

PHANTOMS & MONSTERS

R A D I O

PHANTOMS & MONSTERS
FORTEAN RESEARCH
ROUNDTABLE
DISCUSSION / CHAT Q & A

FRIDAY, FEBRUARY 11TH AT 9PM EASTERN / 6PM PACIFIC

1
00:00:03,070 --> 00:00:13,430

[Music]

2
00:00:17,670 --> 00:00:16,150

we live in a reality of phantoms and

3
00:00:20,710 --> 00:00:17,680

monsters

4
00:00:21,990 --> 00:00:20,720

they exist among us and sometimes they

5
00:00:25,269 --> 00:00:22,000

win

6
00:00:28,230 --> 00:00:25,279

even the devil was an angel once

7
00:00:30,790 --> 00:00:28,240

the world has its own rules and these

8
00:00:33,670 --> 00:00:30,800

rules are not human

9
00:00:35,910 --> 00:00:33,680

some of us seek answers to the origin

10
00:00:37,910 --> 00:00:35,920

and existence of cryptids in the

11
00:00:41,270 --> 00:00:37,920

unexplained

12
00:00:43,590 --> 00:00:41,280

join us as we venture beyond the known

13
00:00:45,750 --> 00:00:43,600

and accepted boundaries

14

00:00:51,870 --> 00:00:45,760

welcome to our nightmare

15

00:01:02,549 --> 00:01:01,029

[Music]

