so

3  
00:01:05,780 --> 00:01:02,960

[Music]

4  
00:01:21,590 --> 00:01:05,790

so

5  
00:01:25,830 --> 00:01:23,429

hey folks good evening and welcome to

6  
00:01:27,910 --> 00:01:25,840

phantoms and monsters personal reports

7  
00:01:29,510 --> 00:01:27,920

where i narrate some of the more recent

8  
00:01:31,429 --> 00:01:29,520

and past scripted and unexplained

9  
00:01:33,910 --> 00:01:31,439

sightings and encounters that were

10  
00:01:36,630 --> 00:01:33,920

submitted to phantoms and monsters

11  
00:01:39,510 --> 00:01:36,640

i'll also detail current and past

12  
00:01:41,510 --> 00:01:39,520

investigations so thanks for joining me

13  
00:01:43,830 --> 00:01:41,520

now the fans of monster radio channel is

14

00:01:46,149 --> 00:01:43,840

made possible by you liking

15

00:01:48,789 --> 00:01:46,159

and uh clicking the subscription button

16

00:01:51,590 --> 00:01:48,799

and uh by sharing our programming

17

00:01:53,590 --> 00:01:51,600

super chat and super thank donations are

18

00:01:55,749 --> 00:01:53,600

essential for us to continue offering

19

00:01:58,069 --> 00:01:55,759

you our unique content

20

00:01:59,830 --> 00:01:58,079

so uh and we have a new feature

21

00:02:01,749 --> 00:01:59,840

available for you to show your uh

22

00:02:03,510 --> 00:02:01,759

support of fans of monsters radio the

23

00:02:05,590 --> 00:02:03,520

bomia coffee link

24

00:02:07,749 --> 00:02:05,600

and banner shim below so your

25

00:02:09,029 --> 00:02:07,759

consideration is very much needed and

26

00:02:11,270 --> 00:02:09,039

appreciated

27

00:02:13,390 --> 00:02:11,280

now before i get started

28

00:02:16,390 --> 00:02:13,400

i have a request from an

29

00:02:18,790 --> 00:02:16,400

extraterrestrial experiencer

30

00:02:20,830 --> 00:02:18,800

who would like to know if anyone

31

00:02:23,910 --> 00:02:20,840

listening has encountered

32

00:02:26,070 --> 00:02:23,920

holograms of unknown creatures or

33

00:02:27,589 --> 00:02:26,080

entities before the actual alien

34

00:02:30,390 --> 00:02:27,599

encounter

35

00:02:33,270 --> 00:02:30,400

uh if you have thoughts on that question

36

00:02:35,910 --> 00:02:33,280

please post in the chat for vincent to

37

00:02:37,430 --> 00:02:35,920

make note of or sent to my email at

38

00:02:40,869 --> 00:02:37,440

lawnstrickler

39

00:02:46,229 --> 00:02:44,550

so let's get started um

40

00:02:49,030 --> 00:02:46,239

we've been having

41

00:02:52,630 --> 00:02:49,040

some new sightings

42

00:02:53,910 --> 00:02:52,640

south west of o'hare international

43

00:02:56,390 --> 00:02:53,920

the past

44

00:02:58,070 --> 00:02:56,400

couple weeks and uh we actually got a

45

00:02:59,990 --> 00:02:58,080

third one today

46

00:03:02,309 --> 00:03:00,000

so i'm gonna

47

00:03:04,470 --> 00:03:02,319

i'm gonna go ahead and read the three

48

00:03:07,750 --> 00:03:04,480

and uh the third one we're still looking

49

00:03:09,509 --> 00:03:07,760

into manuel sent it over to me today

50

00:03:11,589 --> 00:03:09,519

so

51

00:03:14,630 --> 00:03:11,599

a truck driver at work

52

00:03:16,830 --> 00:03:14,640

in bensonville illinois which is just

53

00:03:19,430 --> 00:03:16,840

southwest of o'hara international

54

00:03:23,270 --> 00:03:19,440

airport encounters a red-eyed winged

55

00:03:25,509 --> 00:03:23,280

humanoid that was making chirping sounds

56

00:03:29,110 --> 00:03:25,519

he states that i was at work thursday

57

00:03:31,670 --> 00:03:29,120

night april 28 2022

58

00:03:33,830 --> 00:03:31,680

i had just brought back a man lift from

59

00:03:36,630 --> 00:03:33,840

the construction site that we had picked

60

00:03:38,710 --> 00:03:36,640

up and brought back to the yard

61

00:03:40,869 --> 00:03:38,720

i had just driven the man live off the

62

00:03:43,350 --> 00:03:40,879

trailer and was just about to get back

63

00:03:45,509 --> 00:03:43,360

into the truck to park it when i saw

64  
00:03:46,390 --> 00:03:45,519  
something some movement from the back of

65  
00:03:48,630 --> 00:03:46,400  
the yard

66  
00:03:50,630 --> 00:03:48,640  
i grabbed the flashlight and headed back

67  
00:03:52,470 --> 00:03:50,640  
toward the storage containers that are

68  
00:03:54,869 --> 00:03:52,480  
kept in the back

69  
00:03:57,030 --> 00:03:54,879  
i saw something on top of the container

70  
00:03:58,630 --> 00:03:57,040  
and i shined a light on it

71  
00:04:00,869 --> 00:03:58,640  
and asked them what the hell they were

72  
00:04:02,869 --> 00:04:00,879  
doing back there and you know that i was

73  
00:04:04,390 --> 00:04:02,879  
about to call the police and they needed

74  
00:04:05,429 --> 00:04:04,400  
to get out of there

75  
00:04:07,830 --> 00:04:05,439  
uh

76  
00:04:10,710 --> 00:04:07,840  
i kept walking towards them and yelling

77  
00:04:12,789 --> 00:04:10,720  
when i heard a series of clicks

78  
00:04:14,470 --> 00:04:12,799  
rapid fire clicks and what sounded like

79  
00:04:16,469 --> 00:04:14,480  
chirping

80  
00:04:18,870 --> 00:04:16,479  
uh i'm a bit of a history buff and back

81  
00:04:20,870 --> 00:04:18,880  
in world war ii u.s troops used to carry

82  
00:04:22,710 --> 00:04:20,880  
these clickers called crickets they used

83  
00:04:25,030 --> 00:04:22,720  
it actually they used it

84  
00:04:26,790 --> 00:04:25,040  
the paratroopers used it

85  
00:04:29,510 --> 00:04:26,800  
behind the lines when they dropped them

86  
00:04:30,870 --> 00:04:29,520  
in just before the d-day invasion

87  
00:04:32,550 --> 00:04:30,880  
um

88  
00:04:35,030 --> 00:04:32,560

this sounded like those clickers only

89

00:04:36,950 --> 00:04:35,040

faster and louder some pitch and same

90

00:04:39,030 --> 00:04:36,960

pitch and tone

91

00:04:41,590 --> 00:04:39,040

uh i was about 12 feet from the

92

00:04:43,590 --> 00:04:41,600

containers i looked up and was met with

93

00:04:45,510 --> 00:04:43,600

a pair of red eyes that were staring

94

00:04:47,670 --> 00:04:45,520

directly at me

95

00:04:49,830 --> 00:04:47,680

these were attached to what looked like

96

00:04:52,390 --> 00:04:49,840

a tall being that must have been at

97

00:04:54,950 --> 00:04:52,400

least six to seven foot in height

98

00:04:58,070 --> 00:04:54,960

and looked like a giant man bet kind of

99

00:05:00,710 --> 00:04:58,080

thing i lost and started backing up

100

00:05:01,990 --> 00:05:00,720

while trying not to scream like a little

101  
00:05:04,550 --> 00:05:02,000  
girl

102  
00:05:07,110 --> 00:05:04,560  
uh this man bat was partially lit up by

103  
00:05:10,230 --> 00:05:07,120  
the lights we have in the yard

104  
00:05:12,469 --> 00:05:10,240  
i tried to shine my flashlight on it on

105  
00:05:15,189 --> 00:05:12,479  
this thing and i it started clicking at

106  
00:05:16,710 --> 00:05:15,199  
me and took off into the air

107  
00:05:18,550 --> 00:05:16,720  
it took off towards the north i

108  
00:05:19,909 --> 00:05:18,560  
practically ran back the truck and got

109  
00:05:22,310 --> 00:05:19,919  
in parked it

110  
00:05:24,550 --> 00:05:22,320  
i swear to god i sprinted toward my car

111  
00:05:26,390 --> 00:05:24,560  
which was parked by the main building

112  
00:05:28,150 --> 00:05:26,400  
where it was lit by the street lights

113  
00:05:29,990 --> 00:05:28,160

thoughts of something swooping down

114

00:05:32,710 --> 00:05:30,000

attacking me were swirling around my

115

00:05:36,310 --> 00:05:32,720

head i gotta get my car and left

116

00:05:38,790 --> 00:05:36,320

and not stopping until i got home

117

00:05:42,070 --> 00:05:38,800

now uh

118

00:05:43,510 --> 00:05:42,080

manuel uh did an update later on

119

00:05:45,430 --> 00:05:43,520

where he said he reached out to the

120

00:05:48,390 --> 00:05:45,440

witness

121

00:05:50,710 --> 00:05:48,400

and that uh they were initially hesitant

122

00:05:52,230 --> 00:05:50,720

to speak and asked me to call them back

123

00:05:54,310 --> 00:05:52,240

before he was able to convince him to

124

00:05:57,270 --> 00:05:54,320

speak and regard society

125

00:05:59,590 --> 00:05:57,280

now this is unusual we we have um we

126  
00:06:01,909 --> 00:05:59,600  
have had witnesses in the past who for

127  
00:06:03,990 --> 00:06:01,919  
some reason they feel

128  
00:06:05,990 --> 00:06:04,000  
overwhelmed and they

129  
00:06:08,550 --> 00:06:06,000  
they sense that maybe this thing if you

130  
00:06:10,070 --> 00:06:08,560  
tell on them or talk about them will

131  
00:06:12,230 --> 00:06:10,080  
come back

132  
00:06:13,909 --> 00:06:12,240  
uh the witness works for an industrial

133  
00:06:16,390 --> 00:06:13,919  
rental company where they service and

134  
00:06:18,230 --> 00:06:16,400  
rent a wide variety industrial equipment

135  
00:06:19,909 --> 00:06:18,240  
the witness is a driver for the company

136  
00:06:21,990 --> 00:06:19,919  
has been there for about three years and

137  
00:06:24,070 --> 00:06:22,000  
describes a job delivering and picking

138  
00:06:25,990 --> 00:06:24,080

up equipment

139

00:06:28,950 --> 00:06:26,000

uh he said after he picked up the man

140

00:06:30,629 --> 00:06:28,960

lift um he had ride back an employer at

141

00:06:33,430 --> 00:06:30,639

the employer and had just dropped off

142

00:06:35,670 --> 00:06:33,440

the equipment and was in process parking

143

00:06:40,950 --> 00:06:35,680

his semi and trailer when you saw the

144

00:06:43,590 --> 00:06:42,390

he

145

00:06:45,350 --> 00:06:43,600

you know

146

00:06:48,070 --> 00:06:45,360

i i can go through the whole thing now

