Lon Strickler

Pennsylvanian Paranormal Researcher, Author, Illustrator, Musician

1
00:00:08,310 --> 00:00:06,710
the oldest and strongest human emotion

2
00:00:10,470 --> 00:00:08,320
is fear

3
00:00:11,509 --> 00:00:10,480
and the oldest and strongest type of

4
00:00:14,709 --> 00:00:11,519
fear

5
00:00:17,109 --> 00:00:14,719
is trepidation of the unknown

6
00:00:20,550 --> 00:00:17,119
when we were children our parents told

7
00:00:23,029 --> 00:00:20,560
us that monsters didn't exist

8
00:00:26,230 --> 00:00:23,039
but we were sure that something was

9
00:00:30,790 --> 00:00:26,240
lurking under the bed or in the closet

10
00:00:33,750 --> 00:00:30,800
fear sees even if our eyes are closed

11
00:00:36,069 --> 00:00:33,760
welcome to the realm of the arcane

12
00:00:38,389 --> 00:00:36,079
my name is lon stripler

13
00:00:39,510 --> 00:00:38,399

strange manifestations and remarkable

16

00:00:47,510 --> 00:00:44,480

realities

00:00:50,150 --> 00:00:47,520

18

00:00:52,630 --> 00:00:50,160

discovery to strange lands

19

00:00:54,150 --> 00:00:52,640

seeking not for new territory

20

00:00:55,670 --> 00:00:54,160

but for new knowledge of the

21

00:00:58,549 --> 00:00:55,680

supernatural

22

00:00:59,960 --> 00:00:58,559

radio programs including coast to coast

57
00:02:19,430 --> 00:02:17,280

58
00:02:21,430 --> 00:02:19,440
tim has written six titles including his

59
00:02:24,229 --> 00:02:21,440
most recent double volume of where the

60
00:02:25,750 --> 00:02:24,239
footprint ends which he co-authored with

61
00:02:28,390 --> 00:02:25,760
josh cutchen

62
00:02:30,470 --> 00:02:28,400
so uh tim thanks for coming on tonight

63
00:02:32,790 --> 00:02:30,480

Ion thanks for having me always love

64

00:02:35,830 --> 00:02:32,800

being here with you i appreciate it and

65

00:02:37,910 --> 00:02:35,840

i know you're a busy guy and you've been

66

00:02:40,869 --> 00:02:37,920

you've been writing a lot lately and i

67

00:02:43,589 --> 00:02:40,879

know how that is oh yeah uh but uh you

68

00:02:45,190 --> 00:02:43,599

know kind of give us an uh an update on

69

00:02:47,430 --> 00:02:45,200

what you've been up to and what you're

70

00:02:50,470 --> 00:02:47,440

planning on writing about

71

00:02:53,030 --> 00:02:50,480

yeah well my my most recent book

72

00:02:55,190 --> 00:02:53,040

is uh it's it's not generally available

73

00:02:57,270 --> 00:02:55,200

on amazon and such yet um because we did

74

00:03:00,630 --> 00:02:57,280

a special edition put up here it's

75

00:03:03,270 --> 00:03:00,640

called the witch cloud oh okay

76

00:03:08,149 --> 00:03:05,830

it's a it's a slim volume but uh we did

77

00:03:10,149 --> 00:03:08,159

it uh it's kind of a book and an

78

00:03:11,750 --> 00:03:10,159

audiobook in one

79

00:03:14,390 --> 00:03:11,760

so when you buy the it's a hardcover

80

00:03:16,949 --> 00:03:14,400

book when you buy the hardcover book you

81

00:03:18,949 --> 00:03:16,959

get a download of the audio but it's not

82

00:03:21,670 --> 00:03:18,959

just me reading the text

83

00:03:24,630 --> 00:03:21,680

uh what this is is it's an investigation

84

00:03:27,509 --> 00:03:24,640

of two haunted bridges in gettysburg

85

00:03:30,869 --> 00:03:27,519

uh sax covered bridge and

86

00:03:33,750 --> 00:03:30,879

the so-called suicide bridge right

87

00:03:35,509 --> 00:03:33,760

uh and

88

00:03:38,390 --> 00:03:35,519

we interviewed a lot of people on site

89

00:03:40,229 --> 00:03:38,400

so in the you know the audiobook instead

90

00:03:41,830 --> 00:03:40,239

of just me reading the interview i

91

00:03:42,949 --> 00:03:41,840

actually clip in the actual audio of the

92

00:03:45,110 --> 00:03:42,959

interview

93

00:03:47,190 --> 00:03:45,120

uh and if i talk about sounds we heard

94

00:03:49,110 --> 00:03:47,200

on the bridge with a lot of poltergeist

95

00:03:51,430 --> 00:03:49,120

activity on that uh eisenhower bridge

96

00:03:53,670 --> 00:03:51,440

it's what locals call suicide bridge

97

00:03:55,110 --> 00:03:53,680

over there crazy poltergeist activity

98

00:03:56,710 --> 00:03:55,120

there so we had a lot of bangs and

99

00:03:58,630 --> 00:03:56,720

knocks and stuff and instead of just

100

00:04:00,149 --> 00:03:58,640

talking about them where i could where i

101
00:04:02,309 --> 00:04:00,159
captured on tape i actually clip in the

102
00:04:04,149 --> 00:04:02,319
sound so if i'm talking about the sounds

103
00:04:06,390 --> 00:04:04,159
you actually hear the sounds so it's

104
00:04:07,670 --> 00:04:06,400
kind of like a multimedia book project i

105
00:04:10,229 --> 00:04:07,680
did

106
00:04:11,110 --> 00:04:10,239
uh so eventually that'll be on on amazon

107
00:04:12,710 --> 00:04:11,120
but of course you're not going to get

108
00:04:14,710 --> 00:04:12,720
the download with it on amazon it'll

109
00:04:16,550 --> 00:04:14,720
just be in book form there

110
00:04:19,030 --> 00:04:16,560
but right now you can get that uh

111
00:04:20,069 --> 00:04:19,040
directly from me you can find it

112
00:04:22,310 --> 00:04:20,079
uh

113
00:04:25,510 --> 00:04:22,320

all my links are expensive.com but you

114

00:04:27,510 --> 00:04:25,520

can find that at our etsy shop which we

115

00:04:29,110 --> 00:04:27,520

have links there or on

116

00:04:31,909 --> 00:04:29,120

our bandcamp page since it's an audio

117

00:04:34,070 --> 00:04:31,919

download i had to get that because that

118

00:04:35,909 --> 00:04:34,080

that interests me a lot you know i load

119

00:04:37,670 --> 00:04:35,919

the battlefield and um

120

00:04:40,550 --> 00:04:37,680

now that suicide bridge which bridge are

121

00:04:44,150 --> 00:04:40,560

you referring to so it's john eisenhower

122

00:04:46,550 --> 00:04:44,160

bridge okay it's right across from the

123

00:04:48,230 --> 00:04:46,560

eisenhower farm oh okay i know which one

124

00:04:51,110 --> 00:04:48,240

you're talking about

125

00:04:53,270 --> 00:04:51,120

really and i you know i've never even

126
00:04:55,510 --> 00:04:53,280
heard of anything happening over there

127
00:04:59,110 --> 00:04:55,520
oh my goodness so the first time i heard

128
00:05:02,150 --> 00:04:59,120
about that i was at a paranormal event

129
00:05:03,670 --> 00:05:02,160
you know conference up in scranton

130
00:05:05,270 --> 00:05:03,680
and

131
00:05:07,909 --> 00:05:05,280
i was new to it i think it might have

132
00:05:10,070 --> 00:05:07,919
been the first conference i ever did

133
00:05:11,430 --> 00:05:10,080
i think i had one book at the time you

134
00:05:12,950 --> 00:05:11,440
know i'm sitting at a table behind my

135
00:05:15,110 --> 00:05:12,960
book not a lot of action going on at my

136
00:05:16,710 --> 00:05:15,120
table at the time nobody knew who i was

137
00:05:18,710 --> 00:05:16,720
so i'm kind of eavesdropping next to me

138
00:05:20,390 --> 00:05:18,720

with this group of ghost hunters

139

00:05:22,390 --> 00:05:20,400

and i heard one of them say oh the the

140

00:05:23,510 --> 00:05:22,400

scariest place in gettysburg is suicide

141

00:05:25,590 --> 00:05:23,520

bridge

142

00:05:26,629 --> 00:05:25,600

and they described they said we went

143

00:05:27,749 --> 00:05:26,639

there one night and something was

144

00:05:29,670 --> 00:05:27,759

banging on the bridge something was

145

00:05:31,830 --> 00:05:29,680

banging on the bridge and i just put

146

00:05:34,550 --> 00:05:31,840

mental note in my head i was like okay i

147

00:05:36,790 --> 00:05:34,560

need to check this place out

148

00:05:38,629 --> 00:05:36,800

i went there the first time in i think

149

00:05:40,710 --> 00:05:38,639

was 2016

150

00:05:43,270 --> 00:05:40,720

with um

151

00:05:45,749 --> 00:05:43,280

adam from the conspira normal podcast he

152

00:05:47,110 --> 00:05:45,759

had been up here visiting and we just

153

00:05:48,710 --> 00:05:47,120

decided to go to gettysburg and i said

154

00:05:49,830 --> 00:05:48,720

hey i heard about this suicide bridge

155

00:05:50,950 --> 00:05:49,840

let's go there you know i heard about

156

00:05:52,550 --> 00:05:50,960

this place

157

00:05:55,270 --> 00:05:52,560

so we went there and frankly i was kind

158

00:05:56,950 --> 00:05:55,280

of unimpressed i went with him and

159

00:05:58,150 --> 00:05:56,960

not much happened i did take a photo

160

00:06:00,230 --> 00:05:58,160

that had a

161

00:06:01,830 --> 00:06:00,240

weird light in it

162

00:06:04,150 --> 00:06:01,840

but i didn't see that till after you

163

00:06:06,070 --> 00:06:04,160

know i got home and looked at my photos

164

00:06:08,070 --> 00:06:06,080

so it's kind of like eh and i did a lot

165

00:06:09,510 --> 00:06:08,080

of research like so the locals will tell

166

00:06:11,510 --> 00:06:09,520

you people killed themselves on the

167

00:06:13,110 --> 00:06:11,520

bridge and people hang themselves from

168

00:06:15,029 --> 00:06:13,120

the bridge they said

169

00:06:17,510 --> 00:06:15,039

i did all the research i could do on the

170

00:06:19,670 --> 00:06:17,520

place and never once found any evidence

171

00:06:20,550 --> 00:06:19,680

of that it's just it's just a story

172

00:06:21,909 --> 00:06:20,560

mm-hmm

173

00:06:23,590 --> 00:06:21,919

so i kind of wrote it off it's kind of

174

00:06:24,870 --> 00:06:23,600

ah you know it's one of those places

175

00:06:26,150 --> 00:06:24,880

people talk about but nothing much

176
00:06:28,790 --> 00:06:26,160
happens there

177
00:06:30,790 --> 00:06:28,800
well then i went again uh

178
00:06:32,790 --> 00:06:30,800
me and my buddy chad he's kind of the

179
00:06:34,550 --> 00:06:32,800
investigation partner

180
00:06:35,590 --> 00:06:34,560
um we were in gettysburg we were night

181
00:06:37,670 --> 00:06:35,600
hike in the battlefields and

182
00:06:38,950 --> 00:06:37,680
battlefields closed at 10. so we we were

183
00:06:41,110 --> 00:06:38,960
done at 10

184
00:06:42,950 --> 00:06:41,120
had to get off the fields and i was like

185
00:06:44,390 --> 00:06:42,960
well where do you want to go well hey

186
00:06:46,870 --> 00:06:44,400
let's go you know i told him about this

187
00:06:49,029 --> 00:06:46,880
place i said i don't think much you know

188
00:06:50,070 --> 00:06:49,039

of it but let's go and check it out

189

00:06:52,309 --> 00:06:50,080

again

190

00:06:55,589 --> 00:06:52,319

well my goodness the second time we went

191

00:06:57,110 --> 00:06:55,599

it was nuts and uh we met people on the

192

00:06:59,350 --> 00:06:57,120

bridge we met witnesses on the bridge

193

00:07:00,710 --> 00:06:59,360

were literally like shaking they're like

194

00:07:02,469 --> 00:07:00,720

there's a couple and they're like

195

00:07:04,710 --> 00:07:02,479

holding each other close and like oh my

196

00:07:05,749 --> 00:07:04,720

god you know this place is nuts and i'm

197

00:07:08,870 --> 00:07:05,759

like what

198

00:07:11,350 --> 00:07:08,880

and from that night it just

199

00:07:13,029 --> 00:07:11,360

just like i said just bangs and on the

200

00:07:14,390 --> 00:07:13,039

bridge and

201
00:07:16,710 --> 00:07:14,400
a lot of knocks and stuff a lot of

202
00:07:18,070 --> 00:07:16,720
poltergeist type stuff and people

203
00:07:20,150 --> 00:07:18,080
were saying well it's the bridge

204
00:07:22,230 --> 00:07:20,160
expanding and contracting

205
00:07:24,390 --> 00:07:22,240
well we've had this all times a year

206
00:07:26,390 --> 00:07:24,400
these sounds we've had in the middle of

207
00:07:27,350 --> 00:07:26,400
winter we've had it in the summer we've

208
00:07:29,029 --> 00:07:27,360
had it

209
00:07:30,469 --> 00:07:29,039
you know two in the morning when the

210
00:07:32,390 --> 00:07:30,479
temperature changes should be you know

211
00:07:34,230 --> 00:07:32,400
should be well done for the day

212
00:07:36,150 --> 00:07:34,240
and the knocks come from the bridge they

213
00:07:37,670 --> 00:07:36,160

come from underneath the bridge they

214

00:07:39,270 --> 00:07:37,680

come from the wooden part of the bridge

215

00:07:40,790 --> 00:07:39,280

the metal part of the bridge is it's an

216

00:07:42,390 --> 00:07:40,800

iron bridge and they come from the area

217

00:07:45,029 --> 00:07:42,400

around the bridge you can hear them in

218

00:07:46,230 --> 00:07:45,039

the trees and stuff around so

219

00:07:48,070 --> 00:07:46,240

it's not the bridge expanding

220

00:07:49,749 --> 00:07:48,080

contracting it's it's

221

00:07:51,350 --> 00:07:49,759

genuinely weird it's a genuinely weird

222

00:07:52,869 --> 00:07:51,360

place

223

00:07:54,309 --> 00:07:52,879

i've been i've been impressed by it and

224

00:07:56,309 --> 00:07:54,319

we've had

225

00:07:58,469 --> 00:07:56,319

you know we had two nights i think in

226

00:08:01,270 --> 00:07:58,479

the book i cover four visits

227

00:08:03,510 --> 00:08:01,280

we had two that were pretty intense and

228

00:08:05,350 --> 00:08:03,520

then another one that was just kind of

229

00:08:06,790 --> 00:08:05,360

yeah you know you can't guarantee

230

00:08:07,990 --> 00:08:06,800

stuff's gonna happen every time you go

231

00:08:09,909 --> 00:08:08,000

someplace but

232

00:08:11,430 --> 00:08:09,919

the two nights we had that were

233

00:08:14,150 --> 00:08:11,440

intense were enough to convince me that

234

00:08:16,150 --> 00:08:14,160

uh there's something to this place well

235

00:08:18,150 --> 00:08:16,160

i'm going to check that out yeah i'll go

236

00:08:20,950 --> 00:08:18,160

out there with you oh absolutely i'd

237

00:08:22,469 --> 00:08:20,960

love to go out there now saxbridge now

238

00:08:24,950 --> 00:08:22,479

everybody i think everybody in the world

