questions at the end of the presentation

30

00:02:24,550 --> 00:02:21,440

so let's go ahead and get started

31

00:02:25,589 --> 00:02:24,560

um first report was

32

00:02:26,710 --> 00:02:25,599

where a

33

00:02:28,949 --> 00:02:26,720

sonic

34

00:02:31,430 --> 00:02:28,959

crimea resident

35

00:02:33,190 --> 00:02:31,440

relaxing on the black sea shoreline is

36

00:02:35,830 --> 00:02:33,200

suddenly costed

37

00:02:37,589 --> 00:02:35,840

by three blue skinned reptilian

38

00:02:40,150 --> 00:02:37,599

humanoids

39

00:02:42,470 --> 00:02:40,160

he is taken to a possible off-world

40

00:02:44,790 --> 00:02:42,480

location

41

00:02:48,309 --> 00:02:44,800

and he also experienced what he says

42

00:02:51,190 --> 00:02:48,319

about five hours of lost time

43

00:02:53,350 --> 00:02:51,200

so um

44

00:02:56,790 --> 00:02:53,360

in in his in the statement he said one

45

00:03:00,070 --> 00:02:56,800

day in 1995 at mid morning

46

00:03:02,710 --> 00:03:00,080

a local resident of sonic in crimea

47

00:03:05,750 --> 00:03:02,720

named georgie

48

00:03:08,869 --> 00:03:05,760

walked to an embankment on the uh black

49

00:03:10,790 --> 00:03:08,879

sea for a breath of sea air

50

00:03:12,790 --> 00:03:10,800

with a gobble of beer with him he

51
00:03:14,470 --> 00:03:12,800
stepped down to the sand and watched the

52
00:03:17,350 --> 00:03:14,480
horizon

53
00:03:20,309 --> 00:03:17,360
it was a calm and beautiful day suddenly

54
00:03:23,830 --> 00:03:20,319
something sneaked up to him from behind

55
00:03:26,309 --> 00:03:23,840
and put a rubber mask on his head

56
00:03:28,550 --> 00:03:26,319
georgie struggles and grabs a mask under

57
00:03:31,110 --> 00:03:28,560
his chin and pulls it off thinking it's

58
00:03:33,910 --> 00:03:31,120
some kind of stupid prank

59
00:03:36,149 --> 00:03:33,920
but in the next second he found himself

60
00:03:38,309 --> 00:03:36,159
amid a huge hall

61
00:03:41,030 --> 00:03:38,319
he could neither see they see the beach

62
00:03:42,869 --> 00:03:41,040
or the sky anymore

63
00:03:45,270 --> 00:03:42,879

there were huge screens in the wall

64

00:03:48,630 --> 00:03:45,280

multitudes of various control panels

65

00:03:51,430 --> 00:03:48,640

with buttons and chairs in front of them

66

00:03:53,830 --> 00:03:51,440

when he looked down he saw what he was

67

00:03:56,229 --> 00:03:53,840

holding

68

00:03:58,070 --> 00:03:56,239

when he looked down he saw that he was

69

00:04:00,550 --> 00:03:58,080

holding a rubber mask

70

00:04:02,470 --> 00:04:00,560

resembling that of a blue reptilian

71

00:04:05,589 --> 00:04:02,480

monster skin like

72

00:04:07,589 --> 00:04:05,599

a lizard covered with warts now suddenly

73

00:04:10,470 --> 00:04:07,599

a door opened

74

00:04:12,550 --> 00:04:10,480

in the wall and three monsters entered

75

00:04:14,949 --> 00:04:12,560

the room

76
00:04:17,189 --> 00:04:14,959
these resembled very much the face of

77
00:04:19,270 --> 00:04:17,199
the mask that he was holding

78
00:04:21,349 --> 00:04:19,280
they were tall about two meters in

79
00:04:23,430 --> 00:04:21,359
height blue in color all covered

80
00:04:26,390 --> 00:04:23,440
entirely by warts

81
00:04:28,710 --> 00:04:26,400
they were nude and awful in appearance

82
00:04:31,909 --> 00:04:28,720
one of them approached georgie

83
00:04:34,469 --> 00:04:31,919
and put his hand on his shoulder

84
00:04:35,830 --> 00:04:34,479
uh he said it was the alien that had

85
00:04:38,469 --> 00:04:35,840
three huge

86
00:04:41,030 --> 00:04:38,479
curved clawed fingers on his hand

87
00:04:43,030 --> 00:04:41,040
and said in the low horse voice homo

88
00:04:43,909 --> 00:04:43,040

sapiens

89

00:04:46,629 --> 00:04:43,919

george

90

00:04:48,070 --> 00:04:46,639

could see the huge yellow fangs in its

91

00:04:50,629 --> 00:04:48,080

open mouth

92

00:04:52,950 --> 00:04:50,639

now after that seized by a terrific

93

00:04:53,749 --> 00:04:52,960

panic georgie began to scream he jerked

94

00:04:55,270 --> 00:04:53,759

back

95

00:04:56,469 --> 00:04:55,280

through the mask on the floor and ran

96

00:04:58,230 --> 00:04:56,479

away

97

00:05:00,310 --> 00:04:58,240

he entered a corridor and passed the

98

00:05:03,350 --> 00:05:00,320

numerous oval doors

99

00:05:06,469 --> 00:05:03,360

different screens and instruments

100

00:05:08,950 --> 00:05:06,479

overwhelmed by fear he ran into another

101

00:05:11,749 --> 00:05:08,960

room and there he was confronted by

102

00:05:15,029 --> 00:05:11,759

another blue reptilian humanoid

103

00:05:18,790 --> 00:05:15,039

the humanoid opened his huge arms on his

104

00:05:21,110 --> 00:05:18,800

sides and said where are you running to

105

00:05:22,790 --> 00:05:21,120

now after that he pressed something on

106

00:05:26,310 --> 00:05:22,800

the wall

107

00:05:28,550 --> 00:05:26,320

and georgie saw what he called an abyss

108

00:05:30,870 --> 00:05:28,560

in the space everywhere

109

00:05:33,590 --> 00:05:30,880

he could see stars and beautiful scenes

110

00:05:35,270 --> 00:05:33,600

in space he was trembling in fear when

111

00:05:36,150 --> 00:05:35,280

one of the blue reptilians approached

112

00:05:39,670 --> 00:05:36,160

him

113

00:05:42,469 --> 00:05:39,680

took his hand and said do not be afraid

114

00:05:44,950 --> 00:05:42,479

he then accompanied the witness to the

115

00:05:48,790 --> 00:05:44,960

next room in that room he saw hundreds

116

00:05:50,790 --> 00:05:48,800

of reptilian humanoids standing in ranks

117

00:05:53,510 --> 00:05:50,800

all were standing shoulder to shoulder

118

00:05:55,270 --> 00:05:53,520

and all were looking at the witness

119

00:05:57,590 --> 00:05:55,280

suddenly they moved aside and the

120

00:05:59,110 --> 00:05:57,600

witness saw a beautiful woman with light

121

00:06:01,590 --> 00:05:59,120

hair

122

00:06:03,350 --> 00:06:01,600

sleeping on a small sofa she was totally

123

00:06:05,590 --> 00:06:03,360

naked

124

00:06:07,749 --> 00:06:05,600

he saw her for several seconds and after

125

00:06:11,510 --> 00:06:07,759

that the blue reptilians closed ranks

126
00:06:14,070 --> 00:06:11,520
again and she disappeared from sight

127
00:06:15,990 --> 00:06:14,080
now the uh alien then accompanied

128
00:06:17,590 --> 00:06:16,000
georgie to a screen

129
00:06:20,469 --> 00:06:17,600
there were stars on the screen the

130
00:06:23,510 --> 00:06:20,479
reptilian pointed with his claw at one

131
00:06:25,590 --> 00:06:23,520
of the stars and said earth

132
00:06:27,430 --> 00:06:25,600
after that he embraced the witness with

133
00:06:29,110 --> 00:06:27,440
his powerful three-fingered hands and

134
00:06:31,670 --> 00:06:29,120
said stay with us

135
00:06:33,510 --> 00:06:31,680
we have no time and death terrified

136
00:06:34,870 --> 00:06:33,520
georgie could only say that he wanted to

137
00:06:36,790 --> 00:06:34,880
go back home

138
00:06:39,350 --> 00:06:36,800

that his mother was waiting for him and

139

00:06:42,309 --> 00:06:39,360

begged him to let him go

140

00:06:44,550 --> 00:06:42,319

the alien beings then said well then

141

00:06:47,029 --> 00:06:44,560

there's nothing there is

142

00:06:48,629 --> 00:06:47,039

