Strickler**

CLAUDIA GRANGER - Psychic, Spritual Medium, Soul Empath - Oct 8th

1
00:00:08,710 --> 00:00:07,110
the oldest and strongest human emotion

2
00:00:10,870 --> 00:00:08,720
is fear

3
00:00:11,910 --> 00:00:10,880
and the oldest and strongest type of

4
00:00:15,030 --> 00:00:11,920
fear

5
00:00:17,510 --> 00:00:15,040
is trepidation of the unknown

6
00:00:20,950 --> 00:00:17,520
when we were children our parents told

7
00:00:23,429 --> 00:00:20,960
us that monsters didn't exist

8
00:00:26,630 --> 00:00:23,439
but we were sure that something was

9
00:00:31,189 --> 00:00:26,640
lurking under the bed or in the closet

10
00:00:34,150 --> 00:00:31,199
fear sees even if our eyes are closed

11
00:00:36,389 --> 00:00:34,160
welcome to the realm of the arcane

12
00:00:38,790 --> 00:00:36,399
my name is lon strickler

13
00:00:39,910 --> 00:00:38,800

join me as i examine unexplained

14

00:00:42,549 --> 00:00:39,920

creatures

15

00:00:44,869 --> 00:00:42,559

strange manifestations of remarkable

16

00:00:47,910 --> 00:00:44,879

realities

17

00:00:50,549 --> 00:00:47,920

imagine this next hour as a voyage of

18

00:00:53,029 --> 00:00:50,559

discovery to strange lands

19

00:00:54,549 --> 00:00:53,039

seeking not for new territory

20

00:00:56,069 --> 00:00:54,559

but for new knowledge of the

21

00:00:58,869 --> 00:00:56,079

supernatural

22

00:01:00,300 --> 00:00:58,879

come on board as we begin this adventure

23

00:01:03,430 --> 00:01:00,310

together

24

00:01:04,869 --> 00:01:03,440

[Music]

