

**ARCANE RADIO**   
Exploring the Unexplained 

**October 1st, 2021**  
**@ 9PM Eastern**

**With Guest**  
**Kelly Butterfly**

**Your**  
**Host**  
**Lon**  
**Strickler**

**KELLY BUTTERFLY, Spiritual Healer, Children of Earth Coalition Co-Founder**

1  
00:00:08,950 --> 00:00:07,349  
the oldest and strongest human emotion

2  
00:00:11,110 --> 00:00:08,960  
is fear

3  
00:00:12,150 --> 00:00:11,120  
and the oldest and strongest type of

4  
00:00:15,350 --> 00:00:12,160  
fear

5  
00:00:17,750 --> 00:00:15,360  
is trepidation of the unknown

6  
00:00:21,189 --> 00:00:17,760  
when we were children our parents told

7  
00:00:23,670 --> 00:00:21,199  
us that monsters didn't exist

8  
00:00:26,870 --> 00:00:23,680  
but we were sure that something was

9  
00:00:31,429 --> 00:00:26,880  
lurking under the bed or in the closet

10  
00:00:34,470 --> 00:00:31,439  
fear sees even if our eyes are closed

11  
00:00:36,709 --> 00:00:34,480  
welcome to the realm of the arcane

12  
00:00:39,110 --> 00:00:36,719  
my name is lon strickler

13  
00:00:40,229 --> 00:00:39,120

join me as i examine unexplained

14

00:00:42,869 --> 00:00:40,239

creatures

15

00:00:45,190 --> 00:00:42,879

strange manifestations and remarkable

16

00:00:48,150 --> 00:00:45,200

realities

17

00:00:50,790 --> 00:00:48,160

imagine this next hour as a voyage of

18

00:00:53,350 --> 00:00:50,800

discovery to strange lands

19

00:00:54,869 --> 00:00:53,360

seeking not for new territory

20

00:00:56,389 --> 00:00:54,879

but for new knowledge of the

21

00:00:59,189 --> 00:00:56,399

supernatural

22

00:01:00,580 --> 00:00:59,199

come on board as we begin this adventure

23

00:01:03,910 --> 00:01:00,590

together

24

00:01:07,670 --> 00:01:05,109

folks good evening and welcome to

25

00:01:09,990 --> 00:01:07,680

another episode of arcane radio where we

26  
00:01:11,429 --> 00:01:10,000  
explore the unexplained live one beyond

27  
00:01:13,429 --> 00:01:11,439  
explanation

28  
00:01:16,070 --> 00:01:13,439  
i'm your host lon strickler coming to

29  
00:01:18,469 --> 00:01:16,080  
you within a cannon shot of the howled

30  
00:01:19,910 --> 00:01:18,479  
fields of gettysburg pennsylvania thanks

31  
00:01:20,870 --> 00:01:19,920  
for joining us

32  
00:01:22,789 --> 00:01:20,880  
uh

33  
00:01:24,870 --> 00:01:22,799  
first let me state that arcane radio and

34  
00:01:27,270 --> 00:01:24,880  
beyond explanation

35  
00:01:29,270 --> 00:01:27,280  
uh the channel is made possible by you

36  
00:01:30,550 --> 00:01:29,280  
liking subscribing and sharing our

37  
00:01:33,350 --> 00:01:30,560  
programming

38  
00:01:35,190 --> 00:01:33,360

now super chat donations are essential

39

00:01:36,630 --> 00:01:35,200

for us to continue offering you this

40

00:01:39,030 --> 00:01:36,640

unique content

41

00:01:41,510 --> 00:01:39,040

and your consideration is very much

42

00:01:43,749 --> 00:01:41,520

needed and appreciated

43

00:01:46,230 --> 00:01:43,759

so tonight's guest

44

00:01:48,389 --> 00:01:46,240

is kelly butterfly she's an author

45

00:01:50,310 --> 00:01:48,399

editor and publisher for rainbow

46

00:01:52,870 --> 00:01:50,320

butterfly publications

47

00:01:55,109 --> 00:01:52,880

and the sasquatch message to humanity

48

00:01:57,190 --> 00:01:55,119

channel book series

49

00:02:00,389 --> 00:01:57,200

she is in service to others as a public

50

00:02:02,709 --> 00:02:00,399

speaker rainbow reiki practitioner

51  
00:02:05,510 --> 00:02:02,719  
and marketing specialist

52  
00:02:06,870 --> 00:02:05,520  
since 2012 kelly has been active in

53  
00:02:08,869 --> 00:02:06,880  
communication

54  
00:02:12,150 --> 00:02:08,879  
with multi-dimensional beings such as

55  
00:02:14,710 --> 00:02:12,160  
star elders squats sasquatch people

56  
00:02:15,910 --> 00:02:14,720  
inner earth beings ancestors and nature

57  
00:02:17,510 --> 00:02:15,920  
spirits

58  
00:02:20,390 --> 00:02:17,520  
she has learned and practiced sacred

59  
00:02:23,030 --> 00:02:20,400  
ways of divine sources in several native

60  
00:02:25,030 --> 00:02:23,040  
american elders and shamans

61  
00:02:27,270 --> 00:02:25,040  
in 2019

62  
00:02:28,630 --> 00:02:27,280  
kelly founded the children of earth

63  
00:02:30,710 --> 00:02:28,640

coalition

64

00:02:32,869 --> 00:02:30,720

an alliance of worldwide community

65

00:02:35,270 --> 00:02:32,879

members committed to the regeneration of

66

00:02:39,190 --> 00:02:35,280

earth and all living beings

67

00:02:41,910 --> 00:02:39,200

the coec's goal is to develop spirit and

68

00:02:43,430 --> 00:02:41,920

nature based educational programs events

69

00:02:45,190 --> 00:02:43,440

in holistic

70

00:02:47,190 --> 00:02:45,200

healing centers

71

00:02:48,470 --> 00:02:47,200

so kelly thank you for joining me this

72

00:02:50,470 --> 00:02:48,480

evening

73

00:02:51,589 --> 00:02:50,480

yes thank you lon it's an honor to be

74

00:02:53,270 --> 00:02:51,599

here

75

00:02:56,229 --> 00:02:53,280

well i uh

76  
00:02:57,190 --> 00:02:56,239  
i i had been looking over what you have

77  
00:02:59,509 --> 00:02:57,200  
done

78  
00:03:02,070 --> 00:02:59,519  
i i i put it this way i i understand

79  
00:03:03,750 --> 00:03:02,080  
some of them and some of them don't i i

80  
00:03:05,910 --> 00:03:03,760  
kind of

81  
00:03:07,910 --> 00:03:05,920  
you know i i'm very

82  
00:03:10,309 --> 00:03:07,920  
in tune with multi-dimensional beings

83  
00:03:13,350 --> 00:03:10,319  
myself i you know even

84  
00:03:14,790 --> 00:03:13,360  
as far as working with cryptids and

85  
00:03:17,070 --> 00:03:14,800  
and uh

86  
00:03:19,110 --> 00:03:17,080  
you know extraterrestrials

87  
00:03:21,270 --> 00:03:19,120  
ultratresibles you know

88  
00:03:23,350 --> 00:03:21,280

all this kind of ties in

89

00:03:26,229 --> 00:03:23,360

but tell us a bit about how you get

90

00:03:28,470 --> 00:03:26,239

started with this and why

91

00:03:31,509 --> 00:03:28,480

why has it grown to the point

92

00:03:34,789 --> 00:03:31,519

where you are right now

93

00:03:36,630 --> 00:03:34,799

yes well it's really been kind of um a

94

00:03:39,350 --> 00:03:36,640

lifelong

95

00:03:42,550 --> 00:03:39,360

contact and connection that i've had

96

00:03:44,550 --> 00:03:42,560

although i wasn't that um sure of things

97

00:03:46,949 --> 00:03:44,560

i didn't have quite that much clarity

98

00:03:48,789 --> 00:03:46,959

about it um you know several years ago

99

00:03:50,710 --> 00:03:48,799

or when i was younger i just knew that i

100

00:03:53,589 --> 00:03:50,720

was sensitive to

101

00:03:55,990 --> 00:03:53,599

um spirits and i didn't know you know

102

00:03:57,830 --> 00:03:56,000

quite what that meant when i was a kid

103

00:04:00,149 --> 00:03:57,840

uh you know the only way that you can

104

00:04:02,630 --> 00:04:00,159

really relate to that is ghosts that's

105

00:04:05,509 --> 00:04:02,640

that's what i thought of and so uh i

106

00:04:08,070 --> 00:04:05,519

knew that i could sense ghosts and i

107

00:04:11,190 --> 00:04:08,080

really didn't want much to do with it so

108

00:04:15,110 --> 00:04:11,200

i kind of for a while i turned those

109

00:04:17,590 --> 00:04:15,120

abilities off um you know it was

110

00:04:19,189 --> 00:04:17,600

something i couldn't understand and so

111

00:04:20,469 --> 00:04:19,199

uh it's something i really didn't want

112

00:04:23,670 --> 00:04:20,479

to deal with

113

00:04:26,710 --> 00:04:23,680

um and so for many years i didn't feel

114

00:04:30,310 --> 00:04:26,720

this the stronger connection but then um

115

00:04:33,510 --> 00:04:30,320

as a older teenager young adult is when

116

00:04:36,550 --> 00:04:33,520

some of that uh started to come back to

117

00:04:39,189 --> 00:04:36,560

me um you know just having the awareness

118

00:04:41,830 --> 00:04:39,199

of the different realms and dimensions

119

00:04:43,670 --> 00:04:41,840

different beings around me uh even

120

00:04:45,350 --> 00:04:43,680

though i couldn't quite explain it it's

121

00:04:47,990 --> 00:04:45,360

just this feeling of like i'm being

122

00:04:49,510 --> 00:04:48,000

watched or i know i'm being guided in

123

00:04:51,909 --> 00:04:49,520

some kind of way

124

00:04:53,270 --> 00:04:51,919

um you know and so

125

00:04:54,870 --> 00:04:53,280

um in

126

00:04:56,830 --> 00:04:54,880

what year was that

127

00:05:00,950 --> 00:04:56,840

um around

128

00:05:03,350 --> 00:05:00,960

2008 actually is when things started to

129

00:05:05,749 --> 00:05:03,360

change for me a little bit i was 28

130

00:05:07,590 --> 00:05:05,759

years old at the time

131

00:05:10,629 --> 00:05:07,600

and that's when

132

00:05:13,350 --> 00:05:10,639

a few people close to me uh passed away

133

00:05:14,230 --> 00:05:13,360

actually peop a few young people close

134

00:05:17,670 --> 00:05:14,240

to me

135

00:05:20,629 --> 00:05:17,680

and um so it you know the the whole

136

00:05:22,230 --> 00:05:20,639

emotional and the the grieving factor of

137

00:05:25,110 --> 00:05:22,240

all of that too

138

00:05:27,350 --> 00:05:25,120

but because i knew these people i was

139

00:05:29,749 --> 00:05:27,360

really familiar with

140

00:05:31,430 --> 00:05:29,759

their souls and who they were you know

141

00:05:33,510 --> 00:05:31,440

since they had crossed over and they

142

00:05:35,749 --> 00:05:33,520

were making contact with me

143

00:05:38,710 --> 00:05:35,759

um and i couldn't deny it you know i

144

00:05:41,350 --> 00:05:38,720

knew exactly what i was experiencing

145

00:05:42,310 --> 00:05:41,360

and so i just kind of surrendered that

146

00:05:46,070 --> 00:05:42,320

fear

147

00:05:49,270 --> 00:05:46,080

um and allowed it and um

148

00:05:51,749 --> 00:05:49,280

and so much more was able to open for me

149

00:05:53,670 --> 00:05:51,759

once i just kind of accepted and allowed

150

00:05:55,029 --> 00:05:53,680

that

151  
00:05:56,469 --> 00:05:55,039  
and so

152  
00:05:58,309 --> 00:05:56,479  
fast forward

153  
00:05:59,830 --> 00:05:58,319  
a couple years

154  
00:06:01,909 --> 00:05:59,840  
and i was

155  
00:06:04,469 --> 00:06:01,919  
pregnant with my son

156  
00:06:07,270 --> 00:06:04,479  
and so and during that time

157  
00:06:10,230 --> 00:06:07,280  
moore was opening up for me just psychic

158  
00:06:12,390 --> 00:06:10,240  
gifts and abilities and dreams and and

159  
00:06:15,430 --> 00:06:12,400  
much more coming to me other spirits

160  
00:06:15,650 --> 00:06:15,440  
things like that so i was becoming much

161  
00:06:16,710 --> 00:06:15,660  
more

162  
00:06:18,950 --> 00:06:16,720  
[Music]

163  
00:06:21,350 --> 00:06:18,960

familiar with it and there was just this

164

00:06:23,510 --> 00:06:21,360

knowing i guess you could say um you

165

00:06:25,110 --> 00:06:23,520

know when when it comes to psychic gifts

166

00:06:27,909 --> 00:06:25,120

just things that i knew

167

00:06:30,390 --> 00:06:27,919

uh through dreams that were

168

00:06:33,189 --> 00:06:30,400

not dreams you know they they were just

169

00:06:35,430 --> 00:06:33,199

so real that i knew they were really

170

00:06:38,230 --> 00:06:35,440

something taking place these are

171

00:06:39,909 --> 00:06:38,240

conversations these are activities or

172

00:06:42,309 --> 00:06:39,919

things that i am

173

00:06:44,230 --> 00:06:42,319

really doing out of body

174

00:06:46,870 --> 00:06:44,240

um you know and

175

00:06:50,629 --> 00:06:46,880

so um

176

00:06:53,350 --> 00:06:50,639

after that um but i'd say by by 2012

177

00:06:57,510 --> 00:06:53,360

is when i was on um i guess you could

178

00:06:59,830 --> 00:06:57,520

say my my spiritual awakening journey

179

00:07:03,510 --> 00:06:59,840

um i was doing a lot of

180

00:07:05,909 --> 00:07:03,520

research into my own family lineage my

181

00:07:07,589 --> 00:07:05,919

son's family lineage especially because

182

00:07:08,870 --> 00:07:07,599

there's a lot of

183

00:07:10,150 --> 00:07:08,880

native american

184

00:07:12,469 --> 00:07:10,160

[Music]

