Lon Strickler**

SUPERCHAT AUDIENCE Q&A - LON ANSWERS YOUR QUESTIONS. Sept

1
00:00:06,789 --> 00:00:04,150

[Music]

2
00:00:08,390 --> 00:00:06,799

the oldest and strongest human emotion

3
00:00:10,549 --> 00:00:08,400

is fear

4
00:00:11,589 --> 00:00:10,559

and the oldest and strongest type of

5
00:00:14,789 --> 00:00:11,599

fear

6
00:00:17,189 --> 00:00:14,799

is trepidation of the unknown

7
00:00:20,630 --> 00:00:17,199

when we were children our parents told

8
00:00:23,109 --> 00:00:20,640

us that monsters didn't exist

9
00:00:26,310 --> 00:00:23,119

but we were sure that something was

10
00:00:30,870 --> 00:00:26,320

lurking under the bed or in the closet

11
00:00:33,830 --> 00:00:30,880

fear sees even if our eyes are closed

12
00:00:36,150 --> 00:00:33,840

welcome to the realm of the arcane

13
00:00:38,470 --> 00:00:36,160

my name is lon strickler

14

00:00:39,590 --> 00:00:38,480

join me as i examine unexplained

15

00:00:42,229 --> 00:00:39,600

creatures

16

00:00:44,549 --> 00:00:42,239

strange manifestations and remarkable

17

00:00:47,590 --> 00:00:44,559

realities

18

00:00:50,229 --> 00:00:47,600

imagine this next hour as a voyage of

19

00:00:52,709 --> 00:00:50,239

discovery to strange lands

20

00:00:54,229 --> 00:00:52,719

seeking not for new territory

21

00:00:55,750 --> 00:00:54,239

but for new knowledge of the

22

00:00:58,630 --> 00:00:55,760

supernatural

23

00:00:59,970 --> 00:00:58,640

come on board as we begin this adventure

24

00:01:03,270 --> 00:00:59,980

together

25

00:01:07,830 --> 00:01:05,509

hey folks good evening and welcome to

26

00:01:10,070 --> 00:01:07,840

another episode of arcane radio where we

27

00:01:11,510 --> 00:01:10,080

explore the unexplained live on beyond

28

00:01:13,510 --> 00:01:11,520

explanation

29

00:01:15,749 --> 00:01:13,520

i'm your host lon stricker coming to you

30

00:01:18,230 --> 00:01:15,759

within a candid shot of hal fields of

31

00:01:20,710 --> 00:01:18,240

gettysburg pennsylvania

32

00:01:22,390 --> 00:01:20,720

thanks for joining us now quick note as

33

00:01:24,390 --> 00:01:22,400

usual arcane radio and beyond

34

00:01:26,710 --> 00:01:24,400

explanation channel is made possible by

35

00:01:28,789 --> 00:01:26,720

you liking subscribing and sharing our

36

00:01:31,030 --> 00:01:28,799

programming

37

00:01:33,109 --> 00:01:31,040

like tonight super chat donations are

38

00:01:34,870 --> 00:01:33,119

essential for us to continue offering

39

00:01:37,190 --> 00:01:34,880

our unique content

40

00:01:40,230 --> 00:01:37,200

and your consideration is very much

41

00:01:41,270 --> 00:01:40,240

needed and appreciated now

42

00:01:44,550 --> 00:01:41,280

tonight

43

00:01:47,270 --> 00:01:44,560

we are going to have a

44

00:01:49,670 --> 00:01:47,280

question and answer ask lon anything or

45

00:01:50,950 --> 00:01:49,680

whatever you want to call it session

46

00:01:53,830 --> 00:01:50,960

um

47

00:01:54,710 --> 00:01:53,840

our our guest kind of bailed on us so uh

48

00:01:56,550 --> 00:01:54,720

were

49

00:01:58,870 --> 00:01:56,560

we had to kind of rush around yesterday

50

00:02:01,190 --> 00:01:58,880

and get this all put together

51

00:02:04,069 --> 00:02:01,200

but anyway um

52

00:02:06,310 --> 00:02:04,079

what i need for you to do

53

00:02:07,990 --> 00:02:06,320

is to post your question in the chat

54

00:02:11,110 --> 00:02:08,000

room

55

00:02:12,390 --> 00:02:11,120

uh all caps and

56

00:02:14,470 --> 00:02:12,400

the gentleman

57

00:02:16,949 --> 00:02:14,480

behind the scenes

58

00:02:17,670 --> 00:02:16,959

bill and vincent will post them to me

59

00:02:19,350 --> 00:02:17,680

and

60

00:02:21,350 --> 00:02:19,360

quite frank i'm open for anything

61

00:02:23,270 --> 00:02:21,360

anything you want to talk about any

62

00:02:26,229 --> 00:02:23,280

question you have

63

00:02:28,070 --> 00:02:26,239

uh there's been a lot going on so uh

64

00:02:30,150 --> 00:02:28,080

you know

65

00:02:32,390 --> 00:02:30,160

can i ask if you're ever going to get a

66

00:02:34,470 --> 00:02:32,400

new chair i don't need a new chair

67

00:02:36,790 --> 00:02:34,480

you're stuck with this chief i you know

68

00:02:38,070 --> 00:02:36,800

this is what i'm stuck with for now

69

00:02:39,990 --> 00:02:38,080

uh

70

00:02:42,229 --> 00:02:40,000

unless you want to buy me one

71

00:02:43,910 --> 00:02:42,239

that's fine with me

72

00:02:47,670 --> 00:02:43,920

so yeah the uh

73

00:02:49,670 --> 00:02:47,680

the old the old chair is here to stay

74

00:02:53,030 --> 00:02:49,680

so like i said we got questions oh and

75

00:02:56,470 --> 00:02:53,040

we got some giveaways we've got um

76

00:02:58,390 --> 00:02:56,480

we've got three uh three winners of

77

00:02:59,990 --> 00:02:58,400

signed books

78

00:03:02,070 --> 00:03:00,000

you can pick which

79

00:03:05,190 --> 00:03:02,080

ever the last three books that i've

80

00:03:07,190 --> 00:03:05,200

written to have sent to you and vincent

81

00:03:08,630 --> 00:03:07,200

will choose

82

00:03:11,750 --> 00:03:08,640

who will

83

00:03:13,509 --> 00:03:11,760

get those so be nice to vincent

84

00:03:17,270 --> 00:03:13,519

and we will also

85

00:03:18,550 --> 00:03:17,280

give away a arcane radio hat or mug your

86

00:03:23,910 --> 00:03:18,560

choice

87

00:03:31,430 --> 00:03:26,229

let's start getting some questions what

88

00:03:34,789 --> 00:03:33,270

any updates of the chicago flying

89

00:03:36,309 --> 00:03:34,799

humanoid oh

90

00:03:37,750 --> 00:03:36,319

yes they've been you know of course you

91

00:03:39,670 --> 00:03:37,760

know what was on

92

00:03:43,910 --> 00:03:39,680

you know two weeks ago we had um

93

00:03:45,509 --> 00:03:43,920

emanuelle and uh and tobias on with us

94

00:03:47,110 --> 00:03:45,519

uh

95

00:03:48,949 --> 00:03:47,120

we've been kind of hashing that out

96

00:03:51,110 --> 00:03:48,959

we've been trying to figure out what

97

00:03:54,070 --> 00:03:51,120

really did happen that night

98

00:03:56,390 --> 00:03:54,080

and overall it's pretty much what we

99

00:03:58,949 --> 00:03:56,400

expected now

100

00:04:03,589 --> 00:03:58,959

we have had some communication directly

101
00:04:06,710 --> 00:04:03,599
with uh yukaya and uru and uh

102
00:04:08,710 --> 00:04:06,720
my uh my contact which is which name is

103
00:04:10,869 --> 00:04:08,720
chucco

104
00:04:12,869 --> 00:04:10,879
and uh

105
00:04:14,789 --> 00:04:12,879
we've been getting some questions

106
00:04:16,550 --> 00:04:14,799
answered but we're still working on it

107
00:04:19,270 --> 00:04:16,560
uh jennifer and i've been working

108
00:04:22,310 --> 00:04:19,280
exclusively on this together

109
00:04:25,990 --> 00:04:22,320
and uh it's continuing but we had an

110
00:04:28,710 --> 00:04:26,000
interesting conversation last night

111
00:04:33,510 --> 00:04:28,720
uh vincent who has been doing some

112
00:04:35,909 --> 00:04:33,520
artwork as far as the cryptid stuff um

113
00:04:37,909 --> 00:04:35,919

we're contracting him to do some artwork

114

00:04:39,670 --> 00:04:37,919

for us

115

00:04:41,189 --> 00:04:39,680

and we

116

00:04:44,870 --> 00:04:41,199

contacted

117

00:04:48,629 --> 00:04:44,880

guru last night jennifer and i

118

00:04:50,710 --> 00:04:48,639

and she was asking uru to give his

119

00:04:55,430 --> 00:04:50,720

description

120

00:04:57,909 --> 00:04:55,440

not necessarily what people have been

121

00:05:00,390 --> 00:04:57,919

telling us they look like

122

00:05:03,110 --> 00:05:00,400

uh or what they've seen or perceived

123

00:05:04,950 --> 00:05:03,120

that they looked like

124

00:05:09,990 --> 00:05:04,960

quite interesting

125

00:05:12,150 --> 00:05:10,000

you i guess we we had about an hour's

126

00:05:13,670 --> 00:05:12,160

worth of talk on that

127

00:05:15,430 --> 00:05:13,680

uh

128

00:05:17,430 --> 00:05:15,440

but there are some changes there are

129

00:05:19,270 --> 00:05:17,440

some differences there

130

00:05:22,230 --> 00:05:19,280

and for what we understand uber is the

131

00:05:23,830 --> 00:05:22,240

one who's been showing up around o'hare

132

00:05:25,830 --> 00:05:23,840

and there have been some sightings of

133

00:05:27,909 --> 00:05:25,840

other type of beings

134

00:05:29,749 --> 00:05:27,919

maybe we'll get that at some point i

135

00:05:31,510 --> 00:05:29,759

don't know i hope

136

00:05:33,990 --> 00:05:31,520

but that's what we're working on right

137

00:05:36,390 --> 00:05:34,000

now so um

138

00:05:39,510 --> 00:05:36,400

when um when vincent gets that all

139

00:05:42,710 --> 00:05:39,520

written up gets that drawn up and

140

00:05:44,469 --> 00:05:42,720

sent to us to look at uh you know

141

00:05:46,230 --> 00:05:44,479

we'll eventually we'll eventually get it

142

00:05:48,790 --> 00:05:46,240

out there to y'all

143

00:05:51,510 --> 00:05:48,800

should be very interesting

144

00:05:53,189 --> 00:05:51,520

uh do you think bigfoot and dolmen both

145

00:05:54,950 --> 00:05:53,199

have that cloaking ability yeah i think

146

00:05:57,110 --> 00:05:54,960

they do i think they do in others as

147

00:05:59,430 --> 00:05:57,120

well other cryptids and other ultra

148

00:06:01,189 --> 00:05:59,440

terrestrials and other beings

149

00:06:03,270 --> 00:06:01,199

uh and when you see clogging we're

150

00:06:05,830 --> 00:06:03,280

talking about the the glimmerman effect

151

00:06:10,070 --> 00:06:05,840

the class scene effect

152

00:06:11,830 --> 00:06:10,080

people call it the predator effect um

153

00:06:14,150 --> 00:06:11,840

i i think there really is something to

154

00:06:18,870 --> 00:06:14,160

that i really do we have been lucky

155

00:06:22,870 --> 00:06:20,629

very interesting photographs

156

00:06:25,029 --> 00:06:22,880

mostly up in trees

157

00:06:27,350 --> 00:06:25,039

uh some on the ground

158

00:06:28,870 --> 00:06:27,360

we've had a big we had a picture come

159

00:06:31,670 --> 00:06:28,880

not long ago

160

00:06:33,350 --> 00:06:31,680

of a photograph of a a

161

00:06:36,469 --> 00:06:33,360

looked like would look like a bigfoot

162

00:06:38,790 --> 00:06:36,479

literally was uh manifesting

163

00:06:41,189 --> 00:06:38,800

and partially manifested in one part of

164

00:06:42,950 --> 00:06:41,199

it was in this glassine look this

165

00:06:45,510 --> 00:06:42,960

glimmer man look and then the other was

166

00:06:49,270 --> 00:06:45,520

like a leg of an actual bigfoot

167

00:06:50,950 --> 00:06:49,280

that happened that um uh salt

168

00:06:52,790 --> 00:06:50,960

salt fork state park i think yeah that's

169

00:06:55,749 --> 00:06:52,800

where it was and uh

170

00:06:57,830 --> 00:06:55,759

so yeah so that's that's interesting so

171

00:06:59,510 --> 00:06:57,840

uh yeah like i said any more we get on

172

00:07:00,710 --> 00:06:59,520

that we will keep you updated but no i

173

00:07:06,550 --> 00:07:00,720

do believe

174

00:07:08,710 --> 00:07:06,560

they do have the ability to cloak now we

175

00:07:10,390 --> 00:07:08,720

may be proven wrong at some point some

176
00:07:11,110 --> 00:07:10,400
juncture something else might come up

177
00:07:12,950 --> 00:07:11,120
but

178
00:07:15,110 --> 00:07:12,960
you know i've looked at other people's

179
00:07:16,390 --> 00:07:15,120
um encounters and things that they have

180
00:07:17,909 --> 00:07:16,400
discussed in

181
00:07:20,309 --> 00:07:17,919
some of the effects they have noticed

182
00:07:22,070 --> 00:07:20,319
and manifestations and such i i think

183
00:07:23,990 --> 00:07:22,080
this is something that really really

184
00:07:25,189 --> 00:07:24,000
happens

185
00:07:28,870 --> 00:07:25,199
uh

186
00:07:32,710 --> 00:07:28,880
the fly manta rays anything on them

187
00:07:34,390 --> 00:07:32,720
not recently um if you read my book

188
00:07:36,070 --> 00:07:34,400

uh

189

00:07:37,990 --> 00:07:36,080

winged

190

00:07:40,309 --> 00:07:38,000

cryptids

191

00:07:44,309 --> 00:07:40,319

it's uh i i do have a chat during their

192

00:07:46,710 --> 00:07:44,319

about the uh that the flying manta rays

193

00:07:48,710 --> 00:07:46,720

strange phenomena i you know i

194

00:07:50,950 --> 00:07:48,720

don't know a whole lot about it

195

00:07:52,950 --> 00:07:50,960

not many people are are looking into

196

00:07:57,189 --> 00:07:52,960

this phenomena i have been looking into

197

00:08:01,189 --> 00:07:58,629

most of the sightings that i have

