

PHANTOMS & MONSTERS

R A D I O

DAVID ECKHART

ALIEN ABDUCTEE, EXPERIENCER,
PHOTOGRAPHER, & CHRONICLER

FRIDAY, APRIL 22ND AT 9PM EASTERN / 6PM PACIFIC

1
00:00:06,389 --> 00:00:03,350
reality of phantoms and monsters

2
00:00:07,590 --> 00:00:06,399
they exist among us and sometimes they

3
00:00:10,870 --> 00:00:07,600
win

4
00:00:13,430 --> 00:00:10,880
even the devil was an angel once

5
00:00:16,310 --> 00:00:13,440
the world has its own rules

6
00:00:19,189 --> 00:00:16,320
and these rules are not human

7
00:00:21,429 --> 00:00:19,199
some of us seek answers to the origin

8
00:00:23,509 --> 00:00:21,439
and existence of cryptids in the

9
00:00:26,790 --> 00:00:23,519
unexplained

10
00:00:29,109 --> 00:00:26,800
join us as we venture beyond the known

11
00:00:31,349 --> 00:00:29,119
and accepted boundaries

12
00:00:37,430 --> 00:00:31,359
welcome to our nightmare

13
00:00:48,549 --> 00:00:46,310

[Music]

14

00:00:50,310 --> 00:00:48,559

hey folks good evening and welcome to

15

00:00:52,150 --> 00:00:50,320

phantoms of monsters radio where we

16

00:00:53,670 --> 00:00:52,160

explore and discuss the unknown in the

17

00:00:55,990 --> 00:00:53,680

unexplained

18

00:00:57,350 --> 00:00:56,000

i'm your host lon strickler thanks for

19

00:00:59,910 --> 00:00:57,360

joining me

20

00:01:02,549 --> 00:00:59,920

so um the phantoms and monsters radio

21

00:01:04,869 --> 00:01:02,559

channel is made possible by you clicking

22

00:01:07,590 --> 00:01:04,879

the subscribe button

23

00:01:10,070 --> 00:01:07,600

and by sharing our programming now super

24

00:01:11,750 --> 00:01:10,080

chat donations are essential for us to

25

00:01:13,750 --> 00:01:11,760

continue offering

26

00:01:17,270 --> 00:01:13,760

you our unique content so your

27

00:01:19,350 --> 00:01:17,280

consideration is very much appreciated

28

00:01:20,390 --> 00:01:19,360

and needed

29

00:01:21,510 --> 00:01:20,400

so

30

00:01:24,070 --> 00:01:21,520

over the

31

00:01:26,390 --> 00:01:24,080

over a decade ago david eckhart and his

32

00:01:27,910 --> 00:01:26,400

family began to endure numerous

33

00:01:29,990 --> 00:01:27,920

abductions

34

00:01:31,749 --> 00:01:30,000

and close encounters in their home near

35

00:01:34,710 --> 00:01:31,759

pensacola

36

00:01:38,390 --> 00:01:34,720

um the encounters have continued though

37

00:01:40,390 --> 00:01:38,400

the activity has evolved over time

38

00:01:43,030 --> 00:01:40,400

david's ordeal has been thoroughly

39

00:01:44,630 --> 00:01:43,040

documented because of his determination

40

00:01:46,710 --> 00:01:44,640

to learn why

41

00:01:49,190 --> 00:01:46,720

he was chosen

42

00:01:52,710 --> 00:01:49,200

i've assisted david in his journey since

43

00:01:53,510 --> 00:01:52,720

2010 his story was presented on fact or

44

00:01:55,429 --> 00:01:53,520

fake

45

00:01:58,069 --> 00:01:55,439

the paranormal files which resulted in

46

00:02:00,630 --> 00:01:58,079

one of the series highest rated episodes

47

00:02:03,109 --> 00:02:00,640

namely because the team could not debunk

48

00:02:04,950 --> 00:02:03,119

david's claims

49

00:02:07,429 --> 00:02:04,960

so during the years

50

00:02:10,630 --> 00:02:07,439

david has procured unique photographic

51
00:02:13,030 --> 00:02:10,640
evidence using improvised methods

52
00:02:14,550 --> 00:02:13,040
in order to present his findings to the

53
00:02:17,510 --> 00:02:14,560
world

54
00:02:18,949 --> 00:02:17,520
and david's story can be found in my

55
00:02:21,990 --> 00:02:18,959
book

56
00:02:23,510 --> 00:02:22,000
alien disclosure experiences expose

57
00:02:27,270 --> 00:02:23,520
reality

58
00:02:30,070 --> 00:02:27,280
so david thanks for coming on tonight

59
00:02:31,910 --> 00:02:30,080
thank you for having me on

60
00:02:33,509 --> 00:02:31,920
wow we haven't uh we haven't talked in a

61
00:02:35,190 --> 00:02:33,519
while

62
00:02:38,309 --> 00:02:35,200
right i know we've been both busy

63
00:02:43,270 --> 00:02:40,309

yeah i know we have

64

00:02:47,350 --> 00:02:45,110

the first thing i want to i want to ask

65

00:02:49,350 --> 00:02:47,360

i know you you've been you've had a lot

66

00:02:50,630 --> 00:02:49,360

of different investigators over there

67

00:02:52,070 --> 00:02:50,640

you please

68

00:02:53,350 --> 00:02:52,080

you've been doing a lot of different

69

00:02:57,030 --> 00:02:53,360

things kind of give us an update of

70

00:03:01,589 --> 00:02:59,270

um as far as the investigators i have

71

00:03:05,270 --> 00:03:01,599

outcasts for a normal

72

00:03:07,270 --> 00:03:05,280

day coming out again there was pretty

73

00:03:08,550 --> 00:03:07,280

much floored by uh

74

00:03:09,910 --> 00:03:08,560

what they was experiencing the first

75

00:03:11,830 --> 00:03:09,920

time that was here

76

00:03:14,869 --> 00:03:11,840

and they're bringing better equipment

77

00:03:16,309 --> 00:03:14,879

more equipment and uh some uh electronic

78

00:03:17,190 --> 00:03:16,319

experts

79

00:03:23,830 --> 00:03:17,200

uh

80

00:03:25,270 --> 00:03:23,840

it counts you know radiation

81

00:03:29,509 --> 00:03:25,280

uh

82

00:03:30,470 --> 00:03:29,519

goes you know we're hitting some pretty

83

00:03:35,990 --> 00:03:30,480

high

84

00:03:38,070 --> 00:03:36,000

know background radiations like 12 or 13

85

00:03:40,149 --> 00:03:38,080

like that we've been hitting in the 80s

86

00:03:42,309 --> 00:03:40,159

and 88 i think it's the highest we hit

87

00:03:44,070 --> 00:03:42,319

when the portal opens up

88

00:03:47,270 --> 00:03:44,080

so that that helps out with the proof

89

00:03:49,509 --> 00:03:47,280

too uh

90

00:03:52,229 --> 00:03:49,519

radiation is good for anybody

91

00:03:54,070 --> 00:03:52,239

but uh yeah they're coming out with the

92

00:03:55,350 --> 00:03:54,080

uh guy and

93

00:03:56,550 --> 00:03:55,360

i don't know if i'm allowed to say it's

94

00:03:58,309 --> 00:03:56,560

not but uh

95

00:04:02,070 --> 00:03:58,319

he's gonna try to set up where we can

96

00:04:04,229 --> 00:04:02,080

open up a portal ourselves and uh

97

00:04:06,390 --> 00:04:04,239

i'm interested in how he's gonna do that

98

00:04:08,390 --> 00:04:06,400

i mean i got some details on it

99

00:04:09,350 --> 00:04:08,400

sounds uh promising but we'll see i

100

00:04:11,350 --> 00:04:09,360

wanna

101
00:04:13,509 --> 00:04:11,360
that'd be cool to uh meet them on their

102
00:04:15,270 --> 00:04:13,519
own terms i'm not opening these portals

103
00:04:16,870 --> 00:04:15,280
they are open you know

104
00:04:19,189 --> 00:04:16,880
and you cannot go through unless they

105
00:04:20,469 --> 00:04:19,199
take as you vibrate at the right

106
00:04:22,550 --> 00:04:20,479
frequency

107
00:04:24,550 --> 00:04:22,560
in order to go through uh

108
00:04:26,629 --> 00:04:24,560
and we vibrate at like seven or

109
00:04:30,070 --> 00:04:26,639
something like that seven point three

110
00:04:32,870 --> 00:04:30,080
hertz or something like that but i for

111
00:04:36,390 --> 00:04:32,880
on they said support to mention

112
00:04:38,390 --> 00:04:36,400
and that's yet to be uh confirmed but

113
00:04:40,310 --> 00:04:38,400

i'm sure you have to vibrate where the

114

00:04:42,310 --> 00:04:40,320

fourth dimension is to go there i i came

115

00:04:43,030 --> 00:04:42,320

back on my own never gone there on my

116

00:04:47,030 --> 00:04:43,040

own

117

00:04:48,550 --> 00:04:47,040

so uh

118

00:04:51,749 --> 00:04:48,560

and see what else has been going on it

119

00:04:54,870 --> 00:04:51,759

would get really busy at the last uh

120

00:04:57,830 --> 00:04:54,880

investigator that came through

121

00:05:00,469 --> 00:04:57,840

and he came from ontario canada

122

00:05:01,749 --> 00:05:00,479

uh his name is johnny i i'm not going to

123

00:05:03,749 --> 00:05:01,759

disclose his last name because he

124

00:05:05,350 --> 00:05:03,759

doesn't run out there but johnny d he

125

00:05:06,870 --> 00:05:05,360

just put it and i want to thank him he

126
00:05:09,110 --> 00:05:06,880
just put a donation through so i

127
00:05:11,029 --> 00:05:09,120
appreciate that go ahead

128
00:05:13,430 --> 00:05:11,039
okay good yeah

129
00:05:15,670 --> 00:05:13,440
he's been you know we've become pretty

130
00:05:17,110 --> 00:05:15,680
close friends now he brought family down

131
00:05:18,870 --> 00:05:17,120
for me to meet him and everything

132
00:05:19,909 --> 00:05:18,880
everybody's wonderful

133
00:05:21,110 --> 00:05:19,919
uh

134
00:05:22,469 --> 00:05:21,120
and and

135
00:05:23,749 --> 00:05:22,479
he got some footage where he's here

136
00:05:25,270 --> 00:05:23,759
buddy i don't know how much he's gone

137
00:05:27,189 --> 00:05:25,280
through it and stuff but uh i put a

138
00:05:29,590 --> 00:05:27,199

video out with him here and it was

139

00:05:32,790 --> 00:05:29,600

hiding behind my team he said and that's

140

00:05:34,310 --> 00:05:32,800

without a reflection though uh

141

00:05:36,230 --> 00:05:34,320

but if he was definitely here he could

142

00:05:37,909 --> 00:05:36,240

feel it and detect him and

143

00:05:39,990 --> 00:05:37,919

since him he's had some experiences

144

00:05:41,189 --> 00:05:40,000

himself so he knows what i'm dealing

145

00:05:43,430 --> 00:05:41,199

with so

146

00:05:45,430 --> 00:05:43,440

him and his family so

147

00:05:46,790 --> 00:05:45,440

uh so let me ask you this you know

148

00:05:48,469 --> 00:05:46,800

you've been you've had these

149

00:05:50,790 --> 00:05:48,479

investigators down there you've had

150

00:05:51,909 --> 00:05:50,800

people looking at you know videotaping

151
00:05:54,310 --> 00:05:51,919
and such

152
00:05:56,710 --> 00:05:54,320
is there going to be a documentary

153
00:05:59,029 --> 00:05:56,720
eventually uh coming out about what's

154
00:06:01,430 --> 00:05:59,039
going on

155
00:06:06,070 --> 00:06:01,440
i was told that after the second time

156
00:06:07,430 --> 00:06:06,080
they come down they're going to put the

157
00:06:14,950 --> 00:06:07,440
first one and the second one together

158
00:06:17,830 --> 00:06:16,710
getting some

159
00:06:19,270 --> 00:06:17,840
buffer yeah they're gonna play some

160
00:06:21,350 --> 00:06:19,280
teasers

161
00:06:22,870 --> 00:06:21,360
okay and uh

162
00:06:25,590 --> 00:06:22,880
that's gonna be on youtube that they're

163
00:06:26,790 --> 00:06:25,600

gonna do that on so uh okay i did put

164

00:06:29,590 --> 00:06:26,800

out an

165

00:06:30,870 --> 00:06:29,600

advertisement on it uh so

166

00:06:34,870 --> 00:06:30,880

when the first one's coming out i don't

167

00:06:38,629 --> 00:06:34,880

know but okay uh yeah i i seen you in

168

00:06:39,830 --> 00:06:38,639

posting things on on tick tock so um

169

00:06:42,469 --> 00:06:39,840

uh

170

00:06:44,230 --> 00:06:42,479

i i would suggest anybody who who wants

171

00:06:47,110 --> 00:06:44,240

to keep up with david because he does

172

00:06:49,510 --> 00:06:47,120

post a lot on tick tock if you go to his

173

00:06:52,710 --> 00:06:49,520

uh tick tock account what what is the

174

00:06:53,670 --> 00:06:52,720

tick tock account what's the name again

175

00:06:55,430 --> 00:06:53,680

eckhart

176

00:06:57,189 --> 00:06:55,440

david

177

00:06:59,830 --> 00:06:57,199

it was the number two

178

00:07:02,629 --> 00:06:59,840

okay that car david ii

179

00:07:05,510 --> 00:07:02,639

okay so yeah there's a lot up there post

180

00:07:09,189 --> 00:07:07,909

yeah i'm busy as hell all the time i i

181

00:07:10,790 --> 00:07:09,199

don't have time to be doing this but i

182

00:07:12,790 --> 00:07:10,800

still put it out there because everybody

183

00:07:15,029 --> 00:07:12,800

appreciates it uh everybody's been great

184

00:07:17,670 --> 00:07:15,039

on my tick tock i really appreciate them

185

00:07:19,430 --> 00:07:17,680

all so

186

00:07:23,029 --> 00:07:19,440

well you know i

187

00:07:25,270 --> 00:07:23,039

i i had talked to uh now olivia who had

188

00:07:28,230 --> 00:07:25,280

been working with you

189

00:07:30,390 --> 00:07:28,240

at the first time when um when outcast

190

00:07:32,629 --> 00:07:30,400

came over there her and i had talked a

191

00:07:35,510 --> 00:07:32,639

bit i haven't talked to her lately

192

00:07:37,550 --> 00:07:35,520

but i i do know when she was over there

193

00:07:39,110 --> 00:07:37,560

that she was

194

00:07:40,070 --> 00:07:39,120

experiencing

195

00:07:42,150 --> 00:07:40,080

uh

196

00:07:43,350 --> 00:07:42,160

well she experienced some attacks

197

00:07:45,270 --> 00:07:43,360

actually

198

00:07:47,110 --> 00:07:45,280

uh i mean she was showing me the

199

00:07:48,629 --> 00:07:47,120

bruising and stuff that was going on

200

00:07:50,309 --> 00:07:48,639

with her

201
00:07:52,790 --> 00:07:50,319
what do you what do you attribute to

202
00:07:56,230 --> 00:07:52,800
