

# ARCANE RADIO

Exploring the Unexplained 

January 14th, 2022  
@ 9PM Eastern

**With  
Guest  
Eric Mintel**

**Your  
Host  
Lon Strickler**

Founder, Researcher with Bucks County, Penn. Paranormal Investigation

1  
00:00:05,990 --> 00:00:04,390  
the oldest and strongest human emotion

2  
00:00:08,150 --> 00:00:06,000  
is fear

3  
00:00:09,190 --> 00:00:08,160  
and the oldest and strongest type of

4  
00:00:12,390 --> 00:00:09,200  
fear

5  
00:00:14,870 --> 00:00:12,400  
is trepidation of the unknown

6  
00:00:18,230 --> 00:00:14,880  
when we were children our parents told

7  
00:00:20,710 --> 00:00:18,240  
us that monsters didn't exist

8  
00:00:23,910 --> 00:00:20,720  
but we were sure that something was

9  
00:00:28,470 --> 00:00:23,920  
lurking under the bed or in the closet

10  
00:00:31,429 --> 00:00:28,480  
fear sees even if our eyes are closed

11  
00:00:33,750 --> 00:00:31,439  
welcome to the realm of the arcane

12  
00:00:36,069 --> 00:00:33,760  
my name is lon strickler

13  
00:00:37,190 --> 00:00:36,079

join me as i examine unexplained

14

00:00:39,910 --> 00:00:37,200

creatures

15

00:00:42,150 --> 00:00:39,920

strange manifestations of remarkable

16

00:00:45,190 --> 00:00:42,160

realities

17

00:00:47,830 --> 00:00:45,200

imagine this next hour as a voyage of

18

00:00:50,310 --> 00:00:47,840

discovery to strange lands

19

00:00:51,830 --> 00:00:50,320

seeking not for new territory

20

00:00:53,350 --> 00:00:51,840

but for new knowledge of the

21

00:00:56,229 --> 00:00:53,360

supernatural

22

00:00:57,590 --> 00:00:56,239

come on board as we begin this adventure

23

00:01:05,270 --> 00:00:57,600

together

24

00:01:10,469 --> 00:01:08,310

explain live on beyond explanation

25

00:01:12,710 --> 00:01:10,479

i'm your host lon stricker coming to you

26

00:01:14,870 --> 00:01:12,720

within a cannon shot of the howled

27

00:01:16,390 --> 00:01:14,880

fields of gettysburg pennsylvania thanks

28

00:01:19,429 --> 00:01:16,400

for joining you

29

00:01:20,870 --> 00:01:19,439

so as many of you know we lost a dear

30

00:01:24,149 --> 00:01:20,880

and close friend this week which

31

00:01:25,910 --> 00:01:24,159

wikowski passed away yesterday morning

32

00:01:27,830 --> 00:01:25,920

so i'm going to tell you a bit about

33

00:01:31,350 --> 00:01:27,840

butch butch was an independent

34

00:01:34,069 --> 00:01:31,360

researcher since 1989

35

00:01:37,030 --> 00:01:34,079

when along with four other people

36

00:01:39,510 --> 00:01:37,040

witnessed a ufo of substantial size

37

00:01:41,670 --> 00:01:39,520

quietly hover above the mountain

38

00:01:43,429 --> 00:01:41,680

in tucson arizona

39

00:01:47,350 --> 00:01:43,439

now that was a day that he began his

40

00:01:49,749 --> 00:01:47,360

investigations into the ufo phenomenon

41

00:01:52,149 --> 00:01:49,759

he soon became a member of mufon

42

00:01:54,230 --> 00:01:52,159

and a field investigator after moving

43

00:01:56,789 --> 00:01:54,240

back to pennsylvania he concentrated on

44

00:01:57,870 --> 00:01:56,799

ufo research in cases related to alien

45

00:02:01,510 --> 00:01:57,880

abduction

46

00:02:02,870 --> 00:02:01,520

mutilations and unexplained encounters

47

00:02:05,429 --> 00:02:02,880

now butch had been a member of the

48

00:02:06,830 --> 00:02:05,439

carnarvon township pennsylvania police

49

00:02:09,510 --> 00:02:06,840

department in the

50

00:02:11,510 --> 00:02:09,520

1970s he used his investigative

51  
00:02:13,750 --> 00:02:11,520  
abilities as a police officer officer

52  
00:02:15,910 --> 00:02:13,760  
for his field work later becoming the

53  
00:02:18,470 --> 00:02:15,920  
founder of ufo research center in

54  
00:02:20,830 --> 00:02:18,480  
pennsylvania

55  
00:02:23,750 --> 00:02:20,840  
i met butch for the first time in

56  
00:02:24,869 --> 00:02:23,760  
2013 after expressing my continued

57  
00:02:27,910 --> 00:02:24,879  
interest

58  
00:02:30,150 --> 00:02:27,920  
in the todd sees death case

59  
00:02:32,790 --> 00:02:30,160  
we combined our research and years of

60  
00:02:35,350 --> 00:02:32,800  
experience making great strides to

61  
00:02:37,509 --> 00:02:35,360  
deeply examine the incident and i'm

62  
00:02:39,190 --> 00:02:37,519  
proud to say that butch's determination

63  
00:02:40,470 --> 00:02:39,200

for finding the truth led to several

64

00:02:42,869 --> 00:02:40,480

revelations

65

00:02:45,830 --> 00:02:42,879

about the case

66

00:02:47,430 --> 00:02:45,840

uh now not long after we started working

67

00:02:49,509 --> 00:02:47,440

together he became interested in

68

00:02:51,910 --> 00:02:49,519

cryptids especially the dog man upright

69

00:02:53,589 --> 00:02:51,920

canine phenomenon in our native state of

70

00:02:55,830 --> 00:02:53,599

pennsylvania

71

00:02:58,309 --> 00:02:55,840

since 2015

72

00:03:00,790 --> 00:02:58,319

butch's efforts culminated in exposing

73

00:03:02,790 --> 00:03:00,800

over 30 modern sightings and encounters

74

00:03:05,030 --> 00:03:02,800

throughout the state

75

00:03:07,509 --> 00:03:05,040

now after the formation of phantoms and

76  
00:03:09,910 --> 00:03:07,519  
monsters 14 research butch became one of

77  
00:03:11,830 --> 00:03:09,920  
our lead investigators on the team

78  
00:03:14,550 --> 00:03:11,840  
always striving for the facts through

79  
00:03:16,390 --> 00:03:14,560  
unwavering research

80  
00:03:18,390 --> 00:03:16,400  
which was a regular guest on internet

81  
00:03:20,790 --> 00:03:18,400  
and radio talk shows beginning with his

82  
00:03:22,309 --> 00:03:20,800  
2010 appearance on coast to coast am

83  
00:03:25,110 --> 00:03:22,319  
with art bell

84  
00:03:26,390 --> 00:03:25,120  
in a month mostly stick at spaced out

85  
00:03:28,949 --> 00:03:26,400  
radio

86  
00:03:32,309 --> 00:03:28,959  
uh strange days with butch witch casket

87  
00:03:34,789 --> 00:03:32,319  
hosted by our mutual friend dave scott

88  
00:03:37,509 --> 00:03:34,799

now butch and i were close friends and

89

00:03:39,750 --> 00:03:37,519

colleagues he was always there to take

90

00:03:41,430 --> 00:03:39,760

my telephone call and to talk

91

00:03:44,630 --> 00:03:41,440

and i'm going to truly miss his

92

00:03:46,949 --> 00:03:44,640

dedication his wit his humor

93

00:03:49,830 --> 00:03:46,959

and one day i'm sure we'll meet again in

94

00:03:54,869 --> 00:03:52,789

so arcane radio and beyond explanation

95

00:03:57,110 --> 00:03:54,879

channels made possible by your liking

96

00:03:59,830 --> 00:03:57,120

subscribing and sharing our programming

97

00:04:01,589 --> 00:03:59,840

super chat donations are essential for

98

00:04:03,429 --> 00:04:01,599

us to continue offering you our new

99

00:04:05,270 --> 00:04:03,439

unique content your consideration is

100

00:04:07,190 --> 00:04:05,280

very much appreciated

101  
00:04:10,229 --> 00:04:07,200  
and needed

102  
00:04:13,429 --> 00:04:10,239  
so tonight i had bucks county paranormal

103  
00:04:15,750 --> 00:04:13,439  
investigations followed by with uh you

104  
00:04:17,349 --> 00:04:15,760  
know follows professional jasmine

105  
00:04:19,830 --> 00:04:17,359  
pianist composer and paranormal

106  
00:04:21,830 --> 00:04:19,840  
investigary mental and his team as they

107  
00:04:23,990 --> 00:04:21,840  
explored the rich history and the

108  
00:04:25,909 --> 00:04:24,000  
mysteries of our nation's most haunted

109  
00:04:28,550 --> 00:04:25,919  
hot spots

110  
00:04:30,390 --> 00:04:28,560  
now each exciting episode is filled with

111  
00:04:32,230 --> 00:04:30,400  
undiscovered clues which the team

112  
00:04:34,070 --> 00:04:32,240  
reveals the public and then unravel to

113  
00:04:35,510 --> 00:04:34,080

put the paranormal puzzle pieces

114

00:04:37,270 --> 00:04:35,520

together

115

00:04:39,189 --> 00:04:37,280

uh each week the team investigates

116

00:04:41,350 --> 00:04:39,199

claims of long-standing mysteries like

117

00:04:43,990 --> 00:04:41,360

ghosts full body apparitions ufo

118

00:04:45,670 --> 00:04:44,000

encounters bigfoot evidence dogman and

119

00:04:47,350 --> 00:04:45,680

many more monsters

120

00:04:49,430 --> 00:04:47,360

that have baffled and piqued the

121

00:04:51,510 --> 00:04:49,440

public's interest

122

00:04:53,270 --> 00:04:51,520

the team main goal is to search out and

123

00:04:56,629 --> 00:04:53,280

explain their findings with shocking

124

00:04:58,310 --> 00:04:56,639

results in some cases bcpi captures the

125

00:05:00,310 --> 00:04:58,320

highest strangers that accompanies each

126  
00:05:02,710 --> 00:05:00,320  
investigation whether it's a disembodied

127  
00:05:04,629 --> 00:05:02,720  
voice to a translucent aura but

128  
00:05:06,550 --> 00:05:04,639  
full-body apparition evidence of bigfoot

129  
00:05:07,430 --> 00:05:06,560  
and footage of ufos

130  
00:05:10,550 --> 00:05:07,440  
uh

131  
00:05:13,670 --> 00:05:10,560  
bcpi investigates it all now tonight

132  
00:05:15,749 --> 00:05:13,680  
eric is here along with some of his team

133  
00:05:17,909 --> 00:05:15,759  
so folks thanks for joining me this

134  
00:05:20,230 --> 00:05:17,919  
evening hey lon thanks for having us

135  
00:05:21,510 --> 00:05:20,240  
here this is great happy new year thanks

136  
00:05:23,430 --> 00:05:21,520  
happy new year

137  
00:05:25,270 --> 00:05:23,440  
and our condolences about butch too man

138  
00:05:27,749 --> 00:05:25,280

we're really yes

139

00:05:29,830 --> 00:05:27,759

yeah we we appreciate that uh you know

140

00:05:32,230 --> 00:05:29,840

it's tough when you lose a a valued

141

00:05:34,710 --> 00:05:32,240

member of the team so yeah we're very

142

00:05:36,469 --> 00:05:34,720

appreciative of that so eric you've been

143

00:05:37,830 --> 00:05:36,479

with me before why don't you introduce

144

00:05:39,990 --> 00:05:37,840

some of your folks that are with joining

145

00:05:43,029 --> 00:05:40,000

us tonight you got it well we've got

146

00:05:44,550 --> 00:05:43,039

with us from wisconsin our our team

147

00:05:47,270 --> 00:05:44,560

member and our wisconsin branch

148

00:05:49,350 --> 00:05:47,280

researcher ellen collins and we've got

149

00:05:51,350 --> 00:05:49,360

my good buddy dominic satell we've known

150

00:05:53,350 --> 00:05:51,360

each other since high school and he's

151  
00:05:56,469 --> 00:05:53,360  
been on my team for the last what four

152  
00:05:59,029 --> 00:05:56,479  
years now so yep

153  
00:06:01,430 --> 00:05:59,039  
so first of all let's talk about

154  
00:06:03,350 --> 00:06:01,440  
one of your bigger investigations and

155  
00:06:04,870 --> 00:06:03,360  
the one i'm more interested in be honest

156  
00:06:07,029 --> 00:06:04,880  
with you is the

157  
00:06:09,590 --> 00:06:07,039  
the beast of beret road the upright

158  
00:06:12,950 --> 00:06:09,600  
canine settings out in southern south

159  
00:06:14,230 --> 00:06:12,960  
central south central wisconsin

160  
00:06:15,670 --> 00:06:14,240  
uh

161  
00:06:17,990 --> 00:06:15,680  
you know i'm going to hand it over to

162  
00:06:20,950 --> 00:06:18,000  
you tell us what you found some of the

163  
00:06:23,189 --> 00:06:20,960

anecdotes that come along with it and uh

164

00:06:25,909 --> 00:06:23,199

you know it was going in absolutely

165

00:06:27,670 --> 00:06:25,919

amazing investigation um i will start

166

00:06:29,270 --> 00:06:27,680

and i know ellen and dominic are going

167

00:06:32,469 --> 00:06:29,280

to chime in here too

168

00:06:34,790 --> 00:06:32,479

um i'll start off by saying um ellen is

169

00:06:36,629 --> 00:06:34,800

the reason why this uh video and this

170

00:06:38,390 --> 00:06:36,639

investigation came out

171

00:06:40,870 --> 00:06:38,400

um she made it happen not only

172

00:06:42,390 --> 00:06:40,880

financially but she's made it happen uh

173

00:06:44,309 --> 00:06:42,400

she had said you know we should do a

174

00:06:47,029 --> 00:06:44,319

video on the beast of bray road because

175

00:06:49,189 --> 00:06:47,039

she's been researching that for years

176

00:06:51,909 --> 00:06:49,199

and i had always heard about this this

177

00:06:53,830 --> 00:06:51,919

creature but i never really knew about

178

00:06:55,029 --> 00:06:53,840

you know the inner workings of what this

179

00:06:57,270 --> 00:06:55,039

thing is

180

00:06:58,629 --> 00:06:57,280

and uh so ellen did some research and we

181

00:07:00,230 --> 00:06:58,639

talked about it and that we came up with

182

00:07:01,029 --> 00:07:00,240

this investigation

183

00:07:02,790 --> 00:07:01,039

uh

184

00:07:05,510 --> 00:07:02,800

prior about maybe

185

00:07:08,550 --> 00:07:05,520

a few months prior to us going there i

186

00:07:10,150 --> 00:07:08,560

had seen a program uh on the beast debre

187

00:07:11,430 --> 00:07:10,160

road it was on the travel channel and

188

00:07:13,110 --> 00:07:11,440

lee hampel

189

00:07:14,070 --> 00:07:13,120  
was being interviewed

190

00:07:17,589 --> 00:07:14,080  
and

191

00:07:19,909 --> 00:07:17,599  
something told me to reach out to lee

192

00:07:22,070 --> 00:07:19,919  
because he looked like a really just he

193

00:07:23,830 --> 00:07:22,080  
and now knowingly he's a great guy yeah

194

00:07:26,150 --> 00:07:23,840  
it was something just to reach out to

195

00:07:27,589 --> 00:07:26,160  
him and say you know this is something

196

00:07:29,350 --> 00:07:27,599  
i'm interested in would you be

197

00:07:30,469 --> 00:07:29,360  
interested in us coming out to an

198

00:07:32,230 --> 00:07:30,479  
investigation

199

00:07:34,469 --> 00:07:32,240  
well after talking with him and him

200

00:07:36,710 --> 00:07:34,479  
showing me pictures that night of some

201  
00:07:39,029 --> 00:07:36,720  
of the stuff that he's he's had on the

202  
00:07:41,670 --> 00:07:39,039  
property it was it just blew my mind

203  
00:07:42,950 --> 00:07:41,680  
right there so fast forward you know a

204  
00:07:43,830 --> 00:07:42,960  
few months later

205  
00:07:45,749 --> 00:07:43,840  
um

206  
00:07:49,110 --> 00:07:45,759  
here we are uh and we're out in

207  
00:07:51,029 --> 00:07:49,120  
wisconsin and it was absolutely just

208  
