where i narrate recent and past cryptid

6
00:01:35,830 --> 00:01:32,079

and unexplained sightings and encounters

7
00:01:38,270 --> 00:01:35,840

submitted to me at phantoms and monsters

8
00:01:40,710 --> 00:01:38,280

i will also detail current and past

9
00:01:41,749 --> 00:01:40,720

investigations so thanks for joining me

10
00:01:44,389 --> 00:01:41,759

tonight

11
00:01:47,030 --> 00:01:44,399

the um the fans of monsters radio

12
00:01:48,789 --> 00:01:47,040

20

00:02:08,389 --> 00:02:06,240

uh so your consideration is very much

21

00:02:11,670 --> 00:02:08,399

needed and appreciated

22

00:02:13,990 --> 00:02:11,680

now if you have any questions

23

00:02:16,949 --> 00:02:14,000

after i read each report

24

00:02:19,910 --> 00:02:16,959

you can text me in the chat in chat with

25

00:02:21,190 --> 00:02:19,920

using um using high case numbers i mean

26

00:02:23,350 --> 00:02:21,200

letters please

27

00:02:26,229 --> 00:02:23,360

i'll also take your questions at the end

28

00:02:27,750 --> 00:02:26,239

of the presentation into the show and

29

00:02:29,670 --> 00:02:27,760

we can basically talk about anything at

30

00:02:32,229 --> 00:02:29,680

once so um

31

00:02:34,150 --> 00:02:32,239

so first off this this first account i i

32

00:02:37,350 --> 00:02:34,160

had posted not too long ago but it's an

33

00:02:40,470 --> 00:02:37,360

older account i had it a while back

34

00:02:43,750 --> 00:02:40,480

uh it's um

35

00:02:46,309 --> 00:02:43,760

it's a letter that dave schrader when he

36

00:02:49,430 --> 00:02:46,319

was darkness radio received

37

00:02:52,949 --> 00:02:49,440

from an anonymous man claiming to be a

38

00:02:55,910 --> 00:02:52,959

former u.s special forces operative

39

00:02:59,270 --> 00:02:55,920

regarding a mission he was part of back

40

00:03:01,509 --> 00:02:59,280

in the 1990s now

41

00:03:03,509 --> 00:03:01,519

uh this was originally posted several

42

00:03:05,990 --> 00:03:03,519

years ago but you know

43

00:03:08,869 --> 00:03:06,000

i'd like you know i'd like for others to

44

00:03:11,030 --> 00:03:08,879

hear and read it and comment because

45

00:03:14,070 --> 00:03:11,040

i have gotten some feedback over the

46

00:03:16,790 --> 00:03:14,080

years but uh i'd like to hear more

47

00:03:18,949 --> 00:03:16,800

uh because more and more we're getting

48

00:03:21,430 --> 00:03:18,959

um

49

00:03:24,070 --> 00:03:21,440

military involved sightings and

50

00:03:25,270 --> 00:03:24,080

encounters doing to do with cryptid so

51
00:03:27,190 --> 00:03:25,280
um

52
00:03:29,110 --> 00:03:27,200
if you do have comments you know send

53
00:03:31,509 --> 00:03:29,120
them to me or questions

54
00:03:34,229 --> 00:03:31,519
let me know at the end of the

55
00:03:35,589 --> 00:03:34,239
of the segment or after the um after the

56
00:03:38,630 --> 00:03:35,599
show

57
00:03:41,270 --> 00:03:38,640
sir that he writes in the early 1990s i

58
00:03:43,270 --> 00:03:41,280
was with the teams in the navy

59
00:03:45,270 --> 00:03:43,280
we were sanctioned by an alphabet

60
00:03:47,110 --> 00:03:45,280
government agency to put a stop to

61
00:03:49,670 --> 00:03:47,120
several

62
00:03:52,869 --> 00:03:49,680
aggressive sasquatch in the high country

63
00:03:54,869 --> 00:03:52,879

in western north carolina

64

00:03:57,190 --> 00:03:54,879

we all thought it was a joke at the

65

00:03:59,589 --> 00:03:57,200

mission briefing but it was no joke my

66

00:04:00,550 --> 00:03:59,599

partner in our team at 12 was my swim

67

00:04:03,030 --> 00:04:00,560

buddy

68

00:04:04,789 --> 00:04:03,040

he was native american this man wasn't

69

00:04:07,270 --> 00:04:04,799

scared of anything before we were

70

00:04:09,509 --> 00:04:07,280

ordered to go out during the briefing

71

00:04:11,110 --> 00:04:09,519

all these agents were showing us slides

72

00:04:12,710 --> 00:04:11,120

of what these creatures were doing to

73

00:04:14,630 --> 00:04:12,720

people

74

00:04:16,870 --> 00:04:14,640

adults and children are alike

75

00:04:19,349 --> 00:04:16,880

as well as the damage done to vehicles

76
00:04:21,670 --> 00:04:19,359
and homes anyway my buddy turned white

77
00:04:24,150 --> 00:04:21,680
with sheer fear he told me

78
00:04:25,749 --> 00:04:24,160
this is bad really bad

79
00:04:26,790 --> 00:04:25,759
so when we arrived in the little

80
00:04:29,350 --> 00:04:26,800
mountain

81
00:04:31,110 --> 00:04:29,360
village town the sheriff met us

82
00:04:33,670 --> 00:04:31,120
he told us

83
00:04:36,310 --> 00:04:33,680
that we'd never been so happy to see the

84
00:04:38,950 --> 00:04:36,320
calvary since he'd been in korea

85
00:04:41,510 --> 00:04:38,960
he showed us the actual

86
00:04:44,150 --> 00:04:41,520
places where as he put it

87
00:04:46,629 --> 00:04:44,160
this is where those efforts those big

88
00:04:49,270 --> 00:04:46,639

hairy demons destroyed this or killed

89

00:04:51,430 --> 00:04:49,280

him or her or them and there

90

00:04:54,870 --> 00:04:51,440

my buddy was taking everything

91

00:04:56,710 --> 00:04:54,880

in like i never saw him before

92

00:04:59,670 --> 00:04:56,720

after talking with the sheriff our

93

00:05:01,590 --> 00:04:59,680

lieutenant told us to fire up because we

94

00:05:04,070 --> 00:05:01,600

were going hunting

95

00:05:06,070 --> 00:05:04,080

so as we were getting our gear ready my

96

00:05:07,830 --> 00:05:06,080

buddy said to me you know i always

97

00:05:09,510 --> 00:05:07,840

thought my grandfather was telling me

98

00:05:11,350 --> 00:05:09,520

scary stories

99

00:05:13,110 --> 00:05:11,360

about he and his brothers when they

100

00:05:14,469 --> 00:05:13,120

fought the wild men

101
00:05:16,150 --> 00:05:14,479
and that's interesting he mentioned the

102
00:05:19,430 --> 00:05:16,160
wow man because i have family up in

103
00:05:20,629 --> 00:05:19,440
those hills in western north carolina

104
00:05:22,710 --> 00:05:20,639
and

105
00:05:26,070 --> 00:05:22,720
since i was a kid that's what they

106
00:05:27,909 --> 00:05:26,080
referred to the bigfoot as the wildman

107
00:05:30,950 --> 00:05:27,919
so um

108
00:05:33,909 --> 00:05:30,960
we started in around 1400 hours by 1600

109
00:05:36,150 --> 00:05:33,919
hours we found lots and lots of tracks

110
00:05:38,550 --> 00:05:36,160
we started tracking them we made out at

111
00:05:41,270 --> 00:05:38,560
least seven different individuals

112
00:05:43,830 --> 00:05:41,280
we made first contact at around 19 30

113
00:05:45,590 --> 00:05:43,840

hours and it was almost dark

114

00:05:47,830 --> 00:05:45,600

the point man stopped dead in his tracks

115

00:05:51,590 --> 00:05:47,840

and spoken to his headset

116

00:05:54,550 --> 00:05:51,600

i see one it's effing huge

117

00:05:55,670 --> 00:05:54,560

the lieutenant said if you have the shot

118

00:05:57,670 --> 00:05:55,680

take it

119

00:06:01,270 --> 00:05:57,680

he shot this massive harry b

120

00:06:03,350 --> 00:06:01,280

beast with a 7.62 millimeter round

121

00:06:05,189 --> 00:06:03,360

and it acted like a mosquito bit him

122

00:06:07,029 --> 00:06:05,199

this creature turned around and let out

123

00:06:09,029 --> 00:06:07,039

a god awful roar

124

00:06:11,029 --> 00:06:09,039

our point man quickly switched to full

125

00:06:12,990 --> 00:06:11,039

auto this time the creature dropped like

126
00:06:15,830 --> 00:06:13,000
a rock after 10

127
00:06:18,230 --> 00:06:15,840
7.62 millimeter rounds cut into his

128
00:06:22,790 --> 00:06:20,469
now at the first contact the agents

129
00:06:24,230 --> 00:06:22,800
radioed in and said that they wanted one

130
00:06:26,629 --> 00:06:24,240
alive

131
00:06:27,990 --> 00:06:26,639
our lieutenant told them to go screw

132
00:06:29,749 --> 00:06:28,000
themselves

133
00:06:32,950 --> 00:06:29,759
uh it took three days and nights with

134
00:06:35,029 --> 00:06:32,960
almost no sleep but we dropped 70

135
00:06:37,670 --> 00:06:35,039
hairy beast

136
00:06:39,510 --> 00:06:37,680
we found the missing people or rather

137
00:06:42,070 --> 00:06:39,520
what was left of them

138
00:06:44,629 --> 00:06:42,080

we had one casually when a team member

139

00:06:46,550 --> 00:06:44,639

was snatched straight up into a tree

140

00:06:48,629 --> 00:06:46,560

there was nothing anyone could have done

141

00:06:51,830 --> 00:06:48,639

for him to this day thinking of those

142

00:06:53,830 --> 00:06:51,840

three days since chills down my spine

143

00:06:56,390 --> 00:06:53,840

uh you won't find these three days in

144

00:06:58,070 --> 00:06:56,400

any military record or mission log

145

00:07:01,589 --> 00:06:58,080

going in

146

00:07:04,469 --> 00:07:01,599

debriefing

147

00:07:07,189 --> 00:07:04,479

uh where normally we asked

148

00:07:09,830 --> 00:07:07,199

a thousand one questions about every

149

00:07:12,070 --> 00:07:09,840

shot powered every angle we fired from

150

00:07:13,830 --> 00:07:12,080

or every angle we fired on acceptor we

151
00:07:14,790 --> 00:07:13,840
were simply told that the past three

152
00:07:16,710 --> 00:07:14,800
days

153
00:07:17,510 --> 00:07:16,720
we were doing rigorous mountain training

154
00:07:18,870 --> 00:07:17,520
and

155
00:07:21,110 --> 00:07:18,880
during that

156
00:07:23,589 --> 00:07:21,120
training period we lost the man

157
