

PHANTOMS & MONSTERS

R A D I O

MOTHMAN / WINGED HUMANOIDS ROUNDTABLE

TOBIAS WAYLAND, MANUEL NAVARETTE, &
TRAVIS SHORTT

FRIDAY, MAY 20TH AT 9PM EASTERN / 6PM PACIFIC

1
00:00:13,190 --> 00:00:11,669
we live in a reality of phantoms and

2
00:00:16,150 --> 00:00:13,200
monsters

3
00:00:17,349 --> 00:00:16,160
they exist among us and sometimes they

4
00:00:20,710 --> 00:00:17,359
win

5
00:00:23,189 --> 00:00:20,720
even the devil was an angel once

6
00:00:26,230 --> 00:00:23,199
the world has its own rules

7
00:00:29,029 --> 00:00:26,240
and these rules are not human

8
00:00:31,349 --> 00:00:29,039
some of us seek answers to the origin

9
00:00:33,350 --> 00:00:31,359
and existence of cryptids in the

10
00:00:36,709 --> 00:00:33,360
unexplained

11
00:00:39,030 --> 00:00:36,719
join us as we venture beyond the known

12
00:00:41,190 --> 00:00:39,040
and accepted boundaries

13
00:00:47,300 --> 00:00:41,200

welcome to our nightmare

14

00:00:58,790 --> 00:00:56,470

[Music]

15

00:01:01,110 --> 00:00:58,800

hey folks good evening and welcome to

16

00:01:02,150 --> 00:01:01,120

another episode of phantoms and monsters

17

00:01:04,149 --> 00:01:02,160

radio

18

00:01:06,469 --> 00:01:04,159

where we explore the strange and the

19

00:01:08,550 --> 00:01:06,479

unexplained i'm your host lon strickler

20

00:01:10,070 --> 00:01:08,560

and uh thanks for joining us

21

00:01:13,350 --> 00:01:10,080

uh the founders of monsters radio

22

00:01:16,390 --> 00:01:13,360

channel is made possible by you liking

23

00:01:19,030 --> 00:01:16,400

subscribing and sharing our programming

24

00:01:20,630 --> 00:01:19,040

uh super chat donations and super thanks

25

00:01:22,310 --> 00:01:20,640

donations are essential for us to

26

00:01:24,070 --> 00:01:22,320

continue offering you

27

00:01:26,070 --> 00:01:24,080

our unique content

28

00:01:28,310 --> 00:01:26,080

and you can also support the channel by

29

00:01:31,190 --> 00:01:28,320

using the buy me a coffee link or banner

30

00:01:33,990 --> 00:01:31,200

in the description below so um your

31

00:01:35,350 --> 00:01:34,000

consideration is very much needed and

32

00:01:38,830 --> 00:01:35,360

appreciated

33

00:01:41,510 --> 00:01:38,840

so tonight we have a mothman wing

34

00:01:42,789 --> 00:01:41,520

humanoid round table

35

00:01:46,069 --> 00:01:42,799

and

36

00:01:48,069 --> 00:01:46,079

we have joining us first tobias whalen

37

00:01:49,830 --> 00:01:48,079

who's a passion fortian

38

00:01:52,310 --> 00:01:49,840

who has been actively investigating the

39

00:01:54,389 --> 00:01:52,320

unusual for over a decade the first

40

00:01:55,749 --> 00:01:54,399

several years of investigative career

41

00:01:57,990 --> 00:01:55,759

were spent

42

00:01:59,429 --> 00:01:58,000

as a mufon field investigator and

43

00:02:01,429 --> 00:01:59,439

following that he investigated

44

00:02:02,950 --> 00:02:01,439

independently prior to becoming the head

45

00:02:04,789 --> 00:02:02,960

writer and editor of the singular

46

00:02:06,870 --> 00:02:04,799

fortune society

47

00:02:09,749 --> 00:02:06,880

now tobias is a frequent guest on

48

00:02:11,430 --> 00:02:09,759

various podcasts and radio shows has

49

00:02:13,910 --> 00:02:11,440

contributed to several books on the

50

00:02:16,470 --> 00:02:13,920

paranormal and is often invited to speak

51
00:02:17,990 --> 00:02:16,480
at paranormal conferences and events he

52
00:02:19,750 --> 00:02:18,000
has also featured the small town

53
00:02:21,910 --> 00:02:19,760
monsters documentary

54
00:02:23,990 --> 00:02:21,920
tearing the skies in the series premiere

55
00:02:26,150 --> 00:02:24,000
of expedition x

56
00:02:28,470 --> 00:02:26,160
for his work investigating mothman

57
00:02:30,630 --> 00:02:28,480
sighings around lake michigan he and his

58
00:02:32,470 --> 00:02:30,640
wife emily have been involved in the

59
00:02:35,990 --> 00:02:32,480
lake michigan mothman investigation

60
00:02:37,830 --> 00:02:36,000
since an advent the spring of 2017.

