**CARTER BUSCHARDT - Bigfoot Researcher and Author - July 30th, 2021**

1  
00:00:07,749 --> 00:00:05,190

[Music]

2  
00:00:08,070 --> 00:00:07,759

the oldest and strongest human emotion

3  
00:00:11,350 --> 00:00:08,080

is

4  
00:00:11,589 --> 00:00:11,360

fear and the oldest and strongest type

5  
00:00:18,230 --> 00:00:11,599

of

6  
00:00:21,670 --> 00:00:18,240

when we were children our parents told

7  
00:00:24,070 --> 00:00:21,680

us that monsters didn't exist

8  
00:00:27,349 --> 00:00:24,080

but we were sure that something was

9  
00:00:31,830 --> 00:00:27,359

lurking under the bed or in the closet

10  
00:00:34,870 --> 00:00:31,840

fear sees even if our eyes are closed

11  
00:00:38,069 --> 00:00:34,880

welcome to the realm of the arcane

12  
00:00:38,709 --> 00:00:38,079

my name is lon stripler join me as i

13  
00:00:41,229 --> 00:00:38,719

examine

14

00:00:45,590 --> 00:00:41,239

unexplained creatures strange

15

00:00:48,549 --> 00:00:45,600

manifestations of remarkable realities

16

00:00:51,189 --> 00:00:48,559

imagine this next hour as a voyage of

17

00:00:54,229 --> 00:00:51,199

discovery to strange lands

18

00:00:56,790 --> 00:00:54,239

seeking not for new territory but for

19

00:00:59,590 --> 00:00:56,800

new knowledge of the supernatural

20

00:01:00,990 --> 00:00:59,600

come on board as we begin this adventure

21

00:01:04,630 --> 00:01:01,000

together

22

00:01:07,910 --> 00:01:06,310

hey folks good evening and welcome to

23

00:01:10,149 --> 00:01:07,920

another episode of arcade

24

00:01:11,270 --> 00:01:10,159

radio where we explore the unexplained

25

00:01:13,910 --> 00:01:11,280

live

26  
00:01:15,590 --> 00:01:13,920  
on beyond explanation i'm your host lon

27  
00:01:17,429 --> 00:01:15,600  
strickler coming to you

28  
00:01:19,270 --> 00:01:17,439  
within a candid shot of historic

29  
00:01:20,390 --> 00:01:19,280  
gettysburg pennsylvania thanks for

30  
00:01:22,710 --> 00:01:20,400  
joining me

31  
00:01:23,590 --> 00:01:22,720  
now um arcane radio and beyond

32  
00:01:26,870 --> 00:01:23,600  
explanation

33  
00:01:29,190 --> 00:01:26,880  
channel made possible by you

34  
00:01:30,789 --> 00:01:29,200  
liking subscribing and sharing our

35  
00:01:33,510 --> 00:01:30,799  
programming

36  
00:01:35,350 --> 00:01:33,520  
super chat donations are essential for

37  
00:01:38,630 --> 00:01:35,360  
us to continue offering you our

38  
00:01:39,429 --> 00:01:38,640

unique content so your consideration is

39

00:01:42,550 --> 00:01:39,439

very much

40

00:01:44,149 --> 00:01:42,560

appreciated now before we get started

41

00:01:45,990 --> 00:01:44,159

tonight

42

00:01:48,389 --> 00:01:46,000

i just want to mention a few things uh

43

00:01:51,749 --> 00:01:48,399

manual not red

44

00:01:54,230 --> 00:01:51,759

contacted the the team last night and

45

00:01:56,630 --> 00:01:54,240

said there's been another winged

46

00:01:58,789 --> 00:01:56,640

humanoid reported near o'hare

47

00:02:02,069 --> 00:01:58,799

international so

48

00:02:02,630 --> 00:02:02,079

as soon as we received that i'll present

49

00:02:05,830 --> 00:02:02,640

it

50

00:02:08,469 --> 00:02:05,840

for everyone to read on the blog uh

51  
00:02:09,669 --> 00:02:08,479  
so you know we haven't had one a bit so

52  
00:02:13,750 --> 00:02:09,679  
that's good to hear that

53  
00:02:15,830 --> 00:02:13,760  
starting to happen again um

54  
00:02:18,309 --> 00:02:15,840  
as well you know talking about the team

55  
00:02:19,869 --> 00:02:18,319  
we've got um

56  
00:02:21,750 --> 00:02:19,879  
you know the team website is

57  
00:02:24,710 --> 00:02:21,760  
[cryptidhunters.org](http://cryptidhunters.org)

58  
00:02:26,470 --> 00:02:24,720  
so if you want to read team reports and

59  
00:02:35,190 --> 00:02:26,480  
uh

60  
00:02:36,869 --> 00:02:35,200  
like i said anything comes up off of

61  
00:02:39,589 --> 00:02:36,879  
there you can contact me directly

62  
00:02:42,229 --> 00:02:39,599  
through that website as well

63  
00:02:43,670 --> 00:02:42,239

so you know i had i had a report today

64

00:02:44,390 --> 00:02:43,680

and this is something that we've been

65

00:02:47,589 --> 00:02:44,400

getting

66

00:02:51,270 --> 00:02:47,599

recently and it has to do with these

67

00:02:53,509 --> 00:02:51,280

feral people or feral clans

68

00:02:55,110 --> 00:02:53,519

roaming throughout the appalachian

69

00:02:57,830 --> 00:02:55,120

mountains now

70

00:02:59,509 --> 00:02:57,840

this one i posted recently was in

71

00:03:03,430 --> 00:02:59,519

mcdowell county

72

00:03:06,070 --> 00:03:03,440

in west virginia and

73

00:03:06,470 --> 00:03:06,080

but we we've been getting out mostly a

74

00:03:08,790 --> 00:03:06,480

lot

75

00:03:10,470 --> 00:03:08,800

more of these sightings along the

76

00:03:14,630 --> 00:03:10,480

southern appalachian mountains

77

00:03:17,430 --> 00:03:14,640

in the area around uh uh great smoky

78

00:03:17,990 --> 00:03:17,440

great smoky mountain park and uh you

79

00:03:21,030 --> 00:03:18,000

know

80

00:03:24,710 --> 00:03:21,040

tennessee north carolina in that area

81

00:03:27,270 --> 00:03:24,720

so uh if you had any experiences

82

00:03:28,149 --> 00:03:27,280

with this phenomena hear about anything

83

00:03:29,670 --> 00:03:28,159

i i

84

00:03:31,350 --> 00:03:29,680

really appreciate you contacting me

85

00:03:33,270 --> 00:03:31,360

through the blog

86

00:03:34,949 --> 00:03:33,280

this is something i'm going to continue

87

00:03:36,789 --> 00:03:34,959

looking into now

88

00:03:39,270 --> 00:03:36,799

there's another phenomena that's been

89

00:03:40,550 --> 00:03:39,280

going on and it's it's starting to pick

90

00:03:42,149 --> 00:03:40,560

up more and more

91

00:03:44,949 --> 00:03:42,159

though it's something that we have

92

00:03:48,470 --> 00:03:44,959

noticed over the years

93

00:03:49,589 --> 00:03:48,480

mostly on the east coast uh in the

94

00:03:53,830 --> 00:03:49,599

mountains

95

00:03:56,470 --> 00:03:53,840

areas north and south

96

00:03:56,869 --> 00:03:56,480

but it's the not deer phenomena and it's

97

00:03:59,110 --> 00:03:56,879

it's

98

00:04:00,630 --> 00:03:59,120

been producing more sightings and

99

00:04:02,789 --> 00:04:00,640

reports

100

00:04:04,869 --> 00:04:02,799

uh you know the emergence kind of

101  
00:04:07,910 --> 00:04:04,879  
started in the appalachian several

102  
00:04:11,350 --> 00:04:07,920  
years ago but most and most thought that

103  
00:04:14,149 --> 00:04:11,360  
these were just simply sick deer uh

104  
00:04:16,390 --> 00:04:14,159  
there's a wasting disease that that

105  
00:04:19,110 --> 00:04:16,400  
seems to hit the whitetail

106  
00:04:20,629 --> 00:04:19,120  
population during especially during the

107  
00:04:23,189 --> 00:04:20,639  
summer time

108  
00:04:24,950 --> 00:04:23,199  
but the body mutations that people are

109  
00:04:26,310 --> 00:04:24,960  
noticing and reporting and also the

110  
00:04:30,150 --> 00:04:26,320  
weird activity

111  
00:04:32,550 --> 00:04:30,160  
are pretty dramatic so uh it's it's not

112  
00:04:33,270 --> 00:04:32,560  
the wasting disease because you can

113  
00:04:36,070 --> 00:04:33,280

actually see

114

00:04:37,189 --> 00:04:36,080

that because they develop tumors on them

115

00:04:40,070 --> 00:04:37,199

uh

116

00:04:40,790 --> 00:04:40,080

so but you know now we're starting to

117

00:04:42,870 --> 00:04:40,800

receive

118

00:04:44,469 --> 00:04:42,880

more reports outside the eastern part of

119

00:04:46,790 --> 00:04:44,479

the us

120

00:04:47,909 --> 00:04:46,800

uh we had a couple in the rocky

121

00:04:50,310 --> 00:04:47,919

mountains and i think

122

00:04:51,670 --> 00:04:50,320

they were they were probably muled there

123

00:04:55,030 --> 00:04:51,680

if i if i

124

00:04:57,110 --> 00:04:55,040

remember now but once again

125

00:04:59,990 --> 00:04:57,120

anything comes up feel free to contact

126  
00:05:03,510 --> 00:05:00,000  
me i appreciate it

127  
00:05:10,469 --> 00:05:07,110  
we have bigfoot researcher author

128  
00:05:13,670 --> 00:05:10,479  
outdoorsman carter bouchard and carter

129  
00:05:15,990 --> 00:05:13,680  
has been an investigator with the bfro

130  
00:05:17,350 --> 00:05:16,000  
for the last 12 years he's originally

131  
00:05:19,830 --> 00:05:17,360  
from texas

132  
00:05:20,550 --> 00:05:19,840  
and currently lives in missouri he has

133  
00:05:23,990 --> 00:05:20,560  
had over

134  
00:05:26,710 --> 00:05:24,000  
95 reports published to the bfr

135  
00:05:27,670 --> 00:05:26,720  
oh website and has interviewed over 200

136  
00:05:30,870 --> 00:05:27,680  
witnesses and

137  
00:05:32,870 --> 00:05:30,880  
counting he's an experienced outdoorsman

138  
00:05:36,550 --> 00:05:32,880

and trained as an investigator for

139

00:05:39,590 --> 00:05:36,560

mufon he studied hertology in college

140

00:05:42,150 --> 00:05:39,600

long time special interest in sasquatch

141

00:05:44,870 --> 00:05:42,160

long-term habituation sites

142

00:05:46,230 --> 00:05:44,880

burial research infrasound language and

143

00:05:48,629 --> 00:05:46,240

stick structures

144

00:05:50,070 --> 00:05:48,639

now carter's two recent books are titled

145

00:05:53,590 --> 00:05:50,080

sasquatch

146

00:05:55,110 --> 00:05:53,600

evidence of the enigma 1 and 2. uh now

147

00:05:55,909 --> 00:05:55,120

carter is also a member of the fans of

148

00:05:59,110 --> 00:05:55,919

monsters

149

00:06:02,309 --> 00:05:59,120

14 research team and

150

00:06:03,749 --> 00:06:02,319

he is also being published at beyond the

151  
00:06:06,790 --> 00:06:03,759  
free publishing

152  
00:06:08,150 --> 00:06:06,800  
who is my publisher now and he has

153  
00:06:11,029 --> 00:06:08,160  
another book coming out

154  
00:06:12,230 --> 00:06:11,039  
very soon so carter thanks again for

155  
00:06:15,350 --> 00:06:12,240  
joining me

156  
00:06:16,390 --> 00:06:15,360  
thanks for having me it's awesome to be

157  
00:06:19,510 --> 00:06:16,400  
here again

158  
00:06:29,430 --> 00:06:19,520  
well great i'm glad to have you uh we

159  
00:06:32,629 --> 00:06:31,110  
your original appearance you hadn't

160  
00:06:33,990 --> 00:06:32,639  
joined the team yet so we're glad to

161  
00:06:37,510 --> 00:06:34,000  
have you on here

162  
00:06:38,070 --> 00:06:37,520  
uh so what's been going on in in your

163  
00:06:41,830 --> 00:06:38,080

world

164

00:06:42,469 --> 00:06:41,840

anything new been coming up yeah a lot

165

00:06:45,510 --> 00:06:42,479

of new

166

00:06:46,870 --> 00:06:45,520

stuff it's kind of hard to tell where to

167

00:06:48,469 --> 00:06:46,880

start but you know

168

00:06:50,150 --> 00:06:48,479

you know thanks for mentioning the book

169

00:06:51,749 --> 00:06:50,160

it's it's it's

170

00:06:54,309 --> 00:06:51,759

an honor i'm just an old hippie that you

171

00:06:56,070 --> 00:06:54,319

know took my notes and made a book and

172

00:06:57,670 --> 00:06:56,080

somebody accidentally bought a couple of

173

00:06:59,350 --> 00:06:57,680

them and now they're you know

174

00:07:01,510 --> 00:06:59,360

they're going to publish they're going

175

00:07:01,990 --> 00:07:01,520

to redo my sasquatch evidence of an

176

00:07:03,990 --> 00:07:02,000

enigma

177

00:07:05,749 --> 00:07:04,000

one and two i'm going to be doing

178

00:07:06,790 --> 00:07:05,759

sasquatch down the rabbit hole of

179

00:07:08,870 --> 00:07:06,800

strangeness

180

00:07:10,710 --> 00:07:08,880

probably a one in two but i'll probably

181

00:07:12,790 --> 00:07:10,720

have a different cover

182

00:07:14,309 --> 00:07:12,800

but that's the same creature on this

183

00:07:16,629 --> 00:07:14,319

cover you're looking at is

184

00:07:19,270 --> 00:07:16,639

was on my first book and that's from a

185

00:07:21,189 --> 00:07:19,280

guy who contacted me out of the blue

186

00:07:22,570 --> 00:07:21,199

uh about some stuff that's going on with

187

00:07:24,070 --> 00:07:22,580

him up in canada so

188

00:07:25,670 --> 00:07:24,080

[Music]

