me

6  
00:01:28,469 --> 00:01:26,560

uh i will narrate several cryptid and

7  
00:01:30,469 --> 00:01:28,479

unexplained accounts from the archives

8  
00:01:32,550 --> 00:01:30,479

of phantoms and monsters

9  
00:01:34,630 --> 00:01:32,560

and the phantoms and monsters 14

10  
00:01:36,950 --> 00:01:34,640

research case log

11  
00:01:38,950 --> 00:01:36,960

then i will give the chat room the

12  
00:01:41,109 --> 00:01:38,960

opportunity to ask questions in

13  
00:01:43,670 --> 00:01:41,119

reference to these reports

14

00:01:45,830 --> 00:01:43,680

so i hope you enjoy it

15

00:01:48,550 --> 00:01:45,840

and if you have questions like i said

16

00:01:50,469 --> 00:01:48,560

between each report i'll open it up and

17

00:01:52,870 --> 00:01:50,479

allow you to ask questions and i'll do

18

00:01:54,630 --> 00:01:52,880

the best i can to

19

00:01:58,230 --> 00:01:54,640

explain

20

00:02:00,230 --> 00:01:58,240

what had receded in in some of the uh

21

00:02:01,990 --> 00:02:00,240

aspects of the report and you know

22

00:02:03,670 --> 00:02:02,000

things that followed up on

23

00:02:06,469 --> 00:02:03,680

so the first the first

24

00:02:08,150 --> 00:02:06,479

report is about a coastal mississippi

25

00:02:09,589 --> 00:02:08,160

resident

26

00:02:13,270 --> 00:02:09,599

who believes

27

00:02:15,830 --> 00:02:13,280

they have encountered a river troll

28

00:02:18,070 --> 00:02:15,840

while on their houseboat now

29

00:02:19,990 --> 00:02:18,080

they took a photo and described what

30

00:02:22,070 --> 00:02:20,000

they witnessed

31

00:02:23,910 --> 00:02:22,080

and uh

32

00:02:26,949 --> 00:02:23,920

along with the photo i'm gonna read what

33

00:02:30,470 --> 00:02:26,959

they sent me now they stated about six

34

00:02:32,630 --> 00:02:30,480

years ago which was 2015.

35

00:02:33,509 --> 00:02:32,640

my family lived on our houseboat on the

36

00:02:37,190 --> 00:02:33,519

river

37

00:02:39,350 --> 00:02:37,200

in a small town in coastal mississippi

38

00:02:42,470 --> 00:02:39,360

we were on the deck one evening looking

39

00:02:45,030 --> 00:02:42,480  
across the river the tide was low

40

00:02:47,350 --> 00:02:45,040  
and you could see well into the woods

41

00:02:50,390 --> 00:02:47,360  
now maybe 25 yards from us something

42

00:02:52,949 --> 00:02:50,400  
bent down near the water drinking

43

00:02:55,430 --> 00:02:52,959  
i went and retrieved my binoculars and

44

00:02:58,390 --> 00:02:55,440  
took a closer look

45

00:03:01,350 --> 00:02:58,400  
it was pinkish tan with bulging eyes

46

00:03:03,990 --> 00:03:01,360  
funny looking ears two arms two legs

47

00:03:05,830 --> 00:03:04,000  
and what appeared to be horns coming out

48

00:03:08,630 --> 00:03:05,840  
of its head

49

00:03:11,270 --> 00:03:08,640  
it had a short round body

50

00:03:12,790 --> 00:03:11,280  
and it was drinking from the shore

51

00:03:16,070 --> 00:03:12,800

from what i saw

52

00:03:18,470 --> 00:03:16,080

i would swear it was like a troll

53

00:03:20,869 --> 00:03:18,480

it was devil ugly

54

00:03:23,750 --> 00:03:20,879

i took my phone out and took a picture

55

00:03:25,670 --> 00:03:23,760

to this day anyone i show it to swears

56

00:03:27,190 --> 00:03:25,680

it's a river toll

57

00:03:29,110 --> 00:03:27,200

now

58

00:03:31,350 --> 00:03:29,120

living in a houseboat you see a lot of

59

00:03:33,270 --> 00:03:31,360

creepy stuff in the swamp

60

00:03:35,509 --> 00:03:33,280

also

61

00:03:38,070 --> 00:03:35,519

there would always be trees or logs

62

00:03:39,830 --> 00:03:38,080

laying across the ditches of our 1 000

63

00:03:40,869 --> 00:03:39,840

foot driveway in the middle of the

64

00:03:43,589 --> 00:03:40,879

swamps

65

00:03:45,990 --> 00:03:43,599

as it's something put them there to

66

00:03:47,990 --> 00:03:46,000

cross the deep parts

67

00:03:51,110 --> 00:03:48,000

you couldn't walk up or down without the

68

00:03:53,670 --> 00:03:51,120

eerie feeling of being watched and it

69

00:03:56,630 --> 00:03:53,680

wasn't just me anyone who came

70

00:03:59,670 --> 00:03:56,640

out our way felt it as well so you would

71

00:04:01,830 --> 00:03:59,680

also hear what sounded like monkeys

72

00:04:03,990 --> 00:04:01,840

one time something through a rocket hit

73

00:04:06,470 --> 00:04:04,000

my friend i still own the property in

74

00:04:09,830 --> 00:04:06,480

the house but but none of my grown kids

75

00:04:13,670 --> 00:04:11,670

i don't share the picture to other

76

00:04:16,069 --> 00:04:13,680

people anymore

77

00:04:17,749 --> 00:04:16,079

i don't have to prove anything i'm just

78

00:04:20,789 --> 00:04:17,759

sharing it with you

79

00:04:22,629 --> 00:04:20,799

and i feel as if maybe i'm a lucky one

80

00:04:25,110 --> 00:04:22,639

to have been able to be in contact with

81

00:04:27,590 --> 00:04:25,120

several creatures in this world

82

00:04:30,070 --> 00:04:27,600

and some twice so yes it's blurry and

83

00:04:32,310 --> 00:04:30,080

yeah it's hard to make out

84

00:04:36,230 --> 00:04:32,320

but you can clearly see its reflection

85

00:04:38,070 --> 00:04:36,240

in the water and as it's drinking now

86

00:04:39,350 --> 00:04:38,080

of course this witness gave me

87

00:04:42,870 --> 00:04:39,360

permission

88

00:04:45,510 --> 00:04:42,880

to post this um this photograph

89

00:04:47,990 --> 00:04:45,520

and i actually that you know after i

90

00:04:50,390 --> 00:04:48,000

posted it it said on my blog for a

91

00:04:51,990 --> 00:04:50,400

couple weeks and all of a sudden it just

92

00:04:53,510 --> 00:04:52,000

went viral this thing was going

93

00:04:55,350 --> 00:04:53,520

everywhere it was all over the place i

94

00:04:58,550 --> 00:04:55,360

must have got about

95

00:05:00,070 --> 00:04:58,560

oh i'd say about 50 000 plus page hits

96

00:05:01,990 --> 00:05:00,080

off this thing

97

00:05:03,110 --> 00:05:02,000

so um

98

00:05:05,110 --> 00:05:03,120

you know

99

00:05:06,950 --> 00:05:05,120

if anybody has any you have any

100

00:05:10,230 --> 00:05:06,960

questions about this or you want to ask

101

00:05:11,909 --> 00:05:10,240

about it i'm here to to answer it uh it

102

00:05:13,830 --> 00:05:11,919

doesn't have to be now it can be later

103

00:05:15,430 --> 00:05:13,840

on the show but uh

104

00:05:17,510 --> 00:05:15,440

like i said i want to start out with

105

00:05:18,790 --> 00:05:17,520

this because it was uh it was an

106

00:05:21,830 --> 00:05:18,800

interesting

107

00:05:22,629 --> 00:05:21,840

report and uh i got a lot of feedback on

108

00:05:25,909 --> 00:05:22,639

it

109

00:05:27,510 --> 00:05:25,919

so you know just keeping caps uh vincent

110

00:05:29,350 --> 00:05:27,520

can um

111

00:05:31,510 --> 00:05:29,360

keep track of it and we could talk about

112

00:05:32,950 --> 00:05:31,520

it you know after the show

113

00:05:34,310 --> 00:05:32,960

so that i'll go ahead and get to the

114

00:05:36,070 --> 00:05:34,320

next um

115

00:05:38,870 --> 00:05:36,080

to the next report

116

00:05:42,230 --> 00:05:38,880

a south jersey police officer recounts

117

00:05:44,070 --> 00:05:42,240

his encounter with what he believes

118

00:05:46,310 --> 00:05:44,080

may have been the jersey devil during

119

00:05:48,150 --> 00:05:46,320

the summer of 2017.

