DEBRA JORDAN-KAUBLE - Author, 'EXTRAORDINARY CONTACT: L... Sey

1
00:00:07,510 --> 00:00:04,950

[Music]

2
00:00:09,190 --> 00:00:07,520

the oldest and strongest human emotion

3
00:00:11,350 --> 00:00:09,200

is fear

4
00:00:12,310 --> 00:00:11,360

and the oldest and strongest type of

5
00:00:15,509 --> 00:00:12,320

fear

6
00:00:17,910 --> 00:00:15,519

is trepidation of the unknown

7
00:00:21,429 --> 00:00:17,920

when we were children our parents told

8
00:00:23,830 --> 00:00:21,439

us that monsters didn't exist

9
00:00:27,109 --> 00:00:23,840

but we were sure that something was

10
00:00:31,589 --> 00:00:27,119

lurking under the bed or in the closet

11
00:00:34,630 --> 00:00:31,599

fear sees even if our eyes are closed

12
00:00:36,870 --> 00:00:34,640

welcome to the realm of the arcane

13
00:00:39,270 --> 00:00:36,880

my name is lon strickler

14

00:00:40,389 --> 00:00:39,280

join me as i examine unexplained

15

00:00:43,030 --> 00:00:40,399

creatures

16

00:00:45,350 --> 00:00:43,040

strange manifestations of remarkable

17

00:00:48,310 --> 00:00:45,360

realities

18

00:00:50,950 --> 00:00:48,320

imagine this next hour as a voyage of

19

00:00:53,510 --> 00:00:50,960

discovery to strange lands

20

00:00:55,029 --> 00:00:53,520

seeking not for new territory

21

00:00:56,549 --> 00:00:55,039

but for new knowledge of the

22

00:00:59,349 --> 00:00:56,559

supernatural

23

00:01:00,770 --> 00:00:59,359

come on board as we begin this adventure

24

00:01:07,429 --> 00:01:00,780

together

25

00:01:12,789 --> 00:01:10,149

before we explore the unexplained live

26
00:01:14,469 --> 00:01:12,799
on beyond explanation i'm your host lon

27
00:01:16,630 --> 00:01:14,479
strickler coming to you within a canon

28
00:01:18,550 --> 00:01:16,640
shot of historic gettysburg pennsylvania

29
00:01:20,070 --> 00:01:18,560
thank you for joining us

30
00:01:22,070 --> 00:01:20,080
a quick note

31
00:01:23,350 --> 00:01:22,080
arcane radio and beyond explanation

32
00:01:25,429 --> 00:01:23,360
channel is made

33
00:01:27,350 --> 00:01:25,439
possible by you liking subscribing and

34
00:01:29,270 --> 00:01:27,360
sharing our programming

35
00:01:31,749 --> 00:01:29,280
super chat donations are essential for

36
00:01:33,990 --> 00:01:31,759
us to continue offering you our unique

37
00:01:37,190 --> 00:01:34,000
content your consideration is very much

38
00:01:40,710 --> 00:01:37,200

needed and appreciated

39

00:01:44,230 --> 00:01:40,720

so tonight we got a very special show um

40

00:01:46,710 --> 00:01:44,240

our guest is deborah jordan cobble

41

00:01:48,469 --> 00:01:46,720

and she is an ordinary woman with the

42

00:01:49,990 --> 00:01:48,479

habit of attracting the extra

43

00:01:52,950 --> 00:01:50,000

extraordinary

44

00:01:55,190 --> 00:01:52,960

after reporting a terrifying anonymous

45

00:01:56,310 --> 00:01:55,200

experience to bud hopkins pioneering

46

00:01:58,310 --> 00:01:56,320

researcher

47

00:01:59,830 --> 00:01:58,320

of ailing abduction phenomena deborah's

48

00:02:01,590 --> 00:01:59,840

life takes a dramatic turn as she

49

00:02:04,469 --> 00:02:01,600

becomes the central figure

50

00:02:07,510 --> 00:02:04,479

in hopkins best-selling book intruders

51

00:02:09,910 --> 00:02:07,520

and it's popular tv adaptation

52

00:02:11,830 --> 00:02:09,920

but while the tv series ended

53

00:02:15,830 --> 00:02:11,840

with a clear resolution deborah's

54

00:02:18,390 --> 00:02:15,840

astonishing story continues in real life

55

00:02:20,790 --> 00:02:18,400

in extraordinary contact

56

00:02:23,190 --> 00:02:20,800

deborah shares with the readers

57

00:02:26,229 --> 00:02:23,200

her close-up and personal experiences

58

00:02:29,670 --> 00:02:26,239

with ufos poltergeist the afterlife

59

00:02:32,949 --> 00:02:29,680

electronic voice phenomena premonitions

60

00:02:35,190 --> 00:02:32,959

synchronicities and non-human entities

61

00:02:36,949 --> 00:02:35,200

such phenomena are woven throughout the

62

00:02:39,589 --> 00:02:36,959

vivid tapestry of debra's life

63

00:02:41,750 --> 00:02:39,599

flourishes of the anomalous offset

64

00:02:44,470 --> 00:02:41,760

against the and everyday backdrop of

65

00:02:46,790 --> 00:02:44,480

factory work family and friends

66

00:02:49,270 --> 00:02:46,800

now spanning four decades extraordinary

67

00:02:51,910 --> 00:02:49,280

contact is a story of resilience and

68

00:02:54,229 --> 00:02:51,920

growth in the face of trauma tragedy and

69

00:02:56,710 --> 00:02:54,239

loss and an intimate first person

70

00:02:59,110 --> 00:02:56,720

account of what it means to be a

71

00:03:00,390 --> 00:02:59,120

lifelong experience of possible

72

00:03:02,790 --> 00:03:00,400

phenomena

73

00:03:05,190 --> 00:03:02,800

you can find deborah's website ufo

74

00:03:08,070 --> 00:03:05,200

information clearinghouse at

75

00:03:09,670 --> 00:03:08,080

debshone.com

76

00:03:10,630 --> 00:03:09,680

so deborah thanks for joining me this

77

00:03:13,750 --> 00:03:10,640

evening

78

00:03:17,030 --> 00:03:13,760

thanks for asking i appreciate it

79

00:03:19,670 --> 00:03:17,040

yeah i i i saw that you'd publish the

80

00:03:21,910 --> 00:03:19,680

book and i i read budd's book about your

81

00:03:24,390 --> 00:03:21,920

ordeal intruders

82

00:03:26,869 --> 00:03:24,400

uh and i i do believe i may have seen

83

00:03:28,949 --> 00:03:26,879

the the tv movie that was richard crenna

84

00:03:31,430 --> 00:03:28,959

and mayor whittingham i think it was

85

00:03:33,190 --> 00:03:31,440

that's right yeah and um

86

00:03:34,949 --> 00:03:33,200

though they didn't use your name and the

87

00:03:36,070 --> 00:03:34,959

family's name that you the story was

88

00:03:38,869 --> 00:03:36,080

yours

89

00:03:41,270 --> 00:03:38,879

um so let's go back

90

00:03:41,990 --> 00:03:41,280

to the very beginning

91

00:03:44,390 --> 00:03:42,000

where

92

00:03:47,030 --> 00:03:44,400

you and your family noticed the mark in

93

00:03:49,910 --> 00:03:47,040

the backyard

94

00:03:51,509 --> 00:03:49,920

well that was i can't believe it was 38

95

00:03:52,630 --> 00:03:51,519

years ago

96

00:03:55,830 --> 00:03:52,640

i know

97

00:03:58,789 --> 00:03:55,840

uh but yeah june 30th 1983

98

00:04:00,309 --> 00:03:58,799

i was a single mom and just not too long

99

00:04:02,470 --> 00:04:00,319

before that moved back home with my

100

00:04:04,470 --> 00:04:02,480

parents and i had two little

101
00:04:06,309 --> 00:04:04,480
little toddlers they were 14 months

102
00:04:08,630 --> 00:04:06,319
apart two little boys

103
00:04:10,710 --> 00:04:08,640
and um

104
00:04:13,110 --> 00:04:10,720
i didn't have a job at the time and so

105
00:04:15,750 --> 00:04:13,120
to to make extra money to help my

106
00:04:17,909 --> 00:04:15,760
parents i would uh cut out patterns for

107
00:04:19,189 --> 00:04:17,919
a gal who lived behind us who was also

108
00:04:21,509 --> 00:04:19,199
my friend

109
00:04:24,950 --> 00:04:21,519
she was a costume maker and i couldn't

110
00:04:26,550 --> 00:04:24,960
sew but i could cut a good line so

111
00:04:28,629 --> 00:04:26,560
i was about to go help her cut some

112
00:04:31,189 --> 00:04:28,639
patterns that night i was standing at

113
00:04:33,990 --> 00:04:31,199

the kitchen window washing my hands

114

00:04:38,390 --> 00:04:34,000

looking out and i noticed a light in the

115

00:04:42,070 --> 00:04:39,909

mom dad had a big swimming pool in the

116

00:04:44,469 --> 00:04:42,080

backyard one of those cement ponds we

117

00:04:46,150 --> 00:04:44,479

used to jokingly call it

118

00:04:47,430 --> 00:04:46,160

and uh

119

00:04:48,950 --> 00:04:47,440

the light shouldn't have been on the

120

00:04:51,110 --> 00:04:48,960

door shouldn't have been open and i

121

00:04:52,310 --> 00:04:51,120

thought something was weird even weirder

122

00:04:54,950 --> 00:04:52,320

about it but i didn't really put my

123

00:04:56,230 --> 00:04:54,960

finger on that time and i told my mom i

124

00:04:57,670 --> 00:04:56,240

said hey

125

00:04:58,870 --> 00:04:57,680

there's a light on in the pump house she

126

00:05:00,629 --> 00:04:58,880

said don't worry about it your dad can

127

00:05:03,749 --> 00:05:00,639

get it when he gets off work

128

00:05:06,870 --> 00:05:03,759

my dad was uh working at ford down there

129

00:05:09,110 --> 00:05:06,880

um second shift electrician so

130

00:05:11,110 --> 00:05:09,120

he wasn't home at the time

131

00:05:13,430 --> 00:05:11,120

but uh he would be home later on that

132

00:05:15,590 --> 00:05:13,440

night

133

00:05:18,390 --> 00:05:15,600

so i i got i got ready to leave and i

134

00:05:21,590 --> 00:05:18,400

got my car and the house is like a is a

135

00:05:23,110 --> 00:05:21,600

tri-level and the driveway splits one

136

00:05:24,950 --> 00:05:23,120

part of it goes down the front of the

137

00:05:28,070 --> 00:05:24,960

house to the to the

138

00:05:30,230 --> 00:05:28,080

there was a two-car attached garage or

139

00:05:32,629 --> 00:05:30,240

one and a half car attached

140

00:05:34,710 --> 00:05:32,639

garage on one side and then the other

141

00:05:36,870 --> 00:05:34,720

side it split went down the side of the

142

00:05:38,150 --> 00:05:36,880

house past the swimming pool and then

143

00:05:39,830 --> 00:05:38,160

there was like a little turnaround in

144

00:05:41,830 --> 00:05:39,840

the back because dad had a workshop back

145

00:05:43,270 --> 00:05:41,840

there and he had his ladder truck parked

146

00:05:44,150 --> 00:05:43,280

in that little turnaround in the center

147

00:05:45,909 --> 00:05:44,160

of it

148

00:05:47,350 --> 00:05:45,919

and i thought you know what i'll just go

149

00:05:48,790 --> 00:05:47,360

down that turn around real quick before

150

00:05:50,950 --> 00:05:48,800

i leave just to make sure i didn't see

151
00:05:52,629 --> 00:05:50,960
anybody i'm thinking

152
00:05:55,029 --> 00:05:52,639
prowlers not

153
00:05:57,909 --> 00:05:55,039
aliens by any stretch

154
00:06:00,070 --> 00:05:57,919
so i go down there and i go i drive back

155
00:06:01,670 --> 00:06:00,080
up look over everything really well i

156
00:06:03,830 --> 00:06:01,680
don't see anything so i go on over to

157
00:06:05,110 --> 00:06:03,840
deanna's takes like two minutes to get

158
00:06:09,670 --> 00:06:05,120
there

159
00:06:12,629 --> 00:06:09,680
because one thing i did notice is that

160
00:06:16,309 --> 00:06:12,639
now the pedestrian door to the attached

161
00:06:18,550 --> 00:06:16,319
garage in the back was open and we don't

162
00:06:21,189 --> 00:06:18,560
typically leave that open

163
00:06:22,390 --> 00:06:21,199

so um

164

00:06:24,230 --> 00:06:22,400

i called her and i said hey the

165

00:06:25,430 --> 00:06:24,240

pedestrian door is open but i didn't see

166

00:06:26,950 --> 00:06:25,440

anybody out there and she said don't

167

00:06:28,550 --> 00:06:26,960

worry about it i'll just lock the doors

168

00:06:30,469 --> 00:06:28,560

you know your dad

169

00:06:31,909 --> 00:06:30,479

will be fine till your day gets home

170

00:06:33,909 --> 00:06:31,919

like okay

171

00:06:35,270 --> 00:06:33,919

so i hung the phone up and she calls

172

00:06:38,150 --> 00:06:35,280

right back

173

00:06:41,189 --> 00:06:38,160

and i answered it and she says uh i want

174

00:06:43,909 --> 00:06:41,199

you to come home right now.

