

**ARCANE RADIO**   
Exploring the Unexplained 

**September 3rd, 2021**  
**@ 9PM Eastern**

**Your Host**  
**Lon Strickler**

**With Guest**  
**Dogman**  
**Experienter**  
**James West**

**JAMES WEST - Pennsylvania DOGMAN Experienter - September 3rd, 2021**

1  
00:00:09,190 --> 00:00:07,590  
the oldest and strongest human emotion

2  
00:00:11,350 --> 00:00:09,200  
is fear

3  
00:00:12,310 --> 00:00:11,360  
and the oldest and strongest type of

4  
00:00:15,509 --> 00:00:12,320  
fear

5  
00:00:17,990 --> 00:00:15,519  
is trepidation of the unknown

6  
00:00:21,429 --> 00:00:18,000  
when we were children our parents told

7  
00:00:23,910 --> 00:00:21,439  
us that monsters didn't exist

8  
00:00:27,109 --> 00:00:23,920  
but we were sure that something was

9  
00:00:31,669 --> 00:00:27,119  
lurking under the bed or in the closet

10  
00:00:34,630 --> 00:00:31,679  
fear sees even if our eyes are closed

11  
00:00:36,870 --> 00:00:34,640  
welcome to the realm of the arcane

12  
00:00:39,270 --> 00:00:36,880  
my name is lon strickler

13  
00:00:40,389 --> 00:00:39,280

join me as i examine unexplained

14

00:00:43,030 --> 00:00:40,399

creatures

15

00:00:45,350 --> 00:00:43,040

strange manifestations of remarkable

16

00:00:48,389 --> 00:00:45,360

realities

17

00:00:51,029 --> 00:00:48,399

imagine this next hour as a voyage of

18

00:00:53,510 --> 00:00:51,039

discovery to strange lands

19

00:00:55,029 --> 00:00:53,520

seeking not for new territory

20

00:00:56,549 --> 00:00:55,039

but for new knowledge of the

21

00:00:59,349 --> 00:00:56,559

supernatural

22

00:01:00,760 --> 00:00:59,359

come on board as we begin this adventure

23

00:01:04,390 --> 00:01:00,770

together

24

00:01:07,750 --> 00:01:05,990

folks good evening and welcome to

25

00:01:10,149 --> 00:01:07,760

another episode of arcane radio where we

26  
00:01:11,510 --> 00:01:10,159  
explore the unexplained live on beyond

27  
00:01:13,590 --> 00:01:11,520  
explanation

28  
00:01:15,109 --> 00:01:13,600  
i'm your host lon stricker coming to you

29  
00:01:17,429 --> 00:01:15,119  
with an account shout out to the howl

30  
00:01:18,710 --> 00:01:17,439  
fields of gettysburg pennsylvania thanks

31  
00:01:21,030 --> 00:01:18,720  
for joining me

32  
00:01:23,109 --> 00:01:21,040  
so quick note arcane radio and beyond

33  
00:01:25,990 --> 00:01:23,119  
explanation channel was made possible by

34  
00:01:28,390 --> 00:01:26,000  
you liking subscribing and sharing our

35  
00:01:29,670 --> 00:01:28,400  
programming super chat donations are

36  
00:01:31,670 --> 00:01:29,680  
essential

37  
00:01:33,990 --> 00:01:31,680  
for us to continue offering you this

38  
00:01:35,749 --> 00:01:34,000

unique content your consideration is

39

00:01:37,590 --> 00:01:35,759

very much needed

40

00:01:40,550 --> 00:01:37,600

and appreciated

41

00:01:44,310 --> 00:01:40,560

now first before i bring my guests in

42

00:01:47,670 --> 00:01:44,320

tonight i um i did

43

00:01:50,789 --> 00:01:47,680

post an image and a description

44

00:01:52,469 --> 00:01:50,799

on a few social media outlets and um

45

00:01:56,469 --> 00:01:52,479

today on the blog

46

00:01:59,190 --> 00:01:56,479

this was a photo taken by david eckhart

47

00:02:01,429 --> 00:01:59,200

a while back and uh you know at the time

48

00:02:03,270 --> 00:02:01,439

i had a sense that this was some type of

49

00:02:05,910 --> 00:02:03,280

wing humanoid

50

00:02:08,790 --> 00:02:05,920

and and i've had that ever since i saw

51

00:02:11,830 --> 00:02:08,800

this thing so last night

52

00:02:13,990 --> 00:02:11,840

uh and for those who don't know

53

00:02:15,670 --> 00:02:14,000

myself and a colleague have been

54

00:02:17,510 --> 00:02:15,680

involved with

55

00:02:20,630 --> 00:02:17,520

contacting

56

00:02:22,949 --> 00:02:20,640

what we know to be an ultra-terrestrial

57

00:02:25,430 --> 00:02:22,959

and these contacts

58

00:02:27,910 --> 00:02:25,440

uh confirmed that this

59

00:02:29,190 --> 00:02:27,920

image was indeed a member of their

60

00:02:31,430 --> 00:02:29,200

legion

61

00:02:33,670 --> 00:02:31,440

who have appeared at the o'hare

62

00:02:35,670 --> 00:02:33,680

international airport locate locations

63

00:02:38,309 --> 00:02:35,680

in the region

64

00:02:41,270 --> 00:02:38,319

now uh my associate and i

65

00:02:43,670 --> 00:02:41,280

have recently established contact with

66

00:02:46,229 --> 00:02:43,680

what they call themselves

67

00:02:49,270 --> 00:02:46,239

the unseen ones

68

00:02:52,309 --> 00:02:49,280

and continue to devise our team in hope

69

00:02:54,390 --> 00:02:52,319

that a profound discovery will result in

70

00:02:56,869 --> 00:02:54,400

full disclosure now

71

00:02:59,830 --> 00:02:56,879

now these ultra terrestrials have been

72

00:03:01,830 --> 00:02:59,840

among us much longer than has ever been

73

00:03:04,149 --> 00:03:01,840

anticipated and uh

74

00:03:06,030 --> 00:03:04,159

you know if you want to follow up on our

75

00:03:07,509 --> 00:03:06,040

investigations on this just go to

76

00:03:09,670 --> 00:03:07,519

famismaster.com or go to

77

00:03:14,710 --> 00:03:09,680

cryptohunters.org

78

00:03:18,710 --> 00:03:15,750

you know

79

00:03:20,390 --> 00:03:18,720

after i posted this last night and today

80

00:03:23,589 --> 00:03:20,400

the you know i kind of garnered a lot of

81

00:03:25,509 --> 00:03:23,599

response from readers and followers um

82

00:03:29,350 --> 00:03:25,519

at this point i'm kind of hesitant to

83

00:03:31,190 --> 00:03:29,360

release further revelations um

84

00:03:32,550 --> 00:03:31,200

now we have been super busy recording

85

00:03:34,789 --> 00:03:32,560

documenting

86

00:03:38,229 --> 00:03:34,799

and following up the past few weeks i

87

00:03:39,430 --> 00:03:38,239

mean it has been a whirlwind and um our

88

00:03:41,190 --> 00:03:39,440

team

89

00:03:43,750 --> 00:03:41,200

will have the final say on all public

90

00:03:46,630 --> 00:03:43,760

releases in regards to the chicago and

91

00:03:48,550 --> 00:03:46,640

o'hare um sightings

92

00:03:51,350 --> 00:03:48,560

for those who have

93

00:03:54,229 --> 00:03:51,360

been concerned by the ultra-terrestrials

94

00:03:56,390 --> 00:03:54,239

use of the term legion

95

00:03:58,949 --> 00:03:56,400

it's simply a word used by them to

96

00:04:01,750 --> 00:03:58,959

describe their collective

97

00:04:03,910 --> 00:04:01,760

no biblical no spiritual no

98

00:04:05,030 --> 00:04:03,920

so-called demonic connections involved

99

00:04:07,429 --> 00:04:05,040

here

100

00:04:10,630 --> 00:04:07,439

uh and the ultra-terrestrial factions

101  
00:04:12,309 --> 00:04:10,640  
consist of many varieties of beings

102  
00:04:14,630 --> 00:04:12,319  
including

103  
00:04:17,590 --> 00:04:14,640  
angels

104  
00:04:19,509 --> 00:04:17,600  
so just please bear with us uh

105  
00:04:20,629 --> 00:04:19,519  
i realize uh

106  
00:04:22,390 --> 00:04:20,639  
many of

107  
00:04:25,030 --> 00:04:22,400  
those who hear this and hear our

108  
00:04:28,150 --> 00:04:25,040  
presentations may seem to think it's

109  
00:04:29,749 --> 00:04:28,160  
some fantastical of some sort but but

110  
00:04:31,510 --> 00:04:29,759  
for those who have followed me over the

111  
00:04:34,070 --> 00:04:31,520  
years you know

112  
00:04:36,070 --> 00:04:34,080  
that i'm not a conspiratorial theorist i

113  
00:04:38,070 --> 00:04:36,080

mean you know i i just don't you know i

114

00:04:40,550 --> 00:04:38,080

want to make sure when i receive the

115

00:04:41,510 --> 00:04:40,560

information i present it as is

116

00:04:44,150 --> 00:04:41,520

uh

117

00:04:47,030 --> 00:04:44,160

i may comment on it and and let you

118

00:04:49,510 --> 00:04:47,040

decide for yourself so um

119

00:04:52,150 --> 00:04:49,520

you know i'm just simply trying to seek

120

00:04:54,950 --> 00:04:52,160

the truth and find the truth so

121

00:04:57,590 --> 00:04:54,960

it is what it is and i appreciate you

122

00:05:01,270 --> 00:04:57,600

keeping an open mind on this

123

00:05:03,909 --> 00:05:01,280

so tonight i welcome to arcane radio

124

00:05:05,749 --> 00:05:03,919

green county pennsylvania resident james

125

00:05:08,870 --> 00:05:05,759

west now james

126  
00:05:11,670 --> 00:05:08,880  
has had two horrendous crypt encounters

127  
00:05:13,670 --> 00:05:11,680  
um cryptic k-9 encounters

128  
00:05:16,230 --> 00:05:13,680  
near his home when he was in his late

129  
00:05:18,950 --> 00:05:16,240  
teens now this story

130  
00:05:21,909 --> 00:05:18,960  
is a detailed account of actual physical

131  
00:05:24,310 --> 00:05:21,919  
contact with these terrifying cryptids

132  
00:05:25,749 --> 00:05:24,320  
very unusual i was blown away when i

133  
00:05:28,150 --> 00:05:25,759  
first heard about it

134  
00:05:31,110 --> 00:05:28,160  
so uh james thanks for joining me this

135  
00:05:33,510 --> 00:05:31,120  
evening hey thanks for having me lon

136  
00:05:35,830 --> 00:05:33,520  
so let's get right down to it you uh

137  
00:05:38,790 --> 00:05:35,840  
tell us about your first encounter why

138  
00:05:40,390 --> 00:05:38,800

it started where were you and uh

139

00:05:43,990 --> 00:05:40,400

what happened

140

00:05:46,629 --> 00:05:44,000

okay well a little back story um

141

00:05:49,029 --> 00:05:46,639

2002 in the summer

142

00:05:51,270 --> 00:05:49,039

i was 16 years old

143

00:05:53,510 --> 00:05:51,280

i used to hunt behind my house all the

144

00:05:56,230 --> 00:05:53,520

time

145

00:05:57,749 --> 00:05:56,240

i found claw marks they looked like a

146

00:06:00,390 --> 00:05:57,759

bear's claw

147

00:06:01,670 --> 00:06:00,400

about seven or eight foot up a tree

148

00:06:04,550 --> 00:06:01,680

i didn't think

149

00:06:05,670 --> 00:06:04,560

a whole lot about it then

150

00:06:07,110 --> 00:06:05,680

um

151  
00:06:09,350 --> 00:06:07,120  
obviously now i

152  
00:06:11,189 --> 00:06:09,360  
know a little bit better

153  
00:06:11,990 --> 00:06:11,199  
um

154  
00:06:13,110 --> 00:06:12,000  
but

155  
00:06:15,830 --> 00:06:13,120  
uh

156  
00:06:19,350 --> 00:06:15,840  
my first encounter

157  
00:06:25,749 --> 00:06:21,189  
i couldn't sleep

158  
00:06:29,749 --> 00:06:25,759  
and i got up it was about 11 30 at night

159  
00:06:32,469 --> 00:06:29,759  
snowing like a blizzard outside

160  
00:06:35,909 --> 00:06:32,479  
um but i got all my gear together

161  
00:06:38,070 --> 00:06:35,919  
and went to my place where i hunt

162  
00:06:40,550 --> 00:06:38,080  
coyotes and different you know

163  
00:06:44,870 --> 00:06:40,560

i hunt all kinds of stuff there i used

164

00:06:46,230 --> 00:06:44,880

to hunt squirrel and rabbit and coyote

165

00:06:47,270 --> 00:06:46,240

anyway

166

00:06:49,670 --> 00:06:47,280

um

167

00:06:52,070 --> 00:06:49,680

i went out like i said it was snowing i

168

00:06:53,990 --> 00:06:52,080

worked my way down a hill real steep

169

00:06:56,629 --> 00:06:54,000

hill

170

00:06:58,710 --> 00:06:56,639

and go down to a ravine work your way

171