120

00:05:49,510 --> 00:05:48,160

his girlfriend also witnessed the

121

00:05:50,830 --> 00:05:49,520

creature

122

00:05:53,950 --> 00:05:50,840

now he

123

00:05:56,469 --> 00:05:53,960

stated so this took place in the summer

124

00:05:59,189 --> 00:05:56,479

2017. i was driving in southern new

125

00:06:00,950 --> 00:05:59,199

jersey in cumberland county

126

00:06:03,430 --> 00:06:00,960

i was out with my girlfriend at the time

127

00:06:05,590 --> 00:06:03,440

we and we always went on explorations

128

00:06:07,909 --> 00:06:05,600

and adventures together in typical new

129

00:06:10,070 --> 00:06:07,919

jersey fashion we just drove around

130

00:06:12,150 --> 00:06:10,080

aimlessly near the pine barrens which is

131

00:06:14,870 --> 00:06:12,160

a large area pine forest

132

00:06:17,430 --> 00:06:14,880

that takes up a lot of south jersey

133

00:06:21,189 --> 00:06:17,440

we would also joke about

134

00:06:23,430 --> 00:06:21,199

trying to find the jersey devil which

135

00:06:25,670 --> 00:06:23,440

is a mythological creature in new jersey

136

00:06:27,189 --> 00:06:25,680

folklore basically you just drove around

137

00:06:28,950 --> 00:06:27,199

pointing out shadows and trying to

138

00:06:31,430 --> 00:06:28,960

secure your girlfriend

139

00:06:32,830 --> 00:06:31,440

well anyway as we were driving along at

140

00:06:35,590 --> 00:06:32,840

probably 2

141

00:06:38,390 --> 00:06:35,600

a.m we had a large section of forest

142

00:06:41,430 --> 00:06:38,400

surrounding us on this lonely road now

143

00:06:44,150 --> 00:06:41,440

we were the only cars for miles and uh

144

00:06:46,150 --> 00:06:44,160

there were a few houses here and there

145

00:06:49,110 --> 00:06:46,160

now as we drove i remember seeing

146

00:06:51,270 --> 00:06:49,120

movement to the right of the vehicle

147

00:06:53,110 --> 00:06:51,280

from the front uh

148

00:06:54,469 --> 00:06:53,120

eliminated by the headlights but to the

149

00:06:56,070 --> 00:06:54,479

right of the car

150

00:06:58,070 --> 00:06:56,080

as i drove

151  
00:07:00,150 --> 00:06:58,080  
there was a creature standing about two

152  
00:07:01,990 --> 00:07:00,160  
to five foot in height

153  
00:07:04,230 --> 00:07:02,000  
now it seemed to be covered in brown

154  
00:07:06,230 --> 00:07:04,240  
hair almost like a goat

155  
00:07:09,909 --> 00:07:06,240  
it had black wings that appeared to be

156  
00:07:10,790 --> 00:07:09,919  
leatherly or leatherly or smooth

157  
00:07:13,029 --> 00:07:10,800  
uh

158  
00:07:15,510 --> 00:07:13,039  
i did not see the head or face or

159  
00:07:17,189 --> 00:07:15,520  
anything else distinguishable

160  
00:07:19,510 --> 00:07:17,199  
but as we were approached maybe a

161  
00:07:21,749 --> 00:07:19,520  
distance of 10 to 12 20 yards the

162  
00:07:24,629 --> 00:07:21,759  
creature flapped its wings

163  
00:07:27,350 --> 00:07:24,639

a few times and took off vertically

164

00:07:29,830 --> 00:07:27,360

not at an angle like a plane or or bird

165

00:07:32,309 --> 00:07:29,840

takeoff if it then just it then

166

00:07:34,070 --> 00:07:32,319

disappeared as we drove past

167

00:07:36,230 --> 00:07:34,080

the whole incident took about five to

168

00:07:37,990 --> 00:07:36,240

seven seconds

169

00:07:40,309 --> 00:07:38,000

i almost discounted it as a

170

00:07:41,990 --> 00:07:40,319

hallucination dude induced by lack of

171

00:07:44,950 --> 00:07:42,000

sleep or something but my girlfriend

172

00:07:46,950 --> 00:07:44,960

interrupted my thought process and said

173

00:07:49,110 --> 00:07:46,960

did you see that and with house

174

00:07:50,950 --> 00:07:49,120

hesitation we pulled over

175

00:07:52,950 --> 00:07:50,960

bailed out of the car with a flashlight

176  
00:07:54,550 --> 00:07:52,960  
but there was nothing

177  
00:07:56,390 --> 00:07:54,560  
now

178  
00:07:58,869 --> 00:07:56,400  
we looked and listened for a few minutes

179  
00:08:00,790 --> 00:07:58,879  
but couldn't find anything we then

180  
00:08:02,869 --> 00:08:00,800  
started to google all the wildlife in

181  
00:08:05,189 --> 00:08:02,879  
new jersey to see

182  
00:08:07,749 --> 00:08:05,199  
if we could find what we saw and no

183  
00:08:09,430 --> 00:08:07,759  
animal appeared close to what we

184  
00:08:10,869 --> 00:08:09,440  
observed

185  
00:08:13,029 --> 00:08:10,879  
now i don't know

186  
00:08:15,029 --> 00:08:13,039  
what we saw that evening i will make no

187  
00:08:17,189 --> 00:08:15,039  
assumptions i just saw a creature i

188  
00:08:18,869 --> 00:08:17,199

couldn't identify in the short time that

189

00:08:21,749 --> 00:08:18,879

i was observed

190

00:08:22,950 --> 00:08:21,759

now i'm a lawman in in south jersey and

191

00:08:24,950 --> 00:08:22,960

have been

192

00:08:26,469 --> 00:08:24,960

seen some strange and crazy things in my

193

00:08:29,189 --> 00:08:26,479

time on the streets

194

00:08:31,270 --> 00:08:29,199

but this was definitely the creepiest

195

00:08:32,870 --> 00:08:31,280

i've never seen anything like that since

196

00:08:35,990 --> 00:08:32,880

but lots of people in new jersey have

197

00:08:38,829 --> 00:08:36,000

reported similar sightings

198

00:08:40,310 --> 00:08:38,839

and uh you know i i do occasionally get

199

00:08:42,870 --> 00:08:40,320

a of

200

00:08:45,750 --> 00:08:42,880

these reports out of new jersey out of

201  
00:08:47,190 --> 00:08:45,760  
south jersey of these

202  
00:08:49,980 --> 00:08:47,200  
these um

203  
00:08:51,509 --> 00:08:49,990  
jersey devil like creatures

204  
00:08:54,389 --> 00:08:51,519  
[Music]

205  
00:08:58,230 --> 00:08:54,399  
there's really never a definitive shape

206  
00:08:59,670 --> 00:08:58,240  
or form to these things um

207  
00:09:03,110 --> 00:08:59,680  
but

208  
00:09:04,710 --> 00:09:03,120  
you know it it's always um

209  
00:09:06,949 --> 00:09:04,720  
it's always an interesting it's always

210  
00:09:09,350 --> 00:09:06,959  
an interesting report it kind of lines

211  
00:09:10,389 --> 00:09:09,360  
up with the actual folklore and and the

212  
00:09:12,070 --> 00:09:10,399  
overall

213  
00:09:13,430 --> 00:09:12,080

reaction of people and the reaction of

214

00:09:15,430 --> 00:09:13,440

the creature

215

00:09:17,269 --> 00:09:15,440

uh is it something similar to like

216

00:09:18,710 --> 00:09:17,279

what's going on in chicago now i don't

217

00:09:21,269 --> 00:09:18,720

think so i don't think it's really

218

00:09:23,430 --> 00:09:21,279

humanoid i think it's something else

219

00:09:25,750 --> 00:09:23,440

uh i don't even know if i even believe

220

00:09:29,750 --> 00:09:28,510

but it seems a lot of people see it so

221

00:09:31,990 --> 00:09:29,760

[Music]

222

00:09:36,230 --> 00:09:32,000

let's see here we do have one question

223

00:09:40,470 --> 00:09:38,389

asked along with vince have there been

224

00:09:43,590 --> 00:09:40,480

any small beings at all cited in the

225

00:09:46,630 --> 00:09:43,600

area um

226  
00:09:48,630 --> 00:09:46,640  
and uh vince uh about hammerhead bat

227  
00:09:50,470 --> 00:09:48,640  
could be the jersey that's true

228  
00:09:52,389 --> 00:09:50,480  
hammerhead bets they're they're ugly i

229  
00:09:54,630 --> 00:09:52,399  
mean they they do like a small little

230  
00:09:54,930 --> 00:09:54,640  
horse and the head wise

231  
00:09:56,230 --> 00:09:54,940  
uh

232  
00:09:57,829 --> 00:09:56,240  
[Music]