00:07:52,950 --> 00:07:51,039  
mind-blowing uh we didn't know what we

209  
00:07:53,990 --> 00:07:52,960  
were getting ourselves into

210  
00:07:56,469 --> 00:07:54,000  
um

211  
00:07:57,830 --> 00:07:56,479  
and to be honest with you i mean just i

212  
00:08:00,230 --> 00:07:57,840  
i went out there thinking that we

213  
00:08:02,550 --> 00:08:00,240

wouldn't we would not encounter anything

214

00:08:04,869 --> 00:08:02,560

other than the story

215

00:08:07,589 --> 00:08:04,879

well that totally was not the case

216

00:08:09,670 --> 00:08:07,599

because exactly we actually encountered

217

00:08:11,589 --> 00:08:09,680

this creature and i'll get into that in

218

00:08:13,189 --> 00:08:11,599

a minute um but ellen i don't know if

219

00:08:15,670 --> 00:08:13,199

you wanted to say anything but i just i

220

00:08:18,550 --> 00:08:15,680

just want to kind of set it up here um

221

00:08:21,110 --> 00:08:18,560

and then so we went out to

222

00:08:23,670 --> 00:08:21,120

lee's property we talked to lee prior to

223

00:08:25,189 --> 00:08:23,680

this but we went out it was october 2nd

224

00:08:28,230 --> 00:08:25,199

through the 4th

225

00:08:30,790 --> 00:08:28,240

and it just so happens on october 2nd

226

00:08:33,509 --> 00:08:30,800

they had the very first annual beast of

227

00:08:36,230 --> 00:08:33,519

railroad convention that donna fink had

228

00:08:37,670 --> 00:08:36,240

put on and they were putting it um on at

229

00:08:40,389 --> 00:08:37,680

lee's farm

230

00:08:43,110 --> 00:08:40,399

amazing and got a chance to talk to a

231

00:08:44,389 --> 00:08:43,120

lot of people that had their encounters

232

00:08:47,590 --> 00:08:44,399

and uh

233

00:08:49,190 --> 00:08:47,600

so uh so that's part of the story there

234

00:08:50,790 --> 00:08:49,200

um you know i don't want to give away

235

00:08:52,949 --> 00:08:50,800

too much right now

236

00:08:56,310 --> 00:08:52,959

i know with dominic

237

00:08:58,870 --> 00:08:56,320

dominic is a uh spirit medium and i know

238

00:09:00,790 --> 00:08:58,880

that your wheelhouse right dom it was

239

00:09:02,710 --> 00:09:00,800

absolutely i mean

240

00:09:05,590 --> 00:09:02,720

i've been on investigations before for

241

00:09:07,990 --> 00:09:05,600

bigfoot and and other things but i mean

242

00:09:10,550 --> 00:09:08,000

this this was something you know we were

243

00:09:13,990 --> 00:09:10,560

in the middle of it and it just

244

00:09:16,630 --> 00:09:14,000

absolutely overwhelmed me um and it

245

00:09:19,190 --> 00:09:16,640

overwhelmed eric and ellen and scott our

246

00:09:21,269 --> 00:09:19,200

drone operator i mean just and the

247

00:09:22,630 --> 00:09:21,279

cameraman i mean it just absolutely just

248

00:09:23,750 --> 00:09:22,640

blew us away

249

00:09:25,430 --> 00:09:23,760

i think we're gonna have i think we're

250

00:09:27,350 --> 00:09:25,440

gonna have scott on maybe a little bit i

251

00:09:29,590 --> 00:09:27,360

don't know if he got in here or not but

252

00:09:31,110 --> 00:09:29,600

i don't know i think he's trying yeah

253

00:09:33,269 --> 00:09:31,120

but uh so

254

00:09:35,350 --> 00:09:33,279

and then ellen was really that like i

255

00:09:37,190 --> 00:09:35,360

said was really the impetus for us

256

00:09:38,710 --> 00:09:37,200

getting getting this together because

257

00:09:40,630 --> 00:09:38,720

she's been doing a lot of research on

258

00:09:41,509 --> 00:09:40,640

the on the beast degree road

259

00:09:42,310 --> 00:09:41,519

and

260

00:09:44,470 --> 00:09:42,320

it

261

00:09:46,630 --> 00:09:44,480

turns out that this has been going on

262

00:09:48,630 --> 00:09:46,640

since the 30s people have been seeing

263

00:09:50,949 --> 00:09:48,640

this creature but there was a long

264

00:09:53,350 --> 00:09:50,959

period of time that people didn't talk

265

00:09:54,470 --> 00:09:53,360

about it and the reason why they didn't

266

00:09:56,710 --> 00:09:54,480

want to talk back is they didn't want to

267

00:09:59,030 --> 00:09:56,720

get ridiculed and this is why a lot of

268

00:10:01,269 --> 00:09:59,040

reports you don't hear

269

00:10:03,670 --> 00:10:01,279

in the you know in the 50s 60s but then

270

00:10:06,310 --> 00:10:03,680

it had another resurgence in the 90s

271

00:10:08,470 --> 00:10:06,320

thanks to linda godfrey with her books

272

00:10:10,710 --> 00:10:08,480

and uh and then

273

00:10:12,790 --> 00:10:10,720

now people are more you know you know

274

00:10:14,150 --> 00:10:12,800

how it is it's like even 10 years ago

275

00:10:15,030 --> 00:10:14,160

people wouldn't even talk about it but

276

00:10:16,790 --> 00:10:15,040

now

277

00:10:19,670 --> 00:10:16,800

with the government disclosure of the

278

00:10:21,750 --> 00:10:19,680

ufo phenomena and everything a lot more

279

00:10:24,470 --> 00:10:21,760

people are more open-minded to

280

00:10:26,310 --> 00:10:24,480

ghosts bigfoot everything and

281

00:10:27,829 --> 00:10:26,320

to be honest with you

282

00:10:29,990 --> 00:10:27,839

encountering what we encountered out

283

00:10:31,829 --> 00:10:30,000

there changed my whole perspective on

284

00:10:33,750 --> 00:10:31,839

the cryptid

285

00:10:36,069 --> 00:10:33,760

out there because there is definitely

286

00:10:38,470 --> 00:10:36,079

and we all saw it and heard it there's

287

00:10:40,630 --> 00:10:38,480

something out there on that property and

288

00:10:41,590 --> 00:10:40,640

um and so

289

00:10:46,710 --> 00:10:41,600

the

290

00:10:49,030 --> 00:10:46,720

got into town and we took we basically

291

00:10:51,750 --> 00:10:49,040

talked to a lot of people

292

00:10:53,670 --> 00:10:51,760

and uh and also if my memory you know

293

00:10:55,030 --> 00:10:53,680

gets off track here get me back on track

294

00:10:59,110 --> 00:10:55,040

guys um

295

00:11:00,550 --> 00:10:59,120

and we went to uh donna's uh convention

296

00:11:01,350 --> 00:11:00,560

uh we didn't talk to a lot of people

297

00:11:03,350 --> 00:11:01,360

there

298

00:11:05,030 --> 00:11:03,360

um but we talked to them after or

299

00:11:06,630 --> 00:11:05,040

actually i think before the convention

300

00:11:08,870 --> 00:11:06,640

started

301  
00:11:09,750 --> 00:11:08,880  
right on bray road as a matter of fact

302  
00:11:14,790 --> 00:11:09,760  
which

303  
00:11:16,389 --> 00:11:14,800  
even you can't even park your car on

304  
00:11:18,230 --> 00:11:16,399  
bray road they'll

305  
00:11:20,069 --> 00:11:18,240  
the police come right and get you out of

306  
00:11:21,829 --> 00:11:20,079  
there but we were there for like an hour

307  
00:11:23,910 --> 00:11:21,839  
two hours

308  
00:11:25,110 --> 00:11:23,920  
the sheriff came up he just wanted to

309  
00:11:26,630 --> 00:11:25,120  
know what we were doing we said we're

310  
00:11:28,150 --> 00:11:26,640  
just doing some documentary we're doing

311  
00:11:30,790 --> 00:11:28,160  
some interviews he was like okay cool

312  
00:11:35,110 --> 00:11:32,870  
we were flying scott had his drone in

313  
00:11:38,150 --> 00:11:35,120

the air and we're standing on the side

314

00:11:40,310 --> 00:11:38,160

of the road when you know the he came up

315

00:11:42,949 --> 00:11:40,320

the officer and it was just i mean he

316

00:11:45,110 --> 00:11:42,959

was just like okay no big deal

317

00:11:48,230 --> 00:11:45,120

for the first thing that we saw when

318

00:11:49,110 --> 00:11:48,240

scott was doing his drone work was

319

00:11:52,550 --> 00:11:49,120

this

320

00:11:55,269 --> 00:11:52,560

so there are huge

321

00:11:57,269 --> 00:11:55,279

cutouts the corn happened to be up it

322

00:11:59,829 --> 00:11:57,279

still happened to be up at that yeah

323

00:12:01,750 --> 00:11:59,839

yeah and when we

324

00:12:03,990 --> 00:12:01,760

scott took the drone up

325

00:12:07,190 --> 00:12:04,000

and lawn this is unbelievable there were

326

00:12:09,030 --> 00:12:07,200

thick cutouts in the corn

327

00:12:11,269 --> 00:12:09,040

going from bray road

328

00:12:13,509 --> 00:12:11,279

over to lee's property

329

00:12:15,509 --> 00:12:13,519

across the road and then going down into

330

00:12:17,509 --> 00:12:15,519

the quarry yeah

331

00:12:20,150 --> 00:12:17,519

towards the quarry and it was going down

332

00:12:22,310 --> 00:12:20,160

to where the the creek bed was where

333

00:12:24,629 --> 00:12:22,320

there was like a little stream

334

00:12:27,030 --> 00:12:24,639

so this was not a vehicle nothing like

335

00:12:28,470 --> 00:12:27,040

that was but these were wide swaths of

336

00:12:29,990 --> 00:12:28,480

the corn being knocked down so

337

00:12:33,670 --> 00:12:30,000

something's going through there that's

338

00:12:36,150 --> 00:12:33,680

average on a regular basis too

339

00:12:38,069 --> 00:12:36,160

that's quite the path yeah yeah and the

340

00:12:41,190 --> 00:12:38,079

thing with the path was is that you know

341

00:12:43,670 --> 00:12:41,200

it was it was wide but there were corn

342

00:12:45,750 --> 00:12:43,680

stalks in the middle still growing so if

343

00:12:47,430 --> 00:12:45,760

it was a vehicle the corn stalks all

344

00:12:48,150 --> 00:12:47,440

would have been knocked down and they

345

00:12:51,269 --> 00:12:48,160

weren't

346

00:12:54,069 --> 00:12:51,279

yeah that was odd yeah um

347

00:12:56,870 --> 00:12:54,079

i know hasn't the the beast been seen

348

00:12:57,590 --> 00:12:56,880

over at the quarry too yeah yes

349

00:13:02,389 --> 00:12:57,600

yeah

350

00:13:04,470 --> 00:13:02,399

that was saturday we were doing some

351  
00:13:06,710 --> 00:13:04,480  
drone work and got all that uh evidence

352  
00:13:09,030 --> 00:13:06,720  
there which was just already we're like

353  
00:13:11,990 --> 00:13:09,040  
wow what's going on here already

354  
00:13:13,990 --> 00:13:12,000  
then we go over and uh we talked uh to

355  
00:13:15,990 --> 00:13:14,000  
leo actually we talked to elise brother

356  
00:13:18,230 --> 00:13:16,000  
fred hampel yep

357  
00:13:19,110 --> 00:13:18,240  
great guy phenomenal guy

358  
00:13:20,389 --> 00:13:19,120  
uh

359  
00:13:23,430 --> 00:13:20,399  
was an ibm

360  
00:13:25,430 --> 00:13:23,440  
uh guy computer guy you know had no

361  
00:13:28,389 --> 00:13:25,440  
interest in cryptids nothing of the

362  
00:13:30,790 --> 00:13:28,399  
paranormal was a complete skeptic

363  
00:13:33,350 --> 00:13:30,800

but then after what lee was encountering

364

00:13:36,389 --> 00:13:33,360

and what he encountered himself on the

365

00:13:38,389 --> 00:13:36,399

property he's a total believer now

366

00:13:39,509 --> 00:13:38,399

they're getting they're getting seven

367

00:13:44,790 --> 00:13:39,519

pad

368

00:13:48,150 --> 00:13:44,800

uh prints on the property yeah which

369

00:13:51,350 --> 00:13:48,160

nothing is is there that has seven pat

370

00:13:52,710 --> 00:13:51,360

or seven toad creature and five pets

371

00:13:54,870 --> 00:13:52,720

um well

372

00:13:56,629 --> 00:13:54,880

and it's also it's bipedal it you know

373

00:13:58,629 --> 00:13:56,639

it's bipedal it's there's

374

00:14:01,670 --> 00:13:58,639

just one after the other it's not four

375

00:14:04,470 --> 00:14:01,680

legs it's two legs the the pictures that

376

00:14:07,269 --> 00:14:04,480

lee showed us the video i mean weird

377

00:14:10,389 --> 00:14:07,279

lights on the property at night uh

378

00:14:13,590 --> 00:14:10,399

he has tracks in the snow going from one

379

00:14:15,750 --> 00:14:13,600

track straight ahead morphing into two

380

00:14:17,509 --> 00:14:15,760

yeah two tracks just like this so

381

00:14:19,430 --> 00:14:17,519

something walking ahead of itself and

382

00:14:21,910 --> 00:14:19,440

then it just morphs into so that that in

383

00:14:24,069 --> 00:14:21,920

itself was was mind-blowing uh but we

384

00:14:26,069 --> 00:14:24,079

talked to fred and uh

385

00:14:27,430 --> 00:14:26,079

lee has a lot of trail cams down there

386

00:14:29,670 --> 00:14:27,440

so leah's got

387

00:14:32,230 --> 00:14:29,680

thousands and thousands of pictures

388

00:14:33,110 --> 00:14:32,240

of this creature not only the creature

389

00:14:34,470 --> 00:14:33,120

but

390

00:14:37,269 --> 00:14:34,480

weird lights

391

00:14:39,910 --> 00:14:37,279

a strange mist

392

00:14:42,150 --> 00:14:39,920

very strange mist and this is something

393

00:14:44,069 --> 00:14:42,160

i'm sure you know about this lawn when

394

00:14:45,110 --> 00:14:44,079

you see a big when you have a bigfoot

395

00:14:47,110 --> 00:14:45,120

encounter

396

00:14:49,590 --> 00:14:47,120

you've also got this mist that happens

397

00:14:51,030 --> 00:14:49,600

for some odd reason

398

00:14:55,110 --> 00:14:51,040

do you get a lot of reports like that

399

00:14:56,870 --> 00:14:55,120

too yeah they seem to be um

400

00:14:58,949 --> 00:14:56,880

you know i i personally believe that

401  
00:15:01,590 --> 00:14:58,959  
most cryptids and that includes bigfoot

402  
00:15:04,069 --> 00:15:01,600  
and you know wing humanoids and even

403  
00:15:06,470 --> 00:15:04,079  
upright canines have got

404  
00:15:09,910 --> 00:15:06,480  
supernatural aspects to them that they

405  
00:15:11,590 --> 00:15:09,920  
may actually be able to manifest into

406  
00:15:14,470 --> 00:15:11,600  
something else or

407  
00:15:15,670 --> 00:15:14,480  
you know vanish or somehow i i do

408  
00:15:17,269 --> 00:15:15,680  
believe that

409  
00:15:20,150 --> 00:15:17,279  
where they go do they go into the

410  
00:15:21,590 --> 00:15:20,160  
dimensions or do they are able to cloak

411  
00:15:23,110 --> 00:15:21,600  
themselves something i don't know what

412  
00:15:25,269 --> 00:15:23,120  
it is

413  
00:15:28,470 --> 00:15:25,279

i um but i believe

414

00:15:30,389 --> 00:15:28,480

from some of the things i have heard

415

00:15:31,910 --> 00:15:30,399

around brave and around that part of

416

00:15:33,430 --> 00:15:31,920

wisconsin

417

00:15:35,509 --> 00:15:33,440

that uh

418

00:15:37,350 --> 00:15:35,519

that's what's going on

419

00:15:39,590 --> 00:15:37,360

that's what i and i had said that to lee

420

00:15:41,749 --> 00:15:39,600