00:07:01,189 --> 00:06:58,720

around the ravine

172

00:07:03,110 --> 00:07:01,199

down across a little stream up the other

173

00:07:05,350 --> 00:07:03,120

side

174

00:07:07,990 --> 00:07:05,360

i walked up a mine road and they had a

175

00:07:10,230 --> 00:07:08,000

big pile crush and run which is like the

176  
00:07:11,670 --> 00:07:10,240  
gravel that they used to build roadways

177  
00:07:13,510 --> 00:07:11,680  
with

178  
00:07:16,710 --> 00:07:13,520  
it was set in there

179  
00:07:17,749 --> 00:07:16,720  
and so i i put my collar out

180  
00:07:19,830 --> 00:07:17,759  
and

181  
00:07:22,070 --> 00:07:19,840  
put my back up against that

182  
00:07:24,390 --> 00:07:22,080  
power crushing run i sat down

183  
00:07:28,150 --> 00:07:24,400  
indian style

184  
00:07:29,510 --> 00:07:28,160  
brought my knees up so i could lay my

185  
00:07:30,629 --> 00:07:29,520  
gun across

186  
00:07:32,950 --> 00:07:30,639  
my knees

187  
00:07:35,510 --> 00:07:32,960  
so that way whenever i got a shot at a

188  
00:07:37,830 --> 00:07:35,520

coyote the gun would already be aiming

189

00:07:38,950 --> 00:07:37,840

where it needed to be

190

00:07:41,110 --> 00:07:38,960

well

191

00:07:44,469 --> 00:07:41,120

i sat there for

192

00:07:45,830 --> 00:07:44,479

a good 45 minutes to an hour getting

193

00:07:47,430 --> 00:07:45,840

cold

194

00:07:49,510 --> 00:07:47,440

you know it was

195

00:07:51,830 --> 00:07:49,520

well below zero getting

196

00:07:53,749 --> 00:07:51,840

really frigid

197

00:07:57,749 --> 00:07:53,759

and i had a uh

198

00:08:00,629 --> 00:07:57,759

we used to have a one million candle wat

199

00:08:03,589 --> 00:08:00,639

spotlight that was battery powered and

200

00:08:06,629 --> 00:08:03,599

it had a red filter on it

201  
00:08:09,670 --> 00:08:06,639  
canines don't see red very well

202  
00:08:11,670 --> 00:08:09,680  
so the hopes are whenever you turn that

203  
00:08:13,749 --> 00:08:11,680  
light on it gives you a few seconds to

204  
00:08:16,550 --> 00:08:13,759  
get a shot at a coyote

205  
00:08:19,510 --> 00:08:16,560  
or a fox or whatever you're after

206  
00:08:21,670 --> 00:08:19,520  
before it notices the light

207  
00:08:24,070 --> 00:08:21,680  
well

208  
00:08:26,070 --> 00:08:24,080  
when i reached to turn the light on to

209  
00:08:28,790 --> 00:08:26,080  
leave

210  
00:08:30,629 --> 00:08:28,800  
i turned it on and it locks in place

211  
00:08:31,589 --> 00:08:30,639  
so it stays on

212  
00:08:34,070 --> 00:08:31,599  
and

213  
00:08:36,790 --> 00:08:34,080

about 10 feet away from me

214

00:08:38,149 --> 00:08:36,800  
on down on all fours

215

00:08:40,630 --> 00:08:38,159  
was

216

00:08:41,750 --> 00:08:40,640  
at first i thought man that is the

217

00:08:44,070 --> 00:08:41,760  
biggest

218

00:08:45,990 --> 00:08:44,080  
freaking coyote i've ever seen in my

219

00:08:48,230 --> 00:08:46,000  
life

220

00:08:53,350 --> 00:08:50,389  
that changed real quick

221

00:08:55,670 --> 00:08:53,360  
whenever it as soon as that light hit it

222

00:08:57,990 --> 00:08:55,680  
it had its nose to the ground as soon as

223

00:08:59,829 --> 00:08:58,000  
that light hit it it went like this and

224

00:09:03,590 --> 00:08:59,839  
it looked right at me

225

00:09:05,509 --> 00:09:03,600  
so that tells me that it can see red

226

00:09:06,790 --> 00:09:05,519

which

227

00:09:08,870 --> 00:09:06,800

you know

228

00:09:10,389 --> 00:09:08,880

we know that these are upright canines

229

00:09:13,990 --> 00:09:10,399

but they can't

230

00:09:17,030 --> 00:09:14,000

be 100 canines then if they don't have

231

00:09:17,829 --> 00:09:17,040

all of the characteristics right right

232

00:09:19,190 --> 00:09:17,839

um

233

00:09:21,509 --> 00:09:19,200

anyway

234

00:09:23,350 --> 00:09:21,519

i hit it with the light and it was on

235

00:09:25,269 --> 00:09:23,360

all fours that lifted its head up and

236

00:09:28,389 --> 00:09:25,279

looked at me

237

00:09:31,670 --> 00:09:28,399

it took a step backwards and then

238

00:09:33,990 --> 00:09:31,680

proceeded to stand itself up and puff

239

00:09:37,350 --> 00:09:34,000

its chest out at me

240

00:09:40,070 --> 00:09:37,360

i heard one deep pop in its chest

241

00:09:41,910 --> 00:09:40,080

i i know a lot of people say they hear a

242

00:09:43,670 --> 00:09:41,920

lot of popping and stuff but i didn't

243

00:09:45,910 --> 00:09:43,680

hear

244

00:09:47,590 --> 00:09:45,920

just that one real deep like you hit a

245

00:09:50,150 --> 00:09:47,600

drum it was

246

00:09:52,550 --> 00:09:50,160

that it resonated because it was so

247

00:09:54,389 --> 00:09:52,560

quiet out there

248

00:09:56,470 --> 00:09:54,399

anyway

249

00:09:58,389 --> 00:09:56,480

i didn't really have time

250

00:10:00,710 --> 00:09:58,399

to react

251  
00:10:03,910 --> 00:10:00,720  
in fear

252  
00:10:05,269 --> 00:10:03,920  
it took one step on two legs towards me

253  
00:10:07,670 --> 00:10:05,279  
and i shot it

254  
00:10:08,949 --> 00:10:07,680  
i hit it in the upper right part of its

255  
00:10:11,350 --> 00:10:08,959  
chest

256  
00:10:13,990 --> 00:10:11,360  
the blood misted

257  
00:10:17,190 --> 00:10:14,000  
made a nice big plume of blood

258  
00:10:18,710 --> 00:10:17,200  
it took two steps to its left and was

259  
00:10:21,430 --> 00:10:18,720  
gone

260  
00:10:25,670 --> 00:10:21,440  
so that million candle wat

261  
00:10:28,230 --> 00:10:25,680  
range is about a 12 foot circle of light

262  
00:10:31,110 --> 00:10:28,240  
and it was off to the

263  
00:10:34,389 --> 00:10:31,120

off to my left of the light

264

00:10:39,030 --> 00:10:34,399

so it took two steps and it covered

265

00:10:40,150 --> 00:10:39,040

10 to 12 feet in two steps and was gone

266

00:10:42,069 --> 00:10:40,160

um

267

00:10:44,630 --> 00:10:42,079

afterwards

268

00:10:47,750 --> 00:10:44,640

i i shot at it two more times as it was

269

00:10:50,310 --> 00:10:47,760

running but i i it was so fast i knew i

270

00:10:51,590 --> 00:10:50,320

didn't hit it but i i had to try you

271

00:10:52,630 --> 00:10:51,600

know

272

00:10:56,389 --> 00:10:52,640

and

273

00:10:58,710 --> 00:10:56,399

walking

274

00:11:00,310 --> 00:10:58,720

in the direction that this thing went

275

00:11:02,550 --> 00:11:00,320

and there's puddles of blood laying

276

00:11:04,550 --> 00:11:02,560

there there's about a pie plate size

277

00:11:05,750 --> 00:11:04,560

puddle of blood laying there on the

278

00:11:06,949 --> 00:11:05,760

ground

279

00:11:10,870 --> 00:11:06,959

and i

280

00:11:12,710 --> 00:11:10,880

load your gun you idiot

281

00:11:15,430 --> 00:11:12,720

you know i

282

00:11:18,470 --> 00:11:15,440

i did i was so my adrenaline was going

283

00:11:20,470 --> 00:11:18,480

so fast at that point i i forgot to

284

00:11:22,310 --> 00:11:20,480

reload you know i stopped myself and

285

00:11:25,190 --> 00:11:22,320

reloaded the shotgun

286

00:11:27,509 --> 00:11:25,200

and i was using number two coyote loads

287

00:11:30,150 --> 00:11:27,519

and which that's pretty hefty

288

00:11:32,230 --> 00:11:30,160

especially 10 feet away i mean the whole

289

00:11:34,150 --> 00:11:32,240

wad goes through something at that range

290

00:11:36,150 --> 00:11:34,160

it doesn't have a chance to open up i

291

00:11:39,110 --> 00:11:36,160

mean that's just one step

292

00:11:41,590 --> 00:11:39,120

smaller than buckshot really right right

293

00:11:45,350 --> 00:11:41,600

it's one step smaller than single watt

294

00:11:48,710 --> 00:11:46,630

so i

295

00:11:51,509 --> 00:11:48,720

i reloaded

296

00:11:54,310 --> 00:11:51,519

and i started following it i got about

297

00:11:56,470 --> 00:11:54,320

30 feet out and i noticed the blood

298

00:11:58,069 --> 00:11:56,480

pools were getting smaller and smaller

299

00:12:00,230 --> 00:11:58,079

and smaller like every few feet there

300

00:12:02,150 --> 00:12:00,240

was less and less blood

301  
00:12:05,110 --> 00:12:02,160

good tracks

302  
00:12:07,190 --> 00:12:05,120

because of the snow but

303  
00:12:10,629 --> 00:12:07,200

there was the blood was reducing and

304  
00:12:12,710 --> 00:12:10,639

that worried me that maybe this thing is

305  
00:12:15,590 --> 00:12:12,720

healing itself

306  
00:12:21,670 --> 00:12:18,389

you know it's it's now it's wounded

307  
00:12:24,470 --> 00:12:21,680

and it's a bad spot to be in it's after

308  
00:12:27,430 --> 00:12:24,480

midnight you can't see around you i

309  
00:12:31,030 --> 00:12:27,440

couldn't see my hand in front of my face

310  
00:12:32,949 --> 00:12:31,040

without that light i was done

311  
00:12:34,870 --> 00:12:32,959

so i

312  
00:12:36,389 --> 00:12:34,880

like i said i followed it about 30 more

313  
00:12:39,750 --> 00:12:36,399

feet

314

00:12:42,870 --> 00:12:39,760

and

315

00:12:46,150 --> 00:12:42,880

no blood at all

316

00:12:47,269 --> 00:12:46,160

just some tracks and the tracks were

317

00:12:51,829 --> 00:12:47,279

you know

318

00:12:54,230 --> 00:12:51,839

if i had to guess at least 14 inches

319

00:12:56,790 --> 00:12:54,240

they were big big tracks and they had

320

00:12:59,110 --> 00:12:56,800

that tapered down effect to the back of

321

00:13:00,949 --> 00:12:59,120

their leg

322

00:13:03,990 --> 00:13:00,959

and it the

323

00:13:07,750 --> 00:13:04,000

what i saw had hawks on it

324

00:13:10,310 --> 00:13:07,760

it had hawks just like a dog leg

325

00:13:12,069 --> 00:13:10,320

and they bent backwards

326

00:13:14,629 --> 00:13:12,079

but i uh

327

00:13:16,710 --> 00:13:14,639

i worked my way out

328

00:13:19,670 --> 00:13:16,720

and i still hunted the whole way would

329

00:13:21,829 --> 00:13:19,680

take a couple steps stop listen shine my

330

00:13:24,470 --> 00:13:21,839

light around make sure i wasn't being

331

00:13:27,190 --> 00:13:24,480

followed or set up for an ambush

332

00:13:28,790 --> 00:13:27,200

and i did that for two miles i walked

333

00:13:31,829 --> 00:13:28,800

two miles out of the way

334

00:13:33,590 --> 00:13:31,839

keep in mind to get there i walked about

335

00:13:35,110 --> 00:13:33,600

500 yards

336

00:13:38,230 --> 00:13:35,120

straight line

337

00:13:40,629 --> 00:13:38,240

but to follow a wide open trail and to

338

00:13:43,590 --> 00:13:40,639

work my way back to a main paved road it

339

00:13:45,590 --> 00:13:43,600

was about two miles that was smart

340

00:13:47,350 --> 00:13:45,600

that was smart

341

00:13:49,670 --> 00:13:47,360

wow so what's the first thing you

342

00:13:51,189 --> 00:13:49,680

thought i mean well when you saw this

343

00:13:54,710 --> 00:13:51,199

thing

344

00:13:57,110 --> 00:13:54,720

you you thought it was a a huge coyote

345

00:13:58,230 --> 00:13:57,120

but what how did your mind work after

346

00:13:59,670 --> 00:13:58,240

that

347

00:14:02,629 --> 00:13:59,680

did you think you just saw something

348

00:14:05,430 --> 00:14:02,639

supernatural or what

349

00:14:07,350 --> 00:14:05,440

to be honest it happened so fast

350

00:14:09,189 --> 00:14:07,360

[Music]