233  
00:09:59,350 --> 00:09:57,839  
but

234  
00:10:01,750 --> 00:09:59,360  
are people seeing this thing

235  
00:10:05,750 --> 00:10:01,760  
exaggerating the size i don't know that

236  
00:10:08,470 --> 00:10:05,760  
may very well be um i don't know i don't

237  
00:10:11,269 --> 00:10:08,480  
really know what people are seeing

238  
00:10:13,030 --> 00:10:11,279

nancy asked uh

239

00:10:15,030 --> 00:10:13,040

were any footprints found with this

240

00:10:16,550 --> 00:10:15,040

report and did any matches reported to

241

00:10:18,310 --> 00:10:16,560

the jersey devil

242

00:10:20,230 --> 00:10:18,320

now i mean he never mentioned anything i

243

00:10:21,350 --> 00:10:20,240

gave the full report i never did a

244

00:10:24,230 --> 00:10:21,360

follow-up

245

00:10:26,069 --> 00:10:24,240

and never heard anything about um

246

00:10:27,670 --> 00:10:26,079

any footprints now

247

00:10:30,230 --> 00:10:27,680

of course there have been people who

248

00:10:34,230 --> 00:10:30,240

have reported footprints in the past

249

00:10:36,550 --> 00:10:34,240

uh it it seems like people

250

00:10:38,790 --> 00:10:36,560

have talked about these this thing

251  
00:10:40,710 --> 00:10:38,800  
getting on ruse and making footprints

252  
00:10:41,750 --> 00:10:40,720  
and in the snow if there's snow on the

253  
00:10:45,910 --> 00:10:41,760  
roof

254  
00:10:48,230 --> 00:10:45,920  
uh it's it's mostly a huge like print so

255  
00:10:49,269 --> 00:10:48,240  
does this thing have whose

256  
00:10:52,069 --> 00:10:49,279  
you know

257  
00:10:55,430 --> 00:10:52,079  
in the folklore it says it has his

258  
00:10:59,269 --> 00:10:55,440  
so uh now that's that's

259  
00:11:01,670 --> 00:10:59,279  
that's all i got from it and uh

260  
00:11:07,990 --> 00:11:04,790  
you know what i read is all i had so

261  
00:11:11,670 --> 00:11:08,000  
okay so the next report

262  
00:11:13,910 --> 00:11:11,680  
a minnesota woman shockingly observes

263  
00:11:16,550 --> 00:11:13,920

a walking tree while driving by a

264

00:11:18,389 --> 00:11:16,560

wetland area she later makes an inquiry

265

00:11:21,190 --> 00:11:18,399

to an ojibwe elder

266

00:11:23,030 --> 00:11:21,200

who explains the significance of this

267

00:11:25,430 --> 00:11:23,040

event

268

00:11:28,790 --> 00:11:25,440

now i received a phone call

269

00:11:31,829 --> 00:11:28,800

from cg from hibbing miss minnesota

270

00:11:33,190 --> 00:11:31,839

on uh april the third of this year her

271

00:11:35,670 --> 00:11:33,200

and her husband

272

00:11:39,110 --> 00:11:35,680

were traveling along a low marshy area

273

00:11:40,790 --> 00:11:39,120

in st louis county in northern minnesota

274

00:11:43,190 --> 00:11:40,800

it was during the daylight and it was

275

00:11:46,550 --> 00:11:43,200

recent and as they were passing a patch

276

00:11:49,430 --> 00:11:46,560

of upright dead trees in the wetland

277

00:11:53,030 --> 00:11:49,440

cg observed one of the trees literally

278

00:11:55,750 --> 00:11:53,040

walk forward a few steps

279

00:11:58,470 --> 00:11:55,760

now she states that the tree was about

280

00:12:00,870 --> 00:11:58,480

12 foot in height dark and rotting with

281

00:12:03,590 --> 00:12:00,880

branches that looked like arms

282

00:12:05,829 --> 00:12:03,600

there were also legs extending from the

283

00:12:08,829 --> 00:12:05,839

bottom that stepped forward into the

284

00:12:10,389 --> 00:12:08,839

thick muck of the wetland

285

00:12:12,230 --> 00:12:10,399

uh

286

00:12:14,389 --> 00:12:12,240

she wasn't sure what type of tree it was

287

00:12:16,389 --> 00:12:14,399

and of course she she was stunned and

288

00:12:18,069 --> 00:12:16,399

explained to her husband

289

00:12:19,750 --> 00:12:18,079

what she had witnessed apparently he

290

00:12:21,509 --> 00:12:19,760

didn't believe her and he continued to

291

00:12:24,629 --> 00:12:21,519

drive on

292

00:12:27,350 --> 00:12:24,639

so after i talked to her cg contacted in

293

00:12:29,430 --> 00:12:27,360

the jib way elder

294

00:12:31,509 --> 00:12:29,440

at my insistence i thought that would be

295

00:12:33,430 --> 00:12:31,519

her best way to go

296

00:12:36,870 --> 00:12:33,440

and uh she did

297

00:12:40,230 --> 00:12:36,880

she did talk to one and he told her that

298

00:12:44,230 --> 00:12:40,240

they refer to this as admittig

299

00:12:46,150 --> 00:12:44,240

now midig is a uh is a jib way for for

300

00:12:48,310 --> 00:12:46,160

tree basically

301

00:12:50,790 --> 00:12:48,320

but he's told her

302

00:12:53,110 --> 00:12:50,800

and explained to her it's a living thing

303

00:12:54,949 --> 00:12:53,120

but it's traditional spirit protector of

304

00:12:57,190 --> 00:12:54,959

the woods

305

00:13:00,710 --> 00:12:57,200

and the elder explained that it was an

306

00:13:02,949 --> 00:13:00,720

honor and a gift to see the midig

307

00:13:05,030 --> 00:13:02,959

he suggested that she go back and make

308

00:13:09,430 --> 00:13:05,040

an offering to it including parts of a

309

00:13:11,910 --> 00:13:09,440

meal and possibly some tobacco

310

00:13:14,310 --> 00:13:11,920

cg told me later that she will attempt

311

00:13:16,230 --> 00:13:14,320

to photograph it but the ojibwe leader

312

00:13:18,389 --> 00:13:16,240

explained that it probably would not be

313

00:13:21,750 --> 00:13:18,399

there in form

314

00:13:23,269 --> 00:13:21,760

but to leave the offering nonetheless

315

00:13:24,870 --> 00:13:23,279

now you know this isn't the first time

316

00:13:28,389 --> 00:13:24,880

i've had a walking jury report in the

317

00:13:29,910 --> 00:13:28,399

past you know back in the early 90s

318

00:13:31,430 --> 00:13:29,920

uh i

319

00:13:33,269 --> 00:13:31,440

got a report from

320

00:13:36,150 --> 00:13:33,279

someone who told me they had gone with a

321

00:13:37,350 --> 00:13:36,160

group to silver silver fall spring in

322

00:13:39,430 --> 00:13:37,360

oregon

323

00:13:41,750 --> 00:13:39,440

and one night after dinner they went for

324

00:13:43,990 --> 00:13:41,760

a stroll to find a clear spot so they

325

00:13:45,990 --> 00:13:44,000

could see the stars

326

00:13:48,310 --> 00:13:46,000

so after about 20 minutes of sitting

327

00:13:51,030 --> 00:13:48,320

quietly and contemplating the sky and

328

00:13:53,189 --> 00:13:51,040

the stars a breeze blew through and

329

00:13:54,870 --> 00:13:53,199

rustled all the trees and branches

330

00:13:57,829 --> 00:13:54,880

around the clearing

331

00:13:59,269 --> 00:13:57,839

now as the wind gently shook the trees

332

00:14:00,389 --> 00:13:59,279

something caught

333

00:14:02,310 --> 00:14:00,399

her eye

334

00:14:04,710 --> 00:14:02,320

in the peripheral

335

00:14:06,949 --> 00:14:04,720

she said i looked to my right and there

336

00:14:09,590 --> 00:14:06,959

it was for just a second or two i saw

337

00:14:11,990 --> 00:14:09,600

what could have been best described

338

00:14:13,590 --> 00:14:12,000

as a walking tree

339

00:14:16,150 --> 00:14:13,600

back then i was just beginning to

340

00:14:18,710 --> 00:14:16,160

appreciate books so at the time i hadn't

341

00:14:21,509 --> 00:14:18,720

read anything aside from comic books

342

00:14:22,949 --> 00:14:21,519

or magazines so now and today i can

343

00:14:25,590 --> 00:14:22,959

describe it

344

00:14:28,550 --> 00:14:25,600

looking like an ant from the lord of the

345

00:14:31,110 --> 00:14:28,560

rings books or movies an ex step that

346

00:14:33,430 --> 00:14:31,120

had more of a round head and a definite

347

00:14:35,670 --> 00:14:33,440

neck attached to his shoulders

348

00:14:37,750 --> 00:14:35,680

its limbs were long and thin

349

00:14:39,990 --> 00:14:37,760

it could probably touch the ground as it

350

00:14:42,550 --> 00:14:40,000

just relaxed its arm down

351  
00:14:44,629 --> 00:14:42,560  
there didn't seem to be a distinction or

352  
00:14:45,670 --> 00:14:44,639  
separation between the torso and the hip

353  
00:14:47,350 --> 00:14:45,680  
area

354  
00:14:49,590 --> 00:14:47,360  
the legs looked like a pair of

355  
00:14:51,269 --> 00:14:49,600  
articulated tree trunks with no

356  
00:14:53,590 --> 00:14:51,279  
discernible feet

357  
00:14:56,389 --> 00:14:53,600  
it had patches of moss randomly covering

358  
00:14:57,430 --> 00:14:56,399  
his torso and legs and was about 20 foot

359  
00:14:59,030 --> 00:14:57,440  
in height

360  
00:15:01,750 --> 00:14:59,040  
it was holding what could be described

361  
00:15:03,110 --> 00:15:01,760  
as a long baseball like club in its

362  
00:15:06,069 --> 00:15:03,120  
right hand

363  
00:15:07,990 --> 00:15:06,079

going over its shoulder

364

00:15:09,590 --> 00:15:08,000

when i first turned my head to see what

365

00:15:12,550 --> 00:15:09,600

caught my eye

366

00:15:15,269 --> 00:15:12,560

while the wind rushed by i saw they take

367

00:15:18,069 --> 00:15:15,279

three long deliberate steps in a spot

368

00:15:20,310 --> 00:15:18,079

where the clearing met the trees

369

00:15:22,550 --> 00:15:20,320

and what sent a chill down my spine and

370

00:15:24,710 --> 00:15:22,560

made me freeze was what

371

00:15:26,949 --> 00:15:24,720

seemed for a moment i mean a moment

372

00:15:29,269 --> 00:15:26,959

forever in the second was that it seemed

373

00:15:31,269 --> 00:15:29,279

like it turned its head

374

00:15:33,509 --> 00:15:31,279

and looked right at me

375

00:15:36,310 --> 00:15:33,519

and where i was sitting as it took its

376

00:15:38,949 --> 00:15:36,320

third step and re-entered the forest

377

00:15:41,110 --> 00:15:38,959

i just sat there for another 10 minutes

378

00:15:42,629 --> 00:15:41,120

feeling frozen in place going over what

379

00:15:44,550 --> 00:15:42,639

i'd just seen

380

00:15:46,389 --> 00:15:44,560

now once i shook the frozen feeling i

381

00:15:47,350 --> 00:15:46,399

got to my feet and went back to the

382

00:15:49,590 --> 00:15:47,360

cabin

383

00:15:50,389 --> 00:15:49,600

all of us were staying at as fast as i

384

00:15:52,710 --> 00:15:50,399

could

385

00:15:54,710 --> 00:15:52,720

i only told one person about this after

386

00:15:56,790 --> 00:15:54,720

it happened and they just found it to be

387

00:15:58,790 --> 00:15:56,800

a nice creepy story

388

00:16:00,150 --> 00:15:58,800

before everyone else turned in for the

389

00:16:02,069 --> 00:16:00,160  
night

390

00:16:04,870 --> 00:16:02,079  
and she said it still halts me to this

391

00:16:06,310 --> 00:16:04,880  
day when i think about it

392

00:16:07,990 --> 00:16:06,320  
um

393

00:16:10,310 --> 00:16:08,000  
you know

394

00:16:14,069 --> 00:16:10,320  
i i i do occasionally hear about these

395

00:16:16,150 --> 00:16:14,079  
walking trees i i've heard it um

396

00:16:17,749 --> 00:16:16,160  
a lot of different places even worldwide

