6
00:00:27,109 --> 00:00:24,560

even the devil was an angel once

00:00:28,830 --> 00:00:27,119

the world has its own rules

8
00:00:32,229 --> 00:00:28,840

and these rules are not

9
00:00:35,190 --> 00:00:32,239

human some of us seek answers to the

10
00:00:37,190 --> 00:00:35,200

origin and existence of cryptids in the

11
00:00:40,549 --> 00:00:37,200

unexplained

12
00:00:42,869 --> 00:00:40,559

join us as we venture beyond the known

13
00:00:45,029 --> 00:00:42,879

and accepted boundaries

14

00:00:51,180 --> 00:00:45,039

35
00:01:44,469 --> 00:01:42,640
steve stockton is a veteran outdoorsman

and paranormal researcher who puts

37
00:01:49,190 --> 00:01:46,799
together collections of terrifying odd

38
00:01:51,109 --> 00:01:49,200

and strange encounters

39

00:01:53,270 --> 00:01:51,119

he also references his own personal

40

00:01:54,710 --> 00:01:53,280

encounters with the unexplained steve

41

00:01:56,789 --> 00:01:54,720

studied english language at the

42

00:01:59,350 --> 00:01:56,799

university of tennessee knoxville and

43

00:02:01,429 --> 00:01:59,360

lives in portland oregon

44

00:02:03,670 --> 00:02:01,439

his books include strange things in the

45

00:02:06,149 --> 00:02:03,680

woods a collection of terrifying tales

46

00:02:08,309 --> 00:02:06,159

in my strange world

47

00:02:09,910 --> 00:02:08,319

his most recent series is titled

48

00:02:11,589 --> 00:02:09,920

national park mysteries and

49

00:02:13,990 --> 00:02:11,599

disappearances

50

00:02:17,190 --> 00:02:14,000

and it's a three volume series

51
00:02:18,869 --> 00:02:17,200
uh from his early years steve has had

52
00:02:21,270 --> 00:02:18,879
what can be called strange and

53
00:02:24,070 --> 00:02:21,280
oftentimes frightening experiences

54
00:02:25,990 --> 00:02:24,080
with the paranormal and unexplained

55
00:02:28,229 --> 00:02:26,000
these encounters led him to search for

56
00:02:30,390 --> 00:02:28,239
the answers only to discover the truth

57
00:02:33,190 --> 00:02:30,400
isn't easy to find

58
00:02:35,030 --> 00:02:33,200
in his book my strange world is a

59
00:02:36,470 --> 00:02:35,040
collection of steve's encounters from

60
00:02:38,470 --> 00:02:36,480
his personal life

61
00:02:40,390 --> 00:02:38,480
as well as his life as a renowned

62
00:02:42,790 --> 00:02:40,400
paranormal researcher

63
00:02:44,630 --> 00:02:42,800

if you like scary stories and take and

64

00:02:46,390 --> 00:02:44,640

to take a trip down the road of the

65

00:02:48,630 --> 00:02:46,400

unexplained and bizarre

66

00:02:51,910 --> 00:02:48,640

then buckle up and get ready to dive

67

00:02:53,430 --> 00:02:51,920

into strange world of steve stockton so

68

00:02:54,949 --> 00:02:53,440

steve

69

00:02:57,430 --> 00:02:54,959

it's been a while so thanks for coming

70

00:02:58,710 --> 00:02:57,440

on tonight my pleasure a lot always

71

00:03:00,149 --> 00:02:58,720

happy to be here it's been yeah i've

72

00:03:01,430 --> 00:03:00,159

been a year and a half two years

73

00:03:02,869 --> 00:03:01,440

something like that i didn't realize

74

00:03:04,949 --> 00:03:02,879

it's been that long

75

00:03:10,550 --> 00:03:04,959

well i mean it's been uh it was before

76
00:03:15,509 --> 00:03:12,309
and you know it's a strange fascination

77
00:03:17,190 --> 00:03:15,519
everybody has with that phenomenon

78
00:03:19,430 --> 00:03:17,200
um of course with

79
00:03:22,869 --> 00:03:19,440
david pilates writing the

80
00:03:24,789 --> 00:03:22,879
the missing 4-1-1 series and uh then

81
00:03:26,630 --> 00:03:24,799
some of the other weird stuff that

82
00:03:29,589 --> 00:03:26,640
people come up with

83
00:03:30,710 --> 00:03:29,599
uh occasionally i'll get a story or two

84
00:03:33,430 --> 00:03:30,720
as well

85
00:03:36,149 --> 00:03:33,440
but let me ask you what is it

86
00:03:39,270 --> 00:03:36,159
about national parks

87
00:03:41,110 --> 00:03:39,280
that you know causes or is uh conducive

88
00:03:42,949 --> 00:03:41,120

to this type of activity

89

00:03:45,589 --> 00:03:42,959

yeah well i think the main thing it's

90

00:03:46,710 --> 00:03:45,599

it's wilderness and a lot of it

91

00:03:48,309 --> 00:03:46,720

and uh

92

00:03:49,589 --> 00:03:48,319

it's just it's one of the things that's

93

00:03:51,270 --> 00:03:49,599

you know there's a lot of visitors

94

00:03:53,350 --> 00:03:51,280

smokey mountains uh great smoky

95

00:03:55,110 --> 00:03:53,360

mountains national park even during the

96

00:03:57,110 --> 00:03:55,120

the lockdown and stuff it had over 12

97

00:03:59,350 --> 00:03:57,120

million visitors so it's a place where a

98

00:04:01,750 --> 00:03:59,360

lot of people go and a lot of things can

99

00:04:04,470 --> 00:04:01,760

go wrong there's natural things that can

100

00:04:07,270 --> 00:04:04,480

kill you up there you can fall you can

101
00:04:09,190 --> 00:04:07,280
get attacked by animals but then there's

102
00:04:11,509 --> 00:04:09,200
you know a dark side to these national

103
00:04:13,670 --> 00:04:11,519
parks too where people just literally

104
00:04:15,589 --> 00:04:13,680
go missing without a trace

105
00:04:17,670 --> 00:04:15,599
and uh there's there's a lot of theories

106
00:04:19,349 --> 00:04:17,680
you know that something's taking people

107
00:04:24,310 --> 00:04:19,359
or something

108
00:04:26,469 --> 00:04:24,320
killers maybe but if

109
00:04:28,790 --> 00:04:26,479
there are they they're 100 percent

110
00:04:30,150 --> 00:04:28,800
effective at what they do

111
00:04:32,230 --> 00:04:30,160
to be able to take somebody and not

112
00:04:33,350 --> 00:04:32,240
leave any kind of physical or forensic

113
00:04:35,430 --> 00:04:33,360

evidence

114

00:04:37,030 --> 00:04:35,440

no eyewitnesses anything like that so

115

00:04:38,870 --> 00:04:37,040

there's a supernatural element that

116

00:04:41,189 --> 00:04:38,880

plays into it as well and that's that's

117

00:04:43,030 --> 00:04:41,199

what fascinates me now there's a lot of

118

00:04:45,350 --> 00:04:43,040

different theories there's

119

00:04:46,469 --> 00:04:45,360

of course bigfoot there's aliens uh the

120

00:04:49,030 --> 00:04:46,479

faithful

121

00:04:52,070 --> 00:04:49,040

portals uh time slips or glitches a

122

00:04:54,230 --> 00:04:52,080

little bit of everything

123

00:04:56,870 --> 00:04:54,240

well you know and i'm familiar with the

124

00:04:58,629 --> 00:04:56,880

apple each is about more more than any

125

00:05:00,629 --> 00:04:58,639

other national park for the most part

126
00:05:01,830 --> 00:05:00,639
and especially with smoky mountain but

127
00:05:05,749 --> 00:05:01,840
uh

128
00:05:07,110 --> 00:05:05,759
stuff does happen along that and of

129
00:05:09,270 --> 00:05:07,120
course with the appalachian trail

130
00:05:11,670 --> 00:05:09,280
running up right across it

131
00:05:13,830 --> 00:05:11,680
and uh a lot of the weird stuff that

132
00:05:15,270 --> 00:05:13,840
people see on that trail and experience

133
00:05:17,670 --> 00:05:15,280
on that trail

134
00:05:19,430 --> 00:05:17,680
uh it it just seems to be

135
00:05:21,350 --> 00:05:19,440
a place for a lot of weird things

136
00:05:23,590 --> 00:05:21,360
happening yeah a lot of places that the

137
00:05:25,430 --> 00:05:23,600
at passes through like you're saying

138
00:05:26,390 --> 00:05:25,440

even the towns are a little ways off the

139

00:05:28,310 --> 00:05:26,400

trail

140

00:05:29,830 --> 00:05:28,320

cryptids hauntings a little bit of this

141

00:05:32,230 --> 00:05:29,840

and that it just seems to follow the

142

00:05:33,270 --> 00:05:32,240

trail and the trail followed it almost

143

00:05:34,950 --> 00:05:33,280

like uh

144

00:05:36,150 --> 00:05:34,960

what they have in the great britain with

145

00:05:39,110 --> 00:05:36,160

the ley lines you know where these

146

00:05:41,670 --> 00:05:39,120

points kind of line up on a map i found

147

00:05:43,350 --> 00:05:41,680

that true with the at

148

00:05:44,469 --> 00:05:43,360

depending on which end you start on it

149

00:05:46,629 --> 00:05:44,479

runs from

150

00:05:48,150 --> 00:05:46,639

maine to georgia i've never through

151
00:05:49,749 --> 00:05:48,160
hiked it i've always wanted to i've

152
00:05:51,270 --> 00:05:49,759
hiked on it in

153
00:05:52,469 --> 00:05:51,280
every state that it goes through except

154
00:05:54,550 --> 00:05:52,479
for maine

155
00:05:56,790 --> 00:05:54,560
but uh there's some strange places out

156
00:05:59,029 --> 00:05:56,800
there in the woods and strange things

157
00:06:01,189 --> 00:05:59,039
happen unexplainable things

158
00:06:03,350 --> 00:06:01,199
inexplicable however you want to say it

159
00:06:04,710 --> 00:06:03,360
but it's uh it's an interesting place

160
00:06:07,029 --> 00:06:04,720
and it's not that much different out

161
00:06:07,909 --> 00:06:07,039
here since i moved west about 15 years

162
00:06:10,150 --> 00:06:07,919
ago

163
00:06:11,909 --> 00:06:10,160

i've been on the pacific crest trail

164

00:06:13,590 --> 00:06:11,919

some of those out here

165

00:06:16,150 --> 00:06:13,600

run into a lot of the same things

166

00:06:18,150 --> 00:06:16,160

yosemite even though it gets fewer

167

00:06:21,510 --> 00:06:18,160

visitors it has more missing people than

168

00:06:22,950 --> 00:06:21,520

the great smokies is that right yeah i

169

00:06:23,749 --> 00:06:22,960

didn't realize it

170

00:06:26,070 --> 00:06:23,759

yeah

171

00:06:28,469 --> 00:06:26,080

yosemite's uh the top 10 missing people

172

00:06:30,469 --> 00:06:28,479

i don't know the exact number but it's

173

00:06:32,390 --> 00:06:30,479

it's uh quite a bit and then uh i was

174

00:06:34,150 --> 00:06:32,400

just up on mount rainier

175

00:06:35,830 --> 00:06:34,160

this past week there's a lot of people i

176

00:06:37,350 --> 00:06:35,840

think there's currently six

177

00:06:39,110 --> 00:06:37,360

missing and unaccounted for up there

178

00:06:40,390 --> 00:06:39,120

some of them been that way for a long

179

00:06:42,150 --> 00:06:40,400

time

180

00:06:43,590 --> 00:06:42,160

so

181

00:06:46,830 --> 00:06:43,600

well

182

00:06:49,830 --> 00:06:46,840

you know we hear we hear these tales

183

00:06:52,390 --> 00:06:49,840

about either two people or a couple

184

00:06:54,790 --> 00:06:52,400

people going together into a national

185

00:06:57,110 --> 00:06:54,800

park and just doing

186

00:06:58,710 --> 00:06:57,120

fishing hiking and whatever and all of a

187

00:07:00,629 --> 00:06:58,720

sudden one of them disappears i mean

188

00:07:03,110 --> 00:07:00,639

just suddenly

189

00:07:04,950 --> 00:07:03,120

what is your theory on that well that's

190

00:07:06,550 --> 00:07:04,960

that's a tough one because literally it

191

00:07:08,550 --> 00:07:06,560

can be in the blink of an eye there's

192

00:07:09,909 --> 00:07:08,560

lots of cases where literally people

193

00:07:11,189 --> 00:07:09,919

were acting together somebody maybe

194

00:07:13,749 --> 00:07:11,199

turned around to look at something

195

00:07:15,189 --> 00:07:13,759

turned back the other person's gone no

196

00:07:17,029 --> 00:07:15,199

trace they didn't hear a scream they

197

00:07:19,670 --> 00:07:17,039

didn't hear footsteps they didn't hear

198

00:07:21,749 --> 00:07:19,680

anything they're just simply gone

199

00:07:24,550 --> 00:07:21,759

and there is uh some similarities of

200

00:07:27,270 --> 00:07:24,560

people that go missing uh people wearing

201
00:07:28,469 --> 00:07:27,280
red tend to go missing more often than

202
00:07:29,909 --> 00:07:28,479
those and you wouldn't you'd think it'd

203
00:07:31,589 --> 00:07:29,919
be just the opposite you think you know

204
00:07:33,589 --> 00:07:31,599
you're wearing red people can see that

205
00:07:35,909 --> 00:07:33,599
it would be hard for you to go missing

206
00:07:37,830 --> 00:07:35,919
right but uh in some of the more famous

207
00:07:39,589 --> 00:07:37,840
uh disappearances like dennis martin

208
00:07:42,150 --> 00:07:39,599
little boy that went missing

209
00:07:43,670 --> 00:07:42,160
in the smokey's father's day 1969 he had

210
00:07:45,589 --> 00:07:43,680
on a red jacket

211
00:07:47,909 --> 00:07:45,599
there's a case i covered up in the

212
00:07:50,150 --> 00:07:47,919
bennington triangle area

213
00:07:51,510 --> 00:07:50,160

same girl in a red jacket walked around

214

00:08:01,749 --> 00:07:51,520

a

215

00:08:04,629 --> 00:08:01,759

either end of the intelligence spectrum

216

00:08:08,710 --> 00:08:04,639

phds that type people seem to go missing

217

00:08:10,550 --> 00:08:08,720

as well as people on the uh autism scale

218

00:08:12,629 --> 00:08:10,560

tend to go missing as well so it's

219

00:08:14,629 --> 00:08:12,639

almost like there's a sampling there of

220

00:08:16,629 --> 00:08:14,639

certain things that if something is

221

00:08:18,390 --> 00:08:16,639

taking a certain type of people there's

222

00:08:19,670 --> 00:08:18,400

something that they look for

223

00:08:21,830 --> 00:08:19,680

and uh

224

00:08:24,230 --> 00:08:21,840

a lot of times it'll be people that are

225

00:08:26,150 --> 00:08:24,240

fit and hardy people that are

226

00:08:27,670 --> 00:08:26,160

used to hiking to do a lot of hiking and

227

00:08:29,430 --> 00:08:27,680

people that do the

228

00:08:30,950 --> 00:08:29,440

they run marathons up some of these

229

00:08:32,310 --> 00:08:30,960

mountains there was a guy that i can't

230

00:08:34,870 --> 00:08:32,320

remember what mountain it was on off the

231

00:08:37,269 --> 00:08:34,880

top of my head but ran a marathon up the

232

00:08:39,350 --> 00:08:37,279

mountain got to the turnaround point

233

00:08:42,790 --> 00:08:39,360

started back down and they never saw him

234

00:08:45,590 --> 00:08:42,800

again oh camera glitched out there

235

00:08:47,910 --> 00:08:45,600

i disappeared for a moment but it's just

236

00:08:49,590 --> 00:08:47,920

it's there's not any one thing in

237

00:08:51,110 --> 00:08:49,600

particular it's it's like several

238

00:08:53,269 --> 00:08:51,120

different things and

239

00:08:55,350 --> 00:08:53,279

some similarities and then sometimes not

240

00:08:57,430 --> 00:08:55,360

so it's really hard to

241

00:08:59,350 --> 00:08:57,440

as a charles fort wrote one measures a

242

00:09:00,949 --> 00:08:59,360

circle beginning anywhere and that's

243

00:09:03,110 --> 00:09:00,959

kind of the way this is you can start

244

00:09:05,190 --> 00:09:03,120

with this and certain things line up and

245

00:09:06,550 --> 00:09:05,200

you can say oh well it's this and then

246

00:09:07,590 --> 00:09:06,560

maybe something else well yeah it could

247

00:09:09,670 --> 00:09:07,600

be that

248

00:09:11,590 --> 00:09:09,680

or it could be any of those things that

249

00:09:13,350 --> 00:09:11,600

i mentioned or maybe all of them i don't

250

00:09:15,269 --> 00:09:13,360

think it's any one particular thing i

251

00:09:16,870 --> 00:09:15,279

think it's a an assemblage of

252

00:09:19,990 --> 00:09:16,880

supernatural things

253

00:09:22,550 --> 00:09:20,000

uh predators both animal and human

254

00:09:25,590 --> 00:09:22,560

and then just stuff that uh like i said

255

00:09:27,110 --> 00:09:25,600

aliens or time shifts or glitches so

256

00:09:28,710 --> 00:09:27,120

that's happened too where people have

257

00:09:31,190 --> 00:09:28,720

gone missing

258

00:09:34,070 --> 00:09:31,200

and uh experienced

259

00:09:36,150 --> 00:09:34,080

like being in a different place like um

260

00:09:37,430 --> 00:09:36,160

on the trail hiking suddenly there's no

261

00:09:40,630 --> 00:09:37,440

trail

262

00:09:42,470 --> 00:09:40,640

that i was just on

263

00:09:44,150 --> 00:09:42,480

in an unfamiliar place nothing looks

264

00:09:45,110 --> 00:09:44,160

right nothing looks like it should on a

265

00:09:46,550 --> 00:09:45,120

map

266

00:09:47,829 --> 00:09:46,560

uh

267

00:09:50,470 --> 00:09:47,839

sorry i don't know what's going on with

268

00:09:51,430 --> 00:09:50,480

my camera there

269

00:09:53,430 --> 00:09:51,440

okay

270

00:09:55,110 --> 00:09:53,440

camera cream's good

271

00:09:58,790 --> 00:09:55,120

the powers to be you're trying to

272

00:10:00,150 --> 00:09:58,800

silence me here but um

273

00:10:02,630 --> 00:10:00,160

yeah it's just

274

00:10:04,150 --> 00:10:02,640

i know it's hard to fathom and then

275

00:10:06,470 --> 00:10:04,160

other people that have gone missing may

276

00:10:08,870 --> 00:10:06,480

be missing for

277

00:10:10,230 --> 00:10:08,880

several days when they come back

278

00:10:11,670 --> 00:10:10,240

they'll think they've only been missing

279

00:10:13,590 --> 00:10:11,680

for a few hours

280

00:10:15,269 --> 00:10:13,600

likewise there have been people that are

281

00:10:17,269 --> 00:10:15,279

only gone for a few hours and then when

282

00:10:19,190 --> 00:10:17,279

they're found they say well i was gone

283

00:10:22,230 --> 00:10:19,200

for days because i saw the sun rise and

284

00:10:22,949 --> 00:10:22,240

set two or three times but in reality in

285

00:10:25,829 --> 00:10:22,959

our

286

00:10:29,670 --> 00:10:25,839

timeline they were only gone for uh

287

00:10:32,150 --> 00:10:30,550

you know

288

00:10:33,750 --> 00:10:32,160

when you hear some of these accounts

289

00:10:35,750 --> 00:10:33,760

you'd have the first thing you have to

290

00:10:37,509 --> 00:10:35,760

think about and of course many people

291

00:10:39,829 --> 00:10:37,519

think it's bigfoot in

292

00:10:41,670 --> 00:10:39,839

whatever doing this you know and early

293

