FORTEAN FRIDAY!
PHANTOMS
& MONSTERS

with
Amy Bue
& Vincent
Richardson

FORTEAN FRIDAY with Guests Amy Bue & Vincent Richardson - August 13th

1
00:00:08,790 --> 00:00:07,190
the oldest and strongest human emotion

2
00:00:10,950 --> 00:00:08,800
is fear

3
00:00:11,990 --> 00:00:10,960
and the oldest and strongest type of

4
00:00:15,190 --> 00:00:12,000
fear

5
00:00:17,590 --> 00:00:15,200
is trepidation of the unknown

6
00:00:21,029 --> 00:00:17,600
when we were children our parents told

7
00:00:23,509 --> 00:00:21,039
us that monsters didn't exist

8
00:00:26,710 --> 00:00:23,519
but we were sure that something was

9
00:00:31,269 --> 00:00:26,720
lurking under the bed or in the closet

10
00:00:34,310 --> 00:00:31,279
fear sees even if our eyes are closed

11
00:00:36,549 --> 00:00:34,320
welcome to the realm of the arcane

12
00:00:38,950 --> 00:00:36,559
my name is lon strickler

13
00:00:40,069 --> 00:00:38,960

join me as i examine unexplained

14

00:00:42,709 --> 00:00:40,079

creatures

15

00:00:45,029 --> 00:00:42,719

strange manifestations and remarkable

16

00:00:47,990 --> 00:00:45,039

realities

17

00:00:50,630 --> 00:00:48,000

imagine this next hour as a voyage of

18

00:00:53,189 --> 00:00:50,640

discovery to strange lands

19

00:00:54,709 --> 00:00:53,199

seeking not for new territory

20

00:00:56,229 --> 00:00:54,719

but for new knowledge of the

21

00:00:59,029 --> 00:00:56,239

supernatural

22

00:01:00,420 --> 00:00:59,039

come on board as we begin this adventure

23

00:01:03,430 --> 00:01:00,430

together

24

00:01:05,030 --> 00:01:03,440

[Music]

