

PHANTOMS & MONSTERS

R A D I O

UFO/UAP ROUNDTABLE

GRAEME RENDALL, LUKE SHANNAHAN, &
MARK FIORENTINO

FRIDAY, JUNE 10TH AT 9PM EASTERN / 6PM PACIFIC

1
00:00:01,960 --> 00:00:11,669

[Music]

2
00:00:17,670 --> 00:00:14,910
we live in a reality of phantoms and

3
00:00:20,230 --> 00:00:17,680
monsters they exist among us and

4
00:00:23,509 --> 00:00:20,240
sometimes they win

5
00:00:26,470 --> 00:00:23,519
even the devil was an angel once

6
00:00:29,029 --> 00:00:26,480
the world has its own rules and these

7
00:00:31,910 --> 00:00:29,039
rules are not human

8
00:00:34,150 --> 00:00:31,920
some of us seek answers to the origin

9
00:00:36,150 --> 00:00:34,160
and existence of cryptids in the

10
00:00:39,510 --> 00:00:36,160
unexplained

11
00:00:41,830 --> 00:00:39,520
join us as we venture beyond the known

12
00:00:44,549 --> 00:00:41,840
and accepted boundaries

13
00:00:50,120 --> 00:00:44,559

welcome to our nightmare i think you're

14

00:01:01,189 --> 00:00:59,189

[Music]

15

00:01:03,029 --> 00:01:01,199

hey folks good evening and welcome to

16

00:01:04,789 --> 00:01:03,039

another episode of phantoms and monsters

17

00:01:06,230 --> 00:01:04,799

radio where we explore the streams in

18

00:01:08,310 --> 00:01:06,240

the unexplained

19

00:01:09,429 --> 00:01:08,320

i'm your host lon stricker thanks for

20

00:01:12,310 --> 00:01:09,439

joining me

21

00:01:14,469 --> 00:01:12,320

so uh if you enjoy our content uh then

22

00:01:15,990 --> 00:01:14,479

please subscribe like and share our

23

00:01:18,310 --> 00:01:16,000

presentations

24

00:01:20,149 --> 00:01:18,320

uh super chat is active during the show

25

00:01:22,950 --> 00:01:20,159

so please show your support frames of

26

00:01:25,429 --> 00:01:22,960

monsters radio by clicking the dollar

27

00:01:27,670 --> 00:01:25,439

icon underneath the chat

28

00:01:30,789 --> 00:01:27,680

and you can also support the channel by

29

00:01:32,789 --> 00:01:30,799

using the buy me a coffee link or banner

30

00:01:34,789 --> 00:01:32,799

in the description below or up in the

31

00:01:36,789 --> 00:01:34,799

banner on the top of the page

32

00:01:38,550 --> 00:01:36,799

your consideration is very much needed

33

00:01:41,510 --> 00:01:38,560

and appreciated

34

00:01:44,310 --> 00:01:41,520

so tonight we welcome researchers

35

00:01:45,910 --> 00:01:44,320

investigators and authors

36

00:01:49,510 --> 00:01:45,920

graham rendall

37

00:01:51,910 --> 00:01:49,520

luke shanahan and mark fear fiorentino

38

00:01:54,550 --> 00:01:51,920

now graeme rendell is a full-time author

39

00:01:56,709 --> 00:01:54,560

and commentator on the unidentified

40

00:01:59,030 --> 00:01:56,719

aerial phenomena issue

41

00:02:01,510 --> 00:01:59,040

he has also contributed to the debrief

42

00:02:04,069 --> 00:02:01,520

an american news website dealing with

43

00:02:06,310 --> 00:02:04,079

cutting edge science tech and defense

44

00:02:07,510 --> 00:02:06,320

news and a frequent guest on various

45

00:02:10,070 --> 00:02:07,520

podcasts

46

00:02:12,070 --> 00:02:10,080

looking at uaps

47

00:02:15,110 --> 00:02:12,080

he also writes articles on the subject

48

00:02:17,190 --> 00:02:15,120

for uap media uk graham has written a

49

00:02:18,630 --> 00:02:17,200

critically acclaimed work looking at the

50

00:02:20,949 --> 00:02:18,640

food fighters

51
00:02:23,990 --> 00:02:20,959
witnessed during world war ii in the

52
00:02:26,470 --> 00:02:24,000
numerous wartime cases that occurred

53
00:02:28,869 --> 00:02:26,480
before the term was coined in november

54
00:02:31,589 --> 00:02:28,879
1944.