when there is anything you want to know

143

00:06:50,390 --> 00:06:48,639

excuse me he said

144

00:06:52,230 --> 00:06:50,400

well then is there anything that you

145

00:06:54,390 --> 00:06:52,240

want to know and georgie could only

146

00:06:57,510 --> 00:06:54,400

think of one thing at that point

147

00:06:59,909 --> 00:06:57,520

how long will my mother live

148

00:07:02,309 --> 00:06:59,919

the alien answered as much as your age

149

00:07:05,350 --> 00:07:02,319

now

150

00:07:07,830 --> 00:07:05,360

after that star in the screen began

151
00:07:10,070 --> 00:07:07,840
to approach very fast and began to

152
00:07:12,390 --> 00:07:10,080
resemble the global earth he could see

153
00:07:14,550 --> 00:07:12,400
clouds

154
00:07:16,710 --> 00:07:14,560
suddenly georgie realized that he was

155
00:07:18,230 --> 00:07:16,720
standing near his house but only in

156
00:07:20,629 --> 00:07:18,240
opposite direction where he had been

157
00:07:22,710 --> 00:07:20,639
originally left

158
00:07:25,110 --> 00:07:22,720
he had been gone for five hours he

159
00:07:27,589 --> 00:07:25,120
noticed a peculiar detail the coins in

160
00:07:29,510 --> 00:07:27,599
his pockets began to glow

161
00:07:31,589 --> 00:07:29,520
with the yellowish light when he took

162
00:07:33,510 --> 00:07:31,599
them out the lake disappeared in the

163
00:07:36,550 --> 00:07:33,520

morning

164

00:07:38,390 --> 00:07:36,560

now this was um

165

00:07:41,029 --> 00:07:38,400

this account was actually given to me by

166

00:07:42,469 --> 00:07:41,039

albert rosales

167

00:07:44,070 --> 00:07:42,479

uh

168

00:07:46,309 --> 00:07:44,080

he albert stated that it was an

169

00:07:48,550 --> 00:07:46,319

interesting report involving possible

170

00:07:50,790 --> 00:07:48,560

reptilians abducting a human

171

00:07:53,990 --> 00:07:50,800

who was the woman he reported

172

00:07:56,390 --> 00:07:54,000

uh saw sleeping on the sofa

173

00:07:58,710 --> 00:07:56,400

was the woman another abductee used to

174

00:08:00,790 --> 00:07:58,720

lure georgie to stay with them

175

00:08:03,589 --> 00:08:00,800

much of the information i have gathered

176
00:08:05,270 --> 00:08:03,599
on the reptilian species including david

177
00:08:07,749 --> 00:08:05,280
eckhart's accounts

178
00:08:10,150 --> 00:08:07,759
tend to paint them as a very intolerant

179
00:08:13,350 --> 00:08:10,160
bunch that have little patience for

180
00:08:15,430 --> 00:08:13,360
humans actually as well they usually

181
00:08:19,029 --> 00:08:15,440
grab what they want and give little care

182
00:08:23,189 --> 00:08:19,039
as to what happens to those they abduct

183
00:08:24,550 --> 00:08:23,199
um now by the way there there are merman

184
00:08:27,029 --> 00:08:24,560
stories

185
00:08:29,029 --> 00:08:27,039
in legends throughout the regions next

186
00:08:31,990 --> 00:08:29,039
to the black sea

187
00:08:35,029 --> 00:08:32,000
uh including crimea i've i've had

188
00:08:38,709 --> 00:08:35,039

several that have come out of iran

189

00:08:41,110 --> 00:08:38,719

as well so um

190

00:08:43,350 --> 00:08:41,120

you know could these mer men really be

191

00:08:45,269 --> 00:08:43,360

reptilian beings so i don't know if

192

00:08:47,350 --> 00:08:45,279

they're terrestrial beings

193

00:08:49,910 --> 00:08:47,360

or what they are but there have been

194

00:08:53,590 --> 00:08:49,920

reports in the past these merman

195

00:08:55,750 --> 00:08:53,600

even in the caspian sea so both both

196

00:08:57,670 --> 00:08:55,760

both of these seas

197

00:08:58,470 --> 00:08:57,680

in the uh

198

00:09:02,150 --> 00:08:58,480

in

199

00:09:05,750 --> 00:09:02,160

known for

200

00:09:08,470 --> 00:09:05,760

these type of beings so

201
00:09:11,509 --> 00:09:08,480
if you've got any questions just go

202
00:09:16,150 --> 00:09:11,519
ahead and put them up there and

203
00:09:20,829 --> 00:09:18,389
i guess not so like i said if you have

204
00:09:25,030 --> 00:09:20,839
questions afterward go ahead and send

205
00:09:28,949 --> 00:09:25,040
them now in ohio witness describes an

206
00:09:31,110 --> 00:09:28,959
over six foot tall owl humanoid

207
00:09:34,310 --> 00:09:31,120
that he witnessed in his backyard in

208
00:09:36,470 --> 00:09:34,320
litchfield ohio when he was a child

209
00:09:38,790 --> 00:09:36,480
he wonders if this may have been a moth

210
00:09:41,110 --> 00:09:38,800
band or maybe something else

211
00:09:43,269 --> 00:09:41,120
so he states about 20 years ago when i

212
00:09:45,990 --> 00:09:43,279
was a kid my family lived in rural

213
00:09:47,829 --> 00:09:46,000

litchfield ohio

214

00:09:50,470 --> 00:09:47,839

one day in the afternoon i went to the

215

00:09:53,190 --> 00:09:50,480

kitchen for a drink while my stepfather

216

00:09:56,470 --> 00:09:53,200

took a nap in his bedroom

217

00:09:59,430 --> 00:09:56,480

in our backyard we have had we had two

218

00:10:01,670 --> 00:09:59,440

of sage orange trees that were about

219

00:10:02,949 --> 00:10:01,680

seven meters tall sitting next to each

220

00:10:04,790 --> 00:10:02,959

other

221

00:10:07,590 --> 00:10:04,800

uh

222

00:10:09,269 --> 00:10:07,600

to each other about seven five meters

223

00:10:10,790 --> 00:10:09,279

from the house at the edge of our

224

00:10:12,470 --> 00:10:10,800

property

225

00:10:14,790 --> 00:10:12,480

uh our kitchen

226

00:10:16,790 --> 00:10:14,800

was at the back of the house and at the

227

00:10:20,069 --> 00:10:16,800

end of the kitchen was a sliding glass

228

00:10:22,150 --> 00:10:20,079

door that led to the backyard

229

00:10:24,470 --> 00:10:22,160

now as i looked outside through the

230

00:10:27,750 --> 00:10:24,480

sliding glass door into the backyard i

231

00:10:29,910 --> 00:10:27,760

saw a seven foot tall al eagle-like

232

00:10:32,550 --> 00:10:29,920

humanoid creature

233

00:10:34,949 --> 00:10:32,560

standing underneath one of your sage

234

00:10:37,110 --> 00:10:34,959

orange trees

235

00:10:39,750 --> 00:10:37,120

and he said at the time the tr the

236

00:10:43,990 --> 00:10:39,760

tree's lower branch was taller than my

237

00:10:47,990 --> 00:10:46,389

uh keep in mind keep this in mind when

238

00:10:50,470 --> 00:10:48,000

considering the height of the creature

239

00:10:53,030 --> 00:10:50,480

the creature was facing sideways to the

240

00:10:55,269 --> 00:10:53,040

right in my perspective and had us back

241

00:10:57,269 --> 00:10:55,279

to me slightly the creature was all

242

00:10:59,910 --> 00:10:57,279

black and its head was slightly higher

243

00:11:03,030 --> 00:10:59,920

than the lowest branch of the sage

244

00:11:05,990 --> 00:11:03,040

orange tree it stood under

245

00:11:08,790 --> 00:11:06,000

now i stared at it for a few seconds and

246

00:11:10,150 --> 00:11:08,800

noticed it was looking down at a spot on

247

00:11:11,910 --> 00:11:10,160

the ground

248

00:11:14,310 --> 00:11:11,920

the longer i looked the more frightening

249

00:11:16,230 --> 00:11:14,320

began to feel

250

00:11:17,350 --> 00:11:16,240

i could see its wings clearly they

251
00:11:17,940 --> 00:11:17,360
looked like

252
00:11:19,190 --> 00:11:17,950
they were

253
00:11:22,150 --> 00:11:19,200
[Music]