198

00:08:03,110 --> 00:08:01,199

received over the years have been in

199

00:08:04,629 --> 00:08:03,120

either west virginia

200

00:08:06,150 --> 00:08:04,639

ohio

201
00:08:08,309 --> 00:08:06,160
and virginia but there have been

202
00:08:09,909 --> 00:08:08,319
sightings over the country

203
00:08:12,950 --> 00:08:09,919
um

204
00:08:15,589 --> 00:08:12,960
they always seem to show up flying but

205
00:08:18,309 --> 00:08:15,599
of course uh but near water

206
00:08:19,990 --> 00:08:18,319
either a stream river

207
00:08:21,990 --> 00:08:20,000
pond lake

208
00:08:25,110 --> 00:08:22,000
not necessarily i don't necessarily know

209
00:08:26,869 --> 00:08:25,120
if that that has anything to do with it

210
00:08:29,670 --> 00:08:26,879
but there always seems to be water

211
00:08:30,710 --> 00:08:29,680
around for some reason um when they do

212
00:08:33,110 --> 00:08:30,720
fly

213
00:08:35,509 --> 00:08:33,120

they look like a freaking manta ray i

214

00:08:38,949 --> 00:08:35,519

mean in no two ways about it and they

215

00:08:42,630 --> 00:08:38,959

they undulate in the air just like one

216

00:08:46,470 --> 00:08:42,640

amanda ray wood aquatic manta ray

217

00:08:48,710 --> 00:08:46,480

um are they some type of bioform ufo or

218

00:08:49,990 --> 00:08:48,720

something living that you know i don't

219

00:08:51,590 --> 00:08:50,000

know i don't know what they are i don't

220

00:08:53,190 --> 00:08:51,600

know are they cryptid are they

221

00:08:54,949 --> 00:08:53,200

a ufo or

222

00:08:56,790 --> 00:08:54,959

a craft

223

00:09:00,230 --> 00:08:56,800

we really don't know

224

00:09:02,630 --> 00:09:00,240

so uh yeah so there's the book

225

00:09:04,790 --> 00:09:02,640

uh it's it's it's in there i mean all

226

00:09:08,070 --> 00:09:04,800

the cases i had up to date

227

00:09:10,310 --> 00:09:08,080

are listed in that book and uh

228

00:09:12,150 --> 00:09:10,320

it's a real enigma i i wish i had more

229

00:09:13,509 --> 00:09:12,160

to tell you about it but uh you know

230

00:09:15,910 --> 00:09:13,519

it's just one of those things when i do

231

00:09:17,350 --> 00:09:15,920

get more i will post on fans of monsters

232

00:09:19,110 --> 00:09:17,360

and um

233

00:09:21,670 --> 00:09:19,120

you know you will get the first hand

234

00:09:23,910 --> 00:09:21,680

accounts of this

235

00:09:25,910 --> 00:09:23,920

what else we got here how many dogman

236

00:09:27,269 --> 00:09:25,920

reports have you received from the misho

237

00:09:29,750 --> 00:09:27,279

area

238

00:09:32,230 --> 00:09:29,760

two i've gotten two over the years we

239

00:09:33,509 --> 00:09:32,240

had one up at um

240

00:09:37,350 --> 00:09:33,519

uh

241

00:09:40,230 --> 00:09:37,360

oh god what's that area called

242

00:09:45,030 --> 00:09:42,630

i don't know dead woman

243

00:09:47,990 --> 00:09:45,040

something or another i don't know it's

244

00:09:50,949 --> 00:09:48,000

it was actually seen

245

00:09:53,269 --> 00:09:50,959

by somebody who had a cabin up there

246

00:09:54,230 --> 00:09:53,279

it's it's right off the pine furnace

247

00:09:56,550 --> 00:09:54,240

road

248

00:09:59,590 --> 00:09:56,560

if you come off route 30 going back in

249

00:10:02,470 --> 00:09:59,600

through caledonia and going into um

250

00:10:05,430 --> 00:10:02,480

going north up towards uh fuller and

251
00:10:08,550 --> 00:10:05,440
laurel lake well

252
00:10:10,150 --> 00:10:08,560
about halfway to laurel lake there's an

253
00:10:13,030 --> 00:10:10,160
area

254
00:10:14,870 --> 00:10:13,040
uh dead woman hollow i think it's called

255
00:10:17,190 --> 00:10:14,880
and that's there's several cabins up

256
00:10:19,829 --> 00:10:17,200
that area and this is where this one

257
00:10:21,829 --> 00:10:19,839
sighting was this woman's war

258
00:10:23,990 --> 00:10:21,839
this thing was stalking them

259
00:10:27,670 --> 00:10:24,000
outside the cabin

260
00:10:29,590 --> 00:10:27,680
i also had reports uh in misho but south

261
00:10:32,550 --> 00:10:29,600
of route 30

262
00:10:35,110 --> 00:10:32,560
not far from the old waynesboro

263
00:10:36,550 --> 00:10:35,120

reservoir where the uh you know if you

264

00:10:39,110 --> 00:10:36,560

remember

265

00:10:40,630 --> 00:10:39,120

the reports of the bigfoot track that

266

00:10:42,790 --> 00:10:40,640

was found

267

00:10:44,069 --> 00:10:42,800

at the waynesboro reservoir that was a

268

00:10:46,790 --> 00:10:44,079

misha

269

00:10:50,389 --> 00:10:46,800

for those who don't know uh but we've

270

00:10:53,829 --> 00:10:50,399

had we had a pretty interesting

271

00:10:55,350 --> 00:10:53,839

upright canine report there as well

272

00:10:57,350 --> 00:10:55,360

uh i don't think it was a missed

273

00:10:59,670 --> 00:10:57,360

identification do it very well could

274

00:11:02,790 --> 00:10:59,680

because you know that area

275

00:11:04,310 --> 00:11:02,800

is is well known for bigfoot sightings

276

00:11:06,389 --> 00:11:04,320

quite frankly for the people who don't

277

00:11:08,069 --> 00:11:06,399

know the area michael state

278

00:11:11,269 --> 00:11:08,079

forest

279

00:11:17,990 --> 00:11:14,389

about 15 miles west of gettysburg on

280

00:11:22,069 --> 00:11:18,000

route 30 which is lincoln way west

281

00:11:24,790 --> 00:11:22,079

it's between gettysburg and chambersburg

282

00:11:26,550 --> 00:11:24,800

uh it's a beautiful beautiful place i

283

00:11:28,710 --> 00:11:26,560

mean the forest

284

00:11:31,030 --> 00:11:28,720

full rooted root of denver it's it's

285

00:11:33,350 --> 00:11:31,040

it's an amazing place i used to spend a

286

00:11:35,110 --> 00:11:33,360

lot of time up there when i was a kid

287

00:11:37,269 --> 00:11:35,120

used to a lot of trout fishing fly

288

00:11:38,150 --> 00:11:37,279

fishing in there as well

289

00:11:40,550 --> 00:11:38,160

but

290

00:11:42,710 --> 00:11:40,560

i knew of some of the settings that had

291

00:11:44,630 --> 00:11:42,720

been up there for years and of course

292

00:11:48,230 --> 00:11:44,640

most of the sightings of bigfoot that we

293

00:11:51,190 --> 00:11:48,240

get up there are from bigfoot literally

294

00:11:52,949 --> 00:11:51,200

picking up dead deer roadkill off the

295

00:11:54,389 --> 00:11:52,959

side of the road in early evenings and

296

00:11:56,069 --> 00:11:54,399

at night

297

00:11:57,430 --> 00:11:56,079

and slinging them over their shoulders

298

00:11:58,870 --> 00:11:57,440

and going into the woods we've had

299

00:12:01,110 --> 00:11:58,880

several of those

300

00:12:02,790 --> 00:12:01,120

uh i had a couple from indiana who was

301
00:12:04,069 --> 00:12:02,800
visiting gettysburg who came back

302
00:12:07,030 --> 00:12:04,079
through there

303
00:12:08,550 --> 00:12:07,040
and one ran out in front of the car

304
00:12:09,829 --> 00:12:08,560
and the description of that thing was

305
00:12:12,470 --> 00:12:09,839
pretty interesting because they had a

306
00:12:14,310 --> 00:12:12,480
really long face

307
00:12:16,710 --> 00:12:14,320
uh how they described it it wasn't your

308
00:12:18,150 --> 00:12:16,720
typical bigfoot but it was a big it was

309
00:12:20,069 --> 00:12:18,160
a big creature

310
00:12:22,629 --> 00:12:20,079
so um

311
00:12:24,550 --> 00:12:22,639
yeah that that that area is for big full

312
00:12:25,990 --> 00:12:24,560
bigfoot reports even in gettysburg

313
00:12:28,069 --> 00:12:26,000

battlefield

314

00:12:29,829 --> 00:12:28,079

uh you know gettysburg well known for

315

00:12:31,590 --> 00:12:29,839

course the uh

316

00:12:33,990 --> 00:12:31,600

the uh

317

00:12:36,790 --> 00:12:34,000

the manifestations and the energy and

318

00:12:38,550 --> 00:12:36,800

all that that people talk about and the

319

00:12:41,350 --> 00:12:38,560

apparitions they've talked about for

320

00:12:42,310 --> 00:12:41,360

years and years since the battle

321

00:12:44,949 --> 00:12:42,320

but

322

00:12:48,069 --> 00:12:44,959

gettysburg is also well known for ufo

323

00:12:51,509 --> 00:12:48,079

activity and bigfoot activity

324

00:12:55,269 --> 00:12:51,519

uh the area around um and i i've had a

325

00:12:57,750 --> 00:12:55,279

couple sightings the area just west west

326

00:13:00,790 --> 00:12:57,760

just north of um

327

00:13:02,310 --> 00:13:00,800

of the wheat field going in towards the

328

00:13:04,829 --> 00:13:02,320

um

329

00:13:07,829 --> 00:13:04,839

into the peach orchard and further

330

00:13:09,990 --> 00:13:07,839

north have had sightings of bigfoot over

331

00:13:12,310 --> 00:13:10,000

the years uh there's also been a lot of

332

00:13:15,190 --> 00:13:12,320

ufo activity as well

333

00:13:16,870 --> 00:13:15,200

so uh yeah i mean you know

334

00:13:19,350 --> 00:13:16,880

this part of pennsylvania south central

335

00:13:21,910 --> 00:13:19,360

pennsylvania is literally phenomenal

336

00:13:23,509 --> 00:13:21,920

and of course i've had my my winged

337

00:13:26,629 --> 00:13:23,519

humanoid

338

00:13:28,389 --> 00:13:26,639

uh encounter not far from gettysburg

339

00:13:30,310 --> 00:13:28,399

well not far from where i live now in

340

00:13:33,269 --> 00:13:30,320

connewago township

341

00:13:35,190 --> 00:13:33,279

and uh yeah it's uh this area has had a

342

00:13:37,350 --> 00:13:35,200

lot of settings the liberals town south

343

00:13:39,350 --> 00:13:37,360

here near the maryland border we've had

344

00:13:41,030 --> 00:13:39,360

we had a wing humanoid sighting and

345

00:13:43,350 --> 00:13:41,040

timothy renner

346

00:13:46,790 --> 00:13:43,360

investigated a report i had over by

347

00:13:50,389 --> 00:13:46,800

conewago furnace which is near the um

348

00:13:52,389 --> 00:13:50,399

the susquehanna river were doors

349

00:13:55,590 --> 00:13:52,399

uh that's kind of what our first cadors

350

00:13:58,470 --> 00:13:55,600

furnace where the doors rip fedora's

351
00:14:00,870 --> 00:13:58,480
creek empties into the susquehanna river

352
00:14:04,310 --> 00:14:00,880
and uh he checked that out and he's seen

353
00:14:06,550 --> 00:14:04,320
a few bizarre things in there as well so

354
00:14:08,710 --> 00:14:06,560
yeah so this is an area of a lot of

355
00:14:11,189 --> 00:14:08,720
phenomena so um

356
00:14:13,910 --> 00:14:11,199
you know it's kind of a crazy central

357
00:14:17,670 --> 00:14:15,829
ever heard of a bigfoot or dog man

358
00:14:19,350 --> 00:14:17,680
fighting a bear i've never heard them

359
00:14:21,110 --> 00:14:19,360
fighting the bear but i've heard of them

360
00:14:24,230 --> 00:14:21,120
fighting each other

361
00:14:26,629 --> 00:14:24,240
and uh the only reference i have to that

362
00:14:28,710 --> 00:14:26,639
is from jc johnson

363
00:14:30,150 --> 00:14:28,720

when he was up his last couple years

364

00:14:32,069 --> 00:14:30,160

when he was living up in northern

365

00:14:33,829 --> 00:14:32,079

minnesota

366

00:14:37,590 --> 00:14:33,839

the property where he was staying and

367

00:14:40,310 --> 00:14:37,600

investigating had basically two factions

368

00:14:42,150 --> 00:14:40,320

won a bigfoot and what a upright canine

369

00:14:44,710 --> 00:14:42,160

in there

370

00:14:46,949 --> 00:14:44,720

it's a hotty indigenous area that uh

371

00:14:47,990 --> 00:14:46,959

shebway have a reservation very near

372

00:14:54,069 --> 00:14:48,000

there

373

00:14:54,949 --> 00:14:54,079

really is

374

00:14:55,829 --> 00:14:54,959

but

375

00:14:57,910 --> 00:14:55,839

uh

376

00:15:00,389 --> 00:14:57,920

i have been told that there have been

377

00:15:02,150 --> 00:15:00,399

some battles between bigfoot and and

378

00:15:03,750 --> 00:15:02,160

upright kane on there

379

00:15:06,230 --> 00:15:03,760

uh you know butch and i have talked

380

00:15:07,990 --> 00:15:06,240

about this for a long time that in this

381

00:15:11,110 --> 00:15:08,000

area in particular

382

00:15:13,910 --> 00:15:11,120

in areas along the uh the ridges along

383

00:15:15,350 --> 00:15:13,920

the appalachian trail and then the whole

384

00:15:17,829 --> 00:15:15,360

all the appalachians that run between

385

00:15:20,870 --> 00:15:17,839

pennsylvania south and to as far south

386

00:15:22,389 --> 00:15:20,880

into northern georgia

387

00:15:24,870 --> 00:15:22,399

uh

388

00:15:26,389 --> 00:15:24,880

there may very well be some type of

389

00:15:28,470 --> 00:15:26,399

hybrid uh

390

00:15:29,509 --> 00:15:28,480

migration

391

00:15:31,189 --> 00:15:29,519

uh

392