55
00:02:34,309 --> 00:02:31,599
uh he has been an aviation world war ii

56
00:02:36,790 --> 00:02:34,319
history enthusiast from an early age

57
00:02:39,190 --> 00:02:36,800
when he was given model aircraft kids

58
00:02:41,430 --> 00:02:39,200
hits to keep him quiet which is funny

59
00:02:43,190 --> 00:02:41,440
because my dad owned a hobby shop so i

60
00:02:45,910 --> 00:02:43,200
get that

61
00:02:47,830 --> 00:02:45,920
they did the same to me too so uh now

62
00:02:50,229 --> 00:02:47,840
luke shanahan is an experienced

63
00:02:52,470 --> 00:02:50,239

ufologist who has been researching the

64

00:02:55,270 --> 00:02:52,480

phenomena for 20 years

65

00:02:57,030 --> 00:02:55,280

and in the last five years has become a

66

00:02:58,949 --> 00:02:57,040

dedicated field researcher and social

67

00:03:00,790 --> 00:02:58,959

media manager

68

00:03:02,869 --> 00:03:00,800

running two internationally known and

69

00:03:05,830 --> 00:03:02,879

respected facebook pages

70

00:03:07,830 --> 00:03:05,840

our facebook groups ufo files group and

71

00:03:09,509 --> 00:03:07,840

into the dimensional riff

72

00:03:11,589 --> 00:03:09,519

born in melbourne and now living in

73

00:03:12,869 --> 00:03:11,599

queensland australia luke has had an eye

74

00:03:15,750 --> 00:03:12,879

in the sky

75

00:03:17,830 --> 00:03:15,760

and interest in ufos since she was a boy

76
00:03:21,190 --> 00:03:17,840
lucas thoroughly thorough knowledge of

77
00:03:23,990 --> 00:03:21,200
astrology astronomy and ufology

78
00:03:26,470 --> 00:03:24,000
and has interviewed several well-known

79
00:03:27,830 --> 00:03:26,480
experiences such as calvin parker and

80
00:03:29,830 --> 00:03:27,840
jim peniston

81
00:03:33,910 --> 00:03:29,840
keeping an ever watchful eye on the

82
00:03:36,149 --> 00:03:33,920
australian sky now mark fiorentino

83
00:03:38,070 --> 00:03:36,159
is the author of master of reality which

84
00:03:40,949 --> 00:03:38,080
is a book about the completion of

85
00:03:42,630 --> 00:03:40,959
einstein's unified field theory mark

86
00:03:44,949 --> 00:03:42,640
spent most of his life working in the

87
00:03:46,789 --> 00:03:44,959
high-tech industry starting out as an

88
00:03:49,030 --> 00:03:46,799

electronic technician in harris

89

00:03:50,149 --> 00:03:49,040

government systems located in palm bay

90

00:03:51,830 --> 00:03:50,159

florida

91

00:03:54,789 --> 00:03:51,840

that job was one of the most enjoyable

92

00:03:58,149 --> 00:03:54,799

and interesting jobs he had had

93

00:03:59,509 --> 00:03:58,159

he worked on a killer satellite missile

94

00:04:01,110 --> 00:03:59,519

guidance system

95

00:04:02,710 --> 00:04:01,120

he left harris government systems and

96

00:04:05,030 --> 00:04:02,720

moved to north carolina and worked for

97

00:04:07,509 --> 00:04:05,040

ibm for the next 16 years

98

00:04:11,270 --> 00:04:07,519

troubleshooting computer systems and

99

00:04:13,429 --> 00:04:11,280

hardware he also taught himself

100

00:04:15,750 --> 00:04:13,439

computer programming and use that

101
00:04:19,189 --> 00:04:15,760
knowledge to develop a program

102
00:04:21,270 --> 00:04:19,199
to failure and analyst faulty

103
00:04:23,189 --> 00:04:21,280
electronic circuit boards later mark

104
00:04:26,629 --> 00:04:23,199
moved back to florida and worked for

105
00:04:28,710 --> 00:04:26,639
five years at a company named imagesoft

106
00:04:31,670 --> 00:04:28,720
then finishing his career locally in his

