

ARCANE RADIO 
Exploring the Unexplained 

July 2nd, 2021
@ 9PM Eastern

Your Host
Lon Strickler

With Guest
Dr. Raymond Keller

UFO historian & researcher DR. RAYMOND KELLER "COSMIC RAY" JULY 2ND

1
00:00:06,950 --> 00:00:06,150

[Music]

2
00:00:10,390 --> 00:00:06,960

the oldest

3
00:00:12,549 --> 00:00:10,400

and strongest human emotion is fear

4
00:00:13,509 --> 00:00:12,559

and the oldest and strongest type of

5
00:00:16,710 --> 00:00:13,519

fear

6
00:00:19,189 --> 00:00:16,720

is trepidation of the unknown

7
00:00:22,630 --> 00:00:19,199

when we were children our parents told

8
00:00:25,109 --> 00:00:22,640

us that monsters didn't exist

9
00:00:28,310 --> 00:00:25,119

but we were sure that something was

10
00:00:32,870 --> 00:00:28,320

lurking under the bed or in the closet

11
00:00:36,069 --> 00:00:32,880

fear sees even if our eyes are closed

12
00:00:38,150 --> 00:00:36,079

welcome to the realm of the arcane my

13
00:00:40,470 --> 00:00:38,160

name is lon stripler

14

00:00:41,590 --> 00:00:40,480

join me as i examine unexplained

15

00:00:44,310 --> 00:00:41,600

creatures

16

00:00:46,630 --> 00:00:44,320

strange manifestations of remarkable

17

00:00:49,590 --> 00:00:46,640

realities

18

00:00:52,229 --> 00:00:49,600

imagine this next hour as a voyage of

19

00:00:55,270 --> 00:00:52,239

discovery to strange lands

20

00:00:58,069 --> 00:00:55,280

seeking not for new territory but for

21

00:01:00,630 --> 00:00:58,079

new knowledge of the supernatural come

22

00:01:02,010 --> 00:01:00,640

on board as we begin this adventure

23

00:01:05,270 --> 00:01:02,020

together

24

00:01:09,590 --> 00:01:06,870

hey first good evening welcome to

25

00:01:11,429 --> 00:01:09,600

another episode of arcane radio where we

26

00:01:14,630 --> 00:01:11,439

explore the unexplained

27

00:01:16,390 --> 00:01:14,640

live on beyond explanation i'm your host

28

00:01:18,630 --> 00:01:16,400

lon stricker coming to you within a

29

00:01:21,830 --> 00:01:18,640

candid shot of historic gettysburg

30

00:01:24,390 --> 00:01:21,840

pennsylvania thanks for joining

31

00:01:25,270 --> 00:01:24,400

so before i get started as many of you

32

00:01:29,190 --> 00:01:25,280

know uh

33

00:01:32,710 --> 00:01:29,200

we we lost our dear friend uh

34

00:01:35,990 --> 00:01:32,720

mark fuller this past uh past week or so

35

00:01:37,510 --> 00:01:36,000

last thursday i think it was uh you know

36

00:01:40,950 --> 00:01:37,520

a little over a year ago

37

00:01:42,870 --> 00:01:40,960

mark introduced himself to me

38

00:01:45,190 --> 00:01:42,880

and he and his son had a proposal

39

00:01:48,069 --> 00:01:45,200

actually incorporating

40

00:01:50,630 --> 00:01:48,079

phantoms and monsters published accounts

41

00:01:52,630 --> 00:01:50,640

into narrated video

42

00:01:54,789 --> 00:01:52,640

and then after that got started a few

43

00:01:57,190 --> 00:01:54,799

months later arcane radio was also added

44

00:01:59,350 --> 00:01:57,200

to beyond explanation youtube channel

45

00:02:01,670 --> 00:01:59,360

then soon after that i made an offer to

46

00:02:04,149 --> 00:02:01,680

some of the team members and others

47

00:02:05,749 --> 00:02:04,159

uh that we'd host live talk shows that

48

00:02:07,190 --> 00:02:05,759

they were interested in starting a show

49

00:02:09,350 --> 00:02:07,200

so eventually

50

00:02:11,029 --> 00:02:09,360

and at present we're at six regular

51
00:02:14,390 --> 00:02:11,039
shows on the channel

52
00:02:17,270 --> 00:02:14,400
now mark's passing hit hard

53
00:02:20,150 --> 00:02:17,280
with his friends and associates and um

54
00:02:22,869 --> 00:02:20,160
you know mark and i talked almost daily

55
00:02:23,589 --> 00:02:22,879
his eclectic knowledge of music digital

56
00:02:27,110 --> 00:02:23,599
computing

57
00:02:29,510 --> 00:02:27,120
automobiles old paranormal radio except

58
00:02:31,350 --> 00:02:29,520
it was amazing uh mark and bill

59
00:02:34,070 --> 00:02:31,360
have put a lot of good work into

60
00:02:36,390 --> 00:02:34,080
establishing this channel so um

61
00:02:38,229 --> 00:02:36,400
i'm assured i'm sure that our faithful

62
00:02:39,910 --> 00:02:38,239
listeners will agree

63
00:02:41,750 --> 00:02:39,920

you know i only had one year's worth of

64

00:02:44,150 --> 00:02:41,760

conversation and friendship with mark

65

00:02:46,790 --> 00:02:44,160

but you know i'll never forget him so uh

66

00:02:48,470 --> 00:02:46,800

i just wanted to mention it and uh we're

67

00:02:51,589 --> 00:02:48,480

going to try to get things

68

00:02:53,030 --> 00:02:51,599

going again starting tonight so once

69

00:02:55,670 --> 00:02:53,040

again i want to ask you

70

00:02:57,430 --> 00:02:55,680

arcane radio and beyond explanation

71

00:02:59,830 --> 00:02:57,440

channel is made possible by you

72

00:03:01,190 --> 00:02:59,840

liking subscribing and sharing up

73

00:03:03,589 --> 00:03:01,200

programming

74

00:03:04,630 --> 00:03:03,599

uh super chat donations are essential

75

00:03:07,430 --> 00:03:04,640

for us to continue

76

00:03:08,949 --> 00:03:07,440

offering you our unique content your

77

00:03:11,830 --> 00:03:08,959

consideration

78

00:03:13,350 --> 00:03:11,840

is very much needed and appreciated so

79

00:03:18,229 --> 00:03:13,360

tonight

80

00:03:20,710 --> 00:03:18,239

i welcome ufo research and author

81

00:03:22,229 --> 00:03:20,720

dr raymond keller to hurricane radio now

82

00:03:24,710 --> 00:03:22,239

cosmic ray

83

00:03:26,789 --> 00:03:24,720

is a retired history professor who has

84

00:03:27,830 --> 00:03:26,799

lived and worked in 44 different

85

00:03:29,750 --> 00:03:27,840

countries

86

00:03:31,550 --> 00:03:29,760

and has been writing about ufos and

87

00:03:34,710 --> 00:03:31,560

paranormal activities since

88

00:03:36,149 --> 00:03:34,720

1967. he was the founder and director of

89

00:03:38,550 --> 00:03:36,159

the outer space

90

00:03:40,070 --> 00:03:38,560

international research and investigation

91

00:03:42,470 --> 00:03:40,080

society

92

00:03:44,949 --> 00:03:42,480

he has written several books including

93

00:03:48,149 --> 00:03:44,959

his venus rising trilogy

94

00:03:51,030 --> 00:03:48,159

with the titles venus rising a concise

95

00:03:53,190 --> 00:03:51,040

history of the second planet found final

96

00:03:54,149 --> 00:03:53,200

countdown rockets to venus and cosmic

97

00:03:57,190 --> 00:03:54,159

rays

98

00:04:00,390 --> 00:03:57,200

excellent venus adventure as as well

99

00:04:02,949 --> 00:04:00,400

ray provides regular exclusive articles

100

00:04:06,630 --> 00:04:02,959

to the phantoms and monsters blog so ray

101
00:04:11,110 --> 00:04:09,429
thank you a pleasure to be on your

102
00:04:14,470 --> 00:04:11,120
program

103
00:04:19,110 --> 00:04:14,480
and to speak with

104
00:04:23,590 --> 00:04:21,430
sir ray before we get started i know you

105
00:04:26,629 --> 00:04:23,600
have an event coming up

106
00:04:30,310 --> 00:04:26,639
in sedona arizona in in august can you

107
00:04:30,320 --> 00:04:35,030
uh yes

108
00:04:43,990 --> 00:04:38,710
at the unity of sedona

109
00:05:00,629 --> 00:04:44,000
church on 100 worth

110
00:05:04,390 --> 00:05:03,230
uh determine their eq or

111
00:05:08,950 --> 00:05:04,400
extraterrestrial

112
00:05:17,430 --> 00:05:14,230
and work through uh various uh

113
00:05:18,270 --> 00:05:17,440

characteristics of their life that point

114

00:05:21,749 --> 00:05:18,280

to

115

00:05:24,710 --> 00:05:21,759

discover

116

00:05:31,029 --> 00:05:24,720

some of their celestial points of origin

117

00:05:39,350 --> 00:05:35,270

were already expecting a packed house

118

00:05:49,189 --> 00:05:39,360

and then

119

00:05:52,230 --> 00:05:51,670

regarding the life and times of two

120

00:05:56,870 --> 00:05:52,240

prominent

121

00:05:59,990 --> 00:05:56,880

arizona women in the world of paritions

122

00:06:04,469 --> 00:06:00,000

uh dorothy martin of sedona

123

00:06:08,469 --> 00:06:04,479

uh who in her day was

124

00:06:15,110 --> 00:06:08,479

and predicted future events then

125

00:06:23,189 --> 00:06:19,670

columba and they'll be

126

00:06:25,790 --> 00:06:23,199

powerpoint uh replete with never before

127

00:06:27,270 --> 00:06:25,800

seen photographs and drawings from the

128

00:06:31,189 --> 00:06:27,280

1950s

129

00:06:33,350 --> 00:06:31,199

of flying saucers and incredible beings

130

00:06:34,710 --> 00:06:33,360

and other planets in our solar system

131

00:06:38,230 --> 00:06:34,720

and beyond

132

00:06:41,110 --> 00:06:38,240

and then it'll be time set aside for uh

133

00:06:42,390 --> 00:06:41,120

uh questions and answers that people may

134

00:06:44,710 --> 00:06:42,400

have about

135

00:06:46,469 --> 00:06:44,720

the venusians and their angel force

136

00:06:50,710 --> 00:06:46,479

operative here on the

137

00:06:54,150 --> 00:06:50,720

uh earth at this time so it will be

138

00:06:56,790 --> 00:06:54,160

well publicized the kudos newspaper

139

00:06:58,550 --> 00:06:56,800

a magazine in sedona is going to do a

140

00:07:01,510 --> 00:06:58,560

big

141

00:07:02,469 --> 00:07:01,520

uh article on it we could have some

142

00:07:06,230 --> 00:07:02,479

people from far

143

00:07:08,870 --> 00:07:06,240

and wide come coming over there

144

00:07:09,909 --> 00:07:08,880

interesting well i hope the event goes

145

00:07:11,749 --> 00:07:09,919

well for you

146

00:07:13,909 --> 00:07:11,759

uh we're kind of having some audio

147

00:07:15,510 --> 00:07:13,919

problems with you ray i i think you or

148

00:07:17,589 --> 00:07:15,520

you want a cell phone

149

00:07:22,469 --> 00:07:17,599

uh we might have to switch you to a

150

00:07:30,230 --> 00:07:26,790

oh okay i am on uh i'm on a regular

151

00:07:34,629 --> 00:07:30,240

uh just a co my comcast

152

00:07:39,909 --> 00:07:36,870

number we could try that one see if it's

153

00:07:39,919 --> 00:07:48,869

the other numbers 04

154

00:07:54,710 --> 00:07:51,909

uh two one two four seven

155

00:07:55,990 --> 00:07:54,720

three seven hey hey lon i think we might

156

00:07:58,230 --> 00:07:56,000

have it a little better now we might

157

00:08:00,230 --> 00:07:58,240

wanna stay on this one okay if it don't

158

00:08:04,469 --> 00:08:00,240

drop i'll move over to the other one

159

00:08:08,070 --> 00:08:04,479

okay okay we'll see how it goes

160

00:08:13,110 --> 00:08:08,080

so ray um couple

161

00:08:15,589 --> 00:08:13,120

a couple months ago i um contacted you

162

00:08:16,390 --> 00:08:15,599

it actually was in it was in april early

163

00:08:20,309 --> 00:08:16,400

it was april

164

00:08:24,550 --> 00:08:20,319

10th or 11th i contacted you about

165

00:08:27,830 --> 00:08:24,560

a um about a witness

166

00:08:31,430 --> 00:08:27,840

or experimenter i guess i can say in

167

00:08:34,070 --> 00:08:31,440

hartwick new york who had an encounter

168

00:08:35,110 --> 00:08:34,080

or a phone call from someone who said

169

00:08:38,630 --> 00:08:35,120

they were injured

170

00:08:41,190 --> 00:08:38,640

could you remember that conversation

171

00:08:44,070 --> 00:08:41,200

uh guess i do remember i do remember

172

00:08:47,110 --> 00:08:44,080

that conversation very well

173

00:08:47,910 --> 00:08:47,120

um what do you make of that i mean you

174

00:08:51,190 --> 00:08:47,920

know

175

00:08:55,269 --> 00:08:51,200

this person called her twice and

176

00:08:57,030 --> 00:08:55,279

the uh the the car id came up as injured

177

00:09:00,150 --> 00:08:57,040

cold that's what freaked her out

178

00:09:01,110 --> 00:09:00,160

now she didn't know what it meant but my

179

00:09:04,630 --> 00:09:01,120

investigator

180

00:09:07,269 --> 00:09:04,640

gabriel do exactly what it meant and uh

181

00:09:09,030 --> 00:09:07,279

she had just had a winged humanoid

182

00:09:12,230 --> 00:09:09,040

encounter

183

00:09:14,310 --> 00:09:12,240

just before that and uh

184

00:09:16,310 --> 00:09:14,320

the person on the other end of the phone

185

00:09:20,389 --> 00:09:16,320

told her not

186

00:09:24,630 --> 00:09:20,399

to report this what what's your thoughts

187

00:09:29,190 --> 00:09:28,070

well indrid cold of course is associated

188

00:09:33,190 --> 00:09:29,200

with the

189

00:09:36,550 --> 00:09:33,200

woody derenberger case uh woody lived in

190

00:09:39,750 --> 00:09:36,560

mineral west virginia small

