

PHANTOMS & MONSTERS

R A D I O

HUMANOIDS ROUNDTABLE DISCUSSION

PRESTON DENNETT, ERIC ALTMAN, &
ANNA MARIE MANALO

FRIDAY, MARCH 18TH AT 9PM EASTERN / 6PM PACIFIC

1
00:00:13,190 --> 00:00:11,669
we live in a reality of phantoms and

2
00:00:16,150 --> 00:00:13,200
monsters

3
00:00:17,430 --> 00:00:16,160
they exist among us and sometimes they

4
00:00:20,710 --> 00:00:17,440
win

5
00:00:23,269 --> 00:00:20,720
even the devil was an angel once

6
00:00:26,230 --> 00:00:23,279
the world has its own rules

7
00:00:29,109 --> 00:00:26,240
and these rules are not human

8
00:00:31,349 --> 00:00:29,119
some of us seek answers to the origin

9
00:00:33,350 --> 00:00:31,359
and existence of cryptids in the

10
00:00:36,709 --> 00:00:33,360
unexplained

11
00:00:39,030 --> 00:00:36,719
join us as we venture beyond the known

12
00:00:41,190 --> 00:00:39,040
and accepted boundaries

13
00:00:47,310 --> 00:00:41,200

welcome to our nightmare

14

00:00:58,549 --> 00:00:56,630

[Music]

15

00:01:00,630 --> 00:00:58,559

first good evening and welcome to

16

00:01:02,150 --> 00:01:00,640

phantoms and monsters radio where we

17

00:01:04,869 --> 00:01:02,160

explore and discuss

18

00:01:06,710 --> 00:01:04,879

the unknown and the unexplained i'm your

19

00:01:08,710 --> 00:01:06,720

host lon strickler

20

00:01:11,750 --> 00:01:08,720

thanks for joining me

21

00:01:14,469 --> 00:01:11,760

uh the fans and monsters radio channel

22

00:01:17,109 --> 00:01:14,479

is made possible by you liking

23

00:01:19,590 --> 00:01:17,119

this uh and you know and clicking the

24

00:01:21,030 --> 00:01:19,600

subscribe button and by you also sharing

25

00:01:21,990 --> 00:01:21,040

our programming

26

00:01:24,630 --> 00:01:22,000

um

27

00:01:27,510 --> 00:01:24,640

super chat donations are essential to us

28

00:01:29,830 --> 00:01:27,520

to continue offering you our unique

29

00:01:31,109 --> 00:01:29,840

content so your consideration is very

30

00:01:32,550 --> 00:01:31,119

much needed

31

00:01:36,069 --> 00:01:32,560

and appreciated

32

00:01:38,469 --> 00:01:36,079

now tonight we will be giving away

33

00:01:41,350 --> 00:01:38,479

uh two of my new books the mean

34

00:01:42,389 --> 00:01:41,360

humanoids in the chat room this evening

35

00:01:43,510 --> 00:01:42,399

so

36

00:01:47,990 --> 00:01:43,520

uh

37

00:01:53,749 --> 00:01:50,389

we'll see how that goes

38

00:01:57,190 --> 00:01:53,759

so tonight i have three guests with us

39

00:01:59,670 --> 00:01:57,200

for this humanoid round table discussion

40

00:02:02,149 --> 00:01:59,680

first of all uh preston

41

00:02:03,350 --> 00:02:02,159

dennett began investigating ufos of the

42

00:02:05,670 --> 00:02:03,360

paranormal

43

00:02:07,270 --> 00:02:05,680

in 1986 when he discovered that his

44

00:02:10,309 --> 00:02:07,280

family friends and co-workers were

45

00:02:12,070 --> 00:02:10,319

having dramatic unexplained encounters

46

00:02:13,670 --> 00:02:12,080

since then he has interviewed hundreds

47

00:02:15,910 --> 00:02:13,680

of witnesses

48

00:02:17,830 --> 00:02:15,920

and investigated a wide variety of

49

00:02:20,470 --> 00:02:17,840

paranormal phenomena

50

00:02:23,589 --> 00:02:20,480

he is a field investigator for mutual

51
00:02:26,710 --> 00:02:23,599
ufo network mufon and a ghost hunter a

52
00:02:29,990 --> 00:02:26,720
paranormal researcher and the author of

53
00:02:32,390 --> 00:02:30,000
28 and i think now 29 books

54
00:02:34,630 --> 00:02:32,400
and more than 100 articles on

55
00:02:37,030 --> 00:02:34,640
ufos of the paranormal

56
00:02:39,110 --> 00:02:37,040
several his books have been on amazon's

57
00:02:41,030 --> 00:02:39,120
ufo bestsellers

58
00:02:43,670 --> 00:02:41,040
that preston's articles have appeared in

59
00:02:47,350 --> 00:02:43,680
numerous magazines including fate

60
00:02:49,270 --> 00:02:47,360
atlantis rising mufon ufo journal nexus

61
00:02:53,270 --> 00:02:49,280
paranormal magazine

62
00:02:56,229 --> 00:02:53,280
ufo magazine phenomenal magazine mystery

63
00:02:58,390 --> 00:02:56,239

mysteries magazine ufologist and others

64

00:03:00,710 --> 00:02:58,400

he has appeared on newburst radio and

65

00:03:03,750 --> 00:03:00,720

television programs including

66

00:03:06,630 --> 00:03:03,760

midnight in the desert with art film

67

00:03:09,750 --> 00:03:06,640

coast am and also the history channel's

68

00:03:11,670 --> 00:03:09,760

deep sea ufos and ufo hunters his

69

00:03:14,229 --> 00:03:11,680

research has been presented in the la

70

00:03:17,030 --> 00:03:14,239

times the la daily news the dallas

71

00:03:19,190 --> 00:03:17,040

morning news and other newspapers

72

00:03:21,430 --> 00:03:19,200

preston has taught classes on various

73

00:03:23,509 --> 00:03:21,440

paranormal subjects and lectures across

74

00:03:25,990 --> 00:03:23,519

the united states he currently resides

75

00:03:26,949 --> 00:03:26,000

in southern california his website can

76

00:03:32,390 --> 00:03:26,959

be found

77

00:03:36,949 --> 00:03:34,550

we're also joined by eric altman who is

78

00:03:38,710 --> 00:03:36,959

a cryptozoologist specializing in

79

00:03:39,830 --> 00:03:38,720

researching the bigfoot sasquatch

80

00:03:42,070 --> 00:03:39,840

phenomena

81

00:03:43,670 --> 00:03:42,080

with combined 40 years of study and

82

00:03:45,670 --> 00:03:43,680

field research

83

00:03:47,350 --> 00:03:45,680

his well-respected field investigator

84

00:03:48,630 --> 00:03:47,360

contributing author and founder and

85

00:03:50,710 --> 00:03:48,640

director of the pennsylvania

86

00:03:52,710 --> 00:03:50,720

cryptozoology society

87

00:03:54,949 --> 00:03:52,720

and the executive director of the

88

00:03:58,149 --> 00:03:54,959

pennsylvania bigfoot society

89

00:04:00,789 --> 00:03:58,159

eric is also the host and co-founder of

90

00:04:03,190 --> 00:04:00,799

beyond the eggs radio a live weekly

91

00:04:07,110 --> 00:04:03,200

radio program that covering a variety of

92

00:04:10,550 --> 00:04:07,120

paranormal and fringe topics from 1997

93

00:04:12,789 --> 00:04:10,560

to 2019.

94

00:04:15,589 --> 00:04:12,799

eric has been actively investigating

95

00:04:18,870 --> 00:04:15,599

cases citing claims and conducting field

96

00:04:21,110 --> 00:04:18,880

work dating back to 1997.