185

00:07:14,070 --> 00:07:12,479

you know ancestral ties and things like

186

00:07:17,270 --> 00:07:14,080

that and so i was really kind of

187

00:07:19,589 --> 00:07:17,280

immersed in the whole native american

188

00:07:22,710 --> 00:07:19,599

culture and i was learning their

189

00:07:25,830 --> 00:07:22,720

spirituality their way of life and um

190

00:07:28,790 --> 00:07:25,840

you know honoring the earth and using

191

00:07:31,110 --> 00:07:28,800

all of the resources available to us and

192

00:07:33,270 --> 00:07:31,120

um you know and because i was already

193

00:07:35,990 --> 00:07:33,280

sensitive with spirits i was learning

194

00:07:36,790 --> 00:07:36,000

more about communication with nature and

195

00:07:39,430 --> 00:07:36,800

even

196

00:07:41,029 --> 00:07:39,440

communicating with my own body more than

197

00:07:45,350 --> 00:07:41,039

most people do

198

00:07:48,230 --> 00:07:45,360

you know listening to ourselves and um

199

00:07:50,230 --> 00:07:48,240

so by the end of 2012

200

00:07:54,469 --> 00:07:50,240

um i was

201  
00:07:56,469 --> 00:07:54,479  
spending also a lot of time in the woods

202  
00:07:59,510 --> 00:07:56,479  
i had been i lived in

203  
00:08:01,350 --> 00:07:59,520  
arkansas at this time in the ozarks and

204  
00:08:02,710 --> 00:08:01,360  
so i was spending a lot of time in the

205  
00:08:07,270 --> 00:08:02,720  
forest there

206  
00:08:10,150 --> 00:08:07,280  
um and increasingly more and more i felt

207  
00:08:12,390 --> 00:08:10,160  
this connection with the sasquatch or i

208  
00:08:15,670 --> 00:08:12,400  
knew that they were around

209  
00:08:17,670 --> 00:08:15,680  
i would hear them gigantic footsteps

210  
00:08:19,749 --> 00:08:17,680  
following me or you could feel the

211  
00:08:22,390 --> 00:08:19,759  
ground shaking almost while when they're

212  
00:08:24,390 --> 00:08:22,400  
walking and there's nobody behind you

213  
00:08:26,550 --> 00:08:24,400

or pine cones being thrown in your

214

00:08:29,029 --> 00:08:26,560

direction it's they're obviously they're

215

00:08:30,710 --> 00:08:29,039

not dropping from the trees

216

00:08:34,630 --> 00:08:30,720

you know different things like that even

217

00:08:37,110 --> 00:08:34,640

hearing uh hearing them breathing or

218

00:08:39,670 --> 00:08:37,120

getting this whiff of this overwhelming

219

00:08:41,110 --> 00:08:39,680

smell that i just knew was them but they

220

00:08:43,029 --> 00:08:41,120

weren't around i could i couldn't

221

00:08:45,030 --> 00:08:43,039

understand you know what i'm

222

00:08:47,110 --> 00:08:45,040

experiencing here like i know they're

223

00:08:48,070 --> 00:08:47,120

there but why aren't they here

224

00:08:51,750 --> 00:08:48,080

um

225

00:08:54,150 --> 00:08:51,760

and so at the end of 2012

226

00:08:57,590 --> 00:08:54,160

that's when i really got a lot of

227

00:09:00,310 --> 00:08:57,600

clarity and really connected with them

228

00:09:02,550 --> 00:09:00,320

um and it was so

229

00:09:04,150 --> 00:09:02,560

it was it was the time to connect i was

230

00:09:06,150 --> 00:09:04,160

already communicating with them

231

00:09:08,630 --> 00:09:06,160

telepathically

232

00:09:11,269 --> 00:09:08,640

without knowing that i was because i was

233

00:09:12,550 --> 00:09:11,279

thinking about them wanting to know more

234

00:09:15,269 --> 00:09:12,560

all the time

235

00:09:16,790 --> 00:09:15,279

and uh i connected with this stranger on

236

00:09:19,030 --> 00:09:16,800

facebook

237

00:09:21,670 --> 00:09:19,040

he calls himself gray wolf

238

00:09:24,790 --> 00:09:21,680

um and i connected with the this person

239

00:09:27,350 --> 00:09:24,800

that um i i think we connected through a

240

00:09:29,670 --> 00:09:27,360

group of native american spirituality

241

00:09:31,590 --> 00:09:29,680

right and so that i connect with this

242

00:09:34,070 --> 00:09:31,600

guy and he sends me a message i have no

243

00:09:36,870 --> 00:09:34,080

idea who he is and this message he sends

244

00:09:38,470 --> 00:09:36,880

me says i walk with sasquatch

245

00:09:40,470 --> 00:09:38,480

and i was like oh

246

00:09:41,990 --> 00:09:40,480

my interest was peaked and i said well

247

00:09:42,870 --> 00:09:42,000

don't we all

248

00:09:45,910 --> 00:09:42,880

you know

249

00:09:48,070 --> 00:09:45,920

and uh and he goes no i mean like really

250

00:09:50,310 --> 00:09:48,080

i i communicate with them i walk with

251  
00:09:52,470 --> 00:09:50,320  
them they're my brothers and and i was

252  
00:09:54,470 --> 00:09:52,480  
just like tell me more you know and i

253  
00:09:56,470 --> 00:09:54,480  
was probably driving them nuts because

254  
00:09:59,509 --> 00:09:56,480  
i'm asking them all these questions

255  
00:10:01,910 --> 00:09:59,519  
about what he's experiencing and and he

256  
00:10:05,269 --> 00:10:01,920  
goes hey you know you want to learn more

257  
00:10:08,150 --> 00:10:05,279  
you need to to look into um you know the

258  
00:10:09,990 --> 00:10:08,160  
a few different authors books and go to

259  
00:10:11,910 --> 00:10:10,000  
go to this website

260  
00:10:14,470 --> 00:10:11,920  
uh which was you know the sasquatch

261  
00:10:16,949 --> 00:10:14,480  
people and i i ordered

262  
00:10:19,269 --> 00:10:16,959  
that book i looked at that website and

263  
00:10:21,350 --> 00:10:19,279

it um put so much

264

00:10:23,509 --> 00:10:21,360

it just it answered so many questions

265

00:10:25,990 --> 00:10:23,519

that i already had and it was this once

266

00:10:27,670 --> 00:10:26,000

again this knowing this deep knowing

267

00:10:29,509 --> 00:10:27,680

that um

268

00:10:32,069 --> 00:10:29,519

i this is like the information that i've

269

00:10:34,470 --> 00:10:32,079

been waiting for and i couldn't explain

270

00:10:36,150 --> 00:10:34,480

it but i also knew that finding this

271

00:10:38,310 --> 00:10:36,160

information

272

00:10:40,550 --> 00:10:38,320

um was like

273

00:10:42,870 --> 00:10:40,560

the first day of the rest of my life if

274

00:10:46,790 --> 00:10:42,880

you know what i mean it was just like

275

00:10:48,150 --> 00:10:46,800

this is completely life-changing for me

276  
00:10:49,829 --> 00:10:48,160  
um

277  
00:10:51,829 --> 00:10:49,839  
and so

278  
00:10:53,990 --> 00:10:51,839  
at around the same time i say it was

279  
00:10:55,990 --> 00:10:54,000  
like a spiritual awakening but it was

280  
00:10:58,069 --> 00:10:56,000  
really more of a

281  
00:11:01,350 --> 00:10:58,079  
what do they call it like a quickening

282  
00:11:05,509 --> 00:11:01,360  
because it happened very quickly

283  
00:11:07,990 --> 00:11:05,519  
and one evening in december 2012

284  
00:11:08,790 --> 00:11:08,000  
i went to bed

285  
00:11:11,509 --> 00:11:08,800  
and

286  
00:11:12,790 --> 00:11:11,519  
just the instant that i laid down in the

287  
00:11:15,269 --> 00:11:12,800  
bed

288  
00:11:18,550 --> 00:11:15,279

i had an experience where there was a

289

00:11:21,350 --> 00:11:18,560

ufo outside of my window outside of my

290

00:11:22,949 --> 00:11:21,360

bedroom and i could see the light and i

291

00:11:25,030 --> 00:11:22,959

could hear the hum

292

00:11:27,509 --> 00:11:25,040

but i couldn't get out of bed to go and

293

00:11:30,389 --> 00:11:27,519

check it out i wanted to go see it and i

294

00:11:32,550 --> 00:11:30,399

couldn't i i was like basically frozen

295

00:11:33,670 --> 00:11:32,560

to the bed and i couldn't get up and so

296

00:11:35,990 --> 00:11:33,680

i'm wondering

297

00:11:37,670 --> 00:11:36,000

well you know what's going on i want to

298

00:11:40,790 --> 00:11:37,680

get up and see it and then i knew i was

299

00:11:44,550 --> 00:11:40,800

like oh well okay so this is a you know

300

00:11:45,670 --> 00:11:44,560

an alien spaceship outside and obviously

301

00:11:48,230 --> 00:11:45,680

i'm

302

00:11:51,030 --> 00:11:48,240

not able to get up for whatever reason

303

00:11:52,069 --> 00:11:51,040

that whatever their intentions are

304

00:11:53,910 --> 00:11:52,079

um

305

00:11:55,990 --> 00:11:53,920

you know and then to verify it too

306

00:11:57,910 --> 00:11:56,000

because i was still like skeptical of

307

00:11:59,190 --> 00:11:57,920

well maybe i'm experiencing something

308

00:12:01,110 --> 00:11:59,200

else

309

00:12:04,870 --> 00:12:01,120

and a picture frame

310

00:12:05,750 --> 00:12:04,880

rattled off of the tv that was in the

311

00:12:07,750 --> 00:12:05,760

room

312

00:12:09,829 --> 00:12:07,760

and so i knew then it fell onto the

313

00:12:12,150 --> 00:12:09,839

floor and so that was you know kind of

314

00:12:14,470 --> 00:12:12,160

like my physical evidence that okay and

315

00:12:15,670 --> 00:12:14,480

yeah i'm not imagining this

316

00:12:16,629 --> 00:12:15,680

and um

317

00:12:19,110 --> 00:12:16,639

so

318

00:12:22,310 --> 00:12:19,120

i that was my first

319

00:12:25,110 --> 00:12:22,320

telepathic encounter that i had

320

00:12:27,990 --> 00:12:25,120

that i was aware of or you know at least

321

00:12:30,230 --> 00:12:28,000

that i can i can remember very well and

322

00:12:32,230 --> 00:12:30,240

there was um a little

323

00:12:35,190 --> 00:12:32,240

man in the room he looked very

324

00:12:38,629 --> 00:12:35,200

human-like he was a an et

325

00:12:41,030 --> 00:12:38,639

um i feel like he's andromedon i i'm not

326

00:12:43,110 --> 00:12:41,040

sure of that for sure but he told me to

327

00:12:45,190 --> 00:12:43,120

call him jai

328

00:12:47,590 --> 00:12:45,200

and uh he looks

329

00:12:49,430 --> 00:12:47,600

very human except his head is much

330

00:12:52,470 --> 00:12:49,440

bigger kind of bulbous

331

00:12:55,910 --> 00:12:52,480

and his clothes were strange it really

332

00:12:58,069 --> 00:12:55,920

reminded me of like um an alien e.t

333

00:12:59,269 --> 00:12:58,079

doctor kind of thing like he had a high

334

00:13:00,310 --> 00:12:59,279

collar and

335

00:13:01,829 --> 00:13:00,320

it's

336

00:13:04,389 --> 00:13:01,839

you know it was either white or it was

337

00:13:07,430 --> 00:13:04,399

like almost kind of glistening

338

00:13:09,430 --> 00:13:07,440

looking and and so um anyway i was very

339

00:13:12,150 --> 00:13:09,440

confident that this was not a human in

340

00:13:13,910 --> 00:13:12,160

the room um that i'm being visited by a

341

00:13:16,870 --> 00:13:13,920

star person

342

00:13:18,230 --> 00:13:16,880

and uh so i'm also i'm nervous at the

343

00:13:21,190 --> 00:13:18,240

same time

344

00:13:23,190 --> 00:13:21,200

um you know but i'm also being very

345

00:13:25,910 --> 00:13:23,200

calmly reassured

346

00:13:27,829 --> 00:13:25,920

that everything is okay and that

347

00:13:30,870 --> 00:13:27,839

everything's going to be okay and that

348

00:13:33,670 --> 00:13:30,880

this is um an experience that that i'm

349

00:13:35,269 --> 00:13:33,680

having that i've been waiting for that's

350

00:13:38,069 --> 00:13:35,279

going to

351  
00:13:40,389 --> 00:13:38,079  
progress me move me forward that's for

352  
00:13:42,069 --> 00:13:40,399  
the betterment of humanity all kinds of

353  
00:13:44,710 --> 00:13:42,079  
different things

354  
00:13:48,629 --> 00:13:44,720  
and i felt the presence also of the

355  
00:13:50,949 --> 00:13:48,639  
sasquatch at the end of my bed and while

356  
00:13:53,269 --> 00:13:50,959  
jai was communicating

357  
00:13:56,389 --> 00:13:53,279  
you know some things to me the sasquatch

358  
00:13:57,189 --> 00:13:56,399  
i didn't hear any words um but i felt

359  
00:13:58,550 --> 00:13:57,199  
this

360  
00:14:03,030 --> 00:13:58,560  
overwhelming

361  
00:14:05,990 --> 00:14:03,040  
love and um like a nurturing energy it

362  
00:14:08,069 --> 00:14:06,000  
felt like you know your grandmother

363  
00:14:09,829 --> 00:14:08,079

holding your hand

364

00:14:11,829 --> 00:14:09,839

or something like that when you're sick

365

00:14:14,310 --> 00:14:11,839

or you know being there with her

366

00:14:17,910 --> 00:14:14,320

energetic bowl of of soup

367

00:14:20,550 --> 00:14:17,920

there to to help me and um so

368

00:14:21,990 --> 00:14:20,560

while it was potentially a scary

369

00:14:23,030 --> 00:14:22,000

situation

370

00:14:27,590 --> 00:14:23,040

the

371

00:14:30,069 --> 00:14:27,600

that i felt and just this knowing that

372

00:14:31,350 --> 00:14:30,079

like this was a time that i've been

373

00:14:33,990 --> 00:14:31,360

waiting for

374

00:14:35,829 --> 00:14:34,000

um that really kind of

375

00:14:37,110 --> 00:14:35,839

trumped the fear

376

00:14:38,949 --> 00:14:37,120

um

377

00:14:42,069 --> 00:14:38,959

but i did feel

378

