**Tobias Wayland
& Manuel
Navarette**

Your Host
Lon Strickler

TOBIAS WAYLAND & MANUEL NAVARETTE: Chicago Mothman Update!

1
00:00:07,590 --> 00:00:04,950

[Music]

2
00:00:09,190 --> 00:00:07,600

the oldest and strongest human emotion

3
00:00:11,350 --> 00:00:09,200

is fear

4
00:00:12,390 --> 00:00:11,360

and the oldest and strongest type of

5
00:00:15,589 --> 00:00:12,400

fear

6
00:00:17,990 --> 00:00:15,599

is trepidation of the unknown

7
00:00:21,510 --> 00:00:18,000

when we were children our parents told

8
00:00:23,910 --> 00:00:21,520

us that monsters didn't exist

9
00:00:27,189 --> 00:00:23,920

but we were sure that something was

10
00:00:31,669 --> 00:00:27,199

lurking under the bed or in the closet

11
00:00:34,709 --> 00:00:31,679

fear sees even if our eyes are closed

12
00:00:36,950 --> 00:00:34,719

welcome to the realm of the arcane

13
00:00:39,350 --> 00:00:36,960

my name is lon strickler

14

00:00:40,470 --> 00:00:39,360

join me as i examine unexplained

15

00:00:43,110 --> 00:00:40,480

creatures

16

00:00:45,430 --> 00:00:43,120

strange manifestations of remarkable

17

00:00:48,389 --> 00:00:45,440

realities

18

00:00:51,029 --> 00:00:48,399

imagine this next hour as a voyage of

19

00:00:53,590 --> 00:00:51,039

discovery to strange lands

20

00:00:55,110 --> 00:00:53,600

seeking not for new territory

21

00:00:56,630 --> 00:00:55,120

but for new knowledge of the

22

00:00:59,430 --> 00:00:56,640

supernatural

23

00:01:00,820 --> 00:00:59,440

come on board as we begin this adventure

24

00:01:03,990 --> 00:01:00,830

together

25

00:01:06,149 --> 00:01:04,000

[Music]