25

00:01:07,270 --> 00:01:04,879

folks good evening and welcome to

26
00:01:09,429 --> 00:01:07,280
another episode of arcane radio where we

27
00:01:10,710 --> 00:01:09,439
explore the unexplained live on beyond

28
00:01:12,630 --> 00:01:10,720
explanation

29
00:01:14,230 --> 00:01:12,640
i'm your host lon strickler coming to

30
00:01:16,230 --> 00:01:14,240
you within a can of shout out the howl

31
00:01:17,590 --> 00:01:16,240
fields of gettysburg pennsylvania thanks

32
00:01:20,710 --> 00:01:17,600
for joining me

33
00:01:23,270 --> 00:01:20,720
now uh as always uh just to note that

34
00:01:25,510 --> 00:01:23,280
arcane radio and beyond explanation

35
00:01:28,230 --> 00:01:25,520
uh is made possible by you liking

36
00:01:30,630 --> 00:01:28,240
subscribing and sharing our programming

37
00:01:31,670 --> 00:01:30,640
the super chat donations are essential

38
00:01:33,749 --> 00:01:31,680

for us

39

00:01:36,230 --> 00:01:33,759

to continue offering you our unique

40

00:01:39,590 --> 00:01:36,240

content in your consideration

41

00:01:43,030 --> 00:01:39,600

is very much needed and appreciated

42

00:01:45,830 --> 00:01:43,040

so tonight we have claudia granger

43

00:01:48,310 --> 00:01:45,840

claudia granger is a psychic medium soul

44

00:01:50,310 --> 00:01:48,320

empath and regression therapist

45

00:01:52,149 --> 00:01:50,320

who has the gift of seeing between

46

00:01:55,109 --> 00:01:52,159

worlds since childhood trained in

47

00:01:58,069 --> 00:01:55,119

telepathy and guided meditations

48

00:01:59,830 --> 00:01:58,079

as a cenergenic therapist enrique master

49

00:02:02,630 --> 00:01:59,840

her focus is to be

50

00:02:04,389 --> 00:02:02,640

part or the end of all suffering

51
00:02:06,870 --> 00:02:04,399
she loves to write children's stories to

52
00:02:09,350 --> 00:02:06,880
empower the younger generation

53
00:02:11,910 --> 00:02:09,360
as a reincarnation synergetic therapist

54
00:02:15,030 --> 00:02:11,920
she will help to release trauma in all

55
00:02:17,670 --> 00:02:15,040
areas of life and connections

56
00:02:20,309 --> 00:02:17,680
she can see colors in the magnetic field

57
00:02:21,510 --> 00:02:20,319
they are of human beings animals and

58
00:02:23,350 --> 00:02:21,520
trees

59
00:02:25,589 --> 00:02:23,360
her goal is to be the bridge from

60
00:02:28,830 --> 00:02:25,599
disharmony to harmony

61
00:02:31,190 --> 00:02:28,840
claudia's website can be found at

62
00:02:33,270 --> 00:02:31,200
claudiagranger.com so claudia thank you

63
00:02:36,470 --> 00:02:33,280

so much for joining me this evening

64

00:02:38,470 --> 00:02:36,480

and thank you so much long for having me

65

00:02:40,869 --> 00:02:38,480

and i have to say you have a very

66

00:02:43,350 --> 00:02:40,879

interesting introduction because you're

67

00:02:45,350 --> 00:02:43,360

talking right about the children and

68

00:02:46,710 --> 00:02:45,360

seeing and fear

69

00:02:49,990 --> 00:02:46,720

and i'm

70

00:02:52,470 --> 00:02:50,000

having sometimes a kids program where i

71

00:02:54,869 --> 00:02:52,480

teach psychic children not to fear what

72

00:02:57,350 --> 00:02:54,879

they're seeing if the parents do not

73

00:02:59,990 --> 00:02:57,360

know what to do with them because that's

74

00:03:02,869 --> 00:03:00,000

exactly what happened to me i was seeing

75

00:03:06,710 --> 00:03:02,879

spirits all the time i was adopted many

76

00:03:08,630 --> 00:03:06,720

times and my parents were

77

00:03:10,949 --> 00:03:08,640

you know psychic too but they didn't do

78

00:03:13,750 --> 00:03:10,959

anything and gave them a scare they were

79

00:03:14,790 --> 00:03:13,760

fearing it so they shut it down

80

00:03:16,790 --> 00:03:14,800

and

81

00:03:19,110 --> 00:03:16,800

for me it's important that kids are

82

00:03:20,550 --> 00:03:19,120

aware if you see something

83

00:03:22,790 --> 00:03:20,560

and parents

84

00:03:25,910 --> 00:03:22,800

ask them what they're seeing let them

85

00:03:27,750 --> 00:03:25,920

describe it and together ask the spirit

86

00:03:29,509 --> 00:03:27,760

who comes for example through the doors

87

00:03:31,110 --> 00:03:29,519

through the wall

88

00:03:32,789 --> 00:03:31,120

who are you

89
00:03:34,550 --> 00:03:32,799
you know where are you coming from what

90
00:03:36,630 --> 00:03:34,560
you're doing what you're needing and and

91
00:03:38,949 --> 00:03:36,640
not ignoring it and suppressing it and

92
00:03:40,630 --> 00:03:38,959
therefore creating more fear because

93
00:03:43,509 --> 00:03:40,640
when the kids see something and the

94
00:03:46,710 --> 00:03:43,519
parents say there's nothing there

95
00:03:49,670 --> 00:03:46,720
and that kid has the sense of well but

96
00:03:51,589 --> 00:03:49,680
i'm seeing something how can mom or dad

97
00:03:52,470 --> 00:03:51,599
say there's nothing there

98
00:03:55,670 --> 00:03:52,480
and

99
00:03:57,750 --> 00:03:55,680
then the the kid gets insecure

100
00:04:01,830 --> 00:03:57,760
and knows mom doesn't see it so that's

101
00:04:02,869 --> 00:04:01,840
the parameter of truth so i must be

102
00:04:05,830 --> 00:04:02,879
wrong

103
00:04:07,990 --> 00:04:05,840
but i'm seeing it so again uh it's

104
00:04:09,830 --> 00:04:08,000
always good to talk with your kids about

105
00:04:12,789 --> 00:04:09,840
these things when they have dreams and i

106
00:04:15,429 --> 00:04:12,799
talk about monsters and

107
00:04:16,949 --> 00:04:15,439
instead of you know the angels around

108
00:04:18,629 --> 00:04:16,959
the bed seeing the monsters underneath

109
00:04:19,990 --> 00:04:18,639
the bed so i love your introduction

110
00:04:22,550 --> 00:04:20,000
thank you

111
00:04:24,950 --> 00:04:22,560
well i i tell you that's a big part of

112
00:04:27,189 --> 00:04:24,960
my work um when i'm working with

113
00:04:29,189 --> 00:04:27,199

families for the most part and

114

00:04:31,670 --> 00:04:29,199

a lot of times you run across children

115

00:04:33,110 --> 00:04:31,680

who are psychic i mean they're gifted

116

00:04:35,110 --> 00:04:33,120

and uh

117

00:04:36,790 --> 00:04:35,120

most times they're very young and they

118

00:04:38,950 --> 00:04:36,800

don't understand what they're seeing

119

00:04:40,629 --> 00:04:38,960

they're sensing and um

120

00:04:42,950 --> 00:04:40,639

i have always

121

00:04:45,350 --> 00:04:42,960

taken time to actually work with them

122

00:04:47,749 --> 00:04:45,360

individually and that's important i've

123

00:04:50,150 --> 00:04:47,759

had several who have grown up to be

124

00:04:52,310 --> 00:04:50,160

very interesting very gifted young

125

00:04:54,870 --> 00:04:52,320

psychics and

126

00:04:56,870 --> 00:04:54,880

i'm very proud of that myself and

127

00:04:59,510 --> 00:04:56,880

absolutely that's a big part of what i

128

00:05:00,790 --> 00:04:59,520

do and i'm glad you brought that point

129

00:05:02,629 --> 00:05:00,800

up

130

00:05:04,390 --> 00:05:02,639

well and things are

131

00:05:06,629 --> 00:05:04,400

for you bringing this up further with

132

00:05:09,670 --> 00:05:06,639

young psychics because that's where we

133

00:05:12,710 --> 00:05:09,680

can run easily into problems because

134

00:05:15,189 --> 00:05:12,720

when you have a lot of power in your

135

00:05:17,110 --> 00:05:15,199

psychic kinetic power and psychic

136

00:05:20,150 --> 00:05:17,120

abilities and you do not know what to do

137

00:05:22,629 --> 00:05:20,160

with it you can inadvertently open

138

00:05:24,629 --> 00:05:22,639

portals have thought forms create

139

00:05:27,350 --> 00:05:24,639

manifest do things

140

00:05:29,909 --> 00:05:27,360

and i um in one of the

141

00:05:32,390 --> 00:05:29,919

tv shows on the hounding i taught a

142

00:05:34,469 --> 00:05:32,400

little girl what to do after she

143

00:05:36,230 --> 00:05:34,479

inadvertently opened the portals to a

144

00:05:39,749 --> 00:05:36,240

ouija board and then

145

00:05:42,950 --> 00:05:39,759

saw this and did this and uh she was a

146

00:05:45,990 --> 00:05:42,960

portal in herself where then after this

147

00:05:48,629 --> 00:05:46,000

ouija board experiences she just

148

00:05:51,110 --> 00:05:48,639

let energies come through and they were

149

00:05:52,390 --> 00:05:51,120

manifesting all around her so it was

150

00:05:55,029 --> 00:05:52,400

important for

151
00:05:58,790 --> 00:05:55,039
the youngsters to be trained what do i

152
00:06:00,950 --> 00:05:58,800
do what do i not do and how do i protect

153
00:06:04,150 --> 00:06:00,960
myself and not to just channel anything

154
00:06:06,950 --> 00:06:04,160
because channeling is so much fun

155
00:06:09,350 --> 00:06:06,960
well you know you recently had a video

156
00:06:10,390 --> 00:06:09,360
on your channel about uh about ouija

157
00:06:13,189 --> 00:06:10,400
boards

158
00:06:14,230 --> 00:06:13,199
uh and i talk about that a lot because

159
00:06:16,710 --> 00:06:14,240
of

160
00:06:19,270 --> 00:06:16,720
most likely the well more importantly

161
00:06:20,950 --> 00:06:19,280
the bad things that can result of it

162
00:06:23,189 --> 00:06:20,960
what kind of experiences have you had

163
00:06:24,950 --> 00:06:23,199

with with clients or even yourself with

164

00:06:27,670 --> 00:06:24,960

ouija boards

165

00:06:30,550 --> 00:06:27,680

well first of all i never had any

166

00:06:33,510 --> 00:06:30,560

inkling and or desire to touch that

167

00:06:34,950 --> 00:06:33,520

stuff for me it was always creepy and

168

00:06:37,909 --> 00:06:34,960

when

169

00:06:40,790 --> 00:06:37,919

let's say

170

00:06:42,309 --> 00:06:40,800

angels don't use it they don't need that

171

00:06:45,430 --> 00:06:42,319

kind of thing

172

00:06:46,950 --> 00:06:45,440

so what kind of spirits would wanna come

173

00:06:50,230 --> 00:06:46,960

through there

174

00:06:53,909 --> 00:06:50,240

um maybe the lower vibrational kind

175

00:06:56,390 --> 00:06:53,919

seems to me like so i always felt

176
00:06:57,270 --> 00:06:56,400
low vibration coming from these boards

177
00:07:01,830 --> 00:06:57,280
and

178
00:07:03,110 --> 00:07:01,840
trained me from within since i was a

179
00:07:05,990 --> 00:07:03,120
child

180
00:07:07,909 --> 00:07:06,000
told me to never do anything in workings

181
00:07:09,350 --> 00:07:07,919
and to me that is a working that is a

182
00:07:11,029 --> 00:07:09,360
practice

183
00:07:13,350 --> 00:07:11,039
without protection

184
00:07:14,950 --> 00:07:13,360
and i think we would have way less

185
00:07:16,550 --> 00:07:14,960
incidents of

186
00:07:17,990 --> 00:07:16,560
you know dimension

187
00:07:20,710 --> 00:07:18,000
rifts

188
00:07:23,350 --> 00:07:20,720

which that's what ouija boards do you

189

00:07:26,230 --> 00:07:23,360

are opening with the kinesthetic energy

190

00:07:28,150 --> 00:07:26,240

of two participants a

191

00:07:31,110 --> 00:07:28,160

gateway or a

192

00:07:34,070 --> 00:07:31,120

doorway to the other side you're

193

00:07:36,309 --> 00:07:34,080

creating that opening you're you're

194

00:07:38,710 --> 00:07:36,319

you know almost like ripping it open i

195

00:07:40,790 --> 00:07:38,720

want to say through your desire and

196

00:07:42,870 --> 00:07:40,800

through your focus and then anything can

197

00:07:44,629 --> 00:07:42,880

come through but you're not protected

198

00:07:46,710 --> 00:07:44,639

and you're not containing anything what

199

00:07:49,189 --> 00:07:46,720

you come through so i

200

00:07:50,469 --> 00:07:49,199

really do not want to touch that stuff

201
00:07:51,430 --> 00:07:50,479
but in this

202
00:07:53,830 --> 00:07:51,440
lady

203
00:07:55,430 --> 00:07:53,840
i worked with all this young girl that i

204
00:07:57,110 --> 00:07:55,440
said she wanted to connect with her

205
00:08:00,469 --> 00:07:57,120
father on the other side and that's a

206
00:08:02,629 --> 00:08:00,479
very valid wish to connect this year

207
00:08:04,309 --> 00:08:02,639
uh this is a crossed over loved one

208
00:08:07,350 --> 00:08:04,319
especially when it's a close family

209
00:08:08,710 --> 00:08:07,360
member and so she worked with her cousin

210
00:08:10,869 --> 00:08:08,720
with the board

211
00:08:12,950 --> 00:08:10,879
and of course something came through and

212
00:08:15,589 --> 00:08:12,960
in the beginning it i'm getting still

213
00:08:17,430 --> 00:08:15,599

shows when i'm talking about it

214

00:08:20,550 --> 00:08:17,440

and in the beginning i'm the person that

215

00:08:21,990 --> 00:08:20,560

is the father figure

216

00:08:23,189 --> 00:08:22,000

and then only

217

00:08:27,270 --> 00:08:23,199

when this

218

00:08:29,749 --> 00:08:27,280

father figure got um brutal with her

219

00:08:32,230 --> 00:08:29,759

it showed the true face of a demon and i

220

00:08:35,190 --> 00:08:32,240

just have to say it's really even just

221

00:08:37,750 --> 00:08:35,200

the energy remembering working with this

222

00:08:41,269 --> 00:08:37,760

slow vibrational dynamic being

223

00:08:43,589 --> 00:08:41,279

impersonating a loved one

224

00:08:44,389 --> 00:08:43,599

really gives me the thrill still to this

225

00:08:45,750 --> 00:08:44,399

day

226

00:08:47,670 --> 00:08:45,760

so it's important to know what you're

227

00:08:49,509 --> 00:08:47,680

doing when you're doing and dealing with

228

00:08:51,350 --> 00:08:49,519

these kind of games

229

00:08:53,670 --> 00:08:51,360

yeah you know i have a lot of people ask

230

00:08:54,870 --> 00:08:53,680

me about divination in in general you

231

00:08:56,470 --> 00:08:54,880

know either

232

00:08:59,590 --> 00:08:56,480

tarot cards

233

00:09:01,829 --> 00:08:59,600

uh pendulum you know this and that ouija

234

00:09:03,110 --> 00:09:01,839

boards um what are your thoughts on that

235

00:09:05,430 --> 00:09:03,120

overall

236

00:09:06,470 --> 00:09:05,440

well you know i would say know your

237

00:09:07,590 --> 00:09:06,480

tools

238

00:09:10,070 --> 00:09:07,600

and

239

00:09:12,070 --> 00:09:10,080

there are some good tools there are some

240

00:09:13,829 --> 00:09:12,080

excellent tools and then there's some

241

00:09:17,350 --> 00:09:13,839

not so good tools

242

00:09:19,509 --> 00:09:17,360

um i would say a pendulum is always easy

243

00:09:21,750 --> 00:09:19,519

if you ask the right question you'll get

244

00:09:24,790 --> 00:09:21,760

a lot of answers for me what would be

245

00:09:27,430 --> 00:09:24,800

best to put a piece of paper on and

246

00:09:30,389 --> 00:09:27,440

mark the yes and no areas and mark areas

247

00:09:33,350 --> 00:09:30,399

if you talk about medical intuitive work

248

00:09:35,990 --> 00:09:33,360

uh what minerals what vitamins whatever

249

00:09:37,670 --> 00:09:36,000

you know is well-meaning or am i missing

250

00:09:40,150 --> 00:09:37,680

and then you can use with the pendulum

251

00:09:42,790 --> 00:09:40,160

thing and see how it swings

252

00:09:45,350 --> 00:09:42,800

no harm done right you know because

253

00:09:47,829 --> 00:09:45,360

you're not invoking anything right when

254

00:09:49,829 --> 00:09:47,839

you're using tarot cards it's already

255

00:09:52,070 --> 00:09:49,839

getting a little bit more difficult

256

00:09:54,550 --> 00:09:52,080

because some tarot cards are like

257

00:09:56,310 --> 00:09:54,560

gateways every card is like a gateway to

258

00:09:58,550 --> 00:09:56,320

an energy field

259

00:10:00,470 --> 00:09:58,560

and there are unfortunately some tarot

260

00:10:02,829 --> 00:10:00,480

cards which are connected to lower

261

00:10:06,630 --> 00:10:02,839

vibrational fields and in that

262

00:10:09,030 --> 00:10:06,640

particular uh video i talked about the

263

00:10:09,990 --> 00:10:09,040

um alister crowley tarot cards the toth

264

00:10:13,269 --> 00:10:10,000

toro

265

00:10:16,150 --> 00:10:13,279

and how i came uh to notice testosterone

266

00:10:18,389 --> 00:10:16,160

even though it's so wonderful color for

267

00:10:20,550 --> 00:10:18,399

being of lower frequency

268

00:10:22,630 --> 00:10:20,560

which you never would have thought if

269

00:10:24,150 --> 00:10:22,640

you just look at the cards

270

00:10:26,389 --> 00:10:24,160

uh um

271

00:10:28,230 --> 00:10:26,399

one of my group members in germany when

272

00:10:30,550 --> 00:10:28,240

i was still working there

273

00:10:32,790 --> 00:10:30,560

had the tarot cards over but and she had

274

00:10:34,150 --> 00:10:32,800

always nightmares her life was going

275

00:10:36,470 --> 00:10:34,160

down the drain

276

00:10:38,389 --> 00:10:36,480

nothing worked out right and she always

277

00:10:39,430 --> 00:10:38,399

had again these nightmarish things

278

00:10:41,190 --> 00:10:39,440

happening

279

00:10:44,150 --> 00:10:41,200

so um i

280

00:10:45,750 --> 00:10:44,160

tuned into her remotely remote viewing

281

00:10:46,710 --> 00:10:45,760

and said you have something over your

282

00:10:48,710 --> 00:10:46,720

head

283

00:10:50,389 --> 00:10:48,720

um over your bed is there something

284

00:10:53,110 --> 00:10:50,399

hanging or something laying and she said

285

00:10:54,550 --> 00:10:53,120

you have a board overhead and there are

286

00:10:56,389 --> 00:10:54,560

tarot cards and they are really

287

00:10:57,350 --> 00:10:56,399

beautiful and i really like them very

288

00:10:59,590 --> 00:10:57,360

much

289

00:11:01,350 --> 00:10:59,600

and i said well then bring them to the

290

00:11:05,030 --> 00:11:01,360

next meeting and let's see what it's

291

00:11:07,509 --> 00:11:05,040

about and first take them away

292

00:11:08,710 --> 00:11:07,519

and uh after she took them off the shelf

293

00:11:11,350 --> 00:11:08,720

over her head

294

00:11:14,470 --> 00:11:11,360

first night she slept like a baby she

295

00:11:16,550 --> 00:11:14,480

said that's weird but they're so nice so

296

00:11:18,790 --> 00:11:16,560

she brought them and i tuned into them

297

00:11:20,790 --> 00:11:18,800

card by card and it just also the same

298

00:11:23,190 --> 00:11:20,800

thing using shoes we have to understand

299

00:11:25,110 --> 00:11:23,200

that alistair crowley was a white

300

00:11:27,430 --> 00:11:25,120

magician and then turned to the dark

301

00:11:29,430 --> 00:11:27,440

side so he was binding still from the

302

00:11:32,230 --> 00:11:29,440

other side energy

303

00:11:34,310 --> 00:11:32,240

to himself from these cards you know

304

00:11:36,949 --> 00:11:34,320

through the gateways every

305

00:11:38,310 --> 00:11:36,959

card is like a symbol like a gateway

306

00:11:40,710 --> 00:11:38,320

and then um

307

00:11:43,430 --> 00:11:40,720

after convincing her to let go for the

308

00:11:45,829 --> 00:11:43,440

sake of betterment in her past she

309

00:11:48,150 --> 00:11:45,839

allowed me to burn them and boy that was

310

00:11:49,829 --> 00:11:48,160

a nightmare they didn't want to burn and

311

00:11:52,470 --> 00:11:49,839

they didn't want to burn even lighter

312

00:11:55,190 --> 00:11:52,480

fuel they didn't want to burn

313

00:11:57,350 --> 00:11:55,200

so i had to call my best girlfriend in

314

00:11:59,350 --> 00:11:57,360

and we then

315

00:12:02,389 --> 00:11:59,360

burned it together but the flames of

316

00:12:05,350 --> 00:12:02,399

these cards were following us as we were

317

00:12:06,870 --> 00:12:05,360

going around their uh children where we

318

00:12:08,629 --> 00:12:06,880

were burning them in

319

00:12:11,509 --> 00:12:08,639

they were following us so they had a

320

00:12:14,230 --> 00:12:11,519

life on their own so rent a row cards

321

00:12:15,829 --> 00:12:14,240

like a window to something are connected

322

00:12:17,829 --> 00:12:15,839

to energy fields

323

00:12:19,670 --> 00:12:17,839

which most of them are two good things

324

00:12:21,190 --> 00:12:19,680

or they are totally neutral i almost

325

00:12:23,430 --> 00:12:21,200

want to say they are beautiful but they

326

00:12:26,150 --> 00:12:23,440

are dead cards they are not alive almost

327

00:12:27,430 --> 00:12:26,160

they don't interact with you but for the

328

00:12:28,870 --> 00:12:27,440

ones who interact with you in a

329

00:12:30,710 --> 00:12:28,880

magnitude field

330

00:12:32,150 --> 00:12:30,720

caution if there's something off or you

331

00:12:34,550 --> 00:12:32,160

have always nightmares when you're

332

00:12:36,710 --> 00:12:34,560

dealing with these or they tempt you

333

00:12:39,190 --> 00:12:36,720

[Music]

334

00:12:41,269 --> 00:12:39,200

hands off

335

00:12:44,069 --> 00:12:41,279

and soft so one has to be very

336

00:12:47,509 --> 00:12:44,079

discerning right my recommendation would

337

00:12:49,829 --> 00:12:47,519

be to ask is this tarot act

338

00:12:51,110 --> 00:12:49,839

good for me to work with for my best and

339

00:12:52,790 --> 00:12:51,120

highest sport

340

00:12:54,949 --> 00:12:52,800

yes no

341

00:12:57,590 --> 00:12:54,959

your higher self knows

342

00:13:00,310 --> 00:12:57,600

and if it's a no trust that no

343

00:13:01,670 --> 00:13:00,320

no matter how neat and wonderful they

344

00:13:03,110 --> 00:13:01,680

look and how

345

00:13:04,470 --> 00:13:03,120

nice they are

346

00:13:05,829 --> 00:13:04,480

if it's a no

347

00:13:08,310 --> 00:13:05,839

trust it

348

00:13:10,230 --> 00:13:08,320

yes no questions are easy to be

349

00:13:13,590 --> 00:13:10,240

following and getting answers to even if

350

00:13:17,110 --> 00:13:15,350

you know you and i have a love of one

351

00:13:19,030 --> 00:13:17,120

thing in particular and that's crystals

352

00:13:21,350 --> 00:13:19,040

and i use it in my work and i know you

353

00:13:24,230 --> 00:13:21,360

use it you just got done showing me some

354

00:13:25,509 --> 00:13:24,240

a beautiful cluster you had tonight

355

00:13:27,829 --> 00:13:25,519

and uh

356

00:13:29,829 --> 00:13:27,839

yeah there it is year one

357

00:13:34,790 --> 00:13:29,839

to me uh clear

358

00:13:36,470 --> 00:13:34,800

wherever they're coming they have this

359

00:13:38,629 --> 00:13:36,480

clarifying

360

00:13:39,540 --> 00:13:38,639

light vibration and it reminds me of

361

00:13:40,710 --> 00:13:39,550

phone

362

00:13:41,590 --> 00:13:40,720

[Music]

363

00:13:43,670 --> 00:13:41,600

yeah

364

00:13:46,069 --> 00:13:43,680

it is and uh you know i

365

00:13:47,110 --> 00:13:46,079

i'm very particular about what i use but

366

00:13:49,590 --> 00:13:47,120

um

367

00:13:51,509 --> 00:13:49,600

you know the murian and the mirroring

368

00:13:53,350 --> 00:13:51,519

quartz is probably what some of my

369

00:13:55,430 --> 00:13:53,360

favorite actors

370

00:13:57,269 --> 00:13:55,440

crystal yes yeah

371

00:13:59,350 --> 00:13:57,279

so uh yeah i just wanted to bring that

372

00:14:02,389 --> 00:13:59,360

up i know a lot of people are very

373

00:14:03,750 --> 00:14:02,399

interested in crystals and how they use

374

00:14:05,590 --> 00:14:03,760

maybe one day i'm going to have to do a

375

00:14:07,750 --> 00:14:05,600

full show about it

376

00:14:09,110 --> 00:14:07,760

yeah that would be fun the more you see

377

00:14:10,949 --> 00:14:09,120

crystals are interesting as you

378

00:14:12,949 --> 00:14:10,959

mentioned in them by really by

379

00:14:14,710 --> 00:14:12,959

coincidence have one laying because i

380

00:14:16,949 --> 00:14:14,720

work a lot with them

381

00:14:19,590 --> 00:14:16,959

they have these little ridges and lines

382

00:14:21,990 --> 00:14:19,600

and as you can see here um

383

00:14:25,750 --> 00:14:22,000

every side has a different line and

384

00:14:27,590 --> 00:14:25,760

these are frequency givers or receivers

385

00:14:28,710 --> 00:14:27,600

like in a

386

00:14:31,750 --> 00:14:28,720

you know

387

00:14:34,629 --> 00:14:31,760

record or what you call them just like

388

00:14:36,710 --> 00:14:34,639

this in english sorry i'm right um

389

00:14:39,350 --> 00:14:36,720

records yeah right right so like a

390

00:14:42,389 --> 00:14:39,360

record player you this

391

00:14:43,430 --> 00:14:42,399

energy can be read and as you have them

392

00:14:47,189 --> 00:14:43,440

on different

393

00:14:49,750 --> 00:14:47,199

levels here you can be connected to a

394

00:14:52,150 --> 00:14:49,760

different kind of grid so each of these

395

00:14:53,670 --> 00:14:52,160

sides connects you to a grid and when

396

00:14:56,550 --> 00:14:53,680

you're driving with a car and you're

397

00:14:59,030 --> 00:14:56,560

feeling tired i always take one of these

398

00:15:01,750 --> 00:14:59,040

with me or when they're traveling by

399

00:15:03,829 --> 00:15:01,760

plane to ground me

400

00:15:05,509 --> 00:15:03,839

because then i am

401
00:15:07,189 --> 00:15:05,519
knowing where i am in time and space

402
00:15:09,670 --> 00:15:07,199
where my energy field knows where i am

403
00:15:12,949 --> 00:15:09,680
in time and space because um

404
00:15:14,870 --> 00:15:12,959
they can bring to me what i need and

405
00:15:16,350 --> 00:15:14,880
access out of my system what i do not

406
00:15:17,590 --> 00:15:16,360
need anymore

407
00:15:20,230 --> 00:15:17,600
[Music]