25

00:01:07,350 --> 00:01:05,040

hey folks good evening and welcome to

26
00:01:09,670 --> 00:01:07,360
another episode of arcane radio where we

27
00:01:11,109 --> 00:01:09,680
explore the unexplained live on beyond

28
00:01:12,870 --> 00:01:11,119
explanation

29
00:01:14,630 --> 00:01:12,880
i'm your host lon strickler coming to

30
00:01:16,630 --> 00:01:14,640
you within a can of shadow historic

31
00:01:18,070 --> 00:01:16,640
gettysburg pennsylvania thanks for

32
00:01:19,990 --> 00:01:18,080
joining us

33
00:01:22,550 --> 00:01:20,000
now arcane radio and beyond explanation

34
00:01:24,870 --> 00:01:22,560
channel is made possible by you liking

35
00:01:27,749 --> 00:01:24,880
subscribing and sharing our programming

36
00:01:29,590 --> 00:01:27,759
the super chat donations are essential

37
00:01:32,630 --> 00:01:29,600
for us to continue offering our unique

38
00:01:35,429 --> 00:01:32,640

content your consideration is very much

39

00:01:37,350 --> 00:01:35,439

needed and appreciated so

40

00:01:40,149 --> 00:01:37,360

we got a lot to talk about tonight

41

00:01:41,429 --> 00:01:40,159

because it's been a crazy week so uh

42

00:01:42,870 --> 00:01:41,439

first of all i want to introduce the

43

00:01:45,590 --> 00:01:42,880

guest tonight of welcome cryptid and

44

00:01:48,310 --> 00:01:45,600

paranormal investigators amy boo and

45

00:01:50,870 --> 00:01:48,320

vincent richardson's arcane radio now

46

00:01:52,870 --> 00:01:50,880

as the head of abel amy's bucket list

47

00:01:55,429 --> 00:01:52,880

expeditions and the team member of the

48

00:01:57,830 --> 00:01:55,439

olympic project research team

49

00:02:00,069 --> 00:01:57,840

amy boo crosses the country speaking

50

00:02:02,230 --> 00:02:00,079

camping and researching in areas of high

51
00:02:04,069 --> 00:02:02,240
interest and following up on witness

52
00:02:06,069 --> 00:02:04,079
reports while looking for evidence of

53
00:02:07,830 --> 00:02:06,079
bigfoot's existence

54
00:02:10,790 --> 00:02:07,840
an educator writer and certified

55
00:02:13,510 --> 00:02:10,800
volunteer naturalist from northeast ohio

56
00:02:16,390 --> 00:02:13,520
amy co-founded project zoo book a

57
00:02:19,030 --> 00:02:16,400
collaboration of bigfoot investigators

58
00:02:20,710 --> 00:02:19,040
working alongside primate zoo keepers

59
00:02:22,869 --> 00:02:20,720
primeologists

60
00:02:24,470 --> 00:02:22,879
wildlife biologists marine biologists

61
00:02:26,949 --> 00:02:24,480
forest workers archaeologists

62
00:02:29,270 --> 00:02:26,959
anthropologists university professors

63
00:02:30,630 --> 00:02:29,280

law of enforcement officials and other

64

00:02:33,350 --> 00:02:30,640

scientists

65

00:02:37,110 --> 00:02:33,360

her work with this group earned her a

66

00:02:39,030 --> 00:02:37,120

dedicated researcher award at the 2018

67

00:02:41,110 --> 00:02:39,040

international bigfoot conference in

68

00:02:42,949 --> 00:02:41,120

kennewick washington

69

00:02:45,190 --> 00:02:42,959

tune in to amy's adventures on her

70

00:02:46,949 --> 00:02:45,200

webcast while boo yonder streaming on

71

00:02:49,190 --> 00:02:46,959

beyond explanation

72

00:02:52,390 --> 00:02:49,200

on youtube and amy is also a member of

73

00:02:55,030 --> 00:02:52,400

the fans of monsters 14 research team

74

00:02:57,589 --> 00:02:55,040

now vincent richardson is a long-time

75

00:03:00,470 --> 00:02:57,599

paranormal investigator enthusiast he is

76

00:03:03,030 --> 00:03:00,480

currently the associate producer of

77

00:03:05,509 --> 00:03:03,040

beyond explanation and also

78

00:03:08,470 --> 00:03:05,519

a research assistant at phantoms and

79

00:03:10,710 --> 00:03:08,480

monsters so amy and vincent thank you

80

00:03:12,390 --> 00:03:10,720

for joining me this evening

81

00:03:13,670 --> 00:03:12,400

thanks for having me yeah thanks for

82

00:03:14,869 --> 00:03:13,680

having me too

83

00:03:16,949 --> 00:03:14,879

um

84

00:03:18,390 --> 00:03:16,959

amy i'm going to start with you tell us

85

00:03:20,470 --> 00:03:18,400

what you've been into what you've been

86

00:03:22,390 --> 00:03:20,480

doing some of your research some of what

87

00:03:24,070 --> 00:03:22,400

you know some that's what interests you

88

00:03:25,350 --> 00:03:24,080

i know you've been on the road a bit so

89

00:03:27,589 --> 00:03:25,360

uh

90

00:03:29,830 --> 00:03:27,599

tell us what's going on

91

00:03:32,390 --> 00:03:29,840

well i haven't been on the road too much

92

00:03:33,509 --> 00:03:32,400

like as far as out of state

93

00:03:36,229 --> 00:03:33,519

um

94

00:03:37,430 --> 00:03:36,239

too much this year because of covid you

95

00:03:39,509 --> 00:03:37,440

know a lot of things have gotten

96

00:03:41,270 --> 00:03:39,519

canceled but i did get to go out to

97

00:03:43,030 --> 00:03:41,280

michigan see some friends out at the

98

00:03:46,229 --> 00:03:43,040

michigan conference

99

00:03:47,430 --> 00:03:46,239

and i have been out where my favorite

100

00:03:50,309 --> 00:03:47,440

place to go

101

00:03:52,630 --> 00:03:50,319

which is to pennsylvania one of my

102

00:03:54,470 --> 00:03:52,640

favorite places to go so i live in ohio

103

00:03:58,630 --> 00:03:54,480

but i go out to the allegheny national

104

00:04:00,949 --> 00:03:58,640

forest a lot and i have a research area

105

00:04:02,789 --> 00:04:00,959

for lack of a better term i know we all

106

00:04:04,789 --> 00:04:02,799

say that it kind of sounds funny but it

107

00:04:07,509 --> 00:04:04,799

is where i do some research

108

00:04:11,110 --> 00:04:07,519

so i go out there whenever i can

109

00:04:14,470 --> 00:04:11,120

um i have my audio set up out there

110

00:04:17,189 --> 00:04:14,480

my cameras and everything um it's

111

00:04:17,990 --> 00:04:17,199

in a place where there have been a lot

112

00:04:20,150 --> 00:04:18,000

of

113

00:04:22,710 --> 00:04:20,160

sightings from other people

114

00:04:25,110 --> 00:04:22,720

and i first you know i grew up going to

115

00:04:27,270 --> 00:04:25,120

this particular area it's right near my

116

00:04:29,510 --> 00:04:27,280

grandpa's hunting cabin

117

00:04:32,310 --> 00:04:29,520

and um

118

00:04:34,870 --> 00:04:32,320

since then i started you know getting

119

00:04:37,830 --> 00:04:34,880

interested in bigfoot i used to be an

120

00:04:40,150 --> 00:04:37,840

investigator for the bfro

121

00:04:42,310 --> 00:04:40,160

then i kind of went on my own and have

122

00:04:44,710 --> 00:04:42,320

been doing my own thing i am a part of

123

00:04:47,030 --> 00:04:44,720

the olympic project like you said but i

124

00:04:48,070 --> 00:04:47,040

still get a lot of reports

125

00:04:49,030 --> 00:04:48,080

and

126

00:04:51,830 --> 00:04:49,040

um

127

00:04:53,670 --> 00:04:51,840

so i go out there i think my you were

128

00:04:56,790 --> 00:04:53,680

talking about me being an ohio certified

129

00:04:58,870 --> 00:04:56,800

volunteer naturalist so i do

130

00:05:01,830 --> 00:04:58,880

kind of double duty

131

00:05:04,550 --> 00:05:01,840

because i'm looking for evidence of

132

00:05:06,950 --> 00:05:04,560

bigfoot taking big witness reports out

133

00:05:09,430 --> 00:05:06,960

there but i also

134

00:05:11,350 --> 00:05:09,440

am looking at the floor and fauna of the

135

00:05:12,550 --> 00:05:11,360

area and i

136

00:05:15,749 --> 00:05:12,560

have

137

00:05:18,310 --> 00:05:15,759

been doing a study with that

138

00:05:20,790 --> 00:05:18,320

kind of in conjunction with

139

00:05:23,510 --> 00:05:20,800

bigfoot because

140

00:05:25,270 --> 00:05:23,520

one of my passions and my favorite thing

141

00:05:27,029 --> 00:05:25,280

about bigfooting is my group called

142

00:05:28,469 --> 00:05:27,039

project zoo book that you mentioned as

143

00:05:31,909 --> 00:05:28,479

well with all the scientists and the

144

00:05:32,710 --> 00:05:31,919

researchers and we're starting to pair

145

00:05:34,629 --> 00:05:32,720

up

146

00:05:37,270 --> 00:05:34,639

researchers along with scientists and

147

00:05:40,070 --> 00:05:37,280

that live around the same area and we

148

00:05:42,390 --> 00:05:40,080

are talking about you know if bigfoot is

149

00:05:44,070 --> 00:05:42,400

real and if it is a primate and you know

150

00:05:46,150 --> 00:05:44,080

that i we were just talking about that i

151

00:05:48,150 --> 00:05:46,160

don't know if that's true it's just a

152

00:05:51,029 --> 00:05:48,160

question that i'm interested in

153

00:05:53,909 --> 00:05:51,039

but if it is then what would they eat

154

00:05:56,629 --> 00:05:53,919

and where would they sleep and how would

155

00:06:00,710 --> 00:05:56,639

they survive in that area so

156

00:06:03,749 --> 00:06:00,720

we we do a lot of research in that way

157

00:06:05,670 --> 00:06:03,759

so i'm still out there

158

00:06:08,390 --> 00:06:05,680

another thing i've been working on still

159

00:06:10,629 --> 00:06:08,400

is my book and i can't remember

160

00:06:12,309 --> 00:06:10,639

if i was had started that yet the last

161

00:06:13,189 --> 00:06:12,319

time i was on here lon

162

00:06:14,629 --> 00:06:13,199

um

163

00:06:15,909 --> 00:06:14,639

but i am

164

00:06:17,590 --> 00:06:15,919

did we okay

165

00:06:19,830 --> 00:06:17,600

my brain it's gone

166

00:06:21,670 --> 00:06:19,840

my brain has left the building yeah yeah

167

00:06:23,990 --> 00:06:21,680

the tom page book yeah so i'm still been

168

00:06:26,870 --> 00:06:24,000

working on that that's okay

169

00:06:29,029 --> 00:06:26,880

um and he for people who don't know he

170

00:06:31,909 --> 00:06:29,039

was a financial backer for both

171

00:06:33,510 --> 00:06:31,919

peterburn and roger patterson

172

00:06:37,270 --> 00:06:33,520

uh back in the day

173

00:06:40,230 --> 00:06:37,280

and uh he unfortunately passed away

174

00:06:41,830 --> 00:06:40,240

uh was it last year

175

00:06:44,469 --> 00:06:41,840

this time like the last few years have

176

00:06:46,710 --> 00:06:44,479

been just crazy haven't they yeah yeah

177

00:06:48,390 --> 00:06:46,720

maybe last year sometime yeah and then

178

00:06:49,909 --> 00:06:48,400

but before that he and i had been

179

00:06:53,189 --> 00:06:49,919

meeting and i was getting all of his

180

00:06:55,990 --> 00:06:53,199

stories out of him and he had quite

181

00:06:57,589 --> 00:06:56,000

some good stories so i've been kind of

182

00:06:58,390 --> 00:06:57,599

hunkering down and really working on

183

00:07:00,710 --> 00:06:58,400

that

184

00:07:02,150 --> 00:07:00,720

um i took some time off from it after he

185

00:07:03,909 --> 00:07:02,160

passed away because it was just kind of

186

00:07:08,309 --> 00:07:03,919

too sad to do

187

00:07:09,189 --> 00:07:08,319

but i'm back at it and then um

188

00:07:11,350 --> 00:07:09,199

i

189

00:07:12,790 --> 00:07:11,360

have been

190

00:07:14,390 --> 00:07:12,800

you know

191

00:07:16,950 --> 00:07:14,400

i haven't been able to go out to the

192

00:07:19,350 --> 00:07:16,960

olympic project this year so far just

193

00:07:22,390 --> 00:07:19,360

with my health and covid restrictions

194

00:07:23,430 --> 00:07:22,400

and stuff but still involved you know

195

00:07:26,790 --> 00:07:23,440

through

196

00:07:28,390 --> 00:07:26,800

um talks and things like that so

197

00:07:29,990 --> 00:07:28,400

a lot of the olympic project members are

198

00:07:31,670 --> 00:07:30,000

also in project zoo books so we have a

199

00:07:33,909 --> 00:07:31,680

lot of crossover there

200

00:07:36,230 --> 00:07:33,919

and they've been doing some really great

201
00:07:38,629 --> 00:07:36,240
things again for people who don't know

202
00:07:40,790 --> 00:07:38,639
they are one of the big things that

203
00:07:43,510 --> 00:07:40,800
they're doing is studying some ground

204
00:07:46,309 --> 00:07:43,520
nests that were found out in the olympic

205
00:07:48,869 --> 00:07:46,319
national forest out in washington state

206
00:07:51,749 --> 00:07:48,879
and they were found by a logging company

207
00:07:55,350 --> 00:07:51,759
surveyor the big long story but making

208
00:07:58,390 --> 00:07:55,360
it short and so they have been doing

209
00:08:01,189 --> 00:07:58,400
different tests dna tests edna

210
00:08:03,909 --> 00:08:01,199
um looking for hair samples they found

211
00:08:05,670 --> 00:08:03,919
there there's been a newer discovery of

212
00:08:07,749 --> 00:08:05,680
at that

213
00:08:09,029 --> 00:08:07,759

general site but about

214

00:08:11,350 --> 00:08:09,039

maybe i think they said like a half a

215

00:08:13,350 --> 00:08:11,360

mile away i could be wrong about that

216

00:08:16,629 --> 00:08:13,360

where they found footprints and a

217

00:08:19,909 --> 00:08:16,639

handprint and all kinds of cool stuff so

218

00:08:21,909 --> 00:08:19,919

um some of the scientists from

219

00:08:22,869 --> 00:08:21,919

project zoo book have been

220

00:08:25,110 --> 00:08:22,879

out to

221

00:08:26,469 --> 00:08:25,120

the site and we're just all doing kinds

222

00:08:27,909 --> 00:08:26,479

of cool stuff together

223

00:08:31,990 --> 00:08:27,919

right so that was a really long answer

224

00:08:36,469 --> 00:08:34,149

well if you asked me that bigfoot was

225

00:08:40,310 --> 00:08:36,479

real i'd had to tell you yes

226

00:08:42,070 --> 00:08:40,320

uh i saw something and uh you know

227

00:08:45,590 --> 00:08:42,080

that's kind of been the catalyst for me

228

00:08:47,750 --> 00:08:45,600

ever since so uh i'd had to say oh yeah

229

00:08:50,150 --> 00:08:47,760

they're out there

230

00:08:52,230 --> 00:08:50,160

i do think they are like i i always say

231

00:08:53,430 --> 00:08:52,240

that it depends on the day like some

232

00:08:56,230 --> 00:08:53,440

days like i

233

00:08:57,990 --> 00:08:56,240

i think for me to be 100 sure i would

234

00:08:59,829 --> 00:08:58,000

have to have a really

235

00:09:01,190 --> 00:08:59,839

really good sighting you know or some

236

00:09:03,269 --> 00:09:01,200

kind of evidence because that's just how

237

00:09:05,190 --> 00:09:03,279

my brain is but then when other people

238

00:09:06,230 --> 00:09:05,200

start talking about their

239

00:09:07,350 --> 00:09:06,240

sightings

240

00:09:09,269 --> 00:09:07,360

and

241

00:09:10,790 --> 00:09:09,279

you know you you talk to somebody like

242

00:09:12,550 --> 00:09:10,800

yourself or

243

00:09:14,470 --> 00:09:12,560

you know who lots of people that have

244

00:09:18,230 --> 00:09:14,480

told me personally their sightings then

245

00:09:20,310 --> 00:09:18,240

i'm like okay it's real it's real i um

246

00:09:24,310 --> 00:09:20,320

i just i really want that smoking gun

247

00:09:27,590 --> 00:09:25,910

okay well

248

00:09:29,350 --> 00:09:27,600

you it's your turn vincent tell us what

249

00:09:32,070 --> 00:09:29,360

you've been up to

250

00:09:34,150 --> 00:09:32,080

i've been up to a lot of uh

251
00:09:36,630 --> 00:09:34,160
doodling around in the uh paranormal

252
00:09:39,110 --> 00:09:36,640
cryptid community i've been taking uh

253
00:09:40,870 --> 00:09:39,120
encounters for the north american dog

254
00:09:43,190 --> 00:09:40,880
man

255
00:09:46,070 --> 00:09:43,200
foundation and uh

256
00:09:47,829 --> 00:09:46,080
i've got a whole gang load of drawings

257
00:09:51,110 --> 00:09:47,839
if you guys would like to take a look at

258
00:09:58,150 --> 00:09:51,120
them yeah go ahead and put them up there

259
00:10:02,870 --> 00:09:59,509
here we are

260
00:10:05,110 --> 00:10:02,880
so what's that's from dog man

261
00:10:07,910 --> 00:10:05,120
that's from the north american dog man

262
00:10:10,630 --> 00:10:07,920
project okay and i've been the forensic

263
00:10:12,389 --> 00:10:10,640

sketch artist for the region three for

264

00:10:15,350 --> 00:10:12,399

the past year

265

00:10:18,389 --> 00:10:15,360

and uh we take a

266

00:10:22,310 --> 00:10:18,399

a plethora of encounters i mean this one

267

00:10:25,269 --> 00:10:22,320

right here this is a hyena type now

268

00:10:27,509 --> 00:10:25,279

they've been seen more of those recently

269

00:10:29,590 --> 00:10:27,519

and we've had them in pennsylvania too

270

00:10:31,350 --> 00:10:29,600

have you

271

00:10:33,220 --> 00:10:31,360

yeah let's see

272

00:10:35,509 --> 00:10:33,230

i wouldn't want to see that

273

00:10:38,150 --> 00:10:35,519

[Laughter]

