

# PHANTOMS & MONSTERS

R A D I O

# STAN GORDON

'CREEPY CRYPTIDS AND STRANGE UFO  
ENCOUNTERS OF PENNSYLVANIA'

FRIDAY, MARCH 11TH AT 9PM EASTERN / 6PM PACIFIC

1  
00:00:12,230 --> 00:00:10,709  
we live in a reality of phantoms and

2  
00:00:15,270 --> 00:00:12,240  
monsters

3  
00:00:19,750 --> 00:00:15,280  
they exist among us and sometimes they

4  
00:00:22,230 --> 00:00:19,760  
win even the devil was an angel once

5  
00:00:25,269 --> 00:00:22,240  
the world has its own rules

6  
00:00:28,070 --> 00:00:25,279  
and these rules are not human

7  
00:00:30,390 --> 00:00:28,080  
some of us seek answers to the origin

8  
00:00:32,389 --> 00:00:30,400  
and existence of cryptids in the

9  
00:00:35,750 --> 00:00:32,399  
unexplained

10  
00:00:38,069 --> 00:00:35,760  
join us as we venture beyond the known

11  
00:00:40,229 --> 00:00:38,079  
and accepted boundaries

12  
00:00:46,330 --> 00:00:40,239  
welcome to our nightmare

13  
00:00:57,750 --> 00:00:55,590

[Music]