175

00:06:45,350 --> 00:06:43,919

and i said oh you know she sounded like

176

00:06:46,710 --> 00:06:45,360

she was scared and that was out of

177

00:06:48,550 --> 00:06:46,720

character for her so i'm like well

178

00:06:50,390 --> 00:06:48,560

what's go what's wrong

179

00:06:53,110 --> 00:06:50,400

and um

180

00:06:55,189 --> 00:06:53,120

my friend's husband overhears this and

181

00:06:57,749 --> 00:06:55,199

he he you know her they can hear my

182

00:06:59,510 --> 00:06:57,759

voice i'm a little worried now and and

183

00:07:00,629 --> 00:06:59,520

larry yells over my shoulder tell her to

184

00:07:01,670 --> 00:07:00,639

call the police that's what they get

185

00:07:03,189 --> 00:07:01,680

paid for

186

00:07:05,110 --> 00:07:03,199

and she heard him and she said no i

187

00:07:06,790 --> 00:07:05,120

don't want anybody here but you like

188

00:07:09,350 --> 00:07:06,800

okay fine

189

00:07:10,950 --> 00:07:09,360

so i like i'll be back so i got my car

190

00:07:13,350 --> 00:07:10,960

and i went back home and i pulled back

191

00:07:14,870 --> 00:07:13,360

up that side drive again but i stopped

192

00:07:17,990 --> 00:07:14,880

before i got to the swimming pool

193

00:07:20,309 --> 00:07:18,000

because we had daddy had a um

194

00:07:22,390 --> 00:07:20,319

built a little uh like florida room

195

00:07:24,950 --> 00:07:22,400

there and i could see that mom was in it

196

00:07:27,830 --> 00:07:24,960

and so i stopped got out went in there

197

00:07:29,670 --> 00:07:27,840

and i grabbed the shotgun that was next

198

00:07:31,830 --> 00:07:29,680

to the trash compactor

199

00:07:33,589 --> 00:07:31,840

now mom says you know that's not loaded

200

00:07:35,670 --> 00:07:33,599

right i said yeah i know it's not loaded

201
00:07:37,350 --> 00:07:35,680
but whoever i come up upon isn't going

202
00:07:38,950 --> 00:07:37,360
to know it until i'm close enough to hit

203
00:07:41,350 --> 00:07:38,960
him with it you know

204
00:07:42,710 --> 00:07:41,360
i had requested dad keep that unloaded

205
00:07:44,710 --> 00:07:42,720
when we moved in because of my little

206
00:07:46,550 --> 00:07:44,720
kids so you know there was no way there

207
00:07:49,029 --> 00:07:46,560
was anything in it but

208
00:07:51,189 --> 00:07:49,039
i'm not i was at that time i was not a

209
00:07:52,070 --> 00:07:51,199
brave person this was out of character

210
00:07:53,909 --> 00:07:52,080
for me

211
00:07:56,629 --> 00:07:53,919
way out now

212
00:07:58,710 --> 00:07:56,639
is a different story but back then the

213
00:08:00,550 --> 00:07:58,720

fact that i even went out there

214

00:08:02,469 --> 00:08:00,560

even with a gun that wasn't loaded is

215

00:08:04,070 --> 00:08:02,479

was not like me but i did it went out

216

00:08:06,390 --> 00:08:04,080

looked around

217

00:08:09,749 --> 00:08:06,400

i walked back behind the swimming pool i

218

00:08:11,589 --> 00:08:09,759

found my dog under dad's ladder truck

219

00:08:15,350 --> 00:08:11,599

but she didn't come out she was a little

220

00:08:17,029 --> 00:08:15,360

like i don't know 40 pound beagle mix

221

00:08:19,189 --> 00:08:17,039

and um

222

00:08:22,230 --> 00:08:19,199

didn't see anything in the backyard

223

00:08:24,710 --> 00:08:22,240

so i headed towards the

224

00:08:26,790 --> 00:08:24,720

pedestrian door at the garage

225

00:08:28,869 --> 00:08:26,800

and i walked in there flipped on the

226

00:08:31,110 --> 00:08:28,879

light and i'm i'm walking around like

227

00:08:33,029 --> 00:08:31,120

elmer fudd you know throwing off a cuss

228

00:08:34,790 --> 00:08:33,039

word here there

229

00:08:36,630 --> 00:08:34,800

the only there was no one in there but

230

00:08:38,630 --> 00:08:36,640

the only place somebody could have been

231

00:08:39,990 --> 00:08:38,640

hiding was there was some box springs

232

00:08:41,350 --> 00:08:40,000

and mattress leaned up against one of

233

00:08:43,430 --> 00:08:41,360

the walls

234

00:08:44,790 --> 00:08:43,440

and uh i thought okay if

235

00:08:46,550 --> 00:08:44,800

somebody's in here that's where they're

236

00:08:49,670 --> 00:08:46,560

at and i started to head towards that

237

00:08:51,990 --> 00:08:49,680

and i suddenly felt like

238

00:08:53,509 --> 00:08:52,000

i felt like my body went on fire and i

239

00:08:55,430 --> 00:08:53,519

remember thinking oh my god i got to get

240

00:08:57,670 --> 00:08:55,440

out of here right now and i turned to

241

00:08:59,509 --> 00:08:57,680

run through that open door and when i

242

00:09:01,990 --> 00:08:59,519

got to the open doorway

243

00:09:04,389 --> 00:09:02,000

something hit me in the chest like right

244

00:09:06,550 --> 00:09:04,399

in here i guess the solar plexus or what

245

00:09:09,269 --> 00:09:06,560

you call it you know

246

00:09:11,030 --> 00:09:09,279

it was like the whitest light

247

00:09:14,550 --> 00:09:11,040

it was so white and intense and bright

248

00:09:16,790 --> 00:09:14,560

that it hurt it hurt my eyes it hurt i

249

00:09:18,150 --> 00:09:16,800

and i know my eyes were closed

250

00:09:20,630 --> 00:09:18,160

but

251
00:09:23,509 --> 00:09:20,640
i could still see it and i i couldn't

252
00:09:25,990 --> 00:09:23,519
move and it felt like every

253
00:09:29,910 --> 00:09:26,000
molecule in my body was vibrating it was

254
00:09:31,829 --> 00:09:29,920
almost like i could feel each individual

255
00:09:35,110 --> 00:09:31,839
molecule of me

256
00:09:37,990 --> 00:09:35,120
all shaking and vibrating

257
00:09:39,670 --> 00:09:38,000
and and time stopped i don't know how to

258
00:09:42,150 --> 00:09:39,680
describe it any other way is that i have

259
00:09:45,269 --> 00:09:42,160
no i have no idea

260
00:09:47,509 --> 00:09:45,279
how long i was in that condition

261
00:09:49,750 --> 00:09:47,519
time stopped in my mind i think i

262
00:09:51,750 --> 00:09:49,760
couldn't survive that for very long but

263
00:09:53,110 --> 00:09:51,760

i have no idea for real how long i was

264

00:09:54,949 --> 00:09:53,120

like that

265

00:09:56,949 --> 00:09:54,959

the vibrating started you know started

266

00:09:58,230 --> 00:09:56,959

to wane and started to stop the light

267

00:10:00,470 --> 00:09:58,240

started to get

268

00:10:02,470 --> 00:10:00,480

not as intense and to the point where i

269

00:10:04,630 --> 00:10:02,480

could start seeing again but now at this

270

00:10:06,310 --> 00:10:04,640

point i'm out of the doorway a little

271

00:10:07,430 --> 00:10:06,320

more and i feel like somebody's pulling

272

00:10:09,110 --> 00:10:07,440

on my

273

00:10:10,870 --> 00:10:09,120

at some point

274

00:10:12,949 --> 00:10:10,880

you know i can't remember when i felt

275

00:10:15,750 --> 00:10:12,959

like someone was pulling on my right

276

00:10:18,630 --> 00:10:15,760

shoulder from behind me pulling down and

277

00:10:21,829 --> 00:10:18,640

then it felt like somebody shoved a

278

00:10:24,949 --> 00:10:21,839

in my mind i i visualized a knitting

279

00:10:26,630 --> 00:10:24,959

needle that was like hot like poker hot

280

00:10:29,430 --> 00:10:26,640

from a fire or something right through

281

00:10:31,829 --> 00:10:29,440

my head right in my ear right to my head

282

00:10:32,949 --> 00:10:31,839

i can't scream i can't fight i can't do

283

00:10:35,190 --> 00:10:32,959

anything

284

00:10:36,949 --> 00:10:35,200

and

285

00:10:38,470 --> 00:10:36,959

then i hear this voice that say it you

286

00:10:40,389 --> 00:10:38,480

know that was quick

287

00:10:42,550 --> 00:10:40,399

then i hear a voice that says it was

288

00:10:46,150 --> 00:10:42,560

unfortunate that i felt pain and i don't

289

00:10:48,230 --> 00:10:46,160

know who said that i did not see anyone

290

00:10:49,750 --> 00:10:48,240

then i realized there's a ball of light

291

00:10:52,150 --> 00:10:49,760

out in front of me

292

00:10:53,350 --> 00:10:52,160

maybe 20 or 25 feet i'm kind of crappy

293

00:10:54,949 --> 00:10:53,360

with uh

294

00:10:56,069 --> 00:10:54,959

you know that

295

00:10:57,350 --> 00:10:56,079

distance

296

00:10:59,509 --> 00:10:57,360

but uh

297

00:11:02,230 --> 00:10:59,519

it's about the size of a basketball and

298

00:11:03,750 --> 00:11:02,240

it's soft it's easier to look at

299

00:11:06,389 --> 00:11:03,760

and it's about as high up off the ground

300

00:11:08,870 --> 00:11:06,399

as i am tall and i'm five foot three

301

00:11:10,630 --> 00:11:08,880

and it went down really low till slow

302

00:11:12,630 --> 00:11:10,640

almost the ground and then came back up

303

00:11:14,470 --> 00:11:12,640

again and i felt like

304

00:11:17,110 --> 00:11:14,480

it was looking at me

305

00:11:19,430 --> 00:11:17,120

i don't know why i felt that way but i

306

00:11:21,430 --> 00:11:19,440

felt that and i noticed movement in the

307

00:11:22,790 --> 00:11:21,440

yard at that point and my vision was

308

00:11:24,870 --> 00:11:22,800

shot

309

00:11:27,590 --> 00:11:24,880

it was like when you get your picture

310

00:11:29,030 --> 00:11:27,600

taken with the old time flash cubes and

311

00:11:31,110 --> 00:11:29,040

you don't blink

312

00:11:32,710 --> 00:11:31,120

yeah i remember how that was and then

313

00:11:34,470 --> 00:11:32,720

you can't see anything but white spots

314

00:11:36,630 --> 00:11:34,480

for like 20 minutes well that's the way

315

00:11:39,509 --> 00:11:36,640

my eyes were at that point

316

00:11:41,990 --> 00:11:39,519

i could see movement in front of me and

317

00:11:43,750 --> 00:11:42,000

i could see what i thought were kids and

318

00:11:46,230 --> 00:11:43,760

i thought in my mind why are these kids

319

00:11:49,030 --> 00:11:46,240

in my mom's backyard

320

00:11:50,550 --> 00:11:49,040

and uh they came from different parts of

321

00:11:51,750 --> 00:11:50,560

the yard and they all kind of lined up

322

00:11:53,670 --> 00:11:51,760

in front of me

323

00:11:55,910 --> 00:11:53,680

off to my right

324

00:11:58,310 --> 00:11:55,920

up closer towards the edge where the

325

00:11:59,670 --> 00:11:58,320

swimming pool fence started in the

326

00:12:01,670 --> 00:11:59,680

driveway was

327

00:12:03,509 --> 00:12:01,680

and they all kind of just started to

328

00:12:05,590 --> 00:12:03,519

slide they weren't really walking they

329

00:12:07,509 --> 00:12:05,600

just kind of glided down in front of me

330

00:12:09,430 --> 00:12:07,519

there were like six of them

331

00:12:11,990 --> 00:12:09,440

and that is when i i was watching them

332

00:12:15,269 --> 00:12:12,000

with my eyes because i can't move

333

00:12:17,829 --> 00:12:15,279

and then i see that thing

334

00:12:18,870 --> 00:12:17,839

we call it a craft

335

00:12:20,790 --> 00:12:18,880

because i

336

00:12:23,990 --> 00:12:20,800

we don't know what else to call it

337

00:12:25,590 --> 00:12:24,000

but in retrospect you know years later

338

00:12:27,910 --> 00:12:25,600

when i think about it there's no way

339

00:12:29,829 --> 00:12:27,920

that even six kids could get in this

340

00:12:31,590 --> 00:12:29,839

thing and fly anywhere because it was

341

00:12:34,310 --> 00:12:31,600

small it wasn't much bigger than the

342

00:12:35,509 --> 00:12:34,320

pump house of the swimming pool and that

343

00:12:37,269 --> 00:12:35,519

was

344

00:12:39,750 --> 00:12:37,279

maybe equivalent to like one of those

345

00:12:41,750 --> 00:12:39,760

aluminum uh mini barns that you could

346

00:12:44,870 --> 00:12:41,760

buy in the hardware store parking lot

347

00:12:47,269 --> 00:12:44,880

roughly about that size you know height

348

00:12:49,990 --> 00:12:47,279

it and it was shaped like an egg so it

349

00:12:50,870 --> 00:12:50,000

was bigger in the middle than at the top

350

00:12:55,509 --> 00:12:50,880

it was

351

00:12:56,790 --> 00:12:55,519

the bottom down lower

352

00:12:58,150 --> 00:12:56,800

and i couldn't really tell for sure

353

00:12:59,430 --> 00:12:58,160

whether it was all the way on the ground

354

00:13:02,550 --> 00:12:59,440

or not because

355

00:13:04,550 --> 00:13:02,560

i thought i could detect a slight little

356

00:13:05,269 --> 00:13:04,560

wobble every now and then

357

00:13:06,949 --> 00:13:05,279

but

358

00:13:08,230 --> 00:13:06,959

i couldn't tell

359

00:13:09,750 --> 00:13:08,240

i i couldn't

360

00:13:11,829 --> 00:13:09,760

every time i looked at it i wanted to

361

00:13:13,430 --> 00:13:11,839

look away i didn't want to look at it

362

00:13:14,790 --> 00:13:13,440

but i didn't want to not look at it

363

00:13:17,269 --> 00:13:14,800

because i needed to know if it was

