00:00:17,510 --> 00:00:16,240
they exist among us and sometimes they

4
00:00:20,790 --> 00:00:17,520
win

5
00:00:23,269 --> 00:00:20,800
even the devil was an angel once

00:00:26,310 --> 00:00:23,279
the world has its own rules

7
00:00:29,189 --> 00:00:26,320
and these rules are not human

8
00:00:31,429 --> 00:00:29,199
some of us seek answers to the origin

9
00:00:33,430 --> 00:00:31,439
and existence of cryptids in the

00:00:36,790 --> 00:00:33,440

12
00:00:41,270 --> 00:00:39,120
and accepted boundaries

thank vincent for getting everybody

125

00:05:03,990 --> 00:05:02,160

together tonight so

126

00:05:05,510 --> 00:05:04,000

thanks again vincent and i thanks uh

127

00:05:09,029 --> 00:05:05,520

thanks to you guys for joining me this

128

00:05:13,270 --> 00:05:11,350

the ones that i haven't met yet

129

00:05:14,710 --> 00:05:13,280

what's that what's that josh i said we

130

00:05:17,029 --> 00:05:14,720

haven't met in person but you've been on

131

00:05:18,629 --> 00:05:17,039

my show and yeah actually yeah you did

132

00:05:20,710 --> 00:05:18,639

we did a three-parter together actually

133

00:05:23,029 --> 00:05:20,720

back when my old co-host was still still

134

00:05:24,710 --> 00:05:23,039

alive before he lost his life to covid

135

00:05:26,790 --> 00:05:24,720

but um

136

00:05:28,550 --> 00:05:26,800

you were on my show and and we've spoken

137

00:05:30,550 --> 00:05:28,560

on the phone multiple times but never

138

00:05:32,469 --> 00:05:30,560

never you know i've never been on your

139

00:05:33,350 --> 00:05:32,479

show so

140

00:05:34,870 --> 00:05:33,360

well

141

00:05:36,790 --> 00:05:34,880

it was a first time for everything so we

142

00:05:37,670 --> 00:05:36,800

got you here tonight

143

00:05:40,230 --> 00:05:37,680

yeah

144

00:05:42,469 --> 00:05:40,240

so cryptids we're going to talk about

145

00:05:45,510 --> 00:05:42,479

cryptids and you know i want you guys to

146

00:05:48,070 --> 00:05:45,520

be open as much as possible you know i

147

00:05:50,710 --> 00:05:48,080

like to get all kinds of ideas theories

148

00:05:52,710 --> 00:05:50,720

on what we think about cryptids and that

149

00:05:55,189 --> 00:05:52,720

that comes into the first question what

150

00:05:56,150 --> 00:05:55,199

are your theories on encrypted are they

151
00:05:57,350 --> 00:05:56,160
real

152
00:05:58,390 --> 00:05:57,360
are they

153
00:06:01,350 --> 00:05:58,400
extra

154
00:06:03,670 --> 00:06:01,360
you know interdimensional are they

155
00:06:05,510 --> 00:06:03,680
some type of manifestation that comes in

156
00:06:08,550 --> 00:06:05,520
and out what are your thoughts on that

157
00:06:11,510 --> 00:06:08,560
josh i'm going to let you go first

158
00:06:14,150 --> 00:06:11,520
uh yeah mike i guess

159
00:06:16,230 --> 00:06:14,160
well lon we've talked about this um

160
00:06:17,990 --> 00:06:16,240
you know i have my own opinions about

161
00:06:20,230 --> 00:06:18,000
each one i think that there i have

162
00:06:21,749 --> 00:06:20,240
colleagues who believe that sasquatch is

163
00:06:23,029 --> 00:06:21,759

a flesh and blood creature and i have

164

00:06:24,629 --> 00:06:23,039

colleagues that think it's completely

165

00:06:26,550 --> 00:06:24,639

interdimensional

166

00:06:29,350 --> 00:06:26,560

and i'm somewhere in the middle

167

00:06:31,110 --> 00:06:29,360

i think that it's both and i've even you

168

00:06:32,550 --> 00:06:31,120

know talked with barton at length and

169

00:06:34,070 --> 00:06:32,560

elijah you've been

170

00:06:36,390 --> 00:06:34,080

part of that too where we think maybe

171

00:06:39,029 --> 00:06:36,400

they could come from the inner earth

172

00:06:40,390 --> 00:06:39,039

um also the the theory of them being

173

00:06:43,110 --> 00:06:40,400

nephilim

174

00:06:44,950 --> 00:06:43,120

uh the bloodline of the fallen

175

00:06:47,510 --> 00:06:44,960

that's a very popular theory which i

176
00:06:49,830 --> 00:06:47,520
think is a very plausible theory uh when

177
00:06:51,510 --> 00:06:49,840
it comes to dog man like lon you've

178
00:06:53,670 --> 00:06:51,520
you've told me before that you you know

179
00:06:55,749 --> 00:06:53,680
you've gotten reports of these things

180
00:06:58,230 --> 00:06:55,759
having like a silver glow to them i've

181
00:07:01,430 --> 00:06:58,240
heard reports of green glow

182
00:07:02,950 --> 00:07:01,440
um you know and of course sasquatch

183
00:07:05,189 --> 00:07:02,960
you know there's reports of them looking

184
00:07:06,790 --> 00:07:05,199
absolutely flushing blood and then just

185
00:07:09,029 --> 00:07:06,800
disappearing

186
00:07:10,550 --> 00:07:09,039
um like phantoms you know i think the

187
00:07:12,629 --> 00:07:10,560
phantoms and monsters i think that's a

188
00:07:15,189 --> 00:07:12,639

pretty good name that kind of sums it up

189

00:07:17,110 --> 00:07:15,199

and what are we dealing with here

190

00:07:19,749 --> 00:07:17,120

people argue back and forth all day but

191

00:07:21,029 --> 00:07:19,759

i think the the silly the silliest idea

192

00:07:22,390 --> 00:07:21,039

is that they're all just some sort of

193

00:07:24,070 --> 00:07:22,400

undiscovered species because i don't

194

00:07:25,990 --> 00:07:24,080

believe that's true

195

00:07:28,469 --> 00:07:26,000

um

196

00:07:30,469 --> 00:07:28,479

it's hard to believe that when you know

197

00:07:31,670 --> 00:07:30,479

you know in in a way

198

00:07:32,950 --> 00:07:31,680

now i'm just going to interject here

199

00:07:33,909 --> 00:07:32,960

before i go to somebody else but you

200

00:07:35,670 --> 00:07:33,919

know

201
00:07:38,230 --> 00:07:35,680
the lack of bodies the lack of real

202
00:07:39,670 --> 00:07:38,240
physical evidence for the most part

203
00:07:41,510 --> 00:07:39,680
um

204
00:07:45,029 --> 00:07:41,520
it just makes it hard to believe that

205
00:07:47,350 --> 00:07:45,039
these beings are out there all the time

206
00:07:49,029 --> 00:07:47,360
you know i i get it where people believe

207
00:07:51,430 --> 00:07:49,039
like a lot of other

208
00:07:52,629 --> 00:07:51,440
indigenous species that they're not seen

209
00:07:53,830 --> 00:07:52,639
a lot

210
00:07:56,150 --> 00:07:53,840
but

211
00:07:57,350 --> 00:07:56,160
we do find remains of these other beings

212
00:08:01,110 --> 00:07:57,360
and

213
00:08:03,510 --> 00:08:01,120

cryptids for the most part

214

00:08:05,350 --> 00:08:03,520

we just don't have that we just have not

215

00:08:07,110 --> 00:08:05,360

found anything

216

00:08:09,430 --> 00:08:07,120

uh so ron what's your what's your

217

00:08:11,189 --> 00:08:09,440

thoughts on the theory of these cryptids

218

00:08:13,350 --> 00:08:11,199

well i think the idea of cryptids is uh

219

00:08:15,150 --> 00:08:13,360

is fairly loaded because there's a lot

220

00:08:16,710 --> 00:08:15,160

of people out there that call themselves

221

00:08:18,309 --> 00:08:16,720

cryptozoologists

222

00:08:19,510 --> 00:08:18,319

and they're not looking for bigfoot or

223

00:08:21,510 --> 00:08:19,520

dogman you know they're looking for

224

00:08:23,909 --> 00:08:21,520

things like the thylacine or the

225

00:08:25,830 --> 00:08:23,919

ivory-billed woodpecker and i think

226

00:08:27,909 --> 00:08:25,840

that's why we could you know have to

227

00:08:29,749 --> 00:08:27,919

look at this a lot of people come from

228

00:08:32,310 --> 00:08:29,759

this from a very naturalistic point of

229

00:08:34,310 --> 00:08:32,320

view from a biological point of view and

230

00:08:36,949 --> 00:08:34,320

if things do not make sense they simply

231

00:08:39,829 --> 00:08:36,959

throw it out um i you have to look at

232

00:08:41,589 --> 00:08:39,839

this very broad minded don't you because

233

00:08:44,230 --> 00:08:41,599

i have interviewed plenty of people who

234

00:08:46,710 --> 00:08:44,240

have seen bigfoot and ex you know

235

00:08:48,870 --> 00:08:46,720

describe some sort of cloaking type of

236

00:08:51,350 --> 00:08:48,880

uh a manifestation to the creature or

237

00:08:53,750 --> 00:08:51,360

looked like it was pixelating itself um

238

00:08:55,110 --> 00:08:53,760

also some of my anecdotal encounters

239

00:08:56,389 --> 00:08:55,120

that i've had even though i've never

240

00:08:58,470 --> 00:08:56,399

seen anything

241

00:09:00,470 --> 00:08:58,480

i've had things happen to me and i've

242

00:09:02,630 --> 00:09:00,480

seen foot foot waves you know track

243

00:09:04,949 --> 00:09:02,640

trackways uh just starting out of

244

00:09:05,990 --> 00:09:04,959

nowhere and disappearing into nothing as

245

00:09:07,990 --> 00:09:06,000

well too

246

00:09:09,910 --> 00:09:08,000

so i think that when we talk about this

247

00:09:12,630 --> 00:09:09,920

i think that whenever we talk about

248

00:09:14,949 --> 00:09:12,640

family owned phantoms and monsters

249

00:09:17,030 --> 00:09:14,959

that makes the most sense um

250

00:09:19,590 --> 00:09:17,040

people are seeing something out there

251
00:09:22,470 --> 00:09:19,600
there is something that comes into this

252
00:09:24,870 --> 00:09:22,480
world and is tangible enough to leave

253
00:09:26,710 --> 00:09:24,880
tracks or to leave behind error or to

254
00:09:29,750 --> 00:09:26,720
leave behind a scratch mark or something

255
00:09:32,230 --> 00:09:29,760
like that but again from all of my

256
00:09:33,269 --> 00:09:32,240
research there is no way they could be

257
00:09:34,550 --> 00:09:33,279
here

258
00:09:35,750 --> 00:09:34,560
all the time

259
00:09:38,310 --> 00:09:35,760
especially whenever we talk about

260
00:09:40,710 --> 00:09:38,320
bigfoot and the dog man two apex

261
00:09:42,790 --> 00:09:40,720
predators overlapping a very limited

262
00:09:44,949 --> 00:09:42,800
area you know people will be stumbling

263
00:09:47,110 --> 00:09:44,959

upon these things all the time if they

264

00:09:49,030 --> 00:09:47,120

were indeed a part of our world they

265

00:09:50,790 --> 00:09:49,040

have to eat they have to make babies

266

00:09:53,829 --> 00:09:50,800

they have to be territorial all this

267

00:09:55,590 --> 00:09:53,839

kind of stuff goes into the idea of of a

268

00:09:57,910 --> 00:09:55,600

cryptid you know now if they're

269

00:09:59,990 --> 00:09:57,920

self-aware that's one thing you know

270

00:10:02,230 --> 00:10:00,000

being self-aware but knowing that they

271

00:10:04,949 --> 00:10:02,240

have to be staying hidden uh for their

272

00:10:06,870 --> 00:10:04,959

own livelihood that's a very important

273

00:10:08,630 --> 00:10:06,880

thing because intelligence comes into it

274

00:10:10,949 --> 00:10:08,640

uh but i think that we're dealing with

275

00:10:12,949 --> 00:10:10,959

something that here that cannot be

276

00:10:14,710 --> 00:10:12,959

explained totally by science i think

277

00:10:17,509 --> 00:10:14,720

that what we're dealing with here is

278

00:10:20,150 --> 00:10:17,519

something outside of our known physics

279

00:10:22,230 --> 00:10:20,160

at this moment at least

280

00:10:24,310 --> 00:10:22,240

what are your thoughts kenny

281

00:10:26,310 --> 00:10:24,320

well i always start out by saying it

282

00:10:27,670 --> 00:10:26,320

really depends on what day it is there's

283

00:10:30,069 --> 00:10:27,680

i mean i've had

284

00:10:31,750 --> 00:10:30,079

periods where i'm just like okay we're

285

00:10:34,550 --> 00:10:31,760

talking flesh and blood and then periods

286

00:10:36,949 --> 00:10:34,560

where we're talking extraterrestrials so

287

00:10:39,350 --> 00:10:36,959

and you know i i i really

288

00:10:41,750 --> 00:10:39,360

agree with what um uh josh and ron has

289

00:10:43,829 --> 00:10:41,760

said so far um that

290

00:10:45,670 --> 00:10:43,839

there's there's got to be more to it

291

00:10:48,630 --> 00:10:45,680

especially as we

292

00:10:50,870 --> 00:10:48,640

continue to let's say knock down forests

293

00:10:52,949 --> 00:10:50,880

and build you know highways and

294

00:10:55,190 --> 00:10:52,959

different things like that i mean it's

295

00:10:57,350 --> 00:10:55,200

it's you would think that you would be

296

00:11:00,389 --> 00:10:57,360

seeing a lot more but

297

00:11:02,790 --> 00:11:00,399

we are but we aren't and so i i don't

298

00:11:04,550 --> 00:11:02,800

know you know um i i definitely you know

299

00:11:06,310 --> 00:11:04,560

i've talked to some uh incredible people

300

00:11:07,829 --> 00:11:06,320

that have said to me

301
00:11:09,509 --> 00:11:07,839
that you know they've seen something

302
00:11:11,430 --> 00:11:09,519
right in front of them that appeared to

303
00:11:13,829 --> 00:11:11,440
be some type of sasquatch some type of

304
00:11:15,430 --> 00:11:13,839
dog man being and then it just kind of

305
00:11:18,230 --> 00:11:15,440
like crumble and disappear in front of

306
00:11:20,310 --> 00:11:18,240
them um so it really

307
00:11:22,069 --> 00:11:20,320
again it really comes down to you know

308
00:11:23,910 --> 00:11:22,079
what i'm studying at the time or what

309
00:11:25,750 --> 00:11:23,920
i'm looking into at that point in time

310
00:11:28,870 --> 00:11:25,760
but i at one point in time when it came

311
00:11:32,949 --> 00:11:28,880
to sasquatch i was 100 flesh and blood

312
00:11:35,509 --> 00:11:32,959
and i'm i'm like 50 now um it's just the

313
00:11:38,790 --> 00:11:35,519

more people i talk to the the the more

314

00:11:41,110 --> 00:11:38,800

things that that i come across and um it

315

00:11:43,269 --> 00:11:41,120

just really is kind of

316

00:11:45,350 --> 00:11:43,279

i don't know plus i i also think to you

317

00:11:48,630 --> 00:11:45,360

know to be somebody that

318

00:11:49,590 --> 00:11:48,640

studies this subject or or looks into it

319

00:11:50,949 --> 00:11:49,600

um

320

00:11:52,790 --> 00:11:50,959

if you kind of draw that line in the

321

00:11:54,310 --> 00:11:52,800

sand and say this is what i believe i

322

00:11:55,910 --> 00:11:54,320

think you're gonna miss out on a lot i

323

00:11:57,590 --> 00:11:55,920

think you're gonna miss out on learning

324

00:11:59,350 --> 00:11:57,600

a lot too as well

325

00:12:00,389 --> 00:11:59,360

yeah if i could piggyback on that real

326

00:12:02,870 --> 00:12:00,399

quick i know that we haven't been to

327

00:12:04,710 --> 00:12:02,880

everybody but that's absolutely the case

328

00:12:05,670 --> 00:12:04,720

um i think that whenever we're in this

329

00:12:07,509 --> 00:12:05,680

field

330

00:12:09,269 --> 00:12:07,519

you have to keep your eyes open and your

331

00:12:11,030 --> 00:12:09,279

mind completely open it's okay to be

332

00:12:12,629 --> 00:12:11,040

skeptical we have to be skeptical about

333

00:12:14,870 --> 00:12:12,639

things but there are a lot of

334

00:12:17,110 --> 00:12:14,880

researchers out there that believe that

335

00:12:19,350 --> 00:12:17,120

this is a flesh and blood animal and

336

00:12:21,190 --> 00:12:19,360

anything that they get as a report that

337

00:12:23,110 --> 00:12:21,200

is outside of that

338

00:12:25,430 --> 00:12:23,120

idea that they've already

339

00:12:28,470 --> 00:12:25,440

projected onto this this animal they

340

00:12:30,470 --> 00:12:28,480

throw it away so we're losing a lot of

341

00:12:33,910 --> 00:12:30,480

of of evidence we're losing a lot of

342

00:12:35,430 --> 00:12:33,920

research because if you stand so if you

343

00:12:38,069 --> 00:12:35,440

if you if you dig your feet into the

344

00:12:39,670 --> 00:12:38,079

ground and you only think that it's one

345

00:12:41,190 --> 00:12:39,680

thing we're losing out on all this

346

00:12:42,550 --> 00:12:41,200

research is being thrown away whenever

347

00:12:45,430 --> 00:12:42,560

somebody tells them something that's

348

00:12:46,870 --> 00:12:45,440

different than what they believe

349

00:12:48,230 --> 00:12:46,880

okay how are you elijah what are your

350

00:12:50,389 --> 00:12:48,240

thoughts

351

00:12:52,310 --> 00:12:50,399

well brother in my case i kind of i

352

00:12:54,629 --> 00:12:52,320

stand with uh

353

00:12:56,310 --> 00:12:54,639

largely what josh said kind of

354

00:12:58,629 --> 00:12:56,320

kind of in the middle of i've always

355

00:13:00,710 --> 00:12:58,639

been of the persuasion that

356

00:13:02,710 --> 00:13:00,720

bigfoot was a flesh and blood creature

357

00:13:04,230 --> 00:13:02,720

you know i've got

358

00:13:05,750 --> 00:13:04,240

hair samples here that was gathered by

359

00:13:07,269 --> 00:13:05,760

researcher mary green i'm sure you all

360

00:13:09,030 --> 00:13:07,279

know who she is

361

00:13:11,670 --> 00:13:09,040

and uh they came back from the

362

00:13:13,430 --> 00:13:11,680

laboratory as undocumented primate so i

363

00:13:14,310 --> 00:13:13,440

do believe there's a physical aspect

364

00:13:16,629 --> 00:13:14,320

there

365

00:13:18,949 --> 00:13:16,639

but i'm also a hardcore

366

00:13:21,190 --> 00:13:18,959

adventist christian i believe that you

367

00:13:22,550 --> 00:13:21,200

know fallen angels do

368

00:13:23,910 --> 00:13:22,560

their own work too i believe they

369

00:13:25,110 --> 00:13:23,920

deceived many of people and that would

370

00:13:26,870 --> 00:13:25,120

account for

371

00:13:28,629 --> 00:13:26,880

your dogman sightings and bigfoot

372

00:13:30,710 --> 00:13:28,639

sightings that just appear and disappear

373

00:13:32,629 --> 00:13:30,720

your dogman sightings where it gives

374

00:13:33,829 --> 00:13:32,639

people malicious evil grins and just

375

00:13:36,389 --> 00:13:33,839

seems to

376

00:13:38,629 --> 00:13:36,399

enjoy terrorizing people but i also

377

00:13:40,550 --> 00:13:38,639

believe that there is a

378

00:13:42,310 --> 00:13:40,560

a certain number of something physical

379

00:13:44,629 --> 00:13:42,320

out there as well you know uh

380

00:13:46,550 --> 00:13:44,639

in the case of dog man you know uh and

381

00:13:48,389 --> 00:13:46,560

land between the lakes miss linda

382

00:13:51,110 --> 00:13:48,399

godfrey wrote about a story where

383

00:13:52,470 --> 00:13:51,120

a gentleman seen a dog man mother

384

00:13:54,949 --> 00:13:52,480

going across the road with a couple of

385

00:13:56,790 --> 00:13:54,959

pups which would seem to imply something

386

00:13:58,710 --> 00:13:56,800

of a physical nature which you know

387

00:14:00,230 --> 00:13:58,720

could reproduce and you know in the case

388

00:14:04,310 --> 00:14:00,240

of big feet you know you find scat in

389

00:14:05,670 --> 00:14:04,320

the woods you find prince

390

00:14:07,430 --> 00:14:05,680

evidence that it

391

00:14:09,430 --> 00:14:07,440

tampered with the terrain

392

00:14:11,829 --> 00:14:09,440

you find where it tore open

393

00:14:14,310 --> 00:14:11,839

you know falling down trees and dug out

394

00:14:15,990 --> 00:14:14,320

a worm which i don't think of a anything

395

00:14:16,870 --> 00:14:16,000

of a spiritual nature is probably going

396

00:14:18,870 --> 00:14:16,880

to do

397

00:14:21,350 --> 00:14:18,880

so i i genuinely think it's a kind of a

398

00:14:22,230 --> 00:14:21,360

mix of things you got going on there

399

00:14:24,230 --> 00:14:22,240

you know

400

00:14:27,030 --> 00:14:24,240

real quick i just wanted to um respond

401
00:14:28,150 --> 00:14:27,040
to something elijah just said um

402
00:14:29,750 --> 00:14:28,160
and and

403
00:14:30,870 --> 00:14:29,760
that's what i kind of mean when i say

404
00:14:33,030 --> 00:14:30,880
that you know i kind of go back and

405
00:14:35,430 --> 00:14:33,040
forth like for instance when individuals

406
00:14:36,949 --> 00:14:35,440
talk about um these beings being

407
00:14:42,949 --> 00:14:36,959
extraterrestrial

408
00:14:45,030 --> 00:14:42,959
um where you know some some people may

409
00:14:47,350 --> 00:14:45,040
not but um you know anytime we talk

410
00:14:50,230 --> 00:14:47,360
about anything that's extraterrestrial

411
00:14:52,069 --> 00:14:50,240
it's never really in a spirit realm um

412
00:14:53,750 --> 00:14:52,079
it's always been kind of physical like

413
00:14:56,069 --> 00:14:53,760

you know people talk about the grays and

414

00:14:58,790 --> 00:14:56,079

and different types of um

415

00:15:01,189 --> 00:14:58,800

you know extraterrestrial life form i've

416

00:15:04,150 --> 00:15:01,199

always seen that as flesh and blood so

417

00:15:05,750 --> 00:15:04,160

um if something is based and and that's

418

00:15:07,030 --> 00:15:05,760

the thing i mean a lot of the time when

419

00:15:09,509 --> 00:15:07,040

we think of something that's coming out

420

00:15:11,509 --> 00:15:09,519

of the sky we think of the et you know

421

00:15:13,750 --> 00:15:11,519

we think we think of you know the these

422

00:15:15,990 --> 00:15:13,760

thin bodies with these these

423

00:15:18,230 --> 00:15:16,000

awkward shaped heads uh but then when

424

00:15:20,550 --> 00:15:18,240

you watch star wars you know movies that

425

00:15:23,509 --> 00:15:20,560

have to do with like you know out of out

426
00:15:25,350 --> 00:15:23,519
of outer space and and out of the uh um

427
00:15:26,870 --> 00:15:25,360
the earth i mean you've got chewbacca

428
00:15:28,790 --> 00:15:26,880
you've got all these different creatures

429
00:15:30,790 --> 00:15:28,800
with all these different looks so

430
00:15:33,030 --> 00:15:30,800
um and you know and again to touch on

431
00:15:35,430 --> 00:15:33,040
what elijah said too i'm a christian as

432
00:15:37,030 --> 00:15:35,440
well and i believe that there's a evil

433
00:15:40,230 --> 00:15:37,040
side and then there's there's there's

434
00:15:42,230 --> 00:15:40,240
there's angels and um yeah i mean i i've

435
00:15:43,990 --> 00:15:42,240
had people actually tell me that when

436
00:15:46,470 --> 00:15:44,000
the mothman gets brought up that they

437
00:15:48,470 --> 00:15:46,480
believe it was actually a possessed man

438
00:15:50,069 --> 00:15:48,480

or an actual demon so

439

00:15:51,910 --> 00:15:50,079

um it's just i mean you can go around

440

00:15:53,030 --> 00:15:51,920

and round and round with all these uh

441

00:15:54,710 --> 00:15:53,040

different uh

442

00:15:56,470 --> 00:15:54,720

subjects and theories but that's

443

00:15:59,430 --> 00:15:56,480

actually what keeps me coming back to it

444

00:16:01,030 --> 00:15:59,440

is just the the unknown and the the vast

445

00:16:04,629 --> 00:16:01,040

um

446

00:16:05,590 --> 00:16:04,639

unexplained that that goes along with it

447

00:16:08,069 --> 00:16:05,600

well

448

00:16:09,590 --> 00:16:08,079

i i personally believe for the most part

449

00:16:11,189 --> 00:16:09,600

and you know

450

00:16:14,230 --> 00:16:11,199

i've been doing this for a long time i

451
00:16:15,910 --> 00:16:14,240
had encounters and uh you know when you

452
00:16:17,430 --> 00:16:15,920
see something standing in front of you

453
00:16:19,670 --> 00:16:17,440
first thing you think is well this thing

454
00:16:22,949 --> 00:16:19,680
is real it's flesh and blood and maybe

455
00:16:24,949 --> 00:16:22,959
what i saw was indigenous maybe it was

456
00:16:28,389 --> 00:16:24,959
something you know that

457
00:16:30,790 --> 00:16:28,399
is out there in in flesh and blood but

458
00:16:33,430 --> 00:16:30,800
lives on the earth lane

459
00:16:35,110 --> 00:16:33,440
and i think in in the case of bigfoot

460
00:16:36,870 --> 00:16:35,120
that there's some areas where these

461
00:16:38,790 --> 00:16:36,880
these things are indigenous i'm talking

462
00:16:39,910 --> 00:16:38,800
about the pacific northwest

463
00:16:42,069 --> 00:16:39,920

florida

464

00:16:44,310 --> 00:16:42,079
around the the gulf coast i think i

465

00:16:46,870 --> 00:16:44,320
think that may very well be true

466

00:16:49,110 --> 00:16:46,880
but i also believe

467

00:16:51,030 --> 00:16:49,120
that for the most part the cryptids that

468

00:16:53,110 --> 00:16:51,040