351  
00:14:11,590 --> 00:14:09,199  
i still have trouble wrapping my head

352  
00:14:13,030 --> 00:14:11,600  
around it i bet did it i mean it was

353  
00:14:14,710 --> 00:14:13,040  
just

354  
00:14:17,509 --> 00:14:14,720  
you know you don't expect to turn on a

355  
00:14:19,750 --> 00:14:17,519  
latency a real life werewolf standing in

356  
00:14:20,790 --> 00:14:19,760  
front of you you know yeah

357  
00:14:23,430 --> 00:14:20,800  
and

358  
00:14:25,829 --> 00:14:23,440  
like i said i already had my gun leveled

359  
00:14:27,670 --> 00:14:25,839  
because i was planning on shooting at

360  
00:14:30,790 --> 00:14:27,680  
something already

361  
00:14:33,590 --> 00:14:30,800  
but once it stood up and took a step

362  
00:14:35,910 --> 00:14:33,600  
that i took that as aggressive

363  
00:14:38,870 --> 00:14:35,920

and that's when i shot i mean

364

00:14:45,509 --> 00:14:42,870

two to three seconds max

365

00:14:47,750 --> 00:14:45,519

and

366

00:14:49,269 --> 00:14:47,760

that that was it i mean that

367

00:14:52,069 --> 00:14:49,279

i fired

368

00:14:54,550 --> 00:14:52,079

well it's probably good you had you had

369

00:14:57,030 --> 00:14:54,560

two shot in there instead of a upland

370

00:14:59,829 --> 00:14:57,040

game load of maybe six

371

00:15:01,750 --> 00:14:59,839

or seven you know because uh

372

00:15:03,509 --> 00:15:01,760

i mean you had a little stopping power

373

00:15:04,790 --> 00:15:03,519

then you got your i mean you got its

374

00:15:07,430 --> 00:15:04,800

attention

375

00:15:09,670 --> 00:15:07,440

um right so you know the thing took off

376

00:15:11,430 --> 00:15:09,680

and took all well and uh

377

00:15:12,550 --> 00:15:11,440

fortunately you never met up with it

378

00:15:14,230 --> 00:15:12,560

again

379

00:15:16,949 --> 00:15:14,240

but uh you kind of believe it was

380

00:15:18,790 --> 00:15:16,959

healing itself which

381

00:15:20,150 --> 00:15:18,800

you know with all the all the stories

382

00:15:22,069 --> 00:15:20,160

i've heard especially here in

383

00:15:26,069 --> 00:15:22,079

pennsylvania with these upright canines

384

00:15:27,910 --> 00:15:26,079

or even the quadrupeds um

385

00:15:29,670 --> 00:15:27,920

there's some pretty weird stuff i mean

386

00:15:32,550 --> 00:15:29,680

they they all like you said the

387

00:15:35,749 --> 00:15:32,560

description was very dead on what we get

388

00:15:37,829 --> 00:15:35,759

huge beings um very muscular

389

00:15:39,430 --> 00:15:37,839

yeah if i had to put arnold

390

00:15:42,470 --> 00:15:39,440

schwarzenegger

391

00:15:43,670 --> 00:15:42,480

but make him about two foot taller

392

00:15:45,829 --> 00:15:43,680

and and

393

00:15:48,470 --> 00:15:45,839

even bigger than he was when he was mr

394

00:15:49,189 --> 00:15:48,480

universe i mean just chiseled chiseled

395

00:15:51,030 --> 00:15:49,199

out

396

00:15:53,910 --> 00:15:51,040

it didn't have a whole lot of hair on

397

00:15:56,310 --> 00:15:53,920

its front right the hair was

398

00:15:58,629 --> 00:15:56,320

up here from what i could see

399

00:16:00,470 --> 00:15:58,639

it had the ears on top of its head like

400

00:16:01,430 --> 00:16:00,480

this with the tufts on them

401  
00:16:03,509 --> 00:16:01,440  
but it's

402  
00:16:05,670 --> 00:16:03,519  
i mostly noticed hair whenever after i

403  
00:16:07,509 --> 00:16:05,680  
shot and it turned to run

404  
00:16:10,629 --> 00:16:07,519  
that's when i saw the hair on it and it

405  
00:16:12,949 --> 00:16:10,639  
had a stumpy little tail i mean

406  
00:16:17,110 --> 00:16:12,959  
you know not

407  
00:16:21,030 --> 00:16:19,189  
huh

408  
00:16:22,790 --> 00:16:21,040  
well you know a lot of times when we get

409  
00:16:24,470 --> 00:16:22,800  
these reports people don't even mention

410  
00:16:26,629 --> 00:16:24,480  
the tail you know they don't

411  
00:16:28,150 --> 00:16:26,639  
they're too busy looking at the the

412  
00:16:29,749 --> 00:16:28,160  
mouth and the size of the thing let

413  
00:16:32,629 --> 00:16:29,759

alone to look at a tail

414

00:16:34,310 --> 00:16:32,639

so but you know small tail like that it

415

00:16:36,870 --> 00:16:34,320

that is unusual

416

00:16:39,430 --> 00:16:36,880

well it never opened its mouth at me oh

417

00:16:41,430 --> 00:16:39,440

didn't it no it didn't bear it's this

418

00:16:43,749 --> 00:16:41,440

one didn't bare teeth at me at all it

419

00:16:45,189 --> 00:16:43,759

just it made that aggressive gesture

420

00:16:47,590 --> 00:16:45,199

towards me and

421

00:16:49,110 --> 00:16:47,600

that's all i needed

422

00:16:51,189 --> 00:16:49,120

wow

423

00:16:53,110 --> 00:16:51,199

that's a that that's that's remarkable

424

00:16:54,949 --> 00:16:53,120

that is really remarkable does it still

425

00:16:56,629 --> 00:16:54,959

affect you to this day

426  
00:16:57,990 --> 00:16:56,639  
because i can see it okay you guys are

427  
00:17:02,310 --> 00:16:58,000  
talking about it

428  
00:17:04,549 --> 00:17:02,320  
yeah i still have some issues with it um

429  
00:17:07,829 --> 00:17:04,559  
i i like to say i'm heavily medicated

430  
00:17:13,429 --> 00:17:08,949  
because

431  
00:17:14,789 --> 00:17:13,439  
um i i take medication for ptsd yeah and

432  
00:17:17,270 --> 00:17:14,799  
for um

433  
00:17:18,470 --> 00:17:17,280  
bipolar

434  
00:17:19,829 --> 00:17:18,480  
yeah

435  
00:17:21,429 --> 00:17:19,839  
interesting

436  
00:17:22,710 --> 00:17:21,439  
um

437  
00:17:24,630 --> 00:17:22,720  
well you know

438  
00:17:27,029 --> 00:17:24,640

and you know as well as anybody that

439

00:17:28,470 --> 00:17:27,039

greene county is a i mean greene county

440

00:17:30,310 --> 00:17:28,480

people don't know is

441

00:17:33,110 --> 00:17:30,320

right in the southwest corner of

442

00:17:35,190 --> 00:17:33,120

pennsylvania uh you know that area then

443

00:17:37,750 --> 00:17:35,200

going into um you know into west

444

00:17:40,230 --> 00:17:37,760

virginia and and to ohio then of course

445

00:17:42,549 --> 00:17:40,240

over in washington county i have had a

446

00:17:44,310 --> 00:17:42,559

lot of cryptid activity over the years

447

00:17:46,630 --> 00:17:44,320

and um

448

00:17:47,909 --> 00:17:46,640

but you know there was actually a book

449

00:17:48,789 --> 00:17:47,919

written

450

00:17:50,789 --> 00:17:48,799

um

451  
00:17:53,909 --> 00:17:50,799  
about greene county and the cryptids in

452  
00:17:55,510 --> 00:17:53,919  
green county and um

453  
00:17:57,990 --> 00:17:55,520  
yeah you know when i sent your account

454  
00:17:59,909 --> 00:17:58,000  
over to to stan gordon

455  
00:18:01,430 --> 00:17:59,919  
he had told me he had heard about your

456  
00:18:03,590 --> 00:18:01,440  
account before

457  
00:18:06,390 --> 00:18:03,600  
uh and that you know you know he wasn't

458  
00:18:08,950 --> 00:18:06,400  
really surprised by it and you know i

459  
00:18:11,590 --> 00:18:08,960  
the the accounts that i have heard

460  
00:18:13,750 --> 00:18:11,600  
in in greene county and the and you've

461  
00:18:15,190 --> 00:18:13,760  
read mine with the dark walk or whatever

462  
00:18:17,190 --> 00:18:15,200  
the hell that thing was i don't even

463  
00:18:18,789 --> 00:18:17,200

know what that was yet that may very

464

00:18:19,750 --> 00:18:18,799

well been an upright canine but it was

465

00:18:21,830 --> 00:18:19,760

just

466

00:18:23,990 --> 00:18:21,840

and it was different i mean

467

00:18:26,710 --> 00:18:24,000

that one was killed i mean that guy

468

00:18:28,549 --> 00:18:26,720

literally killed that thing so

469

00:18:31,029 --> 00:18:28,559

but yeah i remember reading about that

470

00:18:33,110 --> 00:18:31,039

that he shot it yeah

471

00:18:35,590 --> 00:18:33,120

yeah because the witness i mean the

472

00:18:38,070 --> 00:18:35,600

younger boy he he was looking at the

473

00:18:40,310 --> 00:18:38,080

side out of the living room out into the

474

00:18:44,470 --> 00:18:40,320

driveway and he saw this thing laying

475

00:18:47,110 --> 00:18:44,480

the back of the pickup so um yeah

476

00:18:48,789 --> 00:18:47,120

interesting well now of course that

477

00:18:51,270 --> 00:18:48,799

isn't the only setting you had the only

478

00:18:53,830 --> 00:18:51,280

encounter you had the leo was a bit more

479

00:18:56,870 --> 00:18:53,840

physical why don't you give us an idea

480

00:18:58,470 --> 00:18:56,880

and give us tell us about that one well

481

00:19:00,950 --> 00:18:58,480

um

482

00:19:03,029 --> 00:19:00,960

the my second encounter was the

483

00:19:03,909 --> 00:19:03,039

following summer

484

00:19:09,669 --> 00:19:03,919

after

485

00:19:11,590 --> 00:19:09,679

following summer 03 i was 17

486

00:19:12,870 --> 00:19:11,600

and i was walking up

487

00:19:15,590 --> 00:19:12,880

uh

488

00:19:17,909 --> 00:19:15,600

our our main road that takes you out of

489

00:19:19,270 --> 00:19:17,919

town i was walking up it

490

00:19:20,390 --> 00:19:19,280

and about

491

00:19:24,710 --> 00:19:20,400

50

492

00:19:28,870 --> 00:19:24,720

to 60 feet down the road in front of me

493

00:19:31,510 --> 00:19:28,880

this it i mean it looked like

494

00:19:33,510 --> 00:19:31,520

if you took three

495

00:19:34,710 --> 00:19:33,520

bull mastiffs and put them on top of

496

00:19:36,870 --> 00:19:34,720

each other

497

00:19:38,630 --> 00:19:36,880

just that build that

498

00:19:40,789 --> 00:19:38,640

size

499

00:19:43,590 --> 00:19:40,799

and the head looked it had the

500

00:19:45,510 --> 00:19:43,600

coloration of almost of a rottweiler

501  
00:19:47,909 --> 00:19:45,520  
with doberman ears it didn't have the

502  
00:19:50,950 --> 00:19:47,919  
tufts on its ears like the first one did

503  
00:19:54,630 --> 00:19:50,960  
but it it had the pointed ears

504  
00:19:56,710 --> 00:19:54,640  
well anyway um like i said 50 60 feet

505  
00:19:57,990 --> 00:19:56,720  
away

506  
00:20:06,470 --> 00:19:58,000  
i

507  
00:20:08,710 --> 00:20:06,480  
and

508  
00:20:09,990 --> 00:20:08,720  
the only thing i could do i i didn't

509  
00:20:11,750 --> 00:20:10,000  
even think

510  
00:20:15,190 --> 00:20:11,760  
i just reacted

511  
00:20:18,789 --> 00:20:15,200  
was i turned my body to the right

512  
00:20:21,270 --> 00:20:18,799  
and pushed my left arm out i made a fist

513  
00:20:22,310 --> 00:20:21,280

and pushed my left arm out as hard as i

514

00:20:25,510 --> 00:20:22,320

could

515

00:20:28,549 --> 00:20:25,520

and luckily when it opened its mouth

516

00:20:32,870 --> 00:20:28,559

my hand went right down its throat

517

00:20:34,870 --> 00:20:32,880

and i pushed for everything i had i got

518

00:20:37,270 --> 00:20:34,880

just passed my elbow

519

00:20:40,470 --> 00:20:37,280

into its throat

520

00:20:42,470 --> 00:20:40,480

and then i laid over top of it i grabbed

521

00:20:44,630 --> 00:20:42,480

it around the neck with my right arm and

522

00:20:47,350 --> 00:20:44,640

fell on top of it

523

00:20:50,149 --> 00:20:47,360

and i at first like i told you before i

524

00:20:52,950 --> 00:20:50,159

thought it was just a big dog

525

00:20:55,590 --> 00:20:52,960

until it grabbed me by the leg

526

00:20:57,669 --> 00:20:55,600

you know it grabbed me with a actual

527

00:21:00,230 --> 00:20:57,679

hand

528

00:21:02,710 --> 00:21:00,240

and luckily i was wearing briar guards

529

00:21:04,710 --> 00:21:02,720

real heavy briar guards uh because me

530

00:21:06,710 --> 00:21:04,720

and a friend that's where i was walking

531

00:21:08,549 --> 00:21:06,720

to was my friend's house we had planned

532

00:21:11,110 --> 00:21:08,559

on clearing out some multiflora rose

533

00:21:12,630 --> 00:21:11,120

bushes and stuff to make a little

534

00:21:14,830 --> 00:21:12,640

campground

535

00:21:17,830 --> 00:21:14,840

and luckily i had those

536

00:21:19,590 --> 00:21:17,840

heavy heavy pants on because i think if

537

00:21:21,190 --> 00:21:19,600

i didn't i would have had some serious

538

00:21:24,470 --> 00:21:21,200

wounds

539

00:21:26,710 --> 00:21:24,480

um but like i said i laid on top of it

540

00:21:28,630 --> 00:21:26,720

for two to three minutes i'm laying in

541

00:21:30,310 --> 00:21:28,640

the middle of the road with this thing

542

00:21:31,990 --> 00:21:30,320

you know

543

00:21:34,549 --> 00:21:32,000

i'm just i'm waiting for a car to come

544

00:21:35,990 --> 00:21:34,559

and just run us both over

545

00:21:43,110 --> 00:21:36,000

and

546

00:21:44,789 --> 00:21:43,120

decided it was time to get up because i

547

00:21:47,110 --> 00:21:44,799

i thought i might i might have

548

00:21:49,830 --> 00:21:47,120

suffocated it at that point because i

549

00:21:52,870 --> 00:21:49,840

had held it for three minutes

550

00:21:55,669 --> 00:21:52,880

at least two to three minutes at least

551  
00:21:58,950 --> 00:21:55,679  
and i was a lot stronger than i am now

552  
00:22:00,470 --> 00:21:58,960  
back then and i i could feel its

553  
00:22:04,070 --> 00:22:00,480  
bones and stuff

554  
00:22:06,310 --> 00:22:04,080  
shifting under my squeezing it

555  
00:22:08,149 --> 00:22:06,320  
so i thought maybe i had suffocated it

556  
00:22:10,950 --> 00:22:08,159  
and i stood up

557  
00:22:14,390 --> 00:22:10,960  
pulled my arm out of it shook that

558  
00:22:16,630 --> 00:22:14,400  
god-awful death smelling

559  
00:22:19,430 --> 00:22:16,640  
mucus off of me i mean that's the only

560  
00:22:21,270 --> 00:22:19,440  
thing i can akin it to is if you've ever

561  
00:22:23,590 --> 00:22:21,280  
been riding down the road

562  
00:22:25,270 --> 00:22:23,600  
100 degrees outside and there's a dead

563  
00:22:27,029 --> 00:22:25,280

bloated deer on the side of the road

564

00:22:27,909 --> 00:22:27,039

that ruptured

565

00:22:33,350 --> 00:22:27,919

that's

566

00:22:35,350 --> 00:22:33,360

and i mean it was gagging me mm-hmm i'm

567

00:22:36,950 --> 00:22:35,360

sitting here scraping this stuff off me

568

00:22:39,750 --> 00:22:36,960

like yes you know just trying to get it

569

00:22:40,870 --> 00:22:39,760

off me because it was so putrid

570

00:22:49,350 --> 00:22:40,880

and

571

00:22:51,350 --> 00:22:49,360

gonna do now you know

572

00:22:52,470 --> 00:22:51,360

[Laughter]

573

00:22:54,470 --> 00:22:52,480

luckily

574

00:22:56,390 --> 00:22:54,480

it just gave me this look like it locked

575

00:22:57,830 --> 00:22:56,400

eyes with me and it had the most

576  
00:23:00,390 --> 00:22:57,840  
beautiful

577  
00:23:02,630 --> 00:23:00,400  
amber colored eyes that i've ever seen

578  
00:23:04,789 --> 00:23:02,640  
on any creature

579  
00:23:05,990 --> 00:23:04,799  
it's like if you held a beer up to the

580  
00:23:07,669 --> 00:23:06,000  
sunlight

581  
00:23:09,750 --> 00:23:07,679  
how that light cascades through and it

582  
00:23:11,510 --> 00:23:09,760  
gives it that real rich amber color

583  
00:23:14,710 --> 00:23:11,520  
that's that's exactly what it looked

584  
00:23:17,909 --> 00:23:14,720  
like with big black pupils

585  
00:23:20,630 --> 00:23:17,919  
but it locked eyes with me

586  
00:23:22,789 --> 00:23:20,640  
and it just gave me this vibe it didn't

587  
00:23:24,870 --> 00:23:22,799  
mind speak like i've heard some people

588  
00:23:25,990 --> 00:23:24,880

say they've mind speak

589

00:23:29,590 --> 00:23:26,000

with them

590

00:23:32,390 --> 00:23:29,600

um it didn't do that but it kind of just

591

00:23:34,549 --> 00:23:32,400

gave me this vibe of like you bastard

592

00:23:36,950 --> 00:23:34,559

you know you beat me

593

00:23:39,270 --> 00:23:36,960

and yeah after it

594

00:23:41,350 --> 00:23:39,280

gave me that it ran right past me and

595

00:23:43,750 --> 00:23:41,360

ran right back into the woods

596

00:23:45,990 --> 00:23:43,760

[Music]