364

00:13:18,870 --> 00:13:17,279

moving closer to me you know

365

00:13:20,949 --> 00:13:18,880

and um

366

00:13:23,269 --> 00:13:20,959

my vision was crummy and i did note that

367

00:13:27,030 --> 00:13:23,279

there was like

368

00:13:29,750 --> 00:13:27,040

legs coming off from about midpoint

369

00:13:31,990 --> 00:13:29,760

there was i saw a couple of legs where i

370

00:13:33,509 --> 00:13:32,000

thought were legs but they didn't look

371

00:13:35,430 --> 00:13:33,519

they didn't look like they could support

372

00:13:36,949 --> 00:13:35,440

much weight they were real skinny so i'm

373

00:13:40,069 --> 00:13:36,959

not sure what they were i don't know

374

00:13:42,550 --> 00:13:40,079

what they were i can just use my words

375

00:13:43,990 --> 00:13:42,560

that i have that remotely resemble it

376

00:13:46,310 --> 00:13:44,000

you know what i mean

377

00:13:48,790 --> 00:13:46,320

and uh like i said now i there's no way

378

00:13:50,310 --> 00:13:48,800

six of anybody even kids could get in

379

00:13:52,550 --> 00:13:50,320

that thing and fly

380

00:13:55,670 --> 00:13:52,560

to another planet from somewhere else so

381

00:13:57,269 --> 00:13:55,680

i have no idea what that was

382

00:14:00,230 --> 00:13:57,279

i don't even know whether i was in it or

383

00:14:03,590 --> 00:14:00,240

not at one point i don't remember

384

00:14:05,350 --> 00:14:03,600

so um

385

00:14:07,189 --> 00:14:05,360

anyway i remember at one point thinking

386

00:14:08,629 --> 00:14:07,199

and i'm still standing out here now

387

00:14:10,870 --> 00:14:08,639

these kids are gone and i'm thinking oh

388

00:14:13,030 --> 00:14:10,880

my children because all this weirdness

389

00:14:14,710 --> 00:14:13,040

is going on out here and my kids are in

390

00:14:18,069 --> 00:14:14,720

the house and then i hear that same

391

00:14:19,910 --> 00:14:18,079

voice say your children are fine

392

00:14:22,069 --> 00:14:19,920

then i hear my name

393

00:14:23,590 --> 00:14:22,079

well it turns out it was my mom who

394

00:14:25,430 --> 00:14:23,600

called my name

395

00:14:27,670 --> 00:14:25,440

because and as soon as i heard my name

396

00:14:30,230 --> 00:14:27,680

it was like somebody snapped a finger

397

00:14:32,629 --> 00:14:30,240

and i just completely forgot that whole

398

00:14:35,110 --> 00:14:32,639

last five minutes or so or whatever that

399

00:14:37,829 --> 00:14:35,120

was that last thing i just told you

400

00:14:40,710 --> 00:14:37,839

was wiped out of my head

401
00:14:41,509 --> 00:14:40,720
and i remember turning and walking up

402
00:14:45,509 --> 00:14:41,519
the

403
00:14:47,110 --> 00:14:45,519
upper porch

404
00:14:47,990 --> 00:14:47,120
where the kitchen door opened up to

405
00:14:49,910 --> 00:14:48,000
mom's

406
00:14:52,470 --> 00:14:49,920
head was hanging out the kitchen door

407
00:14:54,790 --> 00:14:52,480
and she's like uh is everything okay and

408
00:14:56,710 --> 00:14:54,800
i said yeah everything's cool in my mind

409
00:14:59,269 --> 00:14:56,720
now at this point i'm thinking

410
00:15:01,030 --> 00:14:59,279
i just want to go swimming i don't i

411
00:15:02,790 --> 00:15:01,040
don't want to sew anymore i don't want

412
00:15:04,550 --> 00:15:02,800
to cut patterns

413
00:15:05,829 --> 00:15:04,560

so i go back to my friend's house and i

414

00:15:07,590 --> 00:15:05,839

say hey instead of doing this how about

415

00:15:09,829 --> 00:15:07,600

we go swimming and i talked him in

416

00:15:11,670 --> 00:15:09,839

didn't take much talking

417

00:15:14,150 --> 00:15:11,680

back and go swimming she's like yeah

418

00:15:15,990 --> 00:15:14,160

that sounds good so they she grabs her

419

00:15:18,550 --> 00:15:16,000

bathing suit and you know gets dressed

420

00:15:20,150 --> 00:15:18,560

her daughter t like a pre-teen at that

421

00:15:21,750 --> 00:15:20,160

time

422

00:15:23,110 --> 00:15:21,760

and she comes with us

423

00:15:25,269 --> 00:15:23,120

and we go

424

00:15:27,350 --> 00:15:25,279

uh back to my house we're walking across

425

00:15:29,110 --> 00:15:27,360

the yard to the pool and her daughter

426

00:15:32,150 --> 00:15:29,120

steps on something and her daughter's

427

00:15:33,749 --> 00:15:32,160

like ow you know she thought

428

00:15:35,350 --> 00:15:33,759

my dean thought maybe she stepped on a

429

00:15:36,949 --> 00:15:35,360

bee or something you know and we looked

430

00:15:38,389 --> 00:15:36,959

her foot over real good didn't see

431

00:15:40,629 --> 00:15:38,399

anything she

432

00:15:43,110 --> 00:15:40,639

insisted her foot was getting numb and

433

00:15:45,350 --> 00:15:43,120

tingly and her leg was getting tingly

434

00:15:47,670 --> 00:15:45,360

but we didn't see anything so we went

435

00:15:49,430 --> 00:15:47,680

ahead and got in the pool

436

00:15:51,430 --> 00:15:49,440

and at that point all of us are starting

437

00:15:53,430 --> 00:15:51,440

to feel kind of nauseous and my eyes are

438

00:15:54,870 --> 00:15:53,440

really starting to hurt and i'm starting

439

00:15:58,550 --> 00:15:54,880

to notice

440

00:16:00,470 --> 00:15:58,560

um halos around all the lights like

441

00:16:01,829 --> 00:16:00,480

if you were a kid and you went swimming

442

00:16:04,470 --> 00:16:01,839

and you opened your eyes in the chlorine

443

00:16:06,389 --> 00:16:04,480

too many times and your eyes started

444

00:16:08,550 --> 00:16:06,399

doing that weird thing while they were

445

00:16:10,629 --> 00:16:08,560

it was kind of like that except i hadn't

446

00:16:12,629 --> 00:16:10,639

got my head in the water

447

00:16:14,069 --> 00:16:12,639

and deanna says hey let's go to white

448

00:16:16,949 --> 00:16:14,079

castle maybe if we get something he will

449

00:16:19,269 --> 00:16:16,959

feel better i'm like okay you know

450

00:16:20,310 --> 00:16:19,279

sounded like a good idea at the time i

451
00:16:23,350 --> 00:16:20,320
don't know if you guys have white

452
00:16:25,430 --> 00:16:23,360
castles or not but we used to yeah you

453
00:16:27,189 --> 00:16:25,440
know what they are

454
00:16:29,110 --> 00:16:27,199
not really a good thing to eat if you're

455
00:16:31,269 --> 00:16:29,120
nauseous but

456
00:16:34,870 --> 00:16:31,279
uh i bet a bunch of drunk people in

457
00:16:38,069 --> 00:16:34,880
indiana would argue with you about that

458
00:16:40,230 --> 00:16:38,079
but uh anyway we went uh we started to

459
00:16:41,749 --> 00:16:40,240
head off to there we got out dried off

460
00:16:43,430 --> 00:16:41,759
but

461
00:16:45,509 --> 00:16:43,440
we came to our senses before we actually

462
00:16:47,749 --> 00:16:45,519
got there i think and then they went

463
00:16:49,509 --> 00:16:47,759

home and i went to bed when i woke up

464

00:16:51,030 --> 00:16:49,519

the next morning my eyes were swelled

465

00:16:53,350 --> 00:16:51,040

completely shut

466

00:16:55,430 --> 00:16:53,360

i'm not remembering that flash and that

467

00:16:57,030 --> 00:16:55,440

light or anything feeling like i've been

468

00:16:59,990 --> 00:16:57,040

hit by a train

469

00:17:02,150 --> 00:17:00,000

everything on me hurt my eyes were

470

00:17:05,350 --> 00:17:02,160

swollen and oozy

471

00:17:08,150 --> 00:17:05,360

and my mom took me to the emergency room

472

00:17:10,470 --> 00:17:08,160

and the doctor at the emergency room i

473

00:17:12,150 --> 00:17:10,480

don't even know why he was there

474

00:17:14,549 --> 00:17:12,160

he was actually an eye

475

00:17:16,789 --> 00:17:14,559

doctor which i don't think you normally

476

00:17:18,470 --> 00:17:16,799

find in an emergency room but he was in

477

00:17:20,630 --> 00:17:18,480

the emergency room that day

478

00:17:23,029 --> 00:17:20,640

and he had my asked my mom can you take

479

00:17:24,870 --> 00:17:23,039

her across the street to my office

480

00:17:26,150 --> 00:17:24,880

so i can get a better look at her

481

00:17:27,990 --> 00:17:26,160

because i have more equipment over there

482

00:17:29,750 --> 00:17:28,000

i can look at her better mom like yeah

483

00:17:31,270 --> 00:17:29,760

sure so they took me over there

484

00:17:32,710 --> 00:17:31,280

and he says

485

00:17:34,390 --> 00:17:32,720

have you looked into the ark of a

486

00:17:37,510 --> 00:17:34,400

welder's torch

487

00:17:39,830 --> 00:17:37,520

and i said no and i'm thinking to myself

488

00:17:41,909 --> 00:17:39,840

why why would you ask me that that

489

00:17:44,150 --> 00:17:41,919

sounds like something some dumb person

490

00:17:45,270 --> 00:17:44,160

would do i'm not dumb

491

00:17:47,110 --> 00:17:45,280

but

492

00:17:49,029 --> 00:17:47,120

you know and again i never said anything

493

00:17:50,630 --> 00:17:49,039

to him about the light or my eyes

494

00:17:52,150 --> 00:17:50,640

hurting or you know or anything like

495

00:17:53,830 --> 00:17:52,160

that he asked me that they that they've

496

00:17:55,350 --> 00:17:53,840

been hurting me for the last few days

497

00:17:57,270 --> 00:17:55,360

and i said they didn't feel right last

498

00:17:59,590 --> 00:17:57,280

night but

499

00:18:01,669 --> 00:17:59,600

they weren't like this you know and when

500

00:18:03,190 --> 00:18:01,679

i got up yesterday morning the morning

501
00:18:05,190 --> 00:18:03,200
before they were fine

502
00:18:07,029 --> 00:18:05,200
so

503
00:18:09,830 --> 00:18:07,039
anyway

504
00:18:12,070 --> 00:18:09,840
i you know creams and drops some gooey

505
00:18:13,590 --> 00:18:12,080
stuff and drops and took several weeks

506
00:18:15,510 --> 00:18:13,600
for them to heal up and my vision was

507
00:18:17,029 --> 00:18:15,520
never right after that and i'll say it

508
00:18:18,470 --> 00:18:17,039
real quick now

509
00:18:20,230 --> 00:18:18,480
at the age of 30 something i was

510
00:18:21,909 --> 00:18:20,240
diagnosed with cataracts and macular

511
00:18:24,390 --> 00:18:21,919
degeneration

512
00:18:26,870 --> 00:18:24,400
by the time i hit 50

513
00:18:29,430 --> 00:18:26,880

i have all new artificial lenses

514

00:18:31,350 --> 00:18:29,440

implanted because mine were just shot

515

00:18:33,350 --> 00:18:31,360

and my macular degeneration remains

516

00:18:35,270 --> 00:18:33,360

stable and it is dry

517

00:18:37,350 --> 00:18:35,280

but i have to have dilation every six

518

00:18:39,510 --> 00:18:37,360

months for the rest of my life so you

519

00:18:41,029 --> 00:18:39,520

know and they follow me pretty close

520

00:18:43,029 --> 00:18:41,039

and the weird thing is i'm like the only

521

00:18:45,909 --> 00:18:43,039

person in my family that had that except

522

00:18:48,070 --> 00:18:45,919

my older sister who had

523

00:18:50,789 --> 00:18:48,080

she had has wet macular degeneration but

524

00:18:53,909 --> 00:18:50,799

she's 70 years 70 some years old you

525

00:18:56,630 --> 00:18:53,919

know mine was diagnosed in my 30s

526

00:18:59,430 --> 00:18:56,640

so i always blame that night

527

00:19:01,270 --> 00:18:59,440

oh yeah i i i can

528

00:19:03,350 --> 00:19:01,280

that's pretty obvious

529

00:19:05,270 --> 00:19:03,360

yeah i don't have any proof i can never

530

00:19:07,190 --> 00:19:05,280

prove that and i'll say it right now i

531

00:19:08,950 --> 00:19:07,200

don't know but i'm not a doctor but in

532

00:19:11,430 --> 00:19:08,960

my gut in my heart of hearts i blame

533

00:19:13,830 --> 00:19:11,440

that night on my eyes being wrecked

534

00:19:16,150 --> 00:19:13,840

right and um i'm thankful i can still

535

00:19:18,630 --> 00:19:16,160

see my i went real far sighted after

536

00:19:20,390 --> 00:19:18,640

that it was insane i mean i'm

537

00:19:21,990 --> 00:19:20,400

you know at 30 years old i was wearing

538

00:19:24,390 --> 00:19:22,000

threes

539

00:19:27,190 --> 00:19:24,400

so i'm i now with the new

540

00:19:28,789 --> 00:19:27,200

lenses i'm at 2.5 i can get away with

541

00:19:30,390 --> 00:19:28,799

2.25

542

00:19:31,430 --> 00:19:30,400

but um

543

00:19:34,390 --> 00:19:31,440

anyway

544

00:19:36,549 --> 00:19:34,400

did was it was there anything specific

545

00:19:38,390 --> 00:19:36,559

about the light was it radioactive or

546

00:19:39,669 --> 00:19:38,400

anything like that that anybody could

547

00:19:41,830 --> 00:19:39,679

tell

548

00:19:43,590 --> 00:19:41,840

i have no idea you know my old man and

549

00:19:45,590 --> 00:19:43,600

my uncle jim they were weird bunched

550

00:19:50,870 --> 00:19:45,600

they had all kinds of

551

00:19:53,110 --> 00:19:50,880

in the workshop right and uh

552

00:19:55,669 --> 00:19:53,120

at one point i'm not exactly sure when