26
00:01:08,230 --> 00:01:06,159
hey folks good evening and welcome to

27
00:01:10,950 --> 00:01:08,240
another episode of arcane radio where we

28
00:01:13,510 --> 00:01:10,960
explore the unexplained live on beyond

29
00:01:15,350 --> 00:01:13,520
explanation i'm your host lon strickler

30
00:01:17,190 --> 00:01:15,360
coming to you within a cannon shout out

31
00:01:20,630 --> 00:01:17,200
to the howled fields of gettysburg

32
00:01:23,030 --> 00:01:20,640
pennsylvania thanks for joining me now

33
00:01:25,350 --> 00:01:23,040
first of all uh arcane radio and beyond

34
00:01:27,670 --> 00:01:25,360
explanation channel is made possible by

35
00:01:28,950 --> 00:01:27,680
you liking subscribing and sharing our

36
00:01:31,510 --> 00:01:28,960
programming

37
00:01:33,429 --> 00:01:31,520
uh super chat donations are essential

38
00:01:34,630 --> 00:01:33,439

for us to continue offering our unique

39

00:01:36,550 --> 00:01:34,640

content

40

00:01:40,230 --> 00:01:36,560

and your consideration is very much

41

00:01:42,389 --> 00:01:40,240

needed and appreciated so tonight

42

00:01:44,389 --> 00:01:42,399

something a little bit different um you

43

00:01:46,950 --> 00:01:44,399

know these the kind of shows i guess we

44

00:01:49,749 --> 00:01:46,960

all live for where we actually have

45

00:01:52,069 --> 00:01:49,759

gotten involved with something

46

00:01:52,830 --> 00:01:52,079

and we're surprised by something that

47

00:01:55,510 --> 00:01:52,840

we're

48

00:01:58,230 --> 00:01:55,520

investigating so tonight i've got uh

49

00:02:00,550 --> 00:01:58,240

tobias whalen and i've got

50

00:02:01,910 --> 00:02:00,560

emmanuel navarette with us

51
00:02:04,469 --> 00:02:01,920
and i'm first i'm going to have them

52
00:02:06,069 --> 00:02:04,479
introduce themselves so manuel you want

53
00:02:08,949 --> 00:02:06,079
to tell the folks who you are and how

54
00:02:11,830 --> 00:02:08,959
you got involved in all this yep my name

55
00:02:14,070 --> 00:02:11,840
is manuel navarette i am the creator of

56
00:02:17,589 --> 00:02:14,080
ufo clearinghouse uh

57
00:02:20,229 --> 00:02:17,599
at ufo clearinghouse.com uh we are a

58
00:02:22,630 --> 00:02:20,239
research um database kind of

59
00:02:25,670 --> 00:02:22,640
clearinghouse for

60
00:02:27,270 --> 00:02:25,680
ufo sightings uh any abduction reports

61
00:02:31,070 --> 00:02:27,280
cryptid sightings

62
00:02:34,550 --> 00:02:31,080
um i've been doing this since about

63
00:02:36,470 --> 00:02:34,560

2012 or so not a little bit more

64

00:02:37,509 --> 00:02:36,480

um i'm also a member of the 40 uh

65

00:02:39,670 --> 00:02:37,519

phantom

66

00:02:42,630 --> 00:02:39,680

monsters reporting research team

67

00:02:44,550 --> 00:02:42,640

and um i've been with the team for a

68

00:02:45,910 --> 00:02:44,560

little work i think three years now two

69

00:02:47,030 --> 00:02:45,920

or three years

70

00:02:49,270 --> 00:02:47,040

um

71

00:02:52,949 --> 00:02:49,280

and i'm also an active investigator for

72

00:02:55,509 --> 00:02:52,959

the uh chicago phantom chicago wing

73

00:02:56,790 --> 00:02:55,519

humanoid sightings um i do live in

74

00:02:59,190 --> 00:02:56,800

chicago so

75

00:03:01,910 --> 00:02:59,200

pretty much hometown boy right here so

76

00:03:04,630 --> 00:03:01,920

i can be on the ground you know pretty

77

00:03:05,509 --> 00:03:04,640

quick when it comes to my uh sightings

78

00:03:07,990 --> 00:03:05,519

i've

79

00:03:11,030 --> 00:03:08,000

been out there for at the airport

80

00:03:14,790 --> 00:03:13,110

that's about it really i've been in this

81

00:03:17,910 --> 00:03:14,800

for a while um

82

00:03:20,390 --> 00:03:17,920

ufos cryptids paranormal has fascinated

83

00:03:22,949 --> 00:03:20,400

me since i was basically a child

84

00:03:25,430 --> 00:03:22,959

and um kind of grew up into something

85

00:03:26,550 --> 00:03:25,440

that i never really lost interest in

86

00:03:29,190 --> 00:03:26,560

um

87

00:03:31,030 --> 00:03:29,200

that's about it yeah

88

00:03:33,350 --> 00:03:31,040

okay well tobiass how about telling

89

00:03:35,589 --> 00:03:33,360

everybody about yourself as well

90

00:03:37,910 --> 00:03:35,599

sure uh so my name is tobiass weyland and

91

00:03:39,509 --> 00:03:37,920

i'm the head writer and editor for the

92

00:03:41,190 --> 00:03:39,519

singular floridian society and so a

93

00:03:42,869 --> 00:03:41,200

little bit about the singular foreign

94

00:03:45,670 --> 00:03:42,879

society is that is

95

00:03:48,309 --> 00:03:45,680

in investigatory and journalistic

96

00:03:50,869 --> 00:03:48,319

organization that my wife emily and i

97

00:03:53,830 --> 00:03:50,879

started back in 2016

98

00:03:56,070 --> 00:03:53,840

and so um what we like to do is

99

00:03:58,470 --> 00:03:56,080

basically what's in the

100

00:04:01,030 --> 00:03:58,480

name of that we are a foreign society

101
00:04:02,229 --> 00:04:01,040
and that is to say that

102
00:04:05,910 --> 00:04:02,239
we uh

103
00:04:08,070 --> 00:04:05,920
align in in certain ways with the uh the

104
00:04:10,949 --> 00:04:08,080
work of charles ford who's an early 20th

105
00:04:12,550 --> 00:04:10,959
century collector of uh of weird news

106
00:04:13,429 --> 00:04:12,560
stories and so he write about these news

107
00:04:15,750 --> 00:04:13,439
stories

108
00:04:18,870 --> 00:04:15,760
and uh he would speculate about them

109
00:04:21,349 --> 00:04:18,880
often tongue-in-cheek and he would uh

110
00:04:23,590 --> 00:04:21,359
notice commonalities and and sort of

111
00:04:25,749 --> 00:04:23,600
point those out and it's that kind of

112
00:04:27,590 --> 00:04:25,759
holistic approach to these subjects that

113
00:04:29,510 --> 00:04:27,600

we like to take as well

114

00:04:32,469 --> 00:04:29,520

so we don't really concentrate on on any

115

00:04:34,710 --> 00:04:32,479

one uh you know aspect of paranormal

116

00:04:35,830 --> 00:04:34,720

phenomena in particular we we really do

117

00:04:37,110 --> 00:04:35,840

do it all

118

00:04:39,990 --> 00:04:37,120

um

119

00:04:43,909 --> 00:04:40,000

and uh and and that's basically our uh

120

00:04:45,430 --> 00:04:43,919

our philosophy if if you will as in an

121

00:04:47,909 --> 00:04:45,440

organization and so

122

00:04:50,469 --> 00:04:47,919

um it was only natural when we started

123

00:04:52,950 --> 00:04:50,479

seeing uh winged humanoid reports uh you

124

00:04:54,629 --> 00:04:52,960

know coming in from just a couple hours

125

00:04:57,670 --> 00:04:54,639

south of us and then really spreading

126

00:05:00,310 --> 00:04:57,680

into our area as well um that we were

127

00:05:03,590 --> 00:05:00,320

curious and we picked up the story

128

00:05:05,110 --> 00:05:03,600

back in 2017 it wasn't too long after uh

129

00:05:08,150 --> 00:05:05,120

after that that of course we were

130

00:05:10,629 --> 00:05:08,160

introduced to manuel and lon and uh

131

00:05:14,550 --> 00:05:10,639

you know we've been uh collaborating on

132

00:05:18,469 --> 00:05:16,710

yeah so

133

00:05:20,390 --> 00:05:18,479

excellent so i tell you yeah we have

134

00:05:23,350 --> 00:05:20,400

been together since it all began back in

135

00:05:25,430 --> 00:05:23,360

2017 and in fact

136

00:05:28,870 --> 00:05:25,440

manuel and i actually have been together

137

00:05:31,189 --> 00:05:28,880

since the 2011 sightings um

138

00:05:33,510 --> 00:05:31,199

so we've kind of you know this kind of

139

00:05:36,629 --> 00:05:33,520

old hat for us but

140

00:05:38,710 --> 00:05:36,639

let me go uh let me go ahead and start

141

00:05:41,189 --> 00:05:38,720

getting into the nitty-gritty of this

142

00:05:44,230 --> 00:05:41,199

whole thing uh and i'm not gonna bore

143

00:05:47,749 --> 00:05:44,240

everybody with all the details but

144

00:05:50,310 --> 00:05:47,759

quite frankly um you know back in 2017

145

00:05:52,629 --> 00:05:50,320

when all this started you know and that

146

00:05:55,270 --> 00:05:52,639

what you people may or may not know

147

00:05:56,950 --> 00:05:55,280

tobias and manuel are probably

148

00:05:59,670 --> 00:05:56,960

the two original

149

00:06:01,270 --> 00:05:59,680

uh into in memory the three original

150

00:06:02,870 --> 00:06:01,280

individuals have been involved with this

151

00:06:06,550 --> 00:06:02,880

investigation

152

00:06:08,629 --> 00:06:06,560

we've had others come and go and um

153

00:06:10,150 --> 00:06:08,639

rose marielle and golly was part of this

154

00:06:12,230 --> 00:06:10,160

as well but

155

00:06:14,309 --> 00:06:12,240

god rest her soul she's no longer with

156

00:06:17,110 --> 00:06:14,319

us um

157

00:06:19,029 --> 00:06:17,120

but tobias and and

158

00:06:20,550 --> 00:06:19,039

rosemary are actually following up on a

159

00:06:22,070 --> 00:06:20,560

lot of these sightings that i was

160

00:06:23,350 --> 00:06:22,080

getting and you know we were doing vice

161

00:06:25,189 --> 00:06:23,360

versa so we had a lot of different

162

00:06:26,550 --> 00:06:25,199

things going on

163

00:06:28,870 --> 00:06:26,560

so we were getting you know we were

164

00:06:31,350 --> 00:06:28,880

getting direct information from

165

00:06:33,510 --> 00:06:31,360

witnesses

166

00:06:35,909 --> 00:06:33,520

so uh you know we've been looking into

167

00:06:38,309 --> 00:06:35,919

this ever since all that started it's

168

00:06:40,230 --> 00:06:38,319

kind of come and gone weaned and

169

00:06:42,469 --> 00:06:40,240

and got a little exciting here and there

170

00:06:45,830 --> 00:06:42,479

but i i think

171

00:06:47,270 --> 00:06:45,840

since the uh the july 22nd siding of

172

00:06:50,309 --> 00:06:47,280

this year

173

00:06:53,990 --> 00:06:50,319

things have really kind of

174

00:06:56,710 --> 00:06:54,000

progressed and kind of changed a bit

175

00:07:00,710 --> 00:06:58,870

you know that's citing overall and we're

176

00:07:02,950 --> 00:07:00,720

going to talk about that

177

00:07:03,909 --> 00:07:02,960

that sighting overall was pretty unique

178

00:07:05,510 --> 00:07:03,919

because

179

00:07:07,909 --> 00:07:05,520

i don't know how many witnesses we have

180

00:07:09,670 --> 00:07:07,919

now it's got to be about a dozen i i i

181

00:07:11,589 --> 00:07:09,680

would say i mean it's

182

00:07:13,110 --> 00:07:11,599

it seems like there's more coming too

183

00:07:16,070 --> 00:07:13,120

and uh

184

00:07:18,710 --> 00:07:16,080

this sighting had a lot of the uh the

185

00:07:21,350 --> 00:07:18,720

tsa security show up

186

00:07:23,430 --> 00:07:21,360

for when this beam was showing itself

187

00:07:24,950 --> 00:07:23,440

right there off that access road by the

188

00:07:30,390 --> 00:07:24,960

tarmac

189

00:07:32,230 --> 00:07:30,400

it's in an area of the airport the cargo

190

00:07:34,390 --> 00:07:32,240

area there in the western part

191

00:07:36,950 --> 00:07:34,400

of the airport where a lot of the

192

00:07:38,390 --> 00:07:36,960

sightings have come and i believe if i'm

193

00:07:41,270 --> 00:07:38,400

correct

194

00:07:42,550 --> 00:07:41,280

that we've had at least six sightings

195

00:07:44,790 --> 00:07:42,560

within

196

00:07:47,110 --> 00:07:44,800

a hundred uh

197

00:07:48,950 --> 00:07:47,120

yards of that that cemetery and for

198

00:07:50,790 --> 00:07:48,960

people who don't know there is a

199

00:07:52,469 --> 00:07:50,800

cemetery

200

00:07:55,909 --> 00:07:52,479

at o'hare

201

00:07:58,070 --> 00:07:55,919

the uh resthaven cemetery

202

00:07:59,990 --> 00:07:58,080

so of course this entry hasn't treated

203

00:08:01,189 --> 00:08:00,000

me and now i'm all of us from the

204

00:08:02,950 --> 00:08:01,199

beginning like what the hell is the

205

00:08:04,469 --> 00:08:02,960

cemetery doing out there and you know is

206

00:08:06,629 --> 00:08:04,479

there any connection because we had a

207

00:08:07,670 --> 00:08:06,639

ufo sighting on that thing above that

208

00:08:09,589 --> 00:08:07,680

thing and

209

00:08:15,110 --> 00:08:09,599

you know all these uh subsequent

210

00:08:20,070 --> 00:08:16,469

uh

211

00:08:22,230 --> 00:08:20,080

just a few weeks before that sighting

212

00:08:23,990 --> 00:08:22,240

maybe maybe it was the same week it was

213

00:08:26,790 --> 00:08:24,000

pretty close

214

00:08:30,390 --> 00:08:26,800

i i got a uh i got a text

215

00:08:33,509 --> 00:08:30,400

from uh jennifer elsner and jennifer

216

00:08:36,070 --> 00:08:33,519

has been involved with uh

217

00:08:39,909 --> 00:08:36,080

the paranormal and has done

218

00:08:41,269 --> 00:08:39,919

production and such for tv shows and

219

00:08:43,589 --> 00:08:41,279

and uh

220

00:08:45,590 --> 00:08:43,599

she watched an interview i had done with

221

00:08:47,110 --> 00:08:45,600

zen podcast

222

00:08:47,910 --> 00:08:47,120

now that

223

00:08:50,870 --> 00:08:47,920

you know

224

00:08:52,829 --> 00:08:50,880

she had known zen this guy's in uh in

225

00:08:55,910 --> 00:08:52,839

school i think at some

226

00:08:57,509 --> 00:08:55,920

point well anyway um

227

00:08:59,269 --> 00:08:57,519

she was intrigued with the interview

228

00:09:02,310 --> 00:08:59,279

because

229

00:09:04,070 --> 00:09:02,320

of what i had been talking about with

230

00:09:06,230 --> 00:09:04,080

david deckhardt

231

00:09:09,110 --> 00:09:06,240

because she was experiencing the same

232

00:09:10,550 --> 00:09:09,120

things

233

00:09:13,110 --> 00:09:10,560

so uh

234

00:09:14,949 --> 00:09:13,120

she got the book my alien disclosure

235

00:09:17,269 --> 00:09:14,959

experiences exposed reality read the

236

00:09:20,150 --> 00:09:17,279

book read everything in there plus what

237

00:09:24,470 --> 00:09:20,160

as far as the chapter on david

238

00:09:26,949 --> 00:09:24,480

and she felt compelled to contact me

239

00:09:31,030 --> 00:09:26,959

uh in the meantime she has been in

240

00:09:32,710 --> 00:09:31,040

communication with these beings

241

00:09:35,269 --> 00:09:32,720

that have called them are calling

242

00:09:36,230 --> 00:09:35,279

themselves the unseen ones they're

243

00:09:37,670 --> 00:09:36,240

they don't like being called

244

00:09:39,509 --> 00:09:37,680

extraterrestrials they don't like being

245

00:09:42,790 --> 00:09:39,519

called aliens

246

00:09:45,910 --> 00:09:42,800

they're an ultra terrestrial race of

247

00:09:47,910 --> 00:09:45,920

beings or species of beings

248

00:09:51,430 --> 00:09:47,920

but

249

00:09:53,110 --> 00:09:51,440

after some consultation and then her

250

00:09:55,750 --> 00:09:53,120

talking to me

251
00:09:57,509 --> 00:09:55,760
and her and i working together a lot i

252
00:09:59,910 --> 00:09:57,519
mean we've been on the horn

253
00:10:01,590 --> 00:09:59,920
i mean she lives in wisconsin now but

254
00:10:03,030 --> 00:10:01,600
we've been living in on the horn we've

255
00:10:05,350 --> 00:10:03,040
been on the horn like every day for

256
00:10:07,110 --> 00:10:05,360
hours and hours and hours until

257
00:10:08,949 --> 00:10:07,120
i started

258
00:10:11,670 --> 00:10:08,959
picking up on some of the some of the

259
00:10:14,949 --> 00:10:11,680
communication as well

260
00:10:17,509 --> 00:10:14,959
so uh that kind of led up into we and

261
00:10:19,030 --> 00:10:17,519
who we are right now um

262
00:10:20,550 --> 00:10:19,040
and it's been a whirlwind i mean

263
00:10:22,470 --> 00:10:20,560

especially the past

264

00:10:24,790 --> 00:10:22,480

two or three weeks

265

00:10:26,230 --> 00:10:24,800

and uh where we have learned that in

266

00:10:28,790 --> 00:10:26,240

particular just like there was a

267

00:10:31,590 --> 00:10:28,800

photograph that david had taken

268

00:10:33,350 --> 00:10:31,600

uh several years ago

269

00:10:37,190 --> 00:10:33,360

and i've always been intrigued by that

270

00:10:40,230 --> 00:10:37,200

photograph because it it reminded me or

271

00:10:41,269 --> 00:10:40,240

i sensed that some kind of connection

272

00:10:44,310 --> 00:10:41,279

with

273

00:10:47,430 --> 00:10:44,320

these winged beans was there

274

00:10:49,670 --> 00:10:47,440

and when we presented it to one of these

275

00:10:51,590 --> 00:10:49,680

ultra-terrestrials

276

00:10:53,509 --> 00:10:51,600

they basically

277

00:10:56,470 --> 00:10:53,519

acknowledged that that was the one

278

00:10:58,870 --> 00:10:56,480

photograph that we had others being

279

00:11:01,430 --> 00:10:58,880

of these beings

280

00:11:03,590 --> 00:11:01,440

so that was kind of interesting so we

281

00:11:06,230 --> 00:11:03,600

started digging a little bit further so

282

00:11:08,870 --> 00:11:06,240

as time is going on uh we started a

283

00:11:10,550 --> 00:11:08,880

splinter group off the phantoms monsters

284

00:11:12,829 --> 00:11:10,560

40 research

285

00:11:15,750 --> 00:11:12,839

thread of

286

00:11:17,829 --> 00:11:15,760

individuals who these ultra-terrestrials

287

00:11:19,910 --> 00:11:17,839

these unseen ones

288

00:11:22,230 --> 00:11:19,920

have designated

289

00:11:25,590 --> 00:11:22,240

that they're interested in contacting as

290

00:11:27,590 --> 00:11:25,600

well and they designated them by name

291

00:11:30,230 --> 00:11:27,600

they told us

292

00:11:31,509 --> 00:11:30,240

told jen and i who they wanted to be on

293

00:11:35,110 --> 00:11:31,519

that team

294

00:11:37,350 --> 00:11:35,120

and fortunately we have waylon now

295

00:11:40,230 --> 00:11:37,360

to boswell and his wife

296

00:11:43,350 --> 00:11:40,240

we've got uh manuel

297

00:11:44,870 --> 00:11:43,360

we've got vincent and kaden mask because

298

00:11:46,550 --> 00:11:44,880

one of the other group members is in

299

00:11:47,990 --> 00:11:46,560

this as well

300

00:11:49,670 --> 00:11:48,000

so hopefully

301
00:11:53,030 --> 00:11:49,680
everybody on this team is going to start

302
00:11:55,910 --> 00:11:53,040
getting some communication now

303
00:11:58,790 --> 00:11:55,920
that's why i've got tobias and manuel

304
00:12:01,030 --> 00:11:58,800
here because um

305
00:12:03,590 --> 00:12:01,040
manuel experienced something about a

306
00:12:05,110 --> 00:12:03,600
week ago out at the airport that he's

307
00:12:06,710 --> 00:12:05,120
going to discuss and this is the first

308
00:12:10,150 --> 00:12:06,720
time he's discussing

309
00:12:12,710 --> 00:12:10,160
with anybody outside the team so um and

310
00:12:13,750 --> 00:12:12,720
i think tobias may have had an encounter

311
00:12:16,870 --> 00:12:13,760
as well

312
00:12:18,470 --> 00:12:16,880
a few days ago so you know

313
00:12:19,990 --> 00:12:18,480

we'll let you present what you think is

314

00:12:22,310 --> 00:12:20,000

going on is there

315

00:12:23,990 --> 00:12:22,320

uh tobias so um

316

00:12:25,829 --> 00:12:24,000

but manuel why don't you tell us what

317

00:12:28,470 --> 00:12:25,839

happened to you

318

00:12:30,710 --> 00:12:28,480

well i had gone out to the uh wrestling

319

00:12:34,230 --> 00:12:30,720

cemetery i was um

320

00:12:37,110 --> 00:12:34,240

had planned on uh meeting up with uh

321

00:12:39,110 --> 00:12:37,120

tobias and uh aubry who's another

322

00:12:40,470 --> 00:12:39,120

investigator um

323

00:12:42,150 --> 00:12:40,480

and

324

00:12:43,990 --> 00:12:42,160

we went out there we you know we were

325

00:12:45,110 --> 00:12:44,000

looking at the spots where a lot of

326
00:12:46,790 --> 00:12:45,120
these uh

327
00:12:48,870 --> 00:12:46,800
sightings had happened and we had just

328
00:12:50,550 --> 00:12:48,880
received that report from the gentleman

329
00:12:53,910 --> 00:12:50,560
who worked at the fedex facility who

330
00:12:56,389 --> 00:12:53,920
says he saw multiple entities so i had

331
00:12:57,670 --> 00:12:56,399
to go out there and take some pictures

332
00:12:59,829 --> 00:12:57,680
um

333
00:13:01,829 --> 00:12:59,839
we were out there for a while evan i

334
00:13:04,710 --> 00:13:01,839
decided to um

335
00:13:06,470 --> 00:13:04,720
you know we went our separate ways and

336
00:13:07,590 --> 00:13:06,480
somebody just told me to go back to the

337
00:13:10,069 --> 00:13:07,600
cemetery

338
00:13:12,389 --> 00:13:10,079

so i did and that's when i was

339

00:13:13,829 --> 00:13:12,399

communicating with you um you know over

340

00:13:15,269 --> 00:13:13,839

messenger

341

00:13:18,310 --> 00:13:15,279

and

342

00:13:20,870 --> 00:13:18,320

so i went in you know i had been the

343

00:13:24,069 --> 00:13:20,880

cemetery itself is

344

00:13:26,230 --> 00:13:24,079

maybe 50 yards long by about

345

00:13:28,710 --> 00:13:26,240

20 yards wide

346

00:13:29,670 --> 00:13:28,720

it's a very small little cemetery

347

00:13:31,829 --> 00:13:29,680

um

348

00:13:34,629 --> 00:13:31,839

it sits directly across the street from

349

00:13:36,150 --> 00:13:34,639

a huge fedex uh terminal

350

00:13:37,990 --> 00:13:36,160

uh and on the

351
00:13:39,750 --> 00:13:38,000
to the uh

352
00:13:41,350 --> 00:13:39,760
right of it just on the other side of

353
00:13:43,189 --> 00:13:41,360
the fence is an active the active

354
00:13:44,550 --> 00:13:43,199
runways for o'hare

355
00:13:45,430 --> 00:13:44,560
um

356
00:13:47,509 --> 00:13:45,440
so

357
00:13:50,150 --> 00:13:47,519
the thing is is this entire facil this

358
00:13:51,750 --> 00:13:50,160
entire area is surrounded by thick

359
00:13:53,910 --> 00:13:51,760
groves of trees

360
00:13:55,509 --> 00:13:53,920
uh except for the uh

361
00:13:57,910 --> 00:13:55,519
right at the entrance

362
00:13:59,509 --> 00:13:57,920
um and a couple of little spots where

363
00:14:00,949 --> 00:13:59,519

there's a sign

364

00:14:04,230 --> 00:14:00,959

so

365

00:14:05,430 --> 00:14:04,240

park there and you can go into the

366

00:14:06,550 --> 00:14:05,440

cemetery

367

00:14:08,629 --> 00:14:06,560

um

368

00:14:09,990 --> 00:14:08,639

and for the most part it's always

369

00:14:10,949 --> 00:14:10,000

accessible

370

00:14:13,350 --> 00:14:10,959

um

371

00:14:14,389 --> 00:14:13,360

so we had gone out there and we were

372

00:14:15,590 --> 00:14:14,399

sitting

373

00:14:17,509 --> 00:14:15,600

you know

374

00:14:19,189 --> 00:14:17,519

and i was talking to the team

375

00:14:21,110 --> 00:14:19,199

as i was sitting there and they're

376

00:14:23,350 --> 00:14:21,120

telling me you know

377

00:14:26,310 --> 00:14:23,360

kind of giving me you know

378

00:14:28,470 --> 00:14:26,320

um a walk through do you know

379

00:14:31,990 --> 00:14:28,480

sit down you know there was benches

380

00:14:34,389 --> 00:14:32,000

there so i sat down and you know

381

00:14:35,910 --> 00:14:34,399

clear your mind you know try to

382

00:14:37,750 --> 00:14:35,920

try to listen

383

00:14:40,150 --> 00:14:37,760

you know to what's out there

384

00:14:42,310 --> 00:14:40,160

try to you know open your mind try to

385

00:14:45,030 --> 00:14:42,320

you know raise your awareness

386

00:14:47,269 --> 00:14:45,040

so i'm out there doing this and i'm

387

00:14:48,949 --> 00:14:47,279

communicating with alan and

388

00:14:50,150 --> 00:14:48,959

jennifer and everybody on the team at

389

00:14:51,910 --> 00:14:50,160

the same time

390

00:14:53,430 --> 00:14:51,920

and they're telling me you know put the

391

00:14:56,150 --> 00:14:53,440

camera down i had a

392

00:14:58,389 --> 00:14:56,160

digital camera with me plus my phone

393

00:15:00,629 --> 00:14:58,399

and um he told me put the camera down so

394

00:15:02,310 --> 00:15:00,639

i turned it off put it to the side

395

00:15:04,470 --> 00:15:02,320

and

396

00:15:05,829 --> 00:15:04,480

they started telling me you know there's

397

00:15:07,590 --> 00:15:05,839

something there

398

00:15:09,590 --> 00:15:07,600

um

399

00:15:10,949 --> 00:15:09,600

try to you know it wants to communicate

400

00:15:13,110 --> 00:15:10,959

with you so

401
00:15:14,710 --> 00:15:13,120
i'm following your instructions you know

402
00:15:15,990 --> 00:15:14,720
um

403
00:15:18,069 --> 00:15:16,000
the first thing i told you about the

404
00:15:19,990 --> 00:15:18,079
rabbits that there was a couple of

405
00:15:22,150 --> 00:15:20,000
rabbits out there

406
00:15:23,750 --> 00:15:22,160
and so i was kind of just naturally

407
00:15:27,189 --> 00:15:23,760
watching the rabbits and

408
00:15:29,910 --> 00:15:27,199
i mean if anybody knows i'm i hunt so

409
00:15:31,990 --> 00:15:29,920
you know my first things used to watch

410
00:15:33,670 --> 00:15:32,000
you know what would be considered like a

411
00:15:35,110 --> 00:15:33,680
prey animal or something because if it

412
00:15:37,430 --> 00:15:35,120
scatters

413
00:15:38,389 --> 00:15:37,440

um it's just an instinct

414

00:15:40,150 --> 00:15:38,399

um

415

00:15:41,749 --> 00:15:40,160

and they're coming you know it's in

416

00:15:43,670 --> 00:15:41,759

front of the rabbits you know the rabbit

417

00:15:45,110 --> 00:15:43,680

just passed in front of it

418

00:15:48,949 --> 00:15:45,120

um

419

00:15:50,629 --> 00:15:48,959

hold your you know arm out so i did

420

00:15:52,949 --> 00:15:50,639

and

421

00:15:55,590 --> 00:15:52,959

you started immediately feeling

422

00:15:56,949 --> 00:15:55,600

you know like tingles

423

00:15:58,629 --> 00:15:56,959

i know how to explain it like little

424

00:16:00,310 --> 00:15:58,639

pinpricks on the

425

00:16:02,629 --> 00:16:00,320

tips of my fingers leading all the way

426

00:16:04,230 --> 00:16:02,639

up to my palm

427

00:16:06,470 --> 00:16:04,240

and

428

00:16:09,430 --> 00:16:06,480

they were telling me you know

429

00:16:11,110 --> 00:16:09,440

it's behind you you know and look to the

430

00:16:12,870 --> 00:16:11,120

right and you look to the right and saw

431

00:16:16,069 --> 00:16:12,880

some shadows

432

00:16:17,350 --> 00:16:16,079

and then you start hearing whispering

433

00:16:20,150 --> 00:16:17,360

um

434

00:16:22,470 --> 00:16:20,160

i heard it very distinctly very clear

435

00:16:24,069 --> 00:16:22,480

they call my name

436

00:16:25,749 --> 00:16:24,079

um

437

00:16:27,990 --> 00:16:25,759

i mean it's just

438

00:16:29,590 --> 00:16:28,000

whispering from behind

439

00:16:32,069 --> 00:16:29,600

and

440

00:16:33,509 --> 00:16:32,079

you're feeling this connection

441

00:16:37,829 --> 00:16:33,519

it's just

442

00:16:39,430 --> 00:16:37,839

so strange i mean it's like

443

00:16:41,430 --> 00:16:39,440

if you could take energy and kind of

444

00:16:42,710 --> 00:16:41,440

make it tangible

445

00:16:45,269 --> 00:16:42,720

uh

446

00:16:46,150 --> 00:16:45,279

and feel it um it's what it would feel

447

00:16:47,269 --> 00:16:46,160

like

448

00:16:49,590 --> 00:16:47,279

um

449

00:16:51,189 --> 00:16:49,600

i was at the same time you know i'm i'm

450

00:16:54,389 --> 00:16:51,199

trying to glance over the phone because

451
00:16:56,790 --> 00:16:54,399
i get i'm getting messages from the team

452
00:16:59,189 --> 00:16:56,800
and they're telling me it's behind me

453
00:17:01,590 --> 00:16:59,199
you know you're hearing

454
00:17:02,790 --> 00:17:01,600
what can only describe what the sound of

455
00:17:04,710 --> 00:17:02,800
wings

456
00:17:06,470 --> 00:17:04,720
you know you're seeing shadows

457
00:17:08,470 --> 00:17:06,480
i will tell you right now

458
00:17:10,309 --> 00:17:08,480
i did not see

459
00:17:12,309 --> 00:17:10,319
the actual

460
00:17:15,110 --> 00:17:12,319
you saw the shadows you saw that you

461
00:17:16,549 --> 00:17:15,120
felt the energy i did not i'm not gonna

462
00:17:19,429 --> 00:17:16,559
sit here and say oh i saw it it was

463
00:17:20,230 --> 00:17:19,439

there uh it's not you

464

00:17:22,949 --> 00:17:20,240

were

465

00:17:24,069 --> 00:17:22,959

there

466

00:17:26,470 --> 00:17:24,079

and

467

00:17:29,510 --> 00:17:26,480

i was told that um

468

00:17:31,029 --> 00:17:29,520

you know about the rock you know it

469

00:17:33,669 --> 00:17:31,039

i looked over and there was a rock right

470

00:17:34,470 --> 00:17:33,679

there and i was told to pick that rock

471

00:17:35,350 --> 00:17:34,480

up

472

00:17:37,990 --> 00:17:35,360

and

473

00:17:39,029 --> 00:17:38,000

that it had put the rock there for me

474

00:17:40,870 --> 00:17:39,039

and

475

00:17:42,789 --> 00:17:40,880

the rock was

476
00:17:44,230 --> 00:17:42,799
you know

477
00:17:47,590 --> 00:17:44,240
it was charged you could kind of feel

478
00:17:48,789 --> 00:17:47,600
the energy from it so

479
00:17:51,270 --> 00:17:48,799
i um

480
00:17:53,029 --> 00:17:51,280
picked it up and the entire encounter

481
00:17:55,510 --> 00:17:53,039
itself lasted

482
00:17:56,630 --> 00:17:55,520
i want to say what 15 minutes or so when

483
00:17:59,510 --> 00:17:56,640
we were

484
00:18:00,789 --> 00:17:59,520
you know from beginning to end

485
00:18:04,310 --> 00:18:00,799
so

486
00:18:07,270 --> 00:18:04,320
um the entity had a name um

487
00:18:11,029 --> 00:18:07,280
i'm not sure if i want to really say

488
00:18:13,190 --> 00:18:11,039

yeah go ahead and at that language guru

489

00:18:15,190 --> 00:18:13,200

you are you

490

00:18:18,070 --> 00:18:15,200

um

491

00:18:19,750 --> 00:18:18,080

from what i was the energy was given off

492

00:18:22,230 --> 00:18:19,760

it was and when i was being told from

493

00:18:25,750 --> 00:18:22,240

the team as i was being guided

494

00:18:26,870 --> 00:18:25,760

it was a juvenile it wasn't a full-grown

495

00:18:29,430 --> 00:18:26,880

adult

496

00:18:32,070 --> 00:18:29,440

so it did give up

497

00:18:33,430 --> 00:18:32,080

juvenile energy kind of skittish

498

00:18:38,470 --> 00:18:33,440

kind of

499

00:18:39,510 --> 00:18:38,480

somebody you know it's still skittish it

500

00:18:40,789 --> 00:18:39,520

doesn't

501
00:18:42,390 --> 00:18:40,799
understand

502
00:18:44,150 --> 00:18:42,400
um it's

503
00:18:45,990 --> 00:18:44,160
exploring

504
00:18:48,230 --> 00:18:46,000
but it was

505
00:18:51,029 --> 00:18:48,240
an energy that was really really you

506
00:18:53,750 --> 00:18:51,039
could tell first off it was very

507
00:18:54,710 --> 00:18:53,760
ancient kind of energy and it was also

508
00:18:57,750 --> 00:18:54,720
very

509
00:18:59,270 --> 00:18:57,760
powerful even if it was a juvenile

510
00:19:01,430 --> 00:18:59,280
um

511
00:19:03,110 --> 00:19:01,440
it was almost overwhelming

512
00:19:03,909 --> 00:19:03,120
um

513
00:19:05,830 --> 00:19:03,919

it

514

00:19:08,830 --> 00:19:05,840

kind of over said overall powers you're

515

00:19:13,270 --> 00:19:11,909

um it finally decided that you know it's

516

00:19:14,870 --> 00:19:13,280

time um

517

00:19:15,830 --> 00:19:14,880

the encounter ended

518

00:19:17,110 --> 00:19:15,840

um

519

00:19:20,070 --> 00:19:17,120

i was talking to you guys as i was

520

00:19:22,230 --> 00:19:20,080

getting in the car and uh leaving

521

00:19:24,789 --> 00:19:22,240

uh because i was instructed to leave the

522

00:19:29,029 --> 00:19:27,510

but it was one of those things where

523

00:19:31,669 --> 00:19:29,039

it took

524

00:19:34,070 --> 00:19:31,679

about three days

525

00:19:35,510 --> 00:19:34,080

for me to actually get back to normal it

526
00:19:36,830 --> 00:19:35,520
was

527
00:19:38,870 --> 00:19:36,840
so

528
00:19:41,669 --> 00:19:38,880
overwhelming uh

529
00:19:43,830 --> 00:19:41,679
and since then i've had you know

530
00:19:45,830 --> 00:19:43,840
you know

531
00:19:47,590 --> 00:19:45,840
encounters as well i mean just the

532
00:19:50,230 --> 00:19:47,600
energy output you can feel it you can

533
00:19:51,110 --> 00:19:50,240
feel it it's there talking to you

534
00:19:53,430 --> 00:19:51,120
um

535
00:19:56,470 --> 00:19:53,440
trying to show you you know i've had

536
00:19:58,390 --> 00:19:56,480
very vivid dreams that have um

537
00:19:59,270 --> 00:19:58,400
involved like shadows

538
00:20:00,950 --> 00:19:59,280

um

539

00:20:02,470 --> 00:20:00,960

being in front of me and feeling you

540

00:20:03,909 --> 00:20:02,480

know the feeling of

541

00:20:07,029 --> 00:20:03,919

something's there or something trying to

542

00:20:09,190 --> 00:20:07,039

communicate something trying to talk so

543

00:20:10,870 --> 00:20:09,200

yeah that's basically the encounter it