61
00:02:40,309 --> 00:02:37,840
and recently published the book crown

62
00:02:41,509 --> 00:02:40,319
linking experience uh the late michigan

63
00:02:44,710 --> 00:02:41,519

mothman

64

00:02:47,830 --> 00:02:44,720

high strangest in the midwest his years

65

00:02:50,150 --> 00:02:47,840

as an investigator have served him best

66

00:02:51,350 --> 00:02:50,160

by illustrating that when it comes to

67

00:02:52,710 --> 00:02:51,360

the anomalous

68

00:02:54,949 --> 00:02:52,720

the

69

00:02:57,830 --> 00:02:54,959

pre-turn natural and

70

00:03:00,790 --> 00:02:57,840

paranormal any answers he's found are

71

00:03:03,589 --> 00:03:00,800

still hopefully outnumbered by questions

72

00:03:06,710 --> 00:03:03,599

and you can find the singer 14 society

73

00:03:08,550 --> 00:03:06,720

at singular14.com

74

00:03:11,589 --> 00:03:08,560

manual navaret is the founder and

75

00:03:14,390 --> 00:03:11,599

curator of ufo clearing house as an

76

00:03:15,830 --> 00:03:14,400

inactive paranormal investigator

77

00:03:17,750 --> 00:03:15,840

he is currently one of the chief

78

00:03:20,070 --> 00:03:17,760

investigators of the chicago lake

79

00:03:22,149 --> 00:03:20,080

michigan mothman phenomena along with

80

00:03:24,309 --> 00:03:22,159

lon strickler and tobias whalen and a

81

00:03:25,990 --> 00:03:24,319

member of the phantoms of monsters 14

82

00:03:27,430 --> 00:03:26,000

research team

83

00:03:30,070 --> 00:03:27,440

manuel has been interested in the

84

00:03:32,630 --> 00:03:30,080

paranormal since the age of 17

85

00:03:34,789 --> 00:03:32,640

and has had multiple sightings of ufos

86

00:03:36,789 --> 00:03:34,799

and recently of a winged humanoid at the

87

00:03:38,789 --> 00:03:36,799

chicago o'hara

88

00:03:41,110 --> 00:03:38,799

international airport

89

00:03:43,589 --> 00:03:41,120

uh the website the website he found is

90

00:03:45,990 --> 00:03:43,599

ufo clearinghouse is a website dedicated

91

00:03:48,869 --> 00:03:46,000

to and committed to providing the most

92

00:03:50,710 --> 00:03:48,879

up-to-date information on recent ufo

93

00:03:52,390 --> 00:03:50,720

sightings reported alien abductions

94

00:03:54,550 --> 00:03:52,400

encrypted settings

95

00:03:56,949 --> 00:03:54,560

is designed as a place where information

96

00:03:59,830 --> 00:03:56,959

can be freely exchanged and accessed by

97

00:04:01,509 --> 00:03:59,840

paranormal researchers and investigators

98

00:04:03,990 --> 00:04:01,519

for the reason of furthering the search

99

00:04:05,750 --> 00:04:04,000

for the truth and that can be ufo

100

00:04:10,149 --> 00:04:05,760

clearinghouse can be found at

101

00:04:15,830 --> 00:04:12,789

travis short is a native of virginia he

102

00:04:19,030 --> 00:04:15,840

trained and served earlier in life as an

103

00:04:21,110 --> 00:04:19,040

ordained minister before before pursuing

104

00:04:23,430 --> 00:04:21,120

his career in broadcasting and

105

00:04:25,110 --> 00:04:23,440

eventually media relations

106

00:04:27,110 --> 00:04:25,120

he developed an early interest in the

107

00:04:30,230 --> 00:04:27,120

paranormal and supernatural with the

108

00:04:31,830 --> 00:04:30,240

zeal for ufos hauntings in the occult

109

00:04:33,590 --> 00:04:31,840

he became interested in the events

110

00:04:35,350 --> 00:04:33,600

around the mothman sightings after

111

00:04:37,270 --> 00:04:35,360

reading about the original events in the

112

00:04:41,430 --> 00:04:37,280

book by jerome clark

113

00:04:44,550 --> 00:04:41,440

he charlie mccracken and matthew fleming

114

00:04:47,430 --> 00:04:44,560

an in-depth investigation in 2003 that

115

00:04:49,990 --> 00:04:47,440

culminated in 2009 with the first

116

00:04:52,550 --> 00:04:50,000

feature documentary on the topic dark

117

00:04:54,469 --> 00:04:52,560

wings the mothman chronicle

118

00:04:56,629 --> 00:04:54,479

he holds a degree in communication from

119

00:04:59,189 --> 00:04:56,639

the university of virginia's college at

120

00:05:00,629 --> 00:04:59,199

wise and pursued a master's degree in

121

00:05:03,670 --> 00:05:00,639

theology from

122

00:05:05,990 --> 00:05:03,680

masters international school divinity

123

00:05:08,550 --> 00:05:06,000

he's currently serves as chief marketing

124

00:05:10,790 --> 00:05:08,560

officer for vectors partners llc a

125

00:05:13,110 --> 00:05:10,800

technology firm in tennessee

126

00:05:14,950 --> 00:05:13,120

and is founder of phoenix publicity and

127

00:05:17,749 --> 00:05:14,960

along with matthew fleming is one of the

128

00:05:19,830 --> 00:05:17,759

producers and researchers for dark wings

129

00:05:22,950 --> 00:05:19,840

the mothman chronicles

130

00:05:24,629 --> 00:05:22,960

from 2006 to 2009 he served as future

131

00:05:27,270 --> 00:05:24,639

speaker at the mothman festival

132

00:05:29,909 --> 00:05:27,280

addressing the spiritual and religious

133

00:05:31,990 --> 00:05:29,919

implication of the mothman sighting so

134

00:05:33,590 --> 00:05:32,000

guys thank you for joining me

135

00:05:35,270 --> 00:05:33,600

this evening

136

00:05:37,510 --> 00:05:35,280

it's a pleasure to be here thanks for

137

00:05:39,430 --> 00:05:37,520

having us

138

00:05:41,909 --> 00:05:39,440

well i think i've got what i'm going to

139

00:05:43,189 --> 00:05:41,919

start out with

140

00:05:47,670 --> 00:05:43,199

is

141

00:05:48,790 --> 00:05:47,680

phenomena in general

142

00:05:50,550 --> 00:05:48,800

and

143

00:05:51,430 --> 00:05:50,560

what you think people are actually

144

00:05:53,270 --> 00:05:51,440

seeing

145

00:06:02,070 --> 00:05:53,280

now

146

00:06:05,189 --> 00:06:03,430

but

147

00:06:07,110 --> 00:06:05,199

still i mean we've been investigating

148

00:06:07,990 --> 00:06:07,120

this phenomenon for a long time now all

149

00:06:08,950 --> 00:06:08,000

of us

150

00:06:10,790 --> 00:06:08,960

in some

151
00:06:12,469 --> 00:06:10,800
whatever capacity

152
00:06:15,029 --> 00:06:12,479
what do you believe we're dealing with

153
00:06:17,590 --> 00:06:15,039
uh let me start out with uh let me start

154
00:06:19,029 --> 00:06:17,600
out with travis

155
00:06:21,110 --> 00:06:19,039
well

156
00:06:23,430 --> 00:06:21,120
you know much like you guys

157
00:06:25,350 --> 00:06:23,440
i find the phenomena very interesting

158
00:06:27,029 --> 00:06:25,360
for lots of reasons

159
00:06:28,550 --> 00:06:27,039
but my personal belief is we're not

160
00:06:29,510 --> 00:06:28,560
dealing with a cryptid and i and i've

161
00:06:31,350 --> 00:06:29,520
made that

162
00:06:33,270 --> 00:06:31,360
known on several different

163
00:06:34,790 --> 00:06:33,280

uh broadcasts and podcasts and things

164

00:06:35,749 --> 00:06:34,800

like that i do believe we're dealing

165

00:06:37,749 --> 00:06:35,759

with something that is either

166

00:06:39,749 --> 00:06:37,759

interdimensional or something that is

167

00:06:43,510 --> 00:06:39,759

spiritual in some component i i do

168

00:06:46,870 --> 00:06:45,189

i mean when you say you don't think it's

169

00:06:48,550 --> 00:06:46,880

could it be interdimensional and

170

00:06:51,110 --> 00:06:48,560

encrypted

171

00:06:52,390 --> 00:06:51,120

uh possibly possibly i just i don't i

172

00:06:55,430 --> 00:06:52,400

don't think it falls into the same

173

00:06:57,189 --> 00:06:55,440

category as say sasquatch bigfoot loch

174

00:06:58,230 --> 00:06:57,199

ness monster that that sort of thing i

175

00:07:01,189 --> 00:06:58,240

think we're dealing with something that

176

00:07:03,670 --> 00:07:01,199

is is totally unique

177

00:07:06,390 --> 00:07:03,680

it's in its makeup and the descriptions

178

00:07:08,390 --> 00:07:06,400

that are being uh given uh in in its

179

00:07:10,790 --> 00:07:08,400

activity and in the the feelings that

180

00:07:12,710 --> 00:07:10,800

people have when they interact with

181

00:07:15,749 --> 00:07:12,720

these entities

182

00:07:17,830 --> 00:07:15,759

um how about you manuel

183

00:07:20,150 --> 00:07:17,840

i kind of agree i mean

184

00:07:21,830 --> 00:07:20,160

we are dealing with a cryptic but i mean

185

00:07:24,150 --> 00:07:21,840

at the same time it doesn't fit the

186

00:07:27,110 --> 00:07:24,160

description of like a flesh and blood

187

00:07:30,070 --> 00:07:27,120

cryptid like you would like bigfoot or

188

00:07:31,350 --> 00:07:30,080

you know um you know upright canines or

189

00:07:32,790 --> 00:07:31,360

something like that

190

00:07:35,589 --> 00:07:32,800

it seems to

191

00:07:36,550 --> 00:07:35,599

you know materialize that in and out at

192

00:07:37,670 --> 00:07:36,560

will

193

00:07:39,110 --> 00:07:37,680

um

194

00:07:41,430 --> 00:07:39,120

how many times did people just say this

195

00:07:43,189 --> 00:07:41,440

straight up disappeared uh in fact one

196

00:07:44,869 --> 00:07:43,199

of the recent sightings the guy says it

197

00:07:46,869 --> 00:07:44,879

flew up in the air and just

198

00:07:48,309 --> 00:07:46,879

outright disappeared in front of him

199

00:07:49,350 --> 00:07:48,319

yeah um

200

00:07:51,110 --> 00:07:49,360

i mean

201
00:07:52,710 --> 00:07:51,120
something tells me it's either ethereal

202
00:07:55,510 --> 00:07:52,720
or it's able to open you know

203
00:07:58,150 --> 00:07:55,520
dimensional gates or some kind to

204
00:08:01,510 --> 00:07:58,160
jumping it out that or it has some

205
00:08:02,950 --> 00:08:01,520
unnatural ability to cloak itself um

206
00:08:04,309 --> 00:08:02,960
you know i was

207
00:08:05,350 --> 00:08:04,319
um

208
00:08:06,869 --> 00:08:05,360
there's a

209
00:08:09,589 --> 00:08:06,879
something really interesting i saw not

210
00:08:11,430 --> 00:08:09,599
too long ago about a is a documentary on

211
00:08:13,430 --> 00:08:11,440
sharks um

212
00:08:16,150 --> 00:08:13,440
i was watching with my son but

213
00:08:18,629 --> 00:08:16,160

sharks have kind of a dual camouflage so

214

00:08:21,350 --> 00:08:18,639

if you're looking down at them from the

215

00:08:23,430 --> 00:08:21,360

surface they blend in with the darkness

216

00:08:26,150 --> 00:08:23,440

underneath them with the water but if

217

00:08:28,390 --> 00:08:26,160

you're looking up at them from above

218

00:08:29,350 --> 00:08:28,400

they have a white underside

219

00:08:31,189 --> 00:08:29,360

um

220

00:08:34,149 --> 00:08:31,199

that allows them to blend in with the

221

00:08:35,829 --> 00:08:34,159

the light that shines from above so it

222

00:08:37,110 --> 00:08:35,839

breaks up their silhouette

223

00:08:38,870 --> 00:08:37,120

um

224

00:08:41,110 --> 00:08:38,880

maybe this thing is got some kind of

225

00:08:42,149 --> 00:08:41,120

adaptive camouflage it's able to do that

226

00:08:46,070 --> 00:08:42,159

you know

227

00:08:48,070 --> 00:08:46,080

um it's able to see us and and or make

228

00:08:50,230 --> 00:08:48,080

itself known or disappear right in front

229

00:08:53,110 --> 00:08:50,240

of us but i kind of think at the same

230

00:08:55,590 --> 00:08:53,120

time i agree with travis i mean it's not

231

00:08:56,389 --> 00:08:55,600

a flesh and blood creature or if it is

232

00:08:58,630 --> 00:08:56,399

it's

233

00:09:01,269 --> 00:08:58,640

able to jump in and out of this reality

234

00:09:03,910 --> 00:09:01,279

you know at will

235

00:09:04,790 --> 00:09:03,920

how about you tobias

236

00:09:06,630 --> 00:09:04,800

well

237

00:09:08,389 --> 00:09:06,640

you know it's it's difficult to make any

238

00:09:10,310 --> 00:09:08,399

sort of firm determination

239

00:09:13,430 --> 00:09:10,320

uh when it comes to

240

00:09:15,990 --> 00:09:13,440

to this being or entity or or category

241

00:09:18,389 --> 00:09:16,000

of beings or whatever

242

00:09:21,030 --> 00:09:18,399

i think that it's easier for me to say

243

00:09:23,829 --> 00:09:21,040

what i don't think it is

244

00:09:27,030 --> 00:09:23,839

then it it would be for me to to say

245

00:09:30,150 --> 00:09:27,040

what i actually think it it might be so

246

00:09:32,470 --> 00:09:30,160

um i think that you know just like

247

00:09:34,470 --> 00:09:32,480

travis and and manuel have been talking

248

00:09:38,470 --> 00:09:34,480

about i think that there

249

00:09:41,590 --> 00:09:38,480

is a plenty of uh of evidence you know

250

00:09:43,350 --> 00:09:41,600

in uh in the eyewitness testimony that

251
00:09:45,670 --> 00:09:43,360
should

252
00:09:48,630 --> 00:09:45,680
sort of steer our thinking away from you

253
00:09:50,470 --> 00:09:48,640
know something easily uh

254
00:09:52,550 --> 00:09:50,480
explained using

255
00:09:54,550 --> 00:09:52,560
um mainstream science you know it

256
00:09:57,829 --> 00:09:54,560
certainly doesn't seem to follow

257
00:09:59,829 --> 00:09:57,839
very many rules of biology that we would

258
00:10:02,949 --> 00:09:59,839
expect if it was you know some sort of

259
00:10:05,509 --> 00:10:02,959
of undiscovered biological species so

260
00:10:07,990 --> 00:10:05,519
um that's you know that's the thing that

261
00:10:09,670 --> 00:10:08,000
i can say for sure

262
00:10:11,910 --> 00:10:09,680
you know and and beyond that yeah i mean

263
00:10:14,550 --> 00:10:11,920

we can only speculate uh

264

00:10:16,829 --> 00:10:14,560

i i do find it interesting that uh that

265

00:10:19,350 --> 00:10:16,839

some witnesses have described this thing

266

00:10:20,790 --> 00:10:19,360

as uh disappearing very suddenly you

267

00:10:23,190 --> 00:10:20,800

know other people have even mentioned

268

00:10:25,350 --> 00:10:23,200

portals there are the the seemingly

269

00:10:26,630 --> 00:10:25,360

paranormal aspects uh like the glowing

270

00:10:30,470 --> 00:10:26,640

red eyes

271

00:10:32,870 --> 00:10:30,480

the uh feeling of fear or uh as though

272

00:10:34,630 --> 00:10:32,880

uh one is being probed uh people have

273

00:10:36,389 --> 00:10:34,640

talked about feeling like the thing

274

00:10:37,910 --> 00:10:36,399

basically just looked right through them

275

00:10:39,590 --> 00:10:37,920

you know could see into their soul

276

00:10:40,790 --> 00:10:39,600

almost uh

277

00:10:43,030 --> 00:10:40,800

and so

278

00:10:44,550 --> 00:10:43,040

that's that's not normal that's not

279

00:10:46,710 --> 00:10:44,560

something you would expect even people

280

00:10:48,470 --> 00:10:46,720

who are terrified um

281

00:10:51,030 --> 00:10:48,480

you know who run into a bear or

282

00:10:52,870 --> 00:10:51,040

something in in the woods that's not how

283

00:10:54,470 --> 00:10:52,880

they describe their

284

00:10:58,230 --> 00:10:54,480

experience you know it's it's a

285

00:11:01,509 --> 00:10:58,240

different kind of fear um and so

286

00:11:04,069 --> 00:11:01,519

i think what whatever it is you know uh

287

00:11:06,550 --> 00:11:04,079

assuming that uh that we can trust the

288

00:11:08,710 --> 00:11:06,560

eyewitness testimony and it at this

289

00:11:11,030 --> 00:11:08,720

point you know i don't have much reason

290

00:11:13,030 --> 00:11:11,040

to to think that i can't

291

00:11:14,150 --> 00:11:13,040

then we really have to consider that

292

00:11:16,389 --> 00:11:14,160

what we're dealing with is something

293

00:11:18,069 --> 00:11:16,399

very very far outside of our current

294

00:11:19,350 --> 00:11:18,079

understanding

295

00:11:22,949 --> 00:11:19,360

yeah

296

00:11:26,790 --> 00:11:22,959

well i i think we can all agree

297

00:11:29,030 --> 00:11:26,800

that these are not indigenous beings

298

00:11:31,110 --> 00:11:29,040

i mean i mean they're not here

299

00:11:31,910 --> 00:11:31,120

all the time

300

00:11:34,150 --> 00:11:31,920

uh

301
00:11:35,910 --> 00:11:34,160
unless they're damn good hiders i mean i

302
00:11:37,910 --> 00:11:35,920
i you know i

303
00:11:39,829 --> 00:11:37,920
i kind of find i kind of find it hard to

304
00:11:42,389 --> 00:11:39,839
believe that they're here i mean of

305
00:11:45,190 --> 00:11:42,399
course with the sightings we've had

306
00:11:46,790 --> 00:11:45,200
even going back to um even going back to

307
00:11:48,550 --> 00:11:46,800
point pleasant those were fleeting

308
00:11:51,829 --> 00:11:48,560
settings for the most part though that

309
00:11:53,829 --> 00:11:51,839
thing in that being in in point pleasant

310
00:11:56,790 --> 00:11:53,839
made itself well known

311
00:11:58,629 --> 00:11:56,800
uh it was somewhat aggressive and uh and

312
00:12:00,790 --> 00:11:58,639
kind of stuck around for a longer period

313
00:12:01,829 --> 00:12:00,800

of time but would you know would take

314

00:12:03,829 --> 00:12:01,839

off

315

00:12:05,190 --> 00:12:03,839

uh and to see what's going on in around

316

00:12:07,670 --> 00:12:05,200

chicago and some of the other sites

317

00:12:08,870 --> 00:12:07,680

we've had around north america uh that

318

00:12:11,269 --> 00:12:08,880

these things

319

00:12:13,590 --> 00:12:11,279

they show and they show themselves and

320

00:12:15,590 --> 00:12:13,600

that's it i mean you know

321

00:12:17,350 --> 00:12:15,600

uh

322

00:12:20,150 --> 00:12:17,360

and i'll be honest with you i don't

323

00:12:21,350 --> 00:12:20,160

think any of the evidence that we have

324

00:12:24,470 --> 00:12:21,360

collected

325

00:12:26,870 --> 00:12:24,480

in recent years

326

00:12:28,310 --> 00:12:26,880

demonstrates something that is here all

327

00:12:30,150 --> 00:12:28,320

the time i don't know what you guys

328

00:12:32,069 --> 00:12:30,160

think about that

329

00:12:33,670 --> 00:12:32,079

uh

330

00:12:36,150 --> 00:12:33,680

do you think do you think there is a

331

00:12:40,870 --> 00:12:36,160

possibility that it's indigenous or

332

00:12:46,870 --> 00:12:42,790

i think

333

00:12:48,629 --> 00:12:46,880

that one's a is a tougher call to make

334

00:12:50,230 --> 00:12:48,639

you know you mentioned point pleasant

335

00:12:52,870 --> 00:12:50,240

going back to that you know that was a

336

00:12:54,629 --> 00:12:52,880

span of sightings over 13 months now

337

00:12:56,069 --> 00:12:54,639

the chicago signings right now we're

338

00:12:57,910 --> 00:12:56,079

getting pretty close they've been going

339

00:13:00,629 --> 00:12:57,920

on for how long

340

00:13:01,590 --> 00:13:00,639

oh my god what started in 2011 and with

341

00:13:04,230 --> 00:13:01,600

three

342

00:13:06,470 --> 00:13:04,240

so we're talking 11 years yeah so i mean

343

00:13:07,509 --> 00:13:06,480

these sightings have been going on much

344

00:13:10,310 --> 00:13:07,519

longer

345

00:13:12,550 --> 00:13:10,320

um i don't know if if they're if this is

346

00:13:18,310 --> 00:13:12,560

an indigenous

347

00:13:20,389 --> 00:13:18,320

entity uh to planet earth or if it is

348

00:13:21,509 --> 00:13:20,399

as you said this entity that that

349

00:13:23,350 --> 00:13:21,519

sometimes

350

00:13:25,590 --> 00:13:23,360

comes into our reality and i don't even

351
00:13:28,310 --> 00:13:25,600
know if they are intentionally coming

352
00:13:29,990 --> 00:13:28,320
into our reality

353
00:13:31,910 --> 00:13:30,000
i think sometimes they are i think point

354
00:13:34,230 --> 00:13:31,920
pleasant it was an intentional

355
00:13:35,910 --> 00:13:34,240
there was definitely intelligent intent

356
00:13:37,910 --> 00:13:35,920
in point pleasant

357
00:13:41,269 --> 00:13:37,920
it did it you know it showed up at

358
00:13:42,310 --> 00:13:41,279
multiple locations it chased a car there

359
00:13:45,269 --> 00:13:42,320
was

360
00:13:46,949 --> 00:13:45,279
an intent in those sightings

361
00:13:48,949 --> 00:13:46,959
um

362
00:13:51,829 --> 00:13:48,959
as far as it being indigenous to this

363
00:13:53,829 --> 00:13:51,839

world i don't know um

364

00:13:56,389 --> 00:13:53,839

that's a tough call

365

00:13:59,189 --> 00:13:56,399

what do you think men will

366

00:14:00,550 --> 00:13:59,199

i kind of agree with travis i mean

367

00:14:02,389 --> 00:14:00,560

they are not

368

00:14:04,629 --> 00:14:02,399

um as prevalent

369

00:14:07,030 --> 00:14:04,639

as you know other

370

00:14:10,150 --> 00:14:07,040

cryptids i mean look at uh the sasquatch

371

00:14:12,550 --> 00:14:10,160

i mean they've been known for centuries

372

00:14:14,310 --> 00:14:12,560

the native americans spoke of amino

373

00:14:16,069 --> 00:14:14,320

sasquatch i believe means man of the

374

00:14:17,269 --> 00:14:16,079

woods the old man of the woods or

375

00:14:18,150 --> 00:14:17,279

something like that

376
00:14:20,550 --> 00:14:18,160
um

377
00:14:21,750 --> 00:14:20,560
but so many

378
00:14:24,069 --> 00:14:21,760
uh

379
00:14:25,509 --> 00:14:24,079
native tribes from all over the world

380
00:14:27,829 --> 00:14:25,519
has talked about the sasquatch i mean

381
00:14:30,710 --> 00:14:27,839
you have the ring pending in indonesia

382
00:14:32,870 --> 00:14:30,720
you have the the yeti in in um

383
00:14:35,350 --> 00:14:32,880
tibet you know you have uh

384
00:14:37,910 --> 00:14:35,360
yowie you have you know just so many

385
00:14:38,949 --> 00:14:37,920
different variations of these uh

386
00:14:41,750 --> 00:14:38,959
creatures

387
00:14:44,710 --> 00:14:41,760
and they're all in the historical record

388
00:14:47,990 --> 00:14:44,720

because you know from past down through

389

00:14:49,990 --> 00:14:48,000

the native americans i mean almost every

390

00:14:53,430 --> 00:14:50,000

i would believe it'd be like anywhere

391

00:14:56,550 --> 00:14:53,440

between what 90 to almost every native

392

00:14:58,870 --> 00:14:56,560

american tribe has some kind of story

393

00:15:00,310 --> 00:14:58,880

that's sasquatch related

394

00:15:01,829 --> 00:15:00,320

um

395

00:15:04,310 --> 00:15:01,839

the flying creatures the flying

396

00:15:06,389 --> 00:15:04,320

humanoids they've been around

397

00:15:07,910 --> 00:15:06,399

i mean there's stories reports of them

398

00:15:10,870 --> 00:15:07,920

from you know

399

00:15:12,389 --> 00:15:10,880

you know the 1800s you know in germany

400

00:15:14,389 --> 00:15:12,399

uh they and

401
00:15:16,069 --> 00:15:14,399
you know there's sightings in vietnam by

402
00:15:18,150 --> 00:15:16,079
the american soldiers

403
00:15:20,230 --> 00:15:18,160
um and not to also mention you have like

404
00:15:21,110 --> 00:15:20,240
the flying you know entities like you

405
00:15:25,110 --> 00:15:21,120
know

406
00:15:26,870 --> 00:15:25,120
aztec and mayan like quicksilver um

407
00:15:31,110 --> 00:15:26,880
and some of these other um

408
00:15:32,790 --> 00:15:31,120
entities you know but they are not as

409
00:15:35,269 --> 00:15:32,800
i would think i'm more

410
00:15:36,550 --> 00:15:35,279
apt to believe that bigfoot is more

411
00:15:38,710 --> 00:15:36,560
terrestrial

412
00:15:40,870 --> 00:15:38,720
than these entities i mean these

413
00:15:42,710 --> 00:15:40,880

entities seem to come in and out

414

00:15:43,990 --> 00:15:42,720

um disappear they don't make their

415

00:15:46,470 --> 00:15:44,000

presence known

416

00:15:48,230 --> 00:15:46,480

um their sightings have people have a

417

00:15:51,030 --> 00:15:48,240

bigfoot that lasts they can last you

418

00:15:53,110 --> 00:15:51,040

know repeatedly you know for minutes you

419

00:15:54,870 --> 00:15:53,120

know even hours these things i don't

420

00:15:57,670 --> 00:15:54,880

think we've ever had sightings that

421

00:15:58,949 --> 00:15:57,680

lasted more than maybe a minute or two

422

00:16:00,949 --> 00:15:58,959

um

423

00:16:03,110 --> 00:16:00,959

yeah they're not very long and they

424

00:16:04,550 --> 00:16:03,120

disappear so either they're shifting in

425

00:16:07,269 --> 00:16:04,560

and out like travis said of our

426

00:16:08,949 --> 00:16:07,279

dimension in unintentionally and just

427

00:16:10,230 --> 00:16:08,959

being seen or

428

00:16:12,069 --> 00:16:10,240

there may be

429

00:16:13,990 --> 00:16:12,079

again either able to camouflage

430

00:16:16,069 --> 00:16:14,000

themselves so no one sees them or only

431

00:16:18,230 --> 00:16:16,079

allowing themselves to be seen

432

00:16:19,829 --> 00:16:18,240

for fleeting moments you know moments

433

00:16:20,949 --> 00:16:19,839

before they either shift back to their

434

00:16:22,629 --> 00:16:20,959

reality

435

00:16:24,870 --> 00:16:22,639

or just completely disappear all

436

00:16:26,550 --> 00:16:24,880

together

437

00:16:28,870 --> 00:16:26,560

can i pick you back real quick

438

00:16:31,189 --> 00:16:28,880

just real quickly um because what man

439

00:16:33,990 --> 00:16:31,199
was saying struck a chord

440

00:16:36,949 --> 00:16:34,000
every culture has

441

00:16:38,150 --> 00:16:36,959
encounters with and a belief in flying

442

00:16:39,670 --> 00:16:38,160
entities

443

00:16:41,509 --> 00:16:39,680
everyone

444

00:16:43,430 --> 00:16:41,519
uh but they have never been viewed as

445

00:16:45,430 --> 00:16:43,440
indigenous to this world they are always

446

00:16:48,150 --> 00:16:45,440
coming from somewhere else right

447

00:16:49,910 --> 00:16:48,160
manifesting themselves so i think he i

448

00:16:52,870 --> 00:16:49,920
mean he hits on a really a really

449

00:16:55,430 --> 00:16:52,880
important point there is that

450

00:16:57,829 --> 00:16:55,440
while mothman and i still hate that term

451

00:17:00,389 --> 00:16:57,839

uh and i'm i'm in i'm in media and i

452

00:17:02,550 --> 00:17:00,399

hate the fact that they coined that term

453

00:17:07,029 --> 00:17:02,560

we kind of got stuck of that we just got

454

00:17:10,390 --> 00:17:08,710

as far as i'm concerned has been seen

455

00:17:12,789 --> 00:17:10,400

for millennia

456

00:17:15,429 --> 00:17:12,799

by every culture and every people that

457

00:17:26,390 --> 00:17:15,439

exists on this planet but the entity

458

00:17:26,400 --> 00:17:31,430

you're

459

00:17:34,789 --> 00:17:33,190

oh muted well there's

460

00:17:37,350 --> 00:17:34,799

there's the um off man at work

461

00:17:39,510 --> 00:17:37,360

sabotaging my my yeah there we go

462

00:17:40,630 --> 00:17:39,520

microphone naturally i'll i'll go ahead

463

00:17:41,430 --> 00:17:40,640

and blame him

464

00:17:46,950 --> 00:17:41,440

um

465

00:17:52,070 --> 00:17:49,190

really consider that word

466

00:17:53,029 --> 00:17:52,080

indigenous you know um

467

00:17:54,230 --> 00:17:53,039

now

468

00:17:56,070 --> 00:17:54,240

is it

469

00:17:59,190 --> 00:17:56,080

do i think that

470

00:18:02,549 --> 00:17:59,200

these winged humanoids um exist

471

00:18:05,669 --> 00:18:02,559

in the same way we do in the the same

472

00:18:07,350 --> 00:18:05,679

spaces that that we do all the time

473

00:18:11,430 --> 00:18:07,360

certainly not

474

00:18:12,710 --> 00:18:11,440

but i i don't think that that rules out

475

00:18:15,590 --> 00:18:12,720

them being

476

00:18:18,150 --> 00:18:15,600

uh indigenous to this planet um you know

477

00:18:18,990 --> 00:18:18,160

if if you consider something like

478

00:18:21,270 --> 00:18:19,000

uh

479

00:18:23,510 --> 00:18:21,280

multi-dimensionality right so and and

480

00:18:26,310 --> 00:18:23,520

when when i use the word dimension i i

481

00:18:28,549 --> 00:18:26,320

really mean it for for for what it is

482

00:18:30,549 --> 00:18:28,559

not referring to some you know uh

483

00:18:34,310 --> 00:18:30,559

parallel universe or something but you

484

00:18:36,230 --> 00:18:34,320

know as a uh in an aspect of the the