254
00:11:23,509 --> 00:11:22,160
sage imagining an angel's wing look what

255
00:11:24,710 --> 00:11:23,519
it would look like

256
00:11:26,550 --> 00:11:24,720
but large

257
00:11:28,790 --> 00:11:26,560
black feathers

258
00:11:31,829 --> 00:11:28,800
and across the crest of the wings set

259
00:11:33,829 --> 00:11:31,839
slightly higher than head level

260
00:11:36,389 --> 00:11:33,839
i could also see its head but the head

261
00:11:39,430 --> 00:11:36,399
was without feathers instead it looked

262
00:11:41,350 --> 00:11:39,440
furry like a short-haired dog

263
00:11:43,910 --> 00:11:41,360

as a young boy i thought the creature

264

00:11:46,470 --> 00:11:43,920

was an eagle because i thought an eagle

265

00:11:48,470 --> 00:11:46,480

was a really big bird and i was worried

266

00:11:50,470 --> 00:11:48,480

that if i went outside it would carry me

267

00:11:52,790 --> 00:11:50,480

away

268

00:11:54,949 --> 00:11:52,800

now after a few moments the creature

269

00:11:58,069 --> 00:11:54,959

turned towards the house and i hid under

270

00:12:00,310 --> 00:11:58,079

the kitchen counter as fast as i could

271

00:12:01,670 --> 00:12:00,320

in raw fear because i thought it noticed

272

00:12:03,910 --> 00:12:01,680

me somehow

273

00:12:05,590 --> 00:12:03,920

like it looked at me because i knew it

274

00:12:08,310 --> 00:12:05,600

was there

275

00:12:10,230 --> 00:12:08,320

um i was worried it saw me and i would

276

00:12:13,430 --> 00:12:10,240

come to get it would come to get me so i

277

00:12:15,509 --> 00:12:13,440

ran into my room and hid under my bed

278

00:12:17,750 --> 00:12:15,519

the next day

279

00:12:19,269 --> 00:12:17,760

i went to the spot that i where i had

280

00:12:21,670 --> 00:12:19,279

seen the creature looking down on the

281

00:12:23,269 --> 00:12:21,680

ground and on the ground was a dead

282

00:12:28,310 --> 00:12:23,279

groundhog

283

00:12:29,350 --> 00:12:28,320

its entire chest an abdominal cavity

284

00:12:31,430 --> 00:12:29,360

code

285

00:12:33,110 --> 00:12:31,440

in a surgical manner right down to the

286

00:12:34,629 --> 00:12:33,120

middle right down the middle and flayed

287

00:12:36,790 --> 00:12:34,639

open

288

00:12:39,110 --> 00:12:36,800

the groundhog looked freshly killed with

289

00:12:40,310 --> 00:12:39,120

no signs of decay

290

00:12:43,350 --> 00:12:40,320

nothing

291

00:12:45,750 --> 00:12:43,360

i could tell was visibly eaten uh which

292

00:12:47,910 --> 00:12:45,760

even as a kid i thought was on

293

00:12:50,870 --> 00:12:47,920

i played outside every day and i never

294

00:12:53,509 --> 00:12:50,880

saw that dead groundhog until that day

295

00:12:55,190 --> 00:12:53,519

as i grew up i realized this was not an

296

00:12:57,990 --> 00:12:55,200

eagle and it was actually

297

00:13:00,790 --> 00:12:58,000

resembled a humanoid owl

298

00:13:04,230 --> 00:13:00,800

uh but no owl nor eagle was seven foot

299

00:13:05,990 --> 00:13:04,240

tall years later i would try to look up

300

00:13:07,670 --> 00:13:06,000

what you know what it could have been

301
00:13:10,629 --> 00:13:07,680
and for a while i thought it may have

302
00:13:12,310 --> 00:13:10,639
been the mothman

303
00:13:14,310 --> 00:13:12,320
i saw testimony of people who have

304
00:13:16,949 --> 00:13:14,320
claimed to see mothman and they said

305
00:13:18,790 --> 00:13:16,959
that uh it had a similar features as to

306
00:13:19,670 --> 00:13:18,800
what i saw

307
00:13:23,509 --> 00:13:19,680
now

308
00:13:25,509 --> 00:13:23,519
ohio west virginia region which is

309
00:13:27,829 --> 00:13:25,519
relatively close to me

310
00:13:30,389 --> 00:13:27,839
as i lived in ohio at the time

311
00:13:31,430 --> 00:13:30,399
now when one saying the witness said

312
00:13:33,190 --> 00:13:31,440
that they s

313
00:13:36,550 --> 00:13:33,200

they visited the spot they encountered

314

00:13:39,269 --> 00:13:36,560

him later on they saw a deer cut open in

315

00:13:40,870 --> 00:13:39,279

the same way and saw that i had seen the

316

00:13:43,269 --> 00:13:40,880

groundhog

317

00:13:45,430 --> 00:13:43,279

uh does anyone have any information

318

00:13:48,870 --> 00:13:45,440

helping me to figure out what i saw was

319

00:13:50,790 --> 00:13:48,880

it a mothman now man um

320

00:13:53,110 --> 00:13:50,800

anyway i

321

00:13:55,269 --> 00:13:53,120

when i got this i i did make some

322

00:13:57,670 --> 00:13:55,279

contact with the individual

323

00:14:00,629 --> 00:13:57,680

uh this is pretty similar to some of the

324

00:14:03,110 --> 00:14:00,639

signs we've gotten in that area

325

00:14:06,069 --> 00:14:03,120

you know we have head sightings

326

00:14:09,030 --> 00:14:06,079

uh mothman like creatures uh

327

00:14:11,430 --> 00:14:09,040

owl humanoids winged beans all up and

328

00:14:13,910 --> 00:14:11,440

down the ohio river valley

329

00:14:16,710 --> 00:14:13,920

and that that continues until this day

330

00:14:18,870 --> 00:14:16,720

you know people talk about the mothman

331

00:14:22,550 --> 00:14:18,880

uh the point pleasant malt man yeah

332

00:14:24,470 --> 00:14:22,560

there were spada sightings in 66 and 67

333

00:14:27,670 --> 00:14:24,480

but honestly

334

00:14:31,350 --> 00:14:27,680

there have been sightings off and on

335

00:14:34,150 --> 00:14:31,360

in the ohio river valley since that time

336

00:14:37,990 --> 00:14:35,430

yeah i mean

337

00:14:40,069 --> 00:14:38,000

many times it doesn't involve seeing

338

00:14:42,069 --> 00:14:40,079

animals who have been uh

339

00:14:44,150 --> 00:14:42,079

or that are dead or

340

00:14:45,829 --> 00:14:44,160

it seems like they may be you're getting

341

00:14:48,870 --> 00:14:45,839

ready to predate on them but i'll be

342

00:14:51,189 --> 00:14:48,880

honest with you i i don't know of any

343

00:14:54,470 --> 00:14:51,199

any of these animals that have been

344

00:14:56,470 --> 00:14:54,480

reported to have been fed upon

345

00:14:58,629 --> 00:14:56,480

so uh

346

00:15:01,269 --> 00:14:58,639

you know i don't know you know it's it's

347

00:15:03,590 --> 00:15:01,279

an interesting account

348

00:15:05,430 --> 00:15:03,600

uh vincent says it sounds similar to

349

00:15:07,670 --> 00:15:05,440

other cattle mutilations do you think

350

00:15:10,230 --> 00:15:07,680

their creatures are like the wing

351
00:15:13,750 --> 00:15:10,240
humanoids in chicago it could be

352
00:15:15,590 --> 00:15:13,760
it very well could be um

353
00:15:18,150 --> 00:15:15,600
i don't think you know

354
00:15:20,550 --> 00:15:18,160
with cattle mutilations there seem to be

355
00:15:23,030 --> 00:15:20,560
other factors involved as well

356
00:15:24,069 --> 00:15:23,040
of course people see lights and stuff

357
00:15:26,470 --> 00:15:24,079
and

358
00:15:30,150 --> 00:15:26,480
a few other odd

359
00:15:31,749 --> 00:15:30,160
odd activity but um

360
00:15:33,350 --> 00:15:31,759
i don't know it could very well be

361
00:15:37,749 --> 00:15:33,360
related somehow

362
00:15:42,790 --> 00:15:40,790
so the next the next report was a young

363
00:15:46,470 --> 00:15:42,800

brother and sister

364

00:15:48,230 --> 00:15:46,480

who uh encounter a red minotaur-like

365

00:15:49,670 --> 00:15:48,240

creature in the woods around louisville

366

00:15:52,069 --> 00:15:49,680

kentucky

367

00:15:54,550 --> 00:15:52,079

each see the beast differently

368

00:15:56,550 --> 00:15:54,560

possibly being a shape-shifting entity

369

00:15:58,710 --> 00:15:56,560

of some type

370

00:16:01,189 --> 00:15:58,720

so the um

371

00:16:02,949 --> 00:16:01,199

the witness states my pop told me of an

372

00:16:06,230 --> 00:16:02,959

experience he had

373

00:16:08,710 --> 00:16:06,240

with his twin sister when they were kids

374

00:16:10,629 --> 00:16:08,720

my grandmother's house was in a very

375

00:16:12,710 --> 00:16:10,639

forested area in the outskirts of

376

00:16:15,350 --> 00:16:12,720

louisville kentucky

377

00:16:18,629 --> 00:16:15,360

and they would walk through the woods as

378

00:16:21,430 --> 00:16:18,639

a shortcut in any given direction

379

00:16:23,269 --> 00:16:21,440

now one day when they were walking home

380

00:16:25,110 --> 00:16:23,279

through the woods they reached the tree

381

00:16:26,949 --> 00:16:25,120

line to their backyard

382

00:16:30,310 --> 00:16:26,959

in the backyard my pop saw what he

383

00:16:33,820 --> 00:16:30,320

described as an all red six foot tall

384

00:16:35,269 --> 00:16:33,830

half man half bowl type creature

385

00:16:37,269 --> 00:16:35,279

[Music]