16

00:01:04,229 --> 00:01:02,559

folks good evening and welcome to

17

00:01:06,710 --> 00:01:04,239

phantoms of monsters radio where we

18

00:01:09,190 --> 00:01:06,720

explore the unexplained live on youtube

19

00:01:11,429 --> 00:01:09,200

i'm your host lon stricter coming to you

20

00:01:13,750 --> 00:01:11,439

within a cannon shot of the howl fields

21

00:01:15,190 --> 00:01:13,760

of gettysburg pennsylvania thanks for

22

00:01:17,109 --> 00:01:15,200

joining us now

23

00:01:19,350 --> 00:01:17,119

phantoms of monsters radio channel was

24

00:01:21,350 --> 00:01:19,360

made possible by you liking subscribing

25

00:01:23,590 --> 00:01:21,360

and sharing our programming

26

00:01:26,230 --> 00:01:23,600

and uh super chat donations are

27

00:01:28,070 --> 00:01:26,240

essential for us to continue offering

28

00:01:30,390 --> 00:01:28,080

your unique content so your

29

00:01:31,830 --> 00:01:30,400

consideration is very much needed and

30

00:01:33,830 --> 00:01:31,840

appreciated

31

00:01:37,670 --> 00:01:33,840

now tonight we kind of got a uh

32

00:01:40,950 --> 00:01:37,680

impromptu get together uh

33

00:01:43,429 --> 00:01:40,960

my original guests caught covet and the

34

00:01:45,270 --> 00:01:43,439

whole family's down so we had to

35

00:01:47,350 --> 00:01:45,280

restructure things

36

00:01:49,510 --> 00:01:47,360

so i got some team members coming on

37

00:01:51,429 --> 00:01:49,520

tonight and hopefully we can have an

38

00:01:54,149 --> 00:01:51,439

interesting discussion and talk about a

39

00:01:56,310 --> 00:01:54,159

few cases and look if you've got a

40

00:01:58,630 --> 00:01:56,320

question in the chat room feel free to

41

00:02:00,870 --> 00:01:58,640

to uh put it in caps

42

00:02:04,789 --> 00:02:00,880

and uh we'll see if we can answer it now

43

00:02:08,550 --> 00:02:04,799

joining me tonight is emmanuel navarette

44

00:02:11,430 --> 00:02:08,560

tommy carroll and vincent richardson so

45

00:02:12,949 --> 00:02:11,440

guys thanks for coming on tonight

46

00:02:15,030 --> 00:02:12,959

thanks for having us love it's my

47

00:02:17,350 --> 00:02:15,040

pleasure

48

00:02:19,270 --> 00:02:17,360

so uh yeah before we get started you

49

00:02:21,990 --> 00:02:19,280

know manuel was talking about now

50

00:02:22,790 --> 00:02:22,000

emmanuel and tobias were on with me last

51
00:02:26,150 --> 00:02:22,800
week

52
00:02:28,470 --> 00:02:26,160
talking about chicago sightings and um

53
00:02:30,550 --> 00:02:28,480
apparently manuel found about found out

54
00:02:33,110 --> 00:02:30,560
about some trespassers

55
00:02:34,470 --> 00:02:33,120
out of the hair uh i guess this week so

56
00:02:35,750 --> 00:02:34,480
manny why don't you tell us a bit about

57
00:02:38,710 --> 00:02:35,760
that

58
00:02:40,309 --> 00:02:38,720
yeah well i'm was uh

59
00:02:41,830 --> 00:02:40,319
i have a lot of friends who still work

60
00:02:43,990 --> 00:02:41,840
at the airport and i just you know i

61
00:02:46,390 --> 00:02:44,000
work in cargo with a

62
00:02:48,229 --> 00:02:46,400
transportation company so

63
00:02:50,070 --> 00:02:48,239

uh they were telling me one of them was

64

00:02:51,509 --> 00:02:50,080

telling me about an incident where they

65

00:02:53,270 --> 00:02:51,519

had some

66

00:02:53,990 --> 00:02:53,280

fear or group of teenagers out there you

67

00:02:55,910 --> 00:02:54,000

know

68

00:02:56,869 --> 00:02:55,920

paranormal investigating

69

00:03:00,630 --> 00:02:56,879

um

70

00:03:03,750 --> 00:03:00,640

somehow found a way to get on to the

71

00:03:05,830 --> 00:03:03,760

property and why by when you hear us

72

00:03:08,949 --> 00:03:05,840

talk about other side of the fence

73

00:03:10,229 --> 00:03:08,959

there's a huge like 12 foot fence that

74

00:03:11,030 --> 00:03:10,239

surrounds

75

00:03:13,589 --> 00:03:11,040

um

76

00:03:14,630 --> 00:03:13,599

o'hare airport and we're talking like

77

00:03:16,470 --> 00:03:14,640

you know

78

00:03:19,350 --> 00:03:16,480

razor wire and everything

79

00:03:20,149 --> 00:03:19,360

um on the other side is federal property

80

00:03:24,149 --> 00:03:20,159

so

81

00:03:26,470 --> 00:03:24,159

their themselves uh

82

00:03:28,309 --> 00:03:26,480

on the other side of the fence and

83

00:03:30,390 --> 00:03:28,319

we're out there taking pictures and

84

00:03:32,710 --> 00:03:30,400

doing an investigation but

85

00:03:33,830 --> 00:03:32,720

we're about 150 yards from an active

86

00:03:36,070 --> 00:03:33,840

runway

87

00:03:37,110 --> 00:03:36,080

when they were found out by maintenance

88

00:03:38,070 --> 00:03:37,120

people

89

00:03:39,430 --> 00:03:38,080

um

90

00:03:41,750 --> 00:03:39,440

and that

91

00:03:43,990 --> 00:03:41,760

really led to a lot of uh

92

00:03:46,229 --> 00:03:44,000

a pretty bad situation for them because

93

00:03:48,789 --> 00:03:46,239

they were quickly surrounded by security

94

00:03:49,830 --> 00:03:48,799

they were quickly surrounded by tsa

95

00:03:51,110 --> 00:03:49,840

um

96

00:03:52,869 --> 00:03:51,120

and they were

97

00:03:56,789 --> 00:03:52,879

luckily did not get arrested but they

98

00:03:58,070 --> 00:03:56,799

were told you know that you are now

99

00:04:00,390 --> 00:03:58,080

banned from this property if you're

100

00:04:03,110 --> 00:04:00,400

caught again you know near it

101

00:04:05,509 --> 00:04:03,120

you will go get arrested so

102

00:04:07,350 --> 00:04:05,519

not a good thing um

103

00:04:08,710 --> 00:04:07,360

we always preach about you always hear

104

00:04:11,270 --> 00:04:08,720

us talk about

105

00:04:13,429 --> 00:04:11,280

you know researching responsibly

106

00:04:15,670 --> 00:04:13,439

that means you know staying on the right

107

00:04:18,229 --> 00:04:15,680

side of the fence um

108

00:04:21,030 --> 00:04:18,239

of an international airport

109

00:04:23,909 --> 00:04:21,040

these people don't play games um

110

00:04:26,629 --> 00:04:23,919

it's a security risk and it's not worth

111

00:04:28,950 --> 00:04:26,639

it i mean you're you're looking at a lot

112

00:04:30,950 --> 00:04:28,960

of legal troubles if you get caught

113

00:04:32,550 --> 00:04:30,960

um

114

00:04:33,350 --> 00:04:32,560

least of which would probably be getting

115

00:04:34,710 --> 00:04:33,360

shot

116

00:04:35,830 --> 00:04:34,720

by the police

117

00:04:38,150 --> 00:04:35,840

but uh

118

00:04:39,430 --> 00:04:38,160

it was an interesting story and it was

119

00:04:40,550 --> 00:04:39,440

just um

120

00:04:43,189 --> 00:04:40,560

just

121

00:04:45,350 --> 00:04:43,199

some of the um things that sometimes we

122

00:04:46,230 --> 00:04:45,360

have to deal with especially when you're

123

00:04:48,469 --> 00:04:46,240

uh

124

00:04:49,110 --> 00:04:48,479

you have so many people now coming onto

125

00:04:51,430 --> 00:04:49,120

it

126

00:04:53,189 --> 00:04:51,440

to uh the airport um

127

00:04:54,550 --> 00:04:53,199

i know during the summer when i would go

128

00:04:56,629 --> 00:04:54,560

out there and do investigations i would

129

00:04:57,510 --> 00:04:56,639

usually live stream it to the team

130

00:04:58,950 --> 00:04:57,520

and

131

00:05:01,270 --> 00:04:58,960

there would be all sorts of people out

132

00:05:03,590 --> 00:05:01,280

there you know you'd meet all sorts of

133

00:05:05,189 --> 00:05:03,600

other investigators but at the same time

134

00:05:07,110 --> 00:05:05,199

you also started seeing an increase in

135

00:05:09,029 --> 00:05:07,120

security

136

00:05:11,430 --> 00:05:09,039

these people do not play games when it

137

00:05:12,310 --> 00:05:11,440

comes to protecting their airport

138

00:05:13,749 --> 00:05:12,320

um

139

00:05:16,390 --> 00:05:13,759

if you're gonna do it please be

140

00:05:18,629 --> 00:05:16,400

responsible about it you know

141

00:05:20,870 --> 00:05:18,639

there are places you can that they'll

142

00:05:23,029 --> 00:05:20,880

still be cool if you're cool

143

00:05:24,710 --> 00:05:23,039

about sitting there and you know taking

144

00:05:25,590 --> 00:05:24,720

pictures and video

145

00:05:29,590 --> 00:05:25,600

um

146

00:05:32,629 --> 00:05:31,350

well you know

147

00:05:34,469 --> 00:05:32,639

you were mentioned earlier about

148

00:05:36,550 --> 00:05:34,479

somebody was out there with some drones

149

00:05:38,390 --> 00:05:36,560

too and that's definitely a new though

150

00:05:40,710 --> 00:05:38,400

oh yeah over the summer they were flying

151

00:05:43,990 --> 00:05:40,720

drones over the fence and

152

00:05:46,390 --> 00:05:44,000

that prompted an immediate response so

153

00:05:48,230 --> 00:05:46,400

well they're not playing i mean you know

154

00:05:50,550 --> 00:05:48,240

they're um

155

00:05:52,390 --> 00:05:50,560

they really step things up and i imagine

156

00:05:54,550 --> 00:05:52,400

you know i've been hearing

157

00:05:55,590 --> 00:05:54,560

about this people trying to go out there

158

00:05:57,510 --> 00:05:55,600

and and

159

00:05:59,430 --> 00:05:57,520

find out what we've been getting reports

160

00:06:01,110 --> 00:05:59,440

of and uh

161

00:06:02,710 --> 00:06:01,120

i mean i don't i don't know if anybody's

162

00:06:04,469 --> 00:06:02,720

been locked up but i know they've been

163

00:06:08,629 --> 00:06:04,479

escorting them out of the airport and

164

00:06:12,150 --> 00:06:10,710

so uh we do have a question uh from

165

00:06:14,950 --> 00:06:12,160

james west he wants to know if there's

166

00:06:17,590 --> 00:06:14,960

any dogman sightings of new dogman sites

167

00:06:19,029 --> 00:06:17,600

in pennsylvania and unfortunately uh

168

00:06:21,270 --> 00:06:19,039

nothing new

169

00:06:24,309 --> 00:06:21,280

uh we're working i'm working on a few

170

00:06:26,390 --> 00:06:24,319

right now i've got some up in um

171

00:06:29,990 --> 00:06:26,400

up in northeast pennsylvania up near

172

00:06:31,990 --> 00:06:30,000

pottsville um but other than that

173

00:06:35,270 --> 00:06:32,000

uh we haven't heard anything else i

174

00:06:36,950 --> 00:06:35,280

think if we do we you know we will and

175

00:06:37,990 --> 00:06:36,960

i'll be a sonic at the people on the

176

00:06:40,230 --> 00:06:38,000

team

177

00:06:42,070 --> 00:06:40,240

to go into it so

178

00:06:45,110 --> 00:06:42,080

there you go tommy you get one out your

179

00:06:46,629 --> 00:06:45,120

way you're going to be looking into that

180

00:06:49,029 --> 00:06:46,639

good to me because i've got nothing out

181

00:06:52,309 --> 00:06:49,039

here right now

182

00:06:54,870 --> 00:06:52,319

oh and tommy lives out in um somerset

183

00:06:58,070 --> 00:06:54,880

county so he's not too far from

184

00:07:00,390 --> 00:06:58,080

greene county so uh

185

00:07:03,029 --> 00:07:00,400

you might you might have to meet james

186

00:07:04,469 --> 00:07:03,039

because james had two encounters out in

187

00:07:09,189 --> 00:07:04,479

greene county

188

00:07:11,670 --> 00:07:09,199

where we're waiting for the um

189

00:07:14,550 --> 00:07:11,680

uh the witness to get back to us but

190

00:07:17,189 --> 00:07:14,560

that was a bigfoot encounter on the guys

191

00:07:18,070 --> 00:07:17,199

property and i think there's some also

192

00:07:19,909 --> 00:07:18,080

some

193

00:07:22,950 --> 00:07:19,919

paranormal activity going on at the

194

00:07:24,950 --> 00:07:22,960

house as well and on the property so

195

00:07:27,830 --> 00:07:24,960

i i guess when they get back to you

196

00:07:29,029 --> 00:07:27,840

you'll look into that then

197

00:07:30,790 --> 00:07:29,039

yeah because it sounds really

198

00:07:34,870 --> 00:07:30,800

interesting there's yeah it's an old

199

00:07:35,990 --> 00:07:34,880

house it's built in the 1700s

200

00:07:38,150 --> 00:07:36,000

yeah well

201
00:07:39,909 --> 00:07:38,160
hopefully we get some uh

202
00:07:42,790 --> 00:07:39,919
you know you and bernadette can look

203
00:07:45,830 --> 00:07:42,800
into that and see what's going on there

204
00:07:48,070 --> 00:07:45,840
uh yeah james said yeah you

205
00:07:50,309 --> 00:07:48,080
i'll give you james contact you and him

206
00:07:52,469 --> 00:07:50,319
can look out together if you want to

207
00:07:54,629 --> 00:07:52,479
and i might ask james even what's come

208
00:07:56,309 --> 00:07:54,639
on the team be honest with you he's

209
00:07:57,990 --> 00:07:56,319
pretty you know he's out there in greene

210
00:07:58,790 --> 00:07:58,000
county and that's a nutty place out

211
00:08:00,230 --> 00:07:58,800
there

212
00:08:03,270 --> 00:08:00,240
you know i've had a lot of weird

213
00:08:05,589 --> 00:08:03,280

settings out there over the years

214

00:08:06,790 --> 00:08:05,599

but we had a we had an encounter out

215

00:08:08,950 --> 00:08:06,800

there

216

00:08:10,950 --> 00:08:08,960

that was in

217

00:08:12,950 --> 00:08:10,960

rosemary's book

218

00:08:14,150 --> 00:08:12,960

with the the witness called the dark

219

00:08:15,830 --> 00:08:14,160

walker

220

00:08:17,029 --> 00:08:15,840

and i don't know what the hell that was

221

00:08:18,790 --> 00:08:17,039

it could have been a bigfoot it could

222

00:08:20,550 --> 00:08:18,800

have been it could have been an upright

223

00:08:22,869 --> 00:08:20,560

cane i don't know

224

00:08:24,469 --> 00:08:22,879

but apparently whatever it was it was

225

00:08:27,830 --> 00:08:24,479

shot and killed

226

00:08:29,510 --> 00:08:27,840

and um you know that's all that's all i

227

00:08:31,430 --> 00:08:29,520

have beyond that other than what the

228

00:08:34,469 --> 00:08:31,440

witness told me

229

00:08:36,310 --> 00:08:34,479

but um yep so i don't know so anybody

230

00:08:38,310 --> 00:08:36,320

else got any questions in the chat room

231

00:08:40,949 --> 00:08:38,320

feel free to um

232

00:08:43,029 --> 00:08:40,959

feel free to come forward and and you

233

00:08:45,110 --> 00:08:43,039

know post it up there and ask us we'll

234

00:08:47,030 --> 00:08:45,120

see what we can do like i said this is

235

00:08:49,590 --> 00:08:47,040

kind of impromptu tonight we were

236

00:08:52,550 --> 00:08:49,600

weren't really ready for any of this

237

00:08:54,550 --> 00:08:52,560

um i i can say we've been looking into a

238

00:08:56,310 --> 00:08:54,560

few invest a few paranormal

239

00:08:58,949 --> 00:08:56,320

investigations

240

00:09:01,670 --> 00:08:58,959

uh tommy bernadette and jennifer were

241

00:09:02,550 --> 00:09:01,680

with me at one here in my hometown

242

00:09:06,310 --> 00:09:02,560

uh

243

00:09:07,910 --> 00:09:06,320

in hanover pennsylvania we had a

244

00:09:09,670 --> 00:09:07,920

and i don't know what to make of that

245

00:09:11,430 --> 00:09:09,680

tommy um

246

00:09:15,269 --> 00:09:11,440

that was kind of crazy

247

00:09:17,829 --> 00:09:15,279

but uh this this person had contacted me

248

00:09:19,750 --> 00:09:17,839

about two or three years ago

249

00:09:21,829 --> 00:09:19,760

and

250

00:09:23,670 --> 00:09:21,839

you know apparently

251
00:09:24,630 --> 00:09:23,680
there's something going on in the house

252
00:09:26,870 --> 00:09:24,640
but

253
00:09:28,870 --> 00:09:26,880
who knows i mean i you know

254
00:09:31,430 --> 00:09:28,880
i didn't get much of a sense of anything

255
00:09:33,910 --> 00:09:31,440
going on there though i know bernadette

256
00:09:36,550 --> 00:09:33,920
and jennifer were picking up stuff

257
00:09:39,829 --> 00:09:36,560
and uh so i don't know what was going on

258
00:09:41,750 --> 00:09:39,839
there and then of course we had the uh

259