00:15:34,310 --> 00:15:31,199

roots in there

393

00:15:35,990 --> 00:15:34,320

and from all indications and what we get

394

00:15:37,590 --> 00:15:36,000

it seems the upright canines like to

395

00:15:39,749 --> 00:15:37,600

travel when the ridges and and the

396

00:15:41,590 --> 00:15:39,759

bigfoot like to stay down the valleys

397

00:15:43,110 --> 00:15:41,600

now i don't necessarily know that for a

398

00:15:45,110 --> 00:15:43,120

fact

399

00:15:46,790 --> 00:15:45,120

but just by some of what people have

400

00:15:49,749 --> 00:15:46,800

told us it seems that's what they

401
00:15:51,990 --> 00:15:49,759
utilize so do they utilize that for a

402
00:15:54,150 --> 00:15:52,000
specific reason like to stay away from

403
00:15:56,150 --> 00:15:54,160
each other i don't know that i really

404
00:15:58,710 --> 00:15:56,160
don't know that but i i think it's a

405
00:16:00,870 --> 00:15:58,720
possibility

406
00:16:03,509 --> 00:16:00,880
have you had dogman or bigfoot activity

407
00:16:07,590 --> 00:16:03,519
during the mothman sightings now

408
00:16:09,910 --> 00:16:07,600
now nothing nothing like that in um

409
00:16:12,790 --> 00:16:09,920
in and around the chicago area even even

410
00:16:15,910 --> 00:16:12,800
as far out as we have had

411
00:16:17,110 --> 00:16:15,920
uh we we run about 250 mile radius

412
00:16:18,710 --> 00:16:17,120
of the city

413
00:16:20,069 --> 00:16:18,720

for these sightings and

414

00:16:22,069 --> 00:16:20,079

you know you're going to get a big foot

415

00:16:23,990 --> 00:16:22,079

now you know of course that that area

416

00:16:26,230 --> 00:16:24,000

runs into the area around bray road so

417

00:16:28,550 --> 00:16:26,240

you're gonna get some sightings

418

00:16:29,749 --> 00:16:28,560

of uh of an upright cane on here and

419

00:16:31,189 --> 00:16:29,759

there but i don't think it's related to

420

00:16:34,310 --> 00:16:31,199

what's going on with the big plane with

421

00:16:36,310 --> 00:16:34,320

the the moth man or the wing humanoids

422

00:16:38,629 --> 00:16:36,320

uh you know in southern wisconsin

423

00:16:40,550 --> 00:16:38,639

northern illinois i've always been well

424

00:16:42,470 --> 00:16:40,560

known for a lot of strange activity in

425

00:16:47,189 --> 00:16:42,480

particular wing beings

426

00:16:52,069 --> 00:16:49,910

what's your favorite cryptid lawn uh

427

00:16:53,749 --> 00:16:52,079

mothman

428

00:16:56,310 --> 00:16:53,759

i had per i had a personal encounter

429

00:16:58,470 --> 00:16:56,320

with a wing crypted back in a wing being

430

00:17:01,990 --> 00:16:58,480

back in 1988

431

00:17:04,390 --> 00:17:02,000

i've been fascinated with it since then

432

00:17:06,309 --> 00:17:04,400

and uh you know i

433

00:17:07,909 --> 00:17:06,319

is that the reason why we're getting

434

00:17:10,710 --> 00:17:07,919

these reports i don't know but you know

435

00:17:12,710 --> 00:17:10,720

what i saw back then

436

00:17:14,710 --> 00:17:12,720

is the description very similar to what

437

00:17:16,949 --> 00:17:14,720

people are saying they saw have been

438

00:17:20,390 --> 00:17:16,959

seeing around chicago now is that a

439

00:17:21,990 --> 00:17:20,400

coincidence i had no idea i really don't

440

00:17:23,990 --> 00:17:22,000

and i'm not gonna i'm not gonna

441

00:17:26,710 --> 00:17:24,000

speculate if there is a connection or

442

00:17:28,710 --> 00:17:26,720

not but it just seems awful strange that

443

00:17:30,710 --> 00:17:28,720

you know i'm getting my team and i are

444

00:17:32,950 --> 00:17:30,720

getting these reports because

445

00:17:34,950 --> 00:17:32,960

you know didn't have anything to do with

446

00:17:37,669 --> 00:17:34,960

what i had no i don't know

447

00:17:38,630 --> 00:17:37,679

it's interesting but you know

448

00:17:40,310 --> 00:17:38,640

what do you think about the

449

00:17:42,630 --> 00:17:40,320

possibilities of these creatures coming

450

00:17:44,630 --> 00:17:42,640

in and out through portals around the

451
00:17:47,510 --> 00:17:44,640
old barrel ground cemetery indian burial

452
00:17:50,470 --> 00:17:47,520
grounds and core

453
00:17:51,909 --> 00:17:50,480
correlations between i don't know

454
00:17:53,830 --> 00:17:51,919
uh

455
00:17:55,430 --> 00:17:53,840
you know of course we're looking into

456
00:17:58,390 --> 00:17:55,440
the um

457
00:18:00,630 --> 00:17:58,400
the uh the cemetery at o'hare and

458
00:18:02,549 --> 00:18:00,640
these ultra terrestrials unseen ones and

459
00:18:04,230 --> 00:18:02,559
the possibility that they're using that

460
00:18:06,789 --> 00:18:04,240
area for um

461
00:18:08,310 --> 00:18:06,799
are coming in and out through

462
00:18:10,789 --> 00:18:08,320
portals

463
00:18:12,710 --> 00:18:10,799

rifts between dimensions

464

00:18:15,190 --> 00:18:12,720

uh i don't know

465

00:18:16,789 --> 00:18:15,200

yeah and you know there's always been

466

00:18:18,470 --> 00:18:16,799

this

467

00:18:21,110 --> 00:18:18,480

there has always been

468

00:18:22,070 --> 00:18:21,120

somewhat of connection

469

00:18:23,669 --> 00:18:22,080

between

470

00:18:25,909 --> 00:18:23,679

bigfoot

471

00:18:29,190 --> 00:18:25,919

a sasquatch and upright canines as far

472

00:18:31,830 --> 00:18:29,200

as cemeteries go now why that is is it

473

00:18:33,990 --> 00:18:31,840

because of the energy is because

474

00:18:36,870 --> 00:18:34,000

the spiritual energy around these these

475

00:18:39,990 --> 00:18:36,880

places draw them in i don't know

476
00:18:42,789 --> 00:18:40,000
but i could you know it countless times

477
00:18:45,669 --> 00:18:42,799
i have talked to people who have had

478
00:18:50,070 --> 00:18:45,679
encounters with these beings

479
00:18:53,669 --> 00:18:51,990
upright canines great in the middle of

480
00:18:55,510 --> 00:18:53,679
the day

481
00:18:59,029 --> 00:18:55,520
you know bigfoot would be standing

482
00:19:01,190 --> 00:18:59,039
around the periphery of a cemetery well

483
00:19:03,430 --> 00:19:01,200
even while funeral going on i mean you

484
00:19:05,590 --> 00:19:03,440
know i've heard all kinds of crazy stuff

485
00:19:07,430 --> 00:19:05,600
but uh yeah they do seem to be attracted

486
00:19:08,630 --> 00:19:07,440
to that now is this the same old theory

487
00:19:10,230 --> 00:19:08,640
that you know

488
00:19:12,630 --> 00:19:10,240

the uh

489

00:19:14,950 --> 00:19:12,640

that these anomalies paranormal was kind

490

00:19:17,350 --> 00:19:14,960

of related somewhat was their connection

491

00:19:20,390 --> 00:19:17,360

sure it very well could be a connection

492

00:19:22,789 --> 00:19:20,400

i think there is a connection myself

493

00:19:24,710 --> 00:19:22,799

why that is i don't know but you know

494

00:19:26,150 --> 00:19:24,720

you can speculate all you want but you

495

00:19:28,150 --> 00:19:26,160

know when you start getting involved

496

00:19:30,230 --> 00:19:28,160

with investigations nowadays

497

00:19:31,909 --> 00:19:30,240

particularly

498

00:19:33,669 --> 00:19:31,919

um

499

00:19:35,110 --> 00:19:33,679

you're usually not going to run into

500

00:19:37,270 --> 00:19:35,120

just one

501
00:19:39,830 --> 00:19:37,280
one

502
00:19:41,590 --> 00:19:39,840
area of an anomaly so you know you get a

503
00:19:43,190 --> 00:19:41,600
bigfoot setting

504
00:19:44,950 --> 00:19:43,200
many times you're going to have orb

505
00:19:46,549 --> 00:19:44,960
settings

506
00:19:47,830 --> 00:19:46,559
uh many times you're going to have other

507
00:19:49,669 --> 00:19:47,840
stuff happen

508
00:19:50,549 --> 00:19:49,679
possible manifestations of unknown

509
00:19:52,789 --> 00:19:50,559
things

510
00:19:55,350 --> 00:19:52,799
ufo activity

511
00:19:57,430 --> 00:19:55,360
it happens it happens a lot and it has

512
00:19:58,950 --> 00:19:57,440
seems to be happening more and more as

513
00:20:00,710 --> 00:19:58,960

time goes by

514

00:20:02,950 --> 00:20:00,720

uh this is just

515

00:20:04,789 --> 00:20:02,960

something else that you know if you're

516

00:20:06,710 --> 00:20:04,799

an investigator a crypto investigator

517

00:20:07,990 --> 00:20:06,720

paranormal investigator nowadays that's

518

00:20:10,950 --> 00:20:08,000

something you've got to keep an open

519

00:20:13,590 --> 00:20:10,960

mind about and expect to happen

520

00:20:14,789 --> 00:20:13,600

uh just don't shun it away as something

521

00:20:16,549 --> 00:20:14,799

else

522

00:20:18,310 --> 00:20:16,559

you know

523

00:20:21,029 --> 00:20:18,320

make it part of your investigation make

524

00:20:22,390 --> 00:20:21,039

it part of what you're dealing with

525

00:20:26,870 --> 00:20:22,400

that's the only way we're going to find

526

00:20:30,549 --> 00:20:28,470

jc johnson

527

00:20:32,230 --> 00:20:30,559

formed where he stayed what is happening

528

00:20:34,710 --> 00:20:32,240

there now well that's just what i was

529

00:20:36,470 --> 00:20:34,720

talking about that was up in minnesota

530

00:20:38,230 --> 00:20:36,480

i don't know i haven't kept in contact

531

00:20:42,070 --> 00:20:38,240

with ron the guy

532

00:20:43,750 --> 00:20:42,080

who who lives up there who had the form

533

00:20:45,909 --> 00:20:43,760

uh i haven't heard a thing from him

534

00:20:47,830 --> 00:20:45,919

actually um

535

00:20:50,789 --> 00:20:47,840

so i i can't give you a good answer on

536

00:20:53,190 --> 00:20:50,799

that all i can say is go

537

00:20:55,990 --> 00:20:53,200

you know go to fans and monsters and on

538

00:20:58,390 --> 00:20:56,000

the right hand on on the web version

539

00:21:00,950 --> 00:20:58,400

and right hand column there's a there's

540

00:21:02,789 --> 00:21:00,960

a link there for jc johnson's

541

00:21:05,029 --> 00:21:02,799

investigations

542

00:21:07,270 --> 00:21:05,039

and um

543

00:21:10,870 --> 00:21:07,280

click on that in all his cases that i've

544

00:21:12,549 --> 00:21:10,880

investigated with or posted with him

545

00:21:16,310 --> 00:21:12,559

because jack was involved with a few of

546

00:21:17,990 --> 00:21:16,320

those uh david weatherly

547

00:21:20,230 --> 00:21:18,000

leonard dan

548

00:21:24,630 --> 00:21:20,240

several people have been involved with

549

00:21:29,110 --> 00:21:24,640

jc when he was investigating and

550

00:21:34,710 --> 00:21:30,870

lon do you have an opinion which is more

551
00:21:37,909 --> 00:21:34,720
aggressive between dogman and bigfoot

552
00:21:42,870 --> 00:21:40,230
i'll be honest with you i i think from

553
00:21:44,870 --> 00:21:42,880
what we have gathered

554
00:21:46,630 --> 00:21:44,880
if i had to see between one of the two

555
00:21:48,390 --> 00:21:46,640
and more graphs i'd say the bigfoot of a

556
00:21:50,390 --> 00:21:48,400
sasquatch

557
00:21:52,549 --> 00:21:50,400
and the reason i say that is the the

558
00:21:54,070 --> 00:21:52,559
upright canines though they're very

559
00:21:56,070 --> 00:21:54,080
daunting looking

560
00:21:57,350 --> 00:21:56,080
they're scary as hell for the most part

561
00:21:58,710 --> 00:21:57,360
they're big

562
00:22:00,470 --> 00:21:58,720
they will keep their they will stand

563
00:22:03,430 --> 00:22:00,480

their ground but they don't normally

564

00:22:06,470 --> 00:22:03,440

back off and they very rarely attack

565

00:22:09,110 --> 00:22:06,480

uh now you recently i had james west on

566

00:22:10,870 --> 00:22:09,120

the show and he talked about the dog man

567

00:22:13,350 --> 00:22:10,880

attacks that he encountered in greene

568

00:22:14,310 --> 00:22:13,360

county well

569

00:22:19,990 --> 00:22:14,320

that's

570

00:22:21,909 --> 00:22:20,000

something we don't usually run into

571

00:22:25,830 --> 00:22:21,919

i don't doubt him i believe every word

572

00:22:28,470 --> 00:22:25,840

he said but it's um

573

00:22:30,950 --> 00:22:28,480

it's something we just don't experience

574

00:22:33,190 --> 00:22:30,960

them especially here in pennsylvania

575

00:22:35,430 --> 00:22:33,200

so uh but bigfoot yeah occasionally

576
00:22:37,750 --> 00:22:35,440
we'll get one that that seems somewhat

577
00:22:40,710 --> 00:22:37,760
aggressive you get in an area where

578
00:22:42,390 --> 00:22:40,720
you uh it's actually you know you're

579
00:22:44,470 --> 00:22:42,400
interfering with a hunt or something

580
00:22:45,750 --> 00:22:44,480
like that then they will get a bit

581
00:22:48,070 --> 00:22:45,760
tested

582
00:22:49,830 --> 00:22:48,080
uh as far as actually attacking and

583
00:22:51,750 --> 00:22:49,840