00:14:43,910 --> 00:14:42,079

some pain some some sensations that i

379

00:14:45,110 --> 00:14:43,920

assumed you know that they were

380

00:14:49,590 --> 00:14:45,120

harvesting

381

00:14:51,829 --> 00:14:49,600

some eggs or some dna from me um and

382

00:14:54,230 --> 00:14:51,839

that's what i was really feeling

383

00:14:56,069 --> 00:14:54,240

um and so that like i said that was my

384

00:14:57,910 --> 00:14:56,079

assumption especially with what they're

385

00:14:58,870 --> 00:14:57,920

telling me how this is better you know

386

00:15:01,030 --> 00:14:58,880

for the

387

00:15:02,069 --> 00:15:01,040

betterment of humanity and things like

388

00:15:04,310 --> 00:15:02,079

that

389

00:15:07,189 --> 00:15:04,320

um and so

390

00:15:09,509 --> 00:15:07,199

actually to fast forward come to find

391

00:15:10,629 --> 00:15:09,519

out a year later

392

00:15:12,550 --> 00:15:10,639

um

393

00:15:14,550 --> 00:15:12,560

unbeknownst to me

394

00:15:16,949 --> 00:15:14,560

i was actually like

395

00:15:19,269 --> 00:15:16,959

meditating a year later after this

396

00:15:21,189 --> 00:15:19,279

because this event was so life-changing

397

00:15:23,829 --> 00:15:21,199

for me that i was having kind of a

398

00:15:26,389 --> 00:15:23,839

ceremonial meditation to give thanks for

399

00:15:29,990 --> 00:15:26,399

that that incident a year prior

400

00:15:32,949 --> 00:15:30,000

um and in that meditation uh the beings

401  
00:15:35,749 --> 00:15:32,959  
came to me and told me um that at that

402  
00:15:39,189 --> 00:15:35,759  
time a year ago that they had also

403  
00:15:41,509 --> 00:15:39,199  
healed me of cervical cancer that i was

404  
00:15:43,590 --> 00:15:41,519  
unaware of that i had so

405  
00:15:46,470 --> 00:15:43,600  
um i was you know that much more

406  
00:15:49,030 --> 00:15:46,480  
gracious now that they were also

407  
00:15:52,550 --> 00:15:49,040  
i'm also aware that i'm part of like a

408  
00:15:55,030 --> 00:15:52,560  
hybrid program that my dna is used

409  
00:15:57,910 --> 00:15:55,040  
for different things um and so that was

410  
00:15:59,910 --> 00:15:57,920  
also a part of it but i had no idea that

411  
00:16:03,509 --> 00:15:59,920  
um you know there was also like a really

412  
00:16:06,069 --> 00:16:03,519  
massive healing going on at the time

413  
00:16:07,189 --> 00:16:06,079

so that was really my my first

414

00:16:09,829 --> 00:16:07,199

the biggest

415

00:16:12,790 --> 00:16:09,839

really life-changing thing that thrust

416

00:16:15,350 --> 00:16:12,800

me into this whole world of everything

417

00:16:18,470 --> 00:16:15,360

that i wasn't in before

418

00:16:21,110 --> 00:16:18,480

um and i started working much more

419

00:16:23,430 --> 00:16:21,120

closely with the sasquatch really pretty

420

00:16:26,230 --> 00:16:23,440

immediately afterwards within a few

421

00:16:27,590 --> 00:16:26,240

months started really connecting with my

422

00:16:30,310 --> 00:16:27,600

guides

423

00:16:31,829 --> 00:16:30,320

as the sasquatch

424

00:16:33,509 --> 00:16:31,839

you know their

425

00:16:36,230 --> 00:16:33,519

their teachings

426

00:16:38,949 --> 00:16:36,240

that they have also follows quite a bit

427

00:16:42,550 --> 00:16:38,959

of what the native american

428

00:16:44,790 --> 00:16:42,560

way of life and spirituality teaches um

429

00:16:47,269 --> 00:16:44,800

and so it was

430

00:16:49,110 --> 00:16:47,279

you know really just a beautiful blend

431

00:16:52,350 --> 00:16:49,120

of all of that but then

432

00:16:55,030 --> 00:16:52,360

you know later on came more of the

433

00:16:56,790 --> 00:16:55,040

interdimensional teachings the psychic

434

00:16:59,110 --> 00:16:56,800

teachings and then

435

00:17:01,350 --> 00:16:59,120

the healing so it it's been quite a

436

00:17:06,549 --> 00:17:01,360

journey

437

00:17:10,710 --> 00:17:09,350

is and i was living in washington by

438

00:17:13,029 --> 00:17:10,720

this time

439

00:17:14,230 --> 00:17:13,039

and that's when i connected with sunbow

440

00:17:15,429 --> 00:17:14,240

sunbro

441

00:17:17,189 --> 00:17:15,439

true brother

442

00:17:19,429 --> 00:17:17,199

and i also connected with him on

443

00:17:21,510 --> 00:17:19,439

facebook in a group

444

00:17:24,069 --> 00:17:21,520

that i had never even been in before

445

00:17:26,150 --> 00:17:24,079

actually it was like a really divine way

446

00:17:27,909 --> 00:17:26,160

to come together once again

447

00:17:31,029 --> 00:17:27,919

um but he was

448

00:17:33,590 --> 00:17:31,039

channeling a message from the sasquatch

449

00:17:36,390 --> 00:17:33,600

and uh he wrote it out and it was the

450

00:17:38,150 --> 00:17:36,400

most beautiful thing that i had ever

451  
00:17:41,350 --> 00:17:38,160  
read it just

452  
00:17:43,430 --> 00:17:41,360  
oh i was just shaking with truth and you

453  
00:17:44,390 --> 00:17:43,440  
know and that love once again and i knew

454  
00:17:46,870 --> 00:17:44,400  
that

455  
00:17:48,710 --> 00:17:46,880  
and i'm also like well how

456  
00:17:50,789 --> 00:17:48,720  
how come i don't know who this person is

457  
00:17:52,630 --> 00:17:50,799  
and this person doesn't know who i am

458  
00:17:55,590 --> 00:17:52,640  
but he's writing this beautiful message

459  
00:17:57,669 --> 00:17:55,600  
from the sasquatch that aligns with

460  
00:17:59,590 --> 00:17:57,679  
everything that i've you know been

461  
00:18:02,230 --> 00:17:59,600  
putting out there helping to put out

462  
00:18:04,710 --> 00:18:02,240  
there in the last few years

463  
00:18:06,950 --> 00:18:04,720

and it was just that was the time for us

464

00:18:10,710 --> 00:18:06,960

to connect and so

465

00:18:11,590 --> 00:18:10,720

uh the sasquatch really um worked with

466

00:18:14,070 --> 00:18:11,600

him

467

00:18:17,029 --> 00:18:14,080

so that he could transcribe the rest of

468

00:18:20,070 --> 00:18:17,039

these messages that the one that i read

469

00:18:21,669 --> 00:18:20,080

at the time was chapter seven

470

00:18:23,270 --> 00:18:21,679

of the first book

471

00:18:25,669 --> 00:18:23,280

and that's what i read and he goes well

472

00:18:27,350 --> 00:18:25,679

hey i wrote you know six other

473

00:18:29,110 --> 00:18:27,360

channelings from them

474

00:18:31,110 --> 00:18:29,120

and he sent that to me

475

00:18:33,029 --> 00:18:31,120

uh and then after that they just kept

476

00:18:34,870 --> 00:18:33,039

coming day after day after day or i

477

00:18:36,950 --> 00:18:34,880

think you know sometimes it was several

478

00:18:40,070 --> 00:18:36,960

chapters a day even

479

00:18:44,630 --> 00:18:40,080

um and then there was book two as well

480

00:18:48,150 --> 00:18:44,640

and um so i felt guided uh by the

481

00:18:50,470 --> 00:18:48,160

sasquatch as well to to publish this i

482

00:18:52,870 --> 00:18:50,480

didn't have any experience

483

00:18:56,070 --> 00:18:52,880

uh my ex had

484

00:18:59,590 --> 00:18:56,080

self-published or he had published he

485

00:19:02,470 --> 00:18:59,600

had an amazon account and so i used his

486

00:19:04,070 --> 00:19:02,480

amazon account to publish

487

00:19:05,909 --> 00:19:04,080

these books

488

00:19:08,070 --> 00:19:05,919

and um

489

00:19:09,510 --> 00:19:08,080

so that's basically that that's how they

490

00:19:12,310 --> 00:19:09,520

got out there it was a learning

491

00:19:14,549 --> 00:19:12,320

experience for me but the sasquatch were

492

00:19:15,350 --> 00:19:14,559

really like hey this this needs to be

493

00:19:17,590 --> 00:19:15,360

done

494

00:19:18,470 --> 00:19:17,600

um and they're out there

495

00:19:21,430 --> 00:19:18,480

of

496

00:19:23,830 --> 00:19:21,440

available for free too um you know so

497

00:19:26,150 --> 00:19:23,840

many people at least like me i'd like a

498

00:19:28,549 --> 00:19:26,160

book in my hands and something i can

499

00:19:30,870 --> 00:19:28,559

keep referencing uh but they're they're

500

00:19:32,950 --> 00:19:30,880

also on the website uh yeah there you go

501  
00:19:35,909 --> 00:19:32,960  
sasquatch message.com

502  
00:19:37,830 --> 00:19:35,919  
uh and you can read each each book on

503  
00:19:40,230 --> 00:19:37,840  
their

504  
00:19:42,789 --> 00:19:40,240  
they're listed under the the books or

505  
00:19:44,710 --> 00:19:42,799  
under the series so they can be read on

506  
00:19:46,870 --> 00:19:44,720  
there and then ordered uh through the

507  
00:19:49,190 --> 00:19:46,880  
website or on amazon too

508  
00:19:51,110 --> 00:19:49,200  
um but they're and then

509  
00:19:54,950 --> 00:19:51,120  
the third book actually that one came

510  
00:19:59,270 --> 00:19:54,960  
out in 2018 and um that was

511  
00:20:01,590 --> 00:19:59,280  
sun beau and myself and uh several other

512  
00:20:02,789 --> 00:20:01,600  
let me see i think there was seven or

513  
00:20:06,950 --> 00:20:02,799

eight other

514

00:20:08,710 --> 00:20:06,960

authors that contributed in that book um

515

00:20:11,270 --> 00:20:08,720

and so

516

00:20:13,830 --> 00:20:11,280

the messages that the sasquatcher are

517

00:20:16,230 --> 00:20:13,840

sharing are just they're so profound

518

00:20:18,630 --> 00:20:16,240

that's why we put it out there for free

519

00:20:20,549 --> 00:20:18,640

as well because the world needs to hear

520

00:20:23,190 --> 00:20:20,559

it it's not it's not just a book and

521

00:20:25,750 --> 00:20:23,200

it's not really just it is a series of

522

00:20:27,110 --> 00:20:25,760

course of you know channeled messages

523

00:20:28,310 --> 00:20:27,120

that come through

524

00:20:30,470 --> 00:20:28,320

um

525

00:20:31,350 --> 00:20:30,480

and when i say channeled a lot of people

526  
00:20:33,909 --> 00:20:31,360  
don't

527  
00:20:36,470 --> 00:20:33,919  
quite understand that um or how you

528  
00:20:39,110 --> 00:20:36,480  
receive something like that and i'll say

529  
00:20:41,750 --> 00:20:39,120  
that at least for me people receive it

530  
00:20:42,870 --> 00:20:41,760  
differently sometimes you you might hear

531  
00:20:45,510 --> 00:20:42,880  
voices

532  
00:20:48,149 --> 00:20:45,520  
or you might receive big downloads of

533  
00:20:51,270 --> 00:20:48,159  
information that that's how i get it a

534  
00:20:52,950 --> 00:20:51,280  
lot um i'll receive big downloads of

535  
00:20:54,149 --> 00:20:52,960  
information and then it's kind of like

536  
00:20:55,669 --> 00:20:54,159  
you have to

537  
00:20:59,350 --> 00:20:55,679  
translate it

538  
00:21:02,390 --> 00:20:59,360

words

539

00:21:04,149 --> 00:21:02,400

and you know it comes in the form of

540

00:21:06,470 --> 00:21:04,159

pictures almost like you're watching a

541

00:21:08,149 --> 00:21:06,480

movie and then and then it's your

542

00:21:11,909 --> 00:21:08,159

responsibility to write the script to

543

00:21:14,549 --> 00:21:11,919

that movie you know so it's um similar

544

00:21:17,350 --> 00:21:14,559

to that but at other times there's

545

00:21:20,310 --> 00:21:17,360

definite real guidance on the cert

546

00:21:22,230 --> 00:21:20,320

certain words to use because uh

547

00:21:24,310 --> 00:21:22,240

even in some things that i've written

548

00:21:26,230 --> 00:21:24,320

i'm kind of like what is that word i'm

549

00:21:27,909 --> 00:21:26,240

not familiar with it you know

550

00:21:29,909 --> 00:21:27,919

later i'll look it up and find out oh

551

00:21:32,470 --> 00:21:29,919

hey that's a real word and it's

552

00:21:34,230 --> 00:21:32,480

appropriate for this so that's great

553

00:21:36,230 --> 00:21:34,240

but um

554

00:21:38,870 --> 00:21:36,240

yeah so that's kind of that's been the

555

00:21:41,830 --> 00:21:38,880

journey so far

556

00:21:43,590 --> 00:21:41,840

well let me ask you this um

557

00:21:45,830 --> 00:21:43,600

we hear a lot about

558

00:21:47,669 --> 00:21:45,840

connections between cryptids in

559

00:21:50,870 --> 00:21:47,679

particular bigfoot

560

00:21:54,470 --> 00:21:50,880

and extraterrestrials

561

00:21:55,830 --> 00:21:54,480

is is there a strong connection um do do

562

00:21:59,750 --> 00:21:55,840

they

563

00:22:02,310 --> 00:21:59,760

exist in in similar dimensions

564

00:22:04,789 --> 00:22:02,320

and why does that affect us as well are

565

00:22:08,870 --> 00:22:04,799

we part of that as well

566

00:22:10,630 --> 00:22:08,880

yeah it it certainly does affect us and

567

00:22:12,390 --> 00:22:10,640

it affects them

568

00:22:14,710 --> 00:22:12,400

but it's hard to say

569

00:22:17,430 --> 00:22:14,720

a similar dimension because there's

570

00:22:19,029 --> 00:22:17,440

there's multiple dimensions you know

571

00:22:20,789 --> 00:22:19,039