189

00:07:27,110 --> 00:07:25,680

it's all kind of flattering for us old

190

00:07:29,430 --> 00:07:27,120

hippie you know

191

00:07:30,629 --> 00:07:29,440

you know so i don't know what to make of

192

00:07:32,950 --> 00:07:30,639

it but there's

193

00:07:34,469 --> 00:07:32,960

there's something going on with with the

194

00:07:38,629 --> 00:07:34,479

you know the quantum

195

00:07:41,589 --> 00:07:38,639

and the paranormal abstract skill sets

196

00:07:43,189 --> 00:07:41,599

uh of these beings and after i wrote the

197

00:07:45,110 --> 00:07:43,199

first book these people came out of the

198

00:07:46,070 --> 00:07:45,120

woodwork because nobody will talk to

199

00:07:47,909 --> 00:07:46,080

them and they

200

00:07:49,670 --> 00:07:47,919

sanitize their reports or just kind of

201  
00:07:50,309 --> 00:07:49,680  
scoff at them or take all the good stuff

202  
00:07:51,749 --> 00:07:50,319  
out and

203  
00:07:54,070 --> 00:07:51,759  
you know leave just nothing but the

204  
00:07:56,230 --> 00:07:54,080  
chaff and so they're

205  
00:07:57,589 --> 00:07:56,240  
they've told me some incredible stories

206  
00:08:00,070 --> 00:07:57,599  
and

207  
00:08:01,990 --> 00:08:00,080  
all i have to do is not reveal who they

208  
00:08:03,749 --> 00:08:02,000  
are they don't want their names used

209  
00:08:05,110 --> 00:08:03,759  
uh they don't want their locations used

210  
00:08:07,029 --> 00:08:05,120  
or occupations or anything

211  
00:08:08,390 --> 00:08:07,039  
they're all got fake names and you know

212  
00:08:10,869 --> 00:08:08,400  
in

213  
00:08:11,510 --> 00:08:10,879

pseudo cities and states and what have

214

00:08:12,869 --> 00:08:11,520

you

215

00:08:15,110 --> 00:08:12,879

they just want to tell it and get it off

216

00:08:17,189 --> 00:08:15,120

their chest without being

217

00:08:18,710 --> 00:08:17,199

laughed at and ridiculed which happens a

218

00:08:21,430 --> 00:08:18,720

lot you know and

219

00:08:23,510 --> 00:08:21,440

threat of losing your job and things of

220

00:08:25,909 --> 00:08:23,520

that nature so

221

00:08:28,150 --> 00:08:25,919

i was blessed with a lot of people with

222

00:08:29,909 --> 00:08:28,160

some incredible events that you just go

223

00:08:32,070 --> 00:08:29,919

oh my god

224

00:08:33,750 --> 00:08:32,080

i can see why people are looking at you

225

00:08:35,350 --> 00:08:33,760

funny because you know

226

00:08:37,029 --> 00:08:35,360

hard enough to have a bigfoot sighting

227

00:08:37,589 --> 00:08:37,039

and then you go this is how it all

228

00:08:39,829 --> 00:08:37,599

happened

229

00:08:41,589 --> 00:08:39,839

they would tell me their story about

230

00:08:43,350 --> 00:08:41,599

their you know rather mundane

231

00:08:44,870 --> 00:08:43,360

i'll say mundane bigfoot sighting there

232

00:08:45,590 --> 00:08:44,880

was one watching me while i was fishing

233

00:08:47,670 --> 00:08:45,600

in the creek

234

00:08:49,750 --> 00:08:47,680

or i saw one across the road and they

235

00:08:50,870 --> 00:08:49,760

tell you all that story and they go

236

00:08:52,550 --> 00:08:50,880

now i'm going to tell you something

237

00:08:53,829 --> 00:08:52,560

you're not going to believe and so i'm

238

00:08:55,030 --> 00:08:53,839

going well you just told me about a

239

00:08:57,190 --> 00:08:55,040

bigfoot sighting so

240

00:08:58,949 --> 00:08:57,200

now you're gonna beat that and so they

241

00:09:03,030 --> 00:08:58,959

come out with these incredible

242

00:09:06,630 --> 00:09:03,040

events you know uh materializing

243

00:09:10,150 --> 00:09:06,640

mind speak uh you know

244

00:09:11,509 --> 00:09:10,160

infrasound events the possible hypnosis

245

00:09:13,829 --> 00:09:11,519

who knows telepathy

246

00:09:15,110 --> 00:09:13,839

it's just the stuff they're saying and

247

00:09:18,790 --> 00:09:15,120

you know

248

00:09:21,030 --> 00:09:18,800

i vet my people by

249

00:09:24,790 --> 00:09:21,040

several things but the one of them is

250

00:09:27,670 --> 00:09:24,800

they don't want any notoriety whatsoever

251

00:09:28,310 --> 00:09:27,680

so if you're going to hoax me or hoax

252

00:09:30,070 --> 00:09:28,320

anybody

253

00:09:31,829 --> 00:09:30,080

you want to be there for the punchline

254

00:09:32,870 --> 00:09:31,839

you know you run around in the ghillie

255

00:09:33,910 --> 00:09:32,880

soup in the woods you're waiting for

256

00:09:36,470 --> 00:09:33,920

somebody to come up and you

257

00:09:37,030 --> 00:09:36,480

you know boo and i'm a sasquatch okay i

258

00:09:38,470 --> 00:09:37,040

got you

259

00:09:39,829 --> 00:09:38,480

you know you get your jollies you go

260

00:09:40,550 --> 00:09:39,839

home and tell everybody you know how

261

00:09:42,550 --> 00:09:40,560

cool you are

262

00:09:44,310 --> 00:09:42,560

you know but these people they don't

263

00:09:45,590 --> 00:09:44,320

want anything if they're just

264

00:09:48,230 --> 00:09:45,600

telling me i know you're not gonna

265

00:09:51,269 --> 00:09:48,240

believe this please just listen to and

266

00:09:53,190 --> 00:09:51,279

i'm like you know a therapist it's and

267

00:09:54,790 --> 00:09:53,200

i'm also a witness advocate because i

268

00:09:56,310 --> 00:09:54,800

want these people to be respected and

269

00:09:57,670 --> 00:09:56,320

listen to because they are

270

00:09:59,350 --> 00:09:57,680

and they don't know each other they're

271

00:10:01,829 --> 00:09:59,360

all connected the stories they're

272

00:10:03,110 --> 00:10:01,839

telling are like

273

00:10:05,030 --> 00:10:03,120

things i'm hearing from other people

274

00:10:05,590 --> 00:10:05,040

things you've heard you know everybody

275

00:10:08,870 --> 00:10:05,600

on this

276

00:10:10,949 --> 00:10:08,880

probably heard some of this stuff from

277

00:10:12,230 --> 00:10:10,959

other unrelated people in different

278

00:10:13,350 --> 00:10:12,240

parts of the country and different parts

279

00:10:16,310 --> 00:10:13,360

of the world

280

00:10:16,790 --> 00:10:16,320

so either you're very very creative

281

00:10:21,350 --> 00:10:16,800

people

282

00:10:24,230 --> 00:10:21,360

strange stuff going on

283

00:10:26,150 --> 00:10:24,240

and you know the same thing with your

284

00:10:27,110 --> 00:10:26,160

your mothman and ufo stuff i mean you

285

00:10:30,829 --> 00:10:27,120

know

286

00:10:32,550 --> 00:10:30,839

chain maybe not right away but

287

00:10:33,990 --> 00:10:32,560

further on down the interview they all

288

00:10:34,949 --> 00:10:34,000

show themselves one way or the other we

289

00:10:37,110 --> 00:10:34,959

all have our little

290

00:10:37,990 --> 00:10:37,120

ways of you know the radar that comes on

291

00:10:40,150 --> 00:10:38,000

but you know

292

00:10:41,190 --> 00:10:40,160

they don't they're just sincere some of

293

00:10:43,269 --> 00:10:41,200

these people are

294

00:10:44,870 --> 00:10:43,279

been sitting on this for 30 years they i

295

00:10:46,630 --> 00:10:44,880

can't tell anybody i almost lost my

296

00:10:47,910 --> 00:10:46,640

marriage i couldn't tell my spouse he or

297

00:10:50,069 --> 00:10:47,920

she didn't believe it and

298

00:10:51,590 --> 00:10:50,079

i almost lost my job i'm a cop you know

299

00:10:54,710 --> 00:10:51,600

or a pilot or whatever

300

00:10:57,110 --> 00:10:54,720

military and so you know and forest

301  
00:11:00,150 --> 00:10:57,120  
workers oh yeah oh my god so anyway

302  
00:11:00,790 --> 00:11:00,160  
uh it's amazing so i i've been very very

303  
00:11:02,710 --> 00:11:00,800  
lucky

304  
00:11:03,829 --> 00:11:02,720  
and you know i'll probably end up with a

305  
00:11:06,710 --> 00:11:03,839  
third book uh

306  
00:11:07,430 --> 00:11:06,720  
for this other guy that i'm dealing with

307  
00:11:08,949 --> 00:11:07,440  
uh

308  
00:11:10,150 --> 00:11:08,959  
will continue to cooperate with some of

309  
00:11:11,110 --> 00:11:10,160  
the stuff that's been going on with him

310  
00:11:18,150 --> 00:11:11,120  
so

311  
00:11:21,030 --> 00:11:18,160  
i i tell you um you know

312  
00:11:22,069 --> 00:11:21,040  
i i think as time's going by because you

313  
00:11:24,389 --> 00:11:22,079

know

314

00:11:26,389 --> 00:11:24,399

the paranormal cryptic stuff you see on

315

00:11:28,389 --> 00:11:26,399

tv there's a lot of people have

316

00:11:30,230 --> 00:11:28,399

more access to more of the research and

317

00:11:33,750 --> 00:11:30,240

investigators now

318

00:11:34,870 --> 00:11:33,760

uh i i think they're more inclined to

319

00:11:36,230 --> 00:11:34,880

come forward

320

00:11:38,069 --> 00:11:36,240

uh when there's of course you're gonna

321

00:11:39,269 --> 00:11:38,079

get people that are never gonna do it

322

00:11:42,069 --> 00:11:39,279

but

323

00:11:44,069 --> 00:11:42,079

uh i i think people are more inclined to

324

00:11:47,350 --> 00:11:44,079

come forward and and you know

325

00:11:48,949 --> 00:11:47,360

inquire if you know look you know

326

00:11:51,030 --> 00:11:48,959

i saw this and that you want to take my

327

00:11:53,190 --> 00:11:51,040

reporter you know you're not going to

328

00:11:55,910 --> 00:11:53,200

laugh at me or something like that

329

00:11:57,829 --> 00:11:55,920

yeah but no i i think there there are

330

00:12:00,470 --> 00:11:57,839

more people coming forward now

331

00:12:01,030 --> 00:12:00,480

and i hope it continues i mean and that

332

00:12:03,829 --> 00:12:01,040

that's all

333

00:12:05,990 --> 00:12:03,839

up to us it has to do with how we get

334

00:12:08,470 --> 00:12:06,000

involved how we report it

335

00:12:09,670 --> 00:12:08,480

uh you know i always say that when we

336

00:12:12,629 --> 00:12:09,680

get a report

337

00:12:12,949 --> 00:12:12,639

we're part of the report yeah i mean

338

00:12:17,910 --> 00:12:12,959

part

339

00:12:20,230 --> 00:12:17,920

know it's our job to report it

340

00:12:21,829 --> 00:12:20,240

to the best of our ability and and put

341

00:12:24,389 --> 00:12:21,839

everything out there for everybody to

342

00:12:27,670 --> 00:12:24,399

discern what was really going on

343

00:12:30,790 --> 00:12:27,680

and uh i i think

344

00:12:32,790 --> 00:12:30,800

i i think that the people are much more

345

00:12:34,550 --> 00:12:32,800

inclined to come forward now

346

00:12:36,310 --> 00:12:34,560

well i think so that i i absolutely

347

00:12:39,110 --> 00:12:36,320

agree you know in the

348

00:12:40,790 --> 00:12:39,120

uh bogus ufo admission from the

349

00:12:42,629 --> 00:12:40,800

government so it's being

350

00:12:45,030 --> 00:12:42,639

didn't hurt anything really we all kind

351  
00:12:47,190 --> 00:12:45,040  
of expected that balloon to burst it was

352  
00:12:48,790 --> 00:12:47,200  
like well you know it's more

353  
00:12:50,069 --> 00:12:48,800  
we just can't tell what it is but there

354  
00:12:51,350 --> 00:12:50,079  
is something there and we'll get back

355  
00:12:54,310 --> 00:12:51,360  
with you

356  
00:12:55,670 --> 00:12:54,320  
whatever come on you know so but i mean

357  
00:12:57,590 --> 00:12:55,680  
but people are coming through

358  
00:12:58,710 --> 00:12:57,600  
and if you like you said we're part of

359  
00:13:02,069 --> 00:12:58,720  
the report

360  
00:13:03,750 --> 00:13:02,079  
and i'm babying some of them along i'm

361  
00:13:05,509 --> 00:13:03,760  
coaxing some things out because they're

362  
00:13:07,269 --> 00:13:05,519  
reluctant to say it because they've been

363  
00:13:07,910 --> 00:13:07,279

laughed at at church at work their

364

00:13:10,389 --> 00:13:07,920

spouses

365

00:13:12,310 --> 00:13:10,399

good friends family whatever so i'm just

366

00:13:13,670 --> 00:13:12,320

gonna shut up you know you know and and

367

00:13:15,350 --> 00:13:13,680

the fear of ridicule buys a lot of

368

00:13:17,030 --> 00:13:15,360

silence it does and it's just

369

00:13:19,110 --> 00:13:17,040

the sad part same with the ufo thing i

370

00:13:21,190 --> 00:13:19,120

mean it's so but

371

00:13:22,790 --> 00:13:21,200

you know i i think it boils down to you

372

00:13:24,069 --> 00:13:22,800

know technology and dna for the

373

00:13:25,910 --> 00:13:24,079

sasquatch that's gonna

374

00:13:27,590 --> 00:13:25,920

that's gonna catch up i think that's why

375

00:13:29,030 --> 00:13:27,600

the ufo thing was brought up because

376

00:13:30,629 --> 00:13:29,040

technology and they just

377

00:13:33,110 --> 00:13:30,639

told all the lies they could tell they

378

00:13:34,949 --> 00:13:33,120

were out of stories

379

00:13:36,389 --> 00:13:34,959

you got to come clean you've been lying

380

00:13:37,829 --> 00:13:36,399

to us for 80 years

381

00:13:39,829 --> 00:13:37,839

you know and it's the same with

382

00:13:41,430 --> 00:13:39,839

saskatchewan we're taught

383

00:13:43,750 --> 00:13:41,440

from the day you come out of the birth

384

00:13:45,189 --> 00:13:43,760

canal you know the teachers who taught

385

00:13:46,550 --> 00:13:45,199

the teachers who taught the teachers who

386

00:13:47,990 --> 00:13:46,560

taught the teachers go back 10

387

00:13:50,069 --> 00:13:48,000

generations that's 250

388

00:13:52,389 --> 00:13:50,079

years we've been lied to about there's

389

00:13:52,629 --> 00:13:52,399

no this there's no ufos there's no you

390

00:13:55,269 --> 00:13:52,639

know

391

00:13:56,069 --> 00:13:55,279

great apes in north america none of that

392

00:13:58,870 --> 00:13:56,079

ever happened

393

00:14:00,550 --> 00:13:58,880

oh wait there are ufos so we've been

394

00:14:02,150 --> 00:14:00,560

lying for 80 years okay well never mind

395

00:14:03,750 --> 00:14:02,160

that but there's no bigfoot

396

00:14:06,470 --> 00:14:03,760

and it'll be the same thing they'll

397

00:14:08,710 --> 00:14:06,480

finally have to come clean and it'll be

398

00:14:10,069 --> 00:14:08,720

just a snack just a little bit to whip

399

00:14:11,430 --> 00:14:10,079

your and it'll be like it is with the

400

00:14:13,110 --> 00:14:11,440

ufo thing but

401  
00:14:14,790 --> 00:14:13,120  
like you said people are out they're

402  
00:14:16,310 --> 00:14:14,800  
reporting there's more technology at our

403  
00:14:17,750 --> 00:14:16,320  
disposal right in our hands with our

404  
00:14:20,310 --> 00:14:17,760  
phone and cameras and

405  
00:14:22,230 --> 00:14:20,320  
people are they are getting the courage

406  
00:14:24,310 --> 00:14:22,240  
to come on through because

407  
00:14:25,509 --> 00:14:24,320  
the thought that there are other things

408  
00:14:28,470 --> 00:14:25,519  
and we may be in a four

409  
00:14:29,269 --> 00:14:28,480  
five six seven ten dimension world uh

410  
00:14:32,069 --> 00:14:29,279  
hologram

411  
00:14:33,750 --> 00:14:32,079  
you just don't know and so you have to

412  
00:14:35,350 --> 00:14:33,760  
consider

413  
00:14:37,350 --> 00:14:35,360

almost everything you don't have to

414

00:14:37,990 --> 00:14:37,360

believe it but you have to consider it

415

00:14:41,430 --> 00:14:38,000

because

416

00:14:45,110 --> 00:14:41,440