i said we said to lee i said the other

421

00:15:44,550 --> 00:15:41,759

thing about his property is

422

00:15:46,069 --> 00:15:44,560

could this be a portal

423

00:15:47,990 --> 00:15:46,079

some kind of like

424

00:15:49,350 --> 00:15:48,000

portal area where

425

00:15:51,590 --> 00:15:49,360

things are happening on the property and

426

00:15:53,269 --> 00:15:51,600

he he absolutely believes that that

427

00:15:55,350 --> 00:15:53,279

that's the case because he's even got

428

00:15:57,189 --> 00:15:55,360

pictures that he showed us but we

429

00:15:59,749 --> 00:15:57,199

weren't really allowed to get them on on

430

00:16:00,870 --> 00:15:59,759

the video right of portals he's got

431

00:16:03,110 --> 00:16:00,880

pictures of

432

00:16:05,350 --> 00:16:03,120

something there in the doorway of this

433

00:16:07,990 --> 00:16:05,360

particular photo and it was like it was

434

00:16:10,310 --> 00:16:08,000

like an orb and inside that orb was a

435

00:16:11,189 --> 00:16:10,320

doorway and you could you could actually

436

00:16:13,509 --> 00:16:11,199

see

437

00:16:15,509 --> 00:16:13,519

something there

438

00:16:16,710 --> 00:16:15,519

some kind of figure yeah it looked like

439

00:16:19,590 --> 00:16:16,720

a creature so

440

00:16:21,189 --> 00:16:19,600

that was so all of the stuff that any

441

00:16:23,350 --> 00:16:21,199

and he's been doing all kinds of

442

00:16:26,069 --> 00:16:23,360

scientific experiments um on the

443

00:16:28,710 --> 00:16:26,079

property too yep um being that he's a

444

00:16:30,790 --> 00:16:28,720

teacher that's like his background

445

00:16:33,350 --> 00:16:30,800

he's trying to you know disprove what's

446

00:16:36,069 --> 00:16:33,360

going on but he's getting so much proof

447

00:16:39,030 --> 00:16:36,079

he's like how can i disprove what what

448

00:16:41,350 --> 00:16:39,040

i'm proving exactly i know and him and

449

00:16:42,550 --> 00:16:41,360

fred hey man for oh yeah yeah yeah

450

00:16:43,430 --> 00:16:42,560

you're doing it

451  
00:16:44,629 --> 00:16:43,440  
so

452  
00:16:46,629 --> 00:16:44,639  
um this

453  
00:16:48,069 --> 00:16:46,639  
so saturday was a good day saturday we

454  
00:16:50,389 --> 00:16:48,079  
had a really good day

455  
00:16:52,949 --> 00:16:50,399  
and uh it's talked to a lot of people

456  
00:16:55,749 --> 00:16:52,959  
we went to uh well eric don't don't

457  
00:16:57,509 --> 00:16:55,759  
forget when we were there saturday he we

458  
00:16:59,509 --> 00:16:57,519  
were able to drive down

459  
00:17:00,629 --> 00:16:59,519  
right right into the back and we had

460  
00:17:03,430 --> 00:17:00,639  
scott

461  
00:17:05,909 --> 00:17:03,440  
put up his drone oh that's right so

462  
00:17:07,590 --> 00:17:05,919  
that's right scott had the drone and the

463  
00:17:09,669 --> 00:17:07,600

the thing that lee's been having a lot

464

00:17:11,829 --> 00:17:09,679

of problems on on the property is he's

465

00:17:13,189 --> 00:17:11,839

getting a lot of electronic disturbances

466

00:17:14,789 --> 00:17:13,199

on the property

467

00:17:17,669 --> 00:17:14,799

so scott

468

00:17:20,630 --> 00:17:17,679

has i mean scott's drones this is no

469

00:17:21,829 --> 00:17:20,640

just ordinary drone opera he is like

470

00:17:25,669 --> 00:17:21,839

cutting edge

471

00:17:26,870 --> 00:17:25,679

um it's uh phantom flights f what is it

472

00:17:29,270 --> 00:17:26,880

yeah

473

00:17:30,710 --> 00:17:29,280

that's his company i mean he's just like

474

00:17:33,270 --> 00:17:30,720

zipping around

475

00:17:35,750 --> 00:17:33,280

he wears a virtual reality glasses in

476  
00:17:38,870 --> 00:17:35,760  
order to see where he's going well this

477  
00:17:40,789 --> 00:17:38,880  
particular time he's looking for us and

478  
00:17:41,750 --> 00:17:40,799  
we disappeared from the screen in the

479  
00:17:43,830 --> 00:17:41,760  
field

480  
00:17:46,950 --> 00:17:43,840  
yep he couldn't find us

481  
00:17:49,430 --> 00:17:46,960  
yeah so this is another this is another

482  
00:17:51,830 --> 00:17:49,440  
anomaly that happened where we're again

483  
00:17:53,750 --> 00:17:51,840  
we're talking about that portal

484  
00:17:55,669 --> 00:17:53,760  
what's going on there what is there's

485  
00:17:57,510 --> 00:17:55,679  
some kind of a veil there that something

486  
00:17:59,270 --> 00:17:57,520  
there there's something there and he

487  
00:18:01,110 --> 00:17:59,280  
basically couldn't find us and then he

488  
00:18:03,430 --> 00:18:01,120

write it himself and he was able to find

489

00:18:06,070 --> 00:18:03,440

us but it was something that like that

490

00:18:07,830 --> 00:18:06,080

never happened to him yeah and it was

491

00:18:09,430 --> 00:18:07,840

just a very very strange thing that was

492

00:18:11,430 --> 00:18:09,440

the first thing that was like

493

00:18:13,669 --> 00:18:11,440

that was the very first thing you know

494

00:18:15,350 --> 00:18:13,679

went down there uh lee showed us the

495

00:18:17,029 --> 00:18:15,360

property lisa showed us the area that

496

00:18:19,190 --> 00:18:17,039

he's been getting a lot of activity on

497

00:18:20,950 --> 00:18:19,200

so we went down there talked about it

498

00:18:22,950 --> 00:18:20,960

um and all of this is in our video it's

499

00:18:25,270 --> 00:18:22,960

called the beast of gray road alive and

500

00:18:26,630 --> 00:18:25,280

well i i really encourage people to go

501  
00:18:30,390 --> 00:18:26,640  
check that out because there is just a

502  
00:18:32,950 --> 00:18:30,400  
lot on there um but then so

503  
00:18:34,549 --> 00:18:32,960  
so we get down there and uh leigh's

504  
00:18:35,909 --> 00:18:34,559  
talking to us about that we're talking

505  
00:18:38,870 --> 00:18:35,919  
about portals

506  
00:18:42,549 --> 00:18:38,880  
and i think right after that we went to

507  
00:18:44,230 --> 00:18:42,559  
uh the restaurant i think that yeah i

508  
00:18:47,029 --> 00:18:44,240  
think so um

509  
00:18:47,830 --> 00:18:47,039  
and so we went to a restaurant and

510  
00:18:49,830 --> 00:18:47,840  
we

511  
00:18:52,549 --> 00:18:49,840  
earlier in the day i think

512  
00:18:56,230 --> 00:18:52,559  
right uh after we talked to lee

513  
00:18:57,110 --> 00:18:56,240

we had had steak bones the night before

514

00:19:01,590 --> 00:18:57,120

and

515

00:19:04,230 --> 00:19:01,600

it okay if we bait the area yeah could

516

00:19:04,950 --> 00:19:04,240

we bait the area state boats go

517

00:19:07,669 --> 00:19:04,960

i

518

00:19:09,909 --> 00:19:07,679

try that

519

00:19:11,350 --> 00:19:09,919

so what state we put stake bones in that

520

00:19:13,990 --> 00:19:11,360

area that he's been getting a lot of the

521

00:19:16,630 --> 00:19:14,000

activity yeah and i think donna i think

522

00:19:19,190 --> 00:19:16,640

dominic and i found a uh founder we

523

00:19:20,710 --> 00:19:19,200

found two footprints

524

00:19:23,430 --> 00:19:20,720

when we were baiting the area we found

525

00:19:25,990 --> 00:19:23,440

the footprints yeah um so we left it

526

00:19:27,830 --> 00:19:26,000

there and then as we're driving back we

527

00:19:30,150 --> 00:19:27,840

had these uh four-wheelers going back to

528

00:19:31,270 --> 00:19:30,160

lee's property ellen's in her truck

529

00:19:33,350 --> 00:19:31,280

behind us

530

00:19:35,190 --> 00:19:33,360

and we're just and one thought's going

531

00:19:37,350 --> 00:19:35,200

through my head i'm like was baiting

532

00:19:39,430 --> 00:19:37,360

that area with steak bones a good or bad

533

00:19:41,750 --> 00:19:39,440

idea

534

00:19:43,990 --> 00:19:41,760

and we've and

535

00:19:45,510 --> 00:19:44,000

it was not a good it was not good yeah

536

00:19:47,270 --> 00:19:45,520

that's the one of the footprints that's

537

00:19:48,310 --> 00:19:47,280

one of the footprints right there

538

00:19:50,870 --> 00:19:48,320

yeah

539

00:19:52,950 --> 00:19:50,880

amazing and uh everyone that's looked at

540

00:19:55,590 --> 00:19:52,960

this can't figure it out because it's

541

00:19:57,750 --> 00:19:55,600

just something that's just not natural

542

00:19:59,669 --> 00:19:57,760

how wide was that

543

00:20:02,149 --> 00:19:59,679

oh man it was what did he say it was

544

00:20:05,750 --> 00:20:02,159

like three by three by four three by

545

00:20:07,190 --> 00:20:05,760

five five something like that five

546

00:20:08,230 --> 00:20:07,200

bigger than the hand print like your

547

00:20:11,510 --> 00:20:08,240

hand

548

00:20:14,470 --> 00:20:11,520

um

549

00:20:16,789 --> 00:20:14,480

yeah and it and that dirt was pretty

550

00:20:18,830 --> 00:20:16,799

solid so that actually put some put some

551  
00:20:21,590 --> 00:20:18,840  
weight into it

552  
00:20:23,750 --> 00:20:21,600  
yeah that's a creature yeah

553  
00:20:26,630 --> 00:20:23,760  
uh the other thing is lee showed us some

554  
00:20:28,789 --> 00:20:26,640  
unbelievable pictures to hair samples

555  
00:20:30,149 --> 00:20:28,799  
the hair samples that he caught or that

556  
00:20:32,549 --> 00:20:30,159  
he has

557  
00:20:35,430 --> 00:20:32,559  
they they're translucent under the

558  
00:20:37,909 --> 00:20:35,440  
microscope there's no mendula in the in

559  
00:20:40,230 --> 00:20:37,919  
the hair yeah that's similar to bigfoot

560  
00:20:41,669 --> 00:20:40,240  
exactly yeah i thought myself and i'm

561  
00:20:43,830 --> 00:20:41,679  
thinking to myself well

562  
00:20:46,230 --> 00:20:43,840  
could this be some kind of a cloaking

563  
00:20:48,230 --> 00:20:46,240

device could this be how

564

00:20:49,669 --> 00:20:48,240

they can cloak themselves you know like

565

00:20:50,710 --> 00:20:49,679

when you're in the woods and you see a

566

00:20:55,830 --> 00:20:50,720

deer

567

00:20:57,909 --> 00:20:55,840

that you almost hardly see it

568

00:20:59,590 --> 00:20:57,919

i'm thinking it's some similar to that

569

00:21:01,029 --> 00:20:59,600

where it could be right there in front

570

00:21:04,230 --> 00:21:01,039

of you but you don't you just can't see

571

00:21:05,350 --> 00:21:04,240

it you know okay so that was one of the

572

00:21:06,230 --> 00:21:05,360

things there

573

00:21:08,710 --> 00:21:06,240

um

574

00:21:10,870 --> 00:21:08,720

we went to the restaurant and uh we

575

00:21:12,710 --> 00:21:10,880

actually were approached by a couple

576

00:21:14,630 --> 00:21:12,720

i mean we didn't even lan we didn't even

577

00:21:16,549 --> 00:21:14,640

need to talk to anybody they were coming

578

00:21:17,990 --> 00:21:16,559

to us

579

00:21:19,590 --> 00:21:18,000

while we were walking around with our

580

00:21:22,070 --> 00:21:19,600

shirts on and

581

00:21:23,510 --> 00:21:22,080

all our investigative things and people

582

00:21:26,630 --> 00:21:23,520

were just coming up to us on the

583

00:21:28,630 --> 00:21:26,640

airplane in the airport

584

00:21:29,990 --> 00:21:28,640

it was wild but we got to the restaurant

585

00:21:33,270 --> 00:21:30,000

and people were just telling us their

586

00:21:35,430 --> 00:21:33,280

story yeah and it was amazing and this

587

00:21:37,669 --> 00:21:35,440

couple uh came up to me and i said hey

588

00:21:39,430 --> 00:21:37,679

is it okay if i get you guys on video so

589

00:21:41,510 --> 00:21:39,440

i took a little cell phone video of her

590

00:21:43,909 --> 00:21:41,520

testimony and they were going down gray

591

00:21:46,630 --> 00:21:43,919

road and they saw this huge like black

592

00:21:48,870 --> 00:21:46,640

thing just going along with their car

593

00:21:50,149 --> 00:21:48,880

like just running along with the car and

594

00:21:52,310 --> 00:21:50,159

it was huge

595

00:21:53,510 --> 00:21:52,320

and uh so

596

00:21:54,870 --> 00:21:53,520

they didn't know what it was they

597

00:21:56,230 --> 00:21:54,880

couldn't figure it out but they said

598

00:21:58,710 --> 00:21:56,240

well do you think we just saw the beast

599

00:22:01,590 --> 00:21:58,720

debris road yeah so

600

00:22:04,230 --> 00:22:01,600

that's how popular this thing is in in

601  
00:22:06,470 --> 00:22:04,240  
elkhorn wisconsin um we actually went

602  
00:22:09,909 --> 00:22:06,480  
down to this guy's house on bray road

603  
00:22:18,149 --> 00:22:09,919  
that has a beautiful sculpture of the of

604  
00:22:22,950 --> 00:22:20,470  
so nobody really had talked to this guy

605  
00:22:24,149 --> 00:22:22,960  
and i dominic and i went up to the house

606  
00:22:27,110 --> 00:22:24,159  
and i knocked on the door and i'm

607  
00:22:29,750 --> 00:22:27,120  
waiting to hear you know

608  
00:22:31,750 --> 00:22:29,760  
but he was totally cool he was like i

609  
00:22:34,390 --> 00:22:31,760  
said we just wanted to take some video

610  
00:22:36,549 --> 00:22:34,400  
of the of your awesome structure and he

611  
00:22:39,190 --> 00:22:36,559  
thought it was cool so he uh and he was

612  
00:22:41,669 --> 00:22:39,200  
a nice guy he turned out this guy

613  
00:22:43,510 --> 00:22:41,679

and he allowed let us take some video

614

00:22:45,909 --> 00:22:43,520

but um

615

00:22:49,029 --> 00:22:45,919

so i want to i'm kind of leading up to

616

00:22:50,950 --> 00:22:49,039

the to the investigation because uh

617

00:22:52,789 --> 00:22:50,960

like the night this this was the night

618

00:22:55,750 --> 00:22:52,799

of october 3rd

619

00:22:58,390 --> 00:22:55,760

yeah and we went to uh we went to lee's

620

00:23:02,230 --> 00:22:58,400

barn so we went to lee's barn again

621

00:23:04,950 --> 00:23:02,240

and he showed us more pictures of a a

622

00:23:07,029 --> 00:23:04,960

lot of really crazy things too how are

623

00:23:09,909 --> 00:23:07,039

thing that this is this is where the

624

00:23:10,710 --> 00:23:09,919

electronic anomaly thing happens here

625

00:23:13,669 --> 00:23:10,720

so

626  
00:23:15,430 --> 00:23:13,679  
he has trail cam pictures that suddenly

627  
00:23:17,990 --> 00:23:15,440  
the years

628  
00:23:19,990 --> 00:23:18,000  
are altered

629  
00:23:21,990 --> 00:23:20,000  
like all of a sudden he's got a picture

630  
00:23:23,430 --> 00:23:22,000  
from 2087.

