

# PHANTOMS & MONSTERS

R A D I O

## ALIEN ENCOUNTERS ROUNDTABLE DISCUSSION

ALBERT S. ROSALES, LYNN WALLINGTON,  
& THOMAS M. FERRARIO

FRIDAY, APRIL 8TH AT 9PM EASTERN / 6PM PACIFIC

1  
00:00:13,910 --> 00:00:12,390  
we live in a reality of phantoms and

2  
00:00:16,870 --> 00:00:13,920  
monsters

3  
00:00:18,150 --> 00:00:16,880  
they exist among us and sometimes they

4  
00:00:21,429 --> 00:00:18,160  
win

5  
00:00:23,990 --> 00:00:21,439  
even the devil was an angel once

6  
00:00:26,950 --> 00:00:24,000  
the world has its own rules

7  
00:00:29,830 --> 00:00:26,960  
and these rules are not human

8  
00:00:32,069 --> 00:00:29,840  
some of us seek answers to the origin

9  
00:00:34,069 --> 00:00:32,079  
and existence of cryptids in the

10  
00:00:37,430 --> 00:00:34,079  
unexplained

11  
00:00:39,750 --> 00:00:37,440  
join us as we venture beyond the moon

12  
00:00:41,990 --> 00:00:39,760  
and accepted boundaries

13  
00:00:48,060 --> 00:00:42,000

welcome to our nightmare

14

00:00:58,950 --> 00:00:56,950

[Music]