485

00:18:38,150 --> 00:18:36,240

universe that you know you you either

486

00:18:39,909 --> 00:18:38,160

are privy to or are not so as

487

00:18:42,870 --> 00:18:39,919

three-dimensional beings

488

00:18:44,710 --> 00:18:42,880

um you know we we have width and depth

489

00:18:46,470 --> 00:18:44,720

and length and and that's how we

490

00:18:47,590 --> 00:18:46,480

experience things now if you can imagine

491

00:18:50,789 --> 00:18:47,600

something

492

00:18:52,710 --> 00:18:50,799

that um was privy to more dimensions

493

00:18:54,950 --> 00:18:52,720

like how they might interact with us

494

00:18:58,310 --> 00:18:54,960

might be very similar to how we would

495

00:18:59,909 --> 00:18:58,320

react to something that um only had two

496

00:19:02,630 --> 00:18:59,919

dimensions for instance so if you can

497

00:19:04,310 --> 00:19:02,640

imagine a creature who's perfectly flat

498

00:19:06,789 --> 00:19:04,320

right like they only have two dimensions

499

00:19:09,270 --> 00:19:06,799

and here we are these these super beings

500

00:19:11,350 --> 00:19:09,280

with three a whole other dimension and

501
00:19:13,750 --> 00:19:11,360
how we would interact with them is we

502
00:19:15,909 --> 00:19:13,760
would be able to enter

503
00:19:17,669 --> 00:19:15,919
their dimension at which point they

504
00:19:20,390 --> 00:19:17,679
could interact with us or at least

505
00:19:23,669 --> 00:19:20,400
observe us or part of us

506
00:19:26,470 --> 00:19:23,679
and withdraw ourselves uh at will and it

507
00:19:27,830 --> 00:19:26,480
would seem like amazing magic to them

508
00:19:29,430 --> 00:19:27,840
and they probably wouldn't be able to

509
00:19:32,549 --> 00:19:29,440
wrap their heads around how or why we

510
00:19:36,870 --> 00:19:32,559
were able to do it but that doesn't mean

511
00:19:39,510 --> 00:19:36,880
that we aren't uh existing around them

512
00:19:41,909 --> 00:19:39,520
all the time we're just not entering

513
00:19:44,470 --> 00:19:41,919

like they're like a dimension that that

514

00:19:47,029 --> 00:19:44,480

they're able to to perceive like we're

515

00:19:49,350 --> 00:19:47,039

just not in a a dimension in in which

516

00:19:51,510 --> 00:19:49,360

they also exist um

517

00:19:53,270 --> 00:19:51,520

and so i think when you

518

00:19:54,870 --> 00:19:53,280

apply that

519

00:19:59,110 --> 00:19:54,880

thinking to

520

00:20:01,350 --> 00:19:59,120

um you know the the mothman problem

521

00:20:04,310 --> 00:20:01,360

i think it allows for them to be

522

00:20:08,390 --> 00:20:04,320

indigenous to the planet without

523

00:20:10,470 --> 00:20:08,400

having to exist um on it in the same way

524

00:20:12,310 --> 00:20:10,480

that that we do and i think

525

00:20:14,710 --> 00:20:12,320

you know when when you look at the the

526

00:20:16,470 --> 00:20:14,720

history of of winged beings in in

527

00:20:17,430 --> 00:20:16,480

culture um

528

00:20:18,789 --> 00:20:17,440

then

529

00:20:21,350 --> 00:20:18,799

you know

530

00:20:23,430 --> 00:20:21,360

it would be fair to say that it's

531

00:20:25,669 --> 00:20:23,440

possible that that they could have have

532

00:20:28,310 --> 00:20:25,679

been with us forever frankly

533

00:20:31,430 --> 00:20:28,320

um and and if so maybe that's how they

534

00:20:37,029 --> 00:20:31,440

uh exist alongside us without uh without

535

00:20:37,039 --> 00:20:39,350

well

536

00:20:39,360 --> 00:20:46,789

i uh i don't know i mean i

537

00:20:50,549 --> 00:20:48,630

you know we we we've had some pretty

538

00:20:53,669 --> 00:20:50,559

interesting

539

00:20:56,710 --> 00:20:53,679

developments with our investigation over

540

00:20:59,830 --> 00:20:56,720

the past six months or so where we

541

00:21:02,470 --> 00:20:59,840

have had possible interaction with these

542

00:21:05,830 --> 00:21:02,480

beings um and

543

00:21:07,830 --> 00:21:05,840

manuel has had that and i think tobias

544

00:21:09,430 --> 00:21:07,840

believes he may have had it

545

00:21:11,990 --> 00:21:09,440

at to some degree

546

00:21:14,830 --> 00:21:12,000

uh we have two other members of the team

547

00:21:17,350 --> 00:21:14,840

who have had this

548

00:21:19,990 --> 00:21:17,360

interaction uh

549

00:21:21,190 --> 00:21:20,000

and for more indications that these are

550

00:21:23,430 --> 00:21:21,200

some type of

551

00:21:25,350 --> 00:21:23,440

ultraterrestrial being

552

00:21:29,110 --> 00:21:25,360

that um

553

00:21:31,270 --> 00:21:29,120

is making its way onto our earth plane

554

00:21:33,350 --> 00:21:31,280

now

555

00:21:35,110 --> 00:21:33,360

do we still believe that is that

556

00:21:36,230 --> 00:21:35,120

something that

557

00:21:39,029 --> 00:21:36,240

you know

558

00:21:41,270 --> 00:21:39,039

even though it hasn't been as to the

559

00:21:43,750 --> 00:21:41,280

degree it had been before

560

00:21:47,190 --> 00:21:43,760

uh do we still believe that that's very

561

00:21:48,789 --> 00:21:47,200

possible and uh

562

00:21:52,950 --> 00:21:48,799

do you think it's still

563

00:21:55,909 --> 00:21:54,950

i honestly think it is something that's

564

00:21:56,630 --> 00:21:55,919

still

565

00:22:17,750 --> 00:21:56,640

a

566

00:22:20,070 --> 00:22:17,760

demonic um

567

00:22:21,510 --> 00:22:20,080

you know um i had a very interesting

568

00:22:23,350 --> 00:22:21,520

conversation with not somebody not too

569

00:22:25,909 --> 00:22:23,360

long ago who was saying that um

570

00:22:27,990 --> 00:22:25,919

maybe it was angelic because they did

571

00:22:30,470 --> 00:22:28,000

cite that you know what you see in

572

00:22:33,190 --> 00:22:30,480

christianity is portraying of angels is

573

00:22:35,510 --> 00:22:33,200

not exactly what you know they exactly

574

00:22:36,950 --> 00:22:35,520

look like right um

575

00:22:39,190 --> 00:22:36,960

some of them are very different

576

00:22:41,990 --> 00:22:39,200

especially the upper angels

577

00:22:44,470 --> 00:22:42,000

um but i kind of think that

578

00:22:48,070 --> 00:22:44,480

this is still an avenida still there for

579

00:22:50,149 --> 00:22:48,080

possibility you know or exploring i mean

580

00:22:51,750 --> 00:22:50,159

uh we had a lot of extensive contact

581

00:22:53,909 --> 00:22:51,760

with them everybody a lot of people on

582

00:22:56,710 --> 00:22:53,919

the team have had extensive contact and

583

00:22:59,909 --> 00:22:56,720

you know experiences myself included uh

584

00:23:03,110 --> 00:22:59,919

tobias included you know

585

00:23:05,190 --> 00:23:03,120

it could be that they may be you know

586

00:23:07,029 --> 00:23:05,200

you know backed off or kind of cooled or

587

00:23:09,510 --> 00:23:07,039

healed a little bit and

588

00:23:11,510 --> 00:23:09,520

oh and maybe this is just you know

589

00:23:13,830 --> 00:23:11,520

we're seeing them revamp again or you

590

00:23:15,830 --> 00:23:13,840

know revamp their activity again

591

00:23:17,830 --> 00:23:15,840

but it could be anything i mean it could

592

00:23:20,549 --> 00:23:17,840

be still be you know angelic demonic

593

00:23:23,029 --> 00:23:20,559

extraterrestrial ultra dimensional um

594

00:23:25,270 --> 00:23:23,039

even ultra-terrestrial you know if you

595

00:23:26,070 --> 00:23:25,280

really want to go down that rabbit hole

596

00:23:30,870 --> 00:23:26,080

um

597

00:23:33,350 --> 00:23:30,880

the object

598

00:23:35,830 --> 00:23:33,360

for investigators like us is to you know

599

00:23:38,470 --> 00:23:35,840

peel back the layers and try to expose

600

00:23:39,510 --> 00:23:38,480

it and try to you know get to an answer

601
00:23:41,190 --> 00:23:39,520
um

602
00:23:43,269 --> 00:23:41,200
you know even

603
00:23:44,870 --> 00:23:43,279
oh you know let's say extraterrestrial

604
00:23:45,990 --> 00:23:44,880
look at look at um

605
00:23:47,830 --> 00:23:46,000
um

606
00:23:49,430 --> 00:23:47,840
so many reports especially if you read

607
00:23:50,470 --> 00:23:49,440
it if you're really into like the dolce

608
00:23:52,390 --> 00:23:50,480
reports

609
00:23:54,470 --> 00:23:52,400
on adultery sightings and stuff you know

610
00:23:56,630 --> 00:23:54,480
you so many reptilians

611
00:23:58,470 --> 00:23:56,640
many of them called dragos

612
00:24:00,149 --> 00:23:58,480
which are upper echelon

613
00:24:01,430 --> 00:24:00,159

you know royalty

614

00:24:03,669 --> 00:24:01,440

um

615

00:24:05,590 --> 00:24:03,679

kind of cast but they have wings and

616

00:24:06,630 --> 00:24:05,600

they have the ability to fly

617

00:24:07,590 --> 00:24:06,640

um

618

00:24:11,590 --> 00:24:07,600

you know

619

00:24:13,110 --> 00:24:11,600

gargles have been around their winged

620

00:24:15,190 --> 00:24:13,120

creatures that have been with us since

621

00:24:17,750 --> 00:24:15,200

basically the dawn of time

622

00:24:19,029 --> 00:24:17,760

um how do we not know that any of these

623

00:24:20,789 --> 00:24:19,039

things you know

624

00:24:23,269 --> 00:24:20,799

it's maybe this is what we're seeing

625

00:24:24,630 --> 00:24:23,279

it's a modern day version of it possibly

626

00:24:27,750 --> 00:24:24,640

you know we got a question here from

627

00:24:29,750 --> 00:24:27,760

android purity uh which kind of ties

628

00:24:32,470 --> 00:24:29,760

into this if cryptids like mothman and

629

00:24:34,470 --> 00:24:32,480

dogman are coming from another dimension

630

00:24:37,750 --> 00:24:34,480

then do you all believe they are from

631

00:24:40,950 --> 00:24:37,760

the same or different dimensions well

632

00:24:43,269 --> 00:24:40,960

i i can say from some of the information

633

00:24:46,630 --> 00:24:43,279

that we have received

634

00:24:49,110 --> 00:24:46,640

uh and this is coming through our team

635

00:24:50,630 --> 00:24:49,120

members jennifer and bernadette

636

00:24:51,669 --> 00:24:50,640

um

637

00:24:54,870 --> 00:24:51,679

that they

638

00:24:56,470 --> 00:24:54,880

do reside on it on a linear plane a

639

00:24:58,710 --> 00:24:56,480

linear dimension

640

00:25:02,390 --> 00:24:58,720

or many other cryptids that are

641

00:25:03,830 --> 00:25:02,400

described on our airplane reside

642

00:25:05,990 --> 00:25:03,840

now

643

00:25:08,390 --> 00:25:06,000

we have no proof of that we just this is

644

00:25:11,110 --> 00:25:08,400

just what we're being told

645

00:25:13,110 --> 00:25:11,120

but uh i i think there's a strong

646

00:25:14,710 --> 00:25:13,120

possibility that may very well be you

647

00:25:15,669 --> 00:25:14,720

know i've been i've said for you a long

648

00:25:17,909 --> 00:25:15,679

time

649

00:25:19,750 --> 00:25:17,919

and you know others may be starting to

650

00:25:22,630 --> 00:25:19,760

become more open minded about this that

651
00:25:24,390 --> 00:25:22,640
i think bigfoot and other cryptids

652
00:25:26,470 --> 00:25:24,400
are

653
00:25:29,510 --> 00:25:26,480
some type interdimensional being to some

654
00:25:33,350 --> 00:25:29,520
degree at some point um

655
00:25:37,430 --> 00:25:34,950
well i think you know especially when

656
00:25:41,269 --> 00:25:37,440
you look at some of the the sightings of

657
00:25:43,110 --> 00:25:41,279
sasquatch and bigfoot they do have

658
00:25:45,350 --> 00:25:43,120
non-corporeal

659
00:25:47,269 --> 00:25:45,360
traits they they sometimes they're seen

660
00:25:50,070 --> 00:25:47,279
and then they immediately disappear

661
00:25:52,070 --> 00:25:50,080
um you know on the the show that i was

662
00:25:53,990 --> 00:25:52,080
on with with kev baker and bill bean and

663
00:25:56,230 --> 00:25:54,000

derek sturman we had a couple of

664

00:25:57,990 --> 00:25:56,240

bigfoot sightings that came on and

665

00:26:00,630 --> 00:25:58,000

they'd watched a bigfoot actually walk

666

00:26:03,350 --> 00:26:00,640

through a fence not destroy it but just

667

00:26:05,269 --> 00:26:03,360

walk through the the actual material

668

00:26:06,149 --> 00:26:05,279

onto the other side

669

00:26:08,390 --> 00:26:06,159

um

670

00:26:11,909 --> 00:26:08,400

so i think all of these

671

00:26:13,590 --> 00:26:11,919

these entities do exist uh you know as

672

00:26:15,750 --> 00:26:13,600

you said are they all kind of in the

673

00:26:17,510 --> 00:26:15,760

same zip in the same interdimensional

674

00:26:21,029 --> 00:26:17,520

zip code i don't know about that but

675

00:26:22,710 --> 00:26:21,039

they all exist in that in that realm and

676
00:26:25,430 --> 00:26:22,720
going back to what manuel said you know

677
00:26:27,750 --> 00:26:25,440
about angelic demonic

678
00:26:30,149 --> 00:26:27,760
you know again i think that is

679
00:26:33,029 --> 00:26:30,159
humanity's way especially

680
00:26:34,630 --> 00:26:33,039
from a judeo-christian ideological

681
00:26:36,310 --> 00:26:34,640
theological

682
00:26:38,470 --> 00:26:36,320
sense to put a framework around

683
00:26:40,070 --> 00:26:38,480
something so i think that what we call

684
00:26:43,190 --> 00:26:40,080
angels and

685
00:26:45,669 --> 00:26:43,200
may be what the the indigenous people of

686
00:26:49,029 --> 00:26:45,679
this planet other cultures other other

687
00:26:51,669 --> 00:26:49,039
countries have called other things uh

688
00:26:53,510 --> 00:26:51,679

quetzalcoatl fiery serpent the winged

689

00:26:54,870 --> 00:26:53,520

serpent that brought you know brought

690

00:26:57,029 --> 00:26:54,880

knowledge

691

00:26:58,630 --> 00:26:57,039

in in the judeo-christian standpoint you

692

00:27:00,789 --> 00:26:58,640

got the seraphim which are the fiery

693

00:27:02,630 --> 00:27:00,799

serpents that fly and and

694

00:27:04,549 --> 00:27:02,640

and are

695

00:27:07,350 --> 00:27:04,559

messengers and you've got the cherubim

696

00:27:08,310 --> 00:27:07,360

which are winged entities as well so i

697

00:27:10,710 --> 00:27:08,320

think

698

00:27:13,510 --> 00:27:10,720

a lot of what we the four of us and

699

00:27:15,190 --> 00:27:13,520

other individuals are doing is basically

700

00:27:17,990 --> 00:27:15,200

tearing away

701
00:27:20,950 --> 00:27:18,000
preconceived ideas of what these

702
00:27:22,710 --> 00:27:20,960
entities are and trying to reframe that

703
00:27:27,510 --> 00:27:22,720
in a

704
00:27:30,230 --> 00:27:27,520
to any one culture any one religion any

705
00:27:32,789 --> 00:27:30,240
one people but it's the incident itself

706
00:27:34,710 --> 00:27:32,799
it's the entities themselves

707
00:27:36,230 --> 00:27:34,720
uh we have another question from david

708
00:27:38,149 --> 00:27:36,240
jones locker and

709
00:27:39,990 --> 00:27:38,159
he's asked what do you guys think

710
00:27:41,830 --> 00:27:40,000
mothman wants you know that's a question

711
00:27:43,110 --> 00:27:41,840
i think we've all been battling with for

712
00:27:46,830 --> 00:27:43,120
a long time

713
00:27:52,710 --> 00:27:49,750

personally uh i i think that these

714

00:27:55,269 --> 00:27:52,720

beings have been among us for a long

715

00:27:56,710 --> 00:27:55,279

time maybe not as much now as at one

716

00:27:58,789 --> 00:27:56,720

point

717

00:28:00,710 --> 00:27:58,799

uh and uh

718

00:28:02,789 --> 00:28:00,720

and that's why it's great having travis

719

00:28:04,230 --> 00:28:02,799

here because he's ordained minister and

720

00:28:05,110 --> 00:28:04,240

he was

721

00:28:07,190 --> 00:28:05,120

you know

722

00:28:09,750 --> 00:28:07,200

graduated from theology

723

00:28:12,149 --> 00:28:09,760

backing and um

724

00:28:14,470 --> 00:28:12,159

i i think the uh

725

00:28:17,990 --> 00:28:14,480

from what we have heard and and

726

00:28:20,070 --> 00:28:18,000

understand that these beings that we're

727

00:28:22,789 --> 00:28:20,080

experiencing or people experiencing

728

00:28:30,710 --> 00:28:26,789

may have had issues with the monotheist

729

00:28:33,029 --> 00:28:30,720

uh believers in which actually ended up

730

00:28:35,510 --> 00:28:33,039

having them

731

00:28:37,269 --> 00:28:35,520

being persecuted or removed you know

732

00:28:39,110 --> 00:28:37,279

they've gone back into the shadows or

733

00:28:40,070 --> 00:28:39,120

into the other dimension

734

00:28:42,470 --> 00:28:40,080

um

735

00:28:44,789 --> 00:28:42,480

i don't know what they really want can

736

00:28:49,350 --> 00:28:44,799

then you guys give a give any thoughts

737

00:28:56,470 --> 00:28:52,070

boy that's uh that's certainly the the

738

00:29:00,070 --> 00:28:56,480

question isn't that um you know i've

739

00:29:02,470 --> 00:29:00,080

my opinion on that as uh has has

740

00:29:05,190 --> 00:29:02,480

fluctuated will

741

00:29:07,029 --> 00:29:05,200

will say you know uh quite a bit over

742

00:29:08,470 --> 00:29:07,039

these these past several years you know

743

00:29:10,149 --> 00:29:08,480

at first

744

00:29:13,190 --> 00:29:10,159

the fear

745

00:29:14,710 --> 00:29:13,200

seemed so prevalent in the the sightings

746

00:29:17,110 --> 00:29:14,720

that i i couldn't help but think that

747

00:29:19,430 --> 00:29:17,120

that was the point you know

748

00:29:21,029 --> 00:29:19,440

for whatever reason i i really couldn't

749

00:29:23,430 --> 00:29:21,039

wrap my head around

750

00:29:25,590 --> 00:29:23,440

what else uh these entities would be

751

00:29:27,110 --> 00:29:25,600

gaining out of of interacting with

752

00:29:29,830 --> 00:29:27,120

people because it it certainly doesn't

753

00:29:32,549 --> 00:29:29,840

seem as though they need to

754

00:29:35,669 --> 00:29:32,559

uh they they should be able to

755

00:29:38,870 --> 00:29:35,679

avoid um in encountering anybody

756

00:29:42,230 --> 00:29:38,880

if if that's their goal but

757

00:29:44,630 --> 00:29:42,240

instead uh you you seem to have these

758

00:29:46,950 --> 00:29:44,640

things showing up um almost

759

00:29:48,470 --> 00:29:46,960

intentionally terrifying people and and

760

00:29:49,590 --> 00:29:48,480

then vanishing

761

00:29:51,190 --> 00:29:49,600

um

762

00:29:53,029 --> 00:29:51,200

you know and

763

00:29:54,710 --> 00:29:53,039

as time went on

764

00:29:56,950 --> 00:29:54,720

i i guess i

765

00:29:59,669 --> 00:29:56,960

i still keep that sort of in the the

766

00:30:02,549 --> 00:29:59,679

back of my mind you know but but i i

767

00:30:04,149 --> 00:30:02,559

don't know that it's the entire point

768

00:30:05,269 --> 00:30:04,159

you know it could be the point of

769

00:30:08,789 --> 00:30:05,279

particular

770

00:30:12,710 --> 00:30:08,799

uh interactions because they they have

771

00:30:13,590 --> 00:30:12,720

some motive for scaring people off um

772

00:30:16,310 --> 00:30:13,600

now

773

00:30:19,830 --> 00:30:16,320

the reason that i i'm starting to to

774

00:30:23,110 --> 00:30:19,840

sort of think in that direction now is

775

00:30:24,950 --> 00:30:23,120

um based on some uh spirit box sessions

776

00:30:27,909 --> 00:30:24,960

that that we've had recently

777

00:30:30,389 --> 00:30:27,919

uh my wife emily and i

778

00:30:31,269 --> 00:30:30,399

and in our most recent one

779

00:30:34,950 --> 00:30:31,279

um

780

00:30:37,590 --> 00:30:34,960

i uh i intentionally tried to to contact

781

00:30:38,549 --> 00:30:37,600

the the beings referred to as the unseen

782

00:30:41,350 --> 00:30:38,559

ones

783

00:30:43,269 --> 00:30:41,360

uh who you know may be responsible for

784

00:30:46,710 --> 00:30:43,279

for some of the the winged humanoid

785

00:30:48,789 --> 00:30:46,720

sightings uh around lake michigan and um

786

00:30:50,710 --> 00:30:48,799

we certainly seem to be in contact with

787

00:30:52,149 --> 00:30:50,720

with something it was an interesting

788

00:30:53,669 --> 00:30:52,159

conversation

789

00:30:55,110 --> 00:30:53,679

and um

790

00:30:57,350 --> 00:30:55,120

during it

791

00:30:58,389 --> 00:30:57,360

uh i got the idea

792

00:31:01,110 --> 00:30:58,399

that

793

00:31:03,110 --> 00:31:01,120

the the narrative being spun to me was

794

00:31:05,430 --> 00:31:03,120

was more or less that

795

00:31:06,870 --> 00:31:05,440

um they

796

00:31:08,630 --> 00:31:06,880

have been present

797

00:31:10,230 --> 00:31:08,640

you know during some of our other

798

00:31:12,230 --> 00:31:10,240

experiences so

799

00:31:13,909 --> 00:31:12,240

uh you know i i know we've talked uh

800

00:31:15,830 --> 00:31:13,919

considerably about the the kettle

801
00:31:17,669 --> 00:31:15,840
moraine state forest for instance and

802
00:31:18,549 --> 00:31:17,679
and uh the experiences we've had up

803
00:31:20,789 --> 00:31:18,559
there

804
00:31:23,669 --> 00:31:20,799
and so um you know they they claim to

805
00:31:25,350 --> 00:31:23,679
have been present for some of those um

806
00:31:26,789 --> 00:31:25,360
maybe all of them

807
00:31:30,389 --> 00:31:26,799
and uh

808
00:31:32,950 --> 00:31:30,399
and then went on to talk about um

809
00:31:35,430 --> 00:31:32,960
certain well what i got out of it you

810
00:31:37,350 --> 00:31:35,440
know the the the narrat again the

811
00:31:38,710 --> 00:31:37,360
narrative that seemed to be presented to

812
00:31:40,070 --> 00:31:38,720
me you know

813
00:31:41,830 --> 00:31:40,080

it's possible that i was i was

814

00:31:44,389 --> 00:31:41,840

misinterpreting something but this is

815

00:31:46,710 --> 00:31:44,399

what i believed it to be and you know

816

00:31:48,950 --> 00:31:46,720

going on to talk about uh you know

817

00:31:50,710 --> 00:31:48,960

potentially certain areas being more

818

00:31:52,310 --> 00:31:50,720

open you know the kettle moraine state

819

00:31:55,110 --> 00:31:52,320

forest being one of those

820

00:31:56,870 --> 00:31:55,120

apparently and then um talking about

821

00:31:59,269 --> 00:31:56,880

some kind of risk

822

00:32:00,789 --> 00:31:59,279

and and that was

823

00:32:02,870 --> 00:32:00,799

to me is something that they really

824

00:32:04,230 --> 00:32:02,880

stuck out because i thought about it and

825

00:32:06,389 --> 00:32:04,240

i thought okay well if there are

826

00:32:08,950 --> 00:32:06,399

specific areas say

827

00:32:10,789 --> 00:32:08,960

that are of interest you know to these

828

00:32:13,590 --> 00:32:10,799

these beings or or entities and there's

829

00:32:16,230 --> 00:32:13,600

some level of risk involved you know be

830

00:32:17,430 --> 00:32:16,240

it to them or or be in us

831

00:32:20,549 --> 00:32:17,440

you know wouldn't it make a certain

832

00:32:23,029 --> 00:32:20,559

amount of sense um if anybody were to

833

00:32:25,590 --> 00:32:23,039

wander into one of these areas

834

00:32:26,950 --> 00:32:25,600

especially if it happened to be at uh at

835

00:32:29,509 --> 00:32:26,960

some particular time that was

836

00:32:31,350 --> 00:32:29,519

particularly high risk for them to just

837

00:32:32,470 --> 00:32:31,360

want to scare people off you know be

838

00:32:35,269 --> 00:32:32,480

like well you shouldn't be here right

839

00:32:36,070 --> 00:32:35,279

now and and the best way to get rid of

840

00:32:41,269 --> 00:32:36,080

you

841

00:32:43,590 --> 00:32:41,279

um

842

00:32:46,149 --> 00:32:43,600

and then the only other you know really

843

00:32:47,110 --> 00:32:46,159

interesting thing um that that stuck out

844

00:32:49,110 --> 00:32:47,120

to me during that particular

845

00:32:50,789 --> 00:32:49,120

conversation was

846

00:32:53,430 --> 00:32:50,799

um

847

00:32:55,269 --> 00:32:53,440

big water was was was mentioned which is

848

00:32:57,750 --> 00:32:55,279

kind of funny if if you think about it

849

00:32:59,430 --> 00:32:57,760

because it seems like a nonsense term

850

00:33:02,950 --> 00:32:59,440

but you know

851

00:33:06,310 --> 00:33:02,960

lake michigan is is is big water right

852

00:33:07,430 --> 00:33:06,320

like that's that's a hell of a lake um

853

00:33:09,590 --> 00:33:07,440

and so

854

00:33:11,990 --> 00:33:09,600

it seemed to me that there was some kind

855

00:33:14,630 --> 00:33:12,000

of connection with that well you know

856

00:33:16,549 --> 00:33:14,640

and that's something like when i started

857

00:33:18,549 --> 00:33:16,559

referring to the the lake michigan

858

00:33:19,909 --> 00:33:18,559

mothman literally lake michigan was just

859

00:33:23,029 --> 00:33:19,919

a convenient

860

00:33:24,950 --> 00:33:23,039

uh uh geographic location that seemed to

861

00:33:26,710 --> 00:33:24,960

sort of be the epicenter but not

862

00:33:28,230 --> 00:33:26,720

necessarily directly related to

863

00:33:30,549 --> 00:33:28,240

everything happening

864

00:33:33,190 --> 00:33:30,559

around it but i maybe there's there's

865

00:33:37,750 --> 00:33:33,200

more to it than that

866

00:33:41,909 --> 00:33:39,350

well i think this is a good point to

867

00:33:43,350 --> 00:33:41,919

start going into what's been going on

868

00:33:46,149 --> 00:33:43,360

lately

869

00:33:47,029 --> 00:33:46,159

uh now most people are familiar with

870

00:33:48,950 --> 00:33:47,039

what

871

00:33:51,350 --> 00:33:48,960

we've been dealing with

872

00:33:53,269 --> 00:33:51,360

with these sightings and around chicago

873

00:33:54,789 --> 00:33:53,279

especially around o'er

874

00:33:57,029 --> 00:33:54,799

so let me um

875

00:33:59,029 --> 00:33:57,039

and travis i know you can bear with us

876

00:34:01,190 --> 00:33:59,039

here but you're familiar what's going on

877

00:34:02,870 --> 00:34:01,200

with these settings so um

878

00:34:04,830 --> 00:34:02,880

uh anyway

879

00:34:11,909 --> 00:34:04,840

manuel you've been receiving these

880

00:34:16,069 --> 00:34:13,270

i don't know what he will flap the

881

00:34:17,750 --> 00:34:16,079

sightings yeah with a flap

882

00:34:20,550 --> 00:34:17,760

yeah i think we've had five of them

883

00:34:24,230 --> 00:34:20,560

within the last three weeks

884

00:34:25,909 --> 00:34:24,240

i had one years ago from the same area

885

00:34:28,710 --> 00:34:25,919

now for those who don't know where

886

00:34:30,310 --> 00:34:28,720

bensonville is southwest of o'hare

887

00:34:32,629 --> 00:34:30,320

international

888

00:34:36,389 --> 00:34:32,639

it's about a mile

889

00:34:39,669 --> 00:34:36,399

and a half or a little bit more from

890

00:34:41,109 --> 00:34:39,679

the cargo area or the cemetery at o'hare

891

00:34:42,550 --> 00:34:41,119

where a lot of these other sightings

892

00:34:44,149 --> 00:34:42,560

have been

893

00:34:46,550 --> 00:34:44,159

culminating at

894

00:34:49,430 --> 00:34:46,560

so uh there may be a direct connection

895

00:34:51,349 --> 00:34:49,440

there but anyway go start off with what

896

00:34:53,430 --> 00:34:51,359

has been going on

897

00:34:55,030 --> 00:34:53,440

in bensonville and what people have been

898

00:34:57,510 --> 00:34:55,040

reporting

899

00:34:59,190 --> 00:34:57,520

well i mean we had the uh the one that

900

00:35:01,109 --> 00:34:59,200

first started was the one with the

901
00:35:02,870 --> 00:35:01,119
gentleman who was a

902
00:35:05,270 --> 00:35:02,880
truck driver he worked for a company

903
00:35:07,750 --> 00:35:05,280
that did a um

904
00:35:10,550 --> 00:35:07,760
kind of a construction rental company

905
00:35:13,030 --> 00:35:10,560
they rent out like man lifts and

906
00:35:14,829 --> 00:35:13,040
portable generators and

907
00:35:18,390 --> 00:35:14,839
you know

908
00:35:19,990 --> 00:35:18,400
um loaders stuff like that and his job

909
00:35:20,870 --> 00:35:20,000