191

00:09:44,150 --> 00:09:39,760

community outside of parkersburg

192

00:09:47,269 --> 00:09:44,160

and on the 2nd of november 1967

193

00:09:52,389 --> 00:09:47,279

he encountered a being

194

00:09:56,150 --> 00:09:55,670

was known as lanulos about eight light

195

00:09:59,509 --> 00:09:56,160

years

196

00:10:02,790 --> 00:09:59,519

from from the earth and then

197

00:10:06,470 --> 00:10:02,800

he had a series of contacts with

198

00:10:09,829 --> 00:10:06,480

the lanual oceans as well as uh

199

00:10:10,710 --> 00:10:09,839

venusians and other uh extraterrestrials

200

00:10:14,790 --> 00:10:10,720

over

201
00:10:17,990 --> 00:10:14,800
a period of time and um

202
00:10:20,590 --> 00:10:18,000
uh if um if

203
00:10:22,710 --> 00:10:20,600
if it was indrid cold i wouldn't be

204
00:10:26,150 --> 00:10:22,720
surprised as some

205
00:10:26,949 --> 00:10:26,160
as many of the space explorer to come to

206
00:10:31,350 --> 00:10:26,959
our world

207
00:10:35,190 --> 00:10:31,360
frequently contact others

208
00:10:39,190 --> 00:10:35,200
woody wasn't the only one and

209
00:10:42,069 --> 00:10:39,200
and uh there there are literally

210
00:10:43,110 --> 00:10:42,079
thousands if not uh tens or hundreds of

211
00:10:46,350 --> 00:10:43,120
thousands

212
00:10:47,829 --> 00:10:46,360
of people who have had contact with

213
00:10:51,030 --> 00:10:47,839

extraterrestrials

214

00:10:52,069 --> 00:10:51,040

who are beings that have identified

215

00:10:55,110 --> 00:10:52,079

themselves

216

00:10:58,310 --> 00:10:55,120

as extraterrestrials so it

217

00:11:01,829 --> 00:10:58,320

wouldn't surprise me if it if

218

00:11:05,509 --> 00:11:01,839

it was uh in indrid cold or some

219

00:11:07,670 --> 00:11:05,519

aspect of that entity um

220

00:11:09,829 --> 00:11:07,680

do you now since this happened right

221

00:11:12,949 --> 00:11:09,839

after the the experiencer

222

00:11:14,069 --> 00:11:12,959

had seen a wing humanoid or what she

223

00:11:17,509 --> 00:11:14,079

described

224

00:11:18,470 --> 00:11:17,519

well it kind of mirrored the moth man

225

00:11:21,509 --> 00:11:18,480

actually

226

00:11:24,069 --> 00:11:21,519

do you think the original injured cold

227

00:11:26,790 --> 00:11:24,079

had any association whatsoever with the

228

00:11:29,110 --> 00:11:26,800

mothman phenomena

229

00:11:30,150 --> 00:11:29,120

um yes that was going on at the same

230

00:11:33,269 --> 00:11:30,160

time

231

00:11:35,990 --> 00:11:33,279

right around then and uh

232

00:11:37,509 --> 00:11:36,000

john a kiel was in west virginia

233

00:11:40,389 --> 00:11:37,519

investigating

234

00:11:41,190 --> 00:11:40,399

um the mothman he's a famous uh

235

00:11:44,389 --> 00:11:41,200

anomalous

236

00:11:46,630 --> 00:11:44,399

researcher and um

237

00:11:48,389 --> 00:11:46,640

not only the mothman but cryptids and

238

00:11:51,990 --> 00:11:48,399

ufo entities and

239

00:11:55,590 --> 00:11:52,000

and and so forth and uh he was also

240

00:11:59,030 --> 00:11:55,600

uh working with gray barker on

241

00:12:00,389 --> 00:11:59,040

on the on the uh the indra cold case at

242

00:12:03,269 --> 00:12:00,399

the same time

243

00:12:03,990 --> 00:12:03,279

that he was uh investigating the silver

244

00:12:07,350 --> 00:12:04,000

bridge

245

00:12:11,269 --> 00:12:07,360

and the

246

00:12:14,470 --> 00:12:11,279

uh the warnings from from the mothman

247

00:12:17,990 --> 00:12:14,480

and so forth so um

248

00:12:21,430 --> 00:12:18,000

that there's a connection there and

249

00:12:25,269 --> 00:12:21,440

john a keel interestingly enough

250

00:12:28,389 --> 00:12:25,279

came to believe that a wide variety

251
00:12:32,790 --> 00:12:28,399
of of uh

252
00:12:36,069 --> 00:12:32,800
of phenomena were were interlinked

253
00:12:38,550 --> 00:12:36,079
that that ghosts

254
00:12:39,590 --> 00:12:38,560
psychic phenomena other kinds of

255
00:12:43,910 --> 00:12:39,600
apparitions

256
00:12:47,269 --> 00:12:43,920
cryptids uh extraterrestrial

257
00:12:50,949 --> 00:12:47,279
uh aliens that it all had

258
00:12:54,069 --> 00:12:50,959
some connection some obscure connection

259
00:12:54,550 --> 00:12:54,079
possibly inter-dimensionality uh even

260
00:12:57,670 --> 00:12:54,560
that

261
00:13:00,710 --> 00:12:57,680
the bigfoot in there are

262
00:13:02,150 --> 00:13:00,720
so uh yes there's there's some kind of a

263
00:13:05,030 --> 00:13:02,160

connection there

264

00:13:05,509 --> 00:13:05,040

uh to be sure and it's it's great that

265

00:13:09,670 --> 00:13:05,519

there are

266

00:13:12,710 --> 00:13:09,680

sites like phantoms and monsters and

267

00:13:15,430 --> 00:13:12,720

and um in another

268

00:13:16,949 --> 00:13:15,440

site where investigators are are

269

00:13:20,310 --> 00:13:16,959

constantly probing

270

00:13:20,550 --> 00:13:20,320

and searching for for for these answers

271

00:13:24,710 --> 00:13:20,560

i

272

00:13:27,829 --> 00:13:24,720

um

273

00:13:30,550 --> 00:13:27,839

revelation that

274

00:13:33,269 --> 00:13:30,560

that there's an acknowledgment of a

275

00:13:38,230 --> 00:13:33,279

reality and a technology

276

00:13:46,629 --> 00:13:42,470

as they now call them and

277

00:13:50,150 --> 00:13:48,790

that that acknowledgement could probably

278

00:13:52,470 --> 00:13:50,160

be extended to

279

00:13:55,110 --> 00:13:52,480

uh to this other kind of phenomena as

280

00:14:00,069 --> 00:13:57,670

uh now speaking of this ufo so-called

281

00:14:02,550 --> 00:14:00,079

ufo disclosure by the government

282

00:14:06,310 --> 00:14:02,560

what do you make about that was actually

283

00:14:07,990 --> 00:14:06,320

released do you think it was uh

284

00:14:09,910 --> 00:14:08,000

i don't know do you do you think it was

285

00:14:11,269 --> 00:14:09,920

enough information that was actually

286

00:14:14,310 --> 00:14:11,279

provided

287

00:14:17,269 --> 00:14:14,320

or uh do you think

288

00:14:17,590 --> 00:14:17,279

that they may go further or you think

289

00:14:23,910 --> 00:14:17,600

they're

290

00:14:27,590 --> 00:14:26,389

i think for the time being that's as far

291

00:14:29,829 --> 00:14:27,600

as their

292

00:14:32,550 --> 00:14:29,839

they're going to go is acknowledging

293

00:14:39,110 --> 00:14:36,069

that a real phenomena exists

294

00:14:42,389 --> 00:14:39,120

and there's some kind of technology

295

00:14:44,389 --> 00:14:42,399

behind it that they that they don't

296

00:14:47,590 --> 00:14:44,399

understand but i think that

297

00:14:52,230 --> 00:14:47,600

the explanation that it's uh

298

00:14:53,910 --> 00:14:52,240

uh russian or or chinese is pretty

299

00:14:57,110 --> 00:14:53,920

pretty weak

300

00:15:00,230 --> 00:14:57,120

uh because this type of phenomena

301
00:15:01,829 --> 00:15:00,240
as we know goes back to uh biblical

302
00:15:04,949 --> 00:15:01,839
times and even before

303
00:15:08,150 --> 00:15:04,959
you know with the zechariah stitching uh

304
00:15:11,590 --> 00:15:08,160
information and all the accounts

305
00:15:11,990 --> 00:15:11,600
bible ezeziel and the wheel within the

306
00:15:16,069 --> 00:15:12,000
wheel

307
00:15:19,910 --> 00:15:16,079
and and and the various uh

308
00:15:22,790 --> 00:15:19,920
uh hierarchies of uh angelic beans and

309
00:15:24,949 --> 00:15:22,800
and so forth so uh it's been around a

310
00:15:26,550 --> 00:15:24,959
lot longer than there's been a

311
00:15:29,910 --> 00:15:26,560
then there's been a russia or a

312
00:15:33,350 --> 00:15:29,920
communist china so

313
00:15:35,910 --> 00:15:33,360

there's definitely um

314

00:15:37,030 --> 00:15:35,920

a technology there that's far beyond

315

00:15:40,629 --> 00:15:37,040

anything that

316

00:15:43,110 --> 00:15:40,639

the russians or the chinese might have

317

00:15:44,710 --> 00:15:43,120

well you know i i think that most of us

318

00:15:46,790 --> 00:15:44,720

who have been investigating and looking

319

00:15:48,389 --> 00:15:46,800

into these phenomena for

320

00:15:50,310 --> 00:15:48,399

so many years i mean you've been doing

321

00:15:53,670 --> 00:15:50,320

this longer than i have but

322

00:15:54,949 --> 00:15:53,680

uh i i don't think we're really

323

00:15:57,990 --> 00:15:54,959

surprised

324

00:15:59,670 --> 00:15:58,000

that i was limited to what we got

325

00:16:01,189 --> 00:15:59,680

though you know we'd like to see a

326

00:16:03,670 --> 00:16:01,199

little bit more so we're gonna have to

327

00:16:08,550 --> 00:16:03,680

listen to more people complaining that

328

00:16:11,749 --> 00:16:08,560

disclosure hasn't really come yet but uh

329

00:16:12,550 --> 00:16:11,759

yeah you know i i i was it was actually

330

00:16:14,629 --> 00:16:12,560

for me it was

331

00:16:16,230 --> 00:16:14,639

much less than i even expected i thought

332

00:16:17,350 --> 00:16:16,240

we'd get a little bit more than that but

333

00:16:18,550 --> 00:16:17,360

then again

334

00:16:20,150 --> 00:16:18,560

you know it's the government they're not

335

00:16:21,590 --> 00:16:20,160

gonna say but so much they're not gonna

336

00:16:22,310 --> 00:16:21,600

come out and say there's aliens out

337

00:16:23,910 --> 00:16:22,320

there

338

00:16:25,749 --> 00:16:23,920

i just don't think that's ever gonna

339

00:16:27,189 --> 00:16:25,759

happen unless they actually have

340

00:16:29,110 --> 00:16:27,199

you know something actually happens or

341

00:16:33,430 --> 00:16:29,120

where they gotta say it

342

00:16:37,030 --> 00:16:35,749

so you know this this also kind of goes

343

00:16:39,590 --> 00:16:37,040

into

344

00:16:41,350 --> 00:16:39,600

another subject that i had mentioned to

345

00:16:45,189 --> 00:16:41,360

you a while back that

346

00:16:48,389 --> 00:16:45,199

i'd like to talk to you about and uh

347

00:16:51,509 --> 00:16:48,399

that's the valiant four

348

00:16:52,069 --> 00:16:51,519

uh incidents the can you kind of give us

349

00:16:55,110 --> 00:16:52,079

an eye

350

00:17:03,030 --> 00:16:55,120

the audience an idea who valiant

351

00:17:10,789 --> 00:17:07,590

valiant door and hit and and the account

352

00:17:14,789 --> 00:17:10,799

of thor was first written up by

353

00:17:18,390 --> 00:17:14,799

um augustine roberts in the val

354

00:17:21,829 --> 00:17:18,400

thor story and

355

00:17:26,230 --> 00:17:21,839

that original document is published

356

00:17:28,309 --> 00:17:26,240

on online and uh i uncovered that i went

357

00:17:32,070 --> 00:17:28,319

and posted it

358

00:17:36,950 --> 00:17:32,080

on yours on your site people can read

359

00:17:41,350 --> 00:17:36,960

that about an emissary from venus

360

00:17:44,830 --> 00:17:41,360

who came down and was on the earth for

361

00:17:47,830 --> 00:17:44,840

three years and

362

00:17:50,310 --> 00:17:47,840

uh visited in the

363

00:17:51,350 --> 00:17:50,320

pentagon visited with president

364

00:17:55,430 --> 00:17:51,360

eisenhower

365

00:17:55,830 --> 00:17:55,440

and then there's the thing that he had

366

00:17:59,669 --> 00:17:55,840

with

367

00:18:05,830 --> 00:18:03,350

dr frank strange's and

368

00:18:07,110 --> 00:18:05,840

i go into detail on that in my first

369

00:18:11,029 --> 00:18:07,120

book venus

370

00:18:15,190 --> 00:18:13,909

that valium thor took at a flying saucer

371

00:18:18,470 --> 00:18:15,200

club meeting

372

00:18:22,230 --> 00:18:18,480

in high bridge new jersey conducted by

373

00:18:26,830 --> 00:18:22,240

howard you'll also see photos there

374

00:18:33,510 --> 00:18:29,830

um and uh florian thor uh

375

00:18:33,990 --> 00:18:33,520

vice commander dawn uh from the victor

376

00:18:37,510 --> 00:18:34,000

one

377

00:18:41,270 --> 00:18:37,520

spaceship you'll also see uh

378

00:18:44,870 --> 00:18:41,280

photographs of their of uh others and

379

00:18:48,470 --> 00:18:44,880

two others in the crew some females

380

00:18:48,870 --> 00:18:48,480

and uh then you'll see uh others who

381

00:18:51,350 --> 00:18:48,880

were

382

00:18:52,710 --> 00:18:51,360

at the meeting including howard mender

383

00:19:01,029 --> 00:18:52,720

his

384

00:19:04,230 --> 00:19:01,039

and then uh

385

00:19:07,270 --> 00:19:04,240

to attend that day and then

386

00:19:10,250 --> 00:19:07,280

you'll see august roberts

387

00:19:12,789 --> 00:19:10,260

comments on the back of uh

388

00:19:16,230 --> 00:19:12,799

[Music]

