JC JOHNSON
A TRIBUTE

Featuring guests SUMMER LOWRY and colleagues - December 3rd, 2021

1
00:00:07,110 --> 00:00:04,470

[Music]

2
00:00:08,710 --> 00:00:07,120
the oldest and strongest human emotion

3
00:00:10,870 --> 00:00:08,720
is fear

4
00:00:11,830 --> 00:00:10,880
and the oldest and strongest type of

5
00:00:15,030 --> 00:00:11,840
fear

6
00:00:17,510 --> 00:00:15,040
is trepidation of the unknown

7
00:00:20,950 --> 00:00:17,520
when we were children our parents told

8
00:00:23,429 --> 00:00:20,960
us that monsters didn't exist

9
00:00:26,630 --> 00:00:23,439
but we were sure that something was

10
00:00:31,189 --> 00:00:26,640
lurking under the bed or in the closet

11
00:00:34,150 --> 00:00:31,199
fear sees even if our eyes are closed

12
00:00:36,389 --> 00:00:34,160
welcome to the realm of the arcane

13
00:00:38,790 --> 00:00:36,399

my name is lon strickler

14

00:00:39,910 --> 00:00:38,800

join me as i examine unexplained

15

00:00:42,549 --> 00:00:39,920

creatures

16

00:00:44,869 --> 00:00:42,559

strange manifestations and remarkable

17

00:00:47,910 --> 00:00:44,879

realities

18

00:00:50,549 --> 00:00:47,920

imagine this next hour as a voyage of

19

00:00:53,029 --> 00:00:50,559

discovery to strange lands

20

00:00:54,549 --> 00:00:53,039

seeking not for new territory

21

00:00:56,069 --> 00:00:54,559

but for new knowledge of the

22

00:00:58,869 --> 00:00:56,079

supernatural

23

00:01:00,300 --> 00:00:58,879

come on board as we begin this adventure

24

00:01:03,670 --> 00:01:00,310

together

25

00:01:07,830 --> 00:01:05,509

folks good evening and welcome to

42

00:01:44,550 --> 00:01:42,000

now this week you know i wanted to

43

00:01:46,069 --> 00:01:44,560

present a very special tribute to our

44

00:01:49,910 --> 00:01:46,079

friend and colleague

45

00:01:52,550 --> 00:01:49,920

the late crypto investigator jc johnson

46

00:01:56,149 --> 00:01:52,560

uh you know from crypto four corners to

47

00:01:58,389 --> 00:01:56,159

other cases throughout the country

48

00:02:00,709 --> 00:01:58,399

we will discuss many of our fond

49

00:02:02,870 --> 00:02:00,719

remembrances of jc

50

00:02:05,270 --> 00:02:02,880

his theories and the cases that he

51

00:02:07,749 --> 00:02:05,280

investigated

52

00:02:10,710 --> 00:02:07,759

so and also the folks in the chat if you

53

00:02:12,710 --> 00:02:10,720

have questions uh go ahead and post it

54

00:02:15,430 --> 00:02:12,720

up there in caps

55

00:02:17,350 --> 00:02:15,440

and we'll try to answer it as we go so

56

00:02:18,550 --> 00:02:17,360

folks then thanks again for joining me

57

00:02:22,790 --> 00:02:18,560

this evening

58

00:02:26,869 --> 00:02:22,800

and uh we have with us summer lowry

59

00:02:27,670 --> 00:02:26,879

and uh i think later on eric altman from

60

00:02:30,470 --> 00:02:27,680

uh

61

00:02:34,630 --> 00:02:30,480

beyond the edge who i used to work with

62

00:02:37,030 --> 00:02:34,640

on that channel for that show years ago

63

00:02:38,710 --> 00:02:37,040

so uh

64
00:02:39,910 --> 00:02:38,720
thanks for coming on summer how are you

65
00:02:41,990 --> 00:02:39,920
doing

66
00:02:43,910 --> 00:02:42,000
yeah well there you go rick erickson

67
00:02:44,949 --> 00:02:43,920
with us as well

68
00:02:46,710 --> 00:02:44,959
hey

69
00:02:48,710 --> 00:02:46,720
thanks for having me though yeah uh i'm

70
00:02:51,030 --> 00:02:48,720
doing good doing doing that you're all

71
00:02:53,190 --> 00:02:51,040
right yeah and eric thanks for joining

72
00:02:55,430 --> 00:02:53,200
me this evening uh you and i

73
00:02:57,830 --> 00:02:55,440
we first thought started talking to

74
00:03:00,229 --> 00:02:57,840
and i think you had interviewed jc

75
00:03:03,190 --> 00:03:00,239
before i even joined with you and uh

76

00:03:05,750 --> 00:03:03,200

sean over beyond the edge

77

00:03:07,589 --> 00:03:05,760

yeah many many years ago

78

00:03:09,270 --> 00:03:07,599

yeah wasn't i on that show with them

79

00:03:12,070 --> 00:03:09,280

with it was jc and i

80

00:03:14,390 --> 00:03:12,080

i well i don't know i think you may have

81

00:03:16,710 --> 00:03:14,400

been with me but i don't know you know

82

00:03:22,949 --> 00:03:16,720

god how many i mean that's been what

83

00:03:29,030 --> 00:03:26,309

so summer let me start with you and uh

84

00:03:30,550 --> 00:03:29,040

tell us how you met jc some of the

85

00:03:33,350 --> 00:03:30,560

things that you're involved in some of

86

00:03:36,550 --> 00:03:33,360

the fondest memories you had of him

87

00:03:37,589 --> 00:03:36,560

sure sure so actually i think how we met

88

00:03:39,910 --> 00:03:37,599

kind of

89

00:03:41,190 --> 00:03:39,920

just shows so much about his character

90

00:03:42,949 --> 00:03:41,200

so i'll tell you guys about that a

91

00:03:44,309 --> 00:03:42,959

little bit first i tried to keep that

92

00:03:48,869 --> 00:03:44,319

short so we can get to the good stuff

93

00:03:50,470 --> 00:03:48,879

but uh so it was a uh march of 2014. i'm

94

00:03:52,229 --> 00:03:50,480

at my best friend's house we're watching

95

00:03:53,990 --> 00:03:52,239

um destination america and of course

96

00:03:55,030 --> 00:03:54,000

monsters and mysteries in america comes

97

00:03:57,990 --> 00:03:55,040

on

98

00:04:00,070 --> 00:03:58,000

and um i'm like naming off all the

99

00:04:02,550 --> 00:04:00,080

guests um you know the guest

100

00:04:04,550 --> 00:04:02,560

cryptozoologists like you lon jc and

101
00:04:06,550 --> 00:04:04,560
some of the other ones and i like know

102
00:04:07,670 --> 00:04:06,560
everything about them and i can like

103
00:04:09,030 --> 00:04:07,680
quote word for word what they're going

104
00:04:10,630 --> 00:04:09,040
to say because i watched it so much my

105
00:04:12,949 --> 00:04:10,640
friends like you seriously need to be a

106
00:04:14,470 --> 00:04:12,959
cryptozoologist this is insane and i'm

107
00:04:16,390 --> 00:04:14,480
like yeah right you can't do that it's

108
00:04:18,229 --> 00:04:16,400
not i can go to school for it you know

109
00:04:20,870 --> 00:04:18,239
and he goes i dare you to message all

110
00:04:22,469 --> 00:04:20,880
these people on here and i guarantee you

111
00:04:24,310 --> 00:04:22,479
they'll respond i'm like we literally

112
00:04:25,990 --> 00:04:24,320
had a bet going so the first person i

113
00:04:28,390 --> 00:04:26,000

messed was jc

114

00:04:30,550 --> 00:04:28,400

and i think all i said was i would love

115

00:04:33,749 --> 00:04:30,560

to pick your brain um i saw you on

116

00:04:35,510 --> 00:04:33,759

monsters and mysteries in america um

117

00:04:36,790 --> 00:04:35,520

and that was it and literally like

118

00:04:39,110 --> 00:04:36,800

before i could even look for anybody

119

00:04:41,430 --> 00:04:39,120

else he had already messaged me

120

00:04:43,670 --> 00:04:41,440

and was like oh absolutely would you be

121

00:04:45,189 --> 00:04:43,680

it would be okay if uh you know i called

122

00:04:47,430 --> 00:04:45,199

you because it's so much easier and i'm

123

00:04:48,870 --> 00:04:47,440

like i was just like shocked in utter

124

00:04:51,270 --> 00:04:48,880

shock like are you kidding me this can't

125

00:04:53,590 --> 00:04:51,280

be real no it was real

126
00:04:55,749 --> 00:04:53,600
and uh by we you know it went from there

127
00:04:57,430 --> 00:04:55,759
for so that was march right

128
00:04:58,230 --> 00:04:57,440
by um

129
00:05:00,390 --> 00:04:58,240
by

130
00:05:02,469 --> 00:05:00,400
what month was uh

131
00:05:04,710 --> 00:05:02,479
no it was i'm sorry that was january of

132
00:05:07,029 --> 00:05:04,720
2014 by march i was already in new

133
00:05:09,830 --> 00:05:07,039
mexico working with c4c

134
00:05:12,469 --> 00:05:09,840
uh you know that's that's just crazy i

135
00:05:14,629 --> 00:05:12,479
mean he he he came through i had nothing

136
00:05:16,310 --> 00:05:14,639
he worked his butt off doing whatever

137
00:05:18,390 --> 00:05:16,320
roofing or whatever he could do to get

138
00:05:20,310 --> 00:05:18,400

me down there um you know bought me

139

00:05:22,790 --> 00:05:20,320

boots he had surprises for me he bought

140

00:05:24,230 --> 00:05:22,800

me a knife and boots and it was just the

141

00:05:26,469 --> 00:05:24,240

sweetest thing ever like he was just

142

00:05:28,390 --> 00:05:26,479

such a good guy that i don't know it's

143

00:05:29,350 --> 00:05:28,400

it's it's hard to wrap your brain around

144

00:05:32,710 --> 00:05:29,360

uh

145

00:05:34,870 --> 00:05:32,720

you know you see someone on tv and then

146

00:05:37,270 --> 00:05:34,880

they're so responsive it's just crazy

147

00:05:39,189 --> 00:05:37,280

but yeah that's how i met him

148

00:05:40,710 --> 00:05:39,199

i won that bet or i lost that bet i'm

149

00:05:42,870 --> 00:05:40,720

sorry

150

00:05:44,230 --> 00:05:42,880

i lost it

151
00:05:47,029 --> 00:05:44,240
eric um

152
00:05:49,029 --> 00:05:47,039
now you and i have interviewed jc i know

153
00:05:52,710 --> 00:05:49,039
you interviewed before what are your

154
00:05:55,510 --> 00:05:52,720
what are your fondest memories of jc

155
00:05:57,110 --> 00:05:55,520
oh my gosh lon the stories that he would

156
00:05:59,029 --> 00:05:57,120
share with us

157
00:06:02,150 --> 00:05:59,039
the cases the

158
00:06:05,029 --> 00:06:02,160
the dinosaurs that he was chasing yeah

159
00:06:09,430 --> 00:06:05,039
the the hairy creatures the

160
00:06:12,150 --> 00:06:09,440
the um the night stalkers oh so many

161
00:06:14,150 --> 00:06:12,160
fantastic stories and

162
00:06:16,070 --> 00:06:14,160
um cases that he worked on he shared

163
00:06:17,909 --> 00:06:16,080

with us on the show and one thing i

164

00:06:20,870 --> 00:06:17,919

really loved about jc

165

00:06:22,550 --> 00:06:20,880

um like you and i we always chatted we

166

00:06:25,110 --> 00:06:22,560

always got along really well he was like

167

00:06:26,950 --> 00:06:25,120

part of the family and he had a name he

168

00:06:29,110 --> 00:06:26,960

called me brother man whenever he talked

169

00:06:31,830 --> 00:06:29,120

to me he said eric brother man how are

170

00:06:33,189 --> 00:06:31,840

you and he was just an amazing human

171

00:06:35,830 --> 00:06:33,199

being and

172

00:06:38,070 --> 00:06:35,840

yeah i really miss him um i miss his

173

00:06:40,070 --> 00:06:38,080

stories i miss chat with him he just had

174

00:06:42,870 --> 00:06:40,080

so much information he was willing to

175

00:06:45,029 --> 00:06:42,880

share so freely with anybody who would

176

00:06:46,469 --> 00:06:45,039

want to hear it and i think you and i

177

00:06:49,749 --> 00:06:46,479

were really blessed to have him on the

178

00:06:52,070 --> 00:06:49,759

show oh yeah yeah i think he opened up a

179

00:06:54,230 --> 00:06:52,080

lot of avenues for um

180

00:06:56,150 --> 00:06:54,240

for crypto investigators and of course

181

00:06:57,670 --> 00:06:56,160

you were more involved with

182

00:07:00,150 --> 00:06:57,680

what was going on in pennsylvania

183

00:07:02,469 --> 00:07:00,160

especially with bigfoot but the stories

184

00:07:05,589 --> 00:07:02,479

that he had the furry ones and uh some

185

00:07:06,790 --> 00:07:05,599

of the some of the anomalies and

186

00:07:09,589 --> 00:07:06,800

in uh

187

00:07:11,189 --> 00:07:09,599

in the uh danae navajo reservation area

188

00:07:13,830 --> 00:07:11,199

and up in the four corners were pretty

189

00:07:17,029 --> 00:07:13,840

fascinating you know i actually first

190

00:07:18,550 --> 00:07:17,039

met him online i gave him a phone call

191

00:07:21,350 --> 00:07:18,560

this was in

192

00:07:23,670 --> 00:07:21,360

i think it was june of 2010

193

00:07:25,830 --> 00:07:23,680

he had put a video up on youtube about

194

00:07:28,790 --> 00:07:25,840

him in a plane he was actually one of

195

00:07:30,950 --> 00:07:28,800

the puddle jumpers flying over the