killing someone

584
00:22:54,070 --> 00:22:51,760
i haven't seen that you know of course

585
00:22:55,430 --> 00:22:54,080
you're going to get reports old reports

586
00:22:56,710 --> 00:22:55,440
and such or somebody claims that they

587
00:23:00,070 --> 00:22:56,720
were attacked and

588
00:23:04,870 --> 00:23:00,080

hurt by a bigfoot well you know

589

00:23:10,630 --> 00:23:07,029

any recent mothman sightings for you for

590

00:23:12,630 --> 00:23:10,640

me no uh i haven't had anything as far

591

00:23:15,270 --> 00:23:12,640

as what's going on in chicago

592

00:23:16,470 --> 00:23:15,280

the last thing we have investigated is

593

00:23:19,990 --> 00:23:16,480

the uh the

594

00:23:22,390 --> 00:23:20,000

the july 22nd sighting of several

595

00:23:24,070 --> 00:23:22,400

by several people

596

00:23:24,789 --> 00:23:24,080

uh

597

00:23:30,710 --> 00:23:24,799

the

598

00:23:31,510 --> 00:23:30,720

come forth and said that was him

599

00:23:33,110 --> 00:23:31,520

um

600

00:23:37,110 --> 00:23:33,120

so

601
00:23:39,430 --> 00:23:37,120
it's interesting though since we've had

602
00:23:41,909 --> 00:23:39,440
these communications

603
00:23:43,990 --> 00:23:41,919
with these beings we have not had any

604
00:23:45,990 --> 00:23:44,000
more sightings now

605
00:23:47,990 --> 00:23:46,000
is there is there something behind that

606
00:23:49,350 --> 00:23:48,000
i don't know i guess that's a good

607
00:23:50,789 --> 00:23:49,360
question that we can them you know

608
00:23:51,669 --> 00:23:50,799
that's the first i really thought about

609
00:23:53,590 --> 00:23:51,679
it

610
00:23:56,470 --> 00:23:53,600
so i guess we'll have to ask and see if

611
00:23:58,789 --> 00:23:56,480
they've kind of held back on

612
00:24:01,669 --> 00:23:58,799
on you know appearing

613
00:24:05,029 --> 00:24:01,679

recently but no july 22nd was the last

614

00:24:09,750 --> 00:24:07,269

have you heard about the sunken aztec

615

00:24:13,029 --> 00:24:09,760

cities in north america

616

00:24:19,110 --> 00:24:15,350

there there is some evidence that the

617

00:24:21,909 --> 00:24:19,120

aztecs actually came from areas around

618

00:24:23,830 --> 00:24:21,919

minnesota in wisconsin and eventually

619

00:24:25,510 --> 00:24:23,840

made them way south

620

00:24:28,149 --> 00:24:25,520

uh

621

00:24:30,789 --> 00:24:28,159

are there are there areas in the

622

00:24:33,510 --> 00:24:30,799

southwestern part of the united states

623

00:24:36,070 --> 00:24:33,520

now where the aztecs actually may have

624

00:24:38,310 --> 00:24:36,080

settled at some point yeah i believe so

625

00:24:39,669 --> 00:24:38,320

i i do believe so i mean eventually they

626
00:24:42,870 --> 00:24:39,679
ended up down

627
00:24:44,070 --> 00:24:42,880
in present-day mexico city but i you

628
00:24:50,789 --> 00:24:44,080
know

629
00:24:54,230 --> 00:24:52,870
any updates on the anomaly photo any

630
00:24:56,710 --> 00:24:54,240
info you can

631
00:24:59,430 --> 00:24:56,720
share from david eckhardt

632
00:25:01,909 --> 00:24:59,440
uh if you're referring to the the winged

633
00:25:04,630 --> 00:25:01,919
humanoid sighting a wing humanoid photo

634
00:25:06,950 --> 00:25:04,640
that david captured years ago

635
00:25:09,750 --> 00:25:06,960
no there's no update on that we

636
00:25:11,750 --> 00:25:09,760
we are having work done on it

637
00:25:14,230 --> 00:25:11,760
uh hopefully we're gonna come up with

638
00:25:15,990 --> 00:25:14,240

something on that david roy hasn't come

639

00:25:18,789 --> 00:25:16,000

forward that much on that

640

00:25:20,710 --> 00:25:18,799

uh i don't know if he he i haven't

641

00:25:23,190 --> 00:25:20,720

talked to him about it i don't know um

642

00:25:25,269 --> 00:25:23,200

this is something that i sensed

643

00:25:27,590 --> 00:25:25,279

uh it just happened to be something that

644

00:25:29,990 --> 00:25:27,600

david had shown me

645

00:25:32,310 --> 00:25:30,000

and and in fact i i found another

646

00:25:33,990 --> 00:25:32,320

photograph which i haven't put back out

647

00:25:35,909 --> 00:25:34,000

yet and i'm going to

648

00:25:37,510 --> 00:25:35,919

there's another photograph of something

649

00:25:39,750 --> 00:25:37,520

i believe was a winged humanoid that

650

00:25:42,070 --> 00:25:39,760

david captured at one point

651
00:25:44,230 --> 00:25:42,080
so i i'm to kind of put that out in

652
00:25:46,070 --> 00:25:44,240
front of the group this week

653
00:25:48,630 --> 00:25:46,080
next week and see what they think about

654
00:25:51,190 --> 00:25:48,640
it but um it sure looks a lot like what

655
00:25:52,789 --> 00:25:51,200
was captured in that photo so you go you

656
00:25:57,190 --> 00:25:52,799
all can look forward to that i don't

657
00:25:59,430 --> 00:25:57,200
know if that is or not but we'll see

658
00:26:01,430 --> 00:25:59,440
any info stories from east texas big

659
00:26:02,710 --> 00:26:01,440
thicket area i got progress to do out

660
00:26:04,390 --> 00:26:02,720
there well

661
00:26:05,990 --> 00:26:04,400
if you got things to do out there and if

662
00:26:07,990 --> 00:26:06,000
you want to report them just send them

663
00:26:09,830 --> 00:26:08,000

to me i'll i'm interested because that

664

00:26:12,390 --> 00:26:09,840

whole area out there

665

00:26:14,310 --> 00:26:12,400

east texas is one of the areas where i

666

00:26:16,549 --> 00:26:14,320

do believe not from east texas over into

667

00:26:18,710 --> 00:26:16,559

the gulf

668

00:26:21,669 --> 00:26:18,720

i do believe is an indigenous area for

669

00:26:24,230 --> 00:26:21,679

bigfoot in fact um

670

00:26:27,029 --> 00:26:24,240

i i think most of the settings that are

671

00:26:29,269 --> 00:26:27,039

are going on in east texas

672

00:26:31,110 --> 00:26:29,279

in that in that big thicket area you

673

00:26:33,430 --> 00:26:31,120

know or you want to call it that

674

00:26:36,870 --> 00:26:33,440

uh the whole way from there over into

675

00:26:41,350 --> 00:26:36,880

arkansas and across over across the um

676
00:26:43,669 --> 00:26:41,360
uh even into louisiana i i think um

677
00:26:46,630 --> 00:26:43,679
i think those are indigenous bigfoot

678
00:26:49,269 --> 00:26:46,640
we've had family groups seen there

679
00:26:52,390 --> 00:26:49,279
we've had uh we've had we've had a lot

680
00:26:54,870 --> 00:26:52,400
of sightings and they look more they

681
00:26:57,269 --> 00:26:54,880
seem to be more than just

682
00:26:59,350 --> 00:26:57,279
singular beings showing up

683
00:27:00,870 --> 00:26:59,360
out of nowhere like we get in most parts

684
00:27:04,149 --> 00:27:00,880
of the country

685
00:27:07,590 --> 00:27:04,159
uh but i i think that is one area in

686
00:27:10,230 --> 00:27:07,600
particular where we do have indigenous

687
00:27:13,350 --> 00:27:10,240
beings bigfoot

688
00:27:17,830 --> 00:27:14,710

have you heard anything about norse

689

00:27:19,590 --> 00:27:17,840

artifacts in western us not really

690

00:27:21,750 --> 00:27:19,600

i've heard speculation about these

691

00:27:23,909 --> 00:27:21,760

things um

692

00:27:25,909 --> 00:27:23,919

of course uh

693

00:27:27,750 --> 00:27:25,919

uh

694

00:27:29,830 --> 00:27:27,760

you know there

695

00:27:31,990 --> 00:27:29,840

there's been several shows about it i

696

00:27:33,669 --> 00:27:32,000

mean as far as possible

697

00:27:36,710 --> 00:27:33,679

history you know history hasn't been

698

00:27:39,190 --> 00:27:36,720

told about the the beginnings of the

699

00:27:42,950 --> 00:27:39,200

united states beings of america

700

00:27:44,630 --> 00:27:42,960

who was actually here first and such um

701
00:27:46,710 --> 00:27:44,640
yeah i i've heard about some of this

702
00:27:48,549 --> 00:27:46,720
stuff and you know i've talked i talked

703
00:27:50,789 --> 00:27:48,559
to scott walpert about this he'd been on

704
00:27:53,750 --> 00:27:50,799
the show with us several times

705
00:27:56,230 --> 00:27:53,760
uh he swears up and down the the norse

706
00:27:58,310 --> 00:27:56,240
norseman got that far west

707
00:28:00,630 --> 00:27:58,320
uh he's positive it got up the upper

708
00:28:06,630 --> 00:28:00,640
midwest but um

709
00:28:11,350 --> 00:28:08,870
what are the classic signs of a portal i

710
00:28:14,149 --> 00:28:11,360
think i found one near my home okay

711
00:28:17,269 --> 00:28:14,159
well that's a good question

712
00:28:21,269 --> 00:28:17,279
jennifer and i happen to be watching

713
00:28:23,510 --> 00:28:21,279

a video one of scott carpenter's videos

714

00:28:27,110 --> 00:28:23,520

uh recently

715

00:28:29,590 --> 00:28:27,120

where he swore that he had seen a

716

00:28:31,590 --> 00:28:29,600

portal and he showed it

717

00:28:33,350 --> 00:28:31,600

and you know if you look at it closely

718

00:28:35,510 --> 00:28:33,360

it looks like something

719

00:28:38,710 --> 00:28:35,520

like a bigfoot or something is inside

720

00:28:41,350 --> 00:28:38,720

this this wavy area that's kind of

721

00:28:43,830 --> 00:28:41,360

circular kind of rounded

722

00:28:45,350 --> 00:28:43,840

but doesn't have any depth to it and the

723

00:28:48,070 --> 00:28:45,360

only reason i

724

00:28:50,149 --> 00:28:48,080

i have to question it

725

00:28:51,269 --> 00:28:50,159

is because i know he was afraid i know

726

00:28:53,669 --> 00:28:51,279

he's

727

00:28:54,950 --> 00:28:53,679

you know he was freaked out by him

728

00:28:56,710 --> 00:28:54,960

but i would have preferred if he had

729

00:28:59,669 --> 00:28:56,720

gone up toward it and walked up toward

730

00:29:03,830 --> 00:28:59,679

and looked at it more closely

731

00:29:04,950 --> 00:29:03,840

because most portals that i have

732

00:29:07,350 --> 00:29:04,960

either

733

00:29:09,430 --> 00:29:07,360

had seen in an investigation or sensed

734

00:29:11,830 --> 00:29:09,440

in an investigation

735

00:29:13,669 --> 00:29:11,840

have depth to them and when i say depth

736

00:29:18,950 --> 00:29:13,679

they're almost

737

00:29:21,110 --> 00:29:18,960

or like an egg or something oblong like

738

00:29:23,190 --> 00:29:21,120

that they're just not a flat surface

739

00:29:24,789 --> 00:29:23,200

they got depth to it

740

00:29:26,870 --> 00:29:24,799

and

741

00:29:29,669 --> 00:29:26,880

when you see it

742

00:29:32,789 --> 00:29:29,679

it a lot of times it does have that wavy

743

00:29:35,909 --> 00:29:32,799

effect to it uh it's not always

744

00:29:37,909 --> 00:29:35,919

uh defined you know around the edges

745

00:29:42,070 --> 00:29:37,919

many times it isn't

746

00:29:44,389 --> 00:29:42,080

but the energy has depth to it now

747

00:29:46,789 --> 00:29:44,399

this one that scott carpenter showed he

748

00:29:49,029 --> 00:29:46,799

saw this this being was in there it

749

00:29:51,110 --> 00:29:49,039

seemed to me moving i think that was

750

00:29:53,029 --> 00:29:51,120

more of an optical illusion from him

751

00:29:55,029 --> 00:29:53,039

backing up but i you know i can't be

752

00:29:56,630 --> 00:29:55,039

sure like again i wish you'd have moved

753

00:29:58,310 --> 00:29:56,640

up close to it

754

00:30:01,190 --> 00:29:58,320

but anyway

755

00:30:02,710 --> 00:30:01,200

mo i i can detect portals when i'm doing

756

00:30:04,389 --> 00:30:02,720

investigations

757

00:30:07,029 --> 00:30:04,399

and there's one distinct thing i do

758

00:30:08,710 --> 00:30:07,039

notice is a buzzing sound

759

00:30:10,870 --> 00:30:08,720

i i don't know if it's just me or i've

760

00:30:12,950 --> 00:30:10,880

heard other people say they heard it too

761

00:30:14,549 --> 00:30:12,960

but it's almost like a swarm of bees

762

00:30:15,990 --> 00:30:14,559

around you

763

00:30:21,430 --> 00:30:16,000

now

764

00:30:23,190 --> 00:30:21,440

uh these haven't been portals i've that

765

00:30:25,590 --> 00:30:23,200

have been on the outside

766

00:30:26,870 --> 00:30:25,600

uh now david had portals opening up in

767

00:30:28,549 --> 00:30:26,880

his in his

768

00:30:30,310 --> 00:30:28,559

in his home

769

00:30:32,310 --> 00:30:30,320

but that was entirely different from

770

00:30:34,870 --> 00:30:32,320

what he heard he he literally saw the

771

00:30:37,510 --> 00:30:34,880

things he he heard some of the vid some

772

00:30:40,149 --> 00:30:37,520

of the audio that came from those things

773

00:30:41,669 --> 00:30:40,159

it was like a long long echo that came

774

00:30:43,510 --> 00:30:41,679

from it like uh something in the

775

00:30:45,510 --> 00:30:43,520

