THE UNSEEN ONES!

DIRECT CONTACTS!

MULTIPLE WITNESS REPORT DIRECT CONTACT WITH UNSEEN ONES

1
00:00:09,350 --> 00:00:07,749
the oldest and strongest human emotion

2
00:00:11,589 --> 00:00:09,360
is fear

3
00:00:12,549 --> 00:00:11,599
and the oldest and strongest type of

4
00:00:15,749 --> 00:00:12,559
fear

5
00:00:17,269 --> 00:00:15,759
is trepidation of the unknown

6
00:00:19,670 --> 00:00:17,279
when we were children

7
00:00:21,670 --> 00:00:19,680
our parents told us that monsters didn't

8
00:00:24,150 --> 00:00:21,680
exist

9
00:00:27,349 --> 00:00:24,160
but we were sure that something was

10
00:00:31,830 --> 00:00:27,359
lurking under the bed or in the closet

11
00:00:34,870 --> 00:00:31,840
fear sees even if our eyes are closed

12
00:00:37,110 --> 00:00:34,880
welcome to the realm of the arcane

13
00:00:39,510 --> 00:00:37,120

my name is lon stripler

14

00:00:40,630 --> 00:00:39,520

join me as i examine unexplained

15

00:00:43,270 --> 00:00:40,640

creatures

16

00:00:45,590 --> 00:00:43,280

strange manifestations of remarkable

17

00:00:48,549 --> 00:00:45,600

realities

18

00:00:51,189 --> 00:00:48,559

imagine this next hour as a voyage of

19

00:00:53,750 --> 00:00:51,199

discovery to strange lands

20

00:00:55,270 --> 00:00:53,760

seeking not for new territory

21

00:00:56,790 --> 00:00:55,280

but for new knowledge of the

22

00:00:59,590 --> 00:00:56,800

supernatural

23

00:01:01,000 --> 00:00:59,600

come on board as we begin this adventure

24

00:01:04,070 --> 00:01:01,010

together

25

00:01:06,149 --> 00:01:04,080

[Music]