15

00:01:00,709 --> 00:00:58,960

hey folks good evening and welcome to

16

00:01:02,389 --> 00:01:00,719

fans of monsters radio where we explore

17

00:01:05,030 --> 00:01:02,399

and discuss the unknown and the

18

00:01:06,630 --> 00:01:05,040

unexplained i'm your host lon stricker

19

00:01:08,230 --> 00:01:06,640

thanks for joining me

20

00:01:10,469 --> 00:01:08,240

now the phantoms and monsters radio

21

00:01:13,190 --> 00:01:10,479

channel is uh made possible by you

22

00:01:16,550 --> 00:01:13,200

liking and subscribing and by you

23

00:01:18,950 --> 00:01:16,560

sharing uh the content or programming

24

00:01:20,950 --> 00:01:18,960

uh super chat donations are essential

25

00:01:22,469 --> 00:01:20,960

for us to continue offering you our

26

00:01:24,630 --> 00:01:22,479

unique content

27

00:01:26,630 --> 00:01:24,640

and your consideration is very much

28

00:01:28,950 --> 00:01:26,640

needed and appreciated

29

00:01:31,190 --> 00:01:28,960

so tonight uh we present another round

30

00:01:33,749 --> 00:01:31,200

table discussion the subject

31

00:01:36,550 --> 00:01:33,759

is alien encounters

32

00:01:40,469 --> 00:01:36,560

joining us are albertus rosales lynn

33

00:01:42,950 --> 00:01:40,479

wallington and thomas m ferrario

34

00:01:44,950 --> 00:01:42,960

albert esperzales was born in cuba where

35

00:01:48,109 --> 00:01:44,960

he experienced several strange events

36

00:01:51,109 --> 00:01:48,119

some ufo related he migrated to spain in

37

00:01:53,350 --> 00:01:51,119

1966 and lived there for a year and he

38

00:01:55,590 --> 00:01:53,360

then migrated to the united states

39

00:01:57,190 --> 00:01:55,600

soon after albert joined the u.s navy in

40

00:01:59,350 --> 00:01:57,200

1976

41

00:02:01,910 --> 00:01:59,360

after traveling to europe there he began

42

00:02:05,190 --> 00:02:01,920

collecting reports of ufos and et cetera

43

00:02:07,030 --> 00:02:05,200

in 1980 he went to work for his father

44

00:02:08,949 --> 00:02:07,040

until he became ill and passed away and

45

00:02:13,270 --> 00:02:08,959

albert joined the miami dade police

46

00:02:15,589 --> 00:02:13,280

department as a 9-1-1 dispatcher in 1984

47

00:02:17,350 --> 00:02:15,599

and worked there for 35 years

48

00:02:19,750 --> 00:02:17,360

while there he heard it all including

49

00:02:22,869 --> 00:02:19,760

ufo and humanoid reports

50

00:02:25,670 --> 00:02:22,879

in early 1990s he began to concentrate

51  
00:02:27,510 --> 00:02:25,680  
in summarizing only humanoid entity

52  
00:02:29,750 --> 00:02:27,520  
encounters of all kinds

53  
00:02:33,110 --> 00:02:29,760  
to date he has summarized and collected

54  
00:02:35,670 --> 00:02:33,120  
over 24 000 reports and the database is

55  
00:02:38,630 --> 00:02:35,680  
updated and corrected daily albert has

56  
00:02:40,309 --> 00:02:38,640  
written 16 books and chronicles of the

57  
00:02:42,309 --> 00:02:40,319  
of entity and humanoid encounters

58  
00:02:44,869 --> 00:02:42,319  
including a book by ufos and humanoids

59  
00:02:47,830 --> 00:02:44,879  
over florida and these books can be

60  
00:02:50,550 --> 00:02:47,840  
obtained on amazon

61  
00:02:52,229 --> 00:02:50,560  
now as a witch with ancestral ties to

62  
00:02:55,350 --> 00:02:52,239  
sale in massachusetts

63  
00:02:57,190 --> 00:02:55,360

lynn wallington lives life amidst the

64

00:02:58,790 --> 00:02:57,200

strange and unusual

65

00:03:00,390 --> 00:02:58,800

her first paranormal experiences

66

00:03:01,990 --> 00:03:00,400

happened at a young age where she saw

67

00:03:04,390 --> 00:03:02,000

her great grandmother sitting at the

68

00:03:06,070 --> 00:03:04,400

edge of her bed one night wanted to find

69

00:03:07,670 --> 00:03:06,080

out the next morning that she had passed

70

00:03:09,990 --> 00:03:07,680

away

71

00:03:12,309 --> 00:03:10,000

lynn has always lived with one foot in

72

00:03:14,550 --> 00:03:12,319

this world and won the spirit world

73

00:03:15,990 --> 00:03:14,560

and since that defining moment she has

74

00:03:17,190 --> 00:03:16,000

had a fascination with all things

75

00:03:21,910 --> 00:03:17,200

paranormal

76  
00:03:23,430 --> 00:03:21,920  
and how it affects people led her to get

77  
00:03:25,910 --> 00:03:23,440  
a degree in psychology from the

78  
00:03:27,830 --> 00:03:25,920  
university of massachusetts after lynn

79  
00:03:29,509 --> 00:03:27,840  
graduated she worked for harvard medical

80  
00:03:31,589 --> 00:03:29,519  
school during research and working with

81  
00:03:33,509 --> 00:03:31,599  
clients with schizophrenia and other

82  
00:03:35,750 --> 00:03:33,519  
forms of psychosis

83  
00:03:37,670 --> 00:03:35,760  
in her 30s lynn had her first experience

84  
00:03:39,990 --> 00:03:37,680  
with the ufo and shortly after had an

85  
00:03:42,149 --> 00:03:40,000  
experience with a mantas being

86  
00:03:43,509 --> 00:03:42,159  
her interest in the field of ufology was

87  
00:03:45,110 --> 00:03:43,519  
sparked

88  
00:03:47,190 --> 00:03:45,120

using her own experiences in her

89

00:03:48,789 --> 00:03:47,200

background psychology lynn worked for

90

00:03:50,949 --> 00:03:48,799

free

91

00:03:52,710 --> 00:03:50,959

at the dr edgar mitchell foundation for

92

00:03:54,630 --> 00:03:52,720

research and extraterrestrial encounters

93

00:03:56,949 --> 00:03:54,640

where she helped to develop and run the

94

00:03:59,030 --> 00:03:56,959

sport program for experiencers

95

00:04:00,710 --> 00:03:59,040

in doing so lynn has had the privilege

96

00:04:03,110 --> 00:04:00,720

of talking with hundreds of experiencers

97

00:04:04,710 --> 00:04:03,120

where she helped them come to terms with

98

00:04:06,949 --> 00:04:04,720

their encounters

99

00:04:08,949 --> 00:04:06,959

lynn is a certified is certified as a

100

00:04:11,429 --> 00:04:08,959

regression therapist and has worked with

101  
00:04:13,110 --> 00:04:11,439  
experiences to help recover memories and

102  
00:04:15,030 --> 00:04:13,120  
understands the rules

103  
00:04:16,390 --> 00:04:15,040  
that these experiences have played in

104  
00:04:19,509 --> 00:04:16,400  
their life

105  
00:04:21,110 --> 00:04:19,519  
lynn also co-hosts rebellious ufology on

106  
00:04:23,909 --> 00:04:21,120  
youtube

107  
00:04:26,070 --> 00:04:23,919  
thomas m ferrario has worked as a dive

108  
00:04:27,909 --> 00:04:26,080  
master machinist electrical engineer on

109  
00:04:29,350 --> 00:04:27,919  
projects in the united states red china

110  
00:04:30,870 --> 00:04:29,360  
and bermuda

111  
00:04:34,550 --> 00:04:30,880  
he has been an independent ufo

112  
00:04:37,350 --> 00:04:34,560  
researcher since 1969 to 1998 at which

113  
00:04:39,590 --> 00:04:37,360

point what walt anders founder of mufon

114

00:04:40,950 --> 00:04:39,600

asked him to become a section director

115

00:04:42,870 --> 00:04:40,960

from mufon

116

00:04:44,710 --> 00:04:42,880

later he would go on to be an assistant

117

00:04:47,030 --> 00:04:44,720

state director for the missouri mufon he

118

00:04:49,270 --> 00:04:47,040

then founded the mufon dive team with

119

00:04:51,350 --> 00:04:49,280

debbie zeigmeier

120

00:04:54,310 --> 00:04:51,360

thomas then joined ted phillips as his

121

00:04:56,469 --> 00:04:54,320

assistant in 2006 and later became part

122

00:04:58,710 --> 00:04:56,479

of ted's siu team

123

00:05:01,270 --> 00:04:58,720

he assisted ted phillips on his marley

124

00:05:03,189 --> 00:05:01,280

woods project in the tetra mountain moon

125

00:05:04,310 --> 00:05:03,199

shaft project

126

00:05:07,670 --> 00:05:04,320

so

127

00:05:09,270 --> 00:05:07,680

folks uh thanks for coming on tonight

128

00:05:11,749 --> 00:05:09,280

thank you

129

00:05:13,350 --> 00:05:11,759

thanks so much

130

00:05:15,110 --> 00:05:13,360

glad to be here

131

00:05:17,430 --> 00:05:15,120

well i'm going to start this out i guess

132

00:05:21,189 --> 00:05:17,440

with the obvious question but about huma

133

00:05:23,110 --> 00:05:21,199

uh alien uh encounters

134

00:05:25,270 --> 00:05:23,120

and i'll start with uh i'm gonna start

135

00:05:26,629 --> 00:05:25,280

with lynn because of her background what

136

00:05:29,110 --> 00:05:26,639

are alien

137

00:05:31,909 --> 00:05:29,120

extras even ebes

138

00:05:32,870 --> 00:05:31,919

uh what's your definition these entities

139

00:05:38,550 --> 00:05:32,880

and

140

00:05:39,590 --> 00:05:38,560

well that's a big question um

141

00:05:41,029 --> 00:05:39,600

so

142

00:05:43,029 --> 00:05:41,039

it can encompass a lot of different

143

00:05:45,430 --> 00:05:43,039

things right i think we use the the term

144

00:05:49,029 --> 00:05:45,440

alien kind of as a or extraterrestrial

145

00:05:50,950 --> 00:05:49,039

is like a catch-all term which could be

146

00:05:54,469 --> 00:05:50,960

i mean we have all kinds of words for it

147

00:05:58,309 --> 00:05:54,479

now but extraterrestrial ultratrust real

148

00:06:00,070 --> 00:05:58,319

inter-dimensional intra-dimensional

149

00:06:04,070 --> 00:06:00,080

you name it so i think alien kind of

150

00:06:04,950 --> 00:06:04,080

encompasses all of those things

151  
00:06:07,029 --> 00:06:04,960  
and

152  
00:06:09,110 --> 00:06:07,039  
what do people see they i mean the

153  
00:06:10,710 --> 00:06:09,120  
variety that they see is as much as the

154  
00:06:12,790 --> 00:06:10,720  
variety of the words that we have for it

155  
00:06:14,870 --> 00:06:12,800  
so you'll see anything from

156  
00:06:17,350 --> 00:06:14,880  
uh you know interdimensional light

157  
00:06:18,390 --> 00:06:17,360  
beings to physical beings in front of

158  
00:06:21,270 --> 00:06:18,400  
them to

159  
00:06:23,749 --> 00:06:21,280  
potentially beings that are

160  
00:06:25,990 --> 00:06:23,759  
part biological part machine as some

161  
00:06:28,309 --> 00:06:26,000  
people believe some of the small grays

162  
00:06:30,550 --> 00:06:28,319  
are more like androids

163  
00:06:33,430 --> 00:06:30,560

so it really runs the gamut of what they

164

00:06:35,189 --> 00:06:33,440

see all shapes and sizes

165

00:06:37,510 --> 00:06:35,199

the grays i would say is probably one of

166

00:06:40,230 --> 00:06:37,520

the most common ones that we hear about

167

00:06:41,430 --> 00:06:40,240

um reptilians also but you know we get a

168

00:06:43,590 --> 00:06:41,440

lot of other

169

00:06:44,790 --> 00:06:43,600

a lot of different ones so they see a

170

00:06:47,270 --> 00:06:44,800

lot of different things which is what

171

00:06:49,189 --> 00:06:47,280

makes it really fun and exciting

172

00:06:50,950 --> 00:06:49,199

so what do you say to that uh question

173

00:06:53,670 --> 00:06:50,960

thomas

174

00:06:56,070 --> 00:06:53,680

i you know i absolutely over the years

175

00:06:57,110 --> 00:06:56,080

and working with ted phillips and marley

176  
00:06:59,749 --> 00:06:57,120  
woods

177  
00:07:01,749 --> 00:06:59,759  
we were so fortunate as i could tell you

178  
00:07:03,270 --> 00:07:01,759  
that we and i know you know we had a

179  
00:07:05,430 --> 00:07:03,280  
gentleman out there

180  
00:07:08,230 --> 00:07:05,440  
uh one of the the greatest in the field

181  
00:07:10,790 --> 00:07:08,240  
yet dr jacques fellais spent time with

182  
00:07:11,990 --> 00:07:10,800  
us because he was good friends with ted

183  
00:07:12,870 --> 00:07:12,000  
phillips and

184  
00:07:15,110 --> 00:07:12,880  
you know

185  
00:07:17,189 --> 00:07:15,120  
ted phillips started out as dr alan

186  
00:07:20,309 --> 00:07:17,199  
heineck's protege back in the days with

187  
00:07:23,189 --> 00:07:20,319  
blue book and you had jacques villa

188  
00:07:25,029 --> 00:07:23,199

working on the right of dr heineck and

189

00:07:26,230 --> 00:07:25,039

ted out doing the physical trace

190

00:07:28,230 --> 00:07:26,240

research

191

00:07:30,390 --> 00:07:28,240

and uh and that's where ted wanted to be

192

00:07:32,469 --> 00:07:30,400

so long was doing the he was comfortable

193

00:07:35,830 --> 00:07:32,479

doing the nuts and bolts work

194

00:07:37,670 --> 00:07:35,840

and i will tell you as myself included

195

00:07:39,990 --> 00:07:37,680

he had a big problem in the beginning

196

00:07:43,189 --> 00:07:40,000

dealing with the aspect of this being

197

00:07:45,830 --> 00:07:43,199

the the dimensional aspect of this

198

00:07:47,909 --> 00:07:45,840

um but as he said he come to through our

199

00:07:50,070 --> 00:07:47,919

work out there in marley woods his

200

00:07:51,830 --> 00:07:50,080

premier project that he spent virtually

201  
00:07:54,469 --> 00:07:51,840  
the rest of his life at

202  
00:07:56,790 --> 00:07:54,479  
that he got to feel that this was

203  
00:07:59,270 --> 00:07:56,800  
heineken and

204  
00:08:01,270 --> 00:07:59,280  
valet were so ahead of their times as he

205  
00:08:03,749 --> 00:08:01,280  
said that it was just too

206  
00:08:05,830 --> 00:08:03,759  
so much more complex than

207  
00:08:07,189 --> 00:08:05,840  
little green guys from alpha centauri

208  
00:08:09,189 --> 00:08:07,199  
coming here that

209  
00:08:11,189 --> 00:08:09,199  
and i just at this point have to

210  
00:08:13,189 --> 00:08:11,199  
interject what one of my mentors jacques

211  
00:08:14,550 --> 00:08:13,199  
villeta spent time with us

212  
00:08:16,550 --> 00:08:14,560  
he always

213  
00:08:18,629 --> 00:08:16,560

you know we always had his words in the

214

00:08:20,629 --> 00:08:18,639

back of our mind and i would just

215

00:08:22,469 --> 00:08:20,639

i'd like to advise anybody in the field

216

00:08:24,830 --> 00:08:22,479

of ufology and

217

00:08:28,150 --> 00:08:24,840

in the spiritual realm just

218

00:08:30,550 --> 00:08:28,160

always uh his words were that we have

219

00:08:31,830 --> 00:08:30,560

evidence that the phenomena has the

220

00:08:33,990 --> 00:08:31,840

ability

221

00:08:36,949 --> 00:08:34,000

to create a distortion of the sense of

222

00:08:40,230 --> 00:08:36,959

reality or to substitute artificial

223

00:08:42,630 --> 00:08:40,240

sensations for the real ones now now

224

00:08:45,190 --> 00:08:42,640

what that means in a nutshell is

225

00:08:47,829 --> 00:08:45,200

you have to always question what you're

226

00:08:50,070 --> 00:08:47,839

seeing or experiencing yourself

227

00:08:52,470 --> 00:08:50,080

and believe me at marley woods ted's

228

00:08:55,030 --> 00:08:52,480

living laboratory

229

00:08:58,310 --> 00:08:55,040

we all come to believe that this is all

230

00:09:01,030 --> 00:08:58,320

more on the the dimensional aspect

231

00:09:02,790 --> 00:09:01,040

than the interplanetary uh

232

00:09:04,230 --> 00:09:02,800

so that's quite a statement i will tell

233

00:09:07,030 --> 00:09:04,240

you i didn't like to deal with that when

234

00:09:09,509 --> 00:09:07,040

i started in this

235

00:09:11,990 --> 00:09:09,519

well i i tell you i have to i have to

236

00:09:13,509 --> 00:09:12,000

lean that direction be honest with you

237

00:09:16,470 --> 00:09:13,519

uh you know i've been doing this a long

238

00:09:18,949 --> 00:09:16,480

time and uh i used to always think it

239

00:09:22,230 --> 00:09:18,959

was the little green men at first coming

240

00:09:24,630 --> 00:09:22,240

in spacecraft and and i i my thoughts on

241

00:09:26,710 --> 00:09:24,640

that have entirely changed i think it's

242

00:09:29,750 --> 00:09:26,720

more um

243

00:09:32,870 --> 00:09:29,760

dimensional travel possibly and

244

00:09:35,110 --> 00:09:32,880

by other means as opposed to craft

245

00:09:37,350 --> 00:09:35,120

landing and depositing there are alien

246

00:09:38,230 --> 00:09:37,360

beings onto the planet

247

00:09:50,470 --> 00:09:38,240

um

248

00:09:53,110 --> 00:09:50,480

definitely they're the bar priority uh

249

00:09:55,590 --> 00:09:53,120

entities and beans is

250

00:09:57,190 --> 00:09:55,600

amazing i mean it's like a grand central

251

00:09:58,310 --> 00:09:57,200

station here on earth

252

00:10:03,110 --> 00:09:58,320

uh

253

00:10:05,590 --> 00:10:03,120

most of you know most of the the

254

00:10:07,509 --> 00:10:05,600

entities and humanoids were like

255

00:10:09,590 --> 00:10:07,519

the grades were like

256

00:10:10,949 --> 00:10:09,600

they came later for some reason at the

257

00:10:12,470 --> 00:10:10,959

beginning

258

00:10:14,710 --> 00:10:12,480

like the uh

259

00:10:17,190 --> 00:10:14,720

the early humanoid catalog like passport

260

00:10:20,710 --> 00:10:17,200

to magonia by jack ballet

261

00:10:23,670 --> 00:10:20,720

and the humanoids by um

262

00:10:26,230 --> 00:10:23,680

miss bowman and you in the uk

263

00:10:28,230 --> 00:10:26,240

i went through all the cases one by one

264

00:10:29,829 --> 00:10:28,240

and none of them mentioned an entity

265

00:10:33,110 --> 00:10:29,839

resembling a gray and there were

266

00:10:35,030 --> 00:10:33,120

hundreds hundreds of cases now

267

00:10:36,710 --> 00:10:35,040

in the late 70s

268

00:10:38,949 --> 00:10:36,720

i don't know what

269

00:10:40,389 --> 00:10:38,959

what happened uh there was a

270

00:10:42,389 --> 00:10:40,399

suddenly

271

00:10:44,310 --> 00:10:42,399

entities were like

272

00:10:45,590 --> 00:10:44,320

a lot of the entities were short ball

273

00:10:47,910 --> 00:10:45,600

headed and

274

00:10:48,710 --> 00:10:47,920

gray in color and that's when it started

275

00:10:50,310 --> 00:10:48,720

but

276

00:10:51,750 --> 00:10:50,320

i'm not saying that they're the only

277

00:10:53,269 --> 00:10:51,760

ones now

278

00:10:55,509 --> 00:10:53,279

here but

279

00:10:58,150 --> 00:10:55,519

for some reason they they were not seen

280

00:11:00,550 --> 00:10:58,160

too much in the early years uh anyone

281

00:11:03,030 --> 00:11:00,560

that remembers seeing the graves back in

282

00:11:04,230 --> 00:11:03,040

the 50s or the 40s or

283

00:11:06,230 --> 00:11:04,240

60s

284

00:11:09,030 --> 00:11:06,240

only remembers that

285

00:11:10,310 --> 00:11:09,040

after going hypnotic regression

286

00:11:11,269 --> 00:11:10,320

years later

287

00:11:12,630 --> 00:11:11,279

so

288

00:11:15,190 --> 00:11:12,640

um

289

00:11:17,750 --> 00:11:15,200

i don't know and as far as uh i i agree

290

00:11:19,910 --> 00:11:17,760

with with tom and lon i

291

00:11:22,389 --> 00:11:19,920

i think there's a

292

00:11:24,630 --> 00:11:22,399

interdimensional aspect here

293

00:11:26,310 --> 00:11:24,640

i think there might be many dimensional

294

00:11:28,150 --> 00:11:26,320

dimensions or

295

00:11:29,509 --> 00:11:28,160

other worlds

296

00:11:31,750 --> 00:11:29,519

parallel

297

00:11:33,750 --> 00:11:31,760

who knows but i think that's a more

298

00:11:36,470 --> 00:11:33,760

practical uh

299

00:11:38,230 --> 00:11:36,480

answer uh i'm not saying they're not

300

00:11:40,150 --> 00:11:38,240

they're not might be some from outer

301  
00:11:42,150 --> 00:11:40,160  
space too and they might use

302  
00:11:43,910 --> 00:11:42,160  
other dimensions to travel here uh

303  
00:11:45,910 --> 00:11:43,920  
wormholes

304  
00:11:46,790 --> 00:11:45,920  
i don't know maybe there's there are

305  
00:11:53,110 --> 00:11:46,800  
two

306  
00:12:00,230 --> 00:11:57,430  
let me maybe ask this and now

307  
00:12:03,030 --> 00:12:00,240  
for the most part most of these alien

308  
00:12:05,430 --> 00:12:03,040  
beings that people see or encounter

309  
00:12:07,670 --> 00:12:05,440  
are of the humanoid variety

310  
00:12:09,910 --> 00:12:07,680  
and uh what are your thoughts on why

311  
00:12:11,829 --> 00:12:09,920  
that is why do they have arms and legs

312  
00:12:13,829 --> 00:12:11,839  
and heads just like we do

313  
00:12:16,230 --> 00:12:13,839

for the most part

314

00:12:17,190 --> 00:12:16,240

i'm gonna start off with a little bit

315

00:12:19,990 --> 00:12:17,200

hmm

316

00:12:21,190 --> 00:12:20,000

um i don't know that's a good question i

317

00:12:23,750 --> 00:12:21,200

um

318

00:12:27,350 --> 00:12:23,760

i'm trying to remember where i heard it

319

00:12:29,509 --> 00:12:27,360

uh but a few years back there was

320

00:12:31,190 --> 00:12:29,519

a scientist who was talking about that

321

00:12:33,829 --> 00:12:31,200

that might be the most

322

00:12:36,790 --> 00:12:35,110

uh

323

00:12:39,110 --> 00:12:36,800

conducive to our

324

00:12:40,710 --> 00:12:39,120

universal kind of existence is that's

325

00:12:43,110 --> 00:12:40,720

that form

326

00:12:45,430 --> 00:12:43,120