274

00:10:39,190 --> 00:10:38,160

i i don't want to see any of these

275

00:10:41,509 --> 00:10:39,200

you know they're

276

00:10:43,269 --> 00:10:41,519

pretty scary oh that is scary but it's

277

00:10:46,470 --> 00:10:43,279

really good artwork

278

00:10:49,430 --> 00:10:46,480

yeah this is actually from a uh

279

00:10:51,590 --> 00:10:49,440

encounter that um

280

00:10:54,230 --> 00:10:51,600

this was an eyewitness account and

281

00:10:56,630 --> 00:10:54,240

that's actually uh

282

00:10:57,829 --> 00:10:56,640

mr james west

283

00:11:00,949 --> 00:10:57,839

that's right

284

00:11:02,550 --> 00:11:00,959

in a couple weeks yeah yes sir

285

00:11:05,509 --> 00:11:02,560

he had an encounter two encounters in

286

00:11:07,190 --> 00:11:05,519

green county pennsylvania

287

00:11:09,750 --> 00:11:07,200

yeah

288

00:11:12,230 --> 00:11:09,760

um we get all sorts of

289

00:11:15,430 --> 00:11:12,240

different sightings different types uh

290

00:11:18,389 --> 00:11:15,440

they they don't look the same um

291

00:11:21,509 --> 00:11:18,399

i don't like the the the dog man term is

292

00:11:23,430 --> 00:11:21,519

as much i think the upright canine is

293

00:11:25,590 --> 00:11:23,440

more

294

00:11:28,069 --> 00:11:25,600

uh suiting for the

295

00:11:30,150 --> 00:11:28,079

sightings and here's another encounter

296

00:11:33,910 --> 00:11:30,160

uh gentlemen saw

297

00:11:36,389 --> 00:11:33,920

this uh creature dragging a small moose

298

00:11:38,230 --> 00:11:36,399

out of a pond

299

00:11:40,310 --> 00:11:38,240

yeah

300

00:11:41,030 --> 00:11:40,320

this was a part of

301
00:11:43,030 --> 00:11:41,040
what

302
00:11:45,269 --> 00:11:43,040
a person that said he

303
00:11:47,670 --> 00:11:45,279
survived the lbl

304
00:11:53,590 --> 00:11:47,680
massacre this is uh

305
00:11:59,269 --> 00:11:57,350
this is a sketch from an eyewitness

306
00:12:00,629 --> 00:11:59,279
uh speak peeping through a woman's

307
00:12:02,069 --> 00:12:00,639
window

308
00:12:03,350 --> 00:12:02,079
so

309
00:12:06,310 --> 00:12:03,360
no thanks

310
00:12:08,069 --> 00:12:06,320
yeah this is another one from the lbl

311
00:12:11,110 --> 00:12:08,079
and this is there

312
00:12:12,790 --> 00:12:11,120
no but lbl is land between the lakes and

313
00:12:14,150 --> 00:12:12,800

uh kentucky

314

00:12:17,590 --> 00:12:14,160

um

315

00:12:19,430 --> 00:12:17,600

it's it's a huge area we've had several

316

00:12:21,509 --> 00:12:19,440

i've had several upright canine

317

00:12:23,509 --> 00:12:21,519

sightings there over the years as well

318

00:12:25,750 --> 00:12:23,519

as bigfoot

319

00:12:27,509 --> 00:12:25,760

and some stuff i have no idea what they

320

00:12:29,269 --> 00:12:27,519

were but you know there's a lot of a lot

321

00:12:31,750 --> 00:12:29,279

of things going on there it's just it's

322

00:12:34,069 --> 00:12:31,760

a strange weird area

323

00:12:36,790 --> 00:12:34,079

for sure this is another sketch from the

324

00:12:39,430 --> 00:12:36,800

same witness account now the the

325

00:12:41,670 --> 00:12:39,440

massacre i'm talking about uh

326
00:12:45,829 --> 00:12:41,680
was apparently

327
00:12:48,949 --> 00:12:45,839
um a family in a rv was uh

328
00:12:50,470 --> 00:12:48,959
brutally murdered by this creature who

329
00:12:54,310 --> 00:12:50,480
later

330
00:13:02,389 --> 00:12:58,310
the army and the police i believe

331
00:13:05,030 --> 00:13:03,910
this is actually from a personal

332
00:13:07,750 --> 00:13:05,040
encounter

333
00:13:08,550 --> 00:13:07,760
that that i had when i was a child

334
00:13:10,870 --> 00:13:08,560
which

335
00:13:13,910 --> 00:13:10,880
kind of got me into the whole thing

336
00:13:16,710 --> 00:13:13,920
i was werewolf obsessed at a young age i

337
00:13:18,829 --> 00:13:16,720
saw this thing when i was 10 years old

338
00:13:21,829 --> 00:13:18,839

during the flood of

339

00:13:24,870 --> 00:13:21,839

93 we had to evacuate our house and we

340

00:13:27,190 --> 00:13:24,880

stayed with some relatives and uh

341

00:13:31,110 --> 00:13:27,200

i encountered this thing one uh one

342

00:13:32,550 --> 00:13:31,120

evening and then again in the morning

343

00:13:34,949 --> 00:13:32,560

that's scary

344

00:13:37,910 --> 00:13:34,959

yeah some of these are just uh from the

345

00:13:41,350 --> 00:13:37,920

eyewitness sketches again um

346

00:13:42,230 --> 00:13:41,360

different accounts different things

347

00:13:43,829 --> 00:13:42,240

um

348

00:13:49,189 --> 00:13:43,839

that's kind of modeled after the beast

349

00:13:54,550 --> 00:13:51,910

this was a encounter

350

00:13:56,150 --> 00:13:54,560

this was actually seen by a member of

351
00:13:59,430 --> 00:13:56,160
the nadp

352
00:14:00,389 --> 00:13:59,440
uh this was what she called the werewolf

353
00:14:02,710 --> 00:14:00,399
boy

354
00:14:03,990 --> 00:14:02,720
she saw this uh figure walking down the

355
00:14:06,629 --> 00:14:04,000
street

356
00:14:08,870 --> 00:14:06,639
and as they got closer to the individual

357
00:14:13,030 --> 00:14:08,880
this is uh this is what they what they

358
00:14:13,040 --> 00:14:19,910
that one was cute

359
00:14:25,030 --> 00:14:22,389
but yeah so

360
00:14:28,550 --> 00:14:25,040
those are the uh drawings from the north

361
00:14:30,310 --> 00:14:28,560
american dog man that's cool interesting

362
00:14:31,590 --> 00:14:30,320
yeah it's pretty interesting when you

363
00:14:35,670 --> 00:14:31,600

see some of the sketch of how people

364

00:14:39,990 --> 00:14:38,069

i guess it's all

365

00:14:41,269 --> 00:14:40,000

you know all subjective but you know

366

00:14:43,430 --> 00:14:41,279

it's

367

00:14:45,750 --> 00:14:43,440

everybody's got their own perspective of

368

00:14:47,509 --> 00:14:45,760

these type of beings and uh you know

369

00:14:50,870 --> 00:14:47,519

we've had a bunch of them here in

370

00:14:53,350 --> 00:14:50,880

pennsylvania for years off and on and uh

371

00:14:57,269 --> 00:14:53,360

even up in allegheny i mean we had a few

372

00:14:59,590 --> 00:14:57,279

of them up there uh older ones actually

373

00:15:02,150 --> 00:14:59,600

uh that hyena stuff yeah i mean and most

374

00:15:05,350 --> 00:15:02,160

of those are quadrupeds yes

375

00:15:08,629 --> 00:15:05,360

huh yeah butch and i have um

376

00:15:11,910 --> 00:15:08,639

we have kind of classified

377

00:15:12,790 --> 00:15:11,920

the dog man moniker on those quadrupeds

378

00:15:14,069 --> 00:15:12,800

i mean

379

00:15:15,750 --> 00:15:14,079

they get all kinds of different looks to

380

00:15:17,829 --> 00:15:15,760

them i mean you got the uh the hyena

381

00:15:19,829 --> 00:15:17,839

type and you got the

382

00:15:21,910 --> 00:15:19,839

uh you got to kind of look have all

383

00:15:25,189 --> 00:15:21,920

those muscular

384

00:15:27,990 --> 00:15:25,199

legs and stuff and uh but you know most

385

00:15:29,670 --> 00:15:28,000

of what people see are the uprights and

386

00:15:31,509 --> 00:15:29,680

these things are huge i mean you know

387

00:15:33,749 --> 00:15:31,519

they go anywhere from eight to ten foot

388

00:15:37,430 --> 00:15:33,759

in height and they're you know

389

00:15:39,189 --> 00:15:37,440

you know they're like hollywood

390

00:15:41,590 --> 00:15:39,199

werewolf

391

00:15:43,829 --> 00:15:41,600

and uh you know it's pretty amazing what

392

00:15:45,749 --> 00:15:43,839

people tell you and in fact

393

00:15:48,790 --> 00:15:45,759

we've had at least one really good

394

00:15:52,069 --> 00:15:48,800

witness who would work for the uh

395

00:15:54,310 --> 00:15:52,079

uh the pennsylvania game commission and

396

00:15:55,829 --> 00:15:54,320

a lot of those guys up there in central

397

00:15:57,670 --> 00:15:55,839

pennsylvania

398

00:16:00,069 --> 00:15:57,680

acknowledge it something's going on up

399

00:16:04,550 --> 00:16:00,079

there because just some evidence they've

400

00:16:07,430 --> 00:16:04,560

sensed in things they've seen and um

401
00:16:09,509 --> 00:16:07,440
yeah i mean you know we we kind of get a

402
00:16:11,189 --> 00:16:09,519
report scattered here and there but

403
00:16:12,949 --> 00:16:11,199
there's definitely there's definitely

404
00:16:14,550 --> 00:16:12,959
something going on

405
00:16:16,870 --> 00:16:14,560
throughout the state

406
00:16:18,389 --> 00:16:16,880
absolutely

407
00:16:19,990 --> 00:16:18,399
so

408
00:16:21,990 --> 00:16:20,000
i'm gonna go ahead and start talking

409
00:16:24,150 --> 00:16:22,000
about what's been going on around here

410
00:16:26,150 --> 00:16:24,160
this week well not around here but it's

411
00:16:28,069 --> 00:16:26,160
been reported to us

412
00:16:30,470 --> 00:16:28,079
we um

413
00:16:31,670 --> 00:16:30,480

can i say something about that sure i

414

00:16:33,590 --> 00:16:31,680

have to tell you

415

00:16:37,430 --> 00:16:33,600

so we were talking before like i'm

416

00:16:38,629 --> 00:16:37,440

definitely more of a uh

417

00:16:40,550 --> 00:16:38,639

like a

418

00:16:42,150 --> 00:16:40,560

i'm bigfoot like bigfoot's my thing so

419

00:16:44,310 --> 00:16:42,160

that's really what i look at

420

00:16:47,030 --> 00:16:44,320

and i'm definitely more like primate or

421

00:16:49,430 --> 00:16:47,040

a natural creature but man i have been

422

00:16:51,110 --> 00:16:49,440

really interested in these discussions

423

00:16:53,110 --> 00:16:51,120

with what you guys have been talking

424

00:16:54,389 --> 00:16:53,120

about lately there's just so many

425

00:16:55,910 --> 00:16:54,399

different people

426

00:16:57,509 --> 00:16:55,920

that are seeing them and in the same

427

00:17:01,670 --> 00:16:57,519

area so

428

00:17:03,509 --> 00:17:01,680

i it takes quite a bit for me to be

429

00:17:04,870 --> 00:17:03,519

really interested in and something

430

00:17:06,150 --> 00:17:04,880

that's that

431

00:17:08,789 --> 00:17:06,160

kind of

432

00:17:10,069 --> 00:17:08,799

paranormal or or um

433

00:17:12,470 --> 00:17:10,079

or strange

434

00:17:14,150 --> 00:17:12,480

strange and i'm like fascinated i can't

435

00:17:17,270 --> 00:17:14,160

wait when you guys keep posting all this

436

00:17:19,270 --> 00:17:17,280

stuff so i'm like yay hear more about it

437

00:17:21,189 --> 00:17:19,280

well you know you're involved with the

438

00:17:23,270 --> 00:17:21,199

group so you know you know what's coming

439

00:17:25,270 --> 00:17:23,280

in and uh you know it all gets posted up

440

00:17:27,510 --> 00:17:25,280

there and for everybody look at us on

441

00:17:29,590 --> 00:17:27,520

the website at cryptidhunters.org oh

442

00:17:30,549 --> 00:17:29,600

that's all all those stuff that's posted

443

00:17:33,350 --> 00:17:30,559

there

444

00:17:35,270 --> 00:17:33,360

is from the fans monsters 14 research

445

00:17:36,310 --> 00:17:35,280

team um

446

00:17:37,750 --> 00:17:36,320

but

447

00:17:39,669 --> 00:17:37,760

you know um

448

00:17:41,909 --> 00:17:39,679

you know this is one thing about the the

449

00:17:44,470 --> 00:17:41,919

dog man upright canine

450

00:17:46,630 --> 00:17:44,480

phenomena that i i think there very well

451
00:17:49,350 --> 00:17:46,640
may be some some connections with

452
00:17:52,070 --> 00:17:49,360
bigfoot because i think some people do

453
00:17:53,830 --> 00:17:52,080
kind of misidentify what they're seeing

454
00:17:56,710 --> 00:17:53,840
uh you know it very well could be a

455
00:17:58,070 --> 00:17:56,720
bigfoot or you know vice versa and

456
00:18:00,310 --> 00:17:58,080
absolutely

457
00:18:01,909 --> 00:18:00,320
you know i i've had some descriptions of

458
00:18:05,029 --> 00:18:01,919
things that could have been a lot of

459
00:18:06,630 --> 00:18:05,039
different things and uh you know

460
00:18:08,549 --> 00:18:06,640
so uh you know you kind of take it with

461
00:18:10,230 --> 00:18:08,559
a grain of salt but you know when you

462
00:18:12,310 --> 00:18:10,240
people report this stuff to it you kind

463
00:18:13,669 --> 00:18:12,320

of obligate to look into it and give

464

00:18:15,909 --> 00:18:13,679

them the benefit of doubt and then you

465

00:18:18,310 --> 00:18:15,919

know but you uh

466

00:18:20,230 --> 00:18:18,320

you know if you um

467

00:18:21,110 --> 00:18:20,240

figure something out or

468

00:18:23,190 --> 00:18:21,120

you know

469

00:18:24,470 --> 00:18:23,200

kind of

470

00:18:26,470 --> 00:18:24,480

something different than what they

471

00:18:28,549 --> 00:18:26,480

stated and you know then you make your

472

00:18:30,230 --> 00:18:28,559

opinion known on it but

473

00:18:32,390 --> 00:18:30,240

you know we try to go as best we can

474

00:18:35,830 --> 00:18:32,400

with the witness and you know

475

00:18:37,430 --> 00:18:35,840

that being said um

476

00:18:38,630 --> 00:18:37,440

some of the stuff that's been going on

477

00:18:40,230 --> 00:18:38,640

out of here

478

00:18:42,150 --> 00:18:40,240

particularly i mean in around the

479

00:18:43,190 --> 00:18:42,160

chicago area for the last four or five

480

00:18:45,350 --> 00:18:43,200

years

481

00:18:46,950 --> 00:18:45,360

but particularly around o'hara

482

00:18:49,029 --> 00:18:46,960

and uh

483

00:18:51,430 --> 00:18:49,039

for the most part

484

00:18:55,029 --> 00:18:51,440

around the um

485

00:18:57,430 --> 00:18:55,039

the western cargo areas of the of the

486

00:18:59,909 --> 00:18:57,440

airport and

487

00:19:02,630 --> 00:18:59,919

for those who know the airport

488

00:19:05,830 --> 00:19:02,640

that's a specific area and kind of a

489

00:19:07,909 --> 00:19:05,840

unique area because there is a cemetery

490

00:19:10,310 --> 00:19:07,919

in o'hara

491

00:19:12,230 --> 00:19:10,320

it's not a big cemetery it's uh it's an

492

00:19:13,750 --> 00:19:12,240

old cemetery but it's been there you

493

00:19:15,190 --> 00:19:13,760

know it's been there since they built

494

00:19:17,350 --> 00:19:15,200

the airport

495

00:19:20,070 --> 00:19:17,360

and a lot of these sightings have been

496

00:19:24,150 --> 00:19:20,080

concentrated within

497

00:19:26,310 --> 00:19:24,160

100 200 yards of this cemetery

498

00:19:28,630 --> 00:19:26,320

now we did have a ufo sighting above the

499

00:19:29,830 --> 00:19:28,640

cemetery last year

500

00:19:31,909 --> 00:19:29,840

where

501
00:19:35,110 --> 00:19:31,919
the witness actually saw a humanoid of

502
00:19:38,630 --> 00:19:35,120
some type ascend up from the graveyard

503
00:19:40,789 --> 00:19:38,640
cemetery up into the ufo

504
00:19:42,470 --> 00:19:40,799
and there have been other strange

505
00:19:46,070 --> 00:19:42,480
sightings of small

506
00:19:48,549 --> 00:19:46,080
humanoid beings around there as well

507
00:19:51,430 --> 00:19:48,559
most of these reports are coming from

508
00:19:53,270 --> 00:19:51,440
truck drivers or cargo workers or human

509
00:19:55,750 --> 00:19:53,280
dock workers

510
00:19:59,029 --> 00:19:55,760
but we did have a specific report well

511
00:20:02,310 --> 00:19:59,039
we had a couple of them but on

512
00:20:05,430 --> 00:20:02,320
on july 22nd

513
00:20:07,830 --> 00:20:05,440

there was a report from three ladies i

514

00:20:10,549 --> 00:20:07,840

think it was they were all three females

515

00:20:12,230 --> 00:20:10,559

that worked at united cargo

516

00:20:13,909 --> 00:20:12,240

now they were getting off work about 10

517

00:20:15,350 --> 00:20:13,919

30 in the evening and as they were

518

00:20:17,270 --> 00:20:15,360

walking out

519

00:20:19,590 --> 00:20:17,280

they could see at a distance because

520

00:20:21,190 --> 00:20:19,600

they were probably a good 100 yards away

521

00:20:23,990 --> 00:20:21,200

from this thing

522

00:20:27,029 --> 00:20:24,000

they saw this being with red eyes and

523

00:20:29,110 --> 00:20:27,039

wings standing by the fence by the

524

00:20:32,149 --> 00:20:29,120

nearest tarmac

525

00:20:33,510 --> 00:20:32,159

and as they were watching this thing the

526
00:20:35,510 --> 00:20:33,520
tsa

527
00:20:38,149 --> 00:20:35,520
security came up and they drive these

528
00:20:39,110 --> 00:20:38,159
little trucks and stuff up there

529
00:20:41,430 --> 00:20:39,120
and

530
00:20:42,870 --> 00:20:41,440
you know they don't they don't carry any

531
00:20:45,350 --> 00:20:42,880
type of weapons all they have are

532
00:20:46,950 --> 00:20:45,360
flashlights and maybe restraining stuff

533
00:20:50,870 --> 00:20:46,960
but other than that that's all they

534
00:20:52,789 --> 00:20:50,880
carry and uh

535
00:20:54,470 --> 00:20:52,799
they were flashing their flashlights on

536
00:20:58,149 --> 00:20:54,480
this thing

537
00:21:04,070 --> 00:20:58,159
and

538
00:21:06,470 --> 00:21:04,080

off now

539

00:21:07,750 --> 00:21:06,480

we thought that was the last of it

540

00:21:11,110 --> 00:21:07,760

you know we thought we just had these

541

00:21:12,950 --> 00:21:11,120

three witnesses come forward on this

542

00:21:15,430 --> 00:21:12,960

but

543

00:21:18,789 --> 00:21:15,440

we also had

544

00:21:19,990 --> 00:21:18,799

some cargo workers who i think were

545

00:21:21,990 --> 00:21:20,000

and look they're

546

00:21:23,590 --> 00:21:22,000

they they got read the riot act all

547

00:21:25,990 --> 00:21:23,600

these people have been read to ride act

548

00:21:28,070 --> 00:21:26,000

by personnel at o'hare

549

00:21:29,750 --> 00:21:28,080

and their supervisors at their companies

550

00:21:32,230 --> 00:21:29,760

that you know

551

00:21:34,630 --> 00:21:32,240

it's a heron or a big al or something

552

00:21:36,149 --> 00:21:34,640

you know don't talk to anybody don't

553

00:21:38,950 --> 00:21:36,159

talk to phantoms and monsters in

554

00:21:41,430 --> 00:21:38,960

particular you know

555

00:21:43,029 --> 00:21:41,440

and uh

556

00:21:44,470 --> 00:21:43,039

but they're doing it they are you know

557

00:21:46,470 --> 00:21:44,480

they're scared to death of losing their

558

00:21:48,390 --> 00:21:46,480

jobs but something compels them to tell

559

00:21:50,390 --> 00:21:48,400

us what they're seeing so

560

00:21:54,149 --> 00:21:50,400

what happened is this was the same

561

00:21:56,230 --> 00:21:54,159

sighting but these fedex workers uh were

562

00:21:58,630 --> 00:21:56,240

unloading a plane

563

00:22:00,390 --> 00:21:58,640

uh at the same time around 10 30 at

564

00:22:01,830 --> 00:22:00,400

night and um

565

00:22:05,029 --> 00:22:01,840

there was a couple of them there plus a

566

00:22:07,350 --> 00:22:05,039

supervisor and they all saw this thing

567

00:22:08,549 --> 00:22:07,360

and they gave the same description uh

568

00:22:10,830 --> 00:22:08,559

thin black

569

00:22:14,549 --> 00:22:10,840

dark color

570

00:22:17,029 --> 00:22:14,559

uh bat like wings the red eyes

571

00:22:19,590 --> 00:22:17,039

and how it ascended and screamed and

572

00:22:21,110 --> 00:22:19,600

took off and here's a drawing by

573

00:22:23,430 --> 00:22:21,120

our friend uh

574

00:22:26,950 --> 00:22:23,440

uh donia dudio

575

00:22:28,390 --> 00:22:26,960

of the uh of what people described

576

00:22:30,390 --> 00:22:28,400

and uh

577

00:22:32,310 --> 00:22:30,400

they called it in they called it into

578

00:22:33,830 --> 00:22:32,320

the supervisor and they called it into

579

00:22:36,630 --> 00:22:33,840

tsa

580

00:22:39,430 --> 00:22:36,640

and they got there pretty quickly

581

00:22:41,510 --> 00:22:39,440

so apparently and i i did post on the

582

00:22:43,110 --> 00:22:41,520

blog the um

583

00:22:44,710 --> 00:22:43,120

people were freaking out they were they

584

00:22:46,310 --> 00:22:44,720

were hiding in the plane they actually

585

00:22:47,750 --> 00:22:46,320

went into the cargo plane to hide from

586

00:22:50,230 --> 00:22:47,760

this thing

587

00:22:52,549 --> 00:22:50,240

so nobody had nobody had the thought of

588

00:22:54,710 --> 00:22:52,559

mine to take a photograph of it or

589

00:22:56,950 --> 00:22:54,720

whatever but they uh

590

00:22:59,510 --> 00:22:56,960

and you know i don't know if that was

591

00:23:02,070 --> 00:22:59,520

them being afraid because of um

592

00:23:04,710 --> 00:23:02,080

you know the warnings they have had

593

00:23:06,230 --> 00:23:04,720

but they have have been warned so that's

594

00:23:07,430 --> 00:23:06,240

what you know that's what we're working

595

00:23:09,750 --> 00:23:07,440

on now

596

00:23:12,149 --> 00:23:09,760

also

597

00:23:14,149 --> 00:23:12,159

can you imagine seeing that

598

00:23:15,909 --> 00:23:14,159

well i had an encounter in 88 or

599

00:23:18,789 --> 00:23:15,919

something very similar

600

00:23:21,669 --> 00:23:18,799

but it freaked us out and i can imagine

601
00:23:25,480 --> 00:23:21,679
i mean you know i i understand

602
00:23:27,750 --> 00:23:25,490
it it has it's a scary it's a scary cry

603
00:23:29,029 --> 00:23:27,760
[Laughter]