26
00:01:08,950 --> 00:01:06,159
hey folks good evening and welcome to

27
00:01:11,270 --> 00:01:08,960
another episode of arcane radio where we

28
00:01:12,710 --> 00:01:11,280
explore the unexplained live on beyond

29
00:01:14,870 --> 00:01:12,720
explanation

30
00:01:16,149 --> 00:01:14,880
i'm your host law instructor coming to

31
00:01:18,310 --> 00:01:16,159
you within a canon show of the

32
00:01:20,310 --> 00:01:18,320
howlfields of gettysburg pennsylvania

33
00:01:22,550 --> 00:01:20,320
thanks for joining us

34
00:01:24,710 --> 00:01:22,560
now arcane radio and beyond explanation

35
00:01:27,830 --> 00:01:24,720
channel made possible by you liking

36
00:01:30,230 --> 00:01:27,840
subscribing and sharing our programming

37
00:01:32,550 --> 00:01:30,240
super chat donations are essential for

38
00:01:33,830 --> 00:01:32,560

us to continue offering you our unique

39

00:01:36,149 --> 00:01:33,840

content

40

00:01:38,310 --> 00:01:36,159

are your considerations very much needed

41

00:01:40,950 --> 00:01:38,320

and appreciated now

42

00:01:42,950 --> 00:01:40,960

two weeks ago if you remember we had a

43

00:01:45,910 --> 00:01:42,960

special show

44

00:01:47,270 --> 00:01:45,920

with uh jennifer and bernadette joining

45

00:01:50,069 --> 00:01:47,280

me

46

00:01:51,510 --> 00:01:50,079

uh and talking about the unseen ones the

47

00:01:55,190 --> 00:01:51,520

winged ones and some of the new

48

00:01:57,429 --> 00:01:55,200

revelations that had come up uh that was

49

00:01:58,870 --> 00:01:57,439

two weeks ago well the unseen ones have

50

00:02:00,950 --> 00:01:58,880

now begun

51
00:02:03,510 --> 00:02:00,960
to make contact with several phantoms of

52
00:02:05,830 --> 00:02:03,520
monsters 14 research team members in

53
00:02:09,510 --> 00:02:05,840
recent days and weeks well last couple

54
00:02:13,430 --> 00:02:09,520
weeks in recent days in fact six team

55
00:02:16,229 --> 00:02:13,440
members are experiencing direct contact

56
00:02:18,309 --> 00:02:16,239
uh and also in some cases family members

57
00:02:20,869 --> 00:02:18,319
of these these team members are also

58
00:02:21,670 --> 00:02:20,879
experiencing some form of contact as

59
00:02:23,510 --> 00:02:21,680
well

60
00:02:26,869 --> 00:02:23,520
including by sight

61
00:02:29,190 --> 00:02:26,879
so uh we will discuss tonight uh the

62
00:02:32,309 --> 00:02:29,200
newest revelations and maybe some other

63
00:02:33,990 --> 00:02:32,319

factors that may influence contact

64

00:02:37,670 --> 00:02:34,000

so uh

65

00:02:41,270 --> 00:02:37,680

tonight i have bernadette jennifer

66

00:02:43,190 --> 00:02:41,280

vincent and manuel joining us

67

00:02:45,509 --> 00:02:43,200

uh folks thanks for joining me this

68

00:02:48,150 --> 00:02:45,519

evening hi thank you for having me so my

69

00:02:51,670 --> 00:02:48,160

pleasure thanks for having me

70

00:02:54,390 --> 00:02:51,680

so uh now jennifer's beside me here so

71

00:02:55,270 --> 00:02:54,400

she'll make comments as we go

72

00:02:58,869 --> 00:02:55,280

uh

73

00:03:00,630 --> 00:02:58,879

but i i wanted to first talk just state

74

00:03:03,110 --> 00:03:00,640

that there have been a few strange

75

00:03:04,470 --> 00:03:03,120

things going on i mean you know

76

00:03:08,149 --> 00:03:04,480

uh there has been a little bit of

77

00:03:10,630 --> 00:03:08,159

pushback on on the last show

78

00:03:12,390 --> 00:03:10,640

uh it didn't really cause many problems

79

00:03:13,509 --> 00:03:12,400

it's just some internal stuff but it

80

00:03:15,110 --> 00:03:13,519

wasn't anything to do with the team

81

00:03:17,990 --> 00:03:15,120

itself you know we're pretty well

82

00:03:19,110 --> 00:03:18,000

committed to what's going on

83

00:03:20,869 --> 00:03:19,120

but

84

00:03:23,190 --> 00:03:20,879

there there have been a few things that

85

00:03:26,390 --> 00:03:23,200

have happened that have kind of raised

86

00:03:27,509 --> 00:03:26,400

our hackles in our years and uh

87

00:03:29,270 --> 00:03:27,519

so first of all i'm going to have

88

00:03:31,509 --> 00:03:29,280

bernadette talk about something that

89

00:03:33,270 --> 00:03:31,519

just happened last evening or early this

90

00:03:34,390 --> 00:03:33,280

morning so bernie tell us what happened

91

00:03:36,550 --> 00:03:34,400

to him

92

00:03:39,270 --> 00:03:36,560

um well this morning when we were all

93

00:03:41,030 --> 00:03:39,280

getting up i noticed on our back door

94

00:03:43,190 --> 00:03:41,040

there was a handprint

95

00:03:45,509 --> 00:03:43,200

and it was coming from outside

96

00:03:47,270 --> 00:03:45,519

now why this was strange is because

97

00:03:49,670 --> 00:03:47,280

there's no stairs to get to the back

98

00:03:52,229 --> 00:03:49,680

door where we're modeling and we have a

99

00:03:53,429 --> 00:03:52,239

patio now or a half patio and there's no

100

00:03:56,710 --> 00:03:53,439

stairs

101
00:03:58,949 --> 00:03:56,720
so i had i had sent you pictures and um

102
00:04:01,589 --> 00:03:58,959
i take

103
00:04:03,350 --> 00:04:01,599
then later on i'd open the fridge door

104
00:04:05,509 --> 00:04:03,360
to get something i looked out the window

105
00:04:06,949 --> 00:04:05,519
and there is a footprint out in the

106
00:04:08,229 --> 00:04:06,959
gravel

107
00:04:10,710 --> 00:04:08,239
like right

108
00:04:12,070 --> 00:04:10,720
where the door is basically near the

109
00:04:13,350 --> 00:04:12,080
door

110
00:04:14,390 --> 00:04:13,360
and i don't know where it came from

111
00:04:16,789 --> 00:04:14,400
there's no other

112
00:04:18,229 --> 00:04:16,799
footprints anywhere there's obviously i

113
00:04:20,629 --> 00:04:18,239

have a child there's obviously mud

114

00:04:22,710 --> 00:04:20,639

there's other ways that could you know

115

00:04:24,550 --> 00:04:22,720

footprints can be made there's nothing

116

00:04:25,590 --> 00:04:24,560

that that's there other than this

117

00:04:28,629 --> 00:04:25,600

footprint

118

00:04:29,990 --> 00:04:28,639

um it's bigger than my foot

119

00:04:31,909 --> 00:04:30,000

so

120

00:04:33,830 --> 00:04:31,919

i i have no idea there's no animals

121

00:04:35,110 --> 00:04:33,840

around here that make that i live in the

122

00:04:37,189 --> 00:04:35,120

country

123

00:04:39,749 --> 00:04:37,199

i know what animal prints look like this

124

00:04:41,270 --> 00:04:39,759

is not anything native around here my

125

00:04:42,550 --> 00:04:41,280

boyfriend's a hunter

126

00:04:44,550 --> 00:04:42,560

there's nothing

127

00:04:47,189 --> 00:04:44,560

he was even shocked

128

00:04:49,030 --> 00:04:47,199

well you know i um i saw some of the

129

00:04:49,830 --> 00:04:49,040

photos that you had up there

130

00:04:51,510 --> 00:04:49,840

yeah

131

00:04:53,670 --> 00:04:51,520

and uh

132

00:04:56,790 --> 00:04:53,680

i had no idea what the hell it is i mean

133

00:05:00,070 --> 00:04:56,800

the the the handprint on the

134

00:05:02,950 --> 00:05:00,080

on the condensation on your your door on

135

00:05:04,950 --> 00:05:02,960

your storm door

136

00:05:06,550 --> 00:05:04,960

looked like it had four fingers

137

00:05:08,070 --> 00:05:06,560

now i i didn't see a thumb or anything

138

00:05:09,670 --> 00:05:08,080

but it looked like i had four fingers it

139

00:05:10,710 --> 00:05:09,680

was i don't know how the size of the

140

00:05:12,629 --> 00:05:10,720

hand

141

00:05:14,469 --> 00:05:12,639

how big it really was

142

00:05:18,150 --> 00:05:14,479

but i did see

143

00:05:20,469 --> 00:05:18,160

the uh the footprints in the gravel

144

00:05:22,230 --> 00:05:20,479

and they were not made from sh they just

145

00:05:24,230 --> 00:05:22,240

whatever this was did not have shoes or

146

00:05:27,029 --> 00:05:24,240

anything like that in fact like a

147

00:05:28,550 --> 00:05:27,039

smaller heel and a larger top

148

00:05:30,390 --> 00:05:28,560

front end of the foot

149

00:05:32,150 --> 00:05:30,400

you know

150

00:05:33,749 --> 00:05:32,160

i don't know how long they were they're

151

00:05:35,909 --> 00:05:33,759

pretty good size i know you put your

152

00:05:38,950 --> 00:05:35,919

foot up there for comparison yeah it was

153

00:05:41,270 --> 00:05:38,960

much bigger than your foot now

154

00:05:43,749 --> 00:05:41,280

you know i know i know there is bigfoot

155

00:05:45,749 --> 00:05:43,759

activity in your area

156

00:05:48,310 --> 00:05:45,759

you live in somerset county you're not

157

00:05:51,110 --> 00:05:48,320

far from the chestnut ridge

158

00:05:52,710 --> 00:05:51,120

uh i'm not saying that's what it was i

159

00:05:55,270 --> 00:05:52,720

don't know what it was it could have

160

00:05:57,510 --> 00:05:55,280

been one of the unseen ones you had a

161

00:05:59,590 --> 00:05:57,520

lot of activity around your place

162

00:06:02,070 --> 00:05:59,600

we didn't kind of talk about some of the

163

00:06:04,230 --> 00:06:02,080

sightings that you and tommy your

164

00:06:06,469 --> 00:06:04,240

boyfriend have had

165

00:06:08,070 --> 00:06:06,479

of course um so the other night it was

166

00:06:10,150 --> 00:06:08,080

it was probably about two weeks ago it

167

00:06:11,830 --> 00:06:10,160

was right after we had come you know we

168

00:06:12,629 --> 00:06:11,840

had come home because it was after the

169

00:06:15,189 --> 00:06:12,639

show

170

00:06:17,909 --> 00:06:15,199

um i had seen one of the unseen ones i

171

00:06:19,749 --> 00:06:17,919

had seen asham outside uh my office

172

00:06:20,629 --> 00:06:19,759

window which is right here where i am

173

00:06:21,510 --> 00:06:20,639

now

174

00:06:23,830 --> 00:06:21,520

uh

175

00:06:25,909 --> 00:06:23,840

tommy my boyfriend had come in maybe 10

176

00:06:27,430 --> 00:06:25,919

minutes later and i just casually

177

00:06:29,510 --> 00:06:27,440

remarked you know hey do you see

178

00:06:30,870 --> 00:06:29,520

anything out there you know just to see

179

00:06:32,150 --> 00:06:30,880

his reaction

180

00:06:44,469 --> 00:06:32,160

and he

181

00:06:45,909 --> 00:06:44,479

as you know

182

00:06:48,230 --> 00:06:45,919

at least

183

00:06:50,790 --> 00:06:48,240

i think he said 10 foot off the ground

184

00:06:52,150 --> 00:06:50,800

um he said golf ball sized eyes that

185

00:06:53,909 --> 00:06:52,160

were glowing

186

00:06:55,430 --> 00:06:53,919

yellowish orange i believe he said

187

00:06:57,670 --> 00:06:55,440

that's what it was and he was he was

188

00:06:59,029 --> 00:06:57,680

very stunned the next day he even went

189

00:07:00,790 --> 00:06:59,039

outside and was standing there because

190

00:07:02,070 --> 00:07:00,800

it was in the neighbor's yard and he's

191

00:07:04,230 --> 00:07:02,080

trying to figure out he's like there's

192

00:07:05,830 --> 00:07:04,240

trees there there's there's no way that

193

00:07:07,350 --> 00:07:05,840

anything could have been reflecting he

194

00:07:09,029 --> 00:07:07,360

was just very

195

00:07:10,870 --> 00:07:09,039

he was very stunned

196

00:07:12,710 --> 00:07:10,880

about it

197

00:07:15,350 --> 00:07:12,720

um but yeah i had

198

00:07:16,469 --> 00:07:15,360

ashamed i had contact constantly with

199

00:07:18,629 --> 00:07:16,479

him

200

00:07:19,670 --> 00:07:18,639

so yeah that's what's been going on here

201
00:07:22,390 --> 00:07:19,680
right

202
00:07:25,110 --> 00:07:22,400
now i did get a question uh by maury

203
00:07:27,430 --> 00:07:25,120
gotti who had asked if the unseen one

204
00:07:29,430 --> 00:07:27,440
excuse me if the wing humidor that i saw

205
00:07:31,909 --> 00:07:29,440
back in 1988

206
00:07:34,790 --> 00:07:31,919
was an unseen one

207
00:07:36,390 --> 00:07:34,800
and jennifer assures me that it was not

208
00:07:39,350 --> 00:07:36,400
one of them

209
00:07:41,830 --> 00:07:39,360
so uh if it was they would have told her

210
00:07:42,790 --> 00:07:41,840
and uh i didn't think it was but you

211
00:07:46,230 --> 00:07:42,800
know

212
00:07:47,589 --> 00:07:46,240
i think it might have been a different

213
00:07:49,430 --> 00:07:47,599

a different one that might have came

214

00:07:51,749 --> 00:07:49,440

before but has nothing to do with the

215

00:07:53,430 --> 00:07:51,759

one sitter now and of course that's been

216

00:07:58,469 --> 00:07:53,440

a long time ago

217

00:08:00,230 --> 00:07:58,479

so exactly who knows you know you know i

218

00:08:01,830 --> 00:08:00,240

i the one thing i get from this and i

219

00:08:05,510 --> 00:08:01,840

told you all before we started to show

220

00:08:07,670 --> 00:08:05,520

that i'm kind of apprehensive tonight um

221

00:08:10,070 --> 00:08:07,680

i think we're going to

222

00:08:11,430 --> 00:08:10,080

continue to have encounters with these

223

00:08:14,390 --> 00:08:11,440

things

224

00:08:16,950 --> 00:08:14,400

and that maybe something may actually

225

00:08:19,589 --> 00:08:16,960

happen be happening tonight as well

226

00:08:21,749 --> 00:08:19,599

we're not sure yeah it's just you know

227

00:08:24,150 --> 00:08:21,759

that's just a sense i have

228

00:08:28,150 --> 00:08:24,160

uh these things do happen occasionally

229

00:08:30,390 --> 00:08:28,160

but who knows so uh manuel uh

230

00:08:33,269 --> 00:08:30,400

you've had some things going on talk

231

00:08:34,389 --> 00:08:33,279

again about your original encounter with

232

00:08:36,389 --> 00:08:34,399

guru

233

00:08:37,909 --> 00:08:36,399

and what you've been experiencing since

234

00:08:41,509 --> 00:08:37,919

then

235

00:08:43,990 --> 00:08:41,519

well uru is the unseen one that i've had

236

00:08:46,710 --> 00:08:44,000

more contact with um

237

00:08:47,750 --> 00:08:46,720

she is a young female

238

00:08:50,070 --> 00:08:47,760

um

239

00:08:51,750 --> 00:08:50,080

her first my first encounter was there

240

00:08:52,949 --> 00:08:51,760

at rest haven

241

00:08:54,550 --> 00:08:52,959

um

242

00:08:55,990 --> 00:08:54,560

and i was actually on the phone with you

243

00:08:57,590 --> 00:08:56,000

guys when it happened

244

00:08:58,870 --> 00:08:57,600

um

245

00:09:00,389 --> 00:08:58,880

she's

246

00:09:02,550 --> 00:09:00,399

it's kind of been building a

247

00:09:04,470 --> 00:09:02,560

relationship with her because

248

00:09:06,949 --> 00:09:04,480

at first she was very skittish she was

249

00:09:09,590 --> 00:09:06,959

very apprehensive i was too i was scared

250

00:09:11,910 --> 00:09:09,600