is that he's a truck driver he takes his

910
00:35:23,270 --> 00:35:20,880
stuff

911
00:35:24,870 --> 00:35:23,280
drops off the construction site and when

912
00:35:26,230 --> 00:35:24,880
they're done with it they he goes and

913
00:35:30,950 --> 00:35:26,240

picks it up and brings it back to the

914

00:35:33,430 --> 00:35:30,960

yard well he was um bringing one back um

915

00:35:36,069 --> 00:35:33,440

it was already nighttime and he had just

916

00:35:37,589 --> 00:35:36,079

arrived at the facility had dropped off

917

00:35:39,109 --> 00:35:37,599

the uh

918

00:35:44,550 --> 00:35:39,119

the um

919

00:35:47,270 --> 00:35:44,560

the man lift um basically he says it's

920

00:35:49,589 --> 00:35:47,280

it's just um he was raising an rg in a

921

00:35:51,109 --> 00:35:49,599

removable gooseneck so basically unhooks

922

00:35:51,990 --> 00:35:51,119

from the trailer the trailer becomes a

923

00:35:54,470 --> 00:35:52,000

ramp

924

00:35:56,069 --> 00:35:54,480

drives it off hooks back up and was

925

00:35:58,950 --> 00:35:56,079

getting ready to you know take the truck

926
00:36:02,069 --> 00:35:58,960
and park it when he saw movement and

927
00:36:03,589 --> 00:36:02,079
toward the back of the facility they

928
00:36:05,990 --> 00:36:03,599
have uh

929
00:36:07,190 --> 00:36:06,000
storage containers basically they're

930
00:36:09,349 --> 00:36:07,200
they're uh

931
00:36:11,670 --> 00:36:09,359
oversea containers which you see like

932
00:36:13,670 --> 00:36:11,680
all over the multi-modal containers but

933
00:36:15,910 --> 00:36:13,680
they have them they had bottom and use

934
00:36:18,150 --> 00:36:15,920
them for storage um

935
00:36:19,990 --> 00:36:18,160
so he went back there to check because i

936
00:36:22,069 --> 00:36:20,000
mean they have you know

937
00:36:23,829 --> 00:36:22,079
literally millions of dollars of tools

938
00:36:25,990 --> 00:36:23,839

you know not only did they rent you know

939

00:36:28,230 --> 00:36:26,000

construction tools they rent like you

940

00:36:32,550 --> 00:36:28,240

know jackhammers and all sorts of other

941

00:36:33,990 --> 00:36:32,560

stuff so desktop is used for storage um

942

00:36:35,750 --> 00:36:34,000

and he just wanted to make sure no one

943

00:36:37,750 --> 00:36:35,760

was back there trying to get into one of

944

00:36:40,470 --> 00:36:37,760

these containers and steal

945

00:36:42,790 --> 00:36:40,480

um he said he saw a movement and he

946

00:36:44,390 --> 00:36:42,800

starts yelling out you know i don't know

947

00:36:46,310 --> 00:36:44,400

who you are you know i'm going to call

948

00:36:48,710 --> 00:36:46,320

the police if you don't get out of here

949

00:36:51,430 --> 00:36:48,720

um that's when he was confronted with a

950

00:36:54,790 --> 00:36:51,440

seven foot tall winged humanoid

951
00:36:56,470 --> 00:36:54,800
but he says the weird thing was it was

952
00:36:58,230 --> 00:36:56,480
chirping at him

953
00:37:00,069 --> 00:36:58,240
it started with chirps been clicks and

954
00:37:03,349 --> 00:37:00,079
been chirping and

955
00:37:04,950 --> 00:37:03,359
been just rapid fire clicks um

956
00:37:07,190 --> 00:37:04,960
i believe this is the one that he said

957
00:37:08,790 --> 00:37:07,200
that he was a history buff um he was

958
00:37:11,349 --> 00:37:08,800
comparing it to uh

959
00:37:13,829 --> 00:37:11,359
in world war ii the um allied especially

960
00:37:15,430 --> 00:37:13,839
the airborne had uh little clickers

961
00:37:17,030 --> 00:37:15,440
little brass clickers that they carried

962
00:37:19,109 --> 00:37:17,040
around that's how they communicated with

963
00:37:21,510 --> 00:37:19,119

one another they had uh

964

00:37:23,990 --> 00:37:21,520

you know a set of predetermined uh

965

00:37:25,670 --> 00:37:24,000

clicks that's how they id themselves and

966

00:37:28,550 --> 00:37:25,680

were able to communicate

967

00:37:30,710 --> 00:37:28,560

uh he called it a man bat

968

00:37:31,990 --> 00:37:30,720

which i was kind of really hesitant i

969

00:37:34,550 --> 00:37:32,000

mean being a

970

00:37:36,310 --> 00:37:34,560

dc fan i mean i was kind of hesitant to

971

00:37:37,349 --> 00:37:36,320

call it a man bat but that's what he

972

00:37:38,390 --> 00:37:37,359

called it

973

00:37:40,870 --> 00:37:38,400

um

974

00:37:41,829 --> 00:37:40,880

he says it stood up and started clicking

975

00:37:43,109 --> 00:37:41,839

at him

976
00:37:45,030 --> 00:37:43,119
and then

977
00:37:48,069 --> 00:37:45,040
you know seven foot talked in large

978
00:37:50,390 --> 00:37:48,079
wings he says it took off into the air

979
00:37:51,750 --> 00:37:50,400
as soon as he you know he had grabbed

980
00:37:53,430 --> 00:37:51,760
what's called a mag light which is a

981
00:37:54,390 --> 00:37:53,440
very long thin

982
00:37:58,710 --> 00:37:54,400
um

983
00:38:01,109 --> 00:37:58,720
police carry them they're not not only

984
00:38:02,870 --> 00:38:01,119
can be used as a uh

985
00:38:04,630 --> 00:38:02,880
as a flashlight but they can also double

986
00:38:05,349 --> 00:38:04,640
as a baton they carry a lot of half to

987
00:38:06,390 --> 00:38:05,359
him

988
00:38:08,069 --> 00:38:06,400

um

989

00:38:09,589 --> 00:38:08,079

and he started approaching and he shined

990

00:38:10,550 --> 00:38:09,599

the light at it and the thing took off

991

00:38:12,150 --> 00:38:10,560

on him

992

00:38:14,630 --> 00:38:12,160

um

993

00:38:16,150 --> 00:38:14,640

so he was scared you know he ran he said

994

00:38:17,190 --> 00:38:16,160

he practically sprinted back to the

995

00:38:21,589 --> 00:38:17,200

truck

996

00:38:23,190 --> 00:38:21,599

parked and got you know pretty much got

997

00:38:24,310 --> 00:38:23,200

the hell out of there

998

00:38:26,470 --> 00:38:24,320

um

999

00:38:28,069 --> 00:38:26,480

i believe a few days later we had the

1000

00:38:33,829 --> 00:38:28,079

second sighting

1001

00:38:36,790 --> 00:38:33,839

i want to say two to three blocks away

1002

00:38:39,750 --> 00:38:36,800

from the facility um in an almost

1003

00:38:40,950 --> 00:38:39,760

diagonal direction going to the from you

1004

00:38:43,829 --> 00:38:40,960

know

1005

00:38:45,910 --> 00:38:43,839

south to west um and it was seen on the

1006

00:38:48,870 --> 00:38:45,920

same day as the previous setting yes

1007

00:38:50,950 --> 00:38:48,880

exactly uh right around the same time uh

1008

00:38:52,790 --> 00:38:50,960

somebody was coming home from work

1009

00:38:54,230 --> 00:38:52,800

uh she had pulled in her driveway got

1010

00:38:56,310 --> 00:38:54,240

out of the car she was walking toward

1011

00:38:58,470 --> 00:38:56,320

the house and she kept hearing

1012

00:39:01,910 --> 00:38:58,480

like chirping you know

1013

00:39:04,310 --> 00:39:01,920

and she looked up and she saw a

1014

00:39:07,270 --> 00:39:04,320

what she described as a thin man with

1015

00:39:08,470 --> 00:39:07,280

wings uh fly over

1016

00:39:10,390 --> 00:39:08,480

she said that

1017

00:39:12,470 --> 00:39:10,400

it was just high enough above the trees

1018

00:39:15,589 --> 00:39:12,480

and the houses to clear them

1019

00:39:17,829 --> 00:39:15,599

um flew over her house across the street

1020

00:39:19,910 --> 00:39:17,839

uh where another neighbor saw it and

1021

00:39:20,790 --> 00:39:19,920

then just flew off into the night

1022

00:39:23,109 --> 00:39:20,800

um

1023

00:39:25,750 --> 00:39:23,119

and if you draw a diagonal line it's

1024

00:39:27,910 --> 00:39:25,760

almost just a straight shot so

1025

00:39:28,710 --> 00:39:27,920

what i'm thinking we saw was maybe you

1026

00:39:31,510 --> 00:39:28,720

know

1027

00:39:32,950 --> 00:39:31,520

same being seen by somebody else

1028

00:39:37,270 --> 00:39:32,960

um

1029

00:39:39,510 --> 00:39:37,280

and i do have to mention you went out

1030

00:39:42,069 --> 00:39:39,520

there and investigated and um

1031

00:39:43,430 --> 00:39:42,079

oh yeah the chicago police were kind of

1032

00:39:46,950 --> 00:39:43,440

interested in what you were doing

1033

00:39:48,150 --> 00:39:46,960

because the benjaminville police yeah

1034

00:39:49,750 --> 00:39:48,160

yeah they

1035

00:39:51,589 --> 00:39:49,760

someone called me in and said i was

1036

00:39:54,150 --> 00:39:51,599

casing houses

1037

00:39:55,750 --> 00:39:54,160

and because i'm out there with a camera

1038

00:39:57,190 --> 00:39:55,760

and just taking

1039

00:39:59,270 --> 00:39:57,200

you know

1040

00:40:00,790 --> 00:39:59,280

photos and looking around and they must

1041

00:40:02,310 --> 00:40:00,800

have thought i was casing a house or

1042

00:40:04,309 --> 00:40:02,320

something and i guess that was

1043

00:40:05,990 --> 00:40:04,319

understandable once i explained it to

1044

00:40:08,069 --> 00:40:06,000

them they kind of understood they just

1045

00:40:10,470 --> 00:40:08,079

told me you know be careful and

1046

00:40:11,670 --> 00:40:10,480

you know i kind of wrapped up and left

1047

00:40:13,430 --> 00:40:11,680

um

1048

00:40:15,190 --> 00:40:13,440

so didn't want them thinking i was

1049

00:40:17,030 --> 00:40:15,200

trying to break into somebody's house or

1050

00:40:18,550 --> 00:40:17,040

something but um

1051

00:40:20,230 --> 00:40:18,560

the um

1052

00:40:22,390 --> 00:40:20,240

a couple of days later we had the

1053

00:40:25,109 --> 00:40:22,400

incident with the couple it was two

1054

00:40:27,190 --> 00:40:25,119

witnesses they were out for a walk um i

1055

00:40:29,829 --> 00:40:27,200

don't know if you know you know tobias

1056

00:40:31,829 --> 00:40:29,839

can can you know

1057

00:40:34,790 --> 00:40:31,839

vouch for me but lately we had like a

1058

00:40:35,990 --> 00:40:34,800

light um string of late season cold

1059

00:40:36,950 --> 00:40:36,000

snaps

1060

00:40:38,309 --> 00:40:36,960

and

1061

00:40:39,990 --> 00:40:38,319

eventually the weather started just

1062

00:40:41,750 --> 00:40:40,000

turning warm and everyone just started

1063

00:40:43,510 --> 00:40:41,760

going out so

1064

00:40:45,670 --> 00:40:43,520

they were out you know enjoying

1065

00:40:47,670 --> 00:40:45,680

themselves you know enjoying the dope

1066

00:40:50,630 --> 00:40:47,680

not having to wear coats and

1067

00:40:51,430 --> 00:40:50,640

jackets and everything out there um

1068

00:40:54,870 --> 00:40:51,440

so

1069

00:40:57,829 --> 00:40:54,880

they were by the elementary school um

1070

00:41:00,870 --> 00:40:57,839

they said that they had um

1071

00:41:01,910 --> 00:41:00,880

heard the same thing chirping clicking

1072

00:41:05,430 --> 00:41:01,920

um

1073

00:41:08,950 --> 00:41:05,440

they saw a person on top of the school

1074

00:41:11,030 --> 00:41:08,960

um of the building itself and

1075

00:41:12,870 --> 00:41:11,040

he had they caught it as they were

1076
00:41:14,390 --> 00:41:12,880
spreading open its wings

1077
00:41:15,510 --> 00:41:14,400
and just

1078
00:41:16,710 --> 00:41:15,520
jumped

1079
00:41:18,550 --> 00:41:16,720
basically

1080
00:41:21,349 --> 00:41:18,560
took a leap off the building and flew

1081
00:41:22,230 --> 00:41:21,359
off over the playground across the field

1082
00:41:24,230 --> 00:41:22,240
you know

1083
00:41:25,910 --> 00:41:24,240
and into the night so

1084
00:41:28,470 --> 00:41:25,920
um it was

1085
00:41:30,470 --> 00:41:28,480
dusk so when the sighting happened so

1086
00:41:31,349 --> 00:41:30,480
they were able to still see the the

1087
00:41:35,349 --> 00:41:31,359
object

1088
00:41:36,950 --> 00:41:35,359

um flew right over the top of them um

1089

00:41:39,589 --> 00:41:36,960

scared it scared the laughing living

1090

00:41:41,270 --> 00:41:39,599

daylights out of them um so much so the

1091

00:41:43,430 --> 00:41:41,280

second witness did not want to talk

1092

00:41:45,510 --> 00:41:43,440

about it he did not want to even deal

1093

00:41:48,069 --> 00:41:45,520

with it um

1094

00:41:49,750 --> 00:41:48,079

they were um the first witness was very

1095

00:41:51,990 --> 00:41:49,760

you know forthcoming but they said it

1096

00:41:53,430 --> 00:41:52,000

was a very scary experience

1097

00:41:54,470 --> 00:41:53,440

um

1098

00:41:56,550 --> 00:41:54,480

and then

1099

00:41:58,630 --> 00:41:56,560

um just this week

1100

00:42:02,550 --> 00:41:58,640

we've had a couple of sightings um the

1101

00:42:05,109 --> 00:42:02,560

first one was an amazon driver um out

1102

00:42:06,790 --> 00:42:05,119

doing his deliveries um

1103

00:42:09,109 --> 00:42:06,800

he said he had dropped off some packages

1104

00:42:11,190 --> 00:42:09,119

of the house was walking back to the van

1105

00:42:13,829 --> 00:42:11,200

when um he again started hearing

1106

00:42:16,150 --> 00:42:13,839

clicking and chirping and this is what's

1107

00:42:18,230 --> 00:42:16,160

tying all of them together not only the

1108

00:42:20,790 --> 00:42:18,240

basic area which is

1109

00:42:22,470 --> 00:42:20,800

i want to say within a mile and a half

1110

00:42:24,069 --> 00:42:22,480

you know area

1111

00:42:25,750 --> 00:42:24,079

uh where all these sightings are

1112

00:42:27,030 --> 00:42:25,760

happening which are right on the end of

1113

00:42:28,309 --> 00:42:27,040

the airport

1114

00:42:29,190 --> 00:42:28,319

um

1115

00:42:30,950 --> 00:42:29,200

but

1116

00:42:33,270 --> 00:42:30,960

they are they

1117

00:42:35,430 --> 00:42:33,280

every encounter with this entity lately

1118

00:42:36,390 --> 00:42:35,440

has all been the same thing

1119

00:42:41,349 --> 00:42:36,400

you know

1120

00:42:43,430 --> 00:42:41,359

um

1121

00:42:45,190 --> 00:42:43,440

but the clicking and the chirping is

1122

00:42:46,710 --> 00:42:45,200

something completely different yeah

1123

00:42:48,309 --> 00:42:46,720

that's something i don't think we've had

1124

00:42:51,750 --> 00:42:48,319

experience with at all with these

1125

00:42:53,270 --> 00:42:51,760

settings yeah and you know people

1126
00:42:55,510 --> 00:42:53,280
have always said they know it's looking

1127
00:42:58,550 --> 00:42:55,520
right at them and chirping clicking

1128
00:43:00,390 --> 00:42:58,560
um almost makes me kind of think like it

1129
00:43:02,630 --> 00:43:00,400
might be

1130
00:43:05,030 --> 00:43:02,640
either a form of communication or maybe

1131
00:43:07,109 --> 00:43:05,040
um kind of like how dolphins use a

1132
00:43:09,510 --> 00:43:07,119
clicking sound to

1133
00:43:11,270 --> 00:43:09,520
location yeah kind of be able to see and

1134
00:43:12,309 --> 00:43:11,280
determine what something is in front of

1135
00:43:13,990 --> 00:43:12,319
them uh

1136
00:43:15,349 --> 00:43:14,000
humpbacks are very well known oh now

1137
00:43:17,510 --> 00:43:15,359
humpbacks i'm trying sperm whales are

1138
00:43:19,589 --> 00:43:17,520

known to do that that's how they hunt

1139

00:43:20,550 --> 00:43:19,599

uh in the depths of the ocean

1140

00:43:23,750 --> 00:43:20,560

but

1141

00:43:26,630 --> 00:43:23,760

uh this thing was on top of a house

1142

00:43:29,670 --> 00:43:26,640

it was looking straight at him when he

1143

00:43:32,150 --> 00:43:29,680

saw it and scared the bejesus out of him

1144

00:43:34,790 --> 00:43:32,160

um he says this thing just took straight

1145

00:43:36,470 --> 00:43:34,800

off in the air and just basically

1146

00:43:37,750 --> 00:43:36,480

disappeared

1147

00:43:39,270 --> 00:43:37,760

um

1148

00:43:40,870 --> 00:43:39,280

he was saying he was trying to look

1149

00:43:42,550 --> 00:43:40,880

around look around trying to find him

1150

00:43:44,550 --> 00:43:42,560

maybe it went behind the trees he says

1151
00:43:46,710 --> 00:43:44,560
it just disappeared

1152
00:43:48,710 --> 00:43:46,720
on him just completely out of sight he

1153
00:43:50,550 --> 00:43:48,720
walked back to his truck kept looking

1154
00:43:52,150 --> 00:43:50,560
around got in the truck and left we're

1155
00:43:53,510 --> 00:43:52,160
still looking around never saw anything

1156
00:43:54,630 --> 00:43:53,520
else again

1157
00:43:56,550 --> 00:43:54,640
um

1158
00:43:59,589 --> 00:43:56,560
and then the final sighting

1159
00:44:01,750 --> 00:43:59,599
was the one that um i actually was at

1160
00:44:03,109 --> 00:44:01,760
this afternoon uh

1161
00:44:05,109 --> 00:44:03,119
in the area just to do some field

1162
00:44:08,230 --> 00:44:05,119
investigating i will probably be going

1163
00:44:10,470 --> 00:44:08,240

back with my son tomorrow with it but it

1164

00:44:12,790 --> 00:44:10,480

was a um

1165

00:44:15,030 --> 00:44:12,800

father and a daughter setting up outside

1166

00:44:16,470 --> 00:44:15,040

they were setting up the patio you know

1167

00:44:17,589 --> 00:44:16,480

putting the barbecue grill out and

1168

00:44:20,470 --> 00:44:17,599

everything

1169

00:44:22,950 --> 00:44:20,480

getting ready for some events

1170

00:44:24,790 --> 00:44:22,960

they looked up and they saw the daughter

1171

00:44:27,910 --> 00:44:24,800

said that they she pulled their

1172

00:44:29,430 --> 00:44:27,920

attention there were three flying um

1173

00:44:32,069 --> 00:44:29,440

beings um

1174

00:44:33,030 --> 00:44:32,079

he described them as men with wings

1175

00:44:36,069 --> 00:44:33,040

um

1176

00:44:39,109 --> 00:44:36,079

that were about 60 to 70 feet up from

1177

00:44:40,790 --> 00:44:39,119

they were just circling um he described

1178

00:44:41,990 --> 00:44:40,800

it in the report as circling like

1179

00:44:44,870 --> 00:44:42,000

buzzards

1180

00:44:48,230 --> 00:44:44,880

um but he said that these were

1181

00:44:49,270 --> 00:44:48,240

distinctly uh human shaped

1182

00:44:50,950 --> 00:44:49,280

objects

1183

00:44:52,710 --> 00:44:50,960

um

1184

00:44:55,030 --> 00:44:52,720

the daughter was able to get a short

1185

00:44:57,750 --> 00:44:55,040

video and some pictures which uh i

1186

00:44:59,990 --> 00:44:57,760

submitted to the team as well to the uh

1187

00:45:01,430 --> 00:45:00,000

to the website so if you want to go see

1188

00:45:04,069 --> 00:45:01,440

them uh they're either gonna be on

1189

00:45:05,670 --> 00:45:04,079

phantomsmonsters.com

1190

00:45:09,270 --> 00:45:05,680

we got him here so i think vincent will

1191

00:45:10,230 --> 00:45:09,280

put her up in a minute yeah um

1192

00:45:11,510 --> 00:45:10,240

he said

1193

00:45:13,510 --> 00:45:11,520

it was kind of funny here saying that

1194

00:45:15,589 --> 00:45:13,520

i'm not an electric i'm an electrician

1195

00:45:17,430 --> 00:45:15,599

i'm not a photographer he was trying his

1196

00:45:18,550 --> 00:45:17,440

best i'm guessing they were using a cell

1197

00:45:21,190 --> 00:45:18,560

phone

1198

00:45:23,670 --> 00:45:21,200

uh so they weren't able to get like

1199

00:45:25,190 --> 00:45:23,680

great detail but it's still something

1200

00:45:28,150 --> 00:45:25,200

um

1201
00:45:29,430 --> 00:45:28,160
the thing was when in speaking with him

1202
00:45:32,150 --> 00:45:29,440
um

1203
00:45:33,030 --> 00:45:32,160
this gentleman sits in almost direct

1204
00:45:34,870 --> 00:45:33,040
line

1205
00:45:36,870 --> 00:45:34,880
about a mile and a half from the runways

1206
00:45:38,950 --> 00:45:36,880
of of uh o'hare

1207
00:45:41,670 --> 00:45:38,960
um that's why i went out there today to

1208
00:45:43,829 --> 00:45:41,680
check the area and as i was telling you

1209
00:45:47,190 --> 00:45:43,839
guys i i worked in the area when i first

1210
00:45:49,030 --> 00:45:47,200
started you know my career um that area

1211
00:45:50,710 --> 00:45:49,040
is where the

1212
00:45:52,470 --> 00:45:50,720
the planes are coming in on their final

1213
00:45:57,030 --> 00:45:52,480

approach to o'hare

1214

00:45:59,670 --> 00:45:57,040

they are very slow low and loud um

1215

00:46:02,150 --> 00:45:59,680

i mean we're talking jumbo jets and and

1216

00:46:05,990 --> 00:46:02,160

whatnot there is no way somebody can

1217

00:46:09,910 --> 00:46:06,000

describe what these are on the uh screen

1218

00:46:12,870 --> 00:46:09,920

with um a let's say uh 777 flying over

1219

00:46:15,430 --> 00:46:12,880

your head um they rattle everything

1220

00:46:18,069 --> 00:46:15,440

around there and this is like

1221

00:46:20,230 --> 00:46:18,079

i think the the cue for o'hara on a busy

1222

00:46:22,870 --> 00:46:20,240

day is like 45 seconds apart from one

1223

00:46:24,309 --> 00:46:22,880

another so as soon as one's landing and

1224

00:46:26,230 --> 00:46:24,319

getting off the runway the next one's

1225

00:46:28,550 --> 00:46:26,240

already on the final approach

1226

00:46:30,550 --> 00:46:28,560

um he says he's lived there for i

1227

00:46:32,950 --> 00:46:30,560

believe it's a little over 10 years in

1228

00:46:35,109 --> 00:46:32,960

that house so he's used to the planes

1229

00:46:37,030 --> 00:46:35,119

flying overhead but he says they're so

1230

00:46:39,270 --> 00:46:37,040

low and slow that you can see great

1231

00:46:40,309 --> 00:46:39,280

details you know you can actually see

1232

00:46:41,910 --> 00:46:40,319

you know

1233

00:46:43,510 --> 00:46:41,920

individual pieces of the plane and

1234

00:46:45,990 --> 00:46:43,520

everything it's just no way you're going

1235

00:46:48,390 --> 00:46:46,000

to confuse that with uh

1236

00:46:49,910 --> 00:46:48,400

these objects these objects were 60 70

1237

00:46:52,550 --> 00:46:49,920

feet up in the air

1238

00:46:54,390 --> 00:46:52,560

they were small they were you know

1239

00:46:55,829 --> 00:46:54,400

circling around there's

1240

00:46:56,870 --> 00:46:55,839

no way somebody's ever going to be

1241

00:46:58,230 --> 00:46:56,880

trying that i don't even think

1242

00:47:01,349 --> 00:46:58,240

parachutists

1243

00:47:03,270 --> 00:47:01,359

get that close to each other um

1244

00:47:05,589 --> 00:47:03,280

and you would have seen a parachutist no

1245

00:47:07,270 --> 00:47:05,599

one's gonna

1246

00:47:08,550 --> 00:47:07,280

the position where they were at would

1247

00:47:10,230 --> 00:47:08,560

have put them directly over the

1248

00:47:12,470 --> 00:47:10,240

expressway

1249

00:47:13,670 --> 00:47:12,480

i don't think i'm anyone crazy enough to

1250

00:47:15,670 --> 00:47:13,680

even try

1251
00:47:17,430 --> 00:47:15,680
it's residential neighborhoods on both

1252
00:47:18,710 --> 00:47:17,440
sides of the expressway

1253
00:47:19,430 --> 00:47:18,720
um

1254
00:47:21,030 --> 00:47:19,440
so

1255
00:47:22,710 --> 00:47:21,040
parachuting into that area would have

1256
00:47:23,430 --> 00:47:22,720
just been crazy

1257
00:47:27,670 --> 00:47:23,440
so

1258
00:47:29,349 --> 00:47:27,680
him um

1259
00:47:31,030 --> 00:47:29,359
you know he did say he was open to

1260
00:47:32,150 --> 00:47:31,040
speaking with him i

1261
00:47:33,510 --> 00:47:32,160
um

1262
00:47:34,710 --> 00:47:33,520
you know i don't tell him i was going to

1263
00:47:36,870 --> 00:47:34,720

put him in contact with some of the

1264

00:47:39,750 --> 00:47:36,880

other investigators he was very open

1265

00:47:42,630 --> 00:47:39,760

about it um he was just straightforward

1266

00:47:45,190 --> 00:47:42,640

you know he's he says that um you know i

1267

00:47:47,109 --> 00:47:45,200

saw what i saw he's like um the pictures

1268

00:47:49,750 --> 00:47:47,119

aren't great but you know we got what we

1269

00:47:51,670 --> 00:47:49,760

could and this is you know

1270

00:47:53,349 --> 00:47:51,680

a good thing i mean teenagers always

1271

00:47:54,710 --> 00:47:53,359

have their phones in their hands and i

1272

00:47:57,270 --> 00:47:54,720

know mine does

1273

00:47:59,990 --> 00:47:57,280

um it's practically surgically implanted

1274

00:48:01,589 --> 00:48:00,000

to his hands so you know this thing is

1275

00:48:03,190 --> 00:48:01,599

um

1276

00:48:06,390 --> 00:48:03,200

a stroke of luck she was able to get

1277

00:48:08,150 --> 00:48:06,400

pictures and a short video of it but

1278

00:48:09,829 --> 00:48:08,160

even though some it's still something

1279

00:48:13,589 --> 00:48:09,839

and it's and it definitely shows that

1280

00:48:16,549 --> 00:48:13,599

this is a uh not a plane of any kind

1281

00:48:19,030 --> 00:48:16,559

um it could still be a bird it could

1282

00:48:21,589 --> 00:48:19,040

still be a group of birds um

1283

00:48:24,069 --> 00:48:21,599

but um i'm more i have to believe that

1284

00:48:28,150 --> 00:48:24,079

you know maybe he did see something that

1285

00:48:30,950 --> 00:48:28,160

um was beyond his explanation

1286

00:48:32,870 --> 00:48:30,960

oh sure yeah well i mean

1287

00:48:35,670 --> 00:48:32,880

the thing is when i was reading that

1288

00:48:37,430 --> 00:48:35,680

that sighting um

1289

00:48:39,349 --> 00:48:37,440

report you know once once you sent it

1290

00:48:40,630 --> 00:48:39,359

over and looking at the the images and

1291

00:48:41,670 --> 00:48:40,640

everything i was really reminded of

1292

00:48:43,430 --> 00:48:41,680

nothing

1293

00:48:46,069 --> 00:48:43,440

more than

1294

00:48:47,829 --> 00:48:46,079

the pilsen sighting from 2018 where you

1295

00:48:49,030 --> 00:48:47,839

had the guy bicycling to work and you

1296

00:48:51,510 --> 00:48:49,040

know he saw

1297

00:48:53,829 --> 00:48:51,520

this weird thing in the air and he got a

1298

00:48:55,910 --> 00:48:53,839

bunch of gopro uh footage because he had

1299

00:48:57,750 --> 00:48:55,920

a gopro camera attached to his bicycle

1300

00:49:00,069 --> 00:48:57,760

helmet which was awesome

1301
00:49:01,589 --> 00:49:00,079
yeah i wish everybody did that and uh

1302
00:49:03,990 --> 00:49:01,599
you know i talked to him i know lon

1303
00:49:06,230 --> 00:49:04,000
talked to him uh we were both in

1304
00:49:09,510 --> 00:49:06,240
agreement that that

1305
00:49:12,230 --> 00:49:09,520
this guy was completely forthright like

1306
00:49:14,630 --> 00:49:12,240
he was describing his authentic

1307
00:49:16,950 --> 00:49:14,640
experience when he talked about seeing

1308
00:49:20,069 --> 00:49:16,960
what he described as either a giant bat

1309
00:49:22,470 --> 00:49:20,079
or a man in a wingstop you know but like

1310
00:49:24,630 --> 00:49:22,480
we we we got that footage from him he

1311
00:49:26,790 --> 00:49:24,640
was honestly he was so

1312
00:49:29,349 --> 00:49:26,800
forthcoming with that that he mailed me

1313
00:49:31,910 --> 00:49:29,359

the sd card like the original sd card

1314

00:49:32,710 --> 00:49:31,920

like this guy had nothing to hide

1315

00:49:36,150 --> 00:49:32,720

but

1316

00:49:39,030 --> 00:49:36,160

we got that footage and we we blew it up

1317

00:49:40,630 --> 00:49:39,040

and it was a bird like it was definitely

1318

00:49:42,950 --> 00:49:40,640

a bird i think it was something big like

1319

00:49:46,069 --> 00:49:42,960

a great blue heron or something probably

1320

00:49:48,069 --> 00:49:46,079

but 110 percent it was a burden so what

1321

00:49:49,510 --> 00:49:48,079

i'm reading they're citing i don't think

1322

00:49:50,870 --> 00:49:49,520

these people are lying i don't think

1323

00:49:52,230 --> 00:49:50,880

that at all

1324

00:49:54,710 --> 00:49:52,240

um

1325

00:49:56,630 --> 00:49:54,720

but i do think it's possible that uh

1326

00:49:59,190 --> 00:49:56,640

that the actual explanation for their

1327

00:50:03,670 --> 00:49:59,200

sighting is something similar to what we

1328

00:50:05,349 --> 00:50:03,680

saw out of out of pilsen in 2018.