that i mean tribute that too why was she

203
00:07:58,230 --> 00:07:56,240
being attacked do you have any idea

204
00:07:59,749 --> 00:07:58,240
they were super interested in her when

205
00:08:01,990 --> 00:07:59,759
she first came in because i was taking

206
00:08:04,230 --> 00:08:02,000
some pictures of her and uh

207
00:08:06,150 --> 00:08:04,240
they were all over her and it was all

208
00:08:08,309 --> 00:08:06,160
over her and uh

209
00:08:09,670 --> 00:08:08,319
it's kind of funny that birthdays were

210
00:08:11,270 --> 00:08:09,680
already too

211
00:08:13,749 --> 00:08:11,280
uh

212
00:08:15,350 --> 00:08:13,759
but it was all over i i just wanted i

213
00:08:17,510 --> 00:08:15,360

just try to tie maybe the birthdays

214

00:08:19,749 --> 00:08:17,520

together uh maybe

215

00:08:21,350 --> 00:08:19,759

on the the day or whatever but our

216

00:08:24,309 --> 00:08:21,360

birthday's on the same day it's it's

217

00:08:26,629 --> 00:08:24,319

kind of oh crazy

218

00:08:28,070 --> 00:08:26,639

yeah so i'm just i'm just putting that

219

00:08:30,230 --> 00:08:28,080

out there that maybe that that might be

220

00:08:31,510 --> 00:08:30,240

a connection but yeah they would suggest

221

00:08:32,310 --> 00:08:31,520

that in her

222

00:08:34,550 --> 00:08:32,320

uh

223

00:08:35,350 --> 00:08:34,560

yeah she went she had her experiences

224

00:08:37,829 --> 00:08:35,360

here

225

00:08:41,190 --> 00:08:37,839

so i forgot to make her up a t-shirt and

226

00:08:44,310 --> 00:08:41,200

when i stayed in eckhart's house but i

227

00:08:47,910 --> 00:08:45,430

but uh

228

00:08:50,470 --> 00:08:47,920

well we'll see i'm gonna make my way

229

00:08:52,389 --> 00:08:50,480

down there at some point and uh i think

230

00:08:53,269 --> 00:08:52,399

jennifer and i both are gonna come down

231

00:08:56,470 --> 00:08:53,279

there

232

00:08:59,509 --> 00:08:56,480

so uh we'll see if we survive it i i'm

233

00:09:04,790 --> 00:09:02,870

what have your teacher made up

234

00:09:05,910 --> 00:09:04,800

but uh yeah jennifer's been really good

235

00:09:07,829 --> 00:09:05,920

she's helping me out with some

236

00:09:09,430 --> 00:09:07,839

information that uh i was looking for

237

00:09:10,310 --> 00:09:09,440

she's a great girl

238

00:09:11,990 --> 00:09:10,320

uh

239

00:09:13,509 --> 00:09:12,000

yeah she's got connections she knows how

240

00:09:15,430 --> 00:09:13,519

to tie into them

241

00:09:16,870 --> 00:09:15,440

yeah she does

242

00:09:17,670 --> 00:09:16,880

um

243

00:09:19,190 --> 00:09:17,680

so

244

00:09:20,790 --> 00:09:19,200

let's kind of go back

245

00:09:23,269 --> 00:09:20,800

back in time

246

00:09:25,509 --> 00:09:23,279

with the uh as far as when you started

247

00:09:28,070 --> 00:09:25,519

experiencing the abductions

248

00:09:30,710 --> 00:09:28,080

and the encounters and such you at the

249

00:09:33,430 --> 00:09:30,720

time you were dealing with uh

250

00:09:35,750 --> 00:09:33,440

the smaller beings probably the grays

251
00:09:36,470 --> 00:09:35,760
and you had a particular reptilian you

252
00:09:38,630 --> 00:09:36,480
were

253
00:09:40,070 --> 00:09:38,640
that was kind of your tour guide or the

254
00:09:41,590 --> 00:09:40,080
one that was involved with your

255
00:09:44,070 --> 00:09:41,600
abductions

256
00:09:45,990 --> 00:09:44,080
how has that changed over time how many

257
00:09:48,470 --> 00:09:46,000
different sets of

258
00:09:50,630 --> 00:09:48,480
uh how are they evolved the uh the

259
00:09:55,030 --> 00:09:50,640
groups that have been involved with your

260
00:09:58,230 --> 00:09:57,030
lots of different groups it seems like

261
00:10:01,030 --> 00:09:58,240
it's uh

262
00:10:02,470 --> 00:10:01,040
they leased it out uh time with me that

263
00:10:04,069 --> 00:10:02,480

they come in and each one has their own

264

00:10:04,870 --> 00:10:04,079

agenda

265

00:10:07,269 --> 00:10:04,880

uh

266

00:10:08,790 --> 00:10:07,279

a group i haven't seen them in a little

267

00:10:10,870 --> 00:10:08,800

while

268

00:10:12,949 --> 00:10:10,880

the original group but i have seen the

269

00:10:15,030 --> 00:10:12,959

the female that's in charge so she's

270

00:10:16,630 --> 00:10:15,040

still in charge her name was beth she's

271

00:10:18,550 --> 00:10:16,640

part really in parkland

272

00:10:20,949 --> 00:10:18,560

uh and she dresses

273

00:10:23,110 --> 00:10:20,959

as if she was human you know and the uh

274

00:10:24,790 --> 00:10:23,120

doctor's coat and you know the

275

00:10:26,310 --> 00:10:24,800

white coat and everything she wears blue

276

00:10:29,110 --> 00:10:26,320

jeans uh

277

00:10:30,550 --> 00:10:29,120

and uh but when they first took me to

278

00:10:33,030 --> 00:10:30,560

meet her

279

00:10:35,190 --> 00:10:33,040

dad mad as hell that i was even in there

280

00:10:36,870 --> 00:10:35,200

but uh because the reptilian guy he you

281

00:10:38,710 --> 00:10:36,880

know they don't always send him the best

282

00:10:40,389 --> 00:10:38,720

of the best to come and get me

283

00:10:42,069 --> 00:10:40,399

so it's easy to trick him and i told him

284

00:10:44,310 --> 00:10:42,079

i wanted to speak to somebody in charge

285

00:10:47,030 --> 00:10:44,320

and he took me all to i didn't know

286

00:10:50,069 --> 00:10:47,040

that she was the last that was in charge

287

00:10:51,350 --> 00:10:50,079

uh the time around but uh he brought me

288

00:10:53,350 --> 00:10:51,360

to the room and it looked like i was

289

00:10:55,030 --> 00:10:53,360

looking at the planet and there was an

290

00:10:56,389 --> 00:10:55,040

atrium there and i had a bunch of dead

291

00:10:58,550 --> 00:10:56,399

plants in it and they had a bunch of

292

00:10:59,990 --> 00:10:58,560

computers and stuff and uh and they were

293

00:11:02,870 --> 00:11:00,000

looking at some kind of paperwork or

294

00:11:04,069 --> 00:11:02,880

something and she took looks at me and

295

00:11:05,509 --> 00:11:04,079

the uh

296

00:11:07,990 --> 00:11:05,519

reptilian that brought me to her and

297

00:11:09,990 --> 00:11:08,000

said what's he doing here he says he

298

00:11:12,389 --> 00:11:10,000

wants to speak to somebody in charge and

299

00:11:14,790 --> 00:11:12,399

she could say get him the hell out of

300

00:11:17,269 --> 00:11:14,800

here now he said well i want he wants to

301

00:11:18,630 --> 00:11:17,279

put someone in charge let's get him out

302

00:11:21,430 --> 00:11:18,640

of here she was mad

303

00:11:22,710 --> 00:11:21,440

uh so but he took me back um

304

00:11:23,670 --> 00:11:22,720

but

305

00:11:25,590 --> 00:11:23,680

uh

306

00:11:27,750 --> 00:11:25,600

but yeah i'm still dealing with her and

307

00:11:28,949 --> 00:11:27,760

she looks out for me and uh

308

00:11:30,389 --> 00:11:28,959

i think if it wasn't for her i'd

309

00:11:32,069 --> 00:11:30,399

probably be dead for some of the stuff i

310

00:11:37,590 --> 00:11:32,079

pulled on these guys already

311

00:11:42,389 --> 00:11:39,430

i know what this stuff sounds like

312

00:11:43,509 --> 00:11:42,399

but uh yeah she said i belong to her but

313

00:11:48,550 --> 00:11:43,519

uh

314

00:11:49,750 --> 00:11:48,560

it's like a guardian angel i guess but

315

00:11:51,030 --> 00:11:49,760

uh

316

00:11:53,190 --> 00:11:51,040

well you know

317

00:11:55,590 --> 00:11:53,200

as far as what i've written about you in

318

00:11:57,750 --> 00:11:55,600

the past i i haven't really got into

319

00:11:59,670 --> 00:11:57,760

anything as far as with beth and some of

320

00:12:00,790 --> 00:11:59,680

the things that have happened

321

00:12:13,509 --> 00:12:00,800

uh

322

00:12:15,910 --> 00:12:13,519

you know i'll be honest with you

323

00:12:17,670 --> 00:12:15,920

over the years it's it's evolved into so

324

00:12:19,430 --> 00:12:17,680

many different things

325

00:12:21,110 --> 00:12:19,440

it's kind of hard to keep track of with

326

00:12:22,790 --> 00:12:21,120

you because um

327

00:12:24,790 --> 00:12:22,800

it is

328

00:12:27,990 --> 00:12:24,800

you know i know you you you've devised

329

00:12:28,870 --> 00:12:28,000

various ways to capture them with film

330

00:12:43,990 --> 00:12:28,880

uh

331

00:12:44,790 --> 00:12:44,000

behind

332

00:12:47,430 --> 00:12:44,800

a

333

00:12:48,949 --> 00:12:47,440

under

334

00:12:51,430 --> 00:12:48,959

drugs

335

00:12:54,310 --> 00:12:51,440

get it to other people i can still see

336

00:12:55,590 --> 00:12:54,320

what's going on with myself but it's a

337

00:12:57,829 --> 00:12:55,600

hard

338

00:13:00,310 --> 00:12:57,839

capture on camera but this clears it up

339

00:13:01,590 --> 00:13:00,320

for me and uh i just ran across it i was

340

00:13:03,910 --> 00:13:01,600

not the person who discovered this

341

00:13:05,750 --> 00:13:03,920

originally it was a russian scientist uh

342

00:13:07,829 --> 00:13:05,760

and nasa took it seriously that they're

343

00:13:09,910 --> 00:13:07,839

using it on their photos too

344

00:13:11,670 --> 00:13:09,920

so uh but and i just found this out

345

00:13:13,190 --> 00:13:11,680

recently but i have i thought originally

346

00:13:14,790 --> 00:13:13,200

i came up with it but i can't take

347

00:13:16,470 --> 00:13:14,800

credit for it when there was a russian

348

00:13:17,350 --> 00:13:16,480

that that did it so

349

00:13:19,110 --> 00:13:17,360

uh

350

00:13:21,350 --> 00:13:19,120

scientists that did it and they didn't

351
00:13:22,870 --> 00:13:21,360
take him seriously but nasa did

352
00:13:25,670 --> 00:13:22,880
but um

353
00:13:27,829 --> 00:13:25,680
but now you say i use a

354
00:13:29,350 --> 00:13:27,839
container that's like a bowl type thing

355
00:13:31,590 --> 00:13:29,360
it's like a ball

356
00:13:33,110 --> 00:13:31,600
and it's a stainless steel and uh that

357
00:13:34,470 --> 00:13:33,120
captures the image pretty good too

358
00:13:36,150 --> 00:13:34,480
because what i'm doing is i'm slowing

359
00:13:38,949 --> 00:13:36,160
down the speed of light

360
00:13:41,030 --> 00:13:38,959
and uh makes it easier to capture uh

361
00:13:41,910 --> 00:13:41,040
an image of what's going on who's in my

362
00:13:43,910 --> 00:13:41,920
room

363
00:13:47,189 --> 00:13:43,920

uh you're not a better picture because

364

00:13:48,790 --> 00:13:47,199

they look like the uh predator

365

00:13:50,550 --> 00:13:48,800

type character when they're in the room

366

00:13:52,550 --> 00:13:50,560

you know pixelated and stuff when they

367

00:13:53,430 --> 00:13:52,560

move you can see them pretty good

368

00:13:54,790 --> 00:13:53,440

uh

369

00:13:56,710 --> 00:13:54,800

and but when standing still they can

370

00:13:58,949 --> 00:13:56,720

blend in really well

371

00:14:01,030 --> 00:13:58,959

so uh it's hard you can smell them you

372

00:14:03,269 --> 00:14:01,040

can sense that they're there but

373

00:14:05,030 --> 00:14:03,279

you can see my particular vision people

374

00:14:07,030 --> 00:14:05,040

know that it's experiencing this they

375

00:14:08,949 --> 00:14:07,040

know what i'm talking about

376

00:14:10,310 --> 00:14:08,959

everybody sees things out of particular

377

00:14:12,230 --> 00:14:10,320

vision that's

378

00:14:13,670 --> 00:14:12,240

it's uh looking dead at them is our

379

00:14:16,069 --> 00:14:13,680

blind spot

380

00:14:17,829 --> 00:14:16,079

so it's a but your particular view you

381

00:14:20,069 --> 00:14:17,839

can see them pretty good

382

00:14:21,350 --> 00:14:20,079

they look like the shadow you know

383

00:14:28,389 --> 00:14:21,360

uh

384

00:14:29,350 --> 00:14:28,399

that works pretty good too

385

00:14:31,350 --> 00:14:29,360

um

386

00:14:32,790 --> 00:14:31,360

and diamonds diamonds work out it's the

387

00:14:35,189 --> 00:14:32,800

way it's cut

388

00:14:36,870 --> 00:14:35,199

so but that they're right around us uh

389

00:14:38,310 --> 00:14:36,880

you know if they're interested in you

390

00:14:39,430 --> 00:14:38,320

they're right around you you would never

391

00:14:41,590 --> 00:14:39,440

even know it

392

00:14:45,910 --> 00:14:41,600

i mean you eventually figure it out like

393

00:14:47,430 --> 00:14:45,920

we did but uh but yeah yeah the common

394

00:14:48,790 --> 00:14:47,440

person that you wouldn't even know that

395

00:14:52,069 --> 00:14:48,800

it was there

396

00:14:55,750 --> 00:14:53,189

well

397

00:14:58,389 --> 00:14:55,760

yeah you know i

398

00:15:00,790 --> 00:14:58,399

i i do you know i i've been involved

399

00:15:03,030 --> 00:15:00,800

with your case now for well i've known

400

00:15:03,910 --> 00:15:03,040

you for almost 11 years maybe 12 years

401
00:15:06,310 --> 00:15:03,920
now

402
00:15:09,110 --> 00:15:06,320
and uh i remember you telling me from

403
00:15:10,389 --> 00:15:09,120
the very beginning that they knew that i