14

00:00:59,670 --> 00:00:57,760

hey folks good evening and welcome to

15

00:01:01,430 --> 00:00:59,680

phantoms of monsters radio where we

16

00:01:04,149 --> 00:01:01,440

explore and discuss

17

00:01:06,469 --> 00:01:04,159

the unknown and the unexplained i'm your

18

00:01:07,910 --> 00:01:06,479

host lon strickler thanks for joining me

19

00:01:10,310 --> 00:01:07,920

this evening

20

00:01:12,070 --> 00:01:10,320

uh before we get started uh i want to

21

00:01:15,190 --> 00:01:12,080

mention that phantoms of monsters radio

22

00:01:17,590 --> 00:01:15,200

channel is made possible by you liking

23

00:01:20,469 --> 00:01:17,600

subscribing and sharing our programming

24

00:01:22,469 --> 00:01:20,479

super chat donations are essential

25

00:01:25,030 --> 00:01:22,479

for us to continue offering you our

26  
00:01:27,030 --> 00:01:25,040  
unique content so your consideration is

27  
00:01:28,710 --> 00:01:27,040  
very much needed and appreciated so

28  
00:01:30,550 --> 00:01:28,720  
tonight i welcome

29  
00:01:32,710 --> 00:01:30,560  
pennsylvania ufo and anomalies

30  
00:01:35,109 --> 00:01:32,720  
investigator and colleague stan gordon

31  
00:01:37,590 --> 00:01:35,119  
to phantoms of monsters radio

32  
00:01:39,990 --> 00:01:37,600  
now stan began his interest in the ufo

33  
00:01:43,350 --> 00:01:40,000  
subject and other strange incidents at

34  
00:01:45,510 --> 00:01:43,360  
the age of 10 1959

35  
00:01:47,910 --> 00:01:45,520  
he began the in

36  
00:01:51,270 --> 00:01:47,920  
the field investigations ufos and other

37  
00:01:53,749 --> 00:01:51,280  
mysterious events in 1965

38  
00:01:57,350 --> 00:01:53,759

and is the primary investigator of the

39

00:01:58,950 --> 00:01:57,360

december 9 1965 ufo crash recovery

40

00:02:00,789 --> 00:01:58,960

incident that occurred near kecksburg

41

00:02:03,030 --> 00:02:00,799

pennsylvania

42

00:02:05,670 --> 00:02:03,040

now stan is a former

43

00:02:07,429 --> 00:02:05,680

state director for mufon

44

00:02:09,270 --> 00:02:07,439

here in pennsylvania and has been

45

00:02:11,350 --> 00:02:09,280

involved with the investigation of

46

00:02:13,270 --> 00:02:11,360

thousands of mysterious

47

00:02:14,869 --> 00:02:13,280

encounters throughout the commonwealth

48

00:02:16,390 --> 00:02:14,879

of pennsylvania and stan has been

49

00:02:18,470 --> 00:02:16,400

featured in several films and

50

00:02:21,430 --> 00:02:18,480

documentaries

51  
00:02:24,470 --> 00:02:21,440  
stan's four books are a combination of

52  
00:02:27,190 --> 00:02:24,480  
his extensive field research

53  
00:02:28,550 --> 00:02:27,200  
now his latest book is titled creepy

54  
00:02:31,270 --> 00:02:28,560  
cryptids

55  
00:02:34,390 --> 00:02:31,280  
and strange ufo encounters of

56  
00:02:37,990 --> 00:02:34,400  
pennsylvania bigfoot thunderbirds

57  
00:02:40,550 --> 00:02:38,000  
mysteries of chestnut ridge and more

58  
00:02:45,509 --> 00:02:40,560  
stan's website can be found

59  
00:02:48,710 --> 00:02:45,519  
at stan gordon dot info so stan thanks

60  
00:02:50,309 --> 00:02:48,720  
for joining me this evening

61  
00:02:52,550 --> 00:02:50,319  
it's always good to be uh on and

62  
00:02:54,630 --> 00:02:52,560  
discussing things with you

63  
00:02:56,869 --> 00:02:54,640

yeah we had a little trouble here

64

00:02:59,030 --> 00:02:56,879

you know i i i for whatever reason i

65

00:03:01,430 --> 00:02:59,040

didn't even think about

66

00:03:04,710 --> 00:03:01,440

hooking you up on the phone but

67

00:03:07,670 --> 00:03:04,720

i i hope everybody can hear you okay

68

00:03:09,589 --> 00:03:07,680

uh so um

69

00:03:13,030 --> 00:03:09,599

you know i saw the title of your book i

70

00:03:15,270 --> 00:03:13,040

just got it a couple days ago and uh

71

00:03:17,190 --> 00:03:15,280

creepy cryptids i don't think i've ever

72

00:03:18,630 --> 00:03:17,200

seen you write the word creepy and much

73

00:03:19,589 --> 00:03:18,640

of anything

74

00:03:23,270 --> 00:03:19,599

so

75

00:03:25,750 --> 00:03:23,280

what's different about this time around

76  
00:03:27,589 --> 00:03:25,760  
well um you know the i've been involved

77  
00:03:30,470 --> 00:03:27,599  
in this now for a long long time this is

78  
00:03:31,509 --> 00:03:30,480  
going on 63 years of research this year

79  
00:03:33,110 --> 00:03:31,519  
and i

80  
00:03:34,789 --> 00:03:33,120  
again as you had mentioned i've been

81  
00:03:36,789 --> 00:03:34,799  
involved with thousands of ufo sightings

82  
00:03:39,110 --> 00:03:36,799  
and hundreds of bigfoot encrypted cases

83  
00:03:41,509 --> 00:03:39,120  
across pennsylvania and these sightings

84  
00:03:44,070 --> 00:03:41,519  
never end it's year after year a lot of

85  
00:03:47,670 --> 00:03:44,080  
activity last year a year before

86  
00:03:49,270 --> 00:03:47,680  
even in recent weeks and

87  
00:03:50,789 --> 00:03:49,280  
some of the cases i've been working on

88  
00:03:52,630 --> 00:03:50,799

they're getting strange

89

00:03:54,710 --> 00:03:52,640

from a stranger and i know you've had

90

00:03:55,830 --> 00:03:54,720

some of the incidents

91

00:03:56,789 --> 00:03:55,840

as well

92

00:03:58,630 --> 00:03:56,799

but

93

00:04:02,630 --> 00:03:58,640

some of these cryptic cases are getting

94

00:04:07,110 --> 00:04:04,869

yeah i had just put out this uh the meme

95

00:04:09,190 --> 00:04:07,120

humanoid book and uh i know this is a

96

00:04:10,229 --> 00:04:09,200

phenomena you and i kind of touched on a

97

00:04:12,869 --> 00:04:10,239

bit

98

00:04:14,869 --> 00:04:12,879

but it seems to be something that's rare

99

00:04:16,629 --> 00:04:14,879

raising its ugly head more and more as

100

00:04:18,870 --> 00:04:16,639

we go along i don't know how many you've

101

00:04:21,509 --> 00:04:18,880

been getting but uh

102

00:04:23,590 --> 00:04:21,519

i i know the standard fare of bigfoot

103

00:04:25,749 --> 00:04:23,600

ufos

104

00:04:30,790 --> 00:04:25,759

wind cryptids especially

105

00:04:35,110 --> 00:04:33,110

yeah um i've had some of those and again

106

00:04:36,070 --> 00:04:35,120

i guess we could fall into the category

107

00:04:38,070 --> 00:04:36,080

of uh

108

00:04:38,870 --> 00:04:38,080

thunderbird reports

109

00:04:39,749 --> 00:04:38,880

yeah

110

00:04:41,909 --> 00:04:39,759

and

111

00:04:43,990 --> 00:04:41,919

last year it was interesting we had a

112

00:04:45,749 --> 00:04:44,000

number of incidents reported

113

00:04:47,749 --> 00:04:45,759

some in daylight

114

00:04:50,790 --> 00:04:47,759

very interesting but you know when i

115

00:04:53,670 --> 00:04:50,800

talk about thunderbirds i i kind of

116

00:04:55,189 --> 00:04:53,680

put these various um subtitles under

117

00:04:57,830 --> 00:04:55,199

under that

118

00:05:00,230 --> 00:04:57,840

pretext of uh thunderbirds because one a

119

00:05:02,310 --> 00:05:00,240

lot of those incidents a lot of reports

120

00:05:04,070 --> 00:05:02,320

i get are these huge

121

00:05:07,189 --> 00:05:04,080

oversized almost like an oversized

122

00:05:07,909 --> 00:05:07,199

turkey vulture generally

123

00:05:09,029 --> 00:05:07,919

or

124

00:05:11,110 --> 00:05:09,039

black

125

00:05:13,350 --> 00:05:11,120

and with huge wingspans and we're

126  
00:05:14,550 --> 00:05:13,360  
talking estimated between 10 to 20 foot

127  
00:05:16,710 --> 00:05:14,560  
wingspans

128  
00:05:17,590 --> 00:05:16,720  
and of course it's very difficult as you

129  
00:05:19,270 --> 00:05:17,600  
know

130  
00:05:21,670 --> 00:05:19,280  
just like we're doing with ufo sightings

131  
00:05:23,110 --> 00:05:21,680  
to judge altitude and size but we have

132  
00:05:25,029 --> 00:05:23,120  
incidents where these things were very

133  
00:05:26,790 --> 00:05:25,039  
low the ground and in some cases

134  
00:05:28,870 --> 00:05:26,800  
actually on the ground

135  
00:05:30,310 --> 00:05:28,880  
for example uh they will be blocking a

136  
00:05:33,430 --> 00:05:30,320  
passage of a vehicle and they're sitting

137  
00:05:35,590 --> 00:05:33,440  
there on the ground eating a roadkill

138  
00:05:37,350 --> 00:05:35,600

and some of these caves have been just

139

00:05:40,950 --> 00:05:37,360

really amazing

140

00:05:43,350 --> 00:05:40,960

and we had these two incidents last year

141

00:05:46,070 --> 00:05:43,360

uh i believe it was april last year this

142

00:05:47,670 --> 00:05:46,080

was down in montgomery county

143

00:05:50,310 --> 00:05:47,680

kind of down towards your direction a

144

00:05:51,990 --> 00:05:50,320

little further downstate

145

00:05:53,430 --> 00:05:52,000

i believe about 40 miles outside of

146

00:05:55,670 --> 00:05:53,440

philadelphia

147

00:05:56,550 --> 00:05:55,680

and this was a really interesting case

148

00:05:59,430 --> 00:05:56,560

um

149

00:06:01,430 --> 00:05:59,440

where this uh witness had observed this

150

00:06:03,110 --> 00:06:01,440

uh very large

151

00:06:05,189 --> 00:06:03,120

flying creature actually she was in a

152

00:06:07,270 --> 00:06:05,199

parking lot waiting for a uh

153

00:06:08,309 --> 00:06:07,280

an appointment and she was a few minutes

154

00:06:10,550 --> 00:06:08,319

early

155

00:06:11,510 --> 00:06:10,560

so she was on the telephone talking to a

156

00:06:13,590 --> 00:06:11,520

friend

157

00:06:15,830 --> 00:06:13,600

when this huge shadow came right over

158

00:06:17,510 --> 00:06:15,840

top of her car and she thought a small

159

00:06:19,350 --> 00:06:17,520

plane was going to crash

160

00:06:21,270 --> 00:06:19,360

right where she was so she actually i

161

00:06:22,870 --> 00:06:21,280

believe she ducked her head and she was

162

00:06:25,590 --> 00:06:22,880

on the phone telling her friend about it

163

00:06:27,590 --> 00:06:25,600

and said that actually moments after

164

00:06:29,909 --> 00:06:27,600

that happened she saw the biggest bird

165

00:06:31,350 --> 00:06:29,919

she'd ever seen in her life

166

00:06:37,510 --> 00:06:31,360

and

167

00:06:40,070 --> 00:06:37,520

flew up to the top of the chimney of the

168

00:06:42,790 --> 00:06:40,080

building of the office she was going to

169

00:06:44,710 --> 00:06:42,800

and as she's walking around to go

170

00:06:47,909 --> 00:06:44,720

towards the office

171

00:06:49,350 --> 00:06:47,919

this huge bird is perched high on top of

172

00:06:51,510 --> 00:06:49,360

the chimney

173

00:06:53,830 --> 00:06:51,520

and it's looking down and making eye

174

00:06:56,550 --> 00:06:53,840

contact with the witness and said this

175

00:06:58,790 --> 00:06:56,560

thing had piercing fiery eyes she said

176  
00:07:00,390 --> 00:06:58,800  
the eyes were large and round

177  
00:07:02,070 --> 00:07:00,400  
even from the distant up to the roof and

178  
00:07:03,430 --> 00:07:02,080  
they were vivid green red and orange

179  
00:07:06,550 --> 00:07:03,440  
color

180  
00:07:08,469 --> 00:07:06,560  
and uh she began to run because as this

181  
00:07:10,150 --> 00:07:08,479  
thing made eye contact

182  
00:07:11,830 --> 00:07:10,160  
she felt right away that she became

183  
00:07:13,350 --> 00:07:11,840  
panda this he was gonna come after her

184  
00:07:15,670 --> 00:07:13,360  
and she starts running

185  
00:07:17,510 --> 00:07:15,680  
and as she's running she looks only

186  
00:07:19,670 --> 00:07:17,520  
about eight feet behind her

187  
00:07:21,350 --> 00:07:19,680  
this thing has his talons out and this

188  
00:07:22,950 --> 00:07:21,360

thing is basically

189

00:07:24,309 --> 00:07:22,960

just gliding towards her and she

190

00:07:26,790 --> 00:07:24,319

actually just

191

00:07:28,830 --> 00:07:26,800

rushes in and just rushes into the door

192

00:07:32,309 --> 00:07:28,840

of the office to get away from this

193

00:07:33,510 --> 00:07:32,319

thing and with a very interesting uh

194

00:07:35,110 --> 00:07:33,520

interview with her i have the whole

195

00:07:37,670 --> 00:07:35,120

report on my website they can read the

196

00:07:39,749 --> 00:07:37,680

whole story on there but apparently the

197

00:07:40,710 --> 00:07:39,759

professional person that she was going

198

00:07:42,710 --> 00:07:40,720

to

199

00:07:46,070 --> 00:07:42,720

have the meeting with had apparently in

200

00:07:48,629 --> 00:07:46,080

the past had also a similar encounter

201  
00:07:51,270 --> 00:07:48,639  
with a very similar huge flying creature

202  
00:07:53,430 --> 00:07:51,280  
on their property so it goes into uh the

203  
00:07:55,189 --> 00:07:53,440  
information on that as well but what's

204  
00:07:58,230 --> 00:07:55,199  
interesting with this case was the fact

205  
00:08:01,670 --> 00:07:58,240  
that it came down within seven ten feet

206  
00:08:03,830 --> 00:08:01,680  
of the witness made direct eye contact

207  
00:08:05,350 --> 00:08:03,840  
with this witness and then several

208  
00:08:07,270 --> 00:08:05,360  
months later

209  
00:08:09,029 --> 00:08:07,280  
outside of pittsburgh in the afternoon

210  
00:08:10,629 --> 00:08:09,039  
another person apparently knew nothing

211  
00:08:13,350 --> 00:08:10,639  
about this never heard about these kind

212  
00:08:15,830 --> 00:08:13,360  
of stories was sitting outside when this

213  
00:08:17,350 --> 00:08:15,840

huge flying creature came down within

214

00:08:19,430 --> 00:08:17,360

seven feet

215

00:08:20,869 --> 00:08:19,440

turned to ten made direct eye contact

216

00:08:23,029 --> 00:08:20,879

with that witness

217

00:08:25,270 --> 00:08:23,039

and um

218

00:08:26,950 --> 00:08:25,280

they were both very very shook up

219

00:08:28,550 --> 00:08:26,960

so that's that's a kind of interesting

220

00:08:31,110 --> 00:08:28,560

thing so you have these huge flying

221

00:08:32,870 --> 00:08:31,120

creature reports but then also again as

222

00:08:34,949 --> 00:08:32,880

i start saying under

223

00:08:38,149 --> 00:08:34,959

thunderbirds we also have reports for

224

00:08:40,070 --> 00:08:38,159

years of these very large again

225

00:08:41,269 --> 00:08:40,080

generally dark brown or black quite

226

00:08:42,230 --> 00:08:41,279

often black

227

00:08:44,949 --> 00:08:42,240

uh

228

00:08:47,670 --> 00:08:44,959

leathery creatures gatherless

229

00:08:49,590 --> 00:08:47,680

that look like giant pants

230

00:08:51,990 --> 00:08:49,600

and there's people i've interviewed very

231

00:08:54,310 --> 00:08:52,000

very credible people

232

00:08:55,750 --> 00:08:54,320

that's aware of what they saw the

233

00:08:57,430 --> 00:08:55,760

prehistoric

234

00:09:00,070 --> 00:08:57,440

they said what they saw looked like a

235

00:09:01,190 --> 00:09:00,080

pterodactyl or territory

236

00:09:03,590 --> 00:09:01,200

and then

237

00:09:06,150 --> 00:09:03,600

besides that yes we've had these reports

238

00:09:07,990 --> 00:09:06,160

of these winged humanoid creatures

239

00:09:10,150 --> 00:09:08,000

uh of course that one case that you know

240

00:09:12,710 --> 00:09:10,160

we've talked about long ago i'm sure was

241

00:09:14,870 --> 00:09:12,720

about that incident that happened uh

242

00:09:17,509 --> 00:09:14,880

march 11 2011

243

00:09:20,230 --> 00:09:17,519

up there in uh butler county

244

00:09:23,750 --> 00:09:20,240

it's become known as the uh the butler

245

00:09:26,150 --> 00:09:23,760