you know as far as sasquatch if you're

417

00:14:47,509 --> 00:14:45,120

a dumb ape in the woods group you're

418

00:14:48,790 --> 00:14:47,519

seriously limiting your possibilities

419

00:14:51,430 --> 00:14:48,800

because you'll discard

420

00:14:53,030 --> 00:14:51,440

everything that is not swinging from a

421

00:14:54,790 --> 00:14:53,040

tree beating its chest and you know

422

00:14:56,949 --> 00:14:54,800

killing a lion you know i mean it just

423

00:14:58,550 --> 00:14:56,959

you're going to discard everything else

424

00:15:00,069 --> 00:14:58,560

because that's your narrow paradigm

425

00:15:01,590 --> 00:15:00,079

okay that's that's fair that's that's

426

00:15:03,430 --> 00:15:01,600

your comfort level okay

427

00:15:05,189 --> 00:15:03,440

but when all this other stuff is going

428

00:15:05,590 --> 00:15:05,199

on you have more things to choose from

429

00:15:07,430 --> 00:15:05,600

it may

430

00:15:10,430 --> 00:15:07,440

stimulate more answers you know we may

431

00:15:13,189 --> 00:15:10,440

have 500 things on our plate

432

00:15:13,750 --> 00:15:13,199

475 of them are going to be tossed

433

00:15:15,910 --> 00:15:13,760

because well

434

00:15:17,350 --> 00:15:15,920

that theory didn't work but whatever we

435

00:15:19,990 --> 00:15:17,360

got left

436

00:15:21,189 --> 00:15:20,000

is good stuff it's the brussels sprouts

437

00:15:22,389 --> 00:15:21,199

put them on your plate pretend like

438

00:15:23,829 --> 00:15:22,399

you're going to eat them just to make

439

00:15:25,350 --> 00:15:23,839

your host happy

440

00:15:27,110 --> 00:15:25,360

spread them around maybe eat one and you

441

00:15:27,670 --> 00:15:27,120

know put coffee in your over your

442

00:15:31,509 --> 00:15:27,680

shoulder

443

00:15:33,829 --> 00:15:31,519

but pretend to consider everything

444

00:15:35,189 --> 00:15:33,839

you know and you might actually go well

445

00:15:37,269 --> 00:15:35,199

you know

446

00:15:38,550 --> 00:15:37,279

that actually makes sense i can't

447

00:15:39,670 --> 00:15:38,560

believe i just said that but you know it

448

00:15:42,069 --> 00:15:39,680

makes sense

449

00:15:43,670 --> 00:15:42,079

so uh but you know people are coming out

450

00:15:45,670 --> 00:15:43,680

it's really it's really awesome i hope

451  
00:15:46,629 --> 00:15:45,680  
they continue somebody listening right

452  
00:15:49,829 --> 00:15:46,639  
now

453  
00:15:52,710 --> 00:15:49,839  
uh on your radio your youtube

454  
00:15:54,710 --> 00:15:52,720  
what and in your commentary here

455  
00:15:57,350 --> 00:15:54,720  
somebody right now is going

456  
00:15:59,110 --> 00:15:57,360  
we got to tell him about that time bobby

457  
00:16:00,550 --> 00:15:59,120  
it's just time to say something you know

458  
00:16:02,629 --> 00:16:00,560  
because there is somebody that's just

459  
00:16:05,509 --> 00:16:02,639  
keeping quiet for fear

460  
00:16:07,189 --> 00:16:05,519  
you know well and you know you we were

461  
00:16:09,269 --> 00:16:07,199  
talking earlier before we started the

462  
00:16:11,350 --> 00:16:09,279  
show about the connections between the

463  
00:16:12,870 --> 00:16:11,360

different genres of the paranormal

464

00:16:15,030 --> 00:16:12,880

and how there's so much connection

465

00:16:17,509 --> 00:16:15,040

between this and that and

466

00:16:18,310 --> 00:16:17,519

uh you know i and i believe i personally

467

00:16:21,189 --> 00:16:18,320

believe if

468

00:16:21,990 --> 00:16:21,199

if you're an investigator nowadays now

469

00:16:24,150 --> 00:16:22,000

i'm not going to say

470

00:16:25,829 --> 00:16:24,160

about the guys who have been doing this

471

00:16:27,430 --> 00:16:25,839

forever but you know

472

00:16:29,509 --> 00:16:27,440

some of us haven't kind of opened their

473

00:16:31,430 --> 00:16:29,519

eyes up but you know the new people that

474

00:16:33,829 --> 00:16:31,440

get involved with this

475

00:16:36,150 --> 00:16:33,839

uh you got to keep an open mind i mean

476

00:16:38,710 --> 00:16:36,160

really i you know i

477

00:16:40,230 --> 00:16:38,720

i think uh if i hadn't kept an open mind

478

00:16:42,069 --> 00:16:40,240

from the very beginning i'd have

479

00:16:43,030 --> 00:16:42,079

probably gotten out of this a long time

480

00:16:46,230 --> 00:16:43,040

ago

481

00:16:49,350 --> 00:16:46,240

because uh you know it

482

00:16:51,269 --> 00:16:49,360

you really just can't you really just

483

00:16:53,590 --> 00:16:51,279

can't go with one pair of dm you kind of

484

00:16:55,910 --> 00:16:53,600

got to open it up and say ah

485

00:16:57,509 --> 00:16:55,920

okay that's interesting so what's this

486

00:16:58,710 --> 00:16:57,519

other stuff that's going on too is this

487

00:17:02,870 --> 00:16:58,720

connected

488

00:17:03,189 --> 00:17:02,880

and you know now when you get a report

489

00:17:05,429 --> 00:17:03,199

and

490

00:17:07,189 --> 00:17:05,439

it's almost about anything you know any

491

00:17:08,949 --> 00:17:07,199

type of report

492

00:17:10,309 --> 00:17:08,959

especially cryptids there's something

493

00:17:13,990 --> 00:17:10,319

else going on

494

00:17:16,069 --> 00:17:14,000

yeah so you know i i

495

00:17:17,350 --> 00:17:16,079

you know i i try to stress to people

496

00:17:19,669 --> 00:17:17,360

that you know

497

00:17:21,029 --> 00:17:19,679

look you know stan gordon has been

498

00:17:24,710 --> 00:17:21,039

talking about the ufo

499

00:17:26,949 --> 00:17:24,720

bigfoot phenomena forever uh

500

00:17:29,350 --> 00:17:26,959

there's been many of us that have talked

501  
00:17:31,750 --> 00:17:29,360  
about it and been laughed at and

502  
00:17:33,190 --> 00:17:31,760  
criticized uh with the uh

503  
00:17:36,070 --> 00:17:33,200  
interdimensional

504  
00:17:37,430 --> 00:17:36,080  
bigfoot that's the term they like to use

505  
00:17:40,070 --> 00:17:37,440  
uh

506  
00:17:42,549 --> 00:17:40,080  
but in you know more and more of these

507  
00:17:44,549 --> 00:17:42,559  
people who have been scoffing at it

508  
00:17:47,110 --> 00:17:44,559  
are starting to think about it more and

509  
00:17:51,510 --> 00:17:47,120  
they're starting to open up a bit more

510  
00:17:53,669 --> 00:17:51,520  
yeah oh they are it it it's

511  
00:17:54,789 --> 00:17:53,679  
it's kind of funny the ones that have

512  
00:17:57,190 --> 00:17:54,799  
crossed over

513  
00:17:57,990 --> 00:17:57,200

you know from you know the narrow-minded

514

00:18:00,070 --> 00:17:58,000

paradigm

515

00:18:01,110 --> 00:18:00,080

you know and the connection with the

516

00:18:04,710 --> 00:18:01,120

sasquatch

517

00:18:06,710 --> 00:18:04,720

and ufos potentially you know

518

00:18:09,190 --> 00:18:06,720

and and we were talking about

519

00:18:12,390 --> 00:18:09,200

synchronicity before we came on

520

00:18:15,750 --> 00:18:12,400

and as that has been coming up

521

00:18:16,870 --> 00:18:15,760

in my end of the research lately a guy

522

00:18:20,710 --> 00:18:16,880

contacted me

523

00:18:24,310 --> 00:18:20,720

up in the northeast and he had six hours

524

00:18:27,590 --> 00:18:24,320

of missing time with a sasquatch

525

00:18:30,630 --> 00:18:27,600

so first one of those i'd ever taken

526

00:18:33,110 --> 00:18:30,640

you know and he went into great detail

527

00:18:34,710 --> 00:18:33,120

and he's a you know i can't tell you his

528

00:18:37,669 --> 00:18:34,720

name or location but he's a successful

529

00:18:41,430 --> 00:18:37,679

businessman he's a smart guy he's a real

530

00:18:42,150 --> 00:18:41,440

smart guy and uh and he says i want to

531

00:18:45,350 --> 00:18:42,160

be

532

00:18:47,110 --> 00:18:45,360

boring my life was and i wanted my life

533

00:18:48,950 --> 00:18:47,120

to be boring i don't want any attention

534

00:18:50,470 --> 00:18:48,960

i want to raise my family build a cabin

535

00:18:54,070 --> 00:18:50,480

in the woods

536

00:18:55,830 --> 00:18:54,080

make my money and be happy and

537

00:18:57,909 --> 00:18:55,840

they moved to this property in the

538

00:18:59,029 --> 00:18:57,919

middle of nowhere and started adding on

539

00:19:01,990 --> 00:18:59,039

to a cabin

540

00:19:03,350 --> 00:19:02,000

and his wife was the first one to

541

00:19:05,669 --> 00:19:03,360

mention

542

00:19:06,870 --> 00:19:05,679

i saw a really huge man running across

543

00:19:09,430 --> 00:19:06,880

the yard

544

00:19:10,870 --> 00:19:09,440

tonight before he got home from work

545

00:19:14,470 --> 00:19:10,880

does that make sense and

546

00:19:16,070 --> 00:19:14,480

and they were unaware of sasquatch in

547

00:19:16,870 --> 00:19:16,080

the area they're aware of the concept

548

00:19:19,909 --> 00:19:16,880

but they just

549

00:19:21,590 --> 00:19:19,919

and they come to find out that you know

550

00:19:23,590 --> 00:19:21,600

she ended up calling the cops

551  
00:19:24,870 --> 00:19:23,600  
because it was there and it was setting

552  
00:19:27,190 --> 00:19:24,880  
off their uh

553  
00:19:28,630 --> 00:19:27,200  
motion lights this is all before we got

554  
00:19:31,430 --> 00:19:28,640  
home so

555  
00:19:33,590 --> 00:19:31,440  
uh so they had in while he was mowing

556  
00:19:34,230 --> 00:19:33,600  
his yard a year or so later he had

557  
00:19:36,150 --> 00:19:34,240  
watched

558  
00:19:37,990 --> 00:19:36,160  
two sasquatches standing on a hill on

559  
00:19:40,710 --> 00:19:38,000  
his neighbor's property watching him

560  
00:19:42,310 --> 00:19:40,720  
mow the yard because they were watching

561  
00:19:44,710 --> 00:19:42,320  
everywhere he went he was on a ride

562  
00:19:45,830 --> 00:19:44,720  
riding tractor going hard so they're

563  
00:19:48,470 --> 00:19:45,840

aware of things

564

00:19:50,070 --> 00:19:48,480

so he sends his wife off to live with

565

00:19:51,510 --> 00:19:50,080

her parents

566

00:19:53,029 --> 00:19:51,520

so they can shut off all the electricity

567

00:19:54,710 --> 00:19:53,039

at the cabin they're going to add on two

568

00:19:56,789 --> 00:19:54,720

more bedrooms because they had a kid

569

00:19:58,150 --> 00:19:56,799

and they're having they had another and

570

00:19:59,830 --> 00:19:58,160

they wanted to expand the house so that

571

00:20:01,669 --> 00:19:59,840

was going to be their home so

572

00:20:04,070 --> 00:20:01,679

when he works his job all day runs his

573

00:20:06,630 --> 00:20:04,080

business he comes home

574

00:20:08,630 --> 00:20:06,640

late afternoon and supervises the

575

00:20:09,669 --> 00:20:08,640

construction crews he has the general

576  
00:20:11,110 --> 00:20:09,679  
contractor

577  
00:20:12,870 --> 00:20:11,120  
and then he makes sure all the tools and

578  
00:20:14,390 --> 00:20:12,880  
everything's locked up and put away and

579  
00:20:15,270 --> 00:20:14,400  
then he goes and sleeps in the travel

580  
00:20:17,590 --> 00:20:15,280  
trailer

581  
00:20:18,470 --> 00:20:17,600  
so everything's going along fine and

582  
00:20:21,510 --> 00:20:18,480  
dandy

583  
00:20:23,430 --> 00:20:21,520  
uh one night he hears some rustling and

584  
00:20:25,190 --> 00:20:23,440  
some noise and he hears a howl and a

585  
00:20:26,390 --> 00:20:25,200  
growl and some weird noises he's not

586  
00:20:28,230 --> 00:20:26,400  
real familiar with

587  
00:20:30,630 --> 00:20:28,240  
and the dog is on point because this is

588  
00:20:33,830 --> 00:20:30,640

like i said he's a 110 pound

589

00:20:35,510 --> 00:20:33,840

police trained german shepherd he will

590

00:20:37,350 --> 00:20:35,520

kill your grandmother you know

591

00:20:38,710 --> 00:20:37,360

he's just one of those kind of dogs you

592

00:20:41,990 --> 00:20:38,720

know just don't

593

00:20:44,789 --> 00:20:42,000

don't don't make me mad you know so uh

594

00:20:46,710 --> 00:20:44,799

and the dog is growling and on point but

595

00:20:47,510 --> 00:20:46,720

he won't go after it he's trained to go

596

00:20:50,710 --> 00:20:47,520

after

597

00:20:52,149 --> 00:20:50,720

something he's just sitting there going

598

00:20:53,909 --> 00:20:52,159

i'm not going anywhere but i'm going to

599

00:20:55,190 --> 00:20:53,919

let you know i'm kind of doing my job

600

00:20:57,510 --> 00:20:55,200

i'm barking and growling but

601  
00:20:58,950 --> 00:20:57,520  
dude i'm not going in there and so he

602  
00:21:01,669 --> 00:20:58,960  
thought that was kind of odd

603  
00:21:01,990 --> 00:21:01,679  
and so uh at that point when that was

604  
00:21:03,669 --> 00:21:02,000  
going

605  
00:21:05,110 --> 00:21:03,679  
on so he pulled the dog back and they

606  
00:21:06,870 --> 00:21:05,120  
started putting some tools away about 10

607  
00:21:09,270 --> 00:21:06,880  
30 11 o'clock at night

608  
00:21:10,149 --> 00:21:09,280  
and so long story short to get to it the

609  
00:21:12,710 --> 00:21:10,159  
uh

610  
00:21:13,270 --> 00:21:12,720  
he suddenly sees this sasquatch coming

611  
00:21:15,909 --> 00:21:13,280  
out

612  
00:21:17,270 --> 00:21:15,919  
of the dark but it's it's lit up a

613  
00:21:18,870 --> 00:21:17,280

little bit because he's got lights all

614

00:21:19,990 --> 00:21:18,880

over the place you know

615

00:21:21,909 --> 00:21:20,000

and stuff he's got lights a lot of

616

00:21:23,590 --> 00:21:21,919

landscaping stuff so he can see

617

00:21:25,750 --> 00:21:23,600

what it is it's about a eight nine

618

00:21:28,870 --> 00:21:25,760

footer at least coming at him it's

619

00:21:30,310 --> 00:21:28,880

not running it's just walking but it's

620

00:21:33,350 --> 00:21:30,320

coming right at him

621

00:21:36,070 --> 00:21:33,360

and the dog is sitting there going

622

00:21:37,270 --> 00:21:36,080

just staring you know and so he's going

623

00:21:39,029 --> 00:21:37,280

we need to get out of here

624

00:21:40,549 --> 00:21:39,039

so he puts the last load of tools in

625

00:21:42,789 --> 00:21:40,559

there and he runs to his trailer and

626  
00:21:44,230 --> 00:21:42,799  
and he barricades himself in he goes oh

627  
00:21:46,230 --> 00:21:44,240  
crap i forgot my gun

628  
00:21:48,470 --> 00:21:46,240  
i don't have a pistol so he scrounges

629  
00:21:51,750 --> 00:21:48,480  
through the kitchen drawer in this 32

630  
00:21:53,190 --> 00:21:51,760  
foot travel trailer and he finds a

631  
00:21:54,630 --> 00:21:53,200  
carving knife a big you know carving

632  
00:21:57,830 --> 00:21:54,640  
knife so he takes that

633  
00:21:59,669 --> 00:21:57,840  
and he sees this creature walking around

634  
00:22:01,430 --> 00:21:59,679  
the outside because he's got light so he

635  
00:22:02,950 --> 00:22:01,440  
can see it every now and then

636  
00:22:04,549 --> 00:22:02,960  
there's enough ambient light plus the

637  
00:22:05,669 --> 00:22:04,559  
lights that are in the trees and in the

638  
00:22:07,190 --> 00:22:05,679

house and the property

639

00:22:08,870 --> 00:22:07,200

he can see every now and then and it's

640

00:22:10,630 --> 00:22:08,880

walking through and he's got these

641

00:22:12,549 --> 00:22:10,640