196

00:07:32,309 --> 00:07:30,960

reservation he was pointing out areas

197

00:07:35,589 --> 00:07:32,319

where he had had

198

00:07:37,110 --> 00:07:35,599

encounters and things he had seen

199

00:07:39,670 --> 00:07:37,120

and uh

200

00:07:40,390 --> 00:07:39,680

it was interesting to the fact that he

201
00:07:41,830 --> 00:07:40,400
was

202
00:07:44,390 --> 00:07:41,840
pointing all this stuff out and i'm

203
00:07:46,869 --> 00:07:44,400
thinking i never heard this guy

204
00:07:48,710 --> 00:07:46,879
i don't know who the hell he is but i

205
00:07:51,670 --> 00:07:48,720
gotta talk to him

206
00:07:53,670 --> 00:07:51,680
and that's what i did and uh i actually

207
00:07:55,430 --> 00:07:53,680
was able to get his phone number and i

208
00:07:57,589 --> 00:07:55,440
called him on the phone

209
00:07:59,589 --> 00:07:57,599
and we talked for hours

210
00:08:01,270 --> 00:07:59,599
and uh i told him that you know i had

211
00:08:03,990 --> 00:08:01,280
been doing the blog

212
00:08:05,510 --> 00:08:04,000
and that you know i thought what he was

213
00:08:06,790 --> 00:08:05,520

investigating were just was just

214

00:08:09,350 --> 00:08:06,800

fascinating

215

00:08:11,110 --> 00:08:09,360

and it so happened that he said you know

216

00:08:12,550 --> 00:08:11,120

there's a there's some cases i'm working

217

00:08:16,550 --> 00:08:12,560

on now

218

00:08:19,510 --> 00:08:16,560

in particular uh we have

219

00:08:21,670 --> 00:08:19,520

collected some some samples of uh

220

00:08:23,510 --> 00:08:21,680

bigfoot samples

221

00:08:25,350 --> 00:08:23,520

and uh

222

00:08:27,909 --> 00:08:25,360

we're actually talking about getting

223

00:08:30,150 --> 00:08:27,919

involved in the kitchen dna study i mean

224

00:08:31,990 --> 00:08:30,160

that was even known back then that this

225

00:08:34,070 --> 00:08:32,000

was going to start

226

00:08:35,829 --> 00:08:34,080

so he asked me said would you mind

227

00:08:38,149 --> 00:08:35,839

documenting some of this some of my

228

00:08:40,550 --> 00:08:38,159

cases on your blog

229

00:08:42,870 --> 00:08:40,560

and i said absolutely and that's how i

230

00:08:45,269 --> 00:08:42,880

got to know jc

231

00:08:46,310 --> 00:08:45,279

it was amazing and i he taught me so

232

00:08:48,310 --> 00:08:46,320

much

233

00:08:50,870 --> 00:08:48,320

i i think he probably taught me more

234

00:08:54,310 --> 00:08:50,880

about cryptozoology

235

00:08:56,389 --> 00:08:54,320

and about the unknown than anybody else

236

00:08:58,389 --> 00:08:56,399

you know i've been doing this for a long

237

00:09:00,710 --> 00:08:58,399

time i've been doing this since

238

00:09:03,750 --> 00:09:00,720

you know back since the 70s

239

00:09:05,990 --> 00:09:03,760

and uh yeah it's um

240

00:09:07,350 --> 00:09:06,000

he was just he was he was he was so

241

00:09:09,430 --> 00:09:07,360

down-to-earth

242

00:09:11,990 --> 00:09:09,440

so personable

243

00:09:16,550 --> 00:09:12,000

and uh you know

244

00:09:20,790 --> 00:09:18,790

so uh summer what else you got to talk

245

00:09:24,150 --> 00:09:20,800

about what what kind of things did you

246

00:09:25,269 --> 00:09:24,160

and jc get involved with

247

00:09:27,110 --> 00:09:25,279

so uh

248

00:09:29,350 --> 00:09:27,120

i mean we got right to it really when i

249

00:09:32,230 --> 00:09:29,360

got down there um yeah

250

00:09:34,230 --> 00:09:32,240

it was it was really a blast uh i was

251
00:09:36,150 --> 00:09:34,240
there for i was unfortunately only there

252
00:09:38,710 --> 00:09:36,160
for about four months working with him

253
00:09:40,150 --> 00:09:38,720
we went on about four expeditions um i

254
00:09:42,230 --> 00:09:40,160
happened to be i was

255
00:09:44,710 --> 00:09:42,240
horribly horribly homesick

256
00:09:46,550 --> 00:09:44,720
it was it was bad and jc was always so

257
00:09:47,829 --> 00:09:46,560
nice about it and you know comforting

258
00:09:50,470 --> 00:09:47,839
and stuff but i just couldn't do it at

259
00:09:52,310 --> 00:09:50,480
the end i had to go um i just wasn't

260
00:09:53,430 --> 00:09:52,320
feeling um

261
00:09:55,030 --> 00:09:53,440
i don't know

262
00:09:57,030 --> 00:09:55,040
certain places i feel like

263
00:09:58,470 --> 00:09:57,040

geographically like our human spirit

264

00:10:00,230 --> 00:09:58,480

doesn't really like it there and mine

265

00:10:02,829 --> 00:10:00,240

did not and then for whatever reason i

266

00:10:04,470 --> 00:10:02,839

wanted to be there but anyway we uh my

267

00:10:10,069 --> 00:10:04,480

favorite

268

00:10:11,430 --> 00:10:10,079

encounter uh with jc is

269

00:10:12,310 --> 00:10:11,440

we went out to

270

00:10:18,470 --> 00:10:12,320

uh

271

00:10:19,509 --> 00:10:18,480

on the san juan

272

00:10:20,710 --> 00:10:19,519

i don't know if you've heard of it it's

273

00:10:22,069 --> 00:10:20,720

beautiful there

274

00:10:23,750 --> 00:10:22,079

and

275

00:10:25,670 --> 00:10:23,760

so there

276

00:10:28,790 --> 00:10:25,680

to get to the uh

277

00:10:30,790 --> 00:10:28,800

the rock paintings across the river from

278

00:10:32,550 --> 00:10:30,800

where the campsite is you have to

279

00:10:35,350 --> 00:10:32,560

traverse the river there's no other way

280

00:10:36,150 --> 00:10:35,360

across on this property but but to canoe

281

00:10:37,269 --> 00:10:36,160

over

282

00:10:38,389 --> 00:10:37,279

mind you

283

00:10:40,949 --> 00:10:38,399

it is

284

00:10:44,389 --> 00:10:40,959

again it's march the river is freezing

285

00:10:45,509 --> 00:10:44,399

cold it's moving fast and it's high

286

00:10:47,829 --> 00:10:45,519

yeah

287

00:10:49,509 --> 00:10:47,839

and uh so

288

00:10:51,750 --> 00:10:49,519

you know i was nervous i had never been

289

00:10:52,870 --> 00:10:51,760

in a kayak before and you know jc he was

290

00:10:54,790 --> 00:10:52,880

an expert

291

00:10:57,750 --> 00:10:54,800

and uh he didn't go it was being another

292

00:11:00,710 --> 00:10:57,760

girl her name is summer uh she was with

293

00:11:02,790 --> 00:11:00,720

us she has actually our neighbor and um

294

00:11:05,590 --> 00:11:02,800

she was a cool chick um

295

00:11:07,430 --> 00:11:05,600

and so she but she was badass like way

296

00:11:08,790 --> 00:11:07,440

she's like oh hell yeah i've kayaked

297

00:11:09,990 --> 00:11:08,800

hundreds of times and i'm like i

298

00:11:11,509 --> 00:11:10,000

literally don't even know how to get in

299

00:11:13,030 --> 00:11:11,519

like what am i doing anyway she's like

300

00:11:16,310 --> 00:11:13,040

i'll go first and you can go right after

301
00:11:18,230 --> 00:11:16,320
me so of course you know jc had already

302
00:11:19,670 --> 00:11:18,240
told me all about the kayaks

303
00:11:22,069 --> 00:11:19,680
and the canoes and stuff you know and

304
00:11:23,670 --> 00:11:22,079
told me how to deal with them and the

305
00:11:28,069 --> 00:11:23,680
one thing that was ringing in my ears

306
00:11:30,310 --> 00:11:28,079
the whole time was don't lose the boat

307
00:11:31,269 --> 00:11:30,320
he's like tie that boat to your life

308
00:11:33,190 --> 00:11:31,279
right

309
00:11:34,230 --> 00:11:33,200
so i did

310
00:11:36,630 --> 00:11:34,240
well

311
00:11:37,910 --> 00:11:36,640
i didn't know that this river looked way

312
00:11:39,269 --> 00:11:37,920
deeper than it was i had never been

313
00:11:42,550 --> 00:11:39,279

there i didn't know that it was only

314

00:11:44,230 --> 00:11:42,560

like waist deep in the middle well she

315

00:11:46,550 --> 00:11:44,240

goes across just

316

00:11:48,550 --> 00:11:46,560

gets it like nails it just beautifully

317

00:11:50,629 --> 00:11:48,560

right you had to like go to the right

318

00:11:52,150 --> 00:11:50,639

against the current you know upstream a

319

00:11:54,310 --> 00:11:52,160

little bit and like kind of swing around

320

00:11:55,990 --> 00:11:54,320

to to make it across to be able to go

321

00:11:56,790 --> 00:11:56,000

fast enough you know because it's moving

322

00:11:59,509 --> 00:11:56,800

quick

323

00:12:02,310 --> 00:11:59,519

and oh my goodness this is embarrassing

324

00:12:03,990 --> 00:12:02,320

um i she gets off and she's like come on

325

00:12:06,550 --> 00:12:04,000

you're good and i try to do what she

326

00:12:07,829 --> 00:12:06,560

does and i epically fail i get all the

327

00:12:11,350 --> 00:12:07,839

way to

328

00:12:14,389 --> 00:12:11,360

i'm just a few feet from the other shore

329

00:12:16,949 --> 00:12:14,399

and i start to turn my my canoe starts

330

00:12:18,629 --> 00:12:16,959

to go backwards into the rapids and so

331

00:12:21,110 --> 00:12:18,639

you know i try to correct myself while i

332

00:12:23,829 --> 00:12:21,120

over correct and my um my orc is stuck

333

00:12:26,069 --> 00:12:23,839

in the rocks and i i flip right over

334

00:12:27,670 --> 00:12:26,079

i'm swimming now and i pop my head up

335

00:12:30,470 --> 00:12:27,680

and i promise you

336

00:12:33,750 --> 00:12:30,480

all i could hear was jc screaming from

337

00:12:35,829 --> 00:12:33,760

the campsite don't you lose that boat

338

00:12:38,470 --> 00:12:35,839

you don't lose that boat

339

00:12:40,389 --> 00:12:38,480

and i'm just like i'm thinking at this

340

00:12:42,230 --> 00:12:40,399

point i realized i can sit in the water

341

00:12:44,470 --> 00:12:42,240

and i'm my head's above it it's not that

342

00:12:46,790 --> 00:12:44,480

serious but at first i'm like really the

343

00:12:48,949 --> 00:12:46,800

boat jay-z anyway it was just it was

344

00:12:50,389 --> 00:12:48,959

adorable because he knew i would be fine

345

00:12:52,150 --> 00:12:50,399

i didn't know i would be fine i'm

346

00:12:53,590 --> 00:12:52,160

thinking i'm dead here we go it's over

347

00:12:56,230 --> 00:12:53,600

i'm drowning

348

00:12:58,150 --> 00:12:56,240

anyway that just yeah that was a fun day

349

00:13:00,550 --> 00:12:58,160

so i had to i was too afraid to go back

350

00:13:01,910 --> 00:13:00,560

across but the only way across is to go

351
00:13:02,870 --> 00:13:01,920
so i made

352
00:13:05,590 --> 00:13:02,880
jc

353
00:13:07,509 --> 00:13:05,600
walk over through the freezing river

354
00:13:08,870 --> 00:13:07,519
to bring me waders because i wasn't

355
00:13:11,750 --> 00:13:08,880
doing it i'm like i'm never getting in

356
00:13:13,829 --> 00:13:11,760
the kayak again i haven't to this day

357
00:13:16,150 --> 00:13:13,839
nope

358
00:13:18,069 --> 00:13:16,160
needless to say that the paintings were

359
00:13:20,389 --> 00:13:18,079
beautiful

360
00:13:22,310 --> 00:13:20,399
absolutely yeah the petroglyphs on

361
00:13:25,430 --> 00:13:22,320
along the san juan are really

362
00:13:27,030 --> 00:13:25,440
interesting uh and that that river was

363
00:13:29,269 --> 00:13:27,040

he he knew that river like the back of

364

00:13:31,030 --> 00:13:29,279

his hand and uh oh yeah some of the

365

00:13:33,190 --> 00:13:31,040

stories that he had coming out of there

366

00:13:35,190 --> 00:13:33,200

some of the sightings uh

367

00:13:37,670 --> 00:13:35,200

uh some of the furry one encounters he

368

00:13:39,350 --> 00:13:37,680

had from the cliffs above the san juan

369

00:13:40,870 --> 00:13:39,360

and some of the other stuff that he had

370

00:13:42,470 --> 00:13:40,880

talked about

371

00:13:45,350 --> 00:13:42,480

uh i mean they were they were just

372

00:13:47,110 --> 00:13:45,360

fascinating stories fascinating accounts

373

00:13:48,470 --> 00:13:47,120

and um

374

00:13:49,350 --> 00:13:48,480

you know

375

00:13:51,910 --> 00:13:49,360

it's

376

00:13:54,230 --> 00:13:51,920

you know i i never i never met i never

377

00:13:56,069 --> 00:13:54,240

met uh jc in person

378

00:13:57,590 --> 00:13:56,079

and i always promised that i was gonna

379

00:13:59,670 --> 00:13:57,600

come down there

380

00:14:01,910 --> 00:13:59,680