um but yeah i'm not really sure either

327

00:12:48,389 --> 00:12:45,440

that or perhaps they're projecting that

328

00:12:50,310 --> 00:12:48,399

image to us because it's less um outside

329

00:12:52,150 --> 00:12:50,320

of our realm of understanding it's it's

330

00:12:53,350 --> 00:12:52,160

somewhat kind of we can kind of identify

331

00:12:56,069 --> 00:12:53,360

with that even if they are maybe

332

00:12:58,550 --> 00:12:56,079

insectoid or reptilian it's still the

333

00:13:00,710 --> 00:12:58,560

same you know similar kind of body type

334

00:13:03,430 --> 00:13:00,720

and so there's some frame of reference

335

00:13:05,590 --> 00:13:03,440

that we can identify with but

336

00:13:07,430 --> 00:13:05,600

i'm not quite sure it's a good question

337

00:13:09,750 --> 00:13:07,440

what do you think tom

338

00:13:12,550 --> 00:13:09,760

i i think just the practicality of it

339

00:13:13,750 --> 00:13:12,560

all the the form you know like she just

340

00:13:16,949 --> 00:13:13,760

mentioned

341

00:13:19,670 --> 00:13:16,959

uh it's just more practical in in in

342

00:13:22,790 --> 00:13:19,680

this dimension to be able to accomplish

343

00:13:24,790 --> 00:13:22,800

tasks the dexterity and you know the one

344

00:13:26,949 --> 00:13:24,800

thing that i'll go back to what what ted

345

00:13:29,590 --> 00:13:26,959

had just kind of nailed down

346

00:13:31,750 --> 00:13:29,600

not we had sightings of structured craft

347

00:13:33,509 --> 00:13:31,760

in marley we had cryptid

348

00:13:35,430 --> 00:13:33,519

we had the unseen force and then the

349

00:13:37,190 --> 00:13:35,440

biggest thing we dealt with were the

350

00:13:39,269 --> 00:13:37,200

light balls and

351

00:13:41,590 --> 00:13:39,279

the colors denoted you know their

352

00:13:42,949 --> 00:13:41,600

activity usually the red ones were the

353

00:13:45,509 --> 00:13:42,959

bad guys but

354

00:13:48,550 --> 00:13:45,519

ted always felt that one aspect of it

355

00:13:50,550 --> 00:13:48,560

was that as our technology increased

356

00:13:52,949 --> 00:13:50,560

uh they lowered their risk factor and

357

00:13:54,949 --> 00:13:52,959

went away from the structured craft and

358

00:13:56,150 --> 00:13:54,959

started using the light bulbs and that

359

00:13:59,189 --> 00:13:56,160

type of

360

00:14:02,150 --> 00:13:59,199

you might say it was their form of rov

361

00:14:04,470 --> 00:14:02,160

and um but we did monitor things at

362

00:14:07,189 --> 00:14:04,480

marley where they were

363

00:14:08,949 --> 00:14:07,199

we felt they were a form of rov

364

00:14:10,150 --> 00:14:08,959

and then we've had sightings actually

365

00:14:12,629 --> 00:14:10,160

these things

366

00:14:14,310 --> 00:14:12,639

of entities coming through the light

367

00:14:17,590 --> 00:14:14,320

bulbs so they were actually like a

368

00:14:19,189 --> 00:14:17,600

vehicle in itself so

369

00:14:21,350 --> 00:14:19,199

it's just in the dimensional realm

370

00:14:23,910 --> 00:14:21,360

you're dealing with such a wide

371

00:14:26,550 --> 00:14:23,920

range of you know

372

00:14:29,990 --> 00:14:26,560

possibilities that you just have to have

373

00:14:32,629 --> 00:14:30,000

your mind open to it all the time

374

00:14:33,509 --> 00:14:32,639

so albert you're the humanoid chronicler

375

00:14:34,870 --> 00:14:33,519

so

376

00:14:37,189 --> 00:14:34,880

what do you think

377

00:14:38,949 --> 00:14:37,199

you know what uh

378

00:14:40,230 --> 00:14:38,959

if if we are

379

00:14:43,189 --> 00:14:40,240

uh

380

00:14:45,430 --> 00:14:43,199

seeded from other planets like a lot of

381

00:14:47,269 --> 00:14:45,440

researchers say maybe

382

00:14:49,189 --> 00:14:47,279

that's why we have this humanoid form

383

00:14:52,629 --> 00:14:49,199

and the uniform the humanoid form is

384

00:14:55,269 --> 00:14:52,639

prevalent throughout the universe

385

00:14:57,670 --> 00:14:55,279

in my catalog i do have

386

00:14:58,949 --> 00:14:57,680

a few cases in which

387

00:15:01,829 --> 00:14:58,959

entities

388

00:15:04,949 --> 00:15:01,839

do not possess a humanoid form

389

00:15:11,110 --> 00:15:08,230

jelly or amoeba type creatures

390

00:15:14,710 --> 00:15:11,120

some creatures their symbol octopi

391

00:15:21,350 --> 00:15:17,829

but most most of the i say 90 percent of

392

00:15:22,949 --> 00:15:21,360

humanoid are more than 90 percent

393

00:15:24,629 --> 00:15:22,959

talking about the light bulbs and this

394

00:15:27,990 --> 00:15:24,639

the tom mentioned

395

00:15:30,629 --> 00:15:28,000

there's there's even cases in which

396

00:15:32,710 --> 00:15:30,639

i call bedroom visitation when

397

00:15:34,949 --> 00:15:32,720

you're lying in bed and you wake up

398

00:15:36,389 --> 00:15:34,959

there's an entity or a being there

399

00:15:38,550 --> 00:15:36,399

there's been a lot of

400

00:15:41,430 --> 00:15:38,560

cases in which the entity itself

401

00:15:43,829 --> 00:15:41,440

transforms into a light bulb

402

00:15:45,430 --> 00:15:43,839

a sphere and it flies out of the the

403

00:15:46,629 --> 00:15:45,440

room or out the window or through or

404

00:15:48,629 --> 00:15:46,639

through the wall

405

00:15:50,470 --> 00:15:48,639

they don't need to open the window to

406

00:15:52,829 --> 00:15:50,480

come in they could go through walls

407

00:15:53,990 --> 00:15:52,839

there's hundreds of documented

408

00:15:54,790 --> 00:15:54,000

cases right

409

00:15:56,949 --> 00:15:54,800

well

410

00:15:59,030 --> 00:15:56,959

my thought on this is and it's close to

411

00:16:03,110 --> 00:15:59,040

what albert's stating i think

412

00:16:06,790 --> 00:16:03,120

the human species is a universal species

413

00:16:08,790 --> 00:16:06,800

and why i say that as i think that the

414

00:16:11,269 --> 00:16:08,800  
the entities that we see that we

415

00:16:14,230 --> 00:16:11,279  
identify as aliens expressive

416

00:16:16,389 --> 00:16:14,240  
may actually be evolved humans

417

00:16:17,749 --> 00:16:16,399  
that are have the ability to come back

418

00:16:18,550 --> 00:16:17,759  
through time

419

00:16:20,230 --> 00:16:18,560  
and

420

00:16:21,829 --> 00:16:20,240  
come here for whatever reason whatever

421

00:16:23,910 --> 00:16:21,839  
agenda they're looking at maybe they're

422

00:16:25,430 --> 00:16:23,920  
here coming back to change some things

423

00:16:26,150 --> 00:16:25,440  
or such

424

00:16:28,150 --> 00:16:26,160  
but

425

00:16:29,509 --> 00:16:28,160  
you know over the years and that i've

426

00:16:32,790 --> 00:16:29,519

talked to a lot of experiences that

427

00:16:34,230 --> 00:16:32,800

seems to me to me be the reason why i

428

00:16:36,870 --> 00:16:34,240

had no evidence of that you know it's

429

00:16:38,310 --> 00:16:36,880

all anecdotal but um

430

00:16:39,189 --> 00:16:38,320

you know that's my thoughts at this

431

00:16:41,350 --> 00:16:39,199

point

432

00:16:43,350 --> 00:16:41,360

and uh you know you also brought up

433

00:16:46,069 --> 00:16:43,360

these these orbs you know and this is

434

00:16:48,150 --> 00:16:46,079

gonna be my next question

435

00:16:51,430 --> 00:16:48,160

you know the the alien abduction

436

00:16:54,629 --> 00:16:51,440

scenario has evolved over time in a way

437

00:16:57,189 --> 00:16:54,639

you know you talk about the 60s and

438

00:16:59,670 --> 00:16:57,199

betty and barney hill they were

439

00:17:01,990 --> 00:16:59,680

brought up into a craft and they had one

440

00:17:04,470 --> 00:17:02,000

species of being there showing them this

441

00:17:07,270 --> 00:17:04,480

and this doing experimentations then any

442

00:17:09,189 --> 00:17:07,280

kind of evolved into a more um

443

00:17:10,870 --> 00:17:09,199

sexual nature

444

00:17:13,029 --> 00:17:10,880

hybridization

445

00:17:15,590 --> 00:17:13,039

other things going on you had maybe one

446

00:17:17,189 --> 00:17:15,600

or two types of beings

447

00:17:18,710 --> 00:17:17,199

nowadays

448

00:17:21,029 --> 00:17:18,720

there's there seem to be different

449

00:17:24,230 --> 00:17:21,039

factions involved with multiple type of

450

00:17:28,549 --> 00:17:26,630

the very few abductions are done through

451  
00:17:29,590 --> 00:17:28,559  
craft a lot of it is done through a

452  
00:17:31,909 --> 00:17:29,600  
bedroom

453  
00:17:34,070 --> 00:17:31,919  
uh you know experiencers start seeing

454  
00:17:35,990 --> 00:17:34,080  
blue lights or start seeing ball i mean

455  
00:17:37,430 --> 00:17:36,000  
orbs and stuff and all of a sudden these

456  
00:17:38,789 --> 00:17:37,440  
things show up

457  
00:17:41,110 --> 00:17:38,799  
then they're either transformed

458  
00:17:43,510 --> 00:17:41,120  
physically or ethereally through

459  
00:17:45,350 --> 00:17:43,520  
you know to another location

460  
00:17:47,029 --> 00:17:45,360  
um

461  
00:17:48,310 --> 00:17:47,039  
lynn what do you think that is why do

462  
00:17:50,870 --> 00:17:48,320  
you think that

463  
00:17:52,789 --> 00:17:50,880

this whole experience

464

00:17:55,190 --> 00:17:52,799

that people have with abductions has

465

00:17:57,270 --> 00:17:55,200

seemed to change

466

00:17:59,110 --> 00:17:57,280

i think that's twofold i think that

467

00:18:00,710 --> 00:17:59,120

people are one becoming more comfortable

468

00:18:03,350 --> 00:18:00,720

talking about it you know back in the

469

00:18:05,110 --> 00:18:03,360

50s and 60s it just wasn't really

470

00:18:07,510 --> 00:18:05,120

something that was acceptable it was

471

00:18:08,950 --> 00:18:07,520

something that you know was

472

00:18:10,070 --> 00:18:08,960

would have been a difficult thing to

473

00:18:13,110 --> 00:18:10,080

talk about

474

00:18:15,590 --> 00:18:13,120

um i mean even into you know the the 70s

475

00:18:17,110 --> 00:18:15,600

look at travis walton you mean

476  
00:18:18,870 --> 00:18:17,120  
you know that it was just a tough time

477  
00:18:20,870 --> 00:18:18,880  
to talk about those things

478  
00:18:22,549 --> 00:18:20,880  
um and so i think that one people are

479  
00:18:24,789 --> 00:18:22,559  
talking about it more but i think also

480  
00:18:28,150 --> 00:18:24,799  
we're having a better understanding of

481  
00:18:30,630 --> 00:18:28,160  
what constitutes contact so i think you

482  
00:18:31,590 --> 00:18:30,640  
know initially yes people reported

483  
00:18:34,470 --> 00:18:31,600  
physical

484  
00:18:36,390 --> 00:18:34,480  
interactions as contact um but now we

485  
00:18:38,390 --> 00:18:36,400  
can recognize that consciousness plays a

486  
00:18:40,390 --> 00:18:38,400  
big role in it as well and so that's why

487  
00:18:41,110 --> 00:18:40,400  
we're seeing some more of these

488  
00:18:43,510 --> 00:18:41,120

uh

489

00:18:46,230 --> 00:18:43,520

you know astral or spiritual type

490

00:18:47,110 --> 00:18:46,240

contacts whether it's uh remote viewing

491

00:18:49,430 --> 00:18:47,120

or

492

00:18:51,909 --> 00:18:49,440

um people's astral bodies are actually

493

00:18:53,190 --> 00:18:51,919

going and going up onto these craft or

494

00:18:55,830 --> 00:18:53,200

wherever it is they're going there's so

495

00:18:57,750 --> 00:18:55,840

many different scenarios so i think that

496

00:18:59,270 --> 00:18:57,760

our understanding of the phenomena

497

00:19:00,549 --> 00:18:59,280

though obviously we don't completely

498

00:19:02,630 --> 00:19:00,559

understand it

499

00:19:04,070 --> 00:19:02,640

anywhere even close to it um we're

500

00:19:05,909 --> 00:19:04,080

getting a better understanding of what

501  
00:19:07,830 --> 00:19:05,919  
constitutes contact and i think that's

502  
00:19:09,669 --> 00:19:07,840  
why we're seeing more of these reports

503  
00:19:12,870 --> 00:19:09,679  
of that nature

504  
00:19:16,950 --> 00:19:14,470  
uh

505  
00:19:19,029 --> 00:19:16,960  
you know it's really we experience like

506  
00:19:21,909 --> 00:19:19,039  
again i i fall back on my personal

507  
00:19:24,390 --> 00:19:21,919  
experiences and uh which was with ted

508  
00:19:25,430 --> 00:19:24,400  
phillips and marley woods and

509  
00:19:27,590 --> 00:19:25,440  
you know

510  
00:19:29,510 --> 00:19:27,600  
so much of what we dealt with out there

511  
00:19:31,350 --> 00:19:29,520  
the the cryptid activity they come

512  
00:19:33,590 --> 00:19:31,360  
through and everything

513  
00:19:36,150 --> 00:19:33,600

we just found it just to be of the

514

00:19:38,230 --> 00:19:36,160

dimensional nature and um it was

515

00:19:40,710 --> 00:19:38,240

frequency driven and and just quite

516

00:19:42,630 --> 00:19:40,720

frankly what that means and there again

517

00:19:44,870 --> 00:19:42,640

you get into the ability to come into

518

00:19:46,710 --> 00:19:44,880

someone's bedroom and duck somebody

519

00:19:47,510 --> 00:19:46,720

um it's

520

00:19:49,590 --> 00:19:47,520

as

521

00:19:51,830 --> 00:19:49,600

again my one of my mentors jack valet

522

00:19:52,950 --> 00:19:51,840

and others had said ray stanford another

523

00:19:54,230 --> 00:19:52,960

gentleman

524

00:19:56,470 --> 00:19:54,240

um

525

00:19:58,950 --> 00:19:56,480

dimensionally when you match uh the

526

00:20:01,190 --> 00:19:58,960

frequency modulation

527

00:20:03,029 --> 00:20:01,200

that that is the tool that's used to

528

00:20:05,190 --> 00:20:03,039

actually go through

529

00:20:07,669 --> 00:20:05,200

so often reported walls

530

00:20:09,830 --> 00:20:07,679

come in through the ceiling

531

00:20:12,549 --> 00:20:09,840

when you match the frequency

532

00:20:13,990 --> 00:20:12,559

with an object a structural object or

533

00:20:16,070 --> 00:20:14,000

yourself

534

00:20:17,990 --> 00:20:16,080

that gives you the ability to pass not

535

00:20:19,590 --> 00:20:18,000

only through dimensionally but through

536

00:20:22,230 --> 00:20:19,600

physical objects

537

00:20:24,230 --> 00:20:22,240

so when you use that kind of background

538

00:20:25,990 --> 00:20:24,240

as a tutor to let you know how this is

539

00:20:28,230 --> 00:20:26,000

done

540

00:20:29,430 --> 00:20:28,240

that is the tool which is used so often

541

00:20:30,950 --> 00:20:29,440

we feel

542

00:20:32,789 --> 00:20:30,960

to actually

543

00:20:34,470 --> 00:20:32,799

and it's more or less they threw away

544

00:20:36,070 --> 00:20:34,480

the structured craft and they're into

545

00:20:38,310 --> 00:20:36,080

more just the

546

00:20:39,830 --> 00:20:38,320

manipulation of

547

00:20:41,190 --> 00:20:39,840

frequency

548

00:20:44,549 --> 00:20:41,200

and

549

00:20:47,029 --> 00:20:44,559

just in the dimensional aspect of it all

550

00:20:50,230 --> 00:20:47,039

we just fall back on that so often and

551

00:20:51,430 --> 00:20:50,240

uh and it just gets into uh

552

00:20:55,029 --> 00:20:51,440

you know

553

00:20:57,590 --> 00:20:55,039

we at times in marley we were exposed to

554

00:20:59,590 --> 00:20:57,600

we put a lot of it the the detrimental

555

00:21:01,669 --> 00:20:59,600

things that affected us out there we

556

00:21:03,990 --> 00:21:01,679

hadn't nailed down to we were dealing

557

00:21:05,990 --> 00:21:04,000

with microwave energy bursts

558

00:21:08,390 --> 00:21:06,000

and uh and that

559

00:21:11,750 --> 00:21:08,400

and that we found was used a lot

560

00:21:13,909 --> 00:21:11,760

in frequency manipulation and

561

00:21:17,430 --> 00:21:13,919

had some very bad things done to animals

562

00:21:20,070 --> 00:21:17,440

out there and uh but

563

00:21:21,909 --> 00:21:20,080

it just goes on and on you know as when

564

00:21:23,750 --> 00:21:21,919

we dealt with cryptids out there we knew

565

00:21:26,230 --> 00:21:23,760

there wasn't a living breeding

566

00:21:28,870 --> 00:21:26,240

population of things that we dealt with

567

00:21:30,310 --> 00:21:28,880

on a daily basis uh you could have went

568

00:21:32,149 --> 00:21:30,320

through there with a thousand men

569

00:21:34,230 --> 00:21:32,159

hand-to-hand never found but when they

570

00:21:36,789 --> 00:21:34,240

were there they were just physically

571

00:21:38,710 --> 00:21:36,799

real there and laid down physical trace

572

00:21:41,350 --> 00:21:38,720

cases that we

573

00:21:44,149 --> 00:21:41,360

we picked up sampled and documented

574

00:21:46,470 --> 00:21:44,159

and had analyzed so when it's on this

575

00:21:49,669 --> 00:21:46,480

side it's as real as you and i and then

576

00:21:50,549 --> 00:21:49,679

when it's not here it's not here so

577

00:21:52,310 --> 00:21:50,559

uh

578

00:21:55,669 --> 00:21:52,320

yeah you know we find that we find that

579

00:21:57,909 --> 00:21:55,679

encrypted's as well i mean you know

580

00:21:59,909 --> 00:21:57,919

it's interesting and i i believe

581

00:22:01,430 --> 00:21:59,919

personally that and i like to call

582

00:22:03,430 --> 00:22:01,440

multi-terrestrials

583

00:22:07,110 --> 00:22:03,440

try to distinguish them from some type

584

00:22:09,830 --> 00:22:07,120

of extraterrestrial sub i mean title but

585

00:22:11,510 --> 00:22:09,840

i i believe that does happen encrypted

586

00:22:13,510 --> 00:22:11,520

as well as

587

00:22:15,110 --> 00:22:13,520

any other type of being that there's a

588

00:22:16,630 --> 00:22:15,120

supernatural aspect to it and if you

589

00:22:19,350 --> 00:22:16,640

want to say

590

00:22:21,190 --> 00:22:19,360

uh dimensional travels supernatural then

591

00:22:23,510 --> 00:22:21,200

yeah okay either but there's something

592

00:22:28,710 --> 00:22:23,520

about it and they do they are here in

593

00:22:32,470 --> 00:22:30,470

yeah i agree with that what do you think

594

00:22:34,950 --> 00:22:32,480

um what do you think albert

595

00:22:36,310 --> 00:22:34,960

well i i i always thought that the uh

596

00:22:38,710 --> 00:22:36,320

bigfoot

597

00:22:40,950 --> 00:22:38,720

and cryptic phenomenon is connect it's

598

00:22:43,430 --> 00:22:40,960

been connected to ufos

599

00:22:44,470 --> 00:22:43,440

it was maybe part of the same phenomenon

600

00:22:45,590 --> 00:22:44,480

actually

601  
00:22:47,430 --> 00:22:45,600  
uh

602  
00:22:49,350 --> 00:22:47,440  
i know of cases

603  
00:22:51,909 --> 00:22:49,360  
in which uh

604  
00:22:54,950 --> 00:22:51,919  
abductees or people have claimed to have

605  
00:22:57,669 --> 00:22:54,960  
seen uh bigfoot type creatures on board

606  
00:23:01,029 --> 00:22:57,679  
a striker craft now this is they've been

607  
00:23:04,070 --> 00:23:01,039  
abducted i'm talking about 80s early 90s

608  
00:23:07,270 --> 00:23:04,080  
there's one case uh from arizona

609  
00:23:10,870 --> 00:23:07,280  
from tom dungo he's a researcher there

610  
00:23:12,549 --> 00:23:10,880  
in which a hiker near sedona spotted a

611  
00:23:15,909 --> 00:23:12,559  
what appeared to be like a

612  
00:23:18,149 --> 00:23:15,919  
a hole in in the air like a portal

613  
00:23:20,870 --> 00:23:18,159

and out of the portal there was like a

614

00:23:22,630 --> 00:23:20,880

bigfoot type creature was coming out

615

00:23:24,549 --> 00:23:22,640

which reminds me what they saw at

616

00:23:28,870 --> 00:23:24,559

skinwalker ranch

617

00:23:30,470 --> 00:23:28,880

but then in in 97 i believe later on

618

00:23:32,789 --> 00:23:30,480

but uh

619

00:23:33,830 --> 00:23:32,799

yeah and what lynn was saying

620

00:23:34,870 --> 00:23:33,840

uh

621

00:23:38,470 --> 00:23:34,880

when your

622

00:23:41,029 --> 00:23:38,480

people have been abducted abducted and

623

00:23:42,230 --> 00:23:41,039

they go into uh some sort of auto body

624

00:23:44,390 --> 00:23:42,240

experience

625

00:23:46,230 --> 00:23:44,400

and there's they see their bodies laying

626  
00:23:47,750 --> 00:23:46,240  
in the bed or sitting down on the couch

627  
00:23:49,909 --> 00:23:47,760  
or whatever but they

628  
00:23:53,029 --> 00:23:49,919  
they're uh after ethereal

629  
00:23:54,630 --> 00:23:53,039  
self is transported aboard a craft

630  
00:23:56,310 --> 00:23:54,640  
and they are

631  
00:23:58,630 --> 00:23:56,320  
they experience a full abduction you

632  
00:23:59,870 --> 00:23:58,640  
know scenario you know

633  
00:24:02,549 --> 00:23:59,880  
physical

634  
00:24:04,950 --> 00:24:02,559  
experimentation medical whatever but

635  
00:24:07,669 --> 00:24:04,960  
their body remains back at where they

636  
00:24:09,190 --> 00:24:07,679  
were at home which is

637  
00:24:10,950 --> 00:24:09,200  
and and talking about going through

638  
00:24:12,149 --> 00:24:10,960

walls a lot of these uh