604
00:23:32,630 --> 00:23:29,039
so uh

605
00:23:35,029 --> 00:23:32,640
also at the um

606
00:23:36,630 --> 00:23:35,039
this past week

607
00:23:38,789 --> 00:23:36,640
at the

608
00:23:42,149 --> 00:23:38,799
wisconsin state fair which is just

609
00:23:44,870 --> 00:23:42,159
outside of milwaukee

610
00:23:46,630 --> 00:23:44,880
this was on thursday july

611
00:23:48,149 --> 00:23:46,640
thursday october

612
00:23:50,230 --> 00:23:48,159
5th

613
00:23:52,230 --> 00:23:50,240

actually there was a cleanup crew there

614

00:23:55,510 --> 00:23:52,240

after a concert there was a christian

615

00:23:58,149 --> 00:23:55,520

rock team i mean christian rock band by

616

00:24:01,269 --> 00:23:58,159

the name of skillet there

617

00:24:03,750 --> 00:24:01,279

and uh as they were out there

618

00:24:05,350 --> 00:24:03,760

in front of the stage

619

00:24:07,190 --> 00:24:05,360

cleaning up

620

00:24:08,870 --> 00:24:07,200

two of these workers saw this thing

621

00:24:10,230 --> 00:24:08,880

standing out there and it was staring at

622

00:24:13,190 --> 00:24:10,240

the people that were on the stage

623

00:24:15,350 --> 00:24:13,200

breaking down the equipment

624

00:24:18,870 --> 00:24:15,360

and uh

625

00:24:20,470 --> 00:24:18,880

they actually contacted uh manuel manuel

626
00:24:21,909 --> 00:24:20,480
got this study

627
00:24:24,630 --> 00:24:21,919
and uh

628
00:24:26,470 --> 00:24:24,640
yeah red eyes

629
00:24:29,269 --> 00:24:26,480
you know the the wings the whole nine

630
00:24:31,590 --> 00:24:29,279
yards very similar what people have got

631
00:24:33,990 --> 00:24:31,600
so uh now a lot of a lot of the

632
00:24:35,669 --> 00:24:34,000
milwaukee media picked this up and it's

633
00:24:37,269 --> 00:24:35,679
hurting making its rounds on on the

634
00:24:39,750 --> 00:24:37,279
internet but uh

635
00:24:41,830 --> 00:24:39,760
apparently the middle the wisconsin

636
00:24:43,669 --> 00:24:41,840
state fair has something bizarre

637
00:24:45,350 --> 00:24:43,679
happening like that every year i mean

638
00:24:47,110 --> 00:24:45,360

i'm not saying it's a mothman out there

639

00:24:48,390 --> 00:24:47,120

or a wing humanoid but they have

640

00:24:49,830 --> 00:24:48,400

something show up

641

00:24:52,230 --> 00:24:49,840

i kind of thought that was interesting

642

00:24:54,630 --> 00:24:52,240

because i had never heard that before

643

00:24:55,909 --> 00:24:54,640

i'm laughing at vincent vincent's thing

644

00:24:59,029 --> 00:24:55,919

where he says that's what you get when

645

00:25:00,470 --> 00:24:59,039

you see skillet but i know like in our

646

00:25:03,590 --> 00:25:00,480

in our

647

00:25:05,830 --> 00:25:03,600

message thread yeah somebody brought up

648

00:25:07,430 --> 00:25:05,840

that it was a christian rock band and

649

00:25:08,710 --> 00:25:07,440

somebody i can't remember but somebody

650

00:25:10,870 --> 00:25:08,720

said they didn't think that anything to

651
00:25:12,149 --> 00:25:10,880
do with it but what do you think

652
00:25:13,590 --> 00:25:12,159
like

653
00:25:15,990 --> 00:25:13,600
have something to do with the religious

654
00:25:17,750 --> 00:25:16,000
aspect of it

655
00:25:19,750 --> 00:25:17,760
i don't know you know those winged

656
00:25:21,190 --> 00:25:19,760
humanoids are so weird

657
00:25:23,510 --> 00:25:21,200
yeah you know

658
00:25:27,909 --> 00:25:23,520
we have had uh we've had sightings at la

659
00:25:29,350 --> 00:25:27,919
palo la la la la lows or whatever

660
00:25:30,870 --> 00:25:29,360
out in chicago

661
00:25:33,430 --> 00:25:30,880
in grant park

662
00:25:35,430 --> 00:25:33,440
uh there were sightings there a couple

663
00:25:36,470 --> 00:25:35,440

years ago

664

00:25:38,390 --> 00:25:36,480

uh

665

00:25:40,950 --> 00:25:38,400

you know

666

00:25:42,789 --> 00:25:40,960

my whole thing on this is

667

00:25:45,029 --> 00:25:42,799

they i don't think they mind being seen

668

00:25:46,710 --> 00:25:45,039

i think they're out there to be seen now

669

00:25:48,149 --> 00:25:46,720

why that is you know they don't stick

670

00:25:50,789 --> 00:25:48,159

around long

671

00:25:53,350 --> 00:25:50,799

uh they seem to be curious

672

00:25:55,350 --> 00:25:53,360

uh they're they're not very aggressive

673

00:25:57,350 --> 00:25:55,360

and but there have been cases where they

674

00:26:00,230 --> 00:25:57,360

are somewhat aggressive

675

00:26:01,909 --> 00:26:00,240

um but you know they're here and gone

676

00:26:03,990 --> 00:26:01,919

and that's what you know that's what

677

00:26:06,470 --> 00:26:04,000

most people describe

678

00:26:08,630 --> 00:26:06,480

but as as far as what's going on out of

679

00:26:10,549 --> 00:26:08,640

here i don't i don't know you know

680

00:26:12,710 --> 00:26:10,559

earlier on we were getting sightings all

681

00:26:14,630 --> 00:26:12,720

over the city

682

00:26:17,029 --> 00:26:14,640

uh some neighborhoods were having more

683

00:26:18,710 --> 00:26:17,039

sightings than other but uh

684

00:26:20,470 --> 00:26:18,720

of course we were getting sightings down

685

00:26:21,350 --> 00:26:20,480

in indiana

686

00:26:23,990 --> 00:26:21,360

uh

687

00:26:26,630 --> 00:26:24,000

just going south into illinois northern

688

00:26:29,269 --> 00:26:26,640

illinois southern wisconsin

689

00:26:31,909 --> 00:26:29,279

and uh even had a few out in michigan

690

00:26:33,510 --> 00:26:31,919

across the lake and uh even out on the

691

00:26:36,070 --> 00:26:33,520

lake so

692

00:26:38,549 --> 00:26:36,080

at this point right now i think we're at

693

00:26:40,470 --> 00:26:38,559

i haven't looked but i think it's 128 or

694

00:26:43,029 --> 00:26:40,480

129 sightings

695

00:26:45,669 --> 00:26:43,039

that we believe are valid sightings now

696

00:26:47,830 --> 00:26:45,679

that's since 2011.