00:10:44,550 --> 00:10:41,680

on i thought that was possibly an

294

00:10:47,910 --> 00:10:44,560

explanation when this time has gone on

295

00:10:50,790 --> 00:10:47,920

it it seems to be more out there

296

00:10:52,710 --> 00:10:50,800

uh as you know getting closer to some

297

00:10:55,269 --> 00:10:52,720

type of abduction

298

00:10:57,269 --> 00:10:55,279

uh or portal or something that they're

299

00:10:58,389 --> 00:10:57,279

they're getting into or they're being

300

00:11:00,630 --> 00:10:58,399

taken

301

00:11:02,630 --> 00:11:00,640

uh especially if those who will talk

302

00:11:03,990 --> 00:11:02,640

about only thinking they've been going

303

00:11:06,710 --> 00:11:04,000

for a short period of time and been

304

00:11:08,389 --> 00:11:06,720

going for days yeah uh i mean i don't

305

00:11:11,190 --> 00:11:08,399

know what you think about that oh yeah

306

00:11:12,829 --> 00:11:11,200

it comes exactly in line in fact uh i

307

00:11:15,509 --> 00:11:12,839

spoke at a ufo conference in san

308

00:11:18,310 --> 00:11:15,519

francisco in march and the presentation

309

00:11:20,710 --> 00:11:18,320

i gave i tied uh

310

00:11:22,230 --> 00:11:20,720

people with abduction experiences with

311

00:11:24,389 --> 00:11:22,240

people that have gone missing and came

312

00:11:25,910 --> 00:11:24,399

back and there's dovetails there they

313

00:11:27,990 --> 00:11:25,920

fit they experienced a lot of the same

314

00:11:30,949 --> 00:11:28,000

things they saw a lot of the same things

315

00:11:32,790 --> 00:11:30,959

uh the time loss and things like that

316

00:11:35,110 --> 00:11:32,800

being in a different place or some place

317

00:11:38,710 --> 00:11:35,120

where the the sun never set or some

318

00:11:40,710 --> 00:11:38,720

place where it set several times in a

319

00:11:42,389 --> 00:11:40,720

shorter time span than they had been

320

00:11:45,110 --> 00:11:42,399

gone so i think there's there's

321

00:11:47,030 --> 00:11:45,120

something to that theory too that

322

00:11:49,590 --> 00:11:47,040

it's uh

323

00:11:50,949 --> 00:11:49,600

very very reminiscent of uh

324

00:11:52,470 --> 00:11:50,959

abduction experience especially with

325

00:11:53,509 --> 00:11:52,480

some of the screen memories the things

326

00:11:55,030 --> 00:11:53,519

that people

327

00:11:57,670 --> 00:11:55,040

remember that

328

00:11:59,110 --> 00:11:57,680

like a lot of abductees remember owls

329

00:12:01,110 --> 00:11:59,120

and things like that

330

00:12:02,470 --> 00:12:01,120

and there are certain birds and animals

331

00:12:04,310 --> 00:12:02,480

that um

332

00:12:06,710 --> 00:12:04,320

play into people that go missing in the

333

00:12:09,110 --> 00:12:06,720

woods too and then

334

00:12:10,470 --> 00:12:09,120

there goes my camera again um that

335

00:12:12,069 --> 00:12:10,480

didn't glitch out i heard the noise

336

00:12:13,750 --> 00:12:12,079

though hopefully you can still hear me

337

00:12:14,550 --> 00:12:13,760

even if they can't i hear you see that's

338

00:12:16,949 --> 00:12:14,560

fine

339

00:12:18,710 --> 00:12:16,959

but um

340

00:12:20,389 --> 00:12:18,720

another one like you hear about little

341

00:12:22,710 --> 00:12:20,399

kids that go missing and they say oh a

342

00:12:25,350 --> 00:12:22,720

bear took care of me a bear cuddled with

343

00:12:27,430 --> 00:12:25,360

me and kept me warm and i picked berries

344

00:12:28,870 --> 00:12:27,440

and then you know the authorities and

345

00:12:30,710 --> 00:12:28,880

they say oh well there's your answer and

346

00:12:32,389 --> 00:12:30,720

it was a bear nothing to see here move

347

00:12:34,790 --> 00:12:32,399

right along well you and i know that

348

00:12:36,870 --> 00:12:34,800

bears don't cuddle kids or berries and

349

00:12:39,430 --> 00:12:36,880

stuff for them so it was some kind of

350

00:12:41,750 --> 00:12:39,440

big furry creature uh one little boy

351
00:12:43,750 --> 00:12:41,760
even described it as a big hairy doggy

352
00:12:46,550 --> 00:12:43,760
that took care of him and it walked on

353
00:12:47,910 --> 00:12:46,560
two legs so was it a dog man who knows

354
00:12:49,269 --> 00:12:47,920
you know it's whatever it was it took

355
00:12:51,430 --> 00:12:49,279
care of the kid and

356
00:12:53,269 --> 00:12:51,440
and got him back safely

357
00:12:56,550 --> 00:12:53,279
and then you have the the famous uh

358
00:12:58,470 --> 00:12:56,560
robot grandma story from mount shasta

359
00:13:00,870 --> 00:12:58,480
where the little boy went missing and

360
00:13:02,550 --> 00:13:00,880
then shows back up later

361
00:13:04,949 --> 00:13:02,560
and then

362
00:13:06,470 --> 00:13:04,959
some time after that several days

363
00:13:07,829 --> 00:13:06,480

he was telling one grandma i said i

364

00:13:09,430 --> 00:13:07,839

don't like the other grandma and she

365

00:13:12,710 --> 00:13:09,440

thought he meant like his maternal

366

00:13:14,949 --> 00:13:12,720

grandma and he said no not that grandma

367

00:13:16,790 --> 00:13:14,959

the the fake grandma that took me in the

368

00:13:18,470 --> 00:13:16,800

cave on the mountain

369

00:13:19,750 --> 00:13:18,480

and she's like what and he's like you

370

00:13:21,990 --> 00:13:19,760

remember when i was missing and you

371

00:13:24,550 --> 00:13:22,000

couldn't find me he said well grandma

372

00:13:26,310 --> 00:13:24,560

came to me except it wasn't grandma

373

00:13:28,389 --> 00:13:26,320

she took me in a cave

374

00:13:30,710 --> 00:13:28,399

and uh there were

375

00:13:32,949 --> 00:13:30,720

like weapons and backpacks and skiing

376

00:13:35,430 --> 00:13:32,959

equipment and stuff with the cobwebs and

377

00:13:36,790 --> 00:13:35,440

dust on it and also what it sounded like

378

00:13:38,310 --> 00:13:36,800

he described as people that were in a

379

00:13:40,069 --> 00:13:38,320

state of suspended animation or

380

00:13:42,470 --> 00:13:40,079

something like that

381

00:13:44,470 --> 00:13:42,480

and then uh this robot grandma as he

382

00:13:46,470 --> 00:13:44,480

called her tried to get him to defecate

383

00:13:47,750 --> 00:13:46,480

on a piece of paper he wouldn't do it

384

00:13:50,069 --> 00:13:47,760

and she said well you're just not

385

00:13:51,670 --> 00:13:50,079

cooperating takes him back somewhere on

386

00:13:53,829 --> 00:13:51,680

the trail puts him down and says wait

387

00:13:55,110 --> 00:13:53,839

here somebody will find you sure enough

388

00:13:57,430 --> 00:13:55,120

they find him and it was in a place

389

00:13:59,110 --> 00:13:57,440

they'd already searched

390

00:14:00,949 --> 00:13:59,120

and um

391

00:14:02,870 --> 00:14:00,959

the grandmother that was supposedly had

392

00:14:04,550 --> 00:14:02,880

a robot version of herself

393

00:14:06,550 --> 00:14:04,560

she started thinking back and prior to

394

00:14:08,310 --> 00:14:06,560

the little boy going missing she had

395

00:14:10,150 --> 00:14:08,320

gone camping on mount shasta i think

396

00:14:11,990 --> 00:14:10,160

like a year previously

397

00:14:13,910 --> 00:14:12,000

and her and the person she was camping

398

00:14:15,189 --> 00:14:13,920

with remember hearing a noise they saw

399

00:14:16,870 --> 00:14:15,199

red eyes

400

00:14:18,389 --> 00:14:16,880

outside their tent the next thing she

401

00:14:20,150 --> 00:14:18,399

knows she's waking up

402

00:14:23,189 --> 00:14:20,160

face down in the mud

403

00:14:24,870 --> 00:14:23,199

and she found a chat puncture wound on

404

00:14:27,350 --> 00:14:24,880

the back of her neck so

405

00:14:29,829 --> 00:14:27,360

did something take part of her blood or

406

00:14:31,750 --> 00:14:29,839

dna or something to make this

407

00:14:33,269 --> 00:14:31,760

clone this robot grandma that looked

408

00:14:35,030 --> 00:14:33,279

like her so there's

409

00:14:37,590 --> 00:14:35,040

all kinds of just wild stuff out there

410

00:14:40,710 --> 00:14:37,600

mount shasta is just a hotbed of it in

411

00:14:42,710 --> 00:14:40,720

fact on the way down to san francisco uh

412

00:14:44,550 --> 00:14:42,720

sandy my uh traveling partner now she's

413

00:14:47,430 --> 00:14:44,560

head writer for my channel we spent a

414

00:14:49,269 --> 00:14:47,440

couple nights uh near mount shasta

415

00:14:51,670 --> 00:14:49,279

uh didn't really experience anything

416

00:14:53,030 --> 00:14:51,680

other than some uh weird flashes of

417

00:14:54,470 --> 00:14:53,040

light way up on the mountain when there

418

00:14:56,550 --> 00:14:54,480

was nothing up there

419

00:14:59,269 --> 00:14:56,560

but it's there's a feeling about it it

420

00:15:01,350 --> 00:14:59,279

feels kind of off and i would notice

421

00:15:03,350 --> 00:15:01,360

that i get this feeling like somebody

422

00:15:04,790 --> 00:15:03,360

was watching me and i turn around and

423

00:15:06,310 --> 00:15:04,800

look and the mountain would be right

424

00:15:07,910 --> 00:15:06,320

there behind me it's like you know

425

00:15:09,350 --> 00:15:07,920

nietzsche when you appear to the abyss

426

00:15:11,350 --> 00:15:09,360

the abyss peers into you i think the

427

00:15:13,910 --> 00:15:11,360

mountain does the same thing it kind of

428

00:15:16,150 --> 00:15:13,920

watches you and sees what you're up to

429

00:15:19,110 --> 00:15:16,160

uh bravehorn that's here in the chat

430

00:15:21,269 --> 00:15:19,120

he's a modoc indian from that area and

431

00:15:22,710 --> 00:15:21,279

uh he shared a lot of cool and

432

00:15:25,030 --> 00:15:22,720

interesting stories and we actually met

433

00:15:26,949 --> 00:15:25,040

him in person up there but there's some

434

00:15:29,910 --> 00:15:26,959

weird stuff on mount shasta everything

435

00:15:32,949 --> 00:15:29,920

from ufos to bigfoot to

436

00:15:34,389 --> 00:15:32,959

disappearances of ascended masters

437

00:15:36,230 --> 00:15:34,399

lemurians

438

00:15:39,189 --> 00:15:36,240

uh there's just a mixed bag there but

439

00:15:40,949 --> 00:15:39,199

it's it's definitely a power spot

440

00:15:43,590 --> 00:15:40,959

yeah i've heard several stories from

441

00:15:46,230 --> 00:15:43,600

from mount shasta and um

442

00:15:48,790 --> 00:15:46,240

it's usually bigfoot or ufos or like

443

00:15:51,350 --> 00:15:48,800

caves opening and closing and

444

00:15:53,030 --> 00:15:51,360

weird stuff like that city of gold

445

00:15:58,310 --> 00:15:53,040

inside the mountain

446

00:15:59,269 --> 00:15:58,320

it's always dry like there's a sun but

447

00:16:01,430 --> 00:15:59,279

it never

448

00:16:02,470 --> 00:16:01,440

completely rises or sets

449

00:16:04,470 --> 00:16:02,480

um

450

00:16:06,470 --> 00:16:04,480

and uh the most interesting bigfoot

451
00:16:09,030 --> 00:16:06,480
stories i've ever heard two of them came

452
00:16:11,430 --> 00:16:09,040
from mount shasta one lady was there

453
00:16:14,790 --> 00:16:11,440
like say in i don't remember the exact

454
00:16:17,590 --> 00:16:14,800
year like we'll say 2000 and she saw

455
00:16:19,509 --> 00:16:17,600
a female bigfoot giving birth on the the

456
00:16:21,670 --> 00:16:19,519
side of the shasta there

457
00:16:24,629 --> 00:16:21,680
and another lady was in the same area a

458
00:16:27,110 --> 00:16:24,639
year later and she saw a female bigfoot

459
00:16:29,110 --> 00:16:27,120
nursing a baby bigfoot so there you go

460
00:16:30,949 --> 00:16:29,120
the lady sees it giving birth another

461
00:16:33,269 --> 00:16:30,959
lady sees it a year later nursing so

462
00:16:35,350 --> 00:16:33,279
that kind of fits together they didn't

463
00:16:36,870 --> 00:16:35,360

know each other the stories were told

464

00:16:39,269 --> 00:16:36,880

separately through different avenues and

465

00:16:40,550 --> 00:16:39,279

then put together by other researchers

466

00:16:42,470 --> 00:16:40,560

but there you go

467

00:16:44,470 --> 00:16:42,480

it's compelling it's very compelling

468

00:16:47,509 --> 00:16:44,480

stuff like that

469

00:16:50,949 --> 00:16:47,519

yeah it's so bizarre so bizarre

470

00:16:53,110 --> 00:16:50,959

do you have an idea the percentages

471

00:16:54,629 --> 00:16:53,120

of people that go missing and don't show

472

00:16:56,550 --> 00:16:54,639

back up

473

00:16:59,110 --> 00:16:56,560

it's it's relatively small a lot of the

474

00:17:01,030 --> 00:16:59,120

people that do go missing they are found

475

00:17:04,470 --> 00:17:01,040

uh sometimes deceased

476

00:17:06,470 --> 00:17:04,480

uh sometimes thankfully alive uh it's

477

00:17:09,590 --> 00:17:06,480

probably less than 10 percent of the

478

00:17:11,829 --> 00:17:09,600

ones that go missing that are never

479

00:17:13,110 --> 00:17:11,839

heard from again or never seen no trace

480

00:17:14,789 --> 00:17:13,120

or anything

481

00:17:16,069 --> 00:17:14,799

uh particularly tends to be children

482

00:17:17,669 --> 00:17:16,079

that are like that although there are a

483

00:17:20,949 --> 00:17:17,679

lot of adults that have gone missing and

484

00:17:22,549 --> 00:17:20,959

no choice has ever been found

485

00:17:24,069 --> 00:17:22,559

interesting

486

00:17:25,669 --> 00:17:24,079

so what uh

487

00:17:27,909 --> 00:17:25,679

what area do you what areas do you

488

00:17:29,350 --> 00:17:27,919

believe have the most activity or that

489

00:17:32,070 --> 00:17:29,360

are kind of

490

00:17:33,830 --> 00:17:32,080

most unexplainable areas

491

00:17:35,350 --> 00:17:33,840

well as as far as the missing itself

492

00:17:36,549 --> 00:17:35,360

definitely yosemite there's something

493

00:17:39,029 --> 00:17:36,559

going on there

494

00:17:41,669 --> 00:17:39,039

uh there's a lot of uh

495

00:17:44,830 --> 00:17:41,679

strange energy excuse me in joshua tree

496

00:17:47,909 --> 00:17:44,840

california oh i know that

497

00:17:50,870 --> 00:17:47,919

uh bill melder the other half of my

498

00:17:52,789 --> 00:17:50,880

youtube channel uh he got lost in um

499

00:17:55,590 --> 00:17:52,799

joshua tree several years ago was in

500

00:17:58,150 --> 00:17:55,600

there for five days and almost died

501
00:18:00,150 --> 00:17:58,160
and he encountered he called them shadow

502
00:18:03,029 --> 00:18:00,160
beings but the way he described it to me

503
00:18:04,549 --> 00:18:03,039
it sounded like grays like alien grays

504
00:18:06,470 --> 00:18:04,559
these figures that would come up to him

505
00:18:07,909 --> 00:18:06,480
and kind of peer at him and then when he

506
00:18:09,190 --> 00:18:07,919
moved or looked at him they would skid

507
00:18:10,870 --> 00:18:09,200
her away and then

508
00:18:13,110 --> 00:18:10,880
then come back later he called him

509
00:18:15,029 --> 00:18:13,120
shadow man or shadow people but to me it

510
00:18:17,430 --> 00:18:15,039
sounded like the typical alien grace of

511
00:18:19,750 --> 00:18:17,440
the big heads and the big eyes and the

512
00:18:22,150 --> 00:18:19,760
the small bodies and the spindly arms

513
00:18:23,510 --> 00:18:22,160

and legs but uh definitely joshua tree

514

00:18:27,270 --> 00:18:23,520

like i said um

515

00:18:29,590 --> 00:18:27,280

mount shasta and that whole area there

516

00:18:31,430 --> 00:18:29,600

mccall and um

517

00:18:33,750 --> 00:18:31,440

trying to remember there's there's some

518

00:18:36,150 --> 00:18:33,760

falls there that have a lot of activity

519

00:18:38,789 --> 00:18:36,160

uh crater lake oregon is another place a

520

00:18:41,110 --> 00:18:38,799

lot of springs that goes on there just a

521

00:18:42,789 --> 00:18:41,120

feeling about it um

522

00:18:45,190 --> 00:18:42,799

out here close to where i'm at i'm in st

523

00:18:47,350 --> 00:18:45,200

helens oregon and that's so named

524

00:18:48,470 --> 00:18:47,360

because you can see mount st helens

525

00:18:50,710 --> 00:18:48,480

washington

526

00:18:52,310 --> 00:18:50,720

of the way there's a lot of stuff up on

527

00:18:54,310 --> 00:18:52,320

mount st helens

528

00:18:57,830 --> 00:18:54,320

uh the ape caves are up there famous

529

00:18:59,350 --> 00:18:57,840

case of the uh miners back in the 1920s

530

00:19:00,150 --> 00:18:59,360

that were attacked

531

00:19:01,590 --> 00:19:00,160

yeah

532

00:19:04,390 --> 00:19:01,600

canyon attack

533

00:19:09,110 --> 00:19:04,400

where they were besieged by several

534

00:19:14,070 --> 00:19:11,830

a lot of weird stuff there and then uh

535

00:19:16,630 --> 00:19:14,080

olympic national park also in washington

536

00:19:18,310 --> 00:19:16,640

that has a lot of missing people mount

537

00:19:19,990 --> 00:19:18,320

rainier or i just was like i think

538

00:19:21,909 --> 00:19:20,000

there's at least six that are currently

539

00:19:23,510 --> 00:19:21,919

missing from there

540

00:19:25,750 --> 00:19:23,520

and uh it seems to

541

00:19:26,630 --> 00:19:25,760

be prevalent on both coasts but not that

542

00:19:28,950 --> 00:19:26,640

much

543

00:19:31,270 --> 00:19:28,960

in the middle of the country which is

544

00:19:32,310 --> 00:19:31,280

kind of strange you think now there is

545

00:19:33,909 --> 00:19:32,320

some

546

00:19:35,590 --> 00:19:33,919

missing people like in the great lakes

547

00:19:37,190 --> 00:19:35,600

area but that's more

548

00:19:39,029 --> 00:19:37,200

like human trafficking things there's a

549

00:19:41,029 --> 00:19:39,039

lot of that that goes on that's a new

550

00:19:42,630 --> 00:19:41,039

series we started about

551
00:19:43,510 --> 00:19:42,640
the missing and murdered indigenous

552
00:19:45,510 --> 00:19:43,520
women

553
00:19:48,230 --> 00:19:45,520