we see

469

00:16:55,110 --> 00:16:53,120
are ultraterrestrials and when i say all

470

00:16:56,790 --> 00:16:55,120
to terrestrials i believe

471

00:16:58,790 --> 00:16:56,800
they have the ability

472

00:16:59,910 --> 00:16:58,800
to come in and out from another linear

473

00:17:02,949 --> 00:16:59,920
dimension

474

00:17:05,669 --> 00:17:02,959
but are flesh and blood

475

00:17:07,029 --> 00:17:05,679
uh they appear for a fleeting moment for

476

00:17:10,549 --> 00:17:07,039

most part

477

00:17:11,909 --> 00:17:10,559

and that they are um

478

00:17:14,390 --> 00:17:11,919

but they are flesh and blood they have

479

00:17:16,549 --> 00:17:14,400

the ability to do that somehow

480

00:17:18,150 --> 00:17:16,559

now that's just my theory and you know i

481

00:17:19,829 --> 00:17:18,160

might that theory has kind of been

482

00:17:22,470 --> 00:17:19,839

bolstered a bit

483

00:17:24,390 --> 00:17:22,480

by some of these encounters and these

484

00:17:25,829 --> 00:17:24,400

cases we've had in chicago with these

485

00:17:29,029 --> 00:17:25,839

winged humanoids

486

00:17:30,390 --> 00:17:29,039

and uh i i'm starting to believe that a

487

00:17:33,909 --> 00:17:30,400

lot of what

488

00:17:36,070 --> 00:17:33,919

we're discovering may very well apply to

489

00:17:40,630 --> 00:17:36,080

a lot of the cryptids that we encounter

490

00:17:45,350 --> 00:17:42,549

i wanted to say something

491

00:17:47,510 --> 00:17:45,360

i saw ken gerhart there i say can i

492

00:17:49,270 --> 00:17:47,520

he's a colleague of ours but uh

493

00:17:51,510 --> 00:17:49,280

ken is a big

494

00:17:53,750 --> 00:17:51,520

he put on their apr for life

495

00:17:56,150 --> 00:17:53,760

okay ken is in the field what is known

496

00:17:58,310 --> 00:17:56,160

as an apr like he explained that to on

497

00:18:00,230 --> 00:17:58,320

my show one night what what he believes

498

00:18:03,350 --> 00:18:00,240

is that they're solid flesh blood that

499

00:18:08,310 --> 00:18:05,990

he made a post one day on facebook and

500

00:18:10,789 --> 00:18:08,320

you know and facebook is just powder keg

501
00:18:12,830 --> 00:18:10,799
stuff you know whatever but he made a

502
00:18:15,270 --> 00:18:12,840
post saying that dog man is not

503
00:18:17,029 --> 00:18:15,280
encrypted but he doesn't believe it's a

504
00:18:19,110 --> 00:18:17,039
cryptid and then everything just

505
00:18:21,270 --> 00:18:19,120
exploded you know boom boom you know

506
00:18:22,950 --> 00:18:21,280
well i tend to agree with that and i

507
00:18:24,710 --> 00:18:22,960
caught some heat for that because i was

508
00:18:26,230 --> 00:18:24,720
asked by multiple people if i thought it

509
00:18:28,870 --> 00:18:26,240
was a crypt and i said no i don't think

510
00:18:30,310 --> 00:18:28,880
it is to me a cryptid is like you know

511
00:18:32,390 --> 00:18:30,320
like what you were saying wrong like a

512
00:18:34,390 --> 00:18:32,400
giant squid or an undiscovered

513
00:18:36,230 --> 00:18:34,400

prehistoric kangaroo which i had a dingo

514

00:18:37,190 --> 00:18:36,240

wrangler from australia actually tell me

515

00:18:38,549 --> 00:18:37,200

that

516

00:18:39,669 --> 00:18:38,559

because one of my cousins used to live

517

00:18:41,430 --> 00:18:39,679

there and that's what he did they

518

00:18:44,310 --> 00:18:41,440

actually had bounties on dingoes at one

519

00:18:47,110 --> 00:18:44,320

time and they saw these kangaroos that

520

00:18:48,870 --> 00:18:47,120

were just ginormous like kangaroo like

521

00:18:50,710 --> 00:18:48,880

it was unreal of course it was back in

522

00:18:52,070 --> 00:18:50,720

like the early 90s or whatever and they

523

00:18:53,110 --> 00:18:52,080

weren't just walking around with cell

524

00:18:54,630 --> 00:18:53,120

phones

525

00:18:56,789 --> 00:18:54,640

but he said that they looked prehistoric

526

00:18:58,710 --> 00:18:56,799

and then i i talked to a guy that was a

527

00:18:59,990 --> 00:18:58,720

researcher down there

528

00:19:01,350 --> 00:19:00,000

and then i talked to the late scott

529

00:19:03,110 --> 00:19:01,360

martis and we all kind of came to the

530

00:19:04,870 --> 00:19:03,120

conclusion that they do exist they're

531

00:19:07,270 --> 00:19:04,880

there we just you know it's like you

532

00:19:09,350 --> 00:19:07,280

were saying about the thylacine

533

00:19:10,950 --> 00:19:09,360

and you get giant turtles there's

534

00:19:12,870 --> 00:19:10,960

theories that there was this great white

535

00:19:15,590 --> 00:19:12,880

shark that was bitten in the marianas

536

00:19:17,110 --> 00:19:15,600

trench that it was a giant turtle

537

00:19:18,630 --> 00:19:17,120

those are what i would consider like

538

00:19:20,549 --> 00:19:18,640

what ken was looking for with the

539

00:19:22,630 --> 00:19:20,559

salamander

540

00:19:24,789 --> 00:19:22,640

the expedition he did you know to look

541

00:19:26,789 --> 00:19:24,799

for the thunderbird those are cryptids

542

00:19:29,029 --> 00:19:26,799

in in the very truest sense and that's

543

00:19:31,669 --> 00:19:29,039

what ken was saying that dogman

544

00:19:33,590 --> 00:19:31,679

is not really encrypted that it in lon

545

00:19:34,950 --> 00:19:33,600

we've talked about this you said it on

546

00:19:36,390 --> 00:19:34,960

my show i mean

547

00:19:38,549 --> 00:19:36,400

we get these

548

00:19:40,310 --> 00:19:38,559

uh reports of these things glowing and

549

00:19:43,270 --> 00:19:40,320

looking like uh they got some kind of

550

00:19:45,110 --> 00:19:43,280

you know weird you know aura about them

551
00:19:47,350 --> 00:19:45,120
or or you'll see them coming out of

552
00:19:49,029 --> 00:19:47,360
balls of light i've had people on my

553
00:19:51,750 --> 00:19:49,039
show talking about them jumping out of

554
00:19:53,270 --> 00:19:51,760
balls of light that's not uncommon

555
00:19:55,190 --> 00:19:53,280
you but you but then by the same token

556
00:19:56,950 --> 00:19:55,200
you get people that claim that they see

557
00:19:59,510 --> 00:19:56,960
bigfoot doing that too

558
00:20:01,510 --> 00:19:59,520
now i'm not saying that bigfoot just

559
00:20:03,590 --> 00:20:01,520
sounds more plausible

560
00:20:05,350 --> 00:20:03,600
as a possible giant ape like maybe

561
00:20:07,350 --> 00:20:05,360
that's part of what's going on

562
00:20:09,430 --> 00:20:07,360
or maybe a throwback prehistoric human

563
00:20:10,789 --> 00:20:09,440

like what you saw on lawn

564

00:20:12,870 --> 00:20:10,799

um you know

565

00:20:15,110 --> 00:20:12,880

but i think that there is another side

566

00:20:16,549 --> 00:20:15,120

to that too and because you do hear of

567

00:20:17,830 --> 00:20:16,559

these hairy

568

00:20:20,070 --> 00:20:17,840

upright

569

00:20:22,149 --> 00:20:20,080

creatures coming out of balls of light

570

00:20:24,070 --> 00:20:22,159

but then it gets kind of it gets more

571

00:20:25,990 --> 00:20:24,080

you know muddled

572

00:20:28,149 --> 00:20:26,000

when i was doing research near ginnings

573

00:20:29,510 --> 00:20:28,159

texas with these ranchers

574

00:20:31,830 --> 00:20:29,520

and they were giving us reports of

575

00:20:34,070 --> 00:20:31,840

sasquatch sasquatch sasquatch

576
00:20:35,750 --> 00:20:34,080
when two of this one rancher's nephews

577
00:20:38,149 --> 00:20:35,760
were were riding the fence line on their

578
00:20:40,390 --> 00:20:38,159
atvs they clearly saw

579
00:20:42,310 --> 00:20:40,400
this sasquatch when it turned to the

580
00:20:44,470 --> 00:20:42,320
side it had a muzzle

581
00:20:46,950 --> 00:20:44,480
like it had a muzzle it wasn't a snout

582
00:20:48,789 --> 00:20:46,960
per se but it was a muzzle

583
00:20:50,630 --> 00:20:48,799
which people are calling the gugwee

584
00:20:53,750 --> 00:20:50,640
which has straight legs like the big

585
00:20:55,350 --> 00:20:53,760
foot has the big foot style feet

586
00:20:57,350 --> 00:20:55,360
but then it has that weird looking

587
00:20:59,270 --> 00:20:57,360
muzzle like what is that i mean like is

588
00:21:00,710 --> 00:20:59,280

that like a cross between a dog man and

589

00:21:02,789 --> 00:21:00,720

a bigfoot

590

00:21:04,549 --> 00:21:02,799

you know is that even possible like what

591

00:21:06,789 --> 00:21:04,559

could that you know i mean that's just a

592

00:21:08,310 --> 00:21:06,799

weird thing and so when i when i

593

00:21:09,750 --> 00:21:08,320

questioned i didn't talk to both them

594

00:21:11,669 --> 00:21:09,760

but when i talked to one of the the

595

00:21:13,830 --> 00:21:11,679

nephews he said yeah when it turned to

596

00:21:16,149 --> 00:21:13,840

the side the profile of it

597

00:21:18,070 --> 00:21:16,159

um you could clearly see i mean there

598

00:21:19,909 --> 00:21:18,080

was brush there but you walked out from

599

00:21:21,669 --> 00:21:19,919

outside the brush for briefly and they

600

00:21:23,750 --> 00:21:21,679

could see a muzzle

601
00:21:26,149 --> 00:21:23,760
um you know and so i don't know if you

602
00:21:28,230 --> 00:21:26,159
guys are familiar with the term gugwe

603
00:21:30,390 --> 00:21:28,240
uh you know but that's just that's what

604
00:21:32,630 --> 00:21:30,400
they're calling this like in-betweenener

605
00:21:34,549 --> 00:21:32,640
type creature um you know and so you

606
00:21:36,549 --> 00:21:34,559
can't really explain that away and how

607
00:21:38,549 --> 00:21:36,559
would people that are

608
00:21:41,029 --> 00:21:38,559
absolutely

609
00:21:42,549 --> 00:21:41,039
flesh and blood explain something like

610
00:21:44,549 --> 00:21:42,559
that like how do you explain that that

611
00:21:47,430 --> 00:21:44,559
it has the body of a bigfoot but it has

612
00:21:49,590 --> 00:21:47,440
this face that looks like a

613
00:21:51,669 --> 00:21:49,600

you know i mean i don't know like a like

614

00:21:53,669 --> 00:21:51,679

a canid type face but it but it's a

615

00:21:56,070 --> 00:21:53,679

short muzzle you know

616

00:21:57,750 --> 00:21:56,080

and then you get reports of these these

617

00:22:00,230 --> 00:21:57,760

thin

618

00:22:02,390 --> 00:22:00,240

man type creatures i got some from all

619

00:22:03,830 --> 00:22:02,400

the way from mississippi louisiana

620

00:22:05,029 --> 00:22:03,840

tennessee

621

00:22:06,470 --> 00:22:05,039

um

622

00:22:07,430 --> 00:22:06,480

actually some up there where elijah's

623

00:22:09,750 --> 00:22:07,440

from

624

00:22:11,510 --> 00:22:09,760

and they look thin kind of emaciated

625

00:22:14,149 --> 00:22:11,520

they have like a v-shaped body they have

626

00:22:15,669 --> 00:22:14,159

like really skinny arms and legs

627

00:22:17,430 --> 00:22:15,679

you know and you're thinking devil

628

00:22:20,549 --> 00:22:17,440

monkey because you know that's another

629

00:22:23,110 --> 00:22:20,559

it's a funny term but you're the rebobs

630

00:22:25,190 --> 00:22:23,120

in california in the napa valley

631

00:22:26,549 --> 00:22:25,200

um you know you get stories out of there

632

00:22:28,149 --> 00:22:26,559

you know they say you know that they're

633

00:22:29,430 --> 00:22:28,159

real that there's people that talk about

634

00:22:30,789 --> 00:22:29,440

them all the time

635

00:22:32,390 --> 00:22:30,799

but i don't know i don't know what to

636

00:22:33,590 --> 00:22:32,400

make of it because if you just said okay

637

00:22:35,350 --> 00:22:33,600

these things are all flesh and blood

638

00:22:36,950 --> 00:22:35,360

undiscovered creatures

639

00:22:39,110 --> 00:22:36,960

then you have to say that every single

640

00:22:41,029 --> 00:22:39,120

one of these types isn't as an

641

00:22:43,510 --> 00:22:41,039

undiscovered creature

642

00:22:45,029 --> 00:22:43,520

and when you get multiple accounts you

643

00:22:46,630 --> 00:22:45,039

know especially when they're in clusters

644

00:22:48,230 --> 00:22:46,640

and areas you know there's a little flap

645

00:22:50,870 --> 00:22:48,240

here a little flap there

646

00:22:51,909 --> 00:22:50,880

you know then it lends credence to it

647

00:22:53,990 --> 00:22:51,919

one of the things that i've been

648

00:22:55,190 --> 00:22:54,000

researching in another area is caldwell

649

00:22:57,190 --> 00:22:55,200

texas

650

00:22:58,789 --> 00:22:57,200

and i had a

651
00:23:00,710 --> 00:22:58,799
a few people that i've

652
00:23:03,190 --> 00:23:00,720
talked to about their encounter

653
00:23:05,110 --> 00:23:03,200
that this dog man type creature is

654
00:23:06,710 --> 00:23:05,120
actually transparent when they shine a

655
00:23:07,990 --> 00:23:06,720
light it go it goes right through it i'm

656
00:23:09,669 --> 00:23:08,000
gonna have this lady hopefully she'll

657
00:23:11,990 --> 00:23:09,679
come on my show on tuesday

658
00:23:13,430 --> 00:23:12,000
and tell her encounter that she drove

659
00:23:14,789 --> 00:23:13,440
through this thing

660
00:23:16,870 --> 00:23:14,799
um

661
00:23:17,990 --> 00:23:16,880
but you know back in the 70s and 80s

662
00:23:20,710 --> 00:23:18,000
there was

663
00:23:22,789 --> 00:23:20,720

clear a clear flap that went on uh with

664

00:23:25,350 --> 00:23:22,799

these ranchers out there saying that

665

00:23:28,070 --> 00:23:25,360

they were seeing a dog man type creature

666

00:23:29,669 --> 00:23:28,080

one guy had a a steer's head that was

667

00:23:31,510 --> 00:23:29,679

torn right off and that was thrown onto

668

00:23:33,590 --> 00:23:31,520

his on his doorstep

669

00:23:36,390 --> 00:23:33,600

um that wouldn't that would indicate a

670

00:23:38,870 --> 00:23:36,400

flesh and blood creature but you know

671

00:23:40,549 --> 00:23:38,880

elijah we've talked about this at length

672

00:23:41,510 --> 00:23:40,559

you know me and you

673

00:23:43,350 --> 00:23:41,520

um

674

00:23:44,950 --> 00:23:43,360

just because something can manifest as

675

00:23:47,669 --> 00:23:44,960

physical doesn't mean that that's what

676

00:23:49,990 --> 00:23:47,679

its actual form is

677

00:23:52,390 --> 00:23:50,000

the demonic can actually manifest itself

678

00:23:54,230 --> 00:23:52,400

as physical and manipulate things

679

00:23:56,870 --> 00:23:54,240

completely manipulate things

680

00:23:57,909 --> 00:23:56,880

so i mean you know and not understanding

681

00:24:00,630 --> 00:23:57,919

that

682

00:24:02,630 --> 00:24:00,640

is a big problem

683

00:24:05,430 --> 00:24:02,640

but then so can infrasound infrasound

684

00:24:07,590 --> 00:24:05,440

can also um influence the way somebody

685

00:24:08,630 --> 00:24:07,600

perceives their environment as well too

686

00:24:10,390 --> 00:24:08,640

and we're dealing with something

687

00:24:12,630 --> 00:24:10,400

biological at that point you know we

688

00:24:15,190 --> 00:24:12,640

know that you know cetaceans produce

689

00:24:17,669 --> 00:24:15,200

infrastructure also know uh elephants

690

00:24:19,269 --> 00:24:17,679

produce it as well as taggers this

691

00:24:21,350 --> 00:24:19,279

feeling of drug that can come over a

692

00:24:22,870 --> 00:24:21,360

person and one of my theories is that

693

00:24:23,909 --> 00:24:22,880

these creatures that we're dealing with

694

00:24:25,310 --> 00:24:23,919

here

695

00:24:26,870 --> 00:24:25,320

um getting back to the idea of

696

00:24:29,669 --> 00:24:26,880

ultra-terrestrials

697

00:24:31,190 --> 00:24:29,679

that um it it may be indeed that we're

698

00:24:33,990 --> 00:24:31,200

dealing with an intelligence within the

699

00:24:37,750 --> 00:24:34,000

environment that is projecting itself

700

00:24:39,430 --> 00:24:37,760

onto our um onto our subconscious and we

701
00:24:41,190 --> 00:24:39,440
are filling in the blanks and we're

702
00:24:43,269 --> 00:24:41,200
seeing something out there

703
00:24:45,190 --> 00:24:43,279
um because we're kind of

704
00:24:47,190 --> 00:24:45,200
predisposed to it and this is the reason

705
00:24:50,549 --> 00:24:47,200
why we have such lack of video and

706
00:24:56,070 --> 00:24:52,630
uh i just want to mention peace thanks

707
00:24:57,590 --> 00:24:56,080
for your donation very much appreciated

708
00:25:02,390 --> 00:24:57,600
uh you guys

709
00:25:06,870 --> 00:25:04,710
i don't know i i i tend to believe that

710
00:25:09,029 --> 00:25:06,880
that you know like you said lon i mean

711
00:25:10,710 --> 00:25:09,039
we need we need more proof i mean of

712
00:25:12,230 --> 00:25:10,720
these things there are people who

713
00:25:14,390 --> 00:25:12,240

absolutely believe that we're going to

714

00:25:16,070 --> 00:25:14,400

find this this undiscovered species

715

00:25:18,470 --> 00:25:16,080

called dog man

716

00:25:19,909 --> 00:25:18,480

and i just don't believe that i just do

717

00:25:23,590 --> 00:25:19,919

not believe that because it would have

718

00:25:27,510 --> 00:25:25,830

well you know you go back and look at

719

00:25:28,549 --> 00:25:27,520

some of the historical sightings of some

720

00:25:30,549 --> 00:25:28,559

of these things

721

00:25:31,909 --> 00:25:30,559

and uh i i just talked about in

722

00:25:34,470 --> 00:25:31,919

pennsylvania

723

00:25:37,510 --> 00:25:34,480

uh when butch and i were started looking

724

00:25:39,669 --> 00:25:37,520

into the pennsylvania upright canines

725

00:25:41,590 --> 00:25:39,679

and the dog man or whatever you want to

726

00:25:43,190 --> 00:25:41,600

call each one of these and there are

727

00:25:44,710 --> 00:25:43,200

different types that people have

728

00:25:47,110 --> 00:25:44,720

reported

729

00:25:49,269 --> 00:25:47,120

we we've got several reports that go

730

00:25:52,310 --> 00:25:49,279

back into the 1800s i mean these things

731

00:25:55,029 --> 00:25:52,320

have been reported for a long time and i

732

00:25:56,630 --> 00:25:55,039

know in other areas they have as well

733

00:25:58,149 --> 00:25:56,640

but uh

734

00:26:00,149 --> 00:25:58,159

you know

735

00:26:01,830 --> 00:26:00,159

why does this seem like and now is it

736

00:26:04,070 --> 00:26:01,840

because of the internet is because of

737

00:26:06,870 --> 00:26:04,080

communications and such why do the

738

00:26:10,149 --> 00:26:06,880

theories now

739

00:26:12,070 --> 00:26:10,159

as far as bigfoot and and dogman and

740

00:26:14,630 --> 00:26:12,080

these other beings

741

00:26:16,710 --> 00:26:14,640

tend to be more supernatural as opposed

742

00:26:17,669 --> 00:26:16,720

to being a flesh and blood is it just

743

00:26:19,830 --> 00:26:17,679

something

744

00:26:22,070 --> 00:26:19,840

that's getting mixed in or more people

745

00:26:25,110 --> 00:26:22,080

thinking about it or or what what do you

746

00:26:26,789 --> 00:26:25,120

think on that

747

00:26:29,190 --> 00:26:26,799

tulpas

748

00:26:31,990 --> 00:26:29,200

well that that that might be a tulpa or

749

00:26:33,669 --> 00:26:32,000

thought form is that what it could be

750

00:26:36,070 --> 00:26:33,679

you know when i wrote my first book i

751

00:26:38,870 --> 00:26:36,080

brought up a lot of that about

752

00:26:40,230 --> 00:26:38,880

you know and i know uh i know

753

00:26:43,110 --> 00:26:40,240

nick redfern and other people have

754

00:26:44,149 --> 00:26:43,120

talked about uh people who have seen

755

00:26:48,950 --> 00:26:44,159

these

756

00:26:51,350 --> 00:26:48,960

suddenly appear in front of them

757

00:26:54,310 --> 00:26:51,360

uh like a relic from another time that

758

00:26:56,070 --> 00:26:54,320

just you know suddenly manifest

759

00:26:58,390 --> 00:26:56,080

could it be tulpas could it be a thought

760

00:27:01,350 --> 00:26:59,669

and of course one of the things that i

761

00:27:03,669 --> 00:27:01,360

like to talk about all the time as well

762

00:27:05,510 --> 00:27:03,679

too is the idea of elementals you know

763

00:27:07,510 --> 00:27:05,520

it's hard to use the word fairy anymore

764

00:27:09,669 --> 00:27:07,520

because people will laugh at you

765

00:27:13,029 --> 00:27:09,679

the idea of the pharaoh or the fairy

766

00:27:16,470 --> 00:27:13,039

realm uh somehow uh you know still being

767

00:27:17,750 --> 00:27:16,480

existent in the in our modern world i

768

00:27:18,470 --> 00:27:17,760

think there's something to be said about

769

00:27:20,789 --> 00:27:18,480

that

770

00:27:22,870 --> 00:27:20,799

because if you look at the antiquity uh

771

00:27:24,149 --> 00:27:22,880

encounters of fairies we talked about

772

00:27:26,070 --> 00:27:24,159

those things talked about as like

773

00:27:28,389 --> 00:27:26,080

glamour the idea that these things are

774

00:27:30,149 --> 00:27:28,399

able to change shapes you know we call

775

00:27:32,230 --> 00:27:30,159

it shape shifting now of course uh but

776

00:27:34,149 --> 00:27:32,240

the idea that they are able to appear

777

00:27:36,230 --> 00:27:34,159

differently than what they uh actually

778

00:27:37,750 --> 00:27:36,240

are i think a lot of that goes into play

779

00:27:40,149 --> 00:27:37,760

as well too but there's not a lot of

780

00:27:42,149 --> 00:27:40,159

people forming um panels talking about

781

00:27:43,750 --> 00:27:42,159

fairies anymore like i said but i think

782

00:27:45,190 --> 00:27:43,760

it's something interesting to at least

783

00:27:47,590 --> 00:27:45,200

be considered

784

00:27:49,590 --> 00:27:47,600

well you know the the fairy realm is

785

00:27:50,470 --> 00:27:49,600

being talked more and more

786

00:27:53,510 --> 00:27:50,480

in

787

00:27:55,830 --> 00:27:53,520

mean

788

00:27:58,230 --> 00:27:55,840

another phenomenon it used to be a time

789

00:27:59,669 --> 00:27:58,240

when you just had a certain

790

00:28:01,830 --> 00:27:59,679

section of people that were talking

791

00:28:04,950 --> 00:28:01,840

about but it's coming into it's coming

792

00:28:06,870 --> 00:28:04,960

into the the crypto world more and more

793

00:28:09,350 --> 00:28:06,880

i read more and more about this people

794

00:28:12,070 --> 00:28:09,360

are presenting these cases and more

795

00:28:13,750 --> 00:28:12,080

people are actually coming forward and

796

00:28:15,510 --> 00:28:13,760

reporting these things

797

00:28:17,590 --> 00:28:15,520

yeah absolutely and if you look at you

798

00:28:19,430 --> 00:28:17,600

know european encounters with uh with

799

00:28:21,909 --> 00:28:19,440

what we would call you know bigfoot type

800

00:28:23,430 --> 00:28:21,919

creatures uh in in scotland and ben

801
00:28:25,990 --> 00:28:23,440
mcdewin you know that you have the gray

802
00:28:28,789 --> 00:28:26,000
man uh which sometimes assumes the the

803
00:28:31,350 --> 00:28:28,799
form of a gray mist sometimes it's seen

804
00:28:33,590 --> 00:28:31,360
as a 12 foot tall lumbering bipedal

805
00:28:35,909 --> 00:28:33,600
creature uh and especially the native

806
00:28:38,070 --> 00:28:35,919
americans of the pacific northwest

807
00:28:39,830 --> 00:28:38,080
they've always seen the idea of the

808
00:28:41,750 --> 00:28:39,840
bigfoot or the sasquatch to be able to

809
00:28:43,350 --> 00:28:41,760
straddle two different worlds at once

810
00:28:45,669 --> 00:28:43,360
what we kind of already been talking

811
00:28:48,230 --> 00:28:45,679
about the idea that it can be a physical

812
00:28:51,350 --> 00:28:48,240
form in this world but its origins is

813
00:28:53,269 --> 00:28:51,360

from a different place all together

814

00:28:54,870 --> 00:28:53,279

i think what you said ron about the the

815

00:28:57,510 --> 00:28:54,880

fair the fae

816

00:28:59,350 --> 00:28:57,520

um they have their own society too like

817

00:29:01,750 --> 00:28:59,360

i mean it's very elaborate you know you

818

00:29:03,029 --> 00:29:01,760

have the sealy court the unseelie court

819

00:29:04,789 --> 00:29:03,039

you know you have like the the

820

00:29:05,669 --> 00:29:04,799

aristocratic you know

821

00:29:07,190 --> 00:29:05,679

um