553

00:19:57,430 --> 00:19:55,679

it was way before bud came i think daddy

554

00:19:59,669 --> 00:19:57,440

and uncle jim um

555

00:20:01,350 --> 00:19:59,679

that they had a either uncle jim brought

556

00:20:04,310 --> 00:20:01,360

an old geiger counter over that he had

557

00:20:06,870 --> 00:20:04,320

or daddy had one from like world war ii

558

00:20:08,390 --> 00:20:06,880

and uh they were out and many are out in

559

00:20:10,070 --> 00:20:08,400

the workshop mess with it and they could

560

00:20:11,430 --> 00:20:10,080

get it to zero in the workshop but when

561

00:20:13,029 --> 00:20:11,440

they got to the back side of the

562

00:20:15,830 --> 00:20:13,039

swimming pool they couldn't get it to

563

00:20:18,230 --> 00:20:15,840

zero it just would go crazy

564

00:20:19,990 --> 00:20:18,240

they are not professionals

565

00:20:21,029 --> 00:20:20,000

you know

566

00:20:23,110 --> 00:20:21,039

i i

567

00:20:25,270 --> 00:20:23,120

i'm just telling you that because they

568

00:20:26,470 --> 00:20:25,280

did do that but i don't know if it's

569

00:20:28,789 --> 00:20:26,480

even

570

00:20:31,029 --> 00:20:28,799

worth anything you know what i mean

571

00:20:32,950 --> 00:20:31,039

uh but uh

572

00:20:34,710 --> 00:20:32,960

anyways it was the following weekend

573

00:20:36,789 --> 00:20:34,720

which was just a few days i mean this

574

00:20:38,870 --> 00:20:36,799

happened june 30th and and the fourth of

575

00:20:41,430 --> 00:20:38,880

july weekend come up

576

00:20:44,549 --> 00:20:41,440

and the family all get together swim

577

00:20:45,830 --> 00:20:44,559

cook out fire off kmart fireworks and

578

00:20:48,470 --> 00:20:45,840

annoy the neighbors you know that was

579

00:20:50,070 --> 00:20:48,480

our family tradition so

580

00:20:51,669 --> 00:20:50,080

we're out the kids come through the

581

00:20:53,750 --> 00:20:51,679

house with their towels we're in the

582

00:20:55,590 --> 00:20:53,760

house we're inside fixing stuff ready

583

00:20:57,430 --> 00:20:55,600

for food and the kids run outside and my

584

00:20:59,750 --> 00:20:57,440

nephew comes back and he goes grandma

585

00:21:01,350 --> 00:20:59,760

what's wrong with your yard so all those

586

00:21:03,669 --> 00:21:01,360

adults win now that and this was the

587

00:21:04,710 --> 00:21:03,679

first time we saw this you know days had

588

00:21:06,630 --> 00:21:04,720

passed

589

00:21:09,270 --> 00:21:06,640

i don't know why no one noticed it or

590

00:21:10,789 --> 00:21:09,280

looked out in the yard or anything but

591

00:21:12,549 --> 00:21:10,799

all of us walked out there and there was

592

00:21:14,950 --> 00:21:12,559

that mark

593

00:21:16,950 --> 00:21:14,960

it was an eight-foot diameter circle

594

00:21:18,789 --> 00:21:16,960

with a little pushed up on the side and

595

00:21:21,590 --> 00:21:18,799

a big deep crack in it

596

00:21:24,070 --> 00:21:21,600

it had a 49 foot swath that came

597

00:21:25,909 --> 00:21:24,080

straight off straight as an arrow

598

00:21:27,590 --> 00:21:25,919

exactly two feet wide all the way down

599

00:21:31,750 --> 00:21:27,600

and ended in a perfect arc right up at

600

00:21:33,669 --> 00:21:31,760

the drive near the driveway and

601
00:21:35,190 --> 00:21:33,679
my mom

602
00:21:36,950 --> 00:21:35,200
looks at it for a minute and she says oh

603
00:21:38,149 --> 00:21:36,960
that's where our ufo landed the other

604
00:21:39,669 --> 00:21:38,159
night

605
00:21:40,549 --> 00:21:39,679
and i looked at my mom and i thought

606
00:21:43,270 --> 00:21:40,559
what

607
00:21:47,270 --> 00:21:43,280
and

608
00:21:48,950 --> 00:21:47,280
thought why is she saying that

609
00:21:50,310 --> 00:21:48,960
and it was like bam

610
00:21:52,549 --> 00:21:50,320
something just

611
00:21:54,549 --> 00:21:52,559
bam was like hit me with a ton of bricks

612
00:21:57,510 --> 00:21:54,559
and i'm looking at this mark in the yard

613
00:21:59,270 --> 00:21:57,520

and then i see these big black eyes

614

00:22:01,990 --> 00:21:59,280

and then i remember

615

00:22:04,470 --> 00:22:02,000

i'd seen these big black eyes in 78 and

616

00:22:05,990 --> 00:22:04,480

that was not a dream and i completely

617

00:22:07,270 --> 00:22:06,000

forgot about that i mean it was like

618

00:22:09,110 --> 00:22:07,280

someone pulled

619

00:22:09,909 --> 00:22:09,120

just pulled the finger out of the dyke

620

00:22:15,669 --> 00:22:09,919

and

621

00:22:18,470 --> 00:22:15,679

the next few days i was a basket case i

622

00:22:20,470 --> 00:22:18,480

didn't wait for like two days

623

00:22:22,789 --> 00:22:20,480

i just kept having

624

00:22:24,549 --> 00:22:22,799

memories and images i remember the light

625

00:22:28,070 --> 00:22:24,559

i remember being hit i remembered the

626

00:22:29,990 --> 00:22:28,080

weird feeling i got a phobia

627

00:22:31,909 --> 00:22:30,000

there the bathroom

628

00:22:34,549 --> 00:22:31,919

upstairs bathroom has a little window

629

00:22:37,430 --> 00:22:34,559

that overlooks where that mark was

630

00:22:38,950 --> 00:22:37,440

even before i actually saw the mark like

631

00:22:40,710 --> 00:22:38,960

the day before i started feeling weird

632

00:22:42,710 --> 00:22:40,720

like i didn't want to go

633

00:22:43,830 --> 00:22:42,720

in that bathroom at night by myself

634

00:22:45,029 --> 00:22:43,840

because i didn't want to get by that

635

00:22:47,029 --> 00:22:45,039

window because i thought someone was

636

00:22:49,590 --> 00:22:47,039

going to pull me out the window

637

00:22:52,070 --> 00:22:49,600

and i thought i know that sounds crazy

638

00:22:53,750 --> 00:22:52,080

and i literally i i said

639

00:22:56,470 --> 00:22:53,760

in retrospect i believe i had a nervous

640

00:22:59,909 --> 00:22:56,480

breakdown honest to god

641

00:23:01,510 --> 00:22:59,919

i had read missing time

642

00:23:03,350 --> 00:23:01,520

months before and

643

00:23:05,190 --> 00:23:03,360

you know i picked it up in a big stack

644

00:23:06,950 --> 00:23:05,200

of books wasn't quite sure what it was

645

00:23:09,430 --> 00:23:06,960

about when i grabbed it

646

00:23:11,909 --> 00:23:09,440

had an idea then i i started trying to

647

00:23:14,149 --> 00:23:11,919

read it and i had panic attacks

648

00:23:16,230 --> 00:23:14,159

and but really i was thinking more of my

649

00:23:17,590 --> 00:23:16,240

sister my older sister had an event in

650

00:23:19,750 --> 00:23:17,600

65

651
00:23:22,390 --> 00:23:19,760
that the whole family always knew about

652
00:23:24,789 --> 00:23:22,400
and she stood by firmly and we believed

653
00:23:28,390 --> 00:23:24,799
her she had no reason to tell us a fib

654
00:23:29,750 --> 00:23:28,400
like that or make some crap up like that

655
00:23:31,190 --> 00:23:29,760
and so

656
00:23:32,870 --> 00:23:31,200
i but i

657
00:23:34,390 --> 00:23:32,880
i didn't read that whole book but i did

658
00:23:35,909 --> 00:23:34,400
know in the back of the book there was

659
00:23:37,029 --> 00:23:35,919
an address where you could write this

660
00:23:38,310 --> 00:23:37,039
guy if you thought you'd have this

661
00:23:40,390 --> 00:23:38,320
experience

662
00:23:42,950 --> 00:23:40,400
so i went got the book got the address i

663
00:23:46,149 --> 00:23:42,960

wrote this 14 page letter i took 14

664

00:23:48,310 --> 00:23:46,159

million polaroids of the backyard

665

00:23:49,510 --> 00:23:48,320

and i stuck in an envelope and gave it

666

00:23:51,430 --> 00:23:49,520

to my mom

667

00:23:52,950 --> 00:23:51,440

now she hold she held onto it for a few

668

00:23:55,269 --> 00:23:52,960

weeks she

669

00:23:56,870 --> 00:23:55,279

she wasn't sure she wanted to open up

670

00:23:58,549 --> 00:23:56,880

this is what she told bud she wasn't

671

00:24:01,510 --> 00:23:58,559

sure she wanted to open up that

672

00:24:03,830 --> 00:24:01,520

pandora's box and i'm like okay

673

00:24:05,269 --> 00:24:03,840

but she said she was at the mailbox

674

00:24:07,269 --> 00:24:05,279

mailing bills one day because i mean

675

00:24:08,470 --> 00:24:07,279

back that's what you did you mailed you

676

00:24:10,390 --> 00:24:08,480

you know you made out your bills on

677

00:24:12,789 --> 00:24:10,400

friday and you went to mailbox

678

00:24:14,230 --> 00:24:12,799

uh and something told her debbie's

679

00:24:16,310 --> 00:24:14,240

letter is in your purse you need to mail

680

00:24:18,549 --> 00:24:16,320

it and so she got it out looked at in a

681

00:24:19,909 --> 00:24:18,559

minute stuck it in there and like a few

682

00:24:22,070 --> 00:24:19,919

weeks later

683

00:24:24,310 --> 00:24:22,080

i was out with friends

684

00:24:28,230 --> 00:24:24,320

and

685

00:24:31,430 --> 00:24:28,240

hey that guy who wrote that book called

686

00:24:33,350 --> 00:24:31,440

you and i about flipped i got passed out

687

00:24:34,870 --> 00:24:33,360

she's like if you want to call me back

688

00:24:36,390 --> 00:24:34,880

she said this phone number's up there by

689

00:24:38,070 --> 00:24:36,400

the phone

690

00:24:39,669 --> 00:24:38,080

and i thought about it for a minute i

691

00:24:41,750 --> 00:24:39,679

was shaking

692

00:24:44,549 --> 00:24:41,760

and my heart was pounding

693

00:24:46,950 --> 00:24:44,559

and i thought this is crazy

694

00:24:49,350 --> 00:24:46,960

but i called him and that was it

695

00:24:52,070 --> 00:24:49,360

three-year investigation i went to new

696

00:24:53,430 --> 00:24:52,080

york a couple times he came to indiana a

697

00:24:55,350 --> 00:24:53,440

couple times

698

00:24:57,830 --> 00:24:55,360

well people don't understand back then

699

00:24:59,430 --> 00:24:57,840

in 83 we didn't have cell phones

700

00:25:01,750 --> 00:24:59,440

we didn't have

701
00:25:04,950 --> 00:25:01,760
i mean we just had like compuserve just

702
00:25:06,390 --> 00:25:04,960
was starting up in the 90s right 83 i

703
00:25:08,470 --> 00:25:06,400
didn't even know how to

704
00:25:09,350 --> 00:25:08,480
turn on a computer in 83.

705
00:25:11,590 --> 00:25:09,360
so

706
00:25:14,230 --> 00:25:11,600
i didn't get to spend that much physical

707
00:25:16,789 --> 00:25:14,240
time with him and he did not hypnotize

708
00:25:20,630 --> 00:25:16,799
me very many times i think maybe four or

709
00:25:22,149 --> 00:25:20,640
five all totaled in the whole

710
00:25:24,470 --> 00:25:22,159
of my life

711
00:25:26,070 --> 00:25:24,480
because he was 1500 miles away we didn't

712
00:25:27,669 --> 00:25:26,080
even have phone

713
00:25:30,470 --> 00:25:27,679

he would call me once a week for like

714

00:25:32,390 --> 00:25:30,480

five minutes but most of our

715

00:25:34,549 --> 00:25:32,400

communication was written

716

00:25:37,190 --> 00:25:34,559

i wrote him i wrote him letters and he

717

00:25:39,430 --> 00:25:37,200

did make he set me up with a buddy

718

00:25:40,789 --> 00:25:39,440

who i spoke to on the phone she was

719

00:25:42,870 --> 00:25:40,799

older

720

00:25:45,590 --> 00:25:42,880

and had been more aware of her

721

00:25:47,830 --> 00:25:45,600

experiences for longer than me so she

722

00:25:48,950 --> 00:25:47,840

kind of was helping me mentoring me and

723

00:25:50,950 --> 00:25:48,960

guiding me

724

00:25:53,510 --> 00:25:50,960

just giving me somebody that would i

725

00:25:55,430 --> 00:25:53,520

could talk to without ridicule because

726

00:25:57,830 --> 00:25:55,440

it was a different time

727

00:25:59,669 --> 00:25:57,840

uh than it is now you think it's bad now

728

00:26:02,230 --> 00:25:59,679

you should have been here 38 years ago

729

00:26:04,149 --> 00:26:02,240

oh i know i know

730

00:26:06,710 --> 00:26:04,159

so anyway and you know

731

00:26:07,669 --> 00:26:06,720

for that whole year afterwards

732

00:26:09,269 --> 00:26:07,679

um

733

00:26:11,510 --> 00:26:09,279

paranormal activity ramped up in the

734

00:26:13,350 --> 00:26:11,520

house we'd had it before

735

00:26:15,190 --> 00:26:13,360

and i was i

736

00:26:17,110 --> 00:26:15,200

you know to me it was normal most people

737

00:26:18,390 --> 00:26:17,120

i thought everybody had weird stuff like

738

00:26:20,310 --> 00:26:18,400

that happened to them all the time i

739

00:26:22,470 --> 00:26:20,320

didn't know it wasn't normal

740

00:26:24,870 --> 00:26:22,480

and uh but the paranormal stuff started

741

00:26:25,990 --> 00:26:24,880

ramping up mom and i had another

742

00:26:28,789 --> 00:26:26,000

very

743

00:26:30,630 --> 00:26:28,799

spectacular i think sighting in

744

00:26:33,190 --> 00:26:30,640

april of 84.