389

00:19:19,110 --> 00:19:16,240

there's a spark and she was one of the

390

00:19:22,549 --> 00:19:19,120

flying saucer club members there

391

00:19:25,590 --> 00:19:22,559

july 1958 meeting

392

00:19:29,830 --> 00:19:25,600

and she reported seeing one of the

393

00:19:30,230 --> 00:19:29,840

uh venusians in the party jump over a 14

394

00:19:34,150 --> 00:19:30,240

foot

395

00:19:35,029 --> 00:19:34,160

fence and all that all those photos and

396

00:19:38,150 --> 00:19:35,039

more

397

00:19:41,669 --> 00:19:38,160

are are provided

398

00:19:42,230 --> 00:19:41,679

in in the link um for this yeah we have

399

00:19:45,510 --> 00:19:42,240

the link

400

00:19:48,310 --> 00:19:45,520

it's the renz.com link uh

401
00:19:49,909 --> 00:19:48,320
bill or uh eventually want to put that

402
00:19:52,390 --> 00:19:49,919
up in the chat room

403
00:19:54,630 --> 00:19:52,400
it's uh you've got all kinds of stuff in

404
00:19:57,270 --> 00:19:54,640
there i mean photos and everything

405
00:19:59,990 --> 00:19:57,280
uh you know the the story about that

406
00:20:02,950 --> 00:20:00,000
valiant thor that intrigues me is

407
00:20:04,070 --> 00:20:02,960
uh the fact that there are photographs

408
00:20:06,390 --> 00:20:04,080
and it seems like

409
00:20:09,190 --> 00:20:06,400
the uh the pentagon actually took this

410
00:20:12,070 --> 00:20:09,200
guy seriously

411
00:20:12,789 --> 00:20:12,080
oh oh yes there's a lot of evidence that

412
00:20:22,630 --> 00:20:12,799
um

413
00:20:25,990 --> 00:20:22,640

venus rising book the first one

414

00:20:27,270 --> 00:20:26,000

where he presented journalist

415

00:20:30,470 --> 00:20:27,280

credentials

416

00:20:34,070 --> 00:20:30,480

from a newspaper in south africa

417

00:20:37,669 --> 00:20:34,080

and it's very interesting because um

418

00:20:41,830 --> 00:20:37,679

i went to do further research

419

00:20:45,110 --> 00:20:41,840

on the south africa venus connection

420

00:20:49,669 --> 00:20:45,120

and raymond palmer he was

421

00:20:52,630 --> 00:20:49,679

the editor of a magazine in 1956

422

00:20:53,029 --> 00:20:52,640

the fourth uh issue fourth monthly issue

423

00:20:56,310 --> 00:20:53,039

of

424

00:20:59,830 --> 00:20:56,320

flying saucers from other worlds and he

425

00:21:07,190 --> 00:21:04,149

about elizabeth clare she was from

426

00:21:09,110 --> 00:21:07,200

south africa and she reported these

427

00:21:14,149 --> 00:21:09,120

contacts with

428

00:21:17,430 --> 00:21:14,159

didn't give her

429

00:21:21,110 --> 00:21:17,440

their name but uh she

430

00:21:24,630 --> 00:21:21,120

identified their base in the drakensberg

431

00:21:27,830 --> 00:21:24,640

range where these uh scout craft

432

00:21:28,950 --> 00:21:27,840

similar to the ones that were reported

433

00:21:32,710 --> 00:21:28,960

by

434

00:21:33,590 --> 00:21:32,720

george adamski we're going in and out of

435

00:21:38,950 --> 00:21:33,600

mountains

436

00:21:42,870 --> 00:21:38,960

range so i have that whole article

437

00:21:46,390 --> 00:21:42,880

and uh in the in the forthcoming

438

00:21:49,430 --> 00:21:46,400

uh postings

439

00:21:53,029 --> 00:21:49,440
on phantoms and monsters

440

00:21:56,310 --> 00:21:53,039
i'll have a whole uh series on

441

00:21:58,230 --> 00:21:56,320
dr frank strange's and and some of this

442

00:22:01,590 --> 00:21:58,240
information that i got from

443

00:22:03,029 --> 00:22:01,600
uh from his files about the south

444

00:22:05,669 --> 00:22:03,039
african connection

445

00:22:08,390 --> 00:22:05,679
and and then the whole life in general

446

00:22:11,350 --> 00:22:08,400
of dr frank strange's who is the

447

00:22:14,070 --> 00:22:11,360
who is the one who met valiant thor in

448

00:22:17,590 --> 00:22:17,029
interesting yeah that that whole thing

449

00:22:21,669 --> 00:22:17,600
um

450

00:22:24,870 --> 00:22:21,679
that whole story fascinated me

451
00:22:28,149 --> 00:22:24,880
um you know i i wasn't really sure

452
00:22:29,510 --> 00:22:28,159
exactly what had happened uh

453
00:22:31,669 --> 00:22:29,520
you know there's a lot of different

454
00:22:33,590 --> 00:22:31,679
information out there

455
00:22:37,590 --> 00:22:33,600
but of course you know it's since i met

456
00:22:41,110 --> 00:22:37,600
you and since i read your book it's um

457
00:22:43,830 --> 00:22:41,120
there's much more there and i i i

458
00:22:46,789 --> 00:22:43,840
recommend that book even the whole

459
00:22:49,830 --> 00:22:46,799
trilogy series to anybody is interested

460
00:22:52,870 --> 00:22:49,840
the uh the links are available

461
00:22:54,390 --> 00:22:52,880
on phantoms and monsters on the uh on

462
00:22:57,350 --> 00:22:54,400
your articles

463
00:23:00,070 --> 00:22:57,360

um currently we're running a series of

464

00:23:00,630 --> 00:23:00,080

articles about the resonant aliens which

465

00:23:02,390 --> 00:23:00,640

is

466

00:23:04,070 --> 00:23:02,400

i've been getting a lot of feedback on

467

00:23:06,230 --> 00:23:04,080

that uh

468

00:23:09,029 --> 00:23:06,240

it's very well written as all your as

469

00:23:12,470 --> 00:23:09,039

all your things are great

470

00:23:13,110 --> 00:23:12,480

it's uh thank you thank you yeah it is

471

00:23:16,950 --> 00:23:13,120

it's great

472

00:23:18,870 --> 00:23:16,960

it's a great series and um

473

00:23:20,310 --> 00:23:18,880

you know it kind of makes you you think

474

00:23:23,430 --> 00:23:20,320

actually what's been

475

00:23:27,029 --> 00:23:23,440

going on it kind of kind of

476
00:23:29,590 --> 00:23:27,039
goes hand in hand with a lot of this ufo

477
00:23:30,549 --> 00:23:29,600
disclosure because when you talk ufo i'm

478
00:23:32,630 --> 00:23:30,559
sorry but

479
00:23:35,029 --> 00:23:32,640
but some people may think but i there's

480
00:23:37,430 --> 00:23:35,039
aliens involved in that it's not just

481
00:23:38,070 --> 00:23:37,440
government other governments and u.s

482
00:23:41,909 --> 00:23:38,080
government

483
00:23:45,029 --> 00:23:41,919
involved with this so

484
00:23:46,710 --> 00:23:45,039
absolutely so uh and of course you're

485
00:23:47,990 --> 00:23:46,720
going to keep writing a lot of this

486
00:23:50,070 --> 00:23:48,000
stuff

487
00:23:53,510 --> 00:23:50,080
and and presenting it like i said i'm

488
00:23:56,470 --> 00:23:53,520

getting a lot of great feedback now

489

00:23:58,310 --> 00:23:56,480

um you had two other books that you

490

00:24:01,350 --> 00:23:58,320

recently

491

00:24:03,590 --> 00:24:01,360

uh published uh can you talk about those

492

00:24:07,190 --> 00:24:03,600

a bit

493

00:24:09,990 --> 00:24:07,200

oh yes uh the uh the next one is uh the

494

00:24:13,350 --> 00:24:10,000

vastness conspiracy

495

00:24:15,830 --> 00:24:13,360

and this looks at um the various space

496

00:24:19,750 --> 00:24:15,840

agencies around the planet

497

00:24:20,789 --> 00:24:19,760

uh particularly um the former soviet

498

00:24:23,990 --> 00:24:20,799

union and now

499

00:24:27,029 --> 00:24:24,000

the the russian federation and then

500

00:24:30,310 --> 00:24:27,039

japan with the octatsuki robe uh

501
00:24:33,350 --> 00:24:30,320
to venus um and then

502
00:24:36,710 --> 00:24:33,360
the united states with a mariner

503
00:24:41,029 --> 00:24:36,720
and magellan uh frozen

504
00:24:44,630 --> 00:24:41,039
other other space projects uh involving

505
00:24:48,310 --> 00:24:44,640
venus and then of course

506
00:24:51,350 --> 00:24:48,320
the european uh agency

507
00:24:54,549 --> 00:24:51,360
and the venus express

508
00:24:54,870 --> 00:24:54,559
and then i go behind the scenes and look

509
00:25:02,870 --> 00:24:54,880
at

510
00:25:04,950 --> 00:25:02,880
and projects a little publicized or even

511
00:25:06,250 --> 00:25:04,960
classified

512
00:25:09,430 --> 00:25:06,260
such as

513
00:25:13,029 --> 00:25:09,440

[Music]