404
00:15:16,710 --> 00:15:10,399
was

405
00:15:19,430 --> 00:15:16,720
i basically almost had to get permission

406
00:15:21,189 --> 00:15:19,440
to do it actually uh we just got another

407
00:15:22,629 --> 00:15:21,199
donation from a higher ground i thank

408
00:15:24,550 --> 00:15:22,639
you for that

409
00:15:27,910 --> 00:15:24,560
uh

410
00:15:29,110 --> 00:15:27,920
and since i since that time i have had

411
00:15:35,110 --> 00:15:29,120
encounters

412
00:15:37,430 --> 00:15:35,120
uh three tall uh grey beans

413
00:15:39,509 --> 00:15:37,440

uh i don't know if you've ever

414

00:15:41,749 --> 00:15:39,519

encountered them

415

00:15:44,790 --> 00:15:41,759

but it was it was always these three

416

00:15:45,670 --> 00:15:44,800

three would always come together

417

00:15:47,990 --> 00:15:45,680

i

418

00:15:51,030 --> 00:15:48,000

had two encounters at home

419

00:15:54,230 --> 00:15:51,040

and then i eventually was taken

420

00:15:56,470 --> 00:15:54,240

back in the end of 2015

421

00:15:58,550 --> 00:15:56,480

uh and all this stuff started the the

422

00:16:02,310 --> 00:15:58,560

year my wife was sick

423

00:16:05,030 --> 00:16:02,320

and uh then i after she had passed i i

424

00:16:07,430 --> 00:16:05,040

had the abduction

425

00:16:09,670 --> 00:16:07,440

and i'm pretty sure all this is related

426
00:16:11,110 --> 00:16:09,680
to you i mean they never actually told

427
00:16:13,430 --> 00:16:11,120
me it was

428
00:16:15,749 --> 00:16:13,440
but i felt it was

429
00:16:17,269 --> 00:16:15,759
uh i i felt there was a connection there

430
00:16:19,030 --> 00:16:17,279
and you said something interesting

431
00:16:20,310 --> 00:16:19,040
tonight when we were trying to teach you

432
00:16:23,990 --> 00:16:20,320
they start getting

433
00:16:28,310 --> 00:16:25,430
what's that

434
00:16:30,790 --> 00:16:28,320
losing every everything you there yeah

435
00:16:32,310 --> 00:16:30,800
yeah and i i i talked to tonight when

436
00:16:34,550 --> 00:16:32,320
you were having issues

437
00:16:35,670 --> 00:16:34,560
connecting back up you said that

438
00:16:37,269 --> 00:16:35,680

you heard

439

00:16:38,870 --> 00:16:37,279

vincent and i were talking when you

440

00:16:40,230 --> 00:16:38,880

weren't connected what happened there

441

00:16:42,470 --> 00:16:40,240

you go

442

00:16:43,910 --> 00:16:42,480

i i don't know that that was the first

443

00:16:45,350 --> 00:16:43,920

time that's happened i was hearing you

444

00:16:48,069 --> 00:16:45,360

talking about me logging out and

445

00:16:50,710 --> 00:16:48,079

everything and uh and i could hear you

446

00:16:51,590 --> 00:16:50,720

talking and but i wasn't even connected

447

00:16:54,230 --> 00:16:51,600

to

448

00:16:56,150 --> 00:16:54,240

the the uh webcam or anything

449

00:16:57,110 --> 00:16:56,160

uh yeah i could hear you talking to

450

00:16:59,350 --> 00:16:57,120

vince

451

00:17:01,509 --> 00:16:59,360

well that doesn't that's weird

452

00:17:03,110 --> 00:17:01,519

i mean that does that doesn't surprise

453

00:17:06,549 --> 00:17:03,120

me

454

00:17:09,909 --> 00:17:09,029

i've got things going on around here and

455

00:17:11,510 --> 00:17:09,919

uh

456

00:17:13,590 --> 00:17:11,520

you know i um

457

00:17:16,549 --> 00:17:13,600

that doesn't surprise me all

458

00:17:18,470 --> 00:17:16,559

at all you know honestly i've got people

459

00:17:21,189 --> 00:17:18,480

people tell me during the show that they

460

00:17:22,549 --> 00:17:21,199

see something back here in the hallway

461

00:17:24,789 --> 00:17:22,559

uh

462

00:17:26,549 --> 00:17:24,799

while i'm doing the show and

463

00:17:29,190 --> 00:17:26,559

there is something that does show up

464

00:17:30,950 --> 00:17:29,200

back there and i know it i feel it

465

00:17:33,750 --> 00:17:30,960

so i don't know if that's associated

466

00:17:35,990 --> 00:17:33,760

with what has been going on or not but

467

00:17:37,909 --> 00:17:36,000

uh it is interesting

468

00:17:39,909 --> 00:17:37,919

so what what you said tonight was kind

469

00:17:42,070 --> 00:17:39,919

of interesting i i think maybe something

470

00:17:44,070 --> 00:17:42,080

has been opening up

471

00:17:46,310 --> 00:17:44,080

uh that wouldn't surprise me whatsoever

472

00:17:48,390 --> 00:17:46,320

be honest with you

473

00:17:50,630 --> 00:17:48,400

yeah it's a

474

00:17:52,549 --> 00:17:50,640

it has to be a portal open uh because i

475

00:17:54,630 --> 00:17:52,559

don't see nothing but uh i mean i

476

00:17:55,990 --> 00:17:54,640

cleared dave it was your voice and uh

477

00:17:58,230 --> 00:17:56,000

what you were saying and everything i

478

00:17:59,590 --> 00:17:58,240

would say

479

00:18:01,110 --> 00:17:59,600

that was the first time it's happened

480

00:18:04,070 --> 00:18:01,120

for me but

481

00:18:05,830 --> 00:18:04,080

it's just amazing i couldn't believe it

482

00:18:09,830 --> 00:18:05,840

so

483

00:18:13,029 --> 00:18:11,510

yeah

484

00:18:14,789 --> 00:18:13,039

well

485

00:18:16,789 --> 00:18:14,799

i don't know you know i i tell you now

486

00:18:17,990 --> 00:18:16,799

you and vincent got together before the

487

00:18:20,470 --> 00:18:18,000

show

488

00:18:23,190 --> 00:18:20,480

and uh i think he put together a bunch

489

00:18:24,150 --> 00:18:23,200

of your newer images and a few other

490

00:18:25,909 --> 00:18:24,160

things

491

00:18:28,870 --> 00:18:25,919

so uh i don't know did you want to

492

00:18:30,870 --> 00:18:28,880

comment on some of these well i think

493

00:18:32,950 --> 00:18:30,880

there's a reptilian it's not very clear

494

00:18:34,549 --> 00:18:32,960

but i drew them in uh

495

00:18:36,710 --> 00:18:34,559

so everyone can see but that is a

496

00:18:37,430 --> 00:18:36,720

picture of a reptilian right there

497

00:18:41,990 --> 00:18:37,440

uh

498

00:18:45,270 --> 00:18:42,000

right there that's that's what it looks

499

00:18:46,950 --> 00:18:45,280

like i mean it was kind of blurry but

500

00:18:48,950 --> 00:18:46,960

that's where you look that's that's why

501
00:18:50,390 --> 00:18:48,960
i got blurry that's a quick shot you

502
00:18:51,590 --> 00:18:50,400
know it's like not

503
00:18:52,870 --> 00:18:51,600
trying to take pictures of the fourth

504
00:18:55,350 --> 00:18:52,880
dimensional entities with the

505
00:18:57,270 --> 00:18:55,360
three-dimensional camera is not easy and

506
00:18:59,430 --> 00:18:57,280
get a clear picture that if you get a

507
00:19:02,230 --> 00:18:59,440
clear picture you got something

508
00:19:04,789 --> 00:19:02,240
about every 1000 pictures i take i get a

509
00:19:07,110 --> 00:19:04,799
pretty decent one out of uh

510
00:19:08,870 --> 00:19:07,120
100 pictures i take i get an okay one

511
00:19:10,470 --> 00:19:08,880
you know it's like

512
00:19:13,350 --> 00:19:10,480
i'm waiting for the the really good one

513
00:19:15,669 --> 00:19:13,360

well i do get a video of one that's i

514

00:19:17,750 --> 00:19:15,679

probably could never post but

515

00:19:19,669 --> 00:19:17,760

it's pretty cool but

516

00:19:22,549 --> 00:19:19,679

it was uh one eating another one's

517

00:19:24,150 --> 00:19:22,559

brains out of its head uh it's uh

518

00:19:26,789 --> 00:19:24,160

i got a video of that i was sitting in

519

00:19:28,390 --> 00:19:26,799

my office when i got that video

520

00:19:30,549 --> 00:19:28,400

but

521

00:19:32,549 --> 00:19:30,559

you know it was something else that it

522

00:19:34,390 --> 00:19:32,559

that has turned up you know with we've

523

00:19:35,830 --> 00:19:34,400

been doing this investigations in

524

00:19:38,390 --> 00:19:35,840

chicago

525

00:19:40,470 --> 00:19:38,400

and some of these unseen ones i believe

526

00:19:41,669 --> 00:19:40,480

have been showing up in your place as

527

00:19:44,150 --> 00:19:41,679

well

528

00:19:46,470 --> 00:19:44,160

uh some of the photos were of these

529

00:19:48,070 --> 00:19:46,480

unseen ones i mean jennifer said exactly

530

00:19:49,750 --> 00:19:48,080

that's what it was

531

00:19:51,750 --> 00:19:49,760

uh and i know you had mentioned to me

532

00:19:54,070 --> 00:19:51,760

once before that you thought they would

533

00:20:03,750 --> 00:19:54,080

probably show up some point at your

534

00:20:09,750 --> 00:20:07,350

okay okay i think he's buffered okay

535

00:20:11,590 --> 00:20:09,760

so let david i got a question here from

536

00:20:13,669 --> 00:20:11,600

somebody let me ask you maybe you can

537

00:20:16,390 --> 00:20:13,679

answer some higher ground

538

00:20:18,789 --> 00:20:16,400

uh yes how safe it is for a friend to

539

00:20:21,029 --> 00:20:18,799

come visit you for a bit

540

00:20:23,510 --> 00:20:21,039

and why has

541

00:20:26,149 --> 00:20:23,520

the activity been going on at both

542

00:20:30,070 --> 00:20:27,990

they follow me right i go to a hotel

543

00:20:31,909 --> 00:20:30,080

room within 15 minutes of being there

544

00:20:33,990 --> 00:20:31,919

they're showing up

545

00:20:36,149 --> 00:20:34,000

they can't get away from you yeah

546

00:20:37,590 --> 00:20:36,159

they've not i've tried me my wife tried

547

00:20:39,430 --> 00:20:37,600

it several times

548

00:20:42,149 --> 00:20:39,440

and uh i just asked for my money back

549

00:20:43,270 --> 00:20:42,159

and i would go back home uh

550

00:20:45,909 --> 00:20:43,280

yeah

551
00:20:47,350 --> 00:20:45,919
they know where i'm at at all times um

552
00:20:49,669 --> 00:20:47,360
but is it safe

553
00:20:52,310 --> 00:20:49,679
i can never guarantee that

554
00:20:53,669 --> 00:20:52,320
but it will change your life forever and

555
00:20:55,590 --> 00:20:53,679
is that safe

556
00:20:57,909 --> 00:20:55,600
some people don't do very well

557
00:20:59,990 --> 00:20:57,919
afterwards they don't they just don't do

558
00:21:02,310 --> 00:21:00,000
very well because it changes everything

559
00:21:05,270 --> 00:21:02,320
that you ever knew that you believed

560
00:21:07,190 --> 00:21:05,280
that was true it changes everything

561
00:21:08,710 --> 00:21:07,200
and it's tough to deal with things after

562
00:21:10,390 --> 00:21:08,720
that

563
00:21:12,310 --> 00:21:10,400

it really is

564

00:21:13,590 --> 00:21:12,320

that's my new doctor right there in his

565

00:21:15,830 --> 00:21:13,600

family

566

00:21:17,430 --> 00:21:15,840

uh

567

00:21:21,750 --> 00:21:17,440

he looks a little bit overweight in that

568

00:21:24,950 --> 00:21:23,029

thin

569

00:21:25,750 --> 00:21:24,960

and that is his wife and his child down

570

00:21:33,750 --> 00:21:25,760

there

571

00:21:37,990 --> 00:21:35,590

interesting okay

572

00:21:40,470 --> 00:21:38,000

yeah this one here this is one of my you

573

00:21:42,870 --> 00:21:40,480

just sent me a while back i it's in the

574

00:21:45,430 --> 00:21:42,880

book i get a lot of comments about that

575

00:21:47,029 --> 00:21:45,440

one

576

00:21:50,390 --> 00:21:47,039

it's a pixelated that's what they look

577

00:21:52,390 --> 00:21:50,400

like you know uh like that

578

00:21:53,830 --> 00:21:52,400

it's uh when they're pixelated like the

579

00:22:01,669 --> 00:21:53,840

like the predator

580

00:22:06,070 --> 00:22:03,350

i don't know it looks like a mask that

581

00:22:07,669 --> 00:22:06,080

it's got on uh yeah looks like mask like

582

00:22:09,510 --> 00:22:07,679

this the other one would look like

583

00:22:11,430 --> 00:22:09,520

reptilian but uh

584

00:22:13,909 --> 00:22:11,440

but uh yeah you see it looks like you

585

00:22:15,590 --> 00:22:13,919

got a mask on to me but they do wear

586

00:22:17,510 --> 00:22:15,600

masking costumes to disguise their

587

00:22:19,350 --> 00:22:17,520

identity

588

00:22:21,830 --> 00:22:19,360

telling me that they show up and mask

589

00:22:24,549 --> 00:22:21,840

occasionally and here's another one i

590

00:22:25,270 --> 00:22:24,559

get a lot of comments on as well

591

00:22:27,909 --> 00:22:25,280

yeah

592

00:22:30,070 --> 00:22:27,919

that's uh that's a reptilian or or

593

00:22:32,070 --> 00:22:30,080

it looks like he's at a half breed or

594

00:22:34,470 --> 00:22:32,080

something between reptilian and a gray

595

00:22:36,070 --> 00:22:34,480

uh but the grades that those are covers

596

00:22:38,230 --> 00:22:36,080

that they're over their eyes those are

597

00:22:40,310 --> 00:22:38,240

like lenses or whatever but uh their

598

00:22:42,390 --> 00:22:40,320

eyes are really quite beautiful inside

599

00:22:43,669 --> 00:22:42,400

the one that had his face up close to me

600

00:22:45,830 --> 00:22:43,679

was uh

601
00:22:47,350 --> 00:22:45,840
gold-colored eyes and uh and they slid

602
00:22:49,510 --> 00:22:47,360
it in the middle and he had his face

603
00:22:51,430 --> 00:22:49,520
right in my face and i was looking at

604
00:22:54,950 --> 00:22:51,440