397

00:16:21,189 --> 00:16:17,759  
uh it's

398

00:16:22,710 --> 00:16:21,199  
there's a there's a legend in africa i

399

00:16:24,790 --> 00:16:22,720  
don't even know what part of africa

400

00:16:27,189 --> 00:16:24,800  
where these walking trees

401  
00:16:29,030 --> 00:16:27,199  
are known to be and they devour people

402  
00:16:30,470 --> 00:16:29,040  
they're cannibals like

403  
00:16:31,350 --> 00:16:30,480  
trees

404  
00:16:34,150 --> 00:16:31,360  
uh

405  
00:16:37,509 --> 00:16:34,160  
but as far as indige i mean deciduous

406  
00:16:39,269 --> 00:16:37,519  
trees and uh walking

407  
00:16:42,150 --> 00:16:39,279  
you don't hear a whole lot about that

408  
00:16:43,910 --> 00:16:42,160  
but i thought this i thought this um

409  
00:16:45,670 --> 00:16:43,920  
this minnesota event was pretty

410  
00:16:47,670 --> 00:16:45,680  
interesting

411  
00:16:50,790 --> 00:16:47,680  
and uh the fact that she did follow up

412  
00:16:55,189 --> 00:16:50,800  
with an ojibwe elder made you know may

413  
00:17:02,470 --> 00:16:56,550

you know i did learn something too

414

00:17:02,480 --> 00:17:06,230

um

415

00:17:11,189 --> 00:17:08,390

do you think this could be the same kind

416

00:17:13,110 --> 00:17:11,199

of entity as an irish green man possibly

417

00:17:16,150 --> 00:17:13,120

you know i think a lot of that

418

00:17:18,870 --> 00:17:16,160

a lot of these um

419

00:17:22,069 --> 00:17:18,880

woodland

420

00:17:24,390 --> 00:17:22,079

spirits or protectors or

421

00:17:25,829 --> 00:17:24,400

sentinels kind of run off the same

422

00:17:26,949 --> 00:17:25,839

tangent

423

00:17:29,029 --> 00:17:26,959

um

424

00:17:32,310 --> 00:17:29,039

there there's also

425

00:17:35,510 --> 00:17:32,320

a woodland spirit called a leshi

426

00:17:38,870 --> 00:17:35,520

and uh it's pretty more well known in

427

00:17:45,190 --> 00:17:41,350

a woodland spirit that takes care of the

428

00:17:46,870 --> 00:17:45,200

wildlife and the fauna and such and

429

00:17:50,390 --> 00:17:46,880

you know and there's a lot of other

430

00:17:52,310 --> 00:17:50,400

tribes uh indigenous folks here in in

431

00:17:55,270 --> 00:17:52,320

north america that have these tree

432

00:17:57,990 --> 00:17:55,280

spirits as well from after looking into

433

00:17:58,830 --> 00:17:58,000

this after i got this report

434

00:18:00,710 --> 00:17:58,840

so

435

00:18:02,549 --> 00:18:00,720

um

436

00:18:04,150 --> 00:18:02,559

i'm not gonna say it's not true i mean

437

00:18:05,990 --> 00:18:04,160

you know there's a there's a lot of

438

00:18:08,549 --> 00:18:06,000

strange stuff out there

439

00:18:14,390 --> 00:18:08,559

but i thought it was a very interesting

440

00:18:20,390 --> 00:18:17,909

so um also this next report was

441

00:18:22,150 --> 00:18:20,400

something i received several years ago i

442

00:18:23,830 --> 00:18:22,160

you see it pop up on the internet once

443

00:18:26,470 --> 00:18:23,840

in a while

444

00:18:29,510 --> 00:18:26,480

but um it was originally sent to me back

445

00:18:33,669 --> 00:18:29,520

in 2008 i think

446

00:18:35,750 --> 00:18:33,679

it has to do with a bigfoot or possibly

447

00:18:37,909 --> 00:18:35,760

an upright canine that was captured on

448

00:18:39,270 --> 00:18:37,919

the trail cam in north the north georgia

449

00:18:41,430 --> 00:18:39,280

mountains

450

00:18:44,310 --> 00:18:41,440

now the gentleman said to me that the

451

00:18:47,830 --> 00:18:44,320

photo included in the email

452

00:18:49,590 --> 00:18:47,840

is from a friend's game camera

453

00:18:52,070 --> 00:18:49,600

he works out of town and once he

454

00:18:56,070 --> 00:18:52,080

returned him he checked his camera

455

00:18:58,470 --> 00:18:56,080

and this amazing picture was on there

456

00:19:00,549 --> 00:18:58,480

this area georgia has had many tales of

457

00:19:03,190 --> 00:19:00,559

bigfoot and strange happening sightings

458

00:19:05,190 --> 00:19:03,200

with no explanation for them

459

00:19:08,310 --> 00:19:05,200

my friend said growing up on the

460

00:19:10,470 --> 00:19:08,320

property he had smelled fowlers outside

461

00:19:13,270 --> 00:19:10,480

i mean that can't be explained

462

00:19:15,350 --> 00:19:13,280

he heard a lot of whooping sound and um

463

00:19:16,630 --> 00:19:15,360

and knocking on trees many different

464

00:19:21,029 --> 00:19:16,640

times

465

00:19:23,029 --> 00:19:21,039

and all that activity still continues um

466

00:19:24,710 --> 00:19:23,039

this this photo was taken in february of

467

00:19:28,710 --> 00:19:24,720

2019

468

00:19:33,190 --> 00:19:28,720

me

469

00:19:35,350 --> 00:19:33,200

in the image looks to have a main or

470

00:19:36,230 --> 00:19:35,360

spike type of hair on the top of its

471

00:19:39,190 --> 00:19:36,240

head

472

00:19:41,430 --> 00:19:39,200

this is what he's telling me uh and just

473

00:19:43,830 --> 00:19:41,440

below the hairline it looks like a large

474

00:19:45,430 --> 00:19:43,840

fold on the forehead that's often seen

475

00:19:48,470 --> 00:19:45,440

on gorillas

476

00:19:51,270 --> 00:19:48,480

and i think he's referring to the um

477

00:19:52,950 --> 00:19:51,280

the thick brow ridge

478

00:19:55,350 --> 00:19:52,960

where the mouth would be looks to me

479

00:19:56,630 --> 00:19:55,360

like top parts look to protrude on the

480

00:19:59,830 --> 00:19:56,640

inside

481

00:20:01,750 --> 00:19:59,840

kind of like a primates mouth does

482

00:20:04,149 --> 00:20:01,760

and then you see where the creatures

483

00:20:06,630 --> 00:20:04,159

master shoulders and arms start and how

484

00:20:07,830 --> 00:20:06,640

big and broad it is not to mention how

485

00:20:10,070 --> 00:20:07,840

tall it is

486

00:20:12,149 --> 00:20:10,080

i can assure you it's 100 legit this

487

00:20:14,230 --> 00:20:12,159

image is nowhere manipulator photoshop

488

00:20:16,390 --> 00:20:14,240

this is no joke

489

00:20:18,390 --> 00:20:16,400

and i'll be honest with you

490

00:20:20,710 --> 00:20:18,400

the more i look at it

491

00:20:22,390 --> 00:20:20,720

i have to question if this is a bigfoot

492

00:20:26,710 --> 00:20:22,400

or possibly

493

00:20:32,070 --> 00:20:29,510

it the snout itself it does look like

494

00:20:35,110 --> 00:20:32,080

there's a snout now i don't know what

495

00:20:37,029 --> 00:20:35,120

what the the chat thinks about or people

496

00:20:39,669 --> 00:20:37,039

that are looking at it

497

00:20:43,029 --> 00:20:41,510

you know i don't know exactly what it is

498

00:20:44,710 --> 00:20:43,039

be honest with you

499

00:20:47,110 --> 00:20:44,720

it's an interesting and impressive

500

00:20:49,029 --> 00:20:47,120

photograph it's definitely something

501  
00:20:50,870 --> 00:20:49,039  
uh this thing's got some pretty good

502  
00:20:54,630 --> 00:20:50,880  
size to it

503  
00:20:56,390 --> 00:20:54,640  
i i don't know how tall it was um but if

504  
00:20:58,630 --> 00:20:56,400  
you look at the original instead the

505  
00:21:01,430 --> 00:20:58,640  
cropped version

506  
00:21:03,590 --> 00:21:01,440  
it it it could very well be up to seven

507  
00:21:06,230 --> 00:21:03,600  
to eight foot in height

508  
00:21:08,870 --> 00:21:06,240  
so um

509  
00:21:10,149 --> 00:21:08,880  
you know it is it is kind of creepy

510  
00:21:11,669 --> 00:21:10,159  
so

511  
00:21:13,510 --> 00:21:11,679  
um

512  
00:21:15,190 --> 00:21:13,520  
you know if you don't have any questions

513  
00:21:16,870 --> 00:21:15,200

for me now or

514

00:21:19,110 --> 00:21:16,880

later on

515

00:21:21,830 --> 00:21:19,120

uh nancy says it looks like a lord's

516

00:21:24,070 --> 00:21:21,840

chimps head it it does in a way

517

00:21:26,230 --> 00:21:24,080

uh but it's uh

518

00:21:28,390 --> 00:21:26,240

it's interesting i mean it you know if

519

00:21:30,870 --> 00:21:28,400

you look back at the the seven shoots

520

00:21:32,149 --> 00:21:30,880

monster or the chev seven shoots

521

00:21:33,590 --> 00:21:32,159

creature

522

00:21:35,190 --> 00:21:33,600

now that looks

523

00:21:36,710 --> 00:21:35,200

a lot of people say that looks like a

524

00:21:38,549 --> 00:21:36,720

large baboon

525

00:21:40,310 --> 00:21:38,559

in a way it does but it does have a

526  
00:21:42,950 --> 00:21:40,320  
snout as well

527  
00:21:45,270 --> 00:21:42,960  
so um you know i don't think we really

528  
00:21:47,750 --> 00:21:45,280  
know what that is

529  
00:21:49,590 --> 00:21:47,760  
but um

530  
00:21:52,390 --> 00:21:49,600  
uh you know a lot you know a lot of

531  
00:21:54,789 --> 00:21:52,400  
times i think when people

532  
00:21:56,630 --> 00:21:54,799  
see these creatures

533  
00:21:58,470 --> 00:21:56,640  
uh and especially reports you've got in

534  
00:22:01,110 --> 00:21:58,480  
pennsylvania i think they misidentify

535  
00:22:02,710 --> 00:22:01,120  
them from between bigfoot and possibly

536  
00:22:03,590 --> 00:22:02,720  
an upright canine

537  
00:22:06,630 --> 00:22:03,600  
um

538  
00:22:07,669 --> 00:22:06,640

you know i'm not really sure but it's uh

539

00:22:10,070 --> 00:22:07,679

i think

540

00:22:10,830 --> 00:22:10,080

there could be an argument for

541

00:22:12,549 --> 00:22:10,840

some

542

00:22:16,230 --> 00:22:12,559

misidentification

543

00:22:16,240 --> 00:22:20,390

we'll see

544

00:22:32,470 --> 00:22:23,190

so the next report i have was from march

545

00:22:37,430 --> 00:22:35,590

this is from march of 2017

546

00:22:39,750 --> 00:22:37,440

and uh

547

00:22:41,830 --> 00:22:39,760

it's kind of an interesting story

548

00:22:43,510 --> 00:22:41,840

something

549

00:22:46,470 --> 00:22:43,520

it's kind of a different take on the

550

00:22:48,710 --> 00:22:46,480

black-eyed kids

551

00:22:51,350 --> 00:22:48,720

but this is what they wrote to me i just

552

00:22:53,590 --> 00:22:51,360

read your black-eyed kid story about the

553

00:22:55,909 --> 00:22:53,600

guy who lost time

554

00:22:57,750 --> 00:22:55,919

i live in broward county florida

555

00:23:00,789 --> 00:22:57,760

something odd and frightening occurred

556

00:23:05,029 --> 00:23:02,789

i woke up during the night around 2 am

557

00:23:06,789 --> 00:23:05,039

to a boy and girl knocking on my front

558

00:23:08,310 --> 00:23:06,799

door

559

00:23:10,310 --> 00:23:08,320

i thought there may have been an

560

00:23:12,149 --> 00:23:10,320

emergency so i opened the door and the

561

00:23:14,070 --> 00:23:12,159

two were just standing there staring at

562

00:23:16,070 --> 00:23:14,080

me

563

00:23:18,630 --> 00:23:16,080

i asked what was going on and they told

564

00:23:21,350 --> 00:23:18,640

me they needed to come inside i asked

565

00:23:23,430 --> 00:23:21,360

why but they didn't answer me

566

00:23:25,350 --> 00:23:23,440