distance

776

00:30:49,510 --> 00:30:45,520

uh

777

00:30:51,430 --> 00:30:49,520

but most portals that i have been

778

00:30:53,510 --> 00:30:51,440

around

779

00:30:56,070 --> 00:30:53,520

and you know i'm just telling you from

780

00:30:58,310 --> 00:30:56,080

what i've done with investigations

781

00:31:00,789 --> 00:30:58,320

have that buzzing sound to it so if you

782

00:31:02,630 --> 00:31:00,799

hear something buzzing you see something

783

00:31:04,710 --> 00:31:02,640

that doesn't look quite right you might

784

00:31:05,830 --> 00:31:04,720

be running into a portal but i'm you

785

00:31:08,789 --> 00:31:05,840

know i'm

786

00:31:10,710 --> 00:31:08,799

i'm not absolutely positive on that and

787

00:31:11,909 --> 00:31:10,720

i'm just telling you what it said i

788

00:31:14,070 --> 00:31:11,919

sensed

789

00:31:18,389 --> 00:31:14,080

when i uh when i would

790

00:31:23,990 --> 00:31:21,029

i really like these videos where you can

791

00:31:25,830 --> 00:31:24,000

ask line questions by pe cs and i

792

00:31:28,310 --> 00:31:25,840

appreciate the

793

00:31:30,230 --> 00:31:28,320

the donation as well you know i guess

794

00:31:31,110 --> 00:31:30,240

maybe we should do more of these i don't

795

00:31:34,149 --> 00:31:31,120

know

796

00:31:37,029 --> 00:31:34,159

i had to wait and see

797

00:31:39,509 --> 00:31:37,039

any recent injured cold reports well the

798

00:31:40,950 --> 00:31:39,519

only one that i have had

799

00:31:42,630 --> 00:31:40,960

and i don't even know if it was an

800

00:31:44,230 --> 00:31:42,640

injured cold thing or somebody playing

801
00:31:45,590 --> 00:31:44,240
around with that thing up in heartlake

802
00:31:47,750 --> 00:31:45,600
new york

803
00:31:49,590 --> 00:31:47,760
where the woman witness had actually

804
00:31:52,950 --> 00:31:49,600
seen

805
00:31:56,789 --> 00:31:52,960
a winged humanoid outside of her home

806
00:31:58,070 --> 00:31:56,799
and when she saw this thing

807
00:32:00,710 --> 00:31:58,080
she called

808
00:32:02,389 --> 00:32:00,720
an investigator who i work with uh a

809
00:32:03,430 --> 00:32:02,399
friend of mine who i've worked with

810
00:32:06,070 --> 00:32:03,440
before

811
00:32:08,950 --> 00:32:06,080
in new york he went up there

812
00:32:11,909 --> 00:32:08,960
after she told him on the phone that she

813
00:32:14,149 --> 00:32:11,919

had gotten a call from someone named

814

00:32:16,789 --> 00:32:14,159

injured cold

815

00:32:19,669 --> 00:32:16,799

and when the they came up on the phone

816

00:32:21,909 --> 00:32:19,679

no location just injured the cold was on

817

00:32:24,789 --> 00:32:21,919

the phone when she answered it this

818

00:32:27,350 --> 00:32:24,799

person told her not to talk about what

819

00:32:28,870 --> 00:32:27,360

she had seen and this was no more than

820

00:32:30,389 --> 00:32:28,880

20 minutes

821

00:32:31,909 --> 00:32:30,399

previous to that

822

00:32:34,470 --> 00:32:31,919

you know it's almost like the men in

823

00:32:36,389 --> 00:32:34,480

black thing where they just show up

824

00:32:38,549 --> 00:32:36,399

uh that's kind of what you reminded me

825

00:32:40,630 --> 00:32:38,559

it reminded me of uh so

826

00:32:42,230 --> 00:32:40,640

we never have gotten down to that you

827

00:32:44,710 --> 00:32:42,240

know any explanation of why that

828

00:32:46,549 --> 00:32:44,720

happened pretty freaky

829

00:32:48,870 --> 00:32:46,559

and and when um

830

00:32:50,230 --> 00:32:48,880

uh gabriel who was the investigator went

831

00:32:51,909 --> 00:32:50,240

up there

832

00:32:53,029 --> 00:32:51,919

he spent some time at the hunt this

833

00:32:55,110 --> 00:32:53,039

woman's home

834

00:32:56,630 --> 00:32:55,120

he knew her she was a friend of his

835

00:32:58,389 --> 00:32:56,640

and uh

836

00:33:00,710 --> 00:32:58,399

there was all kinds of crazy stuff going

837

00:33:02,230 --> 00:33:00,720

on in the house uh paranormal activity

838

00:33:04,789 --> 00:33:02,240

mostly like

839

00:33:06,630 --> 00:33:04,799

stuff moving and you know other

840

00:33:08,149 --> 00:33:06,640

anomalies happening so

841

00:33:10,630 --> 00:33:08,159

i i don't know if it had anything to do

842

00:33:12,310 --> 00:33:10,640

with injured cold or the winged humanoid

843

00:33:13,590 --> 00:33:12,320

but she saw this wing humanoid toys

844

00:33:16,070 --> 00:33:13,600

outside

845

00:33:18,630 --> 00:33:16,080

and her that her description was

846

00:33:20,549 --> 00:33:18,640

actually pretty similar to what

847

00:33:22,470 --> 00:33:20,559

you you would consider uh like the

848

00:33:23,750 --> 00:33:22,480

mothman point pleasant

849

00:33:26,149 --> 00:33:23,760

so uh

850

00:33:27,350 --> 00:33:26,159

insectoid like so

851

00:33:28,389 --> 00:33:27,360

who knows but that's the only thing

852

00:33:33,110 --> 00:33:28,399

we've gotten

853

00:33:36,230 --> 00:33:34,950

there been reports of cat men or cat

854

00:33:38,549 --> 00:33:36,240

people

855

00:33:40,149 --> 00:33:38,559

recently no i mean i

856

00:33:42,310 --> 00:33:40,159

you know i occasionally will see

857

00:33:43,110 --> 00:33:42,320

something like that

858

00:33:45,509 --> 00:33:43,120

uh

859

00:33:48,149 --> 00:33:45,519

i know of a series reports years ago

860

00:33:48,870 --> 00:33:48,159

down in florida on the west coast you

861

00:33:50,870 --> 00:33:48,880

know

862

00:33:53,269 --> 00:33:50,880

along the uh

863

00:33:54,549 --> 00:33:53,279

the gulf coast

864

00:33:56,789 --> 00:33:54,559

and uh

865

00:33:58,789 --> 00:33:56,799

naples florida actually was an area

866

00:34:00,870 --> 00:33:58,799

where we we had several reports come

867

00:34:03,509 --> 00:34:00,880

from now i i don't know if these were

868

00:34:05,830 --> 00:34:03,519

cryptids or these were some type of

869

00:34:07,590 --> 00:34:05,840

non-terrestrial being you know we've had

870

00:34:09,829 --> 00:34:07,600

a lot of ufo

871

00:34:12,869 --> 00:34:09,839

reports down there as well as

872

00:34:14,149 --> 00:34:12,879

people claiming they've seen alien or

873

00:34:17,669 --> 00:34:14,159

you know

874

00:34:18,950 --> 00:34:17,679

uh extraterrestrial activity um

875

00:34:21,270 --> 00:34:18,960

yeah that's the only things that's the

876

00:34:22,790 --> 00:34:21,280

only cat people that i know of course

877

00:34:25,270 --> 00:34:22,800

you know

878

00:34:26,629 --> 00:34:25,280

i'm sure other people have had reports

879

00:34:28,550 --> 00:34:26,639

you know i'm not privy to all the

880

00:34:30,389 --> 00:34:28,560

reports that come out there but you know

881

00:34:31,510 --> 00:34:30,399

as far as what come to me now that's the

882

00:34:36,310 --> 00:34:31,520

only one i've

883

00:34:41,750 --> 00:34:39,349

as long experienced spirits

884

00:34:43,990 --> 00:34:41,760

uh yeah i have

885

00:34:45,990 --> 00:34:44,000

i have a lot of them actually

886

00:34:48,389 --> 00:34:46,000

um

887

00:34:50,310 --> 00:34:48,399

more than i actually want to admit be

888

00:34:52,950 --> 00:34:50,320

honest with you um

889

00:34:55,589 --> 00:34:52,960

you know every time i do a case

890

00:34:58,790 --> 00:34:55,599

where i'm doing a remote view or i'm

891

00:35:00,310 --> 00:34:58,800

involved with an actual haunting case or

892

00:35:02,310 --> 00:35:00,320

you know me and someone else are called

893

00:35:04,150 --> 00:35:02,320

in to do that yeah you're involved with

894

00:35:05,990 --> 00:35:04,160

spirits i mean you know

895

00:35:07,670 --> 00:35:06,000

you may you know you may think you're

896

00:35:09,589 --> 00:35:07,680

going in there and you're just it's cut

897

00:35:11,829 --> 00:35:09,599

and dry and you can move something out

898

00:35:13,829 --> 00:35:11,839

with getting involved with but look

899

00:35:15,750 --> 00:35:13,839

it doesn't always work out that way i've

900

00:35:18,390 --> 00:35:15,760

had psychic attacks

901
00:35:20,790 --> 00:35:18,400
i have had literally physical attacks

902
00:35:22,069 --> 00:35:20,800
from these beings over the years

903
00:35:23,910 --> 00:35:22,079
uh

904
00:35:25,990 --> 00:35:23,920
cause some injury i mean

905
00:35:27,190 --> 00:35:26,000
i've had lacerations i've had bruised

906
00:35:29,510 --> 00:35:27,200
ribs

907
00:35:30,870 --> 00:35:29,520
uh horrific headaches

908
00:35:32,470 --> 00:35:30,880
um

909
00:35:33,829 --> 00:35:32,480
i mean sometimes it's put me down for a

910
00:35:35,510 --> 00:35:33,839
couple days

911
00:35:39,510 --> 00:35:35,520
i literally had to stop right on the

912
00:35:41,109 --> 00:35:39,520
blog once back in 2011 during a case

913
00:35:42,710 --> 00:35:41,119

i could i couldn't even

914

00:35:44,470 --> 00:35:42,720

find get myself to get in front of the

915

00:35:48,069 --> 00:35:44,480

computer and write about it

916

00:35:49,910 --> 00:35:48,079

um so yeah it happens and um

917

00:35:52,230 --> 00:35:49,920

yeah i've i you know i i've dealt with a

918

00:35:54,790 --> 00:35:52,240

lot of a lot of these spirit attachments

919

00:35:56,630 --> 00:35:54,800

over the years uh people who think their

920

00:35:58,630 --> 00:35:56,640

paranormal investigators go out there

921

00:35:59,510 --> 00:35:58,640

don't protect themselves

922

00:36:01,430 --> 00:35:59,520

start

923

00:36:02,950 --> 00:36:01,440

calling out spirits in a cemetery or

924

00:36:04,230 --> 00:36:02,960

someplace and then they get an

925

00:36:05,750 --> 00:36:04,240

attachment

926
00:36:07,670 --> 00:36:05,760
and then they come calling they want to

927
00:36:09,349 --> 00:36:07,680
know well you know what to kind of do

928
00:36:10,470 --> 00:36:09,359
what can i do well first of all you

929
00:36:14,310 --> 00:36:10,480
should you should have known what the

930
00:36:16,470 --> 00:36:14,320
hell you're doing uh but

931
00:36:17,910 --> 00:36:16,480
most more cases than not we will help

932
00:36:20,310 --> 00:36:17,920
them out

933
00:36:22,230 --> 00:36:20,320
um i just get returned when they go back

934
00:36:26,790 --> 00:36:22,240
out and do it again so you know but

935
00:36:26,800 --> 00:36:30,870
any more questions

936
00:36:35,510 --> 00:36:33,349
can has anyone ever seen a female moth

937
00:36:37,829 --> 00:36:35,520
man that's a good question

938
00:36:41,190 --> 00:36:37,839

i don't know maybe they have

939

00:36:43,829 --> 00:36:41,200

or the you know

940

00:36:45,430 --> 00:36:43,839

are there are there sexes of mothman i

941

00:36:46,870 --> 00:36:45,440

don't know maybe that's a good question

942

00:36:49,910 --> 00:36:46,880

for uh

943

00:36:52,630 --> 00:36:49,920

the unseen ones um i think jennifer has

944

00:36:53,430 --> 00:36:52,640

brought that up to me once actually

945

00:36:54,630 --> 00:36:53,440

uh

946

00:36:56,950 --> 00:36:54,640

you know of course we talk about

947

00:36:58,310 --> 00:36:56,960

cryptids and and sexes

948

00:37:01,510 --> 00:36:58,320

uh she

949

00:37:04,470 --> 00:37:01,520

she had asked me about uh dog man

950

00:37:07,270 --> 00:37:04,480

upright canines if their sexes um

951
00:37:09,910 --> 00:37:07,280
do we ever see those that have breast or

952
00:37:12,230 --> 00:37:09,920
female genitalia i don't know

953
00:37:13,430 --> 00:37:12,240
you know of course we've seen breasts on

954
00:37:15,990 --> 00:37:13,440
bigfoot

955
00:37:19,030 --> 00:37:16,000
um as far as weaned humanoids i don't

956
00:37:21,750 --> 00:37:19,040
know or wing mothman or whatever

957
00:37:24,470 --> 00:37:21,760
i i i can't answer that i i absolutely

958
00:37:27,510 --> 00:37:24,480
don't know i do not know of any

959
00:37:29,270 --> 00:37:27,520
of these beings that have

960
00:37:32,230 --> 00:37:29,280
that look like they have breasts though

961
00:37:33,829 --> 00:37:32,240
some of them do have larger chest

962
00:37:37,030 --> 00:37:33,839
uh almost like they look like they're

963
00:37:39,190 --> 00:37:37,040

armored to some point uh you know some

964

00:37:40,390 --> 00:37:39,200

of these sightings in chicago were even

965

00:37:44,150 --> 00:37:40,400

though they were

966

00:37:46,550 --> 00:37:44,160

mostly very emaciated looking beans

967

00:37:48,390 --> 00:37:46,560

a lot of the things that they had

968

00:37:50,470 --> 00:37:48,400

their the skin the the texture of the

969

00:37:52,950 --> 00:37:50,480

skin was almost like it was armored

970

00:37:55,430 --> 00:37:52,960

sometimes it looked like it was um

971

00:37:57,109 --> 00:37:55,440