gargoyle report and um that was kind of

246

00:09:27,910 --> 00:09:26,160

an interesting report as well

247

00:09:29,590 --> 00:09:27,920

and um i don't know if you want me to go

248

00:09:31,190 --> 00:09:29,600

over that report or not with you i know

249

00:09:33,269 --> 00:09:31,200

we've talked about you go ahead and

250

00:09:35,990 --> 00:09:33,279

rehash yet that's okay and by the way i

251

00:09:39,430 --> 00:09:36,000

want to thank lacey wings for their um

252

00:09:42,389 --> 00:09:39,440

their donation go ahead sam

253

00:09:44,790 --> 00:09:42,399

okay well anyhow uh the witness who over

254

00:09:46,550 --> 00:09:44,800

the years i've got to know very well

255

00:09:49,030 --> 00:09:46,560

and his family he's a professional

256

00:09:53,990 --> 00:09:51,829

and i know him all i know him also

257

00:09:55,110 --> 00:09:54,000

he and i have talked not too long ago go

258

00:09:57,590 --> 00:09:55,120

ahead

259

00:10:00,230 --> 00:09:57,600

okay so anyhow it's early morning hours

260

00:10:02,829 --> 00:10:00,240

and he's driving on this uh rural road

261

00:10:05,670 --> 00:10:02,839

between uh trekor and east

262

00:10:07,590 --> 00:10:05,680

brady and he said he's riding down the

263

00:10:09,910 --> 00:10:07,600

road in his headlight he catches

264

00:10:11,509 --> 00:10:09,920

something in the field to his right

265

00:10:13,590 --> 00:10:11,519

at the grassy area he thought a person

266

00:10:15,030 --> 00:10:13,600

was a deer

267

00:10:16,150 --> 00:10:15,040

and

268

00:10:17,990 --> 00:10:16,160

he said

269

00:10:20,470 --> 00:10:18,000

all of a sudden this thing was hunched

270

00:10:21,269 --> 00:10:20,480

over to stand straight up

271

00:10:23,110 --> 00:10:21,279

and

272

00:10:24,470 --> 00:10:23,120

he realized that this thing was at least

273

00:10:27,430 --> 00:10:24,480

about eight foot tall had walked in

274

00:10:30,069 --> 00:10:27,440

front of a big like a yellow sign

275

00:10:30,870 --> 00:10:30,079

and it was a little taller than the time

276

00:10:32,870 --> 00:10:30,880

and

277

00:10:34,710 --> 00:10:32,880

he only saw it from the side it never

278

00:10:36,949 --> 00:10:34,720

looked towards him

279

00:10:39,030 --> 00:10:36,959

and um as you look in this thing it

280

00:10:41,269 --> 00:10:39,040

crosses the two-lane road in three long

281

00:10:44,150 --> 00:10:41,279

steps and goes into the woods so he said

282

00:10:45,990 --> 00:10:44,160

when he saw it was kind of a human a

283

00:10:46,790 --> 00:10:46,000

humanoid figure was at least eight foot

284

00:10:47,990 --> 00:10:46,800

tall

285

00:10:49,990 --> 00:10:48,000

that appeared to have smooth

286

00:10:53,110 --> 00:10:50,000

leather-like skin that was either kind

287

00:10:55,350 --> 00:10:53,120

of a dark tan or a light brown color

288

00:10:59,110 --> 00:10:55,360

and the head was kind of shaped like an

289

00:11:01,350 --> 00:10:59,120

aerodynamic helmet the face was flat

290

00:11:02,790 --> 00:11:01,360

i believe the eyes were they were not

291

00:11:04,550 --> 00:11:02,800

clearly defined but they may have been

292

00:11:06,069 --> 00:11:04,560

pointed in the corner

293

00:11:08,069 --> 00:11:06,079

and um

294

00:11:10,230 --> 00:11:08,079

the arms were muscular and a little

295

00:11:11,829 --> 00:11:10,240

longer than that of a human the hand had

296

00:11:13,269 --> 00:11:11,839

claws on them

297

00:11:14,870 --> 00:11:13,279

and he said the one thing that really

298

00:11:17,750 --> 00:11:14,880

stood out

299

00:11:19,670 --> 00:11:17,760

was his extremely muscular legs

300

00:11:21,509 --> 00:11:19,680

and he said the legs did not move like

301  
00:11:23,430 --> 00:11:21,519  
that of a human they looked like they

302  
00:11:25,269 --> 00:11:23,440  
bent backwards

303  
00:11:28,069 --> 00:11:25,279  
and it appeared to have wings on its

304  
00:11:29,829 --> 00:11:28,079  
back that were tucked into its body with

305  
00:11:31,509 --> 00:11:29,839  
the wingtips extending towards the side

306  
00:11:33,110 --> 00:11:31,519  
of its head

307  
00:11:35,750 --> 00:11:33,120  
and what was really interesting about

308  
00:11:38,870 --> 00:11:35,760  
that case was within days

309  
00:11:41,110 --> 00:11:38,880  
uh dan hagman up there at the uh butler

310  
00:11:43,190 --> 00:11:41,120  
organization research unexplained they

311  
00:11:45,350 --> 00:11:43,200  
had several reports from other people in

312  
00:11:49,030 --> 00:11:45,360  
that area that described seeing

313  
00:11:51,110 --> 00:11:49,040

something very similar right

314

00:11:53,269 --> 00:11:51,120

you know

315

00:11:57,190 --> 00:11:53,279

out there in butler and out there in

316

00:12:02,310 --> 00:11:57,200

your area we've had a lot of wing being

317

00:12:04,949 --> 00:12:02,320

uh big at large owls um humanoid owls

318

00:12:08,389 --> 00:12:04,959

uh of course with the pterosaur type

319

00:12:10,790 --> 00:12:08,399

beings and the uh the thunderbirds let

320

00:12:12,389 --> 00:12:10,800

me ask you this you know since we do get

321

00:12:14,470 --> 00:12:12,399

a lot of those defensively and of course

322

00:12:15,590 --> 00:12:14,480

this is the state i've had my encounter

323

00:12:18,790 --> 00:12:15,600

as well

324

00:12:20,550 --> 00:12:18,800

just north of gettysburg back in 88

325

00:12:23,269 --> 00:12:20,560

what are your thoughts on these do you

326

00:12:25,269 --> 00:12:23,279

believe that there's a supernatural

327

00:12:27,670 --> 00:12:25,279

aspect of these beings or you believe

328

00:12:29,269 --> 00:12:27,680

that they're flushing blood and well i

329

00:12:30,870 --> 00:12:29,279

think i think they're flushing blood

330

00:12:32,710 --> 00:12:30,880

regardless but you think they're

331

00:12:34,629 --> 00:12:32,720

indigenous what are your thoughts on

332

00:12:37,030 --> 00:12:34,639

that

333

00:12:38,949 --> 00:12:37,040

okay now are we talking about the the

334

00:12:39,750 --> 00:12:38,959

thunderbird type report

335

00:12:41,670 --> 00:12:39,760

about

336

00:12:43,670 --> 00:12:41,680

this

337

00:12:47,430 --> 00:12:43,680

yeah we can kind of split it up what do

338

00:12:49,670 --> 00:12:47,440

you believe in in each case

339

00:12:51,190 --> 00:12:49,680

well it's really hard it's really hard

340

00:12:53,750 --> 00:12:51,200

to determine because there's not a lot

341

00:12:55,670 --> 00:12:53,760

of really not enough data on that

342

00:12:57,750 --> 00:12:55,680

um we're looking through some of the

343

00:12:59,670 --> 00:12:57,760

bigfoot and some of the other cryptid

344

00:13:02,069 --> 00:12:59,680

and some of the other cases i work on

345

00:13:03,670 --> 00:13:02,079

well there's a lot of information that

346

00:13:06,550 --> 00:13:03,680

suggests we might be dealing with

347

00:13:08,310 --> 00:13:06,560

something as strange as it sounds but

348

00:13:10,230 --> 00:13:08,320

for a lack of a better term we might be

349

00:13:11,269 --> 00:13:10,240

doing something interdimensional there

350

00:13:13,269 --> 00:13:11,279

appears to be a physical and

351

00:13:15,670 --> 00:13:13,279

non-physical component to it

352

00:13:17,829 --> 00:13:15,680

uh with these giant bird reports again

353

00:13:19,829 --> 00:13:17,839

the whole thing is this one you know

354

00:13:23,030 --> 00:13:19,839

we've talked about these various type of

355

00:13:24,949 --> 00:13:23,040

cryptic cases for years uh we have these

356

00:13:27,509 --> 00:13:24,959

last few years i know you've had reports

357

00:13:29,990 --> 00:13:27,519

we've had these very tall

358

00:13:31,829 --> 00:13:30,000

hairless thin secret looking humanoid

359

00:13:33,350 --> 00:13:31,839

creatures that are really strange

360

00:13:35,750 --> 00:13:33,360

reports and they've come very close to

361

00:13:37,430 --> 00:13:35,760

people in some cases and then we have

362

00:13:39,430 --> 00:13:37,440

some very weird things with the black

363

00:13:41,030 --> 00:13:39,440

panthers were out of place and even a

364

00:13:42,069 --> 00:13:41,040

sighting just last week here up on the

365

00:13:43,030 --> 00:13:42,079

ridge

366

00:13:44,949 --> 00:13:43,040

um

367

00:13:46,470 --> 00:13:44,959

and all these other weird things and i

368

00:13:48,230 --> 00:13:46,480

found some really interesting patterns

369

00:13:50,310 --> 00:13:48,240

we can talk about with the black panther

370

00:13:52,550 --> 00:13:50,320

sightings and how they might be somehow

371

00:13:54,069 --> 00:13:52,560

associated with uh some of the bigfoot

372

00:13:55,030 --> 00:13:54,079

activity actually

373

00:13:57,110 --> 00:13:55,040

uh

374

00:13:58,389 --> 00:13:57,120

with with the big flying creature

375

00:14:00,310 --> 00:13:58,399

reports

376

00:14:01,670 --> 00:14:00,320

i i've heard some things that i can't

377

00:14:03,910 --> 00:14:01,680

confirm i've heard some things from

378

00:14:05,829 --> 00:14:03,920

other researchers i'm in touch with i

379

00:14:07,670 --> 00:14:05,839

heard the case a few years ago up in the

380

00:14:11,269 --> 00:14:07,680

ridge a person saw

381

00:14:13,110 --> 00:14:11,279

i believe it was a large huge white uh

382

00:14:16,230 --> 00:14:13,120

flying creature

383

00:14:17,670 --> 00:14:16,240

and as i recall that the reporter said

384

00:14:20,150 --> 00:14:17,680

the investigator told me that the

385

00:14:22,470 --> 00:14:20,160

witness podium it was strange enough to

386

00:14:24,150 --> 00:14:22,480

see that thing but it was transparent

387

00:14:26,470 --> 00:14:24,160

that you could see through it

388

00:14:28,150 --> 00:14:26,480

and that's kind of interesting because

389

00:14:30,069 --> 00:14:28,160

that fits in with some of the other

390

00:14:31,189 --> 00:14:30,079

cryptic cases i've been investigating

391

00:14:32,150 --> 00:14:31,199

for years

392

00:14:34,310 --> 00:14:32,160

so

393

00:14:36,470 --> 00:14:34,320

and again i got off track what we talked

394

00:14:38,389 --> 00:14:36,480

about a long time ago is this you have

395

00:14:40,710 --> 00:14:38,399

all these reports coming in year after

396

00:14:42,470 --> 00:14:40,720

year and there's a lot of weird things

397

00:14:43,990 --> 00:14:42,480

that again we haven't even talked about

398

00:14:45,670 --> 00:14:44,000

with various cryptis and you get the

399

00:14:47,670 --> 00:14:45,680

reports i get them others are getting

400

00:14:50,710 --> 00:14:47,680

these type of reports

401  
00:14:53,509 --> 00:14:50,720  
there's no way that we can have so many

402  
00:14:55,110 --> 00:14:53,519  
unknown species of animals out there it

403  
00:14:58,310 --> 00:14:55,120  
makes no sense

404  
00:15:00,310 --> 00:14:58,320  
yeah but so many credible people who are

405  
00:15:02,470 --> 00:15:00,320  
seeing these things to see and give us

406  
00:15:04,870 --> 00:15:02,480  
the similarities and reports you see the

407  
00:15:06,710 --> 00:15:04,880  
patterns over the years so there's

408  
00:15:07,590 --> 00:15:06,720  
something going on

409  
00:15:10,629 --> 00:15:07,600  
but

410  
00:15:12,310 --> 00:15:10,639  
again i think more and more

411  
00:15:13,990 --> 00:15:12,320  
for a lack of a better term i think

412  
00:15:16,230 --> 00:15:14,000  
we're dealing with something that comes

413  
00:15:17,670 --> 00:15:16,240

in and out of our reality at times

414

00:15:18,949 --> 00:15:17,680

leaves evidence and then they're gone

415

00:15:20,870 --> 00:15:18,959

these things they come and they go

416

00:15:22,150 --> 00:15:20,880

they're here and they're gone

417

00:15:23,910 --> 00:15:22,160

well you know if you live and

418

00:15:25,509 --> 00:15:23,920

investigate in pennsylvania you're going

419

00:15:28,230 --> 00:15:25,519

to have to be a little more open-minded

420

00:15:30,150 --> 00:15:28,240

i believe as opposed to most other areas

421

00:15:32,310 --> 00:15:30,160

now of course which we've been doing

422

00:15:34,710 --> 00:15:32,320

without in in the upper midwest with the

423

00:15:36,710 --> 00:15:34,720

winged humanoids we we believe the same

424

00:15:38,310 --> 00:15:36,720

thing well that these are some type of

425

00:15:40,629 --> 00:15:38,320

interdimensional being

426

00:15:43,189 --> 00:15:40,639

i want to thank the apocalypse for their

427

00:15:44,310 --> 00:15:43,199

uh membership and uh their donation

428

00:15:46,710 --> 00:15:44,320

thanks again

429

00:15:49,350 --> 00:15:46,720

and uh

430

00:15:51,350 --> 00:15:49,360

i don't know i mean you know

431

00:15:52,310 --> 00:15:51,360

the the different types of women beings

432

00:15:54,629 --> 00:15:52,320

that we

433

00:15:57,590 --> 00:15:54,639

that people encounter report to us here

434

00:16:00,069 --> 00:15:57,600

in pennsylvania i i guess it can get

435

00:16:02,710 --> 00:16:00,079

confusing but um

436

00:16:05,829 --> 00:16:02,720

i i personally believe that myself that

437

00:16:06,870 --> 00:16:05,839

the uh the thunderbird like beings the

438

00:16:09,110 --> 00:16:06,880

uh

439

00:16:11,030 --> 00:16:09,120

possibly the teradorn type beings maybe

440

00:16:13,590 --> 00:16:11,040

some type of indigenous

441

00:16:14,470 --> 00:16:13,600

uh entity but yeah i'm like i'm with you

442

00:16:17,670 --> 00:16:14,480

on the

443

00:16:19,829 --> 00:16:17,680

the human noise that's just a little too

444

00:16:22,790 --> 00:16:19,839

too strange to be something other than

445

00:16:25,110 --> 00:16:22,800

supernatural

446

00:16:26,870 --> 00:16:25,120

yeah it's very strange and i know you've

447

00:16:28,389 --> 00:16:26,880

had cases over the years where people

448

00:16:30,470 --> 00:16:28,399

have talked about some of these huge

449

00:16:33,829 --> 00:16:30,480

flying things people are seeing in the

450

00:16:36,949 --> 00:16:33,839

sky look something like giant stingrays

451

00:16:39,030 --> 00:16:36,959

and i had an incident among others

452

00:16:41,430 --> 00:16:39,040

uh last year

453

00:16:43,829 --> 00:16:41,440

and this was uh in september of last

454

00:16:44,790 --> 00:16:43,839

year and this was early morning so this

455

00:16:47,110 --> 00:16:44,800

is

456

00:16:48,870 --> 00:16:47,120

uh between greensburg and latrobe so

457

00:16:51,030 --> 00:16:48,880

it's a rural area and the fellow was

458

00:16:53,189 --> 00:16:51,040

early in the morning was pumping gas at

459

00:16:54,389 --> 00:16:53,199

a gas station and this guy is very

460

00:16:55,829 --> 00:16:54,399

credible

461

00:16:57,030 --> 00:16:55,839

and um

462

00:16:58,550 --> 00:16:57,040

he said he's

463

00:16:59,910 --> 00:16:58,560

sitting there pumping gas standing or

464

00:17:01,509 --> 00:16:59,920

pumping gas

465

00:17:04,390 --> 00:17:01,519

and he happens to look up across the

466

00:17:06,470 --> 00:17:04,400

road and he says he sees this huge

467

00:17:07,829 --> 00:17:06,480

flying creature right over top of the

468

00:17:10,230 --> 00:17:07,839

trees he said it was like watching

469

00:17:11,029 --> 00:17:10,240

something from jurassic park but he told

470

00:17:15,270 --> 00:17:11,039

me

471

00:17:16,390 --> 00:17:15,280

oversized stingray in the sky

472

00:17:18,470 --> 00:17:16,400

and

473

00:17:21,510 --> 00:17:18,480

he only it per second he said it was all

474

00:17:23,990 --> 00:17:21,520