631  
00:23:25,430 --> 00:23:23,440  
yeah yep

632  
00:23:27,270 --> 00:23:25,440  
right and it was like oh yeah and then

633  
00:23:30,950 --> 00:23:27,280  
they weren't jpegs anymore they were

634  
00:23:32,549 --> 00:23:30,960  
kpegs and z and eggs and yeah the file

635  
00:23:36,070 --> 00:23:32,559  
extension name

636  
00:23:38,070 --> 00:23:36,080  
totally changed within within the folder

637  
00:23:40,390 --> 00:23:38,080  
of where it was storing everything he

638  
00:23:41,909 --> 00:23:40,400

has no he has no idea how that you know

639

00:23:44,710 --> 00:23:41,919

that's interesting because we get the

640

00:23:47,269 --> 00:23:44,720

same phenomena sometimes when we're on

641

00:23:48,710 --> 00:23:47,279

videotape somebody's videotaping ufos

642

00:23:50,789 --> 00:23:48,720

activity

643

00:23:52,630 --> 00:23:50,799

where it gets that same type when people

644

00:23:54,470 --> 00:23:52,640

go back into their files that they got

645

00:23:57,510 --> 00:23:54,480

stored on there and and stuff's been all

646

00:24:00,789 --> 00:23:57,520

screwed up yeah and uh yeah i've seen

647

00:24:03,669 --> 00:24:00,799

jpegs get moved around and get you know

648

00:24:05,590 --> 00:24:03,679

so yeah yeah that's interesting just

649

00:24:07,669 --> 00:24:05,600

just to be out but out in the field

650

00:24:09,430 --> 00:24:07,679

though it's like what's new what's doing

651

00:24:11,110 --> 00:24:09,440

it out there there's nobody out there

652

00:24:13,110 --> 00:24:11,120

yeah that's the whole that's the mystery

653

00:24:16,230 --> 00:24:13,120

here yeah and well the whole thing with

654

00:24:17,350 --> 00:24:16,240

with fred and even lee was saying that

655

00:24:20,470 --> 00:24:17,360

at night

656

00:24:21,990 --> 00:24:20,480

out there yeah everything changes and

657

00:24:23,909 --> 00:24:22,000

you know they they were trying to

658

00:24:25,990 --> 00:24:23,919

prepare us for it and

659

00:24:28,149 --> 00:24:26,000

i don't think we were no way to prepare

660

00:24:30,549 --> 00:24:28,159

us for what yeah so there's no way it

661

00:24:32,870 --> 00:24:30,559

will this time when we go back we'll be

662

00:24:34,870 --> 00:24:32,880

more prepared

663

00:24:37,029 --> 00:24:34,880

yeah i mean but it was just it was weird

664

00:24:40,230 --> 00:24:37,039

i mean that night it was it was

665

00:24:42,470 --> 00:24:40,240

storm was coming in it was all overcast

666

00:24:48,149 --> 00:24:42,480

it was cloudy you could see lightning

667

00:24:51,510 --> 00:24:49,029

yeah

668

00:24:53,350 --> 00:24:51,520

so but it totally it totally when we got

669

00:24:55,669 --> 00:24:53,360

out to the field i said to uh to lee i

670

00:24:57,750 --> 00:24:55,679

said listen thank you so much for for

671

00:24:59,269 --> 00:24:57,760

showing us your photos

672

00:25:01,269 --> 00:24:59,279

it blew our mind i mean we couldn't

673

00:25:02,549 --> 00:25:01,279

believe it and i said to him let's uh

674

00:25:03,990 --> 00:25:02,559

we're going to do an investigation in

675

00:25:06,390 --> 00:25:04,000

the in the field the back said okay with

676

00:25:08,549 --> 00:25:06,400

you he's like absolutely so we went back

677

00:25:10,630 --> 00:25:08,559

there and we took the four-wheelers back

678

00:25:12,310 --> 00:25:10,640

there dominic was afraid that we would

679

00:25:14,310 --> 00:25:12,320

whatever was back there if there was

680

00:25:15,990 --> 00:25:14,320

anything back there we'd scare it off

681

00:25:18,549 --> 00:25:16,000

with the forward

682

00:25:19,669 --> 00:25:18,559

well that theory went out the door

683

00:25:21,669 --> 00:25:19,679

oh yeah

684

00:25:23,350 --> 00:25:21,679

because we get out to the field scott

685

00:25:25,590 --> 00:25:23,360

set up the gopro

686

00:25:36,950 --> 00:25:25,600

ellen you had the truck you were in the

687

00:25:41,190 --> 00:25:39,190

the first thing that happened though lon

688

00:25:43,590 --> 00:25:41,200

scott's go pro

689

00:25:45,029 --> 00:25:43,600

could not he could not get it to link up

690

00:25:46,789 --> 00:25:45,039

yeah

691

00:25:48,789 --> 00:25:46,799

again we're having this electronic thing

692

00:25:51,510 --> 00:25:48,799

happen yeah we couldn't get anything to

693

00:25:53,350 --> 00:25:51,520

record there in that particular area

694

00:25:56,630 --> 00:25:53,360

which had no problem before

695

00:25:58,710 --> 00:25:56,640

yeah so no problem whatsoever before so

696

00:26:00,870 --> 00:25:58,720

um that was the first thing

697

00:26:02,789 --> 00:26:00,880

and then we got together as the team and

698

00:26:05,990 --> 00:26:02,799

usually i like to break up the team and

699

00:26:09,990 --> 00:26:08,230

to cover more area

700

00:26:13,029 --> 00:26:10,000

at this point i said you know what we

701  
00:26:15,110 --> 00:26:13,039  
better just stick together just in case

702  
00:26:16,310 --> 00:26:15,120  
so yeah and yeah

703  
00:26:18,630 --> 00:26:16,320  
i did because

704  
00:26:20,390 --> 00:26:18,640  
i gave ellen our flashlight the radio

705  
00:26:22,950 --> 00:26:20,400  
and literally that's all we had

706  
00:26:23,669 --> 00:26:22,960  
flashlights and radios yeah you know

707  
00:26:26,070 --> 00:26:23,679  
well

708  
00:26:29,190 --> 00:26:26,080  
lee did offer a flare gun if we wanted

709  
00:26:30,710 --> 00:26:29,200  
it yeah and we we should have taken it

710  
00:26:32,310 --> 00:26:30,720  
now we'll be okay you know it's it's

711  
00:26:33,750 --> 00:26:32,320  
fine uh

712  
00:26:35,909 --> 00:26:33,760  
give me the shotgun but he didn't even

713  
00:26:38,070 --> 00:26:35,919

offer that

714

00:26:40,549 --> 00:26:38,080

but that could like we were even saying

715

00:26:42,710 --> 00:26:40,559

that may not have even done anything to

716

00:26:44,789 --> 00:26:42,720

it as well no

717

00:26:46,390 --> 00:26:44,799

uh because i go back to stan gordon's

718

00:26:48,710 --> 00:26:46,400

account of some of the bigfoots the

719

00:26:50,470 --> 00:26:48,720

woman shot at the bigfoot yeah and it

720

00:26:52,230 --> 00:26:50,480

disappeared yeah

721

00:26:53,750 --> 00:26:52,240

you know so i don't know i mean it could

722

00:26:56,310 --> 00:26:53,760

be something like that but

723

00:26:58,950 --> 00:26:56,320

um if it's a flesh and blood creature

724

00:27:01,110 --> 00:26:58,960

you know i mean but so that night we're

725

00:27:03,430 --> 00:27:01,120

out there and uh so we get there

726

00:27:05,990 --> 00:27:03,440

uh dominic i'll let you take the first

727

00:27:07,110 --> 00:27:06,000

piece of this because you're the one

728

00:27:09,190 --> 00:27:07,120

yeah so

729

00:27:10,789 --> 00:27:09,200

you know it's overcast it's cloudy we go

730

00:27:13,190 --> 00:27:10,799

out there to the site

731

00:27:14,710 --> 00:27:13,200

uh we're real close to where we baited

732

00:27:15,750 --> 00:27:14,720

and i look up

733

00:27:18,830 --> 00:27:15,760

and

734

00:27:20,549 --> 00:27:18,840

it the sky is just clear over top of his

735

00:27:22,630 --> 00:27:20,559

field and

736

00:27:25,190 --> 00:27:22,640

as i look up i was like

737

00:27:27,110 --> 00:27:25,200

what the hell is that and eric's like

738

00:27:29,510 --> 00:27:27,120

what and i'm like look and i'm pointing

739

00:27:31,510 --> 00:27:29,520

pointing up to the sky and eric looks up

740

00:27:32,789 --> 00:27:31,520

and he goes what is it and i'm like it's

741

00:27:35,909 --> 00:27:32,799

a ufo

742

00:27:37,590 --> 00:27:35,919

it was just a solid bright white light

743

00:27:40,149 --> 00:27:37,600

right above us and it just started

744

00:27:41,750 --> 00:27:40,159

moving when we saw it

745

00:27:43,669 --> 00:27:41,760

scott

746

00:27:44,950 --> 00:27:43,679

pointed the camera up was able to get it

747

00:27:47,750 --> 00:27:44,960

on camera

748

00:27:49,750 --> 00:27:47,760

and this light just moved and it was

749

00:27:52,230 --> 00:27:49,760

moving quicker than a plane it was

750

00:27:55,190 --> 00:27:52,240

heading directly towards a plane and

751  
00:27:57,110 --> 00:27:55,200  
then made a 45 and disappeared it just

752  
00:28:00,230 --> 00:27:57,120  
totally disappeared and we caught it all

753  
00:28:03,350 --> 00:28:00,240  
on video it's yeah it's all there and i

754  
00:28:06,389 --> 00:28:03,360  
mean it was what maybe maybe 10 to 20

755  
00:28:08,389 --> 00:28:06,399  
seconds tops and well

756  
00:28:10,149 --> 00:28:08,399  
and ellen was saying it was going away

757  
00:28:11,669 --> 00:28:10,159  
from us really fast which it was it was

758  
00:28:14,149 --> 00:28:11,679  
going down yeah

759  
00:28:14,950 --> 00:28:14,159  
and the other thing is it wasn't a plane

760  
00:28:16,470 --> 00:28:14,960  
because

761  
00:28:18,630 --> 00:28:16,480  
all the other planes you could see the

762  
00:28:21,510 --> 00:28:18,640  
planes blinking this was

763  
00:28:23,909 --> 00:28:21,520

just a solid light

764

00:28:27,110 --> 00:28:23,919

so that was the first thing then

765

00:28:28,149 --> 00:28:27,120

the second thing was all of a sudden

766

00:28:29,669 --> 00:28:28,159

we hear

767

00:28:30,789 --> 00:28:29,679

in the distance

768

00:28:32,789 --> 00:28:30,799

a howl

769

00:28:35,750 --> 00:28:32,799

um

770

00:28:38,310 --> 00:28:35,760

or a scream a scream or hell it was very

771

00:28:41,110 --> 00:28:38,320

light in the distance yeah well about

772

00:28:41,990 --> 00:28:41,120

1500 yards maybe a little bit further

773

00:28:44,549 --> 00:28:42,000

away

774

00:28:46,950 --> 00:28:44,559

then we hear a second one

775

00:28:49,269 --> 00:28:46,960

you're the second howl and it's getting

776

00:28:50,950 --> 00:28:49,279

closer and all of a sudden

777

00:28:52,789 --> 00:28:50,960

dominic goes to ellen because ellen you

778

00:28:54,710 --> 00:28:52,799

were kind of like in a you were still

779

00:28:57,190 --> 00:28:54,720

looking at the ufo trying to figure wrap

780

00:28:59,110 --> 00:28:57,200

your head around that yeah and

781

00:29:00,630 --> 00:28:59,120

dominic says are you hearing this

782

00:29:02,710 --> 00:29:00,640

and you're like yeah it's coming from

783

00:29:06,789 --> 00:29:02,720

over there which we later found out

784

00:29:09,110 --> 00:29:06,799

coming from the wetlands area yep yep so

785

00:29:12,310 --> 00:29:09,120

which was only about 300 yards away that

786

00:29:15,430 --> 00:29:12,320

was only got 300 years now we have uh

787

00:29:17,669 --> 00:29:15,440

lavalier very very small lavalier uh

788

00:29:18,870 --> 00:29:17,679

microphones as close because we've close

789

00:29:21,590 --> 00:29:18,880

mic'd ourselves because we didn't want

790

00:29:22,710 --> 00:29:21,600

to get the extraneous sound well those

791

00:29:24,310 --> 00:29:22,720

mics

792

00:29:27,590 --> 00:29:24,320

caught the third

793

00:29:30,470 --> 00:29:27,600

powell which was a scream it was like a

794

00:29:32,710 --> 00:29:30,480

man screaming in the field yeah it did

795

00:29:33,830 --> 00:29:32,720

not it was not a wolf it was not a

796

00:29:36,549 --> 00:29:33,840

coyote

797

00:29:40,230 --> 00:29:36,559

it wasn't a fox it wasn't a screech owl

798

00:29:43,430 --> 00:29:40,240

anything like that this was a guttural

799

00:29:45,510 --> 00:29:43,440

scream that just went for a long time

800

00:29:47,750 --> 00:29:45,520

yeah it sounded like a train i mean it

801

00:29:51,990 --> 00:29:47,760

sounded like it what a train would do

802

00:29:56,549 --> 00:29:53,750

and that's why we think there might have

803

00:29:58,230 --> 00:29:56,559

been more than one because you know yeah

804

00:29:59,669 --> 00:29:58,240

i think they were either communicating

805

00:30:02,149 --> 00:29:59,679

with each other

806

00:30:04,710 --> 00:30:02,159

thinking about it yes yeah

807

00:30:06,870 --> 00:30:04,720

that scared us yeah it was it was just

808

00:30:08,549 --> 00:30:06,880

it was really an unnerving sound and it

809

00:30:11,750 --> 00:30:08,559

wasn't a dog either you know you'd think

810

00:30:14,070 --> 00:30:11,760

it could be a dog but it wasn't a dog

811

00:30:15,830 --> 00:30:14,080

i know it brought that fear factor back

812

00:30:17,990 --> 00:30:15,840

into me because i when i was younger i

813

00:30:20,470 --> 00:30:18,000

got attacked by two dobermans

814

00:30:22,789 --> 00:30:20,480

and i knew that fear like when you know

815

00:30:24,389 --> 00:30:22,799

that factor there i heard that i was

816

00:30:25,750 --> 00:30:24,399

like whoa that was like that feeling

817

00:30:26,950 --> 00:30:25,760

again so

818

00:30:29,350 --> 00:30:26,960

uh

819

00:30:31,590 --> 00:30:29,360

and then suddenly we hear a lot of

820

00:30:33,750 --> 00:30:31,600

rustling going on behind us

821

00:30:35,430 --> 00:30:33,760

right so a lot of people a lot of people

822

00:30:38,389 --> 00:30:35,440

are saying well why don't you guys stay

823

00:30:43,350 --> 00:30:40,950

we had nothing to be there we had

824

00:30:45,029 --> 00:30:43,360

nothing to protect ourselves yeah and we

825

00:30:47,029 --> 00:30:45,039

were hearing this like rustling sound

826

00:30:48,470 --> 00:30:47,039

going on behind us but we stayed out

827

00:30:50,710 --> 00:30:48,480

there for more than we probably should

828

00:30:53,029 --> 00:30:50,720

have we were out there yeah maybe

829

00:30:55,830 --> 00:30:53,039

30 minutes and it was and it was right

830

00:30:58,549 --> 00:30:55,840

after right after that third howl

831

00:31:00,230 --> 00:30:58,559

eric you noticed the mist

832

00:31:02,310 --> 00:31:00,240

that was the third yeah the third thing

833

00:31:04,230 --> 00:31:02,320

which which was crazy wait a minute

834

00:31:05,670 --> 00:31:04,240

before the mist that's when i went and

835

00:31:08,070 --> 00:31:05,680

did the truck diving

836

00:31:10,950 --> 00:31:08,080

[Laughter]