147

00:06:49,990 --> 00:06:48,080

vincent did vincent richardson did do a

148

00:06:51,510 --> 00:06:50,000

sketch of this being he's posting up

149

00:06:53,189 --> 00:06:51,520

there now

150

00:06:55,430 --> 00:06:53,199

and uh

151  
00:06:56,629 --> 00:06:55,440  
this is pretty interesting this this

152  
00:06:58,469 --> 00:06:56,639  
being

153  
00:07:00,790 --> 00:06:58,479  
seems a bit a little bit chunkier than

154  
00:07:03,189 --> 00:07:00,800  
the other ones and you know it's still

155  
00:07:05,350 --> 00:07:03,199  
the batwing type of thing

156  
00:07:07,990 --> 00:07:05,360  
but the overall

157  
00:07:09,510 --> 00:07:08,000  
the overall look of it is very similar

158  
00:07:12,550 --> 00:07:09,520  
what we've had

159  
00:07:14,710 --> 00:07:12,560  
you know i don't know if this is um

160  
00:07:17,350 --> 00:07:14,720  
if this is something

161  
00:07:20,710 --> 00:07:17,360  
that's related to the sightings that

162  
00:07:22,790 --> 00:07:20,720  
have been going on in the southwest area

163  
00:07:24,469 --> 00:07:22,800

of the airport in the cargo area near

164

00:07:27,029 --> 00:07:24,479

the cemetery

165

00:07:29,589 --> 00:07:27,039

uh i got a feeling it may very well be

166

00:07:31,990 --> 00:07:29,599

but we haven't made any communication to

167

00:07:34,309 --> 00:07:32,000

get any determination as to what it is

168

00:07:36,150 --> 00:07:34,319

but we will be doing that soon

169

00:07:37,909 --> 00:07:36,160

and since that we're since we're getting

170

00:07:40,150 --> 00:07:37,919

other sightings i think it's important

171

00:07:42,309 --> 00:07:40,160

because all the sightings were within

172

00:07:45,510 --> 00:07:42,319

a mile of each other

173

00:07:47,670 --> 00:07:45,520

uh the second sighting was also of a

174

00:07:49,909 --> 00:07:47,680

chirping red-eyed being and it was the

175

00:07:53,510 --> 00:07:49,919

same night as the first one

176

00:07:54,869 --> 00:07:53,520

uh about the same time and um

177

00:07:58,950 --> 00:07:54,879

the

178

00:08:01,029 --> 00:07:58,960

i just got home from work on thursday

179

00:08:02,550 --> 00:08:01,039

night at about 10 30 p.m and had just

180

00:08:05,670 --> 00:08:02,560

got out of my car

181

00:08:06,869 --> 00:08:05,680

to head into the house in bensonville

182

00:08:09,749 --> 00:08:06,879

illinois

183

00:08:11,749 --> 00:08:09,759

uh and this was a residential area so

184

00:08:15,110 --> 00:08:11,759

the first one was in like a commercial

185

00:08:16,950 --> 00:08:15,120

area then this is a residential area

186

00:08:19,110 --> 00:08:16,960

i stopped in my tracks and started to

187

00:08:21,990 --> 00:08:19,120

look around and that is when i saw this

188

00:08:24,070 --> 00:08:22,000

large bat flyer in my house and yard

189

00:08:26,550 --> 00:08:24,080

it was large with bright glowing red

190

00:08:28,469 --> 00:08:26,560

eyes and was thin the wings were

191

00:08:30,869 --> 00:08:28,479

flapping slowly it must have been at

192

00:08:33,029 --> 00:08:30,879

least 40 foot off the ground since it

193

00:08:34,310 --> 00:08:33,039

was easily above the house and trees in

194

00:08:36,149 --> 00:08:34,320

the neighborhood

195

00:08:38,389 --> 00:08:36,159

i've seen bats before but this thing was

196

00:08:39,909 --> 00:08:38,399

far far bigger it was gone in a few

197

00:08:42,389 --> 00:08:39,919

seconds as it flew over my neighbor's

198

00:08:45,030 --> 00:08:42,399

house and swallowed up in the night i

199

00:08:46,870 --> 00:08:45,040

had tried to get the phone out and take

200

00:08:48,470 --> 00:08:46,880

a picture of it but by that time i got

201  
00:08:51,750 --> 00:08:48,480  
out of my coat and tried to take the

202  
00:08:53,670 --> 00:08:51,760  
picture it was gone and out of sight

203  
00:08:56,070 --> 00:08:53,680  
i know i was not the only person who saw

204  
00:08:57,670 --> 00:08:56,080  
it in my neighbor as my neighbors across

205  
00:08:59,350 --> 00:08:57,680  
the street were also looking at as a

206  
00:09:01,509 --> 00:08:59,360  
fluid

207  
00:09:03,910 --> 00:09:01,519  
and even asked me the next morning i had

208  
00:09:05,750 --> 00:09:03,920  
seen it and what i thought it was um

209  
00:09:07,350 --> 00:09:05,760  
i've lived here for 12 years never seen

210  
00:09:09,430 --> 00:09:07,360  
anything like that even my husband was

211  
00:09:11,190 --> 00:09:09,440  
skeptical saying maybe it was a large

212  
00:09:12,470 --> 00:09:11,200  
goose or crane

213  
00:09:15,269 --> 00:09:12,480

and the red eye may have been a

214

00:09:17,030 --> 00:09:15,279

reflection of the street lights uh

215

00:09:18,470 --> 00:09:17,040

but she said she's starting to what she

216

00:09:20,550 --> 00:09:18,480

saw

217

00:09:21,910 --> 00:09:20,560

and uh

218

00:09:22,710 --> 00:09:21,920

yeah i mean

219

00:09:24,470 --> 00:09:22,720

this

220

00:09:26,870 --> 00:09:24,480

that's when we actually put the sketches

221

00:09:29,509 --> 00:09:26,880

up on the on the website

222

00:09:31,990 --> 00:09:29,519

so uh today

223

00:09:34,389 --> 00:09:32,000

we got a third sighting of a wing bean

224

00:09:38,310 --> 00:09:34,399

uh in this you know in this bensonville

225

00:09:40,389 --> 00:09:38,320

illinois area uh now this was on made in

226

00:09:43,030 --> 00:09:40,399

the night of may 9th so this is over a

227

00:09:46,230 --> 00:09:43,040

week later from the first two

228

00:09:48,630 --> 00:09:46,240

and the uh the witness stated i was out

229

00:09:50,630 --> 00:09:48,640

for a walk with my fiance

230

00:09:52,710 --> 00:09:50,640

enjoying the warm weather after so much

231

00:09:56,550 --> 00:09:52,720

cold we were at the basketball courts

232

00:09:59,430 --> 00:09:56,560

next to tioga elementary which is on 212

233

00:10:01,350 --> 00:09:59,440

memorial road in benson bensonville

234

00:10:03,269 --> 00:10:01,360

when we saw what looked like a large

235

00:10:05,590 --> 00:10:03,279

person standing on top of the building

236

00:10:07,590 --> 00:10:05,600

that was behind the playground

237

00:10:09,509 --> 00:10:07,600

it looked like a tall person wearing

238

00:10:12,550 --> 00:10:09,519

what looked like a cape

239

00:10:15,030 --> 00:10:12,560

then this person jumped off the building

240

00:10:17,110 --> 00:10:15,040

and the cape turned out to be wings

241

00:10:19,750 --> 00:10:17,120

which had opened up and used to fly over

242

00:10:21,509 --> 00:10:19,760

us and out over the field and away

243

00:10:23,509 --> 00:10:21,519

it was the damnest thing we had ever

244

00:10:26,389 --> 00:10:23,519

seen and really scary

245

00:10:29,350 --> 00:10:26,399

so uh emmanuel hasn't talked to them yet

246

00:10:31,670 --> 00:10:29,360

but mr rejecter said he just posted it

247

00:10:33,430 --> 00:10:31,680

around noon today

248

00:10:35,269 --> 00:10:33,440

so um

249

00:10:37,430 --> 00:10:35,279

we're waiting to get a follow-up on that

250

00:10:38,710 --> 00:10:37,440

so you know this is just another chapter

251  
00:10:40,710 --> 00:10:38,720  
of this

252  
00:10:43,509 --> 00:10:40,720  
whole phenomena that's been going on in

253  
00:10:47,670 --> 00:10:43,519  
and around chicago so um

254  
00:10:49,350 --> 00:10:47,680  
what we're going to do is try to

255  
00:10:51,190 --> 00:10:49,360  
figure out if it's related to the

256  
00:10:53,829 --> 00:10:51,200  
sightings in

257  
00:10:55,910 --> 00:10:53,839  
at the airport now we did have a citing

258  
00:10:57,430 --> 00:10:55,920  
report

259  
00:10:59,350 --> 00:10:57,440  
in bensonville

260  
00:11:01,350 --> 00:10:59,360  
several years ago

261  
00:11:03,350 --> 00:11:01,360  
of an entity that was in a tree that

262  
00:11:06,470 --> 00:11:03,360  
fell out of a tree

263  
00:11:09,110 --> 00:11:06,480

and if you go to the map uh the

264

00:11:11,030 --> 00:11:09,120

interactive map you'll see it there

265

00:11:12,470 --> 00:11:11,040

in the benceville area so if you click

266

00:11:15,350 --> 00:11:12,480

on that you'll be able to read that

267

00:11:17,509 --> 00:11:15,360

report as well

268

00:11:22,949 --> 00:11:17,519

uh anybody had any questions about this

269

00:11:28,630 --> 00:11:25,910

you know i'm taking questions from uh in

270

00:11:32,069 --> 00:11:28,640

between each of these um

271

00:11:33,030 --> 00:11:32,079

these citing reports so if you do have a

272

00:11:34,710 --> 00:11:33,040

question

273

00:11:37,350 --> 00:11:34,720

put it in caps

274

00:11:40,310 --> 00:11:37,360

uh put it up on the board and uh we'll

275

00:11:42,310 --> 00:11:40,320

do what we can to to answer them

276

00:11:43,910 --> 00:11:42,320

if you want to wait till after i'm done

277

00:11:45,590 --> 00:11:43,920

reading everything then we can do that

278

00:11:47,990 --> 00:11:45,600

it doesn't matter

279

00:11:50,230 --> 00:11:48,000

so the next report

280

00:11:51,910 --> 00:11:50,240

was where a group of american friends

281

00:11:53,430 --> 00:11:51,920

took a trip to northern

282

00:11:54,870 --> 00:11:53,440

finland in order to camp in the

283

00:11:57,509 --> 00:11:54,880

wilderness

284

00:11:59,670 --> 00:11:57,519

and they eventually came face to face

285

00:12:01,990 --> 00:11:59,680

with two bizarre humanoids stealing food

286

00:12:04,790 --> 00:12:02,000

at their campsite now this was referred

287

00:12:07,350 --> 00:12:04,800

to me by uh cam and kyle over to

288

00:12:10,230 --> 00:12:07,360

extended perspectives

289

00:12:12,629 --> 00:12:10,240

uh so the the witness writes uh for my