514

00:25:14,390 --> 00:25:13,039

operation white stork which was our

515

00:25:18,870 --> 00:25:14,400

monitoring

516

00:25:22,070 --> 00:25:18,880

of the soviet union in the 1960s

517

00:25:24,470 --> 00:25:22,080

and the the published report the

518

00:25:29,750 --> 00:25:24,480

monitoring of fema

519

00:25:33,029 --> 00:25:29,760

they really found there and um

520

00:25:36,070 --> 00:25:33,039

so this is this is all right

521

00:25:39,990 --> 00:25:36,080

and uh it just puts

522

00:25:40,630 --> 00:25:40,000

them there's a lot more space and near

523

00:25:43,669 --> 00:25:40,640

space

524

00:25:47,669 --> 00:25:43,679

in our solar system um

525

00:25:49,830 --> 00:25:47,679

then then the government has been uh

526
00:25:52,990 --> 00:25:49,840
letting on and then there was project

527
00:25:57,110 --> 00:25:53,000
sign you know even going back to

528
00:26:00,630 --> 00:25:57,120
1947 the precursor to uh

529
00:26:03,110 --> 00:26:00,640
to grudge and then blue book and

530
00:26:04,549 --> 00:26:03,120
in the project sign report it said that

531
00:26:08,870 --> 00:26:04,559
they had a knowledge

532
00:26:12,630 --> 00:26:08,880
of 22 extra solar

533
00:26:15,830 --> 00:26:12,640
uh planets with intelligent life

534
00:26:18,870 --> 00:26:15,840
on it and then they also

535
00:26:22,310 --> 00:26:18,880
identified venus

536
00:26:25,430 --> 00:26:22,320
mars and saturn as possible

537
00:26:26,230 --> 00:26:25,440
sources for extraterrestrials coming to

538
00:26:29,430 --> 00:26:26,240

earth

539

00:26:32,149 --> 00:26:29,440

uh from from our own solar system

540

00:26:33,269 --> 00:26:32,159

so this kind of thing continues in the

541

00:26:36,630 --> 00:26:33,279

next book

542

00:26:39,750 --> 00:26:36,640

which is um lady columba

543

00:26:40,950 --> 00:26:39,760

venus revelations now that was columba

544

00:26:44,789 --> 00:26:40,960

krebs

545

00:26:47,990 --> 00:26:44,799

she was uh she was a theosophist

546

00:26:49,590 --> 00:26:48,000

and an artist and a social activist and

547

00:26:52,149 --> 00:26:49,600

she traveled around the world

548

00:26:53,510 --> 00:26:52,159

she she lived in india she lived in

549

00:26:56,789 --> 00:26:53,520

germany

550

00:27:00,070 --> 00:26:56,799

um and

551
00:27:02,470 --> 00:27:00,080
she was always in search of

552
00:27:04,830 --> 00:27:02,480
a profound truth and spiritual

553
00:27:07,830 --> 00:27:04,840
understanding

554
00:27:10,549 --> 00:27:07,840
but when she got back to the united

555
00:27:13,830 --> 00:27:10,559
states in the 1950s she was living

556
00:27:17,350 --> 00:27:13,840
um she moved to uh williams arizona or

557
00:27:20,149 --> 00:27:17,360
she was born in greensburg pennsylvania

558
00:27:20,950 --> 00:27:20,159
which is kind of interesting and uh

559
00:27:24,470 --> 00:27:20,960
bench yeah

560
00:27:25,990 --> 00:27:24,480
yes since our friend uh stan gordon's

561
00:27:28,950 --> 00:27:26,000
from there

562
00:27:31,110 --> 00:27:28,960
oh yes yes and i know there's a i know

563
00:27:34,470 --> 00:27:31,120

there's a ridge out there

564

00:27:38,389 --> 00:27:34,480

where uh this constant ufo activity

565

00:27:42,470 --> 00:27:40,149

which actually runs down to where you

566

00:27:47,029 --> 00:27:42,480

are down in monk down in morgantown

567

00:27:51,190 --> 00:27:47,039

actually yes yes that's right

568

00:27:54,950 --> 00:27:51,200

well um this uh this annabelle krebs

569

00:27:55,510 --> 00:27:54,960

she um uh had moved to williams arizona

570

00:27:58,870 --> 00:27:55,520

and then

571

00:28:03,430 --> 00:27:58,880

um uh from there

572

00:28:07,590 --> 00:28:03,440

she moved to um outside of joshua tree

573

00:28:09,350 --> 00:28:07,600

because she became fascinated with

574

00:28:11,110 --> 00:28:09,360

with flying saucers and with the

575

00:28:14,389 --> 00:28:11,120

contactees and

576

00:28:17,029 --> 00:28:14,399

and george van tassel's

577

00:28:18,070 --> 00:28:17,039

yearly events out at the giant rock at

578

00:28:21,350 --> 00:28:18,080

landers

579

00:28:24,470 --> 00:28:21,360

uh california the airfield there that he

580

00:28:26,389 --> 00:28:24,480

owned and operated

581

00:28:28,470 --> 00:28:26,399

george van tassel was an airplane

582

00:28:32,310 --> 00:28:28,480

mechanic from ohio

583

00:28:36,070 --> 00:28:32,320

that moved out there after world war ii

584

00:28:39,350 --> 00:28:36,080

and he bought the uh he bought the uh

585

00:28:41,590 --> 00:28:39,360

the giant rock from a prospector

586

00:28:44,230 --> 00:28:41,600

uh to turn it into an airfield and he

587

00:28:47,269 --> 00:28:44,240

built a home underneath the

588

00:28:47,590 --> 00:28:47,279

underneath the rock and this is where he

589

00:28:49,830 --> 00:28:47,600

met

590

00:28:51,029 --> 00:28:49,840

an extraterrestrial from venus named

591

00:28:53,029 --> 00:28:51,039

solganda

592

00:28:54,630 --> 00:28:53,039

who gave him the instructions to build

593

00:28:58,149 --> 00:28:54,640

the integratron

594

00:29:01,430 --> 00:28:58,159

which is a kind of uh of a time

595

00:29:04,630 --> 00:29:01,440

machine and a rejuvenation device and

596

00:29:08,310 --> 00:29:04,640

the details about that are also in

597

00:29:09,269 --> 00:29:08,320

uh in my venus books but she became good

598

00:29:11,830 --> 00:29:09,279

friends with

599

00:29:13,430 --> 00:29:11,840

george van tassel and also with another

600

00:29:16,470 --> 00:29:13,440

contact he

601
00:29:19,590 --> 00:29:16,480
uh she became closely associated with

602
00:29:22,710 --> 00:29:19,600
and became the secretary to

603
00:29:27,029 --> 00:29:22,720
and that was truman bethram

604
00:29:30,070 --> 00:29:27,039
truman bethram was a highway uh worker

605
00:29:31,110 --> 00:29:30,080
in nevada and then he moved to redondo

606
00:29:34,389 --> 00:29:31,120
beach

607
00:29:38,070 --> 00:29:34,399
after he had an encounter

608
00:29:41,029 --> 00:29:38,080
with an extraterrestrial

609
00:29:42,310 --> 00:29:41,039
from from venus who was also the

610
00:29:45,510 --> 00:29:42,320
commander

611
00:29:48,549 --> 00:29:45,520
of a moon base and

612
00:29:51,750 --> 00:29:48,559
what happened with annabelle krebs is

613
00:29:55,830 --> 00:29:51,760

she met she met

614

00:29:59,269 --> 00:29:55,840

bethurum's friends

615

00:30:02,149 --> 00:29:59,279

and she traveled with them for

616

00:30:04,789 --> 00:30:02,159

off and on for a period of four years

617

00:30:08,070 --> 00:30:04,799

and the book is about her visitation

618

00:30:12,230 --> 00:30:08,080

to the moon-based plarion on the far

619

00:30:15,669 --> 00:30:12,240

side of the moon she also visited

620

00:30:18,310 --> 00:30:15,679

venusian cities that were

621

00:30:20,389 --> 00:30:18,320

on floating islands invisible floating

622

00:30:22,950 --> 00:30:20,399

islands in the atmosphere

623

00:30:24,070 --> 00:30:22,960

here on earth and under the sea and in

624

00:30:27,430 --> 00:30:24,080

caves

625

00:30:27,909 --> 00:30:27,440

uh vast caverns uh under the earth where

626
00:30:30,870 --> 00:30:27,919
they have

627
00:30:32,389 --> 00:30:30,880
saucer bases and so forth it's very

628
00:30:35,510 --> 00:30:32,399
exciting and what

629
00:30:36,549 --> 00:30:35,520
uh what's terrific about that book is it

630
00:30:39,909 --> 00:30:36,559
it contains

631
00:30:42,870 --> 00:30:39,919
all of her original artwork uh

632
00:30:44,789 --> 00:30:42,880
and she drew this was in the this was in

633
00:30:48,789 --> 00:30:44,799
the late 1950s

634
00:30:51,990 --> 00:30:48,799
and she's drawing blue avians and

635
00:30:54,389 --> 00:30:52,000
and uh all kind of advanced incredible

636
00:30:57,590 --> 00:30:54,399
things and she describes them

637
00:30:58,389 --> 00:30:57,600
inventions and things that that we we're

638
00:31:00,870 --> 00:30:58,399

only now

639

00:31:03,590 --> 00:31:00,880

just coming around to think about but

640

00:31:05,830 --> 00:31:03,600

she actually draws these and

641

00:31:08,070 --> 00:31:05,840

draws the moon base and everything and

642

00:31:10,470 --> 00:31:08,080

she revealed information

643

00:31:12,470 --> 00:31:10,480

that was not known by the general public

644

00:31:15,509 --> 00:31:12,480

at the time

645

00:31:16,830 --> 00:31:15,519

the russians had a project the soviets

646

00:31:22,070 --> 00:31:16,840

had a project called

647

00:31:25,590 --> 00:31:22,080

e4 which was to detonate an atomic

648

00:31:26,549 --> 00:31:25,600

bomb on the moon to prove to the rest of

649

00:31:29,190 --> 00:31:26,559

the world their

650

00:31:30,950 --> 00:31:29,200

space superiority you know that they

651
00:31:33,110 --> 00:31:30,960
they figured the whole world would see

652
00:31:35,669 --> 00:31:33,120
it and

653
00:31:36,950 --> 00:31:35,679
so behind the scenes the venusians were

654
00:31:40,470 --> 00:31:36,960
working to

655
00:31:42,710 --> 00:31:40,480
you know to not make that that happen

656
00:31:44,470 --> 00:31:42,720
and then the americans had a similar

657
00:31:47,909 --> 00:31:44,480
program

658
00:31:51,909 --> 00:31:47,919
to militarize the moon it was called

659
00:31:54,070 --> 00:31:51,919
project a119 and we were also going to

660
00:31:57,269 --> 00:31:54,080
put atomic missiles

661
00:32:01,110 --> 00:31:57,279
uh on on the moon

662
00:32:03,269 --> 00:32:01,120
and um a professor from the university

663
00:32:07,269 --> 00:32:03,279

of uh

664

00:32:16,230 --> 00:32:12,950

he blew the lid on it and said that

665

00:32:19,029 --> 00:32:16,240

the united states should not militarize

666

00:32:19,990 --> 00:32:19,039

uh outer space and should not detonate

667

00:32:23,350 --> 00:32:20,000

any

668

00:32:26,470 --> 00:32:23,360

out

669

00:32:28,630 --> 00:32:26,480

if if it's inhabited or even if there's

670

00:32:31,669 --> 00:32:28,640

some kind of indigenous life there

671

00:32:34,710 --> 00:32:31,679

and now of course we know we know from

672

00:32:38,070 --> 00:32:34,720

uh nasa and in recent revelations

673

00:32:40,310 --> 00:32:38,080

yet yes there is water on the moon

674

00:32:42,870 --> 00:32:40,320

and it's not just locked up in the

675

00:32:46,549 --> 00:32:42,880

regolith and the lunar soil

676

00:32:49,190 --> 00:32:46,559

but um there there are vast lakes

677

00:32:50,070 --> 00:32:49,200

uh and on the south pole of the moon and

678

00:32:56,470 --> 00:32:50,080

on the

679

00:32:59,509 --> 00:32:56,480

iced over but

680

00:33:02,870 --> 00:32:59,519

now nasa wants to use that

681

00:33:05,190 --> 00:33:02,880

resource as as

682

00:33:05,909 --> 00:33:05,200

a possible you know conversion to

683

00:33:08,870 --> 00:33:05,919

hydrogen

684

00:33:10,789 --> 00:33:08,880

fuel or have or heavy uh you know heavy

685

00:33:13,350 --> 00:33:10,799

hydrogen or something

686

00:33:14,549 --> 00:33:13,360

for for rocket ships and and having

687

00:33:21,909 --> 00:33:14,559

bases

688

00:33:25,350 --> 00:33:21,919

but uh you know in my venus books

689

00:33:29,110 --> 00:33:25,360

i talk about uh the secret project

690

00:33:32,389 --> 00:33:29,120

that at corollitos

691

00:33:35,430 --> 00:33:32,399

new mexico corrales new mexico

692

00:33:36,389 --> 00:33:35,440

uh with dr heineck was appointed by the

693

00:33:41,590 --> 00:33:36,399

president

694

00:33:42,870 --> 00:33:41,600

program to find landing sites for the

695

00:33:46,870 --> 00:33:42,880

apollo

696

00:33:49,029 --> 00:33:46,880

mission so they were looking at the rs

697

00:33:51,430 --> 00:33:49,039

the region around the aras darkest

698

00:33:55,110 --> 00:33:51,440

crater because there were all these

699

00:33:56,950 --> 00:33:55,120

strange red pulsating lights

700

00:33:58,149 --> 00:33:56,960

um coming from there and there were

701
00:34:01,110 --> 00:33:58,159
reports of

702
00:34:02,549 --> 00:34:01,120
of objects moving across the surface of

703
00:34:04,230 --> 00:34:02,559
the moon and leaving

704
00:34:05,909 --> 00:34:04,240
tracks and everything and that's why

705
00:34:08,790 --> 00:34:05,919
they picked the

706
00:34:12,260 --> 00:34:08,800
sea of tranquility which is directly to

707
00:34:13,829 --> 00:34:12,270
the south of the ares darkest crater

708
00:34:17,190 --> 00:34:13,839
[Music]