639

00:24:15,110 --> 00:24:12,159

um

640

00:24:16,710 --> 00:24:15,120

abductees that

641

00:24:19,190 --> 00:24:16,720

all through will also go through the

642

00:24:21,590 --> 00:24:19,200

walls for some reason they

643

00:24:23,269 --> 00:24:21,600

the human is al also able to go through

644

00:24:27,909 --> 00:24:23,279

the wall along with the uh

645

00:24:32,710 --> 00:24:29,909

yeah well that that's a question in all

646

00:24:34,230 --> 00:24:32,720

of itself there how it seems beings even

647

00:24:35,830 --> 00:24:34,240

humans at some point when they're being

648

00:24:38,310 --> 00:24:35,840

abducted can

649

00:24:40,070 --> 00:24:38,320

can go through solid matter i mean i've

650

00:24:41,909 --> 00:24:40,080

heard a few

651

00:24:45,590 --> 00:24:41,919

you know a few uh

652

00:24:48,149 --> 00:24:45,600

explanations that is a type of

653

00:24:49,510 --> 00:24:48,159

molecular change or something or

654

00:24:52,149 --> 00:24:49,520

vibrational

655

00:24:55,029 --> 00:24:52,159

i i guess that makes sense uh

656

00:24:57,350 --> 00:24:55,039

though that's something above our

657

00:24:59,669 --> 00:24:57,360

or pay grade at this point i don't think

658

00:25:01,830 --> 00:24:59,679

you know anybody can really answer that

659

00:25:03,750 --> 00:25:01,840

yeah when when you match the frequency

660

00:25:06,870 --> 00:25:03,760

you know solid objects

661

00:25:08,310 --> 00:25:06,880

uh as if in a wall and you can match

662

00:25:09,990 --> 00:25:08,320

that frequency

663

00:25:12,149 --> 00:25:10,000

you know all the atomic structure

664

00:25:14,310 --> 00:25:12,159

vibrates at a certain frequency

665

00:25:16,149 --> 00:25:14,320

and if you can match that with your

666

00:25:17,750 --> 00:25:16,159

physical

667

00:25:19,590 --> 00:25:17,760

body um

668

00:25:21,350 --> 00:25:19,600

you go you go right through it you know

669

00:25:22,870 --> 00:25:21,360

and that's one of the things that we

670

00:25:24,789 --> 00:25:22,880

learned out there that

671

00:25:27,269 --> 00:25:24,799

a lot of this and we had portals out

672

00:25:30,070 --> 00:25:27,279

there and believe me if you like ted

673

00:25:32,230 --> 00:25:30,080

said so often when he started with this

674

00:25:33,750 --> 00:25:32,240

if you would have said frequency or

675

00:25:35,830 --> 00:25:33,760

dimensional

676  
00:25:38,549 --> 00:25:35,840  
uh he said you should have just slapped

677  
00:25:40,789 --> 00:25:38,559  
me but uh over the years he come to

678  
00:25:42,710 --> 00:25:40,799  
believe he ted always went where the

679  
00:25:45,590 --> 00:25:42,720  
science led him and that's

680  
00:25:48,070 --> 00:25:45,600  
that's what we came away with and uh

681  
00:25:50,789 --> 00:25:48,080  
it's the reality is what we dealt with

682  
00:25:54,870 --> 00:25:52,950  
and there were times it had detrimental

683  
00:25:57,110 --> 00:25:54,880  
we all had physical effects from it at

684  
00:25:58,950 --> 00:25:57,120  
times and uh

685  
00:26:01,350 --> 00:25:58,960  
you know it just

686  
00:26:02,230 --> 00:26:01,360  
the frequency and microwave and you know

687  
00:26:04,070 --> 00:26:02,240  
even

688  
00:26:04,950 --> 00:26:04,080

we experienced you hear people speak

689

00:26:08,630 --> 00:26:04,960

about

690

00:26:10,549 --> 00:26:08,640

hearing voices you know and uh

691

00:26:12,710 --> 00:26:10,559

and there's a phenomenon

692

00:26:13,750 --> 00:26:12,720

called the microwave auditory effect

693

00:26:15,830 --> 00:26:13,760

where

694

00:26:17,830 --> 00:26:15,840

i'm you may it's it's becoming more and

695

00:26:19,269 --> 00:26:17,840

more popular now you're hearing about

696

00:26:20,070 --> 00:26:19,279

this and uh

697

00:26:22,470 --> 00:26:20,080

where

698

00:26:25,510 --> 00:26:22,480

certain microwave frequencies

699

00:26:27,590 --> 00:26:25,520

and actually the ability to form the

700

00:26:28,630 --> 00:26:27,600

sound in the human's

701  
00:26:31,510 --> 00:26:28,640  
head

702  
00:26:34,789 --> 00:26:31,520  
to where that things are transmitted

703  
00:26:37,269 --> 00:26:34,799  
with microwave energy and actually you

704  
00:26:39,590 --> 00:26:37,279  
can transmit voices and music

705  
00:26:41,110 --> 00:26:39,600  
and uh they found this out in world war

706  
00:26:44,070 --> 00:26:41,120  
ii when people were working with high

707  
00:26:46,950 --> 00:26:44,080  
gain radio uh microwave early radio

708  
00:26:49,350 --> 00:26:46,960  
transmissions uh there were men around

709  
00:26:50,870 --> 00:26:49,360  
these things that started hearing voices

710  
00:26:52,870 --> 00:26:50,880  
from miles away

711  
00:26:54,549 --> 00:26:52,880  
the crew is working on this

712  
00:26:56,789 --> 00:26:54,559  
so

713  
00:26:58,549 --> 00:26:56,799

there is that phenom and there again we

714

00:27:00,789 --> 00:26:58,559

we've nailed a lot of this down to the

715

00:27:02,870 --> 00:27:00,799

frequency and microwave range which i

716

00:27:04,149 --> 00:27:02,880

will tell you we we do have a connection

717

00:27:06,230 --> 00:27:04,159

with some of the people yet at

718

00:27:08,149 --> 00:27:06,240

skinwalker and they're coming around

719

00:27:10,310 --> 00:27:08,159

dealing with that right now they're

720

00:27:11,430 --> 00:27:10,320

they're dealing in that reality

721

00:27:14,070 --> 00:27:11,440

and uh

722

00:27:16,870 --> 00:27:14,080

so and of course we did have a

723

00:27:19,190 --> 00:27:16,880

a short relationship we did with robert

724

00:27:21,110 --> 00:27:19,200

bigelow at marley we worked with his

725

00:27:22,070 --> 00:27:21,120

people and come keller was out at our

726  
00:27:24,310 --> 00:27:22,080  
place

727  
00:27:26,070 --> 00:27:24,320  
and uh along with douglas trumbull and

728  
00:27:26,950 --> 00:27:26,080  
some others but uh

729  
00:27:29,590 --> 00:27:26,960  
so

730  
00:27:30,549 --> 00:27:29,600  
and as jacques said we had a he felt we

731  
00:27:32,950 --> 00:27:30,559  
had a

732  
00:27:33,669 --> 00:27:32,960  
case for higher strangeness in marley

733  
00:27:37,350 --> 00:27:33,679  
than

734  
00:27:41,029 --> 00:27:37,360  
what he had seen at skinwalker and

735  
00:27:43,669 --> 00:27:41,039  
that's saying quite a bit so

736  
00:27:46,070 --> 00:27:43,679  
well now i think most of us had some

737  
00:27:47,190 --> 00:27:46,080  
type of encounter at some point

738  
00:27:49,830 --> 00:27:47,200

uh

739

00:27:51,269 --> 00:27:49,840

and in lin's bio she mentioned something

740

00:27:53,510 --> 00:27:51,279

about a man of speed and i have

741

00:27:54,630 --> 00:27:53,520

investigated madison counters in the

742

00:27:56,549 --> 00:27:54,640

past

743

00:27:59,029 --> 00:27:56,559

but i'm interested to find out what you

744

00:28:00,870 --> 00:27:59,039

went through

745

00:28:02,630 --> 00:28:00,880

uh well that is one of the few

746

00:28:05,190 --> 00:28:02,640

encounters that i remember the least

747

00:28:07,190 --> 00:28:05,200

about but

748

00:28:08,710 --> 00:28:07,200

but it was the one that started it all

749

00:28:11,590 --> 00:28:08,720

off well it was the second one the

750

00:28:14,549 --> 00:28:11,600

second one um but all i remember is kind

751

00:28:16,549 --> 00:28:14,559

of like a screenshot in time um i'm

752

00:28:18,230 --> 00:28:16,559

assuming that i was laying on a table of

753

00:28:21,110 --> 00:28:18,240

sort some sort just based on my

754

00:28:23,110 --> 00:28:21,120

perspective of uh what i was looking at

755

00:28:25,029 --> 00:28:23,120

i saw these two like little grays kind

756

00:28:27,669 --> 00:28:25,039

of right in front of me looking at me

757

00:28:30,470 --> 00:28:27,679

and then there was a mantis figure um in

758

00:28:31,350 --> 00:28:30,480

the back wearing a long kind of burgundy

759

00:28:33,510 --> 00:28:31,360

robe

760

00:28:34,789 --> 00:28:33,520

uh with some gold like stripes on the

761

00:28:36,710 --> 00:28:34,799

neckline

762

00:28:39,029 --> 00:28:36,720

um and that's all i remember really is

763

00:28:40,549 --> 00:28:39,039

just a screenshot from it but i wasn't

764

00:28:42,870 --> 00:28:40,559

afraid i do remember that i wasn't

765

00:28:44,630 --> 00:28:42,880

afraid um

766

00:28:46,950 --> 00:28:44,640

but yeah i wish i had more details for

767

00:28:48,389 --> 00:28:46,960

you well you're a regression therapist

768

00:28:50,310 --> 00:28:48,399

have you ever thought about going to

769

00:28:54,310 --> 00:28:50,320

under regression for that

770

00:28:56,789 --> 00:28:54,320

i have had three regressions

771

00:28:59,190 --> 00:28:56,799

yes and all of it was something that i

772

00:29:01,029 --> 00:28:59,200

never wanted anything to do with and

773

00:29:02,389 --> 00:29:01,039

nothing could do with the manta

774

00:29:05,350 --> 00:29:02,399

so

775

00:29:07,269 --> 00:29:05,360

yes it was all uh like um black ops and

776

00:29:09,750 --> 00:29:07,279

secret space program stuff which i woke

777

00:29:12,870 --> 00:29:09,760

up like came out of it like no

778

00:29:14,470 --> 00:29:12,880

come on for real um but i mean not

779

00:29:15,590 --> 00:29:14,480

surprising i grew up in a military

780

00:29:18,230 --> 00:29:15,600

family so

781

00:29:19,590 --> 00:29:18,240

um you know but yeah but yeah didn't get

782

00:29:21,190 --> 00:29:19,600

any info on the mantas being that was

783

00:29:22,870 --> 00:29:21,200

the one thing i was looking for

784

00:29:25,190 --> 00:29:22,880

i i don't think i want to go through

785

00:29:27,190 --> 00:29:25,200

regression i'll be honest with you i i

786

00:29:28,789 --> 00:29:27,200

have witnessed it

787

00:29:30,149 --> 00:29:28,799

and uh

788

00:30:02,389 --> 00:29:30,159

i

789

00:30:04,070 --> 00:30:02,399

you know because there can be trauma and

790

00:30:05,830 --> 00:30:04,080

there's a certain way you can do it

791

00:30:07,830 --> 00:30:05,840

where you look at it from an observer

792

00:30:09,990 --> 00:30:07,840

perspective so in the moment you're not

793

00:30:11,510 --> 00:30:10,000

encased in those feelings again but

794

00:30:12,950 --> 00:30:11,520

afterwards yeah you are still going to

795

00:30:14,710 --> 00:30:12,960

have to

796

00:30:17,110 --> 00:30:14,720

process it all it took me

797

00:30:18,630 --> 00:30:17,120

after my i did my first two regressions

798

00:30:19,909 --> 00:30:18,640

fairly near each other the most of the

799

00:30:21,430 --> 00:30:19,919

information came out in the first one

800

00:30:23,190 --> 00:30:21,440

but it was like seven years of

801  
00:30:25,909 --> 00:30:23,200  
processing it before i was going to do

802  
00:30:29,350 --> 00:30:25,919  
the third one yeah

803  
00:30:32,710 --> 00:30:29,360  
interesting uh albert what uh did what

804  
00:30:34,470 --> 00:30:32,720  
counters have you had or encounter

805  
00:30:36,470 --> 00:30:34,480  
can you give me a second i have to turn

806  
00:30:37,909 --> 00:30:36,480  
down a radio for some reason that turned

807  
00:30:40,070 --> 00:30:37,919  
on here it's really loud and it's

808  
00:30:41,110 --> 00:30:40,080  
bothering me okay benson sent me a

809  
00:30:43,269 --> 00:30:41,120  
message

810  
00:30:45,750 --> 00:30:43,279  
thomas uh thomas can you tell us what uh

811  
00:30:48,310 --> 00:30:45,760  
you experienced yeah and you know i've

812  
00:30:50,389 --> 00:30:48,320  
not found anybody that's been in ufology

813  
00:30:53,110 --> 00:30:50,399

or been involved with mufon an

814

00:30:56,070 --> 00:30:53,120

investigator in any degree that has not

815

00:30:58,070 --> 00:30:56,080

had a personal experience to some degree

816

00:31:01,190 --> 00:30:58,080

in their life and uh

817

00:31:02,950 --> 00:31:01,200

mine started with my my grandma had some

818

00:31:05,830 --> 00:31:02,960

experiences and then

819

00:31:07,110 --> 00:31:05,840

the only encounter i ever had was one

820

00:31:09,509 --> 00:31:07,120

and i'm

821

00:31:12,230 --> 00:31:09,519

67 years old now i can't believe it but

822

00:31:14,789 --> 00:31:12,240

my most vivid memory in life

823

00:31:17,509 --> 00:31:14,799

it still comes back from

824

00:31:20,310 --> 00:31:17,519

when i was about six seven years old

825

00:31:23,990 --> 00:31:20,320

uh one evening in my room

826

00:31:27,029 --> 00:31:24,000

in a thunderstorm and i was awoken i

827

00:31:29,430 --> 00:31:27,039

got out of bed and uh got to my window

828

00:31:30,950 --> 00:31:29,440

there was a cedar chest got up on there

829

00:31:32,710 --> 00:31:30,960

and i was looking out in the field

830

00:31:33,509 --> 00:31:32,720

behind our house

831

00:31:35,430 --> 00:31:33,519

and

832

00:31:37,669 --> 00:31:35,440

you know for a long time i didn't even

833

00:31:40,149 --> 00:31:37,679

want to and one thing about mufon when

834

00:31:41,509 --> 00:31:40,159

you're when you're trained as being an

835

00:31:43,830 --> 00:31:41,519

you know

836

00:31:48,789 --> 00:31:43,840

investigator and i was trained by an air

837

00:31:50,950 --> 00:31:48,799

force colonel called jim cross and uh

838

00:31:52,470 --> 00:31:50,960

you didn't interject anything even your

839

00:31:54,230 --> 00:31:52,480

body language you're trained you know

840

00:31:55,830 --> 00:31:54,240

you don't interject so i always found it

841

00:31:57,509 --> 00:31:55,840

easier i never talked about my

842

00:32:00,310 --> 00:31:57,519

experiences but

843

00:32:02,310 --> 00:32:00,320

but one evening i was awoken and got to

844

00:32:04,149 --> 00:32:02,320

the cedar chest looked out the window at

845

00:32:05,190 --> 00:32:04,159

the field with what i thought was

846

00:32:07,990 --> 00:32:05,200

lightning

847

00:32:10,310 --> 00:32:08,000

and as i'm looking out the window

848

00:32:11,909 --> 00:32:10,320

coming across i could see from my right

849

00:32:14,070 --> 00:32:11,919

right in front of me

850

00:32:16,470 --> 00:32:14,080

now at the time i didn't even know you

851  
00:32:18,789 --> 00:32:16,480  
know what a reptilian was

852  
00:32:20,230 --> 00:32:18,799  
and uh there again you always have to

853  
00:32:23,830 --> 00:32:20,240  
question

854  
00:32:26,310 --> 00:32:23,840  
your your own reality and artificial

855  
00:32:28,389 --> 00:32:26,320  
sensations maybe substituting

856  
00:32:29,350 --> 00:32:28,399  
what you're seeing for some reason or

857  
00:32:32,230 --> 00:32:29,360  
another

858  
00:32:34,710 --> 00:32:32,240  
and uh yeah that's pretty close to the

859  
00:32:36,789 --> 00:32:34,720  
face what i've seen with big yellow eyes

860  
00:32:38,630 --> 00:32:36,799  
but as it got right parallel in front of

861  
00:32:40,710 --> 00:32:38,640  
me it turned

862  
00:32:42,789 --> 00:32:40,720  
and looked me right in the eyes with

863  
00:32:43,990 --> 00:32:42,799

these big yellow eyes

864

00:32:46,549 --> 00:32:44,000

now

865

00:32:47,990 --> 00:32:46,559

the next thing i remember was i woke up

866

00:32:51,590 --> 00:32:48,000

the next morning

867

00:32:53,509 --> 00:32:51,600

on the floor in my parents bedroom

868

00:32:54,470 --> 00:32:53,519

and my father i didn't understand the

869

00:32:56,149 --> 00:32:54,480

anger

870

00:32:58,470 --> 00:32:56,159

he got out of bed and stepped right on

871

00:33:00,149 --> 00:32:58,480

my stomach and of course he was angry he

872

00:33:02,389 --> 00:33:00,159

thought he injured me

873

00:33:03,430 --> 00:33:02,399

and he said what are you doing here

874

00:33:05,750 --> 00:33:03,440

and

875

00:33:08,549 --> 00:33:05,760

the only thing i could say to him was

876

00:33:10,470 --> 00:33:08,559

t-rex man was in my room or t-rex man

877

00:33:11,269 --> 00:33:10,480

was outside my room

878

00:33:13,750 --> 00:33:11,279

and

879

00:33:16,950 --> 00:33:13,760

to this day that is the most vivid

880

00:33:19,350 --> 00:33:16,960

memory i think i have

881

00:33:22,070 --> 00:33:19,360

now that was a one-time experience

882

00:33:25,269 --> 00:33:22,080

no craft nothing like that

883

00:33:28,870 --> 00:33:25,279

i i the unique thing about it was bruce

884

00:33:31,350 --> 00:33:28,880

whitaman the state director for missouri

885

00:33:33,029 --> 00:33:31,360

lived not too far from me at the time as

886

00:33:35,909 --> 00:33:33,039

the crow flies

887

00:33:38,710 --> 00:33:35,919

and had a very vivid experience and

888

00:33:40,389 --> 00:33:38,720

abduction scenario and that's what got

889

00:33:41,350 --> 00:33:40,399

him in ufology

890

00:33:43,990 --> 00:33:41,360

so

891

00:33:47,190 --> 00:33:44,000

i will tell you in off the record

892

00:33:49,190 --> 00:33:47,200

i have not run into anybody that is an

893

00:33:50,389 --> 00:33:49,200

investigator or works with mufon or been

894

00:33:52,470 --> 00:33:50,399

in this field

895

00:33:55,430 --> 00:33:52,480

that has not had a personal experience

896

00:33:57,110 --> 00:33:55,440

like that i only know of one

897

00:33:59,430 --> 00:33:57,120

and that's stan gordon

898

00:34:01,750 --> 00:33:59,440

yeah and he'll admit that i mean you

899

00:34:04,230 --> 00:34:01,760

know stan will tell you i had never had

900

00:34:06,070 --> 00:34:04,240

an encounter any of anything i've seen a

901  
00:34:08,470 --> 00:34:06,080  
ufo but i've never had an encounter or

902  
00:34:10,069 --> 00:34:08,480  
any being or anything and he is he's

903  
00:34:11,750 --> 00:34:10,079  
he's an exception because most people

904  
00:34:13,430 --> 00:34:11,760  
seem to have had an encounter of some

905  
00:34:15,589 --> 00:34:13,440  
type

906  
00:34:17,589 --> 00:34:15,599  
so uh albert what uh

907  
00:34:18,550 --> 00:34:17,599  
what have you experienced

908  
00:34:20,790 --> 00:34:18,560  
well

909  
00:34:23,510 --> 00:34:20,800  
the one that i remember most

910  
00:34:25,190 --> 00:34:23,520  
most is uh back in maybe seven or eight

911  
00:34:26,790 --> 00:34:25,200  
years old i was in

912  
00:34:28,389 --> 00:34:26,800  
in cuba

913  
00:34:29,750 --> 00:34:28,399

um

914

00:34:31,990 --> 00:34:29,760

they were all we were all sitting

915

00:34:33,190 --> 00:34:32,000

outside it was one of those days or one

916

00:34:35,589 --> 00:34:33,200

of those nights where they had a

917

00:34:37,109 --> 00:34:35,599

blackout so people used to when they had

918

00:34:38,310 --> 00:34:37,119

the blackout they will sit outside and

919

00:34:41,270 --> 00:34:38,320

talk

920

00:34:44,790 --> 00:34:41,280

and we were sitting there and across the

921

00:34:47,829 --> 00:34:44,800

street over a house a craft

922

00:34:50,069 --> 00:34:47,839

that i remember was sort of

923

00:34:52,389 --> 00:34:50,079

egg shaped or

924

00:34:56,310 --> 00:34:52,399

like this it

925

00:34:58,550 --> 00:34:56,320

very luminous appear metallic it flew by

926  
00:35:00,310 --> 00:34:58,560  
and everyone there was

927  
00:35:02,310 --> 00:35:00,320  
saying look you know some of the people

928  
00:35:04,550 --> 00:35:02,320  
who scream saying look the americans

929  
00:35:07,109 --> 00:35:04,560  
because that was during the time of the

930  
00:35:09,670 --> 00:35:07,119  
yeah the bail pigs and uh

931  
00:35:12,550 --> 00:35:09,680  
yeah all that uh

932  
00:35:14,790 --> 00:35:12,560  
almost world war three but anyway

933  
00:35:16,310 --> 00:35:14,800  
uh it flew by and

934  
00:35:19,109 --> 00:35:16,320  
for some reason i wasn't

935  
00:35:21,349 --> 00:35:19,119  
drawn to it interest and i ran after it

936  
00:35:22,950 --> 00:35:21,359  
or under it and it went behind a field

937  
00:35:26,470 --> 00:35:22,960  
where i lived

938  
00:35:29,990 --> 00:35:26,480

i stood under it i looked up

939

00:35:31,829 --> 00:35:30,000

and i i was just fascinated and next

940

00:35:32,470 --> 00:35:31,839

thing i knew my mother was calling me

941

00:35:34,790 --> 00:35:32,480

and

942

00:35:36,710 --> 00:35:34,800

i felt like i was i was all wet

943

00:35:38,150 --> 00:35:36,720

and rain

944

00:35:41,109 --> 00:35:38,160

and my mother wanted to know where i had

945

00:35:42,630 --> 00:35:41,119

been it was really late at night so

946

00:35:44,550 --> 00:35:42,640

and i never gone

947

00:35:47,270 --> 00:35:44,560

have done a regression

948

00:35:49,109 --> 00:35:47,280

which i hope to to do one day see what

949

00:35:51,190 --> 00:35:49,119

what really happened that day

950

00:35:53,589 --> 00:35:51,200

interesting but that's one of the

951  
00:35:56,870 --> 00:35:53,599  
interesting encounters that i had

952  
00:35:59,510 --> 00:35:56,880  