697

00:26:49,990 --> 00:26:47,840

so all the sightings

698

00:26:51,190 --> 00:26:50,000

uh well yeah that's a lot of sightings

699

00:26:52,870 --> 00:26:51,200

and uh

700

00:26:54,630 --> 00:26:52,880

you know it's still

701
00:26:56,630 --> 00:26:54,640
it's still one of those things that when

702
00:26:58,070 --> 00:26:56,640
somebody sees and reports it they have

703
00:27:00,149 --> 00:26:58,080
to look it up because they they haven't

704
00:27:01,990 --> 00:27:00,159
heard anything about it sure you know

705
00:27:03,830 --> 00:27:02,000
it's been in the media but

706
00:27:05,350 --> 00:27:03,840
it's not had it not had hasn't really

707
00:27:07,990 --> 00:27:05,360
gone mainstream to the point where

708
00:27:09,590 --> 00:27:08,000
everybody well the chicago mothman what

709
00:27:12,870 --> 00:27:09,600
the hell's that i mean i don't know what

710
00:27:14,230 --> 00:27:12,880
that is you know but um yeah so a lot of

711
00:27:16,230 --> 00:27:14,240
times when

712
00:27:18,870 --> 00:27:16,240
somebody contacts me or calls me it's

713
00:27:20,789 --> 00:27:18,880

kind of funny listen to him

714

00:27:22,630 --> 00:27:20,799

somebody gave me this number to call you

715

00:27:24,470 --> 00:27:22,640

because i saw something i have no idea

716

00:27:26,549 --> 00:27:24,480

what the hell this thing was

717

00:27:29,110 --> 00:27:26,559

and they told me to call you or i found

718

00:27:32,630 --> 00:27:29,120

your name on the internet and you know

719

00:27:35,029 --> 00:27:32,640

a lot of dotted you know and you know

720

00:27:36,470 --> 00:27:35,039

so uh and then you tell them well you're

721

00:27:37,990 --> 00:27:36,480

not the only one i mean this is

722

00:27:39,110 --> 00:27:38,000

something that's been going on quite a

723

00:27:41,669 --> 00:27:39,120

while

724

00:27:45,669 --> 00:27:41,679

uh but you know an another

725

00:27:49,669 --> 00:27:45,679

good nice aspect of this even though

726

00:27:52,789 --> 00:27:49,679

they and we can't get any of the um

727

00:27:55,350 --> 00:27:52,799

the uh uh freedom of information act

728

00:27:57,750 --> 00:27:55,360

requests filled through the city

729

00:27:58,950 --> 00:27:57,760

is we've had police officers

730

00:28:01,269 --> 00:27:58,960

uh

731

00:28:03,830 --> 00:28:01,279

city workers

732

00:28:05,750 --> 00:28:03,840

we had somebody in the mayor's office

733

00:28:08,389 --> 00:28:05,760

that saw one of these things

734

00:28:10,549 --> 00:28:08,399

uh i've had

735

00:28:12,470 --> 00:28:10,559

i had two reported signs one was a

736

00:28:13,990 --> 00:28:12,480

retired police officer from chicago and

737

00:28:16,230 --> 00:28:14,000

ellen was

738

00:28:17,430 --> 00:28:16,240

the two on-duty cops who got flagged

739

00:28:18,950 --> 00:28:17,440

down by some of the people in the

740

00:28:20,630 --> 00:28:18,960

neighborhood and this thing was up on

741

00:28:22,070 --> 00:28:20,640

top of the building

742

00:28:25,669 --> 00:28:22,080

and uh but i've had other police

743

00:28:27,510 --> 00:28:25,679

officers talk to me and um

744

00:28:30,149 --> 00:28:27,520

yeah so and of course at the airport

745

00:28:32,470 --> 00:28:30,159

we're getting tsa security talking about

746

00:28:35,110 --> 00:28:32,480

it we plus cargo people

747

00:28:37,990 --> 00:28:35,120

i i've got a uh i got a source in one of

748

00:28:39,669 --> 00:28:38,000

the airlines who's actually a supervisor

749

00:28:40,789 --> 00:28:39,679

but i i won't you know i don't want to

750

00:28:42,149 --> 00:28:40,799

go any further than that because i don't

751

00:28:44,630 --> 00:28:42,159

want that person

752

00:28:46,789 --> 00:28:44,640

getting you know getting tagged for this

753

00:28:48,630 --> 00:28:46,799

but they have been very they have been

754

00:28:49,430 --> 00:28:48,640

very cooperative and giving you an idea

755

00:28:54,470 --> 00:28:49,440

what

756

00:28:55,590 --> 00:28:54,480

terminal where they are actually at

757

00:28:57,909 --> 00:28:55,600

so uh

758

00:29:00,389 --> 00:28:57,919

and they are in charge this supervisor

759

00:29:03,590 --> 00:29:00,399

is in charge of the ground crew

760

00:29:05,110 --> 00:29:03,600

so uh yeah so you know it's pretty busy

761

00:29:07,190 --> 00:29:05,120

and uh

762

00:29:08,789 --> 00:29:07,200

they have had some of their people

763

00:29:10,549 --> 00:29:08,799

actually tell them

764

00:29:12,870 --> 00:29:10,559

that they're seeing this stuff

765

00:29:16,389 --> 00:29:12,880

so

766

00:29:18,549 --> 00:29:16,399

uh air traffic controllers pilots

767

00:29:21,190 --> 00:29:18,559

you know we foul um

768

00:29:24,549 --> 00:29:21,200

we have filed uh foia requests with the

769

00:29:27,350 --> 00:29:24,559

faa at great lakes

770

00:29:30,389 --> 00:29:27,360

no reports even though i know

771

00:29:32,789 --> 00:29:30,399

these pilots are calling it in

772

00:29:33,750 --> 00:29:32,799

so um yeah so that's what that's what's

773

00:29:35,830 --> 00:29:33,760

going on

774

00:29:38,630 --> 00:29:35,840

look at all the ufo stuff that came out

775

00:29:41,190 --> 00:29:38,640

so i was just gonna say that yeah i mean

776

00:29:42,630 --> 00:29:41,200

you know but you know all in all when it

777

00:29:44,789 --> 00:29:42,640

comes to the paranormal we're kind of

778

00:29:46,310 --> 00:29:44,799

left on our own you know

779

00:29:48,230 --> 00:29:46,320

and i think it's going to be like that

780

00:29:50,630 --> 00:29:48,240

for a long time uh you got any questions

781

00:29:52,630 --> 00:29:50,640

in there um

782

00:29:54,630 --> 00:29:52,640

there we go a good one could any

783

00:29:57,110 --> 00:29:54,640

multi-size be produced with lights or

784

00:29:58,630 --> 00:29:57,120

holograms i guess it could be but

785

00:30:00,389 --> 00:29:58,640

you know

786

00:30:02,070 --> 00:30:00,399

we have no evidence of that of what

787

00:30:04,230 --> 00:30:02,080

that's going that's going on we really

788

00:30:05,990 --> 00:30:04,240

don't i mean we've had people saying

789

00:30:08,870 --> 00:30:06,000

there's squirrel suits people flying

790

00:30:09,990 --> 00:30:08,880

around in suits and stuff and drones and

791

00:30:11,190 --> 00:30:10,000

all that

792

00:30:13,990 --> 00:30:11,200

but

793

00:30:15,830 --> 00:30:14,000

those devices cannot do some of the

794

00:30:17,510 --> 00:30:15,840

maneuvers that we have people have been

795

00:30:19,190 --> 00:30:17,520

describing to us

796

00:30:21,669 --> 00:30:19,200

and if it's a squirrel suit somebody

797

00:30:22,630 --> 00:30:21,679

jumping off a building and

798

00:30:24,549 --> 00:30:22,640

trying to

799

00:30:25,909 --> 00:30:24,559

fly down or float down well you know

800

00:30:27,830 --> 00:30:25,919

they don't call it the windy city for

801
00:30:28,870 --> 00:30:27,840
nothing they're going to go splat on one

802
00:30:30,710 --> 00:30:28,880
of the side of them buildings and

803
00:30:32,389 --> 00:30:30,720
they're they're gone that's a really

804
00:30:35,110 --> 00:30:32,399
good question though isn't it that's a

805
00:30:37,190 --> 00:30:35,120
good question yeah yeah it is because uh

806
00:30:38,789 --> 00:30:37,200
there are a lot of questions

807
00:30:40,389 --> 00:30:38,799
um you know

808
00:30:42,070 --> 00:30:40,399
even beginning i was getting a lot of

809
00:30:42,950 --> 00:30:42,080
questions as somebody's hoaxing this

810
00:30:44,630 --> 00:30:42,960
well

811
00:30:47,190 --> 00:30:44,640
this has been going on and very

812
00:30:48,789 --> 00:30:47,200
consistently for a number of years now

813
00:30:53,190 --> 00:30:48,799

so

814

00:30:54,389 --> 00:30:53,200

tangible evidence that this is being

815

00:30:56,389 --> 00:30:54,399

host

816

00:30:58,549 --> 00:30:56,399

so folks if you got questions about

817

00:31:00,630 --> 00:30:58,559

anything for amy or for

818

00:31:03,750 --> 00:31:00,640

for vincent or myself please put it up

819

00:31:05,909 --> 00:31:03,760

there i have a question for you

820

00:31:08,070 --> 00:31:05,919

going where the cameras so

821

00:31:09,830 --> 00:31:08,080

of all the different creatures that you

822

00:31:11,990 --> 00:31:09,840

hear about or you've

823

00:31:15,350 --> 00:31:12,000

seen or you've taken reports for what

824

00:31:17,830 --> 00:31:15,360

would you least like to come across

825

00:31:19,350 --> 00:31:17,840

like the scariest one well the the

826

00:31:22,070 --> 00:31:19,360

upright canines

827

00:31:24,789 --> 00:31:22,080

me too they're death of those things

828

00:31:27,350 --> 00:31:24,799

you know absolutely

829

00:31:29,750 --> 00:31:27,360

they hold their ground for the most part

830

00:31:32,149 --> 00:31:29,760

they aren't frightened we've had

831

00:31:33,269 --> 00:31:32,159

hunters actually encroaching on these

832

00:31:35,350 --> 00:31:33,279

things

833

00:31:37,669 --> 00:31:35,360

uh some with high power rifles some

834

00:31:38,549 --> 00:31:37,679

shotguns but no no i'm not taking a shot

835

00:31:40,630 --> 00:31:38,559

at it

836

00:31:41,830 --> 00:31:40,640

i i think they're so intimidating that

837

00:31:44,070 --> 00:31:41,840

that's the last thing they're thinking

838

00:31:46,630 --> 00:31:44,080

about and and let alone you know just

839

00:31:48,230 --> 00:31:46,640

like with bigfoot i think there's a very

840

00:31:49,909 --> 00:31:48,240

good possibility that there's some type

841

00:31:52,310 --> 00:31:49,919

of infrasound

842

00:31:54,310 --> 00:31:52,320

you know connection sure

843

00:31:56,230 --> 00:31:54,320

to where uh they kind of get people to

844

00:31:58,070 --> 00:31:56,240

back off

845

00:31:59,509 --> 00:31:58,080

um you know even with these winged

846

00:32:01,590 --> 00:31:59,519

humanoids i think there's something

847

00:32:03,509 --> 00:32:01,600

related to that because i think it kind

848

00:32:05,430 --> 00:32:03,519

of stuns people not that it wouldn't

849

00:32:06,710 --> 00:32:05,440

stun them anyway but from shock of

850

00:32:08,549 --> 00:32:06,720

seeing the thing

851
00:32:10,070 --> 00:32:08,559
but i think there there's something that

852
00:32:12,870 --> 00:32:10,080
the they

853
00:32:14,470 --> 00:32:12,880
emit that that kind of uh puts them at a

854
00:32:17,590 --> 00:32:14,480
disadvantage for a certain amount of

855
00:32:19,590 --> 00:32:17,600
time we've had witnesses literally

856
00:32:21,909 --> 00:32:19,600
fall to the ground

857
00:32:22,870 --> 00:32:21,919
uh being weak

858
00:32:24,149 --> 00:32:22,880
uh

859
00:32:26,630 --> 00:32:24,159
being tired

860
00:32:29,110 --> 00:32:26,640
have to sit down somewhere

861
00:32:29,990 --> 00:32:29,120
that has happened so i'm passing out

862
00:32:31,029 --> 00:32:30,000
even

863
00:32:33,990 --> 00:32:31,039

waking up

864

00:32:36,870 --> 00:32:34,000

hours later yeah yeah it's uh it's

865

00:32:38,789 --> 00:32:36,880

there's been a lot of that so um

866

00:32:43,269 --> 00:32:38,799

hey if we got any questions uh just put

867

00:32:48,230 --> 00:32:45,830

and peace thank you again for your

868

00:32:51,430 --> 00:32:48,240

contributions

869

00:32:56,549 --> 00:32:53,909

lon do we think that these uh flying

870

00:32:58,789 --> 00:32:56,559

humanoids the ones specifically that are

871

00:33:01,269 --> 00:32:58,799

being seen in chicago do we think

872

00:33:03,430 --> 00:33:01,279

they're being like uh conjured

873

00:33:05,430 --> 00:33:03,440

or brought to that area

874

00:33:07,750 --> 00:33:05,440

or do you think they are

875

00:33:10,789 --> 00:33:07,760

living in that area no i don't think

876

00:33:12,870 --> 00:33:10,799

they're living there i i think you know

877

00:33:15,509 --> 00:33:12,880

that's one of the theories we we started

878

00:33:17,909 --> 00:33:15,519

working on earlier with the conjuring

879

00:33:20,230 --> 00:33:17,919

maybe it was uh

880

00:33:22,070 --> 00:33:20,240

if it was something that was manifested

881

00:33:23,669 --> 00:33:22,080

or conjured up by the occult or

882

00:33:25,509 --> 00:33:23,679

something like that

883

00:33:26,389 --> 00:33:25,519

we didn't find any evidence of that

884

00:33:28,789 --> 00:33:26,399

though

885

00:33:31,190 --> 00:33:28,799

there were some areas there where a lot

886

00:33:33,830 --> 00:33:31,200

of that took place i mean

887

00:33:35,110 --> 00:33:33,840

you know we had a special one area

888

00:33:37,750 --> 00:33:35,120

little village

889

00:33:39,909 --> 00:33:37,760

heavily hispanic area where they um the

890

00:33:42,789 --> 00:33:39,919

santorini is pretty heavy

891

00:33:44,549 --> 00:33:42,799

uh there and uh we thought maybe we were

892

00:33:46,630 --> 00:33:44,559

gonna check though we didn't get any

893

00:33:48,630 --> 00:33:46,640

evidence possibly

894

00:33:49,669 --> 00:33:48,640

conjuring up guardians or centuries or

895

00:33:52,549 --> 00:33:49,679

something

896

00:33:54,310 --> 00:33:52,559

uh not like not like what i believe

897

00:33:55,909 --> 00:33:54,320

happened at point pleasant because i

898

00:33:58,230 --> 00:33:55,919

think there

899

00:34:00,870 --> 00:33:58,240

that was something that was summoned by

900

00:34:03,190 --> 00:34:00,880

a very strong uh

901
00:34:04,950 --> 00:34:03,200
uh indigenous spirit

902
00:34:07,110 --> 00:34:04,960
you know if you ever go to point

903
00:34:09,750 --> 00:34:07,120
pleasant and you're lucky enough to go

904
00:34:11,190 --> 00:34:09,760
into the uh western old west virginia

905
00:34:13,430 --> 00:34:11,200
ordinance works

906
00:34:15,750 --> 00:34:13,440
and get some evp

907
00:34:17,270 --> 00:34:15,760
you know and digital it

908
00:34:19,030 --> 00:34:17,280
some of them are pretty unbelievable

909
00:34:20,950 --> 00:34:19,040
they really aren't there's and i i you

910
00:34:23,270 --> 00:34:20,960
know me being an intuitive i go in there

911
00:34:25,270 --> 00:34:23,280
and it almost blows me out of the place

912
00:34:27,430 --> 00:34:25,280
because it's very strong

913
00:34:28,950 --> 00:34:27,440

and i think that energy is still there i

914

00:34:31,270 --> 00:34:28,960

mean there's been a lot of historical

915

00:34:33,990 --> 00:34:31,280

activity there a lot of death

916

00:34:35,750 --> 00:34:34,000

uh not only with settlers and the

917

00:34:38,230 --> 00:34:35,760

indians fighting but mostly with the

918

00:34:40,310 --> 00:34:38,240

indian tribes fighting each other

919

00:34:42,310 --> 00:34:40,320

it was a key area where

920

00:34:43,909 --> 00:34:42,320

the two rivers met and uh it was a

921

00:34:46,629 --> 00:34:43,919

hunting area and you know they fought

922

00:34:48,629 --> 00:34:46,639

over the territory so

923

00:34:49,909 --> 00:34:48,639

yeah i i think it's a there's a very

924

00:34:53,030 --> 00:34:49,919

strong

925

00:34:56,710 --> 00:34:53,040

indigenous spirit or energy there

926
00:34:57,910 --> 00:34:56,720
that that's able to conjure or

927
00:34:59,829 --> 00:34:57,920
uh

928
00:35:01,589 --> 00:34:59,839
call upon one of these things now

929
00:35:03,430 --> 00:35:01,599
where's it coming from well that's the

930
00:35:05,990 --> 00:35:03,440
big question

931
00:35:08,630 --> 00:35:06,000
is is this a multi-dimensional being an

932
00:35:09,750 --> 00:35:08,640
international being who knows i mean we

933
00:35:12,390 --> 00:35:09,760
we

934
00:35:14,630 --> 00:35:12,400
can speculate that

935
00:35:16,150 --> 00:35:14,640
uh we've had people see them as

936
00:35:20,310 --> 00:35:16,160
literally

937
00:35:22,550 --> 00:35:20,320
you know just like through thin air like

938
00:35:23,670 --> 00:35:22,560

they went through an invisible doorway

939

00:35:25,990 --> 00:35:23,680

um

940

00:35:27,910 --> 00:35:26,000

we have to consider that

941

00:35:29,670 --> 00:35:27,920

uh you know and that that's part of a

942

00:35:31,270 --> 00:35:29,680

strong argument i think we're going to

943

00:35:33,109 --> 00:35:31,280

have now with this thing at o'hara

944

00:35:34,310 --> 00:35:33,119

because um

945

00:35:36,310 --> 00:35:34,320

there's something going on at that

946

00:35:38,470 --> 00:35:36,320

cemetery you know it's something we

947

00:35:40,069 --> 00:35:38,480

don't understand yet at what's going

948

00:35:41,190 --> 00:35:40,079

with the cemetery

949

00:35:42,230 --> 00:35:41,200

uh

950

00:35:43,910 --> 00:35:42,240

you know

951
00:35:46,230 --> 00:35:43,920
one of our colleagues and i are working