dark color had very long legs and a tail

475

00:17:26,150 --> 00:17:24,000

had a very wide wingspan it occasionally

476  
00:17:28,390 --> 00:17:26,160  
flapped its wings but it just soared

477  
00:17:30,549 --> 00:17:28,400  
most of the time that it was being seen

478  
00:17:32,710 --> 00:17:30,559  
and he's very familiar with turkey

479  
00:17:34,470 --> 00:17:32,720  
vultures and blue aarons and other birds

480  
00:17:35,750 --> 00:17:34,480  
in the area and he said this was

481  
00:17:38,070 --> 00:17:35,760  
completely different than anything

482  
00:17:40,710 --> 00:17:38,080  
they'd ever seen before

483  
00:17:43,909 --> 00:17:40,720  
did that sighting happen to be near any

484  
00:17:48,710 --> 00:17:47,110  
no i mean is there are there lakes

485  
00:17:50,470 --> 00:17:48,720  
around the area

486  
00:17:52,710 --> 00:17:50,480  
within miles but nothing right in that

487  
00:17:54,390 --> 00:17:52,720  
immediate area that i can think of

488  
00:17:56,549 --> 00:17:54,400

yeah because you know the signs i've

489

00:17:59,990 --> 00:17:56,559

gotten for whatever reason seem to be

490

00:18:01,430 --> 00:18:00,000

near a larger river or a or lake or pond

491

00:18:02,950 --> 00:18:01,440

or something so

492

00:18:03,990 --> 00:18:02,960

yeah you know i've been i've been

493

00:18:06,549 --> 00:18:04,000

looking

494

00:18:08,070 --> 00:18:06,559

into these flying mounted manta ray type

495

00:18:10,549 --> 00:18:08,080

beans

496

00:18:12,710 --> 00:18:10,559

um i kind of i'm kind of at the point

497

00:18:16,710 --> 00:18:12,720

now where i believe there's some type of

498

00:18:18,870 --> 00:18:16,720

bio ufo or bio craft of some type

499

00:18:21,990 --> 00:18:18,880

uh you know it's interesting i don't

500

00:18:23,430 --> 00:18:22,000

know if it's a mimic of a an actual

501

00:18:26,310 --> 00:18:23,440

manta ray that

502

00:18:29,110 --> 00:18:26,320

it is trying to be shown but uh they

503

00:18:31,430 --> 00:18:29,120

seem to undulate like a a manta ray

504

00:18:35,270 --> 00:18:31,440

that's in the water so uh

505

00:18:38,549 --> 00:18:37,110

yeah there's there's just a lot of

506

00:18:40,710 --> 00:18:38,559

strange things going on there and you

507

00:18:42,310 --> 00:18:40,720

know what's really interesting here get

508

00:18:44,870 --> 00:18:42,320

off the subject a little bit but back to

509

00:18:48,070 --> 00:18:44,880

the ufo subject you know last few years

510

00:18:50,310 --> 00:18:48,080

that very very active with ufo sightings

511

00:18:53,590 --> 00:18:50,320

and actually various cryptid reports

512

00:18:56,070 --> 00:18:53,600

and you know again reports come in here

513

00:18:58,310 --> 00:18:56,080

in all types of weather at all seasons

514

00:18:59,990 --> 00:18:58,320

all year round and generally year after

515

00:19:01,830 --> 00:19:00,000

year when we start getting to the fall

516

00:19:04,230 --> 00:19:01,840

and winter and the weather starts

517

00:19:05,590 --> 00:19:04,240

deteriorating generally reports begin to

518

00:19:07,430 --> 00:19:05,600

slow down

519

00:19:09,350 --> 00:19:07,440

but actually

520

00:19:12,310 --> 00:19:09,360

starting last october

521

00:19:13,590 --> 00:19:12,320

we began to have a series kind of surge

522

00:19:15,510 --> 00:19:13,600

of activity

523

00:19:18,070 --> 00:19:15,520

and it went on through all the rest of

524

00:19:19,190 --> 00:19:18,080

last year into this year into recent

525

00:19:22,150 --> 00:19:19,200

weeks

526

00:19:24,630 --> 00:19:22,160

uh numerous reports a lot of ufo

527

00:19:27,110 --> 00:19:24,640

activity but a lot of it were large

528

00:19:29,990 --> 00:19:27,120

objects in this case a larger scene at

529

00:19:32,470 --> 00:19:30,000

very low level some very low the ground

530

00:19:35,510 --> 00:19:32,480

uh some daylight reports

531

00:19:38,630 --> 00:19:35,520

uh just just a very unusual amount of

532

00:19:39,430 --> 00:19:38,640

really good quality ufo incidents coming

533

00:19:41,909 --> 00:19:39,440

in

534

00:19:44,230 --> 00:19:41,919

and and sometimes you know we have other

535

00:19:45,590 --> 00:19:44,240

phenomena that turns up around the same

536

00:19:49,029 --> 00:19:45,600

time period so

537

00:19:50,870 --> 00:19:49,039

let me give you just an example sure uh

538

00:19:52,390 --> 00:19:50,880

let me go through here a minute let me

539

00:19:54,789 --> 00:19:52,400

go into my file

540

00:19:56,390 --> 00:19:54,799

because this is kind of interesting i've

541

00:19:57,669 --> 00:19:56,400

got a lot of low-level settings a lot of

542

00:20:00,470 --> 00:19:57,679

reports of

543

00:20:03,590 --> 00:20:00,480

triangular objects on the last several

544

00:20:05,270 --> 00:20:03,600

months of cigar-shaped objects that type

545

00:20:07,510 --> 00:20:05,280

of thing being reported

546

00:20:10,230 --> 00:20:07,520

but

547

00:20:11,990 --> 00:20:10,240

january 15th

548

00:20:14,470 --> 00:20:12,000

of this year

549

00:20:17,909 --> 00:20:15,430

came up

550

00:20:19,990 --> 00:20:17,919

a man called in with a report now during

551  
00:20:22,870 --> 00:20:20,000  
that time you know we're having very

552  
00:20:25,590 --> 00:20:22,880  
very frigid weather for days and days

553  
00:20:27,110 --> 00:20:25,600  
well below zero there were people were

554  
00:20:29,350 --> 00:20:27,120  
having problems with their pipes

555  
00:20:31,830 --> 00:20:29,360  
breaking and this fella

556  
00:20:33,110 --> 00:20:31,840  
this was up in armstrong county

557  
00:20:35,190 --> 00:20:33,120  
and

558  
00:20:37,270 --> 00:20:35,200  
it was early morning uh

559  
00:20:39,190 --> 00:20:37,280  
after three o'clock in the morning this

560  
00:20:40,950 --> 00:20:39,200  
fella was very concerned that his water

561  
00:20:43,909 --> 00:20:40,960  
line under his home was going to freeze

562  
00:20:45,350 --> 00:20:43,919  
up so he he goes under this crawl space

563  
00:20:48,070 --> 00:20:45,360

under his house

564

00:20:50,950 --> 00:20:48,080

and while as he's partly inside of the

565

00:20:53,510 --> 00:20:50,960

the crawl space he hears this strange

566

00:20:54,470 --> 00:20:53,520

humming clicking sound from behind him

567

00:20:55,909 --> 00:20:54,480

but he didn't know where it was

568

00:20:57,510 --> 00:20:55,919

originating from

569

00:21:00,149 --> 00:20:57,520

so the next day

570

00:21:01,750 --> 00:21:00,159

his neighbor lives across the street

571

00:21:04,149 --> 00:21:01,760

contacts him

572

00:21:06,710 --> 00:21:04,159

and says i want to tell you early this

573

00:21:09,190 --> 00:21:06,720

morning he said i saw something very

574

00:21:10,870 --> 00:21:09,200

strange right over top of my barn

575

00:21:12,950 --> 00:21:10,880

and he went over and tell him the story

576  
00:21:15,110 --> 00:21:12,960  
and happened to me during the time that

577  
00:21:17,750 --> 00:21:15,120  
the other family's neighbor was

578  
00:21:19,270 --> 00:21:17,760  
trying to work on his water pipes so i

579  
00:21:20,470 --> 00:21:19,280  
got the interview the guy a couple days

580  
00:21:22,310 --> 00:21:20,480  
later

581  
00:21:24,470 --> 00:21:22,320  
and he told me that around

582  
00:21:26,789 --> 00:21:24,480  
3 45 in the morning

583  
00:21:29,029 --> 00:21:26,799  
he's away his awakened by the sound of

584  
00:21:31,029 --> 00:21:29,039  
his horses being disturbed disturbed by

585  
00:21:33,590 --> 00:21:31,039  
something they were the horses were

586  
00:21:35,909 --> 00:21:33,600  
running around upset so he goes down on

587  
00:21:37,270 --> 00:21:35,919  
his porch and looks towards the barn

588  
00:21:39,430 --> 00:21:37,280

but it's real dark down there and he

589

00:21:40,549 --> 00:21:39,440

couldn't see much so he starts walking

590

00:21:42,470 --> 00:21:40,559

down

591

00:21:44,310 --> 00:21:42,480

towards the barn about 150 feet away

592

00:21:45,430 --> 00:21:44,320

when suddenly these lights appeared over

593

00:21:47,669 --> 00:21:45,440

the barn

594

00:21:49,190 --> 00:21:47,679

and the lights were shining down

595

00:21:50,950 --> 00:21:49,200

and you could see the horses moving

596

00:21:53,430 --> 00:21:50,960

around and that's when he saw this

597

00:21:54,630 --> 00:21:53,440

object hovering about 20 feet over top

598

00:21:56,230 --> 00:21:54,640

of the barn

599

00:21:59,909 --> 00:21:56,240

he said it looked kind of like a tear

600

00:22:01,029 --> 00:21:59,919

drop shaped object about 65 to 70 feet

601  
00:22:03,110 --> 00:22:01,039  
in length

602  
00:22:05,190 --> 00:22:03,120  
it had a smooth silver or a metallic

603  
00:22:07,190 --> 00:22:05,200  
look or something like stainless or

604  
00:22:09,110 --> 00:22:07,200  
galvanized steel and he said it was

605  
00:22:11,110 --> 00:22:09,120  
solid and smooth looking

606  
00:22:13,669 --> 00:22:11,120  
it was emitting a humming and buzzing

607  
00:22:16,230 --> 00:22:13,679  
sound there were numerous lights across

608  
00:22:18,549 --> 00:22:16,240  
the surface that looked round there was

609  
00:22:20,470 --> 00:22:18,559  
probably eight rows of 20 to 30 lights

610  
00:22:22,549 --> 00:22:20,480  
on it that would change from a red to

611  
00:22:23,909 --> 00:22:22,559  
blue and then back to a red color

612  
00:22:25,990 --> 00:22:23,919  
and he said he watched this thing

613  
00:22:27,590 --> 00:22:26,000

hovering for about five minutes but he

614

00:22:29,510 --> 00:22:27,600

didn't have a camera for anything on his

615

00:22:31,430 --> 00:22:29,520

phone with him and he said you watched

616

00:22:32,950 --> 00:22:31,440

the light suddenly went out

617

00:22:35,190 --> 00:22:32,960

he said everything went dark and the

618

00:22:37,669 --> 00:22:35,200

object just disappeared he said it did

619

00:22:39,590 --> 00:22:37,679

not move away it just suddenly vanished

620

00:22:41,590 --> 00:22:39,600

and disappeared and he said moments

621

00:22:43,270 --> 00:22:41,600

later the horses all seemed to go back

622

00:22:45,190 --> 00:22:43,280

to their normal behavior

623

00:22:46,870 --> 00:22:45,200

so that was interesting in itself

624

00:22:48,630 --> 00:22:46,880

however that wasn't the end of what's

625

00:22:49,830 --> 00:22:48,640

going on so

626  
00:22:54,390 --> 00:22:49,840  
about

627  
00:22:56,789 --> 00:22:54,400  
morning over on the pennsylvania west

628  
00:22:59,510 --> 00:22:56,799  
virginia border

629  
00:23:02,390 --> 00:22:59,520  
one of my research associates jim brown

630  
00:23:03,750 --> 00:23:02,400  
got a report and he's been investigating

631  
00:23:06,390 --> 00:23:03,760  
this case

632  
00:23:08,390 --> 00:23:06,400  
and a person went outside i think to get

633  
00:23:10,870 --> 00:23:08,400  
a newspaper or take some garbage out or

634  
00:23:13,750 --> 00:23:10,880  
whatever and notice this object in the

635  
00:23:15,990 --> 00:23:13,760  
sky it was hard to define exactly but

636  
00:23:17,990 --> 00:23:16,000  
wasn't that high up apparently but it

637  
00:23:20,230 --> 00:23:18,000  
was kind of i think kind of a black area

638  
00:23:23,190 --> 00:23:20,240

there was a glow coming from it hard to

639

00:23:25,830 --> 00:23:23,200

see the actual shape and

640

00:23:27,830 --> 00:23:25,840

didn't hear any sounds at all so first

641

00:23:29,029 --> 00:23:27,840

i'm thought it was very unusual went to

642

00:23:31,510 --> 00:23:29,039

her home

643

00:23:33,590 --> 00:23:31,520

to go inside to get a camera when she

644

00:23:34,870 --> 00:23:33,600

touched the door handle

645

00:23:37,110 --> 00:23:34,880

she got a

646

00:23:39,750 --> 00:23:37,120

static charge an electric shock which

647

00:23:40,789 --> 00:23:39,760

she never did before so she found a

648

00:23:43,269 --> 00:23:40,799

camera

649

00:23:45,590 --> 00:23:43,279

found her phone touched a handle again

650

00:23:47,669 --> 00:23:45,600

and got another shock when she goes back

651  
00:23:49,750 --> 00:23:47,679  
outside the object is gone

652  
00:23:51,830 --> 00:23:49,760  
so she goes back into the house to call

653  
00:23:53,590 --> 00:23:51,840  
a neighbor got another shark her

654  
00:23:56,470 --> 00:23:53,600  
neighbor came over and got a static

655  
00:23:58,070 --> 00:23:56,480  
charge also on it and so jim got down to

656  
00:24:00,310 --> 00:23:58,080  
within the hour and he's a very

657  
00:24:01,830 --> 00:24:00,320  
high-tech researcher has some very good

658  
00:24:02,710 --> 00:24:01,840  
instrumentation

659  
00:24:05,669 --> 00:24:02,720  
and

660  
00:24:07,830 --> 00:24:05,679  
by that time whatever the whatever the

661  
00:24:09,029 --> 00:24:07,840  
electrical charge was it had uh

662  
00:24:11,029 --> 00:24:09,039  
diminished

663  
00:24:13,110 --> 00:24:11,039

and but he checked all around and there

664

00:24:15,350 --> 00:24:13,120

was nothing that he could find that

665

00:24:17,350 --> 00:24:15,360

would produce that type of effect but

666

00:24:19,830 --> 00:24:17,360

here's what's really interesting that

667

00:24:21,269 --> 00:24:19,840

was the third case

668

00:24:23,990 --> 00:24:21,279

within months

669

00:24:25,510 --> 00:24:24,000

of people reporting low-level uf ufo

670

00:24:27,350 --> 00:24:25,520

activity

671

00:24:30,470 --> 00:24:27,360

and having some type of like a static

672

00:24:31,350 --> 00:24:30,480

charge or electric shock at right at the

673

00:24:34,149 --> 00:24:31,360

time

674

00:24:38,070 --> 00:24:34,159

now of course historically we have a lot

675

00:24:40,149 --> 00:24:38,080

of reports of electromagnetic effects

676  
00:24:42,149 --> 00:24:40,159  
different you know we've had cases where

677  
00:24:43,510 --> 00:24:42,159  
an object covers over a vehicle the

678  
00:24:45,269 --> 00:24:43,520  
motor scrolls

679  
00:24:47,190 --> 00:24:45,279  
or the headlight to dim and the object

680  
00:24:48,710 --> 00:24:47,200  
takes off and the power comes back on

681  
00:24:51,190 --> 00:24:48,720  
you've heard those reports for years and

682  
00:24:52,470 --> 00:24:51,200  
years absolutely

683  
00:24:55,430 --> 00:24:52,480  
so also

684  
00:24:57,110 --> 00:24:55,440  
i was um talking with dan hagman up in

685  
00:24:59,430 --> 00:24:57,120  
butler and he again he's had a lot of

686  
00:25:02,710 --> 00:24:59,440  
activity up there in the last year or so

687  
00:25:04,070 --> 00:25:02,720  
but in october of last year now this is

688  
00:25:05,830 --> 00:25:04,080

interesting because these are kind of

689

00:25:07,750 --> 00:25:05,840

the things that you and i have talked

690

00:25:09,590 --> 00:25:07,760

about and i wrote about my solo invasive

691

00:25:11,190 --> 00:25:09,600

book in the 70s

692

00:25:13,430 --> 00:25:11,200

he had a report

693

00:25:15,510 --> 00:25:13,440

from bumper county of a person was

694

00:25:17,430 --> 00:25:15,520

driving in a car that evening

695

00:25:20,950 --> 00:25:17,440

and saw a commotion to the right in the

696

00:25:23,430 --> 00:25:20,960

bushes or about dusk and as a seven foot

697

00:25:25,350 --> 00:25:23,440

tall air covered creature came walking

698

00:25:27,830 --> 00:25:25,360

out on the road moving moved very fast

699

00:25:30,549 --> 00:25:27,840

to the right was hairy muddy and matted

700

00:25:33,750 --> 00:25:30,559