822

00:29:09,029 --> 00:29:07,200

and and they have their own origin

823

00:29:10,470 --> 00:29:09,039

stories and they have their own you know

824

00:29:13,750 --> 00:29:10,480

you're not supposed to take any gifts

825

00:29:15,590 --> 00:29:13,760

from them don't smoke tobacco with them

826

00:29:17,909 --> 00:29:15,600

because they'll trick you

827

00:29:20,230 --> 00:29:17,919

um i told a story on my show

828

00:29:22,389 --> 00:29:20,240

where a guy was gone for two for a year

829

00:29:24,389 --> 00:29:22,399

he was missing for a year for 2017 and

830

00:29:26,149 --> 00:29:24,399

he showed up and it was like all he did

831

00:29:27,750 --> 00:29:26,159

was talk to two little diminutive guys

832

00:29:29,190 --> 00:29:27,760

and he smoked tobacco with them and made

833

00:29:30,310 --> 00:29:29,200

a piece of bread and went to sleep that

834

00:29:31,590 --> 00:29:30,320

was it boom

835

00:29:32,870 --> 00:29:31,600

i mean some people will laugh and be

836

00:29:34,230 --> 00:29:32,880

like oh he was dropping acid or

837

00:29:36,310 --> 00:29:34,240

something you know but that's not what

838

00:29:38,310 --> 00:29:36,320

happened the guy told me he's like dude

839

00:29:39,669 --> 00:29:38,320

i didn't do anything i just you know

840

00:29:40,789 --> 00:29:39,679

this is all i did i was fighting with my

841

00:29:42,230 --> 00:29:40,799

wife

842

00:29:44,389 --> 00:29:42,240

she thought i ran out on her you know

843

00:29:46,710 --> 00:29:44,399

and so he told me this crazy story

844

00:29:47,909 --> 00:29:46,720

um but i i i wanted to say what what

845

00:29:49,990 --> 00:29:47,919

you're talking about ron it makes a lot

846

00:29:51,669 --> 00:29:50,000

of sense because if you go to the

847

00:29:53,669 --> 00:29:51,679

arabian you know

848

00:29:56,389 --> 00:29:53,679

go to the middle east

849

00:29:58,549 --> 00:29:56,399

the arabian stories stretching back as

850

00:30:01,830 --> 00:29:58,559

far as we can remember to zoroastrianism

851
00:30:04,710 --> 00:30:01,840
before islam before the moors you know

852
00:30:06,870 --> 00:30:04,720
um you had the stories of the jinn

853
00:30:09,750 --> 00:30:06,880
absolutely they come up a lot and but i

854
00:30:13,029 --> 00:30:09,760
think that each region has their own

855
00:30:15,029 --> 00:30:13,039
type of fairy gin whatever um in north

856
00:30:16,789 --> 00:30:15,039
america we have the pug wedgies we have

857
00:30:18,870 --> 00:30:16,799
these little mischievous people the

858
00:30:21,190 --> 00:30:18,880
duende in spanish then here and they

859
00:30:23,750 --> 00:30:21,200
call them the duende and then you have

860
00:30:25,590 --> 00:30:23,760
or or they they call them uh monitors

861
00:30:27,110 --> 00:30:25,600
you know so you got all these weird

862
00:30:28,870 --> 00:30:27,120
little types of creatures you know but

863
00:30:30,950 --> 00:30:28,880

then over there you have leprechauns and

864

00:30:33,110 --> 00:30:30,960

you have elves and then you have goblins

865

00:30:34,870 --> 00:30:33,120

you know and then you know i know up

866

00:30:36,870 --> 00:30:34,880

there in kentucky in the caves they talk

867

00:30:38,710 --> 00:30:36,880

about the goblins and then of course in

868

00:30:41,110 --> 00:30:38,720

the deserts you have the jhin and then

869

00:30:43,029 --> 00:30:41,120

in the british isles you have to pay

870

00:30:44,470 --> 00:30:43,039

i think that each one of them has their

871

00:30:46,149 --> 00:30:44,480

own region

872

00:30:47,990 --> 00:30:46,159

and i think that it's their their area

873

00:30:50,149 --> 00:30:48,000

that they control just like humans we

874

00:30:52,149 --> 00:30:50,159

have our own countries you know and and

875

00:30:54,070 --> 00:30:52,159

you know i think that they because in

876

00:30:55,750 --> 00:30:54,080

the quran it talks about this i'm not

877

00:30:56,870 --> 00:30:55,760

islamic but i do study different

878

00:30:58,789 --> 00:30:56,880

religions and one of the things i

879

00:31:01,909 --> 00:30:58,799

remember reading and i know that the

880

00:31:03,830 --> 00:31:01,919

hadith isn't also a very esoteric book

881

00:31:05,909 --> 00:31:03,840

much like the the kabbalah is to the

882

00:31:08,389 --> 00:31:05,919

jewish community the the hadith is kind

883

00:31:11,509 --> 00:31:08,399

of the esoteric to the islamic community

884

00:31:13,990 --> 00:31:11,519

but it talks about the jinn as as living

885

00:31:15,909 --> 00:31:14,000

you know in the green mountains

886

00:31:17,430 --> 00:31:15,919

in the calf you know and it says that

887

00:31:18,870 --> 00:31:17,440

they have neighbors

888

00:31:20,149 --> 00:31:18,880

it doesn't really elaborate on what

889

00:31:21,750 --> 00:31:20,159

their neighbors are we know that they

890

00:31:23,669 --> 00:31:21,760

live a right angle from a right angle

891

00:31:25,990 --> 00:31:23,679

from us which is basically the fourth

892

00:31:27,509 --> 00:31:26,000

dimension like you were saying lon and i

893

00:31:29,029 --> 00:31:27,519

think that these things can come in and

894

00:31:31,190 --> 00:31:29,039

out of the fourth dimension into the

895

00:31:33,430 --> 00:31:31,200

third dimension and influence us

896

00:31:34,950 --> 00:31:33,440

just as we could you know if you drew a

897

00:31:35,909 --> 00:31:34,960

on a piece of paper like a little stick

898

00:31:38,070 --> 00:31:35,919

figure

899

00:31:39,350 --> 00:31:38,080

that guy's world is two dimensional

900

00:31:41,750 --> 00:31:39,360

completely and we're in the third

901
00:31:44,389 --> 00:31:41,760
dimension we can see it and he can't

902
00:31:46,789 --> 00:31:44,399
hide or do anything that we can't see

903
00:31:49,430 --> 00:31:46,799
just as we can't hide or do anything

904
00:31:51,110 --> 00:31:49,440
from the the hidden ones the the fourth

905
00:31:53,190 --> 00:31:51,120
dimensional beings we can't hide from

906
00:31:54,230 --> 00:31:53,200
them they can see everything we're doing

907
00:31:55,509 --> 00:31:54,240
because they're from the fourth

908
00:31:57,590 --> 00:31:55,519
dimension

909
00:31:59,669 --> 00:31:57,600
it's a fourth density as a lot of people

910
00:32:01,029 --> 00:31:59,679
would call it and i think that that a

911
00:32:02,870 --> 00:32:01,039
lot of these creatures i think that's

912
00:32:04,870 --> 00:32:02,880
where they come from and i think that

913
00:32:07,029 --> 00:32:04,880

i'll take it a step further i think that

914

00:32:09,110 --> 00:32:07,039

that it could come from the inner earth

915

00:32:11,269 --> 00:32:09,120

but it could be another dimensional

916

00:32:12,830 --> 00:32:11,279

inner earth if that makes any sense and

917

00:32:14,950 --> 00:32:12,840

like you said

918

00:32:17,590 --> 00:32:14,960

ultraterrestrial i think that's very

919

00:32:19,509 --> 00:32:17,600

very uh possible i i look at admiral

920

00:32:21,110 --> 00:32:19,519

byrd's work you know when he

921

00:32:22,789 --> 00:32:21,120

you know flew into the center of the

922

00:32:26,310 --> 00:32:22,799

earth and he saw this whole world down

923

00:32:30,789 --> 00:32:28,070

yeah from a sociological perspective i

924

00:32:33,750 --> 00:32:30,799

like to look at the uh the uh the the

925

00:32:36,149 --> 00:32:33,760

right the well the beliefs of the uh

926
00:32:38,710 --> 00:32:36,159
indigenous peoples of uh australia you

927
00:32:40,070 --> 00:32:38,720
know australia has set us apart by

928
00:32:41,590 --> 00:32:40,080
itself out there but you know the

929
00:32:44,149 --> 00:32:41,600
civilization is one of the oldest on

930
00:32:46,710 --> 00:32:44,159
earth um and they have the idea of the

931
00:32:49,590 --> 00:32:46,720
of the dream time this other world

932
00:32:51,750 --> 00:32:49,600
yeah where they were people can sort of

933
00:32:54,470 --> 00:32:51,760
um transcend into it you know this sort

934
00:32:56,230 --> 00:32:54,480
of existentialist type of uh experience

935
00:32:58,710 --> 00:32:56,240
but the creatures that inhabit that

936
00:33:00,630 --> 00:32:58,720
world can often interact with with ours

937
00:33:02,789 --> 00:33:00,640
as well too and one of those creatures

938
00:33:05,750 --> 00:33:02,799

is called the one gena and if you would

939

00:33:07,669 --> 00:33:05,760

look at it the way it's uh uh uh you

940

00:33:09,430 --> 00:33:07,679

know put on cave art the way it's

941

00:33:11,350 --> 00:33:09,440

illustrated in k mark uh it looks

942

00:33:13,269 --> 00:33:11,360

remarkably like what we would call um

943

00:33:15,430 --> 00:33:13,279

you know a gray some sort of alien type

944

00:33:18,070 --> 00:33:15,440

of creature and then the other creature

945

00:33:20,549 --> 00:33:18,080

they had is called the memus uh which is

946

00:33:23,509 --> 00:33:20,559

a very thin uh creature

947

00:33:26,070 --> 00:33:23,519

um that acts almost like uh the european

948

00:33:29,029 --> 00:33:26,080

fairy wood and uh they are said to

949

00:33:30,630 --> 00:33:29,039

inhabit the space between spaces so

950

00:33:32,389 --> 00:33:30,640

again we're talking about this other

951
00:33:36,070 --> 00:33:32,399
world we're talking about this place

952
00:33:37,669 --> 00:33:36,080
where um two realities sort of intersect

953
00:33:42,070 --> 00:33:37,679
but these creatures are residing in a

954
00:33:45,350 --> 00:33:43,190
yeah

955
00:33:46,950 --> 00:33:45,360
i think that the the the whole

956
00:33:48,389 --> 00:33:46,960
the dream time thing i think that that

957
00:33:50,630 --> 00:33:48,399
actually

958
00:33:53,029 --> 00:33:50,640
is just basically them remembering from

959
00:33:55,590 --> 00:33:53,039
their their ancestral past

960
00:33:57,909 --> 00:33:55,600
um and the aboriginals were there for a

961
00:33:59,990 --> 00:33:57,919
long long time and isolated from other

962
00:34:01,669 --> 00:34:00,000
humans right but yet they still have

963
00:34:04,149 --> 00:34:01,679

very similar stories like there's a

964

00:34:05,590 --> 00:34:04,159

giant lizard that they believed existed

965

00:34:06,870 --> 00:34:05,600

you know of course people say they still

966

00:34:08,389 --> 00:34:06,880

see it to this day it's the size of the

967

00:34:10,310 --> 00:34:08,399

volkswagen

968

00:34:12,470 --> 00:34:10,320

um i don't know

969

00:34:14,389 --> 00:34:12,480

if those stories are or to be believed

970

00:34:15,909 --> 00:34:14,399

but uh i haven't personally had somebody

971

00:34:17,589 --> 00:34:15,919

come and tell me any any of them from

972

00:34:19,109 --> 00:34:17,599

australia but i have heard of it in

973

00:34:22,230 --> 00:34:19,119

their rio doso

974

00:34:24,230 --> 00:34:22,240

um in new mexico i had a story that was

975

00:34:25,990 --> 00:34:24,240

given to me and i followed up the leads

976
00:34:27,510 --> 00:34:26,000
um you know and i was at the end of the

977
00:34:30,310 --> 00:34:27,520
mountain gods and i just started talking

978
00:34:32,550 --> 00:34:30,320
to the the people there you know and

979
00:34:33,990 --> 00:34:32,560
they told me some pretty fascinating

980
00:34:35,750 --> 00:34:34,000
stories like you said the indigenous

981
00:34:38,550 --> 00:34:35,760
people they tend to know

982
00:34:40,550 --> 00:34:38,560
and uh the the mess calero apache are

983
00:34:42,790 --> 00:34:40,560
very convinced that there is a giant

984
00:34:44,629 --> 00:34:42,800
lizard that lives up in that area they

985
00:34:47,030 --> 00:34:44,639
also talked of like a giant bear like

986
00:34:49,270 --> 00:34:47,040
creature that that stalks the mountain

987
00:34:51,430 --> 00:34:49,280
and that it hunts up there and every now

988
00:34:53,829 --> 00:34:51,440

and then people will just go missing

989

00:34:55,430 --> 00:34:53,839

um and there's a it's a camp uh

990

00:34:57,750 --> 00:34:55,440

campground up on the mountain you know

991

00:34:59,510 --> 00:34:57,760

and i actually was i actually went on to

992

00:35:01,190 --> 00:34:59,520

the reservation when i was there because

993

00:35:03,270 --> 00:35:01,200

i was invited i wasn't you know but

994

00:35:04,310 --> 00:35:03,280

you're not allowed if you're not invited

995

00:35:05,750 --> 00:35:04,320

you're not allowed to go to the

996

00:35:07,910 --> 00:35:05,760

reservation

997

00:35:09,510 --> 00:35:07,920

um but yeah i've been on a couple

998

00:35:11,430 --> 00:35:09,520

different reservations and i've had

999

00:35:12,310 --> 00:35:11,440

conversations with people who

1000

00:35:14,630 --> 00:35:12,320

um

1001
00:35:17,270 --> 00:35:14,640
they their their world that they live in

1002
00:35:19,589 --> 00:35:17,280
is more it's much more open

1003
00:35:22,069 --> 00:35:19,599
than the western-minded world you know

1004
00:35:24,069 --> 00:35:22,079
also my god-son's vietnamese he's my

1005
00:35:26,230 --> 00:35:24,079
part-time co-host and and you know

1006
00:35:27,349 --> 00:35:26,240
talking with his family

1007
00:35:29,430 --> 00:35:27,359
to them

1008
00:35:31,190 --> 00:35:29,440
their ancestors and everything that they

1009
00:35:32,790 --> 00:35:31,200
they talk to them like we talk to each

1010
00:35:34,150 --> 00:35:32,800
other like i could pick up the phone and

1011
00:35:36,310 --> 00:35:34,160
call you kenny

1012
00:35:38,230 --> 00:35:36,320
they can literally go into sleep and

1013
00:35:40,390 --> 00:35:38,240

like talk to their ancestors it's just

1014

00:35:42,230 --> 00:35:40,400

like a very normal thing to them but i

1015

00:35:43,829 --> 00:35:42,240

think here in the west we're very closed

1016

00:35:46,470 --> 00:35:43,839

off to the idea that we think oh we're

1017

00:35:47,829 --> 00:35:46,480

so modern that's crazy that these people

1018

00:35:49,430 --> 00:35:47,839

have these

1019

00:35:50,470 --> 00:35:49,440

traditions and beliefs and that there

1020

00:35:52,150 --> 00:35:50,480

that there's

1021

00:35:53,910 --> 00:35:52,160

something wrong with them because they

1022

00:35:56,310 --> 00:35:53,920

they oh they're pretty they're they're

1023

00:35:58,470 --> 00:35:56,320

living in this prehistoric time or

1024

00:36:00,630 --> 00:35:58,480

whatever and we're so modern but reality

1025

00:36:02,630 --> 00:36:00,640

it's kind of flipped really to me i

1026

00:36:04,550 --> 00:36:02,640

think we've gotten away from what's

1027

00:36:06,069 --> 00:36:04,560

what's real which is actually the spirit

1028

00:36:08,230 --> 00:36:06,079

and i think because we're actually i

1029

00:36:10,630 --> 00:36:08,240

think we're spirits having a physical

1030

00:36:12,390 --> 00:36:10,640

experience not the other way around and

1031

00:36:15,030 --> 00:36:12,400

we lose sight of that that this is just

1032

00:36:16,150 --> 00:36:15,040

a vessel that god gave us to to to house

1033

00:36:18,310 --> 00:36:16,160

the spirit

1034

00:36:19,910 --> 00:36:18,320

um to me there's a soul and it's about

1035

00:36:21,349 --> 00:36:19,920

that big it's a ball of light that's who

1036

00:36:22,790 --> 00:36:21,359

we really are

1037

00:36:24,390 --> 00:36:22,800

you know to uh you know kind of

1038

00:36:26,550 --> 00:36:24,400

piggyback off of that i've been doing a

1039

00:36:28,150 --> 00:36:26,560

lot of um international

1040

00:36:30,870 --> 00:36:28,160

research and

1041

00:36:33,589 --> 00:36:30,880

a lot of what i've been coming across um

1042

00:36:36,550 --> 00:36:33,599

are seen as spirits so it it kind of

1043

00:36:38,790 --> 00:36:36,560

goes right along with what you're saying

1044

00:36:40,710 --> 00:36:38,800

i've mostly for

1045

00:36:42,870 --> 00:36:40,720

my whole life just you know study

1046

00:36:45,270 --> 00:36:42,880

different types of um unexplained in the

1047

00:36:47,349 --> 00:36:45,280

united states and uh

1048

00:36:49,750 --> 00:36:47,359

i'd say like in the last year i've

1049

00:36:50,630 --> 00:36:49,760

really looked into other countries and

1050

00:36:54,230 --> 00:36:50,640

um

1051
00:36:56,390 --> 00:36:54,240
the majority of what i'm coming across

1052
00:36:58,310 --> 00:36:56,400
seems to be some type of spirit i mean

1053
00:37:00,470 --> 00:36:58,320
you still come across the stories of

1054
00:37:02,150 --> 00:37:00,480
these different types of um you know

1055
00:37:04,470 --> 00:37:02,160
creatures which are believed to be flesh

1056
00:37:07,109 --> 00:37:04,480
and blood but the majority of them they

1057
00:37:09,109 --> 00:37:07,119
somehow end up the more you look into it

1058
00:37:11,270 --> 00:37:09,119
they end up going into like like more of

1059
00:37:13,109 --> 00:37:11,280
a spirit type of um

1060
00:37:16,310 --> 00:37:13,119
uh what's the word i'm looking for um

1061
00:37:18,470 --> 00:37:16,320
just just just a more spirit type of um

1062
00:37:21,670 --> 00:37:18,480
description compared to

1063
00:37:23,750 --> 00:37:21,680

um what i i would think you know if i'm

1064

00:37:26,550 --> 00:37:23,760

looking into this this certain country

1065

00:37:27,910 --> 00:37:26,560

and i'm looking into this certain legend

1066

00:37:29,829 --> 00:37:27,920

um

1067

00:37:31,510 --> 00:37:29,839

shortly after going into it all of a

1068

00:37:33,829 --> 00:37:31,520

sudden it's talking about it being a

1069

00:37:37,430 --> 00:37:33,839

spirit it's an angry spirit it's a happy

1070

00:37:40,470 --> 00:37:37,440

spirit it's a spirit that that can be

1071

00:37:41,990 --> 00:37:40,480

happy can be angry um so

1072

00:37:43,910 --> 00:37:42,000

again you know like you said josh you

1073

00:37:46,470 --> 00:37:43,920

know we're talking you know like in in

1074

00:37:47,670 --> 00:37:46,480

the us you know it's you know

1075

00:37:50,150 --> 00:37:47,680

we're less

1076

00:37:52,150 --> 00:37:50,160

talking spiritual but you you look into

1077

00:37:53,990 --> 00:37:52,160

these other countries like malaysia and

1078

00:37:56,230 --> 00:37:54,000

and all these other places

1079

00:37:58,150 --> 00:37:56,240

everything is spirit everything is

1080

00:38:02,470 --> 00:37:58,160

wrapped around some spirit has some type

1081

00:38:03,589 --> 00:38:02,480

of spirit entity attached to it

1082

00:38:06,230 --> 00:38:03,599

yeah

1083

00:38:08,470 --> 00:38:06,240

so uh let's get into personal encounters

1084

00:38:10,630 --> 00:38:08,480

uh i'm kind of interested to find out if

1085

00:38:12,630 --> 00:38:10,640

either either you gentlemen have had a

1086

00:38:14,950 --> 00:38:12,640

personal encounter with a

1087

00:38:18,069 --> 00:38:14,960

cryptid or an unexplained being at some

1088

00:38:20,550 --> 00:38:18,079

point uh let's start off with uh let's

1089

00:38:24,710 --> 00:38:20,560

start off with uh elijah can you tell us

1090

00:38:28,790 --> 00:38:26,950

something i can tell you about that this

1091

00:38:30,390 --> 00:38:28,800

would have personally happened to me i

1092

00:38:32,069 --> 00:38:30,400

don't generally talk about it because it

1093

00:38:33,910 --> 00:38:32,079

is kind of unusual in nature and i've

1094

00:38:36,710 --> 00:38:33,920

never really known

1095

00:38:38,550 --> 00:38:36,720

what to think about it

1096

00:38:41,349 --> 00:38:38,560

uh

1097

00:38:42,550 --> 00:38:41,359

my family back around 2000

1098

00:38:45,670 --> 00:38:42,560

2002

1099

00:38:47,109 --> 00:38:45,680

2003 we had something real big and deep

1100

00:38:48,790 --> 00:38:47,119

out of sort of play

1101
00:38:49,750 --> 00:38:48,800
springs seat

1102
00:38:50,630 --> 00:38:49,760
and

1103
00:38:52,150 --> 00:38:50,640
it would

1104
00:38:53,910 --> 00:38:52,160
literally vibrate

1105
00:38:55,589 --> 00:38:53,920
you could literally feel it shaking in

1106
00:38:56,710 --> 00:38:55,599
your chest and it was just terrifying

1107
00:39:00,069 --> 00:38:56,720
about

1108
00:39:24,790 --> 00:39:00,079
five or six times the stuff bigfoot

1109
00:39:29,990 --> 00:39:26,470
i had to switch to my phone it was going

1110
00:39:34,150 --> 00:39:30,000
so badly yeah well yeah it sounds good

1111
00:39:38,470 --> 00:39:36,470
anyway uh here in clarksville tennessee

1112
00:39:40,550 --> 00:39:38,480
i live down in the woods uh

1113
00:39:41,670 --> 00:39:40,560

surrounded by woods and ditches

1114

00:39:43,750 --> 00:39:41,680

and

1115

00:39:46,150 --> 00:39:43,760

on one occasion i was playing outside

1116

00:39:47,750 --> 00:39:46,160

with my sister she was climbing a tree

1117

00:39:48,710 --> 00:39:47,760

and i was you know watching her climb

1118

00:39:50,470 --> 00:39:48,720

this tree

1119

00:39:52,550 --> 00:39:50,480

and i look across one of our ditches off

1120

00:39:54,630 --> 00:39:52,560

in the woods and i see it what looks

1121

00:39:56,550 --> 00:39:54,640

exactly like a sasquatch walking through

1122

00:39:58,310 --> 00:39:56,560

the woods and

1123

00:40:00,470 --> 00:39:58,320

but the strange exception to it was that

1124

00:40:02,790 --> 00:40:00,480

it had a tail on it it came down kind of

1125

00:40:03,670 --> 00:40:02,800

in a u-shape and the end of it was kind

1126

00:40:06,069 --> 00:40:03,680

of

1127

00:40:08,950 --> 00:40:06,079

jiggling and bobbing around like that it

1128

00:40:11,910 --> 00:40:08,960

looked like a squash but just had that

1129

00:40:14,790 --> 00:40:13,750

terrified of bigfoot

1130

00:40:17,109 --> 00:40:14,800

i ran

1131

00:40:18,950 --> 00:40:17,119

leaving my sister to

1132

00:40:21,589 --> 00:40:18,960

fend for herself in the tree so to speak

1133

00:40:24,069 --> 00:40:21,599

and i went grab my mom got her outside

1134

00:40:25,589 --> 00:40:24,079

and it was all gone sister's out of the

1135

00:40:27,589 --> 00:40:25,599

tree she's fine

1136

00:40:29,270 --> 00:40:27,599

and you know i'm freaking out mom i just

1137

00:40:30,309 --> 00:40:29,280

seen a big

1138

00:40:33,030 --> 00:40:30,319

and uh

1139

00:40:35,349 --> 00:40:33,040

my sister says no it wasn't a bigfoot at

1140

00:40:36,950 --> 00:40:35,359

all you seen a hunter uh

1141

00:40:39,190 --> 00:40:36,960

she'll swear to this day she's seen a

1142

00:40:41,589 --> 00:40:39,200

hunter walk into the woods and that tail

1143

00:40:44,950 --> 00:40:41,599

was a gun hanging on its back i know

1144

00:40:46,710 --> 00:40:44,960

exactly what i seen i mean you can't

1145

00:40:48,309 --> 00:40:46,720

mistake a big monkey man with the tail

1146

00:40:49,190 --> 00:40:48,319

walking through the woods

1147

00:40:50,870 --> 00:40:49,200

but

1148

00:40:55,589 --> 00:40:50,880

to add to the

1149

00:40:59,670 --> 00:40:57,910

and uh they celebrate beltane the

1150

00:41:02,630 --> 00:40:59,680

highest day on the occult calendar they

1151

00:41:05,349 --> 00:41:02,640

got all the symbols on their their car

1152

00:41:08,230 --> 00:41:05,359

their bumper stickers and whatnot uh

1153

00:41:10,150 --> 00:41:08,240

they celebrate some intense things

1154

00:41:13,270 --> 00:41:10,160

one day we're at the gas station fueling

1155

00:41:15,190 --> 00:41:13,280

up and my sister sees that hunter at

1156

00:41:16,790 --> 00:41:15,200

that gas station and he's climbing into

1157

00:41:17,829 --> 00:41:16,800

that car that's always coming out of the

1158

00:41:19,270 --> 00:41:17,839

uh

1159

00:41:21,030 --> 00:41:19,280

the driveway going off into the woods

1160

00:41:22,390 --> 00:41:21,040

where those witches live

1161

00:41:23,910 --> 00:41:22,400

so

1162

00:41:25,190 --> 00:41:23,920

whoever that gentleman was that she'd

1163

00:41:27,670 --> 00:41:25,200

seen

1164

00:41:29,349 --> 00:41:27,680

was the witches that lived down the road

1165

00:41:30,950 --> 00:41:29,359

to this day i maintained i seen what

1166

00:41:32,550 --> 00:41:30,960

looked like a bigfoot

1167

00:41:35,310 --> 00:41:32,560

she maintained she's seen what looked

1168

00:41:37,510 --> 00:41:35,320

like a hunter i don't know

1169

00:41:39,510 --> 00:41:37,520

[Laughter]

