

# PHANTOMS & MONSTERS

## PERSONAL REPORTS

**AGGRESSIVE  
RED-EYED  
CANINE  
& more  
eyewitness  
cryptid accounts**

**Wednesday,  
April 27th  
9PM ET/6PM PT**

1  
00:00:36,470 --> 00:00:17,190

[Music]

2  
00:01:21,350 --> 00:00:37,660

so

3  
00:01:26,630 --> 00:01:23,910

hey folks welcome to fans of monsters

4  
00:01:28,950 --> 00:01:26,640

personal reports

5  
00:01:31,670 --> 00:01:28,960

i'm going to narrate several reports

6  
00:01:34,789 --> 00:01:31,680

that have come my way over the years

7  
00:01:38,149 --> 00:01:34,799

and then allow the chat room to ask

8  
00:01:40,789 --> 00:01:38,159

questions after each report

9  
00:01:43,749 --> 00:01:40,799

so it if you're new to fans and monsters

10  
00:01:46,630 --> 00:01:43,759

radio uh please subscribe like our

11  
00:01:49,190 --> 00:01:46,640

content uh and super chat donations are

12  
00:01:51,030 --> 00:01:49,200

always appreciated and welcomed

13  
00:01:52,950 --> 00:01:51,040

uh so let's start off

14

00:01:56,630 --> 00:01:52,960

uh by the way if you if you do have

15

00:01:59,350 --> 00:01:56,640

questions please put them in caps and

16

00:02:00,310 --> 00:01:59,360

i'll try to get to them

17

00:02:02,149 --> 00:02:00,320

so

18

00:02:04,310 --> 00:02:02,159

first of all we have north east

19

00:02:05,990 --> 00:02:04,320

wisconsin family

20

00:02:08,070 --> 00:02:06,000

uh

21

00:02:11,510 --> 00:02:08,080

it started to be harassed by a large

22

00:02:13,110 --> 00:02:11,520

canine cryptid on two occasions it was

23

00:02:15,270 --> 00:02:13,120

looked through the windows with its

24

00:02:18,309 --> 00:02:15,280

bright red eyes

25

00:02:21,510 --> 00:02:18,319

uh and this defeat the family soon moved

26

00:02:24,150 --> 00:02:21,520

after it bust through a window so

27

00:02:26,390 --> 00:02:24,160

let's go through this um

28

00:02:28,710 --> 00:02:26,400

the report was this was my first time

29

00:02:30,869 --> 00:02:28,720

going public about this encounter out of

30

00:02:32,710 --> 00:02:30,879

fear seeing it again

31

00:02:34,390 --> 00:02:32,720

and that happens a lot with with

32

00:02:37,110 --> 00:02:34,400

experiencers

33

00:02:39,190 --> 00:02:37,120

uh it took place roughly 14 years ago

34

00:02:41,509 --> 00:02:39,200

when i was a kid my family moved out of

35

00:02:42,869 --> 00:02:41,519

the city and moved to a small town near

36

00:02:45,430 --> 00:02:42,879

deer brook

37

00:02:48,070 --> 00:02:45,440

wisconsin situated in the outskirts of

38

00:02:50,229 --> 00:02:48,080

antigo

39

00:02:52,229 --> 00:02:50,239

our house was surrounded by woods on

40

00:02:54,550 --> 00:02:52,239

three sides and a river and a field in

41

00:02:57,110 --> 00:02:54,560

the back the first year out there was

42

00:03:00,229 --> 00:02:57,120

calm and relaxing other than constant

43

00:03:02,630 --> 00:03:00,239

coyote howls every night

44

00:03:05,110 --> 00:03:02,640

but every so often there would be a

45

00:03:08,229 --> 00:03:05,120

different howl it was deeper much louder

46

00:03:10,869 --> 00:03:08,239

how that would shake us to our core

47

00:03:12,949 --> 00:03:10,879

at first my parents would dismiss it as

48

00:03:15,589 --> 00:03:12,959

a wolf or just a bigger coyote but

49

00:03:18,949 --> 00:03:15,599

something about it seemed off

50

00:03:20,790 --> 00:03:18,959

so one night in mid-july

51  
00:03:23,030 --> 00:03:20,800  
my brother my sister and i decided to

52  
00:03:24,789 --> 00:03:23,040  
pitch a tent in the back field along the

53  
00:03:28,149 --> 00:03:24,799  
tree line

54  
00:03:29,910 --> 00:03:28,159  
well we just wanted to go camping we set

55  
00:03:32,550 --> 00:03:29,920  
you know with sticks roasting on

56  
00:03:35,350 --> 00:03:32,560  
marshmallows until it got dark then

57  
00:03:38,229 --> 00:03:35,360  
the typical house started up

58  
00:03:40,390 --> 00:03:38,239  
but once again that deep howl was back

59  
00:03:41,910 --> 00:03:40,400  
and it seemed like it was right in our

60  
00:03:44,630 --> 00:03:41,920  
ears

61  
00:03:46,869 --> 00:03:44,640  
with how loud it was it's it's hard to

62  
00:03:49,270 --> 00:03:46,879  
even guess where it was coming from so

63  
00:03:51,110 --> 00:03:49,280

we decided to put it out our fire and

64

00:03:53,589 --> 00:03:51,120

get in the tent

65

00:03:55,910 --> 00:03:53,599

so later that night my sister fell

66

00:03:58,390 --> 00:03:55,920

asleep so my brother and i chatted and

67

00:04:01,190 --> 00:03:58,400

made jokes within minutes we heard

68

00:04:03,190 --> 00:04:01,200

animals running around outside the tent

69

00:04:05,509 --> 00:04:03,200

and then this little raccoon started to

70

00:04:06,949 --> 00:04:05,519

claw on the side of the tent that i was

71

00:04:09,589 --> 00:04:06,959

sleeping one

72

00:04:11,670 --> 00:04:09,599

at first i kept poking at it but then we

73

00:04:13,350 --> 00:04:11,680

heard something else the crack of sticks

74

00:04:15,190 --> 00:04:13,360

from the trees

75

00:04:17,349 --> 00:04:15,200

now at that point my brother thought it

76

00:04:19,509 --> 00:04:17,359

was a bear and told us to be quiet and

77

00:04:21,430 --> 00:04:19,519

woke my sister up

78

00:04:23,670 --> 00:04:21,440

we started to hear footsteps coming

79

00:04:26,790 --> 00:04:23,680

closer and closer

80

00:04:28,790 --> 00:04:26,800

uh quick they were right next to me and

81

00:04:31,350 --> 00:04:28,800

the raccoon just bolted out of there and

82

00:04:32,950 --> 00:04:31,360

we started to notice this strange odor

83

00:04:35,110 --> 00:04:32,960

coming from somewhere

84

00:04:36,150 --> 00:04:35,120

it smelled like copper sulfur and wet

85

00:04:38,150 --> 00:04:36,160

dog

86

00:04:40,070 --> 00:04:38,160

it was almost overpowering and made me

87

00:04:41,830 --> 00:04:40,080

actually want to feel like i wanted to

88

00:04:44,150 --> 00:04:41,840

throw up

89

00:04:46,710 --> 00:04:44,160

then we hear our mom calling us and she

90

00:04:49,030 --> 00:04:46,720

shined the flashlight in our direction

91

00:04:50,790 --> 00:04:49,040

it revealed the most unsettling thing

92

00:04:53,189 --> 00:04:50,800

i've ever seen

93

00:04:55,670 --> 00:04:53,199

the shadow of this thing was shouting

94

00:04:57,670 --> 00:04:55,680

through the tent and it was massive

95

00:05:00,310 --> 00:04:57,680

it had pointed ears that were lifted

96

00:05:02,310 --> 00:05:00,320

back like a dog on the prowl and its

97

00:05:05,029 --> 00:05:02,320

hands were human looking with long

98

00:05:07,830 --> 00:05:05,039

fingers that ended in a point

99

00:05:08,790 --> 00:05:07,840

the mouth was in the shape of a snout

100

00:05:11,189 --> 00:05:08,800

like

101  
00:05:13,350 --> 00:05:11,199  
just a little shorter it had a mid-sized

102  
00:05:15,830 --> 00:05:13,360  
tail my mom started screaming and

103  
00:05:17,029 --> 00:05:15,840  
whatever the thing was bolted back into

104  
00:05:19,510 --> 00:05:17,039  
the woods

105  
00:05:22,550 --> 00:05:19,520  
we rushed inside with her mom and didn't

106  
00:05:24,629 --> 00:05:22,560  
go back out for a few days

107  
00:05:26,870 --> 00:05:24,639  
fast forward a few months

108  
00:05:29,510 --> 00:05:26,880  
i was in the living room with my mom

109  
00:05:31,350 --> 00:05:29,520  
while my sister was in the shower

110  
00:05:32,870 --> 00:05:31,360  
we were watching wheel of fortune or

111  
00:05:34,710 --> 00:05:32,880  
something like that when my sister

112  
00:05:37,510 --> 00:05:34,720  
screamed bloody murder

113  
00:05:39,749 --> 00:05:37,520

my mom jumped up and went to go get her

114

00:05:41,990 --> 00:05:39,759

she pulled her out of the bathroom and i

115

00:05:44,870 --> 00:05:42,000

got curious as to why she was freaking

116

00:05:46,710 --> 00:05:44,880

out so i went in to see

117

00:05:49,670 --> 00:05:46,720

above the shower in one of the super

118

00:05:51,510 --> 00:05:49,680

small windows that was only a small head

119

00:05:53,909 --> 00:05:51,520

that could fit through and then the

120

00:05:55,830 --> 00:05:53,919

window was a set of red glowing eyes

121

00:05:58,710 --> 00:05:55,840

staring down in me

122

00:06:00,629 --> 00:05:58,720

we stared at each other

123

00:06:03,430 --> 00:06:00,639

for what felt like minutes i i didn't

124

00:06:05,670 --> 00:06:03,440

feel fear more just curiosity and didn't

125

00:06:08,309 --> 00:06:05,680

feel like i was in danger at that time

126  
00:06:10,230 --> 00:06:08,319  
my mom rushed in and pulled me out the

127  
00:06:12,790 --> 00:06:10,240  
eyes turned away as well the rest of the

128  
00:06:15,029 --> 00:06:12,800  
night was quiet after that

129  
00:06:17,430 --> 00:06:15,039  
a few days later my brother came back

130  
00:06:21,189 --> 00:06:17,440  
from his dad's he had

131  
00:06:23,430 --> 00:06:21,199  
he and i had bunk beds so i'd always uh

132  
00:06:25,189 --> 00:06:23,440  
take the the bottom bunk that night was

133  
00:06:26,870 --> 00:06:25,199  
kind of gloomy it wasn't windy but it

134  
00:06:28,790 --> 00:06:26,880  
was drizzling a bit

135  
00:06:31,430 --> 00:06:28,800  
uh later in the night my brother and i

136  
00:06:32,390 --> 00:06:31,440  
were awakened uh to the window being

137  
00:06:34,550 --> 00:06:32,400  
opened

138  
00:06:36,390 --> 00:06:34,560

it was locked before

139

00:06:38,469 --> 00:06:36,400

uh by the way uh

140

00:06:39,749 --> 00:06:38,479

after that we just closed and went back

141

00:06:41,909 --> 00:06:39,759

to bed

142

00:06:44,309 --> 00:06:41,919

it happened again and again like three

143

00:06:46,790 --> 00:06:44,319

more times each time we locked it but

144

00:06:49,270 --> 00:06:46,800

the final time was the worst

145

00:06:50,550 --> 00:06:49,280

it flung open so hard that the glass

146

00:06:53,430 --> 00:06:50,560

shattered

147

00:06:55,589 --> 00:06:53,440

and we saw the thing that pushed it open

148

00:06:57,510 --> 00:06:55,599

that same hand from the tent

149

00:07:00,390 --> 00:06:57,520

but i can see you're clear on that see

150

00:07:01,670 --> 00:07:00,400

clearly see it now it had matted

151  
00:07:03,270 --> 00:07:01,680  
black fur

152  
00:07:05,510 --> 00:07:03,280  
or hair

153  
00:07:07,670 --> 00:07:05,520  
and uh it covered its whole arm the skin

154  
00:07:08,950 --> 00:07:07,680  
on its palms was like a light tan and

155  
00:07:11,990 --> 00:07:08,960  
the claw

156  
00:07:13,670 --> 00:07:12,000  
was about six to five to six inches long

157  
00:07:16,230 --> 00:07:13,680  
and on the bottom of the window i saw

158  
00:07:18,870 --> 00:07:16,240  
its face or what was showing it was just

159  
00:07:20,710 --> 00:07:18,880  
the eyes glowing bright red

160  
00:07:22,870 --> 00:07:20,720  
they looked like the embers of a roaring

161  
00:07:24,790 --> 00:07:22,880  
fire my brother and i bolted up grabbed

162  
00:07:26,629 --> 00:07:24,800  
my sister and locked ourselves in the

163  
00:07:28,150 --> 00:07:26,639

back gaming room

164

00:07:30,790 --> 00:07:28,160

we stayed there for the rest of night

165

00:07:32,790 --> 00:07:30,800

when my mom came home we told her

166

00:07:34,950 --> 00:07:32,800

and packed our things

167

00:07:37,430 --> 00:07:34,960

we moved out of the house in a day and

168

00:07:41,350 --> 00:07:37,440

took what we could

169

00:07:44,070 --> 00:07:41,360

fit filling one car in a u-haul my

170

00:07:46,309 --> 00:07:44,080

step-dad's truck was full as well and we

171

00:07:48,390 --> 00:07:46,319