looking scared the person quite a bit

701

00:25:36,310 --> 00:25:33,760

but i believe he said within the hour

702

00:25:38,390 --> 00:25:36,320

in that same general area he gets

703

00:25:41,110 --> 00:25:38,400

reports from other witnesses who are

704

00:25:43,510 --> 00:25:41,120

reporting this very large triangular

705

00:25:45,669 --> 00:25:43,520

object he said that they estimated to be

706

00:25:48,070 --> 00:25:45,679

about the size of three buses hovering

707

00:25:49,990 --> 00:25:48,080

about 100 feet off the ground and people

708

00:25:51,430 --> 00:25:50,000

reported feeling a static electric

709

00:25:52,950 --> 00:25:51,440

charge

710

00:25:56,549 --> 00:25:52,960

so we thought that was kind of

711

00:25:57,590 --> 00:25:56,559

interesting and then um

712

00:26:02,549 --> 00:25:57,600

in

713

00:26:05,909 --> 00:26:02,559

so this would have been a month later

714

00:26:09,430 --> 00:26:05,919

of november i talked to another witness

715

00:26:11,430 --> 00:26:09,440

very interesting case and this was um

716

00:26:13,830 --> 00:26:11,440

let's say this is early evening on a

717

00:26:15,750 --> 00:26:13,840

main road um coming up through fayette

718

00:26:17,510 --> 00:26:15,760

county a rural area very close to the

719

00:26:19,350 --> 00:26:17,520

chestnut ridge which you and i have

720

00:26:21,909 --> 00:26:19,360

talked about many times

721

00:26:23,669 --> 00:26:21,919

and this person in the distance

722

00:26:26,310 --> 00:26:23,679

sees what appears to be three lights in

723

00:26:29,190 --> 00:26:26,320

a rounded triangular configuration

724

00:26:31,269 --> 00:26:29,200

similar to a guitar picking shape

725

00:26:33,269 --> 00:26:31,279

and the lights were perfectly circular

726

00:26:34,950 --> 00:26:33,279

were non-blinking kind of an orange

727

00:26:37,269 --> 00:26:34,960

yellow color or about the size of a

728

00:26:38,710 --> 00:26:37,279

large dinner plate as this person got

729

00:26:40,470 --> 00:26:38,720

closer

730

00:26:42,390 --> 00:26:40,480

this thing was hovering only about 30

731

00:26:45,190 --> 00:26:42,400

feet off the ground

732

00:26:47,590 --> 00:26:45,200

and a person passed basically someone

733

00:26:48,470 --> 00:26:47,600

under pretty close underneath it

734

00:26:50,230 --> 00:26:48,480

and

735

00:26:53,190 --> 00:26:50,240

the lights have now changed to a pinkish

736

00:26:55,510 --> 00:26:53,200

yellow color but this thing was small it

737

00:26:57,110 --> 00:26:55,520

was only about 10 feet long

738

00:26:59,269 --> 00:26:57,120

and

739

00:27:00,950 --> 00:26:59,279

did not have the radio on but heard no

740

00:27:03,110 --> 00:27:00,960

sound from the object

741

00:27:05,029 --> 00:27:03,120

and this person happened to have her her

742

00:27:07,190 --> 00:27:05,039

dog in the front seat and the dog was

743

00:27:08,310 --> 00:27:07,200

turning his head looking at the object

744

00:27:10,149 --> 00:27:08,320

seemed like he was getting a little

745

00:27:13,590 --> 00:27:10,159

obsessed that she's petting the dog when

746

00:27:15,669 --> 00:27:13,600

she petted the dog she also got a static

747

00:27:18,230 --> 00:27:15,679

charge a slight shock for petting the

748

00:27:20,950 --> 00:27:18,240

dog at the time so there were three

749

00:27:22,950 --> 00:27:20,960

cases within months of that type of

750

00:27:25,430 --> 00:27:22,960

effect which i thought was uh quite

751  
00:27:28,950 --> 00:27:25,440  
interesting

752  
00:27:31,029 --> 00:27:28,960  
you know for those folks who

753  
00:27:33,190 --> 00:27:31,039  
don't know

754  
00:27:34,870 --> 00:27:33,200  
any are much about when we reference the

755  
00:27:36,149 --> 00:27:34,880  
chestnut ridge can you kind of give a

756  
00:27:39,110 --> 00:27:36,159  
thumbnail

757  
00:27:41,510 --> 00:27:39,120  
uh assessment of what the chestnut ridge

758  
00:27:43,350 --> 00:27:41,520  
is where it's at and and some of the

759  
00:27:45,669 --> 00:27:43,360  
stuff that's happened there over the

760  
00:27:47,830 --> 00:27:45,679  
years

761  
00:27:49,590 --> 00:27:47,840  
yeah it's uh it's an interesting uh

762  
00:27:53,669 --> 00:27:49,600  
place and i'll tell you how i found out

763  
00:27:56,710 --> 00:27:53,679

about the ridge this was back in 1969

764

00:27:59,909 --> 00:27:56,720

i had gotten a call that afternoon

765

00:28:01,590 --> 00:27:59,919

of witnesses along a major highway along

766

00:28:03,350 --> 00:28:01,600

the tree line they're seeing this very

767

00:28:05,350 --> 00:28:03,360

large solid elliptical kind of

768

00:28:08,070 --> 00:28:05,360

cigar-shaped object

769

00:28:10,070 --> 00:28:08,080

that's uh hopping around the trees

770

00:28:12,710 --> 00:28:10,080

and kind of moving almost like a

771

00:28:14,549 --> 00:28:12,720

stair-step fashion up and down and it

772

00:28:16,389 --> 00:28:14,559

finally drops down and looks like it's

773

00:28:17,990 --> 00:28:16,399

landing in that area

774

00:28:19,110 --> 00:28:18,000

so uh the people actually called the

775

00:28:20,070 --> 00:28:19,120

police

776

00:28:23,830 --> 00:28:20,080

and

777

00:28:26,470 --> 00:28:23,840

interview the people

778

00:28:29,430 --> 00:28:26,480

and um in the days to follow as i'm

779

00:28:31,430 --> 00:28:29,440

interviewing people out in that area

780

00:28:32,630 --> 00:28:31,440

and um trying to get more information on

781

00:28:34,950 --> 00:28:32,640

that sighting

782

00:28:36,789 --> 00:28:34,960

various people started bringing up to me

783

00:28:39,110 --> 00:28:36,799

because we weren't that far away from

784

00:28:41,110 --> 00:28:39,120

that section the chestnut ridge so i'm

785

00:28:43,110 --> 00:28:41,120

not that far from dairy township in that

786

00:28:45,430 --> 00:28:43,120

general area and they start telling me

787

00:28:47,029 --> 00:28:45,440

about strange things that they had heard

788

00:28:50,230 --> 00:28:47,039

about they had talked about bigfoot

789

00:28:52,549 --> 00:28:50,240

sightings strange lights ufos

790

00:28:54,950 --> 00:28:52,559

i play with underground sounds some

791

00:28:56,870 --> 00:28:54,960

person actually years and years ago back

792

00:28:59,190 --> 00:28:56,880

then they told me about somebody seemed

793

00:29:01,269 --> 00:28:59,200

like an opening inside on the side of

794

00:29:03,430 --> 00:29:01,279

the mountain that opened up

795

00:29:05,750 --> 00:29:03,440

so that fascinated me

796

00:29:07,830 --> 00:29:05,760

and it's been ever since then

797

00:29:09,990 --> 00:29:07,840

that i've been getting reports for years

798

00:29:12,070 --> 00:29:10,000

and years of carrying a lot of history

799

00:29:13,990 --> 00:29:12,080

of a lot of phenomena up in that area so

800

00:29:15,750 --> 00:29:14,000

the chestnut ridge

801  
00:29:17,830 --> 00:29:15,760  
actually runs

802  
00:29:20,549 --> 00:29:17,840  
it's about 100 miles long maybe a little

803  
00:29:22,870 --> 00:29:20,559  
less but it goes through westmoreland

804  
00:29:26,710 --> 00:29:22,880  
fayette and indiana county and southwest

805  
00:29:29,190 --> 00:29:26,720  
pa and extends down to around preston

806  
00:29:31,430 --> 00:29:29,200  
county west virginia so a few miles

807  
00:29:35,029 --> 00:29:31,440  
outside i'm working down west virginia

808  
00:29:35,990 --> 00:29:35,039  
it is a virtual active area year after

809  
00:29:39,190 --> 00:29:36,000  
year

810  
00:29:40,789 --> 00:29:39,200  
for ufo sightings bigfoot sightings

811  
00:29:43,029 --> 00:29:40,799  
there have been thunderbird sightings

812  
00:29:44,230 --> 00:29:43,039  
black panther sightings other cryptid

813  
00:29:46,630 --> 00:29:44,240

reports

814

00:29:49,269 --> 00:29:46,640

uh ghostly apparitions

815

00:29:51,190 --> 00:29:49,279

underground sounds mystery booms

816

00:29:52,950 --> 00:29:51,200

all kind of phenomena has gone on for

817

00:29:54,630 --> 00:29:52,960

years and years

818

00:29:56,070 --> 00:29:54,640

along the ridge

819

00:29:58,470 --> 00:29:56,080

and i don't know if you had a chance to

820

00:30:00,310 --> 00:29:58,480

read that yeah that's up there's a

821

00:30:01,590 --> 00:30:00,320

there's a lot of really interesting

822

00:30:03,990 --> 00:30:01,600

details about the incidents that have

823

00:30:06,789 --> 00:30:04,000

been occurring on the ridge

824

00:30:08,630 --> 00:30:06,799

uh activity on there last year getting

825

00:30:10,789 --> 00:30:08,640

reports already this year

826

00:30:13,110 --> 00:30:10,799

uh one of the first reports we had in

827

00:30:15,510 --> 00:30:13,120

january of last year

828

00:30:17,830 --> 00:30:15,520

was in daylight so this would have been

829

00:30:20,070 --> 00:30:17,840

right on the border of

830

00:30:21,110 --> 00:30:20,080

westmoreland indiana county on top of

831

00:30:23,350 --> 00:30:21,120

the ridge

832

00:30:24,870 --> 00:30:23,360

where a witness saw a seven half to

833

00:30:26,950 --> 00:30:24,880

eight foot tall

834

00:30:29,190 --> 00:30:26,960

hair covered hairy bigfoot would cover

835

00:30:31,110 --> 00:30:29,200

with dirty white matted hair which you

836

00:30:33,350 --> 00:30:31,120

don't hear about those very often we've

837

00:30:34,789 --> 00:30:33,360

had those reports in past years and it

838

00:30:36,470 --> 00:30:34,799

was walking through a field in the

839

00:30:37,909 --> 00:30:36,480

afternoon unfortunately the guy didn't

840

00:30:40,630 --> 00:30:37,919

have a camera with them

841

00:30:43,029 --> 00:30:40,640

and then um in the weeks to follow other

842

00:30:45,190 --> 00:30:43,039

people reporting uh strange screams and

843

00:30:47,029 --> 00:30:45,200

howls up in that area but we get those

844

00:30:47,750 --> 00:30:47,039

for years and years around there and

845

00:30:49,430 --> 00:30:47,760

then

846

00:30:53,110 --> 00:30:49,440

it prints in the snow

847

00:30:56,070 --> 00:30:53,120

but it's a fascinating area

848

00:30:57,750 --> 00:30:56,080

and again one other one other anomaly

849

00:30:59,269 --> 00:30:57,760

that i get reports up in the air and

850

00:31:00,549 --> 00:30:59,279

i've had one just a few weeks ago not

851  
00:31:02,470 --> 00:31:00,559  
far from there

852  
00:31:05,269 --> 00:31:02,480  
are these reports of again what i call

853  
00:31:07,909 --> 00:31:05,279  
mini ufos and i think they are a very

854  
00:31:09,509 --> 00:31:07,919  
important part of the ufo phenomena

855  
00:31:11,509 --> 00:31:09,519  
i've been investigating them since the

856  
00:31:12,950 --> 00:31:11,519  
1960s

857  
00:31:15,509 --> 00:31:12,960  
a lot of people don't seem to know much

858  
00:31:17,029 --> 00:31:15,519  
about these or talk about them uh some

859  
00:31:19,909 --> 00:31:17,039  
talk more about saying of course they're

860  
00:31:21,830 --> 00:31:19,919  
describing it when they talk about orbs

861  
00:31:24,470 --> 00:31:21,840  
but i started investigating these back

862  
00:31:26,470 --> 00:31:24,480  
years and years ago and these smaller

863  
00:31:28,950 --> 00:31:26,480

objects are fascinating because they're

864

00:31:30,389 --> 00:31:28,960

not high altitude they're very low to

865

00:31:32,710 --> 00:31:30,399

the ground

866

00:31:34,789 --> 00:31:32,720

they'll on occasion come very close to

867

00:31:36,149 --> 00:31:34,799

to human observers i mean they've been

868

00:31:39,430 --> 00:31:36,159

close enough a person could put their

869

00:31:41,669 --> 00:31:39,440

hand up and touch one i've had them

870

00:31:43,350 --> 00:31:41,679

follow vehicles i've had them enter

871

00:31:44,630 --> 00:31:43,360

pupils homes and cars through open

872

00:31:47,110 --> 00:31:44,640

windows

873

00:31:49,590 --> 00:31:47,120

sometimes they'll go back out the window

874

00:31:51,509 --> 00:31:49,600

sometimes they go right through the the

875

00:31:53,350 --> 00:31:51,519

back of the vehicle or go right through

876

00:31:55,590 --> 00:31:53,360

a wall of the house i've had people

877

00:31:58,310 --> 00:31:55,600

report them inside of their house

878

00:32:00,710 --> 00:31:58,320

and these are just fascinating reports

879

00:32:03,110 --> 00:32:00,720

now generally the smallest ones look

880

00:32:04,230 --> 00:32:03,120

like oversized fireflies or lightning

881

00:32:05,669 --> 00:32:04,240

bugs

882

00:32:07,269 --> 00:32:05,679

and they're about an inch or two in

883

00:32:09,350 --> 00:32:07,279

diameter and then they go up to about a

884

00:32:10,549 --> 00:32:09,360

foot or two in diameter and then some a

885

00:32:12,710 --> 00:32:10,559

little bigger but a foot or two in

886

00:32:14,950 --> 00:32:12,720

diameter is very common

887

00:32:16,789 --> 00:32:14,960

and again some a little smaller but

888

00:32:18,549 --> 00:32:16,799

they're generally spherical but not

889

00:32:21,029 --> 00:32:18,559

always

890

00:32:22,870 --> 00:32:21,039

and um sometimes they're solid and

891

00:32:24,710 --> 00:32:22,880

metallic looking

892

00:32:26,789 --> 00:32:24,720

in other cases

893

00:32:28,389 --> 00:32:26,799

they're just luminous balls of light of

894

00:32:30,789 --> 00:32:28,399

different colors

895

00:32:33,029 --> 00:32:30,799

and i they're very fascinating because

896

00:32:35,430 --> 00:32:33,039

you know in more recent years now not

897

00:32:37,269 --> 00:32:35,440

only in pennsylvania but throughout the

898

00:32:39,430 --> 00:32:37,279

country

899

00:32:41,669 --> 00:32:39,440

in areas where you have a lot of active

900

00:32:44,470 --> 00:32:41,679

bigfoot reports

901  
00:32:46,870 --> 00:32:44,480  
researchers and witnesses are reporting

902  
00:32:48,870 --> 00:32:46,880  
seeing these small spheres of light low

903  
00:32:50,870 --> 00:32:48,880  
to the ground in the trees sometimes

904  
00:32:53,509 --> 00:32:50,880  
approaching close to them

905  
00:32:56,470 --> 00:32:53,519  
and uh they're very very fascinating

906  
00:32:58,549 --> 00:32:56,480  
and of course going back to even 73

907  
00:33:00,470 --> 00:32:58,559  
which um i think you probably remember

908  
00:33:02,389 --> 00:33:00,480  
from my solid invasion book store the

909  
00:33:05,110 --> 00:33:02,399  
case north of pittsburgh

910  
00:33:07,669 --> 00:33:05,120  
where two witnesses observed as white

911  
00:33:10,070 --> 00:33:07,679  
hairy bigfoot running across the road

912  
00:33:13,029 --> 00:33:10,080  
towards the woods and one of its hand it

913  
00:33:14,630 --> 00:33:13,039

was carrying a small sphere of light a

914

00:33:16,710 --> 00:33:14,640

bright a bald light

915

00:33:17,990 --> 00:33:16,720

and a short time later this object came

916

00:33:20,230 --> 00:33:18,000

across the sky

917

00:33:21,909 --> 00:33:20,240

projected abumalight down to the woods

918

00:33:24,470 --> 00:33:21,919

where the creature ran into

919

00:33:26,149 --> 00:33:24,480

right and so those kind of reports are

920

00:33:28,870 --> 00:33:26,159

going on more and more

921

00:33:31,430 --> 00:33:28,880

around the country some some association

922

00:33:35,190 --> 00:33:31,440

between these small orbs of white and

923

00:33:37,750 --> 00:33:36,149

well

924

00:33:38,630 --> 00:33:37,760

yeah you know

925

00:33:40,149 --> 00:33:38,640

i i've been

926  
00:33:41,669 --> 00:33:40,159  
[Music]