um

572

00:22:23,510 --> 00:22:20,799

when i say that i mean is there one

573

00:22:25,430 --> 00:22:23,520

dimension that they primarily exist in

574

00:22:26,390 --> 00:22:25,440

together

575

00:22:27,270 --> 00:22:26,400

um

576

00:22:30,870 --> 00:22:27,280

not

577

00:22:32,310 --> 00:22:30,880

necessary in a sense um although i

578

00:22:34,230 --> 00:22:32,320

should say that like

579

00:22:37,110 --> 00:22:34,240

it's more levels of

580

00:22:39,669 --> 00:22:37,120

density consciousness than it would be a

581

00:22:40,630 --> 00:22:39,679

dimension as in a place

582

00:22:42,870 --> 00:22:40,640

so

583

00:22:45,270 --> 00:22:42,880

many of the sasquatch though it's kind

584

00:22:48,310 --> 00:22:45,280

of it's a complicated question because

585

00:22:50,149 --> 00:22:48,320

many sasquatch are here in the 3d

586

00:22:52,549 --> 00:22:50,159

they're in the earth realm they're in

587

00:22:54,870 --> 00:22:52,559

the 3d they have bodies they eat they

588

00:22:57,110 --> 00:22:54,880

poop you know they they

589

00:22:59,990 --> 00:22:57,120

they walk around and so they're very

590

00:23:03,110 --> 00:23:00,000

much um in the 3d

591

00:23:05,110 --> 00:23:03,120

but they do have even the three the ones

592

00:23:08,950 --> 00:23:05,120

in this dimension

593

00:23:12,070 --> 00:23:08,960

um have special gifts and abilities

594

00:23:15,270 --> 00:23:12,080

beyond what us humans are really able to

595

00:23:17,350 --> 00:23:15,280

tap into and so they can still cloak

596

00:23:18,630 --> 00:23:17,360

themselves they can still change their

597

00:23:21,110 --> 00:23:18,640

vibration

598

00:23:23,110 --> 00:23:21,120

um you know they can still shape-shift

599

00:23:25,990 --> 00:23:23,120

and do many things that

600

00:23:27,830 --> 00:23:26,000

we're not really able to do in the 3d we

601  
00:23:29,750 --> 00:23:27,840  
potentially could

602  
00:23:30,630 --> 00:23:29,760  
it would take a lot of practice

603  
00:23:31,990 --> 00:23:30,640  
you know

604  
00:23:35,669 --> 00:23:32,000  
um but

605  
00:23:38,630 --> 00:23:35,679  
so they can do those things in in the 3d

606  
00:23:40,950 --> 00:23:38,640  
the other dimensions are really like i

607  
00:23:43,269 --> 00:23:40,960  
said it's more of a a state of

608  
00:23:46,310 --> 00:23:43,279  
consciousness that you're in

609  
00:23:51,510 --> 00:23:46,320  
more than it is a place or a location or

610  
00:23:53,190 --> 00:23:51,520  
like a another realm parallel to ours so

611  
00:23:55,669 --> 00:23:53,200  
they say

612  
00:23:57,510 --> 00:23:55,679  
actually that they're primarily in the

613  
00:24:01,350 --> 00:23:57,520

fifth dimension

614

00:24:03,590 --> 00:24:01,360

and what they mean by that is is more of

615

00:24:06,149 --> 00:24:03,600

their state of consciousness when you're

616

00:24:08,390 --> 00:24:06,159

in the fifth dimension there's no need

617

00:24:09,830 --> 00:24:08,400

for physicality

618

00:24:12,470 --> 00:24:09,840

so

619

00:24:16,230 --> 00:24:12,480

when we're in the fifth dimension or

620

00:24:19,430 --> 00:24:16,240

walking or in that space it's more where

621

00:24:22,549 --> 00:24:19,440

we're at within our consciousness

622

00:24:24,630 --> 00:24:22,559

and so the sasquatch are

623

00:24:27,669 --> 00:24:24,640

like many other beings

624

00:24:29,830 --> 00:24:27,679

um they have more access and a

625

00:24:32,470 --> 00:24:29,840

connection to this fifth dimension

626

00:24:34,230 --> 00:24:32,480

because they don't necessarily need

627

00:24:37,110 --> 00:24:34,240

physical bodies

628

00:24:40,070 --> 00:24:37,120

um and they're also in this higher

629

00:24:41,990 --> 00:24:40,080

dimension and density where they have a

630

00:24:44,149 --> 00:24:42,000

higher knowledge and understanding like

631

00:24:46,870 --> 00:24:44,159

i said it it's it's a consciousness

632

00:24:49,110 --> 00:24:46,880

factor but it's also when i say

633

00:24:51,110 --> 00:24:49,120

consciousness it's your

634

00:24:54,630 --> 00:24:51,120

your known connection to different

635

00:24:56,870 --> 00:24:54,640

things so like our star elders we're all

636

00:24:57,909 --> 00:24:56,880

connected to the star elders those are

637

00:25:00,470 --> 00:24:57,919

our

638

00:25:02,630 --> 00:25:00,480

that's who created us that's what we are

639

00:25:04,310 --> 00:25:02,640

all a part of we're part of

640

00:25:06,230 --> 00:25:04,320

all of the races

641

00:25:08,549 --> 00:25:06,240

that have ever been

642

00:25:10,630 --> 00:25:08,559

um that's also why

643

00:25:11,590 --> 00:25:10,640

all of these different beings all these

644

00:25:14,630 --> 00:25:11,600

different

645

00:25:17,430 --> 00:25:14,640

species and races races from beyond are

646

00:25:20,549 --> 00:25:17,440

very interested in in us

647

00:25:22,230 --> 00:25:20,559

because humans contain the dna of all

648

00:25:23,269 --> 00:25:22,240

these other races

649

00:25:25,430 --> 00:25:23,279

and

650

00:25:28,549 --> 00:25:25,440

they're very vested in us because they

651  
00:25:29,990 --> 00:25:28,559  
have contributed dna they have

652  
00:25:30,870 --> 00:25:30,000  
contributed

653  
00:25:33,909 --> 00:25:30,880  
and

654  
00:25:36,549 --> 00:25:33,919  
that

655  
00:25:39,510 --> 00:25:36,559  
and it certainly wouldn't be

656  
00:25:42,149 --> 00:25:39,520  
any stranger to this planet for

657  
00:25:45,029 --> 00:25:42,159  
a species or for a race to destroy

658  
00:25:47,750 --> 00:25:45,039  
itself and to destroy its planet it's

659  
00:25:50,390 --> 00:25:47,760  
happened time and time again and right

660  
00:25:52,230 --> 00:25:50,400  
now all of these different star elders

661  
00:25:54,950 --> 00:25:52,240  
and many of these beings of a higher

662  
00:25:57,430 --> 00:25:54,960  
density of a higher consciousness

663  
00:25:59,430 --> 00:25:57,440

are really reaching out to us and you

664

00:26:02,230 --> 00:25:59,440

know trying to give us the nice little

665

00:26:03,990 --> 00:26:02,240

energetic slap across the face

666

00:26:07,750 --> 00:26:04,000

the wake-up call that you need to do

667

00:26:09,990 --> 00:26:07,760

something now to change this if

668

00:26:12,310 --> 00:26:10,000

if you don't want to destroy your your

669

00:26:14,630 --> 00:26:12,320

race in your species

670

00:26:17,510 --> 00:26:14,640

for humanity to live on we have to

671

00:26:21,350 --> 00:26:17,520

change our consciousness we have to

672

00:26:23,669 --> 00:26:21,360

raise collectively our vibration

673

00:26:26,149 --> 00:26:23,679

to a higher density

674

00:26:29,590 --> 00:26:26,159

so that we're able to survive because of

675

00:26:32,870 --> 00:26:29,600

the way that um our thinking is now the

676  
00:26:35,669 --> 00:26:32,880  
way that we've been conditioned uh in

677  
00:26:38,230 --> 00:26:35,679  
our beliefs and the way that we are

678  
00:26:41,510 --> 00:26:38,240  
controlled and

679  
00:26:43,510 --> 00:26:41,520  
imprisoned in this planet by the elite

680  
00:26:47,190 --> 00:26:43,520  
by the powers that be and and things

681  
00:26:51,350 --> 00:26:47,200  
like that um all of this is

682  
00:26:54,390 --> 00:26:51,360  
consciousness factors um we

683  
00:26:55,669 --> 00:26:54,400  
like the human race was designed

684  
00:26:58,789 --> 00:26:55,679  
um

685  
00:27:01,750 --> 00:26:58,799  
to be forgetful we're designed to be

686  
00:27:03,990 --> 00:27:01,760  
um dependent on

687  
00:27:06,070 --> 00:27:04,000  
earth and other beings and all these

688  
00:27:07,990 --> 00:27:06,080

different resources

689

00:27:09,909 --> 00:27:08,000

you know if you think about it like

690

00:27:12,230 --> 00:27:09,919

pretty much every animal that you can

691

00:27:14,789 --> 00:27:12,240

think of is built to survive in its

692

00:27:17,269 --> 00:27:14,799

environment except for us we're all

693

00:27:20,310 --> 00:27:17,279

squishy and we need houses and we need

694

00:27:21,510 --> 00:27:20,320

vehicles to get around you know and um

695

00:27:25,029 --> 00:27:21,520

so we've

696

00:27:28,230 --> 00:27:25,039

a lot of it is so that we can remember

697

00:27:29,830 --> 00:27:28,240

um our connection and

698

00:27:32,789 --> 00:27:29,840

remember our

699

00:27:34,870 --> 00:27:32,799

uh if i can say reliance or you know

700

00:27:36,230 --> 00:27:34,880

really just how we're related to the

701  
00:27:39,029 --> 00:27:36,240  
planet because

702  
00:27:42,710 --> 00:27:39,039  
that's um how we need to change our

703  
00:27:45,110 --> 00:27:42,720  
mentality it's not just um

704  
00:27:47,269 --> 00:27:45,120  
gaining more kindness and compassion for

705  
00:27:48,870 --> 00:27:47,279  
our fellow man and treating each other

706  
00:27:53,269 --> 00:27:48,880  
as equals

707  
00:27:55,190 --> 00:27:53,279  
once we start seeing each other as

708  
00:27:56,710 --> 00:27:55,200  
equals we'll naturally start treating

709  
00:27:57,750 --> 00:27:56,720  
each other that way

710  
00:28:01,190 --> 00:27:57,760  
um

711  
00:28:05,029 --> 00:28:01,200  
you know but it's so many other factors

712  
00:28:08,310 --> 00:28:05,039  
as well as taking care of the planet

713  
00:28:11,430 --> 00:28:08,320

and we as humans haven't been doing a

714

00:28:12,870 --> 00:28:11,440

very good job of that but

715

00:28:14,149 --> 00:28:12,880

collectively

716

00:28:17,350 --> 00:28:14,159

we are

717

00:28:20,070 --> 00:28:17,360

starting to understand that i mean still

718

00:28:22,630 --> 00:28:20,080

you can look at individuals and see the

719

00:28:24,870 --> 00:28:22,640

good that they're doing for the planet

720

00:28:26,630 --> 00:28:24,880

or you could look at individuals and see

721

00:28:28,710 --> 00:28:26,640

the the bad that they're you know

722

00:28:30,950 --> 00:28:28,720

continue to do or the worst things that

723

00:28:33,110 --> 00:28:30,960

we do you know oil spills and polluting

724

00:28:36,149 --> 00:28:33,120

water and air and you know all these

725

00:28:39,110 --> 00:28:36,159

different things but um collectively

726

00:28:41,430 --> 00:28:39,120

really that's that's more of the uh

727

00:28:44,310 --> 00:28:41,440

control agenda that's making those

728

00:28:47,110 --> 00:28:44,320

things happen the the elite or what the

729

00:28:49,909 --> 00:28:47,120

sasquatch they call the lower lords

730

00:28:52,310 --> 00:28:49,919

or the cabal or the you know there's so

731

00:28:55,110 --> 00:28:52,320

many different names that they could go

732

00:28:58,149 --> 00:28:55,120

by but basically it's a it's a lower

733

00:28:59,590 --> 00:28:58,159

density consciousness it's a fear

734

00:29:02,710 --> 00:28:59,600

consciousness

735

00:29:05,430 --> 00:29:02,720

um that wants to keep us in fear and

736

00:29:08,789 --> 00:29:05,440

wants power and control and you know

737

00:29:10,789 --> 00:29:08,799

agendas of of greed and things like that

738

00:29:13,669 --> 00:29:10,799

um and so

739

00:29:16,070 --> 00:29:13,679

the important message i guess overall

740

00:29:18,549 --> 00:29:16,080

from the sasquatch and

741

00:29:19,830 --> 00:29:18,559

the star elders that they are more

742

00:29:22,710 --> 00:29:19,840

closely

743

00:29:23,990 --> 00:29:22,720

um connected to i'd say like the the

744

00:29:27,110 --> 00:29:24,000

council of

745

00:29:29,510 --> 00:29:27,120

star elders um

746

00:29:31,909 --> 00:29:29,520

because that is where what we've really

747

00:29:32,870 --> 00:29:31,919

forgotten is who we are where we're

748

00:29:36,630 --> 00:29:32,880

going

749

00:29:39,110 --> 00:29:36,640

our our ancestors our even our past

750

00:29:40,549 --> 00:29:39,120

lives most people don't remember and

751

00:29:43,190 --> 00:29:40,559

we're not meant to remember all the

752

00:29:43,909 --> 00:29:43,200

details of them but uh so many people

753

00:29:45,750 --> 00:29:43,919

are

754

00:29:48,549 --> 00:29:45,760

even in denial that

755

00:29:49,669 --> 00:29:48,559

you know there's life beyond earth and

756

00:29:50,789 --> 00:29:49,679

um

757

00:29:52,070 --> 00:29:50,799

so

758

00:29:54,710 --> 00:29:52,080

it's really

759

00:29:56,789 --> 00:29:54,720

like i said a consciousness thing

760

00:29:57,830 --> 00:29:56,799

in understanding all of that

761

00:30:00,070 --> 00:29:57,840

um

762

00:30:01,350 --> 00:30:00,080

but to answer your question i got a

763

00:30:04,230 --> 00:30:01,360

little off track there a little bit

764

00:30:07,110 --> 00:30:04,240

further about um the connection of all

765

00:30:09,990 --> 00:30:07,120

these different beings um they're all

766

00:30:12,950 --> 00:30:10,000

connected so but some of them have a