00:07:25,510 --> 00:07:23,599
and with that the debriefing team stood

158
00:07:27,990 --> 00:07:25,520
up and walked out

159
00:07:30,710 --> 00:07:28,000
we norm now normally we have individual

160
00:07:33,189 --> 00:07:30,720
debriefing for the whole team but this

161
00:07:34,230 --> 00:07:33,199
was one and only time it was just the

162
00:07:36,230 --> 00:07:34,240
team

163
00:07:37,990 --> 00:07:36,240

so to answer your next question after

164

00:07:40,070 --> 00:07:38,000

three days government agents came and

165

00:07:42,870 --> 00:07:40,080

removed all the corpses

166

00:07:44,710 --> 00:07:42,880

and flew them out

167

00:07:46,230 --> 00:07:44,720

now um

168

00:07:48,710 --> 00:07:46,240

you know

169

00:07:50,790 --> 00:07:48,720

i've tried to look into this account

170

00:07:53,510 --> 00:07:50,800

seriously i

171

00:07:55,350 --> 00:07:53,520

checked into um

172

00:07:58,469 --> 00:07:55,360

some people involved with navy

173

00:08:02,629 --> 00:08:01,350

down in um

174

00:08:04,230 --> 00:08:02,639

uh

175

00:08:06,230 --> 00:08:04,240

down at norfolk

176

00:08:08,150 --> 00:08:06,240

years ago when i first got this i didn't

177

00:08:09,830 --> 00:08:08,160

get much at all be honest with him which

178

00:08:11,270 --> 00:08:09,840

i really didn't think i was gonna get

179

00:08:13,350 --> 00:08:11,280

but

180

00:08:15,029 --> 00:08:13,360

um

181

00:08:17,270 --> 00:08:15,039

you know just like richard i mean

182

00:08:19,589 --> 00:08:17,280

vincent said the government knows why

183

00:08:21,430 --> 00:08:19,599

don't they want the public to know well

184

00:08:24,150 --> 00:08:21,440

that's just it

185

00:08:25,510 --> 00:08:24,160

i i don't think um

186

00:08:28,150 --> 00:08:25,520

i don't think they want the public to

187

00:08:29,350 --> 00:08:28,160

know for a lot of reasons but uh you

188

00:08:34,630 --> 00:08:29,360

know

189

00:08:36,790 --> 00:08:34,640

that being in the great smoky mountain

190

00:08:37,909 --> 00:08:36,800

national park

191

00:08:39,990 --> 00:08:37,919

uh

192

00:08:41,509 --> 00:08:40,000

if it's in that area they're not gonna

193

00:08:43,670 --> 00:08:41,519

they're not gonna sing about it they

194

00:08:45,430 --> 00:08:43,680

want people going in there they want you

195

00:08:47,750 --> 00:08:45,440

know what they want the tourist trade

196

00:08:50,150 --> 00:08:47,760

they want the money involved with it

197

00:08:52,070 --> 00:08:50,160

and they don't want to scare people um

198

00:08:54,470 --> 00:08:52,080

though like we had

199

00:08:56,710 --> 00:08:54,480

steve stockton on last week

200

00:08:58,470 --> 00:08:56,720

and you heard him talk about how people

201
00:08:59,750 --> 00:08:58,480
go missing in these national parks all

202
00:09:01,509 --> 00:08:59,760
the time

203
00:09:03,030 --> 00:09:01,519
so um

204
00:09:04,949 --> 00:09:03,040
you know it's

205
00:09:07,990 --> 00:09:04,959
you know that's just the way it is and

206
00:09:10,389 --> 00:09:08,000
uh as far as with bigfoot in general and

207
00:09:11,590 --> 00:09:10,399
other cryptos as well

208
00:09:12,710 --> 00:09:11,600
they're not going to release much of

209
00:09:15,509 --> 00:09:12,720
anything

210
00:09:16,470 --> 00:09:15,519
and i think it's the biggest reason why

211
00:09:17,990 --> 00:09:16,480
you know

212
00:09:21,110 --> 00:09:18,000
people using

213
00:09:22,630 --> 00:09:21,120

the parks and using the outdoors

214

00:09:24,150 --> 00:09:22,640

is big money

215

00:09:26,230 --> 00:09:24,160

i mean there's a lot of people that make

216

00:09:29,509 --> 00:09:26,240

a lot of big money because of

217

00:09:31,269 --> 00:09:29,519

outdoors and camping and hiking and such

218

00:09:34,070 --> 00:09:31,279

i think that's a big reason why behind

219

00:09:40,230 --> 00:09:37,590

so uh the next encounter was a uh where

220

00:09:42,630 --> 00:09:40,240

a group of family members encountered an

221

00:09:44,870 --> 00:09:42,640

oval-shaped craft

222

00:09:46,949 --> 00:09:44,880

that was hovering in a clearing near

223

00:09:49,509 --> 00:09:46,959

mona hands texas

224

00:09:51,590 --> 00:09:49,519

now that's west texas um

225

00:09:55,110 --> 00:09:51,600

they soon observed two mantis-like

226

00:09:57,030 --> 00:09:55,120

humanoids walking the area now

227

00:10:00,070 --> 00:09:57,040

this area around mona hands and that

228

00:10:01,990 --> 00:10:00,080

whole general area in western

229

00:10:04,870 --> 00:10:02,000

in western texas has a lot of strange

230

00:10:06,630 --> 00:10:04,880

phenomena to happen we've had bigfoot

231

00:10:08,870 --> 00:10:06,640

encounters there

232

00:10:11,430 --> 00:10:08,880

dog man like encounters

233

00:10:13,509 --> 00:10:11,440

a lot of ufo stuff so

234

00:10:17,350 --> 00:10:13,519

this doesn't really surprise me so

235

00:10:19,269 --> 00:10:17,360

they're right in the fall of 2009

236

00:10:21,670 --> 00:10:19,279

we were having a family friends get

237

00:10:24,389 --> 00:10:21,680

together to celebrate a birthday during

238

00:10:26,470 --> 00:10:24,399

the celebration two of my nephews

239

00:10:28,069 --> 00:10:26,480

and a niece came tearing into the house

240

00:10:30,470 --> 00:10:28,079

screaming at the top of their lungs

241

00:10:32,870 --> 00:10:30,480

saying that a plane crashed

242

00:10:35,590 --> 00:10:32,880

and when the adjacent pastures

243

00:10:37,829 --> 00:10:35,600

my brother myself and other

244

00:10:40,710 --> 00:10:37,839

three others uh walked outside to see

245

00:10:42,550 --> 00:10:40,720

what was causing all the ruckus

246

00:10:44,550 --> 00:10:42,560

now uh we didn't see anything out of the

247

00:10:47,750 --> 00:10:44,560

ordinary except a strange burning odor

248

00:10:49,829 --> 00:10:47,760

that smelled like burning mesquite

249

00:10:52,230 --> 00:10:49,839

uh we didn't think anything of it since

250

00:10:54,710 --> 00:10:52,240

it was kind of nippy out so

251
00:10:57,269 --> 00:10:54,720
and somebody one could have been burning

252
00:10:58,790 --> 00:10:57,279
some wood in their fireplace so we

253
00:11:00,470 --> 00:10:58,800
told them to show us where they saw the

254
00:11:02,790 --> 00:11:00,480
plane go down and we walked over to the

255
00:11:05,269 --> 00:11:02,800
place they showed us

256
00:11:07,030 --> 00:11:05,279
so the first thing we noticed was that

257
00:11:09,269 --> 00:11:07,040
all the dogs in the area were going

258
00:11:12,310 --> 00:11:09,279
bonkers they were barking up a storm

259
00:11:14,550 --> 00:11:12,320
like they were all seeing the same thing

260
00:11:17,030 --> 00:11:14,560
now the area where we live is a pretty

261
00:11:19,829 --> 00:11:17,040
much a rural community unless you live

262
00:11:21,910 --> 00:11:19,839
in the city of monahan's texas

263
00:11:23,990 --> 00:11:21,920

many of the houses are set on large

264

00:11:25,430 --> 00:11:24,000

plots of land usually four to five acres

265

00:11:27,269 --> 00:11:25,440

per house

266

00:11:29,670 --> 00:11:27,279

although you can see

267

00:11:31,910 --> 00:11:29,680

the houses of many of our neighbors and

268

00:11:33,670 --> 00:11:31,920

we do have traffic on the road

269

00:11:35,829 --> 00:11:33,680

you do get a feeling of being all by

270

00:11:37,829 --> 00:11:35,839

yourself out there so some of the land

271

00:11:39,350 --> 00:11:37,839

by our houses is overrun by wild

272

00:11:41,269 --> 00:11:39,360

mesquite trees

273

00:11:43,829 --> 00:11:41,279

only a small portion of land surrounding

274

00:11:46,630 --> 00:11:43,839

houses cultivated and cleared out

275

00:11:48,870 --> 00:11:46,640

beyond the stand of trees runs a small

276
00:11:50,230 --> 00:11:48,880
barbed wire fence that separates us from

277
00:11:51,829 --> 00:11:50,240
our neighbors

278
00:11:54,069 --> 00:11:51,839
who i could see were home from the

279
00:11:55,750 --> 00:11:54,079
lights in the house

280
00:11:57,829 --> 00:11:55,760
we walked around the edge of the trees

281
00:11:59,509 --> 00:11:57,839
not wanting to really go into the stand

282
00:12:01,670 --> 00:11:59,519
at night

283
00:12:03,670 --> 00:12:01,680
even though it's technically winter

284
00:12:05,509 --> 00:12:03,680
there could be rattlesnakes seeking

285
00:12:07,430 --> 00:12:05,519
shelter in amongst the trees not to

286
00:12:09,190 --> 00:12:07,440
mention that ski tree

287
00:12:12,069 --> 00:12:09,200
have some wicked thorns that protrude

288
00:12:13,670 --> 00:12:12,079

from them they are razor sharp and quite

289

00:12:16,389 --> 00:12:13,680

capable of punching through a pair of

290

00:12:18,629 --> 00:12:16,399

jeans or boots and they hurt to remove

291

00:12:21,030 --> 00:12:18,639

uh as we looked around we started

292

00:12:23,110 --> 00:12:21,040

noticing a sort of electrical charge to

293

00:12:25,190 --> 00:12:23,120

the very air around us and almost like

294

00:12:27,590 --> 00:12:25,200

the kind you feel when you

295

00:12:30,949 --> 00:12:27,600

approach a large electrical substation

296

00:12:33,190 --> 00:12:30,959

or charge an active radio antenna

297

00:12:34,870 --> 00:12:33,200

now as we made our way around one of my

298

00:12:36,790 --> 00:12:34,880

brothers noticed some light peeking

299

00:12:38,870 --> 00:12:36,800