left there never to return

172

00:07:50,950 --> 00:07:48,400

to this day my family is scared to even

173

00:07:53,270 --> 00:07:50,960

talk about it but my brother and i have

174

00:07:55,430 --> 00:07:53,280

a few drinks we discussed it

175

00:07:57,029 --> 00:07:55,440

my mom just shuts down whenever it's

176

00:07:59,670 --> 00:07:57,039

brought up now

177

00:08:02,869 --> 00:07:59,680

this is deer brook wisconsin that's in

178

00:08:06,629 --> 00:08:02,879

land glade county near the um

179

00:08:08,550 --> 00:08:06,639

minamini uh reservation just northwest

180

00:08:10,710 --> 00:08:08,560

of green bay

181

00:08:13,110 --> 00:08:10,720

you know actually i've received a lot of

182

00:08:17,990 --> 00:08:13,120

crypto reports from that region as well

183

00:08:21,510 --> 00:08:19,909

so if you have any questions like again

184

00:08:23,430 --> 00:08:21,520

if we have a questions you want to put

185

00:08:25,510 --> 00:08:23,440

it up there we'll we'll answer it oh i

186

00:08:27,749 --> 00:08:25,520

can answer it after after i read

187

00:08:30,950 --> 00:08:27,759

everything

188

00:08:33,269 --> 00:08:30,960

so this next one a texas boy allows a

189

00:08:36,469 --> 00:08:33,279

black-eyed kid and three other kids to

190

00:08:38,870 --> 00:08:36,479

enter the trailer home and use the phone

191

00:08:41,190 --> 00:08:38,880

they soon vanish afterwards a series of

192

00:08:42,709 --> 00:08:41,200

strange incidents begins to occur in the

193

00:08:45,829 --> 00:08:42,719

home

194

00:08:48,389 --> 00:08:45,839

uh this happened back in the 1980s when

195

00:08:50,389 --> 00:08:48,399

i was not nine or ten

196

00:08:52,870 --> 00:08:50,399

i was an only child at this point my

197

00:08:55,269 --> 00:08:52,880

mother was a single mom we had taken all

198

00:08:57,750 --> 00:08:55,279

the money she had in boulder trailer and

199

00:09:00,070 --> 00:08:57,760

some land and moved to the country

200

00:09:02,310 --> 00:09:00,080

we lived in a rural area in east texas

201

00:09:04,790 --> 00:09:02,320

on a two-acre track of land

202

00:09:06,070 --> 00:09:04,800

houses were sparse and situated far

203

00:09:09,350 --> 00:09:06,080

apart

204

00:09:11,430 --> 00:09:09,360

so not heavily populated area

205

00:09:13,670 --> 00:09:11,440

my mom was busy with something in her

206

00:09:16,790 --> 00:09:13,680

room which was situated at the far end

207

00:09:18,550 --> 00:09:16,800

of the 72-foot trailer we lived in

208

00:09:20,710 --> 00:09:18,560

i went into the kitchen for something

209

00:09:22,790 --> 00:09:20,720

and heard a knock at the door

210

00:09:25,990 --> 00:09:22,800

i went to open and found four kids

211

00:09:28,389 --> 00:09:26,000

standing outside two boys and two girls

212

00:09:31,110 --> 00:09:28,399

i opened the screen door and the larger

213

00:09:33,509 --> 00:09:31,120

boys asked can we use your phone we need

214

00:09:36,870 --> 00:09:33,519

to call her mom

215

00:09:39,430 --> 00:09:36,880

i was immediately suspicious because

216

00:09:41,110 --> 00:09:39,440

where had these kids come from i had

217

00:09:43,350 --> 00:09:41,120

lived there a few years and knew all the

218

00:09:45,670 --> 00:09:43,360

kids in the neighborhood

219

00:09:47,430 --> 00:09:45,680

i remember looking at the larger boy's

220

00:09:49,190 --> 00:09:47,440

eyes and thinking something was

221

00:09:51,110 --> 00:09:49,200

different about him but couldn't quite

222

00:09:53,990 --> 00:09:51,120

put my finger on it

223

00:09:55,110 --> 00:09:54,000

i later realized as his eyes were almost

224

00:09:57,509 --> 00:09:55,120

black

225

00:09:59,030 --> 00:09:57,519

i shrugged and opened the screen wider

226

00:10:02,150 --> 00:09:59,040

and let them in

227

00:10:04,470 --> 00:10:02,160

i let the front door open as i looked

228

00:10:05,829 --> 00:10:04,480

uh as i took them into the kitchen and

229

00:10:09,990 --> 00:10:05,839

uh

230

00:10:12,310 --> 00:10:10,000

now the larger boy picked up the phone

231

00:10:14,550 --> 00:10:12,320

as my mom called to me

232

00:10:15,990 --> 00:10:14,560

i ran into my mom's room and she said

233

00:10:18,630 --> 00:10:16,000

who's in the house and i told her a

234

00:10:20,949 --> 00:10:18,640

bunch of kids wanted to use the phone

235

00:10:24,069 --> 00:10:20,959

she got angry and she said you don't let

236

00:10:26,470 --> 00:10:24,079

anyone in the house tell them to leave

237

00:10:28,870 --> 00:10:26,480

i walked out of her room and back to the

238

00:10:30,949 --> 00:10:28,880

kitchen to tell them they had to go

239

00:10:32,949 --> 00:10:30,959

and found the phone off the hook the

240

00:10:34,389 --> 00:10:32,959

front door was still open and the screen

241

00:10:36,389 --> 00:10:34,399

door closed

242

00:10:37,990 --> 00:10:36,399

i ran to the door and outside to look

243

00:10:39,190 --> 00:10:38,000

for the kids they were nowhere to be

244

00:10:41,509 --> 00:10:39,200

found

245

00:10:43,350 --> 00:10:41,519

they couldn't have even had time to walk

246

00:10:46,389 --> 00:10:43,360

or run across the two acres to get to

247

00:10:47,670 --> 00:10:46,399

the streets so where were they after

248

00:10:49,910 --> 00:10:47,680

that happened

249

00:10:52,310 --> 00:10:49,920

life was super weird mom was always

250

00:10:54,230 --> 00:10:52,320

getting sick and unable to find

251

00:10:56,470 --> 00:10:54,240

sustainable work

252

00:10:59,030 --> 00:10:56,480

she became heavily paranoid and got into

253

00:11:01,269 --> 00:10:59,040

damaging relationships with men

254

00:11:03,110 --> 00:11:01,279

the weirdest occurrence weirdest

255

00:11:05,350 --> 00:11:03,120

occurrences for when she didn't have the

256

00:11:07,110 --> 00:11:05,360

ability to pay the phone bill so the

257

00:11:09,509 --> 00:11:07,120

phone company would come and disconnect

258

00:11:10,949 --> 00:11:09,519

the phone however we were still getting

259

00:11:13,350 --> 00:11:10,959

phone calls

260

00:11:16,150 --> 00:11:13,360

i rarely even answered the phone so when

261

00:11:17,990 --> 00:11:16,160

mom told me this i was skeptical and

262

00:11:20,470 --> 00:11:18,000

didn't really believe her

263

00:11:22,710 --> 00:11:20,480

then one day she was busy outside and

264

00:11:25,590 --> 00:11:22,720

the phone rang as i answered it i heard

265

00:11:27,269 --> 00:11:25,600

a woman say hello on the other end it

266

00:11:29,990 --> 00:11:27,279

sounded like my amp

267

00:11:32,470 --> 00:11:30,000

that it was just all static

268

00:11:33,430 --> 00:11:32,480

my mom came back in and i told her what

269

00:11:35,190 --> 00:11:33,440

occurred

270

00:11:36,790 --> 00:11:35,200

she went to the neighbors and called the

271

00:11:39,110 --> 00:11:36,800

phone company and asked them to check

272

00:11:41,190 --> 00:11:39,120

the line that her phone was ringing

273

00:11:43,430 --> 00:11:41,200

they came out inspected the line on the

274

00:11:45,030 --> 00:11:43,440

pole and came inside told my mom there's

275

00:11:47,509 --> 00:11:45,040

no way you're getting phone calls the

276

00:11:49,590 --> 00:11:47,519

line's completely disconnected it's cut

277

00:11:51,829 --> 00:11:49,600

at the pole

278

00:11:54,150 --> 00:11:51,839

this happened constantly even after mom

279

00:11:56,550 --> 00:11:54,160

moved the trailer to another city

280

00:11:57,829 --> 00:11:56,560

in that city we had failed to pay the

281

00:12:00,310 --> 00:11:57,839

bill again and the phone was

282

00:12:02,310 --> 00:12:00,320

disconnected but we kept getting phone

283

00:12:04,150 --> 00:12:02,320

calls that ended in dead air or strange

284

00:12:06,710 --> 00:12:04,160

voices and static

285

00:12:08,389 --> 00:12:06,720

the linesman told her the same thing

286

00:12:11,030 --> 00:12:08,399

that there was no way our phone was

287

00:12:15,509 --> 00:12:11,040

ringing but yet it did

288

00:12:19,110 --> 00:12:17,350

anything you know what was because of

289

00:12:20,470 --> 00:12:19,120

this but it was it was always around

290

00:12:24,550 --> 00:12:20,480

this time

291

00:12:27,509 --> 00:12:24,560

experience things like words of

292

00:12:29,829 --> 00:12:27,519

knowledge and clear audience experiences

293

00:12:31,269 --> 00:12:29,839

where i would know things i had never

294

00:12:33,509 --> 00:12:31,279

learned

295

00:12:35,750 --> 00:12:33,519

i'd hear things before they happen in

296

00:12:37,430 --> 00:12:35,760

physical reality almost

297

00:12:38,470 --> 00:12:37,440

i mostly kept those experiences to

298

00:12:40,389 --> 00:12:38,480

myself

299

00:12:42,470 --> 00:12:40,399

and would just think it's weird

300

00:12:45,910 --> 00:12:42,480

now when mom sold the trailer

301  
00:12:48,069 --> 00:12:45,920  
she never had those weird telephone

302  
00:12:49,829 --> 00:12:48,079  
experiences again and the clear audience

303  
00:12:51,509 --> 00:12:49,839  
went away

304  
00:12:54,550 --> 00:12:51,519  
something had happened to that trailer

305  
00:12:56,389 --> 00:12:54,560  
after those kids had come in the door

306  
00:12:58,790 --> 00:12:56,399  
but here are a few other experiences of

307  
00:12:59,750 --> 00:12:58,800  
remember now while still living in the

308  
00:13:01,750 --> 00:12:59,760  
country

309  
00:13:03,590 --> 00:13:01,760  
i was sitting on my mom's bed next to

310  
00:13:06,069 --> 00:13:03,600  
her she was saying it feels like bugs

311  
00:13:07,750 --> 00:13:06,079  
are crawling over me i got off the bed

312  
00:13:09,910 --> 00:13:07,760  
and walked over to the dress and for

313  
00:13:11,990 --> 00:13:09,920

some reason felt like the need to look

314

00:13:14,230 --> 00:13:12,000

up and on the ceiling there were

315

00:13:16,389 --> 00:13:14,240

millions of tiny spiders this is no

316

00:13:18,150 --> 00:13:16,399

exaggeration i knew my mom would freak

317

00:13:20,389 --> 00:13:18,160

out so i told her mom

318

00:13:22,870 --> 00:13:20,399

please get up and leave the room she

319

00:13:25,350 --> 00:13:22,880

looked at me with a look of concern and

320

00:13:26,470 --> 00:13:25,360

asked why and i said please just get out

321

00:13:28,629 --> 00:13:26,480

of the room

322

00:13:30,550 --> 00:13:28,639

she then gave me a look like i was

323

00:13:31,750 --> 00:13:30,560

like i was being impossible so i told

324

00:13:34,230 --> 00:13:31,760

her look up

325

00:13:36,949 --> 00:13:34,240

and i never seen her leave a room so

326

00:13:39,350 --> 00:13:36,959

fast and she looked up and saw that mess

327

00:13:42,069 --> 00:13:39,360

we fumigated the house correctly after

328

00:13:44,310 --> 00:13:42,079

that several times a year i i never seen

329

00:13:46,310 --> 00:13:44,320

anything like that before since

330

00:13:47,590 --> 00:13:46,320

now after we had moved the trailer to

331

00:13:49,750 --> 00:13:47,600

another city

332

00:13:51,590 --> 00:13:49,760

some lights would either dim or get

333

00:13:53,509 --> 00:13:51,600

brighter and brighter when we turned

334

00:13:55,030 --> 00:13:53,519

them out turned them on or they

335

00:13:56,629 --> 00:13:55,040

literally popped

336

00:13:58,790 --> 00:13:56,639

when mom called the electric company

337

00:14:00,629 --> 00:13:58,800

they sent an electrician

338

00:14:02,949 --> 00:14:00,639

out to inspect

339

00:14:05,030 --> 00:14:02,959

we climbed he climbed the pole and and

340

00:14:07,350 --> 00:14:05,040

when he came to test one of the lines it