and uh because i was i was a fly

381

00:14:03,509 --> 00:14:01,920

fisherman i just i was just begging to

382

00:14:04,310 --> 00:14:03,519

go out and say i want to go fishing out

383

00:14:07,350 --> 00:14:04,320

there

384

00:14:09,189 --> 00:14:07,360

but uh yeah it that's that's you know

385

00:14:11,269 --> 00:14:09,199

that's probably the biggest regret i had

386

00:14:13,590 --> 00:14:11,279

that i never met him in person

387

00:14:17,509 --> 00:14:13,600

now eric uh what other uh what other

388

00:14:18,710 --> 00:14:17,519

accounts you want to bring up about jc

389

00:14:20,230 --> 00:14:18,720

um

390

00:14:22,790 --> 00:14:20,240

i remember

391

00:14:26,069 --> 00:14:22,800

back this is going back to 2008 with the

392

00:14:28,550 --> 00:14:26,079

uh the sasquatch and the freezer uh

393

00:14:30,710 --> 00:14:28,560

fiasco going on and jc was

394

00:14:34,069 --> 00:14:30,720

embroiled in the middle of that and i

395

00:14:35,750 --> 00:14:34,079

remember distinctly seeing the new shows

396

00:14:38,710 --> 00:14:35,760

the the coverage

397

00:14:41,350 --> 00:14:38,720

seeing jc pulling out all those uh

398

00:14:45,350 --> 00:14:41,360

roadkill remains and

399

00:14:47,990 --> 00:14:45,360

dead carcasses from the freezer um that

400

00:14:49,509 --> 00:14:48,000

biscardi had instructed him to do

401
00:14:52,389 --> 00:14:49,519
and i kept thinking in the back of my

402
00:14:54,310 --> 00:14:52,399
mind man jc you are so much above this

403
00:14:56,150 --> 00:14:54,320
why are you doing this

404
00:14:58,150 --> 00:14:56,160
and i always have

405
00:14:59,670 --> 00:14:58,160
visions in my head of jc doing that just

406
00:15:02,949 --> 00:14:59,680
reaching with his arms and pulling up

407
00:15:05,189 --> 00:15:02,959
these big chunks of meat in that costume

408
00:15:07,590 --> 00:15:05,199
i do too i can't get that out of my head

409
00:15:09,910 --> 00:15:07,600
like why stop no

410
00:15:11,829 --> 00:15:09,920
yeah i i can never figure out why he was

411
00:15:13,910 --> 00:15:11,839
running around with with biscardi in the

412
00:15:16,389 --> 00:15:13,920
first place but yeah that always sticks

413
00:15:19,269 --> 00:15:16,399

with me seeing jc doing that and why he

414

00:15:21,509 --> 00:15:19,279

why he agreed to do that i'll never know

415

00:15:23,430 --> 00:15:21,519

well i'll tell you that whole fiasco i

416

00:15:25,110 --> 00:15:23,440

you know i could do a couple shows on

417

00:15:26,790 --> 00:15:25,120

that be honest with you i don't even

418

00:15:27,670 --> 00:15:26,800

want to go back and talk about that but

419

00:15:31,749 --> 00:15:27,680

that was

420

00:15:35,269 --> 00:15:31,759

embarrassing moments in cryptozoology

421

00:15:39,430 --> 00:15:36,949

that was just terror i mean for for

422

00:15:40,629 --> 00:15:39,440

bigfoot investigators and researchers it

423

00:15:43,430 --> 00:15:40,639

was just

424

00:15:44,790 --> 00:15:43,440

it was sacrilege and uh you know there

425

00:15:46,389 --> 00:15:44,800

you were right a lot of people got

426

00:15:47,670 --> 00:15:46,399

caught up in that

427

00:15:49,189 --> 00:15:47,680

and um

428

00:15:50,790 --> 00:15:49,199

you know i think that's a shame why

429

00:15:52,790 --> 00:15:50,800

shawn isn't here tonight because sean

430

00:15:54,470 --> 00:15:52,800

could really talk about that

431

00:15:57,030 --> 00:15:54,480

because he knew some of the characters

432

00:15:59,350 --> 00:15:57,040

involved so uh yeah

433

00:16:01,189 --> 00:15:59,360

but anyway we're here to talk about jc

434

00:16:03,030 --> 00:16:01,199

you know i um

435

00:16:05,269 --> 00:16:03,040

i think the first case that i i got

436

00:16:07,749 --> 00:16:05,279

involved with with jc or documented for

437

00:16:08,870 --> 00:16:07,759

jc was at fruitland where he had

438

00:16:12,470 --> 00:16:08,880

actually

439

00:16:14,710 --> 00:16:12,480

started collecting this this bigfoot dna

440

00:16:17,590 --> 00:16:14,720

and he had a few theories

441

00:16:19,670 --> 00:16:17,600

about uh about what was going on it's

442

00:16:23,590 --> 00:16:19,680

interesting there was a

443

00:16:26,710 --> 00:16:23,600

a pvc pipe that and i think you know

444

00:16:30,629 --> 00:16:26,720

what i'm talking about uh it was when

445

00:16:32,470 --> 00:16:30,639

they they saw they found this uh

446

00:16:35,110 --> 00:16:32,480

pvc pipe that a

447

00:16:36,949 --> 00:16:35,120

big hole in the top of it

448

00:16:38,629 --> 00:16:36,959

and apparently

449

00:16:42,949 --> 00:16:38,639

a bigfoot had

450

00:16:46,389 --> 00:16:42,959

tried to get a scrap skunk out of there

451
00:16:49,829 --> 00:16:46,399
in order to uh retrieve

452
00:16:52,550 --> 00:16:49,839
the uh the glands from this skunk to use

453
00:16:56,629 --> 00:16:52,560
as some type of um

454
00:16:59,269 --> 00:16:56,639
scent camouflage or scent covering for a

455
00:17:01,350 --> 00:16:59,279
young furry one i mean that was jc's

456
00:17:03,269 --> 00:17:01,360
theory it was an interesting theory

457
00:17:05,590 --> 00:17:03,279
but in the meantime

458
00:17:08,630 --> 00:17:05,600
there was bigfoot blood and tissue that

459
00:17:10,230 --> 00:17:08,640
was retrieved from that pvc pipe

460
00:17:11,909 --> 00:17:10,240
that had cut itself when it went

461
00:17:13,189 --> 00:17:11,919
interact with it and that was some of

462
00:17:19,110 --> 00:17:13,199
the main

463
00:17:23,590 --> 00:17:21,510

you know that that that alone fascinated

464

00:17:26,710 --> 00:17:23,600

me uh that was the first thing i'd ever

465

00:17:30,310 --> 00:17:26,720

got you know ever documented from him

466

00:17:32,390 --> 00:17:30,320

and uh and not long after that we had uh

467

00:17:33,750 --> 00:17:32,400

he would been talking about the furry

468

00:17:35,510 --> 00:17:33,760

ones

469

00:17:38,070 --> 00:17:35,520

uh up in luka

470

00:17:40,630 --> 00:17:38,080

chuka was up in the mountains him and

471

00:17:42,950 --> 00:17:40,640

leonard dan were up there and um

472

00:17:45,669 --> 00:17:42,960

a few other in fact i think david

473

00:17:46,390 --> 00:17:45,679

weatherly was with in that time

474

00:17:49,350 --> 00:17:46,400

but

475

00:17:51,350 --> 00:17:49,360

i remember david was talking about

476
00:17:53,990 --> 00:17:51,360
when they were up there that they had a

477
00:17:57,029 --> 00:17:54,000
few aggressive furry ones

478
00:17:58,870 --> 00:17:57,039
throwing stones and pine cones at them

479
00:18:00,710 --> 00:17:58,880
while they were in the campsite it was

480
00:18:02,310 --> 00:18:00,720
pretty harrowing from what david was

481
00:18:05,190 --> 00:18:02,320
telling me

482
00:18:06,230 --> 00:18:05,200
and they threw a tree trunk at them i

483
00:18:07,669 --> 00:18:06,240
did it

484
00:18:08,710 --> 00:18:07,679
i don't doubt it

485
00:18:10,070 --> 00:18:08,720
yeah

486
00:18:12,070 --> 00:18:10,080
i remember david on our show telling

487
00:18:17,990 --> 00:18:12,080
them they threw a tree trunk at the

488
00:18:23,270 --> 00:18:20,630

yeah yeah i do i've actually i um have

489

00:18:25,270 --> 00:18:23,280

been to fruitland um it's obviously not

490

00:18:26,789 --> 00:18:25,280

and it's not in this we can't tell you

491

00:18:28,789 --> 00:18:26,799

exactly where it's at because it's top

492

00:18:30,789 --> 00:18:28,799

secret yeah as you know

493

00:18:32,870 --> 00:18:30,799

but uh it's a place called we called it

494

00:18:34,630 --> 00:18:32,880

the wastelands um

495

00:18:37,750 --> 00:18:34,640

um as far as the fruitland goes and then

496

00:18:39,909 --> 00:18:37,760

lukachukai look at you guys just wild

497

00:18:41,590 --> 00:18:39,919

i don't even yeah that's something

498

00:18:44,470 --> 00:18:41,600

that's up in apache county that's up in

499

00:18:46,870 --> 00:18:44,480

arizona but it's up in the islands yeah

500

00:18:50,310 --> 00:18:46,880

yeah really high up there um no but the

501
00:18:52,789 --> 00:18:50,320
yeah i have it so the fruitland um area

502
00:18:55,350 --> 00:18:52,799
expedition we had went on

503
00:18:57,350 --> 00:18:55,360
that one was weird for me um we found

504
00:18:58,789 --> 00:18:57,360
some really awesome

505
00:19:01,909 --> 00:18:58,799
what looked like

506
00:19:03,510 --> 00:19:01,919
um some kind of feline prints that were

507
00:19:05,990 --> 00:19:03,520
quite irregular

508
00:19:08,070 --> 00:19:06,000
um there's pictures of them on

509
00:19:09,430 --> 00:19:08,080
in one of jc's albums actually on both

510
00:19:10,950 --> 00:19:09,440
of our facebook

511
00:19:13,669 --> 00:19:10,960
under the wastelands trip if anybody

512
00:19:15,350 --> 00:19:13,679
wants to look there was like a canopy of

513
00:19:17,510 --> 00:19:15,360

these just dead

514

00:19:19,590 --> 00:19:17,520

trees like huge canopy and so we camped

515

00:19:21,029 --> 00:19:19,600

under that um we got our tents and stuff

516

00:19:23,430 --> 00:19:21,039

we all had our own tent there was about

517

00:19:25,909 --> 00:19:23,440

five of us and i was closest to the

518

00:19:28,710 --> 00:19:25,919

river the san juan ran directly behind

519

00:19:31,110 --> 00:19:28,720

just a few hundred feet away from camp

520

00:19:33,190 --> 00:19:31,120

and uh so initially i was just gonna be

521

00:19:35,270 --> 00:19:33,200

sleeping by myself well i kept

522

00:19:38,390 --> 00:19:35,280

hearing these like

523

00:19:40,470 --> 00:19:38,400

i don't even know i think it was

524

00:19:42,710 --> 00:19:40,480

if i had to it was like

525

00:19:43,590 --> 00:19:42,720

it was like whooping howling noises that

526
00:19:45,669 --> 00:19:43,600
weren't

527
00:19:47,669 --> 00:19:45,679
it wasn't i know animal sounds it wasn't

528
00:19:48,870 --> 00:19:47,679
a dog you know it wasn't a cat it wasn't

529
00:19:51,350 --> 00:19:48,880
a bear it was you know what i mean it

530
00:19:52,950 --> 00:19:51,360
wasn't javelina and javelina really were

531
00:19:54,070 --> 00:19:52,960
the only things and coyotes that

532
00:19:55,990 --> 00:19:54,080
shouldn't even even been out there

533
00:19:59,190 --> 00:19:56,000
period because it was so far into the

534
00:20:00,470 --> 00:19:59,200
desert i mean it was literally

535
00:21:22,070 --> 00:20:00,480
i

536
00:21:22,870 --> 00:21:22,080
but just you're so far out there you

537
00:21:24,390 --> 00:21:22,880
don't

538
00:21:25,830 --> 00:21:24,400

you know we're out there looking for

539

00:21:27,830 --> 00:21:25,840

prints and tracks

540

00:21:30,710 --> 00:21:27,840

and samples we weren't really you know

541

00:21:32,789 --> 00:21:30,720

planning on doing any filming or audio

542

00:21:35,190 --> 00:21:32,799

recording but i know now to be more

543

00:21:37,190 --> 00:21:35,200

prepared because that was insane

544

00:21:39,990 --> 00:21:37,200

you know there was also um there was

545

00:21:42,310 --> 00:21:40,000

also a case that i remember now

546

00:21:45,190 --> 00:21:42,320

it was an area on hog back

547

00:21:45,990 --> 00:21:45,200

in new mexico it was on the reservation

548

00:21:47,029 --> 00:21:46,000

uh

549

00:21:49,990 --> 00:21:47,039

where

550

00:21:51,909 --> 00:21:50,000

jc had actually started back in march of

551
00:21:54,870 --> 00:21:51,919
2010

552
00:21:56,830 --> 00:21:54,880
investigating uh the mutilation of 24

553
00:21:59,669 --> 00:21:56,840
sheep out there on this

554
00:22:02,390 --> 00:21:59,679
farm and uh

555
00:22:05,830 --> 00:22:02,400
actually when he was there

556
00:22:08,390 --> 00:22:05,840
the the the owner was telling him that

557
00:22:10,630 --> 00:22:08,400
there were large talon marks but very

558
00:22:12,630 --> 00:22:10,640
little blood on these sheep

559
00:22:14,390 --> 00:22:12,640
no evisceration nothing the blood was

560
00:22:16,230 --> 00:22:14,400
just missing

561
00:22:17,350 --> 00:22:16,240
and um

562
00:22:20,470 --> 00:22:17,360