the depth in his eyes and it was like

605
00:22:56,149 --> 00:22:54,960
just astounding just beautiful

606
00:23:00,710 --> 00:22:56,159
and

607
00:23:02,549 --> 00:23:00,720
eyes they do but those are covers under

608
00:23:03,590 --> 00:23:02,559
their eyes they're not black

609
00:23:05,350 --> 00:23:03,600
so

610
00:23:06,950 --> 00:23:05,360
uh

611
00:23:09,909 --> 00:23:06,960
here's an interesting question i got

612
00:23:11,510 --> 00:23:09,919
from nancy she asked how long a trip

613
00:23:14,390 --> 00:23:11,520

does most of

614

00:23:16,789 --> 00:23:14,400

these beings make in the portals i mean

615

00:23:21,350 --> 00:23:16,799

from your place to where they take you

616

00:23:23,430 --> 00:23:21,360

how how far is it how long does it take

617

00:23:25,510 --> 00:23:23,440

instantaneously almost uh there's a

618

00:23:27,590 --> 00:23:25,520

buffer zone between the portals uh

619

00:23:29,350 --> 00:23:27,600

between uh the worlds and this is where

620

00:23:30,789 --> 00:23:29,360

they get irresponsible with because

621

00:23:33,430 --> 00:23:30,799

there's things in between that buffer

622

00:23:35,669 --> 00:23:33,440

zone that they that comes in with them

623

00:23:38,470 --> 00:23:35,679

you know things that you would call

624

00:23:40,470 --> 00:23:38,480

eerie stuff demonic or whatever uh

625

00:23:44,310 --> 00:23:40,480

they're just irresponsible with it and

626
00:23:50,789 --> 00:23:46,630
rules and laws targets but not everybody

627
00:23:55,990 --> 00:23:53,590
i remember you telling me previously

628
00:23:58,310 --> 00:23:56,000
that there is a buffer zone it's kind of

629
00:24:02,390 --> 00:24:00,390
i don't know when you go when you go

630
00:24:05,190 --> 00:24:02,400
through the porter portal like your old

631
00:24:09,190 --> 00:24:05,200
place into your uh in your bedroom

632
00:24:13,110 --> 00:24:10,710
like an area where you would wait and

633
00:24:15,110 --> 00:24:13,120
you go into the other and go into their

634
00:24:16,310 --> 00:24:15,120
world or go into their the area where

635
00:24:20,310 --> 00:24:16,320
they are

636
00:24:25,510 --> 00:24:22,710
okay here's one another one from higher

637
00:24:26,710 --> 00:24:25,520
ground what if one of these beings is a

638
00:24:28,070 --> 00:24:26,720

lifetime

639

00:24:29,830 --> 00:24:28,080

or if well

640

00:24:33,350 --> 00:24:29,840

what if someone is a lifetime

641

00:24:39,909 --> 00:24:33,360

experimenter of cryptids and reptiles

642

00:24:43,590 --> 00:24:41,750

it's uh it's hard telling it's each for

643

00:24:45,909 --> 00:24:43,600

each person would be different i know

644

00:24:48,310 --> 00:24:45,919

everybody having just do is different

645

00:24:52,470 --> 00:24:48,320

the reaction is different i had a female

646

00:24:55,909 --> 00:24:54,070

wanted to experience end up right next

647

00:25:00,390 --> 00:24:55,919

to her she was squealing like a little

648

00:25:04,789 --> 00:25:01,750

she's over two

649

00:25:07,510 --> 00:25:04,799

and uh but she was safe i mean she

650

00:25:08,470 --> 00:25:07,520

she's still alive to the day i mean uh

651

00:25:10,470 --> 00:25:08,480

but

652

00:25:12,149 --> 00:25:10,480

yeah they all react differently they

653

00:25:13,590 --> 00:25:12,159

they really do and sometimes they go

654

00:25:16,549 --> 00:25:13,600

into denial

655

00:25:18,070 --> 00:25:16,559

sometimes they go into the depression uh

656

00:25:20,390 --> 00:25:18,080

once you know for sure that it's

657

00:25:21,909 --> 00:25:20,400

absolutely real

658

00:25:24,789 --> 00:25:21,919

yeah everybody has a different reaction

659

00:25:30,070 --> 00:25:27,510

uh nancy wants to know how they

660

00:25:34,870 --> 00:25:32,630

what their attitude is toward humanity

661

00:25:37,110 --> 00:25:34,880

as a whole do uh

662

00:25:39,110 --> 00:25:37,120

and i i know the the reptilian that used

663

00:25:40,950 --> 00:25:39,120

to be involved in particular like humans

664

00:25:42,630 --> 00:25:40,960

i don't know if you liked you

665

00:25:45,110 --> 00:25:42,640

but i know he had it was his duty and

666

00:25:52,630 --> 00:25:45,120

that's what he did and beth as well how

667

00:25:52,640 --> 00:25:59,190

that that uh which way uh

668

00:26:02,789 --> 00:26:01,269

i don't know what's going on but uh

669

00:26:09,510 --> 00:26:02,799

uh

670

00:26:10,870 --> 00:26:09,520

a pretty laid back and she's course he's

671

00:26:13,190 --> 00:26:10,880

very uh

672

00:26:16,710 --> 00:26:15,190

job oriented with her her duties and

673

00:26:20,149 --> 00:26:16,720

everything she's uh

674

00:26:22,070 --> 00:26:20,159

she lives eats and sleeps her her job uh

675

00:26:22,950 --> 00:26:22,080

i found out that uh

676
00:26:24,470 --> 00:26:22,960
from

677
00:26:26,870 --> 00:26:24,480
our mutual friend

678
00:26:28,630 --> 00:26:26,880
the females instead of that we're sort

679
00:26:29,909 --> 00:26:28,640
of like twins on the other side we don't

680
00:26:32,549 --> 00:26:29,919
look like this

681
00:26:34,230 --> 00:26:32,559
uh these are our avatar bodies

682
00:26:36,390 --> 00:26:34,240
basically to say but we don't look like

683
00:26:37,430 --> 00:26:36,400
this inside of our bodies you know our

684
00:26:39,110 --> 00:26:37,440
souls

685
00:26:41,430 --> 00:26:39,120
are different from what we look like

686
00:26:43,510 --> 00:26:41,440
that's it's kind of astounding and i got

687
00:26:45,269 --> 00:26:43,520
to see mine uh

688
00:26:46,310 --> 00:26:45,279

but

689

00:26:49,269 --> 00:26:46,320

how

690

00:26:51,110 --> 00:26:49,279

what what was nancy

691

00:26:52,549 --> 00:26:51,120

yeah she wanted to know i mean she just

692

00:26:54,549 --> 00:26:52,559

wanted to know what their attitude is

693

00:26:56,070 --> 00:26:54,559

toward humans basically

694

00:26:57,190 --> 00:26:56,080

oh

695

00:26:59,669 --> 00:26:57,200

they're all different the younger

696

00:27:02,710 --> 00:26:59,679

generation wants to integrate with us uh

697

00:27:04,149 --> 00:27:02,720

the older generation they they they

698

00:27:05,590 --> 00:27:04,159

they're pretty much prejudiced towards

699

00:27:07,669 --> 00:27:05,600

this we're like treated like third class

700

00:27:10,070 --> 00:27:07,679

citizens on the other side

701

00:27:11,590 --> 00:27:10,080

uh like like you would treat your dog

702

00:27:14,310 --> 00:27:11,600

let's just say that

703

00:27:15,510 --> 00:27:14,320

uh yeah and you know when and and the

704

00:27:17,350 --> 00:27:15,520

children over there like living in

705

00:27:20,070 --> 00:27:17,360

dallas for their children

706

00:27:22,389 --> 00:27:20,080

uh they're good company they uh they can

707

00:27:23,510 --> 00:27:22,399

do house chores and everything uh

708

00:27:25,830 --> 00:27:23,520

but

709

00:27:27,990 --> 00:27:25,840

humans are a commodity on the other side

710

00:27:30,070 --> 00:27:28,000

yeah they really are we're not treated

711

00:27:33,190 --> 00:27:30,080

like the best they're the best but we're

712

00:27:34,789 --> 00:27:33,200

tolerated uh when we're over there

713

00:27:37,029 --> 00:27:34,799

so

714

00:27:39,029 --> 00:27:37,039

good question i guess i guess over time

715

00:27:41,909 --> 00:27:39,039

you still haven't really figured out why

716

00:27:43,990 --> 00:27:41,919

you were chosen have you

717

00:27:46,630 --> 00:27:44,000

no they they said when outcast

718

00:27:49,350 --> 00:27:46,640

paranormal was there was doing an epa or

719

00:27:51,430 --> 00:27:49,360

or whatever they are uh

720

00:27:53,750 --> 00:27:51,440

when you know you ask questions and and

721

00:27:56,230 --> 00:27:53,760

you they pick up a signal and

722

00:27:58,389 --> 00:27:56,240

gives you answers but they said that i

723

00:28:00,230 --> 00:27:58,399

will find out when the time comes but

724

00:28:02,549 --> 00:28:00,240

they they can't tell me because knowing

725

00:28:04,549 --> 00:28:02,559

the future changes the future so

726

00:28:06,389 --> 00:28:04,559

if they tell me then i might do

727

00:28:09,269 --> 00:28:06,399

something opposite i just hope it ain't

728

00:28:11,269 --> 00:28:09,279

something really stupid uh but

729

00:28:14,470 --> 00:28:11,279

i mean

730

00:28:16,870 --> 00:28:14,480

don't want to do something stupid and be

731

00:28:18,470 --> 00:28:16,880

remembered for but they i got up one

732

00:28:20,789 --> 00:28:18,480

night to go get a drink of water and

733

00:28:22,549 --> 00:28:20,799

then my dining room table says heritage

734

00:28:23,909 --> 00:28:22,559

house on it you know and i could not

735

00:28:26,070 --> 00:28:23,919

tell where the light was coming from i

736

00:28:28,549 --> 00:28:26,080

put my hand above it it wasn't coming

737

00:28:30,549 --> 00:28:28,559

from above the sides it was like just

738

00:28:32,950 --> 00:28:30,559

there i cannot explain i took pictures

739

00:28:34,789 --> 00:28:32,960

of it and posted it it says heritage

740

00:28:37,269 --> 00:28:34,799

house and has some higher glyphs up

741

00:28:39,750 --> 00:28:37,279

underneath it uh in fact i think vince

742

00:28:42,149 --> 00:28:39,760

that's a picture of it uh right there

743

00:28:44,470 --> 00:28:42,159

heritage that's up my kitchen table

744

00:28:47,110 --> 00:28:44,480

and it says heritage house i put my hand

745

00:28:47,909 --> 00:28:47,120

over it and everything uh

746

00:28:49,669 --> 00:28:47,919

uh

747

00:28:52,149 --> 00:28:49,679

i remember you telling me about that a

748

00:28:54,789 --> 00:28:52,159

while back yeah i don't know if that's a

749

00:28:55,909 --> 00:28:54,799

p.m or or something on the bottom of it

750

00:28:57,350 --> 00:28:55,919

i have nothing in my house to do

751

00:28:59,590 --> 00:28:57,360

something like that

752

00:29:01,510 --> 00:28:59,600

but uh that's zoomed in

753

00:29:03,190 --> 00:29:01,520

what does that mean i don't know i

754

00:29:06,230 --> 00:29:03,200

really don't know

755

00:29:09,750 --> 00:29:08,070

but that that's that was

756

00:29:10,830 --> 00:29:09,760

that was pretty cool i could not figure

757

00:29:12,630 --> 00:29:10,840

it out

758

00:29:14,149 --> 00:29:12,640

um

759

00:29:15,430 --> 00:29:14,159

and right there they send me messages

760

00:29:17,430 --> 00:29:15,440

since they're not allowed to talk to me

761

00:29:18,230 --> 00:29:17,440

but their cursive writing is not very

762

00:29:21,669 --> 00:29:18,240

good

763

00:29:24,230 --> 00:29:21,679

but uh it says is david something and uh

764

00:29:25,590 --> 00:29:24,240

this is i can't make it all out but i

765

00:29:29,190 --> 00:29:25,600

tried to uh

766

00:29:33,110 --> 00:29:29,200

ufo maybe that says they're they need to

767

00:29:37,750 --> 00:29:34,870

but they send me they send me messages

768

00:29:38,870 --> 00:29:37,760

the younger ones do uh okay they seem to

769

00:29:39,750 --> 00:29:38,880

like me

770

00:29:40,870 --> 00:29:39,760

so

771

00:29:43,029 --> 00:29:40,880

okay

772

00:29:45,190 --> 00:29:43,039

and there's some hieroglyphs right there

773

00:29:47,510 --> 00:29:45,200

yeah i've always been interested in that

774

00:29:49,510 --> 00:29:47,520

that photograph is uh that that's an

775

00:29:51,190 --> 00:29:49,520

interesting photograph i've

776

00:29:53,909 --> 00:29:51,200

i've tried to do all kinds of things

777

00:29:55,590 --> 00:29:53,919

with that try to enhance it and all and

778

00:29:57,350 --> 00:29:55,600

i still hadn't been able to figure out

779

00:29:59,909 --> 00:29:57,360

what to do with that but you you say

780

00:30:01,750 --> 00:29:59,919

that is hieroglyphics of some type yeah

781

00:30:03,269 --> 00:30:01,760

right yeah

782

00:30:04,630 --> 00:30:03,279

yeah i have no idea what it means i

783

00:30:06,149 --> 00:30:04,640

should let you know what it does man you

784

00:30:07,669 --> 00:30:06,159

know but you still looks like a guy

785

00:30:10,149 --> 00:30:07,679

sitting down in a chair with a monkey

786

00:30:12,549 --> 00:30:10,159

there maybe

787

00:30:14,389 --> 00:30:12,559

and that's what it looks like man i mean

788

00:30:15,430 --> 00:30:14,399

it's nothing like ancient sumerian or

789

00:30:18,070 --> 00:30:15,440

anything that

790

00:30:19,350 --> 00:30:18,080

you know but it's carved in stone so

791

00:30:20,789 --> 00:30:19,360

something

792

00:30:24,070 --> 00:30:20,799

i have no idea what it means i should

793

00:30:25,669 --> 00:30:24,080

like to know somebody solve it

794

00:30:27,750 --> 00:30:25,679

higher ground once you've known that

795

00:30:29,269 --> 00:30:27,760

david they've healed you before and of

796

00:30:30,149 --> 00:30:29,279

course i've talked about that in the

797

00:30:33,029 --> 00:30:30,159

book

798

00:30:34,870 --> 00:30:33,039

uh have they ever caused you any energy

799