through the trees and i told him it was

300

00:12:40,389 --> 00:12:38,880

probably one of the neighbors leaving or

301
00:12:42,389 --> 00:12:40,399
coming home

302
00:12:44,230 --> 00:12:42,399
he promptly told me that he could be

303
00:12:46,470 --> 00:12:44,240
headlights because the light seemed too

304
00:12:49,110 --> 00:12:46,480
diffused and not as concentrated as a

305
00:12:51,269 --> 00:12:49,120
car's headlight

306
00:12:53,430 --> 00:12:51,279
we moved around and as we cleared the

307
00:12:55,829 --> 00:12:53,440
standard trees we were shocked to see an

308
00:12:57,829 --> 00:12:55,839
oval-shaped object hovering maybe four

309
00:13:00,150 --> 00:12:57,839
or five feet off the ground

310
00:13:01,990 --> 00:13:00,160
we stood there in total shock and awe i

311
00:13:03,590 --> 00:13:02,000
only imagined that our jaws were

312
00:13:05,269 --> 00:13:03,600
probably on the ground

313
00:13:06,470 --> 00:13:05,279

and as we stood there watching this

314

00:13:08,389 --> 00:13:06,480

object hover

315

00:13:10,470 --> 00:13:08,399

there without any sound

316

00:13:13,190 --> 00:13:10,480

i took note that the object was maybe

317

00:13:14,949 --> 00:13:13,200

about 30 to 40 feet from the front to

318

00:13:17,509 --> 00:13:14,959

back

319

00:13:19,590 --> 00:13:17,519

it was maybe the same dimensions around

320

00:13:21,509 --> 00:13:19,600

the object seemed to be a highly

321

00:13:22,949 --> 00:13:21,519

polished material that reflected the

322

00:13:24,870 --> 00:13:22,959

area around it

323

00:13:26,230 --> 00:13:24,880

the reflection of the distant street

324

00:13:27,829 --> 00:13:26,240

lights from the surrounding neighbors

325

00:13:29,829 --> 00:13:27,839

property seemed to reflect off the

326

00:13:32,150 --> 00:13:29,839

surface of the object

327

00:13:33,190 --> 00:13:32,160

there was also a small dull glow to the

328

00:13:35,430 --> 00:13:33,200

object

329

00:13:36,310 --> 00:13:35,440

barely noticeable unless you were really

330

00:13:37,990 --> 00:13:36,320

looking

331

00:13:40,230 --> 00:13:38,000

almost like an order of sorts an

332

00:13:42,470 --> 00:13:40,240

iridescent blue of sorts

333

00:13:45,110 --> 00:13:42,480

as we stood there in total shock

334

00:13:47,590 --> 00:13:45,120

with my brother next to me um

335

00:13:49,990 --> 00:13:47,600

we saw two strange looking men

336

00:13:52,870 --> 00:13:50,000

appear from around the object

337

00:13:54,230 --> 00:13:52,880

they at first didn't notice uh notice us

338

00:13:56,230 --> 00:13:54,240

they were busy running around and

339

00:13:57,910 --> 00:13:56,240

gathering objects from the ground

340

00:13:59,990 --> 00:13:57,920

and from the trees

341

00:14:02,629 --> 00:14:00,000

they didn't seem to notice us at first

342

00:14:06,069 --> 00:14:02,639

they looked at to be about the size of

343

00:14:08,150 --> 00:14:06,079

my oldest nephew about four foot tall

344

00:14:09,910 --> 00:14:08,160

but they looked very skinny and like

345

00:14:12,069 --> 00:14:09,920

they had no meat on their bones the

346

00:14:15,670 --> 00:14:12,079

heads were very large the arms were long

347

00:14:17,750 --> 00:14:15,680

skinny and hung down around their knees

348

00:14:19,750 --> 00:14:17,760

about this time my two nephews came

349

00:14:21,750 --> 00:14:19,760

walking up behind us scaring the hell

350

00:14:23,829 --> 00:14:21,760

out of us they saw the object in the

351

00:14:25,350 --> 00:14:23,839

strange men and in a voice that only a

352

00:14:28,150 --> 00:14:25,360

kid can project

353

00:14:29,590 --> 00:14:28,160

screamed out loud what are those things

354

00:14:31,350 --> 00:14:29,600

that's when the creatures turned and

355

00:14:33,110 --> 00:14:31,360

noticed us

356

00:14:34,870 --> 00:14:33,120

the sight of these creatures was

357

00:14:36,629 --> 00:14:34,880

something that will haunt me till this

358

00:14:38,870 --> 00:14:36,639

the day i die

359

00:14:40,389 --> 00:14:38,880

it turned right

360

00:14:42,629 --> 00:14:40,399

you know it turned and looked right at

361

00:14:45,030 --> 00:14:42,639

us its eyes were large almost like the

362

00:14:46,790 --> 00:14:45,040

eyes of a praying mantis

363

00:14:49,030 --> 00:14:46,800

except that they were jet black and

364

00:14:51,269 --> 00:14:49,040

wrapped around its head

365

00:14:52,949 --> 00:14:51,279

the two creatures looked at us for about

366

00:14:55,350 --> 00:14:52,959

seven seconds

367

00:14:57,269 --> 00:14:55,360

not an ounce of movement before they

368

00:14:58,389 --> 00:14:57,279

calmly walked around the craft one right

369

00:14:59,670 --> 00:14:58,399

or you know other

370

00:15:01,509 --> 00:14:59,680

one right after the other they

371

00:15:03,189 --> 00:15:01,519

disappeared behind the craft and we

372

00:15:05,590 --> 00:15:03,199

never saw them again

373

00:15:07,590 --> 00:15:05,600

a few seconds later the craft lifts up

374

00:15:09,829 --> 00:15:07,600

not a sound coming from the object near

375

00:15:11,670 --> 00:15:09,839

russia wind not even a swing

376

00:15:13,990 --> 00:15:11,680

of the nearby branches of the mesquite

377

00:15:16,550 --> 00:15:14,000

tree it rose quietly and hovered for

378

00:15:18,710 --> 00:15:16,560

about 40 foot from the ground and shot

379

00:15:21,189 --> 00:15:18,720

up like a bat out of hell as it zoomed

380

00:15:23,030 --> 00:15:21,199

away it started glowing

381

00:15:24,710 --> 00:15:23,040

and made it easier to track as it zoomed

382

00:15:26,389 --> 00:15:24,720

away getting higher and higher until it

383

00:15:28,470 --> 00:15:26,399

faded off

384

00:15:30,629 --> 00:15:28,480

we stood there in complete silence as we

385

00:15:31,749 --> 00:15:30,639

tried to take heads or tails of what we

386

00:15:33,670 --> 00:15:31,759

just saw

387

00:15:35,430 --> 00:15:33,680

my brother finally piped up and said

388

00:15:37,189 --> 00:15:35,440

should we call the police well after

389

00:15:38,710 --> 00:15:37,199

which i burst out and left and replied

390

00:15:41,269 --> 00:15:38,720

him to tell him what

391

00:15:43,350 --> 00:15:41,279

my neighbor my nephew looked like he was

392

00:15:45,269 --> 00:15:43,360

just seeing a devil himself

393

00:15:46,710 --> 00:15:45,279

which considering what we just saw i

394

00:15:48,470 --> 00:15:46,720

don't blame him

395

00:15:50,470 --> 00:15:48,480

uh we didn't want to talk about it and

396

00:15:51,509 --> 00:15:50,480

that we made our way back to the house

397

00:15:53,030 --> 00:15:51,519

we

398

00:15:55,189 --> 00:15:53,040

still didn't talk

399

00:15:58,389 --> 00:15:55,199

i tried to ask him about it yesterday

400

00:16:00,389 --> 00:15:58,399

you know the next day and and um

401

00:16:03,430 --> 00:16:00,399

we basically told him that we

402

00:16:05,030 --> 00:16:03,440

didn't think want to think about it yet

403

00:16:06,470 --> 00:16:05,040

he was still processing what had

404

00:16:08,550 --> 00:16:06,480

happened to him

405

00:16:10,310 --> 00:16:08,560

and i was more than happy to leave at

406

00:16:12,470 --> 00:16:10,320

that i never really believed in the

407

00:16:14,230 --> 00:16:12,480

subject of ufos or aliens but at the

408

00:16:16,150 --> 00:16:14,240

events of that night

409

00:16:18,310 --> 00:16:16,160

i'm seriously going to reevaluate that

410

00:16:20,790 --> 00:16:18,320

belief and um

411

00:16:23,269 --> 00:16:20,800

i know that i plan to keep my mind open

412

00:16:26,550 --> 00:16:23,279

and start looking up towards the sky a

413

00:16:29,829 --> 00:16:26,560

little bit more from now on

414

00:16:32,310 --> 00:16:29,839

that was pretty interesting

415

00:16:37,749 --> 00:16:34,829

humanoid recording report

416

00:16:41,910 --> 00:16:37,759

mounted humanoid report

417

00:16:47,829 --> 00:16:43,350

so if you want to have any questions

418

00:16:50,790 --> 00:16:49,829

so this next one involves a pair of deer

419

00:16:52,949 --> 00:16:50,800

hunters

420

00:16:54,710 --> 00:16:52,959

who were part of a larger group

421

00:16:56,790 --> 00:16:54,720

that encounter a guide dressed in a

422

00:16:59,110 --> 00:16:56,800

clown outfit yeah i know it this is

423

00:17:00,550 --> 00:16:59,120

crazy and i'll be honest with you you

424

00:17:01,990 --> 00:17:00,560

know vince and i were talking about this

425

00:17:03,670 --> 00:17:02,000

before the show

426

00:17:05,990 --> 00:17:03,680

i i know a lot of deer hunters that

427

00:17:08,309 --> 00:17:06,000

would have popped this guy but you know

428

00:17:09,669 --> 00:17:08,319

this this kind of clown have outfit was

429

00:17:11,750 --> 00:17:09,679

roaming around the hunting area

430

00:17:13,669 --> 00:17:11,760

literally literally taunting these

431

00:17:15,590 --> 00:17:13,679

hunters for hours

432

00:17:16,829 --> 00:17:15,600

so it was you know this was forward to

433

00:17:19,990 --> 00:17:16,839

me and

434

00:17:23,270 --> 00:17:20,000

um uh this is what they wrote this

435

00:17:24,630 --> 00:17:23,280

incident occurred in 2019 when i was 17

436

00:17:26,789 --> 00:17:24,640

years old

437

00:17:28,549 --> 00:17:26,799

and living in the adirondacks in upstate

438

00:17:30,630 --> 00:17:28,559

new york it was deer season and i was

439

00:17:32,710 --> 00:17:30,640