you know they were trying to figure out

563
00:22:23,430 --> 00:22:20,480

what it was and and jc's theory was

564

00:22:27,029 --> 00:22:23,440

that it was a large uh flying predator

565

00:22:29,029 --> 00:22:27,039

possibly a pterosaur type and look there

566

00:22:31,590 --> 00:22:29,039

have been pterosaur sightings out there

567

00:22:33,029 --> 00:22:31,600

on the reservation as well

568

00:22:34,470 --> 00:22:33,039

and uh

569

00:22:37,029 --> 00:22:34,480

but they were trying to figure out why

570

00:22:39,270 --> 00:22:37,039

the carcass was left intact you know it

571

00:22:41,510 --> 00:22:39,280

was very similar to the attacks that

572

00:22:44,230 --> 00:22:41,520

people had been describing in puerto

573

00:22:46,549 --> 00:22:44,240

rico and such with the chupacabras and

574

00:22:48,549 --> 00:22:46,559

some of those other attacks but jc was

575

00:22:49,750 --> 00:22:48,559

pretty sure that this thing was flying

576

00:22:51,909 --> 00:22:49,760

in

577

00:22:52,870 --> 00:22:51,919

uh you know

578

00:22:55,909 --> 00:22:52,880

you know

579

00:22:58,950 --> 00:22:55,919

it's just one of the many wild cases and

580

00:23:01,190 --> 00:22:58,960

stuff that was coming going on out there

581

00:23:03,909 --> 00:23:01,200

and uh you know it was always

582

00:23:05,750 --> 00:23:03,919

interesting because i would get a

583

00:23:07,510 --> 00:23:05,760

i would be it i would be at home and

584

00:23:09,669 --> 00:23:07,520

work on the blog and then a text would

585

00:23:11,350 --> 00:23:09,679

come up it's from jc i got something for

586

00:23:13,590 --> 00:23:11,360

you to look at i got something out you

587

00:23:16,070 --> 00:23:13,600

know so he just threw the information

588

00:23:17,830 --> 00:23:16,080

out at me he'd make a video and he

589

00:23:20,630 --> 00:23:17,840

always made a video

590

00:23:22,470 --> 00:23:20,640

and uh in fact his videos are still

591

00:23:24,630 --> 00:23:22,480

still available i mean i think his

592

00:23:25,750 --> 00:23:24,640

daughter's allowing the videos to stay

593

00:23:27,590 --> 00:23:25,760

up

594

00:23:29,750 --> 00:23:27,600

uh some of the most fascinating stuff

595

00:23:31,110 --> 00:23:29,760

you'd ever want to hear

596

00:23:33,270 --> 00:23:31,120

so um

597

00:23:34,870 --> 00:23:33,280

yeah and look eric you think of anything

598

00:23:37,190 --> 00:23:34,880

while we're talking just go ahead and

599

00:23:39,190 --> 00:23:37,200

butt in uh you know tell us what you

600

00:23:42,070 --> 00:23:39,200

have to say

601
00:23:44,310 --> 00:23:42,080
you know if if i might just say one

602
00:23:46,630 --> 00:23:44,320
thing to add to before we get too off

603
00:23:48,789 --> 00:23:46,640
track um so

604
00:23:51,510 --> 00:23:48,799
me personally and i think

605
00:23:53,669 --> 00:23:51,520
i had mentioned this to jc as well and

606
00:23:56,390 --> 00:23:53,679
he definitely was on board with the

607
00:23:58,470 --> 00:23:56,400
theory that you know lon i know you know

608
00:24:00,950 --> 00:23:58,480
about the elizabeth lake monster i think

609
00:24:03,830 --> 00:24:00,960
it like you said a pterosaur

610
00:24:05,669 --> 00:24:03,840
due to the geographic location uh the

611
00:24:07,990 --> 00:24:05,679
you know where one each of those

612
00:24:10,789 --> 00:24:08,000
locations are i would not be surprised

613
00:24:12,149 --> 00:24:10,799

whatsoever if those are connected to the

614

00:24:13,750 --> 00:24:12,159

same um

615

00:24:15,269 --> 00:24:13,760

you know being

616

00:24:16,549 --> 00:24:15,279

uh really

617

00:24:17,990 --> 00:24:16,559

well you know

618

00:24:19,510 --> 00:24:18,000

it's

619

00:24:21,590 --> 00:24:19,520

you know he swore

620

00:24:23,750 --> 00:24:21,600

that he thought pterosaur type beings

621

00:24:25,510 --> 00:24:23,760

were on the reservation in particular

622

00:24:27,350 --> 00:24:25,520

all around the fourth corners

623

00:24:29,510 --> 00:24:27,360

uh i mean of course he was talking about

624

00:24:30,630 --> 00:24:29,520

the flying humanoids when like eric

625

00:24:32,070 --> 00:24:30,640

mentioned

626
00:24:33,909 --> 00:24:32,080
the uh

627
00:24:35,990 --> 00:24:33,919
you know he gave it that he gave it the

628
00:24:39,990 --> 00:24:36,000
name of um

629
00:24:43,269 --> 00:24:40,000
oh what was the name he gave it oh

630
00:24:46,710 --> 00:24:43,279
i don't know i forget but

631
00:24:50,120 --> 00:24:46,720
it brought a lot of attention the uh

632
00:24:51,269 --> 00:24:50,130
thunderbird now yeah the night stalker

633
00:24:53,750 --> 00:24:51,279
[Music]

634
00:24:54,630 --> 00:24:53,760
yeah yeah yeah that was an amazing tale

635
00:24:59,110 --> 00:24:54,640
i mean

636
00:25:02,390 --> 00:24:59,120
he had the interviews with the girl who

637
00:25:03,669 --> 00:25:02,400
was involved with it and the family

638
00:25:08,950 --> 00:25:03,679

uh

639

00:25:11,590 --> 00:25:08,960

you know something similar to what we've

640

00:25:16,630 --> 00:25:11,600

been getting in chicago actually

641

00:25:18,950 --> 00:25:16,640

uh this uh this wing being that was

642

00:25:20,070 --> 00:25:18,960

coming out of the cornfields nearby this

643

00:25:22,950 --> 00:25:20,080

home

644

00:25:25,909 --> 00:25:22,960

that was literally stalking

645

00:25:29,110 --> 00:25:25,919

this female member of the family

646

00:25:31,909 --> 00:25:29,120

and this thing was tearing up sides of

647

00:25:34,310 --> 00:25:31,919

the the the the

648

00:25:35,830 --> 00:25:34,320

double wide that they lived in

649

00:25:36,630 --> 00:25:35,840

uh

650

00:25:46,549 --> 00:25:36,640

the

651
00:25:48,789 --> 00:25:46,559
and it was just amazing stuff and like

652
00:25:50,870 --> 00:25:48,799
look these cases folks

653
00:25:53,669 --> 00:25:50,880
i i do have them listed on the blog i

654
00:25:56,870 --> 00:25:53,679
mean it's under the the jc's link on the

655
00:25:58,789 --> 00:25:56,880
on the right hand column of the blog but

656
00:26:00,070 --> 00:25:58,799
i've got pictures of all the damage to

657
00:26:02,390 --> 00:26:00,080
the truck

658
00:26:03,909 --> 00:26:02,400
uh to the rabbit cage where this thing

659
00:26:05,110 --> 00:26:03,919
actually tried to get in to kill a

660
00:26:06,070 --> 00:26:05,120
rabbit

661
00:26:08,630 --> 00:26:06,080
um

662
00:26:10,549 --> 00:26:08,640
along the uh the muddy claw marks on the

663
00:26:13,190 --> 00:26:10,559

side of the house

664

00:26:16,070 --> 00:26:13,200

and you know this girl this girl that he

665

00:26:18,710 --> 00:26:16,080

interviewed the daughter

666

00:26:20,549 --> 00:26:18,720

actually stated that she called it

667

00:26:23,269 --> 00:26:20,559

something very similar to the creeper

668

00:26:25,430 --> 00:26:23,279

from jeepers creepers and you know

669

00:26:27,750 --> 00:26:25,440

these sightings that we have got in and

670

00:26:29,990 --> 00:26:27,760

around the chicago area are a lot of

671

00:26:31,430 --> 00:26:30,000

people are describing the same thing now

672

00:26:32,870 --> 00:26:31,440

i don't think it's the same type of

673

00:26:36,789 --> 00:26:32,880

being

674

00:26:38,390 --> 00:26:36,799

but uh who knows what it was and um

675

00:26:39,830 --> 00:26:38,400

her description was it was covered in

676
00:26:42,149 --> 00:26:39,840
gray hair

677
00:26:44,789 --> 00:26:42,159
and then it had uh three clawed

678
00:26:46,470 --> 00:26:44,799
appendages on the on the hands that were

679
00:26:48,630 --> 00:26:46,480
very visible

680
00:26:51,029 --> 00:26:48,640
the torso the head height of the beam

681
00:26:52,630 --> 00:26:51,039
was about five foot splitting

682
00:26:55,909 --> 00:26:52,640
which would make it approximately eight

683
00:26:57,669 --> 00:26:55,919
to nine foot in full height

684
00:26:59,830 --> 00:26:57,679
there is an indication that the being

685
00:27:01,750 --> 00:26:59,840
had wings which would explain the odd

686
00:27:04,789 --> 00:27:01,760
patches of trampled

687
00:27:07,909 --> 00:27:04,799
corn stalks in the field as would fly

688
00:27:10,710 --> 00:27:07,919

and land indiscriminately

689

00:27:13,669 --> 00:27:10,720

um you know what do you remember from

690

00:27:16,390 --> 00:27:13,679

what you remember from that case eric

691

00:27:18,470 --> 00:27:16,400

i remember him he and leonard dan on the

692

00:27:21,350 --> 00:27:18,480

show talked about that case

693

00:27:22,789 --> 00:27:21,360

in great detail and how they went to the

694

00:27:25,110 --> 00:27:22,799

farm

695

00:27:26,710 --> 00:27:25,120

the the property and they found scratch

696

00:27:28,310 --> 00:27:26,720

marks on the air conditioning unit

697

00:27:30,310 --> 00:27:28,320

outside her window like it was trying to

698

00:27:32,549 --> 00:27:30,320

claw its way in and i remember him

699

00:27:34,789 --> 00:27:32,559

talking about the female witness and how

700

00:27:36,389 --> 00:27:34,799

she was scared to death of this thing

701
00:27:38,149 --> 00:27:36,399
coming around at night at first her

702
00:27:39,909 --> 00:27:38,159
family didn't believe her but then they

703
00:27:42,950 --> 00:27:39,919
eventually heard it up on the roof of

704
00:27:45,510 --> 00:27:42,960
the uh the double wide walking around

705
00:27:47,110 --> 00:27:45,520
and how jc and the leonard dan said they

706
00:27:49,430 --> 00:27:47,120
had actually followed tracks of this

707
00:27:51,590 --> 00:27:49,440
thing out into the cornfield before it

708
00:27:53,750 --> 00:27:51,600
flew off and they saw a lot of evidence

709
00:27:56,070 --> 00:27:53,760
so i remember that case really well if

710
00:27:58,070 --> 00:27:56,080
i'm not mistaken that female witness

711
00:28:00,310 --> 00:27:58,080
actually made an episode

712
00:28:02,549 --> 00:28:00,320
of i think monsters and mysteries in

713
00:28:05,830 --> 00:28:02,559

america if i'm not mistaken she was on

714

00:28:08,230 --> 00:28:05,840

that episode yeah yeah and that case was

715

00:28:11,350 --> 00:28:08,240

probably one of one of the most favorite

716

00:28:13,269 --> 00:28:11,360

i can recall of jc talking about to us

717

00:28:15,269 --> 00:28:13,279

on the show because

718

00:28:17,669 --> 00:28:15,279

as he did describe it it sounded a lot

719

00:28:19,190 --> 00:28:17,679

like that jeepers creepers thing

720

00:28:21,750 --> 00:28:19,200

the way he described it wait the witness

721

00:28:23,909 --> 00:28:21,760

described it so very creepy stuff

722

00:28:26,389 --> 00:28:23,919

yeah and also the in the in the the

723

00:28:27,269 --> 00:28:26,399

biggest reason why the girl was upset

724

00:28:29,909 --> 00:28:27,279

was

725

00:28:32,950 --> 00:28:29,919

that at night this thing seemed to have

726

00:28:34,789 --> 00:28:32,960

some type of ability psychic ability to

727

00:28:38,310 --> 00:28:34,799

control her

728

00:28:40,230 --> 00:28:38,320

have it come through the window or

729

00:28:42,230 --> 00:28:40,240

through the door in the doorway or

730

00:28:44,549 --> 00:28:42,240

something but she would literally get up

731

00:28:46,230 --> 00:28:44,559

at night and said that she was literally

732

00:28:49,190 --> 00:28:46,240

controlled by this thing

733

00:28:51,269 --> 00:28:49,200

it was a bizarre story i i do know

734

00:28:53,590 --> 00:28:51,279

that she did leave home a couple months

735

00:28:56,149 --> 00:28:53,600

after and um

736

00:28:58,149 --> 00:28:56,159

and move to the nearest town but she

737

00:29:00,470 --> 00:28:58,159

wanted to get away from there but you're

738

00:29:03,190 --> 00:29:00,480

right it was on that that episode that

739

00:29:05,909 --> 00:29:03,200

was called um

740

00:29:07,830 --> 00:29:05,919

oh i know

741

00:29:09,060 --> 00:29:07,840

something about the desert or something

742

00:29:10,230 --> 00:29:09,070

but it was one of the earlier

743

00:29:12,070 --> 00:29:10,240

[Music]