290

00:12:15,350 --> 00:12:12,639

20th birthday me and four friends took a

291

00:12:17,430 --> 00:12:15,360

vacation to northern finland

292

00:12:19,750 --> 00:12:17,440

we were going camping over two weeks in

293

00:12:21,910 --> 00:12:19,760

an extremely remote area you see i've

294

00:12:23,750 --> 00:12:21,920

always loved nature and animals

295

00:12:26,230 --> 00:12:23,760

we weren't hunting as i can't bring

296

00:12:28,230 --> 00:12:26,240

myself to kill a mammal or a bird we did

297

00:12:30,310 --> 00:12:28,240

go fishing a few times

298

00:12:32,629 --> 00:12:30,320

now up until this experience about 11

299

00:12:35,190 --> 00:12:32,639

days in i really enjoyed the trip but i

300

00:12:37,590 --> 00:12:35,200

will never go back again

301  
00:12:39,509 --> 00:12:37,600  
so one night we were cooking some fish

302  
00:12:41,350 --> 00:12:39,519  
of the fire

303  
00:12:44,069 --> 00:12:41,360  
and one of my friends pointed out that

304  
00:12:46,069 --> 00:12:44,079  
we uh we used all the loose wood lying

305  
00:12:47,750 --> 00:12:46,079  
around so we decided to go together to

306  
00:12:49,509 --> 00:12:47,760  
gather more

307  
00:12:51,030 --> 00:12:49,519  
we grabbed our flashlights and started

308  
00:12:53,269 --> 00:12:51,040  
to head off

309  
00:12:55,590 --> 00:12:53,279  
one friend pointed out that the animals

310  
00:12:57,750 --> 00:12:55,600  
might steal our food while we were away

311  
00:12:59,509 --> 00:12:57,760  
but we shot him down saying something to

312  
00:13:01,990 --> 00:12:59,519  
the effect of the fisher

313  
00:13:04,470 --> 00:13:02,000

roasting of fur no animal's going to get

314

00:13:06,389 --> 00:13:04,480

risk getting near the flames

315

00:13:08,790 --> 00:13:06,399

and if they do they'll get burnt and run

316

00:13:11,269 --> 00:13:08,800

away so

317

00:13:12,389 --> 00:13:11,279

they said how wrong we were

318

00:13:13,590 --> 00:13:12,399

but since

319

00:13:15,750 --> 00:13:13,600

i'm not sure

320

00:13:18,230 --> 00:13:15,760

what was that showed up we can't be

321

00:13:19,030 --> 00:13:18,240

blamed for our assumptions

322

00:13:21,750 --> 00:13:19,040

uh

323

00:13:24,310 --> 00:13:21,760

now i never assumed anything a lesson

324

00:13:26,310 --> 00:13:24,320

will never be forgotten

325

00:13:27,829 --> 00:13:26,320

in the middle of our foraging for

326

00:13:30,150 --> 00:13:27,839

firewood

327

00:13:32,389 --> 00:13:30,160

we suddenly heard a loud animalistic

328

00:13:34,790 --> 00:13:32,399

noise none of us recognized it sounded

329

00:13:37,509 --> 00:13:34,800

almost like a pig squeal

330

00:13:39,350 --> 00:13:37,519

but cleaner louder and perfect clear and

331

00:13:41,750 --> 00:13:39,360

not raspy at all

332

00:13:44,230 --> 00:13:41,760

almost as if there was an extremely high

333

00:13:46,949 --> 00:13:44,240

pitched wolf howl

334

00:13:49,030 --> 00:13:46,959

the trouble was it was distinctly coming

335

00:13:50,790 --> 00:13:49,040

from the direction of our campsite we

336

00:13:52,790 --> 00:13:50,800

quickly dropped all the wood and charged

337

00:13:55,030 --> 00:13:52,800

back to camp

338

00:13:56,870 --> 00:13:55,040

i i don't know what i expected it to be

339

00:13:58,069 --> 00:13:56,880

but nothing prepared me for what we

340

00:14:00,389 --> 00:13:58,079

found

341

00:14:02,470 --> 00:14:00,399

uh what we saw was strange but in the

342

00:14:05,030 --> 00:14:02,480

dim glow of the fire it was immensely

343

00:14:07,509 --> 00:14:05,040

disturbing hunched over a fire

344

00:14:09,990 --> 00:14:07,519

was a large hairy creature it held a

345

00:14:12,470 --> 00:14:10,000

half-eaten fish in one hand and said

346

00:14:14,629 --> 00:14:12,480

were untouched ones in the other but it

347

00:14:15,670 --> 00:14:14,639

saw us and was staring us down like a

348

00:14:18,069 --> 00:14:15,680

deer caught

349

00:14:20,629 --> 00:14:18,079

in a car's headlight

350

00:14:23,189 --> 00:14:20,639

i distinctly remember the creature it it

351  
00:14:25,350 --> 00:14:23,199  
stood approximately five foot tall

352  
00:14:27,990 --> 00:14:25,360  
it was just definitely shorter than us

353  
00:14:30,629 --> 00:14:28,000  
but at the same time it was much larger

354  
00:14:33,030 --> 00:14:30,639  
it had a thick barrel body

355  
00:14:35,269 --> 00:14:33,040  
short but extremely thick and muscular

356  
00:14:37,030 --> 00:14:35,279  
arms and legs pronounced joints at the

357  
00:14:38,870 --> 00:14:37,040  
knee and elbow

358  
00:14:41,269 --> 00:14:38,880  
it looked to be

359  
00:14:43,269 --> 00:14:41,279  
twice as wide as us despite being

360  
00:14:45,269 --> 00:14:43,279  
shorter but not fat just extremely

361  
00:14:47,269 --> 00:14:45,279  
muscular

362  
00:14:50,710 --> 00:14:47,279  
it appeared to have human-like hands and

363  
00:14:52,710 --> 00:14:50,720

feet but it was covered in dark red fur

364

00:14:54,790 --> 00:14:52,720

on its entire body except for the

365

00:14:57,189 --> 00:14:54,800

fingers toes and face

366

00:15:00,310 --> 00:14:57,199

i noticed this because the contrast was

367

00:15:01,430 --> 00:15:00,320

massive its skin was pale white as white

368

00:15:03,750 --> 00:15:01,440

as paper

369

00:15:05,829 --> 00:15:03,760

no hint of yellow pink or brown pigment

370

00:15:08,389 --> 00:15:05,839

just like albino

371

00:15:10,629 --> 00:15:08,399

it had huge perfectly round eyes larger

372

00:15:13,590 --> 00:15:10,639

than any human i've ever seen a ridge

373

00:15:15,990 --> 00:15:13,600

atop the eyes and huge jaw

374

00:15:17,990 --> 00:15:16,000

its face had odd features to it it

375

00:15:20,150 --> 00:15:18,000

lacked any discernible cheeks just a

376

00:15:22,790 --> 00:15:20,160

flat wall of skin

377

00:15:25,030 --> 00:15:22,800

it had a large flaring nose it protruded

378

00:15:28,470 --> 00:15:25,040

like a human nose but was angled back

379

00:15:31,189 --> 00:15:28,480

slightly exposing its nostrils to us

380

00:15:33,749 --> 00:15:31,199

its eyes were highly dilated but still

381

00:15:36,470 --> 00:15:33,759

was discernible wipers

382

00:15:38,629 --> 00:15:36,480

i was freaking terrified it looked like

383

00:15:41,829 --> 00:15:38,639

it could effortlessly tear us all for a

384

00:15:44,310 --> 00:15:41,839

part and perhaps had added to the fear

385

00:15:46,629 --> 00:15:44,320

he clearly cleared he ate meat

386

00:15:48,870 --> 00:15:46,639

after staring at us were what felt like

387

00:15:50,629 --> 00:15:48,880

a few hours on when it went from a ton

388

00:15:52,710 --> 00:15:50,639

squatting position

389

00:15:54,710 --> 00:15:52,720

to a full the upright position in an

390

00:15:56,150 --> 00:15:54,720

instant and backed a few feet away still

391

00:15:58,710 --> 00:15:56,160

staring at us

392

00:16:01,910 --> 00:15:58,720

it moved pretty much like a human would

393

00:16:03,030 --> 00:16:01,920

and it stood fully upright

394

00:16:05,110 --> 00:16:03,040

uh

395

00:16:06,629 --> 00:16:05,120

you could feel the aggression in its

396

00:16:08,870 --> 00:16:06,639

gaze but

397

00:16:11,590 --> 00:16:08,880

moment movements suggested it was acting

398

00:16:13,590 --> 00:16:11,600

defensively which alleviated our fear

399

00:16:16,310 --> 00:16:13,600

somewhat every few minutes it would

400

00:16:19,829 --> 00:16:16,320

briefly dart its eyes to its side

401

00:16:22,150 --> 00:16:19,839

and towards a particular spot

402

00:16:23,670 --> 00:16:22,160

we tried to look as big as possible but

403

00:16:26,069 --> 00:16:23,680

tried to stay

404

00:16:28,069 --> 00:16:26,079

still as the same time

405

00:16:30,550 --> 00:16:28,079

we thought to point our flashlight at it

406

00:16:32,230 --> 00:16:30,560

though i feared it would provoke it we

407

00:16:33,030 --> 00:16:32,240

did it anyway and it lurched back a

408

00:16:34,949 --> 00:16:33,040

little

409

00:16:37,990 --> 00:16:34,959

and clearly made a startled facial

410

00:16:41,350 --> 00:16:38,000

expression then i suddenly dennis suther

411

00:16:43,990 --> 00:16:41,360

reverted to staring at us intently

412

00:16:46,790 --> 00:16:44,000

to our shock and horror it quickly dart

413

00:16:49,350 --> 00:16:46,800

darted its hands to its side and grabbed

414

00:16:51,670 --> 00:16:49,360

one of the fishing poles

415

00:16:53,990 --> 00:16:51,680

it aimed it at us like a spear and

416

00:16:55,829 --> 00:16:54,000

walked forward a few steps

417

00:16:57,829 --> 00:16:55,839

this thing was terrifying enough without

418

00:17:00,470 --> 00:16:57,839

a weapon i don't know if anyone else

419

00:17:04,069 --> 00:17:00,480

spotted it this but when it moved its

420

00:17:06,309 --> 00:17:04,079

arm to the side to grab the ride i saw a

421

00:17:08,150 --> 00:17:06,319

shoulder blade it was much louder than

422

00:17:10,949 --> 00:17:08,160

larger than a human's

423

00:17:12,789 --> 00:17:10,959

which made it even more terrifying

424

00:17:14,549 --> 00:17:12,799

and after it picked up the fishing rod

425

00:17:16,870 --> 00:17:14,559

it repeatedly made a noise somewhat

426

00:17:18,390 --> 00:17:16,880

similar to a high-pitched howl

427

00:17:22,309 --> 00:17:18,400

that we heard before

428

00:17:24,390 --> 00:17:22,319

but with a odd inflection to it it's a

429

00:17:26,710 --> 00:17:24,400

transition from a high pitch to a

430

00:17:28,950 --> 00:17:26,720

slightly deeper tone

431

00:17:30,950 --> 00:17:28,960

it sounded like a child mimicking a fire

432

00:17:33,110 --> 00:17:30,960