and that i don't think there's anything

554
00:19:49,990 --> 00:19:48,240
supernatural about that at all yeah dave

555
00:19:52,470 --> 00:19:50,000
scott has talked about that with me a

556
00:19:55,270 --> 00:19:52,480
lot about the uh the highway of tears up

557
00:19:57,110 --> 00:19:55,280
there in british columbia and uh all the

558
00:20:00,950 --> 00:19:57,120
indigenous women that apparently have

559
00:20:03,430 --> 00:20:01,830
yeah

560
00:20:06,070 --> 00:20:03,440
and at the time in the chat there about

561
00:20:07,669 --> 00:20:06,080
me giving credit today politis uh if i

562
00:20:09,830 --> 00:20:07,679
used his materials i would certainly

563
00:20:12,789 --> 00:20:09,840

give him credit i've never used any of

564

00:20:14,630 --> 00:20:12,799

dave's material i get my stuff the same

565

00:20:17,270 --> 00:20:14,640

place he gets his police reports news

566

00:20:19,110 --> 00:20:17,280

reports talk to the families i mean we

567

00:20:20,950 --> 00:20:19,120

may report on some of the same stories

568

00:20:23,190 --> 00:20:20,960

but that's that's his information his

569

00:20:25,510 --> 00:20:23,200

research i do my own research and always

570

00:20:28,149 --> 00:20:25,520

have i cover a lot of cases that dave

571

00:20:30,549 --> 00:20:28,159

doesn't just because they don't fit into

572

00:20:32,630 --> 00:20:30,559

his 411 framework and i understand that

573

00:20:34,070 --> 00:20:32,640

that's right that's his thing that's

574

00:20:35,990 --> 00:20:34,080

what he wants to do so there's certain

575

00:20:38,630 --> 00:20:36,000

cases that he won't cover

576
00:20:39,669 --> 00:20:38,640
which i'll cover any missing case so all

577
00:20:41,510 --> 00:20:39,679
right

578
00:20:43,990 --> 00:20:41,520
i've got a question here from tommy

579
00:20:46,710 --> 00:20:44,000
cooper that asks what delineates

580
00:20:48,710 --> 00:20:46,720
supernatural from natural

581
00:20:51,270 --> 00:20:48,720
well again that's that's perception i

582
00:20:53,590 --> 00:20:51,280
mean it depending on what you believe

583
00:20:55,510 --> 00:20:53,600
if uh say you're a christian and you

584
00:20:57,830 --> 00:20:55,520
believe in the bible everything that we

585
00:21:00,710 --> 00:20:57,840
consider natural was spoken forth out of

586
00:21:02,950 --> 00:21:00,720
the supernatural so there you go and god

587
00:21:04,149 --> 00:21:02,960
said you know there was so there's

588
00:21:06,070 --> 00:21:04,159

different ways to look at that i

589

00:21:08,390 --> 00:21:06,080

consider the supernatural or the preet

590

00:21:10,710 --> 00:21:08,400

or natural anything that's outside of

591

00:21:13,190 --> 00:21:10,720

the normal human experience usually

592

00:21:14,870 --> 00:21:13,200

things with irreproducible results you

593

00:21:16,390 --> 00:21:14,880

know if it's if it was a science you

594

00:21:18,630 --> 00:21:16,400

could get it to do the same thing every

595

00:21:20,149 --> 00:21:18,640

time get the same results but with the

596

00:21:21,669 --> 00:21:20,159

supernatural

597

00:21:23,990 --> 00:21:21,679

and that sort of thing there's things

598

00:21:25,190 --> 00:21:24,000

that happen maybe only one time

599

00:21:27,110 --> 00:21:25,200

and those are some of the most

600

00:21:29,430 --> 00:21:27,120

fascinating especially with the cryptids

601
00:21:31,830 --> 00:21:29,440
and the monsters and things the ones

602
00:21:32,630 --> 00:21:31,840
that the one-offs like the dover demon

603
00:21:34,390 --> 00:21:32,640
or

604
00:21:35,590 --> 00:21:34,400
that was seen i think a couple of nights

605
00:21:37,830 --> 00:21:35,600
in a row

606
00:21:39,750 --> 00:21:37,840
by uh four or five different people but

607
00:21:42,070 --> 00:21:39,760
then it was never seen again

608
00:21:42,870 --> 00:21:42,080
that's the stories i love and

609
00:21:45,029 --> 00:21:42,880
uh

610
00:21:46,149 --> 00:21:45,039
there goes my camera again i'm i'm more

611
00:21:48,470 --> 00:21:46,159
of a

612
00:21:50,310 --> 00:21:48,480
storyteller and a legend tripper i'm not

613
00:21:52,470 --> 00:21:50,320

i don't do a lot of hardcore research

614

00:21:55,270 --> 00:21:52,480

now i do on the missing person cases

615

00:21:57,830 --> 00:21:55,280

i have to in that uh but as far as the

616

00:21:59,350 --> 00:21:57,840

cryptids and the supernatural stuff i

617

00:22:00,950 --> 00:21:59,360

like to just go to these areas where

618

00:22:03,029 --> 00:22:00,960

stuff's happening and i don't expect

619

00:22:04,390 --> 00:22:03,039

anything to happen i just like to go

620

00:22:07,590 --> 00:22:04,400

there and know that you know this is

621

00:22:09,110 --> 00:22:07,600

where uh the mothman appeared in uh west

622

00:22:11,270 --> 00:22:09,120

virginia or

623

00:22:13,990 --> 00:22:11,280

this is from the dover demon i've been

624

00:22:15,350 --> 00:22:14,000

up there to that area and again you know

625

00:22:17,750 --> 00:22:15,360

didn't see a thing didn't experience

626

00:22:21,190 --> 00:22:17,760

anything i did meet one of the original

627

00:22:22,950 --> 00:22:21,200

witnesses to the dover demon and just uh

628

00:22:24,830 --> 00:22:22,960

he seemed almost embarrassed to talk

629

00:22:27,350 --> 00:22:24,840

about it so

630

00:22:30,390 --> 00:22:27,360

um yeah

631

00:22:32,630 --> 00:22:30,400

yeah well yeah you probably have you

632

00:22:35,029 --> 00:22:32,640

encountered the same thing with with uh

633

00:22:37,270 --> 00:22:35,039

witnesses as i do uh sometimes it's like

634

00:22:39,750 --> 00:22:37,280

pulling teeth but many times

635

00:22:42,230 --> 00:22:39,760

they will uh they will come forward and

636

00:22:44,470 --> 00:22:42,240

i think it's gotten easier nowadays for

637

00:22:46,310 --> 00:22:44,480

because of the internet and tv and it's

638

00:22:48,789 --> 00:22:46,320

definitely more accepted than it used to

639

00:22:51,350 --> 00:22:48,799

be a lot of the stories and uh strange

640

00:22:53,350 --> 00:22:51,360

things in the woods those date back to

641

00:22:55,430 --> 00:22:53,360

like my childhood my teenage years to

642

00:22:57,430 --> 00:22:55,440

friends of the family just about

643

00:22:59,669 --> 00:22:57,440

everybody in there that i have stories

644

00:23:01,750 --> 00:22:59,679

from are passed away now and that was

645

00:23:04,230 --> 00:23:01,760

kind of the impetus for doing that

646

00:23:06,549 --> 00:23:04,240

because i thought as i had

647

00:23:07,669 --> 00:23:06,559

an epiphany my grandmother's funeral

648

00:23:09,590 --> 00:23:07,679

just i was looking over there in the

649

00:23:11,350 --> 00:23:09,600

coffin i thought of every story every

650

00:23:12,950 --> 00:23:11,360

legend she was a

651
00:23:14,390 --> 00:23:12,960
in appalachia what they call a granny

652
00:23:17,590 --> 00:23:14,400
witch

653
00:23:20,470 --> 00:23:17,600
gypsy part came from because i've got it

654
00:23:22,149 --> 00:23:20,480
in my family too so

655
00:23:24,390 --> 00:23:22,159
i thought you know every because she

656
00:23:25,990 --> 00:23:24,400
told fortunes and read uh

657
00:23:29,510 --> 00:23:26,000
playing cards she wouldn't touch tarot

658
00:23:31,190 --> 00:23:29,520
cards she said they were too dark uh

659
00:23:33,270 --> 00:23:31,200
tea leaves coffee grounds animal

660
00:23:34,710 --> 00:23:33,280
entrails all this weird stuff

661
00:23:36,549 --> 00:23:34,720
and i thought you know every story every

662
00:23:37,750 --> 00:23:36,559
legend every superstition everything she

663
00:23:39,270 --> 00:23:37,760

ever told me

664

00:23:40,950 --> 00:23:39,280

it's all right there with her and

665

00:23:42,310 --> 00:23:40,960

that'll be the end of it and i thought

666

00:23:44,149 --> 00:23:42,320

you know i'm not gonna let that happen

667

00:23:46,549 --> 00:23:44,159

i'm gonna write these stories and karen

668

00:23:47,909 --> 00:23:46,559

so i started cataloging stuff

669

00:23:50,789 --> 00:23:47,919

and uh yeah a lot of people were

670

00:23:51,830 --> 00:23:50,799

reticent to talk about it especially

671

00:23:53,510 --> 00:23:51,840

if they thought you were going to make

672

00:23:54,789 --> 00:23:53,520

fun of them or think they were crazy or

673

00:23:57,269 --> 00:23:54,799

something but then once you got them

674

00:23:58,950 --> 00:23:57,279

talking and they saw that you had a

675

00:24:00,149 --> 00:23:58,960

genuine interest

676
00:24:01,590 --> 00:24:00,159
sometimes it was still you know you had

677
00:24:04,310 --> 00:24:01,600
to drag it out of them with a log chain

678
00:24:06,230 --> 00:24:04,320
but but most of them were

679
00:24:08,789 --> 00:24:06,240
more apt to talk like they had one old

680
00:24:11,110 --> 00:24:08,799
gentleman otto darrow he was a

681
00:24:13,110 --> 00:24:11,120
first generation irish immigrant his

682
00:24:14,549 --> 00:24:13,120
family had immigrated over from ireland

683
00:24:17,190 --> 00:24:14,559
they lived over on the cumberland

684
00:24:19,190 --> 00:24:17,200
plateau in

685
00:24:20,870 --> 00:24:19,200
uh middle tennessee near the jamestown

686
00:24:23,029 --> 00:24:20,880
area like miles and miles and miles back

687
00:24:25,590 --> 00:24:23,039
in the woods where he grew up

688
00:24:27,750 --> 00:24:25,600

and he had just some amazing stories but

689

00:24:28,789 --> 00:24:27,760

he wouldn't let me record him i

690

00:24:30,070 --> 00:24:28,799

said you know

691

00:24:32,070 --> 00:24:30,080

can i come and talk to you and get some

692

00:24:33,669 --> 00:24:32,080

of your stories yeah come on i took a

693

00:24:35,029 --> 00:24:33,679

little this is a long time ago a little

694

00:24:37,430 --> 00:24:35,039

reel-to-reel

695

00:24:38,710 --> 00:24:37,440

recorder a little tiny one and he like

696

00:24:39,909 --> 00:24:38,720

nope nope

697

00:24:41,669 --> 00:24:39,919

you ain't recording me he said you can

698

00:24:43,430 --> 00:24:41,679

take all the notes you want but i don't

699

00:24:46,390 --> 00:24:43,440

want you to record my voice that's like

700

00:24:48,149 --> 00:24:46,400

damn so i had to take notes seriously

701

00:24:50,789 --> 00:24:48,159

because he talked a lot and

702

00:24:53,590 --> 00:24:50,799

had a real uh hillbilly accent and i

703

00:24:55,510 --> 00:24:53,600

even had to get my dad to uh translate

704

00:24:57,669 --> 00:24:55,520

later some of the stuff he had said i

705

00:25:01,029 --> 00:24:57,679

didn't my dad grew up in that area so

706

00:25:02,870 --> 00:25:01,039

they have their own uh

707

00:25:03,990 --> 00:25:02,880

lingo over there almost their own

708

00:25:05,830 --> 00:25:04,000

dialect

709

00:25:07,750 --> 00:25:05,840

and it's it's based a lot of it's based

710

00:25:10,230 --> 00:25:07,760

on the old english and stuff but it can

711

00:25:12,950 --> 00:25:10,240

be hard to understand sometimes that's

712

00:25:15,669 --> 00:25:12,960

interesting because i've talked to

713

00:25:18,310 --> 00:25:15,679

several pennsylvania dutch and amish

714

00:25:20,470 --> 00:25:18,320

people over the years and uh they're the

715

00:25:21,830 --> 00:25:20,480

same way i mean

716

00:25:23,350 --> 00:25:21,840

they don't they don't really want you

717

00:25:25,590 --> 00:25:23,360

even writing any notes and they don't

718

00:25:27,990 --> 00:25:25,600

want you to watch

719

00:25:30,789 --> 00:25:28,000

and uh you know and i i had promised

720

00:25:32,950 --> 00:25:30,799

them i wouldn't you know say a lot of

721

00:25:34,710 --> 00:25:32,960

but i have had a few tell me if you

722

00:25:36,230 --> 00:25:34,720

yeah i've been allowed to because i've

723

00:25:37,990 --> 00:25:36,240

wondered about that before i bet they

724

00:25:40,310 --> 00:25:38,000

have some amazing

725

00:25:42,310 --> 00:25:40,320

supernatural encounters encrypted and

726

00:25:44,230 --> 00:25:42,320

ghost stories and things like that you

727

00:25:46,710 --> 00:25:44,240

know that happens to them but for the

728

00:25:48,870 --> 00:25:46,720

most part they because of their beliefs

729

00:25:50,390 --> 00:25:48,880

they they just will not

730

00:25:51,909 --> 00:25:50,400

you know they just will say it's

731

00:25:53,669 --> 00:25:51,919

something else

732

00:25:55,750 --> 00:25:53,679

it's something they shouldn't have seen

733

00:25:56,950 --> 00:25:55,760

or you know it doesn't conform to their

734

00:25:59,190 --> 00:25:56,960

beliefs and

735

00:26:00,710 --> 00:25:59,200

they'll just stay away with it but

736

00:26:02,870 --> 00:26:00,720

you know i have been able to get a few

737

00:26:05,110 --> 00:26:02,880

stories out of folks yeah and you run

738

00:26:07,750 --> 00:26:05,120

into that in appalachia anything that

739

00:26:08,950 --> 00:26:07,760

you can't explain or anything that seems

740

00:26:11,590 --> 00:26:08,960

out of the ordinary it's it's

741

00:26:12,390 --> 00:26:11,600

automatically of the devil it's satanic

742

00:26:13,990 --> 00:26:12,400

you know

743

00:26:16,149 --> 00:26:14,000

that wasn't a ghost you saw it was a

744

00:26:17,830 --> 00:26:16,159

demon you know and then you run into

745

00:26:19,669 --> 00:26:17,840

that life particularly

746

00:26:22,230 --> 00:26:19,679

in parts of the south

747

00:26:25,190 --> 00:26:22,240

uh david jones locker asks what's the

748

00:26:27,110 --> 00:26:25,200

most scariest encounter or supernatural

749

00:26:28,070 --> 00:26:27,120

event

750

00:26:29,669 --> 00:26:28,080

wow

751

00:26:30,870 --> 00:26:29,679

i've had three that where i was

752

00:26:33,110 --> 00:26:30,880

genuinely

753

00:26:35,830 --> 00:26:33,120

scared out of my wits well you got you

754

00:26:37,909 --> 00:26:35,840

got the floor so go ahead if you want to

755

00:26:39,909 --> 00:26:37,919

tell us i'd appreciate it the most

756

00:26:42,070 --> 00:26:39,919

scariest encounter would would take too

757

00:26:44,390 --> 00:26:42,080

long to tell the whole thing and tell it

758

00:26:46,789 --> 00:26:44,400

properly but back in the 90s i had an

759

00:26:49,590 --> 00:26:46,799

encounter with two black-eyed children

760

00:26:51,430 --> 00:26:49,600

yeah right i've got there's a version of

761

00:26:54,470 --> 00:26:51,440

that on a channel here on youtube called

762

00:26:57,269 --> 00:26:54,480

unicorps tales like unicorn except

763

00:26:58,789 --> 00:26:57,279

corpse unicorps tales uh tanya the girl

764

00:27:00,630 --> 00:26:58,799

that has that channel she interviewed me

765

00:27:02,230 --> 00:27:00,640

and it's seems like it's about a half

766

00:27:04,149 --> 00:27:02,240

hour long or so

767

00:27:06,390 --> 00:27:04,159

but that one i don't think i'll ever

768

00:27:09,190 --> 00:27:06,400

write about that one because just the

769

00:27:10,710 --> 00:27:09,200

the irrational fear that i experienced i

770

00:27:12,630 --> 00:27:10,720

don't think my writing would ever be

771

00:27:15,269 --> 00:27:12,640

good enough to capture it and even when

772

00:27:17,190 --> 00:27:15,279

i tell it you can tell i get my hands

773

00:27:19,669 --> 00:27:17,200

swept i get a

774

00:27:21,830 --> 00:27:19,679

waiver in my voice and stuff but that

775

00:27:23,510 --> 00:27:21,840

was the most frightening the really the

776

00:27:25,590 --> 00:27:23,520

least frightening is two little girls in

777

00:27:26,549 --> 00:27:25,600

a parking lot at two o'clock in the

778

00:27:29,909 --> 00:27:26,559

morning

779

00:27:31,750 --> 00:27:29,919

um i was uh moonlighting as a

780

00:27:35,029 --> 00:27:31,760

hired gun like a network engineer and i

781

00:27:35,830 --> 00:27:35,039

was rewiring of place for a cat5 cable

782

00:27:37,110 --> 00:27:35,840

huh

783

00:27:39,269 --> 00:27:37,120

they were going from the old dumb

784

00:27:41,510 --> 00:27:39,279

terminals up to the actual pc at

785

00:27:43,190 --> 00:27:41,520

everybody's desk so i'd go in after they

786

00:27:44,870 --> 00:27:43,200

were finished for their day it was a

787

00:27:47,110 --> 00:27:44,880

medical office

788

00:27:48,549 --> 00:27:47,120

and uh then i'd stayed old midnight or

789

00:27:50,470 --> 00:27:48,559

after sometimes

790

00:27:51,750 --> 00:27:50,480

running this network so across three

791

00:27:53,269 --> 00:27:51,760

different floors

792

00:27:56,789 --> 00:27:53,279

and i was coming out there was almost

793

00:27:59,190 --> 00:27:56,799

finished with that particular job

794

00:28:00,710 --> 00:27:59,200

contract thing and uh coming out about

795

00:28:02,310 --> 00:28:00,720

two o'clock in the morning and i came

796

00:28:04,070 --> 00:28:02,320

out and on the far end of the parking

797

00:28:05,669 --> 00:28:04,080

lot this is an industrial area there's

798

00:28:08,310 --> 00:28:05,679

nothing around there

799

00:28:10,149 --> 00:28:08,320

two little girls sitting on the curb

800

00:28:12,310 --> 00:28:10,159

and i thought well that's kind of weird

801
00:28:14,789 --> 00:28:12,320
so i'm putting my stuff in my car had a

802
00:28:16,950 --> 00:28:14,799
little mazda miata at the time

803
00:28:19,430 --> 00:28:16,960
trunk wasn't much bigger than a glove

804
00:28:20,950 --> 00:28:19,440
box on some cars so i'm like playing

805
00:28:23,350 --> 00:28:20,960
tetris and trying to get all my network

806
00:28:25,029 --> 00:28:23,360
stuff on the cable spool and this and

807
00:28:25,830 --> 00:28:25,039
they're already had stuff in the front

808
00:28:27,909 --> 00:28:25,840
seat

809
00:28:29,750 --> 00:28:27,919
and like every time i glance over

810
00:28:30,950 --> 00:28:29,760
the first time they had stood up

811
