PENNSYLVANIA UPRIGHT CANINE UPDATES with BUTCH WITKOWSKI

1
00:00:07,670 --> 00:00:05,030

[Music]

2
00:00:09,270 --> 00:00:07,680

the oldest and strongest human emotion

3
00:00:11,430 --> 00:00:09,280

is fear

4
00:00:12,470 --> 00:00:11,440

and the oldest and strongest type of

5
00:00:15,669 --> 00:00:12,480

fear

6
00:00:18,070 --> 00:00:15,679

is trepidation of the unknown

7
00:00:21,510 --> 00:00:18,080

when we were children our parents told

8
00:00:23,990 --> 00:00:21,520

us that monsters didn't exist

9
00:00:27,189 --> 00:00:24,000

but we were sure that something was

10
00:00:31,750 --> 00:00:27,199

lurking under the bed or in the closet

11
00:00:34,790 --> 00:00:31,760

fear sees even if our eyes are closed

12
00:00:37,030 --> 00:00:34,800

welcome to the realm of the arcane

13
00:00:39,350 --> 00:00:37,040

my name is lon strickler

14

00:00:40,549 --> 00:00:39,360

15

00:00:43,190 --> 00:00:40,559

creatures

16

00:00:45,510 --> 00:00:43,200

strange manifestations and remarkable

17

00:00:48,470 --> 00:00:45,520

realities

18

00:00:51,110 --> 00:00:48,480

imagine this next hour as a voyage of

19

00:00:53,670 --> 00:00:51,120

discovery to strange lands

20

00:00:55,189 --> 00:00:53,680

seeking not for new territory

21

00:00:56,630 --> 00:00:55,199

but for new knowledge of the

22

00:00:59,510 --> 00:00:56,640

supernatural

23

00:01:00,940 --> 00:00:59,520

come on board as we begin this adventure

24

00:01:04,070 --> 00:01:00,950

together

25

00:01:05,670 --> 00:01:04,080

[Music]