1170

00:41:40,790 --> 00:41:39,520

well that's interesting

1171

00:41:44,550 --> 00:41:40,800

i don't know how to explain that i

1172

00:41:46,390 --> 00:41:44,560

really knew how to classify it yeah wow

1173

00:41:49,030 --> 00:41:46,400

elijah when you i wanted to say

1174

00:41:50,630 --> 00:41:49,040

something to elijah um

1175

00:41:52,630 --> 00:41:50,640

the late johnny henderson you're your

1176
00:41:53,750 --> 00:41:52,640
father great man good good friend of

1177
00:41:55,510 --> 00:41:53,760
mine

1178
00:41:57,829 --> 00:41:55,520
you guys were working on a project now

1179
00:41:59,430 --> 00:41:57,839
this is a little more

1180
00:42:00,950 --> 00:41:59,440
you know paranormal not so much

1181
00:42:03,030 --> 00:42:00,960
encrypted but i mean you guys were

1182
00:42:05,030 --> 00:42:03,040
working on a project okay now i'm not

1183
00:42:07,510 --> 00:42:05,040
saying this is what happened

1184
00:42:09,349 --> 00:42:07,520
but uh we started to do a lot of

1185
00:42:11,910 --> 00:42:09,359
research together me and your dad and

1186
00:42:13,589 --> 00:42:11,920
then of course barton nunley and you

1187
00:42:17,030 --> 00:42:13,599
and we started talking about the bell

1188
00:42:20,309 --> 00:42:17,040

witch in which you subsequently finish

1189

00:42:25,030 --> 00:42:22,870

well i've got one more part to do uh

1190

00:42:26,470 --> 00:42:25,040

to just kind of get it finished up

1191

00:42:27,430 --> 00:42:26,480

don't know when i'm gonna get to it but

1192

00:42:28,870 --> 00:42:27,440

uh

1193

00:42:30,230 --> 00:42:28,880

there's kind of an urban legend that

1194

00:42:32,069 --> 00:42:30,240

when you work on anything involving the

1195

00:42:35,349 --> 00:42:32,079

bell witch that you're bound to have bad

1196

00:42:36,790 --> 00:42:35,359

luck i talked to a fella who uh

1197

00:42:39,670 --> 00:42:36,800

he helped with a

1198

00:42:41,670 --> 00:42:39,680

documentary around early 2000s and once

1199

00:42:43,190 --> 00:42:41,680

they got it all filmed and finished up

1200

00:42:45,190 --> 00:42:43,200

the studio where the footage was being

1201
00:42:47,109 --> 00:42:45,200
held caught on fire and they were able

1202
00:42:50,069 --> 00:42:47,119
to save the footage and everything but

1203
00:42:51,910 --> 00:42:50,079
the area around caught on fire

1204
00:42:54,950 --> 00:42:51,920
since we've been started working on this

1205
00:42:56,550 --> 00:42:54,960
document series for the bell which

1206
00:42:58,470 --> 00:42:56,560
we've had uh

1207
00:43:01,270 --> 00:42:58,480
three cars blow up

1208
00:43:03,430 --> 00:43:01,280
uh all four of my family members me my

1209
00:43:06,069 --> 00:43:03,440
sister mom and dad had to go to the

1210
00:43:09,349 --> 00:43:06,079
emergency room my mom was diagnosed with

1211
00:43:11,430 --> 00:43:09,359
cancer and she passed away my dad got

1212
00:43:13,430 --> 00:43:11,440
covered and he passed away

1213
00:43:15,990 --> 00:43:13,440

i almost lost my eye

1214

00:43:18,230 --> 00:43:16,000

um i had to go into the hospital because

1215

00:43:20,710 --> 00:43:18,240

of a really bad allergic reaction my

1216

00:43:22,790 --> 00:43:20,720

sister sliced open her finger

1217

00:43:24,390 --> 00:43:22,800

uh something sat down in the bed with my

1218

00:43:25,589 --> 00:43:24,400

mother while she was trying to sleep

1219

00:43:27,270 --> 00:43:25,599

something sat down on the bed with my

1220

00:43:29,430 --> 00:43:27,280

dad when he was in bed

1221

00:43:31,990 --> 00:43:29,440

and we have all these uh

1222

00:43:33,270 --> 00:43:32,000

my mother left christmas so outside on

1223

00:43:35,270 --> 00:43:33,280

our porches you know we'd have those

1224

00:43:37,349 --> 00:43:35,280

wire lights you know kind of deck it out

1225

00:43:39,270 --> 00:43:37,359

make it look like christmas and whatnot

1226
00:43:41,349 --> 00:43:39,280
we'd always come home and find those

1227
00:43:42,069 --> 00:43:41,359
lights turned on and i live down in the

1228
00:43:43,910 --> 00:43:42,079
woods

1229
00:43:45,430 --> 00:43:43,920
kind of away from people

1230
00:43:48,309 --> 00:43:45,440
so there's no reason why they should be

1231
00:43:49,589 --> 00:43:48,319
on the remote honor kind of tucked away

1232
00:43:52,150 --> 00:43:49,599
and hidden where you couldn't really see

1233
00:43:54,710 --> 00:43:52,160
him but these lights would be on

1234
00:43:56,150 --> 00:43:54,720
so we come home one time

1235
00:43:57,910 --> 00:43:56,160
and there's seven strands of these

1236
00:43:59,349 --> 00:43:57,920
lights on at one time

1237
00:44:00,390 --> 00:43:59,359
and you know

1238
00:44:02,069 --> 00:44:00,400

we we

1239

00:44:04,230 --> 00:44:02,079

you know think it's weird

1240

00:44:06,550 --> 00:44:04,240

we turn them off but i put out a trail

1241

00:44:08,550 --> 00:44:06,560

camera to see if you know maybe we can

1242

00:44:10,470 --> 00:44:08,560

catch somebody coming down here maybe

1243

00:44:11,589 --> 00:44:10,480

it's a curious bigfoot turning stuff on

1244

00:44:13,589 --> 00:44:11,599

i don't know

1245

00:44:15,030 --> 00:44:13,599

we go inside for about an hour

1246

00:44:16,710 --> 00:44:15,040

come outside

1247

00:44:18,710 --> 00:44:16,720

and uh

1248

00:44:20,470 --> 00:44:18,720

another strand of those lights is on

1249

00:44:22,230 --> 00:44:20,480

just outside view

1250

00:44:23,510 --> 00:44:22,240

of the trail cam so it didn't pick

1251

00:44:26,309 --> 00:44:23,520

anything up

1252

00:44:30,790 --> 00:44:26,319

but it it's been nothing but a constant

1253

00:44:36,309 --> 00:44:32,950

yeah and your and your dad and me had

1254

00:44:38,069 --> 00:44:36,319

talked he he contracted kovid

1255

00:44:40,950 --> 00:44:38,079

same time i did

1256

00:44:43,109 --> 00:44:40,960

and he passed away

1257

00:44:46,150 --> 00:44:43,119

we all got sick at the same time and so

1258

00:44:48,790 --> 00:44:46,160

did armando my former co-host

1259

00:44:50,630 --> 00:44:48,800

and um armando

1260

00:44:52,309 --> 00:44:50,640

he passed away too i think you and i

1261

00:44:54,710 --> 00:44:52,319

think your your dad and him passed away

1262

00:44:56,309 --> 00:44:54,720

like within four days of each other

1263

00:44:58,390 --> 00:44:56,319

and it was it was a really my neighbor

1264

00:45:01,030 --> 00:44:58,400

passed away about that time too

1265

00:45:03,030 --> 00:45:01,040

yeah it was really rough and i know that

1266

00:45:05,589 --> 00:45:03,040

that i had somebody when i it was jason

1267

00:45:07,750 --> 00:45:05,599

bland from paranormal soup who's been on

1268

00:45:09,349 --> 00:45:07,760

my show and and he me and him were

1269

00:45:11,030 --> 00:45:09,359

talking and he says you're working on

1270

00:45:13,030 --> 00:45:11,040

that bellwich

1271

00:45:14,309 --> 00:45:13,040

you know project are you

1272

00:45:16,069 --> 00:45:14,319

gonna because i was gonna bring you on

1273

00:45:18,069 --> 00:45:16,079

elijah we were gonna do it

1274

00:45:20,150 --> 00:45:18,079

and i told jason bland about it in

1275

00:45:22,069 --> 00:45:20,160

passing and he goes dude

1276

00:45:23,589 --> 00:45:22,079

there's a serious curse attached to that

1277

00:45:25,109 --> 00:45:23,599

thing um

1278

00:45:27,750 --> 00:45:25,119

well a couple days after i talked to

1279

00:45:31,030 --> 00:45:27,760

your dad who he started to be of the of

1280

00:45:32,950 --> 00:45:31,040

the mind that something was going on

1281

00:45:35,190 --> 00:45:32,960

um and i know that when he was in the

1282

00:45:37,910 --> 00:45:35,200

hospital he would talk about you know

1283

00:45:38,790 --> 00:45:37,920

something being by his bedside

1284

00:45:41,190 --> 00:45:38,800

which

1285

00:45:43,030 --> 00:45:41,200

was unnerving you know and

1286

00:45:44,309 --> 00:45:43,040

and i remember getting out of the shower

1287

00:45:47,270 --> 00:45:44,319

one day and i was in a hurry i was

1288

00:45:49,270 --> 00:45:47,280

running around doing whatever and i this

1289

00:45:50,470 --> 00:45:49,280

is weird i thought it was my wife right

1290

00:45:51,910 --> 00:45:50,480

there in the bathroom i thought that she

1291

00:45:52,630 --> 00:45:51,920

had come in the bathroom and so i was

1292

00:45:54,390 --> 00:45:52,640

like

1293

00:45:56,550 --> 00:45:54,400

reaching for a towel and i said honey

1294

00:45:58,230 --> 00:45:56,560

can you and i look and i for a split

1295

00:46:00,550 --> 00:45:58,240

second i saw

1296

00:46:02,630 --> 00:46:00,560

a woman but it was tall and and like

1297

00:46:04,069 --> 00:46:02,640

weird looking and i thought whoa and i

1298

00:46:05,750 --> 00:46:04,079

kind of fell back and i almost slipped

1299

00:46:08,150 --> 00:46:05,760

in the tub

1300

00:46:09,109 --> 00:46:08,160

and it just kind of was like it shocked

1301

00:46:15,030 --> 00:46:09,119

me

1302

00:46:17,349 --> 00:46:15,040

talking about and and i thought at that

1303

00:46:19,670 --> 00:46:17,359

point i need to stop talking about it

1304

00:46:22,710 --> 00:46:19,680

because people in my household begin to

1305

00:46:26,390 --> 00:46:22,720

see this black thing moving around

1306

00:46:29,349 --> 00:46:26,400

um which wasn't there previously and so

1307

00:46:31,270 --> 00:46:29,359

yeah i i i talked to uh a few of my

1308

00:46:33,109 --> 00:46:31,280

friends including barton you know and

1309

00:46:34,950 --> 00:46:33,119

and actually ken too i think me and ken

1310

00:46:36,790 --> 00:46:34,960

even talked about that and everybody was

1311

00:46:38,150 --> 00:46:36,800

like look dude that's not a very good

1312

00:46:40,309 --> 00:46:38,160

subject and

1313

00:46:42,950 --> 00:46:40,319

so kudos you if you finish the project

1314

00:46:45,430 --> 00:46:42,960

elijah but i i would i'm not going to be

1315

00:46:46,790 --> 00:46:45,440

i'm kind of like done with that

1316

00:46:48,230 --> 00:46:46,800

but you know

1317

00:46:49,270 --> 00:46:48,240

i don't know when i'm going to get to it

1318

00:46:51,190 --> 00:46:49,280

anyway

1319

00:46:52,630 --> 00:46:51,200

well maybe never maybe you should just

1320

00:46:53,910 --> 00:46:52,640

let it go

1321

00:46:55,829 --> 00:46:53,920

but uh

1322

00:46:59,670 --> 00:46:55,839

here's the funny thing

1323

00:46:59,680 --> 00:47:02,710

what is it

1324

00:47:06,950 --> 00:47:05,829

oh anyway jason was on my show

1325

00:47:10,390 --> 00:47:06,960

one of the things he don't know if he

1326

00:47:11,990 --> 00:47:10,400

ever heard but um

1327

00:47:13,990 --> 00:47:12,000

i think there's kind of a delay there

1328

00:47:15,030 --> 00:47:14,000

you're uh on your on your feed there

1329

00:47:16,150 --> 00:47:15,040

elijah

1330

00:47:18,950 --> 00:47:16,160

um

1331

00:47:21,430 --> 00:47:18,960

the whole thing with the belt the uh

1332

00:47:23,030 --> 00:47:21,440

started with a a creature it started

1333

00:47:24,390 --> 00:47:23,040

with some sort of like

1334

00:47:27,430 --> 00:47:24,400

hairy creature

1335

00:47:28,549 --> 00:47:27,440

that john bell witnessed in in the in a

1336

00:47:31,430 --> 00:47:28,559

field

1337

00:47:33,349 --> 00:47:31,440

and jason bland was very very uh be

1338

00:47:35,750 --> 00:47:33,359

adamant that that was he thinks there

1339

00:47:37,829 --> 00:47:35,760

was something to that um just like the

1340

00:47:40,309 --> 00:47:37,839

whole skinwalker ranch thing you know

1341

00:47:42,309 --> 00:47:40,319

like this this creature this giant wolf

1342

00:47:43,829 --> 00:47:42,319

when when they first started all the

1343

00:47:46,069 --> 00:47:43,839

stuff kicked off

1344

00:47:48,230 --> 00:47:46,079

uh they shot it and flesh flew off of it

1345

00:47:50,950 --> 00:47:48,240

but nothing happened um you know and

1346

00:47:52,470 --> 00:47:50,960

then all this wackiness ensues

1347

00:47:54,710 --> 00:47:52,480

and that's sometimes that seems to be

1348

00:47:57,030 --> 00:47:54,720

the case like it's like these uh dog man

1349

00:47:59,030 --> 00:47:57,040

or bigfoot or or whatever these these

1350

00:48:00,470 --> 00:47:59,040

furry creatures show up

1351

00:48:02,790 --> 00:48:00,480

and then all kinds of stuff starts

1352

00:48:04,790 --> 00:48:02,800

happening and people seeing ufos

1353

00:48:07,750 --> 00:48:04,800

um you know people's appliances going

1354

00:48:09,349 --> 00:48:07,760

off in their house uh it's just i i

1355

00:48:10,630 --> 00:48:09,359

don't think that's a coincidence a lot

1356

00:48:13,030 --> 00:48:10,640

of people will sit there and

1357

00:48:15,030 --> 00:48:13,040

compartmentalize there's one

1358

00:48:17,750 --> 00:48:15,040

talk show host that does it all the time

1359

00:48:20,230 --> 00:48:17,760

he just takes that one subject and

1360

00:48:21,670 --> 00:48:20,240

sucks it away from the rest of it and

1361

00:48:23,030 --> 00:48:21,680

you know and it looks like a really cool

1362

00:48:24,950 --> 00:48:23,040

story but

1363

00:48:26,950 --> 00:48:24,960

you're left wanting because there's all

1364

00:48:28,230 --> 00:48:26,960

this other stuff that went on

1365

00:48:30,150 --> 00:48:28,240

that you're not hearing about you're

1366

00:48:32,390 --> 00:48:30,160

only hearing about that part of it you

1367

00:48:33,990 --> 00:48:32,400

know um and i don't and i think it's a

1368

00:48:36,790 --> 00:48:34,000

it's a part it's a nugget of a bigger

1369

00:48:38,630 --> 00:48:36,800

hole it's not just one little thing

1370

00:48:40,309 --> 00:48:38,640

um because you can take one bigfoot

1371

00:48:41,829 --> 00:48:40,319

encounter and just tell that and it just

1372

00:48:43,990 --> 00:48:41,839

sounds like oh yeah that's what it is

1373

00:48:46,710 --> 00:48:44,000

it's just that but you're not talking

1374

00:48:48,950 --> 00:48:46,720

about any of the other stuff you know

1375

00:48:50,150 --> 00:48:48,960

and i think that the problem is in our

1376

00:48:52,470 --> 00:48:50,160

field

1377

00:48:55,430 --> 00:48:52,480

guys like you kenny elijah

1378

00:48:57,430 --> 00:48:55,440

iran lon you guys are you know we're

1379

00:48:59,670 --> 00:48:57,440

birds of a feather because we're looking

1380

00:49:01,510 --> 00:48:59,680

at this thing from the mosaic that it is

1381

00:49:03,270 --> 00:49:01,520

this this big picture you're sitting

1382

00:49:04,870 --> 00:49:03,280

back looking at this we're not like

1383

00:49:06,950 --> 00:49:04,880

right up against it going okay this is

1384

00:49:08,470 --> 00:49:06,960

my subject here and this is all i'm

1385

00:49:09,589 --> 00:49:08,480

going to talk about because everything

1386

00:49:11,270 --> 00:49:09,599

else is just

1387

00:49:13,109 --> 00:49:11,280

horseradish you know

1388

00:49:13,910 --> 00:49:13,119

you can't do that i just really feel

1389

00:49:16,950 --> 00:49:13,920

like

1390

00:49:18,630 --> 00:49:16,960

that that we have to to come together

1391

00:49:20,230 --> 00:49:18,640

but you can't it's so hard when you talk

1392

00:49:21,670 --> 00:49:20,240

to the ufo community they want nothing

1393

00:49:22,870 --> 00:49:21,680

to do with bigfoot when you talk to the

1394

00:49:24,710 --> 00:49:22,880

bigfoot community what nothing to do

1395

00:49:26,470 --> 00:49:24,720

with ghosts ghost people don't want

1396

00:49:27,670 --> 00:49:26,480

anything to do with dog man dog man does

1397

00:49:29,270 --> 00:49:27,680

the only thing to do with

1398

00:49:30,710 --> 00:49:29,280

ufos it just goes around and around in a

1399

00:49:33,270 --> 00:49:30,720

big circle

1400

00:49:34,950 --> 00:49:33,280

but they're all interconnected and i'm

1401
00:49:37,270 --> 00:49:34,960
telling you this this is the absolute

1402
00:49:38,950 --> 00:49:37,280
truth i really believe this i think that

1403
00:49:40,630 --> 00:49:38,960
it's all related

1404
00:49:42,710 --> 00:49:40,640
i think what kenny said was very

1405
00:49:44,069 --> 00:49:42,720
important because and you guys have all

1406
00:49:46,390 --> 00:49:44,079
made some very good points kenny you

1407
00:49:48,870 --> 00:49:46,400
said you talk to people and it always

1408
00:49:50,710 --> 00:49:48,880
they always revolve around a spirit

1409
00:49:53,190 --> 00:49:50,720
and i think that that is a very very

1410
00:49:55,030 --> 00:49:53,200
important piece of that puzzle and ron

1411
00:49:56,470 --> 00:49:55,040
what you said about the fae

1412
00:49:57,910 --> 00:49:56,480
i think that lays it out there i think

1413
00:50:00,470 --> 00:49:57,920

you just got like you know and then of

1414

00:50:02,390 --> 00:50:00,480

course lon your whole body of work

1415

00:50:04,069 --> 00:50:02,400

revolves around you know it all being

1416

00:50:05,829 --> 00:50:04,079

interconnected and and we've talked

1417

00:50:07,270 --> 00:50:05,839

about that multiple times

1418

00:50:08,950 --> 00:50:07,280

elijah you too

1419

00:50:10,790 --> 00:50:08,960

um i think that we're all on the same

1420

00:50:13,270 --> 00:50:10,800

page you know but i think if more people

1421

00:50:15,670 --> 00:50:13,280

would have discussions like this and get

1422

00:50:17,670 --> 00:50:15,680

the people involved and and talk about

1423

00:50:19,430 --> 00:50:17,680

these things and bring it all together i

1424

00:50:22,069 --> 00:50:19,440

think that we could make some headway in

1425

00:50:24,069 --> 00:50:22,079

actually getting toward

1426

00:50:25,589 --> 00:50:24,079

you know maybe i don't know get to the

1427

00:50:27,190 --> 00:50:25,599

bottom of some of these cases you know

1428

00:50:28,309 --> 00:50:27,200

because like when you go to someone's

1429

00:50:30,230 --> 00:50:28,319

house

1430

00:50:32,069 --> 00:50:30,240

they're scared to tell you

1431

00:50:33,670 --> 00:50:32,079

well you know my blender came on the

1432

00:50:36,470 --> 00:50:33,680

washing machine and dry were bouncing

1433

00:50:38,630 --> 00:50:36,480

around my child is seeing this wolf-like

1434

00:50:40,150 --> 00:50:38,640

creature talking to it in the window

1435

00:50:42,790 --> 00:50:40,160

and there's a shadow man running around

1436

00:50:44,870 --> 00:50:42,800

the hallway um and that actually was a

1437

00:50:47,670 --> 00:50:44,880

case that we investigated me and my team

1438

00:50:49,510 --> 00:50:47,680

the prt people and we the husband of

1439

00:50:51,990 --> 00:50:49,520

course he was like i didn't say nothing

1440

00:50:54,150 --> 00:50:52,000

i saw some shadows and a wolf okay well

1441

00:50:56,470 --> 00:50:54,160

you did see something then you know but

1442

00:50:58,549 --> 00:50:56,480

he didn't want he didn't want to admit

1443

00:50:59,990 --> 00:50:58,559

that he had witnessed it it was all just

1444

00:51:01,589 --> 00:51:00,000

he was trying to block it out of his

1445

00:51:03,430 --> 00:51:01,599

mind um

1446

00:51:04,790 --> 00:51:03,440

his wife meanwhile and the children are

1447

00:51:05,910 --> 00:51:04,800

terrified

1448

00:51:08,150 --> 00:51:05,920

and of course she doesn't want me to

1449

00:51:09,589 --> 00:51:08,160

think she's crazy so she told me a

1450

00:51:10,950 --> 00:51:09,599

little bit and then she kind of told me

1451

00:51:12,630 --> 00:51:10,960

a little bit more and i said look just

1452

00:51:14,630 --> 00:51:12,640

tell me the whole story

1453

00:51:16,150 --> 00:51:14,640

okay i'm not just here to hear part of

1454

00:51:17,750 --> 00:51:16,160

it and then go and tell the little

1455

00:51:19,190 --> 00:51:17,760

nuggets that sound good i'm gonna take

1456

00:51:20,549 --> 00:51:19,200

the whole story

1457

00:51:22,870 --> 00:51:20,559

you know and and i think that that's a

1458

00:51:24,549 --> 00:51:22,880

big problem that a lot of people

1459

00:51:26,230 --> 00:51:24,559

um they're afraid to come out and tell

1460

00:51:28,630 --> 00:51:26,240

you the entire thing because it sounds

1461

00:51:30,390 --> 00:51:28,640

so nuts it sounds so crazy

1462

00:51:32,630 --> 00:51:30,400

but if they would do that i think you

1463

00:51:34,390 --> 00:51:32,640

would see 90 of these cases involve more

1464

00:51:36,230 --> 00:51:34,400

than just a sighting of something you'll

1465

00:51:38,069 --> 00:51:36,240

hear people that are experiencers that's

1466

00:51:39,589 --> 00:51:38,079

why they saw what they did they're

1467

00:51:41,349 --> 00:51:39,599

catching glimpses of the other side

1468

00:51:42,390 --> 00:51:41,359

because they have the eye they can see

1469

00:51:45,990 --> 00:51:42,400

that

1470

00:51:48,309 --> 00:51:46,000

if you know what i'm saying like

1471

00:51:49,589 --> 00:51:48,319

in spanish it's called oho dotaro but if

1472

00:51:51,270 --> 00:51:49,599

you know in english

1473

00:51:52,950 --> 00:51:51,280

you know it's like the eye you can see

1474

00:51:54,870 --> 00:51:52,960

the other side you're seeing through

1475

00:51:56,549 --> 00:51:54,880

that and i think all it really is is

1476

00:51:59,750 --> 00:51:56,559

seeing the fourth dimension really

1477

00:52:02,829 --> 00:51:59,760

you're seeing in a higher density

1478

00:52:05,589 --> 00:52:02,839

i don't know have you had an

1479

00:52:08,230 --> 00:52:05,599

experience um i've definitely had some

1480

00:52:11,670 --> 00:52:08,240

uh strange things happen uh i'm more of

1481

00:52:13,990 --> 00:52:11,680

a a again originally started out as a

1482

00:52:16,470 --> 00:52:14,000

flesh and blood type of guy um i've

1483

00:52:18,150 --> 00:52:16,480

never unfortunately although a lot of

1484

00:52:21,190 --> 00:52:18,160

people tell me it's a good thing that i

1485

00:52:23,109 --> 00:52:21,200

haven't seen anything um because you

1486

00:52:25,109 --> 00:52:23,119

know like i see the lucky ones is the

1487

00:52:26,470 --> 00:52:25,119

people that have seen something and the

1488

00:52:28,230 --> 00:52:26,480

people that have seen something tell me

1489

00:52:29,589 --> 00:52:28,240

that i'm the lucky one that i haven't

1490

00:52:32,790 --> 00:52:29,599

because it's really kind of changed

1491

00:52:35,270 --> 00:52:32,800

their lives um i always call myself the

1492

00:52:37,910 --> 00:52:35,280

guy who's late to the party i always

1493

00:52:39,829 --> 00:52:37,920

show up after something happened after

1494

00:52:40,710 --> 00:52:39,839

somebody seen something

1495

00:52:42,630 --> 00:52:40,720

again

1496

00:52:44,790 --> 00:52:42,640

being out in the woods you have weird

1497

00:52:46,630 --> 00:52:44,800

experiences all the time

1498

00:52:49,030 --> 00:52:46,640

you hear things walking near you that

1499

00:52:51,910 --> 00:52:49,040

you cannot see um of course you know

1500

00:52:53,670 --> 00:52:51,920

animals are masters of their domain and

1501
00:52:56,069 --> 00:52:53,680
can for some

1502
00:52:59,430 --> 00:52:56,079
some sense stay camouflaged

1503
00:53:01,750 --> 00:52:59,440
but i mean i've i've seen strange um

1504
00:53:04,150 --> 00:53:01,760
you know lights in the woods that you

1505
00:53:06,630 --> 00:53:04,160
know shouldn't be there um especially in

1506
00:53:07,510 --> 00:53:06,640
our research area i mean there's no like

1507
00:53:12,309 --> 00:53:07,520
you know

1508
00:53:14,790 --> 00:53:12,319
area just these strange lights that you

1509
00:53:17,030 --> 00:53:14,800
know that that show up and you know

1510
00:53:19,430 --> 00:53:17,040
these phantom lights if you will some

1511
00:53:22,150 --> 00:53:19,440
people call them fairies um other people

1512
00:53:23,910 --> 00:53:22,160
say it's something that's manifesting um

1513
00:53:25,910 --> 00:53:23,920

you know based off of you know certain

1514

00:53:28,870 --> 00:53:25,920

things that you've done out in the woods

1515

00:53:31,510 --> 00:53:28,880

um but i unfortunately i have not set

1516

00:53:34,230 --> 00:53:31,520

eyes on anything um i'm hoping to one

1517

00:53:36,549 --> 00:53:34,240

day um but at the same time i'm i'm

1518

00:53:38,790 --> 00:53:36,559

hoping that it's something that doesn't

1519

00:53:40,790 --> 00:53:38,800

you know scare me so much that i i

1520

00:53:42,950 --> 00:53:40,800

stopped studying the subject across the

1521

00:53:43,910 --> 00:53:42,960

board because i mean when it comes to

1522