hunting on a raised area between two

440

00:17:34,870 --> 00:17:32,720

swamps

441

00:17:37,430 --> 00:17:34,880

this was a great spot akin to a super

442

00:17:39,590 --> 00:17:37,440

highway for deer

443

00:17:41,830 --> 00:17:39,600

uh mind you the spot is not close to the

444

00:17:43,750 --> 00:17:41,840

roads being about three miles in the day

445

00:17:44,950 --> 00:17:43,760

was cold and windy snow had fallen a few

446

00:17:46,950 --> 00:17:44,960

days before

447

00:17:48,549 --> 00:17:46,960

and was frozen solid

448

00:17:50,630 --> 00:17:48,559

i was sitting on a low branch of the

449

00:17:52,470 --> 00:17:50,640

hardwood that made a perfect natural

450

00:17:53,590 --> 00:17:52,480

tree stand looking down between the

451
00:17:55,830 --> 00:17:53,600
swamps

452
00:17:57,990 --> 00:17:55,840
my body was about 200 yards away over a

453
00:18:00,549 --> 00:17:58,000
rise at the end of one of the swamps in

454
00:18:02,230 --> 00:18:00,559
a climbing tree stand

455
00:18:04,310 --> 00:18:02,240
now about eight in the morning i see

456
00:18:06,549 --> 00:18:04,320
movement coming from the end of the deer

457
00:18:08,230 --> 00:18:06,559
run between the swamps picking up my

458
00:18:10,070 --> 00:18:08,240
binoculars to look

459
00:18:12,070 --> 00:18:10,080
while scanning the area

460
00:18:14,150 --> 00:18:12,080
i see movement again the object was

461
00:18:17,029 --> 00:18:14,160
different colors obscured by some pines

462
00:18:19,430 --> 00:18:17,039
but i saw it moving

463
00:18:21,669 --> 00:18:19,440

dent out of russia came i seriously kid

464

00:18:23,510 --> 00:18:21,679

you not a clown

465

00:18:25,510 --> 00:18:23,520

rainbow fuzzy hair

466

00:18:27,510 --> 00:18:25,520

red nose and the whole works he didn't

467

00:18:28,950 --> 00:18:27,520

have on any cold weather clothes that i

468

00:18:31,350 --> 00:18:28,960

could tell

469

00:18:33,029 --> 00:18:31,360

just kind of wandering around that place

470

00:18:35,590 --> 00:18:33,039

looking at the ground

471

00:18:37,830 --> 00:18:35,600

then i noticed the pistol in his hand

472

00:18:40,870 --> 00:18:37,840

very creepy for sure

473

00:18:42,870 --> 00:18:40,880

i had not walked in from that side so

474

00:18:44,549 --> 00:18:42,880

there were no tracks leading my way from

475

00:18:46,390 --> 00:18:44,559

where he was

476

00:18:48,710 --> 00:18:46,400

i leaned back on my perch putting the

477

00:18:51,029 --> 00:18:48,720

tree between him and

478

00:18:53,270 --> 00:18:51,039

took off my orange vest

479

00:18:55,669 --> 00:18:53,280

no way did i want this weirdo seeing me

480

00:18:57,669 --> 00:18:55,679

my vest was a blading orange mesh though

481

00:19:00,390 --> 00:18:57,679

kind of like a jersey so

482

00:19:02,470 --> 00:19:00,400

i start stuffed it in my cargo pocket

483

00:19:04,710 --> 00:19:02,480

i peeked out again the clown is sitting

484

00:19:05,430 --> 00:19:04,720

on the deer run where he came out facing

485

00:19:06,470 --> 00:19:05,440

me

486

00:19:09,430 --> 00:19:06,480

he's about

487

00:19:11,669 --> 00:19:09,440

100 to 125 yards away

488

00:19:13,909 --> 00:19:11,679

now he just sat there for about an hour

489

00:19:16,310 --> 00:19:13,919

kept looking at i kept looking at him

490

00:19:18,150 --> 00:19:16,320

through the binoculars while staying

491

00:19:19,190 --> 00:19:18,160

staying as much behind the tree as

492

00:19:21,669 --> 00:19:19,200

possible

493

00:19:24,789 --> 00:19:21,679

the guy or clown was rocking back and

494

00:19:26,150 --> 00:19:24,799

forth with this pistol in his lap

495

00:19:28,630 --> 00:19:26,160

then he got up

496

00:19:32,470 --> 00:19:28,640

fished three's pockets and pulled out a

497

00:19:34,470 --> 00:19:32,480

set of those wind-up chattering teeth

498

00:19:37,029 --> 00:19:34,480

he wound them up tied them onto an

499

00:19:40,150 --> 00:19:37,039

overhanging branch on the trail and let

500

00:19:42,230 --> 00:19:40,160

them go the teeth are chattering away he

501
00:19:44,710 --> 00:19:42,240
turns toward me where i am

502
00:19:45,990 --> 00:19:44,720
gives a thumbs up in my direction does a

503
00:19:50,310 --> 00:19:46,000
clown laugh

504
00:19:53,750 --> 00:19:50,320
and does a sideways run into the bush

505
00:19:57,270 --> 00:19:53,760
i'm sitting there thinking what the

506
00:20:02,549 --> 00:19:59,750
i sit there until around noon

507
00:20:04,950 --> 00:20:02,559
no other noise hitting on a swivel or a

508
00:20:06,950 --> 00:20:04,960
movement

509
00:20:09,270 --> 00:20:06,960
you know drop down from my perch and put

510
00:20:11,830 --> 00:20:09,280
on my put my vest back on i cut over the

511
00:20:13,750 --> 00:20:11,840
hill and crosses frozen swamp

512
00:20:16,149 --> 00:20:13,760
and hit on my buddy and head to my

513
00:20:19,029 --> 00:20:16,159

buddy's stand i've got to tell him this

514

00:20:21,110 --> 00:20:19,039

even if he thinks i'm making it up

515

00:20:23,350 --> 00:20:21,120

i find the run he sets up on and

516

00:20:25,510 --> 00:20:23,360

followed it in

517

00:20:27,830 --> 00:20:25,520

around a stand of birch i see him up in

518

00:20:30,310 --> 00:20:27,840

the stand and head right for him

519

00:20:32,549 --> 00:20:30,320

as soon as he sees me starts waving in

520

00:20:35,669 --> 00:20:32,559

arms his arms and gives me one of those

521

00:20:36,789 --> 00:20:35,679

hands slash under the next segments i

522

00:20:39,830 --> 00:20:36,799

freeze

523

00:20:42,149 --> 00:20:39,840

pull up binoculars and look at him he's

524

00:20:45,350 --> 00:20:42,159

about 75 yards away

525

00:20:47,350 --> 00:20:45,360

he does this next slash thing again

526
00:20:50,470 --> 00:20:47,360
and points behind him

527
00:20:52,630 --> 00:20:50,480
around the tree then i hear it that damn

528
00:20:54,549 --> 00:20:52,640
clown left a lot

529
00:20:56,710 --> 00:20:54,559
he looked freaked out

530
00:20:58,789 --> 00:20:56,720
i sat there near the the birches for

531
00:21:00,070 --> 00:20:58,799
what it felt like forever with my rifle

532
00:21:02,950 --> 00:21:00,080
at the ready

533
00:21:04,870 --> 00:21:02,960
the laughing had stopped a while ago my

534
00:21:06,149 --> 00:21:04,880
buddy finally starts climbing down the

535
00:21:08,149 --> 00:21:06,159
tree

536
00:21:10,950 --> 00:21:08,159
he comes down the trail to me and says

537
00:21:12,149 --> 00:21:10,960
there's some dude dressed in a freaking

538
00:21:17,270 --> 00:21:12,159

clown

539

00:21:18,470 --> 00:21:17,280

scrape then i told him what happened at

540

00:21:21,510 --> 00:21:18,480

my spot

541

00:21:23,830 --> 00:21:21,520

we split and told his older brother

542

00:21:25,909 --> 00:21:23,840

a few of the adults wanted to know

543

00:21:27,830 --> 00:21:25,919

wanted us to show them where this thing

544

00:21:30,630 --> 00:21:27,840

was the next morning the next morning we

545

00:21:32,070 --> 00:21:30,640

headed out towards the spot when we got

546

00:21:34,070 --> 00:21:32,080

there there were

547

00:21:35,430 --> 00:21:34,080

three chattering teeth hanging on the

548

00:21:37,830 --> 00:21:35,440

trail

549

00:21:39,029 --> 00:21:37,840

we found tracks in the snow clown shoe

550

00:21:43,110 --> 00:21:39,039

tracks

551
00:21:45,590 --> 00:21:43,120
long way around the one swamp and

552
00:21:47,510 --> 00:21:45,600
straight to my buddy spot

553
00:21:50,070 --> 00:21:47,520
there were chatter teeth hanging there

554
00:21:51,830 --> 00:21:50,080
too along with one of those rubber

555
00:21:53,190 --> 00:21:51,840
chickens

556
00:21:55,110 --> 00:21:53,200
at that point

557
00:21:57,029 --> 00:21:55,120
they believed us and went all out to

558
00:22:00,230 --> 00:21:57,039
find the guy they never did the tracks

559
00:22:03,029 --> 00:22:00,240
ended up leading to a parking lot near a

560
00:22:05,270 --> 00:22:03,039
pond a few miles over and disappeared

561
00:22:07,590 --> 00:22:05,280
uh we were cautious in that area for a

562
00:22:10,070 --> 00:22:07,600
long time after that

563
00:22:11,029 --> 00:22:10,080

so uh yeah i don't think i have ever

564

00:22:13,029 --> 00:22:11,039

heard

565

00:22:13,990 --> 00:22:13,039

anyone

566

00:22:15,909 --> 00:22:14,000

with

567

00:22:17,669 --> 00:22:15,919

stupid enough to do something like that

568

00:22:18,789 --> 00:22:17,679

and taunt a bunch of hunters with guns

569

00:22:20,149 --> 00:22:18,799

but

570

00:22:24,830 --> 00:22:20,159

i don't know that's that's one of the

571

00:22:29,830 --> 00:22:28,230

so and if you ever get any anything

572

00:22:32,630 --> 00:22:29,840

similar to that let me know about it

573

00:22:35,909 --> 00:22:32,640

because i definitely want to post that

574

00:22:37,909 --> 00:22:35,919

that that's just too good so

575

00:22:40,630 --> 00:22:37,919

anyway the next account this was

576

00:22:43,270 --> 00:22:40,640

actually a part of an investigation that

577

00:22:45,830 --> 00:22:43,280

one of the um that

578

00:22:46,950 --> 00:22:45,840

luis castillo and fans of monster 14

579

00:22:49,510 --> 00:22:46,960

research

580

00:22:51,750 --> 00:22:49,520

conducted

581

00:22:54,470 --> 00:22:51,760

three broadly california men encountered

582

00:22:56,950 --> 00:22:54,480

what they said was a red-eyed man-like

583

00:22:58,470 --> 00:22:56,960