00:09:44,389 --> 00:09:41,760
and jennifer took care of this we had a

260
00:09:45,350 --> 00:09:44,399
case down charleston west virginia

261
00:09:46,949 --> 00:09:45,360
and

262
00:09:50,310 --> 00:09:46,959
she pretty well took care of that she

263
00:09:54,790 --> 00:09:50,320

was down there for two days and um

264

00:09:56,550 --> 00:09:54,800

uh assessed what was going on so

265

00:09:58,949 --> 00:09:56,560

you know we do get things done around

266

00:10:01,110 --> 00:09:58,959

here uh when you know when we can get

267

00:10:02,069 --> 00:10:01,120

when we get out to the cases

268

00:10:07,030 --> 00:10:02,079

so

269

00:10:09,829 --> 00:10:07,040

the problem you know when you do this

270

00:10:13,670 --> 00:10:11,910

you always run the risk of

271

00:10:16,470 --> 00:10:13,680

you know you're getting ready to do this

272

00:10:19,750 --> 00:10:16,480

and the you're making contact and then

273

00:10:23,350 --> 00:10:19,760

you know the witness ever comes back and

274

00:10:26,150 --> 00:10:23,360

it gets to be frustrating so um

275

00:10:27,670 --> 00:10:26,160

that is part of it yeah yeah uh james

276

00:10:30,069 --> 00:10:27,680

just came back and said i talked to

277

00:10:32,710 --> 00:10:30,079

kevin paul he was the co-author of that

278

00:10:34,630 --> 00:10:32,720

book with rosemary rosemary he seems to

279

00:10:36,550 --> 00:10:34,640

think that the dark walker was a bigfoot

280

00:10:39,269 --> 00:10:36,560

well i very well could have been

281

00:10:40,550 --> 00:10:39,279

yeah i i wasn't sure what it was um the

282

00:10:44,829 --> 00:10:40,560

witness thought it might have been a

283

00:10:49,509 --> 00:10:46,870

yeah ah

284

00:10:50,389 --> 00:10:49,519

okay so

285

00:10:53,269 --> 00:10:50,399

so

286

00:10:57,750 --> 00:10:56,230

defensive you got anything

287

00:11:03,269 --> 00:10:57,760

uh

288

00:11:05,269 --> 00:11:03,279

wondering if you might want to

289

00:11:08,310 --> 00:11:05,279

talk about the new book that's coming

290

00:11:10,870 --> 00:11:08,320

out here on the horizon oh yeah

291

00:11:13,670 --> 00:11:10,880

yeah i got a new book coming out uh

292

00:11:16,790 --> 00:11:13,680

probably this coming week it's titled

293

00:11:20,150 --> 00:11:16,800

the mean humanoids modern myths or

294

00:11:22,870 --> 00:11:20,160

real monsters and it's about this um

295

00:11:25,590 --> 00:11:22,880

for the most part this this pale crawler

296

00:11:26,790 --> 00:11:25,600

humanoid phenomena that's been

297

00:11:29,110 --> 00:11:26,800

kind of

298

00:11:31,190 --> 00:11:29,120

raising it's rearing its ugly head the

299

00:11:33,190 --> 00:11:31,200

last several years

300

00:11:35,990 --> 00:11:33,200

uh and i will say vincent did all the

301
00:11:39,110 --> 00:11:36,000
artwork or most the artwork in the book

302
00:11:41,030 --> 00:11:39,120
and the cover we we looked at the cover

303
00:11:43,509 --> 00:11:41,040
a couple weeks ago and i was very

304
00:11:46,150 --> 00:11:43,519
satisfied with it i was very happy with

305
00:11:48,710 --> 00:11:46,160
it too yeah and you know hopefully the

306
00:11:50,389 --> 00:11:48,720
book's going to do well so um

307
00:11:52,949 --> 00:11:50,399
you know when that does come out we'll

308
00:11:53,829 --> 00:11:52,959
we'll have more on that but it should be

309
00:11:55,590 --> 00:11:53,839
it

310
00:11:58,230 --> 00:11:55,600
you know you there's not really a whole

311
00:11:59,910 --> 00:11:58,240
lot out there about this phenomena yet

312
00:12:01,750 --> 00:11:59,920
um

313
00:12:03,190 --> 00:12:01,760

you know i've been lucky enough to get

314

00:12:05,750 --> 00:12:03,200

witness

315

00:12:08,150 --> 00:12:05,760

accounts coming into me

316

00:12:11,110 --> 00:12:08,160

and have looked into a few of those and

317

00:12:13,269 --> 00:12:11,120

uh you know we really don't know what

318

00:12:16,150 --> 00:12:13,279

these things are

319

00:12:18,629 --> 00:12:16,160

uh you know i and i titled meme humanoid

320

00:12:20,710 --> 00:12:18,639

for the simple fact that you know if you

321

00:12:23,990 --> 00:12:20,720

start looking at

322

00:12:26,470 --> 00:12:24,000

the the humanoid meme humanoids

323

00:12:29,430 --> 00:12:26,480

on the internet and people talking about

324

00:12:30,389 --> 00:12:29,440

just like slenderman and that um

325

00:12:32,150 --> 00:12:30,399

you know

326

00:12:34,710 --> 00:12:32,160

there are people who actually believe

327

00:12:36,470 --> 00:12:34,720

that they are encountering this

328

00:12:38,389 --> 00:12:36,480

this creature

329

00:12:40,069 --> 00:12:38,399

that was developed by someone on the

330

00:12:41,990 --> 00:12:40,079

internet

331

00:12:43,509 --> 00:12:42,000

yeah they just had a case not too far

332

00:12:45,190 --> 00:12:43,519

away from here where

333

00:12:47,590 --> 00:12:45,200

uh three girl or two girls trying to

334

00:12:49,829 --> 00:12:47,600

kill a third girl sure sacrifice them to

335

00:12:50,790 --> 00:12:49,839

slenderman and i was up in waukesha i

336

00:12:53,829 --> 00:12:50,800

wanted

337

00:12:56,470 --> 00:12:53,839

yeah yeah um yeah and those girls did

338

00:12:58,629 --> 00:12:56,480

time i think they're both out now

339

00:13:01,350 --> 00:12:58,639

but they uh yeah they went after their

340

00:13:03,430 --> 00:13:01,360

friend because they said the slender man

341

00:13:05,430 --> 00:13:03,440

told them to kill her

342

00:13:09,750 --> 00:13:05,440

and you know that kind of put the

343

00:13:10,790 --> 00:13:09,760

slenderman phenomena on the map and um

344

00:13:13,269 --> 00:13:10,800

but

345

00:13:15,269 --> 00:13:13,279

there have been other cases where people

346

00:13:17,990 --> 00:13:15,279

have swore that they've seen this thing

347

00:13:20,389 --> 00:13:18,000

and you know i've received cases or

348

00:13:22,310 --> 00:13:20,399

people contacting me saying they've seen

349

00:13:25,750 --> 00:13:22,320

something very similar

350

00:13:27,430 --> 00:13:25,760

so uh of course we've got other

351

00:13:30,310 --> 00:13:27,440

strange sightings especially out in

352

00:13:32,870 --> 00:13:30,320

sierra nevadas which i call penelope or

353

00:13:34,949 --> 00:13:32,880

what they call penelope and that's uh

354

00:13:37,829 --> 00:13:34,959

that's in the book as well

355

00:13:38,949 --> 00:13:37,839

and uh i mean i even go as far back as

356

00:13:45,829 --> 00:13:38,959

the um

357

00:13:48,629 --> 00:13:45,839

and the fresno nightcrawlers as well in

358

00:13:51,350 --> 00:13:48,639

this book so who knows absolutely what

359

00:13:53,430 --> 00:13:51,360

all this was uh and what it is

360

00:13:55,670 --> 00:13:53,440

i mean are we are we seeing something

361

00:13:56,470 --> 00:13:55,680

that's a thought form or a tope of some

362

00:13:58,870 --> 00:13:56,480

type

363

00:14:00,790 --> 00:13:58,880

are we actually singing the nexus of

364

00:14:04,230 --> 00:14:00,800

some type of

365

00:14:06,949 --> 00:14:04,240

humanoid being or possibly something

366

00:14:09,030 --> 00:14:06,959

similar to a human

367

00:14:10,870 --> 00:14:09,040

and where would it be coming from is it

368

00:14:12,629 --> 00:14:10,880

something ultraterrestrials or something

369

00:14:14,389 --> 00:14:12,639

that's coming up through

370

00:14:16,710 --> 00:14:14,399

some type of portal or something you

371

00:14:19,110 --> 00:14:16,720

know it's something we just don't know

372

00:14:21,750 --> 00:14:19,120

so you know i that's why i presented the

373

00:14:23,189 --> 00:14:21,760

way i did for people to think about what

374

00:14:25,910 --> 00:14:23,199

you know and

375

00:14:27,030 --> 00:14:25,920

maybe start asking some questions and

376

00:14:29,269 --> 00:14:27,040

you know

377

00:14:31,990 --> 00:14:29,279

developing a dialogue to see what this

378

00:14:34,550 --> 00:14:32,000

phenomena really is

379

00:14:36,949 --> 00:14:34,560

absolutely it's been reported all all

380

00:14:39,670 --> 00:14:36,959

over the united states in missouri we

381

00:14:40,629 --> 00:14:39,680

get uh accounts in the ozarks it seems

382

00:14:43,509 --> 00:14:40,639

um

383

00:14:45,509 --> 00:14:43,519

they pop up wherever there's uh caves

384

00:14:47,189 --> 00:14:45,519

and um

385

00:14:49,269 --> 00:14:47,199

it's an interesting

386

00:14:51,189 --> 00:14:49,279

phenomenon

387

00:14:53,269 --> 00:14:51,199

well you know it's been um you know

388

00:14:55,110 --> 00:14:53,279

we've been canada and united states seem

389

00:14:56,949 --> 00:14:55,120

to have the heavy concentration of these

390

00:14:59,590 --> 00:14:56,959

settings but uh

391

00:15:01,030 --> 00:14:59,600

you know we have had a few in europe and

392

00:15:02,949 --> 00:15:01,040

uh

393

00:15:04,790 --> 00:15:02,959

i i think the best evidence that we

394

00:15:07,430 --> 00:15:04,800

received so far was

395

00:15:09,110 --> 00:15:07,440

from a videotape that was that was taken

396

00:15:11,110 --> 00:15:09,120

in poland

397

00:15:13,269 --> 00:15:11,120

and i've got some i've actually put some

398

00:15:16,629 --> 00:15:13,279

of those screenshots in the book

399

00:15:18,550 --> 00:15:16,639

so uh yeah they're you know

400

00:15:22,790 --> 00:15:18,560

it's an interesting it's an interesting

401
00:15:27,750 --> 00:15:24,629
at one point and i think we are going to

402
00:15:29,590 --> 00:15:27,760
be doing a humanoid um round table in a

403
00:15:32,310 --> 00:15:29,600
couple weeks or so

404
00:15:34,629 --> 00:15:32,320
or whenever and uh yeah i think we can

405
00:15:37,350 --> 00:15:34,639
uh get into that a little more deeply

406
00:15:40,550 --> 00:15:37,360
and talk about the book more but look

407
00:15:42,550 --> 00:15:40,560
you know i'm i'm open for all kinds of

408
00:15:43,749 --> 00:15:42,560
theories on this thing because it's just

409
00:15:47,350 --> 00:15:43,759
really

410
00:15:49,749 --> 00:15:47,360
probably one of the most weird things

411
00:15:51,910 --> 00:15:49,759
that i've encountered as far as

412
00:15:54,790 --> 00:15:51,920
you know you know cryptids or whatever

413
00:15:56,790 --> 00:15:54,800

you want to call these things so

414

00:15:58,790 --> 00:15:56,800

yeah it seems like uh there's several

415

00:16:00,230 --> 00:15:58,800

things going on several different kind

416

00:16:01,670 --> 00:16:00,240

of things yeah

417

00:16:03,189 --> 00:16:01,680

well you know you're talking about the

418

00:16:04,790 --> 00:16:03,199

paranormal you talk about cryptids

419

00:16:05,670 --> 00:16:04,800

there's always seems to be a fine line

420

00:16:07,910 --> 00:16:05,680

there

421

00:16:11,030 --> 00:16:07,920

uh whereas a lot of stuff is connected

422

00:16:12,949 --> 00:16:11,040

you know it seems like every case we get

423

00:16:14,790 --> 00:16:12,959

every big case just like with even

424

00:16:17,670 --> 00:16:14,800

chicago there seems to be something

425

00:16:19,829 --> 00:16:17,680

connected there besides just these beans

426

00:16:22,470 --> 00:16:19,839

uh you know we've got ufo active we've

427

00:16:24,150 --> 00:16:22,480

got other humanoid activity

428

00:16:26,470 --> 00:16:24,160

yeah

429

00:16:29,030 --> 00:16:26,480

usually when i heard about pale walkers

430

00:16:30,629 --> 00:16:29,040

like when i first heard about it and

431

00:16:33,030 --> 00:16:30,639

the first thing that came in mind was

432

00:16:34,790 --> 00:16:33,040

you know not the rake or what they call

433

00:16:37,509 --> 00:16:34,800

it on the internet

434

00:16:39,030 --> 00:16:37,519

but there's a phenomenon in uh

435

00:16:40,949 --> 00:16:39,040

in the

436

00:16:43,430 --> 00:16:40,959

northern part of california

437

00:16:45,829 --> 00:16:43,440

dates back to like native american

438

00:16:47,829 --> 00:16:45,839

tribes but of these walkers that they

439

00:16:48,949 --> 00:16:47,839

see they look like walking trees

440

00:16:51,350 --> 00:16:48,959

basically

441

00:16:53,110 --> 00:16:51,360

the long-legged stiffed uh

442

00:16:55,269 --> 00:16:53,120

walkers they usually there's a video of

443

00:16:56,949 --> 00:16:55,279

one that looks like it's a a tall one

444

00:16:59,910 --> 00:16:56,959

and a like a young

445

00:17:01,910 --> 00:16:59,920

a young one but these these go back all

446

00:17:02,829 --> 00:17:01,920

the way to native american

447

00:17:08,949 --> 00:17:02,839

uh

448

00:17:11,110 --> 00:17:08,959

what the the nightcrawlers are have been

449

00:17:13,110 --> 00:17:11,120

called you know the you know

450

00:17:15,110 --> 00:17:13,120

more modern times they they saw them in

451

00:17:17,189 --> 00:17:15,120

or around fresno area

452

00:17:19,270 --> 00:17:17,199

uh that's how i got that fresno night

453

00:17:21,189 --> 00:17:19,280

walker nightcrawler or whatever the hell

454

00:17:24,309 --> 00:17:21,199

it was they called it

455

00:17:26,710 --> 00:17:24,319

and uh but yeah i i have had somebody

456

00:17:28,150 --> 00:17:26,720

tell me that it does go back to some of

457

00:17:30,549 --> 00:17:28,160

the indigenous

458

00:17:33,669 --> 00:17:30,559

people in that area northern north

459

00:17:35,430 --> 00:17:33,679

northern california so um and i date did

460

00:17:37,510 --> 00:17:35,440

make mention of that in the book as well

461

00:17:40,470 --> 00:17:37,520

so

462

00:17:43,430 --> 00:17:40,480

here knows what we're dealing with

463

00:17:46,390 --> 00:17:43,440

um we got a question from d apocalypse

464

00:17:48,950 --> 00:17:46,400

uh which cryptid do you think reveals

465

00:17:50,870 --> 00:17:48,960

themselves to us the most bigfoot dog

466

00:17:53,110 --> 00:17:50,880

man ultra terrestrials

467

00:17:55,190 --> 00:17:53,120

you know that's hard to tell you know i

468

00:17:56,630 --> 00:17:55,200

i believe i actually believe bigfoot

469

00:17:58,549 --> 00:17:56,640

dogman

470

00:18:00,870 --> 00:17:58,559

winged humanoids i think they're all

471

00:18:02,950 --> 00:18:00,880

terrestrials be honest with you

472

00:18:05,990 --> 00:18:02,960

um yeah you know the evidence that we've

473

00:18:06,950 --> 00:18:06,000

been getting more and more of recently

474

00:18:08,310 --> 00:18:06,960

uh

475

00:18:10,310 --> 00:18:08,320

especially since

476

00:18:13,190 --> 00:18:10,320

we've been investigating out in chicago

477

00:18:15,669 --> 00:18:13,200

it seems like this this whole

478

00:18:17,510 --> 00:18:15,679

cryptid thing for the most part though i

479

00:18:19,029 --> 00:18:17,520

do believe there's some indigenous

480

00:18:22,390 --> 00:18:19,039

beings like

481

00:18:24,710 --> 00:18:22,400

in bigfoot realm but um

482

00:18:26,630 --> 00:18:24,720

you know the the there's fleeting

483

00:18:29,350 --> 00:18:26,640

sightings all around

484

00:18:31,590 --> 00:18:29,360

uh they don't seem to have places where

485

00:18:33,190 --> 00:18:31,600

they dwell at uh

486

00:18:35,430 --> 00:18:33,200

especially here in this part of the

487

00:18:36,789 --> 00:18:35,440

country in the upper midwest and in the

488

00:18:38,710 --> 00:18:36,799

east

489

00:18:40,470 --> 00:18:38,720

uh we just don't see a whole lot of

490

00:18:43,510 --> 00:18:40,480

physical evidence it's like they just

491

00:18:46,549 --> 00:18:43,520

disappear or how they're doing that

492

00:18:49,510 --> 00:18:46,559

i mean what are your thoughts on that

493

00:18:51,110 --> 00:18:49,520

i think it's based on like geography i

494

00:18:54,390 --> 00:18:51,120

mean

495

00:18:55,990 --> 00:18:54,400

you have a lot of bigfoots like you know

496