544

00:20:12,870 --> 00:20:10,880

was a very very

545

00:20:14,470 --> 00:20:12,880

intense encounter

546

00:20:16,470 --> 00:20:14,480

um

547

00:20:18,630 --> 00:20:16,480

something that was

548

00:20:20,470 --> 00:20:18,640

you could kind of tell that even if it

549

00:20:23,190 --> 00:20:20,480

was chewing out its

550

00:20:24,789 --> 00:20:23,200

its origins were very old

551
00:20:25,750 --> 00:20:24,799
um

552
00:20:28,630 --> 00:20:25,760
and

553
00:20:30,230 --> 00:20:28,640
it was not of this world so

554
00:20:32,390 --> 00:20:30,240
it was uh

555
00:20:34,870 --> 00:20:32,400
there for a reason it was there

556
00:20:37,750 --> 00:20:34,880
specifically just to communicate

557
00:20:40,870 --> 00:20:37,760
and try to make you know establish

558
00:20:42,549 --> 00:20:40,880
a contact or like a

559
00:20:43,510 --> 00:20:42,559
a bond

560
00:20:45,350 --> 00:20:43,520
um

561
00:20:47,510 --> 00:20:45,360
i felt that a couple times i still have

562
00:20:48,630 --> 00:20:47,520
actually had the rock right here

563
00:20:50,070 --> 00:20:48,640

um

564

00:20:52,310 --> 00:20:50,080

and

565

00:20:55,909 --> 00:20:52,320

you hold it you still feel the charge up

566

00:20:58,310 --> 00:20:55,919

off of it it's just you know just a

567

00:21:00,149 --> 00:20:58,320

piece of limestone rock but it's got an

568

00:21:02,630 --> 00:21:00,159

energy that you know

569

00:21:06,230 --> 00:21:02,640

it gives off and

570

00:21:09,110 --> 00:21:06,240

kind of cool to the touch still but

571

00:21:10,390 --> 00:21:09,120

in the days following you know you feel

572

00:21:13,830 --> 00:21:10,400

like

573

00:21:15,750 --> 00:21:13,840

you're

574

00:21:17,909 --> 00:21:15,760

able to communicate

575

00:21:20,310 --> 00:21:17,919

you know even though it's still

576

00:21:21,430 --> 00:21:20,320

fleeting you can still feel it and

577

00:21:22,950 --> 00:21:21,440

you're trying to

578

00:21:23,909 --> 00:21:22,960

i've been working on i've been working

579

00:21:25,990 --> 00:21:23,919

with lauren i've been working with

580

00:21:27,110 --> 00:21:26,000

jennifer trying to

581

00:21:29,909 --> 00:21:27,120

learn

582

00:21:31,909 --> 00:21:29,919

how to control that how to control the

583

00:21:34,710 --> 00:21:31,919

vibrations the energies

584

00:21:35,430 --> 00:21:34,720

to try to communicate with it

585

00:21:37,510 --> 00:21:35,440

but

586

00:21:38,789 --> 00:21:37,520

it was something that was literally

587

00:21:41,510 --> 00:21:38,799

life-changing

588

00:21:44,789 --> 00:21:42,390

well

589

00:21:45,990 --> 00:21:44,799

it was life-changing for me i tell you i

590

00:21:48,149 --> 00:21:46,000

was um

591

00:21:51,190 --> 00:21:48,159

of course jennifer and i were

592

00:21:53,190 --> 00:21:51,200

were on messenger with you at the time

593

00:21:54,710 --> 00:21:53,200

and uh you know we were trying to

594

00:21:56,789 --> 00:21:54,720

communicate i was getting a little

595

00:21:58,470 --> 00:21:56,799

frightened because you there were the

596

00:22:00,390 --> 00:21:58,480

times you were

597

00:22:02,390 --> 00:22:00,400

probably overwhelmed by what was going

598

00:22:04,789 --> 00:22:02,400

on you just weren't answering back and

599

00:22:06,070 --> 00:22:04,799

uh it got a little it got a little hairy

600

00:22:08,149 --> 00:22:06,080

there it seemed but

601
00:22:10,230 --> 00:22:08,159
you did i mean it's interesting i it's

602
00:22:12,470 --> 00:22:10,240
almost like i was actually

603
00:22:16,149 --> 00:22:12,480
and for those who know i i do remove

604
00:22:18,630 --> 00:22:16,159
viewing but you know a lot of that is

605
00:22:20,470 --> 00:22:18,640
intuitive and psychic as well i don't

606
00:22:22,789 --> 00:22:20,480
really consider myself a psychic medium

607
00:22:23,909 --> 00:22:22,799
but you know you do pick up things

608
00:22:26,149 --> 00:22:23,919
um

609
00:22:28,310 --> 00:22:26,159
and i i was like i was standing there

610
00:22:30,950 --> 00:22:28,320
watching the whole thing with you

611
00:22:33,110 --> 00:22:30,960
uh now first of all

612
00:22:36,390 --> 00:22:33,120
the beings these unseen ones who

613
00:22:39,190 --> 00:22:36,400

communicate with jennifer and myself

614

00:22:43,430 --> 00:22:39,200

are their names are ukiah

615

00:22:45,110 --> 00:22:43,440

and choco that's the names they gave us

616

00:22:47,110 --> 00:22:45,120

and when

617

00:22:49,110 --> 00:22:47,120

yukiya was

618

00:22:51,190 --> 00:22:49,120

told jennifer that

619

00:22:53,350 --> 00:22:51,200

the name of this being he was going to

620

00:22:55,750 --> 00:22:53,360

meet you at the cemetery his name was

621

00:22:58,390 --> 00:22:55,760

guru you are you

622

00:23:00,789 --> 00:22:58,400

uh they explained it was a juvenile

623

00:23:02,789 --> 00:23:00,799

um and from what i'm getting and i don't

624

00:23:06,470 --> 00:23:02,799

know if this is even true

625

00:23:08,870 --> 00:23:06,480

but i've got a sense that many of these

626
00:23:11,669 --> 00:23:08,880
wing beings that are being seen at the

627
00:23:13,669 --> 00:23:11,679
airport and around

628
00:23:16,789 --> 00:23:13,679
around the chicago area are actually

629
00:23:19,029 --> 00:23:16,799
juveniles uh they're younger beings

630
00:23:21,510 --> 00:23:19,039
and advice you know we've had sightings

631
00:23:22,950 --> 00:23:21,520
of smaller beans as well

632
00:23:25,830 --> 00:23:22,960
so i don't know if that's there's a

633
00:23:28,070 --> 00:23:25,840
correlation there or not i don't know

634
00:23:30,070 --> 00:23:28,080
but uh we're going to go deeper into

635
00:23:32,230 --> 00:23:30,080
this i i'd like to know

636
00:23:35,350 --> 00:23:32,240
tobias what did you experience the night

637
00:23:39,270 --> 00:23:37,510
oh sure so uh that was a pretty

638
00:23:40,870 --> 00:23:39,280

interesting night we went out there as

639

00:23:43,269 --> 00:23:40,880

emily and myself our friend jay

640

00:23:45,190 --> 00:23:43,279

bichochen who was a a very active

641

00:23:47,669 --> 00:23:45,200

researcher in that area

642

00:23:49,830 --> 00:23:47,679

and then uh a couple of members of the

643

00:23:51,830 --> 00:23:49,840

the singer affording society um so we

644

00:23:53,990 --> 00:23:51,840

were doing this this in-person uh

645

00:23:55,750 --> 00:23:54,000

investigation oh adam benedict of the

646

00:23:57,510 --> 00:23:55,760

the pine barrens institute was also

647

00:23:58,390 --> 00:23:57,520

there i can't forget my my good buddy

648

00:23:59,269 --> 00:23:58,400

adam

649

00:24:02,149 --> 00:23:59,279

um

650

00:24:05,669 --> 00:24:02,159

and so we had gone out uh originally

651

00:24:07,830 --> 00:24:05,679

what we wanted to do was uh repeat this

652

00:24:09,590 --> 00:24:07,840

ce5 experiment that that we had

653

00:24:12,070 --> 00:24:09,600

conducted you know several weeks ago and

654

00:24:14,549 --> 00:24:12,080

we had had some some pretty good

655

00:24:16,710 --> 00:24:14,559

results from that um and so we headed

656

00:24:19,590 --> 00:24:16,720

out there and uh and and we repeated

657

00:24:22,310 --> 00:24:19,600

that particular experiment um

658

00:24:26,149 --> 00:24:22,320

and we did have some some pretty good

659

00:24:28,230 --> 00:24:26,159

results but um i think probably

660

00:24:30,070 --> 00:24:28,240

uh in terms of something that that could

661

00:24:32,870 --> 00:24:30,080

potentially be related to this

662

00:24:34,310 --> 00:24:32,880

phenomenon it was really on the way out

663

00:24:36,149 --> 00:24:34,320

that um

664

00:24:38,710 --> 00:24:36,159

that we noticed

665

00:24:40,789 --> 00:24:38,720

uh how active the the kettle had had

666

00:24:42,789 --> 00:24:40,799

suddenly become you know it it it had

667

00:24:44,470 --> 00:24:42,799

been a while since because we go out

668

00:24:47,669 --> 00:24:44,480

there fairly regularly

669

00:24:50,470 --> 00:24:47,679

and it had been a while since we had had

670

00:24:53,110 --> 00:24:50,480

uh as active of uh of what we like to

671

00:24:53,830 --> 00:24:53,120

call in an escort on our our way out and

672

00:25:01,909 --> 00:24:53,840

so

673

00:25:03,590 --> 00:25:01,919

escorting us really

674

00:25:05,750 --> 00:25:03,600

um

675

00:25:08,149 --> 00:25:05,760

and so we certainly had that uh that

676

00:25:10,149 --> 00:25:08,159

feeling on our our way out of the the

677

00:25:12,390 --> 00:25:10,159

kettle last saturday and

678

00:25:15,909 --> 00:25:12,400

and um it was pretty

679

00:25:17,909 --> 00:25:15,919

extreme uh a lot of branch breaks um

680

00:25:20,870 --> 00:25:17,919

you know and and just

681

00:25:22,470 --> 00:25:20,880

obviously and this is hard to i think

682

00:25:24,870 --> 00:25:22,480

really convey to people who are

683

00:25:27,590 --> 00:25:24,880

listening or watching but

684

00:25:30,310 --> 00:25:27,600

there really was this um

685

00:25:31,669 --> 00:25:30,320

presence that you could feel you know

686

00:25:32,950 --> 00:25:31,679

you really have to be there to

687

00:25:35,510 --> 00:25:32,960

understand but

688

00:25:38,950 --> 00:25:35,520

uh there there was this palpable sort of

689

00:25:41,350 --> 00:25:38,960

presence of just not being alone while

690

00:25:44,390 --> 00:25:41,360

this uh this stuff is happening around

691

00:25:46,470 --> 00:25:44,400

us on our our way out um

692

00:25:48,710 --> 00:25:46,480

and it's interesting to me specifically

693

00:25:50,630 --> 00:25:48,720

because i hadn't really made this

694

00:25:53,190 --> 00:25:50,640

connection yet but we have

695

00:25:55,110 --> 00:25:53,200

we've experienced things out there that

696

00:25:57,190 --> 00:25:55,120

that certainly could be

697

00:25:58,789 --> 00:25:57,200

related to this you know we've we've

698

00:26:00,630 --> 00:25:58,799

really only been going out there since

699

00:26:03,029 --> 00:26:00,640

we began the the

700

00:26:05,110 --> 00:26:03,039

the uh uh lake michigan mothman

701

00:26:07,510 --> 00:26:05,120

investigation and and all that stuff so

702

00:26:08,950 --> 00:26:07,520

you know chicago phantom you know o'hare

703

00:26:10,710 --> 00:26:08,960

moth and all that

704

00:26:13,990 --> 00:26:10,720

um

705

00:26:16,070 --> 00:26:14,000

and uh and we've conducted a variety of

706

00:26:18,310 --> 00:26:16,080

investigations with you know different

707

00:26:20,950 --> 00:26:18,320

uh experiments and things involved and

708

00:26:23,430 --> 00:26:20,960

one of the things that we have done is

709

00:26:24,390 --> 00:26:23,440

just take our our spirit box out there

710

00:26:25,350 --> 00:26:24,400

you know

711

00:26:27,269 --> 00:26:25,360

um

712

00:26:29,430 --> 00:26:27,279

because there you know there there's a

713

00:26:31,909 --> 00:26:29,440

variety of phenomena that that people

714

00:26:34,710 --> 00:26:31,919

report and and some of it is

715

00:26:38,549 --> 00:26:34,720

you know very biological seeming um you

716

00:26:40,230 --> 00:26:38,559

know sort of standard bigfoot uh man

717

00:26:43,350 --> 00:26:40,240

reports things like that but you know

718

00:26:46,710 --> 00:26:43,360

some of it is uh you know strange balls

719

00:26:48,549 --> 00:26:46,720

of lights uh missing time experiences uh

720

00:26:49,990 --> 00:26:48,559

you know the the the sense of this

721

00:26:51,669 --> 00:26:50,000

presence and

722

00:26:53,510 --> 00:26:51,679

and uh and things like that you know

723

00:26:55,430 --> 00:26:53,520

rock throwing which you know maybe

724

00:26:57,029 --> 00:26:55,440

something throwing uh rocks at you like

725

00:26:59,110 --> 00:26:57,039

some biological animal maybe some kind

726

00:27:01,269 --> 00:26:59,120

of poltergeist effect we really don't

727

00:27:03,269 --> 00:27:01,279

know um

728

00:27:06,789 --> 00:27:03,279

and so because of

729

00:27:08,070 --> 00:27:06,799

all of that uh phenomena that had been

730

00:27:10,149 --> 00:27:08,080

occurring out there as well you know we

731

00:27:12,630 --> 00:27:10,159

decided to take our spirit boxes out

732

00:27:15,269 --> 00:27:12,640

and uh and during one session i remember

733

00:27:16,870 --> 00:27:15,279

specifically um and i i don't remember

734

00:27:19,350 --> 00:27:16,880

verbatim because i didn't memorize the

735

00:27:22,149 --> 00:27:19,360

actual conversation but uh basically the

736

00:27:25,430 --> 00:27:22,159

the gist of this this spirit box session

737

00:27:28,149 --> 00:27:25,440

was that whatever was accompanying us

738

00:27:30,630 --> 00:27:28,159

that particular evening was was watching

739

00:27:32,549 --> 00:27:30,640

us and its purpose was to watch us um

740

00:27:34,230 --> 00:27:32,559

and i do remember specifically one of

741

00:27:36,549 --> 00:27:34,240

the words that they came through very

742

00:27:38,310 --> 00:27:36,559

clearly

743

00:27:39,990 --> 00:27:38,320

so when i asked

744

00:27:41,350 --> 00:27:40,000

what are you doing like what is the

745

00:27:45,029 --> 00:27:41,360

purpose of this

746

00:27:47,110 --> 00:27:45,039

it was literally to to probe us and so

747

00:27:50,230 --> 00:27:47,120

i'm reminded of

748

00:27:52,149 --> 00:27:50,240

inexperience that i had in january of

749

00:27:54,870 --> 00:27:52,159

2019 i think this would have been just

750

00:27:57,909 --> 00:27:54,880

before the the woodstock sightings began

751

00:27:59,750 --> 00:27:57,919

um i was out walking our dog this is

752

00:28:01,430 --> 00:27:59,760

when we still lived in madison we've

753

00:28:03,510 --> 00:28:01,440

we've since moved but i was out walking

754

00:28:05,190 --> 00:28:03,520

our dog and we lived in a

755

00:28:06,630 --> 00:28:05,200

fairly uh

756

00:28:08,870 --> 00:28:06,640

dark neighborhood like it would get

757

00:28:10,389 --> 00:28:08,880

pretty dark there at night which is

758

00:28:12,230 --> 00:28:10,399

weird because we're in the middle of we

759

00:28:13,269 --> 00:28:12,240

were in the middle of the city at that

760

00:28:14,310 --> 00:28:13,279

time but

761

00:28:16,230 --> 00:28:14,320

anyway

762

00:28:18,310 --> 00:28:16,240

i was out walking the dog and we lived

763

00:28:20,389 --> 00:28:18,320

on a hill and so i was about halfway up

764

00:28:22,789 --> 00:28:20,399

this hill

765

00:28:24,149 --> 00:28:22,799

and uh and i remember looking at the top

766

00:28:26,230 --> 00:28:24,159

of the hill and at the top of the hill

767

00:28:28,070 --> 00:28:26,240

there is this uh community center across

768

00:28:31,350 --> 00:28:28,080

the street from that there's a park

769

00:28:34,230 --> 00:28:31,360

and next to the park i saw these two

770

00:28:36,870 --> 00:28:34,240

figures and they appeared to be tall

771

00:28:39,110 --> 00:28:36,880

uh cloaked hooded figures i couldn't

772

00:28:41,190 --> 00:28:39,120

make out any any real detail you know in

773

00:28:43,350 --> 00:28:41,200

terms of facial detail or anything like

774

00:28:45,190 --> 00:28:43,360

that but they looked like they were just

775

00:28:46,470 --> 00:28:45,200

sort of these solid black

776

00:28:49,590 --> 00:28:46,480

stooped

777

00:28:50,950 --> 00:28:49,600

cloaked figures and i had the distinct

778

00:28:53,029 --> 00:28:50,960

impression in that moment when i'm

779

00:28:55,190 --> 00:28:53,039

seeing them standing up on this hill

780

00:28:57,350 --> 00:28:55,200

that that these things

781

00:28:59,750 --> 00:28:57,360

were watching me that they were

782

00:29:02,310 --> 00:28:59,760

observing me for whatever reason may be

783

00:29:04,549 --> 00:29:02,320

related to the uh investigation that we

784

00:29:06,389 --> 00:29:04,559

were doing at that time

785

00:29:07,510 --> 00:29:06,399

and it wasn't until

786

00:29:10,710 --> 00:29:07,520

i saw

787

00:29:13,669 --> 00:29:10,720

that photograph that that you shared

788

00:29:15,830 --> 00:29:13,679

uh that uh david took

789

00:29:18,310 --> 00:29:15,840

that it really started to click because

790

00:29:20,950 --> 00:29:18,320

i'd always suspected it could have been

791

00:29:23,269 --> 00:29:20,960

related to the the mothman stuff like

792

00:29:25,909 --> 00:29:23,279

that's sort of the the traditional

793

00:29:28,470 --> 00:29:25,919

uh you know sort of of high strangeness

794

00:29:31,029 --> 00:29:28,480

that you would expect um investigating

795

00:29:33,190 --> 00:29:31,039

that uh that sort of phenomenon but

796

00:29:35,750 --> 00:29:33,200

it really wasn't until some of uh some

797

00:29:37,990 --> 00:29:35,760

more of these pieces started to to fall

798

00:29:40,389 --> 00:29:38,000

into place that it really clicked for me

799

00:29:41,350 --> 00:29:40,399

because seeing that photograph the

800

00:29:45,029 --> 00:29:41,360

the uh

801
00:29:47,510 --> 00:29:45,039
stature the the the posture of the thing

802
00:29:50,149 --> 00:29:47,520
in that photograph actually matched the

803
00:29:52,389 --> 00:29:50,159
uh the posture of the things that i had

804
00:29:54,950 --> 00:29:52,399
seen up on that hill

805
00:29:57,590 --> 00:29:54,960
and then i started thinking well

806
00:30:00,630 --> 00:29:57,600
you know how many witnesses have we had

807
00:30:02,950 --> 00:30:00,640
come to us and say you know i thought at

808
00:30:05,510 --> 00:30:02,960
first what i was seeing was a man

809
00:30:07,990 --> 00:30:05,520
wearing a cape or i saw i thought i was

810
00:30:10,710 --> 00:30:08,000
seeing a man wearing a cloak or a hood

811
00:30:12,310 --> 00:30:10,720
or something until it spreads its wings

812
00:30:14,070 --> 00:30:12,320
and then all of a sudden they go well

813
00:30:16,230 --> 00:30:14,080

wow that wasn't a cloak that wasn't a

814

00:30:18,149 --> 00:30:16,240

cape that was these things

815

00:30:19,510 --> 00:30:18,159

and so all of these pieces start falling

816

00:30:21,590 --> 00:30:19,520

in place for me

817

00:30:22,710 --> 00:30:21,600

and uh and i can't help but wonder what

818

00:30:25,990 --> 00:30:22,720

will help

819

00:30:28,070 --> 00:30:26,000

i mean is is that what i saw that night

820

00:30:30,470 --> 00:30:28,080

because that's that's certainly when you

821

00:30:32,549 --> 00:30:30,480

look at and all of the other

822

00:30:34,630 --> 00:30:32,559

uh pieces we've put together since then

823

00:30:36,710 --> 00:30:34,640

it certainly seems possible

824

00:30:39,510 --> 00:30:36,720

honestly seems pretty likely at this

825

00:30:41,669 --> 00:30:39,520

point uh in terms of the the available

826

00:30:44,310 --> 00:30:41,679

explanation so

827

00:30:46,389 --> 00:30:44,320

as far as i know you know i've had

828

00:30:48,310 --> 00:30:46,399

contact with these things or at least

829

00:30:49,110 --> 00:30:48,320

i've been observed by them

830

00:30:51,990 --> 00:30:49,120

for

831

00:30:54,230 --> 00:30:52,000

a minimum of of two and a half years you

832

00:30:56,310 --> 00:30:54,240

know possibly longer

833

00:30:58,230 --> 00:30:56,320

um so yeah it's it's it's it's very

834

00:30:58,870 --> 00:30:58,240

interesting to me to see this stuff sort

835

00:31:04,470 --> 00:30:58,880

of

836

00:31:08,149 --> 00:31:04,480

that entity that uh that uh manuel had

837

00:31:10,950 --> 00:31:08,159

contact with uh uh uru uh and and you

838

00:31:12,149 --> 00:31:10,960

both did this like you both spelled it

839

00:31:15,509 --> 00:31:12,159

you know

840

00:31:17,750 --> 00:31:15,519

you are you which in and of itself is is

841

00:31:19,750 --> 00:31:17,760

an actual phrase in in the english

842

00:31:23,269 --> 00:31:19,760

language and it reminds me

843

00:31:26,149 --> 00:31:23,279

of in experience i had years ago

844

00:31:29,350 --> 00:31:26,159

where i was visited by by some entity

845

00:31:31,750 --> 00:31:29,360

and at the time it took the form of sort

846

00:31:33,590 --> 00:31:31,760

of a traditional grey alien but it

847

00:31:35,350 --> 00:31:33,600

imparted this weird message to me and

848

00:31:37,190 --> 00:31:35,360

i've never been able to make sense of it

849

00:31:38,710 --> 00:31:37,200

but the message was

850

00:31:40,389 --> 00:31:38,720

we are you

851

00:31:43,110 --> 00:31:40,399

and i don't know if that's related at

852

00:31:44,870 --> 00:31:43,120

all but just hearing you guys say that

853

00:31:46,310 --> 00:31:44,880

right now like that's the first thing

854

00:31:48,630 --> 00:31:46,320

that i thought of and so there's all of

855

00:31:50,549 --> 00:31:48,640

these weird synchronicities all of these

856

00:31:52,630 --> 00:31:50,559

things just sort of lining up now that

857

00:31:54,230 --> 00:31:52,640

have been happening for for years and

858

00:31:59,350 --> 00:31:54,240

years at this point

859

00:32:03,509 --> 00:31:59,360

and uh it's it's astounding frankly

860

00:32:07,750 --> 00:32:05,990

i i have been thinking for the past week

861

00:32:11,110 --> 00:32:07,760

or more a little more

862

00:32:12,630 --> 00:32:11,120

since uh manuel had his encounter then

863

00:32:15,029 --> 00:32:12,640

some of the things that we've been we've

864

00:32:17,509 --> 00:32:15,039

gone back and looked at it

865

00:32:19,190 --> 00:32:17,519

i i have a distinct feeling that these

866

00:32:21,509 --> 00:32:19,200

beings have been watching us in

867

00:32:24,549 --> 00:32:21,519

particular for a long time

868

00:32:26,950 --> 00:32:24,559

i really do i i think that

869

00:32:28,470 --> 00:32:26,960

and when and when it asks for you guys

870

00:32:30,789 --> 00:32:28,480

to be put on this

871

00:32:33,269 --> 00:32:30,799

this unseen one's team

872

00:32:35,830 --> 00:32:33,279

you guys were it was told to us by name

873

00:32:39,509 --> 00:32:35,840

i mean your names were used

874

00:32:41,269 --> 00:32:39,519

um so i have a distinct feeling that

875

00:32:43,509 --> 00:32:41,279

we have been watched

876

00:32:46,470 --> 00:32:43,519

ever since all this began

877

00:32:47,830 --> 00:32:46,480

uh at least at least 2017 when all this

878

00:32:50,149 --> 00:32:47,840

began so

879

00:32:52,630 --> 00:32:50,159

you know or

880

00:32:55,590 --> 00:32:52,640

it is it's bizarre it really is bizarre

881

00:32:56,710 --> 00:32:55,600

to me um

882

00:32:59,029 --> 00:32:56,720

i don't know

883

00:33:00,470 --> 00:32:59,039

my god i i i'm glad you mentioned that

884

00:33:02,230 --> 00:33:00,480

because this is the first time i'm here

885

00:33:05,110 --> 00:33:02,240

hearing you say this

886

00:33:07,430 --> 00:33:05,120

uh you know and i i didn't really

887

00:33:08,870 --> 00:33:07,440

question manuel on his encounter either

888

00:33:10,789 --> 00:33:08,880

i wanted to wait

889

00:33:13,590 --> 00:33:10,799

for you both to present what had

890

00:33:16,310 --> 00:33:13,600

happened to you as a result of this

891

00:33:17,669 --> 00:33:16,320

and uh i'm glad i did because that's

892

00:33:19,990 --> 00:33:17,679

impactful

893

00:33:20,950 --> 00:33:20,000

uh look folks that you're listening to

894

00:33:24,789 --> 00:33:20,960

us

895

00:33:27,669 --> 00:33:24,799

theorists let's get that right off the

896

00:33:29,909 --> 00:33:27,679

table now because that is not us

897

00:33:32,389 --> 00:33:29,919

i mean that that you know we're probably

898

00:33:34,149 --> 00:33:32,399

as far from being conspiracy there's

899

00:33:35,430 --> 00:33:34,159

anybody out there

900

00:33:37,509 --> 00:33:35,440

uh

901
00:33:39,830 --> 00:33:37,519
i know for myself and i know for tobias

902
00:33:41,269 --> 00:33:39,840
especially and for manuel we don't

903
00:33:42,389 --> 00:33:41,279
report anything unless we see the

904
00:33:44,149 --> 00:33:42,399
fielder

905
00:33:45,590 --> 00:33:44,159
experience it you know

906
00:33:47,430 --> 00:33:45,600
and uh

907
00:33:48,470 --> 00:33:47,440
you know that's one thing i think we've

908
00:33:50,830 --> 00:33:48,480
learned

909
00:33:53,269 --> 00:33:50,840
in spades as far as this whole

910
00:33:55,190 --> 00:33:53,279
investigation with these these winged

911
00:33:58,149 --> 00:33:55,200
beings um

912
00:34:00,470 --> 00:33:58,159
because these witnesses have become

913
00:34:03,590 --> 00:34:01,990

i mean they've become they're very

914

00:34:05,509 --> 00:34:03,600

forthright in what they tell you and

915

00:34:07,909 --> 00:34:05,519

you've talked to many of them and it

916

00:34:09,510 --> 00:34:07,919

it's kind of interesting how they don't

917

00:34:12,149 --> 00:34:09,520

embellish on their settings they don't

918

00:34:15,109 --> 00:34:12,159

do this they don't do that not not

919

00:34:17,109 --> 00:34:15,119

not like most cryptid sizes or even

920

00:34:19,109 --> 00:34:17,119

hauntings and such people

921

00:34:21,750 --> 00:34:19,119

people have a tendency to embellish on

922

00:34:24,710 --> 00:34:21,760

these things and this just now has this

923

00:34:26,790 --> 00:34:24,720

just hasn't been the case now is is this

924

00:34:29,270 --> 00:34:26,800

leading up to what we're we're actually

925

00:34:32,310 --> 00:34:29,280

going through now

926
00:34:33,510 --> 00:34:32,320
i don't know i mean it may very well be

927
00:34:35,270 --> 00:34:33,520
but

928
00:34:37,589 --> 00:34:35,280
god i don't know you know i'm kind of

929
00:34:39,349 --> 00:34:37,599
dumbfounded now

930
00:34:41,349 --> 00:34:39,359
this whole thing has been like i said

931
00:34:43,430 --> 00:34:41,359
it's been a whirlwind now

932
00:34:45,109 --> 00:34:43,440
i will say this

933
00:34:48,389 --> 00:34:45,119
before

934
00:34:49,349 --> 00:34:48,399
manuel had his encounter

935
00:34:55,589 --> 00:34:49,359
the

936
00:34:57,109 --> 00:34:55,599
this group this unseen one's group is

937
00:34:59,270 --> 00:34:57,119
named jikaya

938
00:35:00,950 --> 00:34:59,280

he has been communicating with jin for a

939

00:35:02,950 --> 00:35:00,960

long time now

940

00:35:05,750 --> 00:35:02,960

and he basically

941

00:35:06,710 --> 00:35:05,760

sent us a manifesto

942

00:35:08,069 --> 00:35:06,720

uh

943

00:35:10,230 --> 00:35:08,079

statements

944

00:35:11,430 --> 00:35:10,240

that he told to her and i actually wrote

945

00:35:13,430 --> 00:35:11,440

it down

946

00:35:15,349 --> 00:35:13,440

so you know let me read this out because

947

00:35:17,510 --> 00:35:15,359

i have read to you guys as well i mean

948

00:35:20,390 --> 00:35:17,520

this first name you guys are hearing it

949

00:35:22,230 --> 00:35:20,400

so let's see what you know how you know

950

00:35:24,710 --> 00:35:22,240

if there's any comparison here to what

951
00:35:27,430 --> 00:35:24,720
you guys experience now

952
00:35:29,430 --> 00:35:27,440
he states that uh he i'm saying he or it

953
00:35:31,589 --> 00:35:29,440
states i don't know it's a he or

954
00:35:33,349 --> 00:35:31,599
her or whatever it is

955
00:35:35,589 --> 00:35:33,359
but the first statement is many of the

956
00:35:38,710 --> 00:35:35,599
wing beings have red eyes

957
00:35:41,030 --> 00:35:38,720
and can see infrared light

958
00:35:43,589 --> 00:35:41,040
the eye color manifests under darker

959
00:35:46,310 --> 00:35:43,599
conditions for the most part

960
00:35:50,470 --> 00:35:46,320
during daylight the eyes will appear

961
00:35:55,829 --> 00:35:52,870
when the ultraterrestrials he refers to

962
00:36:00,390 --> 00:35:55,839
themselves as uts

963
00:36:04,870 --> 00:36:00,400

uh wear black or purple robes

964

00:36:07,510 --> 00:36:04,880

it is not a mechanism to scare humans

965

00:36:10,390 --> 00:36:07,520

most humans do not see them in the dark

966

00:36:13,589 --> 00:36:10,400

or in low light

967

00:36:18,150 --> 00:36:13,599

there are many winged humanoids on our

968

00:36:21,670 --> 00:36:18,160

dimensional level at any given time

969

00:36:24,069 --> 00:36:21,680

the ut's have always been at the o'hare

970

00:36:26,310 --> 00:36:24,079

location even before the airport was

971

00:36:29,430 --> 00:36:26,320

built

972

00:36:31,670 --> 00:36:29,440

the uts designate those humans able to

973

00:36:33,030 --> 00:36:31,680

see or detect them now this is something

974

00:36:35,430 --> 00:36:33,040

we've been thinking

975

00:36:37,670 --> 00:36:35,440

wondering about with all the sightings

976

00:36:39,670 --> 00:36:37,680

are these people being

977

00:36:41,430 --> 00:36:39,680

picked to see them

978

00:36:43,109 --> 00:36:41,440

you know it seems that way because a lot

979

00:36:45,510 --> 00:36:43,119

of times we've gotten sightings where

980

00:36:46,470 --> 00:36:45,520

there have been other people around

981

00:36:48,150 --> 00:36:46,480

and

982

00:36:49,349 --> 00:36:48,160

there's very few people that are seeing

983

00:36:52,630 --> 00:36:49,359

it

984

00:36:54,870 --> 00:36:52,640

uh the ut's frequent lead lines because

985

00:36:57,430 --> 00:36:54,880

of magnetic resonance

986

00:36:59,990 --> 00:36:57,440

comparable to how birds and fish used

987

00:37:01,829 --> 00:37:00,000

for travel

988

00:37:04,790 --> 00:37:01,839

there are definite in

989

00:37:06,470 --> 00:37:04,800

intra cryptic

990

00:37:09,030 --> 00:37:06,480

said again there are definite

991

00:37:14,630 --> 00:37:09,040

intracrypted connections

992

00:37:18,150 --> 00:37:14,640

since many unknown species are also uts

993

00:37:20,310 --> 00:37:18,160

and finally uts are not harbingers of

994

00:37:23,270 --> 00:37:20,320

disaster

995

00:37:25,109 --> 00:37:23,280

but i now i will tell you this now i i i

996

00:37:27,030 --> 00:37:25,119

kind of hesitate to even mention this

997

00:37:27,990 --> 00:37:27,040

but i am going to mention because i you

998

00:37:31,190 --> 00:37:28,000

know

999

00:37:32,790 --> 00:37:31,200

i i stated it to um to jennifer when we

1000

00:37:36,710 --> 00:37:32,800

were going through this

1001
00:37:39,910 --> 00:37:36,720
that when that statement was made i had

1002
00:37:41,750 --> 00:37:39,920
a vision of an airline crash

1003
00:37:43,829 --> 00:37:41,760
i i mean i'm i'm gonna tell you right

1004
00:37:44,950 --> 00:37:43,839
now that's what i had i had a vision it

1005
00:37:46,470 --> 00:37:44,960
was quick

1006
00:37:47,910 --> 00:37:46,480
i don't know where it was at i don't

1007
00:37:50,470 --> 00:37:47,920
know if it was over here i don't know

1008
00:37:51,990 --> 00:37:50,480
where was that but i saw that that's the

1009
00:37:54,069 --> 00:37:52,000
only thing i saw

1010
00:37:55,910 --> 00:37:54,079
but that was at the end of the the last

1011
00:37:57,270 --> 00:37:55,920
statement they made

1012
00:37:59,990 --> 00:37:57,280
so i don't know do you guys want to

1013
00:38:02,870 --> 00:38:00,000

comment on any of that

1014

00:38:05,510 --> 00:38:02,880

well there was a major air crash

1015

00:38:07,109 --> 00:38:05,520

at o'hare um

1016

00:38:08,950 --> 00:38:07,119

it's been about

1017

00:38:09,829 --> 00:38:08,960

oh my god i want to say like 30 years

1018

00:38:11,109 --> 00:38:09,839

ago

1019

00:38:15,670 --> 00:38:11,119

um

1020

00:38:17,670 --> 00:38:15,680

the engine fell off upon takeoff

1021

00:38:19,910 --> 00:38:17,680

and it crashed into the field that's

1022

00:38:23,910 --> 00:38:19,920

across the street um

1023

00:38:25,670 --> 00:38:23,920

if you're on grand avenue um

1024

00:38:27,349 --> 00:38:25,680

it's right across the street they

1025

00:38:29,270 --> 00:38:27,359

actually have never done anything with

1026

00:38:31,430 --> 00:38:29,280

that field since

1027

00:38:34,150 --> 00:38:31,440

um there used to be a banner there to

1028

00:38:35,589 --> 00:38:34,160

kind of memorialize and now there's a uh

1029

00:38:38,870 --> 00:38:35,599

down the street at the park there's a

1030

00:38:40,870 --> 00:38:38,880

huge memorial there's a like a long

1031

00:38:41,910 --> 00:38:40,880

large spire that's the memorial for that

1032

00:38:43,030 --> 00:38:41,920

crash

1033

00:38:44,790 --> 00:38:43,040

um

1034

00:38:45,589 --> 00:38:44,800

i'm trying to look up the crash real

1035

00:38:46,390 --> 00:38:45,599

quick

1036

00:38:48,230 --> 00:38:46,400

but

1037

00:38:50,550 --> 00:38:48,240

i mean there couldn't be that i've never

1038

00:38:53,750 --> 00:38:50,560

heard of anything else

1039