744

00:29:13,990 --> 00:29:12,080

monsters and mysteries of america's

745

00:29:16,630 --> 00:29:14,000

episodes it was kind of the year before

746

00:29:19,269 --> 00:29:16,640

i did my episode with the uh with the

747

00:29:21,669 --> 00:29:19,279

sliceville monster yeah yeah you talked

748

00:29:23,350 --> 00:29:21,679

to us before he before that show aired

749

00:29:25,990 --> 00:29:23,360

yeah it was kind of neat to see who the

750

00:29:27,990 --> 00:29:26,000

witness was and see the actual location

751
00:29:29,669 --> 00:29:28,000
where it happened and everything that

752
00:29:31,350 --> 00:29:29,679
she talked about i mean it was spot on

753
00:29:32,149 --> 00:29:31,360
what jc told us

754
00:29:38,149 --> 00:29:32,159
yeah

755
00:29:40,870 --> 00:29:38,159
as we're all jc's account you know um

756
00:29:43,510 --> 00:29:40,880
the the furry one encounters were always

757
00:29:45,750 --> 00:29:43,520
interesting um

758
00:29:47,350 --> 00:29:45,760
there was uh there was one i remember

759
00:29:51,430 --> 00:29:47,360
particular

760
00:29:53,269 --> 00:29:51,440
how in the uh the area of the um

761
00:29:55,669 --> 00:29:53,279
valley kedara

762
00:29:58,549 --> 00:29:55,679
called daryl in new mexico which is a

763
00:30:00,230 --> 00:29:58,559

well-known area for a lot of weird stuff

764

00:30:03,269 --> 00:30:00,240

there have been people as saying they've

765

00:30:04,789 --> 00:30:03,279

seen lichens and cougars bears coyotes

766

00:30:06,870 --> 00:30:04,799

dog men

767

00:30:10,149 --> 00:30:06,880

hairy hominids and extraterrestrial

768

00:30:12,470 --> 00:30:10,159

activity and in fact there was one

769

00:30:15,110 --> 00:30:12,480

episode where a ranching family had lost

770

00:30:16,950 --> 00:30:15,120

40 head of cattle in one

771

00:30:20,230 --> 00:30:16,960

one night

772

00:30:22,789 --> 00:30:20,240

and he was called out to that location

773

00:30:25,669 --> 00:30:22,799

uh jc seemed to think it was something

774

00:30:27,510 --> 00:30:25,679

to do with reported covert military

775

00:30:28,630 --> 00:30:27,520

activity he wasn't really sure what it

776

00:30:31,750 --> 00:30:28,640

was

777

00:30:33,830 --> 00:30:31,760

so um you know this is you know for

778

00:30:36,470 --> 00:30:33,840

people who are not familiar with jc and

779

00:30:38,870 --> 00:30:36,480

some of the things that he investigated

780

00:30:39,470 --> 00:30:38,880

uh like again like i said again you go

781

00:30:42,549 --> 00:30:39,480

to

782

00:30:44,950 --> 00:30:42,559

hand column

783

00:30:47,830 --> 00:30:44,960

you'll see the uh cryptid four corners

784

00:30:48,950 --> 00:30:47,840

international investigations from jc

785

00:30:51,750 --> 00:30:48,960

johnson

786

00:30:52,950 --> 00:30:51,760

and those cases are listed there

787

00:30:55,830 --> 00:30:52,960

but uh

788

00:30:57,509 --> 00:30:55,840

you know uh and some of the people that

789

00:30:59,750 --> 00:30:57,519

jc worked with

790

00:31:00,950 --> 00:30:59,760

especially at leonard dan and of course

791

00:31:06,310 --> 00:31:00,960

david

792

00:31:08,630 --> 00:31:06,320

uh kevin puckett were on there that team

793

00:31:10,389 --> 00:31:08,640

as well and he had a lot of the local

794

00:31:12,470 --> 00:31:10,399

individuals working as well as the

795

00:31:14,310 --> 00:31:12,480

rangers who were

796

00:31:16,389 --> 00:31:14,320

you know involved with a lot of the

797

00:31:19,990 --> 00:31:16,399

things on the reservation

798

00:31:21,430 --> 00:31:20,000

um you know there was a um

799

00:31:23,470 --> 00:31:21,440

there was a

800

00:31:27,430 --> 00:31:23,480

tv

801
00:31:30,230 --> 00:31:27,440
presentation of the um of the the navajo

802
00:31:32,950 --> 00:31:30,240
rangers involved with a an upright

803
00:31:39,110 --> 00:31:32,960
canine setting on the reservation i

804
00:31:44,470 --> 00:31:41,990
yeah i had myself muted sorry

805
00:31:46,950 --> 00:31:44,480
yeah there was a tv show called i

806
00:31:49,509 --> 00:31:46,960
believe was called navajo cops

807
00:31:51,110 --> 00:31:49,519
right into that effect

808
00:31:53,110 --> 00:31:51,120
yeah they chased something up into a

809
00:31:55,350 --> 00:31:53,120
hillside into a cave

810
00:31:58,070 --> 00:31:55,360
and they caught evidence on their their

811
00:31:59,909 --> 00:31:58,080
cameras of i shine reflecting back from

812
00:32:01,350 --> 00:31:59,919
that cave and the two officers and i

813
00:32:02,950 --> 00:32:01,360

don't blame them weren't going to go

814

00:32:04,470 --> 00:32:02,960

into that cave after it but they they

815

00:32:06,870 --> 00:32:04,480

definitely caught some kind of upright

816

00:32:09,430 --> 00:32:06,880

animal i think if i'm not mistaken one

817

00:32:11,350 --> 00:32:09,440

of the officers on that ridge actually

818

00:32:12,950 --> 00:32:11,360

saw the thing crawl up the hill and

819

00:32:15,110 --> 00:32:12,960

disappear into the cave but i remember

820

00:32:17,669 --> 00:32:15,120

that episode yeah i've seen that

821

00:32:19,350 --> 00:32:17,679

yeah that's the video i have the video

822

00:32:20,310 --> 00:32:19,360

um

823

00:32:23,509 --> 00:32:20,320

of the

824

00:32:25,830 --> 00:32:23,519

the the camera footage of it running up

825

00:32:27,110 --> 00:32:25,840

the hill as they kind of are chasing it

826

00:32:29,029 --> 00:32:27,120

with the camera

827

00:32:31,669 --> 00:32:29,039

it runs up the hill and like stops kind

828

00:32:33,110 --> 00:32:31,679

of by a rock and it turns and then it

829

00:32:35,430 --> 00:32:33,120

sits there for a second and then it

830

00:32:36,870 --> 00:32:35,440

scurries away and then i'm assuming

831

00:32:38,070 --> 00:32:36,880

i've never seen what you're talking

832

00:32:39,590 --> 00:32:38,080

about the the

833

00:32:40,470 --> 00:32:39,600

where it goes into the cave i've seen it

834

00:32:42,710 --> 00:32:40,480

after

835

00:32:45,909 --> 00:32:42,720

but uh yeah i think i have that video in

836

00:32:48,070 --> 00:32:45,919

my uh facebook messenger from jc i think

837

00:32:49,669 --> 00:32:48,080

there was a yeah i think there was a a

838

00:32:51,990 --> 00:32:49,679

section of the video where they had the

839

00:32:55,269 --> 00:32:52,000

eye shine coming out of the um

840

00:32:58,070 --> 00:32:55,279

out of the cave as well of this thing

841

00:32:58,870 --> 00:32:58,080

so that was pretty interesting you know

842

00:33:00,070 --> 00:32:58,880

and

843

00:33:02,310 --> 00:33:00,080

but just

844

00:33:03,509 --> 00:33:02,320

you know jc just didn't cover cryptids i

845

00:33:05,590 --> 00:33:03,519

mean

846

00:33:07,990 --> 00:33:05,600

uh he got involved with some

847

00:33:10,630 --> 00:33:08,000

extraterrestrial activity as well and

848

00:33:13,110 --> 00:33:10,640

the one case that i remember

849

00:33:15,990 --> 00:33:13,120

was a a couple by the name of bradford

850

00:33:18,389 --> 00:33:16,000

and maria who lived up near gallup

851
00:33:20,950 --> 00:33:18,399
and uh

852
00:33:23,190 --> 00:33:20,960
they had witnessed a series of gunshots

853
00:33:25,350 --> 00:33:23,200
heavy ground artillery not far from

854
00:33:26,710 --> 00:33:25,360
their home they were living in a hogan

855
00:33:29,269 --> 00:33:26,720
actually

856
00:33:31,830 --> 00:33:29,279
and um

857
00:33:33,909 --> 00:33:31,840
soon afterwards bright lights appeared

858
00:33:35,430 --> 00:33:33,919
from above their hogan

859
00:33:37,029 --> 00:33:35,440
and uh

860
00:33:40,230 --> 00:33:37,039
the lights were so bright that he

861
00:33:41,909 --> 00:33:40,240
illuminated the inside of the hog on and

862
00:33:43,750 --> 00:33:41,919
through the windows incredibly through

863
00:33:46,310 --> 00:33:43,760

the tiny cracks and walls and and

864

00:33:50,389 --> 00:33:49,430

caused discipline orientation

865

00:33:52,389 --> 00:33:50,399

and

866

00:33:54,950 --> 00:33:52,399

when they looked out they saw a

867

00:33:57,750 --> 00:33:54,960

honeycomb shape of ray coming from a

868

00:34:01,509 --> 00:33:57,760

craft hovering above them

869

00:34:03,350 --> 00:34:01,519

and uh he did an incredible video

870

00:34:04,789 --> 00:34:03,360

which you can get the link of and i

871

00:34:06,549 --> 00:34:04,799

think i think

872

00:34:08,950 --> 00:34:06,559

you talking about summer summer schmidt

873

00:34:11,669 --> 00:34:08,960

he was the girl you were talking about

874

00:34:14,389 --> 00:34:11,679

uh summer um yep and

875

00:34:17,909 --> 00:34:14,399

her puppy and she was she was amazing

876

00:34:20,069 --> 00:34:17,919

yeah i love her i miss her i i really do

877

00:34:22,550 --> 00:34:20,079

and the witnesses they said they made

878

00:34:23,909 --> 00:34:22,560

their way towards the main house behind

879

00:34:25,909 --> 00:34:23,919

the hoogon

880

00:34:28,149 --> 00:34:25,919

and as they were running they noticed a

881

00:34:29,190 --> 00:34:28,159

salsa shaped craft hovering over the

882

00:34:31,270 --> 00:34:29,200

house

883

00:34:33,190 --> 00:34:31,280

with multi-colored lights rotating

884

00:34:34,950 --> 00:34:33,200

around it and the beams were displaying

885

00:34:37,349 --> 00:34:34,960

from different directions

886

00:34:39,990 --> 00:34:37,359

and other non-descript craft now these

887

00:34:40,950 --> 00:34:40,000

craft were creating torrents of strong

888

00:34:43,750 --> 00:34:40,960

wind

889

00:34:45,669 --> 00:34:43,760

that literally pushed the opinion in

890

00:34:47,190 --> 00:34:45,679

juniper trees to the ground

891

00:34:49,270 --> 00:34:47,200

and i remember seeing pictures of that

892

00:34:50,149 --> 00:34:49,280

from jc where they just flattened these

893

00:34:51,829 --> 00:34:50,159

things

894

00:34:54,069 --> 00:34:51,839

um

895

00:34:55,589 --> 00:34:54,079

he also noticed very small entities

896

00:34:57,270 --> 00:34:55,599

scurrying around the

897

00:34:59,030 --> 00:34:57,280

closed dogs

898

00:35:02,550 --> 00:34:59,040

suddenly causing the dogs to stop

899

00:35:03,829 --> 00:35:02,560

barking and and rendered unconscious

900

00:35:07,349 --> 00:35:03,839

now

901
00:35:09,030 --> 00:35:07,359
into it

902
00:35:11,349 --> 00:35:09,040
and uh

903
00:35:13,430 --> 00:35:11,359
and some of the other investigators he

904
00:35:16,390 --> 00:35:13,440
had a the you track he had john uh

905
00:35:20,550 --> 00:35:16,400
catalina john he was a tracker that

906
00:35:22,310 --> 00:35:20,560
worked with jc on that case as well

907
00:35:25,190 --> 00:35:22,320
and uh

908
00:35:27,109 --> 00:35:25,200
during that confrontation

909
00:35:28,470 --> 00:35:27,119
one of the witness bradford stated that

910
00:35:30,630 --> 00:35:28,480
his uncle

911
00:35:33,670 --> 00:35:30,640
literally had been battling one of these

912
00:35:35,030 --> 00:35:33,680
entities in his house which was nearby

913
00:35:37,670 --> 00:35:35,040

and

914

00:35:41,030 --> 00:35:37,680

it either it became apparent that the

915

00:35:43,109 --> 00:35:41,040

uncle either in cast incapacitated

916

00:35:45,190 --> 00:35:43,119

or killed the being

917

00:35:48,950 --> 00:35:45,200

and i don't know if you remember this

918

00:35:52,470 --> 00:35:48,960

eric but jc was talking about

919

00:35:54,470 --> 00:35:52,480

later a a gentleman that he called the

920

00:35:55,670 --> 00:35:54,480

universal soldier that was his term for

921

00:35:57,589 --> 00:35:55,680

this guy

922

00:35:59,829 --> 00:35:57,599

but it was definitely military guy he

923

00:36:02,230 --> 00:35:59,839

came in there all decked up had all the

924

00:36:06,550 --> 00:36:02,240

equipment and everything with him

925

00:36:07,510 --> 00:36:06,560

and he had a cryo container in the back

926
00:36:09,829 --> 00:36:07,520
of this

927
00:36:13,190 --> 00:36:09,839
uh suv

928
00:36:16,069 --> 00:36:13,200
and he literally went into the house

929
00:36:18,630 --> 00:36:16,079
took this beans body and put it in that

930
00:36:21,349 --> 00:36:18,640
cryo container and that was the evidence

931
00:36:23,910 --> 00:36:21,359
that was the the um

932
00:36:26,790 --> 00:36:23,920
that was the statements that the

933
00:36:28,790 --> 00:36:26,800
witnesses actually gave

934
00:36:30,150 --> 00:36:28,800