but tonight known each other for

53

00:02:05,990 --> 00:02:05,040

maybe too long

54

00:02:07,910 --> 00:02:06,000

uh

55

00:02:10,150 --> 00:02:07,920

we've been kind of going through a lot

56

00:02:12,710 --> 00:02:10,160

of things over the years between the

57

00:02:15,670 --> 00:02:12,720

todd sea's case and

58

00:02:17,190 --> 00:02:15,680

59

00:02:20,309 --> 00:02:17,200

00:02:31,110 --> 00:02:30,239

how you doing

66

00:02:32,869 --> 00:02:31,120

uh

67

00:02:35,190 --> 00:02:32,879

yeah pretty much same as always days

68

00:02:37,110 --> 00:02:35,200

confused you know

69

00:02:39,910 --> 00:02:37,120

well you know when you get over 70 you

70

00:02:41,589 --> 00:02:39,920

get that one now

71

00:02:43,670 --> 00:02:41,599

knock on wood my friend

72

00:02:45,910 --> 00:02:43,680

yeah oh

73

00:02:47,910 --> 00:02:45,920

well i ain't this week well this week's

74

00:02:50,630 --> 00:02:47,920

been busy for me we

75

00:02:52,949 --> 00:02:50,640

did an rv on saturday

76

00:02:54,869 --> 00:02:52,959

and i'm just been knocked out all week

77

00:02:56,390 --> 00:02:54,879

off and on off and on sleeping here

78

00:02:59,830 --> 00:02:56,400

sleeping there

79

00:03:00,869 --> 00:02:59,840

um you know but you get used to i guess

80

00:03:02,790 --> 00:03:00,879

um

81

00:03:04,390 --> 00:03:02,800

but anyway we're here to talk about dog

82

00:03:06,390 --> 00:03:04,400

dogman

83

00:03:09,509 --> 00:03:06,400

in pennsylvania

84

00:03:12,470 --> 00:03:09,519

uh we now we did have we did have an

85

00:03:15,350 --> 00:03:12,480

update on a case

86

00:03:18,309 --> 00:03:15,360

oh god when was it that was

87

00:03:20,229 --> 00:03:18,319

uh i got the call back in uh april

88

00:03:23,110 --> 00:03:20,239

actually

89

00:03:26,149 --> 00:03:23,120

this was uh up in pottstown pennsylvania

90

00:03:28,630 --> 00:03:26,159

where reza and her friends

91

00:03:31,270 --> 00:03:28,640

have had uh some sightings of strange

92

00:03:32,869 --> 00:03:31,280

encounters with uh k-9 cryptids in the

93

00:03:35,830 --> 00:03:32,879

area

94

00:03:42,070 --> 00:03:38,710

actually these sightings

95

00:03:43,830 --> 00:03:42,080

for the most part were along route 422

96

00:03:45,190 --> 00:03:43,840

which is an area you're very familiar

97

00:03:47,990 --> 00:03:45,200

with because it's not really that far

98

00:03:49,270 --> 00:03:48,000

from yeah two blocks away yeah

99

00:03:51,509 --> 00:03:49,280

and uh

100

00:03:53,190 --> 00:03:51,519

people don't know where that is it's

101
00:03:56,149 --> 00:03:53,200
about um

102
00:03:59,509 --> 00:03:56,159
i guess about a half hour from valley

103
00:04:02,710 --> 00:03:59,519
forge just hour west of philadelphia

104
00:04:04,869 --> 00:04:02,720
and uh it's um

105
00:04:06,309 --> 00:04:04,879
it's it's near potts down pennsylvania

106
00:04:09,030 --> 00:04:06,319
but

107
00:04:10,550 --> 00:04:09,040
for whatever reason

108
00:04:13,110 --> 00:04:10,560
there is there have been several

109
00:04:15,429 --> 00:04:13,120
sightings of these upright canines on

110
00:04:17,189 --> 00:04:15,439
the medium of 4 4

111
00:04:19,270 --> 00:04:17,199
22

112
00:04:21,830 --> 00:04:19,280
at night

113
00:04:23,350 --> 00:04:21,840

by witnesses and i know to these two of

114

00:04:26,310 --> 00:04:23,360

them

115

00:04:27,350 --> 00:04:26,320

but uh yeah uh what do you make of that

116

00:04:29,510 --> 00:04:27,360

butch

117

00:04:31,189 --> 00:04:29,520

well

118

00:04:33,909 --> 00:04:31,199

recently and i'm gonna i'm gonna go back

119

00:04:35,270 --> 00:04:33,919

about six months that we've had

120

00:04:37,430 --> 00:04:35,280

reports of

121

00:04:39,909 --> 00:04:37,440

uh rakes

122

00:04:42,870 --> 00:04:39,919

in uh state parks which we

123

00:04:45,749 --> 00:04:42,880

have been set up with cam camera traps

124

00:04:47,909 --> 00:04:45,759

for like going on three months now

125

00:04:50,550 --> 00:04:47,919

uh we've had some strange shadows walk

126

00:04:52,230 --> 00:04:50,560

between uh camera traps

127

00:04:53,670 --> 00:04:52,240

uh they're dead whatever it is it's

128

00:04:54,550 --> 00:04:53,680

definitely bipedal

129

00:04:56,469 --> 00:04:54,560

uh

130

00:04:58,870 --> 00:04:56,479

but it's just so blurry

131

00:05:00,550 --> 00:04:58,880

and that area at the state park is just

132

00:05:02,629 --> 00:05:00,560

so dense

133

00:05:03,749 --> 00:05:02,639

uh it's like most of the state parks in

134

00:05:05,110 --> 00:05:03,759

the state

135

00:05:06,870 --> 00:05:05,120

um

136

00:05:09,350 --> 00:05:06,880

but the

137

00:05:11,830 --> 00:05:09,360

the talking with the

138

00:05:14,550 --> 00:05:11,840

local police down there

139

00:05:16,310 --> 00:05:14,560

about past reports they've had past

140

00:05:18,790 --> 00:05:16,320

reports of

141

00:05:22,629 --> 00:05:20,710

they just say creature but when they

142

00:05:25,670 --> 00:05:22,639

describe it it's basically along the

143

00:05:26,469 --> 00:05:25,680

lines of us of of us of a rake

144

00:05:27,270 --> 00:05:26,479

and

145

00:05:32,390 --> 00:05:27,280

uh

146

00:05:35,909 --> 00:05:32,400

definitely they described it as a large

147

00:05:37,749 --> 00:05:35,919

uh large wolf bipedal and uh that was

148

00:05:40,469 --> 00:05:37,759

shot at i did get to talk to the

149

00:05:41,830 --> 00:05:40,479

gentleman that did the shooting

150

00:05:42,950 --> 00:05:41,840

now um

151
00:05:44,710 --> 00:05:42,960
he said

152
00:05:46,469 --> 00:05:44,720
you know everybody

153
00:05:48,150 --> 00:05:46,479
that i've ever talked to about this

154
00:05:50,230 --> 00:05:48,160
always thinks like

155
00:05:52,070 --> 00:05:50,240
this shot was like out my back door into

156
00:05:54,629 --> 00:05:52,080
my backyard he says no it was actually

157
00:05:57,029 --> 00:05:54,639
across the cornfield and he said did i

158
00:05:58,390 --> 00:05:57,039
hit it i have no idea all i know is he

159
00:05:59,430 --> 00:05:58,400
said after i pulled the trigger the shot

160
00:06:00,629 --> 00:05:59,440
went off

161
00:06:03,110 --> 00:06:00,639
it went

162
00:06:04,710 --> 00:06:03,120
gone it was just gone

163
00:06:06,790 --> 00:06:04,720

now

164

00:06:08,870 --> 00:06:06,800

he had one other incident that he wanted

165

00:06:10,710 --> 00:06:08,880

to talk about but he said i don't even

166

00:06:12,230 --> 00:06:10,720

know if it's worth talking about and of

167

00:06:13,749 --> 00:06:12,240

course when you know me i'm like yeah

168

00:06:19,110 --> 00:06:13,759

talk about it

169

00:06:22,309 --> 00:06:20,550

my back porch

170

00:06:24,070 --> 00:06:22,319

he said which you can see he said isn't

171

00:06:25,670 --> 00:06:24,080

very big he said but the one alongside

172

00:06:27,909 --> 00:06:25,680

the house is so he said i usually walk

173

00:06:29,350 --> 00:06:27,919

my dog back and forth on that porch and

174

00:06:30,230 --> 00:06:29,360

he said that porch leads to another

175

00:06:31,510 --> 00:06:30,240

field

176
00:06:33,350 --> 00:06:31,520
so he said when you look over the other

177
00:06:35,430 --> 00:06:33,360
field

178
00:06:37,510 --> 00:06:35,440
he said and i'm just gonna say i can

179
00:06:39,189 --> 00:06:37,520
swear that what i saw is what i saw what

180
00:06:41,350 --> 00:06:39,199
i saw i don't know what i saw but here's

181
00:06:43,990 --> 00:06:41,360
what i saw oh okay

182
00:06:47,189 --> 00:06:44,000
and he said it was very tall

183
00:06:49,990 --> 00:06:47,199
he said eight ten foot easy no problem

184
00:06:51,270 --> 00:06:50,000
he said i'm 6'4 and he said it towered

185
00:06:52,710 --> 00:06:51,280
over me

186
00:06:54,550 --> 00:06:52,720
and he said i know that because there's

187
00:06:56,150 --> 00:06:54,560
a gate there and i put that gate up and

188
00:06:57,749 --> 00:06:56,160

i know how tall the gate is and it had

189

00:06:59,350 --> 00:06:57,759

to put its head down

190

00:07:01,029 --> 00:06:59,360

to get under the gate

191

00:07:02,950 --> 00:07:01,039

and i said well if it had to put its

192

00:07:03,749 --> 00:07:02,960

head down it wasn't

193

00:07:06,309 --> 00:07:03,759

uh

194

00:07:07,670 --> 00:07:06,319

something that wasn't there i mean

195

00:07:08,629 --> 00:07:07,680

it had to put its head down so if it

196

00:07:09,990 --> 00:07:08,639

would have walked forward it would have

197

00:07:12,390 --> 00:07:10,000

hit himself in the head

198

00:07:14,150 --> 00:07:12,400

and he said yeah but he said

199

00:07:16,790 --> 00:07:14,160

i thought about going in and grabbing a

200

00:07:19,830 --> 00:07:16,800

gun he said but there was

201
00:07:22,309 --> 00:07:19,840
five steps which were very large

202
00:07:23,909 --> 00:07:22,319
uh and it jumped over a small drainage

203
00:07:24,790 --> 00:07:23,919
ditch there which is about four foot

204
00:07:26,710 --> 00:07:24,800
wide

205
00:07:28,469 --> 00:07:26,720
and into the trees he said that's lazy

206
00:07:31,510 --> 00:07:28,479
sullivan so when i asked him when that

207
00:07:32,870 --> 00:07:31,520
took place

208
00:07:34,150 --> 00:07:32,880
one you know he kind of he hauled around

209
00:07:35,830 --> 00:07:34,160
a little bit

210
00:07:38,309 --> 00:07:35,840
and then he said well

211
00:07:40,070 --> 00:07:38,319
he said it actually took place after i

212
00:07:42,629 --> 00:07:40,080
shot at the other one

213
00:07:44,950 --> 00:07:42,639

and i said okay so either shot at

214

00:07:47,110 --> 00:07:44,960

another one or it's the same one

215

00:07:48,230 --> 00:07:47,120

he said well yeah that's kind of what i

216

00:07:50,150 --> 00:07:48,240

figured too

217

00:07:51,670 --> 00:07:50,160

he said he did talk to the gamers about

218

00:07:53,830 --> 00:07:51,680

it he talked to the

219

00:07:55,029 --> 00:07:53,840

park rangers about it they got took the

220

00:07:56,710 --> 00:07:55,039

report

221

00:07:59,029 --> 00:07:56,720

uh they were nice enough to share it and

222

00:08:02,150 --> 00:07:59,039

you know the story didn't change at all

223

00:08:04,950 --> 00:08:02,160

so um i got his permission to put two

224

00:08:07,110 --> 00:08:04,960

camera traps up at his place one goes

225

00:08:08,950 --> 00:08:07,120

out the back door where he has seen both

226

00:08:10,469 --> 00:08:08,960

both visitations

227

00:08:13,990 --> 00:08:10,479

one hits the field

228

00:08:15,990 --> 00:08:14,000

and the other one uh uh hits the uh

229

00:08:17,830 --> 00:08:16,000

from the side porch

230

00:08:19,990 --> 00:08:17,840

out to an open field now he doesn't grow

231

00:08:22,230 --> 00:08:20,000

anything it was a farm he's retired he

232

00:08:24,710 --> 00:08:22,240

said he doesn't farm anymore so he just

233

00:08:26,230 --> 00:08:24,720

cuts grass so it's a nice grassy open

234

00:08:27,430 --> 00:08:26,240

field

235

00:08:29,189 --> 00:08:27,440

and uh

236

00:08:31,189 --> 00:08:29,199

i said if you

237

00:08:33,589 --> 00:08:31,199

wouldn't mind if you look on the side of

238

00:08:35,589 --> 00:08:33,599

those cameras and i showed him i said if

239

00:08:37,190 --> 00:08:35,599

you push this button it'll show you how

240

00:08:39,269 --> 00:08:37,200

many pictures were taken

241

00:08:42,550 --> 00:08:39,279

this will these will only take a picture

242

00:08:44,389 --> 00:08:42,560

when somebody walks within 100 yards

243

00:08:45,910 --> 00:08:44,399

i said do you think it was in one within

244

00:08:47,910 --> 00:08:45,920

100 yards or do i have to move him up

245

00:08:49,990 --> 00:08:47,920

further he said no no no he said

246

00:08:51,750 --> 00:08:50,000

25 30 yards maybe

247

00:08:54,310 --> 00:08:51,760

i said okay so

248

00:08:56,949 --> 00:08:54,320

that that one and then uh there's

249

00:09:00,070 --> 00:08:56,959

another one that i've been working on

250

00:09:01,269 --> 00:09:00,080

now that's up in susquehanna county

251
00:09:03,110 --> 00:09:01,279
and

252
00:09:04,389 --> 00:09:03,120
i'm getting it so piecemeal it's making

253
00:09:05,990 --> 00:09:04,399
me crazy

254
00:09:07,829 --> 00:09:06,000
you know i'm getting a little to this a

255
00:09:09,750 --> 00:09:07,839
little of that and remember this and

256
00:09:12,150 --> 00:09:09,760
then i have to get a hold of my buddy to

257
00:09:15,509 --> 00:09:12,160
find out what he remembers seeing it

258
00:09:17,269 --> 00:09:15,519
took place about five years ago

259
00:09:19,269 --> 00:09:17,279
and

260
00:09:21,110 --> 00:09:19,279
these guys are in their early 20s

261
00:09:23,829 --> 00:09:21,120
and up goofing around by the mines with

262
00:09:25,430 --> 00:09:23,839
motorcycles you know dirt bikes

263
00:09:27,509 --> 00:09:25,440

and

264

00:09:29,590 --> 00:09:27,519

they'd stop take a break

265

00:09:31,670 --> 00:09:29,600

drink a beer of course they had beer

266

00:09:32,870 --> 00:09:31,680

and he said

267

00:09:35,670 --> 00:09:32,880

they were looking at one of the old

268

00:09:38,870 --> 00:09:35,680

mines which is pretty much all closed up

269

00:09:40,949 --> 00:09:38,880

except on the one side

270

00:09:42,630 --> 00:09:40,959

where the car is unloaded he said you

271

00:09:44,710 --> 00:09:42,640

can see there's a there's an opening so

272

00:09:46,790 --> 00:09:44,720

it's about four foot wide maybe six

273

00:09:48,790 --> 00:09:46,800

seven foot tall he said that was

274

00:09:51,430 --> 00:09:48,800

actually one into an office which is not

275

00:09:53,670 --> 00:09:51,440

there anymore and uh that's where the

276

00:09:54,949 --> 00:09:53,680

guy's going to get paid or clock in or

277

00:09:58,389 --> 00:09:54,959

whatever

278

00:10:00,070 --> 00:09:58,399

and he said standing in the doorway

279

00:10:01,430 --> 00:10:00,080

he said i've looked at your website i've

280

00:10:03,430 --> 00:10:01,440

seen that picture

281

00:10:05,190 --> 00:10:03,440

of your bipedal canine

282

00:10:07,750 --> 00:10:05,200

he said that was it

283

00:10:09,670 --> 00:10:07,760

he said no doubt about it no question

284

00:10:11,110 --> 00:10:09,680

he said i'll never go back here again i

285

00:10:12,710 --> 00:10:11,120

said well how about if i come up and go

286

00:10:14,310 --> 00:10:12,720

with he says no

287

00:10:16,630 --> 00:10:14,320

i ain't going anywhere i'm not going

288

00:10:19,670 --> 00:10:16,640