i then asked them if they were in

567

00:23:28,630 --> 00:23:25,360

trouble or lost

568

00:23:30,870 --> 00:23:28,640

but they just stared at me

569

00:23:33,350 --> 00:23:30,880

i was getting upset and started to wake

570

00:23:36,549 --> 00:23:33,360

up at this point that's when i i took a

571

00:23:39,510 --> 00:23:36,559

closer look at these two kids and notice

572

00:23:41,190 --> 00:23:39,520

that neither had weights in their eyes

573

00:23:43,350 --> 00:23:41,200

in fact they didn't

574

00:23:45,669 --> 00:23:43,360

seem to have pupils at all

575

00:23:47,909 --> 00:23:45,679

i freaked out and and

576  
00:23:49,430 --> 00:23:47,919  
told them to go home and quickly shut

577  
00:23:51,909 --> 00:23:49,440  
the door

578  
00:23:53,830 --> 00:23:51,919  
i called the local police office police

579  
00:23:55,750 --> 00:23:53,840  
department and told them that the two

580  
00:23:58,149 --> 00:23:55,760  
kids were knocking on doors a cruiser

581  
00:24:00,149 --> 00:23:58,159  
was sent out to the neighborhood

582  
00:24:01,669 --> 00:24:00,159  
but they didn't find anyone walking

583  
00:24:04,310 --> 00:24:01,679  
around they figured just a bunch of

584  
00:24:05,830 --> 00:24:04,320  
local kids messing around

585  
00:24:07,990 --> 00:24:05,840  
and the more i thought about what

586  
00:24:10,470 --> 00:24:08,000  
happened the more i got an ear reaction

587  
00:24:12,630 --> 00:24:10,480  
to the encounter

588  
00:24:15,029 --> 00:24:12,640

a few days later i was pulling up to my

589

00:24:18,390 --> 00:24:15,039

house and saw the same two kids standing

590

00:24:21,029 --> 00:24:18,400

on the corner of my screen

591

00:24:23,029 --> 00:24:21,039

a dark hair girl about 12 years old and

592

00:24:25,269 --> 00:24:23,039

a boy with cinder colored hair probably

593

00:24:27,190 --> 00:24:25,279

the same age now both kids

594

00:24:29,909 --> 00:24:27,200

were just standing on the street corner

595

00:24:32,470 --> 00:24:29,919

staring at my neighbor's house

596

00:24:34,230 --> 00:24:32,480

i stood in my driveway for a few seconds

597

00:24:36,549 --> 00:24:34,240

and watched them

598

00:24:38,870 --> 00:24:36,559

they didn't say or do anything i just

599

00:24:40,950 --> 00:24:38,880

walked in i walked inside and and did a

600

00:24:43,029 --> 00:24:40,960

few things and i walked back outside to

601  
00:24:45,830 --> 00:24:43,039  
see if two kids were still there but

602  
00:24:51,750 --> 00:24:48,549  
that same night i again woke around

603  
00:24:54,950 --> 00:24:51,760  
midnight to the sound of sirens

604  
00:24:56,870 --> 00:24:54,960  
my neighbor's house was on fire

605  
00:24:59,190 --> 00:24:56,880  
there were fire trucks in the front and

606  
00:25:00,950 --> 00:24:59,200  
in the back alley i later spoke to the

607  
00:25:03,269 --> 00:25:00,960  
cops and told them

608  
00:25:06,149 --> 00:25:03,279  
that those same two kids were staring at

609  
00:25:08,230 --> 00:25:06,159  
my neighbor's house earlier that day

610  
00:25:09,350 --> 00:25:08,240  
now the cops didn't seem to think it was

611  
00:25:11,269 --> 00:25:09,360  
important

612  
00:25:13,350 --> 00:25:11,279  
then later that night the body of my

613  
00:25:14,710 --> 00:25:13,360

neighbor was found in the fire degree

614

00:25:16,710 --> 00:25:14,720

debris

615

00:25:19,669 --> 00:25:16,720

it was determined that she had been

616

00:25:21,750 --> 00:25:19,679

bludgeoned and stabbed to death

617

00:25:23,830 --> 00:25:21,760

i was brought into the police department

618

00:25:25,190 --> 00:25:23,840

in question for several hours i believe

619

00:25:27,350 --> 00:25:25,200

that they thought

620

00:25:29,430 --> 00:25:27,360

i may have killed my neighbor

621

00:25:31,990 --> 00:25:29,440

the cops then seemed to think that her

622

00:25:35,830 --> 00:25:32,000

boyfriend was involved

623

00:25:38,149 --> 00:25:35,840

now after a couple days or so the cops

624

00:25:40,789 --> 00:25:38,159

came back to question me again

625

00:25:42,870 --> 00:25:40,799

the boyfriend had an airtight alibi but

626  
00:25:44,549 --> 00:25:42,880  
they still never asked about the kids

627  
00:25:45,830 --> 00:25:44,559  
now i've been afraid to bring it up to

628  
00:25:47,590 --> 00:25:45,840  
cops

629  
00:25:49,750 --> 00:25:47,600  
particularly about the black eyes and

630  
00:25:52,950 --> 00:25:49,760  
how bizarre they acted

631  
00:25:54,710 --> 00:25:52,960  
i fear that i become a suspect if i

632  
00:25:57,430 --> 00:25:54,720  
start telling them about my bizarre

633  
00:25:59,510 --> 00:25:57,440  
experience i still don't believe

634  
00:26:01,909 --> 00:25:59,520  
they have a suspect and i fear that

635  
00:26:05,029 --> 00:26:01,919  
those kids may return

636  
00:26:07,590 --> 00:26:05,039  
now after i received this i i got in

637  
00:26:10,390 --> 00:26:07,600  
contact with the witness

638  
00:26:12,470 --> 00:26:10,400

and we discussed the situation now i'm

639

00:26:15,110 --> 00:26:12,480

not going to get specific as to the

640

00:26:16,789 --> 00:26:15,120

location this witness is truly afraid to

641

00:26:18,149 --> 00:26:16,799

mention the black-eyed kids to the

642

00:26:20,870 --> 00:26:18,159

authorities

643

00:26:23,669 --> 00:26:20,880

and the possibility they will return and

644

00:26:25,830 --> 00:26:23,679

cause her harm to her family

645

00:26:27,909 --> 00:26:25,840

but the witness does feel somewhat

646

00:26:29,029 --> 00:26:27,919

guilty staying quiet which i can

647

00:26:30,390 --> 00:26:29,039

understand

648

00:26:32,310 --> 00:26:30,400

um

649

00:26:34,950 --> 00:26:32,320

they did have an article link detailing

650

00:26:36,870 --> 00:26:34,960

the fire in the investigation which was

651  
00:26:40,149 --> 00:26:36,880  
made available to me

652  
00:26:42,630 --> 00:26:40,159  
uh and she said they did plan to move

653  
00:26:45,029 --> 00:26:42,640  
soon after and i haven't i tried to

654  
00:26:47,510 --> 00:26:45,039  
follow up and i i never received

655  
00:26:50,390 --> 00:26:47,520  
anything so i believe

656  
00:26:53,590 --> 00:26:50,400  
uh they didn't move

657  
00:26:55,830 --> 00:26:53,600  
nancy uh could they be hybrid e.t human

658  
00:26:56,710 --> 00:26:55,840  
reject program to collect humans i i

659  
00:26:58,630 --> 00:26:56,720  
don't know

660  
00:27:02,310 --> 00:26:58,640  
you know this whole

661  
00:27:04,950 --> 00:27:02,320  
this whole black-eyed kid phenomena

662  
00:27:06,789 --> 00:27:04,960  
you know when i wrote my book uh alien

663  
00:27:08,950 --> 00:27:06,799

disclosure

664

00:27:11,190 --> 00:27:08,960

i didn't include black-eyed kids in

665

00:27:13,110 --> 00:27:11,200

there because quite frankly we really

666

00:27:15,990 --> 00:27:13,120

have no idea what they are

667

00:27:17,909 --> 00:27:16,000

now are they possessed by some type of

668

00:27:20,070 --> 00:27:17,919

entity

669

00:27:21,390 --> 00:27:20,080

extraterrestrial or otherwise i don't

670

00:27:22,789 --> 00:27:21,400

know

671

00:27:24,549 --> 00:27:22,799

[Music]

672

00:27:27,750 --> 00:27:24,559

i've gotten a lot of black-eyed kid

673

00:27:33,590 --> 00:27:30,549

they seem to be possessed by something

674

00:27:36,549 --> 00:27:33,600

manipulated by something

675

00:27:39,750 --> 00:27:36,559

but i i really don't know um

676  
00:27:43,750 --> 00:27:41,590  
were they involved in that i don't know

677  
00:27:45,269 --> 00:27:43,760  
they could have been you know it seems

678  
00:27:50,549 --> 00:27:45,279  
awful strange that they were staring at

679  
00:27:54,549 --> 00:27:52,950  
so i i i can't tell you i but i think

680  
00:27:56,470 --> 00:27:54,559  
it's an interesting case i think it's an

681  
00:27:59,269 --> 00:27:56,480  
interesting report

682  
00:28:00,830 --> 00:27:59,279  
uh i have had reports of black eyed kids

683  
00:28:02,470 --> 00:28:00,840  
getting

684  
00:28:04,950 --> 00:28:02,480  
tested

685  
00:28:08,470 --> 00:28:04,960  
uh i remember one in mexico where one

686  
00:28:10,870 --> 00:28:08,480  
there were some violence included um

687  
00:28:12,549 --> 00:28:10,880  
i'll see if i can dig that one up but

688  
00:28:14,549 --> 00:28:12,559

someone it was there was a knife

689

00:28:16,470 --> 00:28:14,559

involved as well

690

00:28:18,070 --> 00:28:16,480

uh there have been some reports where

691

00:28:22,710 --> 00:28:18,080

they have done some really strange

692

00:28:24,950 --> 00:28:22,720

activities and and scared people so um

693

00:28:28,070 --> 00:28:24,960

you know are they

694

00:28:30,389 --> 00:28:28,080

someone has their kids or the or the men

695

00:28:32,630 --> 00:28:30,399

in black i i don't think so

696

00:28:34,870 --> 00:28:32,640

and the men in black i believe are are

697

00:28:36,230 --> 00:28:34,880

extraterrestrial or non-terrestrial i

698

00:28:38,230 --> 00:28:36,240

don't think they're involved with the

699

00:28:40,389 --> 00:28:38,240

government i think they're basically a

700

00:28:41,590 --> 00:28:40,399

cleanup crew they when things happen

701  
00:28:46,310 --> 00:28:41,600  
they

702  
00:28:48,549 --> 00:28:46,320  
and basically try to talk them out

703  
00:28:50,230 --> 00:28:48,559  
making reports and stuff

704  
00:28:52,549 --> 00:28:50,240  
um

705  
00:28:54,950 --> 00:28:52,559  
i don't think uh i don't know if any

706  
00:28:57,510 --> 00:28:54,960  
black guy kids mention anything about

707  
00:28:59,110 --> 00:28:57,520  
ufos or healings or such

708  
00:29:01,110 --> 00:28:59,120  
uh i just don't know what they're here

709  
00:29:03,350 --> 00:29:01,120  
for i mean you know the whole the whole

710  
00:29:05,029 --> 00:29:03,360  
activity is bizarre

711  
00:29:07,350 --> 00:29:05,039  
uh they always seem to want to get into

712  
00:29:08,870 --> 00:29:07,360  
a house or to get involved or somebody's

713  
00:29:11,350 --> 00:29:08,880

life somehow

714

00:29:13,110 --> 00:29:11,360

interfere fear somehow

715

00:29:14,950 --> 00:29:13,120

and uh

716

00:29:16,310 --> 00:29:14,960

we'll see

717

00:29:17,029 --> 00:29:16,320

you know i i

718

00:29:21,669 --> 00:29:17,039

i

719

00:29:23,909 --> 00:29:21,679

the more

720

00:29:28,070 --> 00:29:23,919

interesting black eyed kid stories as i

721

00:29:32,310 --> 00:29:29,750

we'll bring it forward and see what you

722

00:29:34,070 --> 00:29:32,320

have to say about it

723

00:29:35,909 --> 00:29:34,080

now the uh

724

00:29:38,470 --> 00:29:35,919

the next report

725

00:29:39,510 --> 00:29:38,480

is is coming from fans monsters 14

726  
00:29:41,510 --> 00:29:39,520  
research

727  
00:29:44,710 --> 00:29:41,520  
as many you know we've been involved

728  
00:29:48,389 --> 00:29:44,720  
with this chicago mothman thing for

729  
00:29:49,310 --> 00:29:48,399  
well it really started 2011.