slat blinds in there and you can see it

642

00:22:14,470 --> 00:22:12,559

it's looking in the window at him and

643

00:22:15,990 --> 00:22:14,480

it's looking in the front door he's just

644

00:22:16,870 --> 00:22:16,000

going oh my god he's gonna break in here

645

00:22:18,149 --> 00:22:16,880

and kill me and

646

00:22:19,990 --> 00:22:18,159

he didn't know what to do and the dog is

647

00:22:23,270 --> 00:22:20,000

chosen they're going

648

00:22:25,029 --> 00:22:23,280

what what do you want me to do so and so

649

00:22:26,950 --> 00:22:25,039

they barricade himself in the bathroom

650

00:22:29,990 --> 00:22:26,960

if you know how big a bathroom is on a

651  
00:22:32,710 --> 00:22:30,000  
32 foot travel trailer ain't that big

652  
00:22:33,990 --> 00:22:32,720  
or a person at a german shepherd so he

653  
00:22:35,830 --> 00:22:34,000  
gets on the floor

654  
00:22:37,909 --> 00:22:35,840  
and he puts his feet up against the door

655  
00:22:41,270 --> 00:22:37,919  
and the carving knife that he found

656  
00:22:42,549 --> 00:22:41,280  
he was holding out like this at the door

657  
00:22:43,909 --> 00:22:42,559  
he was just waiting for him to come

658  
00:22:45,350 --> 00:22:43,919  
through he said whatever

659  
00:22:46,870 --> 00:22:45,360  
whatever it was whatever he was going to

660  
00:22:48,310 --> 00:22:46,880  
do i had this knife and i was ready and

661  
00:22:52,710 --> 00:22:48,320  
if i died

662  
00:22:56,549 --> 00:22:52,720  
and so that was about 11 30 and

663  
00:23:00,549 --> 00:22:56,559

he wakes up at 5 30 in the morning

664

00:23:03,190 --> 00:23:00,559

same position the dog is in a trance

665

00:23:04,630 --> 00:23:03,200

now he's sitting up but he's in a trance

666

00:23:06,149 --> 00:23:04,640

and dogs don't sleep sitting up

667

00:23:07,669 --> 00:23:06,159

he wasn't asleep but his eyes were open

668

00:23:09,909 --> 00:23:07,679

but he was you know

669

00:23:11,029 --> 00:23:09,919

he was out he was just in this fixed

670

00:23:14,390 --> 00:23:11,039

trance

671

00:23:16,230 --> 00:23:14,400

he lost six hours yeah weird one of the

672

00:23:18,549 --> 00:23:16,240

weird things is is when he

673

00:23:19,990 --> 00:23:18,559

he got he heard the birds chirping and

674

00:23:22,470 --> 00:23:20,000

he heard the guys

675

00:23:24,390 --> 00:23:22,480

showing up for work that's how he knew

676

00:23:28,230 --> 00:23:24,400

it was safe to go outside

677

00:23:29,430 --> 00:23:28,240

so he gets up and he realizes what time

678

00:23:31,510 --> 00:23:29,440

it is he's going

679

00:23:32,789 --> 00:23:31,520

i'm completely refreshed my body you

680

00:23:34,549 --> 00:23:32,799

know i'm not

681

00:23:35,990 --> 00:23:34,559

stuck like i've been sitting like this

682

00:23:39,350 --> 00:23:36,000

way for six hours i was totally

683

00:23:41,750 --> 00:23:39,360

refreshed like i just fell asleep for

684

00:23:44,310 --> 00:23:41,760

two seconds and woke up i mean i i tell

685

00:23:45,669 --> 00:23:44,320

i i was cramped i stood up my legs were

686

00:23:47,510 --> 00:23:45,679

fine everything i wasn't you know

687

00:23:49,590 --> 00:23:47,520

cramped or having to stretch

688

00:23:50,870 --> 00:23:49,600

nothing he was like it just happened for

689

00:23:53,669 --> 00:23:50,880

a second then

690

00:23:54,470 --> 00:23:53,679

so he that blew his mind he went outside

691

00:23:55,990 --> 00:23:54,480

and

692

00:23:58,149 --> 00:23:56,000

went about the day he didn't tell his

693

00:23:59,750 --> 00:23:58,159

wife for about four or five months after

694

00:24:03,029 --> 00:23:59,760

the kid was born he waited

695

00:24:04,230 --> 00:24:03,039

and he finally told her you know and so

696

00:24:05,750 --> 00:24:04,240

that's when she said well i think i've

697

00:24:07,750 --> 00:24:05,760

maybe had another thing or two happen

698

00:24:10,789 --> 00:24:07,760

around the house but the whole thing was

699

00:24:14,070 --> 00:24:10,799

he lost six hours and you know

700

00:24:17,190 --> 00:24:14,080

the classic missing time is the ufo

701  
00:24:19,350 --> 00:24:17,200  
you know and there is a

702  
00:24:21,669 --> 00:24:19,360  
potential alleged connection with

703  
00:24:23,350 --> 00:24:21,679  
sasquatch and ufos

704  
00:24:24,870 --> 00:24:23,360  
i've heard i've heard some stories and i

705  
00:24:26,710 --> 00:24:24,880  
have a theory why

706  
00:24:28,070 --> 00:24:26,720  
some of it might be happening if they're

707  
00:24:31,430 --> 00:24:28,080  
not totally involved in the

708  
00:24:34,789 --> 00:24:31,440  
phenomenon period but

709  
00:24:37,590 --> 00:24:34,799  
so uh i suggested

710  
00:24:39,029 --> 00:24:37,600  
regression hypnosis and he's considering

711  
00:24:41,269 --> 00:24:39,039  
it but

712  
00:24:42,470 --> 00:24:41,279  
he doesn't know if he's really wants to

713  
00:24:44,149 --> 00:24:42,480

know what happened

714

00:24:46,630 --> 00:24:44,159

you know that that's that's the thing

715

00:24:48,710 --> 00:24:46,640

that bothers him because i want a boring

716

00:24:50,310 --> 00:24:48,720

life i don't want to be anybody i don't

717

00:24:50,870 --> 00:24:50,320

want the word get out i just i don't

718

00:24:52,630 --> 00:24:50,880

even want to

719

00:24:54,789 --> 00:24:52,640

i don't know if i want to know but six

720

00:24:57,269 --> 00:24:54,799

hours of your life is gone

721

00:24:58,070 --> 00:24:57,279

and a sasquatch chased into a trailer

722

00:25:01,590 --> 00:24:58,080

come on

723

00:25:02,470 --> 00:25:01,600

don't you you know when you hear a story

724

00:25:05,029 --> 00:25:02,480

like that

725

00:25:06,549 --> 00:25:05,039

and you know i've heard a lot of weird

726

00:25:11,430 --> 00:25:06,559

stuff like that over the

727

00:25:13,190 --> 00:25:11,440

years and um if it involves a cryptid

728

00:25:15,110 --> 00:25:13,200

it's kind of hard for somebody to argue

729

00:25:17,430 --> 00:25:15,120

with you that there's nothing

730

00:25:18,549 --> 00:25:17,440

supernatural about bigfoot or any other

731

00:25:21,669 --> 00:25:18,559

cryptid

732

00:25:23,750 --> 00:25:21,679

there's something there yeah you know if

733

00:25:25,909 --> 00:25:23,760

they have the ability

734

00:25:26,830 --> 00:25:25,919

or if they're connected with some other

735

00:25:29,990 --> 00:25:26,840

type of

736

00:25:30,710 --> 00:25:30,000

being say you know something is flying

737

00:25:33,990 --> 00:25:30,720

the crowd

738

00:25:35,990 --> 00:25:34,000

a ufo or some type of alien craft i mean

739

00:25:39,110 --> 00:25:36,000

alien being or

740

00:25:40,230 --> 00:25:39,120

all above uh there's something

741

00:25:43,029 --> 00:25:40,240

then there's there's something

742

00:25:45,029 --> 00:25:43,039

supernatural or or just not earthly

743

00:25:48,710 --> 00:25:45,039

about that

744

00:25:50,710 --> 00:25:48,720

so yeah so he's

745

00:25:52,549 --> 00:25:50,720

he's mulling it over but i don't think

746

00:25:53,669 --> 00:25:52,559

he right now he doesn't want to go there

747

00:25:55,830 --> 00:25:53,679

but that

748

00:25:57,510 --> 00:25:55,840

you know and some of the witnesses i've

749

00:25:58,470 --> 00:25:57,520

talked to and they haven't given me a

750

00:26:01,909 --> 00:25:58,480

story of

751  
00:26:04,230 --> 00:26:01,919  
you know any length or substantive

752  
00:26:05,830 --> 00:26:04,240  
you know content to go any further than

753  
00:26:08,470 --> 00:26:05,840  
well i saw a sasquatch

754  
00:26:09,190 --> 00:26:08,480  
and then i saw a ufo right after i saw a

755  
00:26:11,029 --> 00:26:09,200  
ship

756  
00:26:12,310 --> 00:26:11,039  
and someone did tell me they saw one

757  
00:26:16,630 --> 00:26:12,320  
coming out of a ship

758  
00:26:20,070 --> 00:26:16,640  
well if they are not intimately involved

759  
00:26:22,870 --> 00:26:20,080  
with the et's and the craft uh

760  
00:26:24,549 --> 00:26:22,880  
you know they do animal abductions you

761  
00:26:26,870 --> 00:26:24,559  
know and a sasquatch could have been

762  
00:26:28,870 --> 00:26:26,880  
something taken up

763  
00:26:29,990 --> 00:26:28,880

got some dna whatever and they just

764

00:26:30,549 --> 00:26:30,000

happened to have seen them when they

765

00:26:32,710 --> 00:26:30,559

were

766

00:26:33,990 --> 00:26:32,720

led back down on the ground now that's a

767

00:26:36,630 --> 00:26:34,000

bizarre enough

768

00:26:37,110 --> 00:26:36,640

hypothesis you know as if you do if it

769

00:26:39,510 --> 00:26:37,120

is

770

00:26:41,190 --> 00:26:39,520

as if you need one like that but so that

771

00:26:43,190 --> 00:26:41,200

could be

772

00:26:44,950 --> 00:26:43,200

a partial explanation of a very minute

773

00:26:46,310 --> 00:26:44,960

part of the other stuff a lot of it just

774

00:26:48,070 --> 00:26:46,320

involves

775

00:26:50,230 --> 00:26:48,080

as soon as that sasquatch appeared or

776

00:26:50,710 --> 00:26:50,240

disappeared i saw a ufo i saw a light or

777

00:26:53,029 --> 00:26:50,720

i saw an

778

00:26:54,710 --> 00:26:53,039

orb so why is that why you start hearing

779

00:26:57,830 --> 00:26:54,720

that all of a sudden

780

00:26:59,190 --> 00:26:57,840

because there's a connection of some

781

00:27:02,549 --> 00:26:59,200

type

782

00:27:04,070 --> 00:27:02,559

it could be that an orb which is a

783

00:27:05,669 --> 00:27:04,080

spirit perhaps

784

00:27:07,590 --> 00:27:05,679

is coming to see what's going on over

785

00:27:11,350 --> 00:27:07,600

here i mean or it could be

786

00:27:12,390 --> 00:27:11,360

that it's the et or a squash coming from

787

00:27:14,230 --> 00:27:12,400

another dimension you

788

00:27:15,909 --> 00:27:14,240

you don't know and all that sounds so

789

00:27:17,590 --> 00:27:15,919

sci-fi but

790

00:27:19,110 --> 00:27:17,600

you're hearing this and you don't have

791

00:27:19,990 --> 00:27:19,120

any other choice but when you start

792

00:27:22,950 --> 00:27:20,000

hearing it from

793

00:27:24,630 --> 00:27:22,960

20 of the people you talk to you go i

794

00:27:26,149 --> 00:27:24,640

can't ignore this anymore you know i

795

00:27:27,750 --> 00:27:26,159

don't necessarily say don't necessarily

796

00:27:29,350 --> 00:27:27,760

believe all of it but i consider

797

00:27:31,110 --> 00:27:29,360

every darn bit of it because you know

798

00:27:32,630 --> 00:27:31,120

there's something there is something

799

00:27:35,110 --> 00:27:32,640

there and there's an undercurrent of

800

00:27:35,669 --> 00:27:35,120

strangeness going on and people are like

801  
00:27:37,750 --> 00:27:35,679  
you said

802  
00:27:39,190 --> 00:27:37,760  
that they are starting to talk about it

803  
00:27:41,110 --> 00:27:39,200  
and get a little bit braver

804  
00:27:43,269 --> 00:27:41,120  
you know we need you know about another

805  
00:27:44,950 --> 00:27:43,279  
200 000 people of you to come out and

806  
00:27:48,630 --> 00:27:44,960  
finally tell your stories

807  
00:27:49,510 --> 00:27:48,640  
wow we'll convince i i think as opposed

808  
00:27:52,870 --> 00:27:49,520  
to

809  
00:27:53,909 --> 00:27:52,880  
several decades ago uh when people had

810  
00:27:56,710 --> 00:27:53,919  
an encounter with

811  
00:27:58,630 --> 00:27:56,720  
say a bigfoot or another type of cryptid

812  
00:28:00,310 --> 00:27:58,640  
if they saw something that they couldn't

813  
00:28:01,269 --> 00:28:00,320

explain they kind of kept it out of the

814

00:28:04,389 --> 00:28:01,279

story

815

00:28:07,510 --> 00:28:04,399

yeah uh they don't do that now i mean

816

00:28:10,630 --> 00:28:07,520

it it seems that most of these folks

817

00:28:13,990 --> 00:28:10,640

uh will go ahead and

818

00:28:16,149 --> 00:28:14,000

uh add everything to it i know i'm

819

00:28:17,430 --> 00:28:16,159

getting a feedback here but i don't know

820

00:28:20,549 --> 00:28:17,440

what that's all about

821

00:28:22,710 --> 00:28:20,559

i'm trying to minimize it but uh

822

00:28:24,230 --> 00:28:22,720

yeah i mean it seems like if something

823

00:28:26,789 --> 00:28:24,240

does happen that's

824

00:28:28,950 --> 00:28:26,799

associated with it they will bring it up

825

00:28:31,269 --> 00:28:28,960

which is good because we have no idea

826

00:28:33,190 --> 00:28:31,279

what all this is and uh

827

00:28:34,549 --> 00:28:33,200

you know it just confuses us more but

828

00:28:37,669 --> 00:28:34,559

that's just the way it goes that's what

829

00:28:41,510 --> 00:28:39,750

well they always bring it up at the end

830

00:28:43,990 --> 00:28:41,520

of

831

00:28:44,870 --> 00:28:44,000

the report i originally called them

832

00:28:48,389 --> 00:28:44,880

about

833

00:28:50,149 --> 00:28:48,399

and so and they're waiting as

834

00:28:51,350 --> 00:28:50,159

you're doing your interview you're

835

00:28:53,029 --> 00:28:51,360

interviewing them and they quite

836

00:28:54,470 --> 00:28:53,039

possibly are interviewing me and i just

837

00:28:56,389 --> 00:28:54,480

don't know it because i'm

838

00:28:58,870 --> 00:28:56,399

i'm you know i'm the official researcher

839

00:29:00,070 --> 00:28:58,880

guy so i'm asking the questions ma'am

840

00:29:02,389 --> 00:29:00,080

but yeah they want to fish for

841

00:29:04,470 --> 00:29:02,399

information sometimes yeah maybe

842

00:29:06,310 --> 00:29:04,480

maybe you know i don't know but you know

843

00:29:07,350 --> 00:29:06,320

it could be that they're

844

00:29:09,669 --> 00:29:07,360

deciding if they're going to be

845

00:29:10,310 --> 00:29:09,679

comfortable enough to tell me the big

846

00:29:12,950 --> 00:29:10,320

story

847

00:29:14,389 --> 00:29:12,960

sure because they could you know and a

848

00:29:17,269 --> 00:29:14,399

lot of these people

849

00:29:17,909 --> 00:29:17,279

uh have been having some things for

850

00:29:20,070 --> 00:29:17,919

quite a while

851  
00:29:21,750 --> 00:29:20,080  
and they've remained silent and it eats

852  
00:29:24,950 --> 00:29:21,760  
them up i mean you know if you've had

853  
00:29:25,430 --> 00:29:24,960  
any kind of traumatic event in your life

854  
00:29:30,710 --> 00:29:25,440  
you know

855  
00:29:32,389 --> 00:29:30,720  
you may not want to talk about it and

856  
00:29:32,950 --> 00:29:32,399  
put it on your sleeve and for everybody

857  
00:29:34,710 --> 00:29:32,960  
to know

858  
00:29:36,070 --> 00:29:34,720  
it's it's private and confidential you

859  
00:29:38,950 --> 00:29:36,080  
share it only with

860  
00:29:39,430 --> 00:29:38,960  
special people at certain times so but

861  
00:29:43,350 --> 00:29:39,440  
they're

862  
00:29:45,029 --> 00:29:43,360  
find most of these people don't even

863  
00:29:45,590 --> 00:29:45,039

want to talk to a researcher anyway when

864

00:29:48,470 --> 00:29:45,600

they

865

00:29:49,750 --> 00:29:48,480

call in their story that's it i just i

866

00:29:51,830 --> 00:29:49,760

told you what happened

867

00:29:53,669 --> 00:29:51,840

no there's so much more in between all

868

00:29:55,350 --> 00:29:53,679