767

00:30:15,029 --> 00:30:12,960

different level of consciousness so the

768

00:30:17,029 --> 00:30:15,039

the star elders that are wanting to help

769

00:30:18,070 --> 00:30:17,039

us the sasquatch that are wanting to

770

00:30:20,470 --> 00:30:18,080

help us

771

00:30:21,350 --> 00:30:20,480

other benevolent beings there could be

772

00:30:23,990 --> 00:30:21,360

um

773

00:30:25,750 --> 00:30:24,000

you know many people feel connected to

774

00:30:28,549 --> 00:30:25,760

angels which is

775

00:30:31,190 --> 00:30:28,559

actually a part of like the bird race

776

00:30:34,149 --> 00:30:31,200

the avian people that were here before

777

00:30:36,870 --> 00:30:34,159

us or uh some people have a you know

778

00:30:39,510 --> 00:30:36,880

insectoid like praying mantis

779

00:30:41,909 --> 00:30:39,520

guides and things like that and so all

780

00:30:44,149 --> 00:30:41,919

of these were beings that were here on

781

00:30:46,070 --> 00:30:44,159

the planet before us

782

00:30:47,430 --> 00:30:46,080

uh beings that would be considered

783

00:30:51,510 --> 00:30:47,440

cryptids

784

00:30:53,350 --> 00:30:51,520

um so depending on their consciousness

785

00:30:56,149 --> 00:30:53,360

their their

786

00:30:57,909 --> 00:30:56,159

the dimension that they reside in or the

787

00:31:00,070 --> 00:30:57,919

density that their conscious

788

00:31:02,630 --> 00:31:00,080

consciousness resides in

789

00:31:05,190 --> 00:31:02,640

that would be more of the connection

790

00:31:08,389 --> 00:31:05,200

um but here on earth there's

791

00:31:09,190 --> 00:31:08,399

there's duality always right

792

00:31:11,750 --> 00:31:09,200

yeah

793

00:31:14,070 --> 00:31:11,760

do you think these multi-dimensional

794

00:31:16,230 --> 00:31:14,080

beings

795

00:31:18,310 --> 00:31:16,240

do you think they are here to save us

796

00:31:20,230 --> 00:31:18,320

from ourselves

797

00:31:22,549 --> 00:31:20,240

no

798

00:31:24,549 --> 00:31:22,559

only we can do that

799

00:31:26,549 --> 00:31:24,559

we're the most people

800

00:31:27,669 --> 00:31:26,559

they have in the past or even in the

801  
00:31:28,630 --> 00:31:27,679  
future

802  
00:31:32,149 --> 00:31:28,640  
have

803  
00:31:35,669 --> 00:31:32,159  
avoided disasters

804  
00:31:39,830 --> 00:31:35,679  
uh have changed history

805  
00:31:42,389 --> 00:31:39,840  
i mean see i i am the mindset that

806  
00:31:44,870 --> 00:31:42,399  
humans for the most part are universal

807  
00:31:46,870 --> 00:31:44,880  
species in other words

808  
00:31:47,909 --> 00:31:46,880  
we're all connected

809  
00:31:50,950 --> 00:31:47,919  
uh

810  
00:31:52,789 --> 00:31:50,960  
in some type of humanoid form

811  
00:31:55,909 --> 00:31:52,799  
and uh

812  
00:31:58,710 --> 00:31:55,919  
and because of that and because that

813  
00:32:02,149 --> 00:31:58,720

they seem to show up here a lot

814

00:32:04,950 --> 00:32:02,159

that they're traveling back as evolved

815

00:32:06,389 --> 00:32:04,960

humans to kind of change history maybe

816

00:32:07,990 --> 00:32:06,399

things that they screwed up when they

817

00:32:09,430 --> 00:32:08,000

were here before or

818

00:32:11,110 --> 00:32:09,440

vice versa

819

00:32:12,389 --> 00:32:11,120

what are your thoughts on that

820

00:32:16,230 --> 00:32:12,399

well it

821

00:32:17,990 --> 00:32:16,240

it does work that way um but

822

00:32:20,070 --> 00:32:18,000

like the teachings that i've received

823

00:32:22,789 --> 00:32:20,080

from the sasquatch it's kind of much

824

00:32:24,310 --> 00:32:22,799

more complex than that so

825

00:32:27,190 --> 00:32:24,320

they're not here

826

00:32:29,909 --> 00:32:27,200

necessarily to save us from ourselves

827

00:32:31,029 --> 00:32:29,919

they're not here to to save anything but

828

00:32:32,389 --> 00:32:31,039

they do

829

00:32:34,950 --> 00:32:32,399

influence

830

00:32:36,470 --> 00:32:34,960

um so that we can make these

831

00:32:37,830 --> 00:32:36,480

consciousness

832

00:32:39,750 --> 00:32:37,840

decisions

833

00:32:41,350 --> 00:32:39,760

use our discernment

834

00:32:45,669 --> 00:32:41,360

and um

835

00:32:49,029 --> 00:32:45,679

use our incarnation to make changes

836

00:32:51,750 --> 00:32:49,039

karmically and dharmically to the whole

837

00:32:52,870 --> 00:32:51,760

soul evolution of everything

838

00:32:53,669 --> 00:32:52,880

and so

839

00:32:58,470 --> 00:32:53,679

some

840

00:33:00,470 --> 00:32:58,480

well okay let me back up a little bit

841

00:33:01,990 --> 00:33:00,480

and say that one of the things that the

842

00:33:04,310 --> 00:33:02,000

sasquatch

843

00:33:06,630 --> 00:33:04,320

says constantly and you know especially

844

00:33:07,590 --> 00:33:06,640

in the the message to humanity

845

00:33:10,710 --> 00:33:07,600

um

846

00:33:13,110 --> 00:33:10,720

they talk about how time and space

847

00:33:15,269 --> 00:33:13,120

don't really exist or how they're not

848

00:33:16,470 --> 00:33:15,279

linear in our thinking

849

00:33:19,669 --> 00:33:16,480

and so

850

00:33:23,190 --> 00:33:19,679

everything existing simultaneously which

851  
00:33:24,549 --> 00:33:23,200  
also means all of our existences

852  
00:33:28,230 --> 00:33:24,559  
are all

853  
00:33:29,269 --> 00:33:28,240  
being lived in this one right now

854  
00:33:32,710 --> 00:33:29,279  
and so

855  
00:33:34,789 --> 00:33:32,720  
whoever lon was before

856  
00:33:37,509 --> 00:33:34,799  
many many different incarnations your

857  
00:33:39,350 --> 00:33:37,519  
human incarnations your star

858  
00:33:41,669 --> 00:33:39,360  
incarnations your

859  
00:33:43,830 --> 00:33:41,679  
animal incarnations whatever you may

860  
00:33:46,310 --> 00:33:43,840  
have been in the past and everything

861  
00:33:49,509 --> 00:33:46,320  
that you may be in the future

862  
00:33:52,710 --> 00:33:49,519  
is all being lived in you right now

863  
00:33:57,830 --> 00:33:52,720

and so the only time that really exists

864

00:34:00,789 --> 00:33:57,840

is now and the only time that we have to

865

00:34:05,110 --> 00:34:00,799

make effective change

866

00:34:07,590 --> 00:34:05,120

or you know create anything that is now

867

00:34:10,710 --> 00:34:07,600

and so that's always true no matter what

868

00:34:11,829 --> 00:34:10,720

time it is because it's always now

869

00:34:14,869 --> 00:34:11,839

and so

870

00:34:17,270 --> 00:34:14,879

these different beings that we work with

871

00:34:19,349 --> 00:34:17,280

i say spirit guides or ancestors you

872

00:34:22,869 --> 00:34:19,359

know there's different ways to to

873

00:34:23,829 --> 00:34:22,879

identify them and so yes they do come

874

00:34:25,190 --> 00:34:23,839

and

875

00:34:27,270 --> 00:34:25,200

work with us

876

00:34:30,149 --> 00:34:27,280

to help change

877

00:34:32,310 --> 00:34:30,159

a karmic pattern

878

00:34:35,829 --> 00:34:32,320

in this existence which is going to

879

00:34:38,069 --> 00:34:35,839

affect the past and the present

880

00:34:39,030 --> 00:34:38,079

you know a lot of things is about

881

00:34:41,829 --> 00:34:39,040

healing

882

00:34:45,430 --> 00:34:41,839

um you know i i talk about karma

883

00:34:48,310 --> 00:34:45,440

and that that's not the idea of um you

884

00:34:50,310 --> 00:34:48,320

know you reap what you sow it's it's not

885

00:34:53,589 --> 00:34:50,320

it's not like that um

886

00:34:54,629 --> 00:34:53,599

it's an energetic pattern that's set in

887

00:34:56,629 --> 00:34:54,639

motion

888

00:34:59,109 --> 00:34:56,639

and so we keep

889

00:35:00,390 --> 00:34:59,119

as humans we keep following these

890

00:35:04,310 --> 00:35:00,400

patterns

891

00:35:08,310 --> 00:35:04,320

lifetime after lifetime after lifetime

892

00:35:09,589 --> 00:35:08,320

as we experience trauma basically

893

00:35:10,550 --> 00:35:09,599

emotions

894

00:35:13,670 --> 00:35:10,560

um

895

00:35:15,910 --> 00:35:13,680

high emotions whatever you can think of

896

00:35:18,550 --> 00:35:15,920

that makes you feel so overwhelmed

897

00:35:22,950 --> 00:35:18,560

within yourself if you're grieving or if

898

00:35:25,990 --> 00:35:22,960

you're just absolutely in love or um you

899

00:35:27,990 --> 00:35:26,000

know if you are just scared shitless of

900

00:35:31,109 --> 00:35:28,000

you know you i'm about to die or

901  
00:35:32,390 --> 00:35:31,119  
whatever kind of feelings are so intense

902  
00:35:34,710 --> 00:35:32,400  
within us

903  
00:35:37,510 --> 00:35:34,720  
that's what affects us that's what

904  
00:35:40,470 --> 00:35:37,520  
creates trauma within us and so it's

905  
00:35:43,030 --> 00:35:40,480  
this energetic pattern and it's going to

906  
00:35:46,069 --> 00:35:43,040  
keep repeating itself until we have

907  
00:35:47,990 --> 00:35:46,079  
learned to release that fear and that

908  
00:35:49,750 --> 00:35:48,000  
pattern and so

909  
00:35:51,990 --> 00:35:49,760  
many people they don't underst you know

910  
00:35:55,349 --> 00:35:52,000  
we come in there might have been things

911  
00:35:57,910 --> 00:35:55,359  
that happen to us um as children in this

912  
00:36:01,190 --> 00:35:57,920  
lifetime that certainly we can relate to

913  
00:36:03,030 --> 00:36:01,200

and and heal and work with but so much

914

00:36:05,910 --> 00:36:03,040

of our karma

915

00:36:08,390 --> 00:36:05,920

comes from lifetimes beyond this one

916

00:36:11,750 --> 00:36:08,400

and we can't remember so we don't

917

00:36:15,510 --> 00:36:11,760

understand but we're going to keep being

918

00:36:18,150 --> 00:36:15,520

given the opportunities um to heal it

919

00:36:20,069 --> 00:36:18,160

and you know until it's healed and so

920

00:36:23,030 --> 00:36:20,079

that's why it's so important for us to

921

00:36:24,710 --> 00:36:23,040

change our consciousness and our beliefs

922

00:36:26,470 --> 00:36:24,720

and our our

923

00:36:29,270 --> 00:36:26,480

um habitual

924

00:36:31,990 --> 00:36:29,280

patterns that keep us

925

00:36:33,190 --> 00:36:32,000

stagnant and not being able

926  
00:36:34,710 --> 00:36:33,200  
to grow

927  
00:36:37,190 --> 00:36:34,720  
spiritually

928  
00:36:39,589 --> 00:36:37,200  
and so the more that we can release all

929  
00:36:41,510 --> 00:36:39,599  
of this release

930  
00:36:42,870 --> 00:36:41,520  
even you know if you want to look at the

931  
00:36:44,230 --> 00:36:42,880  
world today

932  
00:36:46,470 --> 00:36:44,240  
so many people

933  
00:36:48,310 --> 00:36:46,480  
think oh well i i have to do this you

934  
00:36:51,109 --> 00:36:48,320  
know this is my responsibility the

935  
00:36:53,109 --> 00:36:51,119  
government says i have to do that my job

936  
00:36:55,349 --> 00:36:53,119  
tells me i have to do this

937  
00:36:56,550 --> 00:36:55,359  
i got to sign all these papers in order

938  
00:36:57,510 --> 00:36:56,560

to do that

939

00:37:02,230 --> 00:36:57,520

um

940

00:37:05,750 --> 00:37:02,240

processes that were set up but you don't

941

00:37:08,550 --> 00:37:05,760

have to do any of that to live you don't

942

00:37:11,990 --> 00:37:08,560

none of that's necessary to live all you

943

00:37:14,230 --> 00:37:12,000

have to do is breathe

944

00:37:17,270 --> 00:37:14,240

that's what we do to live

945

00:37:20,550 --> 00:37:17,280

the rest just just flows with it

946

00:37:24,390 --> 00:37:20,560

um you know so but this is a

947

00:37:25,990 --> 00:37:24,400

the system that we set up and so now

948

00:37:28,310 --> 00:37:26,000

karmically

949

00:37:31,430 --> 00:37:28,320

it's our opportunity to

950

00:37:32,710 --> 00:37:31,440

get out of the system to release things

951  
00:37:35,270 --> 00:37:32,720  
to let go

952  
00:37:38,069 --> 00:37:35,280  
to heal and to create

953  
00:37:39,990 --> 00:37:38,079  
a new way of being that uh where

954  
00:37:42,870 --> 00:37:40,000  
everybody's working together everybody

955  
00:37:45,910 --> 00:37:42,880  
sees each other as equals

956  
00:37:47,270 --> 00:37:45,920  
what is the most effective way for you

957  
00:37:50,230 --> 00:37:47,280  
or your

958  
00:37:52,310 --> 00:37:50,240  
people you work with or

959  
00:37:54,630 --> 00:37:52,320  
interact with what's the most effective

960  
00:37:58,310 --> 00:37:54,640  
way of getting in contact

961  
00:38:05,750 --> 00:38:01,829  
well i i'd say probably the

962  
00:38:06,870 --> 00:38:05,760  
best way would be in meditation

963  
00:38:09,910 --> 00:38:06,880

going

964

00:38:11,670 --> 00:38:09,920

within yourself and connecting you know

965

00:38:13,430 --> 00:38:11,680

there's many different spiritual

966

00:38:14,870 --> 00:38:13,440

practices

967

00:38:17,430 --> 00:38:14,880