00:28:33,269 --> 00:28:30,960
the next time i looked there a little

812
00:28:34,710 --> 00:28:33,279
closer i never actually saw them move

813
00:28:37,110 --> 00:28:34,720

but every time i looked over they were a

814

00:28:39,269 --> 00:28:37,120

little closer and when they got close

815

00:28:40,950 --> 00:28:39,279

enough that i could hear the shorter one

816

00:28:42,149 --> 00:28:40,960

which i'm assuming was the younger one

817

00:28:43,990 --> 00:28:42,159

they probably

818

00:28:45,350 --> 00:28:44,000

the older one i mean the taller one i'm

819

00:28:47,350 --> 00:28:45,360

guessing was maybe

820

00:28:49,269 --> 00:28:47,360

12 13 and then the shorter one i would

821

00:28:50,070 --> 00:28:49,279

say about the size of a nine or ten year

822

00:28:51,750 --> 00:28:50,080

old

823

00:28:52,870 --> 00:28:51,760

they're wearing dark clothes like very

824

00:28:54,389 --> 00:28:52,880

plain like

825

00:28:56,070 --> 00:28:54,399

black jeans and

826

00:28:58,470 --> 00:28:56,080

dark colored hoodies

827

00:29:00,710 --> 00:28:58,480

and uh the the taller the two what i

828

00:29:03,990 --> 00:29:00,720

said i believe was the older one

829

00:29:07,190 --> 00:29:04,000

she was talking nonstop and it was like

830

00:29:09,190 --> 00:29:07,200

not to me but about me to the other one

831

00:29:11,350 --> 00:29:09,200

oh he'll he'll let us in he'll take us

832

00:29:13,350 --> 00:29:11,360

in his car he won't leave us out here

833

00:29:15,110 --> 00:29:13,360

it's cold it's dark it was dark but it

834

00:29:16,630 --> 00:29:15,120

wasn't cold it was in the summertime and

835

00:29:17,990 --> 00:29:16,640

just the same thing over and over she

836

00:29:19,830 --> 00:29:18,000

kept just saying the same thing he won't

837

00:29:22,230 --> 00:29:19,840

leave us here he'll invite us in he has

838

00:29:25,269 --> 00:29:22,240

to let us in he can't leave us here

839

00:29:27,830 --> 00:29:25,279

and uh but she never addressed me but by

840

00:29:29,590 --> 00:29:27,840

the time they got up close to the car

841

00:29:31,830 --> 00:29:29,600

i saw because i was under a street light

842

00:29:34,070 --> 00:29:31,840

there they didn't have any eyes it was

843

00:29:36,470 --> 00:29:34,080

black in there and i'm just like holy

844

00:29:40,230 --> 00:29:36,480

god never heard of such a thing before

845

00:29:40,950 --> 00:29:40,240

uh and it was just it scared the crap as

846

00:29:59,990 --> 00:29:40,960

a

847

00:30:02,789 --> 00:30:00,000

kind of projection of

848

00:30:03,990 --> 00:30:02,799

i it felt demonic to me that truly did

849

00:30:05,909 --> 00:30:04,000

and uh

850

00:30:07,029 --> 00:30:05,919

i finally got in i got my car started

851
00:30:08,070 --> 00:30:07,039
and they were right up to where they

852
00:30:09,669 --> 00:30:08,080
could have

853
00:30:10,630 --> 00:30:09,679
jumped in the car because i had the top

854
00:30:12,950 --> 00:30:10,640
down

855
00:30:14,310 --> 00:30:12,960
and instead of driving out normally i

856
00:30:16,710 --> 00:30:14,320
went down through the lawn of the place

857
00:30:19,110 --> 00:30:16,720
jumped the curb

858
00:30:20,950 --> 00:30:19,120
had a girlfriend that i stayed with

859
00:30:22,870 --> 00:30:20,960
sometimes when i worked late because she

860
00:30:24,470 --> 00:30:22,880
lived close to my regular

861
00:30:26,310 --> 00:30:24,480
nine to five gig

862
00:30:27,669 --> 00:30:26,320
and uh that night even though i had to

863
00:30:28,950 --> 00:30:27,679

be at work the next morning instead of

864

00:30:30,950 --> 00:30:28,960

going to her house which is only a

865

00:30:32,870 --> 00:30:30,960

couple miles away turned the other way

866

00:30:35,110 --> 00:30:32,880

tore down pellissippi parkway there in

867

00:30:37,350 --> 00:30:35,120

west knoxville and i'm doing like 100

868

00:30:39,190 --> 00:30:37,360

miles an hour in this little miata

869

00:30:41,190 --> 00:30:39,200

and i kept looking in my rearview mirror

870

00:30:43,590 --> 00:30:41,200

not for the cops but i had this

871

00:30:44,789 --> 00:30:43,600

irrational thought that i'm going to

872

00:30:46,070 --> 00:30:44,799

look back and those little girls are

873

00:30:48,149 --> 00:30:46,080

going to be like hanging on the back of

874

00:30:50,470 --> 00:30:48,159

the car or i'd look over and they'd just

875

00:30:52,549 --> 00:30:50,480

be in the seat or some just you know

876

00:30:54,310 --> 00:30:52,559

stuff that didn't make any sense

877

00:30:56,310 --> 00:30:54,320

drove all the way to my parents house in

878

00:30:59,509 --> 00:30:56,320

oak ridge which was

879

00:31:01,750 --> 00:30:59,519

oh good 20 25 miles away got to their

880

00:31:03,430 --> 00:31:01,760

house went uh in the driveway pulled

881

00:31:05,110 --> 00:31:03,440

around back and parked under a tree

882

00:31:07,110 --> 00:31:05,120

which i'd never done

883

00:31:09,509 --> 00:31:07,120

uh let myself in they were

884

00:31:11,190 --> 00:31:09,519

long asleep and i stayed up the rest of

885

00:31:13,430 --> 00:31:11,200

the night like going peering out the

886

00:31:15,190 --> 00:31:13,440

windows and looking out the kitchen door

887

00:31:18,470 --> 00:31:15,200

like these two little girls are just

888

00:31:20,389 --> 00:31:18,480

gonna show up and they never did

889

00:31:22,070 --> 00:31:20,399

of course and i ended up

890

00:31:24,389 --> 00:31:22,080

once it was daylight then i called in

891

00:31:26,149 --> 00:31:24,399

sick to my other gig and then

892

00:31:27,669 --> 00:31:26,159

slept what i could but it was

893

00:31:29,909 --> 00:31:27,679

frightening i still

894

00:31:31,430 --> 00:31:29,919

said even when i tell it

895

00:31:33,990 --> 00:31:31,440

uh it

896

00:31:36,070 --> 00:31:34,000

it's like almost a ptsd type thing i

897

00:31:37,509 --> 00:31:36,080

relive it in my mind

898

00:31:39,029 --> 00:31:37,519

and it's it's gotten easy to tell i

899

00:31:39,990 --> 00:31:39,039

wouldn't even talk about it for a long

900

00:31:41,269 --> 00:31:40,000

time

901
00:31:44,230 --> 00:31:41,279
and yeah because i've never heard it

902
00:31:45,269 --> 00:31:44,240
before no and part of that was the fear

903
00:31:47,029 --> 00:31:45,279
that

904
00:31:49,590 --> 00:31:47,039
i'm part cherokee and a lot of the

905
00:31:51,430 --> 00:31:49,600
others will caution you against just by

906
00:31:53,590 --> 00:31:51,440
talking or even thinking about certain

907
00:31:55,830 --> 00:31:53,600
things you can draw it to you

908
00:31:57,990 --> 00:31:55,840
so i was like you know i certainly don't

909
00:31:59,110 --> 00:31:58,000
want these things to show back up

910
00:32:00,630 --> 00:31:59,120
but uh

911
00:32:03,350 --> 00:32:00,640
the first time i talked about it was on

912
00:32:05,190 --> 00:32:03,360
the old art bell show and uh art was

913
00:32:06,710 --> 00:32:05,200

sick that night and heather wade was

914

00:32:08,230 --> 00:32:06,720

sitting in for him

915

00:32:09,669 --> 00:32:08,240

and it was great though he called in

916

00:32:11,669 --> 00:32:09,679

during the commercial breaks to tell her

917

00:32:13,669 --> 00:32:11,679

what a good job she was doing and he

918

00:32:15,269 --> 00:32:13,679

said hey steve i like that story i just

919

00:32:18,389 --> 00:32:15,279

said wow i talked to heart bell you know

920

00:32:20,549 --> 00:32:18,399

because he's a legend but uh that night

921

00:32:22,630 --> 00:32:20,559

after i was done with that show

922

00:32:24,870 --> 00:32:22,640

there was in the house i was living at

923

00:32:27,590 --> 00:32:24,880

the time i had uh

924

00:32:28,710 --> 00:32:27,600

perimeter alarms i had motion lights all

925

00:32:30,549 --> 00:32:28,720

this stuff

926
00:32:33,269 --> 00:32:30,559
none of that tripped off but there was a

927
00:32:35,029 --> 00:32:33,279
knock at the front door bang bang bang

928
00:32:36,710 --> 00:32:35,039
and then i heard what sounded like a

929
00:32:38,149 --> 00:32:36,720
scream that came

930
00:32:39,990 --> 00:32:38,159
into the house went all the way through

931
00:32:41,430 --> 00:32:40,000
the house and out the back

932
00:32:42,470 --> 00:32:41,440
at first i thought something happened to

933
00:32:44,389 --> 00:32:42,480
my daughter

934
00:32:45,990 --> 00:32:44,399
i ran flung her door open turned the

935
00:32:48,070 --> 00:32:46,000
light on she's in the bed of sleep and

936
00:32:51,110 --> 00:32:48,080
i'm like are you okay and she's like

937
00:32:53,269 --> 00:32:51,120
yeah why i said did you hear that scream

938
00:32:57,350 --> 00:32:53,279

and she said no but i told you don't

939

00:32:59,509 --> 00:32:57,360

talk about those damn black-eyed kids

940

00:33:01,909 --> 00:32:59,519

and other times i had just some minor

941

00:33:03,110 --> 00:33:01,919

things like that happen uh

942

00:33:05,110 --> 00:33:03,120

somebody else told me they were

943

00:33:06,870 --> 00:33:05,120

listening and uh they had their i think

944

00:33:08,830 --> 00:33:06,880

some paintings fell off the wall that

945

00:33:11,830 --> 00:33:08,840

happened at my house i had

946

00:33:13,269 --> 00:33:11,840

some glass things that shattered just on

947

00:33:14,870 --> 00:33:13,279

their own so

948

00:33:16,389 --> 00:33:14,880

but i don't think i'll ever write that

949

00:33:17,509 --> 00:33:16,399

one like i said i just don't think i

950

00:33:19,509 --> 00:33:17,519

could

951
00:33:21,110 --> 00:33:19,519
get capture the emotion that comes

952
00:33:23,110 --> 00:33:21,120
across when i tell it but that's the

953
00:33:24,870 --> 00:33:23,120
most frightening encounter that i've

954
00:33:26,070 --> 00:33:24,880
ever had and like i said the one that

955
00:33:28,230 --> 00:33:26,080
should be the least frightening it's

956
00:33:29,990 --> 00:33:28,240
just a couple of kids in a parking lot

957
00:33:32,070 --> 00:33:30,000
wow o'clock in the morning but it was

958
00:33:33,750 --> 00:33:32,080
the circumstances and whatever was

959
00:33:35,509 --> 00:33:33,760
coming off them was coming off them in

960
00:33:36,950 --> 00:33:35,519
waves and that's what was scaring me you

961
00:33:39,509 --> 00:33:36,960
know when i talked to

962
00:33:42,070 --> 00:33:39,519
experiencers of black eyed kids it's

963
00:33:43,750 --> 00:33:42,080

palpable born to talk about it

964

00:33:46,950 --> 00:33:43,760

as opposed to even somebody who sees a

965

00:33:48,950 --> 00:33:46,960

bigfoot a distance or something

966

00:33:50,149 --> 00:33:48,960

you know these things are concentrated

967

00:33:51,669 --> 00:33:50,159

on them

968

00:33:52,950 --> 00:33:51,679

they're talking to them for the most

969

00:33:55,190 --> 00:33:52,960

part

970

00:33:57,669 --> 00:33:55,200

and uh

971

00:33:59,430 --> 00:33:57,679

yeah i um

972

00:34:01,190 --> 00:33:59,440

i i you know what do you think it is do

973

00:34:03,269 --> 00:34:01,200

you think it's a possession thing or

974

00:34:06,630 --> 00:34:03,279

what you know i i've never really been

975

00:34:08,950 --> 00:34:06,640

able to pinpoint or pinned down what i

976
00:34:11,510 --> 00:34:08,960
think it's either a possession thing or

977
00:34:13,109 --> 00:34:11,520
almost like uh some sort of demonic

978
00:34:15,190 --> 00:34:13,119
shape shifter i think that anything

979
00:34:17,669 --> 00:34:15,200
that's evil like that it could appear to

980
00:34:19,349 --> 00:34:17,679
you in any number of ways

981
00:34:20,550 --> 00:34:19,359
and uh if you look at people that have

982
00:34:21,829 --> 00:34:20,560
experienced

983
00:34:24,310 --> 00:34:21,839
stuff like that i mean starting with the

984
00:34:26,470 --> 00:34:24,320
men in black they wear nice clothes they

985
00:34:27,589 --> 00:34:26,480
drive nice new cars but then they're

986
00:34:29,349 --> 00:34:27,599
they're kind of messed up they've got

987
00:34:30,629 --> 00:34:29,359
these odd speech patterns their skin

988
00:34:32,550 --> 00:34:30,639

looks strange

989

00:34:35,349 --> 00:34:32,560

and it's like whatever sent that out so

990

00:34:36,069 --> 00:34:35,359

okay well that didn't work uh let's send

991

00:34:38,389 --> 00:34:36,079

uh

992

00:34:40,230 --> 00:34:38,399

phantom clowns everybody loves clowns

993

00:34:41,430 --> 00:34:40,240

but then it's these weird creepy clowns

994

00:34:43,430 --> 00:34:41,440

that come out of the woods and chase

995

00:34:45,669 --> 00:34:43,440

people nobody loved them and then it's

996

00:34:47,430 --> 00:34:45,679

like well well damn it what about kids

997

00:34:50,069 --> 00:34:47,440

everybody loves kids we'll send kids out

998

00:34:51,669 --> 00:34:50,079

to to try to get into people's places

999

00:34:53,829 --> 00:34:51,679

and stuff but then it's these creepy

1000

00:34:56,790 --> 00:34:53,839

kids with black eyes that talk in this

1001
00:34:59,270 --> 00:34:56,800
weird monotone and yeah that would creep

1002
00:35:01,109 --> 00:34:59,280
anybody out i would think you know

1003
00:35:03,109 --> 00:35:01,119
and the only story i've ever heard of

1004
00:35:05,109 --> 00:35:03,119
somebody that let them in

1005
00:35:06,870 --> 00:35:05,119
shortly after that her husband died of

1006
00:35:09,349 --> 00:35:06,880
something really strange like a cancer

1007
00:35:12,950 --> 00:35:09,359
or blood disease and then last i'd heard

1008
00:35:13,910 --> 00:35:12,960
she was sick with some strange melody

1009
00:35:14,710 --> 00:35:13,920
so

1010
00:35:45,190 --> 00:35:14,720
i

1011
00:35:46,790 --> 00:35:45,200
years old they would be adults now so

1012
00:35:48,550 --> 00:35:46,800
are the black-eyed adults is that

1013
00:35:49,990 --> 00:35:48,560

black-eyed kids that grew up or are they

1014

00:35:52,630 --> 00:35:50,000

just a separate

1015

00:35:54,470 --> 00:35:52,640

entity it's a good question i mean you

1016

00:35:56,950 --> 00:35:54,480

know i i have had reports of these

1017

00:35:58,630 --> 00:35:56,960

adults that have black eyes too and

1018

00:36:00,710 --> 00:35:58,640

you know many people ask me well i've

1019

00:36:03,030 --> 00:36:00,720

heard of black eyed kids are those just

1020

00:36:05,190 --> 00:36:03,040

you grown up black guy kid i don't know

1021

00:36:06,870 --> 00:36:05,200

i mean if it's a possession thing it

1022

00:36:08,390 --> 00:36:06,880

maybe not i mean never even heard of

1023

00:36:11,829 --> 00:36:08,400

black eyed babies

1024

00:36:14,150 --> 00:36:11,839

uh all that with these kind of

1025

00:36:16,069 --> 00:36:14,160

yeah and you know i

1026
00:36:18,230 --> 00:36:16,079
i i had an encounter somebody had an

1027
00:36:21,990 --> 00:36:18,240
encounter in kansas

1028
00:36:23,510 --> 00:36:22,000
in this uh in his furniture store

1029
00:36:26,630 --> 00:36:23,520
and uh

1030
00:36:28,870 --> 00:36:26,640
this woman walked in with these babies

1031
00:36:30,710 --> 00:36:28,880
and she set them down on one of the beds

1032
00:36:32,310 --> 00:36:30,720
in the furniture store and took off and

1033
00:36:33,510 --> 00:36:32,320
when they went to they started hearing

1034
00:36:36,710 --> 00:36:33,520
the crying

1035
00:36:38,790 --> 00:36:36,720
and these babies had black eyes oh man i

1036
00:36:41,589 --> 00:36:38,800
gotta chill when you're describing that

1037
00:36:44,630 --> 00:36:41,599
there yeah so uh i don't know what the

1038
00:36:46,550 --> 00:36:44,640

deal is there but uh i don't know it

1039

00:36:48,470 --> 00:36:46,560

just to me it and i have a christian

1040

00:36:50,710 --> 00:36:48,480

background my brother was a

1041

00:36:52,950 --> 00:36:50,720

evangelical preacher to me it felt very

1042

00:36:54,710 --> 00:36:52,960

demonic and he had a deliverance

1043

00:36:56,950 --> 00:36:54,720

minister he would you know go places and

1044

00:36:58,950 --> 00:36:56,960

then cast demons out of people

1045

00:37:01,670 --> 00:36:58,960

and just some of the stories i've heard

1046

00:37:03,430 --> 00:37:01,680

him telling stuff the just the feeling

1047

00:37:06,230 --> 00:37:03,440

that that has when there's stuff like

1048

00:37:08,390 --> 00:37:06,240

that going on the extremely

1049

00:37:11,109 --> 00:37:08,400

bizarre supernatural stuff that he

1050

00:37:12,710 --> 00:37:11,119

termed demonic that was quite i felt

1051
00:37:14,069 --> 00:37:12,720
whatever it was that was coming off him

1052
00:37:15,589 --> 00:37:14,079
there was nothing nice about it there

1053
00:37:17,829 --> 00:37:15,599
was nothing

1054
00:37:18,710 --> 00:37:17,839
loving or friendly or anything about it

1055
00:37:20,710 --> 00:37:18,720
like

1056
00:37:22,390 --> 00:37:20,720
it was just just pure evil that's that's

1057
00:37:24,150 --> 00:37:22,400
about the only way i can describe it and

1058
00:37:26,230 --> 00:37:24,160
it's just two two little girls there was

1059
00:37:29,109 --> 00:37:26,240
nothing frightening about them or their

1060
00:37:30,310 --> 00:37:29,119
parents other than the black guys

1061
00:37:31,349 --> 00:37:30,320
you know it's interesting your

1062
00:37:33,430 --> 00:37:31,359
background

1063
00:37:36,870 --> 00:37:33,440

kind of parallels mine to some degree i

1064

00:37:38,710 --> 00:37:36,880

you know my fa one part of my family uh

1065

00:37:41,430 --> 00:37:38,720

lived in western

1066

00:37:43,109 --> 00:37:41,440

north carolina and uh in fact my great

1067

00:37:44,230 --> 00:37:43,119

grandmother was born and raised in

1068

00:37:50,390 --> 00:37:44,240

cherokee

1069

00:37:53,589 --> 00:37:50,400

they a lot of family stayed there

1070

00:37:55,589 --> 00:37:53,599

uh and they were they were uh

1071

00:37:57,430 --> 00:37:55,599