341

00:14:09,189 --> 00:14:07,360

literally popped off the pole and he

342

00:14:11,430 --> 00:14:09,199

flew to the ground he was okay though a

343

00:14:13,590 --> 00:14:11,440

little shaken the electric company's

344

00:14:15,590 --> 00:14:13,600

stance on the issue was that there was a

345

00:14:18,069 --> 00:14:15,600

miswiring on the pole

346

00:14:20,069 --> 00:14:18,079

it was most likely that

347

00:14:23,269 --> 00:14:20,079

they missed the ground oh it was most

348

00:14:25,269 --> 00:14:23,279

likely that they missed the ground again

349

00:14:26,550 --> 00:14:25,279

could be unrelated but circuit breakers

350

00:14:29,030 --> 00:14:26,560

were never tripped during the whole

351  
00:14:31,910 --> 00:14:29,040  
episode

352  
00:14:37,110 --> 00:14:35,110  
marla mentions uh do the majority of bek

353  
00:14:39,030 --> 00:14:37,120  
reports involve more than one yeah it

354  
00:14:40,949 --> 00:14:39,040  
does um

355  
00:14:43,829 --> 00:14:40,959  
it's usually two

356  
00:14:45,269 --> 00:14:43,839  
uh but i've had i've had up to five at

357  
00:14:48,230 --> 00:14:45,279  
one point

358  
00:14:50,389 --> 00:14:48,240  
it but it's usually two very rarely won

359  
00:14:53,030 --> 00:14:50,399  
and if it is one it's usually not a kid

360  
00:14:55,430 --> 00:14:53,040  
it's usually an adult

361  
00:14:57,269 --> 00:14:55,440  
uh have you got any reports of bks

362  
00:14:59,670 --> 00:14:57,279  
hurting anyone well i had the one the

363  
00:15:01,990 --> 00:14:59,680

last time i was on about the uh the

364

00:15:03,110 --> 00:15:02,000

possible fire related and person was

365

00:15:05,590 --> 00:15:03,120

killed

366

00:15:06,870 --> 00:15:05,600

um there have been other reports where

367

00:15:07,990 --> 00:15:06,880

um

368

00:15:09,509 --> 00:15:08,000

they have

369

00:15:10,550 --> 00:15:09,519

assaulted people

370

00:15:12,629 --> 00:15:10,560

uh

371

00:15:14,470 --> 00:15:12,639

maybe i can dig a few of those up but

372

00:15:18,310 --> 00:15:14,480

there has been assault involved with

373

00:15:21,509 --> 00:15:18,320

some of these reports in the past

374

00:15:22,870 --> 00:15:21,519

uh any reports of dog man mind speaking

375

00:15:26,150 --> 00:15:22,880

you know

376

00:15:27,350 --> 00:15:26,160

i i've talked to people

377

00:15:28,790 --> 00:15:27,360

who uh

378

00:15:30,230 --> 00:15:28,800

who have

379

00:15:33,430 --> 00:15:30,240

heard that

380

00:15:35,430 --> 00:15:33,440

uh not as much as with bigfoot or

381

00:15:36,550 --> 00:15:35,440

you know with alien encounters as such

382

00:15:38,870 --> 00:15:36,560

so

383

00:15:40,949 --> 00:15:38,880

i i think you know this whole people

384

00:15:42,629 --> 00:15:40,959

talk about infrasound i think that is

385

00:15:43,670 --> 00:15:42,639

possible with them nowadays it's some

386

00:15:46,310 --> 00:15:43,680

type of

387

00:15:48,710 --> 00:15:46,320

uh ability to mind speak i don't know

388

00:15:50,790 --> 00:15:48,720

but i have heard occasionally

389

00:15:55,590 --> 00:15:50,800

uh was it a new trail or used one i i

390

00:16:00,550 --> 00:15:58,069

so the next report was whether an

391

00:16:03,030 --> 00:16:00,560

eyewitness and this is a new report who

392

00:16:05,829 --> 00:16:03,040

camp in juarez national forest

393

00:16:07,110 --> 00:16:05,839

north carolina at the yates place

394

00:16:09,030 --> 00:16:07,120

campground

395

00:16:11,350 --> 00:16:09,040

has had at least two bigfoot encounters

396

00:16:12,790 --> 00:16:11,360

during the past few weeks now

397

00:16:15,430 --> 00:16:12,800

i uh

398

00:16:17,829 --> 00:16:15,440

this i was this was was received by me

399

00:16:21,590 --> 00:16:17,839

on monday april 18th

400

00:16:23,829 --> 00:16:21,600

so it's been what almost 10 days ago

401  
00:16:26,550 --> 00:16:23,839  
so um

402  
00:16:30,150 --> 00:16:26,560  
i get this email from this uh well i got

403  
00:16:32,790 --> 00:16:30,160  
this i got a telephone call and got a um

404  
00:16:35,269 --> 00:16:32,800  
a text message from this person

405  
00:16:37,189 --> 00:16:35,279  
uh the recent big he states that the

406  
00:16:39,590 --> 00:16:37,199  
recent bigfoot sighting in montgomery

407  
00:16:42,310 --> 00:16:39,600  
county in north carolina was at low

408  
00:16:43,670 --> 00:16:42,320  
water bridge in montgomery county and

409  
00:16:46,389 --> 00:16:43,680  
yuhari

410  
00:16:48,710 --> 00:16:46,399  
national forest yes place

411  
00:16:50,629 --> 00:16:48,720  
campground at the same time

412  
00:16:53,829 --> 00:16:50,639  
i have a lot of information for you

413  
00:16:56,230 --> 00:16:53,839

would like to contact i only saw it once

414

00:16:58,150 --> 00:16:56,240

but i had a lot of encounters at my tent

415

00:17:00,550 --> 00:16:58,160

and campsite with it

416

00:17:03,269 --> 00:17:00,560

i can tell you a lot about how nature

417

00:17:05,510 --> 00:17:03,279

changed in the animals behavior i can

418

00:17:07,029 --> 00:17:05,520

give you a lot of information

419

00:17:10,870 --> 00:17:07,039

so uh

420

00:17:14,549 --> 00:17:10,880

the gentleman who i'll call sm

421

00:17:16,789 --> 00:17:14,559

uh he's a locomot he was a local man he

422

00:17:18,549 --> 00:17:16,799

lived in the area he's from the area but

423

00:17:21,429 --> 00:17:18,559

he was currently homeless

424

00:17:24,069 --> 00:17:21,439

so he was living at a tent in a tent at

425

00:17:25,669 --> 00:17:24,079

the location uh and this is a this is a

426

00:17:27,270 --> 00:17:25,679

national forest

427

00:17:29,669 --> 00:17:27,280

and according to him there was a

428

00:17:31,669 --> 00:17:29,679

reported bigfoot sighting near the low

429

00:17:35,510 --> 00:17:31,679

water

430

00:17:37,270 --> 00:17:35,520

approximately two weeks ago

431

00:17:39,590 --> 00:17:37,280

or two weeks previous the time he

432

00:17:41,510 --> 00:17:39,600

contacted me since that time

433

00:17:44,310 --> 00:17:41,520

there have been many people in the area

434

00:17:45,590 --> 00:17:44,320

looking for this creature and in fact sm

435

00:17:47,350 --> 00:17:45,600

state said

436

00:17:50,310 --> 00:17:47,360

he has been harassed by a few of the

437

00:17:51,430 --> 00:17:50,320

people coming through the campground

438

00:17:53,990 --> 00:17:51,440

uh

439

00:17:55,909 --> 00:17:54,000

apparently what was going on after there

440

00:17:58,390 --> 00:17:55,919

was a report made and a couple of these

441

00:17:59,590 --> 00:17:58,400

bigfoot hunters were coming in there

442

00:18:02,470 --> 00:17:59,600

and

443

00:18:04,230 --> 00:18:02,480

re creating a ruckus with some of the

444

00:18:05,990 --> 00:18:04,240

homeless who were in the campsite or

445

00:18:08,150 --> 00:18:06,000

even the people who were

446

00:18:10,310 --> 00:18:08,160

who were actually camping there

447

00:18:12,310 --> 00:18:10,320

so

448

00:18:14,470 --> 00:18:12,320

during the period that sm had resided

449

00:18:16,630 --> 00:18:14,480

the campground he had witnessed a male

450

00:18:18,789 --> 00:18:16,640

bigfoot near his tent

451  
00:18:21,270 --> 00:18:18,799  
he described it as six and a half foot

452  
00:18:22,390 --> 00:18:21,280  
tall black in color muscular but not

453  
00:18:25,270 --> 00:18:22,400  
bulky

454  
00:18:28,310 --> 00:18:25,280  
it occurred near his tent when

455  
00:18:31,029 --> 00:18:28,320  
when he was at his campfire at night it

456  
00:18:33,190 --> 00:18:31,039  
slowly approached sm and growled

457  
00:18:35,110 --> 00:18:33,200  
uh some

458  
00:18:36,150 --> 00:18:35,120  
yelled at it but the bigfoot stood its

459  
00:18:38,390 --> 00:18:36,160  
ground

460  
00:18:40,630 --> 00:18:38,400  
it did stop growling but then continued

461  
00:18:43,190 --> 00:18:40,640  
walking away from him

462  
00:18:44,549 --> 00:18:43,200  
now the witness also stated that a few

463  
00:18:46,310 --> 00:18:44,559

nights later

464

00:18:48,150 --> 00:18:46,320

after he had originally written me he

465

00:18:49,909 --> 00:18:48,160

heard a sound that he thought was a

466

00:18:51,909 --> 00:18:49,919

child crying

467

00:18:53,990 --> 00:18:51,919

he looked out the tent and witnessed the

468

00:18:55,270 --> 00:18:54,000

same male bigfoot holding a small

469

00:18:57,029 --> 00:18:55,280

juvenile

470

00:18:59,430 --> 00:18:57,039

it stopped for a second then it

471

00:19:01,270 --> 00:18:59,440

continued on its way

472

00:19:03,830 --> 00:19:01,280

the stream below his campsite is

473

00:19:05,750 --> 00:19:03,840

currently active in the early evenings

474

00:19:08,470 --> 00:19:05,760

he has witnessed possibly another

475

00:19:10,710 --> 00:19:08,480

bigfoot drinking or washing

476  
00:19:12,710 --> 00:19:10,720  
there have been several dead feral hogs

477  
00:19:15,669 --> 00:19:12,720  
found scattered around the vicinity over

478  
00:19:17,110 --> 00:19:15,679  
the past weeks also a dead calf was

479  
00:19:19,270 --> 00:19:17,120  
found nearby

480  
00:19:22,070 --> 00:19:19,280  
in all cases there was no predation

481  
00:19:24,390 --> 00:19:22,080  
mutilation or weapon markings

482  
00:19:27,350 --> 00:19:24,400  
the witness seemed to be a sound mind

483  
00:19:29,430 --> 00:19:27,360  
and believable sm states that he

484  
00:19:31,430 --> 00:19:29,440  
keeps his campfire high at night and

485  
00:19:34,710 --> 00:19:31,440  
sleeps during your day

486  
00:19:36,789 --> 00:19:34,720  
uh now i'm continuing to monitor these

487  
00:19:38,789 --> 00:19:36,799  
incidents and i you know i'm trying to

488  
00:19:40,789 --> 00:19:38,799

get somebody on the team

489

00:19:42,549 --> 00:19:40,799

or if i have to go on the outside to get

490

00:19:44,950 --> 00:19:42,559

somebody to go to the location to check

491

00:19:46,230 --> 00:19:44,960

it out maybe talk to the witness

492

00:19:48,310 --> 00:19:46,240

but um

493

00:19:54,470 --> 00:19:48,320

we'll see if i get any follow-ups on it

494

00:19:57,990 --> 00:19:56,150

okay

495

00:20:00,230 --> 00:19:58,000

so i got another one here from a central

496

00:20:03,029 --> 00:20:00,240

florida woman who encountered a dark

497

00:20:05,430 --> 00:20:03,039

seven foot tall owl man

498

00:20:07,909 --> 00:20:05,440

while working her property

499

00:20:09,350 --> 00:20:07,919

walking her property near a conservation

500

00:20:11,350 --> 00:20:09,360

area

501  
00:20:14,870 --> 00:20:11,360  
since then she has been vigilantly

502  
00:20:16,870 --> 00:20:14,880  
watching out for subsequent appearances

503  
00:20:18,470 --> 00:20:16,880  
she states

504  
00:20:20,230 --> 00:20:18,480  
one of the accounts that i recently

505  
00:20:22,710 --> 00:20:20,240  
heard while listening to youtube nearly

506  
00:20:24,470 --> 00:20:22,720  
caused me to crash my car it was a story

507  
00:20:26,789 --> 00:20:24,480  
about a sighting of a large humanoid

508  
00:20:29,669 --> 00:20:26,799  
creature wearing what appeared to be a

509  
00:20:32,789 --> 00:20:29,679  
black cloak with an owl's face in the

510  
00:20:35,190 --> 00:20:32,799  
central florida area

511  
00:20:36,870 --> 00:20:35,200  
it was a heart-stopping moment

512  
00:20:40,390 --> 00:20:36,880  
and now she says i'll tell you about my

513  
00:20:42,789 --> 00:20:40,400

encounter it was a similar entity

514

00:20:46,390 --> 00:20:42,799

it wasn't after it was an afternoon late

515

00:20:49,029 --> 00:20:46,400

may of this year which which was 2001.