745

00:26:35,990 --> 00:26:33,200

and um

746

00:26:38,230 --> 00:26:36,000

you know the bud started working on he

747

00:26:40,789 --> 00:26:38,240

came out and he interviewed neighbors

748

00:26:42,310 --> 00:26:40,799

and we found people who had witnessed

749

00:26:43,909 --> 00:26:42,320

him that night

750

00:26:45,909 --> 00:26:43,919

you know two different neighbors one on

751
00:26:47,669 --> 00:26:45,919
one side and one across the street

752
00:26:49,830 --> 00:26:47,679
who'd actually witnessed

753
00:26:51,269 --> 00:26:49,840
bright flash the lady across the street

754
00:26:53,350 --> 00:26:51,279
said it sounded like a jet plane was

755
00:26:55,510 --> 00:26:53,360
crashing in her house

756
00:26:57,830 --> 00:26:55,520
she was a night nurse and she was still

757
00:26:59,669 --> 00:26:57,840
in bed asleep about gonna get up pretty

758
00:27:01,750 --> 00:26:59,679
soon but she said she woke up before the

759
00:27:03,750 --> 00:27:01,760
alarm because it sounded like a jet

760
00:27:06,070 --> 00:27:03,760
plane was gonna crash in her house

761
00:27:07,909 --> 00:27:06,080
and she saw a bright flash and all the

762
00:27:08,950 --> 00:27:07,919
clocks in the front part of her house

763
00:27:10,310 --> 00:27:08,960

stopped

764

00:27:11,990 --> 00:27:10,320

and the front part of her house was the

765

00:27:14,310 --> 00:27:12,000

closest to my house

766

00:27:18,310 --> 00:27:14,320

and then the lady next to us

767

00:27:19,110 --> 00:27:18,320

uh the houses were divided by a row of

768

00:27:24,310 --> 00:27:19,120

a

769

00:27:26,310 --> 00:27:24,320

neighborhoods

770

00:27:29,029 --> 00:27:26,320

and um she

771

00:27:31,750 --> 00:27:29,039

reported to bud that she had seen a

772

00:27:34,470 --> 00:27:31,760

flash from the backyard her television

773

00:27:36,230 --> 00:27:34,480

screen went red i believe she said and i

774

00:27:38,549 --> 00:27:36,240

believe her husband told bud that when

775

00:27:40,870 --> 00:27:38,559

he came in from work

776

00:27:42,310 --> 00:27:40,880

she was so upset and shook up that she

777

00:27:43,909 --> 00:27:42,320

was like behind the couch or something

778

00:27:45,830 --> 00:27:43,919

and she thought somebody was coming to

779

00:27:49,350 --> 00:27:45,840

get her

780

00:27:51,750 --> 00:27:49,360

and we didn't even really we knew who we

781

00:27:54,870 --> 00:27:51,760

had said like hey you know what i mean

782

00:27:57,110 --> 00:27:54,880

but we didn't really you know you know

783

00:27:58,389 --> 00:27:57,120

talk so

784

00:28:00,310 --> 00:27:58,399

um

785

00:28:03,110 --> 00:28:00,320

yeah and then bud wrote the book

786

00:28:04,950 --> 00:28:03,120

eventually he he got so much information

787

00:28:07,830 --> 00:28:04,960

from so many people

788

00:28:09,750 --> 00:28:07,840

that went for so long and so

789

00:28:11,029 --> 00:28:09,760

far back all the way back to when my mom

790

00:28:12,870 --> 00:28:11,039

was a little kid he's like i need to

791

00:28:13,750 --> 00:28:12,880

write another book this needs to be a

792

00:28:15,909 --> 00:28:13,760

book

793

00:28:18,310 --> 00:28:15,919

and my family and myself at first were

794

00:28:20,310 --> 00:28:18,320

like i don't think so

795

00:28:23,510 --> 00:28:20,320

that that wasn't what we that was not

796

00:28:25,269 --> 00:28:23,520

our goal here i just wanted to be

797

00:28:27,110 --> 00:28:25,279

i was desperate

798

00:28:29,190 --> 00:28:27,120

to have a normal life i wanted to feel

799

00:28:31,190 --> 00:28:29,200

normal again and have normal life and i

800

00:28:33,029 --> 00:28:31,200

was that desperate

801
00:28:35,350 --> 00:28:33,039
i didn't want somebody writing a book

802
00:28:37,590 --> 00:28:35,360
about us neither did my parents but

803
00:28:39,190 --> 00:28:37,600
after talking a few more times my

804
00:28:42,310 --> 00:28:39,200
parents were like yeah maybe we should

805
00:28:44,070 --> 00:28:42,320
do this and i'm like okay and i took one

806
00:28:46,710 --> 00:28:44,080
for the team so i was the one that was

807
00:28:49,590 --> 00:28:46,720
going to be the spokesperson

808
00:28:51,510 --> 00:28:49,600
but i was blessed because

809
00:29:01,190 --> 00:28:51,520
i had

810
00:29:02,389 --> 00:29:01,200
family i've had all the other a lot most

811
00:29:04,149 --> 00:29:02,399
of the other weird stuff i've

812
00:29:06,230 --> 00:29:04,159
encountered in my whole life has been

813
00:29:07,590 --> 00:29:06,240

with somebody else not just me because

814

00:29:10,470 --> 00:29:07,600

honestly

815

00:29:11,430 --> 00:29:10,480

if i if it was always only just me

816

00:29:15,990 --> 00:29:11,440

i would

817

00:29:17,990 --> 00:29:16,000

doubted myself with other people

818

00:29:20,789 --> 00:29:18,000

and you know i mean i was still

819

00:29:22,149 --> 00:29:20,799

searching for the prose explanation on

820

00:29:23,669 --> 00:29:22,159

things

821

00:29:25,830 --> 00:29:23,679

uh so

822

00:29:27,909 --> 00:29:25,840

but i've been i've been very fortunate

823

00:29:28,950 --> 00:29:27,919

i'm like that's not how it usually

824

00:29:31,510 --> 00:29:28,960

happens

825

00:29:32,630 --> 00:29:31,520

so that's one of the reasons i decided

826
00:29:33,750 --> 00:29:32,640
later to

827
00:29:36,310 --> 00:29:33,760
write one

828
00:29:39,110 --> 00:29:36,320
write it from my own perspective and

829
00:29:42,950 --> 00:29:39,120
right you know do what i did but

830
00:29:44,870 --> 00:29:42,960
yeah it's been weird weird yeah i know i

831
00:29:46,630 --> 00:29:44,880
i you know i've heard so much

832
00:29:48,389 --> 00:29:46,640
about different

833
00:29:49,990 --> 00:29:48,399
experiences and

834
00:29:51,590 --> 00:29:50,000
some of the things they go through i

835
00:29:53,909 --> 00:29:51,600
mean just like with you and your mom and

836
00:29:56,310 --> 00:29:53,919
your sister it's no doubt to me that all

837
00:29:57,990 --> 00:29:56,320
three of you had experiences i mean you

838
00:30:00,950 --> 00:29:58,000

did have some physical things with the

839

00:30:01,669 --> 00:30:00,960

scoops and the scoop marks and uh you

840

00:30:04,389 --> 00:30:01,679

know

841

00:30:07,750 --> 00:30:04,399

back in 78 you lost a child under

842

00:30:10,470 --> 00:30:07,760

mysterious circumstances

843

00:30:12,310 --> 00:30:10,480

do you want to talk about that a bit um

844

00:30:14,789 --> 00:30:12,320

i don't mind um

845

00:30:18,950 --> 00:30:17,110

my air just popped

846

00:30:21,269 --> 00:30:18,960

that's weird i have a weird sound in my

847

00:30:24,149 --> 00:30:21,279

ear but no i don't mind uh yeah it was

848

00:30:26,950 --> 00:30:24,159

before i had my son so um

849

00:30:29,830 --> 00:30:26,960

i was engaged to the guy that i

850

00:30:31,909 --> 00:30:29,840

believed was the father and in my brain

851
00:30:34,630 --> 00:30:31,919
i'm always going to say that because i

852
00:30:37,350 --> 00:30:34,640
have to live with it but i do remember

853
00:30:39,269 --> 00:30:37,360
these i do have these weird

854
00:30:41,830 --> 00:30:39,279
memories or

855
00:30:44,630 --> 00:30:41,840
dreams or whatever you know i feel most

856
00:30:45,750 --> 00:30:44,640
comfortable with calling it um

857
00:30:59,029 --> 00:30:45,760
i

858
00:31:01,590 --> 00:30:59,039
was 18

859
00:31:02,470 --> 00:31:01,600
and um

860
00:31:04,470 --> 00:31:02,480
you know

861
00:31:06,149 --> 00:31:04,480
in my family if you're not married and

862
00:31:07,909 --> 00:31:06,159
you live at daddy's house

863
00:31:08,950 --> 00:31:07,919

and and you think and you think you're

864

00:31:11,110 --> 00:31:08,960

pregnant

865

00:31:12,549 --> 00:31:11,120

you make damn sure you are before you

866

00:31:14,470 --> 00:31:12,559

tell him because it's not going to be

867

00:31:16,070 --> 00:31:14,480

pretty yeah i've been there done that

868

00:31:19,509 --> 00:31:16,080

i've that i've been through the same

869

00:31:24,549 --> 00:31:22,789

and my dad you know so i you know my mom

870

00:31:27,430 --> 00:31:24,559

took we went to the doctor

871

00:31:28,870 --> 00:31:27,440

i had a pregnancy test and a ped and a

872

00:31:30,230 --> 00:31:28,880

physical exam

873

00:31:33,909 --> 00:31:30,240

and the doctor's like yeah you're

874

00:31:37,590 --> 00:31:35,830

i thought i got well i thought i got

875

00:31:40,070 --> 00:31:37,600

pregnant in december because that's when

876

00:31:42,470 --> 00:31:40,080

i slept with my

877

00:31:44,630 --> 00:31:42,480

boyfriend for the first time well the

878

00:31:47,029 --> 00:31:44,640

doctor thought i was farther along

879

00:31:48,950 --> 00:31:47,039

i felt farther along

880

00:31:50,549 --> 00:31:48,960

and so i kind of dismissed that at the

881

00:31:52,470 --> 00:31:50,559

time but

882

00:31:55,110 --> 00:31:52,480

i had something weird happen to me in

883

00:31:57,190 --> 00:31:55,120

november with two other girls

884

00:31:59,029 --> 00:31:57,200

and uh

885

00:32:01,190 --> 00:31:59,039

i do have some vague memories of

886

00:32:04,070 --> 00:32:01,200

something

887

00:32:06,230 --> 00:32:04,080

painful being done to me you know

888

00:32:08,549 --> 00:32:06,240

so it could be tied back to that but

889

00:32:10,070 --> 00:32:08,559

maybe not i don't know

890

00:32:12,630 --> 00:32:10,080

but um

891

00:32:16,470 --> 00:32:15,269

you're you have experience just by what

892

00:32:18,630 --> 00:32:16,480

you told me

893

00:32:19,750 --> 00:32:18,640

a lot heard from a lot of women

894

00:32:22,070 --> 00:32:19,760

um

895

00:32:24,230 --> 00:32:22,080

i had one experience here seriously he

896

00:32:25,509 --> 00:32:24,240

was like 27

897

00:32:27,269 --> 00:32:25,519

and had six

898

00:32:29,590 --> 00:32:27,279

pregnancies taken

899

00:32:31,190 --> 00:32:29,600

after right after the first trimester

900

00:32:33,350 --> 00:32:31,200

and she knows

901
00:32:35,509 --> 00:32:33,360
that they came and took the child

902
00:32:38,630 --> 00:32:35,519
she just knows well when i woke up that

903
00:32:40,389 --> 00:32:38,640
day uh you know it was in march i think

904
00:32:42,149 --> 00:32:40,399
uh i've been babysitting for my older

905
00:32:44,549 --> 00:32:42,159
sister and i fell asleep on the couch

906
00:32:46,950 --> 00:32:44,559
and i woke up in my niece's bed

907
00:32:49,750 --> 00:32:46,960
and i woke up immediately thinking oh my

908
00:32:51,029 --> 00:32:49,760
god my baby's gone you know and i i

909
00:32:52,950 --> 00:32:51,039
thought oh you're just crazy you just

910
00:32:54,950 --> 00:32:52,960
had a nightmare or you know you got

911
00:32:56,789 --> 00:32:54,960
weird pregnancy hormones

912
00:32:58,630 --> 00:32:56,799
and i went to the bathroom just to make

913
00:33:00,630 --> 00:32:58,640

sure everything looked fine and it did

914

00:33:03,190 --> 00:33:00,640

but i couldn't shake it it kept eating

915

00:33:05,990 --> 00:33:03,200

at me all day long and it was really

916

00:33:07,350 --> 00:33:06,000

getting to me yeah so my girlfriend who

917

00:33:08,389 --> 00:33:07,360

happened to be

918

00:33:12,389 --> 00:33:08,399

the girl

919

00:33:13,590 --> 00:33:12,399

previous november actually she's like

920

00:33:15,430 --> 00:33:13,600

come on with me to planned parenthood

921

00:33:16,710 --> 00:33:15,440

get a pregnancy test

922

00:33:19,590 --> 00:33:16,720

and then you'll shut up you'll feel

923

00:33:21,269 --> 00:33:19,600

better i'm like okay so i went and

924

00:33:23,110 --> 00:33:21,279

the test was negative

925

00:33:25,110 --> 00:33:23,120

and i remembered the look on dolores

926
00:33:26,549 --> 00:33:25,120
face when that that woman told me she's

927
00:33:28,470 --> 00:33:26,559
like oh [h__\h] i gotta get her out of here

928
00:33:30,950 --> 00:33:28,480
now because she about to go

929
00:33:32,310 --> 00:33:30,960
i was so i was stunned when she said

930
00:33:33,750 --> 00:33:32,320
you're not pregnant and if you don't

931
00:33:35,509 --> 00:33:33,760
have your period in the next week you

932
00:33:37,350 --> 00:33:35,519
need to contact your doctor and i'm like

933
00:33:38,950 --> 00:33:37,360
what

934
00:33:41,029 --> 00:33:38,960
so um

935
00:33:42,870 --> 00:33:41,039
i told my mom i said something's wrong i

936
00:33:45,430 --> 00:33:42,880
gotta go to the doctor i gotta go to the

937
00:33:47,509 --> 00:33:45,440
doctor something isn't right

938
00:33:49,029 --> 00:33:47,519

so she took me to the doctor

939

00:33:50,870 --> 00:33:49,039

he gave me another pregnancy test and

940

00:33:52,470 --> 00:33:50,880

another exam and then he said come back

941

00:33:53,590 --> 00:33:52,480

in my office come into my office and

942

00:33:55,190 --> 00:33:53,600

we'll talk

943

00:33:56,870 --> 00:33:55,200

me mom and him

944

00:33:58,389 --> 00:33:56,880

and he said well you're not pregnant and

945

00:34:00,950 --> 00:33:58,399

my mom goes well what the hell happened

946

00:34:03,029 --> 00:34:00,960

to it and he says

947

00:34:05,509 --> 00:34:03,039

we see this sometimes i remember him

948

00:34:07,590 --> 00:34:05,519

saying this we see this sometimes

949

00:34:09,349 --> 00:34:07,600

it happens in you know

950

00:34:11,109 --> 00:34:09,359

my suggestion to you is that you just

951
00:34:13,030 --> 00:34:11,119
forget this ever happened you're young

952
00:34:14,629 --> 00:34:13,040
and you'll have plenty of other kids and

953
00:34:18,069 --> 00:34:14,639
my mom's like well does she even you

954
00:34:22,550 --> 00:34:18,079
know does she need a dnc or something

955
00:34:26,550 --> 00:34:22,560
because this is march and i got

956
00:34:29,030 --> 00:34:26,560
was pregnant in you know january

957
00:34:29,909 --> 00:34:29,040
and or you know middle end of january

958
00:34:32,550 --> 00:34:29,919
and

959
00:34:34,149 --> 00:34:32,560
he's like no she's fine

960
00:34:36,069 --> 00:34:34,159
and i remember the last thing i said to

961
00:34:38,790 --> 00:34:36,079
him is you know what i'm not ever

962
00:34:40,470 --> 00:34:38,800
i'm not going to forget this

963
00:34:42,389 --> 00:34:40,480

and but you know what when we left that

964

00:34:44,710 --> 00:34:42,399

day mom and i didn't talk about it it

965

00:34:47,589 --> 00:34:44,720

was never spoken about again in my

966

00:34:49,030 --> 00:34:47,599

family never we never talked about it

967

00:34:50,470 --> 00:34:49,040

again and then i went on to have my

968

00:34:52,349 --> 00:34:50,480

other two boys

969

00:34:55,510 --> 00:34:52,359

you know in in

970

00:34:57,510 --> 00:34:55,520

79 and in in 80

971

00:34:58,470 --> 00:34:57,520

and uh

972

00:35:00,470 --> 00:34:58,480

uh

973

00:35:02,550 --> 00:35:00,480

i never thought i thought about it but i

974

00:35:04,870 --> 00:35:02,560

never talked about it again

975

00:35:06,870 --> 00:35:04,880

until bud came and the mark in the yard

976
00:35:09,190 --> 00:35:06,880
happened and i don't know why i started

977
00:35:10,550 --> 00:35:09,200
dreaming about that whole

978
00:35:12,790 --> 00:35:10,560
time

979
00:35:14,790 --> 00:35:12,800
and we had gone he had come to indiana

980
00:35:16,630 --> 00:35:14,800
and we had gone to see somebody else who

981
00:35:18,630 --> 00:35:16,640
had written him and he was going to

982
00:35:19,990 --> 00:35:18,640
interview them you know you know do a

983
00:35:21,670 --> 00:35:20,000
kind of an interview with them while he

984
00:35:22,870 --> 00:35:21,680
was here so i went with him because i

985
00:35:25,270 --> 00:35:22,880
showed him how to get to where he was

986
00:35:26,710 --> 00:35:25,280
going i drove him over there

987
00:35:29,030 --> 00:35:26,720
and on the way back i remember pulling

988
00:35:30,630 --> 00:35:29,040

in the driveway and i just blurted out

989

00:35:33,430 --> 00:35:30,640

to him you know i i

990

00:35:35,430 --> 00:35:33,440

lost a pregnancy

991

00:35:38,150 --> 00:35:35,440

and he and i remember the look on his

992

00:35:40,230 --> 00:35:38,160

face god love him he he looked at me

993

00:35:41,750 --> 00:35:40,240

like

994

00:35:43,990 --> 00:35:41,760

oh

995

00:35:46,310 --> 00:35:44,000

i'm sorry

996

00:35:47,750 --> 00:35:46,320

but i could tell he thought

997

00:35:50,150 --> 00:35:47,760

okay what the hell does this have to do

998

00:35:50,950 --> 00:35:50,160

with anything and i i started to shut

999

00:35:52,470 --> 00:35:50,960

off

1000

00:35:53,829 --> 00:35:52,480

i'm like no i can't do this you know

1001
00:35:55,510 --> 00:35:53,839