uh raised and raised their families near

1072

00:37:58,710 --> 00:37:57,440

rhone mountain in that area up and there

1073

00:38:02,150 --> 00:37:58,720

i've been up to the road mountain

1074

00:38:04,950 --> 00:38:02,160

fireball and uh oh that's a wild place

1075

00:38:06,950 --> 00:38:04,960

it is i've been up there before and uh

1076

00:38:09,109 --> 00:38:06,960

i've got a friend that lives up in that

1077

00:38:11,270 --> 00:38:09,119

area and he promised me that if i'd come

1078

00:38:14,150 --> 00:38:11,280

up there he would take me to a cave that

1079

00:38:16,069 --> 00:38:14,160

had spiders as big as house cats

1080

00:38:17,670 --> 00:38:16,079

that the body of the spider was as big

1081

00:38:19,190 --> 00:38:17,680

as a cat plus you know the legs and

1082

00:38:21,510 --> 00:38:19,200

everything and i'm like

1083

00:38:23,990 --> 00:38:21,520

if that's true you couldn't get me near

1084

00:38:26,710 --> 00:38:24,000

a spider as big as that i like spiders

1085

00:38:28,470 --> 00:38:26,720

anyway yeah one as big as a cat could

1086

00:38:30,310 --> 00:38:28,480

could probably catch you

1087

00:38:32,069 --> 00:38:30,320

but he he claimed that in the webs and

1088

00:38:34,230 --> 00:38:32,079

stuff he'd seen him like take good-sized

1089

00:38:36,470 --> 00:38:34,240

birds and stuff yeah and that's

1090

00:38:39,109 --> 00:38:36,480

supposedly up on roan mountain uh near

1091

00:38:41,109 --> 00:38:39,119

there you've got uh fiddler's rock yeah

1092

00:38:44,069 --> 00:38:41,119

and then of course the fireball there

1093

00:38:46,310 --> 00:38:44,079

and then not too far over there

1094

00:38:48,630 --> 00:38:46,320

uh we got a lot of weird stuff around

1095

00:38:50,310 --> 00:38:48,640

boone and you've got the uh

1096

00:38:52,150 --> 00:38:50,320

the brown mountain lights and i've seen

1097

00:38:54,150 --> 00:38:52,160

those several times that's some of the

1098

00:38:55,589 --> 00:38:54,160

strangest phenomena i've ever

1099

00:38:57,270 --> 00:38:55,599

encountered and

1100

00:38:59,430 --> 00:38:57,280

on several different occasions i used to

1101

00:39:01,670 --> 00:38:59,440

live in mountain city tennessee for a

1102

00:39:03,430 --> 00:39:01,680

short time so just a hop skip and a jump

1103

00:39:04,390 --> 00:39:03,440

over to rhonda mountain or over to boone

1104

00:39:05,990 --> 00:39:04,400

or

1105

00:39:07,670 --> 00:39:06,000

that area that was basically if you

1106

00:39:09,510 --> 00:39:07,680

wanted to do any shopping you had to go

1107

00:39:11,270 --> 00:39:09,520

to johnson city tennessee or boone north

1108

00:39:13,109 --> 00:39:11,280

carolina or

1109

00:39:15,109 --> 00:39:13,119

the other direction abington virginia

1110

00:39:17,190 --> 00:39:15,119

that whole area there it's just

1111

00:39:19,510 --> 00:39:17,200

kind of a little little hotbed of

1112

00:39:21,190 --> 00:39:19,520

strange encounters i've heard some weird

1113

00:39:22,790 --> 00:39:21,200

stories i mean you know

1114

00:39:24,630 --> 00:39:22,800

back then when the 60s when i was

1115

00:39:26,390 --> 00:39:24,640

growing up you know they weren't talking

1116

00:39:29,670 --> 00:39:26,400

about bigfoot but they were talking

1117

00:39:31,910 --> 00:39:29,680

about wild man and uh you know

1118

00:39:33,589 --> 00:39:31,920

pete you know my uncle my uncle had a

1119

00:39:35,030 --> 00:39:33,599

still up on the mountain

1120

00:39:37,030 --> 00:39:35,040

and uh

1121

00:39:38,390 --> 00:39:37,040

the wild man would come there and bust

1122

00:39:39,670 --> 00:39:38,400

open the still

1123

00:39:42,230 --> 00:39:39,680

and you know they didn't like him being

1124

00:39:43,670 --> 00:39:42,240

around there so uh yeah i mean i heard a

1125

00:39:45,510 --> 00:39:43,680

lot of stories about they were here i

1126

00:39:46,950 --> 00:39:45,520

heard those stories about my grandmother

1127

00:39:48,550 --> 00:39:46,960

my paternal grandmother they lived in

1128

00:39:50,710 --> 00:39:48,560

caedes cove when they came over from

1129

00:39:52,230 --> 00:39:50,720

england and that's where they landed so

1130

00:39:53,910 --> 00:39:52,240

it's very similar to what you're

1131

00:39:54,950 --> 00:39:53,920

describing there western north carolina

1132

00:39:56,950 --> 00:39:54,960

because the

1133

00:39:57,829 --> 00:39:56,960

great smokies national park pretty much

1134

00:39:59,510 --> 00:39:57,839

sits

1135

00:40:00,790 --> 00:39:59,520

on the border between north carolina

1136

00:40:03,109 --> 00:40:00,800

east tennessee and western north

1137

00:40:05,910 --> 00:40:03,119

carolina but they would talk about uh

1138

00:40:07,910 --> 00:40:05,920

wild men like feral people that lived

1139

00:40:08,790 --> 00:40:07,920

out in the woods i don't know if it was

1140

00:40:11,030 --> 00:40:08,800

actual

1141

00:40:12,710 --> 00:40:11,040

people that just lived off-grid and you

1142

00:40:14,790 --> 00:40:12,720

know didn't want anything to do with

1143

00:40:17,430 --> 00:40:14,800

anybody or if it i've even heard it

1144

00:40:19,349 --> 00:40:17,440

described as some kind of a hybrid

1145

00:40:22,710 --> 00:40:19,359

like maybe uh

1146

00:40:24,630 --> 00:40:22,720

there's a guy on youtube south force 10

1147

00:40:27,030 --> 00:40:24,640

that claims they're like a hybrid of

1148

00:40:29,109 --> 00:40:27,040

human and bigfoot to live up there and

1149

00:40:31,270 --> 00:40:29,119

that some of his relatives were hired

1150

00:40:34,470 --> 00:40:31,280

prior to the national park

1151

00:40:36,630 --> 00:40:34,480

i think it went in and i won't say 34 36

1152

00:40:38,230 --> 00:40:36,640

prior to that some the government hired

1153

00:40:39,589 --> 00:40:38,240

some of his relatives to go in and hunt

1154

00:40:41,910 --> 00:40:39,599

these things

1155

00:40:43,190 --> 00:40:41,920

and and kind of uh

1156

00:40:45,030 --> 00:40:43,200

thin them out

1157

00:40:46,309 --> 00:40:45,040

but he claims that that's one of the

1158

00:40:48,870 --> 00:40:46,319

reasons that the national park

1159

00:40:50,870 --> 00:40:48,880

boundaries is where they are to contain

1160

00:40:52,550 --> 00:40:50,880

whatever these creatures are

1161

00:40:54,069 --> 00:40:52,560

and supposedly they have a taste for

1162

00:40:55,829 --> 00:40:54,079

human flesh

1163

00:40:57,670 --> 00:40:55,839

and he claims that they're responsible

1164

00:40:59,270 --> 00:40:57,680

for the disappearance of dennis martin

1165

00:41:01,510 --> 00:40:59,280

and they hate him now that's not my

1166

00:41:03,430 --> 00:41:01,520

story south force 10

1167

00:41:05,990 --> 00:41:03,440

go talk to him if you talk you know i've

1168

00:41:08,950 --> 00:41:06,000

heard something i have heard simbler

1169

00:41:11,109 --> 00:41:08,960

yeah i just posted a story yesterday and

1170

00:41:12,230 --> 00:41:11,119

i i've had it for a while but i reposted

1171

00:41:15,190 --> 00:41:12,240

about uh

1172

00:41:17,190 --> 00:41:15,200

a supposed us special forces team going

1173

00:41:19,910 --> 00:41:17,200

in there and heading out

1174

00:41:22,309 --> 00:41:19,920

uh killer bigfoot group and actually the

1175

00:41:24,230 --> 00:41:22,319

area was in greece smoky mountain so

1176

00:41:25,750 --> 00:41:24,240

yeah i don't know how true that is but

1177

00:41:27,030 --> 00:41:25,760

you hear a lot of weird stuff up there

1178

00:41:29,829 --> 00:41:27,040

yeah that was kind of the thing with the

1179

00:41:31,270 --> 00:41:29,839

dennis martin case yeah the green berets

1180

00:41:32,870 --> 00:41:31,280

showed up to look for well the green

1181

00:41:35,829 --> 00:41:32,880

berets don't show up for missing

1182

00:41:37,270 --> 00:41:35,839

children now the official story is that

1183

00:41:40,390 --> 00:41:37,280

they were in the area doing some kind of

1184

00:41:43,030 --> 00:41:40,400

exercise and they joined in but yeah

1185

00:41:44,390 --> 00:41:43,040

maybe and the fbi was there right away

1186

00:41:46,069 --> 00:41:44,400

and the uh

1187

00:41:48,950 --> 00:41:46,079

the field agent now the knoxville office

1188

00:41:51,190 --> 00:41:48,960

that was over the dennis martin case uh

1189

00:41:53,750 --> 00:41:51,200

opted himself out a very spectacular

1190

00:41:55,510 --> 00:41:53,760

fashion in a nightclub on kingston pike

1191

00:41:57,430 --> 00:41:55,520

there in knoxville

1192

00:42:00,630 --> 00:41:57,440

uh went out in the middle of a dance

1193

00:42:02,230 --> 00:42:00,640

crowded dance floor and uh kaboom

1194

00:42:05,109 --> 00:42:02,240

so you know what did he know what had he

1195

00:42:06,550 --> 00:42:05,119

seen about that case that disturbed him

1196

00:42:08,630 --> 00:42:06,560

and uh

1197

00:42:10,630 --> 00:42:08,640

i don't know never got any real answers

1198

00:42:11,589 --> 00:42:10,640

that never found anything any trace of

1199

00:42:14,069 --> 00:42:11,599

anything

1200

00:42:16,309 --> 00:42:14,079

you know there was the the key family

1201

00:42:18,470 --> 00:42:16,319

saw what they described as a hairy

1202

00:42:20,390 --> 00:42:18,480

rugged man running up a

1203

00:42:21,589 --> 00:42:20,400

a hollow there a holler as they called

1204

00:42:23,109 --> 00:42:21,599

it was something

1205

00:42:25,270 --> 00:42:23,119

red over his shoulder well dennis was

1206

00:42:27,109 --> 00:42:25,280

wearing a red jacket when he disappeared

1207

00:42:28,470 --> 00:42:27,119

and they had heard a scream prior to

1208

00:42:31,270 --> 00:42:28,480

that so

1209

00:42:33,670 --> 00:42:31,280

but again was it just somebody like

1210

00:42:35,910 --> 00:42:33,680

cannibal hillbilly or was it a a bigfoot

1211

00:42:37,190 --> 00:42:35,920

type creature or a hybrid or

1212

00:42:39,270 --> 00:42:37,200

who knows

1213

00:42:41,829 --> 00:42:39,280

you know yeah there's that whole that

1214

00:42:44,710 --> 00:42:41,839

whole story that whole thing is creepy

1215

00:42:46,309 --> 00:42:44,720

um i mean your wine your mind wanders

1216

00:42:47,510 --> 00:42:46,319

and goes into a lot of different places

1217

00:42:48,950 --> 00:42:47,520

it really shouldn't do when you start

1218

00:42:51,510 --> 00:42:48,960

hearing that story

1219

00:42:53,109 --> 00:42:51,520

and uh yeah it does seem strange that

1220

00:42:55,030 --> 00:42:53,119

kid just suddenly disappeared the way it

1221

00:42:56,630 --> 00:42:55,040

did so um

1222

00:43:00,230 --> 00:42:56,640

interesting uh

1223

00:43:02,230 --> 00:43:00,240

yeah somebody asked about the these uh

1224

00:43:03,829 --> 00:43:02,240

these pale humanoids and of course i

1225

00:43:06,470 --> 00:43:03,839

wrote a book about it recently about

1226

00:43:08,390 --> 00:43:06,480

this pale humanoid for crawler phenomena

1227

00:43:10,630 --> 00:43:08,400

yeah have you been here much about that

1228

00:43:12,470 --> 00:43:10,640

i i'm hearing more and more and it's one

1229

00:43:14,630 --> 00:43:12,480

of those things that

1230

00:43:16,390 --> 00:43:14,640

supposedly maybe it started out as a

1231

00:43:18,870 --> 00:43:16,400

meme or a creepypasta

1232

00:43:19,829 --> 00:43:18,880

but then people actually started singing

1233

00:43:21,670 --> 00:43:19,839

and that's

1234

00:43:23,750 --> 00:43:21,680

happened with other stuff i mean

1235

00:43:26,150 --> 00:43:23,760

slenderman and things like that it was

1236

00:43:27,510 --> 00:43:26,160

just a made-up story then people started

1237

00:43:28,790 --> 00:43:27,520

seeing it and then there was the two

1238

00:43:30,470 --> 00:43:28,800

little girls that were going to kill

1239

00:43:32,870 --> 00:43:30,480

another little girl going to sacrifice

1240

00:43:35,349 --> 00:43:32,880

her to to slender man because he

1241

00:43:37,670 --> 00:43:35,359

commanded it you know so there's again

1242

00:43:40,550 --> 00:43:37,680

you go back to like the the native idea

1243

00:43:42,470 --> 00:43:40,560

the tulpa that if you

1244

00:43:44,550 --> 00:43:42,480

think about something enough it's a

1245

00:43:45,910 --> 00:43:44,560

thought form you can create things and

1246

00:43:47,750 --> 00:43:45,920

there's been

1247

00:43:49,990 --> 00:43:47,760

cases where that that supposedly

1248

00:43:51,430 --> 00:43:50,000

happened i know uh yeah the university

1249

00:43:54,790 --> 00:43:51,440

of north carolina they had one of the

1250

00:43:57,109 --> 00:43:54,800

first if not the first uh parapsychology

1251
00:43:58,790 --> 00:43:57,119
study departments in the in the country

1252
00:44:01,910 --> 00:43:58,800
at the university level they were rhyme

1253
00:44:03,829 --> 00:44:01,920
yeah and they uh basically created a

1254
00:44:06,150 --> 00:44:03,839
ghost they would meet once a week or

1255
00:44:08,230 --> 00:44:06,160
whatever they would talk about how he

1256
00:44:10,710 --> 00:44:08,240
was what he used to be the things he did

1257
00:44:12,710 --> 00:44:10,720
and then it started manifesting

1258
00:44:15,829 --> 00:44:12,720
and then another story that i like to

1259
00:44:18,069 --> 00:44:15,839
point to is um

1260
00:44:20,710 --> 00:44:18,079
walter gibson the guy that wrote the old

1261
00:44:22,710 --> 00:44:20,720
shadow mysteries for radio and the pulp

1262
00:44:24,630 --> 00:44:22,720
magazine or the shadow nose

1263
00:44:26,710 --> 00:44:24,640

that sort of thing well in his apartment

1264

00:44:27,510 --> 00:44:26,720

in greenwich village new york

1265

00:44:30,150 --> 00:44:27,520

uh

1266

00:44:32,309 --> 00:44:30,160

people started seeing

1267

00:44:34,710 --> 00:44:32,319

lamont cranston which was the the name

1268

00:44:36,470 --> 00:44:34,720

of the person that the shadow was you

1269

00:44:38,069 --> 00:44:36,480

know like batman was bruce wayne right

1270

00:44:40,630 --> 00:44:38,079

the shadow was this guy named lebon

1271

00:44:42,309 --> 00:44:40,640

cranston i always wore a overcoat with a

1272

00:44:45,109 --> 00:44:42,319

collar turned up in a slot chat and a

1273

00:44:47,750 --> 00:44:45,119

red scarf well people started seeing

1274

00:44:49,030 --> 00:44:47,760

this thing in his apartment he was

1275

00:44:50,950 --> 00:44:49,040

having dinner

1276

00:44:52,390 --> 00:44:50,960

one night and up in the the galley above

1277

00:44:54,390 --> 00:44:52,400

the uh

1278

00:44:56,710 --> 00:44:54,400

the gallery rather above the the dining

1279

00:44:58,710 --> 00:44:56,720

area they saw the guy in the on the

1280

00:45:01,030 --> 00:44:58,720

walkway and they're like oh great what'd

1281

00:45:02,790 --> 00:45:01,040

you do hire somebody to uh to dress up

1282

00:45:04,550 --> 00:45:02,800

like the shadow and he said no that just

1283

00:45:06,230 --> 00:45:04,560

started showing up here

1284

00:45:08,069 --> 00:45:06,240

and for those that don't know a lot

1285

00:45:10,230 --> 00:45:08,079

about walter gibson

1286

00:45:12,790 --> 00:45:10,240

this is a man who had like six

1287

00:45:14,790 --> 00:45:12,800

typewriters set up and he would write go

1288

00:45:16,550 --> 00:45:14,800

from one to the other to the other he

1289

00:45:18,390 --> 00:45:16,560

wrote hundreds and hundreds of those

1290

00:45:20,470 --> 00:45:18,400

radio scripts and stories from the pulp

1291

00:45:22,710 --> 00:45:20,480

magazines and stuff and that's what he

1292

00:45:25,109 --> 00:45:22,720

said he said it's a thought form

1293

00:45:27,349 --> 00:45:25,119

that i created i sat here and i put all

1294

00:45:29,670 --> 00:45:27,359

this emotion and toil and literally

1295

00:45:32,550 --> 00:45:29,680

blood sweat and tears into these stories

1296

00:45:34,390 --> 00:45:32,560

and it manifested without me meaning to

1297

00:45:36,630 --> 00:45:34,400

do that well you know

1298

00:45:39,589 --> 00:45:36,640

that was my premise for the book uh the

1299

00:45:42,390 --> 00:45:39,599

book's titled the mean humanoids and uh

1300

00:45:44,150 --> 00:45:42,400

i uh i that was the one the overriding

1301

00:45:46,309 --> 00:45:44,160

theory that a lot of these pale or

1302

00:45:49,750 --> 00:45:46,319

crawler humanoids were thought-form

1303

00:45:52,309 --> 00:45:49,760

manifestations yeah and uh

1304

00:45:54,069 --> 00:45:52,319

you know it is funny that all people are

1305

00:45:55,589 --> 00:45:54,079

seeing these things all of a sudden yeah

1306

00:45:57,109 --> 00:45:55,599

as opposed to what they have been seeing

1307

00:45:58,470 --> 00:45:57,119

before and i believe that can happen and

1308

00:45:59,990 --> 00:45:58,480

that that's one reason i didn't talk

1309

00:46:02,550 --> 00:46:00,000

about the black black-eyed kids i didn't

1310

00:46:04,390 --> 00:46:02,560

want them to come back

1311

00:46:05,910 --> 00:46:04,400

well but then a part of me would like to

1312

00:46:06,710 --> 00:46:05,920

see me and i would like to see him again

1313

00:46:09,670 --> 00:46:06,720

now

1314

00:46:11,589 --> 00:46:09,680

like after this many years and then see

1315

00:46:14,710 --> 00:46:11,599

if it would still be the same if i would

1316

00:46:17,990 --> 00:46:14,720

still feel the same or still but part of

1317

00:46:19,430 --> 00:46:18,000

me thinks yeah i probably would so

1318

00:46:22,150 --> 00:46:19,440

so yes or no

1319

00:46:24,790 --> 00:46:22,160

somebody asked about the um

1320

00:46:26,870 --> 00:46:24,800

uh about the brown mountain lights and

1321

00:46:28,390 --> 00:46:26,880

uh you have seen them oh yeah i've seen

1322

00:46:30,069 --> 00:46:28,400

them several times

1323

00:46:31,750 --> 00:46:30,079