i also had like what i like to call a

953  
00:36:02,150 --> 00:35:59,520  
an apparition or a ghostly encounter and

954  
00:36:04,550 --> 00:36:02,160  
also in cuba where my house

955  
00:36:07,829 --> 00:36:04,560  
that the area where i lived is

956  
00:36:09,750 --> 00:36:07,839  
pretty old you know a lot of the spanish

957  
00:36:11,109 --> 00:36:09,760  
used to construct that in that area

958  
00:36:12,550 --> 00:36:11,119  
there

959  
00:36:14,630 --> 00:36:12,560  
uh

960  
00:36:15,589 --> 00:36:14,640  
i was walking along from the kitchen

961  
00:36:17,109 --> 00:36:15,599  
through

962  
00:36:19,750 --> 00:36:17,119  
to my uh

963  
00:36:22,550 --> 00:36:19,760

bedroom there was a corridor

964

00:36:24,470 --> 00:36:22,560

a hallway and there was a mirror and in

965

00:36:25,910 --> 00:36:24,480

the center of the hallway

966

00:36:28,630 --> 00:36:25,920

and i was walking by and i looked at the

967

00:36:31,109 --> 00:36:28,640

mirror and there was a man

968

00:36:33,270 --> 00:36:31,119

a man's head face

969

00:36:35,109 --> 00:36:33,280

he looked like he was wearing a helmet

970

00:36:36,790 --> 00:36:35,119

like metallic

971

00:36:39,670 --> 00:36:36,800

like those helmets that the spanish

972

00:36:42,310 --> 00:36:39,680

conquistadors wore i swear to god and he

973

00:36:46,230 --> 00:36:42,320

had a beard black beard and he was just

974

00:36:50,550 --> 00:36:47,829

you know i mean i was a kid i had no

975

00:36:52,710 --> 00:36:50,560

idea what's going on i yelled at my mom

976

00:36:54,950 --> 00:36:52,720

she ran over and i pointed at the mirror

977

00:36:56,790 --> 00:36:54,960

of course he was gone

978

00:36:58,630 --> 00:36:56,800

and

979

00:37:00,790 --> 00:36:58,640

that was that's interesting because i

980

00:37:02,270 --> 00:37:00,800

had just had a report from pennsylvania

981

00:37:04,390 --> 00:37:02,280

by pennsylvania hunter who had a

982

00:37:06,390 --> 00:37:04,400

conquistador frontier

983

00:37:08,310 --> 00:37:06,400

of them up in the boondocks up in the

984

00:37:10,310 --> 00:37:08,320

mountains of pennsylvania i think i read

985

00:37:11,430 --> 00:37:10,320

that in your yeah yeah that was

986

00:37:14,069 --> 00:37:11,440

interesting

987

00:37:16,310 --> 00:37:14,079

and lynn you know in your bio you had

988

00:37:19,109 --> 00:37:16,320

you had mentioned about your um

989

00:37:21,349 --> 00:37:19,119

your great grandmother why uh

990

00:37:22,550 --> 00:37:21,359

it had appeared before you read or she

991

00:37:24,390 --> 00:37:22,560

passed

992

00:37:26,950 --> 00:37:24,400

and i had the same experience with my

993

00:37:28,790 --> 00:37:26,960

great aunt she appeared before myself my

994

00:37:30,630 --> 00:37:28,800

mother and my grandmother at three

995

00:37:32,790 --> 00:37:30,640

different locations

996

00:37:34,790 --> 00:37:32,800

at the same time we were on the phone as

997

00:37:36,230 --> 00:37:34,800

soon as it happened so

998

00:37:38,150 --> 00:37:36,240

yeah i mean people are questioning these

999

00:37:39,430 --> 00:37:38,160

things but they do happen i guess they

1000

00:37:41,990 --> 00:37:39,440

connect and

1001  
00:37:44,310 --> 00:37:42,000  
they really have it really you know

1002  
00:37:47,430 --> 00:37:44,320  
so um i i got an interesting question

1003  
00:37:50,630 --> 00:37:47,440  
here from summer night uh about faraday

1004  
00:37:52,550 --> 00:37:50,640  
cages and if they can stop the i assume

1005  
00:37:54,230 --> 00:37:52,560  
the aliens from planting or reading

1006  
00:37:56,710 --> 00:37:54,240  
mines or

1007  
00:37:58,550 --> 00:37:56,720  
maybe even the government can or

1008  
00:38:00,710 --> 00:37:58,560  
what are your do you think the faraday

1009  
00:38:02,829 --> 00:38:00,720  
cages are valid or do you think that

1010  
00:38:06,069 --> 00:38:02,839  
there's any validity to that to

1011  
00:38:08,710 --> 00:38:06,079  
that uh lin let me start with you

1012  
00:38:12,310 --> 00:38:10,630  
i'm not sure i mean i

1013  
00:38:14,470 --> 00:38:12,320

from my understanding of faraday cages

1014

00:38:16,829 --> 00:38:14,480

and i'm certainly not an expert in them

1015

00:38:20,790 --> 00:38:16,839

as they block electromagnetic

1016

00:38:23,190 --> 00:38:20,800

frequencies um so it depends on i guess

1017

00:38:23,990 --> 00:38:23,200

what technology or

1018

00:38:25,510 --> 00:38:24,000

um

1019

00:38:27,030 --> 00:38:25,520

you know if it's a consciousness-based

1020

00:38:29,030 --> 00:38:27,040

technology i feel weird we're using the

1021

00:38:30,069 --> 00:38:29,040

word technology but i don't really know

1022

00:38:31,910 --> 00:38:30,079

um

1023

00:38:33,510 --> 00:38:31,920

another way to to put it it depends on

1024

00:38:35,270 --> 00:38:33,520

what the aliens are doing how they're

1025

00:38:36,790 --> 00:38:35,280

doing it if it's not electromagnetic

1026  
00:38:38,870 --> 00:38:36,800  
then i don't think a faraday cage would

1027  
00:38:39,990 --> 00:38:38,880  
do much as far as the government

1028  
00:38:41,510 --> 00:38:40,000  
possibly

1029  
00:38:45,910 --> 00:38:41,520  
yeah

1030  
00:38:47,910 --> 00:38:45,920  
who who's trying to block the government

1031  
00:38:50,390 --> 00:38:47,920  
and getting into their head and

1032  
00:38:52,310 --> 00:38:50,400  
they uh they probably ever construct

1033  
00:38:53,670 --> 00:38:52,320  
these faraday cages

1034  
00:38:57,030 --> 00:38:53,680  
i just thought it was an interesting

1035  
00:38:58,790 --> 00:38:57,040  
question for uh for this discussion to

1036  
00:39:02,069 --> 00:38:58,800  
uh thomas do you have any thoughts on

1037  
00:39:04,870 --> 00:39:02,079  
that in like she's in some instance it

1038  
00:39:07,270 --> 00:39:04,880

can be useful it depends uh

1039

00:39:09,750 --> 00:39:07,280

but but you always have to realize we're

1040

00:39:12,870 --> 00:39:09,760

dealing with an intelligence that is

1041

00:39:15,829 --> 00:39:12,880

always one step ahead of you it always

1042

00:39:17,990 --> 00:39:15,839

knows where you're going to go

1043

00:39:21,829 --> 00:39:18,000

it just so and you're dealing with such

1044

00:39:23,829 --> 00:39:21,839

a wide range of technology here uh

1045

00:39:25,430 --> 00:39:23,839

you know out in marley the one thing

1046

00:39:27,670 --> 00:39:25,440

that we dealt with that was really

1047

00:39:30,230 --> 00:39:27,680

detrimental to us and i don't know how

1048

00:39:31,030 --> 00:39:30,240

you protect against it and

1049

00:39:32,630 --> 00:39:31,040

uh

1050

00:39:35,190 --> 00:39:32,640

there's a phenomenon out there called

1051  
00:39:36,790 --> 00:39:35,200  
the light beam now just quite briefly

1052  
00:39:38,310 --> 00:39:36,800  
what that means is there's

1053  
00:39:40,230 --> 00:39:38,320  
the old-timers have seen this

1054  
00:39:43,190 --> 00:39:40,240  
experienced it and it's a light beam

1055  
00:39:45,270 --> 00:39:43,200  
that's sweeping around uh we believe

1056  
00:39:46,390 --> 00:39:45,280  
it's high in microwave energy content

1057  
00:39:49,190 --> 00:39:46,400  
because

1058  
00:39:51,030 --> 00:39:49,200  
uh it did hit myself another individual

1059  
00:39:53,030 --> 00:39:51,040  
and ted phillips and i

1060  
00:39:55,430 --> 00:39:53,040  
it came up and hit our vehicle and i

1061  
00:39:57,430 --> 00:39:55,440  
hate to draw the analogy to the scene

1062  
00:39:59,750 --> 00:39:57,440  
from close encounters but that's exactly

1063  
00:40:02,150 --> 00:39:59,760

what we had happen it came up on our

1064

00:40:02,870 --> 00:40:02,160

vehicle was there and we jumped out it

1065

00:40:04,870 --> 00:40:02,880

was

1066

00:40:06,550 --> 00:40:04,880

illuminated the inside of the vehicle so

1067

00:40:07,990 --> 00:40:06,560

brightly you couldn't even see and i

1068

00:40:10,550 --> 00:40:08,000

asked ted i said

1069

00:40:12,710 --> 00:40:10,560

are you seeing this ted and he said ted

1070

00:40:14,550 --> 00:40:12,720

said well hell yes i'm seeing this tom

1071

00:40:15,829 --> 00:40:14,560

and we jumped out which wasn't a wise

1072

00:40:17,910 --> 00:40:15,839

thing to do

1073

00:40:19,990 --> 00:40:17,920

and we looked up and we seen i know a

1074

00:40:22,950 --> 00:40:20,000

little bit about lighting and this was

1075

00:40:24,950 --> 00:40:22,960

of such a i just we i just worked on a

1076

00:40:26,950 --> 00:40:24,960

television show we tried to recreate a

1077

00:40:28,710 --> 00:40:26,960

light beam in the field

1078

00:40:30,309 --> 00:40:28,720

and i don't know how you could do this

1079

00:40:32,550 --> 00:40:30,319

to the intensity

1080

00:40:36,150 --> 00:40:32,560

but when we jumped out we seen a light

1081

00:40:38,870 --> 00:40:36,160

beam retract from us in the vehicle and

1082

00:40:41,109 --> 00:40:38,880

you could see a definite cut-off end

1083

00:40:43,589 --> 00:40:41,119

and it retracted no structured craft

1084

00:40:45,670 --> 00:40:43,599

anything above us where it went into but

1085

00:40:48,230 --> 00:40:45,680

as ted said it it went into like a

1086

00:40:49,750 --> 00:40:48,240

twisting reflex action like in an old

1087

00:40:52,309 --> 00:40:49,760

shutter and a camera

1088

00:40:53,349 --> 00:40:52,319

and it was just snapped out it was gone

1089

00:40:57,510 --> 00:40:53,359

and

1090

00:40:58,950 --> 00:40:57,520

physically sick

1091

00:41:00,790 --> 00:40:58,960

uh

1092

00:41:02,069 --> 00:41:00,800

and i thought i was fortunate at the

1093

00:41:03,190 --> 00:41:02,079

time i didn't

1094

00:41:05,349 --> 00:41:03,200

get sick

1095

00:41:06,870 --> 00:41:05,359

didn't vomit and

1096

00:41:09,910 --> 00:41:06,880

in hindsight i wished i would have

1097

00:41:11,750 --> 00:41:09,920

because i came away then years

1098

00:41:14,710 --> 00:41:11,760

with through the next year

1099

00:41:16,230 --> 00:41:14,720

uh i had dark brown hair at the time and

1100

00:41:18,230 --> 00:41:16,240

i went back

1101

00:41:20,390 --> 00:41:18,240

two weeks later went back home

1102

00:41:22,470 --> 00:41:20,400

i had a scalp thing they thought i had

1103

00:41:23,349 --> 00:41:22,480

shingles i couldn't touch my

1104

00:41:24,710 --> 00:41:23,359

head

1105

00:41:25,910 --> 00:41:24,720

and they just determined it was some

1106

00:41:27,589 --> 00:41:25,920

kind of burn

1107

00:41:29,910 --> 00:41:27,599

radiation or sun

1108

00:41:32,069 --> 00:41:29,920

the local doctor and uh

1109

00:41:33,190 --> 00:41:32,079

then in the process over a month my hair

1110

00:41:35,349 --> 00:41:33,200

turned from

1111

00:41:36,470 --> 00:41:35,359

dark brown to what you see today which

1112

00:41:38,470 --> 00:41:36,480

is blonde

1113

00:41:41,190 --> 00:41:38,480

possibly white

1114

00:41:44,550 --> 00:41:41,200

and then i had eye troubles i had

1115

00:41:45,349 --> 00:41:44,560

macular cysts and cataracts removed

1116

00:41:47,990 --> 00:41:45,359

so

1117

00:41:49,190 --> 00:41:48,000

there are physical effects from this and

1118

00:41:51,190 --> 00:41:49,200

it happens

1119

00:41:53,910 --> 00:41:51,200

and they've experienced this similar to

1120

00:41:56,470 --> 00:41:53,920

this at skinwalker over the years

1121

00:41:57,670 --> 00:41:56,480

so it does happen so i just want to warn

1122

00:41:58,630 --> 00:41:57,680

people when they get out there in the

1123

00:41:59,589 --> 00:41:58,640

field

1124

00:42:02,630 --> 00:41:59,599

uh

1125

00:42:04,790 --> 00:42:02,640

be careful and always have some you know

1126

00:42:05,990 --> 00:42:04,800

we we'd always go out in pairs and we'd

1127

00:42:08,630 --> 00:42:06,000

always have

1128

00:42:11,030 --> 00:42:08,640

some type of equipment to monitor and in

1129

00:42:12,950 --> 00:42:11,040

our case we deemed it to be microwave

1130

00:42:14,950 --> 00:42:12,960

spectrum radiation

1131

00:42:17,750 --> 00:42:14,960

and always be prepared and and be

1132

00:42:18,950 --> 00:42:17,760

looking for this you know so

1133

00:42:23,030 --> 00:42:18,960

uh

1134

00:42:24,870 --> 00:42:23,040

but but there is that reality to it

1135

00:42:27,910 --> 00:42:24,880

so albert uh what do you think i guess

1136

00:42:31,829 --> 00:42:27,920

the tinfoil hats don't work either

1137

00:42:34,230 --> 00:42:31,839

no i tried it and then it worked

1138

00:42:35,750 --> 00:42:34,240

but you know i think faraday cases i

1139

00:42:37,270 --> 00:42:35,760

don't know too much about them

1140

00:42:38,390 --> 00:42:37,280

but i think it's a waste of time because

1141

00:42:40,390 --> 00:42:38,400

i don't think that's going to stop

1142

00:42:42,150 --> 00:42:40,400

anything if they really wanted to

1143

00:42:42,950 --> 00:42:42,160

prove us thinking that it's not going to

1144

00:42:45,990 --> 00:42:42,960

stop

1145

00:42:47,750 --> 00:42:46,000

and i agree tom here you know they

1146

00:42:49,270 --> 00:42:47,760

a lot of people

1147

00:42:50,630 --> 00:42:49,280

they want to have an encounter they want

1148

00:42:52,870 --> 00:42:50,640

to rush in and

1149

00:42:53,910 --> 00:42:52,880

greet the aliens or whoever they are but

1150

00:42:58,470 --> 00:42:53,920

i don't

1151

00:42:59,589 --> 00:42:58,480

only fools rush in okay

1152

00:43:01,270 --> 00:42:59,599

stay back

1153

00:43:03,670 --> 00:43:01,280

and see what happens but there's too

1154

00:43:05,109 --> 00:43:03,680

many cases that i know about i

1155

00:43:06,550 --> 00:43:05,119

read about

1156

00:43:08,710 --> 00:43:06,560

in which

1157

00:43:10,630 --> 00:43:08,720

uh people their hair turns white

1158

00:43:13,030 --> 00:43:10,640

overnight yeah there's been a lot of

1159

00:43:14,309 --> 00:43:13,040

cases that in south america that's

1160

00:43:16,630 --> 00:43:14,319

overnight

1161

00:43:19,109 --> 00:43:16,640

and many people have died after an

1162

00:43:20,550 --> 00:43:19,119

encounter oh yes suffering from

1163

00:43:24,150 --> 00:43:20,560

radiation

1164

00:43:26,069 --> 00:43:24,160

symptoms in spain and south america even

1165

00:43:27,589 --> 00:43:26,079

here in the u.s

1166

00:43:29,190 --> 00:43:27,599

so

1167

00:43:30,870 --> 00:43:29,200

i'm not saying all the encounters are

1168

00:43:33,990 --> 00:43:30,880

like that way but

1169

00:43:36,069 --> 00:43:34,000

yeah you have to be careful you have to

1170

00:43:37,750 --> 00:43:36,079

uh we got a question here and i i can

1171

00:43:40,230 --> 00:43:37,760

answer this a little bit uh vincent asks

1172

00:43:42,790 --> 00:43:40,240

do extraterrestrials remove fuel

1173

00:43:44,390 --> 00:43:42,800

and and like we try to remove remote

1174

00:43:46,470 --> 00:43:44,400

view them well

1175

00:43:48,630 --> 00:43:46,480

i'm a train remote viewer

1176

00:43:50,870 --> 00:43:48,640

so i have tried this

1177

00:43:52,870 --> 00:43:50,880

and uh i think they can

1178

00:43:55,270 --> 00:43:52,880

but i think they have the ability to to

1179

00:43:57,670 --> 00:43:55,280

stop it i had a i was involved with a

1180

00:43:58,710 --> 00:43:57,680

remote view when i was training

1181

00:44:01,589 --> 00:43:58,720

where

1182

00:44:04,790 --> 00:44:01,599

the monitor had sent me into

1183

00:44:08,470 --> 00:44:04,800

a location off earth and uh i don't know

1184

00:44:10,950 --> 00:44:08,480

where i was but i was in a cabin and

1185

00:44:13,349 --> 00:44:10,960

this i mean this thing was huge

1186

00:44:16,069 --> 00:44:13,359

and you know walk through it it was

1187

00:44:18,309 --> 00:44:16,079

very humid smell it

1188

00:44:20,069 --> 00:44:18,319

seemed like the walls are alive

1189

00:44:22,150 --> 00:44:20,079

i walked through this thing and i got to

1190

00:44:24,470 --> 00:44:22,160

a location where they were it looked

1191

00:44:26,710 --> 00:44:24,480

like humans were sitting there working

1192

00:44:28,550 --> 00:44:26,720

on some type of controls and such there

1193

00:44:31,030 --> 00:44:28,560

was a big window there

1194

00:44:34,069 --> 00:44:31,040

and this huge

1195

00:44:35,430 --> 00:44:34,079

t-rex looking thing came walking

1196

00:44:41,670 --> 00:44:35,440

in

1197

00:44:44,150 --> 00:44:41,680

through my remote view

1198

00:44:46,790 --> 00:44:44,160

and i i kept looking at it until this

1199

00:44:48,309 --> 00:44:46,800

thing looked at me

1200

00:44:52,230 --> 00:44:48,319

then i

1201

00:44:55,349 --> 00:44:52,240

realized this thing saw me somehow

1202

00:44:57,750 --> 00:44:55,359

the monitor pulled me out immediately

1203

00:45:00,710 --> 00:44:57,760

but uh i think they do have the ability

1204

00:45:02,230 --> 00:45:00,720

to either stew it or stop it uh you know

1205

00:45:04,710 --> 00:45:02,240

when i've been involved with the david

1206

00:45:06,630 --> 00:45:04,720

eckhart case and um

1207

00:45:08,550 --> 00:45:06,640

when i first started working with him we

1208

00:45:11,109 --> 00:45:08,560

tried several remote views with him and

1209

00:45:12,630 --> 00:45:11,119

got cut off immediately i mean it just

1210

00:45:15,910 --> 00:45:12,640

everything went blank

1211

00:45:18,870 --> 00:45:15,920

now i i know you discussed reviewing uh

1212

00:45:21,910 --> 00:45:18,880

lynn what are your thoughts on that

1213

00:45:23,910 --> 00:45:21,920

uh i i agree 100 um

1214

00:45:25,589 --> 00:45:23,920

that absolutely they can look in on us i

1215

00:45:27,589 --> 00:45:25,599

mean again like like we've all kind of

1216

00:45:29,190 --> 00:45:27,599

said we have to remember these beings

1217

00:45:31,030 --> 00:45:29,200

and it's not just one particular race

1218

00:45:34,069 --> 00:45:31,040

but these beings are much more advanced

1219

00:45:35,829 --> 00:45:34,079

than we are by who knows how much

1220

00:45:38,230 --> 00:45:35,839

you know could be millions of years more

1221

00:45:40,630 --> 00:45:38,240

advanced than we are so any capability

1222

00:45:43,670 --> 00:45:40,640

that we have they are going to have

1223

00:45:45,270 --> 00:45:43,680

tenfold if not more um and i've heard a

1224

00:45:47,270 --> 00:45:45,280

lot of people say the same thing that

1225

00:45:49,589 --> 00:45:47,280

that you were just saying about how they

1226

00:45:51,109 --> 00:45:49,599

were remote viewing or um

1227

00:45:53,109 --> 00:45:51,119

whether they intentionally did you or

1228

00:45:55,430 --> 00:45:53,119

not sometimes to kind of stumble upon

1229

00:45:57,910 --> 00:45:55,440

you know like these alien beings but

1230

00:46:00,069 --> 00:45:57,920

have them have the same experience they

1231

00:46:02,390 --> 00:46:00,079

they just turn and like make almost like

1232

00:46:05,670 --> 00:46:02,400

make eye contact with them and they

1233

00:46:07,670 --> 00:46:05,680

realize that they're being seen so um

1234

00:46:09,430 --> 00:46:07,680

i think they absolutely can and if you

1235

00:46:10,950 --> 00:46:09,440

think about it it's a much safer way for

1236

00:46:12,950 --> 00:46:10,960

them if they're going to be checking in

1237

00:46:14,470 --> 00:46:12,960

on people if that's what they're doing

1238

00:46:15,910 --> 00:46:14,480

it's a much safer way for them to do it

1239

00:46:17,670 --> 00:46:15,920

i mean i wouldn't want to physically

1240

00:46:21,270 --> 00:46:17,680

come to this planet i think that'd be

1241

00:46:23,109 --> 00:46:21,280

crazy i wouldn't want to do it

1242

00:46:25,109 --> 00:46:23,119

you know when i had when i went into

1243

00:46:26,710 --> 00:46:25,119

this location i was scared to death i

1244

00:46:29,030 --> 00:46:26,720

swear to god because i had no idea where

1245

00:46:30,230 --> 00:46:29,040

i was going to yeah it was part of my

1246

00:46:31,990 --> 00:46:30,240

training

1247

00:46:34,950 --> 00:46:32,000

but uh yeah it was it was quite an

1248

00:46:37,030 --> 00:46:34,960

experience um thomas here

1249

00:46:37,910 --> 00:46:37,040

yeah can i ask you a quick question yeah

1250

00:46:40,390 --> 00:46:37,920

go ahead

1251  
00:46:42,950 --> 00:46:40,400  
so sorry tom so

1252  
00:46:44,950 --> 00:46:42,960  
this is very fascinating so

1253  
00:46:46,710 --> 00:46:44,960  
with this remote did the remote viewer

1254  
00:46:48,630 --> 00:46:46,720  
or the person that was training you did

1255  
00:46:50,069 --> 00:46:48,640  
they know where they were sending you

1256  
00:46:50,790 --> 00:46:50,079  
they did

1257  
00:46:53,430 --> 00:46:50,800  
yes

1258  
00:46:55,589 --> 00:46:53,440  
what what i tell you i i don't know if

1259  
00:46:58,309 --> 00:46:55,599  