that people can do there's many

968

00:38:18,870 --> 00:38:17,440

different ceremonies

969

00:38:20,150 --> 00:38:18,880

a lot of people

970

00:38:21,030 --> 00:38:20,160

you know for if we're going to talk

971

00:38:23,430 --> 00:38:21,040

about

972

00:38:25,990 --> 00:38:23,440

sasquatch that are you know living out

973

00:38:29,829 --> 00:38:26,000

here in the forest a lot of people uh

974

00:38:32,310 --> 00:38:29,839

want to go out and um

975

00:38:33,670 --> 00:38:32,320

you know give them gifts and and things

976

00:38:35,510 --> 00:38:33,680

like that and there's there's really

977

00:38:38,870 --> 00:38:35,520

nothing wrong with all that because all

978

00:38:40,390 --> 00:38:38,880

of this opens you up to different things

979

00:38:43,030 --> 00:38:40,400

um

980

00:38:46,470 --> 00:38:43,040

of course there's different tools

981

00:38:49,589 --> 00:38:46,480

uh people might uh use um

982

00:38:52,470 --> 00:38:49,599

oracle cards or something to kind of

983

00:38:55,109 --> 00:38:52,480

connect closer and all of these are good

984

00:38:57,990 --> 00:38:55,119

spiritual practices for us to

985

00:39:00,870 --> 00:38:58,000

get more in touch with our inner self or

986

00:39:02,069 --> 00:39:00,880

our inner wisdom or the divine

987

00:39:04,550 --> 00:39:02,079

um but

988

00:39:06,950 --> 00:39:04,560

for me anyway i'd say that the easiest

989

00:39:10,310 --> 00:39:06,960

way to really connect with

990

00:39:12,550 --> 00:39:10,320

other beings would be

991

00:39:14,470 --> 00:39:12,560

within through through consciousness

992

00:39:17,670 --> 00:39:14,480

like i said through uh through

993

00:39:20,230 --> 00:39:17,680

meditation and stillness

994

00:39:22,710 --> 00:39:20,240

um a lot of times

995

00:39:25,829 --> 00:39:22,720

when they've come to me is when you're

996

00:39:27,430 --> 00:39:25,839

in a vulnerable place

997

00:39:28,390 --> 00:39:27,440

maybe the bathtub

998

00:39:31,109 --> 00:39:28,400

or

999

00:39:32,390 --> 00:39:31,119

um it's often also a lot of times when

1000

00:39:33,990 --> 00:39:32,400

you don't know

1001  
00:39:35,829 --> 00:39:34,000  
what the hell you're going to do next

1002  
00:39:38,470 --> 00:39:35,839  
kind of thing like i'm at this point in

1003  
00:39:40,630 --> 00:39:38,480  
life and it's just like

1004  
00:39:44,390 --> 00:39:40,640  
you know it's when you reach this almost

1005  
00:39:47,030 --> 00:39:44,400  
point of or surrender or vulnerability

1006  
00:39:48,310 --> 00:39:47,040  
that's a lot of times when

1007  
00:39:50,790 --> 00:39:48,320  
our door

1008  
00:39:51,589 --> 00:39:50,800  
is open the widest

1009  
00:39:55,990 --> 00:39:51,599  
to

1010  
00:39:59,829 --> 00:39:57,430  
um

1011  
00:40:01,990 --> 00:39:59,839  
and i i i understand that i get that i

1012  
00:40:04,150 --> 00:40:02,000  
mean i know how it is with spirit rescue

1013  
00:40:06,550 --> 00:40:04,160

or anything else where you

1014

00:40:08,630 --> 00:40:06,560

you you do become vulnerable and things

1015

00:40:11,349 --> 00:40:08,640

will open up for you

1016

00:40:13,109 --> 00:40:11,359

good and bad but um

1017

00:40:15,349 --> 00:40:13,119

yeah i was just wondering about that i

1018

00:40:16,950 --> 00:40:15,359

mean do you do you are you know when you

1019

00:40:18,710 --> 00:40:16,960

have do you have drumming circles or

1020

00:40:21,109 --> 00:40:18,720

something to that effect i mean when you

1021

00:40:24,230 --> 00:40:21,119

get together and you do this with a lot

1022

00:40:26,790 --> 00:40:24,240

of people is it more meditation or is it

1023

00:40:29,750 --> 00:40:26,800

some type of physical

1024

00:40:32,550 --> 00:40:29,760

ritual that actually opens up these

1025

00:40:34,150 --> 00:40:32,560

these uh these doorways or gates or

1026

00:40:37,670 --> 00:40:34,160

whatever you want to use

1027

00:40:40,069 --> 00:40:37,680

no it that's usually done on a more

1028

00:40:42,790 --> 00:40:40,079

personal individual level

1029

00:40:44,950 --> 00:40:42,800

we do have a lot of gatherings we have a

1030

00:40:47,750 --> 00:40:44,960

lot of different sharing circles you

1031

00:40:51,030 --> 00:40:47,760

know i host the the sasquatch family

1032

00:40:53,270 --> 00:40:51,040

reunion and just a few weeks ago we had

1033

00:40:55,910 --> 00:40:53,280

what we called the soul tribe reunion

1034

00:40:57,829 --> 00:40:55,920

it's basically the same thing but yeah

1035

00:41:01,270 --> 00:40:57,839

we have drumming circles

1036

00:41:04,550 --> 00:41:01,280

we we learn dances of universal peace

1037

00:41:05,430 --> 00:41:04,560

and we we dance together uh we have you

1038

00:41:08,790 --> 00:41:05,440

know

1039

00:41:10,710 --> 00:41:08,800

bonfires at night and we share stories

1040

00:41:11,910 --> 00:41:10,720

and things like that

1041

00:41:14,069 --> 00:41:11,920

we'll do

1042

00:41:15,030 --> 00:41:14,079

group meditations

1043

00:41:18,710 --> 00:41:15,040

um

1044

00:41:21,510 --> 00:41:18,720

and uh in the past it's it's a little

1045

00:41:23,910 --> 00:41:21,520

bit evolving um a little bit more all

1046

00:41:26,309 --> 00:41:23,920

the time too and so we've had many

1047

00:41:27,430 --> 00:41:26,319

different workshops where people

1048

00:41:30,630 --> 00:41:27,440

learn

1049

00:41:33,670 --> 00:41:30,640

basically different healing modalities

1050

00:41:36,390 --> 00:41:33,680

or you might learn more about

1051  
00:41:38,710 --> 00:41:36,400  
sasquatch or e.t or you know some some

1052  
00:41:41,270 --> 00:41:38,720  
kind of uh hear about somebody's

1053  
00:41:42,390 --> 00:41:41,280  
experiences but we've also had

1054  
00:41:44,870 --> 00:41:42,400  
so many

1055  
00:41:46,790 --> 00:41:44,880  
workshops or group activities that are

1056  
00:41:49,670 --> 00:41:46,800  
more interactive

1057  
00:41:51,910 --> 00:41:49,680  
where people are opening themselves up i

1058  
00:41:53,990 --> 00:41:51,920  
guess you could say to to vulnerability

1059  
00:41:56,309 --> 00:41:54,000  
in a sense they're looking at things

1060  
00:41:57,589 --> 00:41:56,319  
that they didn't look at before

1061  
00:41:59,670 --> 00:41:57,599  
you know having

1062  
00:42:00,870 --> 00:41:59,680  
different facilitators

1063  
00:42:04,550 --> 00:42:00,880

guide us

1064

00:42:06,950 --> 00:42:04,560

in this personal healing journey because

1065

00:42:09,270 --> 00:42:06,960

the more that we're able to heal

1066

00:42:12,309 --> 00:42:09,280

ourselves the more we're able to heal

1067

00:42:13,430 --> 00:42:12,319

the world around us everything starts

1068

00:42:16,230 --> 00:42:13,440

within

1069

00:42:17,990 --> 00:42:16,240

we we can't change the world but we can

1070

00:42:20,710 --> 00:42:18,000

change our world

1071

00:42:21,910 --> 00:42:20,720

and so that's what our

1072

00:42:25,430 --> 00:42:21,920

events and

1073

00:42:27,510 --> 00:42:25,440

activities uh really promote and it's

1074

00:42:28,870 --> 00:42:27,520

such a great energy

1075

00:42:33,510 --> 00:42:28,880

everybody

1076

00:42:36,630 --> 00:42:33,520

feels like family and they're just so

1077

00:42:38,870 --> 00:42:36,640

happy and joyful and they're in nature

1078

00:42:41,589 --> 00:42:38,880

and um you know you could be complete

1079

00:42:43,589 --> 00:42:41,599

strangers with people but you know them

1080

00:42:45,910 --> 00:42:43,599

and you love them and you're kissing

1081

00:42:47,030 --> 00:42:45,920

them and hugging them you know i mean

1082

00:42:48,710 --> 00:42:47,040

you just

1083

00:42:51,030 --> 00:42:48,720

you can't help but

1084

00:42:53,270 --> 00:42:51,040

feel this um

1085

00:42:54,230 --> 00:42:53,280

just amazing energy and especially when

1086

00:42:56,309 --> 00:42:54,240

we

1087

00:42:59,109 --> 00:42:56,319

experience it together

1088

00:43:02,309 --> 00:42:59,119

and feel a healing or have some kind of

1089

00:43:05,430 --> 00:43:02,319

experience and you know but we also may

1090

00:43:07,589 --> 00:43:05,440

go out and look for um you know signs of

1091

00:43:10,630 --> 00:43:07,599

of the sasquatch in the area and leave

1092

00:43:12,790 --> 00:43:10,640

them gifts uh do a sky watch at night

1093

00:43:15,829 --> 00:43:12,800

and things like that you know so we do

1094

00:43:18,390 --> 00:43:15,839

fun activities but it's not in the group

1095

00:43:20,230 --> 00:43:18,400

activities but you're going to

1096

00:43:22,630 --> 00:43:20,240

connect so much

1097

00:43:25,510 --> 00:43:22,640

with the sasquatch um

1098

00:43:27,910 --> 00:43:25,520

or other beings because we've

1099

00:43:29,430 --> 00:43:27,920

we've all seen the ships in the sky

1100

00:43:32,309 --> 00:43:29,440

we've all seen

1101

00:43:35,510 --> 00:43:32,319

the orbs um but

1102

00:43:38,069 --> 00:43:35,520

nothing can compare to your own

1103

00:43:40,150 --> 00:43:38,079

personal experience

1104

00:43:43,589 --> 00:43:40,160

have you worked with many people who

1105

00:43:46,550 --> 00:43:43,599

have had actual physical contact

1106

00:43:49,030 --> 00:43:46,560

with these beings as a result of the

1107

00:43:53,270 --> 00:43:49,040

work or meditation you do

1108

00:43:55,910 --> 00:43:53,280

oh yes yes um a lot of people contact me

1109

00:43:59,030 --> 00:43:55,920

you know initially because they've had

1110

00:44:02,069 --> 00:43:59,040

physical contact or at least sightings

1111

00:44:04,390 --> 00:44:02,079

um and then once they've reached out or

1112

00:44:05,510 --> 00:44:04,400

learned a little bit more

1113

00:44:08,390 --> 00:44:05,520

you know it's

1114

00:44:10,069 --> 00:44:08,400

it's not through my influence so much i

1115

00:44:13,349 --> 00:44:10,079

think it's just because they're they're

1116

00:44:15,829 --> 00:44:13,359

seeking and the energy is there um but

1117

00:44:18,870 --> 00:44:15,839

i've had so many people tell me of the

1118

00:44:21,349 --> 00:44:18,880

physical encounters that started since

1119

00:44:24,470 --> 00:44:21,359

we connected or since they

1120

00:44:26,950 --> 00:44:24,480

you know um basically open themselves up

1121

00:44:28,630 --> 00:44:26,960

to this possibility so even just

1122

00:44:29,670 --> 00:44:28,640

having a discussion

1123

00:44:33,109 --> 00:44:29,680

even

1124

00:44:36,790 --> 00:44:33,119

somebody listening right now that has

1125

00:44:38,790 --> 00:44:36,800

no you know concept of anything like

1126

00:44:42,309 --> 00:44:38,800

this or never had an experience like

1127

00:44:46,470 --> 00:44:42,319

this um if you want to if you're open to

1128

00:44:48,069 --> 00:44:46,480

it this is planting a seed to allow that

1129

00:44:50,150 --> 00:44:48,079

to happen and

1130

00:44:52,870 --> 00:44:50,160

um you know so the people that would

1131

00:44:54,790 --> 00:44:52,880

contact me they already have this

1132

00:44:57,589 --> 00:44:54,800

interest and then

1133

00:45:00,150 --> 00:44:57,599

yeah and then very physical things

1134

00:45:01,990 --> 00:45:00,160

um can start happening you know seeing

1135

00:45:03,190 --> 00:45:02,000

them touching them a lot of people tell

1136

00:45:05,510 --> 00:45:03,200

me how the

1137

00:45:08,069 --> 00:45:05,520

the sasquatch touched them or different

1138

00:45:10,870 --> 00:45:08,079

things that they've done uh just two

1139

00:45:13,270 --> 00:45:10,880

days ago we were out at somebody's uh

1140

00:45:15,910 --> 00:45:13,280

property that was showing us all kinds

1141

00:45:19,190 --> 00:45:15,920

of signs and um

1142

00:45:21,030 --> 00:45:19,200

said the the day before he or the

1143

00:45:23,990 --> 00:45:21,040

it was either the day before the day

1144

00:45:26,950 --> 00:45:24,000

that he was coming to our gathering

1145

00:45:29,829 --> 00:45:26,960

and uh the sasquatch knew that they were

1146

00:45:32,069 --> 00:45:29,839

it was banging on their trailer you know

1147

00:45:34,390 --> 00:45:32,079

not to scare them but just to you know

1148

00:45:36,470 --> 00:45:34,400

basically confirm that yeah you know

1149

00:45:37,190 --> 00:45:36,480

nothing else is going to bang on it but

1150

00:45:38,390 --> 00:45:37,200

us

1151  
00:45:39,430 --> 00:45:38,400  
you know

1152  
00:45:40,390 --> 00:45:39,440  
so

1153  
00:45:43,190 --> 00:45:40,400  
um

1154  
00:45:45,829 --> 00:45:43,200  
yeah that happens quite a bit

1155  
00:45:49,030 --> 00:45:45,839  
well i we've got several people who are

1156  
00:45:51,270 --> 00:45:49,040  
really taking this to heart in the chat

1157  
00:45:54,950 --> 00:45:51,280  
so uh i wouldn't be surprised you get

1158  
00:45:56,309 --> 00:45:54,960  
some people contact you okay okay

1159  