1329

00:50:08,069 --> 00:50:05,359

kind of lacking the other paranormal

1330

00:50:11,030 --> 00:50:08,079

stuff you know like the it's it's like

1331

00:50:12,870 --> 00:50:11,040

daytime and and and there isn't you know

1332

00:50:15,430 --> 00:50:12,880

any of the other paranormal aspects i

1333

00:50:17,109 --> 00:50:15,440

think that that we really look for um in

1334

00:50:18,390 --> 00:50:17,119

the uh

1335

00:50:21,589 --> 00:50:18,400

the more

1336

00:50:23,190 --> 00:50:21,599

you know otherworldly profile of these

1337

00:50:25,589 --> 00:50:23,200

sightings you know what i mean now you

1338

00:50:27,190 --> 00:50:25,599

know what'll be interesting

1339

00:50:29,430 --> 00:50:27,200

if we start getting

1340

00:50:31,430 --> 00:50:29,440

our hearing reports out of a hair people

1341

00:50:33,910 --> 00:50:31,440

saying they're seeing ufo activity over

1342

00:50:35,349 --> 00:50:33,920

here it starts looking like what he had

1343

00:50:37,030 --> 00:50:35,359

captured

1344

00:50:38,710 --> 00:50:37,040

well and that's i was thinking the exact

1345

00:50:41,750 --> 00:50:38,720

same thing that image actually looks

1346

00:50:43,670 --> 00:50:41,760

more like some of the more recent uap

1347

00:50:46,150 --> 00:50:43,680

footage yeah

1348

00:50:48,150 --> 00:50:46,160

than it does anything else yeah

1349

00:50:50,150 --> 00:50:48,160

and we've had we've had crab sightings

1350

00:50:52,390 --> 00:50:50,160

with some of these reports

1351

00:50:56,150 --> 00:50:52,400

uh we had the uh

1352

00:51:02,790 --> 00:50:58,950

plus we had the um

1353

00:51:05,750 --> 00:51:02,800

security guard that that had the uh the

1354

00:51:08,950 --> 00:51:05,760

the uh v-shaped craft along with the

1355

00:51:11,670 --> 00:51:08,960

siding as well so um we also had the one

1356

00:51:12,950 --> 00:51:11,680

of montrose harbor and uh the one that

1357

00:51:15,349 --> 00:51:12,960

was reported to moop under where they

1358

00:51:16,710 --> 00:51:15,359

saw a green orb

1359

00:51:18,790 --> 00:51:16,720

um

1360

00:51:19,670 --> 00:51:18,800

flying across the horizon

1361

00:51:21,829 --> 00:51:19,680

um

1362

00:51:23,109 --> 00:51:21,839

just after seeing a sighting of a bowing

1363

00:51:24,309 --> 00:51:23,119

humanoid

1364

00:51:25,270 --> 00:51:24,319

so

1365

00:51:26,390 --> 00:51:25,280

um

1366

00:51:29,430 --> 00:51:26,400

i think

1367

00:51:32,230 --> 00:51:29,440

whatever it was i mean it's it's

1368

00:51:34,309 --> 00:51:32,240

i mean i'm not an expert i can't uh go

1369

00:51:36,069 --> 00:51:34,319

in there and tell you if it was you know

1370

00:51:38,309 --> 00:51:36,079

photoshop but i mean i would think that

1371

00:51:40,549 --> 00:51:38,319

it's it's kind of hard to do that with a

1372

00:51:42,230 --> 00:51:40,559

cell phone i mean yeah

1373

00:51:44,470 --> 00:51:42,240

these things it shows that there is

1374

00:51:46,069 --> 00:51:44,480

something there i mean

1375

00:51:47,750 --> 00:51:46,079

cell phones don't have exactly the

1376

00:51:49,430 --> 00:51:47,760

greatest um

1377

00:51:51,829 --> 00:51:49,440

resolution unless you're talking like

1378

00:51:53,589 --> 00:51:51,839

higher-end phones like the iphones than

1379

00:51:55,349 --> 00:51:53,599

your iphones or something like that it's

1380

00:51:57,349 --> 00:51:55,359

always frustrating when you get a shot

1381

00:51:58,630 --> 00:51:57,359

like that and trying to resume up on it

1382

00:52:00,309 --> 00:51:58,640

hoping to god you're going to have

1383

00:52:02,150 --> 00:52:00,319

something there it's going to be

1384

00:52:04,069 --> 00:52:02,160

definitive and it just

1385

00:52:05,670 --> 00:52:04,079

never works out we got a question from

1386

00:52:08,069 --> 00:52:05,680

scott baker and i'm going to throw this

1387

00:52:10,870 --> 00:52:08,079

at travis for his opinion

1388

00:52:13,670 --> 00:52:10,880

how come you think these monsters or in

1389

00:52:17,190 --> 00:52:13,680

our case mothman or wing beings have

1390

00:52:23,510 --> 00:52:20,710

good question especially the glowing red

1391

00:52:25,270 --> 00:52:23,520

glowing red uh as opposed i mean

1392

00:52:26,390 --> 00:52:25,280

because the way people describe these

1393

00:52:29,510 --> 00:52:26,400

things are

1394

00:52:30,549 --> 00:52:29,520

it's not reflective it's more projected

1395

00:52:33,349 --> 00:52:30,559

light

1396

00:52:35,910 --> 00:52:33,359

yes and i know when i had my encounter

1397

00:52:39,589 --> 00:52:35,920

back in 88 it was the same thing

1398

00:52:40,870 --> 00:52:39,599

it was a projected light

1399

00:52:42,630 --> 00:52:40,880

what are your what do you think the

1400

00:52:44,549 --> 00:52:42,640

reason behind that is

1401

00:52:47,270 --> 00:52:44,559

well

1402

00:52:48,870 --> 00:52:47,280

sure i get that one uh

1403

00:52:53,190 --> 00:52:48,880

give it to the guy give it to the guy

1404

00:52:56,069 --> 00:52:54,549

no um

1405

00:52:57,670 --> 00:52:56,079

you know i think there's there's there's

1406

00:52:58,870 --> 00:52:57,680

different ways to look at this you know

1407

00:53:00,790 --> 00:52:58,880

real quickly one of the things i was

1408

00:53:03,030 --> 00:53:00,800

going to point out when manuel was

1409

00:53:05,430 --> 00:53:03,040

talking the the way that the

1410

00:53:08,069 --> 00:53:05,440

the eyewitnesses in in the most recent

1411

00:53:09,670 --> 00:53:08,079

sightings described this this entity are

1412

00:53:11,430 --> 00:53:09,680

almost identical to the way that linda

1413

00:53:13,349 --> 00:53:11,440

scarberry described her sightings right

1414

00:53:15,190 --> 00:53:13,359

a tall thin muscular

1415

00:53:16,790 --> 00:53:15,200

man with wings

1416

00:53:18,950 --> 00:53:16,800

those were her exact words like i said

1417

00:53:21,190 --> 00:53:18,960

that's why i hate the misnomer mothman

1418

00:53:22,230 --> 00:53:21,200

there's nothing moth-like insect-like

1419

00:53:25,510 --> 00:53:22,240

about it

1420

00:53:27,829 --> 00:53:25,520

uh the glowing red eyes have always been

1421

00:53:29,270 --> 00:53:27,839

part of this

1422

00:53:31,030 --> 00:53:29,280

this history

1423

00:53:34,710 --> 00:53:31,040

and

1424

00:53:36,790 --> 00:53:34,720

i think possibly because

1425

00:53:39,990 --> 00:53:36,800

these entities

1426
00:53:42,549 --> 00:53:40,000
are coming from another dimension

1427
00:53:44,790 --> 00:53:42,559
uh there's a different energy about them

1428
00:53:48,150 --> 00:53:44,800
than there there is about us you know we

1429
00:53:51,190 --> 00:53:48,160
all as humans have different eye colors

1430
00:53:53,990 --> 00:53:51,200
uh these entities that you know

1431
00:53:55,910 --> 00:53:54,000
seem to always have this glowing red

1432
00:53:57,750 --> 00:53:55,920
this glowing red eye and and on your

1433
00:53:59,589 --> 00:53:57,760
right uh you know a lot of people tried

1434
00:54:02,390 --> 00:53:59,599
to describe it away as being reflective

1435
00:54:05,030 --> 00:54:02,400
but the eyewitnesses never describe it

1436
00:54:08,150 --> 00:54:05,040
as reflective it is always emanating

1437
00:54:10,470 --> 00:54:08,160
from within these beings right and i

1438
00:54:12,790 --> 00:54:10,480

think that's because these beings are a

1439

00:54:14,790 --> 00:54:12,800

higher energy frequency a higher energy

1440

00:54:17,349 --> 00:54:14,800

level than what we are

1441

00:54:19,349 --> 00:54:17,359

as human beings

1442

00:54:21,109 --> 00:54:19,359

well i i tell you that

1443

00:54:23,990 --> 00:54:21,119

they have not always been read though

1444

00:54:26,630 --> 00:54:24,000

i'd say 95 of the eye colors have been

1445

00:54:28,390 --> 00:54:26,640

red we have had blue eyes

1446

00:54:31,510 --> 00:54:28,400

up in wisconsin

1447

00:54:33,990 --> 00:54:31,520

and we've had green eyes up in milwaukee

1448

00:54:35,430 --> 00:54:34,000

so uh

1449

00:54:37,270 --> 00:54:35,440

i don't know

1450

00:54:39,510 --> 00:54:37,280

are they are they from the same

1451
00:54:41,190 --> 00:54:39,520
dimension or are they just something or

1452
00:54:43,990 --> 00:54:41,200
maybe it's perspective

1453
00:54:45,750 --> 00:54:44,000
and maybe their eye color

1454
00:54:47,349 --> 00:54:45,760
dictates their dimension maybe

1455
00:54:48,950 --> 00:54:47,359
absolutely maybe that's where they're

1456
00:54:51,270 --> 00:54:48,960
coming from you've got red eye entities

1457
00:54:52,789 --> 00:54:51,280
blue eye entities green eye entities

1458
00:54:54,309 --> 00:54:52,799
um

1459
00:54:55,670 --> 00:54:54,319
so you know going back to another

1460
00:54:57,990 --> 00:54:55,680
question that was asked you know what do

1461
00:54:59,750 --> 00:54:58,000
they want

1462
00:55:02,390 --> 00:54:59,760
i'm not so sure that maybe they're not

1463
00:55:04,789 --> 00:55:02,400

just curious or interested

1464

00:55:05,670 --> 00:55:04,799

well that may very well be

1465

00:55:14,390 --> 00:55:05,680

that

1466

00:55:19,349 --> 00:55:16,390

yeah

1467

00:55:21,510 --> 00:55:19,359

and you know that another thing with

1468

00:55:24,230 --> 00:55:21,520

this unseen and

1469

00:55:25,190 --> 00:55:24,240

hopefully you know since tobias is using

1470

00:55:32,789 --> 00:55:25,200

a

1471

00:55:34,789 --> 00:55:32,799

jennifer

1472

00:55:36,309 --> 00:55:34,799

and uh are bernadette to have them see

1473

00:55:37,990 --> 00:55:36,319

what they can find

1474

00:55:39,910 --> 00:55:38,000

uh

1475

00:55:42,150 --> 00:55:39,920

they have been told that these beings

1476

00:55:44,150 --> 00:55:42,160

that we are seeing are juveniles of

1477

00:55:46,069 --> 00:55:44,160

their species

1478

00:55:49,990 --> 00:55:46,079

it's kind of like a rite of passage

1479

00:55:52,150 --> 00:55:50,000

thing um that the the

1480

00:55:53,910 --> 00:55:52,160

the higher-ups in the hierarchy don't go

1481

00:55:55,990 --> 00:55:53,920

out on these ventures and that the

1482

00:55:58,069 --> 00:55:56,000

younger ones go out

1483

00:55:59,589 --> 00:55:58,079

as part of what they're supposed to do i

1484

00:56:01,349 --> 00:55:59,599

don't know i don't know i don't

1485

00:56:03,750 --> 00:56:01,359

understand the whole thing

1486

00:56:06,309 --> 00:56:03,760

but uh

1487

00:56:09,670 --> 00:56:06,319

you know if that's the case then this

1488

00:56:11,349 --> 00:56:09,680

has been going on for 11 years now and

1489

00:56:13,510 --> 00:56:11,359

it may be something they have been doing

1490

00:56:14,630 --> 00:56:13,520

all along but just now it's starting to

1491

00:56:16,470 --> 00:56:14,640

get

1492

00:56:17,910 --> 00:56:16,480

noticed and you know of course the

1493

00:56:19,510 --> 00:56:17,920

history of these

1494

00:56:21,109 --> 00:56:19,520

you know the history of the flying

1495

00:56:23,109 --> 00:56:21,119

beings and the flying or winged

1496

00:56:24,710 --> 00:56:23,119

humanoids and others

1497

00:56:26,150 --> 00:56:24,720

uh

1498

00:56:29,109 --> 00:56:26,160

when you when you put it all on all

1499

00:56:32,789 --> 00:56:29,119

together it it's it's fairly similar

1500

00:56:35,030 --> 00:56:32,799

uh even down through history but uh

1501
00:56:37,670 --> 00:56:35,040
i i think you all can agree that what's

1502
00:56:41,750 --> 00:56:37,680
been going on in chicago in the last

1503
00:56:43,030 --> 00:56:41,760
especially since 2017 is quite unique

1504
00:56:48,470 --> 00:56:43,040
i don't think there's anything that

1505
00:56:51,910 --> 00:56:50,549
i mean and one of the things i mean it's

1506
00:56:53,829 --> 00:56:51,920
the last sighting

1507
00:56:56,309 --> 00:56:53,839
i mean

1508
00:56:57,190 --> 00:56:56,319
i i know that there's something there

1509
00:56:58,950 --> 00:56:57,200
i mean

1510
00:57:01,510 --> 00:56:58,960
could it be a bird like tobias talked

1511
00:57:03,750 --> 00:57:01,520
about um we don't know i mean

1512
00:57:05,670 --> 00:57:03,760
i recently saw a

1513
00:57:06,630 --> 00:57:05,680

got to see a herring for the first time

1514

00:57:09,670 --> 00:57:06,640

you know

1515

00:57:11,430 --> 00:57:09,680

up close um there was one in the field

1516

00:57:12,470 --> 00:57:11,440

across the street from my work

1517

00:57:14,630 --> 00:57:12,480

and

1518

00:57:17,430 --> 00:57:14,640

you don't think it but they are huge oh

1519

00:57:19,109 --> 00:57:17,440

they're big they are some big birds and

1520

00:57:20,630 --> 00:57:19,119

i'm talking this thing was maybe

1521

00:57:23,430 --> 00:57:20,640

standing

1522

00:57:24,390 --> 00:57:23,440

four maybe four and a half feet tall

1523

00:57:25,270 --> 00:57:24,400

um

1524

00:57:29,349 --> 00:57:25,280

just

1525

00:57:32,549 --> 00:57:29,359

window from my desk and saw and that's

1526

00:57:34,069 --> 00:57:32,559

like wow i mean this i can imagine it

1527

00:57:35,670 --> 00:57:34,079

being you know late at night or

1528

00:57:37,750 --> 00:57:35,680

something in low-light conditions or

1529

00:57:39,829 --> 00:57:37,760

something that could you know scare the

1530

00:57:41,829 --> 00:57:39,839

living daylights out of somebody

1531

00:57:43,829 --> 00:57:41,839

especially if you're not used to seeing

1532

00:57:45,910 --> 00:57:43,839

them um

1533

00:57:48,789 --> 00:57:45,920

you know up close i mean if this thing

1534

00:57:49,910 --> 00:57:48,799

took off its wingspan was immense

1535

00:57:50,630 --> 00:57:49,920

um

1536

00:57:52,950 --> 00:57:50,640

so

1537

00:57:55,589 --> 00:57:52,960

i mean could it be yes i mean the thing

1538

00:57:58,390 --> 00:57:55,599

with the eyes i mean could it be

1539

00:57:59,589 --> 00:57:58,400

we just know so little about you know

1540

00:58:01,829 --> 00:57:59,599

even now

1541

00:58:04,069 --> 00:58:01,839

in modern times we know so little about

1542

00:58:06,710 --> 00:58:04,079

animal animals and their physiologies i

1543

00:58:09,750 --> 00:58:06,720

mean uh example look at uh like the

1544

00:58:11,270 --> 00:58:09,760

mantis shrimp it's it's able to see in

1545

00:58:13,910 --> 00:58:11,280

so many colors that some of them we

1546

00:58:15,910 --> 00:58:13,920

haven't even discovered yet um i think

1547

00:58:18,870 --> 00:58:15,920

it's eyes can pick up i believe what was

1548

00:58:21,829 --> 00:58:18,880

it about about 14 15 different spectrums

1549

00:58:23,270 --> 00:58:21,839

of light yeah um that's a sore subject

1550

00:58:25,190 --> 00:58:23,280

with me because i used to have a reef

1551

00:58:28,150 --> 00:58:25,200

aquarium and got my thumb busted open by

1552

00:58:29,030 --> 00:58:28,160

one of those things one time yeah and

1553

00:58:31,510 --> 00:58:29,040

i mean

1554

00:58:33,990 --> 00:58:31,520

they will do that

1555

00:58:35,910 --> 00:58:34,000

they're awful yeah i have a i have a

1556

00:58:38,309 --> 00:58:35,920

body of mine here's actually busted the

1557

00:58:39,750 --> 00:58:38,319

side of the aquarium oh they're correct

1558

00:58:40,630 --> 00:58:39,760

yeah absolutely you know

1559

00:58:42,549 --> 00:58:40,640

um

1560

00:58:43,510 --> 00:58:42,559

but there are so much i mean look at the

1561

00:58:45,510 --> 00:58:43,520

um

1562

00:58:47,109 --> 00:58:45,520

so many some men will say look like

1563

00:58:49,030 --> 00:58:47,119

their eyes glow i mean look at

1564

00:58:51,190 --> 00:58:49,040

alligators if you look at them and if

1565

00:58:52,390 --> 00:58:51,200

you're ever down south and you shine a

1566

00:58:54,150 --> 00:58:52,400

even a

1567

00:58:55,510 --> 00:58:54,160

low intensity light across the water

1568

00:58:57,990 --> 00:58:55,520

you're going to get met with a whole

1569

00:58:58,870 --> 00:58:58,000

bunch of eyes staring right back at you

1570

00:59:01,349 --> 00:58:58,880

um

1571

00:59:02,789 --> 00:59:01,359

how do we not know that these creatures

1572

00:59:04,390 --> 00:59:02,799

maybe don't collect the light kind of

1573

00:59:06,309 --> 00:59:04,400

like a cat's eyes do

1574

00:59:08,309 --> 00:59:06,319

you know they have that and it reflects

1575

00:59:10,230 --> 00:59:08,319

back it looks like it's glowing

1576

00:59:12,710 --> 00:59:10,240

but all it's doing is it's collecting

1577

00:59:14,710 --> 00:59:12,720

what little light our eyes can't see

1578

00:59:15,990 --> 00:59:14,720

and just reflecting it back to enhance

1579

00:59:17,670 --> 00:59:16,000

their vision

1580

00:59:19,670 --> 00:59:17,680

well and maybe the other thing is you

1581

00:59:21,750 --> 00:59:19,680

know maybe their eye color reflects

1582

00:59:25,670 --> 00:59:21,760

their emotions

1583

00:59:27,990 --> 00:59:25,680

and you know we associate red with evil

1584

00:59:30,470 --> 00:59:28,000

and and and something uh

1585

00:59:32,470 --> 00:59:30,480

uh ominous that's not necessarily the

1586

00:59:34,789 --> 00:59:32,480

case it's a color you know

1587

00:59:36,549 --> 00:59:34,799

uh it's like you know i kind of adhere

1588

00:59:38,150 --> 00:59:36,559

to the george carlin mentality when it

1589

00:59:40,710 --> 00:59:38,160

comes to bad words i don't think there's

1590

00:59:42,470 --> 00:59:40,720

a bad word they're words they're they're

1591

00:59:44,950 --> 00:59:42,480

a construct of different letters that

1592

00:59:47,030 --> 00:59:44,960

are tied together we associate red with

1593

00:59:49,030 --> 00:59:47,040

evil demonic ominous maybe that's not

1594

00:59:50,789 --> 00:59:49,040

the case maybe this is

1595

00:59:52,630 --> 00:59:50,799

the maybe we're seeing their emotion

1596

00:59:54,630 --> 00:59:52,640

maybe they're as scared of us as we are

1597

00:59:56,630 --> 00:59:54,640

of them and we're seeing it in red maybe

1598

00:59:57,829 --> 00:59:56,640

if they're blue eyes they're not scared

1599

00:59:59,670 --> 00:59:57,839

at all

1600

01:00:01,910 --> 00:59:59,680

if their green eyes

1601
01:00:04,870 --> 01:00:01,920
you know maybe they come from ireland

1602
01:00:07,430 --> 01:00:04,880
[Laughter]