00:38:55,910 --> 00:38:53,760

ever happening at o'hare other than a

1040

00:38:58,310 --> 00:38:55,920

couple of years ago a plane caught fire

1041

00:38:59,910 --> 00:38:58,320

as it landed and that's because um i

1042

00:39:02,230 --> 00:38:59,920

think they said it was in the news they

1043

00:39:04,630 --> 00:39:02,240

said it was because uh almost the same

1044

00:39:07,030 --> 00:39:04,640

situation as with the uh

1045

00:39:08,870 --> 00:39:07,040

um concord there was debris on the

1046

00:39:11,030 --> 00:39:08,880

ground on the runway and it kicked up

1047

00:39:12,870 --> 00:39:11,040

and punctured the wing

1048

00:39:17,510 --> 00:39:12,880

um

1049

00:39:19,190 --> 00:39:17,520

plane itself was landing

1050

00:39:21,670 --> 00:39:19,200

uh

1051
00:39:22,710 --> 00:39:21,680
when it happened so there was a lot of

1052
00:39:24,790 --> 00:39:22,720
uh

1053
00:39:27,510 --> 00:39:24,800
social media stuff it was american

1054
00:39:28,470 --> 00:39:27,520
airlines flight 191

1055
00:39:31,270 --> 00:39:28,480
um

1056
00:39:36,230 --> 00:39:31,280
that had uh 258 people

1057
00:39:36,950 --> 00:39:36,240
died no survivors uh may 25th of 1979

1058
00:39:39,829 --> 00:39:36,960
yeah

1059
00:39:41,349 --> 00:39:39,839
wow yes over 40 years ago and i actually

1060
00:39:43,829 --> 00:39:41,359
remember seeing the

1061
00:39:45,589 --> 00:39:43,839
video what they had of it because that

1062
00:39:47,349 --> 00:39:45,599
thing we took off it kind of just took a

1063
00:39:49,670 --> 00:39:47,359

nosedive and went behind one of the

1064

00:39:51,270 --> 00:39:49,680

buildings there at the airport crashed

1065

00:39:53,990 --> 00:39:51,280

the number one engine and the pylon

1066

00:39:56,870 --> 00:39:54,000

separated during uh the rotation and

1067

00:39:58,870 --> 00:39:56,880

that dragged out the i guess when it

1068

00:40:00,950 --> 00:39:58,880

fell it dragged the took the hydraulic

1069

00:40:03,670 --> 00:40:00,960

system along with it

1070

00:40:05,670 --> 00:40:03,680

and um caused the plane to bank and then

1071

00:40:07,109 --> 00:40:05,680

just crashed straight into the field

1072

00:40:09,510 --> 00:40:07,119

um

1073

00:40:12,550 --> 00:40:09,520

i'm i'm too young to probably remember i

1074

00:40:14,390 --> 00:40:12,560

was only four maybe five years old

1075

00:40:16,309 --> 00:40:14,400

uh when it happened

1076

00:40:17,109 --> 00:40:16,319

but other than that there's just been

1077

00:40:19,030 --> 00:40:17,119

there's

1078

00:40:20,870 --> 00:40:19,040

oh here for the relative part it's been

1079

00:40:23,109 --> 00:40:20,880

quiet even though it's probably one of

1080

00:40:25,190 --> 00:40:23,119

the top maybe three most busiest

1081

00:40:26,630 --> 00:40:25,200

airports in the entire world

1082

00:40:28,630 --> 00:40:26,640

um

1083

00:40:31,750 --> 00:40:28,640

you know it's pretty safety record is

1084

00:40:33,990 --> 00:40:31,760

remarkable actually it really is i mean

1085

00:40:35,990 --> 00:40:34,000

compared to most other airports

1086

00:40:37,430 --> 00:40:36,000

yeah and for the amount of traffic that

1087

00:40:40,550 --> 00:40:37,440

comes in and out of there as well as

1088

00:40:42,950 --> 00:40:40,560

midway midway's been very safe as well

1089

00:40:44,230 --> 00:40:42,960

so uh you know i yeah you're right i

1090

00:40:45,990 --> 00:40:44,240

mean now i

1091

00:40:47,670 --> 00:40:46,000

i don't like i said i'm gonna say again

1092

00:40:49,510 --> 00:40:47,680

that vision i had

1093

00:40:51,190 --> 00:40:49,520

i don't know if it was there or what

1094

00:40:53,670 --> 00:40:51,200

airport it was

1095

00:40:55,109 --> 00:40:53,680

but that i got a brief glimpse of

1096

00:40:56,950 --> 00:40:55,119

something that looked like there was an

1097

00:40:59,270 --> 00:40:56,960

aircraft crash you know when the

1098

00:41:01,190 --> 00:40:59,280

airliner crashed so you know that's all

1099

00:41:03,270 --> 00:41:01,200

i'm gonna say but i figured i should say

1100

00:41:05,510 --> 00:41:03,280

it because that's what came to me

1101
00:41:06,870 --> 00:41:05,520
and i did make note of it

1102
00:41:09,109 --> 00:41:06,880
so um

1103
00:41:11,990 --> 00:41:09,119
tomas what's your thoughts on this soup

1104
00:41:13,670 --> 00:41:12,000
called manifesto

1105
00:41:15,510 --> 00:41:13,680
well one of the things that's uh that's

1106
00:41:19,430 --> 00:41:15,520
interesting to me that stuck out right

1107
00:41:21,030 --> 00:41:19,440
away is the differentiation uh in eye

1108
00:41:23,510 --> 00:41:21,040
color between

1109
00:41:24,550 --> 00:41:23,520
different types of or different times of

1110
00:41:27,829 --> 00:41:24,560
day and

1111
00:41:29,670 --> 00:41:27,839
and and uh different uh volumes of light

1112
00:41:32,870 --> 00:41:29,680
present you know so you've got these red

1113
00:41:35,270 --> 00:41:32,880

eyes at night and then in the daytime

1114

00:41:37,589 --> 00:41:35,280

uh uh you know you've got these these

1115

00:41:39,670 --> 00:41:37,599

darker uh black eyes and and you know

1116

00:41:41,829 --> 00:41:39,680

actually i'm making in

1117

00:41:44,069 --> 00:41:41,839

assumption there like i'm i'm assuming

1118

00:41:47,270 --> 00:41:44,079

that that has to do with the

1119

00:41:50,790 --> 00:41:47,280

uh amount of of light present at those

1120

00:41:53,829 --> 00:41:50,800

particular times now if it does

1121

00:41:55,750 --> 00:41:53,839

well that makes this other case uh uh

1122

00:41:56,550 --> 00:41:55,760

very very interesting and and sort of

1123

00:41:59,030 --> 00:41:56,560

fit

1124

00:42:01,190 --> 00:41:59,040

into into place in terms of the the

1125

00:42:03,190 --> 00:42:01,200

larger investigation so the

1126
00:42:06,630 --> 00:42:03,200
uh 2017

1127
00:42:07,829 --> 00:42:06,640
uh mukwonago wisconsin sighting now

1128
00:42:10,230 --> 00:42:07,839
that witness

1129
00:42:12,790 --> 00:42:10,240
said that uh you know he had his

1130
00:42:15,589 --> 00:42:12,800
sighting at night uh but the thing that

1131
00:42:17,990 --> 00:42:15,599
he saw uh had these these large black

1132
00:42:19,990 --> 00:42:18,000
eyes however

1133
00:42:22,710 --> 00:42:20,000
when he was looking at it it was

1134
00:42:24,470 --> 00:42:22,720
standing right in front of his van which

1135
00:42:26,470 --> 00:42:24,480
was parked at that time and he had

1136
00:42:28,829 --> 00:42:26,480
turned his headlights on

1137
00:42:32,309 --> 00:42:28,839
and so my thought was well

1138
00:42:34,710 --> 00:42:32,319

okay if there is some some element you

1139

00:42:37,510 --> 00:42:34,720

know to these eyes that causes them to

1140

00:42:39,349 --> 00:42:37,520

to change depending on how much light is

1141

00:42:41,430 --> 00:42:39,359

present well maybe

1142

00:42:43,349 --> 00:42:41,440

the the headlights of this van

1143

00:42:44,470 --> 00:42:43,359

would have triggered whatever

1144

00:42:47,750 --> 00:42:44,480

reflex

1145

00:42:49,750 --> 00:42:47,760

or or response that is and uh and so

1146

00:42:51,910 --> 00:42:49,760

this thing had black eyes during his

1147

00:42:53,750 --> 00:42:51,920

sighting and mostly it doesn't because

1148

00:42:55,750 --> 00:42:53,760

most people aren't shining car

1149

00:42:59,109 --> 00:42:55,760

headlights directly in into the things

1150

00:43:01,109 --> 00:42:59,119

eyes when when they they see him um so

1151
00:43:02,950 --> 00:43:01,119
that yeah that that made

1152
00:43:04,550 --> 00:43:02,960
a lot of sense to me um

1153
00:43:07,349 --> 00:43:04,560
obviously i

1154
00:43:10,390 --> 00:43:07,359
have uh argued

1155
00:43:13,750 --> 00:43:10,400
uh vehemently against the the harbinger

1156
00:43:15,430 --> 00:43:13,760
of doom angle for for some time because

1157
00:43:16,950 --> 00:43:15,440
it's never made it easter

1158
00:43:19,190 --> 00:43:16,960
yeah um

1159
00:43:20,470 --> 00:43:19,200
and uh and so yeah i mean obviously i'm

1160
00:43:23,109 --> 00:43:20,480
going to

1161
00:43:24,950 --> 00:43:23,119
agree with that um you know and in terms

1162
00:43:26,950 --> 00:43:24,960
of other stuff that's that's really

1163
00:43:29,910 --> 00:43:26,960

verifiable i mean i don't i don't know

1164

00:43:31,109 --> 00:43:29,920

what to to to make of of your vision um

1165

00:43:32,550 --> 00:43:31,119

you know hopefully it doesn't come true

1166

00:43:35,990 --> 00:43:32,560

nobody wants to see that kind of thing

1167

00:43:37,670 --> 00:43:36,000

happen yeah i uh i mean like i said i

1168

00:43:39,750 --> 00:43:37,680

was hesitant to even mention it but i

1169

00:43:40,470 --> 00:43:39,760

figured for the record i'd stated but

1170

00:43:42,630 --> 00:43:40,480

yeah

1171

00:43:45,109 --> 00:43:42,640

i don't know why they put why they've

1172

00:43:46,710 --> 00:43:45,119

stated this harbinger of disaster or

1173

00:43:47,910 --> 00:43:46,720

whatever because

1174

00:43:49,670 --> 00:43:47,920

maybe they know that we've been

1175

00:43:51,030 --> 00:43:49,680

concerned about it and been hearing a

1176

00:43:52,550 --> 00:43:51,040

lot about and you and i have been

1177

00:43:54,950 --> 00:43:52,560

denying that

1178

00:43:56,630 --> 00:43:54,960

every time we go on a radio show we we

1179

00:43:59,109 --> 00:43:56,640

kind of shoot that down because we're

1180

00:44:01,990 --> 00:43:59,119

always asked that question well you know

1181

00:44:04,150 --> 00:44:02,000

is this similar to what happened at

1182

00:44:05,990 --> 00:44:04,160

at uh point pleasant well you know you

1183

00:44:08,309 --> 00:44:06,000

and i both don't believe

1184

00:44:10,790 --> 00:44:08,319

the point pleasant situation was a

1185

00:44:12,790 --> 00:44:10,800

harvard harbinger disaster

1186

00:44:14,150 --> 00:44:12,800

uh you know it seemed to me like it was

1187

00:44:16,230 --> 00:44:14,160

the biggest you know people were trying

1188

00:44:17,910 --> 00:44:16,240

to find answers why 46 people in a

1189

00:44:18,950 --> 00:44:17,920

little town die like that all of a

1190

00:44:21,510 --> 00:44:18,960

sudden

1191

00:44:23,030 --> 00:44:21,520

i think john needed an ending for his

1192

00:44:24,230 --> 00:44:23,040

book frankly

1193

00:44:27,030 --> 00:44:24,240

exactly

1194

00:44:29,670 --> 00:44:27,040

because nobody in point pleasant uh you

1195

00:44:32,470 --> 00:44:29,680

know in 1967

1196

00:44:34,390 --> 00:44:32,480

was blaming mothman for that bridge

1197

00:44:36,630 --> 00:44:34,400

collapse everybody knew why it happened

1198

00:44:38,309 --> 00:44:36,640

it was a faulty eye pin and there were

1199

00:44:40,390 --> 00:44:38,319

no bones about it and certainly the

1200

00:44:43,030 --> 00:44:40,400

people grieving for their lost loved

1201
00:44:45,109 --> 00:44:43,040
ones and neighbors were not connecting

1202
00:44:47,670 --> 00:44:45,119
it to to any monster sightings at that

1203
00:44:49,750 --> 00:44:47,680
time it wasn't until the 70s uh when

1204
00:44:52,150 --> 00:44:49,760
keel wrote his book and he needed a

1205
00:44:54,390 --> 00:44:52,160
narrative ending that people would enjoy

1206
00:44:56,470 --> 00:44:54,400
when he wrote it then anybody was

1207
00:44:59,670 --> 00:44:56,480
talking about it so

1208
00:45:01,829 --> 00:44:59,680
yeah of course it never made sense

1209
00:45:03,990 --> 00:45:01,839
well i mean kind of think about it back

1210
00:45:05,190 --> 00:45:04,000
in the 60s when this happened did they

1211
00:45:07,030 --> 00:45:05,200
really take

1212
00:45:09,190 --> 00:45:07,040
did they do inspections like they do

1213
00:45:11,829 --> 00:45:09,200

nowadays with uh

1214

00:45:13,750 --> 00:45:11,839

um bridges um

1215

00:45:16,309 --> 00:45:13,760

i mean this was a result of metal

1216

00:45:17,190 --> 00:45:16,319

fatigue basically um

1217

00:45:19,589 --> 00:45:17,200

um

1218

00:45:21,270 --> 00:45:19,599

you know it it's very logical there's

1219

00:45:23,030 --> 00:45:21,280

i've never believed in the harbinger of

1220

00:45:25,670 --> 00:45:23,040

the doom um

1221

00:45:28,470 --> 00:45:25,680

theory um even though there are reports

1222

00:45:31,109 --> 00:45:28,480

that have come from different places but

1223

00:45:33,030 --> 00:45:31,119

that could also be strange coincidences

1224

00:45:35,109 --> 00:45:33,040

um and what you were talking about

1225

00:45:36,950 --> 00:45:35,119

tobias um when you're talking about the

1226

00:45:38,710 --> 00:45:36,960

membrane i mean

1227

00:45:41,270 --> 00:45:38,720

the only thing i can kind of relate that

1228

00:45:43,190 --> 00:45:41,280

to is if you've ever watched uh sharks

1229

00:45:45,750 --> 00:45:43,200

when they're attacking something

1230

00:45:48,630 --> 00:45:45,760

um great white sharks have white eyes

1231

00:45:50,230 --> 00:45:48,640

and when they roll back of membrane

1232

00:45:51,030 --> 00:45:50,240

right before the attack to protect their

1233

00:45:56,630 --> 00:45:51,040

eye

1234

00:45:58,630 --> 00:45:56,640

at that point it's just all it is is a

1235

00:45:59,510 --> 00:45:58,640

protective membrane that they roll back

1236

00:46:01,910 --> 00:45:59,520

over

1237

00:46:03,990 --> 00:46:01,920

their eyes to protect them maybe just

1238

00:46:05,910 --> 00:46:04,000

what this gentleman saw i mean

1239

00:46:07,349 --> 00:46:05,920

i certainly would not be very happy to

1240

00:46:09,109 --> 00:46:07,359

have somebody shining their headlights

1241

00:46:10,069 --> 00:46:09,119

in my face um

1242

00:46:12,950 --> 00:46:10,079

i would

1243

00:46:15,829 --> 00:46:12,960

want to protect my eyes but

1244

00:46:18,230 --> 00:46:15,839

it also can go back to the same thing um

1245

00:46:20,150 --> 00:46:18,240

how many times have we seen pictures of

1246

00:46:21,589 --> 00:46:20,160

uh

1247

00:46:24,309 --> 00:46:21,599

of um

1248

00:46:26,870 --> 00:46:24,319

cats you know cats have

1249

00:46:29,190 --> 00:46:26,880

supposedly glowing yellow eyes glowing

1250

00:46:30,870 --> 00:46:29,200

green eyes you know it's just the eyes

1251
00:46:33,270 --> 00:46:30,880
can reflect

1252
00:46:34,470 --> 00:46:33,280
uh light they amplify light

1253
00:46:36,150 --> 00:46:34,480
um

1254
00:46:37,589 --> 00:46:36,160
how many of us have ever taken pictures

1255
00:46:39,349 --> 00:46:37,599
and the person looks like a possessed

1256
00:46:41,589 --> 00:46:39,359
demon because we're catching the

1257
00:46:43,750 --> 00:46:41,599
reflection of their blood vessel

1258
00:46:46,150 --> 00:46:43,760
from behind their eyes maybe this is

1259
00:46:49,030 --> 00:46:46,160
what they're seeing there's these eyes

1260
00:46:51,270 --> 00:46:49,040
are maybe designed to amplify the light

1261
00:46:53,430 --> 00:46:51,280
uh they gather it you know much like

1262
00:46:56,069 --> 00:46:53,440
they do with owls or certain owls out

1263
00:46:58,309 --> 00:46:56,079

there that can see in certain ranges of

1264

00:46:59,510 --> 00:46:58,319

the infrared spectrum

1265

00:47:01,829 --> 00:46:59,520

um

1266

00:47:04,470 --> 00:47:01,839

maybe that's what they do they amplify

1267

00:47:06,710 --> 00:47:04,480

the light you know a thousand fold

1268

00:47:08,710 --> 00:47:06,720

there's there are animals out there who

1269

00:47:10,950 --> 00:47:08,720

can see in wavelengths we can't even see

1270

00:47:12,870 --> 00:47:10,960

um i believe it's mantis shrimp can see

1271

00:47:14,309 --> 00:47:12,880

in 12 different wavelengths we can see

1272

00:47:15,430 --> 00:47:14,319

them before

1273

00:47:16,950 --> 00:47:15,440

uh

1274

00:47:18,390 --> 00:47:16,960

you know they're they're seeing things

1275

00:47:20,230 --> 00:47:18,400

that we've never seen they can see

1276

00:47:21,349 --> 00:47:20,240

polarized light

1277

00:47:23,750 --> 00:47:21,359

um

1278

00:47:25,589 --> 00:47:23,760

we can't to us it's invisible infrared's

1279

00:47:28,790 --> 00:47:25,599

invisible to us

1280

00:47:30,390 --> 00:47:28,800

so maybe there's maybe biological

1281

00:47:32,309 --> 00:47:30,400

reasons why

1282

00:47:34,069 --> 00:47:32,319

these creatures have different types of

1283

00:47:36,390 --> 00:47:34,079

eyes it's not that they have glowing

1284

00:47:39,190 --> 00:47:36,400

eyes but even though if they're coming

1285

00:47:41,589 --> 00:47:39,200

from another world or an alien species

1286

00:47:44,549 --> 00:47:41,599

we might not know it but as far as what

1287

00:47:46,150 --> 00:47:44,559

we know here about biology on earth

1288

00:47:48,150 --> 00:47:46,160

maybe it could be any number of these

1289

00:47:50,150 --> 00:47:48,160

reasons why their eyes are always

1290

00:47:52,470 --> 00:47:50,160

different

1291

00:47:55,589 --> 00:47:52,480

you know the the statement also in that

1292

00:47:57,750 --> 00:47:55,599

manifesto where the uh estates duties

1293

00:47:59,829 --> 00:47:57,760

have always been an o'hare location even

1294

00:48:01,270 --> 00:47:59,839

before the airport was built now you

1295

00:48:03,750 --> 00:48:01,280

know manuel told me something i didn't

1296

00:48:06,549 --> 00:48:03,760

even know and i know the org i know the

1297

00:48:08,870 --> 00:48:06,559

designation the faa designated for uh

1298

00:48:11,349 --> 00:48:08,880

o'hare is ord

1299

00:48:13,670 --> 00:48:11,359

i never knew why well he told me why

1300

00:48:16,069 --> 00:48:13,680

manuel tell us why that is

1301

00:48:18,549 --> 00:48:16,079

well before o'hare was built it was an

1302

00:48:19,510 --> 00:48:18,559

orchard it was uh believe it an apple

1303

00:48:20,470 --> 00:48:19,520

orchard

1304

00:48:22,630 --> 00:48:20,480

so

1305

00:48:25,030 --> 00:48:22,640

this is what they that whole area the

1306

00:48:27,349 --> 00:48:25,040

entire uh

1307

00:48:29,109 --> 00:48:27,359

you know width of o'hare was an apple

1308

00:48:31,990 --> 00:48:29,119

orchard back in the day

1309

00:48:33,510 --> 00:48:32,000

um so to kind of honor it they they

1310

00:48:36,710 --> 00:48:33,520

named it you know they gave it the

1311

00:48:37,670 --> 00:48:36,720

designation ord or orchard

1312

00:48:39,510 --> 00:48:37,680

um

1313

00:48:40,870 --> 00:48:39,520

and like you talked about with ley lines

1314

00:48:45,030 --> 00:48:40,880

these

1315

00:48:46,950 --> 00:48:45,040

only wasn't the only cemetery on the

1316

00:48:49,589 --> 00:48:46,960

grounds of o'hare

1317

00:48:51,510 --> 00:48:49,599

uh there was another one that was dug up

1318

00:48:54,549 --> 00:48:51,520

and moved before they started the

1319

00:48:56,630 --> 00:48:54,559

expansion of o'hare um the only reason

1320

00:48:58,790 --> 00:48:56,640

they're not moving the west breathavens

1321

00:49:00,790 --> 00:48:58,800

because some of those gravestones are

1322

00:49:03,990 --> 00:49:00,800

over a hundred years old or it's

1323

00:49:04,950 --> 00:49:04,000

basically a national historical monument

1324

00:49:07,510 --> 00:49:04,960

um

1325

00:49:09,670 --> 00:49:07,520

but yeah there are and we were just

1326

00:49:12,309 --> 00:49:09,680

discussing this on the in the group

1327

00:49:14,150 --> 00:49:12,319

um there are maps that we can that show

1328

00:49:16,230 --> 00:49:14,160

there are ley lines that run right

1329

00:49:19,109 --> 00:49:16,240

through o'hare and right through

1330

00:49:23,510 --> 00:49:21,030

yeah i i saw those maps and that you

1331

00:49:25,910 --> 00:49:23,520

know we had an inkling that maybe there

1332

00:49:28,230 --> 00:49:25,920

there was lay line there um i mean in

1333

00:49:30,630 --> 00:49:28,240

fact jennifer told me she thought

1334

00:49:32,549 --> 00:49:30,640

there were at least three of them

1335

00:49:34,069 --> 00:49:32,559

intersecting there but she wasn't really

1336

00:49:35,910 --> 00:49:34,079

sure

1337

00:49:37,430 --> 00:49:35,920

but when the map came up yeah i should

1338

00:49:39,270 --> 00:49:37,440

have gone right through the cemetery

1339

00:49:41,109 --> 00:49:39,280

right through that area and of course

1340

00:49:42,549 --> 00:49:41,119

people i know the lead lines

1341

00:49:44,710 --> 00:49:42,559

these things extend for hundreds of

1342

00:49:47,109 --> 00:49:44,720

miles if not thousands of miles

1343

00:49:48,870 --> 00:49:47,119

so this is going beyond the airport i

1344

00:49:51,430 --> 00:49:48,880

think some of the designation of these

1345

00:49:53,750 --> 00:49:51,440

lady lines was right there at the um

1346

00:49:55,030 --> 00:49:53,760

right there at right downtown there at

1347

00:49:57,750 --> 00:49:55,040

the uh

1348

00:50:01,190 --> 00:49:57,760

at the shoreline of uh lake michigan if

1349

00:50:04,470 --> 00:50:02,870

i believe on

1350

00:50:06,230 --> 00:50:04,480

if i remember right

1351

00:50:09,750 --> 00:50:06,240

some of the ley lines that are in

1352

00:50:11,750 --> 00:50:09,760

chicago correspond with the streets

1353

00:50:13,750 --> 00:50:11,760

the major streets such as michigan

1354

00:50:15,670 --> 00:50:13,760

avenue

1355

00:50:17,750 --> 00:50:15,680

and some of the other major streets of

1356

00:50:19,430 --> 00:50:17,760

chicago because they're all laid out in

1357

00:50:20,470 --> 00:50:19,440

a specific pattern

1358

00:50:21,270 --> 00:50:20,480

um

1359

00:50:23,030 --> 00:50:21,280

that

1360

00:50:24,790 --> 00:50:23,040

really just um

1361

00:50:27,109 --> 00:50:24,800

until you do some research and kind of

1362

00:50:29,270 --> 00:50:27,119

the back story of it a lot of it is

1363

00:50:31,430 --> 00:50:29,280

because you know they're saying people

1364

00:50:33,510 --> 00:50:31,440

are saying they're following ley lines

1365

00:50:36,069 --> 00:50:33,520

uh this is why a lot of these streets

1366

00:50:38,470 --> 00:50:36,079

are always so parallel to one another in

1367

00:50:42,069 --> 00:50:38,480

the city and they just just follow a

1368

00:50:44,549 --> 00:50:42,079

totally different path um

1369

00:50:47,349 --> 00:50:44,559

a lot of people say in elm grant park

1370

00:50:49,829 --> 00:50:47,359

the largest park in the city

1371

00:50:53,750 --> 00:50:49,839

is bordered by two ley lines it sits in

1372

00:50:57,910 --> 00:50:55,990

well you know i gotta ask you this uh

1373

00:50:59,910 --> 00:50:57,920

now i'm gonna ask the bias

1374

00:51:01,910 --> 00:50:59,920

what do you think we're in for do you do

1375

00:51:04,630 --> 00:51:01,920

you think this is gonna evolve progress

1376

00:51:07,510 --> 00:51:04,640

or what what's your thoughts

1377

00:51:09,670 --> 00:51:07,520

well i guess based on

1378

00:51:12,630 --> 00:51:09,680

what historical information we have

1379

00:51:13,910 --> 00:51:12,640

concerning uh of these sightings

1380

00:51:15,510 --> 00:51:13,920

um

1381

00:51:17,270 --> 00:51:15,520

i think that

1382

00:51:20,390 --> 00:51:17,280

um

1383

00:51:24,309 --> 00:51:20,400

we're probably in for a lot more of

1384

00:51:26,390 --> 00:51:24,319

the same um in terms of what people are

1385

00:51:28,470 --> 00:51:26,400

seeing what people are

1386

00:51:30,230 --> 00:51:28,480

reporting uh you know i mean you're

1387

00:51:31,190 --> 00:51:30,240

you're right when you mentioned before

1388

00:51:33,030 --> 00:51:31,200

uh you know

1389

00:51:34,430 --> 00:51:33,040

there were some sightings going back

1390

00:51:37,430 --> 00:51:34,440

into

1391

00:51:40,710 --> 00:51:37,440

2011 you know prior to when we we began

1392

00:51:42,069 --> 00:51:40,720

the 2017 investigation

1393

00:51:44,549 --> 00:51:42,079

and since then

1394

00:51:46,790 --> 00:51:44,559

we have uh gathered

1395

00:51:48,069 --> 00:51:46,800

i don't know how many uh probably at

1396

00:51:50,390 --> 00:51:48,079

least a

1397

00:51:52,790 --> 00:51:50,400

couple of dozen of historical sightings

1398

00:51:55,510 --> 00:51:52,800

that the oldest one i have goes back to

1399

00:51:57,109 --> 00:51:55,520

1957 which is even before the

1400

00:51:59,990 --> 00:51:57,119

point pleasant stuff

1401
00:52:01,270 --> 00:52:00,000
and so looking at those those citing

1402
00:52:03,910 --> 00:52:01,280
reports

1403
00:52:05,349 --> 00:52:03,920
not much has changed uh people are still

1404
00:52:09,589 --> 00:52:05,359
reporting

1405
00:52:12,790 --> 00:52:09,599
these experiences sort of in the the

1406
00:52:14,230 --> 00:52:12,800
same way that that they always have and

1407
00:52:15,910 --> 00:52:14,240
most of the reason that they're

1408
00:52:17,030 --> 00:52:15,920
reporting them now instead of back then

1409
00:52:18,630 --> 00:52:17,040
is because they didn't have anywhere to

1410
00:52:20,069 --> 00:52:18,640
go with them back then they weren't

1411
00:52:22,390 --> 00:52:20,079
going to call the police

1412
00:52:24,150 --> 00:52:22,400
um it wasn't something that most people

1413
00:52:25,510 --> 00:52:24,160

were going to go to project blue book

1414

00:52:28,069 --> 00:52:25,520

with or something you know there just

1415

00:52:29,430 --> 00:52:28,079

really wasn't any reporting outlet

1416

00:52:30,790 --> 00:52:29,440

um

1417

00:52:33,589 --> 00:52:30,800

and so i guess

1418

00:52:35,589 --> 00:52:33,599

uh just to to speculate on

1419

00:52:36,470 --> 00:52:35,599

um you know where things might go with

1420

00:52:38,710 --> 00:52:36,480

our

1421

00:52:41,829 --> 00:52:38,720

uh particular involvement if there is

1422

00:52:44,069 --> 00:52:41,839

some some direct uh interaction with

1423

00:52:45,990 --> 00:52:44,079

whatever these beings are well who's to

1424

00:52:47,349 --> 00:52:46,000

say um you know

1425

00:52:49,750 --> 00:52:47,359

regardless

1426

00:52:53,190 --> 00:52:49,760

the likeliest outcome probably

1427

00:52:55,829 --> 00:52:53,200

is um for it to remain personal

1428

00:52:57,589 --> 00:52:55,839

experiences whether those are our

1429

00:52:59,510 --> 00:52:57,599

experiences or

1430

00:53:01,829 --> 00:52:59,520

or you know the experiences of the

1431

00:53:03,430 --> 00:53:01,839

witness with the witnesses with whom we

1432

00:53:05,349 --> 00:53:03,440

speak um

1433

00:53:07,190 --> 00:53:05,359

i you know there's no reason for me to

1434

00:53:10,710 --> 00:53:07,200

believe that that this is gonna step

1435

00:53:13,829 --> 00:53:10,720

outside of the realm of uh experiential

1436

00:53:15,270 --> 00:53:13,839

phenomena at this point so i guess where

1437

00:53:16,790 --> 00:53:15,280

i'm kind of going with that is anybody

1438

00:53:19,270 --> 00:53:16,800

who's waiting for

1439

00:53:21,030 --> 00:53:19,280

uh some giant bombshell that that proves

1440

00:53:21,990 --> 00:53:21,040

it all to be true

1441

00:53:23,910 --> 00:53:22,000

um

1442

00:53:25,349 --> 00:53:23,920

i i wouldn't wait around for that i i

1443

00:53:26,870 --> 00:53:25,359

really wouldn't because i i don't know

1444

00:53:28,549 --> 00:53:26,880

that that's the point it's never really

1445

00:53:31,670 --> 00:53:28,559

seemed to be the point

1446

00:53:33,990 --> 00:53:31,680

it seems more that if there is some

1447

00:53:36,470 --> 00:53:34,000

intention behind these sightings behind

1448

00:53:39,030 --> 00:53:36,480

these these interactions

1449

00:53:41,349 --> 00:53:39,040

it's more to uh

1450

00:53:45,750 --> 00:53:41,359

elicit something from us

1451

00:53:48,309 --> 00:53:45,760

uh or or to observe us than it is uh to

1452

00:53:50,790 --> 00:53:48,319

to to prove something in a way that you

1453

00:53:53,430 --> 00:53:50,800

know mainstream science is is is gonna

1454

00:53:54,870 --> 00:53:53,440

take seriously i don't know that that is

1455

00:53:58,630 --> 00:53:54,880

an actual

1456

00:54:00,309 --> 00:53:58,640

uh uh priority for whatever we're we're

1457

00:54:01,190 --> 00:54:00,319

dealing with here so

1458

00:54:04,630 --> 00:54:01,200

um

1459

00:54:07,109 --> 00:54:04,640

you know beyond that uh i i don't know

1460

00:54:11,510 --> 00:54:07,119

anything could happen yeah it's it's an

1461

00:54:13,829 --> 00:54:11,520

enigma course but you know i

1462

00:54:14,870 --> 00:54:13,839

i mean i guess the the biggest question

1463

00:54:16,230 --> 00:54:14,880

we have

1464

00:54:18,790 --> 00:54:16,240

as far as

1465

00:54:20,069 --> 00:54:18,800

these sightings is why is it happening

1466

00:54:21,030 --> 00:54:20,079

and that we haven't really gotten

1467

00:54:23,109 --> 00:54:21,040

anything

1468

00:54:25,270 --> 00:54:23,119

from that yet and i don't expect to get

1469

00:54:27,430 --> 00:54:25,280

anything for a while

1470

00:54:29,109 --> 00:54:27,440

uh if if they're going to continue to

1471

00:54:30,390 --> 00:54:29,119

communicate with us

1472

00:54:31,190 --> 00:54:30,400

or

1473

00:54:32,950 --> 00:54:31,200

you know

1474

00:54:34,549 --> 00:54:32,960

in the way they have been i think it may

1475

00:54:37,349 --> 00:54:34,559

take a while let's see but the biggest

1476

00:54:39,510 --> 00:54:37,359

thing that worries me now

1477

00:54:41,430 --> 00:54:39,520

is here we are presenting this

1478

00:54:43,589 --> 00:54:41,440

information

1479

00:54:44,870 --> 00:54:43,599

you know we're putting it out there

1480

00:54:46,630 --> 00:54:44,880

and then we're going to have other

1481

00:54:48,789 --> 00:54:46,640

people coming up and saying oh yeah i

1482

00:54:50,710 --> 00:54:48,799

had the same experience i had this i had

1483

00:54:52,309 --> 00:54:50,720

that you know it's gonna be

1484

00:54:54,870 --> 00:54:52,319

you know they're gonna it's gonna try to

1485

00:54:57,190 --> 00:54:54,880

convolute the whole the whole thing and

1486

00:54:59,510 --> 00:54:57,200

i'm hoping that doesn't happen

1487

00:55:02,789 --> 00:54:59,520

uh but you know of course you're gonna

1488

00:55:04,829 --> 00:55:02,799

get copyright catch this type of thing

1489

00:55:06,950 --> 00:55:04,839

always happens you know welcome to the

1490

00:55:09,510 --> 00:55:06,960

paranormal um

1491

00:55:12,150 --> 00:55:09,520

and emmanuel was noting also earlier

1492

00:55:13,109 --> 00:55:12,160

about all the people that he saw out

1493

00:55:16,069 --> 00:55:13,119

there

1494

00:55:19,270 --> 00:55:16,079

um can you talk about that manuel

1495

00:55:21,190 --> 00:55:19,280

well i mean when i went out there to uh

1496

00:55:22,630 --> 00:55:21,200

just after their first sightings

1497

00:55:24,069 --> 00:55:22,640

um

1498

00:55:26,549 --> 00:55:24,079

i was actually keeping in touch with the

1499

00:55:28,150 --> 00:55:26,559

teams i was recording everything i was

1500

00:55:30,630 --> 00:55:28,160

out there with my son

1501
00:55:32,870 --> 00:55:30,640
and there must have been at least

1502
00:55:36,390 --> 00:55:32,880
eight other groups out there

1503
00:55:39,510 --> 00:55:36,400
uh investigating um

1504
00:55:41,510 --> 00:55:39,520
and some of them were just um

1505
00:55:43,510 --> 00:55:41,520
one group was out there in a jeep with a

1506
00:55:44,309 --> 00:55:43,520
bunch of antennas hanging out

1507
00:55:46,069 --> 00:55:44,319
uh

1508
00:55:49,750 --> 00:55:46,079
running around the airport and around

1509
00:55:52,069 --> 00:55:49,760
the perimeter um because i remember

1510
00:55:53,430 --> 00:55:52,079
very clearly they got in trouble uh

1511
00:55:54,950 --> 00:55:53,440
because

1512
00:55:57,030 --> 00:55:54,960
right where the

1513
00:55:59,349 --> 00:55:57,040

the uh sightings happen that little

1514

00:56:00,549 --> 00:55:59,359

curve in the road if you go all the way

1515

00:56:01,910 --> 00:56:00,559

to the end of the curve you're going to

1516

00:56:04,309 --> 00:56:01,920

run into a

1517

00:56:05,430 --> 00:56:04,319

restricted area and on the other side is

1518

00:56:07,670 --> 00:56:05,440

where the uh

1519

00:56:09,829 --> 00:56:07,680

the usps facility and a couple of other

1520

00:56:11,349 --> 00:56:09,839

like uh facilities are go there's also

1521

00:56:14,230 --> 00:56:11,359

tunnels that lead

1522

00:56:16,870 --> 00:56:14,240

under the airport in that area so

1523

00:56:18,630 --> 00:56:16,880

you have on both sides of the of the

1524

00:56:21,430 --> 00:56:18,640

road uh

1525

00:56:22,309 --> 00:56:21,440

are guard points and they're guarded 24

1526

00:56:23,510 --> 00:56:22,319

7.