00:30:37,110 --> 00:30:34,880

injury

800

00:30:38,070 --> 00:30:37,120

uh yes uh matter of fact when this first

801
00:30:39,990 --> 00:30:38,080
started

802
00:30:42,070 --> 00:30:40,000
i was sitting in bed uh up against my

803
00:30:43,909 --> 00:30:42,080
headboard me and my wife and was

804
00:30:45,830 --> 00:30:43,919
watching stuff going on

805
00:30:47,430 --> 00:30:45,840
and uh all of a sudden uh something was

806
00:30:51,110 --> 00:30:47,440
going on with her and then it stopped

807
00:30:53,350 --> 00:30:51,120
and then i crossed my chest uh is my

808
00:30:54,789 --> 00:30:53,360
skin started peeling up like curly fries

809
00:30:56,630 --> 00:30:54,799
with three

810
00:30:58,149 --> 00:30:56,640
three uh

811
00:31:00,070 --> 00:30:58,159
like somebody took uh something with

812
00:31:01,430 --> 00:31:00,080
razor blades or something and my skin

813
00:31:03,190 --> 00:31:01,440

was feeling like

814

00:31:05,269 --> 00:31:03,200

curly flies scratch scratched me i don't

815

00:31:07,430 --> 00:31:05,279

know if it was marking me or what

816

00:31:08,789 --> 00:31:07,440

but it burnt too when they did it but

817

00:31:10,630 --> 00:31:08,799

that's

818

00:31:12,630 --> 00:31:10,640

that was done on purpose they played

819

00:31:15,669 --> 00:31:12,640

jokes on me they uh

820

00:31:18,549 --> 00:31:15,679

they've uh i made them mad and they

821

00:31:20,549 --> 00:31:18,559

and they got back at me so uh let me

822

00:31:22,710 --> 00:31:20,559

tell you about this one time but outside

823

00:31:24,789 --> 00:31:22,720

working late in my yard in my garden and

824

00:31:26,549 --> 00:31:24,799

uh i went to my bedroom window and i

825

00:31:28,470 --> 00:31:26,559

tapped on the glass

826

00:31:30,630 --> 00:31:28,480

and then i tapped on it again and then

827

00:31:32,630 --> 00:31:30,640

the third time i tapped on it the blinds

828

00:31:34,230 --> 00:31:32,640

opened i didn't see who was there

829

00:31:36,870 --> 00:31:34,240

i just turned around and grabbed my

830

00:31:38,389 --> 00:31:36,880

stomach and started laughing at myself

831

00:31:39,590 --> 00:31:38,399

uh

832

00:31:41,269 --> 00:31:39,600

i don't know what they thought it was

833

00:31:43,430 --> 00:31:41,279

one of their people out there or what

834

00:31:45,590 --> 00:31:43,440

but that the blinds opened up

835

00:31:46,870 --> 00:31:45,600

and uh and all i could do is i gotta go

836

00:31:48,149 --> 00:31:46,880

in my house sooner or later and it's

837

00:31:49,590 --> 00:31:48,159

dark outside

838

00:31:51,350 --> 00:31:49,600

so

839

00:31:53,830 --> 00:31:51,360

i was like man there's not supposed to

840

00:31:55,669 --> 00:31:53,840

be nobody in my house but uh

841

00:31:57,750 --> 00:31:55,679

i've had stuff like that happen to me

842

00:32:00,149 --> 00:31:57,760

too and sound like gunshots going off

843

00:32:02,389 --> 00:32:00,159

sometimes so they right out of the blue

844

00:32:04,470 --> 00:32:02,399

and made him mad about that and then uh

845

00:32:06,230 --> 00:32:04,480

and they did it for about a week until i

846

00:32:07,110 --> 00:32:06,240

quit reacting to it

847

00:32:09,269 --> 00:32:07,120

so

848

00:32:10,870 --> 00:32:09,279

but i think um

849

00:32:13,110 --> 00:32:10,880

we got another question from higher

850

00:32:15,190 --> 00:32:13,120

ground now he stated that

851
00:32:18,070 --> 00:32:15,200
he wanted to know which beings actually

852
00:32:19,990 --> 00:32:18,080
consume humans and um

853
00:32:21,430 --> 00:32:20,000
i i didn't really put much about that in

854
00:32:23,110 --> 00:32:21,440
the book but

855
00:32:25,909 --> 00:32:23,120
you're talking about the reptilians

856
00:32:27,110 --> 00:32:25,919
right yeah reptilians yeah uh yeah they

857
00:32:30,549 --> 00:32:27,120
that's

858
00:32:31,830 --> 00:32:30,559
they eat humans yeah they they do and uh

859
00:32:34,389 --> 00:32:31,840
i mean we

860
00:32:36,470 --> 00:32:34,399
if we was a cow you know it's like uh

861
00:32:38,149 --> 00:32:36,480
and it's like humans eat cows you know

862
00:32:40,149 --> 00:32:38,159
it's like it doesn't make us necessarily

863
00:32:41,669 --> 00:32:40,159

bad but you know what i find the most

864

00:32:43,110 --> 00:32:41,679

interesting thing is we're all

865

00:32:45,350 --> 00:32:43,120

compatible

866

00:32:47,909 --> 00:32:45,360

we are all which tells me that we all

867

00:32:49,750 --> 00:32:47,919

came from the same source

868

00:32:51,750 --> 00:32:49,760

and that's interesting to me well i

869

00:32:54,630 --> 00:32:51,760

believe that i i know there's a

870

00:32:57,990 --> 00:32:54,640

connection somewhere i mean um

871

00:32:59,990 --> 00:32:58,000

i mean are we evolved or whatever are

872

00:33:01,590 --> 00:33:00,000

they of all humans or

873

00:33:04,389 --> 00:33:01,600

is there some kind of connection with

874

00:33:05,590 --> 00:33:04,399

human speech i i believe that there is i

875

00:33:09,190 --> 00:33:05,600

really do

876

00:33:15,110 --> 00:33:12,549

nancy's asking about um

877

00:33:16,789 --> 00:33:15,120

about historical record and if

878

00:33:18,789 --> 00:33:16,799

you think you've got some type of

879

00:33:20,789 --> 00:33:18,799

ancestral bloodline

880

00:33:23,509 --> 00:33:20,799

that they want

881

00:33:25,669 --> 00:33:23,519

uh i don't i don't know i know you had

882

00:33:27,190 --> 00:33:25,679

told me that you have had i think your

883

00:33:29,509 --> 00:33:27,200

mother may have had

884

00:33:31,750 --> 00:33:29,519

encounters at one time

885

00:33:33,750 --> 00:33:31,760

uh what do you think about that you

886

00:33:36,870 --> 00:33:33,760

think that you've been marked

887

00:33:39,190 --> 00:33:36,880

for some type of bloodline dna or such

888

00:33:40,710 --> 00:33:39,200

it's quite possible i i mean uh you know

889

00:33:42,070 --> 00:33:40,720

when we're as kids weird things would

890

00:33:43,909 --> 00:33:42,080

happen all the time

891

00:33:45,669 --> 00:33:43,919

but uh we always think there was ghosts

892

00:33:47,110 --> 00:33:45,679

in it and i can tie it to these guys

893

00:33:49,669 --> 00:33:47,120

because we thought there was ghosts to

894

00:33:50,870 --> 00:33:49,679

start off with ultra guys uh well at

895

00:33:52,549 --> 00:33:50,880

least i did

896

00:33:53,669 --> 00:33:52,559

and i just didn't believe in ghosts and

897

00:33:54,630 --> 00:33:53,679

uh

898

00:33:56,789 --> 00:33:54,640

but

899

00:33:59,029 --> 00:33:56,799

until and i run that porthole that was

900

00:34:01,830 --> 00:33:59,039

open up in my bedroom at 9 30 a.m in the

901
00:34:03,590 --> 00:34:01,840
morning time uh that changed everything

902
00:34:05,190 --> 00:34:03,600
for me but uh

903
00:34:23,190 --> 00:34:05,200
uh

904
00:34:24,710 --> 00:34:23,200
even a name so

905
00:34:26,069 --> 00:34:24,720
uh there could be something there it

906
00:34:27,750 --> 00:34:26,079
could be uh

907
00:34:30,470 --> 00:34:27,760
could be something there but

908
00:34:32,790 --> 00:34:30,480
i i find out that uh you know if you see

909
00:34:34,389 --> 00:34:32,800
that movie prometheus where he drinks

910
00:34:36,069 --> 00:34:34,399
that cup of stuff in the very beginning

911
00:34:37,990 --> 00:34:36,079
outside he dissolves and falls into the

912
00:34:39,990 --> 00:34:38,000
water right

913
00:34:41,909 --> 00:34:40,000

coated dna everything that went in the

914

00:34:42,790 --> 00:34:41,919

water and everything and and created

915

00:34:43,589 --> 00:34:42,800

life

916

00:34:45,430 --> 00:34:43,599

but

917

00:34:47,109 --> 00:34:45,440

basically that's

918

00:34:48,869 --> 00:34:47,119

i think that's what they're looking for

919

00:34:50,470 --> 00:34:48,879

is they're looking for the code in the

920

00:34:52,470 --> 00:34:50,480

dna because if you can get it all

921

00:34:53,750 --> 00:34:52,480

together get it all together you can

922

00:34:54,790 --> 00:34:53,760

create

923

00:34:57,349 --> 00:34:54,800

gods

924

00:34:59,670 --> 00:34:57,359

not me and you i mean you know you can't

925

00:35:00,470 --> 00:34:59,680

recreate us as god but you can create

926
00:35:02,470 --> 00:35:00,480
life

927
00:35:05,270 --> 00:35:02,480
as equal to god

928
00:35:06,710 --> 00:35:05,280
and uh and that's what and but

929
00:35:08,710 --> 00:35:06,720
everybody's got to come together and get

930
00:35:10,550 --> 00:35:08,720
along in order for this to happen so

931
00:35:12,950 --> 00:35:10,560
everybody can share information

932
00:35:14,630 --> 00:35:12,960
but uh they're trying to cheat and get

933
00:35:16,550 --> 00:35:14,640
around that so that's why they abduct

934
00:35:18,870 --> 00:35:16,560
people is because they're looking for

935
00:35:20,470 --> 00:35:18,880
these coded dna so they can reach

936
00:35:23,270 --> 00:35:20,480
godhood before

937
00:35:26,150 --> 00:35:23,280
us or everybody else so like a jealousy

938
00:35:28,829 --> 00:35:26,160

thing i guess well i i tell you i and

939

00:35:32,390 --> 00:35:28,839

and i mentioned this many times i i

940

00:35:38,230 --> 00:35:35,109

people i mean humans being abducted i i

941

00:35:40,790 --> 00:35:38,240

think they're kind of jealous of um

942

00:35:43,510 --> 00:35:40,800

of humans for the fact that

943

00:35:45,109 --> 00:35:43,520

we have a soul we have a life force

944

00:35:48,230 --> 00:35:45,119

and it's something that they're trying

945

00:35:50,550 --> 00:35:48,240

to either get or get back

946

00:35:52,950 --> 00:35:50,560

uh i i think there's a lot to that and

947

00:35:55,349 --> 00:35:52,960

you know i kind of formulated that from

948

00:35:57,109 --> 00:35:55,359

talking to you over the years and to

949

00:35:59,349 --> 00:35:57,119

talking to other

950

00:36:03,349 --> 00:35:59,359

experiencers as well

951
00:36:05,109 --> 00:36:03,359
i i think i think there's a lot to that

952
00:36:07,270 --> 00:36:05,119
you think so

953
00:36:09,589 --> 00:36:07,280
yeah yeah yeah

954
00:36:11,670 --> 00:36:09,599
that's good hypothesis that

955
00:36:12,470 --> 00:36:11,680
they're looking for so they're looking

956
00:36:13,349 --> 00:36:12,480
for

957
00:36:14,950 --> 00:36:13,359
uh

958
00:36:17,109 --> 00:36:14,960
because we're experiencing life in the

959
00:36:19,510 --> 00:36:17,119
flesh and that's that's a big thing we

960
00:36:21,349 --> 00:36:19,520
we are not this we are inside these

961
00:36:22,950 --> 00:36:21,359
bodies you know our not our

962
00:36:25,270 --> 00:36:22,960
consciousness just our consciousness but

963
00:36:27,510 --> 00:36:25,280

our soul our energy our life force we

964

00:36:28,630 --> 00:36:27,520

live forever i mean and we keep coming

965

00:36:29,430 --> 00:36:28,640

back too

966

00:36:32,630 --> 00:36:29,440

um

967

00:36:34,870 --> 00:36:32,640

but but it's uh and we keep relearning

968

00:36:36,670 --> 00:36:34,880

until we get it right i guess but uh

969

00:36:39,510 --> 00:36:36,680

it's just astounding that we're

970

00:36:41,190 --> 00:36:39,520

experiencing this in the flesh and uh

971

00:36:43,430 --> 00:36:41,200

god said that we are his greatest

972

00:36:45,670 --> 00:36:43,440

creation and he told all the angels to

973

00:36:47,589 --> 00:36:45,680

bow down to us even the reptilians and

974

00:36:49,589 --> 00:36:47,599

uh which causes bitterness and the

975

00:36:51,670 --> 00:36:49,599

reptilian goes to god says i'm made of

976

00:36:54,870 --> 00:36:51,680

fire an atom is made of mud that says

977

00:36:57,750 --> 00:36:54,880

i'm not going to bow down to mud and uh

978

00:36:59,510 --> 00:36:57,760

and so the reptilians kind of split off

979

00:37:01,190 --> 00:36:59,520

from you know god and create their own

980

00:37:03,270 --> 00:37:01,200

society or whatever which is

981

00:37:04,230 --> 00:37:03,280

reluciferian i guess

982

00:37:06,470 --> 00:37:04,240

uh

983

00:37:08,630 --> 00:37:06,480

but you know i can't say all reptilians

984

00:37:09,829 --> 00:37:08,640

are bad i just can't say it because i've

985

00:37:11,990 --> 00:37:09,839

been helped

986

00:37:13,270 --> 00:37:12,000

uh oh yeah they

987

00:37:15,430 --> 00:37:13,280

i mean there's all different types of

988

00:37:16,790 --> 00:37:15,440

reptilians too so don't don't get me

989

00:37:19,750 --> 00:37:16,800

wrong on that

990

00:37:21,990 --> 00:37:19,760

um and there's like scaly like snake

991

00:37:24,230 --> 00:37:22,000

kind of people uh that shape more like

992

00:37:26,310 --> 00:37:24,240

us and there's a reptilian reptilian

993

00:37:28,470 --> 00:37:26,320

that are like the winged ones and the

994

00:37:30,069 --> 00:37:28,480

dracos and stuff and there's uh there's

995

00:37:31,750 --> 00:37:30,079

some reptilians that are built like

996

00:37:33,349 --> 00:37:31,760

silverback apes and their skin looks

997

00:37:35,190 --> 00:37:33,359