239

00:08:27,029 --> 00:08:24,960

knows about saxbridge

240

00:08:28,550 --> 00:08:27,039

so you know i have experienced a lot of

241

00:08:32,630 --> 00:08:28,560

things out there

242

00:08:34,469 --> 00:08:32,640

uh i've seen apparitions seeing a lot of

243

00:08:36,310 --> 00:08:34,479

a lot of smoky type

244

00:08:38,230 --> 00:08:36,320

apparitions and

245

00:08:40,709 --> 00:08:38,240

a lot of orbs and such

246

00:08:42,949 --> 00:08:40,719

what did you guys what did you

247

00:08:45,750 --> 00:08:42,959

experience while you were out there

248

00:08:48,230 --> 00:08:45,760

well the thing with saxbridge is

249

00:08:49,910 --> 00:08:48,240

it's such a popular place

250

00:08:51,030 --> 00:08:49,920

that it's hard to get a moment there

251

00:08:53,269 --> 00:08:51,040

alone

252

00:08:55,509 --> 00:08:53,279

yeah i agree i know all night long

253

00:08:56,790 --> 00:08:55,519

especially if the weather's warm like

254

00:08:59,190 --> 00:08:56,800

now in the winter you might be able to

255

00:09:01,269 --> 00:08:59,200

get some time there but

256

00:09:02,949 --> 00:09:01,279

if it's warm enough to be outside and

257

00:09:04,630 --> 00:09:02,959

it's kind of enjoyed the night that

258

00:09:06,150 --> 00:09:04,640

bridge is going to be packed right

259

00:09:07,829 --> 00:09:06,160

there's usually ghost hunters there and

260

00:09:09,750 --> 00:09:07,839

they they come and they they have

261

00:09:11,670 --> 00:09:09,760

suitcases of equipment they'll just

262

00:09:13,190 --> 00:09:11,680

unload and

263

00:09:14,870 --> 00:09:13,200

people are walking around with you know

264

00:09:16,150 --> 00:09:14,880

those phone apps and

265

00:09:17,110 --> 00:09:16,160

and stuff that are supposed to find

266

00:09:19,829 --> 00:09:17,120

ghosts you know they're holding their

267

00:09:22,630 --> 00:09:19,839

phone up and everybody has ghost boxes

268

00:09:24,230 --> 00:09:22,640

and everything and and so we didn't we

269

00:09:26,070 --> 00:09:24,240

just didn't get a lot of alone time on

270

00:09:29,190 --> 00:09:26,080

the bridge and and

271

00:09:31,509 --> 00:09:29,200

i think part of it is um

272

00:09:33,910 --> 00:09:31,519

at least part of our theory with this

273

00:09:36,470 --> 00:09:33,920

with the at least with the uh eisenhower

274

00:09:39,190 --> 00:09:36,480

bridge the the iron bridge

275

00:09:41,670 --> 00:09:39,200

is that um

276

00:09:44,470 --> 00:09:41,680

whatever's there like if there's might

277

00:09:46,630 --> 00:09:44,480

be drawing energy from us

278

00:09:48,150 --> 00:09:46,640

and if there's a lot of people there you

279

00:09:52,150 --> 00:09:48,160

don't experience as much because it's

280

00:09:53,829 --> 00:09:52,160

got a bigger source to draw from

281

00:09:55,509 --> 00:09:53,839

again this is just we don't know this is

282

00:09:59,590 --> 00:09:55,519

just a kind of a working theory that

283

00:10:01,350 --> 00:09:59,600

that's a that's a good that's a good um

284

00:10:04,710 --> 00:10:01,360

theory i mean i'll be honest that's a

285

00:10:06,550 --> 00:10:04,720

good theory and i i agree with that um

286

00:10:09,350 --> 00:10:06,560

yeah because i've been out there alone

287

00:10:10,949 --> 00:10:09,360

several times and it's like

288

00:10:13,190 --> 00:10:10,959

you know that's when i'm you're alone

289

00:10:14,230 --> 00:10:13,200

it's you know a lot more happens

290

00:10:19,269 --> 00:10:14,240

yeah

291

00:10:20,790 --> 00:10:19,279

it seems like crazy like it can be nuts

292

00:10:22,150 --> 00:10:20,800

but and again we just didn't have a lot

293

00:10:24,550 --> 00:10:22,160

of alone time

294

00:10:25,829 --> 00:10:24,560

unfortunately on saks bridge um chad had

295

00:10:28,069 --> 00:10:25,839

experienced some stuff there at like

296

00:10:29,509 --> 00:10:28,079

five in the morning by himself he got to

297

00:10:31,670 --> 00:10:29,519

talk about

298

00:10:33,030 --> 00:10:31,680

we did have we went in the woods beyond

299

00:10:35,750 --> 00:10:33,040

sachs bridge

300

00:10:37,430 --> 00:10:35,760

and got away from people and we had some

301

00:10:38,550 --> 00:10:37,440

interesting stuff there and and i talked

302

00:10:39,750 --> 00:10:38,560

to somebody else who'd been out there

303

00:10:41,350 --> 00:10:39,760

and he said you know on the bridge i

304

00:10:42,870 --> 00:10:41,360

didn't get much but when i got away from

305

00:10:44,870 --> 00:10:42,880

it into those woods

306

00:10:45,750 --> 00:10:44,880

that's when we got some stuff nothing

307

00:10:47,829 --> 00:10:45,760

too

308

00:10:50,389 --> 00:10:47,839

you know uh mind-blowing the the

309

00:10:53,670 --> 00:10:50,399

interesting thing about saxbridge that

310

00:10:54,870 --> 00:10:53,680

kind of tied in with the whole project

311

00:10:56,710 --> 00:10:54,880

is the um

312

00:10:57,990 --> 00:10:56,720

the story of the the supposed hang

313

00:10:59,430 --> 00:10:58,000

soldiers there

314

00:11:00,550 --> 00:10:59,440

there's three confederate soldiers that

315

00:11:02,949 --> 00:11:00,560

were hanging there

316

00:11:05,829 --> 00:11:02,959

great story i don't know if it's true if

317

00:11:06,870 --> 00:11:05,839

you look back there's no proof of this

318

00:11:11,430 --> 00:11:06,880

but

319

00:11:13,430 --> 00:11:11,440

soldiers there and i have seen one i

320

00:11:15,350 --> 00:11:13,440

believe people when they say that yeah

321

00:11:17,110 --> 00:11:15,360

so it's almost like

322

00:11:18,710 --> 00:11:17,120

are we talking about

323

00:11:19,990 --> 00:11:18,720

you know traditional ghosts meaning the

324

00:11:21,509 --> 00:11:20,000

souls of dead people are we talking

325

00:11:24,230 --> 00:11:21,519

about something else

326

00:11:27,430 --> 00:11:24,240

that's sort of mock you know using that

327

00:11:30,389 --> 00:11:27,440

residual right yeah yeah

328

00:11:32,470 --> 00:11:30,399

and so that that's the question the the

329

00:11:33,990 --> 00:11:32,480

kind of the nature of of

330

00:11:36,230 --> 00:11:34,000

ghosts in general but particularly the

331

00:11:37,910 --> 00:11:36,240

ghosts that are in that area

332

00:11:40,470 --> 00:11:37,920

that we talk about a little bit in the

333

00:11:43,269 --> 00:11:40,480

book and again it's all you know

334

00:11:44,790 --> 00:11:43,279

you know so much of this stuff is is

335

00:11:45,750 --> 00:11:44,800

you come up with theories and you test

336

00:11:47,110 --> 00:11:45,760

them and

337

00:11:48,470 --> 00:11:47,120

you never know if they're right or wrong

338

00:11:50,310 --> 00:11:48,480

but you know

339

00:11:52,870 --> 00:11:50,320

you know the historical accounts that i

340

00:11:54,230 --> 00:11:52,880

came across because you know i've been

341

00:11:55,430 --> 00:11:54,240

looking into a lot of this stuff for

342

00:11:56,949 --> 00:11:55,440

years

343

00:11:59,350 --> 00:11:56,959

was now i don't know the stories you

344

00:12:01,110 --> 00:11:59,360

heard about sex but

345

00:12:02,870 --> 00:12:01,120

basically

346

00:12:04,790 --> 00:12:02,880

when the confederates were withdrawing

347

00:12:08,550 --> 00:12:04,800

from gettysburg

348

00:12:09,590 --> 00:12:08,560

they had captured several uh

349

00:12:11,829 --> 00:12:09,600

awol

350

00:12:13,829 --> 00:12:11,839

yes yep and those are the ones they were

351

00:12:16,710 --> 00:12:13,839

hanging from the bridge basically as a

352

00:12:18,389 --> 00:12:16,720

warning to anybody else who got the idea

353

00:12:21,509 --> 00:12:18,399

that if they wanted to take off this is

354

00:12:23,670 --> 00:12:21,519

what was going to happen right yeah uh i

355

00:12:24,389 --> 00:12:23,680

do know

356

00:12:26,870 --> 00:12:24,399

that

357

00:12:30,550 --> 00:12:26,880

when they were withdrawing

358

00:12:31,910 --> 00:12:30,560

they had limited space as far as wagons

359

00:12:34,710 --> 00:12:31,920

and stuff and

360

00:12:36,870 --> 00:12:34,720

a lot of a lot of times what they did

361

00:12:38,870 --> 00:12:36,880

was the soldiers who were critically

362

00:12:40,310 --> 00:12:38,880

injured or close to death they would

363

00:12:43,190 --> 00:12:40,320

take them and lay them

364

00:12:45,190 --> 00:12:43,200
on the banks of the of the creek

365

00:12:47,110 --> 00:12:45,200
so you know that's where they you know

366

00:12:48,069 --> 00:12:47,120
they would die at

367

00:12:50,389 --> 00:12:48,079
and

368

00:12:52,069 --> 00:12:50,399
you know i only found a couple counts

369

00:12:54,389 --> 00:12:52,079
that ever mentioned this these were in

370

00:12:58,230 --> 00:12:54,399
private letters from soldiers

371

00:13:00,949 --> 00:12:58,240
but uh that seems to be what happened

372

00:13:02,870 --> 00:13:00,959
that's interesting and that's

373

00:13:04,870 --> 00:13:02,880
you know again it's hard to prove the

374

00:13:07,269 --> 00:13:04,880
hanging thing like it's just

375

00:13:08,629 --> 00:13:07,279
it's a story that every that they tell

376

00:13:10,710 --> 00:13:08,639

and and

377

00:13:12,790 --> 00:13:10,720

uh some historians seem to give it

378

00:13:13,910 --> 00:13:12,800

credence and others say you know they

379

00:13:16,389 --> 00:13:13,920

don't know

380

00:13:18,389 --> 00:13:16,399

um but that sounds real

381

00:13:19,509 --> 00:13:18,399

absolutely logical like they're just

382

00:13:20,870 --> 00:13:19,519

gonna leave

383

00:13:22,949 --> 00:13:20,880

people there along the creeks i mean

384

00:13:25,430 --> 00:13:22,959

yeah uh and in fact

385

00:13:27,030 --> 00:13:25,440

a lot of times

386

00:13:29,990 --> 00:13:27,040

and you know what and i know at

387

00:13:32,870 --> 00:13:30,000

gettysburg it happened uh a lot of the

388

00:13:34,949 --> 00:13:32,880

soldiers who were in really bad shape

389

00:13:37,190 --> 00:13:34,959

were just left

390

00:13:39,430 --> 00:13:37,200

figuring that the the the union would

391

00:13:41,350 --> 00:13:39,440

the unions uh the sanitary commission

392

00:13:44,389 --> 00:13:41,360

then would take care of these these

393

00:13:46,550 --> 00:13:44,399

soldiers yeah uh

394

00:13:48,550 --> 00:13:46,560

but yeah that's that's from what i

395

00:13:50,150 --> 00:13:48,560

understand happened now of course many

396

00:13:52,790 --> 00:13:50,160

of the soldiers they recovered they

397

00:13:53,990 --> 00:13:52,800

probably died anyway in a camp

398

00:13:55,030 --> 00:13:54,000

but uh

399

00:13:56,710 --> 00:13:55,040

yeah

400

00:13:58,790 --> 00:13:56,720

that's that that's from what i

401
00:14:00,389 --> 00:13:58,800
understand now

402
00:14:02,790 --> 00:14:00,399
i don't know you know you're right you

403
00:14:04,069 --> 00:14:02,800
know you don't know how true it is

404
00:14:05,590 --> 00:14:04,079
yeah

405
00:14:07,430 --> 00:14:05,600
i did turn up some other interesting

406
00:14:08,629 --> 00:14:07,440
stories there's a story i turned up of

407
00:14:10,550 --> 00:14:08,639
um

408
00:14:12,550 --> 00:14:10,560
uh i know that

409
00:14:15,269 --> 00:14:12,560
we don't use the term in modern times

410
00:14:17,110 --> 00:14:15,279
gypsy i know they prefer romney it's not

411
00:14:19,269 --> 00:14:17,120
the term but in the papers they referred

412
00:14:21,269 --> 00:14:19,279
to him as gypsies that had camped right

413
00:14:23,590 --> 00:14:21,279

there along will be run which is right

414

00:14:24,629 --> 00:14:23,600

where eisenhower bridges right and they

415

00:14:26,389 --> 00:14:24,639

were uh

416

00:14:28,870 --> 00:14:26,399

they tried to run him out of town this

417

00:14:32,389 --> 00:14:28,880

is in the early 1900s

418

00:14:33,350 --> 00:14:32,399

and uh they i guess the sheriff arrested

419

00:14:35,829 --> 00:14:33,360

him

420

00:14:37,670 --> 00:14:35,839

and they had to pay their fine and then

421

00:14:38,790 --> 00:14:37,680

they they just had to pay a license and

422

00:14:40,470 --> 00:14:38,800

then they stayed there and they said

423

00:14:42,470 --> 00:14:40,480

they they were telling fortunes right

424

00:14:43,670 --> 00:14:42,480

there along the bank and they said we're

425

00:14:45,829 --> 00:14:43,680

staying just long enough to make our

426
00:14:46,629 --> 00:14:45,839
money back and then we'll then we'll

427
00:14:48,790 --> 00:14:46,639
leave

428
00:14:49,750 --> 00:14:48,800
so that was an interesting detail

429
00:14:51,430 --> 00:14:49,760
i found there i thought that was

430
00:14:53,269 --> 00:14:51,440
interesting that you know they here we

431
00:14:54,710 --> 00:14:53,279
have fortune tellers along the bank of

432
00:14:57,670 --> 00:14:54,720
will be run

433
00:15:00,870 --> 00:14:57,680
and uh no i didn't find any suicides and

434
00:15:03,509 --> 00:15:00,880
i asked i ran into some local um

435
00:15:04,949 --> 00:15:03,519
the guides for ghost hunters there

436
00:15:07,430 --> 00:15:04,959
and i heard one telling the story one

437
00:15:09,110 --> 00:15:07,440
night very nice guy named clinton

438
00:15:10,949 --> 00:15:09,120

and he's he's telling his group the

439

00:15:12,550 --> 00:15:10,959

story about some guy who killed himself

440

00:15:13,750 --> 00:15:12,560

on the bridge and and i just waited till

441

00:15:14,949 --> 00:15:13,760

he was done i said hey do you mind if i

442

00:15:16,150 --> 00:15:14,959

ask you a question i know i'm not on

443

00:15:17,990 --> 00:15:16,160

your tour i don't want to take up your

444

00:15:20,150 --> 00:15:18,000

time he's like oh no go ahead i said

445

00:15:21,829 --> 00:15:20,160