730  
00:29:51,269 --> 00:29:49,320  
but in

731  
00:29:54,870 --> 00:29:51,279  
2017 this

732  
00:29:56,630 --> 00:29:54,880  
seemed to all start back up again

733  
00:29:59,190 --> 00:29:56,640  
and the first report that we were made

734  
00:30:01,669 --> 00:29:59,200  
aware of was the

735  
00:30:03,669 --> 00:30:01,679  
sighting in oz park which is in the

736  
00:30:04,470 --> 00:30:03,679  
lincoln park community

737  
00:30:06,389 --> 00:30:04,480  
of

738  
00:30:09,590 --> 00:30:06,399

chicago

739

00:30:11,669 --> 00:30:09,600

and uh the report was originally sent to

740

00:30:15,430 --> 00:30:11,679

mufon

741

00:30:17,510 --> 00:30:15,440

and the witness just was not satisfied

742

00:30:19,269 --> 00:30:17,520

with the explanation they gave her they

743

00:30:21,110 --> 00:30:19,279

basically

744

00:30:24,230 --> 00:30:21,120

discounted everything she said which is

745

00:30:27,350 --> 00:30:24,240

not unusual for mufon

746

00:30:30,149 --> 00:30:27,360

and uh emmanuel navarette who i you know

747

00:30:32,710 --> 00:30:30,159

i know manuel uh probably as long as

748

00:30:34,950 --> 00:30:32,720

anybody else and uh that i've worked

749

00:30:37,430 --> 00:30:34,960

with and um

750

00:30:38,470 --> 00:30:37,440

you know we've been exchanging reports

751  
00:30:44,710 --> 00:30:38,480  
and

752  
00:30:47,350 --> 00:30:44,720  
when he first saw this in the the mufon

753  
00:30:50,870 --> 00:30:47,360  
cms he sent it to me

754  
00:30:52,470 --> 00:30:50,880  
and uh he took the initiative to go to

755  
00:30:55,190 --> 00:30:52,480  
oz park

756  
00:30:56,950 --> 00:30:55,200  
and see if he could find his woman and

757  
00:30:59,590 --> 00:30:56,960  
he did

758  
00:31:01,509 --> 00:30:59,600  
uh he stated that he managed to make

759  
00:31:03,590 --> 00:31:01,519  
contact with the witness

760  
00:31:07,350 --> 00:31:03,600  
to the original sighting

761  
00:31:09,269 --> 00:31:07,360  
and have some discussion over the phone

762  
00:31:11,509 --> 00:31:09,279  
we were able to clear up some time to

763  
00:31:12,789 --> 00:31:11,519

meet and discuss the sighting in detail

764

00:31:14,870 --> 00:31:12,799

now the witness

765

00:31:16,710 --> 00:31:14,880

who did not wish to be identified due to

766

00:31:18,710 --> 00:31:16,720

professional reasons agreed to be

767

00:31:21,430 --> 00:31:18,720

interviewed about her experience

768

00:31:23,350 --> 00:31:21,440

as long as no revealing information was

769

00:31:25,750 --> 00:31:23,360

given for that purpose

770

00:31:27,430 --> 00:31:25,760

i will call the witness tammy in lieu of

771

00:31:29,190 --> 00:31:27,440

a real name

772

00:31:31,190 --> 00:31:29,200

now

773

00:31:32,950 --> 00:31:31,200

tammy is an educated professional who

774

00:31:34,470 --> 00:31:32,960

lives in the oz park neighborhood for

775

00:31:36,789 --> 00:31:34,480

over 10 years

776

00:31:39,110 --> 00:31:36,799

and after having some basic questions

777

00:31:41,509 --> 00:31:39,120

appears to be a credible witness but no

778

00:31:44,710 --> 00:31:41,519

need to propagate a hoax

779

00:31:46,389 --> 00:31:44,720

the oz park area is is located in the

780

00:31:47,590 --> 00:31:46,399

lincoln park neighborhood of chicago's

781

00:31:49,269 --> 00:31:47,600

north side

782

00:31:51,669 --> 00:31:49,279

and sits about four blocks from the

783

00:31:52,710 --> 00:31:51,679

lincoln park zoo in the lake michigan

784

00:31:54,710 --> 00:31:52,720

shoreline

785

00:31:58,230 --> 00:31:54,720

so this is an area that we've had a lot

786

00:32:00,549 --> 00:31:58,240

of reports when a lot of started up

787

00:32:02,230 --> 00:32:00,559

and it's also about 10 blocks south of

788

00:32:04,389 --> 00:32:02,240

wrigley field and we've had a lot of

789

00:32:05,909 --> 00:32:04,399

reports in that that whole area the

790

00:32:08,310 --> 00:32:05,919

whole neighborhood

791

00:32:10,310 --> 00:32:08,320

now the area is mostly condos and

792

00:32:12,389 --> 00:32:10,320

apartment buildings the neighborhoods

793

00:32:14,470 --> 00:32:12,399

mixed race and mostly upper middle class

794

00:32:17,669 --> 00:32:14,480

professionals and students

795

00:32:19,669 --> 00:32:17,679

attending nearby depaul university

796

00:32:22,230 --> 00:32:19,679

the park is a landmark

797

00:32:24,070 --> 00:32:22,240

and tourist attraction for its wizard of

798

00:32:26,630 --> 00:32:24,080

oz theme park

799

00:32:29,590 --> 00:32:26,640

and statues and is popular along many of

800

00:32:31,830 --> 00:32:29,600

the residents for various activities now

801  
00:32:34,149 --> 00:32:31,840  
the sighting

802  
00:32:36,549 --> 00:32:34,159  
now the witness stated

803  
00:32:38,230 --> 00:32:36,559  
that when she came to the spot where she

804  
00:32:41,110 --> 00:32:38,240  
saw the creature

805  
00:32:43,590 --> 00:32:41,120  
it was looking away from her

806  
00:32:46,710 --> 00:32:43,600  
it was not until it turned its head that

807  
00:32:49,190 --> 00:32:46,720  
took notice that she was there

808  
00:32:51,029 --> 00:32:49,200  
her dog which was a jack russell terrier

809  
00:32:52,470 --> 00:32:51,039  
which she stated is normally very

810  
00:32:54,789 --> 00:32:52,480  
protective of her

811  
00:32:57,909 --> 00:32:54,799  
was covering behind her and whimpering

812  
00:33:00,149 --> 00:32:57,919  
softly i note the breed dog because a

813  
00:33:02,230 --> 00:33:00,159

jack russell is a breed that is only

814

00:33:04,870 --> 00:33:02,240

recommended for advanced dog owners due

815

00:33:09,110 --> 00:33:04,880

to its high energy fearless nature

816

00:33:11,190 --> 00:33:09,120

and a very advanced prey drive

817

00:33:13,190 --> 00:33:11,200

this is a dog that is not easily

818

00:33:15,750 --> 00:33:13,200

intimidated

819

00:33:17,269 --> 00:33:15,760

and to reduce one to a cowering mass

820

00:33:20,230 --> 00:33:17,279

leaves its master in a vulnerable

821

00:33:22,149 --> 00:33:20,240

position dawn was unheard of uh the

822

00:33:24,710 --> 00:33:22,159

witness stated that she

823

00:33:26,950 --> 00:33:24,720

never felt as if she were in any

824

00:33:29,350 --> 00:33:26,960

immediate danger as long

825

00:33:30,950 --> 00:33:29,360

as she stayed where she was

826

00:33:33,590 --> 00:33:30,960

now the witness reported that the

827

00:33:36,549 --> 00:33:33,600

creature's eyes glowed with an unnatural

828

00:33:38,950 --> 00:33:36,559

glow as if illuminated from within

829

00:33:41,509 --> 00:33:38,960

and never seemed to blink

830

00:33:43,750 --> 00:33:41,519

she reported that though the creature

831

00:33:46,549 --> 00:33:43,760

was mainly black in color the wings did

832

00:33:48,149 --> 00:33:46,559

not did have some great to them as best

833

00:33:50,310 --> 00:33:48,159

as she could see

834

00:33:52,789 --> 00:33:50,320

it did not look as if it had feathers

835

00:33:54,310 --> 00:33:52,799

like an al's wing but appeared leathery

836

00:33:56,070 --> 00:33:54,320

and bat like

837

00:33:58,950 --> 00:33:56,080

and by the way the the

838

00:34:00,549 --> 00:33:58,960

glow in the eyes was a red glow

839

00:34:02,230 --> 00:34:00,559

which is what we've heard for a lot of

840

00:34:04,470 --> 00:34:02,240

these reports

841

00:34:06,389 --> 00:34:04,480

she stated that the top part of the wing

842

00:34:08,069 --> 00:34:06,399

seemed to rise at least a foot higher

843

00:34:10,790 --> 00:34:08,079

than the head of the creature

844

00:34:12,950 --> 00:34:10,800

and were folded behind the creature

845

00:34:15,829 --> 00:34:12,960

after staring at her for approximately

846

00:34:17,750 --> 00:34:15,839

15 seconds it unfurled its wings

847

00:34:19,510 --> 00:34:17,760

and they appeared to be eight to ten

848

00:34:21,909 --> 00:34:19,520

feet from tip to

849

00:34:24,950 --> 00:34:21,919

the wingtip the wingtip and look to be

850

00:34:26,629 --> 00:34:24,960

made of a membrane again not unlike a

851  
00:34:28,710 --> 00:34:26,639  
bat's wing

852  
00:34:30,629 --> 00:34:28,720  
the creature leaped into the air with

853  
00:34:31,750 --> 00:34:30,639  
minimum effort and was gone within

854  
00:34:34,149 --> 00:34:31,760  
seconds

855  
00:34:36,629 --> 00:34:34,159  
the screech sounded like that of an owl

856  
00:34:38,710 --> 00:34:36,639  
only louder and raspier

857  
00:34:40,710 --> 00:34:38,720  
she noted that the creature was above

858  
00:34:42,710 --> 00:34:40,720  
the treetops within seconds and out of

859  
00:34:44,629 --> 00:34:42,720  
sight just as fast

860  
00:34:46,069 --> 00:34:44,639  
when asked if there was a possibility

861  
00:34:48,310 --> 00:34:46,079  
that others could have seen it she

862  
00:34:49,829 --> 00:34:48,320  
stated that unless they were looking

863  
00:34:51,990 --> 00:34:49,839