very shiny like it was wet maybe it

972

00:37:59,270 --> 00:37:57,119

could have been something

973

00:38:00,870 --> 00:37:59,280

like an exoskeleton or something like

974

00:38:04,550 --> 00:38:00,880

that i don't know

975

00:38:06,790 --> 00:38:04,560

uh but as far as sexes i you know that's

976

00:38:07,670 --> 00:38:06,800

something i i will keep an eye out for

977

00:38:09,829 --> 00:38:07,680

but

978

00:38:14,870 --> 00:38:09,839

quite frankly that's that hasn't really

979

00:38:18,950 --> 00:38:16,230

can you tell us about your recent

980

00:38:20,310 --> 00:38:18,960

haunting case

981

00:38:22,069 --> 00:38:20,320

um

982

00:38:27,589 --> 00:38:22,079

well that's from vincent which one are

983

00:38:30,710 --> 00:38:28,390

uh

984

00:38:33,750 --> 00:38:30,720

i'll get back to vincent can you ask

985

00:38:35,910 --> 00:38:33,760

your o'hare airport contacts to get cctv

986

00:38:38,150 --> 00:38:35,920

security footage for you it is it

987

00:38:41,430 --> 00:38:38,160

doesn't work that way

988

00:38:43,829 --> 00:38:41,440

that that all goes through the faa

989

00:38:45,510 --> 00:38:43,839

everything that's out there at o'hare is

990

00:38:47,030 --> 00:38:45,520

goes through homeland security in the

991

00:38:50,230 --> 00:38:47,040

faa

992

00:38:53,510 --> 00:38:50,240

you can file for your request with the

993

00:38:55,510 --> 00:38:53,520

faa even with the tsa

994

00:38:57,510 --> 00:38:55,520

but it's just a matter are they going to

995

00:38:59,270 --> 00:38:57,520

cooperate with so far we haven't had any

996

00:39:01,349 --> 00:38:59,280

cooperation

997

00:39:04,230 --> 00:39:01,359

you know between tobias

998

00:39:07,109 --> 00:39:04,240

manuel myself and others we we have our

999

00:39:09,430 --> 00:39:07,119

four-year request on four-year request

1000

00:39:10,630 --> 00:39:09,440

and hawaii ever got one decent response

1001
00:39:12,829 --> 00:39:10,640
which was something happening at

1002
00:39:14,390 --> 00:39:12,839
woodstock

1003
00:39:15,910 --> 00:39:14,400
illinois

1004
00:39:17,829 --> 00:39:15,920
about a report but it wasn't anything to

1005
00:39:20,310 --> 00:39:17,839
do with security cameras

1006
00:39:22,470 --> 00:39:20,320
i have tried to get security companies

1007
00:39:24,470 --> 00:39:22,480
in in chicago to come forth

1008
00:39:26,230 --> 00:39:24,480
uh

1009
00:39:27,910 --> 00:39:26,240
you know you can't file foia with a

1010
00:39:29,910 --> 00:39:27,920
security company because it's not you

1011
00:39:32,230 --> 00:39:29,920
know they're you know it's private so it

1012
00:39:34,790 --> 00:39:32,240
has nothing to do with the government

1013
00:39:36,870 --> 00:39:34,800

the city of chicago has not been willing

1014

00:39:38,950 --> 00:39:36,880

to do anything to help us

1015

00:39:40,790 --> 00:39:38,960

uh and i'm talking when i talk to city

1016

00:39:43,109 --> 00:39:40,800

i'm talking

1017

00:39:45,270 --> 00:39:43,119

city hall and everything associated with

1018

00:39:46,470 --> 00:39:45,280

police fire the whole thing

1019

00:39:49,349 --> 00:39:46,480

um

1020

00:39:51,270 --> 00:39:49,359

city maintenance sydney said city

1021

00:39:54,150 --> 00:39:51,280

maintenance works everything

1022

00:39:55,990 --> 00:39:54,160

uh we're not getting anything and um

1023

00:39:57,430 --> 00:39:56,000

and they're gonna keep it like that

1024

00:40:00,230 --> 00:39:57,440

we're just we're just not getting a

1025

00:40:02,950 --> 00:40:00,240

cooperation whatsoever

1026
00:40:07,349 --> 00:40:02,960
so eventually if you got the case to

1027
00:40:07,359 --> 00:40:10,870
which one

1028
00:40:10,880 --> 00:40:14,309
one aggressive entity

1029
00:40:21,349 --> 00:40:15,990
i i i still don't know what you're

1030
00:40:25,750 --> 00:40:23,190
has anyone removed you the wing

1031
00:40:27,750 --> 00:40:25,760
humanoids i have tried

1032
00:40:30,069 --> 00:40:27,760
i have tried i don't know of anybody who

1033
00:40:33,030 --> 00:40:30,079
successfully has done it

1034
00:40:34,790 --> 00:40:33,040
i have tried and uh the only thing that

1035
00:40:37,030 --> 00:40:34,800
we have come close to is what we've been

1036
00:40:39,270 --> 00:40:37,040
getting with the um

1037
00:40:41,510 --> 00:40:39,280
with these this communication that we

1038
00:40:43,030 --> 00:40:41,520

recently gotten with uh with these

1039

00:40:44,790 --> 00:40:43,040

unseen ones

1040

00:40:45,670 --> 00:40:44,800

um

1041

00:40:49,109 --> 00:40:45,680

you know

1042

00:40:51,589 --> 00:40:49,119

remote viewing works to a degree

1043

00:40:54,069 --> 00:40:51,599

we have tried it with extraterrestrials

1044

00:40:56,790 --> 00:40:54,079

terrestrials other beings

1045

00:40:59,030 --> 00:40:56,800

and it's just not that easy they have an

1046

00:41:01,190 --> 00:40:59,040

ability to kind of block things out

1047

00:41:03,750 --> 00:41:01,200

you know i i try to remove you a lot of

1048

00:41:05,190 --> 00:41:03,760

what happened with david

1049

00:41:07,589 --> 00:41:05,200

and um

1050

00:41:10,550 --> 00:41:07,599

oh my god we

1051

00:41:12,630 --> 00:41:10,560

we were we at one point we were working

1052

00:41:13,829 --> 00:41:12,640

this one session we were like three or

1053

00:41:16,309 --> 00:41:13,839

four hours

1054

00:41:18,710 --> 00:41:16,319

and we thought we were getting close

1055

00:41:21,270 --> 00:41:18,720

and all of a sudden

1056

00:41:23,349 --> 00:41:21,280

gone everything was gone

1057

00:41:25,510 --> 00:41:23,359

i lost everything

1058

00:41:27,829 --> 00:41:25,520

i i lost all concentration it's just

1059

00:41:28,870 --> 00:41:27,839

like i had the rug pulled out from under

1060

00:41:32,829 --> 00:41:28,880

me

1061

00:41:37,670 --> 00:41:36,309

uh i have attempted to there's you know

1062

00:41:42,790 --> 00:41:37,680

there are other

1063

00:41:45,190 --> 00:41:42,800

uh rvs at certain locations

1064

00:41:47,589 --> 00:41:45,200

uh for certain phenomena and it just

1065

00:41:50,870 --> 00:41:47,599

does not work

1066

00:41:53,430 --> 00:41:50,880

you know it's just not cut and dry

1067

00:41:55,030 --> 00:41:53,440

uh you need to i tell you when you when

1068

00:41:57,030 --> 00:41:55,040

you do something like that you need a

1069

00:41:59,349 --> 00:41:57,040

formidable team and in fact when i'm

1070

00:42:02,950 --> 00:41:59,359

talking about a team i'm talking about

1071

00:42:04,950 --> 00:42:02,960

two or three viewers plus a monitor

1072

00:42:06,790 --> 00:42:04,960

plus then

1073

00:42:08,550 --> 00:42:06,800

you know being able to

1074

00:42:10,710 --> 00:42:08,560

be separated enough to where you can

1075

00:42:12,950 --> 00:42:10,720

bring all the information together and

1076

00:42:14,470 --> 00:42:12,960

discern it

1077

00:42:16,790 --> 00:42:14,480

but it just doesn't work out all the

1078

00:42:18,870 --> 00:42:16,800

time sometimes invariably one of those

1079

00:42:20,630 --> 00:42:18,880

viewers loses something

1080

00:42:21,829 --> 00:42:20,640

and just doesn't get just doesn't

1081

00:42:23,510 --> 00:42:21,839

connect

1082

00:42:25,670 --> 00:42:23,520

and

1083

00:42:27,430 --> 00:42:25,680

you know i i blame that on the entities

1084

00:42:28,309 --> 00:42:27,440

themselves they you know they're very

1085

00:42:30,470 --> 00:42:28,319

good at

1086

00:42:33,190 --> 00:42:30,480

blocking things and um

1087

00:42:34,950 --> 00:42:33,200

it may sound like a cop out on my part

1088

00:42:36,790 --> 00:42:34,960

and i get that

1089

00:42:38,390 --> 00:42:36,800

but you know

1090

00:42:39,990 --> 00:42:38,400

maybe you aren't doing it right i don't

1091

00:42:42,790 --> 00:42:40,000

know

1092

00:42:45,109 --> 00:42:42,800

in my 51 years i've seen a green glowing

1093

00:42:46,470 --> 00:42:45,119

orb a ufo and had bigfoot through rocks

1094

00:42:48,150 --> 00:42:46,480

man

1095

00:42:49,829 --> 00:42:48,160

well you know you're one of the lucky

1096

00:42:51,190 --> 00:42:49,839

ones because not many people even get

1097

00:42:54,150 --> 00:42:51,200

that

1098

00:42:56,230 --> 00:42:54,160

let alone see a ufo so um

1099

00:42:57,510 --> 00:42:56,240

all the power to you i i i'd say you're

1100

00:42:59,910 --> 00:42:57,520

lucky

1101
00:43:02,390 --> 00:42:59,920
do you know how many babies a bigfoot

1102
00:43:04,230 --> 00:43:02,400
can have i have no idea

1103
00:43:05,829 --> 00:43:04,240
have you seen a baby bigfoot i've seen a

1104
00:43:08,710 --> 00:43:05,839
picture of one

1105
00:43:09,670 --> 00:43:08,720
in indiana years ago

1106
00:43:12,630 --> 00:43:09,680
uh

1107
00:43:14,630 --> 00:43:12,640
the woman who sent it to me swears that

1108
00:43:17,109 --> 00:43:14,640
there was a juvenile

1109
00:43:18,710 --> 00:43:17,119
uh a very small juvenile and from what i

1110
00:43:20,550 --> 00:43:18,720
saw it looked like it was sitting it was

1111
00:43:22,390 --> 00:43:20,560
sitting on the ground

1112
00:43:24,150 --> 00:43:22,400
it couldn't have been more than three

1113
00:43:26,550 --> 00:43:24,160

foot of it stood up

1114

00:43:28,150 --> 00:43:26,560

so does that qualify as a baby i i

1115

00:43:29,990 --> 00:43:28,160

suppose you know

1116

00:43:32,309 --> 00:43:30,000

i have you know we get a lot of reports

1117

00:43:34,710 --> 00:43:32,319

of juveniles but as far as

1118

00:43:36,390 --> 00:43:34,720

the rate what a baby bigfoot looks like

1119

00:43:38,710 --> 00:43:36,400

or what they

1120

00:43:41,270 --> 00:43:38,720

how many they have they have just one or

1121

00:43:43,829 --> 00:43:41,280

they do have twins maybe i don't know i

1122

00:43:48,470 --> 00:43:45,349

what's the most active area in the whole

1123

00:43:51,109 --> 00:43:48,480

pennsylvania uh chestnut ridge

1124

00:43:54,230 --> 00:43:51,119

the most active areas in pennsylvania

1125

00:43:56,230 --> 00:43:54,240

and i mean i can list a few of them

1126
00:43:57,750 --> 00:43:56,240
the chestnut ridge was success from

1127
00:44:00,470 --> 00:43:57,760
westmoreland

1128
00:44:02,069 --> 00:44:00,480
county south into fayette into uh west

1129
00:44:03,190 --> 00:44:02,079
virginia

1130
00:44:05,349 --> 00:44:03,200
um

1131
00:44:07,349 --> 00:44:05,359
the allegheny state forest area that

1132
00:44:11,670 --> 00:44:07,359
whole area up there has a lot of stuff

1133
00:44:15,349 --> 00:44:13,829
the rockton area up around there is very

1134
00:44:17,510 --> 00:44:15,359
active

1135
00:44:20,069 --> 00:44:17,520
south central pennsylvania in the our

1136
00:44:23,829 --> 00:44:20,079
area here around york county

1137
00:44:25,109 --> 00:44:23,839
into adams county very active

1138
00:44:27,430 --> 00:44:25,119

uh

1139

00:44:28,870 --> 00:44:27,440

the poconos occasionally has activity

1140

00:44:32,630 --> 00:44:28,880

going on

1141

00:44:34,829 --> 00:44:32,640

that's mostly bigfoot and upright canine

1142

00:44:37,670 --> 00:44:34,839

and south east

1143

00:44:39,990 --> 00:44:37,680

pennsylvania down in montgomery county

1144

00:44:42,309 --> 00:44:40,000

in that area a lot of ufo activity up

1145

00:44:44,069 --> 00:44:42,319

and even along the susquehanna through

1146

00:44:46,309 --> 00:44:44,079

the whole river valley

1147

00:44:48,069 --> 00:44:46,319

uh susquehanna river valley a lot of ufo

1148

00:44:50,150 --> 00:44:48,079

activity

1149

00:44:53,589 --> 00:44:50,160

so he's active it's got a lot of stuff

1150

00:44:56,069 --> 00:44:53,599

greene county in the southwest corner

1151

00:44:58,870 --> 00:44:56,079

uh there in in washington county very

1152

00:45:02,950 --> 00:44:58,880

active bigfoot areas

1153

00:45:02,960 --> 00:45:06,870

uh i i feel like

1154

00:45:10,710 --> 00:45:08,470

something special about penn state i

1155

00:45:12,630 --> 00:45:10,720

don't know i just lost that

1156

00:45:14,630 --> 00:45:12,640

i feel like as a whole there's something

1157

00:45:16,550 --> 00:45:14,640

special about pennsylvania that a lot of

1158

00:45:19,109 --> 00:45:16,560

the other places don't have

1159

00:45:20,870 --> 00:45:19,119

maybe because of age

1160

00:45:21,910 --> 00:45:20,880

it's been the hotbed for supernatural

1161

00:45:23,750 --> 00:45:21,920

experience

1162

00:45:26,390 --> 00:45:23,760

you know my thought about pennsylvania

1163

00:45:31,800 --> 00:45:28,710

pennsylvania as a whole

1164

00:45:33,430 --> 00:45:31,810

has a lot of granite and a lot of uh

1165

00:45:35,670 --> 00:45:33,440

[Music]