00:18:57,430 --> 00:18:56,000

bigfoot pretty much all over the united

497

00:18:59,270 --> 00:18:57,440

states from

498

00:19:01,190 --> 00:18:59,280

coast to coast but

499

00:19:03,350 --> 00:19:01,200

think about the dogmen you see a lot of

500

00:19:05,669 --> 00:19:03,360

those like you know wisconsin has a lot

501
00:19:07,430 --> 00:19:05,679
pennsylvania has a lot of dogman

502
00:19:09,350 --> 00:19:07,440
sightings

503
00:19:12,150 --> 00:19:09,360
in the southwest you have a lot of

504
00:19:14,310 --> 00:19:12,160
sightings of like skin walkers

505
00:19:17,669 --> 00:19:14,320
you know those are

506
00:19:20,470 --> 00:19:17,679
more and more prevalent out there um

507
00:19:22,630 --> 00:19:20,480
ultra terrestrials i mean honestly

508
00:19:24,630 --> 00:19:22,640
you you could pass one on the street

509
00:19:25,430 --> 00:19:24,640
never know about it you know

510
00:19:27,830 --> 00:19:25,440
um

511
00:19:30,230 --> 00:19:27,840
same thing with uh how many accounts

512
00:19:32,710 --> 00:19:30,240
have we ever heard of uh like

513
00:19:35,029 --> 00:19:32,720

uh extraterrestrials like grays that are

514

00:19:37,350 --> 00:19:35,039

able to morph themselves

515

00:19:39,510 --> 00:19:37,360

you know to look human or you know or

516

00:19:40,390 --> 00:19:39,520

even what they call hybrids

517

00:19:42,310 --> 00:19:40,400

um

518

00:19:44,870 --> 00:19:42,320

try to you know think about

519

00:19:46,549 --> 00:19:44,880

how many people like uh

520

00:19:48,789 --> 00:19:46,559

in like different parts of the country

521

00:19:50,950 --> 00:19:48,799

or different parts of the world

522

00:19:53,669 --> 00:19:50,960

see different things i mean

523

00:19:55,430 --> 00:19:53,679

um you know in japan you probably have a

524

00:19:57,110 --> 00:19:55,440

lot of like um

525

00:19:58,150 --> 00:19:57,120

oh there's a word for them but they're

526
00:19:59,830 --> 00:19:58,160
demons

527
00:20:02,630 --> 00:19:59,840
uh

528
00:20:04,789 --> 00:20:02,640
but um otaku's i believe is what

529
00:20:07,029 --> 00:20:04,799
i might be wrong but it's uh

530
00:20:08,789 --> 00:20:07,039
different forms of demons they see you

531
00:20:10,950 --> 00:20:08,799
know that they some of them have been

532
00:20:11,990 --> 00:20:10,960
venerated for centuries

533
00:20:17,590 --> 00:20:12,000
um

534
00:20:19,190 --> 00:20:17,600
all sorts of different you know

535
00:20:21,110 --> 00:20:19,200
creatures in indonesia you have

536
00:20:25,190 --> 00:20:21,120
something called the ring pending that's

537
00:20:27,510 --> 00:20:25,200
like their version of the bigfoot um

538
00:20:29,590 --> 00:20:27,520

tibetan all the northern countries of

539

00:20:31,029 --> 00:20:29,600

you know the himalayas have

540

00:20:32,950 --> 00:20:31,039

you know

541

00:20:34,630 --> 00:20:32,960

sightings of the yeti you don't hear

542

00:20:37,270 --> 00:20:34,640

about anything much coming out of there

543

00:20:40,630 --> 00:20:37,280

except for like yeti sightings or uh

544

00:20:43,110 --> 00:20:40,640

even australia you have the yowie

545

00:20:46,710 --> 00:20:43,120

so it just really depends where

546

00:20:49,110 --> 00:20:46,720

in the in the world you are you know

547

00:20:52,230 --> 00:20:49,120

i know growing up back home you know in

548

00:20:54,470 --> 00:20:52,240

texas you saw a lot of uh you know we

549

00:20:55,669 --> 00:20:54,480

didn't have so much bigfoots but you had

550

00:20:57,830 --> 00:20:55,679

all sorts of other things you know

551
00:21:00,470 --> 00:20:57,840
flying creatures in the sky

552
00:21:02,390 --> 00:21:00,480
um you had things like uh yorona you had

553
00:21:04,070 --> 00:21:02,400
things like the

554
00:21:05,350 --> 00:21:04,080
the la chuzas

555
00:21:07,430 --> 00:21:05,360
um

556
00:21:09,750 --> 00:21:07,440
that were out there you know and a lot

557
00:21:11,750 --> 00:21:09,760
of uh also like what we were discussing

558
00:21:14,310 --> 00:21:11,760
earlier before the show you know a lot

559
00:21:15,110 --> 00:21:14,320
of like uh big cat sightings

560
00:21:17,350 --> 00:21:15,120
you know

561
00:21:21,110 --> 00:21:17,360
are seen out that way so

562
00:21:23,029 --> 00:21:21,120
it just really depends to me honestly um

563
00:21:25,510 --> 00:21:23,039

on what shows up the most is depending

564

00:21:27,270 --> 00:21:25,520

on where your geographic location is

565

00:21:28,870 --> 00:21:27,280

oh yeah you know

566

00:21:30,870 --> 00:21:28,880

um

567

00:21:33,270 --> 00:21:30,880

and it doesn't seem to end it seems to

568

00:21:34,549 --> 00:21:33,280

be something always pops up too

569

00:21:37,750 --> 00:21:34,559

uh

570

00:21:39,190 --> 00:21:37,760

you know i i don't think um

571

00:21:40,549 --> 00:21:39,200

you know of course we get all kinds of

572

00:21:42,470 --> 00:21:40,559

strange things that we just can't

573

00:21:45,350 --> 00:21:42,480

explain but you know i i think as time

574

00:21:46,950 --> 00:21:45,360

has gone on i'm getting more and more

575

00:21:50,310 --> 00:21:46,960

convinced that

576

00:21:52,789 --> 00:21:50,320

there there seems to be a

577

00:21:55,669 --> 00:21:52,799

a starting point for most of this stuff

578

00:21:57,830 --> 00:21:55,679

uh is it another a specific dimension or

579

00:21:59,430 --> 00:21:57,840

two where they're coming from oh and by

580

00:22:01,590 --> 00:21:59,440

the way andy kate thanks for your

581

00:22:04,470 --> 00:22:01,600

donation much appreciated

582

00:22:07,430 --> 00:22:04,480

uh yeah i mean it's

583

00:22:09,350 --> 00:22:07,440

what uh you know

584

00:22:12,149 --> 00:22:09,360

you know the fact that you know we got

585

00:22:14,470 --> 00:22:12,159

the this information from the unseen

586

00:22:16,230 --> 00:22:14,480

ones and the ultra-terrestrial which

587

00:22:17,669 --> 00:22:16,240

they define themselves as and they're

588

00:22:20,149 --> 00:22:17,679

telling us that

589

00:22:21,029 --> 00:22:20,159

a lot of the cryptids on our earth plane

590

00:22:27,270 --> 00:22:21,039

are

591

00:22:30,070 --> 00:22:27,280

you know i i i'm starting to think more

592

00:22:33,430 --> 00:22:30,080

and more that you know

593

00:22:35,350 --> 00:22:33,440

maybe this maybe this rift or whatever

594

00:22:37,430 --> 00:22:35,360

that opens up there's a lot of stuff

595

00:22:40,070 --> 00:22:37,440

that's going in and out

596

00:22:42,390 --> 00:22:40,080

and uh and why we're not getting the

597

00:22:44,310 --> 00:22:42,400

physical evidence that we really really

598

00:22:45,190 --> 00:22:44,320

should be getting for something like

599

00:22:53,669 --> 00:22:45,200

this

600

00:22:53,679 --> 00:22:58,310

so um let's see here

601
00:22:58,320 --> 00:23:01,909

yep i uh

602
00:23:05,830 --> 00:23:03,990

oh yeah james is saying james wasn't

603
00:23:08,149 --> 00:23:05,840

saying that uh

604
00:23:10,470 --> 00:23:08,159

but the dog men are still coming around

605
00:23:12,310 --> 00:23:10,480

his house and i know

606
00:23:15,909 --> 00:23:12,320

you know we had james on before he told

607
00:23:18,310 --> 00:23:15,919

him told us about the encounters he had

608
00:23:19,110 --> 00:23:18,320

so well you know i know he mentioned to

609
00:23:22,230 --> 00:23:19,120

me

610
00:23:24,549 --> 00:23:22,240

before that there's still stuff going on

611
00:23:26,230 --> 00:23:24,559

uh the apocalypse thanks for your um

612
00:23:27,510 --> 00:23:26,240

thanks for your donation much

613
00:23:29,750 --> 00:23:27,520

appreciated

614

00:23:32,390 --> 00:23:29,760

now anastasia asked have you heard or

615

00:23:34,230 --> 00:23:32,400

seen that translucent creature if so

616

00:23:36,549 --> 00:23:34,240

what do you think of this i guess you're

617

00:23:38,950 --> 00:23:36,559

referring to the glimmer man

618

00:23:42,630 --> 00:23:41,029

i don't know what the hell that is i i

619

00:23:45,029 --> 00:23:42,640

believe

620

00:23:47,750 --> 00:23:45,039

that it may very well

621

00:23:49,669 --> 00:23:47,760

be a cloaked being

622

00:23:51,510 --> 00:23:49,679

there have been people who have told us

623

00:23:53,750 --> 00:23:51,520

who believe that they believe it's a

624

00:23:57,750 --> 00:23:53,760

cloak bigfoot

625

00:24:03,430 --> 00:24:00,870

an image of kind of a half bigfoot half

626
00:24:05,590 --> 00:24:03,440
glimmer man being

627
00:24:07,669 --> 00:24:05,600
out at um

628
00:24:10,070 --> 00:24:07,679
salt fork state park

629
00:24:13,110 --> 00:24:10,080
sometime last year

630
00:24:15,190 --> 00:24:13,120
so was this one of these beings coming

631
00:24:19,750 --> 00:24:15,200
through or

632
00:24:21,750 --> 00:24:19,760
evolving or what i don't know uh

633
00:24:24,789 --> 00:24:21,760
you know bruce mcabee who lives out in

634
00:24:28,230 --> 00:24:24,799
ohio and has property out there and

635
00:24:30,470 --> 00:24:28,240
he and who is a bigfoot investigator he

636
00:24:32,710 --> 00:24:30,480
uh he and his wife had an encounter with

637
00:24:36,230 --> 00:24:32,720
one of these things out there as well

638
00:24:37,750 --> 00:24:36,240

so and that's what he believes it is

639

00:24:40,149 --> 00:24:37,760

so um

640

00:24:42,630 --> 00:24:40,159

maybe these glimmer the glimmer man is

641

00:24:45,110 --> 00:24:42,640

some type of um

642

00:24:47,269 --> 00:24:45,120

is it like the predator or an alien i

643

00:24:49,029 --> 00:24:47,279

don't know you know

644

00:24:51,510 --> 00:24:49,039

i'll say that around me i'll say that

645

00:24:52,789 --> 00:24:51,520

first of all but i have no real idea

646

00:24:54,630 --> 00:24:52,799

what it is

647

00:24:56,789 --> 00:24:54,640

i wish possible

648

00:24:58,549 --> 00:24:56,799

is it possible like ultra terrestrials

649

00:25:00,710 --> 00:24:58,559

are mimicking

650

00:25:03,430 --> 00:25:00,720

more flesh and blood creatures

651
00:25:04,789 --> 00:25:03,440
well that that very well could be too

652
00:25:06,310 --> 00:25:04,799
you know i know out there where you're

653
00:25:09,269 --> 00:25:06,320
at your police you've had a lot of

654
00:25:10,149 --> 00:25:09,279
activity out there and uh

655
00:25:11,990 --> 00:25:10,159
i mean

656
00:25:14,630 --> 00:25:12,000
what are we really dealing with it just

657
00:25:16,549 --> 00:25:14,640
seems that

658
00:25:18,070 --> 00:25:16,559
i don't know you know i wish i did know

659
00:25:19,350 --> 00:25:18,080
i wish i had better answers for this

660
00:25:21,990 --> 00:25:19,360
type of stuff

661
00:25:23,990 --> 00:25:22,000
but um you know like we do this

662
00:25:25,510 --> 00:25:24,000
yeah i mean there's one thing we can be

663
00:25:27,190 --> 00:25:25,520

sure all things are getting weird and

664

00:25:29,430 --> 00:25:27,200

weird all the time

665

00:25:31,110 --> 00:25:29,440

and absolutely maybe we'll start getting

666

00:25:34,310 --> 00:25:31,120

some answers i mean that's what we're

667

00:25:36,070 --> 00:25:34,320

here to do so um

668

00:25:37,669 --> 00:25:36,080

i don't know there have been a lot of

669

00:25:39,750 --> 00:25:37,679

sightings i remember reading a report

670

00:25:43,269 --> 00:25:39,760

one time i believe it was out by you lon

671

00:25:45,669 --> 00:25:43,279

in fact by gettysburg um of the lady who

672

00:25:46,950 --> 00:25:45,679

was watching uh what she thought were

673

00:25:47,909 --> 00:25:46,960

aliens

674

00:25:52,310 --> 00:25:47,919

and

675

00:25:54,390 --> 00:25:52,320

problem was that the aliens weren't even

676

00:25:57,350 --> 00:25:54,400

noticing her it's like

677

00:25:59,110 --> 00:25:57,360

you know einstein's prove you know

678

00:26:00,950 --> 00:25:59,120

there's if you look at his theories he

679

00:26:03,669 --> 00:26:00,960

has shown that you know there are

680

00:26:05,350 --> 00:26:03,679

parallel universes there can't you know

681

00:26:07,110 --> 00:26:05,360

there are maybe there's

682

00:26:10,149 --> 00:26:07,120

maybe there's times when

683

00:26:11,029 --> 00:26:10,159

these fluidic universes sometimes touch

684

00:26:13,510 --> 00:26:11,039

and

685

00:26:14,230 --> 00:26:13,520

worth glimpsing into their their realm i

686

00:26:15,909 --> 00:26:14,240

mean

687

00:26:17,190 --> 00:26:15,919

this lady was stating that these things

688

00:26:20,549 --> 00:26:17,200

were

689

00:26:22,310 --> 00:26:20,559

control panel of some kind

690

00:26:23,350 --> 00:26:22,320

and they were translucent but she could

691

00:26:25,350 --> 00:26:23,360

see them

692

00:26:27,909 --> 00:26:25,360

and i believe they were like right

693

00:26:28,950 --> 00:26:27,919

outside her window basically but these

694

00:26:30,870 --> 00:26:28,960

things

695

00:26:33,990 --> 00:26:30,880

didn't even notice her they didn't even

696

00:26:34,950 --> 00:26:34,000

pay attention you know they were there

697

00:26:37,269 --> 00:26:34,960

um

698

00:26:40,149 --> 00:26:37,279

for a you know for a few minutes and

699

00:26:42,310 --> 00:26:40,159

then they faded away um

700

00:26:44,230 --> 00:26:42,320

how many you know times have people you

701
00:26:45,590 --> 00:26:44,240
know said that they have seen

702
00:26:47,510 --> 00:26:45,600
you know

703
00:26:49,909 --> 00:26:47,520
different kinds of uh

704
00:26:51,990 --> 00:26:49,919
creatures you know and

705
00:26:53,990 --> 00:26:52,000
that the creatures didn't notice them

706
00:26:56,630 --> 00:26:54,000
how many times people said that they've

707
00:26:58,710 --> 00:26:56,640
been driving down the road and they um

708
00:27:02,070 --> 00:26:58,720
see a restaurant that they go into and

709
00:27:04,630 --> 00:27:02,080
it's a phenomenal service great food and

710
00:27:06,870 --> 00:27:04,640
next to nothing on price when they go by

711
00:27:08,950 --> 00:27:06,880
there again you know you know a day or

712
00:27:09,750 --> 00:27:08,960
two later that place is gone

713
00:27:12,470 --> 00:27:09,760

um

714

00:27:13,990 --> 00:27:12,480

you know it could easily be time slips

715

00:27:14,789 --> 00:27:14,000

it could easily be

716

00:27:16,630 --> 00:27:14,799

um

717

00:27:17,590 --> 00:27:16,640

you know parallel universes touching

718

00:27:19,830 --> 00:27:17,600

together

719

00:27:21,669 --> 00:27:19,840

um it could be any kind of you know

720

00:27:23,350 --> 00:27:21,679

creature um

721

00:27:26,470 --> 00:27:23,360

you know there's different creatures

722

00:27:27,430 --> 00:27:26,480

from all sorts of you know different uh

723

00:27:28,789 --> 00:27:27,440

you know

724

00:27:30,789 --> 00:27:28,799

different cultures and everything that

725

00:27:32,549 --> 00:27:30,799

people talk about you know that come in

726

00:27:34,149 --> 00:27:32,559

the guise of you know

727

00:27:35,830 --> 00:27:34,159

of being able to disguise themselves

728

00:27:36,950 --> 00:27:35,840

make themselves invisible

729

00:27:39,510 --> 00:27:36,960

um

730

00:27:41,669 --> 00:27:39,520

you know there's a lot that you know for

731

00:27:43,830 --> 00:27:41,679

as fast as we say we are there's a lot

732

00:27:46,070 --> 00:27:43,840

we don't know about and

733

00:27:46,830 --> 00:27:46,080

we're constantly being surprised by what

734

00:27:49,750 --> 00:27:46,840

we

735

00:27:51,669 --> 00:27:49,760

discover oh i agree with that

736

00:27:53,430 --> 00:27:51,679

i mean i'm i'm surprised by stuff all

737

00:27:55,430 --> 00:27:53,440

the time i mean i'll get i'll get an

738

00:27:57,029 --> 00:27:55,440

account come into me and

739

00:27:59,669 --> 00:27:57,039

i'm sitting here reading this thing and

740

00:28:02,149 --> 00:27:59,679

i'm thinking myself first of all