927  
00:33:43,509 --> 00:33:41,679  
hearing and

928  
00:33:45,269 --> 00:33:43,519  
talking to folks

929  
00:33:46,710 --> 00:33:45,279  
way back in the 80s

930  
00:33:48,950 --> 00:33:46,720  
when i used to work for the steel

931  
00:33:50,549 --> 00:33:48,960  
workers uh we used to have retreat up at

932  
00:33:53,269 --> 00:33:50,559  
linden hall which is just outside of

933  
00:33:55,590 --> 00:33:53,279  
periopolis but you know that whole

934  
00:33:57,750 --> 00:33:55,600  
chestnut ridge laurel highland area has

935  
00:34:00,070 --> 00:33:57,760  
a lot of strange phenomena

936  
00:34:02,470 --> 00:34:00,080  
and uh you know i used to hear stories

937  
00:34:04,870 --> 00:34:02,480  
every time i used to go up there we'd go

938  
00:34:06,710 --> 00:34:04,880

and retreat be up there a week i would

939

00:34:09,349 --> 00:34:06,720

always hear something or somebody to say

940

00:34:10,550 --> 00:34:09,359

i saw something strange last night this

941

00:34:12,389 --> 00:34:10,560

and that

942

00:34:13,430 --> 00:34:12,399

it never failed

943

00:34:16,790 --> 00:34:13,440

um

944

00:34:23,430 --> 00:34:19,349

what do you believe is the reason behind

945

00:34:25,270 --> 00:34:23,440

so much strangeness in that area

946

00:34:28,550 --> 00:34:25,280

well you know i've never been able to

947

00:34:30,790 --> 00:34:28,560

find any definitive pattern to it

948

00:34:32,470 --> 00:34:30,800

at the ridge itself but what i did find

949

00:34:34,710 --> 00:34:32,480

and i think you brought some about this

950

00:34:36,869 --> 00:34:34,720

a few minutes ago what and i think you

951  
00:34:39,510 --> 00:34:36,879  
brought the bodies of water what i found

952  
00:34:41,109 --> 00:34:39,520  
many many years ago and this continues

953  
00:34:44,950 --> 00:34:41,119  
to show up

954  
00:34:46,790 --> 00:34:44,960  
many close range low-level ufo sightings

955  
00:34:50,550 --> 00:34:46,800  
and many close range encounters with

956  
00:34:52,310 --> 00:34:50,560  
bigfoot and other cryptids thunderbirds

957  
00:34:55,109 --> 00:34:52,320  
the other place black panthers these

958  
00:34:58,950 --> 00:34:55,119  
other crypts show up they calmly occur

959  
00:35:02,710 --> 00:34:58,960  
in the vicinity of high energy sources

960  
00:35:05,589 --> 00:35:02,720  
a lot of reports around

961  
00:35:08,069 --> 00:35:05,599  
rivers lakes reservoirs

962  
00:35:10,150 --> 00:35:08,079  
high tension power lines power plants

963  
00:35:12,470 --> 00:35:10,160

gas wells gas lines

964

00:35:15,510 --> 00:35:12,480

radio and cell phone towers windmill

965

00:35:16,470 --> 00:35:15,520

farms railroad tracks there's no doubt

966

00:35:18,870 --> 00:35:16,480

whatsoever

967

00:35:20,630 --> 00:35:18,880

that there's a energy pattern to a lot

968

00:35:22,310 --> 00:35:20,640

of these incidents for whatever that

969

00:35:23,670 --> 00:35:22,320

might be

970

00:35:25,990 --> 00:35:23,680

oh i agree

971

00:35:28,390 --> 00:35:26,000

uh it always has seemed and you know i

972

00:35:30,790 --> 00:35:28,400

used to go in the yucca guinea a lot it

973

00:35:32,630 --> 00:35:30,800

always seems a lot of strange activity

974

00:35:34,870 --> 00:35:32,640

associated with the yakugini into the

975

00:35:36,870 --> 00:35:34,880

menageola uh

976

00:35:38,950 --> 00:35:36,880

you know i know you've had ufo reports

977

00:35:41,349 --> 00:35:38,960

i've had people have had sightings

978

00:35:44,550 --> 00:35:41,359

while fishing or doing whatever activity

979

00:35:46,230 --> 00:35:44,560

along either one of those rivers uh yeah

980

00:35:48,069 --> 00:35:46,240

i agree there's something about that

981

00:35:50,310 --> 00:35:48,079

area

982

00:35:52,950 --> 00:35:50,320

yeah and again you know it's interesting

983

00:35:54,310 --> 00:35:52,960

because in over the last year when

984

00:35:56,150 --> 00:35:54,320

you're hearing all the news about the

985

00:35:58,069 --> 00:35:56,160

navy sightings and

986

00:36:00,150 --> 00:35:58,079

the various objects have been seen

987

00:36:02,310 --> 00:36:00,160

around the the military at the navy

988

00:36:05,270 --> 00:36:02,320

vessels and then of course those that

989

00:36:06,950 --> 00:36:05,280

focus on that one video of the object

990

00:36:09,190 --> 00:36:06,960

going into the ocean

991

00:36:11,030 --> 00:36:09,200

and maneuvering under the water

992

00:36:13,190 --> 00:36:11,040

and here in pennsylvania for years and

993

00:36:14,550 --> 00:36:13,200

years we've had reports you can see

994

00:36:16,790 --> 00:36:14,560

going in and out of the rivers and lakes

995

00:36:18,950 --> 00:36:16,800

of pennsylvania that's just going on for

996

00:36:20,550 --> 00:36:18,960

a long long time

997

00:36:23,910 --> 00:36:20,560

it's interesting

998

00:36:26,950 --> 00:36:23,920

so as far as bigfoot activity in well

999

00:36:29,750 --> 00:36:26,960

especially the ridge uh what's been

1000

00:36:32,230 --> 00:36:29,760

coming up more more recent years i know

1001  
00:36:34,630 --> 00:36:32,240  
there have been a few few interesting

1002  
00:36:37,030 --> 00:36:34,640  
encounters

1003  
00:36:39,430 --> 00:36:37,040  
yeah i i understand there's been some

1004  
00:36:41,109 --> 00:36:39,440  
activity i don't have enough detail yet

1005  
00:36:43,750 --> 00:36:41,119  
i know there's been some reports of some

1006  
00:36:45,349 --> 00:36:43,760  
activity in the last couple weeks

1007  
00:36:48,069 --> 00:36:45,359  
i'm not ready to talk about yet to have

1008  
00:36:49,510 --> 00:36:48,079  
all the information

1009  
00:36:52,230 --> 00:36:49,520  
i've heard a lot of reports over the

1010  
00:36:54,630 --> 00:36:52,240  
last couple years secondhand reports of

1011  
00:36:56,390 --> 00:36:54,640  
people who had friends or relatives who

1012  
00:36:58,230 --> 00:36:56,400  
saw something that they believe was a

1013  
00:37:00,069 --> 00:36:58,240

bigfoot but the people themselves didn't

1014

00:37:02,870 --> 00:37:00,079

want to come forward again there were

1015

00:37:04,310 --> 00:37:02,880

there were several sightings last year

1016

00:37:07,990 --> 00:37:04,320

and

1017

00:37:10,710 --> 00:37:08,000

know we had mentioned a few minutes ago

1018

00:37:12,069 --> 00:37:10,720

about the the strange lights and bigfoot

1019

00:37:15,910 --> 00:37:12,079

here's an interesting report that

1020

00:37:16,790 --> 00:37:15,920

happened um in more recent years 2019

1021

00:37:20,069 --> 00:37:16,800

um

1022

00:37:22,470 --> 00:37:20,079

outside of pittsburgh in a rural area

1023

00:37:24,069 --> 00:37:22,480

uh early morning hours the stella had

1024

00:37:26,230 --> 00:37:24,079

gotten up i was looking up the i believe

1025

00:37:28,390 --> 00:37:26,240

the kitchen window and it was all

1026

00:37:31,270 --> 00:37:28,400

illuminated outside and the backyard

1027

00:37:33,430 --> 00:37:31,280

went to a large wooded area he sees what

1028

00:37:35,510 --> 00:37:33,440

appears to be a small bigfoot and we

1029

00:37:37,670 --> 00:37:35,520

have had reports of smaller ones around

1030

00:37:39,030 --> 00:37:37,680

four to five feet tall he said this one

1031

00:37:41,910 --> 00:37:39,040

was about four and a half to five feet

1032

00:37:44,150 --> 00:37:41,920

tall covered with dark dark hair

1033

00:37:46,630 --> 00:37:44,160

long hair on the head in the back area

1034

00:37:49,109 --> 00:37:46,640

walking up right you can see its

1035

00:37:51,030 --> 00:37:49,119

arms extend almost down to the knees

1036

00:37:53,109 --> 00:37:51,040

and the arms are swinging as it's moving

1037

00:37:53,990 --> 00:37:53,119

but he can see it very well

1038

00:37:57,910 --> 00:37:54,000

and

1039

00:37:59,750 --> 00:37:57,920

it enters a particular area of the woods

1040

00:38:01,510 --> 00:37:59,760

and he said about three seconds later

1041

00:38:02,829 --> 00:38:01,520

after the creature had entered the woods

1042

00:38:05,349 --> 00:38:02,839

at that same

1043

00:38:07,030 --> 00:38:05,359

location this bright sphere of light

1044

00:38:08,630 --> 00:38:07,040

about three or four inches in diameter

1045

00:38:10,230 --> 00:38:08,640

suddenly appeared

1046

00:38:12,230 --> 00:38:10,240

and he said it was similar looking check

1047

00:38:14,310 --> 00:38:12,240

into the front of a flashlight that's

1048

00:38:15,910 --> 00:38:14,320

only about three feet above the ground

1049

00:38:17,750 --> 00:38:15,920

the light then moved the short distance

1050

00:38:20,150 --> 00:38:17,760

for about three seconds and vanished

1051

00:38:22,630 --> 00:38:20,160

about four to five seconds later that

1052

00:38:25,190 --> 00:38:22,640

light reappeared about 10 feet away and

1053

00:38:28,069 --> 00:38:25,200

this time that small sphere emitted a

1054

00:38:29,829 --> 00:38:28,079

bmw light about 10 to 12 feet in length

1055

00:38:30,950 --> 00:38:29,839

and after a few seconds it banished and

1056

00:38:33,510 --> 00:38:30,960

it was gone

1057

00:38:36,310 --> 00:38:33,520

so these things keep showing up

1058

00:38:38,470 --> 00:38:36,320

and um so it's just amazing but up under

1059

00:38:40,390 --> 00:38:38,480

ridge year after year

1060

00:38:42,310 --> 00:38:40,400

people are seeing strange footprints in

1061

00:38:44,710 --> 00:38:42,320

the snow and other times of the year

1062

00:38:47,030 --> 00:38:44,720

they're hearing house and screams

1063

00:38:49,030 --> 00:38:47,040

uh and there have been many many bigfoot

1064

00:38:51,190 --> 00:38:49,040

sightings um over the years all through

1065

00:38:53,589 --> 00:38:51,200

that area uh and a lot of the sightings

1066

00:38:57,270 --> 00:38:53,599

have been in daylight and of course when

1067

00:38:59,589 --> 00:38:57,280

we go back to 1973 we had that massive

1068

00:39:02,550 --> 00:38:59,599

first ufo wave across the state while

1069

00:39:03,589 --> 00:39:02,560

all year long with multitudes of ufo

1070

00:39:05,910 --> 00:39:03,599

sightings

1071

00:39:08,069 --> 00:39:05,920

and then we had those very strange cases

1072

00:39:10,390 --> 00:39:08,079

show up with bigfoot and ufos seen

1073

00:39:11,829 --> 00:39:10,400

together at the same time in place

1074

00:39:13,829 --> 00:39:11,839

but

1075

00:39:15,910 --> 00:39:13,839

there was a lot of bigfoot activity

1076

00:39:17,750 --> 00:39:15,920

especially along that area

1077

00:39:19,750 --> 00:39:17,760

around derry township along that area

1078

00:39:21,349 --> 00:39:19,760

the westmoreland county side of the

1079

00:39:23,829 --> 00:39:21,359

chestnut ridge

1080

00:39:25,750 --> 00:39:23,839

and i mean year after year we're getting

1081

00:39:28,069 --> 00:39:25,760

reports of people seeing them up in that

1082

00:39:30,069 --> 00:39:28,079

area but a lot of those sightings in 73

1083

00:39:31,510 --> 00:39:30,079

i mean they were in daylight

1084

00:39:34,069 --> 00:39:31,520

and a lot of them i went with there were

1085

00:39:36,630 --> 00:39:34,079

cases where people were within

1086

00:39:38,710 --> 00:39:36,640

five 10 15 feet away from these things

1087

00:39:40,829 --> 00:39:38,720

and in some cases get multiple creatures

1088

00:39:44,390 --> 00:39:40,839

like two or three together at the same

1089

00:39:46,390 --> 00:39:44,400

time and my teams at the time we would

1090

00:39:48,870 --> 00:39:46,400

get out there within minutes to hours

1091

00:39:50,470 --> 00:39:48,880

after these occurrences took place

1092

00:39:53,030 --> 00:39:50,480

and that's why we have a document

1093

00:39:55,190 --> 00:39:53,040

deciding so well because it was

1094

00:39:56,790 --> 00:39:55,200

occurring it had just occurred

1095

00:39:59,030 --> 00:39:56,800

we interviewed the witnesses you could

1096

00:40:01,349 --> 00:39:59,040

see the human reactions we saw the

1097

00:40:03,510 --> 00:40:01,359

animal reactions where even the most

1098

00:40:06,470 --> 00:40:03,520

vicious dogs wouldn't bark wouldn't move

1099

00:40:08,470 --> 00:40:06,480

right after they were near a bigfoot

1100

00:40:09,990 --> 00:40:08,480

that's when we began to realize that

1101

00:40:12,390 --> 00:40:10,000

there was a lot more to the bigfoot

1102

00:40:13,750 --> 00:40:12,400

phenomena than just an unknown animal

1103

00:40:14,790 --> 00:40:13,760

which is what i always thought these

1104

00:40:18,630 --> 00:40:14,800

things were

1105

00:40:20,390 --> 00:40:18,640

yeah it said and in more recent years

1106

00:40:22,150 --> 00:40:20,400

not just the case i've looked into here

1107

00:40:24,230 --> 00:40:22,160

in pennsylvania but throughout the

1108

00:40:25,829 --> 00:40:24,240

country and around the world now you're

1109

00:40:27,270 --> 00:40:25,839

hearing more and more reports from other

1110

00:40:28,550 --> 00:40:27,280

bigfoot investigators from other

1111

00:40:30,950 --> 00:40:28,560

witnesses

1112

00:40:33,190 --> 00:40:30,960

of these things that are doing things

1113

00:40:34,950 --> 00:40:33,200

that normally animals don't do

1114

00:40:38,069 --> 00:40:34,960

and of course one of the first things

1115

00:40:40,550 --> 00:40:38,079

that we noticed back in 73 and it's been

1116

00:40:42,550 --> 00:40:40,560

going on ever since even in recent years

1117

00:40:44,710 --> 00:40:42,560

and even in fresh snow

1118

00:40:47,190 --> 00:40:44,720

you have these trails of these large

1119

00:40:49,109 --> 00:40:47,200

strange footprints with very large

1120

00:40:50,870 --> 00:40:49,119

strides between them

1121

00:40:53,670 --> 00:40:50,880

that go for a distance and then just

1122

00:40:55,030 --> 00:40:53,680

abruptly stop and end when there's more

1123

00:40:56,710 --> 00:40:55,040

tracks

1124

00:40:59,030 --> 00:40:56,720

and there was no way under the

1125

00:41:01,750 --> 00:40:59,040

circumstance that we found these cases

1126

00:41:04,150 --> 00:41:01,760

that it could have been fabricated

1127

00:41:05,030 --> 00:41:04,160

and uh that's just an amazing thing to

1128

00:41:07,190 --> 00:41:05,040

see

1129

00:41:09,030 --> 00:41:07,200

and and then we have reports more and

1130

00:41:10,870 --> 00:41:09,040

more people seeing

1131

00:41:12,470 --> 00:41:10,880

bigfoot like creatures

1132

00:41:14,630 --> 00:41:12,480

that sometimes appear completely

1133

00:41:16,390 --> 00:41:14,640

physically solid

1134

00:41:17,829 --> 00:41:16,400

but sometimes they just suddenly appear

1135

00:41:19,430 --> 00:41:17,839

out of nowhere

1136

00:41:20,630 --> 00:41:19,440

the people going down the road and this

1137

00:41:22,870 --> 00:41:20,640

thing just suddenly appears out of

1138

00:41:25,349 --> 00:41:22,880

nowhere they see it from head to toe and

1139

00:41:26,710 --> 00:41:25,359

moments later it's just gone

1140

00:41:29,430 --> 00:41:26,720

and then you have these other cases

1141

00:41:30,790 --> 00:41:29,440

where people said if the body is kind of

1142

00:41:33,349 --> 00:41:30,800

out of focus

1143

00:41:35,270 --> 00:41:33,359

it's not completely solid

1144

00:41:37,510 --> 00:41:35,280

and sometimes these things appear to be

1145

00:41:39,270 --> 00:41:37,520

not just running very quickly but they

1146

00:41:41,270 --> 00:41:39,280

appear to be either floating or gliding

1147

00:41:43,750 --> 00:41:41,280

above the surface of the field or the

1148

00:41:46,470 --> 00:41:43,760

road and i'm sure some of those cases

1149

00:41:51,430 --> 00:41:48,950

yeah we have one not long ago up near uh

1150

00:41:53,510 --> 00:41:51,440

shippensburg up in cumberland county uh

1151

00:41:55,670 --> 00:41:53,520

something very similar to that

1152

00:41:56,790 --> 00:41:55,680

uh

1153

00:41:58,550 --> 00:41:56,800

and and there's another area

1154

00:42:00,630 --> 00:41:58,560

pennsylvania fascinates me because we

1155

00:42:03,190 --> 00:42:00,640

have had some reports out there more

1156

00:42:05,349 --> 00:42:03,200

recently in particular bigfoot is out in

1157

00:42:06,309 --> 00:42:05,359

greene county now of course

1158

00:42:08,150 --> 00:42:06,319

uh

1159

00:42:10,550 --> 00:42:08,160

greene county and washington county have

1160

00:42:11,670 --> 00:42:10,560

had a lot of strange phenomena over the

1161

00:42:14,390 --> 00:42:11,680

years

1162

00:42:17,510 --> 00:42:14,400

uh james west in particular who's now a

1163

00:42:20,069 --> 00:42:17,520

member of our team uh had the the

1164

00:42:21,910 --> 00:42:20,079

upright canine dogman encounters there

1165

00:42:23,349 --> 00:42:21,920

we've had some bigfoot sightings more

1166

00:42:25,990 --> 00:42:23,359

recently

1167

00:42:28,390 --> 00:42:26,000

and uh i've talked to

1168

00:42:30,630 --> 00:42:28,400

numerous people who have had

1169

00:42:33,990 --> 00:42:30,640

strange encounters in that area as well

1170

00:42:38,309 --> 00:42:36,710

oh yeah queen county washington county i

1171

00:42:41,190 --> 00:42:38,319

mean all those areas outside of

1172

00:42:41,910 --> 00:42:41,200

pittsburgh have had a long long history

1173

00:42:45,750 --> 00:42:41,920

and

1174

00:42:47,030 --> 00:42:45,760

yeah

1175

00:42:48,390 --> 00:42:47,040

these things are going on everywhere

1176

00:42:50,230 --> 00:42:48,400

there's probably not an area in

1177

00:42:51,990 --> 00:42:50,240

pennsylvania that there haven't been

1178

00:42:55,030 --> 00:42:52,000

reports over the years

1179

00:42:59,349 --> 00:42:55,040

uh eastern pa and of course southwest pa

1180

00:43:01,270 --> 00:42:59,359

is always active year after year

1181

00:43:02,550 --> 00:43:01,280

and i'm hearing uh quite a bit of

1182

00:43:05,910 --> 00:43:02,560

activity

1183

00:43:07,190 --> 00:43:05,920

up in up uh north northern part of the

1184

00:43:09,510 --> 00:43:07,200

state this would be up around the

1185

00:43:10,710 --> 00:43:09,520

pennsylvania new york border

1186

00:43:12,309 --> 00:43:10,720

there's always been a lot of reports

1187

00:43:14,870 --> 00:43:12,319

around the allegheny national forest in

1188

00:43:17,430 --> 00:43:14,880

that general area but i'm hearing me for

1189

00:43:19,270 --> 00:43:17,440

some others and and i've interviewed

1190

00:43:21,430 --> 00:43:19,280

people and other witnesses who've had

1191

00:43:22,230 --> 00:43:21,440

things going on in recent months

1192

00:43:23,750 --> 00:43:22,240

and

1193

00:43:25,109 --> 00:43:23,760

you know line

1194

00:43:26,710 --> 00:43:25,119

again to something i know we've

1195

00:43:29,270 --> 00:43:26,720

discussed in the past

1196

00:43:30,710 --> 00:43:29,280

uh you could have a sporadic sighting

1197

00:43:31,589 --> 00:43:30,720

just be in the right place at the right

1198

00:43:32,950 --> 00:43:31,599

time

1199

00:43:34,470 --> 00:43:32,960

to have a bigfoot maybe right out in

1200

00:43:37,109 --> 00:43:34,480

front of your car or see a thunderbird

1201

00:43:40,230 --> 00:43:37,119

or a black panther but

1202

00:43:42,069 --> 00:43:40,240

it there also is this other aspect of

1203

00:43:43,349 --> 00:43:42,079

the phenomena

1204

00:43:45,750 --> 00:43:43,359

that

1205

00:43:48,630 --> 00:43:45,760

there are times over the years where

1206

00:43:51,829 --> 00:43:48,640

this phenomena seems to focus on a

1207

00:43:53,030 --> 00:43:51,839

particular geographical location

1208

00:43:55,589 --> 00:43:53,040

and

1209

00:43:58,150 --> 00:43:55,599

the phenomena it can last for minutes

1210

00:43:59,829 --> 00:43:58,160

hours days or years

1211

00:44:01,829 --> 00:43:59,839

and that's when you have this outbreak

1212

00:44:03,990 --> 00:44:01,839

where all of a sudden

1213

00:44:06,550 --> 00:44:04,000

you have ufo sightings you have these

1214

00:44:09,589 --> 00:44:06,560

orbs of light you have bigfoot sightings

1215

00:44:12,390 --> 00:44:09,599

cryptid sightings screams and howls and

1216

00:44:14,230 --> 00:44:12,400

footprints and paranormal phenomena and

1217

00:44:15,510 --> 00:44:14,240

ghostly apparition that all kinds of

1218

00:44:17,030 --> 00:44:15,520

things go on

1219

00:44:18,870 --> 00:44:17,040

so it's similar to what the skin walker

1220

00:44:21,030 --> 00:44:18,880

ranch we've all heard about but this has

1221

00:44:23,270 --> 00:44:21,040

been going on for years and years i was

1222

00:44:25,589 --> 00:44:23,280

looking at these cases back in the 70s

1223

00:44:28,150 --> 00:44:25,599

and in more recent years now there are

1224

00:44:30,790 --> 00:44:28,160

some specific areas of pennsylvania on

1225

00:44:33,430 --> 00:44:30,800

certain properties where this is ongoing

1226

00:44:35,190 --> 00:44:33,440

and some of these are just amazing the

1227

00:44:36,630 --> 00:44:35,200

type of activity and the weird things

1228

00:44:38,550 --> 00:44:36,640

that are going on

1229

00:44:40,630 --> 00:44:38,560

and uh and again it's not just in

1230

00:44:42,230 --> 00:44:40,640

pennsylvania i mean there's places all

1231

00:44:44,470 --> 00:44:42,240

around the country now we're hearing

1232

00:44:46,630 --> 00:44:44,480

they have similar type of things

1233

00:44:49,430 --> 00:44:46,640

occurring so it's just really

1234

00:44:50,870 --> 00:44:49,440

interesting what this is all about and i

1235

00:44:52,630 --> 00:44:50,880

personally i don't think anybody

1236

00:44:53,750 --> 00:44:52,640

including the government understands it

1237

00:44:55,349 --> 00:44:53,760

i think

1238

00:44:56,230 --> 00:44:55,359

someone's interested in this type of

1239

00:44:57,270 --> 00:44:56,240

thing

1240

00:45:01,190 --> 00:44:57,280

and

1241

00:45:03,190 --> 00:45:01,200

answers themselves so far

1242

00:45:05,109 --> 00:45:03,200

yeah i'm with you on that i mean it's

1243

00:45:07,750 --> 00:45:05,119

it's interesting or some of these flaps

1244

00:45:09,430 --> 00:45:07,760

turn up even might be a small flap just

1245

00:45:11,750 --> 00:45:09,440

like chicago i mean

1246

00:45:13,829 --> 00:45:11,760

that whole thing is just um

1247

00:45:16,309 --> 00:45:13,839

that's beyond much of what we've ever

1248

00:45:19,589 --> 00:45:16,319

had especially in the urban area and

1249

00:45:21,670 --> 00:45:19,599

in areas around it um

1250

00:45:23,349 --> 00:45:21,680

you know i i'll be honest with you with

1251

00:45:25,750 --> 00:45:23,359

all the stuff that's been going on in

1252

00:45:27,990 --> 00:45:25,760

pennsylvania in more recent years and

1253

00:45:30,230 --> 00:45:28,000

the variety of stuff

1254

00:45:32,710 --> 00:45:30,240

i i'm i'm looking

1255

00:45:33,990 --> 00:45:32,720

that to where we may get a flap

1256

00:45:36,550 --> 00:45:34,000

somewhere

1257

00:45:38,870 --> 00:45:36,560

of uh just like we did the 73 with the

1258

00:45:39,990 --> 00:45:38,880

ufo and then cryptids

1259

00:45:42,230 --> 00:45:40,000

occurring

1260

00:45:44,069 --> 00:45:42,240

uh i i think it's very possible we're

1261

00:45:46,390 --> 00:45:44,079

going to get something like that in in

1262

00:45:49,030 --> 00:45:46,400

the near future you know the activity

1263

00:45:51,109 --> 00:45:49,040

down here in my area down here by uh

1264

00:45:52,550 --> 00:45:51,119

well in the susquehanna valley

1265

00:45:53,510 --> 00:45:52,560

particularly the southern susquehanna

1266

00:45:55,829 --> 00:45:53,520

valley

1267

00:45:57,430 --> 00:45:55,839

down into adams and new york and

1268

00:45:59,349 --> 00:45:57,440

lancaster counties

1269

00:46:00,950 --> 00:45:59,359

it's been very active with a lot of

1270

00:46:02,870 --> 00:46:00,960

different stuff you know we've had wing

1271

00:46:05,430 --> 00:46:02,880

humanoids bigfoot

1272

00:46:07,829 --> 00:46:05,440

upright canines dog man

1273

00:46:10,069 --> 00:46:07,839

lots of ufo activity it seems like butch

1274

00:46:10,870 --> 00:46:10,079

got three or four calls a week

1275

00:46:12,790 --> 00:46:10,880

of

1276

00:46:15,589 --> 00:46:12,800

uh craft

1277

00:46:16,630 --> 00:46:15,599

going across the the river and and being

1278

00:46:17,829 --> 00:46:16,640

sighted

1279

00:46:20,150 --> 00:46:17,839

so uh

1280

00:46:21,670 --> 00:46:20,160

if something major happens around here

1281

00:46:25,349 --> 00:46:21,680

or anywhere else instead it wouldn't

1282

00:46:29,190 --> 00:46:27,670

yeah again it's well what's fascinating

1283

00:46:31,430 --> 00:46:29,200

to me again is this

1284

00:46:33,430 --> 00:46:31,440

surge of activity since october of last

1285

00:46:35,270 --> 00:46:33,440

year when things generally quiet down

1286

00:46:36,950 --> 00:46:35,280

and into this year

1287

00:46:39,270 --> 00:46:36,960

uh there's been some really interesting

1288

00:46:41,270 --> 00:46:39,280

cases going on and you know also

1289

00:46:42,790 --> 00:46:41,280

i told you about those events that

1290

00:46:45,430 --> 00:46:42,800

happened up in armstrong county on the

1291

00:46:47,990 --> 00:46:45,440

west virginia pa border back in january

1292

00:46:49,349 --> 00:46:48,000

15. what i didn't mention to you is that

1293

00:46:50,630 --> 00:46:49,359

same morning

1294

00:46:53,030 --> 00:46:50,640

in daylight

1295

00:46:56,150 --> 00:46:53,040

up in cambria county there was another

1296

00:46:59,190 --> 00:46:56,160

very close-range black panther encounter

1297

00:47:01,829 --> 00:46:59,200

and then just last week up on the ridge

1298

00:47:03,670 --> 00:47:01,839

again up right near the ridge up in the

1299

00:47:06,470 --> 00:47:03,680

westmoreland county side again in the

1300

00:47:08,790 --> 00:47:06,480

afternoon another black panther sighting

1301  
00:47:10,470 --> 00:47:08,800  
and that first very critical witness had

1302  
00:47:13,430 --> 00:47:10,480  
a good look at this thing

1303  
00:47:15,910 --> 00:47:13,440  
um it was afternoon it but it was just

1304  
00:47:16,950 --> 00:47:15,920  
it was uh late afternoon about getting

1305  
00:47:18,550 --> 00:47:16,960  
dusk

1306  
00:47:20,790 --> 00:47:18,560  
and he thought at first when he saw this

1307  
00:47:23,190 --> 00:47:20,800  
thing was a deer but it was getting dark

1308  
00:47:25,190 --> 00:47:23,200  
and he gets his binoculars and he says

1309  
00:47:27,510 --> 00:47:25,200  
it's this huge huge

1310  
00:47:29,349 --> 00:47:27,520  
uh black cat

1311  
00:47:31,430 --> 00:47:29,359  
and um

1312  
00:47:33,109 --> 00:47:31,440  
anyhow he gets in his vehicle and goes

1313  
00:47:34,790 --> 00:47:33,119

after this thing

1314

00:47:36,549 --> 00:47:34,800

and he tried to get a couple pictures of

1315

00:47:38,790 --> 00:47:36,559

what you did but unfortunately it was

1316

00:47:40,309 --> 00:47:38,800

almost dark and the camera didn't do a

1317

00:47:42,309 --> 00:47:40,319

very good job you can see something on

1318

00:47:44,710 --> 00:47:42,319

there but not enough to be sure he

1319

00:47:46,230 --> 00:47:44,720

couldn't get any closer to it than um i

1320

00:47:48,069 --> 00:47:46,240

think he said about 50 yards about the

1321

00:47:49,589 --> 00:47:48,079

close he could get to it and he started

1322

00:47:51,349 --> 00:47:49,599

running off but he said he got a really

1323

00:47:53,910 --> 00:47:51,359

good look at this thing he said it was

1324

00:47:55,270 --> 00:47:53,920

solid black and huge he said the body

1325

00:47:57,670 --> 00:47:55,280

was at least three to three and a half

1326

00:47:59,750 --> 00:47:57,680

feet long with a tail very long about

1327

00:48:02,390 --> 00:47:59,760

the same length of the body tail was

1328

00:48:03,829 --> 00:48:02,400

long and thick and curled up underneath

1329

00:48:06,390 --> 00:48:03,839

and all black

1330

00:48:07,430 --> 00:48:06,400

and he's certain that's what it was and

1331

00:48:09,670 --> 00:48:07,440

um

1332

00:48:12,309 --> 00:48:09,680

these black panther reports are just so

1333

00:48:14,069 --> 00:48:12,319

intriguing because of course when we

1334

00:48:16,710 --> 00:48:14,079

think about black panthers we're talking

1335

00:48:18,390 --> 00:48:16,720

about black lepers or black jagger wires

1336

00:48:19,990 --> 00:48:18,400

not common this part of the world but

1337

00:48:22,710 --> 00:48:20,000

they've been seeing these for years and

1338

00:48:24,390 --> 00:48:22,720

years here in pennsylvania

1339

00:48:27,030 --> 00:48:24,400

and um

1340

00:48:27,910 --> 00:48:27,040

there was that one case that i had

1341

00:48:32,309 --> 00:48:27,920

that

1342

00:48:34,710 --> 00:48:32,319

there's more to the black panther

1343

00:48:36,630 --> 00:48:34,720

phenomena and i found other patterns as

1344

00:48:38,069 --> 00:48:36,640

well than just an unknown or out of

1345

00:48:40,470 --> 00:48:38,079

place animal

1346

00:48:41,990 --> 00:48:40,480

that happened back in february of 83. do

1347

00:48:43,670 --> 00:48:42,000

you want me to tell you the story about

1348

00:48:45,270 --> 00:48:43,680

it absolutely because i've been getting

1349

00:48:46,390 --> 00:48:45,280

black panther sightings and hearing

1350

00:48:49,670 --> 00:48:46,400

about them

1351

00:48:51,430 --> 00:48:49,680

up your way for years now

1352

00:48:53,510 --> 00:48:51,440

yeah well there's some very strange

1353

00:48:55,670 --> 00:48:53,520

elements so black panther phenomena

1354

00:48:57,270 --> 00:48:55,680

mountain lions is one thing the black

1355

00:48:59,750 --> 00:48:57,280

panther of course is something much more

1356

00:49:01,510 --> 00:48:59,760

unusual so this occurred in february of

1357

00:49:02,790 --> 00:49:01,520

83.