97

00:04:23,749 --> 00:04:21,120

he has investigated and assisted in

98

00:04:25,350 --> 00:04:23,759

investigating over 250 cases of bigfoot

99

00:04:28,150 --> 00:04:25,360

sightings encounters and claims in

100

00:04:30,870 --> 00:04:28,160

pennsylvania in the surrounding states

101
00:04:32,550 --> 00:04:30,880
eric is much sought after public speaker

102
00:04:34,230 --> 00:04:32,560
and topics of bigfoot and other cryptids

103
00:04:36,070 --> 00:04:34,240
for over 21 years

104
00:04:38,870 --> 00:04:36,080
he has lectured and presented across the

105
00:04:40,469 --> 00:04:38,880
country dating back to 2000. eric has

106
00:04:42,469 --> 00:04:40,479
also been featured

107
00:04:44,550 --> 00:04:42,479
in multiple documentaries films and

108
00:04:46,550 --> 00:04:44,560
television programs about bigfoot his

109
00:04:49,990 --> 00:04:46,560
personal website can be found

110
00:04:52,710 --> 00:04:50,000
at eric.altman.net

111
00:04:54,870 --> 00:04:52,720
now anna maria manalo is an author in

112
00:04:58,150 --> 00:04:54,880
the genre of fiction and non-fiction

113
00:05:00,629 --> 00:04:58,160

supernatural and historical suspense

114

00:05:02,629 --> 00:05:00,639

as an amateur travel photographer she

115

00:05:05,430 --> 00:05:02,639

has traveled extensively to over 27

116

00:05:07,510 --> 00:05:05,440

countries has had compiled accounts of

117

00:05:09,029 --> 00:05:07,520

terrifying uncanny experiences in both

118

00:05:10,550 --> 00:05:09,039

our native country the philippines and

119

00:05:14,230 --> 00:05:10,560

abroad

120

00:05:17,189 --> 00:05:14,240

now anna starred as eliza simon in the

121

00:05:18,790 --> 00:05:17,199

episode two of the pilot ufos over earth

122

00:05:20,790 --> 00:05:18,800

while she was a field investigator from

123

00:05:23,270 --> 00:05:20,800

mufon her personal experiences with the

124

00:05:24,950 --> 00:05:23,280

bazaar has led to her lifetime quest

125

00:05:26,390 --> 00:05:24,960

investigating sightings and the

126

00:05:28,550 --> 00:05:26,400

paranormal events

127

00:05:30,550 --> 00:05:28,560

through eyewitness reports

128

00:05:33,189 --> 00:05:30,560

as a screenwriter of science fiction and

129

00:05:34,070 --> 00:05:33,199

supernatural and has over 11 screenplays

130

00:05:36,310 --> 00:05:34,080

which

131

00:05:38,550 --> 00:05:36,320

have placed the prestigious competition

132

00:05:41,990 --> 00:05:38,560

in united states pitching screenplays to

133

00:05:43,909 --> 00:05:42,000

a number of major production companies

134

00:05:45,830 --> 00:05:43,919

and has been interviewed on several

135

00:05:47,670 --> 00:05:45,840

podcasts and live presentation has

136

00:05:50,870 --> 00:05:47,680

written three books and can be that can

137

00:05:52,350 --> 00:05:50,880

be purchased at amazon in her website at

138

00:05:55,749 --> 00:05:52,360

story

139

00:05:58,550 --> 00:05:55,759

also trained therapist

140

00:06:00,390 --> 00:05:58,560

and former school counselor

141

00:06:07,430 --> 00:06:00,400

so folks thanks for joining me this

142

00:06:07,440 --> 00:06:12,150

can everybody hear me yeah yeah okay

143

00:06:17,749 --> 00:06:14,550

now we have gathered here

144

00:06:20,390 --> 00:06:17,759

to talk about human noise now

145

00:06:22,710 --> 00:06:20,400

when we say humanoids

146

00:06:25,029 --> 00:06:22,720

we throw out a wide net uh you know

147

00:06:26,390 --> 00:06:25,039

human-like beings that walk upright

148

00:06:27,830 --> 00:06:26,400

crawl

149

00:06:29,590 --> 00:06:27,840

even fly

150

00:06:32,629 --> 00:06:29,600

uh so what are they are are they

151

00:06:34,950 --> 00:06:32,639

indigenous flesh and blood entities

152

00:06:37,350 --> 00:06:34,960

or is there for the most part a

153

00:06:39,270 --> 00:06:37,360

supernatural aspect to these beings so

154

00:06:41,029 --> 00:06:39,280

uh i'm gonna first start out with

155

00:06:42,950 --> 00:06:41,039

preston um

156

00:06:43,670 --> 00:06:42,960

preston thanks for joining this evening

157

00:06:46,830 --> 00:06:43,680

uh

158

00:06:50,469 --> 00:06:46,840

what's your what's your thoughts on

159

00:06:51,830 --> 00:06:50,479

humanoids um yeah well i came to this

160

00:06:53,350 --> 00:06:51,840

from a

161

00:06:54,950 --> 00:06:53,360

ufo angle

162

00:06:57,110 --> 00:06:54,960

but definitely started branching out

163

00:06:59,990 --> 00:06:57,120

into cryptozoology when i started

164

00:07:01,270 --> 00:07:00,000

getting ufo bigfoot reports

165

00:07:03,110 --> 00:07:01,280

and uh

166

00:07:04,710 --> 00:07:03,120

one thing that immediately struck me

167

00:07:06,309 --> 00:07:04,720

when i started interviewing people and

168

00:07:07,990 --> 00:07:06,319

looking into this phenomena of

169

00:07:10,230 --> 00:07:08,000

extraterrestrials is

170

00:07:11,830 --> 00:07:10,240

that almost universally people report

171

00:07:13,029 --> 00:07:11,840

humanoids

172

00:07:14,550 --> 00:07:13,039

by that i mean you know we're not

173

00:07:17,670 --> 00:07:14,560

getting the blob

174

00:07:19,270 --> 00:07:17,680

or some octopus-like creature

175

00:07:21,270 --> 00:07:19,280

uh which is kind of what i thought as a

176

00:07:23,430 --> 00:07:21,280

skeptic i came to this philly skeptic

177

00:07:24,390 --> 00:07:23,440

that ets would look something completely

178

00:07:25,430 --> 00:07:24,400

different

179

00:07:27,430 --> 00:07:25,440

from us

180

00:07:29,189 --> 00:07:27,440

yeah and that's just not what we're

181

00:07:30,550 --> 00:07:29,199

seeing this is not what people are

182

00:07:31,909 --> 00:07:30,560

reporting this is not what the evidence

183

00:07:34,390 --> 00:07:31,919

is showing us

184

00:07:36,070 --> 00:07:34,400

almost universally people report

185

00:07:37,350 --> 00:07:36,080

humanoids

186

00:07:39,749 --> 00:07:37,360

you know a head

187

00:07:42,629 --> 00:07:39,759

usually two eyes

188

00:07:45,749 --> 00:07:42,639

arms legs a torso

189

00:07:48,150 --> 00:07:45,759

your basic humanoid shape

190

00:07:51,830 --> 00:07:48,160

and that struck me real hard because it

191

00:07:53,510 --> 00:07:51,840

just that seems so unlikely to me

192

00:07:55,270 --> 00:07:53,520

and then of course you can start

193

00:07:56,309 --> 00:07:55,280

breaking that down with various humanoid

194

00:07:58,790 --> 00:07:56,319

types

195

00:08:01,749 --> 00:07:58,800

and i can say in my own files i mostly

196

00:08:03,589 --> 00:08:01,759

get what we would term grays

197

00:08:06,390 --> 00:08:03,599

i would say probably 50

198

00:08:08,230 --> 00:08:06,400

or even upwards to 60 or 70 would be

199

00:08:11,670 --> 00:08:08,240

some variation of

200

00:08:13,029 --> 00:08:11,680

the short bald-headed large dark-eyed

201
00:08:14,869 --> 00:08:13,039
pale-skinned

202
00:08:16,950 --> 00:08:14,879
humanoids

203
00:08:19,510 --> 00:08:16,960
but it's not just grays

204
00:08:20,869 --> 00:08:19,520
there are of course praying mantis

205
00:08:22,309 --> 00:08:20,879
those are quite

206
00:08:24,070 --> 00:08:22,319
common

207
00:08:26,629 --> 00:08:24,080
which again is really curious to me

208
00:08:28,629 --> 00:08:26,639
because i mean out of all the animals or

209
00:08:30,550 --> 00:08:28,639
insects even on our planet praying

210
00:08:32,790 --> 00:08:30,560
mantis really

211
00:08:34,550 --> 00:08:32,800
uh but they're described as humanoid as

212
00:08:36,949 --> 00:08:34,560
well usually

213
00:08:39,110 --> 00:08:36,959

you know six seven eight feet tall i

214

00:08:40,550 --> 00:08:39,120

have a few outlying cases up to 15 feet

215

00:08:42,709 --> 00:08:40,560

tall

216

00:08:46,070 --> 00:08:42,719

and beyond that i will get

217

00:08:49,269 --> 00:08:46,080

straight up human looking ets ones that

218

00:08:50,310 --> 00:08:49,279

look very much like us

219

00:08:52,829 --> 00:08:50,320

pretty much

220

00:08:55,509 --> 00:08:52,839

no different except perhaps slightly

221

00:08:58,310 --> 00:08:55,519

stronger often described as being very

222

00:09:00,470 --> 00:08:58,320

much like twins or brothers

223

00:09:01,910 --> 00:09:00,480

but there are of course many varieties

224

00:09:02,790 --> 00:09:01,920

of humanoids

225

00:09:06,470 --> 00:09:02,800

the

226

00:09:09,110 --> 00:09:06,480

tall whites uh little blue beings

227

00:09:10,310 --> 00:09:09,120

strange i get many reports of absolutely

228

00:09:11,990 --> 00:09:10,320

unique

229

00:09:14,230 --> 00:09:12,000

strange humanoids

230

00:09:17,110 --> 00:09:14,240

like a nine foot tall humanoid with a

231

00:09:18,389 --> 00:09:17,120

giant chain huge forehead and straw like

232

00:09:20,550 --> 00:09:18,399

hair

233

00:09:21,750 --> 00:09:20,560

or another 10-foot humanoid with

234

00:09:24,389 --> 00:09:21,760

enormous

235

00:09:26,230 --> 00:09:24,399

eyes with gold irises and wearing a

236

00:09:28,550 --> 00:09:26,240

black jumpsuit and

237

00:09:30,550 --> 00:09:28,560

really wrinkly skin

238

00:09:32,630 --> 00:09:30,560

just unique i guess

239

00:09:33,990 --> 00:09:32,640

so yeah i think there is sort of a

240

00:09:36,150 --> 00:09:34,000

template

241

00:09:37,829 --> 00:09:36,160

throughout the universe

242

00:09:39,110 --> 00:09:37,839

and this is what we see with you know

243

00:09:40,870 --> 00:09:39,120

not only

244

00:09:42,949 --> 00:09:40,880

e.t humanoids but

245

00:09:45,269 --> 00:09:42,959

you know sasquatch and

246

00:09:46,389 --> 00:09:45,279

dogman and

247

00:09:48,310 --> 00:09:46,399

oh you know

248

00:09:51,829 --> 00:09:48,320

i've talked to people who've seen cat

249

00:09:53,910 --> 00:09:51,839

like aliens complete with fur and ears

250

00:09:56,150 --> 00:09:53,920

dog-like aliens

251
00:09:57,590 --> 00:09:56,160
so yeah the humanoid form seems to be

252
00:09:59,350 --> 00:09:57,600
the template and that would be the first

253
00:10:00,630 --> 00:09:59,360
sort of like

254
00:10:01,509 --> 00:10:00,640
all right this is what we're dealing

255
00:10:05,750 --> 00:10:01,519
with

256
00:10:06,790 --> 00:10:05,760
you uh anna what are your thoughts on

257
00:10:09,430 --> 00:10:06,800
this

258
00:10:11,829 --> 00:10:09,440
well you know lon i originally was with

259
00:10:14,470 --> 00:10:11,839
mufon so when i think about humanoids i

260
00:10:17,430 --> 00:10:14,480
think about the encounters uh that

261
00:10:19,350 --> 00:10:17,440
people have witnessed and shared with me

262
00:10:21,509 --> 00:10:19,360
and preston talked about the praying

263
00:10:23,670 --> 00:10:21,519

mantis i had a couple of cases that

264

00:10:25,910 --> 00:10:23,680

dealt with praying mantises

265

00:10:27,910 --> 00:10:25,920

i think it's a very liberal term when

266

00:10:29,430 --> 00:10:27,920

people say humanoid basically they're

267

00:10:33,269 --> 00:10:29,440

talking about something that walks

268

00:10:36,949 --> 00:10:33,279

upright has two eyes and possibly ears

269

00:10:38,790 --> 00:10:36,959

um but it goes on from there and and my

270

00:10:40,550 --> 00:10:38,800

personal belief is that some of them are

271

00:10:42,550 --> 00:10:40,560

multi-dimensional

272

00:10:43,750 --> 00:10:42,560

because they don't really leave any kind

273

00:10:46,310 --> 00:10:43,760

of trace

274

00:10:48,389 --> 00:10:46,320

uh they don't necessarily have a body

275

00:10:50,550 --> 00:10:48,399

like you and i do they could be

276

00:10:53,430 --> 00:10:50,560

something that's etheric

277

00:10:56,389 --> 00:10:53,440

in nature uh you know how how they just

278

00:10:59,350 --> 00:10:56,399

appear and disappear in certain places

279

00:11:01,509 --> 00:10:59,360

uh is just really baffling to me

280

00:11:03,910 --> 00:11:01,519

and then you have the humanoid uh you

281

00:11:06,790 --> 00:11:03,920

know that looks like a rake

282

00:11:09,750 --> 00:11:06,800

uh that i had a couple of witness

283

00:11:12,630 --> 00:11:09,760

accounts three years ago and one most

284

00:11:15,350 --> 00:11:12,640

recently a couple of months ago

285

00:11:17,350 --> 00:11:15,360

and this is something that walks upright

286

00:11:19,990 --> 00:11:17,360

uh it's about three to four feet tall

287

00:11:22,870 --> 00:11:20,000

and has the huge eyes the bald head

288

00:11:25,670 --> 00:11:22,880

but the knees are on backwards so we go

289

00:11:27,910 --> 00:11:25,680

from the praying mantis to the being

290

00:11:29,670 --> 00:11:27,920

that seems to be very tall to one that's

291

00:11:32,069 --> 00:11:29,680

probably about three feet

292

00:11:33,350 --> 00:11:32,079

so it there's a great variation at least

293

00:11:36,389 --> 00:11:33,360

you know from what

294

00:11:39,030 --> 00:11:36,399

all the stuff that i've heard so far

295

00:11:40,630 --> 00:11:39,040

so eric you know you're the bigfoot guy

296

00:11:42,949 --> 00:11:40,640

here and um

297

00:11:44,069 --> 00:11:42,959

and involved in cryptids

298

00:11:45,509 --> 00:11:44,079

and

299

00:11:47,829 --> 00:11:45,519

quite frankly

300

00:11:50,069 --> 00:11:47,839

most of these are humanoid-like beings

301
00:11:52,550 --> 00:11:50,079
what are your thoughts

302
00:11:55,030 --> 00:11:52,560
well yeah they they most of them

303
00:11:56,629 --> 00:11:55,040
aren't just described as

304
00:11:58,790 --> 00:11:56,639
tall and hair covered

305
00:12:00,949 --> 00:11:58,800
i mean preston and anna both talked

306
00:12:02,470 --> 00:12:00,959
about different species the people are

307
00:12:04,389 --> 00:12:02,480
seeing different races

308
00:12:05,670 --> 00:12:04,399
different types of hominid looking

309
00:12:07,430 --> 00:12:05,680
creatures but

310
00:12:09,509 --> 00:12:07,440
the two cryptids that i'm familiar with

311
00:12:11,910 --> 00:12:09,519
that might fall into that category would

312
00:12:14,310 --> 00:12:11,920
be of course bigfoot and the dog man

313
00:12:16,790 --> 00:12:14,320

both are upright walking hominid if you

314

00:12:20,230 --> 00:12:16,800

want to call them looking creatures

315

00:12:22,470 --> 00:12:20,240

but both are hair covered and both have

316

00:12:25,269 --> 00:12:22,480

generally the same description you know

317

00:12:26,629 --> 00:12:25,279

tall upright long legs long arms

318

00:12:29,590 --> 00:12:26,639

although the dog man differs from

319

00:12:31,670 --> 00:12:29,600

bigfoot where it has a snout and a tail

320

00:12:34,069 --> 00:12:31,680

and of course bigfoot as we know is it

321

00:12:36,389 --> 00:12:34,079

ranges anywhere from five foot to i've

322

00:12:38,790 --> 00:12:36,399

gotten reports as 12 foot high

323

00:12:40,389 --> 00:12:38,800

um so that's what i'm most familiar with

324

00:12:42,629 --> 00:12:40,399

but working with stan gordon all these

325

00:12:44,949 --> 00:12:42,639

many many years he's

326

00:12:46,790 --> 00:12:44,959

referred and relayed reports to me about

327

00:12:48,629 --> 00:12:46,800

other types of hominids

328

00:12:50,949 --> 00:12:48,639

especially here in pennsylvania the rake

329

00:12:52,870 --> 00:12:50,959

is something commonly reported

330

00:12:55,750 --> 00:12:52,880

um we've had some

331

00:12:57,670 --> 00:12:55,760

cases of very unusual looking hominids

332

00:12:59,430 --> 00:12:57,680

that we might even call like the glimmer

333

00:13:02,550 --> 00:12:59,440

man or the shimmer man

334

00:13:04,629 --> 00:13:02,560

very predator-like um cloaking ability

335

00:13:06,790 --> 00:13:04,639

where people just see that shimmer

336

00:13:09,350 --> 00:13:06,800

and it looks like an upright walking

337

00:13:11,509 --> 00:13:09,360

human or hominid or human humanoid

338

00:13:13,670 --> 00:13:11,519

whatever you want to call it but we've

339

00:13:15,910 --> 00:13:13,680

gotten reports like that as well as stan

340

00:13:17,030 --> 00:13:15,920

has and he shared them with me and yeah

341

00:13:19,350 --> 00:13:17,040

there's some strange things that happen

342

00:13:21,670 --> 00:13:19,360

here in pennsylvania that fall into that

343

00:13:24,069 --> 00:13:21,680

category

344

00:13:25,910 --> 00:13:24,079

well you know

345

00:13:27,750 --> 00:13:25,920

it's almost like every day i get

346

00:13:30,069 --> 00:13:27,760

something it has some type of humor

347

00:13:32,790 --> 00:13:30,079

involved with it it's it's bizarre

348

00:13:34,629 --> 00:13:32,800

and it has has increased

349

00:13:37,110 --> 00:13:34,639

every day i mean it you know for like

350

00:13:39,509 --> 00:13:37,120

the past decade it's been i'd say 50

351
00:13:41,189 --> 00:13:39,519
humanoids if not you know something

352
00:13:43,350 --> 00:13:41,199
involved with something that kind of

353
00:13:45,670 --> 00:13:43,360
like a human-like being

354
00:13:49,350 --> 00:13:45,680
uh you know preston brought up a good

355
00:13:52,629 --> 00:13:49,360
point about the being a template uh with

356
00:13:54,069 --> 00:13:52,639
uh with alien beings and other

357
00:13:56,310 --> 00:13:54,079
maybe ultra-terrestrials

358
00:13:59,750 --> 00:13:56,320
extraterrestrials

359
00:14:01,670 --> 00:13:59,760
uh it does seem that maybe the human

360
00:14:03,269 --> 00:14:01,680
species

361
00:14:05,670 --> 00:14:03,279
may actually be

362
00:14:07,110 --> 00:14:05,680
a universal species

363
00:14:09,509 --> 00:14:07,120

in other words

364

00:14:11,430 --> 00:14:09,519

what we see

365

00:14:15,430 --> 00:14:11,440

and this is my thoughts

366

00:14:17,030 --> 00:14:15,440

what we see are possibly evolved humans

367

00:14:19,670 --> 00:14:17,040

and uh

368

00:14:22,550 --> 00:14:19,680

that are either coming back or part of

369

00:14:24,790 --> 00:14:22,560

coming through some type of uh wormhole

370

00:14:27,110 --> 00:14:24,800

or some type of portal

371

00:14:28,230 --> 00:14:27,120

but i believe i believe after all these

372

00:14:30,150 --> 00:14:28,240

years i've been doing these

373

00:14:30,949 --> 00:14:30,160

investigations

374

00:14:34,710 --> 00:14:30,959

that

375

00:14:36,790 --> 00:14:34,720

the human the human species seems to

376

00:14:38,870 --> 00:14:36,800

have evolved into these other types of

377

00:14:40,790 --> 00:14:38,880

beings that could be other way around it

378

00:14:41,590 --> 00:14:40,800

could be you know we've evolved from

379

00:14:45,990 --> 00:14:41,600

these

380

00:14:48,150 --> 00:14:46,000

but i don't think that's the case so uh

381

00:14:50,949 --> 00:14:48,160

yeah i mean it's root for thought

382

00:14:52,949 --> 00:14:50,959

i i think you're um

383

00:14:54,629 --> 00:14:52,959

on the right lines there

384

00:14:58,550 --> 00:14:54,639

and i think probably the variation we

385

00:15:00,870 --> 00:14:58,560

see among the ets is due to evolution

386

00:15:03,670 --> 00:15:00,880

and that would probably have i suspect

387

00:15:06,790 --> 00:15:03,680

that grays have genetics like we do

388

00:15:08,310 --> 00:15:06,800

uh and you know by that i mean dna and

389

00:15:12,470 --> 00:15:08,320

so forth

390

00:15:15,030 --> 00:15:12,480

and i liked what uh anna said uh because

391

00:15:16,870 --> 00:15:15,040

the whole interdimensional aspect is

392

00:15:18,870 --> 00:15:16,880

very interesting to me

393

00:15:21,110 --> 00:15:18,880

because you know i'd say that by and

394

00:15:22,790 --> 00:15:21,120

large most researchers and experiencers

395

00:15:25,030 --> 00:15:22,800

alike feel like this is

396

00:15:27,750 --> 00:15:25,040

probably extraterrestrial in the classic

397

00:15:29,189 --> 00:15:27,760

sense with that i mean biological beings

398

00:15:31,189 --> 00:15:29,199

like us

399

00:15:33,269 --> 00:15:31,199

from other planets

400

00:15:35,350 --> 00:15:33,279

but then again there's several cases

401
00:15:39,030 --> 00:15:35,360
like kind of says where these things

402
00:15:40,870 --> 00:15:39,040
behave in ways that are interdimensional

403
00:15:43,110 --> 00:15:40,880
and i think this is kind of

404
00:15:44,230 --> 00:15:43,120