741

00:28:04,310 --> 00:28:02,159

is anybody going to believe this or even

742

00:28:06,789 --> 00:28:04,320

give it any consideration if i post it

743

00:28:08,149 --> 00:28:06,799

up on the blog

744

00:28:09,909 --> 00:28:08,159

because sometimes you get stuff that's

745

00:28:12,870 --> 00:28:09,919

just really out there

746

00:28:17,350 --> 00:28:15,190

i i don't know i you know i've had a few

747

00:28:18,549 --> 00:28:17,360

encounters in my time

748

00:28:20,710 --> 00:28:18,559

uh

749

00:28:22,710 --> 00:28:20,720

i am an intuitive so i have seen a lot

750

00:28:24,070 --> 00:28:22,720

of some weird things and you know you

751

00:28:25,669 --> 00:28:24,080

talk about this woman may have been

752

00:28:26,710 --> 00:28:25,679

around gettysburg that wouldn't surprise

753

00:28:28,310 --> 00:28:26,720

me at all

754

00:28:31,190 --> 00:28:28,320

i mean there's just something about out

755

00:28:33,269 --> 00:28:31,200

there that i think it is conducive to

756

00:28:35,510 --> 00:28:33,279

weird stuff altogether

757

00:28:37,350 --> 00:28:35,520

and uh you know you just get that

758

00:28:39,830 --> 00:28:37,360

feeling you go out there

759

00:28:41,350 --> 00:28:39,840

that wouldn't surprise me what at all

760

00:28:42,830 --> 00:28:41,360

because i've seen some really weird

761

00:28:44,630 --> 00:28:42,840

stuff out there too

762

00:28:48,389 --> 00:28:44,640

so

763

00:28:52,789 --> 00:28:50,630

i think the uh ancient indigenous people

764

00:28:55,350 --> 00:28:52,799

around the world they knew about this uh

765

00:28:56,950 --> 00:28:55,360

a lot better than what we do now oh i

766

00:28:58,549 --> 00:28:56,960

think so

767

00:29:00,549 --> 00:28:58,559

and uh

768

00:29:03,990 --> 00:29:00,559

i think that's why they would set up

769

00:29:05,909 --> 00:29:04,000

next uh next to these holy places and

770

00:29:09,190 --> 00:29:05,919

because they were

771

00:29:11,669 --> 00:29:09,200

watching things like this happen

772

00:29:13,190 --> 00:29:11,679

these dimensional riffs

773

00:29:15,909 --> 00:29:13,200

yeah i mean

774

00:29:18,310 --> 00:29:15,919

how many places have have we heard of

775

00:29:20,470 --> 00:29:18,320

that you know happening with you know

776

00:29:22,870 --> 00:29:20,480

vince lives right down to not too far

777

00:29:25,510 --> 00:29:22,880

away from a place in illinois where you

778

00:29:27,269 --> 00:29:25,520

know they have mountains set up and

779

00:29:30,470 --> 00:29:27,279

those mounds have shown that they're

780

00:29:33,350 --> 00:29:30,480

conjunctures of ley lines you know

781

00:29:35,350 --> 00:29:33,360

yeah cahokia yeah um

782

00:29:37,190 --> 00:29:35,360

so many strange places you know not just

783

00:29:39,669 --> 00:29:37,200

the pyramids you know machu picchu was

784

00:29:41,830 --> 00:29:39,679

another one you know how many

785

00:29:43,590 --> 00:29:41,840

places have we seen where ley lines

786

00:29:46,470 --> 00:29:43,600

converge that we're seeing all sorts of

787

00:29:47,990 --> 00:29:46,480

you know strange and weird phenomenon

788

00:29:50,149 --> 00:29:48,000

ufos

789

00:29:52,310 --> 00:29:50,159

uh spirit activity

790

00:29:55,110 --> 00:29:52,320

cryptids

791

00:29:57,750 --> 00:29:55,120

uh bernadette asked do you think

792

00:30:02,470 --> 00:29:57,760

what do you think that's to happen when

793

00:30:06,149 --> 00:30:03,909

well i'll tell you that's that's a

794

00:30:08,950 --> 00:30:06,159

loaded question because i i think about

795

00:30:11,110 --> 00:30:08,960

that all the time i um

796

00:30:14,070 --> 00:30:11,120

i think it's a it's a number of things i

797

00:30:14,870 --> 00:30:14,080

i think for the most part

798

00:30:19,990 --> 00:30:14,880

what

799

00:30:23,510 --> 00:30:20,000

people are either just going through

800

00:30:25,750 --> 00:30:23,520

without noticing it or they're being

801

00:30:27,990 --> 00:30:25,760

pulled into something like that so

802

00:30:29,750 --> 00:30:28,000

quickly that you know people people have

803

00:30:31,430 --> 00:30:29,760

reported somebody being beside them and

804

00:30:33,909 --> 00:30:31,440

all of a sudden they're gone

805

00:30:36,470 --> 00:30:33,919

you know um

806

00:30:38,950 --> 00:30:36,480

the fact that most of these are reported

807

00:30:42,870 --> 00:30:38,960

in um areas

808

00:30:44,149 --> 00:30:42,880

like uh national forest and such

809

00:30:46,149 --> 00:30:44,159

i don't know

810

00:30:47,990 --> 00:30:46,159

what are your thoughts on that guys oh

811

00:30:52,149 --> 00:30:48,000

by the way i want to thank peace for

812

00:30:55,430 --> 00:30:53,669

well

813

00:30:57,190 --> 00:30:55,440

um you guys don't mind i'll go first i

814

00:30:59,509 --> 00:30:57,200

mean um

815

00:31:01,669 --> 00:30:59,519

for missing 4-1-1 you know a lot of it

816

00:31:05,110 --> 00:31:01,679

happens like in national parks you know

817

00:31:07,269 --> 00:31:05,120

in the wilderness area i honestly think

818

00:31:08,950 --> 00:31:07,279

it's kind of a

819

00:31:09,990 --> 00:31:08,960

50 50 mix

820

00:31:11,669 --> 00:31:10,000

um

821

00:31:13,269 --> 00:31:11,679

there are things going on out there

822

00:31:15,350 --> 00:31:13,279

there are things out there in the in the

823

00:31:16,830 --> 00:31:15,360

wild that's happening

824

00:31:19,350 --> 00:31:16,840

you know

825

00:31:20,870 --> 00:31:19,360

um for the most part

826

00:31:22,710 --> 00:31:20,880

um

827

00:31:24,389 --> 00:31:22,720

i also think part of it is people who

828

00:31:25,830 --> 00:31:24,399

just do not know how to be out in the

829

00:31:28,230 --> 00:31:25,840

wild

830

00:31:29,830 --> 00:31:28,240

that's very possible you know you do not

831

00:31:31,750 --> 00:31:29,840

go wandering around in the middle of the

832

00:31:32,789 --> 00:31:31,760

night in the forest you don't go you

833

00:31:35,590 --> 00:31:32,799

know

834

00:31:36,870 --> 00:31:35,600

uh set up your tent next to trails that

835

00:31:39,110 --> 00:31:36,880

you know are

836

00:31:42,070 --> 00:31:39,120

infested with bear

837

00:31:44,149 --> 00:31:42,080

um sometimes people just make dumb

838

00:31:46,710 --> 00:31:44,159

mistakes and they're just you know never

839

00:31:48,789 --> 00:31:46,720

heard or seen from again or

840

00:31:51,190 --> 00:31:48,799

they fall into a ravine and you know

841

00:31:52,389 --> 00:31:51,200

some of these places don't see

842

00:31:54,710 --> 00:31:52,399

you know there are roads out there that

843

00:31:56,389 --> 00:31:54,720

probably people haven't driven past in

844

00:31:59,750 --> 00:31:56,399

years you know even though they're

845

00:32:01,909 --> 00:31:59,760

maintained roads but it's so remote ask

846

00:32:04,070 --> 00:32:01,919

anybody who's been you know who's worked

847

00:32:06,789 --> 00:32:04,080

with a u.s forestry department you know

848

00:32:09,350 --> 00:32:06,799

as a fire watcher you know they can go

849

00:32:10,789 --> 00:32:09,360

months without seeing somebody out there

850

00:32:13,269 --> 00:32:10,799

um

851

00:32:14,630 --> 00:32:13,279

it could be that way it could also be

852

00:32:17,350 --> 00:32:14,640

people are

853

00:32:18,789 --> 00:32:17,360

inherently stupid i mean i hate to say

854

00:32:20,070 --> 00:32:18,799

it that way but

855

00:32:22,070 --> 00:32:20,080

um

856

00:32:23,430 --> 00:32:22,080

how many people go out there you know

857

00:32:25,350 --> 00:32:23,440

and they encounter a bigfoot and the

858

00:32:26,870 --> 00:32:25,360

first thing they do is you know start

859

00:32:29,190 --> 00:32:26,880

opening fire on it

860

00:32:30,710 --> 00:32:29,200

you know these things have also been

861

00:32:32,149 --> 00:32:30,720

shown to be

862

00:32:34,230 --> 00:32:32,159

most of the time they leave you alone

863

00:32:36,789 --> 00:32:34,240

but if you mess with them they've also

864

00:32:38,230 --> 00:32:36,799

been shown to be very aggressive toward

865

00:32:39,990 --> 00:32:38,240

people who

866

00:32:41,990 --> 00:32:40,000

you know harmed them in any way shape or

867

00:32:44,549 --> 00:32:42,000

form how many reports that

868

00:32:46,230 --> 00:32:44,559

you read you know i read as a kid and or

869

00:32:47,430 --> 00:32:46,240

all of us ready you know where

870

00:32:48,950 --> 00:32:47,440

um

871

00:32:50,950 --> 00:32:48,960

somebody tries to harm them and next

872

00:32:53,269 --> 00:32:50,960

thing you know there's you know

873

00:32:54,870 --> 00:32:53,279

um a bunch of them out there throwing

874

00:32:57,430 --> 00:32:54,880

rocks at them

875

00:32:59,029 --> 00:32:57,440

i read a report where a gentleman was uh

876

00:33:01,509 --> 00:32:59,039

something kept messing with a logging

877

00:33:02,470 --> 00:33:01,519

camp so he stayed out there

878

00:33:05,190 --> 00:33:02,480

and

879

00:33:06,710 --> 00:33:05,200

when he opened fire um i guess you know

880

00:33:08,230 --> 00:33:06,720

t car would have to try to stop him

881

00:33:09,990 --> 00:33:08,240

thinking it was vandals

882

00:33:11,110 --> 00:33:10,000

and they found him the next day just

883

00:33:13,190 --> 00:33:11,120

basically

884

00:33:14,950 --> 00:33:13,200

broken in half and

885

00:33:16,710 --> 00:33:14,960

whatever it was that would come into

886

00:33:20,149 --> 00:33:16,720

this uh camp

887

00:33:23,029 --> 00:33:20,159

was picking up you know full uh barrels

888

00:33:24,789 --> 00:33:23,039

of 55 gallon barrels of

889

00:33:25,990 --> 00:33:24,799

hydraulic food and just throwing them

890

00:33:27,110 --> 00:33:26,000

yards

891

00:33:31,190 --> 00:33:27,120

you know

892

00:33:33,430 --> 00:33:31,200

um

893

00:33:35,509 --> 00:33:33,440

how do we not know that somebody reaches

894

00:33:36,870 --> 00:33:35,519

you know meets out for something

895

00:33:38,870 --> 00:33:36,880

um or

896

00:33:40,470 --> 00:33:38,880

they decide oh hey there's a little

897

00:33:42,789 --> 00:33:40,480

fairy ring right there let me jump into

898

00:33:43,750 --> 00:33:42,799

it you know um

899

00:33:46,470 --> 00:33:43,760

you know

900

00:33:48,710 --> 00:33:46,480

portals exist for a reason things exist

901
00:33:51,269 --> 00:33:48,720
for a reason and sometimes

902
00:33:52,549 --> 00:33:51,279
people just wander in you know not

903
00:33:54,549 --> 00:33:52,559
knowing what they're getting themselves

904
00:33:55,669 --> 00:33:54,559
into find themselves in a one-way ticket

905
00:33:57,509 --> 00:33:55,679
somewhere

906
00:34:00,230 --> 00:33:57,519
and they're just added on to that

907
00:34:01,830 --> 00:34:00,240
missing 4-1-1

908
00:34:03,750 --> 00:34:01,840
yeah somebody asked about the stair

909
00:34:05,669 --> 00:34:03,760
steve rowley asked about the staircases

910
00:34:08,550 --> 00:34:05,679
out in the middle of the woods

911
00:34:10,149 --> 00:34:08,560
i yeah i've read about that many times i

912
00:34:12,470 --> 00:34:10,159
mean i i don't know what the hell that's

913
00:34:15,190 --> 00:34:12,480

all about

914

00:34:16,230 --> 00:34:15,200

yeah i i know though i know this the one

915

00:34:17,990 --> 00:34:16,240

um

916

00:34:20,389 --> 00:34:18,000

search and rescue guy who had talked

917

00:34:22,149 --> 00:34:20,399

about that he did some threads over

918

00:34:23,909 --> 00:34:22,159

reddit but

919

00:34:25,589 --> 00:34:23,919

um

920

00:34:28,629 --> 00:34:25,599

he said he actually went to the top of

921

00:34:30,149 --> 00:34:28,639

one of those staircases one time and

922

00:34:31,990 --> 00:34:30,159

he didn't really see much of any he said

923

00:34:34,550 --> 00:34:32,000

he felt weird he probably went up there

924

00:34:36,710 --> 00:34:34,560

and got i don't know i don't know just

925

00:34:38,710 --> 00:34:36,720

felt something weird but maybe i don't

926
00:34:41,510 --> 00:34:38,720
know i but i've heard about that before

927
00:34:42,950 --> 00:34:41,520
so that is strange and i think tommy

928
00:34:44,950 --> 00:34:42,960
would agree with this you know you got a

929
00:34:46,790 --> 00:34:44,960
lot of people out there that are hunting

930
00:34:48,869 --> 00:34:46,800
they shouldn't even be carrying a gun

931
00:34:50,629 --> 00:34:48,879
let alone down in the woods

932
00:34:51,510 --> 00:34:50,639
yeah you know

933
00:34:52,710 --> 00:34:51,520
you know

934
00:34:55,430 --> 00:34:52,720
uh

935
00:34:57,829 --> 00:34:55,440
like i i i remember the first dead deer

936
00:35:00,069 --> 00:34:57,839
season when you're here in maryland we

937
00:35:03,750 --> 00:35:00,079
were on savage mountain

938
00:35:04,790 --> 00:35:03,760

and uh out in green ridge and uh oh my

939

00:35:06,470 --> 00:35:04,800

god

940

00:35:08,630 --> 00:35:06,480

two guys got shot

941

00:35:10,550 --> 00:35:08,640

within a mile of me

942

00:35:13,589 --> 00:35:10,560

and it was like there were people

943

00:35:15,270 --> 00:35:13,599

everywhere so uh yeah

944

00:35:17,750 --> 00:35:15,280

yeah you know that's one of the reasons

945

00:35:19,990 --> 00:35:17,760

why i'll do it anymore

946

00:35:21,990 --> 00:35:20,000

and like like man you always say and i i

947

00:35:24,870 --> 00:35:22,000

read an article

948

00:35:26,150 --> 00:35:24,880

oh it was a couple months ago there was

949

00:35:28,069 --> 00:35:26,160

uh

950

00:35:30,630 --> 00:35:28,079

a rifle hunter in colorado that had been

951
00:35:33,750 --> 00:35:30,640
missing for like four years

952
00:35:35,510 --> 00:35:33,760
and a bow hunter just this year found

953
00:35:37,190 --> 00:35:35,520
found him because there are some places

954
00:35:39,510 --> 00:35:37,200
that are just that remote you get back

955
00:35:41,030 --> 00:35:39,520
in and nobody goes there yeah they get

956
00:35:42,870 --> 00:35:41,040
lost

957
00:35:47,030 --> 00:35:42,880
mother nature doesn't call from back up

958
00:35:49,750 --> 00:35:47,040
until a long time later right

959
00:35:52,150 --> 00:35:49,760
well i i tell you you know the 4-1-1

960
00:35:53,750 --> 00:35:52,160
thing doesn't really surprise me for the

961
00:35:55,670 --> 00:35:53,760
most part

962
00:35:58,950 --> 00:35:55,680
and after working with david for all

963
00:36:00,550 --> 00:35:58,960

those years david eckhart and

964

00:36:03,349 --> 00:36:00,560

some of the stories he's told me about

965

00:36:05,430 --> 00:36:03,359

people that just suddenly are killed die

966

00:36:06,630 --> 00:36:05,440

or whatever and they dispose of them or

967

00:36:08,870 --> 00:36:06,640

what

968

00:36:10,950 --> 00:36:08,880

well that doesn't surprise me i mean is

969

00:36:12,230 --> 00:36:10,960

that what's going on well maybe i mean

970

00:36:13,829 --> 00:36:12,240

i'm not saying that's what's always

971

00:36:15,670 --> 00:36:13,839

going on but

972

00:36:20,630 --> 00:36:15,680

i think there's a lot of things out

973

00:36:23,829 --> 00:36:22,310

i don't know

974

00:36:26,630 --> 00:36:23,839

anybody got anything else to say about

975

00:36:28,390 --> 00:36:26,640

that

976
00:36:29,190 --> 00:36:28,400
anybody got any more questions just put

977
00:36:32,230 --> 00:36:29,200
it up

978
00:36:35,190 --> 00:36:32,240
that the uh the missing 4-1-1 you know

979
00:36:38,069 --> 00:36:35,200
some of the weirder cases it has to be

980
00:36:40,310 --> 00:36:38,079
portal or or aliens or something because

981
00:36:41,510 --> 00:36:40,320
i mean when they just disappear within

982
00:36:43,750 --> 00:36:41,520
seconds of

983
00:36:45,510 --> 00:36:43,760
turning around and

984
00:36:47,030 --> 00:36:45,520