truck almost

433

00:17:35,190 --> 00:17:33,120

it may sound cute in hindsight but

434

00:17:37,669 --> 00:17:35,200

coupled with the angry facial expression

435

00:17:39,990 --> 00:17:37,679

and made it added to my fear

436

00:17:42,150 --> 00:17:40,000

i perhaps stupidly decided to lunge

437

00:17:43,830 --> 00:17:42,160

forward at it to spook it into leaving

438

00:17:45,510 --> 00:17:43,840

it lunged forward approximately the same

439

00:17:46,950 --> 00:17:45,520

distance i did

440

00:17:50,710 --> 00:17:46,960

and

441

00:17:53,669 --> 00:17:52,470

we must have been less than eight foot

442

00:17:56,870 --> 00:17:53,679

apart

443

00:17:59,590 --> 00:17:56,880

its stair was now intently focused on me

444

00:18:01,909 --> 00:17:59,600

and made another noise at me but it was

445

00:18:04,950 --> 00:18:01,919

completely different from its other

446

00:18:07,270 --> 00:18:04,960

noises it growled in me in a deeper tune

447

00:18:09,669 --> 00:18:07,280

it almost sounded uh like a somewhat

448

00:18:11,110 --> 00:18:09,679

louder version of adult human mimicking

449

00:18:13,190 --> 00:18:11,120

a wolf growl

450

00:18:15,190 --> 00:18:13,200

but it's narrow its teeth at me and

451  
00:18:17,190 --> 00:18:15,200  
raised his upper lip higher

452  
00:18:19,590 --> 00:18:17,200  
on one side than the other

453  
00:18:21,510 --> 00:18:19,600  
creating extremely angry looking facial

454  
00:18:22,710 --> 00:18:21,520  
expressions made me feel as though i was

455  
00:18:26,830 --> 00:18:22,720  
about to

456  
00:18:29,590 --> 00:18:26,840  
linda limb

457  
00:18:31,510 --> 00:18:29,600  
uh it it took another step forward to

458  
00:18:33,990 --> 00:18:31,520  
continue to lunge the fishing rod at me

459  
00:18:35,590 --> 00:18:34,000  
and not change just shape facial express

460  
00:18:37,909 --> 00:18:35,600  
or even slightly

461  
00:18:39,830 --> 00:18:37,919  
i gave into my fear and quickly took

462  
00:18:42,789 --> 00:18:39,840  
several steps back to my friends now the

463  
00:18:45,590 --> 00:18:42,799

creature took a step back and changed to

464

00:18:46,630 --> 00:18:45,600

his previous facial expression but as it

465

00:18:50,310 --> 00:18:46,640

did this

466

00:18:53,430 --> 00:18:50,320

has also taken several steps to the side

467

00:18:54,310 --> 00:18:53,440

now time seemed to slow back it's uh

468

00:18:55,110 --> 00:18:54,320

it's

469

00:19:00,710 --> 00:18:55,120

very

470

00:19:02,310 --> 00:19:00,720

though only completing half a circle

471

00:19:04,630 --> 00:19:02,320

and it ended up

472

00:19:07,590 --> 00:19:04,640

almost exactly opposite of where i was

473

00:19:09,510 --> 00:19:07,600

standing before relative to the campfire

474

00:19:11,750 --> 00:19:09,520

and we whispered to each other's plans

475

00:19:14,230 --> 00:19:11,760

but none seemed safe we were very scared

476  
00:19:15,350 --> 00:19:14,240  
and clueless as to what to do about this

477  
00:19:17,270 --> 00:19:15,360  
creature

478  
00:19:20,470 --> 00:19:17,280  
but then suddenly it dropped the fishing

479  
00:19:23,029 --> 00:19:20,480  
poles and rapidly ran off into the woods

480  
00:19:25,190 --> 00:19:23,039  
however to our horror out of the bushes

481  
00:19:27,350 --> 00:19:25,200  
next to where it exited our campsite

482  
00:19:28,310 --> 00:19:27,360  
another almost identical creature ran

483  
00:19:30,710 --> 00:19:28,320  
out

484  
00:19:32,950 --> 00:19:30,720  
following close behind the first one

485  
00:19:35,430 --> 00:19:32,960  
as they ran i noticed that they ran like

486  
00:19:37,270 --> 00:19:35,440  
humans the way you know they moved their

487  
00:19:39,350 --> 00:19:37,280  
arms late perfectly mirrored that of a

488  
00:19:40,230 --> 00:19:39,360

typical jogger

489

00:19:42,150 --> 00:19:40,240

with

490

00:19:43,669 --> 00:19:42,160

fists clenched and swinging their arms

491

00:19:46,150 --> 00:19:43,679

up and down

492

00:19:47,830 --> 00:19:46,160

the second creature was slightly slimmer

493

00:19:50,950 --> 00:19:47,840

than the first but other than that it

494

00:19:52,870 --> 00:19:50,960

was identical for i could see

495

00:19:54,150 --> 00:19:52,880

though i only got a brief glimpse of it

496

00:19:55,430 --> 00:19:54,160

i i

497

00:19:57,430 --> 00:19:55,440

and although their movements were

498

00:19:59,750 --> 00:19:57,440

human-like they were much faster than

499

00:20:01,669 --> 00:19:59,760

your average jogger

500

00:20:03,430 --> 00:20:01,679

uh they made no effort to the clear

501  
00:20:05,990 --> 00:20:03,440  
branches out of the way simply charging

502  
00:20:08,549 --> 00:20:06,000  
through them uh you could hear how land

503  
00:20:10,149 --> 00:20:08,559  
louder stomps were but they slowly faded

504  
00:20:12,789 --> 00:20:10,159  
in uh

505  
00:20:15,110 --> 00:20:12,799  
until you couldn't hear them anymore

506  
00:20:16,310 --> 00:20:15,120  
uh afterwards the only evidence that we

507  
00:20:23,190 --> 00:20:16,320  
had

508  
00:20:24,230 --> 00:20:23,200  
dropped on the ground as it stood by the

509  
00:20:26,230 --> 00:20:24,240  
fire

510  
00:20:28,789 --> 00:20:26,240  
as scary as the creature was at that

511  
00:20:31,750 --> 00:20:28,799  
time i i know in knowing animal behavior

512  
00:20:33,430 --> 00:20:31,760  
it clearly was not looking for to add us

513  
00:20:35,190 --> 00:20:33,440

like food

514

00:20:37,909 --> 00:20:35,200

it thought we were a threat to it and

515

00:20:39,350 --> 00:20:37,919

when acting defensively now

516

00:20:40,470 --> 00:20:39,360

when it was between us and the second

517

00:20:43,110 --> 00:20:40,480

creature

518

00:20:45,510 --> 00:20:43,120

they both ran as fast as they could now

519

00:20:47,590 --> 00:20:45,520

the first one was likely being defensive

520

00:20:48,870 --> 00:20:47,600

if not just of itself but other

521

00:20:51,350 --> 00:20:48,880

creatures as well

522

00:20:53,750 --> 00:20:51,360

perhaps perhaps it was a mate or almost

523

00:20:55,270 --> 00:20:53,760

a grown child

524

00:20:57,669 --> 00:20:55,280

we plan to stay longer but

525

00:20:58,470 --> 00:20:57,679

understandably we didn't sleep much at

526  
00:21:01,350 --> 00:20:58,480  
night

527  
00:21:03,510 --> 00:21:01,360  
instead we uh guarded the campsite until

528  
00:21:04,470 --> 00:21:03,520  
morning when we hightailed it back to

529  
00:21:06,870 --> 00:21:04,480  
town

530  
00:21:08,950 --> 00:21:06,880  
after this experience i'm not going out

531  
00:21:11,510 --> 00:21:08,960  
there ever again without a loaded gun in

532  
00:21:12,710 --> 00:21:11,520  
order for species to survive you must

533  
00:21:14,870 --> 00:21:12,720  
constantly

534  
00:21:16,470 --> 00:21:14,880  
maintain a breeding population that

535  
00:21:18,470 --> 00:21:16,480  
means there's almost certainly more of

536  
00:21:20,870 --> 00:21:18,480  
them out there

537  
00:21:22,870 --> 00:21:20,880  
so uh and they were stating that they

538  
00:21:25,270 --> 00:21:22,880

they wouldn't never ex forget this

539

00:21:27,029 --> 00:21:25,280

experience so um that was quite an

540

00:21:28,950 --> 00:21:27,039

interesting one you know i i was talking

541

00:21:30,470 --> 00:21:28,960

to vincent earlier

542

00:21:32,310 --> 00:21:30,480

we have had

543

00:21:33,830 --> 00:21:32,320

i have had received

544

00:21:36,549 --> 00:21:33,840

um

545

00:21:38,630 --> 00:21:36,559

bigfoot sightings in finland before

546

00:21:40,470 --> 00:21:38,640

uh and the reason why

547

00:21:43,110 --> 00:21:40,480

finland

548

00:21:47,270 --> 00:21:43,120

has a lot of uh

549

00:21:50,390 --> 00:21:47,280

very large berry uh plantations and wild

550

00:21:52,950 --> 00:21:50,400

berries grew throughout the the country

551  
00:21:55,990 --> 00:21:52,960  
and uh a lot of these encounters though

552  
00:21:58,390 --> 00:21:56,000  
this was up in the the tega area i think

553  
00:22:00,230 --> 00:21:58,400  
were swampier and much colder

554  
00:22:01,909 --> 00:22:00,240  
uh

555  
00:22:04,470 --> 00:22:01,919  
these um

556  
00:22:06,470 --> 00:22:04,480  
these bigfoot would be seen in these

557  
00:22:07,510 --> 00:22:06,480  
these berry patches these large berry

558  
00:22:10,470 --> 00:22:07,520  
patches

559  
00:22:13,430 --> 00:22:10,480  
i've had several saying in fact

560  
00:22:16,390 --> 00:22:13,440  
a couple years ago there was uh

561  
00:22:17,909 --> 00:22:16,400  
an individual i think was a a girl who

562  
00:22:20,470 --> 00:22:17,919  
was lost

563  
00:22:21,909 --> 00:22:20,480

and they never found her um i don't know

564

00:22:24,230 --> 00:22:21,919

if one of these things took her or

565

00:22:26,870 --> 00:22:24,240

killed her or what it did but uh there

566

00:22:27,830 --> 00:22:26,880

was some hubbub about that for a while

567

00:22:29,590 --> 00:22:27,840

so

568

00:22:31,110 --> 00:22:29,600

i don't know what that was but you know

569

00:22:35,029 --> 00:22:31,120

i don't know if it's the same as what

570

00:22:38,630 --> 00:22:36,390

so um

571

00:22:41,029 --> 00:22:38,640

we have another one here uh a mother and

572

00:22:43,830 --> 00:22:41,039

daughter camping at lake cumberland in

573

00:22:46,310 --> 00:22:43,840

southeast kentucky they sense something

574

00:22:48,470 --> 00:22:46,320

stalking them until a bigfoot lets out a

575

00:22:50,270 --> 00:22:48,480

loud deep growl while tearing through

576  
00:22:52,390 --> 00:22:50,280  
the woods

577  
00:22:54,390 --> 00:22:52,400  
[Music]