winged being near their home

584

00:23:00,390 --> 00:22:58,480

there was also another incident

585

00:23:04,230 --> 00:23:00,400

involving a similar fine creature near

586

00:23:09,430 --> 00:23:07,430

so luis went ahead and drove out that

587

00:23:12,230 --> 00:23:09,440

way and uh

588

00:23:14,549 --> 00:23:12,240

towards what was not too far from

589

00:23:16,149 --> 00:23:14,559

the mexican border so he

590

00:23:19,350 --> 00:23:16,159

he lives in um

591

00:23:22,870 --> 00:23:19,360

he lives in l.a so he drove down there

592

00:23:25,190 --> 00:23:22,880

so um his luisa's report was i spoke to

593

00:23:26,310 --> 00:23:25,200

esteban about a wing creature he and two

594

00:23:29,590 --> 00:23:26,320

others

595

00:23:30,710 --> 00:23:29,600

uh raphael and beto saw around six years

596

00:23:32,870 --> 00:23:30,720

ago

597

00:23:35,430 --> 00:23:32,880

they all reside in brawley california

598

00:23:38,149 --> 00:23:35,440

which is located 25 miles from the us

599

00:23:40,149 --> 00:23:38,159

and mexican border

600

00:23:41,750 --> 00:23:40,159

now he mentioned when he's when he saw

601
00:23:44,310 --> 00:23:41,760
it it was about midnight in late

602
00:23:46,630 --> 00:23:44,320
december after christmas

603
00:23:48,950 --> 00:23:46,640
he said that initially he had looked up

604
00:23:51,269 --> 00:23:48,960
and seen that he first what he first

605
00:23:53,750 --> 00:23:51,279
thought was a bird flying over a certain

606
00:23:55,430 --> 00:23:53,760
area in a zigzag pattern

607
00:23:57,269 --> 00:23:55,440
he mentioned it to his friends and at

608
00:23:59,190 --> 00:23:57,279
first they didn't see it

609
00:24:00,630 --> 00:23:59,200
but as they kept looking at it he

610
00:24:02,549 --> 00:24:00,640
noticed that

611
00:24:04,710 --> 00:24:02,559
it was not a bird but a man-like

612
00:24:06,630 --> 00:24:04,720
creature with wings

613
00:24:08,789 --> 00:24:06,640

he explained to them that he was

614

00:24:10,789 --> 00:24:08,799

describing what he was describing and as

615

00:24:12,470 --> 00:24:10,799

usual they started to say he was seeing

616

00:24:14,230 --> 00:24:12,480

things

617

00:24:16,549 --> 00:24:14,240

uh it was some time after that point

618

00:24:19,029 --> 00:24:16,559

that esteban noticed that he had now

619

00:24:20,870 --> 00:24:19,039

stopped in midair and began to look back

620

00:24:21,750 --> 00:24:20,880

at them

621

00:24:23,669 --> 00:24:21,760

now

622

00:24:25,510 --> 00:24:23,679

he i asked me if he could describe and

623

00:24:27,430 --> 00:24:25,520

he said that big red eyes was tall

624

00:24:29,029 --> 00:24:27,440

possibly six

625

00:24:30,310 --> 00:24:29,039

foot five

626

00:24:32,310 --> 00:24:30,320

uh but

627

00:24:33,510 --> 00:24:32,320

wasn't exactly the height just that it

628

00:24:36,070 --> 00:24:33,520

was big

629

00:24:37,430 --> 00:24:36,080

uh he said that its skin reminded him of

630

00:24:39,430 --> 00:24:37,440

barn owl

631

00:24:41,510 --> 00:24:39,440

uh he asked him if it was covered in

632

00:24:44,070 --> 00:24:41,520

feathers he said no and assuming he met

633

00:24:45,430 --> 00:24:44,080

color as he then mentioned it was khaki

634

00:24:46,950 --> 00:24:45,440

dark

635

00:24:48,870 --> 00:24:46,960

also uh

636

00:24:51,750 --> 00:24:48,880

that he could see that the wings were

637

00:24:53,669 --> 00:24:51,760

spread out and it detailed the veins

638

00:24:56,710 --> 00:24:53,679

just like that of a bat

639

00:24:58,390 --> 00:24:56,720

so it had membrane wings the face to him

640

00:25:00,470 --> 00:24:58,400

seemed burned

641

00:25:03,590 --> 00:25:00,480

but not just that it gave that

642

00:25:04,630 --> 00:25:03,600

impression a la freddy krueger

643

00:25:06,630 --> 00:25:04,640

um

644

00:25:08,549 --> 00:25:06,640

it also caused him concerned what it was

645

00:25:10,070 --> 00:25:08,559

hovering mid-air and the wings were

646

00:25:11,350 --> 00:25:10,080

still which is something that we've seen

647

00:25:14,390 --> 00:25:11,360

in chicago

648

00:25:15,990 --> 00:25:14,400

with a lot of these winged humanoids

649

00:25:19,029 --> 00:25:16,000

it's at that point he grabs one of his

650

00:25:21,190 --> 00:25:19,039

friends and points it out to him to show

651
00:25:23,669 --> 00:25:21,200
and what he's looking at upon seeing and

652
00:25:25,190 --> 00:25:23,679
his friend yells to shoot it

653
00:25:27,269 --> 00:25:25,200
that's when the other friends turn it

654
00:25:29,590 --> 00:25:27,279
and also saw and began yelling to shoot

655
00:25:30,630 --> 00:25:29,600
it seems that estefan was the only one

656
00:25:32,870 --> 00:25:30,640
armed

657
00:25:35,029 --> 00:25:32,880
he replied that he wasn't going to open

658
00:25:36,950 --> 00:25:35,039
fire since he was not threatening them

659
00:25:39,990 --> 00:25:36,960
so also he was

660
00:25:41,590 --> 00:25:40,000
afraid that whatever it was if he fired

661
00:25:42,950 --> 00:25:41,600
at it and the shots did nothing he

662
00:25:44,549 --> 00:25:42,960
figured this thing would possibly make

663
00:25:47,269 --> 00:25:44,559

short work of them

664

00:25:49,990 --> 00:25:47,279

so estefan does say that while he

665

00:25:52,149 --> 00:25:50,000

focused on his face and in wings

666

00:25:54,230 --> 00:25:52,159

and that the other friends said that the

667

00:25:57,350 --> 00:25:54,240

hands were claw like

668

00:25:59,510 --> 00:25:57,360

estefan could not recall exactly what he

669

00:26:00,870 --> 00:25:59,520

uh was doing as he said he was just

670

00:26:02,710 --> 00:26:00,880

standing there

671

00:26:04,470 --> 00:26:02,720

uh maybe out of fear but he was

672

00:26:06,070 --> 00:26:04,480

transfixed

673

00:26:07,909 --> 00:26:06,080

now he said he encountered last about

674

00:26:11,029 --> 00:26:07,919

four to seven minutes the creature made

675

00:26:12,710 --> 00:26:11,039

no noise of any type he said that's when

676
00:26:13,830 --> 00:26:12,720
people inside the house started to come

677
00:26:16,230 --> 00:26:13,840
out

678
00:26:17,990 --> 00:26:16,240
due to the yelling the three were making

679
00:26:20,549 --> 00:26:18,000
the creature shot up on the way into the

680
00:26:22,470 --> 00:26:20,559
dark behind some trees no one else saw

681
00:26:23,510 --> 00:26:22,480
it that night or else excuse me our

682
00:26:26,310 --> 00:26:23,520
sense

683
00:26:28,789 --> 00:26:26,320
with one exception two months later

684
00:26:31,269 --> 00:26:28,799
a woman friend of theirs made mention as

685
00:26:33,190 --> 00:26:31,279
they returned back to the reds red earth

686
00:26:35,269 --> 00:26:33,200
casino late at night

687
00:26:38,950 --> 00:26:35,279
that she too saw a flying creature with

688
00:26:41,110 --> 00:26:38,960

a red ass flying above her car

689

00:26:43,430 --> 00:26:41,120

now uh from what

690

00:26:45,750 --> 00:26:43,440

was said this creature would dive down

691

00:26:47,590 --> 00:26:45,760

on her car in an aggressive manner she

692

00:26:49,110 --> 00:26:47,600

was the only one in the car from what i

693

00:26:51,590 --> 00:26:49,120

could tell

694

00:26:54,390 --> 00:26:51,600

now i'm familiar with brawley this is

695

00:26:55,990 --> 00:26:54,400

louise's notes um there's a small town

696

00:26:58,549 --> 00:26:56,000

in the middle of nowhere surrounded by

697

00:27:01,110 --> 00:26:58,559

farms and open land at night

698

00:27:03,909 --> 00:27:01,120

it becomes very dark with dim street

699

00:27:05,750 --> 00:27:03,919

lights in regards to casino i've seen it

700

00:27:08,549 --> 00:27:05,760

at times driving to the border its

701
00:27:09,750 --> 00:27:08,559
location is even much more desolate than

702
00:27:12,310 --> 00:27:09,760
brawley

703
00:27:15,110 --> 00:27:12,320
the uh the roads leading to it and from

704
00:27:17,909 --> 00:27:15,120
our two lane roads in each direction

705
00:27:20,310 --> 00:27:17,919
leaving that location broadly

706
00:27:23,110 --> 00:27:20,320
especially at night is a as a long

707
00:27:24,710 --> 00:27:23,120
lonely dark desolate room

708
00:27:26,630 --> 00:27:24,720
and he said i'm going to set up a meet

709
00:27:28,470 --> 00:27:26,640
and greet but then next month after the

710
00:27:29,830 --> 00:27:28,480
10th as the schedule is packed and i

711
00:27:32,830 --> 00:27:29,840
don't know if he has followed up with

712
00:27:34,549 --> 00:27:32,840
this was a couple months ago

713
00:27:36,310 --> 00:27:34,559

so

714

00:27:39,029 --> 00:27:36,320

he said that the uh

715

00:27:42,549 --> 00:27:39,039

the the event did traumatize the three

716

00:27:44,710 --> 00:27:42,559

all three won't go out at night anymore

717

00:27:46,630 --> 00:27:44,720

raphael will no longer go to estefan's

718

00:27:49,110 --> 00:27:46,640

house or see him unless he spots him in

719

00:27:50,789 --> 00:27:49,120

the gas station beta

720

00:27:52,710 --> 00:27:50,799

from what i can understand is currently

721

00:27:55,029 --> 00:27:52,720

homeless won't go anywhere so esteban

722

00:27:57,350 --> 00:27:55,039

continues to look for it but feels

723

00:27:59,029 --> 00:27:57,360

that it watches him

724

00:28:02,789 --> 00:27:59,039

at the time the incident they were both

725

00:28:05,029 --> 00:28:02,799

between the ages of 50 to 52.