1527

00:56:28,470 --> 00:56:23,520

um

1528

00:56:30,789 --> 00:56:28,480

them getting trouble because they

1529

00:56:32,950 --> 00:56:30,799

crossed over there and i guess

1530

00:56:34,789 --> 00:56:32,960

they had to be escorted around you have

1531

00:56:36,549 --> 00:56:34,799

to kind of go around

1532

00:56:38,870 --> 00:56:36,559

up and around so they can turn you

1533

00:56:40,870 --> 00:56:38,880

around so you can go back out the other

1534

00:56:42,549 --> 00:56:40,880

side but you're done

1535

00:56:44,710 --> 00:56:42,559

when they do that they have an escort

1536

00:56:46,150 --> 00:56:44,720

for you that does it

1537

00:56:47,829 --> 00:56:46,160

um

1538

00:56:49,990 --> 00:56:47,839

you know these guys are not they don't

1539

00:56:51,270 --> 00:56:50,000

they take security very seriously at

1540

00:56:52,789 --> 00:56:51,280

this airport

1541

00:56:55,030 --> 00:56:52,799

um

1542

00:56:57,510 --> 00:56:55,040

and then about a week later

1543

00:56:59,430 --> 00:56:57,520

um somebody got

1544

00:57:00,950 --> 00:56:59,440

kicked out of the airport this group of

1545

00:57:03,270 --> 00:57:00,960

investigators because they were flying

1546

00:57:04,549 --> 00:57:03,280

drones over the fence lines

1547

00:57:06,870 --> 00:57:04,559

um

1548

00:57:09,430 --> 00:57:06,880

here's a tidbit for advice for you guys

1549

00:57:11,990 --> 00:57:09,440

and i have nothing with i the more the

1550

00:57:14,549 --> 00:57:12,000

merrier the better way to find the truth

1551
00:57:16,870 --> 00:57:14,559
but please be careful o'hare is not a

1552
00:57:19,109 --> 00:57:16,880
playground it it's like i said one of

1553
00:57:20,150 --> 00:57:19,119
the top three most busiest airports in

1554
00:57:21,030 --> 00:57:20,160
the world

1555
00:57:23,750 --> 00:57:21,040
and

1556
00:57:28,069 --> 00:57:23,760
flying over the fence line with a drone

1557
00:57:30,309 --> 00:57:28,079
is a big no-no um that's about ranked up

1558
00:57:32,309 --> 00:57:30,319
there with trying to climb the fence

1559
00:57:33,670 --> 00:57:32,319
uh which we've had we've had how many

1560
00:57:35,430 --> 00:57:33,680
how many reports have we had of people

1561
00:57:37,990 --> 00:57:35,440
getting arrested or thrown out of the

1562
00:57:38,870 --> 00:57:38,000
airport because they climbed the fence

1563
00:57:40,470 --> 00:57:38,880

um

1564

00:57:42,150 --> 00:57:40,480

that's how you end up in a detention

1565

00:57:44,870 --> 00:57:42,160

cell or we're shot

1566

00:57:45,829 --> 00:57:44,880

um for doing especially in a post 911

1567

00:57:47,510 --> 00:57:45,839

world

1568

00:57:49,270 --> 00:57:47,520

um

1569

00:57:50,789 --> 00:57:49,280

please be careful when you're out there

1570

00:57:53,109 --> 00:57:50,799

but there have been and this is what

1571

00:57:55,349 --> 00:57:53,119

worries me about this like he said you

1572

00:57:57,510 --> 00:57:55,359

know you can have people going out there

1573

00:57:59,430 --> 00:57:57,520

wresthaven is a

1574

00:58:00,789 --> 00:57:59,440

monument a lot of these places a lot of

1575

00:58:02,470 --> 00:58:00,799

these stones out there are over a

1576

00:58:03,829 --> 00:58:02,480

hundred years old

1577

00:58:06,829 --> 00:58:03,839

um

1578

00:58:09,349 --> 00:58:06,839

please be respectful if you're out there

1579

00:58:12,230 --> 00:58:09,359

um you know we

1580

00:58:14,309 --> 00:58:12,240

follow protocols as a tobias i know for

1581

00:58:16,390 --> 00:58:14,319

a fact device does i know that don does

1582

00:58:17,190 --> 00:58:16,400

i know everybody on the team does

1583

00:58:19,190 --> 00:58:17,200

um

1584

00:58:21,430 --> 00:58:19,200

senior according to all of us have

1585

00:58:24,069 --> 00:58:21,440

standards we have procedures that we

1586

00:58:26,470 --> 00:58:24,079

have to follow to maintain uh the

1587

00:58:27,430 --> 00:58:26,480

sterility of an environment that we go

1588

00:58:28,309 --> 00:58:27,440

into

1589

00:58:30,390 --> 00:58:28,319

um

1590

00:58:31,750 --> 00:58:30,400

don't be the ass that gives the rest of

1591

00:58:32,630 --> 00:58:31,760

us a bad name

1592

00:58:34,309 --> 00:58:32,640

uh

1593

00:58:36,069 --> 00:58:34,319

by going out there and

1594

00:58:38,390 --> 00:58:36,079

you know messing something up some of

1595

00:58:39,270 --> 00:58:38,400

these stones are very fragile

1596

00:58:41,190 --> 00:58:39,280

um

1597

00:58:42,069 --> 00:58:41,200

and this is what i worry about like you

1598

00:58:44,069 --> 00:58:42,079

said

1599

00:58:45,670 --> 00:58:44,079

other people were out there that day

1600

00:58:47,990 --> 00:58:45,680

they were out there you know

1601
00:58:50,309 --> 00:58:48,000
actively investigating great hey the

1602
00:58:51,990 --> 00:58:50,319
more the merrier you know maybe somebody

1603
00:58:54,470 --> 00:58:52,000
will find the truth and every little bit

1604
00:58:55,589 --> 00:58:54,480
helps but when you're doing it the wrong

1605
00:58:56,390 --> 00:58:55,599
way

1606
00:58:57,910 --> 00:58:56,400
um

1607
00:58:59,990 --> 00:58:57,920
you're going to end up getting yourself

1608
00:59:02,150 --> 00:59:00,000
in trouble this where this siding

1609
00:59:04,390 --> 00:59:02,160
happened the control tower is less than

1610
00:59:05,430 --> 00:59:04,400
100 yards away

1611
00:59:07,270 --> 00:59:05,440
it's

1612
00:59:08,710 --> 00:59:07,280
they're not going to take lightly to you

1613
00:59:11,030 --> 00:59:08,720

coming up to the fence

1614

00:59:13,349 --> 00:59:11,040

uh when there's a plane right there

1615

00:59:15,270 --> 00:59:13,359

uh that's being unloaded or the control

1616

00:59:17,430 --> 00:59:15,280

tower not too far away you will have

1617

00:59:19,829 --> 00:59:17,440

responses and there are immediate

1618

00:59:22,390 --> 00:59:19,839

uh we were out there and within 30

1619

00:59:23,670 --> 00:59:22,400

seconds we were seeing security vehicles

1620

00:59:25,430 --> 00:59:23,680

out there already

1621

00:59:27,109 --> 00:59:25,440

patrolling the area they had already set

1622

00:59:30,309 --> 00:59:27,119

up mobile uh

1623

00:59:33,190 --> 00:59:30,319

remote viewing stations out there uh

1624

00:59:35,030 --> 00:59:33,200

little like little viewing camp or

1625

00:59:37,829 --> 00:59:35,040

platform for generators and cameras to

1626
00:59:38,870 --> 00:59:37,839
keep an eye on just the influx of people

1627
00:59:41,109 --> 00:59:38,880
um

1628
00:59:43,270 --> 00:59:41,119
some of these places they don't want you

1629
00:59:44,390 --> 00:59:43,280
on their property and

1630
00:59:47,030 --> 00:59:44,400
um

1631
00:59:49,990 --> 00:59:47,040
i have like i've told you guys before i

1632
00:59:52,150 --> 00:59:50,000
have credentials i am uh

1633
00:59:54,390 --> 00:59:52,160
you know i work for a trucking company

1634
00:59:56,630 --> 00:59:54,400
so i've been out there to the airport

1635
00:59:59,190 --> 00:59:56,640
you know to you know

1636
01:00:00,789 --> 00:59:59,200
hand paperwork to my drivers or to

1637
01:00:03,190 --> 01:00:00,799
you know pick up loads i've been after

1638
01:00:06,069 --> 01:00:03,200

myself to do them i have credentials to

1639

01:00:09,030 --> 01:00:06,079

be out there um i can show them they can

1640

01:00:10,069 --> 01:00:09,040

call my employer and verify who i am

1641

01:00:11,990 --> 01:00:10,079

um

1642

01:00:13,990 --> 01:00:12,000

if you don't have the credentials do not

1643

01:00:14,789 --> 01:00:14,000

go up to one of these facilities and try

1644

01:00:20,069 --> 01:00:14,799

to

1645

01:00:21,750 --> 01:00:20,079

uh

1646

01:00:24,230 --> 01:00:21,760

you know there's a proper way to do an

1647

01:00:26,470 --> 01:00:24,240

investigation um

1648

01:00:29,270 --> 01:00:26,480

if you have questions ask one of us you

1649

01:00:30,549 --> 01:00:29,280

know i'm sure don't i'm sure to bias any

1650

01:00:31,990 --> 01:00:30,559

one of us is more than willing to share

1651

01:00:35,349 --> 01:00:32,000

their knowledge to the next new

1652

01:00:39,750 --> 01:00:37,349

um yeah we got a question man well can

1653

01:00:43,270 --> 01:00:39,760

you uh tell the chat what you saw when

1654

01:00:45,829 --> 01:00:43,280

you say other people investigating it

1655

01:00:47,589 --> 01:00:45,839

they were out there um you know taking

1656

01:00:49,589 --> 01:00:47,599

camera you know pictures they were

1657

01:00:50,470 --> 01:00:49,599

tested taking uh

1658

01:00:52,230 --> 01:00:50,480

you know

1659

01:00:54,069 --> 01:00:52,240

photographs videotaping they were out

1660

01:00:56,789 --> 01:00:54,079

there doing uh somebody was out there

1661

01:00:58,069 --> 01:00:56,799

looked like they were doing a you know

1662

01:00:59,589 --> 01:00:58,079

little interview or something with

1663

01:01:02,150 --> 01:00:59,599

themselves he had

1664

01:01:03,990 --> 01:01:02,160

people out there with a camera uh this

1665

01:01:05,750 --> 01:01:04,000

group that was in the jeep i really

1666

01:01:07,510 --> 01:01:05,760

wanted to know because

1667

01:01:09,670 --> 01:01:07,520

these were camp these were antennas that

1668

01:01:11,030 --> 01:01:09,680

were designed to like um

1669

01:01:13,990 --> 01:01:11,040

either they're one of those people that

1670

01:01:16,230 --> 01:01:14,000

like to listen in to the to the uh

1671

01:01:18,710 --> 01:01:16,240

to the airport to chatter between the

1672

01:01:21,030 --> 01:01:18,720

pilots with i mean why have the cameras

1673

01:01:22,230 --> 01:01:21,040

you have apps i can download

1674

01:01:26,309 --> 01:01:22,240

um

1675

01:01:28,309 --> 01:01:26,319

but you know you can take a regular

1676

01:01:29,829 --> 01:01:28,319

scanner out there and pick all that up

1677

01:01:32,069 --> 01:01:29,839

yeah

1678

01:01:34,870 --> 01:01:32,079

it's a public it's a public

1679

01:01:36,630 --> 01:01:34,880

radio station you can pick it up online

1680

01:01:38,390 --> 01:01:36,640

you can get the information but these

1681

01:01:40,390 --> 01:01:38,400

were like very

1682

01:01:42,789 --> 01:01:40,400

high gain antennas you know they had

1683

01:01:44,870 --> 01:01:42,799

laptops in the back i

1684

01:01:46,710 --> 01:01:44,880

you know they were

1685

01:01:49,430 --> 01:01:46,720

running they'd run a course where they

1686

01:01:51,750 --> 01:01:49,440

would go to the end where the

1687

01:01:54,710 --> 01:01:51,760

where the main road is turn around come

1688

01:01:55,670 --> 01:01:54,720

back and go all the way back over and i

1689

01:01:57,910 --> 01:01:55,680

guess

1690

01:01:59,750 --> 01:01:57,920

in that one trip someone miscalculated

1691

01:02:01,910 --> 01:01:59,760

the where they were and got themselves

1692

01:02:04,470 --> 01:02:01,920

in trouble with security but

1693

01:02:06,950 --> 01:02:04,480

i saw them pass at least six or seven

1694

01:02:08,870 --> 01:02:06,960

times i had people out there that were

1695

01:02:10,789 --> 01:02:08,880

going right up to the fence while a

1696

01:02:13,270 --> 01:02:10,799

plane is being unloaded

1697

01:02:15,109 --> 01:02:13,280

uh taking pictures they were doing like

1698

01:02:16,789 --> 01:02:15,119

little interviews um

1699

01:02:17,589 --> 01:02:16,799

they were standing across the street at

1700

01:02:22,549 --> 01:02:17,599

the

1701

01:02:23,430 --> 01:02:22,559

facility you know taking pictures

1702

01:02:25,270 --> 01:02:23,440

um

1703

01:02:27,109 --> 01:02:25,280

and it's good to see other investigators

1704

01:02:29,029 --> 01:02:27,119

out there you know other investigators

1705

01:02:30,950 --> 01:02:29,039

you know doing this but

1706

01:02:32,549 --> 01:02:30,960

it's when you get the

1707

01:02:34,069 --> 01:02:32,559

select few like the ones a week

1708

01:02:35,270 --> 01:02:34,079

afterwards who wouldn't get themselves

1709

01:02:37,990 --> 01:02:35,280

in trouble

1710

01:02:39,990 --> 01:02:38,000

that you know you have uh

1711

01:02:42,230 --> 01:02:40,000

that causes problems that causes when

1712

01:02:43,910 --> 01:02:42,240

you that causes crackdowns

1713

01:02:46,230 --> 01:02:43,920

um

1714

01:02:48,470 --> 01:02:46,240

right now security is not our friend

1715

01:02:51,430 --> 01:02:48,480

when it comes to these airport sightings

1716

01:02:53,510 --> 01:02:51,440

uh they are very re they have very very

1717

01:02:55,029 --> 01:02:53,520

quick response times and they're usually

1718

01:02:56,549 --> 01:02:55,039

very aggressive

1719

01:02:57,589 --> 01:02:56,559

when they come to you

1720

01:03:00,549 --> 01:02:57,599

um

1721

01:03:03,829 --> 01:03:00,559

be respectful that has evolved too as

1722

01:03:06,870 --> 01:03:03,839

time has gone on yes very much uh the

1723

01:03:09,349 --> 01:03:06,880

one gentleman who uh had the sighting

1724

01:03:11,029 --> 01:03:09,359

that got out of the airport

1725

01:03:13,029 --> 01:03:11,039

uh or out of his car to try to take a

1726

01:03:14,710 --> 01:03:13,039

picture they were on top of him within

1727

01:03:16,150 --> 01:03:14,720

seconds and they were being very

1728

01:03:18,470 --> 01:03:16,160

forceful get in your car and get the

1729

01:03:21,589 --> 01:03:18,480

hell out of here well let's let's talk

1730

01:03:24,630 --> 01:03:21,599

about july 22nd um

1731

01:03:27,270 --> 01:03:24,640

that seems to be the sighting

1732

01:03:28,390 --> 01:03:27,280

where all this is kind of blown up in

1733

01:03:30,789 --> 01:03:28,400

our you know

1734

01:03:33,190 --> 01:03:30,799

where we're getting multiple witnesses

1735

01:03:35,510 --> 01:03:33,200

from different locations i think you

1736

01:03:37,270 --> 01:03:35,520

know we had united employees we had

1737

01:03:39,510 --> 01:03:37,280

fedex employees

1738

01:03:42,710 --> 01:03:39,520

um

1739

01:03:45,910 --> 01:03:42,720

the course we had at least seven

1740

01:03:47,109 --> 01:03:45,920

vehicles from tsa that emerged on this

1741

01:03:48,470 --> 01:03:47,119

beam

1742

01:03:50,870 --> 01:03:48,480

um

1743

01:03:53,910 --> 01:03:50,880

they had it all lit up

1744

01:03:56,069 --> 01:03:53,920

we like you said we had the um

1745

01:03:58,870 --> 01:03:56,079

the cargo people who had called into the

1746

01:04:02,230 --> 01:03:58,880

supervisor and called into tsa

1747

01:04:03,990 --> 01:04:02,240

and got them out there immediately

1748

01:04:06,710 --> 01:04:04,000

of course like you said it's very close

1749

01:04:08,630 --> 01:04:06,720

to the tower the towers right there

1750

01:04:10,789 --> 01:04:08,640

when we had the uh we had the air

1751

01:04:12,549 --> 01:04:10,799

traffic controller have the sighting it

1752

01:04:14,309 --> 01:04:12,559

was right there as well

1753

01:04:15,510 --> 01:04:14,319

so we've had a lot of sightings in this

1754

01:04:17,990 --> 01:04:15,520

area

1755

01:04:20,789 --> 01:04:18,000

so uh tobias i mean if you want to kind

1756

01:04:23,829 --> 01:04:20,799

of break down what happened on the 22nd

1757

01:04:25,430 --> 01:04:23,839

if you want to and give us an idea

1758

01:04:27,510 --> 01:04:25,440

i know you just posted something

1759

01:04:29,190 --> 01:04:27,520

recently of an update uh

1760

01:04:31,349 --> 01:04:29,200

what's your thoughts on all this this

1761

01:04:33,829 --> 01:04:31,359

sighting

1762

01:04:36,870 --> 01:04:33,839

oh sure well i you know my understanding

1763

01:04:40,230 --> 01:04:36,880

of what transpired on the the 22nd and i

1764

01:04:42,549 --> 01:04:40,240

think manuel probably is uh more

1765

01:04:44,710 --> 01:04:42,559

knowledgeable than anybody in terms of

1766

01:04:46,150 --> 01:04:44,720

really understanding uh what people have

1767

01:04:47,910 --> 01:04:46,160

been reporting but but my understanding

1768

01:04:51,029 --> 01:04:47,920

of it was

1769

01:04:53,349 --> 01:04:51,039

that uh there was a sighting of a

1770

01:04:56,150 --> 01:04:53,359

winged humanoid outside of the fence

1771

01:04:58,309 --> 01:04:56,160

there that elicited a security response

1772

01:05:00,549 --> 01:04:58,319

i was seen by multiple employees of the

1773

01:05:02,069 --> 01:05:00,559

o'hare international airport

1774

01:05:04,230 --> 01:05:02,079

and um

1775

01:05:06,390 --> 01:05:04,240

and people keep

1776

01:05:08,150 --> 01:05:06,400

reporting it now the

1777

01:05:10,549 --> 01:05:08,160

the thing that i i think you were

1778

01:05:11,750 --> 01:05:10,559

referencing is uh you know i've i've had

1779

01:05:14,470 --> 01:05:11,760

a good

1780

01:05:16,230 --> 01:05:14,480

uh working relationship with uh sam

1781

01:05:19,589 --> 01:05:16,240

moronto the

1782

01:05:22,950 --> 01:05:19,599

the state director of uh the mutual ufo

1783

01:05:25,990 --> 01:05:22,960

network down in illinois and you know so

1784

01:05:28,549 --> 01:05:26,000

when that happened uh one of the

1785

01:05:29,990 --> 01:05:28,559

the sighting reports actually uh was

1786

01:05:32,390 --> 01:05:30,000

picked up by

1787

01:05:34,549 --> 01:05:32,400

by mufon well it was it was submitted to

1788

01:05:37,510 --> 01:05:34,559

mufon and so it they came through their

1789

01:05:40,309 --> 01:05:37,520

their case management system and uh

1790

01:05:43,190 --> 01:05:40,319

manuel saw it and posted it and

1791

01:05:45,029 --> 01:05:43,200

and so i i had included it in in one of

1792

01:05:47,270 --> 01:05:45,039

our articles as well and so of course i

1793

01:05:49,670 --> 01:05:47,280

reached out to sam and i said hey what

1794

01:05:51,109 --> 01:05:49,680

can you tell me about uh this uh

1795

01:05:52,950 --> 01:05:51,119

investigation you know like what's

1796

01:05:53,910 --> 01:05:52,960

what's going on with this so

1797

01:05:55,589 --> 01:05:53,920

um

1798

01:05:57,430 --> 01:05:55,599

you know he was very he's always been

1799

01:06:00,309 --> 01:05:57,440

very you know forthright

1800

01:06:01,910 --> 01:06:00,319

with me in terms of of what they are are

1801
01:06:04,150 --> 01:06:01,920
trying to do

1802
01:06:05,990 --> 01:06:04,160
and uh he told me that uh they had an

1803
01:06:07,510 --> 01:06:06,000
investigator who had reached out to this

1804
01:06:10,390 --> 01:06:07,520
particular witness

1805
01:06:12,789 --> 01:06:10,400
and they had exchanged emails

1806
01:06:15,270 --> 01:06:12,799
uh and then uh they they never heard

1807
01:06:17,829 --> 01:06:15,280
back from them i think the final email

1808
01:06:19,510 --> 01:06:17,839
uh was in regards to this particular

1809
01:06:22,069 --> 01:06:19,520
witnesses uh

1810
01:06:24,470 --> 01:06:22,079
phone number which uh which uh sam said

1811
01:06:26,390 --> 01:06:24,480
that they had tried and it wasn't

1812
01:06:28,789 --> 01:06:26,400
an actual phone number or it was the

1813
01:06:30,630 --> 01:06:28,799

wrong phone number um

1814

01:06:33,430 --> 01:06:30,640

they couldn't find any any record of

1815

01:06:35,430 --> 01:06:33,440

this person's name has submitted it or

1816

01:06:37,589 --> 01:06:35,440

anything like that and well

1817

01:06:41,029 --> 01:06:37,599

what was interesting to me then

1818

01:06:43,829 --> 01:06:41,039

is that this witness um

1819

01:06:44,789 --> 01:06:43,839

actually contacted somebody on our our

1820

01:06:46,710 --> 01:06:44,799

team

1821

01:06:48,710 --> 01:06:46,720

and was was interviewed over the phone

1822

01:06:50,789 --> 01:06:48,720

which was something that that that mufon

1823

01:06:52,390 --> 01:06:50,799

was was not able to how many times has

1824

01:06:54,150 --> 01:06:52,400

that happened

1825

01:06:56,549 --> 01:06:54,160

well that was the interesting thing it's

1826

01:06:59,510 --> 01:06:56,559

i mean that's at least the second time

1827

01:07:01,589 --> 01:06:59,520

yeah at least yeah

1828

01:07:03,589 --> 01:07:01,599

and somebody goes back and forth billy

1829

01:07:04,789 --> 01:07:03,599

bands back in uh

1830

01:07:07,270 --> 01:07:04,799

uh

1831

01:07:09,510 --> 01:07:07,280

you know with the thing near midway out

1832

01:07:11,349 --> 01:07:09,520

there in cicero he uh

1833

01:07:13,349 --> 01:07:11,359

same thing with him and you know they

1834

01:07:15,750 --> 01:07:13,359

had he had issues with

1835

01:07:17,750 --> 01:07:15,760

with mufon and a lot of these other

1836

01:07:21,990 --> 01:07:17,760

witnesses did as well

1837

01:07:24,069 --> 01:07:22,000

i i just don't understand why mufon

1838

01:07:25,750 --> 01:07:24,079

is so cut and dry on this where they've

1839

01:07:27,670 --> 01:07:25,760

got to have phone numbers they've got to

1840

01:07:29,990 --> 01:07:27,680

have this there are other ways of

1841

01:07:31,109 --> 01:07:30,000

interviewing people you know

1842

01:07:32,950 --> 01:07:31,119

and

1843

01:07:35,430 --> 01:07:32,960

i don't know who the investigators the

1844

01:07:38,230 --> 01:07:35,440

field investigators are for

1845

01:07:39,910 --> 01:07:38,240

for mufon illinois that go to these

1846

01:07:42,789 --> 01:07:39,920

places and talk are supposed to be

1847

01:07:44,950 --> 01:07:42,799

talking to these people

1848

01:07:46,630 --> 01:07:44,960

but they're not getting a good response

1849

01:07:48,309 --> 01:07:46,640

from them and they're actually the

1850

01:07:50,069 --> 01:07:48,319

witnesses are getting upset and they

1851

01:07:51,829 --> 01:07:50,079

come to us

1852

01:07:53,510 --> 01:07:51,839

uh and that has happened many times

1853

01:07:56,069 --> 01:07:53,520

that's something that i had considered i

1854

01:07:57,430 --> 01:07:56,079

i know the name of the investigator i'm

1855

01:07:59,990 --> 01:07:57,440

i'm not going to call him out or

1856

01:08:03,990 --> 01:08:02,549

but uh yeah i know i mean i wha whatever

1857

01:08:07,270 --> 01:08:04,000

he's doing because i i want to say it

1858

01:08:09,270 --> 01:08:07,280

was the same guy at least twice

1859

01:08:12,390 --> 01:08:09,280

so whatever he's doing

1860

01:08:14,549 --> 01:08:12,400

it doesn't seem to be working and uh you

1861

01:08:16,470 --> 01:08:14,559

know i remember from my time in in mufan

1862

01:08:18,390 --> 01:08:16,480

as a field investigator it's not like

1863

01:08:19,910 --> 01:08:18,400

there's any kind of auditing process

1864

01:08:21,510 --> 01:08:19,920

that ever happens like nobody's looking

1865

01:08:24,870 --> 01:08:21,520

over your shoulder

1866

01:08:27,030 --> 01:08:24,880

watching you conduct investigations so

1867

01:08:29,269 --> 01:08:27,040

at a certain point i have to wonder if

1868

01:08:31,110 --> 01:08:29,279

there isn't just you know one or two

1869

01:08:32,070 --> 01:08:31,120

investigators down there

1870

01:08:35,269 --> 01:08:32,080

who

1871

01:08:37,030 --> 01:08:35,279

don't have a very good investigatory

1872

01:08:38,870 --> 01:08:37,040

bedside manner they're not great with

1873

01:08:41,430 --> 01:08:38,880

people they trade interviews like

1874

01:08:44,229 --> 01:08:41,440

interrogations or something and and it's

1875

01:08:47,030 --> 01:08:44,239

just off-putting um because it certainly

1876

01:08:49,510 --> 01:08:47,040

seems to be turning witnesses off uh

1877

01:08:52,550 --> 01:08:49,520

which you know more the better for us

1878

01:08:54,390 --> 01:08:52,560

because then then they they find us and

1879

01:08:56,630 --> 01:08:54,400

and uh and we can interview them

1880

01:08:58,070 --> 01:08:56,640

directly that way but um but it's too

1881

01:08:59,430 --> 01:08:58,080

bad because

1882

01:09:01,590 --> 01:08:59,440

i think that

1883

01:09:03,110 --> 01:09:01,600