516

00:20:50,870 --> 00:20:49,039

i remember it was later in the afternoon

517

00:20:54,230 --> 00:20:50,880

early evening but it was slightly

518

00:20:57,110 --> 00:20:54,240

overcast and great days so uh you can't

519

00:20:59,590 --> 00:20:57,120

tell from memory if it was dusk or early

520

00:21:02,149 --> 00:20:59,600

i lived near a nature conservation area

521

00:21:03,990 --> 00:21:02,159

in central florida my husband and i were

522

00:21:06,470 --> 00:21:04,000

very fortunate to find our property

523

00:21:07,990 --> 00:21:06,480

ample acreage heavily wooded to the

524

00:21:08,950 --> 00:21:08,000

point where we cannot even see our

525

00:21:10,950 --> 00:21:08,960

neighbors

526

00:21:14,230 --> 00:21:10,960

or any lights from other homes we

527

00:21:17,110 --> 00:21:14,240

lovingly call our home the swamp

528

00:21:20,470 --> 00:21:17,120

i was outside in our driveway which is

529

00:21:23,830 --> 00:21:20,480

only clear space in our land say for a

530

00:21:27,110 --> 00:21:23,840

natural circular clearing in our woods

531

00:21:29,029 --> 00:21:27,120

i was walking back to our to our porch

532

00:21:32,230 --> 00:21:29,039

when for some reason i was compelled to

533

00:21:34,470 --> 00:21:32,240

look turn and look at the the tree line

534

00:21:37,350 --> 00:21:34,480

which is around 180 to 100 feet away

535

00:21:42,149 --> 00:21:39,909

now i do want to note that there uh

536

00:21:44,870 --> 00:21:42,159

there was not a singular single ounce of

537

00:21:47,270 --> 00:21:44,880

fear in me in fact i was quite calm

538

00:21:49,430 --> 00:21:47,280

when i made contact with it at first it

539

00:21:50,470 --> 00:21:49,440

didn't register that i was what i was

540

00:21:53,350 --> 00:21:50,480

looking at

541

00:21:56,070 --> 00:21:53,360

i knew it was an owl which for my

542

00:21:58,470 --> 00:21:56,080

for my woods is not uncommon in sighting

543

00:22:01,350 --> 00:21:58,480

but then it kind of shifted and i saw

544

00:22:04,789 --> 00:22:01,360

more of it it was just not it was just

545

00:22:06,789 --> 00:22:04,799

not an owl it was the head of an owl

546

00:22:08,470 --> 00:22:06,799

on what i could only describe as the

547

00:22:10,470 --> 00:22:08,480

shoulders of a human

548

00:22:13,350 --> 00:22:10,480

and it looked like it was wearing a dark

549

00:22:16,070 --> 00:22:13,360

cloak either made of dark foliage or

550

00:22:18,070 --> 00:22:16,080

feathers it was tall and from the trees

551  
00:22:19,029 --> 00:22:18,080  
around it i guess around seven foot in

552  
00:22:22,630 --> 00:22:19,039  
height

553  
00:22:24,390 --> 00:22:22,640  
it just looked at me and i looked at it

554  
00:22:26,710 --> 00:22:24,400  
i looked around and blinked and

555  
00:22:28,950 --> 00:22:26,720  
sincerely thinking it was a trick of the

556  
00:22:29,750 --> 00:22:28,960  
lighting or my mind was creating this

557  
00:22:34,230 --> 00:22:29,760  
thing

558  
00:22:35,590 --> 00:22:34,240  
looked back it was still there calm and

559  
00:22:38,230 --> 00:22:35,600  
unmoving

560  
00:22:40,230 --> 00:22:38,240  
i was still unafraid which is not normal

561  
00:22:41,350 --> 00:22:40,240  
for me as i could freak out pretty

562  
00:22:43,750 --> 00:22:41,360  
easily

563  
00:22:46,310 --> 00:22:43,760

for some reason i felt another urge this

564

00:22:48,710 --> 00:22:46,320

time to nod i nodded towards it like i

565

00:22:49,990 --> 00:22:48,720

was showing my acknowledgement of it

566

00:22:52,870 --> 00:22:50,000

and if

567

00:22:55,669 --> 00:22:52,880

it felt natural and right to do so

568

00:22:58,070 --> 00:22:55,679

then turned it when inside my house

569

00:23:00,310 --> 00:22:58,080

i did not go back outside that day but

570

00:23:02,549 --> 00:23:00,320

the next morning i went back outside and

571

00:23:03,909 --> 00:23:02,559

stood the same place on my porch

572

00:23:05,909 --> 00:23:03,919

to look at

573

00:23:09,510 --> 00:23:05,919

what it may have been and there was

574

00:23:12,070 --> 00:23:09,520

nothing it could have even remotely

575

00:23:13,990 --> 00:23:12,080

tried to place as it i mean the this the

576  
00:23:14,870 --> 00:23:14,000  
space where it stood was between two

577  
00:23:16,549 --> 00:23:14,880  
trees

578  
00:23:18,789 --> 00:23:16,559  
at the opening of the forest line

579  
00:23:21,430 --> 00:23:18,799  
leading back to the small clearing there

580  
00:23:23,830 --> 00:23:21,440  
were no low hanging branches no large

581  
00:23:25,510 --> 00:23:23,840  
leaves no anything that could trick

582  
00:23:27,750 --> 00:23:25,520  
myself into believing

583  
00:23:30,230 --> 00:23:27,760  
that was what i had seen

584  
00:23:31,350 --> 00:23:30,240  
i have not seen it since

585  
00:23:33,590 --> 00:23:31,360  
i do

586  
00:23:35,750 --> 00:23:33,600  
i did some mild searching on the

587  
00:23:36,710 --> 00:23:35,760  
internet but found nothing even remotely

588  
00:23:39,590 --> 00:23:36,720

close

589

00:23:41,510 --> 00:23:39,600

to uh to what you know what what had

590

00:23:43,269 --> 00:23:41,520

happened and what i'd seen

591

00:23:45,430 --> 00:23:43,279

until the day when i heard this that

592

00:23:48,230 --> 00:23:45,440

story about an hour ago

593

00:23:49,430 --> 00:23:48,240

uh does anyone know what this might have

594

00:23:51,669 --> 00:23:49,440

been

595

00:23:53,590 --> 00:23:51,679

as anybody else in the central florida

596

00:23:56,230 --> 00:23:53,600

area ever seen anything like this

597

00:23:58,549 --> 00:23:56,240

and she she later added to me that there

598

00:24:00,950 --> 00:23:58,559

have been a couple times in my car

599

00:24:04,070 --> 00:24:00,960

when on my car there have been remnants

600

00:24:05,830 --> 00:24:04,080

of what i could only describe as guts

601  
00:24:08,070 --> 00:24:05,840  
when i've been parked under a tree

602  
00:24:10,470 --> 00:24:08,080  
instead of the carport

603  
00:24:12,549 --> 00:24:10,480  
it all always chalked it up to a large

604  
00:24:15,909 --> 00:24:12,559  
bird or hawk or out which had been you

605  
00:24:17,750 --> 00:24:15,919  
know which had been feeding on something

606  
00:24:19,830 --> 00:24:17,760  
but it still gives me the shivers now i

607  
00:24:21,190 --> 00:24:19,840  
contacted the witness

608  
00:24:23,430 --> 00:24:21,200  
in the hope of gathering more

609  
00:24:25,350 --> 00:24:23,440  
information um

610  
00:24:27,510 --> 00:24:25,360  
this was in the

611  
00:24:29,669 --> 00:24:27,520  
the area green swamp reserve in polk

612  
00:24:31,830 --> 00:24:29,679  
county now there have been unexplained

613  
00:24:33,269 --> 00:24:31,840

wing humanoid encounters in that region

614

00:24:36,390 --> 00:24:33,279

previously

615

00:24:39,350 --> 00:24:36,400

uh namely gargoyle like flying beings

616

00:24:41,430 --> 00:24:39,360

the natural out species known to habit

617

00:24:43,669 --> 00:24:41,440

the area are not conducive to the

618

00:24:46,870 --> 00:24:43,679

description in the account the largest

619

00:24:48,789 --> 00:24:46,880

being a great horned out so um

620

00:24:50,070 --> 00:24:48,799

you know

621

00:24:52,549 --> 00:24:50,080

honestly

622

00:24:54,390 --> 00:24:52,559

we have had wing humanoid wing bean

623

00:24:56,230 --> 00:24:54,400

sightings large wing bean sightings in

624

00:24:59,190 --> 00:24:56,240

that area before

625

00:25:00,549 --> 00:24:59,200

so uh maybe this was just something the

626  
00:25:01,990 --> 00:25:00,559  
same

627  
00:25:03,669 --> 00:25:02,000  
and that's what i told the witness i

628  
00:25:05,110 --> 00:25:03,679  
said i don't know exactly what it was

629  
00:25:06,549 --> 00:25:05,120  
they saw

630  
00:25:08,549 --> 00:25:06,559  
so uh

631  
00:25:11,830 --> 00:25:08,559  
who knows but we do get a lot you know

632  
00:25:14,630 --> 00:25:11,840  
we do get a lot of accounts like that

633  
00:25:16,630 --> 00:25:14,640  
um i got another report here from a

634  
00:25:18,549 --> 00:25:16,640  
wisconsin witness

635  
00:25:20,870 --> 00:25:18,559  
who describes an encounter with bizarre

636  
00:25:22,070 --> 00:25:20,880  
creatures seen digging in his mother's

637  
00:25:24,230 --> 00:25:22,080  
garden

638  
00:25:26,390 --> 00:25:24,240

after several minutes it it stood

639

00:25:29,590 --> 00:25:26,400

upright he referenced drawings of the

640

00:25:32,310 --> 00:25:29,600

east debris road

641

00:25:34,870 --> 00:25:32,320

he states i will caution you that i know

642

00:25:37,269 --> 00:25:34,880

what i know sounds crazy when i tell

643

00:25:39,990 --> 00:25:37,279

this experience but this is the god as

644

00:25:42,230 --> 00:25:40,000

my witness right hand to god truth

645

00:25:45,190 --> 00:25:42,240

this account takes place a few miles

646

00:25:48,230 --> 00:25:45,200

north of a little town called caroline

647

00:25:50,549 --> 00:25:48,240

in shawano county in north central

648

00:25:52,870 --> 00:25:50,559

wisconsin

649

00:25:54,830 --> 00:25:52,880

it happened during the summer 2002 when

650

00:25:58,149 --> 00:25:54,840

i was 15 years

651

00:26:01,029 --> 00:25:58,159

old i lived in a small dairy farm that

652

00:26:03,269 --> 00:26:01,039

had about 80 acres behind the farmhouse

653

00:26:06,390 --> 00:26:03,279

butted up against our land was neighbors

654

00:26:07,909 --> 00:26:06,400

property that was mostly wooded

655

00:26:10,549 --> 00:26:07,919

but there was a small pond that went

656

00:26:12,870 --> 00:26:10,559

through both on both our property lines

657

00:26:14,950 --> 00:26:12,880

now of course being 15

658

00:26:16,789 --> 00:26:14,960

i was free to move between our property

659

00:26:19,110 --> 00:26:16,799

and the neighbors freely if i didn't

660

00:26:21,669 --> 00:26:19,120

bother to counter or whatnot

661

00:26:24,870 --> 00:26:21,679

i was usually out there with my little

662

00:26:26,870 --> 00:26:24,880

22 or a pelican just you know waiting

663

00:26:28,870 --> 00:26:26,880

for something to move

664

00:26:31,669 --> 00:26:28,880

the the weeks leading up to the story

665

00:26:34,230 --> 00:26:31,679

i've been memories finding an unusually

666

00:26:35,750 --> 00:26:34,240

large number of deer and calf carcasses

667

00:26:37,830 --> 00:26:35,760

around the pond

668

00:26:39,909 --> 00:26:37,840

maybe around five or six in a three week

669

00:26:41,830 --> 00:26:39,919

period normally i wouldn't think twice

670

00:26:43,269 --> 00:26:41,840

about it because we have lots of black

671

00:26:45,350 --> 00:26:43,279

bear around there

672

00:26:47,909 --> 00:26:45,360

and they usually kill sick deer and can

673

00:26:50,390 --> 00:26:47,919

steal off a calf every now and then

674

00:26:52,710 --> 00:26:50,400

whatever the call the case i i didn't

675

00:26:54,630 --> 00:26:52,720

raise my suspicion until about the

676  
00:26:55,750 --> 00:26:54,640  
beginning of august

677  
00:26:57,190 --> 00:26:55,760  
now

678  
00:26:58,870 --> 00:26:57,200  
my bedroom

679  
00:27:01,909 --> 00:26:58,880  
was on the second floor of the house and

680  
00:27:04,310 --> 00:27:01,919  
i had one window facing out back behind

681  
00:27:06,549 --> 00:27:04,320  
me towards our lamp now looking out the

682  
00:27:08,310 --> 00:27:06,559  
window the rape plot was

683  
00:27:10,149 --> 00:27:08,320  
the right plot was most straw in the

684  
00:27:12,149 --> 00:27:10,159  
left plot was corn

685  
00:27:14,630 --> 00:27:12,159  
the fence dividing the two fields

686  
00:27:15,750 --> 00:27:14,640  
started out at the southern corner of