back there whether you or anybody else

289

00:10:21,829 --> 00:10:19,680

comes there's something in that cave

290

00:10:24,470 --> 00:10:21,839

or in that mine and he says i don't want

291

00:10:25,509 --> 00:10:24,480

any parts of it and i said

292

00:10:26,949 --> 00:10:25,519

okay

293

00:10:30,829 --> 00:10:26,959

so

294

00:10:33,829 --> 00:10:32,389

snooker

295

00:10:35,509 --> 00:10:33,839

beg pleaded

296

00:10:38,550 --> 00:10:35,519

for one of my guys to go up there and

297

00:10:40,230 --> 00:10:38,560

take pictures of it of of the entrance

298

00:10:41,509 --> 00:10:40,240

now he said there's it's a big parking

299

00:10:43,430 --> 00:10:41,519

lot before that so he said there's no

300

00:10:45,110 --> 00:10:43,440

place to put a camera he said there's a

301
00:10:46,310 --> 00:10:45,120
fence there the fence is wide open

302
00:10:48,310 --> 00:10:46,320
anybody sees that camera it's going to

303
00:10:50,790 --> 00:10:48,320
be gone in a second

304
00:10:54,710 --> 00:10:53,190
he's going to go by um

305
00:10:55,910 --> 00:10:54,720
and

306
00:10:57,590 --> 00:10:55,920
do a little nosing around he's not

307
00:10:58,630 --> 00:10:57,600
afraid of the minds his dad was a minor

308
00:11:00,310 --> 00:10:58,640
for years

309
00:11:01,670 --> 00:11:00,320
so he's going to look around and i said

310
00:11:03,269 --> 00:11:01,680
well if you're looking around look for

311
00:11:04,949 --> 00:11:03,279
footprints

312
00:11:05,829 --> 00:11:04,959
look for anything that shouldn't be

313
00:11:07,990 --> 00:11:05,839

there

314

00:11:10,470 --> 00:11:08,000

that's what you want to look for

315

00:11:11,590 --> 00:11:10,480

so he said anything else i said when

316

00:11:13,829 --> 00:11:11,600

you're done

317

00:11:15,269 --> 00:11:13,839

i said i told you about the brown flower

318

00:11:17,990 --> 00:11:15,279

correct

319

00:11:19,590 --> 00:11:18,000

he said uh yeah i remember that i said

320

00:11:22,069 --> 00:11:19,600

okay he said i said get yourself five

321

00:11:23,190 --> 00:11:22,079

pounds of brown flour rye flour brown

322

00:11:25,430 --> 00:11:23,200

flour

323

00:11:27,350 --> 00:11:25,440

and i said as you leave sprinkle that in

324

00:11:29,030 --> 00:11:27,360

the area that you can stick your head in

325

00:11:30,389 --> 00:11:29,040

that door and see if anybody's been or

326

00:11:32,870 --> 00:11:30,399

anything has been reaching around in

327

00:11:34,870 --> 00:11:32,880

there i said there'll be a print

328

00:11:37,110 --> 00:11:34,880

i says is it dry he said yeah it's dry

329

00:11:38,630 --> 00:11:37,120

it's just no wet in there i said okay

330

00:11:40,790 --> 00:11:38,640

so we're going to try that see how that

331

00:11:41,910 --> 00:11:40,800

works out but

332

00:11:43,350 --> 00:11:41,920

i'm not real happy about putting the

333

00:11:44,470 --> 00:11:43,360

camera up there because he said you know

334

00:11:46,310 --> 00:11:44,480

it's going to be on a fence and you're

335

00:11:47,670 --> 00:11:46,320

going to see it as you come up the drive

336

00:11:49,190 --> 00:11:47,680

and he said you know somebody's going to

337

00:11:50,870 --> 00:11:49,200

steal it sure

338

00:11:51,670 --> 00:11:50,880

i said all right so we'll try it that

339

00:11:52,949 --> 00:11:51,680

way

340

00:11:54,629 --> 00:11:52,959

and then there's one other place we want

341

00:11:56,230 --> 00:11:54,639

to try where we've had a couple reports

342

00:11:58,629 --> 00:11:56,240

but they go back a couple years but

343

00:12:00,550 --> 00:11:58,639

they're still pretty much wide open

344

00:12:01,829 --> 00:12:00,560

i mean i did look into them years ago

345

00:12:03,910 --> 00:12:01,839

but it's

346

00:12:06,870 --> 00:12:03,920

it's just about when we started with

347

00:12:10,069 --> 00:12:06,880

clearfield when we got the first reports

348

00:12:12,470 --> 00:12:10,079

and um

349

00:12:13,990 --> 00:12:12,480

up above up above harrisburg where the

350

00:12:17,030 --> 00:12:14,000

uh well

351

00:12:19,110 --> 00:12:17,040

harrisburg be closer to

352

00:12:19,910 --> 00:12:19,120

is it like it might be like comey county

353

00:12:21,670 --> 00:12:19,920

but

354

00:12:24,389 --> 00:12:21,680

there's al where the old trains used to

355

00:12:26,470 --> 00:12:24,399

run from philadelphia to coal trains

356

00:12:29,110 --> 00:12:26,480

used to run from philadelphia

357

00:12:31,269 --> 00:12:29,120

out to ohio and back again so there were

358

00:12:32,710 --> 00:12:31,279

some coal some

359

00:12:34,949 --> 00:12:32,720

boxes

360

00:12:36,389 --> 00:12:34,959

but they closed the one

361

00:12:38,790 --> 00:12:36,399

house

362

00:12:40,150 --> 00:12:38,800

and i've been there i mean a little bit

363

00:12:42,389 --> 00:12:40,160

of work

364

00:12:44,150 --> 00:12:42,399

we have a nice little house i mean

365

00:12:46,389 --> 00:12:44,160

it's pretty big

366

00:12:48,389 --> 00:12:46,399

but

367

00:12:51,509 --> 00:12:48,399

we found scat in the basement

368

00:12:53,430 --> 00:12:51,519

and i had a test admin

369

00:12:54,629 --> 00:12:53,440

it was sold and dried out you know there

370

00:12:56,710 --> 00:12:54,639

they were there wasn't anything they

371

00:12:58,470 --> 00:12:56,720

could do with it other than say well

372

00:12:59,670 --> 00:12:58,480

it's not a deer you know it's nothing

373

00:13:01,509 --> 00:12:59,680

like that

374

00:13:04,710 --> 00:13:01,519

it's uh

375

00:13:07,030 --> 00:13:04,720

he said it's not human so he said it

376

00:13:09,590 --> 00:13:07,040

could be anything it could be a bear

377

00:13:11,269 --> 00:13:09,600

uh but it's i mean it's boarded up

378

00:13:13,269 --> 00:13:11,279

which cracks me up because

379

00:13:15,509 --> 00:13:13,279

everything's boarded up solid except the

380

00:13:18,230 --> 00:13:15,519

back door it's wide open turning turn

381

00:13:22,230 --> 00:13:18,240

the knob and open the door and walk in

382

00:13:23,590 --> 00:13:22,240

and um so it's it's uh

383

00:13:25,829 --> 00:13:23,600

it's pretty neat

384

00:13:27,670 --> 00:13:25,839

uh that now we're starting to get more

385

00:13:28,949 --> 00:13:27,680

information and people aren't

386

00:13:30,550 --> 00:13:28,959

in the very beginning they seem like

387

00:13:32,150 --> 00:13:30,560

they were very afraid to even talk about

388

00:13:34,790 --> 00:13:32,160

it you know

389

00:13:36,230 --> 00:13:34,800

they just don't want to talk about it

390

00:13:37,110 --> 00:13:36,240

and i still have a lot of people that

391

00:13:44,069 --> 00:13:37,120

you know

392

00:13:45,590 --> 00:13:44,079

indigenous thing or something like that

393

00:13:46,870 --> 00:13:45,600

which brings up

394

00:13:48,069 --> 00:13:46,880

well i'm thinking of it because i want

395

00:13:52,310 --> 00:13:48,079

to talk to you last time about it i

396

00:13:56,710 --> 00:13:54,069

and um

397

00:13:59,030 --> 00:13:56,720

old guy's still in good shape

398

00:14:00,870 --> 00:13:59,040

uh still hears all kind of garbage going

399

00:14:03,350 --> 00:14:00,880

around the uh

400

00:14:04,790 --> 00:14:03,360

the pond out there and i told him i said

401
00:14:06,790 --> 00:14:04,800
well i apologize for not getting back i

402
00:14:09,110 --> 00:14:06,800
said but i had a heart issue so i kind

403
00:14:10,870 --> 00:14:09,120
of got stuck here at the house

404
00:14:12,550 --> 00:14:10,880
but um

405
00:14:14,069 --> 00:14:12,560
while we're standing here talking i'm

406
00:14:15,990 --> 00:14:14,079
right where we were standing right next

407
00:14:18,550 --> 00:14:16,000
to it the truck was parked i'm looking

408
00:14:20,710 --> 00:14:18,560
across and there's the lights again

409
00:14:21,910 --> 00:14:20,720
the blue light and the red light across

410
00:14:23,189 --> 00:14:21,920
the field

411
00:14:24,629 --> 00:14:23,199
i'm going like

412
00:14:26,389 --> 00:14:24,639
this is nuts

413
00:14:37,750 --> 00:14:26,399

he says

414

00:14:38,949 --> 00:14:37,760

looking across that field matter of fact

415

00:14:40,949 --> 00:14:38,959

that front window looks right at that

416

00:14:43,990 --> 00:14:40,959

field he said i never see anything

417

00:14:46,150 --> 00:14:44,000

he said you show up the lights show up

418

00:14:48,790 --> 00:14:46,160

i said i kind of tried to play it off

419

00:14:49,910 --> 00:14:48,800

and that's my alter ego you know he just

420

00:14:51,110 --> 00:14:49,920

like laughed

421

00:14:52,790 --> 00:14:51,120

and i said

422

00:14:54,069 --> 00:14:52,800

i asked him if i could set a camera up

423

00:14:55,430 --> 00:14:54,079

with him

424

00:14:57,030 --> 00:14:55,440

and he said you can do anything you want

425

00:14:59,189 --> 00:14:57,040

here he said i don't care

426

00:15:00,470 --> 00:14:59,199

now the the barn is done the chicken

427

00:15:03,030 --> 00:15:00,480

barn is done

428

00:15:04,550 --> 00:15:03,040

um i did a scan of that infrared and

429

00:15:06,550 --> 00:15:04,560

thermal nothing

430

00:15:08,069 --> 00:15:06,560

uh the field is all plowed straight that

431

00:15:09,590 --> 00:15:08,079

big dirt mound that was there has moved

432

00:15:10,949 --> 00:15:09,600

that's gone

433

00:15:12,710 --> 00:15:10,959

and uh

434

00:15:14,230 --> 00:15:12,720

but he still hears noises coming out of

435

00:15:16,310 --> 00:15:14,240

the pond

436

00:15:18,470 --> 00:15:16,320

um

437

00:15:20,069 --> 00:15:18,480

something happened

438

00:15:22,069 --> 00:15:20,079

at the

439

00:15:23,590 --> 00:15:22,079

new chicken barn

440

00:15:25,269 --> 00:15:23,600

which he said

441

00:15:26,790 --> 00:15:25,279

nobody wants to talk about it he said

442

00:15:28,470 --> 00:15:26,800

but something happened

443

00:15:29,749 --> 00:15:28,480

i said you know like somebody get hurt

444

00:15:31,269 --> 00:15:29,759

or something like that he said no

445

00:15:33,829 --> 00:15:31,279

something happened

446

00:15:35,430 --> 00:15:33,839

and i said well you know who's the owner

447

00:15:37,189 --> 00:15:35,440

and he told me who the owner was he says

448

00:15:39,990 --> 00:15:37,199

third farm up the road

449

00:15:42,069 --> 00:15:40,000

so i did stop but there was nobody there

450

00:15:43,590 --> 00:15:42,079

i thought okay so

451

00:15:45,189 --> 00:15:43,600

i'm gonna try and hit it again see if i

452

00:15:46,710 --> 00:15:45,199

can talk to

453

00:15:48,230 --> 00:15:46,720

the uh

454

00:15:49,670 --> 00:15:48,240

guy that owns that

455

00:15:51,590 --> 00:15:49,680

chicken barn

456

00:15:55,030 --> 00:15:51,600

and see what actually happened i mean if

457

00:15:57,110 --> 00:15:55,040

they see something that something

458

00:15:59,269 --> 00:15:57,120

move on its own or something appear or

459

00:16:02,150 --> 00:15:59,279

disappear or something like that

460

00:16:05,590 --> 00:16:04,230

crazy some of the stuff that's coming up

461

00:16:07,430 --> 00:16:05,600

now is just

462

00:16:08,790 --> 00:16:07,440

it's just crazy

463

00:16:10,949 --> 00:16:08,800

i mean and these are like these

464

00:16:12,470 --> 00:16:10,959

invisible the visible and invisible

465

00:16:13,590 --> 00:16:12,480

soldiers

466

00:16:15,430 --> 00:16:13,600

like

467

00:16:17,110 --> 00:16:15,440

that's weird now

468

00:16:20,230 --> 00:16:17,120

like i said i've seen that stuff in you

469

00:16:23,030 --> 00:16:20,240

know in gettysburg photograph video

470

00:16:24,629 --> 00:16:23,040

but never up in that area never

471

00:16:26,550 --> 00:16:24,639

i did a background search i couldn't

472

00:16:28,150 --> 00:16:26,560

find anything you know

473

00:16:30,550 --> 00:16:28,160

well like you said you know that was

474

00:16:33,430 --> 00:16:30,560

near dover air force base and for those

475

00:16:35,670 --> 00:16:33,440

unfamiliar since vietnam

476
00:16:40,150 --> 00:16:35,680
uh

477
00:16:41,749 --> 00:16:40,160
military death dead would be

478
00:16:44,389 --> 00:16:41,759
brought into

479
00:16:47,509 --> 00:16:44,399
dover for autopsies and

480
00:16:49,189 --> 00:16:47,519
for distribution to wherever

481
00:16:51,269 --> 00:16:49,199
so the fact that

482
00:16:52,710 --> 00:16:51,279
some apparitions were being

483
00:16:53,910 --> 00:16:52,720
showing up in that area doesn't really

484
00:16:55,829 --> 00:16:53,920
surprise me

485
00:16:56,870 --> 00:16:55,839
so you know we don't hear much about

486
00:16:58,230 --> 00:16:56,880
that

487
00:16:59,829 --> 00:16:58,240
you know there have been thousands and

488
00:17:02,870 --> 00:16:59,839

thousands of bodies that have come

489

00:17:04,789 --> 00:17:02,880

through there over the years so

490

00:17:06,710 --> 00:17:04,799

who knows maybe that's what's going

491

00:17:07,990 --> 00:17:06,720

being seen up there

492

00:17:10,390 --> 00:17:08,000

well

493

00:17:11,750 --> 00:17:10,400

another thing was the the five walking

494

00:17:13,750 --> 00:17:11,760

up the road

495

00:17:15,750 --> 00:17:13,760

and i said how long from the first

496

00:17:17,270 --> 00:17:15,760

sighting to the second group from the

497

00:17:19,750 --> 00:17:17,280

single guy to the second group and he

498

00:17:22,630 --> 00:17:19,760

said 10 minutes maybe

499

00:17:23,990 --> 00:17:22,640

but the the common denominator the only

500

00:17:24,870 --> 00:17:24,000

common denominator in the whole thing

501
00:17:29,750 --> 00:17:24,880
was

502
00:17:31,750 --> 00:17:29,760
came out of the fog

503
00:17:32,789 --> 00:17:31,760
they walked out of the fog

504
00:17:39,990 --> 00:17:32,799
now

505
00:17:41,990 --> 00:17:40,000
play in these things

506
00:17:44,830 --> 00:17:42,000
um

507
00:17:49,430 --> 00:17:44,840
i know that cemeteries

508
00:17:51,909 --> 00:17:49,440
uh old corners old funeral homes uh old

509
00:17:53,110 --> 00:17:51,919
hospitals have a lot of that stuff

510
00:17:55,990 --> 00:17:53,120
but

511
00:17:57,990 --> 00:17:56,000
i told him to keep his eye out and um

512
00:18:00,230 --> 00:17:58,000
he's gonna take his camera to work

513
00:18:01,990 --> 00:18:00,240

a video cam well that'd be good i mean

514

00:18:05,270 --> 00:18:02,000

it'd be nice to see if it shows back up

515

00:18:05,670 --> 00:18:05,280

it was just not residual or repeating

516

00:18:06,870 --> 00:18:05,680

um

517

00:18:08,390 --> 00:18:06,880

[Music]