952
00:35:48,230 --> 00:35:46,240
pretty heavy on that now

953
00:35:50,310 --> 00:35:48,240
and um

954
00:35:52,710 --> 00:35:50,320
there's a lot of ufo reports out over

955
00:35:55,990 --> 00:35:52,720
the uh lake over that way too oh yeah

956
00:35:58,230 --> 00:35:56,000
chicago is well known for ufo activity

957
00:35:59,510 --> 00:35:58,240
uh you know along the lake even at

958
00:36:01,430 --> 00:35:59,520
o'hara

959
00:36:03,510 --> 00:36:01,440
um

960
00:36:05,750 --> 00:36:03,520
you know seems so many times these uh

961
00:36:09,190 --> 00:36:05,760
ufo sightings are

962
00:36:12,150 --> 00:36:09,200
connected with these cryptid sightings

963
00:36:13,910 --> 00:36:12,160

well what happens i mean you know

964

00:36:15,829 --> 00:36:13,920

occasionally you will get one where

965

00:36:17,910 --> 00:36:15,839

there are multiple sightings of

966

00:36:20,390 --> 00:36:17,920

different types of phenomena

967

00:36:23,270 --> 00:36:20,400

uh i think but for the most part we do

968

00:36:24,550 --> 00:36:23,280

get more sightings of bigfoot and orb

969

00:36:26,950 --> 00:36:24,560

activity

970

00:36:28,950 --> 00:36:26,960

uh around area even after somebody makes

971

00:36:30,710 --> 00:36:28,960

a report and an investigator goes there

972

00:36:32,950 --> 00:36:30,720

a couple days later

973

00:36:34,710 --> 00:36:32,960

uh and they'll go into the same area and

974

00:36:35,910 --> 00:36:34,720

there's a lot of war activity in the

975

00:36:38,470 --> 00:36:35,920

forest

976

00:36:40,630 --> 00:36:38,480

uh so is that connected to deciding who

977

00:36:42,950 --> 00:36:40,640

knows it may be you know

978

00:36:44,630 --> 00:36:42,960

uh but you know you know stan gore has

979

00:36:46,710 --> 00:36:44,640

documented a lot of this stuff you know

980

00:36:49,030 --> 00:36:46,720

especially up in the um

981

00:36:51,349 --> 00:36:49,040

the chestnut ridge and of course back in

982

00:36:53,270 --> 00:36:51,359

1973

983

00:36:55,270 --> 00:36:53,280

there was just so much going on back

984

00:36:57,030 --> 00:36:55,280

then i mean it was crazy

985

00:36:58,870 --> 00:36:57,040

the ufo activity particularly in

986

00:37:00,390 --> 00:36:58,880

pennsylvania was just

987

00:37:03,190 --> 00:37:00,400

off the chart

988

00:37:05,589 --> 00:37:03,200

and because of that there were a lot of

989

00:37:07,349 --> 00:37:05,599

uh cryptid sightings

990

00:37:09,750 --> 00:37:07,359

that they many people believe we're

991

00:37:13,510 --> 00:37:09,760

actually associated with the

992

00:37:19,430 --> 00:37:17,030

somebody asked in the chat if um

993

00:37:22,790 --> 00:37:19,440

there were like bases under

994

00:37:25,349 --> 00:37:22,800

the lake i think yeah that's interesting

995

00:37:27,109 --> 00:37:25,359

to me i don't know about that but i'm

996

00:37:29,349 --> 00:37:27,119

also wondering

997

00:37:31,910 --> 00:37:29,359

i used to live up in cleveland

998

00:37:33,430 --> 00:37:31,920

and you know the salt mines under there

999

00:37:35,510 --> 00:37:33,440

they have that under lake michigan as

1000

00:37:36,630 --> 00:37:35,520

well well i don't know about lake

1001
00:37:37,589 --> 00:37:36,640
michigan

1002
00:37:39,829 --> 00:37:37,599
uh

1003
00:37:41,270 --> 00:37:39,839
lake michigan has a history of

1004
00:37:44,150 --> 00:37:41,280
disappearances

1005
00:37:47,109 --> 00:37:44,160
there have been reports of u.s so active

1006
00:37:48,790 --> 00:37:47,119
actual crap coming out of the lake

1007
00:37:51,430 --> 00:37:48,800
there have been some cryptid sightings

1008
00:37:53,190 --> 00:37:51,440
of reptilian-like beans

1009
00:37:55,030 --> 00:37:53,200
on the shores

1010
00:37:57,349 --> 00:37:55,040
gonna give me nice see that that scares

1011
00:38:00,310 --> 00:37:57,359
me the most yeah those reptilians that's

1012
00:38:02,550 --> 00:38:00,320
what scares me the most but if there is

1013
00:38:04,470 --> 00:38:02,560

any type of military or

1014

00:38:06,390 --> 00:38:04,480

deep underground base

1015

00:38:08,710 --> 00:38:06,400

activity

1016

00:38:10,790 --> 00:38:08,720

you know i wouldn't be surprised if they

1017

00:38:12,069 --> 00:38:10,800

they it was mentioned in connection with

1018

00:38:13,510 --> 00:38:12,079

the airport

1019

00:38:14,870 --> 00:38:13,520

you know

1020

00:38:16,390 --> 00:38:14,880

these type of theories have been coming

1021

00:38:18,710 --> 00:38:16,400

here for a lot of years in particular

1022

00:38:20,550 --> 00:38:18,720

like the new well the newest airport

1023

00:38:22,630 --> 00:38:20,560

that was built on denver

1024

00:38:24,310 --> 00:38:22,640

uh you know there were there was has

1025

00:38:26,870 --> 00:38:24,320

been talk of all kinds of crazy

1026

00:38:29,270 --> 00:38:26,880

phenomena going on out there

1027

00:38:31,270 --> 00:38:29,280

and um

1028

00:38:32,630 --> 00:38:31,280

o'hara is well known for paranormal

1029

00:38:35,109 --> 00:38:32,640

activity

1030

00:38:36,950 --> 00:38:35,119

you know there there are travelers that

1031

00:38:38,150 --> 00:38:36,960

show up that really shouldn't be there

1032

00:38:40,550 --> 00:38:38,160

you know

1033

00:38:43,270 --> 00:38:40,560

people see this person see this

1034

00:38:45,190 --> 00:38:43,280

manifestation and it just disappears

1035

00:38:48,069 --> 00:38:45,200

uh there has been a lot of that over the

1036

00:38:51,349 --> 00:38:48,079

years and there's also been uh you know

1037

00:38:52,710 --> 00:38:51,359

even we have had reports of uh possible

1038

00:38:55,430 --> 00:38:52,720

grays

1039

00:38:59,589 --> 00:38:55,440

being seen out on the tarmac or even in

1040

00:39:02,310 --> 00:39:00,470

you know

1041

00:39:03,750 --> 00:39:02,320

is that what's going on i guess it's

1042

00:39:04,710 --> 00:39:03,760

possible you know i don't you know i

1043

00:39:06,150 --> 00:39:04,720

don't know

1044

00:39:08,710 --> 00:39:06,160

if we don't have access to it there's

1045

00:39:11,349 --> 00:39:08,720

not much we can do about it but you know

1046

00:39:13,670 --> 00:39:11,359

because of chicago's size and everything

1047

00:39:15,910 --> 00:39:13,680

i think it's very possible

1048

00:39:18,390 --> 00:39:15,920

that uh that may be that may be a

1049

00:39:20,790 --> 00:39:18,400

possibility so who knows

1050

00:39:22,310 --> 00:39:20,800

any have you seen any uh orbs when

1051
00:39:24,550 --> 00:39:22,320
you're out uh

1052
00:39:25,589 --> 00:39:24,560
looking for sasquatch

1053
00:39:27,990 --> 00:39:25,599
um

1054
00:39:29,990 --> 00:39:28,000
i've seen some a couple weird things

1055
00:39:32,550 --> 00:39:30,000
that i can't really explain

1056
00:39:34,230 --> 00:39:32,560
during my second possible sighting and

1057
00:39:35,910 --> 00:39:34,240
again like i didn't see it well enough

1058
00:39:39,430 --> 00:39:35,920
to know for sure it was at night through

1059
00:39:41,430 --> 00:39:39,440
a flear it was like misty raining and we

1060
00:39:43,030 --> 00:39:41,440
were standing near some like high

1061
00:39:45,750 --> 00:39:43,040
tension wires

1062
00:39:47,109 --> 00:39:45,760
and there were some white orb like

1063
00:39:48,069 --> 00:39:47,119

things but i'm just wondering if that

1064

00:39:50,710 --> 00:39:48,079

was like

1065

00:39:52,069 --> 00:39:50,720

the electricity you know or something

1066

00:39:53,750 --> 00:39:52,079

like that lighting or something like

1067

00:39:56,710 --> 00:39:53,760

that something like that yeah but there

1068

00:39:58,630 --> 00:39:56,720

have been once in kentucky and um

1069

00:40:00,950 --> 00:39:58,640

once in

1070

00:40:02,630 --> 00:40:00,960

uh somebody i forget who it was blue

1071

00:40:04,630 --> 00:40:02,640

cross road said he was talking to dave

1072

00:40:05,990 --> 00:40:04,640

hensley and it was once went out with

1073

00:40:08,309 --> 00:40:06,000

him camping

1074

00:40:10,870 --> 00:40:08,319

we saw some strange lights but they

1075

00:40:13,750 --> 00:40:10,880

didn't look like orbs they looked like

1076

00:40:15,430 --> 00:40:13,760

both times i could have sworn

1077

00:40:17,430 --> 00:40:15,440

somebody was standing there with some

1078

00:40:18,309 --> 00:40:17,440

kind of electronics because it looked

1079

00:40:22,550 --> 00:40:18,319

like

1080

00:40:23,510 --> 00:40:22,560

um

1081

00:40:25,670 --> 00:40:23,520

like something that might have been

1082

00:40:28,550 --> 00:40:25,680

going off from a camera you know like a

1083

00:40:31,349 --> 00:40:28,560

led light but there was nothing

1084

00:40:33,109 --> 00:40:31,359

there and as far as we knew nobody like

1085

00:40:34,550 --> 00:40:33,119

with a laser pointer or anything like

1086

00:40:36,710 --> 00:40:34,560

that so

1087

00:40:38,550 --> 00:40:36,720

both times i was positive somebody was

1088

00:40:40,309 --> 00:40:38,560

standing there and they weren't so i'm

1089

00:40:41,430 --> 00:40:40,319

not sure what that was

1090

00:40:43,270 --> 00:40:41,440

you know i wanted to ask you something

1091

00:40:44,550 --> 00:40:43,280

amy and i didn't talk to you about this

1092

00:40:45,750 --> 00:40:44,560

but i asked some of the other people in

1093

00:40:48,230 --> 00:40:45,760

the team

1094

00:40:50,470 --> 00:40:48,240

that uh cass river sighting

1095

00:40:52,390 --> 00:40:50,480

up in uh was that michigan

1096

00:40:53,589 --> 00:40:52,400

of the bigfoot that crossed the

1097

00:40:55,190 --> 00:40:53,599

the river

1098

00:40:56,870 --> 00:40:55,200

oh yeah you know it's what i'm talking

1099

00:40:57,990 --> 00:40:56,880

about yeah what are your thoughts on

1100

00:41:03,829 --> 00:40:58,000

that

1101

00:41:06,470 --> 00:41:03,839

so i don't know i i am

1102

00:41:08,870 --> 00:41:06,480

i'm too skeptical for my own

1103

00:41:11,030 --> 00:41:08,880

good sometimes i think

1104

00:41:12,710 --> 00:41:11,040

yeah it's i guess it's good but it also

1105

00:41:15,349 --> 00:41:12,720

takes sometimes it takes the fun out of

1106

00:41:16,790 --> 00:41:15,359

it a little bit but um i know that it

1107

00:41:19,190 --> 00:41:16,800

had been

1108

00:41:22,390 --> 00:41:19,200

like going making the rounds a bit

1109

00:41:24,950 --> 00:41:22,400

and you i i personally have not looked

1110

00:41:26,150 --> 00:41:24,960

into it enough to have really an opinion

1111

00:41:27,750 --> 00:41:26,160

because there are people that were

1112

00:41:29,990 --> 00:41:27,760

saying oh no it's a hoax and then others

1113

00:41:32,230 --> 00:41:30,000

that were saying no it wasn't but i like

1114

00:41:34,630 --> 00:41:32,240

to um

1115

00:41:36,550 --> 00:41:34,640

look through evidence myself before

1116

00:41:38,870 --> 00:41:36,560

making that opinion

1117

00:41:40,790 --> 00:41:38,880

but i'll just be honest i don't i have

1118

00:41:42,390 --> 00:41:40,800

not done that so i'm not sure

1119

00:41:43,829 --> 00:41:42,400

yeah i think that's one of those things

1120

00:41:46,230 --> 00:41:43,839

that's going to have to

1121

00:41:49,349 --> 00:41:46,240

kind of make its way through the years

1122

00:41:50,710 --> 00:41:49,359

and people having uh

1123

00:41:52,470 --> 00:41:50,720

more thought about it just like with

1124

00:41:55,109 --> 00:41:52,480

patterson gimlin i mean you know it took

1125

00:41:58,069 --> 00:41:55,119

a long time before that even became

1126
00:42:00,069 --> 00:41:58,079
mainstream i want it to be real yeah oh

1127
00:42:02,390 --> 00:42:00,079
yeah absolutely yeah i mean it's not

1128
00:42:04,870 --> 00:42:02,400
sure just over the years i've seen some

1129
00:42:06,870 --> 00:42:04,880
videos and such that i've kind of break

1130
00:42:09,910 --> 00:42:06,880
down and try to

1131
00:42:11,030 --> 00:42:09,920
you know try to get yeah there it is um

1132
00:42:14,829 --> 00:42:11,040
i mean it

1133
00:42:17,030 --> 00:42:14,839
you know some people say it's a um a

1134
00:42:20,069 --> 00:42:17,040
suit it kind of looks like it but you

1135
00:42:22,230 --> 00:42:20,079
don't know it would be so hard to hoax

1136
00:42:24,230 --> 00:42:22,240
that that's so not only that

1137
00:42:26,550 --> 00:42:24,240
but you'd get waterlogged going out

1138
00:42:28,550 --> 00:42:26,560

there in the river like that

1139

00:42:30,950 --> 00:42:28,560

and it looks like it's carrying there it

1140

00:42:33,670 --> 00:42:30,960

looks like it's carrying a small

1141

00:42:35,349 --> 00:42:33,680

a small juve i mean a juvenile in his

1142

00:42:37,270 --> 00:42:35,359

right arm

1143

00:42:39,109 --> 00:42:37,280

but i don't know i mean i saw other ones

1144

00:42:40,790 --> 00:42:39,119

where it looked like i had like a like

1145

00:42:42,309 --> 00:42:40,800

something slung over its right shoulder

1146

00:42:46,950 --> 00:42:42,319

i don't know right

1147

00:42:48,470 --> 00:42:46,960

but uh unfortunately it was only for um

1148

00:42:51,190 --> 00:42:48,480

i don't know how many seconds it wasn't

1149

00:42:54,309 --> 00:42:51,200

long seconds yeah yeah so

1150

00:42:56,470 --> 00:42:54,319

i tend to throw things out if they can't

1151

00:42:58,710 --> 00:42:56,480

can't really be um

1152

00:43:00,710 --> 00:42:58,720

and this could be for like a

1153

00:43:02,710 --> 00:43:00,720

regular animal you know like with my

1154

00:43:05,589 --> 00:43:02,720

naturalist stuff i tend to throw things

1155

00:43:07,109 --> 00:43:05,599

out if it could be a hoax or if it's not

1156

00:43:09,829 --> 00:43:07,119

if you really aren't sure that you can

1157

00:43:11,190 --> 00:43:09,839

make it out but i even i know that i

1158

00:43:13,670 --> 00:43:11,200

probably throw the baby out with the

1159

00:43:15,910 --> 00:43:13,680

bath water sometimes with that you know

1160

00:43:18,230 --> 00:43:15,920

like like i'm just like

1161

00:43:19,990 --> 00:43:18,240

next but i could be like nexting

1162

00:43:21,670 --> 00:43:20,000

something legitimate

1163

00:43:24,069 --> 00:43:21,680

yeah i'm accused of that a lot of time

1164

00:43:26,470 --> 00:43:24,079

of being uh

1165

00:43:28,470 --> 00:43:26,480

kind of being enthralled by what i get

1166

00:43:30,630 --> 00:43:28,480

and just taking

1167

00:43:32,710 --> 00:43:30,640

taking the word of the witness and

1168

00:43:34,630 --> 00:43:32,720

trying to make it sound like it is good

1169

00:43:36,069 --> 00:43:34,640

i mean you know i i've kind of gotten

1170

00:43:38,150 --> 00:43:36,079

better at that i've become more of a

1171

00:43:40,710 --> 00:43:38,160

skip because time has gone by i mean

1172

00:43:43,109 --> 00:43:40,720

i've seen i've seen these bigfoot

1173

00:43:45,349 --> 00:43:43,119

films that are just so ridiculously bad

1174

00:43:47,910 --> 00:43:45,359

i mean you know it's pretty obvious well

1175

00:43:49,910 --> 00:43:47,920

it's like once i started like finding

1176

00:43:52,790 --> 00:43:49,920

out that people were just straight lying

1177

00:43:54,390 --> 00:43:52,800

to me yeah then it's made me a lot more

1178

00:43:55,829 --> 00:43:54,400

of a skeptic because

1179

00:43:58,470 --> 00:43:55,839

like there were people i really trusted

1180

00:44:00,470 --> 00:43:58,480

that i now know to be 100 hoaxers like

1181

00:44:01,750 --> 00:44:00,480

i'm i know i'm not just i don't just

1182

00:44:03,910 --> 00:44:01,760

think that i know it

1183

00:44:07,990 --> 00:44:03,920

so that has made maybe

1184

00:44:10,470 --> 00:44:08,000

yeah it made me be a little bit more

1185

00:44:12,390 --> 00:44:10,480

but i will always say i don't i'm not an

1186

00:44:14,790 --> 00:44:12,400

expert i don't know for sure and i hope

1187

00:44:16,390 --> 00:44:14,800

that it's bigfoot right or what i don't

1188

00:44:17,750 --> 00:44:16,400

know if i hope it's dogman or some

1189

00:44:20,390 --> 00:44:17,760

lizard thing because i don't want that

1190

00:44:22,470 --> 00:44:20,400

to be true but right right

1191

00:44:24,550 --> 00:44:22,480

but i'm not saying it's not

1192

00:44:28,470 --> 00:44:24,560

we also got another video or a

1193

00:44:30,150 --> 00:44:28,480

photograph from a video of a uh

1194

00:44:32,470 --> 00:44:30,160

that was from luis castillos from a

1195

00:44:34,829 --> 00:44:32,480

friend of his that had gotten it at salt

1196

00:44:37,829 --> 00:44:34,839

fork now i know you had mentioned the

1197

00:44:39,349 --> 00:44:37,839

area uh

1198

00:44:41,109 --> 00:44:39,359