gives rise to the second most popular

405
00:15:47,269 --> 00:15:44,240
theory that we're dealing with an

406
00:15:49,350 --> 00:15:47,279
intelligence that can put on different

407
00:15:52,230 --> 00:15:49,360
masks so to speak

408
00:15:53,509 --> 00:15:52,240
which i don't really fully subscribe to

409
00:15:55,110 --> 00:15:53,519
i think we're probably dealing with

410
00:15:56,470 --> 00:15:55,120
different entities and some are

411
00:15:58,230 --> 00:15:56,480
interdimensional

412
00:16:00,470 --> 00:15:58,240
because if you look into the fairy lore

413
00:16:01,350 --> 00:16:00,480

of you know ireland

414

00:16:03,269 --> 00:16:01,360

it's

415

00:16:04,710 --> 00:16:03,279

pretty compelling that people were

416

00:16:06,790 --> 00:16:04,720

seeing something

417

00:16:09,350 --> 00:16:06,800

there's a wide variety of these types of

418

00:16:11,110 --> 00:16:09,360

creatures and you know eric is talking

419

00:16:13,110 --> 00:16:11,120

about sasquatch and bigfoot well some

420

00:16:14,710 --> 00:16:13,120

people are seeing

421

00:16:17,189 --> 00:16:14,720

you know

422

00:16:19,269 --> 00:16:17,199

what look more like neanderthals or you

423

00:16:21,509 --> 00:16:19,279

know ancient man they're not covered in

424

00:16:23,590 --> 00:16:21,519

hair these are just

425

00:16:24,949 --> 00:16:23,600

primitive human looking

426
00:16:26,710 --> 00:16:24,959
beings

427
00:16:27,910 --> 00:16:26,720
and the variety amongst the sasquatch

428
00:16:29,749 --> 00:16:27,920
beings is

429
00:16:31,749 --> 00:16:29,759
amazing i mean look at the variety we

430
00:16:33,509 --> 00:16:31,759
have on our own planet

431
00:16:35,430 --> 00:16:33,519
the difference between us four is just a

432
00:16:37,990 --> 00:16:35,440
small example of how

433
00:16:40,150 --> 00:16:38,000
different humans can look and that's

434
00:16:42,389 --> 00:16:40,160
exactly what we see among greys huge

435
00:16:44,949 --> 00:16:42,399
variety among greys huge variety among

436
00:16:46,790 --> 00:16:44,959
praying mantids

437
00:16:49,110 --> 00:16:46,800
so i think we're probably dealing with

438
00:16:51,590 --> 00:16:49,120

not only extraterrestrials

439

00:16:53,990 --> 00:16:51,600

but a wide wide variety a lot of it is

440

00:16:56,470 --> 00:16:54,000

getting put under one umbrella and i'm

441

00:16:58,629 --> 00:16:56,480

not so sure that's wise

442

00:17:00,629 --> 00:16:58,639

still need a lot more research here but

443

00:17:04,150 --> 00:17:00,639

it's clear to me we're dealing with

444

00:17:06,630 --> 00:17:04,160

many different things here

445

00:17:08,630 --> 00:17:06,640

want to add to that

446

00:17:10,069 --> 00:17:08,640

well i think preston has a very good

447

00:17:12,309 --> 00:17:10,079

point there because

448

00:17:15,270 --> 00:17:12,319

one of the things i've observed is that

449

00:17:18,390 --> 00:17:15,280

some leave trace evidence some don't

450

00:17:20,710 --> 00:17:18,400

uh and i'm beginning to wonder whether

451
00:17:23,669 --> 00:17:20,720
we're looking at things that have lived

452
00:17:26,390 --> 00:17:23,679
on this planet for a very long time way

453
00:17:28,549 --> 00:17:26,400
before us that are materializing and

454
00:17:31,110 --> 00:17:28,559
we're just not able to comprehend them

455
00:17:33,270 --> 00:17:31,120
or classify them and then we have ones

456
00:17:35,830 --> 00:17:33,280
that are coming from outside the planet

457
00:17:37,350 --> 00:17:35,840
outside the solar system and then ones

458
00:17:40,150 --> 00:17:37,360
that are coming from a totally different

459
00:17:44,230 --> 00:17:40,160
dimension so you got a mishmash

460
00:17:48,150 --> 00:17:44,240
of so many different kinds of entities

461
00:17:51,190 --> 00:17:48,160
and in our three-dimensional word world

462
00:17:54,950 --> 00:17:51,200
we try and classify them and and they're

463
00:17:57,190 --> 00:17:54,960

not that easy to classify we're limited

464

00:17:59,750 --> 00:17:57,200

in our ability to

465

00:18:00,950 --> 00:17:59,760

peg them because there are some forms of

466

00:18:02,470 --> 00:18:00,960

existence

467

00:18:04,710 --> 00:18:02,480

we just

468

00:18:07,110 --> 00:18:04,720

can't comprehend at the level that we're

469

00:18:09,430 --> 00:18:07,120

in i mean we're almost like animals in

470

00:18:11,669 --> 00:18:09,440

comparison to them you know some of them

471

00:18:13,909 --> 00:18:11,679

have the capability to heal

472

00:18:15,669 --> 00:18:13,919

some of them have the capability to buy

473

00:18:19,750 --> 00:18:15,679

locate i mean there's so many things

474

00:18:24,870 --> 00:18:22,310

eric um let me ask you this

475

00:18:28,310 --> 00:18:25,990

you and i have known each other a good

476

00:18:31,190 --> 00:18:28,320

while now and uh what are your thoughts

477

00:18:32,789 --> 00:18:31,200

on the bigfoot phenomena as far as

478

00:18:34,710 --> 00:18:32,799

are they flesh and blood

479

00:18:38,789 --> 00:18:34,720

or maybe flushing blood and able to move

480

00:18:40,870 --> 00:18:39,669

has

481

00:18:44,789 --> 00:18:40,880

have your

482

00:18:46,310 --> 00:18:44,799

theories changed on that over the years

483

00:18:48,230 --> 00:18:46,320

it's hard to

484

00:18:50,390 --> 00:18:48,240

answer that question because i think

485

00:18:52,710 --> 00:18:50,400

we're not dealing with just one

486

00:18:55,029 --> 00:18:52,720

species and preston summarized it pretty

487

00:18:57,190 --> 00:18:55,039

well people are seeing a variety of

488

00:18:59,830 --> 00:18:57,200

different types of hair covered

489

00:19:02,310 --> 00:18:59,840

entities or beings whether your typical

490

00:19:05,430 --> 00:19:02,320

bigfoot that leaves footprints that

491

00:19:08,150 --> 00:19:05,440

breaks branches that people can

492

00:19:10,230 --> 00:19:08,160

audibly record and there's physical

493

00:19:11,909 --> 00:19:10,240

evidence left behind then there's others

494

00:19:14,870 --> 00:19:11,919

people are seeing that

495

00:19:17,990 --> 00:19:14,880

um are there and then gone in either a

496

00:19:20,070 --> 00:19:18,000

flash of light or dematerialize or

497

00:19:21,909 --> 00:19:20,080

materialize in front of the eyewitness

498

00:19:23,909 --> 00:19:21,919

then there's other reports of as preston

499

00:19:25,750 --> 00:19:23,919

mentioned the neanderthal type of

500

00:19:27,590 --> 00:19:25,760

creatures that are people are seeing

501
00:19:29,750 --> 00:19:27,600
that don't necessarily look like a

502
00:19:31,110 --> 00:19:29,760
bigfoot but look more like a archaic

503
00:19:33,110 --> 00:19:31,120
human or

504
00:19:34,870 --> 00:19:33,120
hominid um

505
00:19:37,750 --> 00:19:34,880
so it's hard to say what exactly we're

506
00:19:40,310 --> 00:19:37,760
dealing with um the majority of of the

507
00:19:42,549 --> 00:19:40,320
bigfoot reports that i receive are

508
00:19:45,430 --> 00:19:42,559
seem to be of a flesh and blood type

509
00:19:46,789 --> 00:19:45,440
nature uh an animal that's terrestrial

510
00:19:48,950 --> 00:19:46,799
to this planet

511
00:19:51,350 --> 00:19:48,960
and uh they leave footprints they leave

512
00:19:52,870 --> 00:19:51,360
sometimes leave scat people find cuffs

513
00:19:55,270 --> 00:19:52,880

of hair here and there

514

00:19:56,950 --> 00:19:55,280

um and they physically see an animal

515

00:19:59,430 --> 00:19:56,960

that walks away and disappears into the

516

00:20:01,830 --> 00:19:59,440

darkness of the forest and again there

517

00:20:03,190 --> 00:20:01,840

are others that i get from time to time

518

00:20:05,270 --> 00:20:03,200

and i know other researchers i've worked

519

00:20:07,110 --> 00:20:05,280

with others very closely over the years

520

00:20:09,190 --> 00:20:07,120

that have received those reports that

521

00:20:11,909 --> 00:20:09,200

that seem to have a fringe element to

522

00:20:12,789 --> 00:20:11,919

them where whether it's interdimensional

523

00:20:15,110 --> 00:20:12,799

or

524

00:20:16,710 --> 00:20:15,120

uh possibly ufo related there's been

525

00:20:19,190 --> 00:20:16,720

several cases here in pennsylvania in

526

00:20:22,470 --> 00:20:19,200

the 1970s that have been reported to

527

00:20:24,630 --> 00:20:22,480

stan gordon that have that ufo aspect or

528

00:20:26,470 --> 00:20:24,640

uh interdimensional aspect involved in

529

00:20:28,310 --> 00:20:26,480

it so i don't know if we're necessarily

530

00:20:31,510 --> 00:20:28,320

dealing with

531

00:20:33,029 --> 00:20:31,520

this same type of animal that has these

532

00:20:34,870 --> 00:20:33,039

a variety of attributes or we're dealing

533

00:20:36,390 --> 00:20:34,880

with different types of animals that

534

00:20:37,830 --> 00:20:36,400

fall under that just that general

535

00:20:39,909 --> 00:20:37,840

umbrella of

536

00:20:43,029 --> 00:20:39,919

the name bigfoot

537

00:20:44,789 --> 00:20:43,039

do you think they're intelligent

538

00:20:46,549 --> 00:20:44,799

oh extremely sensitive yes i think

539

00:20:48,390 --> 00:20:46,559

they're very intelligent

540

00:20:49,830 --> 00:20:48,400

yeah i think they're very conscious of

541

00:20:51,590 --> 00:20:49,840

of the world around them i think they're

542

00:20:53,029 --> 00:20:51,600

very conscious of human beings and how

543

00:20:54,710 --> 00:20:53,039

dangerous we are

544

00:20:56,549 --> 00:20:54,720

and that's why they avoid us at all

545

00:20:58,710 --> 00:20:56,559

costs and the chance encounters that

546

00:21:00,310 --> 00:20:58,720

happen are just that chance encounters

547

00:21:01,510 --> 00:21:00,320

their accidental

548

00:21:02,710 --> 00:21:01,520

people being in the right place at the

549

00:21:04,470 --> 00:21:02,720

right time and the creature being in the

550

00:21:06,630 --> 00:21:04,480

wrong place at the right time

551
00:21:07,430 --> 00:21:06,640
and i i that's what i honestly think i

552
00:21:08,310 --> 00:21:07,440
mean

553
00:21:10,070 --> 00:21:08,320
yeah

554
00:21:11,669 --> 00:21:10,080
i think that's what's happening but i

555
00:21:14,230 --> 00:21:11,679
think they're intelligent enough that

556
00:21:16,149 --> 00:21:14,240
they've avoided capture and being killed

557
00:21:17,909 --> 00:21:16,159
by people for a long long time at least

558
00:21:19,270 --> 00:21:17,919
that we're aware of they've been

559
00:21:20,950 --> 00:21:19,280
avoiding us for a long long time and

560
00:21:22,630 --> 00:21:20,960
we'll continue to do so

561
00:21:24,230 --> 00:21:22,640
yeah i will say i did interview a

562
00:21:27,350 --> 00:21:24,240
gentleman who

563
00:21:28,789 --> 00:21:27,360

was out in the northern california area

564

00:21:31,270 --> 00:21:28,799

and came

565

00:21:33,270 --> 00:21:31,280

on a riverbed this is

566

00:21:36,630 --> 00:21:33,280

in the trinity area i think

567

00:21:38,149 --> 00:21:36,640

at any rate he had a ufo up here and or

568

00:21:39,990 --> 00:21:38,159

i'm sorry a bigfoot

569

00:21:41,510 --> 00:21:40,000

up here in front of him

570

00:21:42,630 --> 00:21:41,520

just out of thin air

571

00:21:43,830 --> 00:21:42,640

and

572

00:21:45,909 --> 00:21:43,840

it started communicating with him

573

00:21:49,350 --> 00:21:45,919

telepathically this is one of more of

574

00:21:51,110 --> 00:21:49,360

those psychic sasquatch reports

575

00:21:52,630 --> 00:21:51,120

and uh

576
00:21:54,549 --> 00:21:52,640
then his

577
00:21:55,590 --> 00:21:54,559
female sasquatch appeared and their

578
00:21:57,350 --> 00:21:55,600
child

579
00:21:58,630 --> 00:21:57,360
and then they disappeared

580
00:21:59,909 --> 00:21:58,640
and uh

581
00:22:03,430 --> 00:21:59,919
so

582
00:22:06,310 --> 00:22:03,440
you know what we would think of as

583
00:22:09,029 --> 00:22:06,320
sentient interdimension or evolve to the

584
00:22:10,470 --> 00:22:09,039
point where they can do interdimensional

585
00:22:13,270 --> 00:22:10,480
kinds of things

586
00:22:15,350 --> 00:22:13,280
right uh and some are just your average

587
00:22:17,029 --> 00:22:15,360
you know primate wandering around the

588
00:22:20,549 --> 00:22:17,039

wilderness and super

589

00:22:22,950 --> 00:22:20,559

aware just as you know many animals are

590

00:22:25,350 --> 00:22:22,960

but yeah i got involved in bigfoot kind

591

00:22:27,029 --> 00:22:25,360

of kicking and screaming

592

00:22:29,590 --> 00:22:27,039

because i was afraid it might be real

593

00:22:31,430 --> 00:22:29,600

and of course sure enough it was

594

00:22:33,190 --> 00:22:31,440

and the evidence was absolutely

595

00:22:35,590 --> 00:22:33,200

overwhelming people who don't believe in

596

00:22:37,909 --> 00:22:35,600

bigfoot have not done their homework

597

00:22:41,029 --> 00:22:37,919

it's absolutely real

598

00:22:42,789 --> 00:22:41,039

and the variety is mind-blowing and

599

00:22:44,230 --> 00:22:42,799

going back a little bit to the whole

600

00:22:46,390 --> 00:22:44,240

inter-dimensional

601
00:22:49,029 --> 00:22:46,400
aspect people often ask me you know do

602
00:22:51,430 --> 00:22:49,039
you think et's might be interdimensional

603
00:22:54,310 --> 00:22:51,440
my answer is well yes i think

604
00:22:56,470 --> 00:22:54,320
probably all entities to some degree

605
00:22:59,350 --> 00:22:56,480
have interdimensional aspects

606
00:23:01,190 --> 00:22:59,360
and i'm going to lump humans into this

607
00:23:02,710 --> 00:23:01,200
because we do have a soul i think the

608
00:23:04,470 --> 00:23:02,720
evidence for life after death and

609
00:23:07,669 --> 00:23:04,480
autobody experiences and near-death

610
00:23:10,950 --> 00:23:07,679
experiences and ghosts and mediumship

611
00:23:12,710 --> 00:23:10,960
and all of that is very persuasive

612
00:23:14,789 --> 00:23:12,720
and there are people you know who do

613
00:23:17,110 --> 00:23:14,799

have the ability to

614

00:23:19,430 --> 00:23:17,120

do things that are very much along

615

00:23:20,789 --> 00:23:19,440

interdimensional lines such as

616

00:23:22,710 --> 00:23:20,799

levitating or

617

00:23:23,909 --> 00:23:22,720

disappearing i'm talking about advanced

618

00:23:25,669 --> 00:23:23,919

yogis

619

00:23:27,590 --> 00:23:25,679

things like this or you know saints

620

00:23:29,830 --> 00:23:27,600

throughout history

621

00:23:31,590 --> 00:23:29,840

human levitation has been verified in a

622

00:23:33,750 --> 00:23:31,600

laboratory setting

623

00:23:36,230 --> 00:23:33,760

it's appeared in all cultures

624

00:23:38,310 --> 00:23:36,240

it stretches back hundreds of years

625

00:23:39,510 --> 00:23:38,320

there is absolutely an interdimensional

626
00:23:41,669 --> 00:23:39,520
aspect

627
00:23:43,430 --> 00:23:41,679
so i'm not sure that that provides a

628
00:23:46,230 --> 00:23:43,440
whole lot of insight

629
00:23:48,390 --> 00:23:46,240
into the origin of these creatures

630
00:23:50,950 --> 00:23:48,400
because ultimately we all have sort of

631
00:23:53,830 --> 00:23:50,960
interdimensional aspects to us and our

632
00:23:55,669 --> 00:23:53,840
true home is on the other side

633
00:23:58,310 --> 00:23:55,679
i don't know there's

634
00:24:00,390 --> 00:23:58,320
this field is still pretty new

635
00:24:03,830 --> 00:24:00,400
uh we really haven't absolutely you know

636
00:24:05,590 --> 00:24:03,840
looked into humanoids

637
00:24:06,549 --> 00:24:05,600
what the

638
00:24:08,549 --> 00:24:06,559

mid

639

00:24:10,870 --> 00:24:08,559

1940s that's when we really started

640

00:24:12,870 --> 00:24:10,880

doing scientific research into bigfoot

641

00:24:14,390 --> 00:24:12,880

and ets and

642

00:24:16,710 --> 00:24:14,400

all these various

643

00:24:18,789 --> 00:24:16,720

humanoids

644

00:24:21,990 --> 00:24:18,799

well we're it's still enough room for us

645

00:24:23,669 --> 00:24:22,000

to sound crazy to most people

646

00:24:26,149 --> 00:24:23,679

yeah that's true

647

00:24:28,549 --> 00:24:26,159

yeah yeah so you know

648

00:24:32,390 --> 00:24:28,559

of course you know most of what we deal

649

00:24:34,310 --> 00:24:32,400

with are enigmas anyway so um

650

00:24:36,710 --> 00:24:34,320

uh that brings up a question here uh

651
00:24:39,350 --> 00:24:36,720
from nancy malcolm uh how many of

652
00:24:42,789 --> 00:24:39,360
today's cryptids have ties to mythology

653
00:24:44,870 --> 00:24:42,799
and and ancient tales uh anna you want

654
00:24:46,549 --> 00:24:44,880
to handle that

655
00:24:48,950 --> 00:24:46,559
well you know when you look at the

656
00:24:52,149 --> 00:24:48,960
history of some of these creatures the

657
00:24:54,630 --> 00:24:52,159
elementals the fairies uh all those

658
00:24:57,350 --> 00:24:54,640
things they are universal

659
00:24:58,870 --> 00:24:57,360
uh these creatures are seen all over

660
00:25:01,430 --> 00:24:58,880
parts of the globe

661
00:25:03,909 --> 00:25:01,440
in asia in the middle east

662
00:25:07,190 --> 00:25:03,919
uh obviously you know in parts of

663
00:25:09,110 --> 00:25:07,200

ireland scotland uh most of europe

664

00:25:10,789 --> 00:25:09,120

uh i'm not going to name every single

665

00:25:14,310 --> 00:25:10,799

one of them but every culture has a

666

00:25:17,110 --> 00:25:14,320

gnome every culture has an elf uh you

667

00:25:18,950 --> 00:25:17,120

know we talk about something that comes

668

00:25:20,310 --> 00:25:18,960

out of um i'm trying to remember what

669

00:25:23,269 --> 00:25:20,320

they're called now

670

00:25:25,190 --> 00:25:23,279

uh there's a gentleman who passed away

671

00:25:27,830 --> 00:25:25,200

whose name evades me right now but he

672

00:25:30,390 --> 00:25:27,840

visited mounds in ireland

673

00:25:32,549 --> 00:25:30,400

anybody remember who that is uh philip

674

00:25:34,630 --> 00:25:32,559

and brogna

675

00:25:37,269 --> 00:25:34,640

trying to remember the title of the book

676

00:25:39,909 --> 00:25:37,279

but he talks about these mounds and how

677

00:25:42,950 --> 00:25:39,919

they're inhabited by these creatures

678

00:25:44,789 --> 00:25:42,960

uh whether they be gnomes or protectors

679

00:25:47,110 --> 00:25:44,799

of the earth or whatever they are you

680

00:25:49,029 --> 00:25:47,120

don't disturb them you don't uh

681

00:25:51,029 --> 00:25:49,039

destroy them because somehow something

682

00:25:52,149 --> 00:25:51,039

happens something negative happens when

683

00:25:54,230 --> 00:25:52,159

you do

684

00:25:57,029 --> 00:25:54,240

uh so those kinds of things have been

685

00:25:58,630 --> 00:25:57,039

with us for a very long time

686

00:26:00,710 --> 00:25:58,640

i don't know that they're flesh and

687

00:26:03,029 --> 00:26:00,720

blood at all however they are you know

688

00:26:05,750 --> 00:26:03,039

as they are guardians of the earth

689

00:26:07,350 --> 00:26:05,760

or guardians of what used to be paradise

690

00:26:09,430 --> 00:26:07,360

uh so they are definitely

691

00:26:12,470 --> 00:26:09,440

interdimensional to me

692

00:26:13,430 --> 00:26:12,480

uh if you're talking about cryptids like

693

00:26:15,750 --> 00:26:13,440

you know

694

00:26:16,549 --> 00:26:15,760

eric's specialty here with bigfoot i

695

00:26:19,430 --> 00:26:16,559

think

696

00:26:21,430 --> 00:26:19,440

bigfoot preceded us i mean it's just so

697

00:26:24,149 --> 00:26:21,440

obvious in his makeup

698

00:26:25,590 --> 00:26:24,159

uh in his ability to perceive and to

699

00:26:29,110 --> 00:26:25,600

communicate

700

00:26:31,669 --> 00:26:29,120

um that these are creatures that are

701
00:26:34,549 --> 00:26:31,679
have been here for centuries way before

702
00:26:37,430 --> 00:26:36,070
uh we've got another interesting

703
00:26:39,990 --> 00:26:37,440
question here

704
00:26:41,750 --> 00:26:40,000
why from andrew boyle why does our

705
00:26:43,669 --> 00:26:41,760
government hide the existence of

706
00:26:45,780 --> 00:26:43,679
humanoids and i guess you could put

707
00:26:47,430 --> 00:26:45,790
cryptids in it as well

708
00:26:52,149 --> 00:26:47,440
[Music]