1358

00:49:04,390 --> 00:49:02,800

very cold

1359

00:49:06,470 --> 00:49:04,400

one o'clock in the morning this man's

1360

00:49:08,630 --> 00:49:06,480

coming home from his friend's house

1361

00:49:10,790 --> 00:49:08,640

his car is overheating

1362

00:49:13,750 --> 00:49:10,800

so he pulls into the driveway

1363

00:49:15,510 --> 00:49:13,760

uh and went in the garage to get a can

1364

00:49:17,270 --> 00:49:15,520

of antifreeze

1365

00:49:18,710 --> 00:49:17,280

so he comes back out and he opens up the

1366

00:49:19,670 --> 00:49:18,720

hood and he's putting any freeze in the

1367

00:49:21,910 --> 00:49:19,680

vehicle

1368

00:49:23,030 --> 00:49:21,920

and a few seconds later he hears his

1369

00:49:24,790 --> 00:49:23,040

ground

1370

00:49:26,549 --> 00:49:24,800

so he turns around

1371

00:49:28,150 --> 00:49:26,559

and about 20 feet away there's those

1372

00:49:30,150 --> 00:49:28,160

large black house cats sitting there

1373

00:49:31,750 --> 00:49:30,160

staring at him growling at him he didn't

1374

00:49:33,589 --> 00:49:31,760

think too much of it because those cats

1375

00:49:35,430 --> 00:49:33,599

around he's out in the country

1376  
00:49:38,150 --> 00:49:35,440  
he goes back to putting more antifreeze

1377  
00:49:41,190 --> 00:49:38,160  
in the vehicle a few seconds later

1378  
00:49:43,990 --> 00:49:41,200  
he hears a second growl but this time

1379  
00:49:46,470 --> 00:49:44,000  
the growl is much deeper and louder and

1380  
00:49:49,430 --> 00:49:46,480  
when he turns around to look

1381  
00:49:52,069 --> 00:49:49,440  
he's shocked because that large house

1382  
00:49:54,069 --> 00:49:52,079  
cat had now physically grown about

1383  
00:49:56,470 --> 00:49:54,079  
another foot in length

1384  
00:49:58,470 --> 00:49:56,480  
so he throws the empty antifreeze chuck

1385  
00:50:00,549 --> 00:49:58,480  
at the animal when he hits it and it

1386  
00:50:02,630 --> 00:50:00,559  
growls fiercely at him like it's going

1387  
00:50:04,470 --> 00:50:02,640  
to attack and it takes two or three

1388  
00:50:06,309 --> 00:50:04,480

steps backwards and growls again and

1389

00:50:07,750 --> 00:50:06,319

starts moving up the right outside

1390

00:50:09,670 --> 00:50:07,760

that's wrong with

1391

00:50:12,549 --> 00:50:09,680

so this guy runs inside and grabs his

1392

00:50:15,589 --> 00:50:12,559

pistol and he comes back out and now

1393

00:50:17,990 --> 00:50:15,599

he's just shocked because this animal is

1394

00:50:20,870 --> 00:50:18,000

now physically the size of what he saw

1395

00:50:24,230 --> 00:50:20,880

in the zoo he said it's a black panther

1396

00:50:26,710 --> 00:50:24,240

it has glowing gloomy yellow eyes and

1397

00:50:28,870 --> 00:50:26,720

staring at him with a long tail he takes

1398

00:50:31,030 --> 00:50:28,880

one shot at he wasn't sure if he hit it

1399

00:50:32,549 --> 00:50:31,040

and moments later it's physically

1400

00:50:36,470 --> 00:50:32,559

vanished and disappeared right in front

1401

00:50:40,630 --> 00:50:38,790

yeah i i have heard a lot of stories

1402

00:50:42,710 --> 00:50:40,640

about those over the years i mean i had

1403

00:50:45,430 --> 00:50:42,720

a friend close friend

1404

00:50:46,950 --> 00:50:45,440

who um whose family ran a funeral home

1405

00:50:50,069 --> 00:50:46,960

up in uniontown

1406

00:50:52,069 --> 00:50:50,079

the name his last name was lance

1407

00:50:54,230 --> 00:50:52,079

and uh

1408

00:50:57,109 --> 00:50:54,240

he was uh he he was also trained

1409

00:50:58,870 --> 00:50:57,119

undertaker mortician as well

1410

00:51:01,990 --> 00:50:58,880

and he used to talk about that large

1411

00:51:04,390 --> 00:51:02,000

cemetery in uniontown and uh about

1412

00:51:06,069 --> 00:51:04,400

people seeing black panthers up there

1413

00:51:08,710 --> 00:51:06,079

have you ever heard of anything up there

1414

00:51:10,710 --> 00:51:08,720

in uniontown like that

1415

00:51:13,349 --> 00:51:10,720

oh yeah well this occurred not far from

1416

00:51:15,430 --> 00:51:13,359

uniontown yeah and the one i just told

1417

00:51:17,670 --> 00:51:15,440

you about but yeah this fighting is

1418

00:51:19,910 --> 00:51:17,680

around that area for years of people

1419

00:51:21,670 --> 00:51:19,920

seeing it all through fayette county all

1420

00:51:22,950 --> 00:51:21,680

through the ridges all around this area

1421

00:51:25,270 --> 00:51:22,960

people been seeing them for years and

1422

00:51:27,750 --> 00:51:25,280

years but here's the thing one that's

1423

00:51:29,589 --> 00:51:27,760

really fascinating and i talked about

1424

00:51:31,910 --> 00:51:29,599

sometimes this phenomenon whatever we're

1425

00:51:33,430 --> 00:51:31,920

dealing with seems like when this gets

1426

00:51:35,030 --> 00:51:33,440

there's an outbreak of all kinds of

1427

00:51:40,230 --> 00:51:35,040

anomalies

1428

00:51:42,630 --> 00:51:40,240

and back in basically my memory is 1979

1429

00:51:44,390 --> 00:51:42,640

this is down around apollo pennsylvania

1430

00:51:47,910 --> 00:51:44,400

so it's on the border of

1431

00:51:49,829 --> 00:51:47,920

westmoreland and armstrong county

1432

00:51:51,270 --> 00:51:49,839

an outbreak of all kind of phenomena

1433

00:51:54,150 --> 00:51:51,280

went started

1434

00:51:56,069 --> 00:51:54,160

it was in the summer of 79 when some

1435

00:51:58,630 --> 00:51:56,079

kind of a strange object fell out of the

1436

00:52:00,790 --> 00:51:58,640

sky that afternoon into the woods

1437

00:52:01,589 --> 00:52:00,800

and aft soon after that they began to

1438

00:52:04,230 --> 00:52:01,599

hear

1439

00:52:06,309 --> 00:52:04,240

cries and howls and screams and see

1440

00:52:07,910 --> 00:52:06,319

weird lights and orbs of light

1441

00:52:10,950 --> 00:52:07,920

and footprints

1442

00:52:13,109 --> 00:52:10,960

and then over the next two years or so

1443

00:52:16,150 --> 00:52:13,119

things began to happen quite a bit

1444

00:52:18,309 --> 00:52:16,160

bigfoot encounters ufos so you have all

1445

00:52:20,390 --> 00:52:18,319

this bigfoot activity and then at the

1446

00:52:22,870 --> 00:52:20,400

same time you had an outbreak of black

1447

00:52:23,670 --> 00:52:22,880

panther sightings in the same area

1448

00:52:26,549 --> 00:52:23,680

and

1449

00:52:29,109 --> 00:52:26,559

this series of events became so

1450

00:52:30,630 --> 00:52:29,119

uh well known that the local news

1451  
00:52:32,150 --> 00:52:30,640  
actually covered in the newspaper and on

1452  
00:52:35,190 --> 00:52:32,160  
television

1453  
00:52:36,630 --> 00:52:35,200  
and it was an amazing time

1454  
00:52:37,910 --> 00:52:36,640  
and there was even

1455  
00:52:38,950 --> 00:52:37,920  
some incidents

1456  
00:52:41,190 --> 00:52:38,960  
involved with some of the people

1457  
00:52:42,390 --> 00:52:41,200  
involved in that case who claimed that

1458  
00:52:44,790 --> 00:52:42,400  
this thing

1459  
00:52:47,349 --> 00:52:44,800  
tried this bigfoot mentally tried to

1460  
00:52:48,950 --> 00:52:47,359  
telepathy communicate with them which is

1461  
00:52:51,030 --> 00:52:48,960  
something that's very rare in this part

1462  
00:52:52,870 --> 00:52:51,040  
of the country i've only had a handful

1463  
00:52:54,630 --> 00:52:52,880

of cases like that

1464

00:52:56,470 --> 00:52:54,640

again the witnesses are credible they

1465

00:52:57,349 --> 00:52:56,480

were really reluctant to tell me about

1466

00:52:58,549 --> 00:52:57,359

it

1467

00:53:01,750 --> 00:52:58,559

and

1468

00:53:03,349 --> 00:53:01,760

but that was fascinating so sometimes

1469

00:53:05,349 --> 00:53:03,359

when you have an outbreak of bigfoot

1470

00:53:07,750 --> 00:53:05,359

sightings in a certain area you also

1471

00:53:09,510 --> 00:53:07,760

have an outbreak of other cryptids and

1472

00:53:10,870 --> 00:53:09,520

you may have heard this over the years

1473

00:53:12,549 --> 00:53:10,880

there have been incidents where you have

1474

00:53:14,790 --> 00:53:12,559

a bigfoot

1475

00:53:18,790 --> 00:53:14,800

accompanying another cryptid together at

1476  
00:53:22,390 --> 00:53:21,030  
yeah i've heard a lot of strange things

1477  
00:53:24,150 --> 00:53:22,400  
um

1478  
00:53:25,270 --> 00:53:24,160  
uh you know you mentioned before with

1479  
00:53:30,150 --> 00:53:25,280  
the uh

1480  
00:53:33,109 --> 00:53:30,160  
with the orbs being seen

1481  
00:53:34,309 --> 00:53:33,119  
around sightings of a bigfoot more more

1482  
00:53:36,150 --> 00:53:34,319  
and um

1483  
00:53:40,150 --> 00:53:36,160  
that does seem to happen

1484  
00:53:43,030 --> 00:53:40,160  
uh and i have had

1485  
00:53:46,470 --> 00:53:43,040  
sightings of uh

1486  
00:53:48,790 --> 00:53:46,480  
mostly other other types of candidates

1487  
00:53:51,190 --> 00:53:48,800  
and other beings around them that were

1488  
00:53:53,589 --> 00:53:51,200

indiscernible but uh yeah i mean it does

1489

00:53:55,030 --> 00:53:53,599

seem to to work like that where there's

1490

00:53:58,150 --> 00:53:55,040

there always seems to be something

1491

00:54:00,150 --> 00:53:58,160

different uh going on different

1492

00:54:01,829 --> 00:54:00,160

connections and you know

1493

00:54:03,670 --> 00:54:01,839

we get a lot of reports like that where

1494

00:54:05,670 --> 00:54:03,680

there's there's other aspects born

1495

00:54:07,910 --> 00:54:05,680

paranormal involved with some type of

1496

00:54:11,190 --> 00:54:07,920

being

1497

00:54:13,430 --> 00:54:11,200

oh yeah it's it's just so so strange and

1498

00:54:15,349 --> 00:54:13,440

yeah uh again you know so many of the

1499

00:54:17,190 --> 00:54:15,359

witnesses you interview

1500

00:54:19,510 --> 00:54:17,200

you hear these stories of so many people

1501  
00:54:23,190 --> 00:54:19,520  
and high percentage of these people one

1502  
00:54:24,950 --> 00:54:23,200  
never believed these things could exist

1503  
00:54:27,190 --> 00:54:24,960  
they never they very rarely would ever

1504  
00:54:28,710 --> 00:54:27,200  
talk about it publicly and even when i'm

1505  
00:54:30,150 --> 00:54:28,720  
interviewing them they were so reluctant

1506  
00:54:31,430 --> 00:54:30,160  
to talk about it

1507  
00:54:33,109 --> 00:54:31,440  
and for many of them it was a

1508  
00:54:35,589 --> 00:54:33,119  
life-changing event

1509  
00:54:37,510 --> 00:54:35,599  
i mean there's people from 40 years or

1510  
00:54:39,430 --> 00:54:37,520  
more ago that i'm still in touch with

1511  
00:54:41,349 --> 00:54:39,440  
and they've never been the same since

1512  
00:54:43,349 --> 00:54:41,359  
because they encountered something that

1513  
00:54:45,349 --> 00:54:43,359

they always laughed at that they never

1514

00:54:47,109 --> 00:54:45,359

believed could be a real thing

1515

00:54:48,950 --> 00:54:47,119

and now they realize that what they saw

1516

00:54:49,910 --> 00:54:48,960

was something that is not supposed to

1517

00:54:51,030 --> 00:54:49,920

exist

1518

00:54:53,349 --> 00:54:51,040

right

1519

00:54:55,270 --> 00:54:53,359

uh we got a question in the chat what's

1520

00:54:57,430 --> 00:54:55,280

the strangest case that you've ever been

1521

00:54:58,390 --> 00:54:57,440

involved with

1522

00:55:01,829 --> 00:54:58,400

oh

1523

00:55:05,270 --> 00:55:03,270

yeah i know i hate when i get that

1524

00:55:06,950 --> 00:55:05,280

question myself

1525

00:55:08,630 --> 00:55:06,960

yeah there's there's so many and every

1526  
00:55:10,630 --> 00:55:08,640  
year there's something more and i mean

1527  
00:55:12,950 --> 00:55:10,640  
there are multitudes of cases in the new

1528  
00:55:17,270 --> 00:55:12,960  
book they're just so bizarre and so

1529  
00:55:19,750 --> 00:55:17,280  
strange but the winner always sticks out

1530  
00:55:22,470 --> 00:55:19,760  
is of course that that multiple witness

1531  
00:55:25,109 --> 00:55:22,480  
ufo landing outs not far from uniontown

1532  
00:55:26,789 --> 00:55:25,119  
you brought that up during the the 73

1533  
00:55:28,470 --> 00:55:26,799  
bigfoot waves

1534  
00:55:30,630 --> 00:55:28,480  
and that was that case where you had

1535  
00:55:32,150 --> 00:55:30,640  
multiple witnesses observing that large

1536  
00:55:35,109 --> 00:55:32,160  
ufo

1537  
00:55:37,589 --> 00:55:35,119  
that was about as big as a barn a big

1538  
00:55:41,109 --> 00:55:37,599

red sphere about 100 feet off the ground

1539

00:55:42,710 --> 00:55:41,119

that night of october 25th 1973

1540

00:55:45,030 --> 00:55:42,720

uh when i got a call from a state

1541

00:55:46,950 --> 00:55:45,040

trooper from the uniontown barracks

1542

00:55:49,270 --> 00:55:46,960

that asked me to set up my team as soon

1543

00:55:51,190 --> 00:55:49,280

as possible because of this incident had

1544

00:55:52,309 --> 00:55:51,200

just taken place

1545

00:55:55,750 --> 00:55:52,319

and

1546

00:55:57,589 --> 00:55:55,760

the brief part of the story is that

1547

00:55:59,510 --> 00:55:57,599

about 15 people

1548

00:56:01,109 --> 00:55:59,520

in that community that real community

1549

00:56:03,349 --> 00:56:01,119

outside of uniontown

1550

00:56:06,390 --> 00:56:03,359

they observe that red sphere

1551  
00:56:08,390 --> 00:56:06,400  
hovering and then slowly moving downward

1552  
00:56:10,789 --> 00:56:08,400  
and it looks like it's going to land on

1553  
00:56:12,549 --> 00:56:10,799  
on this farm on the pasture

1554  
00:56:15,030 --> 00:56:12,559  
and it happened to be at that time that

1555  
00:56:16,710 --> 00:56:15,040  
the farmer's son who was a big fella was

1556  
00:56:19,510 --> 00:56:16,720  
coming out to visit his dad and his

1557  
00:56:21,109 --> 00:56:19,520  
family where this was happening he sees

1558  
00:56:22,630 --> 00:56:21,119  
this thing and he sees that people stand

1559  
00:56:24,309 --> 00:56:22,640  
outside looking at it

1560  
00:56:25,990 --> 00:56:24,319  
he goes to a better location get a

1561  
00:56:27,910 --> 00:56:26,000  
better look and he and two young boys

1562  
00:56:31,589 --> 00:56:27,920  
decide they're gonna go up and see what

1563  
00:56:34,470 --> 00:56:31,599

this thing is and um he stopped over at

1564

00:56:36,870 --> 00:56:34,480

his dad's farm grabbed a 30 odd six and

1565

00:56:38,710 --> 00:56:36,880

a handful of ammunition

1566

00:56:40,549 --> 00:56:38,720

and he didn't realize to a little later

1567

00:56:43,030 --> 00:56:40,559

that he actually had two tracer bullets

1568

00:56:45,829 --> 00:56:43,040

in that ammunition as well

1569

00:56:48,390 --> 00:56:45,839

and um so anyhow as they're proceeding