578  
00:22:56,230 --> 00:22:54,400  
and the witness stated that the last

579  
00:22:59,190 --> 00:22:56,240  
weekend of june

580  
00:23:01,830 --> 00:22:59,200  
uh 2014

581  
00:23:03,830 --> 00:23:01,840  
my daughter and i decided to go camping

582  
00:23:07,510 --> 00:23:03,840  
and it had been about 10 years since the

583  
00:23:10,310 --> 00:23:07,520  
last time she's 28 and i'm well older

584  
00:23:12,470 --> 00:23:10,320  
anyway we buy a new tent find all the

585  
00:23:13,430 --> 00:23:12,480  
gear in in the garage and pack up the

586  
00:23:15,590 --> 00:23:13,440  
van

587  
00:23:18,390 --> 00:23:15,600  
we head out to lake cumberland a place

588  
00:23:20,870 --> 00:23:18,400

called b rock in southeast kentucky it's

589

00:23:23,590 --> 00:23:20,880

about 25 miles from our home

590

00:23:26,230 --> 00:23:23,600

very rustic campground uh just a spot

591

00:23:27,350 --> 00:23:26,240

for a tent in a fire pit right on the

592

00:23:29,830 --> 00:23:27,360

lake

593

00:23:31,990 --> 00:23:29,840

very few people go there they like the

594

00:23:34,549 --> 00:23:32,000

newer campgrounds with the electric and

595

00:23:36,149 --> 00:23:34,559

showers i was raised as a tomboy

596

00:23:38,149 --> 00:23:36,159

my dad took me hunting fishing and

597

00:23:40,390 --> 00:23:38,159

roughing it in a while and i raised my

598

00:23:42,950 --> 00:23:40,400

kids the same way

599

00:23:45,110 --> 00:23:42,960

now with us was my dog half grant dean

600

00:23:48,390 --> 00:23:45,120

half boxer named spike

601  
00:23:50,710 --> 00:23:48,400  
sweetest big olympa dog except when

602  
00:23:53,269 --> 00:23:50,720  
he felt he was under threat

603  
00:23:56,230 --> 00:23:53,279  
uh we arrived that afternoon and soon

604  
00:23:57,830 --> 00:23:56,240  
set up camp we fished uh eight feet from

605  
00:23:59,830 --> 00:23:57,840  
the tent actually

606  
00:24:02,070 --> 00:23:59,840  
the place was heaven birds crickets and

607  
00:24:04,390 --> 00:24:02,080  
frogs and occasionally jumping fish not

608  
00:24:06,549 --> 00:24:04,400  
a boat or other camper and site

609  
00:24:08,149 --> 00:24:06,559  
called several big mouth bass and i

610  
00:24:11,669 --> 00:24:08,159  
cleaned them and cooked them around 9 00

611  
00:24:13,269 --> 00:24:11,679  
p.m we decided to lay down go to sleep

612  
00:24:14,950 --> 00:24:13,279  
now it was humid

613  
00:24:18,390 --> 00:24:14,960

and it took me about an hour to fall

614

00:24:19,190 --> 00:24:18,400

asleep around 1am i wake up

615

00:24:22,230 --> 00:24:19,200

and

616

00:24:25,590 --> 00:24:22,240

i'm usually heavy sleeper like coma coma

617

00:24:27,669 --> 00:24:25,600

tight or time or but i set up and

618

00:24:30,789 --> 00:24:27,679

realize the lantern had burned out and

619

00:24:31,830 --> 00:24:30,799

the fire is just red embers

620

00:24:34,230 --> 00:24:31,840

there is

621

00:24:35,269 --> 00:24:34,240

only quite not a breeze turning the

622

00:24:38,070 --> 00:24:35,279

leaves

623

00:24:39,750 --> 00:24:38,080

not a frog in protest nothing

624

00:24:43,190 --> 00:24:39,760

spike is sitting right in front of the

625

00:24:45,269 --> 00:24:43,200

screen rigid which was strange

626  
00:24:47,430 --> 00:24:45,279  
my daughter hears me getting up and

627  
00:24:49,029 --> 00:24:47,440  
turns over i grab my flashlight nine

628  
00:24:51,909 --> 00:24:49,039  
millimeter

629  
00:24:54,070 --> 00:24:51,919  
just in case someone's lurking around

630  
00:24:56,310 --> 00:24:54,080  
the three of us emerged from the tent i

631  
00:24:58,789 --> 00:24:56,320  
had spike on a leash this dog was all

632  
00:25:00,630 --> 00:24:58,799  
muscle and 140 pounds and

633  
00:25:02,630 --> 00:25:00,640  
could have pulled me behind and we felt

634  
00:25:05,269 --> 00:25:02,640  
the need to go somewhere

635  
00:25:06,630 --> 00:25:05,279  
i turned the beam from my light all

636  
00:25:08,870 --> 00:25:06,640  
around the camp

637  
00:25:10,630 --> 00:25:08,880  
the forest was thick and huge old grow

638  
00:25:13,590 --> 00:25:10,640

trees

639

00:25:15,750 --> 00:25:13,600

i was disturbed by the silence uh i had

640

00:25:17,909 --> 00:25:15,760

this creepy sense that something was

641

00:25:20,470 --> 00:25:17,919

watching us and despite the heat

642

00:25:22,149 --> 00:25:20,480

i had chill bumps not seeing anything i

643

00:25:23,269 --> 00:25:22,159

stirred up the fire and placed some wood

644

00:25:25,510 --> 00:25:23,279

on it

645

00:25:28,630 --> 00:25:25,520

we sat in our camp chairs watching the

646

00:25:31,750 --> 00:25:28,640

flames when spike began to tremble

647

00:25:33,909 --> 00:25:31,760

he entered the stance and his uh back

648

00:25:35,990 --> 00:25:33,919

leg kicked out and my flashlight went

649

00:25:37,590 --> 00:25:36,000

tumbling into the water

650

00:25:39,669 --> 00:25:37,600

i held tight onto

651  
00:25:41,669 --> 00:25:39,679  
the leash my daughter cowered behind my

652  
00:25:43,510 --> 00:25:41,679  
back and we squinted into the darkness

653  
00:25:44,549 --> 00:25:43,520  
trying to see what the dog was pointing

654  
00:25:48,710 --> 00:25:44,559  
to

655  
00:25:51,269 --> 00:25:48,720  
while pulling

656  
00:25:53,190 --> 00:25:51,279  
spike back at least a minute passed no

657  
00:25:55,110 --> 00:25:53,200  
sound the fire was going good but we

658  
00:25:56,870 --> 00:25:55,120  
still didn't see anything

659  
00:25:58,789 --> 00:25:56,880  
now the van was parked about a quarter

660  
00:26:00,230 --> 00:25:58,799  
mile away not an option to go running

661  
00:26:01,830 --> 00:26:00,240  
through the woods with whatever was

662  
00:26:03,990 --> 00:26:01,840  
stalking us

663  
00:26:06,149 --> 00:26:04,000

i'm not the bravest guy in the world

664

00:26:07,750 --> 00:26:06,159

something told me if i made a break for

665

00:26:09,909 --> 00:26:07,760

it we'd be dead

666

00:26:12,390 --> 00:26:09,919

i made a decision to go back in the tent

667

00:26:14,630 --> 00:26:12,400

the fire gave us some light and

668

00:26:15,669 --> 00:26:14,640

that we'd be able to see whatever might

669

00:26:17,510 --> 00:26:15,679

approach

670

00:26:18,710 --> 00:26:17,520

so we backed up into the debt pulling

671

00:26:20,630 --> 00:26:18,720

spike

672

00:26:23,029 --> 00:26:20,640

once inside the dog remained at the

673

00:26:25,190 --> 00:26:23,039

screen anxiously staring out he never

674

00:26:27,510 --> 00:26:25,200

once growled just trembling

675

00:26:30,710 --> 00:26:27,520

now minutes pass

676

00:26:32,870 --> 00:26:30,720

we sit back to back waiting watching

677

00:26:33,669 --> 00:26:32,880

i don't know how much time passed spike

678

00:26:34,950 --> 00:26:33,679

had

679

00:26:37,350 --> 00:26:34,960

sat down

680

00:26:40,070 --> 00:26:37,360

still keeping a vigilant watch

681

00:26:42,110 --> 00:26:40,080

my daughter and i were nodding off

682

00:26:44,630 --> 00:26:42,120

and all of a sudden i heard a deep

683

00:26:45,909 --> 00:26:44,640

reverberating primitive growl was

684

00:26:48,230 --> 00:26:45,919

unleashed

685

00:26:50,830 --> 00:26:48,240

somewhere in the trees behind the tent i

686

00:26:54,149 --> 00:26:50,840

swear the ground and air vibrated with

687

00:26:55,269 --> 00:26:54,159

power my her daughter left out a little

688

00:26:57,430 --> 00:26:55,279

yelp

689

00:26:59,510 --> 00:26:57,440

it was all she could manage spike went

690

00:27:00,950 --> 00:26:59,520

nuts trying to leap through the screen

691

00:27:02,549 --> 00:27:00,960

between us and

692

00:27:04,789 --> 00:27:02,559

we held him back

693

00:27:06,950 --> 00:27:04,799

then the growl rang out again it was

694

00:27:09,029 --> 00:27:06,960

further away in the sound of trees

695

00:27:10,549 --> 00:27:09,039

crashing to the ground and under brush

696

00:27:12,230 --> 00:27:10,559

rattling

697

00:27:13,909 --> 00:27:12,240

i thought about firing my nine

698

00:27:16,390 --> 00:27:13,919

millimeter but something told me it

699

00:27:18,470 --> 00:27:16,400

would just sign off the aggression and

700

00:27:20,389 --> 00:27:18,480

this thing would charge us

701  
00:27:22,389 --> 00:27:20,399  
so what we did we waited about five

702  
00:27:24,149 --> 00:27:22,399  
minutes on pins and needles little

703  
00:27:26,389 --> 00:27:24,159  
spikes slowly calmed down and the

704  
00:27:28,470 --> 00:27:26,399  
morning birds began to sing

705  
00:27:30,310 --> 00:27:28,480  
after a couple cops cups of strong

706  
00:27:32,389 --> 00:27:30,320  
coffee went exploring

707  
00:27:34,870 --> 00:27:32,399  
just far enough to see a medium-sized

708  
00:27:36,549 --> 00:27:34,880  
tree pushed over and a new path

709  
00:27:38,070 --> 00:27:36,559  
going up the side of the mountain

710  
00:27:39,990 --> 00:27:38,080  
through the brush

711  
00:27:41,909 --> 00:27:40,000  
there were faint footprints in the hard

712  
00:27:44,230 --> 00:27:41,919  
ground but they were huge we cut our

713  
00:27:46,070 --> 00:27:44,240

camping uh trip short

714

00:27:49,830 --> 00:27:46,080

you know i never believed in bigfoot but

715

00:27:51,669 --> 00:27:49,840

this experience changed my mind

716

00:27:53,190 --> 00:27:51,679

you know it's funny

717

00:27:54,950 --> 00:27:53,200

the the stories that come out of

718

00:27:56,310 --> 00:27:54,960

skeptics when they have an encounter is

719

00:27:58,070 --> 00:27:56,320

pretty interesting they're always the

720

00:28:01,269 --> 00:27:58,080

most detailed

721

00:28:01,279 --> 00:28:04,710

that was a pretty good account

722

00:28:08,389 --> 00:28:07,190

so nobody's got any questions okay

723

00:28:10,870 --> 00:28:08,399

sounds good

724

00:28:12,630 --> 00:28:10,880

so we'll keep going

725

00:28:21,750 --> 00:28:12,640

uh i'm going to take a drink first

726

00:28:21,760 --> 00:28:24,789

now the next account

727

00:28:28,630 --> 00:28:26,470

is a little different

728

00:28:31,830 --> 00:28:28,640

a long-haul truck driver takes a break

729

00:28:33,830 --> 00:28:31,840

along a nevada highway in the desert

730

00:28:36,070 --> 00:28:33,840

while in the sleeper he hears tapping

731

00:28:37,750 --> 00:28:36,080

from outside and observes two kids with

732

00:28:42,870 --> 00:28:37,760

black eyes

733

00:28:45,669 --> 00:28:44,389

i received this

734

00:28:46,389 --> 00:28:45,679

from uh

735

00:28:48,310 --> 00:28:46,399

the

736

00:28:50,470 --> 00:28:48,320

nephew of this um

737

00:28:54,070 --> 00:28:50,480

this individual who wrote this

738

00:28:58,070 --> 00:28:54,080

he states my uncle um told us

739

00:28:59,990 --> 00:28:58,080

a story uh in the mid 1980s about a run

740

00:29:02,149 --> 00:29:00,000

he was driving

741

00:29:04,470 --> 00:29:02,159

from nashville to chicago then chicago

742

00:29:07,990 --> 00:29:04,480

to san francisco then back to nashville

743

00:29:11,830 --> 00:29:10,149

according to his story

744

00:29:13,590 --> 00:29:11,840

he was driving through a desert in

745

00:29:15,590 --> 00:29:13,600

nevada

746

00:29:18,870 --> 00:29:15,600

it was about 10 p.m and he had been

747

00:29:20,630 --> 00:29:18,880

driving for 14 to 15 hours at that point

748

00:29:23,510 --> 00:29:20,640

he said that there hadn't been anything

749

00:29:25,110 --> 00:29:23,520

for a hundred miles but sand cactus and

750

00:29:27,269 --> 00:29:25,120

snakes

751

00:29:28,789 --> 00:29:27,279

uh eyelids were starting to grow weary

752

00:29:30,630 --> 00:29:28,799

so he just pulled over the side of the

753

00:29:32,310 --> 00:29:30,640

road and headed back to his sleeper and

754

00:29:34,950 --> 00:29:32,320

passed out