1603
01:00:09,030 --> 01:00:07,440
uh we have another questions from david

1604
01:00:11,430 --> 01:00:09,040
jones locker do you think it's all

1605
01:00:15,190 --> 01:00:11,440
connected with ghost poltergeist

1606
01:00:16,789 --> 01:00:15,200
ufos sasquatch and faye oh i think i

1607
01:00:19,270 --> 01:00:16,799
think there's a connection between all

1608
01:00:21,670 --> 01:00:19,280
this stuff it's to some degree

1609
01:00:25,670 --> 01:00:21,680
uh you know it seems like every time you

1610
01:00:27,190 --> 01:00:25,680
get into an investigation nowadays

1611
01:00:29,030 --> 01:00:27,200
uh

1612
01:00:31,270 --> 01:00:29,040
when you start talking to the witness it

1613
01:00:33,109 --> 01:00:31,280

seems something else has been going on

1614

01:00:35,910 --> 01:00:33,119

in their life as far as paranormal or

1615

01:00:37,829 --> 01:00:35,920

supernatural that they just decided not

1616

01:00:39,109 --> 01:00:37,839

to talk about because they didn't think

1617

01:00:41,109 --> 01:00:39,119

it was connected

1618

01:00:43,670 --> 01:00:41,119

but invariably it's something that may

1619

01:00:46,470 --> 01:00:43,680

very well have been connected

1620

01:00:47,990 --> 01:00:46,480

what do you think about that tobias

1621

01:00:50,789 --> 01:00:48,000

well sure definitely you know i mean

1622

01:00:53,030 --> 01:00:50,799

that's that's something i i always ask

1623

01:00:56,309 --> 01:00:53,040

when i'm i'm interviewing a a witness

1624

01:00:59,270 --> 01:00:56,319

i'll say something like you know um have

1625

01:01:02,069 --> 01:00:59,280

you had any other uh unusual experiences

1626

01:01:04,230 --> 01:01:02,079

you know prior to or since like this

1627

01:01:07,589 --> 01:01:04,240

sighting that you're currently

1628

01:01:09,589 --> 01:01:07,599

reporting and uh and as as often as not

1629

01:01:11,589 --> 01:01:09,599

you know they they actually do you know

1630

01:01:13,270 --> 01:01:11,599

i can give you an example

1631

01:01:14,309 --> 01:01:13,280

that sort of ties in directly to this

1632

01:01:17,349 --> 01:01:14,319

question

1633

01:01:19,190 --> 01:01:17,359

there was a woman in madison wisconsin

1634

01:01:22,309 --> 01:01:19,200

that i i spoke to

1635

01:01:24,630 --> 01:01:22,319

had to be a couple years ago now

1636

01:01:27,030 --> 01:01:24,640

and she wanted to talk about this series

1637

01:01:29,910 --> 01:01:27,040

of wayne humanoid sightings that that

1638

01:01:31,990 --> 01:01:29,920

she had had with her her mother

1639

01:01:34,309 --> 01:01:32,000

and while these winged humanoid

1640

01:01:37,829 --> 01:01:34,319

sightings were happening they were also

1641

01:01:40,069 --> 01:01:37,839

experiencing a haunting or or what

1642

01:01:42,230 --> 01:01:40,079

appeared to be a haunting in

1643

01:01:44,789 --> 01:01:42,240

in their their home um you know i'm

1644

01:01:47,349 --> 01:01:44,799

talking about a very classic sort of

1645

01:01:49,990 --> 01:01:47,359

like halting phenomena like

1646

01:01:51,990 --> 01:01:50,000

hearing the covers open and all the

1647

01:01:54,069 --> 01:01:52,000

dishes fly out and everything crashing

1648

01:01:56,069 --> 01:01:54,079

to the ground only to run out and find

1649

01:01:57,990 --> 01:01:56,079

nothing disturbed or

1650

01:02:01,190 --> 01:01:58,000

uh there was a frightening incident

1651
01:02:02,710 --> 01:02:01,200
where um the candles in

1652
01:02:04,789 --> 01:02:02,720
her aunt's

1653
01:02:06,950 --> 01:02:04,799
apartment just like lit

1654
01:02:08,870 --> 01:02:06,960
on on their own and almost you know

1655
01:02:11,910 --> 01:02:08,880
the place down luckily somebody noticed

1656
01:02:14,630 --> 01:02:11,920
in time and so or or uh you know this is

1657
01:02:17,029 --> 01:02:14,640
a very helian one um they uh they would

1658
01:02:19,029 --> 01:02:17,039
hear a baby crying with with no known

1659
01:02:21,109 --> 01:02:19,039
source like they couldn't figure out

1660
01:02:23,829 --> 01:02:21,119
where the sound of this baby crying was

1661
01:02:26,309 --> 01:02:23,839
was was coming from um

1662
01:02:28,069 --> 01:02:26,319
and this is all during

1663
01:02:30,150 --> 01:02:28,079

the uh the the uh

1664

01:02:33,109 --> 01:02:30,160

winged humanoid sightings and so

1665

01:02:35,430 --> 01:02:33,119

there's definitely some kind of uh

1666

01:02:36,870 --> 01:02:35,440

connection although you know i

1667

01:02:40,150 --> 01:02:36,880

i don't know

1668

01:02:42,789 --> 01:02:40,160

that it's fair to say that it's it's all

1669

01:02:43,910 --> 01:02:42,799

the same thing i i like to think that it

1670

01:02:50,470 --> 01:02:43,920

is

1671

01:02:52,549 --> 01:02:50,480

operating under the the same or a a

1672

01:02:54,230 --> 01:02:52,559

similar set of rules you know what i

1673

01:02:56,789 --> 01:02:54,240

mean i i think that

1674

01:02:58,870 --> 01:02:56,799

whatever the these things are um

1675

01:03:01,750 --> 01:02:58,880

you know be they they ghosts or or

1676

01:03:03,190 --> 01:03:01,760

mothman or or bigfoots or or whatever

1677

01:03:05,270 --> 01:03:03,200

that seemingly

1678

01:03:07,910 --> 01:03:05,280

interacts with us in paranormal ways

1679

01:03:09,190 --> 01:03:07,920

they're they're doing so under the same

1680

01:03:11,990 --> 01:03:09,200

set of

1681

01:03:14,870 --> 01:03:12,000

uh rules you know like it's there there

1682

01:03:17,430 --> 01:03:14,880

are physical laws in place that are sort

1683

01:03:20,309 --> 01:03:17,440

of regulating how they they do these

1684

01:03:23,190 --> 01:03:20,319

these seemingly paranormal feats and so

1685

01:03:25,990 --> 01:03:23,200

there seem to be a lot of similarities

1686

01:03:28,230 --> 01:03:26,000

but it's it's mostly just that

1687

01:03:29,990 --> 01:03:28,240

they interact with us in similar ways

1688

01:03:34,549 --> 01:03:30,000

and don't necessarily have to be the

1689

01:03:36,950 --> 01:03:35,990

anybody have anything else to add to

1690

01:03:39,829 --> 01:03:36,960

that

1691

01:03:42,309 --> 01:03:39,839

well how many times have we seen i'm

1692

01:03:44,710 --> 01:03:42,319

sorry travis um no no no

1693

01:03:46,309 --> 01:03:44,720

go for it uh how many times have we seen

1694

01:03:49,270 --> 01:03:46,319

where people have had

1695

01:03:50,630 --> 01:03:49,280

ufo sightings abduction experiences and

1696

01:03:53,510 --> 01:03:50,640

many of them

1697

01:03:55,109 --> 01:03:53,520

almost exactly mimic a poltergeist

1698

01:03:57,589 --> 01:03:55,119

event or vice versa they're having a

1699

01:03:59,109 --> 01:03:57,599

poltergeist event and yet you know

1700

01:04:02,470 --> 01:03:59,119

everything they're describing sounds

1701
01:04:03,510 --> 01:04:02,480
like the typical abduction scenario

1702
01:04:05,990 --> 01:04:03,520
um

1703
01:04:08,230 --> 01:04:06,000
who's not to say i mean that it could be

1704
01:04:10,630 --> 01:04:08,240
any number of things i mean hearing

1705
01:04:12,150 --> 01:04:10,640
hearing a child cry for no reason at all

1706
01:04:13,349 --> 01:04:12,160
brings you know kind of raises my

1707
01:04:14,710 --> 01:04:13,359
hackles for

1708
01:04:16,950 --> 01:04:14,720
kind of a few reasons i live in the

1709
01:04:18,470 --> 01:04:16,960
midwest and um

1710
01:04:21,109 --> 01:04:18,480
i'm

1711
01:04:22,710 --> 01:04:21,119
there's certain things i won't say that

1712
01:04:23,990 --> 01:04:22,720
are the only things that really scare me

1713
01:04:25,829 --> 01:04:24,000

to death so

1714

01:04:27,829 --> 01:04:25,839

uh hearing a baby cry is one of their

1715

01:04:28,950 --> 01:04:27,839

signs so i'm not gonna even talk about

1716

01:04:32,309 --> 01:04:28,960

it so

1717

01:04:34,950 --> 01:04:32,319

um but how many of these things so so

1718

01:04:38,390 --> 01:04:34,960

intricately tied together shadow people

1719

01:04:43,510 --> 01:04:38,400

uh encounters with abductions with alien

1720

01:04:46,710 --> 01:04:43,520

sightings or ufo sightings or vice versa

1721

01:04:48,630 --> 01:04:46,720

and and i i agree with exactly what all

1722

01:04:50,870 --> 01:04:48,640

three of you have said and i'm just

1723

01:04:52,069 --> 01:04:50,880

going to add one dimension to that and

1724

01:04:53,910 --> 01:04:52,079

that is that

1725

01:04:56,470 --> 01:04:53,920

all of these things i do believe are

1726

01:04:58,630 --> 01:04:56,480

interrelated in some form or fashion but

1727

01:05:01,589 --> 01:04:58,640

it may not be the experience it may be

1728

01:05:04,309 --> 01:05:01,599

the experimenter i we are receptacles

1729

01:05:06,230 --> 01:05:04,319

we receive and we put out

1730

01:05:07,829 --> 01:05:06,240

and so

1731

01:05:09,750 --> 01:05:07,839

you find individuals we call them

1732

01:05:11,589 --> 01:05:09,760

skeptics disbelievers they've never

1733

01:05:13,029 --> 01:05:11,599

experienced anything in their life well

1734

01:05:14,390 --> 01:05:13,039

maybe that's because

1735

01:05:15,829 --> 01:05:14,400

they're not

1736

01:05:17,430 --> 01:05:15,839

on that

1737

01:05:19,750 --> 01:05:17,440

that i don't want to say spiritual but

1738

01:05:20,870 --> 01:05:19,760

that that vibrational level where that

1739

01:05:22,950 --> 01:05:20,880

they can

1740

01:05:25,109 --> 01:05:22,960

see and experience

1741

01:05:26,309 --> 01:05:25,119

going back you know the saying that we

1742

01:05:28,390 --> 01:05:26,319

use is

1743

01:05:29,349 --> 01:05:28,400

i'll see it when i believe it but if you

1744

01:05:31,029 --> 01:05:29,359

guys ever

1745

01:05:32,950 --> 01:05:31,039

and all of you are old enough maybe

1746

01:05:35,029 --> 01:05:32,960

tobias is not old enough

1747

01:05:36,630 --> 01:05:35,039

to remember laverne and shirley and

1748

01:05:38,630 --> 01:05:36,640

lenny and squishy oh yeah

1749

01:05:40,710 --> 01:05:38,640

and squiggly used to he he would always

1750

01:05:44,789 --> 01:05:40,720

screw that saying up and he would always

1751

01:05:45,670 --> 01:05:44,799

go i'll believe it when i see it

1752

01:05:49,029 --> 01:05:45,680

yeah

1753

01:05:51,829 --> 01:05:49,039

and i think sometimes that's the case we

1754

01:05:54,870 --> 01:05:51,839

individuals see and experience

1755

01:05:57,510 --> 01:05:54,880

uap ufo sasquatch

1756

01:06:00,630 --> 01:05:57,520

mothman winged humanoids poltergeist

1757

01:06:03,029 --> 01:06:00,640

activity because we're already sensitive

1758

01:06:05,270 --> 01:06:03,039

and inclined to believe it and to

1759

01:06:07,750 --> 01:06:05,280

experience it i think there's something

1760

01:06:09,910 --> 01:06:07,760

to that and i ain't you know

1761

01:06:12,950 --> 01:06:09,920

as we have been getting settings from

1762

01:06:18,630 --> 01:06:12,960

chicago over the years

1763

01:06:22,390 --> 01:06:18,640

i i do believe that certain people are

1764

01:06:24,870 --> 01:06:22,400

attuned to it uh to seeing these things

1765

01:06:26,230 --> 01:06:24,880

uh just like people who are intuitive

1766

01:06:29,029 --> 01:06:26,240

and able to

1767

01:06:30,710 --> 01:06:29,039

sense or see certain things or you know

1768

01:06:32,950 --> 01:06:30,720

apparitions or

1769

01:06:36,230 --> 01:06:32,960

sense spirit energy

1770

01:06:38,710 --> 01:06:36,240

and as far as being able to see

1771

01:06:42,230 --> 01:06:38,720

say a bigfoot or a winged humanoid or

1772

01:06:43,430 --> 01:06:42,240

any other type of cryptid maybe they are

1773

01:06:45,750 --> 01:06:43,440

able

1774

01:06:49,430 --> 01:06:45,760

to see it or

1775

01:06:52,470 --> 01:06:49,440

maybe these beings have the ability

1776

01:06:54,069 --> 01:06:52,480

to show themselves to specific

1777

01:06:56,230 --> 01:06:54,079

people

1778

01:06:58,630 --> 01:06:56,240

and uh you know some of the studies that

1779

01:07:00,950 --> 01:06:58,640

we have had in chicago

1780

01:07:02,309 --> 01:07:00,960

where people who have i mean have there

1781

01:07:05,029 --> 01:07:02,319

have been groups of people when these

1782

01:07:07,109 --> 01:07:05,039

settings occurring and in some occasions

1783

01:07:08,870 --> 01:07:07,119

it's like either one or two people will

1784

01:07:11,910 --> 01:07:08,880

be able to see something

1785

01:07:15,589 --> 01:07:11,920

and nobody else sees it

1786

01:07:17,510 --> 01:07:15,599

what do you think about that tobias

1787

01:07:19,349 --> 01:07:17,520

well you know that it's interesting that

1788

01:07:21,990 --> 01:07:19,359

that you bring that up because

1789

01:07:24,230 --> 01:07:22,000

that's something that sort of runs the

1790

01:07:25,670 --> 01:07:24,240

gamut uh among

1791

01:07:27,589 --> 01:07:25,680

paranormal

1792

01:07:31,029 --> 01:07:27,599

phenomena right is

1793

01:07:31,829 --> 01:07:31,039

this experience of multiple people being

1794

01:07:34,390 --> 01:07:31,839

in

1795

01:07:37,029 --> 01:07:34,400

the same place and and sometimes they'll

1796

01:07:39,510 --> 01:07:37,039

all see whatever the the uh

1797

01:07:41,910 --> 01:07:39,520

event is but sometimes only certain

1798

01:07:44,630 --> 01:07:41,920

people experience it and i do think that

1799

01:07:46,390 --> 01:07:44,640

that speaks towards uh

1800

01:07:50,069 --> 01:07:46,400

either in

1801
01:07:52,630 --> 01:07:50,079
uh uh uh intentional behavior on on the

1802
01:07:53,910 --> 01:07:52,640
part of of the the entity or or

1803
01:07:54,789 --> 01:07:53,920
phenomenon

1804
01:07:59,589 --> 01:07:54,799
or

1805
01:08:02,150 --> 01:07:59,599
ability

1806
01:08:04,069 --> 01:08:02,160
uh of certain people to experience

1807
01:08:06,549 --> 01:08:04,079
things that that that others just can't

1808
01:08:09,430 --> 01:08:06,559
you know i i i think it almost has to be

1809
01:08:11,829 --> 01:08:09,440
one of one of those two i mean that at

1810
01:08:14,630 --> 01:08:11,839
the the very least you know when you

1811
01:08:16,709 --> 01:08:14,640
talk about people being able to um

1812
01:08:18,390 --> 01:08:16,719
experience things that that other people

1813
01:08:21,189 --> 01:08:18,400

can i mean i

1814

01:08:23,110 --> 01:08:21,199

i always dislike it when when the

1815

01:08:25,990 --> 01:08:23,120

conversation sort of steers itself in

1816

01:08:27,430 --> 01:08:26,000

that direction because i i don't

1817

01:08:28,630 --> 01:08:27,440

like um

1818

01:08:30,309 --> 01:08:28,640

you know the

1819

01:08:32,309 --> 01:08:30,319

people who

1820

01:08:34,630 --> 01:08:32,319

uh treat something like that as a sort

1821

01:08:35,669 --> 01:08:34,640

of superpower or something similar you

1822

01:08:38,070 --> 01:08:35,679

know it's

1823

01:08:39,590 --> 01:08:38,080

it's um it it seems to be common enough

1824

01:08:41,910 --> 01:08:39,600

and and i don't know

1825

01:08:43,749 --> 01:08:41,920

that the the missing element isn't

1826
01:08:44,630 --> 01:08:43,759
exactly what travis was already talking

1827
01:08:46,870 --> 01:08:44,640
about

1828
01:08:49,110 --> 01:08:46,880
where uh they're just not open enough to

1829
01:08:51,430 --> 01:08:49,120
it so it's not as though like the people

1830
01:08:54,630 --> 01:08:51,440
seeing it are necessarily special um in

1831
01:08:57,030 --> 01:08:54,640
in any way that uh nobody else could be

1832
01:08:59,269 --> 01:08:57,040
were they you know to to get in the the

1833
01:09:01,590 --> 01:08:59,279
right state of mind but yeah i mean

1834
01:09:04,070 --> 01:09:01,600
you're you're all absolutely right on um

1835
01:09:07,669 --> 01:09:04,080
that that does certainly seem to be the

1836
01:09:09,189 --> 01:09:07,679
the case and there's something to it

1837
01:09:11,910 --> 01:09:09,199
you know it's funny when we first

1838
01:09:13,050 --> 01:09:11,920

started looking into this phenomenon

1839

01:09:14,630 --> 01:09:13,060

uh well

1840

01:09:16,470 --> 01:09:14,640

[Music]