386

00:16:39,030 --> 00:16:37,279

similar to the minotaur from greek

387

00:16:41,749 --> 00:16:39,040

mythology

388

00:16:44,230 --> 00:16:41,759

he said that this red creature had the

389

00:16:45,590 --> 00:16:44,240

upper body of a man with curved horns on

390

00:16:47,829 --> 00:16:45,600

its head

391

00:16:49,829 --> 00:16:47,839

and the lower body had two hairy legs

392

00:16:52,550 --> 00:16:49,839

with hooves

393

00:16:54,550 --> 00:16:52,560

said that this moss was snorting

394

00:16:55,509 --> 00:16:54,560

snarling and beating his hoof on the

395

00:16:58,949 --> 00:16:55,519

ground

396

00:17:01,829 --> 00:16:58,959

like it was going to charge him

397

00:17:04,069 --> 00:17:01,839

that was that it was obviously evil in

398

00:17:06,710 --> 00:17:04,079

one to hurt them

399

00:17:09,189 --> 00:17:06,720

he told my aunt that they needed to get

400

00:17:10,710 --> 00:17:09,199

out of there quickly but was shocked

401
00:17:12,789 --> 00:17:10,720
when she said

402
00:17:15,429 --> 00:17:12,799
that she thought it was cute

403
00:17:17,750 --> 00:17:15,439
and that she wanted to pet it

404
00:17:19,429 --> 00:17:17,760
my aunt was seeing the same creature but

405
00:17:21,270 --> 00:17:19,439
was seeing something completely

406
00:17:22,949 --> 00:17:21,280
different

407
00:17:24,390 --> 00:17:22,959
she said that the creature was calling

408
00:17:26,230 --> 00:17:24,400
for her and

409
00:17:27,189 --> 00:17:26,240
looked so nice and that she wanted to

410
00:17:30,950 --> 00:17:27,199
pet it

411
00:17:33,350 --> 00:17:30,960
my pop refused and forced her away

412
00:17:35,029 --> 00:17:33,360
this is the part in every scary movie

413
00:17:37,270 --> 00:17:35,039

that you call the

414

00:17:39,750 --> 00:17:37,280

the person an idiot because you you know

415

00:17:42,390 --> 00:17:39,760

a person can't really be that stupid

416

00:17:43,750 --> 00:17:42,400

so my pop was never one to tell make me

417

00:17:46,950 --> 00:17:43,760

ghost stories

418

00:17:49,510 --> 00:17:46,960

but i always uh shocked it up to that

419

00:17:52,310 --> 00:17:49,520

you know to that point a few years after

420

00:17:54,870 --> 00:17:52,320

he told me i visited my amp

421

00:17:57,830 --> 00:17:54,880

and i always thought about the story and

422

00:18:00,549 --> 00:17:57,840

wanted my aunt to bust a story

423

00:18:03,190 --> 00:18:00,559

saying it was fake or one million chance

424

00:18:05,990 --> 00:18:03,200

say that it was somehow true

425

00:18:08,070 --> 00:18:06,000

now when i asked her about it my pop

426

00:18:10,470 --> 00:18:08,080

wasn't in the room

427

00:18:11,909 --> 00:18:10,480

she mirrored every single thing that my

428

00:18:16,150 --> 00:18:11,919

pop said

429

00:18:18,310 --> 00:18:16,160

and everything that she saw she

430

00:18:19,669 --> 00:18:18,320

described the creature being all red and

431

00:18:22,310 --> 00:18:19,679

cute

432

00:18:25,750 --> 00:18:22,320

it was a really big

433

00:18:29,029 --> 00:18:25,760

wtf moment for me because i believed him

434

00:18:31,669 --> 00:18:29,039

also because it sounded terrifying

435

00:18:33,750 --> 00:18:31,679

my papa's a very logical god-fearing man

436

00:18:35,110 --> 00:18:33,760

and my aunt was very honest and sweet

437

00:18:37,350 --> 00:18:35,120

woman

438

00:18:39,750 --> 00:18:37,360

she was actually murdered in los angeles

439

00:18:41,590 --> 00:18:39,760

in 2016 so

440

00:18:43,830 --> 00:18:41,600

just writing about her makes me kind of

441

00:18:47,110 --> 00:18:43,840

emotional dude her being my pop's best

442

00:18:49,430 --> 00:18:47,120

friend and obviously my can't great aunt

443

00:18:50,950 --> 00:18:49,440

my pop thinks they saw two different

444

00:18:53,190 --> 00:18:50,960

things because

445

00:18:54,150 --> 00:18:53,200

they had just accepted jesus in their

446

00:18:56,630 --> 00:18:54,160

life

447

00:18:59,110 --> 00:18:56,640

and she and that he had said to jesus in

448

00:19:02,230 --> 00:18:59,120

his life and that she hadn't other than

449

00:19:08,470 --> 00:19:02,240

that he has no idea so they never saw

450

00:19:13,909 --> 00:19:10,470

um it could have been some type of

451

00:19:15,590 --> 00:19:13,919

manifestation of course um

452

00:19:17,990 --> 00:19:15,600

i don't know it could have very well

453

00:19:21,029 --> 00:19:19,830

i don't know could have been some type

454

00:19:23,430 --> 00:19:21,039

of uh

455

00:19:24,789 --> 00:19:23,440

interdimensional thing or this thing

456

00:19:26,870 --> 00:19:24,799

i don't know

457

00:19:31,350 --> 00:19:26,880

you know that's a that was an odd case

458

00:19:35,669 --> 00:19:33,190

i don't really believe i've had any

459

00:19:38,470 --> 00:19:35,679

minotaur like sightings before i could

460

00:19:42,390 --> 00:19:38,480

have but i just don't remember them

461

00:19:44,870 --> 00:19:43,350

uh

462

00:19:48,870 --> 00:19:44,880

in another

463

00:19:51,190 --> 00:19:48,880

an australian boy and his father

464

00:19:52,549 --> 00:19:51,200

encounter a trio

465

00:19:54,630 --> 00:19:52,559

of yali

466

00:19:56,070 --> 00:19:54,640

while camping in the northern territory

467

00:19:58,070 --> 00:19:56,080

in australia

468

00:20:00,470 --> 00:19:58,080

uh they approached in a threatening

469

00:20:01,510 --> 00:20:00,480

manner and the father eventually shot at

470

00:20:03,430 --> 00:20:01,520

one

471

00:20:05,669 --> 00:20:03,440

now the witness states in australia we

472

00:20:07,430 --> 00:20:05,679

don't have any bigfoot or sasquatch or

473

00:20:10,950 --> 00:20:07,440

so i thought

474

00:20:13,830 --> 00:20:10,960

the rabbit the aborigines were

475

00:20:16,070 --> 00:20:13,840

there believed in things called quintin

476

00:20:19,430 --> 00:20:16,080

or hairy men that are tall maybe six and

477

00:20:22,149 --> 00:20:19,440

a half foot and covered in air

478

00:20:25,029 --> 00:20:22,159

when i was about 13 years old my family

479

00:20:27,909 --> 00:20:25,039

moved from darwin to cairns

480

00:20:29,590 --> 00:20:27,919

which are very far apart roughly 3 000

481

00:20:31,669 --> 00:20:29,600

kilometers of road

482

00:20:34,230 --> 00:20:31,679

my little brother and mom decided to fly

483

00:20:37,350 --> 00:20:34,240

over what my fault while me and my old

484

00:20:39,350 --> 00:20:37,360

man just decided to road trip it

485

00:20:41,909 --> 00:20:39,360

uh i took about four days because we

486