687  
00:27:17,750 --> 00:27:15,760  
our house

688  
00:27:19,990 --> 00:27:17,760

so simply put

689

00:27:21,029 --> 00:27:20,000

you can see both fields clearly from my

690

00:27:23,190 --> 00:27:21,039

room

691

00:27:25,830 --> 00:27:23,200

under my window was a small backyard

692

00:27:27,190 --> 00:27:25,840

that was kind of cut into the hayfield

693

00:27:28,950 --> 00:27:27,200

where my mom

694

00:27:29,990 --> 00:27:28,960

had a rather large

695

00:27:32,389 --> 00:27:30,000

garden

696

00:27:33,669 --> 00:27:32,399

our house was built about 1920 and i

697

00:27:35,430 --> 00:27:33,679

didn't have we didn't have air

698

00:27:36,710 --> 00:27:35,440

conditioner hanging like that so during

699

00:27:39,510 --> 00:27:36,720

the summer

700

00:27:42,710 --> 00:27:39,520

i usually slept with my window open and

701  
00:27:45,510 --> 00:27:42,720  
a small fan running in my room

702  
00:27:47,110 --> 00:27:45,520  
so one night i was woken by a strange

703  
00:27:50,070 --> 00:27:47,120  
sound outside

704  
00:27:52,389 --> 00:27:50,080  
it sounded like the the rooting of a pig

705  
00:27:54,389 --> 00:27:52,399  
at least that's how i remember it

706  
00:27:56,149 --> 00:27:54,399  
i don't remember the exact time that

707  
00:27:57,590 --> 00:27:56,159  
this happened but i think it was

708  
00:28:01,110 --> 00:27:57,600  
probably around

709  
00:28:03,190 --> 00:28:01,120  
11 between 11 and 1 o'clock

710  
00:28:04,630 --> 00:28:03,200  
as i laid in bed listening to this weird

711  
00:28:07,110 --> 00:28:04,640  
rooting sound

712  
00:28:09,669 --> 00:28:07,120  
that was not too far outside my window i

713  
00:28:11,830 --> 00:28:09,679

i started to think that this was odd

714

00:28:12,549 --> 00:28:11,840

because my family never dealt with hogs

715

00:28:17,430 --> 00:28:12,559

or

716

00:28:19,909 --> 00:28:17,440

i honestly can't remember the time where

717

00:28:22,389 --> 00:28:19,919

i'd ever seen a feral hog in our area

718

00:28:24,470 --> 00:28:22,399

nor have i ever heard anything like this

719

00:28:25,269 --> 00:28:24,480

or anybody else seeing it or hearing

720

00:28:27,110 --> 00:28:25,279

this

721

00:28:29,350 --> 00:28:27,120

uh the more i thought about it the more

722

00:28:31,190 --> 00:28:29,360

weird out i got

723

00:28:33,750 --> 00:28:31,200

now my headboard

724

00:28:36,549 --> 00:28:33,760

was just to the right of the window to

725

00:28:38,870 --> 00:28:36,559

the whole in the so the whole time i was

726

00:28:40,549 --> 00:28:38,880

this was happening my face

727

00:28:42,149 --> 00:28:40,559

was only about two foot from the open

728

00:28:44,870 --> 00:28:42,159

window

729

00:28:47,510 --> 00:28:44,880

but uh i was uh just a little too high

730

00:28:49,590 --> 00:28:47,520

for me to simply crane my head out

731

00:28:52,149 --> 00:28:49,600

i didn't turn my light on in the room

732

00:28:53,669 --> 00:28:52,159

because the moon was out

733

00:28:55,510 --> 00:28:53,679

outside my windows illuminating the

734

00:28:56,950 --> 00:28:55,520

field and it was enough to see what was

735

00:28:59,110 --> 00:28:56,960

going on

736

00:29:01,510 --> 00:28:59,120

so i sat up in the bed rather quickly

737

00:29:04,789 --> 00:29:01,520

and kind of happily flipped my covers

738

00:29:06,950 --> 00:29:04,799

off me and put my feet on the floor

739

00:29:08,710 --> 00:29:06,960

now before i could get up however the

740

00:29:10,389 --> 00:29:08,720

rooting and grunting sound stopped

741

00:29:12,950 --> 00:29:10,399

abruptly

742

00:29:15,909 --> 00:29:12,960

i realized that whatever it is can hear

743

00:29:17,269 --> 00:29:15,919

me and i reprimand remember my heart

744

00:29:19,510 --> 00:29:17,279

rate racing

745

00:29:22,149 --> 00:29:19,520

and becoming harder to breathe i sat up

746

00:29:24,870 --> 00:29:22,159

in bed for what seemed like an eternity

747

00:29:28,149 --> 00:29:24,880

but was probably no more than 30 seconds

748

00:29:30,310 --> 00:29:28,159

or so slowly the rooting grunting sounds

749

00:29:33,029 --> 00:29:30,320

started again it eventually went back to

750

00:29:35,190 --> 00:29:33,039

as much as fervor as it had you know

751

00:29:36,870 --> 00:29:35,200

when it woke me up

752

00:29:40,310 --> 00:29:36,880

convinced that this thing outside had

753

00:29:43,110 --> 00:29:40,320

forgot about me i slowly stood up so

754

00:29:45,590 --> 00:29:43,120

what i saw next has literally haunted me

755

00:29:47,110 --> 00:29:45,600

for the past 20 years and the memories

756

00:29:48,389 --> 00:29:47,120

are still as big as the day this

757

00:29:49,750 --> 00:29:48,399

happened

758

00:29:50,870 --> 00:29:49,760

i remember it

759

00:29:53,350 --> 00:29:50,880

was

760

00:29:55,830 --> 00:29:53,360

with utmost clarity and detail i slowly

761

00:29:58,070 --> 00:29:55,840

stood up making sure not to creak any of

762

00:30:00,789 --> 00:29:58,080

the floor birds as best i could

763

00:30:04,470 --> 00:30:00,799

i only had to move forward a few feet to

764

00:30:06,630 --> 00:30:04,480

gaze upon the speck to go outside

765

00:30:09,110 --> 00:30:06,640

i looked down at my mother's garden

766

00:30:11,269 --> 00:30:09,120

which was about 50 to 60 foot away from

767

00:30:14,470 --> 00:30:11,279

the back wall of the house and on the

768

00:30:17,510 --> 00:30:14,480

left side of the guard i saw this thing

769

00:30:22,389 --> 00:30:17,520

i had no idea what i was looking at but

770

00:30:25,430 --> 00:30:22,399

i was sure hell wasn't a pig bare goat

771

00:30:28,149 --> 00:30:25,440

coyote wolf badge or anything like that

772

00:30:30,950 --> 00:30:28,159

i i didn't recognize what it was

773

00:30:33,590 --> 00:30:30,960

i could only see the silhouetto of its

774

00:30:36,789 --> 00:30:33,600

because all it was because it had

775

00:30:38,470 --> 00:30:36,799

because i had was moonlight outside

776

00:30:40,710 --> 00:30:38,480

what it honestly looked like for a

777

00:30:43,029 --> 00:30:40,720

second was quasimodo from the hunchback

778

00:30:45,110 --> 00:30:43,039

notre dame that's what i remember

779

00:30:47,510 --> 00:30:45,120

thinking briefly

780

00:30:49,669 --> 00:30:47,520

it was rounded over hunch figure that

781

00:30:51,669 --> 00:30:49,679

seemed to be squatting on its back legs

782

00:30:54,470 --> 00:30:51,679

and digging very rapidly through the

783

00:30:56,549 --> 00:30:54,480

edge of my mom's guard

784

00:30:59,430 --> 00:30:56,559

it would hop side to side kind of like a

785

00:31:01,190 --> 00:30:59,440

monkey hopping about eight inches or so

786

00:31:02,950 --> 00:31:01,200

in each direction or either direction

787

00:31:04,470 --> 00:31:02,960

and would keep digging

788

00:31:06,630 --> 00:31:04,480

it was tearing apart the edge of the

789

00:31:07,990 --> 00:31:06,640

garden now after a few minutes i rounded

790

00:31:09,669 --> 00:31:08,000

the edge of the garden and started

791

00:31:11,990 --> 00:31:09,679

digging the long side

792

00:31:15,029 --> 00:31:12,000

that runs parallel to my house so it's

793

00:31:16,549 --> 00:31:15,039

its back was facing me

794

00:31:18,950 --> 00:31:16,559

again it

795

00:31:21,590 --> 00:31:18,960

was maybe 50 or 60 feet away from me and

796

00:31:23,190 --> 00:31:21,600

about 15 foot down from my

797

00:31:25,750 --> 00:31:23,200

my window

798

00:31:27,990 --> 00:31:25,760

it did the same side hopping thing it

799

00:31:30,710 --> 00:31:28,000

was doing the whole time making this

800

00:31:33,029 --> 00:31:30,720

loud rooting running noise

801  
00:31:34,950 --> 00:31:33,039  
again i can only compare it to the sound

802  
00:31:36,950 --> 00:31:34,960  
of a pig while rooting

803  
00:31:38,950 --> 00:31:36,960  
but this thing wasn't sticking its head

804  
00:31:40,870 --> 00:31:38,960  
near the ground or anything it was

805  
00:31:44,070 --> 00:31:40,880  
it was at least not that's what i could

806  
00:31:46,389 --> 00:31:44,080  
notice it was digging like grazing

807  
00:31:48,789 --> 00:31:46,399  
now this is where it gets strange to

808  
00:31:50,870 --> 00:31:48,799  
absolutely hair raising totally insane

809  
00:31:53,269 --> 00:31:50,880  
and terrifying after about five minutes

810  
00:31:55,590 --> 00:31:53,279  
or so of this thing just digging around

811  
00:31:56,710 --> 00:31:55,600  
the perimeter of my mom's garden it just

812  
00:32:01,509 --> 00:31:56,720  
stopped

813  
00:32:03,509 --> 00:32:01,519

the rooting in the groaning noise

814

00:32:05,669 --> 00:32:03,519

and it just sat there motionless for

815

00:32:07,509 --> 00:32:05,679

about 15 seconds

816

00:32:09,750 --> 00:32:07,519

what happens next still gives me

817

00:32:12,710 --> 00:32:09,760

goosebumps as i'm getting them just

818

00:32:14,950 --> 00:32:12,720

typing this out it raised up on its back

819

00:32:16,630 --> 00:32:14,960

legs and just stood there

820

00:32:19,029 --> 00:32:16,640

as a human does

821

00:32:21,269 --> 00:32:19,039

facing our fields toward the woods

822

00:32:24,149 --> 00:32:21,279

it stood there for about 10 seconds and

823

00:32:25,830 --> 00:32:24,159

turned and faced to the right briefly

824

00:32:27,350 --> 00:32:25,840

and that's when i saw the form of this

825

00:32:29,590 --> 00:32:27,360

thing it was huge

826

00:32:33,350 --> 00:32:29,600

it was probably six and a half to even

827

00:32:35,669 --> 00:32:33,360

seven foot tall and a huge barrel chest

828

00:32:37,990 --> 00:32:35,679

it turned to the right just briefly that

829

00:32:39,509 --> 00:32:38,000

was enough to see how big it was from

830

00:32:41,430 --> 00:32:39,519

from the side

831

00:32:43,669 --> 00:32:41,440

so it turns and looks

832

00:32:45,269 --> 00:32:43,679

uh to the right and then starts walking

833

00:32:46,870 --> 00:32:45,279

on two legs

834

00:32:49,029 --> 00:32:46,880

right through the garden and about 50

835

00:32:50,630 --> 00:32:49,039

foot into the hayfield

836

00:32:53,029 --> 00:32:50,640

it was just

837

00:32:54,549 --> 00:32:53,039

i was just kind of squinting now because

838

00:32:57,350 --> 00:32:54,559

it was kind of disappearing into the

839

00:33:00,389 --> 00:32:57,360

darkness but it dropped down back down

840

00:33:04,310 --> 00:33:00,399

on all four legs and started running

841

00:33:06,389 --> 00:33:04,320

as i remember ran much like a dog does

842

00:33:08,230 --> 00:33:06,399

it ran diagonally to the left towards

843

00:33:10,310 --> 00:33:08,240

our fence line that divided the hay in

844

00:33:12,070 --> 00:33:10,320

the cornfields and left right leaped

845

00:33:13,750 --> 00:33:12,080

right over it

846

00:33:16,630 --> 00:33:13,760

the uh the fence was probably four and a

847

00:33:18,310 --> 00:33:16,640

half foot high uh it was an old barbed

848

00:33:20,070 --> 00:33:18,320

wire fence that

849

00:33:21,750 --> 00:33:20,080

we couldn't even you know we didn't

850

00:33:24,310 --> 00:33:21,760

really maintain

851

00:33:25,990 --> 00:33:24,320

it's behind that field where the pond is

852

00:33:27,509 --> 00:33:26,000

and between our property and the

853

00:33:29,269 --> 00:33:27,519

neighbors

854

00:33:31,350 --> 00:33:29,279

now i remember laying there

855

00:33:32,470 --> 00:33:31,360

laying back down the bed and i started

856

00:33:34,950 --> 00:33:32,480

crying

857

00:33:38,710 --> 00:33:34,960

not like sobbing but tears just came out

858

00:33:40,389 --> 00:33:38,720

and i just stared at the ceiling i i

859

00:33:43,350 --> 00:33:40,399