709
00:26:55,669 --> 00:26:53,669
i could speak for the cryptid side of

710
00:26:56,710 --> 00:26:55,679
things in my opinion why the government

711
00:26:59,510 --> 00:26:56,720
hides

712
00:27:01,750 --> 00:26:59,520
the existence is monetary

713
00:27:03,350 --> 00:27:01,760

i think you know if

714

00:27:05,190 --> 00:27:03,360

it did come to light that bigfoot was

715

00:27:06,390 --> 00:27:05,200

real and not to just the knowers to the

716

00:27:07,909 --> 00:27:06,400

general public

717

00:27:10,390 --> 00:27:07,919

they're going to have to set aside large

718

00:27:12,549 --> 00:27:10,400

swaths of land as habitat and

719

00:27:15,510 --> 00:27:12,559

preservations for these animals

720

00:27:17,350 --> 00:27:15,520

and that might also influence uh

721

00:27:18,630 --> 00:27:17,360

recreation

722

00:27:20,310 --> 00:27:18,640

if people know that there's a creature

723

00:27:22,950 --> 00:27:20,320

in that area they may avoid going

724

00:27:25,110 --> 00:27:22,960

camping hunting hiking fishing

725

00:27:26,789 --> 00:27:25,120

the loggers logging industry may be

726

00:27:27,990 --> 00:27:26,799

affected if you remember what happened

727

00:27:30,789 --> 00:27:28,000

to the uh

728

00:27:32,950 --> 00:27:30,799

the ivory-billed woodpecker

729

00:27:35,590 --> 00:27:32,960

and the spotted owl when they were

730

00:27:37,350 --> 00:27:35,600

thought to be endangered species they

731

00:27:39,909 --> 00:27:37,360

stopped people from going into those

732

00:27:41,750 --> 00:27:39,919

areas to protect those animals

733

00:27:43,750 --> 00:27:41,760

and if that happens with bigfoot and

734

00:27:45,750 --> 00:27:43,760

they decide it's a it's a protected

735

00:27:47,190 --> 00:27:45,760

species on the endangered species list

736

00:27:49,750 --> 00:27:47,200

that's going to really affect a lot of

737

00:27:51,830 --> 00:27:49,760

things monetarily so i think that's one

738

00:27:53,909 --> 00:27:51,840

reason the other reason is i don't think

739

00:27:56,710 --> 00:27:53,919

the general public is quite ready to

740

00:27:58,389 --> 00:27:56,720

accept the existence of bigfoot a lot of

741

00:28:00,310 --> 00:27:58,399

us there's a lot more getting involved

742

00:28:02,630 --> 00:28:00,320

in it and there's a lot more starting to

743

00:28:04,549 --> 00:28:02,640

accept it but i don't think overall

744

00:28:06,710 --> 00:28:04,559

they're ready to and plus you also have

745

00:28:08,630 --> 00:28:06,720

to throw in the religious aspects

746

00:28:11,110 --> 00:28:08,640

there's a lot of people that believe

747

00:28:12,389 --> 00:28:11,120

um humans were created from adam and eve

748

00:28:14,549 --> 00:28:12,399

you know god created humans and there

749

00:28:16,549 --> 00:28:14,559

was no other species like a bigfoot

750

00:28:18,549 --> 00:28:16,559

that's closely related to us so that

751
00:28:20,389 --> 00:28:18,559
might also have implications as well so

752
00:28:21,830 --> 00:28:20,399
as far as cryptids go i think there's

753
00:28:23,909 --> 00:28:21,840
several reasons why the government

754
00:28:26,310 --> 00:28:23,919
hasn't uh acknowledged or released

755
00:28:28,950 --> 00:28:26,320
information if these cryptids exist

756
00:28:30,389 --> 00:28:28,960
yeah i think it's very similar with ets

757
00:28:32,149 --> 00:28:30,399
and humanoids too

758
00:28:34,630 --> 00:28:32,159
ultimately it's money it comes down to

759
00:28:36,470 --> 00:28:34,640
greed and power and control

760
00:28:38,789 --> 00:28:36,480
and that's been the government policy

761
00:28:40,230 --> 00:28:38,799
from day one covering up this ufo

762
00:28:42,310 --> 00:28:40,240
subject

763
00:28:44,230 --> 00:28:42,320

uh i think we probably

764

00:28:46,549 --> 00:28:44,240

you know we're an oil-based economy if

765

00:28:47,909 --> 00:28:46,559

we truly do have these craft

766

00:28:50,230 --> 00:28:47,919

and i think we do

767

00:28:52,230 --> 00:28:50,240

that would very much upset our economy

768

00:28:53,830 --> 00:28:52,240

it would upset religion i think along

769

00:28:55,430 --> 00:28:53,840

with bigfoot it's going to upset you

770

00:28:56,710 --> 00:28:55,440

know mainstream science in a lot of

771

00:28:58,230 --> 00:28:56,720

different ways

772

00:29:00,549 --> 00:28:58,240

i think there's a lot of reasons but

773

00:29:02,070 --> 00:29:00,559

ultimately it comes down to greed power

774

00:29:03,830 --> 00:29:02,080

and control

775

00:29:05,590 --> 00:29:03,840

but moving back to that prior question

776

00:29:07,830 --> 00:29:05,600

about mythology

777

00:29:10,149 --> 00:29:07,840

i would just add here that uh you know

778

00:29:12,230 --> 00:29:10,159

the whole angels and demons

779

00:29:13,909 --> 00:29:12,240

uh thing there's a good portion of the

780

00:29:16,230 --> 00:29:13,919

population who feel like the ufo

781

00:29:19,110 --> 00:29:16,240

phenomena is demonic

782

00:29:20,070 --> 00:29:19,120

and uh i looked into that and i do think

783

00:29:24,630 --> 00:29:20,080

there

784

00:29:26,710 --> 00:29:24,640

uh but i think that's a separate

785

00:29:28,870 --> 00:29:26,720

phenomena and as far as angelic i think

786

00:29:31,350 --> 00:29:28,880

that's probably separate as well

787

00:29:33,430 --> 00:29:31,360

but real quick i did talk to one lady a

788

00:29:35,350 --> 00:29:33,440

contact in maine

789

00:29:37,830 --> 00:29:35,360

who was in contact with the grays and

790

00:29:39,430 --> 00:29:37,840

they gave her all kinds of information

791

00:29:42,389 --> 00:29:39,440

and they told her flat out who you

792

00:29:45,110 --> 00:29:42,399

thought was angels was us

793

00:29:46,310 --> 00:29:45,120

and that you have misinterpreted it

794

00:29:48,389 --> 00:29:46,320

so there seems to be a little bit of

795

00:29:50,789 --> 00:29:48,399

bleed through here and there

796

00:29:52,549 --> 00:29:50,799

uh with how people are interpreting this

797

00:29:54,870 --> 00:29:52,559

phenomenon is based largely on your

798

00:29:57,590 --> 00:29:54,880

belief system

799

00:29:59,190 --> 00:29:57,600

but i like what ana said this is these

800

00:30:00,549 --> 00:29:59,200

phenomena

801
00:30:01,830 --> 00:30:00,559
precede us

802
00:30:03,269 --> 00:30:01,840
and i think that's why there's a new

803
00:30:05,909 --> 00:30:03,279
interesting term that i find quite

804
00:30:06,789 --> 00:30:05,919
intriguing called crypto terrestrials

805
00:30:08,310 --> 00:30:06,799
that perhaps these aren't

806
00:30:11,750 --> 00:30:08,320
extraterrestrials as we would think of

807
00:30:13,990 --> 00:30:11,760
them but probably were here before us

808
00:30:16,870 --> 00:30:14,000
so yeah lots of questions still to be

809
00:30:18,470 --> 00:30:16,880
answered but i think the cover-up is

810
00:30:20,789 --> 00:30:18,480
ultimately

811
00:30:23,750 --> 00:30:20,799
due to greed and power and money and

812
00:30:25,750 --> 00:30:23,760
control

813
00:30:27,110 --> 00:30:25,760

so let me ask each and one each of you

814

00:30:29,909 --> 00:30:27,120

this um

815

00:30:31,830 --> 00:30:29,919

what encounters have you had with

816

00:30:34,230 --> 00:30:31,840

with these with humanoids have you had

817

00:30:35,350 --> 00:30:34,240

any encounters or you've had any

818

00:30:50,070 --> 00:30:35,360

close calls them captioning not

819

00:30:55,190 --> 00:30:52,310

i have encountered what people would

820

00:30:57,590 --> 00:30:55,200

call a demonic entity

821

00:30:59,190 --> 00:30:57,600

uh you know having been born and raised

822

00:31:02,070 --> 00:30:59,200

in the neighborhood that was replete

823

00:31:04,950 --> 00:31:02,080

with all kinds of uh you know

824

00:31:07,029 --> 00:31:04,960

phantoms no monsters so to speak uh but

825

00:31:09,990 --> 00:31:07,039

but there was a lot of infestations in

826

00:31:11,110 --> 00:31:10,000

neighborhoods and and houses around me

827

00:31:12,870 --> 00:31:11,120

uh

828

00:31:15,830 --> 00:31:12,880

but they're not flesh and blood they're

829

00:31:17,350 --> 00:31:15,840

not the variety that you can injure or

830

00:31:20,389 --> 00:31:17,360

run after

831

00:31:21,430 --> 00:31:20,399

i i would say they take of course human

832

00:31:24,549 --> 00:31:21,440

form

833

00:31:26,630 --> 00:31:24,559

uh but these are the ones that you know

834

00:31:29,590 --> 00:31:26,640

are there because their life has been

835

00:31:31,590 --> 00:31:29,600

cut short some tragedy has happened or

836

00:31:34,149 --> 00:31:31,600

perhaps someone decided they would play

837

00:31:36,630 --> 00:31:34,159

with an ouija board one day

838

00:31:41,430 --> 00:31:36,640

so uh that's pretty much the limit and

839

00:31:45,430 --> 00:31:43,909

how about you preston

840

00:31:46,470 --> 00:31:45,440

to some degree

841

00:31:48,549 --> 00:31:46,480

you know i've interviewed a lot of

842

00:31:50,630 --> 00:31:48,559

people and their experiences are far far

843

00:31:51,590 --> 00:31:50,640

more expensive than i have

844

00:31:53,909 --> 00:31:51,600

mine

845

00:31:55,669 --> 00:31:53,919

uh i did see my mother's ghost so i have

846

00:31:58,310 --> 00:31:55,679

had some experiences with ghost and did

847

00:32:00,470 --> 00:31:58,320

do some ghost hunting and

848

00:32:02,149 --> 00:32:00,480

experience some phenomena

849

00:32:03,750 --> 00:32:02,159

uh but that was really the only

850

00:32:07,029 --> 00:32:03,760

apparition i've seen

851
00:32:09,669 --> 00:32:07,039
as far as ufos i've definitely seen ufos

852
00:32:12,549 --> 00:32:09,679
can't say full out i've seen

853
00:32:15,509 --> 00:32:12,559
aliens uh though i think i did have a

854
00:32:17,509 --> 00:32:15,519
one ufo missing time encounter

855
00:32:19,509 --> 00:32:17,519
and there is a possibility that once

856
00:32:21,590 --> 00:32:19,519
something was in my bedroom

857
00:32:22,950 --> 00:32:21,600
because i did wake up and thought you

858
00:32:24,710 --> 00:32:22,960
know and i kind of put this in quotes

859
00:32:27,590 --> 00:32:24,720
and i don't often talk about it but you

860
00:32:31,350 --> 00:32:29,269
so yeah i thought i saw something

861
00:32:33,830 --> 00:32:31,360
standing next to my bed

862
00:32:36,630 --> 00:32:33,840
and it's you know my heart bumped wildly

863
00:32:38,549 --> 00:32:36,640

and it took off like

864

00:32:39,909 --> 00:32:38,559

i've never seen anything move which is

865

00:32:41,350 --> 00:32:39,919

certainly something i've heard described

866

00:32:43,269 --> 00:32:41,360

from other people

867

00:32:45,590 --> 00:32:43,279

and i do think on some level i am

868

00:32:47,269 --> 00:32:45,600

involved with this phenomena and they

869

00:32:48,870 --> 00:32:47,279

started investigating me after i started

870

00:32:50,470 --> 00:32:48,880

investigating them

871

00:32:52,470 --> 00:32:50,480

certainly within my family i've had

872

00:32:53,590 --> 00:32:52,480

family members who have seen

873

00:32:55,590 --> 00:32:53,600

grays

874

00:32:58,149 --> 00:32:55,600

or humanoids

875

00:32:59,830 --> 00:32:58,159

so to some degree and as far as bigfoot

876

00:33:00,950 --> 00:32:59,840

i will say i did have a bigfoot

877

00:33:02,310 --> 00:33:00,960

encounter

878

00:33:03,590 --> 00:33:02,320

as well

879

00:33:05,350 --> 00:33:03,600

i'm the kind of researcher who's you

880

00:33:07,110 --> 00:33:05,360

know i'm not satisfied to just read

881

00:33:09,430 --> 00:33:07,120

about it or interview i want to go there

882

00:33:10,630 --> 00:33:09,440

and see it myself

883

00:33:12,149 --> 00:33:10,640

so

884

00:33:14,789 --> 00:33:12,159

when a lady

885

00:33:16,789 --> 00:33:14,799

who i interviewed up in acton

886

00:33:17,830 --> 00:33:16,799

this is in southern california she lives

887

00:33:19,750 --> 00:33:17,840

along the

888

00:33:21,669 --> 00:33:19,760

l.a national forest

889

00:33:23,269 --> 00:33:21,679

said she was having bigfoot encounters i

890

00:33:24,870 --> 00:33:23,279

was straight up there and you know

891

00:33:27,430 --> 00:33:24,880

interviewing her and looking at the

892

00:33:29,830 --> 00:33:27,440

alleged footprints and

893

00:33:30,789 --> 00:33:29,840

her roommates saw it her son saw it you

894

00:33:32,549 --> 00:33:30,799

know it

895

00:33:34,149 --> 00:33:32,559

cracked a tree branch she had some

896

00:33:36,310 --> 00:33:34,159

pretty good evidence

897

00:33:38,630 --> 00:33:36,320

and we drove off into the forest where

898

00:33:40,070 --> 00:33:38,640

she thought it was coming from

899

00:33:42,950 --> 00:33:40,080

and we brought you know cameras and

900

00:33:44,549 --> 00:33:42,960

sound equipment it was dusk when we got

901
00:33:46,149 --> 00:33:44,559
there and she's like pointing to this

902
00:33:47,430 --> 00:33:46,159
valley stick i think it lives right in

903
00:33:49,430 --> 00:33:47,440
there

904
00:33:51,430 --> 00:33:49,440
and we had no sooner really exited the

905
00:33:52,789 --> 00:33:51,440
car she was pulling out the equipment

906
00:33:55,750 --> 00:33:52,799
and i'm walking up to the edge of this

907
00:33:57,909 --> 00:33:55,760
ravine and i heard this thing roar

908
00:33:59,990 --> 00:33:57,919
i didn't see anything but

909
00:34:02,389 --> 00:34:00,000
you know i lived in an area

910
00:34:05,669 --> 00:34:02,399
where i grew up where there was cougars

911
00:34:07,669 --> 00:34:05,679
and coyotes and things like this

912
00:34:09,990 --> 00:34:07,679
and i did not recognize this roar as a

913
00:34:11,750 --> 00:34:10,000

bear or a lion or anything like this i

914

00:34:14,149 --> 00:34:11,760

mean it was a deep

915

00:34:15,510 --> 00:34:14,159

thunderous roar that vibrated in your

916

00:34:17,190 --> 00:34:15,520

chest

917

00:34:18,790 --> 00:34:17,200

and she completely freaked out she's

918

00:34:20,389 --> 00:34:18,800

like come back in the car because i was

919

00:34:21,829 --> 00:34:20,399

running towards it

920

00:34:23,270 --> 00:34:21,839

i wanted to see it

921

00:34:26,310 --> 00:34:23,280

and it roared again

922

00:34:27,909 --> 00:34:26,320

and each roar was about 10 seconds long

923

00:34:30,230 --> 00:34:27,919

so i was pretty much convinced it was

924

00:34:31,750 --> 00:34:30,240

bigfoot but no i didn't see it but that

925

00:34:32,550 --> 00:34:31,760

is my bigfoot encounter and i think it

926
00:34:33,669 --> 00:34:32,560
was

927
00:34:38,310 --> 00:34:33,679
probably

928
00:34:40,470 --> 00:34:38,320
the actual sasquatch but i don't know

929
00:34:43,430 --> 00:34:40,480
so how about you eric i know you've had

930
00:34:45,990 --> 00:34:43,440
some close calls uh can you tell us

931
00:34:48,629 --> 00:34:46,000
about any encounters you've had

932
00:34:51,109 --> 00:34:48,639
i've never seen a sasquatch line as you

933
00:34:53,430 --> 00:34:51,119
know yeah um at least nothing i can say

934
00:34:55,510 --> 00:34:53,440
was definitively a sasquatch i've seen a

935
00:34:56,950 --> 00:34:55,520
couple strange things in high beams of

936
00:34:59,510 --> 00:34:56,960
my car

937
00:35:00,870 --> 00:34:59,520
i've heard things on countless occasions

938
00:35:03,510 --> 00:35:00,880

i've been in the woods

939

00:35:06,069 --> 00:35:03,520
over almost 30 years but actively

940

00:35:08,950 --> 00:35:06,079
looking in the woods for 27.