like more like a toad

998

00:37:37,670 --> 00:37:35,200

skin you know all bumpity and grayish

999

00:37:41,670 --> 00:37:37,680

color uh these more like the warrior

1000

00:37:43,270 --> 00:37:41,680

types or the war type of uh entities or

1001
00:37:45,910 --> 00:37:43,280
reptilians

1002
00:37:47,910 --> 00:37:45,920
but they're all so different that they

1003
00:37:50,710 --> 00:37:47,920
they all have their own personalities

1004
00:37:52,790 --> 00:37:50,720
everybody asks me if they're good or bad

1005
00:37:54,950 --> 00:37:52,800
or humans good or bad when we slaughter

1006
00:37:56,550 --> 00:37:54,960
babies by the millions every year we

1007
00:37:58,790 --> 00:37:56,560
absolutely like kids

1008
00:38:00,790 --> 00:37:58,800
by the hundreds of millions and we find

1009
00:38:02,870 --> 00:38:00,800
ways to jerk each other over

1010
00:38:04,470 --> 00:38:02,880
uh you know spend our days doing that

1011
00:38:06,150 --> 00:38:04,480
and it's all we good or bad you know

1012
00:38:08,310 --> 00:38:06,160
it's like they do what they do and they

1013
00:38:10,470 --> 00:38:08,320

don't find nothing wrong with it but

1014

00:38:12,310 --> 00:38:10,480

you know it's like over here in america

1015

00:38:14,870 --> 00:38:12,320

we eat cows over in india they don't eat

1016

00:38:17,430 --> 00:38:14,880

cows you know it's like it's a sin so uh

1017

00:38:19,349 --> 00:38:17,440

are we good or bad as americans you know

1018

00:38:20,790 --> 00:38:19,359

it's like depends who you talking about

1019

00:38:21,670 --> 00:38:20,800

you know it's like

1020

00:38:25,750 --> 00:38:21,680

uh

1021

00:38:29,030 --> 00:38:27,109

they're so much like us you guys would

1022

00:38:32,310 --> 00:38:29,040

not book uh and they're very hyper

1023

00:38:38,390 --> 00:38:35,190

um i i got a question here from andrew

1024

00:38:41,430 --> 00:38:38,400

boyle uh have you ever heard

1025

00:38:44,310 --> 00:38:41,440

of a race of humanoids called the darrow

1026

00:38:46,870 --> 00:38:44,320

d-e-r-o

1027

00:38:49,510 --> 00:38:46,880

no they never tell me their names uh i

1028

00:38:51,910 --> 00:38:49,520

have run across humanoid

1029

00:38:53,990 --> 00:38:51,920

people before but there wasn't full

1030

00:38:56,550 --> 00:38:54,000

humans like us but they don't tell me

1031

00:38:58,790 --> 00:38:56,560

their names they uh

1032

00:38:59,589 --> 00:38:58,800

they uh they're there to do a job not to

1033

00:39:01,910 --> 00:38:59,599

get

1034

00:39:03,829 --> 00:39:01,920

make friends with me uh mostly

1035

00:39:05,829 --> 00:39:03,839

uh so i

1036

00:39:07,670 --> 00:39:05,839

it's so many different races i got the

1037

00:39:09,589 --> 00:39:07,680

like the raccoon looking people they're

1038

00:39:11,430 --> 00:39:09,599

dark around the eyes

1039

00:39:13,750 --> 00:39:11,440

i got that's why that's the name i gave

1040

00:39:15,510 --> 00:39:13,760

them i got pictures of their children

1041

00:39:17,910 --> 00:39:15,520

i have pictures of them uh full grown

1042

00:39:18,710 --> 00:39:17,920

people uh i call them raccoon people and

1043

00:39:21,670 --> 00:39:18,720

they're

1044

00:39:23,190 --> 00:39:21,680

a lot like us too so but

1045

00:39:25,430 --> 00:39:23,200

they think they're better than us though

1046

00:39:27,349 --> 00:39:25,440

too at the same time but

1047

00:39:29,670 --> 00:39:27,359

and they might be i don't know so well

1048

00:39:31,589 --> 00:39:29,680

you're speaking speaking of animals and

1049

00:39:33,190 --> 00:39:31,599

maybe cryptids i got another one here

1050

00:39:35,430 --> 00:39:33,200

from higher ground says

1051
00:39:38,069 --> 00:39:35,440
that any of these visitors have kind of

1052
00:39:39,829 --> 00:39:38,079
resembled sasquatch

1053
00:39:40,630 --> 00:39:39,839
oh yeah they're they're they're with

1054
00:39:44,790 --> 00:39:40,640
them

1055
00:39:48,230 --> 00:39:44,800
working with these guys there's even

1056
00:39:49,430 --> 00:39:48,240
believe it or not there's even uh uh

1057
00:39:52,390 --> 00:39:49,440
uh

1058
00:39:53,829 --> 00:39:52,400
the guy with the one a cyclops

1059
00:39:57,349 --> 00:39:53,839
the guy with the one eye he looks like

1060
00:39:59,670 --> 00:39:57,359
that multiple man with one eye uh he's

1061
00:40:00,630 --> 00:39:59,680
he's like silver's gray color

1062
00:40:07,430 --> 00:40:00,640
uh

1063
00:40:09,510 --> 00:40:07,440

one of them but they exist they exist

1064

00:40:11,109 --> 00:40:09,520

and uh and yeah the bigfoots are with

1065

00:40:12,069 --> 00:40:11,119

them too they do jobs for them all the

1066

00:40:14,710 --> 00:40:12,079

time

1067

00:40:16,710 --> 00:40:14,720

uh well you know

1068

00:40:18,470 --> 00:40:16,720

i've had this theory for a long time

1069

00:40:19,430 --> 00:40:18,480

that

1070

00:40:21,589 --> 00:40:19,440

uh

1071

00:40:23,990 --> 00:40:21,599

that i believe that most cryptids are

1072

00:40:27,510 --> 00:40:24,000

ultra-terrestrial as well that they

1073

00:40:29,589 --> 00:40:27,520

reside on a linear dimension

1074

00:40:31,510 --> 00:40:29,599

uh with a lot of these unknown speech

1075

00:40:32,950 --> 00:40:31,520

and not necessarily extraterrestrials

1076

00:40:34,950 --> 00:40:32,960

but i think there are a lot of humanoid

1077

00:40:37,430 --> 00:40:34,960

species and other beings

1078

00:40:40,550 --> 00:40:37,440

that reside together and i think yeah i

1079

00:40:43,510 --> 00:40:40,560

think i think there's a lot to that

1080

00:40:45,030 --> 00:40:43,520

there is yes there is a and and what

1081

00:40:47,109 --> 00:40:45,040

makes us different from everybody else

1082

00:40:49,349 --> 00:40:47,119

why are they kept away from us

1083

00:40:50,870 --> 00:40:49,359

that is the main question why are we

1084

00:40:52,470 --> 00:40:50,880

separate from them

1085

00:40:53,430 --> 00:40:52,480

uh

1086

00:40:55,750 --> 00:40:53,440

what

1087

00:40:57,750 --> 00:40:55,760

because god knew that we would be

1088

00:41:00,390 --> 00:40:57,760

everybody be jealous of us or

1089

00:41:03,430 --> 00:41:00,400

what i mean i'd like to know that reason

1090

00:41:05,109 --> 00:41:03,440

why why we have the veil over our eyes

1091

00:41:06,950 --> 00:41:05,119

that we don't see them but they know all

1092

00:41:10,309 --> 00:41:06,960

about us

1093

00:41:13,190 --> 00:41:10,319

uh that's what blows my mind

1094

00:41:14,870 --> 00:41:13,200

uh peace wants to know and that she just

1095

00:41:17,190 --> 00:41:14,880

they just got here but she wanted to

1096

00:41:19,670 --> 00:41:17,200

know why did a reptilian

1097

00:41:21,510 --> 00:41:19,680

crouch by her bed

1098

00:41:22,470 --> 00:41:21,520

then spitting her mouth

1099

00:41:25,910 --> 00:41:22,480

when

1100

00:41:28,150 --> 00:41:25,920

uh she turned and looked at it

1101

00:41:32,550 --> 00:41:28,160

i have heard that before have you ever

1102

00:41:40,390 --> 00:41:34,309

yeah i've heard it looked on my chest

1103

00:41:44,950 --> 00:41:42,069

rule i don't know why they drool maybe

1104

00:41:48,069 --> 00:41:44,960

that uh

1105

00:41:49,910 --> 00:41:48,079

maybe sharing dna or or or maybe their

1106

00:41:51,829 --> 00:41:49,920

their germs or whatever

1107

00:41:53,510 --> 00:41:51,839

i have no idea why they do that it's got

1108

00:41:55,510 --> 00:41:53,520

to be some kind of customer or something

1109

00:41:57,030 --> 00:41:55,520

uh

1110

00:41:59,109 --> 00:41:57,040

or something like i'll be back for you

1111

00:42:01,270 --> 00:41:59,119

or something i don't know

1112

00:42:03,030 --> 00:42:01,280

i had you know i've had experiences tell

1113

00:42:05,670 --> 00:42:03,040

me that before

1114

00:42:07,910 --> 00:42:05,680

uh that that's happened to them and you

1115

00:42:09,750 --> 00:42:07,920

know i didn't really think much about it

1116

00:42:13,030 --> 00:42:09,760

it's interesting that they asked me this

1117

00:42:14,470 --> 00:42:13,040

to ask you this because yeah i i have

1118

00:42:16,390 --> 00:42:14,480

heard that

1119

00:42:17,990 --> 00:42:16,400

me too me too that sure has it's not the

1120

00:42:18,790 --> 00:42:18,000

first time good

1121

00:42:22,150 --> 00:42:18,800

good

1122

00:42:23,349 --> 00:42:22,160

is thanks for sharing that because uh

1123

00:42:25,510 --> 00:42:23,359

you're not the first person and that

1124

00:42:28,309 --> 00:42:25,520

just kind of confirms it for me too

1125

00:42:28,319 --> 00:42:32,230

um

1126

00:42:37,109 --> 00:42:34,710

nancy wants to know if these beans would

1127

00:42:39,670 --> 00:42:37,119

allow you to list the types that pass

1128

00:42:43,190 --> 00:42:39,680

through your home

1129

00:42:45,109 --> 00:42:43,200

uh they like they don't don't i i can

1130

00:42:45,990 --> 00:42:45,119

only list them and show pictures of them

1131

00:42:47,190 --> 00:42:46,000

uh

1132

00:42:48,710 --> 00:42:47,200

yeah and

1133

00:42:51,990 --> 00:42:48,720

i they don't they're not going to tell

1134

00:42:52,950 --> 00:42:52,000

me where they live or how to get there

1135

00:42:54,309 --> 00:42:52,960

or anything like that because they're

1136

00:42:55,990 --> 00:42:54,319

not going to give away the location

1137

00:42:57,190 --> 00:42:56,000

because that we could send a bomb there

1138

00:42:59,430 --> 00:42:57,200

and they got to protect their own

1139

00:43:01,510 --> 00:42:59,440

species and their uh they could care

1140

00:43:04,390 --> 00:43:01,520

less if i know their uh

1141

00:43:05,510 --> 00:43:04,400

their species or age or like that and i

1142

00:43:07,510 --> 00:43:05,520

don't know how these other people get

1143

00:43:08,950 --> 00:43:07,520

some of this stuff information or

1144

00:43:10,309 --> 00:43:08,960

they're here to save our planet and

1145

00:43:15,190 --> 00:43:10,319

everything else i

1146

00:43:19,510 --> 00:43:17,349

yeah that's the they're pulling the leg

1147

00:43:21,670 --> 00:43:19,520

or something because i i'm they've never

1148

00:43:22,950 --> 00:43:21,680

they don't care they don't care they

1149

00:43:24,309 --> 00:43:22,960

really don't care

1150

00:43:26,230 --> 00:43:24,319

but i mean they don't want to destroy

1151

00:43:29,349 --> 00:43:26,240

this world but they really just don't

1152

00:43:30,630 --> 00:43:29,359

care about what we do it's like

1153

00:43:31,910 --> 00:43:30,640

uh

1154

00:43:34,790 --> 00:43:31,920

well you know

1155

00:43:37,030 --> 00:43:34,800

when you and i first met you know

1156

00:43:38,390 --> 00:43:37,040

that's pretty well what you told me i

1157

00:43:40,790 --> 00:43:38,400

mean that

1158

00:43:44,390 --> 00:43:40,800

uh there are limits as to what i can

1159

00:43:45,750 --> 00:43:44,400

know and um i i respected that and i

1160

00:43:48,950 --> 00:43:45,760

knew that

1161

00:43:50,950 --> 00:43:48,960

and uh but i i think i i mean i was

1162

00:43:55,670 --> 00:43:50,960

privileged enough to find you and to be

1163

00:43:57,990 --> 00:43:55,680

able to to get involved with that um

1164

00:44:00,470 --> 00:43:58,000

thank god i've never had any

1165

00:44:01,510 --> 00:44:00,480

problems with uh

1166

00:44:03,109 --> 00:44:01,520

uh

1167

00:44:05,109 --> 00:44:03,119

i guess i haven't

1168

00:44:07,589 --> 00:44:05,119

pissed them off at any point

1169

00:44:09,589 --> 00:44:07,599

because i haven't been attacked

1170

00:44:12,069 --> 00:44:09,599

but uh no i've never really had a

1171

00:44:14,550 --> 00:44:12,079

problem though i did have the um though

1172

00:44:16,790 --> 00:44:14,560

i did have the uh encounters and the

1173

00:44:18,870 --> 00:44:16,800

abduction at one point

1174

00:44:20,630 --> 00:44:18,880

um so

1175

00:44:22,870 --> 00:44:20,640

well

1176

00:44:23,589 --> 00:44:22,880

you suck your neck out long and hard for

1177

00:44:27,349 --> 00:44:23,599

this

1178

00:44:29,910 --> 00:44:27,359

taking uh you're taking a beating under

1179

00:44:31,190 --> 00:44:29,920

my name of uh putting this stuff out

1180

00:44:32,950 --> 00:44:31,200

there yeah

1181

00:44:35,270 --> 00:44:32,960

i mean people just are brutal out there

1182

00:44:37,030 --> 00:44:35,280

on the internet and uh you stuck with it

1183

00:44:39,510 --> 00:44:37,040

and everything so and and it's it's

1184

00:44:40,630 --> 00:44:39,520

evolved it's taken on its own thing

1185

00:44:42,870 --> 00:44:40,640

and uh

1186

00:44:44,790 --> 00:44:42,880

and yeah i i

1187

00:44:46,150 --> 00:44:44,800

i appreciate that you sticking your neck

1188

00:44:48,470 --> 00:44:46,160

out for me and you posting the stuff

1189

00:44:50,390 --> 00:44:48,480

that you posted and people just like

1190

00:44:52,630 --> 00:44:50,400

they it's too fantastic to be real

1191

00:44:54,069 --> 00:44:52,640

because what they've been conditioned to

1192