to death but

251

00:09:13,910 --> 00:09:11,920

do a lot of meditation a lot of work

252

00:09:17,509 --> 00:09:13,920

we've been able to get you know a pretty

253

00:09:19,269 --> 00:09:17,519

good relationship going and

254

00:09:20,870 --> 00:09:19,279

being able to uh

255

00:09:23,670 --> 00:09:20,880

to meditate more

256

00:09:24,710 --> 00:09:23,680

to focusing on her

257

00:09:28,310 --> 00:09:24,720

um

258

00:09:29,670 --> 00:09:28,320

that first encounter was pretty intense

259

00:09:31,269 --> 00:09:29,680

um

260

00:09:32,870 --> 00:09:31,279

she made her presence known even though

261

00:09:34,870 --> 00:09:32,880

i did not see her

262

00:09:37,990 --> 00:09:34,880

um she was standing behind me when she

263

00:09:40,470 --> 00:09:38,000

touched me she was um

264

00:09:41,350 --> 00:09:40,480

you know feeling she was touching my arm

265

00:09:42,230 --> 00:09:41,360

um

266

00:09:45,350 --> 00:09:42,240

you know

267

00:09:47,509 --> 00:09:45,360

she

268

00:09:49,350 --> 00:09:47,519

kind of made sure that we were you know

269

00:09:50,870 --> 00:09:49,360

i had the camera off i didn't have my

270

00:09:52,310 --> 00:09:50,880

phone on me

271

00:09:53,990 --> 00:09:52,320

um

272

00:09:55,190 --> 00:09:54,000

and since then

273

00:09:57,190 --> 00:09:55,200

it's been

274

00:09:59,990 --> 00:09:57,200

you know she makes a presence stone like

275

00:10:02,389 --> 00:10:00,000

i was telling you guys yesterday

276

00:10:04,870 --> 00:10:02,399

she's excitable she's still young she's

277

00:10:06,230 --> 00:10:04,880

pretty excitable and but what she does

278

00:10:07,990 --> 00:10:06,240

does that

279

00:10:10,230 --> 00:10:08,000

she overwhelms me

280

00:10:11,750 --> 00:10:10,240

i've had to just put a stop to it

281

00:10:13,590 --> 00:10:11,760

because

282

00:10:15,509 --> 00:10:13,600

she is trying to convey so much

283

00:10:16,710 --> 00:10:15,519

information and it's like sensory

284

00:10:19,509 --> 00:10:16,720

overload

285

00:10:21,030 --> 00:10:19,519

for me and it's been really really hard

286

00:10:23,670 --> 00:10:21,040

to try to

287

00:10:25,350 --> 00:10:23,680

you know work with her until recently

288

00:10:26,550 --> 00:10:25,360

that you know she's had to learn that

289

00:10:29,590 --> 00:10:26,560

you know

290

00:10:30,630 --> 00:10:29,600

because you're gonna give me a headache

291

00:10:33,190 --> 00:10:30,640

you're gonna

292

00:10:34,630 --> 00:10:33,200

you're you're basically flying my

293

00:10:37,990 --> 00:10:34,640

sensory nerves

294

00:10:39,590 --> 00:10:38,000

um by doing this um

295

00:10:41,350 --> 00:10:39,600

the last few days have been kind of

296

00:10:43,910 --> 00:10:41,360

really you know

297

00:10:44,949 --> 00:10:43,920

bizarre to be to say this to say the

298

00:10:47,990 --> 00:10:44,959

least

299

00:10:49,990 --> 00:10:48,000

um starting out with

300

00:10:51,590 --> 00:10:50,000

some of the contacts i have out at the

301
00:10:52,949 --> 00:10:51,600
airport

302
00:10:54,470 --> 00:10:52,959
most of you guys know i work for a

303
00:10:55,910 --> 00:10:54,480
trucking company i have a lot of

304
00:10:57,910 --> 00:10:55,920
contacts in the air at the airport

305
00:10:59,590 --> 00:10:57,920
because i work

306
00:11:01,910 --> 00:10:59,600
in the cargo as i've been working in the

307
00:11:03,910 --> 00:11:01,920
cargo areas of that airport for

308
00:11:06,470 --> 00:11:03,920
oh my god eight years

309
00:11:07,590 --> 00:11:06,480
um i've been in transportation almost 17

310
00:11:09,190 --> 00:11:07,600
years now

311
00:11:10,550 --> 00:11:09,200
um

312
00:11:11,910 --> 00:11:10,560
some of the people have been there

313
00:11:13,829 --> 00:11:11,920

telling me that

314

00:11:15,509 --> 00:11:13,839

how they started to start seeing more

315

00:11:18,949 --> 00:11:15,519

and more military vehicles at the

316

00:11:20,949 --> 00:11:18,959

airport um not only hummers but the big

317

00:11:22,150 --> 00:11:20,959

striker vehicles

318

00:11:24,470 --> 00:11:22,160

um

319

00:11:25,990 --> 00:11:24,480

which are like them the newer versions

320

00:11:27,430 --> 00:11:26,000

of the humber the more

321

00:11:29,190 --> 00:11:27,440

armored and

322

00:11:30,790 --> 00:11:29,200

more uh they're

323

00:11:32,550 --> 00:11:30,800

bigger um

324

00:11:34,710 --> 00:11:32,560

than most hummers are

325

00:11:36,230 --> 00:11:34,720

and then i've also said that they've

326
00:11:37,509 --> 00:11:36,240
been seeing a lot of blackhawk

327
00:11:39,750 --> 00:11:37,519
helicopters

328
00:11:41,430 --> 00:11:39,760
coming in and out and

329
00:11:43,350 --> 00:11:41,440
like i told the other night that they

330
00:11:45,590 --> 00:11:43,360
saw the ospreys

331
00:11:47,509 --> 00:11:45,600
that were there now this is a commercial

332
00:11:48,550 --> 00:11:47,519
airport this is

333
00:11:52,310 --> 00:11:48,560
um

334
00:11:54,710 --> 00:11:52,320
passengers cargo it's a civilian airport

335
00:11:56,470 --> 00:11:54,720
there should be no

336
00:11:57,990 --> 00:11:56,480
military activity especially when you

337
00:12:00,150 --> 00:11:58,000
have great lakes

338
00:12:01,269 --> 00:12:00,160

naval station maybe 30 minutes up the

339

00:12:02,389 --> 00:12:01,279

road

340

00:12:04,150 --> 00:12:02,399

um

341

00:12:05,350 --> 00:12:04,160

most of their traffic should be coming

342

00:12:08,870 --> 00:12:05,360

in and out

343

00:12:10,550 --> 00:12:08,880

of great lakes not aware um

344

00:12:11,829 --> 00:12:10,560

but lately there have been a lot of

345

00:12:12,949 --> 00:12:11,839

reports

346

00:12:15,269 --> 00:12:12,959

of um

347

00:12:17,750 --> 00:12:15,279

increased military presence at the

348

00:12:19,190 --> 00:12:17,760

airport uh especially after the last

349

00:12:20,389 --> 00:12:19,200

sighting that we had with the uh

350

00:12:21,509 --> 00:12:20,399

triangle

351
00:12:23,590 --> 00:12:21,519
and um

352
00:12:25,590 --> 00:12:23,600
with uru telling us that

353
00:12:27,430 --> 00:12:25,600
you know

354
00:12:28,550 --> 00:12:27,440
other people are starting to take notice

355
00:12:29,990 --> 00:12:28,560
um

356
00:12:31,190 --> 00:12:30,000
the other day like i was telling you i

357
00:12:32,790 --> 00:12:31,200
was at work

358
00:12:35,509 --> 00:12:32,800
and

359
00:12:37,910 --> 00:12:35,519
i i kept hearing you know i'm in the

360
00:12:39,990 --> 00:12:37,920
warehouse i'm working trying to

361
00:12:42,150 --> 00:12:40,000
load a truck get it ready to head out

362
00:12:43,910 --> 00:12:42,160
because it's been a busy week

363
00:12:45,590 --> 00:12:43,920

and i kept thinking i kept hearing

364

00:12:46,310 --> 00:12:45,600

something thumping

365

00:12:47,750 --> 00:12:46,320

so

366

00:12:49,670 --> 00:12:47,760

i stopped there forklift because it's

367

00:12:51,430 --> 00:12:49,680

making a lot of noise and

368

00:12:54,389 --> 00:12:51,440

and i hear

369

00:12:56,230 --> 00:12:54,399

what sounds like it's a helicopter now

370

00:12:58,150 --> 00:12:56,240

i mean i grew up in a military family so

371

00:12:58,870 --> 00:12:58,160

i know what military helicopters sound

372

00:13:01,750 --> 00:12:58,880

like

373

00:13:03,590 --> 00:13:01,760

they have titanium blades um

374

00:13:04,470 --> 00:13:03,600

so if you grew up around

375

00:13:09,190 --> 00:13:04,480

like

376

00:13:11,829 --> 00:13:09,200

vietnam era forward you know you know

377

00:13:14,230 --> 00:13:11,839

that they have a distinct sound um they

378

00:13:16,550 --> 00:13:14,240

have like a thump thump thump sound and

379

00:13:19,990 --> 00:13:16,560

it's very loud it can be heard from a

380

00:13:22,069 --> 00:13:20,000

very long distance um

381

00:13:23,910 --> 00:13:22,079

my um i didn't think anything of it

382

00:13:25,509 --> 00:13:23,920

because we get helicopters all the time

383

00:13:27,750 --> 00:13:25,519

going over the area

384

00:13:29,350 --> 00:13:27,760

um but i kept thinking like that's a

385

00:13:30,629 --> 00:13:29,360

military helicopter

386

00:13:32,629 --> 00:13:30,639

um

387

00:13:33,670 --> 00:13:32,639

that's when the fleet manager comes in

388

00:13:34,389 --> 00:13:33,680

and he's said

389

00:13:47,590 --> 00:13:34,399

he

390

00:13:49,030 --> 00:13:47,600

and um

391

00:13:50,389 --> 00:13:49,040

the way he described it the blackhawk

392

00:13:53,030 --> 00:13:50,399

helicopter

393

00:13:54,310 --> 00:13:53,040

but he was like he said it was a black

394

00:13:59,350 --> 00:13:54,320

helicopter

395

00:14:02,629 --> 00:13:59,360

and

396

00:14:04,629 --> 00:14:02,639

that is just strange because weird where

397

00:14:07,350 --> 00:14:04,639

i work is a very heavily industrialized

398

00:14:09,030 --> 00:14:07,360

area so there are warehouses all around

399

00:14:11,189 --> 00:14:09,040

me there are no

400

00:14:12,710 --> 00:14:11,199

there are no airports there are nearest

401
00:14:15,350 --> 00:14:12,720
airports maybe

402
00:14:17,110 --> 00:14:15,360
five miles away and it's a small airport

403
00:14:19,030 --> 00:14:17,120
like for cessnas

404
00:14:21,350 --> 00:14:19,040
and darn they're not even

405
00:14:23,350 --> 00:14:21,360
the closest like

406
00:14:24,230 --> 00:14:23,360
residential houses are maybe half a mile

407
00:14:26,389 --> 00:14:24,240
away

408
00:14:27,750 --> 00:14:26,399
um it's everything is there is just

409
00:14:29,590 --> 00:14:27,760
warehouses

410
00:14:31,670 --> 00:14:29,600
and what would a military helicopter be

411
00:14:34,550 --> 00:14:31,680
hovering there and they was there for

412
00:14:35,750 --> 00:14:34,560
i want to say a good 10 minutes

413
00:14:37,110 --> 00:14:35,760

um

414

00:14:38,310 --> 00:14:37,120

having

415

00:14:40,310 --> 00:14:38,320

you know like i was talking to you guys

416

00:14:42,310 --> 00:14:40,320

say today i was on the way home

417

00:14:44,310 --> 00:14:42,320

and

418

00:14:46,069 --> 00:14:44,320

you know we encountered what three four

419

00:14:49,750 --> 00:14:46,079

helicopters

420

00:14:50,629 --> 00:14:49,760

um along with a bunch of black suvs

421

00:14:52,790 --> 00:14:50,639

so

422

00:14:54,150 --> 00:14:52,800

yeah the last few weeks have been really

423

00:14:55,189 --> 00:14:54,160

really interesting

424

00:14:58,710 --> 00:14:55,199

um

425

00:14:59,590 --> 00:14:58,720

herself known

426
00:15:01,189 --> 00:14:59,600
and

427
00:15:02,870 --> 00:15:01,199
she said you know

428
00:15:04,470 --> 00:15:02,880
the attention that's starting to be

429
00:15:06,470 --> 00:15:04,480
garnered by this is starting to attract

430
00:15:07,350 --> 00:15:06,480
the attention of other things

431
00:15:08,710 --> 00:15:07,360
um

432
00:15:10,870 --> 00:15:08,720
and

433
00:15:12,150 --> 00:15:10,880
it's gonna put you guys in danger

434
00:15:14,310 --> 00:15:12,160
uh because you're attracting the

435
00:15:15,430 --> 00:15:14,320
attention of something else

436
00:15:17,670 --> 00:15:15,440
um

437
00:15:19,509 --> 00:15:17,680
at first we didn't kind of know i mean

438
00:15:21,990 --> 00:15:19,519

it wasn't until we discussed it that we

439

00:15:24,310 --> 00:15:22,000

just you know we thought that it has to

440

00:15:25,670 --> 00:15:24,320

be something outside like

441

00:15:27,509 --> 00:15:25,680

you know

442

00:15:29,350 --> 00:15:27,519

governmental or something because it

443

00:15:30,870 --> 00:15:29,360

couldn't be anything else

444

00:15:32,710 --> 00:15:30,880

um

445

00:15:35,189 --> 00:15:32,720

but lately the events of those last few

446

00:15:36,629 --> 00:15:35,199

weeks have been really really

447

00:15:38,470 --> 00:15:36,639

um

448

00:15:40,629 --> 00:15:38,480

have been really overwhelming right

449

00:15:41,910 --> 00:15:40,639

because she's made herself known she's

450

00:15:43,590 --> 00:15:41,920

made itself

451
00:15:44,629 --> 00:15:43,600
made herself know that you know there

452
00:15:47,110 --> 00:15:44,639
are

453
00:15:48,790 --> 00:15:47,120
you know activities starting to pick up

454
00:15:50,470 --> 00:15:48,800
they're starting to you know they're

455
00:15:51,829 --> 00:15:50,480
gonna start making their presence known

456
00:15:53,269 --> 00:15:51,839
even more

457
00:15:55,430 --> 00:15:53,279
um and that

458
00:15:58,310 --> 00:15:55,440
we could possibly be seeing you know an

459
00:15:59,430 --> 00:15:58,320
uptick in more sightings or in more

460
00:16:02,150 --> 00:15:59,440
activity

461
00:16:04,949 --> 00:16:02,160
not only between us as the team but

462
00:16:07,509 --> 00:16:04,959
outside of you know people seeing things

463
00:16:10,550 --> 00:16:07,519

yeah well that's a big reason why i'm

464

00:16:11,910 --> 00:16:10,560

making a push now for a worldwide

465

00:16:16,629 --> 00:16:11,920

uh

466

00:16:21,910 --> 00:16:19,829

call for wing humanoid settings

467

00:16:23,430 --> 00:16:21,920

because i'm sure other people are seeing

468

00:16:24,629 --> 00:16:23,440

these things they're just not reporting

469

00:16:26,629 --> 00:16:24,639

them

470

00:16:29,430 --> 00:16:26,639

we and we have been successfully getting

471

00:16:31,350 --> 00:16:29,440

a few sightings but um

472

00:16:33,670 --> 00:16:31,360

and in fact um

473

00:16:36,069 --> 00:16:33,680

vincent got a sighting

474

00:16:37,749 --> 00:16:36,079

not long ago and we do have a picture of

475

00:16:40,310 --> 00:16:37,759

that of a wing being i think it was out

476

00:16:42,629 --> 00:16:40,320
of florida how about that vincent

477

00:16:45,110 --> 00:16:42,639
yeah it was out of florida

478

00:16:47,509 --> 00:16:45,120
speaking with a woman who has been uh

479

00:16:49,350 --> 00:16:47,519
having different um

480

00:16:50,550 --> 00:16:49,360
not that picture bill

481

00:16:51,590 --> 00:16:50,560
um

482

00:16:57,269 --> 00:16:51,600
different

483

00:16:59,590 --> 00:16:57,279
abduction phenomenon since she was a

484

00:17:02,310 --> 00:16:59,600
little girl now

485

00:17:05,350 --> 00:17:02,320
in her 20s she had a rash of ufo

486

00:17:07,590 --> 00:17:05,360
sightings now this picture here

487

00:17:09,350 --> 00:17:07,600
she went to take picture of a ufo and

488

00:17:12,390 --> 00:17:09,360

when she snapped the picture that's uh

489

00:17:15,829 --> 00:17:12,400

she saw that uh creature

490

00:17:18,470 --> 00:17:15,839

outside of the craft

491

00:17:20,870 --> 00:17:18,480

and that that is uh one of the leads