probably oh

1324

00:46:33,670 --> 00:46:31,760

a half dozen or so when i lived in the

1325

00:46:34,470 --> 00:46:33,680

area i went over there every chance i i

1326

00:46:37,670 --> 00:46:34,480

got

1327

00:46:39,349 --> 00:46:37,680

and they never failed to uh appear now

1328

00:46:41,750 --> 00:46:39,359

sometimes they were more brilliant than

1329

00:46:43,349 --> 00:46:41,760

others sometimes the the light show or

1330

00:46:45,829 --> 00:46:43,359

whatever you want to call it lasted

1331

00:46:47,750 --> 00:46:45,839

longer but i saw him every time i was

1332

00:46:49,670 --> 00:46:47,760

there the first time

1333

00:46:52,550 --> 00:46:49,680

i saw him like in the wooded area i was

1334

00:46:54,630 --> 00:46:52,560

on the overlook there at wiseman's gorge

1335

00:46:56,390 --> 00:46:54,640

uh there's a pull-off on the side of the

1336

00:46:58,069 --> 00:46:56,400

road i was on the other side of that

1337

00:47:00,470 --> 00:46:58,079

it's hard to get to

1338

00:47:02,390 --> 00:47:00,480

a gravel road that goes back in there

1339

00:47:04,390 --> 00:47:02,400

it's got a really good view of the whole

1340

00:47:06,550 --> 00:47:04,400

gorge there in the overlook

1341

00:47:08,550 --> 00:47:06,560

and first it looked like

1342

00:47:10,470 --> 00:47:08,560

almost like a fluorescent lantern like

1343

00:47:11,910 --> 00:47:10,480

somebody was holding a lantern and

1344

00:47:14,150 --> 00:47:11,920

running through the trees and i thought

1345

00:47:16,150 --> 00:47:14,160

yeah i don't know that's no big deal but

1346

00:47:18,550 --> 00:47:16,160

then the next day i went up there early

1347

00:47:20,470 --> 00:47:18,560

before it got dark and the area where

1348

00:47:23,270 --> 00:47:20,480

i'd observed the lights was literally on

1349

00:47:25,349 --> 00:47:23,280

a sheer cliff face almost with some of

1350

00:47:27,990 --> 00:47:25,359

the outcroppings there was trees growing

1351

00:47:29,430 --> 00:47:28,000

up off the rocks there was no way any

1352

00:47:32,390 --> 00:47:29,440

person could have even got to where

1353

00:47:33,990 --> 00:47:32,400

those trees were let alone run through

1354

00:47:36,390 --> 00:47:34,000

and then other times i've seen them come

1355

00:47:38,630 --> 00:47:36,400

up over the mountain and fly across the

1356

00:47:40,470 --> 00:47:38,640

gorge there come over your head

1357

00:47:42,790 --> 00:47:40,480

sometimes they'll start out as one it'll

1358

00:47:44,470 --> 00:47:42,800

split into two or three they'll change

1359

00:47:45,829 --> 00:47:44,480

color then they'll go back together then

1360

00:47:47,910 --> 00:47:45,839

they're just gone

1361

00:47:50,069 --> 00:47:47,920

uh some i've had them come relatively

1362

00:47:51,990 --> 00:47:50,079

close and then just wink out

1363

00:47:53,750 --> 00:47:52,000

it's strange and they've done all kinds

1364

00:47:56,230 --> 00:47:53,760

of studies have been done there no unc

1365

00:47:58,630 --> 00:47:56,240

went over there seismologists thought oh

1366

00:48:00,309 --> 00:47:58,640

it's the tectonic plate shifting or the

1367

00:48:01,750 --> 00:48:00,319

old swamp gas you know that one's been

1368

00:48:03,670 --> 00:48:01,760

trotted out but

1369

00:48:05,589 --> 00:48:03,680

uh another common theory is oh well it's

1370

00:48:07,589 --> 00:48:05,599

headlights of cars from

1371

00:48:09,270 --> 00:48:07,599

but they were seeing those lights in

1372

00:48:11,270 --> 00:48:09,280

there before there were any cars or

1373

00:48:13,349 --> 00:48:11,280

trains or anything in those mountains

1374

00:48:15,990 --> 00:48:13,359

yeah the legend is that there was two

1375

00:48:18,069 --> 00:48:16,000

different tribes that were warring there

1376

00:48:20,069 --> 00:48:18,079

and that's the ghost of those braves

1377

00:48:23,510 --> 00:48:20,079

that you see and then there's another

1378

00:48:25,190 --> 00:48:23,520

story that's similar to that where

1379

00:48:27,829 --> 00:48:25,200

one indian maiden wanted to marry

1380

00:48:29,589 --> 00:48:27,839

outside of her tribe and uh she was

1381

00:48:31,750 --> 00:48:29,599

murdered for that and then the the guy

1382

00:48:33,910 --> 00:48:31,760

she wanted to marry was murdered too and

1383

00:48:36,069 --> 00:48:33,920

that's their spirits in there looking

1384

00:48:38,790 --> 00:48:36,079

for vengeance but whatever it is

1385

00:48:40,630 --> 00:48:38,800

whichever legend you want to believe or

1386

00:48:42,150 --> 00:48:40,640

it's creepy and it's but it's a good

1387

00:48:44,470 --> 00:48:42,160

kind of creepy i didn't get anything

1388

00:48:47,190 --> 00:48:44,480

evil or bad off those it was just

1389

00:48:48,710 --> 00:48:47,200

kind of cool to sit there and watch that

1390

00:48:51,670 --> 00:48:48,720

yeah my uh

1391

00:48:53,750 --> 00:48:51,680

my associate butch wikowski spent time

1392

00:48:55,430 --> 00:48:53,760

down there and he was um

1393

00:48:56,630 --> 00:48:55,440

he wasn't really sure what it was but he

1394

00:48:58,470 --> 00:48:56,640

did see it

1395

00:49:01,270 --> 00:48:58,480

and you know i've talked to

1396

00:49:03,589 --> 00:49:01,280

a lot of people who well known to have

1397

00:49:06,069 --> 00:49:03,599

seen this as well so i mean do you think

1398

00:49:08,710 --> 00:49:06,079

it's more natural than supernatural or

1399

00:49:10,390 --> 00:49:08,720

what what do you think well it it's

1400

00:49:11,750 --> 00:49:10,400

natural kind of an appearance i've seen

1401

00:49:12,710 --> 00:49:11,760

ball lightning and stuff like that

1402

00:49:14,470 --> 00:49:12,720

before

1403

00:49:17,109 --> 00:49:14,480

it's it kind of reminds me of that

1404

00:49:20,309 --> 00:49:17,119

except it's a lot higher up

1405

00:49:21,270 --> 00:49:20,319

uh but the way it behaves it it appears

1406

00:49:23,589 --> 00:49:21,280

to be

1407

00:49:25,589 --> 00:49:23,599

under some sort of

1408

00:49:27,430 --> 00:49:25,599

remote control if you will or there's

1409

00:49:28,950 --> 00:49:27,440

there's something because you know it it

1410

00:49:30,390 --> 00:49:28,960

flies this way and then they come back

1411

00:49:33,829 --> 00:49:30,400

together and then it'll wink out and

1412

00:49:36,069 --> 00:49:33,839

then come back on and it appears to have

1413

00:49:38,150 --> 00:49:36,079

some intelligence or at least an

1414

00:49:40,230 --> 00:49:38,160

intelligence that's controlling it if

1415

00:49:42,150 --> 00:49:40,240

you will

1416

00:49:45,910 --> 00:49:42,160

so

1417

00:49:48,150 --> 00:49:45,920

butch butch was a legend and uh

1418

00:49:50,069 --> 00:49:48,160

certainly miss butch a lot

1419

00:49:51,910 --> 00:49:50,079

i think he always had some some great

1420

00:49:54,069 --> 00:49:51,920

stories

1421

00:49:55,910 --> 00:49:54,079

um i've heard some stuff recently i want

1422

00:49:58,549 --> 00:49:55,920

to see if you've heard any of these had

1423

00:49:59,910 --> 00:49:58,559

a friend over in vancouver

1424

00:50:01,910 --> 00:49:59,920

washington

1425

00:50:04,630 --> 00:50:01,920

that she witnessed what she described as

1426

00:50:07,270 --> 00:50:04,640

a praying mantis that was taller than

1427

00:50:09,589 --> 00:50:07,280

she was she was outside smoking just a

1428

00:50:11,589 --> 00:50:09,599

regular cigarette and

1429

00:50:13,910 --> 00:50:11,599

something was coming between her in the

1430

00:50:16,390 --> 00:50:13,920

street light and she looked over and it

1431

00:50:19,190 --> 00:50:16,400

was a praying mantis but she said one

1432

00:50:20,710 --> 00:50:19,200

almost as tall as the streetlight and

1433

00:50:22,870 --> 00:50:20,720

she ran in the house to get a camera and

1434

00:50:25,270 --> 00:50:22,880

of course came out and it was gone

1435

00:50:27,270 --> 00:50:25,280

and then i heard not too long ago of

1436

00:50:28,870 --> 00:50:27,280

what was described as a roach man have

1437

00:50:31,670 --> 00:50:28,880

you ever heard that one like that's what

1438

00:50:32,870 --> 00:50:31,680

i haven't heard of cockroach human-sized

1439

00:50:35,829 --> 00:50:32,880

bipedal

1440

00:50:37,109 --> 00:50:35,839

now that's again you know

1441

00:50:40,549 --> 00:50:37,119

that sounds like something out of the

1442

00:50:42,870 --> 00:50:40,559

men in black movie

1443

00:50:45,430 --> 00:50:42,880

but a roach man you know when you think

1444

00:50:47,430 --> 00:50:45,440

about that if whatever is out there if

1445

00:50:49,829 --> 00:50:47,440

it is a shape shifter or something like

1446

00:50:51,910 --> 00:50:49,839

that it can take on any form

1447

00:50:53,910 --> 00:50:51,920

and uh again you know with the

1448

00:50:55,349 --> 00:50:53,920

you've got the black the men in black

1449

00:50:58,069 --> 00:50:55,359

you've got the black-eyed kids you've

1450

00:51:00,069 --> 00:50:58,079

got the phantom clowns you know maybe

1451
00:51:02,309 --> 00:51:00,079
whatever it is if it's sin and things

1452
00:51:03,990 --> 00:51:02,319
like that this cosmic trickster

1453
00:51:05,510 --> 00:51:04,000
prankster or whatever maybe they're

1454
00:51:06,710 --> 00:51:05,520
trying different things and maybe it's

1455
00:51:08,150 --> 00:51:06,720
the ones

1456
00:51:09,910 --> 00:51:08,160
that you haven't heard of that's the

1457
00:51:12,390 --> 00:51:09,920
ones that got through

1458
00:51:15,030 --> 00:51:12,400
and i said one time if there's ever

1459
00:51:16,790 --> 00:51:15,040
black eyed bikini models with uh pizza

1460
00:51:18,790 --> 00:51:16,800
and metal albums you'll never see me

1461
00:51:20,150 --> 00:51:18,800
again

1462
00:51:24,549 --> 00:51:20,160
they come to my door hey come on in

1463
00:51:27,109 --> 00:51:24,559

ladies let's party uh i have had

1464

00:51:29,190 --> 00:51:27,119

i've had a lot of reports of insectoid

1465

00:51:30,309 --> 00:51:29,200

or mantid like beings

1466

00:51:32,950 --> 00:51:30,319

uh and

1467

00:51:33,829 --> 00:51:32,960

actually in a lot of the abduction cases

1468

00:51:36,630 --> 00:51:33,839

where

1469

00:51:38,390 --> 00:51:36,640

these things seem to be part of the uh

1470

00:51:41,109 --> 00:51:38,400

the whole scenario

1471

00:51:43,349 --> 00:51:41,119

within several different types of races

1472

00:51:45,109 --> 00:51:43,359

uh that they seem to be the hierarchy or

1473

00:51:48,230 --> 00:51:45,119

the one running the show

1474

00:51:49,990 --> 00:51:48,240

and of course uh down in over in new

1475

00:51:51,670 --> 00:51:50,000

jersey

1476

00:51:53,589 --> 00:51:51,680

we did the investigation with some of

1477

00:51:55,750 --> 00:51:53,599

those mantid sightings and insectoid

1478

00:51:57,910 --> 00:51:55,760

sightings over there so it's something

1479

00:52:00,710 --> 00:51:57,920

that does raise its ugly head every once

1480

00:52:02,950 --> 00:52:00,720

in a while but we do get them yeah

1481

00:52:05,750 --> 00:52:02,960

now the roach man apparently it wasn't

1482

00:52:08,309 --> 00:52:05,760

as big as a normal human but it was

1483

00:52:10,309 --> 00:52:08,319

human size like maybe four feet tall it

1484

00:52:11,510 --> 00:52:10,319

skidded around and then it stood up it

1485

00:52:13,829 --> 00:52:11,520

was like

1486

00:52:16,549 --> 00:52:13,839

running on its hind feet or signed legs

1487

00:52:17,910 --> 00:52:16,559

or whatever a roach has i don't

1488

00:52:20,230 --> 00:52:17,920

but that would be frightening just in

1489

00:52:21,750 --> 00:52:20,240

and of itself i mean you go to florida

1490

00:52:23,510 --> 00:52:21,760

those palmetto bugs those things are

1491

00:52:25,510 --> 00:52:23,520

huge and they'll fly right off

1492

00:52:27,589 --> 00:52:25,520

so i can imagine you know a four foot

1493

00:52:29,990 --> 00:52:27,599

tall roach that would be pretty scary

1494

00:52:31,510 --> 00:52:30,000

four foot tall any kind of insect like

1495

00:52:32,549 --> 00:52:31,520

you're talking about the

1496

00:52:35,349 --> 00:52:32,559

the uh

1497

00:52:37,430 --> 00:52:35,359

the spiders as big as cats yeah i think

1498

00:52:39,430 --> 00:52:37,440

that's the thing sometimes just the

1499

00:52:41,910 --> 00:52:39,440

sheer size of it even something like

1500

00:52:43,990 --> 00:52:41,920

praying mantises are weird and creepy

1501
00:52:45,750 --> 00:52:44,000
but if if one was as tall as you were

1502
00:52:47,990 --> 00:52:45,760
that would but she said it had the the

1503
00:52:49,430 --> 00:52:48,000
classic prairie menace eyes and it kind

1504
00:52:51,109 --> 00:52:49,440
of swiveled its head around and looked

1505
00:52:51,990 --> 00:52:51,119
at her and she ran into the house but it

1506
00:52:55,030 --> 00:52:52,000
had the

1507
00:52:57,349 --> 00:52:55,040
you know the little praying hands there

1508
00:52:58,790 --> 00:52:57,359
and she swears that she was totally

1509
00:53:00,870 --> 00:52:58,800
sober hadn't drank anything hadn't

1510
00:53:02,870 --> 00:53:00,880
smoked anything it was just a regular

1511
00:53:04,309 --> 00:53:02,880
cigarette and i'm inclined to believe

1512
00:53:06,870 --> 00:53:04,319
her i mean she saw something there was

1513
00:53:09,270 --> 00:53:06,880

just there was a genuineness in the way

1514

00:53:11,589 --> 00:53:09,280

she told it and sort of a

1515

00:53:13,349 --> 00:53:11,599

reticence to to really talk about she

1516

00:53:15,270 --> 00:53:13,359

said i'm going to tell you something but

1517

00:53:17,030 --> 00:53:15,280

don't judge me and i'm like you know

1518

00:53:19,109 --> 00:53:17,040

this and that i give everybody the

1519

00:53:20,630 --> 00:53:19,119

benefit of the doubt just

1520

00:53:22,470 --> 00:53:20,640

stuff that i've seen that i've

1521

00:53:24,470 --> 00:53:22,480

experienced people would think i was

1522

00:53:26,630 --> 00:53:24,480

crazy so absolutely you know that's

1523

00:53:28,309 --> 00:53:26,640

that's why on the missing persons of

1524

00:53:29,750 --> 00:53:28,319

mysteries channel we do a feature called

1525

00:53:31,109 --> 00:53:29,760

listener stories

1526
00:53:33,829 --> 00:53:31,119
where it's

1527
00:53:35,349 --> 00:53:33,839
we kind of depart from the the

1528
00:53:36,870 --> 00:53:35,359
national park disappearances and the

1529
00:53:39,270 --> 00:53:36,880
missing kids and stuff like that which

1530
00:53:41,910 --> 00:53:39,280
is our main focus and always will be if

1531
00:53:43,750 --> 00:53:41,920
we can get one family closure or bring

1532
00:53:46,710 --> 00:53:43,760
one missing person home then we've done

1533
00:53:49,349 --> 00:53:46,720
our job but occasionally uh people like

1534
00:53:51,030 --> 00:53:49,359
to talk about these uh

1535
00:53:53,190 --> 00:53:51,040
supernatural experiences they've had

1536
00:53:55,829 --> 00:53:53,200
that's one of our most popular series on

1537
00:53:57,829 --> 00:53:55,839
there we get some fascinating stories of

1538
00:53:59,750 --> 00:53:57,839

stuff that that people have seen and

1539

00:54:00,950 --> 00:53:59,760

experienced and then you know we get

1540

00:54:02,950 --> 00:54:00,960

people in the comments like i don't

1541

00:54:06,309 --> 00:54:02,960

believe this or they're making it up and

1542

00:54:07,829 --> 00:54:06,319

again based on what i've seen myself i'm

1543

00:54:10,790 --> 00:54:07,839

not going to judge anybody i've seen

1544

00:54:13,430 --> 00:54:10,800

stuff feel like i had kids i've seen

1545

00:54:15,030 --> 00:54:13,440

uh the i saw the first full body

1546

00:54:17,270 --> 00:54:15,040

apparition uh

1547

00:54:20,069 --> 00:54:17,280

between five and six years old

1548

00:54:22,829 --> 00:54:20,079

i had something chased me in the woods

1549

00:54:24,150 --> 00:54:22,839

that was invisible that was the second

1550

00:54:25,510 --> 00:54:24,160

time that's the

1551
00:54:28,150 --> 00:54:25,520
most scared

1552
00:54:29,829 --> 00:54:28,160
um it was kicking up leaves i could feel

1553
00:54:32,230 --> 00:54:29,839
the footfalls i mean it was shaking the

1554
00:54:34,069 --> 00:54:32,240
earth it was bending tree branches much

1555
00:54:35,829 --> 00:54:34,079
higher than my eight-year-old head but

1556
00:54:38,549 --> 00:54:35,839
there was nothing there and it was after

1557
00:54:41,430 --> 00:54:38,559
me it was coming right at me and he got

1558
00:54:43,829 --> 00:54:41,440
me again there we go and uh

1559
00:54:46,630 --> 00:54:43,839
i ran screaming down the hill we had 25

1560
00:54:48,230 --> 00:54:46,640
acres out in rural east tennessee

1561
00:54:50,069 --> 00:54:48,240
and there was an old ditch there i was

1562
00:54:52,309 --> 00:54:50,079
playing in the ditch or that just walked

1563
00:54:53,910 --> 00:54:52,319

up and looked into the ditch and what it

1564

00:54:55,990 --> 00:54:53,920

was came running up out of the ditch and

1565

00:54:57,589 --> 00:54:56,000

right at me i ran screaming down the

1566

00:54:59,990 --> 00:54:57,599

hill making such a racket my mom came

1567

00:55:01,750 --> 00:55:00,000

out the back door on the porch to see

1568

00:55:04,390 --> 00:55:01,760

all the fuss was i passed her up went

1569

00:55:06,069 --> 00:55:04,400

inside and get under the furniture then

1570

00:55:07,990 --> 00:55:06,079

when my dad got home from work my

1571

00:55:09,670 --> 00:55:08,000

brother had stopped by and they're like

1572

00:55:11,109 --> 00:55:09,680

you know was it a bear was it this was

1573

00:55:12,630 --> 00:55:11,119

it that i'm like no i know what all

1574

00:55:14,309 --> 00:55:12,640

those i know what a deer looked like i

1575

00:55:16,230 --> 00:55:14,319