i mean that just doesn't make any sense

985
00:36:49,750 --> 00:36:47,040
there's no there's not a big foot

986
00:36:51,030 --> 00:36:49,760
grabbing them or anything like that it's

987
00:36:54,790 --> 00:36:51,040
like the

988
00:36:56,470 --> 00:36:54,800

earth swallows it swells a person up

989

00:36:58,390 --> 00:36:56,480

well i mean it is weird i mean i have

990

00:36:59,670 --> 00:36:58,400

talked to david pelage about that in the

991

00:37:02,550 --> 00:36:59,680

past

992

00:37:04,230 --> 00:37:02,560

uh and you know i i will admit i got him

993

00:37:06,230 --> 00:37:04,240

pissed off at me at one point because i

994

00:37:07,990 --> 00:37:06,240

was saying i was i was saying i thought

995

00:37:09,589 --> 00:37:08,000

it was a bigfoot doing and he swore up

996

00:37:11,109 --> 00:37:09,599

and down that wasn't the case but you

997

00:37:13,829 --> 00:37:11,119

know anyway

998

00:37:14,790 --> 00:37:13,839

we we calmed down and talked about it a

999

00:37:16,150 --> 00:37:14,800

bit

1000

00:37:18,390 --> 00:37:16,160

but uh

1001
00:37:20,069 --> 00:37:18,400
you know as time has gone on uh there

1002
00:37:21,030 --> 00:37:20,079
are just too many weird things that have

1003
00:37:23,510 --> 00:37:21,040
happened

1004
00:37:25,270 --> 00:37:23,520
in a lot of different scenarios and you

1005
00:37:27,109 --> 00:37:25,280
know the fact that

1006
00:37:28,630 --> 00:37:27,119
portals are opening up and look i've

1007
00:37:29,750 --> 00:37:28,640
seen a lot of crazy stuff on the

1008
00:37:31,910 --> 00:37:29,760
internet

1009
00:37:34,310 --> 00:37:31,920
and from what people have shown me and

1010
00:37:37,750 --> 00:37:35,589
i'll be honest with you not much

1011
00:37:39,510 --> 00:37:37,760
surprises me anymore

1012
00:37:41,030 --> 00:37:39,520
uh you know i'm not saying i'm buying

1013
00:37:42,630 --> 00:37:41,040

into everything but there's some really

1014

00:37:44,950 --> 00:37:42,640

weird stuff out there

1015

00:37:46,230 --> 00:37:44,960

well i mean think about uh i just really

1016

00:37:48,150 --> 00:37:46,240

finished reading a really good book

1017

00:37:50,470 --> 00:37:48,160

about appalachia

1018

00:37:51,750 --> 00:37:50,480

and um some of the things that go on out

1019

00:37:53,510 --> 00:37:51,760

there and

1020

00:37:55,030 --> 00:37:53,520

how some of the the author was saying as

1021

00:37:57,510 --> 00:37:55,040

kids they were taught never to go near

1022

00:37:59,349 --> 00:37:57,520

dilapidated buildings because for that

1023

00:38:00,550 --> 00:37:59,359

reason you could very well easily

1024

00:38:03,430 --> 00:38:00,560

disappear

1025

00:38:04,950 --> 00:38:03,440

um she talks about how

1026

00:38:06,550 --> 00:38:04,960

she um

1027

00:38:08,470 --> 00:38:06,560

they went they found a dilapidated

1028

00:38:10,790 --> 00:38:08,480

building as kids they looked in and the

1029

00:38:13,670 --> 00:38:10,800

house was pristine you know right out of

1030

00:38:15,750 --> 00:38:13,680

the pages of you know the 1950s

1031

00:38:16,950 --> 00:38:15,760

you know somebody gets in there they

1032

00:38:19,670 --> 00:38:16,960

they get the cure

1033

00:38:20,470 --> 00:38:19,680

you know they get that little curiosity

1034

00:38:21,990 --> 00:38:20,480

um

1035

00:38:24,470 --> 00:38:22,000

streak in them they go in there they're

1036

00:38:25,270 --> 00:38:24,480

never seen from again i mean

1037

00:38:31,109 --> 00:38:25,280

some

1038

00:38:32,950 --> 00:38:31,119

things out there that don't exactly uh

1039

00:38:33,829 --> 00:38:32,960

play by our rules

1040

00:38:35,589 --> 00:38:33,839

um

1041

00:38:36,790 --> 00:38:35,599

one of the first things you learn in you

1042

00:38:39,030 --> 00:38:36,800

know in

1043

00:38:41,270 --> 00:38:39,040

paganism or in witchcraft you know

1044

00:38:43,510 --> 00:38:41,280

that you know three rule four rule thing

1045

00:38:44,390 --> 00:38:43,520

does not exactly apply to everything out

1046

00:38:49,430 --> 00:38:44,400

there

1047

00:38:51,750 --> 00:38:49,440

you go and you know step into a portal

1048

00:38:52,950 --> 00:38:51,760

they're not gonna let you come back out

1049

00:38:55,190 --> 00:38:52,960

um

1050

00:38:56,790 --> 00:38:55,200

i how many times were

1051

00:38:58,870 --> 00:38:56,800

people you know

1052

00:39:01,670 --> 00:38:58,880

and don't get it you know curiosity

1053

00:39:03,030 --> 00:39:01,680

really does kill the cat you know um

1054

00:39:07,829 --> 00:39:03,040

you know or at least makes you go

1055

00:39:11,750 --> 00:39:08,870

well

1056

00:39:13,910 --> 00:39:11,760

you know i know tommy's raised around

1057

00:39:15,349 --> 00:39:13,920

the mountains for most of his life i

1058

00:39:17,430 --> 00:39:15,359

believe and

1059

00:39:20,470 --> 00:39:17,440

you know i'm not unfamiliar with the

1060

00:39:21,349 --> 00:39:20,480

appalachians between here and down south

1061

00:39:22,710 --> 00:39:21,359

and

1062

00:39:25,589 --> 00:39:22,720

you know there's a lot of weird stuff

1063

00:39:28,710 --> 00:39:25,599

goes on i um i've told the story before

1064

00:39:31,109 --> 00:39:28,720

i my family was raised part of my family

1065

00:39:32,550 --> 00:39:31,119

was raised down in western north

1066

00:39:34,470 --> 00:39:32,560

carolina

1067

00:39:36,870 --> 00:39:34,480

in the rockies

1068

00:39:38,790 --> 00:39:36,880

not the rockies the smoky mountains uh

1069

00:39:40,790 --> 00:39:38,800

up near

1070

00:39:43,430 --> 00:39:40,800

roane mountain

1071

00:39:44,550 --> 00:39:43,440

and uh

1072

00:39:46,790 --> 00:39:44,560

i i

1073

00:39:48,390 --> 00:39:46,800

people used to talk about the wild man

1074

00:39:50,310 --> 00:39:48,400

and all that stuff up there for years i

1075

00:39:52,390 --> 00:39:50,320

had an uncle who

1076

00:39:54,150 --> 00:39:52,400

and i said he had a still i mean he had

1077

00:39:58,069 --> 00:39:54,160

one of he had a

1078

00:39:59,349 --> 00:39:58,079

very big still and uh he used to [\h__\h] a

1079

00:40:01,349 --> 00:39:59,359

moon about

1080

00:40:03,670 --> 00:40:01,359

the wild man up there tearing you still

1081

00:40:05,589 --> 00:40:03,680

up and he didn't like him being up there

1082

00:40:07,750 --> 00:40:05,599

and

1083

00:40:09,910 --> 00:40:07,760

i heard that story

1084

00:40:14,309 --> 00:40:09,920

growing up you know that kind of weird

1085

00:40:15,349 --> 00:40:14,319

stuff and uh and you know it happens and

1086

00:40:16,710 --> 00:40:15,359

um

1087

00:40:18,309 --> 00:40:16,720

and it's something about roon mountain

1088

00:40:20,150 --> 00:40:18,319

because i've had a couple stories on the

1089

00:40:22,309 --> 00:40:20,160

tennessee side about that place with

1090

00:40:26,710 --> 00:40:22,319

people saying bigfoot and

1091

00:40:31,109 --> 00:40:26,720

and uh other types of uh what they call

1092

00:40:34,069 --> 00:40:31,119

hairy men or wild men and such so um

1093

00:40:36,470 --> 00:40:34,079

yeah the appalachians are

1094

00:40:38,470 --> 00:40:36,480

are pretty pretty bizarre but

1095

00:40:40,390 --> 00:40:38,480

you know that's that's the way it is i

1096

00:40:41,910 --> 00:40:40,400

mean you know i guess anywhere you go

1097

00:40:44,230 --> 00:40:41,920

you gotta run into a lot of this weird

1098

00:40:45,990 --> 00:40:44,240

stuff

1099

00:40:48,390 --> 00:40:46,000

i've seen the same way think about how

1100

00:40:50,470 --> 00:40:48,400

old they are i mean

1101

00:40:53,510 --> 00:40:50,480

millions of years ago the appalachian

1102

00:40:54,870 --> 00:40:53,520

mountains were aligned with like ireland

1103

00:40:56,470 --> 00:40:54,880

and scotland those are the same

1104

00:40:58,790 --> 00:40:56,480

mountains from

1105

00:41:00,870 --> 00:40:58,800

millions and millions of years ago

1106

00:41:02,710 --> 00:41:00,880

yeah

1107

00:41:04,870 --> 00:41:02,720

what happened long before we were ever

1108

00:41:07,990 --> 00:41:04,880

recording stuff

1109

00:41:10,550 --> 00:41:08,000

well yeah really i mean you know if we

1110

00:41:11,750 --> 00:41:10,560

had even an inkling of what was there

1111

00:41:13,430 --> 00:41:11,760

then

1112

00:41:15,589 --> 00:41:13,440

i mean as far as the falling it goes i

1113

00:41:18,390 --> 00:41:15,599

mean yeah

1114

00:41:24,630 --> 00:41:22,390

i don't know i i i just know that

1115

00:41:26,069 --> 00:41:24,640

it's kind of bizarre you know when

1116

00:41:28,470 --> 00:41:26,079

this whole thing

1117

00:41:30,630 --> 00:41:28,480

as far as uh

1118

00:41:32,230 --> 00:41:30,640

wait a minute has anyone claimed to have

1119

00:41:33,670 --> 00:41:32,240

gone through one of those portals and

1120

00:41:35,910 --> 00:41:33,680

come back

1121

00:41:38,309 --> 00:41:35,920

yeah i've heard that what look at david

1122

00:41:40,069 --> 00:41:38,319

david's a perfect example he's come back

1123

00:41:42,150 --> 00:41:40,079

several times from that

1124

00:41:43,510 --> 00:41:42,160

um

1125

00:41:45,589 --> 00:41:43,520

i i don't know

1126

00:41:48,069 --> 00:41:45,599

if the situation is different with him

1127

00:41:51,109 --> 00:41:48,079

because that may have been um you know

1128

00:41:54,069 --> 00:41:51,119

that was to do with some type of

1129

00:41:55,270 --> 00:41:54,079

non-terrestrial being extraterrestrials

1130

00:41:58,230 --> 00:41:55,280

uh

1131

00:42:01,190 --> 00:41:58,240

as far as other beings go and in fact if

1132

00:42:02,550 --> 00:42:01,200

that's the case i i i yeah i guess it

1133

00:42:04,870 --> 00:42:02,560

has happened

1134

00:42:07,990 --> 00:42:04,880

uh i have you know you you talk people

1135

00:42:11,270 --> 00:42:08,000

talk about time slips and um

1136

00:42:13,670 --> 00:42:11,280

that could very well be the same thing

1137

00:42:15,510 --> 00:42:13,680

you know at some point they've you know

1138

00:42:17,270 --> 00:42:15,520

they've seen into another dimension are

1139

00:42:19,510 --> 00:42:17,280

kind of crossed over real quickly and

1140

00:42:21,910 --> 00:42:19,520

come back

1141

00:42:23,109 --> 00:42:21,920

so yeah people told me that before so

1142

00:42:24,710 --> 00:42:23,119

yeah i believe

1143

00:42:25,829 --> 00:42:24,720

i believe people have gone through and

1144

00:42:29,109 --> 00:42:25,839

come back

1145

00:42:33,589 --> 00:42:31,829

yeah i mean you have look at the reports

1146

00:42:36,150 --> 00:42:33,599

of people who've encountered or been

1147

00:42:38,550 --> 00:42:36,160

abducted by what they call reptilians

1148

00:42:39,750 --> 00:42:38,560

you know most of them come through uh

1149

00:42:41,670 --> 00:42:39,760

portals

1150

00:42:43,349 --> 00:42:41,680

you know they don't come in ships they

1151

00:42:44,790 --> 00:42:43,359

they pop in and next thing you know

1152

00:42:46,069 --> 00:42:44,800

they're there and they're grabbing you

1153

00:42:47,030 --> 00:42:46,079

and you know

1154

00:42:49,030 --> 00:42:47,040

um

1155

00:42:50,470 --> 00:42:49,040

i honestly think yeah how many people

1156

00:42:51,990 --> 00:42:50,480

have been have said that they've

1157

00:42:53,910 --> 00:42:52,000

encountered uh

1158

00:42:56,230 --> 00:42:53,920

you know stepped into a portal and you

1159

00:42:57,589 --> 00:42:56,240

know the fae immediately kick them out

1160

00:42:59,990 --> 00:42:57,599

um

1161

00:43:01,270 --> 00:43:00,000

you know i've had those before too yeah

1162

00:43:04,309 --> 00:43:01,280

yeah i mean

1163

00:43:06,550 --> 00:43:04,319

there's a lot of places that we don't

1164

00:43:09,750 --> 00:43:06,560

understand a lot of things that people

1165

00:43:11,670 --> 00:43:09,760

have you know may have slipped into and

1166

00:43:13,190 --> 00:43:11,680

seen it you know how many

1167

00:43:14,230 --> 00:43:13,200

stories of uh

1168

00:43:19,349 --> 00:43:14,240

you know

1169

00:43:21,750 --> 00:43:19,359

are way too common in paranormal

1170

00:43:23,750 --> 00:43:21,760

investigation

1171

00:43:26,470 --> 00:43:23,760

yeah i got i get a lot of them i really

1172

00:43:27,589 --> 00:43:26,480

do i get a lot of time slip stories and

1173

00:43:30,309 --> 00:43:27,599

counts

1174

00:43:34,550 --> 00:43:32,630

you know i i've had people

1175

00:43:36,470 --> 00:43:34,560

i mean the counts like where somebody

1176

00:43:38,470 --> 00:43:36,480

will um

1177

00:43:41,030 --> 00:43:38,480

and it's weird that people will

1178

00:43:42,790 --> 00:43:41,040

go outside pick up the newspaper

1179

00:43:45,430 --> 00:43:42,800

and they look in the driveway and the

1180

00:43:47,349 --> 00:43:45,440

car's gone

1181

00:43:49,109 --> 00:43:47,359

and then five minutes later it's back

1182

00:43:52,550 --> 00:43:49,119

again stuff like that where just things

1183

00:43:54,069 --> 00:43:52,560

just disappear and you know

1184

00:43:56,069 --> 00:43:54,079

i've heard all kinds of weird stuff like

1185

00:43:58,150 --> 00:43:56,079

that and even inside of homes where

1186

00:43:59,910 --> 00:43:58,160

things disappear suddenly

1187

00:44:01,349 --> 00:43:59,920

um

1188

00:44:03,030 --> 00:44:01,359

like a whole half of the house would

1189

00:44:05,109 --> 00:44:03,040

disappear or turn into something else

1190

00:44:06,870 --> 00:44:05,119

and it will change back

1191

00:44:09,109 --> 00:44:06,880

uh

1192

00:44:11,270 --> 00:44:09,119

even like

1193

00:44:13,270 --> 00:44:11,280

people telling me that

1194

00:44:14,150 --> 00:44:13,280

that you know it turns dark all of a

1195

00:44:15,990 --> 00:44:14,160

sudden

1196

00:44:18,870 --> 00:44:16,000

like it's from night to day and day and

1197

00:44:20,870 --> 00:44:18,880

night within within minutes

1198

00:44:23,270 --> 00:44:20,880

i mean how do you explain that that's

1199

00:44:25,430 --> 00:44:23,280

just that just outright weird

1200

00:44:27,670 --> 00:44:25,440

yeah we've had stuff here

1201
00:44:30,870 --> 00:44:27,680
here in our house it just

1202
00:44:32,390 --> 00:44:30,880
gone for weeks and then oh there it is

1203
00:44:33,430 --> 00:44:32,400
where did that come from

1204
00:44:35,510 --> 00:44:33,440
yeah

1205
00:44:39,589 --> 00:44:35,520
right out right now that happens here

1206
00:44:44,309 --> 00:44:41,190
well knowing your house that wouldn't

1207
00:44:48,550 --> 00:44:45,829
yeah

1208
00:44:51,270 --> 00:44:48,560
it's it's been incredibly calm lately my

1209
00:44:52,069 --> 00:44:51,280
goodness but well that's good it's it's

1210
00:44:55,670 --> 00:44:52,079
been

1211
00:45:00,309 --> 00:44:57,829
and i i know i know vincent's had some

1212
00:45:06,309 --> 00:45:00,319
issues at his place too

1213
00:45:10,870 --> 00:45:08,550

uh so folks you got anything else put it

1214

00:45:11,829 --> 00:45:10,880

up there and uh we'll talk about if you

1215

00:45:16,150 --> 00:45:11,839

want to

1216

00:45:24,150 --> 00:45:19,190

psychic mediums create a ports which are

1217

00:45:28,309 --> 00:45:25,990

i think to a point that that that's

1218

00:45:30,309 --> 00:45:28,319

possible i have um

1219

00:45:35,349 --> 00:45:30,319

i have heard that in the past i don't

1220

00:45:39,349 --> 00:45:37,349

is it done unconsciously or is it

1221

00:45:41,510 --> 00:45:39,359

something they consciously do maybe you

1222

00:45:43,430 --> 00:45:41,520

can answer that for me

1223

00:45:45,670 --> 00:45:43,440

i um

1224

00:45:49,589 --> 00:45:45,680

i don't know that that's interesting

1225

00:45:51,349 --> 00:45:49,599

any injured cold sightings oh good

1226

00:45:53,030 --> 00:45:51,359

uh not lately

1227