837

00:31:13,029 --> 00:31:10,960

after that second hal

838

00:31:15,990 --> 00:31:13,039

lon you never you ever want to see him

839

00:31:18,230 --> 00:31:16,000

do some truck diving that was ellen man

840

00:31:19,750 --> 00:31:18,240

we wanted to just get back to the truck

841

00:31:23,669 --> 00:31:19,760

she dove in the truck and locked the

842

00:31:25,590 --> 00:31:23,679

door she locked her son outside

843

00:31:28,470 --> 00:31:25,600

scott was still filming and he's like

844

00:31:32,160 --> 00:31:30,630

and so and then i kept thinking you know

845

00:31:45,590 --> 00:31:32,170

well

846

00:31:51,830 --> 00:31:48,149

god bless him because he he filmed the

847

00:31:53,990 --> 00:31:51,840

entire time and didn't flinch i'm like

848

00:31:55,110 --> 00:31:54,000

that's a cameraman

849

00:31:58,389 --> 00:31:55,120

but i mean

850

00:32:00,470 --> 00:31:58,399

he's our man yeah and where we were i i

851  
00:32:04,070 --> 00:32:00,480  
kept saying film over

852  
00:32:06,470 --> 00:32:04,080  
towards where we heard that screen yeah

853  
00:32:08,470 --> 00:32:06,480  
i said kev i kept telling him film over

854  
00:32:10,549 --> 00:32:08,480  
there we were shining our lights over

855  
00:32:12,789 --> 00:32:10,559  
that way and

856  
00:32:15,110 --> 00:32:12,799  
we caught eye shine so that's the other

857  
00:32:16,630 --> 00:32:15,120  
thing lon we got eye shine about this

858  
00:32:19,990 --> 00:32:16,640  
thing's supposed to be about six seven

859  
00:32:21,990 --> 00:32:20,000  
feet when it's yeah yeah we got the eye

860  
00:32:24,070 --> 00:32:22,000  
shine about six or seven feet up in the

861  
00:32:25,990 --> 00:32:24,080  
tree line and these these in the

862  
00:32:27,669 --> 00:32:26,000  
cornfield in the cornfield and these

863  
00:32:30,630 --> 00:32:27,679

eyes were darting back and forth in the

864

00:32:32,630 --> 00:32:30,640

tree line yeah and it was it wasn't you

865

00:32:34,710 --> 00:32:32,640

could see a light over at the end it was

866

00:32:37,110 --> 00:32:34,720

a farmer's light way out off in the

867

00:32:39,830 --> 00:32:37,120

field that wasn't it this is this is a

868

00:32:42,470 --> 00:32:39,840

whole other set of lights or eyes that

869

00:32:43,990 --> 00:32:42,480

were uh that were like they were just

870

00:32:46,230 --> 00:32:44,000

right there

871

00:32:48,230 --> 00:32:46,240

and this is this is something that came

872

00:32:50,630 --> 00:32:48,240

yeah yeah and then this is what this

873

00:32:53,669 --> 00:32:50,640

this is the other thing these in these

874

00:32:55,430 --> 00:32:53,679

internally generated like eyes this is

875

00:32:57,509 --> 00:32:55,440

what's been also talked about they're

876

00:32:59,830 --> 00:32:57,519

amazing lee saw it

877

00:33:01,909 --> 00:32:59,840

and ellen say ellen you have a biology

878

00:33:04,710 --> 00:33:01,919

degree yeah you know and that's the

879

00:33:05,750 --> 00:33:04,720

tipita lucindum right the the yeah the

880

00:33:07,990 --> 00:33:05,760

typing

881

00:33:10,950 --> 00:33:08,000

yeah and you they're they're only

882

00:33:12,950 --> 00:33:10,960

reflective when you put a light on it

883

00:33:15,430 --> 00:33:12,960

and then you know if you don't shine the

884

00:33:17,830 --> 00:33:15,440

light on it you don't see it you know so

885

00:33:20,310 --> 00:33:17,840

and that's with most mammals you know

886

00:33:22,789 --> 00:33:20,320

and um these are just internally

887

00:33:24,710 --> 00:33:22,799

generated and it's just amazing how they

888

00:33:27,509 --> 00:33:24,720

just stay that way well let me ask you

889

00:33:29,669 --> 00:33:27,519

this if that is the case now do you know

890

00:33:32,149 --> 00:33:29,679

of any since you've got this

891

00:33:34,710 --> 00:33:32,159

degree do you are familiar with that do

892

00:33:38,549 --> 00:33:34,720

you know of any animal that is able to

893

00:33:40,230 --> 00:33:38,559

generate lights from their eyes no no

894

00:33:42,549 --> 00:33:40,240

see this is something that we get with a

895

00:33:44,470 --> 00:33:42,559

lot of cryptids yeah yeah of course

896

00:33:47,190 --> 00:33:44,480

bigfoot and you know

897

00:33:50,710 --> 00:33:47,200

the malt man and that and

898

00:33:54,230 --> 00:33:52,549

i mean in your opinion is is it

899

00:33:56,310 --> 00:33:54,240

supernatural

900

00:33:58,630 --> 00:33:56,320

i'm gonna say that it's some type of

901  
00:33:59,990 --> 00:33:58,640  
supernatural phenomenon because there's

902  
00:34:02,230 --> 00:34:00,000  
no way

903  
00:34:03,269 --> 00:34:02,240  
you can internally generate

904  
00:34:04,230 --> 00:34:03,279  
a

905  
00:34:06,710 --> 00:34:04,240  
fully

906  
00:34:09,510 --> 00:34:06,720  
glowing set of eyes constantly there's

907  
00:34:12,470 --> 00:34:09,520  
just no way unless you had some type of

908  
00:34:14,550 --> 00:34:12,480  
supernatural phenomena you know that it

909  
00:34:18,550 --> 00:34:14,560  
it it was either some type of

910  
00:34:22,149 --> 00:34:18,560  
supernatural being or some type of um

911  
00:34:25,270 --> 00:34:22,159  
being that uh was uh you know fully

912  
00:34:28,149 --> 00:34:25,280  
electric you know had some type of

913  
00:34:29,349 --> 00:34:28,159

thing going on and it just it was weird

914

00:34:31,990 --> 00:34:29,359

because they

915

00:34:34,310 --> 00:34:32,000

they were dancing but they were

916

00:34:37,030 --> 00:34:34,320

you could see them and they didn't

917

00:34:38,869 --> 00:34:37,040

didn't change colors you know and or

918

00:34:40,389 --> 00:34:38,879

they didn't change focus

919

00:34:42,389 --> 00:34:40,399

yeah and it was it was definitely it was

920

00:34:44,310 --> 00:34:42,399

like two and they they danced together

921

00:34:46,389 --> 00:34:44,320

so they didn't they weren't separate

922

00:34:48,710 --> 00:34:46,399

they were together and you know they

923

00:34:51,510 --> 00:34:48,720

were so far apart and that was it and it

924

00:34:53,430 --> 00:34:51,520

was eyes and we were talking about

925

00:34:56,230 --> 00:34:53,440

there's probably a whole pack there's a

926

00:34:58,630 --> 00:34:56,240

whole clan yeah oh sure with how many we

927

00:35:01,030 --> 00:34:58,640

heard definitely yeah because i mean we

928

00:35:03,030 --> 00:35:01,040

heard we heard the howls and they were

929

00:35:04,310 --> 00:35:03,040

on the other side of the field and

930

00:35:05,750 --> 00:35:04,320

behind us

931

00:35:08,390 --> 00:35:05,760

it was like they were calling to him to

932

00:35:11,190 --> 00:35:08,400

come towards us because behind us all

933

00:35:13,430 --> 00:35:11,200

the rustling in the cornfield we heard

934

00:35:15,349 --> 00:35:13,440

and i i said to you eric i'm like

935

00:35:17,030 --> 00:35:15,359

we got to go i mean

936

00:35:20,470 --> 00:35:17,040

we're we're like in the middle of the

937

00:35:24,230 --> 00:35:21,829

yeah we'll go ahead

938

00:35:25,430 --> 00:35:24,240

i was going to say it was just grass too

939

00:35:27,829 --> 00:35:25,440

in october

940

00:35:29,510 --> 00:35:27,839

have any frost or anything so we would

941

00:35:32,310 --> 00:35:29,520

not have heard

942

00:35:35,109 --> 00:35:32,320

that animal coming until it was right on

943

00:35:37,190 --> 00:35:35,119

top of us in the field in the field yeah

944

00:35:39,589 --> 00:35:37,200

what scared us i think the most is that

945

00:35:40,870 --> 00:35:39,599

we know if we were being surrounded by

946

00:35:42,950 --> 00:35:40,880

one right

947

00:35:45,109 --> 00:35:42,960

three or four and so

948

00:35:46,870 --> 00:35:45,119

you know and i mean that's why we didn't

949

00:35:48,390 --> 00:35:46,880

really break up either because it was

950

00:35:50,069 --> 00:35:48,400

like we had to kind of stay together

951  
00:35:51,109 --> 00:35:50,079  
just to kind of watch our backs you know

952  
00:35:53,109 --> 00:35:51,119  
yeah

953  
00:35:55,670 --> 00:35:53,119  
even scott was hearing all this rustling

954  
00:35:58,310 --> 00:35:55,680  
sound going on well let me ask you this

955  
00:36:02,069 --> 00:35:58,320  
uh after saying that did you see any

956  
00:36:05,990 --> 00:36:03,589  
uh you know

957  
00:36:08,230 --> 00:36:06,000  
i i don't know if that's if that was the

958  
00:36:09,670 --> 00:36:08,240  
case but it felt like it it felt like

959  
00:36:12,150 --> 00:36:09,680  
like we were being

960  
00:36:14,310 --> 00:36:12,160  
stalked well i mean did you see any dead

961  
00:36:16,069 --> 00:36:14,320  
animals or any remains of animals that

962  
00:36:18,710 --> 00:36:16,079  
may have been attacked by this thing or

963  
00:36:20,069 --> 00:36:18,720

devoured well that that's the strange

964

00:36:21,670 --> 00:36:20,079

thing with lee

965

00:36:23,190 --> 00:36:21,680

he he put out

966

00:36:30,230 --> 00:36:23,200

17

967

00:36:32,870 --> 00:36:30,240

roadkill deer and i know about that yeah

968

00:36:34,870 --> 00:36:32,880

and they just disappeared yeah only one

969

00:36:37,990 --> 00:36:34,880

was left behind

970

00:36:40,550 --> 00:36:38,000

did he show you the video

971

00:36:42,870 --> 00:36:40,560

of the the one that he set out there and

972

00:36:44,150 --> 00:36:42,880

and recorded where the

973

00:36:50,710 --> 00:36:44,160

it was moved

974

00:36:52,630 --> 00:36:50,720

deformed above it yeah yeah and it right

975

00:36:54,710 --> 00:36:52,640

it basically moved

976  
00:36:57,190 --> 00:36:54,720  
yeah yeah he showed us that video it was

977  
00:36:59,510 --> 00:36:57,200  
moved into the crotch of the tree right

978  
00:37:02,470 --> 00:36:59,520  
and it was there and it

979  
00:37:04,870 --> 00:37:02,480  
the way it was like surgically cut

980  
00:37:07,190 --> 00:37:04,880  
i mean it was missing the four the the

981  
00:37:08,470 --> 00:37:07,200  
shoulder area and it was just cut clean

982  
00:37:10,310 --> 00:37:08,480  
off

983  
00:37:12,870 --> 00:37:10,320  
this and it wasn't it there was nothing

984  
00:37:14,710 --> 00:37:12,880  
left of that shoulder it was just gone

985  
00:37:16,790 --> 00:37:14,720  
but the animal was still there yeah he

986  
00:37:18,069 --> 00:37:16,800  
just showed me a picture of another deer

987  
00:37:19,750 --> 00:37:18,079  
he just got

988  
00:37:20,710 --> 00:37:19,760

literally was gone within a couple of

989

00:37:24,069 --> 00:37:20,720

days

990

00:37:26,470 --> 00:37:24,079

yeah and it's not and it's not drug away

991

00:37:28,150 --> 00:37:26,480

it's picked up and carried away because

992

00:37:30,790 --> 00:37:28,160

none of the grass none of the other

993

00:37:32,710 --> 00:37:30,800

stuff has has been touched and it just

994

00:37:34,550 --> 00:37:32,720

literally is just picked up moved and

995

00:37:36,310 --> 00:37:34,560

gone

996

00:37:38,230 --> 00:37:36,320

let me ask you this now i'm gonna i'm

997

00:37:39,829 --> 00:37:38,240

gonna do some comparison to see what you

998

00:37:41,750 --> 00:37:39,839

guys have to say about what you

999

00:37:43,670 --> 00:37:41,760

witnessed out there now here in

1000

00:37:45,430 --> 00:37:43,680

pennsylvania

1001  
00:37:47,670 --> 00:37:45,440  
most of the sightings of the upright

1002  
00:37:50,630 --> 00:37:47,680  
canines the bipedals

1003  
00:37:52,310 --> 00:37:50,640  
are huge i mean eight to ten foot very

1004  
00:37:54,790 --> 00:37:52,320  
dark in color

1005  
00:37:56,630 --> 00:37:54,800  
very sculptured body

1006  
00:37:58,950 --> 00:37:56,640  
the thin waist

1007  
00:38:00,710 --> 00:37:58,960  
the muscular arms they do have the uh

1008  
00:38:03,829 --> 00:38:00,720  
they did have the bent legs you know

1009  
00:38:05,190 --> 00:38:03,839  
just like the dogs the canine legs right

1010  
00:38:07,589 --> 00:38:05,200  
but

1011  
00:38:09,349 --> 00:38:07,599  
they have the yellow eyes

1012  
00:38:11,030 --> 00:38:09,359  
now they they stand their ground and

1013  
00:38:13,109 --> 00:38:11,040

we've had people walk up onto these

1014

00:38:16,310 --> 00:38:13,119

things even orange people

1015

00:38:20,069 --> 00:38:18,390

were kind of put off by it because of

1016

00:38:21,750 --> 00:38:20,079

some i don't know if it was infrasound

1017

00:38:23,510 --> 00:38:21,760

or whatever it was but it was something

1018

00:38:25,670 --> 00:38:23,520

they sensed

1019

00:38:26,950 --> 00:38:25,680

that they need to stay away from and

1020

00:38:29,109 --> 00:38:26,960

back away

1021

00:38:31,190 --> 00:38:29,119

yeah well that that was uh you're

1022

00:38:32,550 --> 00:38:31,200

exactly right man right well let me just

1023

00:38:35,270 --> 00:38:32,560

say this though

1024

00:38:37,510 --> 00:38:35,280

now we didn't see we didn't see a form

1025

00:38:39,670 --> 00:38:37,520

we heard we only heard it i wish we

1026  
00:38:41,750 --> 00:38:39,680  
would have seen it now we saw the eyes

1027  
00:38:43,349 --> 00:38:41,760  
we saw the eyes now we're going back in

1028  
00:38:45,190 --> 00:38:43,359  
april we've got some tricks up our

1029  
00:38:47,990 --> 00:38:45,200  
sleeve to to

1030  
00:38:49,589 --> 00:38:48,000  
hopefully maybe even capture this thing

1031  
00:38:52,470 --> 00:38:49,599  
so but here's the thing what you just

1032  
00:38:54,710 --> 00:38:52,480  