00:45:59,109 --> 00:45:56,319  
um

1160  
00:46:00,630 --> 00:45:59,119  
what what other what other beings have

1161  
00:46:06,470 --> 00:46:00,640  
you

1162  
00:46:09,510 --> 00:46:06,480  
uh

1163  
00:46:13,910 --> 00:46:09,520

oh you know the the upright canines the

1164

00:46:17,030 --> 00:46:13,920

dog man the uh the winged humanoids um

1165

00:46:18,950 --> 00:46:17,040

has any of that come across in any of uh

1166

00:46:19,910 --> 00:46:18,960

your work

1167

00:46:21,910 --> 00:46:19,920

not

1168

00:46:25,430 --> 00:46:21,920

so much where i've worked with them

1169

00:46:27,750 --> 00:46:25,440

personally but i have definitely seen

1170

00:46:29,910 --> 00:46:27,760

some very strange things

1171

00:46:32,309 --> 00:46:29,920

and heard some strange things and

1172

00:46:34,309 --> 00:46:32,319

there's some other beings

1173

00:46:36,230 --> 00:46:34,319

that look different

1174

00:46:39,589 --> 00:46:36,240

i wouldn't necessarily really call them

1175

00:46:41,670 --> 00:46:39,599

a cryptid but they're they're beings of

1176

00:46:44,950 --> 00:46:41,680

different races so they're they're

1177

00:46:47,510 --> 00:46:44,960

humanoid in a way except they're not

1178

00:46:51,270 --> 00:46:47,520

they're not human uh you know they have

1179

00:46:53,270 --> 00:46:51,280

different dna but um like as far as like

1180

00:46:55,670 --> 00:46:53,280

the dog-faced ones

1181

00:46:57,589 --> 00:46:55,680

um some of them or people kind of put

1182

00:47:00,390 --> 00:46:57,599

them in the same category with the

1183

00:47:03,030 --> 00:47:00,400

sasquatch just because it's a you know

1184

00:47:03,910 --> 00:47:03,040

monstrous hairy beast in the forest kind

1185

00:47:07,910 --> 00:47:03,920

of thing

1186

00:47:10,870 --> 00:47:07,920

um and they could possibly be related as

1187

00:47:12,870 --> 00:47:10,880

cousins in a really loosely way

1188

00:47:15,030 --> 00:47:12,880

because there's all these different

1189

00:47:17,430 --> 00:47:15,040

hybrids all these

1190

00:47:19,910 --> 00:47:17,440

all these different hybrids of beings

1191

00:47:21,670 --> 00:47:19,920

that have taken place over time

1192

00:47:24,069 --> 00:47:21,680

um and so

1193

00:47:26,470 --> 00:47:24,079

the the sasquatch one thing that they

1194

00:47:27,270 --> 00:47:26,480

explained is that um

1195

00:47:32,790 --> 00:47:27,280

they

1196

00:47:35,349 --> 00:47:32,800

species on planet earth that the um the

1197

00:47:37,750 --> 00:47:35,359

star elders used the dna

1198

00:47:41,589 --> 00:47:37,760

from different uh planets from different

1199

00:47:44,549 --> 00:47:41,599

races one of them is like the pleiades

1200

00:47:45,910 --> 00:47:44,559

they have a lot of pleiadian dna but

1201

00:47:48,710 --> 00:47:45,920

their native

1202

00:47:51,510 --> 00:47:48,720

uh dna from earth

1203

00:47:54,069 --> 00:47:51,520

came from a giant lemur that was in

1204

00:47:55,349 --> 00:47:54,079

lemuria or in mu

1205

00:47:56,309 --> 00:47:55,359

at the time

1206

00:47:58,230 --> 00:47:56,319

um

1207

00:48:01,430 --> 00:47:58,240

obviously we don't have giant lemurs

1208

00:48:04,230 --> 00:48:01,440

here anymore but so some of their dna

1209

00:48:07,750 --> 00:48:04,240

uh was made of that and so you you know

1210

00:48:11,109 --> 00:48:07,760

what lemurs look like so some of them

1211

00:48:14,470 --> 00:48:11,119

can favor that and then you know evolved

1212

00:48:16,950 --> 00:48:14,480

over time or using the different dna

1213

00:48:20,710 --> 00:48:16,960

some of them have the more dog face or a

1214

00:48:22,710 --> 00:48:20,720

baboon face but they're all really very

1215

00:48:23,589 --> 00:48:22,720

they're different races

1216

00:48:24,470 --> 00:48:23,599

um

1217

00:48:27,829 --> 00:48:24,480

and

1218

00:48:29,750 --> 00:48:27,839

like i said i have worked um i've worked

1219

00:48:32,829 --> 00:48:29,760

before with a few

1220

00:48:37,349 --> 00:48:32,839

insectoid beings although it was

1221

00:48:39,030 --> 00:48:37,359

um a telepathic kind of connection

1222

00:48:42,309 --> 00:48:39,040

not in the physical

1223

00:48:45,750 --> 00:48:42,319

um but in the physical i'm

1224

00:48:49,190 --> 00:48:45,760

positive that i have seen a pterodactyl

1225

00:48:52,470 --> 00:48:49,200

twice and heard it yeah i can't explain

1226

00:48:57,030 --> 00:48:54,230

we got a lot of those sightings we

1227

00:48:58,549 --> 00:48:57,040

really do um this is something that

1228

00:49:00,390 --> 00:48:58,559

has cropped up

1229

00:49:02,870 --> 00:49:00,400

occasionally more than most people would

1230

00:49:04,790 --> 00:49:02,880

believe okay so you know are they

1231

00:49:06,870 --> 00:49:04,800

crossovers are they relics we really

1232

00:49:09,670 --> 00:49:06,880

don't know right

1233

00:49:12,470 --> 00:49:09,680

um and i i think in certain areas too

1234

00:49:15,349 --> 00:49:12,480

you know like portal activity or vortex

1235

00:49:18,230 --> 00:49:15,359

activity is stronger too so the the

1236

00:49:21,349 --> 00:49:18,240

sasquatch explained to me years ago

1237

00:49:23,589 --> 00:49:21,359

as well that um you know just

1238

00:49:25,750 --> 00:49:23,599

because of

1239

00:49:28,390 --> 00:49:25,760

things that i can't even quite explain

1240

00:49:30,069 --> 00:49:28,400

some of it is energetic and some of it

1241

00:49:32,549 --> 00:49:30,079

is actually the way that the earth is

1242

00:49:36,069 --> 00:49:32,559

tilting and some of it is the way that

1243

00:49:39,990 --> 00:49:36,079

planets align um some of it has to do

1244

00:49:42,549 --> 00:49:40,000

with you know uh portals or ley lines

1245

00:49:45,270 --> 00:49:42,559

vortexes along all those things but they

1246

00:49:47,190 --> 00:49:45,280

they said that there would be um many

1247

00:49:50,309 --> 00:49:47,200

other beings

1248

00:49:52,150 --> 00:49:50,319

basically being seen by humans or being

1249

00:49:54,630 --> 00:49:52,160

observed coming through different

1250

00:49:56,549 --> 00:49:54,640

portals coming to earth that you know

1251  
00:49:59,030 --> 00:49:56,559  
humans would observe

1252  
00:50:00,950 --> 00:49:59,040  
animals and beasts

1253  
00:50:03,349 --> 00:50:00,960  
or you know what we would call beasts

1254  
00:50:04,630 --> 00:50:03,359  
that we've never experienced or seen

1255  
00:50:08,069 --> 00:50:04,640  
before

1256  
00:50:09,829 --> 00:50:08,079  
um and so a lot of that's happening as

1257  
00:50:14,230 --> 00:50:09,839  
the veil does then

1258  
00:50:17,109 --> 00:50:14,240  
right yeah um we have a question that uh

1259  
00:50:20,230 --> 00:50:17,119  
who who created these beings well

1260  
00:50:21,430 --> 00:50:20,240  
i guess that goes back to um

1261  
00:50:23,829 --> 00:50:21,440  
uh

1262  
00:50:25,510 --> 00:50:23,839  
what is the belief what do these beings

1263  
00:50:28,630 --> 00:50:25,520

believe you know there have been i've

1264

00:50:29,589 --> 00:50:28,640

had experiences tell me

1265

00:50:31,109 --> 00:50:29,599

that

1266

00:50:32,950 --> 00:50:31,119

there have been

1267

00:50:34,150 --> 00:50:32,960

non-terrestrial beings who have told

1268

00:50:37,670 --> 00:50:34,160

them

1269

00:50:42,390 --> 00:50:37,680

that they also believe in a divine being

1270

00:50:44,950 --> 00:50:42,400

a deity a higher deity and that

1271

00:50:46,950 --> 00:50:44,960

because of our

1272

00:50:48,230 --> 00:50:46,960

because humans having life force or

1273

00:50:50,630 --> 00:50:48,240

souls

1274

00:50:52,710 --> 00:50:50,640

or our psychic abilities to be able to

1275

00:50:56,230 --> 00:50:52,720

reach with beyond

1276

00:50:58,630 --> 00:50:56,240

with our minds is is kind of a reason

1277

00:51:01,829 --> 00:50:58,640

why they like to hang around us uh have

1278

00:51:02,710 --> 00:51:01,839

you ever heard of anything like that

1279

00:51:06,150 --> 00:51:02,720

um

1280

00:51:06,950 --> 00:51:06,160

well yeah i mean in a sense maybe not

1281

00:51:09,270 --> 00:51:06,960

put

1282

00:51:10,230 --> 00:51:09,280

quite that way but um

1283

00:51:16,710 --> 00:51:10,240

so

1284

00:51:19,030 --> 00:51:16,720

great mystery great spirit

1285

00:51:21,030 --> 00:51:19,040

god whatever word you want to assign to

1286

00:51:24,230 --> 00:51:21,040

it so there is a divine

1287

00:51:26,870 --> 00:51:24,240

light source that we're all a creator

1288

00:51:29,670 --> 00:51:26,880

source that we're all connected to

1289

00:51:32,309 --> 00:51:29,680

everything and everyone ever everything

1290

00:51:34,710 --> 00:51:32,319

the tea in my cup here is connected to

1291

00:51:38,230 --> 00:51:34,720

it so um

1292

00:51:41,349 --> 00:51:38,240

everything is and um so

1293

00:51:44,309 --> 00:51:41,359

yes and that's where you know but humans

1294

00:51:47,430 --> 00:51:44,319

don't even quite understand or or agree

1295

00:51:49,670 --> 00:51:47,440

with that and so if we could come

1296

00:51:51,270 --> 00:51:49,680

to recognize and understand that a

1297

00:51:52,390 --> 00:51:51,280

little bit more

1298

00:51:54,390 --> 00:51:52,400

you know we'd

1299

00:51:56,710 --> 00:51:54,400

stand more of a chance but

1300

00:51:57,990 --> 00:51:56,720

um so

1301  
00:52:01,510 --> 00:51:58,000  
um

1302  
00:52:02,790 --> 00:52:01,520  
many of these beings

1303  
00:52:04,549 --> 00:52:02,800  
of course they know that they're

1304  
00:52:07,829 --> 00:52:04,559  
connected to source but many of them

1305  
00:52:10,150 --> 00:52:07,839  
have have different roles that they play

1306  
00:52:14,069 --> 00:52:10,160  
like i said as their consciousness

1307  
00:52:16,470 --> 00:52:14,079  
evolves um and as they're created they

1308  
00:52:18,549 --> 00:52:16,480  
all have different gifts and abilities

1309  
00:52:21,510 --> 00:52:18,559  
and things that they're created for too

1310  
00:52:22,470 --> 00:52:21,520  
like originally many of the sasquatch

1311  
00:52:24,870 --> 00:52:22,480  
people

1312  
00:52:27,349 --> 00:52:24,880  
they're you know they were created to be

1313  
00:52:29,349 --> 00:52:27,359

care keepers of the earth but later on

1314

00:52:32,870 --> 00:52:29,359

there was these different hybrid

1315

00:52:36,470 --> 00:52:32,880

sasquatch sasquatch races uh that were

1316

00:52:38,390 --> 00:52:36,480

created to be basically slaves to to to

1317

00:52:41,589 --> 00:52:38,400

do work and to

1318

00:52:44,150 --> 00:52:41,599

you know move mountains really literally

1319

00:52:45,430 --> 00:52:44,160

and um so

1320

00:52:47,910 --> 00:52:45,440

you know there's

1321

00:52:49,349 --> 00:52:47,920

all of these different reasons

1322

00:52:51,670 --> 00:52:49,359

but

1323

00:52:53,430 --> 00:52:51,680

to i guess answer the question of who

1324

00:52:54,630 --> 00:52:53,440

created us

1325

00:52:57,190 --> 00:52:54,640

um

1326  
00:53:00,470 --> 00:52:57,200  
of course it's this divine source we're

1327  
00:53:02,390 --> 00:53:00,480  
all connected to which is a

1328  
00:53:05,349 --> 00:53:02,400  
creator energy

1329  
00:53:07,829 --> 00:53:05,359  
but the beings that are

1330  
00:53:09,109 --> 00:53:07,839  
most responsible i guess

1331  
00:53:12,150 --> 00:53:09,119  
for

1332  
00:53:14,630 --> 00:53:12,160  
actually tinkering with the dna to

1333  
00:53:17,030 --> 00:53:14,640  
create kelly to look like this and to

1334  
00:53:19,270 --> 00:53:17,040  
make lawn look like that and to make my

1335  
00:53:21,430 --> 00:53:19,280  
my cat a fuzzy little thing

1336  
00:53:22,309 --> 00:53:21,440  
um those are

1337  
00:53:23,589 --> 00:53:22,319  
um

1338  
00:53:24,710 --> 00:53:23,599

primarily

1339

00:53:26,069 --> 00:53:24,720

uh

1340

00:53:27,270 --> 00:53:26,079

one race

1341

00:53:30,069 --> 00:53:27,280

of

1342

00:53:31,910 --> 00:53:30,079

beings called like the

1343

00:53:34,630 --> 00:53:31,920

i don't like to even like put it in a

1344

00:53:37,190 --> 00:53:34,640

category like that because

1345

00:53:40,150 --> 00:53:37,200

it's it's more of a consciousness but

1346

00:53:43,190 --> 00:53:40,160

um the zeta reticuli or the the grays

1347

00:53:45,670 --> 00:53:43,200

some of the grays uh those are some of

1348

00:53:49,109 --> 00:53:45,680

the beings that would be known to be the

1349

00:53:52,230 --> 00:53:49,119

the uh the ones that are the geneticists

1350

00:53:54,309 --> 00:53:52,240

that are kind of more of the humanities

1351  
00:53:55,190 --> 00:53:54,319  
creators anyway

1352  
00:53:56,549 --> 00:53:55,200  
um

1353  
00:53:58,090 --> 00:53:56,559  
but

1354  
00:53:59,430 --> 00:53:58,100  
that's not anything

1355  
00:54:02,150 --> 00:53:59,440  
[Music]