408
00:15:22,150 --> 00:15:20,240
yeah i mean i be honest when i when i'm

409
00:15:24,710 --> 00:15:22,160
working i have to have them around me i

410
00:15:26,949 --> 00:15:24,720
just feel obligated now to have them

411
00:15:29,189 --> 00:15:26,959
with me it just does take me the energy

412
00:15:31,829 --> 00:15:29,199
itself just works with me

413
00:15:33,030 --> 00:15:31,839

and uh it's interesting i you know

414

00:15:34,550 --> 00:15:33,040

you know a lot of people look at you and

415

00:15:36,790 --> 00:15:34,560

think like you're crazy you got crystal

416

00:15:39,430 --> 00:15:36,800

what are you doing crystal but no i i

417

00:15:41,910 --> 00:15:39,440

just feel attached to mine so i i

418

00:15:44,389 --> 00:15:41,920

understand that's great

419

00:15:45,189 --> 00:15:44,399

you chose your crystals fire intuition

420

00:15:48,470 --> 00:15:45,199

right

421

00:15:50,790 --> 00:15:48,480

mostly yeah yeah i i have i mean i i'd

422

00:15:54,870 --> 00:15:50,800

say for the most part when i do pick a

423

00:15:56,710 --> 00:15:54,880

crystal it's normally i go to the the

424

00:15:58,710 --> 00:15:56,720

place where it's at where it's you know

425

00:16:00,629 --> 00:15:58,720

i've had people invite me

426

00:16:02,710 --> 00:16:00,639

to look at their collections and you

427

00:16:05,350 --> 00:16:02,720

know are open to me buying a part of

428

00:16:07,269 --> 00:16:05,360

their collection and i care occasionally

429

00:16:10,790 --> 00:16:07,279

i would just pick one that just feels

430

00:16:12,230 --> 00:16:10,800

right and uh yeah

431

00:16:14,069 --> 00:16:12,240

that's what i do

432

00:16:15,430 --> 00:16:14,079

that's why i want to say that people

433

00:16:18,870 --> 00:16:15,440

should trust themselves more with

434

00:16:21,030 --> 00:16:18,880

crystals and not go just by the books

435

00:16:23,590 --> 00:16:21,040

for example with black stones everybody

436

00:16:25,430 --> 00:16:23,600

says oh they're protecting me they're

437

00:16:27,829 --> 00:16:25,440

they're bringing the darkness in or

438

00:16:29,509 --> 00:16:27,839

they're doing this and i would be very

439

00:16:32,949 --> 00:16:29,519

cautious working with black stones

440

00:16:35,350 --> 00:16:32,959

because um black black obsidian is used

441

00:16:37,749 --> 00:16:35,360

for uh astro terror but if you do not

442

00:16:40,150 --> 00:16:37,759

know what you're doing you can be

443

00:16:41,189 --> 00:16:40,160

splintered in the process energetically

444

00:16:43,110 --> 00:16:41,199

so

445

00:16:45,110 --> 00:16:43,120

just don't go by book school by your

446

00:16:47,509 --> 00:16:45,120

feeling safety

447

00:16:49,350 --> 00:16:47,519

first and everything what we are doing

448

00:16:51,110 --> 00:16:49,360

safety first

449

00:16:52,870 --> 00:16:51,120

yeah it's nice to read a book and learn

450

00:16:55,269 --> 00:16:52,880

about the crystal and the so-called

451

00:16:57,030 --> 00:16:55,279

energies involved with it but

452

00:16:59,269 --> 00:16:57,040

yeah until you actually do the work

453

00:17:01,269 --> 00:16:59,279

itself you you kind of discern what is

454

00:17:04,470 --> 00:17:01,279

good and what is not going to work

455

00:17:07,270 --> 00:17:04,480

uh yeah i agree with you 100 on that you

456

00:17:09,510 --> 00:17:07,280

know um a lot of people

457

00:17:12,870 --> 00:17:09,520

who i work with

458

00:17:15,029 --> 00:17:12,880

ask me about referring them to someone

459

00:17:17,270 --> 00:17:15,039

who's a regression therapist

460

00:17:19,110 --> 00:17:17,280

and for the most part those who contact

461

00:17:22,069 --> 00:17:19,120

me or those who are looking

462

00:17:23,750 --> 00:17:22,079

for answers after a a possible abduction

463

00:17:25,669 --> 00:17:23,760

or something to that fact but you've

464

00:17:28,390 --> 00:17:25,679

been involved with that plus

465

00:17:30,870 --> 00:17:28,400

uh past live regression can you kind of

466

00:17:33,909 --> 00:17:30,880

talk about that a bit yes

467

00:17:37,190 --> 00:17:33,919

um there are a variation of past life

468

00:17:38,630 --> 00:17:37,200

regressions how you can access into the

469

00:17:40,950 --> 00:17:38,640

past lives

470

00:17:43,510 --> 00:17:40,960

one of them is by

471

00:17:46,950 --> 00:17:43,520

going into a tall state or half trans

472

00:17:48,470 --> 00:17:46,960

state and some people using the access

473

00:17:49,909 --> 00:17:48,480

point they're going into the seller

474

00:17:52,789 --> 00:17:49,919

often in a house

475

00:17:54,630 --> 00:17:52,799

and um in the um

476

00:17:56,470 --> 00:17:54,640

pathway of the seller seller

477

00:17:57,510 --> 00:17:56,480

subconscious symbolically in the inner

478

00:17:59,110 --> 00:17:57,520

house

479

00:18:02,150 --> 00:17:59,120

there are many doors

480

00:18:03,830 --> 00:18:02,160

and each door leads to a past life or i

481

00:18:05,510 --> 00:18:03,840

would say parallel life and then you go

482

00:18:07,190 --> 00:18:05,520

in there you put in the lights and you

483

00:18:09,510 --> 00:18:07,200

see what you see and you hear what you

484

00:18:11,909 --> 00:18:09,520

hear and you smell what you smell

485

00:18:15,110 --> 00:18:11,919

that's one where some people find a

486

00:18:18,230 --> 00:18:15,120

little bit scary because it goes down

487

00:18:20,870 --> 00:18:18,240

um then other people use this uh past

488

00:18:21,990 --> 00:18:20,880

life where you go into a beautiful field

489

00:18:24,390 --> 00:18:22,000

and metal

490

00:18:26,310 --> 00:18:24,400

and there they walk along the river and

491

00:18:27,990 --> 00:18:26,320

there's a bridge you go onto the bridge

492

00:18:29,830 --> 00:18:28,000

you set your intent you go over the

493

00:18:31,830 --> 00:18:29,840

bridge and there you are you're in

494

00:18:34,950 --> 00:18:31,840

another lifetime

495

00:18:38,230 --> 00:18:34,960

or um another popular one is where you

496

00:18:41,190 --> 00:18:38,240

go same beautiful place you go towards a

497

00:18:42,470 --> 00:18:41,200

mountain and there is a

498

00:18:44,789 --> 00:18:42,480

cave you

499

00:18:46,950 --> 00:18:44,799

set your intent where you want to go and

500

00:18:48,950 --> 00:18:46,960

you're going through or there is one

501
00:18:52,070 --> 00:18:48,960
where you go reverse

502
00:18:54,789 --> 00:18:52,080
um progression from where you are now

503
00:18:56,789 --> 00:18:54,799
and you are counting forward to the time

504
00:18:59,750 --> 00:18:56,799
you die and then you're going into the

505
00:19:02,310 --> 00:18:59,760
next life or from the time you uh were

506
00:19:04,390 --> 00:19:02,320
born going up and then going back down

507
00:19:06,950 --> 00:19:04,400
in the life before that that's a

508
00:19:10,310 --> 00:19:06,960
possibility too what i like to do

509
00:19:12,630 --> 00:19:10,320
personally is a little bit different and

510
00:19:13,830 --> 00:19:12,640
it can be done while just normally

511
00:19:16,070 --> 00:19:13,840
sitting

512
00:19:17,909 --> 00:19:16,080
and um i

513
00:19:19,110 --> 00:19:17,919

work with a gold light for protection

514

00:19:20,870 --> 00:19:19,120

first

515

00:19:22,870 --> 00:19:20,880

then i let them go into their inner

516

00:19:25,830 --> 00:19:22,880

house which is a tool as an inner house

517

00:19:27,830 --> 00:19:25,840

represents who we are and then we go

518

00:19:29,350 --> 00:19:27,840

into the ethics which is the place of

519

00:19:31,669 --> 00:19:29,360

how we think and the seed of the soul

520

00:19:34,870 --> 00:19:31,679

the third eye center then there we lay

521

00:19:37,190 --> 00:19:34,880

down again to another face of relaxation

522

00:19:38,470 --> 00:19:37,200

and envision a golden strand going

523

00:19:40,230 --> 00:19:38,480

through the head

524

00:19:42,150 --> 00:19:40,240

all the way through the roof all the way

525

00:19:45,510 --> 00:19:42,160

into the dimensions and all the way up

526
00:19:48,789 --> 00:19:45,520
there until we see many golden strands

527
00:19:51,669 --> 00:19:48,799
like roots are in from a tree going into

528
00:19:53,590 --> 00:19:51,679
the earth but we're going upwards and

529
00:19:54,470 --> 00:19:53,600
then when we see the golden strings we

530
00:19:57,190 --> 00:19:54,480
are

531
00:19:59,029 --> 00:19:57,200
setting an intent and say let's say

532
00:20:01,270 --> 00:19:59,039
i want to go to the time and space when

533
00:20:03,270 --> 00:20:01,280
i was adopted or i want to go into a

534
00:20:05,669 --> 00:20:03,280
timer space where i was in rome or i

535
00:20:06,710 --> 00:20:05,679
want to go into the time and space where

536
00:20:09,270 --> 00:20:06,720
a new

537
00:20:11,430 --> 00:20:09,280
euler structure or i want to go into a

538
00:20:13,830 --> 00:20:11,440

time and space where i knew this person

539

00:20:16,470 --> 00:20:13,840

or that person and then we are sailing

540

00:20:20,230 --> 00:20:16,480

down like a little spider on a golden

541

00:20:22,710 --> 00:20:20,240

strand and um go into the body conjoin

542

00:20:25,110 --> 00:20:22,720

that body with our consciousness

543

00:20:27,190 --> 00:20:25,120

into the other soul self consciousness

544

00:20:29,190 --> 00:20:27,200

and time and space because to me time

545

00:20:30,630 --> 00:20:29,200

and space doesn't really exist so we

546

00:20:32,230 --> 00:20:30,640

stay down

547

00:20:34,549 --> 00:20:32,240

and then we go into the feed first

548

00:20:37,270 --> 00:20:34,559

because the first thing to ground

549

00:20:40,310 --> 00:20:37,280

yourself into that other body is through

550

00:20:43,430 --> 00:20:40,320

their feet and then ask male female feet

551
00:20:46,630 --> 00:20:43,440
shoes or no shoes on skin tone and so on

552
00:20:49,669 --> 00:20:46,640
to tune into more into the body

553
00:20:51,750 --> 00:20:49,679
sensations of the other soul self their

554
00:20:55,110 --> 00:20:51,760
in time and space and then looking

555
00:20:57,830 --> 00:20:55,120
around inside outside where are we is

556
00:21:00,310 --> 00:20:57,840
there somebody else around and to slowly

557
00:21:02,310 --> 00:21:00,320
accustom the person to see through the

558
00:21:04,549 --> 00:21:02,320
other party's eyes and then we go from

559
00:21:06,710 --> 00:21:04,559
there according because time and space

560
00:21:09,350 --> 00:21:06,720
doesn't really exist also as we are just

561
00:21:12,390 --> 00:21:09,360
a guest in that other life

562
00:21:13,830 --> 00:21:12,400
yeah we can merge really severely or we

563
00:21:16,549 --> 00:21:13,840

can just

564

00:21:19,510 --> 00:21:16,559

watch or we can participate but we are

565

00:21:22,549 --> 00:21:19,520

always joining the other soul self

566

00:21:24,470 --> 00:21:22,559

here in the third eye center but because

567

00:21:27,029 --> 00:21:24,480

of that we can we are not bound to the

568

00:21:28,549 --> 00:21:27,039

time and space we can go fast forward or

569

00:21:31,190 --> 00:21:28,559

backward

570

00:21:33,590 --> 00:21:31,200

and what we also can do is one of my

571

00:21:35,909 --> 00:21:33,600

specialties we can heal

572

00:21:37,270 --> 00:21:35,919

past lives let's see if somebody's

573

00:21:38,870 --> 00:21:37,280

prosecuted

574

00:21:41,830 --> 00:21:38,880

we

575

00:21:45,029 --> 00:21:41,840

change the imprint of that parameter in

576

00:21:47,430 --> 00:21:45,039

that life to make it better if it's

577

00:21:49,029 --> 00:21:47,440

permission if there's an allowance and a

578

00:21:51,029 --> 00:21:49,039

permission to do so

579

00:21:52,070 --> 00:21:51,039

it's a destiny event you cannot change

580

00:21:54,230 --> 00:21:52,080

anything

581

00:21:56,789 --> 00:21:54,240

but what happens is that

582

00:21:59,909 --> 00:21:56,799

when we have one reality we can uplink

583

00:22:02,149 --> 00:21:59,919

to a higher version of that reality yeah

584

00:22:04,149 --> 00:22:02,159

so when we are here before and it was a

585

00:22:07,510 --> 00:22:04,159

dramatic experience we can go a little

586

00:22:10,310 --> 00:22:07,520

bit higher up and come not from from a

587

00:22:12,950 --> 00:22:10,320

place of drama anymore so we are healing

588

00:22:15,270 --> 00:22:12,960

the drama in that past life

589

00:22:16,789 --> 00:22:15,280

and that can cause a ripple effect

590

00:22:17,750 --> 00:22:16,799

through their whole

591

00:22:20,710 --> 00:22:17,760

um

592

00:22:23,350 --> 00:22:20,720

many lifetimes where we have a theme

593

00:22:25,909 --> 00:22:23,360

let's say you have a theme of drowning

594

00:22:29,110 --> 00:22:25,919

and in this lifetime you didn't have any

595

00:22:31,590 --> 00:22:29,120

incidents about drowning but you are so

596

00:22:33,990 --> 00:22:31,600

scared the boat would topple over you

597

00:22:37,029 --> 00:22:34,000

are so scared that you're you know

598

00:22:39,190 --> 00:22:37,039

drowned so then we can check into the

599

00:22:42,070 --> 00:22:39,200

parameters of other lives where that

600

00:22:44,149 --> 00:22:42,080

happened and can make the person feel

601
00:22:45,909 --> 00:22:44,159
better or stay with them while they're

602
00:22:48,390 --> 00:22:45,919
drowning or or

603
00:22:51,110 --> 00:22:48,400
to make them feel not alone so we can

604
00:22:54,310 --> 00:22:51,120
take an active part of betterment

605
00:22:57,430 --> 00:22:54,320
in that other lifetime and therefore

606
00:22:59,590 --> 00:22:57,440
take the imprint out of the drama in

607
00:23:01,350 --> 00:22:59,600
their life

608
00:23:02,870 --> 00:23:01,360
interesting now folks if you have

609