597

00:23:48,630 --> 00:23:46,000

and i i never saw

598

00:23:51,029 --> 00:23:48,640

that again

599

00:23:54,149 --> 00:23:51,039

have you ever had any indications of

600

00:23:56,230 --> 00:23:54,159

other uh uh cryptic canines around your

601  
00:23:58,149 --> 00:23:56,240  
area or since then

602  
00:24:01,510 --> 00:23:58,159  
oh yeah um

603  
00:24:03,110 --> 00:24:01,520  
at my i still to this day my mother

604  
00:24:05,269 --> 00:24:03,120  
actually told me she heard a woman

605  
00:24:08,070 --> 00:24:05,279  
crying in the woods at

606  
00:24:09,669 --> 00:24:08,080  
like midnight one night

607  
00:24:11,590 --> 00:24:09,679  
she walked to the edge of the woods and

608  
00:24:14,470 --> 00:24:11,600  
said do you need help

609  
00:24:17,190 --> 00:24:14,480  
i'll help you and it stopped crying for

610  
00:24:19,909 --> 00:24:17,200  
a second and then just continued and she

611  
00:24:21,590 --> 00:24:19,919  
said i'll help you do you need help

612  
00:24:23,190 --> 00:24:21,600  
and it just kept crying and she said

613  
00:24:24,470 --> 00:24:23,200

well if you can't answer me you don't

614

00:24:27,029 --> 00:24:24,480

need my help

615

00:24:29,590 --> 00:24:27,039

because i had just told her about

616

00:24:31,350 --> 00:24:29,600

the dog man and stuff in the area

617

00:24:34,310 --> 00:24:31,360

and she's like i wasn't taking no

618

00:24:37,430 --> 00:24:34,320

chances with that thing you know

619

00:24:39,029 --> 00:24:37,440

but we still to this day we get

620

00:24:41,350 --> 00:24:39,039

late at night

621

00:24:44,070 --> 00:24:41,360

whenever i stay down there

622

00:24:46,149 --> 00:24:44,080

we get stuff knocking on the windows

623

00:24:47,269 --> 00:24:46,159

knocking on the doors knocking on the

624

00:24:49,669 --> 00:24:47,279

walls

625

00:24:51,350 --> 00:24:49,679

and i have two big pitbull german

626

00:24:53,750 --> 00:24:51,360

shepherd mixes

627

00:24:55,909 --> 00:24:53,760

and normally they're the kind of dogs

628

00:24:57,830 --> 00:24:55,919

that like if a dirt bike goes by they

629

00:25:00,549 --> 00:24:57,840

try to tackle the guy off a dirt bike

630

00:25:04,390 --> 00:25:00,559

you know they're they're not scared but

631

00:25:06,470 --> 00:25:04,400

they cower it's like they know when it's

632

00:25:08,789 --> 00:25:06,480

you know when it's not a good thing to

633

00:25:09,830 --> 00:25:08,799

be tangling with they they hide in a

634

00:25:12,870 --> 00:25:09,840

corner

635

00:25:16,470 --> 00:25:12,880

they don't even bark or anything

636

00:25:18,630 --> 00:25:16,480

um the the one night it was a couple

637

00:25:20,789 --> 00:25:18,640

years ago

638

00:25:22,149 --> 00:25:20,799

um

639

00:25:24,230 --> 00:25:22,159

every winter

640

00:25:25,990 --> 00:25:24,240

i take two by fours and put them over

641

00:25:27,669 --> 00:25:26,000

our basement doors we have double doors

642

00:25:30,470 --> 00:25:27,679

in the basement

643

00:25:33,190 --> 00:25:30,480

and i put two by fours one high one

644

00:25:36,149 --> 00:25:33,200

immediate one in the middle and one low

645

00:25:38,070 --> 00:25:36,159

and then i put tarps over it

646

00:25:40,149 --> 00:25:38,080

to try to keep the weather out and to

647

00:25:42,950 --> 00:25:40,159

keep the doors from banging because they

648

00:25:44,390 --> 00:25:42,960

they move in the wind well i used three

649

00:25:47,830 --> 00:25:44,400

and a half inch

650

00:25:51,029 --> 00:25:47,840

deck screws to put them up with

651  
00:25:53,510 --> 00:25:51,039  
and something 3 30 4 o'clock in the

652  
00:25:55,269 --> 00:25:53,520  
morning i was upstairs

653  
00:25:56,630 --> 00:25:55,279  
i had fell asleep in the chair in the

654  
00:25:59,510 --> 00:25:56,640  
living room

655  
00:26:02,470 --> 00:25:59,520  
and i heard it sounded like um

656  
00:26:03,669 --> 00:26:02,480  
if you ever tried to drill a screw into

657  
00:26:05,029 --> 00:26:03,679  
wood

658  
00:26:07,110 --> 00:26:05,039  
without drilling a pilot hole and it

659  
00:26:08,230 --> 00:26:07,120  
makes that real high pitch blinding

660  
00:26:12,710 --> 00:26:08,240  
sound

661  
00:26:14,230 --> 00:26:12,720  
intermittent bursts like

662  
00:26:15,269 --> 00:26:14,240  
like yeah

663  
00:26:16,630 --> 00:26:15,279

and

664

00:26:19,510 --> 00:26:16,640

i was wondering what it was it was

665

00:26:21,029 --> 00:26:19,520

coming from the basement so i i grabbed

666

00:26:22,870 --> 00:26:21,039

my handgun

667

00:26:24,630 --> 00:26:22,880

and i went down into the basement and it

668

00:26:27,190 --> 00:26:24,640

had already quit

669

00:26:29,110 --> 00:26:27,200

but those screws were pushed out a good

670

00:26:30,950 --> 00:26:29,120

inch inch and a half

671

00:26:32,470 --> 00:26:30,960

and the boards were

672

00:26:36,070 --> 00:26:32,480

cracking

673

00:26:38,390 --> 00:26:36,080

so whatever it was it it wasn't a person

674

00:26:39,909 --> 00:26:38,400

because i don't know too many people

675

00:26:43,590 --> 00:26:39,919

that are strong enough to break three

676  
00:26:45,990 --> 00:26:43,600  
two by fours on a padlock door

677  
00:26:47,269 --> 00:26:46,000  
i mean if you think about it torque wise

678  
00:26:49,110 --> 00:26:47,279  
that would have had to have been at

679  
00:26:51,190 --> 00:26:49,120  
least eight to a thousand eight hundred

680  
00:26:52,310 --> 00:26:51,200  
to a thousand pounds of

681  
00:26:55,750 --> 00:26:52,320  
of uh

682  
00:26:59,029 --> 00:26:55,760  
pull on that thing just to get it loose

683  
00:27:01,510 --> 00:26:59,039  
screws if not more

684  
00:27:03,909 --> 00:27:01,520  
the thing that got me is it didn't even

685  
00:27:06,950 --> 00:27:03,919  
cut the tarp on the outside of the door

686  
00:27:08,630 --> 00:27:06,960  
is that right it didn't leave a single

687  
00:27:11,029 --> 00:27:08,640  
mark on that door

688  
00:27:13,830 --> 00:27:11,039

so it must have used like the flat parts

689

00:27:16,870 --> 00:27:13,840

of its hands yeah it just leaned against

690

00:27:18,789 --> 00:27:16,880

the door trying to push it open

691

00:27:20,470 --> 00:27:18,799

that's that's what i think it was doing

692

00:27:23,350 --> 00:27:20,480

it was trying to

693

00:27:26,310 --> 00:27:23,360

test that door to see if it could get in

694

00:27:28,950 --> 00:27:26,320

because it was only

695

00:27:31,190 --> 00:27:28,960

a month before that we had

696

00:27:34,789 --> 00:27:31,200

stuff getting thrown against the windows

697

00:27:37,350 --> 00:27:34,799

and that tap tap tap of of a nail on the

698

00:27:39,669 --> 00:27:37,360

window and it was in my mother's bedroom

699

00:27:42,230 --> 00:27:39,679

and her room's only about five feet off

700

00:27:44,789 --> 00:27:42,240

the ground and it it was tapping the

701  
00:27:47,269 --> 00:27:44,799  
upper part of the window which is about

702  
00:27:48,710 --> 00:27:47,279  
eight foot

703  
00:27:51,430 --> 00:27:48,720  
um

704  
00:27:53,110 --> 00:27:51,440  
so i'm not surprised that it was trying

705  
00:27:54,310 --> 00:27:53,120  
to get in

706  
00:27:56,230 --> 00:27:54,320  
you know i

707  
00:27:57,029 --> 00:27:56,240  
i don't know if there's a population of

708  
00:27:59,669 --> 00:27:57,039  
them

709  
00:28:00,549 --> 00:27:59,679  
or if there's just a handful

710  
00:28:01,510 --> 00:28:00,559  
but

711  
00:28:03,750 --> 00:28:01,520  
it's like

712  
00:28:06,470 --> 00:28:03,760  
they have a vendetta against me they

713  
00:28:07,830 --> 00:28:06,480

know my scent they followed me right to

714

00:28:09,590 --> 00:28:07,840

my house

715

00:28:13,510 --> 00:28:09,600

even though i went two miles out of the

716

00:28:15,350 --> 00:28:13,520

way to get back home that time

717

00:28:17,909 --> 00:28:15,360

they followed me they centered me they

718

00:28:21,029 --> 00:28:17,919

tracked me down like i was like i had

719

00:28:24,470 --> 00:28:22,470

well your story is probably one of the

720

00:28:27,350 --> 00:28:24,480

most horrific ones i've heard anywhere

721

00:28:29,190 --> 00:28:27,360

let alone pennsylvania i mean that's

722

00:28:32,230 --> 00:28:29,200

that's that's just wild you know i've

723

00:28:34,549 --> 00:28:32,240

had stories and encounters where

724

00:28:36,310 --> 00:28:34,559

even hunters would walk up but they're

725

00:28:39,990 --> 00:28:36,320

you know they don't have any but maybe a

726  
00:28:41,590 --> 00:28:40,000  
deer rifle or at the most but maybe most

727  
00:28:43,590 --> 00:28:41,600  
of the time it's woodland

728  
00:28:46,470 --> 00:28:43,600  
you know upland

729  
00:28:48,070 --> 00:28:46,480  
game shot and um

730  
00:28:49,669 --> 00:28:48,080  
they will walk up to these things now

731  
00:28:51,909 --> 00:28:49,679  
these things will stand the ground they

732  
00:28:54,149 --> 00:28:51,919  
really will i mean they they

733  
00:28:55,510 --> 00:28:54,159  
very rarely back away

734  
00:28:57,430 --> 00:28:55,520  
and uh

735  
00:28:59,909 --> 00:28:57,440  
i don't know how tall this one was you

736  
00:29:01,750 --> 00:28:59,919  
saw but i you know

737  
00:29:04,389 --> 00:29:01,760  
i've had people telling me nine to ten

738  
00:29:06,549 --> 00:29:04,399

foot so you may very well be the same

739

00:29:08,389 --> 00:29:06,559

thing you saw um

740

00:29:10,710 --> 00:29:08,399

you know have you heard of anybody else

741

00:29:12,630 --> 00:29:10,720

in your area that had any type of

742

00:29:13,669 --> 00:29:12,640

encounter or people just keep them quiet

743

00:29:17,909 --> 00:29:13,679

about it

744

00:29:19,269 --> 00:29:17,919

um i believe it was in 2004

745

00:29:21,430 --> 00:29:19,279

a group of

746

00:29:23,430 --> 00:29:21,440

kids were on their bicycles on the same

747

00:29:24,870 --> 00:29:23,440

exact road where i had my second

748

00:29:27,190 --> 00:29:24,880

encounter

749

00:29:29,990 --> 00:29:27,200

they were playing around riding their

750

00:29:31,669 --> 00:29:30,000

bikes in a little area and they saw a uh

751  
00:29:33,350 --> 00:29:31,679  
eight foot tall

752  
00:29:34,950 --> 00:29:33,360  
hairy man

753  
00:29:36,789 --> 00:29:34,960  
they didn't know how what they were

754  
00:29:39,350 --> 00:29:36,799  
younger kids like in their you know like

755  
00:29:41,669 --> 00:29:39,360  
12 10 and 12 years old

756  
00:29:44,070 --> 00:29:41,679  
and they they just said that they had

757  
00:29:45,830 --> 00:29:44,080  
seen a hairy man

758  
00:29:46,789 --> 00:29:45,840  
but he was huge

759  
00:29:48,389 --> 00:29:46,799  
you know

760  
00:29:49,510 --> 00:29:48,399  
dwarfed them

761  
00:29:52,950 --> 00:29:49,520  
um

762  
00:29:56,870 --> 00:29:52,960  
my first encounter i would put

763  
00:29:59,350 --> 00:29:56,880

that dog man at

764

00:30:00,789 --> 00:29:59,360

at least seven and a half to eight foot

765

00:30:03,190 --> 00:30:00,799

tall

766

00:30:05,510 --> 00:30:03,200

like i said i was sitting down so it did

767

00:30:07,590 --> 00:30:05,520

embellish the height a little bit to me

768

00:30:09,190 --> 00:30:07,600

because i you know i wasn't standing up

769

00:30:12,149 --> 00:30:09,200

to kind of get

770

00:30:14,549 --> 00:30:12,159

that height to it yeah but

771

00:30:16,310 --> 00:30:14,559

i would say at least seven and a half

772

00:30:20,789 --> 00:30:16,320

eight foot tall and

773

00:30:24,710 --> 00:30:22,630

did you ever see any eye color in your

774

00:30:25,750 --> 00:30:24,720

first one i mean on the one that stood

775

00:30:26,630 --> 00:30:25,760

up

776

00:30:29,190 --> 00:30:26,640

no

777

00:30:31,510 --> 00:30:29,200