1356  
00:54:03,109 --> 00:54:02,160  
solid and foundational either that's

1357  
00:54:06,630 --> 00:54:03,119  
just

1358  
00:54:09,270 --> 00:54:06,640  
um for the most part that is how

1359  
00:54:10,549 --> 00:54:09,280  
most of those beings would look or

1360  
00:54:12,630 --> 00:54:10,559  
identify

1361  
00:54:14,470 --> 00:54:12,640  
but it's all over the board so there's

1362  
00:54:15,910 --> 00:54:14,480  
many different beings that are

1363  
00:54:18,069 --> 00:54:15,920

responsible

1364

00:54:20,309 --> 00:54:18,079

for different things um

1365

00:54:21,829 --> 00:54:20,319

like i said even some of them

1366

00:54:24,630 --> 00:54:21,839

you know they use

1367

00:54:27,910 --> 00:54:24,640

my dna and i've seen

1368

00:54:30,549 --> 00:54:27,920

different beings evolved in that so it's

1369

00:54:31,430 --> 00:54:30,559

hard to say that it's just one race but

1370

00:54:38,710 --> 00:54:31,440

there

1371

00:54:40,230 --> 00:54:38,720

that does the creation

1372

00:54:43,190 --> 00:54:40,240

of the

1373

00:54:44,950 --> 00:54:43,200

bodies that are going to incarnate

1374

00:54:47,750 --> 00:54:44,960

however

1375

00:54:49,990 --> 00:54:47,760

when we're talking about souls nobody

1376  
00:54:51,430 --> 00:54:50,000  
created our souls

1377  
00:54:54,630 --> 00:54:51,440  
but us

1378  
00:54:57,270 --> 00:54:54,640  
um and one of the things that

1379  
00:54:58,630 --> 00:54:57,280  
is a big i guess you could say task for

1380  
00:55:01,349 --> 00:54:58,640  
us to

1381  
00:55:04,150 --> 00:55:01,359  
remember or to reintegrate

1382  
00:55:05,990 --> 00:55:04,160  
um is the conscious

1383  
00:55:07,670 --> 00:55:06,000  
um

1384  
00:55:11,750 --> 00:55:07,680  
reproduction

1385  
00:55:14,309 --> 00:55:11,760  
uh see we're here in on earth and the 3d

1386  
00:55:16,870 --> 00:55:14,319  
and we have these bodies and part of the

1387  
00:55:19,109 --> 00:55:16,880  
reason we agreed to come here is because

1388  
00:55:21,349 --> 00:55:19,119

you know we're like oh okay we get sex

1389

00:55:22,470 --> 00:55:21,359

and chocolate okay i'm in

1390

00:55:25,109 --> 00:55:22,480

so

1391

00:55:28,630 --> 00:55:25,119

you know humans like sex

1392

00:55:29,829 --> 00:55:28,640

but we don't do it very consciously

1393

00:55:30,789 --> 00:55:29,839

and so

1394

00:55:32,870 --> 00:55:30,799

we

1395

00:55:34,870 --> 00:55:32,880

keep procreating

1396

00:55:37,910 --> 00:55:34,880

without this consciousness factor

1397

00:55:39,990 --> 00:55:37,920

without inviting these souls in

1398

00:55:41,829 --> 00:55:40,000

and then you know these souls have a

1399

00:55:44,150 --> 00:55:41,839

harder time because they weren't

1400

00:55:46,630 --> 00:55:44,160

consciously created

1401

00:55:49,190 --> 00:55:46,640

um and so it's kind of this vicious

1402

00:55:51,349 --> 00:55:49,200

cycle and now we're overpopulated

1403

00:55:52,470 --> 00:55:51,359

you know there's really uh

1404

00:55:54,870 --> 00:55:52,480

there's

1405

00:55:57,349 --> 00:55:54,880

more people on earth than what earth was

1406

00:55:59,829 --> 00:55:57,359

intended for

1407

00:56:01,750 --> 00:55:59,839

and i i i believe that

1408

00:56:04,069 --> 00:56:01,760

so what do you believe

1409

00:56:05,990 --> 00:56:04,079

what do you believe is the future for us

1410

00:56:08,870 --> 00:56:06,000

and these beings i mean is there a

1411

00:56:09,750 --> 00:56:08,880

future for where we're

1412

00:56:11,750 --> 00:56:09,760

uh

1413

00:56:13,510 --> 00:56:11,760

more interactive with each other is this

1414

00:56:15,510 --> 00:56:13,520

something that's going is there

1415

00:56:17,270 --> 00:56:15,520

something specific you believe is going

1416

00:56:18,150 --> 00:56:17,280

to happen

1417

00:56:23,349 --> 00:56:18,160

the

1418

00:56:24,950 --> 00:56:23,359

we can be more interactive with each

1419

00:56:25,910 --> 00:56:24,960

other

1420

00:56:27,430 --> 00:56:25,920

but

1421

00:56:29,829 --> 00:56:27,440

the whole

1422

00:56:33,510 --> 00:56:29,839

big message behind all of that is that

1423

00:56:35,190 --> 00:56:33,520

it's our responsibility to do this they

1424

00:56:37,510 --> 00:56:35,200

are reaching out

1425

00:56:39,910 --> 00:56:37,520

as much as they possibly can

1426  
00:56:41,510 --> 00:56:39,920  
but they can't interfere with our free

1427  
00:56:43,270 --> 00:56:41,520  
will

1428  
00:56:46,309 --> 00:56:43,280  
they're in a different

1429  
00:56:49,030 --> 00:56:46,319  
a whole different time space continuum

1430  
00:56:50,950 --> 00:56:49,040  
and different dimensions and things like

1431  
00:56:52,789 --> 00:56:50,960  
that so they're

1432  
00:56:55,270 --> 00:56:52,799  
they're not really just going to

1433  
00:56:57,349 --> 00:56:55,280  
physically walk up to your door and say

1434  
00:56:59,750 --> 00:56:57,359  
hey pay attention or

1435  
00:57:03,030 --> 00:56:59,760  
trick or treat or whatever you know it's

1436  
00:57:06,630 --> 00:57:03,040  
just it's not going to um

1437  
00:57:08,470 --> 00:57:06,640  
happen in that kind of way because

1438  
00:57:10,950 --> 00:57:08,480

that defeats the purpose of the

1439

00:57:12,710 --> 00:57:10,960

direction that we need to move in that's

1440

00:57:15,190 --> 00:57:12,720

why we need to change

1441

00:57:16,950 --> 00:57:15,200

our consciousness about these things and

1442

00:57:18,710 --> 00:57:16,960

that's why the the message is so

1443

00:57:21,190 --> 00:57:18,720

urgently important you know the

1444

00:57:23,349 --> 00:57:21,200

sasquatch said that we that they don't

1445

00:57:25,910 --> 00:57:23,359

even reproduce the way that they used to

1446

00:57:27,910 --> 00:57:25,920

because it's not safe here for them on

1447

00:57:31,270 --> 00:57:27,920

earth because of what

1448

00:57:33,430 --> 00:57:31,280

humans have done to them in the past and

1449

00:57:35,349 --> 00:57:33,440

because of the mindset that that we

1450

00:57:36,710 --> 00:57:35,359

still have and because of the things

1451

00:57:38,069 --> 00:57:36,720

that we still do

1452

00:57:39,829 --> 00:57:38,079

and um

1453

00:57:42,630 --> 00:57:39,839

but like i said the intention and the

1454

00:57:44,470 --> 00:57:42,640

hope for all of it is that we can

1455

00:57:46,789 --> 00:57:44,480

work and i don't even like to say the

1456

00:57:50,069 --> 00:57:46,799

word work live together

1457

00:57:52,789 --> 00:57:50,079

in in peace and harmony and

1458

00:57:55,910 --> 00:57:52,799

join each other all together in in this

1459

00:57:58,309 --> 00:57:55,920

council of star elders you see the the

1460

00:58:00,150 --> 00:57:58,319

sasquatch and these different star

1461

00:58:03,190 --> 00:58:00,160

elders and many all these different

1462

00:58:05,510 --> 00:58:03,200

beings that have a higher consciousness

1463

00:58:08,069 --> 00:58:05,520

a higher density

1464

00:58:11,270 --> 00:58:08,079

um they're still connected to this

1465

00:58:12,470 --> 00:58:11,280

council they know who their creators are

1466

00:58:18,789 --> 00:58:12,480

they

1467

00:58:20,789 --> 00:58:18,799

forgot and and that we're not aware of

1468

00:58:22,390 --> 00:58:20,799

but with their help

1469

00:58:24,230 --> 00:58:22,400

we can remember

1470

00:58:26,470 --> 00:58:24,240

and that journey really like i said it

1471

00:58:29,510 --> 00:58:26,480

starts within the answers aren't out

1472

00:58:31,270 --> 00:58:29,520

there the answers are in here

1473

00:58:34,549 --> 00:58:31,280

you know we talk you you hear about the

1474

00:58:36,950 --> 00:58:34,559

akashic records and that's that's not

1475

00:58:38,390 --> 00:58:36,960

some library out there somewhere but you

1476

00:58:41,030 --> 00:58:38,400

can go in

1477

00:58:42,549 --> 00:58:41,040

and explore that library and so that's

1478

00:58:45,030 --> 00:58:42,559

what they are

1479

00:58:46,470 --> 00:58:45,040

really wanting us to do and that's the

1480

00:58:49,510 --> 00:58:46,480

hope and so

1481

00:58:51,670 --> 00:58:49,520

yeah we could all live together here

1482

00:58:53,349 --> 00:58:51,680

peacefully on this planet once again

1483

00:58:56,230 --> 00:58:53,359

like we did before

1484

00:58:58,870 --> 00:58:56,240

we did at one time i got one one last

1485

00:59:01,270 --> 00:58:58,880

question um

1486

00:59:03,190 --> 00:59:01,280

do they have an agenda for us in other

1487

00:59:04,789 --> 00:59:03,200

words is there

1488

00:59:05,829 --> 00:59:04,799

uh

1489

00:59:09,829 --> 00:59:05,839

are they

1490

00:59:12,950 --> 00:59:09,839

attempting to create a um

1491

00:59:16,309 --> 00:59:12,960

a singularity physically and and

1492

00:59:19,829 --> 00:59:16,319

mentally with us

1493

00:59:22,150 --> 00:59:19,839

well there's you'd have to define their

1494

00:59:23,589 --> 00:59:22,160

agenda because there's like i said

1495

00:59:25,829 --> 00:59:23,599

there's um

1496

00:59:28,390 --> 00:59:25,839

polarity there's a there's a total

1497

00:59:31,190 --> 00:59:28,400

duality going on so

1498

00:59:33,670 --> 00:59:31,200

there's if i had to choose you know two

1499

00:59:36,470 --> 00:59:33,680

sides of an agenda when really it's

1500

00:59:38,870 --> 00:59:36,480

unlimited agendas

1501

00:59:40,470 --> 00:59:38,880

um but if i had to

1502

00:59:44,230 --> 00:59:40,480

say black and white

1503

00:59:47,349 --> 00:59:44,240

um you know one agenda uh is to

1504

00:59:48,789 --> 00:59:47,359

spiritually evolve

1505

00:59:57,030 --> 00:59:48,799

to

1506

00:59:57,750 --> 00:59:57,040

heal our consciousness

1507

01:00:01,750 --> 00:59:57,760

for

1508

01:00:05,430 --> 01:00:01,760

humanity to evolve and if we

1509

01:00:07,750 --> 01:00:05,440

do evolve we could make our way to a

1510

01:00:09,030 --> 01:00:07,760

different role or a different status

1511

01:00:11,190 --> 01:00:09,040

such as how

1512

01:00:13,589 --> 01:00:11,200

like i said an example is how the the

1513

01:00:15,829 --> 01:00:13,599

bird people that were here on earth

1514

01:00:18,789 --> 01:00:15,839

they evolved and now one of their bigger

1515

01:00:21,190 --> 01:00:18,799

roles is to be like guardian angels

1516

01:00:24,069 --> 01:00:21,200

you know they're um and so

1517

01:00:26,829 --> 01:00:24,079

humanity could also evolve to a point

1518

01:00:30,630 --> 01:00:26,839

where we're able to help the next

1519

01:00:32,549 --> 01:00:30,640

incarnated race not necessarily on earth

1520

01:00:33,990 --> 01:00:32,559

this is just the planet of interest

1521

01:00:35,510 --> 01:00:34,000

right now because this is the big

1522

01:00:37,109 --> 01:00:35,520

melting pot

1523

01:00:39,670 --> 01:00:37,119

so um

1524

01:00:43,990 --> 01:00:39,680

you know we could become that so that's

1525

01:00:47,109 --> 01:00:44,000

one agenda uh the other agenda um of

1526

01:00:49,190 --> 01:00:47,119

really the lower lords is of

1527

01:00:51,589 --> 01:00:49,200

uh control

1528

01:00:54,390 --> 01:00:51,599

uh to

1529

01:00:58,549 --> 01:00:54,400

it's their own agenda you really you

1530

01:01:00,950 --> 01:00:58,559

know power and and greed but even with

1531

01:01:02,230 --> 01:01:00,960

those agendas they don't

1532

01:01:04,069 --> 01:01:02,240

know that

1533

01:01:05,750 --> 01:01:04,079

it's

1534

01:01:08,549 --> 01:01:05,760

you know they think they're doing what's

1535

01:01:10,710 --> 01:01:08,559

best i think i think all beings think

1536

01:01:12,230 --> 01:01:10,720

that they're doing what they feel is

1537

01:01:13,030 --> 01:01:12,240

best and

1538

01:01:15,589 --> 01:01:13,040

um

1539

01:01:19,270 --> 01:01:15,599

and really so those are two the two

1540

01:01:21,510 --> 01:01:19,280

bigger agendas yeah one is to evolve and

1541

01:01:25,670 --> 01:01:21,520

one is more to

1542

01:01:27,750 --> 01:01:25,680

de-evolve or to disconnect us from our

1543

01:01:28,789 --> 01:01:27,760

consciousness disconnect us from our

1544

01:01:31,030 --> 01:01:28,799

feelings

1545

01:01:32,789 --> 01:01:31,040

disconnect us from our consciousness and

1546

01:01:37,430 --> 01:01:32,799

more or less

1547

01:01:39,670 --> 01:01:37,440

make humanity as like robots

1548

01:01:41,430 --> 01:01:39,680

you know i and i'm saying that really

1549

01:01:42,549 --> 01:01:41,440

loosely like

1550

01:01:44,470 --> 01:01:42,559

yeah

1551

01:01:46,470 --> 01:01:44,480

well kelly i want to thank you for

1552

01:01:48,309 --> 01:01:46,480

coming on tonight i appreciate you

1553

01:01:51,030 --> 01:01:48,319

taking the time

1554

01:01:53,190 --> 01:01:51,040

and uh if there's anything that ever

1555

01:01:55,910 --> 01:01:53,200

comes up that you want to contact me

1556

01:01:58,630 --> 01:01:55,920

about please feel free to do so yeah

1557

01:02:00,950 --> 01:01:58,640

sounds wonderful thank you and same here

1558

01:02:03,510 --> 01:02:00,960

well you have a good weekend you too

1559

01:02:05,109 --> 01:02:03,520

thank you bye-bye

1560

01:02:06,789 --> 01:02:05,119

now if you have an unexplained encounter

1561

01:02:08,950 --> 01:02:06,799

setting feel free to contact me through

1562

01:02:10,950 --> 01:02:08,960

the phantoms and monsters blog site now

1563

01:02:12,870 --> 01:02:10,960

once again thank kelly butterfly for

1564

01:02:14,069 --> 01:02:12,880

joining me this evening

1565

01:02:16,390 --> 01:02:14,079

um

1566

01:02:18,150 --> 01:02:16,400

and thanks to each and all of you for

1567

01:02:20,630 --> 01:02:18,160

watching and chatting now if you did

1568

01:02:22,309 --> 01:02:20,640

make a super chat to nation um

1569

01:02:24,390 --> 01:02:22,319

it's truly appreciated your support is

1570

01:02:27,510 --> 01:02:24,400

what makes this possible

1571

01:02:29,589 --> 01:02:27,520

and uh please like subscribe and share

1572

01:02:33,670 --> 01:02:29,599

now next week

1573

01:02:36,549 --> 01:02:33,680

i will be joined by claudia granger

1574

01:02:37,510 --> 01:02:36,559

who is a psychic medium and soul empath

1575

01:02:40,150 --> 01:02:37,520

uh

1576

01:02:41,510 --> 01:02:40,160

in fact several the the individuals in

1577

01:02:44,069 --> 01:02:41,520

our team

1578

01:02:46,710 --> 01:02:44,079

have been working with claudia taking

1579

01:02:49,109 --> 01:02:46,720

classes from claudia so um we're going

1580

01:02:50,150 --> 01:02:49,119

to cover a lot of this next week on the

1581

01:02:51,190 --> 01:02:50,160

show

1582

01:02:53,190 --> 01:02:51,200

uh

1583

01:02:55,670 --> 01:02:53,200

as many of you may have been seeing i on

1584

01:02:57,109 --> 01:02:55,680

my facebook page i've been posting a lot

1585

01:02:59,910 --> 01:02:57,119

of her interviews

1586

01:03:01,270 --> 01:02:59,920

and some of her uh some of her uh

1587

01:03:02,470 --> 01:03:01,280

youtube

1588

01:03:05,190 --> 01:03:02,480

## lectures

1589

01:03:07,670 --> 01:03:05,200

so check that out but definitely join us

1590

01:03:09,109 --> 01:03:07,680

next week so until next week stay

1591

01:03:19,080 --> 01:03:09,119

healthy and have a safe and enjoyable

1592

01:03:31,700 --> 01:03:20,789

[Music]

1593

01:03:31,710 --> 01:03:56,780

[Applause]