941

00:35:09,829 --> 00:35:08,960
and i've found the footprints

942

00:35:13,750 --> 00:35:09,839
i've

943

00:35:20,069 --> 00:35:17,190
tree stackings branch breaks and twists

944

00:35:20,790 --> 00:35:20,079
um mutilated animals that weren't killed

945

00:35:24,630 --> 00:35:20,800
by

946

00:35:27,030 --> 00:35:24,640
a bear or a coyote

947

00:35:28,470 --> 00:35:27,040
i've seen the weird ghost lights in the

948

00:35:30,790 --> 00:35:28,480
forest on

949

00:35:32,470 --> 00:35:30,800
countless occasions now especially in

950

00:35:33,990 --> 00:35:32,480
the last 10 years

951
00:35:36,790 --> 00:35:34,000
um

952
00:35:38,390 --> 00:35:36,800
i've never seen an alien or

953
00:35:41,109 --> 00:35:38,400
anything that might be

954
00:35:43,990 --> 00:35:41,119
considered to fall into that category

955
00:35:45,910 --> 00:35:44,000
but i've had a lot of uh

956
00:35:47,670 --> 00:35:45,920
encounters where i've been like you said

957
00:35:49,750 --> 00:35:47,680
very close to something

958
00:35:53,430 --> 00:35:49,760
what it is i have no idea

959
00:35:55,510 --> 00:35:53,440
um i can only speculate and guess

960
00:35:59,750 --> 00:35:55,520
but uh some pretty hair-raising close

961
00:36:04,310 --> 00:36:02,710
yeah well you know you know my story i i

962
00:36:07,109 --> 00:36:04,320
have had a bigfoot encounter and i have

963
00:36:08,069 --> 00:36:07,119

had a winged humanoid encounter so

964

00:36:10,230 --> 00:36:08,079

uh

965

00:36:11,829 --> 00:36:10,240

and i wasn't necessarily looking for the

966

00:36:13,349 --> 00:36:11,839

first one the second one kind of showed

967

00:36:15,750 --> 00:36:13,359

up but

968

00:36:17,589 --> 00:36:15,760

you know i i but you know it is one

969

00:36:19,109 --> 00:36:17,599

interesting it is interesting that so

970

00:36:21,829 --> 00:36:19,119

many people that are involved with the

971

00:36:24,870 --> 00:36:21,839

paranormal or encrypted and such

972

00:36:26,870 --> 00:36:24,880

have never had a real

973

00:36:28,069 --> 00:36:26,880

what they can call a you know an

974

00:36:30,870 --> 00:36:28,079

encounter or

975

00:36:33,030 --> 00:36:30,880

a very close and personal sighting

976

00:36:35,990 --> 00:36:33,040

uh and it's just like i go back and i

977

00:36:37,829 --> 00:36:36,000

talked about stan stan gordon has

978

00:36:41,109 --> 00:36:37,839

all these years he's been involved he's

979

00:36:42,550 --> 00:36:41,119

never saw one he's never sold bigfoot

980

00:36:49,510 --> 00:36:42,560

um

981

00:36:52,069 --> 00:36:49,520

reminds me when i wrote

982

00:36:55,349 --> 00:36:52,079

the book ufos over in new mexico i ran

983

00:36:57,190 --> 00:36:55,359

into two owl man cases

984

00:36:59,430 --> 00:36:57,200

which i'm like wow you know this is

985

00:37:01,750 --> 00:36:59,440

crazy and there are many reports people

986

00:37:05,349 --> 00:37:01,760

seeing flying humanoids

987

00:37:08,230 --> 00:37:05,359

not necessarily with wings but sometimes

988

00:37:10,069 --> 00:37:08,240

and uh definitely makes me wonder about

989

00:37:12,150 --> 00:37:10,079

what is going on here and there's the

990

00:37:13,190 --> 00:37:12,160

those older reports of spring hill jack

991

00:37:14,790 --> 00:37:13,200

and of course

992

00:37:17,510 --> 00:37:14,800

the mothman of

993

00:37:18,310 --> 00:37:17,520

point pleasant west virginia

994

00:37:19,910 --> 00:37:18,320

uh

995

00:37:21,190 --> 00:37:19,920

there's probably a lot more stuff going

996

00:37:22,550 --> 00:37:21,200

on out there

997

00:37:24,710 --> 00:37:22,560

people think of the

998

00:37:26,310 --> 00:37:24,720

world as being fully explored

999

00:37:28,069 --> 00:37:26,320

it's not

1000

00:37:30,630 --> 00:37:28,079

there's a lot of wilderness areas out

1001
00:37:33,109 --> 00:37:30,640
there people are largely clustered

1002
00:37:34,950 --> 00:37:33,119
in city centers

1003
00:37:37,990 --> 00:37:34,960
so it doesn't surprise me at all that we

1004
00:37:38,630 --> 00:37:38,000
still are discovering new species

1005
00:37:42,550 --> 00:37:38,640
and

1006
00:37:43,750 --> 00:37:42,560
lawn you remember the butler gargoyle

1007
00:37:45,030 --> 00:37:43,760
yeah that took place in butler

1008
00:37:46,870 --> 00:37:45,040
pennsylvania

1009
00:37:49,750 --> 00:37:46,880
back in i want to say the

1010
00:37:52,310 --> 00:37:49,760
mid 20 what 2015 2016 something like

1011
00:37:54,390 --> 00:37:52,320
that maybe 2014. a guy driving down the

1012
00:37:55,750 --> 00:37:54,400
road witnessed what he described as an

1013
00:37:58,310 --> 00:37:55,760

eight foot tall

1014

00:38:01,030 --> 00:37:58,320

grayish colored looking gargoyle with

1015

00:38:02,870 --> 00:38:01,040

wings tucked in against its back

1016

00:38:04,630 --> 00:38:02,880

and it was at night he saw it in his

1017

00:38:06,550 --> 00:38:04,640

headlights and it walked across the road

1018

00:38:08,150 --> 00:38:06,560

and disappeared under a

1019

00:38:13,190 --> 00:38:08,160

sign on the side of the road and

1020

00:38:17,829 --> 00:38:15,430

yeah the you know this um this whole

1021

00:38:20,870 --> 00:38:17,839

winged humanoid phenomena and you know

1022

00:38:23,589 --> 00:38:20,880

of course i had my encounter in 88

1023

00:38:25,510 --> 00:38:23,599

but uh this whole you know

1024

00:38:27,270 --> 00:38:25,520

since our team has been involved with

1025

00:38:29,030 --> 00:38:27,280

this chicago

1026

00:38:32,470 --> 00:38:29,040

what they call the chicago mothman

1027

00:38:36,790 --> 00:38:32,480

chicago phantom o'hara mothman you know

1028

00:38:37,910 --> 00:38:36,800

uh has really opened my eyes as to

1029

00:38:40,390 --> 00:38:37,920

what

1030

00:38:42,470 --> 00:38:40,400

these things are very well could be

1031

00:38:45,430 --> 00:38:42,480

uh it it's

1032

00:38:47,910 --> 00:38:45,440

it's just nuts i mean i mean i feel so

1033

00:38:49,670 --> 00:38:47,920

fortunate i've been able to get into

1034

00:38:51,990 --> 00:38:49,680

into the beginning of this case and

1035

00:38:54,390 --> 00:38:52,000

continued on with it but uh you know i

1036

00:38:56,710 --> 00:38:54,400

just saw somebody post up here andrew

1037

00:38:59,430 --> 00:38:56,720

and gnomes trucking they mentioned

1038

00:39:02,390 --> 00:38:59,440

darien wisconsin which is interesting we

1039

00:39:04,310 --> 00:39:02,400

had a um we had a wing humanoid sighting

1040

00:39:06,870 --> 00:39:04,320

there it just flashed in my head when i

1041

00:39:09,109 --> 00:39:06,880

saw the t the name come up

1042

00:39:11,510 --> 00:39:09,119

so uh you know we've been getting these

1043

00:39:13,190 --> 00:39:11,520

these humanoid settings in chicago but

1044

00:39:14,710 --> 00:39:13,200

all around as well

1045

00:39:17,030 --> 00:39:14,720

uh within

1046

00:39:19,109 --> 00:39:17,040

we're taking cases within the 250 mile

1047

00:39:22,550 --> 00:39:19,119

radius of chicago

1048

00:39:24,790 --> 00:39:22,560

so uh yeah i mean

1049

00:39:29,430 --> 00:39:24,800

i don't know i mean i i i

1050

00:39:32,870 --> 00:39:29,440

there's so many things out there uh i

1051

00:39:35,589 --> 00:39:32,880

i don't know i don't know what

1052

00:39:37,190 --> 00:39:35,599

how even describe it i mean but i feel

1053

00:39:39,670 --> 00:39:37,200

i've been fortunate i mean i've been

1054

00:39:42,150 --> 00:39:39,680

very fortunate with this

1055

00:39:44,550 --> 00:39:42,160

yeah i've only recently found out about

1056

00:39:46,150 --> 00:39:44,560

the possible existence of giants on

1057

00:39:48,470 --> 00:39:46,160

earth

1058

00:39:49,750 --> 00:39:48,480

which was quite shocking to me because

1059

00:39:53,030 --> 00:39:49,760

you know they certainly didn't teach

1060

00:39:54,630 --> 00:39:53,040

that when i took anthropology in college

1061

00:39:56,630 --> 00:39:54,640

and a house

1062

00:39:57,829 --> 00:39:56,640

had a difficult enough time

1063

00:39:59,589 --> 00:39:57,839

what they were teaching in college

1064

00:40:01,670 --> 00:39:59,599

because they kept changing like

1065

00:40:04,069 --> 00:40:01,680

the age of modern humans kept they kept

1066

00:40:05,990 --> 00:40:04,079

pushing it back more and more and more

1067

00:40:09,270 --> 00:40:06,000

and now it's become clear after reading

1068

00:40:10,950 --> 00:40:09,280

forbidden archaeology by michael cremo

1069

00:40:12,870 --> 00:40:10,960

i'm like wow

1070

00:40:14,790 --> 00:40:12,880

and you know finding out about sasquatch

1071

00:40:16,710 --> 00:40:14,800

and you know because there are accounts

1072

00:40:19,829 --> 00:40:16,720

of people who have allegedly captured

1073

00:40:21,190 --> 00:40:19,839

sasquatch bodies and try and trace them

1074

00:40:24,230 --> 00:40:21,200

they'd disappear off into the

1075

00:40:26,390 --> 00:40:24,240

smithsonian or something

1076
00:40:28,950 --> 00:40:26,400
uh the mainstream knowledge on this is

1077
00:40:30,550 --> 00:40:28,960
being suppressed

1078
00:40:32,870 --> 00:40:30,560
on all these different things it's

1079
00:40:34,309 --> 00:40:32,880
really quite unfortunate

1080
00:40:35,910 --> 00:40:34,319
because there's a lot more going on i

1081
00:40:39,670 --> 00:40:35,920
think than people realize

1082
00:40:41,510 --> 00:40:39,680
yeah there's just so much going on uh

1083
00:40:43,109 --> 00:40:41,520
and we just had a question bernadette

1084
00:40:45,829 --> 00:40:43,119
would black-eyed kids be considered

1085
00:40:48,470 --> 00:40:45,839
humanoid yeah i guess it would be

1086
00:40:49,670 --> 00:40:48,480
uh i mean they're basically humans i

1087
00:40:51,270 --> 00:40:49,680
suppose

1088
00:40:52,790 --> 00:40:51,280

i don't know what your theories are my

1089

00:40:53,910 --> 00:40:52,800

theories are that they're possessed

1090

00:40:56,870 --> 00:40:53,920

humans

1091

00:40:59,109 --> 00:40:56,880

uh now what are they possessed by

1092

00:41:00,790 --> 00:40:59,119

extraterrestrial that's my guess but i

1093

00:41:02,550 --> 00:41:00,800

really don't know um

1094

00:41:03,589 --> 00:41:02,560

i don't think they're ets or i don't

1095

00:41:05,910 --> 00:41:03,599

think they're

1096

00:41:07,990 --> 00:41:05,920

non-terrestrial beings i think there

1097

00:41:10,150 --> 00:41:08,000

there may be some type of possession

1098

00:41:12,950 --> 00:41:10,160

involved there and i think in in some

1099

00:41:19,589 --> 00:41:12,960

cases that that same type of

1100

00:41:24,470 --> 00:41:21,589

yeah i i've never gotten any reports of

1101

00:41:26,710 --> 00:41:24,480

black-eyed children yeah personally

1102

00:41:28,470 --> 00:41:26,720

but also just moving along to a slightly

1103

00:41:29,349 --> 00:41:28,480

different tangent there

1104

00:41:31,270 --> 00:41:29,359

which

1105

00:41:34,870 --> 00:41:31,280

with among ets there's

1106

00:41:36,710 --> 00:41:34,880

so-called robotic uh creatures reported

1107

00:41:38,470 --> 00:41:36,720

they're often humanoid

1108

00:41:41,349 --> 00:41:38,480

which is like strange to me i'm like

1109

00:41:44,870 --> 00:41:41,359

really robotic humanoids and they have

1110

00:41:46,870 --> 00:41:44,880

you know eyes or you know two arms

1111

00:41:49,109 --> 00:41:46,880

and legs if you're going to design a

1112

00:41:50,470 --> 00:41:49,119

robot it was that really the best design

1113

00:41:53,750 --> 00:41:50,480

but

1114

00:41:55,510 --> 00:41:53,760

um okay there are many cases of what

1115

00:41:56,950 --> 00:41:55,520

people perceive to be

1116

00:42:01,030 --> 00:41:56,960

robotic

1117

00:42:03,030 --> 00:42:01,040

humanoids and some of the grays even

1118

00:42:04,950 --> 00:42:03,040

reportedly according to contactees are

1119

00:42:06,790 --> 00:42:04,960

not biological

1120

00:42:09,190 --> 00:42:06,800

so much they're

1121

00:42:11,510 --> 00:42:09,200

biological androids perhaps particularly

1122

00:42:14,230 --> 00:42:11,520

the shorter three foot tall

1123

00:42:16,150 --> 00:42:14,240

grays that are not emotional

1124

00:42:17,670 --> 00:42:16,160

so there's a lot there's a whole

1125

00:42:19,990 --> 00:42:17,680

spectrum of stuff we're dealing with

1126

00:42:24,950 --> 00:42:21,750

yeah we got another question from

1127

00:42:26,390 --> 00:42:24,960

anastasia which is um

1128

00:42:28,390 --> 00:42:26,400

this is something that happened a while

1129

00:42:30,550 --> 00:42:28,400

back but it was about the uh we heard

1130

00:42:32,790 --> 00:42:30,560

about the flying humanoids down in

1131

00:42:34,230 --> 00:42:32,800

mexico which people called were said

1132

00:42:36,230 --> 00:42:34,240

were witches

1133

00:42:38,150 --> 00:42:36,240

uh that was around monterey that was

1134

00:42:40,150 --> 00:42:38,160

that was good that went on

1135

00:42:41,589 --> 00:42:40,160

i think it was like 2008 when that

1136

00:42:42,950 --> 00:42:41,599

occurred

1137

00:42:44,550 --> 00:42:42,960

but uh

1138

00:42:47,190 --> 00:42:44,560

the only person i know of that really

1139

00:42:49,750 --> 00:42:47,200

looked into that was ken gerhart

1140

00:42:51,750 --> 00:42:49,760

and uh i don't know what those things

1141

00:42:53,910 --> 00:42:51,760

were i mean it looked to me like it was

1142

00:42:55,430 --> 00:42:53,920

somebody flying around some sort of type

1143

00:42:57,030 --> 00:42:55,440

of contraption

1144

00:42:58,790 --> 00:42:57,040

but people were saying down there that

1145

00:43:00,630 --> 00:42:58,800

they were witches but of course that

1146

00:43:02,630 --> 00:43:00,640

maybe has to do with the culture i don't

1147

00:43:04,309 --> 00:43:02,640

know

1148

00:43:05,430 --> 00:43:04,319

i saw that on some of those reality

1149

00:43:06,390 --> 00:43:05,440

shows i'm like

1150

00:43:08,309 --> 00:43:06,400

i don't know

1151
00:43:09,349 --> 00:43:08,319
yeah i did interview one guy from i

1152
00:43:11,349 --> 00:43:09,359
think it was

1153
00:43:14,069 --> 00:43:11,359
gosh peru

1154
00:43:15,910 --> 00:43:14,079
who dealt with a flying humanoid on a

1155
00:43:18,390 --> 00:43:15,920
platform

1156
00:43:20,309 --> 00:43:18,400
which is a little bit different but yeah

1157
00:43:22,230 --> 00:43:20,319
it's still humanoid

1158
00:43:25,270 --> 00:43:22,240
i mean there are cases from malaysia

1159
00:43:27,190 --> 00:43:25,280
involving miniature humanoids

1160
00:43:28,790 --> 00:43:27,200
oh there's a lot of cases of malaysia a

1161
00:43:31,190 --> 00:43:28,800
lot of different things

1162
00:43:32,790 --> 00:43:31,200
uh the oily man is the one i think of

1163
00:43:34,950 --> 00:43:32,800

that's the one that really freaks me out

1164

00:43:35,990 --> 00:43:34,960
you're wrong and my neck or it

1165

00:43:37,270 --> 00:43:36,000
what they

1166

00:43:39,030 --> 00:43:37,280
call that

1167

00:43:41,030 --> 00:43:39,040
but uh there's a lot of other human

1168

00:43:42,150 --> 00:43:41,040
noise that you know in that culture as

1169

00:43:44,309 --> 00:43:42,160