518

00:18:11,110 --> 00:18:08,400

but you know if it's something different

519

00:18:12,870 --> 00:18:11,120

that comes up every once in a while

520

00:18:14,630 --> 00:18:12,880

when he started to describe it to me he

521

00:18:16,390 --> 00:18:14,640

says now you may think i'm goofy now he

522

00:18:19,190 --> 00:18:16,400

was not in vietnam he was not in that

523

00:18:20,549 --> 00:18:19,200

era right

524

00:18:22,710 --> 00:18:20,559

i think he was

525

00:18:25,029 --> 00:18:22,720

our national guard pa national guard i

526

00:18:26,470 --> 00:18:25,039

think iran or one of those places but

527

00:18:29,430 --> 00:18:26,480

anyway

528

00:18:30,789 --> 00:18:29,440

and he says i recognized the uniform

529

00:18:33,430 --> 00:18:30,799

right away

530

00:18:35,029 --> 00:18:33,440

he said all green

531

00:18:38,070 --> 00:18:35,039

the helmet

532

00:18:39,510 --> 00:18:38,080

the m16 with a 15 round clip

533

00:18:41,909 --> 00:18:39,520

i mean they don't even make 15 round

534

00:18:44,870 --> 00:18:41,919

clips yeah that's army infantry that's

535

00:18:46,710 --> 00:18:44,880

yeah uh he said canteen the bayonet he

536

00:18:49,029 --> 00:18:46,720

said i could see the the rucksack

537

00:18:52,549 --> 00:18:49,039

hanging off the back of his off off the

538

00:18:54,150 --> 00:18:52,559

side of his belt i'm like jesus he said

539

00:18:56,630 --> 00:18:54,160

the boots

540

00:18:58,310 --> 00:18:56,640

the nylon black leather

541

00:19:00,950 --> 00:18:58,320

everything he said

542

00:19:03,430 --> 00:19:00,960

right on the money the the first aid

543

00:19:06,070 --> 00:19:03,440

pack on the front of the belt he said i

544

00:19:08,230 --> 00:19:06,080

said you saw all that he said i watched

545

00:19:11,669 --> 00:19:08,240

this guy walk up to me from 25 30 feet

546

00:19:13,029 --> 00:19:11,679

away yeah that's unusual and he said he

547

00:19:15,270 --> 00:19:13,039

at first he thought it was one of the

548

00:19:16,549 --> 00:19:15,280

guys

549

00:19:18,150 --> 00:19:16,559

because they do have weapons there you

550

00:19:19,909 --> 00:19:18,160

know it's a military installation where

551
00:19:21,110 --> 00:19:19,919
they're at and

552
00:19:22,150 --> 00:19:21,120
and uh

553
00:19:23,430 --> 00:19:22,160
he said he just thought it was one of

554
00:19:27,029 --> 00:19:23,440
the guys coming to check in because they

555
00:19:29,029 --> 00:19:27,039
do carry an m4 rifle and a handgun

556
00:19:30,789 --> 00:19:29,039
but

557
00:19:32,310 --> 00:19:30,799
he said it was like walking looking back

558
00:19:34,390 --> 00:19:32,320
in history

559
00:19:37,830 --> 00:19:34,400
and then shortly after that these five

560
00:19:39,350 --> 00:19:37,840
walk out out of the out of the fog and

561
00:19:40,710 --> 00:19:39,360
he says they were walking in a straight

562
00:19:41,990 --> 00:19:40,720
line

563
00:19:43,350 --> 00:19:42,000

almost like

564

00:19:44,549 --> 00:19:43,360

they weren't marching but it's almost

565

00:19:45,750 --> 00:19:44,559

like they were marching they were in a

566

00:19:48,310 --> 00:19:45,760

straight line

567

00:19:49,750 --> 00:19:48,320

heading up the road and he said and they

568

00:19:54,230 --> 00:19:49,760

just

569

00:19:59,190 --> 00:19:57,350

now you had talked earlier about the um

570

00:20:01,350 --> 00:19:59,200

about the farm that's up there in

571

00:20:02,630 --> 00:20:01,360

northern lancaster county up there above

572

00:20:04,149 --> 00:20:02,640

adamstown

573

00:20:05,750 --> 00:20:04,159

um

574

00:20:07,190 --> 00:20:05,760

yeah well of course we've been out there

575

00:20:09,350 --> 00:20:07,200

i've been out there as matt's been out

576

00:20:11,909 --> 00:20:09,360

there and um

577

00:20:13,990 --> 00:20:11,919

uh actually if you

578

00:20:15,430 --> 00:20:14,000

read the book uh in my book alien

579

00:20:18,070 --> 00:20:15,440

disclosure

580

00:20:20,789 --> 00:20:18,080

uh experiences exposed reality there's a

581

00:20:23,270 --> 00:20:20,799

chapter in there about that but anyway

582

00:20:26,390 --> 00:20:23,280

yeah a strange place um

583

00:20:29,029 --> 00:20:26,400

when we went up there what was that 2018

584

00:20:29,909 --> 00:20:29,039

february 2018

585

00:20:32,070 --> 00:20:29,919

uh

586

00:20:34,470 --> 00:20:32,080

they had been working in the area and

587

00:20:36,470 --> 00:20:34,480

moving dirt around they had they were

588

00:20:38,070 --> 00:20:36,480

constructing a

589

00:20:40,870 --> 00:20:38,080

a long

590

00:20:42,310 --> 00:20:40,880

chicken house um

591

00:20:44,390 --> 00:20:42,320

god please look like it was probably

592

00:20:46,149 --> 00:20:44,400

about a hundred yards or more long it's

593

00:20:49,590 --> 00:20:46,159

a huge thing

594

00:20:50,950 --> 00:20:49,600

and they were there were apparitions and

595

00:20:53,510 --> 00:20:50,960

glimmer man

596

00:20:55,270 --> 00:20:53,520

type beans being seen there and

597

00:20:57,430 --> 00:20:55,280

when i was up there you and matt were

598

00:20:59,350 --> 00:20:57,440

looking at the uh

599

00:21:01,110 --> 00:20:59,360

at the infrared and they were showing up

600

00:21:04,710 --> 00:21:01,120

on that but

601
00:21:07,830 --> 00:21:04,720
they were showing up as cold actually

602
00:21:09,750 --> 00:21:07,840
yeah and which was weird so i i you know

603
00:21:12,070 --> 00:21:09,760
me i'm have to walk out there and see

604
00:21:13,270 --> 00:21:12,080
what's going on and uh

605
00:21:15,669 --> 00:21:13,280
uh

606
00:21:16,789 --> 00:21:15,679
i just got the sense this was some type

607
00:21:20,149 --> 00:21:16,799
of

608
00:21:22,470 --> 00:21:20,159
century thing at indigenous century

609
00:21:23,909 --> 00:21:22,480
placement possibly i don't think it was

610
00:21:25,830 --> 00:21:23,919
i don't think it was a graveyard or

611
00:21:27,909 --> 00:21:25,840
anything like that but i do think

612
00:21:29,669 --> 00:21:27,919
and from what i've read i i do think it

613
00:21:31,909 --> 00:21:29,679

might have been a cremation site for

614

00:21:33,909 --> 00:21:31,919

susquehanna possibly

615

00:21:38,149 --> 00:21:33,919

yeah well that's they burned all their

616

00:21:40,230 --> 00:21:38,159

yeah they they cremated everything so um

617

00:21:42,070 --> 00:21:40,240

and then of course with that pond and

618

00:21:44,710 --> 00:21:42,080

you said your witness the guy who lives

619

00:21:46,789 --> 00:21:44,720

there has heard it as well later on

620

00:21:48,149 --> 00:21:46,799

i mean i told you that night i mean when

621

00:21:49,669 --> 00:21:48,159

i'm standing here looking at this

622

00:21:51,029 --> 00:21:49,679

building and on my right side of the

623

00:21:53,110 --> 00:21:51,039

pond

624

00:21:56,149 --> 00:21:53,120

i start hearing drumming and chanting

625

00:21:58,630 --> 00:21:56,159

and such and uh you know

626

00:22:01,190 --> 00:21:58,640

it's kind of hard not to notice that

627

00:22:03,190 --> 00:22:01,200

when that's going on so um

628

00:22:04,950 --> 00:22:03,200

yeah maybe that's what was going on you

629

00:22:08,070 --> 00:22:04,960

know like i said it's all written out in

630

00:22:10,310 --> 00:22:08,080

the book we had actually the least did a

631

00:22:12,710 --> 00:22:10,320

rv on that place

632

00:22:14,870 --> 00:22:12,720

uh and address some of the ufo activity

633

00:22:17,029 --> 00:22:14,880

in the valley as well

634

00:22:18,789 --> 00:22:17,039

and uh he talked about the lights and we

635

00:22:20,070 --> 00:22:18,799

saw the lights and then didn't know

636

00:22:21,430 --> 00:22:20,080

where the hell they were coming from

637

00:22:23,350 --> 00:22:21,440

though i guess it was maybe a half a

638

00:22:24,710 --> 00:22:23,360

mile across the valley there

639

00:22:26,230 --> 00:22:24,720

yeah and then there's a road there and

640

00:22:27,669 --> 00:22:26,240

you know i was up and down that road

641

00:22:29,110 --> 00:22:27,679

daylight i was up and down that road at

642

00:22:30,950 --> 00:22:29,120

night and there's nothing there there's

643

00:22:33,990 --> 00:22:30,960

no

644

00:22:36,070 --> 00:22:34,000

like some of these townships have their

645

00:22:38,230 --> 00:22:36,080

pumps out you know

646

00:22:39,510 --> 00:22:38,240

and you know they flash lights but

647

00:22:41,510 --> 00:22:39,520

there's nothing like that there's no

648

00:22:44,549 --> 00:22:41,520

electrical boxes matter of fact there's

649

00:22:46,390 --> 00:22:44,559

no power poles around there now off to

650

00:22:48,230 --> 00:22:46,400

the left of the lights looking at the

651
00:22:50,630 --> 00:22:48,240
lights from the farm

652
00:22:52,310 --> 00:22:50,640
there's a a power line going up through

653
00:22:54,230 --> 00:22:52,320
but there's there's nothing there i mean

654
00:22:56,070 --> 00:22:54,240
they don't they start up on top of

655
00:22:57,590 --> 00:22:56,080
almost top of the hill they're not they

656
00:22:59,669 --> 00:22:57,600
don't start at the bottom and go up they

657
00:23:01,590 --> 00:22:59,679
start probably about halfway up

658
00:23:03,110 --> 00:23:01,600
because there's a flat up there now you

659
00:23:04,630 --> 00:23:03,120
can't drive up there but there's a flat

660
00:23:06,390 --> 00:23:04,640
and that's where they start

661
00:23:09,270 --> 00:23:06,400
so i imagine there's an access road for

662
00:23:11,029 --> 00:23:09,280
the power company but

663
00:23:12,149 --> 00:23:11,039

when he said that he said that those

664

00:23:13,029 --> 00:23:12,159

lights are only here when you're here

665

00:23:14,950 --> 00:23:13,039

well

666

00:23:16,789 --> 00:23:14,960

it's a high energy area because there's

667

00:23:17,750 --> 00:23:16,799

a lot of spring a lot of springs in

668

00:23:19,270 --> 00:23:17,760

there

669

00:23:23,029 --> 00:23:19,280

actually one thing when i started

670

00:23:24,549 --> 00:23:23,039

looking on the top topography map and uh

671

00:23:27,350 --> 00:23:24,559

when i started looking at the valley

672

00:23:29,669 --> 00:23:27,360

there and this valley extends

673

00:23:34,830 --> 00:23:29,679

between i guess maybe the lebanon county

674

00:23:34,840 --> 00:23:38,470

yeah and uh

675

00:23:42,950 --> 00:23:40,470

yeah i mean you know when you get a lot

676

00:23:44,149 --> 00:23:42,960

of a lot of natural water sources in one

677

00:23:47,029 --> 00:23:44,159

area you're going to get a lot of

678

00:23:49,669 --> 00:23:47,039

activity and i imagine you did just knew

679

00:23:53,430 --> 00:23:49,679

that but and from lancaster uh from

680

00:23:55,909 --> 00:23:53,440

their historical society i mean

681

00:23:57,750 --> 00:23:55,919

for where you get on the road there uh

682

00:23:59,830 --> 00:23:57,760

all the way

683

00:24:01,990 --> 00:23:59,840

beyond lebanon actually

684

00:24:03,510 --> 00:24:02,000

about 10-15 miles that was all indian

685

00:24:05,269 --> 00:24:03,520

territory

686

00:24:06,149 --> 00:24:05,279

no white people down there no farms or

687

00:24:08,149 --> 00:24:06,159

anything

688

00:24:10,070 --> 00:24:08,159

that would just be

689

00:24:11,909 --> 00:24:10,080

yeah i mean yeah you're right that was

690

00:24:13,830 --> 00:24:11,919

wilderness basically i mean up until

691

00:24:18,470 --> 00:24:13,840

maybe

692

00:24:20,549 --> 00:24:18,480

and

693

00:24:25,029 --> 00:24:20,559

i mean

694

00:24:29,669 --> 00:24:27,909

from the susquehanna but it was still it

695

00:24:32,310 --> 00:24:29,679

was still wilderness

696

00:24:33,669 --> 00:24:32,320

so and there were i believe when i read

697

00:24:35,430 --> 00:24:33,679

that stuff at the historical so there

698

00:24:37,110 --> 00:24:35,440

were like three tribes such behind it of

699

00:24:38,310 --> 00:24:37,120

course for the biggest

700

00:24:40,149 --> 00:24:38,320

and then there were a couple smaller

701
00:24:42,070 --> 00:24:40,159
tribes and one was actually an offshoot

702
00:24:43,510 --> 00:24:42,080
of mohawk they were always at war with

703
00:24:45,190 --> 00:24:43,520
each other right

704
00:24:46,630 --> 00:24:45,200
i mean that was a daily but you know get

705
00:24:48,310 --> 00:24:46,640
up in the morning have you have your

706
00:24:49,909 --> 00:24:48,320
wheaties grab your tomahawk and you pull

707
00:24:51,350 --> 00:24:49,919
it out

708
00:24:53,430 --> 00:24:51,360
go kill somebody

709
00:24:56,149 --> 00:24:53,440
and and uh and they were great for

710
00:24:58,630 --> 00:24:56,159
capturing they love capturing so they

711
00:25:00,870 --> 00:24:58,640
they use uh according to the sparkle

712
00:25:02,470 --> 00:25:00,880
stuff you know they'd capture these uh

713
00:25:03,990 --> 00:25:02,480

other tribes and they'd work them pretty

714

00:25:05,750 --> 00:25:04,000

much to death and then

715

00:25:07,110 --> 00:25:05,760

you know turn them over to somebody else

716

00:25:08,710 --> 00:25:07,120

and then they you know get about their

717

00:25:12,070 --> 00:25:08,720