755

00:29:38,310 --> 00:29:34,960

he said around 2 am he was awakened to

756

00:29:40,389 --> 00:29:38,320

the sound of tapping outside of his cab

757

00:29:42,710 --> 00:29:40,399

thinking might be a highway patrol or

758

00:29:44,549 --> 00:29:42,720

department of transportation he hopped

759

00:29:45,669 --> 00:29:44,559

into his passenger seat to grab his

760

00:29:48,630 --> 00:29:45,679

logbook

761

00:29:50,389 --> 00:29:48,640

before going to see who was knocking

762

00:29:51,830 --> 00:29:50,399

as he grabbed his log book he heard the

763

00:29:53,909 --> 00:29:51,840

tapping again

764

00:29:55,430 --> 00:29:53,919

coming from the lower glass of his

765

00:29:57,990 --> 00:29:55,440

driver door

766

00:30:00,470 --> 00:29:58,000

followed by a child's voice saying hey

767

00:30:02,389 --> 00:30:00,480

mister we're thirsty and tired can we

768

00:30:04,230 --> 00:30:02,399

come inside

769

00:30:05,990 --> 00:30:04,240

he was suddenly struck with the feeling

770

00:30:08,230 --> 00:30:06,000

of absolute dread

771

00:30:09,750 --> 00:30:08,240

he said it was so strong that he didn't

772

00:30:11,350 --> 00:30:09,760

even want to look to see who was

773

00:30:12,470 --> 00:30:11,360

speaking

774

00:30:14,549 --> 00:30:12,480

um

775

00:30:17,029 --> 00:30:14,559

something you've got to understand about

776

00:30:20,389 --> 00:30:17,039

my uncle and the entire time i i knew

777

00:30:23,430 --> 00:30:20,399

him to that point i never heard him or

778

00:30:26,549 --> 00:30:23,440

seen him scared of anything anything

779

00:30:28,870 --> 00:30:26,559

i i'd seen him charge head first towards

780

00:30:30,549 --> 00:30:28,880

a guy that had drawn a gun on him

781

00:30:32,310 --> 00:30:30,559

i've seen him literally attack an

782

00:30:34,470 --> 00:30:32,320

alligator that had gotten too close to

783

00:30:37,350 --> 00:30:34,480

my cousin when we went to vacation in

784

00:30:39,990 --> 00:30:37,360

florida one year nothing scared the man

785

00:30:41,830 --> 00:30:40,000

however even years after this incident

786

00:30:44,310 --> 00:30:41,840

as he was telling the story to us you

787

00:30:46,870 --> 00:30:44,320

could see the front in his eyes

788

00:30:49,830 --> 00:30:46,880

he said that he had that they had tapped

789

00:30:51,909 --> 00:30:49,840

on the glass again and asked once more

790

00:30:54,310 --> 00:30:51,919

to be led inside

791

00:30:57,350 --> 00:30:54,320

against his better judgment he he looked

792

00:30:59,430 --> 00:30:57,360

over at the glass and then just froze

793

00:31:01,430 --> 00:30:59,440

he said they looked like two normal kids

794

00:31:03,350 --> 00:31:01,440

if a little pale but it was their eyes

795

00:31:06,230 --> 00:31:03,360

they were solid black

796

00:31:09,190 --> 00:31:06,240

he described them as as seeming to have

797

00:31:11,190 --> 00:31:09,200

eyes but also not have eyes and yet felt

798

00:31:12,789 --> 00:31:11,200

like they were staring

799

00:31:14,710 --> 00:31:12,799

right through him into you know in

800

00:31:16,789 --> 00:31:14,720

through the lower glass

801  
00:31:19,350 --> 00:31:16,799  
he immediately yelled out to them to

802  
00:31:21,269 --> 00:31:19,360  
leave me alone and um

803  
00:31:23,269 --> 00:31:21,279  
he said that they they stared at him

804  
00:31:25,190 --> 00:31:23,279  
almost angrily for a few seconds and

805  
00:31:27,269 --> 00:31:25,200  
then just disappeared

806  
00:31:29,029 --> 00:31:27,279  
not like they turned away and walked off

807  
00:31:31,590 --> 00:31:29,039  
or stepped down from the bottom step

808  
00:31:33,590 --> 00:31:31,600  
just poof they were gone

809  
00:31:35,669 --> 00:31:33,600  
uh he sat in the passenger seat for a

810  
00:31:37,190 --> 00:31:35,679  
few seconds trying to figure out what

811  
00:31:39,110 --> 00:31:37,200  
had just happened

812  
00:31:41,669 --> 00:31:39,120  
but suddenly they started pounding on

813  
00:31:43,430 --> 00:31:41,679

his passenger right next passenger door

814

00:31:45,350 --> 00:31:43,440

right next to him yelling

815

00:31:47,190 --> 00:31:45,360

let us in now

816

00:31:50,470 --> 00:31:47,200

he said they sound didn't sound like

817

00:31:52,549 --> 00:31:50,480

kids anymore with zero hesitation

818

00:31:54,230 --> 00:31:52,559

he jumped from his passenger seat into

819

00:31:56,149 --> 00:31:54,240

the driver's seat

820

00:31:58,830 --> 00:31:56,159

threw his gear his rig into gear and

821

00:32:01,909 --> 00:31:58,840

peeled out of there as fast as he could

822

00:32:04,710 --> 00:32:01,919

um he said he didn't slow down until he

823

00:32:07,110 --> 00:32:04,720

hit california and took a different

824

00:32:09,909 --> 00:32:07,120

highway back to tennessee

825

00:32:11,990 --> 00:32:09,919

he did say he saw him later on the road

826  
00:32:14,389 --> 00:32:12,000  
though he said he'd been trucking down

827  
00:32:16,630 --> 00:32:14,399  
the highway for another couple hours

828  
00:32:17,669 --> 00:32:16,640  
when in his life he saw the same two

829  
00:32:19,509 --> 00:32:17,679  
kids

830  
00:32:21,990 --> 00:32:19,519  
on the side of the road just standing

831  
00:32:23,750 --> 00:32:22,000  
there staring at his truck

832  
00:32:26,070 --> 00:32:23,760  
they continued to stare at him the

833  
00:32:27,750 --> 00:32:26,080  
entire time as he passed them but they

834  
00:32:29,190 --> 00:32:27,760  
were gone when he looked for them in the

835  
00:32:31,110 --> 00:32:29,200  
side mirror

836  
00:32:33,430 --> 00:32:31,120  
he told us he found another gear in his

837  
00:32:34,230 --> 00:32:33,440  
truck when he didn't even know he had

838  
00:32:36,470 --> 00:32:34,240

that

839

00:32:38,950 --> 00:32:36,480

um it could have been a nightmare not

840

00:32:40,789 --> 00:32:38,960

likely since he was obviously awake when

841

00:32:43,669 --> 00:32:40,799

he was driving into california that

842

00:32:46,950 --> 00:32:43,679

morning uh could have been a story he

843

00:32:49,269 --> 00:32:46,960

made up just to scare us kids maybe but

844

00:32:52,070 --> 00:32:49,279

he wasn't really the scary type story

845

00:32:54,070 --> 00:32:52,080

type as well as he you know he told us

846

00:32:55,830 --> 00:32:54,080

all the same story well into

847

00:32:57,830 --> 00:32:55,840

our adult years could have been

848

00:32:59,830 --> 00:32:57,840

hallucinations that were overworked

849

00:33:02,710 --> 00:32:59,840

sleep provide mine

850

00:33:04,710 --> 00:33:02,720

well maybe but uh he worked these hours

851  
00:33:06,149 --> 00:33:04,720  
and grew the same route for many years

852  
00:33:08,310 --> 00:33:06,159  
before and after

853  
00:33:09,990 --> 00:33:08,320  
also the whole black eye kid phenomena

854  
00:33:11,750 --> 00:33:10,000  
hadn't even been popularized in the

855  
00:33:13,750 --> 00:33:11,760  
mainstream yet and

856  
00:33:14,950 --> 00:33:13,760  
uh it wouldn't be for a couple more

857  
00:33:17,190 --> 00:33:14,960  
decades

858  
00:33:19,509 --> 00:33:17,200  
so they said i'll let you make your own

859  
00:33:21,110 --> 00:33:19,519  
judgments on this story

860  
00:33:22,630 --> 00:33:21,120  
uh

861  
00:33:24,549 --> 00:33:22,640  
that that's a weird one you know i've

862  
00:33:25,909 --> 00:33:24,559  
heard that before where people have

863  
00:33:28,630 --> 00:33:25,919

encountered these

864

00:33:31,509 --> 00:33:28,640

these black eyed kids or other beings or

865

00:33:33,509 --> 00:33:31,519

even these pale humanoids growers

866

00:33:34,950 --> 00:33:33,519

where they are they're seen and just

867

00:33:38,389 --> 00:33:34,960

take off

868

00:33:41,029 --> 00:33:38,399

and you know they disappear

869

00:33:44,149 --> 00:33:41,039

and actually this next account is very

870

00:33:46,549 --> 00:33:44,159

similar but it has to do with a slender

871

00:33:47,669 --> 00:33:46,559

man as opposed to a red or a black-eyed

872

00:33:48,950 --> 00:33:47,679

kid

873

00:33:50,470 --> 00:33:48,960

because a mother and her child were

874

00:33:53,350 --> 00:33:50,480

driving back from new york city and

875

00:33:56,070 --> 00:33:53,360

decided to rest in plaxico kansas

876  
00:33:57,269 --> 00:33:56,080  
they soon encountered a slender man like

877  
00:33:59,590 --> 00:33:57,279  
priest

878  
00:34:01,830 --> 00:33:59,600  
that manifested every mile or so on the

879  
00:34:04,789 --> 00:34:01,840  
highway

880  
00:34:06,789 --> 00:34:04,799  
now she says this happened in 2019 at

881  
00:34:08,310 --> 00:34:06,799  
the peak of the pandemic on mother's day

882  
00:34:10,629 --> 00:34:08,320  
weekend

883  
00:34:11,750 --> 00:34:10,639  
i had three kids two boys and two girls

884  
00:34:13,589 --> 00:34:11,760  
and a boy

885  
00:34:16,470 --> 00:34:13,599  
my middle child the girl

886  
00:34:19,430 --> 00:34:16,480  
was a girl was 12 at the time and

887  
00:34:21,589 --> 00:34:19,440  
is on the spectrum very high functioning

888  
00:34:23,109 --> 00:34:21,599

but has emotional problems

889

00:34:25,030 --> 00:34:23,119

something can be

890

00:34:27,270 --> 00:34:25,040

sometimes it can be come very

891

00:34:29,510 --> 00:34:27,280

overwhelming and long story short her

892

00:34:30,550 --> 00:34:29,520

grandmother her dad's mother offered to

893

00:34:33,030 --> 00:34:30,560

help but

894

00:34:35,349 --> 00:34:33,040

by enrolling her in a school in new york

895

00:34:36,869 --> 00:34:35,359

we live in colorado so it's a little far

896

00:34:38,710 --> 00:34:36,879

but i always allowed them to go on

897

00:34:39,829 --> 00:34:38,720

vacation there to see the side of their

898

00:34:41,510 --> 00:34:39,839

family

899

00:34:43,589 --> 00:34:41,520

it didn't end up working out well the

900

00:34:46,069 --> 00:34:43,599

woman or grandmother turned out to be

901  
00:34:48,950 --> 00:34:46,079  
a narcissist as narcissistic as most

902  
00:34:50,629 --> 00:34:48,960  
horrible cairns would be you ever met

903  
00:34:52,149 --> 00:34:50,639  
and you know it's about as bad as you've

904  
00:34:54,069 --> 00:34:52,159  
ever met and was

905  
00:34:55,829 --> 00:34:54,079  
mentally abusing her

906  
00:34:57,510 --> 00:34:55,839  
only after being there for two weeks

907  
00:34:59,589 --> 00:34:57,520  
when my daughter asked to come home i

908  
00:35:01,270 --> 00:34:59,599  
dropped everything around the car and

909  
00:35:02,790 --> 00:35:01,280  
took what little money i had and drew

910  
00:35:03,670 --> 00:35:02,800  
and got her

911  
00:35:05,670 --> 00:35:03,680  
but

912  
00:35:09,030 --> 00:35:05,680  
there's a completely different story

913  
00:35:11,589 --> 00:35:09,040

however this is the scary part

914

00:35:13,270 --> 00:35:11,599

uh we started from rockefeller center

915

00:35:15,430 --> 00:35:13,280

and everything went smoothly until we

916

00:35:17,109 --> 00:35:15,440

got to kansas

917

00:35:19,190 --> 00:35:17,119

i was exhausted from the drive and

918

00:35:22,310 --> 00:35:19,200

decided to pull over in a town called

919

00:35:25,030 --> 00:35:22,320

plexigo at about 1am

920

00:35:27,109 --> 00:35:25,040

we had pulled into a few rest stops to

921

00:35:29,190 --> 00:35:27,119

sleep and everything was fine

922

00:35:30,390 --> 00:35:29,200

but this place was flat out deserted and

923

00:35:32,550 --> 00:35:30,400

creeping

924

00:35:34,390 --> 00:35:32,560

but i just took it as me being sleeping

925

00:35:35,829 --> 00:35:34,400

irritated at everything my daughter was

926  
00:35:37,190 --> 00:35:35,839  
telling me about the time in new york

927  
00:35:39,349 --> 00:35:37,200  
city

928  