709
00:34:18,389 --> 00:34:17,200
and so all that information and more is

710
00:34:21,829 --> 00:34:18,399
in the

711
00:34:24,389 --> 00:34:21,839
is in this venus book and um

712
00:34:25,909 --> 00:34:24,399
and it's just very exciting and and that

713
00:34:29,510 --> 00:34:25,919

that information comes

714

00:34:32,869 --> 00:34:29,520
from uh from um the files of one

715

00:34:35,589 --> 00:34:32,879
auto binder um and

716

00:34:36,629 --> 00:34:35,599
he was a ufologist he wrote five books

717

00:34:40,149 --> 00:34:36,639
about

718

00:34:41,349 --> 00:34:40,159
uh ufos and the amazing ted owens who

719

00:34:44,869 --> 00:34:41,359
who could predict

720

00:34:48,149 --> 00:34:44,879
uh natural disasters and so forth

721

00:34:52,550 --> 00:34:48,159
uh and he he was contacted by

722

00:34:55,750 --> 00:34:52,560
these um these insectoid type creatures

723

00:34:58,230 --> 00:34:55,760
be be like creatures from venus and all

724

00:35:02,230 --> 00:34:58,240
that information is also in the

725

00:35:04,550 --> 00:35:02,240
uh is in the book and um

726

00:35:05,589 --> 00:35:04,560

he was uh otto bender was also the

727

00:35:08,470 --> 00:35:05,599

creator of

728

00:35:10,390 --> 00:35:08,480

over 200 comic book and science fiction

729

00:35:13,030 --> 00:35:10,400

characters including

730

00:35:15,349 --> 00:35:13,040

uh supergirl and a lot of the the

731

00:35:16,710 --> 00:35:15,359

characters that he created and wrote

732

00:35:21,510 --> 00:35:16,720

about

733

00:35:23,589 --> 00:35:21,520

um were inspired by actual ufo cases so

734

00:35:24,790 --> 00:35:23,599

he worked on a book that was never

735

00:35:28,829 --> 00:35:24,800

published

736

00:35:31,109 --> 00:35:28,839

with august c roberts the famous

737

00:35:34,790 --> 00:35:31,119

ufo photo uh

738

00:35:36,550 --> 00:35:34,800

photograph chronicler and um

739

00:35:37,829 --> 00:35:36,560

i have all those documents and

740

00:35:41,109 --> 00:35:37,839

everything in

741

00:35:42,310 --> 00:35:41,119

in my file including all all the comic

742

00:35:45,990 --> 00:35:42,320

books that he did

743

00:35:49,190 --> 00:35:46,000

for uh the supergirl series so

744

00:35:52,150 --> 00:35:49,200

i mean it's all it's all uh linked

745

00:35:53,910 --> 00:35:52,160

together it's all pretty amazing

746

00:35:55,910 --> 00:35:53,920

um we're gonna quit we got a question

747

00:35:59,270 --> 00:35:55,920

from vincent um

748

00:36:02,470 --> 00:35:59,280

i wanted to you to uh

749

00:36:03,349 --> 00:36:02,480

kind of tell us what you believe is on

750

00:36:05,990 --> 00:36:03,359

venus or

751
00:36:07,190 --> 00:36:06,000
any type of civilization that's there

752
00:36:10,790 --> 00:36:07,200
and how the makeup

753
00:36:12,950 --> 00:36:10,800
is for those who don't know oh yes

754
00:36:14,790 --> 00:36:12,960
um that's a good uh that's a good

755
00:36:18,230 --> 00:36:14,800
question vincent

756
00:36:20,630 --> 00:36:18,240
um well the civilization is largely

757
00:36:22,550 --> 00:36:20,640
underground there are a few structures

758
00:36:25,109 --> 00:36:22,560
on the surface

759
00:36:26,710 --> 00:36:25,119
um that that can be seen and some of

760
00:36:30,550 --> 00:36:26,720
them have been

761
00:36:36,470 --> 00:36:30,560
photographed as well

762
00:36:39,990 --> 00:36:36,480
and there's one particular photograph

763
00:36:41,349 --> 00:36:40,000

that they kind of looked like the lines

764

00:36:44,550 --> 00:36:41,359

at cusco

765

00:36:45,750 --> 00:36:44,560

in per in peru i've seen that that

766

00:36:48,870 --> 00:36:45,760

photograph

767

00:36:52,069 --> 00:36:48,880

and there's one with a big h-block

768

00:36:55,430 --> 00:36:52,079

type structure and there's

769

00:36:56,950 --> 00:36:55,440

a communications facilities and arrays

770

00:36:59,829 --> 00:36:56,960

but most of the

771

00:37:00,950 --> 00:36:59,839

uh most of the life is uh underground

772

00:37:05,510 --> 00:37:00,960

because

773

00:37:09,030 --> 00:37:05,520

uh millennia ago uh venus was bombarded

774

00:37:11,510 --> 00:37:09,040

um by uh

775

00:37:13,270 --> 00:37:11,520

in a in a cosmic storm in a cosmic

776
00:37:17,109 --> 00:37:13,280
meteor storm

777
00:37:21,030 --> 00:37:17,119
and uh it uh it slowed the orbit

778
00:37:24,390 --> 00:37:21,040
significantly and um

779
00:37:28,150 --> 00:37:24,400
there are aquifers and these

780
00:37:31,990 --> 00:37:28,160
large type of there's these large towers

781
00:37:35,750 --> 00:37:32,000
that are tiered um that uh

782
00:37:38,390 --> 00:37:35,760
that pump the water and then the water

783
00:37:38,790 --> 00:37:38,400
you know kind of slides down and in in

784
00:37:42,069 --> 00:37:38,800
these

785
00:37:45,190 --> 00:37:42,079
tiers uh where they have

786
00:37:48,230 --> 00:37:45,200
you know hydroponic gardens and uh

787
00:37:51,670 --> 00:37:48,240
and so forth so they're self-sufficient

788
00:37:55,270 --> 00:37:51,680

and um a lot of the information

789

00:37:55,990 --> 00:37:55,280

uh about venus was uh originally leaked

790

00:37:59,030 --> 00:37:56,000

by dr

791

00:38:02,390 --> 00:37:59,040

frank strange's uh

792

00:38:04,550 --> 00:38:02,400

from his from his interviews and his

793

00:38:07,990 --> 00:38:04,560

inner circle meetings

794

00:38:13,190 --> 00:38:08,000

uh with uh valiant thor and um

795

00:38:13,200 --> 00:38:16,310

um

796

00:38:22,390 --> 00:38:19,670

what are your thoughts on

797

00:38:24,230 --> 00:38:22,400

i i'd say not just venus but alien

798

00:38:28,230 --> 00:38:24,240

hierarchy

799

00:38:30,630 --> 00:38:28,240

and uh you know what kind of agenda do

800

00:38:33,990 --> 00:38:30,640

they have as far as uh

801
00:38:37,109 --> 00:38:34,000
not only for us or for

802
00:38:39,270 --> 00:38:37,119
for other possible civilizations in the

803
00:38:41,910 --> 00:38:39,280
universe

804
00:38:42,950 --> 00:38:41,920
well there there is uh there there is a

805
00:38:45,990 --> 00:38:42,960
hierarchy

806
00:38:49,030 --> 00:38:46,000
of uh of light we could we could call it

807
00:38:51,190 --> 00:38:49,040
that right and um because

808
00:38:53,349 --> 00:38:51,200
because the earth is the closest

809
00:38:55,750 --> 00:38:53,359
planetary neighbor

810
00:38:58,230 --> 00:38:55,760
uh to venus there's been a constant

811
00:39:01,349 --> 00:38:58,240
interaction going back through

812
00:39:05,349 --> 00:39:01,359
uh back through through history and

813
00:39:09,349 --> 00:39:05,359

um if we look at uh various accounts

814

00:39:12,870 --> 00:39:09,359

and legends in uh in world religions

815

00:39:14,069 --> 00:39:12,880

and mythology uh we can detect the

816

00:39:18,390 --> 00:39:14,079

presence of

817

00:39:21,670 --> 00:39:18,400

venusians and even outright

818

00:39:23,589 --> 00:39:21,680

individuals claiming to have gone to

819

00:39:27,190 --> 00:39:23,599

venus for example

820

00:39:30,870 --> 00:39:27,200

in the in the bible paul talks about

821

00:39:34,230 --> 00:39:30,880

going to the um up into the third heaven

822

00:39:37,190 --> 00:39:34,240

into the third sphere what what

823

00:39:37,670 --> 00:39:37,200

so a lot of people don't realize that

824

00:39:40,069 --> 00:39:37,680

that

825

00:39:41,030 --> 00:39:40,079

and he said i went to the third sphere

826

00:39:43,510 --> 00:39:41,040

of heaven

827

00:39:46,710 --> 00:39:43,520

but i didn't know i couldn't tell if i

828

00:39:49,109 --> 00:39:46,720

was in my body or out of my body

829

00:39:50,470 --> 00:39:49,119

the same thing that george adamski wrote

830

00:39:54,069 --> 00:39:50,480

about

831

00:39:56,870 --> 00:39:54,079

planets he

832

00:39:58,550 --> 00:39:56,880

he didn't know whether he was in in or

833

00:40:01,349 --> 00:39:58,560

out of uh

834

00:40:02,310 --> 00:40:01,359

body because it's it's just borders on

835

00:40:06,069 --> 00:40:02,320

the

836

00:40:07,349 --> 00:40:06,079

type of mystical um experience but when

837

00:40:10,790 --> 00:40:07,359

we look at the

838

00:40:14,230 --> 00:40:10,800

at the how the the pre-copernican world

839

00:40:17,430 --> 00:40:14,240

looked at the solar system

840

00:40:20,950 --> 00:40:17,440

you know we didn't know back then that

841

00:40:23,589 --> 00:40:20,960

all the planets went around the sun

842

00:40:26,069 --> 00:40:23,599

so that so the objects in the heavens

843

00:40:29,109 --> 00:40:26,079

were gauged by their luminosity

844

00:40:30,150 --> 00:40:29,119

or their brightness and so the sun would

845

00:40:33,190 --> 00:40:30,160

be

846

00:40:35,990 --> 00:40:33,200

sphere

847

00:40:36,790 --> 00:40:36,000

or the first orb the moon would be the

848

00:40:38,630 --> 00:40:36,800

second

849

00:40:42,470 --> 00:40:38,640

and then venus would be the third

850

00:40:45,349 --> 00:40:42,480

because it's the third brightest object

851

00:40:46,950 --> 00:40:45,359

in the sky so and we see lots of other

852

00:40:50,150 --> 00:40:46,960

references in the bible

853

00:40:53,589 --> 00:40:50,160

to the the planet venus the bride jesus

854

00:40:56,950 --> 00:40:53,599

identifies in in

855

00:41:01,829 --> 00:40:56,960

revelation chapter 22 as being from

856

00:41:09,910 --> 00:41:06,150