skin and then burning and carrying on

718

00:25:14,950 --> 00:25:12,080

you know in pennsylvania especially it's

719

00:25:17,269 --> 00:25:14,960

pretty hard to distinguish

720

00:25:19,190 --> 00:25:17,279

you know when you go into an

721

00:25:20,870 --> 00:25:19,200

investigation it's hard to distinguish

722

00:25:22,630 --> 00:25:20,880

which tribe was there at the time things

723

00:25:25,269 --> 00:25:22,640

going on because

724

00:25:27,750 --> 00:25:25,279

uh you know at least where we're at here

725

00:25:28,549 --> 00:25:27,760

in south central pennsylvania i mean you

726
00:25:32,549 --> 00:25:28,559
had

727
00:25:34,070 --> 00:25:32,559
they got pushed back into delaware

728
00:25:36,070 --> 00:25:34,080
then uh

729
00:25:39,350 --> 00:25:36,080
then you had the uh

730
00:25:40,870 --> 00:25:39,360
the shawnee and uh leninake and which

731
00:25:43,110 --> 00:25:40,880
was the delaware

732
00:25:45,669 --> 00:25:43,120
and uh

733
00:25:47,430 --> 00:25:45,679
also we had uh pal hatton who actually

734
00:25:48,710 --> 00:25:47,440
moved up there later on from down

735
00:25:50,630 --> 00:25:48,720
virginia

736
00:25:52,230 --> 00:25:50,640
so you know there's been a lot of tribes

737
00:25:54,149 --> 00:25:52,240
in in pennsylvania of course north of

738
00:25:55,190 --> 00:25:54,159

there you got all the iroquois tribes

739

00:25:57,590 --> 00:25:55,200

that are

740

00:25:59,190 --> 00:25:57,600

just everywhere so yeah they were

741

00:26:01,430 --> 00:25:59,200

warring a lot they weren't just fighting

742

00:26:04,470 --> 00:26:01,440

settlers they were fighting each other

743

00:26:06,630 --> 00:26:04,480

uh and uh well up in alberta up in

744

00:26:09,269 --> 00:26:06,640

alberta's pa which hearing

745

00:26:10,789 --> 00:26:09,279

they you know they claim that to be uh

746

00:26:13,350 --> 00:26:10,799

there's a foundry there and the foundry

747

00:26:17,350 --> 00:26:13,360

made cannonballs uh for the civil war

748

00:26:19,909 --> 00:26:17,360

and some some military uh arms parts

749

00:26:21,110 --> 00:26:19,919

and uh actually before they built that

750

00:26:23,350 --> 00:26:21,120

foundry

751
00:26:26,470 --> 00:26:23,360
uh that was a

752
00:26:27,590 --> 00:26:26,480
let it be um reservation

753
00:26:29,830 --> 00:26:27,600
and

754
00:26:31,830 --> 00:26:29,840
they they were warring with somebody i

755
00:26:32,710 --> 00:26:31,840
forget who it was anymore but another

756
00:26:34,230 --> 00:26:32,720
tribe

757
00:26:37,669 --> 00:26:34,240
and they pretty much wiped each other

758
00:26:39,909 --> 00:26:37,679
out and burial mounds if you walk

759
00:26:41,510 --> 00:26:39,919
from the foundry which is turned into a

760
00:26:42,789 --> 00:26:41,520
museum now but when you walk through the

761
00:26:44,950 --> 00:26:42,799
foundry

762
00:26:45,830 --> 00:26:44,960
and uh across the field

763
00:26:48,470 --> 00:26:45,840

and

764

00:26:51,029 --> 00:26:48,480

it just kind of inclines up just a

765

00:26:53,350 --> 00:26:51,039

slight bit and then it flattens out you

766

00:26:54,950 --> 00:26:53,360

can see the mounds the burial mounds

767

00:26:56,710 --> 00:26:54,960

they're just like one after another you

768

00:26:58,630 --> 00:26:56,720

can you can walk you can't walk between

769

00:27:00,070 --> 00:26:58,640

them that's how close they are

770

00:27:01,350 --> 00:27:00,080

and they've been pretty much basically

771

00:27:02,870 --> 00:27:01,360

they fought to the last man and they

772

00:27:04,549 --> 00:27:02,880

just wiped each other out period yeah

773

00:27:06,149 --> 00:27:04,559

those burial mounds

774

00:27:07,269 --> 00:27:06,159

i mean i have a believer probably

775

00:27:09,350 --> 00:27:07,279

delaware

776

00:27:12,070 --> 00:27:09,360

uh either doe or hatton came in there

777

00:27:14,310 --> 00:27:12,080

later because um

778

00:27:17,269 --> 00:27:14,320

yeah i mean i i doubt i know what

779

00:27:18,789 --> 00:27:17,279

suspect and then shawnee

780

00:27:20,389 --> 00:27:18,799

yeah you know i don't think it was sean

781

00:27:22,470 --> 00:27:20,399

either but anyway

782

00:27:23,990 --> 00:27:22,480

yeah um so folks if you got any

783

00:27:27,190 --> 00:27:24,000

questions

784

00:27:29,190 --> 00:27:27,200

uh people in chat uh go ahead and put it

785

00:27:30,470 --> 00:27:29,200

in in in uh

786

00:27:33,510 --> 00:27:30,480

caps

787

00:27:35,029 --> 00:27:33,520

and put it up there and then bill and uh

788

00:27:37,110 --> 00:27:35,039

and vince will

789

00:27:39,510 --> 00:27:37,120

put it up here for us to answer

790

00:27:41,190 --> 00:27:39,520

but we are talking specifically about

791

00:27:43,350 --> 00:27:41,200

dog man and upright canines in

792

00:27:45,110 --> 00:27:43,360

pennsylvania now of course we had we had

793

00:27:47,510 --> 00:27:45,120

james west there

794

00:27:48,630 --> 00:27:47,520

with us uh two weeks ago in greene

795

00:27:50,789 --> 00:27:48,640

county

796

00:27:52,310 --> 00:27:50,799

which was quite interesting with he had

797

00:27:54,710 --> 00:27:52,320

the attacks

798

00:27:56,789 --> 00:27:54,720

uh butch do you use wireless mobile

799

00:28:00,630 --> 00:27:56,799

carrier trail cams

800

00:28:04,310 --> 00:28:02,789

there you go

801
00:28:05,990 --> 00:28:04,320
it's a wonder we haven't had any ripped

802
00:28:07,909 --> 00:28:06,000
off i mean it is

803
00:28:09,430 --> 00:28:07,919
yeah i'm amazed because at the one time

804
00:28:10,710 --> 00:28:09,440
down at the at the state game lanes

805
00:28:13,350 --> 00:28:10,720
there i had six

806
00:28:15,430 --> 00:28:13,360
i had six set up so and nobody messed

807
00:28:17,590 --> 00:28:15,440
with them but you know they have 24 7

808
00:28:18,710 --> 00:28:17,600
police there so yeah well that what's at

809
00:28:19,510 --> 00:28:18,720
french creek

810
00:28:23,669 --> 00:28:19,520
yeah

811
00:28:26,230 --> 00:28:23,679
that's a bizarre place that's bucks

812
00:28:28,549 --> 00:28:26,240
county right or is that uh no that would

813
00:28:29,990 --> 00:28:28,559

be montgomery montgomery county okay

814

00:28:31,830 --> 00:28:30,000

well well half of it's in berkshire and

815

00:28:34,870 --> 00:28:31,840

hampton montgomery and a little bit of

816

00:28:38,630 --> 00:28:37,029

so he got you know go ahead and flash it

817

00:28:41,029 --> 00:28:38,640

up here folks let us know what you got

818

00:28:43,350 --> 00:28:41,039

what you want to find out about these

819

00:28:46,630 --> 00:28:43,360

investigations we've been doing

820

00:28:48,549 --> 00:28:46,640

before oh god i don't know in what 2017

821

00:28:51,350 --> 00:28:48,559

maybe we started doing a lot when it was

822

00:28:53,669 --> 00:28:51,360

before that yeah i guess by the time we

823

00:28:55,669 --> 00:28:53,679

were working on the uh yeah you know

824

00:28:56,789 --> 00:28:55,679

when i met butch

825

00:28:58,789 --> 00:28:56,799

uh

826

00:29:00,470 --> 00:28:58,799

we got we hooked up on the todd sees

827

00:29:01,669 --> 00:29:00,480

thing and that's what we were working on

828

00:29:03,750 --> 00:29:01,679

together

829

00:29:06,149 --> 00:29:03,760

and then i started telling butch about

830

00:29:07,510 --> 00:29:06,159

upright canines and dogman and got him

831

00:29:08,310 --> 00:29:07,520

all

832

00:29:11,190 --> 00:29:08,320

off

833

00:29:13,350 --> 00:29:11,200

worked into all the decrypted stuff and

834

00:29:14,950 --> 00:29:13,360

that's where we are now

835

00:29:19,269 --> 00:29:14,960

uh

836

00:29:21,669 --> 00:29:19,279

dogman cryptid reports

837

00:29:25,990 --> 00:29:23,750

i do there's uh quite a few of them as a

838

00:29:28,470 --> 00:29:26,000

matter of fact yeah

839

00:29:31,830 --> 00:29:28,480

uh just a bunch just showed up in uh

840

00:29:36,470 --> 00:29:33,350

yeah you know there's always been

841

00:29:37,669 --> 00:29:36,480

there's always been a cryptic canine

842

00:29:38,549 --> 00:29:37,679

phenomena

843

00:29:40,870 --> 00:29:38,559

you know

844

00:29:43,510 --> 00:29:40,880

cannon chase is the area what i think of

845

00:29:46,070 --> 00:29:43,520

mostly because um

846

00:29:47,990 --> 00:29:46,080

you know the the big you know black

847

00:29:49,590 --> 00:29:48,000

hounds and all that people see i don't

848

00:29:52,549 --> 00:29:49,600

know if they're hyper apparitions or

849

00:29:54,230 --> 00:29:52,559

what they are or something else but

850

00:29:56,549 --> 00:29:54,240

you know they still show up once in a

851
00:29:59,190 --> 00:29:56,559
while so yeah there's a there's a lot of

852
00:30:02,230 --> 00:29:59,200
those uh reports up there

853
00:30:04,070 --> 00:30:02,240
uh how much input do native americans

854
00:30:05,990 --> 00:30:04,080
have in research on cryptids and

855
00:30:07,269 --> 00:30:06,000
paranormal research

856
00:30:09,110 --> 00:30:07,279
watch

857
00:30:11,590 --> 00:30:09,120
lodge yeah

858
00:30:13,510 --> 00:30:11,600
i i think here in pennsylvania is pretty

859
00:30:14,870 --> 00:30:13,520
prominent now

860
00:30:16,549 --> 00:30:14,880
of course you never know what you're

861
00:30:19,669 --> 00:30:16,559
going to run into just like what we've

862
00:30:21,830 --> 00:30:19,679
been doing out in chicago

863
00:30:23,590 --> 00:30:21,840

you know we really didn't have much idea

864

00:30:26,789 --> 00:30:23,600

of what was actually going on but of

865

00:30:28,149 --> 00:30:26,799

course with all the revelations recently

866

00:30:31,110 --> 00:30:28,159

and uh

867

00:30:31,990 --> 00:30:31,120

and some of the references to

868

00:30:34,630 --> 00:30:32,000

uh

869

00:30:36,789 --> 00:30:34,640

actual kachinas from out of the zuni

870

00:30:39,909 --> 00:30:36,799

opie indian tribes and

871

00:30:42,710 --> 00:30:39,919

maybe a connection to what's going on in

872

00:30:45,590 --> 00:30:42,720

in illinois and chicago around that area

873

00:30:48,149 --> 00:30:45,600

there there happens to be a three

874

00:30:49,990 --> 00:30:48,159

uh a three tribal council in that area

875

00:30:51,590 --> 00:30:50,000

as well so you know that's something

876

00:30:54,070 --> 00:30:51,600

we're looking into but of course in

877

00:30:55,669 --> 00:30:54,080

pennsylvania it's it's it it

878

00:30:58,070 --> 00:30:55,679

it's important

879

00:31:00,230 --> 00:30:58,080

and then funny how much the

880

00:31:04,710 --> 00:31:00,240

hopi have played into the

881

00:31:06,710 --> 00:31:04,720

uh upright canines um yeah

882

00:31:08,070 --> 00:31:06,720

and all the others all the other indian

883

00:31:10,789 --> 00:31:08,080

stuff i mean but that's what we're

884

00:31:12,149 --> 00:31:10,799

working on i mean i

885

00:31:14,470 --> 00:31:12,159

you know i've been able to get some

886

00:31:17,110 --> 00:31:14,480

sources over the years and of course

887

00:31:19,669 --> 00:31:17,120

we're always working other sources

888

00:31:21,430 --> 00:31:19,679

but uh yeah um

889

00:31:23,190 --> 00:31:21,440

there is a connection now court people

890

00:31:24,870 --> 00:31:23,200

are saying other skin walkers well this

891

00:31:26,630 --> 00:31:24,880

has nothing to do with black magic or

892

00:31:29,190 --> 00:31:26,640

anything like that this is

893

00:31:32,310 --> 00:31:29,200

this is the actual traditional

894

00:31:35,029 --> 00:31:32,320

the traditional um

895

00:31:37,269 --> 00:31:35,039

phenomena that folks had seen over the

896

00:31:39,430 --> 00:31:37,279

years that knew they weren't skin

897

00:31:40,950 --> 00:31:39,440

walkers and uh

898

00:31:43,590 --> 00:31:40,960

what kind of connection there is

899

00:31:44,549 --> 00:31:43,600

naturally to what people are seeing now

900

00:31:47,909 --> 00:31:44,559

so

901
00:31:49,990 --> 00:31:47,919
more information

902
00:31:51,509 --> 00:31:50,000
center county activity oh there's always

903
00:31:52,470 --> 00:31:51,519
something going on in center county in

904
00:31:54,710 --> 00:31:52,480
the butch

905
00:31:56,630 --> 00:31:54,720
look you got that right uh

906
00:31:57,990 --> 00:31:56,640
yeah but

907
00:32:00,470 --> 00:31:58,000
it's funny

908
00:32:02,230 --> 00:32:00,480
when you look at the uh the bipedal map

909
00:32:05,909 --> 00:32:02,240
um

910
00:32:11,590 --> 00:32:08,870
they seem to cluster in north central

911
00:32:13,350 --> 00:32:11,600
but then you have a bunch down here and

912
00:32:15,430 --> 00:32:13,360
you have a bunch over here and you have

913
00:32:18,070 --> 00:32:15,440

some scattered over here

914

00:32:20,710 --> 00:32:18,080

but some of these reports go back to the

915

00:32:21,750 --> 00:32:20,720

mid 1700s oh yeah

916

00:32:23,190 --> 00:32:21,760

yeah

917

00:32:25,750 --> 00:32:23,200

and my center

918

00:32:27,190 --> 00:32:25,760

yeah center county has been busy i mean

919

00:32:29,990 --> 00:32:27,200

we had a

920

00:32:33,029 --> 00:32:30,000

i i think we probably had at least four

921

00:32:36,070 --> 00:32:33,039

reports in that in center county

922