00:45:55,430 --> 00:45:53,040

you know

1228

00:45:58,150 --> 00:45:55,440

that that last thing that we had up in

1229

00:46:00,230 --> 00:45:58,160

new york was kind of bizarre where and

1230

00:46:04,069 --> 00:46:00,240

i'll mention what happened it was up in

1231

00:46:07,109 --> 00:46:04,079

hartwick new york and a friend of mine

1232

00:46:09,030 --> 00:46:07,119

who actually was a client at one point

1233

00:46:11,190 --> 00:46:09,040

has been doing some investigations for

1234

00:46:12,550 --> 00:46:11,200

me he lives up in queens new york but

1235

00:46:14,630 --> 00:46:12,560

anyway

1236

00:46:16,069 --> 00:46:14,640

he had a girlfriend a friend of his who

1237

00:46:17,589 --> 00:46:16,079

lived up in hartwick

1238

00:46:19,510 --> 00:46:17,599

uh new york

1239

00:46:21,990 --> 00:46:19,520

and she got on the horn with him saying

1240

00:46:24,230 --> 00:46:22,000

she had seen a

1241

00:46:25,829 --> 00:46:24,240

a winged humanoid

1242

00:46:28,390 --> 00:46:25,839

outside

1243

00:46:30,710 --> 00:46:28,400

and when it happened her

1244

00:46:32,630 --> 00:46:30,720

her phone rang

1245

00:46:35,109 --> 00:46:32,640

and the name that came up on the phone

1246

00:46:36,790 --> 00:46:35,119

id and the caller idea was injured the

1247

00:46:37,670 --> 00:46:36,800

cold

1248

00:46:40,150 --> 00:46:37,680

and

1249

00:46:42,550 --> 00:46:40,160

when she answered the phone the person

1250

00:46:47,589 --> 00:46:42,560

on the other side of the phone said

1251
00:46:51,910 --> 00:46:49,990
so how you figure that i don't know he

1252
00:46:53,270 --> 00:46:51,920
went up there to look to investigate it

1253
00:46:54,870 --> 00:46:53,280
he said there's a lot of weird stuff

1254
00:46:57,750 --> 00:46:54,880
going on in the house

1255
00:46:59,430 --> 00:46:57,760
but uh yeah i mean you know you know i

1256
00:47:01,589 --> 00:46:59,440
i've talked to

1257
00:47:04,069 --> 00:47:01,599
raymond keller about this injured cold

1258
00:47:04,950 --> 00:47:04,079
when that that happened again

1259
00:47:06,790 --> 00:47:04,960
and

1260
00:47:10,470 --> 00:47:06,800
you know his thoughts are that he

1261
00:47:12,790 --> 00:47:10,480
believes that this injured cold being

1262
00:47:15,109 --> 00:47:12,800
who he believes is extraterrestrial may

1263
00:47:17,670 --> 00:47:15,119

still be around may still be involved

1264

00:47:18,630 --> 00:47:17,680
with government and such and

1265

00:47:19,670 --> 00:47:18,640
i don't know

1266

00:47:24,870 --> 00:47:19,680
you know

1267

00:47:26,710 --> 00:47:24,880
one he's one of the

1268

00:47:28,150 --> 00:47:26,720
best ufologists that i know he knows

1269

00:47:30,710 --> 00:47:28,160
everything i mean the history of

1270

00:47:33,030 --> 00:47:30,720
following all kinds of stuff though

1271

00:47:35,030 --> 00:47:33,040
he he's the guy i went to right away as

1272

00:47:37,109 --> 00:47:35,040
soon as i heard that and he he believed

1273

00:47:38,470 --> 00:47:37,119
it happened and uh

1274

00:47:40,549 --> 00:47:38,480
so

1275

00:47:42,150 --> 00:47:40,559
but how many of those have really just

1276

00:47:43,349 --> 00:47:42,160

if you read the report how many of those

1277

00:47:46,390 --> 00:47:43,359

really

1278

00:47:49,589 --> 00:47:46,400

mirror what a men in black report is

1279

00:47:52,069 --> 00:47:49,599

well very closely yeah

1280

00:47:54,790 --> 00:47:52,079

yeah i mean and very closely it sounds

1281

00:47:57,030 --> 00:47:54,800

just like a men in black encounter where

1282

00:47:58,549 --> 00:47:57,040

somebody has seen something in within

1283

00:48:00,309 --> 00:47:58,559

minutes or

1284

00:48:02,950 --> 00:48:00,319

before they even get a chance to report

1285

00:48:05,190 --> 00:48:02,960

it these guys show up and say to be

1286

00:48:06,950 --> 00:48:05,200

quiet about it well i don't think it has

1287

00:48:08,069 --> 00:48:06,960

anything to do with anything government

1288

00:48:09,510 --> 00:48:08,079

but i think it's definitely

1289

00:48:12,309 --> 00:48:09,520

extraterrestrial

1290

00:48:13,109 --> 00:48:12,319

or ultra-terrestrial or whatever

1291

00:48:13,990 --> 00:48:13,119

uh

1292

00:48:16,549 --> 00:48:14,000

yeah

1293

00:48:18,470 --> 00:48:16,559

and james says about valiant thor same

1294

00:48:21,030 --> 00:48:18,480

thing now that story's a little

1295

00:48:23,109 --> 00:48:21,040

different this guy was supposedly

1296

00:48:25,670 --> 00:48:23,119

working with the uh

1297

00:48:28,069 --> 00:48:25,680

with the pentagon at some point uh

1298

00:48:29,990 --> 00:48:28,079

supposedly from venus

1299

00:48:31,270 --> 00:48:30,000

and that's what he said he was from and

1300

00:48:33,829 --> 00:48:31,280

um

1301

00:48:36,069 --> 00:48:33,839

but he was a flesh and blood being and

1302

00:48:37,750 --> 00:48:36,079

you know he was here for a while then he

1303

00:48:40,069 --> 00:48:37,760

was gone

1304

00:48:43,990 --> 00:48:42,069

who knows what all this is all about you

1305

00:48:46,549 --> 00:48:44,000

know that valiant thor thing fascinates

1306

00:48:49,270 --> 00:48:46,559

me anyway and i think raymond's gonna do

1307

00:48:51,510 --> 00:48:49,280

a report on that at some point

1308

00:48:53,589 --> 00:48:51,520

i know he's writing a book about dr

1309

00:48:55,589 --> 00:48:53,599

frank strange's so i think he may go

1310

00:49:00,950 --> 00:48:55,599

into detail about the valiant thor thing

1311

00:49:06,950 --> 00:49:02,950

so

1312

00:49:10,950 --> 00:49:08,309

do you guys have anything you want to

1313

00:49:13,589 --> 00:49:12,309

gentlemen

1314

00:49:15,109 --> 00:49:13,599

um

1315

00:49:17,109 --> 00:49:15,119

i was just thinking about something we

1316

00:49:17,990 --> 00:49:17,119

were talking about earlier about you

1317

00:49:25,990 --> 00:49:18,000

know

1318

00:49:28,549 --> 00:49:26,000

and it kind of gets me a little bit um

1319

00:49:30,710 --> 00:49:28,559

brings me back to like the moss man you

1320

00:49:31,990 --> 00:49:30,720

know sightings that we're investigating

1321

00:49:33,430 --> 00:49:32,000

um

1322

00:49:34,950 --> 00:49:33,440

you know chicago is the third largest

1323

00:49:36,309 --> 00:49:34,960

city in the nation

1324

00:49:38,630 --> 00:49:36,319

and

1325

00:49:40,069 --> 00:49:38,640

i believe it's also the third populist

1326

00:49:43,190 --> 00:49:40,079

city in the nation

1327

00:49:46,150 --> 00:49:43,200

and people just don't realize how

1328

00:49:48,150 --> 00:49:46,160

many people are here i could draw a

1329

00:49:49,349 --> 00:49:48,160

circle five miles wide and be in the

1330

00:49:50,710 --> 00:49:49,359

millions

1331

00:49:53,030 --> 00:49:50,720

um

1332

00:49:57,270 --> 00:49:53,040

and yet we're seeing things here

1333

00:49:59,990 --> 00:49:57,280

that are just you know ufos usos

1334

00:50:01,109 --> 00:50:00,000

so many uh these wing humanoid sightings

1335

00:50:02,710 --> 00:50:01,119

um

1336

00:50:05,430 --> 00:50:02,720

you know

1337

00:50:07,349 --> 00:50:05,440

things from the paranormal of all sorts

1338

00:50:09,750 --> 00:50:07,359

we've have you know alien sightings we

1339

00:50:12,309 --> 00:50:09,760

have you know

1340

00:50:15,589 --> 00:50:12,319

cryptid sightings of all sorts you know

1341

00:50:17,109 --> 00:50:15,599

this whole area is just ripe and how

1342

00:50:19,510 --> 00:50:17,119

many

1343

00:50:22,549 --> 00:50:19,520

populist cities are are like that i mean

1344

00:50:24,790 --> 00:50:22,559

think of like uh detroit detroit has

1345

00:50:25,910 --> 00:50:24,800

there's so many reports of that little

1346

00:50:27,589 --> 00:50:25,920

um uh

1347

00:50:29,510 --> 00:50:27,599

little red

1348

00:50:30,950 --> 00:50:29,520

yeah it's those to scare the hell out of

1349

00:50:32,150 --> 00:50:30,960

people in the barn

1350

00:50:33,750 --> 00:50:32,160

um

1351
00:50:35,670 --> 00:50:33,760
yeah i mean

1352
00:50:36,950 --> 00:50:35,680
think of how many um

1353
00:50:39,430 --> 00:50:36,960
things happen

1354
00:50:40,870 --> 00:50:39,440
and a lot of it i think it's also you

1355
00:50:42,710 --> 00:50:40,880
know it ties in with the question with

1356
00:50:44,630 --> 00:50:42,720
about the psychic mediums

1357
00:50:46,150 --> 00:50:44,640
a lot of it to me seems like it's

1358
00:50:47,910 --> 00:50:46,160
summoned i mean

1359
00:50:49,510 --> 00:50:47,920
how many people

1360
00:50:51,670 --> 00:50:49,520
do you think that

1361
00:50:54,150 --> 00:50:51,680
you know we're probably involved with

1362
00:50:55,270 --> 00:50:54,160
deciding the rash that we had with uh

1363
00:50:58,309 --> 00:50:55,280

the

1364

00:50:59,510 --> 00:50:58,319

humanoids

1365

00:51:02,150 --> 00:50:59,520

you know

1366

00:51:02,950 --> 00:51:02,160

i quite honestly think that that was you

1367

00:51:04,549 --> 00:51:02,960

know

1368

00:51:07,190 --> 00:51:04,559

had an occult

1369

00:51:09,589 --> 00:51:07,200

tie-in to it it very well could have i

1370

00:51:11,349 --> 00:51:09,599

mean and you you know you and i talked

1371

00:51:13,589 --> 00:51:11,359

about that from the very beginning was

1372

00:51:16,950 --> 00:51:13,599

there something to do with the culture

1373

00:51:19,510 --> 00:51:16,960

or with the you know with you know what

1374

00:51:23,109 --> 00:51:19,520

people believed the belief system

1375

00:51:24,150 --> 00:51:23,119

in in the hispanic area um

1376

00:51:26,630 --> 00:51:24,160

we had

1377

00:51:28,630 --> 00:51:26,640

about 10 all together in in little

1378

00:51:30,870 --> 00:51:28,640

village 10 sightings

1379

00:51:32,470 --> 00:51:30,880

and who knows who else didn't even

1380

00:51:34,790 --> 00:51:32,480

mention it so

1381

00:51:36,870 --> 00:51:34,800

yeah and i also think a part of it is

1382

00:51:39,589 --> 00:51:36,880

because you know lately in the last like

1383

00:51:41,829 --> 00:51:39,599

five six years you know

1384

00:51:45,270 --> 00:51:41,839

paganism occult you know wicca has

1385

00:51:47,910 --> 00:51:45,280

really taken off in popularity and

1386

00:51:49,430 --> 00:51:47,920

part of it is i mean

1387

00:51:51,030 --> 00:51:49,440

i hate to say it but people who don't

1388

00:51:53,589 --> 00:51:51,040

know what the hell they're doing you

1389

00:51:56,390 --> 00:51:53,599

know that is so true man well they are

1390

00:51:58,470 --> 00:51:56,400

just very true they're not disciplined

1391

00:52:00,150 --> 00:51:58,480

or they're not following what you know

1392

00:52:01,270 --> 00:52:00,160

is taught most of these people are

1393

00:52:04,309 --> 00:52:01,280

probably doing it because they're

1394

00:52:06,549 --> 00:52:04,319

reading a book off of amazon somewhere

1395

00:52:09,190 --> 00:52:06,559

and not knowing i mean

1396

00:52:11,190 --> 00:52:09,200

how i belong to a few pagan groups on

1397

00:52:12,230 --> 00:52:11,200

line and we get people to be called we

1398

00:52:14,069 --> 00:52:12,240

have a name for them they're called

1399

00:52:15,910 --> 00:52:14,079

fluffers um

1400

00:52:17,670 --> 00:52:15,920

and the reason is how many people think

1401

00:52:19,349 --> 00:52:17,680

oh how can i attract the feign to my

1402

00:52:20,950 --> 00:52:19,359

house like yeah okay you got a death

1403

00:52:22,710 --> 00:52:20,960

wish don't you so

1404

00:52:24,870 --> 00:52:22,720

like you don't like nice things in your

1405

00:52:26,069 --> 00:52:24,880

house because your life is about a

1406

00:52:28,950 --> 00:52:26,079

living hell

1407

00:52:31,670 --> 00:52:28,960

if you do this um how many people do i

1408

00:52:33,750 --> 00:52:31,680

see on on social media like tick tock

1409

00:52:35,510 --> 00:52:33,760

you know oh how to summon fairies you

1410

00:52:37,750 --> 00:52:35,520

know leave a bowl of this and this at

1411

00:52:40,069 --> 00:52:37,760

your house you know yeah like

1412

00:52:42,390 --> 00:52:40,079

and attract everything that's you don't

1413

00:52:45,030 --> 00:52:42,400

know what you're talking about you know

1414

00:52:46,710 --> 00:52:45,040

um people using ouija boards i honestly

1415

00:52:48,549 --> 00:52:46,720

think that's probably one reason how it

1416

00:52:49,750 --> 00:52:48,559

ended up somebody used

1417

00:52:51,829 --> 00:52:49,760

some kind of

1418

00:52:53,990 --> 00:52:51,839

magic and summoned something

1419

00:52:55,589 --> 00:52:54,000

and didn't know how to put it back where

1420

00:52:57,430 --> 00:52:55,599

it belongs and

1421

00:52:59,109 --> 00:52:57,440

next thing we know we have all these

1422

00:53:02,150 --> 00:52:59,119

reports coming up because

1423

00:53:03,990 --> 00:53:02,160

it was concentrated in a very small area

1424

00:53:05,670 --> 00:53:04,000

a little village is

1425

00:53:08,470 --> 00:53:05,680

for people don't know it's a very

1426
00:53:12,950 --> 00:53:08,480
hispanic with a very predominant

1427
00:53:14,549 --> 00:53:12,960
hispanic area in uh chicago but it's not

1428
00:53:17,270 --> 00:53:14,559
that big it's not the biggest

1429
00:53:18,710 --> 00:53:17,280
neighborhood in chicago and

1430
00:53:20,069 --> 00:53:18,720
within

1431
00:53:22,230 --> 00:53:20,079
i think the whole little village area is

1432
00:53:23,349 --> 00:53:22,240
maybe three miles six eight three miles

1433
00:53:24,309 --> 00:53:23,359
square

1434
00:53:27,990 --> 00:53:24,319
and

1435
00:53:29,510 --> 00:53:28,000
some of these sightings were just

1436
00:53:32,150 --> 00:53:29,520
different from all these some these

1437
00:53:33,270 --> 00:53:32,160
things were aggressive

1438
00:53:34,790 --> 00:53:33,280

uh

1439

00:53:36,790 --> 00:53:34,800

and how many times have we been told by

1440

00:53:38,950 --> 00:53:36,800

the mpt ones to be

1441

00:53:42,150 --> 00:53:38,960

called onto this plane is painful to

1442

00:53:45,109 --> 00:53:42,160

them and that's quickest way to get them

1443

00:53:45,990 --> 00:53:45,119

to be aggressive toward you is because

1444

00:53:47,349 --> 00:53:46,000

um

1445

00:53:49,430 --> 00:53:47,359

you're putting something that doesn't

1446

00:53:50,870 --> 00:53:49,440

want to be here here and you're forcing

1447

00:53:52,630 --> 00:53:50,880

it to stay here

1448

00:53:53,750 --> 00:53:52,640

you know whether you're doing it you

1449

00:53:55,349 --> 00:53:53,760

know

1450

00:53:56,950 --> 00:53:55,359

uh intentionally or you're doing it

1451
00:53:58,790 --> 00:53:56,960
because of your own incompetence doesn't

1452
00:54:01,750 --> 00:53:58,800
know how to you know

1453
00:54:02,470 --> 00:54:01,760
uh reverse it or send it home or dismiss

1454
00:54:04,309 --> 00:54:02,480
it

1455
00:54:07,270 --> 00:54:04,319
you know eventually these kinds of

1456
00:54:09,190 --> 00:54:07,280
things lead to these sightings and

1457
00:54:11,589 --> 00:54:09,200
god for the for the longest time we had

1458
00:54:17,589 --> 00:54:11,599
so many signings pouring in just out of

1459
00:54:20,230 --> 00:54:18,950
um

1460
00:54:25,190 --> 00:54:20,240
james

1461
00:54:27,829 --> 00:54:25,200
planet what we think about planet x

1462
00:54:29,430 --> 00:54:27,839
nibiru

1463
00:54:32,230 --> 00:54:29,440

you know i i'll be honest with you i

1464

00:54:33,270 --> 00:54:32,240

don't necessarily buy into the

1465

00:54:37,750 --> 00:54:33,280

uh

1466

00:54:42,230 --> 00:54:37,760

theories on

1467

00:54:45,910 --> 00:54:42,240

the uh nibiru or the planet x i do you

1468

00:54:48,080 --> 00:54:47,430

i'll be honest i don't even know what

1469

00:54:50,309 --> 00:54:48,090

that is

1470

00:54:52,470 --> 00:54:50,319

[Laughter]