00:23:04,950 --> 00:23:02,880
questions please

610
00:23:06,710 --> 00:23:04,960
please post them up on the the chat and

611
00:23:08,710 --> 00:23:06,720
uh bill and

612
00:23:09,510 --> 00:23:08,720
vincent will put them up there

613
00:23:11,830 --> 00:23:09,520

um

614

00:23:14,470 --> 00:23:11,840

you mentioned go ahead claudia go ahead

615

00:23:16,710 --> 00:23:14,480

i just wanted to say in uh the adoption

616

00:23:20,310 --> 00:23:16,720

cases very similar

617

00:23:22,789 --> 00:23:20,320

first we need to go over the barrier a

618

00:23:24,870 --> 00:23:22,799

lot of times when people got abducted

619

00:23:27,029 --> 00:23:24,880

they have a mind vibe they don't

620

00:23:28,549 --> 00:23:27,039

remember they have an uneasy feeling

621

00:23:30,390 --> 00:23:28,559

about certain things but they don't

622

00:23:32,470 --> 00:23:30,400

remember it is very common this

623

00:23:34,710 --> 00:23:32,480

mind-wipe scenario

624

00:23:37,909 --> 00:23:34,720

and then we have to overcome

625

00:23:41,990 --> 00:23:37,919

what would make the client feel safe

626

00:23:44,149 --> 00:23:42,000

enough to look at things without fear

627

00:23:46,950 --> 00:23:44,159

yeah we have to again go into a

628

00:23:49,110 --> 00:23:46,960

protective mode and then we can see what

629

00:23:51,669 --> 00:23:49,120

is done and then we can understand what

630

00:23:54,710 --> 00:23:51,679

is done and with that knowledge we don't

631

00:23:57,110 --> 00:23:54,720

have to necessarily fear because we can

632

00:24:00,630 --> 00:23:57,120

go with different receptors

633

00:24:03,029 --> 00:24:00,640

of our mind or our body sensations

634

00:24:06,950 --> 00:24:03,039

into the scenario and we can take our

635

00:24:08,070 --> 00:24:06,960

power back it was a violational scenario

636

00:24:10,710 --> 00:24:08,080

where

637

00:24:13,590 --> 00:24:10,720

let's say aliens and mutilated something

638

00:24:16,950 --> 00:24:13,600

or i no i have one client she

639

00:24:19,590 --> 00:24:16,960

uh her ex got taken and she has kids out

640

00:24:22,549 --> 00:24:19,600

there in space and she

641

00:24:24,070 --> 00:24:22,559

had scars from that

642

00:24:25,590 --> 00:24:24,080

mutilation

643

00:24:27,430 --> 00:24:25,600

then

644

00:24:29,669 --> 00:24:27,440

of course you might not

645

00:24:32,950 --> 00:24:29,679

want to look at herself being violated

646

00:24:35,430 --> 00:24:32,960

but again power is stolen at that moment

647

00:24:38,549 --> 00:24:35,440

and so we can make it that we can take

648

00:24:40,630 --> 00:24:38,559

the power back from that scenario

649

00:24:42,870 --> 00:24:40,640

now you had mentioned to me before the

650

00:24:44,630 --> 00:24:42,880

show something i didn't know though i

651
00:24:46,149 --> 00:24:44,640
don't know how i would have known is

652
00:24:47,510 --> 00:24:46,159
that you were abducted when you were a

653
00:24:50,230 --> 00:24:47,520
child

654
00:24:52,950 --> 00:24:50,240
yes several times and

655
00:24:55,830 --> 00:24:52,960
um one of the times it was by very

656
00:24:57,430 --> 00:24:55,840
beneficial beings who wanted to ensure

657
00:24:59,029 --> 00:24:57,440
that i would make it on this planet

658
00:25:01,190 --> 00:24:59,039
earth because i came from a higher

659
00:25:04,310 --> 00:25:01,200
region and it was not guaranteed that i

660
00:25:06,950 --> 00:25:04,320
was a perfect fit soul to body

661
00:25:08,630 --> 00:25:06,960
and so they had to change my blood and

662
00:25:12,230 --> 00:25:08,640
cleanse and clear it so that i could

663
00:25:15,990 --> 00:25:12,240

continue uh to exist on this earth plane

664

00:25:20,710 --> 00:25:18,470

i remember exactly their new year's

665

00:25:22,789 --> 00:25:20,720

night when it happened i remember that

666

00:25:25,430 --> 00:25:22,799

my mom could not um

667

00:25:26,710 --> 00:25:25,440

shake me i that was just in the moment

668

00:25:27,830 --> 00:25:26,720

when i was

669

00:25:30,630 --> 00:25:27,840

left up

670

00:25:32,230 --> 00:25:30,640

lifted up and she felt something going

671

00:25:34,549 --> 00:25:32,240

on in the room but she didn't know

672

00:25:37,830 --> 00:25:34,559

exactly what it was so my first my

673

00:25:39,990 --> 00:25:37,840

spirit body was uplifted and then later

674

00:25:42,390 --> 00:25:40,000

when everybody was celebrating loudly

675

00:25:45,990 --> 00:25:42,400

outside my physical body was uplifted

676
00:25:47,669 --> 00:25:46,000
too because i have to this day scars too

677
00:25:48,789 --> 00:25:47,679
and that's when they were explaining to

678
00:25:50,230 --> 00:25:48,799
me but they were nice they were

679
00:25:52,149 --> 00:25:50,240
explaining to me what they were doing

680
00:25:53,029 --> 00:25:52,159
and why they were doing it

681
00:25:58,950 --> 00:25:53,039
in

682
00:26:00,470 --> 00:25:58,960
i had this itchy scar it was just like

683
00:26:02,070 --> 00:26:00,480
didn't leave me alone and then the

684
00:26:04,149 --> 00:26:02,080
memories came back

685
00:26:06,310 --> 00:26:04,159
because i asked them not to mind write

686
00:26:07,590 --> 00:26:06,320
me that i would remember

687
00:26:09,590 --> 00:26:07,600
what it was

688
00:26:11,590 --> 00:26:09,600

and then but sometimes when we have

689

00:26:13,590 --> 00:26:11,600

these memories we think we are crazy we

690

00:26:15,830 --> 00:26:13,600

are nuts that's weird

691

00:26:18,230 --> 00:26:15,840

so my guiding ones always say seeing as

692

00:26:20,630 --> 00:26:18,240

believing confirmation comes to practice

693

00:26:23,350 --> 00:26:20,640

and they guide me to books where i can

694

00:26:26,230 --> 00:26:23,360

get validation to my

695

00:26:28,470 --> 00:26:26,240

weird experiences out extraordinary

696

00:26:31,190 --> 00:26:28,480

experience or whatnot

697

00:26:33,269 --> 00:26:31,200

so in germany um i got a book called

698

00:26:35,830 --> 00:26:33,279

from jan von helsing

699

00:26:38,870 --> 00:26:35,840

that's a synonym for an author and he

700

00:26:40,390 --> 00:26:38,880

had a lot to do with ufos abductions

701
00:26:42,710 --> 00:26:40,400
and

702
00:26:44,950 --> 00:26:42,720
in this book he describes the story of a

703
00:26:46,230 --> 00:26:44,960
young couple and they were taken many

704
00:26:47,190 --> 00:26:46,240
many times

705
00:26:50,630 --> 00:26:47,200
and

706
00:26:53,990 --> 00:26:50,640
they found out in a group setting that

707
00:26:56,870 --> 00:26:54,000
the male abductees had all a mark on

708
00:27:00,230 --> 00:26:56,880
their thigh upper thigh and uh i think

709
00:27:02,149 --> 00:27:00,240
right side and the women had all a mark

710
00:27:04,149 --> 00:27:02,159
on their left

711
00:27:07,669 --> 00:27:04,159
lower leg

712
00:27:10,149 --> 00:27:07,679
and it was shown in a picture

713
00:27:12,470 --> 00:27:10,159

and coincidentally it was exactly the

714

00:27:14,149 --> 00:27:12,480

same mark and exactly the same spot and

715

00:27:16,230 --> 00:27:14,159

when i opened the book

716

00:27:18,310 --> 00:27:16,240

i just came to that picture so i said

717

00:27:20,710 --> 00:27:18,320

okay this was really real

718

00:27:22,789 --> 00:27:20,720

i didn't dream it i didn't just make it

719

00:27:24,789 --> 00:27:22,799

up it wasn't for me a kind of

720

00:27:26,310 --> 00:27:24,799

confirmation and this is how my guides

721

00:27:28,389 --> 00:27:26,320

work with me

722

00:27:30,389 --> 00:27:28,399

when i have a question or when they

723

00:27:33,110 --> 00:27:30,399

teach me about something

724

00:27:35,830 --> 00:27:33,120

because they're not physical beings who

725

00:27:38,310 --> 00:27:35,840

teach me they're spirit beings

726

00:27:40,230 --> 00:27:38,320

so how can i have validation

727

00:27:41,750 --> 00:27:40,240

right they teach me something and then

728

00:27:43,269 --> 00:27:41,760

they lead me to books where it's

729

00:27:45,750 --> 00:27:43,279

described or

730

00:27:47,830 --> 00:27:45,760

have people confirm it for me or such

731

00:27:49,510 --> 00:27:47,840

things and that was one of the incidents

732

00:27:52,310 --> 00:27:49,520

another one was

733

00:27:54,710 --> 00:27:52,320

um not so pretty

734

00:27:57,269 --> 00:27:54,720

these abductions were not so much

735

00:27:58,950 --> 00:27:57,279

abductions but more um other lifetimes

736

00:28:00,470 --> 00:27:58,960

on different ships

737

00:28:02,950 --> 00:28:00,480

um

738

00:28:05,110 --> 00:28:02,960

one abduction i hopped them off the

739

00:28:08,310 --> 00:28:05,120

table and asked my guys for help they

740

00:28:11,029 --> 00:28:08,320

were not friendly and i got just really

741

00:28:14,389 --> 00:28:11,039

swooped up in another kind of

742

00:28:17,669 --> 00:28:14,399

uh energy vibration up and down and

743

00:28:19,350 --> 00:28:17,679

brought back to my body and the harmful

744

00:28:21,990 --> 00:28:19,360

aliens couldn't really do anything so we

745

00:28:23,590 --> 00:28:22,000

have light and dark in all levels not

746

00:28:25,750 --> 00:28:23,600

everything up there is good not

747

00:28:26,789 --> 00:28:25,760

everything up there is bad

748

00:28:28,310 --> 00:28:26,799

i agree

749

00:28:30,149 --> 00:28:28,320

you know we got we got a question from

750

00:28:31,510 --> 00:28:30,159

vincent which goes ties right into this

751
00:28:34,310 --> 00:28:31,520
can you um

752
00:28:36,149 --> 00:28:34,320
can you be abducted out of body

753
00:28:38,470 --> 00:28:36,159
yes absolutely that's what i was just

754
00:28:40,389 --> 00:28:38,480
explaining it took the spirit body and

755
00:28:42,070 --> 00:28:40,399
then i took the physical body but

756
00:28:45,110 --> 00:28:42,080
absolutely yes

757
00:28:47,590 --> 00:28:45,120
the energy body that what you are can be

758
00:28:49,669 --> 00:28:47,600
or uplifted out of this physical form

759
00:28:51,750 --> 00:28:49,679
absolutely yes yes

760
00:28:53,350 --> 00:28:51,760
and we got a question blue cross bros do

761
00:28:56,310 --> 00:28:53,360
you use any specific crystals for

762
00:28:57,269 --> 00:28:56,320
cleansing during a reiki session

763
00:28:59,269 --> 00:28:57,279

um

764

00:29:03,830 --> 00:28:59,279

i do not have to cleanse through a

765

00:29:06,549 --> 00:29:03,840

reading session but i use uh crystals

766

00:29:09,110 --> 00:29:06,559

after sometimes if it is a clearing if i

767

00:29:11,430 --> 00:29:09,120

do a clearing from a demonic being so i

768

00:29:12,950 --> 00:29:11,440

cleanse my space mostly i'm using

769

00:29:16,149 --> 00:29:12,960

frankincense

770

00:29:18,630 --> 00:29:16,159

and then i use a clear quartz crystals

771

00:29:21,830 --> 00:29:18,640

but of course not a cluster but a wand

772

00:29:24,149 --> 00:29:21,840

and um i sometimes use tachyon crystals

773

00:29:26,310 --> 00:29:24,159

too give me a moment okay

774

00:29:29,830 --> 00:29:26,320

because i have them under my feet for

775

00:29:32,149 --> 00:29:29,840

grounding yeah these are created ones

776

00:29:33,269 --> 00:29:32,159

and uh they're imbued with tachyon

777

00:29:34,710 --> 00:29:33,279

energy

778

00:29:38,070 --> 00:29:34,720

um

779

00:29:40,149 --> 00:29:38,080

and i just use them under my feet to

780

00:29:41,269 --> 00:29:40,159

ground me but also to clear my space

781

00:29:44,070 --> 00:29:41,279

above

782

00:29:46,549 --> 00:29:44,080

so ultimately i don't have to sing much

783

00:29:48,710 --> 00:29:46,559

because these guys i programmed for that

784

00:29:50,310 --> 00:29:48,720

purpose and he's talking what are

785

00:29:51,350 --> 00:29:50,320

perfect for that

786

00:29:53,110 --> 00:29:51,360

interesting

787

00:29:54,549 --> 00:29:53,120

you know you talked about frankincense i

788

00:29:56,789 --> 00:29:54,559

use a lot of frankincense when i'm

789

00:29:58,789 --> 00:29:56,799

working uh you know somebody told me a

790

00:30:00,630 --> 00:29:58,799

long time ago you know if you want to

791

00:30:02,950 --> 00:30:00,640

clear things out just start burning

792

00:30:03,750 --> 00:30:02,960

frankincense or you know the resin and

793

00:30:05,909 --> 00:30:03,760

uh

794

00:30:08,870 --> 00:30:05,919

yeah it does seem to help i've used it

795

00:30:09,750 --> 00:30:08,880

many times in the past

796

00:30:10,710 --> 00:30:09,760

yes

797

00:30:13,110 --> 00:30:10,720

go ahead

798

00:30:14,549 --> 00:30:13,120

no i just say that the catholic church

799

00:30:16,310 --> 00:30:14,559

knew what they were doing when they're

800

00:30:18,630 --> 00:30:16,320

using friends frankincense and myrrh

801
00:30:21,269 --> 00:30:18,640
because it really translucent transforms

802
00:30:23,110 --> 00:30:21,279
or low vibrations and darker spirits

803
00:30:25,269 --> 00:30:23,120
really don't like it

804
00:30:27,190 --> 00:30:25,279
no they don't they really don't and it's

805
00:30:29,190 --> 00:30:27,200
one of the first things i tell people

806
00:30:31,190 --> 00:30:29,200
when they ask me can i do something to

807
00:30:34,389 --> 00:30:31,200
kind of

808
00:30:36,389 --> 00:30:34,399
make the energy better around man i said

809
00:30:39,190 --> 00:30:36,399
first thing i tell them is burn

810
00:30:41,190 --> 00:30:39,200
frankincense that's you know it it seems

811
00:30:42,630 --> 00:30:41,200
to move things around

812
00:30:45,990 --> 00:30:42,640
in the positive

813
00:30:47,909 --> 00:30:46,000

uh i also like using lavender as well uh

814

00:30:49,510 --> 00:30:47,919

for some reason and you and i have

815

00:30:52,549 --> 00:30:49,520

talked about this in class you know

816

00:30:54,310 --> 00:30:52,559

about lavender uh and me in colors and

817