00:32:37,830 --> 00:32:36,080

um rothrock

923

00:32:40,149 --> 00:32:37,840

some of the other state game lands

924

00:32:42,710 --> 00:32:40,159

around there um

925

00:32:43,669 --> 00:32:42,720

had one not too far out of uh

926

00:32:46,230 --> 00:32:43,679

uh

927

00:32:48,710 --> 00:32:46,240

out of state college

928

00:32:54,950 --> 00:32:51,750

we had the one long 22 there yeah

929

00:32:56,149 --> 00:32:54,960

with uh what's his face uh musician

930

00:33:03,190 --> 00:32:56,159

yeah

931

00:33:06,389 --> 00:33:03,200

that was blair county but now it's it's

932

00:33:09,029 --> 00:33:06,399

all in that one area yeah

933

00:33:11,269 --> 00:33:09,039

but there's there's so many so many uh

934

00:33:13,029 --> 00:33:11,279

historical reports

935

00:33:14,470 --> 00:33:13,039

and uh the one that always struck me i

936

00:33:16,630 --> 00:33:14,480

mean the one that made me stick with

937

00:33:18,070 --> 00:33:16,640

this because at first i thought um you

938

00:33:19,750 --> 00:33:18,080

know i better go back to you and moses

939

00:33:21,430 --> 00:33:19,760

isn't out of my realm

940

00:33:23,750 --> 00:33:21,440

but when i found that

941

00:33:25,190 --> 00:33:23,760

newspaper report

942

00:33:27,269 --> 00:33:25,200

in uh

943

00:33:28,950 --> 00:33:27,279

up in here he uh the eerie

944

00:33:29,990 --> 00:33:28,960

whatever the hell it was erie gazette or

945

00:33:32,389 --> 00:33:30,000

something

946

00:33:35,909 --> 00:33:32,399

and it was a report

947

00:33:38,310 --> 00:33:35,919

of a tall canine a wolf-like being very

948

00:33:40,549 --> 00:33:38,320

tall that was tearing up the guy's sheep

949

00:33:43,029 --> 00:33:40,559

and he waited for him you know laid into

950

00:33:45,509 --> 00:33:43,039

him and took a shot at him

951
00:33:48,070 --> 00:33:45,519
and uh but it was his description to the

952
00:33:49,590 --> 00:33:48,080
constable when he went back to town

953
00:33:50,870 --> 00:33:49,600
that was published

954
00:33:53,190 --> 00:33:50,880
if i take

955
00:33:55,350 --> 00:33:53,200
that

956
00:33:57,029 --> 00:33:55,360
description and pick up

957
00:33:59,110 --> 00:33:57,039
our descriptions that we've been getting

958
00:34:00,630 --> 00:33:59,120
identical yeah

959
00:34:03,350 --> 00:34:00,640
face

960
00:34:04,830 --> 00:34:03,360
head body mass everything

961
00:34:06,789 --> 00:34:04,840
height

962
00:34:07,750 --> 00:34:06,799
color

963
00:34:11,909 --> 00:34:07,760

so

964

00:34:18,470 --> 00:34:14,950

um are dog men migrating across the

965

00:34:20,389 --> 00:34:18,480

united states why so many reports now

966

00:34:23,510 --> 00:34:20,399

you know you and i have walked about

967

00:34:25,030 --> 00:34:23,520

that before you know in pennsylvania

968

00:34:27,510 --> 00:34:25,040

maryland

969

00:34:29,750 --> 00:34:27,520

west virginia down to south

970

00:34:32,069 --> 00:34:29,760

west virginia they may migrate you know

971

00:34:35,990 --> 00:34:32,079

the ridges

972

00:34:38,710 --> 00:34:36,000

in the the appalachians which you know

973

00:34:39,750 --> 00:34:38,720

are pretty prominent ridges

974

00:34:41,750 --> 00:34:39,760

uh

975

00:34:43,349 --> 00:34:41,760

there there's a there's a byway for them

976
00:34:44,790 --> 00:34:43,359
to get through there when that without

977
00:34:46,069 --> 00:34:44,800
be really

978
00:34:47,589 --> 00:34:46,079
causing much

979
00:34:49,270 --> 00:34:47,599
upper you know any

980
00:34:51,990 --> 00:34:49,280
sightings or anything

981
00:34:53,190 --> 00:34:52,000
uh do they migrate i don't know

982
00:34:54,629 --> 00:34:53,200
what do you think but you think they

983
00:34:56,629 --> 00:34:54,639
migrate

984
00:34:59,270 --> 00:34:56,639
well yeah because when you look when you

985
00:35:01,430 --> 00:34:59,280
get further down south

986
00:35:04,310 --> 00:35:01,440
uh depending on the time of year

987
00:35:07,349 --> 00:35:04,320
it's like of course the the uh the

988
00:35:09,030 --> 00:35:07,359

church lady that was mauled and killed

989

00:35:10,790 --> 00:35:09,040

i mean until this then i i followed that

990

00:35:12,470 --> 00:35:10,800

religiously i mean i check on that every

991

00:35:13,990 --> 00:35:12,480

couple days through the sheriff's

992

00:35:16,470 --> 00:35:14,000

department down there they still don't

993

00:35:19,750 --> 00:35:16,480

know what tore her up mm-hmm no that was

994

00:35:23,030 --> 00:35:19,760

down north carolina yeah no dogs no no

995

00:35:25,990 --> 00:35:23,040

bear no mountain lion no nothing uh all

996

00:35:27,670 --> 00:35:26,000

the dna that was collected off of her

997

00:35:29,750 --> 00:35:27,680

at the autopsy

998

00:35:31,829 --> 00:35:29,760

matches nothing

999

00:35:35,510 --> 00:35:31,839

nothing

1000

00:35:37,270 --> 00:35:35,520

no wolf no they don't know what it was

1001
00:35:38,710 --> 00:35:37,280
yeah i mean when you now you know

1002
00:35:40,390 --> 00:35:38,720
vincent asked about other parts of the

1003
00:35:41,990 --> 00:35:40,400
country i don't know i don't really

1004
00:35:44,310 --> 00:35:42,000
think they do

1005
00:35:46,950 --> 00:35:44,320
uh you know the whole just like the

1006
00:35:48,390 --> 00:35:46,960
beast debris road down south south

1007
00:35:51,109 --> 00:35:48,400
central

1008
00:35:52,870 --> 00:35:51,119
wisconsin you know i i more the more i

1009
00:35:54,470 --> 00:35:52,880
see that the more people i talk to and

1010
00:35:55,589 --> 00:35:54,480
there was a sighting there a lot long

1011
00:35:57,190 --> 00:35:55,599
ago

1012
00:35:59,109 --> 00:35:57,200
uh

1013
00:36:00,630 --> 00:35:59,119

some of the footage that's been gathered

1014

00:36:02,550 --> 00:36:00,640

over the years

1015

00:36:04,950 --> 00:36:02,560

uh lee hemphills

1016

00:36:06,470 --> 00:36:04,960

farm in particular

1017

00:36:08,390 --> 00:36:06,480

uh

1018

00:36:10,829 --> 00:36:08,400

well a lot of supernatural stuff going

1019

00:36:13,990 --> 00:36:10,839

on there i mean i've seen stuff on these

1020

00:36:16,470 --> 00:36:14,000

films that he's presenting that would

1021

00:36:17,670 --> 00:36:16,480

you know they'd lay a deer a dead deer

1022

00:36:19,430 --> 00:36:17,680

out in the road just waiting for

1023

00:36:21,750 --> 00:36:19,440

something to come and

1024

00:36:23,829 --> 00:36:21,760

this thing just will manifest out of a

1025

00:36:25,349 --> 00:36:23,839

puff of smoke

1026

00:36:27,430 --> 00:36:25,359

yeah you know

1027

00:36:28,230 --> 00:36:27,440

weird stuff like that

1028

00:36:29,990 --> 00:36:28,240

uh

1029

00:36:32,390 --> 00:36:30,000

and you know they just suddenly show up

1030

00:36:34,630 --> 00:36:32,400

the end of the the field and they get a

1031

00:36:38,150 --> 00:36:34,640

picture of something out there a form

1032

00:36:39,589 --> 00:36:38,160

and it just disappears so um

1033

00:36:42,069 --> 00:36:39,599

i don't know i don't know what to say

1034

00:36:44,390 --> 00:36:42,079

about that whole thing out there um

1035

00:36:45,510 --> 00:36:44,400

you know it's ingrained in the area with

1036

00:36:48,069 --> 00:36:45,520

the uh

1037

00:36:50,150 --> 00:36:48,079

with the beast debris road and and other

1038

00:36:51,990 --> 00:36:50,160

phenomena out there there

1039

00:36:53,510 --> 00:36:52,000

it i mean it's known for these upright

1040

00:36:54,950 --> 00:36:53,520

settings in court i have gotten

1041

00:36:56,790 --> 00:36:54,960

sightings

1042

00:36:59,430 --> 00:36:56,800

in that area that southern wisconsin

1043

00:37:02,550 --> 00:36:59,440

area for years

1044

00:37:03,990 --> 00:37:02,560

also up into a little further north

1045

00:37:07,510 --> 00:37:04,000

as well so

1046

00:37:10,550 --> 00:37:09,270

and i i would think with all the reports

1047

00:37:12,470 --> 00:37:10,560

that we've had in pennsylvania there'd

1048

00:37:15,750 --> 00:37:12,480

be more reports like in

1049

00:37:17,109 --> 00:37:15,760

ohio and west virginia and there aren't

1050

00:37:18,630 --> 00:37:17,119

now

1051

00:37:20,950 --> 00:37:18,640

you're right we don't get many down

1052

00:37:23,030 --> 00:37:20,960

there i don't know why

1053

00:37:24,630 --> 00:37:23,040

but i don't know people just aren't out

1054

00:37:26,550 --> 00:37:24,640

there there's hiding better or what the

1055

00:37:27,910 --> 00:37:26,560

deal is i mean greene county there have

1056

00:37:29,670 --> 00:37:27,920

been a few in green county over the

1057

00:37:31,829 --> 00:37:29,680

years

1058

00:37:33,670 --> 00:37:31,839

you can spit in ohio or west virginia

1059

00:37:37,990 --> 00:37:33,680

from greece county

1060

00:37:39,750 --> 00:37:38,000

well yeah it's right there yeah um

1061

00:37:41,030 --> 00:37:39,760

i know there was a there was a question

1062

00:37:42,950 --> 00:37:41,040

about

1063

00:37:45,030 --> 00:37:42,960

cumberland county

1064

00:37:47,990 --> 00:37:45,040

out by between mechanicsburg and

1065

00:37:50,150 --> 00:37:48,000

carlisle you know there were there were

1066

00:37:52,069 --> 00:37:50,160

there were a series of sightings in

1067

00:37:54,390 --> 00:37:52,079

cumberland county

1068

00:37:59,349 --> 00:37:54,400

um

1069

00:38:02,230 --> 00:37:59,359

uh

1070

00:38:04,390 --> 00:38:02,240

said between carl island mechanicsburg

1071

00:38:06,710 --> 00:38:04,400

the bipedal was camping there and heard

1072

00:38:08,710 --> 00:38:06,720

zero noises one night

1073

00:38:11,589 --> 00:38:08,720

yeah well you know linda godfrey had

1074

00:38:13,589 --> 00:38:11,599

gotten a report in that area and she was

1075

00:38:16,630 --> 00:38:13,599

looking into it and of course this was

1076

00:38:18,710 --> 00:38:16,640

in pennsylvania she's at wisconsin but

1077

00:38:20,310 --> 00:38:18,720

you know i guess she was a bit coy about

1078

00:38:22,550 --> 00:38:20,320

it didn't tell me a whole lot but i did

1079

00:38:24,310 --> 00:38:22,560

talk to some people out there and they

1080

00:38:26,390 --> 00:38:24,320

they said there have been some sightings

1081

00:38:28,069 --> 00:38:26,400

in in cumberland county which doesn't

1082

00:38:29,030 --> 00:38:28,079

surprise me you know

1083

00:38:35,030 --> 00:38:29,040

um

1084

00:38:37,670 --> 00:38:35,040

lot of a lot of forested area especially

1085

00:38:39,190 --> 00:38:37,680

just like michoa and misha state forest

1086

00:38:41,270 --> 00:38:39,200

head south

1087

00:38:42,630 --> 00:38:41,280

um so there's a lot going on out there

1088

00:38:44,390 --> 00:38:42,640

so um

1089

00:38:46,470 --> 00:38:44,400

and a lot of people don't realize how

1090

00:38:50,550 --> 00:38:46,480

big an area we're talking about oh yeah

1091

00:38:52,150 --> 00:38:50,560

it's huge uh yeah it's it's unbelievable

1092

00:38:54,150 --> 00:38:52,160

yeah well you know you know that whole

1093

00:38:56,069 --> 00:38:54,160

cent that whole central pennsylvania

1094

00:38:59,750 --> 00:38:56,079

area where we're talking about

1095

00:39:02,310 --> 00:38:59,760

is a vast majority of the uh

1096

00:39:05,670 --> 00:39:02,320

the forested area in the state

1097

00:39:07,109 --> 00:39:05,680

and of course you've got a lot of um

1098

00:39:09,910 --> 00:39:07,119

you know you've got a lot of mountain

1099

00:39:12,390 --> 00:39:09,920

areas and uh valleys and deep valleys

1100

00:39:13,510 --> 00:39:12,400

deep ravines places people very rarely

1101
00:39:16,390 --> 00:39:13,520
go into

1102
00:39:17,430 --> 00:39:16,400
oh yeah and you know actually it's it's

1103
00:39:20,310 --> 00:39:17,440
it's

1104
00:39:21,910 --> 00:39:20,320
west of the appalachian trail so even

1105
00:39:23,670 --> 00:39:21,920
the appalachian trail doesn't even go

1106
00:39:26,310 --> 00:39:23,680
into those mountains there that kind of

1107
00:39:29,670 --> 00:39:26,320
veers west up and towards poconos and up

1108
00:39:31,910 --> 00:39:29,680
but uh yeah it's um

1109
00:39:32,870 --> 00:39:31,920
yeah it's uh

1110
00:39:34,790 --> 00:39:32,880
you know

1111
00:39:36,790 --> 00:39:34,800
you try to figure out what's going on

1112
00:39:38,870 --> 00:39:36,800
here but the one thing in pennsylvania

1113
00:39:40,829 --> 00:39:38,880

you do know so that the bigfoot and the

1114

00:39:43,670 --> 00:39:40,839

the upright canine stay away from each

1115

00:39:45,750 --> 00:39:43,680

other uh we don't get any reports of any

1116

00:39:47,270 --> 00:39:45,760

type of you know

1117

00:39:49,109 --> 00:39:47,280

uh

1118

00:39:50,550 --> 00:39:49,119

you know conflicts between these two

1119

00:39:53,030 --> 00:39:50,560

even though when they're they're known

1120

00:39:55,349 --> 00:39:53,040

for being in both areas

1121

00:39:57,270 --> 00:39:55,359

uh misho state park state forest is a

1122

00:40:00,069 --> 00:39:57,280

perfect example we've had bigfoot

1123

00:40:01,910 --> 00:40:00,079

sightings in there for years

1124

00:40:03,510 --> 00:40:01,920

the whole way up into gettysburg and

1125

00:40:04,950 --> 00:40:03,520

along route 30.