right at it

864

00:34:54,389 --> 00:34:52,000

they could have missed it

865

00:34:56,629 --> 00:34:54,399

now once above the trees it would have

866

00:34:58,550 --> 00:34:56,639

been lost due to trees and buildings

867

00:35:00,310 --> 00:34:58,560

blocking the view as well as light

868

00:35:02,150 --> 00:35:00,320

pollution making it practically

869

00:35:04,870 --> 00:35:02,160

invisible

870

00:35:06,790 --> 00:35:04,880

she noted that in the city most people

871

00:35:08,630 --> 00:35:06,800

would have been too busy looking at

872

00:35:09,589 --> 00:35:08,640

their phones or talking to one another

873

00:35:11,430 --> 00:35:09,599

or where

874

00:35:14,230 --> 00:35:11,440

their immediate surroundings to notice

875

00:35:16,790 --> 00:35:14,240

something flying overhead

876

00:35:18,470 --> 00:35:16,800

now when asked why she never tried to

877

00:35:20,150 --> 00:35:18,480

take a photo or attempt to take a

878

00:35:22,069 --> 00:35:20,160

photograph of her phone

879

00:35:23,670 --> 00:35:22,079

the witness stated that she was frozen

880

00:35:25,430 --> 00:35:23,680

in place and that

881

00:35:27,510 --> 00:35:25,440

thought the grabbing over

882

00:35:29,510 --> 00:35:27,520

and she that the thought of grabbing the

883

00:35:31,030 --> 00:35:29,520

phone which was in her pocket never

884

00:35:33,990 --> 00:35:31,040

occurred to her

885

00:35:36,230 --> 00:35:34,000

she felt that part of her

886

00:35:38,710 --> 00:35:36,240

she she feels that part of the fear she

887

00:35:40,950 --> 00:35:38,720

felt was due to some unknown influence

888

00:35:43,910 --> 00:35:40,960

the creature might have had over her a

889

00:35:45,190 --> 00:35:43,920

defense mechanism she felt hypnotized

890

00:35:46,870 --> 00:35:45,200

basically

891

00:35:49,109 --> 00:35:46,880

the witness states that since her

892

00:35:51,270 --> 00:35:49,119

encounter she has resumed her jogging in

893

00:35:53,589 --> 00:35:51,280

the park in the early evenings when the

894

00:35:54,790 --> 00:35:53,599

weather permits she did state that her

895

00:35:57,510 --> 00:35:54,800

dog

896

00:35:59,910 --> 00:35:57,520

has been very reluctant to continue to

897

00:36:01,910 --> 00:35:59,920

visiting the park and the last time she

898

00:36:05,030 --> 00:36:01,920

took him with her

899

00:36:07,349 --> 00:36:05,040

uh it had to be coaxed into completing

900

00:36:08,390 --> 00:36:07,359

the run

901  
00:36:10,470 --> 00:36:08,400  
so

902  
00:36:13,030 --> 00:36:10,480  
you know i this is this is another thing

903  
00:36:17,109 --> 00:36:13,040  
i'm going to start presenting more of

904  
00:36:19,750 --> 00:36:17,119  
more of in the on these uh presentations

905  
00:36:21,589 --> 00:36:19,760  
and going deeper into this whole

906  
00:36:24,470 --> 00:36:21,599  
phenomenon

907  
00:36:27,510 --> 00:36:24,480  
in chicago and explain some of the

908  
00:36:28,950 --> 00:36:27,520  
details that we have received

909  
00:36:31,990 --> 00:36:28,960  
uh

910  
00:36:34,150 --> 00:36:32,000  
associated with these reports

911  
00:36:36,790 --> 00:36:34,160  
um

912  
00:36:39,030 --> 00:36:36,800  
there are a few things we have gotten

913  
00:36:40,710 --> 00:36:39,040

you know that make it

914

00:36:42,870 --> 00:36:40,720

that we really haven't talked about a

915

00:36:44,230 --> 00:36:42,880

lot but there there are other there are

916

00:36:47,910 --> 00:36:44,240

other parts

917

00:36:49,670 --> 00:36:47,920

uh let's see what questions we have uh

918

00:36:51,829 --> 00:36:49,680

why are these flying humans showing

919

00:36:54,790 --> 00:36:51,839

themselves now that's unknown that

920

00:36:56,150 --> 00:36:54,800

really is unknown i wish i did know

921

00:36:57,430 --> 00:36:56,160

you know

922

00:36:59,510 --> 00:36:57,440

we have

923

00:37:01,349 --> 00:36:59,520

incorporated some of the information

924

00:37:02,710 --> 00:37:01,359

that's been received from the unseen

925

00:37:06,829 --> 00:37:02,720

ones

926  
00:37:13,190 --> 00:37:08,630  
we

927  
00:37:14,710 --> 00:37:13,200  
why they're doing it uh and they're

928  
00:37:16,390 --> 00:37:14,720  
they're not really coming forward and

929  
00:37:19,510 --> 00:37:16,400  
telling us this

930  
00:37:21,270 --> 00:37:19,520  
uh you know we did get a report

931  
00:37:23,910 --> 00:37:21,280  
a few days ago

932  
00:37:26,470 --> 00:37:23,920  
manuel got another report in this and i

933  
00:37:28,710 --> 00:37:26,480  
posted it tonight it's on the blog

934  
00:37:33,030 --> 00:37:28,720  
but there's an aspect of this report now

935  
00:37:39,910 --> 00:37:36,790  
which is north of uh o'hare

936  
00:37:40,630 --> 00:37:39,920  
uh this being had a mantis-like head to

937  
00:37:44,069 --> 00:37:40,640  
it

938  
00:37:45,990 --> 00:37:44,079

had red eyes mantis-like head

939

00:37:48,069 --> 00:37:46,000

but that was a bit different than what

940

00:37:50,710 --> 00:37:48,079

we've seen before and the one the

941

00:37:54,710 --> 00:37:50,720

interesting part of that

942

00:37:57,829 --> 00:37:54,720

is that the unseen ones have mentioned

943

00:38:01,510 --> 00:37:57,839

that these juveniles of their race that

944

00:38:05,670 --> 00:38:01,520

are are coming out and being seen

945

00:38:07,829 --> 00:38:05,680

uh on our earth plane have various uh

946

00:38:08,630 --> 00:38:07,839

descriptions to them various aspects to

947

00:38:12,069 --> 00:38:08,640

them

948

00:38:14,710 --> 00:38:12,079

and it was mentioned that

949

00:38:15,990 --> 00:38:14,720

the mantis-like head

950

00:38:16,250 --> 00:38:16,000

is is

951  
00:38:17,829 --> 00:38:16,260

a

952  
00:38:19,270 --> 00:38:17,839

[Music]

953  
00:38:20,230 --> 00:38:19,280  
that is an aspect of some of these

954  
00:38:22,790 --> 00:38:20,240  
beings

955  
00:38:25,430 --> 00:38:22,800  
so this is actually i believe and i i

956  
00:38:26,870 --> 00:38:25,440  
gotta ask tobias emmanuel

957  
00:38:29,589 --> 00:38:26,880  
but i think this is the first

958  
00:38:31,589 --> 00:38:29,599  
mantis-like head that we've had reported

959  
00:38:34,550 --> 00:38:31,599  
to us from a witness

960  
00:38:36,630 --> 00:38:34,560  
but we're gonna follow up on that um

961  
00:38:38,550 --> 00:38:36,640  
we have you know we had seven witnesses

962  
00:38:40,630 --> 00:38:38,560  
in this last report

963  
00:38:42,550 --> 00:38:40,640

and manuel's in the process of talking

964

00:38:44,310 --> 00:38:42,560

to these people now

965

00:38:45,589 --> 00:38:44,320

so uh

966

00:38:48,390 --> 00:38:45,599

we're hopefully we're going to get more

967

00:38:49,430 --> 00:38:48,400

information about this

968

00:38:51,750 --> 00:38:49,440

also

969

00:38:53,589 --> 00:38:51,760

marla well james asks could you they

970

00:38:55,589 --> 00:38:53,599

could be trying to warn us or something

971

00:38:58,150 --> 00:38:55,599

thinning veil perhaps i don't know you

972

00:39:00,950 --> 00:38:58,160

know this whole harbinger thing trying

973

00:39:02,950 --> 00:39:00,960

to warn us or something i don't know

974

00:39:04,710 --> 00:39:02,960

i don't know if there's anything to that

975

00:39:06,630 --> 00:39:04,720

or not you know many of you heard my

976  
00:39:09,430 --> 00:39:06,640  
thoughts about harbingers i don't

977  
00:39:11,510 --> 00:39:09,440  
necessarily believe that

978  
00:39:15,510 --> 00:39:11,520  
i think it's a possibility

979  
00:39:17,990 --> 00:39:15,520  
but uh then again who knows i mean i

980  
00:39:19,349 --> 00:39:18,000  
haven't seen anything

981  
00:39:21,430 --> 00:39:19,359  
uh in

982  
00:39:23,589 --> 00:39:21,440  
that is associated or connected with

983  
00:39:25,589 --> 00:39:23,599  
these settings to suggest that it's

984  
00:39:27,109 --> 00:39:25,599  
trying to warn us of anything but who

985  
00:39:29,589 --> 00:39:27,119  
knows

986  
00:39:31,030 --> 00:39:29,599  
uh marla asked how many different types

987  
00:39:32,470 --> 00:39:31,040  
of flying humanoids do you think there

988  
00:39:34,390 --> 00:39:32,480

are there are many

989

00:39:36,390 --> 00:39:34,400

there are many and from what we've been

990

00:39:38,069 --> 00:39:36,400

told there are many and you know from

991

00:39:40,550 --> 00:39:38,079

the beginning of these settings their

992

00:39:42,230 --> 00:39:40,560

habits the different aspects to them

993

00:39:44,870 --> 00:39:42,240

there has been some change you know some

994

00:39:47,109 --> 00:39:44,880

of the early settings have been

995

00:39:48,069 --> 00:39:47,119

of an hour like being

996

00:39:55,670 --> 00:39:48,079

um

997

00:39:57,180 --> 00:39:55,680

of uh as you know gargle like wings and

998

00:39:58,630 --> 00:39:57,190

thin heads and

999

00:40:01,109 --> 00:39:58,640

[Music]