492

00:17:23,750 --> 00:17:20,880

that we are following right now

493

00:17:25,990 --> 00:17:23,760

and that was in florida

494

00:17:29,110 --> 00:17:26,000

you know let me ask let me ask jennifer

495

00:17:31,669 --> 00:17:29,120

how do we differentiate the the sexes of

496

00:17:34,150 --> 00:17:31,679

these beings have they told you that yes

497

00:17:36,789 --> 00:17:34,160

they tell us

498

00:17:37,590 --> 00:17:36,799

but as far as ashley seeing a difference

499

00:17:39,510 --> 00:17:37,600

is

500

00:17:41,830 --> 00:17:39,520

can we see anything

501
00:17:44,549 --> 00:17:41,840
not that i'm aware of okay although um

502
00:17:46,070 --> 00:17:44,559
ratiki and rakeshi are twins

503
00:17:46,950 --> 00:17:46,080
right male

504
00:17:47,750 --> 00:17:46,960
right

505
00:17:49,990 --> 00:17:47,760
so

506
00:17:51,590 --> 00:17:50,000
and we're looking at nine and i believe

507
00:17:53,990 --> 00:17:51,600
that's correct we're looking at nine

508
00:17:56,390 --> 00:17:54,000
different identified beings at this

509
00:17:58,070 --> 00:17:56,400
point at this point yeah

510
00:17:59,270 --> 00:17:58,080
we had i think we had two more come up

511
00:18:03,110 --> 00:17:59,280
this week

512
00:18:05,190 --> 00:18:03,120
uh and in fact our our other associate

513
00:18:07,430 --> 00:18:05,200

tobias whalen

514

00:18:10,789 --> 00:18:07,440

uh who had talked about an encounter he

515

00:18:13,510 --> 00:18:10,799

had out at the uh kettle moraine

516

00:18:15,350 --> 00:18:13,520

has identified itself now what the name

517

00:18:17,270 --> 00:18:15,360

of that one again

518

00:18:20,230 --> 00:18:17,280

rakeshi and i told

519

00:18:21,750 --> 00:18:20,240

i told uh tobias about that

520

00:18:23,990 --> 00:18:21,760

so he's gonna be on the lookout and try

521

00:18:25,990 --> 00:18:24,000

to make contact as well so

522

00:18:28,710 --> 00:18:26,000

you know this is this is what we're

523

00:18:30,870 --> 00:18:28,720

getting um do you have anything to say

524

00:18:33,830 --> 00:18:30,880

about anything else steve vincent about

525

00:18:38,470 --> 00:18:33,840

that that sighting or anything else

526

00:18:39,590 --> 00:18:38,480

uh there has been uh some some uh spooky

527

00:18:41,270 --> 00:18:39,600

action

528

00:18:43,110 --> 00:18:41,280

at the house lately

529

00:18:44,549 --> 00:18:43,120

i um have

530

00:18:46,710 --> 00:18:44,559

seen with a lot of these

531

00:18:47,830 --> 00:18:46,720

interdimensional being cases that there

532

00:18:51,830 --> 00:18:47,840

seems to be

533

00:18:53,909 --> 00:18:51,840

high strangeness and weird um

534

00:18:56,870 --> 00:18:53,919

almost like a poltergeist active

535

00:18:59,110 --> 00:18:56,880

activity that's uh

536

00:19:01,830 --> 00:18:59,120

comes along with it but do we think that

537

00:19:04,390 --> 00:19:01,840

we associated with this

538

00:19:06,710 --> 00:19:04,400

i guess it's a possibility it could be

539

00:19:08,710 --> 00:19:06,720

yeah i'm not sure uh we've definitely

540

00:19:11,830 --> 00:19:08,720

been getting some weird dreams around

541

00:19:16,789 --> 00:19:14,310

even my fiance thinks that they made

542

00:19:20,789 --> 00:19:16,799

contact with her

543

00:19:23,110 --> 00:19:20,799

so it's things are picking up um

544

00:19:25,350 --> 00:19:23,120

well it's been an enigma you know

545

00:19:27,270 --> 00:19:25,360

and and folks look those in the chat

546

00:19:29,510 --> 00:19:27,280

again if you have questions feel free to

547

00:19:31,669 --> 00:19:29,520

put them up there use all caps if you

548

00:19:33,190 --> 00:19:31,679

could it's easier for me to see i

549

00:19:33,990 --> 00:19:33,200

appreciate it

550

00:19:35,750 --> 00:19:34,000

uh

551
00:19:37,669 --> 00:19:35,760
well here here's an interesting question

552
00:19:42,470 --> 00:19:37,679
from maury gaddy

553
00:19:44,789 --> 00:19:42,480
what do you all think this is leading to

554
00:19:49,350 --> 00:19:44,799
does anybody know

555
00:19:54,950 --> 00:19:52,390
oh you're muted bernie's in in

556
00:19:57,590 --> 00:19:54,960
can you hear me now yeah okay

557
00:20:00,470 --> 00:19:57,600
uh that is a very good question i

558
00:20:02,390 --> 00:20:00,480
i couldn't begin to tell you i just know

559
00:20:04,870 --> 00:20:02,400
that there are going to be more coming

560
00:20:07,669 --> 00:20:04,880
they want to be among us

561
00:20:10,149 --> 00:20:07,679
that's all i was ever told

562
00:20:11,909 --> 00:20:10,159
i you know they're interested they were

563
00:20:15,350 --> 00:20:11,919

among us to begin with so they're

564

00:20:20,070 --> 00:20:17,510

but they're fearful they're fearful yeah

565

00:20:22,950 --> 00:20:20,080

i mean they've been hurt i mean i i

566

00:20:25,110 --> 00:20:22,960

think that anyone who has been attacked

567

00:20:28,070 --> 00:20:25,120

or kidnapped or hurt in some way by

568

00:20:29,909 --> 00:20:28,080

someone they would be fearful of going

569

00:20:32,149 --> 00:20:29,919

with that group of people or going into

570

00:20:33,590 --> 00:20:32,159

that group of people if that makes any

571

00:20:35,430 --> 00:20:33,600

sense

572

00:20:38,630 --> 00:20:35,440

and

573

00:20:39,909 --> 00:20:38,640

in certain ways we continue to harm them

574

00:20:43,110 --> 00:20:39,919

right so

575

00:20:45,350 --> 00:20:43,120

you know it's only fair

576

00:20:48,630 --> 00:20:45,360

that they would be weary of us

577

00:20:51,350 --> 00:20:48,640

yeah and another factor that's that

578

00:20:54,470 --> 00:20:51,360

has been made us we've been made aware

579

00:20:57,110 --> 00:20:54,480

of are that there are

580

00:20:58,950 --> 00:20:57,120

extraterrestrial or other factions

581

00:21:01,430 --> 00:20:58,960

that are chasing them and of course we

582

00:21:02,630 --> 00:21:01,440

had a an encounter that manuel can tell

583

00:21:06,630 --> 00:21:02,640

us about

584

00:21:09,750 --> 00:21:06,640

uh that happened with the security guard

585

00:21:11,990 --> 00:21:09,760

out at o'hara uh manuel can you tell us

586

00:21:14,390 --> 00:21:12,000

a bit about that

587

00:21:17,190 --> 00:21:14,400

yeah it was a few weeks ago actually

588

00:21:20,630 --> 00:21:17,200

about a month and a half ago um

589

00:21:22,070 --> 00:21:20,640

gentlemen was there um as if you live

590

00:21:24,630 --> 00:21:22,080

around the chicago area you know that

591

00:21:27,110 --> 00:21:24,640

o'hare's going to a major expansion

592

00:21:29,590 --> 00:21:27,120

uh they're basically almost doubling the

593

00:21:31,990 --> 00:21:29,600

size of the airport

594

00:21:34,710 --> 00:21:32,000

and as part of it there are little like

595

00:21:36,310 --> 00:21:34,720

construction areas that are scattered

596

00:21:37,350 --> 00:21:36,320

all around the area

597

00:21:39,350 --> 00:21:37,360

um

598

00:21:41,669 --> 00:21:39,360

now you kind of don't imagine oh here's

599

00:21:44,549 --> 00:21:41,679

the size of a small city

600

00:21:45,750 --> 00:21:44,559

i mean it's absolutely massive

601
00:21:48,470 --> 00:21:45,760
um

602
00:21:50,789 --> 00:21:48,480
the one thing about it is uh

603
00:21:54,789 --> 00:21:50,799
this particular gentleman was there as a

604
00:21:57,190 --> 00:21:54,799
security guard overseeing an area

605
00:21:59,029 --> 00:21:57,200
along the train tracks that

606
00:21:59,830 --> 00:21:59,039
produces asphalt

607
00:22:02,310 --> 00:21:59,840
um

608
00:22:04,310 --> 00:22:02,320
so his job like he said

609
00:22:06,470 --> 00:22:04,320
was pretty routine he just made sure

610
00:22:07,350 --> 00:22:06,480
that there was nothing going on

611
00:22:09,350 --> 00:22:07,360
um

612
00:22:10,470 --> 00:22:09,360
no he said the occasional homeless

613
00:22:12,950 --> 00:22:10,480

person

614

00:22:15,750 --> 00:22:12,960

or you know teenagers trying to find a

615

00:22:16,870 --> 00:22:15,760

you know dark secluded spot

616

00:22:18,149 --> 00:22:16,880

um

617

00:22:20,149 --> 00:22:18,159

is about the

618

00:22:22,149 --> 00:22:20,159

extent of the stuff that he happened to

619

00:22:24,710 --> 00:22:22,159

run into every once in a while

620

00:22:27,029 --> 00:22:24,720

so he says that um

621

00:22:29,029 --> 00:22:27,039

one night he was out there he said about

622

00:22:31,190 --> 00:22:29,039

one o'clock in the morning he's says

623

00:22:32,390 --> 00:22:31,200

that he's up around uh the back end of

624

00:22:33,270 --> 00:22:32,400

that lot

625

00:22:34,630 --> 00:22:33,280

um

626

00:22:36,950 --> 00:22:34,640

just sitting there

627

00:22:38,149 --> 00:22:36,960

uh listening to the radio and he says

628

00:22:39,830 --> 00:22:38,159

all of a sudden the whole area is just

629

00:22:40,630 --> 00:22:39,840

bathed in light

630

00:22:42,470 --> 00:22:40,640

um

631

00:22:45,190 --> 00:22:42,480

he says it was just bright he could look

632

00:22:46,789 --> 00:22:45,200

across the compound and see everything

633

00:22:50,630 --> 00:22:46,799

and

634

00:22:52,630 --> 00:22:50,640

was gone

635

00:22:54,630 --> 00:22:52,640

so he got out started looking around

636

00:22:55,590 --> 00:22:54,640

thinking he heard something

637

00:22:57,909 --> 00:22:55,600

so

638

00:23:00,470 --> 00:22:57,919

he says he grounds the corner

639

00:23:02,789 --> 00:23:00,480

and there's this being there um he says

640

00:23:04,950 --> 00:23:02,799

about seven foot tall thin

641

00:23:06,070 --> 00:23:04,960

large wings red eyes

642

00:23:09,190 --> 00:23:06,080

and um

643

00:23:10,950 --> 00:23:09,200

but he says that um about the same time

644

00:23:12,390 --> 00:23:10,960

he says he looks above something just

645

00:23:15,110 --> 00:23:12,400

makes him look up

646

00:23:16,470 --> 00:23:15,120

and there's a large triangular craft

647

00:23:17,750 --> 00:23:16,480

sitting there

648

00:23:18,870 --> 00:23:17,760

um

649

00:23:20,950 --> 00:23:18,880

right above

650

00:23:23,190 --> 00:23:20,960

and he says that um

651
00:23:24,070 --> 00:23:23,200
the trying to craft you know there was a

652
00:23:25,029 --> 00:23:24,080
bright

653
00:23:26,470 --> 00:23:25,039
you know

654
00:23:29,510 --> 00:23:26,480
bright light again

655
00:23:31,669 --> 00:23:29,520
and he says within seconds it it's like

656
00:23:34,549 --> 00:23:31,679
you know the the being's gone

657
00:23:36,710 --> 00:23:34,559
and the uh the craft is you know slowly

658
00:23:38,870 --> 00:23:36,720
trying to it's making its way away from

659
00:23:39,830 --> 00:23:38,880
where he's at he says

660
00:23:41,669 --> 00:23:39,840
it'll

661
00:23:43,510 --> 00:23:41,679
ascend it for a few seconds and it was

662
00:23:45,909 --> 00:23:43,520
just shot out of sight

663
00:23:47,190 --> 00:23:45,919

um and he said that this thing was huge

664

00:23:49,110 --> 00:23:47,200

he says that

665

00:23:51,909 --> 00:23:49,120

easily could be you know a few football

666

00:23:52,710 --> 00:23:51,919

fields in length you know and trying to

667

00:23:55,350 --> 00:23:52,720

shake

668

00:23:56,789 --> 00:23:55,360

he says it was very distinct against the

669

00:23:58,310 --> 00:23:56,799

sky

670

00:24:00,549 --> 00:23:58,320

and um

671

00:24:02,830 --> 00:24:00,559

you know i when he reported it you know

672

00:24:05,590 --> 00:24:02,840

i guess

673

00:24:06,789 --> 00:24:05,600

um you know i told the team about this

674

00:24:08,710 --> 00:24:06,799

and you know

675

00:24:10,710 --> 00:24:08,720

uru made her presence known about it and

676

00:24:13,029 --> 00:24:10,720

she's like yeah you know

677

00:24:15,190 --> 00:24:13,039

this all happened you know

678

00:24:18,789 --> 00:24:15,200

she wasn't happy about it she wasn't

679

00:24:21,269 --> 00:24:18,799

happy about the craft itself um

680

00:24:22,549 --> 00:24:21,279

i guess it caused um

681

00:24:23,430 --> 00:24:22,559

some stress

682

00:24:27,750 --> 00:24:23,440

you know

683

00:24:30,070 --> 00:24:27,760

um the crap was not supposed to be there

684

00:24:32,230 --> 00:24:30,080

and this gentleman he says that he was

685

00:24:34,070 --> 00:24:32,240

so traumatized and this is a guy who's

686

00:24:36,070 --> 00:24:34,080

an afghanistan vet

687

00:24:37,430 --> 00:24:36,080

so he's used to seeing you know he's

688

00:24:39,430 --> 00:24:37,440

been in combat

689

00:24:40,870 --> 00:24:39,440

he says they traumatized him he says he

690

00:24:43,029 --> 00:24:40,880

stayed in his truck the rest of the

691

00:24:45,750 --> 00:24:43,039

night with the lights on and doors

692

00:24:47,830 --> 00:24:45,760

locked till morning time

693

00:24:49,830 --> 00:24:47,840

even he left and he says that it took a

694

00:24:51,430 --> 00:24:49,840

few days for him to get back

695

00:24:52,630 --> 00:24:51,440

you know back into the groove of things

696

00:24:53,750 --> 00:24:52,640

because he says he was just so

697

00:24:56,070 --> 00:24:53,760

traumatized

698

00:24:58,390 --> 00:24:56,080

but this is only

699

00:25:02,230 --> 00:24:58,400

i want to say directly involved with

700

00:25:03,990 --> 00:25:02,240

wing humanoids maybe the second or third

701
00:25:05,830 --> 00:25:04,000
incident where we've had a craft i mean

702
00:25:07,909 --> 00:25:05,840
we had the one over the lake

703
00:25:10,070 --> 00:25:07,919
which was uh seen by the group of people

704
00:25:13,350 --> 00:25:10,080
that were out there at a party on the

705
00:25:14,549 --> 00:25:13,360
boat they saw it circling overhead

706
00:25:18,950 --> 00:25:14,559
then

707
00:25:21,750 --> 00:25:18,960
it left this was a the montrose beach

708
00:25:25,190 --> 00:25:21,760
and um he says within seconds they saw a

709
00:25:26,149 --> 00:25:25,200
bright super bright uh green orb

710
00:25:27,269 --> 00:25:26,159
um

711
00:25:29,669 --> 00:25:27,279
traveling

712
00:25:31,269 --> 00:25:29,679
across the horizon

713
00:25:32,789 --> 00:25:31,279

from what they're looking at is right

714

00:25:34,950 --> 00:25:32,799

above the water

715

00:25:36,789 --> 00:25:34,960

um i remember that was funny because

716

00:25:38,149 --> 00:25:36,799

mufon said oh they were seeing a cargo

717

00:25:39,110 --> 00:25:38,159

ship go by

718

00:25:41,110 --> 00:25:39,120

um

719

00:25:42,950 --> 00:25:41,120

i've seen

720

00:25:45,909 --> 00:25:42,960

yeah these cargo are massive and they're

721

00:25:47,830 --> 00:25:45,919

lit up from stern to tail you know or