if mufon were able to interview some of

1884

01:09:05,669 --> 01:09:03,120

these witnesses

1885

01:09:07,910 --> 01:09:05,679

then um you know they would they would

1886

01:09:09,749 --> 01:09:07,920

be able to lend some credibility you

1887

01:09:11,990 --> 01:09:09,759

know to to the

1888

01:09:14,149 --> 01:09:12,000

the reports just having them you know

1889

01:09:15,910 --> 01:09:14,159

interviewed by by multiple organizations

1890

01:09:17,669 --> 01:09:15,920

you know other than the the

1891

01:09:20,390 --> 01:09:17,679

organizations we currently have you know

1892

01:09:22,470 --> 01:09:20,400

working together which is well if i

1893

01:09:24,550 --> 01:09:22,480

remember right there was the there was

1894

01:09:26,709 --> 01:09:24,560

the incident with the uh

1895

01:09:29,269 --> 01:09:26,719

the one uh rideshare driver i believe

1896

01:09:31,110 --> 01:09:29,279

that was rosemont and he was waiting for

1897

01:09:32,070 --> 01:09:31,120

something and they were interviewed by

1898

01:09:35,669 --> 01:09:32,080

uh

1899

01:09:37,669 --> 01:09:35,679

have to give your name you have to give

1900

01:09:40,950 --> 01:09:37,679

your information and we're going to

1901

01:09:43,030 --> 01:09:40,960

publish it and he he had a really bad he

1902

01:09:44,630 --> 01:09:43,040

left a really bad impression and he even

1903

01:09:46,950 --> 01:09:44,640

contacted us

1904

01:09:48,550 --> 01:09:46,960

about it trust me i'd love to afford i'd

1905

01:09:50,709 --> 01:09:48,560

love for them to be able to corroborate

1906

01:09:52,630 --> 01:09:50,719

the evidence you know

1907

01:09:53,749 --> 01:09:52,640

you know i have nothing against mufon i

1908

01:09:55,910 --> 01:09:53,759

mean

1909

01:09:59,189 --> 01:09:55,920

what happened happened with you know

1910

01:10:01,030 --> 01:09:59,199

internally that's their problem um but i

1911

01:10:03,590 --> 01:10:01,040

have nothing against him i've followed

1912

01:10:05,350 --> 01:10:03,600

mufon since i was a child and you know

1913

01:10:07,110 --> 01:10:05,360

um

1914

01:10:08,790 --> 01:10:07,120

it's i would love to have them

1915

01:10:11,030 --> 01:10:08,800

corroborate the evidence it just helps

1916

01:10:13,669 --> 01:10:11,040

lend credibility to what we're doing

1917

01:10:16,390 --> 01:10:13,679

but you can't approach these people like

1918

01:10:17,430 --> 01:10:16,400

you know like some you know crime series

1919

01:10:19,189 --> 01:10:17,440

on tv

1920

01:10:20,870 --> 01:10:19,199

you know these people are not criminals

1921

01:10:23,669 --> 01:10:20,880

they're they're witnesses to something

1922

01:10:26,709 --> 01:10:23,679

that's going on

1923

01:10:29,270 --> 01:10:26,719

yeah i i i've always been

1924

01:10:32,070 --> 01:10:29,280

put off by this whole thing uh with them

1925

01:10:33,990 --> 01:10:32,080

and entity sightings um

1926

01:10:36,470 --> 01:10:34,000

it just seems that they're

1927

01:10:37,910 --> 01:10:36,480

so gun gun shy when it comes to that

1928

01:10:40,870 --> 01:10:37,920

either that or they just don't want to

1929

01:10:42,229 --> 01:10:40,880

be bothered with it now

1930

01:10:44,229 --> 01:10:42,239

of course they have people within the

1931

01:10:45,030 --> 01:10:44,239

organization

1932

01:10:49,110 --> 01:10:45,040

that

1933

01:10:50,870 --> 01:10:49,120

so i think kathleen martin's one of them

1934

01:10:52,390 --> 01:10:50,880

they've had other people that have been

1935

01:10:55,430 --> 01:10:52,400

involved with this

1936

01:10:57,750 --> 01:10:55,440

you know but and i i know a few of them

1937

01:10:59,750 --> 01:10:57,760

and i'm friends with a few of them but

1938

01:11:02,709 --> 01:10:59,760

they're almost stumped to be honest with

1939

01:11:04,310 --> 01:11:02,719

you i mean you know you ask them why do

1940

01:11:07,430 --> 01:11:04,320

they

1941

01:11:10,790 --> 01:11:07,440

not take entity sightings seriously i

1942

01:11:13,350 --> 01:11:10,800

mean it's part of ufology is mufon

1943

01:11:16,470 --> 01:11:13,360

just interested in the nuts and bolts of

1944

01:11:18,709 --> 01:11:16,480

a craft or is it interested in

1945

01:11:20,870 --> 01:11:18,719

in everything that's party of followed

1946

01:11:22,470 --> 01:11:20,880

they're a part of the actual

1947

01:11:24,630 --> 01:11:22,480

report itself

1948

01:11:28,630 --> 01:11:24,640

and it just seems that they just are not

1949

01:11:33,830 --> 01:11:31,110

it it definitely does um and you know

1950

01:11:36,470 --> 01:11:33,840

that was sort of my uh experience when i

1951

01:11:40,470 --> 01:11:36,480

was a field investigator with the uh the

1952

01:11:42,390 --> 01:11:40,480

wisconsin uh branch of mufon as well

1953

01:11:44,390 --> 01:11:42,400

every once in a while you know i would i

1954

01:11:46,390 --> 01:11:44,400

would get handed a

1955

01:11:48,550 --> 01:11:46,400

report by somebody who you know would

1956

01:11:50,790 --> 01:11:48,560

have claimed to interact to interact

1957

01:11:52,950 --> 01:11:50,800

with some entity or something and um

1958

01:11:54,790 --> 01:11:52,960

it really wasn't anything that

1959

01:11:57,750 --> 01:11:54,800

that anybody in the organization seemed

1960

01:12:00,149 --> 01:11:57,760

to take particularly seriously um which

1961

01:12:01,910 --> 01:12:00,159

was too bad because some of these cases

1962

01:12:03,510 --> 01:12:01,920

were actually very very compelling uh

1963

01:12:05,430 --> 01:12:03,520

one point i do want to make very clear

1964

01:12:09,669 --> 01:12:05,440

to everybody

1965

01:12:10,470 --> 01:12:09,679

is that in terms of uh buying witnesses

1966

01:12:13,510 --> 01:12:10,480

uh

1967

01:12:15,350 --> 01:12:13,520

identities and and their st and the

1968

01:12:17,430 --> 01:12:15,360

details of their stories that is

1969

01:12:19,510 --> 01:12:17,440

something that you know i i personally

1970

01:12:21,590 --> 01:12:19,520

and i think everybody else does take

1971

01:12:24,070 --> 01:12:21,600

very seriously so that is something that

1972

01:12:26,070 --> 01:12:24,080

happens behind the scenes the difference

1973

01:12:28,630 --> 01:12:26,080

i think is that mufon

1974

01:12:31,270 --> 01:12:28,640

wants to be able to publish that

1975

01:12:33,350 --> 01:12:31,280

material and witnesses don't always want

1976

01:12:35,189 --> 01:12:33,360

that publicly

1977

01:12:37,030 --> 01:12:35,199

available a lot of people you know have

1978

01:12:39,110 --> 01:12:37,040

have careers and families and things and

1979

01:12:42,070 --> 01:12:39,120

they don't really want to be embroiled

1980

01:12:44,630 --> 01:12:42,080

in some paranormal mystery and so they

1981

01:12:46,149 --> 01:12:44,640

are fine telling me their name and their

1982

01:12:47,990 --> 01:12:46,159

age and where they live and where they

1983

01:12:50,149 --> 01:12:48,000

work and everything else and i can

1984

01:12:51,990 --> 01:12:50,159

verify all of that info to at least know

1985

01:12:54,470 --> 01:12:52,000

that they are who they say they are

1986

01:12:56,070 --> 01:12:54,480

um and use that to try to verify the

1987

01:12:59,189 --> 01:12:56,080

details of their sighting that are

1988

01:13:01,990 --> 01:12:59,199

available to be verified but if somebody

1989

01:13:04,709 --> 01:13:02,000

says hey you know like i have a career

1990

01:13:07,590 --> 01:13:04,719

and a family in a life and i don't want

1991

01:13:09,990 --> 01:13:07,600

to be known as the crazy dude who saw a

1992

01:13:12,390 --> 01:13:10,000

mothman i'm not going to publish their

1993

01:13:14,149 --> 01:13:12,400

name if if they're

1994

01:13:16,070 --> 01:13:14,159

willing to stand by their story i

1995

01:13:18,870 --> 01:13:16,080

applaud that because i've done that

1996

01:13:21,189 --> 01:13:18,880

myself you know like that i am a real

1997

01:13:22,470 --> 01:13:21,199

person with a real life i have a wife

1998

01:13:25,030 --> 01:13:22,480

and a family

1999

01:13:26,149 --> 01:13:25,040

and i'm still willing to come on here

2000

01:13:28,470 --> 01:13:26,159

and say hey

2001

01:13:29,910 --> 01:13:28,480

i've seen things i can't explain and a

2002

01:13:32,390 --> 01:13:29,920

lot of people will look at that and say

2003

01:13:34,790 --> 01:13:32,400

hey that's nuts but here i am anyway and

2004

01:13:37,430 --> 01:13:34,800

so any witness let's do that i think

2005

01:13:41,110 --> 01:13:37,440

that's fantastic but that is not up for

2006

01:13:43,189 --> 01:13:41,120

us to say that is an individual decision

2007

01:13:45,350 --> 01:13:43,199

you know and and that's up to the the

2008

01:13:47,110 --> 01:13:45,360

witness and i won't tell anybody their

2009

01:13:48,709 --> 01:13:47,120

name i won't tell

2010

01:13:50,550 --> 01:13:48,719

my best friends their name if the

2011

01:13:52,950 --> 01:13:50,560

witness asked me not to

2012

01:13:54,790 --> 01:13:52,960

and it's just as simple as that well you

2013

01:13:57,110 --> 01:13:54,800

know unfortunately we ran into that

2014

01:14:00,550 --> 01:13:57,120

problem early on in these investigations

2015

01:14:02,630 --> 01:14:00,560

back in 2017 when we had certain folks

2016

01:14:04,550 --> 01:14:02,640

who were upset with us not

2017

01:14:06,870 --> 01:14:04,560

you know putting personal information

2018

01:14:09,189 --> 01:14:06,880

out on witnesses and uh

2019

01:14:11,350 --> 01:14:09,199

of course we were criticized well i'm

2020

01:14:13,189 --> 01:14:11,360

maybe i was criticized more than anybody

2021

01:14:14,470 --> 01:14:13,199

but you know i'm not going to do that

2022

01:14:16,870 --> 01:14:14,480

and i know you guys aren't going to do

2023

01:14:18,470 --> 01:14:16,880

that that's just that's just our policy

2024

01:14:19,830 --> 01:14:18,480

which ought to be the policy for

2025

01:14:22,149 --> 01:14:19,840

everybody

2026

01:14:24,229 --> 01:14:22,159

uh but you're right yeah mufon does want

2027

01:14:26,390 --> 01:14:24,239

to be able to put it out there and i i

2028

01:14:28,229 --> 01:14:26,400

just don't agree with that you know i

2029

01:14:30,870 --> 01:14:28,239

would have never found david eckhart if

2030

01:14:32,470 --> 01:14:30,880

it wasn't for mufon turning him you know

2031

01:14:34,550 --> 01:14:32,480

you know turning him down

2032

01:14:35,910 --> 01:14:34,560

for not wanting to investigate entities

2033

01:14:38,229 --> 01:14:35,920

um

2034

01:14:40,310 --> 01:14:38,239

you know well like i stated earlier

2035

01:14:41,990 --> 01:14:40,320

like i said earlier we have procedures i

2036

01:14:44,709 --> 01:14:42,000

mean the team has procedures that we

2037

01:14:47,030 --> 01:14:44,719

follow you know to keep everything

2038

01:14:48,950 --> 01:14:47,040

sterile look at these look at what's

2039

01:14:50,550 --> 01:14:48,960

going on now with these airport

2040

01:14:52,229 --> 01:14:50,560

sightings these people are being

2041

01:14:54,870 --> 01:14:52,239

threatened with you know we're gonna

2042

01:14:55,750 --> 01:14:54,880

fire you oh i know you're gonna be you

2043

01:14:58,470 --> 01:14:55,760

know

2044

01:15:00,070 --> 01:14:58,480

dealt with in a severe manner these jobs

2045

01:15:02,470 --> 01:15:00,080

paid very well

2046

01:15:04,310 --> 01:15:02,480

um and have you know these people have

2047

01:15:06,310 --> 01:15:04,320

probably been there for years you think

2048

01:15:08,390 --> 01:15:06,320

they're looking they want to have their

2049

01:15:09,910 --> 01:15:08,400

name put out there so that the next

2050

01:15:11,510 --> 01:15:09,920

thing that's going to happen they're

2051

01:15:13,669 --> 01:15:11,520

being dragged into a disciplinary

2052

01:15:15,189 --> 01:15:13,679

meeting and terminated

2053

01:15:16,870 --> 01:15:15,199

um

2054

01:15:19,189 --> 01:15:16,880

just because they went to talk to

2055

01:15:21,830 --> 01:15:19,199

somebody about it these people

2056

01:15:23,990 --> 01:15:21,840

are scared you know they are very scared

2057

01:15:26,950 --> 01:15:24,000

you know they they told us more than one

2058

01:15:28,790 --> 01:15:26,960

i don't want my name put out there i'm

2059

01:15:31,189 --> 01:15:28,800

not going to use i'm not going to give

2060

01:15:33,750 --> 01:15:31,199

you any information other than just what

2061

01:15:35,750 --> 01:15:33,760

we're giving you uh you do not have

2062

01:15:39,110 --> 01:15:35,760

permission to use my information for

2063

01:15:41,270 --> 01:15:39,120

that matter because they don't want

2064

01:15:43,030 --> 01:15:41,280

this is people's livelihoods i'm not

2065

01:15:45,430 --> 01:15:43,040

gonna threaten that

2066

01:15:46,950 --> 01:15:45,440

uh just to get my name out there for an

2067

01:15:48,709 --> 01:15:46,960

investigation

2068

01:15:50,790 --> 01:15:48,719

and i'm sure neither one of you two

2069

01:15:52,550 --> 01:15:50,800

either would be doing that

2070

01:15:54,870 --> 01:15:52,560

well you know

2071

01:15:56,709 --> 01:15:54,880

i i i've said this before i've i've got

2072

01:15:57,910 --> 01:15:56,719

a supervisor who worked one of the

2073

01:16:00,149 --> 01:15:57,920

carriers

2074

01:16:01,590 --> 01:16:00,159

who has is coming forward with me and

2075

01:16:03,590 --> 01:16:01,600

telling me some of the things that

2076

01:16:06,550 --> 01:16:03,600

they're seeing and hearing

2077

01:16:07,750 --> 01:16:06,560

uh from their own employees as well as

2078

01:16:09,430 --> 01:16:07,760

what they're hearing the hub bub

2079

01:16:11,510 --> 01:16:09,440

throughout the terminal

2080

01:16:15,270 --> 01:16:11,520

and uh

2081

01:16:17,590 --> 01:16:15,280

yeah the the powers that be to be are at

2082

01:16:19,669 --> 01:16:17,600

uh at o'hare are really

2083

01:16:21,590 --> 01:16:19,679

are really cracking down and they are

2084

01:16:23,750 --> 01:16:21,600

threatening with termination

2085

01:16:24,790 --> 01:16:23,760

so and some of the carriers are doing it

2086

01:16:26,390 --> 01:16:24,800

as well

2087

01:16:28,550 --> 01:16:26,400

so you know

2088

01:16:31,910 --> 01:16:28,560

we have had some inside information from

2089

01:16:35,270 --> 01:16:31,920

folks telling us this this very scenario

2090

01:16:37,189 --> 01:16:35,280

and uh so i don't know you know i i i

2091

01:16:38,790 --> 01:16:37,199

but i i gotta be honest with you i

2092

01:16:40,870 --> 01:16:38,800

really commend these people for coming

2093

01:16:42,950 --> 01:16:40,880

forth i mean it takes a lot of guts to

2094

01:16:46,870 --> 01:16:42,960

do that for one thing and the fact that

2095

01:16:48,229 --> 01:16:46,880

this july 22nd setting

2096

01:16:50,950 --> 01:16:48,239

and all these people that are coming

2097

01:16:51,990 --> 01:16:50,960

forth and they all knew who was there

2098

01:17:02,149 --> 01:16:52,000

now

2099

01:17:04,310 --> 01:17:02,159

them i hope this doesn't affect us as

2100

01:17:05,510 --> 01:17:04,320

being able to get witnesses to come

2101
01:17:08,709 --> 01:17:05,520
forth

2102
01:17:12,790 --> 01:17:10,550
okay we got a question here from nancy

2103
01:17:14,390 --> 01:17:12,800
malcolm how does

2104
01:17:16,950 --> 01:17:14,400
guru

2105
01:17:21,030 --> 01:17:16,960
and others contact you to initiate or

2106
01:17:22,709 --> 01:17:21,040
schedule a group remote meeting

2107
01:17:24,470 --> 01:17:22,719
well i don't i'm not saying this is

2108
01:17:26,149 --> 01:17:24,480
going to happen all the time because

2109
01:17:27,490 --> 01:17:26,159
this was a particular

2110
01:17:29,669 --> 01:17:27,500
instance

2111
01:17:32,550 --> 01:17:29,679
[Music]

2112
01:17:35,830 --> 01:17:32,560
jennifer and i happened to be

2113
01:17:37,189 --> 01:17:35,840

watching as to buy i mean as emmanuel

2114

01:17:39,189 --> 01:17:37,199

was out there

2115

01:17:40,870 --> 01:17:39,199

and we were getting she was particularly

2116

01:17:43,990 --> 01:17:40,880

getting instruction

2117

01:17:47,350 --> 01:17:44,000

um and you know i look i i tell you the

2118

01:17:48,950 --> 01:17:47,360

way this happens is pretty

2119

01:17:49,830 --> 01:17:48,960

well i don't know how different it is

2120

01:17:51,830 --> 01:17:49,840

but

2121

01:17:54,470 --> 01:17:51,840

it's almost like you know you talk about

2122

01:17:56,870 --> 01:17:54,480

people talk about esp or

2123

01:17:59,110 --> 01:17:56,880

some type of psychic connection and

2124

01:18:01,030 --> 01:17:59,120

jenna is psychic she's very psychic

2125

01:18:02,870 --> 01:18:01,040

she's got a lot of gifts

2126

01:18:03,910 --> 01:18:02,880

um

2127

01:18:06,470 --> 01:18:03,920

but

2128

01:18:08,630 --> 01:18:06,480

originally and for the most part when we

2129

01:18:11,430 --> 01:18:08,640

do ask questions of them we just get

2130

01:18:13,750 --> 01:18:11,440

responses to yes and no

2131

01:18:15,189 --> 01:18:13,760

on occasion we have had

2132

01:18:16,630 --> 01:18:15,199

things actually

2133

01:18:18,790 --> 01:18:16,640

said

2134

01:18:20,470 --> 01:18:18,800

um

2135

01:18:23,910 --> 01:18:20,480

you know you hear people talk about your

2136

01:18:27,510 --> 01:18:23,920

mind's eye or you're being able to hear

2137

01:18:28,229 --> 01:18:27,520

uh telepathically it's like that um

2138

01:18:29,669 --> 01:18:28,239

and

2139

01:18:31,350 --> 01:18:29,679

by me

2140

01:18:33,510 --> 01:18:31,360

being with her and listening to her and

2141

01:18:35,350 --> 01:18:33,520

watching her on some occasions

2142

01:18:38,070 --> 01:18:35,360

it's pretty interesting i mean it is

2143

01:18:40,709 --> 01:18:38,080

very interesting i i i think she's being

2144

01:18:42,709 --> 01:18:40,719

very forthright with it even some of the

2145

01:18:44,630 --> 01:18:42,719

things i have gotten but anyway in this

2146

01:18:46,390 --> 01:18:44,640

the case of um

2147

01:18:48,149 --> 01:18:46,400

emmanuel because he was out there we

2148

01:18:52,630 --> 01:18:48,159

knew he was out there

2149

01:18:54,870 --> 01:18:52,640

we tried to initiate this contact

2150

01:18:56,790 --> 01:18:54,880

and uh manuel was following the

2151
01:18:58,310 --> 01:18:56,800
instructions that they were telling her

2152
01:19:01,910 --> 01:18:58,320
and

2153
01:19:03,030 --> 01:19:01,920
it's led to the actual contact itself

2154
01:19:08,870 --> 01:19:03,040
now

2155
01:19:11,510 --> 01:19:08,880
there's no specific reason for anybody

2156
01:19:14,470 --> 01:19:11,520
to try to make contact at the airport or

2157
01:19:17,270 --> 01:19:14,480
at the the cemetery they can do it

2158
01:19:19,910 --> 01:19:17,280
at location any location where they are

2159
01:19:21,830 --> 01:19:19,920
comfortable well just look at tobias

2160
01:19:24,390 --> 01:19:21,840
tobias feels something may have happened

2161
01:19:26,310 --> 01:19:24,400
with him as he's out of the kettle moran

2162
01:19:28,310 --> 01:19:26,320
state park and uh

2163
01:19:30,149 --> 01:19:28,320

you know who knows that may very well

2164

01:19:31,030 --> 01:19:30,159
have been a contact

2165

01:19:33,030 --> 01:19:31,040
uh

2166

01:19:34,070 --> 01:19:33,040
and speaking of killer marine that place

2167

01:19:35,350 --> 01:19:34,080
has had

2168

01:19:37,350 --> 01:19:35,360
activity for

2169

01:19:38,550 --> 01:19:37,360
years now and i'm talking about

2170

01:19:41,189 --> 01:19:38,560
everything you

2171

01:19:43,030 --> 01:19:41,199
you can think of out there it's just a

2172

01:19:46,950 --> 01:19:43,040
strange area

2173

01:19:49,270 --> 01:19:46,960
um i i think it's it's a non-glacial

2174

01:19:51,350 --> 01:19:49,280
area is it not tobias

2175

01:19:53,990 --> 01:19:51,360
guys well it's it's it's a huge glacial

2176

01:19:56,390 --> 01:19:54,000

formation uh basically you know you had

2177

01:19:57,830 --> 01:19:56,400

glaciers that came all the way down you

2178

01:20:00,630 --> 01:19:57,840

know from

2179

01:20:02,630 --> 01:20:00,640

the north pole or whatever and

2180

01:20:05,830 --> 01:20:02,640

however long ago and they tore up this

2181

01:20:07,510 --> 01:20:05,840

whole area and uh and so we've got this

2182

01:20:10,229 --> 01:20:07,520

this enormous

2183

01:20:13,270 --> 01:20:10,239

uh forest that that runs almost the

2184

01:20:15,510 --> 01:20:13,280

length of the the estate

2185

01:20:17,510 --> 01:20:15,520

in the eastern portion of the state

2186

01:20:20,390 --> 01:20:17,520

and uh you know it's full of kettles and

2187

01:20:21,830 --> 01:20:20,400

and marines you know so kevin are these

2188

01:20:23,669 --> 01:20:21,840

like valleys

2189

01:20:26,149 --> 01:20:23,679

and marines are these hills and they're

2190

01:20:29,750 --> 01:20:26,159

they're formed by the like this glacial

2191

01:20:33,990 --> 01:20:32,790

it's it's a weird area and oh it is

2192

01:20:35,750 --> 01:20:34,000

has happened out there a lot of weird

2193

01:20:37,030 --> 01:20:35,760

stuff has been reported i know jay's

2194

01:20:39,910 --> 01:20:37,040

done a lot of work out there and of

2195

01:20:42,870 --> 01:20:39,920

course linda uh lyndon godfrey has done

2196

01:20:44,629 --> 01:20:42,880

a lot of work out there as well so yes

2197

01:20:46,790 --> 01:20:44,639

so folks you got more questions let us

2198

01:20:48,870 --> 01:20:46,800

know um yeah you're right i mean and

2199

01:20:50,550 --> 01:20:48,880

yeah i uh

2200

01:20:51,830 --> 01:20:50,560

and the fact that you had a possible

2201

01:20:54,070 --> 01:20:51,840

connection while you're out there really

2202

01:20:56,870 --> 01:20:54,080

doesn't surprise me actually

2203

01:21:01,750 --> 01:20:59,270

just real quick speaking of you know not

2204

01:21:04,149 --> 01:21:01,760

having to be at o'hare i mean that

2205

01:21:06,709 --> 01:21:04,159

possible uh uh sighting i had of

2206

01:21:09,110 --> 01:21:06,719

something uh observing me that was in

2207

01:21:11,270 --> 01:21:09,120

the middle of madison wisconsin which is

2208

01:21:13,590 --> 01:21:11,280

the second largest city in wisconsin

2209

01:21:16,709 --> 01:21:13,600

with like 300 000 people

2210

01:21:19,669 --> 01:21:16,719

um you know and and we live close to to

2211

01:21:21,189 --> 01:21:19,679

downtown so uh yeah i mean

2212

01:21:23,110 --> 01:21:21,199

there's no reason why it couldn't happen

2213

01:21:24,709 --> 01:21:23,120

anywhere well i think they're following

2214

01:21:26,550 --> 01:21:24,719

this i mean i think they are keeping an

2215

01:21:29,110 --> 01:21:26,560

eye on us for whatever reason i think

2216

01:21:31,350 --> 01:21:29,120

it's from what's going on very beginning

2217

01:21:33,590 --> 01:21:31,360

us getting involved you know it's always

2218

01:21:34,950 --> 01:21:33,600

been confusing to me even a bit

2219

01:21:37,189 --> 01:21:34,960

surprising

2220

01:21:40,550 --> 01:21:37,199

why have these sightings kind of fallen

2221

01:21:43,750 --> 01:21:42,229

you know who else is getting these

2222

01:21:45,510 --> 01:21:43,760

sightings they may be getting them but

2223

01:21:48,790 --> 01:21:45,520

they're not publishing them

2224

01:21:51,590 --> 01:21:48,800

but we're publishing 95 or more of these

2225

01:21:54,470 --> 01:21:51,600

well if not all of them

2226

01:21:57,669 --> 01:21:54,480

why is it just us getting these studies

2227

01:21:59,590 --> 01:21:57,679

you know i have had people ask that

2228

01:22:00,830 --> 01:21:59,600

you know and you know they say well are

2229

01:22:02,070 --> 01:22:00,840

you making this up or

2230

01:22:04,629 --> 01:22:02,080

[Music]