said about it what not wanting us to be

1033  
00:38:56,630 --> 00:38:54,720  
there that's that's what we felt and

1034  
00:38:59,589 --> 00:38:56,640  
that's why and there were other groups

1035  
00:39:00,950 --> 00:38:59,599  
there that lee had said oh we were told

1036  
00:39:05,349 --> 00:39:00,960  
to leave

1037  
00:39:07,990 --> 00:39:05,359  
and that was to me

1038  
00:39:08,710 --> 00:39:08,000

that howl that what we encountered was

1039

00:39:11,109 --> 00:39:08,720

us

1040

00:39:13,349 --> 00:39:11,119

being told to get that

1041

00:39:15,510 --> 00:39:13,359

you know and

1042

00:39:18,310 --> 00:39:15,520

i mean that's and then the the yellow

1043

00:39:20,550 --> 00:39:18,320

eyes so that whole that whole thing was

1044

00:39:21,990 --> 00:39:20,560

to say look let's you got to go we got

1045

00:39:24,470 --> 00:39:22,000

to get out of there yeah we hear that

1046

00:39:25,990 --> 00:39:24,480

all the time now i got i got one

1047

00:39:27,109 --> 00:39:26,000

anecdote i just want to tell you and i

1048

00:39:29,030 --> 00:39:27,119

want your

1049

00:39:30,390 --> 00:39:29,040

you know your opinion of it now when we

1050

00:39:32,069 --> 00:39:30,400

first started looking into this

1051  
00:39:34,550 --> 00:39:32,079  
phenomena here in pennsylvania about

1052  
00:39:36,870 --> 00:39:34,560  
2014

1053  
00:39:39,190 --> 00:39:36,880  
uh i talked to a witness who lived up in

1054  
00:39:41,349 --> 00:39:39,200  
clearfield county pennsylvania

1055  
00:39:45,270 --> 00:39:41,359  
and there's a pretty good side elk

1056  
00:39:47,430 --> 00:39:45,280  
population up there but the the the uh

1057  
00:39:49,990 --> 00:39:47,440  
the game commission people

1058  
00:39:52,630 --> 00:39:50,000  
they do tag them they they put collars

1059  
00:39:54,950 --> 00:39:52,640  
on them radio collars and such

1060  
00:39:57,829 --> 00:39:54,960  
well he said he was at a gas station and

1061  
00:39:59,910 --> 00:39:57,839  
he said one of these game commission uh

1062  
00:40:01,510 --> 00:39:59,920  
officers with the pickup truck pulled up

1063  
00:40:02,630 --> 00:40:01,520

and he had a young

1064

00:40:04,870 --> 00:40:02,640

elk

1065

00:40:06,230 --> 00:40:04,880

in the back of the um

1066

00:40:10,870 --> 00:40:06,240

the back of the

1067

00:40:13,990 --> 00:40:10,880

and he said this thing

1068

00:40:15,750 --> 00:40:14,000

had a slit in its throat

1069

00:40:17,030 --> 00:40:15,760

like something took a knife and slit the

1070

00:40:19,750 --> 00:40:17,040

throat

1071

00:40:22,550 --> 00:40:19,760

and he said but he asked the

1072

00:40:24,069 --> 00:40:22,560

game commission guy about it

1073

00:40:25,829 --> 00:40:24,079

and he said well if you think that's

1074

00:40:28,230 --> 00:40:25,839

weird look at this and he took the

1075

00:40:29,910 --> 00:40:28,240

collar he found the collar later

1076  
00:40:32,150 --> 00:40:29,920  
the collar and you know how thick those

1077  
00:40:33,990 --> 00:40:32,160  
things are with the scrapping and

1078  
00:40:36,829 --> 00:40:34,000  
everything it looked like somebody took

1079  
00:40:40,309 --> 00:40:36,839  
a very sharp knife and just cut it

1080  
00:40:42,710 --> 00:40:40,319  
wow claus yeah yeah yep

1081  
00:40:44,390 --> 00:40:42,720  
so it has to be it has to be claws

1082  
00:40:45,589 --> 00:40:44,400  
because yeah

1083  
00:40:47,829 --> 00:40:45,599  
they're just

1084  
00:40:49,910 --> 00:40:47,839  
it's amazing they're razor sharp

1085  
00:40:51,910 --> 00:40:49,920  
lee uh one of the things about what

1086  
00:40:54,309 --> 00:40:51,920  
happened with lee is he put a raccoon

1087  
00:40:57,270 --> 00:40:54,319  
out there in the tall grass and i think

1088  
00:40:59,109 --> 00:40:57,280

the next day came back and he had the

1089

00:41:01,589 --> 00:40:59,119

the thing was slit open and all the

1090

00:41:03,589 --> 00:41:01,599

innards were taken out

1091

00:41:04,630 --> 00:41:03,599

none of the none of the tall grass was

1092

00:41:06,550 --> 00:41:04,640

moved

1093

00:41:08,309 --> 00:41:06,560

it was like nothing like something went

1094

00:41:10,150 --> 00:41:08,319

in picked it up

1095

00:41:12,550 --> 00:41:10,160

and put it out like that

1096

00:41:13,910 --> 00:41:12,560

and there was no way a bird hawk get in

1097

00:41:16,309 --> 00:41:13,920

there because we were talking about that

1098

00:41:18,870 --> 00:41:16,319

too yeah because they want like birds

1099

00:41:20,630 --> 00:41:18,880

they want fresh they want fresh they

1100

00:41:22,230 --> 00:41:20,640

don't want anything that's already dead

1101  
00:41:23,589 --> 00:41:22,240  
but something went in there cut this

1102  
00:41:25,589 --> 00:41:23,599  
thing open so

1103  
00:41:27,910 --> 00:41:25,599  
yeah i mean we have we have turkey

1104  
00:41:30,150 --> 00:41:27,920  
vultures here in pennsylvania yeah the

1105  
00:41:32,630 --> 00:41:30,160  
turkey vultures you know they they're

1106  
00:41:34,710 --> 00:41:32,640  
huge and they're not they're lumbersome

1107  
00:41:36,790 --> 00:41:34,720  
and i mean they're clumsy birds they're

1108  
00:41:38,309 --> 00:41:36,800  
just big and they're awkward and they're

1109  
00:41:39,910 --> 00:41:38,319  
gonna they're just gonna flatten out a

1110  
00:41:42,790 --> 00:41:39,920  
whole area yeah they're gonna spread

1111  
00:41:44,710 --> 00:41:42,800  
this yeah this was not

1112  
00:41:46,630 --> 00:41:44,720  
yeah interesting well you know

1113  
00:41:48,470 --> 00:41:46,640

you know wisconsin has a lot of cryptid

1114

00:41:50,710 --> 00:41:48,480

studying not necessarily a dog man you

1115

00:41:52,390 --> 00:41:50,720

know blind foot and human noise in the

1116

00:41:54,150 --> 00:41:52,400

whole nine yards

1117

00:41:56,870 --> 00:41:54,160

um

1118

00:41:59,030 --> 00:41:56,880

and i have had reports in there around

1119

00:42:00,630 --> 00:41:59,040

elkhorn of different you know different

1120

00:42:02,550 --> 00:42:00,640

stuff

1121

00:42:07,349 --> 00:42:02,560

did you guys get any evidence of

1122

00:42:09,109 --> 00:42:07,359

anything other than the the canine

1123

00:42:10,870 --> 00:42:09,119

did you get any evidence of something

1124

00:42:12,230 --> 00:42:10,880

questionable other than

1125

00:42:14,309 --> 00:42:12,240

that would have been something that

1126

00:42:17,750 --> 00:42:14,319

definitely wasn't a canine

1127

00:42:20,470 --> 00:42:17,760

just the ufo sighting okay yeah

1128

00:42:21,510 --> 00:42:20,480

and and i mean lee has lee has pictures

1129

00:42:23,349 --> 00:42:21,520

of

1130

00:42:24,630 --> 00:42:23,359

things in the air

1131

00:42:27,190 --> 00:42:24,640

i mean i don't want to give away too

1132

00:42:29,750 --> 00:42:27,200

much um but there's stuff he's got like

1133

00:42:30,630 --> 00:42:29,760

that yeah he's got pictures of ufos he's

1134

00:42:32,309 --> 00:42:30,640

got

1135

00:42:34,470 --> 00:42:32,319

so there's definitely more than more

1136

00:42:36,309 --> 00:42:34,480

than just you know the uh the dog man

1137

00:42:38,390 --> 00:42:36,319

out there yeah do you think there's a

1138

00:42:39,910 --> 00:42:38,400

connection between the dog man and the

1139

00:42:42,230 --> 00:42:39,920

ufos

1140

00:42:45,990 --> 00:42:42,240

i personally yeah yeah

1141

00:42:47,510 --> 00:42:46,000

yeah and bigfoot i mean if my patch says

1142

00:42:51,430 --> 00:42:47,520

it

1143

00:42:53,109 --> 00:42:51,440

and a lot of people and a lot of

1144

00:42:54,710 --> 00:42:53,119

researchers i mean or they're on the

1145

00:42:56,630 --> 00:42:54,720

fence with that they're not going to say

1146

00:42:58,870 --> 00:42:56,640

that you know there's not a big foot

1147

00:43:01,670 --> 00:42:58,880

coming out of a ufo but the more

1148

00:43:03,430 --> 00:43:01,680

evidence we see of this other worldly

1149

00:43:05,910 --> 00:43:03,440

type of stuff going on

1150

00:43:08,230 --> 00:43:05,920

it really begs the question

1151  
00:43:10,470 --> 00:43:08,240  
could this also have a connection

1152  
00:43:13,270 --> 00:43:10,480  
could there be that connection

1153  
00:43:15,510 --> 00:43:13,280  
well you know i i i have talked to linda

1154  
00:43:17,910 --> 00:43:15,520  
godfrey for years about this and i have

1155  
00:43:19,349 --> 00:43:17,920  
interviewed her early on

1156  
00:43:21,430 --> 00:43:19,359  
and

1157  
00:43:22,870 --> 00:43:21,440  
her opinion kind of changed as years

1158  
00:43:25,670 --> 00:43:22,880  
went by too

1159  
00:43:28,069 --> 00:43:25,680  
she went she kind of went stayed away

1160  
00:43:31,190 --> 00:43:28,079  
from the interdimensional

1161  
00:43:34,630 --> 00:43:31,200  
supernatural aspect of these beings

1162  
00:43:36,309 --> 00:43:34,640  
and now she was actually you know years

1163  
00:43:38,710 --> 00:43:36,319

just past few years she kind of got a

1164

00:43:40,950 --> 00:43:38,720

little on the fence like you said

1165

00:43:42,550 --> 00:43:40,960

now she believes from

1166

00:43:44,630 --> 00:43:42,560

what i had talked to her the last time

1167

00:43:45,990 --> 00:43:44,640

it's been a couple years

1168

00:43:48,230 --> 00:43:46,000

uh

1169

00:43:50,870 --> 00:43:48,240

what you know what do you believe these

1170

00:43:52,950 --> 00:43:50,880

are and you know i get this

1171

00:43:55,670 --> 00:43:52,960

i don't know

1172

00:43:58,470 --> 00:43:55,680

you know yeah and i think that i think a

1173

00:43:59,750 --> 00:43:58,480

lot of researchers and investigators are

1174

00:44:01,750 --> 00:43:59,760

starting to

1175

00:44:03,030 --> 00:44:01,760

become more open-minded about these

1176

00:44:05,190 --> 00:44:03,040

phenomena

1177

00:44:06,550 --> 00:44:05,200

because look you know we haven't found

1178

00:44:09,349 --> 00:44:06,560

bodies

1179

00:44:12,630 --> 00:44:09,359

we're not finding a lot of physical

1180

00:44:14,470 --> 00:44:12,640

evidence something's going on

1181

00:44:16,309 --> 00:44:14,480

to where you know there's got to be

1182

00:44:18,630 --> 00:44:16,319

another explanation than a flesh and

1183

00:44:20,870 --> 00:44:18,640

blood being well i mean just to give you

1184

00:44:23,510 --> 00:44:20,880

an idea and it's in our video police

1185

00:44:25,750 --> 00:44:23,520

showed us a picture which is just it was

1186

00:44:28,550 --> 00:44:25,760

mind-blowing of these orbs

1187

00:44:31,190 --> 00:44:28,560

in the middle of the day daylight

1188

00:44:34,230 --> 00:44:31,200

and in those orbs it looked like this

1189

00:44:35,670 --> 00:44:34,240

creature in the orb yeah it's loading

1190

00:44:36,390 --> 00:44:35,680

down

1191

00:44:41,349 --> 00:44:36,400

could

1192

00:44:44,390 --> 00:44:41,359

that we saw that night that or

1193

00:44:47,190 --> 00:44:44,400

could that have deposited something

1194

00:44:48,870 --> 00:44:47,200

down to us that night i mean that's it's

1195

00:44:51,109 --> 00:44:48,880

i mean we're getting really out there

1196

00:44:51,829 --> 00:44:51,119

tell us to go away yeah

1197

00:44:53,589 --> 00:44:51,839

now

1198

00:44:55,990 --> 00:44:53,599

and real quick then ellen you had a

1199

00:44:57,750 --> 00:44:56,000

dream now yes this is another thing this

1200

00:44:59,349 --> 00:44:57,760

is i want to talk about this for a

1201  
00:45:03,349 --> 00:44:59,359  
couple of minutes only because

1202  
00:45:05,990 --> 00:45:03,359  
we also had dreams of this creature

1203  
00:45:07,829 --> 00:45:06,000  
of what it looked like what it could be

1204  
00:45:09,510 --> 00:45:07,839  
and this there's a really interesting

1205  
00:45:11,750 --> 00:45:09,520  
connection why don't you tell that story

1206  
00:45:14,150 --> 00:45:11,760  
ellen just real quick if you can well

1207  
00:45:17,109 --> 00:45:14,160  
it was very strange because it it was so

1208  
00:45:18,550 --> 00:45:17,119  
real that after i had the dream i sat up

1209  
00:45:23,109 --> 00:45:18,560  
in bed and i thought

1210  
00:45:25,430 --> 00:45:23,119  
what the heck did i just dream because

1211  
00:45:26,550 --> 00:45:25,440  
we were out there in the field this was

1212  
00:45:29,270 --> 00:45:26,560  
um

1213  
00:45:31,750 --> 00:45:29,280

it took place like right before i did my

1214

00:45:33,270 --> 00:45:31,760

truck diving okay so we were all

1215

00:45:36,069 --> 00:45:33,280

standing there

1216

00:45:38,630 --> 00:45:36,079

flashing our lights and then it seemed

1217

00:45:41,349 --> 00:45:38,640

like a time stood still

1218

00:45:43,910 --> 00:45:41,359

this thing was in front of us this it

1219

00:45:46,470 --> 00:45:43,920

was a about a seven foot and and i gave

1220

00:45:47,910 --> 00:45:46,480

eric a drawing of what i thought i saw

1221

00:45:51,430 --> 00:45:47,920

in my dream

1222

00:45:54,390 --> 00:45:51,440

and um it told me telepathically it said

1223

00:45:56,870 --> 00:45:54,400

hold out your hand and so i did i held

1224

00:45:57,829 --> 00:45:56,880

out my hand and it touched me with a

1225

00:46:00,710 --> 00:45:57,839

claw

1226

00:46:02,790 --> 00:46:00,720

and telepathically it said

1227

00:46:05,190 --> 00:46:02,800

this is what i'm telling you this is

1228

00:46:06,710 --> 00:46:05,200

what is is happening here and this is

1229