00:30:56,470 --> 00:30:54,320

such and uh

818

00:30:58,710 --> 00:30:56,480

yeah lavender seems to be the color that

819

00:31:01,669 --> 00:30:58,720

i most respond to but the actual

820

00:31:03,110 --> 00:31:01,679

essential oil and senses the scent

821

00:31:06,149 --> 00:31:03,120

itself

822

00:31:07,190 --> 00:31:06,159

is just is really works positive with me

823

00:31:08,710 --> 00:31:07,200

and uh

824

00:31:10,549 --> 00:31:08,720

you know i have i've talked to other

825

00:31:11,669 --> 00:31:10,559

people who said the same thing that

826
00:31:17,509 --> 00:31:11,679
certain

827
00:31:18,549 --> 00:31:17,519
do tend to have uh a balancing effect on

828
00:31:21,909 --> 00:31:18,559
them

829
00:31:22,950 --> 00:31:21,919
yes my therapy can be very powerful

830
00:31:25,269 --> 00:31:22,960
um

831
00:31:27,990 --> 00:31:25,279
for me personally i'm using frankincense

832
00:31:30,230 --> 00:31:28,000
in between healing sessions so i do not

833
00:31:32,630 --> 00:31:30,240
project my personal energy onto the

834
00:31:35,509 --> 00:31:32,640
client so i will put three drops of

835
00:31:38,070 --> 00:31:35,519
frankincense aromatherapy all on my hand

836
00:31:39,029 --> 00:31:38,080
and then just cleaning my energy system

837
00:31:40,630 --> 00:31:39,039
with it

838
00:31:43,430 --> 00:31:40,640

um and

839

00:31:45,350 --> 00:31:43,440

put some more before i energetically put

840

00:31:48,630 --> 00:31:45,360

my hands over or

841

00:31:51,669 --> 00:31:48,640

onto the person's body or even when i do

842

00:31:54,070 --> 00:31:51,679

long distance uh healing over the photo

843

00:31:57,029 --> 00:31:54,080

so that my there's a barrier of

844

00:31:58,870 --> 00:31:57,039

cleansing between the divine energy i'm

845

00:32:00,630 --> 00:31:58,880

not saying that i have bad energy but i

846

00:32:03,350 --> 00:32:00,640

do not want to

847

00:32:06,630 --> 00:32:03,360

and boo any of my daily stuff onto the

848

00:32:09,430 --> 00:32:06,640

clients so i'm always saying not me just

849

00:32:11,590 --> 00:32:09,440

the divine follow slow here

850

00:32:13,909 --> 00:32:11,600

you know another thing i get asked a lot

851
00:32:15,509 --> 00:32:13,919
is and you touched on earlier and we we

852
00:32:17,029 --> 00:32:15,519
really emphasized this in the beginning

853
00:32:19,750 --> 00:32:17,039
of our classes

854
00:32:20,710 --> 00:32:19,760
was um surrounding yourself in golden

855
00:32:23,190 --> 00:32:20,720
light

856
00:32:24,950 --> 00:32:23,200
and uh detecting your your auras can you

857
00:32:27,509 --> 00:32:24,960
kind of go into that a bit

858
00:32:29,830 --> 00:32:27,519
sure um that's the first thing i teach

859
00:32:31,909 --> 00:32:29,840
in my fast tractorial psychic abilities

860
00:32:34,310 --> 00:32:31,919
class because protection is everything

861
00:32:36,870 --> 00:32:34,320
as we discussed with the little kids if

862
00:32:39,430 --> 00:32:36,880
every parent would teach their child the

863
00:32:41,669 --> 00:32:39,440

golden light meditation we had he would

864

00:32:43,269 --> 00:32:41,679

have way more protected and way more

865

00:32:45,350 --> 00:32:43,279

balanced children

866

00:32:47,990 --> 00:32:45,360

and they wouldn't easily be violent

867

00:32:50,470 --> 00:32:48,000

because low vibrational energy cannot

868

00:32:52,310 --> 00:32:50,480

penetrate this golden shield so

869

00:32:54,230 --> 00:32:52,320

ultimately you envision a golden sun

870

00:32:56,789 --> 00:32:54,240

over your head which is also gateway to

871

00:32:59,269 --> 00:32:56,799

your soul self to your divine energy

872

00:33:01,750 --> 00:32:59,279

because golden light um

873

00:33:03,909 --> 00:33:01,760

energy can be seen with enlightened

874

00:33:05,590 --> 00:33:03,919

people and also

875

00:33:08,310 --> 00:33:05,600

that's why saints are painted with a

876

00:33:09,909 --> 00:33:08,320

golden halo not for nothing because even

877

00:33:12,549 --> 00:33:09,919

non-clairvoyant people could see the

878

00:33:14,149 --> 00:33:12,559

borden glow over the people's head and

879

00:33:17,269 --> 00:33:14,159

then when you have it as a shield it

880

00:33:19,110 --> 00:33:17,279

works like a burning lower frequencies

881

00:33:20,789 --> 00:33:19,120

off

882

00:33:21,669 --> 00:33:20,799

but i think there was a question coming

883

00:33:25,269 --> 00:33:21,679

in

884

00:33:29,029 --> 00:33:25,279

now that was uh that pulled oh okay

885

00:33:30,630 --> 00:33:29,039

well then um very easily done and i uh

886

00:33:32,549 --> 00:33:30,640

that was the first

887

00:33:33,430 --> 00:33:32,559

exercise i had to do

888

00:33:35,830 --> 00:33:33,440

when

889

00:33:37,909 --> 00:33:35,840

my guiding once taught me in the very

890

00:33:40,470 --> 00:33:37,919

early days in germany i worked for an

891

00:33:41,269 --> 00:33:40,480

american consultancy company and i had

892

00:33:43,830 --> 00:33:41,279

to

893

00:33:45,990 --> 00:33:43,840

drive for an hour and a half with the

894

00:33:48,710 --> 00:33:46,000

underground to my workplace for my

895

00:33:50,870 --> 00:33:48,720

living space and in the morning i was

896

00:33:53,029 --> 00:33:50,880

waking up happy and by the time i came

897

00:33:55,669 --> 00:33:53,039

to the workspace i could have killed

898

00:33:56,710 --> 00:33:55,679

somebody i was just like as an empath i

899

00:33:58,789 --> 00:33:56,720

was just

900

00:34:01,669 --> 00:33:58,799

funneling all the energy in from other

901
00:34:04,149 --> 00:34:01,679
people's thoughts feelings emotions

902
00:34:06,950 --> 00:34:04,159
aggression of being sitting tight and so

903
00:34:08,470 --> 00:34:06,960
on so that's when i asked what can i do

904
00:34:11,990 --> 00:34:08,480
and that's when they gave me this golden

905
00:34:14,069 --> 00:34:12,000
light meditation so i had to do 28 days

906
00:34:16,550 --> 00:34:14,079
envision the golden sun over my head one

907
00:34:19,430 --> 00:34:16,560
way going through my whole being

908
00:34:20,869 --> 00:34:19,440
uh head to toe and cleansing clearing

909
00:34:23,030 --> 00:34:20,879
everything into mother earth for

910
00:34:23,829 --> 00:34:23,040
recycling and then bring it out from the

911
00:34:26,550 --> 00:34:23,839
heart

912
00:34:29,669 --> 00:34:26,560
into the auric energy field filling the

913
00:34:32,069 --> 00:34:29,679

aura field up like a golden sun itself

914

00:34:35,909 --> 00:34:32,079

and then condensing it to the bone ring

915

00:34:37,589 --> 00:34:35,919

of fire to have this uh envisionment in

916

00:34:39,990 --> 00:34:37,599

the beginning i didn't believe in

917

00:34:42,230 --> 00:34:40,000

envision and i thought how can a thought

918

00:34:44,149 --> 00:34:42,240

create a form

919

00:34:46,869 --> 00:34:44,159

and they said try it out and you will

920

00:34:49,030 --> 00:34:46,879

see so seeing is believing they always

921

00:34:51,510 --> 00:34:49,040

went by that mantra so i did and it

922

00:34:53,510 --> 00:34:51,520

worked the first time i did it i felt so

923

00:34:55,030 --> 00:34:53,520

empty because my thoughts which i

924

00:34:58,550 --> 00:34:55,040

thought were my thoughts were not even

925

00:35:01,190 --> 00:34:58,560

mine and also in the body i felt so

926

00:35:03,349 --> 00:35:01,200

spacey because i wasn't you know

927

00:35:04,390 --> 00:35:03,359

pressured by other people's emotions and

928

00:35:06,790 --> 00:35:04,400

feelings

929

00:35:08,870 --> 00:35:06,800

i can only highly recommend to do that

930

00:35:11,270 --> 00:35:08,880

sort of thing if you feel stressed at

931

00:35:13,349 --> 00:35:11,280

work or you have you know low

932

00:35:14,069 --> 00:35:13,359

vibrational people around you to you

933

00:35:17,430 --> 00:35:14,079

just

934

00:35:18,630 --> 00:35:17,440

clean your space was this

935

00:35:20,310 --> 00:35:18,640

yeah you know

936

00:35:21,030 --> 00:35:20,320

it's funny i um

937

00:35:22,470 --> 00:35:21,040

and

938

00:35:24,790 --> 00:35:22,480

this is something i mentioned i don't

939

00:35:27,190 --> 00:35:24,800

know if i mentioned to you or not but um

940

00:35:29,270 --> 00:35:27,200

i have mentioned it before that being in

941

00:35:31,750 --> 00:35:29,280

intuitives um

942

00:35:33,750 --> 00:35:31,760

we get a lot of these energies that

943

00:35:35,109 --> 00:35:33,760

tried to grab a hold of you try to get

944

00:35:35,990 --> 00:35:35,119

your attention

945

00:35:38,310 --> 00:35:36,000

uh

946

00:35:39,990 --> 00:35:38,320

earthbounds i guess for the most part

947

00:35:41,430 --> 00:35:40,000

they show you maybe their death state or

948

00:35:42,950 --> 00:35:41,440

they just try to get your attention to

949

00:35:45,190 --> 00:35:42,960

let you know they're there

950

00:35:46,950 --> 00:35:45,200

uh how do you take care of that i mean i

951
00:35:50,550 --> 00:35:46,960
know most of us get that

952
00:35:51,750 --> 00:35:50,560
but it's it can be troublesome many

953
00:35:53,510 --> 00:35:51,760
times

954
00:35:55,510 --> 00:35:53,520
uh specifically

955
00:35:58,470 --> 00:35:55,520
you know not in my personal space in my

956
00:36:00,470 --> 00:35:58,480
personal space i put buffer zones in

957
00:36:02,950 --> 00:36:00,480
so that low vibrational

958
00:36:05,670 --> 00:36:02,960
entities cannot even come close

959
00:36:07,910 --> 00:36:05,680
and i do that in three layers i put some

960
00:36:10,230 --> 00:36:07,920
room stuff up so i'm my house is

961
00:36:11,349 --> 00:36:10,240
perfectly safe but

962
00:36:13,190 --> 00:36:11,359
um

963
00:36:15,510 --> 00:36:13,200

when i'm going into

964

00:36:17,589 --> 00:36:15,520

a hotel and i have been somebody dying

965

00:36:19,990 --> 00:36:17,599

and they're earthbound that can be some

966

00:36:22,470 --> 00:36:20,000

bothersome because they're not you know

967

00:36:23,349 --> 00:36:22,480

come on let me in let me you know talk

968

00:36:26,470 --> 00:36:23,359

to me

969

00:36:28,550 --> 00:36:26,480

or i um remember one incident

970

00:36:31,190 --> 00:36:28,560

when i was learning um

971

00:36:33,589 --> 00:36:31,200

for that consultancy group

972

00:36:35,910 --> 00:36:33,599

a guy died three

973

00:36:39,190 --> 00:36:35,920

three streets down and my boyfriend at

974

00:36:41,430 --> 00:36:39,200

the time was also very um clairvoyant so

975

00:36:43,190 --> 00:36:41,440

this guy showed up we see him right and

976
00:36:45,030 --> 00:36:43,200
he said what are you doing here and he

977
00:36:47,030 --> 00:36:45,040
said well

978
00:36:49,270 --> 00:36:47,040
you can see me

979
00:36:52,550 --> 00:36:49,280
yeah sure we can see you

980
00:36:55,030 --> 00:36:52,560
well he said everybody is dumb nobody

981
00:36:56,870 --> 00:36:55,040
can see and hear me anymore and i

982
00:36:59,349 --> 00:36:56,880
thought oh okay

983
00:37:02,150 --> 00:36:59,359
so he's not aware that he's dead right

984
00:37:03,829 --> 00:37:02,160
so i asked him where are you from and i

985
00:37:06,390 --> 00:37:03,839
asked for the name and address so we

986
00:37:08,230 --> 00:37:06,400
went over there and he was so upset that

987
00:37:11,030 --> 00:37:08,240
uh other people were living in a space

988
00:37:12,870 --> 00:37:11,040

now and so on but he became really nasty

989

00:37:15,349 --> 00:37:12,880

so what do you do you really have to

990

00:37:17,510 --> 00:37:15,359

open up a gateway of golden light and

991

00:37:19,990 --> 00:37:17,520

push them in and ask her the angelic

992

00:37:22,390 --> 00:37:20,000

beings to help them bring them to the

993

00:37:24,630 --> 00:37:22,400

higher self so um

994

00:37:26,390 --> 00:37:24,640

or to the higher region where they can

995

00:37:29,109 --> 00:37:26,400

be at peace

996

00:37:31,510 --> 00:37:29,119

it depends on how nasty these are

997

00:37:33,670 --> 00:37:31,520

earthbound spirits are some are really

998

00:37:36,150 --> 00:37:33,680

lost just you know like this guy he

999

00:37:37,670 --> 00:37:36,160

wasn't even aware that he was that

1000

00:37:40,069 --> 00:37:37,680

because he was so

1001
00:37:42,230 --> 00:37:40,079
non-believing and you know artistic not

1002
00:37:43,990 --> 00:37:42,240
believing in anything and so the only

1003
00:37:45,270 --> 00:37:44,000
thing he knew was his place and all his

1004
00:37:47,030 --> 00:37:45,280
belongings

1005
00:37:48,870 --> 00:37:47,040
so that was a fairly easy one even

1006
00:37:50,550 --> 00:37:48,880
though he threw some cushion at us and

1007
00:37:52,870 --> 00:37:50,560
that was

1008
00:37:55,670 --> 00:37:52,880
a little bit unnerving

1009
00:37:57,190 --> 00:37:55,680
well you know even when we do cases on

1010
00:38:00,069 --> 00:37:57,200
you gotta that's one of the first things

1011
00:38:02,310 --> 00:38:00,079
you got to determine

1012
00:38:03,589 --> 00:38:02,320
does this earthbound know that they're

1013
00:38:05,750 --> 00:38:03,599

dead

1014

00:38:06,710 --> 00:38:05,760

many times they don't realize it and

1015

00:38:09,270 --> 00:38:06,720

they're just trying to get your

1016

00:38:10,470 --> 00:38:09,280

attention and it causes issues

1017

00:38:12,630 --> 00:38:10,480

so you know

1018

00:38:14,630 --> 00:38:12,640

that's hard to explain to people i would

1019

00:38:16,069 --> 00:38:14,640

always engage first

1020

00:38:17,190 --> 00:38:16,079

um

1021

00:38:20,630 --> 00:38:17,200

who are you

1022

00:38:23,990 --> 00:38:20,640

what do you want why do you want it

1023

00:38:24,970 --> 00:38:24,000

and uh depending on what it says

1024

00:38:26,870 --> 00:38:24,980

then um

1025

00:38:29,270 --> 00:38:26,880

[Music]