knew what a bear looked like you can see

1576

00:55:17,510 --> 00:55:16,240

all those things whatever this was i

1577

00:55:19,750 --> 00:55:17,520

couldn't see it

1578

00:55:21,670 --> 00:55:19,760

eight years old well flash forward seven

1579

00:55:23,030 --> 00:55:21,680

years later i'm 15 we'd sold our

1580

00:55:24,630 --> 00:55:23,040

property we're getting ready to move a

1581

00:55:25,990 --> 00:55:24,640

few miles up the road

1582

00:55:27,589 --> 00:55:26,000

to a new house we'd had building a

1583

00:55:29,190 --> 00:55:27,599

subdivision and i was just kind of

1584

00:55:30,470 --> 00:55:29,200

wandering around my old childhood haunts

1585

00:55:32,230 --> 00:55:30,480

because i'd never been back up there

1586

00:55:34,150 --> 00:55:32,240

again since that

1587

00:55:35,670 --> 00:55:34,160

and i walked back up there to where the

1588

00:55:37,270 --> 00:55:35,680

ditch was and i'm just kind of looking

1589

00:55:39,030 --> 00:55:37,280

down in there and thinking

1590

00:55:40,069 --> 00:55:39,040

what that was that scared me when i was

1591

00:55:42,309 --> 00:55:40,079

a kid

1592

00:55:44,710 --> 00:55:42,319

as i turned to walk away i hear the

1593

00:55:47,270 --> 00:55:44,720

leaves rustled just like seven years

1594

00:55:48,549 --> 00:55:47,280

prior i turned around something came up

1595

00:55:49,990 --> 00:55:48,559

out of the ditch that i couldn't see

1596

00:55:52,390 --> 00:55:50,000

it's shaking the ground the tree

1597

00:55:54,390 --> 00:55:52,400

branches are are breaking and moving

1598

00:55:55,990 --> 00:55:54,400

leaves are kicking up i didn't run

1599

00:55:58,950 --> 00:55:56,000

screaming and crying but i didn't waste

1600

00:56:00,390 --> 00:55:58,960

any time getting out there

1601
00:56:02,470 --> 00:56:00,400
there's even more to this story that's

1602
00:56:04,710 --> 00:56:02,480
the last time i was ever there well fast

1603
00:56:07,030 --> 00:56:04,720
forward another six years 21 years old

1604
00:56:09,829 --> 00:56:07,040
at this point i'm working in west

1605
00:56:11,750 --> 00:56:09,839
knoxville uh waiting tables and a guy

1606
00:56:13,510 --> 00:56:11,760
that i just knew from work and didn't

1607
00:56:15,829 --> 00:56:13,520
even really know him that well at work

1608
00:56:17,510 --> 00:56:15,839
invited me to a party after work so i go

1609
00:56:18,950 --> 00:56:17,520
to this party don't know anybody there

1610
00:56:20,390 --> 00:56:18,960
but the guy that i came with and don't

1611
00:56:21,990 --> 00:56:20,400
really even know him

1612
00:56:24,150 --> 00:56:22,000
well some of the girls there found a

1613
00:56:25,589 --> 00:56:24,160

ouija board under the couch

1614

00:56:27,030 --> 00:56:25,599

so they get it out and they're playing

1615

00:56:29,030 --> 00:56:27,040

with it and they're going around the

1616

00:56:31,109 --> 00:56:29,040

room asking people questions

1617

00:56:33,510 --> 00:56:31,119

when they get to me i thought okay

1618

00:56:35,430 --> 00:56:33,520

i said what scared me when i was a kid

1619

00:56:37,430 --> 00:56:35,440

that's all it said no backstory didn't

1620

00:56:38,390 --> 00:56:37,440

give any hint of anything just those

1621

00:56:41,030 --> 00:56:38,400

words

1622

00:56:42,470 --> 00:56:41,040

and like i said nobody there knew me and

1623

00:56:44,870 --> 00:56:42,480

except for the one guy and he'd never

1624

00:56:47,190 --> 00:56:44,880

heard that story so the ouija board you

1625

00:56:52,870 --> 00:56:47,200

know it does its thing and it spells out

1626
00:56:56,470 --> 00:56:54,630
so girls look at me i just shrug my

1627
00:56:57,750 --> 00:56:56,480
shoulder in there like laugh and say oh

1628
00:57:00,150 --> 00:56:57,760
well the board's thirsty it wants a

1629
00:57:00,950 --> 00:57:00,160
sprite or wants a glass of water like

1630
00:57:02,470 --> 00:57:00,960
okay

1631
00:57:04,630 --> 00:57:02,480
then they went on to somebody else and

1632
00:57:07,349 --> 00:57:04,640
nothing else was said but i you know

1633
00:57:09,670 --> 00:57:07,359
water sprite okay so this is in the days

1634
00:57:12,549 --> 00:57:09,680
before the internet this is in the early

1635
00:57:13,829 --> 00:57:12,559
80s i went to the library and the big

1636
00:57:15,510 --> 00:57:13,839
library downtown went up to the

1637
00:57:17,430 --> 00:57:15,520
reference librarian and said what can

1638
00:57:18,789 --> 00:57:17,440

you tell me about a water sprite or a

1639

00:57:20,470 --> 00:57:18,799

water spirit

1640

00:57:21,910 --> 00:57:20,480

well she goes off and does her reference

1641

00:57:23,349 --> 00:57:21,920

library and thing comes back to this big

1642

00:57:25,750 --> 00:57:23,359

stack of books

1643

00:57:28,630 --> 00:57:25,760

and she's got all this mythology stuff

1644

00:57:31,430 --> 00:57:28,640

about the fae and elementals and there

1645

00:57:34,309 --> 00:57:31,440

are types of creatures called a naiad

1646

00:57:35,910 --> 00:57:34,319

which is a spirit that guards the water

1647

00:57:37,670 --> 00:57:35,920

and then dryads which are spirits that

1648

00:57:40,309 --> 00:57:37,680

guards the trees well where we live

1649

00:57:43,030 --> 00:57:40,319

there on this 25 or so acres there were

1650

00:57:44,470 --> 00:57:43,040

seven natural springs uh six of them

1651
00:57:46,630 --> 00:57:44,480
came out of hillsides one of them was

1652
00:57:48,870 --> 00:57:46,640
artesian came up out of the ground so

1653
00:57:50,390 --> 00:57:48,880
what better place for a water spirit

1654
00:57:52,230 --> 00:57:50,400
than some place where there's seven

1655
00:57:54,150 --> 00:57:52,240
springs that flowed

1656
00:57:55,910 --> 00:57:54,160
down into used to be the river it was

1657
00:57:58,549 --> 00:57:55,920
the lake at that point they dammed up

1658
00:58:01,430 --> 00:57:58,559
the lake and made a river

1659
00:58:02,630 --> 00:58:01,440
but you know you think of a nymph or

1660
00:58:03,829 --> 00:58:02,640
something like that as being like

1661
00:58:05,910 --> 00:58:03,839
tinkerbell you know a little thing

1662
00:58:07,589 --> 00:58:05,920
fluttering around on gossamer wings and

1663
00:58:09,829 --> 00:58:07,599

slinging pixie dust but whatever this

1664

00:58:12,069 --> 00:58:09,839

was was huge i mean i could feel the

1665

00:58:13,190 --> 00:58:12,079

ground shake when it was stomping toward

1666

00:58:14,069 --> 00:58:13,200

me

1667

00:58:16,630 --> 00:58:14,079

and

1668

00:58:18,630 --> 00:58:16,640

again if that's what it was why did it

1669

00:58:20,870 --> 00:58:18,640

go after me because after the first the

1670

00:58:22,390 --> 00:58:20,880

very first experience my dad my brother

1671

00:58:25,109 --> 00:58:22,400

went up there they could see where it

1672

00:58:26,789 --> 00:58:25,119

had been but nothing chased them i even

1673

00:58:28,150 --> 00:58:26,799

conned one of the

1674

00:58:30,150 --> 00:58:28,160

kids that came home with me from school

1675

00:58:32,069 --> 00:58:30,160

one time i'm like i'm gonna stand here

1676

00:58:34,789 --> 00:58:32,079

behind this tree you go up there and

1677

00:58:36,390 --> 00:58:34,799

stand by the ditch and see what happens

1678

00:58:38,710 --> 00:58:36,400

he did he's just like looking around

1679

00:58:39,670 --> 00:58:38,720

nothing happens so whatever it was it

1680

00:58:41,910 --> 00:58:39,680

was

1681

00:58:45,109 --> 00:58:41,920

meant for me to see or it didn't like me

1682

00:58:46,710 --> 00:58:45,119

or it was something personal with me

1683

00:58:48,710 --> 00:58:46,720

which happened twice

1684

00:58:51,430 --> 00:58:48,720

uh seven years apart and then for a

1685

00:58:53,109 --> 00:58:51,440

ouija board with people operating it

1686

00:58:54,069 --> 00:58:53,119

that knew absolutely nothing about my

1687

00:58:55,910 --> 00:58:54,079

history

1688

00:58:56,950 --> 00:58:55,920

to come up with something like that

1689

00:58:58,870 --> 00:58:56,960

mm-hmm

1690

00:59:01,030 --> 00:58:58,880

and i think i think many of us are

1691

00:59:02,150 --> 00:59:01,040

pre-destined to see a lot of this stuff

1692

00:59:03,349 --> 00:59:02,160

yeah well that's what my grandmother

1693

00:59:04,549 --> 00:59:03,359

told me this was the one that was a

1694

00:59:06,390 --> 00:59:04,559

gypsy witch

1695

00:59:08,630 --> 00:59:06,400

uh i told her about the apparition that

1696

00:59:11,270 --> 00:59:08,640

i saw which was a little boy that

1697

00:59:13,510 --> 00:59:11,280

uh ran across the road like at a caddy

1698

00:59:15,510 --> 00:59:13,520

corner came from behind a car that was

1699

00:59:16,950 --> 00:59:15,520

stopped at a stop sign and it was

1700

00:59:18,710 --> 00:59:16,960

obvious that the driver didn't see him

1701
00:59:19,910 --> 00:59:18,720
because he was looking a different way

1702
00:59:21,109 --> 00:59:19,920
and i thought that kid's going to get

1703
00:59:23,670 --> 00:59:21,119
run over

1704
00:59:24,630 --> 00:59:23,680
and i was only i was between five and

1705
00:59:26,870 --> 00:59:24,640
six

1706
00:59:29,349 --> 00:59:26,880
and the kid he was a toddler

1707
00:59:31,349 --> 00:59:29,359
and you've had know how little kids just

1708
00:59:32,630 --> 00:59:31,359
barely mastered walking sometimes

1709
00:59:34,150 --> 00:59:32,640
they'll start running and they don't

1710
00:59:35,910 --> 00:59:34,160
really know how to stop and they just

1711
00:59:38,390 --> 00:59:35,920
fall down well that's what happened the

1712
00:59:40,470 --> 00:59:38,400
kid comes out from behind this car

1713
00:59:43,030 --> 00:59:40,480

runs across in front of at an angle down

1714

00:59:43,990 --> 00:59:43,040

into our yard gets maybe three or four

1715

00:59:45,030 --> 00:59:44,000

steps

1716

00:59:48,069 --> 00:59:45,040

falls

1717

00:59:50,870 --> 00:59:48,079

gone nothing nothing and uh our driveway

1718

00:59:51,990 --> 00:59:50,880

was exactly 212 feet long i measured it

1719

00:59:54,630 --> 00:59:52,000

later for

1720

00:59:56,390 --> 00:59:54,640

bicycle sprint purposes but i was about

1721

00:59:58,390 --> 00:59:56,400

halfway in the yard so i was within 100

1722

01:00:00,630 --> 00:59:58,400

feet of where this happened did not take

1723

01:00:03,109 --> 01:00:00,640

my eyes off the spot went right to it

1724

01:00:05,430 --> 01:00:03,119

there was no hole no place that a child

1725

01:00:07,990 --> 01:00:05,440

could have fallen into nothing that i

1726

01:00:09,829 --> 01:00:08,000

could have mistaken for a child running

1727

01:00:11,750 --> 01:00:09,839

i mean i know exactly what i saw i can

1728

01:00:14,470 --> 01:00:11,760

still tell you what he was wearing this

1729

01:00:16,789 --> 01:00:14,480

was in the 60s he had on little blue

1730

01:00:19,030 --> 01:00:16,799

shorts with suspenders white shirt

1731

01:00:20,950 --> 01:00:19,040

matching blue cap those little white

1732

01:00:23,430 --> 01:00:20,960

shoes and socks like kids wore back then

1733

01:00:24,470 --> 01:00:23,440

like almost little uh

1734

01:00:26,309 --> 01:00:24,480

leather

1735

01:00:29,030 --> 01:00:26,319

not quite an oxford shoe something like

1736

01:00:32,150 --> 01:00:29,040

that but kid shoes that they wore

1737

01:00:33,030 --> 01:00:32,160

and he just he blonde headed ran fell

1738

01:00:34,549 --> 01:00:33,040

gone

1739

01:00:37,109 --> 01:00:34,559

and i don't know if it was something

1740

01:00:38,390 --> 01:00:37,119

that was attached to the car like maybe

1741

01:00:40,069 --> 01:00:38,400

there was a

1742

01:00:41,430 --> 01:00:40,079

the remains of a kid in the trunk or

1743

01:00:43,589 --> 01:00:41,440

something because i didn't recognize the

1744

01:00:45,750 --> 01:00:43,599

car and that was a dead end into the

1745

01:00:47,510 --> 01:00:45,760

lake where it was going

1746

01:00:49,349 --> 01:00:47,520

and but the person in the car didn't

1747

01:00:51,030 --> 01:00:49,359

register that they had seen it at all

1748

01:00:52,870 --> 01:00:51,040

and years later i told my grandmother

1749

01:00:53,750 --> 01:00:52,880

about that and she said well you'll see

1750

01:00:56,150 --> 01:00:53,760

things

1751

01:00:58,069 --> 01:00:56,160

she said sometimes it's meant for you

1752

01:00:59,990 --> 01:00:58,079

sometimes it's meant for other people

1753

01:01:02,150 --> 01:01:00,000

but you can see it too

1754

01:01:03,829 --> 01:01:02,160

now that was just you know very cryptic

1755

01:01:05,030 --> 01:01:03,839

but that was the way she looked at

1756

01:01:08,870 --> 01:01:05,040

things and

1757

01:01:11,510 --> 01:01:08,880

uh to me or to her i was special

1758

01:01:13,670 --> 01:01:11,520

she had ten kids nine boys and my mother

1759

01:01:16,069 --> 01:01:13,680

being the only girl and out of all the

1760

01:01:17,910 --> 01:01:16,079

grandkids and she had a lot of grandkids

1761

01:01:19,670 --> 01:01:17,920

i was the one born with what they they

1762

01:01:22,309 --> 01:01:19,680

call a veil one with a veil over your

1763

01:01:24,150 --> 01:01:22,319

face or call all it is the amniotic sac

1764

01:01:26,069 --> 01:01:24,160

they had to cut it off of me when i was

1765

01:01:27,670 --> 01:01:26,079

born well my grandmother was present for

1766

01:01:29,990 --> 01:01:27,680

the birth in her

1767

01:01:32,470 --> 01:01:30,000

appalachian superstitious mind that

1768

01:01:34,470 --> 01:01:32,480

marked me as a special child so she

1769

01:01:36,549 --> 01:01:34,480

would get me alone when i went to her

1770

01:01:38,950 --> 01:01:36,559

house and teach me all these things you

1771

01:01:41,589 --> 01:01:38,960

know about her fortune telling and about

1772

01:01:43,990 --> 01:01:41,599

superstitions and how to avoid bad luck

1773

01:01:45,670 --> 01:01:44,000

and things to do if you did this and

1774

01:01:47,349 --> 01:01:45,680

and you'll just fill my head for all

1775

01:01:49,109 --> 01:01:47,359

kinds of stuff like that

1776

01:01:52,870 --> 01:01:49,119

and i was actually afraid of her when i

1777

01:01:54,549 --> 01:01:52,880

was little she looked like a witch

1778

01:01:56,549 --> 01:01:54,559

i was scared to death over and she'd

1779

01:01:58,870 --> 01:01:56,559

take me she had a big old victorian

1780

01:02:00,710 --> 01:01:58,880

farmhouse and she had a room set aside

1781

01:02:03,349 --> 01:02:00,720

for quilting her and

1782

01:02:04,470 --> 01:02:03,359

one of my aunts would sit and

1783

01:02:06,789 --> 01:02:04,480

cut

1784

01:02:08,309 --> 01:02:06,799

out pieces to piece together quilts

1785

01:02:10,230 --> 01:02:08,319

they'd cut the pieces all summer and

1786

01:02:11,990 --> 01:02:10,240

then in the winter time they'd sit in

1787

01:02:13,589 --> 01:02:12,000

this old dining room and put quilts

1788

01:02:15,109 --> 01:02:13,599

together well she'd take me into her

1789

01:02:16,309 --> 01:02:15,119

sewing room and it was dark in there and

1790

01:02:17,990 --> 01:02:16,319

had the

1791

01:02:20,069 --> 01:02:18,000

the blinds closed and everything the

1792

01:02:21,829 --> 01:02:20,079

drapes closed and she'd tell me all this

1793

01:02:23,829 --> 01:02:21,839

stuff and make me repeat it back to her

1794

01:02:26,069 --> 01:02:23,839

no no what do you do if you see this or

1795

01:02:27,589 --> 01:02:26,079

hear this or you know what if a chicken

1796

01:02:29,349 --> 01:02:27,599

lays an egg with a double yolk you know

1797

01:02:30,630 --> 01:02:29,359

you got to throw it over the house well

1798

01:02:32,069 --> 01:02:30,640

if you don't think you can make it over

1799

01:02:33,829 --> 01:02:32,079

the house take it down to your uncle's

1800

01:02:36,870 --> 01:02:33,839

house and throw it over his because he's

1801

01:02:38,870 --> 01:02:36,880

only got one story i'm thinking you know

1802

01:02:41,430 --> 01:02:38,880

that doesn't make sense

1803

01:02:43,029 --> 01:02:41,440

but it's just little stuff like that and

1804

01:02:44,789 --> 01:02:43,039

like i said i'd repeat it back to her

1805

01:02:46,230 --> 01:02:44,799

just to get away from her but she would

1806

01:02:48,309 --> 01:02:46,240

reward me usually like with a hershey

1807

01:02:49,990 --> 01:02:48,319

bar or sometimes a crisp new dollar bill

1808

01:02:51,510 --> 01:02:50,000

to be like i don't tell the others

1809

01:02:52,470 --> 01:02:51,520

because i had other cousins that lived

1810

01:02:55,029 --> 01:02:52,480

nearby

1811

01:02:56,390 --> 01:02:55,039

but the one time she really got me good

1812

01:02:57,670 --> 01:02:56,400

we were on the way to her house and

1813

01:02:59,190 --> 01:02:57,680

there was an area where we had to go

1814

01:03:01,190 --> 01:02:59,200

there she lived in a place called powell

1815

01:03:03,510 --> 01:03:01,200

tennessee and we had to drive through

1816

01:03:05,349 --> 01:03:03,520

the carns community well one place there

1817

01:03:06,789 --> 01:03:05,359

where you had to pass there on beaver

1818

01:03:10,309 --> 01:03:06,799

creek drive

1819

01:03:12,630 --> 01:03:10,319

there at that point see the beaver creek

1820

01:03:15,430 --> 01:03:12,640

drive or uh it turns into something else

1821

01:03:16,870 --> 01:03:15,440

there but there's a farmhouse there

1822

01:03:19,109 --> 01:03:16,880

and uh

1823

01:03:21,190 --> 01:03:19,119

several years before some kids that

1824

01:03:23,670 --> 01:03:21,200

lived there were playing ball out in the

1825

01:03:25,670 --> 01:03:23,680

yard and one of the kids chased the ball

1826

01:03:27,670 --> 01:03:25,680

down the hill and out into the road and

1827