00:35:41,030 --> 00:35:39,359  
i pulled into this restaurant parking

929  
00:35:43,750 --> 00:35:41,040  
lot and found the place out of the way

930  
00:35:45,030 --> 00:35:43,760  
in case anyone came and we were in the

931  
00:35:46,950 --> 00:35:45,040  
way

932  
00:35:49,109 --> 00:35:46,960  
uh

933  
00:35:51,349 --> 00:35:49,119  
there was a travel information stand

934  
00:35:54,230 --> 00:35:51,359  
across the road from where we were going

935  
00:35:56,950 --> 00:35:54,240  
to stay but it freaked my daughter out

936  
00:35:58,550 --> 00:35:56,960  
but those who were the only two places

937  
00:36:00,870 --> 00:35:58,560  
with light anywhere

938  
00:36:02,710 --> 00:36:00,880

i locked up and i finally got close i

939

00:36:03,990 --> 00:36:02,720

got to close my eyes and all of a sudden

940

00:36:05,750 --> 00:36:04,000

my daughter

941

00:36:07,430 --> 00:36:05,760

got even more scared

942

00:36:09,589 --> 00:36:07,440

uh kept saying that she didn't feel

943

00:36:11,510 --> 00:36:09,599

right and that she felt something was

944

00:36:13,910 --> 00:36:11,520

watching her

945

00:36:15,109 --> 00:36:13,920

she turned around and screamed

946

00:36:18,950 --> 00:36:15,119

that

947

00:36:20,470 --> 00:36:18,960

at us through one of the windows of the

948

00:36:23,190 --> 00:36:20,480

restaurant

949

00:36:26,230 --> 00:36:23,200

now as she said that though i got this

950

00:36:28,550 --> 00:36:26,240

huge rush of fear run through me and i

951  
00:36:30,790 --> 00:36:28,560  
felt we needed to leave right that

952  
00:36:33,109 --> 00:36:30,800  
instant and started the car

953  
00:36:35,430 --> 00:36:33,119  
when i looked back i didn't see it but i

954  
00:36:37,670 --> 00:36:35,440  
felt it it was enough for me to speed

955  
00:36:40,790 --> 00:36:37,680  
out of there then she screamed it's

956  
00:36:42,630 --> 00:36:40,800  
behind us go faster

957  
00:36:44,790 --> 00:36:42,640  
i was trying to get back out on the

958  
00:36:46,150 --> 00:36:44,800  
highway remember the road had this weird

959  
00:36:48,310 --> 00:36:46,160  
type of loop

960  
00:36:49,190 --> 00:36:48,320  
to it if you turn wrong

961  
00:36:51,430 --> 00:36:49,200  
you'd

962  
00:36:53,270 --> 00:36:51,440  
lead you to the circle right lead you

963  
00:36:55,190 --> 00:36:53,280

into a circle right back the same

964

00:36:57,750 --> 00:36:55,200

information building across the

965

00:36:59,109 --> 00:36:57,760

restaurant once we got on the highway i

966

00:37:02,470 --> 00:36:59,119

saw it

967

00:37:05,349 --> 00:37:02,480

a very tall man with priester

968

00:37:08,230 --> 00:37:05,359

on the side of the road every mile or so

969

00:37:10,069 --> 00:37:08,240

smiling and waving at us

970

00:37:12,310 --> 00:37:10,079

i must have been going about 100 miles

971

00:37:13,750 --> 00:37:12,320

an hour it followed us all the way to

972

00:37:15,910 --> 00:37:13,760

topeka

973

00:37:17,910 --> 00:37:15,920

and then it just didn't feel i just

974

00:37:19,990 --> 00:37:17,920

didn't feel it anymore

975

00:37:22,150 --> 00:37:20,000

that's not the most that's not the most

976  
00:37:23,670 --> 00:37:22,160  
scared i've been but very close when we

977  
00:37:26,550 --> 00:37:23,680  
finally got home

978  
00:37:28,230 --> 00:37:26,560  
we researched that town in its history

979  
00:37:30,150 --> 00:37:28,240  
but never found anything about the

980  
00:37:32,069 --> 00:37:30,160  
priest haunting the area

981  
00:37:33,990 --> 00:37:32,079  
it's just glad i'm just glad that we got

982  
00:37:35,030 --> 00:37:34,000  
out of there it felt like we were being

983  
00:37:38,630 --> 00:37:35,040  
hunted

984  
00:37:40,630 --> 00:37:38,640  
any idea what this was and no i don't

985  
00:37:44,230 --> 00:37:40,640  
think it was a slender man or any of

986  
00:37:46,310 --> 00:37:44,240  
those he was tall but not like that any

987  
00:37:49,670 --> 00:37:46,320  
anybody ever having experiences in

988  
00:37:52,950 --> 00:37:49,680

around plexigo i mean paxico

989

00:37:56,150 --> 00:37:52,960

kansas so that's a kind of a weird one

990

00:37:57,109 --> 00:37:56,160

um i got a lot of feedback on that one

991

00:37:59,270 --> 00:37:57,119

so

992

00:38:01,270 --> 00:37:59,280

you know that's the last case i have if

993

00:38:03,430 --> 00:38:01,280

anybody's got any questions feel free

994

00:38:05,030 --> 00:38:03,440

for free to put it up here i may have

995

00:38:07,910 --> 00:38:05,040

missed something because i wasn't really

996

00:38:10,150 --> 00:38:07,920

watching the the chat

997

00:38:12,230 --> 00:38:10,160

but uh yeah i mean if you have any

998

00:38:13,349 --> 00:38:12,240

questions oh marla's got one

999

00:38:15,030 --> 00:38:13,359

um

1000

00:38:17,349 --> 00:38:15,040

are there a lot of black-eyed kid

1001  
00:38:21,670 --> 00:38:17,359  
reports that take place in the desert

1002  
00:38:25,829 --> 00:38:21,680  
you know there are actually uh

1003  
00:38:28,150 --> 00:38:25,839  
if you remember jc johnson's account

1004  
00:38:31,109 --> 00:38:28,160  
when him when he encountered that that

1005  
00:38:34,470 --> 00:38:31,119  
woman out in the middle of the desert

1006  
00:38:36,710 --> 00:38:34,480  
uh right off the reservation

1007  
00:38:39,190 --> 00:38:36,720  
one night and actually the sighting of

1008  
00:38:41,030 --> 00:38:39,200  
admitting very sick and i'll be honest

1009  
00:38:42,390 --> 00:38:41,040  
with you i don't think jc was right

1010  
00:38:44,630 --> 00:38:42,400  
after that

1011  
00:38:46,710 --> 00:38:44,640  
uh it happened about two or three years

1012  
00:38:49,589 --> 00:38:46,720  
before he passed away

1013  
00:38:51,109 --> 00:38:49,599

and i i think i think it affected jc for

1014

00:38:53,270 --> 00:38:51,119

the rest of his life

1015

00:38:57,270 --> 00:38:53,280

um

1016

00:39:00,870 --> 00:38:59,030

you know we'll see but uh you know i

1017

00:39:03,750 --> 00:39:00,880

have heard of these before

1018

00:39:05,829 --> 00:39:03,760

uh are these wing humanoids always seen

1019

00:39:08,230 --> 00:39:05,839

around large bodies of water or the

1020

00:39:09,510 --> 00:39:08,240

ocean great lakes

1021

00:39:12,710 --> 00:39:09,520

um

1022

00:39:13,670 --> 00:39:12,720

it do seem in some cases to be close to

1023

00:39:14,790 --> 00:39:13,680

water

1024

00:39:17,190 --> 00:39:14,800

that has

1025

00:39:19,109 --> 00:39:17,200

you know of course from chicago

1026

00:39:20,710 --> 00:39:19,119

chicago's got a lot of water not only

1027

00:39:22,230 --> 00:39:20,720

the lake but there's a lot of there's a

1028

00:39:24,390 --> 00:39:22,240

lot of rivers

1029

00:39:26,390 --> 00:39:24,400

all through the area into the county and

1030

00:39:27,670 --> 00:39:26,400

all it's an area with a lot of water

1031

00:39:29,030 --> 00:39:27,680

uh

1032

00:39:31,030 --> 00:39:29,040

i don't know if that's

1033

00:39:32,710 --> 00:39:31,040

the reason why we haven't really been

1034

00:39:34,790 --> 00:39:32,720

able to figure that out

1035

00:39:36,710 --> 00:39:34,800

i i honestly i haven't found any

1036

00:39:38,390 --> 00:39:36,720

indication that there's any order

1037

00:39:41,990 --> 00:39:38,400

involved with it

1038

00:39:44,150 --> 00:39:42,000

uh you know so

1039

00:39:45,750 --> 00:39:44,160

don't know you know it could be but it's

1040

00:39:47,190 --> 00:39:45,760

like a lot of other things we've got a

1041

00:39:48,310 --> 00:39:47,200

lot of different

1042

00:39:50,550 --> 00:39:48,320

uh

1043

00:39:52,390 --> 00:39:50,560

questions about what had has been going

1044

00:39:53,990 --> 00:39:52,400

on in chicago and

1045

00:39:55,510 --> 00:39:54,000

you know people have brought up that

1046

00:39:57,510 --> 00:39:55,520

water

1047

00:40:01,670 --> 00:39:57,520

relationship to it

1048

00:40:03,990 --> 00:40:01,680

but honestly i don't know if that um

1049

00:40:06,309 --> 00:40:04,000

i don't know if that's uh any has

1050

00:40:08,870 --> 00:40:06,319

anything to do with it or not

1051

00:40:11,190 --> 00:40:08,880

aaron asked are black eyed kids have any

1052

00:40:12,630 --> 00:40:11,200

indication of being a demonic being i

1053

00:40:14,150 --> 00:40:12,640

don't know

1054

00:40:15,670 --> 00:40:14,160

you know the whole black eyed kid

1055

00:40:17,589 --> 00:40:15,680

phenomena

1056

00:40:19,829 --> 00:40:17,599

you know

1057

00:40:22,150 --> 00:40:19,839

i think there's a good possibility that

1058

00:40:23,349 --> 00:40:22,160

it's a possession of some type

1059

00:40:25,670 --> 00:40:23,359

um

1060

00:40:28,470 --> 00:40:25,680

you know we do have black-eyed

1061

00:40:32,150 --> 00:40:28,480

uh adults as well

1062

00:40:35,190 --> 00:40:32,160

i um i don't know i i just don't know if

1063

00:40:37,190 --> 00:40:35,200

it was demonic thing or um

1064

00:40:40,710 --> 00:40:37,200

which i doubt i think it's probably a

1065

00:40:43,670 --> 00:40:40,720

possession you know it doesn't seem like

1066

00:40:45,430 --> 00:40:43,680

these kids are all the time

1067

00:40:47,750 --> 00:40:45,440

black eye but then i can't i i don't

1068

00:40:50,150 --> 00:40:47,760

know of an instance where someone has

1069

00:40:54,470 --> 00:40:50,160

seen with black eyes than with normal

1070

00:40:58,790 --> 00:40:56,870

um and vincent asked uh have there been

1071

00:41:00,870 --> 00:40:58,800

other reports of white skinned bigfoot

1072

00:41:03,190 --> 00:41:00,880

like creatures

1073

00:41:06,069 --> 00:41:03,200

there have been reports of

1074

00:41:08,230 --> 00:41:06,079

white bigfoot but as far as a cr a

1075

00:41:10,069 --> 00:41:08,240

bigfoot like creature

1076

00:41:13,670 --> 00:41:10,079

with uh

1077

00:41:14,710 --> 00:41:13,680

with dark red or dark brown uh hair or

1078

00:41:17,349 --> 00:41:14,720

fur

1079

00:41:19,109 --> 00:41:17,359

and then white skin

1080

00:41:21,109 --> 00:41:19,119

honestly i don't think i've heard that

1081

00:41:22,710 --> 00:41:21,119

before there's a lot of times when the

1082

00:41:24,870 --> 00:41:22,720

skin's very dark

1083

00:41:27,030 --> 00:41:24,880

darker than the the hair but the other

1084

00:41:29,990 --> 00:41:27,040

way around

1085

00:41:32,550 --> 00:41:30,000

now i i really don't

1086

00:41:34,790 --> 00:41:32,560

i really don't

1087

00:41:37,030 --> 00:41:34,800

any eyed mib

1088

00:41:39,270 --> 00:41:37,040

i don't know most of the time these mib

1089

00:41:40,870 --> 00:41:39,280

have sunglasses on so they may they

1090

00:41:44,630 --> 00:41:40,880

maybe they do

1091

00:41:46,309 --> 00:41:44,640

but uh i i don't think so

1092

00:41:48,390 --> 00:41:46,319

um

1093

00:41:50,470 --> 00:41:48,400

yeah that question about the holograms

1094

00:41:52,790 --> 00:41:50,480

or extraterrestrials before experience

1095

00:41:55,270 --> 00:41:52,800

anybody knows anything about that

1096

00:41:56,870 --> 00:41:55,280

feel free to contact me about it because

1097

00:41:58,950 --> 00:41:56,880

um

1098

00:42:00,870 --> 00:41:58,960

uh that's that's an interesting

1099

00:42:02,710 --> 00:42:00,880

phenomena that has been occurring with

1100

00:42:05,510 --> 00:42:02,720

this person for a while now where they

1101  
00:42:07,750 --> 00:42:05,520  
see these holograms of unknown creatures

1102  
00:42:09,670 --> 00:42:07,760  
or something exaggerated

1103  
00:42:11,190 --> 00:42:09,680  
and then they have the encounter with an

1104  
00:42:13,540 --> 00:42:11,200  
extraterrestrial or some type of

1105  
00:42:15,349 --> 00:42:13,550  
non-terrestrial being

1106  
00:42:17,829 --> 00:42:15,359  
[Music]