where does that story come from and he

446

00:15:24,710 --> 00:15:21,839

kind of paused he's like i think it's

447

00:15:27,430 --> 00:15:24,720

just folklore i don't like okay

448

00:15:29,269 --> 00:15:27,440

all right but i did find a story a

449

00:15:31,590 --> 00:15:29,279

couple stories of

450

00:15:33,829 --> 00:15:31,600

from the early 1900s somebody ran his

451

00:15:35,509 --> 00:15:33,839

horse into the sidewall of the bridge

452

00:15:37,269 --> 00:15:35,519

there and they had to put a horse down

453

00:15:39,189 --> 00:15:37,279

on the bridge which is a pretty

454

00:15:43,269 --> 00:15:39,199

that's a pretty rough thing

455

00:15:44,470 --> 00:15:43,279

and then uh in the 80s a guy

456

00:15:45,829 --> 00:15:44,480

used to be able to drive on the bridge

457

00:15:47,910 --> 00:15:45,839

he can't anymore

458

00:15:49,749 --> 00:15:47,920

and a guy was coming down

459

00:15:51,829 --> 00:15:49,759

red rock road which the bridge comes off

460

00:15:54,310 --> 00:15:51,839

of and he didn't make the turn and he

461

00:15:57,189 --> 00:15:54,320

flipped his truck over into the creek

462

00:15:59,910 --> 00:15:57,199

right at the bridge and he died there so

463

00:16:00,870 --> 00:15:59,920

there there is some differences

464

00:16:02,629 --> 00:16:00,880

yeah

465

00:16:04,470 --> 00:16:02,639

there it's just i just that's the

466

00:16:06,150 --> 00:16:04,480

suicides i just i don't think so i just

467

00:16:08,949 --> 00:16:06,160

haven't found him

468

00:16:10,629 --> 00:16:08,959

well now we're talking about gettysburg

469

00:16:13,350 --> 00:16:10,639

what are your favorite spots there i

470

00:16:14,150 --> 00:16:13,360

mean as far as activity

471

00:16:16,310 --> 00:16:14,160

well

472

00:16:18,389 --> 00:16:16,320

it i mean right now it's that it's that

473

00:16:20,550 --> 00:16:18,399

eisenhower bridge i think it had so much

474

00:16:24,150 --> 00:16:20,560

there uh that i will go back there every

475

00:16:26,470 --> 00:16:24,160

time devil's den has always been

476

00:16:29,030 --> 00:16:26,480

fruitful uh for me i've i've never never

477

00:16:31,430 --> 00:16:29,040

had anything as far as like apparitions

478

00:16:32,870 --> 00:16:31,440

i've seen some amazing photos though

479

00:16:34,949 --> 00:16:32,880

that people have taken there of

480

00:16:37,749 --> 00:16:34,959

operations that have been just stunning

481

00:16:39,670 --> 00:16:37,759

uh but one guy put one up in some

482

00:16:41,189 --> 00:16:39,680

facebook group and it showed

483

00:16:42,710 --> 00:16:41,199

like a whole gathering of soldiers and

484

00:16:43,749 --> 00:16:42,720

these weren't reenactors i mean if they

485

00:16:45,670 --> 00:16:43,759

were

486

00:16:48,069 --> 00:16:45,680

you know i think he was there

487

00:16:50,790 --> 00:16:48,079

very early in the morning and

488

00:16:52,550 --> 00:16:50,800

just just this amazing group of

489

00:16:54,150 --> 00:16:52,560

would look like apparitions to me this

490

00:16:55,910 --> 00:16:54,160

person had taken

491

00:16:57,269 --> 00:16:55,920

in the triangle field right there next

492

00:17:02,230 --> 00:16:57,279

to

493

00:17:05,750 --> 00:17:02,240

that's always a favorite place and

494

00:17:07,110 --> 00:17:05,760

uh in the woods near there we've uh

495

00:17:08,630 --> 00:17:07,120

we've hiked through there at night and

496

00:17:12,309 --> 00:17:08,640

had some some pretty interesting stuff

497

00:17:14,309 --> 00:17:12,319

as well that woods is very haunted yeah

498

00:17:16,470 --> 00:17:14,319

uh you know from devils down through the

499

00:17:20,309 --> 00:17:16,480

woods back into the wheat field

500

00:17:22,470 --> 00:17:20,319

i've heard all kinds of stories um

501
00:17:24,230 --> 00:17:22,480
i had a um

502
00:17:26,549 --> 00:17:24,240
i had a ranger one of the rangers out

503
00:17:28,789 --> 00:17:26,559
there told me a story about um

504
00:17:31,270 --> 00:17:28,799
he had a couple women that were came up

505
00:17:33,270 --> 00:17:31,280
to him and complimented him on all those

506
00:17:35,430 --> 00:17:33,280
soldiers that were doing the reenactment

507
00:17:36,870 --> 00:17:35,440
out in the wheat field

508
00:17:38,549 --> 00:17:36,880
and he said what are you and this is

509
00:17:40,470 --> 00:17:38,559
during the day and he said what are you

510
00:17:42,870 --> 00:17:40,480
talking about just

511
00:17:45,350 --> 00:17:42,880
oh we saw all these union soldiers

512
00:17:46,950 --> 00:17:45,360
marching through the wheat field and you

513
00:17:49,510 --> 00:17:46,960

know in that area back which he pointed

514

00:17:51,190 --> 00:17:49,520

to out in the area and

515

00:17:53,830 --> 00:17:51,200

well those aren't reenactors we don't

516

00:17:56,789 --> 00:17:53,840

have any reenactors here today

517

00:17:59,110 --> 00:17:56,799

so uh yeah and that's about the area

518

00:18:02,070 --> 00:17:59,120

where i had my encounter year when i was

519

00:18:04,710 --> 00:18:02,080

a kid uh where everything opened up and

520

00:18:07,029 --> 00:18:04,720

i was i was basically part of the battle

521

00:18:10,070 --> 00:18:07,039

for about 30 seconds oh wow like a like

522

00:18:12,390 --> 00:18:10,080

a time slip kind of thing yeah oh wow

523

00:18:14,310 --> 00:18:12,400

uh yeah i mean it was i was on my bike i

524

00:18:15,590 --> 00:18:14,320

was like 9 or 10 at the time and i used

525

00:18:17,669 --> 00:18:15,600

to go out there all the time when i was

526

00:18:19,830 --> 00:18:17,679

a kid because i used to get on my bike

527

00:18:21,830 --> 00:18:19,840

and ride up 116 and just go to the

528

00:18:24,470 --> 00:18:21,840

battlefield oh wow because i was living

529

00:18:26,549 --> 00:18:24,480

in hanover then and um

530

00:18:28,310 --> 00:18:26,559

yeah i'd spend a day there but i was

531

00:18:30,230 --> 00:18:28,320

coming on the access road there and back

532

00:18:33,510 --> 00:18:30,240

then they had the old cattle

533

00:18:34,870 --> 00:18:33,520

greats and everything on there as well

534

00:18:37,669 --> 00:18:34,880

but uh

535

00:18:39,830 --> 00:18:37,679

yeah i i had sitting on my bike right

536

00:18:43,590 --> 00:18:39,840

there in the valley of death right there

537

00:18:46,710 --> 00:18:43,600

looking up to um little round top and

538

00:18:49,430 --> 00:18:46,720

it's like a screen opened up

539

00:18:51,750 --> 00:18:49,440

like a tv screen opened up and i was

540

00:18:54,390 --> 00:18:51,760

seeing soldiers

541

00:18:56,470 --> 00:18:54,400

smelling gun powder hearing cannon fire

542

00:19:00,310 --> 00:18:56,480

the whole i'm like for 30 seconds

543

00:19:02,470 --> 00:19:00,320

wow and that is the day that i really i

544

00:19:04,789 --> 00:19:02,480

realized that i had some intuitive

545

00:19:06,870 --> 00:19:04,799

ability i mean i i knew i had something

546

00:19:08,789 --> 00:19:06,880

going on but you know your kid you don't

547

00:19:11,510 --> 00:19:08,799

know anything about it right right

548

00:19:12,950 --> 00:19:11,520

but yeah ever since that time

549

00:19:14,950 --> 00:19:12,960

those are some of my favorite stories

550

00:19:16,870 --> 00:19:14,960

the sort of time slips that you and you

551

00:19:18,630 --> 00:19:16,880

hear a good bit about gettysburg you

552

00:19:19,830 --> 00:19:18,640

know at least maybe because i'm local

553

00:19:22,390 --> 00:19:19,840

i've heard it more about gettysburg than

554

00:19:23,990 --> 00:19:22,400

anywhere else but yeah where people

555

00:19:26,070 --> 00:19:24,000

one of my favorite stories is there's

556

00:19:27,430 --> 00:19:26,080

the story of the people in the old uh is

557

00:19:28,950 --> 00:19:27,440

it the orphanage the old hospital or

558

00:19:30,710 --> 00:19:28,960

whatever where they they came down the

559

00:19:32,150 --> 00:19:30,720

doors open and then they just basically

560

00:19:33,909 --> 00:19:32,160

stepped into

561

00:19:35,990 --> 00:19:33,919

into a a horror show because it was

562

00:19:39,029 --> 00:19:36,000

being used as a field hospital yeah in

563

00:19:41,110 --> 00:19:39,039

that in that word the uh the old uh

564

00:19:43,990 --> 00:19:41,120

hall of presidents was or something i

565

00:19:45,830 --> 00:19:44,000

think so i think around that area yeah

566

00:19:47,669 --> 00:19:45,840

yeah and just some amazing stories of

567

00:19:49,510 --> 00:19:47,679

that and so fascinating and then the

568

00:19:51,270 --> 00:19:49,520

stories where people

569

00:19:52,630 --> 00:19:51,280

pick up soldiers as hitchhikers

570

00:19:53,909 --> 00:19:52,640

essentially and you know they'll

571

00:19:55,830 --> 00:19:53,919

actually like climb in the back of their

572

00:19:59,270 --> 00:19:55,840

trucks and stuff and yeah

573

00:20:01,750 --> 00:19:59,280

you know just amazing stories with that

574

00:20:03,110 --> 00:20:01,760

gettysburg is a special place it has

575

00:20:04,789 --> 00:20:03,120

kind of a

576

00:20:06,549 --> 00:20:04,799

you know has kind of what i call a ghost

577

00:20:07,990 --> 00:20:06,559

economy there where they have these

578

00:20:09,750 --> 00:20:08,000

tours and stuff and i think because of

579

00:20:12,630 --> 00:20:09,760

that some people kind of it gets a

580

00:20:14,870 --> 00:20:12,640

little cheesy sometimes yeah but it it's

581

00:20:16,149 --> 00:20:14,880

an amazing place it really is and

582

00:20:17,830 --> 00:20:16,159

i always tell people

583

00:20:19,510 --> 00:20:17,840

visit during the day

584

00:20:21,430 --> 00:20:19,520

and and take it all in but stay till

585

00:20:23,350 --> 00:20:21,440

night because the whole atmosphere

586

00:20:24,710 --> 00:20:23,360

changes at night it really becomes a

587

00:20:25,909 --> 00:20:24,720

different place

588

00:20:27,510 --> 00:20:25,919

yep

589

00:20:31,190 --> 00:20:27,520

it does

590

00:20:32,470 --> 00:20:31,200

and i we we stayed a couple nights there

591

00:20:33,590 --> 00:20:32,480

recently

592

00:20:34,630 --> 00:20:33,600

you know even though it's just down the

593

00:20:36,310 --> 00:20:34,640

street

594

00:20:38,390 --> 00:20:36,320

i um

595

00:20:39,590 --> 00:20:38,400

and it does you can kind of sense it you

596

00:20:41,830 --> 00:20:39,600

know i

597

00:20:44,149 --> 00:20:41,840

you know we were out of devil's den then

598

00:20:45,110 --> 00:20:44,159

of course i always go up to the 20th

599

00:20:47,029 --> 00:20:45,120

main

600

00:20:48,870 --> 00:20:47,039

uh uh

601
00:20:50,149 --> 00:20:48,880
infantry line up there and you know we

602
00:20:51,750 --> 00:20:50,159
went up there and of course there's

603
00:20:54,470 --> 00:20:51,760
always tours there

604
00:20:57,110 --> 00:20:54,480
uh the the the uh

605
00:20:58,870 --> 00:20:57,120
the army college always brings soldiers

606
00:21:01,990 --> 00:20:58,880
in there for tours

607
00:21:03,430 --> 00:21:02,000
but every time i go it's like i i just

608
00:21:06,149 --> 00:21:03,440
sense

609
00:21:08,549 --> 00:21:06,159
what's going on there it it it it never

610
00:21:11,350 --> 00:21:08,559
fails yeah yeah it's it's an amazing

611
00:21:13,750 --> 00:21:11,360
place i just i love it and we're lucky

612
00:21:15,270 --> 00:21:13,760
you know to be into this kind of stuff

613
00:21:17,270 --> 00:21:15,280

as close to gettysburg as we are we're

614

00:21:19,830 --> 00:21:17,280

very very lucky

615

00:21:21,430 --> 00:21:19,840

well and now you know not talking about

616

00:21:23,510 --> 00:21:21,440

gettysburg and going a little further

617

00:21:25,430 --> 00:21:23,520

west of route 30 you know

618

00:21:29,430 --> 00:21:25,440

then we talked about

619

00:21:30,630 --> 00:21:29,440

up to uh misho and uh bigfoot activity

620

00:21:35,590 --> 00:21:30,640

and

621

00:21:36,870 --> 00:21:35,600

for years uh have you been up there

622

00:21:38,950 --> 00:21:36,880

lately

623

00:21:40,870 --> 00:21:38,960

uh yeah i went

624

00:21:42,789 --> 00:21:40,880

um

625

00:21:45,830 --> 00:21:42,799

this is a pretty crazy thing

626

00:21:49,110 --> 00:21:45,840

um we were in

627

00:21:50,630 --> 00:21:49,120

kadura state park which is in hanover

628

00:21:53,669 --> 00:21:50,640

and

629

00:21:55,909 --> 00:21:53,679

we got permission to night hike there

630

00:21:57,750 --> 00:21:55,919

oh good did you okay and yeah we got the

631

00:21:58,950 --> 00:21:57,760

the rangers gave us permission which is

632

00:21:59,750 --> 00:21:58,960

pretty nice

633

00:22:01,590 --> 00:21:59,760

uh

634

00:22:03,029 --> 00:22:01,600

state parks will do that county parks

635

00:22:04,630 --> 00:22:03,039

not so much

636

00:22:05,990 --> 00:22:04,640

but uh

637

00:22:07,190 --> 00:22:06,000

you know we got permission we told them

638

00:22:08,870 --> 00:22:07,200

we're not gonna be you know hunting

639

00:22:10,310 --> 00:22:08,880

we're not lighting fires we're just just

640

00:22:13,510 --> 00:22:10,320

gonna be hunting

641

00:22:15,110 --> 00:22:13,520

and we're in there and uh

642

00:22:17,430 --> 00:22:15,120

we

643

00:22:20,710 --> 00:22:17,440

heard some strange stuff

644

00:22:23,110 --> 00:22:20,720

and we came around lake marburg

645

00:22:25,990 --> 00:22:23,120

and we were standing on the shore of it

646

00:22:29,430 --> 00:22:26,000

and uh we started seeing some some weird

647

00:22:30,870 --> 00:22:29,440

lights in the woods um

648

00:22:33,270 --> 00:22:30,880

just kind of

649

00:22:36,870 --> 00:22:33,280

you know they link on and blink off

650

00:22:38,950 --> 00:22:36,880

different colors and white and some red