1166

00:45:37,589 --> 00:45:35,680

a lot of limestone

1167

00:45:38,710 --> 00:45:37,599

and a lot of quartz i mean those are

1168

00:45:42,950 --> 00:45:38,720

three

1169

00:45:44,950 --> 00:45:42,960

activity

1170

00:45:46,630 --> 00:45:44,960

plus there's a lot of water flow and

1171

00:45:48,470 --> 00:45:46,640

when i'm talking water flow i'm talking

1172

00:45:51,990 --> 00:45:48,480

about springs

1173

00:45:54,950 --> 00:45:52,000

the whole state has

1174

00:45:56,470 --> 00:45:54,960

large aquifers and and spring areas

1175

00:45:57,829 --> 00:45:56,480

uh you know butch and i were talking

1176

00:45:59,670 --> 00:45:57,839

about up in

1177

00:46:01,589 --> 00:45:59,680

northern lancaster county which you

1178

00:46:02,710 --> 00:46:01,599

don't really think about is an active

1179

00:46:06,710 --> 00:46:02,720

area

1180

00:46:08,550 --> 00:46:06,720

activity years ago

1181

00:46:11,829 --> 00:46:08,560

there was like springs everywhere you

1182

00:46:14,309 --> 00:46:11,839

know there's just water everywhere

1183

00:46:17,190 --> 00:46:14,319

so uh you know this these seem to be

1184

00:46:18,630 --> 00:46:17,200

areas where the indigenous peoples hung

1185

00:46:19,670 --> 00:46:18,640

out at you know they had a good water

1186

00:46:21,670 --> 00:46:19,680

supply

1187

00:46:23,109 --> 00:46:21,680

a lot of hunting and uh you know lots of

1188

00:46:25,589 --> 00:46:23,119

heavy forest

1189

00:46:28,390 --> 00:46:25,599

pennsylvania still has over 51 percent

1190

00:46:30,309 --> 00:46:28,400

it's 51 forested now

1191

00:46:32,790 --> 00:46:30,319

they got a lot of wilderness a lot of

1192

00:46:33,910 --> 00:46:32,800

places people had are very rarely going

1193

00:46:36,710 --> 00:46:33,920

into

1194

00:46:38,150 --> 00:46:36,720

so it's uh you know yeah you know just a

1195

00:46:40,309 --> 00:46:38,160

lot of states like that but you know

1196

00:46:42,309 --> 00:46:40,319

pennsylvania in my opinion is special

1197

00:46:44,069 --> 00:46:42,319

for a lot of different reasons and of

1198

00:46:46,630 --> 00:46:44,079

course it's man-made too of course with

1199

00:46:51,829 --> 00:46:46,640

gettysburg and historically things that

1200

00:46:57,910 --> 00:46:53,190

what do you know about the river

1201
00:47:03,990 --> 00:47:01,109
you know monongahela i i've heard of a

1202
00:47:05,990 --> 00:47:04,000
few cases of people seeing

1203
00:47:08,230 --> 00:47:06,000
something raising their ugly heads out

1204
00:47:10,069 --> 00:47:08,240
of the monogamy are they actually

1205
00:47:11,270 --> 00:47:10,079
monsters are they just large fish i

1206
00:47:13,750 --> 00:47:11,280
don't know

1207
00:47:15,589 --> 00:47:13,760
you know those rivers out in in western

1208
00:47:17,430 --> 00:47:15,599
pennsylvania especially in manga hilly

1209
00:47:18,950 --> 00:47:17,440
because we have heard a lot from there

1210
00:47:19,829 --> 00:47:18,960
uh because there you know there's a lot

1211
00:47:21,670 --> 00:47:19,839
there's a

1212
00:47:25,109 --> 00:47:21,680
a lot of rivers that go into there

1213
00:47:26,710 --> 00:47:25,119

especially the yakigani

1214

00:47:29,430 --> 00:47:26,720

you know and then of course all that

1215

00:47:32,069 --> 00:47:29,440

goes into the allegheny and the naga

1216

00:47:33,430 --> 00:47:32,079

hillary go into um and form the ohio

1217

00:47:37,270 --> 00:47:33,440

river

1218

00:47:38,710 --> 00:47:37,280

uh so uh i don't know you know

1219

00:47:40,790 --> 00:47:38,720

there's a lot of there's a lot of

1220

00:47:43,589 --> 00:47:40,800

aquatic activity you know

1221

00:47:44,790 --> 00:47:43,599

stan gordon has has talked about a lot

1222

00:47:47,430 --> 00:47:44,800

of this

1223

00:47:49,750 --> 00:47:47,440

uh he has documented a lot of ufo

1224

00:47:53,109 --> 00:47:49,760

activity along with nagahela

1225

00:47:54,870 --> 00:47:53,119

uh along the yakigani uh

1226

00:47:57,109 --> 00:47:54,880

we've had a lot of bigfoot activity

1227

00:47:59,270 --> 00:47:57,119

along the allegheny

1228

00:48:01,349 --> 00:47:59,280

uh not too even too far from pittsburgh

1229

00:48:02,870 --> 00:48:01,359

so um

1230

00:48:05,270 --> 00:48:02,880

you know it's just it's just one of

1231

00:48:08,150 --> 00:48:05,280

those things these river systems seem to

1232

00:48:11,030 --> 00:48:08,160

have you know a lot of strange cryptids

1233

00:48:12,710 --> 00:48:11,040

and unexplained phenomena and uh

1234

00:48:14,390 --> 00:48:12,720

as far as specific

1235

00:48:18,630 --> 00:48:14,400

types of water creatures you know i

1236

00:48:23,349 --> 00:48:20,710

do you think mothman has live babies or

1237

00:48:28,230 --> 00:48:24,950

i don't know

1238

00:48:31,190 --> 00:48:28,240

have babies i mean you know

1239

00:48:32,309 --> 00:48:31,200

i i believe they're i think they're

1240

00:48:33,910 --> 00:48:32,319

uh

1241

00:48:35,589 --> 00:48:33,920

i think they're and beings that need to

1242

00:48:36,870 --> 00:48:35,599

come from another dimension i do not

1243

00:48:38,710 --> 00:48:36,880

think they

1244

00:48:41,829 --> 00:48:38,720

they uh

1245

00:48:43,270 --> 00:48:41,839

multiply on our dimension how it happens

1246

00:48:45,030 --> 00:48:43,280

i don't know

1247

00:48:48,470 --> 00:48:45,040

do they have cocoons do they have live

1248

00:48:53,270 --> 00:48:50,630

that's something i don't know any recent

1249

00:48:57,990 --> 00:48:53,280

crawl reports no not really

1250

00:49:01,750 --> 00:49:00,150

you know vincent if you can think of one

1251

00:49:03,030 --> 00:49:01,760

in particular i mean you've been

1252

00:49:06,390 --> 00:49:03,040

watching that

1253

00:49:08,230 --> 00:49:06,400

uh vincent is helping me with the um

1254

00:49:09,990 --> 00:49:08,240

the crawler book that i'm working on

1255

00:49:12,309 --> 00:49:10,000

that's hopefully going to be out by the

1256

00:49:14,829 --> 00:49:12,319

end of the year

1257

00:49:17,270 --> 00:49:14,839

i'm getting pushed to get it done

1258

00:49:18,710 --> 00:49:17,280

so hopefully i'll get it done so if you

1259

00:49:20,630 --> 00:49:18,720

have any pacific

1260

00:49:22,950 --> 00:49:20,640

vince is the one to talk about

1261

00:49:25,190 --> 00:49:22,960

uh a long theory about quartz reminds me

1262

00:49:28,829 --> 00:49:25,200

of the movie chronicle well you know it

1263

00:49:31,190 --> 00:49:28,839

it it's it's a theory

1264

00:49:32,790 --> 00:49:31,200

um you know there are a lot of theories

1265

00:49:34,790 --> 00:49:32,800

about you know

1266

00:49:37,589 --> 00:49:34,800

about topography

1267

00:49:39,349 --> 00:49:37,599

geology having effects on uh

1268

00:49:41,430 --> 00:49:39,359

supernatural activity

1269

00:49:44,230 --> 00:49:41,440

you know i i think i think there's

1270

00:49:45,829 --> 00:49:44,240

something to that i really do and of

1271

00:49:47,910 --> 00:49:45,839

course here in pennsylvania we've we've

1272

00:49:49,510 --> 00:49:47,920

got all three of those different types

1273

00:49:51,510 --> 00:49:49,520

and um

1274

00:49:55,030 --> 00:49:51,520

you know that's why i think like people

1275

00:49:59,910 --> 00:49:57,109

gettysburg has a high concentration of

1276

00:50:01,349 --> 00:49:59,920

limestone and granite

1277

00:50:03,030 --> 00:50:01,359

and when you get out into the

1278

00:50:04,790 --> 00:50:03,040

battlefield you will notice a lot of

1279

00:50:06,150 --> 00:50:04,800

heavy outcroppings

1280

00:50:07,109 --> 00:50:06,160

of stone

1281

00:50:08,630 --> 00:50:07,119

of

1282

00:50:10,390 --> 00:50:08,640

you know heavy

1283

00:50:12,390 --> 00:50:10,400

dead rocket literally

1284

00:50:13,349 --> 00:50:12,400

comes out of the ground

1285

00:50:14,710 --> 00:50:13,359

and

1286

00:50:16,710 --> 00:50:14,720

i think

1287

00:50:18,069 --> 00:50:16,720

gettysburg because of the battle and a

1288

00:50:19,030 --> 00:50:18,079

few other things that have happened

1289

00:50:21,829 --> 00:50:19,040

there

1290

00:50:23,990 --> 00:50:21,839

is almost like a recorder and and all

1291

00:50:25,270 --> 00:50:24,000

that phenomena has been recorded into

1292

00:50:27,589 --> 00:50:25,280

the land

1293

00:50:30,950 --> 00:50:27,599

and i i think it just that's the reason

1294

00:50:33,030 --> 00:50:30,960

why it's so heavy as far as um

1295

00:50:34,630 --> 00:50:33,040

as activity you know you get a lot of

1296

00:50:36,870 --> 00:50:34,640

battlefields now of course i know

1297

00:50:38,150 --> 00:50:36,880

getting one of the biggest battles

1298

00:50:40,230 --> 00:50:38,160

on in you know

1299

00:50:42,150 --> 00:50:40,240

in the united states and of course

1300

00:50:43,349 --> 00:50:42,160

another one was antietam

1301

00:50:45,030 --> 00:50:43,359

uh

1302

00:50:46,309 --> 00:50:45,040

but you don't get the activity in some

1303

00:50:47,990 --> 00:50:46,319

of these places like you do at

1304

00:50:52,710 --> 00:50:48,000

gettysburg and i think that's the reason

1305

00:50:52,720 --> 00:50:57,030

another question

1306

00:51:02,710 --> 00:50:58,870

was that michigan

1307

00:51:03,910 --> 00:51:02,720

vhs dogman video uh hoax or real that

1308

00:51:05,670 --> 00:51:03,920

was a hoax

1309

00:51:07,270 --> 00:51:05,680

that was the gable film

1310

00:51:09,829 --> 00:51:07,280

um

1311

00:51:11,670 --> 00:51:09,839

had me convinced for a while

1312

00:51:14,950 --> 00:51:11,680

seriously

1313

00:51:17,270 --> 00:51:14,960

uh back in the year in the late 2000s i

1314

00:51:18,870 --> 00:51:17,280

mean that was a frightening looking

1315

00:51:20,309 --> 00:51:18,880

thing that thing

1316

00:51:22,390 --> 00:51:20,319

but what it turned out to be was

1317

00:51:25,030 --> 00:51:22,400

somebody who could literally run on all

1318

00:51:26,790 --> 00:51:25,040

fours like like a dog

1319

00:51:29,670 --> 00:51:26,800

for those who have seen this thing it's

1320

00:51:32,790 --> 00:51:29,680

probably it it's it's quite quite a

1321

00:51:35,030 --> 00:51:32,800

quite a film for an amateur film

1322

00:51:37,750 --> 00:51:35,040

and it had a lot of investigators fooled

1323

00:51:39,349 --> 00:51:37,760

for years i think linda godfrey blew the

1324

00:51:41,589 --> 00:51:39,359

lid off that thing

1325

00:51:43,990 --> 00:51:41,599

um and and i believe it was i think it

1326

00:51:45,030 --> 00:51:44,000

was a fake but um

1327

00:51:46,870 --> 00:51:45,040

you know

1328

00:51:49,349 --> 00:51:46,880

it kind of it kind of started the whole

1329

00:51:51,270 --> 00:51:49,359

michigan dog man and yep you know the

1330

00:51:53,750 --> 00:51:51,280

upper midwest

1331

00:51:55,910 --> 00:51:53,760

uh dog man going into the brave road

1332

00:51:56,790 --> 00:51:55,920

stuff so

1333

00:51:59,109 --> 00:51:56,800

you know

1334

00:52:03,349 --> 00:51:59,119

legend kind of spurs

1335

00:52:07,190 --> 00:52:04,710

you know i i think

1336

00:52:11,270 --> 00:52:07,200

i i think the gable film was was a hoax

1337

00:52:15,750 --> 00:52:12,870

when you investigate david eckhart's

1338

00:52:19,829 --> 00:52:17,829

i have invest i have never been to david

1339

00:52:21,589 --> 00:52:19,839

holmes tomes

1340

00:52:23,030 --> 00:52:21,599

you know he's lived in two of them that

1341

00:52:24,309 --> 00:52:23,040

had these issues

1342

00:52:26,950 --> 00:52:24,319

um

1343

00:52:29,270 --> 00:52:26,960

he has a group down there working

1344

00:52:30,950 --> 00:52:29,280

in in his home right now

1345

00:52:32,549 --> 00:52:30,960

they've been working on a supposed

1346

00:52:35,190 --> 00:52:32,559

documentary

1347

00:52:37,910 --> 00:52:35,200

i had talked to one of the the lady

1348

00:52:38,710 --> 00:52:37,920

who's actually working with him

1349

00:52:40,630 --> 00:52:38,720

uh

1350

00:52:42,470 --> 00:52:40,640

i know david's putting a lot of stuff on

1351

00:52:44,870 --> 00:52:42,480

tick tock and other

1352

00:52:47,030 --> 00:52:44,880

social media so um

1353

00:52:48,630 --> 00:52:47,040

i'm not directly involved with that

1354

00:52:50,470 --> 00:52:48,640

be honest with you

1355

00:52:52,630 --> 00:52:50,480

uh

1356

00:52:54,710 --> 00:52:52,640

i you know i i have no say either way on

1357

00:52:56,549 --> 00:52:54,720

it but you know i hope i hope they do

1358