it its eyes were red but like i said i

778

00:30:33,590 --> 00:30:31,520

had that red filter on so

779

00:30:35,590 --> 00:30:33,600

i'm assuming that it was because of the

780

00:30:37,669 --> 00:30:35,600

filter

781

00:30:40,710 --> 00:30:37,679

well i tell ya you know i spent a lot of

782

00:30:43,669 --> 00:30:40,720

time on my my aunt and uncle's farm and

783

00:30:45,830 --> 00:30:43,679

i used to hunt a lot of hunting in there

784

00:30:49,430 --> 00:30:45,840

and like like you had there was a lot of

785

00:30:50,630 --> 00:30:49,440

field and a lot of woods attached to it

786

00:30:52,310 --> 00:30:50,640

uh

787

00:30:53,750 --> 00:30:52,320

you know i don't know how much i would

788

00:30:55,909 --> 00:30:53,760

hunting i would do there anymore if

789

00:30:57,190 --> 00:30:55,919

after hearing a story like that because

790

00:30:59,669 --> 00:30:57,200

uh

791

00:31:01,750 --> 00:30:59,679

you know i'll be honest with you i

792

00:31:03,190 --> 00:31:01,760

ever since i started looking into all

793

00:31:05,110 --> 00:31:03,200

this stuff you know i had my first

794

00:31:07,669 --> 00:31:05,120

encounter in 81

795

00:31:10,230 --> 00:31:07,679

right with a bigfoot and um quite

796

00:31:11,430 --> 00:31:10,240

frankly i i have had no intention going

797

00:31:13,750 --> 00:31:11,440

in the woods

798

00:31:14,710 --> 00:31:13,760

armed or otherwise since then you know

799

00:31:16,149 --> 00:31:14,720

because

800

00:31:17,669 --> 00:31:16,159

there's just more stuff out there than

801  
00:31:21,830 --> 00:31:17,679  
people realize

802  
00:31:23,909 --> 00:31:21,840  
oh it it scars you yeah it does i mean

803  
00:31:26,710 --> 00:31:23,919  
um

804  
00:31:28,950 --> 00:31:26,720  
like you you can you could talk to my

805  
00:31:30,470 --> 00:31:28,960  
father because we used to go

806  
00:31:32,630 --> 00:31:30,480  
hunting together

807  
00:31:34,950 --> 00:31:32,640  
you know frequently

808  
00:31:39,590 --> 00:31:34,960  
and

809  
00:31:42,310 --> 00:31:39,600  
recently about the dog man encounters

810  
00:31:43,990 --> 00:31:42,320  
and stuff because i just

811  
00:31:45,509 --> 00:31:44,000  
i didn't even think

812  
00:31:47,350 --> 00:31:45,519  
this was something that people were

813  
00:31:49,029 --> 00:31:47,360

seeing until i started doing my own

814

00:31:50,950 --> 00:31:49,039

research and finding out wow there's a

815

00:31:53,909 --> 00:31:50,960

lot of these things

816

00:31:56,230 --> 00:31:53,919

and but he could tell you he i'm sure he

817

00:31:58,470 --> 00:31:56,240

noticed a time where i was bright-eyed

818

00:32:00,789 --> 00:31:58,480

bushy-tailed ready to go

819

00:32:03,509 --> 00:32:00,799

and then i kind of like i'd rather stay

820

00:32:07,190 --> 00:32:05,430

yeah i don't blame you i mean if i if i

821

00:32:08,470 --> 00:32:07,200

was that age and saw something like that

822

00:32:10,310 --> 00:32:08,480

i would definitely

823

00:32:12,230 --> 00:32:10,320

be thinking twice about even going back

824

00:32:14,310 --> 00:32:12,240

out there especially at nighttime

825

00:32:15,909 --> 00:32:14,320

you know after coyote hunting i mean god

826

00:32:17,269 --> 00:32:15,919

you know just no way in hell i'd be

827

00:32:19,509 --> 00:32:17,279

doing that

828

00:32:21,190 --> 00:32:19,519

so i let me uh i'm gonna tell the the

829

00:32:24,630 --> 00:32:21,200

chat the folks in the chat if you've got

830

00:32:28,950 --> 00:32:24,640

a question put it up on all cap letters

831

00:32:31,269 --> 00:32:28,960

and uh you know we'll get it over to uh

832

00:32:34,549 --> 00:32:31,279

uh to james if he done my mind answering

833

00:32:37,990 --> 00:32:34,559

questions uh i i i just find it being

834

00:32:40,149 --> 00:32:38,000

very remarkable you know this phenomena

835

00:32:42,389 --> 00:32:40,159

of the upright canine particular though

836

00:32:44,950 --> 00:32:42,399

we've had the quadrupeds

837

00:32:47,909 --> 00:32:45,830

you know

838

00:32:49,909 --> 00:32:47,919

it's overall it's pretty pretty this you

839

00:32:52,070 --> 00:32:49,919

know pretty similar to that

840

00:32:53,430 --> 00:32:52,080

uh but the fact that you were attacked

841

00:32:54,870 --> 00:32:53,440

by

842

00:32:57,430 --> 00:32:54,880

you know i wish i knew the reason for

843

00:32:59,029 --> 00:32:57,440

that you know if why it would literally

844

00:33:02,310 --> 00:32:59,039

attack you like that

845

00:33:04,710 --> 00:33:02,320

i see i have a theory about that my my

846

00:33:07,269 --> 00:33:04,720

personal opinion is

847

00:33:11,110 --> 00:33:07,279

there's obviously more than one of them

848

00:33:14,389 --> 00:33:11,120

in that area okay and the second

849

00:33:17,669 --> 00:33:14,399

encounter was the a juvenile because it

850

00:33:20,070 --> 00:33:17,679

it could have only weighed 250 pounds

851

00:33:21,669 --> 00:33:20,080

for me to manhandle it right

852

00:33:23,509 --> 00:33:21,679

you know i mean and i didn't really

853

00:33:25,269 --> 00:33:23,519

manhandle it i kind of just lucked out

854

00:33:29,669 --> 00:33:25,279

and fell on it

855

00:33:30,950 --> 00:33:29,679

and you got lucky yeah exactly

856

00:33:31,909 --> 00:33:30,960

and uh

857

00:33:34,549 --> 00:33:31,919

but

858

00:33:37,269 --> 00:33:34,559

it was only about six foot long

859

00:33:39,750 --> 00:33:37,279

not counting and it had a tail it had an

860

00:33:41,909 --> 00:33:39,760

actual long bushy tail

861

00:33:45,110 --> 00:33:41,919

okay um but not counting the tail it was

862

00:33:45,990 --> 00:33:45,120

about six foot long wow

863

00:33:48,310 --> 00:33:46,000

wow

864

00:33:50,830 --> 00:33:48,320

uh we had a question by uh

865

00:33:52,549 --> 00:33:50,840

by james g

866

00:33:54,630 --> 00:33:52,559

yeah no didn't make any sound or

867

00:33:58,789 --> 00:33:54,640

screaming when you shot it

868

00:34:01,110 --> 00:33:58,799

it it made one yip sound it went

869

00:34:03,190 --> 00:34:01,120

like that whenever i hit it and its ears

870

00:34:05,190 --> 00:34:03,200

dropped back and then it took off

871

00:34:06,789 --> 00:34:05,200

running

872

00:34:08,470 --> 00:34:06,799

i imagine it was probably surprised

873

00:34:10,230 --> 00:34:08,480

anything shot at it

874

00:34:11,669 --> 00:34:10,240

but quite honestly

875

00:34:14,230 --> 00:34:11,679

uh that may have been the first time

876  
00:34:15,750 --> 00:34:14,240  
that ever happened but

877  
00:34:18,470 --> 00:34:15,760  
who knows

878  
00:34:21,190 --> 00:34:18,480  
um

879  
00:34:22,790 --> 00:34:21,200  
angie james could you salvage any of the

880  
00:34:26,149 --> 00:34:22,800  
blood

881  
00:34:27,829 --> 00:34:26,159  
no it at that time like i said i was 16

882  
00:34:32,550 --> 00:34:27,839  
and i

883  
00:34:36,710 --> 00:34:34,149  
if

884  
00:34:39,270 --> 00:34:36,720  
you know i i didn't even realize what it

885  
00:34:41,750 --> 00:34:39,280  
happened really it was

886  
00:34:43,190 --> 00:34:41,760  
it was so

887  
00:34:46,790 --> 00:34:43,200  
like i said i still have trouble

888  
00:34:48,710 --> 00:34:46,800

wrapping my mind around it happening

889

00:34:50,310 --> 00:34:48,720

well i i tell you some of the witnesses

890

00:34:52,310 --> 00:34:50,320

we get you know even though the thing

891

00:34:53,990 --> 00:34:52,320

would attack it just

892

00:34:55,430 --> 00:34:54,000

it just stuns the hell out of you and

893

00:34:58,550 --> 00:34:55,440

they're they're basically in shock and

894

00:35:07,829 --> 00:34:58,560

i'm quite sure you're in shock oh

895

00:35:11,750 --> 00:35:09,829

what we got here

896

00:35:13,990 --> 00:35:11,760

okay um

897

00:35:17,670 --> 00:35:14,000

do farm dogs ever hunt these creatures

898

00:35:19,670 --> 00:35:17,680

or do dog dogman ever hunting packs

899

00:35:20,870 --> 00:35:19,680

i i don't know i mean i never heard of

900

00:35:23,670 --> 00:35:20,880

anybody

901  
00:35:25,910 --> 00:35:23,680  
seeing a pack other than two of them

902  
00:35:26,710 --> 00:35:25,920  
uh and these were quadrupeds but they

903  
00:35:28,790 --> 00:35:26,720  
looked

904  
00:35:30,790 --> 00:35:28,800  
that's what the ones i call the dog man

905  
00:35:31,910 --> 00:35:30,800  
the quadrupeds that have like the hyena

906  
00:35:33,030 --> 00:35:31,920  
back and

907  
00:35:37,190 --> 00:35:33,040  
very

908  
00:35:38,870 --> 00:35:37,200  
and i've seen this person i had talked

909  
00:35:41,270 --> 00:35:38,880  
to saw two of them

910  
00:35:44,790 --> 00:35:41,280  
uh but have you ever heard of anybody

911  
00:35:47,030 --> 00:35:44,800  
seeing any of these things in packs

912  
00:35:50,230 --> 00:35:47,040  
i personally haven't i've i've read

913  
00:35:53,430 --> 00:35:50,240

reports that they hunt in packs but

914

00:35:56,069 --> 00:35:53,440

personal experience i don't know i'm i'm

915

00:35:58,950 --> 00:35:56,079

assuming like i said because

916

00:36:00,230 --> 00:35:58,960

these were two different

917

00:36:02,069 --> 00:36:00,240

entities

918

00:36:04,470 --> 00:36:02,079

from my first encounter to my second

919

00:36:06,470 --> 00:36:04,480

encounter there they were two separate

920

00:36:07,750 --> 00:36:06,480

animals you could tell they looked

921

00:36:09,349 --> 00:36:07,760

different

922

00:36:10,710 --> 00:36:09,359

so i mean

923

00:36:13,910 --> 00:36:10,720

like i said is there a breeding

924

00:36:17,349 --> 00:36:13,920

population there possibly

925

00:36:20,310 --> 00:36:17,359

um do they have strong urges of

926

00:36:22,870 --> 00:36:20,320

vengeance possibly

927

00:36:28,470 --> 00:36:22,880

you know i mean i know i'd be po2 if

928

00:36:33,910 --> 00:36:31,430

uh james did the uh did the second one

929

00:36:38,069 --> 00:36:33,920

run away on two legs or on four legs it

930

00:36:40,710 --> 00:36:39,030

okay

931

00:36:43,109 --> 00:36:40,720

well that could either been a young one

932

00:36:44,870 --> 00:36:43,119

or um or you know

933

00:36:46,150 --> 00:36:44,880

maybe just maybe just quarter bed it

934

00:36:49,109 --> 00:36:46,160

could have been just quite a bit you

935

00:36:50,710 --> 00:36:49,119

know we ran across with bigfoot that

936

00:36:52,550 --> 00:36:50,720

you know people won't even see on two

937

00:36:55,109 --> 00:36:52,560

legs at their own four legs

938

00:36:57,589 --> 00:36:55,119

so uh you know who knows

939

00:36:59,109 --> 00:36:57,599

well who's to say that they don't start

940

00:37:01,829 --> 00:36:59,119

out life

941

00:37:04,710 --> 00:37:01,839

on all fours and they adapt as they get

942

00:37:06,550 --> 00:37:04,720

older to walk on two legs who knows we

943

00:37:09,670 --> 00:37:06,560

don't know

944

00:37:11,750 --> 00:37:09,680

um uh does james think these were

945

00:37:13,990 --> 00:37:11,760

werewolves or dog men

946

00:37:15,109 --> 00:37:14,000

i believe they were dog men

947

00:37:17,510 --> 00:37:15,119

do you

948

00:37:19,589 --> 00:37:17,520

yeah yeah yeah i don't i don't buy into

949

00:37:21,990 --> 00:37:19,599

the werewolf thing that's more

950

00:37:23,910 --> 00:37:22,000

you know that's more for folk lore than

951  
00:37:24,870 --> 00:37:23,920  
anything else you know a lot of people

952  
00:37:25,670 --> 00:37:24,880  
like to

953  
00:37:27,030 --> 00:37:25,680  
say

954  
00:37:29,109 --> 00:37:27,040  
first thing they want to tell you when i

955  
00:37:30,550 --> 00:37:29,119  
get a report is oh i saw a werewolf you

956  
00:37:34,150 --> 00:37:30,560  
know but

957  
00:37:40,069 --> 00:37:36,790  
are there any really good close-up

958  
00:37:44,150 --> 00:37:42,150  