because of the way he looked and he goes

1002
00:35:57,750 --> 00:35:55,520
are you okay and i'm like no i don't

1003
00:35:59,589 --> 00:35:57,760
know why i feel i need to tell you this

1004
00:36:01,589 --> 00:35:59,599
i don't know why i don't understand i

1005
00:36:03,349 --> 00:36:01,599
started crying i said i feel crazy i

1006
00:36:05,829 --> 00:36:03,359
feel like a crazy person because i know

1007
00:36:07,990 --> 00:36:05,839
how crazy this sounds

1008
00:36:09,910 --> 00:36:08,000
i don't know why i'm telling you this

1009
00:36:11,670 --> 00:36:09,920
yeah you know

1010
00:36:13,750 --> 00:36:11,680
and then as it turns out i guess it was

1011
00:36:15,589 --> 00:36:13,760
probably a good thing i did or well you

1012
00:36:16,470 --> 00:36:15,599
know he started getting

1013
00:36:18,630 --> 00:36:16,480

like

1014

00:36:20,310 --> 00:36:18,640

crap tons of letters from women all over

1015

00:36:22,069 --> 00:36:20,320

the world who were telling and that's

1016

00:36:24,950 --> 00:36:22,079

about the time a lot of this stuff

1017

00:36:27,829 --> 00:36:24,960

started coming mainstream in in the uh

1018

00:36:29,910 --> 00:36:27,839

the abduction scenarios um i i remember

1019

00:36:32,390 --> 00:36:29,920

well because um

1020

00:36:35,109 --> 00:36:32,400

you know the fact that the reproduction

1021

00:36:37,270 --> 00:36:35,119

thing was starting to come in into you

1022

00:36:38,630 --> 00:36:37,280

know into the scenarios

1023

00:36:40,150 --> 00:36:38,640

uh

1024

00:36:42,150 --> 00:36:40,160

and i was embarrassed i was embarrassed

1025

00:36:43,589 --> 00:36:42,160

to tell him i was embarrassed i didn't

1026
00:36:44,870 --> 00:36:43,599
want him when he first wrote the book

1027
00:36:46,150 --> 00:36:44,880
i'm like you can put anything in there

1028
00:36:48,150 --> 00:36:46,160
you want except don't put that in there

1029
00:36:50,230 --> 00:36:48,160
i can't do that yeah and he's like why

1030
00:36:52,310 --> 00:36:50,240
and i'm like i can't do that i said you

1031
00:36:53,990 --> 00:36:52,320
know i lost a baby i walked around

1032
00:36:56,630 --> 00:36:54,000
thinking i was pregnant for for a few

1033
00:36:59,270 --> 00:36:56,640
months i i loved that baby and when i i

1034
00:37:00,069 --> 00:36:59,280
lost it it broke my heart i i can't do

1035
00:37:01,670 --> 00:37:00,079
that

1036
00:37:04,950 --> 00:37:01,680
especially not connected with this

1037
00:37:07,589 --> 00:37:04,960
because this is crazy right here and i

1038
00:37:08,710 --> 00:37:07,599

already know that i no no no no no and

1039

00:37:10,550 --> 00:37:08,720

he

1040

00:37:13,510 --> 00:37:10,560

yeah i don't know what it was about that

1041

00:37:15,510 --> 00:37:13,520

guy but he finally he says you know you

1042

00:37:17,589 --> 00:37:15,520

he started showing me letters from women

1043

00:37:19,430 --> 00:37:17,599

and i would cry when i read them because

1044

00:37:22,230 --> 00:37:19,440

i really felt

1045

00:37:25,750 --> 00:37:22,240

and i finally said what the hell okay

1046

00:37:28,069 --> 00:37:25,760

i'm already screwed i've already

1047

00:37:28,870 --> 00:37:28,079

just pile it on at this point i don't

1048

00:37:31,670 --> 00:37:28,880

care

1049

00:37:33,829 --> 00:37:31,680

we use pseudonyms even the place copley

1050

00:37:35,109 --> 00:37:33,839

woods is a pseudonym right to protect

1051

00:37:36,870 --> 00:37:35,119

our family

1052

00:37:39,670 --> 00:37:36,880

mainly my kids you know

1053

00:37:41,190 --> 00:37:39,680

but i you know i was out there my face

1054

00:37:44,069 --> 00:37:41,200

was out there

1055

00:37:47,349 --> 00:37:44,079

with bud because i felt like i

1056

00:37:49,109 --> 00:37:47,359

owed it to he helped me to survive

1057

00:37:51,030 --> 00:37:49,119

you know and i felt like i owed it to

1058

00:37:52,950 --> 00:37:51,040

him to help him when he wrote this book

1059

00:37:54,630 --> 00:37:52,960

and get the word out you know

1060

00:37:56,550 --> 00:37:54,640

and so i remember when you were out on

1061

00:37:58,630 --> 00:37:56,560

the circuit i i remember when you were

1062

00:38:00,310 --> 00:37:58,640

out there i hated everything yeah i bet

1063

00:38:03,109 --> 00:38:00,320

you did i you know i've heard that from

1064

00:38:04,550 --> 00:38:03,119

other people as well it was uh

1065

00:38:06,630 --> 00:38:04,560

not even just felt like it was an

1066

00:38:09,270 --> 00:38:06,640

invasive privacy though they you know

1067

00:38:11,670 --> 00:38:09,280

they they knew that

1068

00:38:13,430 --> 00:38:11,680

and i i didn't mind talking about the

1069

00:38:15,990 --> 00:38:13,440

the mark in the yard so much but when it

1070

00:38:19,430 --> 00:38:16,000

got to the baby stuff

1071

00:38:21,109 --> 00:38:19,440

and i still kind of mm-hmm you know i

1072

00:38:21,910 --> 00:38:21,119

understand they'll kind of get that way

1073

00:38:25,190 --> 00:38:21,920

again

1074

00:38:27,349 --> 00:38:25,200

it is what it is and um all i know is i

1075

00:38:28,790 --> 00:38:27,359

can tell you what i know and

1076
00:38:31,270 --> 00:38:28,800
and the rest you're gonna have to figure

1077
00:38:32,390 --> 00:38:31,280
out i haven't i don't you know

1078
00:38:35,990 --> 00:38:32,400
anything beyond

1079
00:38:38,069 --> 00:38:36,000
pure just fact is my own theory and i

1080
00:38:39,190 --> 00:38:38,079
might be wrong hell i don't know

1081
00:38:42,470 --> 00:38:39,200
but uh

1082
00:38:44,550 --> 00:38:42,480
i'm just saying but you know it's

1083
00:38:46,710 --> 00:38:44,560
so i i mean

1084
00:38:49,030 --> 00:38:46,720
like i said i'm grateful

1085
00:38:50,790 --> 00:38:49,040
and and my experiences you know in the

1086
00:38:53,190 --> 00:38:50,800
beginning when i was young

1087
00:38:55,510 --> 00:38:53,200
it was always so traumatic and i had so

1088
00:38:58,349 --> 00:38:55,520

much trouble with anxiety and

1089

00:39:00,470 --> 00:38:58,359

even not so much depression but

1090

00:39:02,950 --> 00:39:00,480

anxiety-driven depression you know

1091

00:39:05,430 --> 00:39:02,960

anxiety seems to be the number one

1092

00:39:07,270 --> 00:39:05,440

problem that we get from experiencers

1093

00:39:09,510 --> 00:39:07,280

and i i you know i got diagnosed with

1094

00:39:10,470 --> 00:39:09,520

ptsd before i even had

1095

00:39:13,030 --> 00:39:10,480

stuff

1096

00:39:15,030 --> 00:39:13,040

that could cause people yeah yeah that

1097

00:39:16,790 --> 00:39:15,040

does not surprise me at all

1098

00:39:18,230 --> 00:39:16,800

but i it's like

1099

00:39:21,270 --> 00:39:18,240

you know now i'm

1100

00:39:24,950 --> 00:39:21,280

good i have i have

1101
00:39:26,310 --> 00:39:24,960
i have transitioned i have uh

1102
00:39:29,109 --> 00:39:26,320
grown and

1103
00:39:32,310 --> 00:39:29,119
i um i have

1104
00:39:34,630 --> 00:39:32,320
let go of a lot of the fear and anxiety

1105
00:39:37,510 --> 00:39:34,640
regarding this and i'm working on myself

1106
00:39:38,550 --> 00:39:37,520
in other ways as well so i have made it

1107
00:39:41,430 --> 00:39:38,560
through and

1108
00:39:43,349 --> 00:39:41,440
i go to a therapist now and i do emdr

1109
00:39:45,750 --> 00:39:43,359
treatment for ptsd

1110
00:39:47,510 --> 00:39:45,760
uh because i watched my husband kill

1111
00:39:49,030 --> 00:39:47,520
himself i watched my husband shooting

1112
00:39:50,150 --> 00:39:49,040
commit suicide with a 12-gauge in our

1113
00:39:51,430 --> 00:39:50,160

backyard

1114

00:39:54,950 --> 00:39:51,440

and

1115

00:39:56,790 --> 00:39:54,960

it or hearing it for three months so

1116

00:39:58,950 --> 00:39:56,800

that tells you how powerful the mind is

1117

00:39:59,750 --> 00:39:58,960

my mind wiped that too

1118

00:40:00,950 --> 00:39:59,760

uh

1119

00:40:03,510 --> 00:40:00,960

and i was standing out there with a

1120

00:40:06,710 --> 00:40:03,520

bunch of sheriff department guys so we

1121

00:40:09,990 --> 00:40:06,720

all knew what i saw yeah but uh

1122

00:40:11,829 --> 00:40:10,000

and then in 17 or in 2013 i had a

1123

00:40:14,069 --> 00:40:11,839

tornado come and destroy my house

1124

00:40:16,150 --> 00:40:14,079

completely she did i i thought that was

1125

00:40:18,230 --> 00:40:16,160

pretty remarkable and i didn't think

1126

00:40:20,790 --> 00:40:18,240

that was it you think that was kind of

1127

00:40:24,550 --> 00:40:20,800

cause about what was going on or you

1128

00:40:26,870 --> 00:40:24,560

know i know it sounds crazy and i well i

1129

00:40:29,510 --> 00:40:26,880

heard crazier but i tell the story in

1130

00:40:31,829 --> 00:40:29,520

the book because i mean and even the

1131

00:40:33,829 --> 00:40:31,839

lady who wrote that that book e squared

1132

00:40:35,430 --> 00:40:33,839

pam groot i think her name

1133

00:40:36,710 --> 00:40:35,440

uh somebody

1134

00:40:38,150 --> 00:40:36,720

told her

1135

00:40:39,670 --> 00:40:38,160

what i had said about her book and

1136

00:40:41,349 --> 00:40:39,680

knowledge she wants to put it on her

1137

00:40:43,990 --> 00:40:41,359

website and i'm like that's fine go

1138

00:40:47,589 --> 00:40:44,000

ahead and put on your web page you know

1139

00:40:49,349 --> 00:40:47,599

it is crazy but i've been you know

1140

00:40:51,349 --> 00:40:49,359

i don't know why my brain has kind of

1141

00:40:53,430 --> 00:40:51,359

exploded over the last five or seven

1142

00:40:55,510 --> 00:40:53,440

years or so with all these

1143

00:40:57,270 --> 00:40:55,520

i'm thinking outside the box a lot of

1144

00:41:00,550 --> 00:40:57,280

string theory and

1145

00:41:02,230 --> 00:41:00,560

uh multiverse kind of stuff and

1146

00:41:03,910 --> 00:41:02,240

i read that book he squared about

1147

00:41:05,990 --> 00:41:03,920

manifesting things that you want in your

1148

00:41:07,430 --> 00:41:06,000

life to reach out into that energy field

1149

00:41:08,309 --> 00:41:07,440

and just pull it to you

1150

00:41:12,309 --> 00:41:08,319

and i

1151
00:41:14,150 --> 00:41:12,319
of the small exercises and then the next

1152
00:41:17,349 --> 00:41:14,160
day there'd be like a 12 check in the

1153
00:41:19,510 --> 00:41:17,359
mail or some some little surprise that

1154
00:41:21,510 --> 00:41:19,520
i didn't you know expect

1155
00:41:23,190 --> 00:41:21,520
well we bought this house

1156
00:41:25,270 --> 00:41:23,200
we paid for it knowing we were going to

1157
00:41:27,510 --> 00:41:25,280
have to buy a new uh roof furnace and

1158
00:41:29,589 --> 00:41:27,520
air conditioner because that's how why

1159
00:41:31,190 --> 00:41:29,599
we got a good deal on it but the roof

1160
00:41:33,430 --> 00:41:31,200
looked pretty good but then my insurance

1161
00:41:35,109 --> 00:41:33,440
company turned into a bunch of asses and

1162
00:41:36,550 --> 00:41:35,119
they decided that if i don't put a new

1163
00:41:38,150 --> 00:41:36,560

roof on it within a year they're not

1164

00:41:39,750 --> 00:41:38,160

going to ensure it i'm like why it

1165

00:41:41,990 --> 00:41:39,760

doesn't leak and it looks great what is

1166

00:41:44,309 --> 00:41:42,000

wrong with you you know

1167

00:41:45,190 --> 00:41:44,319

so i they i had a i started worrying

1168

00:41:47,109 --> 00:41:45,200

about

1169

00:41:48,710 --> 00:41:47,119

oh this move is costing me more money

1170

00:41:50,150 --> 00:41:48,720

than i thought it was going to you know

1171

00:41:51,829 --> 00:41:50,160

and i start stressing about money

1172

00:41:53,190 --> 00:41:51,839

everybody does it you know when i've

1173

00:41:55,270 --> 00:41:53,200

been reading her book and thinking i

1174

00:41:56,790 --> 00:41:55,280

can't do that i can't worry about what i

1175

00:41:58,630 --> 00:41:56,800

don't have i have to think about what

1176
00:42:00,390 --> 00:41:58,640
i'm going to get what i you know i mean

1177
00:42:03,270 --> 00:42:00,400
and changing everything while i was

1178
00:42:05,190 --> 00:42:03,280
doing these exercises and i went to bed

1179
00:42:07,589 --> 00:42:05,200
after reading a couple more paragraphs

1180
00:42:09,589 --> 00:42:07,599
in this exercise and i i woke up and i'm

1181
00:42:11,829 --> 00:42:09,599
like you know what what the hell do i

1182
00:42:13,510 --> 00:42:11,839
have to lose so i got up

1183
00:42:17,030 --> 00:42:13,520
came in my little girl my little she

1184
00:42:18,390 --> 00:42:17,040
shed here got myself all zened up and

1185
00:42:19,829 --> 00:42:18,400
booted up or whatever you know what i

1186
00:42:22,470 --> 00:42:19,839
mean just trying to

1187
00:42:24,550 --> 00:42:22,480
get my energy going and my inner stuff

1188
00:42:28,829 --> 00:42:24,560

and and then i said i want a new air

1189

00:42:31,589 --> 00:42:28,839

conditioner a new furnace and a new roof

1190

00:42:34,790 --> 00:42:31,599

asap bam and i felt good because in that

1191

00:42:36,950 --> 00:42:34,800

very moment i felt that it i already had

1192

00:42:39,349 --> 00:42:36,960

those things i could feel it at that

1193

00:42:40,950 --> 00:42:39,359

very moment that i said that and put it

1194

00:42:44,950 --> 00:42:40,960

out there right

1195

00:42:46,710 --> 00:42:44,960

so i go to bed and 36 hours later

1196

00:42:49,349 --> 00:42:46,720

the tornado comes through town and my

1197

00:42:51,510 --> 00:42:49,359

house is the only house on the street

1198

00:42:53,510 --> 00:42:51,520

that is completely flattened

1199

00:42:55,589 --> 00:42:53,520

the only i mean everybody lost shingles

1200

00:42:57,190 --> 00:42:55,599

and roofs and things and other people in

1201

00:42:59,109 --> 00:42:57,200

other parts of town were definitely

1202

00:43:01,030 --> 00:42:59,119

don't get me wrong we weren't the only

1203

00:43:03,829 --> 00:43:01,040

one 40 people lost their homes that day

1204

00:43:05,430 --> 00:43:03,839

and businesses were a little town of 25

1205

00:43:07,589 --> 00:43:05,440

000 we were wrecked

1206

00:43:09,270 --> 00:43:07,599

but on my street i was the only house

1207

00:43:13,030 --> 00:43:09,280

that was like it was like the tornado

1208

00:43:15,510 --> 00:43:14,309

she needs a new air conditioner and

1209

00:43:17,349 --> 00:43:15,520

we're going to get the insurance company

1210

00:43:19,829 --> 00:43:17,359

to get her one i got a new roof a new

1211

00:43:21,270 --> 00:43:19,839

air conditioner and new furnace and new

1212

00:43:23,270 --> 00:43:21,280

everything

1213

00:43:25,430 --> 00:43:23,280

it took 10 months because two weeks

1214

00:43:27,910 --> 00:43:25,440

later there was 17 inches of snow on the

1215

00:43:29,589 --> 00:43:27,920

ground but nevertheless and i told my

1216

00:43:30,950 --> 00:43:29,599

husband he saw me reading her second

1217

00:43:32,550 --> 00:43:30,960

book which is like

1218

00:43:34,870 --> 00:43:32,560

e cubed or something like that and he

1219

00:43:35,990 --> 00:43:34,880

said oh hell no i said don't worry don't

1220

00:43:38,069 --> 00:43:36,000

worry

1221

00:43:40,870 --> 00:43:38,079

he goes next time you do that be more

1222

00:43:42,550 --> 00:43:40,880

specific about the delivery method why

1223

00:43:44,710 --> 00:43:42,560

don't you

1224

00:43:46,470 --> 00:43:44,720

interesting i mean i included it in my

1225

00:43:48,870 --> 00:43:46,480

book mostly just because i thought it

1226

00:43:51,750 --> 00:43:48,880

was kind of funny you know it's kind of

1227

00:43:54,470 --> 00:43:51,760

a funny coincidental kind of thing maybe

1228

00:43:57,589 --> 00:43:54,480

i mean i'm open-minded so i don't know

1229

00:43:59,430 --> 00:43:57,599

i i think humans are powerful beings and

1230

00:44:00,470 --> 00:43:59,440

we're more more more powerful than we

1231

00:44:02,309 --> 00:44:00,480

think

1232

00:44:04,069 --> 00:44:02,319

you know you talk about well money

1233

00:44:05,109 --> 00:44:04,079

manifestation law of attraction that

1234

00:44:07,190 --> 00:44:05,119

whole thing

1235

00:44:09,589 --> 00:44:07,200

you know if you really

1236

00:44:10,870 --> 00:44:09,599

if you ask for it if you really

1237

00:44:13,510 --> 00:44:10,880

completely

1238

00:44:15,190 --> 00:44:13,520

put yourself into it i've seen it work

1239

00:44:17,430 --> 00:44:15,200

i have seen it work

1240

00:44:19,430 --> 00:44:17,440

the universe

1241

00:44:21,190 --> 00:44:19,440

has taken care of me

1242

00:44:22,710 --> 00:44:21,200

my mom said i was the only kid she had

1243

00:44:24,390 --> 00:44:22,720

that could fall into a bucket of [h__h]