and and uh of course peter says uh

857

00:41:12,390 --> 00:41:09,920

in second peter to let uh

858

00:41:13,190 --> 00:41:12,400

let the morning star rise in your in

859

00:41:16,309 --> 00:41:13,200

your hearts

860

00:41:19,670 --> 00:41:16,319

and uh there's many many references to

861

00:41:22,790 --> 00:41:19,680

um the the morning star

862

00:41:25,510 --> 00:41:22,800

and um then we see

863

00:41:26,630 --> 00:41:25,520

you know emmanuel swedenborg um

864

00:41:28,870 --> 00:41:26,640

describes

865

00:41:29,910 --> 00:41:28,880

a journey to the planet venus and he

866

00:41:32,870 --> 00:41:29,920

describes

867

00:41:35,589 --> 00:41:32,880

the hierarchy of angels and then that

868

00:41:37,349 --> 00:41:35,599

there's a a kind of apprenticeship going

869

00:41:41,109 --> 00:41:37,359

on where people from

870

00:41:45,670 --> 00:41:41,119

other worlds are incarnating uh

871

00:41:48,470 --> 00:41:45,680

there after uh after a long struggles

872

00:41:50,230 --> 00:41:48,480

on other planets where they can advance

873

00:41:58,230 --> 00:41:50,240

into a higher

874

00:42:01,829 --> 00:41:58,240

and rumi writes about it and about the

875

00:42:03,030 --> 00:42:01,839

the uh the venusians coming to earth

876

00:42:06,710 --> 00:42:03,040

that there's like four

877

00:42:08,069 --> 00:42:06,720

thousand four thousand of them on earth

878

00:42:11,750 --> 00:42:08,079

at any one time

879

00:42:15,030 --> 00:42:11,760

and uh and uh so we see that this

880

00:42:18,710 --> 00:42:15,040

is a a big connection there between uh

881

00:42:21,030 --> 00:42:18,720

our history and the planet venus and all

882

00:42:24,630 --> 00:42:21,040

the different civilizations

883

00:42:28,630 --> 00:42:24,640

um the uh the mayan calendar

884

00:42:30,550 --> 00:42:28,640

is based on the revolutions of the

885

00:42:34,150 --> 00:42:30,560

planet venus

886

00:42:37,349 --> 00:42:34,160

and uh just the

887

00:42:41,109 --> 00:42:37,359

uh all the other ancient civilizations

888

00:42:46,550 --> 00:42:41,119

they all have um you know they all

889

00:42:50,309 --> 00:42:48,870

it has a kind of feminine quality and

890

00:42:53,990 --> 00:42:50,319

the reason for that like

891

00:42:57,990 --> 00:42:54,000

with the inanna the bee goddess uh

892

00:43:01,349 --> 00:42:58,000

in samaria and uh

893

00:43:03,910 --> 00:43:01,359

astarte and uh aphrodite and

894

00:43:06,550 --> 00:43:03,920

and so forth but the reason for that the

895

00:43:08,790 --> 00:43:06,560

reason for that is because our ancestors

896

00:43:12,150 --> 00:43:08,800

no matter where they were from

897

00:43:15,349 --> 00:43:12,160

on the world in the world

898

00:43:18,230 --> 00:43:15,359

they would see venus in the sky

899

00:43:19,349 --> 00:43:18,240

as you know as not a thick star but a

900

00:43:23,510 --> 00:43:19,359

wandering

901
00:43:24,069 --> 00:43:23,520
star you know thus identifying it as a

902
00:43:26,230 --> 00:43:24,079
planet

903
00:43:27,109 --> 00:43:26,240
and because it is so close sometimes you

904
00:43:30,470 --> 00:43:27,119
could even

905
00:43:33,670 --> 00:43:30,480
make it out as a as an ore but what made

906
00:43:34,230 --> 00:43:33,680
venus different was that it's followed

907
00:43:38,470 --> 00:43:34,240
by

908
00:43:41,430 --> 00:43:38,480
uh almost like a cometary tail

909
00:43:43,190 --> 00:43:41,440
and this is the interaction of the solar

910
00:43:46,309 --> 00:43:43,200
wind with the

911
00:43:47,589 --> 00:43:46,319
uh with the the atmosphere of venus at

912
00:43:50,390 --> 00:43:47,599
its polar

913
00:43:51,190 --> 00:43:50,400

at its north polar region and so it

914

00:43:55,589 --> 00:43:51,200

leaves this

915

00:44:00,309 --> 00:43:55,599

uh trail uh of ionized gases

916

00:44:02,630 --> 00:44:00,319

it's about five five million kilometers

917

00:44:03,589 --> 00:44:02,640

long so when venus is in the closest

918

00:44:06,309 --> 00:44:03,599

approach

919

00:44:07,349 --> 00:44:06,319

it looks like it has these these golden

920

00:44:10,390 --> 00:44:07,359

tresses

921

00:44:12,710 --> 00:44:10,400

and so our ancestors said oh

922

00:44:14,550 --> 00:44:12,720

that that must be the goddess that's the

923

00:44:16,870 --> 00:44:14,560

great goddess

924

00:44:18,150 --> 00:44:16,880

so this is that yeah this is this this

925

00:44:21,190 --> 00:44:18,160

is how

926

00:44:24,710 --> 00:44:21,200

venus became the the

927

00:44:25,750 --> 00:44:24,720

the the sole planet uh of of a female

928

00:44:29,510 --> 00:44:25,760

persuasion

929

00:44:32,550 --> 00:44:29,520

except for the earth mother gaia right

930

00:44:32,950 --> 00:44:32,560

um you wrote an article a while back

931

00:44:35,750 --> 00:44:32,960

that

932

00:44:36,630 --> 00:44:35,760

was published in um in phantoms of

933

00:44:40,230 --> 00:44:36,640

monsters

934

00:44:42,309 --> 00:44:40,240

series about ufo propulsion

935

00:44:44,309 --> 00:44:42,319

now what are your thoughts on propulsion

936

00:44:48,230 --> 00:44:44,319

what do you think is

937

00:44:52,230 --> 00:44:48,240

possibly the the overriding answer

938

00:44:56,309 --> 00:44:52,240

or the the most sensible answer as to

939

00:44:59,349 --> 00:44:58,710

i do believe it's an electromagnetic

940

00:45:02,470 --> 00:44:59,359

type of

941

00:45:05,910 --> 00:45:02,480

uh propulsion system

942

00:45:09,510 --> 00:45:05,920

and of course that article um

943

00:45:12,309 --> 00:45:09,520

is really un unparalleled because

944

00:45:13,510 --> 00:45:12,319

um i give you the names of all the

945

00:45:15,670 --> 00:45:13,520

scientists

946

00:45:17,109 --> 00:45:15,680

the the corporations that they were

947

00:45:20,230 --> 00:45:17,119

working with actual

948

00:45:23,670 --> 00:45:20,240

photographs of them handling

949

00:45:27,589 --> 00:45:23,680

equipment and giving interviews

950

00:45:30,710 --> 00:45:27,599

to to major newspapers and

951

00:45:33,430 --> 00:45:30,720

detailing around the edges

952

00:45:33,990 --> 00:45:33,440

the existence of the united states

953

00:45:37,910 --> 00:45:34,000

government

954

00:45:40,390 --> 00:45:37,920

sponsoring an anti-gravity research

955

00:45:42,630 --> 00:45:40,400

uh program even von braun and these

956

00:45:45,910 --> 00:45:42,640

other scientists that were

957

00:45:48,150 --> 00:45:45,920

that were rocketeers were saying that

958

00:45:49,910 --> 00:45:48,160

that they had to find something more

959

00:45:54,230 --> 00:45:49,920

economical because it

960

00:45:58,230 --> 00:45:54,240

it cost a fortune literally a fortune

961

00:46:01,589 --> 00:45:58,240

like a quarter of the defense budget

962

00:46:04,630 --> 00:46:01,599

uh you know to just build one uh

963

00:46:05,349 --> 00:46:04,640

one rocket and the amount of fuel and

964

00:46:08,270 --> 00:46:05,359

everything is

965

00:46:10,470 --> 00:46:08,280

totally impractical for for

966

00:46:12,550 --> 00:46:10,480

interplanetary travel

967

00:46:13,510 --> 00:46:12,560

and so all these scientists were working

968

00:46:17,030 --> 00:46:13,520

on these pro

969

00:46:19,910 --> 00:46:17,040

these programs and uh

970

00:46:20,230 --> 00:46:19,920

if and and so it took a lot of time to

971

00:46:23,510 --> 00:46:20,240

go

972

00:46:26,470 --> 00:46:23,520

find all of the you know all the hints

973

00:46:27,190 --> 00:46:26,480

and all the clues and popular mechanics

974

00:46:32,069 --> 00:46:27,200

and

975

00:46:34,630 --> 00:46:32,079

regional newspapers

976
00:46:36,630 --> 00:46:34,640
where these uh you know corporations

977
00:46:39,670 --> 00:46:36,640
martin marietta and

978
00:46:41,990 --> 00:46:39,680
these uh other corporations were located

979
00:46:44,230 --> 00:46:42,000
that were contracting with german

980
00:46:47,109 --> 00:46:44,240
scientists and other scientists

981
00:46:50,150 --> 00:46:47,119
in america and from around the world and

982
00:46:53,510 --> 00:46:50,160
the gravity research

983
00:47:02,390 --> 00:46:58,150
in new boston um new hampshire

984
00:47:04,630 --> 00:47:02,400
and so forth to you know to put that

985
00:47:06,630 --> 00:47:04,640
to put that all together and it's

986
00:47:09,589 --> 00:47:06,640
detailed information

987
00:47:10,710 --> 00:47:09,599
but this was the very beginning if you

988
00:47:13,750 --> 00:47:10,720

read that

989

00:47:15,670 --> 00:47:13,760

the readers take the time to go over

990

00:47:17,349 --> 00:47:15,680

those and check out everything

991

00:47:21,030 --> 00:47:17,359

you know check out everything and all

992

00:47:24,390 --> 00:47:21,040

the all the references that i put there

993

00:47:29,030 --> 00:47:24,400

uh you'll see that if um

994

00:47:33,670 --> 00:47:29,040

if we do have stuff like a tic tac

995

00:47:36,230 --> 00:47:33,680

or ourself that can do those kind of

996

00:47:38,630 --> 00:47:36,240

operate at those speeds and make those

997

00:47:42,030 --> 00:47:38,640

kind of maneuvers

998

00:47:44,549 --> 00:47:42,040

it's an anti-grav it's an anti-gravity

999

00:47:47,589 --> 00:47:44,559

electromagnetic propulsion

1000

00:47:50,829 --> 00:47:47,599

system and the origins of it uh

1001

00:47:53,829 --> 00:47:50,839

were from 1955.