your sentences that i have to

869

00:29:57,750 --> 00:29:55,360

have to talk to you and find out you

870

00:29:59,350 --> 00:29:57,760

know so how far was it how tall was it

871

00:30:01,110 --> 00:29:59,360

what color did you see the face is it

872

00:30:02,549 --> 00:30:01,120

male or female i mean there's all kinds

873

00:30:03,350 --> 00:30:02,559

of questions you know you tell me one

874

00:30:04,870 --> 00:30:03,360

sentence

875

00:30:06,950 --> 00:30:04,880

i saw a sasquatch across the road in

876

00:30:09,350 --> 00:30:06,960

front of my car 25 yards away

877

00:30:10,549 --> 00:30:09,360

well there's 25 questions right there

878

00:30:13,510 --> 00:30:10,559

and you're telling me

879

00:30:15,110 --> 00:30:13,520

three things so come on so but you you

880

00:30:16,549 --> 00:30:15,120

get it out of them and they they want to

881

00:30:19,269 --> 00:30:16,559

tell it they just don't want to get

882

00:30:20,710 --> 00:30:19,279

laughed at and joked and be trying you

883

00:30:21,750 --> 00:30:20,720

try to talk them out of it were you sure

884

00:30:23,990 --> 00:30:21,760

it wasn't a deer

885

00:30:25,669 --> 00:30:24,000

standing on his hind legs or a bear

886

00:30:28,149 --> 00:30:25,679

walking on two legs or

887

00:30:29,430 --> 00:30:28,159

you know a guy pranking you you know

888

00:30:32,870 --> 00:30:29,440

they

889

00:30:35,669 --> 00:30:32,880

happened

890

00:30:37,190 --> 00:30:35,679

and without fear of ridicule and mocking

891

00:30:38,710 --> 00:30:37,200

and all that and going yeah sure right

892

00:30:40,630 --> 00:30:38,720

listen hey nice talking to you i'll call

893

00:30:43,750 --> 00:30:40,640

you later that that's what they get

894

00:30:47,029 --> 00:30:43,760

so yeah that's why i

895

00:30:48,710 --> 00:30:47,039

go ahead your two books uh you you

896

00:30:50,389 --> 00:30:48,720

and that's this is the interesting and

897

00:30:53,190 --> 00:30:50,399

the good thing about your books

898

00:30:53,669 --> 00:30:53,200

you're uh you're looking at the evidence

899

00:30:55,190 --> 00:30:53,679

uh

900

00:30:56,710 --> 00:30:55,200

that you're looking at the evidence

901  
00:31:00,310 --> 00:30:56,720

you're given

902  
00:31:04,070 --> 00:31:00,320

yeah uh what um

903  
00:31:10,310 --> 00:31:04,080

what evidence that you have collected or

904  
00:31:16,870 --> 00:31:15,110

well even though the habituation

905  
00:31:18,710 --> 00:31:16,880

and you know and i've been studying that

906  
00:31:21,830 --> 00:31:18,720

for a while of

907  
00:31:23,830 --> 00:31:21,840

one of my first cases i picked up was

908  
00:31:25,350 --> 00:31:23,840

a habituation it was just literally

909  
00:31:27,029 --> 00:31:25,360

about 30 miles from my house here in

910  
00:31:27,590 --> 00:31:27,039

kansas city i live in liberty missouri

911  
00:31:29,669 --> 00:31:27,600

but you know

912  
00:31:31,509 --> 00:31:29,679

right not far you know it's a crow flies

913  
00:31:34,950 --> 00:31:31,519

it's really easy to get there but

914

00:31:36,789 --> 00:31:34,960

and so and they were just i was just

915

00:31:41,669 --> 00:31:36,799

fascinated because my first time

916

00:31:44,710 --> 00:31:41,679

in that scenario and they're

917

00:31:46,070 --> 00:31:44,720

they're taking like it's another day at

918

00:31:48,549 --> 00:31:46,080

the office

919

00:31:49,430 --> 00:31:48,559

you know i mean so i've got some people

920

00:31:51,430 --> 00:31:49,440

i've been dealing with

921

00:31:52,710 --> 00:31:51,440

uh working with them for four five six

922

00:31:54,630 --> 00:31:52,720

seven years

923

00:31:57,110 --> 00:31:54,640

and they've got regular things going on

924

00:32:00,310 --> 00:31:57,120

their property so the thing that really

925

00:32:02,789 --> 00:32:00,320

stood stood out to me because you know

926  
00:32:04,470 --> 00:32:02,799  
you would love to be a ground zero on a

927  
00:32:07,029 --> 00:32:04,480  
ufo landing

928  
00:32:08,389 --> 00:32:07,039  
right one i mean you know i would want

929  
00:32:11,830 --> 00:32:08,399  
to be

930  
00:32:12,549 --> 00:32:11,840  
sasquatch give birth i mean everybody

931  
00:32:16,630 --> 00:32:12,559  
wants to be

932  
00:32:18,950 --> 00:32:16,640  
at a seminal moment you know so but

933  
00:32:19,750 --> 00:32:18,960  
they're been going through habituation

934  
00:32:22,310 --> 00:32:19,760  
things

935  
00:32:23,830 --> 00:32:22,320  
and i've only had three sightings and

936  
00:32:26,389 --> 00:32:23,840  
all been at night on thermal cameras and

937  
00:32:27,750 --> 00:32:26,399  
they're you know brief

938  
00:32:28,950 --> 00:32:27,760

the thing that stands out is that

939

00:32:30,870 --> 00:32:28,960

they're having these everyday

940

00:32:34,310 --> 00:32:30,880

relationships

941

00:32:36,630 --> 00:32:34,320

or every week and it's to the point

942

00:32:38,470 --> 00:32:36,640

where they

943

00:32:40,070 --> 00:32:38,480

don't think about it or they forget to

944

00:32:41,430 --> 00:32:40,080

mention it you know i'll call them up

945

00:32:42,230 --> 00:32:41,440

hey what's been going on with you guys

946

00:32:44,070 --> 00:32:42,240

you know

947

00:32:45,750 --> 00:32:44,080

well let's see we went into the market

948

00:32:48,630 --> 00:32:45,760

we went into walmart and i

949

00:32:49,669 --> 00:32:48,640

got some money orders and i went got a

950

00:32:52,470 --> 00:32:49,679

haircut and

951  
00:32:54,630 --> 00:32:52,480  
oh bobby saw sasquatch holding her baby

952  
00:32:57,590 --> 00:32:54,640  
this morning i tell you about that

953  
00:32:59,029 --> 00:32:57,600  
uh no you know i mean did i tell you

954  
00:33:01,029 --> 00:32:59,039  
about the one we found three

955  
00:33:02,230 --> 00:33:01,039  
footprints uh you know a muddy footprint

956  
00:33:05,509 --> 00:33:02,240  
on top of the dog's house

957  
00:33:06,870 --> 00:33:05,519  
outside the house i'm going uh no

958  
00:33:08,549 --> 00:33:06,880  
but i don't expect him to call me every

959  
00:33:11,029 --> 00:33:08,559  
time something but the thing is

960  
00:33:12,149 --> 00:33:11,039  
it's like in an everyday event i get up

961  
00:33:14,070 --> 00:33:12,159  
brush my teeth

962  
00:33:15,830 --> 00:33:14,080  
go walk the dogs see a sasquatch go to

963  
00:33:16,789 --> 00:33:15,840

walmart go to taco bell whatever come

964

00:33:19,830 --> 00:33:16,799

home do my thing

965

00:33:21,190 --> 00:33:19,840

and it just becomes it's a comfortable

966

00:33:22,230 --> 00:33:21,200

thing for me but that's the thing that

967

00:33:24,230 --> 00:33:22,240

shocks me is that

968

00:33:25,350 --> 00:33:24,240

you know here we are beating the the

969

00:33:27,909 --> 00:33:25,360

woods

970

00:33:28,870 --> 00:33:27,919

and the streets and the skies for some

971

00:33:30,870 --> 00:33:28,880

action

972

00:33:32,789 --> 00:33:30,880

and they're just sitting back there you

973

00:33:34,310 --> 00:33:32,799

know working the rose garden and

974

00:33:35,190 --> 00:33:34,320

planting some tomatoes and walking the

975

00:33:36,789 --> 00:33:35,200

dog and

976  
00:33:38,310 --> 00:33:36,799  
living out in the middle of nowhere and

977  
00:33:39,110 --> 00:33:38,320  
these creatures got the run of the

978  
00:33:42,789 --> 00:33:39,120  
property

979  
00:33:43,830 --> 00:33:42,799  
and it's just staggering the sameness of

980  
00:33:45,029 --> 00:33:43,840  
it for them

981  
00:33:46,950 --> 00:33:45,039  
you do you understand what i'm getting

982  
00:33:47,350 --> 00:33:46,960  
at they know exactly what you're talking

983  
00:33:49,990 --> 00:33:47,360  
about

984  
00:33:50,789 --> 00:33:50,000  
it just it's mind-boggling i'm so happy

985  
00:33:52,870 --> 00:33:50,799  
for you and

986  
00:33:53,990 --> 00:33:52,880  
would you like to adopt me i'll move to

987  
00:33:57,669 --> 00:33:54,000  
the country

988  
00:34:00,549 --> 00:33:57,679

please you know take me please i have uh

989

00:34:02,549 --> 00:34:00,559

i i have been involved with a few but

990

00:34:03,350 --> 00:34:02,559

one in particular was one that we got i

991

00:34:06,789 --> 00:34:03,360

got involved with

992

00:34:10,389 --> 00:34:06,799

up in uh nova scotia and uh

993

00:34:12,629 --> 00:34:10,399

i talked to sean about this and you know

994

00:34:14,790 --> 00:34:12,639

uh where this guy he had a full he was a

995

00:34:15,909 --> 00:34:14,800

farmer but he had livestock and stuff

996

00:34:18,470 --> 00:34:15,919

and

997

00:34:19,349 --> 00:34:18,480

there was a family in sasquatch uh

998

00:34:22,310 --> 00:34:19,359

probably about

999

00:34:22,790 --> 00:34:22,320

six of them with some youngsters hanging

1000

00:34:25,430 --> 00:34:22,800

about

1001

00:34:27,030 --> 00:34:25,440

and uh it was just like oh yeah it's

1002

00:34:29,030 --> 00:34:27,040

another day on the forum there's a

1003

00:34:30,230 --> 00:34:29,040

sasquatch uh every once in a while

1004

00:34:33,270 --> 00:34:30,240

they'll get in trouble

1005

00:34:34,069 --> 00:34:33,280

they'll go in in the pigpen and slap the

1006

00:34:36,069 --> 00:34:34,079

hogs around

1007

00:34:37,430 --> 00:34:36,079

and do something really stupid then

1008

00:34:40,710 --> 00:34:37,440

leave gifts

1009

00:34:41,510 --> 00:34:40,720

on the uh on the the steps of the porch

1010

00:34:43,109 --> 00:34:41,520

and

1011

00:34:44,869 --> 00:34:43,119

every once in a while at night you had

1012

00:34:46,869 --> 00:34:44,879

the window open and want to walk by and

1013

00:34:49,750 --> 00:34:46,879

you got a fumigate

1014

00:34:51,030 --> 00:34:49,760

yeah that type of thing yeah and it's

1015

00:34:52,069 --> 00:34:51,040

just like there's you know there's

1016

00:34:54,710 --> 00:34:52,079

nothing going to

1017

00:34:56,230 --> 00:34:54,720

tell you this this particular

1018

00:34:58,710 --> 00:34:56,240

habituation

1019

00:35:00,069 --> 00:34:58,720

in nova scotia had a lot of ufo activity

1020

00:35:03,190 --> 00:35:00,079

involved

1021

00:35:06,230 --> 00:35:03,200

and i'm talking about big craft and

1022

00:35:08,950 --> 00:35:06,240

in fact the guy whose name was gary he

1023

00:35:10,790 --> 00:35:08,960

swore up and down he saw one of these

1024

00:35:14,390 --> 00:35:10,800

sasquatch come out of a

1025

00:35:18,150 --> 00:35:14,400

huge orb-like craft at one point

1026

00:35:21,190 --> 00:35:18,160

uh and i didn't doubt him i mean the guy

1027

00:35:24,630 --> 00:35:21,200

you know he he was so laid

1028

00:35:26,790 --> 00:35:24,640

back and uh yeah but you know he can

1029

00:35:27,670 --> 00:35:26,800

in the way he contacted me he said you

1030

00:35:29,670 --> 00:35:27,680

know

1031

00:35:31,510 --> 00:35:29,680

um i've got some things going on on my

1032

00:35:32,470 --> 00:35:31,520

farm i don't know if you're interested

1033

00:35:34,950 --> 00:35:32,480

but uh

1034

00:35:37,030 --> 00:35:34,960

i'm willing to talk to you about it i

1035

00:35:38,150 --> 00:35:37,040

said okay and this guy had sketches and

1036

00:35:39,589 --> 00:35:38,160

all kinds of stuff

1037

00:35:41,430 --> 00:35:39,599

he had written a journal he had it

1038

00:35:42,710 --> 00:35:41,440

written down what had happened this day

1039

00:35:46,630 --> 00:35:42,720

that day

1040

00:35:49,270 --> 00:35:46,640

uh amazing amazing stuff

1041

00:35:50,150 --> 00:35:49,280

isn't it crazy and it's every it's in

1042

00:35:52,630 --> 00:35:50,160

the everyday

1043

00:35:53,270 --> 00:35:52,640

fabric of their life oh absolutely and

1044

00:35:58,310 --> 00:35:53,280

it's

1045

00:36:01,510 --> 00:35:58,320

as much power

1046

00:36:03,270 --> 00:36:01,520

and importance as a trip to the walmart

1047

00:36:05,829 --> 00:36:03,280

to get some veggies

1048

00:36:07,349 --> 00:36:05,839

you know and and i saw a sasquatch and i

1049

00:36:10,550 --> 00:36:07,359

saw an orb

1050

00:36:11,750 --> 00:36:10,560

you just that that's that's why i do

1051

00:36:13,190 --> 00:36:11,760

this i mean i'm fascinated because i

1052

00:36:15,829 --> 00:36:13,200

want to know the answer

1053

00:36:17,270 --> 00:36:15,839

you know like who are these people and i

1054

00:36:19,670 --> 00:36:17,280

do think they're people they're not

1055

00:36:21,430 --> 00:36:19,680

creatures they're beings you know

1056

00:36:24,310 --> 00:36:21,440

they're they're smarter than we are

1057

00:36:24,950 --> 00:36:24,320

by a long shot guarantee you you know we

1058

00:36:27,829 --> 00:36:24,960

can't even see

1059

00:36:28,710 --> 00:36:27,839

the forest at night so let me you know

1060

00:36:31,270 --> 00:36:28,720

anyway long story

1061

00:36:32,550 --> 00:36:31,280

anyway so what are they what are they

1062

00:36:33,990 --> 00:36:32,560

doing here and and

1063

00:36:36,069 --> 00:36:34,000

i want to know all that we should we

1064

00:36:38,950 --> 00:36:36,079

deserve as humans if there is

1065

00:36:40,230 --> 00:36:38,960

any minute connection i know there is we

1066

00:36:42,470 --> 00:36:40,240

deserve to know i mean why

1067

00:36:44,470 --> 00:36:42,480

why wouldn't we you know we're it's all

1068

00:36:46,310 --> 00:36:44,480

part of the you know the cosmos in the

1069

00:36:47,349 --> 00:36:46,320

universe and the earth and the stardust

1070

00:36:49,270 --> 00:36:47,359

and everything we're all part of the

1071

00:36:51,270 --> 00:36:49,280

same thing so

1072

00:36:53,190 --> 00:36:51,280

but knowledge is power and the us is

1073

00:36:53,990 --> 00:36:53,200

sitting on it the forestry service and

1074

00:36:55,910 --> 00:36:54,000

the lumber companies

1075

00:36:58,069 --> 00:36:55,920

and the timber companies are sitting on

1076

00:36:59,349 --> 00:36:58,079

them because uh there's money to be made

1077

00:37:01,190 --> 00:36:59,359

and there's power to be had by the

1078

00:37:03,030 --> 00:37:01,200

secrets we keep you know

1079

00:37:04,470 --> 00:37:03,040

so it's very frustrating because you

1080

00:37:07,190 --> 00:37:04,480

know a little simple

1081

00:37:08,310 --> 00:37:07,200

hippies like me and you aren't going to

1082

00:37:10,630 --> 00:37:08,320

get anywhere by myself

1083

00:37:11,750 --> 00:37:10,640

you know even if we're 5 000 strong

1084

00:37:13,670 --> 00:37:11,760

we're not going to get much

1085

00:37:15,510 --> 00:37:13,680

you know well i'll be getting too deep

1086

00:37:18,390 --> 00:37:15,520

i'll let you know about it

1087

00:37:20,150 --> 00:37:18,400

oh yeah and that that's what you know

1088

00:37:22,069 --> 00:37:20,160

you talk about your guy in nova scotia i

1089

00:37:23,030 --> 00:37:22,079

got a guy up in canada and he was just

1090

00:37:26,710 --> 00:37:23,040

telling me

1091

00:37:29,349 --> 00:37:26,720

and this is a classic he was on a

1092

00:37:30,710 --> 00:37:29,359

lumbering crew 19 years old this guy's

1093

00:37:32,710 --> 00:37:30,720

been having these creatures in

1094

00:37:34,390 --> 00:37:32,720

involved in his family for 40 some odd

1095

00:37:37,109 --> 00:37:34,400

years 40 to 50.