651
00:22:41,830 --> 00:22:38,960
and we were observing them and they had

652
00:22:43,350 --> 00:22:41,840
been raped where um

653
00:22:45,510 --> 00:22:43,360
there's an old cemetery in there not the

654
00:22:47,270 --> 00:22:45,520
wildest meeting house but there's a it

655
00:22:49,590 --> 00:22:47,280
was a wildest in church they tore down

656
00:22:51,669 --> 00:22:49,600
when they when they built the lake

657
00:22:53,190 --> 00:22:51,679
and there's a cemetery there and it was

658
00:22:54,470 --> 00:22:53,200
about from that area that we were seeing

659
00:22:55,909 --> 00:22:54,480
these lights

660
00:22:58,149 --> 00:22:55,919
and that's about where we had we had

661
00:23:00,070 --> 00:22:58,159
heard these sounds before

662
00:23:02,870 --> 00:23:00,080
and then as as we're watching these

663
00:23:05,110 --> 00:23:02,880

lights we we saw a ufo come up from the

664

00:23:06,630 --> 00:23:05,120

back of the lake behind the trees it

665

00:23:09,029 --> 00:23:06,640

just popped up behind the trees it

666

00:23:10,470 --> 00:23:09,039

started kind of bouncing around just

667

00:23:12,230 --> 00:23:10,480

just around light

668

00:23:13,430 --> 00:23:12,240

but the way it moved it couldn't have

669

00:23:16,149 --> 00:23:13,440

been a drone

670

00:23:17,590 --> 00:23:16,159

and it couldn't have been a plane it

671

00:23:19,750 --> 00:23:17,600

started bouncing

672

00:23:21,110 --> 00:23:19,760

bounce up above the tree line bounce

673

00:23:22,630 --> 00:23:21,120

below look like somebody dribbling a

674

00:23:24,950 --> 00:23:22,640

ball essentially

675

00:23:27,669 --> 00:23:24,960

comes up again pauses and then just

676

00:23:29,750 --> 00:23:27,679

shoots off at lightning speed just just

677

00:23:31,270 --> 00:23:29,760

zip and going

678

00:23:34,470 --> 00:23:31,280

and

679

00:23:36,310 --> 00:23:34,480

as we're walking out on the trail

680

00:23:38,230 --> 00:23:36,320

this may have been before we saw the ufo

681

00:23:39,750 --> 00:23:38,240

i forget which but i i told my friend i

682

00:23:42,789 --> 00:23:39,760

told my buddy i said

683

00:23:44,310 --> 00:23:42,799

i am getting the strangest impression

684

00:23:45,990 --> 00:23:44,320

that we need to go

685

00:23:48,070 --> 00:23:46,000

there's a place in the show that we we

686

00:23:50,390 --> 00:23:48,080

go called harry springs h

687

00:23:52,470 --> 00:23:50,400

h a i r y harry

688

00:23:54,230 --> 00:23:52,480

springs uh don't know why it's called

689

00:23:55,750 --> 00:23:54,240

that it's an interesting name and we've

690

00:23:57,430 --> 00:23:55,760

had a lot of activity there and i said i

691

00:23:59,029 --> 00:23:57,440

don't know why i said i just got this

692

00:24:00,950 --> 00:23:59,039

sudden impression we need to go to harry

693

00:24:03,269 --> 00:24:00,960

springs there's something there for us

694

00:24:05,669 --> 00:24:03,279

and he said like what do you mean i said

695

00:24:06,789 --> 00:24:05,679

i don't know a footprint or something

696

00:24:08,149 --> 00:24:06,799

something we're going to find something

697

00:24:09,830 --> 00:24:08,159

there

698

00:24:11,510 --> 00:24:09,840

so

699

00:24:13,190 --> 00:24:11,520

he goes home that night i go home that

700

00:24:14,470 --> 00:24:13,200

night he has he's talking about chad

701
00:24:15,430 --> 00:24:14,480
right yeah

702
00:24:17,669 --> 00:24:15,440
okay

703
00:24:21,110 --> 00:24:17,679
so chad has this dream

704
00:24:22,470 --> 00:24:21,120
that we're back in qator state park

705
00:24:24,470 --> 00:24:22,480
that

706
00:24:26,390 --> 00:24:24,480
i had fallen on the trail and he helped

707
00:24:28,310 --> 00:24:26,400
me up or something and then then

708
00:24:31,110 --> 00:24:28,320
he couldn't move and he's looking at

709
00:24:32,789 --> 00:24:31,120
these these two figures down by the lake

710
00:24:33,750 --> 00:24:32,799
who have a fire there

711
00:24:35,510 --> 00:24:33,760
well

712
00:24:36,950 --> 00:24:35,520
they approached him then in his dream

713
00:24:37,990 --> 00:24:36,960

and he saw that they were they were

714

00:24:39,269 --> 00:24:38,000

greys

715

00:24:40,710 --> 00:24:39,279

and they said

716

00:24:41,990 --> 00:24:40,720

he started he said he started reaching

717

00:24:44,390 --> 00:24:42,000

for his knife and they and they said

718

00:24:46,630 --> 00:24:44,400

that won't do any good we're not real

719

00:24:48,630 --> 00:24:46,640

remember and then he woke up very

720

00:24:50,710 --> 00:24:48,640

interesting dream

721

00:24:52,630 --> 00:24:50,720

so two things happened uh first we went

722

00:24:53,909 --> 00:24:52,640

to harry springs that was on a thursday

723

00:24:56,390 --> 00:24:53,919

night we went to harry springs that

724

00:24:58,789 --> 00:24:56,400

sunday and we're looking around and sure

725

00:25:01,110 --> 00:24:58,799

enough we found a footprint

726

00:25:02,470 --> 00:25:01,120

it was indistinct uh you know i didn't

727

00:25:04,310 --> 00:25:02,480

have toes or anything it was in a real

728

00:25:06,310 --> 00:25:04,320

kind of swampy area it was a series of

729

00:25:07,269 --> 00:25:06,320

footprints actually but it was something

730

00:25:08,149 --> 00:25:07,279

big

731

00:25:10,390 --> 00:25:08,159

and

732

00:25:11,350 --> 00:25:10,400

it you know it's bigger than people's

733

00:25:13,350 --> 00:25:11,360

feet

734

00:25:15,110 --> 00:25:13,360

so that was kind of shocking i was like

735

00:25:16,630 --> 00:25:15,120

wow like did

736

00:25:18,070 --> 00:25:16,640

i don't know why i got the impression

737

00:25:19,430 --> 00:25:18,080

that we'd find foot but sure enough we

738

00:25:22,310 --> 00:25:19,440

found footprints

739

00:25:23,830 --> 00:25:22,320

but then uh we went back to cadorus on

740

00:25:25,750 --> 00:25:23,840

the night of the winter solstice to do

741

00:25:27,830 --> 00:25:25,760

another night hike we got there with

742

00:25:30,070 --> 00:25:27,840

still some daylight left and we went i

743

00:25:31,350 --> 00:25:30,080

said to chad could you find the location

744

00:25:33,269 --> 00:25:31,360

of your dream do you know where it was

745

00:25:35,110 --> 00:25:33,279

on the trail he said absolutely

746

00:25:37,110 --> 00:25:35,120

and we went there and we found a huge

747

00:25:39,110 --> 00:25:37,120

tree structure right at the location

748

00:25:41,990 --> 00:25:39,120

where his dream was and then

749

00:25:44,470 --> 00:25:42,000

a not a place where a campfire was but

750

00:25:47,029 --> 00:25:44,480

we did find a log that had been burnt it

751

00:25:48,789 --> 00:25:47,039

was definitely fire damage on a log

752

00:25:51,269 --> 00:25:48,799

there was a fire so really really

753

00:25:54,630 --> 00:25:51,279

interesting crazy stuff that that has

754

00:25:56,470 --> 00:25:54,640

happened very woo i know but

755

00:25:59,029 --> 00:25:56,480

i i just follow things where they leave

756

00:26:00,710 --> 00:25:59,039

me you know um well you know i had one

757

00:26:02,390 --> 00:26:00,720

and chad got to hold me about this and

758

00:26:05,190 --> 00:26:02,400

i'm quite sure you know about it about

759

00:26:09,029 --> 00:26:05,200

one of my early investigations

760

00:26:10,950 --> 00:26:09,039

was out there by the dam yeah and uh

761

00:26:12,630 --> 00:26:10,960

i mean he asked me about that now i

762

00:26:14,149 --> 00:26:12,640

don't know how much access you've got

763

00:26:15,909 --> 00:26:14,159

out there now i don't know because you

764

00:26:19,750 --> 00:26:15,919

know gladfelder's got that access route

765

00:26:21,909 --> 00:26:19,760

that goes to the dam but uh

766

00:26:23,590 --> 00:26:21,919

you know because it was a gladfelder

767

00:26:25,430 --> 00:26:23,600

employee that's how i got on but that

768

00:26:26,870 --> 00:26:25,440

was years ago i mean i was back in the

769

00:26:28,070 --> 00:26:26,880

70s

770

00:26:30,390 --> 00:26:28,080

uh but

771

00:26:32,789 --> 00:26:30,400

yeah that was that was weird because you

772

00:26:35,029 --> 00:26:32,799

know we were we were sitting on the road

773

00:26:36,630 --> 00:26:35,039

it was four of us

774

00:26:37,669 --> 00:26:36,640

and it was at night

775

00:26:39,909 --> 00:26:37,679

and

776

00:26:41,750 --> 00:26:39,919

we were sitting there after being down

777

00:26:44,789 --> 00:26:41,760

in the swampy area

778

00:26:45,669 --> 00:26:44,799

where the uh you know not very near

779

00:26:47,269 --> 00:26:45,679

uh

780

00:26:48,950 --> 00:26:47,279

doors creek

781

00:26:52,390 --> 00:26:48,960

and um

782

00:26:54,070 --> 00:26:52,400

we had walked up taken a break and we

783

00:26:55,029 --> 00:26:54,080

saw something out on the road in front

784

00:26:56,789 --> 00:26:55,039

of us

785

00:26:58,230 --> 00:26:56,799

and i we couldn't tell what it was we

786

00:26:59,269 --> 00:26:58,240

saw a movement it looked like a person

787

00:27:01,990 --> 00:26:59,279

out there

788

00:27:02,789 --> 00:27:02,000

and i i hit the headlights

789

00:27:04,549 --> 00:27:02,799

and

790

00:27:07,350 --> 00:27:04,559

it was

791

00:27:09,510 --> 00:27:07,360

a black female

792

00:27:10,710 --> 00:27:09,520

it was an apparition but black female

793

00:27:13,590 --> 00:27:10,720

but

794

00:27:16,310 --> 00:27:13,600

she was dressed like a slave

795

00:27:19,029 --> 00:27:16,320

and uh her head was going back and forth

796

00:27:20,630 --> 00:27:19,039

like this real fast wow kept walking

797

00:27:22,230 --> 00:27:20,640

toward us

798

00:27:24,149 --> 00:27:22,240

and stopped

799

00:27:25,669 --> 00:27:24,159

and the guys were freaking out you know

800

00:27:27,990 --> 00:27:25,679

we're done what the hell is this you

801
00:27:31,110 --> 00:27:28,000
know and then she turned around walked a

802
00:27:33,909 --> 00:27:31,120
couple steps and disappeared wow

803
00:27:35,750 --> 00:27:33,919
and after i i did a lot of research

804
00:27:38,470 --> 00:27:35,760
after that

805
00:27:39,990 --> 00:27:38,480
and of course you know this part of the

806
00:27:41,909 --> 00:27:40,000
the country

807
00:27:44,310 --> 00:27:41,919
the underground railroad came through

808
00:27:45,350 --> 00:27:44,320
many parts of you know this

809
00:27:46,870 --> 00:27:45,360
part of

810
00:27:48,470 --> 00:27:46,880
pennsylvania

811
00:27:50,630 --> 00:27:48,480
and i

812
00:27:53,190 --> 00:27:50,640
i believe not you know and this is after

813
00:27:56,389 --> 00:27:53,200

i went back down i believe that

814

00:27:58,950 --> 00:27:56,399

this woman was probably caught by

815

00:28:02,070 --> 00:27:58,960

fugitive slave people and and had her

816

00:28:02,950 --> 00:28:02,080

hung there she but she died there

817

00:28:05,029 --> 00:28:02,960

um

818

00:28:07,350 --> 00:28:05,039

because they did a lot you know a lot of

819

00:28:09,830 --> 00:28:07,360

these uh bounty hunters came up from the

820

00:28:11,510 --> 00:28:09,840

south and were grabbing slaves as they

821

00:28:13,269 --> 00:28:11,520

were coming across

822

00:28:14,950 --> 00:28:13,279

and i believe that's what happened with

823

00:28:16,389 --> 00:28:14,960

her

824

00:28:18,789 --> 00:28:16,399

that was weird

825

00:28:20,549 --> 00:28:18,799

about you know i don't know less than

826

00:28:23,350 --> 00:28:20,559

five miles away there in seven valleys

827

00:28:25,110 --> 00:28:23,360

there's a recurring ghost story of a

828

00:28:27,350 --> 00:28:25,120

what they call a slave woman of a black

829

00:28:29,750 --> 00:28:27,360

woman oh i didn't know that yeah right

830

00:28:31,909 --> 00:28:29,760

there yeah a local told me that a girl

831

00:28:33,750 --> 00:28:31,919

grew up a girl a woman who grew up there

832

00:28:35,350 --> 00:28:33,760

she was a girl when she saw it though

833

00:28:37,110 --> 00:28:35,360

and as i was asking around you know i

834

00:28:39,110 --> 00:28:37,120

just asked everybody know about weird

835

00:28:40,789 --> 00:28:39,120

stories and she told me i'm trying to

836

00:28:42,470 --> 00:28:40,799

remember specifically where she said

837

00:28:44,710 --> 00:28:42,480

that they saw her it was from one of the

838

00:28:46,870 --> 00:28:44,720

corners in seven valleys it would see

839

00:28:49,590 --> 00:28:46,880

this woman

840

00:28:51,590 --> 00:28:49,600

wow yeah so it's not far from there at

841

00:28:53,590 --> 00:28:51,600

all no it's just right down the road

842

00:28:55,430 --> 00:28:53,600

yeah yeah

843

00:28:57,190 --> 00:28:55,440

so we um

844

00:29:00,630 --> 00:28:57,200

yeah chad told me

845

00:29:02,470 --> 00:29:00,640

where you were and and um he worked for

846

00:29:04,310 --> 00:29:02,480

well what gladfelter became they're not

847

00:29:05,750 --> 00:29:04,320

glad felter anymore right so he doesn't

848

00:29:07,830 --> 00:29:05,760

want to go you know you know he don't

849

00:29:09,430 --> 00:29:07,840

want to get fired yeah

850

00:29:10,630 --> 00:29:09,440

i don't blame him i don't blame him yeah

851

00:29:11,669 --> 00:29:10,640

i don't think we have access to that

852

00:29:14,310 --> 00:29:11,679

area

853

00:29:16,389 --> 00:29:14,320

yeah yeah yeah i was lucky well i used

854

00:29:17,510 --> 00:29:16,399

to you know my aunt and uncle had a farm

855

00:29:19,190 --> 00:29:17,520

there

856

00:29:21,510 --> 00:29:19,200

and um

857

00:29:23,190 --> 00:29:21,520

up on up on huff road we used to i used

858

00:29:25,350 --> 00:29:23,200

to walk down over the ridge and go down

859

00:29:28,070 --> 00:29:25,360

into good deer hunting so i was on

860