1002

00:47:56,309 --> 00:47:53,839

yeah it was a good article really

1003

00:47:57,990 --> 00:47:56,319

excellent article uh i got a lot of good

1004

00:48:00,390 --> 00:47:58,000

comments about it

1005

00:48:01,270 --> 00:48:00,400

um there was a lot of actually there's a

1006

00:48:03,349 --> 00:48:01,280

lot of things

1007

00:48:05,670 --> 00:48:03,359

in there that a lot of people never even

1008

00:48:08,710 --> 00:48:05,680

thought about so those listening tonight

1009

00:48:09,750 --> 00:48:08,720

you should go back if you search um ufo

1010

00:48:12,790 --> 00:48:09,760

propulsion

1011

00:48:16,150 --> 00:48:12,800

and our dr raymond keller

1012

00:48:18,309 --> 00:48:16,160

uh you'll find it uh ray's provided a

1013

00:48:22,309 --> 00:48:18,319

lot of very interesting articles

1014

00:48:27,670 --> 00:48:22,319

that we have posted um

1015

00:48:35,589 --> 00:48:31,510

obtained technology from

1016

00:48:39,270 --> 00:48:35,599

visitors to our planet

1017

00:48:42,309 --> 00:48:39,280

i guess i i i do i think we do

1018

00:48:45,109 --> 00:48:42,319

we do have it um

1019

00:48:46,549 --> 00:48:45,119

i used to live in uh in hillmark

1020

00:48:49,030 --> 00:48:46,559

california

1021

00:48:51,589 --> 00:48:49,040

when i was the director of osiris and

1022

00:48:54,630 --> 00:48:51,599

published the new millennial star

1023

00:48:55,109 --> 00:48:54,640

and um i would take groups that would

1024

00:48:58,230 --> 00:48:55,119

come

1025

00:49:03,190 --> 00:48:58,240

to um that wanted to go

1026

00:49:06,630 --> 00:49:03,200

on what i call the ufo tour

1027

00:49:08,950 --> 00:49:06,640

so we we we go up to mount shasta we go

1028

00:49:12,309 --> 00:49:08,960

out to uh

1029

00:49:14,390 --> 00:49:12,319

you know pass livermore labs and so

1030

00:49:19,270 --> 00:49:14,400

forth and

1031

00:49:23,510 --> 00:49:19,280

uh we go out to uh um to to area 51 even

1032

00:49:26,390 --> 00:49:23,520

and then and then i own some land out at

1033

00:49:28,549 --> 00:49:26,400

a place called daedal new mexico and

1034

00:49:30,390 --> 00:49:28,559

it's right outside the very large

1035

00:49:32,870 --> 00:49:30,400

array where they have the high

1036

00:49:36,870 --> 00:49:32,880

resolution microwave survey

1037

00:49:39,990 --> 00:49:36,880

right so my land

1038

00:49:41,990 --> 00:49:40,000

my land is on top of horse mountain and

1039

00:49:43,030 --> 00:49:42,000

you could look down into the valley

1040

00:49:46,549 --> 00:49:43,040

there

1041

00:49:49,670 --> 00:49:46,559

and see the very uh very large array

1042

00:49:53,430 --> 00:49:49,680

and in that movie contact you know

1043

00:49:56,390 --> 00:49:53,440

foster exactly what i was thinking about

1044

00:49:58,230 --> 00:49:56,400

at the at the end of that movie she's

1045

00:50:00,470 --> 00:49:58,240

sitting there

1046

00:50:02,710 --> 00:50:00,480

where they have all the radio telescopes

1047

00:50:05,670 --> 00:50:02,720

on the railroad tracks

1048

00:50:07,430 --> 00:50:05,680

she's sitting there typing um typing

1049

00:50:09,510 --> 00:50:07,440

some kind of code in for

1050

00:50:11,109 --> 00:50:09,520

the radio telescope and you could see

1051
00:50:14,549 --> 00:50:11,119
horse mountain

1052
00:50:15,270 --> 00:50:14,559
uh in the in in the distance but anyway

1053
00:50:18,069 --> 00:50:15,280
i had two

1054
00:50:18,710 --> 00:50:18,079
experiences that convinced me that

1055
00:50:22,549 --> 00:50:18,720
there's

1056
00:50:26,630 --> 00:50:22,559
because

1057
00:50:29,829 --> 00:50:26,640
one i went to um i went to uh

1058
00:50:30,230 --> 00:50:29,839
the um uh with uh with a friend out

1059
00:50:33,589 --> 00:50:30,240
there

1060
00:50:36,870 --> 00:50:33,599
to deliver more labs

1061
00:50:40,150 --> 00:50:36,880
and while i was there

1062
00:50:44,470 --> 00:50:40,160
uh it was uh

1063
00:50:47,589 --> 00:50:44,480

uh we were right up against the fence

1064

00:50:50,150 --> 00:50:47,599

and uh we were gonna take a picture

1065

00:50:50,950 --> 00:50:50,160

of the we were gonna take a picture of

1066

00:50:54,549 --> 00:50:50,960

the

1067

00:50:57,670 --> 00:50:54,559

array on top of this um is some kind of

1068

00:51:00,710 --> 00:50:57,680

laser array or something on top of this

1069

00:51:01,670 --> 00:51:00,720

building and then a car um come a van

1070

00:51:06,390 --> 00:51:01,680

came out and

1071

00:51:09,510 --> 00:51:06,400

like a potato chip uh thing

1072

00:51:11,750 --> 00:51:09,520

yeah yeah yeah they took the field they

1073

00:51:12,390 --> 00:51:11,760

took the film away from our exposed

1074

00:51:16,230 --> 00:51:12,400

stick

1075

00:51:19,430 --> 00:51:16,240

is that right yeah and then another time

1076

00:51:23,349 --> 00:51:19,440

we went to the um this was before they

1077

00:51:24,549 --> 00:51:23,359

extended the borders of area 51 but we

1078

00:51:27,349 --> 00:51:24,559

went to the

1079

00:51:29,109 --> 00:51:27,359

what was the black mailbox it was not

1080

00:51:31,430 --> 00:51:29,119

too far from this place called the

1081

00:51:33,510 --> 00:51:31,440

little alien

1082

00:51:35,030 --> 00:51:33,520

uh which is owned by somebody named

1083

00:51:37,670 --> 00:51:35,040

keller too that's

1084

00:51:39,270 --> 00:51:37,680

kind of interesting but we went there to

1085

00:51:43,349 --> 00:51:39,280

the black mailbox and

1086

00:51:46,630 --> 00:51:45,910

saw this long road going down there so

1087

00:51:53,190 --> 00:51:46,640

we

1088

00:51:54,309 --> 00:51:53,200

it it ends at a fence there's a fence

1089

00:51:59,589 --> 00:51:54,319

line and it says

1090

00:52:03,190 --> 00:51:59,599

uh you know u.s government property

1091

00:52:07,430 --> 00:52:03,200

authorized entry only use of force

1092

00:52:10,230 --> 00:52:07,440

authorized you know to uh

1093

00:52:11,670 --> 00:52:10,240

so it's a it's really something that's

1094

00:52:14,309 --> 00:52:11,680

going on there

1095

00:52:16,150 --> 00:52:14,319

and people have been up on that freedom

1096

00:52:19,750 --> 00:52:16,160

ridge and looked down

1097

00:52:20,069 --> 00:52:19,760

in there and saw um you know saw a lot

1098

00:52:23,349 --> 00:52:20,079

of

1099

00:52:23,990 --> 00:52:23,359

uh stuff and the people that live around

1100

00:52:26,390 --> 00:52:24,000

there

1101
00:52:27,349 --> 00:52:26,400
rachel nevada and that they they always

1102
00:52:31,349 --> 00:52:27,359
see

1103
00:52:35,190 --> 00:52:31,359
uh

1104
00:52:38,470 --> 00:52:35,200
all kind of spacecraft so i wouldn't be

1105
00:52:40,950 --> 00:52:38,480
surprised if um it it is alien

1106
00:52:43,910 --> 00:52:40,960
technology

1107
00:52:45,750 --> 00:52:43,920
yeah i i kind of believe it is i mean we

1108
00:52:49,510 --> 00:52:45,760
have made so many advanced

1109
00:52:52,069 --> 00:52:49,520
you know i i also think

1110
00:52:52,710 --> 00:52:52,079
humans have the intellect to come up

1111
00:52:55,430 --> 00:52:52,720
with some of

1112
00:52:57,990 --> 00:52:55,440
this stuff but not all of it i mean our

1113
00:53:01,270 --> 00:52:58,000

technology has advanced so quickly

1114

00:53:03,109 --> 00:53:01,280

since the 50s it's it's just make your

1115

00:53:06,470 --> 00:53:03,119

head spin actually

1116

00:53:10,230 --> 00:53:06,480

so uh you know it's amazing and

1117

00:53:13,430 --> 00:53:10,240

i have a friend in in cleveland uh his

1118

00:53:17,589 --> 00:53:13,440

alias is peter core but he wrote

1119

00:53:21,510 --> 00:53:17,599

from the 1950s from the early 1950s with

1120

00:53:28,390 --> 00:53:24,710

flying saucers and amazing stories and

1121

00:53:30,309 --> 00:53:28,400

and so forth and he was a friend of

1122

00:53:32,630 --> 00:53:30,319

george hunt williamson and george

1123

00:53:33,750 --> 00:53:32,640

adamski and was responsible for bringing

1124

00:53:36,950 --> 00:53:33,760

them together

1125

00:53:40,710 --> 00:53:39,349

meeting in cleveland when they first met

1126
00:53:44,790 --> 00:53:40,720
each other

1127
00:53:48,710 --> 00:53:44,800
adamski and williamson but he was also

1128
00:53:50,150 --> 00:53:48,720
a scientist a atomic physicist that

1129
00:53:54,790 --> 00:53:50,160
worked at

1130
00:53:57,190 --> 00:53:54,800
at the at the livermore

1131
00:53:58,470 --> 00:53:57,200
livermore labs and other government

1132
00:54:01,270 --> 00:53:58,480
things and he's

1133
00:54:02,390 --> 00:54:01,280
convinced that uh that the flying

1134
00:54:06,790 --> 00:54:02,400
saucers are

1135
00:54:08,230 --> 00:54:06,800
are real and interplanetary um

1136
00:54:11,270 --> 00:54:08,240
yeah that's another thing i wanted to

1137
00:54:16,069 --> 00:54:11,280
ask you about about the travel

1138
00:54:19,910 --> 00:54:16,079

um i i personally do not believe

1139

00:54:22,150 --> 00:54:19,920

that it's all intergalactic

1140

00:54:23,270 --> 00:54:22,160

travel i think a lot of it has to do

1141

00:54:26,950 --> 00:54:23,280

with uh

1142

00:54:30,549 --> 00:54:26,960

either wormholes or other type of

1143

00:54:32,069 --> 00:54:30,559

means like that what do you think uh yes

1144

00:54:34,390 --> 00:54:32,079

i think for the

1145

00:54:35,270 --> 00:54:34,400

for the spacecraft that are coming in