you're going to um

1260  
00:47:00,790 --> 00:46:58,319  
uh scientific reviewing or coordinating

1261  
00:47:01,829 --> 00:47:00,800  
reviewing you know you use a series of

1262  
00:47:02,790 --> 00:47:01,839  
numbers

1263  
00:47:04,950 --> 00:47:02,800

yeah

1264

00:47:06,470 --> 00:47:04,960

and uh

1265

00:47:09,190 --> 00:47:06,480

i don't know they

1266

00:47:11,190 --> 00:47:09,200

knew exactly where they were sending me

1267

00:47:13,109 --> 00:47:11,200

but i i think

1268

00:47:15,109 --> 00:47:13,119

you know and i i don't know how that's

1269

00:47:17,670 --> 00:47:15,119

exactly done i mean i've never been a

1270

00:47:20,790 --> 00:47:17,680

monitor you know i kind of have been

1271

00:47:22,309 --> 00:47:20,800

involved with remote view sessions

1272

00:47:24,470 --> 00:47:22,319

with teams

1273

00:47:26,950 --> 00:47:24,480

where would be a different locations and

1274

00:47:28,470 --> 00:47:26,960

get together and put all our findings

1275

00:47:29,829 --> 00:47:28,480

together

1276

00:47:31,589 --> 00:47:29,839

but uh

1277

00:47:33,670 --> 00:47:31,599

i mean that's what they were sending me

1278

00:47:36,150 --> 00:47:33,680

and that's their their intention was to

1279

00:47:37,030 --> 00:47:36,160

send me someplace other than on earth

1280

00:47:38,630 --> 00:47:37,040

yeah

1281

00:47:40,790 --> 00:47:38,640

that of course you didn't tell me that

1282

00:47:43,430 --> 00:47:40,800

but that's what happened oh so that was

1283

00:47:45,510 --> 00:47:43,440

just nice

1284

00:47:48,230 --> 00:47:45,520

yeah wow so clearly they knew something

1285

00:47:49,990 --> 00:47:48,240

was there wherever well i told her

1286

00:47:51,430 --> 00:47:50,000

i told her look there's something here

1287

00:47:53,109 --> 00:47:51,440

it's not something's not right she

1288

00:47:54,950 --> 00:47:53,119

pulled me out

1289

00:47:56,710 --> 00:47:54,960

so uh yeah

1290

00:47:58,630 --> 00:47:56,720

all right sorry thomas what do you say

1291

00:48:01,190 --> 00:47:58,640

no i i was just going to say that one

1292

00:48:02,309 --> 00:48:01,200

thing i always remember that i was told

1293

00:48:04,470 --> 00:48:02,319

is

1294

00:48:06,230 --> 00:48:04,480

a lot of what comes through in most in

1295

00:48:07,510 --> 00:48:06,240

fact what comes through the dimensional

1296

00:48:10,549 --> 00:48:07,520

boundaries

1297

00:48:13,109 --> 00:48:10,559

has not the authority to be here

1298

00:48:14,790 --> 00:48:13,119

and it's not good that's not to say at

1299

00:48:16,549 --> 00:48:14,800

times there are things that have the

1300

00:48:17,430 --> 00:48:16,559

authority that come through

1301  
00:48:23,670 --> 00:48:17,440  
that

1302  
00:48:24,870 --> 00:48:23,680  
what i was told

1303  
00:48:27,109 --> 00:48:24,880  
so

1304  
00:48:28,710 --> 00:48:27,119  
and you i always keep that in the back

1305  
00:48:30,069 --> 00:48:28,720  
of my mind when i'm dealing and i do

1306  
00:48:33,510 --> 00:48:30,079  
believe that

1307  
00:48:35,829 --> 00:48:33,520  
fear is a factor as a tool that they use

1308  
00:48:38,390 --> 00:48:35,839  
either they feed off it for energy or

1309  
00:48:40,950 --> 00:48:38,400  
they use it to manipulate people

1310  
00:48:43,510 --> 00:48:40,960  
to do whatever they they wish or to see

1311  
00:48:45,030 --> 00:48:43,520  
quite frankly like ted said we we

1312  
00:48:46,870 --> 00:48:45,040  
thought we were in a living laboratory

1313  
00:48:48,950 --> 00:48:46,880

and at times he felt like

1314

00:48:51,190 --> 00:48:48,960

they were in their laboratory and

1315

00:48:52,470 --> 00:48:51,200

they were experimenting on us

1316

00:48:53,990 --> 00:48:52,480

uh

1317

00:48:55,910 --> 00:48:54,000

because we just had so many things

1318

00:48:58,390 --> 00:48:55,920

happen to us and animals

1319

00:48:59,829 --> 00:48:58,400

had large amounts of cattle mutilation

1320

00:49:02,150 --> 00:48:59,839

and uh

1321

00:49:04,870 --> 00:49:02,160

things happened to horses and barns it

1322

00:49:05,910 --> 00:49:04,880

is unimaginable

1323

00:49:10,710 --> 00:49:05,920

that

1324

00:49:13,190 --> 00:49:10,720

a large part of what comes through does

1325

00:49:15,030 --> 00:49:13,200

not have the authority to be here

1326

00:49:16,710 --> 00:49:15,040

so

1327

00:49:19,190 --> 00:49:16,720

it's always you have to question its

1328

00:49:21,670 --> 00:49:19,200

motivation so right

1329

00:49:23,589 --> 00:49:21,680

so albert what do you think

1330

00:49:26,069 --> 00:49:23,599

well i uh it's interesting that you

1331

00:49:28,230 --> 00:49:26,079

mentioned that you you say you were

1332

00:49:29,589 --> 00:49:28,240

remote viewed of world but you don't

1333

00:49:31,270 --> 00:49:29,599

know where

1334

00:49:33,510 --> 00:49:31,280

mars the moon

1335

00:49:36,069 --> 00:49:33,520

no no exactly but it's funny that you

1336

00:49:37,750 --> 00:49:36,079

mention a cavern and a reptilian because

1337

00:49:38,710 --> 00:49:37,760

a lot of the encounters of reptilians

1338

00:49:42,950 --> 00:49:38,720

are

1339

00:49:46,069 --> 00:49:42,960

occurred in caverns underground

1340

00:49:48,710 --> 00:49:46,079

here on earth mm-hmm yeah right

1341

00:49:50,790 --> 00:49:48,720

david eckhart situation and i wrote

1342

00:49:52,230 --> 00:49:50,800

about in my book i mean you know

1343

00:49:54,390 --> 00:49:52,240

he was taken to

1344

00:49:55,349 --> 00:49:54,400

what he believes is is a cavern on the

1345

00:49:58,230 --> 00:49:55,359

planet

1346

00:50:00,230 --> 00:49:58,240

and uh by this reptilian and those that

1347

00:50:01,030 --> 00:50:00,240

smaller beings that were working with

1348

00:50:04,710 --> 00:50:01,040

him

1349

00:50:07,030 --> 00:50:04,720

and are it and um yeah it seems that

1350

00:50:08,309 --> 00:50:07,040

they were taken to those locations so i

1351  
00:50:09,190 --> 00:50:08,319  
don't know

1352  
00:50:11,829 --> 00:50:09,200  
uh

1353  
00:50:15,510 --> 00:50:11,839  
rd rd 666

1354  
00:50:17,589 --> 00:50:15,520  
killer the researcher native american

1355  
00:50:19,510 --> 00:50:17,599  
in her books she mentions a lot of

1356  
00:50:21,030 --> 00:50:19,520  
encounters with reptilians

1357  
00:50:24,150 --> 00:50:21,040  
underground in

1358  
00:50:26,549 --> 00:50:24,160  
vietnam during the vietnam war and some

1359  
00:50:28,549 --> 00:50:26,559  
here in the uh in the u.s i've gotten

1360  
00:50:30,710 --> 00:50:28,559  
those as well from fascinating

1361  
00:50:31,670 --> 00:50:30,720  
ex-servicemen absolutely

1362  
00:50:33,910 --> 00:50:31,680  
yeah

1363  
00:50:36,069 --> 00:50:33,920

you know it's interesting uh we got a

1364

00:50:38,549 --> 00:50:36,079

question from vince and it kind of ties

1365

00:50:40,390 --> 00:50:38,559

in with with this is uh

1366

00:50:42,630 --> 00:50:40,400

okay they're here and they're doing what

1367

00:50:44,150 --> 00:50:42,640

they're doing they're you know abducting

1368

00:50:45,990 --> 00:50:44,160

or showing up

1369

00:50:48,150 --> 00:50:46,000

what do these aliens want what's their

1370

00:50:49,670 --> 00:50:48,160

agenda

1371

00:50:52,069 --> 00:50:49,680

lin do you have any idea what their

1372

00:50:55,349 --> 00:50:52,079

agenda is

1373

00:50:57,829 --> 00:50:55,359

um well vincent that's a big question

1374

00:50:59,589 --> 00:50:57,839

yet again um i don't know again there's

1375

00:51:00,950 --> 00:50:59,599

a lot of different types of ets that

1376  
00:51:02,549 --> 00:51:00,960  
we're talking about and i think they're

1377  
00:51:04,069 --> 00:51:02,559  
each going to have their own agendas

1378  
00:51:05,910 --> 00:51:04,079  
just like we do

1379  
00:51:07,030 --> 00:51:05,920  
so um

1380  
00:51:08,309 --> 00:51:07,040  
and and then

1381  
00:51:10,309 --> 00:51:08,319  
it gets very complicated that's the

1382  
00:51:11,990 --> 00:51:10,319  
thing i love about this this whole

1383  
00:51:13,750 --> 00:51:12,000  
phenomena is it's very complicated

1384  
00:51:15,510 --> 00:51:13,760  
there's many layers right there's no one

1385  
00:51:17,510 --> 00:51:15,520  
answer to everything

1386  
00:51:19,750 --> 00:51:17,520  
um and so you could look at even just

1387  
00:51:23,589 --> 00:51:19,760  
the grays alone and i've heard from

1388  
00:51:24,870 --> 00:51:23,599

different experiencers um that there

1389

00:51:26,630 --> 00:51:24,880

there are

1390

00:51:28,230 --> 00:51:26,640

i've heard like up to 60 something

1391

00:51:29,829 --> 00:51:28,240

different types of grays that we know

1392

00:51:31,589 --> 00:51:29,839

about and each one of those types might

1393

00:51:33,109 --> 00:51:31,599

have their own agenda

1394

00:51:34,710 --> 00:51:33,119

so um

1395

00:51:36,230 --> 00:51:34,720

it's almost an impossible question to

1396

00:51:38,069 --> 00:51:36,240

answer though we all want to know of

1397

00:51:40,309 --> 00:51:38,079

course why are they here some are

1398

00:51:41,750 --> 00:51:40,319

working with our governments i do think

1399

00:51:43,349 --> 00:51:41,760

some um

1400

00:51:46,069 --> 00:51:43,359

you know i am a big proponent of

1401

00:51:48,230 --> 00:51:46,079

believing that possibly we were um our d

1402

00:51:50,230 --> 00:51:48,240

our g our dna excuse me our dna was

1403

00:51:51,829 --> 00:51:50,240

manipulated way back when and that's how

1404

00:51:53,430 --> 00:51:51,839

we kind of became who we are so maybe

1405

00:51:55,510 --> 00:51:53,440

they're here checking up on us seeing

1406

00:51:57,750 --> 00:51:55,520

how their experiment is going or

1407

00:51:58,549 --> 00:51:57,760

whatever it is they think of us as yeah

1408

00:52:00,950 --> 00:51:58,559

um

1409

00:52:05,190 --> 00:52:00,960

they were the experiment that went that

1410

00:52:06,069 --> 00:52:05,200

keeps on giving to them right yeah

1411

00:52:12,470 --> 00:52:06,079

yeah

1412

00:52:13,190 --> 00:52:12,480

americans that i've talked to about this

1413

00:52:13,990 --> 00:52:13,200

and

1414

00:52:16,549 --> 00:52:14,000

uh

1415

00:52:19,430 --> 00:52:16,559

their name for this is

1416

00:52:21,030 --> 00:52:19,440

in their representation they call them

1417

00:52:23,430 --> 00:52:21,040

the tricksters

1418

00:52:24,710 --> 00:52:23,440

is how they refer to a lot of this

1419

00:52:27,190 --> 00:52:24,720

and uh

1420

00:52:29,270 --> 00:52:27,200

at times we just we come across that so

1421

00:52:34,069 --> 00:52:29,280

much even in marley that

1422

00:52:35,510 --> 00:52:34,079

uh it's it's more about the manipulation

1423

00:52:38,230 --> 00:52:35,520

of

1424

00:52:39,430 --> 00:52:38,240

people and uh seeing how they'll respond

1425

00:52:43,270 --> 00:52:39,440

to things

1426

00:52:45,430 --> 00:52:43,280

in various ways and i do believe

1427

00:52:46,790 --> 00:52:45,440

again a lot of what they have the

1428

00:52:48,790 --> 00:52:46,800

ability

1429

00:52:51,190 --> 00:52:48,800

to

1430

00:52:53,190 --> 00:52:51,200

change your perception of reality and

1431

00:52:55,030 --> 00:52:53,200

when you have that ability

1432

00:52:56,390 --> 00:52:55,040

you just always have to question what

1433

00:52:58,790 --> 00:52:56,400

you're seeing

1434

00:53:01,349 --> 00:52:58,800

and uh what you're experiencing you know

1435

00:53:03,190 --> 00:53:01,359

as if i even do myself you know my

1436

00:53:04,309 --> 00:53:03,200

memories and uh

1437

00:53:06,870 --> 00:53:04,319

it's just

1438

00:53:09,190 --> 00:53:06,880

it goes into a lot of

1439

00:53:11,190 --> 00:53:09,200

uh believe me such high strangeness out

1440

00:53:12,549 --> 00:53:11,200

there that uh and i've seen it done to

1441

00:53:15,190 --> 00:53:12,559

people and you know the

1442

00:53:17,829 --> 00:53:15,200

the older people around marley they

1443

00:53:19,670 --> 00:53:17,839

they have a unique ability to perceive

1444

00:53:21,829 --> 00:53:19,680

things before they happen

1445

00:53:23,349 --> 00:53:21,839

the light ball activity and all the

1446

00:53:25,030 --> 00:53:23,359

other phenomena

1447

00:53:26,790 --> 00:53:25,040

and uh some of them will go in their

1448

00:53:29,910 --> 00:53:26,800

house and they think it's demonic it

1449

00:53:31,430 --> 00:53:29,920

won't come out and others back from the

1450

00:53:33,750 --> 00:53:31,440

20s and 30s

1451

00:53:35,430 --> 00:53:33,760

used to drag lawn chairs on out on the

1452

00:53:37,589 --> 00:53:35,440

weekend and use this as a source of

1453

00:53:39,430 --> 00:53:37,599

entertainment to watch these things and

1454

00:53:41,829 --> 00:53:39,440

they felt it had a good

1455

00:53:43,670 --> 00:53:41,839

you know so it's just

1456

00:53:45,190 --> 00:53:43,680

it's just complex it's it's a

1457

00:53:47,190 --> 00:53:45,200

complicated

1458

00:53:49,270 --> 00:53:47,200

uh

1459

00:53:51,750 --> 00:53:49,280

phenomena it really is

1460

00:53:55,109 --> 00:53:51,760

what do you think albert

1461

00:53:56,870 --> 00:53:55,119

yeah you know what as far as the agenda

1462

00:53:57,990 --> 00:53:56,880

i learned a long time ago that if you're

1463

00:54:01,349 --> 00:53:58,000

going to

1464

00:54:03,670 --> 00:54:01,359

research in ufos or related phenomena do

1465

00:54:05,190 --> 00:54:03,680

you think you're going to solve the

1466

00:54:06,790 --> 00:54:05,200

problem in

1467

00:54:07,670 --> 00:54:06,800

a year or six months

1468

00:54:09,349 --> 00:54:07,680

you're never going to make it you're

1469

00:54:10,630 --> 00:54:09,359

going to yeah

1470

00:54:14,069 --> 00:54:10,640

i

1471

00:54:15,190 --> 00:54:14,079

cases but

1472

00:54:17,349 --> 00:54:15,200

a lot of people

1473

00:54:19,190 --> 00:54:17,359

they ask you the question so so why are

1474

00:54:21,270 --> 00:54:19,200

they here or what what do they want from

1475

00:54:22,390 --> 00:54:21,280

us i wish i knew if i knew that i

1476  
00:54:26,710 --> 00:54:22,400  
wouldn't

1477  
00:54:29,270 --> 00:54:26,720  
uh i don't know as far as that yeah

1478  
00:54:31,990 --> 00:54:29,280  
well i have one theory and i and this is

1479  
00:54:34,549 --> 00:54:32,000  
just like a combination of cases i've

1480  
00:54:35,829 --> 00:54:34,559  
been worked with in the past 30 years

1481  
00:54:36,870 --> 00:54:35,839  
with people

1482  
00:54:38,870 --> 00:54:36,880  
is that

1483  
00:54:42,710 --> 00:54:38,880  
i i believe that

1484  
00:54:44,789 --> 00:54:42,720  
the abductions the agenda

1485  
00:54:47,589 --> 00:54:44,799  
are related to one thing

1486  
00:54:49,990 --> 00:54:47,599  
primarily is that

1487  
00:54:53,270 --> 00:54:50,000  
i i like i said before i i think many of

1488  
00:54:56,309 --> 00:54:53,280

these races are evolved humans

1489

00:54:58,470 --> 00:54:56,319

you know eons and eons of evolution

1490

00:55:00,710 --> 00:54:58,480

and that i think they lost something

1491

00:55:03,270 --> 00:55:00,720

that they may have had in the past but

1492

00:55:05,270 --> 00:55:03,280

they know that we still do have

1493

00:55:06,630 --> 00:55:05,280

and that is a human soul

1494

00:55:08,230 --> 00:55:06,640

of

1495

00:55:10,230 --> 00:55:08,240

a life force

1496

00:55:11,190 --> 00:55:10,240

and it's something they don't comprehend

1497

00:55:15,109 --> 00:55:11,200

now

1498

00:55:16,789 --> 00:55:15,119

experiencers who have told me that you

1499

00:55:18,230 --> 00:55:16,799

know

1500

00:55:20,630 --> 00:55:18,240

when they have had converse

1501  
00:55:23,430 --> 00:55:20,640  
conversations with these beings they do

1502  
00:55:25,270 --> 00:55:23,440  
believe in a higher being a higher deity

1503  
00:55:27,030 --> 00:55:25,280  
something that they espouse to like our

1504  
00:55:28,150 --> 00:55:27,040  
god

1505  
00:55:30,549 --> 00:55:28,160  
but

1506  
00:55:34,309 --> 00:55:30,559  
they do not have

1507  
00:55:37,030 --> 00:55:34,319  
any concept of life after death uh to

1508  
00:55:40,069 --> 00:55:37,040  
where you know humans believe that

1509  
00:55:41,829 --> 00:55:40,079  
their life force their soul ascends to

1510  
00:55:42,870 --> 00:55:41,839  
another level

1511  
00:55:44,309 --> 00:55:42,880  
and

1512  
00:55:50,309 --> 00:55:44,319  
that

1513  
00:55:53,190 --> 00:55:50,319

either by adduction experimentation

1514

00:55:54,950 --> 00:55:53,200

hybridization or whatever

1515

00:55:57,430 --> 00:55:54,960

but i i think it's an interesting

1516

00:55:58,710 --> 00:55:57,440

concept i've asked people about that for

1517

00:56:00,309 --> 00:55:58,720

years now

1518

00:56:03,270 --> 00:56:00,319

i kind of get a lot of different answers

1519

00:56:06,230 --> 00:56:03,280

to that but uh that's just my thought at

1520

00:56:09,030 --> 00:56:07,589

well i and you know a lot of people

1521

00:56:10,870 --> 00:56:09,040

think that

1522

00:56:13,349 --> 00:56:10,880

some researchers that i other

1523

00:56:15,510 --> 00:56:13,359

researchers i spoke to and maybe there's

1524

00:56:17,510 --> 00:56:15,520

a grain of truth to it that they're

1525

00:56:19,670 --> 00:56:17,520

trying to modify

1526  
00:56:21,589 --> 00:56:19,680  
the genetics the human genetics they're

1527  
00:56:24,230 --> 00:56:21,599  
trying to create another

1528  
00:56:28,150 --> 00:56:26,309  
they're trying to modify homo sapiens to

1529  
00:56:30,390 --> 00:56:28,160  
becoming

1530  
00:56:31,589 --> 00:56:30,400  
another type of

1531  
00:56:33,750 --> 00:56:31,599  
uh

1532  
00:56:35,270 --> 00:56:33,760  
or maybe they're trying to replace us

1533  
00:56:37,829 --> 00:56:35,280  
well maybe they're looking with it with

1534  
00:56:40,069 --> 00:56:37,839  
the hybrids like singularity as a for

1535  
00:56:42,069 --> 00:56:40,079  
with them but you know

1536  
00:56:45,589 --> 00:56:42,079  
have their have us and them be more

1537  
00:56:49,829 --> 00:56:45,599  
singular to each other

1538  
00:56:52,549 --> 00:56:51,030

it's interesting

1539

00:56:55,030 --> 00:56:52,559

it is interesting

1540

00:56:57,109 --> 00:56:55,040

i have her i talked with um

1541

00:57:00,230 --> 00:56:57,119

an experienced name is paul hamden and

1542

00:57:01,670 --> 00:57:00,240

he works with the zetas and he talked

1543

00:57:03,430 --> 00:57:01,680

about this kind of very phenomena which

1544

00:57:09,750 --> 00:57:03,440

you might find interesting on which was

1545

00:57:13,589 --> 00:57:11,750

spirit realm reincarnation cycle

1546

00:57:15,589 --> 00:57:13,599

whatever you want to call it and so

1547

00:57:17,510 --> 00:57:15,599

other planets may have their own so it's

1548

00:57:20,150 --> 00:57:17,520

not to say that other beings can't

1549

00:57:22,950 --> 00:57:20,160

reincarnate and live different lives but

1550

00:57:24,150 --> 00:57:22,960

that we have our own here on earth

1551

00:57:25,829 --> 00:57:24,160

now of course that gets a little more

1552

00:57:27,990 --> 00:57:25,839

complicated if you're talking looking at

1553

00:57:29,750 --> 00:57:28,000

people being hybrids or hybrids living

1554

00:57:31,990 --> 00:57:29,760

on this planet then you know because

1555

00:57:34,150 --> 00:57:32,000

then do you have the way he described it

1556

00:57:36,789 --> 00:57:34,160

was is the hybrids living on this planet

1557

00:57:39,109 --> 00:57:36,799

aren't necessarily genetically

1558

00:57:40,710 --> 00:57:39,119

hybrids but what it is it's an et

1559

00:57:43,829 --> 00:57:40,720

consciousness and a human consciousness

1560

00:57:45,829 --> 00:57:43,839

combined in a human form right so then

1561

00:57:48,069 --> 00:57:45,839

what happens maybe those consciousnesses

1562

00:57:50,710 --> 00:57:48,079

separate um i don't know what the plural

1563

00:57:51,829 --> 00:57:50,720

for consciousness is um but maybe they

1564

00:58:01,990 --> 00:57:51,839

separate

1565

00:58:03,750 --> 00:58:02,000

back to kind of their home planets i

1566

00:58:05,030 --> 00:58:03,760

don't really know but it's a fascinating

1567

00:58:07,109 --> 00:58:05,040

concept

1568

00:58:08,549 --> 00:58:07,119

yeah i mean i i'm just going by what

1569

00:58:10,309 --> 00:58:08,559

i've collected over the years and it

1570

00:58:12,789 --> 00:58:10,319

just seems that

1571

00:58:15,270 --> 00:58:12,799

that this whole soul thing has something

1572

00:58:17,190 --> 00:58:15,280

to do with you i mean that when the the

1573

00:58:19,589 --> 00:58:17,200

physical part dies

1574

00:58:22,470 --> 00:58:19,599

that there's an ethereal or

1575

00:58:23,990 --> 00:58:22,480