1107  
00:42:20,790 --> 00:42:17,839  
and manuel says yeah there have been

1108  
00:42:22,150 --> 00:42:20,800  
white eyed kids before wide-eyed beings

1109  
00:42:24,550 --> 00:42:22,160  
also so

1110  
00:42:26,390 --> 00:42:24,560  
you know is that the same type of uh is

1111  
00:42:29,030 --> 00:42:26,400  
that the same relation as a black-eyed

1112  
00:42:31,109 --> 00:42:29,040  
kid or black-eyed being i don't know

1113  
00:42:39,349 --> 00:42:31,119

but there have been wide-eyed crete i

1114

00:42:39,359 --> 00:42:44,550

so anybody got anything else

1115

00:42:48,950 --> 00:42:46,870

uh do we think these chirping wing

1116

00:42:51,030 --> 00:42:48,960

humanoids from vincent are different

1117

00:42:53,190 --> 00:42:51,040

than what we have been doing with in

1118

00:42:54,870 --> 00:42:53,200

chicago it might be

1119

00:42:57,190 --> 00:42:54,880

you know every once in a while we get a

1120

00:43:00,390 --> 00:42:57,200

different aspect of these beings just

1121

00:43:02,630 --> 00:43:00,400

pop up so this but this is something new

1122

00:43:06,230 --> 00:43:02,640

um

1123

00:43:08,710 --> 00:43:06,240

i i don't remember maybe manuel can

1124

00:43:11,349 --> 00:43:08,720

say but i don't remember anybody saying

1125

00:43:13,270 --> 00:43:11,359

anything about chirping sounds before

1126

00:43:15,750 --> 00:43:13,280

so uh

1127

00:43:18,390 --> 00:43:16,950

you know that's something else we got to

1128

00:43:20,230 --> 00:43:18,400

look into

1129

00:43:22,150 --> 00:43:20,240

and i got a feeling this isn't the last

1130

00:43:24,390 --> 00:43:22,160

time we've heard about it

1131

00:43:26,950 --> 00:43:24,400

uh sarah asked do you think that all

1132

00:43:28,950 --> 00:43:26,960

bigfoot or interdimensional or do live

1133

00:43:30,390 --> 00:43:28,960

some physical

1134

00:43:32,390 --> 00:43:30,400

uh

1135

00:43:34,630 --> 00:43:32,400

in the physical all the time yeah i do i

1136

00:43:36,630 --> 00:43:34,640

think there there are indigenous beings

1137

00:43:37,750 --> 00:43:36,640

that live on our earth plane all the

1138

00:43:38,790 --> 00:43:37,760

time

1139

00:43:40,950 --> 00:43:38,800

uh

1140

00:43:43,829 --> 00:43:40,960

and i think most of those in areas like

1141

00:43:45,109 --> 00:43:43,839

the uh pacific northwest florida around

1142

00:43:47,589 --> 00:43:45,119

the gulf

1143

00:43:50,390 --> 00:43:47,599

uh yeah i think there are

1144

00:43:53,030 --> 00:43:50,400

and many times they're associated with

1145

00:43:56,870 --> 00:43:53,040

pods or family groups as well

1146

00:43:58,950 --> 00:43:56,880

but for the most part i i think the um

1147

00:44:01,349 --> 00:43:58,960

i think bigfoot and most cryptids are

1148

00:44:03,750 --> 00:44:01,359

interventional beings or something

1149

00:44:06,069 --> 00:44:03,760

not of this earth plane and have a way

1150

00:44:08,150 --> 00:44:06,079

of moving in and out like i do with the

1151  
00:44:10,870 --> 00:44:08,160  
uh like i do with the winged humanoids i

1152  
00:44:11,670 --> 00:44:10,880  
think that's the same case with them

1153  
00:44:13,589 --> 00:44:11,680  
uh

1154  
00:44:17,349 --> 00:44:13,599  
you know we can't prove that

1155  
00:44:19,270 --> 00:44:17,359  
unless we have more just definitive uh

1156  
00:44:20,710 --> 00:44:19,280  
evidence of it

1157  
00:44:22,230 --> 00:44:20,720  
but

1158  
00:44:23,750 --> 00:44:22,240  
seriously i think there there's

1159  
00:44:25,190 --> 00:44:23,760  
something to that interdimensional

1160  
00:44:27,190 --> 00:44:25,200  
theory

1161  
00:44:29,829 --> 00:44:27,200  
uh marla asked do you think the chirping

1162  
00:44:32,230 --> 00:44:29,839  
is a warning our language it may be you

1163  
00:44:33,990 --> 00:44:32,240

know i um

1164

00:44:37,109 --> 00:44:34,000

you know when i had my bigfoot encounter

1165

00:44:39,270 --> 00:44:37,119

back in 81 that that bigfoot left that

1166

00:44:40,710 --> 00:44:39,280

had a clicking sound it made

1167

00:44:42,069 --> 00:44:40,720

with its teeth

1168

00:44:43,990 --> 00:44:42,079

and i think it was a nervous thing

1169

00:44:45,670 --> 00:44:44,000

nervous tick that it gave off when it

1170

00:44:48,829 --> 00:44:45,680

saw something or encountered something

1171

00:44:51,829 --> 00:44:48,839

it wasn't used to seeing

1172

00:44:53,589 --> 00:44:51,839

um i think that's what happened so maybe

1173

00:44:56,470 --> 00:44:53,599

that's you know maybe these chirping

1174

00:44:58,630 --> 00:44:56,480

sounds are these these wing beings

1175

00:45:01,030 --> 00:44:58,640

letting out uh some type of either

1176  
00:45:02,829 --> 00:45:01,040  
warning or maybe a nervous tick of some

1177  
00:45:06,230 --> 00:45:02,839  
type i don't

1178  
00:45:08,309 --> 00:45:06,240  
know uh rich vincent wanted to know do

1179  
00:45:10,630 --> 00:45:08,319  
you think cern is changing our reality

1180  
00:45:12,550 --> 00:45:10,640  
oh it could be um

1181  
00:45:14,230 --> 00:45:12,560  
i don't think it's gonna help eventually

1182  
00:45:16,069 --> 00:45:14,240  
but you know

1183  
00:45:17,750 --> 00:45:16,079  
you know it's one of those things where

1184  
00:45:19,589 --> 00:45:17,760  
i think we're gonna have to keep an eye

1185  
00:45:20,390 --> 00:45:19,599  
on and i think there is a possibility

1186  
00:45:23,430 --> 00:45:20,400  
that

1187  
00:45:25,829 --> 00:45:23,440  
it may open up a rift somehow and

1188  
00:45:28,150 --> 00:45:25,839

you know when you start opening rifts up

1189

00:45:31,670 --> 00:45:28,160

though we don't know the whole

1190

00:45:34,390 --> 00:45:31,680

interdimensional or opening or

1191

00:45:37,589 --> 00:45:34,400

from between our world and others

1192

00:45:39,430 --> 00:45:37,599

uh what that entails but yeah i think i

1193

00:45:40,550 --> 00:45:39,440

think there's something there that you

1194

00:45:43,589 --> 00:45:40,560

know

1195

00:45:45,670 --> 00:45:43,599

may cause some issues at some point

1196

00:45:47,910 --> 00:45:45,680

but i think we need to be made aware of

1197

00:45:50,150 --> 00:45:47,920

it and i think that people a lot of

1198

00:45:52,230 --> 00:45:50,160

people are skeptical of it

1199

00:45:54,390 --> 00:45:52,240

android purity they say that the eyes

1200

00:45:56,630 --> 00:45:54,400

are winded to the soul so maybe black

1201  
00:45:58,829 --> 00:45:56,640  
eyes indicating their soul

1202  
00:46:01,030 --> 00:45:58,839  
i don't know

1203  
00:46:02,710 --> 00:46:01,040  
possibly uh

1204  
00:46:06,230 --> 00:46:02,720  
but i still think it's a possession

1205  
00:46:07,109 --> 00:46:06,240  
thing i really do now

1206  
00:46:10,309 --> 00:46:07,119  
you know

1207  
00:46:12,390 --> 00:46:10,319  
when you talk about spirit possession uh

1208  
00:46:13,510 --> 00:46:12,400  
you see a lot of weird stuff

1209  
00:46:15,750 --> 00:46:13,520  
uh

1210  
00:46:18,069 --> 00:46:15,760  
people are contorted in different ways

1211  
00:46:21,750 --> 00:46:18,079  
and it causes all kinds of

1212  
00:46:24,230 --> 00:46:21,760  
reactions and such but um

1213  
00:46:26,230 --> 00:46:24,240

i don't know it very well could be

1214

00:46:29,109 --> 00:46:26,240

anastasia i think the chirping is a way

1215

00:46:31,030 --> 00:46:29,119

to see kind of like whales hunting for

1216

00:46:32,870 --> 00:46:31,040

fish you mean like sonar or like a

1217

00:46:34,550 --> 00:46:32,880

batson or that might be

1218

00:46:37,270 --> 00:46:34,560

maybe that's how they see better you

1219

00:46:39,030 --> 00:46:37,280

know the red eyes maybe don't allow them

1220

00:46:41,589 --> 00:46:39,040

to see

1221

00:46:43,829 --> 00:46:41,599

as as clearly and they use some type of

1222

00:46:44,790 --> 00:46:43,839

sonar with chirping that's very possible

1223

00:46:46,790 --> 00:46:44,800

you know

1224

00:46:49,190 --> 00:46:46,800

large i mean bats make like a clicking

1225

00:46:52,710 --> 00:46:49,200

sound as well with their sonar so maybe

1226

00:46:58,790 --> 00:46:54,790

possessions from what with that i don't

1227

00:46:59,670 --> 00:46:58,800

know extraterrestrial possibly

1228

00:47:01,990 --> 00:46:59,680

uh

1229

00:47:03,990 --> 00:47:02,000

there could be some type of entity other

1230

00:47:06,870 --> 00:47:04,000

than that

1231

00:47:09,270 --> 00:47:06,880

very possible but you know

1232

00:47:11,270 --> 00:47:09,280

you know it's very it's very similar to

1233

00:47:13,589 --> 00:47:11,280

what people look like or experience

1234

00:47:16,710 --> 00:47:13,599

other other than black eyes with the

1235

00:47:19,109 --> 00:47:16,720

spirit possessions or spirit attachments

1236

00:47:20,630 --> 00:47:19,119

so um yeah

1237

00:47:23,030 --> 00:47:20,640

maybe it's something to that we just

1238

00:47:25,829 --> 00:47:23,040

don't know enough about it

1239

00:47:27,990 --> 00:47:25,839

uh you know until we get

1240

00:47:30,230 --> 00:47:28,000

until we get someone who's inflicted

1241

00:47:31,030 --> 00:47:30,240

with the black eyes or inflicted in that

1242

00:47:32,870 --> 00:47:31,040

way

1243

00:47:34,870 --> 00:47:32,880

come forward and tell us a few things

1244

00:47:36,470 --> 00:47:34,880

and able to be interviewed

1245

00:47:38,390 --> 00:47:36,480

which i don't know if we've ever entered

1246

00:47:40,870 --> 00:47:38,400

have had or had an opportunity to

1247

00:47:42,069 --> 00:47:40,880

interview anybody with that

1248

00:47:44,470 --> 00:47:42,079

malady

1249

00:47:47,910 --> 00:47:44,480

so uh who knows

1250

00:47:50,470 --> 00:47:47,920

richard vincent asked have you had an 18

1251

00:47:51,750 --> 00:47:50,480

contact as of late no i have it been a

1252

00:47:56,390 --> 00:47:51,760

while

1253

00:47:58,710 --> 00:47:56,400

the most recent one i had was about a

1254

00:48:00,710 --> 00:47:58,720

year or so ago but

1255

00:48:02,309 --> 00:48:00,720

i i don't remember much of it i know it

1256

00:48:04,069 --> 00:48:02,319

happened but i really don't know

1257

00:48:07,589 --> 00:48:04,079

remember any of it

1258

00:48:09,510 --> 00:48:07,599

as opposed to the one before that so uh

1259

00:48:12,069 --> 00:48:09,520

you know maybe maybe it'll come back at

1260

00:48:13,589 --> 00:48:12,079

some point i don't know but um and that

1261

00:48:15,910 --> 00:48:13,599

does happen you know a lot of times when

1262

00:48:18,309 --> 00:48:15,920

people have encounters like that it's

1263

00:48:20,230 --> 00:48:18,319

kind of it's kind of regressed

1264

00:48:22,230 --> 00:48:20,240

and then years later it kind of comes

1265

00:48:24,150 --> 00:48:22,240

out i hear that all the time from people

1266

00:48:25,670 --> 00:48:24,160

who say you know i just remember this

1267

00:48:32,790 --> 00:48:25,680

this and that

1268

00:48:36,069 --> 00:48:34,710

okay well you know

1269

00:48:37,990 --> 00:48:36,079

let me tell you if you have an

1270

00:48:39,510 --> 00:48:38,000

unexplained encounter setting

1271

00:48:41,270 --> 00:48:39,520

you know feel free to contact me

1272