1146

00:54:41,430 --> 00:54:35,280

from

1147

00:54:44,150 --> 00:54:41,440

the case and ro

1148

00:54:45,030 --> 00:54:44,160

recently the director of the space

1149

00:54:50,630 --> 00:54:45,040

program

1150

00:54:54,309 --> 00:54:50,640

in israel had had confirmed what

1151

00:54:57,829 --> 00:54:54,319

what the uh uh with paul hellyer the for

1152

00:55:00,470 --> 00:54:57,839

uh former defense minister in canada

1153

00:55:05,030 --> 00:55:00,480

under the pearson administration and

1154

00:55:08,230 --> 00:55:05,040

from 1962 to 64. he was

1155

00:55:09,589 --> 00:55:08,240

in the defense minister there and wilbur

1156

00:55:13,349 --> 00:55:09,599

smith was the

1157

00:55:14,870 --> 00:55:13,359

transportation work for the department

1158

00:55:18,710 --> 00:55:14,880

of transportation

1159

00:55:21,750 --> 00:55:18,720

radio engineer and the project magnet

1160

00:55:25,109 --> 00:55:21,760

and all these foreign scientists and

1161

00:55:27,390 --> 00:55:25,119

experts they've all said that

1162

00:55:29,109 --> 00:55:27,400

yes there is an interplanetary

1163

00:55:32,230 --> 00:55:29,119

confederation

1164

00:55:36,950 --> 00:55:32,240

and um george van tassel

1165

00:55:40,150 --> 00:55:36,960

uh during the uh proceedings in the 1954

1166

00:55:41,990 --> 00:55:40,160

uh giant rock convention he announced

1167

00:55:44,309 --> 00:55:42,000

the existence

1168

00:55:45,190 --> 00:55:44,319

of the interplanetary confederation and

1169

00:55:49,030 --> 00:55:45,200

he said that

1170

00:55:51,829 --> 00:55:49,040

uh that the earth isn't a member

1171

00:55:54,150 --> 00:55:51,839

of it yet we have haven't proven

1172

00:55:57,190 --> 00:55:54,160

ourselves

1173

00:56:01,510 --> 00:55:57,200

worthy for entrance yet uh

1174

00:56:05,430 --> 00:56:01,520

but um because we for various reasons

1175

00:56:09,270 --> 00:56:05,440

but there are 601 planets

1176

00:56:10,230 --> 00:56:09,280

uh planets moons space platforms and so

1177

00:56:13,670 --> 00:56:10,240

forth

1178

00:56:14,950 --> 00:56:13,680

uh that that are in the confederation of

1179

00:56:18,390 --> 00:56:14,960

planets

1180

00:56:22,549 --> 00:56:18,400

uh and they are coming from 51 different

1181

00:56:26,069 --> 00:56:24,789

well that's interesting you know i i've

1182

00:56:31,910 --> 00:56:26,079

had

1183

00:56:32,950 --> 00:56:31,920

a confederation that i believe once was

1184

00:56:35,510 --> 00:56:32,960

called

1185

00:56:37,750 --> 00:56:35,520

uh the council of five i'm being told

1186

00:56:39,910 --> 00:56:37,760

it's the council of three now

1187

00:56:41,750 --> 00:56:39,920

that is on the dark side of the moon but

1188

00:56:45,030 --> 00:56:41,760

basically there is

1189

00:56:48,549 --> 00:56:45,040

some type of gathering there

1190

00:56:51,030 --> 00:56:48,559

uh what do you think about that

1191

00:56:51,589 --> 00:56:51,040

yes there there is uh there is such a

1192

00:56:55,670 --> 00:56:51,599

thing

1193

00:56:58,950 --> 00:56:55,680

and um uh columbia krebs wrote about it

1194

00:57:02,789 --> 00:56:58,960

and even provided a picture of it in

1195

00:57:06,230 --> 00:57:02,799

lady colombo venus revelations

1196

00:57:10,829 --> 00:57:09,670

because the facilities are are limited

1197

00:57:14,390 --> 00:57:10,839

on the moon

1198

00:57:15,030 --> 00:57:14,400

itself and as far as accommodating

1199

00:57:16,870 --> 00:57:15,040

different

1200

00:57:18,870 --> 00:57:16,880

kind of beings and they're not all

1201
00:57:21,430 --> 00:57:18,880
humanoid

1202
00:57:23,670 --> 00:57:21,440
in appearance they come from these many

1203
00:57:26,710 --> 00:57:23,680
worlds they have a space

1204
00:57:29,030 --> 00:57:26,720
a space platform that they can launch

1205
00:57:30,230 --> 00:57:29,040
from the moon based clarion on the far

1206
00:57:33,270 --> 00:57:30,240
side and it's

1207
00:57:36,870 --> 00:57:33,280
it's called the space leviathan

1208
00:57:38,069 --> 00:57:36,880
and there's a meeting she drew a

1209
00:57:41,750 --> 00:57:38,079
beautiful picture

1210
00:57:42,150 --> 00:57:41,760
there of the the meeting it was presided

1211
00:57:45,510 --> 00:57:42,160
over

1212
00:57:48,309 --> 00:57:45,520
by uh by vorton

1213
00:57:49,910 --> 00:57:48,319

um who was a communications officer

1214

00:57:53,349 --> 00:57:49,920

aboard a ship

1215

00:57:58,870 --> 00:57:53,359

and then it had the

1216

00:58:04,150 --> 00:58:01,750

and they were all sitting around a table

1217

00:58:07,589 --> 00:58:04,160

in the background you could see

1218

00:58:10,789 --> 00:58:07,599

of the earth in the in the distance

1219

00:58:12,470 --> 00:58:10,799

and then there was a commander or reigns

1220

00:58:15,589 --> 00:58:12,480

with the beret

1221

00:58:20,069 --> 00:58:15,599

as the commander of the moon base

1222

00:58:23,030 --> 00:58:20,079

and and then these other evolved beings

1223

00:58:23,990 --> 00:58:23,040

that were members of confederation

1224

00:58:26,069 --> 00:58:24,000

planets just

1225

00:58:27,589 --> 00:58:26,079

they were trying to decide what they

1226

00:58:30,630 --> 00:58:27,599

should um

1227

00:58:33,990 --> 00:58:30,640

do uh as far as

1228

00:58:37,349 --> 00:58:34,000

the possible militarization uh

1229

00:58:41,109 --> 00:58:37,359

of the moon and as uh america and russia

1230

00:58:44,710 --> 00:58:44,390

and so she attended that meeting and and

1231

00:58:47,030 --> 00:58:44,720

uh

1232

00:58:49,270 --> 00:58:47,040

drew pictures of it and wrote all about

1233

00:58:52,710 --> 00:58:50,950

well ray i tell you what we're gonna

1234

00:58:55,750 --> 00:58:52,720

have to get together again

1235

00:58:58,230 --> 00:58:55,760

soon maybe we can

1236

00:59:00,309 --> 00:58:58,240

hit the road and go to another

1237

00:59:02,870 --> 00:59:00,319

presentation again

1238

00:59:05,190 --> 00:59:02,880

uh we've had some pretty interesting

1239

00:59:07,430 --> 00:59:05,200

conversations over the years

1240

00:59:09,430 --> 00:59:07,440

while we're on the road and i always

1241

00:59:11,270 --> 00:59:09,440

look forward to that

1242

00:59:13,910 --> 00:59:11,280

uh but there's a lot of other things i

1243

00:59:17,190 --> 00:59:13,920

want to get into at another time

1244

00:59:18,630 --> 00:59:17,200

especially some of the some of the stuff

1245

00:59:21,349 --> 00:59:18,640

i wrote about it in my

1246

00:59:23,030 --> 00:59:21,359

in my book alien disclosure that i

1247

00:59:23,910 --> 00:59:23,040

wanted to discuss with you but then

1248

00:59:25,510 --> 00:59:23,920

again if

1249

00:59:28,150 --> 00:59:25,520

anything else comes up that's

1250

00:59:31,109 --> 00:59:28,160

interesting i'm sure i can depend on

1251

00:59:33,190 --> 00:59:31,119

on your knowledge and i thank you for

1252

00:59:34,789 --> 00:59:33,200

that and again thank you for coming on

1253

00:59:37,430 --> 00:59:34,799

tonight

1254

00:59:37,910 --> 00:59:37,440

oh thank you thank you very much lon i

1255

00:59:41,910 --> 00:59:37,920

always

1256

00:59:45,910 --> 00:59:41,920

appreciate uh talking with you and

1257

00:59:47,190 --> 00:59:45,920

and sharing this information with uh

1258

00:59:50,710 --> 00:59:47,200

with the readers of

1259

00:59:53,990 --> 00:59:50,720

of your books and all the audience

1260

00:59:56,549 --> 00:59:54,000

of the arcane radio well you have a good

1261

00:59:58,870 --> 00:59:56,559

weekend and we'll talk soon

1262

00:59:59,990 --> 00:59:58,880

thank you and a happy fourth of july

1263

01:00:03,670 --> 01:00:00,000

independence day

1264

01:00:07,510 --> 01:00:05,510

now if you uh have an unexplained

1265

01:00:09,190 --> 01:00:07,520

encounter sighting feel free to contact

1266

01:00:09,990 --> 01:00:09,200

me through the fans of monsters blog

1267

01:00:12,230 --> 01:00:10,000

site

1268

01:00:14,789 --> 01:00:12,240

i once again thank dr raymond keller for

1269

01:00:16,870 --> 01:00:14,799

joining me this evening and thanks to

1270

01:00:18,870 --> 01:00:16,880

each and all of you for watching and

1271

01:00:19,990 --> 01:00:18,880

chatting now if you made a super chat

1272

01:00:22,549 --> 01:00:20,000

donation

1273

01:00:23,430 --> 01:00:22,559

it's truly appreciated your support is

1274

01:00:26,710 --> 01:00:23,440

what makes

1275

01:00:29,750 --> 01:00:26,720

all this possible please subscribe

1276

01:00:33,190 --> 01:00:29,760

like and share uh now next week

1277

01:00:35,750 --> 01:00:33,200

we have bill bean coming on uh most you

1278

01:00:37,349 --> 01:00:35,760

people know who bill bean is i've been

1279

01:00:39,670 --> 01:00:37,359

i've been involved with bill for a lot

1280

01:00:40,069 --> 01:00:39,680

of years i'm on his radio show a lot as

1281

01:00:43,510 --> 01:00:40,079

well

1282

01:00:46,710 --> 01:00:43,520

but he just wrote another book

1283

01:00:47,750 --> 01:00:46,720

recently so um that should be a very

1284

01:00:50,470 --> 01:00:47,760

interesting show

1285

01:00:51,990 --> 01:00:50,480

so until next week stay healthy and have

1286

01:01:01,580 --> 01:00:52,000

a safe and enjoyable weekend

1287

01:01:01,590 --> 01:01:14,240

[Music]

1288

01:01:14,250 --> 01:01:39,300

[Applause]