107
00:04:34,230 --> 00:04:31,680
hometown working in the it department at

108
00:04:37,350 --> 00:04:34,240
winterhaven hospital now mark's website

109
00:04:38,790 --> 00:04:37,360
is located at super relative super dash

110
00:04:41,430 --> 00:04:38,800
relatively

111
00:04:43,350 --> 00:04:41,440
activity.com

112
00:04:46,950 --> 00:04:43,360
uh so

113
00:04:47,909 --> 00:04:46,960

guys thanks for joining me this evening

114

00:04:50,469 --> 00:04:47,919

thank you

115

00:04:53,189 --> 00:04:50,479

hello

116

00:04:57,270 --> 00:04:53,199

so i'm going to start out by uh having

117

00:04:59,430 --> 00:04:57,280

each one of you tell the audience um

118

00:05:01,270 --> 00:04:59,440

what what your research has entailed

119

00:05:03,590 --> 00:05:01,280

what you're interested in

120

00:05:05,749 --> 00:05:03,600

and uh what you've been doing over the

121

00:05:07,110 --> 00:05:05,759

years let's start off with uh with

122

00:05:10,070 --> 00:05:07,120

graham

123

00:05:11,590 --> 00:05:10,080

hi everybody so yeah um as you said in

124

00:05:14,550 --> 00:05:11,600

the introduction i'm an aviation

125

00:05:16,390 --> 00:05:14,560

historian um so i look at

126

00:05:18,629 --> 00:05:16,400

sort of like the aviation aspects of

127

00:05:20,469 --> 00:05:18,639

this particular subject i've written two

128

00:05:22,629 --> 00:05:20,479

books so far in terms of dealing with

129

00:05:24,469 --> 00:05:22,639

that so these are them there so we've

130

00:05:26,950 --> 00:05:24,479

got uh the ufos before roswell which

131

00:05:28,390 --> 00:05:26,960

deals with the foo fighters and also one

132

00:05:30,310 --> 00:05:28,400

that i've just brought out called flying

133

00:05:33,110 --> 00:05:30,320

saucer fever which looks at aerial

134

00:05:35,670 --> 00:05:33,120

encounters between 1950 and 1952. so

135

00:05:37,350 --> 00:05:35,680

these are all based on documents um

136

00:05:39,350 --> 00:05:37,360

whether they're blue book documents or

137

00:05:41,590 --> 00:05:39,360

sign or grudge documents but also

138

00:05:43,350 --> 00:05:41,600

looking at intelligence files and

139

00:05:45,110 --> 00:05:43,360

squadron records from the second world

140

00:05:46,870 --> 00:05:45,120

war that look at the european foo

141

00:05:48,469 --> 00:05:46,880

fighter sightings and also ones that

142

00:05:50,150 --> 00:05:48,479

happened before that name was coined as

143

00:05:52,870 --> 00:05:50,160

you mentioned the introduction so that

144

00:05:54,469 --> 00:05:52,880

is my prime focus uh because obviously

145

00:05:56,550 --> 00:05:54,479

i've got an interest in aviation and

146

00:05:58,550 --> 00:05:56,560

interest in wartime technology and

147

00:06:00,550 --> 00:05:58,560

german cigarette weapons and it all came

148

00:06:02,230 --> 00:06:00,560

together with a foo fighter book um so

149

00:06:05,510 --> 00:06:02,240

that was the first one i wrote but i'm

150

00:06:07,990 --> 00:06:05,520

now moving on to um sort of the 1950s to

151
00:06:09,909 --> 00:06:08,000
look at those particular cases from the

152
00:06:12,550 --> 00:06:09,919
aviation aspect from the pilots

153
00:06:14,950 --> 00:06:12,560
encounters from the crew encounters uh

154
00:06:16,870 --> 00:06:14,960
rather than just general cases because

155
00:06:18,710 --> 00:06:16,880
um you know i i like to keep things

156
00:06:20,390 --> 00:06:18,720
focused on things i can understand and i

157