00:29:30,470 --> 00:29:28,080

private i was on glad filter land land

861

00:29:31,669 --> 00:29:30,480

but you know i didn't care yeah and uh

862

00:29:34,230 --> 00:29:31,679

you know when you're a kid and hunting

863

00:29:37,269 --> 00:29:34,240

you don't care and uh so i used to i

864

00:29:40,710 --> 00:29:37,279

knew the place real well but um

865

00:29:43,029 --> 00:29:40,720

my family actually had a homestead

866

00:29:45,190 --> 00:29:43,039

that was on right there

867

00:29:47,190 --> 00:29:45,200

in that area my great grandmother and

868

00:29:48,950 --> 00:29:47,200

grandfather had their homestead there

869

00:29:50,789 --> 00:29:48,960

and that's where my grandfather and his

870

00:29:52,470 --> 00:29:50,799

brothers and sisters were raised at so

871

00:29:54,950 --> 00:29:52,480

they're all you know i got a lot of

872

00:29:57,110 --> 00:29:54,960

family history down there but i had

873

00:29:59,269 --> 00:29:57,120

never heard of anything like that i mean

874

00:30:01,190 --> 00:29:59,279

you know you know the slave and this and

875

00:30:01,909 --> 00:30:01,200

that but you know i had to research it

876

00:30:06,630 --> 00:30:01,919

but

877

00:30:08,710 --> 00:30:06,640

valleys i gotta check that out yeah i'll

878

00:30:10,710 --> 00:30:08,720

talk to the person and ask her to tell

879

00:30:13,190 --> 00:30:10,720

me the story again and she can give me

880

00:30:14,710 --> 00:30:13,200

more details i think she had told me i

881

00:30:16,789 --> 00:30:14,720

think it was after i had written my

882

00:30:18,230 --> 00:30:16,799

first book she told me i didn't know

883

00:30:20,549 --> 00:30:18,240

where to put it i was like so i just

884

00:30:22,870 --> 00:30:20,559

kind of followed it away but um i'll get

885

00:30:24,230 --> 00:30:22,880

the details on it okay

886

00:30:26,310 --> 00:30:24,240

now you know there was another

887

00:30:27,830 --> 00:30:26,320

investigation you're working on and i

888

00:30:30,070 --> 00:30:27,840

don't know if you still do i know you

889

00:30:31,430 --> 00:30:30,080

had it in your book about beth and down

890

00:30:34,230 --> 00:30:31,440

in maryland

891

00:30:36,070 --> 00:30:34,240

uh did anything ever turn up with that

892

00:30:38,230 --> 00:30:36,080

i actually heard from beth recently i

893

00:30:40,310 --> 00:30:38,240

hadn't heard from her in a long time and

894

00:30:42,310 --> 00:30:40,320

and uh i hope she doesn't think i i've

895

00:30:44,950 --> 00:30:42,320

forgotten about her you know

896

00:30:45,990 --> 00:30:44,960

the way things are with the pandemic

897

00:30:48,470 --> 00:30:46,000

you know

898

00:30:50,630 --> 00:30:48,480

i sometimes i don't even want to ride in

899

00:30:54,310 --> 00:30:50,640

cars with other people you know i have

900

00:30:56,870 --> 00:30:54,320

to be careful because my health um right

901
00:30:59,909 --> 00:30:56,880
i have ms and i just can't i can't risk

902
00:31:01,590 --> 00:30:59,919
it so sometimes i'm i'm a little

903
00:31:03,909 --> 00:31:01,600
trepidatious about

904
00:31:06,630 --> 00:31:03,919
uh you know hanging out with people in

905
00:31:07,830 --> 00:31:06,640
cars and or or inside places and stuff

906
00:31:09,350 --> 00:31:07,840
but um

907
00:31:10,950 --> 00:31:09,360
she said i could come down again she

908
00:31:13,110 --> 00:31:10,960
said they her neighbors heard some

909
00:31:14,310 --> 00:31:13,120
screams recently for a while it seemed

910
00:31:15,990 --> 00:31:14,320
to die down

911
00:31:17,350 --> 00:31:16,000
but she said it seems like things are

912
00:31:19,350 --> 00:31:17,360
picking up again

913
00:31:20,310 --> 00:31:19,360

so i plan on heading back down there

914

00:31:22,710 --> 00:31:20,320

again

915

00:31:24,549 --> 00:31:22,720

um i just basically need to make time to

916

00:31:26,950 --> 00:31:24,559

do it now is that is that far from

917

00:31:29,350 --> 00:31:26,960

susquehanna state park over by conowingo

918

00:31:31,110 --> 00:31:29,360

is it it's not far at all from that yeah

919

00:31:32,789 --> 00:31:31,120

right just south of there just south of

920

00:31:34,149 --> 00:31:32,799

there in maryland yeah

921

00:31:35,430 --> 00:31:34,159

okay

922

00:31:37,430 --> 00:31:35,440

yeah because we were just down hammer

923

00:31:39,909 --> 00:31:37,440

degrees and um

924

00:31:41,190 --> 00:31:39,919

i i didn't even think about best plays i

925

00:31:42,710 --> 00:31:41,200

wish i'd thought about them when i was

926
00:31:45,029 --> 00:31:42,720
down there

927
00:31:48,070 --> 00:31:46,710
yeah folks who don't know what was going

928
00:31:50,310 --> 00:31:48,080
on um

929
00:31:52,310 --> 00:31:50,320
she had seen

930
00:31:54,149 --> 00:31:52,320
probably uh that's upright canine is

931
00:31:55,590 --> 00:31:54,159
that what she said she thought she saw

932
00:31:58,149 --> 00:31:55,600
like a giant

933
00:32:00,310 --> 00:31:58,159
wolf kind of thing okay and then she

934
00:32:02,470 --> 00:32:00,320
said her her husband saw something big

935
00:32:04,310 --> 00:32:02,480
and harry walked by the window

936
00:32:05,909 --> 00:32:04,320
basically it was like

937
00:32:08,230 --> 00:32:05,919
their deck is about eight feet high and

938
00:32:11,110 --> 00:32:08,240

he said he could see the top of it

939

00:32:12,310 --> 00:32:11,120

coming over the deck right window so

940

00:32:14,710 --> 00:32:12,320

something big

941

00:32:16,230 --> 00:32:14,720

something very big and their neighbors

942

00:32:17,669 --> 00:32:16,240

had bigfoot encounters so it seems to be

943

00:32:19,750 --> 00:32:17,679

one of these things with like a lot of

944

00:32:22,070 --> 00:32:19,760

stuff going on but but her started by

945

00:32:24,149 --> 00:32:22,080

just seeing a really big wolf basically

946

00:32:25,590 --> 00:32:24,159

a big big black wolf it was on all fours

947

00:32:26,950 --> 00:32:25,600

when she saw it

948

00:32:28,389 --> 00:32:26,960

but uh

949

00:32:30,149 --> 00:32:28,399

then uh

950

00:32:32,149 --> 00:32:30,159

you know they had stuff with you know

951
00:32:36,070 --> 00:32:32,159
apparitions walking up the driveway they

952
00:32:38,389 --> 00:32:36,080
had ufo stuff their neighbor killed a um

953
00:32:40,149 --> 00:32:38,399
a cougar which you know

954
00:32:43,110 --> 00:32:40,159
may or may not be paranormal but they're

955
00:32:44,310 --> 00:32:43,120
not supposed to you know according to

956
00:32:45,830 --> 00:32:44,320
well the game commission will never

957
00:32:48,149 --> 00:32:45,840
admit to that yeah maryland and

958
00:32:50,710 --> 00:32:48,159
pennsylvania both i've seen cougars i i

959
00:32:52,470 --> 00:32:50,720
i've seen mountain lions in maryland oh

960
00:32:53,990 --> 00:32:52,480
yeah i think i don't know if you know

961
00:32:56,950 --> 00:32:54,000
where um

962
00:33:00,230 --> 00:32:56,960
uh ponte run reservoir is just west of

963
00:33:03,430 --> 00:33:00,240

uh eldersburg heck yeah yeah i saw one

964

00:33:05,830 --> 00:33:03,440

up there yeah i'm so rude i saw one so

965

00:33:08,389 --> 00:33:05,840

my dad's farm was in upperco okay

966

00:33:10,630 --> 00:33:08,399

northern baltimore county i saw one two

967

00:33:12,070 --> 00:33:10,640

days in a row in the same field at the

968

00:33:13,590 --> 00:33:12,080

same time in the morning i was i used to

969

00:33:15,669 --> 00:33:13,600

do telephone work and

970

00:33:17,509 --> 00:33:15,679

we'd work out of his farmhouse

971

00:33:18,870 --> 00:33:17,519

and i'd left it was 10 in the morning

972

00:33:21,430 --> 00:33:18,880

two days in a row i was going to you

973

00:33:23,669 --> 00:33:21,440

know the same job basically

974

00:33:25,110 --> 00:33:23,679

and i saw this thing in the same field

975

00:33:26,950 --> 00:33:25,120

in the sa at the same time of morning

976

00:33:28,470 --> 00:33:26,960

two days in a row blew my mind i had

977

00:33:29,509 --> 00:33:28,480

never seen it that you know and i'm

978

00:33:32,149 --> 00:33:29,519

thinking

979

00:33:33,509 --> 00:33:32,159

wow they're out here

980

00:33:35,190 --> 00:33:33,519

that's uh

981

00:33:37,110 --> 00:33:35,200

you know people

982

00:33:38,630 --> 00:33:37,120

outside of our when we live in south

983

00:33:41,110 --> 00:33:38,640

central pennsylvania and northern

984

00:33:43,029 --> 00:33:41,120

maryland and north central maryland just

985

00:33:44,310 --> 00:33:43,039

don't realize how much goes on around

986

00:33:46,549 --> 00:33:44,320

here

987

00:33:48,470 --> 00:33:46,559

and we do we get a lot of weird act a

988

00:33:51,029 --> 00:33:48,480

lot of different activity

989

00:33:53,029 --> 00:33:51,039

um of course

990

00:33:55,990 --> 00:33:53,039

as far as bigfoot goes you know on that

991

00:33:57,990 --> 00:33:56,000

that western shore of susquehanna river

992

00:33:59,990 --> 00:33:58,000

in hartford county has a lot of bigfoot

993

00:34:01,669 --> 00:34:00,000

activity even the whole way up into

994

00:34:04,549 --> 00:34:01,679

pennsylvania of course you know with the

995

00:34:07,029 --> 00:34:04,559

alba which is up on the eastern shore

996

00:34:08,790 --> 00:34:07,039

but uh going the whole way up into

997

00:34:11,190 --> 00:34:08,800

your county and of course your research

998

00:34:14,230 --> 00:34:11,200

area is up there as well

999

00:34:16,310 --> 00:34:14,240

uh and you've seen a lot of weird stuff

1000

00:34:19,109 --> 00:34:16,320

yeah i've you know for

1001
00:34:20,869 --> 00:34:19,119
like two years ago

1002
00:34:22,230 --> 00:34:20,879
i was getting like before the pandemic

1003
00:34:23,990 --> 00:34:22,240
that spring

1004
00:34:25,829 --> 00:34:24,000
uh

1005
00:34:27,750 --> 00:34:25,839
i was getting calls

1006
00:34:29,190 --> 00:34:27,760
for sightings

1007
00:34:31,190 --> 00:34:29,200
sometimes two and three a month

1008
00:34:33,589 --> 00:34:31,200
throughout that spring i was just going

1009
00:34:34,790 --> 00:34:33,599
going going it was it was fantastic

1010
00:34:36,470 --> 00:34:34,800
and then

1011
00:34:37,510 --> 00:34:36,480
the next spring the pandemic i thought

1012
00:34:39,190 --> 00:34:37,520
well

1013
00:34:40,629 --> 00:34:39,200

maybe i'll get more you know it seemed

1014

00:34:42,869 --> 00:34:40,639

like people were out on the trails more

1015

00:34:44,790 --> 00:34:42,879

and stuff i barely got anything

1016

00:34:45,909 --> 00:34:44,800

uh and but it seems to be picking up

1017

00:34:48,310 --> 00:34:45,919

again now

1018

00:34:50,069 --> 00:34:48,320

there's some uh other fellows that are

1019

00:34:52,230 --> 00:34:50,079

that are involved that are some younger

1020

00:34:53,190 --> 00:34:52,240

guys that have started contacting me who

1021

00:34:54,550 --> 00:34:53,200

i don't know where they're picking up

1022

00:34:56,869 --> 00:34:54,560

the sightings but they they've got some

1023

00:34:58,230 --> 00:34:56,879

stuff from like peck way area which is

1024

00:35:00,310 --> 00:34:58,240

you know on the on the lancaster side

1025

00:35:03,750 --> 00:35:00,320

but down that area

1026
00:35:05,910 --> 00:35:03,760
and um drummore which is you know same

1027
00:35:07,670 --> 00:35:05,920
area basically so it seems like they're

1028
00:35:09,589 --> 00:35:07,680
picking up again i don't know why that

1029
00:35:11,109 --> 00:35:09,599
happens i don't know why

1030
00:35:13,910 --> 00:35:11,119
in some years you get a bunch and other

1031
00:35:16,069 --> 00:35:13,920
years it's like crickets i i do not know

1032
00:35:17,430 --> 00:35:16,079
why

1033
00:35:18,870 --> 00:35:17,440
yeah well

1034
00:35:20,390 --> 00:35:18,880
yeah i mean there's a lot there's just a

1035
00:35:21,670 --> 00:35:20,400
lot going on you know

1036
00:35:23,109 --> 00:35:21,680
uh

1037
00:35:25,670 --> 00:35:23,119
you know you and i have gotten some

1038
00:35:27,430 --> 00:35:25,680

really weird uh

1039

00:35:28,470 --> 00:35:27,440

sightings and people sending us stuff

1040

00:35:29,990 --> 00:35:28,480

like that

1041

00:35:32,390 --> 00:35:30,000

i don't know what the hell that was up

1042

00:35:34,870 --> 00:35:32,400

in shippensburg i told you about where

1043

00:35:37,589 --> 00:35:34,880

this guy said it was looked like a huge

1044

00:35:39,109 --> 00:35:37,599

wolf but he wasn't sure what it was

1045

00:35:41,190 --> 00:35:39,119

and uh

1046

00:35:44,790 --> 00:35:41,200

i i you know i don't know you know

1047

00:35:46,630 --> 00:35:44,800

there's been a lot of weird stuff um

1048

00:35:48,390 --> 00:35:46,640

now there's another phenomena you've

1049

00:35:51,430 --> 00:35:48,400

been talking about for a couple years

1050

00:35:54,230 --> 00:35:51,440

now and i did send you something

1051
00:35:55,990 --> 00:35:54,240
in reference to it

1052
00:35:58,150 --> 00:35:56,000
that happened down maryland just south

1053
00:36:00,230 --> 00:35:58,160
of westminster oh yeah these these

1054
00:36:02,230 --> 00:36:00,240
flannel man

1055
00:36:04,790 --> 00:36:02,240
talk about that a bit and

1056
00:36:06,630 --> 00:36:04,800
uh bring people up to speed on that yeah

1057
00:36:09,510 --> 00:36:06,640
so

1058
00:36:11,270 --> 00:36:09,520
my my wife woke up one night before we

1059
00:36:13,349 --> 00:36:11,280
were married but you know we were

1060
00:36:15,670 --> 00:36:13,359
long-term dating at this point and we

1061
00:36:17,109 --> 00:36:15,680
were staying in her parents house

1062
00:36:18,710 --> 00:36:17,119
and

1063
00:36:20,710 --> 00:36:18,720

one night you know just just staying

1064

00:36:22,390 --> 00:36:20,720

over one night and we were in her

1065