726

00:28:06,549 --> 00:28:05,039

so uh hopefully we'll get a follow-up on

727

00:28:08,310 --> 00:28:06,559

that i'm going to have to ask louise

728

00:28:10,310 --> 00:28:08,320

that if he did get anything else on it

729

00:28:12,230 --> 00:28:10,320

but that's an interesting account

730

00:28:13,669 --> 00:28:12,240

uh you know these wing humanoids of

731

00:28:15,350 --> 00:28:13,679

course we get all these sightings in

732

00:28:17,669 --> 00:28:15,360

chicago

733

00:28:20,789 --> 00:28:17,679

and uh we do

734

00:28:22,310 --> 00:28:20,799

connie's uh accounts all over north

735

00:28:24,070 --> 00:28:22,320

america

736

00:28:26,230 --> 00:28:24,080

uh the ones in the desert are

737

00:28:27,750 --> 00:28:26,240

particularly interesting um

738

00:28:30,149 --> 00:28:27,760

and we've had some before especially in

739

00:28:31,750 --> 00:28:30,159
california in

740

00:28:34,070 --> 00:28:31,760
and thanks to real truth for the

741

00:28:37,350 --> 00:28:34,080
donation i appreciate it

742

00:28:39,190 --> 00:28:37,360
um so um yeah so it's um

743

00:28:40,549 --> 00:28:39,200
that's an interesting account and we do

744

00:28:43,350 --> 00:28:40,559
have a follow-up i will definitely put

745

00:28:45,110 --> 00:28:43,360
it up or talk about it

746

00:28:47,269 --> 00:28:45,120
so the next account is a little bit

747

00:28:49,029 --> 00:28:47,279
different um

748

00:28:51,750 --> 00:28:49,039
a college student describes his

749

00:28:54,070 --> 00:28:51,760
harrowing experience with what with what

750

00:28:55,669 --> 00:28:54,080
people call a not deer

751
00:28:56,830 --> 00:28:55,679
in an area outside of

752
00:28:59,669 --> 00:28:56,840
charlottesville

753
00:29:02,230 --> 00:28:59,679
virginia uh

754
00:29:04,389 --> 00:29:02,240
and i asked if this is pops possibly a

755
00:29:06,549 --> 00:29:04,399
manifestation of a foreign spirit and

756
00:29:08,789 --> 00:29:06,559
you know we've had four spirit

757
00:29:11,110 --> 00:29:08,799
accounts over the years

758
00:29:13,190 --> 00:29:11,120
you know he's not there i don't really

759
00:29:14,310 --> 00:29:13,200
know what these things are

760
00:29:18,310 --> 00:29:14,320
you know

761
00:29:22,230 --> 00:29:18,320
i don't think it's uh a morph type of uh

762
00:29:24,389 --> 00:29:22,240
or a you know some type of deer that

763
00:29:27,190 --> 00:29:24,399

has got some type of deformity and such

764

00:29:29,510 --> 00:29:27,200

because we see plenty of those anyway

765

00:29:31,510 --> 00:29:29,520

so anyway this took place in 2008 in

766

00:29:33,190 --> 00:29:31,520

charlottesville virginia now if you are

767

00:29:34,950 --> 00:29:33,200

familiar with charlottesville it's

768

00:29:37,350 --> 00:29:34,960

outside the city limits in the county

769

00:29:40,149 --> 00:29:37,360

around old lynchbuild road before all

770

00:29:42,230 --> 00:29:40,159

those student apartments were completed

771

00:29:45,350 --> 00:29:42,240

at the time i lived in frye springs on

772

00:29:48,389 --> 00:29:45,360

sunset in the townhouse my roommate

773

00:29:50,070 --> 00:29:48,399

was using my vehicle when i was at my

774

00:29:51,350 --> 00:29:50,080

friends in the country the county's

775

00:29:54,549 --> 00:29:51,360

house

776

00:29:56,549 --> 00:29:54,559

so i decided to walk to the corner store

777

00:29:58,470 --> 00:29:56,559

to get some smokes if you follow the

778

00:30:00,230 --> 00:29:58,480

trail in the backyard

779

00:30:01,909 --> 00:30:00,240

it's a beautiful walk and

780

00:30:03,430 --> 00:30:01,919

a little quicker than driving around the

781

00:30:05,590 --> 00:30:03,440

windy roads

782

00:30:07,350 --> 00:30:05,600

it wasn't dark yet but the sun was going

783

00:30:10,470 --> 00:30:07,360

down it was cooling off

784

00:30:11,990 --> 00:30:10,480

into a beautiful evening so i asked my

785

00:30:13,830 --> 00:30:12,000

friend jay

786

00:30:16,070 --> 00:30:13,840

if they wanted to

787

00:30:17,669 --> 00:30:16,080

wanted anything and i had it off the

788

00:30:19,590 --> 00:30:17,679

trail so

789

00:30:21,269 --> 00:30:19,600

you know it brings you out behind the

790

00:30:23,269 --> 00:30:21,279

country storm

791

00:30:25,590 --> 00:30:23,279

at first my walk down the trail was just

792

00:30:28,149 --> 00:30:25,600

like any other there were birds chirping

793

00:30:30,470 --> 00:30:28,159

and animal noises and nice breeze

794

00:30:33,510 --> 00:30:30,480

when i got to the split on the trail for

795

00:30:35,990 --> 00:30:33,520

some reason it began to feel uneasy

796

00:30:38,149 --> 00:30:36,000

my hair was standing on in i felt like i

797

00:30:40,310 --> 00:30:38,159

was being watched and felt that heavy

798

00:30:42,070 --> 00:30:40,320

feeling in my stomach but i walked this

799

00:30:43,590 --> 00:30:42,080

trail many times so

800

00:30:45,110 --> 00:30:43,600

you know it wasn't that much further

801
00:30:46,710 --> 00:30:45,120
anyway so

802
00:30:49,909 --> 00:30:46,720
that's when i started to hear crunching

803
00:30:52,630 --> 00:30:49,919
leaves and twigs snapping twigs near me

804
00:30:55,669 --> 00:30:52,640
i quickly scanned the arjans relied when

805
00:30:57,909 --> 00:30:55,679
i spotted a large buck

806
00:30:59,990 --> 00:30:57,919
standing off the trail partly behind the

807
00:31:01,669 --> 00:31:00,000
sycamore tree

808
00:31:02,950 --> 00:31:01,679
first thing that struck me was the rack

809
00:31:05,590 --> 00:31:02,960
on this deer

810
00:31:07,669 --> 00:31:05,600
the antlers were super thick and burly

811
00:31:09,990 --> 00:31:07,679
more like that of a moose

812
00:31:12,310 --> 00:31:10,000
but it it's not quite moose antlers it

813
00:31:14,710 --> 00:31:12,320

looked just off i decided to keep

814

00:31:18,070 --> 00:31:14,720

walking and notice that i started

815

00:31:20,549 --> 00:31:18,080

and when i started so did the deer

816

00:31:23,269 --> 00:31:20,559

so i walked a little faster and so did

817

00:31:25,590 --> 00:31:23,279

the deer i stopped in this deer took off

818

00:31:26,870 --> 00:31:25,600

in a full-blown sprint

819

00:31:29,029 --> 00:31:26,880

now uh

820

00:31:31,509 --> 00:31:29,039

something about the way this thing moved

821

00:31:33,110 --> 00:31:31,519

was just so unnatural it moved like a

822

00:31:35,190 --> 00:31:33,120

rocking horse

823

00:31:37,110 --> 00:31:35,200

and his hind legs were in reverse of how

824

00:31:39,590 --> 00:31:37,120

they were supposed to be

825

00:31:41,590 --> 00:31:39,600

it's very upset unsettling and prompted

826
00:31:43,029 --> 00:31:41,600
me to bust down on full blown run to the

827
00:31:44,950 --> 00:31:43,039
end of the trail

828
00:31:48,149 --> 00:31:44,960
i'm hauling down the trail

829
00:31:49,990 --> 00:31:48,159
being fueled by some form of primal fear

830
00:31:53,029 --> 00:31:50,000
i come around the bend and there in the

831
00:31:55,590 --> 00:31:53,039
middle of the trail is this knock deer

832
00:31:58,070 --> 00:31:55,600
i started trying to backpedal and

833
00:32:00,549 --> 00:31:58,080
fell flat on my butt

834
00:32:02,549 --> 00:32:00,559
on the ground i'm just looking at the

835
00:32:03,909 --> 00:32:02,559
thing and it hits me this thing is a

836
00:32:06,549 --> 00:32:03,919
predator

837
00:32:08,710 --> 00:32:06,559
it's got its front-facing eyes deer

838
00:32:10,630 --> 00:32:08,720