00:06:23,350 --> 00:06:20,400
can put into a form of words that other

158
00:06:24,309 --> 00:06:23,360
people hopefully then can understand

159
00:06:26,710 --> 00:06:24,319
interesting

160
00:06:29,029 --> 00:06:26,720
mark how about you

161
00:06:33,029 --> 00:06:29,039
well i got into this business i guess

162
00:06:35,510 --> 00:06:33,039
you could say from early childhood

163
00:06:38,230 --> 00:06:35,520

learning about albert einstein who was

164

00:06:39,909 --> 00:06:38,240

on my birthday and the nuns wanted us to

165

00:06:41,830 --> 00:06:39,919

report on a

166

00:06:44,150 --> 00:06:41,840

saint on her birthday and i couldn't

167

00:06:46,790 --> 00:06:44,160

find one and lo and behold

168

00:06:49,350 --> 00:06:46,800

albert einstein so i started studying

169

00:06:52,070 --> 00:06:49,360

about him i fell in love with science

170

00:06:53,110 --> 00:06:52,080

and the unified field theory is a 10

171

00:06:56,469 --> 00:06:53,120

year old

172

00:06:58,790 --> 00:06:56,479

and then got into ufos as a teenager

173

00:07:00,629 --> 00:06:58,800

and i'm very interested on their

174

00:07:03,350 --> 00:07:00,639

propulsion system

175

00:07:05,270 --> 00:07:03,360

and antigravity as i figured if they

176

00:07:07,990 --> 00:07:05,280

know about antigravity they've solved

177

00:07:10,870 --> 00:07:08,000

the unified field theory so

178

00:07:13,110 --> 00:07:10,880

pursuing that line of research gravity

179

00:07:15,029 --> 00:07:13,120

and antigravity eventually over the next

180

00:07:17,510 --> 00:07:15,039

45 years

181

00:07:20,230 --> 00:07:17,520

i compile all my notes upon my

182

00:07:21,430 --> 00:07:20,240

retirement i write the book masters of

183

00:07:23,110 --> 00:07:21,440

reality

184

00:07:30,710 --> 00:07:23,120

and

185

00:07:33,110 --> 00:07:30,720

relativity which is an extension of

186

00:07:34,870 --> 00:07:33,120

einstein's work and special on general

187

00:07:37,990 --> 00:07:34,880

relativity

188

00:07:40,629 --> 00:07:38,000

with the solution for the origin of mass

189

00:07:42,469 --> 00:07:40,639

gravity and inertia which is on the

190

00:07:44,469 --> 00:07:42,479

research gate that papers on

191

00:07:46,710 --> 00:07:44,479

researchgate

192

00:07:47,749 --> 00:07:46,720

and that supplements the book that i

193

00:07:49,270 --> 00:07:47,759

wrote

194

00:07:52,390 --> 00:07:49,280

and um

195

00:07:56,070 --> 00:07:52,400

that's basically the short story for how

196

00:07:58,869 --> 00:07:56,080

i got into this whole thing

197

00:08:01,589 --> 00:07:58,879

very good and luke

198

00:08:03,990 --> 00:08:01,599

yeah well um yes as mark said i'm

199

00:08:06,309 --> 00:08:04,000

interested in a lot of the stuff he just

200

00:08:08,869 --> 00:08:06,319

um mentioned um

201
00:08:12,070 --> 00:08:08,879
just briefly going back to my childhood

202
00:08:13,189 --> 00:08:12,080
i was interested in uh science fiction

203
00:08:15,670 --> 00:08:13,199
and then

204
00:08:18,230 --> 00:08:15,680
later on became

205
00:08:20,150 --> 00:08:18,240
fascinated with uh when i started to

206
00:08:23,110 --> 00:08:20,160
learn about ufos

207
00:08:24,629 --> 00:08:23,120
fascinate a bit with the idea that um

208
00:08:26,629 --> 00:08:24,639
these things

209
00:08:30,150 --> 00:08:26,639
could be real and

210
00:08:34,790 --> 00:08:31,589
and wanna

211
00:08:37,670 --> 00:08:34,800
wanted to basically study the uh the

212
00:08:39,190 --> 00:08:37,680