1126
00:40:07,349 --> 00:40:04,960
and uh

1127
00:40:08,829 --> 00:40:07,359
but we do get upright k9 sightings as

1128
00:40:11,510 --> 00:40:08,839
well and

1129
00:40:13,109 --> 00:40:11,520
um uh so i don't know you know i guess

1130
00:40:14,309 --> 00:40:13,119
they they're just able to avoid each

1131
00:40:16,230 --> 00:40:14,319
other

1132
00:40:18,069 --> 00:40:16,240
so what else we got here anybody got

1133
00:40:21,030 --> 00:40:18,079
another question do you see additional

1134
00:40:24,069 --> 00:40:21,040
balls of light using infrared

1135
00:40:26,230 --> 00:40:24,079
uh ve camera versus naked eye i do at

1136
00:40:29,750 --> 00:40:26,240
site i'm investigating genesee county

1137
00:40:31,990 --> 00:40:29,760
pot genesee pennsylvania potter county

1138
00:40:33,349 --> 00:40:32,000

i don't know butch what do you say

1139

00:40:40,230 --> 00:40:33,359

uh

1140

00:40:42,870 --> 00:40:40,240

try something

1141

00:40:46,150 --> 00:40:42,880

last summer where we used a

1142

00:40:49,270 --> 00:40:46,160

a regular 35 millimeter film camera

1143

00:40:52,390 --> 00:40:49,280

and we put a red filter on it

1144

00:40:53,430 --> 00:40:52,400

and uh used you know that type of film

1145

00:40:55,750 --> 00:40:53,440

and

1146

00:40:56,870 --> 00:40:55,760

it was interesting but it's very hard to

1147

00:40:59,270 --> 00:40:56,880

make out they

1148

00:41:00,710 --> 00:40:59,280

the pictures turn out to be

1149

00:41:03,109 --> 00:41:00,720

fuzzy around the edges you know you

1150

00:41:06,069 --> 00:41:03,119

don't get a real good definition

1151
00:41:07,990 --> 00:41:06,079
but thermal imaging and and infrared i

1152
00:41:10,550 --> 00:41:08,000
mean we have

1153
00:41:12,790 --> 00:41:10,560
about half a dozen of those types of um

1154
00:41:14,230 --> 00:41:12,800
units and plus we have the cameras also

1155
00:41:16,069 --> 00:41:14,240
but yeah i got a question i got a

1156
00:41:18,870 --> 00:41:16,079
personal question not for me from

1157
00:41:21,750 --> 00:41:18,880
jennifer and jennifer asked me to ask

1158
00:41:24,630 --> 00:41:21,760
you what do you think about

1159
00:41:26,710 --> 00:41:24,640
these upright canines these dog men

1160
00:41:28,550 --> 00:41:26,720
or their adult women are there are there

1161
00:41:31,510 --> 00:41:28,560
actual

1162
00:41:32,870 --> 00:41:31,520
any gender differences or sightings

1163
00:41:34,470 --> 00:41:32,880

where people

1164

00:41:35,670 --> 00:41:34,480

notice any difference between these

1165

00:41:38,950 --> 00:41:35,680

things

1166

00:41:40,550 --> 00:41:38,960

uh no never had any descriptions that's

1167

00:41:43,270 --> 00:41:40,560

what's over

1168

00:41:46,230 --> 00:41:43,280

female wise although in bigfoot there

1169

00:41:48,150 --> 00:41:46,240

have been but not not in the bipedal no

1170

00:41:49,829 --> 00:41:48,160

not at all yeah that's then and that was

1171

00:41:51,910 --> 00:41:49,839

a pretty good question i thought because

1172

00:41:53,430 --> 00:41:51,920

uh

1173

00:41:55,109 --> 00:41:53,440

you know people have gotten pretty close

1174

00:41:57,190 --> 00:41:55,119

to these things you don't see you don't

1175

00:41:58,630 --> 00:41:57,200

hear anything about genitalia you don't

1176
00:42:00,630 --> 00:41:58,640
hear anything about breast you don't

1177
00:42:03,190 --> 00:42:00,640
hear anything about anything

1178
00:42:06,309 --> 00:42:03,200
uh as far as gender so maybe these

1179
00:42:10,550 --> 00:42:08,390
i don't know

1180
00:42:11,829 --> 00:42:10,560
you know maybe they're they're just some

1181
00:42:14,230 --> 00:42:11,839
type of

1182
00:42:16,470 --> 00:42:14,240
uh supernatural being

1183
00:42:17,670 --> 00:42:16,480
that is uh somehow coming down to that

1184
00:42:19,270 --> 00:42:17,680
isn't it

1185
00:42:21,270 --> 00:42:19,280
well i mean it would kind of make you

1186
00:42:23,510 --> 00:42:21,280
think like that but you know the fact

1187
00:42:25,430 --> 00:42:23,520
that we haven't had any things like that

1188
00:42:28,390 --> 00:42:25,440

and i i don't know why i never really

1189

00:42:30,470 --> 00:42:28,400

thought much about that but i you know

1190

00:42:32,309 --> 00:42:30,480

i don't know you know it's just just

1191

00:42:34,790 --> 00:42:32,319

another question that's

1192

00:42:36,630 --> 00:42:34,800

uh you know unbe unable to to really

1193

00:42:38,309 --> 00:42:36,640

answer but

1194

00:42:40,150 --> 00:42:38,319

i'm quite sure somebody's going to come

1195

00:42:41,670 --> 00:42:40,160

back to us and say oh well we had this

1196

00:42:45,190 --> 00:42:41,680

and that so we'll have to wait and see

1197

00:42:47,349 --> 00:42:45,200

maybe somebody will see something uh

1198

00:42:49,349 --> 00:42:47,359

yeah question how many pups been found i

1199

00:42:51,589 --> 00:42:49,359

don't know of any

1200

00:42:53,829 --> 00:42:51,599

no any young

1201

00:42:57,270 --> 00:42:53,839

that's another that's another thing

1202

00:43:00,150 --> 00:42:57,280

nothing even resembles uh you know

1203

00:43:02,230 --> 00:43:00,160

they're all described the same vanillas

1204

00:43:05,750 --> 00:43:02,240

they're all huge beings

1205

00:43:08,309 --> 00:43:05,760

they're they seem to all be full size

1206

00:43:11,670 --> 00:43:08,319

and uh that tends to make me think that

1207

00:43:12,390 --> 00:43:11,680

they're supernatural beings so who knows

1208

00:43:14,069 --> 00:43:12,400

yeah

1209

00:43:16,150 --> 00:43:14,079

now of course we'll get an argument from

1210

00:43:19,349 --> 00:43:16,160

people who

1211

00:43:20,710 --> 00:43:19,359

are aficionados of the dog man or people

1212

00:43:22,309 --> 00:43:20,720

who say that's all they do and they'll

1213

00:43:24,390 --> 00:43:22,319

come up with some kind of

1214

00:43:25,349 --> 00:43:24,400

explanation but no i i haven't seen

1215

00:43:28,470 --> 00:43:25,359

anything

1216

00:43:30,790 --> 00:43:28,480

no uh what is your opinion on dogman

1217

00:43:32,550 --> 00:43:30,800

sasquatch cohabitation

1218

00:43:34,710 --> 00:43:32,560

well they live in the same areas i mean

1219

00:43:37,750 --> 00:43:34,720

we do know that and that was that was

1220

00:43:39,430 --> 00:43:37,760

from jane james west who told us that he

1221

00:43:40,870 --> 00:43:39,440

has bigfoot out there

1222

00:43:44,069 --> 00:43:40,880

that he thinks they're bigfoot out there

1223

00:43:46,230 --> 00:43:44,079

where he had his dog man encounter and i

1224

00:43:48,309 --> 00:43:46,240

i believe that i mean you know i said

1225

00:43:50,069 --> 00:43:48,319

like misha misha definitely got both of

1226
00:43:52,150 --> 00:43:50,079
them in there there's other parts of the

1227
00:43:53,990 --> 00:43:52,160
state as well and even

1228
00:43:55,349 --> 00:43:54,000
outside the state where these things

1229
00:43:57,190 --> 00:43:55,359
cohabituate

1230
00:43:58,870 --> 00:43:57,200
um

1231
00:44:00,150 --> 00:43:58,880
i guess this doesn't matter are they

1232
00:44:04,950 --> 00:44:00,160
both

1233
00:44:07,270 --> 00:44:04,960
i mean

1234
00:44:08,630 --> 00:44:07,280
i said extraterrestrial possibly

1235
00:44:11,910 --> 00:44:08,640
are they uh

1236
00:44:13,750 --> 00:44:11,920
ulta you know interdimensional who knows

1237
00:44:15,030 --> 00:44:13,760
you know we get a lot of strange reports

1238
00:44:16,870 --> 00:44:15,040

regard

1239

00:44:19,190 --> 00:44:16,880

bigfoot as well you know

1240

00:44:21,270 --> 00:44:19,200

it just makes you think what the deal is

1241

00:44:25,910 --> 00:44:21,280

so

1242

00:44:27,589 --> 00:44:25,920

you know

1243

00:44:29,430 --> 00:44:27,599

definitely something out there

1244

00:44:31,990 --> 00:44:29,440

i went to college in clarion

1245

00:44:33,829 --> 00:44:32,000

pennsylvania any reports out there

1246

00:44:36,390 --> 00:44:33,839

well you had to ask paul belugas about

1247

00:44:37,829 --> 00:44:36,400

that's why i think he went to college at

1248

00:44:39,510 --> 00:44:37,839

i don't know if paul's ever heard of

1249

00:44:40,630 --> 00:44:39,520

anything out there he's never mentioned

1250

00:44:41,910 --> 00:44:40,640

to me

1251
00:44:43,670 --> 00:44:41,920
um

1252
00:44:45,670 --> 00:44:43,680
i don't know

1253
00:44:48,630 --> 00:44:45,680
no i haven't seen any

1254
00:44:50,950 --> 00:44:48,640
yeah yeah

1255
00:44:51,990 --> 00:44:50,960
that would be up towards i guess close

1256
00:44:53,670 --> 00:44:52,000
up towards

1257
00:44:55,990 --> 00:44:53,680
alleggheny uh and of course we've had

1258
00:44:57,030 --> 00:44:56,000
sightings in alleggheny

1259
00:44:58,950 --> 00:44:57,040
yeah

1260
00:45:02,150 --> 00:44:58,960
i don't know

1261
00:45:04,870 --> 00:45:02,160
uh okay butch i'll send you our den

1262
00:45:07,430 --> 00:45:04,880
photos and there are pups

1263
00:45:08,950 --> 00:45:07,440

okay well do that send it to us right

1264

00:45:10,870 --> 00:45:08,960

look at them

1265

00:45:13,829 --> 00:45:10,880

and uh let's see

1266

00:45:17,109 --> 00:45:13,839

any other questions

1267

00:45:20,630 --> 00:45:18,630

on folks

1268

00:45:23,270 --> 00:45:20,640

you guys for another 15 minutes you got

1269

00:45:26,230 --> 00:45:23,280

questions let us know

1270

00:45:27,190 --> 00:45:26,240

we're here to answer

1271

00:45:29,589 --> 00:45:27,200

um

1272

00:45:32,870 --> 00:45:29,599

are they attracted to warm climates

1273

00:45:34,950 --> 00:45:32,880

mexico central south america

1274

00:45:36,230 --> 00:45:34,960

well i don't know i i have no

1275

00:45:38,470 --> 00:45:36,240

they may be

1276

00:45:41,030 --> 00:45:38,480

mostly mexico central and south america

1277

00:45:42,870 --> 00:45:41,040

they talk about werewolves yeah you know

1278

00:45:44,230 --> 00:45:42,880

the changeover you know where you know

1279

00:45:45,430 --> 00:45:44,240

you're talking to the guy you own five

1280

00:45:46,710 --> 00:45:45,440

bucks and he said you don't pay him he

1281

00:45:49,109 --> 00:45:46,720

turns into a werewolf and rip your head

1282

00:45:52,390 --> 00:45:49,119

off sure uh but that that that has

1283

00:45:55,030 --> 00:45:52,400

always been that area of mexico and uh

1284

00:45:56,150 --> 00:45:55,040

central and south america

1285

00:45:58,230 --> 00:45:56,160

and

1286

00:46:00,550 --> 00:45:58,240

a lot of a lot in the same area down

1287

00:46:03,430 --> 00:46:00,560

there where they have uh you know the

1288

00:46:06,309 --> 00:46:03,440

the disappearing witches uh

1289

00:46:08,150 --> 00:46:06,319

you know yeah flying witches

1290

00:46:09,109 --> 00:46:08,160

well you know down in mexico they have a

1291

00:46:11,270 --> 00:46:09,119

lot of

1292

00:46:14,470 --> 00:46:11,280

natural caning species they have the

1293

00:46:16,150 --> 00:46:14,480

mexican wolf and a few other things uh i

1294

00:46:18,390 --> 00:46:16,160

don't know if they could be could be

1295

00:46:20,950 --> 00:46:18,400

mistaken for

1296

00:46:23,030 --> 00:46:20,960

any of these type of upright canines or

1297

00:46:26,150 --> 00:46:23,040

dog man or whatever but you know i know

1298

00:46:27,030 --> 00:46:26,160

they're out there so

1299

00:46:29,270 --> 00:46:27,040

uh

1300

00:46:32,309 --> 00:46:29,280

are either one of you familiar with

1301

00:46:34,309 --> 00:46:32,319

victor the alleged government agent

1302

00:46:36,069 --> 00:46:34,319

that worked with the government breeding

1303

00:46:39,270 --> 00:46:36,079

program is so what your opinions

1304

00:46:40,870 --> 00:46:39,280

appreciate all your time guys

1305

00:46:42,390 --> 00:46:40,880

i'm not familiar with that name i've

1306

00:46:44,710 --> 00:46:42,400

heard a lot of names over the years but

1307

00:46:46,309 --> 00:46:44,720

that's a new one yeah i mean either

1308

00:46:48,470 --> 00:46:46,319

somebody is involved with something that

1309

00:46:49,990 --> 00:46:48,480

we know about i you know these breeding

1310

00:46:52,710 --> 00:46:50,000

programs

1311

00:46:56,390 --> 00:46:52,720

oh god you know you know i lived down

1312

00:46:58,069 --> 00:46:56,400

around baltimore for a long time and i

1313

00:46:59,750 --> 00:46:58,079

heard a lot of different stuff you know

1314

00:47:01,670 --> 00:46:59,760

down there where edgewood is and down

1315

00:47:03,829 --> 00:47:01,680

there where uh aberdeen

1316

00:47:05,510 --> 00:47:03,839

proving grounds are there's been talk

1317

00:47:07,349 --> 00:47:05,520

about bigfoot

1318

00:47:10,710 --> 00:47:07,359

breeding in there for years of course

1319

00:47:12,150 --> 00:47:10,720

when i had that encounter back in 81

1320

00:47:14,069 --> 00:47:12,160

i was thinking well maybe something

1321

00:47:15,750 --> 00:47:14,079

escaped from somewhere out there because

1322

00:47:16,790 --> 00:47:15,760

they were they were on this thing right

1323

00:47:18,630 --> 00:47:16,800

away

1324

00:47:20,309 --> 00:47:18,640

so uh

1325

00:47:22,950 --> 00:47:20,319

are there breeding is there breeding

1326

00:47:24,630 --> 00:47:22,960

activity act possibly

1327

00:47:27,829 --> 00:47:24,640

you know it wouldn't surprise me you

1328

00:47:34,309 --> 00:47:29,910

there's been a lot

1329

00:47:38,470 --> 00:47:35,910

thoughts that this may actually be

1330

00:47:40,630 --> 00:47:38,480

what's going on but i don't know

1331

00:47:42,390 --> 00:47:40,640

you know it's hard to prove that

1332

00:47:43,990 --> 00:47:42,400

you know if i if i hit on something one

1333

00:47:46,309 --> 00:47:44,000

day then i start getting a knock room

1334

00:47:47,589 --> 00:47:46,319

door then i know i struck a nerve

1335

00:47:49,109 --> 00:47:47,599

so

1336

00:47:53,670 --> 00:47:49,119

and i haven't had anybody knocking the

1337

00:47:55,430 --> 00:47:53,680

door about that not yet anyway so um

1338

00:47:58,150 --> 00:47:55,440

what experiences has butch personally

1339

00:47:59,510 --> 00:47:58,160

had with dog men

1340

00:48:00,870 --> 00:47:59,520

personally

1341

00:48:02,390 --> 00:48:00,880

none

1342

00:48:06,230 --> 00:48:02,400

no you're gonna keep it that way too

1343

00:48:08,309 --> 00:48:06,240

can't you yeah as long as i can yeah

1344

00:48:10,150 --> 00:48:08,319

yeah they scared the hell out of me i

1345

00:48:11,430 --> 00:48:10,160

know i mean what guys one guy said do

1346

00:48:13,030 --> 00:48:11,440

you go armed when you go looking for

1347

00:48:13,910 --> 00:48:13,040

these things i look them up like what do

1348

00:48:14,630 --> 00:48:13,920

you think

1349

00:48:16,150 --> 00:48:14,640

yeah

1350

00:48:17,670 --> 00:48:16,160

are you kidding me

1351

00:48:19,270 --> 00:48:17,680

yeah i'm the same way i don't want to

1352

00:48:20,950 --> 00:48:19,280

run into one of those things they scared

1353

00:48:23,270 --> 00:48:20,960

a crap on me

1354

00:48:26,790 --> 00:48:23,280

i'm new to dog man this is from wild

1355

00:48:29,430 --> 00:48:26,800

trees are there any good photos of them

1356

00:48:32,150 --> 00:48:29,440

artwork yes photos yeah there's a lot of

1357

00:48:33,430 --> 00:48:32,160

good artwork out there but quite frankly

1358

00:48:35,910 --> 00:48:33,440

i don't know

1359

00:48:38,309 --> 00:48:35,920

i i'd say the best picture is the the

1360

00:48:40,390 --> 00:48:38,319

seven shoots picture up the photograph

1361

00:48:43,670 --> 00:48:40,400

up there in um

1362

00:48:46,950 --> 00:48:43,680

in quebec that's probably the best one

1363

00:48:48,950 --> 00:48:46,960

and i do believe that's a canid uh and

1364

00:48:50,710 --> 00:48:48,960

actually he's holding a white little

1365

00:48:53,109 --> 00:48:50,720

white dog or something

1366

00:48:55,109 --> 00:48:53,119

maybe that's dinner i had no idea but no

1367

00:48:57,589 --> 00:48:55,119

no that's probably the best photograph

1368

00:48:59,190 --> 00:48:57,599

i've seen yeah um

1369

00:49:01,430 --> 00:48:59,200

our our

1370

00:49:04,870 --> 00:49:01,440

our uh

1371

00:49:06,470 --> 00:49:04,880

of our drawing oven we had done strictly

1372

00:49:08,150 --> 00:49:06,480

from

1373

00:49:09,430 --> 00:49:08,160

how i did it was i just took the

1374

00:49:11,270 --> 00:49:09,440

descriptions from seven different

1375

00:49:14,309 --> 00:49:11,280

reports and turned them over to a

1376

00:49:17,190 --> 00:49:14,319

gentleman was an artist for the fbi

1377

00:49:18,710 --> 00:49:17,200

and i said just draw what they're saying

1378

00:49:21,190 --> 00:49:18,720

they see

1379

00:49:22,230 --> 00:49:21,200

and that's what we stuck with

1380

00:49:24,230 --> 00:49:22,240

so

1381

00:49:26,870 --> 00:49:24,240

uh it is what it is well that's what i

1382

00:49:29,589 --> 00:49:26,880

did with sykesville bigfoot yeah same

1383

00:49:32,309 --> 00:49:29,599

thing monster i had oh it took all that

1384

00:49:34,150 --> 00:49:32,319

i took all that imagery and uh my

1385

00:49:36,230 --> 00:49:34,160

inventory but what they described

1386

00:49:38,150 --> 00:49:36,240

sketches and such

1387

00:49:40,950 --> 00:49:38,160

use the base

1388

00:49:43,030 --> 00:49:40,960

from what he this was a forensic artist

1389

00:49:45,349 --> 00:49:43,040

retired down in florida

1390

00:49:46,870 --> 00:49:45,359

and he took a base photograph because

1391

00:49:49,190 --> 00:49:46,880

from my description i said it looked

1392

00:49:51,030 --> 00:49:49,200

like a neanderthal

1393

00:49:53,030 --> 00:49:51,040

so he took what

1394

00:49:54,870 --> 00:49:53,040

some would say would be the the head of

1395

00:49:56,069 --> 00:49:54,880

a neanderthal

1396

00:49:56,829 --> 00:49:56,079

uh

1397

00:50:00,790 --> 00:49:56,839

you know

1398

00:50:03,510 --> 00:50:00,800

anthropological being and um

1399

00:50:05,430 --> 00:50:03,520

uh then went to there went with that and

1400

00:50:07,349 --> 00:50:05,440

uh then took the other and we had a lot

1401

00:50:08,790 --> 00:50:07,359

of i had a lot of descriptions and

1402

00:50:11,109 --> 00:50:08,800

that's when he ended up with what he

1403

00:50:14,549 --> 00:50:11,119

ended up with so um

1404

00:50:16,150 --> 00:50:14,559

you know and quite frankly what i saw

1405

00:50:17,910 --> 00:50:16,160

looked very much like that picture i've

1406

00:50:19,670 --> 00:50:17,920

shown over the years

1407

00:50:21,750 --> 00:50:19,680

so um yeah

1408

00:50:22,790 --> 00:50:21,760

as far as dogman upright canine i don't

1409

