40,390 --> 00:53:36,800
megan county uh mason county uh

1409
00:53:42,309 --> 00:53:40,400
area we we still get reports i mean i

1410
00:53:45,270 --> 00:53:42,319
have had

1411
00:53:46,790 --> 00:53:45,280
god i have no idea but i i know it tends

1412
00:53:50,150 --> 00:53:46,800
the reports

1413
00:53:53,190 --> 00:53:50,160

anywhere from uh that area around

1414

00:53:55,829 --> 00:53:53,200

around uh point pleasant

1415

00:53:56,710 --> 00:53:55,839

any and up and down the ohio river

1416

00:53:59,990 --> 00:53:56,720

valley from

1417

00:54:02,309 --> 00:54:00,000

cincinnati up into pittsburgh

1418

00:54:04,069 --> 00:54:02,319

i mean there just have been a lot of

1419

00:54:04,950 --> 00:54:04,079

sightings over the years and it's still

1420

00:54:07,430 --> 00:54:04,960

active

1421

00:54:09,829 --> 00:54:07,440

and in fact the area around point

1422

00:54:13,430 --> 00:54:09,839

pleasant where the original

1423

00:54:15,829 --> 00:54:13,440

sightings came from the west virginia

1424

00:54:16,630 --> 00:54:15,839

ordinance works citing at the old tnt

1425

00:54:18,470 --> 00:54:16,640

plan

1426

00:54:20,549 --> 00:54:18,480

we still get sightings we still get

1427

00:54:24,870 --> 00:54:20,559

reports

1428

00:54:28,150 --> 00:54:24,880

you know they're not well known but uh

1429

00:54:30,069 --> 00:54:28,160

yeah we still get it so

1430

00:54:33,670 --> 00:54:30,079

to answer the question yeah we still got

1431

00:54:37,829 --> 00:54:35,349

and actually that whole area is pretty

1432

00:54:39,829 --> 00:54:37,839

rich in reports not only a winged

1433

00:54:43,030 --> 00:54:39,839

humanoids but sasquatches

1434

00:54:43,750 --> 00:54:43,040

upright canines um that whole area is

1435

00:54:45,670 --> 00:54:43,760

pretty rich

1436

00:54:47,109 --> 00:54:45,680

in you know sites even before the

1437

00:54:49,750 --> 00:54:47,119

mothman

1438

00:54:50,870 --> 00:54:49,760

uh sightings that's kind of like that

1439

00:54:52,549 --> 00:54:50,880

little area

1440

00:54:54,630 --> 00:54:52,559

along the ohio river there are a lot of

1441

00:54:56,069 --> 00:54:54,640

stuff inside and yes there are

1442

00:54:58,390 --> 00:54:56,079

i like to agree yeah there are still

1443

00:55:00,470 --> 00:54:58,400

citing the weak humanoids out there

1444

00:55:03,030 --> 00:55:00,480

yeah we're going to uh we're going to

1445

00:55:06,230 --> 00:55:03,040

have an interesting guest coming up in

1446

00:55:08,710 --> 00:55:06,240

a couple of weeks or so uh

1447

00:55:09,829 --> 00:55:08,720

that ties directly into some of the

1448

00:55:13,270 --> 00:55:09,839

phenomena it

1449

00:55:16,870 --> 00:55:13,280

uh at point pleasant parts

1450

00:55:19,109 --> 00:55:16,880

nearby uh where

1451

00:55:21,349 --> 00:55:19,119

actually some of the stuff that was

1452

00:55:22,870 --> 00:55:21,359

going on back in the 60s is actually

1453

00:55:24,390 --> 00:55:22,880

still going on

1454

00:55:25,990 --> 00:55:24,400

so that will be interesting that's kind

1455

00:55:29,190 --> 00:55:26,000

of a surprise so we'll

1456

00:55:32,829 --> 00:55:29,200

we'll make that available at the time

1457

00:55:37,030 --> 00:55:32,839

uh but um yeah and of course i've got

1458

00:55:37,589 --> 00:55:37,040

um uh ray keller coming on as well and

1459

00:55:40,710 --> 00:55:37,599

he's gonna

1460

00:55:43,829 --> 00:55:40,720

talk about a lot of that

1461

00:55:45,910 --> 00:55:43,839

ufo like you said manny the uh the ufo

1462

00:55:48,069 --> 00:55:45,920

phenomena

1463

00:55:50,630 --> 00:55:48,079

is something that had happened been

1464

00:55:52,630 --> 00:55:50,640

going on around that area for

1465

00:55:55,109 --> 00:55:52,640

many years prior to the mothman

1466

00:55:57,910 --> 00:55:55,119

phenomena so uh

1467

00:55:58,950 --> 00:55:57,920

yeah i'd uh i have to agree with you on

1468

00:56:02,549 --> 00:55:58,960

that

1469

00:56:04,309 --> 00:56:02,559

this um

1470

00:56:05,750 --> 00:56:04,319

folks we got you know we got a couple

1471

00:56:08,470 --> 00:56:05,760

more minutes so if you got a question

1472

00:56:12,069 --> 00:56:08,480

get it out there as soon as you can