00:53:45,910 --> 00:53:43,920

like

1523

00:53:48,950 --> 00:53:45,920

i want everything to be flesh and blood

1524

00:53:51,349 --> 00:53:48,960

because i just i i run from like the

1525

00:53:53,109 --> 00:53:51,359

spirits um you know i

1526

00:53:55,190 --> 00:53:53,119

you know growing growing up and you know

1527

00:53:56,790 --> 00:53:55,200

in being a christian you know it's

1528

00:53:58,630 --> 00:53:56,800

there's always that concern of something

1529

00:54:00,150 --> 00:53:58,640

being attached to you and and you know

1530

00:54:03,109 --> 00:54:00,160

kind of like you know what josh and

1531

00:54:04,790 --> 00:54:03,119

elijah were talking about with um

1532

00:54:05,990 --> 00:54:04,800

uh that project that's that they're

1533

00:54:07,430 --> 00:54:06,000

working on i'm not even gonna say the

1534

00:54:09,670 --> 00:54:07,440

name um

1535

00:54:12,230 --> 00:54:09,680

that that you know i just try to you

1536

00:54:14,150 --> 00:54:12,240

know i i try to avoid all that like i'll

1537

00:54:17,430 --> 00:54:14,160

write about it and talk about it but i

1538

00:54:18,790 --> 00:54:17,440

won't go after something for instance if

1539

00:54:20,549 --> 00:54:18,800

somebody says to me hey do you want to

1540

00:54:22,069 --> 00:54:20,559

go into this old house you know and

1541

00:54:24,069 --> 00:54:22,079

investigate it you know they say it's

1542

00:54:25,750 --> 00:54:24,079

haunted i'm like nah nah you know if

1543

00:54:27,270 --> 00:54:25,760

they say to me hey i want to go explore

1544

00:54:28,390 --> 00:54:27,280

this old house it's you know i'd be like

1545

00:54:29,910 --> 00:54:28,400

yeah that's cool you know i want to go

1546

00:54:32,549 --> 00:54:29,920

in there and check it out

1547

00:54:33,910 --> 00:54:32,559

so uh where i'm at right now is um i

1548

00:54:36,829 --> 00:54:33,920

want to see something but at the same

1549

00:54:40,630 --> 00:54:36,839

time i really hope i don't that's

1550

00:54:43,109 --> 00:54:40,640

it you know i i i had my encounter with

1551

00:54:45,349 --> 00:54:43,119

a bigfoot and that's where

1552

00:54:46,950 --> 00:54:45,359

you know i some days i kind of curse it

1553

00:54:48,870 --> 00:54:46,960

because i think uh

1554

00:54:51,670 --> 00:54:48,880

that's kind of got what got me started

1555

00:54:53,430 --> 00:54:51,680

with all this as far as cryptids go

1556

00:54:55,270 --> 00:54:53,440

and um

1557

00:54:56,390 --> 00:54:55,280

you know i guess i haven't looked back

1558

00:54:59,190 --> 00:54:56,400

but

1559

00:55:01,270 --> 00:54:59,200

yeah i i it makes me wonder if i hadn't

1560

00:55:02,950 --> 00:55:01,280

seen that what i have done

1561

00:55:05,030 --> 00:55:02,960

as far as uh

1562

00:55:07,270 --> 00:55:05,040

as far as this goes

1563

00:55:09,190 --> 00:55:07,280

i i had always done

1564

00:55:11,349 --> 00:55:09,200

paranormal activity you know paranormal

1565

00:55:14,069 --> 00:55:11,359

activity and looked into it since i got

1566

00:55:16,789 --> 00:55:14,079

out of high school back in the 70s but

1567

00:55:18,470 --> 00:55:16,799

um yeah that's um

1568

00:55:22,230 --> 00:55:18,480

that's kind of what kicked it off for me

1569

00:55:24,470 --> 00:55:22,240

so ron uh tell us about your experience

1570

00:55:27,030 --> 00:55:24,480

well again anecdotal but i think that

1571

00:55:29,030 --> 00:55:27,040

i've had um enough that keeps me going

1572

00:55:31,589 --> 00:55:29,040

let's put it that way i don't think that

1573

00:55:33,910 --> 00:55:31,599

anybody would continue this unless you

1574

00:55:36,069 --> 00:55:33,920

have something to keep on feeding off of

1575

00:55:38,549 --> 00:55:36,079

right i think even stan gordon whenever

1576

00:55:41,190 --> 00:55:38,559

you ask him he has never seen anything

1577

00:55:43,109 --> 00:55:41,200

with his own eyes but he has had enough

1578

00:55:44,230 --> 00:55:43,119

anecdotal things happen that he keeps on

1579

00:55:46,230 --> 00:55:44,240

going right

1580

00:55:47,910 --> 00:55:46,240

um and i i see that he's gonna be on the

1581

00:55:49,670 --> 00:55:47,920

show next month or something like that

1582

00:55:51,589 --> 00:55:49,680

if anybody has seen stan gordon i'm

1583

00:55:53,270 --> 00:55:51,599

gonna put this in perspective

1584

00:55:55,829 --> 00:55:53,280

i'm 52 years old

1585

00:55:58,069 --> 00:55:55,839

i used to listen to stan gordon on the

1586

00:56:00,950 --> 00:55:58,079

radio whenever i was in elementary

1587

00:56:03,109 --> 00:56:00,960

school in the 1970s i will see it of him

1588

00:56:06,069 --> 00:56:03,119

at conferences and he looks like 10

1589

00:56:07,990 --> 00:56:06,079

years younger than i do i

1590

00:56:09,670 --> 00:56:08,000

think that he has either had an alien

1591

00:56:11,510 --> 00:56:09,680

counter and they've given him like the

1592

00:56:13,270 --> 00:56:11,520

fountain of youth or around too much

1593

00:56:15,510 --> 00:56:13,280

radiation from the spacecraft or

1594

00:56:17,670 --> 00:56:15,520

whatever but he looks unbelievably good

1595

00:56:19,670 --> 00:56:17,680

he's still kicking and i love said if it

1596

00:56:22,470 --> 00:56:19,680

wasn't for stan i wouldn't be here but

1597

00:56:23,589 --> 00:56:22,480

um i will tell you this though um so

1598

00:56:26,150 --> 00:56:23,599

i've always had an interest in the

1599

00:56:27,910 --> 00:56:26,160

paranormal but i've never had any kind

1600

00:56:29,910 --> 00:56:27,920

of encounter

1601
00:56:32,309 --> 00:56:29,920
but i was going to graduate school and

1602
00:56:35,510 --> 00:56:32,319
uh my brother and i were running a place

1603
00:56:37,910 --> 00:56:35,520
uh in indiana pennsylvania and uh it was

1604
00:56:40,150 --> 00:56:37,920
on the outskirts of town and ordered

1605
00:56:42,230 --> 00:56:40,160
this uh this uh the university woods

1606
00:56:43,670 --> 00:56:42,240
there so it was a protected place uh

1607
00:56:44,950 --> 00:56:43,680
people would go up there walking every

1608
00:56:46,390 --> 00:56:44,960
now and then but for the most part it

1609
00:56:48,069 --> 00:56:46,400
was just this big

1610
00:56:49,829 --> 00:56:48,079
desolate area where people could go up

1611
00:56:52,470 --> 00:56:49,839
there and study and do whatever

1612
00:56:53,270 --> 00:56:52,480
um the first summer that we moved in

1613
00:56:55,349 --> 00:56:53,280

there

1614

00:56:58,390 --> 00:56:55,359

we started to hear these whistling

1615

00:57:01,109 --> 00:56:58,400

sounds um it only happened whenever it

1616

00:57:02,789 --> 00:57:01,119

wasn't raining um it only happened

1617

00:57:04,150 --> 00:57:02,799

between the hours of 12 and three

1618

00:57:06,309 --> 00:57:04,160

o'clock in the morning the witching hour

1619

00:57:08,549 --> 00:57:06,319

which is really scary um and this went

1620

00:57:10,870 --> 00:57:08,559

on for a while this

1621

00:57:12,630 --> 00:57:10,880

whoop sound like that and of course look

1622

00:57:14,549 --> 00:57:12,640

i had a passing interest i thought this

1623

00:57:17,430 --> 00:57:14,559

might be some sort of bird i had no idea

1624

00:57:19,910 --> 00:57:17,440

what was going on um but the next year

1625

00:57:22,150 --> 00:57:19,920

the next summer um it starts happening

1626

00:57:23,589 --> 00:57:22,160

and it happening in earnest again

1627

00:57:25,030 --> 00:57:23,599

and uh my brother and i said you know

1628

00:57:26,630 --> 00:57:25,040

whenever this happens again we're going

1629

00:57:29,109 --> 00:57:26,640

to go out and we're going to investigate

1630

00:57:31,270 --> 00:57:29,119

and find out what's going on um so sure

1631

00:57:33,030 --> 00:57:31,280

enough a couple of days later it was

1632

00:57:34,230 --> 00:57:33,040

about a quarter till three in the

1633

00:57:36,630 --> 00:57:34,240

morning

1634

00:57:38,829 --> 00:57:36,640

and the whistling happens again that

1635

00:57:42,069 --> 00:57:38,839

whoop whoop that you know that

1636

00:57:44,789 --> 00:57:42,079

repetition um so any good story has to

1637

00:57:46,390 --> 00:57:44,799

have a sword involved so i grabbed a

1638

00:57:48,309 --> 00:57:46,400

sword and my my brother grabbed a

1639

00:57:49,190 --> 00:57:48,319

baseball bat and we're in our 20s you

1640

00:57:51,750 --> 00:57:49,200

know we're going to go out and

1641

00:57:53,829 --> 00:57:51,760

investigate this thing so we open up the

1642

00:57:55,510 --> 00:57:53,839

door and this is the first time we were

1643

00:57:56,870 --> 00:57:55,520

ever outside whenever this thing was

1644

00:57:59,270 --> 00:57:56,880

making the noise

1645

00:58:02,150 --> 00:57:59,280

and you could actually feel

1646

00:58:04,069 --> 00:58:02,160

it reverberating inside your body you

1647

00:58:05,430 --> 00:58:04,079

know i had only heard it from inside of

1648

00:58:07,829 --> 00:58:05,440

the house before but now that i'm

1649

00:58:10,309 --> 00:58:07,839

outside it like gave me pause for a

1650

00:58:12,710 --> 00:58:10,319

second even though i'm in my 20s i was

1651
00:58:14,309 --> 00:58:12,720
athletic back then at the time and gosh

1652
00:58:16,549 --> 00:58:14,319
darn i had a sword in my hand what am i

1653
00:58:18,710 --> 00:58:16,559
going to be afraid of you know so at the

1654
00:58:21,750 --> 00:58:18,720
end of our yard there was a grove of

1655
00:58:24,150 --> 00:58:21,760
trees that led up into the big woods

1656
00:58:26,789 --> 00:58:24,160
and as we got closer we knew that was

1657
00:58:29,030 --> 00:58:26,799
ever making that whistling sound was in

1658
00:58:31,670 --> 00:58:29,040
that grove of trees so we got we we

1659
00:58:33,109 --> 00:58:31,680
started to approach it um our eyes

1660
00:58:34,390 --> 00:58:33,119
started to adjust and everything to the

1661
00:58:37,190 --> 00:58:34,400
darkness

1662
00:58:38,390 --> 00:58:37,200
and we start hearing the whistling sound

1663
00:58:40,950 --> 00:58:38,400

again

1664

00:58:44,309 --> 00:58:40,960

but this time as the whistling sound is

1665

00:58:46,390 --> 00:58:44,319

going on we start hearing a growling it

1666

00:58:50,230 --> 00:58:46,400

was simultaneous it was two sounds at

1667

00:58:52,309 --> 00:58:50,240

once and the growling was so loud that

1668

00:58:54,470 --> 00:58:52,319

you could actually hear it taking in

1669

00:58:57,109 --> 00:58:54,480

oxygen and you could hear that it was a

1670

00:58:59,910 --> 00:58:57,119

very wet sound as well too

1671

00:59:01,670 --> 00:58:59,920

so we immediately ran because i'm not

1672

00:59:03,510 --> 00:59:01,680

confronting a creature you know i had

1673

00:59:04,870 --> 00:59:03,520

that so we went back into the house

1674

00:59:07,990 --> 00:59:04,880

locked all the doors and everything like

1675

00:59:09,510 --> 00:59:08,000

that and um it never came back again

1676
00:59:10,630 --> 00:59:09,520
ever that was the last time we heard

1677
00:59:12,230 --> 00:59:10,640
that sound

1678
00:59:13,670 --> 00:59:12,240
so i started asking some neighbors hey

1679
00:59:15,589 --> 00:59:13,680
have you guys ever had any kind of

1680
00:59:17,030 --> 00:59:15,599
unusual things happen around here and

1681
00:59:19,109 --> 00:59:17,040
the one lady was working out in her

1682
00:59:21,270 --> 00:59:19,119
garden she said no i've never heard any

1683
00:59:23,349 --> 00:59:21,280
kind of sounds but i will tell you a few

1684
00:59:25,589 --> 00:59:23,359
years ago i saw a very large man going

1685
00:59:27,430 --> 00:59:25,599
through my garbage at about two o'clock

1686
00:59:28,230 --> 00:59:27,440
in the morning so those kind of things

1687
00:59:29,589 --> 00:59:28,240
happen

1688
00:59:32,630 --> 00:59:29,599

so um

1689

00:59:36,150 --> 00:59:32,640

i had no idea what to do i mean this was

1690

00:59:37,109 --> 00:59:36,160

uh 1995 i guess it was 1996 something

1691

00:59:39,589 --> 00:59:37,119

like that

1692

00:59:42,230 --> 00:59:39,599

and um i immediately got onto the

1693

00:59:44,630 --> 00:59:42,240

internet which wasn't much then and i

1694

00:59:46,789 --> 00:59:44,640

googled um i don't think google was even

1695

00:59:49,829 --> 00:59:46,799

existing then but i put them there um

1696

00:59:52,069 --> 00:59:49,839

bigfoot in pennsylvania and one site

1697

00:59:54,950 --> 00:59:52,079

came up if you can believe it one site

1698

00:59:57,910 --> 00:59:54,960

and that was eric altman's uh big

1699

01:00:00,549 --> 00:59:57,920

small baby bigfoot society and um i my

1700

01:00:02,150 --> 01:00:00,559

case was the first case that he um he uh

1701

01:00:03,510 --> 01:00:02,160

he came out to investigate oh is that

1702

01:00:05,030 --> 01:00:03,520

right

1703

01:00:06,870 --> 01:00:05,040

and that's what got me started so i knew

1704

01:00:09,349 --> 01:00:06,880

that there was something out there

1705

01:00:11,190 --> 01:00:09,359

um that um you know people couldn't

1706

01:00:12,950 --> 01:00:11,200

really explain i still have no idea what

1707

01:00:15,910 --> 01:00:12,960

happened i didn't see anything i can

1708

01:00:18,309 --> 01:00:15,920

only tell you intellectually what i felt

1709

01:00:20,470 --> 01:00:18,319

was going on and what you know i kind of

1710

01:00:21,910 --> 01:00:20,480

uh um really affected you

1711

01:00:24,390 --> 01:00:21,920

it affects you

1712

01:00:26,950 --> 01:00:24,400

mind body and spirit doesn't it it's not

1713

01:00:30,870 --> 01:00:26,960

one thing it's not it's not oh i saw

1714

01:00:32,710 --> 01:00:30,880

this it's it's i i experienced it right

1715

01:00:34,710 --> 01:00:32,720

i mean that's the big thing

1716

01:00:36,870 --> 01:00:34,720

um and there was something that was said

1717

01:00:39,430 --> 01:00:36,880

earlier and all all these guests on here

1718

01:00:42,230 --> 01:00:39,440

are are are so worthy of these of these

1719

01:00:44,230 --> 01:00:42,240

sound bites that it's so great um but i

1720

01:00:45,750 --> 01:00:44,240

think that whenever you have an

1721

01:00:49,430 --> 01:00:45,760

experience

1722

01:00:50,950 --> 01:00:49,440

it's almost like an unwritten contract

1723

01:00:53,430 --> 01:00:50,960

between you

1724

01:00:56,390 --> 01:00:53,440

and the subject if that makes any sense

1725

01:01:00,309 --> 01:00:56,400

it's almost as if

1726

01:01:02,710 --> 01:01:00,319

you are part of a a switch you know

1727

01:01:04,870 --> 01:01:02,720

you're part of that kind of connection

1728

01:01:07,589 --> 01:01:04,880

and you have to flip the switch on your

1729

01:01:09,829 --> 01:01:07,599

side and it has to flip the switch on on

1730

01:01:12,390 --> 01:01:09,839

its side and it makes this circuit this

1731

01:01:15,030 --> 01:01:12,400

kind of agreement between the two of you

1732

01:01:17,270 --> 01:01:15,040

um to illustrate that even further

1733

01:01:18,789 --> 01:01:17,280

um a few years ago uh there was a

1734

01:01:20,950 --> 01:01:18,799

snowstorm

1735

01:01:22,789 --> 01:01:20,960

and i knew it was going to be hell with

1736

01:01:24,470 --> 01:01:22,799

the murphy family because my kids were

1737

01:01:26,069 --> 01:01:24,480

going to be home from school so you know

1738

01:01:28,230 --> 01:01:26,079

i needed a cigarette at this point so i

1739

01:01:30,470 --> 01:01:28,240

went out to my car to grab a cigarette

1740

01:01:32,789 --> 01:01:30,480

and um the the snow was all over the

1741

01:01:34,870 --> 01:01:32,799

place you know a nice blanket of snow

1742

01:01:37,829 --> 01:01:34,880

about seven o'clock in the morning

1743

01:01:39,910 --> 01:01:37,839

except strangely through my front yard

1744

01:01:42,470 --> 01:01:39,920

was a set of tracks

1745

01:01:44,710 --> 01:01:42,480

um not large tracks very small tracks

1746

01:01:46,470 --> 01:01:44,720

about the size of a five-year-old and i

1747

01:01:49,109 --> 01:01:46,480

know the size of a five-year-old's foot

1748

01:01:51,750 --> 01:01:49,119

because i have five children and um

1749

01:01:53,349 --> 01:01:51,760

there was these naked little tracks that

1750

01:01:56,150 --> 01:01:53,359

went through my yard

1751

01:01:58,789 --> 01:01:56,160

i thought well this is very very strange

1752

01:01:59,670 --> 01:01:58,799

um and i these were the tracks i talked

1753

01:02:01,750 --> 01:01:59,680

about

1754

01:02:04,230 --> 01:02:01,760

they appeared out of nowhere they just

1755

01:02:06,470 --> 01:02:04,240

began in my yard but what had happened

1756

01:02:08,069 --> 01:02:06,480

was it was a right track

1757

01:02:10,390 --> 01:02:08,079

a right track

1758

01:02:12,789 --> 01:02:10,400

then a right left track as if it stepped

1759

01:02:14,789 --> 01:02:12,799

out of something or if it took a while

1760

01:02:17,589 --> 01:02:14,799

to become completely physical i have no

1761

01:02:19,990 --> 01:02:17,599

idea but the trackway led up to my

1762

01:02:22,150 --> 01:02:20,000

window and whatever it was apparently

1763

01:02:24,390 --> 01:02:22,160

appeared into my window and then went

1764

01:02:25,589 --> 01:02:24,400

over the hill and then they vanished

1765

01:02:27,430 --> 01:02:25,599

again

1766

01:02:30,150 --> 01:02:27,440

so isn't this kind of strange that

1767

01:02:31,990 --> 01:02:30,160

somebody that is investigating bigfoot

1768

01:02:35,029 --> 01:02:32,000

had some sort of encounter like this

1769

01:02:36,390 --> 01:02:35,039

where the thing came looking for me and

1770

01:02:38,470 --> 01:02:36,400

i think a lot of times whenever you talk

1771

01:02:41,589 --> 01:02:38,480

to investigators very strange things

1772

01:02:44,309 --> 01:02:41,599

happen to them and i'm thinking again

1773

01:02:47,109 --> 01:02:44,319

are we part of this world that we are

1774

01:02:49,670 --> 01:02:47,119

kind of some sort of um uh paranormal

1775

01:02:51,589 --> 01:02:49,680

hotspot where things are picking up on

1776

01:02:52,870 --> 01:02:51,599

us you know we're picking up on them i

1777

01:02:54,710 --> 01:02:52,880

think there's there's there's a

1778

01:02:57,190 --> 01:02:54,720

plausibility to be said on that because

1779

01:03:00,069 --> 01:02:57,200

some people seem simply to be gifted

1780

01:03:01,589 --> 01:03:00,079

with this or cursed with this uh to

1781

01:03:04,150 --> 01:03:01,599

decide depending upon which side of the

1782

01:03:06,230 --> 01:03:04,160

fence you stand um

1783

01:03:08,470 --> 01:03:06,240

well i i know if you want to get rid of

1784

01:03:10,630 --> 01:03:08,480

a possible bigfoot do like ron to take

1785

01:03:12,870 --> 01:03:10,640

excalibur out and go ahead that'll do it

1786

01:03:17,750 --> 01:03:12,880

well actually that did not work because

1787

01:03:24,230 --> 01:03:18,789

yeah

1788

01:03:25,829 --> 01:03:24,240

uh an upright canine or a dog main

1789

01:03:28,870 --> 01:03:25,839

encounter why don't you tell us about it

1790

01:03:32,069 --> 01:03:28,880

because i don't think i've ever heard it

1791

01:03:33,990 --> 01:03:32,079

well it was a dark and stormy night now

1792

01:03:34,789 --> 01:03:34,000

i'm just kidding

1793

01:03:36,710 --> 01:03:34,799

no

1794

01:03:38,630 --> 01:03:36,720

kind of really quickly to touch on what

1795

01:03:40,630 --> 01:03:38,640

you said ron i think that what you said

1796

01:03:42,470 --> 01:03:40,640

makes a lot of sense because

1797

01:03:43,990 --> 01:03:42,480

when you're investigating something and

1798

01:03:46,069 --> 01:03:44,000

you're going in there expecting one

1799

01:03:47,829 --> 01:03:46,079

thing and then something else happens

1800

01:03:49,510 --> 01:03:47,839

that happens a lot

1801
01:03:50,870 --> 01:03:49,520
um

1802
01:03:52,309 --> 01:03:50,880
i'm going to tell the story about what

1803
01:03:54,069 --> 01:03:52,319
happened to me and then i'm going to

1804
01:03:56,630 --> 01:03:54,079
give you an example of kind of what ron

1805
01:03:59,029 --> 01:03:56,640
was talking about

1806
01:04:01,829 --> 01:03:59,039
this happened to me in 1990

1807
01:04:03,950 --> 01:04:01,839
and it was uh i guess 30 years ago

1808
01:04:07,109 --> 01:04:03,960
um

1809
01:04:09,029 --> 01:04:07,119
31 years now it'd be you know i guess

1810
01:04:10,630 --> 01:04:09,039
this this coming october which will be

1811
01:04:12,309 --> 01:04:10,640
several months from now and it'll be 32

1812
01:04:14,150 --> 01:04:12,319
years and months just time just seems to

1813
01:04:15,190 --> 01:04:14,160

be going so fast

1814

01:04:16,789 --> 01:04:15,200

but

1815

01:04:19,029 --> 01:04:16,799

i was with a friend of mine who's now a

1816

01:04:22,069 --> 01:04:19,039

preacher in my hometown and he we were

1817

01:04:24,390 --> 01:04:22,079

very much bad little delinquent kids

1818

01:04:27,829 --> 01:04:24,400

uh got locked up a few times for doing

1819

01:04:29,510 --> 01:04:27,839

various you know misdeeds

1820

01:04:30,390 --> 01:04:29,520

and that night was no exception we were

1821

01:04:32,470 --> 01:04:30,400

throwing

1822

01:04:34,150 --> 01:04:32,480

eggs at cop cars

1823

01:04:36,230 --> 01:04:34,160

15 year old kids

1824

01:04:38,150 --> 01:04:36,240

out on halloween and my mother gave me a

1825

01:04:41,829 --> 01:04:38,160

very generous curfew which i still

1826

01:04:43,829 --> 01:04:41,839

managed to break um and so i was

1827

01:04:46,309 --> 01:04:43,839

at my friend's mother's house and she

1828

01:04:47,910 --> 01:04:46,319

was like my second mom and she

1829

01:04:50,390 --> 01:04:47,920

had diabetes real bad and she couldn't

1830

01:04:52,069 --> 01:04:50,400

drive and she was she couldn't see at

1831

01:04:53,109 --> 01:04:52,079

night you know and so my mom was very

1832

01:04:55,109 --> 01:04:53,119

angry

1833

01:04:57,430 --> 01:04:55,119

so she basically told me you walk home

1834

01:04:58,549 --> 01:04:57,440

pendejo that's basically her response

1835

01:05:00,309 --> 01:04:58,559

and so

1836

01:05:02,309 --> 01:05:00,319

uh i started to take the tennis shoe

1837

01:05:04,309 --> 01:05:02,319

express with my friend we had another

1838

01:05:06,950 --> 01:05:04,319

friend who lived kind of in between our

1839

01:05:09,430 --> 01:05:06,960

two houses and he had a he worked on

1840

01:05:11,589 --> 01:05:09,440

bikes and his name was daniel too

1841

01:05:14,470 --> 01:05:11,599

but we we we called him by his last name

1842

01:05:15,270 --> 01:05:14,480

which was henderson like you elijah and

1843

01:05:18,230 --> 01:05:15,280

so

1844

01:05:19,510 --> 01:05:18,240

house and we'll walk together and then

1845

01:05:21,190 --> 01:05:19,520

you can ride a bike you always had the

1846

01:05:22,870 --> 01:05:21,200

bikes outside and i would just grab one

1847

01:05:24,390 --> 01:05:22,880

and i mean we were buddies we all played

1848

01:05:28,230 --> 01:05:24,400

ball together

1849

01:05:29,589 --> 01:05:28,240

and so we were uh walking and when i see

1850

01:05:31,670 --> 01:05:29,599

this thing

1851

01:05:32,789 --> 01:05:31,680

about a block at the end of the next

1852

01:05:34,710 --> 01:05:32,799

block up

1853

01:05:37,829 --> 01:05:34,720

and it looked like a dog at first it

1854

01:05:39,829 --> 01:05:37,839

looked like a black german shepherd

1855

01:05:41,750 --> 01:05:39,839

sitting in a ditch

1856

01:05:44,549 --> 01:05:41,760

and we thought it was our neighbor's dog

1857

01:05:46,150 --> 01:05:44,559

and but it looked way too big to me but

1858

01:05:48,630 --> 01:05:46,160

he was kind of convinced that he walked

1859

01:05:50,950 --> 01:05:48,640

up and started trying to call her

1860

01:05:52,549 --> 01:05:50,960

and she didn't respond and i said this

1861

01:05:54,789 --> 01:05:52,559

is weird i knew something was wrong

1862

01:05:57,589 --> 01:05:54,799

because not only was that dog or

1863

01:05:58,789 --> 01:05:57,599

whatever not responding but then

1864

01:05:59,829 --> 01:05:58,799

there were other dogs in the

1865

01:06:01,349 --> 01:05:59,839

neighborhood that should have been

1866

01:06:02,630 --> 01:06:01,359

barking and freaking out they barked at

1867

01:06:04,390 --> 01:06:02,640

everything

1868

01:06:06,470 --> 01:06:04,400

and so i thought it was it was quiet you

1869

01:06:08,710 --> 01:06:06,480

know there's nothing there's no sound

1870

01:06:10,870 --> 01:06:08,720