well

1170

00:43:46,470 --> 00:43:44,319
now is it real i don't know but i know

1171

00:43:48,630 --> 00:43:46,480
it's you know people have sworn i've had

1172

00:43:50,309 --> 00:43:48,640
encounters with these things and and and

1173

00:43:52,150 --> 00:43:50,319
with with uh

1174

00:43:54,550 --> 00:43:52,160
anna maria i mean

1175

00:43:57,270 --> 00:43:54,560
uh you're from philippines and you've

1176
00:43:59,030 --> 00:43:57,280
talked about ass lungs and other

1177
00:44:02,790 --> 00:43:59,040
other humanoid beings and winged

1178
00:44:07,510 --> 00:44:02,800
humanoids from that culture as well

1179
00:44:11,510 --> 00:44:09,829
and i think that's flavored by um the

1180
00:44:13,589 --> 00:44:11,520
particular religion

1181
00:44:16,630 --> 00:44:13,599
uh there's always an allusion to it

1182
00:44:18,550 --> 00:44:16,640
being uh demonic in origin or something

1183
00:44:20,230 --> 00:44:18,560
to the effect of

1184
00:44:24,309 --> 00:44:20,240
something to do with

1185
00:44:27,030 --> 00:44:24,319
being a disembodied bodied entity

1186
00:44:30,069 --> 00:44:27,040
uh that don't know it it's folklore uh

1187
00:44:31,270 --> 00:44:30,079
it some people claim they have seen it

1188
00:44:33,030 --> 00:44:31,280

and then

1189

00:44:34,470 --> 00:44:33,040

you've got that other element you know

1190

00:44:36,470 --> 00:44:34,480

people

1191

00:44:39,670 --> 00:44:36,480

see things based on

1192

00:44:41,430 --> 00:44:39,680

preconceived notions their own

1193

00:44:42,790 --> 00:44:41,440

lens their own perception the way

1194

00:44:45,270 --> 00:44:42,800

they're brought up

1195

00:44:46,550 --> 00:44:45,280

so i mean before for all i know these

1196

00:44:48,230 --> 00:44:46,560

things might be

1197

00:44:51,190 --> 00:44:48,240

stations from something

1198

00:44:52,390 --> 00:44:51,200

outside the planet that they they could

1199

00:44:54,390 --> 00:44:52,400

also be

1200

00:44:56,390 --> 00:44:54,400

uh et's

1201
00:44:58,390 --> 00:44:56,400
but um you know the way they're

1202
00:45:00,069 --> 00:44:58,400
interpreted they're evil they they do

1203
00:45:02,230 --> 00:45:00,079
evil things and

1204
00:45:04,670 --> 00:45:02,240
that's about it and and malaysia i

1205
00:45:07,030 --> 00:45:04,680
believe i'm not that familiar with their

1206
00:45:10,309 --> 00:45:07,040
culture but i do know

1207
00:45:12,710 --> 00:45:10,319
they have a lot of superstitions

1208
00:45:14,630 --> 00:45:12,720
uh and they're all based on you know

1209
00:45:15,750 --> 00:45:14,640
their belief system as well their

1210
00:45:16,790 --> 00:45:15,760
religion

1211
00:45:18,470 --> 00:45:16,800
yeah

1212
00:45:21,829 --> 00:45:18,480
you know

1213
00:45:24,710 --> 00:45:21,839

another humanoid phenomenon that has

1214

00:45:27,190 --> 00:45:24,720

been raising his ugly head in recent

1215

00:45:29,349 --> 00:45:27,200

years i just wrote a book about it

1216

00:45:31,750 --> 00:45:29,359

the these pale crawlers these pale

1217

00:45:33,270 --> 00:45:31,760

humanoids that just seem to be springing

1218

00:45:34,870 --> 00:45:33,280

up from nowhere

1219

00:45:37,430 --> 00:45:34,880

um

1220

00:45:40,230 --> 00:45:37,440

and it's it's kind of what

1221

00:45:42,069 --> 00:45:40,240

my thoughts are and are twofold that

1222

00:45:44,069 --> 00:45:42,079

is this

1223

00:45:47,670 --> 00:45:44,079

well maybe three four i don't know but

1224

00:45:49,750 --> 00:45:47,680

are these um some type of meme humanoids

1225

00:45:52,550 --> 00:45:49,760

or some type of uh

1226
00:45:54,470 --> 00:45:52,560
manifestation thought for manifestation

1227
00:45:56,470 --> 00:45:54,480
of these beings you know we've we've

1228
00:45:57,349 --> 00:45:56,480
heard about the slenderman phenomena

1229
00:46:00,790 --> 00:45:57,359
where

1230
00:46:02,950 --> 00:46:00,800
people had realized that our thought

1231
00:46:03,829 --> 00:46:02,960
they realized that these beings were

1232
00:46:05,190 --> 00:46:03,839
real

1233
00:46:07,430 --> 00:46:05,200
even though it started out as an

1234
00:46:10,230 --> 00:46:07,440
internet meme or a thought

1235
00:46:13,109 --> 00:46:10,240
or you know and uh but

1236
00:46:16,230 --> 00:46:13,119
then again we're seeing

1237
00:46:18,309 --> 00:46:16,240
photographs and videos of these beings

1238
00:46:21,190 --> 00:46:18,319

uh are we

1239

00:46:23,670 --> 00:46:21,200

are we witnessing the nexus of a new

1240

00:46:25,109 --> 00:46:23,680

species a new human or human life

1241

00:46:29,270 --> 00:46:25,119

species

1242

00:46:30,870 --> 00:46:29,280

anybody have any thoughts on that

1243

00:46:32,069 --> 00:46:30,880

i haven't gotten any reports of those

1244

00:46:34,550 --> 00:46:32,079

but

1245

00:46:41,910 --> 00:46:34,560

it reminds me of the sudden well

1246

00:46:41,920 --> 00:46:51,349

go ahead and go ahead anna

1247

00:46:55,670 --> 00:46:53,589

oh oh i'm sorry

1248

00:46:57,190 --> 00:46:55,680

what i was gonna say was i think you're

1249

00:46:59,430 --> 00:46:57,200

on the right track with the thought

1250

00:47:01,349 --> 00:46:59,440

forms

1251

00:47:02,790 --> 00:47:01,359

one of the things that i've noticed is

1252

00:47:04,390 --> 00:47:02,800

that people

1253

00:47:06,150 --> 00:47:04,400

tend to jump in

1254

00:47:08,630 --> 00:47:06,160

in the bandwagon like in the case of

1255

00:47:10,950 --> 00:47:08,640

slender man it started

1256

00:47:13,030 --> 00:47:10,960

with one kid

1257

00:47:15,270 --> 00:47:13,040

propagating uh you know this uh

1258

00:47:17,109 --> 00:47:15,280

creepypasta figure

1259

00:47:19,750 --> 00:47:17,119

and then the next thing you know it

1260

00:47:21,589 --> 00:47:19,760

takes on energy and and the key element

1261

00:47:24,230 --> 00:47:21,599

here

1262

00:47:25,910 --> 00:47:24,240

is that you know our minds are extremely

1263

00:47:28,950 --> 00:47:25,920

powerful

1264

00:47:31,430 --> 00:47:28,960

and it when our two people get together

1265

00:47:32,790 --> 00:47:31,440

and they start creating some type of a

1266

00:47:35,349 --> 00:47:32,800

myth

1267

00:47:36,470 --> 00:47:35,359

it takes hold

1268

00:47:39,990 --> 00:47:36,480

and then

1269

00:47:43,990 --> 00:47:41,309

hundreds then

1270

00:47:45,190 --> 00:47:44,000

thousands of

1271

00:47:48,150 --> 00:47:45,200

people

1272

00:47:51,190 --> 00:47:48,160

that are perpetrating a myth it takes

1273

00:47:53,589 --> 00:47:51,200

it's a power of its own

1274

00:47:55,109 --> 00:47:53,599

and then suddenly you've got

1275

00:47:56,950 --> 00:47:55,119

exciting

1276

00:47:58,150 --> 00:47:56,960

it's whether they're real or not i don't

1277

00:48:00,710 --> 00:47:58,160

know i mean you have to have

1278

00:48:02,790 --> 00:48:00,720

collaborative evidence you have to have

1279

00:48:04,630 --> 00:48:02,800

a group of people saying all at the same

1280

00:48:06,390 --> 00:48:04,640

time

1281

00:48:08,150 --> 00:48:06,400

without you know knowing each other

1282

00:48:09,190 --> 00:48:08,160

being related to each other that it

1283

00:48:10,230 --> 00:48:09,200

exists

1284

00:48:12,870 --> 00:48:10,240

uh

1285

00:48:14,390 --> 00:48:12,880

in the case of center man he he doesn't

1286

00:48:17,109 --> 00:48:14,400

exist

1287

00:48:18,150 --> 00:48:17,119

uh he's merrily a thought

1288

00:48:20,549 --> 00:48:18,160

form

1289

00:48:22,549 --> 00:48:20,559

and i think the the pale humanoid you're

1290

00:48:24,870 --> 00:48:22,559

talking about might

1291

00:48:27,510 --> 00:48:24,880

actually be just a manifestation of

1292

00:48:30,630 --> 00:48:29,670

creating another

1293

00:48:32,230 --> 00:48:30,640

myth

1294

00:48:34,470 --> 00:48:32,240

uh maybe

1295

00:48:39,510 --> 00:48:34,480

a

1296

00:48:41,030 --> 00:48:39,520

in the world right now

1297

00:48:42,390 --> 00:48:41,040

i don't know

1298

00:48:44,470 --> 00:48:42,400

yeah

1299

00:48:47,750 --> 00:48:44,480

uh preston what were you saying again

1300

00:48:49,270 --> 00:48:47,760

sorry sorry preston you were gonna add

1301

00:48:51,990 --> 00:48:49,280

worries yeah i mean it reminds me of the

1302

00:48:53,670 --> 00:48:52,000

tulpas of ancient india where people can

1303

00:48:55,750 --> 00:48:53,680

create entities

1304

00:48:59,349 --> 00:48:55,760

but it also reminds me of you know

1305

00:49:02,150 --> 00:48:59,359

the sudden influx of the uh

1306

00:49:04,230 --> 00:49:02,160

chupacabra which seemed to be a unique

1307

00:49:05,430 --> 00:49:04,240

and new phenomena that we hadn't heard

1308

00:49:07,750 --> 00:49:05,440

before

1309

00:49:10,790 --> 00:49:07,760

and now suddenly here is a flood of

1310

00:49:13,670 --> 00:49:10,800

reports sweeping i think starting in

1311

00:49:14,710 --> 00:49:13,680

puerto rico as it or south america

1312

00:49:16,309 --> 00:49:14,720

and

1313

00:49:17,349 --> 00:49:16,319

swept into the united states at one

1314

00:49:19,829 --> 00:49:17,359

point

1315

00:49:21,750 --> 00:49:19,839

uh and i'm not talking about the dog you

1316

00:49:23,589 --> 00:49:21,760

know like creature that is portrayed in

1317

00:49:24,870 --> 00:49:23,599

some of the reality shows but

1318

00:49:26,069 --> 00:49:24,880

you know more like you're portraying

1319

00:49:28,069 --> 00:49:26,079

here

1320

00:49:30,230 --> 00:49:28,079

um look very much like that according to

1321

00:49:31,109 --> 00:49:30,240

the eyewitness accounts and i wonder how

1322

00:49:32,950 --> 00:49:31,119

to

1323

00:49:35,109 --> 00:49:32,960

like where did this come from is this a

1324

00:49:38,790 --> 00:49:35,119

new species could this be something that

1325

00:49:40,630 --> 00:49:38,800

was released by ets i don't see any

1326

00:49:43,670 --> 00:49:40,640

evidence of that it's not connected to

1327

00:49:46,710 --> 00:49:43,680

the ufo phenomena directly in any way

1328

00:49:49,270 --> 00:49:46,720

could it be a government genetic stuff

1329

00:49:50,630 --> 00:49:49,280

not so sure of that either

1330

00:49:52,710 --> 00:49:50,640

so i don't know where these guys are

1331

00:49:53,990 --> 00:49:52,720

coming from but it seems hard for me to

1332

00:49:55,430 --> 00:49:54,000

believe that they remained hidden and

1333

00:49:56,790 --> 00:49:55,440

then suddenly appeared and were getting

1334

00:49:59,190 --> 00:49:56,800

so many reports

1335

00:50:00,870 --> 00:49:59,200

and they kind of faded away

1336

00:50:03,349 --> 00:50:00,880

i don't know if we're still getting the

1337

00:50:05,030 --> 00:50:03,359

classic chupacabra reports or not

1338

00:50:07,510 --> 00:50:05,040

but it just goes to speak to what you're

1339

00:50:09,670 --> 00:50:07,520

talking about the appearance of new

1340

00:50:11,829 --> 00:50:09,680

types of entities that we haven't seen

1341

00:50:14,390 --> 00:50:11,839

before

1342

00:50:17,349 --> 00:50:14,400

yeah we are getting a lot of these these

1343

00:50:18,470 --> 00:50:17,359

new humanoid sightings and eric eric i

1344

00:50:20,870 --> 00:50:18,480

think and

1345

00:50:23,270 --> 00:50:20,880

can uh expand on that because

1346

00:50:24,309 --> 00:50:23,280

pennsylvania seems to be getting hot too

1347

00:50:27,190 --> 00:50:24,319

for these

1348

00:50:28,630 --> 00:50:27,200

these uh pale humanoid settings i mean i

1349

00:50:30,870 --> 00:50:28,640

talked to um

1350

00:50:32,470 --> 00:50:30,880

to stan not long ago and he mentioned a

1351

00:50:33,829 --> 00:50:32,480

few of them uh

1352

00:50:35,829 --> 00:50:33,839

what do you say eric they've been

1353

00:50:38,470 --> 00:50:35,839

popping up your way

1354

00:50:41,109 --> 00:50:38,480

i haven't received any personally

1355

00:50:43,190 --> 00:50:41,119

but uh as you mentioned stan has and he

1356

00:50:45,270 --> 00:50:43,200

shares that information with me and

1357

00:50:48,069 --> 00:50:45,280

there's been uh several reports over the

1358

00:50:50,150 --> 00:50:48,079

last few years of people seeing these

1359

00:50:51,349 --> 00:50:50,160

pale skinned

1360

00:50:54,549 --> 00:50:51,359

entities

1361

00:50:58,069 --> 00:50:54,559

and they're not like your typical

1362

00:51:00,309 --> 00:50:58,079

bigfoot or dog man or any of the other

1363

00:51:01,510 --> 00:51:00,319

um extraterrestrial lifeforms that we've

1364

00:51:02,549 --> 00:51:01,520

discussed here tonight these are

1365

00:51:04,230 --> 00:51:02,559

different

1366

00:51:05,589 --> 00:51:04,240

and they very well might be the tulpa

1367

00:51:06,950 --> 00:51:05,599

thoughtform

1368

00:51:08,870 --> 00:51:06,960

creatures because

1369

00:51:11,109 --> 00:51:08,880

there's really not a long history of

1370

00:51:13,750 --> 00:51:11,119

these types of things unless you look at

1371

00:51:15,430 --> 00:51:13,760

the rake and that's been around for a

1372

00:51:16,630 --> 00:51:15,440

few years at least coming forward into

1373

00:51:19,190 --> 00:51:16,640

the mainstream

1374

00:51:21,190 --> 00:51:19,200

populace the last couple of years but

1375

00:51:23,109 --> 00:51:21,200

yeah it's starting to

1376

00:51:24,630 --> 00:51:23,119

increase in the number of sightings

1377

00:51:26,150 --> 00:51:24,640

there's been some pretty credible

1378

00:51:28,150 --> 00:51:26,160

eyewitnesses

1379

00:51:29,910 --> 00:51:28,160

i recall

1380

00:51:31,829 --> 00:51:29,920

if i'm not mistaken a law enforcement

1381

00:51:34,630 --> 00:51:31,839

officer had one across the road in front

1382

00:51:35,990 --> 00:51:34,640

of his vehicle that what was formless he

1383

00:51:37,990 --> 00:51:36,000

could see an outline of something but

1384

00:51:39,829 --> 00:51:38,000

then eventually turned into this white

1385

00:51:41,270 --> 00:51:39,839

scaly looking thing that disappeared

1386

00:51:43,109 --> 00:51:41,280

into a field

1387

00:51:44,309 --> 00:51:43,119

and uh that was probably within the last

1388

00:51:46,230 --> 00:51:44,319

few years but there's been there were

1389

00:51:49,589 --> 00:51:46,240

more and more reports popping up what

1390

00:51:51,190 --> 00:51:49,599

these things are i have no idea

1391

00:51:53,030 --> 00:51:51,200

yeah i mean i wrote a book about it i

1392

00:51:55,430 --> 00:51:53,040

have no idea what they really are i mean

1393

00:51:57,510 --> 00:51:55,440

you know i put it out there for

1394

00:52:00,069 --> 00:51:57,520

consumption and maybe folks can come up

1395

00:52:03,349 --> 00:52:00,079

with their own conclusion but um

1396

00:52:05,109 --> 00:52:03,359

it is a bizarre phenomena um

1397

00:52:07,109 --> 00:52:05,119

you know we had a question earlier that

1398

00:52:09,030 --> 00:52:07,119

from vincent about

1399

00:52:11,430 --> 00:52:09,040

humanoids

1400

00:52:14,589 --> 00:52:11,440

interacting with each other

1401
00:52:15,860 --> 00:52:14,599
do you have any cases or any uh

1402
00:52:17,270 --> 00:52:15,870
investigations or

1403
00:52:20,309 --> 00:52:17,280
[Music]