1473

00:56:14,150 --> 00:56:12,079

um i i

1474

00:56:16,309 --> 00:56:14,160

i'm just wondering with this thing in

1475

00:56:20,630 --> 00:56:16,319

chicago and around

1476
00:56:22,710 --> 00:56:20,640
how much uh other phenomena is gonna

1477
00:56:25,270 --> 00:56:22,720
raise his ugly head you know i hate you

1478
00:56:26,710 --> 00:56:25,280
know i don't really like saying that but

1479
00:56:28,630 --> 00:56:26,720
the uh you know of course with this

1480
00:56:29,430 --> 00:56:28,640
dragon sighting and of course we've had

1481
00:56:34,710 --> 00:56:29,440
the

1482
00:56:38,069 --> 00:56:34,720
evolve into more

1483
00:56:39,829 --> 00:56:38,079
phenomena or is it going to be tied into

1484
00:56:41,190 --> 00:56:39,839
other things you know we have talked

1485
00:56:44,150 --> 00:56:41,200
about the

1486
00:56:45,349 --> 00:56:44,160
the fermi lab connection possible

1487
00:56:47,109 --> 00:56:45,359
connection

1488
00:56:49,910 --> 00:56:47,119

and the new activity that's been going

1489

00:56:53,109 --> 00:56:49,920

on out there that's out in cook county

1490

00:56:54,630 --> 00:56:53,119

um maybe there's there is a connection

1491

00:56:57,349 --> 00:56:54,640

there who knows

1492

00:56:58,870 --> 00:56:57,359

yeah i mean burmese is left handed in

1493

00:57:01,510 --> 00:56:58,880

batavia illinois which is

1494

00:57:03,190 --> 00:57:01,520

not very far from here um you also got

1495

00:57:04,230 --> 00:57:03,200

to remember you have argonne national

1496

00:57:07,510 --> 00:57:04,240

laboratory

1497

00:57:09,109 --> 00:57:07,520

right here in chicago um as well quite a

1498

00:57:11,589 --> 00:57:09,119

few other you know facilities you have

1499

00:57:14,710 --> 00:57:11,599

like avid molecular avid uh

1500

00:57:17,910 --> 00:57:14,720

you know labs that are here um

1501

00:57:20,870 --> 00:57:17,920

they're i honestly think that you know

1502

00:57:21,270 --> 00:57:20,880

it's evolving um you guys kind of think

1503

00:57:23,829 --> 00:57:21,280

that with

1504

00:57:25,510 --> 00:57:23,839

all the things that you know you have in

1505

00:57:27,829 --> 00:57:25,520

here and around this area chicago's

1506

00:57:31,109 --> 00:57:27,839

always had a rich history not only of

1507

00:57:33,109 --> 00:57:31,119

you know a cult paranormal but you know

1508

00:57:35,430 --> 00:57:33,119

the cryptic sites i mean not too far

1509

00:57:37,109 --> 00:57:35,440

away from here is uh bray road

1510

00:57:39,030 --> 00:57:37,119

you know the beast of bray road uh

1511

00:57:40,549 --> 00:57:39,040

upright canines

1512

00:57:43,670 --> 00:57:40,559

one of the most famous upright canine

1513

00:57:46,309 --> 00:57:43,680

sightings uh that are still ongoing

1514

00:57:47,270 --> 00:57:46,319

uh and that's in uh southern wisconsin

1515

00:57:49,510 --> 00:57:47,280

uh right

1516

00:57:51,030 --> 00:57:49,520

i think maybe an hour hour and a half

1517

00:57:51,910 --> 00:57:51,040

from where i'm here where i'm at right

1518

00:57:55,030 --> 00:57:51,920

now

1519

00:57:55,670 --> 00:57:55,040

um i think that it's it's eventually

1520

00:57:58,630 --> 00:57:55,680

gonna

1521

00:58:00,230 --> 00:57:58,640

you know come to a head i think but you

1522

00:58:01,510 --> 00:58:00,240

know you see it more and more

1523

00:58:04,069 --> 00:58:01,520

uh you're starting to see more and more

1524

00:58:05,990 --> 00:58:04,079

reports coming out of chicago ufos

1525

00:58:07,430 --> 00:58:06,000

starting to see more and more reports of

1526

00:58:09,829 --> 00:58:07,440

you know wing humanoids

1527

00:58:11,349 --> 00:58:09,839

um i think you had another one before

1528

00:58:12,230 --> 00:58:11,359

the dragon one you had one in uh

1529

00:58:15,430 --> 00:58:12,240

schiller park

1530

00:58:18,870 --> 00:58:15,440

another one um that had come out

1531

00:58:20,309 --> 00:58:18,880

so i think that you know like you said

1532

00:58:23,109 --> 00:58:20,319

earlier it's probably gonna be a very

1533

00:58:24,450 --> 00:58:23,119

busy summer

1534

00:58:27,670 --> 00:58:24,460

yeah well we can only hoop

1535

00:58:29,430 --> 00:58:27,680

[Laughter]