1026

00:38:31,190 --> 00:38:29,280

do you need uh to have any information

1027

00:38:32,470 --> 00:38:31,200

related to somebody if that's not the

1028

00:38:34,069 --> 00:38:32,480

case and they just want to get your

1029

00:38:37,349 --> 00:38:34,079

attention to chat

1030

00:38:38,710 --> 00:38:37,359

or suck your energy dry then um

1031

00:38:40,950 --> 00:38:38,720

i would

1032

00:38:42,550 --> 00:38:40,960

claim my space and say you have no

1033

00:38:44,470 --> 00:38:42,560

business waking me up you have no

1034

00:38:47,829 --> 00:38:44,480

business doing it and really push them

1035

00:38:50,390 --> 00:38:47,839

out mentally and ask

1036

00:38:52,710 --> 00:38:50,400

in my case i asked archangel michael

1037

00:38:55,109 --> 00:38:52,720

gabriel and uriel to put them in the

1038

00:38:58,390 --> 00:38:55,119

golden bubble and take that

1039

00:39:01,829 --> 00:38:58,400

being or leftover entity away

1040

00:39:04,150 --> 00:39:01,839

to a higher place because or even demons

1041

00:39:06,230 --> 00:39:04,160

do not have the right to interfere with

1042

00:39:09,109 --> 00:39:06,240

your free will or interfere with your

1043

00:39:11,750 --> 00:39:09,119

life path that means when you're

1044

00:39:13,589 --> 00:39:11,760

um repeating you have no right to

1045

00:39:16,310 --> 00:39:13,599

interfere with me my free will in my red

1046

00:39:18,310 --> 00:39:16,320

path you know and so on so forth

1047

00:39:19,109 --> 00:39:18,320

they risk

1048

00:39:22,470 --> 00:39:19,119

the

1049

00:39:24,870 --> 00:39:22,480

possibility of being dispersed

1050

00:39:26,950 --> 00:39:24,880

and if they do not withdraw freely you

1051

00:39:28,470 --> 00:39:26,960

have the right to uh

1052

00:39:29,750 --> 00:39:28,480

reinforce them

1053

00:39:32,870 --> 00:39:29,760

and

1054

00:39:33,910 --> 00:39:32,880

make them go away in a more unfriendly

1055

00:39:36,710 --> 00:39:33,920

way

1056

00:39:37,670 --> 00:39:36,720

i work a lot with roman er energies that

1057

00:39:39,510 --> 00:39:37,680

means

1058

00:39:42,710 --> 00:39:39,520

one could say the wound gods even though

1059

00:39:45,910 --> 00:39:42,720

i'm also in a way working with jesus so

1060

00:39:47,589 --> 00:39:45,920

to me it's not a one or the other i work

1061

00:39:50,550 --> 00:39:47,599

with all there is because we're

1062

00:39:52,630 --> 00:39:50,560

interconnected and all there is

1063

00:39:56,150 --> 00:39:52,640

and um

1064

00:39:59,510 --> 00:39:56,160

i have one particular

1065

00:40:01,109 --> 00:39:59,520

rune which is two resets and i use that

1066

00:40:05,109 --> 00:40:01,119

to purify

1067

00:40:08,829 --> 00:40:05,119

that spirit

1068

00:40:12,710 --> 00:40:08,839

and um you know to disperse it

1069

00:40:14,710 --> 00:40:12,720

hmm you know one thing that i have uh

1070

00:40:15,589 --> 00:40:14,720

tried to explain to people in the past

1071

00:40:17,750 --> 00:40:15,599

and

1072

00:40:19,430 --> 00:40:17,760

it comes up with cases not necessarily

1073

00:40:21,430 --> 00:40:19,440

hauntings and such but

1074

00:40:23,190 --> 00:40:21,440

even with cryptids are

1075

00:40:24,470 --> 00:40:23,200

our fault forms and you talked about

1076

00:40:26,230 --> 00:40:24,480

thought forms

1077

00:40:28,470 --> 00:40:26,240

uh how the you know you know like

1078

00:40:30,470 --> 00:40:28,480

poltergeist or even thought forms uh how

1079

00:40:33,349 --> 00:40:30,480

the mind can generate

1080

00:40:34,550 --> 00:40:33,359

manifest these these energies these

1081

00:40:37,349 --> 00:40:34,560

entities

1082

00:40:39,270 --> 00:40:37,359

um can you give us a kind of an example

1083

00:40:42,309 --> 00:40:39,280

of a troublesome thought form that

1084

00:40:43,990 --> 00:40:42,319

you've ever encountered

1085

00:40:47,030 --> 00:40:44,000

yeah um

1086

00:40:49,510 --> 00:40:47,040

this young lady who i worked with on uh

1087

00:40:52,470 --> 00:40:49,520

for the haunting show to clear this

1088

00:40:56,470 --> 00:40:52,480

demon out of their family

1089

00:40:57,910 --> 00:40:56,480

um she attracted let's say like-minded

1090

00:41:00,710 --> 00:40:57,920

youngsters

1091

00:41:03,750 --> 00:41:00,720

who also have psychic abilities

1092

00:41:05,349 --> 00:41:03,760

and one of them um you know you get

1093

00:41:07,349 --> 00:41:05,359

attention a positive way you get

1094

00:41:08,710 --> 00:41:07,359

attention in a negative way

1095

00:41:10,950 --> 00:41:08,720

and this young

1096

00:41:12,630 --> 00:41:10,960

lady the other lady i was not working

1097

00:41:16,150 --> 00:41:12,640

with

1098

00:41:18,630 --> 00:41:16,160

her thoughts

1099

00:41:20,790 --> 00:41:18,640

and made things move

1100

00:41:23,510 --> 00:41:20,800

and she was inadvertently attracting to

1101

00:41:25,670 --> 00:41:23,520

crosses because you know she was taught

1102

00:41:28,309 --> 00:41:25,680

oh crossover pressure my crosses protect

1103

00:41:31,990 --> 00:41:30,710

found crosses everywhere

1104

00:41:34,390 --> 00:41:32,000

you know it's like

1105

00:41:35,990 --> 00:41:34,400

some people find for leaf clover she

1106

00:41:39,190 --> 00:41:36,000

found crosses

1107

00:41:42,069 --> 00:41:39,200

she found some which had been

1108

00:41:43,990 --> 00:41:42,079

uh prayed with in absolute desperation

1109

00:41:45,589 --> 00:41:44,000

and were carrying the low vibrational

1110

00:41:47,030 --> 00:41:45,599

energies because of it they were

1111

00:41:51,670 --> 00:41:47,040

anchored in these

1112

00:41:54,069 --> 00:41:51,680

you know crosses and beads so um she

1113

00:41:56,150 --> 00:41:54,079

she accumulated

1114

00:41:58,790 --> 00:41:56,160

that in herself

1115

00:41:59,589 --> 00:41:58,800

and then made things move

1116

00:42:04,950 --> 00:41:59,599

and

1117

00:42:07,030 --> 00:42:04,960

of help would break loose

1118

00:42:10,069 --> 00:42:07,040

and so when i looked at these two young

1119

00:42:11,750 --> 00:42:10,079

ladies with these tremendous gifts and

1120

00:42:14,630 --> 00:42:11,760

power of thought

1121

00:42:17,270 --> 00:42:14,640

and one was using it for

1122

00:42:19,349 --> 00:42:17,280

calming things down and sending things

1123

00:42:22,150 --> 00:42:19,359

into the higher region because i had

1124

00:42:24,390 --> 00:42:22,160

taught her and the other one was you

1125

00:42:27,270 --> 00:42:24,400

know like hey pay attention to me you

1126
00:42:29,510 --> 00:42:27,280
know and then spirits were walking to

1127
00:42:31,349 --> 00:42:29,520
her through her she became a living

1128
00:42:35,190 --> 00:42:31,359
walking porter

1129
00:42:40,390 --> 00:42:37,510
been through a shock experience that can

1130
00:42:42,790 --> 00:42:40,400
happen when a person has an accident and

1131
00:42:45,430 --> 00:42:42,800
they're energetically wide open split

1132
00:42:48,150 --> 00:42:45,440
open that something slips in

1133
00:42:49,829 --> 00:42:48,160
um it can happen after an operation

1134
00:42:52,390 --> 00:42:49,839
that's why i'm always telling people

1135
00:42:54,630 --> 00:42:52,400
when i have an operation

1136
00:42:56,790 --> 00:42:54,640
to envision the golden light bubble uh

1137
00:42:58,710 --> 00:42:56,800
about them when they're going out of

1138
00:43:00,390 --> 00:42:58,720

body because of the narcotics they're

1139

00:43:02,630 --> 00:43:00,400

getting and now you're hanging half in

1140

00:43:03,589 --> 00:43:02,640

of your body energy in half out of your

1141

00:43:07,030 --> 00:43:03,599

body

1142

00:43:08,230 --> 00:43:07,040

and you that's a vulnerability factor so

1143

00:43:09,510 --> 00:43:08,240

um

1144

00:43:10,390 --> 00:43:09,520

but

1145

00:43:11,750 --> 00:43:10,400

when

1146

00:43:16,230 --> 00:43:11,760

you

1147

00:43:18,870 --> 00:43:16,240

purity attention thinking

1148

00:43:21,910 --> 00:43:18,880

you can accumulate energy according to

1149

00:43:24,550 --> 00:43:21,920

your frustrations so every person is

1150

00:43:26,470 --> 00:43:24,560

frustrated and angry they can attract

1151

00:43:28,870 --> 00:43:26,480

more of the same

1152

00:43:30,630 --> 00:43:28,880

if a person is then trying to work

1153

00:43:32,870 --> 00:43:30,640

through it or go beyond it that's a

1154

00:43:35,750 --> 00:43:32,880

different story but the most or

1155

00:43:38,470 --> 00:43:35,760

problematic one is when people

1156

00:43:41,190 --> 00:43:38,480

uh create these photographs situations

1157

00:43:43,109 --> 00:43:41,200

when they avoid them in because they're

1158

00:43:45,670 --> 00:43:43,119

um had a shock

1159

00:43:47,589 --> 00:43:45,680

and something could slip in through them

1160

00:43:51,510 --> 00:43:47,599

and then when they have gifted they're

1161

00:43:53,430 --> 00:43:51,520

making it worth multiplying the scenario

1162

00:43:56,630 --> 00:43:53,440

hmm okay

1163

00:43:58,150 --> 00:43:56,640

um you know one thing that i have

1164

00:44:00,150 --> 00:43:58,160

i've been in and out of the hospital a

1165

00:44:02,470 --> 00:44:00,160

lot in the past couple years

1166

00:44:04,550 --> 00:44:02,480

and uh you know i don't particularly

1167

00:44:08,630 --> 00:44:04,560

like hospitals for a lot of reasons of

1168

00:44:11,109 --> 00:44:08,640

course but the energy and the the the

1169

00:44:12,950 --> 00:44:11,119

well spirits that hang around in

1170

00:44:14,870 --> 00:44:12,960

hospitals um

1171

00:44:17,270 --> 00:44:14,880

you know you do run into something

1172

00:44:19,670 --> 00:44:17,280

occasionally that will

1173

00:44:20,630 --> 00:44:19,680

not know that it has passed

1174

00:44:22,630 --> 00:44:20,640

um

1175

00:44:24,230 --> 00:44:22,640

you know and in fact the last time i was

1176

00:44:25,430 --> 00:44:24,240

in there about a couple months ago for a

1177

00:44:27,589 --> 00:44:25,440

procedure

1178

00:44:30,150 --> 00:44:27,599

i had one that was just literally

1179

00:44:32,710 --> 00:44:30,160

bugging me the whole time i was there

1180

00:44:34,470 --> 00:44:32,720

and i i was you know not to alarm the

1181

00:44:36,790 --> 00:44:34,480

nurses and such around me i was just

1182

00:44:38,550 --> 00:44:36,800

trying to get this thing to just leave

1183

00:44:40,630 --> 00:44:38,560

me alone but this thing was very

1184

00:44:43,109 --> 00:44:40,640

persistent of course i'm laying there

1185

00:44:45,190 --> 00:44:43,119

not being able to do so much and trying

1186

00:44:47,750 --> 00:44:45,200

to get this thing to move on

1187

00:44:49,190 --> 00:44:47,760

uh it does tend to be a problem

1188

00:44:51,270 --> 00:44:49,200

yes

1189

00:44:54,950 --> 00:44:51,280

now when i go into hospitals i always

1190

00:44:57,589 --> 00:44:54,960

install a golden sun in my in my room

1191

00:45:00,069 --> 00:44:57,599

and mentally when i know whose doctor

1192

00:45:01,990 --> 00:45:00,079

is or if i would be on operation table

1193

00:45:03,510 --> 00:45:02,000

and install that there ahead of time

1194

00:45:04,470 --> 00:45:03,520

because time and space doesn't really

1195

00:45:07,589 --> 00:45:04,480

exist

1196

00:45:09,910 --> 00:45:07,599

but i even got me an attachment from the

1197

00:45:11,030 --> 00:45:09,920

hospital situation when i was a child

1198

00:45:12,390 --> 00:45:11,040

right

1199

00:45:14,790 --> 00:45:12,400

i was

1200

00:45:16,950 --> 00:45:14,800

having an appendix removed in germany

1201

00:45:20,069 --> 00:45:16,960

that's very common to do so

1202

00:45:21,109 --> 00:45:20,079

and tonsils as well and there was a

1203

00:45:22,470 --> 00:45:21,119

girl

1204

00:45:25,190 --> 00:45:22,480

dying in the

1205

00:45:27,910 --> 00:45:25,200

next door room over and i was laying

1206

00:45:29,750 --> 00:45:27,920

there and her spirit came over i can see

1207

00:45:32,790 --> 00:45:29,760

spiritual me you know it's nothing

1208

00:45:34,550 --> 00:45:32,800

unusual so i talked to the spirit and we

1209

00:45:36,470 --> 00:45:34,560

got along really well and why i was

1210

00:45:39,750 --> 00:45:36,480

there over the weekend waiting for the

1211

00:45:42,150 --> 00:45:39,760

operation we had company we were talking

1212

00:45:44,550 --> 00:45:42,160

so i didn't know that she had died in

1213

00:45:46,950 --> 00:45:44,560

the next room over and because we got

1214

00:45:49,109 --> 00:45:46,960

along so well so she said do you want to

1215

00:45:52,470 --> 00:45:49,119

continue to play with me i said sure

1216

00:45:53,750 --> 00:45:52,480

so inadvertently i took her home

1217

00:45:56,069 --> 00:45:53,760

and forgot

1218

00:45:58,230 --> 00:45:56,079

along the lines and then when i got a

1219

00:46:01,510 --> 00:45:58,240

certain bother some sorts or certain

1220

00:46:03,589 --> 00:46:01,520

things were happening and

1221

00:46:05,589 --> 00:46:03,599

somebody said to me do you not know that

1222

00:46:07,990 --> 00:46:05,599

you don't have attachment in a certain

1223

00:46:12,230 --> 00:46:08,000

area and it's like this is weird i

1224

00:46:14,309 --> 00:46:12,240

cannot have an attachment not me right

1225

00:46:16,710 --> 00:46:14,319

so i was digging deeper in this

1226
00:46:19,349 --> 00:46:16,720
emotional release technique i'm doing

1227
00:46:20,470 --> 00:46:19,359
and lo and behold there was the incident

1228
00:46:23,750 --> 00:46:20,480
air

1229
00:46:25,430 --> 00:46:23,760
duct deep in almost like a burrowed in