can you kind of talk about that area i

1199

00:44:43,190 --> 00:44:41,119

mean i know you've been there and you're

1200

00:44:44,790 --> 00:44:43,200

really familiar with it

1201

00:44:47,109 --> 00:44:44,800

salt fork has you know has a rich

1202

00:44:49,349 --> 00:44:47,119

history of bigfoot sightings some again

1203

00:44:51,510 --> 00:44:49,359

that have been found out to be hoaxed

1204

00:44:53,910 --> 00:44:51,520

and others not so much and i've been out

1205

00:44:55,510 --> 00:44:53,920

there quite a bit camping um

1206

00:44:57,349 --> 00:44:55,520

used to help with some different things

1207

00:45:01,109 --> 00:44:57,359

like bigfoot adventure weekend every

1208

00:45:02,870 --> 00:45:01,119

june that alan and jesse did um and we

1209

00:45:05,109 --> 00:45:02,880

had some interesting stuff happen it was

1210

00:45:07,510 --> 00:45:05,119

like a thing that they did and i helped

1211

00:45:08,790 --> 00:45:07,520

them for kids and families mostly that

1212

00:45:10,950 --> 00:45:08,800

they'd come and you'd take them out

1213

00:45:13,990 --> 00:45:10,960

looking for bigfoot and stuff but we had

1214

00:45:15,829 --> 00:45:14,000

actually some act like to me impressive

1215

00:45:17,990 --> 00:45:15,839

things happen whether it was

1216

00:45:19,109 --> 00:45:18,000

different animal calls we couldn't make

1217

00:45:20,710 --> 00:45:19,119

out or

1218

00:45:23,190 --> 00:45:20,720

there was one time we were there where

1219

00:45:26,230 --> 00:45:23,200

we kept getting these rocks thrown at us

1220

00:45:27,990 --> 00:45:26,240

and that was the first place that i have

1221

00:45:29,349 --> 00:45:28,000

ever and there's there's also been

1222

00:45:32,790 --> 00:45:29,359

before i go off on my own story there's

1223

00:45:35,829 --> 00:45:32,800

also been footprints found there um

1224

00:45:37,109 --> 00:45:35,839

just a lot of sightings and uh now when

1225

00:45:39,190 --> 00:45:37,119

you go

1226

00:45:41,829 --> 00:45:39,200

it's kind of like a bigfoot

1227

00:45:44,390 --> 00:45:41,839

mecca i guess so when you're there you

1228

00:45:45,990 --> 00:45:44,400

always have to be wondering if like if

1229

00:45:47,510 --> 00:45:46,000

somebody else is out there looking for

1230

00:45:49,910 --> 00:45:47,520

bigfoot at the same time as you and

1231

00:45:52,069 --> 00:45:49,920

you're just hearing them so it's kind of

1232

00:45:54,390 --> 00:45:52,079

like i don't know but i'll tell you what

1233

00:45:56,630 --> 00:45:54,400

the the first time i ever

1234

00:45:58,710 --> 00:45:56,640

did any bigfooting if you want to call

1235

00:46:01,270 --> 00:45:58,720

it that i had gone to

1236

00:46:03,510 --> 00:46:01,280

an event there and it was the day after

1237

00:46:05,750 --> 00:46:03,520

the event ended and

1238

00:46:08,710 --> 00:46:05,760

i had my husband at the time we had gone

1239

00:46:10,950 --> 00:46:08,720

down and were like taking a hike and i

1240

00:46:13,910 --> 00:46:10,960

found what looked kind of like a really

1241

00:46:15,030 --> 00:46:13,920

big footprint and i'm like oh this can't

1242

00:46:17,030 --> 00:46:15,040

be true you know there's all these

1243

00:46:19,190 --> 00:46:17,040

people here but it was off the beaten

1244

00:46:21,430 --> 00:46:19,200

path so it was weird so when we went

1245

00:46:22,630 --> 00:46:21,440

back to the lodge i saw these other guys

1246

00:46:24,470 --> 00:46:22,640

that were

1247

00:46:26,309 --> 00:46:24,480

at that same event and i'm like oh

1248

00:46:28,150 --> 00:46:26,319

they're still here so i went to them and

1249

00:46:29,510 --> 00:46:28,160

i showed them my picture you know my

1250

00:46:31,030 --> 00:46:29,520

phone and i'm like

1251
00:46:32,710 --> 00:46:31,040
you know this is kind of interesting

1252
00:46:35,510 --> 00:46:32,720
right and they thought it was

1253
00:46:36,550 --> 00:46:35,520
so they asked if we wanted to go to that

1254
00:46:38,710 --> 00:46:36,560
area

1255
00:46:41,190 --> 00:46:38,720
and look for bigfoot that night with

1256
00:46:43,510 --> 00:46:41,200
them and of course i was like yes i'd

1257
00:46:47,190 --> 00:46:43,520
never done anything like that before

1258
00:46:50,150 --> 00:46:47,200
so what's funny is i went to the desk at

1259
00:46:52,069 --> 00:46:50,160
the lodge and i told there's like a

1260
00:46:54,390 --> 00:46:52,079
young lady behind the desk and i'm like

1261
00:46:55,829 --> 00:46:54,400
listen i'm about to go out in the dark

1262
00:46:57,750 --> 00:46:55,839
with these people i don't know they're

1263
00:47:00,790 --> 00:46:57,760

in room whatever so if i don't come back

1264

00:47:05,750 --> 00:47:02,710

so now they're actually friends of mine

1265

00:47:07,589 --> 00:47:05,760

so no they did not kill me but anyway we

1266

00:47:09,750 --> 00:47:07,599

went out there and

1267

00:47:11,270 --> 00:47:09,760

um we're hiking around looking around

1268

00:47:12,390 --> 00:47:11,280

different areas

1269

00:47:15,030 --> 00:47:12,400

and

1270

00:47:17,109 --> 00:47:15,040

we go one of the guys they had like a

1271

00:47:19,750 --> 00:47:17,119

machete so they're bushwhacking their

1272

00:47:20,710 --> 00:47:19,760

way up this hill

1273

00:47:22,950 --> 00:47:20,720

and

1274

00:47:25,030 --> 00:47:22,960

there was no paths around this was this

1275

00:47:27,109 --> 00:47:25,040

was like outside of the park really i

1276

00:47:29,589 --> 00:47:27,119

believe that area is outside the park so

1277

00:47:31,589 --> 00:47:29,599

we had gone quite a distance it wasn't

1278

00:47:33,750 --> 00:47:31,599

probably where somebody's gonna hoax a

1279

00:47:35,510 --> 00:47:33,760

footprint i guess they could have so

1280

00:47:38,549 --> 00:47:35,520

anyway we're bushwhacking our way up

1281

00:47:40,870 --> 00:47:38,559

there what's important to know is that i

1282

00:47:43,030 --> 00:47:40,880

took them like i drove to where we had

1283

00:47:44,390 --> 00:47:43,040

seen this they couldn't have planted

1284

00:47:47,430 --> 00:47:44,400

anybody there because they didn't know

1285

00:47:49,750 --> 00:47:47,440

where we were going okay okay so didn't

1286

00:47:51,430 --> 00:47:49,760

see any other cars it's very remote so

1287

00:47:52,710 --> 00:47:51,440

we bushwhack up

1288

00:47:54,549 --> 00:47:52,720

into this

1289

00:47:56,230 --> 00:47:54,559

up this hill and we're standing there

1290

00:47:59,589 --> 00:47:56,240

listening and of course i'm terrified

1291

00:48:01,030 --> 00:47:59,599

because back then like i did not go out

1292

00:48:03,589 --> 00:48:01,040

in the dark especially not in the woods

1293

00:48:05,829 --> 00:48:03,599

and it was just like oh my gosh the idea

1294

00:48:07,750 --> 00:48:05,839

i still get scared sometimes but back

1295

00:48:09,829 --> 00:48:07,760

then i was petrified

1296

00:48:11,829 --> 00:48:09,839

so we're standing like in this little

1297

00:48:13,589 --> 00:48:11,839

group you know waiting to see if

1298

00:48:15,430 --> 00:48:13,599

anything would happen

1299

00:48:17,430 --> 00:48:15,440

and i didn't know at the time that they

1300

00:48:20,150 --> 00:48:17,440

were recording the whole thing

1301
00:48:23,829 --> 00:48:20,160
and like on audio recorder and i'm like

1302
00:48:26,390 --> 00:48:23,839
i think i want to go back now

1303
00:48:28,790 --> 00:48:26,400
so we're standing there i was so scared

1304
00:48:31,270 --> 00:48:28,800
but what was interesting was from the

1305
00:48:33,510 --> 00:48:31,280
woods and i could see it was dark but

1306
00:48:35,589 --> 00:48:33,520
there was enough like you know

1307
00:48:37,430 --> 00:48:35,599
light that you could still see them from

1308
00:48:39,109 --> 00:48:37,440
the woods like this it was like somebody

1309
00:48:41,670 --> 00:48:39,119
grabbed a handful of gravel and just

1310
00:48:44,870 --> 00:48:41,680
whipped it at us so these little stones

1311
00:48:46,630 --> 00:48:44,880
came flying at us it wasn't a place

1312
00:48:48,549 --> 00:48:46,640
where there were like like a creek bed

1313
00:48:50,790 --> 00:48:48,559

or anything where there were a lot of

1314

00:48:52,950 --> 00:48:50,800

those types of stones

1315

00:48:54,549 --> 00:48:52,960

you know and just that it came out of

1316

00:48:57,190 --> 00:48:54,559

the woods and we had bushwhacked in

1317

00:48:59,270 --> 00:48:57,200

there like for at least a quarter mile

1318

00:49:00,870 --> 00:48:59,280

if not longer

1319

00:49:02,309 --> 00:49:00,880

that was interesting to me and i feel

1320

00:49:03,190 --> 00:49:02,319

like it was kind of beginner's luck

1321

00:49:04,790 --> 00:49:03,200

because

1322

00:49:06,549 --> 00:49:04,800

i don't usually have anything happen

1323

00:49:08,309 --> 00:49:06,559

when i go out looking for bigfoot you

1324

00:49:10,470 --> 00:49:08,319

know i say i'm the worst bigfooter in

1325

00:49:12,790 --> 00:49:10,480

the world because nothing happens but

1326
00:49:14,710 --> 00:49:12,800
that was really oh you're part of a

1327
00:49:17,109 --> 00:49:14,720
large club

1328
00:49:19,510 --> 00:49:17,119
that kind of got me hooked on it that

1329
00:49:21,589 --> 00:49:19,520
night at salt fork because where did

1330
00:49:23,109 --> 00:49:21,599
those come from what else throws rocks

1331
00:49:25,430 --> 00:49:23,119
unless there was a person that just

1332
00:49:26,230 --> 00:49:25,440
happened to be there to throw things at

1333
00:49:28,790 --> 00:49:26,240
us

1334
00:49:31,349 --> 00:49:28,800
it was really interesting

1335
00:49:33,030 --> 00:49:31,359
well you know that whole guernsey county

1336
00:49:35,829 --> 00:49:33,040
area there's a lot of weird stuff that

1337
00:49:37,990 --> 00:49:35,839
goes on out there anyway yeah i have i

1338
00:49:41,270 --> 00:49:38,000

have actually had uh

1339

00:49:42,950 --> 00:49:41,280

haunting investigations there as well

1340

00:49:45,030 --> 00:49:42,960

so i you know i don't know if it's tied

1341

00:49:47,270 --> 00:49:45,040

into any of the big foot activity but it

1342

00:49:49,270 --> 00:49:47,280

just seems to be the perfect place for

1343

00:49:51,270 --> 00:49:49,280

for bigfoot i mean you know

1344

00:49:53,190 --> 00:49:51,280

i told you like i have my doubts about

1345

00:49:55,430 --> 00:49:53,200

whether bigfoot is paranormal although

1346

00:49:58,390 --> 00:49:55,440

i've had people tell me stories that i'm

1347

00:50:00,549 --> 00:49:58,400

like okay i never say never

1348

00:50:03,190 --> 00:50:00,559

i just that's just that how i look at it

1349

00:50:05,190 --> 00:50:03,200

but man i i've had weird stuff happen so

1350

00:50:07,190 --> 00:50:05,200

i believe you

1351
00:50:09,270 --> 00:50:07,200
i've had weird other stuff not bigfoot

1352
00:50:11,030 --> 00:50:09,280
related happen oh yeah

1353
00:50:12,710 --> 00:50:11,040
well you know

1354
00:50:14,870 --> 00:50:12,720
when you immerse yourself in this type

1355
00:50:17,030 --> 00:50:14,880
of stuff you're going to have something

1356
00:50:18,390 --> 00:50:17,040
come you know i it happens to me all the

1357
00:50:20,470 --> 00:50:18,400
time and yeah

1358
00:50:22,870 --> 00:50:20,480
you know it kind of drives me crazy

1359
00:50:25,109 --> 00:50:22,880
sometimes but uh you know this is what i

1360
00:50:27,510 --> 00:50:25,119
picked to do and i got to kind of live

1361
00:50:29,670 --> 00:50:27,520
with it unfortunately but i like to do

1362
00:50:32,230 --> 00:50:29,680
it anyway anyway i i [h__\h] about it but

1363
00:50:33,750 --> 00:50:32,240

i'd like to do it

1364

00:50:35,510 --> 00:50:33,760

so folks you got any questions we've got

1365

00:50:37,750 --> 00:50:35,520

10 more minutes on here so if you got

1366

00:50:40,069 --> 00:50:37,760

anything uh let us know about it

1367

00:50:42,309 --> 00:50:40,079

uh has anybody else seen a reptilian

1368

00:50:45,430 --> 00:50:42,319

astrally project

1369

00:50:47,190 --> 00:50:45,440

like a ghost i know one person

1370

00:50:49,990 --> 00:50:47,200

who definitely has

1371

00:50:52,150 --> 00:50:50,000

i know two people who definitely have

1372

00:50:54,150 --> 00:50:52,160

matter of fact um

1373

00:50:57,030 --> 00:50:54,160

and i'm working with both of them still

1374

00:51:02,150 --> 00:51:00,230

it's an interesting question um

1375

00:51:05,270 --> 00:51:02,160

is it possible you know

1376

00:51:06,470 --> 00:51:05,280

the whole reptilian thing is a

1377

00:51:11,430 --> 00:51:06,480

you know

1378

00:51:14,309 --> 00:51:13,270

the sleeve stacks i like that like for

1379

00:51:16,150 --> 00:51:14,319

real is that what they're supposed to

1380

00:51:18,950 --> 00:51:16,160

look like because those are kind of

1381

00:51:20,390 --> 00:51:18,960

yes gosh that's when i have a team of

1382

00:51:21,990 --> 00:51:20,400

bigfooters with kids out we call

1383

00:51:23,670 --> 00:51:22,000

ourselves the sleaze sleestax like

1384

00:51:26,309 --> 00:51:23,680

sleestack

1385

00:51:28,549 --> 00:51:26,319

meets chaka that's one yeah no that's

1386

00:51:31,270 --> 00:51:28,559

creepy i don't want to see that um you

1387

00:51:34,549 --> 00:51:31,280

know just like this crazy nut

1388

00:51:37,270 --> 00:51:34,559

uh that believed in the q anon stuff and

1389

00:51:39,109 --> 00:51:37,280

said his kids were reptilian and killed

1390

00:51:41,510 --> 00:51:39,119

him a couple days ago

1391

00:51:44,630 --> 00:51:41,520

oh that's crazy

1392

00:51:47,750 --> 00:51:44,640

sad yeah so i mean you know my god that

1393

00:51:49,109 --> 00:51:47,760

comes from jillian's uh you know i

1394

00:51:50,870 --> 00:51:49,119

oh no

1395

00:51:53,349 --> 00:51:50,880

you know i let's put it this way i've

1396

00:51:55,510 --> 00:51:53,359

been asked to be on on uh

1397

00:51:58,150 --> 00:51:55,520

productions as far as with reptilian

1398

00:51:59,750 --> 00:51:58,160

sightings up and i won't do it

1399

00:52:01,829 --> 00:51:59,760

and the only reason i won't do it is

1400

00:52:03,750 --> 00:52:01,839

because i really don't know that much

1401
00:52:04,630 --> 00:52:03,760
to where i think i can go in there and

1402
00:52:05,910 --> 00:52:04,640
give

1403
00:52:07,910 --> 00:52:05,920
information

1404
00:52:09,910 --> 00:52:07,920
uh you know i can document what people

1405
00:52:11,430 --> 00:52:09,920
tell me and that's what i have done for

1406
00:52:14,390 --> 00:52:11,440
years

1407
00:52:16,630 --> 00:52:14,400
but as far as really believing that

1408
00:52:19,270 --> 00:52:16,640
there is some type of reptilian race and

1409
00:52:22,230 --> 00:52:19,280
is it connected to humans or

1410
00:52:24,710 --> 00:52:22,240
is it a particular race or you know

1411
00:52:27,430 --> 00:52:24,720
what you know i really don't know i i

1412
00:52:29,349 --> 00:52:27,440
really don't know uh maybe one day we'll

1413
00:52:30,870 --> 00:52:29,359

find out you know and i'll be honest

1414

00:52:33,270 --> 00:52:30,880

with you i think that day is coming

1415

00:52:36,790 --> 00:52:33,280

sooner than later i think so i think

1416

00:52:39,270 --> 00:52:36,800

things are going to shake loose

1417

00:52:41,510 --> 00:52:39,280

five years maybe yeah next five we'll be

1418

00:52:43,829 --> 00:52:41,520

on that but i'm just saying you know

1419

00:52:45,750 --> 00:52:43,839

uh i i think with technology the way it

1420

00:52:48,230 --> 00:52:45,760

is and i've said before quantum

1421

00:52:50,470 --> 00:52:48,240

computing becomes more mainstream

1422

00:52:51,750 --> 00:52:50,480

i think we're possibly going to get some

1423

00:52:54,230 --> 00:52:51,760

answers

1424

00:52:55,270 --> 00:52:54,240

uh not necessarily from the scientists

1425

00:52:57,510 --> 00:52:55,280

but from

1426

00:52:59,270 --> 00:52:57,520

the public right you know that's like

1427

00:53:01,349 --> 00:52:59,280

what i wrote my book

1428

00:53:03,430 --> 00:53:01,359

was all public sightings i know

1429

00:53:05,190 --> 00:53:03,440

experiencers and uh

1430

00:53:07,430 --> 00:53:05,200

you know the gov the government is gonna

1431

00:53:09,030 --> 00:53:07,440

tell us or the powers that be tell us

1432

00:53:10,790 --> 00:53:09,040

well

1433

00:53:13,030 --> 00:53:10,800

you know you gotta you gotta take what

1434

00:53:15,670 --> 00:53:13,040

you can get and then determine what you

1435

00:53:18,069 --> 00:53:15,680

know what it was they actually saw

1436

00:53:19,589 --> 00:53:18,079

and uh you know

1437