722

00:25:49,830 --> 00:25:47,840

bow to stern um

723

00:25:52,630 --> 00:25:49,840

i'm sorry i'm not up on my nautical

724

00:25:53,990 --> 00:25:52,640

terminology but uh okay but they're lit

725

00:25:56,630 --> 00:25:54,000

up they're like they're like made up

726

00:25:58,710 --> 00:25:56,640

like a city they're they're easily found

727

00:26:01,669 --> 00:25:58,720

you know unseen on the lake because they

728

00:26:03,110 --> 00:26:01,679

go uh to the harbor in chicago

729

00:26:04,710 --> 00:26:03,120

at calumet

730

00:26:06,310 --> 00:26:04,720

and um

731

00:26:08,830 --> 00:26:06,320

then we had the incident with the uh

732

00:26:13,350 --> 00:26:08,840

over the cemetery where somebody saw the

733

00:26:15,590 --> 00:26:13,360

um d-craft the eggsh uh was it eggshell

734

00:26:17,590 --> 00:26:15,600

it was egg-shaped it's a very bright egg

735

00:26:19,909 --> 00:26:17,600

shape and they saw something being

736

00:26:22,310 --> 00:26:19,919

ascended into the craft yeah the

737

00:26:24,070 --> 00:26:22,320

humanoid shaped bean was was

738

00:26:25,510 --> 00:26:24,080

literally ascended up into the craft

739

00:26:27,510 --> 00:26:25,520

from the cemetery

740

00:26:30,230 --> 00:26:27,520

yep and but we had the incident in

741

00:26:32,630 --> 00:26:30,240

rosemont with the uh lady who uh

742

00:26:34,549 --> 00:26:32,640

cited the the winged humanoid and uh

743

00:26:36,310 --> 00:26:34,559

what appeared to be an alien gray and

744

00:26:40,390 --> 00:26:36,320

then two humans

745

00:26:42,710 --> 00:26:40,400

that were female and following the gray

746

00:26:43,750 --> 00:26:42,720

like either they were being abducted or

747

00:26:44,710 --> 00:26:43,760

they were

748

00:26:46,710 --> 00:26:44,720

um

749

00:26:48,549 --> 00:26:46,720

what you would call like the hybrid

750

00:26:50,710 --> 00:26:48,559

uh species

751
00:26:52,710 --> 00:26:50,720
but um and she says and there was a

752
00:26:54,230 --> 00:26:52,720
bright blue light that bathed the area

753
00:26:56,870 --> 00:26:54,240
and they were gone and the only one that

754
00:26:58,870 --> 00:26:56,880
left was the wing humanoid who promptly

755
00:27:01,029 --> 00:26:58,880
took off so

756
00:27:03,590 --> 00:27:01,039
the sh the green humanoid sightings with

757
00:27:07,110 --> 00:27:03,600
the ships or with any kind of craft

758
00:27:08,149 --> 00:27:07,120
have been um they're not that common uh

759
00:27:09,669 --> 00:27:08,159
and

760
00:27:12,789 --> 00:27:09,679
that's saying a lot because lake

761
00:27:16,149 --> 00:27:12,799
michigan is very very well known for

762
00:27:17,750 --> 00:27:16,159
ufo uso reports um

763
00:27:19,590 --> 00:27:17,760

i mean back

764

00:27:21,669 --> 00:27:19,600

even before you know when the uh the

765

00:27:24,230 --> 00:27:21,679

native americans were still here

766

00:27:26,149 --> 00:27:24,240

uh their tales of you know seeing stars

767

00:27:27,269 --> 00:27:26,159

that come out of the water

768

00:27:30,549 --> 00:27:27,279

um

769

00:27:32,470 --> 00:27:30,559

how many uh reports have you know

770

00:27:35,830 --> 00:27:32,480

you know ufo clearinghouse venom and

771

00:27:37,909 --> 00:27:35,840

monsters um and moop on

772

00:27:40,070 --> 00:27:37,919

and singular forwarding decided taking

773

00:27:42,710 --> 00:27:40,080

you know of ufos usos

774

00:27:43,510 --> 00:27:42,720

being seen over the lake you know or

775

00:27:45,909 --> 00:27:43,520

you know

776

00:27:46,710 --> 00:27:45,919

actually descending into the lake well

777

00:27:49,190 --> 00:27:46,720

you know

778

00:27:50,630 --> 00:27:49,200

jennifer mentioned not long ago that

779

00:27:53,350 --> 00:27:50,640

they have mentioned to her that there

780

00:27:55,430 --> 00:27:53,360

are two portals and one is near the

781

00:27:59,669 --> 00:27:55,440

lakeshore out in the lake

782

00:28:03,590 --> 00:27:59,679

and one is that ever i mean at resthaven

783

00:28:05,590 --> 00:28:03,600

so yeah i mean you know it it we are

784

00:28:07,269 --> 00:28:05,600

getting some

785

00:28:09,110 --> 00:28:07,279

uh connection possibly the

786

00:28:12,310 --> 00:28:09,120

extraterrestrial it does seem that way

787

00:28:15,510 --> 00:28:12,320

possibly craft it does seem that way

788

00:28:17,350 --> 00:28:15,520

but uh you know it is it has been very

789

00:28:19,750 --> 00:28:17,360

rare i mean compared to the number of

790

00:28:21,190 --> 00:28:19,760

sayings we've had and god knows how many

791

00:28:23,190 --> 00:28:21,200

sites we haven't been told you know

792

00:28:24,630 --> 00:28:23,200

haven't been reported to us you know i

793

00:28:26,950 --> 00:28:24,640

did get another question here and i'm

794

00:28:30,230 --> 00:28:26,960

going to ask jennifer about it uh james

795

00:28:33,029 --> 00:28:30,240

west as do they use physical spiritual

796

00:28:36,070 --> 00:28:33,039

energy to come to our dimension

797

00:28:37,190 --> 00:28:36,080

or do they use some type of tech what do

798

00:28:41,350 --> 00:28:37,200

you think

799

00:28:44,470 --> 00:28:41,360

i asked they use tech you use tech yeah

800

00:28:45,990 --> 00:28:44,480

interesting well there you go

801
00:28:54,710 --> 00:28:46,000
uh

802
00:28:57,029 --> 00:28:54,720
you've been told about tech or some type

803
00:28:58,630 --> 00:28:57,039
of spiritual energy and connection with

804
00:28:59,510 --> 00:28:58,640
them

805
00:29:07,990 --> 00:28:59,520
i

806
00:29:12,549 --> 00:29:08,000
yeah

807
00:29:14,070 --> 00:29:12,559
um

808
00:29:16,549 --> 00:29:14,080
so anyway

809
00:29:18,630 --> 00:29:16,559
i i'm looking at the questions here

810
00:29:22,230 --> 00:29:18,640
folks i appreciate it

811
00:29:26,470 --> 00:29:24,310
okay go ahead go ahead jennifer

812
00:29:28,870 --> 00:29:26,480
i wanted to bring up um a question

813
00:29:32,310 --> 00:29:28,880

that's come up a couple of times and

814

00:29:33,269 --> 00:29:32,320

that is what makes me bernadette

815

00:29:35,909 --> 00:29:33,279

um

816

00:29:38,230 --> 00:29:35,919

members of our team so special that

817

00:29:40,070 --> 00:29:38,240

they want to talk to us and

818

00:29:42,070 --> 00:29:40,080

i wanted just to say there's nothing

819

00:29:42,950 --> 00:29:42,080

special about any of us

820

00:29:45,190 --> 00:29:42,960

um

821

00:29:47,350 --> 00:29:45,200

they came to me showed me how to

822

00:29:48,470 --> 00:29:47,360

communicate with them

823

00:29:51,350 --> 00:29:48,480

and

824

00:29:53,110 --> 00:29:51,360

asked for those individuals by name

825

00:29:55,909 --> 00:29:53,120

i taught them how to communicate with

826

00:29:57,510 --> 00:29:55,919

them although each person

827

00:29:59,029 --> 00:29:57,520

has learned to

828

00:30:00,630 --> 00:29:59,039

hear and see a little bit differently

829

00:30:01,590 --> 00:30:00,640

than i do everybody has a different

830

00:30:04,230 --> 00:30:01,600

sense

831

00:30:06,389 --> 00:30:04,240

but i believe that all of us can talk

832

00:30:08,630 --> 00:30:06,399

it's just a part of our brain that we

833

00:30:10,630 --> 00:30:08,640

don't use very often

834

00:30:12,630 --> 00:30:10,640

and as i said there's nothing special

835

00:30:14,230 --> 00:30:12,640

about any of us yeah

836

00:30:16,310 --> 00:30:14,240

well i know there's nothing different

837

00:30:18,070 --> 00:30:16,320

special about me so

838

00:30:19,830 --> 00:30:18,080

i don't know about everybody else but

839

00:30:21,350 --> 00:30:19,840

there's definitely something to that but

840

00:30:24,310 --> 00:30:21,360

it's interesting

841

00:30:27,269 --> 00:30:24,320

that the people who are

842

00:30:30,950 --> 00:30:27,279

are working on this this

843

00:30:32,870 --> 00:30:30,960

uh on this special team

844

00:30:35,430 --> 00:30:32,880

apart from fans monsters fortune

845

00:30:37,590 --> 00:30:35,440

research have been requested to work

846

00:30:39,029 --> 00:30:37,600

on this special team

847

00:30:41,110 --> 00:30:39,039

and um

848

00:30:43,590 --> 00:30:41,120

and i believe it's for reasons that you

849

00:30:45,830 --> 00:30:43,600

know they communicate with us

850

00:30:49,590 --> 00:30:45,840

with them i you know i honestly i

851

00:30:52,470 --> 00:30:49,600

haven't i i had initially had some

852

00:30:54,549 --> 00:30:52,480

contact but not to the degree these

853

00:30:57,830 --> 00:30:54,559

other folks have been having

854

00:31:01,350 --> 00:30:57,840

so uh you know i guess i'm kind of the

855

00:31:03,669 --> 00:31:01,360

master ceremonies in this whole thing so

856

00:31:06,310 --> 00:31:03,679

that's i guess that's how it goes

857

00:31:09,430 --> 00:31:06,320

but um and the thing is

858

00:31:11,750 --> 00:31:09,440

really the biggest thing is

859

00:31:13,590 --> 00:31:11,760

as as far as going back to this uh thing

860

00:31:15,509 --> 00:31:13,600

with the portals i mean

861

00:31:16,630 --> 00:31:15,519

like we discussed before with the team

862

00:31:19,590 --> 00:31:16,640

and not only

863

00:31:20,470 --> 00:31:19,600

with this team but also the 14 research

864

00:31:22,789 --> 00:31:20,480

team

865

00:31:27,190 --> 00:31:22,799

um

866

00:31:29,269 --> 00:31:27,200

the ley lines chicago and especially the

867

00:31:31,509 --> 00:31:29,279

area around

868

00:31:34,470 --> 00:31:31,519

lake michigan are just heavy

869

00:31:36,310 --> 00:31:34,480

extremely heavy with ley lines it's um

870

00:31:38,389 --> 00:31:36,320

in fact there is actually a convergence

871

00:31:40,470 --> 00:31:38,399

of ley lines i think two or three ley

872

00:31:43,990 --> 00:31:40,480

lines right basically on top of the

873

00:31:45,990 --> 00:31:44,000

cemetery at o'hare oh absolutely

874

00:31:48,950 --> 00:31:46,000

you know on top of that this whole area

875

00:31:49,909 --> 00:31:48,960

is crisscrossed with artificial tunnels

876
00:31:52,149 --> 00:31:49,919
i mean

877
00:31:53,350 --> 00:31:52,159
when the first wendy of initial

878
00:31:54,789 --> 00:31:53,360
sightings started happening that they

879
00:31:57,110 --> 00:31:54,799
were in the city how many times did we

880
00:31:58,789 --> 00:31:57,120
think that you know there's a labyrinth

881
00:32:00,549 --> 00:31:58,799
underneath the city you most people

882
00:32:02,389 --> 00:32:00,559
think it's just ground no

883
00:32:05,110 --> 00:32:02,399
i mean there are tunnels on top of

884
00:32:07,350 --> 00:32:05,120
tunnels on top of tunnels um

885
00:32:09,509 --> 00:32:07,360
and that's just not counting even the

886
00:32:11,669 --> 00:32:09,519
the ones that you know have the

887
00:32:12,470 --> 00:32:11,679
subway the l the l

888
00:32:14,389 --> 00:32:12,480

uh

889

00:32:15,590 --> 00:32:14,399

it does go underground for a bit it's on

890

00:32:16,310 --> 00:32:15,600

the blue line

891

00:32:18,549 --> 00:32:16,320

but

892

00:32:21,190 --> 00:32:18,559

especially the area around uh

893

00:32:23,029 --> 00:32:21,200

the uh lakeshore drive or dusable st

894

00:32:24,870 --> 00:32:23,039

lake drive that they call it now

895

00:32:27,350 --> 00:32:24,880

but um

896

00:32:28,950 --> 00:32:27,360

and the area around the loop is just

897

00:32:30,230 --> 00:32:28,960

crisscrossed with tunnels there's

898

00:32:32,950 --> 00:32:30,240

actually an

899

00:32:35,029 --> 00:32:32,960

entire pedway underground most people

900

00:32:36,789 --> 00:32:35,039

don't realize there's an entire

901
00:32:39,509 --> 00:32:36,799
basically

902
00:32:41,190 --> 00:32:39,519
miles long mall underneath the of this

903
00:32:44,310 --> 00:32:41,200
of the city

904
00:32:45,750 --> 00:32:44,320
the sub headway that people take to get

905
00:32:47,830 --> 00:32:45,760
back and forth in the loop and there are

906
00:32:50,870 --> 00:32:47,840
shops on either side you know

907
00:32:52,870 --> 00:32:50,880
nice big shops um most people don't

908
00:32:55,269 --> 00:32:52,880
realize that underneath the uh the loop

909
00:32:57,190 --> 00:32:55,279
of chicago there's an entire train

910
00:32:59,830 --> 00:32:57,200
system where there was at one point a

911
00:33:02,070 --> 00:32:59,840
train system down there that ran the the

912
00:33:04,710 --> 00:33:02,080
length of the loop so if something

913
00:33:06,710 --> 00:33:04,720

wanted to hide and especially out at

914

00:33:07,669 --> 00:33:06,720

o'hare which has got tunnels on top of

915

00:33:09,590 --> 00:33:07,679

tunnels

916

00:33:11,669 --> 00:33:09,600

um this thing could be

917

00:33:14,389 --> 00:33:11,679

doing it without no one ever detecting

918

00:33:15,269 --> 00:33:14,399

it coming in and out of these places

919

00:33:17,269 --> 00:33:15,279

um

920

00:33:19,430 --> 00:33:17,279

hun there's no telling how many portals

921

00:33:22,830 --> 00:33:19,440

could be down there you know hidden from

922

00:33:25,669 --> 00:33:22,840

view from somebody right

923

00:33:27,590 --> 00:33:25,679

um i i did get a question from a higher

924

00:33:29,590 --> 00:33:27,600

ground to jennifer would they talk to

925

00:33:33,029 --> 00:33:29,600

other intuitives

926

00:33:34,710 --> 00:33:33,039

absolutely they'll speak to

927

00:33:37,029 --> 00:33:34,720

there's so many of them

928

00:33:39,590 --> 00:33:37,039

um they're open to speaking not only to

929

00:33:43,350 --> 00:33:39,600

intuitives but other people who

930

00:33:46,630 --> 00:33:44,789

well there you go

931

00:33:47,509 --> 00:33:46,640

i got another question do they speak to

932

00:33:50,950 --> 00:33:47,519

you

933

00:33:53,830 --> 00:33:50,960

with words or some kind of

934

00:33:55,430 --> 00:33:53,840

or through a type of telepathy

935

00:33:56,630 --> 00:33:55,440

we hear words

936

00:33:59,509 --> 00:33:56,640

and we

937

00:34:00,870 --> 00:33:59,519

also receive images it's like i get

938

00:34:01,990 --> 00:34:00,880

slideshows

939

00:34:04,549 --> 00:34:02,000

um

940

00:34:06,630 --> 00:34:04,559

and some in our group meetings we can

941

00:34:08,790 --> 00:34:06,640

hear them come through the computer

942

00:34:11,190 --> 00:34:08,800

all of us together

943

00:34:12,629 --> 00:34:11,200

yeah that is that that i will attest to

944

00:34:14,310 --> 00:34:12,639

that uh

945

00:34:16,230 --> 00:34:14,320

it's interesting when we do a group

946

00:34:17,589 --> 00:34:16,240

because some of the some of the

947

00:34:20,149 --> 00:34:17,599

reactions

948