2231

01:22:06,790 --> 01:22:04,639

why are you guys getting the reports

2232

01:22:09,270 --> 01:22:06,800

well we're not the only people getting

2233

01:22:11,430 --> 01:22:09,280

them um

2234

01:22:13,350 --> 01:22:11,440

referred to me you know usually what

2235

01:22:15,350 --> 01:22:13,360

will happen is you know say well for

2236

01:22:16,950 --> 01:22:15,360

instance like my my friend uh jesse

2237

01:22:19,350 --> 01:22:16,960

durdell over at the

2238

01:22:20,550 --> 01:22:19,360

the national uh uh cryptid society you

2239

01:22:22,870 --> 01:22:20,560

know

2240

01:22:24,390 --> 01:22:22,880

he'll get a weird report like this or

2241

01:22:26,629 --> 01:22:24,400

adam benedict at the pine barrens

2242

01:22:28,470 --> 01:22:26,639

institute you know they'll get a weird

2243

01:22:30,709 --> 01:22:28,480

report of this winged humanoid and

2244

01:22:32,470 --> 01:22:30,719

they'll say oh hey you know like that's

2245

01:22:34,870 --> 01:22:32,480

tobias's thing like he's looking into

2246

01:22:35,830 --> 01:22:34,880

those i'll just send them i'll send them

2247

01:22:37,669 --> 01:22:35,840

his way

2248

01:22:39,350 --> 01:22:37,679

and so that's one way right there yeah

2249

01:22:41,430 --> 01:22:39,360

other organizations are getting these

2250

01:22:43,510 --> 01:22:41,440

reports it's not just us

2251

01:22:45,590 --> 01:22:43,520

and then you know and i'm sure you know

2252

01:22:47,669 --> 01:22:45,600

uh manuel can speak to this as well but

2253

01:22:50,229 --> 01:22:47,679

like the fact is

2254

01:22:52,229 --> 01:22:50,239

that there is such a thing as search

2255

01:22:53,750 --> 01:22:52,239

engine optimization there is such a

2256

01:22:56,070 --> 01:22:53,760

thing

2257

01:22:58,629 --> 01:22:56,080

it's seriously because when people have

2258

01:23:00,229 --> 01:22:58,639

these experiences what do they do

2259

01:23:02,950 --> 01:23:00,239

they don't call the police they don't

2260

01:23:05,350 --> 01:23:02,960

call the media they google it they go

2261

01:23:07,430 --> 01:23:05,360

onto the internet and they google it

2262

01:23:09,669 --> 01:23:07,440

and when they do they're gonna find one

2263

01:23:12,390 --> 01:23:09,679

of us now if they're in the chicago

2264

01:23:15,270 --> 01:23:12,400

market those google search returns are

2265

01:23:18,070 --> 01:23:15,280

going to favor manuel because he is

2266

01:23:19,910 --> 01:23:18,080

local to that market that is a fact if

2267

01:23:23,270 --> 01:23:19,920

you know anything about marketing that's

2268

01:23:25,350 --> 01:23:23,280

just how it works yeah and so of course

2269

01:23:28,149 --> 01:23:25,360

if somebody is local in that area

2270

01:23:29,750 --> 01:23:28,159

they're going to find him through google

2271

01:23:31,430 --> 01:23:29,760

or they're going to find me or they're

2272

01:23:33,669 --> 01:23:31,440

going to find you you know through a

2273

01:23:35,430 --> 01:23:33,679

podcast appearance a documentary

2274

01:23:37,430 --> 01:23:35,440

appearance i've had multiple people who

2275

01:23:39,270 --> 01:23:37,440

have reached out to me just from

2276

01:23:42,550 --> 01:23:39,280

appearing uh you know in in the small

2277

01:23:45,270 --> 01:23:42,560

town monster stock terror in the skies

2278

01:23:47,030 --> 01:23:45,280

and so at a certain point one when it

2279

01:23:48,709 --> 01:23:47,040

starts out and you're the only people

2280

01:23:51,350 --> 01:23:48,719

covering it

2281

01:23:53,430 --> 01:23:51,360

that kind of gives you a head start and

2282

01:23:55,350 --> 01:23:53,440

that's gonna help with your seo and

2283

01:23:57,590 --> 01:23:55,360

that's gonna lead more people to you and

2284

01:23:59,430 --> 01:23:57,600

then it just snowballs but we're not the

2285

01:24:01,510 --> 01:23:59,440

only people getting these like there are

2286

01:24:04,149 --> 01:24:01,520

reports going to other people not as

2287

01:24:04,950 --> 01:24:04,159

many for the reasons i just stated

2288

01:24:06,950 --> 01:24:04,960

but

2289

01:24:09,350 --> 01:24:06,960

they are and usually when they get them

2290

01:24:11,430 --> 01:24:09,360

they just send them our way or at least

2291

01:24:13,270 --> 01:24:11,440

that's been my experience yeah and that

2292

01:24:15,669 --> 01:24:13,280

is you are right and but i wanted to put

2293

01:24:17,030 --> 01:24:15,679

it out there so people who wonder why

2294

01:24:19,350 --> 01:24:17,040

the hell are you guys getting these

2295

01:24:22,390 --> 01:24:19,360

reports and nobody else well that is you

2296

01:24:25,590 --> 01:24:22,400

know there there is a way as to why it's

2297

01:24:27,110 --> 01:24:25,600

working like that and seo is a big part

2298

01:24:29,990 --> 01:24:27,120

of that oh yeah right

2299

01:24:32,470 --> 01:24:30,000

and also just like uh tobias says the

2300

01:24:34,470 --> 01:24:32,480

same thing we we post on multiple groups

2301

01:24:37,110 --> 01:24:34,480

that we belong to that are you know

2302

01:24:39,669 --> 01:24:37,120

fellow researchers that are or you know

2303

01:24:42,709 --> 01:24:39,679

paranormal podcasts that we keep up with

2304

01:24:44,950 --> 01:24:42,719

we post stuff um when the sightings were

2305

01:24:46,870 --> 01:24:44,960

happening all over uh

2306

01:24:48,870 --> 01:24:46,880

little village i was out there posting

2307

01:24:50,950 --> 01:24:48,880

you know flyers and and handing out

2308

01:24:52,550 --> 01:24:50,960

cards to people and i was getting a

2309

01:24:54,790 --> 01:24:52,560

bunch of hits off of that

2310

01:24:56,629 --> 01:24:54,800

we we use uh

2311

01:24:59,350 --> 01:24:56,639

you know the tools that are around us to

2312

01:25:00,950 --> 01:24:59,360

help us try to find these we also go out

2313

01:25:02,950 --> 01:25:00,960

and do our own research how many times

2314

01:25:04,790 --> 01:25:02,960

have we seen sightings that we've passed

2315

01:25:07,590 --> 01:25:04,800

on to the group that we see

2316

01:25:09,669 --> 01:25:07,600

on reddit or on twitter or on even on

2317

01:25:11,510 --> 01:25:09,679

the chat of one of our other podcasts

2318

01:25:13,510 --> 01:25:11,520

that we're listening to or

2319

01:25:15,830 --> 01:25:13,520

even a podcast where we're on somebody

2320

01:25:18,470 --> 01:25:15,840

says i saw something and we get we just

2321

01:25:21,030 --> 01:25:18,480

get hold of them and you know

2322

01:25:22,629 --> 01:25:21,040

go from there we we use the tools that

2323

01:25:24,870 --> 01:25:22,639

we have um

2324

01:25:27,270 --> 01:25:24,880

also one question i wanted to ask tobias

2325

01:25:29,030 --> 01:25:27,280

this um the kettle moraine does it they

2326

01:25:31,110 --> 01:25:29,040

also have like a lot of like first

2327

01:25:33,270 --> 01:25:31,120

nation like activity like where they're

2328

01:25:36,229 --> 01:25:33,280

like burial grounds or

2329

01:25:38,870 --> 01:25:36,239

ceremonial sites there

2330

01:25:40,390 --> 01:25:38,880

well that's a good question and i will

2331

01:25:41,990 --> 01:25:40,400

tell you honestly i've never heard of

2332

01:25:44,229 --> 01:25:42,000

anything like that

2333

01:25:45,750 --> 01:25:44,239

yeah i mean i i i don't know

2334

01:25:47,910 --> 01:25:45,760

specifically

2335

01:25:50,149 --> 01:25:47,920

uh about any

2336

01:25:53,110 --> 01:25:50,159

mounds i you know they're almost have to

2337

01:25:55,350 --> 01:25:53,120

be because they're they're all over the

2338

01:25:56,709 --> 01:25:55,360

the entire state unfortunately a lot of

2339

01:25:58,070 --> 01:25:56,719

them have been destroyed they wouldn't

2340

01:26:01,910 --> 01:25:58,080

have been destroyed if they exist in

2341

01:26:04,790 --> 01:26:01,920

that area um but you know you can't go

2342

01:26:06,870 --> 01:26:04,800

a dozen miles in wisconsin without you

2343

01:26:08,629 --> 01:26:06,880

know there being something like that or

2344

01:26:10,149 --> 01:26:08,639

at least at one time having been

2345

01:26:11,510 --> 01:26:10,159

something like that

2346

01:26:13,350 --> 01:26:11,520

um

2347

01:26:15,110 --> 01:26:13,360

and so it it

2348

01:26:18,709 --> 01:26:15,120

it wouldn't surprise me like i said

2349

01:26:20,950 --> 01:26:18,719

there's a lot of stuff like that up here

2350

01:26:24,629 --> 01:26:20,960

yeah i i you know and i have been

2351

01:26:26,470 --> 01:26:24,639

looking into that more recently and um

2352

01:26:29,990 --> 01:26:26,480

you know there there is a there is

2353

01:26:32,070 --> 01:26:30,000

actually a tri council of

2354

01:26:33,590 --> 01:26:32,080

first nations that are part of all that

2355

01:26:35,350 --> 01:26:33,600

up there in that area

2356

01:26:36,709 --> 01:26:35,360

uh particularly the ho-chunk or

2357

01:26:38,709 --> 01:26:36,719

winnebago

2358

01:26:41,270 --> 01:26:38,719

and um

2359

01:26:43,830 --> 01:26:41,280

i i kind of believe that they had the

2360

01:26:45,669 --> 01:26:43,840

they were the more dominating group in

2361

01:26:48,149 --> 01:26:45,679

southern wisconsin

2362

01:26:50,149 --> 01:26:48,159

so i but no i have not really heard a

2363

01:26:52,310 --> 01:26:50,159

whole lot about the kettle moran and

2364

01:26:54,709 --> 01:26:52,320

having any in disney's group activity

2365

01:26:55,750 --> 01:26:54,719

there but who knows you know

2366

01:26:58,950 --> 01:26:55,760

i mean they've been there a hell of a

2367

01:27:03,430 --> 01:27:01,350

that's exactly right so folks you got

2368

01:27:04,950 --> 01:27:03,440

questions uh we're gonna be on here for

2369

01:27:06,149 --> 01:27:04,960

another half hour so if you've got a

2370

01:27:08,709 --> 01:27:06,159

question

2371

01:27:10,790 --> 01:27:08,719

uh put it up in the chat and uh we'll

2372

01:27:13,270 --> 01:27:10,800

try to answer it for you

2373

01:27:16,149 --> 01:27:13,280

uh was it one of the unseen this is from

2374

01:27:18,870 --> 01:27:16,159

matthew one of the unseens or mothman

2375

01:27:21,910 --> 01:27:18,880

that manuel felt the energy of next to

2376

01:27:23,110 --> 01:27:21,920

him what do you think man well

2377

01:27:25,990 --> 01:27:23,120

honestly

2378

01:27:29,110 --> 01:27:26,000

um i believe it was i know it was one of

2379

01:27:31,189 --> 01:27:29,120

the unseens um it was not a mothman

2380

01:27:34,950 --> 01:27:31,199

um i honestly like we've discussed

2381

01:27:36,950 --> 01:27:34,960

before uh tonight um i feel these these

2382

01:27:39,030 --> 01:27:36,960

wing humanoids are the mothman they're

2383

01:27:41,430 --> 01:27:39,040

calling them now um

2384

01:27:42,950 --> 01:27:41,440

and just a side note that really started

2385

01:27:45,510 --> 01:27:42,960

to burn me because people are

2386

01:27:47,350 --> 01:27:45,520

associating this with um

2387

01:27:48,950 --> 01:27:47,360

um

2388

01:27:50,950 --> 01:27:48,960

point pleasant but

2389

01:27:53,350 --> 01:27:50,960

i digress um

2390

01:27:55,110 --> 01:27:53,360

it is i believe these things are what

2391

01:27:55,910 --> 01:27:55,120

we're seeing it's the unseen you know

2392

01:27:58,229 --> 01:27:55,920

the

2393

01:28:00,310 --> 01:27:58,239

unseen ones we're not uh

2394

01:28:03,189 --> 01:28:00,320

they're kind of one in the same they're

2395

01:28:05,669 --> 01:28:03,199

suicidal one of us the same coin so i

2396

01:28:08,629 --> 01:28:05,679

feel that it was one of the unseen

2397

01:28:10,470 --> 01:28:08,639

that i felt that night

2398

01:28:11,669 --> 01:28:10,480

yeah i mean if somebody told me that two

2399

01:28:13,189 --> 01:28:11,679

months ago i probably would have

2400

01:28:15,510 --> 01:28:13,199

questioned that

2401
01:28:17,510 --> 01:28:15,520
but uh you know i'm not questioning it

2402
01:28:20,310 --> 01:28:17,520
now i think that is true though

2403
01:28:23,270 --> 01:28:20,320
i think what we are getting is is what

2404
01:28:25,510 --> 01:28:23,280
you know are very closely associated not

2405
01:28:27,430 --> 01:28:25,520
the beings that

2406
01:28:29,830 --> 01:28:27,440
people are seeing out at the airport in

2407
01:28:31,830 --> 01:28:29,840
other places um

2408
01:28:33,830 --> 01:28:31,840
i mean that's just my that's just my

2409
01:28:35,430 --> 01:28:33,840
thoughts

2410
01:28:36,790 --> 01:28:35,440
but i think that may very well be the

2411
01:28:37,830 --> 01:28:36,800
case

2412
01:28:39,830 --> 01:28:37,840
uh

2413
01:28:44,550 --> 01:28:39,840

are you afraid to be in contact with

2414

01:28:46,550 --> 01:28:44,560

these entities that's from amy crew

2415

01:28:48,390 --> 01:28:46,560

well i don't know i mean you know it's

2416

01:28:50,950 --> 01:28:48,400

like anything else when you're you're

2417

01:28:53,669 --> 01:28:50,960

involved with the paranormal and you're

2418

01:28:55,750 --> 01:28:53,679

kind of going out of your realm and your

2419

01:28:57,750 --> 01:28:55,760

safety net

2420

01:29:00,390 --> 01:28:57,760

to say that you might run into something

2421

01:29:03,110 --> 01:29:00,400

that's not really

2422

01:29:05,270 --> 01:29:03,120

kosher i mean they have other they have

2423

01:29:07,110 --> 01:29:05,280

an agenda you know i've always said i i

2424

01:29:08,870 --> 01:29:07,120

even in my book

2425

01:29:11,510 --> 01:29:08,880

that i believe these beings do have an

2426

01:29:13,590 --> 01:29:11,520

agenda at some point um

2427

01:29:15,430 --> 01:29:13,600

is it a singularity thing where they

2428

01:29:17,110 --> 01:29:15,440

want to make us like them and vice versa

2429

01:29:18,390 --> 01:29:17,120

i don't know you know it may very well

2430

01:29:20,550 --> 01:29:18,400

be like that

2431

01:29:23,110 --> 01:29:20,560

but i i think with what we're getting

2432

01:29:24,470 --> 01:29:23,120

now out of o'hare i i think this is

2433

01:29:27,030 --> 01:29:24,480

positive

2434

01:29:29,110 --> 01:29:27,040

uh you know they wouldn't even had to

2435

01:29:31,669 --> 01:29:29,120

contact us at all and they could have

2436

01:29:33,750 --> 01:29:31,679

made it a lot more difficult

2437

01:29:35,030 --> 01:29:33,760

and uh but you know this is something

2438

01:29:36,870 --> 01:29:35,040

you know this is something we got to

2439

01:29:40,070 --> 01:29:36,880

continue to see what happens

2440

01:29:43,110 --> 01:29:40,080

if it looks like it's it's getting uh

2441

01:29:45,910 --> 01:29:43,120

malevolent or starting to come

2442

01:29:47,910 --> 01:29:45,920

an issue i'm sure we'll back off i mean

2443

01:29:49,910 --> 01:29:47,920

we'll find other means

2444

01:29:51,910 --> 01:29:49,920

uh but i think we're giving it being

2445

01:29:53,910 --> 01:29:51,920

given an opportunity here to at least

2446

01:29:55,189 --> 01:29:53,920

explore what this thing is of what these

2447

01:29:57,750 --> 01:29:55,199

things are

2448

01:29:59,110 --> 01:29:57,760

and uh you know i think we ought to go

2449

01:30:00,950 --> 01:29:59,120

with it i don't know how you guys feel

2450

01:30:03,510 --> 01:30:00,960

about that but you know

2451

01:30:07,270 --> 01:30:03,520

well i'll tell you uh in terms of being

2452

01:30:08,310 --> 01:30:07,280

afraid of any of this um i'm not you

2453

01:30:10,629 --> 01:30:08,320

know i

2454

01:30:13,669 --> 01:30:10,639

when i was a little kid and i first

2455

01:30:15,830 --> 01:30:13,679

started experiencing the the visitations

2456

01:30:17,750 --> 01:30:15,840

that uh that i had which have been

2457

01:30:20,390 --> 01:30:17,760

ongoing throughout my life

2458

01:30:22,310 --> 01:30:20,400

um and uh and seeing strange things

2459

01:30:24,070 --> 01:30:22,320

experiencing the paranormal i was

2460

01:30:26,470 --> 01:30:24,080

terrified i didn't want to go to bed at

2461

01:30:28,390 --> 01:30:26,480

night i tried to hide uh so i didn't

2462

01:30:30,149 --> 01:30:28,400

have to i would try to hide under my

2463

01:30:31,910 --> 01:30:30,159

blankets none of it helped

2464

01:30:35,430 --> 01:30:31,920

and at a certain point

2465

01:30:37,830 --> 01:30:35,440

uh by the time i was in my my late teens

2466

01:30:40,149 --> 01:30:37,840

really you know i had figured out that

2467

01:30:42,629 --> 01:30:40,159

if whatever this was wanted to hurt me

2468

01:30:43,510 --> 01:30:42,639

i'd be hurt i i would have been hurt by

2469

01:30:48,149 --> 01:30:43,520

that

2470

01:30:50,950 --> 01:30:48,159

amazingly adaptable and we can get used

2471

01:30:54,149 --> 01:30:50,960

to almost anything and and i've gotten

2472

01:30:56,070 --> 01:30:54,159

used to this you know so

2473

01:30:58,070 --> 01:30:56,080

i i get startled

2474

01:30:59,270 --> 01:30:58,080

because that's an involuntary response

2475

01:31:00,229 --> 01:30:59,280

and there's just nothing you can do

2476
01:31:02,629 --> 01:31:00,239
about it

2477
01:31:05,430 --> 01:31:02,639
um but you know in terms of actually

2478
01:31:06,310 --> 01:31:05,440
being afraid of this anymore i i'm just

2479
01:31:08,709 --> 01:31:06,320
not

2480
01:31:11,270 --> 01:31:08,719
i i don't think that there's anything

2481
01:31:13,350 --> 01:31:11,280
to be afraid of like once you make that

2482
01:31:16,149 --> 01:31:13,360
hurdle over

2483
01:31:17,750 --> 01:31:16,159
um the fact that all of this seems to

2484
01:31:19,830 --> 01:31:17,760
challenge everything we've been taught

2485
01:31:22,550 --> 01:31:19,840
our entire lives about how the world and

2486
01:31:24,790 --> 01:31:22,560
the universe works once once you kind of

2487
01:31:26,790 --> 01:31:24,800
get past that which i i didn't really

2488
01:31:29,030 --> 01:31:26,800

have much choice i had to

2489

01:31:32,229 --> 01:31:29,040

um then there really isn't anything to

2490

01:31:35,669 --> 01:31:32,239

to to be afraid of frankly

2491

01:31:38,229 --> 01:31:35,679

uh sir brian bowden says with zero

2492

01:31:39,830 --> 01:31:38,239

disrespect to you all and understanding

2493

01:31:42,550 --> 01:31:39,840

you have

2494

01:31:44,629 --> 01:31:42,560

a social reach why giving manifesto to

2495

01:31:46,390 --> 01:31:44,639

individuals who aren't in position get

2496

01:31:48,149 --> 01:31:46,400

anything done

2497

01:31:50,790 --> 01:31:48,159

well i mean that's an interesting

2498

01:31:53,430 --> 01:31:50,800

question but i mean why do you say we're

2499

01:31:55,270 --> 01:31:53,440

not in a position to get anything done

2500

01:31:58,229 --> 01:31:55,280

uh

2501

01:32:01,990 --> 01:31:58,239

we may very well be that that connection

2502

01:32:06,790 --> 01:32:04,629

i mean who's to say what

2503

01:32:09,790 --> 01:32:06,800

the the motivation is if you look at the

2504

01:32:12,709 --> 01:32:09,800

entire history of ufology and

2505

01:32:16,229 --> 01:32:12,719

cryptozoology and the the paranormal

2506

01:32:19,750 --> 01:32:16,239

it's not a history of of presidents

2507

01:32:22,870 --> 01:32:19,760

and and um you know politicians

2508

01:32:25,030 --> 01:32:22,880

and and and these these pillars of

2509

01:32:27,270 --> 01:32:25,040

society experiencing this

2510

01:32:29,350 --> 01:32:27,280

sometimes it is uh it's not usually

2511

01:32:31,510 --> 01:32:29,360

publicized until after they're they're

2512

01:32:34,709 --> 01:32:31,520

either out of power or dead

2513

01:32:37,110 --> 01:32:34,719

but that that isn't the history of this

2514

01:32:38,310 --> 01:32:37,120

this phenomenon or or these phenomena

2515

01:32:40,950 --> 01:32:38,320

rather

2516

01:32:43,750 --> 01:32:40,960

it's it's it's a history of

2517

01:32:45,350 --> 01:32:43,760

relatively normal people um and that

2518

01:32:47,430 --> 01:32:45,360

isn't to say that it it's not

2519

01:32:49,750 --> 01:32:47,440

exceptional people because everybody is

2520

01:32:51,590 --> 01:32:49,760

exceptional in their way but you know

2521

01:32:54,310 --> 01:32:51,600

nondescript people people that you

2522

01:32:57,510 --> 01:32:54,320

probably haven't heard of experiencing

2523

01:32:59,990 --> 01:32:57,520

these impossible events for whatever

2524

01:33:02,310 --> 01:33:00,000

reason you know it

2525

01:33:04,790 --> 01:33:02,320

whatever motivation there is behind this

2526

01:33:06,550 --> 01:33:04,800

if there is one specifically you know

2527

01:33:09,669 --> 01:33:06,560

targeting certain individuals to

2528

01:33:11,830 --> 01:33:09,679

experiences stuff i don't think that it

2529

01:33:14,070 --> 01:33:11,840

is anything that is supposed to make

2530

01:33:16,470 --> 01:33:14,080

sense to us because i don't know that

2531

01:33:18,229 --> 01:33:16,480

they care if it makes sense to us yeah

2532

01:33:20,149 --> 01:33:18,239

that may be you're right

2533

01:33:22,790 --> 01:33:20,159

yeah you're right

2534

01:33:24,950 --> 01:33:22,800

um got another question is jen your only

2535

01:33:27,270 --> 01:33:24,960

point of contact

2536

01:33:29,590 --> 01:33:27,280

to these beings can you get her on the

2537

01:33:31,430 --> 01:33:29,600

program well

2538

01:33:33,350 --> 01:33:31,440

jennifer is fairly new with the group i

2539

01:33:35,270 --> 01:33:33,360

mean i think she feels like she needs to

2540

01:33:38,550 --> 01:33:35,280

establish trust with the group first of

2541

01:33:41,189 --> 01:33:38,560

all though there has been it it has been

2542

01:33:43,350 --> 01:33:41,199

trust uh we communicate well

2543

01:33:45,430 --> 01:33:43,360

but uh no she's not the only point of

2544

01:33:47,350 --> 01:33:45,440

contact at this point i mean

2545

01:33:48,709 --> 01:33:47,360

it's all of us right now

2546

01:33:50,870 --> 01:33:48,719

uh you know

2547

01:33:52,550 --> 01:33:50,880

we are all having some type of contact

2548

01:33:54,870 --> 01:33:52,560

she's probably getting the most since

2549

01:33:56,950 --> 01:33:54,880

she's been involved with this the most

2550

01:34:00,629 --> 01:33:56,960

um

2551

01:34:03,830 --> 01:34:00,639

she's she's had contact in the same

2552

01:34:06,629 --> 01:34:03,840

in the same vein as david eckhart has to

2553

01:34:09,510 --> 01:34:06,639

a big to a large degree i mean um

2554

01:34:12,149 --> 01:34:09,520

some of the stuff that has come to her

2555

01:34:13,350 --> 01:34:12,159

uh over over time has been pretty

2556

01:34:15,430 --> 01:34:13,360

profound and

2557

01:34:16,629 --> 01:34:15,440

frankly quite scary

2558

01:34:19,430 --> 01:34:16,639

i mean she's

2559

01:34:22,310 --> 01:34:19,440

she's told me a lot of this and uh

2560

01:34:24,550 --> 01:34:22,320

quite for her to come forward just to me

2561

01:34:26,229 --> 01:34:24,560

i think took a lot of a lot of guts but

2562

01:34:29,110 --> 01:34:26,239

she's very gifted

2563

01:34:30,390 --> 01:34:29,120

and uh i think she will eventually come

2564

01:34:33,830 --> 01:34:30,400

out here

2565

01:34:35,510 --> 01:34:33,840

and and step forth and help us uh

2566

01:34:37,110 --> 01:34:35,520

as far as you know

2567

01:34:39,030 --> 01:34:37,120

presenting herself

2568

01:34:40,870 --> 01:34:39,040

to the public but it's gonna take some

2569

01:34:42,550 --> 01:34:40,880

time this is

2570

01:34:44,310 --> 01:34:42,560

you know she has been involved with some

2571

01:34:47,270 --> 01:34:44,320

things with the paranormal in the past

2572

01:34:49,270 --> 01:34:47,280

uh she's not well known and uh but she

2573

01:34:51,109 --> 01:34:49,280

does have some she does have some

2574

01:34:53,910 --> 01:34:51,119

gravitas as well

2575

01:34:55,189 --> 01:34:53,920

in some some production as far as the

2576

01:34:57,350 --> 01:34:55,199

paranormal

2577

01:34:58,870 --> 01:34:57,360

uh as for you know media and

2578

01:35:01,990 --> 01:34:58,880

entertainment

2579

01:35:03,270 --> 01:35:02,000

but you know i can understand how she

2580

01:35:04,550 --> 01:35:03,280

feels that

2581

01:35:07,189 --> 01:35:04,560

you know

2582

01:35:09,030 --> 01:35:07,199

she she has she has actually put herself

2583

01:35:11,510 --> 01:35:09,040

out there to us

2584

01:35:13,910 --> 01:35:11,520

and uh and it's just like when we have a

2585

01:35:15,910 --> 01:35:13,920

witness we don't want to put the person

2586

01:35:17,830 --> 01:35:15,920

in in jeopardy or just put them out

2587

01:35:19,750 --> 01:35:17,840

there and and just face the brunt of a

2588

01:35:22,709 --> 01:35:19,760

whole lot of questions i mean this is

2589

01:35:25,109 --> 01:35:22,719

this is spoon fed baby steps

2590

01:35:27,109 --> 01:35:25,119

uh yeah so that's what that's the way i

2591

01:35:30,709 --> 01:35:27,119

feel at this point what do you guys

2592

01:35:31,990 --> 01:35:30,719

think i agree and and going back to kind

2593

01:35:34,790 --> 01:35:32,000

of like what we were talking about

2594

01:35:37,910 --> 01:35:34,800

before uh with that great question that

2595

01:35:40,310 --> 01:35:37,920

was asked by the gentleman um

2596

01:35:41,430 --> 01:35:40,320

that had asked that sir brian bowden

2597

01:35:43,590 --> 01:35:41,440

um

2598

01:35:45,669 --> 01:35:43,600

i honestly think it's you know this is

2599

01:35:47,750 --> 01:35:45,679

just step one

2600

01:35:50,310 --> 01:35:47,760

you know this isn't a sprint this is a

2601
01:35:52,870 --> 01:35:50,320
marathon um

2602
01:35:55,189 --> 01:35:52,880
how do we not know that what this is not

2603
01:35:56,470 --> 01:35:55,199
just the beginning of the first domino

2604
01:35:58,550 --> 01:35:56,480
falling

2605
01:36:00,550 --> 01:35:58,560
you know the end result might not we

2606
01:36:01,990 --> 01:36:00,560
might not even be around for when the

2607
01:36:05,430 --> 01:36:02,000
result happens

2608
01:36:08,229 --> 01:36:05,440
um this is just you know

2609
01:36:09,270 --> 01:36:08,239
we're just a cog in one huge wheel

2610
01:36:10,550 --> 01:36:09,280
um

2611
01:36:12,470 --> 01:36:10,560
that's something that's gonna take

2612
01:36:15,430 --> 01:36:12,480
forever you know to

2613
01:36:18,149 --> 01:36:15,440

to get done maybe they it moves at a you

2614

01:36:20,709 --> 01:36:18,159

know tectonic pace um

2615

01:36:24,790 --> 01:36:20,719

it's the long haul um

2616

01:36:28,310 --> 01:36:24,800

as far as with jen i mean she is a great

2617

01:36:30,229 --> 01:36:28,320

asset to our team but and she you know

2618

01:36:31,109 --> 01:36:30,239

this is something that we want to ease

2619

01:36:33,830 --> 01:36:31,119

into

2620

01:36:36,470 --> 01:36:33,840

the last thing you want to do is

2621

01:36:39,430 --> 01:36:36,480

get yourself you know

2622

01:36:41,590 --> 01:36:39,440

go in with both feet first you know even

2623

01:36:44,229 --> 01:36:41,600

you know not be able to find the bottom

2624

01:36:46,149 --> 01:36:44,239

you know figure to be speaking but

2625

01:36:47,830 --> 01:36:46,159

um

2626

01:36:51,830 --> 01:36:47,840

it's something that i think it's gonna

2627

01:36:53,430 --> 01:36:51,840

take time it's gonna be built upon um

2628

01:36:56,629 --> 01:36:53,440

just like with anything you know with

2629

01:36:58,470 --> 01:36:56,639

science uh pseudoscience science it has

2630

01:37:00,470 --> 01:36:58,480

to start off first you know you start

2631

01:37:02,470 --> 01:37:00,480

off the theory even you know you go from

2632

01:37:04,470 --> 01:37:02,480

there uh you build up

2633

01:37:06,790 --> 01:37:04,480

this is i believe just

2634

01:37:09,109 --> 01:37:06,800

a baby step um

2635

01:37:11,270 --> 01:37:09,119

that's going to be built upon and it's

2636

01:37:12,070 --> 01:37:11,280

going to get refined and you know as we

2637

01:37:14,950 --> 01:37:12,080

learn

2638

01:37:17,030 --> 01:37:14,960

you know more we are going to uh you

2639

01:37:18,790 --> 01:37:17,040

know build upon that knowledge and then

2640

01:37:21,189 --> 01:37:18,800

those that come behind us will build

2641

01:37:23,350 --> 01:37:21,199

upon that knowledge and hopefully

2642

01:37:25,830 --> 01:37:23,360

help us you know you know be able to

2643

01:37:27,189 --> 01:37:25,840

understand maybe in the long term

2644

01:37:28,070 --> 01:37:27,199

right

2645

01:37:30,950 --> 01:37:28,080

well

2646

01:37:34,310 --> 01:37:30,960

you gotta add to that tobias

2647

01:37:36,550 --> 01:37:34,320

um you know i i think manuel uh summed

2648

01:37:38,229 --> 01:37:36,560

that up pretty pretty well you know i

2649

01:37:39,430 --> 01:37:38,239

mean i we can sit here and speculate

2650

01:37:41,109 --> 01:37:39,440

about the priorities of

2651

01:37:42,629 --> 01:37:41,119

ultra-terrestrials

2652

01:37:44,070 --> 01:37:42,639

i mean for the rest of the night and

2653

01:37:46,950 --> 01:37:44,080

we're not going to be any closer to

2654

01:37:49,750 --> 01:37:46,960

actually understanding them

2655

01:37:51,750 --> 01:37:49,760

you know i i think the idea of that

2656

01:37:55,030 --> 01:37:51,760

somehow they would

2657

01:37:56,870 --> 01:37:55,040

value the same things that

2658

01:37:58,149 --> 01:37:56,880

rsvp values

2659

01:38:00,390 --> 01:37:58,159

yeah

2660

01:38:03,189 --> 01:38:00,400

i mean it's it's for lack of a better

2661

01:38:05,830 --> 01:38:03,199

word it's a little narrow-minded i think

2662

01:38:08,629 --> 01:38:05,840

um because

2663

01:38:11,910 --> 01:38:08,639

with as alien as these things likely are

2664

01:38:13,510 --> 01:38:11,920

to to our way of being in our way of of

2665

01:38:16,070 --> 01:38:13,520

understanding i mean they probably have

2666

01:38:18,870 --> 01:38:16,080

a whole set of priorities that

2667

01:38:21,750 --> 01:38:18,880

that frankly we're in no position to to

2668

01:38:23,990 --> 01:38:21,760

understand at this point i mean um it

2669

01:38:27,510 --> 01:38:24,000

would take a real

2670

01:38:30,790 --> 01:38:27,520

uh uh shift i think in in uh our

2671

01:38:34,070 --> 01:38:30,800

perspective for us to to even be begin

2672

01:38:35,830 --> 01:38:34,080

to to understand these these things what

2673

01:38:40,070 --> 01:38:35,840

whatever they are frankly

2674

01:38:41,910 --> 01:38:40,080

and so i'm trying to ascribe motivations

2675

01:38:44,550 --> 01:38:41,920

and and uh

2676

01:38:46,550 --> 01:38:44,560

and understand why they're doing things

2677

01:38:48,310 --> 01:38:46,560

a certain way well

2678

01:38:50,629 --> 01:38:48,320

i mean

2679

01:38:52,070 --> 01:38:50,639

it's it's it's a fool's errand frankly

2680

01:38:54,629 --> 01:38:52,080

and uh

2681

01:38:55,510 --> 01:38:54,639

and sort of the best we can do

2682

01:39:00,229 --> 01:38:55,520

is

2683

01:39:03,669 --> 01:39:00,239

been happening

2684

01:39:06,070 --> 01:39:03,679

and uh and and understand it best we can

2685

01:39:07,910 --> 01:39:06,080

with the understanding that

2686

01:39:09,669 --> 01:39:07,920

it's an uphill battle and and we're

2687

01:39:12,629 --> 01:39:09,679

going to have to be

2688

01:39:14,550 --> 01:39:12,639

fighting for every little bit of of

2689

01:39:17,030 --> 01:39:14,560

understanding that we get

2690

01:39:18,950 --> 01:39:17,040

along the way um

2691

01:39:21,189 --> 01:39:18,960

and so like manuel said it's it's gonna

2692

01:39:23,510 --> 01:39:21,199

be slow and and who knows what what the

2693

01:39:24,870 --> 01:39:23,520

actual endgame is well for us it might

2694

01:39:27,189 --> 01:39:24,880

be understanding

2695

01:39:29,590 --> 01:39:27,199

or you know any potential ultra

2696

01:39:31,430 --> 01:39:29,600

terrestrials or other beings out there

2697

01:39:34,550 --> 01:39:31,440

uh who knows what what what their actual