life force that ascends maybe it's even

1576

00:58:26,789 --> 00:58:24,000

just a dimensional thing it goes to

1577

00:58:28,549 --> 00:58:26,799

another dimension but you know i don't

1578

00:58:30,069 --> 00:58:28,559

want to get into the religious aspects

1579

00:58:31,270 --> 00:58:30,079

of this or you know

1580

00:58:32,950 --> 00:58:31,280

but uh

1581

00:58:34,470 --> 00:58:32,960

that's one of the things so you know you

1582

00:58:36,470 --> 00:58:34,480

touched upon that

1583

00:58:37,990 --> 00:58:36,480

the what comes across a lot of it

1584

00:58:40,630 --> 00:58:38,000

doesn't have the authority to be here

1585

00:58:41,510 --> 00:58:40,640

that that coincides with the higher

1586

00:58:43,670 --> 00:58:41,520

power

1587

00:58:46,390 --> 00:58:43,680

uh and what when it what does come

1588

00:58:48,390 --> 00:58:46,400

across that has the authority does good

1589

00:58:49,910 --> 00:58:48,400

so uh and one of the things i had the

1590

00:58:50,870 --> 00:58:49,920

biggest questions when i dealt with

1591

00:58:52,710 --> 00:58:50,880

people

1592

00:58:54,950 --> 00:58:52,720

over the years that were in the know and

1593

00:58:55,829 --> 00:58:54,960

far smarter than i i always wanted to

1594

00:58:59,510 --> 00:58:55,839

know i

1595

00:59:00,309 --> 00:58:59,520

i because i dealt in uh the aztec crash

1596

00:59:02,309 --> 00:59:00,319

in

1597

00:59:04,309 --> 00:59:02,319

new mexico and different ones you know

1598

00:59:05,190 --> 00:59:04,319

we were there with stanton freeman and

1599

00:59:07,589 --> 00:59:05,200

uh

1600

00:59:09,910 --> 00:59:07,599

and different crashes cape toronto and

1601  
00:59:11,430 --> 00:59:09,920  
roswell of course and i thought you know

1602  
00:59:13,190 --> 00:59:11,440  
and when i was speaking with people that

1603  
00:59:14,069 --> 00:59:13,200  
were in the know and uh

1604  
00:59:16,390 --> 00:59:14,079  
i said

1605  
00:59:18,789 --> 00:59:16,400  
what with that technology

1606  
00:59:20,870 --> 00:59:18,799  
why is are there so many crashes and one

1607  
00:59:22,710 --> 00:59:20,880  
of the things they told me and it was so

1608  
00:59:25,109 --> 00:59:22,720  
simplistic when they explained this to

1609  
00:59:26,870 --> 00:59:25,119  
me uh they said well

1610  
00:59:29,030 --> 00:59:26,880  
the ones that come across sometimes

1611  
00:59:31,109 --> 00:59:29,040  
don't have the authority to be here what

1612  
00:59:33,670 --> 00:59:31,119  
happens when a young person in our

1613  
00:59:35,589 --> 00:59:33,680

culture steals a car

1614

00:59:37,910 --> 00:59:35,599

and they don't have the skills to

1615

00:59:39,750 --> 00:59:37,920

operate it or something's chasing them

1616

00:59:41,910 --> 00:59:39,760

what always happens and i all you know i

1617

00:59:43,670 --> 00:59:41,920

said well they always crash and then it

1618

00:59:46,789 --> 00:59:43,680

just dawned on me what they were trying

1619

00:59:47,670 --> 00:59:46,799

to tell me and i said it's the same

1620

00:59:48,630 --> 00:59:47,680

same

1621

00:59:49,990 --> 00:59:48,640

you know

1622

00:59:50,789 --> 00:59:50,000

same occurrence

1623

00:59:52,789 --> 00:59:50,799

uh

1624

00:59:54,069 --> 00:59:52,799

they don't have the authority to be here

1625

00:59:55,109 --> 00:59:54,079

so

1626  
00:59:58,789 --> 00:59:55,119  
it made

1627  
01:00:00,390 --> 00:59:58,799  
because i couldn't understand

1628  
01:00:02,470 --> 01:00:00,400  
that technology how come they were

1629  
01:00:03,750 --> 01:00:02,480  
crashing so much you know interesting

1630  
01:00:06,470 --> 01:00:03,760  
yeah

1631  
01:00:09,270 --> 01:00:06,480  
and and by the way we did we did recover

1632  
01:00:11,270 --> 01:00:09,280  
crash debris i will tell you and uh

1633  
01:00:13,190 --> 01:00:11,280  
and people i worked with that were

1634  
01:00:15,990 --> 01:00:13,200  
exposed to that i will tell you it's

1635  
01:00:17,430 --> 01:00:16,000  
real and yes we do have crash debris and

1636  
01:00:19,270 --> 01:00:17,440  
and they've actually

1637  
01:00:20,470 --> 01:00:19,280  
the government's admitted that now you

1638  
01:00:22,390 --> 01:00:20,480

know but

1639

01:00:25,349 --> 01:00:22,400

but the culture nobody even seems to

1640

01:00:26,549 --> 01:00:25,359

recognize that fact now so

1641

01:00:28,950 --> 01:00:26,559

look they care more about the

1642

01:00:34,230 --> 01:00:28,960

kardashians than yeah yeah you know

1643

01:00:34,240 --> 01:00:37,349

or they are here

1644

01:00:40,710 --> 01:00:38,710

exactly

1645

01:00:44,309 --> 01:00:40,720

i do believe a lot of what's coming

1646

01:00:46,390 --> 01:00:44,319

through now uh you know

1647

01:00:48,390 --> 01:00:46,400

i just think disclosure is not going to

1648

01:00:51,109 --> 01:00:48,400

be what people think it is no i don't

1649

01:00:52,950 --> 01:00:51,119

either from what i'm told from people

1650

01:00:54,309 --> 01:00:52,960

behind the scenes that i've worked with

1651  
01:00:55,589 --> 01:00:54,319  
and in the know

1652  
01:00:57,430 --> 01:00:55,599  
that

1653  
01:01:00,069 --> 01:00:57,440  
and this goes even a

1654  
01:01:02,710 --> 01:01:00,079  
a woman that i greatly respect that was

1655  
01:01:05,349 --> 01:01:02,720  
von braun's secretary

1656  
01:01:07,670 --> 01:01:05,359  
um and von braun warned of this there's

1657  
01:01:08,870 --> 01:01:07,680  
going to be a largest false flag

1658  
01:01:10,630 --> 01:01:08,880  
operation

1659  
01:01:12,309 --> 01:01:10,640  
portrayed on mankind that's ever

1660  
01:01:14,549 --> 01:01:12,319  
happened and it's

1661  
01:01:16,309 --> 01:01:14,559  
and even people that have worked you

1662  
01:01:18,549 --> 01:01:16,319  
know alan heineck

1663  
01:01:19,510 --> 01:01:18,559

predicted this ray stanford talked about

1664

01:01:22,549 --> 01:01:19,520

this

1665

01:01:24,309 --> 01:01:22,559

uh stan freeman ted uh

1666

01:01:27,109 --> 01:01:24,319

it's not going to be what you think it

1667

01:01:29,670 --> 01:01:27,119

is and um it's

1668

01:01:32,870 --> 01:01:29,680

it's not at all an alien technology

1669

01:01:34,309 --> 01:01:32,880

that's here to benefit mankind and so

1670

01:01:37,349 --> 01:01:34,319

and i do believe their hands being

1671

01:01:40,630 --> 01:01:37,359

forced and not by us i'll say so

1672

01:01:42,950 --> 01:01:40,640

uh so there again unless you spoke of uh

1673

01:01:44,789 --> 01:01:42,960

be careful for what what you wish for

1674

01:01:46,789 --> 01:01:44,799

yeah

1675

01:01:48,789 --> 01:01:46,799

i got a question here from james west

1676

01:01:51,190 --> 01:01:48,799

how many alien races do you think there

1677

01:01:54,069 --> 01:01:51,200

are oh my that's a good question and how

1678

01:01:56,549 --> 01:01:54,079

many are we in contact with

1679

01:01:59,190 --> 01:01:56,559

diplomatically

1680

01:01:59,910 --> 01:01:59,200

i got a quick answer to that okay

1681

01:02:02,150 --> 01:01:59,920

and

1682

01:02:03,990 --> 01:02:02,160

as many as you want yeah

1683

01:02:05,670 --> 01:02:04,000

yeah yeah

1684

01:02:08,950 --> 01:02:05,680

i mean that that's a question for the

1685

01:02:11,750 --> 01:02:09,750

i mean

1686

01:02:13,109 --> 01:02:11,760

you know i could ask you i could ask you

1687

01:02:15,109 --> 01:02:13,119

albert i mean

1688

01:02:16,710 --> 01:02:15,119

how many different types of humanoids

1689

01:02:19,349 --> 01:02:16,720

and beings have you

1690

01:02:21,510 --> 01:02:19,359

documented i mean it's i mean between

1691

01:02:24,630 --> 01:02:21,520

only let's talk about the grays they got

1692

01:02:27,190 --> 01:02:24,640

tall grays thin grays

1693

01:02:29,589 --> 01:02:27,200

grays would uh wrap around eyes graves

1694

01:02:31,029 --> 01:02:29,599

with round eyes the different you know

1695

01:02:33,029 --> 01:02:31,039

there's a maybe

1696

01:02:35,270 --> 01:02:33,039

like like like linsette 100 type of

1697

01:02:36,710 --> 01:02:35,280

grains different types of uh

1698

01:02:38,470 --> 01:02:36,720

and then we go into the other type of

1699

01:02:39,990 --> 01:02:38,480

humanoids they're like

1700

01:02:42,230 --> 01:02:40,000

like the un

1701

01:02:44,470 --> 01:02:42,240

they're like uh

1702

01:02:46,309 --> 01:02:44,480

i mean look at we have a

1703

01:02:47,109 --> 01:02:46,319

who knows there are

1704

01:02:49,349 --> 01:02:47,119

so

1705

01:02:51,750 --> 01:02:49,359

many dimensional you know many

1706

01:02:54,150 --> 01:02:51,760

dimensions out there or parallel worlds

1707

01:02:55,589 --> 01:02:54,160

like i said other realms

1708

01:02:56,789 --> 01:02:55,599

the universe is

1709

01:02:59,990 --> 01:02:56,799

is

1710

01:03:01,829 --> 01:03:00,000

huge so who knows i mean well you got

1711

01:03:04,069 --> 01:03:01,839

even when you talk when you say alien

1712

01:03:05,910 --> 01:03:04,079

races i mean you could be talking about

1713

01:03:08,150 --> 01:03:05,920

other beings as well like wing beans

1714

01:03:10,549 --> 01:03:08,160

that call themselves ultra terrestrials

1715

01:03:12,950 --> 01:03:10,559

like what i'm been investigating and and

1716

01:03:14,870 --> 01:03:12,960

other you know other phenomena even

1717

01:03:16,470 --> 01:03:14,880

cryptids could be

1718

01:03:18,789 --> 01:03:16,480

some type of

1719

01:03:20,309 --> 01:03:18,799

uh non-terrestrial which i think they

1720

01:03:22,069 --> 01:03:20,319

very well may be

1721

01:03:24,309 --> 01:03:22,079

uh so when you ask that question how

1722

01:03:26,309 --> 01:03:24,319

many of these races are there well it's

1723

01:03:28,470 --> 01:03:26,319

you know there could be as many as you

1724

01:03:29,910 --> 01:03:28,480

want to believe how about the shadow the

1725

01:03:32,309 --> 01:03:29,920

shadow of people

1726  
01:03:34,150 --> 01:03:32,319  
figures absolutely

1727  
01:03:36,630 --> 01:03:34,160  
i had an experience with

1728  
01:03:39,270 --> 01:03:36,640  
with that once and and

1729  
01:03:41,029 --> 01:03:39,280  
talking about the fear aspect

1730  
01:03:44,150 --> 01:03:41,039  
the fear was so

1731  
01:03:46,870 --> 01:03:44,160  
so big that i i was like trembling i

1732  
01:03:49,829 --> 01:03:46,880  
couldn't move i was in my bed i tried to

1733  
01:03:51,990 --> 01:03:49,839  
scream i couldn't and there was this

1734  
01:03:54,630 --> 01:03:52,000  
tall figure all black i couldn't see any

1735  
01:03:56,390 --> 01:03:54,640  
features but standing next to the bed

1736  
01:03:58,630 --> 01:03:56,400  
and he seems like he was enjoying

1737  
01:04:00,549 --> 01:03:58,640  
enjoying my fear i was just i was

1738  
01:04:03,190 --> 01:04:00,559

terrified and and the fear was like

1739

01:04:04,150 --> 01:04:03,200

beyond control there again that fear

1740

01:04:05,829 --> 01:04:04,160

factor

1741

01:04:08,470 --> 01:04:05,839

yeah yeah

1742

01:04:09,829 --> 01:04:08,480

and uh i truly i really believe i know

1743

01:04:11,829 --> 01:04:09,839

some people that

1744

01:04:13,829 --> 01:04:11,839

do a science in that and i do believe

1745

01:04:15,270 --> 01:04:13,839

shadow people are dimensional beings in

1746

01:04:16,390 --> 01:04:15,280

transition

1747

01:04:17,510 --> 01:04:16,400

and um

1748

01:04:23,190 --> 01:04:17,520

and

1749

01:04:25,190 --> 01:04:23,200

you always have to temper

1750

01:04:27,589 --> 01:04:25,200

this tech this

1751

01:04:29,190 --> 01:04:27,599

intelligence that it has the ability to

1752

01:04:31,510 --> 01:04:29,200

be whatever

1753

01:04:33,190 --> 01:04:31,520

you want it to be at the moment

1754

01:04:35,670 --> 01:04:33,200

and i know some

1755

01:04:38,309 --> 01:04:35,680

people in the paranormal aspect of this

1756

01:04:40,950 --> 01:04:38,319

but uh i had seen some experiments that

1757

01:04:42,710 --> 01:04:40,960

and some tricks when they went into a

1758

01:04:43,670 --> 01:04:42,720

so-called haunted house

1759

01:04:45,910 --> 01:04:43,680

and

1760

01:04:47,430 --> 01:04:45,920

they had made up a scenario before they

1761

01:04:48,630 --> 01:04:47,440

went in the house

1762

01:04:51,270 --> 01:04:48,640

and uh

1763

01:04:53,589 --> 01:04:51,280

about what they were going to look for

1764

01:04:55,510 --> 01:04:53,599

and sure enough when they went in there

1765

01:04:56,630 --> 01:04:55,520

they started questioning the entities

1766

01:04:59,750 --> 01:04:56,640

about this

1767

01:05:00,950 --> 01:04:59,760

and it exactly met the profile that they

1768

01:05:02,950 --> 01:05:00,960

had prior

1769

01:05:03,990 --> 01:05:02,960

set what they were going to look for and

1770

01:05:06,789 --> 01:05:04,000

find

1771

01:05:09,430 --> 01:05:06,799

so this intelligence was what they were

1772

01:05:11,510 --> 01:05:09,440

looking for at the precise time

1773

01:05:13,670 --> 01:05:11,520

so you always have to temper what you

1774

01:05:16,150 --> 01:05:13,680

see and experience with that ability i

1775

01:05:21,349 --> 01:05:19,190

i also think too though tom like to kind

1776

01:05:23,029 --> 01:05:21,359

of play off of that i think that we also

1777

01:05:25,510 --> 01:05:23,039

have the capability

1778

01:05:27,589 --> 01:05:25,520

to create these sort of thought forms

1779

01:05:29,430 --> 01:05:27,599

right these beings themselves so if

1780

01:05:32,630 --> 01:05:29,440

we're out there saying

1781

01:05:33,990 --> 01:05:32,640

all aliens are bad all aliens are evil

1782

01:05:35,589 --> 01:05:34,000

that's exactly what we're gonna come

1783

01:05:36,870 --> 01:05:35,599

across if we're saying you know i'm

1784

01:05:37,910 --> 01:05:36,880

going to go into this haunted house and

1785

01:05:39,510 --> 01:05:37,920

i think i'm probably going to find a

1786

01:05:41,430 --> 01:05:39,520

demon here you're going to find a demon

1787

01:05:42,309 --> 01:05:41,440

you know like i agree with you i think a

1788

01:05:43,910 --> 01:05:42,319

lot of times especially in the

1789

01:05:46,789 --> 01:05:43,920

paranormal we've seen that quite a lot

1790

01:05:49,430 --> 01:05:46,799

right that whatever they expect to find

1791

01:05:51,750 --> 01:05:49,440

is often what they find so entities yeah

1792

01:05:54,069 --> 01:05:51,760

like like slenderman right right and

1793

01:05:56,470 --> 01:05:54,079

quite frankly knowing that ahead of time

1794

01:05:57,589 --> 01:05:56,480

is the greatest tool that you can have

1795

01:05:59,430 --> 01:05:57,599

to use

1796

01:06:01,510 --> 01:05:59,440

you know to guard yourself and to deal

1797

01:06:03,029 --> 01:06:01,520

with this is knowing that

1798

01:06:04,710 --> 01:06:03,039

that can that can

1799

01:06:07,109 --> 01:06:04,720

play out just like that you know you

1800

01:06:09,430 --> 01:06:07,119

know i just wrote a book about memes and

1801

01:06:10,630 --> 01:06:09,440

uh possible thought fault forms and

1802

01:06:13,430 --> 01:06:10,640

tulpas

1803

01:06:16,630 --> 01:06:13,440

uh you know that manifest uh you know

1804

01:06:17,829 --> 01:06:16,640

the human mind's a crazy thing i mean

1805

01:06:19,750 --> 01:06:17,839

uh

1806

01:06:21,029 --> 01:06:19,760

are basically they're you know their

1807

01:06:22,309 --> 01:06:21,039

thought forms

1808

01:06:25,190 --> 01:06:22,319

so um

1809

01:06:27,109 --> 01:06:25,200

yeah i i agree with you you know maybe

1810

01:06:29,349 --> 01:06:27,119

what people are seeing identifying as

1811

01:06:31,589 --> 01:06:29,359

extraterrestrials alien are

1812

01:06:32,630 --> 01:06:31,599

could also be thought forms it's not

1813

01:06:34,150 --> 01:06:32,640

beyond the

1814

01:06:36,710 --> 01:06:34,160

possibility

1815

01:06:37,750 --> 01:06:36,720

some of them could for sure

1816

01:06:39,349 --> 01:06:37,760

um

1817

01:06:41,910 --> 01:06:39,359

here here's an interesting question from

1818

01:06:43,670 --> 01:06:41,920

maury gotti now what does the panel

1819

01:06:45,910 --> 01:06:43,680

think about eisenhower treaty with the

1820

01:06:49,029 --> 01:06:45,920

aliens supposedly now i think they're

1821

01:06:51,589 --> 01:06:49,039

discussing the supposed

1822

01:06:53,750 --> 01:06:51,599

giardia treated treaty

1823

01:06:55,750 --> 01:06:53,760

where i you know i don't you know

1824

01:06:58,950 --> 01:06:55,760

there's been a lot of talk about this

1825

01:07:02,470 --> 01:06:58,960

that apparently eisenhower had a

1826  
01:07:05,589 --> 01:07:02,480  
had a meeting with some alien race at

1827  
01:07:07,829 --> 01:07:05,599  
holloman air force base at some point

1828  
01:07:08,950 --> 01:07:07,839  
during his administration i mean you

1829  
01:07:11,190 --> 01:07:08,960  
know

1830  
01:07:13,109 --> 01:07:11,200  
this this is old ufology

1831  
01:07:14,710 --> 01:07:13,119  
what do you think about it albert what's

1832  
01:07:16,390 --> 01:07:14,720  
your thoughts on that well what i read

1833  
01:07:18,470 --> 01:07:16,400  
and what i know

1834  
01:07:19,670 --> 01:07:18,480  
not personally but what i

1835  
01:07:21,750 --> 01:07:19,680  
read and

1836  
01:07:24,549 --> 01:07:21,760  
heard is that um

1837  
01:07:26,630 --> 01:07:24,559  
he encountered two type of races

1838  
01:07:29,029 --> 01:07:26,640

at an air force base

1839

01:07:29,990 --> 01:07:29,039

one where there's supposedly the

1840

01:07:31,670 --> 01:07:30,000

nordic

1841

01:07:33,750 --> 01:07:31,680

tall blonde and the other one was the

1842

01:07:36,069 --> 01:07:33,760

short grace and

1843

01:07:38,630 --> 01:07:36,079

and he was given a choice to make a

1844

01:07:40,950 --> 01:07:38,640

a treaty with one of them and i think he

1845

01:07:43,270 --> 01:07:40,960

he chose the short grace for some reason

1846

01:07:46,390 --> 01:07:43,280

because he

1847

01:07:48,710 --> 01:07:46,400

he he asked for technology and uh

1848

01:07:51,190 --> 01:07:48,720

the tall whites or the nordics refused

1849

01:07:53,270 --> 01:07:51,200

to provide technology because they

1850

01:07:56,230 --> 01:07:53,280

probably knew we were gonna use it for

1851

01:07:58,069 --> 01:07:56,240

war or something yeah you know not

1852

01:08:00,230 --> 01:07:58,079

beneficial and the grace said yeah you

1853

01:08:02,069 --> 01:08:00,240

could have all you want

1854

01:08:02,870 --> 01:08:02,079

as long as you give us you know what we

1855

01:08:06,309 --> 01:08:02,880

want

1856

01:08:10,390 --> 01:08:08,630

i'm open to earning how about it lynn

1857

01:08:12,230 --> 01:08:10,400

yeah yeah i've heard that too i think it

1858

01:08:14,390 --> 01:08:12,240

was in 1954

1859

01:08:16,950 --> 01:08:14,400

uh supposedly he was on vacation and

1860

01:08:17,669 --> 01:08:16,960

interrupted interrupted his vacation for

1861

01:08:22,709 --> 01:08:17,679

a

1862

01:08:25,669 --> 01:08:22,719

um if i remember correctly the uh

1863

01:08:26,870 --> 01:08:25,679

official yeah excuse and that he yeah

1864

01:08:29,669 --> 01:08:26,880

met with the

1865

01:08:31,349 --> 01:08:29,679

the et's and um in exchange for

1866

01:08:33,430 --> 01:08:31,359

technology they

1867

01:08:35,030 --> 01:08:33,440

allowed them to abduct humans or a

1868

01:08:37,349 --> 01:08:35,040

certain amount of humans or i think

1869

01:08:39,510 --> 01:08:37,359

there were some guidelines but um i

1870

01:08:42,149 --> 01:08:39,520

don't know it's a fascinating concept i

1871

01:08:44,390 --> 01:08:42,159

kind of love the idea of it um

1872

01:08:46,789 --> 01:08:44,400

not the greatest like

1873

01:08:49,189 --> 01:08:46,799

meeting maybe or greatest exchange on

1874

01:08:50,870 --> 01:08:49,199

our part but i mean laura eisenhower is

1875

01:08:52,390 --> 01:08:50,880

you know adamant that it happened so

1876

01:08:54,550 --> 01:08:52,400

yeah she is yeah

1877

01:08:58,149 --> 01:08:54,560

i know you know there's nothing better

1878

01:08:59,749 --> 01:08:58,159

than alien ufology conspiracy stuff i

1879

01:09:01,269 --> 01:08:59,759

mean you know some of the stuff you read

1880

01:09:03,990 --> 01:09:01,279

is just like

1881

01:09:05,910 --> 01:09:04,000

yeah it sounds so crazy but then again i

1882

01:09:07,590 --> 01:09:05,920

you know over the years i've heard crazy

1883

01:09:09,430 --> 01:09:07,600

things that turned out to be true so you

1884

01:09:10,789 --> 01:09:09,440

know you never know that's true with all

1885

01:09:11,599 --> 01:09:10,799

the stuff we've seen we can't say

1886

01:09:13,189 --> 01:09:11,609

anything it's crazy

1887

01:09:15,030 --> 01:09:13,199

[Music]