00:34:23,349 --> 00:34:20,159

by the group members i mean you know

949

00:34:25,829 --> 00:34:23,359

synchronicity is pretty interesting

950

00:34:26,790 --> 00:34:25,839

so yeah that that that is what's going

951
00:34:28,710 --> 00:34:26,800
on

952
00:34:31,750 --> 00:34:28,720
uh then they want to know how do you

953
00:34:36,869 --> 00:34:32,829
what would you say

954
00:34:39,510 --> 00:34:36,879
bernadette uh we or at least i do i just

955
00:34:41,829 --> 00:34:39,520
literally call them my name yeah you

956
00:34:44,869 --> 00:34:41,839
know i ask if they're here if they're

957
00:34:47,750 --> 00:34:44,879
around and i get a yes or no

958
00:34:49,829 --> 00:34:47,760
i can hear them i feel them

959
00:34:52,230 --> 00:34:49,839
and then i just go from there asking

960
00:34:54,550 --> 00:34:52,240
questions that i want answered or if

961
00:34:56,790 --> 00:34:54,560
they have something to tell me

962
00:34:58,630 --> 00:34:56,800
i'll hear them

963
00:35:00,710 --> 00:34:58,640

well we have nine beings right now

964

00:35:04,630 --> 00:35:00,720

identified can you name all of them for

965

00:35:07,270 --> 00:35:04,640

the folks just off hand

966

00:35:09,030 --> 00:35:07,280

yukaya choco

967

00:35:10,550 --> 00:35:09,040

uru

968

00:35:12,550 --> 00:35:10,560

elarol

969

00:35:13,910 --> 00:35:12,560

asham

970

00:35:17,270 --> 00:35:13,920

rakeshi

971

00:35:23,349 --> 00:35:19,829

and you uriah

972

00:35:24,470 --> 00:35:23,359

i think it's uriah inari inaura inari

973

00:35:27,109 --> 00:35:24,480

yeah yeah

974

00:35:29,190 --> 00:35:27,119

yeah i mean i lose count i lose track of

975

00:35:30,550 --> 00:35:29,200

these things i i depend on bernadette

976

00:35:31,750 --> 00:35:30,560

and jennifer to tell me who the hell

977

00:35:32,870 --> 00:35:31,760

these things are

978

00:35:34,550 --> 00:35:32,880

so um

979

00:35:36,150 --> 00:35:34,560

i hope they don't give us more names

980

00:35:37,190 --> 00:35:36,160

because it's getting confusing yeah

981

00:35:39,510 --> 00:35:37,200

really

982

00:35:41,990 --> 00:35:39,520

yeah it is and um

983

00:35:44,150 --> 00:35:42,000

but i i think um

984

00:35:45,670 --> 00:35:44,160

i'm hoping that there's gonna be more of

985

00:35:47,589 --> 00:35:45,680

a distinction

986

00:35:49,190 --> 00:35:47,599

uh

987

00:35:51,990 --> 00:35:49,200

to where we can

988

00:35:54,470 --> 00:35:52,000

become more attuned to them more

989

00:35:55,750 --> 00:35:54,480

familiar with them you know

990

00:35:57,190 --> 00:35:55,760

this whole thing and this is what i've

991

00:35:59,030 --> 00:35:57,200

tried to say from the very beginning

992

00:36:00,790 --> 00:35:59,040

they're they're fearful they're very

993

00:36:02,710 --> 00:36:00,800

fearful of humans

994

00:36:04,390 --> 00:36:02,720

and it seems that they're more fearful

995

00:36:07,510 --> 00:36:04,400

of male humans

996

00:36:10,069 --> 00:36:07,520

uh for probably obvious reasons we seem

997

00:36:12,870 --> 00:36:10,079

to be the more aggressive sex so

998

00:36:14,630 --> 00:36:12,880

uh it seems that we're the ones that

999

00:36:17,430 --> 00:36:14,640

they're they're kind of shying away from

1000

00:36:20,550 --> 00:36:17,440

though manuel and vincent

1001
00:36:22,470 --> 00:36:20,560
have been having contact so uh we'll see

1002
00:36:24,550 --> 00:36:22,480
how that that changes

1003
00:36:27,829 --> 00:36:24,560
but it took a lot of time for us to

1004
00:36:32,310 --> 00:36:27,839
build that relationship especially with

1005
00:36:33,750 --> 00:36:32,320
uru because she was so fearful yeah um

1006
00:36:35,349 --> 00:36:33,760
you know she

1007
00:36:37,430 --> 00:36:35,359
you know you guys had to basically tell

1008
00:36:39,109 --> 00:36:37,440
me when i first met her that you know

1009
00:36:40,630 --> 00:36:39,119
you had to sit there with your hands in

1010
00:36:42,550 --> 00:36:40,640
your lap you know

1011
00:36:43,750 --> 00:36:42,560
no camera because i had my camera with

1012
00:36:46,230 --> 00:36:43,760
me i had my

1013
00:36:48,630 --> 00:36:46,240

phone with me um i was there

1014

00:36:50,230 --> 00:36:48,640

investigating a sighting yeah so when

1015

00:36:51,670 --> 00:36:50,240

this happened so

1016

00:36:52,630 --> 00:36:51,680

um

1017

00:36:57,030 --> 00:36:52,640

she's

1018

00:37:00,310 --> 00:36:57,040

we've talked about before they're very

1019

00:37:03,589 --> 00:37:01,750

you know so

1020

00:37:05,670 --> 00:37:03,599

luckily when it happened it was in the

1021

00:37:07,829 --> 00:37:05,680

summer and it was uh

1022

00:37:09,750 --> 00:37:07,839

you know warm outside i was out there

1023

00:37:11,510 --> 00:37:09,760

you know with another investigator

1024

00:37:12,790 --> 00:37:11,520

investigating some sightings

1025

00:37:14,630 --> 00:37:12,800

and um

1026

00:37:16,550 --> 00:37:14,640

that's you know

1027

00:37:17,750 --> 00:37:16,560

we were happy to just be at the airport

1028

00:37:20,150 --> 00:37:17,760

taking pictures

1029

00:37:22,950 --> 00:37:20,160

uh and he left and i was there by myself

1030

00:37:25,430 --> 00:37:22,960

um now i think this is about 11 o'clock

1031

00:37:26,630 --> 00:37:25,440

at night so uh

1032

00:37:29,670 --> 00:37:26,640

you know you're out there at the airport

1033

00:37:31,030 --> 00:37:29,680

by yourself in a cemetery um

1034

00:37:32,790 --> 00:37:31,040

you know

1035

00:37:34,829 --> 00:37:32,800

it was it took a lot of confidence

1036

00:37:38,230 --> 00:37:34,839

building for me to be able to

1037

00:37:40,390 --> 00:37:38,240

to ask her to come to me and it's it's

1038

00:37:43,270 --> 00:37:40,400

taken a lot of time to to build and

1039

00:37:45,030 --> 00:37:43,280

vincent knows just as much it it

1040

00:37:47,750 --> 00:37:45,040

especially with males you have to be

1041

00:37:49,349 --> 00:37:47,760

very you have to tone down

1042

00:37:50,390 --> 00:37:49,359

your normal

1043

00:37:52,550 --> 00:37:50,400

um

1044

00:37:55,030 --> 00:37:52,560

male side your your

1045

00:37:56,870 --> 00:37:55,040

you know males tend to have a kind of a

1046

00:37:58,069 --> 00:37:56,880

aggressive side to themselves and you've

1047

00:37:59,990 --> 00:37:58,079

had to learn to

1048

00:38:01,829 --> 00:38:00,000

kind of tone it down because they can

1049

00:38:04,710 --> 00:38:01,839

sense your intentions they can sense

1050

00:38:06,710 --> 00:38:04,720

your what your thoughts are and they act

1051

00:38:09,109 --> 00:38:06,720

upon it you know even though you might

1052

00:38:11,109 --> 00:38:09,119

want to be uh

1053

00:38:13,750 --> 00:38:11,119

you want to you know make contact if

1054

00:38:16,390 --> 00:38:13,760

you're if your uh intentions are like

1055

00:38:17,750 --> 00:38:16,400

i'm gonna you know i want to build it

1056

00:38:19,750 --> 00:38:17,760

bring it closer so i can try to get

1057

00:38:21,589 --> 00:38:19,760

pictures they're going to sense it

1058

00:38:23,589 --> 00:38:21,599

and you know they're going to stay away

1059

00:38:26,710 --> 00:38:23,599

from you

1060

00:38:28,310 --> 00:38:26,720

um i gotta and after we said all that

1061

00:38:30,630 --> 00:38:28,320

people are asking

1062

00:38:32,390 --> 00:38:30,640

if we can print the names somewhere and

1063

00:38:34,310 --> 00:38:32,400

i will do that i will

1064

00:38:37,349 --> 00:38:34,320

i will keep a running list

1065

00:38:39,430 --> 00:38:37,359

on phantoms and monsters and on the 14

1066

00:38:41,910 --> 00:38:39,440

research team websites

1067

00:38:44,310 --> 00:38:41,920

that's fanzamasters.com and

1068

00:38:46,470 --> 00:38:44,320

cryptidhunters.org

1069

00:38:49,750 --> 00:38:46,480

and i will keep that up there and uh

1070

00:38:51,430 --> 00:38:49,760

then folks can uh keep it keeping uh

1071

00:38:53,349 --> 00:38:51,440

you know tabs on some of the names that

1072

00:38:55,270 --> 00:38:53,359

are coming forward to us

1073

00:38:58,069 --> 00:38:55,280

um

1074

00:38:59,910 --> 00:38:58,079

emmanuel the maury gotti wants to know

1075

00:39:02,310 --> 00:38:59,920

what kind of stone that was it gave to

1076

00:39:05,349 --> 00:39:02,320

you you have any idea

1077

00:39:07,589 --> 00:39:05,359

yeah i got a good good look at it uh the

1078

00:39:09,030 --> 00:39:07,599

day after when it was a

1079

00:39:11,990 --> 00:39:09,040

light um

1080

00:39:14,550 --> 00:39:12,000

it's basically i uh it's a very pretty

1081

00:39:15,430 --> 00:39:14,560

uh limestone

1082

00:39:17,109 --> 00:39:15,440

um

1083

00:39:18,630 --> 00:39:17,119

which is weird because there's not a lot

1084

00:39:19,510 --> 00:39:18,640

of limestone

1085

00:39:21,990 --> 00:39:19,520

that's

1086

00:39:26,150 --> 00:39:22,000

you know in and around the

1087

00:39:26,160 --> 00:39:30,230

it's kind of like a nice little

1088

00:39:35,670 --> 00:39:33,829

i want to say a brownish yellowish um

1089

00:39:36,550 --> 00:39:35,680

limestone um

1090

00:39:38,390 --> 00:39:36,560

and

1091

00:39:40,710 --> 00:39:38,400

you know i'm a geology buff so the first

1092

00:39:42,550 --> 00:39:40,720

thing i did was grab some uh you know

1093

00:39:43,910 --> 00:39:42,560

some acid and you know dropped a little

1094

00:39:47,589 --> 00:39:43,920

drop on it and

1095

00:39:51,670 --> 00:39:49,670

yeah one of the few line uh rocks to do

1096

00:39:54,069 --> 00:39:51,680

that's limestone but

1097

00:39:56,870 --> 00:39:54,079

the thing is it's always here's the

1098

00:39:58,710 --> 00:39:56,880

weird thing is you would even in this in

1099

00:40:00,790 --> 00:39:58,720

the heat of the summer it still feels

1100

00:40:02,230 --> 00:40:00,800

cool to the touch um

1101
00:40:03,109 --> 00:40:02,240
um

1102
00:40:05,190 --> 00:40:03,119
so

1103
00:40:07,750 --> 00:40:05,200
it's really you know

1104
00:40:09,589 --> 00:40:07,760
it's not exactly like a

1105
00:40:12,069 --> 00:40:09,599
a rock you're gonna find in around the

1106
00:40:14,390 --> 00:40:12,079
airport because you know

1107
00:40:15,510 --> 00:40:14,400
i know of some limestone deposits maybe

1108
00:40:17,510 --> 00:40:15,520
on the

1109
00:40:19,750 --> 00:40:17,520
wisconsin side of the uh

1110
00:40:21,030 --> 00:40:19,760
of the uh

1111
00:40:21,829 --> 00:40:21,040
of the um

1112
00:40:23,990 --> 00:40:21,839
lake

1113
00:40:25,750 --> 00:40:24,000

but for it to be there in the middle of

1114

00:40:27,270 --> 00:40:25,760

a cemetery you know

1115

00:40:29,829 --> 00:40:27,280

um

1116

00:40:32,069 --> 00:40:29,839

you know it's it's it's just a normal

1117

00:40:34,870 --> 00:40:32,079

inconspicuous rock

1118

00:40:36,630 --> 00:40:34,880

it just has a very high vibration

1119

00:40:39,430 --> 00:40:36,640

you know if you're holding it you know

1120

00:40:41,030 --> 00:40:39,440

you can feel um

1121

00:40:42,710 --> 00:40:41,040

you can feel the vibrations off of it

1122

00:40:44,390 --> 00:40:42,720

you can feel the um

1123

00:40:47,510 --> 00:40:44,400

you know i use it as a focal point when

1124

00:40:49,829 --> 00:40:47,520

i'm trying to talk to uru um

1125

00:40:51,589 --> 00:40:49,839

i use it to um kind of center myself

1126
00:40:53,030 --> 00:40:51,599
because like i said when we starts

1127
00:40:56,150 --> 00:40:53,040
getting excited

1128
00:40:58,470 --> 00:40:56,160
um she starts just overloading

1129
00:41:01,670 --> 00:40:58,480
dumping information and it's

1130
00:41:04,390 --> 00:41:01,680
uh the only way i use it to i use it to

1131
00:41:06,069 --> 00:41:04,400
kind of ground myself you know

1132
00:41:08,230 --> 00:41:06,079
with it because it's an earth it's

1133
00:41:10,150 --> 00:41:08,240
something from the earth um

1134
00:41:11,910 --> 00:41:10,160
but i also use it as a focal point to

1135
00:41:13,990 --> 00:41:11,920
try to get her to

1136
00:41:15,510 --> 00:41:14,000
concentrate on the rock and talk to me

1137
00:41:17,990 --> 00:41:15,520
you know and

1138
00:41:20,870 --> 00:41:18,000

do it in a way that you're not just data

1139

00:41:21,990 --> 00:41:20,880

dumping everything into me and you know

1140

00:41:25,430 --> 00:41:22,000

um

1141

00:41:27,910 --> 00:41:25,440

siding

1142

00:41:29,510 --> 00:41:27,920

with the uh craft you know i told you

1143

00:41:31,349 --> 00:41:29,520

guys that for like

1144

00:41:33,510 --> 00:41:31,359

most of the day i'm at work and all i

1145

00:41:34,630 --> 00:41:33,520

keep getting are these images of a b2

1146

00:41:38,150 --> 00:41:34,640

bomber

1147

00:41:41,030 --> 00:41:38,160

pictures after pictures after pictures

1148

00:41:43,349 --> 00:41:41,040

it's like i'm sitting there on on google

1149

00:41:45,510 --> 00:41:43,359

images just pulling up pictures pictures

1150

00:41:46,870 --> 00:41:45,520

pictures pictures and i'm like

1151

00:41:48,710 --> 00:41:46,880

why in the hell i'm trying to

1152

00:41:50,550 --> 00:41:48,720

concentrate on work and why am i

1153

00:41:51,990 --> 00:41:50,560

thinking of a stealth bomber and it

1154

00:41:54,230 --> 00:41:52,000

wasn't until i talked to you guys and

1155

00:41:56,309 --> 00:41:54,240

vincent brought up that maybe

1156

00:41:58,069 --> 00:41:56,319

she doesn't know what she's she doesn't

1157

00:42:00,150 --> 00:41:58,079

know a way to associate it she's

1158

00:42:01,670 --> 00:42:00,160

associating the shape

1159

00:42:03,349 --> 00:42:01,680

of it and the only thing she can think

1160

00:42:06,069 --> 00:42:03,359

of is a um

1161

00:42:08,870 --> 00:42:06,079

a military you know plane that has a

1162

00:42:10,470 --> 00:42:08,880

roughly the same shape although probably

1163

00:42:12,069 --> 00:42:10,480

a hell a lot smaller than what the

1164

00:42:13,190 --> 00:42:12,079

object was itself

1165

00:42:15,030 --> 00:42:13,200

um

1166

00:42:17,670 --> 00:42:15,040

it was you know

1167

00:42:19,349 --> 00:42:17,680

she gets excited and i use the rock

1168

00:42:20,950 --> 00:42:19,359

that she gave me as kind of a focal

1169

00:42:22,710 --> 00:42:20,960

point to help me kind of meditate with

1170

00:42:25,430 --> 00:42:22,720

her mm-hmm

1171

00:42:27,510 --> 00:42:25,440

jennifer got a question

1172

00:42:29,190 --> 00:42:27,520

what was that question again

1173

00:42:30,000 --> 00:42:29,200

well there were two that i noticed in

1174

00:42:31,349 --> 00:42:30,010

chat um

1175

00:42:33,750 --> 00:42:31,359

[Music]