don't have front-facing eyes

839

00:32:13,029 --> 00:32:10,640

but that's not all that's wrong with its

840

00:32:14,710 --> 00:32:13,039

space is not right it's too round it's

841

00:32:16,950 --> 00:32:14,720

got huge jowls

842

00:32:18,630 --> 00:32:16,960

and it's mouth is far too round to be a

843

00:32:21,430 --> 00:32:18,640

deer

844

00:32:23,430 --> 00:32:21,440

the snout is far too short so much is

845

00:32:25,909 --> 00:32:23,440

wrong i scrambled to get to my feet but

846

00:32:27,750 --> 00:32:25,919

whatever this thing it was decided to

847

00:32:29,430 --> 00:32:27,760

stand on its hind legs

848

00:32:31,669 --> 00:32:29,440

then i stood up

849

00:32:34,149 --> 00:32:31,679

i don't know if i've if though i was

850

00:32:35,990 --> 00:32:34,159

challenged i don't know if though i was

851
00:32:38,310 --> 00:32:36,000
challenged it because

852
00:32:39,990 --> 00:32:38,320
it stood up on its hind legs and was

853
00:32:43,750 --> 00:32:40,000
huge it towered over me it had to be

854
00:32:46,389 --> 00:32:43,760
over eight foot so i turned around and

855
00:32:48,230 --> 00:32:46,399
started running as fast as i could but i

856
00:32:51,029 --> 00:32:48,240
could hear the sounds of a bipedal

857
00:32:53,430 --> 00:32:51,039
stride close behind me

858
00:32:54,630 --> 00:32:53,440
i never turned around i was sure if i

859
00:32:56,950 --> 00:32:54,640
turned around

860
00:32:58,549 --> 00:32:56,960
it would get me when i reached the fork

861
00:33:00,470 --> 00:32:58,559
in the trail i could no longer hear it

862
00:33:02,470 --> 00:33:00,480
behind me when i got out of the woods i

863
00:33:04,470 --> 00:33:02,480

started screaming like a maniac

864

00:33:07,029 --> 00:33:04,480

so much of my friend jay came out of the

865

00:33:08,630 --> 00:33:07,039

back door with a shotgun

866

00:33:10,630 --> 00:33:08,640

i should mention my friend jay is a

867

00:33:12,470 --> 00:33:10,640

backwoods mountain boy from

868

00:33:13,590 --> 00:33:12,480

creek and he has native blood in his

869

00:33:15,029 --> 00:33:13,600

family

870

00:33:16,710 --> 00:33:15,039

when i finally calmed down enough to

871

00:33:17,990 --> 00:33:16,720

explain what happened jay told me it

872

00:33:19,509 --> 00:33:18,000

wasn't dear

873

00:33:21,110 --> 00:33:19,519

he said in the woods there are a lot of

874

00:33:22,710 --> 00:33:21,120

things regular people just don't know

875

00:33:26,630 --> 00:33:22,720

about and what i encountered was one of

876

00:33:27,669 --> 00:33:26,640

those things uh he said it was uh up to

877

00:33:30,630 --> 00:33:27,679

something

878

00:33:33,750 --> 00:33:30,640

and it i disturbed it and the jest of

879

00:33:35,669 --> 00:33:33,760

what i got is some sort of manifestation

880

00:33:38,549 --> 00:33:35,679

of a forest spirit

881

00:33:40,149 --> 00:33:38,559

so um you know that

882

00:33:42,710 --> 00:33:40,159

that area around

883

00:33:45,750 --> 00:33:42,720

charlottesville i know pretty well

884

00:33:48,310 --> 00:33:45,760

and uh it is it's all it's all built up

885

00:33:49,909 --> 00:33:48,320

now and years ago it wasn't built up and

886

00:33:51,830 --> 00:33:49,919

it was pretty well known for bigfoot

887

00:33:54,230 --> 00:33:51,840

activity

888

00:33:55,269 --> 00:33:54,240

so and i we do get occasional bigfoot

889

00:33:58,230 --> 00:33:55,279

sightings

890

00:33:59,750 --> 00:33:58,240

on the outskirts of charlottesville and

891

00:34:00,950 --> 00:33:59,760

uh so

892

00:34:02,389 --> 00:34:00,960

i don't know i don't know what this

893

00:34:05,190 --> 00:34:02,399

cryptid was

894

00:34:06,870 --> 00:34:05,200

uh was it a spirit of some type forest

895

00:34:08,550 --> 00:34:06,880

bear who knows and you know native

896

00:34:10,310 --> 00:34:08,560

american thought it was

897

00:34:12,710 --> 00:34:10,320

of course they they think a lot of these

898

00:34:14,710 --> 00:34:12,720

animals even think bigfoot's a spirit so

899

00:34:16,069 --> 00:34:14,720

uh

900

00:34:19,669 --> 00:34:16,079

you know that'd be interesting to think

901
00:34:24,790 --> 00:34:22,950
so uh got another one here

902
00:34:27,190 --> 00:34:24,800
a mississippi woman and her boyfriend

903
00:34:29,750 --> 00:34:27,200
are fishing at granada lake

904
00:34:31,030 --> 00:34:29,760
when they notice a developing void in

905
00:34:32,829 --> 00:34:31,040
the water

906
00:34:35,990 --> 00:34:32,839
then a glimmer man

907
00:34:38,149 --> 00:34:36,000
walks being walks out of the water

908
00:34:40,869 --> 00:34:38,159
now this was sent to me by cam and cal

909
00:34:43,750 --> 00:34:40,879
over expanded perspectives

910
00:34:45,750 --> 00:34:43,760
and i figured i should read it here and

911
00:34:48,069 --> 00:34:45,760
i thought you'd enjoy

912
00:34:50,069 --> 00:34:48,079
i recently heard your shows about the

913
00:34:51,430 --> 00:34:50,079

this is one of this is what was written

914

00:34:53,190 --> 00:34:51,440

to them i recently heard one of your

915

00:34:55,510 --> 00:34:53,200

shows about the glimmer man

916

00:34:56,869 --> 00:34:55,520

and i was dumbfounded because i had an

917

00:34:59,030 --> 00:34:56,879

experience very similar to the

918

00:35:01,430 --> 00:34:59,040

description of some of those encounters

919

00:35:03,030 --> 00:35:01,440

this took place a couple years ago my

920

00:35:05,829 --> 00:35:03,040

boyfriend at the time and i were out

921

00:35:08,390 --> 00:35:05,839

fishing at granada lake in mississippi

922

00:35:11,190 --> 00:35:08,400

we were in his ranger boat bass boat

923

00:35:13,109 --> 00:35:11,200

just floating along one bank

924

00:35:15,030 --> 00:35:13,119

floating along one bank when we saw a

925

00:35:17,430 --> 00:35:15,040

disturbance in the water

926

00:35:19,510 --> 00:35:17,440

i said hey what what's that over there i

927

00:35:21,190 --> 00:35:19,520

pointed to where i saw the water moving

928

00:35:23,510 --> 00:35:21,200

and scrolling around

929

00:35:25,430 --> 00:35:23,520

my boyfriend said he didn't know

930

00:35:26,710 --> 00:35:25,440

thinking it must be a catfish or a corp

931

00:35:29,430 --> 00:35:26,720

or something

932

00:35:31,910 --> 00:35:29,440

now why this was happening

933

00:35:32,950 --> 00:35:31,920

it looked like the void opened up in the

934

00:35:35,589 --> 00:35:32,960

water

935

00:35:36,470 --> 00:35:35,599

it moved funny something like a predator

936

00:35:38,390 --> 00:35:36,480

with

937

00:35:40,230 --> 00:35:38,400

when it's camouflaged and walked out of

938

00:35:42,230 --> 00:35:40,240

the water when it like when it

939

00:35:43,910 --> 00:35:42,240

confronted but uh dutch that was which

940

00:35:45,510 --> 00:35:43,920

was arnold schwarzenegger and walked

941

00:35:47,589 --> 00:35:45,520

onto the bank

942

00:35:49,349 --> 00:35:47,599

my boyfriend screamed at me did you see

943

00:35:51,349 --> 00:35:49,359

that what is that thing

944

00:35:54,230 --> 00:35:51,359

i couldn't speak i i don't didn't know

945

00:35:56,069 --> 00:35:54,240

what was i was looking at it just walked

946

00:35:58,310 --> 00:35:56,079

up and out of the lake and turned into

947

00:36:01,270 --> 00:35:58,320

the woods

948

00:36:04,710 --> 00:36:01,280

that was it it was gone i turned to my

949

00:36:07,589 --> 00:36:04,720

boyfriend and said what did we just see