1536

00:58:31,349 --> 00:58:29,440

well mandy well i want to thank you for

1537

00:58:32,230 --> 00:58:31,359

coming on this evening i appreciate you

1538

00:58:34,390 --> 00:58:32,240

taking the time

1539

00:58:35,990 --> 00:58:34,400

to talk about this we'll have to have

1540

00:58:39,030 --> 00:58:36,000

you come in more and more

1541

00:58:40,950 --> 00:58:39,040

um you know i'm quite sure if this

1542

00:58:43,430 --> 00:58:40,960

this stuff really picks up again we're

1543

00:58:47,270 --> 00:58:43,440

gonna have you and tobias

1544

00:58:51,430 --> 00:58:47,280

join me uh more times than not

1545

00:58:54,230 --> 00:58:51,440

and uh you know keep everybody informed

1546

00:58:55,589 --> 00:58:54,240

on what people are seeing what our

1547

00:58:58,549 --> 00:58:55,599

thoughts

1548

00:58:59,910 --> 00:58:58,559

are about it our theories and uh you

1549

00:59:01,510 --> 00:58:59,920

know hopefully we'll come up with an

1550

00:59:03,589 --> 00:59:01,520

answer someday so

1551

00:59:04,630 --> 00:59:03,599

once again uh tell the folks how they

1552

00:59:08,069 --> 00:59:04,640

can contact you

1553

00:59:10,390 --> 00:59:08,079

and uh uh anything else that you

1554

00:59:11,109 --> 00:59:10,400

want to put out there well you can

1555

00:59:16,309 --> 00:59:11,119

always

1556

00:59:19,510 --> 00:59:16,319

find me at www.ufoclearinghouse.com

1557

00:59:21,030 --> 00:59:19,520

there are uh reports posted i say about

1558

00:59:23,829 --> 00:59:21,040

every other day or so

1559

00:59:25,670 --> 00:59:23,839

um as soon as i can get to them i'm

1560

00:59:30,150 --> 00:59:25,680

usually really busy with work

1561

00:59:32,870 --> 00:59:30,160

um on facebook um uh emmanuel navarette

1562

00:59:34,390 --> 00:59:32,880

um and you can also find i have a ufo

1563

00:59:37,670 --> 00:59:34,400

clearinghouse uh page

1564

00:59:38,710 --> 00:59:37,680

on uh a ufo clearinghouse group on

1565

00:59:41,910 --> 00:59:38,720

facebook

1566

00:59:45,510 --> 00:59:41,920

and i have also just started a new uh

1567

00:59:47,510 --> 00:59:45,520

page um for uh the chicago mossman and

1568

00:59:50,710 --> 00:59:47,520

wing humanoid sightings where we'll be

1569

00:59:53,349 --> 00:59:50,720

uh going more into more into discussion

1570

00:59:54,069 --> 00:59:53,359

you know you know from a scientific

1571

00:59:55,910 --> 00:59:54,079

point of view

1572

00:59:57,829 --> 00:59:55,920

you know physics scientific point of

1573

01:00:00,309 --> 00:59:57,839

view about the moss man

1574

01:00:01,030 --> 01:00:00,319

uh actually have a good uh question

1575

01:00:04,549 --> 01:00:01,040

right now about

1576

01:00:06,390 --> 01:00:04,559

talking about the wing size you know

1577

01:00:07,589 --> 01:00:06,400

physically scientifically possible for

1578

01:00:10,789 --> 01:00:07,599

this thing to fly

1579