1230
00:46:27,349 --> 00:46:25,440
the anchor

1231
00:46:29,510 --> 00:46:27,359
from that shock experience you know of

1232
00:46:31,270 --> 00:46:29,520
her and me laying there waiting for

1233
00:46:33,829 --> 00:46:31,280
unknowns with pain

1234
00:46:34,870 --> 00:46:33,839
uh for that operation

1235
00:46:38,710 --> 00:46:34,880
and

1236
00:46:39,829 --> 00:46:38,720
her for

1237
00:46:42,550 --> 00:46:39,839
you know

1238
00:46:45,270 --> 00:46:42,560

my company and protection that she gave

1239

00:46:48,309 --> 00:46:45,280

me and let her go and she

1240

00:46:50,390 --> 00:46:48,319

thanked me for um having shared my life

1241

00:46:53,990 --> 00:46:50,400

experience for so many years it was

1242

00:46:56,710 --> 00:46:54,000

quite an encounter i never thought i

1243

00:46:58,870 --> 00:46:56,720

would have an attachment

1244

00:47:01,270 --> 00:46:58,880

but it can be very unbeknownst to us

1245

00:47:04,390 --> 00:47:01,280

sometimes that we have a

1246

00:47:05,270 --> 00:47:04,400

yeah somebody who helps us and we help

1247

00:47:07,589 --> 00:47:05,280

them

1248

00:47:09,510 --> 00:47:07,599

and it's a synergy you know keylord

1249

00:47:12,309 --> 00:47:09,520

principle so sometimes we have to look

1250

00:47:14,870 --> 00:47:12,319

at him law principles when we have

1251
00:47:17,829 --> 00:47:14,880
something happening to us or when we are

1252
00:47:19,670 --> 00:47:17,839
always bothered by a particular uses by

1253
00:47:21,910 --> 00:47:19,680
chance right we're going to hospital

1254
00:47:24,790 --> 00:47:21,920
there somebody just died you can see

1255
00:47:27,349 --> 00:47:24,800
them when when a person is psychic in

1256
00:47:30,549 --> 00:47:27,359
the lower astral level it's like a

1257
00:47:32,950 --> 00:47:30,559
flame in the darkness so spirits who are

1258
00:47:35,109 --> 00:47:32,960
in the in between world can easily see

1259
00:47:37,109 --> 00:47:35,119
that flame and the darkness

1260
00:47:39,190 --> 00:47:37,119
and i ask my guides what do i do in

1261
00:47:40,470 --> 00:47:39,200
these scenarios and they said

1262
00:47:44,150 --> 00:47:40,480
well um

1263
00:47:49,270 --> 00:47:47,190

this spirits are like most to the flame

1264

00:47:51,990 --> 00:47:49,280

your light is so strong have you ever

1265

00:47:54,150 --> 00:47:52,000

seen a mosque bouncing out a candle now

1266

00:47:57,829 --> 00:47:54,160

the candle might flicker

1267

00:48:00,150 --> 00:47:57,839

while their moss burns up in it but the

1268

00:48:03,430 --> 00:48:00,160

muscle never will douse out the flame

1269

00:48:07,109 --> 00:48:03,440

the flame is always stronger and by that

1270

00:48:09,510 --> 00:48:07,119

principle i abide today um

1271

00:48:12,230 --> 00:48:09,520

in some cases i had to take the spirit

1272

00:48:15,190 --> 00:48:12,240

in and burn it up within myself through

1273

00:48:17,990 --> 00:48:15,200

the soul energy i use but mostly i try

1274

00:48:18,710 --> 00:48:18,000

not to do it and not take anything in me

1275

00:48:20,790 --> 00:48:18,720

or

1276

00:48:24,069 --> 00:48:20,800

onto me but

1277

00:48:26,230 --> 00:48:24,079

you know deal with the outside and again

1278

00:48:28,790 --> 00:48:26,240

archangel michael coming in with the

1279

00:48:32,150 --> 00:48:28,800

golden light bubble taking it away works

1280

00:48:37,829 --> 00:48:35,670

well you know and i told you this i um

1281

00:48:39,670 --> 00:48:37,839

i recently had an attachment

1282

00:48:42,230 --> 00:48:39,680

removed from myself

1283

00:48:43,510 --> 00:48:42,240

and uh i mean it was from a haunting i

1284

00:48:45,349 --> 00:48:43,520

had well it wasn't really haunting it

1285

00:48:49,030 --> 00:48:45,359

was just an investigation

1286

00:48:51,670 --> 00:48:49,040

that i was involved with in 1984

1287

00:48:53,670 --> 00:48:51,680

now 37 years later and of course my

1288

00:48:55,030 --> 00:48:53,680

friend jennifer said you got an

1289

00:48:56,870 --> 00:48:55,040

attachment

1290

00:48:59,829 --> 00:48:56,880

and i you know i thought i didn't think

1291

00:49:02,230 --> 00:48:59,839

she would just be serious about it but

1292

00:49:05,510 --> 00:49:02,240

she removed it i mean i was drained for

1293

00:49:07,750 --> 00:49:05,520

a whole day afterwards but i had no idea

1294

00:49:10,549 --> 00:49:07,760

that i had an attachment with me all

1295

00:49:13,030 --> 00:49:10,559

those years but i did

1296

00:49:15,910 --> 00:49:13,040

that brings me oh sorry i didn't mean to

1297

00:49:17,109 --> 00:49:15,920

interrupt that brings me to a very good

1298

00:49:19,190 --> 00:49:17,119

point here

1299

00:49:20,790 --> 00:49:19,200

you said you were drained after it was

1300

00:49:22,950 --> 00:49:20,800

removed

1301
00:49:25,270 --> 00:49:22,960
and yeah i mean you release something

1302
00:49:27,990 --> 00:49:25,280
and there's an energy hole you know we

1303
00:49:30,790 --> 00:49:28,000
have energy holes in our or our energy

1304
00:49:32,870 --> 00:49:30,800
field and so we have to ask ourselves

1305
00:49:34,470 --> 00:49:32,880
what would it take to fill that hole

1306
00:49:36,870 --> 00:49:34,480
after removal

1307
00:49:38,870 --> 00:49:36,880
i always work with healing frequencies

1308
00:49:40,950 --> 00:49:38,880
of color i would ask what color

1309
00:49:43,190 --> 00:49:40,960
frequency would i need to feel and be my

1310
00:49:45,670 --> 00:49:43,200
best there where this thing had been

1311
00:49:48,390 --> 00:49:45,680
sitting and then letting consciously the

1312
00:49:50,950 --> 00:49:48,400
healing frequencies go into that spot

1313
00:49:53,750 --> 00:49:50,960

and envision it to be really sometimes i

1314

00:49:56,309 --> 00:49:53,760

mean even with my physical hands rub at

1315

00:49:58,470 --> 00:49:56,319

the spot and let the color frequency

1316

00:50:00,710 --> 00:49:58,480

come through my hands and fill in the

1317

00:50:02,630 --> 00:50:00,720

energy hole

1318

00:50:05,030 --> 00:50:02,640

so thank you for mentioning that that's

1319

00:50:07,589 --> 00:50:05,040

very valid that we have to do something

1320

00:50:09,670 --> 00:50:07,599

so that we are not drained anymore

1321

00:50:11,430 --> 00:50:09,680

yeah it was i was kind of shocked i mean

1322

00:50:14,069 --> 00:50:11,440

i it did and there have been times when

1323

00:50:15,990 --> 00:50:14,079

i have worked

1324

00:50:18,549 --> 00:50:16,000

when i worked the case

1325

00:50:20,549 --> 00:50:18,559

and uh remote remotely worked the case

1326

00:50:23,349 --> 00:50:20,559

and i just feel tuckered out for like

1327

00:50:25,670 --> 00:50:23,359

two days full i mean you know

1328

00:50:28,870 --> 00:50:25,680

i guess i guess the energy i espoused

1329

00:50:31,030 --> 00:50:28,880

during the the actual clearing and such

1330

00:50:32,870 --> 00:50:31,040

i mean it's gratifying i feel very

1331

00:50:36,069 --> 00:50:32,880

gratified doing it

1332

00:50:38,309 --> 00:50:36,079

but man i am just knocked out and uh you

1333

00:50:41,829 --> 00:50:38,319

know that's kind of the down a downfall

1334

00:50:44,309 --> 00:50:41,839

for doing that but uh you know i i do

1335

00:50:45,030 --> 00:50:44,319

have i do get a lot of joy out doing

1336

00:50:47,190 --> 00:50:45,040

that

1337

00:50:48,950 --> 00:50:47,200

spirit rescue actually

1338

00:50:51,829 --> 00:50:48,960

you're saying something about this

1339

00:50:54,230 --> 00:50:51,839

spiritual work i noticed in my early

1340

00:50:56,390 --> 00:50:54,240

meditation groups and classes we had a

1341

00:50:59,270 --> 00:50:56,400

diabetic in our group

1342

00:51:01,990 --> 00:50:59,280

and i noticed that the blood sugar level

1343

00:51:03,750 --> 00:51:02,000

goes down in meditation

1344

00:51:06,470 --> 00:51:03,760

so after each meditation she

1345

00:51:08,710 --> 00:51:06,480

instantaneously had to eat some sweets

1346

00:51:09,910 --> 00:51:08,720

not to be underscored and she always had

1347

00:51:11,990 --> 00:51:09,920

to measure her

1348

00:51:14,230 --> 00:51:12,000

uh blood sugar level after when we did

1349

00:51:15,349 --> 00:51:14,240

meditation work and we went far out

1350

00:51:16,630 --> 00:51:15,359

there

1351
00:51:17,910 --> 00:51:16,640
um

1352
00:51:19,670 --> 00:51:17,920
so

1353
00:51:21,430 --> 00:51:19,680
maybe it would help you to eat a piece

1354
00:51:23,349 --> 00:51:21,440
of chocolate after when you come back

1355
00:51:26,150 --> 00:51:23,359
into your body right away well that's

1356
00:51:27,670 --> 00:51:26,160
interesting because i am diabetic so uh

1357
00:51:31,829 --> 00:51:27,680
maybe

1358
00:51:34,470 --> 00:51:31,839
never thought about checking my glucose

1359
00:51:37,030 --> 00:51:34,480
but maybe i should from now on

1360
00:51:39,670 --> 00:51:37,040
yeah i remember she always uh had to do

1361
00:51:42,710 --> 00:51:39,680
that every single time after meditation

1362
00:51:45,270 --> 00:51:42,720
or reiki she was also reiki master every

1363
00:51:48,230 --> 00:51:45,280

time after going out there in the

1364

00:51:51,349 --> 00:51:48,240

energies she had to substitute later

1365

00:51:54,309 --> 00:51:51,359

with some chocolate or whatever she used

1366

00:51:56,069 --> 00:51:54,319

wow okay wow that's interesting

1367

00:51:57,990 --> 00:51:56,079

um you know

1368

00:52:01,190 --> 00:51:58,000

recently

1369

00:52:03,190 --> 00:52:01,200

uh our my team has been working

1370

00:52:05,670 --> 00:52:03,200

uh well for years we've been working

1371

00:52:07,190 --> 00:52:05,680

with these wing humanoid sightings in in

1372

00:52:09,430 --> 00:52:07,200

chicago more

1373

00:52:12,150 --> 00:52:09,440

more recently at o'hara

1374

00:52:14,230 --> 00:52:12,160

and we have

1375

00:52:16,630 --> 00:52:14,240

supposedly and we do believe that we

1376

00:52:19,190 --> 00:52:16,640

made contact with these beings

1377

00:52:21,430 --> 00:52:19,200

and uh you're part of our group actually

1378

00:52:24,309 --> 00:52:21,440

who's kind of advising us as to what's

1379

00:52:26,069 --> 00:52:24,319

going on so let me ask you i mean and i

1380

00:52:29,349 --> 00:52:26,079

know people are thinking about this in

1381

00:52:31,030 --> 00:52:29,359

the in the chat and on online

1382

00:52:34,790 --> 00:52:31,040

what are your thoughts about these

1383

00:52:37,349 --> 00:52:35,670

well

1384

00:52:39,510 --> 00:52:37,359

um

1385

00:52:43,430 --> 00:52:39,520

obviously they are not that unseen

1386

00:52:45,190 --> 00:52:43,440

because they make themselves seem to

1387

00:52:47,349 --> 00:52:45,200

people and more and more with the

1388

00:52:51,510 --> 00:52:47,359

vibration rising on our planet we will

1389

00:52:55,270 --> 00:52:51,520

see more beings appearing on our radar

1390

00:52:57,750 --> 00:52:55,280

in that particular area over here and

1391

00:52:59,990 --> 00:52:57,760

forgive me but i haven't tuned too much

1392

00:53:02,069 --> 00:53:00,000

into the whole field because i'm so far

1393

00:53:04,710 --> 00:53:02,079

removed from that place

1394

00:53:08,230 --> 00:53:04,720

that i have not had a

1395

00:53:11,190 --> 00:53:08,240

personal experience there only dropping

1396

00:53:13,829 --> 00:53:11,200

into your group some being from this

1397

00:53:16,470 --> 00:53:13,839

group which appears to er there

1398

00:53:18,390 --> 00:53:16,480

contacted me very briefly but what i

1399

00:53:20,549 --> 00:53:18,400

perceived when i was tuning into the

1400

00:53:21,990 --> 00:53:20,559

scenario is that there is a rift in time

1401

00:53:26,870 --> 00:53:22,000

and space

1402

00:53:30,230 --> 00:53:26,880

or we could say portal

1403

00:53:32,309 --> 00:53:30,240

also with their energy led lines helping

1404

00:53:34,470 --> 00:53:32,319

the incident of

1405

00:53:36,630 --> 00:53:34,480

the portal being open or the rift

1406

00:53:38,630 --> 00:53:36,640

internal space being open

1407

00:53:40,950 --> 00:53:38,640

these beings can come

1408

00:53:44,069 --> 00:53:40,960

easily and naturally through

1409

00:53:47,109 --> 00:53:44,079

this is not their planet necessarily but

1410

00:53:49,510 --> 00:53:47,119

they're enjoying this uh exchange of

1411

00:53:52,150 --> 00:53:49,520

communication with your group

1412

00:53:54,790 --> 00:53:52,160

and seems to me they're being

1413

00:53:56,710 --> 00:53:54,800

not seemingly hostile even though they

1414

00:54:00,309 --> 00:53:56,720

look strange

1415

00:54:02,710 --> 00:54:00,319

um i find them

1416

00:54:04,309 --> 00:54:02,720

one of your group drew one and that

1417

00:54:07,349 --> 00:54:04,319

grabbed me that

1418

00:54:09,190 --> 00:54:07,359

drawing was like a winged one

1419

00:54:12,470 --> 00:54:09,200

with

1420

00:54:14,790 --> 00:54:12,480

humanoid almost like a gorilla like face

1421

00:54:15,750 --> 00:54:14,800

with their eye reaches

1422

00:54:17,190 --> 00:54:15,760

and then

1423

00:54:19,030 --> 00:54:17,200

um

1424

00:54:22,630 --> 00:54:19,040

you know but it looked like a mixture

1425

00:54:25,030 --> 00:54:22,640

with like a bat with a gorilla humanoid

1426

00:54:28,069 --> 00:54:25,040

kind of thing and please walk upstairs

1427

00:54:29,190 --> 00:54:28,079

do not get offended when i describe you

1428

00:54:32,390 --> 00:54:29,200

um

1429

00:54:35,829 --> 00:54:32,400

and when i was following your exchanges

1430

00:54:38,069 --> 00:54:35,839