1244

00:44:27,030 --> 00:44:24,400

and come out smelling like a rose every

1245

00:44:29,190 --> 00:44:27,040

time she had no idea how i was doing

1246

00:44:31,670 --> 00:44:29,200

that i said i don't know yeah

1247

00:44:33,430 --> 00:44:31,680

she said look at us we're sitting

1248

00:44:35,030 --> 00:44:33,440

there we were sitting on my front porch

1249

00:44:36,790 --> 00:44:35,040

having a cigarette i smoked at the time

1250

00:44:37,910 --> 00:44:36,800

and drinking coffee she goes you know

1251

00:44:39,109 --> 00:44:37,920

when you were little you told me you

1252

00:44:41,270 --> 00:44:39,119

were going to live in a white house with

1253

00:44:43,030 --> 00:44:41,280

a green roof and a porch swing

1254

00:44:44,630 --> 00:44:43,040

and i said i did didn't i she goes look

1255

00:44:47,190 --> 00:44:44,640

where we're at

1256

00:44:49,109 --> 00:44:47,200

we were sitting at my on my front porch

1257

00:44:51,910 --> 00:44:49,119

on my porch swing this big white

1258

00:44:53,510 --> 00:44:51,920

farmhouse with a green roof

1259

00:44:55,190 --> 00:44:53,520

wow i used to say i'm going to be

1260

00:44:56,550 --> 00:44:55,200

divorced i'm going to be widowed i'm

1261

00:44:58,470 --> 00:44:56,560

going to have a kid i'm going to do this

1262

00:45:01,430 --> 00:44:58,480

i would tell my mom all the stuff that i

1263

00:45:03,030 --> 00:45:01,440

was going to do when i was growing up

1264

00:45:04,550 --> 00:45:03,040

and i did it and i didn't know what the

1265

00:45:08,470 --> 00:45:04,560

hell i was talking about

1266

00:45:11,030 --> 00:45:08,480

when i was a kid you know um

1267

00:45:13,190 --> 00:45:11,040

let me ask you this um after everything

1268

00:45:14,870 --> 00:45:13,200

you went through

1269

00:45:19,190 --> 00:45:14,880

do you think

1270

00:45:20,550 --> 00:45:19,200

detriment

1271

00:45:21,910 --> 00:45:20,560

i

1272

00:45:23,589 --> 00:45:21,920

people have asked me before would you

1273

00:45:25,510 --> 00:45:23,599

change anything would you not have these

1274

00:45:28,470 --> 00:45:25,520

experiences and i said

1275

00:45:29,430 --> 00:45:28,480

i would not change a thing yeah it was

1276

00:45:31,430 --> 00:45:29,440

hard

1277

00:45:33,349 --> 00:45:31,440

honestly my therapist and i almost

1278

00:45:35,510 --> 00:45:33,359

because she knows about this stuff my

1279

00:45:38,550 --> 00:45:35,520

therapist she actually knows about all

1280

00:45:40,470 --> 00:45:38,560

the weird stuff as well as all the

1281

00:45:42,550 --> 00:45:40,480

normal life weird stuff

1282

00:45:43,829 --> 00:45:42,560

and she said i really think that you've

1283

00:45:46,390 --> 00:45:43,839

got through

1284

00:45:47,910 --> 00:45:46,400

ko suicide and even the tornado

1285

00:45:49,990 --> 00:45:47,920

better than a lot of people have because

1286

00:45:52,309 --> 00:45:50,000

you already had experience

1287

00:45:53,910 --> 00:45:52,319

with trying to get through stuff

1288

00:45:55,829 --> 00:45:53,920

that

1289

00:45:57,750 --> 00:45:55,839

you know you couldn't even talk about

1290

00:46:00,150 --> 00:45:57,760

and were able to do that and i said

1291

00:46:02,470 --> 00:46:00,160

that's bud

1292

00:46:04,230 --> 00:46:02,480

for all my life i will always be forever

1293

00:46:07,349 --> 00:46:04,240

grateful that i met him because had i

1294

00:46:09,750 --> 00:46:07,359

not there is nothing about my life that

1295

00:46:11,750 --> 00:46:09,760

would even remotely be recognizable

1296

00:46:13,430 --> 00:46:11,760

wouldn't be married to the guy i am now

1297

00:46:16,150 --> 00:46:13,440

i wouldn't have had the job i've had for

1298

00:46:17,910 --> 00:46:16,160

15 years my kids wouldn't have gone my i

1299

00:46:19,829 --> 00:46:17,920

wouldn't have my granddaughter nothing

1300

00:46:21,670 --> 00:46:19,839

would be the same if it hadn't been for

1301

00:46:23,829 --> 00:46:21,680

bud as far as i'm concerned if it hadn't

1302

00:46:25,829 --> 00:46:23,839

been for bed i might not even be alive

1303

00:46:27,990 --> 00:46:25,839

really when i got on that bus to go to

1304

00:46:29,750 --> 00:46:28,000

new york for the first time i had the

1305

00:46:32,550 --> 00:46:29,760

massive panic attack and almost jumped

1306

00:46:34,390 --> 00:46:32,560

off halfway because i thought to myself

1307

00:46:36,710 --> 00:46:34,400

what in the hell are you doing you are

1308

00:46:39,750 --> 00:46:36,720

going to new york city big city and i

1309

00:46:41,349 --> 00:46:39,760

was scared of being lost at the time

1310

00:46:42,470 --> 00:46:41,359

and you're going to this big city all by

1311

00:46:44,470 --> 00:46:42,480

yourself

1312

00:46:46,710 --> 00:46:44,480

20 some year old kid

1313

00:46:48,309 --> 00:46:46,720

to see a guy who wrote a book about ufos

1314

00:46:50,069 --> 00:46:48,319

and aliens

1315

00:46:52,230 --> 00:46:50,079

he could be a nut job

1316

00:46:53,990 --> 00:46:52,240

you know you could be crazy and he could

1317

00:46:56,390 --> 00:46:54,000

be an axe murderer what is wrong with

1318

00:46:58,630 --> 00:46:56,400

you you're a mother and i just had this

1319

00:47:01,109 --> 00:46:58,640

massive panic attack

1320

00:47:03,430 --> 00:47:01,119

and i almost got off the bus and i'm so

1321

00:47:05,349 --> 00:47:03,440

thankful that i didn't yeah i think

1322

00:47:07,190 --> 00:47:05,359

yeah i think you should be great you

1323

00:47:08,630 --> 00:47:07,200

know bud was a great researcher he

1324

00:47:10,630 --> 00:47:08,640

really was i mean

1325

00:47:11,589 --> 00:47:10,640

he was an even better human being oh

1326

00:47:13,910 --> 00:47:11,599

yeah

1327

00:47:16,069 --> 00:47:13,920

i mean for me i can only speak for my

1328

00:47:18,470 --> 00:47:16,079

experience with him but i will tell you

1329

00:47:20,630 --> 00:47:18,480

that for me he was a lifesaver he was

1330

00:47:22,870 --> 00:47:20,640

one of the most compassionate and

1331

00:47:25,829 --> 00:47:22,880

empathic persons i've ever known in my

1332

00:47:27,030 --> 00:47:25,839

life my entire family loved him and his

1333

00:47:29,510 --> 00:47:27,040

family

1334

00:47:32,870 --> 00:47:29,520

just took me into the fold and accepted

1335

00:47:37,750 --> 00:47:32,880

me and i mean i was so blessed

1336

00:47:41,750 --> 00:47:39,750

well it's good to have somebody like

1337

00:47:43,910 --> 00:47:41,760

that that can kind of walk you through

1338

00:47:45,510 --> 00:47:43,920

the whole thing and uh

1339

00:47:46,790 --> 00:47:45,520

you know that you can put your trust

1340

00:47:49,190 --> 00:47:46,800

into and

1341

00:47:51,430 --> 00:47:49,200

you know yeah i was lucky i got him in

1342

00:47:53,270 --> 00:47:51,440

the beginning and you know yeah there

1343

00:47:55,349 --> 00:47:53,280

was a point in time where

1344

00:47:57,910 --> 00:47:55,359

at one point i kind of felt abandoned by

1345

00:48:00,870 --> 00:47:57,920

him sort of like a little mad at him but

1346

00:48:02,870 --> 00:48:00,880

i realized you know look you're doing

1347

00:48:04,710 --> 00:48:02,880

fine now and there's other people out

1348

00:48:06,390 --> 00:48:04,720

there that aren't and need him more than

1349

00:48:09,030 --> 00:48:06,400

you did they were like you were when you

1350

00:48:11,030 --> 00:48:09,040

found him so you know

1351

00:48:12,470 --> 00:48:11,040

i had to do a little growing up

1352

00:48:13,270 --> 00:48:12,480

and letting go

1353

00:48:14,470 --> 00:48:13,280

but

1354

00:48:16,309 --> 00:48:14,480

you know

1355

00:48:19,670 --> 00:48:16,319

i i was very lucky

1356

00:48:22,630 --> 00:48:19,680

do you think because of your experiences

1357

00:48:25,030 --> 00:48:22,640

that you developed any type of uh

1358

00:48:26,309 --> 00:48:25,040

abilities or gifts that you didn't have

1359

00:48:29,190 --> 00:48:26,319

before

1360

00:48:33,750 --> 00:48:29,200

you know that's been a question often

1361

00:48:34,710 --> 00:48:33,760

asked and sometimes i wonder if

1362

00:48:36,790 --> 00:48:34,720

you know

1363

00:48:38,950 --> 00:48:36,800

did my experiences

1364

00:48:41,510 --> 00:48:38,960

the early contact when i was younger

1365

00:48:43,910 --> 00:48:41,520

facilitate some change

1366

00:48:45,270 --> 00:48:43,920

that opened me up to

1367

00:48:47,589 --> 00:48:45,280

things

1368

00:48:50,069 --> 00:48:47,599

or was i born this way

1369

00:48:52,549 --> 00:48:50,079

was there something different in me

1370

00:48:55,109 --> 00:48:52,559

in my mom and you know inside of me in

1371

00:48:57,510 --> 00:48:55,119

my mom's womb

1372

00:48:59,190 --> 00:48:57,520

that attracted him to me you know it's

1373

00:49:01,190 --> 00:48:59,200

like it's like which came first the egg

1374

00:49:02,790 --> 00:49:01,200

or the chicken or the egg you know

1375

00:49:04,710 --> 00:49:02,800

but uh

1376

00:49:08,790 --> 00:49:04,720

i do feel

1377

00:49:10,470 --> 00:49:08,800

listen i don't think i'm any better or

1378

00:49:12,309 --> 00:49:10,480

any more special than any other human

1379

00:49:14,549 --> 00:49:12,319

being because we all could do this but

1380

00:49:16,790 --> 00:49:14,559

some something in my there's a switch in

1381

00:49:18,710 --> 00:49:16,800

me that's been flipped on i've grown a

1382

00:49:20,470 --> 00:49:18,720

couple of extra neurons somewhere some

1383

00:49:23,430 --> 00:49:20,480

connections have been made

1384

00:49:25,670 --> 00:49:23,440

i i think i can see things that

1385

00:49:27,349 --> 00:49:25,680

a lot of other people can't

1386

00:49:29,109 --> 00:49:27,359

i mean i'm not saying nobody else can i

1387

00:49:31,270 --> 00:49:29,119

think there's i think there's maybe

1388

00:49:32,950 --> 00:49:31,280

millions of people like me out there

1389

00:49:34,549 --> 00:49:32,960

maybe it one of the reasons i'm trying

1390

00:49:36,470 --> 00:49:34,559

to speak out is because i want those

1391

00:49:38,309 --> 00:49:36,480

people because i know exactly what

1392

00:49:40,150 --> 00:49:38,319

they're thinking and

1393

00:49:41,910 --> 00:49:40,160

they know things and they ain't saying

1394

00:49:44,790 --> 00:49:41,920

yeah i want them to be comfortable to

1395

00:49:47,589 --> 00:49:44,800

speak out and it's it's okay it's not

1396

00:49:48,470 --> 00:49:47,599

1983 anymore and we can talk about this

1397

00:49:50,549 --> 00:49:48,480

and

1398

00:49:53,109 --> 00:49:50,559

you know what i mean so

1399

00:49:54,710 --> 00:49:53,119

but i i do i feel like i've uh developed

1400

00:49:55,430 --> 00:49:54,720

some and i

1401

00:49:59,910 --> 00:49:55,440

some

1402

00:50:01,910 --> 00:49:59,920

knowing of people i i sense people's

1403

00:50:03,910 --> 00:50:01,920

energies everyone's energy is different

1404

00:50:06,069 --> 00:50:03,920

like a fingerprint i can feel when

1405

00:50:07,190 --> 00:50:06,079

someone comes up behind me and i know if

1406

00:50:10,870 --> 00:50:07,200

i don't know them because i don't

1407

00:50:16,790 --> 00:50:13,750

but i'm exactly the same way that's

1408

00:50:18,150 --> 00:50:16,800

exactly the way it feels it is and i can

1409

00:50:20,870 --> 00:50:18,160

go down i can walk down the aisle at

1410

00:50:22,710 --> 00:50:20,880

walmart and i don't even know a person

1411

00:50:25,910 --> 00:50:22,720

but if i get close enough to them i can

1412

00:50:26,870 --> 00:50:25,920

kind of see their life in a brief flash

1413

00:50:29,109 --> 00:50:26,880

and

1414

00:50:30,309 --> 00:50:29,119

if they're really creepy

1415

00:50:32,710 --> 00:50:30,319

i don't even have to get that all i

1416

00:50:36,069 --> 00:50:32,720

gotta do is walk by him and i'll be like

1417

00:50:41,510 --> 00:50:38,309

yeah i think these experiences do change

1418

00:50:44,150 --> 00:50:41,520

people and um uh you know i've you know

1419

00:50:45,829 --> 00:50:44,160

i've heard i've heard of experiencers

1420

00:50:47,190 --> 00:50:45,839

are abductees or how you want to call

1421

00:50:49,589 --> 00:50:47,200

them

1422

00:50:51,349 --> 00:50:49,599

be healed from different illnesses or

1423

00:50:53,910 --> 00:50:51,359

ailments

1424

00:50:57,190 --> 00:50:53,920

but you know there's something more that

1425

00:51:00,150 --> 00:50:57,200

they're giving um

1426
00:51:04,230 --> 00:51:00,160
you know intuitiveness maybe but i i

1427
00:51:07,510 --> 00:51:04,240
think it's uh an ability to

1428
00:51:08,790 --> 00:51:07,520
to project yourself and to be able to

1429
00:51:09,990 --> 00:51:08,800
understand

1430
00:51:12,630 --> 00:51:10,000
better

1431
00:51:14,870 --> 00:51:12,640
uh you know i see the bigger picture

1432
00:51:16,790 --> 00:51:14,880
yeah i see the bigger picture i see the

1433
00:51:19,349 --> 00:51:16,800
oneness and the connection to all of us

1434
00:51:20,870 --> 00:51:19,359
and you know it and it sounds woo-woo we

1435
00:51:24,630 --> 00:51:20,880
and i would have been the first one to

1436
00:51:26,230 --> 00:51:24,640
laugh at it 35 years ago but it's

1437
00:51:27,750 --> 00:51:26,240
true yeah

1438
00:51:29,030 --> 00:51:27,760

and yeah

1439

00:51:30,710 --> 00:51:29,040

so

1440

00:51:33,030 --> 00:51:30,720

amazing

1441

00:51:34,630 --> 00:51:33,040

you know i um

1442

00:51:36,549 --> 00:51:34,640

you and i talked about this before the

1443

00:51:37,750 --> 00:51:36,559

show the kokomo boom why don't you talk

1444

00:51:38,710 --> 00:51:37,760

a little bit about that if you don't

1445

00:51:42,950 --> 00:51:38,720

mind

1446

00:51:44,710 --> 00:51:42,960

one of the ways that i

1447

00:51:46,470 --> 00:51:44,720

deal with things that scare me is to

1448

00:51:48,950 --> 00:51:46,480

throw myself right into it i'm the

1449

00:51:51,910 --> 00:51:48,960

person who jumps in the cold water

1450

00:51:55,510 --> 00:51:51,920

so i joined mufon to learn more about

1451
00:51:57,349 --> 00:51:55,520
ufo stuff you know to help myself and as

1452
00:51:58,870 --> 00:51:57,359
well as help others

1453
00:52:00,790 --> 00:51:58,880
and wasn't i had been a move found

1454
00:52:03,190 --> 00:52:00,800
investigator for many years for like 10

1455
00:52:05,430 --> 00:52:03,200
years and then i'd quit for a variety of

1456
00:52:07,510 --> 00:52:05,440
reasons and i lived moved up here to

1457
00:52:07,780 --> 00:52:07,520
where i live now in the kokomo area and

1458
00:52:09,270 --> 00:52:07,790
um

1459
00:52:10,150 --> 00:52:09,280
[Music]