1404
00:52:22,950 --> 00:52:20,319
even reports of human i mean of humanoid

1405
00:52:29,030 --> 00:52:25,430
definitely that turns up quite a bit in

1406
00:52:32,309 --> 00:52:29,990
uh

1407
00:52:34,309 --> 00:52:32,319
we see gray's interacting with mantids

1408
00:52:36,150 --> 00:52:34,319
interacting with humans

1409
00:52:37,910 --> 00:52:36,160
quite a bit

1410
00:52:41,109 --> 00:52:37,920
uh so

1411
00:52:46,470 --> 00:52:41,119
i'm gonna say a big yes with that yeah

1412
00:52:50,950 --> 00:52:49,349
well you know of course we

1413
00:52:52,549 --> 00:52:50,960

we see a lot of it you know just like

1414

00:52:55,990 --> 00:52:52,559

with bigfoot and other cryptids we see a

1415

00:53:01,190 --> 00:52:56,000

lot of association with other phenomena

1416

00:53:03,510 --> 00:53:01,200

uh ufos orbs such and uh you know

1417

00:53:05,349 --> 00:53:03,520

but as far as humanoids

1418

00:53:07,670 --> 00:53:05,359

yeah like like you just said that that

1419

00:53:08,870 --> 00:53:07,680

does pop up every once in a while

1420

00:53:10,230 --> 00:53:08,880

um

1421

00:53:11,910 --> 00:53:10,240

as far as

1422

00:53:14,069 --> 00:53:11,920

some of the newer types of humanoids

1423

00:53:16,150 --> 00:53:14,079

that we were talking about the pale

1424

00:53:17,829 --> 00:53:16,160

humanoids i'll be honest with you

1425

00:53:20,630 --> 00:53:17,839

that's an interesting question that he

1426

00:53:22,950 --> 00:53:20,640

brought up i don't really

1427

00:53:25,030 --> 00:53:22,960

remember

1428

00:53:28,710 --> 00:53:25,040

there being more than one of these

1429

00:53:30,470 --> 00:53:28,720

sightings i mean like i said a pair

1430

00:53:31,829 --> 00:53:30,480

i don't even think i know i i know of

1431

00:53:35,510 --> 00:53:31,839

one case

1432

00:53:38,950 --> 00:53:35,520

where up in in ontario on a farm

1433

00:53:40,950 --> 00:53:38,960

where this individual said they saw

1434

00:53:43,109 --> 00:53:40,960

multiple

1435

00:53:45,510 --> 00:53:43,119

pale humanoid beings

1436

00:53:47,670 --> 00:53:45,520

but from what i believe i believe he may

1437

00:53:48,790 --> 00:53:47,680

have seen the same one several times so

1438

00:53:51,109 --> 00:53:48,800

i don't know

1439

00:53:53,750 --> 00:53:51,119

but uh yeah that it does seem to be a

1440

00:54:00,230 --> 00:53:53,760

singular type phenomena so i don't know

1441

00:54:06,230 --> 00:54:02,390

i guess i'm curious if anyone has ever

1442

00:54:07,510 --> 00:54:06,240

tried to get footprints or photographs

1443

00:54:09,990 --> 00:54:07,520

or

1444

00:54:12,069 --> 00:54:10,000

i mean is there any kind of illustration

1445

00:54:13,990 --> 00:54:12,079

of what they look like i mean i haven't

1446

00:54:15,910 --> 00:54:14,000

seen your book long but

1447

00:54:17,750 --> 00:54:15,920

i'm just curious if there's any kind of

1448

00:54:19,670 --> 00:54:17,760

evidence

1449

00:54:22,390 --> 00:54:19,680

yeah there have been some videos and

1450

00:54:24,790 --> 00:54:22,400

there have been some

1451
00:54:27,030 --> 00:54:24,800
some photographs taken that i believe

1452
00:54:29,670 --> 00:54:27,040
are legit i mean of course there's been

1453
00:54:31,990 --> 00:54:29,680
a lot of cgi stuff out there

1454
00:54:35,430 --> 00:54:32,000
but uh

1455
00:54:37,430 --> 00:54:35,440
there was a video from um

1456
00:54:39,750 --> 00:54:37,440
from poland

1457
00:54:41,430 --> 00:54:39,760
of one of these things making noise out

1458
00:54:43,589 --> 00:54:41,440
in the woods they and the guy went out

1459
00:54:45,910 --> 00:54:43,599
there and and farmer went out there and

1460
00:54:48,789 --> 00:54:45,920
actually videotaped this thing

1461
00:54:51,430 --> 00:54:48,799
uh pretty compelling evidence um

1462
00:54:52,549 --> 00:54:51,440
he had had he had had encounters on his

1463
00:54:54,390 --> 00:54:52,559

farm

1464

00:54:56,309 --> 00:54:54,400

uh he had he had

1465

00:54:58,549 --> 00:54:56,319

a kind of a partial

1466

00:55:00,069 --> 00:54:58,559

photograph of one

1467

00:55:01,349 --> 00:55:00,079

in the barn

1468

00:55:03,670 --> 00:55:01,359

but uh

1469

00:55:05,829 --> 00:55:03,680

that's probably the best one that i've

1470

00:55:07,589 --> 00:55:05,839

seen

1471

00:55:10,950 --> 00:55:07,599

course you know they're

1472

00:55:11,990 --> 00:55:10,960

all this is relative i mean you know

1473

00:55:13,910 --> 00:55:12,000

you know

1474

00:55:17,270 --> 00:55:13,920

just like in bigfoot in

1475

00:55:20,309 --> 00:55:17,280

in dogman or upright canines um you know

1476

00:55:23,109 --> 00:55:20,319

photographic evidence is

1477

00:55:24,549 --> 00:55:23,119

it has a lot to be desired i mean i i

1478

00:55:26,630 --> 00:55:24,559

guess

1479

00:55:28,390 --> 00:55:26,640

it's not like you get the patterson

1480

00:55:30,950 --> 00:55:28,400

gimlet film out there every day i mean

1481

00:55:33,589 --> 00:55:30,960

you get you get some representations

1482

00:55:35,910 --> 00:55:33,599

most of them are pretty blurry

1483

00:55:38,549 --> 00:55:35,920

i don't like to rely on photographic

1484

00:55:40,950 --> 00:55:38,559

evidence so i will post some

1485

00:55:41,670 --> 00:55:40,960

some decent photographs who i think have

1486

00:55:45,750 --> 00:55:41,680

some

1487

00:55:47,750 --> 00:55:45,760

possibilities of being real i'll do that

1488

00:55:50,870 --> 00:55:47,760

on the blog occasionally

1489

00:55:51,910 --> 00:55:50,880

but i don't like to rely on that

1490

00:55:53,910 --> 00:55:51,920

but can i

1491

00:55:56,390 --> 00:55:53,920

pose a question to uh

1492

00:55:57,990 --> 00:55:56,400

to preston and anna and yourself lon i

1493

00:56:00,390 --> 00:55:58,000

want to get your thoughts on the night

1494

00:56:03,030 --> 00:56:00,400

stalker videos that have come out

1495

00:56:05,190 --> 00:56:03,040

in the last uh decade or so

1496

00:56:06,710 --> 00:56:05,200

from california and some other places

1497

00:56:08,150 --> 00:56:06,720

across the country that

1498

00:56:11,430 --> 00:56:08,160

we're taking on the security cameras

1499

00:56:13,030 --> 00:56:11,440

that appear to show some kind of upright

1500

00:56:18,390 --> 00:56:13,040

walking

1501
00:56:19,750 --> 00:56:18,400
pants exactly and several people have

1502
00:56:21,109 --> 00:56:19,760
thrown out their opinions on those do

1503
00:56:23,670 --> 00:56:21,119
you think those fall into the category

1504
00:56:26,230 --> 00:56:23,680
of hominids or humanoids or anything

1505
00:56:28,470 --> 00:56:26,240
along those lines you know i wrote a

1506
00:56:30,630 --> 00:56:28,480
little bit about it in my book

1507
00:56:33,430 --> 00:56:30,640
um

1508
00:56:35,670 --> 00:56:33,440
this that has been seen in in more than

1509
00:56:37,190 --> 00:56:35,680
one place as well it's been it was

1510
00:56:38,789 --> 00:56:37,200
actually seen

1511
00:56:40,390 --> 00:56:38,799
in a park where there were several of

1512
00:56:42,309 --> 00:56:40,400
these beings

1513
00:56:43,670 --> 00:56:42,319

there was another

1514

00:56:45,109 --> 00:56:43,680

capture

1515

00:56:46,870 --> 00:56:45,119

in somebody's

1516

00:56:49,510 --> 00:56:46,880

yard

1517

00:56:51,670 --> 00:56:49,520

but they were all around the uh the

1518

00:56:53,829 --> 00:56:51,680

fresno

1519

00:56:55,910 --> 00:56:53,839

central california area from what i

1520

00:56:58,549 --> 00:56:55,920

could i don't think i've ever seen one

1521

00:57:01,030 --> 00:56:58,559

from anywhere else now

1522

00:57:03,510 --> 00:57:01,040

there have been some

1523

00:57:05,510 --> 00:57:03,520

i've seen sketches of similar type

1524

00:57:07,829 --> 00:57:05,520

things beings

1525

00:57:09,829 --> 00:57:07,839

that people have described from other

1526
00:57:11,510 --> 00:57:09,839
places i don't know if they're the same

1527
00:57:14,150 --> 00:57:11,520
thing

1528
00:57:15,430 --> 00:57:14,160
what do i think they are

1529
00:57:19,190 --> 00:57:15,440
i don't know

1530
00:57:20,789 --> 00:57:19,200
if i had there's a perfect example what

1531
00:57:25,589 --> 00:57:20,799
people have been seeing

1532
00:57:30,390 --> 00:57:28,390
i don't know i would say maybe

1533
00:57:32,789 --> 00:57:30,400
ultra-terrestrial

1534
00:57:34,950 --> 00:57:32,799
possibly extraterrestrial

1535
00:57:37,270 --> 00:57:34,960
uh they don't seem to be indigenous they

1536
00:57:38,470 --> 00:57:37,280
don't seem to stick around that there's

1537
00:57:41,109 --> 00:57:38,480
the photo

1538
00:57:42,069 --> 00:57:41,119

one of the screen captures from uh from

1539

00:57:44,549 --> 00:57:42,079

poland

1540

00:57:46,870 --> 00:57:44,559

of this thing but anyway it's up there

1541

00:57:48,710 --> 00:57:46,880

on on the screen now

1542

00:57:51,190 --> 00:57:48,720

but uh

1543

00:57:54,870 --> 00:57:51,200

i i had three of them in the book that

1544

00:57:57,270 --> 00:57:54,880

were the better screen captures but uh

1545

00:57:58,470 --> 00:57:57,280

as far as these nightcrawlers i don't

1546

00:58:00,789 --> 00:57:58,480

know

1547

00:58:04,309 --> 00:58:00,799

i i'm interested to think would see what

1548

00:58:06,950 --> 00:58:04,319

preston and anna think about them

1549

00:58:10,390 --> 00:58:06,960

uh well i've certainly seen the videos

1550

00:58:12,470 --> 00:58:10,400

of them and i think it's probably legit

1551
00:58:13,910 --> 00:58:12,480
i think there's some evidence that

1552
00:58:16,549 --> 00:58:13,920
this has been going on for a while

1553
00:58:17,990 --> 00:58:16,559
wasn't there some native americans

1554
00:58:20,710 --> 00:58:18,000
talking about this

1555
00:58:23,510 --> 00:58:20,720
having stories going reaching back

1556
00:58:24,789 --> 00:58:23,520
quite some time i don't know

1557
00:58:26,789 --> 00:58:24,799
i think this is a good example of

1558
00:58:28,390 --> 00:58:26,799
perhaps an entity that's not your

1559
00:58:31,630 --> 00:58:28,400
standard humanoid

1560
00:58:33,190 --> 00:58:31,640
these are weird beyond

1561
00:58:34,710 --> 00:58:33,200
categorization

1562
00:58:38,789 --> 00:58:34,720
i really have no idea what to think of

1563
00:58:42,549 --> 00:58:40,470

i'm stumped by this one because they're

1564

00:58:45,670 --> 00:58:42,559

just their movement

1565

00:58:48,069 --> 00:58:45,680

is very slow and just kind of meandering

1566

00:58:49,030 --> 00:58:48,079

along but on the methodical robotic type

1567

00:58:51,349 --> 00:58:49,040

movement

1568

00:58:52,710 --> 00:58:51,359

i mean that's what i consider it being

1569

00:58:54,630 --> 00:58:52,720

i mean it's just like a pair of pants

1570

00:58:56,309 --> 00:58:54,640

out there walking around it's weird

1571

00:58:58,549 --> 00:58:56,319

it doesn't look like it's you know some

1572

00:58:59,829 --> 00:58:58,559

natural phenomena though

1573

00:59:03,109 --> 00:58:59,839

yeah it looks like there's it's

1574

00:59:05,190 --> 00:59:03,119

something but i can't imagine what it is

1575

00:59:10,390 --> 00:59:05,200

i really i don't know

1576

00:59:14,710 --> 00:59:12,549

so there are videos of this is that what

1577

00:59:16,150 --> 00:59:14,720

you're saying on where they're actually

1578

00:59:17,750 --> 00:59:16,160

seen moving

1579

00:59:19,190 --> 00:59:17,760

yeah they're wrong yeah

1580

00:59:21,190 --> 00:59:19,200

so

1581

00:59:23,349 --> 00:59:21,200

just i'm just going to throw this out

1582

00:59:25,670 --> 00:59:23,359

because the first thing i thought of

1583

00:59:29,349 --> 00:59:25,680

here um

1584

00:59:31,670 --> 00:59:29,359

if you gentlemen remember the elisa lamb

1585

00:59:35,030 --> 00:59:31,680

case

1586

00:59:37,589 --> 00:59:35,040

where the young lady flew in from i

1587

00:59:39,109 --> 00:59:37,599

believe she was from canada she ended up

1588

00:59:41,589 --> 00:59:39,119

in a hotel

1589

00:59:42,870 --> 00:59:41,599

that was infamous in california

1590

00:59:47,109 --> 00:59:42,880

somewhere

1591

00:59:48,309 --> 00:59:47,119

in hollywood uh there was a footage of

1592

00:59:49,109 --> 00:59:48,319

her

1593

00:59:52,150 --> 00:59:49,119

uh

1594

00:59:54,630 --> 00:59:52,160

going into an elevator

1595

00:59:56,870 --> 00:59:54,640

and it looked like she was ducking away

1596

00:59:59,270 --> 00:59:56,880

from something and from

1597

01:00:01,270 --> 00:59:59,280

from the edge of the elevator if you go

1598

01:00:03,750 --> 01:00:01,280

back i i think the footage is still on

1599

01:00:05,910 --> 01:00:03,760

youtube somewhere

1600

01:00:07,910 --> 01:00:05,920

you will see

1601
01:00:09,829 --> 01:00:07,920
yeah there's a

1602
01:00:10,789 --> 01:00:09,839
form

1603
01:00:13,349 --> 01:00:10,799
just

1604
01:00:14,950 --> 01:00:13,359
outside

1605
01:00:18,789 --> 01:00:14,960
the elevator

1606
01:00:20,150 --> 01:00:18,799
and and that's what that reminds me of

1607
01:00:24,230 --> 01:00:20,160
that uh

1608
01:00:28,150 --> 01:00:25,910
i'm not saying that's what it was that

1609
01:00:31,430 --> 01:00:28,160
she was fleeing from but it that was the

1610
01:00:35,990 --> 01:00:33,109
i could do a whole show on that at least

1611
01:00:37,430 --> 01:00:36,000
a lamb thing uh that that's a nutty case

1612
01:00:38,870 --> 01:00:37,440
um

1613
01:00:42,630 --> 01:00:38,880

of course i mean

1614

01:00:45,190 --> 01:00:42,640

in a nutshell this woman was disappeared