don't know how long it took me to fall

860

00:33:45,509 --> 00:33:43,360

back asleep probably two or three hours

861

00:33:47,750 --> 00:33:45,519

i remember waking up to my mom making

862

00:33:49,350 --> 00:33:47,760

breakfast then i ran outside

863

00:33:51,590 --> 00:33:49,360

and looked at the garden it was

864

00:33:53,029 --> 00:33:51,600

definitely tore up and i was certainly

865

00:33:56,070 --> 00:33:53,039

not dreaming

866

00:33:57,830 --> 00:33:56,080

i ran back inside frantically yelling to

867

00:34:00,149 --> 00:33:57,840

my mom and dad

868

00:34:01,430 --> 00:34:00,159

what i had seen and they didn't believe

869

00:34:05,029 --> 00:34:01,440

me

870

00:34:07,430 --> 00:34:05,039

garden my mom went out there and said

871

00:34:09,270 --> 00:34:07,440

there was just some animal torn

872

00:34:12,069 --> 00:34:09,280

through it looking for food

873

00:34:13,510 --> 00:34:12,079

i tried explaining everything that i had

874

00:34:15,430 --> 00:34:13,520

seen that night

875

00:34:18,310 --> 00:34:15,440

and they just stared at me like i was

876

00:34:21,430 --> 00:34:18,320

speaking chinese and said i was dreaming

877

00:34:22,950 --> 00:34:21,440

or i was mistaken so later on my mom

878

00:34:24,950 --> 00:34:22,960

filled in the holes and straightened out

879

00:34:27,190 --> 00:34:24,960

the guard again so there's no visible

880

00:34:29,430 --> 00:34:27,200

trees what had happened there

881

00:34:30,950 --> 00:34:29,440

i never went back to that pond again

882

00:34:33,030 --> 00:34:30,960

because at that point

883

00:34:35,270 --> 00:34:33,040

i'm convinced this thing

884

00:34:36,550 --> 00:34:35,280

that you know responsible for this was

885

00:34:39,030 --> 00:34:36,560

the thing that was responsible for

886

00:34:41,349 --> 00:34:39,040

killing the cure the deer and the calves

887

00:34:43,750 --> 00:34:41,359

i never went back there five years the

888

00:34:45,190 --> 00:34:43,760

five years we lived at the house

889

00:34:47,349 --> 00:34:45,200

now when school started again i

890

00:34:49,109 --> 00:34:47,359

cautiously ex asked some of my friends

891

00:34:50,629 --> 00:34:49,119

that lived near the area

892

00:34:52,869 --> 00:34:50,639

if they hadn't seen anything out of the

893

00:34:54,869 --> 00:34:52,879

ordinary and none of them had i tried

894

00:34:57,030 --> 00:34:54,879

telling a few people

895

00:34:59,829 --> 00:34:57,040

what i saw but they just laughed calling

896

00:35:02,630 --> 00:34:59,839

me an idiot or a lunar and that was the

897

00:35:04,710 --> 00:35:02,640

end of it uh the closest thing that i

898

00:35:07,510 --> 00:35:04,720

can compare it to

899

00:35:10,470 --> 00:35:07,520

is what a werewolf depicted most notably

900

00:35:12,870 --> 00:35:10,480

the likens from the underworld films

901  
00:35:14,470 --> 00:35:12,880  
that movie uh kind of put me into

902  
00:35:16,550 --> 00:35:14,480  
paralysis the first time i saw it

903  
00:35:18,150 --> 00:35:16,560  
because it closely resembled was a soul

904  
00:35:20,630 --> 00:35:18,160  
that night

905  
00:35:22,150 --> 00:35:20,640  
now long story short after the the first

906  
00:35:23,829 --> 00:35:22,160  
few weeks of

907  
00:35:25,990 --> 00:35:23,839  
school my junior year i just simply

908  
00:35:28,150 --> 00:35:26,000  
never talked about it again

909  
00:35:29,109 --> 00:35:28,160  
i only told my wife about it three years

910  
00:35:31,270 --> 00:35:29,119  
ago

911  
00:35:33,510 --> 00:35:31,280  
what happened and which

912  
00:35:34,630 --> 00:35:33,520  
for now has been 17 years

913  
00:35:36,950 --> 00:35:34,640

um

914

00:35:38,870 --> 00:35:36,960

i know she believes me

915

00:35:40,310 --> 00:35:38,880

believe me that i saw something out

916

00:35:42,470 --> 00:35:40,320

there but i think

917

00:35:45,430 --> 00:35:42,480

she is under the impression that i've

918

00:35:47,990 --> 00:35:45,440

miranda dramatized it quite a bit

919

00:35:50,390 --> 00:35:48,000

which is not true after i told my wife

920

00:35:52,470 --> 00:35:50,400

about it she asked if i'd ever uh looked

921

00:35:55,430 --> 00:35:52,480

it up online or done research

922

00:35:57,430 --> 00:35:55,440

for similar sightings of wisconsin

923

00:35:58,870 --> 00:35:57,440

and now i honestly haven't ever done it

924

00:36:01,109 --> 00:35:58,880

before

925

00:36:03,510 --> 00:36:01,119

i didn't take long to find uh what is

926  
00:36:05,349 --> 00:36:03,520  
called the barista parade road which has

927  
00:36:07,589 --> 00:36:05,359  
been spotted in the central wisconsin

928  
00:36:09,510 --> 00:36:07,599  
for decades really much reading some of

929  
00:36:12,069 --> 00:36:09,520  
the first hand accounts

930  
00:36:15,270 --> 00:36:12,079  
of other people only solidified that i

931  
00:36:17,750 --> 00:36:15,280  
did see what i that i did see what i saw

932  
00:36:20,470 --> 00:36:17,760  
and that some are artistic renderings

933  
00:36:22,790 --> 00:36:20,480  
are pretty spot-on to what i saw

934  
00:36:23,910 --> 00:36:22,800  
so one of the most obvious questions i'm

935  
00:36:25,910 --> 00:36:23,920  
getting

936  
00:36:28,150 --> 00:36:25,920  
going to ask is what do the prints look

937  
00:36:28,950 --> 00:36:28,160  
like and the truth is i really don't

938  
00:36:31,589 --> 00:36:28,960

know

939

00:36:33,990 --> 00:36:31,599

when i went out that morning it wasn't

940

00:36:35,829 --> 00:36:34,000

to examine prince it was uh to make sure

941

00:36:37,349 --> 00:36:35,839

that the guard was indeed ripped up and

942

00:36:38,950 --> 00:36:37,359

i wasn't dreaming

943

00:36:40,230 --> 00:36:38,960

another question i've gotten is why

944

00:36:42,069 --> 00:36:40,240

don't your parent why didn't your

945

00:36:44,550 --> 00:36:42,079

parents investigate well i don't know

946

00:36:47,190 --> 00:36:44,560

why either but i know my mom was just so

947

00:36:49,030 --> 00:36:47,200

convinced it was just an another animal

948

00:36:50,310 --> 00:36:49,040

that she didn't even bother to look at

949

00:36:52,230 --> 00:36:50,320

it so

950

00:36:54,470 --> 00:36:52,240

there are all sorts of critters there in

951  
00:36:56,790 --> 00:36:54,480  
that area while dogs and coyotes and

952  
00:36:58,069 --> 00:36:56,800  
wolves so i imagine that any print that

953  
00:37:00,630 --> 00:36:58,079  
thing left

954  
00:37:02,870 --> 00:37:00,640  
would have resembled either those or

955  
00:37:05,589 --> 00:37:02,880  
something similar so

956  
00:37:07,109 --> 00:37:05,599  
uh the other question would be why

957  
00:37:09,190 --> 00:37:07,119  
didn't you go back with your mom and

958  
00:37:11,349 --> 00:37:09,200  
look around the easy answer is i live in

959  
00:37:13,109 --> 00:37:11,359  
an operating dairy farm after breakfast

960  
00:37:15,109 --> 00:37:13,119  
it was off to the barn

961  
00:37:16,069 --> 00:37:15,119  
my little monster fantasy wasn't enough

962  
00:37:17,990 --> 00:37:16,079  
to keep

963  
00:37:19,270 --> 00:37:18,000

me from cleaning the stalls and limiting

964

00:37:20,790 --> 00:37:19,280

the barn

965

00:37:22,069 --> 00:37:20,800

so you know

966

00:37:24,069 --> 00:37:22,079

this is a pretty interesting and

967

00:37:25,829 --> 00:37:24,079

detailed account

968

00:37:29,510 --> 00:37:25,839

um

969

00:37:31,270 --> 00:37:29,520

that underworld lincoln's description

970

00:37:33,750 --> 00:37:31,280

is pretty similar to some of the

971

00:37:35,910 --> 00:37:33,760

uprights so we upgrade k9 sightings that

972

00:37:38,069 --> 00:37:35,920

we get here in pennsylvania i've had

973

00:37:39,829 --> 00:37:38,079

several witnesses even butch commented

974

00:37:42,150 --> 00:37:39,839

that several the witness had said that

975

00:37:43,589 --> 00:37:42,160

to him in the past so uh

976

00:37:45,990 --> 00:37:43,599

yeah i mean

977

00:37:48,230 --> 00:37:46,000

i i don't know

978

00:37:49,430 --> 00:37:48,240

if some of the sightings of these things

979

00:37:50,710 --> 00:37:49,440

have been

980

00:37:53,270 --> 00:37:50,720

used to

981

00:37:55,750 --> 00:37:53,280

mimic what is in the movie or vice versa

982

00:37:58,310 --> 00:37:55,760

or how whatever is going on but uh

983

00:38:00,230 --> 00:37:58,320

we have had that reference before so

984

00:38:06,230 --> 00:38:00,240

it's interesting

985

00:38:11,670 --> 00:38:09,270

is there any animosity between dog man

986

00:38:13,510 --> 00:38:11,680

and bigfoot well i have heard some

987

00:38:15,829 --> 00:38:13,520

accounts in the past

988

00:38:17,030 --> 00:38:15,839

um

989

00:38:18,470 --> 00:38:17,040

i i know

990

00:38:20,550 --> 00:38:18,480

before

991

00:38:22,470 --> 00:38:20,560

jc johnson passed away he was

992

00:38:24,069 --> 00:38:22,480

investigating a location in northern

993

00:38:25,910 --> 00:38:24,079

minnesota

994

00:38:28,630 --> 00:38:25,920

and

995

00:38:31,670 --> 00:38:28,640

he was convinced that there was a dog

996

00:38:34,230 --> 00:38:31,680

man and a bigfoot population in the area

997

00:38:35,670 --> 00:38:34,240

and they kind of sparred sport off

998

00:38:37,510 --> 00:38:35,680

occasionally

999

00:38:39,349 --> 00:38:37,520

uh he didn't really have any evidence

1000

00:38:41,670 --> 00:38:39,359

though i did have there was a video

1001  
00:38:43,589 --> 00:38:41,680  
available at the time

1002  
00:38:45,589 --> 00:38:43,599  
that seemed to suggest that there was

1003  
00:38:47,829 --> 00:38:45,599  
some time activity between

1004  
00:38:50,630 --> 00:38:47,839  
the dog men and the um

1005  
00:38:52,310 --> 00:38:50,640  
and the bigfoot in the area so uh

1006  
00:38:55,750 --> 00:38:52,320  
that's the only thing i can can

1007  
00:38:59,430 --> 00:38:57,510  
i haven't really talked to anybody else

1008  
00:39:02,310 --> 00:38:59,440  
who has had any confirmation of that

1009  
00:39:03,990 --> 00:39:02,320  
happening but i know

1010  
00:39:06,630 --> 00:39:04,000  
in pennsylvania

1011  
00:39:08,230 --> 00:39:06,640  
uh from the reports we've gotten

1012  
00:39:11,030 --> 00:39:08,240  
over the years

1013  
00:39:12,150 --> 00:39:11,040

it seems that

1014

00:39:14,470 --> 00:39:12,160

when

1015

00:39:16,550 --> 00:39:14,480

these upright canines dog man where you

1016

00:39:18,150 --> 00:39:16,560

want to call them and the bigfoot when

1017

00:39:19,589 --> 00:39:18,160

they're traveling or when they're moving

1018

00:39:23,030 --> 00:39:19,599

along

1019

00:39:25,030 --> 00:39:23,040

the the mountains uh the dog the dog men

1020

00:39:27,270 --> 00:39:25,040

usually stay in the ridges

1021

00:39:28,470 --> 00:39:27,280

as the bigfoot usually travel down in

1022

00:39:29,349 --> 00:39:28,480

the valleys

1023

00:39:32,150 --> 00:39:29,359

now

1024

00:39:33,190 --> 00:39:32,160

is is that just because it's more

1025

00:39:34,710 --> 00:39:33,200

convenient

1026  
00:39:36,470 --> 00:39:34,720  
for them or are they trying to stay away

1027  
00:39:38,870 --> 00:39:36,480  
from each other i don't know i've never

1028  
00:39:42,390 --> 00:39:38,880  
been able to answer that question

1029  
00:39:44,310 --> 00:39:42,400  
but uh it seems that that does occur

1030  
00:39:45,990 --> 00:39:44,320  
so uh yeah i don't know i don't know if

1031  
00:39:47,589 --> 00:39:46,000  
they they sport off with each other or

1032  
00:39:50,630 --> 00:39:47,599  
not

1033  
00:39:52,710 --> 00:39:50,640  
so uh this account

1034  
00:39:55,750 --> 00:39:52,720  
this is an account that has to do with

1035  
00:39:58,950 --> 00:39:55,760  