1176

00:42:37,510 --> 00:42:35,190

uh was

1177

00:42:38,790 --> 00:42:37,520

the significance of water

1178

00:42:42,309 --> 00:42:38,800

and

1179

00:42:44,630 --> 00:42:42,319

this they hold water as a sacred element

1180

00:42:45,910 --> 00:42:44,640

as we should um

1181

00:42:47,349 --> 00:42:45,920

but we don't

1182

00:42:50,150 --> 00:42:47,359

and um

1183

00:42:52,630 --> 00:42:50,160

they it's a life force uh

1184

00:42:53,990 --> 00:42:52,640

they use it just like we do they need it

1185

00:42:54,870 --> 00:42:54,000

to survive

1186

00:42:57,109 --> 00:42:54,880

um

1187

00:42:58,470 --> 00:42:57,119

and then the other one was how do you

1188

00:43:00,550 --> 00:42:58,480

contact them

1189

00:43:01,990 --> 00:43:00,560

or do they or and how do they how to

1190

00:43:04,550 --> 00:43:02,000

reach out

1191

00:43:07,990 --> 00:43:04,560

or do they only contact us and that was

1192

00:43:11,750 --> 00:43:08,000

from james west and higher ground

1193

00:43:17,109 --> 00:43:15,109

the best way that we've found is to

1194

00:43:19,030 --> 00:43:17,119

protect ourselves from other influences

1195

00:43:20,790 --> 00:43:19,040

coming through in a protective

1196

00:43:23,270 --> 00:43:20,800

meditative state

1197

00:43:24,829 --> 00:43:23,280

um we practice the golden light

1198

00:43:28,790 --> 00:43:24,839

meditation

1199

00:43:29,829 --> 00:43:28,800

um and we call them and and as a group

1200

00:43:32,870 --> 00:43:29,839

um

1201

00:43:34,950 --> 00:43:32,880

i know for myself they've come in

1202

00:43:36,710 --> 00:43:34,960

when i've been driving or

1203

00:43:39,030 --> 00:43:36,720

they've shown up on my roof they've

1204

00:43:41,670 --> 00:43:39,040

shown up in bernadette's backyard and

1205

00:43:43,750 --> 00:43:41,680

that's physical that's not just

1206

00:43:47,270 --> 00:43:43,760

you know a being present

1207

00:43:51,910 --> 00:43:47,280

um so they do contact us when they need

1208

00:43:54,470 --> 00:43:51,920

to tell us something urgently or um if

1209

00:43:57,270 --> 00:43:54,480

yeah if something's about to go wrong

1210

00:43:59,109 --> 00:43:57,280

kind of thing yeah yeah and you know

1211

00:44:00,550 --> 00:43:59,119

jennifer had an encounter at home before

1212

00:44:01,829 --> 00:44:00,560

i even met her

1213

00:44:03,190 --> 00:44:01,839

um

1214

00:44:05,589 --> 00:44:03,200

it was uh

1215

00:44:07,430 --> 00:44:05,599

the gargoyles like beans which i believe

1216

00:44:10,550 --> 00:44:07,440

may have been where they were they also

1217

00:44:12,870 --> 00:44:10,560

winged ones yes yeah and um

1218

00:44:15,430 --> 00:44:12,880

how to reach out the best way that i

1219

00:44:17,829 --> 00:44:15,440

could share with you is

1220

00:44:20,150 --> 00:44:17,839

to sit in a quiet space

1221

00:44:22,550 --> 00:44:20,160

and ask if something

1222

00:44:25,109 --> 00:44:22,560

from if the unseen ones or the wing ones

1223

00:44:26,950 --> 00:44:25,119

are ready to make themselves

1224

00:44:28,230 --> 00:44:26,960

present and if they would give you some

1225

00:44:30,309 --> 00:44:28,240

kind of sign

1226

00:44:32,309 --> 00:44:30,319

and then i would go baby steps from

1227

00:44:33,829 --> 00:44:32,319

there and that's what we did

1228

00:44:36,390 --> 00:44:33,839

right exactly

1229

00:44:38,470 --> 00:44:36,400

you want to add to that bernadette i

1230

00:44:40,710 --> 00:44:38,480

agree with jennifer um

1231

00:44:43,349 --> 00:44:40,720

of course you all know that you know

1232

00:44:44,950 --> 00:44:43,359

mine was kind of baptism by fire

1233

00:44:45,990 --> 00:44:44,960

technically that's what jennifer called

1234

00:44:47,990 --> 00:44:46,000

it

1235

00:44:49,990 --> 00:44:48,000

when my introduction was to the unseen

1236

00:44:51,910 --> 00:44:50,000

ones um

1237

00:44:54,470 --> 00:44:51,920

but i agree they make themselves known

1238

00:44:56,550 --> 00:44:54,480

to us in different ways um if it's

1239

00:44:59,430 --> 00:44:56,560

urgent it is physical

1240

00:45:01,990 --> 00:44:59,440

like you know i had it outside my window

1241

00:45:03,670 --> 00:45:02,000

and then seen one in the backyard um my

1242

00:45:06,790 --> 00:45:03,680

boyfriend was actually with me in the

1243

00:45:08,230 --> 00:45:06,800

backyard when i first met asher one of

1244

00:45:11,109 --> 00:45:08,240

the unseen ones

1245

00:45:14,390 --> 00:45:11,119

and he was terrified he was terrified

1246

00:45:16,150 --> 00:45:14,400

that my boyfriend was gonna hurt him

1247

00:45:17,190 --> 00:45:16,160

you know try and draw

1248

00:45:19,030 --> 00:45:17,200

me

1249

00:45:21,910 --> 00:45:19,040

you'll be fine it's okay just keep

1250

00:45:24,309 --> 00:45:21,920

talking you know just keep him talking

1251

00:45:26,230 --> 00:45:24,319

but he they are they're terrified and if

1252

00:45:27,510 --> 00:45:26,240

you are going to try to make contact

1253

00:45:29,430 --> 00:45:27,520

like jennifer

1254

00:45:31,750 --> 00:45:29,440

explained how to

1255

00:45:32,390 --> 00:45:31,760

i think they're very wary but they will

1256

00:45:33,829 --> 00:45:32,400

try

1257

00:45:36,950 --> 00:45:33,839

if they know that you have good

1258

00:45:38,630 --> 00:45:36,960

intentions they will try

1259

00:45:41,190 --> 00:45:38,640

you know somebody else brought something

1260

00:45:43,430 --> 00:45:41,200

up here about ominous feeling

1261

00:45:45,030 --> 00:45:43,440

eminent uh

1262

00:45:46,470 --> 00:45:45,040

you know i'm gonna put it around for the

1263

00:45:47,910 --> 00:45:46,480

you know what do you folks think do you

1264

00:45:49,190 --> 00:45:47,920

think there's something imminent coming

1265

00:45:51,510 --> 00:45:49,200

because of this

1266

00:45:55,270 --> 00:45:51,520

uh how about it uh vincent what do you

1267

00:46:01,510 --> 00:45:57,510

do you think is some eminent coming or

1268

00:46:06,950 --> 00:46:03,829

i think uh there is a reason why they

1269

00:46:09,430 --> 00:46:06,960

are showing themselves now um

1270

00:46:11,349 --> 00:46:09,440

i think that we are

1271

00:46:14,150 --> 00:46:11,359

in this cycle

1272

00:46:16,390 --> 00:46:14,160

on earth here in space and where we're

1273

00:46:18,069 --> 00:46:16,400

coming to another point that we were

1274

00:46:20,710 --> 00:46:18,079

once at

1275

00:46:22,870 --> 00:46:20,720

and uh during that time they used to be

1276

00:46:26,309 --> 00:46:22,880

a part of

1277

00:46:28,550 --> 00:46:26,319

uh you know oh part of this reality of

1278

00:46:30,790 --> 00:46:28,560

realities are blending they want us to

1279

00:46:32,790 --> 00:46:30,800

be prepared they want to they want us to

1280

00:46:35,270 --> 00:46:32,800

know that they're going to be here

1281

00:46:37,270 --> 00:46:35,280

same reason why we're seeing more

1282

00:46:40,069 --> 00:46:37,280

dogma inciting same

1283

00:46:41,030 --> 00:46:40,079

thing with the extraterrestrial presence

1284

00:46:46,069 --> 00:46:41,040

it's a

1285

00:46:48,309 --> 00:46:46,079

preparing ourselves for

1286

00:46:50,470 --> 00:46:48,319

um how about you uh man what do you

1287

00:46:51,589 --> 00:46:50,480

think

1288

00:46:54,069 --> 00:46:51,599

i mean

1289

00:46:56,630 --> 00:46:54,079

i don't subscribe to the uh you know it

1290

00:46:58,230 --> 00:46:56,640

goes back down to the whole uh

1291

00:47:00,950 --> 00:46:58,240

i know what you're going to say

1292

00:47:03,270 --> 00:47:00,960

the harbinger theory right i mean

1293

00:47:05,510 --> 00:47:03,280

something is coming i don't think it's

1294

00:47:06,630 --> 00:47:05,520

ominous i mean it could be

1295

00:47:10,710 --> 00:47:06,640

you know

1296

00:47:12,950 --> 00:47:10,720

higher plane

1297

00:47:14,790 --> 00:47:12,960

let's just say um

1298

00:47:16,230 --> 00:47:14,800

and i think it is related to seeing

1299

00:47:17,910 --> 00:47:16,240

other things every things are starting

1300

00:47:19,589 --> 00:47:17,920

to come out of the woodworks bigfoot

1301

00:47:22,870 --> 00:47:19,599

sightings you know seth

1302

00:47:25,750 --> 00:47:22,880

um upright canine sightings you know

1303

00:47:29,190 --> 00:47:25,760

um a lot more ufo sightings are

1304

00:47:30,390 --> 00:47:29,200

happening um i think that things are

1305

00:47:31,910 --> 00:47:30,400

um

1306

00:47:33,589 --> 00:47:31,920

progressing towards you know they're

1307

00:47:34,790 --> 00:47:33,599

coming to a crescendo

1308

00:47:36,950 --> 00:47:34,800

um

1309

00:47:38,790 --> 00:47:36,960

i really think that it's i don't think

1310

00:47:41,750 --> 00:47:38,800

it's something major

1311

00:47:46,069 --> 00:47:43,510

you know it may it's i don't think it's

1312

00:47:47,910 --> 00:47:46,079

something major but it is

1313

00:47:51,109 --> 00:47:47,920

the worst thing i hate about it is that

1314

00:47:57,910 --> 00:47:55,670

oh so we're just um if you're like um

1315

00:48:01,430 --> 00:47:57,920

sensitive to things if you're sensitive

1316

00:48:02,710 --> 00:48:01,440

to like auras if you're sensitive to um

1317

00:48:05,349 --> 00:48:02,720

uh people's

1318

00:48:06,790 --> 00:48:05,359

vibrations it can be overwhelming

1319

00:48:08,630 --> 00:48:06,800

um

1320

00:48:11,190 --> 00:48:08,640

uh when

1321

00:48:13,750 --> 00:48:11,200

you know pardon i'm lucky that you know

1322

00:48:15,030 --> 00:48:13,760

i'm pagan i i practice a lot of

1323

00:48:17,270 --> 00:48:15,040

meditation

1324

00:48:19,270 --> 00:48:17,280

um

1325

00:48:21,750 --> 00:48:19,280

you learn to try to you learn to try to

1326

00:48:23,750 --> 00:48:21,760

just mute it out you use the uh the

1327

00:48:25,750 --> 00:48:23,760

golden light method you use the

1328

00:48:27,270 --> 00:48:25,760

grounding that's why i use the stone

1329

00:48:30,150 --> 00:48:27,280

that was given to me

1330

00:48:32,470 --> 00:48:30,160

as a grounding um and a focal point

1331

00:48:34,470 --> 00:48:32,480

because if not you know it gets to be

1332

00:48:36,069 --> 00:48:34,480

very overwhelming and

1333

00:48:37,750 --> 00:48:36,079

you have to also remember when you're

1334

00:48:40,390 --> 00:48:37,760

trying to contact them

1335

00:48:42,309 --> 00:48:40,400

they're not the only game in town um

1336

00:48:43,750 --> 00:48:42,319

right when i first started remember i

1337

00:48:46,069 --> 00:48:43,760

was getting

1338

00:48:47,349 --> 00:48:46,079

i was attracting anything and everything

1339

00:48:52,069 --> 00:48:47,359

um

1340

00:48:54,069 --> 00:48:52,079

from a tv show i used to love

1341

00:48:55,829 --> 00:48:54,079

uh the character's name lafayette from

1342

00:48:57,030 --> 00:48:55,839

true blood he says i'm not gmail for

1343

00:48:58,069 --> 00:48:57,040

dead people

1344

00:49:00,150 --> 00:48:58,079

um

1345

00:49:01,910 --> 00:49:00,160

that's basically how it felt right i

1346

00:49:03,349 --> 00:49:01,920

felt like i was gmail for anything and

1347

00:49:06,230 --> 00:49:03,359

everything encrypted

1348

00:49:08,069 --> 00:49:06,240

um i was getting everything from grace

1349

00:49:09,589 --> 00:49:08,079

to spirits to

1350

00:49:11,829 --> 00:49:09,599

you know

1351
00:49:13,349 --> 00:49:11,839
no no telling what the hell was coming

1352
00:49:17,430 --> 00:49:13,359
through and it was

1353
00:49:19,030 --> 00:49:17,440
you know making me physically sick um

1354
00:49:21,109 --> 00:49:19,040
you know trying to

1355
00:49:22,950 --> 00:49:21,119
sort things out while trying to talk to

1356
00:49:25,349 --> 00:49:22,960
uru at the same time and

1357
00:49:27,349 --> 00:49:25,359
uru is in the background she's going a

1358
00:49:29,510 --> 00:49:27,359
mile a minute uh

1359
00:49:31,270 --> 00:49:29,520
you know trying to convey information i

1360
00:49:34,950 --> 00:49:31,280
got everything else trying to convey

1361
00:49:36,950 --> 00:49:34,960
information it wasn't until i learned to

1362
00:49:40,150 --> 00:49:36,960
actually put up barriers

1363
00:49:42,390 --> 00:49:40,160

against it to only say you know only uru

1364

00:49:44,710 --> 00:49:42,400

can come here and do this that i was

1365

00:49:46,950 --> 00:49:44,720

able to kind of focus it out you know

1366

00:49:48,790 --> 00:49:46,960

right it kind of felt like um

1367

00:49:50,870 --> 00:49:48,800

i guess the best way you can describe it

1368

00:49:52,390 --> 00:49:50,880

is the old transistor radios when we

1369

00:49:54,710 --> 00:49:52,400

were growing up you know listening to

1370

00:49:55,670 --> 00:49:54,720

the am band in the middle of the night

1371

00:49:57,270 --> 00:49:55,680

you know

1372

00:49:58,870 --> 00:49:57,280

you're listening to some music and all

1373

00:50:02,390 --> 00:49:58,880

of a sudden you hear some radio station

1374

00:50:04,470 --> 00:50:02,400

from somewhere in mexico right um and

1375

00:50:06,630 --> 00:50:04,480

or somewhere in the west coast it kind

1376

00:50:09,910 --> 00:50:06,640

of felt like that because it was

1377

00:50:13,030 --> 00:50:09,920

it gets to be overwhelming and yeah well

1378

00:50:15,349 --> 00:50:13,040

i can imagine i i can imagine

1379

00:50:17,829 --> 00:50:15,359

you know i i'm intuitive so i get a lot

1380

00:50:19,990 --> 00:50:17,839

of stuff come fly to me at some point

1381

00:50:22,950 --> 00:50:20,000

and i understand that completely

1382

00:50:24,549 --> 00:50:22,960

um jennifer you had seen a question

1383

00:50:27,190 --> 00:50:24,559

about bodies of water do you want to

1384

00:50:29,990 --> 00:50:27,200

answer that yeah higher ground ask the

1385

00:50:32,470 --> 00:50:30,000

question what is significance about the

1386

00:50:35,349 --> 00:50:32,480

bodies of water i'm assuming

1387

00:50:36,630 --> 00:50:35,359

oceans and lakes um bigger

1388

00:50:40,150 --> 00:50:36,640

um anyway

1389

00:50:41,190 --> 00:50:40,160

i asked ero just now and she said that

1390

00:50:43,430 --> 00:50:41,200

um

1391

00:50:45,829 --> 00:50:43,440

they use they're very significant and

1392

00:50:47,030 --> 00:50:45,839

they use them as gateways so it's an

1393

00:50:47,910 --> 00:50:47,040

easier

1394

00:50:50,150 --> 00:50:47,920

it's

1395

00:50:53,030 --> 00:50:50,160

apparently easy to access

1396

00:50:54,630 --> 00:50:53,040

the dimensions through water

1397

00:50:56,630 --> 00:50:54,640

now that's interesting

1398

00:50:59,109 --> 00:50:56,640

because ever since we started this

1399

00:51:01,349 --> 00:50:59,119

investigation i mean to the degree we

1400

00:51:03,430 --> 00:51:01,359

have back in 2017

1401
00:51:05,910 --> 00:51:03,440
there has always been this association

1402
00:51:07,750 --> 00:51:05,920
with water and of course

1403
00:51:09,349 --> 00:51:07,760
chicago has a lot of you know with the

1404
00:51:10,790 --> 00:51:09,359
lake and you got all the rivers and

1405
00:51:12,230 --> 00:51:10,800
everything and all the waterways that

1406
00:51:13,910 --> 00:51:12,240
come through there

1407
00:51:15,750 --> 00:51:13,920
maybe there is a connection somewhere

1408
00:51:17,990 --> 00:51:15,760
down the line uh you know this is

1409
00:51:19,030 --> 00:51:18,000
something that i think manual tobias and

1410
00:51:20,309 --> 00:51:19,040
i have all

1411
00:51:22,630 --> 00:51:20,319
thought about

1412
00:51:24,150 --> 00:51:22,640
uh maybe there is a stronger can and in

1413
00:51:26,230 --> 00:51:24,160

fact i think tobias thought about it

1414

00:51:29,030 --> 00:51:26,240

more highly than any of us

1415

00:51:30,950 --> 00:51:29,040

so uh that is interesting

1416

00:51:32,309 --> 00:51:30,960

so folks go ahead we got a couple more

1417

00:51:34,829 --> 00:51:32,319

minutes here for the show if you want to

1418

00:51:38,150 --> 00:51:34,839

go ahead and put more questions up

1419

00:51:39,430 --> 00:51:38,160

uh you know i i didn't ask bernadette

1420

00:51:41,910 --> 00:51:39,440

about the

1421

00:51:44,390 --> 00:51:41,920

the uh what's ahead what do you think is

1422

00:52:00,069 --> 00:51:45,349

i

1423

00:52:00,870 --> 00:52:00,079

they don't want to hurt us

1424

00:52:02,069 --> 00:52:00,880

to

1425

00:52:04,549 --> 00:52:02,079

actually

1426

00:52:07,589 --> 00:52:04,559

expand upon something manuel said

1427

00:52:10,950 --> 00:52:07,599

asham is kind of like uru in a way that

1428

00:52:12,390 --> 00:52:10,960

he's very excitable he he tends to just

1429

00:52:15,349 --> 00:52:12,400

go on and on

1430

00:52:17,190 --> 00:52:15,359

um and he does overwhelm me jennifer can

1431

00:52:19,270 --> 00:52:17,200

attest to it she saw him actually

1432

00:52:20,549 --> 00:52:19,280

overwhelm me at one point

1433

00:52:21,589 --> 00:52:20,559

um

1434

00:52:23,750 --> 00:52:21,599

and it just

1435

00:52:25,750 --> 00:52:23,760

they don't they're young they don't know

1436

00:52:28,790 --> 00:52:25,760

how to control their emotions they don't

1437

00:52:32,150 --> 00:52:28,800

know how to especially with us

1438

00:52:34,150 --> 00:52:32,160

because we're so different than they are

1439

00:52:35,910 --> 00:52:34,160

they just they think we can handle it

1440

00:52:37,589 --> 00:52:35,920

especially since we can communicate with

1441

00:52:38,950 --> 00:52:37,599

them they think well you can communicate

1442

00:52:41,750 --> 00:52:38,960

with us you can talk to us so you can

1443

00:52:44,470 --> 00:52:41,760

handle all this right and it's just yeah

1444

00:52:45,510 --> 00:52:44,480

it hits you so yeah

1445

00:52:46,710 --> 00:52:45,520

interesting

1446

00:52:49,270 --> 00:52:46,720

well

1447

00:52:51,109 --> 00:52:49,280

go ahead general um i actually like to

1448

00:52:52,630 --> 00:52:51,119

bring up a um

1449

00:52:54,950 --> 00:52:52,640

a point

1450

00:52:56,069 --> 00:52:54,960

uh that's kind of funny quite pleasant

1451
00:52:58,150 --> 00:52:56,079
um

1452
00:52:59,670 --> 00:52:58,160
and i'd like bernadette to share with

1453
00:53:02,390 --> 00:52:59,680
you the story

1454
00:53:05,589 --> 00:53:02,400
or what we've been told about that being

1455
00:53:09,109 --> 00:53:05,599
in correlation to the sightings

1456
00:53:10,390 --> 00:53:09,119
how about norm dip sure no problem so

1457
00:53:13,510 --> 00:53:10,400
the

1458
00:53:14,470 --> 00:53:13,520
mothman of point pleasant

1459
00:53:17,030 --> 00:53:14,480
that

1460
00:53:20,309 --> 00:53:17,040
they want nothing to do with him

1461
00:53:23,030 --> 00:53:20,319
um the bridge collapse was an accident

1462
00:53:25,750 --> 00:53:23,040
it was not his fault

1463
00:53:28,630 --> 00:53:25,760

but because of the attention that it got

1464

00:53:30,870 --> 00:53:28,640

because of him getting blamed he was

1465

00:53:32,470 --> 00:53:30,880

never allowed to go home

1466

00:53:34,790 --> 00:53:32,480

they basically

1467

00:53:35,910 --> 00:53:34,800

had said you know you're you're being

1468

00:53:37,030 --> 00:53:35,920

blamed

1469

00:53:39,190 --> 00:53:37,040

for this

1470

00:53:41,589 --> 00:53:39,200

they are going to turn on us humans are

1471

00:53:43,589 --> 00:53:41,599

going to turn on us even more so you're

1472

00:53:45,910 --> 00:53:43,599

not allowed to come home

1473

00:53:46,630 --> 00:53:45,920

because now they they're going to see us

1474

00:53:48,950 --> 00:53:46,640

as

1475

00:53:51,190 --> 00:53:48,960

something that causes death causes you

1476
00:53:52,150 --> 00:53:51,200
know harm when we aren't like that

1477
00:53:54,829 --> 00:53:52,160
so they

1478
00:53:59,109 --> 00:53:54,839
they basically shut them out

1479
00:54:00,870 --> 00:53:59,119
interesting oh sorry elon no no and

1480
00:54:02,870 --> 00:54:00,880
by you saying that

1481
00:54:04,790 --> 00:54:02,880
then it begs the question

1482
00:54:06,710 --> 00:54:04,800
you know there have been sightings

1483
00:54:09,190 --> 00:54:06,720
around point pleasant ever since that

1484
00:54:10,790 --> 00:54:09,200
time do you believe it's the same being

1485
00:54:11,670 --> 00:54:10,800