00:44:56,309 --> 00:44:54,079

hear before

1193

00:44:57,670 --> 00:44:56,319

me coming along and saying my story yeah

1194

00:44:59,510 --> 00:44:57,680

and i wasn't

1195

00:45:02,550 --> 00:44:59,520

contaminated what everybody else was

1196

00:45:06,950 --> 00:45:02,560

saying at first until so later on when i

1197

00:45:10,550 --> 00:45:08,630

just like us and people don't like that

1198

00:45:12,309 --> 00:45:10,560

that idea i guess

1199

00:45:13,829 --> 00:45:12,319

well it's been a journey i'll agree with

1200

00:45:15,910 --> 00:45:13,839

that i mean it's been an interesting

1201

00:45:17,030 --> 00:45:15,920

journey and uh i've learned a lot and i

1202

00:45:19,270 --> 00:45:17,040

appreciate

1203

00:45:22,950 --> 00:45:19,280

you for being doing that and

1204

00:45:26,230 --> 00:45:22,960

allowing me to be a part of this and uh

1205

00:45:28,950 --> 00:45:26,240

yeah i mean it's um

1206

00:45:31,109 --> 00:45:28,960

i'm just glad that it no we you know

1207

00:45:33,030 --> 00:45:31,119

i'll be honest with you i i did have

1208

00:45:34,470 --> 00:45:33,040

some pushback of course and of course

1209

00:45:37,270 --> 00:45:34,480

you have as well

1210

00:45:39,430 --> 00:45:37,280

but i think as time has gone on and as

1211

00:45:41,190 --> 00:45:39,440

things have happened people realized

1212

00:45:43,030 --> 00:45:41,200

more and more that have

1213

00:45:45,190 --> 00:45:43,040

come out and that

1214

00:45:47,030 --> 00:45:45,200

you know your story's true i mean you

1215

00:45:49,430 --> 00:45:47,040

really went through i are going through

1216

00:45:51,349 --> 00:45:49,440

all this

1217

00:45:53,829 --> 00:45:51,359

yeah oh yeah yeah the whole family done

1218

00:45:56,390 --> 00:45:53,839

it it's depended on our family

1219

00:45:58,069 --> 00:45:56,400

and yeah but uh we're all we all still

1220

00:46:00,950 --> 00:45:58,079

did with each other but uh

1221

00:46:01,829 --> 00:46:00,960

it would it it's just

1222

00:46:04,470 --> 00:46:01,839

wow

1223

00:46:06,550 --> 00:46:04,480

yeah it the kids want that picture that

1224

00:46:09,109 --> 00:46:06,560

picture it's up there now that's a

1225

00:46:10,790 --> 00:46:09,119

transport opening yeah that's like like

1226

00:46:12,069 --> 00:46:10,800

you see on star trek

1227

00:46:17,030 --> 00:46:12,079

yeah

1228

00:46:18,950 --> 00:46:17,040

watching that was going on it's a

1229

00:46:20,470 --> 00:46:18,960

was just like star trek

1230

00:46:22,950 --> 00:46:20,480

and uh

1231

00:46:25,430 --> 00:46:22,960

let's see it uh

1232

00:46:27,670 --> 00:46:25,440

um i got another question oh and peace

1233

00:46:28,870 --> 00:46:27,680

thanks to peace for the donation always

1234

00:46:31,990 --> 00:46:28,880

appreciated

1235

00:46:35,349 --> 00:46:32,000

uh nancy wants to know uh so we don't

1236

00:46:37,349 --> 00:46:35,359

interbreed and become one race

1237

00:46:38,870 --> 00:46:37,359

uh

1238

00:46:39,750 --> 00:46:38,880

you know that's an interesting question

1239

00:46:42,470 --> 00:46:39,760

you know

1240

00:46:44,790 --> 00:46:42,480

we always hear a lot about this uh

1241

00:46:48,069 --> 00:46:44,800

these hybrid programs and that they

1242

00:46:51,270 --> 00:46:48,079

tried to interbreed with humans and such

1243

00:46:52,950 --> 00:46:51,280

uh i i think they made to an extent uh i

1244

00:46:54,950 --> 00:46:52,960

don't know how you feel about that david

1245

00:46:56,950 --> 00:46:54,960

but um

1246

00:46:58,870 --> 00:46:56,960

uh

1247

00:47:01,510 --> 00:46:58,880

i i don't you know

1248

00:47:04,710 --> 00:47:01,520

i think there there may be an agenda for

1249

00:47:06,950 --> 00:47:04,720

some type of singularity at some point

1250

00:47:08,829 --> 00:47:06,960

but uh and of course they have an agenda

1251

00:47:13,190 --> 00:47:08,839

we know that they have some type of

1252

00:47:15,270 --> 00:47:13,200

agenda so uh but i think the agenda is

1253

00:47:17,829 --> 00:47:15,280

probably less

1254

00:47:20,470 --> 00:47:17,839

innocuous as as opposed to what some

1255

00:47:22,549 --> 00:47:20,480

people think that they're trying to

1256

00:47:26,150 --> 00:47:22,559

destroy humans i think they're basically

1257

00:47:28,549 --> 00:47:26,160

trying to get answers for the most part

1258

00:47:29,829 --> 00:47:28,559

yeah that will never be eradicated all

1259

00:47:32,870 --> 00:47:29,839

together we'll never go completely

1260

00:47:34,950 --> 00:47:32,880

distinct uh i think but uh

1261

00:47:38,230 --> 00:47:34,960

they there's so many of us on the other

1262

00:47:41,670 --> 00:47:38,240

side at the same time

1263

00:47:43,589 --> 00:47:41,680

and then the breeding programs uh

1264

00:47:45,670 --> 00:47:43,599

they do really good at making these

1265

00:47:48,230 --> 00:47:45,680

children i mean some of them are just

1266

00:47:49,990 --> 00:47:48,240

fantastic and they uh any of them is

1267

00:47:53,190 --> 00:47:50,000

defective they they take care of that

1268

00:47:54,790 --> 00:47:53,200

too which is kind of sad

1269

00:47:57,829 --> 00:47:54,800

well you went through that i mean

1270

00:48:02,549 --> 00:47:57,839

basically you know we're all compatible

1271

00:48:02,559 --> 00:48:05,589

entertaining

1272

00:48:09,190 --> 00:48:07,829

they do they that's important to them

1273

00:48:12,390 --> 00:48:09,200

and uh

1274

00:48:14,390 --> 00:48:12,400

and and so i'm surprised that more uh

1275

00:48:16,150 --> 00:48:14,400

hollywood stars and stuff like that that

1276

00:48:17,910 --> 00:48:16,160

they're not abducted and so they might

1277

00:48:19,349 --> 00:48:17,920

be not saying anything about it because

1278

00:48:22,309 --> 00:48:19,359

you know where this goes when you start

1279

00:48:25,190 --> 00:48:22,319

talking about that kind of stuff yeah

1280

00:48:27,589 --> 00:48:25,200

so so they might be getting abducted a

1281

00:48:29,030 --> 00:48:27,599

lot and just not saying anything

1282

00:48:30,790 --> 00:48:29,040

but yeah they

1283

00:48:33,190 --> 00:48:30,800

i don't you know the reptilians they

1284

00:48:35,349 --> 00:48:33,200

hold their status in life by their dna

1285

00:48:37,109 --> 00:48:35,359

and where the dna came from they're very

1286

00:48:38,790 --> 00:48:37,119

proud of that fact and they state that

1287

00:48:40,150 --> 00:48:38,800

when they uh

1288

00:48:41,750 --> 00:48:40,160

when they talk to each other you know i

1289

00:48:45,750 --> 00:48:41,760

was like i'm so-and-so from the second

1290

00:48:47,750 --> 00:48:45,760

clan of the tribal uh my grandfather or

1291

00:48:49,349 --> 00:48:47,760

something like that in it and they're

1292

00:48:50,710 --> 00:48:49,359

proud of what their dna is so i don't

1293

00:48:53,270 --> 00:48:50,720

think they're going to be mixing too

1294

00:48:56,470 --> 00:48:53,280

much of their dna with ours because

1295

00:48:58,470 --> 00:48:56,480

they're very proud of who they are but

1296

00:49:01,109 --> 00:48:58,480

i i think i think

1297

00:49:02,549 --> 00:49:01,119

you know from the information that i've

1298

00:49:05,670 --> 00:49:02,559

gotten from you and from other

1299

00:49:09,109 --> 00:49:05,680

experiencers i think

1300

00:49:10,870 --> 00:49:09,119

i think the hybridization programs that

1301
00:49:12,309 --> 00:49:10,880
they use are

1302
00:49:13,430 --> 00:49:12,319
more

1303
00:49:19,990 --> 00:49:13,440
human

1304
00:49:22,630 --> 00:49:20,000
as opposed to more aliens

1305
00:49:26,630 --> 00:49:25,670
hybridization i i think it's um

1306
00:49:27,430 --> 00:49:26,640
uh

1307
00:49:31,670 --> 00:49:27,440
that

1308
00:49:34,950 --> 00:49:31,680
it's always usually some type of um

1309
00:49:37,430 --> 00:49:34,960
being that is more human than alien that

1310
00:49:39,270 --> 00:49:37,440
is is trying to breed with a human or

1311
00:49:42,710 --> 00:49:39,280
however they do it

1312
00:49:45,030 --> 00:49:42,720
uh are they trying to do had to refine

1313
00:49:47,109 --> 00:49:45,040

the the species or the hybrid i don't

1314

00:49:48,710 --> 00:49:47,119

know but it seems to me that's what i

1315

00:49:50,630 --> 00:49:48,720

hear a lot of

1316

00:49:52,630 --> 00:49:50,640

they breed them for specific jobs and

1317

00:49:55,349 --> 00:49:52,640

stuff uh you know

1318

00:49:57,349 --> 00:49:55,359

so so what if you need a uh

1319

00:49:59,349 --> 00:49:57,359

if you need a worker that's gonna shovel

1320

00:50:02,069 --> 00:49:59,359

mud or you need somebody to go down and

1321

00:50:04,230 --> 00:50:02,079

mine certain minerals that that can

1322

00:50:05,670 --> 00:50:04,240

handle it better than other species

1323

00:50:08,309 --> 00:50:05,680

they're going to do it they don't make

1324

00:50:10,230 --> 00:50:08,319

machines like we make them they they

1325

00:50:11,910 --> 00:50:10,240

grow somebody that can handle the job

1326

00:50:14,230 --> 00:50:11,920

and it takes a million of them to do

1327

00:50:15,990 --> 00:50:14,240

then that's what the order is to make a

1328

00:50:17,750 --> 00:50:16,000

million you know uh and then when you're

1329

00:50:19,589 --> 00:50:17,760

done you're pushing up daisies instead

1330

00:50:21,430 --> 00:50:19,599

of rusting the oil everywhere and you

1331

00:50:23,750 --> 00:50:21,440

know

1332

00:50:25,030 --> 00:50:23,760

but that's how they that's how they fly

1333

00:50:26,950 --> 00:50:25,040

so

1334

00:50:28,870 --> 00:50:26,960

uh james got a question do the

1335

00:50:32,230 --> 00:50:28,880

reptilians feed on chemicals that our

1336

00:50:33,990 --> 00:50:32,240

bodies make uh when afraid

1337

00:50:35,270 --> 00:50:34,000

or spinal fluid

1338

00:50:36,950 --> 00:50:35,280

uh

1339

00:50:39,670 --> 00:50:36,960

do they what do they what do they

1340

00:50:41,349 --> 00:50:39,680

actually feed on david i i think i think

1341

00:50:43,750 --> 00:50:41,359

yeah they can get the endorphins out of

1342

00:50:45,430 --> 00:50:43,760

the blood uh and on top of that if

1343

00:50:48,069 --> 00:50:45,440

they're eating children it actually can

1344

00:50:52,150 --> 00:50:48,079

reverse their aging um

1345

00:50:53,589 --> 00:50:52,160

and uh plus the babies are a delicacy uh

1346

00:50:55,109 --> 00:50:53,599

but

1347

00:50:58,630 --> 00:50:55,119

yeah i think they do it for several

1348

00:51:00,870 --> 00:50:58,640

reasons uh maybe to make god mad or they

1349

00:51:01,910 --> 00:51:00,880

actually really like the way we taste or

1350

00:51:03,829 --> 00:51:01,920

uh

1351
00:51:04,870 --> 00:51:03,839
there's several different reasons or or

1352
00:51:09,030 --> 00:51:04,880
with cheap

1353
00:51:11,030 --> 00:51:09,040
uh food you know i was like yeah

1354
00:51:12,150 --> 00:51:11,040
it's like these guys are

1355
00:51:13,670 --> 00:51:12,160
they're crazy i mean they'll pull

1356
00:51:15,829 --> 00:51:13,680
somebody online and eat them right in

1357
00:51:16,630 --> 00:51:15,839
front of everybody that do great fear i

1358
00:51:19,109 --> 00:51:16,640
guess

1359
00:51:20,710 --> 00:51:19,119
i i remember you telling you about

1360
00:51:24,630 --> 00:51:20,720
somebody you showed me some of these

1361
00:51:26,069 --> 00:51:24,640
beings that they feed

1362
00:51:29,589 --> 00:51:26,079
that guy right there's the money guy

1363
00:51:31,349 --> 00:51:29,599

he's he's he's he uh his money pays for

1364

00:51:33,670 --> 00:51:31,359

all the operations here at my house this

1365

00:51:35,349 --> 00:51:33,680

guy oh that bro

1366

00:51:37,190 --> 00:51:35,359

yeah that being right there he he was

1367

00:51:39,349 --> 00:51:37,200

actually looking for his cat because i

1368

00:51:41,190 --> 00:51:39,359

have a cat here at the house at the time

1369

00:51:43,270 --> 00:51:41,200

and he had four cats and one of them was

1370

00:51:44,950 --> 00:51:43,280

missing and he thought maybe he lost one

1371

00:51:47,030 --> 00:51:44,960

here

1372

00:51:48,470 --> 00:51:47,040

scratching his head yeah the original

1373

00:51:50,470 --> 00:51:48,480

picture is way clearer than that it's

1374

00:51:52,950 --> 00:51:50,480

just it's a beautiful picture that one's

1375

00:51:54,870 --> 00:51:52,960

kind of fuzzy on my computer that is but

1376

00:51:56,150 --> 00:51:54,880

yeah he's the money man they call it

1377

00:51:59,109 --> 00:51:56,160

capital they don't call it money they

1378

00:52:00,470 --> 00:51:59,119

call it capital but right yeah

1379

00:52:01,910 --> 00:52:00,480

yeah

1380

00:52:03,270 --> 00:52:01,920

he's all dressed in white and he's just

1381

00:52:05,190 --> 00:52:03,280

sitting in a chair actually and the

1382

00:52:08,069 --> 00:52:05,200

portal opens up right there right above

1383

00:52:10,549 --> 00:52:08,079

my dresser and i'm like holy crap

1384