2698

01:39:37,350 --> 01:39:34,560

endgame is um you know you can uh you

2699

01:39:39,830 --> 01:39:37,360

can trust them if you like

2700

01:39:41,189 --> 01:39:39,840

i would understand not frankly because

2701

01:39:42,709 --> 01:39:41,199

again who knows what the actual

2702

01:39:44,870 --> 01:39:42,719

motivation might be

2703

01:39:47,189 --> 01:39:44,880

um and so there are so many layers to

2704

01:39:49,669 --> 01:39:47,199

this you know in in terms of

2705

01:39:53,350 --> 01:39:49,679

uh what to trust who to trust

2706

01:39:55,510 --> 01:39:53,360

uh you know what any of it means that um

2707

01:39:58,390 --> 01:39:55,520

again you know uh we can we can only

2708

01:40:02,149 --> 01:39:58,400

speculate at this point

2709

01:40:04,229 --> 01:40:02,159

uh i i i saw an interesting two word

2710

01:40:06,629 --> 01:40:04,239

ques i guess it was a question but

2711

01:40:08,550 --> 01:40:06,639

i had to chuckle at it uh

2712

01:40:10,149 --> 01:40:08,560

foia o'hara

2713

01:40:11,669 --> 01:40:10,159

boy are those

2714

01:40:13,910 --> 01:40:11,679

are those two words that don't go

2715

01:40:17,990 --> 01:40:13,920

together

2716

01:40:22,310 --> 01:40:18,000

i keep i keep submitting foia requests

2717

01:40:26,950 --> 01:40:23,990

yeah

2718

01:40:30,390 --> 01:40:26,960

sending for your requested faa is kind

2719

01:40:31,910 --> 01:40:30,400

of like really pulling teeth out i mean

2720

01:40:34,390 --> 01:40:31,920

because you got you can't go right to

2721

01:40:37,669 --> 01:40:34,400

the airport you got to go through faa

2722

01:40:40,550 --> 01:40:37,679

great lakes i think it is

2723

01:40:42,950 --> 01:40:40,560

i this last time i actually went to uh

2724

01:40:45,030 --> 01:40:42,960

tsa and i i did

2725

01:40:48,229 --> 01:40:45,040

a request with them directly now i've

2726

01:40:50,070 --> 01:40:48,239

had you know some like success with uh

2727

01:40:52,629 --> 01:40:50,080

submitting foia requests to the faa

2728

01:40:55,030 --> 01:40:52,639

before but i mean that and really

2729

01:40:57,430 --> 01:40:55,040

success in that instance was just

2730

01:41:00,950 --> 01:40:57,440

getting a response and the most recent

2731

01:41:03,830 --> 01:41:00,960

one i had with the the faa was they said

2732

01:41:06,310 --> 01:41:03,840

that this was for a ufo sighting out in

2733

01:41:09,189 --> 01:41:06,320

new mexico and they said that

2734

01:41:11,830 --> 01:41:09,199

um they weren't allowed to or that they

2735

01:41:13,990 --> 01:41:11,840

wouldn't comment on anything like the

2736

01:41:16,229 --> 01:41:14,000

fbi was investigating or something so i

2737

01:41:18,070 --> 01:41:16,239

was like well i mean tell me there was a

2738

01:41:21,350 --> 01:41:18,080

ufo without actually telling me there

2739

01:41:24,070 --> 01:41:21,360

was a ufo i guess yeah that's just weird

2740

01:41:26,790 --> 01:41:24,080

um but yeah i mean i submitted a foia

2741

01:41:27,669 --> 01:41:26,800

request to uh to tsa directly about the

2742

01:41:29,669 --> 01:41:27,679

july

2743

01:41:31,189 --> 01:41:29,679

22nd sightings and i mean i haven't

2744

01:41:33,669 --> 01:41:31,199

heard anything back yet but those things

2745

01:41:35,430 --> 01:41:33,679

can take months yeah yeah

2746

01:41:37,189 --> 01:41:35,440

when i did i don't know how many weeks

2747

01:41:39,590 --> 01:41:37,199

it was but it was long enough where i

2748

01:41:41,030 --> 01:41:39,600

had well moved on and forgotten i had

2749

01:41:42,629 --> 01:41:41,040

actually they could put it on the slow

2750

01:41:43,830 --> 01:41:42,639

track pretty you know and they put on

2751

01:41:45,990 --> 01:41:43,840

this look like you're not gonna hear a

2752

01:41:48,070 --> 01:41:46,000

thing i hope you forget about i think

2753

01:41:51,189 --> 01:41:48,080

now there was a question here i thought

2754

01:41:53,189 --> 01:41:51,199

was interesting um

2755

01:41:55,350 --> 01:41:53,199

uh

2756

01:41:57,750 --> 01:41:55,360

nancy malcolm asked

2757

01:42:01,270 --> 01:41:57,760

will david at court participate in any

2758

01:42:02,310 --> 01:42:01,280

future meeting with uru

2759

01:42:04,629 --> 01:42:02,320

well

2760

01:42:06,390 --> 01:42:04,639

i guess that's up to them because they

2761

01:42:07,669 --> 01:42:06,400

didn't request david to be a part of

2762

01:42:09,189 --> 01:42:07,679

this

2763

01:42:10,470 --> 01:42:09,199

now i'm not saying that isn't going to

2764

01:42:13,189 --> 01:42:10,480

happen

2765

01:42:14,950 --> 01:42:13,199

i i do know and you know no disrespect

2766

01:42:16,790 --> 01:42:14,960

to david because david and i have worked

2767

01:42:18,870 --> 01:42:16,800

together for a long time they did not

2768

01:42:20,070 --> 01:42:18,880

request anything with him plus the

2769

01:42:22,310 --> 01:42:20,080

faction

2770

01:42:24,709 --> 01:42:22,320

that david has been encountering is a

2771

01:42:27,030 --> 01:42:24,719

different faction

2772

01:42:29,470 --> 01:42:27,040

from what i understand i mean you know

2773

01:42:31,430 --> 01:42:29,480

these aren't the same beings they may be

2774

01:42:34,470 --> 01:42:31,440

ultra-terrestrials but they're they're

2775

01:42:36,470 --> 01:42:34,480

of a different faction um

2776

01:42:38,149 --> 01:42:36,480

they're a bit more aggressive

2777

01:42:39,669 --> 01:42:38,159

by some of the things that have been

2778

01:42:42,709 --> 01:42:39,679

shown to me

2779

01:42:43,990 --> 01:42:42,719

by david and you know david actually has

2780

01:42:46,790 --> 01:42:44,000

a

2781

01:42:48,390 --> 01:42:46,800

film crew down there now

2782

01:42:49,350 --> 01:42:48,400

and have been down there for a month or

2783

01:42:51,750 --> 01:42:49,360

more

2784

01:42:53,830 --> 01:42:51,760

working on trying to document what's

2785

01:42:56,310 --> 01:42:53,840

been going on at his place especially

2786

01:42:58,629 --> 01:42:56,320

since the last year or so but but that

2787

01:43:00,070 --> 01:42:58,639

evolves as well i mean you know that

2788

01:43:01,590 --> 01:43:00,080

that's never a

2789

01:43:02,709 --> 01:43:01,600

set thing with him

2790

01:43:04,790 --> 01:43:02,719

uh

2791

01:43:06,550 --> 01:43:04,800

they seem to change up on the entities

2792

01:43:07,270 --> 01:43:06,560

that are coming in and out of there but

2793

01:43:09,030 --> 01:43:07,280

um

2794

01:43:11,030 --> 01:43:09,040

now i i don't see any connection with

2795

01:43:12,149 --> 01:43:11,040

david on this i mean david's part of our

2796

01:43:15,990 --> 01:43:12,159

group

2797

01:43:17,910 --> 01:43:16,000

uh i you know he is part of the 14 team

2798

01:43:20,070 --> 01:43:17,920

but at this point right now they have

2799

01:43:21,830 --> 01:43:20,080

not requested david to be a part of this

2800

01:43:23,830 --> 01:43:21,840

so uh

2801

01:43:26,390 --> 01:43:23,840

take it for water to work that's that's

2802

01:43:28,310 --> 01:43:26,400

all i can tell you

2803

01:43:41,109 --> 01:43:28,320

uh

2804

01:43:42,310 --> 01:43:41,119

are in contact are their auras visible

2805

01:43:50,550 --> 01:43:42,320

no

2806

01:43:53,750 --> 01:43:50,560

out there by i mean manuel

2807

01:43:56,070 --> 01:43:53,760

but i i had no sense and i can usually

2808

01:43:58,149 --> 01:43:56,080

see auras of entities

2809

01:44:00,790 --> 01:43:58,159

um

2810

01:44:02,870 --> 01:44:00,800

you know it wasn't an aura to say

2811

01:44:07,109 --> 01:44:02,880

something that could be visually seen it

2812

01:44:09,350 --> 01:44:07,119

was felt it was just energy so i cannot

2813

01:44:12,390 --> 01:44:09,360

say that you know i saw an aura

2814

01:44:14,229 --> 01:44:12,400

at best you saw shadows um

2815

01:44:15,510 --> 01:44:14,239

it wasn't uber was not going to make

2816

01:44:16,470 --> 01:44:15,520

himself known

2817

01:44:19,590 --> 01:44:16,480

and

2818

01:44:22,390 --> 01:44:19,600

even i was told that like going in

2819

01:44:23,510 --> 01:44:22,400

you know you're not gonna possibly get

2820

01:44:24,950 --> 01:44:23,520

uh

2821

01:44:26,709 --> 01:44:24,960

pictures it probably would never even

2822

01:44:29,189 --> 01:44:26,719

shown if i sat there with the camera in

2823

01:44:31,030 --> 01:44:29,199

my hands or well that's what we were

2824

01:44:34,950 --> 01:44:31,040

told yeah that's what we were told that

2825

01:44:36,870 --> 01:44:34,960

was a no-no at least for now so you know

2826

01:44:38,790 --> 01:44:36,880

that that's that's what that's that's

2827

01:44:39,830 --> 01:44:38,800

the answer we got i mean right now we

2828

01:44:43,669 --> 01:44:39,840

are

2829

01:44:45,510 --> 01:44:43,679

trust and um

2830

01:44:46,709 --> 01:44:45,520

like with any anything that you know

2831

01:44:48,629 --> 01:44:46,719

it's going to take a while they may

2832

01:44:49,990 --> 01:44:48,639

share themselves to us in a larger

2833

01:44:51,669 --> 01:44:50,000

extent but

2834

01:44:53,189 --> 01:44:51,679

i don't think now i mean they're more

2835

01:44:56,470 --> 01:44:53,199

intent on

2836

01:45:00,830 --> 01:44:59,189

show up show a shadow as opposed to

2837

01:45:04,149 --> 01:45:00,840

actually seeing something

2838

01:45:07,030 --> 01:45:04,159

so uh andrew bull any cave systems near

2839

01:45:09,430 --> 01:45:07,040

the airport not that i know i mean maybe

2840

01:45:13,830 --> 01:45:09,440

something man made in the airport itself

2841

01:45:17,910 --> 01:45:14,790

yeah

2842

01:45:19,189 --> 01:45:17,920

but as far as natural caves well first

2843

01:45:21,830 --> 01:45:19,199

of all i don't think they'd have built

2844

01:45:23,510 --> 01:45:21,840

the airport on top of caverns or caves

2845

01:45:25,109 --> 01:45:23,520

and stuff they probably filled it in if

2846

01:45:27,510 --> 01:45:25,119

anything was there

2847

01:45:28,790 --> 01:45:27,520

but uh i don't know you know

2848

01:45:30,470 --> 01:45:28,800

you you don't know what the whole

2849

01:45:31,990 --> 01:45:30,480

motivation is for that

2850

01:45:33,590 --> 01:45:32,000

it's kind of interesting when they build

2851

01:45:35,990 --> 01:45:33,600

airports where they pull them at i mean

2852

01:45:38,229 --> 01:45:36,000

i you know it does see most airports do

2853

01:45:40,470 --> 01:45:38,239

have issues

2854

01:45:42,070 --> 01:45:40,480

paranormal issues or some type of

2855

01:45:43,750 --> 01:45:42,080

unexplained issue

2856

01:45:45,669 --> 01:45:43,760

of course everybody knows about denver

2857

01:45:48,149 --> 01:45:45,679

and all the craziness that's going on

2858

01:45:49,990 --> 01:45:48,159

and been out there for years but you

2859

01:45:51,750 --> 01:45:50,000

know here has also had some strange

2860

01:45:52,550 --> 01:45:51,760

things happen over the years as well i

2861

01:45:56,149 --> 01:45:52,560

mean

2862

01:45:58,870 --> 01:45:56,159

you know let alone ufos and now

2863

01:46:01,109 --> 01:45:58,880

flying beings but yeah who knows and i

2864

01:46:03,270 --> 01:46:01,119

don't know if any um

2865

01:46:06,550 --> 01:46:03,280

rock formations had each with an index

2866

01:46:08,470 --> 01:46:06,560

like 100 200 miles of chicago that would

2867

01:46:09,430 --> 01:46:08,480

support cave systems

2868

01:46:11,430 --> 01:46:09,440

um

2869

01:46:13,510 --> 01:46:11,440

yeah well it would have to be

2870

01:46:15,590 --> 01:46:13,520

limestone especially

2871

01:46:16,550 --> 01:46:15,600

or some type of soft rock that could be

2872

01:46:19,669 --> 01:46:16,560

you know

2873

01:46:23,830 --> 01:46:22,229

weathered somehow but um

2874

01:46:26,390 --> 01:46:23,840

i don't i don't even know if the bedrock

2875

01:46:28,229 --> 01:46:26,400

system or what the bedrock formations

2876

01:46:30,550 --> 01:46:28,239

are in that area

2877

01:46:32,310 --> 01:46:30,560

most of it is like um

2878

01:46:34,390 --> 01:46:32,320

i mean i know a lot of it has to do with

2879

01:46:36,629 --> 01:46:34,400

the uh the glacial because that's how

2880

01:46:38,950 --> 01:46:36,639

the lakes performed they were the result

2881

01:46:40,950 --> 01:46:38,960

of being ripped apart by glaciers

2882

01:46:42,629 --> 01:46:40,960

but the closest

2883

01:46:44,229 --> 01:46:42,639

case systems i know of are like in

2884

01:46:46,709 --> 01:46:44,239

northern wisconsin

2885

01:46:48,870 --> 01:46:46,719

um and i know that there's some like in

2886

01:46:49,669 --> 01:46:48,880

kentucky tennessee

2887

01:46:51,510 --> 01:46:49,679

uh

2888

01:46:53,590 --> 01:46:51,520

those areas but as far as

2889

01:46:55,750 --> 01:46:53,600

cave systems in the area

2890

01:46:58,790 --> 01:46:55,760

i do not believe that there are any like

2891

01:47:02,950 --> 01:46:58,800

in chicago there are tunnels everywhere

2892

01:47:04,709 --> 01:47:02,960

uh o'hare uh chicago the area load alone

2893

01:47:07,590 --> 01:47:04,719

in chicago this is crisscrossed by

2894

01:47:09,669 --> 01:47:07,600

tunnels on top of tunnels

2895

01:47:11,189 --> 01:47:09,679

that are designed for everything doors

2896

01:47:13,669 --> 01:47:11,199

on the loop

2897

01:47:16,709 --> 01:47:13,679

of chicago has an actual rail system

2898

01:47:18,390 --> 01:47:16,719

underneath it uh that was in use right

2899

01:47:21,030 --> 01:47:18,400

up to about the 50s

2900

01:47:23,990 --> 01:47:21,040

that was used for the uh shops that were

2901

01:47:25,910 --> 01:47:24,000

in the area kind of like a small scale

2902

01:47:28,149 --> 01:47:25,920

tunnel uh or

2903

01:47:29,189 --> 01:47:28,159

rail system that was used and that was

2904

01:47:31,590 --> 01:47:29,199

uh

2905

01:47:33,830 --> 01:47:31,600

that was actually flooded out in the 80s

2906

01:47:35,510 --> 01:47:33,840

due to an accident um

2907

01:47:37,750 --> 01:47:35,520

and it's still as far as i know remains

2908

01:47:40,709 --> 01:47:37,760

still flooded but there are headways

2909

01:47:42,470 --> 01:47:40,719

entire headways underneath chicago

2910

01:47:44,550 --> 01:47:42,480

downtown chicago that are complete with

2911

01:47:45,510 --> 01:47:44,560

shops and restaurants

2912

01:47:47,510 --> 01:47:45,520

um

2913

01:47:48,950 --> 01:47:47,520

i used to work for a company that for me

2914

01:47:51,270 --> 01:47:48,960

to get to the train station i had to

2915

01:47:52,870 --> 01:47:51,280

take the pedway and their shops on both

2916

01:47:56,070 --> 01:47:52,880

sides uh

2917

01:47:57,830 --> 01:47:56,080

and this is all underground um o'hare is

2918

01:48:00,070 --> 01:47:57,840

littered um

2919

01:48:01,910 --> 01:48:00,080

with tunnels you see them coming in and

2920

01:48:02,870 --> 01:48:01,920

out of tunnels if you sit there long

2921

01:48:06,229 --> 01:48:02,880

enough

2922

01:48:08,149 --> 01:48:06,239

um so that's how they get back and forth

2923

01:48:10,310 --> 01:48:08,159

from one from the place

2924

01:48:12,470 --> 01:48:10,320

so but as far as cages there's none that

2925

01:48:15,669 --> 01:48:12,480

i know of

2926

01:48:17,750 --> 01:48:15,679

uh we have a question here from um

2927

01:48:19,830 --> 01:48:17,760

see how we are living are the airport

2928

01:48:26,229 --> 01:48:19,840

authorities hiding their knowledge

2929

01:48:28,709 --> 01:48:27,270

that's where we get back to the

2930

01:48:30,870 --> 01:48:28,719

four-year request that that you know

2931

01:48:31,910 --> 01:48:30,880

you're not going to get anything i mean

2932

01:48:33,510 --> 01:48:31,920

and of course they're going to have

2933

01:48:35,510 --> 01:48:33,520

cameras out there

2934

01:48:36,790 --> 01:48:35,520

oh yeah but like everybody else you're

2935

01:48:38,470 --> 01:48:36,800

not going to see anything they're not

2936

01:48:39,750 --> 01:48:38,480

going to show you anything and if they

2937

01:48:40,610 --> 01:48:39,760

do know anything they're not going to

2938

01:48:42,149 --> 01:48:40,620

tell you about it

2939

01:48:43,750 --> 01:48:42,159

[Music]

2940

01:48:46,629 --> 01:48:43,760

i mean they wouldn't be acting the way

2941

01:48:47,910 --> 01:48:46,639

they are now if there was uh if there

2942

01:48:50,470 --> 01:48:47,920

was any

2943

01:48:52,709 --> 01:48:50,480

hint of a cooperation

2944

01:48:53,590 --> 01:48:52,719

that just isn't happening

2945

01:48:55,030 --> 01:48:53,600

um

2946

01:48:57,109 --> 01:48:55,040

you know i i don't know really what

2947

01:48:58,790 --> 01:48:57,119

they're afraid of but then again you

2948

01:49:00,950 --> 01:48:58,800

know maybe they do know something we

2949

01:49:03,030 --> 01:49:00,960

don't know i don't know

2950

01:49:04,709 --> 01:49:03,040

yeah and there are cameras out there i

2951

01:49:07,109 --> 01:49:04,719

know for a fact i mean

2952

01:49:10,070 --> 01:49:07,119

just in that just remember o'hare has

2953

01:49:12,149 --> 01:49:10,080

like seven different cargo hubs in and

2954

01:49:14,070 --> 01:49:12,159

around the area the one where all the

2955

01:49:15,830 --> 01:49:14,080

sightings are happening it's just one of

2956

01:49:18,070 --> 01:49:15,840

maybe seven

2957

01:49:21,030 --> 01:49:18,080

they're scattered throughout the airport

2958

01:49:23,350 --> 01:49:21,040

um tobias took one sighting that was on

2959

01:49:25,990 --> 01:49:23,360

the northern part of the airport at one

2960

01:49:27,030 --> 01:49:26,000

of the at one of the cargo areas that's

2961

01:49:28,470 --> 01:49:27,040

actually the

2962

01:49:30,390 --> 01:49:28,480

near the um

2963

01:49:32,310 --> 01:49:30,400

chicago um

2964

01:49:33,669 --> 01:49:32,320

airport authority offices where that one

2965

01:49:34,709 --> 01:49:33,679

sighting happened

2966

01:49:37,030 --> 01:49:34,719

um

2967

01:49:39,430 --> 01:49:37,040

so yeah there's multiple hub areas and

2968

01:49:40,629 --> 01:49:39,440

these these things are moving billions

2969

01:49:43,430 --> 01:49:40,639

of dollars

2970

01:49:45,990 --> 01:49:43,440

of merchandise every day so yeah they're

2971

01:49:48,310 --> 01:49:46,000

from the time you're on the campus or on

2972

01:49:49,109 --> 01:49:48,320

airport grant you are on tv the whole

2973

01:49:51,589 --> 01:49:49,119

time

2974

01:49:53,669 --> 01:49:51,599

there if there's anything happening it's

2975

01:49:56,550 --> 01:49:53,679

gotta be on tv on one of these cameras

2976

01:49:59,030 --> 01:49:56,560

but yeah they're not gonna disclose this

2977

01:50:00,870 --> 01:49:59,040

out um

2978

01:50:02,629 --> 01:50:00,880

you can bet they're seeing something i

2979

01:50:05,030 --> 01:50:02,639

mean you know maybe that's what's

2980

01:50:07,589 --> 01:50:05,040

scaring them well look at the sighting

2981

01:50:08,709 --> 01:50:07,599

that happened over o'hare with the ufo

2982

01:50:11,589 --> 01:50:08,719

report

2983

01:50:13,189 --> 01:50:11,599

and that turned into a joke that wasn't

2984

01:50:14,229 --> 01:50:13,199

even uh

2985

01:50:16,550 --> 01:50:14,239

you know

2986

01:50:18,709 --> 01:50:16,560

you're telling me a a crap the size of

2987

01:50:21,430 --> 01:50:18,719

the terminal was hovering over the

2988

01:50:22,709 --> 01:50:21,440

entire airport seen by

2989

01:50:25,830 --> 01:50:22,719

everybody

2990

01:50:27,830 --> 01:50:25,840

um evident zoomed up and punched a hole

2991

01:50:29,589 --> 01:50:27,840

in the cloud and it becomes a running

2992

01:50:31,830 --> 01:50:29,599

joke i remember just watching the

2993

01:50:37,109 --> 01:50:31,840

reports on tv and they prefaced the

2994

01:50:40,310 --> 01:50:38,709

that was the kind of thing to do back in

2995

01:50:42,470 --> 01:50:40,320

the early 20s and

2996

01:50:44,790 --> 01:50:42,480

1990s you know get that theme from

2997

01:50:46,709 --> 01:50:44,800

x-files and just throw it on everything

2998

01:50:52,709 --> 01:50:46,719

yep you know

2999

01:50:56,390 --> 01:50:54,390

shadow people or

3000

01:50:57,910 --> 01:50:56,400

they're non-terrestrials as well but i

3001

01:50:59,910 --> 01:50:57,920

don't think there's any connection i

3002

01:51:01,669 --> 01:50:59,920

haven't i haven't heard anybody talk

3003

01:51:04,310 --> 01:51:01,679

about any shadows

3004

01:51:06,390 --> 01:51:04,320

or anything like that out there um i

3005

01:51:08,629 --> 01:51:06,400

mean it could be indirectly but i don't

3006

01:51:10,709 --> 01:51:08,639

know what do you think the boss

3007

01:51:12,310 --> 01:51:10,719

well you know it's it's interesting that

3008

01:51:16,390 --> 01:51:12,320

they mentioned that because i have

3009

01:51:19,589 --> 01:51:16,400

received reports of uh shadow people

3010

01:51:21,510 --> 01:51:19,599

in the same areas like with within the

3011

01:51:24,229 --> 01:51:21,520

the sighting areas of the larger

3012

01:51:25,510 --> 01:51:24,239

investigation not necessarily o'hare but

3013

01:51:26,629 --> 01:51:25,520

you know other places around lake

3014

01:51:29,430 --> 01:51:26,639

michigan

3015

01:51:31,910 --> 01:51:29,440

where people have reported this stuff um

3016

01:51:35,270 --> 01:51:31,920

you know i i spoke to uh to one lady

3017

01:51:37,910 --> 01:51:35,280

down in chicago who had who was followed

3018

01:51:40,470 --> 01:51:37,920

by some weird uh shadow person you know

3019

01:51:42,950 --> 01:51:40,480

while she was out one night uh another

3020

01:51:45,830 --> 01:51:42,960

guy in in uh indiana who said that that

3021

01:51:47,430 --> 01:51:45,840

he had seen this uh this morphing shadow

3022

01:51:50,229 --> 01:51:47,440

person that seemed

3023

01:51:51,669 --> 01:51:50,239

to like turn into a in an animal or vice

3024

01:51:52,870 --> 01:51:51,679

versa um

3025

01:51:55,830 --> 01:51:52,880

and so

3026

01:51:58,310 --> 01:51:55,840

much like ufo activity um reports of

3027

01:52:01,430 --> 01:51:58,320

other humanoids including you know uh

3028

01:52:04,149 --> 01:52:01,440

hairy humanoids like bigfoot or you know

3029

01:52:07,109 --> 01:52:04,159

mantis people or dog men or whatever you

3030

01:52:09,669 --> 01:52:07,119

do get reports of stuff like that in the

3031

01:52:11,750 --> 01:52:09,679

same sighting areas you know whether or

3032

01:52:14,070 --> 01:52:11,760

not that's related to the the winged

3033

01:52:15,669 --> 01:52:14,080

humanoid sightings i mean that's that's

3034

01:52:17,430 --> 01:52:15,679

up to

3035

01:52:19,589 --> 01:52:17,440

interpretation but

3036

01:52:23,510 --> 01:52:19,599

you know there's there's a geographic

3037

01:52:28,070 --> 01:52:25,430

um

3038

01:52:31,510 --> 01:52:28,080

vincent is asking any dreams tobias

3039

01:52:33,030 --> 01:52:31,520

manuel lawn i know he has he's mentioned

3040

01:52:34,070 --> 01:52:33,040

dreams to me

3041

01:52:36,149 --> 01:52:34,080

um

3042

01:52:38,550 --> 01:52:36,159

have you guys had any dreams i mean i

3043

01:52:40,870 --> 01:52:38,560

know manuel you believe you did after

3044

01:52:43,270 --> 01:52:40,880

after they had the encounter oh yeah

3045

01:52:46,070 --> 01:52:43,280

multiple times um

3046

01:52:47,750 --> 01:52:46,080

i've seen uh i've had dreams i've had

3047

01:52:50,310 --> 01:52:47,760

the one where i told you guys about

3048

01:52:53,589 --> 01:52:50,320

waking up seeing uh or in my dreams

3049

01:52:56,229 --> 01:52:53,599

seeing these shadows that were like

3050

01:52:58,709 --> 01:52:56,239

they were vaguely humanoid but they were

3051

01:53:00,229 --> 01:52:58,719

shifting they just had no form

3052

01:53:02,070 --> 01:53:00,239

and there were like three or four of

3053

01:53:04,149 --> 01:53:02,080

them in front of me and

3054

01:53:06,470 --> 01:53:04,159

but something was keeping them from

3055

01:53:08,310 --> 01:53:06,480

approaching me you know i

3056

01:53:10,390 --> 01:53:08,320

that's why i said you know that's the

3057

01:53:13,189 --> 01:53:10,400

time i felt that you know

3058

01:53:14,790 --> 01:53:13,199

maybe uber was around but

3059

01:53:15,750 --> 01:53:14,800

um

3060

01:53:19,030 --> 01:53:15,760

you know

3061

01:53:21,270 --> 01:53:19,040

i've had some very vivid dreams uh

3062

01:53:23,109 --> 01:53:21,280

and experiences since since this has

3063

01:53:26,070 --> 01:53:23,119

happened and and they've gotten a little

3064

01:53:27,109 --> 01:53:26,080

more intense but i know vincent has also

3065

01:53:29,189 --> 01:53:27,119

had some

3066

01:53:30,950 --> 01:53:29,199

pretty intense streams he talked about

3067

01:53:33,510 --> 01:53:30,960

him yeah um

3068

01:53:35,750 --> 01:53:33,520

and i think that it's all

3069

01:53:37,990 --> 01:53:35,760

part and parcel maybe with the you know

3070

01:53:41,350 --> 01:53:38,000

as you're expanding and awakening and

3071

01:53:43,510 --> 01:53:41,360

you're you're starting to explore you're

3072

01:53:46,070 --> 01:53:43,520

either sending off like a dinner bell to

3073

01:53:47,669 --> 01:53:46,080

something to to attract attention and we

3074

01:53:49,109 --> 01:53:47,679

were told you know you probably would

3075

01:53:49,910 --> 01:53:49,119

attract attention

3076
01:53:51,830 --> 01:53:49,920
but

3077
01:53:53,430 --> 01:53:51,840
it's also maybe seeing things that maybe

3078
01:53:54,950 --> 01:53:53,440
have been there the whole time and you

3079
01:53:59,910 --> 01:53:54,960
just weren't

3080
01:54:03,510 --> 01:54:00,870
well

3081
01:54:05,669 --> 01:54:03,520
guys i am going to wrap this up you know

3082
01:54:07,189 --> 01:54:05,679
we're going to do a follow-up no doubt

3083
01:54:09,669 --> 01:54:07,199
on this uh

3084
01:54:12,390 --> 01:54:09,679
tobias is earth is there another book in

3085
01:54:14,390 --> 01:54:12,400
it for us from this what do you think

3086
01:54:16,149 --> 01:54:14,400
i there seems to be an in an endless

3087
01:54:17,910 --> 01:54:16,159
stream you know if

3088
01:54:21,430 --> 01:54:17,920

if that's what people are interested

3089

01:54:23,589 --> 01:54:21,440

well you know it it is what it is i i i

3090

01:54:24,709 --> 01:54:23,599

remember mentioning this in uh in my

3091

01:54:27,589 --> 01:54:24,719

first book

3092

01:54:29,510 --> 01:54:27,599

the lake michigan mothman um

3093

01:54:32,390 --> 01:54:29,520

again like if if you're approaching this

3094

01:54:33,430 --> 01:54:32,400

stuff honestly um as much as people want

3095

01:54:35,270 --> 01:54:33,440

to have

3096

01:54:37,350 --> 01:54:35,280

these tidy narratives you know with the

3097

01:54:39,430 --> 01:54:37,360

beginning middle and end that's the

3098

01:54:40,229 --> 01:54:39,440

story that's the whole story here's the

3099

01:54:42,470 --> 01:54:40,239

book

3100

01:54:44,390 --> 01:54:42,480

let's just move on that's not how this

3101

01:54:47,430 --> 01:54:44,400

stuff works um

3102

01:54:50,550 --> 01:54:47,440

it it probably won't ever end frankly uh

3103

01:54:53,109 --> 01:54:50,560

much like manuel said uh when we're all

3104

01:54:54,629 --> 01:54:53,119

gone off of this earth people are

3105

01:54:56,550 --> 01:54:54,639

probably still gonna be seeing this

3106

01:55:00,149 --> 01:54:56,560

stuff reporting this stuff

3107

01:55:01,750 --> 01:55:00,159

um and so it it it never ends um and so

3108

01:55:02,709 --> 01:55:01,760

yeah there are uh

3109

01:55:04,390 --> 01:55:02,719

uh

3110

01:55:06,550 --> 01:55:04,400

there's endless source material

3111

01:55:09,109 --> 01:55:06,560

for anything you you you want to do with

3112

01:55:12,229 --> 01:55:09,119

it well you're right and uh with all

3113

01:55:14,790 --> 01:55:12,239

this new stuff coming now

3114

01:55:16,790 --> 01:55:14,800

you know if somebody asked me a couple

3115

01:55:18,629 --> 01:55:16,800

months ago are you planning on doing a

3116

01:55:21,270 --> 01:55:18,639

third book about

3117

01:55:22,470 --> 01:55:21,280

about o'hara and or about you know

3118

01:55:24,070 --> 01:55:22,480

chicago

3119

01:55:26,229 --> 01:55:24,080

i said

3120

01:55:29,030 --> 01:55:26,239

doubt it very much doubt it that's why

3121

01:55:31,109 --> 01:55:29,040

i'm doing this humanoid book now

3122

01:55:33,830 --> 01:55:31,119

but boy i'm telling you i mean the

3123

01:55:37,350 --> 01:55:33,840

fashion furiousness of this i may very

3124

01:55:39,109 --> 01:55:37,360

well have to reconsider that so um

3125

01:55:40,709 --> 01:55:39,119

maybe i have two books coming up soon

3126
01:55:41,750 --> 01:55:40,719
but who knows

3127
01:55:42,950 --> 01:55:41,760
we'll see

3128
01:55:45,109 --> 01:55:42,960
i don't know

3129
01:55:46,550 --> 01:55:45,119
but look guys i really appreciate you

3130
01:55:48,870 --> 01:55:46,560
coming on the night

3131
01:55:51,189 --> 01:55:48,880
i uh you know i know we're going to get

3132
01:55:53,189 --> 01:55:51,199
together on this again because this is

3133
01:55:55,030 --> 01:55:53,199
ongoing and uh

3134
01:55:57,510 --> 01:55:55,040
if you don't mind i'd really appreciate

3135
01:56:00,870 --> 01:55:57,520
you guys considering coming back on very

3136
01:56:04,070 --> 01:56:00,880
soon if need be and to talk about this

3137
01:56:06,870 --> 01:56:04,080
yeah anytime of course yeah

3138
01:56:09,030 --> 01:56:06,880

okay well thanks again and uh i know you

3139

01:56:14,310 --> 01:56:09,040

and i will be talking soon so you take

3140

01:56:17,669 --> 01:56:15,990

if you have an unexplained encounter or

3141

01:56:19,350 --> 01:56:17,679

something feel free to contact me

3142

01:56:20,390 --> 01:56:19,360

through the phantoms of monsters blog

3143

01:56:23,030 --> 01:56:20,400

site

3144

01:56:25,750 --> 01:56:23,040

i want to again thank manuel and tobias

3145

01:56:27,589 --> 01:56:25,760

for joining me this evening and um and

3146

01:56:29,350 --> 01:56:27,599

thanks each and all of you who for

3147

01:56:30,629 --> 01:56:29,360

watching and chatting i know this is an

3148

01:56:33,910 --> 01:56:30,639

extended

3149

01:56:35,750 --> 01:56:33,920

uh show might have got a little slow but

3150

01:56:37,589 --> 01:56:35,760

i hope you enjoyed it and if you made a

3151

01:56:38,950 --> 01:56:37,599

super chat donation it's truly

3152

01:56:41,189 --> 01:56:38,960

appreciated

3153

01:56:43,990 --> 01:56:41,199

uh your support is what makes this

3154

01:56:46,390 --> 01:56:44,000

possible so please like subscribe and

3155

01:56:48,629 --> 01:56:46,400

share now next week

3156

01:56:51,109 --> 01:56:48,639

our friend butch witkowski is going to

3157

01:56:53,030 --> 01:56:51,119

join me and we're going to be discussing

3158

01:56:55,589 --> 01:56:53,040

the overall

3159

01:56:59,109 --> 01:56:55,599

situation with the the pennsylvania

3160

01:57:00,950 --> 01:56:59,119

upright canines and dogmen so um

3161

01:57:02,709 --> 01:57:00,960

that should be interesting we had james

3162

01:57:04,229 --> 01:57:02,719

west on last week got a lot of good

3163

01:57:06,629 --> 01:57:04,239

response

3164

01:57:08,790 --> 01:57:06,639

and uh now butch and i are gonna go and

3165

01:57:10,390 --> 01:57:08,800

do an overview and and some of the

3166

01:57:12,629 --> 01:57:10,400

things that we see

3167

01:57:15,430 --> 01:57:12,639

that are are being reported and may

3168

01:57:16,550 --> 01:57:15,440

possibly be part of this phenomena in

3169

01:57:19,270 --> 01:57:16,560

the future

3170

01:57:30,310 --> 01:57:19,280

so until next week to stay healthy

3171

01:57:30,320 --> 01:57:42,940

[Music]

3172

01:57:42,950 --> 01:57:56,870

[Applause]

3173

01:57:56,880 --> 01:58:08,020

so