1615

01:00:46,710 --> 01:00:45,200

and her body was later found in a water

1616

01:00:49,190 --> 01:00:46,720

water tank above

1617

01:00:50,870 --> 01:00:49,200

above the hotel and i forget the name of

1618

01:00:53,750 --> 01:00:50,880

the hotel but i know it's an infamous

1619

01:00:55,910 --> 01:00:53,760

hotel for a long time hotel what's that

1620

01:00:56,870 --> 01:00:55,920

the cecil hotel yeah the cecil hotel

1621

01:01:00,150 --> 01:00:56,880

right

1622

01:01:04,470 --> 01:01:00,160

it's actually in the area skid row in

1623

01:01:04,480 --> 01:01:08,230

interesting

1624

01:01:08,240 --> 01:01:17,349

anybody have anything else to add

1625

01:01:21,990 --> 01:01:18,950

all right well like

1626

01:01:22,829 --> 01:01:22,000

okay well i i guess what we can do

1627

01:01:26,069 --> 01:01:22,839

is

1628

01:01:27,270 --> 01:01:26,079

uh go around to go around the table here

1629

01:01:29,990 --> 01:01:27,280

and uh

1630

01:01:32,470 --> 01:01:30,000

have each one of you tell us what you

1631

01:01:34,309 --> 01:01:32,480

have going on and how they can contact

1632

01:01:36,789 --> 01:01:34,319

people can contact you

1633

01:01:38,870 --> 01:01:36,799

uh tell us about your books

1634

01:01:41,109 --> 01:01:38,880

and uh or whatever else or any

1635

01:01:43,030 --> 01:01:41,119

appearances you have uh preston we'll

1636

01:01:44,870 --> 01:01:43,040

start with you

1637

01:01:47,430 --> 01:01:44,880

yeah thanks lon thanks for having me on

1638

01:01:48,950 --> 01:01:47,440

the show i was sorry that albert

1639

01:01:51,030 --> 01:01:48,960

rosalie's couldn't make it i was really

1640

01:01:52,630 --> 01:01:51,040

interested in talking to him because i

1641

01:01:55,349 --> 01:01:52,640

love his work on

1642

01:01:56,789 --> 01:01:55,359

his multi-volume set humanoids amongst

1643

01:01:58,069 --> 01:01:56,799

us

1644

01:01:59,829 --> 01:01:58,079

but yeah i've

1645

01:02:02,950 --> 01:01:59,839

just put out my latest book it's called

1646

01:02:05,589 --> 01:02:02,960

symmetry a true ufo adventure i'm super

1647

01:02:07,430 --> 01:02:05,599

excited about it it's the true story of

1648

01:02:09,910 --> 01:02:07,440

a woman who's had fully conscious

1649

01:02:12,069 --> 01:02:09,920

encounters since age 14.

1650

01:02:14,150 --> 01:02:12,079

definitely not your average ufo

1651
01:02:15,910 --> 01:02:14,160
encounter story

1652
01:02:16,710 --> 01:02:15,920
and i can

1653
01:02:18,470 --> 01:02:16,720
uh

1654
01:02:21,029 --> 01:02:18,480
you can contact me through my website

1655
01:02:22,870 --> 01:02:21,039
just punch in my name on the internet it

1656
01:02:24,549 --> 01:02:22,880
should take you there

1657
01:02:25,349 --> 01:02:24,559
my books are available on amazon i'm

1658
01:02:28,470 --> 01:02:25,359
also

1659
01:02:30,950 --> 01:02:28,480
on facebook and twitter and instagram

1660
01:02:32,789 --> 01:02:30,960
i think these are important subjects

1661
01:02:34,950 --> 01:02:32,799
i think it's time for people to wake up

1662
01:02:36,870 --> 01:02:34,960
and realize we're not alone

1663
01:02:39,190 --> 01:02:36,880

we share this planet with

1664

01:02:41,270 --> 01:02:39,200

numerous other species some of which may

1665

01:02:42,870 --> 01:02:41,280

be very intelligent

1666

01:02:45,109 --> 01:02:42,880

so i really appreciate the opportunity

1667

01:02:47,190 --> 01:02:45,119

to talk about this thanks very much well

1668

01:02:49,270 --> 01:02:47,200

i appreciate you coming on

1669

01:02:51,750 --> 01:02:49,280

uh anna can you do you have anything you

1670

01:02:56,309 --> 01:02:53,750

yeah sure um i've got two books out

1671

01:02:59,190 --> 01:02:56,319

there on amazon one has been out there

1672

01:03:01,670 --> 01:02:59,200

since 2016 and just went into its second

1673

01:03:04,069 --> 01:03:01,680

edition uh last year called portal

1674

01:03:06,470 --> 01:03:04,079

lifetime with paranormal experiences i

1675

01:03:10,950 --> 01:03:08,789

oops

1676

01:03:12,950 --> 01:03:10,960

yeah her connection's been bad that's

1677

01:03:15,510 --> 01:03:12,960

unfortunate

1678

01:03:17,510 --> 01:03:15,520

okay uh eric tell us tell us what's

1679

01:03:18,870 --> 01:03:17,520

going on with eric altman

1680

01:03:21,510 --> 01:03:18,880

and tell us when you're going to finally

1681

01:03:23,750 --> 01:03:21,520

write that first book

1682

01:03:26,230 --> 01:03:23,760

i'm spending too much time in the field

1683

01:03:28,789 --> 01:03:26,240

i'm i'm out in the woods every weekend

1684

01:03:32,230 --> 01:03:28,799

um this week i've been out three times

1685

01:03:34,150 --> 01:03:32,240

so far and uh checking out active areas

1686

01:03:36,630 --> 01:03:34,160

and historical areas for

1687

01:03:39,190 --> 01:03:36,640

activity and sightings i'm always on the

1688

01:03:41,750 --> 01:03:39,200

go as far as field research goes so

1689

01:03:44,150 --> 01:03:41,760

my schedule's so busy and i'm organizing

1690

01:03:45,349 --> 01:03:44,160

events and i'm lecturing at events and

1691

01:03:47,829 --> 01:03:45,359

uh

1692

01:03:50,950 --> 01:03:47,839

i've got several events coming up in in

1693

01:03:52,470 --> 01:03:50,960

the year across the state and into uh

1694

01:03:54,549 --> 01:03:52,480

maryland some other states i'll be

1695

01:03:56,069 --> 01:03:54,559

lecturing um on the subject of the

1696

01:03:57,589 --> 01:03:56,079

chestnut ridge in southwestern

1697

01:03:59,750 --> 01:03:57,599

pennsylvania and all the mysterious

1698

01:04:01,910 --> 01:03:59,760

phenomenon that goes on here the cryptid

1699

01:04:03,910 --> 01:04:01,920

phenomenon the ufo phenomenon the

1700

01:04:06,069 --> 01:04:03,920

haunted locations all the strange things

1701

01:04:09,589 --> 01:04:06,079

that go on in the chestnut ridge i'm

1702

01:04:11,750 --> 01:04:09,599

currently filming with seth reid love

1703

01:04:13,910 --> 01:04:11,760

small town monsters he's doing he's

1704

01:04:16,870 --> 01:04:13,920

going to be releasing uh an eight

1705

01:04:18,789 --> 01:04:16,880

episode mini series on the ridge and

1706

01:04:20,630 --> 01:04:18,799

we're filming with him so

1707

01:04:22,390 --> 01:04:20,640

i've got that going on plus as i

1708

01:04:23,190 --> 01:04:22,400

mentioned i got several events coming up

1709

01:04:25,910 --> 01:04:23,200

here

1710

01:04:28,230 --> 01:04:25,920

in 2022 and a big event coming in 2023

1711

01:04:29,270 --> 01:04:28,240

that i'm working on so i i have no time

1712

01:04:31,430 --> 01:04:29,280

to sit down and write a book

1713

01:04:33,510 --> 01:04:31,440

unfortunately one of these days i'll get

1714

01:04:35,430 --> 01:04:33,520

around to it because yeah you know i i i

1715

01:04:36,309 --> 01:04:35,440

tell i ask sean the same thing all the

1716

01:04:38,710 --> 01:04:36,319

time

1717

01:04:40,710 --> 01:04:38,720

uh yeah you're between you and sean i've

1718

01:04:42,870 --> 01:04:40,720

known you guys for over a decade now and

1719

01:04:45,190 --> 01:04:42,880

you keep talking about a book but you

1720

01:04:47,349 --> 01:04:45,200

and never quite get

1721

01:04:49,670 --> 01:04:47,359

pulled i mean uh

1722

01:04:51,510 --> 01:04:49,680

pull the trigger on it so uh maybe one

1723

01:04:53,670 --> 01:04:51,520

day we'll get something down again yeah

1724

01:04:55,750 --> 01:04:53,680

maybe one day um i have enough

1725

01:04:57,670 --> 01:04:55,760

information over the past 27 years to

1726

01:05:00,630 --> 01:04:57,680

put several books together and get them

1727

01:05:01,670 --> 01:05:00,640

published right i just i don't have

1728

01:05:04,150 --> 01:05:01,680

i guess you

1729

01:05:05,670 --> 01:05:04,160

i don't know what the term is um i'm not

1730

01:05:08,230 --> 01:05:05,680

i don't have the the patience of the

1731

01:05:10,630 --> 01:05:08,240

tolerance to sit down and maybe it's 80d

1732

01:05:12,150 --> 01:05:10,640

or adhd i don't know but i don't have

1733

01:05:13,990 --> 01:05:12,160

that patience to sit down and actually

1734

01:05:16,549 --> 01:05:14,000

write yeah um

1735

01:05:18,309 --> 01:05:16,559

i'm more at home in the field doing the

1736

01:05:20,789 --> 01:05:18,319

actual field work and

1737

01:05:22,870 --> 01:05:20,799

chasing these hairy hominids around

1738

01:05:25,029 --> 01:05:22,880

well i can appreciate that

1739

01:05:26,950 --> 01:05:25,039

so anna once again you get another pl

1740

01:05:28,230 --> 01:05:26,960

another plug at this uh tell us about

1741

01:05:32,069 --> 01:05:28,240

your book and

1742

01:05:34,150 --> 01:05:32,079

uh how you can be found okay

1743

01:05:35,829 --> 01:05:34,160

yeah before i get cut off i do have a

1744

01:05:37,430 --> 01:05:35,839

third book coming up it's going to be

1745

01:05:40,390 --> 01:05:37,440

released early summer it's called

1746

01:05:42,069 --> 01:05:40,400

haunted heirlooms uh and it's about four

1747

01:05:43,670 --> 01:05:42,079

antique dealers i got to know through

1748

01:05:45,990 --> 01:05:43,680

the years

1749

01:05:48,230 --> 01:05:46,000

and the haunted objects that came across

1750

01:05:50,309 --> 01:05:48,240

their way that they had to deal with so

1751

01:05:53,029 --> 01:05:50,319

that's coming out in early uh late

1752

01:05:57,029 --> 01:05:53,039

spring early summer we do have a website

1753

01:06:00,309 --> 01:05:58,710

people can also connect with me on

1754

01:06:02,309 --> 01:06:00,319

facebook and i have a storytelling

1755

01:06:04,630 --> 01:06:02,319

podcast it's called the sinister

1756

01:06:05,430 --> 01:06:04,640

archives thank you so much for having me

1757

01:06:07,109 --> 01:06:05,440

on

1758

01:06:09,270 --> 01:06:07,119

uh well folks i appreciate you all

1759

01:06:11,990 --> 01:06:09,280

taking time to come on here tonight

1760

01:06:13,589 --> 01:06:12,000

and uh i hope you enjoyed it and we

1761

01:06:16,549 --> 01:06:13,599

definitely enjoyed having you so you all

1762

01:06:21,990 --> 01:06:16,559

take care and have a great weekend

1763

01:06:26,710 --> 01:06:24,950

so if you have an unexplained encounter

1764

01:06:29,150 --> 01:06:26,720

or a sighting feel free to contact me

1765

01:06:30,710 --> 01:06:29,160

directly at lawn stricker

1766

01:06:33,109 --> 01:06:30,720

familymonsters.com or through the

1767

01:06:35,190 --> 01:06:33,119

families of monsters blog slate

1768

01:06:37,349 --> 01:06:35,200

also if you would like your encounter

1769

01:06:39,990 --> 01:06:37,359

assigning red on the show and please

1770

01:06:40,950 --> 01:06:40,000

please forward your email to me

1771

01:06:43,670 --> 01:06:40,960

uh

1772

01:06:47,430 --> 01:06:43,680

we're going to be developing a

1773

01:06:50,230 --> 01:06:47,440

a segment or show uh where i do read

1774

01:06:51,750 --> 01:06:50,240

encounter reports that i receive so you

1775

01:06:53,109 --> 01:06:51,760

can look forward to that in our near

1776

01:06:56,549 --> 01:06:53,119

future

1777

01:06:59,270 --> 01:06:56,559

i also want to thank preston and anna

1778

01:07:00,470 --> 01:06:59,280

and and eric for coming on tonight

1779

01:07:02,789 --> 01:07:00,480

uh

1780

01:07:04,710 --> 01:07:02,799

it it was great to have him on here and

1781

01:07:06,069 --> 01:07:04,720

we're glad we could put this together

1782

01:07:08,309 --> 01:07:06,079

for you

1783

01:07:10,230 --> 01:07:08,319

and thanks to each and all of you for

1784

01:07:12,549 --> 01:07:10,240

watching and chatting now if you made a

1785

01:07:15,109 --> 01:07:12,559

super chat donations truly appreciate

1786

01:07:17,670 --> 01:07:15,119

your support is what makes all this

1787

01:07:18,549 --> 01:07:17,680

possible please click the subscribe

1788

01:07:20,309 --> 01:07:18,559

button

1789

01:07:22,150 --> 01:07:20,319

and also become a member of phantoms of

1790

01:07:24,549 --> 01:07:22,160

monsters radio

1791

01:07:26,710 --> 01:07:24,559

my new book the meme humanoids modern

1792

01:07:28,950 --> 01:07:26,720

myths are real monsters is now available

1793

01:07:30,710 --> 01:07:28,960

on amazon.com

1794

01:07:31,990 --> 01:07:30,720

and i believe

1795

01:07:33,829 --> 01:07:32,000

uh

1796

01:07:36,309 --> 01:07:33,839

vincent may have given two of those out

1797

01:07:38,950 --> 01:07:36,319

this evening so um

1798

01:07:40,470 --> 01:07:38,960

when you do get it i hope you enjoy so

1799

01:07:43,109 --> 01:07:40,480

next week

1800

01:07:44,710 --> 01:07:43,119

uh we will and i i didn't get a chance

1801
01:07:46,950 --> 01:07:44,720
to write this down but we will have

1802
01:07:50,150 --> 01:07:46,960
morgan knutson on with us

1803
01:07:51,829 --> 01:07:50,160
she has a new book out uh that she also

1804
01:07:53,910 --> 01:07:51,839
had published that

1805
01:07:56,470 --> 01:07:53,920
beyond the free publishing

1806
01:07:58,950 --> 01:07:56,480
and uh we'll be discussing that and it

1807
01:08:01,910 --> 01:07:58,960
should be a very interesting and uh

1808
01:08:04,230 --> 01:08:01,920
entertaining discussion as well so

1809
01:08:06,309 --> 01:08:04,240
make sure to join us for that so until

1810
01:08:11,260 --> 01:08:06,319
next week stay healthy and have a safe

1811
01:08:21,110 --> 01:08:16,450
[Music]

1812
01:08:21,120 --> 01:08:30,630
do

1813
01:08:50,910 --> 01:08:46,070