00:52:13,990 --> 00:52:10,559

but yeah

1385

00:52:16,390 --> 00:52:14,000

nothing dull around here but

1386

00:52:18,069 --> 00:52:16,400

yeah well i know that i mean i've had

1387

00:52:19,190 --> 00:52:18,079

you tell me that you've come home from

1388

00:52:21,109 --> 00:52:19,200

work and you

1389

00:52:22,870 --> 00:52:21,119

you see them in there messing around and

1390

00:52:25,190 --> 00:52:22,880

doing stuff and stealing stuff and

1391

00:52:29,109 --> 00:52:25,200

bringing it back and forth and this

1392

00:52:32,390 --> 00:52:29,119

yeah yeah it's interesting

1393

00:52:35,270 --> 00:52:32,400

uh maury laurie gaddy asked have you

1394

00:52:37,990 --> 00:52:35,280

ever experienced angels

1395

00:52:40,230 --> 00:52:38,000

or what you believe are angels

1396

00:52:42,549 --> 00:52:40,240

i don't know i

1397

00:52:43,750 --> 00:52:42,559

i'm i'm a i'm my own skeptic on

1398

00:52:47,510 --> 00:52:43,760

everything so

1399

00:52:49,190 --> 00:52:47,520

i mean i experi i experienced uh

1400

00:52:50,950 --> 00:52:49,200

beings that are like

1401

00:52:57,589 --> 00:52:50,960

light beans and i've

1402

00:53:02,790 --> 00:53:00,309

and biographies so and the reptilians

1403

00:53:05,589 --> 00:53:02,800

are angels they they come from god uh

1404

00:53:07,990 --> 00:53:05,599

we're all part of god's plan but uh

1405

00:53:11,030 --> 00:53:08,000

so i guess we're all kind of angels in

1406

00:53:12,710 --> 00:53:11,040

one aspect but now that that you would

1407

00:53:14,630 --> 00:53:12,720

see that would come down and

1408

00:53:16,150 --> 00:53:14,640

and uh watch over your child or give it

1409

00:53:18,069 --> 00:53:16,160

a blessing or whatever you know like you

1410

00:53:19,750 --> 00:53:18,079

see in these pictures and stuff

1411

00:53:21,349 --> 00:53:19,760

no i'm not seeing anything like that but

1412

00:53:25,270 --> 00:53:21,359

i have seen light beings that would look

1413

00:53:29,190 --> 00:53:27,670

that would yeah i got to convince myself

1414

00:53:30,309 --> 00:53:29,200

of what they are

1415

00:53:32,630 --> 00:53:30,319

you know i was like because i don't have

1416

00:53:35,430 --> 00:53:32,640

a name for them or anything like that i

1417

00:53:39,190 --> 00:53:35,440

just give them nicknames myself but

1418

00:53:44,710 --> 00:53:41,510

uh peace wants to know does this stuff

1419

00:53:46,069 --> 00:53:44,720

ever overwhelm you

1420

00:53:48,069 --> 00:53:46,079

uh

1421

00:53:49,589 --> 00:53:48,079

and then she said

1422

00:53:51,349 --> 00:53:49,599

it would them

1423

00:53:53,750 --> 00:53:51,359

uh yeah

1424

00:53:56,870 --> 00:53:53,760

i will say this i've known david for all

1425

00:53:59,190 --> 00:53:56,880

these years almost a dozen years uh i

1426
00:54:01,829 --> 00:53:59,200
don't know how he puts up with it but i

1427
00:54:03,910 --> 00:54:01,839
i know sometimes that you have been

1428
00:54:05,670 --> 00:54:03,920
a bit flustered with them and

1429
00:54:06,870 --> 00:54:05,680
you've gotten upset with them at some

1430
00:54:08,950 --> 00:54:06,880
points

1431
00:54:10,870 --> 00:54:08,960
and um

1432
00:54:12,710 --> 00:54:10,880
yeah

1433
00:54:15,589 --> 00:54:12,720
i mean i don't want to answer that for

1434
00:54:17,349 --> 00:54:15,599
you but i know you have been well

1435
00:54:20,710 --> 00:54:17,359
yeah i i've had a decent night's sleep

1436
00:54:23,190 --> 00:54:20,720
in 20 years folks 20 years maybe two

1437
00:54:25,109 --> 00:54:23,200
nights two hours a night and it's and

1438
00:54:26,710 --> 00:54:25,119

it's uh just because i can't take it

1439

00:54:28,470 --> 00:54:26,720

anymore because i don't know what

1440

00:54:29,990 --> 00:54:28,480

they're gonna do i mean just when they

1441

00:54:31,030 --> 00:54:30,000

take you out of the house you know it's

1442

00:54:32,870 --> 00:54:31,040

happening

1443

00:54:34,470 --> 00:54:32,880

and your heart's thumping you know it's

1444

00:54:35,990 --> 00:54:34,480

like and you know you're traveling with

1445

00:54:37,829 --> 00:54:36,000

them and you don't know if you're coming

1446

00:54:39,430 --> 00:54:37,839

back you just don't know if you're

1447

00:54:41,510 --> 00:54:39,440

coming back or not

1448

00:54:43,829 --> 00:54:41,520

well you've told me that you've told me

1449

00:54:46,150 --> 00:54:43,839

that you just don't know you just

1450

00:54:48,789 --> 00:54:46,160

believe and i think you do believe

1451

00:54:50,950 --> 00:54:48,799

that one day they're gonna take you and

1452

00:54:53,270 --> 00:54:50,960

that's gonna be it

1453

00:54:55,270 --> 00:54:53,280

right yeah that's it's gonna be it

1454

00:54:57,349 --> 00:54:55,280

that's what i believe it's gonna happen

1455

00:54:59,670 --> 00:54:57,359

but uh and to be done with me you know i

1456

00:55:00,870 --> 00:54:59,680

was like when they're done with me is uh

1457

00:55:03,990 --> 00:55:00,880

what is it i don't know what's gonna

1458

00:55:06,789 --> 00:55:04,000

happen but uh they said i will find out

1459

00:55:09,140 --> 00:55:06,799

i will find out

1460

00:55:12,390 --> 00:55:09,150

but uh [h__\h]

1461

00:55:15,670 --> 00:55:12,400

[Laughter]

1462

00:55:17,510 --> 00:55:15,680

and i just never i know zero privacy i

1463

00:55:19,270 --> 00:55:17,520

can't i can't have a date over without

1464

00:55:21,430 --> 00:55:19,280

them screwing with my date you know it's

1465

00:55:23,829 --> 00:55:21,440

like uh is that right

1466

00:55:26,230 --> 00:55:23,839

yeah it's just like it's incredible i

1467

00:55:29,030 --> 00:55:26,240

mean and you know what i find that women

1468

00:55:31,030 --> 00:55:29,040

can handle this better than guys i don't

1469

00:55:33,109 --> 00:55:31,040

know why that is women kind of take it

1470

00:55:36,069 --> 00:55:33,119

for what it is and they're cool with it

1471

00:55:38,309 --> 00:55:36,079

i mean they don't exactly like it but

1472

00:55:40,710 --> 00:55:38,319

but uh guys they just like they start

1473

00:55:42,549 --> 00:55:40,720

bouncing around like mexican jumping

1474

00:55:44,069 --> 00:55:42,559

beans and stuff there's like

1475

00:55:45,829 --> 00:55:44,079

even skeptics they come over and said

1476

00:55:47,589 --> 00:55:45,839

dave i want to see this i want to see it

1477

00:55:48,789 --> 00:55:47,599

okay i'll put you on it

1478

00:55:51,109 --> 00:55:48,799

and uh

1479

00:55:51,990 --> 00:55:51,119

they leave here a different person every

1480

00:55:53,430 --> 00:55:52,000

time

1481

00:55:55,750 --> 00:55:53,440

uh um

1482

00:55:58,390 --> 00:55:55,760

nancy wants to know has the interaction

1483

00:56:04,390 --> 00:55:58,400

with you slowed down since the film crew

1484

00:56:04,400 --> 00:56:07,589

our video shows

1485

00:56:14,230 --> 00:56:09,829

our radio shows always end up like

1486

00:56:16,390 --> 00:56:14,240

in and out i i don't know what

1487

00:56:17,270 --> 00:56:16,400

why that is i don't know

1488

00:56:19,589 --> 00:56:17,280

um

1489

00:56:21,270 --> 00:56:19,599

uh no has uh

1490

00:56:23,589 --> 00:56:21,280

have have the interaction between you

1491

00:56:25,990 --> 00:56:23,599

and the beings slowed down since you

1492

00:56:28,390 --> 00:56:26,000

started working with uh with the film

1493

00:56:34,069 --> 00:56:30,630

it actually picked up you know

1494

00:56:37,990 --> 00:56:35,990

then uh but when the last seems to get

1495

00:56:42,230 --> 00:56:38,000

adjusted it's it's slowed down but it's

1496

00:56:45,030 --> 00:56:44,069

well i tell you what

1497

00:56:47,270 --> 00:56:45,040

we're starting to get a little

1498

00:56:48,710 --> 00:56:47,280

interruption here so we're about that

1499

00:56:49,510 --> 00:56:48,720

time anyway

1500

00:56:51,670 --> 00:56:49,520

so

1501
00:56:53,349 --> 00:56:51,680
you know david i want to i want to thank

1502
00:56:55,109 --> 00:56:53,359
you again for coming on it's always a

1503
00:56:57,589 --> 00:56:55,119
pleasure having you on

1504
00:57:00,549 --> 00:56:57,599
i know everybody likes to like to hear

1505
00:57:01,829 --> 00:57:00,559
you talk about your experiences and such

1506
00:57:03,510 --> 00:57:01,839
and um

1507
00:57:05,910 --> 00:57:03,520
i think what we're going to do is get

1508
00:57:07,030 --> 00:57:05,920
you on a round tables at some point as

1509
00:57:09,030 --> 00:57:07,040
well

1510
00:57:11,829 --> 00:57:09,040
with uh you know

1511
00:57:15,109 --> 00:57:11,839
when we have the next uh

1512
00:57:17,829 --> 00:57:15,119
alien or extraterrestrial roundtable

1513
00:57:20,150 --> 00:57:17,839

and uh you know see how you interact

1514

00:57:21,829 --> 00:57:20,160

with some other individuals and

1515

00:57:23,990 --> 00:57:21,839

it might be an interesting might be an

1516

00:57:26,390 --> 00:57:24,000

interesting discussion

1517

00:57:28,710 --> 00:57:26,400

absolutely that would be great that

1518

00:57:29,430 --> 00:57:28,720

would be great i would uh love to do

1519

00:57:31,910 --> 00:57:29,440

that

1520

00:57:33,990 --> 00:57:31,920

um maybe you get uh uh what's your name

1521

00:57:36,710 --> 00:57:34,000

on it it's a

1522

00:57:38,230 --> 00:57:36,720

uh you know a mutual friend there

1523

00:57:41,829 --> 00:57:38,240

yeah

1524

00:57:44,549 --> 00:57:41,839

and uh

1525

00:57:46,789 --> 00:57:44,559

that that would be good and um

1526

00:57:50,150 --> 00:57:46,799

yeah yeah that'd be awesome i would love

1527

00:57:56,950 --> 00:57:53,510

you know everybody goes to my tic toc uh

1528

00:57:57,990 --> 00:57:56,960

eckhart david two number two that is

1529

00:58:00,150 --> 00:57:58,000

um

1530

00:58:01,990 --> 00:58:00,160

and i got a bunch more videos i posted

1531

00:58:03,430 --> 00:58:02,000

on there and i try to explain everything

1532

00:58:05,109 --> 00:58:03,440

as fast as i can i'm always in a hurry

1533

00:58:07,270 --> 00:58:05,119

when i'm posting this stuff

1534

00:58:10,630 --> 00:58:07,280

so but i try to get it out there as fast

1535

00:58:13,109 --> 00:58:10,640

as i can and i got 10 000 photos

1536

00:58:17,829 --> 00:58:13,119

they just keep coming and

1537

00:58:23,109 --> 00:58:21,030

well i i i'll assure everybody that when

1538

00:58:25,190 --> 00:58:23,119

anything comes up or anything new comes

1539

00:58:26,069 --> 00:58:25,200

up with you i will post it on the blog

1540

00:58:32,230 --> 00:58:26,079

and

1541

00:58:34,230 --> 00:58:32,240

with it so

1542

00:58:36,870 --> 00:58:34,240

david you have a good weekend and i'll

1543

00:58:39,750 --> 00:58:36,880

be talking to you very soon okay

1544

00:58:42,549 --> 00:58:39,760

yeah absolutely thanks take it easy

1545

00:58:44,549 --> 00:58:42,559

okay vince too

1546

00:58:47,670 --> 00:58:44,559

okay you take care now

1547

00:58:52,150 --> 00:58:49,910

now if you have an unexplained encounter

1548

00:58:53,910 --> 00:58:52,160

or sighting feel free to contact me

1549

00:58:56,150 --> 00:58:53,920

directly at lawn strickler

1550

00:58:58,470 --> 00:58:56,160

phantomsomemonsters.com

1551
00:59:00,069 --> 00:58:58,480
or through the phantoms of monsters blog

1552
00:59:01,990 --> 00:59:00,079
site

1553
00:59:03,750 --> 00:59:02,000
also if you

1554
00:59:06,309 --> 00:59:03,760
you know would like your encounter

1555
00:59:07,589 --> 00:59:06,319
citing red on the show please forward to

1556
00:59:11,030 --> 00:59:07,599
my email

1557
00:59:13,270 --> 00:59:11,040
um i may even post on the blog

1558
00:59:15,109 --> 00:59:13,280
again i want to thank david eckhart for

1559
00:59:17,109 --> 00:59:15,119
joining me this evening

1560
00:59:18,870 --> 00:59:17,119
and thanks to each and all you for

1561
00:59:20,710 --> 00:59:18,880
watching and chatting if you made a

1562
00:59:22,069 --> 00:59:20,720
super chat donation it's truly

1563
00:59:23,910 --> 00:59:22,079

appreciated

1564

00:59:25,670 --> 00:59:23,920

your support is what makes this all

1565

00:59:27,510 --> 00:59:25,680

possible so please click the

1566

00:59:30,230 --> 00:59:27,520

subscription button

1567

00:59:31,670 --> 00:59:30,240

and also become a member of phantoms of

1568

00:59:33,670 --> 00:59:31,680

monsters radio

1569

00:59:35,990 --> 00:59:33,680

now next week

1570

00:59:37,990 --> 00:59:36,000

we will be hosting another round table

1571

00:59:39,750 --> 00:59:38,000

discussion and this time it's going to

1572

00:59:43,190 --> 00:59:39,760

be bigfoot

1573

00:59:44,710 --> 00:59:43,200

and joining me will be shane corson and

1574

00:59:46,950 --> 00:59:44,720

carter bouchard

1575

00:59:48,950 --> 00:59:46,960

and we will have another guest uh we're

1576

00:59:51,510 --> 00:59:48,960

working on that right now but it should

1577

00:59:54,390 --> 00:59:51,520

be a very interesting show

1578

01:00:05,900 --> 00:59:54,400

so until next week stay healthy and have