1096

00:37:40,470 --> 00:37:37,119

he's 65 now and the starter when he was

1097

00:37:42,550 --> 00:37:40,480

10 to 13 he saw his first when he was

1098

00:37:44,310 --> 00:37:42,560

i can't remember but way back we're just

1099

00:37:46,150 --> 00:37:44,320

getting into that but

1100

00:37:47,349 --> 00:37:46,160

he's on a forester crew 19 years old

1101

00:37:50,790 --> 00:37:47,359

they take 12 guys

1102

00:37:53,270 --> 00:37:50,800

out to an area to uh plant trees

1103

00:37:55,829 --> 00:37:53,280

seedlings and stuff before they've some

1104

00:37:58,710 --> 00:37:55,839

recent logging and some old logging

1105

00:37:59,910 --> 00:37:58,720

and so they split up into two groups

1106

00:38:03,510 --> 00:37:59,920

they go out there

1107

00:38:05,589 --> 00:38:03,520

and immediately his group of six

1108

00:38:07,829 --> 00:38:05,599

they're just prancing around the woods

1109

00:38:10,630 --> 00:38:07,839

and they're so giddy and euphoric and

1110

00:38:12,150 --> 00:38:10,640

you know nobody knows why and they start

1111

00:38:14,950 --> 00:38:12,160

looking around on the ground and there's

1112

00:38:15,990 --> 00:38:14,960

footprints barefoot prints and

1113

00:38:18,550 --> 00:38:16,000

handprints

1114

00:38:20,150 --> 00:38:18,560

of all sizes of squats they're bare feet

1115

00:38:22,150 --> 00:38:20,160

what else are they you know

1116

00:38:23,910 --> 00:38:22,160

they're all over this area and then as

1117

00:38:25,670 --> 00:38:23,920

he gets to the hot top of this ridge

1118

00:38:28,870 --> 00:38:25,680

they all see all these

1119

00:38:29,670 --> 00:38:28,880

gigantic prints 20 to 25 inches you know

1120

00:38:32,230 --> 00:38:29,680

big boys

1121

00:38:33,030 --> 00:38:32,240

you know big guys 12 footers you know

1122

00:38:36,230 --> 00:38:33,040

and so

1123

00:38:39,829 --> 00:38:36,240

but it all happened to them all at once

1124

00:38:41,589 --> 00:38:39,839

and they nobody really

1125

00:38:42,710 --> 00:38:41,599

acted like it was anything unusual they

1126  
00:38:44,069 --> 00:38:42,720  
were all doing it and they're all

1127  
00:38:45,109 --> 00:38:44,079  
experiencing the same thing at the same

1128  
00:38:46,950 --> 00:38:45,119  
time it was just

1129  
00:38:48,790 --> 00:38:46,960  
bizarre and it wasn't the sight of the

1130  
00:38:49,829 --> 00:38:48,800  
prince because they as soon as they got

1131  
00:38:52,069 --> 00:38:49,839  
out of the truck

1132  
00:38:52,950 --> 00:38:52,079  
they started running amok it was just

1133  
00:38:56,150 --> 00:38:52,960  
bizarre

1134  
00:38:57,349 --> 00:38:56,160  
the other six guys were the more macho

1135  
00:38:58,630 --> 00:38:57,359  
guys they're hunters

1136  
00:39:00,550 --> 00:38:58,640  
they're not scared of anything they're

1137  
00:39:02,630 --> 00:39:00,560  
macho hunter guys you know and

1138  
00:39:04,550 --> 00:39:02,640

they wanted to run way deeper into the

1139

00:39:05,990 --> 00:39:04,560

woods to maybe see some game you know

1140

00:39:07,990 --> 00:39:06,000

nobody had any guns but they just want

1141

00:39:09,030 --> 00:39:08,000

to see maybe i see a big elk or a bear

1142

00:39:12,790 --> 00:39:09,040

or something

1143

00:39:16,870 --> 00:39:12,800

and so they ran into the deep woods uh

1144

00:39:19,990 --> 00:39:16,880

they ended up getting

1145

00:39:21,670 --> 00:39:20,000

chased uh trees were shaking

1146

00:39:23,510 --> 00:39:21,680

giant hundred foot trees were shaking

1147

00:39:24,310 --> 00:39:23,520

back and forth uh they heard some

1148

00:39:26,550 --> 00:39:24,320

growling

1149

00:39:27,910 --> 00:39:26,560

and they all come running back and the

1150

00:39:29,030 --> 00:39:27,920

whole point of telling you this the

1151

00:39:31,270 --> 00:39:29,040

foreman's sitting there and he's

1152

00:39:33,270 --> 00:39:31,280

watching all this he's going what the

1153

00:39:35,430 --> 00:39:33,280

and he knows gets on the radio he knows

1154

00:39:36,790 --> 00:39:35,440

what's going on they get back

1155

00:39:37,990 --> 00:39:36,800

he starts talking to him what do you

1156

00:39:39,190 --> 00:39:38,000

think what you see what'd you hear

1157

00:39:40,069 --> 00:39:39,200

what's going on what's wrong with you

1158

00:39:44,470 --> 00:39:40,079

guys

1159

00:39:46,950 --> 00:39:44,480

word about this

1160

00:39:48,230 --> 00:39:46,960

or you're fired this didn't happen you

1161

00:39:51,430 --> 00:39:48,240

say nothing to anyone

1162

00:39:53,430 --> 00:39:51,440

period end of conversation

1163

00:39:55,349 --> 00:39:53,440

half the guys when they went out the

1164

00:39:57,829 --> 00:39:55,359

next time half of them just quit

1165

00:39:59,109 --> 00:39:57,839

they just left they were totally freaked

1166

00:40:00,710 --> 00:39:59,119

out most of them were the macho guys

1167

00:40:03,750 --> 00:40:00,720

that went down there and had

1168

00:40:06,150 --> 00:40:03,760

uh probably some type of infrasound or

1169

00:40:08,150 --> 00:40:06,160

some type of

1170

00:40:09,430 --> 00:40:08,160

cosmic psychic connection with these

1171

00:40:12,870 --> 00:40:09,440

creatures because they were

1172

00:40:14,230 --> 00:40:12,880

freaked out you know and so and then the

1173

00:40:15,510 --> 00:40:14,240

rest of the six guys

1174

00:40:17,589 --> 00:40:15,520

they put each of them on a different

1175

00:40:18,470 --> 00:40:17,599

crew so they have no one to talk to i

1176

00:40:21,430 --> 00:40:18,480

said you talk

1177

00:40:23,270 --> 00:40:21,440

you're fired you say nothing and how

1178

00:40:25,109 --> 00:40:23,280

many times have you heard that

1179

00:40:27,750 --> 00:40:25,119

or i've heard i have heard it many many

1180

00:40:31,109 --> 00:40:27,760

years in other situations

1181

00:40:34,309 --> 00:40:31,119

yeah and so you know the threat

1182

00:40:36,550 --> 00:40:34,319

buys the silence you know what you saw

1183

00:40:40,710 --> 00:40:36,560

you know what you experienced

1184

00:40:42,230 --> 00:40:40,720

nobody saw one but everything but

1185

00:40:43,990 --> 00:40:42,240

you know the evidence all these bare

1186

00:40:45,670 --> 00:40:44,000

feet and there's the story is much more

1187

00:40:48,470 --> 00:40:45,680

complex than that

1188

00:40:49,910 --> 00:40:48,480

there was a an area scraped out that

1189

00:40:51,670 --> 00:40:49,920

looked like they were playing games and

1190

00:40:55,030 --> 00:40:51,680

stuff that's a whole other

1191

00:40:56,790 --> 00:40:55,040

theoretical thing but anyway so but

1192

00:40:58,309 --> 00:40:56,800

i've heard this at least a dozen times

1193

00:40:59,910 --> 00:40:58,319

if not more than anybody you read about

1194

00:41:01,349 --> 00:40:59,920

at all in forestry i mean

1195

00:41:03,109 --> 00:41:01,359

you didn't see this didn't happen you

1196

00:41:06,390 --> 00:41:03,119

know you heard from cops pilots

1197

00:41:07,990 --> 00:41:06,400

other you know ufos sasquatch but

1198

00:41:09,270 --> 00:41:08,000

i've heard that so many times and other

1199

00:41:10,550 --> 00:41:09,280

people have too with the forestry

1200

00:41:12,230 --> 00:41:10,560

service that you know

1201  
00:41:13,589 --> 00:41:12,240  
because you know they're in their

1202  
00:41:15,990 --> 00:41:13,599  
territory

1203  
00:41:17,510 --> 00:41:16,000  
and they went too deep in the woods and

1204  
00:41:18,790 --> 00:41:17,520  
that's why they were chased off because

1205  
00:41:21,109 --> 00:41:18,800  
they went so deep

1206  
00:41:22,550 --> 00:41:21,119  
to where like it's possible no one has

1207  
00:41:25,349 --> 00:41:22,560  
ever been there before

1208  
00:41:26,630 --> 00:41:25,359  
you know humans because it's so far deep

1209  
00:41:29,030 --> 00:41:26,640  
and there's no roads you just

1210  
00:41:30,790 --> 00:41:29,040  
you go back there and you you cut a

1211  
00:41:32,790 --> 00:41:30,800  
plant path to get to where you want to

1212  
00:41:35,910 --> 00:41:32,800  
go and take all the old growth trees

1213  
00:41:37,430 --> 00:41:35,920

so so the ones but

1214

00:41:39,109 --> 00:41:37,440

they know that's going on and it's all

1215

00:41:41,190 --> 00:41:39,119

hushed up you know

1216

00:41:43,030 --> 00:41:41,200

and you it's the same thing with ufos

1217

00:41:46,069 --> 00:41:43,040

you have a pilot or a cop or

1218

00:41:47,510 --> 00:41:46,079

a military guy says the ufo maybe not

1219

00:41:49,589 --> 00:41:47,520

now but say 10 years ago

1220

00:41:51,510 --> 00:41:49,599

you didn't see nothing we're not writing

1221

00:41:55,109 --> 00:41:51,520

this up it didn't happen

1222

00:41:56,390 --> 00:41:55,119

you know well you know one thing i i

1223

00:41:58,790 --> 00:41:56,400

find fascinating

1224

00:42:00,069 --> 00:41:58,800

are these search and rescue people i'm

1225

00:42:01,589 --> 00:42:00,079

talking about professionals and

1226

00:42:04,230 --> 00:42:01,599

volunteers but

1227

00:42:05,589 --> 00:42:04,240

they they see a lot of stuff yeah i have

1228

00:42:08,790 --> 00:42:05,599

talked a few of them

1229

00:42:11,510 --> 00:42:08,800

in the past and uh it's just not

1230

00:42:14,230 --> 00:42:11,520

sasquatch or it's just really weird

1231

00:42:17,349 --> 00:42:14,240

stuff it's just totally unexplained

1232

00:42:18,150 --> 00:42:17,359

uh you know you hear all about this

1233

00:42:20,550 --> 00:42:18,160

4-1-1

1234

00:42:22,390 --> 00:42:20,560

missing and all this other stuff and

1235

00:42:24,470 --> 00:42:22,400

stuff going on in the state parks well

1236

00:42:26,309 --> 00:42:24,480

you know you mentioned today i i posted

1237

00:42:29,510 --> 00:42:26,319

something about um

1238

00:42:32,150 --> 00:42:29,520

about two hikers in in virginia who

1239

00:42:34,150 --> 00:42:32,160

who lost time after they heard this rule

1240

00:42:36,390 --> 00:42:34,160

like the metal one middle

1241

00:42:37,430 --> 00:42:36,400

uh thing and you know who's to say they

1242

00:42:39,990 --> 00:42:37,440

weren't abducted

1243

00:42:41,349 --> 00:42:40,000

i mean when they when they woke up they

1244

00:42:44,309 --> 00:42:41,359

were sitting in their car

1245

00:42:45,510 --> 00:42:44,319

so you to say they weren't abducted at

1246

00:42:48,390 --> 00:42:45,520

some point

1247

00:42:49,990 --> 00:42:48,400

yeah um but it's that kind of stuff you

1248

00:42:53,349 --> 00:42:50,000

know if you're working

1249

00:42:55,190 --> 00:42:53,359

in search and rescue and

1250

00:42:57,109 --> 00:42:55,200

somebody tells you that or you see

1251  
00:42:59,109 --> 00:42:57,119  
something you can't explain

1252  
00:43:00,870 --> 00:42:59,119  
first of all you got to watch how you

1253  
00:43:02,790 --> 00:43:00,880  
report it

1254  
00:43:05,270 --> 00:43:02,800  
you know when you write the report up

1255  
00:43:07,990 --> 00:43:05,280  
and and then say well this this happened

1256  
00:43:08,550 --> 00:43:08,000  
and you know and you got to really be

1257  
00:43:10,950 --> 00:43:08,560  
careful

1258  
00:43:11,589 --> 00:43:10,960  
but a lot of these a lot of these folks

1259  
00:43:13,670 --> 00:43:11,599  
uh

1260  
00:43:15,750 --> 00:43:13,680  
who i've talked to they've been there

1261  
00:43:17,910 --> 00:43:15,760  
for a short time they've seen

1262  
00:43:19,589 --> 00:43:17,920  
way too many things they can't explain

1263  
00:43:20,390 --> 00:43:19,599

and that's it they're not going back in

1264

00:43:25,270 --> 00:43:20,400

there

1265

00:43:26,950 --> 00:43:25,280

yeah it it it it's it's fascinating

1266

00:43:28,870 --> 00:43:26,960

a couple of my habituation people they

1267

00:43:32,550 --> 00:43:28,880

have seen

1268

00:43:35,829 --> 00:43:32,560

massive craft 100 yards long oh yeah

1269

00:43:37,589 --> 00:43:35,839

slowly going on their front

1270

00:43:39,430 --> 00:43:37,599

the front of their house faces a you

1271

00:43:41,510 --> 00:43:39,440

know the chip rock road goes

1272

00:43:42,710 --> 00:43:41,520

for about a mile down into the woods and

1273

00:43:46,710 --> 00:43:42,720

so this craft

1274

00:43:48,550 --> 00:43:46,720

is just slowly cruising down their road

1275

00:43:49,750 --> 00:43:48,560

probably about 100 feet in the air it's

1276

00:43:52,550 --> 00:43:49,760

massive it's it's

1277

00:43:53,510 --> 00:43:52,560

100 yards long it's long cigar shaped

1278

00:43:57,510 --> 00:43:53,520

cylindrical

1279

00:43:59,589 --> 00:43:57,520

type craft silver and it's glowing

1280

00:44:00,870 --> 00:43:59,599

and it's at night but there's no obvious

1281

00:44:04,309 --> 00:44:00,880

light it's just

1282

00:44:06,150 --> 00:44:04,319

emitting a sense of light it's it's

1283

00:44:07,750 --> 00:44:06,160

odd the way they described it it's like

1284

00:44:11,910 --> 00:44:07,760

it was backlit

1285

00:44:13,190 --> 00:44:11,920

lights across the street uh on the trees

1286

00:44:14,710 --> 00:44:13,200

and there wasn't so anyway there was it

1287

00:44:18,069 --> 00:44:14,720

was an odd thing but

1288

00:44:21,109 --> 00:44:18,079

uh they've they've seen that stuff

1289

00:44:21,990 --> 00:44:21,119

and uh who's to say they're not coming

1290

00:44:23,589 --> 00:44:22,000

and checking

1291

00:44:25,030 --> 00:44:23,599

people out you know because they're

1292

00:44:26,390 --> 00:44:25,040

having sasquatch events maybe the

1293

00:44:29,910 --> 00:44:26,400

sasquatch are related

1294

00:44:31,750 --> 00:44:29,920

it's you if you consider

1295

00:44:33,829 --> 00:44:31,760

all this if you believe that all this is

1296

00:44:35,750 --> 00:44:33,839

going on in some way shape or form

1297

00:44:37,109 --> 00:44:35,760

in the first place and then you factor

1298

00:44:38,710 --> 00:44:37,119

in well i'm going to listen to

1299

00:44:40,470 --> 00:44:38,720

at least some of this because this is

1300

00:44:41,990 --> 00:44:40,480

actually explain some things i mean i

1301  
00:44:43,670 --> 00:44:42,000  
believe it but boy it kind of makes

1302  
00:44:45,270 --> 00:44:43,680  
sense whether i hate to admit it or not

1303  
00:44:47,030 --> 00:44:45,280  
and then you get to the stuff that like

1304  
00:44:49,030 --> 00:44:47,040  
just totally blows your mind

1305  
00:44:51,109 --> 00:44:49,040  
and if you're open to any of that just

1306  
00:44:54,470 --> 00:44:51,119  
to consider it you're going to have

1307  
00:44:56,870 --> 00:44:54,480  
such a variety of opinions to have

1308  
00:44:57,750 --> 00:44:56,880  
you know you're going to have a influx

1309  
00:44:59,670 --> 00:44:57,760  
of

1310  
00:45:01,190 --> 00:44:59,680  
energy and thoughts from all the other

1311  
00:45:03,030 --> 00:45:01,200  
people in the events you're going to

1312  
00:45:05,349 --> 00:45:03,040  
you know interpret them on your own and

1313  
00:45:08,790 --> 00:45:05,359

go wow if i'm a thinking

1314

00:45:10,150 --> 00:45:08,800

honest person and i talk about this to

1315

00:45:11,510 --> 00:45:10,160

myself well what am i going to think

1316

00:45:12,710 --> 00:45:11,520

what am i going to say if nobody's

1317

00:45:14,069 --> 00:45:12,720

listening

1318

00:45:16,230 --> 00:45:14,079

you know that's maybe there's a lot

1319

00:45:17,589 --> 00:45:16,240

going on but the whole thing is

1320

00:45:20,309 --> 00:45:17,599

if you just keep an open mind about all

1321

00:45:23,510 --> 00:45:20,319

this stuff it is

1322

00:45:24,309 --> 00:45:23,520

fascinating and there's thousands more

1323

00:45:29,190 --> 00:45:24,319

just like you

1324

00:45:36,710 --> 00:45:32,790

uh dina oh yes i do yeah good question

1325

00:45:39,349 --> 00:45:36,720

yeah it is uh yes she would know

1326

00:45:40,069 --> 00:45:39,359

but yes uh i i do believe that uh

1327

00:45:42,630 --> 00:45:40,079