00:36:24,230 --> 00:36:22,400

childhood bedroom where she had always

1066

00:36:26,950 --> 00:36:24,240

had she's always been uncomfortable in

1067

00:36:29,510 --> 00:36:26,960

her bedroom now she's

1068

00:36:31,910 --> 00:36:29,520

less of a hardcore skeptic than she used

1069

00:36:33,829 --> 00:36:31,920

to be but she's pretty

1070

00:36:35,270 --> 00:36:33,839

she she leans to the skeptical side of

1071

00:36:36,150 --> 00:36:35,280

things so when she tells you she saw

1072

00:36:39,829 --> 00:36:36,160

something

1073

00:36:42,150 --> 00:36:39,839

she saw it she's not she's not messing

1074

00:36:44,310 --> 00:36:42,160

well one night as we're sleeping there

1075

00:36:47,430 --> 00:36:44,320

she she wakes me up she's screaming

1076

00:36:49,750 --> 00:36:47,440

she's just screaming and and i wake up

1077

00:36:51,030 --> 00:36:49,760

and you know before i even open my eyes

1078

00:36:53,589 --> 00:36:51,040

just out of habit i'm like it's okay

1079

00:36:55,510 --> 00:36:53,599

it's okay it's okay you know i that well

1080

00:36:57,349 --> 00:36:55,520

in retrospect i should have opened my

1081

00:36:58,870 --> 00:36:57,359

eyes first and then figured out if it

1082

00:36:59,990 --> 00:36:58,880

was okay or not

1083

00:37:01,190 --> 00:37:00,000

but uh

1084

00:37:03,270 --> 00:37:01,200

you know her parents came running over

1085

00:37:04,790 --> 00:37:03,280

what's wrong with wrong with wrong well

1086

00:37:05,829 --> 00:37:04,800

turns out she saw

1087

00:37:07,829 --> 00:37:05,839

a guy

1088

00:37:09,670 --> 00:37:07,839

in in the bedroom he was wearing a red

1089

00:37:11,430 --> 00:37:09,680

flannel shirt

1090

00:37:13,349 --> 00:37:11,440

and she said she doesn't really remember

1091

00:37:14,790 --> 00:37:13,359

whether he was holding an axe or whether

1092

00:37:15,750 --> 00:37:14,800

she kind of put an axe in his hands

1093

00:37:18,230 --> 00:37:15,760

because he looked so much like a

1094

00:37:20,870 --> 00:37:18,240

lumberjack he had a big beard and big

1095

00:37:22,950 --> 00:37:20,880

big guy real big guy standing at her

1096

00:37:25,270 --> 00:37:22,960

feet and looking at us and she said when

1097

00:37:27,510 --> 00:37:25,280

she woke up and saw him standing there

1098

00:37:29,109 --> 00:37:27,520

he looked shocked that he that she could

1099

00:37:30,470 --> 00:37:29,119

see him he had a shot looking at her she

1100

00:37:32,230 --> 00:37:30,480

didn't look mean or angry didn't look

1101

00:37:34,870 --> 00:37:32,240

like he was going to attack or anything

1102

00:37:38,390 --> 00:37:34,880

he looked shocked that she could see him

1103

00:37:40,470 --> 00:37:38,400

then she screams and he's he's gone

1104

00:37:41,910 --> 00:37:40,480

years went by and i was reading some

1105

00:37:44,310 --> 00:37:41,920

form online this is way back at the

1106

00:37:45,990 --> 00:37:44,320

beginning of the internet and

1107

00:37:47,990 --> 00:37:46,000

people are talking about you know people

1108

00:37:49,510 --> 00:37:48,000

seeing this and and that's where the i

1109

00:37:51,190 --> 00:37:49,520

got the name from they in this whatever

1110

00:37:52,150 --> 00:37:51,200

this forum was they called it flannel

1111

00:37:54,230 --> 00:37:52,160

man

1112

00:37:55,829 --> 00:37:54,240

uh so i didn't make that up but i

1113

00:37:57,910 --> 00:37:55,839

started talking about it on the podcast

1114

00:37:59,430 --> 00:37:57,920

and and basically i i referenced it as

1115

00:38:00,790 --> 00:37:59,440

you know even my wife the skeptic has

1116

00:38:03,030 --> 00:38:00,800

seen something

1117

00:38:05,190 --> 00:38:03,040

and and told her flannelman account well

1118

00:38:06,950 --> 00:38:05,200

then it just exploded

1119

00:38:08,550 --> 00:38:06,960

i started getting people left and right

1120

00:38:10,470 --> 00:38:08,560

tell me wait a minute i've seen this guy

1121

00:38:12,150 --> 00:38:10,480

or you know something like him i it's

1122

00:38:13,270 --> 00:38:12,160

not the same guy it doesn't seem like

1123

00:38:14,390 --> 00:38:13,280

because people describe him looking

1124

00:38:17,109 --> 00:38:14,400

differently but

1125

00:38:19,670 --> 00:38:17,119

the the checked or plaid shirt seems to

1126

00:38:21,030 --> 00:38:19,680

be the common denominator

1127

00:38:23,030 --> 00:38:21,040

people are seeing them outside people

1128

00:38:25,030 --> 00:38:23,040

are seeing them inside they're

1129

00:38:27,109 --> 00:38:25,040

they're waking up like my wife did and

1130

00:38:28,790 --> 00:38:27,119

that he's in the house um

1131

00:38:29,829 --> 00:38:28,800

some people aren't encountering them

1132

00:38:30,950 --> 00:38:29,839

like

1133

00:38:33,270 --> 00:38:30,960

you know

1134

00:38:34,470 --> 00:38:33,280

in waking life and they'll talk to this

1135

00:38:35,589 --> 00:38:34,480

guy and they'll get some kind of weird

1136

00:38:37,270 --> 00:38:35,599

vibe from them and they'll go down the

1137

00:38:39,190 --> 00:38:37,280

road and have a bigfoot encounter you

1138

00:38:41,510 --> 00:38:39,200

know so it's like there's something

1139

00:38:42,310 --> 00:38:41,520

about these these entities and these

1140

00:38:44,150 --> 00:38:42,320

these

1141

00:38:45,430 --> 00:38:44,160

plaid or czech shirts

1142

00:38:47,670 --> 00:38:45,440

um

1143

00:38:49,670 --> 00:38:47,680

you know i don't know exactly what it is

1144

00:38:51,829 --> 00:38:49,680

john keel talked about him he talked

1145

00:38:53,430 --> 00:38:51,839

about these entities in czech shirts

1146

00:38:57,190 --> 00:38:53,440

that people were seeing he mentions it

1147

00:38:59,430 --> 00:38:57,200

in uh mothman prophecies and in um

1148

00:39:01,109 --> 00:38:59,440

with the strange creatures from time or

1149

00:39:02,470 --> 00:39:01,119

space i forget the title of

1150

00:39:03,829 --> 00:39:02,480

one of his other books he mentions them

1151
00:39:04,550 --> 00:39:03,839
in as well

1152
00:39:06,069 --> 00:39:04,560
so

1153
00:39:08,710 --> 00:39:06,079
you know he was talking about him back

1154
00:39:11,270 --> 00:39:08,720
in the 70s um

1155
00:39:13,510 --> 00:39:11,280
it's they're definitely a thing

1156
00:39:15,990 --> 00:39:13,520
i don't know what it is uh i'm trying to

1157
00:39:18,710 --> 00:39:16,000
piece it together there are some legends

1158
00:39:21,510 --> 00:39:18,720
about that buffalo plaid pattern

1159
00:39:23,030 --> 00:39:21,520
uh having a lot of spiritual

1160
00:39:23,990 --> 00:39:23,040
uh

1161
00:39:25,349 --> 00:39:24,000
power

1162
00:39:26,870 --> 00:39:25,359
uh the

1163
00:39:28,790 --> 00:39:26,880

i think some of the native americans

1164

00:39:30,950 --> 00:39:28,800

when

1165

00:39:31,990 --> 00:39:30,960

the scottish brought it over

1166

00:39:33,829 --> 00:39:32,000

that pattern a lot of the native

1167

00:39:35,349 --> 00:39:33,839

americans were really impressed by it

1168

00:39:37,349 --> 00:39:35,359

and really kind of put a lot of power

1169

00:39:38,550 --> 00:39:37,359

into it as far as you know what they

1170

00:39:39,430 --> 00:39:38,560

thought of it

1171

00:39:44,470 --> 00:39:39,440

um

1172

00:39:46,950 --> 00:39:44,480

good good friend of mine and and

1173

00:39:48,870 --> 00:39:46,960

frequent guest on my podcast is a irish

1174

00:39:50,310 --> 00:39:48,880

monk brother richard

1175

00:39:52,790 --> 00:39:50,320

he's a capuchin

1176
00:39:55,030 --> 00:39:52,800
franciscan monk from ireland and he is

1177
00:39:56,790 --> 00:39:55,040
dealt with a lot of stuff like exorcisms

1178
00:39:58,390 --> 00:39:56,800
and and so forth if people are having

1179
00:40:00,790 --> 00:39:58,400
problems uh

1180
00:40:02,230 --> 00:40:00,800
with um you know aggressive ghosts or

1181
00:40:03,829 --> 00:40:02,240
something a lot of times they'll call

1182
00:40:05,829 --> 00:40:03,839
him out and so he's had a lot of

1183
00:40:08,230 --> 00:40:05,839
experience with this and he told me

1184
00:40:09,829 --> 00:40:08,240
recently of um

1185
00:40:11,510 --> 00:40:09,839
one place he went where this house

1186
00:40:14,230 --> 00:40:11,520
seemed to have a you know pretty

1187
00:40:17,430 --> 00:40:14,240
disturbing haunting going on they saw it

1188
00:40:20,309 --> 00:40:17,440

was focused around they thought a a

1189

00:40:22,550 --> 00:40:20,319

female who was like late teenage years i

1190

00:40:24,069 --> 00:40:22,560

believe i might have that wrong so he

1191

00:40:25,270 --> 00:40:24,079

they're thinking basically poltergeist

1192

00:40:27,030 --> 00:40:25,280

activity

1193

00:40:29,430 --> 00:40:27,040

but he said one of the strange details

1194

00:40:31,030 --> 00:40:29,440

was she had been living in i think like

1195

00:40:32,390 --> 00:40:31,040

a loft above her parents garage or

1196

00:40:34,069 --> 00:40:32,400

something like that sort of

1197

00:40:35,349 --> 00:40:34,079

a separate place and she had painted the

1198

00:40:37,270 --> 00:40:35,359

entire ceiling

1199

00:40:38,710 --> 00:40:37,280

this red and black check

1200

00:40:40,950 --> 00:40:38,720

pattern

1201
00:40:43,750 --> 00:40:40,960
and he said

1202
00:40:45,430 --> 00:40:43,760
for whatever reason they i don't know

1203
00:40:46,550 --> 00:40:45,440
why they decided to do this and paint

1204
00:40:48,309 --> 00:40:46,560
over that

1205
00:40:49,829 --> 00:40:48,319
and they said

1206
00:40:51,430 --> 00:40:49,839
you know whether it has something to do

1207
00:40:55,589 --> 00:40:51,440
with or not when she painted over that

1208
00:40:56,790 --> 00:40:55,599
pattern the the activity seemed to stop

1209
00:41:00,390 --> 00:40:56,800
so

1210
00:41:01,349 --> 00:41:00,400
the pattern i you know i don't know what

1211
00:41:03,030 --> 00:41:01,359
it is

1212
00:41:05,109 --> 00:41:03,040
i've been writing a book on this and and

1213
00:41:07,109 --> 00:41:05,119

that's my trouble i can't

1214

00:41:09,990 --> 00:41:07,119

you know it's hard to know what to say

1215

00:41:11,670 --> 00:41:10,000

because it's it's hard to determine

1216

00:41:15,030 --> 00:41:11,680

you know what's going on there like i

1217

00:41:17,109 --> 00:41:15,040

did the um is there any clan lure is

1218

00:41:18,829 --> 00:41:17,119

involved with the pattern at all from

1219

00:41:22,550 --> 00:41:18,839

scotland

1220

00:41:23,910 --> 00:41:22,560

um like i said there's there's some yeah

1221

00:41:25,589 --> 00:41:23,920

that that i brought and i'm drawing a

1222

00:41:27,030 --> 00:41:25,599

blank on it right now i've done a little

1223

00:41:28,950 --> 00:41:27,040

bit of research on that i need to dig in

1224

00:41:30,630 --> 00:41:28,960

a little bit more on basically the

1225

00:41:32,390 --> 00:41:30,640

different tartan patterns

1226

00:41:34,630 --> 00:41:32,400

i see because it's not always red and

1227

00:41:37,910 --> 00:41:34,640

black either some people say they're red

1228

00:41:39,349 --> 00:41:37,920

black is by far it's a 85 plus of the

1229

00:41:40,710 --> 00:41:39,359

case let's say there it's red and black

1230

00:41:42,230 --> 00:41:40,720

but every now and then i'll get somebody

1231

00:41:43,829 --> 00:41:42,240

said well i saw him

1232

00:41:45,750 --> 00:41:43,839

or something like him but he was in a

1233

00:41:49,030 --> 00:41:45,760

you know blue and black or you know

1234

00:41:51,270 --> 00:41:49,040

whatever a different color check shirt

1235

00:41:53,030 --> 00:41:51,280

we get occasional bigfoot

1236

00:41:55,270 --> 00:41:53,040

as weird as it sounds people say i saw

1237

00:41:56,630 --> 00:41:55,280

bigfoot but he was wearing a flannel

1238

00:42:03,349 --> 00:41:56,640

shirt

1239

00:42:04,309 --> 00:42:03,359

you know really weird accounts but

1240

00:42:05,910 --> 00:42:04,319

again

1241

00:42:06,870 --> 00:42:05,920

you know this is this is where we live

1242

00:42:10,630 --> 00:42:06,880

you know

1243

00:42:12,710 --> 00:42:10,640

the realm of weirdness and

1244

00:42:14,550 --> 00:42:12,720

like i said you can't

1245

00:42:16,470 --> 00:42:14,560

you can't believe somebody when they say

1246

00:42:18,390 --> 00:42:16,480

they they saw an eight-foot hairy

1247

00:42:20,069 --> 00:42:18,400

monster and then not believe him when

1248

00:42:21,910 --> 00:42:20,079

they say but he was wearing a torn up

1249

00:42:23,270 --> 00:42:21,920

shirt like wow what are you gonna you

1250

00:42:25,910 --> 00:42:23,280

know

1251

00:42:27,829 --> 00:42:25,920

well that account i sent you

1252

00:42:30,069 --> 00:42:27,839

yeah i didn't know what to make of it

1253

00:42:31,829 --> 00:42:30,079

and and you know they were traveling i

1254

00:42:32,630 --> 00:42:31,839

think it was on 27 they were traveling

1255

00:42:34,470 --> 00:42:32,640

out of

1256

00:42:36,950 --> 00:42:34,480

westminster south

1257

00:42:37,910 --> 00:42:36,960

heading towards mount airy

1258

00:42:39,670 --> 00:42:37,920

and

1259

00:42:41,270 --> 00:42:39,680

this guy was in a

1260

00:42:42,829 --> 00:42:41,280

back seat and he looked over into this

1261

00:42:44,550 --> 00:42:42,839

field he saw this

1262

00:42:45,589 --> 00:42:44,560

deer

1263

00:42:47,190 --> 00:42:45,599

and he said there was something about

1264

00:42:49,750 --> 00:42:47,200

that deer it just looked weird and of

1265

00:42:52,309 --> 00:42:49,760

course of deer everywhere but

1266

00:42:55,109 --> 00:42:52,319

this thing turned into

1267

00:42:56,190 --> 00:42:55,119

manifest into a man wearing a a red

1268

00:42:57,670 --> 00:42:56,200

flannel shirt

1269

00:43:00,309 --> 00:42:57,680

[Music]