01:03:30,390 --> 01:03:27,680

got hit by a car and died

1828

01:03:32,069 --> 01:03:30,400

and i i knew the story but i could feel

1829

01:03:34,390 --> 01:03:32,079

that's place it just

1830

01:03:36,789 --> 01:03:34,400

it would do something to me one night we

1831

01:03:40,309 --> 01:03:36,799

were we were going to see her and this

1832

01:03:41,510 --> 01:03:40,319

it was uh early 70s so i wasn't wearing

1833

01:03:43,109 --> 01:03:41,520

a seat belt or anything i was laying

1834

01:03:45,829 --> 01:03:43,119

down in the back seat reading the comic

1835

01:03:47,990 --> 01:03:45,839

book and i just felt this little

1836

01:03:50,549 --> 01:03:48,000

kind of chill or quiver now i call it my

1837

01:03:52,069 --> 01:03:50,559

granny senses but i just just felt

1838

01:03:54,390 --> 01:03:52,079

something i sat up sure enough we were

1839

01:03:55,349 --> 01:03:54,400

passing by that place where that kid got

1840

01:03:56,470 --> 01:03:55,359

killed

1841

01:04:00,549 --> 01:03:56,480

and uh

1842

01:04:03,270 --> 01:04:01,750

she didn't talk to her and i didn't say

1843

01:04:05,029 --> 01:04:03,280

anything to my mom and dad i didn't even

1844

01:04:06,870 --> 01:04:05,039

mention it i hadn't said a word about it

1845

01:04:08,150 --> 01:04:06,880

to anybody well she takes me into the

1846

01:04:10,390 --> 01:04:08,160

sewing room and

1847

01:04:12,950 --> 01:04:10,400

and she was i forget what the lesson was

1848

01:04:13,990 --> 01:04:12,960

that time but she said you you feel and

1849

01:04:15,510 --> 01:04:14,000

i thought you meant you know you have

1850

01:04:18,069 --> 01:04:15,520

feelings and i thought yeah well stuff

1851
01:04:20,549 --> 01:04:18,079
bothers me and i'm you know have empathy

1852
01:04:23,589 --> 01:04:20,559
and sympathy and stuff and she said no i

1853
01:04:25,349 --> 01:04:23,599
mean you feel things like that spot in

1854
01:04:27,670 --> 01:04:25,359
the high on the highway on the way here

1855
01:04:29,430 --> 01:04:27,680
tonight and i just you know my mouth

1856
01:04:32,069 --> 01:04:29,440
fell up and i'm like

1857
01:04:33,750 --> 01:04:32,079
i was maybe seven or eight years old

1858
01:04:35,190 --> 01:04:33,760
like she can read my mind you know that

1859
01:04:38,390 --> 01:04:35,200
scared the crap out of me like my

1860
01:04:40,950 --> 01:04:38,400
grandma's in my head get out of there

1861
01:04:42,950 --> 01:04:40,960
she would know stuff like that that she

1862
01:04:45,190 --> 01:04:42,960
had no way of knowing

1863
01:04:46,789 --> 01:04:45,200

yeah you know i i can relate because i

1864

01:04:49,190 --> 01:04:46,799

was raised around

1865

01:04:52,309 --> 01:04:49,200

pow-wowing and uh

1866

01:04:54,230 --> 01:04:52,319

you know uh appalachian conjuring and

1867

01:04:58,470 --> 01:04:54,240

folk medicine and stuff and uh

1868

01:05:00,069 --> 01:04:58,480

absolutely yeah um it's interesting

1869

01:05:02,789 --> 01:05:00,079

but i'm the only person in my family

1870

01:05:04,470 --> 01:05:02,799

that i believe had some abilities and

1871

01:05:05,990 --> 01:05:04,480

and i never really talked to my parents

1872

01:05:08,230 --> 01:05:06,000

about any of that yeah well my

1873

01:05:09,910 --> 01:05:08,240

grandmother had it and my mom did to

1874

01:05:12,309 --> 01:05:09,920

just a tiny degree it seemed to kind of

1875

01:05:14,870 --> 01:05:12,319

skip the generation yeah and then i got

1876

01:05:16,950 --> 01:05:14,880

a lot of it my daughter has just a

1877

01:05:18,950 --> 01:05:16,960

little bit so i think if she ever has

1878

01:05:20,630 --> 01:05:18,960

children that they'll have some of it it

1879

01:05:23,750 --> 01:05:20,640

likes just sometimes a couple of

1880

01:05:25,109 --> 01:05:23,760

generations like that but uh yeah the

1881

01:05:26,710 --> 01:05:25,119

one of the strangest things she used to

1882

01:05:28,710 --> 01:05:26,720

do though they

1883

01:05:31,270 --> 01:05:28,720

uh had a farm they had a dairy farm and

1884

01:05:33,349 --> 01:05:31,280

they also raised uh

1885

01:05:36,309 --> 01:05:33,359

they truck farmed with produce and stuff

1886

01:05:38,630 --> 01:05:36,319

and they also raised raise their own

1887

01:05:41,109 --> 01:05:38,640

meat and stuff and in the fall

1888

01:05:43,589 --> 01:05:41,119

when they would butcher hogs she would

1889

01:05:45,589 --> 01:05:43,599

pick out one hog and say that that was

1890

01:05:48,549 --> 01:05:45,599

hers and when they butchered that one

1891

01:05:51,029 --> 01:05:48,559

she would poke around in its innards

1892

01:05:52,470 --> 01:05:51,039

with a stick and tell them what kind of

1893

01:05:53,589 --> 01:05:52,480

uh

1894

01:05:55,349 --> 01:05:53,599

year they were going to have the next

1895

01:05:56,950 --> 01:05:55,359

year in crops well you know the corn

1896

01:05:59,029 --> 01:05:56,960

won't do so good that tobacco will do

1897

01:06:00,870 --> 01:05:59,039

good and things like that and my uncle's

1898

01:06:02,950 --> 01:06:00,880

swear she was

1899

01:06:05,430 --> 01:06:02,960

as accurate if not more so than the old

1900

01:06:08,069 --> 01:06:05,440

farmer's almanac and they they literally

1901

01:06:10,630 --> 01:06:08,079

they lived and died by that right and

1902

01:06:13,270 --> 01:06:10,640

then later on i i guess i'd never heard

1903

01:06:15,190 --> 01:06:13,280

of any such nonsense like that and then

1904

01:06:17,109 --> 01:06:15,200

i was reading a book about the vikings

1905

01:06:19,029 --> 01:06:17,119

of all things and it talked about before

1906

01:06:21,990 --> 01:06:19,039

they would go into battle they would

1907

01:06:24,470 --> 01:06:22,000

sacrifice an animal in their their magi

1908

01:06:26,870 --> 01:06:24,480

or their wizard or whoever their

1909

01:06:28,950 --> 01:06:26,880

uh person of that sort was that they had

1910

01:06:31,109 --> 01:06:28,960

with their their entourage there he

1911

01:06:32,950 --> 01:06:31,119

would study the entrails and then

1912

01:06:34,950 --> 01:06:32,960

predict how they would be victorious in

1913

01:06:35,670 --> 01:06:34,960

battle and things like that so you know

1914

01:06:37,990 --> 01:06:35,680

so

1915

01:06:40,390 --> 01:06:38,000

how she learned to do it i have no idea

1916

01:06:42,390 --> 01:06:40,400

same well like with the the tea leaves

1917

01:06:44,870 --> 01:06:42,400

and the coffee grounds that's just

1918

01:06:47,029 --> 01:06:44,880

almost like a form of scrying or looking

1919

01:06:48,470 --> 01:06:47,039

at the clouds and seeing shapes you know

1920

01:06:50,390 --> 01:06:48,480

she'd have the person drink the coffee

1921

01:06:52,630 --> 01:06:50,400

and then you dump the the grounds out

1922

01:06:54,309 --> 01:06:52,640

and you know i see uh

1923

01:06:56,789 --> 01:06:54,319

travel in your future because that looks

1924

01:06:58,549 --> 01:06:56,799

like a ship or you know that looks like

1925

01:07:00,710 --> 01:06:58,559

and then she claims that one time she

1926

01:07:02,069 --> 01:07:00,720

saw she flipped it over and it looked

1927

01:07:04,069 --> 01:07:02,079

like a skull

1928

01:07:06,150 --> 01:07:04,079

and she sort of lied to the person said

1929

01:07:07,589 --> 01:07:06,160

well just i don't really see anything

1930

01:07:10,150 --> 01:07:07,599

but be careful

1931

01:07:11,750 --> 01:07:10,160

and the person died shortly there oh god

1932

01:07:13,589 --> 01:07:11,760

and she's like you know she's all she

1933

01:07:14,950 --> 01:07:13,599

said i always hated that i should have

1934

01:07:16,870 --> 01:07:14,960

told him a little bit more but she's

1935

01:07:17,829 --> 01:07:16,880

like i didn't want to scare him

1936

01:07:19,990 --> 01:07:17,839

but uh

1937

01:07:22,069 --> 01:07:20,000

she liked the old there's a deck of

1938

01:07:23,829 --> 01:07:22,079

cards called gypsy witch

1939

01:07:26,150 --> 01:07:23,839

fortune telling cards they've been

1940

01:07:28,150 --> 01:07:26,160

around since i think the 20s or so she

1941

01:07:30,630 --> 01:07:28,160

had a deck of those and they're based on

1942

01:07:32,549 --> 01:07:30,640

the um

1943

01:07:34,230 --> 01:07:32,559

i can't remember the name of the deck

1944

01:07:36,230 --> 01:07:34,240

it's it's similar to terra but it's not

1945

01:07:37,510 --> 01:07:36,240

terrible she wouldn't touch the tarot

1946

01:07:39,349 --> 01:07:37,520

card she said there was an evil there

1947

01:07:41,190 --> 01:07:39,359

was a darkness about those uh leonard

1948

01:07:43,349 --> 01:07:41,200

mon that's what i was trying to think of

1949

01:07:44,950 --> 01:07:43,359

they're similar to the lenarmond cards

1950

01:07:46,150 --> 01:07:44,960

and sometimes she would make her own

1951

01:07:48,390 --> 01:07:46,160

she'd just take a regular deck of

1952

01:07:49,829 --> 01:07:48,400

playing cards and add images to them and

1953

01:07:53,349 --> 01:07:49,839

that's what she told

1954

01:07:56,390 --> 01:07:53,359

uh cards with fortunes with with cards

1955

01:07:58,390 --> 01:07:56,400

and she also practiced um

1956

01:08:00,950 --> 01:07:58,400

for palmistry and then something called

1957

01:08:03,109 --> 01:08:00,960

phrenology which it was popular during

1958

01:08:05,109 --> 01:08:03,119

victorian times where you could feel the

1959

01:08:07,029 --> 01:08:05,119

bumps on a person's head

1960

01:08:09,589 --> 01:08:07,039

and tell them about their destiny and

1961

01:08:11,910 --> 01:08:09,599

things and i've actually

1962

01:08:13,670 --> 01:08:11,920

seen some of the old uh

1963

01:08:15,109 --> 01:08:13,680

ceramic heads that they used to teach

1964

01:08:17,349 --> 01:08:15,119

that with with the different so that

1965

01:08:19,749 --> 01:08:17,359

parts of the head yeah that's

1966

01:08:21,829 --> 01:08:19,759

fascinating yeah so and you wonder i

1967

01:08:23,269 --> 01:08:21,839

mean how much truth there is to stuff

1968

01:08:25,269 --> 01:08:23,279

like that i mean it

1969

01:08:28,070 --> 01:08:25,279

it sounded right when she told it and

1970

01:08:29,510 --> 01:08:28,080

another one like that where she

1971

01:08:31,349 --> 01:08:29,520

knew something she didn't have any way

1972

01:08:32,709 --> 01:08:31,359

of knowing and i had the lady that this

1973

01:08:34,630 --> 01:08:32,719

happened to tell me about it when she

1974

01:08:35,990 --> 01:08:34,640

was a teenager her and a couple other

1975

01:08:38,070 --> 01:08:36,000

girls were going to my grandmother to

1976

01:08:40,309 --> 01:08:38,080

get their fortunes told they had to walk

1977

01:08:42,149 --> 01:08:40,319

several miles to get to her house

1978

01:08:43,669 --> 01:08:42,159

and uh

1979

01:08:45,349 --> 01:08:43,679

the the other two were really into it

1980

01:08:47,110 --> 01:08:45,359

and the ones like i don't really believe

1981

01:08:49,349 --> 01:08:47,120

in all that i think it's just a bunch of

1982

01:08:51,189 --> 01:08:49,359

mumbo jumbo but i'll i'll let her tell

1983

01:08:52,709 --> 01:08:51,199

my fortune just so i can you know make

1984

01:08:53,669 --> 01:08:52,719

fun of it and laugh at her behind her

1985

01:08:55,030 --> 01:08:53,679

back

1986

01:08:56,550 --> 01:08:55,040

well they get there they knock on the

1987

01:08:57,669 --> 01:08:56,560

door my grandma comes to the door like

1988

01:08:59,510 --> 01:08:57,679

we're here to

1989

01:09:01,910 --> 01:08:59,520

uh miss bessie that's what everybody

1990

01:09:03,829 --> 01:09:01,920

called her or just uh mama bessie so

1991

01:09:05,189 --> 01:09:03,839

we're here to get our fortunes told and

1992

01:09:07,590 --> 01:09:05,199

she looked up she said well i'll tell

1993

01:09:09,990 --> 01:09:07,600

yours and yours but i won't tell yours

1994

01:09:11,910 --> 01:09:10,000

because you don't believe in me

1995

01:09:13,110 --> 01:09:11,920

and the lady said you know just you

1996

01:09:14,789 --> 01:09:13,120

could have knocked me over with a

1997

01:09:15,590 --> 01:09:14,799

feather there's no way she could have

1998

01:09:17,430 --> 01:09:15,600

heard

1999

01:09:19,749 --> 01:09:17,440

what i said where i said it because it

2000

01:09:22,149 --> 01:09:19,759

was miles away from her house but she

2001

01:09:24,229 --> 01:09:22,159

would do that and again i don't know

2002

01:09:25,110 --> 01:09:24,239

some sort of sixth sense or some sort of

2003

01:09:26,950 --> 01:09:25,120

uh

2004

01:09:29,030 --> 01:09:26,960

insight

2005

01:09:31,269 --> 01:09:29,040

but uh she always told me if

2006

01:09:32,950 --> 01:09:31,279

if you dream about something three times

2007

01:09:34,550 --> 01:09:32,960

pay attention to anything that happens

2008

01:09:36,229 --> 01:09:34,560

in theories pay attention but

2009

01:09:39,910 --> 01:09:36,239

particularly dreams and things like that

2010

01:09:44,309 --> 01:09:42,309

well steve it's been really fascinating

2011

01:09:46,149 --> 01:09:44,319

this hour just flew by

2012

01:09:49,510 --> 01:09:46,159

10 minutes over i told you it's easy to

2013

01:09:51,510 --> 01:09:49,520

give me talk the hard part's getting up

2014

01:09:53,990 --> 01:09:51,520

well look i'm gonna have to have you

2015

01:09:56,790 --> 01:09:54,000

come back pretty much sooner than i did

2016

01:09:59,510 --> 01:09:56,800

this last time okay and uh if you don't

2017

01:10:02,550 --> 01:09:59,520

mind doing that and uh again i i really

2018

01:10:03,910 --> 01:10:02,560

appreciate you coming on with me and uh

2019

01:10:06,070 --> 01:10:03,920

tell the folks how they can get in

2020

01:10:07,669 --> 01:10:06,080

contact with you uh well i've got the

2021

01:10:09,669 --> 01:10:07,679

youtube channel missing persons and

2022

01:10:11,590 --> 01:10:09,679

mysteries go check that out and it's

2023

01:10:13,750 --> 01:10:11,600

just what it sounds like that's mainly

2024

01:10:16,470 --> 01:10:13,760

their main focus here is missing persons

2025

01:10:19,189 --> 01:10:16,480

but we also look into uh other stuff

2026

01:10:22,390 --> 01:10:19,199

like today we had a video about uh route

2027

01:10:24,870 --> 01:10:22,400

666 the devil's highway the old uh it's

2028

01:10:26,950 --> 01:10:24,880

now us-421 i think it's a number through

2029

01:10:28,630 --> 01:10:26,960

the four corners area a lot of weird

2030

01:10:32,070 --> 01:10:28,640

stuff has happened there especially when

2031

01:10:33,750 --> 01:10:32,080

it was numbered 666. so we we cover

2032

01:10:35,750 --> 01:10:33,760

stuff like that sometimes we'll stray a

2033

01:10:38,149 --> 01:10:35,760

little bit although the missing persons

2034

01:10:40,550 --> 01:10:38,159

is still our main focus

2035

01:10:42,070 --> 01:10:40,560

um my books are available on amazon and

2036

01:10:44,870 --> 01:10:42,080

wherever fine books are sold my

2037

01:10:47,030 --> 01:10:44,880

publisher likes me to say that uh

2038

01:10:47,990 --> 01:10:47,040

there's those five available now the

2039

01:10:51,270 --> 01:10:48,000

national park mysteries and

2040

01:10:53,270 --> 01:10:51,280

disappearances three volume sets so far

2041

01:10:54,550 --> 01:10:53,280

there's going to be more than that and

2042

01:10:57,590 --> 01:10:54,560

um

2043

01:10:59,510 --> 01:10:57,600

the one that uh sandy and i uh my head

2044

01:11:01,430 --> 01:10:59,520

writer we're doing a book together about

2045

01:11:03,990 --> 01:11:01,440

the missing and murdering indigenous

2046

01:11:06,470 --> 01:11:04,000

women called spirited away that's also a

2047

01:11:08,310 --> 01:11:06,480

video series on missing persons and

2048

01:11:10,470 --> 01:11:08,320

mysteries but as you well know there's

2049

01:11:13,430 --> 01:11:10,480

certain things you can't say on youtube

2050

01:11:15,910 --> 01:11:13,440

as far as descriptors and yeah so uh

2051
01:11:17,750 --> 01:11:15,920
some of those cases we're covering i'm

2052
01:11:19,189 --> 01:11:17,760
more in depth in the book

2053
01:11:20,950 --> 01:11:19,199
because it unfortunately has to be that

2054
01:11:23,430 --> 01:11:20,960
way because of youtube

2055
01:11:26,390 --> 01:11:23,440
so uh check that out uh coming up i'm

2056
01:11:28,709 --> 01:11:26,400
gonna be at the uh

2057
01:11:30,709 --> 01:11:28,719
dogman encrypted conference in paris

2058
01:11:31,990 --> 01:11:30,719
tennessee that's in

2059
01:11:33,910 --> 01:11:32,000
august

2060
01:11:36,550 --> 01:11:33,920
don't remember the exact dates that's

2061
01:11:37,830 --> 01:11:36,560
going to be a lot of fun uh ken gerhart

2062
01:11:40,630 --> 01:11:37,840
jodie cook

2063
01:11:42,870 --> 01:11:40,640

martin nunley josh turner

2064

01:11:44,470 --> 01:11:42,880

uh some other other big names that

2065

01:11:46,149 --> 01:11:44,480

should be fascinating

2066

01:11:48,310 --> 01:11:46,159

and then kind of switch it up a little

2067

01:11:49,430 --> 01:11:48,320

bit in october i'll be in auburn

2068

01:11:51,510 --> 01:11:49,440

washington

2069

01:11:53,910 --> 01:11:51,520

at the pacific northwest true crime

2070

01:11:55,830 --> 01:11:53,920

festival and we're going sandy and are

2071

01:11:58,709 --> 01:11:55,840

gonna present on the missing murdered

2072

01:12:01,110 --> 01:11:58,719

indigenous so i'm all over the place i

2073

01:12:03,510 --> 01:12:01,120

also have a personal channel 13 past

2074

01:12:05,990 --> 01:12:03,520

midnight that's more than the creepy

2075

01:12:07,669 --> 01:12:06,000

stuff and i've narrated a lot of stories

2076

01:12:09,870 --> 01:12:07,679

from my books over there

2077

01:12:12,830 --> 01:12:09,880