and uh this thing was was moving back

1871

01:06:12,470 --> 01:06:10,880

and forth like its front limbs

1872

01:06:14,230 --> 01:06:12,480

and i noticed

1873

01:06:16,069 --> 01:06:14,240

that it turned and looked at us i said i

1874

01:06:17,750 --> 01:06:16,079

backed up i was like that's not a dog it

1875

01:06:19,589 --> 01:06:17,760

looks like a wolf

1876

01:06:21,349 --> 01:06:19,599

and he was like what is the wolf doing

1877

01:06:23,190 --> 01:06:21,359

in town i mean like you know

1878

01:06:24,710 --> 01:06:23,200

of course this isn't a really big town

1879

01:06:26,150 --> 01:06:24,720

and you know a couple streets over

1880

01:06:28,470 --> 01:06:26,160

you're kind of out of town but it's

1881

01:06:29,349 --> 01:06:28,480

still in town you know and

1882

01:06:30,870 --> 01:06:29,359

so

1883

01:06:34,150 --> 01:06:30,880

it was just

1884

01:06:36,230 --> 01:06:34,160

such an aberration you know um just to

1885

01:06:37,910 --> 01:06:36,240

see that it was so not normal you know

1886

01:06:40,069 --> 01:06:37,920

and it just because it just didn't look

1887

01:06:42,309 --> 01:06:40,079

right and it looked when it looked at us

1888

01:06:44,470 --> 01:06:42,319

it had this huge head

1889

01:06:46,390 --> 01:06:44,480

and i just remember like where the what

1890

01:06:47,670 --> 01:06:46,400

should have been paused came up

1891

01:06:49,029 --> 01:06:47,680

and they were like

1892

01:06:50,230 --> 01:06:49,039

like hands

1893

01:06:51,829 --> 01:06:50,240

and i was sitting there looking at this

1894

01:06:53,670 --> 01:06:51,839

thing and i thought oh my gosh and you

1895

01:06:55,430 --> 01:06:53,680

know you kind of look down and time just

1896

01:06:57,109 --> 01:06:55,440

kind of slows down and you remember all

1897

01:06:58,789 --> 01:06:57,119

these weird

1898

01:07:00,390 --> 01:06:58,799

like you know but then other things you

1899

01:07:02,309 --> 01:07:00,400

can't remember you know

1900

01:07:04,470 --> 01:07:02,319

um i just looked down and i had this

1901

01:07:06,789 --> 01:07:04,480

like big drink one of those big

1902

01:07:08,549 --> 01:07:06,799

circle k the dr peppers whatever and it

1903

01:07:10,069 --> 01:07:08,559

was on the ground i remember looking at

1904

01:07:11,910 --> 01:07:10,079

the cup and the ice

1905

01:07:14,069 --> 01:07:11,920

and staring at it

1906

01:07:15,910 --> 01:07:14,079

and i remember words and then my shirt

1907

01:07:17,190 --> 01:07:15,920

my neck was burning and my shirt was

1908

01:07:19,510 --> 01:07:17,200

ripped because my friend had tried to

1909

01:07:21,190 --> 01:07:19,520

literally drag me to grab me he's

1910

01:07:22,789 --> 01:07:21,200

apologized over and over again over the

1911

01:07:24,630 --> 01:07:22,799

years he told my wife the story you know

1912

01:07:26,470 --> 01:07:24,640

at my nephew's graduation he's like i

1913

01:07:29,270 --> 01:07:26,480

always felt bad about leaving him

1914

01:07:30,789 --> 01:07:29,280

um but i wouldn't moving i was just

1915

01:07:32,710 --> 01:07:30,799

stuck in place

1916

01:07:35,109 --> 01:07:32,720

uh and my friend i look and he's already

1917

01:07:36,789 --> 01:07:35,119

like halfway back to his house

1918

01:07:38,309 --> 01:07:36,799

and uh i'm standing there because this

1919

01:07:39,670 --> 01:07:38,319

thing had gotten up and ran across the

1920

01:07:41,349 --> 01:07:39,680

road on two legs

1921

01:07:43,990 --> 01:07:41,359

and it just scared the

1922

01:07:46,230 --> 01:07:44,000

the crap out of both of us but he ran

1923

01:07:48,150 --> 01:07:46,240

and and i just stood there and then so i

1924

01:07:49,670 --> 01:07:48,160

started walking with my jello legs you

1925

01:07:52,630 --> 01:07:49,680

know it was like i just

1926

01:07:54,950 --> 01:07:52,640

my legs were like wobbly you know and

1927

01:07:56,710 --> 01:07:54,960

there was a big fence at that time and

1928

01:07:57,910 --> 01:07:56,720

at the house next door

1929

01:07:59,910 --> 01:07:57,920

because people that lived there had a

1930

01:08:01,750 --> 01:07:59,920

bunch of pit bulls and the city had told

1931

01:08:03,750 --> 01:08:01,760

them build this big fence or we're gonna

1932

01:08:05,750 --> 01:08:03,760

make you give up you know whatever

1933

01:08:08,069 --> 01:08:05,760

um and these people they were drug

1934

01:08:09,510 --> 01:08:08,079

dealers and so it was a bad neighborhood

1935

01:08:11,670 --> 01:08:09,520

and they were drug dealers and and so

1936

01:08:13,349 --> 01:08:11,680

they ended up eventually getting evicted

1937

01:08:14,630 --> 01:08:13,359

but they did actually put the fence up

1938

01:08:15,829 --> 01:08:14,640

and then shortly after that they got

1939

01:08:18,789 --> 01:08:15,839

raided

1940

01:08:20,309 --> 01:08:18,799

so anyways i was walking by that fence

1941

01:08:22,309 --> 01:08:20,319

and that thing

1942

01:08:23,590 --> 01:08:22,319

that creature that people call the dog

1943

01:08:24,789 --> 01:08:23,600

man which i don't even like that term

1944

01:08:26,709 --> 01:08:24,799

because it didn't look like a dog to me

1945

01:08:27,829 --> 01:08:26,719

it looked like a freaking wolf on two

1946

01:08:29,749 --> 01:08:27,839

legs

1947

01:08:32,149 --> 01:08:29,759

it began to walk

1948

01:08:34,070 --> 01:08:32,159

in between the two houses

1949

01:08:35,749 --> 01:08:34,080

and it got up to

1950

01:08:38,070 --> 01:08:35,759

the fence and it kind of stopped and it

1951

01:08:39,910 --> 01:08:38,080

was you know at that point i wasn't

1952

01:08:42,070 --> 01:08:39,920

looking directly at it i was walking by

1953

01:08:44,309 --> 01:08:42,080

it and just kind of like kind of seen in

1954

01:08:45,590 --> 01:08:44,319

my peripheral and then looking down kind

1955

01:08:47,430 --> 01:08:45,600

of at an angle

1956

01:08:49,910 --> 01:08:47,440

and i saw the foot

1957

01:08:51,990 --> 01:08:49,920

which looked like a weird

1958

01:08:53,910 --> 01:08:52,000

claw like it was like like hooked over

1959

01:08:55,349 --> 01:08:53,920

the the like at least two of the toes if

1960

01:08:57,349 --> 01:08:55,359

i remember correctly we're like hooked

1961

01:08:59,030 --> 01:08:57,359

over like one of the chain links

1962

01:09:00,950 --> 01:08:59,040

and i just thought what in the heck is

1963

01:09:03,430 --> 01:09:00,960

that you know and when i finally looked

1964

01:09:05,510 --> 01:09:03,440

up at it it was staring right at me

1965

01:09:06,229 --> 01:09:05,520

and i was just like terrified it was

1966

01:09:08,309 --> 01:09:06,239

just

1967

01:09:11,110 --> 01:09:08,319

the upper body

1968

01:09:13,189 --> 01:09:11,120

looked like a like humanoid like like

1969

01:09:15,110 --> 01:09:13,199

like a man and the ba it had the

1970

01:09:16,870 --> 01:09:15,120

backward bent legs like a dog had the

1971

01:09:18,870 --> 01:09:16,880

back legs of a dog and it just looked

1972

01:09:21,189 --> 01:09:18,880

timber wolfish but like big straight

1973

01:09:22,950 --> 01:09:21,199

pointy ears um

1974

01:09:26,390 --> 01:09:22,960

i've had somebody sculpt the the

1975

01:09:28,789 --> 01:09:26,400

creature that i saw in fact hey anthony

1976

01:09:30,229 --> 01:09:28,799

can you can you grab me that uh the

1977

01:09:32,789 --> 01:09:30,239

texas wolf man

1978

01:09:35,430 --> 01:09:32,799

uh charlie perez who i actually was

1979

01:09:38,070 --> 01:09:35,440

working on a action figure line with

1980

01:09:39,590 --> 01:09:38,080

um he sculpted this thing and if i could

1981

01:09:40,789 --> 01:09:39,600

i'll show the audience what it was that

1982

01:09:43,030 --> 01:09:40,799

i saw

1983

01:09:45,590 --> 01:09:43,040

he's probably come the closest to

1984

01:09:46,789 --> 01:09:45,600

depicting it correctly

1985

01:09:48,789 --> 01:09:46,799

and this thing

1986

01:09:50,950 --> 01:09:48,799

seven and a half feet tall

1987

01:09:54,070 --> 01:09:50,960

and then it went back by the window you

1988

01:09:55,270 --> 01:09:54,080

know of my friend's house and his family

1989

01:09:56,470 --> 01:09:55,280

some of his family members saw it

1990

01:09:58,229 --> 01:09:56,480

through the window

1991

01:10:00,310 --> 01:09:58,239

and it just walked back you know but at

1992

01:10:01,830 --> 01:10:00,320

that point i had already gone i didn't

1993

01:10:03,750 --> 01:10:01,840

see that part had already gone up to the

1994

01:10:05,350 --> 01:10:03,760

porch and was inside

1995

01:10:06,950 --> 01:10:05,360

and i just remember sitting there on the

1996

01:10:09,110 --> 01:10:06,960

couch and i was probably on the couch

1997

01:10:10,550 --> 01:10:09,120

for an hour which i don't even it felt

1998

01:10:12,709 --> 01:10:10,560

like an eternity

1999

01:10:13,990 --> 01:10:12,719

and i just sat there contemplating what

2000

01:10:15,510 --> 01:10:14,000

i had seen

2001

01:10:17,030 --> 01:10:15,520

and it was up by the window at that

2002

01:10:18,950 --> 01:10:17,040

point everybody was freaking out looking

2003

01:10:20,709 --> 01:10:18,960

at it and i had no desire to go and try

2004

01:10:21,669 --> 01:10:20,719

to take another look at it i had seen

2005

01:10:23,030 --> 01:10:21,679

enough

2006

01:10:24,630 --> 01:10:23,040

and uh people have asked me over the

2007

01:10:26,390 --> 01:10:24,640

years if i wanted to see it again i said

2008

01:10:28,070 --> 01:10:26,400

heck no i don't want to see it again

2009

01:10:30,070 --> 01:10:28,080

um i haven't gone out to the field

2010

01:10:31,830 --> 01:10:30,080

looking for these things i i had my

2011

01:10:33,750 --> 01:10:31,840

confirmation when i was 15 i know they

2012

01:10:35,830 --> 01:10:33,760

exist i know it's real

2013

01:10:38,470 --> 01:10:35,840

and then subsequently i talked to a

2014

01:10:40,630 --> 01:10:38,480

bunch of people from my hometown and

2015

01:10:42,790 --> 01:10:40,640

from the air surrounding areas over the

2016

01:10:45,350 --> 01:10:42,800

years who've seen these things and

2017

01:10:47,910 --> 01:10:45,360

absolutely confirmed that what i saw

2018

01:10:50,870 --> 01:10:47,920

was real it existed the fact that it was

2019

01:10:52,310 --> 01:10:50,880

able to manipulate the fence

2020

01:10:54,630 --> 01:10:52,320

told me that this thing was flushing

2021

01:10:57,350 --> 01:10:54,640

blood so for 30 years almost 30 years

2022

01:10:59,350 --> 01:10:57,360

i'd say until december 2019 which would

2023

01:11:00,390 --> 01:10:59,360

have been 29 years right you know

2024

01:11:01,590 --> 01:11:00,400

because it was you know at the end of

2025

01:11:04,229 --> 01:11:01,600

october

2026

01:11:05,590 --> 01:11:04,239

uh i was talking to my friend's brother

2027

01:11:07,110 --> 01:11:05,600

now this goes back to what you were

2028

01:11:07,990 --> 01:11:07,120

saying ron about how

2029

01:11:09,750 --> 01:11:08,000

um

2030

01:11:11,350 --> 01:11:09,760

p people will

2031

01:11:13,510 --> 01:11:11,360

will have like an experience you know

2032

01:11:16,630 --> 01:11:13,520

bigfoot but then they end up seeing like

2033

01:11:17,750 --> 01:11:16,640

what you little foot you know um

2034

01:11:19,350 --> 01:11:17,760

but

2035

01:11:21,189 --> 01:11:19,360

i was talking to my friend's brother and

2036

01:11:23,110 --> 01:11:21,199

he was actually remodeling a house down

2037

01:11:24,630 --> 01:11:23,120

the street which was known

2038

01:11:26,550 --> 01:11:24,640

to be haunted

2039

01:11:27,990 --> 01:11:26,560

and so me and my nephew who just brought

2040

01:11:30,149 --> 01:11:28,000

me this here

2041

01:11:33,350 --> 01:11:30,159

we were there talking to him in december

2042

01:11:34,790 --> 01:11:33,360

2019 and he when he was doing their

2043

01:11:36,470 --> 01:11:34,800

modeling on the house i made a joke

2044

01:11:38,390 --> 01:11:36,480

about that i said you know i do a show

2045

01:11:39,830 --> 01:11:38,400

now and he goes yeah yeah and i said if

2046

01:11:41,189 --> 01:11:39,840

you have anything weird happen you know

2047

01:11:42,950 --> 01:11:41,199

let me know

2048

01:11:44,630 --> 01:11:42,960

and he goes you mean like what we saw

2049

01:11:46,630 --> 01:11:44,640

that night back you know and he kind of

2050

01:11:47,910 --> 01:11:46,640

touched on that and i said yeah i was

2051

01:11:50,149 --> 01:11:47,920

like yeah i was like yeah if you see any

2052

01:11:51,510 --> 01:11:50,159

any ghosts or demons let me know and he

2053

01:11:54,470 --> 01:11:51,520

goes well he goes you know i haven't

2054

01:11:55,750 --> 01:11:54,480

seen any here he goes you know he was

2055

01:11:57,430 --> 01:11:55,760

thoroughly convinced just like his

2056

01:11:58,950 --> 01:11:57,440

mother before she passed that this thing

2057

01:12:01,030 --> 01:11:58,960

was demonic

2058

01:12:02,550 --> 01:12:01,040

and i asked him that i said you you

2059

01:12:03,669 --> 01:12:02,560

really believe that it was like a demon

2060

01:12:05,910 --> 01:12:03,679

he goes oh yeah it was definitely

2061

01:12:09,189 --> 01:12:05,920

demonic he's like there was black vapor

2062

01:12:13,510 --> 01:12:09,199

coming off the back of its neck

2063

01:12:15,830 --> 01:12:13,520

29 years and i had never heard that i i

2064

01:12:17,590 --> 01:12:15,840

had no idea that anybody saw that i

2065

01:12:18,870 --> 01:12:17,600

thought that what i saw was just

2066

01:12:21,510 --> 01:12:18,880

flushing blood

2067

01:12:23,350 --> 01:12:21,520

it manipulated the fence

2068

01:12:25,750 --> 01:12:23,360

i mean you know my friend he was

2069

01:12:27,750 --> 01:12:25,760

convinced it was flesh and blood

2070

01:12:29,590 --> 01:12:27,760

but uh i told him i was like why did you

2071

01:12:32,070 --> 01:12:29,600

never tell me that he's like you never

2072

01:12:34,229 --> 01:12:32,080

asked and he was right i never i'd never

2073

01:12:35,590 --> 01:12:34,239

got that detail from him

2074

01:12:37,270 --> 01:12:35,600

and i guess that makes sense like

2075

01:12:39,189 --> 01:12:37,280

wyoming and his mother always thought it

2076

01:12:40,790 --> 01:12:39,199

was like a demonic entity because they

2077

01:12:42,550 --> 01:12:40,800

saw this coming off of the back of its

2078

01:12:44,790 --> 01:12:42,560

neck which i didn't see

2079

01:12:46,390 --> 01:12:44,800

and so it took me all those years before

2080

01:12:48,790 --> 01:12:46,400

i knew that

2081

01:12:50,550 --> 01:12:48,800

um so when we started talking about it

2082

01:12:53,270 --> 01:12:50,560

we hear this loud bang come from the

2083

01:12:56,070 --> 01:12:53,280

master bedroom so we all walk in there

2084

01:12:58,229 --> 01:12:56,080

and there were these two uh saw horses

2085

01:12:59,990 --> 01:12:58,239

and they had fallen inward

2086

01:13:02,550 --> 01:13:00,000

on a flat surface they had completely

2087

01:13:03,750 --> 01:13:02,560

fallen inward and the the the wood was

2088

01:13:05,350 --> 01:13:03,760

on the ground

2089

01:13:07,430 --> 01:13:05,360

and i was like that's weird so then we

2090

01:13:09,590 --> 01:13:07,440

walked out you know and but it was weird

2091

01:13:11,590 --> 01:13:09,600

how we were talking about this incident

2092

01:13:13,350 --> 01:13:11,600

and then something

2093

01:13:15,430 --> 01:13:13,360

you know happened

2094

01:13:16,790 --> 01:13:15,440

um which goes to what you were saying

2095

01:13:18,390 --> 01:13:16,800

ron it was just

2096

01:13:20,390 --> 01:13:18,400

it's so weird how it kind of gives you

2097

01:13:23,350 --> 01:13:20,400

that confirmation you know

2098

01:13:25,910 --> 01:13:23,360

this ladies and gentlemen

2099

01:13:29,189 --> 01:13:25,920

is a rendition of it

2100

01:13:32,950 --> 01:13:31,110

right there

2101
01:13:35,510 --> 01:13:32,960
the only difference is that charlie made

2102
01:13:38,310 --> 01:13:35,520
the ears a little too far apart

2103
01:13:39,990 --> 01:13:38,320
what i remember seeing was

2104
01:13:42,550 --> 01:13:40,000
you know i gave him the specifications

2105
01:13:44,310 --> 01:13:42,560
and he came up with this amazing piece

2106
01:13:47,110 --> 01:13:44,320
the ears were a little bit more up and

2107
01:13:49,189 --> 01:13:47,120
down like straight worn off to the side

2108
01:13:49,990 --> 01:13:49,199
like that

2109
01:13:51,750 --> 01:13:50,000
so

2110
01:13:53,510 --> 01:13:51,760
yeah that that's uh that that's what it

2111
01:13:55,110 --> 01:13:53,520
looked like right there now he's got

2112
01:13:56,790 --> 01:13:55,120
like a small tail on there and i don't

2113
01:13:59,590 --> 01:13:56,800

really remember the tail

2114

01:14:01,669 --> 01:13:59,600

but the backward bent legs

2115

01:14:03,669 --> 01:14:01,679

everything looks pretty pretty accurate

2116

01:14:05,830 --> 01:14:03,679

like the the upper body

2117

01:14:07,990 --> 01:14:05,840

you know it wasn't like a just gigantic

2118

01:14:09,910 --> 01:14:08,000

but it was big built very powerfully

2119

01:14:12,630 --> 01:14:09,920

built and it looked very muscular like a

2120

01:14:15,430 --> 01:14:12,640

guy that works out in the gym

2121

01:14:17,110 --> 01:14:15,440

that's very similar to the sightings

2122

01:14:19,590 --> 01:14:17,120

that we get reported to us here in

2123

01:14:22,709 --> 01:14:19,600

pennsylvania yeah uh something that

2124

01:14:25,590 --> 01:14:22,719

looks like the underworld lichen

2125

01:14:28,709 --> 01:14:25,600

that same type of uh

2126

01:14:31,110 --> 01:14:28,719

thin thin ways barrel chest

2127

01:14:33,669 --> 01:14:31,120

muscular

2128

01:14:35,110 --> 01:14:33,679

people say nine eight nine ten foot tall

2129

01:14:35,990 --> 01:14:35,120

you know

2130

01:14:36,870 --> 01:14:36,000

uh

2131

01:14:42,390 --> 01:14:36,880

never

2132

01:14:44,790 --> 01:14:42,400

of thing very menacing

2133

01:14:46,470 --> 01:14:44,800

uh many times we've had hunters come up

2134

01:14:47,990 --> 01:14:46,480

to these things

2135

01:14:50,149 --> 01:14:48,000

and

2136

01:14:52,709 --> 01:14:50,159

they're i don't know of a jefferson or

2137

01:14:54,390 --> 01:14:52,719

psychic or something but they

2138

01:14:57,110 --> 01:14:54,400

they literally feel like they've got to

2139

01:14:58,870 --> 01:14:57,120

back away from it that it's telling them

2140

01:15:00,790 --> 01:14:58,880

to back away from it

2141

01:15:02,310 --> 01:15:00,800

and they do i mean

2142

01:15:04,709 --> 01:15:02,320

you know they'll hold a gun but they'll

2143

01:15:05,590 --> 01:15:04,719

back away

2144

01:15:07,350 --> 01:15:05,600

so

2145

01:15:09,510 --> 01:15:07,360

elijah one of the things i was going to

2146

01:15:12,229 --> 01:15:09,520

ask you

2147

01:15:14,229 --> 01:15:12,239

because i know that you and i and i

2148

01:15:15,910 --> 01:15:14,239

lamented this and i told you this there

2149

01:15:17,510 --> 01:15:15,920

were some guys that had well not there

2150

01:15:18,950 --> 01:15:17,520

was one guy and then his friend but

2151
01:15:21,830 --> 01:15:18,960
there were several of them that were

2152
01:15:24,950 --> 01:15:21,840
teenagers that were there in the lbl

2153
01:15:26,310 --> 01:15:24,960
and they saw uh what looked like a

2154
01:15:27,669 --> 01:15:26,320
little herd i don't want to call them a

2155
01:15:29,750 --> 01:15:27,679
herd or a pack i don't know but they

2156
01:15:31,750 --> 01:15:29,760
looked like these little

2157
01:15:33,030 --> 01:15:31,760
uh

2158
01:15:35,270 --> 01:15:33,040
i don't know what to call them i call

2159
01:15:37,669 --> 01:15:35,280
them devil monkeys you know and elijah

2160
01:15:39,669 --> 01:15:37,679
you've talked about this these little

2161
01:15:41,510 --> 01:15:39,679
devil monkey looking creatures they came

2162
01:15:44,390 --> 01:15:41,520
out of the lbl and somebody gave me that

2163
01:15:45,830 --> 01:15:44,400

story back in 2019 when i was maybe six

2164

01:15:48,950 --> 01:15:45,840

months into my show

2165

01:15:50,310 --> 01:15:48,960

and i was like what is this dude

2166

01:15:52,870 --> 01:15:50,320

the guy admitted to me that they had

2167

01:15:54,950 --> 01:15:52,880

been drinking and he was only 19 or he

2168

01:15:57,189 --> 01:15:54,960

was 16 at the time and the oldest kid

2169

01:15:59,590 --> 01:15:57,199

was 19 and i thought well you know

2170

01:16:01,910 --> 01:15:59,600

they're not the best witnesses and so i

2171

01:16:03,110 --> 01:16:01,920

made the mistake of kind of throwing it

2172

01:16:05,110 --> 01:16:03,120

out and saying well you know and then i

2173

01:16:06,709 --> 01:16:05,120

never heard from him again and i kind of

2174

01:16:08,470 --> 01:16:06,719

threw the email out there you know i got

2175

01:16:10,630 --> 01:16:08,480

rid of it because i thought it sounded

2176

01:16:13,110 --> 01:16:10,640

kind of silly until later on i started

2177

01:16:14,790 --> 01:16:13,120

getting more accounts of this

2178

01:16:16,149 --> 01:16:14,800

and i wish i could get back in touch

2179

01:16:18,229 --> 01:16:16,159

with this person

2180

01:16:19,590 --> 01:16:18,239

but i'm pretty sure i kind of aggravated

2181

01:16:21,350 --> 01:16:19,600

him because i they asked me if i

2182

01:16:22,550 --> 01:16:21,360

believed him and i was very blunt about

2183

01:16:23,750 --> 01:16:22,560

it and i said i've never heard of

2184

01:16:24,709 --> 01:16:23,760

anything like that that just sounds

2185

01:16:31,270 --> 01:16:24,719

weird

2186

01:16:34,709 --> 01:16:33,030

there's a gentleman who

2187

01:16:36,070 --> 01:16:34,719

gave an account i think it may have even

2188

01:16:37,750 --> 01:16:36,080

been cumbo

2189

01:16:39,750 --> 01:16:37,760

that said uh

2190

01:16:41,510 --> 01:16:39,760

there's a woman who reported her

2191

01:16:44,550 --> 01:16:41,520

husband was killed by a couple of monkey

2192

01:16:46,470 --> 01:16:44,560

men down in land between the lakes

2193

01:16:48,790 --> 01:16:46,480

i remember that story i heard that

2194

01:16:53,830 --> 01:16:48,800

myself

2195

01:16:57,910 --> 01:16:55,750

well i mean what do you guys think i

2196

01:16:59,830 --> 01:16:57,920

mean do you guys think that those are

2197

01:17:01,590 --> 01:16:59,840

is that is that a type of dog man or is

2198

01:17:03,590 --> 01:17:01,600

that just well

2199

01:17:05,110 --> 01:17:03,600

i have heard a lot of weird stuff down

2200

01:17:06,310 --> 01:17:05,120

from down there

2201

01:17:09,430 --> 01:17:06,320

uh

2202

01:17:11,430 --> 01:17:09,440

i mean not just canine but other weird

2203

01:17:13,669 --> 01:17:11,440

things as well humanoid sightings

2204

01:17:16,229 --> 01:17:13,679

strange humanoid settings

2205

01:17:19,750 --> 01:17:16,239

but uh i've heard some pretty harrowing

2206

01:17:22,070 --> 01:17:19,760

upright canine settings too and in fact

2207

01:17:23,430 --> 01:17:22,080

there was an incident if i remember

2208

01:17:26,870 --> 01:17:23,440

right where

2209

01:17:27,910 --> 01:17:26,880

these this family was down at the park

2210

01:17:33,189 --> 01:17:27,920

there

2211

01:17:34,950 --> 01:17:33,199

showed this ranger these long footprints

2212

01:17:35,910 --> 01:17:34,960

with claws

2213

01:17:37,510 --> 01:17:35,920

and

2214

01:17:39,110 --> 01:17:37,520

when

2215

01:17:40,470 --> 01:17:39,120

they took him till it and showed it to

2216

01:17:43,990 --> 01:17:40,480

him

2217

01:17:45,669 --> 01:17:44,000

so they they went away and

2218

01:17:47,510 --> 01:17:45,679

until the next day they had to come back

2219

01:17:49,910 --> 01:17:47,520

for something they lost something and

2220

01:17:50,709 --> 01:17:49,920

they came back to look for it

2221

01:17:53,110 --> 01:17:50,719

and

2222

01:17:55,350 --> 01:17:53,120

when they got there that whole area

2223

01:17:57,030 --> 01:17:55,360

where the where the claw footprints were

2224

01:17:59,189 --> 01:17:57,040

were found

2225

01:18:00,070 --> 01:17:59,199

all the turf and everything was pulled

2226

01:18:01,830 --> 01:18:00,080

up

2227

01:18:04,170 --> 01:18:01,840

like somebody took a bulldozer and just

2228

01:18:05,669 --> 01:18:04,180

took it out of there

2229

01:18:06,790 --> 01:18:05,679

[Music]