1270

00:43:03,270 --> 00:43:00,319

i i i said well i gotta send i gotta get

1271

00:43:07,750 --> 00:43:05,990

i i did you find anything extra on that

1272

00:43:09,349 --> 00:43:07,760

or i talked to the guy and he said he

1273

00:43:11,030 --> 00:43:09,359

was gonna talk to me and then you know

1274

00:43:13,670 --> 00:43:11,040

this happens sometimes where people's

1275

00:43:14,790 --> 00:43:13,680

they just kind of fade you know

1276

00:43:16,790 --> 00:43:14,800

they say they're going to talk to you

1277

00:43:18,230 --> 00:43:16,800

and then and i get it people have jobs

1278

00:43:20,309 --> 00:43:18,240

and everything else and sometimes they

1279

00:43:21,990 --> 00:43:20,319

can't they can't follow through so uh

1280

00:43:23,990 --> 00:43:22,000

yeah i didn't get any more details than

1281

00:43:26,150 --> 00:43:24,000

what you had but it's amazing account

1282

00:43:28,230 --> 00:43:26,160

just really amazing weird

1283

00:43:29,829 --> 00:43:28,240

yeah yeah i mean when you first started

1284

00:43:31,190 --> 00:43:29,839

talking about it years ago i was

1285

00:43:33,589 --> 00:43:31,200

thinking now i don't know what the hell

1286

00:43:35,589 --> 00:43:33,599

tim's running into here but i haven't

1287

00:43:38,150 --> 00:43:35,599

heard anything about this but i think

1288

00:43:39,430 --> 00:43:38,160

since then i have heard a few things but

1289

00:43:40,710 --> 00:43:39,440

you know that one of course i had a

1290

00:43:43,589 --> 00:43:40,720

witness

1291

00:43:46,390 --> 00:43:43,599

and uh yeah it's weird

1292

00:43:48,069 --> 00:43:46,400

yeah yeah so

1293

00:43:50,710 --> 00:43:48,079

i don't know what you know i imagine

1294

00:43:52,950 --> 00:43:50,720

there's like some other world

1295

00:43:54,309 --> 00:43:52,960

work look you know where these guys are

1296

00:43:55,750 --> 00:43:54,319

punching in every night and they hand

1297

00:43:57,349 --> 00:43:55,760

them their uniform

1298

00:43:59,910 --> 00:43:57,359

shirt and say yeah

1299

00:44:01,910 --> 00:43:59,920

go go scare people no i i don't know i

1300

00:44:03,190 --> 00:44:01,920

don't know what it is uh you know

1301
00:44:04,710 --> 00:44:03,200
there's so there's so many different

1302
00:44:07,190 --> 00:44:04,720
angles with it

1303
00:44:09,349 --> 00:44:07,200
uh interesting like that dream chad had

1304
00:44:11,430 --> 00:44:09,359
about the greys and gadors he said one

1305
00:44:13,430 --> 00:44:11,440
of them was wearing a red flannel shirt

1306
00:44:16,230 --> 00:44:13,440
like you gotta be kidding me

1307
00:44:18,069 --> 00:44:16,240
this is so so bizarre you know i don't

1308
00:44:21,589 --> 00:44:18,079
think i've ever had but one bigfoot

1309
00:44:25,750 --> 00:44:23,349
i cadores know like yeah and that was

1310
00:44:27,829 --> 00:44:25,760
over by um

1311
00:44:30,230 --> 00:44:27,839
that was all uh blooming grove road

1312
00:44:31,589 --> 00:44:30,240
somewhere up near one of the first the

1313
00:44:33,910 --> 00:44:31,599

first bridge areas you go across

1314

00:44:37,750 --> 00:44:33,920

blooming grove road coming out of out of

1315

00:44:39,190 --> 00:44:37,760

uh penn township that area there okay it

1316

00:44:41,030 --> 00:44:39,200

was an area i used to go fishing at all

1317

00:44:42,630 --> 00:44:41,040

the time as a kid

1318

00:44:45,829 --> 00:44:42,640

uh but

1319

00:44:47,589 --> 00:44:45,839

yeah i think that's the only place

1320

00:44:50,470 --> 00:44:47,599

from pet lake

1321

00:44:54,470 --> 00:44:50,480

that lake had you know they buried a lot

1322

00:44:56,630 --> 00:44:54,480

of towns yep with that lake yeah uh i i

1323

00:44:58,470 --> 00:44:56,640

know when i was a kid

1324

00:44:59,589 --> 00:44:58,480

people were bitching about

1325

00:45:01,990 --> 00:44:59,599

you know when they were building the

1326
00:45:03,750 --> 00:45:02,000
project 70 they called it

1327
00:45:06,069 --> 00:45:03,760
and uh

1328
00:45:08,230 --> 00:45:06,079
yeah there were a lot of

1329
00:45:10,790 --> 00:45:08,240
a lot of homes and

1330
00:45:13,910 --> 00:45:10,800
churches and graveyards that got buried

1331
00:45:15,430 --> 00:45:13,920
by that by reservoir yeah yeah there's

1332
00:45:16,870 --> 00:45:15,440
still buildings under the water there i

1333
00:45:19,349 --> 00:45:16,880
think i think if you go on youtube you

1334
00:45:21,510 --> 00:45:19,359
can there's some scuba divers that that

1335
00:45:22,630 --> 00:45:21,520
actually went down and filmed some of

1336
00:45:25,270 --> 00:45:22,640
the videos

1337
00:45:27,190 --> 00:45:25,280
or some of the buildings rather i i need

1338
00:45:29,190 --> 00:45:27,200

to find that i'm pretty sure it's on

1339

00:45:30,710 --> 00:45:29,200

it's on youtube but i heard recently

1340

00:45:32,390 --> 00:45:30,720

there's a fault line that runs right

1341

00:45:34,470 --> 00:45:32,400

under that lake i didn't know that

1342

00:45:36,230 --> 00:45:34,480

i didn't either and uh you know i

1343

00:45:37,670 --> 00:45:36,240

haven't done a ton of research about you

1344

00:45:39,829 --> 00:45:37,680

know paranormal and fault lines it's

1345

00:45:41,109 --> 00:45:39,839

something again i i read these things i

1346

00:45:42,550 --> 00:45:41,119

follow them away and like someday i'll

1347

00:45:44,710 --> 00:45:42,560

look into that

1348

00:45:46,069 --> 00:45:44,720

but uh i'm sure there's some some

1349

00:45:48,069 --> 00:45:46,079

correspondence between you know

1350

00:45:49,910 --> 00:45:48,079

paranormal activity and fault yeah well

1351
00:45:52,390 --> 00:45:49,920
you and i have talked about earthquake

1352
00:45:55,270 --> 00:45:52,400
activity around here oh yeah and we've

1353
00:45:57,030 --> 00:45:55,280
had some and uh

1354
00:45:58,950 --> 00:45:57,040
you know i'd be sitting at home and i

1355
00:46:00,870 --> 00:45:58,960
i'd feel a rumble and i'm thinking ah we

1356
00:46:02,390 --> 00:46:00,880
just had a tremor and then you'd go on

1357
00:46:04,390 --> 00:46:02,400
the internet you find yeah something

1358
00:46:06,710 --> 00:46:04,400
happened a little far from here

1359
00:46:10,230 --> 00:46:06,720
uh i mean that one that happened down in

1360
00:46:11,750 --> 00:46:10,240
virginia about about 10 years ago or so

1361
00:46:14,950 --> 00:46:11,760
literally knocked me out of my chair

1362
00:46:16,550 --> 00:46:14,960
that day oh wow yeah were you still in

1363
00:46:18,470 --> 00:46:16,560

maryland at that point yeah i was living

1364

00:46:20,790 --> 00:46:18,480

down to randallstown and uh i was

1365

00:46:23,910 --> 00:46:20,800

sitting on my my recliner

1366

00:46:25,750 --> 00:46:23,920

working and uh it literally knocked me

1367

00:46:26,790 --> 00:46:25,760

out of the chair wow

1368

00:46:31,510 --> 00:46:26,800

yeah

1369

00:46:33,829 --> 00:46:31,520

not too long ago

1370

00:46:35,349 --> 00:46:33,839

that um

1371

00:46:37,910 --> 00:46:35,359

was i think was centered in the pigeon

1372

00:46:41,190 --> 00:46:37,920

hills over there oh really and we felt

1373

00:46:43,589 --> 00:46:41,200

it yeah we felt it here

1374

00:46:44,790 --> 00:46:43,599

so well that's another story pigeon

1375

00:46:46,630 --> 00:46:44,800

hills

1376

00:46:48,309 --> 00:46:46,640

i i've heard so many crazy stuff that

1377

00:46:49,109 --> 00:46:48,319

happened over there

1378

00:46:52,390 --> 00:46:49,119

yeah

1379

00:46:55,349 --> 00:46:52,400

but

1380

00:46:58,309 --> 00:46:55,359

so few places that that we can go

1381

00:47:00,470 --> 00:46:58,319

i i met a woman there who had seen a an

1382

00:47:03,910 --> 00:47:00,480

apparition basically walk out in front

1383

00:47:06,630 --> 00:47:03,920

of her car is that right and uh

1384

00:47:08,550 --> 00:47:06,640

very nice woman great witness

1385

00:47:10,630 --> 00:47:08,560

you know and

1386

00:47:12,630 --> 00:47:10,640

um

1387

00:47:14,309 --> 00:47:12,640

she was uh stunned i mean she just said

1388

00:47:16,069 --> 00:47:14,319

this thing she's like i thought i hit

1389

00:47:17,190 --> 00:47:16,079

this person like i thought i hit this

1390

00:47:20,470 --> 00:47:17,200

person

1391

00:47:21,349 --> 00:47:20,480

um and that was somewhat recently um

1392

00:47:24,470 --> 00:47:21,359

maybe

1393

00:47:25,990 --> 00:47:24,480

probably two years ago

1394

00:47:27,990 --> 00:47:26,000

i met her out there it wouldn't have

1395

00:47:29,670 --> 00:47:28,000

been up by the twin lakes area for the

1396

00:47:31,589 --> 00:47:29,680

two lakes

1397

00:47:33,910 --> 00:47:31,599

um not too far

1398

00:47:36,710 --> 00:47:35,190

that's a that's a weird place because

1399

00:47:38,630 --> 00:47:36,720

when we were kids we used to go up there

1400

00:47:39,670 --> 00:47:38,640

drinking we saw all kinds of crazy stuff

1401

00:47:42,950 --> 00:47:39,680

up there

1402

00:47:45,670 --> 00:47:42,960

the yeah that along that lake it that's

1403

00:47:46,470 --> 00:47:45,680

right off a lake road there yeah right

1404

00:47:48,549 --> 00:47:46,480

yeah

1405

00:47:50,790 --> 00:47:48,559

they've had i've heard stories of lights

1406

00:47:53,589 --> 00:47:50,800

coming out of that lake is that right

1407

00:47:56,710 --> 00:47:53,599

yeah yeah people seem like i don't know

1408

00:47:58,549 --> 00:47:56,720

if usos or just spook lights or what but

1409

00:48:00,309 --> 00:47:58,559

they said no actual lights coming out of

1410

00:48:01,510 --> 00:48:00,319

that that lake

1411

00:48:04,069 --> 00:48:01,520

so yeah there's

1412

00:48:08,470 --> 00:48:04,079

again that's all glattfelder land too

1413

00:48:11,910 --> 00:48:09,750

um

1414

00:48:13,910 --> 00:48:11,920

you know i i had you come on the show on

1415

00:48:16,150 --> 00:48:13,920

the premise that we talk about

1416

00:48:18,630 --> 00:48:16,160

well witchcraft or

1417

00:48:20,710 --> 00:48:18,640

folk folk magic and stuff we'll talk a

1418

00:48:22,549 --> 00:48:20,720

little bit about it sure uh and you

1419

00:48:25,589 --> 00:48:22,559

wrote about it in your first book uh

1420

00:48:27,349 --> 00:48:25,599

about the ray meyer and uh nelson ray

1421

00:48:30,470 --> 00:48:27,359

meyer and the uh

1422

00:48:31,990 --> 00:48:30,480

and the pow wowers and all that uh

1423

00:48:34,230 --> 00:48:32,000

give us a brief

1424

00:48:36,390 --> 00:48:34,240

synopsis of what happened there back in

1425

00:48:37,990 --> 00:48:36,400

the 20s

1426

00:48:40,390 --> 00:48:38,000

so uh

1427

00:48:43,109 --> 00:48:40,400

ray meyer was a guy who lived alone he

1428

00:48:45,030 --> 00:48:43,119

was what they call powwow doctor

1429

00:48:46,309 --> 00:48:45,040

around here and that is a

1430

00:48:47,190 --> 00:48:46,319

form of local

1431

00:48:51,270 --> 00:48:47,200

folk

1432

00:48:53,030 --> 00:48:51,280

healing and and uh

1433

00:48:55,109 --> 00:48:53,040

a lot of people say

1434

00:48:57,030 --> 00:48:55,119

it's witchcraft it it really isn't it's

1435

00:48:58,710 --> 00:48:57,040

it's based in it's a kind of form of

1436

00:49:00,549 --> 00:48:58,720

christian folk magic really if you if

1437

00:49:02,950 --> 00:49:00,559

you read the books

1438

00:49:04,630 --> 00:49:02,960

and uh the thing about raymeyer is he he

1439

00:49:06,549 --> 00:49:04,640

kind of helped his community i've done a

1440

00:49:07,829 --> 00:49:06,559

lot of research on him i found a lot i'm

1441

00:49:09,430 --> 00:49:07,839

kind of trying to piece together his

1442

00:49:12,150 --> 00:49:09,440

life bit by bit

1443

00:49:13,589 --> 00:49:12,160

from uh newspaper stories and stuff

1444

00:49:15,430 --> 00:49:13,599

he was very interested in helping his

1445

00:49:16,630 --> 00:49:15,440

community uh i believe he was on the

1446

00:49:17,910 --> 00:49:16,640

school board

1447

00:49:18,790 --> 00:49:17,920

at the time

1448

00:49:20,870 --> 00:49:18,800

uh

1449

00:49:22,390 --> 00:49:20,880

interesting guy lived alone though even

1450

00:49:23,829 --> 00:49:22,400

though he was married my one of my

1451

00:49:25,829 --> 00:49:23,839

favorite quotes is they they talked to

1452

00:49:27,670 --> 00:49:25,839

his wife and they said yeah i won't live

1453

00:49:28,790 --> 00:49:27,680

with him he's too damn peculiar which i

1454

00:49:30,630 --> 00:49:28,800

thought was a

1455

00:49:32,150 --> 00:49:30,640

funny quote

1456

00:49:34,069 --> 00:49:32,160

uh

1457

00:49:35,430 --> 00:49:34,079

marie mars hollow back at the time

1458

00:49:37,430 --> 00:49:35,440

there could have been much there there's

1459

00:49:38,630 --> 00:49:37,440

not a heck of a lot there now i'm i'm

1460

00:49:41,109 --> 00:49:38,640

thinking he might have been the only

1461

00:49:43,670 --> 00:49:41,119

house in the hollow probably

1462

00:49:45,829 --> 00:49:43,680

maybe a couple others

1463

00:49:49,270 --> 00:49:45,839

but um

1464

00:49:51,109 --> 00:49:49,280

some uh this other guy blimeyer got the

1465

00:49:53,910 --> 00:49:51,119

notion that he had had a curse put on

1466

00:49:56,150 --> 00:49:53,920

him and he started uh going around to

1467

00:49:58,870 --> 00:49:56,160

other pow-wow doctors to try to you know

1468

00:50:00,549 --> 00:49:58,880

get it taken off and he eventually

1469

00:50:01,829 --> 00:50:00,559

stumbled into this woman

1470

00:50:04,309 --> 00:50:01,839

who they call

1471

00:50:05,829 --> 00:50:04,319

in the book hex they they call her um

1472

00:50:07,430 --> 00:50:05,839

nelly knoll i don't know why they

1473

00:50:09,109 --> 00:50:07,440

changed her name it's she's in the

1474

00:50:10,950 --> 00:50:09,119

newspaper with her real name her name

1475

00:50:12,710 --> 00:50:10,960

was emma knopp

1476

00:50:13,829 --> 00:50:12,720

and she lived in marietta

1477

00:50:16,069 --> 00:50:13,839

they called her the river witch of

1478

00:50:18,790 --> 00:50:16,079

marietta she's super interesting i've

1479

00:50:21,510 --> 00:50:18,800

done a lot of research on her uh she was

1480

00:50:22,710 --> 00:50:21,520

a cut wife she was given abortions back

1481

00:50:26,230 --> 00:50:22,720

then

1482

00:50:28,069 --> 00:50:26,240

uh i heard that yeah yeah so she was she

1483

00:50:30,470 --> 00:50:28,079

was uh you know

1484

00:50:32,470 --> 00:50:30,480

she hung out with a rough crowd for sure

1485

00:50:34,549 --> 00:50:32,480

uh but she supposedly according to

1486

00:50:36,230 --> 00:50:34,559

blymeyer he handed her

1487

00:50:37,829 --> 00:50:36,240

a dollar bill

1488

00:50:39,589 --> 00:50:37,839

and she folded it up and handed it back

1489

00:50:41,990 --> 00:50:39,599

to him and said this is after several

1490

00:50:44,150 --> 00:50:42,000

visits to her and she said unfold it and

1491

00:50:45,750 --> 00:50:44,160

you will see the face of the person

1492

00:50:47,510 --> 00:50:45,760

who cursed you and when he supposedly

1493

00:50:49,670 --> 00:50:47,520

when he unfolds his dollar bill he sees

1494

00:50:51,750 --> 00:50:49,680

nelson raymar's face

1495

00:50:53,510 --> 00:50:51,760

so he decides he's you know she she

1496

00:50:54,470 --> 00:50:53,520

tells him you gotta break the curse you

1497

00:50:56,470 --> 00:50:54,480

gotta

1498

00:50:59,910 --> 00:50:56,480

either get a lock of his hair or his hex

1499

00:51:01,190 --> 00:50:59,920

book and bury it six feet underground

1500

00:51:02,950 --> 00:51:01,200

so he's uh

1501
00:51:05,670 --> 00:51:02,960
kind of afraid to do this himself raymar

1502
00:51:07,670 --> 00:51:05,680
was a big guy he's not he was a big man

1503
00:51:09,670 --> 00:51:07,680
over six feet tall and pretty pretty

1504
00:51:11,670 --> 00:51:09,680
imposing guy

1505
00:51:13,910 --> 00:51:11,680
uh so he starts recruiting other people

1506
00:51:16,470 --> 00:51:13,920
he finds a couple other people uh that

1507
00:51:18,790 --> 00:51:16,480
are down on their luck uh i think the

1508
00:51:20,309 --> 00:51:18,800
curry boy and um

1509
00:51:22,309 --> 00:51:20,319
i'm drawing a blank on the other name

1510
00:51:24,630 --> 00:51:22,319
another local farmers who were having

1511
00:51:26,950 --> 00:51:24,640
they were having bad time

1512
00:51:28,390 --> 00:51:26,960
and uh basically convinces them that