00:20:43,909 --> 00:20:41,919

stopped a lot to fish shoot kangaroos

487

00:20:44,710 --> 00:20:43,919

etc

488

00:20:47,029 --> 00:20:44,720

uh

489

00:20:49,669 --> 00:20:47,039

one evening we stopped to set up camp

490

00:20:51,750 --> 00:20:49,679

around the corner from a creek

491

00:20:54,630 --> 00:20:51,760

far enough that the crocodiles couldn't

492

00:20:56,549 --> 00:20:54,640

munch on us we decided we would sleep

493

00:20:58,549 --> 00:20:56,559

under the stars because

494

00:21:00,230 --> 00:20:58,559

central northern territory doesn't get

495

00:21:03,430 --> 00:21:00,240

too much rain

496

00:21:04,549 --> 00:21:03,440

now that night the moon lit up the whole

497

00:21:07,430 --> 00:21:04,559

shrub

498

00:21:08,710 --> 00:21:07,440

uh you could see shooting stars in every

499

00:21:11,510 --> 00:21:08,720

silhouette

500

00:21:15,110 --> 00:21:11,520

i went to sleep feeling comfy and calm

501
00:21:17,190 --> 00:21:15,120
in my swag with the cold dry air blowing

502
00:21:19,270 --> 00:21:17,200
blowing past

503
00:21:22,710 --> 00:21:19,280
so later on i woke because i heard

504
00:21:24,710 --> 00:21:22,720
footsteps and rustling near our camp

505
00:21:25,909 --> 00:21:24,720
i looked over at dad and he said did you

506
00:21:29,110 --> 00:21:25,919
hear that

507
00:21:32,310 --> 00:21:29,120
i was terrified i looked up and maybe

508
00:21:34,230 --> 00:21:32,320
100 kilometers from us were three tall

509
00:21:36,310 --> 00:21:34,240
hunch creatures

510
00:21:37,669 --> 00:21:36,320
staring at us in our k

511
00:21:40,870 --> 00:21:37,679
in our camp

512
00:21:43,270 --> 00:21:40,880
i started to really freak out i saw dad

513
00:21:45,669 --> 00:21:43,280

grab these 270

514

00:21:47,110 --> 00:21:45,679

and out of its case and it was

515

00:21:50,149 --> 00:21:47,120

it was loading it when the things

516

00:21:52,310 --> 00:21:50,159

started to slowly move towards us

517

00:21:54,789 --> 00:21:52,320

and dad being cautious it wasn't just

518

00:21:56,870 --> 00:21:54,799

people fired a shot into the air to warn

519

00:21:58,870 --> 00:21:56,880

them

520

00:22:00,710 --> 00:21:58,880

a side note he says central northern

521

00:22:03,029 --> 00:22:00,720

territory is scary because a lot of

522

00:22:04,549 --> 00:22:03,039

people have been just straight up

523

00:22:07,190 --> 00:22:04,559

bushwhacked there

524

00:22:09,830 --> 00:22:07,200

so he can understand his caution

525

00:22:12,470 --> 00:22:09,840

they ignored dad and kept coming faster

526

00:22:14,710 --> 00:22:12,480

he bolted in a new round

527

00:22:17,590 --> 00:22:14,720

and said oy stop

528

00:22:19,590 --> 00:22:17,600

and fired at one of the creatures

529

00:22:22,149 --> 00:22:19,600

it slumped and ran off with the other

530

00:22:24,710 --> 00:22:22,159

two into the shrub

531

00:22:26,950 --> 00:22:24,720

uh my heart was pounding and i was

532

00:22:29,270 --> 00:22:26,960

paralyzed with fear

533

00:22:30,789 --> 00:22:29,280

dad came back and said uh

534

00:22:32,549 --> 00:22:30,799

to get some sleep

535

00:22:34,950 --> 00:22:32,559

and then turn on he turned on the

536

00:22:37,669 --> 00:22:34,960

floodlights on the old locks and set up

537

00:22:39,669 --> 00:22:37,679

the rest of the night

538

00:22:42,149 --> 00:22:39,679

i didn't sleep that night

539

00:22:43,190 --> 00:22:42,159

i don't know what i saw but it wasn't

540

00:22:45,669 --> 00:22:43,200

human

541

00:22:47,750 --> 00:22:45,679

i do a fair bit of cat

542

00:22:50,310 --> 00:22:47,760

work on cattle stations around north

543

00:22:52,830 --> 00:22:50,320

queensland and to do this day i refuse

544

00:22:55,270 --> 00:22:52,840

to sleep outside of a locked workers

545

00:22:57,190 --> 00:22:55,280

quarters so that's my story the hairy

546

00:22:59,190 --> 00:22:57,200

man and um

547

00:23:01,510 --> 00:22:59,200

yeah that does sound like it does sound

548

00:23:03,990 --> 00:23:01,520

like a yowie

549

00:23:06,870 --> 00:23:04,000

uh encounter maybe somewhat more

550

00:23:08,710 --> 00:23:06,880

aggressive than what we normally hear

551
00:23:12,549 --> 00:23:08,720
uh

552
00:23:15,190 --> 00:23:12,559
but who knows um

553
00:23:16,549 --> 00:23:15,200
lisa carson asks i thought these were

554
00:23:19,909 --> 00:23:16,559
interviews

555
00:23:21,029 --> 00:23:19,919
is he just reading random encounters

556
00:23:22,070 --> 00:23:21,039
uh

557
00:23:25,190 --> 00:23:22,080
you know

558
00:23:27,909 --> 00:23:25,200
sometimes i i have encounters uh to read

559
00:23:29,430 --> 00:23:27,919
and sometimes i have a uh

560
00:23:31,350 --> 00:23:29,440
interviews that i'm getting involved

561
00:23:32,789 --> 00:23:31,360
with you know i'm gonna actually do a

562
00:23:34,070 --> 00:23:32,799
whole lot of different things in these

563
00:23:37,510 --> 00:23:34,080

series

564

00:23:38,710 --> 00:23:37,520

so uh you know we have cases and such

565

00:23:41,110 --> 00:23:38,720

and uh

566

00:23:42,870 --> 00:23:41,120

occasionally i will do an actual case or

567

00:23:48,789 --> 00:23:42,880

read um

568

00:23:53,590 --> 00:23:50,149

so the uh

569

00:23:55,590 --> 00:23:53,600

next the next report

570

00:23:57,430 --> 00:23:55,600

several younger members of a family

571

00:23:59,269 --> 00:23:57,440

living in rural eastern tennessee

572

00:24:00,950 --> 00:23:59,279

encounter what could only be described

573

00:24:02,950 --> 00:24:00,960

as a mothman

574

00:24:06,070 --> 00:24:02,960

the incident has fairly affected the

575

00:24:08,789 --> 00:24:06,080

family for over a decade

576

00:24:11,190 --> 00:24:08,799

uh now i received this uh and like all

577

00:24:13,590 --> 00:24:11,200

these cases i've had them forward to me

578

00:24:15,830 --> 00:24:13,600

or i've um

579

00:24:17,510 --> 00:24:15,840

or you know there i have talked to the

580

00:24:18,630 --> 00:24:17,520

witnesses

581

00:24:20,789 --> 00:24:18,640

so

582

00:24:22,870 --> 00:24:20,799

it was the witness states that once when

583

00:24:24,950 --> 00:24:22,880

my family and i were living with my aunt

584

00:24:27,350 --> 00:24:24,960

and her family in

585

00:24:29,590 --> 00:24:27,360

mcminn county tennessee

586

00:24:31,269 --> 00:24:29,600

my brother and older cousins swear they

587

00:24:33,350 --> 00:24:31,279

saw the mothman

588

00:24:36,230 --> 00:24:33,360

now my aunt uncle mom were going to the

589

00:24:37,909 --> 00:24:36,240

store around 8 pm one night and i not