1570

00:56:50,309 --> 00:56:48,400

up the farm road towards the pasture

1571

00:56:52,309 --> 00:56:50,319

the dogs around the area just going

1572

00:56:54,230 --> 00:56:52,319

crazy they have this high-pitched

1573

00:56:56,470 --> 00:56:54,240

whining noise and they have these baby

1574

00:56:58,309 --> 00:56:56,480

crying sounds

1575

00:57:00,549 --> 00:56:58,319

and as they get closer the noises are

1576  
00:57:03,190 --> 00:57:00,559  
getting louder and louder so they they

1577  
00:57:05,750 --> 00:57:03,200  
angle their truck and they let the left

1578  
00:57:07,109 --> 00:57:05,760  
the headlights on to see the path

1579  
00:57:08,390 --> 00:57:07,119  
and they notice it looked like something

1580  
00:57:09,670 --> 00:57:08,400  
was draining in the power from the

1581  
00:57:10,789 --> 00:57:09,680  
headlights that they had never noticed

1582  
00:57:12,230 --> 00:57:10,799  
before

1583  
00:57:13,829 --> 00:57:12,240  
and they finally make their way up to

1584  
00:57:16,789 --> 00:57:13,839  
the heel and they're standing there

1585  
00:57:19,589 --> 00:57:16,799  
about 250 feet away this object which

1586  
00:57:22,309 --> 00:57:19,599  
had been a big round sphere in the sky

1587  
00:57:25,030 --> 00:57:22,319  
was now a very large

1588  
00:57:27,670 --> 00:57:25,040

about 100 foot in diameter big white

1589

00:57:29,109 --> 00:57:27,680

dome so it's like a half a sphere

1590

00:57:30,789 --> 00:57:29,119

and it's making this high-pitched

1591

00:57:31,910 --> 00:57:30,799

whining noise

1592

00:57:32,950 --> 00:57:31,920

and they can't believe what they're

1593

00:57:34,710 --> 00:57:32,960

seeing

1594

00:57:36,789 --> 00:57:34,720

so they're standing there studying this

1595

00:57:38,549 --> 00:57:36,799

thing trying to figure it out

1596

00:57:42,069 --> 00:57:38,559

when their attention is drawn to those

1597

00:57:43,589 --> 00:57:42,079

barbed wire fence about 75 feet away

1598

00:57:45,990 --> 00:57:43,599

and that's when

1599

00:57:48,390 --> 00:57:46,000

they see these two huge bigfoot like

1600

00:57:49,910 --> 00:57:48,400

creatures one behind the other slowly

1601  
00:57:51,589 --> 00:57:49,920  
moving

1602  
00:57:53,190 --> 00:57:51,599  
one behind the other along the fence

1603  
00:57:54,950 --> 00:57:53,200  
line towards them

1604  
00:57:56,069 --> 00:57:54,960  
the biggest ones in front is about eight

1605  
00:57:57,990 --> 00:57:56,079  
feet tall

1606  
00:57:59,109 --> 00:57:58,000  
the one behind it's about seven feet

1607  
00:58:00,150 --> 00:57:59,119  
tall

1608  
00:58:01,670 --> 00:58:00,160  
and

1609  
00:58:02,390 --> 00:58:01,680  
they cover a large

1610  
00:58:03,430 --> 00:58:02,400  
uh

1611  
00:58:05,190 --> 00:58:03,440  
long

1612  
00:58:07,430 --> 00:58:05,200  
dark matted hair

1613  
00:58:08,870 --> 00:58:07,440

hanging down from the arms

1614

00:58:10,789 --> 00:58:08,880

that the arm

1615

00:58:12,150 --> 00:58:10,799

arms are so long

1616

00:58:14,549 --> 00:58:12,160

they're almost down to the ground

1617

00:58:16,630 --> 00:58:14,559

they're very very long arms

1618

00:58:18,069 --> 00:58:16,640

they have no neck

1619

00:58:20,309 --> 00:58:18,079

one thing was very prominent with the

1620

00:58:22,150 --> 00:58:20,319

eyes the orange eyes were very large and

1621

00:58:24,710 --> 00:58:22,160

they were self luminous and they're

1622

00:58:26,470 --> 00:58:24,720

glowing bright green

1623

00:58:27,910 --> 00:58:26,480

and they're making this whining baby

1624

00:58:29,670 --> 00:58:27,920

crying sound

1625

00:58:31,349 --> 00:58:29,680

well the one boy is so frightened he

1626

00:58:33,270 --> 00:58:31,359

runs out of the field

1627

00:58:34,950 --> 00:58:33,280

and then the other young fella yells to

1628

00:58:35,670 --> 00:58:34,960

the older guy to shoot at them shoot

1629

00:58:37,750 --> 00:58:35,680

them

1630

00:58:39,430 --> 00:58:37,760

and he fires the first shot which turns

1631

00:58:41,910 --> 00:58:39,440

out to be a tracer bullet he just got

1632

00:58:44,309 --> 00:58:41,920

that that luminous trajectory

1633

00:58:45,750 --> 00:58:44,319

he fires over their head he fires the

1634

00:58:47,829 --> 00:58:45,760

second tracer

1635

00:58:50,069 --> 00:58:47,839

here's when it got interesting when he

1636

00:58:51,750 --> 00:58:50,079

fires that second tracer the largest of

1637

00:58:53,750 --> 00:58:51,760

the two creature

1638

00:58:55,990 --> 00:58:53,760

raises us one hand as reaches out as

1639

00:58:58,549 --> 00:58:56,000

they grab that tracer makes a loud

1640

00:59:01,109 --> 00:58:58,559

whining crying sound and at the exact

1641

00:59:02,470 --> 00:59:01,119

moment it does that that large object in

1642

00:59:04,549 --> 00:59:02,480

the field

1643

00:59:06,549 --> 00:59:04,559

vanishes and disappears

1644

00:59:08,549 --> 00:59:06,559

it doesn't take off and accelerate and

1645

00:59:10,630 --> 00:59:08,559

guard it's just gone

1646

00:59:13,990 --> 00:59:10,640

so most of the luminosity that was

1647

00:59:16,230 --> 00:59:14,000

producing and the sound that stopped

1648

00:59:17,990 --> 00:59:16,240

at that point the creatures turn around

1649

00:59:20,630 --> 00:59:18,000

slowly start walking back along the

1650

00:59:22,710 --> 00:59:20,640

barbed wire fence towards the woods

1651  
00:59:25,030 --> 00:59:22,720  
and he's firing live ammo on top of his

1652  
00:59:27,109 --> 00:59:25,040  
30 odd six into the creatures mainly

1653  
00:59:28,710 --> 00:59:27,119  
aiming at the largest one

1654  
00:59:30,150 --> 00:59:28,720  
and he always said to me before he

1655  
00:59:32,309 --> 00:59:30,160  
passed away years ago he said i'll never

1656  
00:59:34,470 --> 00:59:32,319  
forget how i'm pumping a lot of ammo

1657  
00:59:36,630 --> 00:59:34,480  
into that thing there's no effect on it

1658  
00:59:38,150 --> 00:59:36,640  
whatsoever it just kept staring at him

1659  
00:59:40,150 --> 00:59:38,160  
with those glowing green eyes as

1660  
00:59:41,109 --> 00:59:40,160  
expiring into it

1661  
00:59:42,549 --> 00:59:41,119  
and

1662  
00:59:45,430 --> 00:59:42,559  
at that point they run back to their

1663  
00:59:47,109 --> 00:59:45,440

truck and go back to the farmhouse

1664

00:59:48,789 --> 00:59:47,119

and take the family to a neighbor and

1665

00:59:51,030 --> 00:59:48,799

they call the state police

1666

00:59:53,430 --> 00:59:51,040

and when the trooper arrives 45 minutes

1667

00:59:57,750 --> 00:59:55,910

he said he went up into the area

1668

00:59:58,950 --> 00:59:57,760

and the area where the object was on the

1669

01:00:01,270 --> 00:59:58,960

ground

1670

01:00:03,030 --> 01:00:01,280

was self-luminescent glowing about 100

1671

01:00:05,510 --> 01:00:03,040

feet or more in diameter

1672

01:00:07,109 --> 01:00:05,520

the farm animals wouldn't go near it

1673

01:00:09,430 --> 01:00:07,119

he said

1674

01:00:11,270 --> 01:00:09,440

he if he shined his flashlight beam into

1675

01:00:12,789 --> 01:00:11,280

it he could barely see it and he said if

1676

01:00:15,109 --> 01:00:12,799

i had a newspaper i'm sure i could have

1677

01:00:16,710 --> 01:00:15,119

read the newspaper from the glow coming

1678

01:00:18,549 --> 01:00:16,720

off that area

1679

01:00:20,950 --> 01:00:18,559

and then a lot of things happened during

1680

01:00:23,829 --> 01:00:20,960

the night i got stranger and stranger i

1681

01:00:25,589 --> 01:00:23,839

was told they went back to the barracks

1682

01:00:27,349 --> 01:00:25,599

both the trooper and the witness were

1683

01:00:29,030 --> 01:00:27,359

separately interviewed then they called

1684

01:00:30,390 --> 01:00:29,040

me to set up my team

1685

01:00:32,309 --> 01:00:30,400

and we were up there during early

1686

01:00:34,630 --> 01:00:32,319

morning hours it was

1687

01:00:37,030 --> 01:00:34,640

it was the case that convinced myself

1688

01:00:38,710 --> 01:00:37,040

and some of my skeptical team members

1689

01:00:41,750 --> 01:00:38,720

because we had scientists and engineers

1690

01:00:43,589 --> 01:00:41,760

and research people in the group right

1691

01:00:45,990 --> 01:00:43,599

but as time went on they began to

1692

01:00:49,829 --> 01:00:46,000

realize something was going on but that

1693

01:00:51,670 --> 01:00:49,839

case was the case that convinced me and

1694

01:00:54,069 --> 01:00:51,680

others that we're dealing with something

1695

01:00:55,510 --> 01:00:54,079

much stranger than an unknown animal

1696

01:00:57,750 --> 01:00:55,520

and there's a lot we just didn't

1697

01:01:00,230 --> 01:00:57,760

understand and from that point on the

1698

01:01:02,309 --> 01:01:00,240

reports got stranger and stranger in the

1699

01:01:05,190 --> 01:01:02,319

weeks ahead

1700

01:01:07,190 --> 01:01:05,200

absolutely you know it folks if you uh

1701

01:01:09,349 --> 01:01:07,200

get the small town monsters film

1702

01:01:12,150 --> 01:01:09,359

division on chestnut ridge

1703

01:01:13,990 --> 01:01:12,160

it that incident is depicted very

1704

01:01:16,470 --> 01:01:14,000

distinctly in that

1705

01:01:18,630 --> 01:01:16,480

uh and stands in the film as well and i

1706

01:01:19,510 --> 01:01:18,640

think jim's in it also

1707

01:01:21,670 --> 01:01:19,520

uh

1708

01:01:24,549 --> 01:01:21,680

it's a very good film and it really

1709

01:01:28,150 --> 01:01:24,559

goes into depth of what happened

1710

01:01:29,829 --> 01:01:28,160

during that incident so um so stan tell

1711

01:01:31,510 --> 01:01:29,839

folks how they can get a hold of you how

1712

01:01:33,589 --> 01:01:31,520

they can get your new book

1713

01:01:35,190 --> 01:01:33,599

and uh whatever else you want to put out

1714

01:01:38,230 --> 01:01:35,200

there

1715

01:01:40,309 --> 01:01:38,240

okay well my website is stan gordon dot

1716

01:01:42,150 --> 01:01:40,319

info info

1717

01:01:45,750 --> 01:01:42,160

contact information is on the website

1718

01:01:48,789 --> 01:01:45,760

there's the email address which is p a

1719

01:01:50,309 --> 01:01:48,799

ufo comcast dot net and there's other

1720

01:01:51,430 --> 01:01:50,319

ways to contact me as well through the

1721

01:01:53,230 --> 01:01:51,440

website

1722

01:01:55,990 --> 01:01:53,240

uh all of my books are available at

1723

01:01:59,029 --> 01:01:56,000

amazon.com barnesandnoble.com the new

1724

01:02:01,190 --> 01:01:59,039

book which has again some very very

1725

01:02:02,470 --> 01:02:01,200

strange cases it gets into a lot of

1726

01:02:04,390 --> 01:02:02,480

detail about a lot of the straight

1727

01:02:05,670 --> 01:02:04,400

things up on the chestnut ridge and

1728

01:02:07,829 --> 01:02:05,680

other areas

1729

01:02:10,309 --> 01:02:07,839

and it's called creepy cryptids and

1730

01:02:12,549 --> 01:02:10,319

strange ufo encounters of pennsylvania

1731

01:02:14,390 --> 01:02:12,559

bigfoot thunderbirds mysteries of the

1732

01:02:16,230 --> 01:02:14,400

chestnut ridge and more

1733

01:02:19,109 --> 01:02:16,240

and i think people are going to find you

1734

01:02:22,470 --> 01:02:19,119

some really fascinating stories in there

1735

01:02:25,029 --> 01:02:22,480

i highly recommend it and uh stan

1736

01:02:26,309 --> 01:02:25,039

again thanks for coming on with me

1737

01:02:29,510 --> 01:02:26,319

uh

1738

01:02:31,109 --> 01:02:29,520

buddy we'll be talking very soon

1739

01:02:32,950 --> 01:02:31,119

all right have a good evening and thanks

1740

01:02:36,870 --> 01:02:32,960

again for having me on the program you

1741

01:02:40,789 --> 01:02:38,950

now you've had an unexplained encounter

1742

01:02:43,829 --> 01:02:40,799

or something feel free to contact me

1743

01:02:46,069 --> 01:02:43,839

directly at famsum uh or at fams

1744

01:02:48,630 --> 01:02:46,079

monsters on the blog site or go ahead

1745

01:02:50,470 --> 01:02:48,640

and email me at lawn strickler fans of

1746

01:02:52,549 --> 01:02:50,480

monsters dot com

1747

01:02:54,710 --> 01:02:52,559

also if you would like to have your

1748

01:02:56,870 --> 01:02:54,720

encounter or sighting read on the show

1749

01:02:57,990 --> 01:02:56,880

please forward to my email we're going

1750

01:02:59,430 --> 01:02:58,000

to be

1751

01:03:02,630 --> 01:02:59,440

producing

1752

01:03:03,829 --> 01:03:02,640

a show either on a weekly or bi-weekly

1753

01:03:06,150 --> 01:03:03,839

basis

1754

01:03:08,069 --> 01:03:06,160

where i'm going to be reading newer

1755

01:03:10,309 --> 01:03:08,079

reports that come in

1756

01:03:12,710 --> 01:03:10,319

so uh that's in the works so you can

1757

01:03:15,270 --> 01:03:12,720

look forward to that real soon you know

1758

01:03:17,029 --> 01:03:15,280

i want to again thank stan gordon for uh

1759

01:03:18,950 --> 01:03:17,039

joining me this evening

1760

01:03:21,029 --> 01:03:18,960

and thanks to each and all of you for

1761

01:03:23,029 --> 01:03:21,039

watching and chatting if you you've made

1762

01:03:25,109 --> 01:03:23,039

a super chat donation

1763

01:03:27,910 --> 01:03:25,119

it's truly appreciated your support is

1764

01:03:30,710 --> 01:03:27,920

what makes us possible so please like

1765

01:03:32,870 --> 01:03:30,720

subscribe and share and also we the

1766

01:03:33,829 --> 01:03:32,880

membership is available as well so go

1767

01:03:36,630 --> 01:03:33,839

over there

1768

01:03:38,950 --> 01:03:36,640

check it out and uh sign up

1769

01:03:41,430 --> 01:03:38,960

my new book the meme humanoids modern

1770

01:03:42,950 --> 01:03:41,440

myth or real monster is now available on

1771

01:03:44,390 --> 01:03:42,960

amazon

1772

01:03:46,950 --> 01:03:44,400

so uh

1773

01:03:48,950 --> 01:03:46,960

and we will be giving out a couple books

1774

01:03:51,349 --> 01:03:48,960

on next week's show

1775

01:03:53,430 --> 01:03:51,359

which is going to be a humanoid

1776

01:03:54,870 --> 01:03:53,440

roundtable discussion

1777

01:03:57,190 --> 01:03:54,880

the uh

1778

01:03:58,870 --> 01:03:57,200

the guests are kind of

1779

01:04:01,029 --> 01:03:58,880

non-committal at this point we'll have

1780

01:04:03,670 --> 01:04:01,039

the list done a couple days

1781

01:04:05,029 --> 01:04:03,680

and i'll post the uh i'll post the uh

1782

01:04:07,349 --> 01:04:05,039

the show then

1783

01:04:09,190 --> 01:04:07,359

so but it should be very interesting in

1784

01:04:10,870 --> 01:04:09,200

a very interesting entertaining

1785

01:04:13,910 --> 01:04:10,880

discussion so

1786

01:04:20,020 --> 01:04:13,920

until next week stay healthy and have a

1787

01:05:19,990 --> 01:04:25,220

[Music]