01:00:12,230 --> 01:00:10,799

you know and if it if we could uh

1580

01:00:15,270 --> 01:00:12,240

what kind of a wingspan would something

1581

01:00:19,589 --> 01:00:15,280

like this need and power need to be

1582

01:00:22,549 --> 01:00:19,599

able to achieve flight um and

1583

01:00:23,589 --> 01:00:22,559

we're also on uh twitter at uh ufo

1584

01:00:26,870 --> 01:00:23,599

clearinghouse

1585

01:00:29,109 --> 01:00:26,880

and yeah okay well

1586

01:00:30,470 --> 01:00:29,119

thanks again you have a good weekend and

1587

01:00:33,829 --> 01:00:30,480

we'll be talking soon

1588

01:00:37,829 --> 01:00:35,990

now if you have an unexplained encounter

1589

01:00:40,230 --> 01:00:37,839

setting feel free to contact me through

1590

01:00:42,789 --> 01:00:40,240

the families of monsters blog site

1591

01:00:44,549 --> 01:00:42,799

uh i once again thank manuel navrat for

1592

01:00:47,190 --> 01:00:44,559

joining me this evening

1593

01:00:48,230 --> 01:00:47,200

and thanks to each and all of you for

1594

01:00:50,390 --> 01:00:48,240

watching and

1595

01:00:52,950 --> 01:00:50,400

chatting you know this chat room has

1596

01:00:54,230 --> 01:00:52,960

really evolved i mean it's getting

1597

01:00:56,390 --> 01:00:54,240

we're getting more and more people

1598

01:00:59,829 --> 01:00:56,400

coming in there please

1599

01:01:02,630 --> 01:00:59,839

tell your friends neighbors enthusiasts

1600

01:01:04,870 --> 01:01:02,640

research people to make their way over

1601

01:01:07,990 --> 01:01:04,880

here on friday nights it's

1602

01:01:10,470 --> 01:01:08,000

a lot of interesting discussion if you

1603

01:01:13,270 --> 01:01:10,480

did make a super chat donation tonight

1604

01:01:15,349 --> 01:01:13,280

it's truly appreciated your support is

1605

01:01:18,870 --> 01:01:15,359

what makes all this possible so

1606

01:01:21,670 --> 01:01:18,880

please like subscribe and share and

1607

01:01:24,870 --> 01:01:21,680

uh next week i've got kitsy duncan

1608

01:01:27,670 --> 01:01:24,880

coming back with her paranormal group

1609

01:01:28,950 --> 01:01:27,680

and that should be very interesting uh

1610

01:01:31,990 --> 01:01:28,960

she's involved with a

1611

01:01:35,430 --> 01:01:32,000

a production now uh

1612

01:01:37,430 --> 01:01:35,440

i i think it's local in the uh

1613

01:01:39,430 --> 01:01:37,440

indiana area but i don't know that for

1614

01:01:41,910 --> 01:01:39,440

exactly you know for sure but

1615

01:01:43,829 --> 01:01:41,920

i know you can find her on youtube so

1616

01:01:45,990 --> 01:01:43,839

we'll go all that when

1617

01:01:48,069 --> 01:01:46,000

when i put up the information this week

1618

01:01:51,030 --> 01:01:48,079

so until next week

1619

01:02:01,090 --> 01:01:51,040

stay healthy have a safe and enjoyable

1620

01:02:01,100 --> 01:02:13,750

[Music]

1621

01:02:13,760 --> 01:02:38,800

[Applause]