1471

00:54:54,549 --> 00:54:52,480

i've never read into that so i no

1472

00:54:57,349 --> 00:54:54,559

opinions he wrote a book he wrote a book

1473

00:54:58,630 --> 00:54:57,359

called the 12th planet years ago

1474

00:55:00,710 --> 00:54:58,640

and

1475

00:55:02,549 --> 00:55:00,720

he he had a lot of different theories

1476

00:55:05,109 --> 00:55:02,559

about a lot of different things i don't

1477

00:55:08,309 --> 00:55:05,119

necessarily buy into all of that

1478

00:55:10,789 --> 00:55:08,319

uh a gentleman who

1479

00:55:12,069 --> 00:55:10,799

was a friend of mine lloyd pie who was

1480

00:55:16,230 --> 00:55:12,079

the guy

1481

00:55:18,309 --> 00:55:16,240

endorsing the uh starchild skull and

1482

00:55:19,510 --> 00:55:18,319

and he was also a cryptozoologist and an

1483

00:55:22,069 --> 00:55:19,520

author but

1484

00:55:24,390 --> 00:55:22,079

he kind of prescribed to a lot of what

1485

00:55:27,510 --> 00:55:24,400

sichuan rita wrote about

1486

00:55:29,589 --> 00:55:27,520

but um i don't know i i i it kind of

1487

00:55:31,190 --> 00:55:29,599

seems a little farfetched to me but who

1488

00:55:33,589 --> 00:55:31,200

knows i mean i've

1489

00:55:36,230 --> 00:55:33,599

been a lot of things i i haven't really

1490

00:55:38,630 --> 00:55:36,240

thought much of or agreed with that

1491

00:55:41,829 --> 00:55:38,640

you know i've kind of been

1492

00:55:42,789 --> 00:55:41,839

proven wrong later on so i don't know do

1493

00:55:44,069 --> 00:55:42,799

you

1494

00:55:46,789 --> 00:55:44,079

know

1495

00:55:48,950 --> 00:55:46,799

manuel do you have any thoughts on that

1496

00:55:51,109 --> 00:55:48,960

i mean i don't really

1497

00:55:52,789 --> 00:55:51,119

you know subscribe to it i mean i'm i'm

1498

00:55:54,150 --> 00:55:52,799

looking at it from like a scientific

1499

00:55:55,589 --> 00:55:54,160

point of view if there was a whole

1500

00:55:56,710 --> 00:55:55,599

planet out there that we didn't know

1501
00:55:59,510 --> 00:55:56,720
about

1502
00:56:01,190 --> 00:55:59,520
um how many times will you see the have

1503
00:56:03,030 --> 00:56:01,200
you seen the and if you're on any

1504
00:56:05,349 --> 00:56:03,040
paranormal group you see it you know

1505
00:56:07,589 --> 00:56:05,359
someone posting a photo of like what's

1506
00:56:09,990 --> 00:56:07,599
obviously a reflection of the sun and

1507
00:56:12,069 --> 00:56:10,000
saying this is planet x okay if it was

1508
00:56:13,670 --> 00:56:12,079
that close we'd be in a lot of in a

1509
00:56:14,630 --> 00:56:13,680
world of hurt right now

1510
00:56:17,670 --> 00:56:14,640
uh

1511
00:56:19,109 --> 00:56:17,680
i just don't really buy it so unless i

1512
00:56:20,950 --> 00:56:19,119
know there are things out there that are

1513
00:56:22,549 --> 00:56:20,960

real there are rogue planets that are

1514

00:56:25,349 --> 00:56:22,559

wandering the universe

1515

00:56:26,870 --> 00:56:25,359

you know that's been proven but

1516

00:56:28,710 --> 00:56:26,880

to say that there's this planet that

1517

00:56:30,470 --> 00:56:28,720

just mysteriously shows up and we

1518

00:56:31,910 --> 00:56:30,480

haven't never been able to find out what

1519

00:56:34,390 --> 00:56:31,920

it is and

1520

00:56:35,480 --> 00:56:34,400

all the things that go with it i just

1521

00:56:37,589 --> 00:56:35,490

don't prescribe to it

1522

00:56:39,109 --> 00:56:37,599

[Music]

1523

00:56:41,670 --> 00:56:39,119

yeah there are a lot of different

1524

00:56:43,829 --> 00:56:41,680

theories in ufology that

1525

00:56:46,549 --> 00:56:43,839

i don't know i i it's hard for me to

1526
00:56:48,150 --> 00:56:46,559
understand even the grass but but that

1527
00:56:50,390 --> 00:56:48,160
was definitely one of them but i don't

1528
00:56:53,270 --> 00:56:50,400
even know if i you consider

1529
00:56:56,069 --> 00:56:53,280
sichuan even a ufologist he was kind of

1530
00:56:57,430 --> 00:56:56,079
a theorist i know he was a historian

1531
00:57:02,789 --> 00:56:57,440
um

1532
00:57:05,190 --> 00:57:02,799
right

1533
00:57:06,710 --> 00:57:05,200
bloodline

1534
00:57:08,150 --> 00:57:06,720
i you know i'll be honest with you i

1535
00:57:09,349 --> 00:57:08,160
kind of take a lot of that with a grain

1536
00:57:10,710 --> 00:57:09,359
of salt

1537
00:57:13,510 --> 00:57:10,720
um

1538
00:57:14,950 --> 00:57:13,520

you know if i if i if i would see more

1539

00:57:16,850 --> 00:57:14,960

evidence

1540

00:57:19,190 --> 00:57:16,860

of the connection i

1541

00:57:21,430 --> 00:57:19,200

[Music]

1542

00:57:23,030 --> 00:57:21,440

maybe consider it and now james's

1543

00:57:24,829 --> 00:57:23,040

following us did you see the object that

1544

00:57:28,150 --> 00:57:24,839

apparently skipped off the

1545

00:57:30,630 --> 00:57:28,160

sun i know i didn't i don't know what

1546

00:57:32,950 --> 00:57:30,640

that was about but uh

1547

00:57:35,030 --> 00:57:32,960

uh did you see that manuel you're into

1548

00:57:36,309 --> 00:57:35,040

the ufology and stuff

1549

00:57:38,630 --> 00:57:36,319

um

1550

00:57:40,710 --> 00:57:38,640

honestly when i saw it i

1551

00:57:42,789 --> 00:57:40,720

can't say what it was i mean right it

1552

00:57:45,670 --> 00:57:42,799

could be any number of things i mean

1553

00:57:46,789 --> 00:57:45,680

comets and meteors go routinely around

1554

00:57:49,030 --> 00:57:46,799

the sun

1555

00:57:50,069 --> 00:57:49,040

some of them we know

1556

00:57:51,829 --> 00:57:50,079

um

1557

00:57:53,670 --> 00:57:51,839

some of them don't you know make it some

1558

00:57:55,990 --> 00:57:53,680

of them do um

1559

00:57:58,870 --> 00:57:56,000

but um as far as something that just

1560

00:57:59,910 --> 00:57:58,880

skipped off the sun um no i don't see

1561

00:58:01,510 --> 00:57:59,920

that

1562

00:58:03,430 --> 00:58:01,520

the way they showed it on the video it

1563

00:58:05,190 --> 00:58:03,440

got too close it would be a death

1564

00:58:07,349 --> 00:58:05,200

sentence um

1565

00:58:10,309 --> 00:58:07,359

you know people don't realize just how

1566

00:58:12,150 --> 00:58:10,319

immense the gravity of a sun is even our

1567

00:58:13,829 --> 00:58:12,160

sun and our sun is not even close to

1568

00:58:16,470 --> 00:58:13,839

being the biggest out there it's

1569

00:58:18,150 --> 00:58:16,480

actually one of the tiniest no that's a

1570

00:58:20,150 --> 00:58:18,160

what do you i mean

1571

00:58:22,789 --> 00:58:20,160

it's defined i don't even know what it's

1572

00:58:24,230 --> 00:58:22,799

defined at what level it's at but

1573

00:58:26,150 --> 00:58:24,240

um

1574

00:58:27,270 --> 00:58:26,160

is it a white dwarf or is that what they

1575

00:58:29,510 --> 00:58:27,280

call that

1576

00:58:32,069 --> 00:58:29,520

ah no it's not a white dwarf a white

1577

00:58:34,710 --> 00:58:32,079

dwarf is a i believe a star that has

1578

00:58:36,390 --> 00:58:34,720

died and has collapsed to the point

1579

00:58:39,430 --> 00:58:36,400

where it's now

1580

00:58:43,349 --> 00:58:39,440

um just right above a pulsar but it's a

1581

00:58:45,270 --> 00:58:43,359

uh it's a dead star ours is a uh

1582

00:58:47,430 --> 00:58:45,280

is an active sun but i mean there are

1583

00:58:49,990 --> 00:58:47,440

sons out there that are i know there's

1584

00:58:52,789 --> 00:58:50,000

one that they discovered that i saw that

1585

00:58:54,150 --> 00:58:52,799

i mean like ten thousand times the size

1586

00:58:56,150 --> 00:58:54,160

of our sun

1587

00:58:56,870 --> 00:58:56,160

you know red giants are routinely you

1588

00:59:00,390 --> 00:58:56,880

know

1589

00:59:02,390 --> 00:59:00,400

thousands of times the size of our sun

1590

00:59:04,549 --> 00:59:02,400

well i think we got what five five

1591

00:59:06,789 --> 00:59:04,559

billion years left of this and so you

1592

00:59:08,789 --> 00:59:06,799

know none of us gonna be around anyway

1593

00:59:11,190 --> 00:59:08,799

right so um

1594

00:59:15,030 --> 00:59:11,200

i guess whoever or whatever is around at

1595

00:59:16,390 --> 00:59:15,040

that point they may find out we'll see

1596

00:59:18,549 --> 00:59:16,400

okay well we're gonna go ahead and wrap

1597

00:59:20,950 --> 00:59:18,559

this up tonight and guys thanks for

1598

00:59:23,430 --> 00:59:20,960

coming on i i really appreciate it i

1599

00:59:25,829 --> 00:59:23,440

know a short notice but uh

1600

00:59:28,230 --> 00:59:25,839

you know we are this is one thing we're

1601
00:59:30,829 --> 00:59:28,240
going to be doing more and more on this

1602
00:59:32,630 --> 00:59:30,839
channel is offering

1603
00:59:34,950 --> 00:59:32,640
um

1604
00:59:36,390 --> 00:59:34,960
roundtable discussions and they're going

1605
00:59:39,270 --> 00:59:36,400
to be on topic

1606
00:59:41,430 --> 00:59:39,280
more or less for the most part and when

1607
00:59:44,069 --> 00:59:41,440
we do that it will be announced where

1608
00:59:46,870 --> 00:59:44,079
the subjects are going to be and uh

1609
00:59:49,910 --> 00:59:46,880
we'll be taking questions and uh giving

1610
00:59:52,309 --> 00:59:49,920
answers to the people in the chat

1611
00:59:53,910 --> 00:59:52,319
so hopefully this will be up a popular

1612
00:59:56,150 --> 00:59:53,920
thing we're going to try to maybe do at

1613
00:59:59,750 --> 00:59:56,160

least one a month maybe two

1614

01:00:01,589 --> 00:59:59,760

so uh we're already lining them up so uh

1615

01:00:02,789 --> 01:00:01,599

but we do have guests and stuff coming

1616

01:00:04,950 --> 01:00:02,799

as well

1617

01:00:06,470 --> 01:00:04,960

so um yeah but we're gonna try we're

1618

01:00:08,069 --> 01:00:06,480

just trying to

1619

01:00:10,710 --> 01:00:08,079

change things a bit

1620

01:00:12,549 --> 01:00:10,720

so again thanks for coming on and uh i

1621

01:00:17,270 --> 01:00:12,559

will talk to you all soon

1622

01:00:20,309 --> 01:00:18,710

now if you've had an unexplained

1623

01:00:22,230 --> 01:00:20,319

encounter or setting feel free to

1624

01:00:23,589 --> 01:00:22,240

contact me through the fans and monsters

1625

01:00:26,870 --> 01:00:23,599

blog site

1626

01:00:28,870 --> 01:00:26,880

i once again thank uh emmanuel navarette

1627

01:00:31,430 --> 01:00:28,880

tommy carroll and vincent richardsons

1628

01:00:33,109 --> 01:00:31,440

for joining me this evening and thanks

1629

01:00:34,950 --> 01:00:33,119

each and all you for watching and

1630

01:00:36,230 --> 01:00:34,960

chatting and if you made a super chat

1631

01:00:38,549 --> 01:00:36,240

donation

1632

01:00:41,270 --> 01:00:38,559

it's truly appreciated your support is

1633

01:00:43,510 --> 01:00:41,280

what makes all this possible and uh

1634

01:00:44,630 --> 01:00:43,520

please like subscribe and share now next

1635

01:00:47,910 --> 01:00:44,640

week

1636

01:00:50,230 --> 01:00:47,920

we'll have uh travis watson back on and

1637

01:00:51,349 --> 01:00:50,240

uh his new book is titled mysteries in

1638

01:00:54,150 --> 01:00:51,359

the mist

1639

01:00:56,390 --> 01:00:54,160

missed fog clouds in the paranormal so

1640

01:00:58,549 --> 01:00:56,400

it should be an interesting discussion

1641

01:01:00,950 --> 01:00:58,559

so you won't want to miss it so until

1642

01:01:08,730 --> 01:01:00,960

next week stay healthy and have a safe

1643

01:01:08,740 --> 01:01:45,190

[Music]

1644

01:01:45,200 --> 01:01:48,410

so