590

00:24:39,750 --> 00:24:37,919

wanting to be stuck in the house with my

591

00:24:41,430 --> 00:24:39,760

brother male cousin

592

00:24:43,510 --> 00:24:41,440

and their two male friends went with the

593

00:24:46,870 --> 00:24:43,520

adults

594

00:24:49,029 --> 00:24:46,880

we we had been gone at most two hours

595

00:24:50,870 --> 00:24:49,039

and when we pulled into the driveway all

596

00:24:52,549 --> 00:24:50,880

four boys sprinted out of the house

597

00:24:54,870 --> 00:24:52,559

terrified

598

00:24:57,430 --> 00:24:54,880

two of them had shotguns and immediately

599

00:24:58,710 --> 00:24:57,440

our parents demanded to know what had

600

00:25:01,029 --> 00:24:58,720

happened

601
00:25:03,190 --> 00:25:01,039
this group of boys from the ages of 10

602
00:25:06,070 --> 00:25:03,200
to 14 were in tears

603
00:25:07,990 --> 00:25:06,080
all trying to explain at once

604
00:25:09,750 --> 00:25:08,000
eventually we got them to calm down

605
00:25:11,430 --> 00:25:09,760
enough to understand

606
00:25:13,590 --> 00:25:11,440
what they were saying

607
00:25:15,430 --> 00:25:13,600
now for reference my aunt and uncle's

608
00:25:17,430 --> 00:25:15,440
home is in a very rural area in the

609
00:25:19,590 --> 00:25:17,440
appalachian mountains

610
00:25:21,830 --> 00:25:19,600
they have a bit of woods in a creek we

611
00:25:23,750 --> 00:25:21,840
can see from the back porch and there's

612
00:25:26,070 --> 00:25:23,760
a fire pit halfway between the porch and

613
00:25:28,710 --> 00:25:26,080

the creek so anyway

614

00:25:31,590 --> 00:25:28,720

the boys said they um opened the sliding

615

00:25:33,590 --> 00:25:31,600

black black excuse me sliding back door

616

00:25:36,549 --> 00:25:33,600

and sat with their feet hanging out

617

00:25:39,590 --> 00:25:36,559

because they wanted a breeze

618

00:25:41,590 --> 00:25:39,600

uh then my brother noticed two red eyes

619

00:25:43,110 --> 00:25:41,600

glowing in the dark

620

00:25:44,950 --> 00:25:43,120

all being hunters they weren't

621

00:25:48,789 --> 00:25:44,960

frightened at first thinking it might be

622

00:25:50,549 --> 00:25:48,799

an animal but then they looked harder

623

00:25:53,669 --> 00:25:50,559

than they knew it wasn't

624

00:25:55,269 --> 00:25:53,679

it was shaped like a large man

625

00:25:57,190 --> 00:25:55,279

and casually

626
00:25:59,350 --> 00:25:57,200
leaned against the tree it was standing

627
00:26:01,669 --> 00:25:59,360
next to and waved

628
00:26:02,789 --> 00:26:01,679
the boys started to freak out and right

629
00:26:05,269 --> 00:26:02,799
before

630
00:26:07,350 --> 00:26:05,279
two of them went to get their guns it

631
00:26:09,430 --> 00:26:07,360
jumped and revealed large wings that

632
00:26:11,830 --> 00:26:09,440
spanned the width of its arms

633
00:26:12,710 --> 00:26:11,840
and it flew mere feet above the ground

634
00:26:15,190 --> 00:26:12,720
to this

635
00:26:17,430 --> 00:26:15,200
to stand by the fire pit

636
00:26:19,590 --> 00:26:17,440
my brother said he didn't move and that

637
00:26:21,190 --> 00:26:19,600
he and the creature locked eyes and he

638
00:26:23,190 --> 00:26:21,200

was paralyzed

639

00:26:25,830 --> 00:26:23,200

and by the time our cousin and their

640

00:26:27,510 --> 00:26:25,840

friend came back with the dual shotguns

641

00:26:29,110 --> 00:26:27,520

it was gone

642

00:26:31,029 --> 00:26:29,120

my brother said it was

643

00:26:32,710 --> 00:26:31,039

it was there and in the blink of an eye

644

00:26:33,510 --> 00:26:32,720

it just wasn't

645

00:26:37,430 --> 00:26:33,520

they

646

00:26:38,549 --> 00:26:37,440

the back door and huddled in the living

647

00:26:40,070 --> 00:26:38,559

room until

648

00:26:42,149 --> 00:26:40,080

parents got back

649

00:26:43,510 --> 00:26:42,159

now mind you these boys don't scare

650

00:26:44,630 --> 00:26:43,520

easily they've been hunting most of

651
00:26:46,789 --> 00:26:44,640
their lives

652
00:26:49,590 --> 00:26:46,799
they've killed deer bears wild boar

653
00:26:52,710 --> 00:26:49,600
pretty much any animal

654
00:26:56,230 --> 00:26:52,720
that could kill you 10 times ever

655
00:26:58,230 --> 00:26:56,240
these boys were more were mortified i'm

656
00:26:59,990 --> 00:26:58,240
i'm not sure if any of them even slept

657
00:27:02,549 --> 00:27:00,000
that night they they weren't all right

658
00:27:04,470 --> 00:27:02,559
for a few weeks after that

659
00:27:06,470 --> 00:27:04,480
it's been almost 10 years since this

660
00:27:09,190 --> 00:27:06,480
happened and to this day but my brother

661
00:27:11,750 --> 00:27:09,200
and her cousin won't joke about it they

662
00:27:14,630 --> 00:27:11,760
get nervous anytime it's brought up and

663
00:27:23,750 --> 00:27:14,640

demand that we please do not talk about

664

00:27:28,549 --> 00:27:26,549

any moonshining going on possibly

665

00:27:33,430 --> 00:27:28,559

uh i don't know that wasn't part of the

666

00:27:33,440 --> 00:27:35,990

uh

667

00:27:40,389 --> 00:27:38,470

a creek indian father and his son she

668

00:27:41,669 --> 00:27:40,399

checked out a ruckus one night among

669

00:27:43,430 --> 00:27:41,679

their cattle

670

00:27:45,669 --> 00:27:43,440

they later staked out the area and

671

00:27:49,669 --> 00:27:45,679

discovered a bigfoot that the father

672

00:27:52,630 --> 00:27:49,679

believes is the legendary man eater

673

00:27:57,190 --> 00:27:54,630

now this was this was sent directly to

674

00:27:59,830 --> 00:27:57,200

me hello sir a friend of mine related

675

00:28:01,909 --> 00:27:59,840

this story to me a few years ago

676
00:28:04,149 --> 00:28:01,919
while we were bow hunting in garfield

677
00:28:06,789 --> 00:28:04,159
county oklahoma

678
00:28:08,870 --> 00:28:06,799
our friend is half creek indian

679
00:28:11,750 --> 00:28:08,880
his father's full blood and his mother

680
00:28:13,990 --> 00:28:11,760
was of irish descent

681
00:28:16,389 --> 00:28:14,000
his family lived on a farm way out in

682
00:28:19,269 --> 00:28:16,399
osage county

683
00:28:21,029 --> 00:28:19,279
his father owned some land back west in

684
00:28:23,110 --> 00:28:21,039
garfield county but the ground wasn't

685
00:28:24,870 --> 00:28:23,120
producing wheat very well so they leased

686
00:28:26,710 --> 00:28:24,880
the place out in the massage to run

687
00:28:28,630 --> 00:28:26,720
cattle on

688
00:28:30,870 --> 00:28:28,640

they had a quarter section of open

689

00:28:33,990 --> 00:28:30,880

meadow that was used for their feed in a