you know honestly the only one i know of

959  
00:37:45,270 --> 00:37:44,160  
is the seven shoots

960  
00:37:48,790 --> 00:37:45,280  
beast

961  
00:37:51,109 --> 00:37:48,800  
from up quebec um

962  
00:37:52,630 --> 00:37:51,119  
some people believe that was a a cryptic

963  
00:37:54,470 --> 00:37:52,640

canine

964

00:37:57,829 --> 00:37:54,480

uh my friend today told me she thought

965

00:38:00,230 --> 00:37:57,839

it was a saba which is possibly

966

00:38:02,950 --> 00:38:00,240

a form of bigfoot i don't i don't know

967

00:38:05,349 --> 00:38:02,960

uh you know that thing

968

00:38:07,510 --> 00:38:05,359

it's pretty intriguing because

969

00:38:09,430 --> 00:38:07,520

isn't it carrying a dog or something

970

00:38:11,030 --> 00:38:09,440

that's carrying a weight dog i mean

971

00:38:12,710 --> 00:38:11,040

that's it's weird

972

00:38:16,310 --> 00:38:12,720

and this is an area well this is a

973

00:38:18,390 --> 00:38:16,320

provincial park up in quebec and uh

974

00:38:20,390 --> 00:38:18,400

uh whoever got the photograph i mean it

975

00:38:22,069 --> 00:38:20,400

was damn lucky to get it i mean

976

00:38:24,790 --> 00:38:22,079

i think they had a distance but they had

977

00:38:25,589 --> 00:38:24,800

a foot of uh telephoto lens on it but

978

00:38:27,910 --> 00:38:25,599

uh

979

00:38:29,430 --> 00:38:27,920

it was a remarkable photograph i think

980

00:38:31,430 --> 00:38:29,440

that's probably the best one i've ever

981

00:38:32,870 --> 00:38:31,440

seen now i've got one

982

00:38:34,069 --> 00:38:32,880

and i should have put it in here for the

983

00:38:36,950 --> 00:38:34,079

show but

984

00:38:39,510 --> 00:38:36,960

one that got caught on trail cam up in

985

00:38:41,589 --> 00:38:39,520

in northern georgia and uh

986

00:38:44,630 --> 00:38:41,599

yeah you can tell that's a canine it's

987

00:38:46,870 --> 00:38:44,640

big too so um

988

00:38:49,910 --> 00:38:46,880

who knows

989

00:38:52,230 --> 00:38:49,920

one thing with my first encounter i i

990

00:38:54,870 --> 00:38:52,240

still debate with myself

991

00:38:58,550 --> 00:38:54,880

i i close my eyes and look in my mind's

992

00:38:59,510 --> 00:38:58,560

eye to try to see more detail

993

00:39:01,109 --> 00:38:59,520

you know

994

00:39:06,310 --> 00:39:01,119

and it had

995

00:39:08,470 --> 00:39:06,320

a a sloped forehead but it had a snout

996

00:39:11,030 --> 00:39:08,480

so i've had people tell me it could have

997

00:39:11,910 --> 00:39:11,040

been a gugwee

998

00:39:13,829 --> 00:39:11,920

you know

999

00:39:15,270 --> 00:39:13,839

and they're typically the more

1000

00:39:17,829 --> 00:39:15,280

aggressive

1001

00:39:19,750 --> 00:39:17,839

type of dog man

1002

00:39:22,390 --> 00:39:19,760

so i mean that that could be i mean it

1003

00:39:23,589 --> 00:39:22,400

could have been sneaking up on me but

1004

00:39:25,190 --> 00:39:23,599

who knows i mean are they

1005

00:39:27,710 --> 00:39:25,200

interdimensional

1006

00:39:29,990 --> 00:39:27,720

or are they spiritual who knows are they

1007

00:39:31,430 --> 00:39:30,000

extraterrestrial i mean

1008

00:39:33,109 --> 00:39:31,440

it could have just

1009

00:39:34,069 --> 00:39:33,119

popped into existence right in front of

1010

00:39:36,310 --> 00:39:34,079

me and i

1011

00:39:38,150 --> 00:39:36,320

you know because i still have you and i

1012

00:39:40,470 --> 00:39:38,160

talked about that when we talked i mean

1013

00:39:42,230 --> 00:39:40,480

uh who's to say what an interventional

1014

00:39:43,910 --> 00:39:42,240

being and just popped right in front of

1015

00:39:47,030 --> 00:39:43,920

it and that's why you never heard or saw

1016

00:39:48,550 --> 00:39:47,040

anything right that's what i just i have

1017

00:39:51,510 --> 00:39:48,560

a hard time

1018

00:39:53,589 --> 00:39:51,520

because i do have pretty good hearing

1019

00:39:54,550 --> 00:39:53,599

and i got a good sense of smell i mean

1020

00:39:57,430 --> 00:39:54,560

that's

1021

00:39:59,910 --> 00:39:57,440

from a lifetime of being in the woods

1022

00:40:04,230 --> 00:40:02,230

to not hear something walking through

1023

00:40:06,550 --> 00:40:04,240

snow and

1024

00:40:08,790 --> 00:40:06,560

possibly breaking branches

1025

00:40:11,190 --> 00:40:08,800

rolling in gravel

1026

00:40:13,349 --> 00:40:11,200

and it to be 10 feet away right that's

1027

00:40:15,030 --> 00:40:13,359

that's what gets me is it to be 10 feet

1028

00:40:17,190 --> 00:40:15,040

away from me

1029

00:40:19,910 --> 00:40:17,200

and me to not hear

1030

00:40:21,270 --> 00:40:19,920

see or smell anything the sight part i

1031

00:40:23,670 --> 00:40:21,280

get because it was

1032

00:40:25,910 --> 00:40:23,680

it was pitch black i mean

1033

00:40:27,829 --> 00:40:25,920

like hand in front of your face you you

1034

00:40:30,390 --> 00:40:27,839

couldn't count how many fingers you were

1035

00:40:31,190 --> 00:40:30,400

holding up in front of your face

1036

00:40:33,430 --> 00:40:31,200

but

1037

00:40:35,190 --> 00:40:33,440

the the sound thing the wind was

1038

00:40:37,670 --> 00:40:35,200

whipping pretty good but still you'd

1039

00:40:40,630 --> 00:40:37,680

hear something you would you just think

1040

00:40:42,390 --> 00:40:40,640

you would hear something

1041

00:40:44,630 --> 00:40:42,400

yeah that's that's a bit of a conundrum

1042

00:40:46,069 --> 00:40:44,640

i agree with you uh you know a lot of

1043

00:40:47,750 --> 00:40:46,079

times when we get these cryptid

1044

00:40:49,589 --> 00:40:47,760

sightings or reports

1045

00:40:51,270 --> 00:40:49,599

there's other phenomena associated with

1046

00:40:54,870 --> 00:40:51,280

it did you see any type of lights or

1047

00:40:57,990 --> 00:40:54,880

orbs anything at any point

1048

00:41:00,630 --> 00:40:58,000

not with my encounters no um i saw we

1049

00:41:03,990 --> 00:41:00,640

had a question there about ufos i i have

1050

00:41:04,870 --> 00:41:04,000

seen two ufos in the area though

1051  
00:41:07,589 --> 00:41:04,880  
at

1052  
00:41:09,589 --> 00:41:07,599  
different times right

1053  
00:41:11,030 --> 00:41:09,599  
well it's pennsylvania i mean you expect

1054  
00:41:12,550 --> 00:41:11,040  
that

1055  
00:41:14,390 --> 00:41:12,560  
you know you expect to find anything in

1056  
00:41:16,790 --> 00:41:14,400  
this state it's crazy

1057  
00:41:19,510 --> 00:41:16,800  
um

1058  
00:41:21,430 --> 00:41:19,520  
uh and when somebody josh asked

1059  
00:41:23,349 --> 00:41:21,440  
how many years after the incident did it

1060  
00:41:25,430 --> 00:41:23,359  
bother you well it's still bothering you

1061  
00:41:26,870 --> 00:41:25,440  
it still does and it's been almost 20

1062  
00:41:29,430 --> 00:41:26,880  
years ago

1063  
00:41:31,510 --> 00:41:29,440

um that like i said that happened in

1064

00:41:32,630 --> 00:41:31,520

2002

1065

00:41:34,710 --> 00:41:32,640

and

1066

00:41:36,950 --> 00:41:34,720

it's it's been

1067

00:41:38,630 --> 00:41:36,960

you know this this will be next year

1068

00:41:39,750 --> 00:41:38,640

will be 20 years

1069

00:41:42,870 --> 00:41:39,760

uh next

1070

00:41:44,230 --> 00:41:42,880

two weeks before next christmas

1071

00:41:47,190 --> 00:41:44,240

so it

1072

00:41:50,309 --> 00:41:47,200

i still get night terrors from it i i

1073

00:41:51,270 --> 00:41:50,319

wake up in cold sweats uh my girlfriend

1074

00:41:52,950 --> 00:41:51,280

she

1075

00:41:54,790 --> 00:41:52,960

tells me

1076  
00:41:56,950 --> 00:41:54,800  
like my god how do you even sleep

1077  
00:41:59,109 --> 00:41:56,960  
because you wake up screaming

1078  
00:42:01,190 --> 00:41:59,119  
you know i

1079  
00:42:02,550 --> 00:42:01,200  
the thing is like i i don't even hear

1080  
00:42:06,630 --> 00:42:02,560  
myself doing it because it's been

1081  
00:42:10,710 --> 00:42:08,390  
like i'll i'll be screaming bloody

1082  
00:42:12,630 --> 00:42:10,720  
murder and she's punching me and kicking

1083  
00:42:15,030 --> 00:42:12,640  
me saying wake up you idiot you're

1084  
00:42:17,589 --> 00:42:15,040  
screaming you know i can't sleep

1085  
00:42:20,309 --> 00:42:17,599  
and i'm i'm still asleep and i don't

1086  
00:42:22,790 --> 00:42:20,319  
even realize it you know

1087  
00:42:23,990 --> 00:42:22,800  
but i'll tell you some of the dreams i

1088  
00:42:24,870 --> 00:42:24,000

have

1089

00:42:26,390 --> 00:42:24,880

man

1090

00:42:28,470 --> 00:42:26,400

are vivid

1091

00:42:30,790 --> 00:42:28,480

of it well that's that's another thing

1092

00:42:32,390 --> 00:42:30,800

we get from experiences like this uh it

1093

00:42:35,190 --> 00:42:32,400

doesn't even have to be a dog man or

1094

00:42:37,910 --> 00:42:35,200

even a bigfoot or something it's um

1095

00:42:39,829 --> 00:42:37,920

uh the after effect as far as in dreams

1096

00:42:41,829 --> 00:42:39,839

and and other parts of your life and

1097

00:42:43,670 --> 00:42:41,839

then all of a sudden something will pop

1098

00:42:45,750 --> 00:42:43,680

up and remind you of it

1099

00:42:47,349 --> 00:42:45,760

and uh you know i've i've talked to

1100

00:42:49,109 --> 00:42:47,359

people who say they were driving down

1101

00:42:51,990 --> 00:42:49,119

the road and saw something across the

1102

00:42:53,430 --> 00:42:52,000

road a deer or something and they had to

1103

00:42:55,030 --> 00:42:53,440

stop because that's the first thing they

1104

00:42:56,630 --> 00:42:55,040

thought about that experience they had

1105

00:42:59,270 --> 00:42:56,640

years before that

1106

00:43:01,829 --> 00:42:59,280

uh and you know they i guess they kind

1107

00:43:03,910 --> 00:43:01,839

of just flashed back to see it

1108

00:43:05,750 --> 00:43:03,920

and they had an anxiety attack or

1109

00:43:08,309 --> 00:43:05,760

something because of it

1110

00:43:11,190 --> 00:43:08,319

yeah well like i said i mean i'm on

1111

00:43:12,950 --> 00:43:11,200

pretty heavy medications yeah i mean

1112

00:43:14,950 --> 00:43:12,960

that's that's how i'm able to talk about

1113

00:43:16,870 --> 00:43:14,960

it i've i've had people say before like

1114

00:43:18,710 --> 00:43:16,880

well you don't sound like it bothered

1115

00:43:20,870 --> 00:43:18,720

you or you know don't sound like it

1116

00:43:22,870 --> 00:43:20,880

affected you it's like you don't realize

1117

00:43:27,750 --> 00:43:22,880

how much

1118

00:43:28,950 --> 00:43:27,760

now to let me be calm enough to talk

1119

00:43:31,190 --> 00:43:28,960

about it yeah

1120

00:43:32,710 --> 00:43:31,200

yeah well i can understand that and like

1121

00:43:36,630 --> 00:43:32,720

i said i talked a lot of people under a

1122

00:43:39,990 --> 00:43:37,829

you know i

1123

00:43:41,349 --> 00:43:40,000

i i got to get people credit for coming

1124

00:43:42,870 --> 00:43:41,359

forward i give you a lot of credit for

1125

00:43:44,630 --> 00:43:42,880

coming forward because this is not an

1126

00:43:47,349 --> 00:43:44,640

easy thing to talk about

1127

00:43:49,030 --> 00:43:47,359

and uh not only the fact that it it was

1128

00:43:51,270 --> 00:43:49,040

something that you experienced and it

1129

00:43:53,829 --> 00:43:51,280

bothered you but you're always gonna get

1130

00:43:56,790 --> 00:43:53,839

naysayers and people are gonna jump on

1131

00:43:59,109 --> 00:43:56,800

and try to find some skeptical

1132

00:44:01,349 --> 00:43:59,119

uh horseshit to put in with it so you

1133

00:44:02,880 --> 00:44:01,359

know i understand that completely yeah

1134

00:44:06,390 --> 00:44:02,890

the skeptic's bandwagon

1135

00:44:07,270 --> 00:44:06,400

[Laughter]