1000

00:40:03,829 --> 00:40:01,119

very emaciated looking beans

1001

00:40:05,670 --> 00:40:03,839

many red eyes um

1002

00:40:07,430 --> 00:40:05,680

but there there are a few aspects that

1003

00:40:09,750 --> 00:40:07,440

are different too if you go back into

1004

00:40:11,349 --> 00:40:09,760

the reports and look at them

1005

00:40:14,069 --> 00:40:11,359

you can kind of pick out a few

1006

00:40:16,069 --> 00:40:14,079

differences so um

1007

00:40:18,069 --> 00:40:16,079

you know but i i thought this this new

1008

00:40:19,910 --> 00:40:18,079

report was interesting

1009

00:40:22,069 --> 00:40:19,920

uh vincent wants to know lon can you

1010

00:40:24,470 --> 00:40:22,079

talk about the beast that seven shoots

1011

00:40:26,390 --> 00:40:24,480

and can compare it to the bigfoot

1012

00:40:28,630 --> 00:40:26,400

upright canine reports

1013

00:40:30,710 --> 00:40:28,640

yeah you know that that piece of seven

1014

00:40:33,589 --> 00:40:30,720

shoots

1015

00:40:35,589 --> 00:40:33,599

i originally received that report

1016

00:40:37,589 --> 00:40:35,599

not long after it was seen

1017

00:40:39,670 --> 00:40:37,599

and um

1018

00:40:41,589 --> 00:40:39,680

you know

1019

00:40:42,950 --> 00:40:41,599

it's a bizarre photograph i mean it does

1020

00:40:45,430 --> 00:40:42,960

it looks like an it looks like an

1021

00:40:47,190 --> 00:40:45,440

upright baboon to me

1022

00:40:50,470 --> 00:40:47,200

uh but

1023

00:40:54,790 --> 00:40:50,480

it's got a candid type of uh

1024

00:40:55,790 --> 00:40:54,800

look to it it's holding something

1025

00:40:57,510 --> 00:40:55,800

uh

1026

00:40:59,030 --> 00:40:57,520

size-wise

1027

00:41:00,950 --> 00:40:59,040

the the the person who took the

1028

00:41:02,950 --> 00:41:00,960

photograph

1029

00:41:07,910 --> 00:41:02,960

went back to the area

1030

00:41:12,470 --> 00:41:09,910

measurements there

1031

00:41:14,630 --> 00:41:12,480

they figured it was about 67 foot in

1032

00:41:17,030 --> 00:41:14,640

height

1033

00:41:18,870 --> 00:41:17,040

if that was a baboon that's a hell of a

1034

00:41:21,589 --> 00:41:18,880

baboon

1035

00:41:24,069 --> 00:41:21,599

but uh i i believe it was an upright

1036

00:41:26,550 --> 00:41:24,079

canine now

1037

00:41:29,510 --> 00:41:26,560

you know this was the seven shoots area

1038

00:41:32,470 --> 00:41:29,520

it's a it's a provincial park in in the

1039

00:41:35,430 --> 00:41:32,480

uh province of quebec

1040

00:41:37,589 --> 00:41:35,440

and uh it's in an area where there have

1041

00:41:39,190 --> 00:41:37,599

been a few bizarre sightings mostly

1042

00:41:41,589 --> 00:41:39,200

bigfoot over the time

1043

00:41:43,990 --> 00:41:41,599

so could this have been a bigfoot

1044

00:41:46,630 --> 00:41:44,000

i think that's a stretch but

1045

00:41:49,190 --> 00:41:46,640

you know i i don't know

1046

00:41:51,109 --> 00:41:49,200

you know again like i said that i think

1047

00:41:54,230 --> 00:41:51,119

there is there are some bigfoot upright

1048

00:41:56,150 --> 00:41:54,240

k9 reports that possibly get mixed up

1049

00:41:59,109 --> 00:41:56,160

get confused

1050

00:42:00,950 --> 00:41:59,119

uh but uh you know

1051  
00:42:02,950 --> 00:42:00,960  
but as far as what this is i don't know

1052  
00:42:05,750 --> 00:42:02,960  
and what it's holding you know people

1053  
00:42:07,670 --> 00:42:05,760  
assume that it's a small white dog i

1054  
00:42:09,670 --> 00:42:07,680  
don't know if that's what it is or not

1055  
00:42:12,550 --> 00:42:09,680  
it does look like it's holding

1056  
00:42:15,349 --> 00:42:12,560  
some type of small animal so

1057  
00:42:18,470 --> 00:42:15,359  
i can't be sure what that is

1058  
00:42:20,470 --> 00:42:18,480  
and i don't really want to speculate

1059  
00:42:23,589 --> 00:42:20,480  
uh what type of people do black eyed

1060  
00:42:28,829 --> 00:42:27,030  
you know i i really don't know i mean

1061  
00:42:31,430 --> 00:42:28,839  
you know there is a

1062  
00:42:33,030 --> 00:42:31,440  
theory uh mostly what crypt is and i

1063  
00:42:35,270 --> 00:42:33,040

think a lot of with with what's been

1064

00:42:37,349 --> 00:42:35,280

going on in chicago

1065

00:42:39,750 --> 00:42:37,359

is that certain people are able to see

1066

00:42:42,630 --> 00:42:39,760

these things and spawns just like black

1067

00:42:44,950 --> 00:42:42,640

eyed kids i think that may be

1068

00:42:47,349 --> 00:42:44,960

maybe something as well i mean certain

1069

00:42:50,150 --> 00:42:47,359

people are able to see them

1070

00:42:52,710 --> 00:42:50,160

uh and maybe they do pick out people but

1071

00:42:54,150 --> 00:42:52,720

i you know if i've looked at you know

1072

00:42:56,069 --> 00:42:54,160

the

1073

00:42:58,309 --> 00:42:56,079

demographics of this

1074

00:42:59,910 --> 00:42:58,319

i don't see where there's really any

1075

00:43:01,990 --> 00:42:59,920

distinction as to

1076

00:43:03,910 --> 00:43:02,000

who the witnesses are

1077

00:43:05,990 --> 00:43:03,920

uh they just seem to be like regular

1078

00:43:08,069 --> 00:43:06,000

folks that are doing whatever they do

1079

00:43:11,030 --> 00:43:08,079

during the day or anytime living their

1080

00:43:13,109 --> 00:43:11,040

life and one of these things show up

1081

00:43:14,950 --> 00:43:13,119

but um

1082

00:43:17,030 --> 00:43:14,960

you know it's an enigma it really is you

1083

00:43:19,109 --> 00:43:17,040

know and after all these years

1084

00:43:21,190 --> 00:43:19,119

i don't think we still know or have any

1085

00:43:24,630 --> 00:43:21,200

clue as to what they are

1086

00:43:26,950 --> 00:43:24,640

do i think they're possibly a possessed

1087

00:43:28,230 --> 00:43:26,960

human maybe

1088

00:43:30,870 --> 00:43:28,240

maybe

1089

00:43:34,150 --> 00:43:32,309

you know i know i'm being pretty gentle

1090

00:43:39,349 --> 00:43:34,160

here but uh that's about the best i can

1091

00:43:43,430 --> 00:43:40,870

let's see folks we got anything else

1092

00:43:46,309 --> 00:43:45,190

oh i do want to thank you all for coming

1093

00:43:48,630 --> 00:43:46,319

on tonight

1094

00:43:50,069 --> 00:43:48,640

this is uh this seems to be working out

1095

00:43:51,349 --> 00:43:50,079

pretty good

1096

00:43:53,589 --> 00:43:51,359

and uh

1097

00:43:55,349 --> 00:43:53,599

you know i tell you what if you if you

1098

00:43:57,349 --> 00:43:55,359

go into the comments

1099

00:43:59,670 --> 00:43:57,359

after the show

1100

00:44:01,750 --> 00:43:59,680

and uh tell us what you think

1101

00:44:04,150 --> 00:44:01,760

tell us what you'd like to see

1102

00:44:05,670 --> 00:44:04,160

what changes and what modifications you

1103

00:44:08,470 --> 00:44:05,680

would like to this

1104

00:44:11,030 --> 00:44:08,480

i can do that

1105

00:44:12,790 --> 00:44:11,040

uh tommy asks what's the one crypto

1106

00:44:15,190 --> 00:44:12,800

setting that you feel is legit i think

1107

00:44:16,550 --> 00:44:15,200

there are a lot of that are legit

1108

00:44:18,069 --> 00:44:16,560

um

1109

00:44:20,550 --> 00:44:18,079

you know

1110

00:44:23,670 --> 00:44:20,560

i've had my own cryptic encounters

1111

00:44:25,270 --> 00:44:23,680

uh i think they're legit i mean you know

1112

00:44:27,270 --> 00:44:25,280

they seem legit to me they didn't seem

1113

00:44:29,510 --> 00:44:27,280

like any hallucinations or something

1114

00:44:32,550 --> 00:44:29,520

other than what i saw

1115

00:44:36,950 --> 00:44:33,829

you know

1116

00:44:38,550 --> 00:44:36,960

bigfoot is something that that people

1117

00:44:39,670 --> 00:44:38,560

have seen for

1118

00:44:42,870 --> 00:44:39,680

you know

1119

00:44:45,910 --> 00:44:42,880

a long time i mean for centuries

1120

00:44:48,550 --> 00:44:45,920

uh canids the same way the old world has

1121

00:44:50,870 --> 00:44:48,560

plenty of stories about lycanthropy and

1122

00:44:52,230 --> 00:44:50,880

canaans and bizarre looking canine

1123

00:44:54,790 --> 00:44:52,240

creatures

1124

00:44:57,030 --> 00:44:54,800

the winged humanoids again i mean this

1125

00:44:59,190 --> 00:44:57,040

goes back into antiquity

1126

00:45:01,030 --> 00:44:59,200

uh it's just a different there are

1127

00:45:02,870 --> 00:45:01,040

different types of people see and

1128

00:45:04,790 --> 00:45:02,880

associate with

1129

00:45:06,710 --> 00:45:04,800

so um

1130

00:45:09,190 --> 00:45:06,720

you know i can't really see which one is

1131

00:45:12,309 --> 00:45:09,200

more legit than the other but uh

1132

00:45:14,230 --> 00:45:12,319

i i believe there's something to it

1133

00:45:16,390 --> 00:45:14,240

uh you know you know when i talk about

1134

00:45:17,430 --> 00:45:16,400

kryptos i talk about anything that's

1135

00:45:19,829 --> 00:45:17,440

just

1136

00:45:22,470 --> 00:45:19,839

not explained by science so we're

1137

00:45:24,069 --> 00:45:22,480

talking about anything as far as what i

1138

00:45:25,349 --> 00:45:24,079

i investigate

1139

00:45:27,990 --> 00:45:25,359

so um

1140

00:45:29,670 --> 00:45:28,000

do you think people david jones locker

1141

00:45:31,829 --> 00:45:29,680

do you think people are chosen to see

1142

00:45:34,309 --> 00:45:31,839

them it's possible i think there i think

1143

00:45:36,950 --> 00:45:34,319

there's some

1144

00:45:38,630 --> 00:45:36,960

legitimacy to that that statement

1145

00:45:40,470 --> 00:45:38,640

um

1146

00:45:43,030 --> 00:45:40,480

you know there have been times when just

1147

00:45:45,109 --> 00:45:43,040

like these these winged humanoids

1148

00:45:47,510 --> 00:45:45,119

where they show up

1149

00:45:49,510 --> 00:45:47,520

uh in crowds and large crowds and it

1150

00:45:51,829 --> 00:45:49,520

only seems a few people

1151

00:45:53,670 --> 00:45:51,839

notice them

1152

00:45:56,069 --> 00:45:53,680

i don't i don't know how to explain that

1153

00:45:58,470 --> 00:45:56,079

do they cloak themselves to some body do

1154

00:46:01,030 --> 00:45:58,480

they have some type of supernatural

1155

00:46:03,589 --> 00:46:01,040

aspect to them that can that they can

1156

00:46:04,870 --> 00:46:03,599

choose who sees them

1157

00:46:07,430 --> 00:46:04,880

you know that's something we really

1158

00:46:09,829 --> 00:46:07,440

don't know but it is an interesting

1159

00:46:13,109 --> 00:46:09,839

caveat to all this

1160

00:46:15,109 --> 00:46:13,119

so um again folks look when we get off

1161

00:46:16,550 --> 00:46:15,119

here put down the comments what if you

1162

00:46:17,910 --> 00:46:16,560

have any changes or anything else you'd

1163

00:46:19,910 --> 00:46:17,920

like to see

1164

00:46:22,470 --> 00:46:19,920

we're probably going to start this these

1165

00:46:25,670 --> 00:46:22,480

segments out for on every two weeks

1166

00:46:31,030 --> 00:46:29,190

and if it becomes popular and uh

1167

00:46:33,270 --> 00:46:31,040

maybe we'll do a weekly thing but at

1168

00:46:36,069 --> 00:46:33,280

this point we're going to do this now

1169

00:46:37,829 --> 00:46:36,079

as long as my voice holds out

1170

00:46:38,790 --> 00:46:37,839

that's the big thing

1171

00:46:41,030 --> 00:46:38,800

so

1172

00:46:43,430 --> 00:46:41,040

i i thought instead of just having

1173

00:46:46,230 --> 00:46:43,440

question and answer sessions

1174

00:46:47,910 --> 00:46:46,240

uh that we i'd go ahead and read some of

1175

00:46:50,790 --> 00:46:47,920

the accounts that have been part of

1176

00:46:53,270 --> 00:46:50,800

phantoms monsters and the research team

1177

00:46:55,430 --> 00:46:53,280

and our investigations over the years

1178

00:46:56,550 --> 00:46:55,440

present them as is and let you talk

1179

00:46:58,870 --> 00:46:56,560

about them

1180

00:47:01,589 --> 00:46:58,880

so you know thanks for coming on tonight

1181

00:47:03,430 --> 00:47:01,599

uh go to [famzamonsters.com](http://famzamonsters.com) or

00:47:12,710 --> 00:47:11,040

uh this uh this friday night we have amy

1186

uh she's a spare fair rescuer uh psychic

1188

00:47:20,309 --> 00:47:17,839

medium she's written two very

1189

00:47:21,910 --> 00:47:20,319

interesting books i have interviewed her

1190

00:47:25,030 --> 00:47:21,920

in the past

1191

00:47:27,030 --> 00:47:25,040

and any i um

1192

00:47:28,870 --> 00:47:27,040

i work with people who

1193

00:47:31,670 --> 00:47:28,880

seem to have abilities

1194

00:47:34,549 --> 00:47:31,680

i do refer her books to them

1195

00:47:36,829 --> 00:47:34,559

so uh again thanks for coming on

00:47:38,630 --> 00:47:36,839