1841

01:09:18,550 --> 01:09:16,480

manuel and i have been looking at this

1842

01:09:21,269 --> 01:09:18,560

since 2011

1843

01:09:23,349 --> 01:09:21,279

uh but then when we brought

1844

01:09:24,550 --> 01:09:23,359

a team together and then of course it

1845

01:09:26,550 --> 01:09:24,560

was mostly

1846

01:09:28,550 --> 01:09:26,560

us three working on it

1847

01:09:31,030 --> 01:09:28,560

well

1848

01:09:33,110 --> 01:09:31,040

we had um we had other people too i mean

1849

01:09:35,669 --> 01:09:33,120

of course we had um

1850

01:09:38,709 --> 01:09:35,679

we had rosemary and ellen golly on the

1851
01:09:41,349 --> 01:09:38,719
team as well but anyway we uh the one

1852
01:09:43,269 --> 01:09:41,359
thing that that was interesting was

1853
01:09:45,430 --> 01:09:43,279
we were all trying to figure out what

1854
01:09:47,189 --> 01:09:45,440
the hell these things were

1855
01:09:48,870 --> 01:09:47,199
and how they were manifesting and why

1856
01:09:51,189 --> 01:09:48,880
they were manifesting and

1857
01:09:52,709 --> 01:09:51,199
you know some of the more interesting

1858
01:09:54,149 --> 01:09:52,719
concepts were other than

1859
01:10:00,830 --> 01:09:54,159
interdimensional we were talking about

1860
01:10:05,830 --> 01:10:04,229
uh possibly summoning

1861
01:10:08,229 --> 01:10:05,840
and i i i still believe there's

1862
01:10:10,470 --> 01:10:08,239
something to summoning there i i think

1863
01:10:14,149 --> 01:10:10,480

the the point pleasant

1864

01:10:16,630 --> 01:10:14,159

uh mothman was a summon being

1865

01:10:18,630 --> 01:10:16,640

i do not disagree with that yeah

1866

01:10:21,110 --> 01:10:18,640

uh and i i know you do i think you and i

1867

01:10:23,189 --> 01:10:21,120

talked about that when we have yes

1868

01:10:24,790 --> 01:10:23,199

um but we looked at a lot of different

1869

01:10:26,550 --> 01:10:24,800

things and we had you know it's funny

1870

01:10:28,870 --> 01:10:26,560

when i wrote the first book

1871

01:10:30,790 --> 01:10:28,880

the mothman dynasty i had everybody on

1872

01:10:32,630 --> 01:10:30,800

the on the team who was investigating it

1873

01:10:35,430 --> 01:10:32,640

give their opinion as to what it was

1874

01:10:37,430 --> 01:10:35,440

they thought it was and we had all

1875

01:10:39,430 --> 01:10:37,440

different

1876

01:10:41,189 --> 01:10:39,440

you know it run the gamut i mean people

1877

01:10:42,149 --> 01:10:41,199

are opinions

1878

01:10:45,030 --> 01:10:42,159

um

1879

01:10:47,990 --> 01:10:45,040

i wonder if if your opinions and i'm

1880

01:10:50,550 --> 01:10:48,000

talking to tobias and men well have your

1881

01:10:53,270 --> 01:10:50,560

opinions changed as we have gone on with

1882

01:10:56,950 --> 01:10:54,870

dave evolved

1883

01:10:59,270 --> 01:10:56,960

um

1884

01:11:00,550 --> 01:10:59,280

you know we when we first when the book

1885

01:11:02,149 --> 01:11:00,560

first came out

1886

01:11:03,110 --> 01:11:02,159

you know

1887

01:11:05,990 --> 01:11:03,120

i was

1888

01:11:07,030 --> 01:11:06,000

you know 100 sure in the camp that this

1889

01:11:08,070 --> 01:11:07,040

was a

1890

01:11:15,910 --> 01:11:08,080

you know

1891

01:11:16,950 --> 01:11:15,920

true cryptid

1892

01:11:19,910 --> 01:11:16,960

now

1893

01:11:21,189 --> 01:11:19,920

i'm not even sure i'm not

1894

01:11:26,550 --> 01:11:21,199

um

1895

01:11:27,510 --> 01:11:26,560

extra dimensional

1896

01:11:29,830 --> 01:11:27,520

you know

1897

01:11:32,229 --> 01:11:29,840

um

1898

01:11:34,470 --> 01:11:32,239

it's it has my views on it have changed

1899

01:11:36,229 --> 01:11:34,480

a lot especially since the uh

1900

01:11:39,189 --> 01:11:36,239

you know interactions with the unseen

1901

01:11:41,669 --> 01:11:39,199

ones especially after my experience uh

1902

01:11:43,350 --> 01:11:41,679

you know yeah my views have it evolved

1903

01:11:45,270 --> 01:11:43,360

and they have become a little different

1904

01:11:47,510 --> 01:11:45,280

now mm-hmm

1905

01:11:50,550 --> 01:11:47,520

what about you tobias yeah you know i

1906

01:11:53,910 --> 01:11:50,560

mean very similar to uh

1907

01:11:55,750 --> 01:11:53,920

manuel you know i i certainly my uh my

1908

01:11:58,070 --> 01:11:55,760

opinions have

1909

01:11:59,990 --> 01:11:58,080

evolved since the the beginning of the

1910

01:12:02,470 --> 01:12:00,000

investigation but i i think that's only

1911

01:12:04,790 --> 01:12:02,480

natural you know when you're involved

1912

01:12:06,709 --> 01:12:04,800

with with something like this um

1913

01:12:09,910 --> 01:12:06,719

i uh i very much

1914

01:12:12,470 --> 01:12:09,920

try to avoid making any sort of firm

1915

01:12:14,709 --> 01:12:12,480

determination you know with with without

1916

01:12:17,990 --> 01:12:14,719

substantial evidence and i you know i

1917

01:12:20,630 --> 01:12:18,000

think one thing that that most of us can

1918

01:12:22,550 --> 01:12:20,640

agree on is is that we don't have

1919

01:12:24,709 --> 01:12:22,560

sufficient evidence to say that

1920

01:12:27,189 --> 01:12:24,719

this is exactly what what people are

1921

01:12:29,590 --> 01:12:27,199

seeing you know now there are instances

1922

01:12:31,430 --> 01:12:29,600

like specific cases where you can

1923

01:12:33,910 --> 01:12:31,440

identify like okay this was you know a

1924

01:12:35,350 --> 01:12:33,920

misidentification or something but like

1925

01:12:37,510 --> 01:12:35,360

by and large when we're talking about

1926

01:12:39,189 --> 01:12:37,520

the really weird stuff which let's face

1927

01:12:40,630 --> 01:12:39,199

it that's what everybody you know really

1928

01:12:42,709 --> 01:12:40,640

wants to hear about when we're talking

1929

01:12:44,229 --> 01:12:42,719

about the weird stuff the potentially

1930

01:12:45,430 --> 01:12:44,239

paranormal stuff

1931

01:12:48,550 --> 01:12:45,440

um

1932

01:12:52,390 --> 01:12:48,560

you know like i the only thing that i am

1933

01:12:55,750 --> 01:12:52,400

sure of um is that it is just as weird

1934

01:12:58,870 --> 01:12:55,760

today as it was in the spring of 2017

1935

01:13:00,870 --> 01:12:58,880

when when i i first got uh in involved

1936

01:13:04,470 --> 01:13:00,880

in investigating it and

1937

01:13:07,750 --> 01:13:04,480

you know like i i said before um as this

1938

01:13:10,310 --> 01:13:07,760

case goes on i think the likelihood that

1939

01:13:11,910 --> 01:13:10,320

the potentially uh paranormal cases are

1940

01:13:14,310 --> 01:13:11,920

are represented by an undiscovered

1941

01:13:16,470 --> 01:13:14,320

biological species i i think that

1942

01:13:18,790 --> 01:13:16,480

likelihood shrinks

1943

01:13:21,590 --> 01:13:18,800

daily i mean it just it it just doesn't

1944

01:13:24,149 --> 01:13:21,600

make sense at this point

1945

01:13:25,669 --> 01:13:24,159

uh vincent asked uh what rosemary

1946

01:13:27,830 --> 01:13:25,679

thought was on these beans and she

1947

01:13:29,590 --> 01:13:27,840

thought it was in her dimension

1948

01:13:31,189 --> 01:13:29,600

uh actually she told me that from the

1949

01:13:33,430 --> 01:13:31,199

very beginning

1950

01:13:37,830 --> 01:13:33,440

uh she didn't believe that they were

1951

01:13:40,310 --> 01:13:37,840

indigenous beings at all so um

1952

01:13:41,830 --> 01:13:40,320

and you know i because uh we were

1953

01:13:43,750 --> 01:13:41,840

looking into like i said we were looking

1954

01:13:45,189 --> 01:13:43,760

to the occult thing and the summon thing

1955

01:13:47,350 --> 01:13:45,199

you know that and she came right out and

1956

01:13:49,750 --> 01:13:47,360

told me because you know what when we

1957

01:13:51,750 --> 01:13:49,760

were getting reports rosemary was

1958

01:13:53,750 --> 01:13:51,760

getting a hold of the witnesses and

1959

01:13:55,590 --> 01:13:53,760

following up you know

1960

01:13:57,430 --> 01:13:55,600

with all the sightings

1961

01:13:59,270 --> 01:13:57,440

so uh but she told me she thought it was

1962

01:14:01,430 --> 01:13:59,280

interdimensional

1963

01:14:03,110 --> 01:14:01,440

well and rosemary was you know one of

1964

01:14:05,590 --> 01:14:03,120

the leading experts on

1965

01:14:07,590 --> 01:14:05,600

phenomena oh yeah and you should you you

1966

01:14:08,950 --> 01:14:07,600

dealt with the mothman festival so you

1967

01:14:11,750 --> 01:14:08,960

know because she was involved with that

1968

01:14:14,550 --> 01:14:11,760

a lot yeah i actually have uh lectured

1969

01:14:15,910 --> 01:14:14,560

with her and sat beside her and and

1970

01:14:18,070 --> 01:14:15,920

everything

1971

01:14:20,149 --> 01:14:18,080

and i think you know and again i think

1972

01:14:21,590 --> 01:14:20,159

you know the point pleasant mothman yes

1973

01:14:23,590 --> 01:14:21,600

you and i have had that conversation i

1974

01:14:26,070 --> 01:14:23,600

do believe that that particular

1975

01:14:28,149 --> 01:14:26,080

manifestation was a summoning in some

1976

01:14:29,750 --> 01:14:28,159

form or fashion and again i think you

1977

01:14:31,669 --> 01:14:29,760

know and that's why i brought up the gen

1978

01:14:34,149 --> 01:14:31,679

thing because

1979

01:14:37,750 --> 01:14:34,159

i'm not exactly sure that you know again

1980

01:14:40,310 --> 01:14:37,760

we attribute good bad evil

1981

01:14:42,149 --> 01:14:40,320

those are words that that that fit our

1982

01:14:43,270 --> 01:14:42,159

humanity that doesn't necessarily mean

1983

01:14:45,270 --> 01:14:43,280

it fits

1984

01:14:47,830 --> 01:14:45,280

these entities

1985

01:14:51,189 --> 01:14:47,840

um that doesn't mean and and that's

1986

01:14:53,430 --> 01:14:51,199

where my my theories and my

1987

01:14:55,990 --> 01:14:53,440

beliefs in this have have changed i

1988

01:14:57,910 --> 01:14:56,000

thought from the beginning mothman

1989

01:15:00,310 --> 01:14:57,920

equals evil

1990

01:15:02,149 --> 01:15:00,320

and and there was no in-between

1991

01:15:04,070 --> 01:15:02,159

but i'm not sure that that's the case i

1992

01:15:06,630 --> 01:15:04,080

think that there are

1993

01:15:08,709 --> 01:15:06,640

multiple types of these winged entities

1994

01:15:11,270 --> 01:15:08,719

that are manifesting could they be good

1995

01:15:14,390 --> 01:15:11,280

could they be evil could they be totally

1996

01:15:16,790 --> 01:15:14,400

complacent and not either and we're only

1997

01:15:18,630 --> 01:15:16,800

projecting what we feel and what we

1998

01:15:23,350 --> 01:15:18,640

believe what we've talked been taught to

1999

01:15:26,870 --> 01:15:24,950

you know um

2000

01:15:29,430 --> 01:15:26,880

we were lucky enough to have rosemary

2001

01:15:31,910 --> 01:15:29,440

give the the initial presentation of

2002

01:15:34,310 --> 01:15:31,920

this phenomenon in 2017

2003

01:15:35,189 --> 01:15:34,320

at the the mothman festival

2004

01:15:40,550 --> 01:15:35,199

and

2005

01:15:41,910 --> 01:15:40,560

where it kicked off at because we

2006

01:15:43,189 --> 01:15:41,920

uh

2007

01:15:46,709 --> 01:15:43,199

she

2008

01:15:47,669 --> 01:15:46,719

and i don't know if you guys know this

2009

01:15:49,830 --> 01:15:47,679

story

2010

01:15:51,750 --> 01:15:49,840

but there was deciding and i forget what

2011

01:15:53,510 --> 01:15:51,760

neighborhood it was and i go back i'll

2012

01:15:54,709 --> 01:15:53,520

know it but anyway one of these

2013

01:15:57,430 --> 01:15:54,719

sightings

2014

01:16:00,390 --> 01:15:57,440

of this being was on a house

2015

01:16:02,470 --> 01:16:00,400

and we figured out that that house

2016

01:16:05,030 --> 01:16:02,480

belonged to one of the women who was

2017

01:16:07,110 --> 01:16:05,040

there at the presentation

2018

01:16:08,149 --> 01:16:07,120

by pure happenstance because she had no

2019

01:16:10,070 --> 01:16:08,159

idea

2020

01:16:13,669 --> 01:16:10,080

about anything to do with mothman or

2021

01:16:14,950 --> 01:16:13,679

anything like that i mean in chicago

2022

01:16:16,709 --> 01:16:14,960

it was the damndest thing it was almost

2023

01:16:17,590 --> 01:16:16,719

like she was pulled there in there to

2024

01:16:19,990 --> 01:16:17,600

see

2025

01:16:22,950 --> 01:16:20,000

and to find out that her house was where

2026

01:16:24,390 --> 01:16:22,960

one of these things was seen on the roof

2027

01:16:25,910 --> 01:16:24,400

it was weird

2028

01:16:27,910 --> 01:16:25,920

really weird i mean when

2029

01:16:29,830 --> 01:16:27,920

rosemary told me that

2030

01:16:32,470 --> 01:16:29,840

i was kind i was really shocked by it

2031

01:16:36,229 --> 01:16:35,270

you know the synchronicity

2032

01:16:38,149 --> 01:16:36,239

you know

2033

01:16:39,590 --> 01:16:38,159

who's to say i mean

2034

01:16:42,390 --> 01:16:39,600

we we get a lot of cases where

2035

01:16:45,590 --> 01:16:42,400

synchronicity comes into a lot of stuff

2036

01:16:46,709 --> 01:16:45,600

uh you know so um who knows what we're

2037

01:16:48,790 --> 01:16:46,719

in for

2038

01:16:51,030 --> 01:16:48,800

i i think

2039

01:16:53,350 --> 01:16:51,040

i think this is you know it has been

2040

01:16:55,830 --> 01:16:53,360

slow settings i have been sightings have

2041

01:16:58,630 --> 01:16:55,840

been slow over recent months

2042

01:17:00,310 --> 01:16:58,640

but we do get one or two that just come

2043

01:17:03,189 --> 01:17:00,320

in and it's like

2044

01:17:05,110 --> 01:17:03,199

wow now we got a chirping bean or we got

2045

01:17:06,310 --> 01:17:05,120

something else or something else gonna

2046

01:17:07,590 --> 01:17:06,320

you know

2047

01:17:10,229 --> 01:17:07,600

we've had

2048

01:17:12,310 --> 01:17:10,239

other humanoids that have been seen

2049

01:17:14,149 --> 01:17:12,320

in relationship to these winged beans we

2050

01:17:17,030 --> 01:17:14,159

had ufos

2051

01:17:20,070 --> 01:17:17,040

um

2052

01:17:22,149 --> 01:17:20,080

a lot of a lot of other things but

2053

01:17:25,270 --> 01:17:22,159

you know i i just don't i'm just trying

2054

01:17:26,470 --> 01:17:25,280

to trying to imagine what we're in for

2055

01:17:29,110 --> 01:17:26,480

actually

2056

01:17:31,030 --> 01:17:29,120

uh are we gonna get something else are

2057

01:17:33,110 --> 01:17:31,040

we going to get uh

2058

01:17:34,790 --> 01:17:33,120

some evidence to point as to what these

2059

01:17:36,229 --> 01:17:34,800

things really are as to why they're

2060

01:17:38,229 --> 01:17:36,239

really here

2061

01:17:40,630 --> 01:17:38,239

uh we have you know it's almost baby

2062

01:17:43,030 --> 01:17:40,640

steps now but um

2063

01:17:45,270 --> 01:17:43,040

and it seems like i mean

2064

01:17:47,189 --> 01:17:45,280

it's been going on now for

2065

01:17:48,950 --> 01:17:47,199

want to say what a little over a month

2066

01:17:50,870 --> 01:17:48,960

maybe we had the uh

2067

01:17:51,910 --> 01:17:50,880

the initial sighting with the couple

2068

01:17:53,430 --> 01:17:51,920

that were

2069

01:17:54,950 --> 01:17:53,440

you know parking

2070

01:17:58,630 --> 01:17:54,960

um

2071

01:17:59,990 --> 01:17:58,640

deciding where the people were at a

2072

01:18:01,669 --> 01:18:00,000

party

2073

01:18:03,430 --> 01:18:01,679

where they described it as having like a

2074

01:18:04,470 --> 01:18:03,440

mantis head

2075

01:18:06,550 --> 01:18:04,480

um

2076

01:18:09,189 --> 01:18:06,560

that was on the roof of the neighbor's

2077

01:18:11,030 --> 01:18:09,199

house next door watching them

2078

01:18:13,430 --> 01:18:11,040

um and there were

2079

01:18:14,790 --> 01:18:13,440

i believe six seven witnesses at that

2080

01:18:15,830 --> 01:18:14,800

one

2081

01:18:17,669 --> 01:18:15,840

you know

2082

01:18:19,590 --> 01:18:17,679

um

2083

01:18:21,270 --> 01:18:19,600

those people and

2084

01:18:23,430 --> 01:18:21,280

this kind of ties in a little bit to

2085

01:18:25,350 --> 01:18:23,440

what you guys were talking about earlier

2086

01:18:27,110 --> 01:18:25,360

being able to see things and not see

2087

01:18:29,910 --> 01:18:27,120

things um

2088

01:18:34,390 --> 01:18:29,920

because that one sighting everyone

2089

01:18:36,870 --> 01:18:34,400

described it as a lechusa which um

2090

01:18:39,110 --> 01:18:36,880

if you know what it is it's a uh

2091

01:18:41,830 --> 01:18:39,120

it's a mexican-american folklore

2092

01:18:43,830 --> 01:18:41,840

uh thing but that kind of ties in to me

2093

01:18:46,229 --> 01:18:43,840

with the uh

2094

01:18:47,430 --> 01:18:46,239

with the um the flap that we had in

2095

01:18:50,229 --> 01:18:47,440

little village

2096

01:18:52,950 --> 01:18:50,239

how many so many people were seeing this

2097

01:18:54,550 --> 01:18:52,960

how so many people were were saying this

2098

01:18:56,870 --> 01:18:54,560

it was the same thing

2099

01:18:58,709 --> 01:18:56,880

and it kind of got me thinking while you

2100

01:19:01,430 --> 01:18:58,719

guys were talking about that that it

2101

01:19:02,950 --> 01:19:01,440

could not only just be vibrational like

2102

01:19:04,950 --> 01:19:02,960

travis was talking about that some

2103

01:19:08,390 --> 01:19:04,960

people are more attuned to it it could

2104

01:19:09,990 --> 01:19:08,400

also be cultural how many of us grow up

2105

01:19:11,430 --> 01:19:10,000

listening to stories i grant my

2106

01:19:12,630 --> 01:19:11,440

grandmother's just scared to live in

2107

01:19:15,189 --> 01:19:12,640

daylight instead of meeting all my

2108

01:19:16,870 --> 01:19:15,199

cousins at night into behaving because

2109

01:19:18,149 --> 01:19:16,880

of the literature don't go outside at

2110

01:19:20,310 --> 01:19:18,159

night the tattoos that could be out

2111

01:19:23,510 --> 01:19:20,320

there for you you know don't go near the

2112

01:19:26,390 --> 01:19:23,520

river because yoronas there um

2113

01:19:29,590 --> 01:19:26,400

so many of these things were so

2114

01:19:30,790 --> 01:19:29,600

um were so ingrained in us and so many

2115

01:19:33,030 --> 01:19:30,800

of my

2116

01:19:33,910 --> 01:19:33,040

the people in my family also practice

2117

01:19:41,350 --> 01:19:33,920

you know

2118

01:19:43,430 --> 01:19:41,360

they were brew house they were into

2119

01:19:45,030 --> 01:19:43,440

santeria um

2120

01:19:47,669 --> 01:19:45,040

all of that stuff is like it's

2121

01:19:49,430 --> 01:19:47,679

culturally ingrained into us as we grow

2122

01:19:52,229 --> 01:19:49,440

up

2123

01:19:54,470 --> 01:19:52,239

to many of us it's just the fact that to

2124

01:19:57,110 --> 01:19:54,480

us the lechuza exists because that's all

2125

01:19:59,270 --> 01:19:57,120

we heard about as children i mean that's

2126

01:20:02,310 --> 01:19:59,280

that's the stories of folklore of where

2127

01:20:04,950 --> 01:20:02,320

we come from and

2128

01:20:07,110 --> 01:20:04,960

that kind of i kind of think that

2129

01:20:08,629 --> 01:20:07,120

maybe that kind of deals a double whammy

2130

01:20:10,950 --> 01:20:08,639

with somebody like say who's maybe

2131

01:20:12,950 --> 01:20:10,960

hispanic or maybe somebody who's like

2132

01:20:15,830 --> 01:20:12,960

say irish because they might see the fae

2133

01:20:17,910 --> 01:20:15,840

more because culturally they grew up

2134

01:20:19,590 --> 01:20:17,920

with it and maybe they're also in tune

2135

01:20:21,669 --> 01:20:19,600

to the vibrations

2136

01:20:24,310 --> 01:20:21,679

of being able to i've seen these things

2137

01:20:25,830 --> 01:20:24,320

because of the way they grew up

2138

01:20:28,149 --> 01:20:25,840

you know this is something that's

2139

01:20:29,910 --> 01:20:28,159

interesting too now of course we had

2140

01:20:33,510 --> 01:20:29,920

people who don't know little village is

2141

01:20:37,510 --> 01:20:33,520

a mostly hispanic neighborhood

2142

01:20:41,910 --> 01:20:39,510

in little village

2143

01:20:44,310 --> 01:20:41,920

but if you go back and look at all the

2144

01:20:47,830 --> 01:20:44,320

sightings

2145

01:20:49,830 --> 01:20:47,840

in chicago there is a very high

2146

01:20:53,750 --> 01:20:49,840

percentage

2147

01:20:53,760 --> 01:20:57,990

now i wonder why that is

2148

01:21:03,750 --> 01:21:00,470

again i mean

2149

01:21:05,510 --> 01:21:03,760

so many a lot of the hispanics that come

2150

01:21:07,189 --> 01:21:05,520

that are in chicago

2151
01:21:09,350 --> 01:21:07,199
and

2152
01:21:10,390 --> 01:21:09,360
i can say this because i've been here

2153
01:21:12,070 --> 01:21:10,400
for now

2154
01:21:13,510 --> 01:21:12,080
i've been married to my wife now 19

2155
01:21:14,790 --> 01:21:13,520
years but i've been here a lot longer

2156
01:21:16,950 --> 01:21:14,800
than that

2157
01:21:18,790 --> 01:21:16,960
um

2158
01:21:19,910 --> 01:21:18,800
were there they're transplants they're

2159
01:21:22,629 --> 01:21:19,920
kind of like me

2160
01:21:24,629 --> 01:21:22,639
um and most of them grew up in the area

2161
01:21:26,149 --> 01:21:24,639
where i grew up like in southern where i

2162
01:21:28,950 --> 01:21:26,159
grew up in west texas but they come from

2163
01:21:30,070 --> 01:21:28,960

like the south or they come from mexico

2164

01:21:32,870 --> 01:21:30,080

um

2165

01:21:36,070 --> 01:21:32,880

they carry that

2166

01:21:37,510 --> 01:21:36,080

cultural

2167

01:21:39,669 --> 01:21:37,520

teachings of their you know their

2168

01:21:40,629 --> 01:21:39,679

grandmothers that are wellitas and them

2169

01:21:42,629 --> 01:21:40,639

and their

2170

01:21:44,470 --> 01:21:42,639

mothers and fathers you know using those

2171

01:21:45,510 --> 01:21:44,480

stories you know

2172

01:21:51,110 --> 01:21:45,520

to

2173

01:21:52,550 --> 01:21:51,120

behaving or something

2174

01:21:54,629 --> 01:21:52,560

um

2175

01:21:56,950 --> 01:21:54,639

you know that can be

2176

01:21:58,229 --> 01:21:56,960

a very powerful

2177

01:22:00,070 --> 01:21:58,239

um

2178

01:22:02,709 --> 01:22:00,080

trigger i mean that could be something

2179

01:22:04,070 --> 01:22:02,719

that you know

2180

01:22:05,830 --> 01:22:04,080

i don't i don't know if you guys are

2181

01:22:07,990 --> 01:22:05,840

familiar with there's a jewish belief

2182

01:22:10,390 --> 01:22:08,000

called the tulpa right you know it's a

2183

01:22:13,350 --> 01:22:10,400

belief system but if you put so many

2184

01:22:15,110 --> 01:22:13,360

people believe in it and so many or you

2185

01:22:17,350 --> 01:22:15,120

believe strong enough for you

2186

01:22:19,590 --> 01:22:17,360

so many people believe in the same thing

2187

01:22:20,709 --> 01:22:19,600

it actually the legend says it comes to

2188

01:22:23,669 --> 01:22:20,719

life

2189

01:22:24,550 --> 01:22:23,679

um who's not to say that things like you

2190

01:22:26,550 --> 01:22:24,560

know

2191

01:22:30,070 --> 01:22:26,560

lechusas or something like that that

2192

01:22:31,990 --> 01:22:30,080

most of us most people who are hispanic

2193

01:22:33,510 --> 01:22:32,000

see it because they grew up with it they

2194

01:22:35,990 --> 01:22:33,520

grew up listening to their grandmothers

2195

01:22:38,390 --> 01:22:36,000

or grandfathers tell these stories or

2196

01:22:40,950 --> 01:22:38,400

warning us about going out you know

2197

01:22:43,189 --> 01:22:40,960

or something um

2198

01:22:44,390 --> 01:22:43,199

how many of these things that you know

2199

01:22:46,390 --> 01:22:44,400

um

2200

01:22:48,390 --> 01:22:46,400

people who have things happen around our

2201
01:22:51,110 --> 01:22:48,400
house who are maybe of irish heritage or

2202
01:22:53,430 --> 01:22:51,120
came from like first second generation

2203
01:22:54,950 --> 01:22:53,440
um irish americans don't have the

2204
01:22:56,870 --> 01:22:54,960
stories that they grew up with listening

2205
01:22:58,709 --> 01:22:56,880
to the fae and they just immediately

2206
01:23:00,470 --> 01:22:58,719
assume it's fade they got pay in the

2207
01:23:02,870 --> 01:23:00,480
house or something

2208
01:23:04,310 --> 01:23:02,880
so many hispanics that come to chicago

2209
01:23:06,310 --> 01:23:04,320
are transplants and many of them are

2210
01:23:07,430 --> 01:23:06,320
either first second generation they're

2211
01:23:12,229 --> 01:23:07,440
very

2212
01:23:14,550 --> 01:23:12,239
especially in the little village area

2213
01:23:16,709 --> 01:23:14,560

you know you go there and you don't go

2214

01:23:19,669 --> 01:23:16,719

more than a few feet without seeing

2215

01:23:21,669 --> 01:23:19,679

the signs of that you know of those

2216

01:23:24,470 --> 01:23:21,679

beliefs

2217

01:23:28,310 --> 01:23:24,480

we have talked about

2218

01:23:30,709 --> 01:23:28,320

possibility of some of these studies

2219

01:23:31,910 --> 01:23:30,719

being thought forms or tulpas

2220

01:23:36,070 --> 01:23:31,920

you know

2221

01:23:37,830 --> 01:23:36,080

nomenclature

2222

01:23:39,990 --> 01:23:37,840

with this from the very beginning you

2223

01:23:41,430 --> 01:23:40,000

know we've been grasping this for all

2224

01:23:43,510 --> 01:23:41,440

early on

2225

01:23:48,950 --> 01:23:43,520

uh

2226

01:23:50,470 --> 01:23:48,960

understand that

2227

01:23:52,070 --> 01:23:50,480

uh i don't know what are what do you

2228

01:23:53,750 --> 01:23:52,080

other guys think do you think there's a

2229

01:23:55,910 --> 01:23:53,760

possibility that

2230

01:23:58,229 --> 01:23:55,920

there may be a class association culture

2231

01:24:00,310 --> 01:23:58,239

association with these things

2232

01:24:01,990 --> 01:24:00,320