um i i don't know if you remember that

935
00:36:32,550 --> 00:36:30,160
eric but that was

936
00:36:36,790 --> 00:36:32,560
yeah that that case was

937
00:36:39,349 --> 00:36:36,800
really interesting it later led to um

938
00:36:41,430 --> 00:36:39,359

jc going out later on

939

00:36:44,150 --> 00:36:41,440

with one of his investigators in which

940

00:36:45,750 --> 00:36:44,160

he had an encounter with a black-eyed

941

00:36:48,230 --> 00:36:45,760

female

942

00:36:51,190 --> 00:36:48,240

which left him in cast incapacitated

943

00:36:54,630 --> 00:36:51,200

actually jc got deathly ill from it

944

00:36:56,630 --> 00:36:54,640

i i think that encounter

945

00:36:59,270 --> 00:36:56,640

was something that stuck with him for a

946

00:37:00,069 --> 00:36:59,280

long time physically i really do i mean

947

00:37:02,630 --> 00:37:00,079

you know

948

00:37:06,630 --> 00:37:02,640

jc told me for years

949

00:37:07,750 --> 00:37:06,640

that he thought that encounter had

950

00:37:10,950 --> 00:37:07,760

literally

951
00:37:13,109 --> 00:37:10,960
physically hurt him and continued to

952
00:37:16,150 --> 00:37:13,119
incapacitate him

953
00:37:17,510 --> 00:37:16,160
as he got older and uh you know

954
00:37:19,829 --> 00:37:17,520
i guess it's

955
00:37:21,589 --> 00:37:19,839
you know i guess you know that came

956
00:37:23,750 --> 00:37:21,599
directly from him

957
00:37:26,150 --> 00:37:23,760
so uh

958
00:37:27,990 --> 00:37:26,160
you know i don't know what that happened

959
00:37:29,349 --> 00:37:28,000
during that incident but it was really

960
00:37:31,430 --> 00:37:29,359
interesting

961
00:37:33,670 --> 00:37:31,440
uh do you remember any of that summer

962
00:37:36,630 --> 00:37:33,680
him talking about that incident

963
00:37:39,750 --> 00:37:36,640

oh yeah it it that one shook him to the

964

00:37:42,150 --> 00:37:39,760

core um he was pretty fearless but

965

00:37:45,270 --> 00:37:42,160

he would say it it zapped him

966

00:37:47,349 --> 00:37:45,280

you know it zapped him uh

967

00:37:49,510 --> 00:37:47,359

his energy you know it's like literally

968

00:37:52,470 --> 00:37:49,520

like his essence or something you know

969

00:37:54,390 --> 00:37:52,480

and it's funny um it was not funny but i

970

00:37:57,190 --> 00:37:54,400

actually had an experience with an

971

00:37:58,310 --> 00:37:57,200

artifact that we were um

972

00:37:59,109 --> 00:37:58,320

had the

973

00:38:01,430 --> 00:37:59,119

uh

974

00:38:03,829 --> 00:38:01,440

honor of going and being able to see at

975

00:38:06,710 --> 00:38:03,839

leela captain's uh place out at this

976
00:38:08,150 --> 00:38:06,720
museum out by uh ship rock new mexico

977
00:38:11,190 --> 00:38:08,160
um

978
00:38:14,470 --> 00:38:11,200
it was it was it was odd but he he like

979
00:38:16,150 --> 00:38:14,480
attributed my my um

980
00:38:17,750 --> 00:38:16,160
my ailments the things that i was

981
00:38:19,109 --> 00:38:17,760
experiencing after touching this object

982
00:38:20,390 --> 00:38:19,119
it was he was like that's literally

983
00:38:23,349 --> 00:38:20,400
exactly

984
00:38:25,589 --> 00:38:23,359
how i i remember feeling when you know

985
00:38:27,750 --> 00:38:25,599
we encountered that black eyed being

986
00:38:29,270 --> 00:38:27,760
and uh it's just strange like you touch

987
00:38:31,190 --> 00:38:29,280
something you feel it like vibration you

988
00:38:32,390 --> 00:38:31,200

know everything has like you know energy

989

00:38:35,349 --> 00:38:32,400

you know you can feel it sometimes and

990

00:38:38,150 --> 00:38:35,359

sometimes it's more intense for people

991

00:38:41,270 --> 00:38:38,160

and i touch this thing i promise you

992

00:38:43,510 --> 00:38:41,280

i it was like somebody gave me

993

00:38:45,670 --> 00:38:43,520

uh you know sleeping medication like i

994

00:38:47,190 --> 00:38:45,680

couldn't stand i had he had to walk me

995

00:38:47,910 --> 00:38:47,200

to the truck

996

00:38:51,670 --> 00:38:47,920

to

997

00:38:53,829 --> 00:38:51,680

sleep in the truck for the rest of the

998

00:38:54,870 --> 00:38:53,839

rest of the trip i could not open my

999

00:38:56,230 --> 00:38:54,880

eyes i was that tired it was the

1000

00:38:58,710 --> 00:38:56,240

weirdest thing ever and i was like that

1001

00:39:01,190 --> 00:38:58,720

for a few days it was it was it was it

1002

00:39:02,790 --> 00:39:01,200

was taxing and he's like i was like the

1003

00:39:05,750 --> 00:39:02,800

exact same way when you know we

1004

00:39:07,030 --> 00:39:05,760

encounter that being so i don't know

1005

00:39:07,829 --> 00:39:07,040

yeah

1006

00:39:10,150 --> 00:39:07,839

well

1007

00:39:12,829 --> 00:39:10,160

you know as as time went on i i was

1008

00:39:15,950 --> 00:39:12,839

documenting more and more of what jc was

1009

00:39:19,750 --> 00:39:15,960

doing uh in in

1010

00:39:23,349 --> 00:39:19,760

2015 he got called out

1011

00:39:25,589 --> 00:39:23,359

uh to a case uh near the san juan river

1012

00:39:26,710 --> 00:39:25,599

in the vicinity of the north uh four

1013

00:39:29,349 --> 00:39:26,720

corners

1014

00:39:31,670 --> 00:39:29,359

and you and i both know george harvey

1015

00:39:33,510 --> 00:39:31,680

and it was his homestead

1016

00:39:36,390 --> 00:39:33,520

uh which included his mother and his

1017

00:39:38,550 --> 00:39:36,400

siblings and um i think dr christopher

1018

00:39:39,670 --> 00:39:38,560

was along with them on that he was

1019

00:39:40,870 --> 00:39:39,680

he worked for the anthropology

1020

00:39:43,990 --> 00:39:40,880

department at the university of new

1021

00:39:46,870 --> 00:39:44,000

mexico i think near gallop

1022

00:39:52,710 --> 00:39:49,750

this was the findings from this as well

1023

00:39:55,109 --> 00:39:52,720

became part of the um the

1024

00:39:59,190 --> 00:39:55,119

kitchen dna study

1025

00:40:03,510 --> 00:40:01,109

you know george um

1026
00:40:06,870 --> 00:40:03,520
george harvey had previously

1027
00:40:08,870 --> 00:40:06,880
chronicled the behavior of the sasquatch

1028
00:40:11,349 --> 00:40:08,880
for many years one of the furry ones

1029
00:40:12,710 --> 00:40:11,359
around his homestead

1030
00:40:16,069 --> 00:40:12,720
and uh

1031
00:40:18,309 --> 00:40:16,079
during one particular incident george uh

1032
00:40:21,589 --> 00:40:18,319
observed an adult and two juvenile

1033
00:40:23,670 --> 00:40:21,599
bigfoot walked towards the mesa behind

1034
00:40:25,430 --> 00:40:23,680
his home

1035
00:40:27,990 --> 00:40:25,440
dr christopher

1036
00:40:31,589 --> 00:40:28,000
noted that the face of the mesa may have

1037
00:40:34,309 --> 00:40:31,599
been at a 45 degree angle

1038
00:40:35,750 --> 00:40:34,319

and george noted that the bigfoot easily

1039

00:40:38,150 --> 00:40:35,760

traversed

1040

00:40:42,150 --> 00:40:38,160

the steep ascent to the top in order to

1041

00:40:43,349 --> 00:40:42,160

gather food nearby cornfield and orchard

1042

00:40:45,430 --> 00:40:43,359

and

1043

00:40:48,390 --> 00:40:45,440

there had been many incidents of stone

1044

00:40:50,870 --> 00:40:48,400

barrages on the property as well

1045

00:40:55,990 --> 00:40:53,109

but the most interesting of part about

1046

00:40:58,950 --> 00:40:56,000

this whole thing was an interview

1047

00:41:00,870 --> 00:40:58,960

that um dr christopher

1048

00:41:01,750 --> 00:41:00,880

had with um

1049

00:41:04,470 --> 00:41:01,760

with

1050

00:41:08,550 --> 00:41:04,480

alex who's george's sister

1051
00:41:10,150 --> 00:41:08,560
uh this took place on january 11 2015

1052
00:41:15,670 --> 00:41:10,160
the video

1053
00:41:17,990 --> 00:41:15,680
actually still up on jc's channel which

1054
00:41:20,069 --> 00:41:18,000
you can find on youtube

1055
00:41:23,510 --> 00:41:20,079
but she recalled the encounter she had

1056
00:41:25,910 --> 00:41:23,520
on january 4 2015

1057
00:41:29,030 --> 00:41:25,920
with a group of furry ones

1058
00:41:31,589 --> 00:41:29,040
uh part of a larger habitation group uh

1059
00:41:34,710 --> 00:41:31,599
habitation group that migrates through

1060
00:41:37,270 --> 00:41:34,720
the area and i heard that many times

1061
00:41:40,150 --> 00:41:37,280
with several the the smallest homesteads

1062
00:41:42,390 --> 00:41:40,160
along the all through the um

1063
00:41:45,270 --> 00:41:42,400

the danae navajo reservation where

1064

00:41:47,670 --> 00:41:45,280

people have been talking about the these

1065

00:41:48,710 --> 00:41:47,680

furry ones just just calmly traversed

1066

00:41:50,470 --> 00:41:48,720

through their

1067

00:41:53,990 --> 00:41:50,480

their homesteads their fields you know

1068

00:41:55,349 --> 00:41:54,000

it was like second nature to these folks

1069

00:41:57,109 --> 00:41:55,359

so um

1070

00:41:59,589 --> 00:41:57,119

alex at the time was driving a

1071

00:42:01,270 --> 00:41:59,599

four-wheeler on the homestead along with

1072

00:42:03,349 --> 00:42:01,280

her dogs

1073

00:42:05,670 --> 00:42:03,359

when she encountered several huge

1074

00:42:07,109 --> 00:42:05,680

figures hiding behind the cropping of

1075

00:42:10,150 --> 00:42:07,119

trees

1076
00:42:11,349 --> 00:42:10,160
it was at that point when three bigfoot

1077
00:42:13,750 --> 00:42:11,359
stepped out

1078
00:42:15,510 --> 00:42:13,760
stunning alex since she had never

1079
00:42:17,430 --> 00:42:15,520
encountered any of these beings

1080
00:42:19,829 --> 00:42:17,440
previously

1081
00:42:21,589 --> 00:42:19,839
her brothers had mentioned that they did

1082
00:42:22,790 --> 00:42:21,599
exist but she never believed the

1083
00:42:25,190 --> 00:42:22,800
accounts

1084
00:42:28,230 --> 00:42:25,200
and in fact this group of bigfoot had

1085
00:42:29,990 --> 00:42:28,240
been researched by jc and others in the

1086
00:42:30,950 --> 00:42:30,000
group for approximately an eight year

1087
00:42:34,309 --> 00:42:30,960
period

1088
00:42:36,630 --> 00:42:34,319

and i do remember jc talking about these

1089

00:42:38,390 --> 00:42:36,640

so uh when alex told her mother about

1090

00:42:42,069 --> 00:42:38,400

the encounters she referred to the

1091

00:42:45,109 --> 00:42:42,079

bigfoot as her hairy boys

1092

00:42:46,870 --> 00:42:45,119

so their presence was well known now

1093

00:42:48,470 --> 00:42:46,880

the the interesting thing about this

1094

00:42:50,470 --> 00:42:48,480

account was

1095

00:42:51,750 --> 00:42:50,480

alex's description of the largest

1096

00:42:55,990 --> 00:42:51,760

bigfoot

1097

00:42:59,430 --> 00:42:56,000

was that it stood approximately 12 foot

1098

00:43:02,150 --> 00:42:59,440

and covered in dark brown hair

1099

00:43:06,230 --> 00:43:02,160

uh jc letter later mentioned that the

1100

00:43:08,710 --> 00:43:06,240

bigfoot was known by them as rufus

1101
00:43:11,190 --> 00:43:08,720
and i had heard that name before

1102
00:43:13,430 --> 00:43:11,200
and uh and that they had photographs of

1103
00:43:16,230 --> 00:43:13,440
previous encounters

1104
00:43:18,470 --> 00:43:16,240
alex also said there was a 10 foot big

1105
00:43:20,630 --> 00:43:18,480
foot similar to the description as roof

1106
00:43:23,109 --> 00:43:20,640
of rufus

1107
00:43:25,190 --> 00:43:23,119
similar in description as rufus the

1108
00:43:28,470 --> 00:43:25,200
youngest member of the group stood about

1109
00:43:30,790 --> 00:43:28,480
eight foot and had reddish colored hair

1110
00:43:32,950 --> 00:43:30,800
she described that each of the faces

1111
00:43:35,589 --> 00:43:32,960
were mostly hairless with dark brown

1112
00:43:36,950 --> 00:43:35,599
skin flat narrow noses and wide

1113
00:43:39,589 --> 00:43:36,960

foreheads

1114

00:43:41,910 --> 00:43:39,599

and she also stated that rufus had large

1115

00:43:44,069 --> 00:43:41,920

bulbous eyes that may have been three

1116

00:43:47,589 --> 00:43:44,079

inches in diameter

1117

00:43:50,710 --> 00:43:47,599

so this was a big boy and um

1118

00:43:52,309 --> 00:43:50,720

as she sat on the four-wheeler

1119

00:43:55,190 --> 00:43:52,319

paralyzed from the shock of this

1120

00:43:58,470 --> 00:43:55,200

encounter she noticed that the 10-foot

1121

00:44:01,190 --> 00:43:58,480

bigfoot made a whistling sound

1122

00:44:04,390 --> 00:44:01,200