because

1328

00:45:43,670 --> 00:45:42,640

on the visitation or habituation

1329

00:45:47,430 --> 00:45:43,680

properties

1330

00:45:49,750 --> 00:45:47,440

uh you're wanting a relationship

1331

00:45:51,589 --> 00:45:49,760

and if you encourage it that's even

1332

00:45:52,230 --> 00:45:51,599

better but if you just do the visitation

1333

00:45:55,510 --> 00:45:52,240

which i

1334

00:45:57,349 --> 00:45:55,520

i document as

1335

00:45:59,670 --> 00:45:57,359

letting them come and go but you're not

1336

00:46:02,309 --> 00:45:59,680

encouraging or discouraging you just

1337

00:46:03,670 --> 00:46:02,319

interact and you live your own separate

1338

00:46:05,030 --> 00:46:03,680

lives you know habituation is where

1339

00:46:05,670 --> 00:46:05,040

you're feeding them and wanting them to

1340

00:46:07,430 --> 00:46:05,680

come out

1341

00:46:09,750 --> 00:46:07,440

but you end up having a relationship

1342

00:46:11,030 --> 00:46:09,760

even at a long distance with visitation

1343

00:46:12,309 --> 00:46:11,040

because you know their habits you know

1344

00:46:12,790 --> 00:46:12,319

you're going to see them you know they

1345

00:46:15,670 --> 00:46:12,800

might

1346

00:46:16,870 --> 00:46:15,680

wave or something and it's like you're

1347

00:46:18,710 --> 00:46:16,880

talking with a

1348

00:46:21,270 --> 00:46:18,720

primordial beast maybe something that's

1349

00:46:22,950 --> 00:46:21,280

been around millions of years 500 i mean

1350

00:46:26,230 --> 00:46:22,960

who knows how long they've been around

1351  
00:46:26,630 --> 00:46:26,240  
who they are so you're encouraging it

1352  
00:46:29,190 --> 00:46:26,640  
when

1353  
00:46:29,910 --> 00:46:29,200  
you consider them harmless i wouldn't

1354  
00:46:31,589 --> 00:46:29,920  
say you might

1355  
00:46:33,030 --> 00:46:31,599  
call them a friend but you're certainly

1356  
00:46:33,349 --> 00:46:33,040  
would be protective of them if there

1357  
00:46:35,030 --> 00:46:33,359  
were

1358  
00:46:37,270 --> 00:46:35,040  
hunters or people after them you know

1359  
00:46:37,910 --> 00:46:37,280  
you'd want to let people know about that

1360  
00:46:39,750 --> 00:46:37,920  
stuff so

1361  
00:46:41,829 --> 00:46:39,760  
yeah that's a good question actually

1362  
00:46:44,309 --> 00:46:41,839  
good

1363  
00:46:46,069 --> 00:46:44,319

any reports of rhythmic clicking sound

1364

00:46:50,069 --> 00:46:46,079

with no visual sighting of

1365

00:46:51,349 --> 00:46:50,079

the source well i i i can say when i had

1366

00:46:53,430 --> 00:46:51,359

my encounter

1367

00:46:57,190 --> 00:46:53,440

now i saw the thing but it was clicking

1368

00:46:59,109 --> 00:46:57,200

you know it was gnashing its teeth um

1369

00:47:01,190 --> 00:46:59,119

i don't know how have you heard anything

1370

00:47:01,750 --> 00:47:01,200

about that just the clicking sound and

1371

00:47:06,870 --> 00:47:01,760

not

1372

00:47:08,710 --> 00:47:06,880

the the only thing that comes to mind is

1373

00:47:11,270 --> 00:47:08,720

rock clacking you know

1374

00:47:12,230 --> 00:47:11,280

and i i have heard them but what i

1375

00:47:14,150 --> 00:47:12,240

assume was one

1376

00:47:15,990 --> 00:47:14,160

it was very loud you know clicking his

1377

00:47:19,030 --> 00:47:16,000

teeth you know

1378

00:47:22,829 --> 00:47:19,040

and so i i know they can do that uh

1379

00:47:27,109 --> 00:47:22,839

but i have not experienced it myself you

1380

00:47:32,790 --> 00:47:28,710

there's a good one who is that's a

1381

00:47:34,790 --> 00:47:32,800

troublemaker isn't he vince richardson

1382

00:47:37,109 --> 00:47:34,800

yeah he's the troublemaker i've heard

1383

00:47:39,910 --> 00:47:37,119

that name before somewhere

1384

00:47:40,950 --> 00:47:39,920

yeah he's on here he works with us yeah

1385

00:47:43,349 --> 00:47:40,960

yeah you know

1386

00:47:44,390 --> 00:47:43,359

you had to you had to let him go uh but

1387

00:47:45,990 --> 00:47:44,400

uh so could be

1388

00:47:48,950 --> 00:47:46,000

could the healers be using sasquatch's

1389

00:47:51,990 --> 00:47:48,960

avatar do you wanna you wanna take that

1390

00:47:55,030 --> 00:47:52,000

what do you think i

1391

00:48:00,230 --> 00:47:55,040

don't think so i'm honestly

1392

00:48:02,069 --> 00:48:00,240

i am you know i think it's possible

1393

00:48:04,549 --> 00:48:02,079

i've never found any evidence it could

1394

00:48:07,910 --> 00:48:04,559

be but you know who knows

1395

00:48:11,510 --> 00:48:07,920

um it's an interesting concept yeah

1396

00:48:16,309 --> 00:48:11,520

for sure uh you know i

1397

00:48:19,990 --> 00:48:17,750

actually i was gonna say i don't know if

1398

00:48:25,030 --> 00:48:20,000

you saw it on the thread

1399

00:48:27,910 --> 00:48:25,040

yeah of uh possibly a cloak sasquatch or

1400

00:48:29,510 --> 00:48:27,920

a glimmer man sighting yeah i saw that i

1401

00:48:32,069 --> 00:48:29,520

saw that

1402

00:48:33,910 --> 00:48:32,079

it looked like a a leg but it looked

1403

00:48:35,430 --> 00:48:33,920

more like a tree after a while it just

1404

00:48:36,950 --> 00:48:35,440

kind of it went off it looked like it

1405

00:48:37,829 --> 00:48:36,960

was something very long and tall kind of

1406

00:48:39,430 --> 00:48:37,839

laying

1407

00:48:41,510 --> 00:48:39,440

out at like a 45 degree angle or

1408

00:48:44,150 --> 00:48:41,520

something i i you know when

1409

00:48:45,910 --> 00:48:44,160

lewis gets that information i'm going to

1410

00:48:49,990 --> 00:48:45,920

look into him and we talk to

1411

00:48:50,309 --> 00:48:50,000

the witness but uh that's bizarre i mean

1412

00:48:53,589 --> 00:48:50,319

that

1413

00:48:56,470 --> 00:48:53,599

seen a lot of the glimmer man stuff

1414

00:48:57,109 --> 00:48:56,480

i've seen just a very few pictures of it

1415

00:49:01,990 --> 00:48:57,119

but

1416

00:49:04,630 --> 00:49:02,000

that one was very interesting so um

1417

00:49:06,230 --> 00:49:04,640

are they you know you think about the

1418

00:49:08,870 --> 00:49:06,240

predator movies

1419

00:49:10,630 --> 00:49:08,880

or are do they do they have the ability

1420

00:49:14,150 --> 00:49:10,640

to do that you know i know a lot of

1421

00:49:15,829 --> 00:49:14,160

researchers who believe that sasquatch

1422

00:49:17,589 --> 00:49:15,839

and other cryptids i have cloaking

1423

00:49:19,829 --> 00:49:17,599

abilities of some type

1424

00:49:21,109 --> 00:49:19,839

i'm starting to get pictures from people

1425

00:49:24,150 --> 00:49:21,119

yeah regarding that

1426

00:49:27,030 --> 00:49:24,160

yeah do you ever see that video uh

1427

00:49:28,630 --> 00:49:27,040

squatching with gabby and something and

1428

00:49:32,230 --> 00:49:28,640

it's got this

1429

00:49:35,510 --> 00:49:32,240

talking sasquatch it's i mean it's

1430

00:49:39,190 --> 00:49:35,520

yeah look it up is squashing with gabby

1431

00:49:41,750 --> 00:49:39,200

and somebody and the night before

1432

00:49:42,549 --> 00:49:41,760

or the day before they had seen they

1433

00:49:44,230 --> 00:49:42,559

thought they saw

1434

00:49:46,150 --> 00:49:44,240

a sasquatch i think it was the night

1435

00:49:47,829 --> 00:49:46,160

before okay and so they went back to

1436

00:49:49,829 --> 00:49:47,839

that place the next day

1437

00:49:50,950 --> 00:49:49,839

to see if there was any prints or any

1438

00:49:54,230 --> 00:49:50,960

trace

1439

00:49:54,950 --> 00:49:54,240

and they were the lady named gabby was

1440

00:49:56,710 --> 00:49:54,960

sitting

1441

00:49:58,630 --> 00:49:56,720

she was talking to the camera and the

1442

00:50:00,390 --> 00:49:58,640

camera was pointing at the place

1443

00:50:02,870 --> 00:50:00,400

where it happened behind her and all of

1444

00:50:06,230 --> 00:50:02,880

a sudden you see this gelatinous

1445

00:50:07,910 --> 00:50:06,240

mass kind of humanoid

1446

00:50:09,750 --> 00:50:07,920

figure but it's definitely a figure of

1447

00:50:11,190 --> 00:50:09,760

some type kind of morphing and then

1448

00:50:13,349 --> 00:50:11,200

going back into the trees and some of

1449

00:50:15,190 --> 00:50:13,359

the trees move a little bit

1450

00:50:17,270 --> 00:50:15,200

that's bizarre and somebody goes what

1451

00:50:19,109 --> 00:50:17,280

was that and they didn't even see it

1452

00:50:20,790 --> 00:50:19,119

yeah the person shooting the camera saw

1453

00:50:21,829 --> 00:50:20,800

it but gabby didn't and nobody else that

1454

00:50:22,950 --> 00:50:21,839

was there was two or three other people

1455

00:50:25,589 --> 00:50:22,960

they didn't see it

1456

00:50:26,950 --> 00:50:25,599

and then they played it back but look

1457

00:50:30,150 --> 00:50:26,960

it's it's fast

1458

00:50:30,870 --> 00:50:30,160

it's if it's not staged and i don't

1459

00:50:33,349 --> 00:50:30,880

think it is i

1460

00:50:34,230 --> 00:50:33,359

i i can tell on pictures mostly i have

1461

00:50:36,390 --> 00:50:34,240

you know typical

1462

00:50:38,470 --> 00:50:36,400

photo tampering stuff but i have videos

1463

00:50:41,670 --> 00:50:38,480

i haven't mastered that yet

1464

00:50:42,630 --> 00:50:41,680

but it sure looks and the reactions were

1465

00:50:45,510 --> 00:50:42,640

like

1466

00:50:45,990 --> 00:50:45,520

priceless it's squatching with gabby or

1467

00:50:49,349 --> 00:50:46,000

but

1468

00:50:51,670 --> 00:50:49,359

if you look it up it's a very short clip

1469

00:50:52,950 --> 00:50:51,680

uh but when they slow it down everything

1470

00:50:55,190 --> 00:50:52,960

i think thinker thinker's done some

1471

00:50:57,430 --> 00:50:55,200

stuff with it you know i mean it's

1472

00:50:58,870 --> 00:50:57,440

very interesting so i don't put that

1473

00:51:00,470 --> 00:50:58,880

past them if they can do some of the

1474

00:51:03,510 --> 00:51:00,480

other things we even think they can

1475

00:51:05,750 --> 00:51:03,520

why couldn't they do that you know

1476

00:51:08,230 --> 00:51:05,760

why could not an orb and we all

1477

00:51:11,109 --> 00:51:08,240

associate orbs with uh

1478

00:51:12,710 --> 00:51:11,119

ghosts and spirits well what if an orb

1479

00:51:14,309 --> 00:51:12,720

happens just to be the form of energy

1480

00:51:16,069 --> 00:51:14,319

you take while you're transforming from

1481

00:51:20,470 --> 00:51:16,079

one

1482

00:51:22,150 --> 00:51:20,480

dimension or another

1483

00:51:23,990 --> 00:51:22,160

you know maybe that's just your mode of

1484

00:51:25,510 --> 00:51:24,000

travel that's like you have to get

1485

00:51:28,309 --> 00:51:25,520

you have to become this blue orb of

1486

00:51:29,829 --> 00:51:28,319

energy to survive the trip into the next

1487

00:51:31,829 --> 00:51:29,839

dimension and now we're getting all

1488

00:51:34,870 --> 00:51:31,839

woo-woo but

1489

00:51:36,790 --> 00:51:34,880

it's all possible and a lot of that's

1490

00:51:38,150 --> 00:51:36,800

proved by quantum physics and quantum

1491

00:51:41,990 --> 00:51:38,160

math you know it's

1492

00:51:45,589 --> 00:51:42,000

possible how many

1493

00:51:48,829 --> 00:51:45,599

basic question this is from depocalypse

1494

00:51:50,470 --> 00:51:48,839

uh types of sasquatch are there in the

1495

00:51:55,589 --> 00:51:50,480

wild

1496

00:51:56,630 --> 00:51:55,599

uh you know i i know of um

1497

00:51:58,870 --> 00:51:56,640

i mean there are a lot of different

1498

00:52:01,270 --> 00:51:58,880

types i mean they're they're

1499

00:52:02,470 --> 00:52:01,280

it may be the same species they're very

1500

00:52:04,309 --> 00:52:02,480

close but they

1501  
00:52:06,150 --> 00:52:04,319  
there are different body types of course

1502  
00:52:08,710 --> 00:52:06,160  
you got up in the upper

1503  
00:52:09,270 --> 00:52:08,720  
i mean the upper uh pacific northwest

1504  
00:52:12,630 --> 00:52:09,280  
you've got

1505  
00:52:16,230 --> 00:52:12,640  
the uh the very reddish hairy

1506  
00:52:18,630 --> 00:52:16,240  
thick hair beans uh

1507  
00:52:19,670 --> 00:52:18,640  
giant a lot of times you got groups of

1508  
00:52:22,549 --> 00:52:19,680  
them

1509  
00:52:23,430 --> 00:52:22,559  
uh down in florida you got the skunk

1510  
00:52:26,870 --> 00:52:23,440  
gate type

1511  
00:52:30,230 --> 00:52:26,880  
smaller that are very thick hair

1512  
00:52:33,589 --> 00:52:30,240  
very reddish color and they're hustle

1513  
00:52:34,710 --> 00:52:33,599

and a bit hostile uh in in the gulf

1514

00:52:38,790 --> 00:52:34,720

coast along

1515

00:52:43,430 --> 00:52:38,800

uh into louisiana east texas and such

1516

00:52:48,950 --> 00:52:46,470

you know you've got some type of being

1517

00:52:50,069 --> 00:52:48,960

and and those i i've just said i believe

1518

00:52:53,910 --> 00:52:50,079

they are indigenous

1519

00:52:55,910 --> 00:52:53,920

i do believe that those three areas

1520

00:52:57,589 --> 00:52:55,920

that what we are seeing or people saying

1521

00:52:59,270 --> 00:52:57,599

are indigenous beings

1522

00:53:02,549 --> 00:52:59,280

and there was a question earlier about

1523

00:53:05,109 --> 00:53:02,559

them breathing and i think they do breed

1524

00:53:06,950 --> 00:53:05,119

but as far as what's going on in other

1525

00:53:09,430 --> 00:53:06,960

parts of the country in particular

1526

00:53:10,390 --> 00:53:09,440

in north america some parts of north

1527

00:53:13,910 --> 00:53:10,400

america

1528

00:53:15,109 --> 00:53:13,920

uh i you know you first of all you see a

1529

00:53:17,670 --> 00:53:15,119

lot of signature

1530

00:53:19,109 --> 00:53:17,680

singular beans a lot of singular

1531

00:53:22,549 --> 00:53:19,119

sasquatch

1532

00:53:26,549 --> 00:53:22,559

and they seem to just show up

1533

00:53:28,470 --> 00:53:26,559

for the most part um

1534

00:53:30,150 --> 00:53:28,480

i mean you see them in some areas where

1535

00:53:31,910 --> 00:53:30,160

you think people if they if they were

1536

00:53:33,670 --> 00:53:31,920

really there all the time

1537

00:53:35,510 --> 00:53:33,680

you would there'd be more than one

1538

00:53:38,950 --> 00:53:35,520

person seeing them but then again

1539

00:53:40,390 --> 00:53:38,960

you know they are masters of disguise so

1540

00:53:41,750 --> 00:53:40,400

i don't know what are your thoughts on

1541

00:53:45,190 --> 00:53:41,760

all this

1542

00:53:46,790 --> 00:53:45,200

well i think they are uh

1543

00:53:49,190 --> 00:53:46,800

i think they're everywhere and i think

1544

00:53:52,150 --> 00:53:49,200

they're i judge them more not by body

1545

00:53:55,030 --> 00:53:52,160

type by personality type which dictates

1546

00:53:55,990 --> 00:53:55,040

you know your social structure and the

1547

00:53:57,750 --> 00:53:56,000

type of people you have

1548

00:54:00,230 --> 00:53:57,760

and the type of people you might meet in

1549

00:54:01,990 --> 00:54:00,240

in and breed with you know all that but

1550

00:54:03,270 --> 00:54:02,000

you know i think they have the same

1551

00:54:05,829 --> 00:54:03,280

types of personalities

1552

00:54:08,150 --> 00:54:05,839

we do we have really nice people we have

1553

00:54:10,470 --> 00:54:08,160

clergy type people we have presidents we

1554

00:54:14,309 --> 00:54:10,480

have politicians we have workers

1555

00:54:17,349 --> 00:54:14,319

we have musicians artistic whatever

1556

00:54:18,549 --> 00:54:17,359

angry people hostile people peaceful

1557

00:54:19,829 --> 00:54:18,559

spiritual people and everything in

1558

00:54:21,190 --> 00:54:19,839

between and i think it's the same with

1559

00:54:23,670 --> 00:54:21,200

the sasquatch people i think the

1560

00:54:27,510 --> 00:54:25,670

yeah i think they do you know they i

1561

00:54:27,829 --> 00:54:27,520