1513
00:51:29,829 --> 00:51:28,400

they've had curses put on them too and

1514

00:51:31,510 --> 00:51:29,839

that it was raymar

1515

00:51:33,270 --> 00:51:31,520

they go down and visit them raymar

1516

00:51:35,589 --> 00:51:33,280

welcomes him into this house says come

1517

00:51:38,470 --> 00:51:35,599

on in lets them stay the night and they

1518

00:51:40,069 --> 00:51:38,480

stay the night the first night

1519

00:51:41,670 --> 00:51:40,079

seemed to have a genial conversation

1520

00:51:43,990 --> 00:51:41,680

give them breakfast in the morning sends

1521

00:51:46,069 --> 00:51:44,000

them on their way

1522

00:51:47,670 --> 00:51:46,079

um during the night they were too scared

1523

00:51:49,430 --> 00:51:47,680

to go so it was rumored that raymeyer

1524

00:51:51,510 --> 00:51:49,440

kept his his hex book

1525

00:51:53,589 --> 00:51:51,520

so-called textbook in the basement they

1526
00:51:55,270 --> 00:51:53,599
were too afraid to go down there even

1527
00:51:57,670 --> 00:51:55,280
and look for it

1528
00:51:59,670 --> 00:51:57,680
so they come back the next night and

1529
00:52:02,470 --> 00:51:59,680
they ask him uh

1530
00:52:05,190 --> 00:52:02,480
supposedly they said where is it

1531
00:52:06,549 --> 00:52:05,200
and he he said what

1532
00:52:08,069 --> 00:52:06,559
and uh

1533
00:52:09,349 --> 00:52:08,079
they asked him again and supposedly he

1534
00:52:11,750 --> 00:52:09,359
took out his wallet you know this is

1535
00:52:13,430 --> 00:52:11,760
1928 he probably thought they wanted

1536
00:52:14,710 --> 00:52:13,440
money you know

1537
00:52:18,069 --> 00:52:14,720
and uh

1538
00:52:21,030 --> 00:52:18,079

they i guess they took that to him being

1539

00:52:22,470 --> 00:52:21,040

sarcastic or or you know trying to avoid

1540

00:52:23,829 --> 00:52:22,480

uh giving them the hex book and they

1541

00:52:26,790 --> 00:52:23,839

they ended up beating them to death with

1542

00:52:28,549 --> 00:52:26,800

a chair and a block of wood

1543

00:52:31,430 --> 00:52:28,559

set his house on fire to try to get rid

1544

00:52:33,190 --> 00:52:31,440

of the evidence but it didn't take

1545

00:52:35,109 --> 00:52:33,200

a couple days later one of his neighbors

1546

00:52:36,630 --> 00:52:35,119

his neighbors heard i think his mule was

1547

00:52:39,030 --> 00:52:36,640

braying or something

1548

00:52:40,790 --> 00:52:39,040

uh because it was hungry hadn't been fed

1549

00:52:42,790 --> 00:52:40,800

and went down to see what was wrong and

1550

00:52:45,349 --> 00:52:42,800

that's that's when they found him and

1551
00:52:47,109 --> 00:52:45,359
then all heck breaks loose then then the

1552
00:52:48,470 --> 00:52:47,119
the you know the hex trials so-called

1553
00:52:51,190 --> 00:52:48,480
happens and

1554
00:52:52,870 --> 00:52:51,200
a lot of um in them in the press

1555
00:52:54,230 --> 00:52:52,880
pennsylvanias are pennsylvanians are

1556
00:52:55,910 --> 00:52:54,240
kind of portrayed as these backwards

1557
00:52:57,430 --> 00:52:55,920
people that still believe in witchcraft

1558
00:52:59,270 --> 00:52:57,440
and stuff and

1559
00:53:01,030 --> 00:52:59,280
it was a mess it was a real mess and did

1560
00:53:03,990 --> 00:53:01,040
a lot of harm to the tradition of powwow

1561
00:53:05,750 --> 00:53:04,000
i think yeah well you know in the in the

1562
00:53:08,150 --> 00:53:05,760
in the laws of the state it's still

1563
00:53:11,109 --> 00:53:08,160

illegal in pennsylvania

1564

00:53:15,270 --> 00:53:11,119

uh to charge for it i believe yeah yeah

1565

00:53:17,589 --> 00:53:15,280

oh to charge for it oh okay yeah uh

1566

00:53:19,510 --> 00:53:17,599

yeah i was kind of raised up in that

1567

00:53:21,349 --> 00:53:19,520

you know i knew all about it raymar was

1568

00:53:23,349 --> 00:53:21,359

a great great uncle on my my

1569

00:53:25,589 --> 00:53:23,359

grandmother's side

1570

00:53:27,670 --> 00:53:25,599

so we knew the story of course when the

1571

00:53:30,230 --> 00:53:27,680

book came out back in the 60s i think it

1572

00:53:31,030 --> 00:53:30,240

was hex yeah and folks you want to read

1573

00:53:59,030 --> 00:53:31,040

a

1574

00:54:00,470 --> 00:53:59,040

i pick them up i find used copies

1575

00:54:04,150 --> 00:54:00,480

locally

1576

00:54:05,829 --> 00:54:04,160

oh yeah yeah yeah then it's a great book

1577

00:54:07,190 --> 00:54:05,839

i ought to go back and read it again i

1578

00:54:09,990 --> 00:54:07,200

think i've read it three or four times

1579

00:54:11,670 --> 00:54:10,000

but i always enjoyed it yeah it's i went

1580

00:54:14,390 --> 00:54:11,680

back and kind of paged through it

1581

00:54:15,750 --> 00:54:14,400

recently and there's a lot of um

1582

00:54:17,670 --> 00:54:15,760

and i'd forgotten about this there's a

1583

00:54:19,829 --> 00:54:17,680

lot he talks to a lot of other local pow

1584

00:54:21,510 --> 00:54:19,839

hours yeah he does and names them and

1585

00:54:23,270 --> 00:54:21,520

and basically

1586

00:54:25,349 --> 00:54:23,280

i'm kind of working on doing a sort of a

1587

00:54:27,910 --> 00:54:25,359

family tree of these local pow hours who

1588

00:54:29,589 --> 00:54:27,920

taught who and and et cetera it's very

1589

00:54:31,510 --> 00:54:29,599

interesting um

1590

00:54:32,950 --> 00:54:31,520

yes it's a good book it is a really good

1591

00:54:35,190 --> 00:54:32,960

book

1592

00:54:37,510 --> 00:54:35,200

you know it really is i mean i you know

1593

00:54:39,109 --> 00:54:37,520

like i said i have a i grew up around it

1594

00:54:40,710 --> 00:54:39,119

and of course you hear all the stories

1595

00:54:41,829 --> 00:54:40,720

about all these different pow hours and

1596

00:54:44,069 --> 00:54:41,839

then

1597

00:54:45,750 --> 00:54:44,079

you know

1598

00:54:48,950 --> 00:54:45,760

this pennsylvania had a lot of

1599

00:54:50,150 --> 00:54:48,960

witchcraft anyway going way way back and

1600

00:54:53,030 --> 00:54:50,160

you know

1601
00:54:54,630 --> 00:54:53,040
up in the south mountain area there's

1602
00:54:56,950 --> 00:54:54,640
you know into maryland there were a lot

1603
00:54:59,750 --> 00:54:56,960
of witches up there and

1604
00:55:01,030 --> 00:54:59,760
i had heard stories going up pine grove

1605
00:55:03,349 --> 00:55:01,040
road from

1606
00:55:05,109 --> 00:55:03,359
caledonia past to uh

1607
00:55:07,829 --> 00:55:05,119
the whole way up and through misho up

1608
00:55:09,349 --> 00:55:07,839
into laurel lake area about all the

1609
00:55:11,190 --> 00:55:09,359
witches they used to live up there in

1610
00:55:13,109 --> 00:55:11,200
the mountains and such so you know you

1611
00:55:15,670 --> 00:55:13,119
hear a lot of stories

1612
00:55:16,549 --> 00:55:15,680
but uh yeah

1613
00:55:18,630 --> 00:55:16,559

i mean

1614

00:55:21,430 --> 00:55:18,640

so the logic kind of follows so the idea

1615

00:55:23,349 --> 00:55:21,440

some of what pow out doctors did

1616

00:55:25,829 --> 00:55:23,359

was to find witches

1617

00:55:29,750 --> 00:55:28,230

break the curses or or essentially

1618

00:55:31,750 --> 00:55:29,760

in the long lost friend the book is

1619

00:55:34,150 --> 00:55:31,760

you're basically

1620

00:55:35,829 --> 00:55:34,160

basically the the charms amount to

1621

00:55:37,990 --> 00:55:35,839

whatever they're trying to do to you

1622

00:55:39,510 --> 00:55:38,000

gets thrown back on the on to them right

1623

00:55:41,510 --> 00:55:39,520

right i understand the idea of people

1624

00:55:43,750 --> 00:55:41,520

like well if they can find witches and

1625

00:55:44,950 --> 00:55:43,760

do that they could easily be witches

1626

00:55:45,829 --> 00:55:44,960

themselves

1627

00:55:47,589 --> 00:55:45,839

so

1628

00:55:49,829 --> 00:55:47,599

a lot of these powwow doctors get

1629

00:55:51,750 --> 00:55:49,839

accused of being witches even though i

1630

00:55:53,990 --> 00:55:51,760

don't think they technically were but

1631

00:55:55,589 --> 00:55:54,000

also a lot of them were too you know a

1632

00:55:57,030 --> 00:55:55,599

lot of them were doing both yeah a lot

1633

00:55:58,710 --> 00:55:57,040

of them did a little bit black magic i

1634

00:56:00,950 --> 00:55:58,720

mean you know if you're familiar with

1635

00:56:03,349 --> 00:56:00,960

appalachian folk magic it's pretty

1636

00:56:05,670 --> 00:56:03,359

similar to what pow hours are it's about

1637

00:56:07,670 --> 00:56:05,680

a lot of conjuring and stuff but you

1638

00:56:10,470 --> 00:56:07,680

know in the long lost friend they have

1639

00:56:12,630 --> 00:56:10,480

these formulas and these spells but

1640

00:56:14,309 --> 00:56:12,640

they're mostly based on the bible and a

1641

00:56:16,710 --> 00:56:14,319

lot of other things but

1642

00:56:18,549 --> 00:56:16,720

yeah it's an it's an interesting even

1643

00:56:21,349 --> 00:56:18,559

even the the old

1644

00:56:22,950 --> 00:56:21,359

the old long-lost friend book is is

1645

00:56:25,349 --> 00:56:22,960

interesting to read

1646

00:56:26,549 --> 00:56:25,359

uh i don't really believe in most of it

1647

00:56:28,390 --> 00:56:26,559

uh you know

1648

00:56:30,950 --> 00:56:28,400

though i've seen some weird things

1649

00:56:33,270 --> 00:56:30,960

before and of course and um

1650

00:56:35,750 --> 00:56:33,280

but uh yeah it's uh

1651

00:56:37,829 --> 00:56:35,760

it's just part of what we are here

1652

00:56:40,150 --> 00:56:37,839

it's a fascinating history it really is

1653

00:56:41,829 --> 00:56:40,160

fascinating and uh yeah long lost friend

1654

00:56:43,349 --> 00:56:41,839

is it's

1655

00:56:46,230 --> 00:56:43,359

it's amazing book there's some depth

1656

00:56:49,750 --> 00:56:46,240

there it seems at first it seems

1657

00:56:56,309 --> 00:56:53,510

silly in in some places you know but uh

1658

00:56:58,710 --> 00:56:56,319

if you consider like the sources um

1659

00:56:59,990 --> 00:56:58,720

homan who published it you know he drew

1660

00:57:02,390 --> 00:57:00,000

from a lot of different sources a lot of

1661

00:57:04,710 --> 00:57:02,400

people say it's plagiarism

1662

00:57:06,150 --> 00:57:04,720

i first of all if it's supposed to be

1663

00:57:08,230 --> 00:57:06,160

true and these people believed it to be

1664

00:57:10,470 --> 00:57:08,240

true then it's not plagiarism then he's

1665

00:57:11,910 --> 00:57:10,480

just repeating you know

1666

00:57:13,270 --> 00:57:11,920

a true thing that that he found

1667

00:57:15,270 --> 00:57:13,280

somewhere else

1668

00:57:16,789 --> 00:57:15,280

uh but it's it's uh

1669

00:57:18,390 --> 00:57:16,799

you know it's it's an interesting book

1670

00:57:20,710 --> 00:57:18,400

and it's an interesting

1671

00:57:21,990 --> 00:57:20,720

look into the beliefs of the of the past

1672

00:57:23,829 --> 00:57:22,000

which is

1673

00:57:24,549 --> 00:57:23,839

it's quite interesting these people live

1674

00:57:27,270 --> 00:57:24,559

with

1675

00:57:29,109 --> 00:57:27,280

they had to make sure their crops were

1676
00:57:31,109 --> 00:57:29,119
in at the right time no wonder they got

1677
00:57:32,950 --> 00:57:31,119
superstitious about it you know if your

1678
00:57:34,630 --> 00:57:32,960
crops fail you're in a world of trouble

1679
00:57:36,549 --> 00:57:34,640
yeah these people are all from your

1680
00:57:38,230 --> 00:57:36,559
world and uh you know the pennsylvania

1681
00:57:39,190 --> 00:57:38,240
dutch you know the you know not the

1682
00:57:40,710 --> 00:57:39,200
amish but i'm talking about the

1683
00:57:42,470 --> 00:57:40,720
pennsylvania that's the later ones that

1684
00:57:44,309 --> 00:57:42,480
came in they brought all that here of

1685
00:57:46,150 --> 00:57:44,319
course that's where we got all these

1686
00:57:47,190 --> 00:57:46,160
upright canine

1687
00:57:49,270 --> 00:57:47,200
uh

1688
00:57:51,589 --> 00:57:49,280

wolfman

1689

00:57:54,710 --> 00:57:51,599

legends and sightings and stuff too

1690

00:57:57,589 --> 00:57:54,720

because a lot of these earlier witnesses

1691

00:58:00,309 --> 00:57:57,599

especially down in maryland were

1692

00:58:02,870 --> 00:58:00,319

were these uh pennsylvania dutch farmers

1693

00:58:04,069 --> 00:58:02,880

yeah very strong level of tradition yeah

1694

00:58:04,950 --> 00:58:04,079

absolutely

1695

00:58:07,109 --> 00:58:04,960

so

1696

00:58:09,430 --> 00:58:07,119

it's crazy it's a crazy area we live in

1697

00:58:11,270 --> 00:58:09,440

now i'll agree with you there so

1698

00:58:12,789 --> 00:58:11,280

that's it's like i tell people it's as

1699

00:58:14,309 --> 00:58:12,799

far as what i'm doing with writing the

1700

00:58:15,030 --> 00:58:14,319

books and strange familiars and all this

1701

00:58:17,109 --> 00:58:15,040

stuff

1702

00:58:19,109 --> 00:58:17,119

good place to be yeah you never have to

1703

00:58:20,549 --> 00:58:19,119

go too far for something strange so

1704

00:58:23,829 --> 00:58:20,559

let's show everybody what you're up to

1705

00:58:25,750 --> 00:58:23,839

what you what you got coming up and uh

1706

00:58:26,990 --> 00:58:25,760

how they get in contact with you

1707

00:58:28,870 --> 00:58:27,000

uh

1708

00:58:30,950 --> 00:58:28,880

strangefamiliars.com is where you can

1709

00:58:33,030 --> 00:58:30,960

find my podcast and all that contact

1710

00:58:35,910 --> 00:58:33,040

information goes right to me

1711

00:58:37,829 --> 00:58:35,920

there i am uh i just did a cover for a

1712

00:58:39,109 --> 00:58:37,839

comic book department of truth it's kind

1713

00:58:41,750 --> 00:58:39,119

of like a

1714

00:58:43,990 --> 00:58:41,760

paranormal comic by image comics i just

1715

00:58:45,910 --> 00:58:44,000

did a a variant cover for that not the

1716

00:58:48,630 --> 00:58:45,920

cover you'll see on the newsstand

1717

00:58:50,309 --> 00:58:48,640

that was fun and then i'm taking on a

1718

00:58:51,990 --> 00:58:50,319

i'm illustrating a book about the undead

1719

00:58:54,230 --> 00:58:52,000

i didn't write this one i'm i'm

1720

00:58:55,750 --> 00:58:54,240

illustrating it uh it's a

1721

00:58:58,789 --> 00:58:55,760

you know book that had been published

1722

00:59:01,270 --> 00:58:58,799

decades and decades ago okay that uh

1723

00:59:03,109 --> 00:59:01,280

we are reprinting some that's the first

1724

00:59:05,030 --> 00:59:03,119

time i'll be working with um

1725

00:59:07,190 --> 00:59:05,040

another publisher and

1726

00:59:08,710 --> 00:59:07,200

so i'll be illustrating that and

1727

00:59:11,270 --> 00:59:08,720

hopefully i'll get some of these other

1728

00:59:12,470 --> 00:59:11,280

books out uh working on a couple books

1729

00:59:15,349 --> 00:59:12,480

that have to do with pennsylvania

1730

00:59:18,309 --> 00:59:15,359

folklore and i got a book on uh another

1731

00:59:20,230 --> 00:59:18,319

book on bigfoot historical stuff on the

1732

00:59:21,670 --> 00:59:20,240

way i just need to

1733

00:59:22,870 --> 00:59:21,680

i have all the reports i just need to

1734

00:59:25,349 --> 00:59:22,880

type them up

1735

00:59:26,630 --> 00:59:25,359

and then uh probably more bigfoot

1736

00:59:28,390 --> 00:59:26,640

i won't be getting away from that

1737

00:59:30,549 --> 00:59:28,400

anytime soon

1738

00:59:33,829 --> 00:59:30,559

well tim you're not gonna have to get

1739

00:59:35,030 --> 00:59:33,839

together soon it's been a while and uh

1740

00:59:37,829 --> 00:59:35,040

uh

1741

00:59:39,510 --> 00:59:37,839

yeah i i i know we were talking about

1742

00:59:41,990 --> 00:59:39,520

this bridge i can get is where we need

1743

00:59:44,470 --> 00:59:42,000

to take a day up there sometime and just

1744

00:59:46,789 --> 00:59:44,480

look around go up to me show maybe get

1745

00:59:49,109 --> 00:59:46,799

the team together and go up to me show

1746

00:59:51,990 --> 00:59:49,119

sometime this summer or whenever all

1747

00:59:53,349 --> 00:59:52,000

this covered crap stops but yeah

1748

00:59:54,950 --> 00:59:53,359

absolutely

1749

00:59:57,270 --> 00:59:54,960

well if we're outside i feel definitely

1750

00:59:58,150 --> 00:59:57,280

more comfortable yeah absolutely yeah

1751

01:00:00,069 --> 00:59:58,160