2230

01:18:09,430 --> 01:18:06,800

so

2231

01:18:12,390 --> 01:18:09,440

yeah i don't know what that's all about

2232

01:18:15,270 --> 01:18:12,400

um but that was at ldl i mean

2233

01:18:16,790 --> 01:18:15,280

lbl and uh

2234

01:18:17,990 --> 01:18:16,800

i don't know i don't know

2235

01:18:20,229 --> 01:18:18,000

you know i've heard a lot of bigfoot

2236

01:18:22,070 --> 01:18:20,239

settings in there too so you know

2237

01:18:23,990 --> 01:18:22,080

and that that's another thing

2238

01:18:25,910 --> 01:18:24,000

how many bigfoot

2239

01:18:27,669 --> 01:18:25,920
or upright canine sightings get

2240

01:18:28,470 --> 01:18:27,679
misidentified or could be one or the

2241

01:18:32,229 --> 01:18:28,480
other

2242

01:18:33,990 --> 01:18:32,239
you know i've always wondered that um

2243

01:18:36,390 --> 01:18:34,000
you know i think here in pennsylvania we

2244

01:18:37,990 --> 01:18:36,400
get that occasionally

2245

01:18:39,830 --> 01:18:38,000
because a lot of times we'll get

2246

01:18:42,229 --> 01:18:39,840
somebody to say yeah i saw bigfoot but

2247

01:18:43,030 --> 01:18:42,239
it had a muzzle on it

2248

01:18:45,750 --> 01:18:43,040
or

2249

01:18:46,870 --> 01:18:45,760
you know i saw a dog man

2250

01:18:49,110 --> 01:18:46,880
but

2251

01:18:50,229 --> 01:18:49,120

it had a flat nose you know that kind of

2252

01:18:53,110 --> 01:18:50,239

stuff

2253

01:18:54,709 --> 01:18:53,120

yeah in 1999 i was out with um

2254

01:18:57,430 --> 01:18:54,719

pennsylvania bigfoot society we were

2255

01:18:58,790 --> 01:18:57,440

doing an investigation with sam sherry

2256

01:19:00,470 --> 01:18:58,800

and if anybody knows anything about

2257

01:19:02,550 --> 01:19:00,480

history

2258

01:19:06,149 --> 01:19:02,560

yeah so uh we had an experience about

2259

01:19:08,070 --> 01:19:06,159

1984 where he allegedly he saw bigfoot

2260

01:19:09,430 --> 01:19:08,080

and then he sped up to his dying day

2261

01:19:10,630 --> 01:19:09,440

trying to prove that there was still a

2262

01:19:12,229 --> 01:19:10,640

bigfoot out there right because he

2263

01:19:13,750 --> 01:19:12,239

didn't want anybody to call him crazy

2264

01:19:16,149 --> 01:19:13,760

but we were out in the middle of the

2265

01:19:18,149 --> 01:19:16,159

chestnut ridge and uh we were talking

2266

01:19:19,750 --> 01:19:18,159

just talking about his investigations

2267

01:19:22,630 --> 01:19:19,760

and his research

2268

01:19:24,790 --> 01:19:22,640

and he looked at me and he said to me um

2269

01:19:26,390 --> 01:19:24,800

i uh have seen two different types of

2270

01:19:28,630 --> 01:19:26,400

bigfoot out here

2271

01:19:30,390 --> 01:19:28,640

one of them is the big lumbering kind

2272

01:19:32,310 --> 01:19:30,400

that you you know you see whenever you

2273

01:19:34,390 --> 01:19:32,320

think about bigfoot uh you know very

2274

01:19:36,310 --> 01:19:34,400

benign type of creature then it kind of

2275

01:19:38,310 --> 01:19:36,320

pulled in closer and looked side to side

2276

01:19:40,390 --> 01:19:38,320

he said but there's another type of

2277

01:19:42,790 --> 01:19:40,400

bigfoot out here as well too

2278

01:19:44,470 --> 01:19:42,800

it's a lot thinner than the big the

2279

01:19:47,430 --> 01:19:44,480

other bigfoot out here

2280

01:19:50,070 --> 01:19:47,440

it has a dog-like muzzle and it hunts in

2281

01:19:53,030 --> 01:19:50,080

packs now this was 1999 and i never

2282

01:19:55,110 --> 01:19:53,040

heard it a part of our vernacular wasn't

2283

01:19:57,110 --> 01:19:55,120

dogman yet you know so you don't have to

2284

01:19:58,790 --> 01:19:57,120

think about werewolf so i think that

2285

01:20:01,830 --> 01:19:58,800

whatever you were talking about these

2286

01:20:04,149 --> 01:20:01,840

kind of things i think it has been for a

2287

01:20:06,149 --> 01:20:04,159

while these things have been reported as

2288

01:20:09,270 --> 01:20:06,159

bigfoot and now maybe a lot of bigfoot

2289

01:20:11,510 --> 01:20:09,280

reports are being seen as dogmen but

2290

01:20:14,790 --> 01:20:11,520

yeah i think so because you need to have

2291

01:20:16,950 --> 01:20:14,800

the word right as part of our our our

2292

01:20:19,189 --> 01:20:16,960

culture in order to identify with what

2293

01:20:20,950 --> 01:20:19,199

you're seeing

2294

01:20:23,110 --> 01:20:20,960

well you know

2295

01:20:25,669 --> 01:20:23,120

and if you talk to eric altman he'll

2296

01:20:27,870 --> 01:20:25,679

tell you i mean he

2297

01:20:31,270 --> 01:20:27,880

he was looking into a case around

2298

01:20:33,110 --> 01:20:31,280

2013 or 2014

2299

01:20:35,110 --> 01:20:33,120

where

2300

01:20:37,270 --> 01:20:35,120

he was sure it was something other than

2301

01:20:39,910 --> 01:20:37,280

a bigfoot uh and you know it could have

2302

01:20:42,070 --> 01:20:39,920

been very well been something canine but

2303

01:20:44,870 --> 01:20:42,080

it was making all kinds of crazy noises

2304

01:20:46,470 --> 01:20:44,880

that he didn't believe was a big but

2305

01:20:47,910 --> 01:20:46,480

uh you know

2306

01:20:49,270 --> 01:20:47,920

you know and that's just what i'm saying

2307

01:20:52,310 --> 01:20:49,280

you know when when you're when you're

2308

01:20:55,270 --> 01:20:52,320

looking into bigfoot and for you know

2309

01:20:57,110 --> 01:20:55,280

bigfoot pennsylvania bigfoot society and

2310

01:20:58,390 --> 01:20:57,120

others um

2311

01:21:00,950 --> 01:20:58,400

who's to say that some of these

2312

01:21:04,390 --> 01:21:00,960

varieties may be something else and

2313

01:21:07,110 --> 01:21:04,400

you know we've gotten all kinds of uh

2314

01:21:09,590 --> 01:21:07,120

we've had the quadruped canines that

2315

01:21:10,790 --> 01:21:09,600

have looked like huge hyenas with wolf

2316

01:21:13,510 --> 01:21:10,800

heads

2317

01:21:15,750 --> 01:21:13,520

and uh you know it gets to be a weird

2318

01:21:16,910 --> 01:21:15,760

variety of things but uh

2319

01:21:18,550 --> 01:21:16,920

yeah i i think there's some

2320

01:21:20,709 --> 01:21:18,560

misidentification that's definitely

2321

01:21:23,110 --> 01:21:20,719

going on

2322

01:21:24,510 --> 01:21:23,120

one of the the listeners had a

2323

01:21:26,470 --> 01:21:24,520

something here lon

2324

01:21:29,189 --> 01:21:26,480

tamra0142

2325

01:21:30,550 --> 01:21:29,199

way back earlier she said something

2326

01:21:33,189 --> 01:21:30,560

uh i'm trying to find the comment i

2327

01:21:34,790 --> 01:21:33,199

think it was at 857. i tried to earmark

2328

01:21:37,669 --> 01:21:34,800

it in my mind

2329

01:21:40,709 --> 01:21:37,679

anyway what she said was uh

2330

01:21:43,750 --> 01:21:40,719

do these things come from or do they do

2331

01:21:45,110 --> 01:21:43,760

orbs change into these things

2332

01:21:47,270 --> 01:21:45,120

i want to make sure that that's what she

2333

01:21:48,709 --> 01:21:47,280

said here yeah i remember seeing it yeah

2334

01:21:50,229 --> 01:21:48,719

um

2335

01:21:51,510 --> 01:21:50,239

well you know this is something that

2336

01:21:53,590 --> 01:21:51,520

stan

2337

01:21:57,270 --> 01:21:53,600

mentioned to me a while back and it does

2338

01:21:59,750 --> 01:21:57,280

seem to come up a lot

2339

01:22:01,430 --> 01:21:59,760

a lot of the a lot of the bigfoot

2340

01:22:03,510 --> 01:22:01,440

sightings that people have been

2341

01:22:05,510 --> 01:22:03,520

reporting and around this area you know

2342

01:22:07,750 --> 01:22:05,520

here in all pennsylvania

2343

01:22:08,790 --> 01:22:07,760

there's other phenomena attached to it

2344

01:22:13,110 --> 01:22:08,800

now

2345

01:22:13,990 --> 01:22:13,120

about ufo and bigfoot activity for years

2346

01:22:14,790 --> 01:22:14,000

now

2347

01:22:16,470 --> 01:22:14,800

but

2348

01:22:18,870 --> 01:22:16,480

there are there have been more and more

2349

01:22:20,709 --> 01:22:18,880

investigations where

2350

01:22:21,910 --> 01:22:20,719

after after the actual citing your

2351
01:22:24,149 --> 01:22:21,920
encounter

2352
01:22:26,470 --> 01:22:24,159
that uh the investigator would go to the

2353
01:22:30,229 --> 01:22:26,480
area and when they'd get there

2354
01:22:31,910 --> 01:22:30,239
they'd be see they'd see a lot of warbs

2355
01:22:34,310 --> 01:22:31,920
and that seems to be showing up more and

2356
01:22:36,070 --> 01:22:34,320
more and you know the orb sightings for

2357
01:22:38,070 --> 01:22:36,080
whatever they are you know of course we

2358
01:22:39,669 --> 01:22:38,080
get the orb sightings in

2359
01:22:41,270 --> 01:22:39,679
in

2360
01:22:42,310 --> 01:22:41,280
alien encounter

2361
01:22:44,149 --> 01:22:42,320
you know

2362
01:22:46,550 --> 01:22:44,159
cases all the time

2363
01:22:50,790 --> 01:22:46,560

but we're getting more and more with

2364

01:22:53,669 --> 01:22:50,800

with bigfoot and and upper canines

2365

01:22:56,310 --> 01:22:53,679

now another listener uh scarborough uh

2366

01:22:59,030 --> 01:22:56,320

sasquatch station

2367

01:23:01,189 --> 01:22:59,040

made a comment that i wanted to address

2368

01:23:02,790 --> 01:23:01,199

that seemed pretty uh

2369

01:23:05,590 --> 01:23:02,800

relevant

2370

01:23:08,390 --> 01:23:05,600

they were asking about what what what is

2371

01:23:10,629 --> 01:23:08,400

a a [h__\h] like i can't wait i lost it it

2372

01:23:12,470 --> 01:23:10,639

was just there

2373

01:23:15,350 --> 01:23:12,480

they were asking about people

2374

01:23:17,350 --> 01:23:15,360

shape-shifting and what what causes it

2375

01:23:19,590 --> 01:23:17,360

or what what it could be i guess was the

2376

01:23:22,390 --> 01:23:19,600

question

2377

01:23:27,189 --> 01:23:24,470

here it says how do shape-shifters

2378

01:23:29,189 --> 01:23:27,199

change from human wolf human any idea

2379

01:23:31,189 --> 01:23:29,199

how they can change is it natural or

2380

01:23:33,590 --> 01:23:31,199

black magic obviously i don't think it

2381

01:23:35,990 --> 01:23:33,600

would be a natural uh

2382

01:23:38,149 --> 01:23:36,000

process but i do believe through some

2383

01:23:41,110 --> 01:23:38,159

sort of uh you know

2384

01:23:43,030 --> 01:23:41,120

magic i guess i don't know how to

2385

01:23:45,270 --> 01:23:43,040

say that i mean that's that's a i don't

2386

01:23:47,590 --> 01:23:45,280

know is it the subjective term what

2387

01:23:51,030 --> 01:23:47,600

would you call that i mean magic

2388

01:23:52,870 --> 01:23:51,040

to some societies would be uh science

2389

01:23:55,830 --> 01:23:52,880

you know to us like you know we can we

2390

01:23:57,189 --> 01:23:55,840

can if you went back to a primitive time

2391

01:23:59,110 --> 01:23:57,199

and showed him a lighter they would be

2392

01:24:00,629 --> 01:23:59,120

like whoa this guy's making magic you

2393

01:24:02,629 --> 01:24:00,639

know that's magic

2394

01:24:04,229 --> 01:24:02,639

um you know now you just look at it you

2395

01:24:06,870 --> 01:24:04,239

know that's a big it's a big lie you

2396

01:24:08,470 --> 01:24:06,880

know um it's not magic at all and

2397

01:24:10,149 --> 01:24:08,480

there's nothing really even all that

2398

01:24:11,910 --> 01:24:10,159

sciencey about it but

2399

01:24:14,310 --> 01:24:11,920

yeah i mean i think it's just it just

2400

01:24:15,750 --> 01:24:14,320

all depends on the society but i do

2401

01:24:17,430 --> 01:24:15,760

believe that there is a way to do this

2402

01:24:18,709 --> 01:24:17,440

and people think i'm crazy when i tell

2403

01:24:21,270 --> 01:24:18,719

them that but look

2404

01:24:22,790 --> 01:24:21,280

i got a report off of lake travis

2405

01:24:23,830 --> 01:24:22,800

there was a guy that was a security and

2406

01:24:25,590 --> 01:24:23,840

i know a lot of security people have

2407

01:24:27,430 --> 01:24:25,600

been doing it for years i have a company

2408

01:24:28,229 --> 01:24:27,440

and we work with all kinds of different

2409

01:24:30,310 --> 01:24:28,239

people

2410

01:24:32,310 --> 01:24:30,320

and he was out there they were doing the

2411

01:24:33,830 --> 01:24:32,320

pest control in the early months of the

2412

01:24:35,430 --> 01:24:33,840

spring you know because they go and they

2413

01:24:37,430 --> 01:24:35,440

they they do the pest control on the

2414

01:24:39,750 --> 01:24:37,440

yachts and stuff people want

2415

01:24:41,669 --> 01:24:39,760

because those boats that dock there they

2416

01:24:44,070 --> 01:24:41,679

get a lot of spiders and things in them

2417

01:24:45,669 --> 01:24:44,080

which i hate but anyway we had a guy

2418

01:24:47,830 --> 01:24:45,679

that was doing security out there and so

2419

01:24:49,669 --> 01:24:47,840

he told us a crazy story

2420

01:24:52,470 --> 01:24:49,679

um he told me and three of my guys he

2421

01:24:53,590 --> 01:24:52,480

told us that he had a pest control guy

2422

01:24:56,229 --> 01:24:53,600

come out there and when they were

2423

01:24:58,870 --> 01:24:56,239

walking out there to the docks

2424

01:25:00,229 --> 01:24:58,880

they saw this what looked like a dog you

2425

01:25:01,510 --> 01:25:00,239

know swimming

2426
01:25:02,709 --> 01:25:01,520
in the water and they thought oh there's

2427
01:25:04,870 --> 01:25:02,719
something swimming in the water and it

2428
01:25:07,030 --> 01:25:04,880
had like a dog-like head as it got

2429
01:25:09,430 --> 01:25:07,040
closer they thought oh it's a it's a

2430
01:25:11,270 --> 01:25:09,440
it's a wolf it's it's black

2431
01:25:13,510 --> 01:25:11,280
and then as it got closer they were like

2432
01:25:15,350 --> 01:25:13,520
that is not a wolf that isn't a dog i

2433
01:25:18,149 --> 01:25:15,360
don't know what that is and it looked it

2434
01:25:20,229 --> 01:25:18,159
really elongated and they they saw the

2435
01:25:22,470 --> 01:25:20,239
weird-looking feet coming up from behind

2436
01:25:25,110 --> 01:25:22,480
it which that's not going to be you know

2437
01:25:27,189 --> 01:25:25,120
and it looked more humanoid in shape and

2438
01:25:28,790 --> 01:25:27,199

it didn't have the the dog like doing

2439

01:25:30,550 --> 01:25:28,800

the dog paddle thing and it was like a

2440

01:25:32,470 --> 01:25:30,560

man swimming

2441

01:25:33,830 --> 01:25:32,480

look like his front was doing a dog

2442

01:25:35,189 --> 01:25:33,840

paddle but his back legs were kind of

2443

01:25:37,350 --> 01:25:35,199

kicking back and forth and they were

2444

01:25:38,950 --> 01:25:37,360

like dude what in the heck is that

2445

01:25:41,750 --> 01:25:38,960

well here's the weird story and i've

2446

01:25:44,550 --> 01:25:41,760

told this story on my show and like it

2447

01:25:46,550 --> 01:25:44,560

got to the shore

2448

01:25:48,470 --> 01:25:46,560

when this thing got like got up out of

2449

01:25:50,229 --> 01:25:48,480

the water it was on all fours it

2450

01:25:52,470 --> 01:25:50,239

immediately came up once it got

2451
01:25:54,950 --> 01:25:52,480
completely on the land popped up onto

2452
01:25:56,709 --> 01:25:54,960
two legs and as it continued to walk it

2453
01:25:58,950 --> 01:25:56,719
began to shrink before their eyes like

2454
01:26:01,910 --> 01:25:58,960
just began to get smaller and smaller

2455
01:26:03,990 --> 01:26:01,920
and the hair began to fall off of it

2456
01:26:05,990 --> 01:26:04,000
turning into like a green mist it was

2457
01:26:08,790 --> 01:26:06,000
coming off of this creature

2458
01:26:11,590 --> 01:26:08,800
and this thing turned into a

2459
01:26:14,390 --> 01:26:11,600
uh swarthy skinned

2460
01:26:16,629 --> 01:26:14,400
native american looking person with long

2461
01:26:17,990 --> 01:26:16,639
hair and he just kind of shook off like

2462
01:26:19,750 --> 01:26:18,000
that and he turned and looked at them

2463
01:26:22,070 --> 01:26:19,760

and he just kind of nodded like what's

2464

01:26:23,669 --> 01:26:22,080

up and then went right into the woods

2465

01:26:27,110 --> 01:26:23,679

completely naked

2466

01:26:28,870 --> 01:26:27,120

um and and this story was told to me

2467

01:26:30,870 --> 01:26:28,880

i asked both of these guys and i got a

2468

01:26:32,870 --> 01:26:30,880

hold of the pest control guy and that

2469

01:26:34,709 --> 01:26:32,880

was a chore in itself but i got a hold

2470

01:26:36,470 --> 01:26:34,719

of him and i said hey can you talk to me

2471

01:26:38,310 --> 01:26:36,480

about this he kind of blew me off at

2472

01:26:39,669 --> 01:26:38,320

first i was persistent and then the guy

2473

01:26:41,189 --> 01:26:39,679

said look i'm going to tell you what i

2474

01:26:42,550 --> 01:26:41,199

saw

2475

01:26:44,950 --> 01:26:42,560

i mean this was

2476

01:26:46,790 --> 01:26:44,960

identical to they had the same story it

2477

01:26:48,790 --> 01:26:46,800

wasn't you know they didn't i don't

2478

01:26:50,629 --> 01:26:48,800

believe they were deviating and i i

2479

01:26:52,149 --> 01:26:50,639

believe that i believe them

2480

01:26:54,709 --> 01:26:52,159

i don't think they concocted this there

2481

01:26:56,950 --> 01:26:54,719

was nothing to be gained by it uh me and

2482

01:26:58,870 --> 01:26:56,960

three different people uh heard this

2483

01:27:00,629 --> 01:26:58,880

story and so

2484

01:27:01,990 --> 01:27:00,639

i i you know we went to go eat lunch

2485

01:27:03,270 --> 01:27:02,000

afterwards just me and my brother and a

2486

01:27:04,790 --> 01:27:03,280

couple other people and we were talking

2487

01:27:06,390 --> 01:27:04,800

about this and like what is to be made

2488

01:27:09,110 --> 01:27:06,400

of that what do you think we came up

2489

01:27:10,550 --> 01:27:09,120

with all kinds of theories and ideas

2490

01:27:13,030 --> 01:27:10,560

um

2491

01:27:14,870 --> 01:27:13,040

you know a guy in a suit

2492

01:27:16,390 --> 01:27:14,880

i don't know i mean you know but

2493

01:27:19,030 --> 01:27:16,400

the way that they were describing the it

2494

01:27:20,790 --> 01:27:19,040

was like literally morphing i mean

2495

01:27:22,229 --> 01:27:20,800

does that mean that werewolves exist no

2496

01:27:24,229 --> 01:27:22,239

i'm not saying that these things are

2497

01:27:26,470 --> 01:27:24,239

werewolves but could that be one of the

2498

01:27:28,470 --> 01:27:26,480

possibilities because we have skin

2499

01:27:31,990 --> 01:27:28,480

walkers we have stories of skinwalkers

2500

01:27:33,750 --> 01:27:32,000

doing all kinds of crazy things dude um

2501

01:27:35,430 --> 01:27:33,760

i had a friend of mine he's a ute and he

2502

01:27:37,110 --> 01:27:35,440

told me he's like don't trust deer don't

2503

01:27:39,030 --> 01:27:37,120

trust coyotes because around here you

2504

01:27:40,709 --> 01:27:39,040

don't know if that's really what that is

2505

01:27:41,669 --> 01:27:40,719

i mean he told me that point blank you

2506

01:27:43,110 --> 01:27:41,679

know i mean these things will jump

2507

01:27:44,629 --> 01:27:43,120

across the road and make you wreck and

2508

01:27:47,430 --> 01:27:44,639

it's a skin walker

2509

01:27:49,990 --> 01:27:47,440

and so when you hear stories like that

2510

01:27:51,270 --> 01:27:50,000

of like these uh these skin walker type

2511

01:27:53,270 --> 01:27:51,280

creatures

2512

01:27:55,590 --> 01:27:53,280

are entities whatever then you know that

2513

01:27:58,629 --> 01:27:55,600

there's something more going on

2514

01:28:00,229 --> 01:27:58,639

than just like a uh

2515

01:28:01,750 --> 01:28:00,239

a flesh and blood like creature that

2516

01:28:03,430 --> 01:28:01,760

just lives in the woods all the time or

2517

01:28:06,550 --> 01:28:03,440

whatever there's more than just that

2518

01:28:09,189 --> 01:28:06,560

going on i had a woman on my on my show

2519

01:28:12,390 --> 01:28:09,199

who has a very large group

2520

01:28:14,550 --> 01:28:12,400

you know on on facebook and she she came

2521

01:28:16,310 --> 01:28:14,560

on my show and she talked about what she

2522

01:28:17,430 --> 01:28:16,320

believed was a werewolf she saw a

2523

01:28:19,590 --> 01:28:17,440

werewolf

2524

01:28:21,510 --> 01:28:19,600

um you know the clothes were there there

2525

01:28:23,350 --> 01:28:21,520

was a pile of clothes and then she ran

2526

01:28:24,629 --> 01:28:23,360

into this thing out of the

2527

01:28:26,070 --> 01:28:24,639

middle of the woods it was a giant

2528

01:28:29,030 --> 01:28:26,080

looking creature

2529

01:28:30,870 --> 01:28:29,040

um you she knew it was a not a

2530

01:28:32,709 --> 01:28:30,880

dog man as we think of as like something

2531

01:28:33,910 --> 01:28:32,719

that's that way 24 7. it was a

2532

01:28:34,790 --> 01:28:33,920

shape-shifter

2533

01:28:36,709 --> 01:28:34,800

um

2534

01:28:39,669 --> 01:28:36,719

you know i really think that that could

2535

01:28:42,070 --> 01:28:39,679

be a possibility um

2536

01:28:43,910 --> 01:28:42,080

when you start to get deep really deep

2537

01:28:45,430 --> 01:28:43,920

you start to go back into the legends

2538

01:28:47,830 --> 01:28:45,440

that we have

2539

01:28:49,189 --> 01:28:47,840

uh i did a show on bible theology i

2540

01:28:51,270 --> 01:28:49,199

think it's very important you know

2541

01:28:53,030 --> 01:28:51,280

because i did it with paul wallace he's

2542

01:28:55,669 --> 01:28:53,040

from the fifth country's good guy

2543

01:28:56,950 --> 01:28:55,679

and we talked about you know

2544

01:28:58,709 --> 01:28:56,960

we touched on a lot of different

2545

01:29:01,830 --> 01:28:58,719

subjects how the bible translations

2546

01:29:02,870 --> 01:29:01,840

aren't correct because the the language

2547

01:29:04,870 --> 01:29:02,880

barrier

2548

01:29:06,950 --> 01:29:04,880

um and i think that what

2549

01:29:09,270 --> 01:29:06,960

where we come from as a people i think

2550

01:29:11,669 --> 01:29:09,280

that we i do believe in the one god the

2551

01:29:14,149 --> 01:29:11,679

most high but i also think that we may

2552

01:29:16,310 --> 01:29:14,159

have been seated here by a population

2553

01:29:18,070 --> 01:29:16,320

that resembled us and they made us in

2554

01:29:20,390 --> 01:29:18,080

their image and i and i touched on this

2555

01:29:22,870 --> 01:29:20,400

on my show on tuesday that i believe

2556

01:29:23,990 --> 01:29:22,880

that these nephilim these dog men or

2557

01:29:25,830 --> 01:29:24,000

whatever you want to call them could

2558

01:29:26,870 --> 01:29:25,840

have been something that was created by

2559

01:29:30,870 --> 01:29:26,880

them

2560

01:29:32,470 --> 01:29:30,880

to uh control us the humans

2561

01:29:34,149 --> 01:29:32,480

you know now somebody asked me the

2562

01:29:35,669 --> 01:29:34,159

question why did they make us so

2563

01:29:38,629 --> 01:29:35,679

diminutive and small i was like you

2564

01:29:39,910 --> 01:29:38,639

wouldn't want something your same size

2565

01:29:41,750 --> 01:29:39,920

you know breeding and getting out of

2566

01:29:43,030 --> 01:29:41,760

control so you had to make them smaller

2567

01:29:44,950 --> 01:29:43,040

so that if they got out of control you

2568

01:29:47,430 --> 01:29:44,960

could just dump them punch them across

2569

01:29:49,189 --> 01:29:47,440

the room or whatever and so that's why

2570

01:29:50,229 --> 01:29:49,199

they were giants that's why they were so

2571

01:29:51,270 --> 01:29:50,239

large

2572

01:29:53,750 --> 01:29:51,280

and of course they're going to make

2573

01:29:55,510 --> 01:29:53,760

these their guardians their guard dogs

2574

01:29:57,430 --> 01:29:55,520

the dog man they're going to be bigger

2575

01:29:59,030 --> 01:29:57,440

and stronger and more powerful than us

2576

01:30:01,669 --> 01:29:59,040

but not quite as big and as strong as

2577

01:30:03,590 --> 01:30:01,679

them so they could still be subdued

2578

01:30:05,110 --> 01:30:03,600

but hey this this human is getting out

2579

01:30:07,430 --> 01:30:05,120

of getting out of line he doesn't want

2580

01:30:09,430 --> 01:30:07,440

to use his pickaxe to mine for gold or

2581

01:30:10,550 --> 01:30:09,440

whatever tool they gave us

2582

01:30:11,830 --> 01:30:10,560

um

2583

01:30:13,830 --> 01:30:11,840

now he thinks he's going to leave we'll

2584

01:30:15,590 --> 01:30:13,840

go ahead and get him and bring him back

2585

01:30:17,830 --> 01:30:15,600

but then the flood comes this is just a

2586

01:30:19,510 --> 01:30:17,840

theory but then the flood comes and and

2587

01:30:21,750 --> 01:30:19,520

it wipes out all these creatures or at

2588

01:30:22,790 --> 01:30:21,760

least a bunch of them because it didn't

2589

01:30:24,229 --> 01:30:22,800

flood the entire earth and

2590

01:30:25,270 --> 01:30:24,239

archaeologically we know that there was

2591

01:30:26,629 --> 01:30:25,280

flooding

2592

01:30:29,590 --> 01:30:26,639

um so this would have been an

2593

01:30:31,189 --> 01:30:29,600

anti-deluvian period but after that

2594

01:30:34,390 --> 01:30:31,199

it says in the book of enoch that they

2595

01:30:35,990 --> 01:30:34,400

became evil spirits for all time so what

2596

01:30:37,270 --> 01:30:36,000

they just went into the fourth dimension

2597

01:30:39,990 --> 01:30:37,280

where you know where they originally

2598

01:30:41,910 --> 01:30:40,000

came from you know as forms they can

2599

01:30:43,830 --> 01:30:41,920

come in and out of our world

2600

01:30:45,910 --> 01:30:43,840

uh linda godfrey posed the theory that

2601
01:30:47,189 --> 01:30:45,920
when they come to our world the longer

2602
01:30:49,510 --> 01:30:47,199
they're here

2603
01:30:51,189 --> 01:30:49,520
the the more they they have to actually

2604
01:30:52,950 --> 01:30:51,199
they're physical they become more

2605
01:30:55,030 --> 01:30:52,960
physical they have to eat they have to

2606
01:30:56,149 --> 01:30:55,040
you know use the bathroom and do all

2607
01:30:58,390 --> 01:30:56,159
these things that's why you see them

2608
01:30:59,830 --> 01:30:58,400
eating roadkill you know in elkhorn you

2609
01:31:01,669 --> 01:30:59,840
know wisconsin

2610
01:31:05,270 --> 01:31:01,679
um you know you see them on the side of

2611
01:31:06,790 --> 01:31:05,280
the road you know eating deer and hogs

2612
01:31:08,629 --> 01:31:06,800
um because when they're in our world

2613
01:31:11,030 --> 01:31:08,639

they're living by our rules you know

2614

01:31:12,950 --> 01:31:11,040

what i mean um but but they are really

2615

01:31:14,950 --> 01:31:12,960

just from another dimensional plane of

2616

01:31:16,950 --> 01:31:14,960

existence um you know

2617

01:31:18,470 --> 01:31:16,960

in the kabbalah if and i'm not like

2618

01:31:20,950 --> 01:31:18,480

advocating everybody go and read about

2619

01:31:23,189 --> 01:31:20,960

magic or whatever but if you read this

2620

01:31:25,270 --> 01:31:23,199

it talks about demons or whatever we

2621

01:31:27,510 --> 01:31:25,280

know of as demons as christians in the

2622

01:31:28,870 --> 01:31:27,520

jewish faith that talks about them as

2623

01:31:31,590 --> 01:31:28,880

uh creatures

2624

01:31:34,149 --> 01:31:31,600

that were from another another universe

2625

01:31:36,870 --> 01:31:34,159

that was compressed up upon itself like

2626

01:31:38,790 --> 01:31:36,880

it you know compressed and they became

2627

01:31:41,430 --> 01:31:38,800

fragmented beings so that's why the

2628

01:31:44,229 --> 01:31:41,440

demons look like a mismatch of different

2629

01:31:45,830 --> 01:31:44,239

animal parts or whatever i think that

2630

01:31:47,590 --> 01:31:45,840

that could be

2631

01:31:48,870 --> 01:31:47,600

making a reference to the anti-diluvian

2632

01:31:50,629 --> 01:31:48,880

period when these things were roaming

2633

01:31:53,430 --> 01:31:50,639

around freely

2634

01:31:55,189 --> 01:31:53,440

and then something happened and now you

2635

01:31:57,270 --> 01:31:55,199

got these weird you know types of

2636

01:31:59,910 --> 01:31:57,280

creatures or whatever you know i mean

2637

01:32:01,350 --> 01:31:59,920

that's another way to look at it i mean

2638

01:32:03,189 --> 01:32:01,360

i don't know i just think if you go

2639

01:32:05,189 --> 01:32:03,199

around the rabbit hole far enough it

2640

01:32:07,270 --> 01:32:05,199

takes you back to the annunaki

2641

01:32:09,590 --> 01:32:07,280

and whatever tampering they were doing

2642

01:32:11,430 --> 01:32:09,600

the fallen you know

2643

01:32:13,030 --> 01:32:11,440

and they were not supposed to do that

2644

01:32:14,550 --> 01:32:13,040

they were sent here for a specific

2645

01:32:16,229 --> 01:32:14,560

reason and they decided to do whatever

2646

01:32:18,229 --> 01:32:16,239

they wanted to do

2647

01:32:21,189 --> 01:32:18,239

and their king

2648

01:32:22,790 --> 01:32:21,199

or kings set themselves up as gods

2649

01:32:24,229 --> 01:32:22,800

and you know they lived to be thousands

2650

01:32:26,629 --> 01:32:24,239

and thousands of years which also

2651
01:32:29,510 --> 01:32:26,639
coincides with the yugas you know the

2652
01:32:31,750 --> 01:32:29,520
different time periods the dwarpa yuga

2653
01:32:33,270 --> 01:32:31,760
which i think ended with the flood

2654
01:32:34,950 --> 01:32:33,280
which i think in the in those days

2655
01:32:36,790 --> 01:32:34,960
people lived to be ten thousand years

2656
01:32:39,430 --> 01:32:36,800
and in the tetra yuga before that they

2657
01:32:40,950 --> 01:32:39,440
lived to be you know uh you know that

2658
01:32:42,470 --> 01:32:40,960
was a thousand years i'm sorry doorbell

2659
01:32:44,390 --> 01:32:42,480
the tetrahedron was ten thousand years

2660
01:32:46,950 --> 01:32:44,400
and the saturated 100 000 years

2661
01:32:48,950 --> 01:32:46,960
i mean michael cremo he talks about that

2662
01:32:50,470 --> 01:32:48,960
i think there's some validity to that

2663
01:32:53,189 --> 01:32:50,480

and i think that with these creatures

2664

01:32:55,430 --> 01:32:53,199

where they come from um within the earth

2665

01:32:57,030 --> 01:32:55,440

you know in the book of job when god

2666

01:32:58,550 --> 01:32:57,040

talks to satan he says where have you

2667

01:33:01,350 --> 01:32:58,560

been he says i've been walking to and

2668

01:33:02,870 --> 01:33:01,360

fro upon and within the earth

2669

01:33:05,030 --> 01:33:02,880

i think that's very telling i think that

2670

01:33:06,709 --> 01:33:05,040

passage is very telling because he's

2671

01:33:08,790 --> 01:33:06,719

telling god that he dwells within the

2672

01:33:10,149 --> 01:33:08,800

earth he spent some time there i mean

2673

01:33:11,990 --> 01:33:10,159

he's been up under the earth doing

2674

01:33:14,950 --> 01:33:12,000

whatever he's been doing

2675

01:33:16,709 --> 01:33:14,960

um you know and so he's chaton he's you

2676

01:33:18,470 --> 01:33:16,719

know the evil one the dark one or

2677

01:33:20,229 --> 01:33:18,480

whatever of course he's going to have

2678

01:33:21,430 --> 01:33:20,239

minions and they're going to live

2679

01:33:23,590 --> 01:33:21,440

somewhere

2680

01:33:26,310 --> 01:33:23,600

and i think that their ability to be

2681

01:33:27,189 --> 01:33:26,320

metaphysical and and shape shift and all

2682

01:33:32,229 --> 01:33:27,199

that

2683

01:33:33,750 --> 01:33:32,239

people learn to open up more strands of

2684

01:33:36,070 --> 01:33:33,760

dna

2685

01:33:37,990 --> 01:33:36,080

and i think it actually can they can

2686

01:33:40,870 --> 01:33:38,000

they can perform these these types of

2687

01:33:42,310 --> 01:33:40,880

rituals and this magic um elijah we've

2688

01:33:45,189 --> 01:33:42,320

talked about this about the granny

2689

01:33:46,229 --> 01:33:45,199

witches and of course the the

2690

01:33:47,830 --> 01:33:46,239

amish

2691

01:33:50,629 --> 01:33:47,840

and law and me and you spoke not too

2692

01:33:52,790 --> 01:33:50,639

long ago about the amish um and how they

2693

01:33:54,790 --> 01:33:52,800

have a book uh which they practice some

2694

01:33:56,790 --> 01:33:54,800

magic called pow wow and they have a

2695

01:34:00,310 --> 01:33:56,800

book called my companion

2696

01:34:01,990 --> 01:34:00,320

and then those books they are lost

2697

01:34:03,430 --> 01:34:02,000

long lost friends i've actually got a

2698

01:34:05,669 --> 01:34:03,440

copy of that

2699

01:34:08,149 --> 01:34:05,679

yeah and so you know

2700

01:34:10,790 --> 01:34:08,159

right but i got it i mean

2701
01:34:13,669 --> 01:34:10,800
the esoteric you know i mean it's just

2702
01:34:15,590 --> 01:34:13,679
it's it's crazy i mean like i've seen

2703
01:34:17,110 --> 01:34:15,600
spells i've been to colenderas and

2704
01:34:19,189 --> 01:34:17,120
brinas i don't

2705
01:34:20,390 --> 01:34:19,199
partake of it but i've i've interviewed

2706
01:34:22,229 --> 01:34:20,400
them i've talked to them and they've

2707
01:34:23,669 --> 01:34:22,239
told me yeah i can put a spell on you

2708
01:34:24,550 --> 01:34:23,679
and make you

2709
01:34:27,110 --> 01:34:24,560
you know

2710
01:34:28,629 --> 01:34:27,120
weak and and feeble and senile and they

2711
01:34:30,709 --> 01:34:28,639
can do all kinds of things they can

2712
01:34:33,590 --> 01:34:30,719
afflict you in so many different types

2713
01:34:36,070 --> 01:34:33,600

of ways um you know my friend's uh

2714

01:34:37,990 --> 01:34:36,080

mother she's me she's a medicine woman

2715

01:34:38,870 --> 01:34:38,000

and she she can do all kinds of things

2716

01:34:40,709 --> 01:34:38,880

to you

2717

01:34:42,310 --> 01:34:40,719

um you know she put me on the phone with

2718

01:34:43,750 --> 01:34:42,320

this woman from vietnam that that told

2719

01:34:45,350 --> 01:34:43,760

me that i had an uncle that died when he

2720

01:34:47,270 --> 01:34:45,360

was 18. his name was paul she had no way

2721

01:34:48,950 --> 01:34:47,280

to know that she's like over there in

2722

01:34:49,990 --> 01:34:48,960

saigon like how the heck would she know

2723

01:34:52,950 --> 01:34:50,000

that

2724

01:34:54,470 --> 01:34:52,960

um you know and so magic

2725

01:34:56,149 --> 01:34:54,480

i think it's real i mean i think that

2726

01:34:57,669 --> 01:34:56,159

these people can really do these things

2727

01:34:59,350 --> 01:34:57,679

and i think if it's practice the way

2728

01:35:00,790 --> 01:34:59,360

that they practice it there could be

2729

01:35:02,709 --> 01:35:00,800

shape shifters

2730

01:35:04,950 --> 01:35:02,719

things going on that we just don't

2731

01:35:06,550 --> 01:35:04,960

understand which to us right now

2732

01:35:08,229 --> 01:35:06,560

it's magic but eventually some days

2733

01:35:12,310 --> 01:35:08,239

science will catch up to it it will be

2734

01:35:16,629 --> 01:35:14,310

well i'm gonna have um i'm gonna have

2735

01:35:18,550 --> 01:35:16,639

vincent put a photograph up here we all

2736

01:35:20,790 --> 01:35:18,560

have seen it it's the beast of seven

2737

01:35:21,669 --> 01:35:20,800

shoots now what the hell is this thing

2738

01:35:25,350 --> 01:35:21,679

i'll tell

2739

01:35:30,950 --> 01:35:27,430

the guy who took this photograph first

2740

01:35:32,790 --> 01:35:30,960

contacted me about it

2741

01:35:35,149 --> 01:35:32,800

and that was i don't even know the year

2742

01:35:37,990 --> 01:35:35,159

was a

2743

01:35:39,350 --> 01:35:38,000

2008-2009 i can't remember

2744

01:35:41,669 --> 01:35:39,360

but anyway

2745

01:35:42,550 --> 01:35:41,679

he showed it to me

2746

01:35:44,470 --> 01:35:42,560

and

2747

01:35:58,070 --> 01:35:44,480

i

2748

01:36:00,149 --> 01:35:58,080

uh

2749

01:36:01,669 --> 01:36:00,159

the more and more i looked at this thing

2750

01:36:03,350 --> 01:36:01,679

i don't know what it was holding people

2751

01:36:05,109 --> 01:36:03,360

say it was holding a white dog i don't

2752

01:36:07,350 --> 01:36:05,119

know what it was holding

2753

01:36:09,030 --> 01:36:07,360

but uh i'd like to get your comments on

2754

01:36:15,430 --> 01:36:09,040

that and what you guys think this

2755

01:36:21,750 --> 01:36:17,750

it looks like an upright baboon doesn't

2756

01:36:24,550 --> 01:36:21,760

it it looks like it looks like a bipedal

2757

01:36:26,390 --> 01:36:24,560

i don't know it's a huge animal though

2758

01:36:29,030 --> 01:36:26,400

um

2759

01:36:30,470 --> 01:36:29,040

yeah the the the like that would be my

2760

01:36:33,189 --> 01:36:30,480

first impression that we're looking at

2761

01:36:36,629 --> 01:36:33,199

something with the head of a baboon

2762

01:36:38,470 --> 01:36:36,639

um it has almost the kind of long arms

2763

01:36:41,669 --> 01:36:38,480

as one two

2764

01:36:41,679 --> 01:36:49,430

just strange yeah just strange

2765

01:36:49,440 --> 01:36:58,709

[Music]