00:46:09,510 --> 00:46:06,720

why we're here

1230

00:46:12,309 --> 00:46:09,520

and what it said is that all of their

1231

00:46:15,190 --> 00:46:12,319

females of their species were dying

1232

00:46:19,349 --> 00:46:15,200

and they were there to procure

1233

00:46:20,710 --> 00:46:19,359

more females to propagate their species

1234

00:46:23,349 --> 00:46:20,720

whether it was

1235

00:46:25,990 --> 00:46:23,359

i don't know if it was animal

1236

00:46:28,470 --> 00:46:26,000

species i don't know if it was human it

1237

00:46:31,109 --> 00:46:28,480

didn't say didn't delineate

1238

00:46:32,309 --> 00:46:31,119

but it said we're here and it said you

1239

00:46:36,150 --> 00:46:32,319

come back

1240

00:46:37,750 --> 00:46:36,160

and see us and we'll talk to you again

1241

00:46:39,430 --> 00:46:37,760

that's when we said

1242

00:46:42,069 --> 00:46:39,440

that's when i told eric i said you got

1243

00:46:44,069 --> 00:46:42,079

to go back in april yeah i've been told

1244

00:46:45,589 --> 00:46:44,079

we have to go back

1245

00:46:47,109 --> 00:46:45,599

you know

1246

00:46:49,430 --> 00:46:47,119

not to interrupt eric but that that

1247

00:46:51,670 --> 00:46:49,440

makes a lot of sense when we heard the

1248

00:46:52,950 --> 00:46:51,680

howls and i went back to you you were

1249

00:46:54,069 --> 00:46:52,960

kind of just

1250

00:46:55,910 --> 00:46:54,079

there

1251

00:46:57,589 --> 00:46:55,920

and i said to eric and you know i said

1252

00:46:59,190 --> 00:46:57,599

did you hear that did you hear that and

1253

00:47:00,550 --> 00:46:59,200

and you were just kind of

1254

00:47:02,150 --> 00:47:00,560

yeah i heard it

1255

00:47:05,109 --> 00:47:02,160

you almost looked like you were in a

1256

00:47:08,550 --> 00:47:05,119

catatonic state yeah and i was looking

1257

00:47:09,349 --> 00:47:08,560

away from you guys yeah i swear

1258

00:47:14,550 --> 00:47:09,359

that

1259

00:47:17,670 --> 00:47:14,560

turned into my dream a week later

1260

00:47:20,710 --> 00:47:17,680

yeah i'm going to look back

1261

00:47:21,910 --> 00:47:20,720

to me and and said this is what we're

1262

00:47:24,549 --> 00:47:21,920

trying to do

1263

00:47:27,030 --> 00:47:24,559

you know you can't catch us you can't

1264

00:47:29,430 --> 00:47:27,040

you know you can't trap us

1265

00:47:31,510 --> 00:47:29,440

but this is what we're doing and we are

1266

00:47:33,829 --> 00:47:31,520

going to get it done but we want you to

1267

00:47:35,990 --> 00:47:33,839

come back and visit us

1268

00:47:37,190 --> 00:47:36,000

and that's what we started talking about

1269

00:47:40,790 --> 00:47:37,200

that

1270

00:47:43,670 --> 00:47:40,800

your head have you heard something

1271

00:47:45,670 --> 00:47:43,680

similar to that yeah um

1272

00:47:47,510 --> 00:47:45,680

now you know we've been investigating

1273

00:47:49,670 --> 00:47:47,520

this phenomena around chicago now with

1274

00:47:52,710 --> 00:47:49,680

the wing humanoids

1275

00:47:54,390 --> 00:47:52,720

um now in the past two years a lot of

1276  
00:47:56,150 --> 00:47:54,400  
this has been happening around o'hare

1277  
00:47:58,230 --> 00:47:56,160  
and there's there's indication that

1278  
00:48:00,870 --> 00:47:58,240  
there's one specific area around here

1279  
00:48:03,990 --> 00:48:00,880  
where a lot of this is going on

1280  
00:48:07,030 --> 00:48:04,000  
and these beings

1281  
00:48:09,109 --> 00:48:07,040  
and i know it sounds really out there

1282  
00:48:10,069 --> 00:48:09,119  
have been communicating with a few of

1283  
00:48:10,870 --> 00:48:10,079  
our

1284  
00:48:14,069 --> 00:48:10,880  
team

1285  
00:48:15,510 --> 00:48:14,079  
yeah telepathically yeah and

1286  
00:48:23,829 --> 00:48:15,520  
they

1287  
00:48:26,069 --> 00:48:23,839  
hand out

1288  
00:48:27,750 --> 00:48:26,079

i'm wondering and i tell you we have

1289

00:48:30,630 --> 00:48:27,760

been told

1290

00:48:33,670 --> 00:48:30,640

that a lot of the cryptids

1291

00:48:34,870 --> 00:48:33,680

that are seen by people on our earth

1292

00:48:36,790 --> 00:48:34,880

plane

1293

00:48:39,589 --> 00:48:36,800

come from the same

1294

00:48:42,549 --> 00:48:39,599

linear dimension

1295

00:48:47,349 --> 00:48:43,510

now

1296

00:48:49,270 --> 00:48:47,359

that i'm thinking

1297

00:48:50,710 --> 00:48:49,280

huh maybe

1298

00:48:52,390 --> 00:48:50,720

maybe this is

1299

00:48:53,910 --> 00:48:52,400

connected somehow

1300

00:48:55,829 --> 00:48:53,920

i i don't know

1301

00:48:58,390 --> 00:48:55,839

but it was interesting she said it

1302

00:49:00,470 --> 00:48:58,400

because um

1303

00:49:02,549 --> 00:49:00,480

that seems to be the case with what

1304

00:49:05,349 --> 00:49:02,559

we're dealing with now

1305

00:49:07,349 --> 00:49:05,359

yeah uh we're getting some really

1306

00:49:09,430 --> 00:49:07,359

strange

1307

00:49:11,829 --> 00:49:09,440

communications with these what they call

1308

00:49:13,990 --> 00:49:11,839

themselves the unseen ones

1309

00:49:16,150 --> 00:49:14,000

um

1310

00:49:18,309 --> 00:49:16,160

so i don't know i mean

1311

00:49:20,950 --> 00:49:18,319

it's food for thought but you know

1312

00:49:22,870 --> 00:49:20,960

i i don't doubt it i mean

1313

00:49:25,670 --> 00:49:22,880

you know i always say that there are

1314

00:49:27,670 --> 00:49:25,680

people that are connected to that to

1315

00:49:28,549 --> 00:49:27,680

that veil there's a very thin veil there

1316

00:49:30,790 --> 00:49:28,559

and there are

1317

00:49:32,870 --> 00:49:30,800

connected like dominic is a spirit

1318

00:49:34,150 --> 00:49:32,880

medium he's connected to that to that

1319

00:49:36,230 --> 00:49:34,160

realm

1320

00:49:39,510 --> 00:49:36,240

ellen could also be connected to that

1321

00:49:41,670 --> 00:49:39,520

realm i i think that's true i i think

1322

00:49:44,150 --> 00:49:41,680

cryptids in general

1323

00:49:46,390 --> 00:49:44,160

pick who they can pick who can see them

1324

00:49:47,190 --> 00:49:46,400

right yeah yeah absolutely absolutely

1325

00:49:49,510 --> 00:49:47,200

yeah

1326

00:49:52,549 --> 00:49:49,520

i i do believe that to ra and to wrap up

1327

00:49:55,670 --> 00:49:52,559

the story so the the next night uh or

1328

00:49:58,630 --> 00:49:55,680

actually that night lon

1329

00:50:00,150 --> 00:49:58,640

the whole the whole town of elkhorn lost

1330

00:50:03,190 --> 00:50:00,160

power yeah

1331

00:50:05,510 --> 00:50:03,200

yeah yeah we we got back to the hotel

1332

00:50:07,030 --> 00:50:05,520

and we did a wrap-up

1333

00:50:08,790 --> 00:50:07,040

in the conference room

1334

00:50:11,750 --> 00:50:08,800

and then we went upstairs

1335

00:50:14,549 --> 00:50:11,760

and about what was it about 11 30. yeah

1336

00:50:16,630 --> 00:50:14,559

about 12 o'clock yeah all of a sudden

1337

00:50:18,150 --> 00:50:16,640

the power went out in the hotel

1338

00:50:21,430 --> 00:50:18,160

yeah so

1339

00:50:23,349 --> 00:50:21,440

ellen had to take scott to the airport

1340

00:50:24,710 --> 00:50:23,359

and they had the elevators weren't

1341

00:50:27,589 --> 00:50:24,720

working so they had to go down the

1342

00:50:30,069 --> 00:50:27,599

stairs in the dark morning yeah three

1343

00:50:31,430 --> 00:50:30,079

o'clock in the morning and uh we got up

1344

00:50:33,829 --> 00:50:31,440

the next morning we go down for

1345

00:50:37,349 --> 00:50:33,839

breakfast eric and i and the lights in

1346

00:50:40,230 --> 00:50:37,359

the hotel are all flickering on and off

1347

00:50:42,950 --> 00:50:40,240

and i'm like what is going on and the

1348

00:50:45,670 --> 00:50:42,960

guy said oh cause we lost power yeah and

1349

00:50:48,870 --> 00:50:45,680

the lights the the switches went bad

1350

00:50:51,190 --> 00:50:48,880

he's like um the whole town lost power

1351  
00:50:54,230 --> 00:50:51,200  
and and it was a it was a bad storm that

1352  
00:50:56,069 --> 00:50:54,240  
came rolling through and and i i went

1353  
00:50:58,549 --> 00:50:56,079  
and when i went to eric

1354  
00:51:00,549 --> 00:50:58,559  
eric had a piece of stick that was

1355  
00:51:02,549 --> 00:51:00,559  
caught it was just in his shoe

1356  
00:51:04,309 --> 00:51:02,559  
i know on his shoelaces and i'm like you

1357  
00:51:08,790 --> 00:51:04,319  
brought it back with you it's all your

1358  
00:51:13,510 --> 00:51:11,750  
so uh so i went so just and then to wrap

1359  
00:51:15,270 --> 00:51:13,520  
this up so after that

1360  
00:51:18,710 --> 00:51:15,280  
uh we're we're on the plane we're

1361  
00:51:21,430 --> 00:51:18,720  
heading back to uh to pennsylvania and

1362  
00:51:23,990 --> 00:51:21,440  
uh lee sends me a text

1363  
00:51:26,150 --> 00:51:24,000

and says oh by the way

1364

00:51:28,470 --> 00:51:26,160

the trail cams that we had out there

1365

00:51:31,670 --> 00:51:28,480

that night you guys were there

1366

00:51:33,670 --> 00:51:31,680

they stopped working at five o'clock

1367

00:51:35,990 --> 00:51:33,680

it's like something came and turned it

1368

00:51:38,390 --> 00:51:36,000

off there was no pictures of you guys

1369

00:51:40,790 --> 00:51:38,400

out there nothing for that whole night

1370

00:51:43,510 --> 00:51:40,800

until the next morning seven o'clock in

1371

00:51:46,950 --> 00:51:43,520

the morning it was working again and oh

1372

00:51:50,309 --> 00:51:46,960

thank you the bones were gone yeah yep

1373

00:51:53,910 --> 00:51:50,319

by the way the bones were gone

1374

00:51:56,790 --> 00:51:53,920

so that was very very strange

1375

00:51:59,270 --> 00:51:56,800

it was very weird very very weird

1376

00:52:01,990 --> 00:51:59,280

so we're going back in april

1377

00:52:04,870 --> 00:52:02,000

april 28 through may 1st

1378

00:52:07,910 --> 00:52:04,880

uh we're doing a town hall at the uh uh

1379

00:52:11,109 --> 00:52:07,920

matheson memorial library on the 28th on

1380

00:52:13,270 --> 00:52:11,119

the 28th of of april the 29th we're

1381

00:52:14,630 --> 00:52:13,280

going to do some um uh more witness

1382

00:52:18,790 --> 00:52:14,640

testimony

1383

00:52:24,710 --> 00:52:21,589

we're going uh to speak at the beast of

1384

00:52:26,470 --> 00:52:24,720

railroad conference yeah um that donna's

1385

00:52:27,270 --> 00:52:26,480

putting together and then may 1st is

1386

00:52:28,710 --> 00:52:27,280

where we're going to do the

1387

00:52:30,710 --> 00:52:28,720

investigation again

1388

00:52:32,390 --> 00:52:30,720

and we don't want to divulge what we're

1389

00:52:34,150 --> 00:52:32,400

going to do this time but

1390

00:52:37,190 --> 00:52:34,160

it's going to be a lot

1391

00:52:38,390 --> 00:52:37,200

a lot more than what we did before yeah

1392

00:52:40,710 --> 00:52:38,400

and we're going to get we're going to

1393

00:52:43,670 --> 00:52:40,720

stay out there a little longer

1394

00:52:48,870 --> 00:52:46,790

so i don't do any more

1395

00:52:50,470 --> 00:52:48,880

i gotta tell you i gotta tell you lawn a

1396

00:52:52,470 --> 00:52:50,480

really good great friend of ours who's

1397

00:52:54,150 --> 00:52:52,480

also on the team his name's timothy

1398

00:52:56,470 --> 00:52:54,160

wayne williams you may want to talk with

1399

00:52:58,950 --> 00:52:56,480

him too he's a great artist he did the

1400

00:53:02,390 --> 00:52:58,960

artwork for the beast de bray road in

1401

00:53:04,870 --> 00:53:02,400

our and i used it as transition art and

1402

00:53:08,069 --> 00:53:04,880

phenomenal guy and just does incredible

1403

00:53:09,990 --> 00:53:08,079

work um and uh so

1404

00:53:12,470 --> 00:53:10,000

he's involved and we were getting a lot

1405

00:53:14,950 --> 00:53:12,480

of people involved in this i mean again

1406

00:53:16,549 --> 00:53:14,960

ellen made this possible uh and we've

1407

00:53:18,069 --> 00:53:16,559

got a lot of people that have followed

1408

00:53:19,750 --> 00:53:18,079

me from my jazz world into the

1409

00:53:21,589 --> 00:53:19,760

paranormal world because it's

1410

00:53:23,349 --> 00:53:21,599

fascinating i mean these stories are

1411

00:53:24,710 --> 00:53:23,359

fascinating they are

1412

00:53:27,510 --> 00:53:24,720

you know you guys are gonna have to keep

1413

00:53:30,790 --> 00:53:27,520

me updated on this because i may be out

1414

00:53:34,150 --> 00:53:30,800

there around that time oh okay okay uh

1415

00:53:36,069 --> 00:53:34,160

and if i can swing it i may try to meet

1416

00:53:37,829 --> 00:53:36,079

up with you at some point yeah come to

1417

00:53:39,990 --> 00:53:37,839

the could be great yeah

1418

00:53:42,870 --> 00:53:40,000

because uh you know i'm thinking some

1419

00:53:44,950 --> 00:53:42,880

things but uh yeah i might i might yeah

1420

00:53:45,750 --> 00:53:44,960

that's a good time of the year too oh

1421

00:53:46,790 --> 00:53:45,760

yeah

1422

00:53:48,870 --> 00:53:46,800

because i don't think it's going to be

1423

00:53:51,430 --> 00:53:48,880

that cold at that point it's like no it

1424

00:53:54,069 --> 00:53:51,440

should be pretty good late april

1425

00:53:56,230 --> 00:53:54,079

yep and we hope you have some snow

1426  
00:54:00,150 --> 00:53:56,240  
because you know that's better yeah

1427  
00:54:01,990 --> 00:54:00,160  