00:50:27,270 --> 00:50:22,800

know

1410

00:50:29,109 --> 00:50:27,280

that has convinced me

1411

00:50:31,670 --> 00:50:29,119

either way other than what i saw at the

1412

00:50:33,430 --> 00:50:31,680

seven shoots and that

1413

00:50:36,150 --> 00:50:33,440

that was a monstrous looking thing

1414

00:50:38,870 --> 00:50:36,160

anyway so

1415

00:50:43,670 --> 00:50:38,880

are there are decrease in wolves coyote

1416

00:50:48,630 --> 00:50:45,190

koi wolves

1417

00:50:50,549 --> 00:50:48,640

tons of them they're all over the state

1418

00:50:53,109 --> 00:50:50,559

yeah they they have increased

1419

00:50:55,190 --> 00:50:53,119

pennsylvania particularly but they those

1420

00:50:59,109 --> 00:50:55,200

acts those actually were

1421

00:51:01,589 --> 00:50:59,119

uh hybrids of wolves and uh and coyotes

1422

00:51:03,589 --> 00:51:01,599

it mostly started up into southern

1423

00:51:06,549 --> 00:51:03,599

ontario up around actually up around

1424

00:51:08,390 --> 00:51:06,559

toronto my god you go up toronto out

1425

00:51:09,270 --> 00:51:08,400

into the parks and stuff outside the

1426

00:51:12,549 --> 00:51:09,280

city

1427

00:51:15,190 --> 00:51:12,559

there are koi wolves everywhere and

1428

00:51:17,430 --> 00:51:15,200

they're not nothing to mess with no no

1429

00:51:19,510 --> 00:51:17,440

they do they're aggressive they have

1430

00:51:20,950 --> 00:51:19,520

they have that wolf mentality yeah so

1431

00:51:23,030 --> 00:51:20,960

you might be staring one down in the

1432

00:51:24,950 --> 00:51:23,040

front and there's 15 in the back

1433

00:51:27,349 --> 00:51:24,960

they kind of look like a they kind of

1434

00:51:30,870 --> 00:51:27,359

look like a coyote

1435

00:51:34,230 --> 00:51:30,880

with a long with long legs

1436

00:51:38,470 --> 00:51:34,240

and type you know like a like a thick

1437

00:51:39,910 --> 00:51:38,480

high um a thick wolf body and tail

1438

00:51:41,750 --> 00:51:39,920

but they got the coyote head they're

1439

00:51:43,109 --> 00:51:41,760

kind of kind of weird looking but no

1440

00:51:47,670 --> 00:51:43,119

they're aggressive

1441

00:51:50,309 --> 00:51:47,680

really are and uh they they really do

1442

00:51:52,309 --> 00:51:50,319

protect their young too and um i've

1443

00:51:53,829 --> 00:51:52,319

talked to several canadians and they

1444

00:51:55,109 --> 00:51:53,839

tell me the same thing they don't like

1445

00:51:57,190 --> 00:51:55,119

foreign

1446

00:51:58,950 --> 00:51:57,200

but i i do believe that they've come

1447

00:52:01,510 --> 00:51:58,960

down here from there

1448

00:52:03,109 --> 00:52:01,520

now is there are there

1449

00:52:05,349 --> 00:52:03,119

you're breeding populations here in

1450

00:52:07,430 --> 00:52:05,359

pennsylvania in new york

1451

00:52:08,710 --> 00:52:07,440

i don't know i know you've seen them

1452

00:52:11,270 --> 00:52:08,720

yeah so

1453

00:52:12,790 --> 00:52:11,280

up in clearfield yeah

1454

00:52:15,190 --> 00:52:12,800

park ranger even came out and warned us

1455

00:52:16,549 --> 00:52:15,200

when we got there yeah that you know he

1456

00:52:18,470 --> 00:52:16,559

said that he whipped out his phone he

1457

00:52:20,710 --> 00:52:18,480

showed me a picture of ten he showed me

1458

00:52:22,390 --> 00:52:20,720

a picture of fifteen yeah they're all

1459

00:52:24,390 --> 00:52:22,400

over the place and he said they're

1460

00:52:26,390 --> 00:52:24,400

aggressive if you if you're armed he

1461

00:52:27,829 --> 00:52:26,400

said stay armed won't bother you during

1462

00:52:32,069 --> 00:52:27,839

the daytime but at night time he said

1463

00:52:37,750 --> 00:52:34,710

other questions has butch read about the

1464

00:52:40,549 --> 00:52:37,760

flixtton werewolf in yorkshire

1465

00:52:42,230 --> 00:52:40,559

no but if you send it to me i will

1466

00:52:47,510 --> 00:52:42,240

i've actually

1467

00:52:51,589 --> 00:52:49,270

yeah but it was a cryptid investigator

1468

00:52:54,069 --> 00:52:51,599

out in great britain who's actually

1469

00:52:56,150 --> 00:52:54,079

looked into that but i've heard of that

1470

00:52:58,230 --> 00:52:56,160

yeah i think maybe um

1471

00:52:59,990 --> 00:52:58,240

i forget who it was but i i had read

1472

00:53:01,670 --> 00:53:00,000

about it but it's an interesting it's an

1473

00:53:03,190 --> 00:53:01,680

interesting uh

1474

00:53:05,510 --> 00:53:03,200

uh

1475

00:53:07,670 --> 00:53:05,520

site or a group of sightings out there

1476
00:53:10,309 --> 00:53:07,680
apparently this being

1477
00:53:12,309 --> 00:53:10,319
just shows up i mean you know it's it

1478
00:53:13,349 --> 00:53:12,319
from what i understand

1479
00:53:16,150 --> 00:53:13,359
the ones

1480
00:53:18,950 --> 00:53:16,160
the sightings in yorkshire are on those

1481
00:53:20,790 --> 00:53:18,960
cliff areas near the beaches

1482
00:53:23,030 --> 00:53:20,800
off the uh off the sea

1483
00:53:24,630 --> 00:53:23,040
paul sinclair there it is

1484
00:53:26,470 --> 00:53:24,640
yeah that's who it was

1485
00:53:29,589 --> 00:53:26,480
yeah because i had paul on the show a

1486
00:53:31,670 --> 00:53:29,599
couple times actually years ago yeah

1487
00:53:32,870 --> 00:53:31,680
that's who wrote about paul

1488
00:53:34,710 --> 00:53:32,880

um

1489

00:53:38,390 --> 00:53:34,720

yeah so

1490

00:53:40,309 --> 00:53:38,400

any other questions what about johnstown

1491

00:53:41,109 --> 00:53:40,319

area huh what about the johnstown area i

1492

00:53:44,470 --> 00:53:41,119

got

1493

00:53:46,790 --> 00:53:44,480

working on now

1494

00:53:48,950 --> 00:53:46,800

uh well over in somerset but this

1495

00:53:51,910 --> 00:53:48,960

started in johnstown

1496

00:53:54,150 --> 00:53:51,920

and uh you know with all the crap that's

1497

00:53:56,470 --> 00:53:54,160

happened in johnstown over the years let

1498

00:53:58,549 --> 00:53:56,480

alone you know the flood

1499

00:54:01,109 --> 00:53:58,559

and then with uh

1500

00:54:02,790 --> 00:54:01,119

fly you know with shanks thrill with

1501
00:54:05,510 --> 00:54:02,800
flight 93

1502
00:54:07,589 --> 00:54:05,520
and all the other

1503
00:54:09,750 --> 00:54:07,599
bad stuff that has happened around there

1504
00:54:12,069 --> 00:54:09,760
with drugs and all the

1505
00:54:14,710 --> 00:54:12,079
dysfunction and all it

1506
00:54:17,349 --> 00:54:14,720
yeah it's like a powder cake that area a

1507
00:54:19,270 --> 00:54:17,359
lot of paranormal up there oh yeah as

1508
00:54:21,670 --> 00:54:19,280
far as upright canines you know i think

1509
00:54:25,030 --> 00:54:21,680
the closest that we have had

1510
00:54:26,230 --> 00:54:25,040
has been in cambria county up in um

1511
00:54:28,630 --> 00:54:26,240
what's the name of that town where we

1512
00:54:32,950 --> 00:54:28,640
had a couple sightings at butch

1513
00:54:36,549 --> 00:54:34,069

yeah yeah why don't you do something

1514

00:54:38,309 --> 00:54:36,559

easy yeah

1515

00:54:39,990 --> 00:54:38,319

but there are reports in that area yeah

1516

00:54:41,270 --> 00:54:40,000

cambria a lot of them

1517

00:54:44,549 --> 00:54:41,280

but there's

1518

00:54:46,789 --> 00:54:44,559

and in fact we've had sightings of white

1519

00:54:48,710 --> 00:54:46,799

canines as well so i don't know if they

1520

00:54:49,670 --> 00:54:48,720

were apparitions or something else you

1521

00:54:52,230 --> 00:54:49,680

know

1522

00:54:54,309 --> 00:54:52,240

um i think people are actually seeing

1523

00:54:55,589 --> 00:54:54,319

these pale humanoids

1524

00:54:57,349 --> 00:54:55,599

and of course we're getting those

1525

00:54:59,270 --> 00:54:57,359

settings and butch talked about that out

1526

00:55:00,549 --> 00:54:59,280

there at french

1527

00:55:03,750 --> 00:55:00,559

french creek

1528

00:55:05,430 --> 00:55:03,760

where they had the pale humanoids um

1529

00:55:07,190 --> 00:55:05,440

sightings reported so you know that's

1530

00:55:09,829 --> 00:55:07,200

something we're working on

1531

00:55:11,430 --> 00:55:09,839

and that'll all be in the book when i

1532

00:55:13,750 --> 00:55:11,440

finally get done with it which i'm

1533

00:55:16,549 --> 00:55:13,760

working on now

1534

00:55:18,549 --> 00:55:16,559

but let's see

1535

00:55:22,390 --> 00:55:18,559

do you think these dog men are being

1536

00:55:26,789 --> 00:55:24,789

i i wouldn't necessarily say conjured i

1537

00:55:27,670 --> 00:55:26,799

i'd say

1538

00:55:29,910 --> 00:55:27,680

uh

1539

00:55:32,230 --> 00:55:29,920

like you know maybe just like what we've

1540

00:55:34,950 --> 00:55:32,240

been thinking about in chicago and more

1541

00:55:36,710 --> 00:55:34,960

recently ultra terrestrial activity are

1542

00:55:38,230 --> 00:55:36,720

these things actually also terrestrial

1543

00:55:40,230 --> 00:55:38,240

no that's a good that that's a good

1544

00:55:42,150 --> 00:55:40,240

question to ask because

1545

00:55:43,990 --> 00:55:42,160

i i think with some of the revelations

1546

00:55:46,470 --> 00:55:44,000

we have gotten more recently there could

1547

00:55:48,789 --> 00:55:46,480

be a possibility that be true

1548

00:55:50,069 --> 00:55:48,799

so but i conjured i don't know if they'd

1549

00:55:51,510 --> 00:55:50,079

be conjured i wouldn't know what they'd

1550

00:55:53,430 --> 00:55:51,520

be conjured for

1551
00:55:55,670 --> 00:55:53,440
uh i don't know who would be conjuring

1552
00:55:58,150 --> 00:55:55,680
them for what reason that sentinels or

1553
00:56:01,190 --> 00:55:58,160
guardians i just haven't seen that i

1554
00:56:03,349 --> 00:56:01,200
mean they seem to be pretty sporadic

1555
00:56:05,270 --> 00:56:03,359
so

1556
00:56:07,349 --> 00:56:05,280
my wife and i live in shippensburg and

1557
00:56:08,789 --> 00:56:07,359
michoa state forest i have seen blue

1558
00:56:10,150 --> 00:56:08,799
white orbs there

1559
00:56:12,069 --> 00:56:10,160
what are they

1560
00:56:14,549 --> 00:56:12,079
just part of everything else is that's

1561
00:56:16,950 --> 00:56:14,559
associated with these cryptids

1562
00:56:18,789 --> 00:56:16,960
and and all the other phenomena as well

1563
00:56:20,069 --> 00:56:18,799

um

1564

00:56:22,150 --> 00:56:20,079

you know we had a sighting up near

1565

00:56:23,990 --> 00:56:22,160

shippensburg not long ago

1566

00:56:26,549 --> 00:56:24,000

of something i don't know what the hell

1567

00:56:28,230 --> 00:56:26,559

this was it was huge the guy saw it said

1568

00:56:31,990 --> 00:56:28,240

it looked like a damn cow but it had a

1569

00:56:34,150 --> 00:56:32,000

canine face to it and uh very muscular

1570

00:56:36,150 --> 00:56:34,160

huge huge bean

1571

00:56:38,069 --> 00:56:36,160

and uh

1572

00:56:40,390 --> 00:56:38,079

he was a garbage man on his route up in

1573

00:56:41,910 --> 00:56:40,400

shippensburg and uh

1574

00:56:43,589 --> 00:56:41,920

he said he saw it in the field he didn't

1575

00:56:45,750 --> 00:56:43,599

know what it was but yeah there's

1576
00:56:47,349 --> 00:56:45,760
sightings up and that's for white blue

1577
00:56:49,270 --> 00:56:47,359
and white orbs

1578
00:56:50,710 --> 00:56:49,280
we get blue and white orb settings

1579
00:56:52,950 --> 00:56:50,720
associated with a lot of different

1580
00:56:54,950 --> 00:56:52,960
phenomena even bigfoot

1581
00:56:56,470 --> 00:56:54,960
there were also some reports of the

1582
00:56:58,630 --> 00:56:56,480
flash of light in the woods bigfoot

1583
00:57:00,230 --> 00:56:58,640
appears flash of light he disappears in

1584
00:57:01,829 --> 00:57:00,240
that same area

1585
00:57:03,349 --> 00:57:01,839
yeah it happens i mean we get a lot of

1586
00:57:04,870 --> 00:57:03,359
that stuff so

1587
00:57:05,990 --> 00:57:04,880
you know i you know when people talk

1588
00:57:08,230 --> 00:57:06,000

about

1589

00:57:09,990 --> 00:57:08,240

uh phenomena being associated with a

1590

00:57:11,109 --> 00:57:10,000

phenomenon well that's that's what

1591

00:57:13,510 --> 00:57:11,119

happens

1592

00:57:15,430 --> 00:57:13,520

you know i i pretty well expect that

1593

00:57:16,870 --> 00:57:15,440

when we get a sighting

1594

00:57:17,750 --> 00:57:16,880

that something else is going to show up

1595

00:57:19,190 --> 00:57:17,760

with it

1596

00:57:20,470 --> 00:57:19,200

you know that's that's just the name of

1597

00:57:22,150 --> 00:57:20,480

the game now

1598

00:57:24,150 --> 00:57:22,160

uh

1599

00:57:26,789 --> 00:57:24,160

it just happens you know there's there

1600

00:57:28,630 --> 00:57:26,799

seems to be paranormal activity

1601
00:57:30,789 --> 00:57:28,640
spiritual side or

1602
00:57:31,750 --> 00:57:30,799
maybe extraterrestrial ultra terrestrial

1603
00:57:33,349 --> 00:57:31,760
side

1604
00:57:36,150 --> 00:57:33,359
as related to

1605
00:57:38,309 --> 00:57:36,160
cryptic sightings you know

1606
00:57:40,390 --> 00:57:38,319
it just seems to work out like that so

1607
00:57:41,589 --> 00:57:40,400
we got we got a time for another

1608
00:57:43,589 --> 00:57:41,599
question

1609
00:57:46,309 --> 00:57:43,599
are there any reports by the amish can

1610
00:57:48,150 --> 00:57:46,319
you speak about them yeah i can

1611
00:57:50,230 --> 00:57:48,160
i had a report now it was an upright

1612
00:57:51,829 --> 00:57:50,240
canine i don't think

1613
00:57:54,390 --> 00:57:51,839

but this was something that happened

1614

00:57:57,349 --> 00:57:54,400

several years ago um

1615

00:57:59,190 --> 00:57:57,359

the report that came to me from a uh a

1616

00:58:00,710 --> 00:57:59,200

milk delivery person a guy used to pick

1617

00:58:02,710 --> 00:58:00,720

up the milk at

1618

00:58:05,190 --> 00:58:02,720

one of these farms and uh it's actually

1619

00:58:06,710 --> 00:58:05,200

down to strasbourg which is lancaster

1620

00:58:09,430 --> 00:58:06,720

county

1621

00:58:12,630 --> 00:58:09,440

and this old amish farmer and his son

1622

00:58:15,109 --> 00:58:12,640

saw this thing out out in the field

1623

00:58:17,990 --> 00:58:15,119

and he called it a wild man had had

1624

00:58:20,710 --> 00:58:18,000

actually had overhauls on

1625

00:58:22,630 --> 00:58:20,720

and it had hair and everything else

1626
00:58:23,670 --> 00:58:22,640
he wasn't you know i never talked to the

1627
00:58:25,190 --> 00:58:23,680
guy

1628
00:58:27,750 --> 00:58:25,200
uh but

1629
00:58:29,910 --> 00:58:27,760
this milkman did he went back and

1630
00:58:30,870 --> 00:58:29,920
questioned a bit then he stopped talking

1631
00:58:32,950 --> 00:58:30,880
about it

1632
00:58:35,430 --> 00:58:32,960
but what his account was they saw this

1633
00:58:37,910 --> 00:58:35,440
thing coming in from the field

1634
00:58:39,910 --> 00:58:37,920
they ran in the house just sitting in

1635
00:58:41,990 --> 00:58:39,920
the house watching this thing

1636
00:58:45,030 --> 00:58:42,000
you know just wandering around the farm

1637
00:58:46,230 --> 00:58:45,040
but he described as a large

1638
00:58:47,349 --> 00:58:46,240

hairy

1639

00:58:49,670 --> 00:58:47,359

wow man

1640

00:58:51,270 --> 00:58:49,680

that had coveralls on

1641

00:58:53,109 --> 00:58:51,280

and uh

1642

00:58:54,710 --> 00:58:53,119

when when the old man went out there to

1643

00:58:56,470 --> 00:58:54,720

confront this thing he thought it was

1644

00:58:57,750 --> 00:58:56,480

calm enough that he could go talk to it

1645

00:58:59,349 --> 00:58:57,760

or whatever

1646

00:59:01,270 --> 00:58:59,359

he said when he came out and noticed him

1647

00:59:03,109 --> 00:59:01,280

coming out it started walking towards

1648

00:59:05,270 --> 00:59:03,119

the farm the barn

1649

00:59:08,950 --> 00:59:05,280

and when it got so close to the barn it

1650

00:59:11,829 --> 00:59:08,960

just suddenly disappeared just vanished

1651

00:59:13,990 --> 00:59:11,839

so i don't know he you know i i'm quite

1652

00:59:15,990 --> 00:59:14,000

sure that uh that amishman didn't have

1653

00:59:19,270 --> 00:59:16,000

much to say at the meeting next saturday

1654

00:59:21,990 --> 00:59:19,280

but he was uh

1655

00:59:24,069 --> 00:59:22,000

that was a pretty interesting report

1656

00:59:25,510 --> 00:59:24,079

okay folks well i tell you what i i want

1657

00:59:26,950 --> 00:59:25,520

to thank you for

1658

00:59:28,710 --> 00:59:26,960

the questions they were excellent

1659

00:59:30,390 --> 00:59:28,720

questions and uh

1660

00:59:32,470 --> 00:59:30,400

of course butch you know you're welcome

you know god knows what we run into so

1663

00:59:38,150 --> 00:59:36,720

sometimes we we may get something

1664

00:59:40,309 --> 00:59:38,160

important that we might have to talk

1665

00:59:41,750 --> 00:59:40,319

about have to have you come on but again

1666

00:59:43,589 --> 00:59:41,760

absolutely

1670

00:59:50,870 --> 00:59:48,960

uh i want to again thank butch wikowski

subscribe and share

1681

01:00:16,710 --> 01:00:15,520

now next week we'll be discussing indrid

1682

01:00:18,630 --> 01:00:16,720

cold

1683

01:00:21,270 --> 01:00:18,640

with time to derenberger the author of

1684

01:00:23,109 --> 01:00:21,280

beyond landlords over 50 our 50 years

1685

01:00:25,270 --> 01:00:23,119

with indrid cold

1686

01:00:27,270 --> 01:00:25,280

now tanya was supposed to have been on a

1687

01:00:29,270 --> 01:00:27,280

couple months ago but there was a

1688

01:00:31,030 --> 01:00:29,280

medical issue so

1689

01:00:33,190 --> 01:00:31,040

she's been kind enough to reschedule

1690

01:00:34,230 --> 01:00:33,200

with us again so um

1691

01:00:36,390 --> 01:00:34,240

that should be an interesting

1692

01:00:37,510 --> 01:00:36,400

conversation i've read the book and it's

1693

01:00:39,589 --> 01:00:37,520

uh

1694

01:00:42,069 --> 01:00:39,599

it's a strange story i mean people that

1695

01:00:44,789 --> 01:00:42,079

are familiar with the grinning man or

1696

01:00:48,390 --> 01:00:44,799

injured cold and some of the stuff that

1697

01:00:50,230 --> 01:00:48,400

her father uh woody derenberger

1698

01:00:52,950 --> 01:00:50,240

discussed and

1699

01:00:54,870 --> 01:00:52,960

proclaimed over the years it it was an

1700

01:00:56,870 --> 01:00:54,880

interesting story so yeah join us for

1701

01:00:58,549 --> 01:00:56,880

that it'll be quite interesting so until

1702

01:01:09,360 --> 01:00:58,559

next week stay healthy have a safe and

1703

01:01:09,370 --> 01:01:22,000

[Music]

1704

01:01:22,010 --> 01:01:47,080

[Applause]