1888

01:09:17,510 --> 01:09:15,040

you know i and i try to stay away from

1889

01:09:19,430 --> 01:09:17,520

the conspiracy theory stuff i'm the same

1890

01:09:21,430 --> 01:09:19,440

way but then you know

1891

01:09:23,590 --> 01:09:21,440

i dig into it i love it

1892

01:09:24,950 --> 01:09:23,600

it's hard it's hard to stay away from it

1893

01:09:27,910 --> 01:09:24,960

though you're right yeah it is it's

1894

01:09:32,470 --> 01:09:29,829

you know when you get people sending you

1895

01:09:34,709 --> 01:09:32,480

emails and calling you

1896

01:09:36,309 --> 01:09:34,719

about these things and and saying well

1897

01:09:38,789 --> 01:09:36,319

is it true

1898

01:09:40,309 --> 01:09:38,799

well you know i guess that depends on

1899

01:09:41,990 --> 01:09:40,319

you i'm not gonna tell you whether it's

1900

01:09:43,430 --> 01:09:42,000

true or not i don't know you know

1901

01:09:44,630 --> 01:09:43,440

frankly i mean i just give you my

1902

01:09:47,110 --> 01:09:44,640

opinion

1903

01:09:49,189 --> 01:09:47,120

but uh you do hear a lot of crazy stuff

1904

01:09:50,870 --> 01:09:49,199

and uh

1905

01:09:52,789 --> 01:09:50,880

you know that's just part of what we do

1906

01:09:55,590 --> 01:09:52,799

and it's gonna get out there

1907

01:09:58,149 --> 01:09:55,600

now i i would like to ask each one each

1908

01:10:00,630 --> 01:09:58,159

one of you to or whoever wants to come

1909

01:10:02,790 --> 01:10:00,640

up with a specific subject they they

1910

01:10:04,390 --> 01:10:02,800

feel that they need to discuss about

1911

01:10:06,630 --> 01:10:04,400

alien encounters

1912

01:10:07,590 --> 01:10:06,640

uh how about it then you want to start

1913

01:10:09,830 --> 01:10:07,600

off

1914

01:10:11,270 --> 01:10:09,840

the most um i'm so sorry i was like

1915

01:10:12,709 --> 01:10:11,280

looking at a comment the most important

1916

01:10:16,229 --> 01:10:12,719

thing to discuss about this is that what

1917

01:10:17,910 --> 01:10:16,239

the question was yeah um hmm i think

1918

01:10:19,590 --> 01:10:17,920

consciousness i think consciousness is

1919

01:10:21,430 --> 01:10:19,600

where it's headed i think it's already

1920

01:10:24,470 --> 01:10:21,440

been it's that's where it's at but our

1921

01:10:27,510 --> 01:10:24,480

understanding of it is is growing and

1922

01:10:29,110 --> 01:10:27,520

changing and i think that is going to be

1923

01:10:31,990 --> 01:10:29,120

the key to

1924

01:10:33,510 --> 01:10:32,000

really understanding the phenomena is

1925

01:10:35,669 --> 01:10:33,520

understanding consciousness and to keep

1926

01:10:37,030 --> 01:10:35,679

an open mind because

1927

01:10:38,390 --> 01:10:37,040

you know like we were talking about

1928

01:10:39,830 --> 01:10:38,400

these you know the conspiracy theories

1929

01:10:41,189 --> 01:10:39,840

are really fun to dig into at least for

1930

01:10:43,270 --> 01:10:41,199

me i love them

1931

01:10:45,030 --> 01:10:43,280

i think they're great but at the same

1932

01:10:46,950 --> 01:10:45,040

time can we really close our minds to

1933

01:10:48,709 --> 01:10:46,960

any of it i mean we've talked to each of

1934

01:10:50,870 --> 01:10:48,719

us has talked to people experiencers

1935

01:10:52,870 --> 01:10:50,880

hundreds and hundreds of experiencers

1936

01:10:55,430 --> 01:10:52,880

who are adamant that they experience

1937

01:10:56,790 --> 01:10:55,440

these things and when i was working with

1938

01:10:59,830 --> 01:10:56,800

free part of the reason they brought me

1939

01:11:01,430 --> 01:10:59,840

on was to evaluate people and make sure

1940

01:11:02,790 --> 01:11:01,440

that for like our support program to

1941

01:11:04,790 --> 01:11:02,800

make sure that they didn't need mental

1942

01:11:06,950 --> 01:11:04,800

health and i can tell you in about i

1943

01:11:09,110 --> 01:11:06,960

think i i talked with over 300 people

1944

01:11:11,510 --> 01:11:09,120

while while i was there only one had to

1945

01:11:13,590 --> 01:11:11,520

be referred to mental health yeah to

1946

01:11:14,709 --> 01:11:13,600

mental health practitioner only one so

1947

01:11:16,550 --> 01:11:14,719

these are

1948

01:11:17,430 --> 01:11:16,560

you know people that they're sane people

1949

01:11:21,830 --> 01:11:17,440

they're

1950

01:11:24,390 --> 01:11:21,840

me and their doctors their lawyers from

1951

01:11:26,390 --> 01:11:24,400

every walk of life right and so

1952

01:11:28,149 --> 01:11:26,400

we can't sit there and say that it

1953

01:11:30,470 --> 01:11:28,159

didn't happen we can't prove that it

1954

01:11:32,870 --> 01:11:30,480

never happened so because of that we

1955

01:11:35,110 --> 01:11:32,880

have to keep an open mind and that i

1956

01:11:37,030 --> 01:11:35,120

think is the biggest lesson that i've

1957

01:11:39,510 --> 01:11:37,040

learned with working with experiencers

1958

01:11:42,390 --> 01:11:39,520

is to never completely rule anything out

1959

01:11:43,990 --> 01:11:42,400

because i can't say it didn't happen

1960

01:11:46,390 --> 01:11:44,000

that that's i think that's that's

1961

01:11:49,830 --> 01:11:46,400

important that's an important statement

1962

01:11:51,910 --> 01:11:49,840

to make that you know as investigators

1963

01:11:55,110 --> 01:11:51,920

and researchers we need to keep an open

1964

01:11:57,590 --> 01:11:55,120

mind about everything uh you know when

1965

01:11:59,510 --> 01:11:57,600

someone contacts you about

1966

01:12:01,350 --> 01:11:59,520

a sighting or

1967

01:12:03,030 --> 01:12:01,360

you know they want an investigation or

1968

01:12:04,950 --> 01:12:03,040

something looked into

1969

01:12:07,270 --> 01:12:04,960

you've got to realize that when they

1970

01:12:08,950 --> 01:12:07,280

call you they trust you enough to ask

1971

01:12:10,550 --> 01:12:08,960

you that so you become part of the

1972

01:12:14,149 --> 01:12:10,560

investigation

1973

01:12:16,790 --> 01:12:14,159

and uh you know with most people i take

1974

01:12:18,229 --> 01:12:16,800

i i take what they say for granted until

1975

01:12:19,669 --> 01:12:18,239

i figure out there's something different

1976

01:12:21,270 --> 01:12:19,679

going on

1977

01:12:23,510 --> 01:12:21,280

uh so

1978

01:12:25,669 --> 01:12:23,520

yeah i mean i think that's the way to go

1979

01:12:26,950 --> 01:12:25,679

though you do have to keep an open mind

1980

01:12:28,950 --> 01:12:26,960

yeah because it's frightening for them

1981

01:12:31,189 --> 01:12:28,960

to reach out as well you know they're

1982

01:12:33,350 --> 01:12:31,199

making themselves very vulnerable and so

1983

01:12:35,270 --> 01:12:33,360

it's our responsibility to listen to

1984

01:12:36,870 --> 01:12:35,280

them and hear them out and listen to it

1985

01:12:38,550 --> 01:12:36,880

from with an open mind

1986

01:12:40,630 --> 01:12:38,560

right how about how about it thomas what

1987

01:12:43,110 --> 01:12:40,640

do you think absolutely i agree with

1988

01:12:45,430 --> 01:12:43,120

that and i helped arrange and sat in on

1989

01:12:48,790 --> 01:12:45,440

three regressions myself with

1990

01:12:51,270 --> 01:12:48,800

a very great psychologist margin kastner

1991

01:12:53,669 --> 01:12:51,280

and uh you know when you deal on that

1992

01:12:56,470 --> 01:12:53,679

level with people and see that done

1993

01:12:59,110 --> 01:12:56,480

and i as far as eyewitness testimony i

1994

01:13:01,189 --> 01:12:59,120

was luckily think

1995

01:13:03,750 --> 01:13:01,199

thankfully bruce whitman put me with jim

1996

01:13:05,189 --> 01:13:03,760

cross uh that trained me he was an air

1997

01:13:06,870 --> 01:13:05,199

force retired

1998

01:13:08,950 --> 01:13:06,880

colonel and uh

1999

01:13:10,870 --> 01:13:08,960

i witnessed testimony

2000

01:13:11,830 --> 01:13:10,880

absolutely when you're dealing with

2001  
01:13:13,110 --> 01:13:11,840  
people

2002  
01:13:15,270 --> 01:13:13,120  
you learn

2003  
01:13:16,070 --> 01:13:15,280  
you know i would say that probably less

2004  
01:13:18,709 --> 01:13:16,080  
than

2005  
01:13:20,950 --> 01:13:18,719  
three percent of eyewitness testimony is

2006  
01:13:22,709 --> 01:13:20,960  
fraudulent or made up

2007  
01:13:25,510 --> 01:13:22,719  
and um

2008  
01:13:26,550 --> 01:13:25,520  
you have to people are experiencing what

2009  
01:13:31,189 --> 01:13:26,560  
they

2010  
01:13:33,750 --> 01:13:31,199  
and now however strange that gets

2011  
01:13:35,910 --> 01:13:33,760  
you just have to open your mind and

2012  
01:13:36,870 --> 01:13:35,920  
you're there to take down the report

2013  
01:13:39,750 --> 01:13:36,880

that

2014

01:13:43,189 --> 01:13:39,760

you're not there to ridicule and uh

2015

01:13:45,350 --> 01:13:43,199

you know as even jacques villa said

2016

01:13:48,630 --> 01:13:45,360

and alan heineck said ridicule is not

2017

01:13:50,229 --> 01:13:48,640

part of the scientific process right so

2018

01:13:51,350 --> 01:13:50,239

you have to take people what they're

2019

01:13:53,430 --> 01:13:51,360

saying and

2020

01:13:55,990 --> 01:13:53,440

and you learn pretty fast to weed out

2021

01:13:57,830 --> 01:13:56,000

the people and it's very rare people you

2022

01:14:00,790 --> 01:13:57,840

know most of the time they don't want to

2023

01:14:02,470 --> 01:14:00,800

share this with people and uh contrary

2024

01:14:03,510 --> 01:14:02,480

to popular belief

2025

01:14:05,189 --> 01:14:03,520

well

2026

01:14:07,590 --> 01:14:05,199

you know

2027

01:14:09,669 --> 01:14:07,600

as someone who takes these these uh

2028

01:14:11,350 --> 01:14:09,679

these reports and accounts

2029

01:14:14,070 --> 01:14:11,360

you it's pretty easy to start figuring

2030

01:14:15,830 --> 01:14:14,080

out who's yes you know you can pretty

2031

01:14:18,390 --> 01:14:15,840

well separate the wheat from the chaff

2032

01:14:20,950 --> 01:14:18,400

when you're doing stuff like this yes uh

2033

01:14:23,430 --> 01:14:20,960

but you know as far as alien encounters

2034

01:14:27,189 --> 01:14:23,440

alien abductions and such

2035

01:14:30,550 --> 01:14:27,199

uh i have learned that

2036

01:14:32,149 --> 01:14:30,560

the experiencers as opposed to

2037

01:14:33,830 --> 01:14:32,159

most other people who think i have an

2038

01:14:35,510 --> 01:14:33,840

opinion on this are the ones that are

2039

01:14:37,430 --> 01:14:35,520

going to tell you the facts

2040

01:14:39,430 --> 01:14:37,440

uh the government isn't going to come

2041

01:14:41,669 --> 01:14:39,440

out with any type of disclosure anytime

2042

01:14:43,750 --> 01:14:41,679

soon i don't unless they absolutely have

2043

01:14:45,590 --> 01:14:43,760

to you know if something lands on the

2044

01:14:48,470 --> 01:14:45,600

white house lawn and start

2045

01:14:49,910 --> 01:14:48,480

raiding the west wing then yeah uh then

2046

01:14:50,709 --> 01:14:49,920

we're gonna need to know

2047

01:14:52,550 --> 01:14:50,719

but

2048

01:14:53,910 --> 01:14:52,560

uh i think the people who are actually

2049

01:14:55,350 --> 01:14:53,920

doing the experience having the

2050

01:14:57,350 --> 01:14:55,360

experiences

2051

01:15:00,870 --> 01:14:57,360

who who come forth

2052

01:15:03,189 --> 01:15:00,880

uh very sincerely don't embellish

2053

01:15:04,950 --> 01:15:03,199

uh who continue to

2054

01:15:07,270 --> 01:15:04,960

talk to you

2055

01:15:09,510 --> 01:15:07,280

yeah those are the folks that are

2056

01:15:11,189 --> 01:15:09,520

they're really going to

2057

01:15:13,669 --> 01:15:11,199

that's the disclosure and that's what

2058

01:15:14,870 --> 01:15:13,679

we're going to get right that's correct

2059

01:15:16,390 --> 01:15:14,880

yeah

2060

01:15:18,470 --> 01:15:16,400

and how about that what do you got to

2061

01:15:20,229 --> 01:15:18,480

say i have an open mind always keep an

2062

01:15:22,870 --> 01:15:20,239

open mind

2063

01:15:25,110 --> 01:15:22,880

uh you know i have dealt with some

2064

01:15:27,030 --> 01:15:25,120

some crazies definitely

2065

01:15:31,030 --> 01:15:27,040

i made a mistake of giving my phone

2066

01:15:31,040 --> 01:15:35,830

oh my god

2067

01:15:38,870 --> 01:15:37,430

this person will call me at three

2068

01:15:39,910 --> 01:15:38,880

o'clock in the morning

2069

01:15:41,430 --> 01:15:39,920

yeah what

2070

01:15:43,669 --> 01:15:41,440

it was crazy it was

2071

01:15:46,470 --> 01:15:43,679

according to her she's she was an xca

2072

01:15:49,030 --> 01:15:46,480

operative that used to work at uh

2073

01:15:50,709 --> 01:15:49,040

dulce and she was uh

2074

01:15:52,950 --> 01:15:50,719

i don't know after a while i had to

2075

01:15:54,310 --> 01:15:52,960

change phone numbers

2076

01:15:56,630 --> 01:15:54,320

but you know

2077

01:15:58,470 --> 01:15:56,640

i i keep an open mind because some of

2078

01:16:00,950 --> 01:15:58,480

these stories are so

2079

01:16:02,950 --> 01:16:00,960

out there so weird that i you think why

2080

01:16:05,350 --> 01:16:02,960

would they want to make this this up

2081

01:16:07,750 --> 01:16:05,360

absolutely why are they i mean why i

2082

01:16:09,590 --> 01:16:07,760

mean there's no point

2083

01:16:11,430 --> 01:16:09,600

and and you guys got there's got to be

2084

01:16:13,270 --> 01:16:11,440

something to it because

2085

01:16:16,229 --> 01:16:13,280

you know yeah

2086

01:16:18,310 --> 01:16:16,239

nancy malcolm just wrote me and said uh

2087

01:16:21,990 --> 01:16:18,320

lon when can we have a reptilian to

2088

01:16:24,470 --> 01:16:22,000

interview boy if anybody ever has one

2089

01:16:26,310 --> 01:16:24,480

you've got my number you've got my email

2090

01:16:29,110 --> 01:16:26,320

just send them to me

2091

01:16:31,350 --> 01:16:29,120

and i will allow them to come on here

2092

01:16:32,830 --> 01:16:31,360

and say what they got to say

2093

01:16:35,750 --> 01:16:32,840

no problem there

2094

01:16:39,830 --> 01:16:35,760

yes i love it i'm team reptilian i'm

2095

01:16:41,590 --> 01:16:39,840

always fighting for reptilian rights

2096

01:16:43,990 --> 01:16:41,600

you can't demonize an entire confuse

2097

01:16:47,030 --> 01:16:44,000

everybody you can't

2098

01:16:50,390 --> 01:16:47,040

oh my yeah so

2099

01:16:52,070 --> 01:16:50,400

oh god i i you know it's interesting

2100

01:16:53,750 --> 01:16:52,080

what you know when you get when you get

2101  
01:16:55,430 --> 01:16:53,760  
into a group like this into a round

2102  
01:16:56,149 --> 01:16:55,440  
table it's interesting what stuff comes

2103  
01:16:57,750 --> 01:16:56,159  
up

2104  
01:16:59,189 --> 01:16:57,760  
but uh you know

2105  
01:17:01,110 --> 01:16:59,199  
i've got three different individuals

2106  
01:17:03,430 --> 01:17:01,120  
here who all have different experiences

2107  
01:17:06,070 --> 01:17:03,440  
and different and have been involved

2108  
01:17:08,950 --> 01:17:06,080  
with different things and um

2109  
01:17:09,830 --> 01:17:08,960  
i hope everybody learned a little bit

2110  
01:17:11,750 --> 01:17:09,840  
uh

2111  
01:17:13,590 --> 01:17:11,760  
from it but you know this is a subject

2112  
01:17:15,510 --> 01:17:13,600  
of going for hours and hours and hours

2113  
01:17:17,750 --> 01:17:15,520

and uh if they could answer every

2114

01:17:19,750 --> 01:17:17,760

question that they have we could

2115

01:17:22,630 --> 01:17:19,760

so but at this point i'd like to have

2116

01:17:25,430 --> 01:17:22,640

each and one of you tell us um

2117

01:17:27,350 --> 01:17:25,440

what you are involved in now what you

2118

01:17:31,030 --> 01:17:27,360

plan to be involved in if you have any

2119

01:17:33,189 --> 01:17:31,040

books to uh advertise those your website

2120

01:17:35,750 --> 01:17:33,199

and uh let us know what's going on so

2121

01:17:37,669 --> 01:17:35,760

i'll start with lynn

2122

01:17:39,189 --> 01:17:37,679

right now i i have my own channel

2123

01:17:41,910 --> 01:17:39,199

rebellious you follow you thank you so

2124

01:17:46,149 --> 01:17:41,920

much uh so you can find me on youtube

2125

01:17:48,950 --> 01:17:46,159

and it's also on amazon music and um i

2126

01:17:51,990 --> 01:17:48,960

think itunes and spotify

2127

01:17:54,229 --> 01:17:52,000

um and i'm going to be

2128

01:17:55,990 --> 01:17:54,239

speaking at a women in ufology

2129

01:17:57,270 --> 01:17:56,000

conference coming up it's a virtual

2130

01:17:58,870 --> 01:17:57,280

conference that's going to be coming up

2131

01:18:00,950 --> 01:17:58,880

i think they're going to be advertising

2132

01:18:03,830 --> 01:18:00,960

it pretty soon um but it's going to be

2133

01:18:05,110 --> 01:18:03,840

on april 23rd so that's that's pretty

2134

01:18:07,189 --> 01:18:05,120

much what i'm doing i just started the

2135

01:18:08,950 --> 01:18:07,199

channel it's only about a month old uh

2136

01:18:11,270 --> 01:18:08,960

so it's a brand new baby channel but

2137

01:18:14,149 --> 01:18:11,280

we're having a lot of fun with it

2138

01:18:16,950 --> 01:18:14,159

great how about it thomas

2139

01:18:18,310 --> 01:18:16,960

yeah i uh just like to mention that

2140

01:18:21,110 --> 01:18:18,320

throw out there that

2141

01:18:23,030 --> 01:18:21,120

i'm looking forward to uh probably this

2142

01:18:24,390 --> 01:18:23,040

august we're gonna premiere we just got

2143

01:18:26,630 --> 01:18:24,400

done filming

2144

01:18:28,790 --> 01:18:26,640

a show a gentleman that's on now on a

2145

01:18:31,110 --> 01:18:28,800

show that's on television now

2146

01:18:33,270 --> 01:18:31,120

just got done filming one episode and

2147

01:18:36,470 --> 01:18:33,280

that should air around august

2148

01:18:38,709 --> 01:18:36,480

and we're working on with another group

2149

01:18:41,430 --> 01:18:38,719

uh one of ted phillips project was

2150

01:18:43,510 --> 01:18:41,440

project moonshaft which

2151

01:18:45,910 --> 01:18:43,520

you may have heard of that maybe not but

2152

01:18:48,550 --> 01:18:45,920

uh there's a man right there with

2153

01:18:51,110 --> 01:18:48,560

chocolate and uh moonshaft is an

2154

01:18:52,630 --> 01:18:51,120

artifact in slovakia that ted made it

2155

01:18:55,590 --> 01:18:52,640

over there twice

2156

01:18:57,590 --> 01:18:55,600

it's a long pedigree to this whole story

2157

01:18:58,630 --> 01:18:57,600

but involves an object that was found in

2158

01:19:01,030 --> 01:18:58,640

a cave

2159

01:19:02,149 --> 01:19:01,040

by someone escaping the nazis in world

2160

01:19:03,990 --> 01:19:02,159

war ii

2161

01:19:06,350 --> 01:19:04,000

and ted actually made it back to this

2162

01:19:09,390 --> 01:19:06,360

cave where this artifact was found its

2163

01:19:11,350 --> 01:19:09,400

instrumentality that's eons old

2164

01:19:12,310 --> 01:19:11,360

self-maintaining running

2165

01:19:14,390 --> 01:19:12,320

uh

2166

01:19:17,669 --> 01:19:14,400

not of this earth in a mountain buried

2167

01:19:20,149 --> 01:19:17,679

in slovakia so we're working on getting

2168

01:19:21,990 --> 01:19:20,159

there now and uh

2169

01:19:24,070 --> 01:19:22,000

i can't tell you the longest the

2170

01:19:26,790 --> 01:19:24,080

problems between clovis over the last

2171

01:19:29,110 --> 01:19:26,800

two years and now we got a war going on

2172

01:19:30,110 --> 01:19:29,120

in close proximity

2173

01:19:32,630 --> 01:19:30,120

so the

2174

01:19:35,110 --> 01:19:32,640

geopolitical aspects of this is

2175

01:19:37,350 --> 01:19:35,120

unbelievable right now but we're trying

2176  
01:19:38,870 --> 01:19:37,360  
to get going to try to get over there in

2177  
01:19:41,830 --> 01:19:38,880  
the next year

2178  
01:19:43,669 --> 01:19:41,840  
or two to start this documentary on this

2179  
01:19:44,470 --> 01:19:43,679  
on the moonshot project

2180  
01:19:46,229 --> 01:19:44,480  
so

2181  
01:19:48,630 --> 01:19:46,239  
look for that and stay tuned that's what

2182  
01:19:50,390 --> 01:19:48,640  
we're working on

2183  
01:19:53,189 --> 01:19:50,400  
how about you albert

2184  
01:19:55,669 --> 01:19:53,199  
well i'm still working on my database

2185  
01:19:57,350 --> 01:19:55,679  
daily i update it and i uh

2186  
01:19:58,950 --> 01:19:57,360  
i share most of my a lot of my

2187  
01:20:00,630 --> 01:19:58,960  
information on my

2188  
01:20:03,189 --> 01:20:00,640

facebook page

2189

01:20:05,350 --> 01:20:03,199

humanoid encounters another another

2190

01:20:07,350 --> 01:20:05,360

strange things i think that's what i

2191

01:20:10,390 --> 01:20:07,360

think but i share a lot of my

2192

01:20:12,709 --> 01:20:10,400

information there and i am working on my

2193

01:20:17,590 --> 01:20:12,719

last book

2194

01:20:19,430 --> 01:20:17,600

uh encountered from 2016 through 2021

2195

01:20:20,790 --> 01:20:19,440

i'm collecting cases from that time

2196

01:20:21,910 --> 01:20:20,800

period now

2197

01:20:24,310 --> 01:20:21,920

uh

2198

01:20:26,870 --> 01:20:24,320

i want to update the other books too but

2199

01:20:29,510 --> 01:20:26,880

i changed publisher so it's a there's a

2200

01:20:31,189 --> 01:20:29,520

there's a lot of you know big deal

2201

01:20:33,030 --> 01:20:31,199

but um

2202

01:20:34,870 --> 01:20:33,040

i'm still working on that i i feel like

2203

01:20:37,030 --> 01:20:34,880

i have to do it i feel like i'm

2204

01:20:39,030 --> 01:20:37,040

compelled to do it i i i need to

2205

01:20:42,149 --> 01:20:39,040

document all these cases a lot of these

2206

01:20:43,910 --> 01:20:42,159

cases that i document as long knows that

2207

01:20:45,669 --> 01:20:43,920

are the cases that i

2208

01:20:47,990 --> 01:20:45,679

obtain from like

2209

01:20:50,870 --> 01:20:48,000

ukraine russia

2210

01:20:52,470 --> 01:20:50,880

eastern europe yeah south america

2211

01:20:54,070 --> 01:20:52,480

different parts of the world with people

2212

01:20:56,470 --> 01:20:54,080

have never heard of

2213

01:20:59,430 --> 01:20:56,480

and a lot of them are coming different

2214

01:21:00,709 --> 01:20:59,440

languages that have to translate them

2215

01:21:02,470 --> 01:21:00,719

russian

2216

01:21:05,350 --> 01:21:02,480

thank god for google translate i could

2217

01:21:07,510 --> 01:21:05,360

translate spanish and portuguese

2218

01:21:09,830 --> 01:21:07,520

maybe italian a little french but some

2219

01:21:12,070 --> 01:21:09,840

of these sandwiches are like really hard

2220

01:21:12,870 --> 01:21:12,080

to uh yeah yeah but that's what i'm

2221

01:21:15,590 --> 01:21:12,880

doing

2222

01:21:16,550 --> 01:21:15,600

i hope to set up a website soon so i

2223

01:21:19,110 --> 01:21:16,560

could

2224

01:21:21,510 --> 01:21:19,120

have my database accessible there

2225

01:21:23,110 --> 01:21:21,520

to the general public i want to do that

2226

01:21:25,030 --> 01:21:23,120

i used to

2227

01:21:27,189 --> 01:21:25,040

that's one of my books there

2228

01:21:29,750 --> 01:21:27,199

i used to have that available till the

2229

01:21:31,990 --> 01:21:29,760

on the ufo info website

2230

01:21:34,790 --> 01:21:32,000

unfortunately the owner

2231

01:21:36,229 --> 01:21:34,800

had some family issues and he closed it

2232

01:21:38,470 --> 01:21:36,239

down

2233

01:21:41,189 --> 01:21:38,480

and that's it

2234

01:21:42,709 --> 01:21:41,199

that's what i'm doing well if you ever

2235

01:21:43,669 --> 01:21:42,719

need help let me know maybe i can give

2236

01:21:45,189 --> 01:21:43,679

you a hand

2237

01:21:47,430 --> 01:21:45,199

okay thank you

2238

01:21:50,149 --> 01:21:47,440

uh look i i want to thank all you three

2239

01:21:52,149 --> 01:21:50,159

for coming on today uh this evening

2240

01:21:54,709 --> 01:21:52,159

uh you've got an open invitation to come

2241

01:21:57,590 --> 01:21:54,719

on anytime you want and uh you know

2242

01:21:59,510 --> 01:21:57,600

maybe we can do this all together again

2243

01:22:01,430 --> 01:21:59,520

it's a fascinating subject it's an

2244

01:22:03,270 --> 01:22:01,440

evolving subject

2245

01:22:10,870 --> 01:22:03,280

uh

2246

01:22:11,910 --> 01:22:10,880

you take care thanks so much for having

2247

01:22:13,990 --> 01:22:11,920

us on

2248

01:22:16,550 --> 01:22:14,000

thank you thank you

2249

01:22:17,910 --> 01:22:16,560

nice meeting you lynn and tom you too

2250

01:22:19,110 --> 01:22:17,920

nice to meet you

2251

01:22:20,550 --> 01:22:19,120

thank you sir

2252

01:22:24,870 --> 01:22:20,560

been great

2253

01:22:30,390 --> 01:22:24,880

here's here's my my uh my alien ice

2254

01:22:30,400 --> 01:22:33,750

i have a whole bunch of them

2255

01:22:37,030 --> 01:22:34,870

oh well

2256

01:22:40,790 --> 01:22:37,040

okay thank you all right launch keep in

2257

01:22:45,510 --> 01:22:42,790

now if you have an unexplained encounter

2258

01:22:48,149 --> 01:22:45,520

or sighting feel free to contact excuse

2259

01:22:50,070 --> 01:22:48,159

me contact me directly on at the lawn

2260

01:22:51,510 --> 01:22:50,080

strip or fans of monsters dot com or

2261

01:22:52,629 --> 01:22:51,520

through the phantoms of monsters blog

2262

01:22:55,510 --> 01:22:52,639

site

2263

01:22:57,590 --> 01:22:55,520

also if you would like your encounter or

2264

01:23:00,390 --> 01:22:57,600

citing red on the show

2265

01:23:03,030 --> 01:23:00,400

please forward to my email

2266

01:23:05,590 --> 01:23:03,040

uh you know this coming wednesday we're

2267

01:23:07,750 --> 01:23:05,600

premiering personal reports live on

2268

01:23:09,750 --> 01:23:07,760

phantoms and monsters radio

2269

01:23:12,149 --> 01:23:09,760

you know i will be narrating several

2270

01:23:13,510 --> 01:23:12,159

accounts that have come my way and give

2271

01:23:15,750 --> 01:23:13,520

the chat room

2272

01:23:18,629 --> 01:23:15,760

the opportunity to ask questions in

2273

01:23:20,229 --> 01:23:18,639

reference to the reports so you know

2274

01:23:22,870 --> 01:23:20,239

don't miss that that'll be quite

2275

01:23:25,350 --> 01:23:22,880

interesting uh we're gonna probably do a

2276

01:23:28,070 --> 01:23:25,360

bi-weekly for now

2277

01:23:29,830 --> 01:23:28,080

and maybe it'll be a weekly uh a weekly

2278

01:23:31,110 --> 01:23:29,840

endeavor but we'll see we'll see how it

2279

01:23:33,510 --> 01:23:31,120

goes

2280

01:23:35,830 --> 01:23:33,520

and uh look i want to thank my guests

2281

01:23:37,590 --> 01:23:35,840

for coming on this evening it was great

2282

01:23:39,750 --> 01:23:37,600

i i really like these round table

2283

01:23:42,149 --> 01:23:39,760

discussions i don't know why i didn't

2284

01:23:43,750 --> 01:23:42,159

start doing this a long time ago but uh

2285

01:23:45,350 --> 01:23:43,760

i do enjoy them

2286

01:23:47,590 --> 01:23:45,360

and and thanks to each and all of you

2287

01:23:49,270 --> 01:23:47,600

for watching and chatting if you made a

2288

01:23:50,470 --> 01:23:49,280

super chat donation it's truly

2289

01:23:52,790 --> 01:23:50,480

appreciated

2290

01:23:55,350 --> 01:23:52,800

your support is what makes this possible

2291

01:23:57,750 --> 01:23:55,360

so please click subscribe button

2292

01:24:00,229 --> 01:23:57,760

and also consider becoming a member of

2293

01:24:01,430 --> 01:24:00,239

phantom monsters radio

2294

01:24:02,950 --> 01:24:01,440

this

2295

01:24:06,229 --> 01:24:02,960

next week

2296

01:24:08,709 --> 01:24:06,239

psychic medium and spirit rescuer amy

2297

01:24:09,669 --> 01:24:08,719

major will join me i've had amy on

2298

01:24:11,990 --> 01:24:09,679

before

2299

01:24:14,629 --> 01:24:12,000

and uh her book she has two books that

2300

01:24:17,350 --> 01:24:14,639

she has previously written i suggest

2301

01:24:19,910 --> 01:24:17,360

that you guys recommend both of them

2302

01:24:22,870 --> 01:24:19,920

uh if you just go to amazon and put amy

2303

01:24:26,709 --> 01:24:22,880

major in and search it her books give

2304

01:24:28,550 --> 01:24:26,719

great details of spirit rescue work so

2305

01:24:31,030 --> 01:24:28,560

uh but we'll be discussing the ins and

2306

01:24:32,790 --> 01:24:31,040

out of mediaship and how you can become

2307

01:24:34,790 --> 01:24:32,800

a spirit rescuer

2308

01:24:37,430 --> 01:24:34,800

should be an interesting discussion so

2309

01:24:39,910 --> 01:24:37,440

be sure to tune in so until next week

2310

01:24:41,750 --> 01:24:39,920

or until wednesday night stay healthy

2311

01:24:45,850 --> 01:24:41,760

and have a safe enjoyable weekend good

2312

01:25:07,590 --> 01:24:51,050

[Music]

2313

01:25:07,600 --> 01:25:18,709

so

2314

01:25:18,719 --> 01:25:25,510

do