think it's more in clans you know like

1562

00:54:30,870 --> 00:54:27,839

more

1563

00:54:34,230 --> 00:54:30,880

in regional groups i think um

1564

00:54:35,910 --> 00:54:34,240

nothing to base that theory on and just

1565

00:54:37,349 --> 00:54:35,920

and hearing things from people who are

1566

00:54:40,470 --> 00:54:37,359

seeing

1567

00:54:40,789 --> 00:54:40,480

large groups on a regular type basis and

1568

00:54:44,390 --> 00:54:40,799

they

1569

00:54:46,150 --> 00:54:44,400

see the same ones but that could just be

1570

00:54:48,069 --> 00:54:46,160

for that specific area it could be for

1571

00:54:49,030 --> 00:54:48,079

that 200 square mile area and it could

1572

00:54:51,829 --> 00:54:49,040

be going

1573

00:54:54,309 --> 00:54:51,839

totally different somewhere else but i i

1574

00:54:57,190 --> 00:54:54,319

think that they're

1575

00:54:57,510 --> 00:54:57,200

they their personality types dictate you

1576  
00:54:59,349 --> 00:54:57,520  
know

1577  
00:55:00,710 --> 00:54:59,359  
who and what they are and i think

1578  
00:55:03,750 --> 00:55:00,720  
there's so many of them

1579  
00:55:04,230 --> 00:55:03,760  
uh the the body type just kind of meld

1580  
00:55:06,069 --> 00:55:04,240  
although

1581  
00:55:07,349 --> 00:55:06,079  
you know what lon said you you you've

1582  
00:55:08,710 --> 00:55:07,359  
got the skunk capes in florida they're a

1583  
00:55:09,190 --> 00:55:08,720  
little shorter in the hostel you've got

1584  
00:55:10,710 --> 00:55:09,200  
the big

1585  
00:55:12,390 --> 00:55:10,720  
giant guys up in canada and pacific

1586  
00:55:13,589 --> 00:55:12,400  
northwest i mean they're the 10 12

1587  
00:55:15,109 --> 00:55:13,599  
footers and they're massive and

1588  
00:55:17,190 --> 00:55:15,119

they're usually the red haired giants as

1589

00:55:19,030 --> 00:55:17,200

they say and you've got kind of

1590

00:55:20,470 --> 00:55:19,040

the rest of them are kind of like the

1591

00:55:21,990 --> 00:55:20,480

mutts where all the mutts you know the

1592

00:55:23,670 --> 00:55:22,000

mutts are all the rest in the middle

1593

00:55:25,829 --> 00:55:23,680

area you know you've got you know from

1594

00:55:26,950 --> 00:55:25,839

ohio they've got certain types you know

1595

00:55:29,109 --> 00:55:26,960

texas missouri

1596

00:55:30,470 --> 00:55:29,119

and everything we all got everything

1597

00:55:31,270 --> 00:55:30,480

they're a little bit different they're

1598

00:55:33,829 --> 00:55:31,280

kind of mutts

1599

00:55:34,950 --> 00:55:33,839

you know they've kind of soil soil their

1600

00:55:37,750 --> 00:55:34,960

genetics so to speak

1601  
00:55:38,789 --> 00:55:37,760  
as we have over you know however many

1602  
00:55:41,430 --> 00:55:38,799  
years we've been here

1603  
00:55:42,870 --> 00:55:41,440  
you know your gene pool just changes and

1604  
00:55:44,549 --> 00:55:42,880  
if it evolves

1605  
00:55:45,829 --> 00:55:44,559  
i think there's those two just like ours

1606  
00:55:48,710 --> 00:55:45,839  
i don't think they're that different in

1607  
00:55:52,950 --> 00:55:48,720  
that aspect so

1608  
00:55:54,549 --> 00:55:52,960  
that vince had put up an interesting

1609  
00:55:57,109 --> 00:55:54,559  
question do we have time

1610  
00:55:58,630 --> 00:55:57,119  
yeah about your most memorable

1611  
00:56:02,069 --> 00:55:58,640  
paranormal experience

1612  
00:56:05,270 --> 00:56:02,079  
suspects or otherwise well

1613  
00:56:08,630 --> 00:56:05,280

gosh dang it uh

1614

00:56:11,670 --> 00:56:08,640

not not to plug the book but this one

1615

00:56:13,670 --> 00:56:11,680

uh told me i was on the right track uh

1616

00:56:16,069 --> 00:56:13,680

real quick i led an expedition in

1617

00:56:19,190 --> 00:56:16,079

illinois 2019 from bfro

1618

00:56:21,990 --> 00:56:19,200

there was only four people

1619

00:56:23,270 --> 00:56:22,000

uh that showed up there was a bunch more

1620

00:56:25,109 --> 00:56:23,280

they had canceled the

1621

00:56:26,470 --> 00:56:25,119

uh expedition because the person who was

1622

00:56:28,309 --> 00:56:26,480

gonna do it

1623

00:56:29,670 --> 00:56:28,319

couldn't and so they had all these

1624

00:56:31,510 --> 00:56:29,680

people who wanted to go well by the time

1625

00:56:33,430 --> 00:56:31,520

they found somebody i just volunteered

1626

00:56:35,430 --> 00:56:33,440

because they put out an apb i'll do it

1627

00:56:36,789 --> 00:56:35,440

so i ended up with four people long

1628

00:56:39,510 --> 00:56:36,799

story short

1629

00:56:41,510 --> 00:56:39,520

go to illinois and one of the guys that

1630

00:56:42,150 --> 00:56:41,520

was with me and paid me there was a

1631

00:56:44,549 --> 00:56:42,160

local

1632

00:56:46,789 --> 00:56:44,559

he said well there's a place in town

1633

00:56:49,270 --> 00:56:46,799

that nobody goes after dark i mean

1634

00:56:50,870 --> 00:56:49,280

we can't go there it's just it's bad bad

1635

00:56:52,470 --> 00:56:50,880

things happen nobody likes it even the

1636

00:56:54,150 --> 00:56:52,480

baddest guys in town will never go near

1637

00:56:55,589 --> 00:56:54,160

there at night

1638

00:56:57,510 --> 00:56:55,599

where is it that's where we're going and

1639

00:57:00,630 --> 00:56:57,520

that's where we went so

1640

00:57:02,549 --> 00:57:00,640

we had moderate

1641

00:57:04,150 --> 00:57:02,559

sasquatch activity we had a group

1642

00:57:07,030 --> 00:57:04,160

followers we did find five foot

1643

00:57:08,390 --> 00:57:07,040

footprints and we had three trees pushed

1644

00:57:10,549 --> 00:57:08,400

over the first day

1645

00:57:12,390 --> 00:57:10,559

on top of the prince to try to hide them

1646

00:57:14,150 --> 00:57:12,400

after the prince

1647

00:57:16,950 --> 00:57:14,160

and then the next day we found two more

1648

00:57:18,789 --> 00:57:16,960

friends they pushed two trees over

1649

00:57:21,109 --> 00:57:18,799

they being the sasquatch they pushed the

1650

00:57:23,829 --> 00:57:21,119

trees over to hide the print so we

1651  
00:57:24,950 --> 00:57:23,839  
couldn't find them when we got back so

1652  
00:57:26,390 --> 00:57:24,960  
that kind of stuff they were jacking

1653  
00:57:27,270 --> 00:57:26,400  
with us they never made a verbal thing

1654  
00:57:29,190 --> 00:57:27,280  
we never

1655  
00:57:30,630 --> 00:57:29,200  
heard anything we heard them moving and

1656  
00:57:32,950 --> 00:57:30,640  
crashing and thrashing around

1657  
00:57:34,630 --> 00:57:32,960  
they were throwing stuff at us and rocks

1658  
00:57:37,670 --> 00:57:34,640  
and pebbles and we went there at night

1659  
00:57:40,710 --> 00:57:37,680  
and it was that all night it was

1660  
00:57:44,309 --> 00:57:40,720  
crazy weird active that way but nothing

1661  
00:57:45,430 --> 00:57:44,319  
out of the ordinary and so uh we go home

1662  
00:57:47,990 --> 00:57:45,440  
and that's it

1663  
00:57:48,710 --> 00:57:48,000

and it was me four people and harold

1664

00:57:50,630 --> 00:57:48,720

who's my

1665

00:57:52,710 --> 00:57:50,640

sasquatch buddy in illinois so six of us

1666

00:57:54,470 --> 00:57:52,720

all together so

1667

00:57:56,630 --> 00:57:54,480

harold and i decided to meet and go back

1668

00:57:58,870 --> 00:57:56,640

there one year to the date which was

1669

00:57:59,990 --> 00:57:58,880

october of last year just six seven

1670

00:58:01,589 --> 00:58:00,000

months ago whenever

1671

00:58:03,990 --> 00:58:01,599

eight months ago nine i can't do the

1672

00:58:07,030 --> 00:58:04,000

math whatever october of last year

1673

00:58:09,109 --> 00:58:07,040

and i he and i go

1674

00:58:10,630 --> 00:58:09,119

to where we had had our event with the

1675

00:58:11,910 --> 00:58:10,640

sasquatch throwing stuff at us so we

1676

00:58:13,670 --> 00:58:11,920

were around the corner

1677

00:58:14,870 --> 00:58:13,680

and we're just kind of looking around

1678

00:58:15,829 --> 00:58:14,880

and i'm leaving some things out but

1679

00:58:16,710 --> 00:58:15,839

they're not really important in the

1680

00:58:19,270 --> 00:58:16,720

scheme of things

1681

00:58:21,190 --> 00:58:19,280

uh but i decided to leave uh they there

1682

00:58:23,670 --> 00:58:21,200

was a tree that blocked our way

1683

00:58:25,990 --> 00:58:23,680

that tree had been cut in three and i

1684

00:58:28,950 --> 00:58:26,000

know it was probably from the hunters

1685

00:58:31,510 --> 00:58:28,960

that were going out and uh having to

1686

00:58:32,069 --> 00:58:31,520

drag their 300 pound carcasses of deer

1687

00:58:34,309 --> 00:58:32,079

up

1688

00:58:37,030 --> 00:58:34,319

this ravine so i know they came back and

1689

00:58:40,230 --> 00:58:37,040

cut it and got the kill out anyway

1690

00:58:42,309 --> 00:58:40,240

we go and we see the area i decided

1691

00:58:43,750 --> 00:58:42,319

uh i'm gonna leave a couple cameras here

1692

00:58:45,349 --> 00:58:43,760

i'll come back in the morning at 8 30

1693

00:58:47,270 --> 00:58:45,359

i'm on my way back to kansas city just a

1694

00:58:50,309 --> 00:58:47,280

one day trip

1695

00:58:53,190 --> 00:58:50,319

i go back the next morning and on

1696

00:58:54,710 --> 00:58:53,200

the tree that is right next to where one

1697

00:58:57,589 --> 00:58:54,720

of my cameras is

1698

00:58:58,549 --> 00:58:57,599

there's six rocks that there's trees on

1699

00:59:00,870 --> 00:58:58,559

the ground

1700

00:59:03,349 --> 00:59:00,880

there's one rock that's appointed bigger

1701  
00:59:05,270 --> 00:59:03,359  
rock there's four people behind it

1702  
00:59:07,750 --> 00:59:05,280  
that's five of us that's me and the four

1703  
00:59:11,190 --> 00:59:07,760  
people and on the other end

1704  
00:59:11,750 --> 00:59:11,200  
of the tree is harold's rock he was

1705  
00:59:15,990 --> 00:59:11,760  
there

1706  
00:59:19,109 --> 00:59:16,000  
limitations at the time so he couldn't

1707  
00:59:20,789 --> 00:59:19,119  
make that trek at night you know he he's

1708  
00:59:22,789 --> 00:59:20,799  
the big guys has cancer he's got a

1709  
00:59:25,190 --> 00:59:22,799  
couple strokes he just you know he's

1710  
00:59:25,829 --> 00:59:25,200  
he's been beat up so he's back in his

1711  
00:59:27,540 --> 00:59:25,839  
car

1712  
00:59:29,910 --> 00:59:27,550  
in the parking lot

1713  
00:59:32,630 --> 00:59:29,920

[Music]

1714

00:59:35,190 --> 00:59:32,640

so that's six of us they knew i was

1715

00:59:38,150 --> 00:59:35,200

coming back the next morning

1716

00:59:38,549 --> 00:59:38,160

and that was there for me to find they

1717

00:59:42,309 --> 00:59:38,559

were

1718

00:59:45,430 --> 00:59:42,319

before this is my theory but i

1719

00:59:47,589 --> 00:59:45,440

i'll i'll put money on it and

1720

00:59:48,950 --> 00:59:47,599

they knew i was coming back to get the

1721

00:59:50,150 --> 00:59:48,960

camera

1722

00:59:52,470 --> 00:59:50,160

and they thought it was probably both of

1723

00:59:54,710 --> 00:59:52,480

us but harold he lives in illinois so he

1724

00:59:56,870 --> 00:59:54,720

went his way i went back to kansas city

1725

00:59:59,670 --> 00:59:56,880

they knew i was coming back and that was

1726

01:00:01,910 --> 00:59:59,680

there for me to find

1727

01:00:03,510 --> 01:00:01,920

simple and you know and i've in the

1728

01:00:03,910 --> 01:00:03,520

first book i talk they can count but

1729

01:00:07,670 --> 01:00:03,920

that

1730

01:00:09,750 --> 01:00:07,680

is truly to me it's phenomenal

1731

01:00:11,510 --> 01:00:09,760

and since that time i've had weird

1732

01:00:14,390 --> 01:00:11,520

things going on at the house

1733

01:00:15,430 --> 01:00:14,400

where things it just there's a

1734

01:00:18,630 --> 01:00:15,440

strangeness but

1735

01:00:19,829 --> 01:00:18,640

there was connection they were showing

1736

01:00:21,589 --> 01:00:19,839

me

1737

01:00:23,190 --> 01:00:21,599

and if the show was longer i'd tell you

1738

01:00:26,470 --> 01:00:23,200

how i think they're showing me but

1739

01:00:27,349 --> 01:00:26,480

it's just that is like to me it's

1740

01:00:30,549 --> 01:00:27,359

incredible

1741

01:00:32,230 --> 01:00:30,559

the numerology reeks of like

1742

01:00:34,549 --> 01:00:32,240

they had the number down they had the

1743

01:00:35,910 --> 01:00:34,559

big arrow pointing one direction

1744

01:00:37,109 --> 01:00:35,920

i'm the leader they had four people

1745

01:00:38,470 --> 01:00:37,119

behind me that's the four people that

1746

01:00:41,589 --> 01:00:38,480

paid to be on the expedition

1747

01:00:43,589 --> 01:00:41,599

there's harold at the other end

1748

01:00:45,510 --> 01:00:43,599

he was there but wasn't there the second

1749

01:00:46,470 --> 01:00:45,520

night we went back he was there but he

1750

01:00:50,309 --> 01:00:46,480

stayed back at camp

1751

01:00:53,190 --> 01:00:50,319

so again he was not there but he was

1752

01:00:53,589 --> 01:00:53,200

with us in spirit he was there but he

1753

01:00:59,589 --> 01:00:53,599

just

1754

01:01:00,950 --> 01:00:59,599

slap in the face like if you don't get

1755

01:01:03,990 --> 01:01:00,960

that

1756

01:01:06,870 --> 01:01:04,000

might be what we're doing

1757

01:01:08,309 --> 01:01:06,880

yeah you're you know and so you know

1758

01:01:09,670 --> 01:01:08,319

maybe i'm an idiot i don't know maybe

1759

01:01:12,230 --> 01:01:09,680

i'm an idiot

1760

01:01:13,829 --> 01:01:12,240

you know i mean it's just it's as a

1761

01:01:17,109 --> 01:01:13,839

shoulder tap that you need

1762

01:01:19,349 --> 01:01:17,119

it's like right yeah you know

1763

01:01:21,030 --> 01:01:19,359

you know well carter i want to thank you

1764

01:01:22,630 --> 01:01:21,040

again for coming on the show it's all i

1765

01:01:24,630 --> 01:01:22,640

appreciate you having on

1766

01:01:27,829 --> 01:01:24,640

and we will definitely have you back on

1767

01:01:31,030 --> 01:01:27,839

again all righty

1768

01:01:33,430 --> 01:01:31,040

everybody thank you okay man we'll get

1769

01:01:36,870 --> 01:01:35,270

now if you have an unexplained encounter

1770

01:01:37,990 --> 01:01:36,880

or setting feel free to contact me

1771

01:01:41,349 --> 01:01:38,000

through the families of monsters

1772

01:01:42,950 --> 01:01:41,359

blog site uh i want to again thank

1773

01:01:44,069 --> 01:01:42,960

carter burchard for joining me this

1774

01:01:46,150 --> 01:01:44,079

evening

1775

01:01:48,549 --> 01:01:46,160

and thanks to each and all you for

1776

01:01:50,549 --> 01:01:48,559

watching and chatting uh if you did make

1777

01:01:53,750 --> 01:01:50,559

a super chat donation

1778

01:01:57,029 --> 01:01:53,760

it's truly appreciated your support

1779

01:01:58,710 --> 01:01:57,039

is what makes this possible so please

1780

01:02:01,349 --> 01:01:58,720

like subscribe and share

1781

01:02:01,829 --> 01:02:01,359

now next week anna manal is going to be

1782

01:02:05,589 --> 01:02:01,839

on

1783

01:02:07,510 --> 01:02:05,599

um she's going to talk about

1784

01:02:09,190 --> 01:02:07,520

some of the strange things she's

1785

01:02:10,549 --> 01:02:09,200

encountered when she was living in the

1786

01:02:14,390 --> 01:02:10,559

philippines

1787

01:02:17,670 --> 01:02:14,400

uh you know i had her on years ago

1788

01:02:19,670 --> 01:02:17,680

but she just had her book republished so

1789

01:02:20,950 --> 01:02:19,680

it should be interesting uh there's a

1790

01:02:23,349 --> 01:02:20,960

lot of crazy things going in the

1791

01:02:25,430 --> 01:02:23,359

philippines so

1792

01:02:26,950 --> 01:02:25,440

so join us next week for that so until

1793

01:02:37,770 --> 01:02:26,960

next week stay healthy

1794

01:02:37,780 --> 01:02:50,410

[Music]

1795

01:02:50,420 --> 01:03:15,480

[Applause]