1136

00:44:12,950 --> 00:44:07,280

yeah

1137

00:44:15,510 --> 00:44:12,960

it's i mean in all honesty if i hadn't

1138

00:44:17,030 --> 00:44:15,520

seen these things i'd think i was full

1139

00:44:20,630 --> 00:44:17,040

of yeah yeah

1140

00:44:22,550 --> 00:44:20,640

i i i bet i mean yeah i mean

1141

00:44:24,309 --> 00:44:22,560

i you know when i had my encounter i had

1142

00:44:26,069 --> 00:44:24,319

encountered a bigfoot and i had later

1143

00:44:27,349 --> 00:44:26,079

had an encounter with a winged humanoid

1144

00:44:28,950 --> 00:44:27,359

and uh

1145

00:44:30,630 --> 00:44:28,960

if somebody told me

1146

00:44:32,230 --> 00:44:30,640

you know this is gonna pop up in front

1147

00:44:35,190 --> 00:44:32,240

of me i just laughed at him you know

1148

00:44:37,349 --> 00:44:35,200

yeah you know it's funny when a skeptic

1149

00:44:39,750 --> 00:44:37,359

you know will talk all kinds of crap to

1150

00:44:41,430 --> 00:44:39,760

you then then something happens and then

1151

00:44:44,470 --> 00:44:41,440

they're a true believer i've seen it

1152

00:44:47,589 --> 00:44:44,480

happen many times yep

1153

00:44:52,069 --> 00:44:48,710

uh

1154

00:44:53,510 --> 00:44:52,079

vincent of course said he thanks for

1155

00:44:55,510 --> 00:44:53,520

coming forward

1156

00:44:57,829 --> 00:44:55,520

brave enough to talk about this and i do

1157

00:44:58,870 --> 00:44:57,839

too i mean i i really commend you for

1158

00:45:00,230 --> 00:44:58,880

doing that

1159

00:45:03,589 --> 00:45:00,240

uh

1160

00:45:05,990 --> 00:45:03,599

communicate

1161

00:45:06,870 --> 00:45:06,000

via telepathy you said you didn't think

1162

00:45:08,470 --> 00:45:06,880

it did

1163

00:45:11,670 --> 00:45:08,480

no

1164

00:45:13,510 --> 00:45:11,680

like i said i i just got like a vibe

1165

00:45:17,190 --> 00:45:13,520

i i don't i don't know how to describe

1166

00:45:20,069 --> 00:45:17,200

it it i didn't hear anything in my head

1167

00:45:22,550 --> 00:45:20,079

um like i've heard accounts of people

1168

00:45:24,950 --> 00:45:22,560

saying that they actually heard

1169

00:45:27,510 --> 00:45:24,960

literal words in their head

1170

00:45:29,589 --> 00:45:27,520

um i didn't hear any words i just got

1171

00:45:32,790 --> 00:45:29,599

that sense of it looking at me going

1172

00:45:33,990 --> 00:45:32,800

like you bastard you know like

1173

00:45:36,069 --> 00:45:34,000

i mean that's just

1174

00:45:38,470 --> 00:45:36,079

like like if you've ever seen your dog

1175

00:45:41,270 --> 00:45:38,480

and they're sarcastic looking at you

1176

00:45:43,109 --> 00:45:41,280

that's that's what it what it was like

1177

00:45:46,710 --> 00:45:43,119

it was looking at me with like at

1178

00:45:50,230 --> 00:45:47,829

um

1179

00:45:52,790 --> 00:45:50,240

uh blue cross words was there a loss of

1180

00:45:54,870 --> 00:45:52,800

ambient sound before during or after the

1181

00:45:56,390 --> 00:45:54,880

encounter that's a good question

1182

00:45:59,589 --> 00:45:56,400

well

1183

00:46:02,550 --> 00:45:59,599

prior to either of my encounters i went

1184

00:46:03,990 --> 00:46:02,560

hunting back in there dozens of times

1185

00:46:06,550 --> 00:46:04,000

and

1186

00:46:09,190 --> 00:46:06,560

more than i can count there were times

1187

00:46:11,190 --> 00:46:09,200

where just all the sound went away and

1188

00:46:12,870 --> 00:46:11,200

then i heard something growling in the

1189

00:46:14,790 --> 00:46:12,880

bush

1190

00:46:17,030 --> 00:46:14,800

and i would raise my gun at it and it

1191

00:46:17,910 --> 00:46:17,040

would run away

1192

00:46:22,870 --> 00:46:17,920

or

1193

00:46:27,430 --> 00:46:25,750

the like i said the wind was blowing

1194

00:46:31,030 --> 00:46:27,440

so i i didn't

1195

00:46:32,470 --> 00:46:31,040

notice any thing out of the ordinary

1196

00:46:34,230 --> 00:46:32,480

until i

1197

00:46:36,710 --> 00:46:34,240

physically saw it

1198

00:46:38,790 --> 00:46:36,720

um but yeah i do know that that that is

1199

00:46:40,630 --> 00:46:38,800

a common thread though

1200

00:46:42,150 --> 00:46:40,640

i have a feeling that if the wind

1201  
00:46:43,750 --> 00:46:42,160  
wouldn't have been whipping around the

1202  
00:46:45,589 --> 00:46:43,760  
way it was

1203  
00:46:46,790 --> 00:46:45,599  
i would have either heard it coming in

1204  
00:46:48,950 --> 00:46:46,800  
on me

1205  
00:46:50,630 --> 00:46:48,960  
or i would have noticed

1206  
00:46:52,470 --> 00:46:50,640  
the the silence

1207  
00:46:54,550 --> 00:46:52,480  
but it like i said it was a it was a

1208  
00:46:57,349 --> 00:46:54,560  
pretty good storm that night it was a it

1209  
00:46:58,710 --> 00:46:57,359  
was a blizzard well you know how it and

1210  
00:47:01,109 --> 00:46:58,720  
i know how it's been because i've sat

1211  
00:47:02,710 --> 00:47:01,119  
through snowstorms a deer hunt yeah and

1212  
00:47:05,190 --> 00:47:02,720  
uh it's almost like it allows you to

1213  
00:47:07,190 --> 00:47:05,200

sleep sometimes it just you know kind of

1214

00:47:09,190 --> 00:47:07,200

deadens you to a point i guess it is

1215

00:47:11,349 --> 00:47:09,200

hard to pick up things like that

1216

00:47:12,230 --> 00:47:11,359

uh but i can understand that i really

1217

00:47:13,510 --> 00:47:12,240

can

1218

00:47:15,349 --> 00:47:13,520

um

1219

00:47:16,630 --> 00:47:15,359

do you think it's from vincent do you

1220

00:47:18,230 --> 00:47:16,640

think you have experienced more

1221

00:47:20,390 --> 00:47:18,240

paranormal activity

1222

00:47:21,109 --> 00:47:20,400

uh since this encounter like with you

1223

00:47:22,630 --> 00:47:21,119

know

1224

00:47:25,750 --> 00:47:22,640

spirit

1225

00:47:28,870 --> 00:47:25,760

definitely oh really definitely

1226

00:47:32,390 --> 00:47:28,880

um i have some type of dark entity that

1227

00:47:34,549 --> 00:47:32,400

lives in the house that i live in

1228

00:47:38,150 --> 00:47:34,559

um

1229

00:47:39,270 --> 00:47:38,160

i i could get into that but uh i

1230

00:47:41,990 --> 00:47:39,280

actually

1231

00:47:43,829 --> 00:47:42,000

was i i believe that i was possessed

1232

00:47:45,270 --> 00:47:43,839

because i lost an hour and a half of

1233

00:47:47,349 --> 00:47:45,280

time

1234

00:47:49,589 --> 00:47:47,359

i woke up to

1235

00:47:51,829 --> 00:47:49,599

my dogs standing over me licking me in

1236

00:47:54,069 --> 00:47:51,839

the face trying to i think they were

1237

00:47:56,549 --> 00:47:54,079

trying to bring me out of it

1238

00:47:59,589 --> 00:47:56,559

well while i was

1239

00:48:01,030 --> 00:47:59,599

missing time i had called my girlfriend

1240

00:48:03,349 --> 00:48:01,040

unknowingly

1241

00:48:06,150 --> 00:48:03,359

and told her that i was something older

1242

00:48:08,150 --> 00:48:06,160

than the earth itself

1243

00:48:10,870 --> 00:48:08,160

and that

1244

00:48:12,630 --> 00:48:10,880

there was nothing that could be done

1245

00:48:14,630 --> 00:48:12,640

to get rid of me

1246

00:48:17,589 --> 00:48:14,640

and then i was going to proceed to kill

1247

00:48:19,670 --> 00:48:17,599

our dogs and burn the house down and let

1248

00:48:22,630 --> 00:48:19,680

james set in the middle of the fire and

1249

00:48:26,309 --> 00:48:23,910

because

1250

00:48:27,990 --> 00:48:26,319

whenever i came out of it i was laying

1251  
00:48:29,910 --> 00:48:28,000  
in the fetal position on the floor with

1252  
00:48:32,309 --> 00:48:29,920  
the dog standing over me

1253  
00:48:34,470 --> 00:48:32,319  
i had tears streaming down my cheeks the

1254  
00:48:36,309 --> 00:48:34,480  
dogs were licking me

1255  
00:48:39,510 --> 00:48:36,319  
and

1256  
00:48:41,109 --> 00:48:39,520  
i was trying to figure out what happened

1257  
00:48:42,309 --> 00:48:41,119  
because i was

1258  
00:48:43,430 --> 00:48:42,319  
fine

1259  
00:48:46,829 --> 00:48:43,440  
and then

1260  
00:48:49,910 --> 00:48:46,839  
it because it was about eight o'clock

1261  
00:48:51,589 --> 00:48:49,920  
and all of a sudden it was

1262  
00:48:53,910 --> 00:48:51,599  
9 30.