well i i think it's it's an interesting

2233

01:24:04,470 --> 01:24:02,000

point and i'm really glad that that

2234

01:24:06,149 --> 01:24:04,480

manuel thought uh to to mention that

2235

01:24:08,390 --> 01:24:06,159

because i i think it's

2236

01:24:10,149 --> 01:24:08,400

in an undervalued point in in the

2237

01:24:11,669 --> 01:24:10,159

general discussion but i i do think it's

2238

01:24:13,270 --> 01:24:11,679

very very important

2239

01:24:16,550 --> 01:24:13,280

um

2240

01:24:18,310 --> 01:24:16,560

and uh i i think that we've got a few

2241

01:24:19,270 --> 01:24:18,320

different possibilities here you know i

2242

01:24:20,310 --> 01:24:19,280

mean

2243

01:24:23,750 --> 01:24:20,320

it's

2244

01:24:27,510 --> 01:24:23,760

our

2245

01:24:30,470 --> 01:24:27,520

perception of of these beings is shaped

2246

01:24:32,950 --> 01:24:30,480

by our our our own belief system so if

2247

01:24:36,229 --> 01:24:32,960

if you know you've been taught to to

2248

01:24:40,390 --> 01:24:36,239

believe in something like the uh

2249

01:24:43,750 --> 01:24:40,400

lechuza or or you know uh fairies or or

2250

01:24:45,910 --> 01:24:43,760

or honestly in the 21st century uh

2251
01:24:47,030 --> 01:24:45,920
aliens you know anything like that

2252
01:24:48,870 --> 01:24:47,040
bigfoot

2253
01:24:49,750 --> 01:24:48,880
um maybe

2254
01:24:52,870 --> 01:24:49,760
um

2255
01:24:55,110 --> 01:24:52,880
the entity the the the being itself is

2256
01:24:57,750 --> 01:24:55,120
is able to

2257
01:24:59,189 --> 01:24:57,760
have some kind of of

2258
01:24:59,990 --> 01:24:59,199
of of

2259
01:25:01,510 --> 01:25:00,000
your

2260
01:25:03,830 --> 01:25:01,520
expected

2261
01:25:05,669 --> 01:25:03,840
you know uh image of what it it's

2262
01:25:07,590 --> 01:25:05,679
supposed to look like and and can sort

2263
01:25:08,790 --> 01:25:07,600

of modify it

2264

01:25:12,149 --> 01:25:08,800

to uh

2265

01:25:15,270 --> 01:25:12,159

itself to to meet that expectation or or

2266

01:25:16,550 --> 01:25:15,280

honestly when i look at a lot of these

2267

01:25:19,510 --> 01:25:16,560

these citing

2268

01:25:20,870 --> 01:25:19,520

reports and you have people

2269

01:25:22,229 --> 01:25:20,880

who will

2270

01:25:23,910 --> 01:25:22,239

try to

2271

01:25:26,310 --> 01:25:23,920

you know describe

2272

01:25:28,310 --> 01:25:26,320

in terms of traditional belief systems

2273

01:25:30,390 --> 01:25:28,320

you know you you just as often hit

2274

01:25:31,590 --> 01:25:30,400

people who try to describe things in

2275

01:25:33,270 --> 01:25:31,600

terms of

2276

01:25:35,110 --> 01:25:33,280

a movie they've seen

2277

01:25:37,510 --> 01:25:35,120

you know and so i think

2278

01:25:40,950 --> 01:25:37,520

a lot of it is just people

2279

01:25:44,390 --> 01:25:40,960

trying to describe the impossible you

2280

01:25:47,189 --> 01:25:44,400

know trying to find the vocabulary

2281

01:25:49,110 --> 01:25:47,199

to explain to you uh something that is

2282

01:25:50,790 --> 01:25:49,120

so far beyond their understanding the

2283

01:25:53,510 --> 01:25:50,800

best they can do

2284

01:25:56,310 --> 01:25:53,520

is try to find something in in their own

2285

01:25:57,669 --> 01:25:56,320

life that that that they can relate this

2286

01:26:00,629 --> 01:25:57,679

thing to

2287

01:26:03,510 --> 01:26:00,639

um because otherwise like you

2288

01:26:07,110 --> 01:26:03,520

part of our job as in investigators is

2289

01:26:08,870 --> 01:26:07,120

stripping away narrative until we just

2290

01:26:11,430 --> 01:26:08,880

until we're left with nothing but the

2291

01:26:13,910 --> 01:26:11,440

actual story you know and so when i

2292

01:26:16,310 --> 01:26:13,920

think i i i think when you strip away

2293

01:26:20,229 --> 01:26:16,320

this narrative you know be it um

2294

01:26:22,070 --> 01:26:20,239

uh rachuzza or or or demons or

2295

01:26:24,229 --> 01:26:22,080

what was the other one out of at a

2296

01:26:27,270 --> 01:26:24,239

little a little village goblins or

2297

01:26:29,990 --> 01:26:27,280

something right like oh dwendage

2298

01:26:31,750 --> 01:26:30,000

yeah dwindling yeah i was a deep cut for

2299

01:26:33,990 --> 01:26:31,760

this this uh this particular

2300

01:26:36,629 --> 01:26:34,000

investigation but yeah if one once you

2301

01:26:38,550 --> 01:26:36,639

strip that that that stuff away

2302

01:26:41,590 --> 01:26:38,560

um the actual

2303

01:26:44,550 --> 01:26:41,600

meat of the experience is is

2304

01:26:47,110 --> 01:26:44,560

is very very similar across every single

2305

01:26:49,110 --> 01:26:47,120

case you know so i i think uh it's

2306

01:26:52,149 --> 01:26:49,120

entirely possible what we're looking at

2307

01:26:54,229 --> 01:26:52,159

is just people trying to place these

2308

01:26:56,470 --> 01:26:54,239

experiences in a cultural context that

2309

01:26:58,870 --> 01:26:56,480

they can understand

2310

01:27:00,950 --> 01:26:58,880

could it be kind of like um

2311

01:27:02,870 --> 01:27:00,960

you know how they say when the human the

2312

01:27:05,110 --> 01:27:02,880

way the human brain works that it tries

2313

01:27:07,110 --> 01:27:05,120

to always put a face to something it

2314

01:27:08,709 --> 01:27:07,120

tries to put a

2315

01:27:09,910 --> 01:27:08,719

it fits tries to fit it within a

2316

01:27:10,790 --> 01:27:09,920

parameter

2317

01:27:12,070 --> 01:27:10,800

um

2318

01:27:13,430 --> 01:27:12,080

i mean so

2319

01:27:14,550 --> 01:27:13,440

who's not to say well how many people

2320

01:27:16,149 --> 01:27:14,560

are going to be disappointed if the

2321

01:27:17,590 --> 01:27:16,159

aliens do show up and they don't all

2322

01:27:21,030 --> 01:27:17,600

look like you know

2323

01:27:24,070 --> 01:27:21,040

um the typical gray you know big eyes or

2324

01:27:26,950 --> 01:27:24,080

um what's the show paul um

2325

01:27:29,030 --> 01:27:26,960

you know or or if um

2326

01:27:30,470 --> 01:27:29,040

you know to somebody maybe what if these

2327

01:27:33,430 --> 01:27:30,480

creatures showed up to somebody who was

2328

01:27:35,189 --> 01:27:33,440

maybe of arabian or middle eastern

2329

01:27:36,709 --> 01:27:35,199

descent it might look to them it might

2330

01:27:37,669 --> 01:27:36,719

look like the gin

2331

01:27:39,350 --> 01:27:37,679

um

2332

01:27:41,830 --> 01:27:39,360

you know

2333

01:27:43,590 --> 01:27:41,840

it could be any number of things if if

2334

01:27:44,470 --> 01:27:43,600

you say to me that you're you're an

2335

01:27:46,629 --> 01:27:44,480

angel

2336

01:27:48,629 --> 01:27:46,639

well two things are gonna pop in my head

2337

01:27:50,390 --> 01:27:48,639

either you're gonna look like you know

2338

01:27:53,270 --> 01:27:50,400

the angelic you know

2339

01:27:55,189 --> 01:27:53,280

um archangel like what you see michael

2340

01:27:58,870 --> 01:27:55,199

or i'm gonna think you look like castiel

2341

01:28:02,629 --> 01:27:58,880

from some soup from supernatural um

2342

01:28:04,709 --> 01:28:02,639

you know but that's just how my brain

2343

01:28:06,790 --> 01:28:04,719

processes it um

2344

01:28:08,470 --> 01:28:06,800

how are we to say that these creatures

2345

01:28:10,390 --> 01:28:08,480

aren't doing the same thing like tobias

2346

01:28:12,709 --> 01:28:10,400

i said they're they're forming their

2347

01:28:14,550 --> 01:28:12,719

view so they may be

2348

01:28:16,149 --> 01:28:14,560

we're not they're not scaring the living

2349

01:28:17,030 --> 01:28:16,159

hell out of us i mean

2350

01:28:18,070 --> 01:28:17,040

um

2351

01:28:19,590 --> 01:28:18,080

like

2352

01:28:21,510 --> 01:28:19,600

and travis would probably agree most

2353

01:28:23,830 --> 01:28:21,520

people when they think you ask anybody

2354

01:28:26,550 --> 01:28:23,840

who's like of a christian faith what

2355

01:28:28,470 --> 01:28:26,560

does a a cherub look like most people

2356

01:28:29,590 --> 01:28:28,480

think little babies you know with wings

2357

01:28:32,790 --> 01:28:29,600

and they're so cute and everything

2358

01:28:34,950 --> 01:28:32,800

little fat naked babies yeah they're not

2359

01:28:36,390 --> 01:28:34,960

anywhere near that they don't look like

2360

01:28:37,430 --> 01:28:36,400

anything

2361

01:28:40,390 --> 01:28:37,440

like that

2362

01:28:41,350 --> 01:28:40,400

they actually have four faces

2363

01:28:43,350 --> 01:28:41,360

you know

2364

01:28:45,750 --> 01:28:43,360

most people think it's like demons they

2365

01:28:47,030 --> 01:28:45,760

look a certain way they don't look

2366

01:28:49,350 --> 01:28:47,040

you know

2367

01:28:51,590 --> 01:28:49,360

so many demons look completely different

2368

01:28:53,350 --> 01:28:51,600

from what you think well this is one

2369

01:28:54,950 --> 01:28:53,360

characteristic about being human

2370

01:28:56,709 --> 01:28:54,960

everybody's got a different perception

2371

01:28:58,310 --> 01:28:56,719

of everything yes

2372

01:29:00,310 --> 01:28:58,320

i mean you can almost count on if you

2373

01:29:02,390 --> 01:29:00,320

put something right in front of 200

2374

01:29:05,189 --> 01:29:02,400

people you're going to get a different

2375

01:29:06,709 --> 01:29:05,199

description from most of them you know

2376

01:29:09,189 --> 01:29:06,719

it's just not going to you know it's

2377

01:29:10,550 --> 01:29:09,199

just not going to be the same thing

2378

01:29:12,149 --> 01:29:10,560

uh

2379

01:29:14,709 --> 01:29:12,159

that might be what's going on here but

2380

01:29:16,470 --> 01:29:14,719

you know it is interesting as well how

2381

01:29:17,430 --> 01:29:16,480

consistent some of these sightings have

2382

01:29:19,830 --> 01:29:17,440

been

2383

01:29:21,750 --> 01:29:19,840

um as a matter of proof and what people

2384

01:29:23,430 --> 01:29:21,760

are actually seeing

2385

01:29:25,430 --> 01:29:23,440

so um

2386

01:29:26,950 --> 01:29:25,440

i don't know and that was that was true

2387

01:29:29,270 --> 01:29:26,960

in the original mothman sightings in

2388

01:29:30,790 --> 01:29:29,280

point pleasant there were over 100

2389

01:29:32,550 --> 01:29:30,800

sightings

2390

01:29:34,550 --> 01:29:32,560

over 13 months

2391

01:29:36,229 --> 01:29:34,560

and there were what some people would

2392

01:29:37,510 --> 01:29:36,239

call discrepancies but i would call them

2393

01:29:39,270 --> 01:29:37,520

there were variations there were

2394

01:29:41,110 --> 01:29:39,280

variations of the height or variations

2395

01:29:42,550 --> 01:29:41,120

in the color the variations

2396

01:29:43,990 --> 01:29:42,560

some said that it was wearing like a

2397

01:29:46,950 --> 01:29:44,000

tunic some said that it was totally

2398

01:29:49,830 --> 01:29:46,960

naked there were all of these variations

2399

01:29:51,990 --> 01:29:49,840

and so in 2003 2004 i was one of the

2400

01:29:53,590 --> 01:29:52,000

first people to posit the theory well

2401
01:29:55,110 --> 01:29:53,600
maybe there wasn't a moth man maybe

2402
01:29:56,950 --> 01:29:55,120
there were moth men

2403
01:29:58,870 --> 01:29:56,960
maybe there were multiple

2404
01:30:00,950 --> 01:29:58,880
manifestations of these entities you're

2405
01:30:02,550 --> 01:30:00,960
not seeing the same thing but you're

2406
01:30:05,350 --> 01:30:02,560
seeing this you're seeing the same

2407
01:30:06,950 --> 01:30:05,360
entity or the same

2408
01:30:08,870 --> 01:30:06,960
representation of these entities in

2409
01:30:10,470 --> 01:30:08,880
multiple locations and multiple times

2410
01:30:11,750 --> 01:30:10,480
and we're still getting sightings down

2411
01:30:14,470 --> 01:30:11,760
there

2412
01:30:15,590 --> 01:30:14,480
we really oh yeah it never stopped

2413
01:30:17,830 --> 01:30:15,600

no

2414

01:30:20,149 --> 01:30:17,840

i mean i've had it i've had a couple

2415

01:30:21,110 --> 01:30:20,159

dozen sightings in and around mason

2416

01:30:23,910 --> 01:30:21,120

county

2417

01:30:24,870 --> 01:30:23,920

over the years so um yeah well that's

2418

01:30:26,870 --> 01:30:24,880

and that's the interesting thing when

2419

01:30:29,350 --> 01:30:26,880

you go to mason county and you talk to

2420

01:30:30,229 --> 01:30:29,360

the the individuals there you you get a

2421

01:30:31,990 --> 01:30:30,239

split

2422

01:30:33,590 --> 01:30:32,000

never been seen to since the collapse of

2423

01:30:35,189 --> 01:30:33,600

the silver bridge or we're still seeing

2424

01:30:38,390 --> 01:30:35,199

sightings

2425

01:30:39,510 --> 01:30:38,400

right it it's it's one or the other

2426

01:30:42,310 --> 01:30:39,520

so

2427

01:30:45,189 --> 01:30:42,320

i let me uh let me mention this uh while

2428

01:30:48,950 --> 01:30:45,199

we're here and we're all together um

2429

01:30:49,750 --> 01:30:48,960

as some of you may know

2430

01:30:52,950 --> 01:30:49,760

uh

2431

01:30:54,390 --> 01:30:52,960

doug hycheck from monster quest and i

2432

01:30:56,470 --> 01:30:54,400

have formed a production company

2433

01:31:01,590 --> 01:30:56,480

together

2434

01:31:04,709 --> 01:31:02,470

making

2435

01:31:06,950 --> 01:31:04,719

either films or documentaries based on

2436

01:31:09,110 --> 01:31:06,960

these chicago sightings and and actually

2437

01:31:11,590 --> 01:31:09,120

it's going to be going beyond that as

2438

01:31:13,750 --> 01:31:11,600

well and as time goes on

2439

01:31:15,510 --> 01:31:13,760

uh it's still a work in progress we're

2440

01:31:16,790 --> 01:31:15,520

still getting things together but we are

2441

01:31:19,270 --> 01:31:16,800

pitching it

2442

01:31:20,310 --> 01:31:19,280

and tobias and and

2443

01:31:21,910 --> 01:31:20,320

um

2444

01:31:24,709 --> 01:31:21,920

manuel are going to be part of that as

2445

01:31:27,830 --> 01:31:24,719

well so i you know

2446

01:31:30,390 --> 01:31:27,840

this whole thing you know and look

2447

01:31:32,149 --> 01:31:30,400

it's it's this continues on

2448

01:31:34,550 --> 01:31:32,159

these sightings continue on we're going

2449

01:31:36,229 --> 01:31:34,560

to keep looking into this and i'll be i

2450

01:31:37,350 --> 01:31:36,239

would really like

2451

01:31:39,110 --> 01:31:37,360

for us

2452

01:31:42,229 --> 01:31:39,120

and i like the idea of having travis

2453

01:31:43,590 --> 01:31:42,239

come in on this for another opinion

2454

01:31:45,990 --> 01:31:43,600

uh somebody who's familiar with the

2455

01:31:47,990 --> 01:31:46,000

phenomena and uh

2456

01:31:49,030 --> 01:31:48,000

and you know to interject his thoughts

2457

01:31:51,350 --> 01:31:49,040

on this

2458

01:31:54,470 --> 01:31:51,360

so i'd like to be able to do this every

2459

01:31:55,990 --> 01:31:54,480

once in a while uh as a round table for

2460

01:31:59,350 --> 01:31:56,000

us for to come on

2461

01:32:01,350 --> 01:31:59,360

if that's okay with you all yeah i'm i'm

2462

01:32:04,310 --> 01:32:01,360

fine with it i i love hanging out with

2463

01:32:07,590 --> 01:32:06,070

what does that say about my social life

2464

01:32:11,350 --> 01:32:07,600

but i love hanging out with

2465

01:32:15,270 --> 01:32:13,750

well the usual suspects there we are

2466

01:32:17,430 --> 01:32:15,280

there you go

2467

01:32:19,030 --> 01:32:17,440

so i tell you um

2468

01:32:20,790 --> 01:32:19,040

let's go ahead let me go around with

2469

01:32:22,790 --> 01:32:20,800

each one of you and

2470

01:32:24,709 --> 01:32:22,800

have you tell us what you have planned

2471

01:32:27,510 --> 01:32:24,719

coming up

2472

01:32:30,310 --> 01:32:27,520

as far as investigations or uh

2473

01:32:33,189 --> 01:32:30,320

lectures or whatever you plan on doing

2474

01:32:35,830 --> 01:32:33,199

uh and uh how people can get in contact

2475

01:32:37,430 --> 01:32:35,840

with you let me start with travis

2476

01:32:44,870 --> 01:32:37,440

um

2477

01:32:46,470 --> 01:32:44,880

i'm working on a reissue of the dark

2478

01:32:49,990 --> 01:32:46,480

wings documentary i've been i started

2479

01:32:51,590 --> 01:32:50,000

that right around the time the covet hit

2480

01:32:54,229 --> 01:32:51,600

that screwed everything up but we are

2481

01:32:56,709 --> 01:32:54,239

still working on a a re-edit and a

2482

01:32:59,189 --> 01:32:56,719

reissue of that documentary film

2483

01:33:01,270 --> 01:32:59,199

what i basically do of course i'm not

2484

01:33:03,750 --> 01:33:01,280

right now i'm not part of any group or

2485

01:33:06,470 --> 01:33:03,760

anything that does active investigations

2486

01:33:08,470 --> 01:33:06,480

i'm more of a researcher i like i

2487

01:33:11,110 --> 01:33:08,480

follow what you post on i try to share

2488

01:33:12,310 --> 01:33:11,120

it as often as i can i enjoy reading it

2489

01:33:14,550 --> 01:33:12,320

um

2490

01:33:16,470 --> 01:33:14,560

as far as presentations or anything like

2491

01:33:18,229 --> 01:33:16,480

that nothing really coming my way they

2492

01:33:20,709 --> 01:33:18,239

can find me on facebook i'm art travis

2493

01:33:22,390 --> 01:33:20,719

short on twitter at travis short there's

2494

01:33:24,149 --> 01:33:22,400

two t's in short

2495

01:33:25,750 --> 01:33:24,159

i'm on instagram

2496

01:33:27,990 --> 01:33:25,760

you can find me on almost any social

2497

01:33:30,310 --> 01:33:28,000

media platform linkedin

2498

01:33:31,990 --> 01:33:30,320

and i try to i do a combination of

2499

01:33:33,669 --> 01:33:32,000

posting things about

2500

01:33:35,590 --> 01:33:33,679

what i do for vectors what i do for

2501

01:33:37,590 --> 01:33:35,600

phoenix and then what i do in my my

2502

01:33:39,590 --> 01:33:37,600

research time for the the paranormal of

2503

01:33:41,430 --> 01:33:39,600

the supernatural

2504

01:33:43,830 --> 01:33:41,440

tobias

2505

01:33:46,070 --> 01:33:43,840

uh yeah so uh well i'm currently working

2506

01:33:47,430 --> 01:33:46,080

on my my third book which i i think will

2507

01:33:49,750 --> 01:33:47,440

be a a

2508

01:33:51,110 --> 01:33:49,760

fun one as well as an interesting one

2509

01:33:53,750 --> 01:33:51,120

now we're going to call it singular 40

2510

01:33:56,550 --> 01:33:53,760

in society's guide to yuletide high

2511

01:33:59,750 --> 01:33:56,560

strangeness or dealing with um

2512

01:34:01,990 --> 01:33:59,760

not just uh sort of traditional folklore

2513

01:34:03,270 --> 01:34:02,000

um surrounding you know that that

2514

01:34:05,510 --> 01:34:03,280

particular season although there is a

2515

01:34:07,270 --> 01:34:05,520

lot of weird stuff and i'm excited about

2516

01:34:09,430 --> 01:34:07,280

being able to dig into that but also

2517

01:34:11,750 --> 01:34:09,440

sort of modern sightings of

2518

01:34:14,550 --> 01:34:11,760

of unusual phenomena around that time of

2519

01:34:17,350 --> 01:34:14,560

year um our next appearance is going to

2520

01:34:18,629 --> 01:34:17,360

be at haunted america in alton illinois

2521

01:34:21,510 --> 01:34:18,639

and that's gonna be

2522

01:34:23,590 --> 01:34:21,520

uh june 24th and 25th uh emily and i

2523

01:34:26,470 --> 01:34:23,600

will be of course representing the the

2524

01:34:30,390 --> 01:34:26,480

singular foreign society um and we're

2525

01:34:31,830 --> 01:34:30,400

teaching a workshop on uh how to

2526

01:34:33,910 --> 01:34:31,840

uh begin to

2527

01:34:36,629 --> 01:34:33,920

investigate if if that's something in

2528

01:34:38,950 --> 01:34:36,639

which you're interested in doing so um

2529

01:34:40,550 --> 01:34:38,960

i believe that event is sold out uh

2530

01:34:42,149 --> 01:34:40,560

unfortunately but if you if you happen

2531

01:34:43,990 --> 01:34:42,159

to be going anyway

2532

01:34:46,790 --> 01:34:44,000

i i will

2533

01:34:48,470 --> 01:34:46,800

announce our workshop um you know

2534

01:34:49,830 --> 01:34:48,480

otherwise if you want to keep up with us

2535

01:34:51,830 --> 01:34:49,840

uh you can always go to our website

2536

01:34:53,990 --> 01:34:51,840

singular40and.com

2537

01:34:55,750 --> 01:34:54,000

uh you can find us uh on social media

2538

01:34:57,830 --> 01:34:55,760

we're on all of it uh just look for uh

2539

01:34:59,430 --> 01:34:57,840

the the singer the foreign society and

2540

01:35:00,470 --> 01:34:59,440

uh if you like what we do enough that

2541

01:35:03,590 --> 01:35:00,480

you want to be a part of it i hope

2542

01:35:05,830 --> 01:35:03,600

you'll check us out at patreon.com

2543

01:35:07,990 --> 01:35:05,840

singular for you

2544

01:35:11,189 --> 01:35:08,000

and manuel

2545

01:35:13,030 --> 01:35:11,199

uh well i'm going to continue my

2546

01:35:15,109 --> 01:35:13,040

investigations i will actually be going

2547

01:35:17,510 --> 01:35:15,119

out to bensonville tomorrow

2548

01:35:20,229 --> 01:35:17,520

uh with my son who was um

2549

01:35:22,629 --> 01:35:20,239

also an investigator as well uh with ufo

2550

01:35:25,350 --> 01:35:22,639

clearinghouse and we will be you know

2551

01:35:26,790 --> 01:35:25,360

visiting the sites of the uh the last

2552

01:35:29,030 --> 01:35:26,800

one which is the father daughter

2553

01:35:29,990 --> 01:35:29,040

sighting as well as going to visit the

2554

01:35:32,709 --> 01:35:30,000

sighting

2555

01:35:34,790 --> 01:35:32,719

um the last item before that

2556

01:35:37,189 --> 01:35:34,800

so we will be in that area where the

2557

01:35:40,310 --> 01:35:37,199

amazon driver you know saw we've taken

2558

01:35:41,510 --> 01:35:40,320

some pictures to post to the website but

2559

01:35:43,750 --> 01:35:41,520

um

2560

01:35:46,390 --> 01:35:43,760

you can also catch me i'm on social

2561

01:35:48,550 --> 01:35:46,400

media you can find me on chicago mossman

2562

01:35:50,629 --> 01:35:48,560

and wing humanoid sightings which is a

2563

01:35:52,870 --> 01:35:50,639

group i have on

2564

01:35:54,390 --> 01:35:52,880

online as well as ufo clearinghouse on

2565

01:35:55,270 --> 01:35:54,400

all social media

2566

01:35:56,790 --> 01:35:55,280

um

2567

01:36:01,350 --> 01:35:56,800

you can also find me at

2568

01:36:06,870 --> 01:36:03,910

well very good well so guys

2569

01:36:09,189 --> 01:36:06,880

i uh i appreciate you coming on

2570

01:36:10,709 --> 01:36:09,199

uh we got a lot of information out there

2571

01:36:12,950 --> 01:36:10,719

and uh

2572

01:36:15,189 --> 01:36:12,960

whenever we do get more stuff

2573

01:36:17,510 --> 01:36:15,199

we'll put it together and

2574

01:36:20,310 --> 01:36:17,520

uh come up with another

2575

01:36:21,990 --> 01:36:20,320

round table discussion and uh i'm glad

2576

01:36:24,870 --> 01:36:22,000

that you are

2577

01:36:28,229 --> 01:36:24,880

up to coming back and um

2578

01:36:30,550 --> 01:36:28,239

but in the meantime you know

2579

01:36:32,870 --> 01:36:30,560

just stay well and have a great weekend

2580

01:36:34,790 --> 01:36:32,880

and i will talk to you all soon

2581

01:36:36,229 --> 01:36:34,800

thank you so much thank you guys good

2582

01:36:38,310 --> 01:36:36,239

seeing you guys again looking forward to

2583

01:36:39,270 --> 01:36:38,320

the next time take care yeah great see

2584

01:36:42,390 --> 01:36:39,280

you guys

2585

01:36:46,070 --> 01:36:43,910

now if you've had an unexplained

2586

01:36:47,830 --> 01:36:46,080

encounter setting feel free to contact

2587

01:36:50,310 --> 01:36:47,840

me through the families of monsters blog

2588

01:36:52,550 --> 01:36:50,320

site now i want to again thank tobias

2589

01:36:53,669 --> 01:36:52,560

manuel and travis are joining me this

2590

01:36:55,430 --> 01:36:53,679

evening

2591

01:36:57,109 --> 01:36:55,440

and thanks to each and all you for

2592

01:36:59,030 --> 01:36:57,119

watching and chatting if you made a

2593

01:37:00,390 --> 01:36:59,040

super chat donation it's truly

2594

01:37:02,629 --> 01:37:00,400

appreciated

2595

01:37:07,109 --> 01:37:02,639

your support is what makes this possible

2596

01:37:09,109 --> 01:37:07,119

so please like subscribe and share

2597

01:37:10,870 --> 01:37:09,119

if you have a setting or encounter

2598

01:37:12,310 --> 01:37:10,880

report that you would like to be

2599

01:37:15,350 --> 01:37:12,320

considered

2600

01:37:17,270 --> 01:37:15,360

for the personal report show or

2601
01:37:19,350 --> 01:37:17,280
even posted at the website at

2602
01:37:21,270 --> 01:37:19,360
phantomsomemonsters.com

2603
01:37:25,350 --> 01:37:21,280
feel free to forward to my email lawn

2604
01:37:30,709 --> 01:37:27,830
the uh the worldwide wing humanoid

2605
01:37:32,709 --> 01:37:30,719
project is still asking for reports so

2606
01:37:35,109 --> 01:37:32,719
if you have a sighting

2607
01:37:36,950 --> 01:37:35,119
in the chicago land metro area or

2608
01:37:38,310 --> 01:37:36,960
anywhere else from that matter please

2609
01:37:46,830 --> 01:37:38,320
contact me

2610
01:37:53,270 --> 01:37:50,709
410-241-5974 hamful and lee is um

2611
01:37:57,270 --> 01:37:53,280
he's the farm property owner

2612
01:37:59,189 --> 01:37:57,280
along the infamous ray road in south

2613
01:38:02,709 --> 01:37:59,199

central wisconsin

2614

01:38:05,590 --> 01:38:02,719

he has had several experiences involving

2615

01:38:08,229 --> 01:38:05,600

the cryptid k9

2616

01:38:10,870 --> 01:38:08,239

over the years and he will join us to

2617

01:38:12,790 --> 01:38:10,880

detail the phenomena so should be a very

2618

01:38:13,590 --> 01:38:12,800

interesting show

2619

01:38:16,870 --> 01:38:13,600

so

2620

01:38:22,100 --> 01:38:16,880

until next week stay healthy have a safe