about these beings um i was contacted by

1431

00:54:41,270 --> 00:54:38,079

one very briefly and it just popped into

1432

00:54:43,030 --> 00:54:41,280

my mind uh if the name was onari

1433

00:54:45,670 --> 00:54:43,040

and then i

1434

00:54:47,349 --> 00:54:45,680

because of the show i knew you would ask

1435

00:54:49,670 --> 00:54:47,359

sooner or later and i said i don't know

1436

00:54:51,670 --> 00:54:49,680

anything about you guys so tell me

1437

00:54:53,510 --> 00:54:51,680

something

1438

00:54:55,510 --> 00:54:53,520

and uh he

1439

00:54:57,510 --> 00:54:55,520

did and i was

1440

00:54:59,030 --> 00:54:57,520

wondering you know where are you from

1441

00:55:02,150 --> 00:54:59,040

and he said

1442

00:55:03,829 --> 00:55:02,160

uh right next door

1443

00:55:05,670 --> 00:55:03,839

and with right next door he meant

1444

00:55:07,270 --> 00:55:05,680

another dimension you know we are here

1445

00:55:09,190 --> 00:55:07,280

in 3d and then there's fourth and fifth

1446

00:55:11,109 --> 00:55:09,200

and so on dimensions and he

1447

00:55:12,390 --> 00:55:11,119

meant this right next door that part of

1448

00:55:13,510 --> 00:55:12,400

them were in the fourth and fifth

1449

00:55:15,750 --> 00:55:13,520

dimension

1450

00:55:16,549 --> 00:55:15,760

uh situated but

1451

00:55:18,549 --> 00:55:16,559

um

1452

00:55:21,270 --> 00:55:18,559

you know we see our planet as planet but

1453

00:55:23,589 --> 00:55:21,280

there are other um ether planetary

1454

00:55:24,470 --> 00:55:23,599

systems when beings have been living

1455

00:55:27,750 --> 00:55:24,480

here

1456

00:55:29,990 --> 00:55:27,760

for ages and uh ever and ever so they

1457

00:55:31,190 --> 00:55:30,000

their home is not 3d their home is four

1458

00:55:33,990 --> 00:55:31,200

and five the

1459

00:55:36,069 --> 00:55:34,000

five dimension and then i asked well

1460

00:55:39,030 --> 00:55:36,079

curious you know there's a lot of names

1461

00:55:40,549 --> 00:55:39,040

with you and you are and so on i said

1462

00:55:43,910 --> 00:55:40,559

how do you have anything to do with the

1463

00:55:45,190 --> 00:55:43,920

mesopotamian area uh and ur

1464

00:55:48,870 --> 00:55:45,200

yeah and

1465

00:55:50,789 --> 00:55:48,880

was in that true stream and

1466

00:55:52,470 --> 00:55:50,799

and he said yep

1467

00:55:54,870 --> 00:55:52,480

very short yep

1468

00:55:57,030 --> 00:55:54,880

and i asked then further well

1469

00:55:59,589 --> 00:55:57,040

did you guys live that long and he said

1470

00:56:03,349 --> 00:55:59,599

no and that was not exactly our species

1471

00:56:05,990 --> 00:56:03,359

but it was a connected species

1472

00:56:08,230 --> 00:56:06,000

and i remember then and i looked it up

1473

00:56:09,829 --> 00:56:08,240

today that there were a lot of in

1474

00:56:13,190 --> 00:56:09,839

mesopotamia

1475

00:56:14,950 --> 00:56:13,200

um and also partially in persia these

1476
00:56:17,750 --> 00:56:14,960
winged beans they looked like mixture

1477
00:56:19,750 --> 00:56:17,760
we're being bird

1478
00:56:22,309 --> 00:56:19,760
and he said yeah that's kind of like

1479
00:56:25,589 --> 00:56:22,319
cousins but that's not us but there we

1480
00:56:27,990 --> 00:56:25,599
had a domain there too so

1481
00:56:31,430 --> 00:56:28,000
and obviously like in the case was over

1482
00:56:32,950 --> 00:56:31,440
here very much visible to the folks

1483
00:56:35,670 --> 00:56:32,960
otherwise these folks down in

1484
00:56:38,309 --> 00:56:35,680
mesopotamia wouldn't have

1485
00:56:40,470 --> 00:56:38,319
had sculptures and um

1486
00:56:42,870 --> 00:56:40,480
you know integrated it into their

1487
00:56:45,670 --> 00:56:42,880
building material these these winged

1488
00:56:48,150 --> 00:56:45,680

beans so winged beans have been very

1489

00:56:50,069 --> 00:56:48,160

predominant i said yup

1490

00:56:52,390 --> 00:56:50,079

and we were there too and yes we had

1491

00:56:55,030 --> 00:56:52,400

contacts even then and maybe jennifer

1492

00:56:57,270 --> 00:56:55,040

can confirm that or not later on but

1493

00:57:00,069 --> 00:56:57,280

that was just a quick drop in from one

1494

00:57:03,910 --> 00:57:00,079

of these beings again i have not had a

1495

00:57:07,190 --> 00:57:03,920

personal encounter so i cannot exactly

1496

00:57:09,750 --> 00:57:07,200

say i saw one except in my mind's eye

1497

00:57:13,829 --> 00:57:09,760

very briefly and it was mostly triggered

1498

00:57:15,750 --> 00:57:13,839

also by this excellent drawing um

1499

00:57:18,309 --> 00:57:15,760

well vincent your drawing just got

1500

00:57:21,349 --> 00:57:18,319

acknowledged

1501
00:57:23,510 --> 00:57:21,359
you know it's um

1502
00:57:26,710 --> 00:57:23,520
some of the group have been contacted in

1503
00:57:28,950 --> 00:57:26,720
indirect ways uh it's interesting uh

1504
00:57:31,349 --> 00:57:28,960
they've some now one in particular

1505
00:57:33,510 --> 00:57:31,359
manuel has had some uh

1506
00:57:35,670 --> 00:57:33,520
some other issues as a result of it but

1507
00:57:38,069 --> 00:57:35,680
you know i i think

1508
00:57:40,390 --> 00:57:38,079
i i think we are learning i think this

1509
00:57:43,510 --> 00:57:40,400
is something that's going to take time

1510
00:57:45,030 --> 00:57:43,520
uh we're trying to be as

1511
00:57:47,829 --> 00:57:45,040
forthright as possible and they're

1512
00:57:50,870 --> 00:57:47,839
bringing forthright with us and

1513
00:57:53,030 --> 00:57:50,880

maybe we can develop some type of close

1514

00:57:55,750 --> 00:57:53,040

relationship i do know one thing

1515

00:57:58,710 --> 00:57:55,760

uh they do not particularly like the

1516

00:58:00,230 --> 00:57:58,720

males in our group they like the females

1517

00:58:02,630 --> 00:58:00,240

but they aren't too thrilled about the

1518

00:58:04,309 --> 00:58:02,640

males from what we have been told

1519

00:58:07,190 --> 00:58:04,319

now i don't know if they said that to

1520

00:58:09,670 --> 00:58:07,200

you or what that is about

1521

00:58:12,950 --> 00:58:09,680

but i don't know if they don't trust us

1522

00:58:14,950 --> 00:58:12,960

for some reason or what that is but i

1523

00:58:15,910 --> 00:58:14,960

think it has something to do with their

1524

00:58:18,390 --> 00:58:15,920

uh

1525

00:58:20,390 --> 00:58:18,400

male hormonal structure

1526
00:58:23,670 --> 00:58:20,400
females operating more in the water

1527
00:58:26,069 --> 00:58:23,680
element and the softer energy

1528
00:58:29,190 --> 00:58:26,079
male have a lot of testosterone

1529
00:58:30,950 --> 00:58:29,200
and can easily even in spirit go into

1530
00:58:33,190 --> 00:58:30,960
excuse my french aid

1531
00:58:34,630 --> 00:58:33,200
it's in contest

1532
00:58:37,589 --> 00:58:34,640
and

1533
00:58:39,510 --> 00:58:37,599
they do not want that because

1534
00:58:42,309 --> 00:58:39,520
let's say if they would be

1535
00:58:44,549 --> 00:58:42,319
triggered they have power

1536
00:58:47,589 --> 00:58:44,559
and if they would be triggered

1537
00:58:50,230 --> 00:58:47,599
you know it's almost like a boxer who

1538
00:58:53,510 --> 00:58:50,240

has been boxing for ages and then comes

1539

00:58:55,190 --> 00:58:53,520

the school kid and says hey big guy you

1540

00:58:57,670 --> 00:58:55,200

know and like

1541

00:58:59,510 --> 00:58:57,680

if you would just touch me touch me

1542

00:59:01,589 --> 00:58:59,520

touch me and

1543

00:59:04,390 --> 00:59:01,599

the boxer might say

1544

00:59:05,589 --> 00:59:04,400

and you know the kid will fall over so

1545

00:59:07,829 --> 00:59:05,599

um

1546

00:59:09,750 --> 00:59:07,839

and certain things are reflectual i

1547

00:59:12,150 --> 00:59:09,760

think it's not about spirit or they

1548

00:59:13,910 --> 00:59:12,160

don't like it's more about

1549

00:59:16,549 --> 00:59:13,920

the resonance

1550

00:59:18,789 --> 00:59:16,559

so with the female resonance with the

1551

00:59:19,990 --> 00:59:18,799

receptors of the

1552

00:59:22,950 --> 00:59:20,000

uh

1553

00:59:25,589 --> 00:59:22,960

biochemical makeup i might say it is

1554

00:59:28,470 --> 00:59:25,599

easier to slide and contract

1555

00:59:31,109 --> 00:59:28,480

they're into their female antennas

1556

00:59:33,670 --> 00:59:31,119

rather than the male um

1557

00:59:34,549 --> 00:59:33,680

physiology makeup

1558

00:59:37,109 --> 00:59:34,559

and if

1559

00:59:39,510 --> 00:59:37,119

if they would contract easier with you

1560

00:59:40,549 --> 00:59:39,520

guys they would be it would be more like

1561

00:59:50,470 --> 00:59:40,559

a

1562

00:59:56,069 --> 00:59:51,910

conflict

1563

00:59:58,390 --> 00:59:56,079

because

1564

01:00:00,710 --> 00:59:58,400

you know every everybody has instincts i

1565

01:00:03,829 --> 01:00:00,720

would say in a word maybe the word

1566

01:00:06,549 --> 01:00:03,839

instinct is not really correct but

1567

01:00:07,829 --> 01:00:06,559

in a tendency let's say

1568

01:00:10,470 --> 01:00:07,839

and

1569

01:00:13,109 --> 01:00:10,480

let's say you put your antennas out

1570

01:00:14,390 --> 01:00:13,119

that fast like here i am and you know

1571

01:00:16,710 --> 01:00:14,400

contact or

1572

01:00:18,710 --> 01:00:16,720

it's just a example please don't get me

1573

01:00:21,270 --> 01:00:18,720

wrong i just tried to explain it i'm

1574

01:00:24,950 --> 01:00:21,280

really hard to explain yeah then they

1575

01:00:27,829 --> 01:00:24,960

come down it could cause maybe

1576

01:00:30,630 --> 01:00:27,839

more friction or more problem for the

1577

01:00:32,470 --> 01:00:30,640

individual who contacts there

1578

01:00:33,829 --> 01:00:32,480

and

1579

01:00:35,910 --> 01:00:33,839

they're

1580

01:00:40,470 --> 01:00:35,920

just showing me

1581

01:00:42,870 --> 01:00:40,480

seeing is no problem but hearing or

1582

01:00:45,109 --> 01:00:42,880

sensing is not a problem either but

1583

01:00:48,150 --> 01:00:45,119

going beyond sensing into really

1584

01:00:49,990 --> 01:00:48,160

communication then easily the wires get

1585

01:00:51,829 --> 01:00:50,000

crossed right

1586

01:00:54,309 --> 01:00:51,839

and uh they don't want it they don't

1587

01:00:55,510 --> 01:00:54,319

want to cause any harm well i can

1588

01:00:57,030 --> 01:00:55,520

understand that you know it's

1589

01:00:58,230 --> 01:00:57,040

interesting one thing we did find out

1590

01:01:01,030 --> 01:00:58,240

recently

1591

01:01:03,190 --> 01:01:01,040

was that the the beings that

1592

01:01:05,270 --> 01:01:03,200

are showing up around chicago are

1593

01:01:08,710 --> 01:01:05,280

juveniles

1594

01:01:11,030 --> 01:01:08,720

and that they do have genders

1595

01:01:13,670 --> 01:01:11,040

comparable to male and female

1596

01:01:15,750 --> 01:01:13,680

so uh you know that's something else you

1597

01:01:16,950 --> 01:01:15,760

know we're getting more information as

1598

01:01:19,030 --> 01:01:16,960

we go

1599

01:01:21,030 --> 01:01:19,040

but you know claudia i want to thank you

1600

01:01:22,630 --> 01:01:21,040

for coming on this evening it's always a

1601
01:01:23,589 --> 01:01:22,640
pleasure to talk to you i love talking

1602
01:01:26,470 --> 01:01:23,599
to you

1603
01:01:27,750 --> 01:01:26,480
you and i connect i i just i just enjoy

1604
01:01:29,829 --> 01:01:27,760
you're wonderful

1605
01:01:32,069 --> 01:01:29,839
and uh i once again thank you for

1606
01:01:35,670 --> 01:01:32,079
joining me this evening thank you it was

1607
01:01:37,270 --> 01:01:35,680
delightful uh to go about with all these

1608
01:01:40,150 --> 01:01:37,280
different themes from hopping from one

1609
01:01:42,150 --> 01:01:40,160
to next thank you so much for having me

1610
01:01:44,309 --> 01:01:42,160
today it was delightful well i will talk

1611
01:01:46,390 --> 01:01:44,319
to you soon you take care you too

1612
01:01:48,710 --> 01:01:46,400
bye-bye

1613
01:01:51,030 --> 01:01:48,720

now um

1614

01:01:53,670 --> 01:01:51,040

claudia's website again is claudia

1615

01:01:55,670 --> 01:01:53,680

granger.com

1616

01:01:57,270 --> 01:01:55,680

uh if you have an unexplained encounter

1617

01:01:59,270 --> 01:01:57,280

citing feel free to contact me through

1618

01:02:00,950 --> 01:01:59,280

phantoms of monsters blog site

1619

01:02:02,950 --> 01:02:00,960

i want to again thank claudia for

1620

01:02:04,549 --> 01:02:02,960

joining me this evening and thanks to

1621

01:02:06,390 --> 01:02:04,559

each and all of you

1622

01:02:09,029 --> 01:02:06,400

for watching and chatting now if you

1623

01:02:10,870 --> 01:02:09,039

made a super chat donation it's truly

1624

01:02:13,109 --> 01:02:10,880

appreciated your support

1625

01:02:15,589 --> 01:02:13,119

is what makes this possible please like

1626
01:02:18,309 --> 01:02:15,599
subscribe and share and next week we

1627
01:02:21,829 --> 01:02:18,319
will be discussing hell hounds

1628
01:02:23,670 --> 01:02:21,839
and cainted cryptids with w.t watson

1629
01:02:25,430 --> 01:02:23,680
that'll be an interesting show he's

1630
01:02:28,069 --> 01:02:25,440
recently written a book

1631
01:02:29,670 --> 01:02:28,079
and uh we will be talking about that and

1632
01:02:30,630 --> 01:02:29,680
some of the things he has investigated

1633
01:02:32,870 --> 01:02:30,640
as well

1634
01:02:43,520 --> 01:02:32,880
so until next week stay healthy have a

1635
01:02:43,530 --> 01:02:56,160
[Music]

1636
01:02:56,170 --> 01:03:21,220
[Applause]