her dog zora approached and laid down

1123

00:44:07,109 --> 00:44:04,400

near the youngest member of the trio

1124

00:44:09,670 --> 00:44:07,119

the bigfoot remarkably reached down and

1125

00:44:11,829 --> 00:44:09,680

rubbed zora's ear

1126

00:44:14,950 --> 00:44:11,839

as it turns out these bigfoot had

1127

00:44:17,430 --> 00:44:14,960

previously brought bones of kills

1128

00:44:18,950 --> 00:44:17,440

to zora while tied up on the homestead

1129

00:44:21,510 --> 00:44:18,960

property at night

1130

00:44:24,309 --> 00:44:21,520

the young bigfoot had also been known to

1131

00:44:26,950 --> 00:44:24,319

draw on rocks

1132

00:44:29,190 --> 00:44:26,960

from the information i received from jc

1133

00:44:31,270 --> 00:44:29,200

there are several bigfoot clans in the

1134

00:44:33,589 --> 00:44:31,280

general area

1135

00:44:37,030 --> 00:44:33,599

another known group includes an older

1136

00:44:39,109 --> 00:44:37,040

female who has been seen with several

1137

00:44:41,190 --> 00:44:39,119

juveniles over the years

1138

00:44:43,109 --> 00:44:41,200

at one point she had three sons

1139

00:44:45,670 --> 00:44:43,119

traveling with her

1140

00:44:47,670 --> 00:44:45,680

it seems that these hominids are not

1141

00:44:48,950 --> 00:44:47,680

monogamous and that the female in

1142

00:44:51,829 --> 00:44:48,960

particular

1143

00:44:54,309 --> 00:44:51,839

had bred with several males in a wide

1144

00:44:56,550 --> 00:44:54,319

migration area

1145

00:44:59,030 --> 00:44:56,560

so at the present time it you know when

1146

00:45:01,030 --> 00:44:59,040

i took this report photographic evidence

1147

00:45:02,150 --> 00:45:01,040

was being suppressed

1148

00:45:04,710 --> 00:45:02,160

um

1149

00:45:07,589 --> 00:45:04,720

there was much more research required on

1150

00:45:09,510 --> 00:45:07,599

the various clans within the habit uh

1151

00:45:12,230 --> 00:45:09,520

habituation area

1152

00:45:13,990 --> 00:45:12,240

this is also tribal land and all respect

1153

00:45:16,710 --> 00:45:14,000

to the privacy and customs of the

1154

00:45:19,990 --> 00:45:16,720

residents must be maintained and as far

1155

00:45:21,430 --> 00:45:20,000

as i know none of that evidence was ever

1156

00:45:24,470 --> 00:45:21,440

revealed

1157

00:45:26,150 --> 00:45:24,480

so i i don't know if you were with jc at

1158

00:45:29,510 --> 00:45:26,160

that time you think he may have been

1159

00:45:31,190 --> 00:45:29,520

summer do you remember any of that

1160

00:45:33,430 --> 00:45:31,200

i'm sorry what was the question do you

1161

00:45:35,910 --> 00:45:33,440

remember do you remember any of that

1162

00:45:37,330 --> 00:45:35,920

account

1163

00:45:40,309 --> 00:45:37,340

uh

1164

00:45:43,109 --> 00:45:40,319

[Music]

1165

00:45:46,870 --> 00:45:43,119

not enough just not enough no

1166

00:45:49,589 --> 00:45:47,710

early

1167

00:45:51,430 --> 00:45:49,599

2015

1168

00:45:53,670 --> 00:45:51,440

when it happened so i don't know when

1169

00:45:56,230 --> 00:45:53,680

you were with jc

1170

00:45:57,270 --> 00:45:56,240

i was there in the year before

1171

00:45:58,069 --> 00:45:57,280

okay

1172

00:46:01,190 --> 00:45:58,079

yeah

1173

00:46:03,589 --> 00:46:01,200

honestly i had i

1174

00:46:05,670 --> 00:46:03,599

got on my nose

1175

00:46:07,510 --> 00:46:05,680

i know a lot of was kept quiet

1176
00:46:08,390 --> 00:46:07,520
and um yeah

1177
00:46:10,630 --> 00:46:08,400
yeah

1178
00:46:13,589 --> 00:46:10,640
i know that dr christopher who was

1179
00:46:15,589 --> 00:46:13,599
involved with the ketchum study

1180
00:46:19,270 --> 00:46:15,599
took the actual uh

1181
00:46:21,589 --> 00:46:19,280
dna evidence and submitted it as well

1182
00:46:23,270 --> 00:46:21,599
and when they had a conference about the

1183
00:46:26,150 --> 00:46:23,280
year a year later and i haven't

1184
00:46:27,829 --> 00:46:26,160
documented the conference and everything

1185
00:46:30,550 --> 00:46:27,839
uh

1186
00:46:33,510 --> 00:46:30,560
that evidence was presented as well as

1187
00:46:37,990 --> 00:46:33,520
jc was there as well for the conference

1188
00:46:39,910 --> 00:46:38,000

and he made his presentation so um

1189

00:46:41,829 --> 00:46:39,920

you know a whole kitchen study and i

1190

00:46:43,349 --> 00:46:41,839

don't know what you you think about this

1191

00:46:46,309 --> 00:46:43,359

area because i know you're so involved

1192

00:46:47,430 --> 00:46:46,319

with bigfoot study and research

1193

00:46:51,910 --> 00:46:47,440

um

1194

00:46:53,430 --> 00:46:51,920

dna study

1195

00:46:55,510 --> 00:46:53,440

really

1196

00:46:57,670 --> 00:46:55,520

offered much to

1197

00:46:58,470 --> 00:46:57,680

any research of bigfoot

1198

00:47:02,870 --> 00:46:58,480

no

1199

00:47:05,030 --> 00:47:02,880

um i think unfortunately a lot of the

1200

00:47:07,430 --> 00:47:05,040

material was mishandled

1201
00:47:09,589 --> 00:47:07,440
and probably tainted

1202
00:47:11,670 --> 00:47:09,599
um i don't think the study was done

1203
00:47:13,510 --> 00:47:11,680
correctly the way it should have been

1204
00:47:15,510 --> 00:47:13,520
and and i don't think it played any real

1205
00:47:17,430 --> 00:47:15,520
benefit to the community

1206
00:47:21,349 --> 00:47:17,440
and unfortunately became a laughingstock

1207
00:47:24,950 --> 00:47:23,589
and that's that's a shame because there

1208
00:47:27,109 --> 00:47:24,960
were some really good researchers that

1209
00:47:29,190 --> 00:47:27,119
were involved with it

1210
00:47:31,109 --> 00:47:29,200
i agree with it i agree with that that's

1211
00:47:33,510 --> 00:47:31,119
more or less what uh

1212
00:47:36,710 --> 00:47:33,520
what i was told as well

1213
00:47:39,910 --> 00:47:36,720

well i i believe dr brian sykes probably

1214

00:47:42,470 --> 00:47:39,920

had more to offer in his study

1215

00:47:45,750 --> 00:47:42,480

uh but i don't know i don't know if he

1216

00:47:47,349 --> 00:47:45,760

was involved at all with with uh

1217

00:47:48,309 --> 00:47:47,359

with ketchum

1218

00:47:50,150 --> 00:47:48,319

uh

1219

00:47:51,589 --> 00:47:50,160

derek do you have an answer for that no

1220

00:47:52,390 --> 00:47:51,599

i don't believe he was

1221

00:47:53,750 --> 00:47:52,400

okay

1222

00:47:55,990 --> 00:47:53,760

i think his his

1223

00:47:57,750 --> 00:47:56,000

most of his stuff came from meldrum

1224

00:47:58,870 --> 00:47:57,760

and a couple other sources but nothing

1225

00:48:01,270 --> 00:47:58,880

came from

1226
00:48:02,150 --> 00:48:01,280
from the ketchum study from not just

1227
00:48:05,510 --> 00:48:02,160
that's

1228
00:48:06,950 --> 00:48:05,520
one

1229
00:48:08,470 --> 00:48:06,960
okay

1230
00:48:11,750 --> 00:48:08,480
well that's a shame then because you

1231
00:48:14,069 --> 00:48:11,760
know i know jc put a lot of stock

1232
00:48:16,390 --> 00:48:14,079
into that um

1233
00:48:18,630 --> 00:48:16,400
and you're right i i don't think it was

1234
00:48:20,710 --> 00:48:18,640
i don't think it was handled correctly

1235
00:48:21,510 --> 00:48:20,720
you know it was interesting i had done

1236
00:48:23,910 --> 00:48:21,520
an

1237
00:48:27,510 --> 00:48:23,920
episode of um

1238
00:48:29,109 --> 00:48:27,520

coast to coast back in 2016

1239

00:48:31,270 --> 00:48:29,119

i think it was

1240

00:48:32,630 --> 00:48:31,280

and i was in the second the second half

1241

00:48:35,109 --> 00:48:32,640

of the show and

1242

00:48:36,470 --> 00:48:35,119

uh melbourne ketchum was actually in the

1243

00:48:38,150 --> 00:48:36,480

first half

1244

00:48:40,390 --> 00:48:38,160

and i i thought there was going to be

1245

00:48:42,069 --> 00:48:40,400

some real promise there i really did i

1246

00:48:43,349 --> 00:48:42,079

mean you know the way she explained it

1247

00:48:45,510 --> 00:48:43,359

to um

1248

00:48:47,349 --> 00:48:45,520

and i think that was

1249

00:48:49,589 --> 00:48:47,359

uh george noor who actually did the

1250

00:48:51,510 --> 00:48:49,599

interview in fact i'm pretty sure it was

1251

00:48:54,230 --> 00:48:51,520

because he interviewed me later

1252

00:48:56,630 --> 00:48:54,240

but uh i i had promised for that but

1253

00:48:58,150 --> 00:48:56,640

like you said it it just didn't pan out

1254

00:48:59,990 --> 00:48:58,160

that well and

1255

00:49:03,630 --> 00:49:00,000

and it would have been a great testament

1256

00:49:05,589 --> 00:49:03,640

to to jc's work and research and

1257

00:49:08,309 --> 00:49:05,599

investigations if something would have

1258

00:49:09,990 --> 00:49:08,319

come from that

1259

00:49:11,349 --> 00:49:10,000

yeah i'd agree with that

1260

00:49:13,349 --> 00:49:11,359

like i said there were a few other

1261

00:49:15,430 --> 00:49:13,359

researchers who put a lot of effort into

1262

00:49:16,549 --> 00:49:15,440

that and collecting samples

1263

00:49:18,309 --> 00:49:16,559

and uh

1264

00:49:20,710 --> 00:49:18,319

unfortunately they got the black eye

1265

00:49:22,470 --> 00:49:20,720

from it

1266

00:49:26,390 --> 00:49:22,480

yeah you're right

1267

00:49:27,430 --> 00:49:26,400

yeah and uh yeah so unfortunate didn't

1268

00:49:30,230 --> 00:49:27,440

happen

1269

00:49:33,910 --> 00:49:30,240

but anyway you know as uh you know not

1270

00:49:37,270 --> 00:49:33,920

long after that jc

1271

00:49:39,510 --> 00:49:37,280

moved from the um the four corners area

1272

00:49:42,950 --> 00:49:39,520

up into northern

1273

00:49:45,990 --> 00:49:42,960

uh minnesota not far from the ojibwe um

1274

00:49:48,390 --> 00:49:46,000

the reservation that was up there

1275

00:49:51,589 --> 00:49:48,400

and uh he lived with a gentleman by the

1276
00:49:53,030 --> 00:49:51,599
name of ron who had a a pretty large

1277
00:49:56,309 --> 00:49:53,040
property

1278
00:49:58,710 --> 00:49:56,319
in the area and

1279
00:50:01,190 --> 00:49:58,720
jc's son had been involved with with

1280
00:50:03,750 --> 00:50:01,200
some of the research as well

1281
00:50:05,829 --> 00:50:03,760
he had a few other people with him

1282
00:50:08,230 --> 00:50:05,839
occasionally

1283
00:50:09,109 --> 00:50:08,240
and uh some of the activity that was

1284
00:50:10,710 --> 00:50:09,119
most

1285
00:50:12,790 --> 00:50:10,720
interesting up there was some of the

1286
00:50:15,109 --> 00:50:12,800
upright canine activity and a little bit

1287
00:50:17,589 --> 00:50:15,119
of bigfoot active but also

1288
00:50:20,790 --> 00:50:17,599

there was some incident of these

1289

00:50:23,109 --> 00:50:20,800

these green pudge lucky like

1290

00:50:25,270 --> 00:50:23,119

beings that were being seen in in the

1291

00:50:27,589 --> 00:50:25,280

ferns and such and some there were some

1292

00:50:29,109 --> 00:50:27,599

photographs taken of that as well

1293

00:50:31,349 --> 00:50:29,119

um

1294

00:50:37,030 --> 00:50:31,359

do any do either you have any comments

1295

00:50:43,750 --> 00:50:38,829

i honestly

1296

00:50:44,870 --> 00:50:43,760

um pudge monkeys are terrifying but i

1297

00:50:46,870 --> 00:50:44,880

i i

1298

00:50:48,549 --> 00:50:46,880

i think jc just like kind of was like

1299

00:50:50,069 --> 00:50:48,559

look this stuff the east coast stuff is

1300

00:50:52,630 --> 00:50:50,079

like not

1301
00:50:54,549 --> 00:50:52,640
yeah i'm not ready for a lot of that

1302
00:50:56,549 --> 00:50:54,559
no but um

1303
00:50:58,470 --> 00:50:56,559
there was great stories i just didn't

1304
00:51:01,430 --> 00:50:58,480
really i was more of like the dog man

1305
00:51:04,309 --> 00:51:01,440
person um or anything like in um

1306
00:51:07,109 --> 00:51:04,319
anything on the west coast yes but i had

1307
00:51:09,190 --> 00:51:07,119
those i can't anybody who if any of

1308
00:51:11,190 --> 00:51:09,200
either of you have any stories about

1309
00:51:13,430 --> 00:51:11,200
those they're horrifying

1310
00:51:15,430 --> 00:51:13,440
yeah oh well

1311
00:51:17,190 --> 00:51:15,440
we've been looking at uh butch witkowski

1312
00:51:20,309 --> 00:51:17,200
and i have been looking into the the

1313
00:51:22,630 --> 00:51:20,319

pennsylvania upright canine and dogman

1314

00:51:26,470 --> 00:51:22,640

the quadrupeds um

1315

00:51:28,150 --> 00:51:26,480

in pennsylvania now since 2013.