690

00:28:36,630 --> 00:28:34,000

quarter section of densely wooded land

691

00:28:39,990 --> 00:28:36,640

the wooded area almost surrounded the

692

00:28:43,190 --> 00:28:40,000

entire area now before daylight

693

00:28:45,350 --> 00:28:43,200

one october morning my friend wuk with a

694

00:28:47,110 --> 00:28:45,360

start to his father's voice telling him

695

00:28:50,470 --> 00:28:47,120

to get up immediately

696

00:28:52,070 --> 00:28:50,480

and get dressed he reluctantly obeyed

697

00:28:54,389 --> 00:28:52,080

he walked into the kitchen where his

698

00:28:56,950 --> 00:28:54,399

father already had a carbide light lit

699

00:28:59,110 --> 00:28:56,960

and was waiting at the door

700

00:29:01,190 --> 00:28:59,120

his father shoved the light at my

701
00:29:03,190 --> 00:29:01,200
friend's hand and at the same time

702
00:29:05,590 --> 00:29:03,200
hitting him in the 30-30

703
00:29:07,830 --> 00:29:05,600
something's running the cattle

704
00:29:09,590 --> 00:29:07,840
his father had the lantern

705
00:29:11,669 --> 00:29:09,600
in a 30-odd six

706
00:29:15,430 --> 00:29:11,679
now this was the early 1930s before

707
00:29:19,110 --> 00:29:17,430
now walking at a brisk pace they headed

708
00:29:20,470 --> 00:29:19,120
in the direction the cattle were moving

709
00:29:22,789 --> 00:29:20,480
away from

710
00:29:24,389 --> 00:29:22,799
they crossed the fence and walked on the

711
00:29:26,470 --> 00:29:24,399
outside in case the cattle were

712
00:29:27,909 --> 00:29:26,480
flustered towards them

713
00:29:29,350 --> 00:29:27,919

they were getting ready to round the

714

00:29:31,350 --> 00:29:29,360

corner of the fencing when something

715

00:29:35,029 --> 00:29:31,360

caught their eye

716

00:29:37,430 --> 00:29:35,039

a tuft of reddish brown fur at the top

717

00:29:39,430 --> 00:29:37,440

on the top strand of the five stranded

718

00:29:41,350 --> 00:29:39,440

barbed wire fence

719

00:29:43,590 --> 00:29:41,360

as they approached they could barely see

720

00:29:45,350 --> 00:29:43,600

some blood on the ground on both sides

721

00:29:47,350 --> 00:29:45,360

of the fence

722

00:29:52,070 --> 00:29:47,360

they were preparing to head into the

723

00:29:54,230 --> 00:29:52,080

edge when that they heard a heavy thud

724

00:29:56,870 --> 00:29:54,240

10 yards in front of them the remains of

725

00:29:59,830 --> 00:29:56,880

a calf lay on the ground

726
00:30:02,549 --> 00:29:59,840
his dad detected movement behind a tree

727
00:30:05,029 --> 00:30:02,559
he raised his rifle and fired

728
00:30:08,310 --> 00:30:05,039
something large and brown stood on two

729
00:30:10,950 --> 00:30:08,320
legs and ran off through the bush uh

730
00:30:12,710 --> 00:30:10,960
toward the back property

731
00:30:14,950 --> 00:30:12,720
they listened to it until it was no

732
00:30:17,430 --> 00:30:14,960
longer audible now his father put out

733
00:30:19,990 --> 00:30:17,440
his lantern and swore

734
00:30:22,470 --> 00:30:20,000
the helmets ran back to the house

735
00:30:24,470 --> 00:30:22,480
at daybreak his mother was sent into

736
00:30:26,870 --> 00:30:24,480
town and told to stay there with a

737
00:30:29,990 --> 00:30:26,880
friend until they came for her

738
00:30:31,909 --> 00:30:30,000

now just before nightfall

739

00:30:33,750 --> 00:30:31,919

they both climbed a big oak about 30

740

00:30:35,029 --> 00:30:33,760

yards from the house

741

00:30:36,950 --> 00:30:35,039

they waited

742

00:30:39,590 --> 00:30:36,960

sure enough about an hour after dark

743

00:30:41,590 --> 00:30:39,600

something started moving in

744

00:30:43,590 --> 00:30:41,600

they could hear it walking in behind

745

00:30:45,830 --> 00:30:43,600

them now every now and again they could

746

00:30:48,230 --> 00:30:45,840

hear it stop and sort of snort like it

747

00:30:50,310 --> 00:30:48,240

was smelling the air

748

00:30:52,389 --> 00:30:50,320

the night had become overcast and a

749

00:30:54,070 --> 00:30:52,399

little breeze had kicked up

750

00:30:56,230 --> 00:30:54,080

they waited

751
00:30:59,110 --> 00:30:56,240
soon they could make out a dark figure

752
00:31:01,750 --> 00:30:59,120
breaking the tree line about 25 yards

753
00:31:04,549 --> 00:31:01,760
away it stopped raised up

754
00:31:06,870 --> 00:31:04,559
on two legs and sniffed the air

755
00:31:09,990 --> 00:31:06,880
was barely visible in the inky blackness

756
00:31:12,470 --> 00:31:10,000
his dad had given him very specific

757
00:31:15,509 --> 00:31:12,480
instructions not to shoot anything until

758
00:31:17,269 --> 00:31:15,519
they knew for sure what it was

759
00:31:19,750 --> 00:31:17,279
the creature approached the house and

760
00:31:21,590 --> 00:31:19,760
peered into one of the windows

761
00:31:23,430 --> 00:31:21,600
after a moment it dropped down on all

762
00:31:25,509 --> 00:31:23,440
fours and moved over to the next window

763
00:31:27,430 --> 00:31:25,519

where it stood up on two legs and peered

764

00:31:29,590 --> 00:31:27,440

in again

765

00:31:32,070 --> 00:31:29,600

this time my friend

766

00:31:35,029 --> 00:31:32,080

caught a good look at us this added

767

00:31:37,750 --> 00:31:35,039

silhouetted against the the window

768

00:31:40,149 --> 00:31:37,760

it was six to seven feet tall

769

00:31:41,750 --> 00:31:40,159

and was way wider than the 24-inch

770

00:31:44,310 --> 00:31:41,760

window

771

00:31:47,350 --> 00:31:44,320

it had virtually no neck more like a

772

00:31:49,190 --> 00:31:47,360

large bump between his shoulders

773

00:31:51,269 --> 00:31:49,200

it had dark brown hair like cinnamon

774

00:31:53,029 --> 00:31:51,279

black bear

775

00:31:55,190 --> 00:31:53,039

my friend raised his rifle and his

776
00:31:57,909 --> 00:31:55,200
father pushed the gun down slowly and

777
00:31:59,509 --> 00:31:57,919
solemnly shook his head

778
00:32:01,909 --> 00:31:59,519
after what seemed like forever the

779
00:32:03,909 --> 00:32:01,919
creature moved into the woods

780
00:32:06,470 --> 00:32:03,919
they waited until dawn

781
00:32:08,230 --> 00:32:06,480
to climb down his father told him of a

782
00:32:09,830 --> 00:32:08,240
wood spirit

783
00:32:11,909 --> 00:32:09,840
that would come and carry all children

784
00:32:13,909 --> 00:32:11,919
from the tribe in the night

785
00:32:15,509 --> 00:32:13,919
his father believed that this was one of

786
00:32:17,269 --> 00:32:15,519
them

787
00:32:18,389 --> 00:32:17,279
they packed a few belongings hitched the

788