footprints yeah absolutely so we're

1428  
00:54:03,510 --> 00:54:02,000  
um and then

1429  
00:54:05,510 --> 00:54:03,520  
i know we have a couple more minutes but

1430  
00:54:07,990 --> 00:54:05,520  
i wanted to just go in i wanted to just

1431  
00:54:09,910 --> 00:54:08,000  
talk to you about real quick about the

1432  
00:54:11,430 --> 00:54:09,920  
bigfoot investigation we did in the in

1433  
00:54:14,549 --> 00:54:11,440  
the new jersey pine barrens and this

1434  
00:54:18,150 --> 00:54:14,559  
might be a a segue for a go

1435  
00:54:20,390 --> 00:54:18,160  
um you know dominic and i uh this was a

1436  
00:54:23,270 --> 00:54:20,400  
week later this is a week after we got

1437  
00:54:24,390 --> 00:54:23,280  
one week later one week exactly from uh

1438  
00:54:26,549 --> 00:54:24,400

from elkhorn

1439

00:54:28,710 --> 00:54:26,559

we met up with eric spinner another guy

1440

00:54:31,589 --> 00:54:28,720

that you should talk to great researcher

1441

00:54:33,750 --> 00:54:31,599

and art mac uh bigfoot researchers in

1442

00:54:35,270 --> 00:54:33,760

new jersey uh they took us down to an

1443

00:54:37,829 --> 00:54:35,280

area called the bowl

1444

00:54:39,349 --> 00:54:37,839

and it's about five miles into the pine

1445

00:54:40,150 --> 00:54:39,359

barrens okay you're familiar with it

1446

00:54:42,950 --> 00:54:40,160

okay

1447

00:54:44,950 --> 00:54:42,960

so the bowl meaning that

1448

00:54:46,950 --> 00:54:44,960

in this area where you're down below

1449

00:54:49,510 --> 00:54:46,960

where these things could get you know a

1450

00:54:51,910 --> 00:54:49,520

view of what you're doing you know

1451

00:54:55,109 --> 00:54:51,920

so we get in there we're what five miles

1452

00:54:57,030 --> 00:54:55,119

in and yeah oh my god so

1453

00:55:00,150 --> 00:54:57,040

we get we get in there thank god we had

1454

00:55:02,549 --> 00:55:00,160

dominic's truck that night thank you dom

1455

00:55:05,910 --> 00:55:02,559

we got in there and then we went about

1456

00:55:08,470 --> 00:55:05,920

five miles in not a soul around nobody

1457

00:55:10,710 --> 00:55:08,480

and we go six we bet went about 600

1458

00:55:13,589 --> 00:55:10,720

yards into the into the woods

1459

00:55:15,910 --> 00:55:13,599

and oh my god green scooter got there we

1460

00:55:19,349 --> 00:55:15,920

set up base camp dominic's talking to

1461

00:55:20,390 --> 00:55:19,359

art and we all heard that whoop that

1462

00:55:23,270 --> 00:55:20,400

everybody

1463

00:55:24,630 --> 00:55:23,280

hears that bigfoot and personally i

1464

00:55:26,309 --> 00:55:24,640

always see those shows and i'm thinking

1465

00:55:28,549 --> 00:55:26,319

to myself does that is that really what

1466

00:55:30,309 --> 00:55:28,559

it's what it sounded like yeah i'll be

1467

00:55:33,190 --> 00:55:30,319

damned that's not what we heard it was

1468

00:55:35,670 --> 00:55:33,200

just unbelievable so then his wife

1469

00:55:38,470 --> 00:55:35,680

eric's wife starts answering it back and

1470

00:55:41,030 --> 00:55:38,480

it starts talking back with her

1471

00:55:42,870 --> 00:55:41,040

and it was like not not once but like

1472

00:55:44,150 --> 00:55:42,880

four or five times it was just oh yeah

1473

00:55:45,750 --> 00:55:44,160

yeah

1474

00:55:48,950 --> 00:55:45,760

so that was one and we heard a whole

1475

00:55:52,630 --> 00:55:48,960

bunch of howls but the the odd thing was

1476

00:55:55,910 --> 00:55:52,640

uh the night of october 2nd eric was in

1477

00:55:58,870 --> 00:55:55,920

gettysburg he's out near you

1478

00:56:01,510 --> 00:55:58,880

he got the same similar

1479

00:56:03,750 --> 00:56:01,520

but at further distance howell

1480

00:56:06,150 --> 00:56:03,760

similar to what we got oh yeah well we

1481

00:56:08,230 --> 00:56:06,160

got bigfoot around here

1482

00:56:10,549 --> 00:56:08,240

so yeah we we we've had people report

1483

00:56:12,710 --> 00:56:10,559

them on to get on the battlefield before

1484

00:56:13,829 --> 00:56:12,720

so yeah yeah they're around here

1485

00:56:15,829 --> 00:56:13,839

interesting

1486

00:56:17,510 --> 00:56:15,839

huh

1487

00:56:19,270 --> 00:56:17,520

was amazing yeah you know the pond

1488

00:56:20,950 --> 00:56:19,280

barons is

1489

00:56:23,270 --> 00:56:20,960

talking about bigfoot activity i've had

1490

00:56:24,789 --> 00:56:23,280

a lot of crazy bigfoot out there

1491

00:56:26,150 --> 00:56:24,799

reported there

1492

00:56:27,910 --> 00:56:26,160

and uh

1493

00:56:29,510 --> 00:56:27,920

and the place has just freaked me out

1494

00:56:31,349 --> 00:56:29,520

anyway because i go in there and i get

1495

00:56:34,069 --> 00:56:31,359

this crazy feeling every time i go in

1496

00:56:36,710 --> 00:56:34,079

there yeah you know but uh absolutely

1497

00:56:39,030 --> 00:56:36,720

strange you know what elon dominic

1498

00:56:42,470 --> 00:56:39,040

dominic felt safer in the pine barrens

1499

00:56:45,349 --> 00:56:42,480

than he did in wisconsin yeah i did

1500

00:56:47,510 --> 00:56:45,359

well yeah the quarry i believe would

1501  
00:56:48,630 --> 00:56:47,520  
probably make you feel safer

1502  
00:56:49,589 --> 00:56:48,640  
yeah

1503  
00:56:51,109 --> 00:56:49,599  
um

1504  
00:56:52,230 --> 00:56:51,119  
interesting

1505  
00:56:53,109 --> 00:56:52,240  
well

1506  
00:56:55,270 --> 00:56:53,119  
folks

1507  
00:56:57,270 --> 00:56:55,280  
tell us how people can get a hold of you

1508  
00:57:02,789 --> 00:56:57,280  
and uh you know

1509  
00:57:04,870 --> 00:57:02,799  
let us know how folks can contact yeah

1510  
00:57:07,349 --> 00:57:04,880  
absolutely um well they can go right on

1511  
00:57:09,990 --> 00:57:07,359  
facebook uh bucks county paranormal

1512  
00:57:11,829 --> 00:57:10,000  
investigations on facebook uh we have a

1513  
00:57:14,390 --> 00:57:11,839

lot of great videos there they can send

1514

00:57:16,230 --> 00:57:14,400

us messages uh we also have a youtube

1515

00:57:18,549 --> 00:57:16,240

page uh bucks county paranormal

1516

00:57:20,470 --> 00:57:18,559

investigations uh working on a website

1517

00:57:22,549 --> 00:57:20,480

to get that up and running so

1518

00:57:25,510 --> 00:57:22,559

we can get some stories from people on a

1519

00:57:27,670 --> 00:57:25,520

lot of the cryptid encounters ufos

1520

00:57:30,069 --> 00:57:27,680

anything that people have encountered we

1521

00:57:31,990 --> 00:57:30,079

want to hear your story um and our

1522

00:57:33,910 --> 00:57:32,000

videos are basically you know we're

1523

00:57:36,390 --> 00:57:33,920

we're turning this into

1524

00:57:38,549 --> 00:57:36,400

uh you know paranormal tourism we're

1525

00:57:40,150 --> 00:57:38,559

showing people what what's out there in

1526

00:57:42,230 --> 00:57:40,160

their own backyard that they have no

1527

00:57:44,230 --> 00:57:42,240

idea and the rich history of a lot of

1528

00:57:46,150 --> 00:57:44,240

these great places that we're exploring

1529

00:57:48,150 --> 00:57:46,160

and and telling stories

1530

00:57:49,750 --> 00:57:48,160

and uh and then encountering these

1531

00:57:51,750 --> 00:57:49,760

incredible things

1532

00:57:54,470 --> 00:57:51,760

so it's uh it's it's really been

1533

00:57:56,470 --> 00:57:54,480

fascinating we've got a great team here

1534

00:57:58,150 --> 00:57:56,480

uh we also work with dom and we also

1535

00:58:01,430 --> 00:57:58,160

work with another spirit medium karen

1536

00:58:04,549 --> 00:58:01,440

luchan she's been working with us uh and

1537

00:58:08,230 --> 00:58:04,559

ellen um we've got some great sponsors

1538

00:58:10,150 --> 00:58:08,240

uh shanghai jazz will nicholson uh a

1539

00:58:12,549 --> 00:58:10,160

local restaurant mccoool's restaurant up

1540

00:58:14,630 --> 00:58:12,559

in in our area up here in quakertown so

1541

00:58:17,750 --> 00:58:14,640

these are people that are really really

1542

00:58:19,829 --> 00:58:17,760

fascinated by this by this these stories

1543

00:58:21,190 --> 00:58:19,839

and uh and we like to tell them and

1544

00:58:22,710 --> 00:58:21,200

thankfully we've got a lot of people

1545

00:58:24,710 --> 00:58:22,720

that have followed us

1546

00:58:26,150 --> 00:58:24,720

and uh love hearing the stories as well

1547

00:58:27,109 --> 00:58:26,160

and the way we're presenting it too is

1548

00:58:29,990 --> 00:58:27,119

very uh

1549

00:58:31,349 --> 00:58:30,000

energetic and family friendly and

1550

00:58:33,270 --> 00:58:31,359

it's uh

1551  
00:58:35,750 --> 00:58:33,280  
pretty cool yep and we're gonna be back

1552  
00:58:36,950 --> 00:58:35,760  
out in wisconsin the end of april and

1553  
00:58:39,030 --> 00:58:36,960  
then

1554  
00:58:40,710 --> 00:58:39,040  
also we're we're looking to try to get

1555  
00:58:42,230 --> 00:58:40,720  
back into hillcon

1556  
00:58:43,510 --> 00:58:42,240  
yeah we're going to be back at hill con

1557  
00:58:44,470 --> 00:58:43,520  
oh that's right long we're going to be

1558  
00:58:46,069 --> 00:58:44,480  
out

1559  
00:58:48,870 --> 00:58:46,079  
here neck of the woods in

1560  
00:58:50,950 --> 00:58:48,880  
august 13th is hillcon back at haunted

1561  
00:58:53,589 --> 00:58:50,960  
hill view manor

1562  
00:58:55,510 --> 00:58:53,599  
pittsburgh castle yeah in newcastle

1563  
00:58:57,829 --> 00:58:55,520

and uh dominic and i will be speaking

1564

00:58:59,030 --> 00:58:57,839

there and uh so it's gonna be a lot of

1565

00:59:00,870 --> 00:58:59,040

fun and we're trying to get into more

1566

00:59:02,870 --> 00:59:00,880

and more of the uh conventions cryptid

1567

00:59:04,870 --> 00:59:02,880

conventions and all kinds of different

1568

00:59:07,910 --> 00:59:04,880

things because this story what we

1569

00:59:09,270 --> 00:59:07,920

encountered in elkhorn has to be told

1570

00:59:11,349 --> 00:59:09,280

okay yes

1571

00:59:13,510 --> 00:59:11,359

well you you folks ever get out my way

1572

00:59:16,069 --> 00:59:13,520

adam's york county that area

1573

00:59:19,510 --> 00:59:16,079

yeah even maryland let me know

1574

00:59:21,270 --> 00:59:19,520

i was actually out uh last year we went

1575

00:59:23,910 --> 00:59:21,280

out to gettysburg and i was on the

1576

00:59:26,630 --> 00:59:23,920

battlefields and the just

1577

00:59:28,710 --> 00:59:26,640

being that i'm a medium the noise i i

1578

00:59:30,950 --> 00:59:28,720

mean it's just so intense

1579

00:59:33,349 --> 00:59:30,960

and i've got stories to tell you yeah

1580

00:59:34,950 --> 00:59:33,359

it's just crazy yeah but yeah we were

1581

00:59:36,630 --> 00:59:34,960

out there we went camping and we hiked

1582

00:59:38,309 --> 00:59:36,640

the battlefields and

1583

00:59:40,309 --> 00:59:38,319

phenomenal just phenomenal out in

1584

00:59:41,990 --> 00:59:40,319

gettysburg

1585

00:59:43,990 --> 00:59:42,000

well folks thanks for coming on this

1586

00:59:45,670 --> 00:59:44,000

evening and uh you have a nice weekend

1587

00:59:47,829 --> 00:59:45,680

and keep in touch

1588

00:59:49,270 --> 00:59:47,839

thank you thanks for having us thanks a

1589

00:59:51,109 --> 00:59:49,280

lot all right

1590

00:59:54,950 --> 00:59:51,119

bye-bye bye

1591

00:59:58,470 --> 00:59:56,710

now if you have an unexplained counter

1592

01:00:00,950 --> 00:59:58,480

sighting feel free to contact me through

1593

01:00:03,109 --> 01:00:00,960

the phantoms of monsters blog site

1594

01:00:05,030 --> 01:00:03,119

i want to again thank uh

1595

01:00:06,950 --> 01:00:05,040

eric mental and his team for joining me

1596

01:00:08,870 --> 01:00:06,960

this evening and and i want to thank

1597

01:00:09,910 --> 01:00:08,880

each and all of you for watching and

1598

01:00:12,309 --> 01:00:09,920

chatting

1599

01:00:14,390 --> 01:00:12,319

uh if you made a super chat donation

1600

01:00:16,870 --> 01:00:14,400

it's truly appreciated your support is

1601  
01:00:18,549 --> 01:00:16,880  
what makes this possible please like

1602  
01:00:20,549 --> 01:00:18,559  
subscribe and share

1603  
01:00:22,870 --> 01:00:20,559  
now next week my friend and colleague

1604  
01:00:25,430 --> 01:00:22,880  
timothy renner will join me

1605  
01:00:27,349 --> 01:00:25,440  
we'll be discussing strange and unusual

1606  
01:00:29,190 --> 01:00:27,359  
phenomena located

1607  
01:00:30,870 --> 01:00:29,200  
where i am south central pennsylvania

1608  
01:00:33,670 --> 01:00:30,880  
including witchcraft

1609  
01:00:35,510 --> 01:00:33,680  
folk magic bigfoot wing humanoids and

1610  
01:00:38,710 --> 01:00:35,520  
other cryptid activity in the area so be

1611  
01:00:41,030 --> 01:00:38,720  
sure to join this fascinating show

1612  
01:00:44,470 --> 01:00:41,040  
and i also want to note that

1613  
01:00:47,589 --> 01:00:44,480

our january 28th show will be a tribute

1614

01:00:48,470 --> 01:00:47,599

to our friend associate butch buckowski

1615

01:00:52,150 --> 01:00:48,480

who

1616

01:00:53,670 --> 01:00:52,160

suddenly departed from us yesterday so

1617

01:00:55,270 --> 01:00:53,680

mark that and that should be an

1618

01:00:58,309 --> 01:00:55,280

interesting show

1619

01:01:10,030 --> 01:00:58,319

so until next week stay healthy have a

1620

01:01:10,040 --> 01:01:22,670

[Music]

1621

01:01:22,680 --> 01:01:47,740

[Applause]