1316

00:51:32,309 --> 00:51:28,160

so uh

1317

00:51:34,230 --> 00:51:32,319

yeah actually the the case the case i

1318

00:51:36,470 --> 00:51:34,240

documented

1319

00:51:38,390 --> 00:51:36,480

was titled the little people of northern

1320

00:51:41,109 --> 00:51:38,400

minnesota

1321

00:51:44,309 --> 00:51:41,119

and uh if you if you go to that link on

1322

00:51:46,549 --> 00:51:44,319

fam's monsters you will see some of the

1323

00:51:48,390 --> 00:51:46,559

the um

1324

00:51:50,390 --> 00:51:48,400

the photographs that were taken they're

1325

00:51:51,430 --> 00:51:50,400

they're very interesting i i

1326

00:51:54,150 --> 00:51:51,440

can't

1327

00:51:56,549 --> 00:51:54,160

make out what the hell those things were

1328

00:51:58,230 --> 00:51:56,559

but they uh they are interesting they're

1329

00:52:00,870 --> 00:51:58,240

kind of two to three foot in height for

1330

00:52:03,190 --> 00:52:00,880

the most part greenish complexion

1331

00:52:05,589 --> 00:52:03,200

and uh they were kind of

1332

00:52:08,630 --> 00:52:05,599

living in the dark world of that bracken

1333

00:52:11,510 --> 00:52:08,640

fern that canopies most of the area

1334

00:52:13,990 --> 00:52:11,520

uh during the spring and summer

1335

00:52:15,589 --> 00:52:14,000

but uh you know that was that was a big

1336

00:52:19,030 --> 00:52:15,599

investigation that

1337

00:52:21,510 --> 00:52:19,040

jc got involved with at the time

1338

00:52:25,030 --> 00:52:21,520

but of course he was more focused on the

1339

00:52:28,069 --> 00:52:25,040

upright canine activity and in fact

1340

00:52:30,870 --> 00:52:28,079

they had attempted to

1341

00:52:33,829 --> 00:52:30,880

to get a video

1342

00:52:37,510 --> 00:52:33,839

of an encounter with one of these things

1343

00:52:39,589 --> 00:52:37,520

uh i remember in one instance uh and i

1344

00:52:40,549 --> 00:52:39,599

think jane

1345

00:52:42,630 --> 00:52:40,559

uh

1346

00:52:45,270 --> 00:52:42,640

who and i forget james

1347

00:52:49,349 --> 00:52:45,280

jane's last name but she used to

1348

00:52:50,230 --> 00:52:49,359

be with jc when they was up in minnesota

1349

00:52:51,990 --> 00:52:50,240

uh

1350

00:52:54,630 --> 00:52:52,000

she was on a four-wheeler and i think

1351

00:52:58,069 --> 00:52:54,640

jc's son was actually driving

1352

00:52:59,589 --> 00:52:58,079

and one of these k upright canines were

1353

00:53:02,150 --> 00:52:59,599

tracking them as they were going through

1354

00:53:03,589 --> 00:53:02,160

the property this thing jumped out was

1355

00:53:06,549 --> 00:53:03,599

chasing them

1356

00:53:09,750 --> 00:53:06,559

and uh you know from some of the audio

1357

00:53:12,230 --> 00:53:09,760

that i heard of it it was pretty heroin

1358

00:53:13,510 --> 00:53:12,240

but they did attempt to do a video later

1359

00:53:17,990 --> 00:53:13,520

on

1360

00:53:19,589 --> 00:53:18,000

these things and get some video of it

1361

00:53:21,990 --> 00:53:19,599

didn't turn out to uh there was some

1362

00:53:23,349 --> 00:53:22,000

gunfire involved i don't think they hit

1363

00:53:25,990 --> 00:53:23,359

the thing

1364

00:53:28,870 --> 00:53:26,000

but uh it was like i said it was another

1365

00:53:31,510 --> 00:53:28,880

harrowing video that came out of that so

1366

00:53:33,430 --> 00:53:31,520

um you know that's kind of what jc was

1367

00:53:36,470 --> 00:53:33,440

working on

1368

00:53:39,190 --> 00:53:36,480

up until the time he passed and uh you

1369

00:53:40,950 --> 00:53:39,200

know unfortunately jc contracted

1370

00:53:43,829 --> 00:53:40,960

pneumonia

1371

00:53:46,309 --> 00:53:43,839

and uh you know jay-z wanted an old man

1372

00:53:48,390 --> 00:53:46,319

he was i think he was probably close to

1373

00:53:49,510 --> 00:53:48,400

60. i don't even know what his real age

1374

00:53:54,470 --> 00:53:49,520

was

1375

00:53:57,349 --> 00:53:54,480

least over a month and um

1376
00:53:59,510 --> 00:53:57,359
we lost him and uh for me that was just

1377
00:54:00,790 --> 00:53:59,520
terrible i mean it was 2018 if i

1378
00:54:04,150 --> 00:54:00,800
remember

1379
00:54:06,790 --> 00:54:04,160
and uh you know we lost a a very

1380
00:54:10,790 --> 00:54:06,800
interesting and important researcher in

1381
00:54:14,549 --> 00:54:13,190
yeah you're right it was february

1382
00:54:16,390 --> 00:54:14,559
2018.

1383
00:54:19,589 --> 00:54:16,400
never forget it

1384
00:54:20,710 --> 00:54:19,599
yeah it's unfortunate that um you know i

1385
00:54:23,030 --> 00:54:20,720
feel like

1386
00:54:25,589 --> 00:54:23,040
the older we get um

1387
00:54:26,470 --> 00:54:25,599
you know we think we can just handle

1388
00:54:27,510 --> 00:54:26,480

being

1389

00:54:29,670 --> 00:54:27,520

sick

1390

00:54:32,069 --> 00:54:29,680

on our own and i think we kind of

1391

00:54:34,069 --> 00:54:32,079

downplay that maybe we there maybe we

1392

00:54:35,990 --> 00:54:34,079

need more than just whatever we're doing

1393

00:54:37,990 --> 00:54:36,000

for ourselves at home sometimes

1394

00:54:41,190 --> 00:54:38,000

and you know it can it could become

1395

00:54:45,750 --> 00:54:41,200

dangerous and this is a very good um

1396

00:54:50,950 --> 00:54:48,950

i called the moon in 2016. and i don't i

1397

00:54:52,870 --> 00:54:50,960

dammer bolt the farm and i didn't

1398

00:54:54,150 --> 00:54:52,880

realize it until i got into i went to

1399

00:54:56,630 --> 00:54:54,160

the hospital

1400

00:54:58,309 --> 00:54:56,640

and after a week staying i fortunately

1401
00:55:00,309 --> 00:54:58,319
recovered from it but

1402
00:55:01,670 --> 00:55:00,319
it still has i still have physical

1403
00:55:04,150 --> 00:55:01,680
effects from it

1404
00:55:05,990 --> 00:55:04,160
so uh yeah it's right you know you think

1405
00:55:08,309 --> 00:55:06,000
you own the world you can do all you

1406
00:55:10,710 --> 00:55:08,319
want and you know jc was that mentality

1407
00:55:13,430 --> 00:55:10,720
he didn't let anything let it down

1408
00:55:15,270 --> 00:55:13,440
and um i don't think he realized how

1409
00:55:17,910 --> 00:55:15,280
sick he actually was and in fact i

1410
00:55:20,870 --> 00:55:17,920
remember when ron called me

1411
00:55:22,069 --> 00:55:20,880
and told me uh that jc was in the

1412
00:55:24,630 --> 00:55:22,079
hospital

1413
00:55:26,549 --> 00:55:24,640

and uh you know that they didn't think

1414

00:55:29,589 --> 00:55:26,559

he'd be here that long and then a month

1415

00:55:32,710 --> 00:55:29,599

later we had lost it and um

1416

00:55:34,950 --> 00:55:32,720

again it was it was tragic

1417

00:55:38,309 --> 00:55:34,960

uh but you know these things happen

1418

00:55:39,589 --> 00:55:38,319

unfortunately and um

1419

00:55:41,430 --> 00:55:39,599

you know

1420

00:55:42,230 --> 00:55:41,440

there's not much else you can say about

1421

00:55:46,390 --> 00:55:42,240

it

1422

00:55:49,670 --> 00:55:46,400

anybody has really picked up the ball

1423

00:55:51,430 --> 00:55:49,680

and continued on his research

1424

00:55:53,349 --> 00:55:51,440

and uh i don't think we're gonna ever

1425

00:55:55,589 --> 00:55:53,359

have anyone like him

1426

00:55:57,670 --> 00:55:55,599

to do this

1427

00:55:59,910 --> 00:55:57,680

i feel like my two-year-old son i named

1428

00:56:03,190 --> 00:55:59,920

after jc his name is actually johnny

1429

00:56:05,990 --> 00:56:03,200

after jc um he might be him he might be

1430

00:56:09,510 --> 00:56:06,000

reincarnation because this kid i swear

1431

00:56:11,190 --> 00:56:09,520

he's just a little [h__h] and i'm like

1432

00:56:13,030 --> 00:56:11,200

you look at me a certain way that jc

1433

00:56:15,910 --> 00:56:13,040

would look at me when i was being you

1434

00:56:17,190 --> 00:56:15,920

know maybe not the nicest person he

1435

00:56:19,109 --> 00:56:17,200

looks at me with the same look and i'm

1436

00:56:20,390 --> 00:56:19,119

like it just goes right to my core and

1437

00:56:21,829 --> 00:56:20,400

i'm just like don't you ever look at me

1438

00:56:23,589 --> 00:56:21,839

like that again

1439

00:56:24,950 --> 00:56:23,599

but it just reminds me so much of them

1440

00:56:27,270 --> 00:56:24,960

it's just weird but i mean it's

1441

00:56:29,589 --> 00:56:27,280

wonderful to you know yeah i don't think

1442

00:56:31,270 --> 00:56:29,599

i've i've recovered from it actually i

1443

00:56:32,950 --> 00:56:31,280

mean i think about jc all the time

1444

00:56:34,710 --> 00:56:32,960

especially when i something will come up

1445

00:56:36,309 --> 00:56:34,720

from an old investigation or somebody

1446

00:56:39,750 --> 00:56:36,319

asked me about it

1447

00:56:42,069 --> 00:56:39,760

and uh you know

1448

00:56:44,549 --> 00:56:42,079

he was a he was an old standby from for

1449

00:56:46,069 --> 00:56:44,559

arcane radio for a long time and of

1450

00:56:49,270 --> 00:56:46,079

course with uh

1451

00:56:50,309 --> 00:56:49,280

beyond the edge so um

1452

00:56:52,710 --> 00:56:50,319

you know

1453

00:56:55,750 --> 00:56:52,720

we will miss him and we do miss him and

1454

00:56:57,829 --> 00:56:55,760

uh you know so eric you got anything to

1455

00:56:58,950 --> 00:56:57,839

follow up with before we close up the

1456

00:57:01,109 --> 00:56:58,960

show

1457

00:57:03,349 --> 00:57:01,119

no just that i really enjoyed

1458

00:57:04,630 --> 00:57:03,359

the time i had with jc getting to know

1459

00:57:06,470 --> 00:57:04,640

him and talk with him and share the

1460

00:57:08,150 --> 00:57:06,480

stories and he was one of my favorite

1461

00:57:09,030 --> 00:57:08,160

guests on the show we always had a great

1462

00:57:10,630 --> 00:57:09,040

time

1463

00:57:13,990 --> 00:57:10,640

even when he fell asleep at the end of

1464

00:57:16,630 --> 00:57:15,270

yeah

1465

00:57:18,309 --> 00:57:16,640

oh my gosh

1466

00:57:19,670 --> 00:57:18,319

oh he did that a lot

1467

00:57:21,670 --> 00:57:19,680

yeah

1468

00:57:23,349 --> 00:57:21,680

we'd be talking away and asking him

1469

00:57:25,430 --> 00:57:23,359

questions and carrying on a conversation

1470

00:57:28,069 --> 00:57:25,440

and there'd be silence on his end and we

1471

00:57:30,069 --> 00:57:28,079

both try sleeping try sleeping in a tent

1472

00:57:31,190 --> 00:57:30,079

next to that guy in a bedroom next to

1473

00:57:33,510 --> 00:57:31,200

him

1474

00:57:35,750 --> 00:57:33,520

you don't get any sleep you learn to use

1475

00:57:36,870 --> 00:57:35,760

headphones or something because it's

1476

00:57:39,030 --> 00:57:36,880

literally

1477

00:57:40,309 --> 00:57:39,040

the in the night oh my gosh i can't even

1478

00:57:42,309 --> 00:57:40,319

we don't even need to go into that but

1479

00:57:43,109 --> 00:57:42,319

yeah i know exactly what you're talking

1480

00:57:45,190 --> 00:57:43,119

about

1481

00:57:46,870 --> 00:57:45,200

yeah well you know david has david

1482

00:57:49,430 --> 00:57:46,880

woodley has mentioned the same thing to

1483

00:57:52,390 --> 00:57:49,440

me just sleeping in the tent beside him

1484

00:57:54,069 --> 00:57:52,400

and uh yeah

1485

00:57:55,829 --> 00:57:54,079

it's like a freight train rolling by

1486

00:57:57,670 --> 00:57:55,839

yeah every every creature in the forest

1487

00:57:59,910 --> 00:57:57,680

knew jc was asleep in the tent that's

1488

00:58:01,670 --> 00:57:59,920

all i can say so um

1489

00:58:04,069 --> 00:58:01,680

well i want to thank you two for joining

1490