the chicago mothman sightings

1036  
00:40:01,430 --> 00:39:58,960  
and this was received by manuel well

1037  
00:40:04,150 --> 00:40:01,440  
who's a member of the team

1038  
00:40:05,349 --> 00:40:04,160

at ufo clearinghouse

1039

00:40:11,990 --> 00:40:05,359

and

1040

00:40:12,790 --> 00:40:12,000

investigations i also i actually got a

1041

00:40:14,550 --> 00:40:12,800

um

1042

00:40:17,270 --> 00:40:14,560

a follow-up from one of the people who

1043

00:40:19,510 --> 00:40:17,280

were there uh who verified the police

1044

00:40:20,710 --> 00:40:19,520

officer's report

1045

00:40:22,550 --> 00:40:20,720

uh so

1046

00:40:24,069 --> 00:40:22,560

he states that i'm going to tell you

1047

00:40:26,670 --> 00:40:24,079

about something that happened to me on

1048

00:40:29,589 --> 00:40:26,680

the night of june 29th

1049

00:40:31,030 --> 00:40:29,599

2017 in chicago illinois

1050

00:40:33,670 --> 00:40:31,040

now i'm reporting this on my own

1051

00:40:36,710 --> 00:40:33,680

volition and i am wanting to say it and

1052

00:40:38,470 --> 00:40:36,720

stay anonymously stay anonymous due to

1053

00:40:41,109 --> 00:40:38,480

the fact that i worked for the chicago

1054

00:40:43,270 --> 00:40:41,119

police department and do not want anyone

1055

00:40:44,309 --> 00:40:43,280

else to know that i submitted this

1056

00:40:45,990 --> 00:40:44,319

report

1057

00:40:47,670 --> 00:40:46,000

i have been with the chicago police

1058

00:40:49,349 --> 00:40:47,680

department for over eight and a half

1059

00:40:51,190 --> 00:40:49,359

years

1060

00:40:53,109 --> 00:40:51,200

now the only people

1061

00:40:55,829 --> 00:40:53,119

you know that i submitted this or my

1062

00:40:58,470 --> 00:40:55,839

wife my son who encouraged me to submit

1063

00:41:00,630 --> 00:40:58,480

it and my partner he also was a witness

1064

00:41:02,550 --> 00:41:00,640

to this incident

1065

00:41:04,630 --> 00:41:02,560

now i want you to know that i am sound

1066

00:41:06,870 --> 00:41:04,640

mind health and i don't want any

1067

00:41:07,910 --> 00:41:06,880

publicity other than just reporting this

1068

00:41:09,990 --> 00:41:07,920

incident

1069

00:41:12,069 --> 00:41:10,000

i also want you to know that i'm not

1070

00:41:13,030 --> 00:41:12,079

prone to fit to fantasy or hoaxing

1071

00:41:16,069 --> 00:41:13,040

anything

1072

00:41:19,589 --> 00:41:16,079

that i see especially while i'm on duty

1073

00:41:22,710 --> 00:41:19,599

now on the night of june 29th 2017 at

1074

00:41:25,430 --> 00:41:22,720

approximately 11 15 p.m

1075

00:41:27,190 --> 00:41:25,440

my partner and i were on routine patrol

1076

00:41:29,990 --> 00:41:27,200

and approaching the intersection of west

1077

00:41:30,870 --> 00:41:30,000

81st and south roop

1078

00:41:35,190 --> 00:41:30,880

in the

1079

00:41:36,950 --> 00:41:35,200

auburn crescent neighborhood in chicago

1080

00:41:39,109 --> 00:41:36,960

we were flagged down by a group of

1081

00:41:40,950 --> 00:41:39,119

people who were pointing up to the top

1082

00:41:42,790 --> 00:41:40,960

of an apartment building that was on the

1083

00:41:44,870 --> 00:41:42,800

corner we pulled over and they

1084

00:41:46,309 --> 00:41:44,880

immediatly started telling us to look

1085

00:41:48,309 --> 00:41:46,319

up at the building

1086

00:41:50,630 --> 00:41:48,319

now many people were very frightening

1087

00:41:53,109 --> 00:41:50,640

were very excited about seeing what they

1088

00:41:55,829 --> 00:41:53,119

you know seeing what they had seen

1089

00:41:57,589 --> 00:41:55,839

my partner and i looked and i see a

1090

00:41:59,990 --> 00:41:57,599

large creature that was approximately

1091

00:42:03,190 --> 00:42:00,000

six or six and a half foot tall

1092

00:42:05,510 --> 00:42:03,200

and very thin if it had been a human it

1093

00:42:07,750 --> 00:42:05,520

would have been emaciated

1094

00:42:08,870 --> 00:42:07,760

this thing was uh standing on the top of

1095

00:42:11,270 --> 00:42:08,880

the building

1096

00:42:13,910 --> 00:42:11,280

and had what looked like a pair of very

1097

00:42:16,870 --> 00:42:13,920

large wings that extended out at least

1098

00:42:18,790 --> 00:42:16,880

eight to ten feet from tip to tip

1099

00:42:23,030 --> 00:42:18,800

no discernible feature it just looked

1100

00:42:24,550 --> 00:42:23,040

like a dark black shadow with wings

1101

00:42:26,309 --> 00:42:24,560

my partner and i both thought it was

1102

00:42:29,270 --> 00:42:26,319

somebody trying to jump in the building

1103

00:42:31,270 --> 00:42:29,280

and maybe wearing a costume of some type

1104

00:42:33,349 --> 00:42:31,280

so uh when we both shined our

1105

00:42:35,349 --> 00:42:33,359

flashlights to get a better look of what

1106

00:42:37,510 --> 00:42:35,359

we were dealing with this thing took off

1107

00:42:39,829 --> 00:42:37,520

into the air and flew away

1108

00:42:42,230 --> 00:42:39,839

and as this creature flew away it was

1109

00:42:44,550 --> 00:42:42,240

heading in the southern direction

1110

00:42:46,470 --> 00:42:44,560

something sounding like a scream came

1111

00:42:49,750 --> 00:42:46,480

from it within a matter of about five

1112

00:42:51,829 --> 00:42:49,760

seconds as creatures gone into the night

1113

00:42:53,510 --> 00:42:51,839

the people who initially flagged us down

1114

00:42:55,030 --> 00:42:53,520

had said that many people in the

1115

00:42:56,710 --> 00:42:55,040

neighborhood seen this thing for the

1116

00:42:58,630 --> 00:42:56,720

previous two nights

1117

00:43:00,230 --> 00:42:58,640

and this had just happened to be the

1118

00:43:02,470 --> 00:43:00,240

only time they had seen it in a

1119

00:43:04,630 --> 00:43:02,480

stationary place

1120

00:43:08,470 --> 00:43:04,640

uh we stood there stunned as this thing

1121

00:43:10,550 --> 00:43:08,480

flew away and disappeared into the night

1122

00:43:12,390 --> 00:43:10,560

uh we stood there and talked to the

1123

00:43:14,069 --> 00:43:12,400

group of people who flagged us down

1124

00:43:15,990 --> 00:43:14,079

taking information down in any

1125

00:43:18,230 --> 00:43:16,000

information regarding previous sightings

1126  
00:43:20,309 --> 00:43:18,240  
from the night before

1127  
00:43:23,030 --> 00:43:20,319  
we initially were doubtful about filling

1128  
00:43:24,710 --> 00:43:23,040  
or filing a report but we thought

1129  
00:43:27,510 --> 00:43:24,720  
we would be made fun of for seeing

1130  
00:43:29,109 --> 00:43:27,520  
little green men we finally filed a

1131  
00:43:32,309 --> 00:43:29,119  
report

1132  
00:43:34,150 --> 00:43:32,319  
as we did not want to violate protocol

1133  
00:43:36,630 --> 00:43:34,160  
nothing was ever said about the report

1134  
00:43:40,069 --> 00:43:36,640  
being filed and as of right now it's

1135  
00:43:41,829 --> 00:43:40,079  
been business as usual

1136  
00:43:44,230 --> 00:43:41,839  
now we wanted to follow this report

1137  
00:43:46,390 --> 00:43:44,240  
because after i told my son the story he

1138  
00:43:48,150 --> 00:43:46,400

went online and showed me

1139

00:43:50,550 --> 00:43:48,160

that this was not the only setting or

1140

00:43:52,069 --> 00:43:50,560

something in or something similar being

1141

00:43:53,670 --> 00:43:52,079

seen in the city

1142

00:43:55,750 --> 00:43:53,680

i showed my partner the day of the

1143

00:43:57,829 --> 00:43:55,760

sighting and he said that he did not

1144

00:43:59,670 --> 00:43:57,839

want to be involved and as far as he was

1145

00:44:01,510 --> 00:43:59,680

concerned there was nothing more than

1146

00:44:03,109 --> 00:44:01,520

large owl or big bird that was

1147

00:44:05,030 --> 00:44:03,119

misidentified

1148

00:44:07,589 --> 00:44:05,040

my son was the one who encouraged me to

1149

00:44:09,430 --> 00:44:07,599

file this and i did it anonymously to

1150

00:44:11,430 --> 00:44:09,440

protect my identity

1151  
00:44:13,190 --> 00:44:11,440  
now i know what i saw was real and i

1152  
00:44:15,910 --> 00:44:13,200  
even and even though i had no

1153  
00:44:17,349 --> 00:44:15,920  
explanation as to what it truly is

1154  
00:44:19,750 --> 00:44:17,359  
i know

1155  
00:44:21,670 --> 00:44:19,760  
what i saw was flesh and blood i'm a

1156  
00:44:23,589 --> 00:44:21,680  
christian man who believes that there

1157  
00:44:25,910 --> 00:44:23,599  
are things that come out from other

1158  
00:44:27,589 --> 00:44:25,920  
planes and stalk the people of this

1159  
00:44:28,630 --> 00:44:27,599  
earth and that's not

1160  
00:44:30,790 --> 00:44:28,640  
that's

1161  
00:44:32,309 --> 00:44:30,800  
only one's faith is to protect us from

1162  
00:44:33,910 --> 00:44:32,319  
these things

1163  
00:44:36,390 --> 00:44:33,920

i know that my faith is strong and

1164

00:44:38,870 --> 00:44:36,400

therefore i'm protected so i hope that i

1165

00:44:40,790 --> 00:44:38,880

never see this thing again thank you

1166

00:44:42,470 --> 00:44:40,800

very much for your time and have a

1167

00:44:44,870 --> 00:44:42,480

blessed day

1168

00:44:46,069 --> 00:44:44,880

now actually this is a pretty amazing

1169

00:44:46,950 --> 00:44:46,079

account

1170

00:44:49,109 --> 00:44:46,960

uh

1171

00:44:53,670 --> 00:44:49,119

and and the best part is that there's

1172

00:44:55,910 --> 00:44:53,680

supposedly a police report in the system

1173

00:44:58,150 --> 00:44:55,920

uh the images of the intersection are

1174

00:45:00,150 --> 00:44:58,160

facing towards the south and the

1175

00:45:02,069 --> 00:45:00,160

direction the witness stated

1176

00:45:03,589 --> 00:45:02,079

that the being flew

1177

00:45:05,589 --> 00:45:03,599

and all the all the buildings in the

1178

00:45:07,829 --> 00:45:05,599

neighborhood are two to three stories so

1179

00:45:09,349 --> 00:45:07,839

the witnesses have gotten a good look at

1180

00:45:11,270 --> 00:45:09,359

this being now

1181

00:45:13,510 --> 00:45:11,280

there's a bit of a backstory to this i

1182

00:45:16,710 --> 00:45:13,520

did talk to a witness

1183

00:45:19,349 --> 00:45:16,720

who contacted me two days later

1184

00:45:20,309 --> 00:45:19,359

after i posted this online and they had

1185

00:45:22,230 --> 00:45:20,319

seen it

1186

00:45:24,069 --> 00:45:22,240

and they were searching and they

1187

00:45:25,750 --> 00:45:24,079

verified every bit of this account by

1188

00:45:27,829 --> 00:45:25,760

the police

1189

00:45:29,670 --> 00:45:27,839

uh they also told me that other people

1190

00:45:31,750 --> 00:45:29,680

in the neighborhood had seen it were

1191

00:45:33,270 --> 00:45:31,760

scared to come forward

1192

00:45:35,670 --> 00:45:33,280

so

1193

00:45:38,790 --> 00:45:35,680

when this police officer

1194

00:45:39,829 --> 00:45:38,800

insisted that he did file a report

1195

00:45:42,230 --> 00:45:39,839

so

1196

00:45:44,790 --> 00:45:42,240

at that point we started filing

1197

00:45:46,710 --> 00:45:44,800

a four-year request with the chicago

1198

00:45:48,870 --> 00:45:46,720

police department

1199

00:45:50,870 --> 00:45:48,880

and as you may suspect we never got a

1200

00:45:53,030 --> 00:45:50,880

response well we did get a response we

1201  
00:45:55,030 --> 00:45:53,040  
got a response within two days three

1202  
00:45:57,430 --> 00:45:55,040  
days which is

1203  
00:45:59,510 --> 00:45:57,440  
very uncommon it's almost like they were

1204  
00:46:00,390 --> 00:45:59,520  
waiting for these these requests to come

1205  
00:46:05,109 --> 00:46:00,400  
in

1206  
00:46:06,230 --> 00:46:05,119  
like that was ever filed and that's what