or you think it's something else coming

1486
00:54:14,549 --> 00:54:11,680
in there

1487
00:54:18,150 --> 00:54:14,559
i believe it's the same thing i truly do

1488
00:54:20,790 --> 00:54:18,160

i also believe that he has gone insane

1489

00:54:22,790 --> 00:54:20,800

i will just say it because

1490

00:54:24,710 --> 00:54:22,800

i mean you've been shunned by your

1491

00:54:26,309 --> 00:54:24,720

basically your own people your family

1492

00:54:28,309 --> 00:54:26,319

you haven't been allowed to go home

1493

00:54:31,510 --> 00:54:28,319

you're in a strange land you've been

1494

00:54:31,520 --> 00:54:34,069

yeah

1495

00:54:36,870 --> 00:54:35,829

so that

1496

00:54:38,549 --> 00:54:36,880

you know

1497

00:54:40,870 --> 00:54:38,559

that's what i believe that's what i was

1498

00:54:44,390 --> 00:54:40,880

also told right

1499

00:54:47,589 --> 00:54:46,470

i don't know here's another question uh

1500

00:54:49,109 --> 00:54:47,599

what do you

1501
00:54:52,069 --> 00:54:49,119
do they use

1502
00:54:53,109 --> 00:54:52,079
for replenishment of energy what do they

1503
00:54:55,510 --> 00:54:53,119
eat

1504
00:54:57,510 --> 00:54:55,520
any ideas

1505
00:54:59,670 --> 00:54:57,520
i've never been told you've never been

1506
00:55:02,150 --> 00:54:59,680
told i have no idea no

1507
00:55:04,150 --> 00:55:02,160
yeah and and jennifer can't hear what

1508
00:55:06,230 --> 00:55:04,160
bernadette's saying so

1509
00:55:07,430 --> 00:55:06,240
they both said the same thing so that's

1510
00:55:10,309 --> 00:55:07,440
interesting

1511
00:55:13,190 --> 00:55:10,319
i will i will say this that i'm not sure

1512
00:55:14,630 --> 00:55:13,200
if it happens but i've i've been told it

1513
00:55:17,510 --> 00:55:14,640

does kind of happen with the one in

1514

00:55:19,670 --> 00:55:17,520

point pleasant that possibly small

1515

00:55:22,309 --> 00:55:19,680

animals have been taken but they said

1516

00:55:24,230 --> 00:55:22,319

that that is nothing that they do

1517

00:55:27,349 --> 00:55:24,240

that is just him doing that because of

1518

00:55:29,109 --> 00:55:27,359

how he has become at this point well you

1519

00:55:30,789 --> 00:55:29,119

know that is interesting because you

1520

00:55:32,710 --> 00:55:30,799

know with all the sightings we've had in

1521

00:55:35,349 --> 00:55:32,720

and around chicago

1522

00:55:38,150 --> 00:55:35,359

we have never heard anything about dead

1523

00:55:40,549 --> 00:55:38,160

pets animals or anything

1524

00:55:42,710 --> 00:55:40,559

being seen carcasses or

1525

00:55:44,549 --> 00:55:42,720

these things being seen eating on

1526

00:55:46,230 --> 00:55:44,559

anything at all

1527

00:55:48,870 --> 00:55:46,240

and in fact there's another question

1528

00:55:50,230 --> 00:55:48,880

about how long do they live

1529

00:55:52,150 --> 00:55:50,240

do you have any

1530

00:55:54,390 --> 00:55:52,160

very long time a very long time very

1531

00:55:57,589 --> 00:55:54,400

very long time

1532

00:55:58,549 --> 00:55:57,599

i mean uru is young and she's still

1533

00:56:02,789 --> 00:55:58,559

you know

1534

00:56:03,670 --> 00:56:02,799

still ashamed is still young and he's

1535

00:56:05,910 --> 00:56:03,680

still

1536

00:56:07,750 --> 00:56:05,920

hundreds of years old i mean

1537

00:56:10,789 --> 00:56:07,760

they're still children

1538

00:56:13,109 --> 00:56:10,799

basically we're teenagers right now and

1539

00:56:15,670 --> 00:56:13,119

they're still considered uh they're just

1540

00:56:19,430 --> 00:56:15,680

barely being let out you know on their

1541

00:56:21,270 --> 00:56:19,440

own and um even then they're still being

1542

00:56:23,349 --> 00:56:21,280

they're being let out but they're being

1543

00:56:25,030 --> 00:56:23,359

supervised you know there is somebody

1544

00:56:27,910 --> 00:56:25,040

always uh

1545

00:56:29,349 --> 00:56:27,920

watching what's going on um

1546

00:56:31,430 --> 00:56:29,359

even though they're out but they're

1547

00:56:33,190 --> 00:56:31,440

still you know

1548

00:56:35,430 --> 00:56:33,200

hundreds of years old and they're still

1549

00:56:38,309 --> 00:56:35,440

considered young so i mean these things

1550

00:56:41,349 --> 00:56:38,319

could probably live for eons

1551

00:56:45,829 --> 00:56:42,829

that's an interesting

1552

00:56:47,030 --> 00:56:45,839

question what do you think jennifer or

1553

00:56:51,750 --> 00:56:47,040

the astral

1554

00:56:55,829 --> 00:56:54,309

that now that is interesting

1555

00:56:59,190 --> 00:56:55,839

um

1556

00:57:02,069 --> 00:56:59,200

so where do they emanate from

1557

00:57:03,109 --> 00:57:02,079

they are right next to us in this

1558

00:57:04,470 --> 00:57:03,119

space

1559

00:57:05,750 --> 00:57:04,480

i don't know what you want to call it

1560

00:57:07,910 --> 00:57:05,760

but it's well

1561

00:57:09,829 --> 00:57:07,920

i i keep i keep saying it's a parallel

1562

00:57:12,789 --> 00:57:09,839

dimension or a

1563

00:57:14,069 --> 00:57:12,799

linear dimension to our earth i mean our

1564

00:57:15,829 --> 00:57:14,079

earth plane

1565

00:57:19,750 --> 00:57:15,839

uh you know there's always this theory

1566

00:57:22,230 --> 00:57:19,760

that there are 11 dimensions on you know

1567

00:57:25,910 --> 00:57:22,240

on a linear

1568

00:57:28,069 --> 00:57:25,920

trajectory i mean however it is to earth

1569

00:57:30,390 --> 00:57:28,079

and from what we understand

1570

00:57:32,789 --> 00:57:30,400

they're able to move through in portals

1571

00:57:34,390 --> 00:57:32,799

very easily because they are very near

1572

00:57:36,230 --> 00:57:34,400

us all the time

1573

00:57:37,030 --> 00:57:36,240

and i would assume that they

1574

00:57:38,390 --> 00:57:37,040

that

1575

00:57:40,549 --> 00:57:38,400

they have been living

1576
00:57:43,589 --> 00:57:40,559
actually living among us for a long

1577
00:57:45,510 --> 00:57:43,599
period as well right yes

1578
00:57:49,190 --> 00:57:45,520
yeah and it just seems that way

1579
00:57:51,910 --> 00:57:49,200
absolutely and we coincided as one

1580
00:57:53,750 --> 00:57:51,920
group right at one time

1581
00:57:55,750 --> 00:57:53,760
uh james west wants to know again about

1582
00:57:58,390 --> 00:57:55,760
the hierarchy so uh explain the

1583
00:57:59,829 --> 00:57:58,400
hierarchy again

1584
00:58:01,349 --> 00:57:59,839
okay bernadette can you explain the

1585
00:58:04,630 --> 00:58:01,359
hierarchy

1586
00:58:07,670 --> 00:58:04,640
so what it is is what i was told was

1587
00:58:08,710 --> 00:58:07,680
they tend to send the youngest out

1588
00:58:12,309 --> 00:58:08,720

okay

1589

00:58:14,630 --> 00:58:12,319

um so uru and asham are they're

1590

00:58:15,990 --> 00:58:14,640

basically expendable

1591

00:58:18,549 --> 00:58:16,000

and i hate to

1592

00:58:21,109 --> 00:58:18,559

hate to say that about them i truly do

1593

00:58:22,470 --> 00:58:21,119

they would not um

1594

00:58:24,069 --> 00:58:22,480

send older

1595

00:58:26,230 --> 00:58:24,079

children

1596

00:58:28,069 --> 00:58:26,240

older adults out

1597

00:58:30,309 --> 00:58:28,079

i haven't seen any of the adults if i

1598

00:58:32,710 --> 00:58:30,319

have i haven't recognized adults but

1599

00:58:33,670 --> 00:58:32,720

they tend to send the children out

1600

00:58:36,390 --> 00:58:33,680

um

1601
00:58:38,789 --> 00:58:36,400
from what i was told there's

1602
00:58:40,309 --> 00:58:38,799
a royalty

1603
00:58:42,230 --> 00:58:40,319
in a way

1604
00:58:44,789 --> 00:58:42,240
i'm not really sure how it works but i

1605
00:58:45,829 --> 00:58:44,799
was just a royalty that's that's all i

1606
00:58:48,470 --> 00:58:45,839
was told

1607
00:58:51,109 --> 00:58:48,480
well the higher beings are of the unseen

1608
00:58:53,510 --> 00:58:51,119
ones and i think jenner said they

1609
00:58:55,510 --> 00:58:53,520
they they their body form they do have

1610
00:58:59,670 --> 00:58:55,520
wings but they look more like mantids

1611
00:59:03,349 --> 00:59:02,549
pray mantis or a

1612
00:59:05,270 --> 00:59:03,359
um

1613
00:59:07,670 --> 00:59:05,280

a grasshopper

1614

00:59:08,549 --> 00:59:07,680

kind of like but they're huge they're

1615

00:59:10,789 --> 00:59:08,559

like

1616

00:59:12,710 --> 00:59:10,799

10 feet tall yeah

1617

00:59:15,349 --> 00:59:12,720

you know and you know we have had those

1618

00:59:16,549 --> 00:59:15,359

these mantis what people call mantis men

1619

00:59:18,789 --> 00:59:16,559

sightings

1620

00:59:21,190 --> 00:59:18,799

you know i didn't i actually did part of

1621

00:59:22,069 --> 00:59:21,200

a television production about the mantis

1622

00:59:25,109 --> 00:59:22,079

man

1623

00:59:27,990 --> 00:59:25,119

in hackensack um new jersey which was

1624

00:59:30,069 --> 00:59:28,000

seen several times along the river there

1625

00:59:31,829 --> 00:59:30,079

and uh maybe those are the same being

1626

00:59:34,470 --> 00:59:31,839

maybe we can ask them at some point and

1627

00:59:36,470 --> 00:59:34,480

find out if those were unseen ones

1628

00:59:38,230 --> 00:59:36,480

uh that's always been a mystery but

1629

00:59:40,309 --> 00:59:38,240

they're they were seen by three

1630

00:59:42,069 --> 00:59:40,319

different witnesses at one point

1631

00:59:43,589 --> 00:59:42,079

well i guess about seven or eight years

1632

00:59:44,950 --> 00:59:43,599

ago so uh

1633

00:59:47,349 --> 00:59:44,960

if you don't mind me interjecting

1634

00:59:49,270 --> 00:59:47,359

something sure on that part but like he

1635

00:59:51,349 --> 00:59:49,280

was like bernie was talking about like

1636

00:59:53,670 --> 00:59:51,359

the hierarchy you know they send like

1637

00:59:56,630 --> 00:59:53,680

asham and uru

1638

00:59:58,390 --> 00:59:56,640

one thing i did uru has made it very

1639

01:00:00,950 --> 00:59:58,400

clear that

1640

01:00:02,630 --> 01:00:00,960

they're usually very loving they're not

1641

01:00:05,990 --> 01:00:02,640

aggressive at all

1642

01:00:07,270 --> 01:00:06,000

one way to piss them off is by summoning

1643

01:00:08,069 --> 01:00:07,280

them

1644

01:00:09,190 --> 01:00:08,079

um

1645

01:00:10,789 --> 01:00:09,200

people who

1646

01:00:12,230 --> 01:00:10,799

tend to summon

1647

01:00:14,549 --> 01:00:12,240

you know they don't they're not

1648

01:00:16,390 --> 01:00:14,559

they're not

1649

01:00:19,109 --> 01:00:16,400

i don't know how to explain it but

1650

01:00:20,870 --> 01:00:19,119

it's just like grabbing it's just like

1651
01:00:21,990 --> 01:00:20,880
you know opening a portal and just

1652
01:00:23,270 --> 01:00:22,000
sticking your hand in there you don't

1653
01:00:24,789 --> 01:00:23,280
know whether you're grabbing an imp

1654
01:00:26,710 --> 01:00:24,799
you're grabbing an arch demon or

1655
01:00:28,950 --> 01:00:26,720
something

1656
01:00:30,470 --> 01:00:28,960
they don't like the older ones do not

1657
01:00:32,870 --> 01:00:30,480
like being here

1658
01:00:34,390 --> 01:00:32,880
um and to be forced to come here have

1659
01:00:36,549 --> 01:00:34,400
been restrained

1660
01:00:37,750 --> 01:00:36,559
because they some practitioner thinks

1661
01:00:39,670 --> 01:00:37,760
that i'm gonna

1662
01:00:42,470 --> 01:00:39,680
use you for my own purpose this is a

1663
01:00:44,789 --> 01:00:42,480

great way to you know piss them off they

1664

01:00:47,510 --> 01:00:44,799

don't have tempers they don't they are

1665

01:00:49,670 --> 01:00:47,520

very loving tolerant beings but

1666

01:00:52,150 --> 01:00:49,680

being dragged into this plane against

1667

01:00:53,910 --> 01:00:52,160

your will is a great way to make make

1668

01:00:54,789 --> 01:00:53,920

them very angry at you

1669

01:00:57,109 --> 01:00:54,799

um

1670

01:00:59,030 --> 01:00:57,119

this is why they're very

1671

01:01:01,910 --> 01:00:59,040

very very apprehensive about talking to

1672

01:01:03,670 --> 01:01:01,920

humans they send you know

1673

01:01:05,990 --> 01:01:03,680

they go this great link to only find

1674

01:01:08,390 --> 01:01:06,000

certain people to go to talk to to make

1675

01:01:11,030 --> 01:01:08,400

contact with and

1676

01:01:13,109 --> 01:01:11,040

you know they're very skittish uh and

1677

01:01:15,430 --> 01:01:13,119

that's why they only send

1678

01:01:16,390 --> 01:01:15,440

the younger ones it's it's kind of you

1679

01:01:18,390 --> 01:01:16,400

know

1680

01:01:20,950 --> 01:01:18,400

asham and uber will eventually stop

1681

01:01:22,549 --> 01:01:20,960

coming to this this plane as they get

1682

01:01:25,190 --> 01:01:22,559

older you know

1683

01:01:27,190 --> 01:01:25,200

that might be after all of us are dead

1684

01:01:28,870 --> 01:01:27,200

and buried but eventually they'll get

1685

01:01:29,990 --> 01:01:28,880

old enough that they'll stop coming to

1686

01:01:32,630 --> 01:01:30,000

this plane

1687

01:01:34,789 --> 01:01:32,640

um because somebody else will come will

1688

01:01:35,750 --> 01:01:34,799

be now ready to go they'll be old enough

1689

01:01:36,549 --> 01:01:35,760

to go

1690

01:01:38,549 --> 01:01:36,559

but

1691

01:01:41,670 --> 01:01:38,559

forcefully dragging them out of their

1692

01:01:44,069 --> 01:01:41,680

plane of existence is not only

1693

01:01:47,910 --> 01:01:44,079

i want to say painful to them but it's a

1694

01:01:49,670 --> 01:01:47,920

great way to make them very angry

1695

01:01:52,230 --> 01:01:49,680

so some of them are being conjured

1696

01:01:53,670 --> 01:01:52,240

against their will then brought here

1697

01:01:54,630 --> 01:01:53,680

against their

1698

01:01:56,870 --> 01:01:54,640

their will

1699

01:01:58,789 --> 01:01:56,880

well it's just like it's just like when

1700

01:02:01,990 --> 01:01:58,799

you have people who practice demonology

1701

01:02:03,430 --> 01:02:02,000

or sure they they summon edema demon

1702

01:02:06,230 --> 01:02:03,440

doesn't want to be here on this he's

1703

01:02:07,589 --> 01:02:06,240

here on business to drag down i mean how

1704

01:02:09,829 --> 01:02:07,599

would you like to be dragged out of your

1705

01:02:11,829 --> 01:02:09,839

bed while you're watching the tv

1706

01:02:13,349 --> 01:02:11,839

and and you know all of a sudden forced

1707

01:02:14,870 --> 01:02:13,359

and put in front of somebody who doesn't

1708

01:02:17,270 --> 01:02:14,880

know what they're doing

1709

01:02:20,230 --> 01:02:17,280

um it's gonna piss you off

1710

01:02:21,670 --> 01:02:20,240

and um you know that's how they feel

1711

01:02:24,150 --> 01:02:21,680

they don't want to be dragged out of

1712

01:02:25,829 --> 01:02:24,160

their out of their plane because they

1713

01:02:27,430 --> 01:02:25,839

have business to do

1714

01:02:30,150 --> 01:02:27,440

um

1715

01:02:32,390 --> 01:02:30,160

well i i tell you what we're going to oh

1716

01:02:34,470 --> 01:02:32,400

sorry i agree with emmanuel they're

1717

01:02:37,029 --> 01:02:34,480

they're very loving they're very kind i

1718

01:02:39,109 --> 01:02:37,039

mean i've been helped when i was sick

1719

01:02:41,910 --> 01:02:39,119

they've warned us about things to come

1720

01:02:44,230 --> 01:02:41,920

yeah and i mean

1721

01:02:46,069 --> 01:02:44,240

exactly and i've you know

1722

01:02:47,670 --> 01:02:46,079

i've never asked for anything but

1723

01:02:49,349 --> 01:02:47,680

they've just been kind to me and i've

1724

01:02:50,870 --> 01:02:49,359

been surprised by that because you don't

1725

01:02:53,750 --> 01:02:50,880

expect it

1726

01:02:54,870 --> 01:02:53,760

but i i tend to agree also that you know

1727

01:02:57,029 --> 01:02:54,880

if you're gonna drag them there if

1728

01:02:58,870 --> 01:02:57,039

you're gonna do that to them they would

1729

01:03:00,870 --> 01:02:58,880

fight back i mean anybody would fight

1730

01:03:03,750 --> 01:03:00,880

back i would fight back you would you

1731

01:03:05,589 --> 01:03:03,760

know and i've i've seen

1732

01:03:07,910 --> 01:03:05,599

things that have happened to them where

1733

01:03:09,270 --> 01:03:07,920

they've had to fight back but just like

1734

01:03:11,109 --> 01:03:09,280

anything they would fight back but

1735

01:03:14,470 --> 01:03:11,119

that's not in our nature not unless

1736

01:03:16,069 --> 01:03:14,480

they're truly provoked and in danger

1737

01:03:18,150 --> 01:03:16,079

so well we are starting to get some

1738

01:03:20,230 --> 01:03:18,160

questions about um

1739

01:03:21,910 --> 01:03:20,240

their their uh connection to other

1740

01:03:23,589 --> 01:03:21,920

extraterrestrials

1741

01:03:25,190 --> 01:03:23,599

and their they do have a connection with

1742

01:03:27,349 --> 01:03:25,200

humans and what i'm gonna do is i'm

1743

01:03:29,589 --> 01:03:27,359

gonna save that for the next time

1744

01:03:31,510 --> 01:03:29,599

so folks look if you've got questions

1745

01:03:32,630 --> 01:03:31,520

now that didn't get answered please save

1746

01:03:34,950 --> 01:03:32,640

them for

1747

01:03:36,230 --> 01:03:34,960

a follow-up which we will be doing uh

1748

01:03:38,789 --> 01:03:36,240

and i'm quite sure there's going to be a

1749

01:03:41,029 --> 01:03:38,799

few things going on between now and then

1750

01:03:43,270 --> 01:03:41,039

because it seems like there's something

1751

01:03:45,910 --> 01:03:43,280

daily happening with this

1752

01:03:48,549 --> 01:03:45,920

so uh so folks i you know i want to

1753

01:03:49,910 --> 01:03:48,559

thank you for coming on with us tonight

1754

01:03:52,150 --> 01:03:49,920

and uh

1755

01:03:54,870 --> 01:03:52,160

uh bernadette jennifer vincent and

1756

01:03:56,549 --> 01:03:54,880

manuel and uh we'll be doing this again

1757

01:03:58,390 --> 01:03:56,559

i'm pretty sure

1758

01:04:00,549 --> 01:03:58,400

thank you for having me lon thank you

1759

01:04:02,390 --> 01:04:00,559

for having me okay you all have a good

1760

01:04:03,990 --> 01:04:02,400

evening

1761

01:04:05,589 --> 01:04:04,000

now if you have an unexplained encounter

1762

01:04:07,990 --> 01:04:05,599

or something feel free to contact me

1763

01:04:09,829 --> 01:04:08,000

through the fam's monsters blog site i

1764

01:04:11,750 --> 01:04:09,839

want to again thank manuel jennifer

1765

01:04:13,990 --> 01:04:11,760

bernadette and vincent for joining me

1766

01:04:16,230 --> 01:04:14,000

this evening and thanks to each and all

1767

01:04:19,109 --> 01:04:16,240

you for watching and chatting if you

1768

01:04:21,270 --> 01:04:19,119

made a super chat donation it is truly

1769

01:04:24,230 --> 01:04:21,280

appreciated your support is what makes

1770

01:04:26,549 --> 01:04:24,240

this all possible please like subscribe

1771

01:04:28,710 --> 01:04:26,559

and share now next week

1772

01:04:31,190 --> 01:04:28,720

uh i will be joined by my friend and

1773

01:04:33,029 --> 01:04:31,200

colleague timothy renner he is the

1774

01:04:36,230 --> 01:04:33,039

investigator of various

1775

01:04:37,910 --> 01:04:36,240

14 and unexplained phenomena tim is a

1776

01:04:39,349 --> 01:04:37,920

member of the fans of monsters 14

1777

01:04:41,430 --> 01:04:39,359

research team

1778

01:04:43,990 --> 01:04:41,440

he's written several books about local

1779

01:04:46,710 --> 01:04:44,000

and worldwide anomalous activity

1780

01:04:49,430 --> 01:04:46,720

uh we will be discussing several topics

1781

01:04:50,390 --> 01:04:49,440

including powwowing appalachian folk

1782

01:04:52,069 --> 01:04:50,400

magic

1783

01:04:55,270 --> 01:04:52,079

and some other strange lore that's

1784

01:04:58,230 --> 01:04:55,280

associated with uh locally with south

1785

01:05:00,630 --> 01:04:58,240

central pennsylvania so be sure to join

1786

01:05:02,710 --> 01:05:00,640

us for that for what promises to be a

1787

01:05:05,109 --> 01:05:02,720

very interesting and entertaining show

1788

01:05:15,640 --> 01:05:05,119

so until next week stay healthy and have

1789

01:05:15,650 --> 01:05:28,290

[Music]

1790

01:05:28,300 --> 01:05:53,350

[Applause]