00:53:21,030 --> 00:53:19,599

you know the whole uh

1438

00:53:23,589 --> 00:53:21,040

the whole extraterrestrial

1439

00:53:25,109 --> 00:53:23,599

ultra-terrestrial multi-dimensional beam

1440

00:53:26,950 --> 00:53:25,119

thing is uh

1441

00:53:29,030 --> 00:53:26,960

it's interesting and there's a lot of

1442

00:53:31,829 --> 00:53:29,040

things have come out of the research but

1443

00:53:34,069 --> 00:53:31,839

you know we've really don't have

1444

00:53:37,910 --> 00:53:34,079

the answers yet but

1445

00:53:41,030 --> 00:53:40,150

i don't want them to be real

1446

00:53:44,950 --> 00:53:41,040

huh

1447

00:53:49,270 --> 00:53:46,630

but i've said this before too like when

1448

00:53:50,710 --> 00:53:49,280

i'm in in my tent at night if i'm

1449

00:53:51,990 --> 00:53:50,720

especially if i'm out there by myself

1450

00:53:54,230 --> 00:53:52,000

but even if there's other people in

1451
00:53:55,670 --> 00:53:54,240
their tents i just lie there and i just

1452
00:53:57,349 --> 00:53:55,680
repeat like

1453
00:53:59,430 --> 00:53:57,359
i don't believe in bears i don't believe

1454
00:54:01,430 --> 00:53:59,440
in cougars i don't believe in bigfoot i

1455
00:54:04,230 --> 00:54:01,440
don't believe in the dog man or whatever

1456
00:54:05,270 --> 00:54:04,240
it is or i can't sleep

1457
00:54:06,950 --> 00:54:05,280
well

1458
00:54:08,230 --> 00:54:06,960
that's a good way to be i mean some

1459
00:54:10,390 --> 00:54:08,240
people think that you sit there and

1460
00:54:12,630 --> 00:54:10,400
think about you're to manifest them

1461
00:54:15,030 --> 00:54:12,640
well i just like get it out of my head

1462
00:54:17,430 --> 00:54:15,040
get it out of my head yeah uh we got any

1463
00:54:19,349 --> 00:54:17,440

more questions uh do you think mothman

1464

00:54:21,750 --> 00:54:19,359

likes or prefers a certain

1465

00:54:23,589 --> 00:54:21,760

cloud pattern

1466

00:54:24,470 --> 00:54:23,599

um you know i haven't even thought of

1467

00:54:26,390 --> 00:54:24,480

that

1468

00:54:27,670 --> 00:54:26,400

uh

1469

00:54:32,150 --> 00:54:27,680

i don't know

1470

00:54:33,109 --> 00:54:32,160

you guys got any thoughts on that

1471

00:54:35,270 --> 00:54:33,119

i've never

1472

00:54:39,030 --> 00:54:35,280

paid attention to that no

1473

00:54:41,750 --> 00:54:39,040

that has never crossed my mind uh

1474

00:54:43,270 --> 00:54:41,760

i i will say

1475

00:54:44,950 --> 00:54:43,280

most of the sightings that we do have

1476

00:54:47,270 --> 00:54:44,960

are on overcast days

1477

00:54:48,390 --> 00:54:47,280

uh even every time it's usually overcast

1478

00:54:50,390 --> 00:54:48,400

there's

1479

00:54:52,630 --> 00:54:50,400

not a whole lot of stars or moving or

1480

00:54:54,630 --> 00:54:52,640

anything like that out there but you

1481

00:54:57,030 --> 00:54:54,640

know when i had my encounter it was a it

1482

00:54:58,950 --> 00:54:57,040

was a bright moon bright night so i

1483

00:55:01,829 --> 00:54:58,960

don't know

1484

00:55:03,750 --> 00:55:01,839

there's really much evidence to prove it

1485

00:55:05,670 --> 00:55:03,760

either way

1486

00:55:07,589 --> 00:55:05,680

so okay folks we got five more minutes

1487

00:55:09,829 --> 00:55:07,599

you got anything put it up here we will

1488

00:55:11,829 --> 00:55:09,839

be very happy to

1489

00:55:14,150 --> 00:55:11,839

banter with your question and see if we

1490

00:55:15,030 --> 00:55:14,160

can answer

1491

00:55:17,349 --> 00:55:15,040

um

1492

00:55:18,870 --> 00:55:17,359

peace just put something creepy up what

1493

00:55:20,789 --> 00:55:18,880

do you say

1494

00:55:22,950 --> 00:55:20,799

he said he had one come into his room at

1495

00:55:24,309 --> 00:55:22,960

night oh

1496

00:55:27,750 --> 00:55:24,319

and then later in the basement of a

1497

00:55:30,950 --> 00:55:27,760

hospital basements are creepy

1498

00:55:31,670 --> 00:55:30,960

uh i had one come in at night to hook me

1499

00:55:33,510 --> 00:55:31,680

up

1500

00:55:35,030 --> 00:55:33,520

what came in it was a wing humanoid it

1501

00:55:37,589 --> 00:55:35,040

was a reptilian i think it was a

1502

00:55:39,270 --> 00:55:37,599

reptilian i think she's tough well i'll

1503

00:55:40,870 --> 00:55:39,280

tell you that um

1504

00:55:42,630 --> 00:55:40,880

you know we've heard a lot of us have

1505

00:55:44,630 --> 00:55:42,640

heard that before we've had them coming

1506

00:55:46,870 --> 00:55:44,640

into bedrooms and

1507

00:55:50,069 --> 00:55:46,880

scaring the bejesus out of the person uh

1508

00:55:52,950 --> 00:55:50,079

so yeah you know i've heard that many

1509

00:55:55,430 --> 00:55:52,960

times you know it's just a matter of uh

1510

00:55:57,349 --> 00:55:55,440

it's hard to prove and uh but

1511

00:55:59,190 --> 00:55:57,359

you know if the witness says it and you

1512

00:56:05,030 --> 00:55:59,200

know they they come up with the yeah she

1513

00:56:09,589 --> 00:56:07,589

uh do you think the chicago flying being

1514

00:56:11,510 --> 00:56:09,599

are looking for something what are they

1515

00:56:12,470 --> 00:56:11,520

doing yeah well that's another big

1516

00:56:14,870 --> 00:56:12,480

question

1517

00:56:17,990 --> 00:56:14,880

i i have no idea you know

1518

00:56:19,990 --> 00:56:18,000

like i said before they're not shy

1519

00:56:21,589 --> 00:56:20,000

um are they looking for something i

1520

00:56:23,030 --> 00:56:21,599

don't know do they want to be seen i

1521

00:56:24,630 --> 00:56:23,040

believe so

1522

00:56:26,309 --> 00:56:24,640

um

1523

00:56:29,349 --> 00:56:26,319

is it something to do with us do they

1524

00:56:32,470 --> 00:56:29,359

want us to know they're here i think so

1525

00:56:34,549 --> 00:56:32,480

is it a harbinger i doubt it

1526

00:56:36,069 --> 00:56:34,559

uh i don't believe in i don't really

1527

00:56:38,870 --> 00:56:36,079

believe in the harbinger thing i don't

1528

00:56:40,309 --> 00:56:38,880

believe is a harbinger at point pleasant

1529

00:56:42,630 --> 00:56:40,319

but um

1530

00:56:45,030 --> 00:56:42,640

the fact that there seemed to be several

1531

00:56:46,390 --> 00:56:45,040

different types of them showing up

1532

00:56:47,190 --> 00:56:46,400

uh

1533

00:56:49,829 --> 00:56:47,200

can

1534

00:56:52,309 --> 00:56:49,839

i tend to believe that there is a

1535

00:56:54,309 --> 00:56:52,319

specific reason for that

1536

00:56:56,870 --> 00:56:54,319

now is something opening opening up a

1537

00:56:58,390 --> 00:56:56,880

rift somehow by accident and these

1538

00:57:00,870 --> 00:56:58,400

things are sneaking through from another

1539

00:57:03,589 --> 00:57:00,880

dimension

1540

00:57:07,990 --> 00:57:06,069

you know this is this is the the

1541

00:57:11,349 --> 00:57:08,000

question that we have been working on

1542

00:57:12,390 --> 00:57:11,359

for years and years and years now and uh

1543

00:57:14,150 --> 00:57:12,400

you know

1544

00:57:15,910 --> 00:57:14,160

and i assure you

1545

00:57:17,510 --> 00:57:15,920

if we come up with evidence we will

1546

00:57:22,150 --> 00:57:17,520

report it

1547

00:57:23,510 --> 00:57:22,160

blue crossroads has a good one perhaps

1548

00:57:25,349 --> 00:57:23,520

they're attracted to either the low

1549

00:57:27,030 --> 00:57:25,359

sonic vibrations of all the air traffic

1550

00:57:29,109 --> 00:57:27,040

or the high-pitched sound of the engine

1551

00:57:30,630 --> 00:57:29,119

well that may be too interesting

1552

00:57:32,390 --> 00:57:30,640

you know we've talked about we talked

1553

00:57:33,990 --> 00:57:32,400

about that too even though

1554

00:57:36,710 --> 00:57:34,000

even though it's being seen all over the

1555

00:57:40,069 --> 00:57:36,720

city and out into the suburbs and the

1556

00:57:41,109 --> 00:57:40,079

rural areas but as far as o'hara goes

1557

00:57:43,750 --> 00:57:41,119

yeah maybe

1558

00:57:45,750 --> 00:57:43,760

maybe it's uh like the radar equipment

1559

00:57:47,990 --> 00:57:45,760

or even the planes or whatever that

1560

00:57:51,589 --> 00:57:48,000

that's drawing them i don't know

1561

00:57:53,109 --> 00:57:51,599

you know i wish i did know but um

1562

00:57:55,750 --> 00:57:53,119

i have another question but i don't know

1563

00:57:57,190 --> 00:57:55,760

if i want the answer oh god

1564

00:57:59,430 --> 00:57:57,200

no this is we were talking about what

1565

00:58:01,270 --> 00:57:59,440

scared us the most and dog man does but

1566

00:58:03,510 --> 00:58:01,280

there's something worse and i think it's

1567

00:58:05,750 --> 00:58:03,520

just i think it's just like an urban

1568

00:58:07,670 --> 00:58:05,760

legend and just a scary story for kids

1569

00:58:09,510 --> 00:58:07,680

but now i'm wondering if you've ever

1570

00:58:13,510 --> 00:58:09,520

heard of it do you ever hear those

1571

00:58:15,109 --> 00:58:13,520

stories of the watermelon baby

1572

00:58:17,190 --> 00:58:15,119

oh i know what you're talking about it's

1573

00:58:18,950 --> 00:58:17,200

like supposed to be this

1574

00:58:20,630 --> 00:58:18,960

baby

1575

00:58:22,470 --> 00:58:20,640

that scratches on the walls and has this

1576
00:58:23,510 --> 00:58:22,480
really big

1577
00:58:26,069 --> 00:58:23,520
head

1578
00:58:26,870 --> 00:58:26,079
like the watermelon uh people i don't

1579
00:58:28,789 --> 00:58:26,880
know

1580
00:58:30,549 --> 00:58:28,799
it doesn't really have a watermelon on

1581
00:58:32,789 --> 00:58:30,559
its head but it's like this big like

1582
00:58:34,950 --> 00:58:32,799
what do you call that like disease where

1583
00:58:36,309 --> 00:58:34,960
you can it can make your

1584
00:58:37,750 --> 00:58:36,319
i forget but i'm just wondering if

1585
00:58:39,270 --> 00:58:37,760
you've ever heard of that

1586
00:58:40,549 --> 00:58:39,280
i've never worked with that i've heard

1587
00:58:45,109 --> 00:58:40,559
okay

1588
00:58:52,630 --> 00:58:47,670

that's the scariest i'm sorry

1589

00:58:55,030 --> 00:58:54,309

stories have come out of ohio haven't

1590

00:58:57,589 --> 00:58:55,040

you

1591

00:58:59,270 --> 00:58:57,599

yes and i don't want them to be

1592

00:59:01,750 --> 00:58:59,280

those hill people

1593

00:59:03,349 --> 00:59:01,760

there's one called the watermelon baby

1594

00:59:05,030 --> 00:59:03,359

specifically and it scratches on the

1595

00:59:07,109 --> 00:59:05,040

walls

1596

00:59:09,750 --> 00:59:07,119

no i'm not doing it i'm not dealing with

1597

00:59:10,950 --> 00:59:09,760

that are johnny on the spot there for us

1598

00:59:12,870 --> 00:59:10,960

at

1599

00:59:15,990 --> 00:59:12,880

the research team i'm not dealing with

1600

00:59:22,150 --> 00:59:19,190

uh yeah a piece stated it showed up in

1601
00:59:24,630 --> 00:59:22,160
my room and spit in my mouth

1602
00:59:27,190 --> 00:59:24,640
and then touched its head to make sure

1603
00:59:30,250 --> 00:59:27,200
it was the fluke with my baby's son oh

1604
00:59:34,470 --> 00:59:30,260
that's creepy peace

1605
00:59:39,990 --> 00:59:36,870
i'm not doubting you but no i'm not

1606
00:59:42,069 --> 00:59:40,000
either that's just really creepy

1607
00:59:44,549 --> 00:59:42,079
i'm sorry that happened

1608
00:59:46,070 --> 00:59:44,559
yeah and

1609
00:59:51,589 --> 00:59:46,080
what do you

1610
00:59:53,829 --> 00:59:51,599
[Laughter]

1611
00:59:56,150 --> 00:59:53,839
can we get someone to visit the mothman

1612
00:59:59,270 --> 00:59:56,160
sliding location look for dna samples

1613
01:00:00,870 --> 00:59:59,280

well encephalitis yes marla i don't know

1614

01:00:02,950 --> 01:00:00,880

how you're going to get on the airport

1615

01:00:04,950 --> 01:00:02,960

property and do that for one thing

1616

01:00:06,710 --> 01:00:04,960

yeah you're not able to get on there i

1617

01:00:07,510 --> 01:00:06,720

mean they see they're going to run you

1618

01:00:10,630 --> 01:00:07,520

out

1619

01:00:13,030 --> 01:00:10,640

now we are lucky enough for manuel

1620

01:00:15,910 --> 01:00:13,040

because he's a um

1621

01:00:18,470 --> 01:00:15,920

he he uh he works for a trucking company

1622

01:00:21,190 --> 01:00:18,480

and he actually dispatches

1623

01:00:23,990 --> 01:00:21,200

drivers out to o'hara

1624

01:00:26,069 --> 01:00:24,000

and he has to go out there occasionally

1625

01:00:27,910 --> 01:00:26,079

so he'll get out there i know he's going

1626

01:00:31,349 --> 01:00:27,920

to the cemetery and doing some work

1627

01:00:33,349 --> 01:00:31,359

there in the next weeks or so but as far

1628

01:00:34,950 --> 01:00:33,359

as getting dna

1629

01:00:37,589 --> 01:00:34,960

that had to be something that would be

1630

01:00:39,270 --> 01:00:37,599

immediate you know you know say you saw

1631

01:00:41,829 --> 01:00:39,280

something fall off one of these things

1632

01:00:43,910 --> 01:00:41,839

and collect it you could take its coffee

1633

01:00:45,430 --> 01:00:43,920

cup that it left behind

1634

01:00:47,430 --> 01:00:45,440

i should

1635

01:00:50,069 --> 01:00:47,440

but i you know i haven't seen one girl

1636

01:00:52,630 --> 01:00:50,079

when drinking coffee

1637

01:00:54,950 --> 01:00:52,640

i watch too much csi

1638

01:00:57,589 --> 01:00:54,960

amy did you find any dna in those uh

1639

01:00:59,910 --> 01:00:57,599

those sasquatch nets nests that were out

1640

01:01:02,069 --> 01:00:59,920

there in the olympic project i didn't

1641

01:01:03,430 --> 01:01:02,079

myself but they have

1642

01:01:06,069 --> 01:01:03,440

they've collected

1643

01:01:07,430 --> 01:01:06,079

um different samples and stuff the first

1644

01:01:08,789 --> 01:01:07,440

round that they sent in which is

1645

01:01:10,309 --> 01:01:08,799

expensive to do

1646

01:01:13,670 --> 01:01:10,319

they didn't come back with anything but

1647

01:01:15,270 --> 01:01:13,680

we're still trying we're still trying

1648

01:01:16,870 --> 01:01:15,280

well we're going to wrap this up folks

1649

01:01:18,870 --> 01:01:16,880

and again i want to thank amy and

1650

01:01:21,030 --> 01:01:18,880

vincent for being on here with me i

1651

01:01:23,589 --> 01:01:21,040

really appreciate it i i like these 14

1652

01:01:25,510 --> 01:01:23,599

friday nights so i get team members and

1653

01:01:28,150 --> 01:01:25,520

people that work with us to come on and

1654

01:01:30,150 --> 01:01:28,160

talk about what we're doing and uh it's

1655

01:01:32,230 --> 01:01:30,160

always interesting and much appreciated

1656

01:01:35,670 --> 01:01:32,240

so you too i will talk to you soon and

1657

01:01:36,630 --> 01:01:35,680

uh thanks again thank you bye everybody

1658

01:01:38,390 --> 01:01:36,640

bye

1659

01:01:39,829 --> 01:01:38,400

now uh if you have an unexplained

1660

01:01:41,030 --> 01:01:39,839

encounter or sighting feel free to

1661

01:01:42,630 --> 01:01:41,040

contact me through the families of

1662

01:01:45,030 --> 01:01:42,640

monsters blog site

1663

01:01:46,710 --> 01:01:45,040

and i once again thank amy boo and

1664

01:01:48,630 --> 01:01:46,720

vincent richardson for joining me this

1665

01:01:50,069 --> 01:01:48,640

evening and now thanks to all of you

1666

01:01:52,309 --> 01:01:50,079

each and all of you

1667

01:01:54,309 --> 01:01:52,319

for watching and chatting uh if you made

1668

01:01:55,510 --> 01:01:54,319

a super chat donation it's truly

1669

01:01:57,430 --> 01:01:55,520

appreciated

1670

01:01:59,750 --> 01:01:57,440

uh your support is what makes all of

1671

01:02:02,230 --> 01:01:59,760

this possible so please like subscribe

1672

01:02:04,870 --> 01:02:02,240

and share now next week

1673

01:02:07,670 --> 01:02:04,880

i have author deborah cobble on with me

1674

01:02:09,109 --> 01:02:07,680

and uh her book is uh and it's i think

1675

01:02:11,990 --> 01:02:09,119

it's been out a bit

1676

01:02:14,870 --> 01:02:12,000

but it's it's titled extraordinary

1677

01:02:17,990 --> 01:02:14,880

contact life beyond intruders

1678

01:02:20,309 --> 01:02:18,000

so that should be interesting um i don't

1679

01:02:21,990 --> 01:02:20,319

know the exact content of the book and i

1680

01:02:23,109 --> 01:02:22,000

am going to read it

1681

01:02:25,510 --> 01:02:23,119

and

1682

01:02:27,990 --> 01:02:25,520

whatever is in there we will discuss so

1683

01:02:35,510 --> 01:02:28,000

until next week stay healthy have a safe

1684

01:02:50,960 --> 01:02:38,310

so

1685

01:02:50,970 --> 01:03:16,020

[Applause]