00:53:01,109 --> 00:52:56,559

find something you know

1359

00:53:02,790 --> 00:53:01,119

i i just hope they stay safe by doing it

1360

00:53:10,950 --> 00:53:02,800

ron tell us about the psychic attacks

1361

00:53:15,270 --> 00:53:12,390

i don't know which one are you talking

1362

00:53:16,470 --> 00:53:15,280

about you know

1363

00:53:18,309 --> 00:53:16,480

are you sure

1364

00:53:20,790 --> 00:53:18,319

i don't know you know i've had so many i

1365

00:53:23,030 --> 00:53:20,800

don't i it's hard to keep track

1366

00:53:25,190 --> 00:53:23,040

i i really don't i really don't i mean

1367

00:53:27,030 --> 00:53:25,200

you know

1368

00:53:28,870 --> 00:53:27,040

i

1369

00:53:30,790 --> 00:53:28,880

can you tell me has anyone seen the

1370

00:53:34,309 --> 00:53:30,800

jersey devil

1371

00:53:37,829 --> 00:53:35,910

you have claims of seeing the jersey

1372

00:53:40,230 --> 00:53:37,839

devil i've never seen it i've talked to

1373

00:53:43,030 --> 00:53:40,240

people who say they saw it

1374

00:53:45,030 --> 00:53:43,040

is this jersey devil real

1375

00:53:47,349 --> 00:53:45,040

honestly

1376

00:53:49,349 --> 00:53:47,359

i have questions maybe maybe there's

1377

00:53:52,230 --> 00:53:49,359

something out there

1378

00:53:53,990 --> 00:53:52,240

uh i don't know you know there has been

1379

00:53:55,670 --> 00:53:54,000

a lot of reports

1380

00:53:57,510 --> 00:53:55,680

over the years and i'm talking about

1381

00:53:58,950 --> 00:53:57,520

historical reports you know the jersey

1382

00:54:01,589 --> 00:53:58,960

double reports

1383

00:54:04,710 --> 00:54:01,599

didn't start in the uh

1384

00:54:06,309 --> 00:54:04,720

the pine barrens it did not start there

1385

00:54:08,470 --> 00:54:06,319

the original reports actually started

1386

00:54:11,270 --> 00:54:08,480

down in maryland and eastern shore and

1387

00:54:13,990 --> 00:54:11,280

kind of migrated up up the coast

1388

00:54:17,589 --> 00:54:15,990

it kind of settled at the pine barrens

1389

00:54:18,710 --> 00:54:17,599

you know with the mrs leeds thing and

1390

00:54:19,990 --> 00:54:18,720

all that

1391

00:54:20,870 --> 00:54:20,000

but you know people have been talking

1392

00:54:22,950 --> 00:54:20,880

about

1393

00:54:24,630 --> 00:54:22,960

this this thing

1394

00:54:25,990 --> 00:54:24,640

uh that you know eventually got called

1395

00:54:27,190 --> 00:54:26,000

the jersey devil they've been talking

1396

00:54:29,270 --> 00:54:27,200

about that for

1397

00:54:31,670 --> 00:54:29,280

for centuries

1398

00:54:33,430 --> 00:54:31,680

uh i even think the delaware indians had

1399

00:54:35,829 --> 00:54:33,440

a name for something similar to that at

1400

00:54:37,270 --> 00:54:35,839

some point so i don't know but no that

1401

00:54:42,390 --> 00:54:37,280

didn't actually start but i haven't

1402

00:54:47,670 --> 00:54:45,349

hell oh helen oh okay

1403

00:54:49,190 --> 00:54:47,680

uh i'm gonna that's a private that's a

1404

00:54:51,109 --> 00:54:49,200

private case i didn't get it i didn't

1405

00:54:53,910 --> 00:54:51,119

have a psychic attack

1406

00:54:55,510 --> 00:54:53,920

uh my associate had a psychic attack

1407

00:54:56,950 --> 00:54:55,520

possibly

1408

00:54:58,950 --> 00:54:56,960

um

1409

00:55:00,870 --> 00:54:58,960

well that's a private investigation so i

1410

00:55:02,870 --> 00:55:00,880

am not going to get into that

1411

00:55:06,390 --> 00:55:02,880

you know a lot of these i will not talk

1412

00:55:08,710 --> 00:55:06,400

about in the public unless the the

1413

00:55:10,870 --> 00:55:08,720

actual experiencer or the person who's

1414

00:55:12,470 --> 00:55:10,880

affected will talk you know give me

1415

00:55:14,470 --> 00:55:12,480

permission to talk about

1416

00:55:16,710 --> 00:55:14,480

but that case is so new and there's

1417

00:55:19,750 --> 00:55:16,720

still things going on i won't talk about

1418

00:55:24,630 --> 00:55:21,990

and that was in charleston charleston

1419

00:55:26,150 --> 00:55:24,640

west virginia

1420

00:55:28,309 --> 00:55:26,160

have you ever had an attachment yes i

1421

00:55:29,990 --> 00:55:28,319

did i had one removed not long ago it

1422

00:55:34,069 --> 00:55:30,000

was an attachment that had been in me

1423

00:55:36,390 --> 00:55:34,079

for almost 30 years didn't know about it

1424

00:55:37,670 --> 00:55:36,400

uh i was lucky enough to have it removed

1425

00:55:38,710 --> 00:55:37,680

from me

1426

00:55:42,630 --> 00:55:38,720

i was

1427

00:55:44,870 --> 00:55:42,640

when it happened

1428

00:55:46,390 --> 00:55:44,880

i i definitely felt it when it came out

1429

00:55:47,589 --> 00:55:46,400

when it was removed

1430

00:55:49,670 --> 00:55:47,599

didn't know it

1431

00:55:50,870 --> 00:55:49,680

and that does happen

1432

00:55:52,630 --> 00:55:50,880

you know

1433

00:55:54,549 --> 00:55:52,640

if it's not a serious attack if it's

1434

00:55:56,950 --> 00:55:54,559

something that's really not causing an

1435

00:55:59,190 --> 00:55:56,960

issue they're kind of hard to detect

1436

00:56:00,309 --> 00:55:59,200

they've kind of become part of you and

1437

00:56:03,430 --> 00:56:00,319

um

1438

00:56:05,510 --> 00:56:03,440

apparently this entity that was attached

1439

00:56:06,870 --> 00:56:05,520

to me was that of a female

1440

00:56:10,309 --> 00:56:06,880

spirit

1441

00:56:12,789 --> 00:56:10,319

a female energy that attached to me back

1442

00:56:15,750 --> 00:56:12,799

in 1984

1443

00:56:18,230 --> 00:56:15,760

in an investigation i had outside of

1444

00:56:18,900 --> 00:56:18,240

ellicott city maryland

1445

00:56:21,270 --> 00:56:18,910

and

1446

00:56:23,109 --> 00:56:21,280

[Music]

1447

00:56:27,349 --> 00:56:23,119

my colleague found it

1448

00:56:31,430 --> 00:56:29,270

does there seem to be more cloaked

1449

00:56:33,430 --> 00:56:31,440

predator glimmer man sightings in north

1450

00:56:35,349 --> 00:56:33,440

america compared to elsewhere

1451

00:56:37,109 --> 00:56:35,359

or are they fairly evenly spread out the

1452

00:56:38,710 --> 00:56:37,119

rest i don't know

1453

00:56:41,270 --> 00:56:38,720

i know most reports we get are coming

1454

00:56:43,349 --> 00:56:41,280

from the us now you know

1455

00:56:45,990 --> 00:56:43,359

it seems most reports that we get of

1456

00:56:47,990 --> 00:56:46,000

anything come out more out of the u.s or

1457

00:56:48,950 --> 00:56:48,000

in north america and canada united

1458

00:56:50,549 --> 00:56:48,960

states

1459

00:56:51,910 --> 00:56:50,559

is that because of

1460

00:56:55,750 --> 00:56:51,920

you know

1461

00:56:56,829 --> 00:56:55,760

the internet because of social media

1462

00:56:59,829 --> 00:56:56,839

yeah

1463

00:57:02,549 --> 00:56:59,839

probably you know we don't we just don't

1464

00:57:03,990 --> 00:57:02,559

get the reports out of other areas as we

1465

00:57:04,870 --> 00:57:04,000

do here

1466

00:57:06,710 --> 00:57:04,880

uh

1467

00:57:09,030 --> 00:57:06,720

i i can't i can't

1468

00:57:11,589 --> 00:57:09,040

really give you a reason why

1469

00:57:13,589 --> 00:57:11,599

uh you know besides united states and

1470

00:57:15,670 --> 00:57:13,599

canada we get a lot of reports out of

1471

00:57:17,349 --> 00:57:15,680

great britain but it's still not the the

1472

00:57:19,829 --> 00:57:17,359

amount we get here

1473

00:57:21,829 --> 00:57:19,839

we occasionally get a lot in um in

1474

00:57:22,950 --> 00:57:21,839

particular in the eastern part of uh

1475

00:57:26,630 --> 00:57:22,960

europe

1476

00:57:28,870 --> 00:57:26,640

going into the caucuses and into um

1477

00:57:32,150 --> 00:57:28,880

into russia

1478

00:57:34,870 --> 00:57:32,160

um maybe some in australia

1479

00:57:37,910 --> 00:57:34,880

few in australia especially

1480

00:57:39,589 --> 00:57:37,920

you know if it's uh a yali or something

1481

00:57:42,230 --> 00:57:39,599

like that

1482

00:57:44,470 --> 00:57:42,240

uh i have had some haunting cases in in

1483

00:57:46,549 --> 00:57:44,480

australia

1484

00:57:48,230 --> 00:57:46,559

but as far as cryptis go you know you

1485

00:57:51,109 --> 00:57:48,240

think you'd get more out of out of

1486

00:57:54,069 --> 00:57:51,119

africa and we had a cases in africa

1487

00:57:55,510 --> 00:57:54,079

in the subcontinent and other parts but

1488

00:57:57,990 --> 00:57:55,520

you know i guess it's because the

1489

00:58:00,069 --> 00:57:58,000

tradition is such a lot of stuff just

1490

00:58:02,309 --> 00:58:00,079

doesn't get out

1491

00:58:04,150 --> 00:58:02,319

uh if we do get a case in in africa it's

1492

00:58:06,630 --> 00:58:04,160

usually from somebody who's there on

1493

00:58:09,990 --> 00:58:06,640

missionary or somebody who's there on a

1494

00:58:16,069 --> 00:58:13,030

so one more lon can you share who helped

1495

00:58:17,430 --> 00:58:16,079

you remove the attachment yeah um

1496

00:58:20,710 --> 00:58:17,440

uh jennifer

1497

00:58:26,549 --> 00:58:20,720

myers associate actually did that

1498

00:58:29,829 --> 00:58:28,470

okay folks well you know thanks for

1499

00:58:31,030 --> 00:58:29,839

joining me this evening it was pretty

1500

00:58:36,630 --> 00:58:31,040

lively

1501

00:58:40,870 --> 00:58:36,640

uh for those who us gave us a uh

1502

00:58:43,190 --> 00:58:40,880

a donation i really appreciate it um

1503

00:58:46,470 --> 00:58:43,200

and uh

1504

00:58:47,270 --> 00:58:46,480

vincent is taking names and

1505

00:58:50,710 --> 00:58:47,280

uh

1506

00:58:52,150 --> 00:58:50,720

telling people what they've won so um or

1507

00:58:54,870 --> 00:58:52,160

what they're going to receive so i'll

1508

00:58:56,470 --> 00:58:54,880

get that out to you as soon as possible

1509

00:58:58,390 --> 00:58:56,480

the books from the last session have

1510

00:58:59,910 --> 00:58:58,400

been were mailed out this week so i will

1511

00:59:01,910 --> 00:58:59,920

get i will get the other stuff out to

1512

00:59:04,710 --> 00:59:01,920

you as well

1513

00:59:06,630 --> 00:59:04,720

now you know again you know thanks to

1514

00:59:08,789 --> 00:59:06,640

all you for watching and chatting you

1515

00:59:11,030 --> 00:59:08,799

know if you made a donation i want to

1516

00:59:13,589 --> 00:59:11,040

really thank you i really appreciate it

1517

00:59:15,510 --> 00:59:13,599

all of us here at uh beyond explanation

1518

00:59:18,230 --> 00:59:15,520

appreciate it this is you know that's

1519

00:59:19,270 --> 00:59:18,240

what makes it possible and you know we

1520

00:59:20,789 --> 00:59:19,280

really

1521

00:59:22,870 --> 00:59:20,799

the only way we're going to keep doing

1522

00:59:24,710 --> 00:59:22,880

this is we get donations

1523

00:59:28,069 --> 00:59:24,720

that's the bottom line

1524

00:59:30,870 --> 00:59:28,079

so uh but next week we'll be discussing

1525

00:59:33,109 --> 00:59:30,880

sasquatch communication

1526

00:59:35,829 --> 00:59:33,119

and other indigenous ceremonial

1527

00:59:37,990 --> 00:59:35,839

practices with kelly butterfly

1528

00:59:40,630 --> 00:59:38,000

uh you may know kelly by a different

1529

00:59:42,069 --> 00:59:40,640

name but uh she will be joining me kelly

1530

00:59:44,630 --> 00:59:42,079

has been active in communication with

1531

00:59:47,589 --> 00:59:44,640

all multi-dimensional beings

1532

00:59:48,789 --> 00:59:47,599

such as uh star elders and sasquatch

1533

00:59:50,390 --> 00:59:48,799

people inner

1534

00:59:53,670 --> 00:59:50,400

earth beings

1535

00:59:55,990 --> 00:59:53,680

ancestors and natural spirits so

1536

00:59:58,069 --> 00:59:56,000

this it'll be an interesting show

1537

00:59:58,950 --> 00:59:58,079

so uh you know

1538

01:00:00,630 --> 00:59:58,960

and

1539

01:00:03,670 --> 01:00:00,640

there will be a lot of information that

1540

01:00:06,710 --> 01:00:03,680

you know people just don't know about so

1541

01:00:08,630 --> 01:00:06,720

if you have questions for

1542

01:00:10,630 --> 01:00:08,640

for kelly uh make sure you come in here

1543

01:00:11,910 --> 01:00:10,640

and uh we'll see if we can answer them

1544

01:00:14,069 --> 01:00:11,920

for you so

1545

01:00:24,270 --> 01:00:14,079

until next week stay healthy have a safe

1546

01:00:24,280 --> 01:00:36,920

[Music]

1547

01:00:36,930 --> 01:01:01,980

[Applause]