1460
00:52:12,150 --> 00:52:10,160
uh

1461
00:52:14,790 --> 00:52:12,160
i had it was i i know it was like in

1462
00:52:16,150 --> 00:52:14,800
march i was at a girlfriend's house

1463
00:52:17,589 --> 00:52:16,160

and i had driving home through the

1464

00:52:19,670 --> 00:52:17,599

country i saw

1465

00:52:22,150 --> 00:52:19,680

these three orange balls of light they

1466

00:52:24,150 --> 00:52:22,160

appeared one at a time they were low

1467

00:52:26,870 --> 00:52:24,160

they were large and they kind of danced

1468

00:52:28,710 --> 00:52:26,880

around each other before they popped out

1469

00:52:30,309 --> 00:52:28,720

and i'm like whoa

1470

00:52:32,790 --> 00:52:30,319

and i hurried home

1471

00:52:34,710 --> 00:52:32,800

and i i remember running to i was

1472

00:52:36,870 --> 00:52:34,720

ducking don't ask me why i was like

1473

00:52:38,870 --> 00:52:36,880

ducking as i ran from my car to my front

1474

00:52:41,190 --> 00:52:38,880

porch right but i told my husband about

1475

00:52:43,510 --> 00:52:41,200

it he kind of was like whatever you know

1476

00:52:45,670 --> 00:52:43,520

i'm like i'm gonna show you i got me a

1477

00:52:46,470 --> 00:52:45,680

camcorder that would do low light i

1478

00:52:48,790 --> 00:52:46,480

still

1479

00:52:50,630 --> 00:52:48,800

sucked at using it but i i bought one

1480

00:52:52,790 --> 00:52:50,640

and i started hanging out at the local

1481

00:52:54,390 --> 00:52:52,800

parks and everywhere

1482

00:52:56,630 --> 00:52:54,400

outside at night because i was bound to

1483

00:52:58,390 --> 00:52:56,640

determine to catch these

1484

00:53:00,710 --> 00:52:58,400

because i saw one other time with a

1485

00:53:03,109 --> 00:53:00,720

couple of the people and i didn't have

1486

00:53:04,790 --> 00:53:03,119

any way to record them this was you know

1487

00:53:07,510 --> 00:53:04,800

before cell phones had good cameras on

1488

00:53:08,549 --> 00:53:07,520

them and stuff right so

1489

00:53:10,710 --> 00:53:08,559

i uh

1490

00:53:11,910 --> 00:53:10,720

was at i was out

1491

00:53:15,190 --> 00:53:11,920

that night

1492

00:53:17,030 --> 00:53:15,200

at jackson morrow park and i did record

1493

00:53:18,549 --> 00:53:17,040

one orange ball of light came in and i

1494

00:53:21,430 --> 00:53:18,559

knew another at least one more was going

1495

00:53:23,829 --> 00:53:21,440

to come in and it started to manifest

1496

00:53:26,069 --> 00:53:23,839

and then i i could see

1497

00:53:28,230 --> 00:53:26,079

jets coming from the north

1498

00:53:29,270 --> 00:53:28,240

and it wasn't too long before i realized

1499

00:53:31,589 --> 00:53:29,280

they were

1500

00:53:33,430 --> 00:53:31,599

air force jets and i knew i was in a moa

1501
00:53:35,750 --> 00:53:33,440
so and i mean we we live close to

1502
00:53:37,190 --> 00:53:35,760
grissom so it's we see them

1503
00:53:38,870 --> 00:53:37,200
um

1504
00:53:41,349 --> 00:53:38,880
but the orange light popped out real

1505
00:53:43,510 --> 00:53:41,359
quick and then the jets came and were

1506
00:53:44,950 --> 00:53:43,520
crisscrossing they were like looking for

1507
00:53:47,990 --> 00:53:44,960
something they were crisscrossing the

1508
00:53:50,069 --> 00:53:48,000
entire moa back and forth and i knew

1509
00:53:51,430 --> 00:53:50,079
they were looking for something mm-hmm

1510
00:53:53,670 --> 00:53:51,440
and um

1511
00:53:55,510 --> 00:53:53,680
but it got to be in late had to go to be

1512
00:53:57,109 --> 00:53:55,520
at work at 6 30 next morning i had a big

1513
00:53:58,230 --> 00:53:57,119

cup of coffee i had to pee so i had to

1514

00:54:00,549 --> 00:53:58,240

go home

1515

00:54:03,349 --> 00:54:00,559

so i got home but i kept thinking i'm

1516

00:54:05,670 --> 00:54:03,359

gonna miss something i just felt it and

1517

00:54:08,069 --> 00:54:05,680

i stood out on my end of my driveway and

1518

00:54:09,589 --> 00:54:08,079

i recorded in the area where i had been

1519

00:54:10,630 --> 00:54:09,599

couldn't see anything but all of a

1520

00:54:12,870 --> 00:54:10,640

sudden

1521

00:54:14,790 --> 00:54:12,880

every wild animal and every dog in the

1522

00:54:16,470 --> 00:54:14,800

neighborhood started howling and cra it

1523

00:54:18,870 --> 00:54:16,480

was creepy

1524

00:54:20,390 --> 00:54:18,880

and i i managed to record that on my

1525

00:54:22,470 --> 00:54:20,400

video recorder

1526

00:54:25,190 --> 00:54:22,480

until i couldn't hold my pee any longer

1527

00:54:26,790 --> 00:54:25,200

so i went in i gave up i went in the

1528

00:54:29,030 --> 00:54:26,800

house went to bathroom put my nightgown

1529

00:54:31,430 --> 00:54:29,040

on went into my office to try to get

1530

00:54:33,750 --> 00:54:31,440

this videotape off of my

1531

00:54:35,829 --> 00:54:33,760

recorder and onto my computer

1532

00:54:37,109 --> 00:54:35,839

and i just remembered looking up at the

1533

00:54:39,829 --> 00:54:37,119

clock and

1534

00:54:41,190 --> 00:54:39,839

this bright oranges yellow flash of

1535

00:54:43,270 --> 00:54:41,200

light bam

1536

00:54:44,390 --> 00:54:43,280

the whole house shook

1537

00:54:45,190 --> 00:54:44,400

and

1538

00:54:49,349 --> 00:54:45,200

this

1539

00:54:51,670 --> 00:54:49,359

filled the room because i had windows on

1540

00:54:54,390 --> 00:54:51,680

two sides

1541

00:54:55,109 --> 00:54:54,400

and i heard a big thump on my roof and i

1542

00:54:57,670 --> 00:54:55,119

thought

1543

00:54:59,190 --> 00:54:57,680

what the hell is that i ran and tried to

1544

00:55:01,510 --> 00:54:59,200

wake my husband up i'm like did you hear

1545

00:55:03,910 --> 00:55:01,520

that did you hear that he didn't hear it

1546

00:55:07,109 --> 00:55:03,920

and then uh

1547

00:55:09,589 --> 00:55:07,119

in my mind i thought oh

1548

00:55:11,430 --> 00:55:09,599

those jets they were crisscrossing must

1549

00:55:13,109 --> 00:55:11,440

have crashed into each other and that

1550

00:55:14,710 --> 00:55:13,119

thump i heard

1551

00:55:16,950 --> 00:55:14,720

because we i only lived a couple miles

1552

00:55:19,910 --> 00:55:16,960

from there that thump i heard was some

1553

00:55:20,789 --> 00:55:19,920

you know air pilot jettison out of his

1554

00:55:21,670 --> 00:55:20,799

you know

1555

00:55:23,910 --> 00:55:21,680

uh

1556

00:55:25,510 --> 00:55:23,920

out of his airplane when it crashed so i

1557

00:55:27,190 --> 00:55:25,520

grabbed my house coat and i'm right

1558

00:55:29,829 --> 00:55:27,200

outside my galoshes running around in

1559

00:55:31,990 --> 00:55:29,839

the yard looking for a body in a in a

1560

00:55:34,390 --> 00:55:32,000

parachute you know because i'm thinking

1561

00:55:36,390 --> 00:55:34,400

that's what i heard yeah then my phone

1562

00:55:38,950 --> 00:55:36,400

brings my son calls me the cab driver

1563

00:55:40,549 --> 00:55:38,960

works the late shift and he's like mom

1564

00:55:42,950 --> 00:55:40,559

are you guys all right i'm like yeah why

1565

00:55:46,710 --> 00:55:42,960

what's going on so then he tells me

1566

00:55:48,150 --> 00:55:46,720

we've been pulled off the road by uh the

1567

00:55:50,230 --> 00:55:48,160

police department has pulled all of our

1568

00:55:52,710 --> 00:55:50,240

cars off the road told us to stay out

1569

00:55:54,470 --> 00:55:52,720

off the road and he said that they said

1570

00:55:55,750 --> 00:55:54,480

there's a plane crash over by the house

1571

00:55:58,390 --> 00:55:55,760

and i'm like whoa

1572

00:56:00,630 --> 00:55:58,400

you know what i ran upstairs and i got

1573

00:56:03,270 --> 00:56:00,640

on the computer and i turned on i went

1574

00:56:05,510 --> 00:56:03,280

to the police radio scanner site and i

1575

00:56:08,150 --> 00:56:05,520

hit the record button

1576

00:56:10,069 --> 00:56:08,160

and i ended up recording it for a lot of

1577

00:56:11,750 --> 00:56:10,079

multiple hours maybe five hours of

1578

00:56:13,430 --> 00:56:11,760

recordings

1579

00:56:17,030 --> 00:56:13,440

they said some

1580

00:56:19,990 --> 00:56:17,040

interesting stuff that yeah yeah like oh

1581

00:56:21,910 --> 00:56:20,000

i'm at the only known debris site yeah

1582

00:56:23,670 --> 00:56:21,920

you know somebody call up a grissom and

1583

00:56:25,589 --> 00:56:23,680

ask them what's going on you know all

1584

00:56:29,430 --> 00:56:25,599

kinds of stuff until they

1585

00:56:35,829 --> 00:56:32,069

network but it took a while you know and

1586

00:56:36,870 --> 00:56:35,839

they had like 148 or 149 calls come in

1587

00:56:38,870 --> 00:56:36,880

from people

1588

00:56:40,630 --> 00:56:38,880

all over the place different counties

1589

00:56:42,069 --> 00:56:40,640

and some people closer to the area

1590

00:56:45,349 --> 00:56:42,079

reported

1591

00:56:47,750 --> 00:56:45,359

seeing a bright flash in the sky and

1592

00:56:49,589 --> 00:56:47,760

they thought a plane had was you know

1593

00:56:51,750 --> 00:56:49,599

two planes had crashed

1594

00:56:54,950 --> 00:56:51,760

and i think a few people actually even

1595

00:56:57,030 --> 00:56:54,960

reported a ufo in the area

1596

00:56:59,030 --> 00:56:57,040

so oh there were no were you of those

1597

00:57:00,309 --> 00:56:59,040

sites you know i remember that

1598

00:57:02,069 --> 00:57:00,319

exactly

1599

00:57:04,390 --> 00:57:02,079

when it happened i you know i for

1600

00:57:07,030 --> 00:57:04,400

whatever reason i got a call

1601
00:57:09,109 --> 00:57:07,040
from somebody in kokomo and told me that

1602
00:57:12,870 --> 00:57:09,119
something's going on and you know

1603
00:57:15,349 --> 00:57:12,880
kokomo has had a history of ufo you know

1604
00:57:17,910 --> 00:57:15,359
activity i i think there's no it's not a

1605
00:57:18,560 --> 00:57:17,920
coincidence that i landed here

1606
00:57:20,150 --> 00:57:18,570
probably

1607
00:57:22,789 --> 00:57:20,160
[Laughter]

1608
00:57:24,630 --> 00:57:22,799
but uh you know when when things start

1609
00:57:26,390 --> 00:57:24,640
coming out about this

1610
00:57:29,430 --> 00:57:26,400
i don't know what you think i personally

1611
00:57:31,589 --> 00:57:29,440
believe a spa i mean a ufo crafter or

1612
00:57:32,630 --> 00:57:31,599
something literally either exploded or

1613
00:57:36,309 --> 00:57:32,640

crashed

1614

00:57:38,069 --> 00:57:36,319

and uh yeah yeah and because it was um

1615

00:57:39,829 --> 00:57:38,079

now the fact that you said that your son

1616

00:57:41,829 --> 00:57:39,839

and all the other drivers got pulled i

1617

00:57:43,589 --> 00:57:41,839

never heard that before yeah he was a

1618

00:57:45,990 --> 00:57:43,599

cab driver and their dispatch said

1619

00:57:47,589 --> 00:57:46,000

everybody off the road uh well see

1620

00:57:52,309 --> 00:57:47,599

that's

1621

00:57:55,270 --> 00:57:52,319

something really weird happened

1622

00:57:56,390 --> 00:57:55,280

definitely yeah interesting

1623

00:57:57,829 --> 00:57:56,400

well

1624

00:57:59,750 --> 00:57:57,839

i'm glad i talked to you about that

1625

00:58:02,150 --> 00:57:59,760

because that's firsthand information

1626
00:58:04,470 --> 00:58:02,160
from me because i it always intrigued me

1627
00:58:06,630 --> 00:58:04,480
i just didn't know what exactly it was

1628
00:58:08,470 --> 00:58:06,640
but of course the next day when the news

1629
00:58:10,390 --> 00:58:08,480
came out they were talking about ufo

1630
00:58:11,270 --> 00:58:10,400
sightings and lights in the sky and this

1631
00:58:13,829 --> 00:58:11,280
and that

1632
00:58:15,990 --> 00:58:13,839
but really there wasn't a whole much

1633
00:58:17,030 --> 00:58:16,000
of it beyond that but uh yeah

1634
00:58:19,109 --> 00:58:17,040
interesting

1635
00:58:21,190 --> 00:58:19,119
well deborah you know um

1636
00:58:24,470 --> 00:58:21,200
tell everyone about your book where they

1637
00:58:26,870 --> 00:58:24,480
can get it and your website and

1638
00:58:28,150 --> 00:58:26,880

what you do over there

1639

00:58:31,510 --> 00:58:28,160

um

1640

00:58:33,829 --> 00:58:31,520

my website is called uh deb's ufo

1641

00:58:37,190 --> 00:58:33,839

information clearinghouse and the url

1642

00:58:40,309 --> 00:58:37,200

for it is www.dev

1643

00:58:41,109 --> 00:58:40,319

and my husband is my webmaster we try to

1644

00:58:44,470 --> 00:58:41,119

put

1645

00:58:46,870 --> 00:58:44,480

the current news science and and ufo

1646

00:58:48,549 --> 00:58:46,880

stuff and even other paranormal

1647

00:58:50,710 --> 00:58:48,559

encrypted stuff when we find it on there

1648

00:58:52,390 --> 00:58:50,720

to share and i

1649

00:58:53,589 --> 00:58:52,400

you know share some of my stories

1650

00:58:55,349 --> 00:58:53,599

there's a few things on there that

1651
00:58:56,710 --> 00:58:55,359
aren't in the book and some things that

1652
00:58:59,589 --> 00:58:56,720
i happen

1653
00:59:01,829 --> 00:58:59,599
i was bad girl 15 years working in a

1654
00:59:03,430 --> 00:59:01,839
factory i didn't update my blogs and

1655
00:59:05,190 --> 00:59:03,440
things like i should but now that i'm

1656
00:59:07,670 --> 00:59:05,200
going to be retired and i am basically

1657
00:59:10,309 --> 00:59:07,680
retired i hopefully will be vlogging on

1658
00:59:12,150 --> 00:59:10,319
there and you can uh also email me

1659
00:59:13,910 --> 00:59:12,160
through the website there and the book

1660
00:59:16,470 --> 00:59:13,920
extraordinary contact life beyond

1661
00:59:18,710 --> 00:59:16,480
intruders you can get it at amazon

1662
00:59:21,990 --> 00:59:18,720
books a million barnes and nobles any of

1663
00:59:25,430 --> 00:59:22,000

your uh bigger online booksellers and it

1664

00:59:27,190 --> 00:59:25,440

is also available on kindle

1665

00:59:28,390 --> 00:59:27,200

and hopefully one day well hopefully one

1666

00:59:31,349 --> 00:59:28,400

day i'll get a

1667

00:59:33,670 --> 00:59:31,359

an audio book of it oh

1668

00:59:35,829 --> 00:59:33,680

absolutely you know it it gives a

1669

00:59:36,710 --> 00:59:35,839

real nice

1670

00:59:39,829 --> 00:59:36,720

uh

1671

00:59:42,470 --> 00:59:39,839

it kind of rounds out book buds book and

1672

00:59:44,230 --> 00:59:42,480

uh and people if you if you but we talk

1673

00:59:45,430 --> 00:59:44,240

about bud the bud hopkins book was

1674

00:59:48,870 --> 00:59:45,440

intruders

1675

00:59:52,950 --> 00:59:48,880

and uh that's kind of the classic

1676

00:59:55,109 --> 00:59:52,960

book about uh alien experiencers and um

1677

00:59:56,470 --> 00:59:55,119

i highly recommend it than to read yours

1678

00:59:58,309 --> 00:59:56,480

afterwards

1679

01:00:00,390 --> 00:59:58,319

so deborah thanks again for coming on i

1680

01:00:02,870 --> 01:00:00,400

really appreciate it and

1681

01:00:04,870 --> 01:00:02,880

you have a good weekend i will you do

1682

01:00:07,670 --> 01:00:04,880

the same okay take care

1683

01:00:11,349 --> 01:00:09,670

now if you have an unexplained encounter

1684

01:00:13,589 --> 01:00:11,359

setting feel free to contact me through

1685

01:00:15,349 --> 01:00:13,599

the phantoms and monsters blog site

1686

01:00:17,510 --> 01:00:15,359

i want to again thank deborah jordan

1687

01:00:19,750 --> 01:00:17,520

cobble for joining me this evening and

1688

01:00:21,589 --> 01:00:19,760

thanks to each and all of you

1689

01:00:23,589 --> 01:00:21,599

for watching and chatting and if you

1690

01:00:24,870 --> 01:00:23,599

made a super chat donations truly

1691

01:00:27,270 --> 01:00:24,880

appreciated

1692

01:00:28,549 --> 01:00:27,280

your support is what makes this possible

1693

01:00:31,270 --> 01:00:28,559

please like

1694

01:00:33,829 --> 01:00:31,280

subscribe and share

1695

01:00:35,750 --> 01:00:33,839

so i think next week oh i don't even

1696

01:00:38,470 --> 01:00:35,760

know i you know i've been so busy now i

1697

01:00:41,030 --> 01:00:38,480

did a recording i did a recording on a

1698

01:00:43,510 --> 01:00:41,040

live show before i did this one tonight

1699

01:00:45,750 --> 01:00:43,520

so and i had i don't know if you saw the

1700

01:00:48,230 --> 01:00:45,760

maintenance guy go by here i had a water

1701

01:00:50,630 --> 01:00:48,240

leak in my in my place so

1702

01:00:53,190 --> 01:00:50,640

i'm kind of scattered brain but thanks

1703

01:00:54,549 --> 01:00:53,200

again for hanging with me so until next

1704

01:01:05,430 --> 01:00:54,559

week stay healthy have a safe and

1705

01:01:05,440 --> 01:01:18,080

[Music]

1706

01:01:18,090 --> 01:01:28,710

[Applause]

1707

01:01:28,720 --> 01:01:43,140

so