1263  
00:48:56,150 --> 00:48:53,920

and

1264

00:48:58,069 --> 00:48:56,160

i called her

1265

00:48:59,589 --> 00:48:58,079

and said

1266

00:49:02,549 --> 00:48:59,599

did i call you

1267

00:49:03,990 --> 00:49:02,559

because i have call logs saying that i

1268

00:49:05,829 --> 00:49:04,000

called you

1269

00:49:07,829 --> 00:49:05,839

and she said yeah and she was crying

1270

00:49:09,109 --> 00:49:07,839

when i when i she answered the phone she

1271

00:49:10,549 --> 00:49:09,119

was crying

1272

00:49:12,390 --> 00:49:10,559

she said don't please don't hurt

1273

00:49:13,589 --> 00:49:12,400

yourself for our dogs please don't burn

1274

00:49:15,589 --> 00:49:13,599

a house and i'm going what are you

1275

00:49:19,829 --> 00:49:15,599

talking about and then she explained to

1276

00:49:23,750 --> 00:49:21,190

yeah i

1277

00:49:25,510 --> 00:49:23,760

have no idea what it is but it's still

1278

00:49:27,270 --> 00:49:25,520

there my dogs see it i've had

1279

00:49:29,589 --> 00:49:27,280

experiences with shadow people in that

1280

00:49:31,990 --> 00:49:29,599

house before um

1281

00:49:33,910 --> 00:49:32,000

an eight eight and a half foot tall

1282

00:49:35,030 --> 00:49:33,920

shadow person came through my kitchen

1283

00:49:36,790 --> 00:49:35,040

door

1284

00:49:38,950 --> 00:49:36,800

walked in i was laying on our couch

1285

00:49:41,109 --> 00:49:38,960

asleep it come walking through the door

1286

00:49:42,230 --> 00:49:41,119

it actually ducked to go under the

1287

00:49:44,309 --> 00:49:42,240

header

1288

00:49:47,589 --> 00:49:44,319

and come into the room and laid down on

1289

00:49:51,190 --> 00:49:47,599

top of me put its arms around me wrapped

1290

00:49:52,390 --> 00:49:51,200

its legs around my legs and proceeded to

1291

00:49:55,510 --> 00:49:52,400

drain

1292

00:49:56,710 --> 00:49:55,520

my life force that's what it felt like

1293

00:49:58,870 --> 00:49:56,720

um

1294

00:50:00,950 --> 00:49:58,880

i akin it to

1295

00:50:04,069 --> 00:50:00,960

the lights going out that's what it felt

1296

00:50:08,390 --> 00:50:04,079

like like my life light was going out

1297

00:50:10,150 --> 00:50:08,400

and i i had sleep paralysis at that time

1298

00:50:12,630 --> 00:50:10,160

when i saw it coming into the room i

1299

00:50:14,549 --> 00:50:12,640

couldn't move i couldn't do anything but

1300

00:50:16,870 --> 00:50:14,559

just barely breathe

1301  
00:50:19,670 --> 00:50:16,880  
whenever it got on top of me and i

1302  
00:50:21,990 --> 00:50:19,680  
started feeling like i was dying

1303  
00:50:24,230 --> 00:50:22,000  
i managed to let out one yell and i

1304  
00:50:26,309 --> 00:50:24,240  
yelled my girlfriend's name and she was

1305  
00:50:27,030 --> 00:50:26,319  
sleeping in a chair across the room from

1306  
00:50:29,030 --> 00:50:27,040  
me

1307  
00:50:33,670 --> 00:50:29,040  
and whenever she woke up it turned into

1308  
00:50:38,390 --> 00:50:35,670  
do you think that there's any

1309  
00:50:39,430 --> 00:50:38,400  
relationship between that phenomena and

1310  
00:50:41,510 --> 00:50:39,440  
in the

1311  
00:50:44,069 --> 00:50:41,520  
upright kingdom the dog man

1312  
00:50:47,190 --> 00:50:44,079  
personally i believe they're two

1313  
00:50:48,870 --> 00:50:47,200

separate okay two separate occasions or

1314

00:50:50,549 --> 00:50:48,880

two separate entities

1315

00:50:51,910 --> 00:50:50,559

um because

1316

00:50:53,510 --> 00:50:51,920

we i

1317

00:50:55,670 --> 00:50:53,520

saw

1318

00:50:58,549 --> 00:50:55,680

it was so weird looking it looked like a

1319

00:51:00,150 --> 00:50:58,559

cephalopod it had tentacles

1320

00:51:02,069 --> 00:51:00,160

coming off of its head

1321

00:51:04,230 --> 00:51:02,079

and its arms were like

1322

00:51:07,349 --> 00:51:04,240

like it had several arms but they were

1323

00:51:09,430 --> 00:51:07,359

more like like tentacles than arms

1324

00:51:10,790 --> 00:51:09,440

and it was up in the corner of my living

1325

00:51:12,630 --> 00:51:10,800

room

1326

00:51:14,470 --> 00:51:12,640

perched in the corner

1327

00:51:18,309 --> 00:51:14,480

holding itself up in the corner and i

1328

00:51:20,549 --> 00:51:18,319

didn't notice it at first but my one dog

1329

00:51:22,470 --> 00:51:20,559

was looking at it growling

1330

00:51:24,549 --> 00:51:22,480

and i was like what's wrong buddy what's

1331

00:51:26,870 --> 00:51:24,559

going on and he started looking up the

1332

00:51:28,150 --> 00:51:26,880

stairs and growling and i looked over

1333

00:51:30,150 --> 00:51:28,160

and it's

1334

00:51:32,150 --> 00:51:30,160

right there plain as me

1335

00:51:33,430 --> 00:51:32,160

and it smiled at me

1336

00:51:35,670 --> 00:51:33,440

and it had

1337

00:51:37,430 --> 00:51:35,680

just dagger teeth

1338

00:51:39,750 --> 00:51:37,440

and red eyes

1339

00:51:41,829 --> 00:51:39,760

it smiled at me my dog ran and jumped up

1340

00:51:43,349 --> 00:51:41,839

on my couch and dove at it and went

1341

00:51:44,150 --> 00:51:43,359

through it

1342

00:51:46,870 --> 00:51:44,160

and

1343

00:51:48,230 --> 00:51:46,880

it disappeared

1344

00:51:49,510 --> 00:51:48,240

wow

1345

00:51:52,069 --> 00:51:49,520

yeah it's interesting some of the

1346

00:51:54,870 --> 00:51:52,079

manifestations people see of anything

1347

00:51:57,109 --> 00:51:54,880

you know it's um but more times than not

1348

00:51:59,750 --> 00:51:57,119

people that do experience something as

1349

00:52:01,829 --> 00:51:59,760

profound as what you experienced

1350

00:52:03,670 --> 00:52:01,839

do have other types of paranormal

1351  
00:52:05,270 --> 00:52:03,680  
activity and you know i don't know if

1352  
00:52:07,750 --> 00:52:05,280  
it's because of that

1353  
00:52:10,230 --> 00:52:07,760  
they're more open to it or or what the

1354  
00:52:12,630 --> 00:52:10,240  
deal is but it does happen a lot now we

1355  
00:52:14,710 --> 00:52:12,640  
did have somebody asked earlier if

1356  
00:52:17,109 --> 00:52:14,720  
there's any um

1357  
00:52:18,549 --> 00:52:17,119  
any instances where someone a hunter or

1358  
00:52:19,670 --> 00:52:18,559  
someone who's known to kill one of these

1359  
00:52:21,589 --> 00:52:19,680  
things now

1360  
00:52:23,430 --> 00:52:21,599  
that dark walker account that i had

1361  
00:52:24,710 --> 00:52:23,440  
talked about which was not far from

1362  
00:52:26,470 --> 00:52:24,720  
where you were

1363  
00:52:28,870 --> 00:52:26,480

uh

1364

00:52:31,270 --> 00:52:28,880

that thing was shot and killed i mean

1365

00:52:32,870 --> 00:52:31,280

the the witness i talked to the young

1366

00:52:34,630 --> 00:52:32,880

the young boy

1367

00:52:36,710 --> 00:52:34,640

said uh he definitely saw lynn in the

1368

00:52:38,790 --> 00:52:36,720

back of the pickup now he wasn't sure

1369

00:52:41,829 --> 00:52:38,800

what it was i don't know if it was a

1370

00:52:42,870 --> 00:52:41,839

bigfoot or some type of you know canine

1371

00:52:44,870 --> 00:52:42,880

but

1372

00:52:46,870 --> 00:52:44,880

uh i don't know i mean you've read the

1373

00:52:49,670 --> 00:52:46,880

account what do you think

1374

00:52:50,950 --> 00:52:49,680

i personally i think it was a sasquatch

1375

00:52:53,829 --> 00:52:50,960

right of

1376  
00:52:56,309 --> 00:52:53,839  
of a type right maybe not what we think

1377  
00:52:59,430 --> 00:52:56,319  
of when we think of a sasquatch but it

1378  
00:53:00,390 --> 00:52:59,440  
was definitely some form of

1379  
00:53:04,950 --> 00:53:00,400  
of an

1380  
00:53:07,270 --> 00:53:04,960  
of a primate for lack of a better word

1381  
00:53:09,109 --> 00:53:07,280  
well you know there is a legend i don't

1382  
00:53:11,190 --> 00:53:09,119  
even know if it's an old shawnee legend

1383  
00:53:12,870 --> 00:53:11,200  
or what the deal is in that part of the

1384  
00:53:14,630 --> 00:53:12,880  
country but um

1385  
00:53:16,150 --> 00:53:14,640  
of the stone man you know i don't know

1386  
00:53:18,549 --> 00:53:16,160  
what that is i don't know if that's a

1387  
00:53:20,870 --> 00:53:18,559  
sasquatch or a bigfoot or what it was

1388  
00:53:22,630 --> 00:53:20,880

uh i i know that witness had brought it

1389

00:53:25,190 --> 00:53:22,640

up that his his grandfather had told him

1390

00:53:26,309 --> 00:53:25,200

about the stone man that's maybe what i

1391

00:53:27,109 --> 00:53:26,319

don't know

1392

00:53:29,910 --> 00:53:27,119

you know

1393

00:53:32,630 --> 00:53:29,920

when it comes into indigenous lore

1394

00:53:34,870 --> 00:53:32,640

uh some of the representations they have

1395

00:53:36,309 --> 00:53:34,880

with these things is uh

1396

00:53:38,069 --> 00:53:36,319

it's different between them but it's

1397

00:53:40,069 --> 00:53:38,079

pretty well the same you know they all

1398

00:53:41,750 --> 00:53:40,079

they all knew something was there

1399

00:53:44,230 --> 00:53:41,760

right

1400

00:53:47,270 --> 00:53:44,240

yeah well unlike with the stone man too

1401  
00:53:48,870 --> 00:53:47,280  
some people believe that they wear armor

1402  
00:53:51,430 --> 00:53:48,880  
some type and some believe that it's

1403  
00:53:53,510 --> 00:53:51,440  
just their hair is so matted thick with

1404  
00:53:55,430 --> 00:53:53,520  
dirt and mud that it prevents arrows

1405  
00:53:57,430 --> 00:53:55,440  
from penetrating it

1406  
00:53:59,589 --> 00:53:57,440  
so i mean that

1407  
00:54:00,790 --> 00:53:59,599  
right there that's too varying

1408  
00:54:02,549 --> 00:54:00,800  
absolutely

1409  
00:54:05,349 --> 00:54:02,559  
yeah it could be anything really but

1410  
00:54:07,589 --> 00:54:05,359  
yeah yeah i i've heard all kinds of

1411  
00:54:08,829 --> 00:54:07,599  
interpretations of the stoneman

1412  
00:54:11,349 --> 00:54:08,839  
legend it's

1413  
00:54:14,549 --> 00:54:11,359

um uh but i think it's an old shawnee

1414

00:54:16,950 --> 00:54:14,559

legend but i'm not quite sure um

1415

00:54:19,349 --> 00:54:16,960

james uh this is from higher ground uh

1416

00:54:22,630 --> 00:54:19,359

you ever smell sulfur like a strong

1417

00:54:24,390 --> 00:54:22,640

campfire match being struck nearby

1418

00:54:26,710 --> 00:54:24,400

no i

1419

00:54:28,870 --> 00:54:26,720

i mean i have but not during my

1420

00:54:31,829 --> 00:54:28,880

encounters right um during the

1421

00:54:32,630 --> 00:54:31,839

encounters i i didn't smell anything

1422

00:54:35,030 --> 00:54:32,640

but

1423

00:54:36,789 --> 00:54:35,040

like i told you before the wind was

1424

00:54:39,030 --> 00:54:36,799

swirling around

1425

00:54:41,510 --> 00:54:39,040

rapidly so i mean it it could have been

1426  
00:54:43,030 --> 00:54:41,520  
there and just been at my back the whole

1427  
00:54:46,230 --> 00:54:43,040  
time

1428  
00:54:49,349 --> 00:54:46,240  
um or blown across me

1429  
00:54:50,230 --> 00:54:49,359  
um but no i never smelled anything on

1430  
00:54:52,870 --> 00:54:50,240  
either

1431  
00:54:55,109 --> 00:54:52,880  
of my encounters other than that smell

1432  
00:54:56,390 --> 00:54:55,119  
of death that come out of the one's

1433  
00:54:57,190 --> 00:54:56,400  
mouth

1434  
00:54:59,670 --> 00:54:57,200  
um

1435  
00:55:02,789 --> 00:54:59,680  
now i have smelled sulfur in those woods

1436  
00:55:03,829 --> 00:55:02,799  
before it smells like a burning match

1437  
00:55:04,789 --> 00:55:03,839  
um

1438  
00:55:10,950 --> 00:55:04,799

just

1439

00:55:12,710 --> 00:55:10,960

you know make campgrounds or to hunt or

1440

00:55:13,589 --> 00:55:12,720

just just to get out in the woods you

1441

00:55:14,390 --> 00:55:13,599

know

1442

00:55:16,710 --> 00:55:14,400

um

1443

00:55:17,990 --> 00:55:16,720

i've had rocks thrown at me down in

1444

00:55:20,789 --> 00:55:18,000

there

1445

00:55:22,950 --> 00:55:20,799

you know and i was actually i was

1446

00:55:25,670 --> 00:55:22,960

working on digging a fire pit across the

1447

00:55:28,069 --> 00:55:25,680

hillside it was on the same hillside as

1448

00:55:31,990 --> 00:55:28,079

i had my encounter

1449

00:55:34,549 --> 00:55:32,000

this was before i had the encounter

1450

00:55:37,430 --> 00:55:34,559

uh in 2002

1451

00:55:40,069 --> 00:55:37,440

i was working on digging a fire pit and

1452

00:55:41,270 --> 00:55:40,079

i got that real strong smell

1453

00:55:46,630 --> 00:55:41,280

of

1454

00:55:48,789 --> 00:55:46,640

but it only lasted for a few seconds and

1455

00:55:50,870 --> 00:55:48,799

then it was gone and nothing

1456

00:55:53,670 --> 00:55:50,880

ever came of it you know nothing never

1457

00:55:56,470 --> 00:55:53,680

confronted me or anything so

1458

00:55:58,710 --> 00:55:56,480

um but i do know the area

1459

00:56:01,030 --> 00:55:58,720

occasionally does have that

1460

00:56:03,109 --> 00:56:01,040

weird smell to it

1461

00:56:05,109 --> 00:56:03,119

you know i'd be interested to find out

1462

00:56:07,750 --> 00:56:05,119

that when the the uh the mine was

1463

00:56:10,309 --> 00:56:07,760

working it was that shale they were

1464

00:56:12,390 --> 00:56:10,319

mining there uh well there had been

1465

00:56:14,150 --> 00:56:12,400

anything similar any type of sightings

1466

00:56:16,549 --> 00:56:14,160

around during that time

1467

00:56:18,789 --> 00:56:16,559

yeah i don't know um i know they did

1468

00:56:21,750 --> 00:56:18,799

coal at the bottom they did coal and

1469

00:56:24,549 --> 00:56:21,760

shale and then right now they just built

1470

00:56:27,109 --> 00:56:24,559

a new facility back in there

1471

00:56:29,589 --> 00:56:27,119

to um

1472

00:56:30,549 --> 00:56:29,599

oh what's the word am i using to refine

1473

00:56:37,030 --> 00:56:30,559

the

1474

00:56:40,470 --> 00:56:37,040

and

1475

00:56:42,710 --> 00:56:40,480

burn it as fuel oh okay so they yeah

1476

00:56:45,589 --> 00:56:42,720

they built a multi-million dollar

1477

00:56:49,750 --> 00:56:45,599

facility back in there to burn the shell

1478

00:56:54,950 --> 00:56:52,789

so i i think if anything if there's a

1479

00:56:57,589 --> 00:56:54,960

population of dog men back in there i

1480

00:56:59,829 --> 00:56:57,599

bet they're highly pissed

1481

00:57:02,390 --> 00:56:59,839

well yeah and you got to think about

1482

00:57:04,870 --> 00:57:02,400

that you you figured that

1483

00:57:07,109 --> 00:57:04,880

if when that mine first went in there if

1484

00:57:09,589 --> 00:57:07,119

it was kind of uh invading on their

1485

00:57:11,510 --> 00:57:09,599

territory or whatever and these things

1486

00:57:13,349 --> 00:57:11,520

just let out um

1487

00:57:15,750 --> 00:57:13,359

you know i can see that and i mean you

1488

00:57:17,109 --> 00:57:15,760

had encounters with what you thought may

1489

00:57:19,430 --> 00:57:17,119

have been bigfoot

1490

00:57:21,589 --> 00:57:19,440

and uh you know that's nothing unusual

1491

00:57:23,990 --> 00:57:21,599

in greene county and um you know it's

1492

00:57:25,510 --> 00:57:24,000

pretty well known bigfoot activity

1493

00:57:26,950 --> 00:57:25,520

uh so you know could have been that

1494

00:57:28,870 --> 00:57:26,960

involved too especially the stuff's

1495

00:57:30,870 --> 00:57:28,880

throwing stuff at you you know yeah and

1496

00:57:32,230 --> 00:57:30,880

that's what it was it was rocks about

1497

00:57:34,789 --> 00:57:32,240

the size

1498

00:57:37,270 --> 00:57:34,799

of a pebble to a golf ball

1499

00:57:39,589 --> 00:57:37,280

that's what was just getting pelted pelt

1500

00:57:41,750 --> 00:57:39,599

and pelted with it

1501  
00:57:44,230 --> 00:57:41,760  
now the mines

1502  
00:57:46,470 --> 00:57:44,240  
where i live

1503  
00:57:48,870 --> 00:57:46,480  
they're abandoned now

1504  
00:57:51,190 --> 00:57:48,880  
okay the ones that are down by the river

1505  
00:57:54,230 --> 00:57:51,200  
itself where they used to bring the coal

1506  
00:57:56,230 --> 00:57:54,240  
and shell in to off of the barges they

1507  
00:57:58,630 --> 00:57:56,240  
used to load them there

1508  
00:58:00,710 --> 00:57:58,640  
and um those there's

1509  
00:58:02,309 --> 00:58:00,720  
two or i think there's three buildings

1510  
00:58:04,630 --> 00:58:02,319  
down there they're all abandoned they

1511  
00:58:06,630 --> 00:58:04,640  
have sub floors in them to where they

1512  
00:58:09,670 --> 00:58:06,640  
have basements

1513  
00:58:10,630 --> 00:58:09,680

that sometimes fill with water

1514

00:58:13,510 --> 00:58:10,640

um

1515

00:58:15,910 --> 00:58:13,520

and in certain like the shafts in the

1516

00:58:18,069 --> 00:58:15,920

basements will fill with water but

1517

00:58:20,069 --> 00:58:18,079

i was actually talking to my dad not too

1518

00:58:21,990 --> 00:58:20,079

long ago saying that

1519

00:58:23,190 --> 00:58:22,000

you know why couldn't something be

1520

00:58:24,630 --> 00:58:23,200

living

1521

00:58:27,030 --> 00:58:24,640

in those

1522

00:58:29,109 --> 00:58:27,040

you know that's a perfect habitat for a

1523

00:58:30,069 --> 00:58:29,119

dog man there's food there's water

1524

00:58:31,589 --> 00:58:30,079

source

1525

00:58:33,349 --> 00:58:31,599

there's shelter

1526

00:58:34,230 --> 00:58:33,359

you know there's everything that they

1527

00:58:37,750 --> 00:58:34,240

need

1528

00:58:40,789 --> 00:58:37,760

to survive and still be undetected

1529

00:58:43,030 --> 00:58:40,799

unless you physically go after them to

1530

00:58:45,109 --> 00:58:43,040

to find them you're not going to see

1531

00:58:48,150 --> 00:58:45,119

them right if they don't want to be seen

1532

00:58:49,430 --> 00:58:48,160

they're not going to be seen

1533

00:58:51,109 --> 00:58:49,440

well james i want to thank you for

1534

00:58:52,950 --> 00:58:51,119

coming on and i really appreciate it you

1535

00:58:55,430 --> 00:58:52,960

know i when i when you called me on the

1536

00:58:57,829 --> 00:58:55,440

phone and told me your story i i knew i

1537

00:58:59,589 --> 00:58:57,839

had to get you on the show and uh i

1538

00:59:00,470 --> 00:58:59,599

appreciate you taking the time to do

1539

00:59:01,670 --> 00:59:00,480

that

1540

00:59:03,829 --> 00:59:01,680

uh

1541

00:59:05,670 --> 00:59:03,839

look if something else comes up please

1542

00:59:06,950 --> 00:59:05,680

promise me you're going to come back oh

1543

00:59:08,470 --> 00:59:06,960

absolutely

1544

00:59:10,630 --> 00:59:08,480

okay well you have a good evening good

1545

00:59:13,990 --> 00:59:10,640

weekend i i will talk to you soon hey

1546

00:59:15,670 --> 00:59:14,000

you too thank you take care now

1547

00:59:17,349 --> 00:59:15,680

now if you have an unexplained encounter

1548

00:59:19,510 --> 00:59:17,359

citing feel free to contact me through

1549

00:59:21,349 --> 00:59:19,520

the phantoms of monsters blog site i

1550

00:59:23,190 --> 00:59:21,359

want to again thank james west for

1551

00:59:25,109 --> 00:59:23,200

joining me this evening

1552

00:59:27,510 --> 00:59:25,119

and thanks to each and all you for

1553

00:59:29,910 --> 00:59:27,520

watching and chatting if you made a

1554

00:59:31,829 --> 00:59:29,920

super chat donation it's truly

1555

00:59:34,150 --> 00:59:31,839

appreciated your support is what makes

1556

00:59:35,990 --> 00:59:34,160

this all possible so please like

1557

00:59:38,710 --> 00:59:36,000

subscribe and share

1558

00:59:40,710 --> 00:59:38,720

now next week we got a big show coming

1559

00:59:43,270 --> 00:59:40,720

because we'll be discussing

1560

00:59:46,950 --> 00:59:43,280

the chicago wing humanoids and the new

1561

00:59:49,510 --> 00:59:46,960

sightings at o'hare in milwaukee uh

1562

00:59:50,789 --> 00:59:49,520

tobias whalen and emmanuel navrat who

1563

00:59:52,630 --> 00:59:50,799

are uh

1564

00:59:54,470 --> 00:59:52,640

team members on the phantoms my

1565

00:59:56,710 --> 00:59:54,480

supporting research team

1566

00:59:59,190 --> 00:59:56,720

will be joining me and look we got a lot

1567

01:00:02,150 --> 00:59:59,200

to talk about because it has been nuts

1568

01:00:04,309 --> 01:00:02,160

lately we had this big encounter in july

1569

01:00:06,069 --> 01:00:04,319

22nd where there's been at least a dozen

1570

01:00:09,109 --> 01:00:06,079

witnesses so far

1571

01:00:11,430 --> 01:00:09,119

plus tsa security and and carrier

1572

01:00:13,430 --> 01:00:11,440

supervisors and such so

1573

01:00:16,150 --> 01:00:13,440

you know and it seems to be surrounding

1574

01:00:18,710 --> 01:00:16,160

the the cemetery the the resthaven

1575

01:00:21,270 --> 01:00:18,720

cemetery on the property down by the the

1576

01:00:23,510 --> 01:00:21,280

western side of the cargo area so um

1577

01:00:25,190 --> 01:00:23,520

yeah join us next week that's gonna be a

1578

01:00:27,270 --> 01:00:25,200

fantastic show

1579

01:00:29,430 --> 01:00:27,280

and we're probably gonna have some more

1580

01:00:31,430 --> 01:00:29,440

revelations to uh

1581

01:00:34,069 --> 01:00:31,440

to hand out to you all so don't miss

1582

01:00:45,080 --> 01:00:34,079

that so until next week stay healthy and

1583

01:00:57,700 --> 01:00:46,470

[Music]

1584

01:00:57,710 --> 01:01:22,780

[Applause]