2766

01:36:58,719 --> 01:37:01,750

what do you think josh

2767

01:37:06,229 --> 01:37:03,590

i'll let kenny go first i've been

2768

01:37:09,510 --> 01:37:06,239

talking too much i want to can he give

2769

01:37:12,229 --> 01:37:09,520

me your give us uh your opinion on that

2770

01:37:14,070 --> 01:37:12,239

yeah yeah it's funny um when ron said

2771

01:37:16,229 --> 01:37:14,080

baboon that's the first thing like like

2772

01:37:18,229 --> 01:37:16,239

i thought of it does have like that

2773

01:37:21,910 --> 01:37:18,239

baboon head now

2774

01:37:24,229 --> 01:37:21,920

i um like no no no neck in the first

2775

01:37:26,310 --> 01:37:24,239

thing like i when i saw the

2776

01:37:27,910 --> 01:37:26,320

what you know that that white thing like

2777

01:37:29,669 --> 01:37:27,920

it's holding something like i saw it

2778

01:37:31,270 --> 01:37:29,679

kind of kind of as pink and i was

2779

01:37:33,030 --> 01:37:31,280

looking at it like you know is that like

2780

01:37:35,430 --> 01:37:33,040

a pig

2781

01:37:36,870 --> 01:37:35,440

i i i don't know it's in it looks like

2782

01:37:39,510 --> 01:37:36,880

yeah it looks like it's kind of got like

2783

01:37:39,520 --> 01:37:42,470

dinopithecus

2784

01:37:48,070 --> 01:37:45,350

uh mason county texas i got reports of

2785

01:37:50,709 --> 01:37:48,080

these kids were shooting fireworks off

2786

01:37:53,109 --> 01:37:50,719

and they describe to me

2787

01:37:55,270 --> 01:37:53,119

what i think was a dynapeticus i think

2788

01:37:57,750 --> 01:37:55,280

it was it was a to me it's a prehistoric

2789

01:38:00,229 --> 01:37:57,760

baboon looking creature it didn't

2790

01:38:01,990 --> 01:38:00,239

it didn't i mean yeah dog man in the way

2791

01:38:03,669 --> 01:38:02,000

that it had a snout but i mean like a

2792

01:38:04,950 --> 01:38:03,679

baboon or a mandrel

2793

01:38:06,709 --> 01:38:04,960

that's the only thing i could think of

2794

01:38:09,109 --> 01:38:06,719

you know like but it doesn't have the

2795

01:38:09,910 --> 01:38:09,119

the color you know the colorful without

2796

01:38:13,189 --> 01:38:09,920

but

2797

01:38:16,390 --> 01:38:13,199

the guy who took the photograph

2798

01:38:18,790 --> 01:38:16,400

he i had asked him to go back down

2799

01:38:21,030 --> 01:38:18,800

where he took it at and to try to

2800

01:38:23,270 --> 01:38:21,040

measure

2801

01:38:25,510 --> 01:38:23,280

where he thought it stood at and the

2802

01:38:27,350 --> 01:38:25,520

height and everything and he it was him

2803

01:38:29,270 --> 01:38:27,360

actually he he and three other people

2804

01:38:32,550 --> 01:38:29,280

went down there again

2805

01:38:34,950 --> 01:38:32,560

a couple days later and

2806

01:38:36,629 --> 01:38:34,960

the best they can measure was this thing

2807

01:38:40,229 --> 01:38:36,639

stood about

2808

01:38:44,470 --> 01:38:42,149

and they did go back through and look

2809

01:38:46,790 --> 01:38:44,480

for any evidence

2810

01:38:48,550 --> 01:38:46,800

uh but he said

2811

01:38:50,149 --> 01:38:48,560

he really couldn't find much of anything

2812

01:38:51,830 --> 01:38:50,159

it was so heavy in there it was in the

2813

01:38:53,430 --> 01:38:51,840

middle of summer

2814

01:38:56,390 --> 01:38:53,440

of course you can see all the leaves and

2815

01:38:57,990 --> 01:38:56,400

everything so um

2816

01:39:00,709 --> 01:38:58,000

and the one thing that's interesting to

2817

01:39:03,270 --> 01:39:00,719

me is i've been trying to find

2818

01:39:05,669 --> 01:39:03,280

any evidence of anybody seeing

2819

01:39:07,270 --> 01:39:05,679

anything in that area

2820

01:39:09,189 --> 01:39:07,280

i don't even think there's a bigfoot

2821

01:39:11,590 --> 01:39:09,199

report has come out of there and any and

2822

01:39:16,870 --> 01:39:11,600

that place is huge

2823

01:39:20,470 --> 01:39:18,790

could it be a bigfoot you would said

2824

01:39:23,669 --> 01:39:20,480

that they that they went back did they

2825

01:39:25,270 --> 01:39:23,679

by chance take any pictures of that

2826

01:39:27,350 --> 01:39:25,280

area again

2827

01:39:31,109 --> 01:39:27,360

they did they did

2828

01:39:35,430 --> 01:39:32,870

vincent said that it looks like a

2829

01:39:37,189 --> 01:39:35,440

silverback with a baboon face

2830

01:39:39,669 --> 01:39:37,199

to me this looks like a maybe a

2831

01:39:42,790 --> 01:39:39,679

prehistoric mandrel yeah i mean you know

2832

01:39:44,229 --> 01:39:42,800

dinopithecus is definitely a prehistoric

2833

01:39:46,390 --> 01:39:44,239

baboon i think that those things are

2834

01:39:49,350 --> 01:39:46,400

running around out there too i mean

2835

01:39:51,270 --> 01:39:49,360

i think that we have some uh

2836

01:39:54,390 --> 01:39:51,280

some creatures that uh are definitely

2837

01:39:56,470 --> 01:39:54,400

just throwbacks and they're still there

2838

01:39:58,470 --> 01:39:56,480

yeah to play devil's advocate though i

2839

01:39:59,750 --> 01:39:58,480

mean i could probably make an argument

2840

01:40:00,790 --> 01:39:59,760

that it's also

2841

01:40:03,430 --> 01:40:00,800

you know

2842

01:40:05,030 --> 01:40:03,440

a tree when we're we're we're seeing

2843

01:40:07,030 --> 01:40:05,040

something that's actually not there as

2844

01:40:08,790 --> 01:40:07,040

well which is so interesting what kenny

2845

01:40:10,950 --> 01:40:08,800

said i mean it would be great to go back

2846

01:40:12,229 --> 01:40:10,960

there and photograph those spots to see

2847

01:40:14,229 --> 01:40:12,239

if anything else

2848

01:40:16,550 --> 01:40:14,239

uh appears there you know what was

2849

01:40:17,830 --> 01:40:16,560

actually there well he he said it was

2850

01:40:19,830 --> 01:40:17,840

moving

2851
01:40:21,189 --> 01:40:19,840
that's how it caught his attention and

2852
01:40:24,070 --> 01:40:21,199
he said when he went back there went

2853
01:40:25,669 --> 01:40:24,080
back there right uh

2854
01:40:28,390 --> 01:40:25,679
i don't know i mean

2855
01:40:29,990 --> 01:40:28,400
this thing has confounded me from for

2856
01:40:32,390 --> 01:40:30,000
years

2857
01:40:35,109 --> 01:40:32,400
and uh everyone every once in a while i

2858
01:40:38,709 --> 01:40:35,119
go back and look at it i've actually

2859
01:40:40,550 --> 01:40:38,719
broke it down to sections

2860
01:40:44,149 --> 01:40:40,560
at one point to try to figure out what

2861
01:40:45,590 --> 01:40:44,159
the hell this thing was but um

2862
01:40:47,669 --> 01:40:45,600
you know out of all the things i've

2863
01:40:50,070 --> 01:40:47,679

gotten over all the years i think this

2864

01:40:51,750 --> 01:40:50,080

is probably one that's confounded me is

2865

01:40:55,350 --> 01:40:51,760

more than anything there's yeah there's

2866

01:41:00,229 --> 01:40:57,350

it's a little it looks more canine-like

2867

01:41:01,669 --> 01:41:00,239

from that angle yeah it does

2868

01:41:03,430 --> 01:41:01,679

it's weird

2869

01:41:04,870 --> 01:41:03,440

i think barton would be able to shed

2870

01:41:07,109 --> 01:41:04,880

some light on that we need to show him

2871

01:41:10,070 --> 01:41:07,119

that one elijah because barton

2872

01:41:13,109 --> 01:41:10,080

the sykesville monster um

2873

01:41:13,910 --> 01:41:13,119

i'm sorry spotsfield monster

2874

01:41:15,910 --> 01:41:13,920

uh

2875

01:41:17,990 --> 01:41:15,920

you know he's writing he's still writing

2876

01:41:19,750 --> 01:41:18,000

that book and now that he's changing

2877

01:41:21,830 --> 01:41:19,760

jobs he's been having a little more time

2878

01:41:23,109 --> 01:41:21,840

i'm hoping that he'll finish it

2879

01:41:24,709 --> 01:41:23,119

he talked about these two different

2880

01:41:26,470 --> 01:41:24,719

creatures that were

2881

01:41:28,229 --> 01:41:26,480

they had a i guess a symbiotic

2882

01:41:30,550 --> 01:41:28,239

relationship because one of them was

2883

01:41:33,669 --> 01:41:30,560

bigfoot looking

2884

01:41:35,830 --> 01:41:33,679

but it had uh the dog man face

2885

01:41:38,229 --> 01:41:35,840

but the ears weren't didn't stick up the

2886

01:41:39,510 --> 01:41:38,239

ears were on the side of the head elijah

2887

01:41:41,030 --> 01:41:39,520

you've heard barton talk about this

2888

01:41:42,950 --> 01:41:41,040

right

2889

01:41:44,390 --> 01:41:42,960

oh we lost him

2890

01:41:45,750 --> 01:41:44,400

well anyway barton told me that there

2891

01:41:46,550 --> 01:41:45,760

were two different creatures and one of

2892

01:41:49,270 --> 01:41:46,560

them

2893

01:41:51,669 --> 01:41:49,280

looked more like a werewolf and the

2894

01:41:53,430 --> 01:41:51,679

other one looked kind of like a bigfoot

2895

01:41:54,629 --> 01:41:53,440

but it had the ears on the side but it

2896

01:41:55,430 --> 01:41:54,639

had a snout

2897

01:41:57,270 --> 01:41:55,440

which

2898

01:42:00,149 --> 01:41:57,280

it looks very much like that beast of

2899

01:42:02,790 --> 01:42:00,159

seven shoots photo and so when barton

2900

01:42:04,390 --> 01:42:02,800

nunley told me that

2901
01:42:06,070 --> 01:42:04,400
that that's that's what came to mind was

2902
01:42:07,270 --> 01:42:06,080
like beasts of seven shoots you know we

2903
01:42:09,109 --> 01:42:07,280
were talking one night and he was

2904
01:42:10,870 --> 01:42:09,119
describing to me how

2905
01:42:12,629 --> 01:42:10,880
they would be seen together too it

2906
01:42:14,470 --> 01:42:12,639
wasn't they were they were different

2907
01:42:15,669 --> 01:42:14,480
distinctly different creatures

2908
01:42:16,870 --> 01:42:15,679
but yet they were running around

2909
01:42:18,390 --> 01:42:16,880
together

2910
01:42:19,990 --> 01:42:18,400
and before people say oh well that

2911
01:42:22,709 --> 01:42:20,000
doesn't make any sense well why do you

2912
01:42:24,870 --> 01:42:22,719
see dog men hanging out with coyotes or

2913
01:42:27,270 --> 01:42:24,880

even little dogs i mean we've heard the

2914

01:42:30,149 --> 01:42:27,280

stories of these

2915

01:42:34,070 --> 01:42:30,159

things you know and it's just

2916

01:42:36,229 --> 01:42:34,080

uh what what are they i have no idea um

2917

01:42:38,149 --> 01:42:36,239

why they do what they do

2918

01:42:39,669 --> 01:42:38,159

i mean i can't answer that i just

2919

01:42:42,629 --> 01:42:39,679

another thing

2920

01:42:44,629 --> 01:42:42,639

that's really odd is you you and i and i

2921

01:42:45,510 --> 01:42:44,639

i told somebody this recently

2922

01:42:47,189 --> 01:42:45,520

um

2923

01:42:49,189 --> 01:42:47,199

i had somebody ask me they said why is

2924

01:42:50,550 --> 01:42:49,199

this rake looking creature this uh

2925

01:42:52,310 --> 01:42:50,560

translucent

2926
01:42:54,149 --> 01:42:52,320
you know really skinny pale humanoid

2927
01:42:56,790 --> 01:42:54,159
creature that crawls around

2928
01:42:58,470 --> 01:42:56,800
i know lon one of the stories that you

2929
01:43:00,709 --> 01:42:58,480
that i read on in one of your books that

2930
01:43:03,430 --> 01:43:00,719
really intrigued me about penelope

2931
01:43:05,750 --> 01:43:03,440
um yeah really stuck with me dude i mean

2932
01:43:07,830 --> 01:43:05,760
it was my it's in the new book actually

2933
01:43:09,669 --> 01:43:07,840
but uh yeah the penelope

2934
01:43:11,590 --> 01:43:09,679
signings up in the sierra nevada's

2935
01:43:12,629 --> 01:43:11,600
that's pretty bizarre

2936
01:43:14,790 --> 01:43:12,639
uh and

2937
01:43:16,390 --> 01:43:14,800
quite frankly i i didn't even really

2938
01:43:18,709 --> 01:43:16,400

come up with the name until i talked to

2939

01:43:20,470 --> 01:43:18,719

one of the rangers up there

2940

01:43:22,830 --> 01:43:20,480

and then it was seen like crossing the

2941

01:43:26,229 --> 01:43:22,840

road on all fours too yeah

2942

01:43:27,590 --> 01:43:26,239

yeah yeah i mean it's

2943

01:43:29,910 --> 01:43:27,600

you know

2944

01:43:30,950 --> 01:43:29,920

that's it's weird i mean this whole this

2945

01:43:33,430 --> 01:43:30,960

whole

2946

01:43:36,390 --> 01:43:33,440

pale humanoid

2947

01:43:38,790 --> 01:43:36,400

phenomena is just bizarre i mean that's

2948

01:43:40,790 --> 01:43:38,800

all i can say it is i mean it just seems

2949

01:43:42,950 --> 01:43:40,800

yeah well there's another picture

2950

01:43:44,550 --> 01:43:42,960

that's my sliding

2951

01:43:46,870 --> 01:43:44,560

now

2952

01:43:47,590 --> 01:43:46,880

if you guys looked at that if that if

2953

01:43:51,990 --> 01:43:47,600

you

2954

01:43:53,990 --> 01:43:52,000

i had i had a forensic artist

2955

01:43:55,910 --> 01:43:54,000

developed that picture of my setting

2956

01:43:58,390 --> 01:43:55,920

from 1981

2957

01:44:01,510 --> 01:43:58,400

and this is what i saw now

2958

01:44:03,510 --> 01:44:01,520

if you saw that thing and you had a gun

2959

01:44:05,669 --> 01:44:03,520

or if you had your tensions to shoot a

2960

01:44:08,070 --> 01:44:05,679

bigfoot would you shoot that or would

2961

01:44:10,229 --> 01:44:08,080

that be too human for you

2962

01:44:13,270 --> 01:44:10,239

yeah far too human

2963

01:44:14,629 --> 01:44:13,280

yeah wait way way way too human

2964

01:44:16,070 --> 01:44:14,639

absolutely

2965

01:44:18,229 --> 01:44:16,080

truth be told i wouldn't shoot it in

2966

01:44:20,229 --> 01:44:18,239

general unless i wouldn't either but i'm

2967

01:44:22,229 --> 01:44:20,239

just saying let's say um but you had to

2968

01:44:24,470 --> 01:44:22,239

make a determination

2969

01:44:26,229 --> 01:44:24,480

if he was attacking me i'd go for it oh

2970

01:44:28,470 --> 01:44:26,239

yeah yeah well attacking's different

2971

01:44:30,229 --> 01:44:28,480

yeah well i was within 40 foot of this

2972

01:44:32,390 --> 01:44:30,239

thing

2973

01:44:34,790 --> 01:44:32,400

it was about eight foot

2974

01:44:36,629 --> 01:44:34,800

and it looked just like that

2975

01:44:38,229 --> 01:44:36,639

and i've always described as looking

2976

01:44:40,390 --> 01:44:38,239

like a neanderthal

2977

01:44:43,430 --> 01:44:40,400

and i think that's probably as good as

2978

01:44:44,950 --> 01:44:43,440

description as anything but it did look

2979

01:44:47,430 --> 01:44:44,960

more human

2980

01:44:49,590 --> 01:44:47,440

uh now the body was huge you know

2981

01:44:51,669 --> 01:44:49,600

it was definitely male

2982

01:44:54,229 --> 01:44:51,679

i saw the genitalia in this thing and

2983

01:44:55,990 --> 01:44:54,239

you know it was it was just huge

2984

01:44:58,790 --> 01:44:56,000

but

2985

01:45:00,709 --> 01:44:58,800

i this is this was before i even started

2986

01:45:03,109 --> 01:45:00,719

looking into any type of cryptics or any

2987

01:45:05,830 --> 01:45:03,119

type of bigfoot or anything

2988

01:45:07,270 --> 01:45:05,840

but i had my encounter with this thing

2989

01:45:09,590 --> 01:45:07,280

so

2990

01:45:11,030 --> 01:45:09,600

i i really didn't even think of bigfoot

2991

01:45:12,550 --> 01:45:11,040

when i saw it

2992

01:45:15,669 --> 01:45:12,560

i didn't know what the hell i thought it

2993

01:45:17,510 --> 01:45:15,679

was be honest with you

2994

01:45:20,550 --> 01:45:17,520

well lon you you had told me that you

2995

01:45:23,030 --> 01:45:20,560

your parents had ran an antique store

2996

01:45:24,709 --> 01:45:23,040

right they they used to collect antiques

2997

01:45:27,430 --> 01:45:24,719

collect antiques and you had told me

2998

01:45:29,990 --> 01:45:27,440

that you had seen spirit type

2999

01:45:31,030 --> 01:45:30,000

you know things yeah and so i mean there

3000

01:45:33,510 --> 01:45:31,040

again

3001

01:45:37,030 --> 01:45:33,520

it seems like a lot of people that see

3002

01:45:39,510 --> 01:45:37,040

dog men and different creatures you know

3003

01:45:42,149 --> 01:45:39,520

they they tend to people that have seen

3004

01:45:44,470 --> 01:45:42,159

spirits i mean like most every witness

3005

01:45:46,390 --> 01:45:44,480

i've talked to has seeing a ghost of

3006

01:45:48,070 --> 01:45:46,400

some kind it's very rare that you just

3007

01:45:50,070 --> 01:45:48,080

talk to somebody that's all they've seen

3008

01:45:52,310 --> 01:45:50,080

i'm an intuitive and i've always been an

3009

01:45:55,270 --> 01:45:52,320

intuitive and even when i was i had an

3010

01:45:57,910 --> 01:45:55,280

encounter when i was nine at gettysburg

3011

01:45:59,910 --> 01:45:57,920

i um had something happen that convinced

3012

01:46:01,350 --> 01:45:59,920

me that i was different

3013

01:46:03,510 --> 01:46:01,360

so yeah i

3014

01:46:07,350 --> 01:46:03,520

i've always been intuitive i could

3015

01:46:11,310 --> 01:46:07,360

detect spirit energy around me

3016

01:46:15,189 --> 01:46:13,270

manifestations

3017

01:46:17,510 --> 01:46:15,199

though i i have

3018

01:46:19,270 --> 01:46:17,520

my minds i have seen a lot of different

3019

01:46:21,590 --> 01:46:19,280

things

3020

01:46:23,510 --> 01:46:21,600

uh you know i've always wondered if with

3021

01:46:25,990 --> 01:46:23,520

my experiences that i've had with

3022

01:46:27,669 --> 01:46:26,000

cryptids

3023

01:46:29,830 --> 01:46:27,679

because i had a winged humanoid setting

3024

01:46:30,870 --> 01:46:29,840

in 88.

3025

01:46:33,590 --> 01:46:30,880

what really

3026

01:46:35,510 --> 01:46:33,600

yeah oh yeah was i predestined to see

3027

01:46:38,550 --> 01:46:35,520

that thing because of what's going on in

3028

01:46:40,470 --> 01:46:38,560

chicago now with my investigations

3029

01:46:43,669 --> 01:46:40,480

because quite frankly

3030

01:46:45,830 --> 01:46:43,679

you know that whole thing

3031

01:46:47,990 --> 01:46:45,840

has taken a life of its own you know

3032

01:46:50,709 --> 01:46:48,000

it's you know we we started getting this

3033

01:46:52,950 --> 01:46:50,719

2011 was the first sighting but 2017 is

3034

01:46:56,070 --> 01:46:52,960

where it really started picking up

3035

01:46:57,910 --> 01:46:56,080

uh and you know we're getting more and

3036

01:46:59,270 --> 01:46:57,920

more and it's continuing on all these

3037

01:47:03,189 --> 01:46:59,280

years

3038

01:47:04,950 --> 01:47:03,199

but what i saw in 1988 was very similar

3039

01:47:07,990 --> 01:47:04,960

to what people are seeing

3040

01:47:09,430 --> 01:47:08,000

in chicago now uh the red the real red

3041

01:47:11,109 --> 01:47:09,440

eyes

3042

01:47:13,590 --> 01:47:11,119

dark

3043

01:47:15,109 --> 01:47:13,600

able to propel itself without unthrowing

3044

01:47:16,550 --> 01:47:15,119

its wings

3045

01:47:18,550 --> 01:47:16,560

that type of thing

3046

01:47:19,990 --> 01:47:18,560

yeah jumping straight up yeah i got one

3047

01:47:22,229 --> 01:47:20,000

from uh from

3048

01:47:24,070 --> 01:47:22,239

funny we were talking about pennsylvania

3049

01:47:25,669 --> 01:47:24,080

ron talking about pennsylvania this is

3050

01:47:27,430 --> 01:47:25,679

in philadelphia

3051
01:47:29,910 --> 01:47:27,440
um a guy was walking home this happened

3052
01:47:32,550 --> 01:47:29,920
i think in 1997

3053
01:47:34,470 --> 01:47:32,560
um and he was walking by an abandoned

3054
01:47:35,910 --> 01:47:34,480
apart was under renovation apartment

3055
01:47:37,270 --> 01:47:35,920
complex nobody was living there and he

3056
01:47:38,870 --> 01:47:37,280
saw somebody sitting up there on the

3057
01:47:39,750 --> 01:47:38,880
second or third floor i can't remember

3058
01:47:42,310 --> 01:47:39,760
which

3059
01:47:44,070 --> 01:47:42,320
but as he walked by it stood up and at

3060
01:47:45,990 --> 01:47:44,080
an angle kind of over the railing and

3061
01:47:47,830 --> 01:47:46,000
then just went straight up and then

3062
01:47:49,350 --> 01:47:47,840
began to fly away

3063
01:47:51,270 --> 01:47:49,360

and it scared the crap out of him and

3064

01:47:53,109 --> 01:47:51,280

he's there walking by himself in the

3065

01:47:54,550 --> 01:47:53,119

dark you know he's like that's crazy i

3066

01:47:55,910 --> 01:47:54,560

mean it just looked like a man and then

3067

01:47:57,910 --> 01:47:55,920

it was like whoop and the wings were

3068

01:48:00,229 --> 01:47:57,920

still behind it and it just looked like

3069

01:48:02,629 --> 01:48:00,239

a person that had jumped like jumped up

3070

01:48:05,350 --> 01:48:02,639

in the air like at an angle

3071

01:48:07,109 --> 01:48:05,360

um what i was going to say about the pel

3072

01:48:09,510 --> 01:48:07,119

crawler creatures

3073

01:48:12,070 --> 01:48:09,520

they tend to be in areas where bigfoot

3074

01:48:13,189 --> 01:48:12,080

and dogman run around and i asked

3075

01:48:14,870 --> 01:48:13,199

somebody

3076

01:48:17,430 --> 01:48:14,880

uh recently if they thought that they

3077

01:48:18,870 --> 01:48:17,440

could be that could be their form and

3078

01:48:20,629 --> 01:48:18,880

then they'd take on the form of a

3079

01:48:22,390 --> 01:48:20,639

bigfoot or a dog man they said no they

3080

01:48:23,350 --> 01:48:22,400

don't believe that

3081

01:48:26,070 --> 01:48:23,360

well

3082

01:48:29,910 --> 01:48:27,910

why are you always found in the same

3083

01:48:31,990 --> 01:48:29,920

area the only thing i can think of is

3084

01:48:34,470 --> 01:48:32,000

like how lions and leopards leopards

3085

01:48:36,229 --> 01:48:34,480

live up in the trees these humanoid pale

3086

01:48:37,910 --> 01:48:36,239

humanoid creatures tend to live up in

3087

01:48:39,750 --> 01:48:37,920

trees

3088

01:48:41,750 --> 01:48:39,760

and then of course lions they run around

3089

01:48:43,590 --> 01:48:41,760

in packs and oftentimes you'll find dog

3090

01:48:45,030 --> 01:48:43,600

men in groups just like bigfoot they're

3091

01:48:46,709 --> 01:48:45,040

not always alone

3092

01:48:48,390 --> 01:48:46,719

but these pale humanoid creatures are

3093

01:48:49,510 --> 01:48:48,400

almost always alone and they are

3094

01:48:51,430 --> 01:48:49,520

originally

3095

01:48:52,950 --> 01:48:51,440

yeah kind of like a leopard you know

3096

01:48:57,510 --> 01:48:52,960

it's a heck of a way to make a living

3097

01:49:02,229 --> 01:49:00,229

yeah i um like i said i wrote a book

3098

01:49:03,990 --> 01:49:02,239

that just came out about these

3099

01:49:05,830 --> 01:49:04,000

i call it the mean humanoids because i

3100

01:49:07,510 --> 01:49:05,840

based on maybe that some of these

3101
01:49:11,109 --> 01:49:07,520
sightings may have been

3102
01:49:14,550 --> 01:49:11,119
uh thought forms from memes or you know

3103
01:49:16,149 --> 01:49:14,560
uh just like slenderman and

3104
01:49:17,350 --> 01:49:16,159
those type of beings

3105
01:49:20,629 --> 01:49:17,360
but um

3106
01:49:24,950 --> 01:49:22,870
even right after writing the book i have

3107
01:49:28,390 --> 01:49:24,960
really no idea are we are we

3108
01:49:31,750 --> 01:49:28,400
experiencing some type of um new

3109
01:49:34,310 --> 01:49:31,760
humanoid type species on our earth plane

3110
01:49:35,510 --> 01:49:34,320
that we are we're seeing the nexus of

3111
01:49:38,149 --> 01:49:35,520
this thing

3112
01:49:42,870 --> 01:49:38,159
i have no idea

3113
01:49:45,030 --> 01:49:42,880

question up you up in the air for

3114

01:49:49,669 --> 01:49:45,040

whoever reads the book to answer or to

3115

01:49:53,510 --> 01:49:52,149

somebody somebody actually gave me an

3116

01:49:57,109 --> 01:49:53,520

idea one day

3117

01:49:58,950 --> 01:49:57,119

one of my listeners and she said that

3118

01:50:01,669 --> 01:49:58,960

she asked the the question when i had

3119

01:50:02,390 --> 01:50:01,679

talked about the anunnaki that that they

3120

01:50:04,229 --> 01:50:02,400

are

3121

01:50:06,470 --> 01:50:04,239

because she believes that like you know

3122

01:50:07,830 --> 01:50:06,480

the stitching work that they're like

3123

01:50:10,550 --> 01:50:07,840

from nibiru

3124

01:50:12,470 --> 01:50:10,560

and if they are to return are these

3125

01:50:14,229 --> 01:50:12,480

creatures like the dog man and these

3126

01:50:15,109 --> 01:50:14,239

other types of

3127

01:50:17,430 --> 01:50:15,119

you know

3128

01:50:18,790 --> 01:50:17,440

cryptid type creatures like these pale

3129

01:50:19,990 --> 01:50:18,800

humanoids

3130

01:50:22,550 --> 01:50:20,000

if they were

3131

01:50:25,430 --> 01:50:22,560

cultivated and created in labs by the by

3132

01:50:26,790 --> 01:50:25,440

the anunnaki okay like in genesis 6 it

3133

01:50:28,470 --> 01:50:26,800

says that they they bred with the

3134

01:50:30,629 --> 01:50:28,480

daughters of you know men

3135

01:50:32,070 --> 01:50:30,639

of man and that they they you know they

3136

01:50:33,910 --> 01:50:32,080

had all these and then they created all

3137

01:50:35,430 --> 01:50:33,920

kinds of abominations

3138

01:50:37,270 --> 01:50:35,440

um a lot of people get the idea that

3139

01:50:39,109 --> 01:50:37,280

they were breeding with these animals

3140

01:50:41,669 --> 01:50:39,119

but i think it's pretty obvious what

3141

01:50:44,229 --> 01:50:41,679

they were doing was genetic splicing

3142

01:50:46,149 --> 01:50:44,239

and they were creating hybrids

3143

01:50:48,629 --> 01:50:46,159

and maybe like i said with the with the

3144

01:50:49,750 --> 01:50:48,639

dog man that they are a type of guardian

3145

01:50:51,750 --> 01:50:49,760

animal

3146

01:50:53,189 --> 01:50:51,760

uh not only do they guard their their

3147

01:50:55,430 --> 01:50:53,199

portals

3148

01:50:57,109 --> 01:50:55,440

their entry points and things like that

3149

01:50:58,629 --> 01:50:57,119

but they could be something that could

3150

01:51:02,070 --> 01:50:58,639

be used to

3151
01:51:04,950 --> 01:51:02,080
go after and seize people who whatever

3152
01:51:07,430 --> 01:51:04,960
uh if the anunnaki returned would they

3153
01:51:09,109 --> 01:51:07,440
be able to just put out a signal and

3154
01:51:11,510 --> 01:51:09,119
where they awaken all these creatures

3155
01:51:13,669 --> 01:51:11,520
and these creatures that once

3156
01:51:16,070 --> 01:51:13,679
you know were ruled by them it's in

3157
01:51:17,990 --> 01:51:16,080
their dna to follow them and to do what

3158
01:51:20,550 --> 01:51:18,000
to do their bidding and i thought that's

3159
01:51:22,149 --> 01:51:20,560
a horrific thought they come back

3160
01:51:23,830 --> 01:51:22,159
basically for all intents and purposes

3161
01:51:24,950 --> 01:51:23,840
and alien species which is what we would

3162
01:51:26,470 --> 01:51:24,960
be too

3163
01:51:28,470 --> 01:51:26,480

although we've been living here you know

3164

01:51:30,229 --> 01:51:28,480

thinking hey this is our planet

3165

01:51:33,510 --> 01:51:30,239

and then they come back and the first

3166

01:51:34,629 --> 01:51:33,520

thing they do is start you know

3167

01:51:35,830 --> 01:51:34,639

kind of like the

3168

01:51:38,229 --> 01:51:35,840

the show horn

3169

01:51:39,750 --> 01:51:38,239

you know and they start using it to call

3170

01:51:40,709 --> 01:51:39,760

these creatures to them and to do

3171

01:51:42,470 --> 01:51:40,719

whatever

3172

01:51:44,709 --> 01:51:42,480

and to wipe us out

3173

01:51:46,149 --> 01:51:44,719

um that's a horrific thought and it's

3174

01:51:48,229 --> 01:51:46,159

actually it sounds like the beginning of

3175

01:51:49,189 --> 01:51:48,239

a horror movie you know like what could

3176

01:51:53,350 --> 01:51:49,199

you know

3177

01:51:54,870 --> 01:51:53,360

yeah she she posed that to me and i

3178

01:51:56,629 --> 01:51:54,880

thought i don't know what would happen

3179

01:51:58,390 --> 01:51:56,639

but that that's that's terrifying you

3180

01:51:59,669 --> 01:51:58,400

know it's something that i've

3181

01:52:01,669 --> 01:51:59,679

thought about and i thought man that

3182

01:52:03,270 --> 01:52:01,679

would be like the most awful thing of

3183

01:52:05,270 --> 01:52:03,280

these things just running in the streets

3184

01:52:07,030 --> 01:52:05,280

and then when you try to shoot them

3185

01:52:08,950 --> 01:52:07,040

it doesn't really do anything it doesn't

3186

01:52:10,390 --> 01:52:08,960

really hurt them you just got pieces of

3187

01:52:13,750 --> 01:52:10,400

flesh flying off of them because they're

3188

01:52:15,189 --> 01:52:13,760

just really animated flesh

3189

01:52:16,550 --> 01:52:15,199

i don't know

3190

01:52:18,870 --> 01:52:16,560

well

3191

01:52:19,990 --> 01:52:18,880

guys i think i'm going to wrap this up

3192

01:52:21,830 --> 01:52:20,000

so

3193

01:52:24,629 --> 01:52:21,840

first of all i want to thank each and

3194

01:52:26,550 --> 01:52:24,639

each one of you for coming on here uh

3195

01:52:27,669 --> 01:52:26,560

i'd like to have each and each of you

3196

01:52:30,470 --> 01:52:27,679

tell

3197

01:52:32,629 --> 01:52:30,480

the audience how they can contact you

3198

01:52:34,070 --> 01:52:32,639

uh if you've got any books and maybe

3199

01:52:35,910 --> 01:52:34,080

3200

to be involved with so let me start with

3201

01:52:39,270 --> 01:52:37,040

3202

01:52:41,589 --> 01:52:39,280

and uh to

3203

01:52:43,189 --> 01:52:41,599

talk to our folks

3204

01:52:44,790 --> 01:52:43,199

um

3205

01:52:48,390 --> 01:52:44,800

you know i'm supposed to be working on a

3206

01:52:50,470 --> 01:52:48,400

book and i'm so busy with my my business

3207

01:52:53,910 --> 01:52:50,480

3208

01:52:56,790 --> 01:52:53,920

3300

01:56:32,470 --> 01:56:30,320

01:56:36,229 --> 01:56:32,480

um it's gonna be in terrytown new york

3302

01:56:38,629 --> 01:56:36,239

that is october 22nd um as far as books

3303

01:56:40,709 --> 01:56:38,639

um i've got uh american cryptids in

3304

01:56:42,550 --> 01:56:40,719

pursuit of the elusive creatures

3305

01:56:44,709 --> 01:56:42,560

that you can get on amazon you can get

3306

01:56:47,030 --> 01:56:44,719

it at some other locations but obviously

3307

01:56:49,189 --> 01:56:47,040

amazon's the easiest that was released

3308

01:56:51,750 --> 01:56:49,199

through beyond the fray publishing i've

3309

01:56:53,589 --> 01:56:51,760

got another one coming out late

3310

01:56:56,709 --> 01:56:53,599

summer of this year called um

3311

01:56:58,629 --> 01:56:56,719

international cryptids and legends i'm

3312

01:57:01,109 --> 01:56:58,639

looking forward to having that out and

3313

01:57:02,870 --> 01:57:01,119

um having a forward written by a good

3314

01:57:05,030 --> 01:57:02,880

friend of mine

3315

01:57:06,950 --> 01:57:05,040

and i have um

3316

01:57:08,709 --> 01:57:06,960

two young readers chapter books one

3317

01:57:10,310 --> 01:57:08,719

called stanley riker in the bigfoot

3318

01:57:13,430 --> 01:57:10,320

runaround which was released through

3319

01:57:15,589 --> 01:57:13,440

dark moon publishing and um just

3320

01:57:19,109 --> 01:57:15,599

recently back in i'd say september

3321

01:57:21,030 --> 01:57:19,119

october i released um alexandria in the

3322

01:57:22,470 --> 01:57:21,040

moonlight caper another young readers

3323

01:57:24,709 --> 01:57:22,480

chapter book

3324

01:57:27,270 --> 01:57:24,719

that was published through uh hanger

3325

01:57:29,350 --> 01:57:27,280

hangar one publishing um who doug

3326

01:57:31,510 --> 01:57:29,360

hascheck the producer and creator of

3327

01:57:34,629 --> 01:57:31,520

monster quest uh owns that publishing

3328

01:57:36,470 --> 01:57:34,639

company so um i love talking with people

3329

01:57:38,229 --> 01:57:36,480

and uh so you know definitely reach out

3330

01:57:40,470 --> 01:57:38,239

to me if you have any questions or you

3331

01:57:44,070 --> 01:57:40,480

just want to say hi

3332

01:57:48,390 --> 01:57:46,070

well i reckon my main platform is going

3333

01:57:50,229 --> 01:57:48,400

to be on youtube the cryptid studies

3334

01:57:52,790 --> 01:57:50,239

institute i make all sorts of

3335

01:57:54,709 --> 01:57:52,800

documentaries about things have happened

3336

01:57:57,189 --> 01:57:54,719

over in east tennessee over in my neck

3337

01:57:58,790 --> 01:57:57,199

of the woods of clarksville tennessee

3338

01:58:00,709 --> 01:57:58,800

kentucky

3339

01:58:02,390 --> 01:58:00,719

all sorts of different things

3340

01:58:04,709 --> 01:58:02,400

so that's going to be my main platform

3341

01:58:06,870 --> 01:58:04,719

people can reach me there facebook

3342

01:58:08,629 --> 01:58:06,880

instagram i'm a couple of different

3343

01:58:11,030 --> 01:58:08,639

places like that

3344

01:58:12,950 --> 01:58:11,040

i reckon the next project i got going on

3345

01:58:14,870 --> 01:58:12,960

is i got a documentary coming out about

3346

01:58:16,870 --> 01:58:14,880

indian mountain tennessee it's just

3347

01:58:18,790 --> 01:58:16,880

about just a rocks throw away from land

3348

01:58:20,510 --> 01:58:18,800

between the lakes so it's it's had quite

3349

01:58:22,950 --> 01:58:20,520

a bit of share of

3350

01:58:24,550 --> 01:58:22,960

interesting stuff going on there got a

3351

01:58:26,950 --> 01:58:24,560

gentleman who swears he's seeing a chunk

3352

01:58:28,950 --> 01:58:26,960

of work in there uh so that ought to

3353

01:58:30,709 --> 01:58:28,960

provide a lot of interest for people

3354

01:58:32,470 --> 01:58:30,719

and it eventually somewhere down the

3355

01:58:34,390 --> 01:58:32,480

line i plan to do one more part of the

3356

01:58:35,430 --> 01:58:34,400

bellwich series to close things up on

3357

01:58:38,229 --> 01:58:35,440

that

3358

01:58:39,589 --> 01:58:38,239

particular series but i don't know when

3359

01:58:42,390 --> 01:58:39,599

so

3360

01:58:44,629 --> 01:58:42,400

that's what i got going on

3361

01:58:46,229 --> 01:58:44,639

well gentlemen i appreciate you you

3362

01:58:47,589 --> 01:58:46,239