00:32:20,950 --> 00:32:18,399

horses

789

00:32:23,110 --> 00:32:20,960

and drove a few cattle away

790

00:32:25,110 --> 00:32:23,120

my friend never saw that farm again many

791

00:32:26,230 --> 00:32:25,120

years later his father explained that

792

00:32:28,630 --> 00:32:26,240

the creature

793

00:32:30,310 --> 00:32:28,640

they had seen was smart or violent and

794

00:32:32,630 --> 00:32:30,320

terrible

795

00:32:34,870 --> 00:32:32,640

his father couldn't remember what it was

796

00:32:37,029 --> 00:32:34,880

called in creek though

797

00:32:39,750 --> 00:32:37,039

my friend told me that to this day he'll

798

00:32:42,310 --> 00:32:39,760

never get his father's words my son

799

00:32:43,909 --> 00:32:42,320

never ever shoot at that creature it

800

00:32:45,830 --> 00:32:43,919

will kill you

801
00:32:47,350 --> 00:32:45,840
every time i remember the story i still

802
00:32:48,870 --> 00:32:47,360
get goosebumps

803
00:32:52,149 --> 00:32:48,880
i started to do a little internet

804
00:32:54,630 --> 00:32:52,159
research and found a creek legend about

805
00:32:58,070 --> 00:32:54,640
a man eating hairy gorilla-like creature

806
00:32:59,750 --> 00:32:58,080
called kaloa

807
00:33:01,669 --> 00:32:59,760
and um

808
00:33:03,590 --> 00:33:01,679
i i checked it as well in the yeah the

809
00:33:04,950 --> 00:33:03,600
kahlua

810
00:33:08,070 --> 00:33:04,960
is is a

811
00:33:11,190 --> 00:33:08,080
creek legend it's actually the chloe

812
00:33:13,509 --> 00:33:11,200
means tall man so

813
00:33:16,310 --> 00:33:13,519

apparently that um

814

00:33:18,549 --> 00:33:16,320

maybe this is what they saw i don't know

815

00:33:21,110 --> 00:33:18,559

but that's quite an interesting story i

816

00:33:22,070 --> 00:33:21,120

um you know in that part osage county

817

00:33:23,669 --> 00:33:22,080

actually

818

00:33:26,630 --> 00:33:23,679

is pretty

819

00:33:28,870 --> 00:33:26,640

has a lot of bigfoot settings it has for

820

00:33:31,190 --> 00:33:28,880

many years well known

821

00:33:33,029 --> 00:33:31,200

for bigfoot sightings

822

00:33:35,509 --> 00:33:33,039

um

823

00:33:40,070 --> 00:33:35,519

vincent wants to know do you think the

824

00:33:40,080 --> 00:33:45,110

yeah i i think they can be um

825

00:33:49,269 --> 00:33:46,710

i i think

826
00:33:51,509 --> 00:33:49,279
when you when you see supernatural i i

827
00:33:52,789 --> 00:33:51,519
think there's a possibility that

828
00:33:55,029 --> 00:33:52,799
some may be

829
00:33:57,029 --> 00:33:55,039
interdimensional beings is that

830
00:34:00,389 --> 00:33:57,039
supernatural sure it could be

831
00:34:01,509 --> 00:34:00,399
but i think they are flesh and blood

832
00:34:04,710 --> 00:34:01,519
um

833
00:34:06,789 --> 00:34:04,720
many of the indigenous people

834
00:34:08,629 --> 00:34:06,799
thought the bigfoot or the hairy man or

835
00:34:10,950 --> 00:34:08,639
whatever you want to call it were or

836
00:34:12,869 --> 00:34:10,960
spirits

837
00:34:13,990 --> 00:34:12,879
[Music]

838
00:34:16,389 --> 00:34:14,000

especially

839

00:34:17,909 --> 00:34:16,399

and i i know from the local

840

00:34:19,669 --> 00:34:17,919

tribes from this area here in

841

00:34:24,230 --> 00:34:19,679

pennsylvania

842

00:34:26,310 --> 00:34:24,240

the shawnee and the uh the delaware

843

00:34:29,349 --> 00:34:26,320

thought that they were um that they were

844

00:34:32,230 --> 00:34:29,359

some type of wood spirit or such

845

00:34:34,629 --> 00:34:32,240

so uh yeah but i think you know

846

00:34:35,829 --> 00:34:34,639

supernatural in that degree yeah

847

00:34:37,510 --> 00:34:35,839

absolutely

848

00:34:39,909 --> 00:34:37,520

have you heard of other men eating

849

00:34:41,669 --> 00:34:39,919

bigfoot creatures

850

00:34:46,470 --> 00:34:41,679

there have been

851
00:34:48,470 --> 00:34:46,480
uh occasionally uh you hear about

852
00:34:51,030 --> 00:34:48,480
something like that

853
00:34:51,990 --> 00:34:51,040
especially older stories

854
00:34:54,790 --> 00:34:52,000
where

855
00:34:56,149 --> 00:34:54,800
groups of bigfoot may

856
00:34:57,510 --> 00:34:56,159
uh

857
00:35:00,470 --> 00:34:57,520
may attack

858
00:35:02,230 --> 00:35:00,480
a logging camp or a mining camp

859
00:35:04,069 --> 00:35:02,240
that has happened or supposedly it

860
00:35:06,150 --> 00:35:04,079
happened in the past

861
00:35:08,710 --> 00:35:06,160
we've heard stories of bigfoot chasing

862
00:35:10,950 --> 00:35:08,720
people out of their territory

863
00:35:13,750 --> 00:35:10,960

uh

864

00:35:14,829 --> 00:35:13,760

would the attack kill and devour a human

865

00:35:20,150 --> 00:35:14,839

i don't

866

00:35:21,589 --> 00:35:20,160

have any evidence that that has happened

867

00:35:25,190 --> 00:35:21,599

but uh

868

00:35:25,200 --> 00:35:37,510

anybody else got any questions

869

00:35:43,829 --> 00:35:40,470

do you think the 4-1 missing 4-1-1 could

870

00:35:45,270 --> 00:35:43,839

be bigfoot i don't know you know early

871

00:35:47,430 --> 00:35:45,280

on when

872

00:35:49,829 --> 00:35:47,440

david pilates started talking about the

873

00:35:51,990 --> 00:35:49,839

missing 401 one i thought a lot of it

874

00:35:56,310 --> 00:35:52,000

could have been bigfoot

875

00:36:01,030 --> 00:35:57,990

i i believe there there are other

876

00:36:02,630 --> 00:36:01,040

factors involved um portals of some type

877

00:36:05,589 --> 00:36:02,640

opening up

878

00:36:07,190 --> 00:36:05,599

uh people just disappearing uh i don't

879

00:36:09,109 --> 00:36:07,200

necessarily believe that there's some

880

00:36:13,030 --> 00:36:09,119

type of being

881

00:36:17,030 --> 00:36:15,510

was it extraterrestrial abduction some

882

00:36:18,069 --> 00:36:17,040

type possibly

883

00:36:20,870 --> 00:36:18,079

i i think there are a lot of

884

00:36:25,589 --> 00:36:20,880

possibilities but

885

00:36:25,599 --> 00:36:29,349

any other questions

886

00:36:33,910 --> 00:36:32,069

missing four one one equals dog man i

887

00:36:39,030 --> 00:36:33,920

don't know

888

00:36:42,790 --> 00:36:40,470

so okay

889

00:36:48,870 --> 00:36:46,150

look folks this week we have a really

890

00:36:51,990 --> 00:36:48,880

interesting

891

00:36:55,829 --> 00:36:52,000

show on friday we have uh lee hampel is

892

00:36:58,870 --> 00:36:55,839

going to be on he's um

897

00:37:12,710 --> 00:37:09,359

lot of evidence

898

00:37:14,790 --> 00:37:12,720

and a few strange experiences and

899

00:37:16,790 --> 00:37:14,800