950

00:36:09,589 --> 00:36:07,599

he said we he didn't know but he told me

951
00:36:11,750 --> 00:36:09,599
to put the stuff up and we were done

952
00:36:13,030 --> 00:36:11,760
fishing for the day we pulled up on the

953
00:36:14,470 --> 00:36:13,040
trolling motor

954
00:36:15,670 --> 00:36:14,480
secured our gear and we headed for the

955
00:36:17,030 --> 00:36:15,680
boat ramp

956
00:36:18,950 --> 00:36:17,040
now

957
00:36:20,230 --> 00:36:18,960
as we were slowly pulling into the

958
00:36:22,230 --> 00:36:20,240
marina

959
00:36:24,710 --> 00:36:22,240
it's a new wig zone he looked at me and

960
00:36:27,430 --> 00:36:24,720
said jennifer whatever

961
00:36:29,829 --> 00:36:27,440
you do don't tell anybody about this

962
00:36:32,230 --> 00:36:29,839
and i kept my word for a while but when

963
00:36:34,069 --> 00:36:32,240

we broke up and uh

964

00:36:35,270 --> 00:36:34,079

and when he broke up with me and i told

965

00:36:37,109 --> 00:36:35,280

a few people

966

00:36:40,630 --> 00:36:37,119

i've since moved on got married and had

967

00:36:42,310 --> 00:36:40,640

a daughter i still think about what we

968

00:36:44,710 --> 00:36:42,320

saw that day and i told my husband but

969

00:36:45,670 --> 00:36:44,720

he thinks it was a slight heat stroke or

970

00:36:50,390 --> 00:36:45,680

something

971

00:36:53,670 --> 00:36:50,400

that wasn't there but you know

972

00:36:55,510 --> 00:36:53,680

but i know different i even made him

973

00:36:57,510 --> 00:36:55,520

listen to some of your shows regarding

974

00:36:59,589 --> 00:36:57,520

glimmerman so um

975

00:37:01,430 --> 00:36:59,599

hey you understand what we saw now

976

00:37:03,910 --> 00:37:01,440

recently my ex-boyfriend found me on

977

00:37:05,430 --> 00:37:03,920

instagram and sent me a private message

978

00:37:08,069 --> 00:37:05,440

all it says was do you remember that

979

00:37:09,270 --> 00:37:08,079

translucent being we saw walk out of the

980

00:37:11,430 --> 00:37:09,280

lake

981

00:37:13,750 --> 00:37:11,440

i never replied because what a waste of

982

00:37:15,910 --> 00:37:13,760

time but i do think it's interesting

983

00:37:17,750 --> 00:37:15,920

that we must think about it to this

984

00:37:19,589 --> 00:37:17,760

you know he must think about to this day

985

00:37:21,109 --> 00:37:19,599

too so um

986

00:37:23,510 --> 00:37:21,119

yeah you know this whole glimmer man

987

00:37:25,910 --> 00:37:23,520

thing it's it's interesting

988

00:37:29,829 --> 00:37:25,920

i have no idea what these things are

989

00:37:34,310 --> 00:37:31,750

theories that these are cloaked bigfoot

990

00:37:37,430 --> 00:37:34,320

or cloak cryptids of some type

991

00:37:39,349 --> 00:37:37,440

uh i don't know um

992

00:37:40,870 --> 00:37:39,359

and of course in the movie it's a it's a

993

00:37:43,829 --> 00:37:40,880

cloaked alien

994

00:37:46,069 --> 00:37:43,839

uh the predator movies but uh

995

00:37:48,550 --> 00:37:46,079

i don't know what these things are

996

00:37:51,829 --> 00:37:48,560

so uh if you have any questions put them

997

00:37:54,150 --> 00:37:51,839

up now and uh i'll answer what you got

998

00:37:56,710 --> 00:37:54,160

uh we got a little bit of town

999

00:37:58,870 --> 00:37:56,720

uh should we be this is from uh from

1000

00:38:01,829 --> 00:37:58,880

denise sarick should we be concerned

1001
00:38:04,550 --> 00:38:01,839
about these winged humanoids

1002
00:38:06,870 --> 00:38:04,560
no i don't think so uh

1003
00:38:08,550 --> 00:38:06,880
now as far as being concerned

1004
00:38:11,430 --> 00:38:08,560
are they trying to tell us something i

1005
00:38:12,390 --> 00:38:11,440
don't i don't know i don't think so

1006
00:38:13,990 --> 00:38:12,400
uh

1007
00:38:15,990 --> 00:38:14,000
i don't know

1008
00:38:18,630 --> 00:38:16,000
i only know one case where somebody was

1009
00:38:21,030 --> 00:38:18,640
actually threatened by these things but

1010
00:38:23,190 --> 00:38:21,040
all in all from the cases that we have

1011
00:38:25,750 --> 00:38:23,200
gotten from what we've investigated i

1012
00:38:26,950 --> 00:38:25,760
don't really see what there's any threat

1013
00:38:29,109 --> 00:38:26,960

uh

1014

00:38:30,829 --> 00:38:29,119

like i said before i think these are

1015

00:38:32,320 --> 00:38:30,839

some type of

1016

00:38:33,589 --> 00:38:32,330

um the

1017

00:38:36,069 --> 00:38:33,599

[Music]

1018

00:38:38,950 --> 00:38:36,079

interdimensional being

1019

00:38:42,790 --> 00:38:38,960

ultra-terrestrial is what they we have

1020

00:38:45,430 --> 00:38:43,670

but

1021

00:38:46,710 --> 00:38:45,440

i don't know i don't think there's i

1022

00:38:48,870 --> 00:38:46,720

don't think there's anything that we'd

1023

00:38:51,270 --> 00:38:48,880

be concerned about but who knows you

1024

00:38:52,790 --> 00:38:51,280

know it's all that's that's

1025

00:38:53,829 --> 00:38:52,800

you know that's best i can say at this

1026

00:38:56,069 --> 00:38:53,839

point

1027

00:38:59,829 --> 00:38:56,079

what is all the what is the all-time

1028

00:39:01,430 --> 00:38:59,839

freakish story you've ever heard lana

1029

00:39:03,430 --> 00:39:01,440

i don't know that's a horror one i've

1030

00:39:05,829 --> 00:39:03,440

heard some real freaky stuff

1031

00:39:09,030 --> 00:39:05,839

um

1032

00:39:13,510 --> 00:39:09,040

you know let me think about it i i will

1033

00:39:15,030 --> 00:39:13,520

dig in my i will dig into my archives

1034

00:39:18,390 --> 00:39:15,040

and come up with one of the creepiest

1035

00:39:20,310 --> 00:39:18,400

stories i have for the next time around

1036

00:39:22,710 --> 00:39:20,320

so vincent make note of that for me to

1037

00:39:24,630 --> 00:39:22,720

dig up the creepiest thing that i have

1038

00:39:26,150 --> 00:39:24,640

ever had or heard of

1039

00:39:29,190 --> 00:39:26,160

there are a few

1040

00:39:30,870 --> 00:39:29,200

so i'll dig into it now i promise i'll

1041

00:39:33,030 --> 00:39:30,880

put it up there

1042

00:39:35,109 --> 00:39:33,040

uh james west asks could not there be

1043

00:39:37,510 --> 00:39:35,119

some kind of shapeshifter sure it could

1044

00:39:38,790 --> 00:39:37,520

be anything i mean

1045

00:39:43,030 --> 00:39:38,800

it could be a

1046

00:39:43,990 --> 00:39:43,040

shifter

1047

00:39:45,829 --> 00:39:44,000

um

1048

00:39:48,390 --> 00:39:45,839

does it make itself look somewhat like a

1049

00:39:50,790 --> 00:39:48,400

deer as some type of camouflage or such

1050

00:39:52,710 --> 00:39:50,800

i don't know that's possible too i think

1051
00:39:53,910 --> 00:39:52,720
uh is there some other cryptid that's

1052
00:39:57,030 --> 00:39:53,920
that's

1053
00:39:59,430 --> 00:39:57,040
changing its shape and such

1054
00:40:01,430 --> 00:39:59,440
i don't know

1055
00:40:04,150 --> 00:40:01,440
you know when we talk about cryptids we

1056
00:40:06,550 --> 00:40:04,160
we know very little

1057
00:40:09,510 --> 00:40:06,560
it's all speculation until we start

1058
00:40:10,470 --> 00:40:09,520
getting some physical evidence

1059
00:40:12,630 --> 00:40:10,480
uh

1060
00:40:14,870 --> 00:40:12,640
yeah i don't know it very well could be

1061
00:40:16,710 --> 00:40:14,880
some type of um

1062
00:40:20,309 --> 00:40:16,720
some type of uh

1063
00:40:20,319 --> 00:40:24,470

anything else folks

1064

00:40:28,230 --> 00:40:25,990