1207  
00:46:08,630 --> 00:46:06,240  
we got

1208  
00:46:10,150 --> 00:46:08,640  
uh there were three foia requests made

1209  
00:46:11,430 --> 00:46:10,160  
and we got the same response to all

1210  
00:46:13,349 --> 00:46:11,440  
three

1211  
00:46:15,670 --> 00:46:13,359  
so um

1212  
00:46:17,589 --> 00:46:15,680  
uh either he did not file the report

1213  
00:46:19,270 --> 00:46:17,599

which i doubt or they were just holding

1214

00:46:20,390 --> 00:46:19,280

it back

1215

00:46:24,069 --> 00:46:20,400

we

1216

00:46:26,870 --> 00:46:24,079

have never had any cooperation with uh

1217

00:46:29,190 --> 00:46:26,880

anybody associated with the city

1218

00:46:31,589 --> 00:46:29,200

with these uh investigations the the

1219

00:46:32,630 --> 00:46:31,599

police department stays absolutely away

1220

00:46:35,589 --> 00:46:32,640

from it

1221

00:46:37,430 --> 00:46:35,599

i had one witness at one point uh at the

1222

00:46:39,910 --> 00:46:37,440

ohio street beach

1223

00:46:43,190 --> 00:46:39,920

who had seen one of these these wing

1224

00:46:45,990 --> 00:46:43,200

beings who worked in the mayor's office

1225

00:46:48,550 --> 00:46:46,000

and she told me that

1226

00:46:50,230 --> 00:46:48,560

the you know that she did not want to

1227

00:46:51,670 --> 00:46:50,240

get hang out that she worked there and

1228

00:46:53,990 --> 00:46:51,680

worked for the mayor

1229

00:46:56,150 --> 00:46:54,000

but we were not going to get any

1230

00:46:58,150 --> 00:46:56,160

information from anybody in the city

1231

00:47:00,069 --> 00:46:58,160

which turned out to be true

1232

00:47:02,550 --> 00:47:00,079

we have never had any cooperation

1233

00:47:04,710 --> 00:47:02,560

whatsoever from anybody associated with

1234

00:47:08,390 --> 00:47:04,720

the city of chicago

1235

00:47:11,430 --> 00:47:08,400

even the security companies

1236

00:47:13,670 --> 00:47:11,440

that have uh they have cameras and such

1237

00:47:15,829 --> 00:47:13,680

at certain locations where sightings

1238

00:47:17,670 --> 00:47:15,839

have been have not been cooperating have

1239

00:47:19,990 --> 00:47:17,680

never cooperated

1240

00:47:22,150 --> 00:47:20,000

uh you know it's a private company so

1241

00:47:23,990 --> 00:47:22,160

you just can't put a request out or try

1242

00:47:25,109 --> 00:47:24,000

to get them to show you or tell you

1243

00:47:27,190 --> 00:47:25,119

anything

1244

00:47:29,829 --> 00:47:27,200

uh they just haven't cooperated at all

1245

00:47:32,470 --> 00:47:29,839

so that's kind of where we're left at

1246

00:47:34,630 --> 00:47:32,480

unfortunately and um

1247

00:47:36,390 --> 00:47:34,640

you know i i understand what people get

1248

00:47:39,030 --> 00:47:36,400

upset well you know all the cameras

1249

00:47:41,670 --> 00:47:39,040

around this and that why don't you

1250

00:47:43,430 --> 00:47:41,680

have some verification well

1251

00:47:44,710 --> 00:47:43,440

we have tried

1252

00:47:46,790 --> 00:47:44,720

quite honest

1253

00:47:49,109 --> 00:47:46,800

and we just not have been able to get

1254

00:47:51,510 --> 00:47:49,119

anything uh even with the sightings at

1255

00:47:53,990 --> 00:47:51,520

the at the airport

1256

00:47:57,750 --> 00:47:54,000

uh we have filed four-year requests i

1257

00:47:59,430 --> 00:47:57,760

have uh even pilots have made um

1258

00:48:00,710 --> 00:47:59,440

um

1259

00:48:02,470 --> 00:48:00,720

who have seen this thing have made

1260

00:48:05,030 --> 00:48:02,480

reports with the

1261

00:48:06,710 --> 00:48:05,040

with the tower and with the faa

1262

00:48:08,870 --> 00:48:06,720

i filed a four-year request i think

1263

00:48:10,230 --> 00:48:08,880

tobias filed a four-year request with

1264

00:48:12,470 --> 00:48:10,240

the um

1265

00:48:14,549 --> 00:48:12,480

with the great lakes uh division of the

1266

00:48:16,230 --> 00:48:14,559

faa and

1267

00:48:17,349 --> 00:48:16,240

they have no idea what we're talking

1268

00:48:19,910 --> 00:48:17,359

about

1269

00:48:21,990 --> 00:48:19,920

and uh so of course we're you know we're

1270

00:48:24,549 --> 00:48:22,000

not getting any help there

1271

00:48:26,950 --> 00:48:24,559

um so that's kind of where we've been at

1272

00:48:28,150 --> 00:48:26,960

uh you know this whole investigation has

1273

00:48:29,589 --> 00:48:28,160

been

1274

00:48:31,190 --> 00:48:29,599

uh

1275

00:48:33,030 --> 00:48:31,200

has been something we had to do in our

1276

00:48:36,230 --> 00:48:33,040

own and thank god we've had people who

1277

00:48:38,630 --> 00:48:36,240

were brave enough to come forward at

1278

00:48:41,190 --> 00:48:38,640

risk of losing their jobs

1279

00:48:43,990 --> 00:48:41,200

and um you know that's the only way that

1280

00:48:46,829 --> 00:48:44,000

this is getting out so hopefully we can

1281

00:48:48,390 --> 00:48:46,839

continue to do this

1282

00:48:51,510 --> 00:48:48,400

now

1283

00:48:53,270 --> 00:48:51,520

other questions if you do have questions

1284

00:48:55,510 --> 00:48:53,280

put them up there and i'll try to answer

1285

00:48:58,390 --> 00:48:55,520

them you can talk about anything

1286

00:49:00,390 --> 00:48:58,400

uh question about anything involves uh

1287

00:49:06,630 --> 00:49:00,400

what i talked about

1288

00:49:10,150 --> 00:49:08,069

yeah

1289

00:49:14,230 --> 00:49:10,160

vince is asking about if the the thing

1290

00:49:16,549 --> 00:49:14,240

about the uh dog man and digging

1291

00:49:18,710 --> 00:49:16,559

remind you of the cemetery dog man

1292

00:49:23,990 --> 00:49:18,720

digging it kind of reminds me of that i

1293

00:49:27,109 --> 00:49:25,510

so if you have questions put it up there

1294

00:49:30,470 --> 00:49:27,119

now i am going to bring something else

1295

00:49:33,270 --> 00:49:30,480

up we had a report i got a report

1296

00:49:36,630 --> 00:49:33,280

on tuesday of this week

1297

00:49:38,549 --> 00:49:36,640

concerning a flying humanoid

1298

00:49:41,750 --> 00:49:38,559

that was recorded

1299

00:49:45,190 --> 00:49:41,760

in tokyo japan now i think vince is

1300

00:49:47,829 --> 00:49:45,200

going to put the photos up there but uh

1301

00:49:49,660 --> 00:49:47,839

this occurred on april 13th

1302

00:49:50,870 --> 00:49:49,670

2022

1303

00:49:53,829 --> 00:49:50,880

[Music]

1304

00:49:55,990 --> 00:49:53,839

in tokyo where a winged humanoid was

1305

00:49:58,549 --> 00:49:56,000

observed and recorded near the tokyo

1306

00:50:00,309 --> 00:49:58,559

tower now this is a landmark in tokyo

1307

00:50:02,549 --> 00:50:00,319

that's well known

1308

00:50:05,589 --> 00:50:02,559

and uh

1309

00:50:08,710 --> 00:50:05,599

i don't know what this thing is

1310

00:50:10,790 --> 00:50:08,720

you know the uh the the witness who said

1311

00:50:13,990 --> 00:50:10,800

they they were from poland but they were

1312

00:50:16,630 --> 00:50:14,000

living in tokyo for the past 20 years

1313

00:50:19,349 --> 00:50:16,640

had seen this and uploaded the uh the

1314

00:50:22,230 --> 00:50:19,359

photograph on youtube well yeah on

1315

00:50:24,309 --> 00:50:22,240

youtube and had actually taken a video

1316

00:50:25,190 --> 00:50:24,319

so i have the link to the video on the

1317

00:50:29,829 --> 00:50:25,200

on the

1318

00:50:34,230 --> 00:50:32,470

there have been some comments which i i

1319

00:50:35,030 --> 00:50:34,240

really don't take

1320

00:50:36,230 --> 00:50:35,040

too

1321

00:50:37,750 --> 00:50:36,240

serious

1322

00:50:40,650 --> 00:50:37,760

about people's

1323

00:50:42,230 --> 00:50:40,660

thoughts of what this thing was

1324

00:50:44,790 --> 00:50:42,240

[Music]

1325

00:50:46,710 --> 00:50:44,800

but this being looked to be

1326  
00:50:49,589 --> 00:50:46,720  
fairly thin

1327  
00:50:51,190 --> 00:50:49,599  
uh maybe about

1328  
00:50:53,349 --> 00:50:51,200  
three meters in height so it's a pretty

1329  
00:50:55,910 --> 00:50:53,359  
good size being

1330  
00:50:58,470 --> 00:50:55,920  
there were no wings it was

1331  
00:50:59,349 --> 00:50:58,480  
moving through the air pretty

1332  
00:51:01,030 --> 00:50:59,359  
you know

1333  
00:51:03,190 --> 00:51:01,040  
pretty easily

1334  
00:51:05,349 --> 00:51:03,200  
uh and towards the end of the towards

1335  
00:51:06,549 --> 00:51:05,359  
the end of the video it didn't kind of

1336  
00:51:09,589 --> 00:51:06,559  
uh

1337  
00:51:11,109 --> 00:51:09,599  
angle off and took off

1338  
00:51:12,549 --> 00:51:11,119

now i don't know the full details of

1339

00:51:14,069 --> 00:51:12,559

this anomaly

1340

00:51:16,150 --> 00:51:14,079

uh i don't know if it's some type of

1341

00:51:18,150 --> 00:51:16,160

promotional filming stunt or actually a

1342

00:51:20,549 --> 00:51:18,160

flying being

1343

00:51:22,470 --> 00:51:20,559

uh but i what i did i made it available

1344

00:51:24,069 --> 00:51:22,480

to everybody who wanted us you know so

1345

00:51:25,990 --> 00:51:24,079

they could look at it give their own

1346

00:51:27,030 --> 00:51:26,000

impressions so

1347

00:51:29,030 --> 00:51:27,040

you know

1348

00:51:30,870 --> 00:51:29,040

uh if you've got any questions about you

1349

00:51:32,710 --> 00:51:30,880

can ask about or send it to me and i'll

1350

00:51:35,109 --> 00:51:32,720

see what i can do

1351  
00:51:36,630 --> 00:51:35,119  
so um

1352  
00:51:38,230 --> 00:51:36,640  
this is the time for folks to ask

1353  
00:51:44,309 --> 00:51:38,240  
questions if they have any questions

1354  
00:51:47,750 --> 00:51:46,069  
okay well

1355  
00:51:50,150 --> 00:51:47,760  
i want to thank you all for coming on

1356  
00:51:52,069 --> 00:51:50,160  
tonight and listening to this and uh to

1357  
00:51:57,750 --> 00:51:52,079  
my reports

1358  
00:51:59,510 --> 00:51:57,760  
as we keep continuing to do this every

1359  
00:52:00,950 --> 00:51:59,520  
other week for now maybe it'll be a

1360  
00:52:03,670 --> 00:52:00,960  
weekly thing

1361  
00:52:05,430 --> 00:52:03,680  
but um i'm going to try to put the most

1362  
00:52:07,910 --> 00:52:05,440  
interesting most bizarre most

1363  
00:52:11,430 --> 00:52:07,920

unexplained stuff out there

1364

00:52:12,870 --> 00:52:11,440

and uh we do have a we do have a

1365

00:52:15,109 --> 00:52:12,880

question

1366

00:52:17,670 --> 00:52:15,119

do you think that some of these unknown

1367

00:52:20,309 --> 00:52:17,680

canine attacks are dog men

1368

00:52:22,549 --> 00:52:20,319

i i don't know possibly

1369

00:52:25,430 --> 00:52:22,559

uh you know i i've never seen one of

1370

00:52:27,270 --> 00:52:25,440

these things i you know i i know

1371

00:52:29,109 --> 00:52:27,280

we we have a gentleman who's on the team

1372

00:52:30,710 --> 00:52:29,119

by the name of james west he's had two

1373

00:52:33,510 --> 00:52:30,720

encounters they were pretty harrowing

1374

00:52:36,470 --> 00:52:33,520

encounters um

1375

00:52:38,470 --> 00:52:36,480

you know or or some large dog attacks

1376

00:52:41,190 --> 00:52:38,480

actually dog men or something related

1377

00:52:43,030 --> 00:52:41,200

that it's very possible i suppose

1378

00:52:44,470 --> 00:52:43,040

but we just don't have that that

1379

00:52:46,549 --> 00:52:44,480

information

1380

00:52:48,230 --> 00:52:46,559

so anyway uh i want to thank you all for

1381

00:52:49,990 --> 00:52:48,240

joining me this evening

1382

00:52:51,990 --> 00:52:50,000

and uh

1383

00:52:54,069 --> 00:52:52,000

we'll be doing this again so thanks

1384

00:53:01,250 --> 00:52:54,079

again and you take care and you have a