subject in more detail so

213
00:08:41,430 --> 00:08:39,200

yeah um

214

00:08:45,110 --> 00:08:41,440

just keep here very short there so we

215

00:08:47,590 --> 00:08:45,120

can get on with the program but yes

216

00:08:50,070 --> 00:08:47,600

that's it

217

00:08:51,350 --> 00:08:50,080

well i guess i gotta ask the the obvious

218

00:08:54,310 --> 00:08:51,360

question

219

00:08:55,990 --> 00:08:54,320

what are ufos are they just lights in

220

00:08:57,750 --> 00:08:56,000

the sky are they

221

00:08:59,110 --> 00:08:57,760

uh

222

00:09:01,750 --> 00:08:59,120

galactic

223

00:09:04,389 --> 00:09:01,760

entities that come from other

224

00:09:06,230 --> 00:09:04,399

universes or other galaxies what what

225

00:09:07,990 --> 00:09:06,240

are we dealing with uh let me start off

226

00:09:10,150 --> 00:09:08,000

with graham

227

00:09:12,150 --> 00:09:10,160

do you know when people ask me that i'll

228

00:09:13,910 --> 00:09:12,160

i'll be honest and say i don't know we

229

00:09:15,590 --> 00:09:13,920

don't have enough information yet to be

230

00:09:18,070 --> 00:09:15,600

able to say for definite what these

231

00:09:20,150 --> 00:09:18,080

things represent are they lights but

232

00:09:22,710 --> 00:09:20,160

they're light they're craft there may be

233

00:09:24,150 --> 00:09:22,720

something in between people you know

234

00:09:26,150 --> 00:09:24,160

sort of come up with all these kind of

235

00:09:27,590 --> 00:09:26,160

like of kind of theories and everything

236

00:09:29,910 --> 00:09:27,600

but until you can actually prove one of

237

00:09:31,590 --> 00:09:29,920

them or all of them then really we're

238

00:09:32,949 --> 00:09:31,600

still you know so casting around the

239

00:09:34,470 --> 00:09:32,959

dark to try and find out what these

240

00:09:36,389 --> 00:09:34,480

things are there are plenty of people

241

00:09:38,550 --> 00:09:36,399

who have claimed to know what these

242

00:09:40,150 --> 00:09:38,560

things are and you'll see all these

243

00:09:41,910 --> 00:09:40,160

so-called experts that pop up or the

244

00:09:43,430 --> 00:09:41,920

people who say you know that they've had

245

00:09:45,190 --> 00:09:43,440

they've met beings or they've been

246

00:09:46,630 --> 00:09:45,200

inside craft and all the rest of it but

247

00:09:48,150 --> 00:09:46,640

unfortunately until we actually have

248

00:09:49,990 --> 00:09:48,160

definite proof of this

249

00:09:52,230 --> 00:09:50,000

then these are just stories as far as

250

00:09:53,509 --> 00:09:52,240

i'm concerned um you know with with it

251
00:09:55,350 --> 00:09:53,519
with a huge amount of respect to the

252
00:09:57,829 --> 00:09:55,360
people who make these you know claims

253
00:10:00,230 --> 00:09:57,839
and come up with these kind of tales um

254
00:10:02,790 --> 00:10:00,240
until there's definite proof then we're

255
00:10:05,590 --> 00:10:02,800
still casting around for for what is

256
00:10:07,910 --> 00:10:05,600
that other evidence

257
00:10:10,710 --> 00:10:07,920
uh what are your thoughts mark

258
00:10:13,590 --> 00:10:10,720
well i i take a approach

259
00:10:16,829 --> 00:10:13,600
more in that i i would say that

260
00:10:19,990 --> 00:10:16,839
yes they're all the above and there's

261
00:10:22,630 --> 00:10:20,000
evidence testimonial evidence

262
00:10:25,590 --> 00:10:22,640
some of it has been given directly to me

263
00:10:27,750 --> 00:10:25,600

a person who wants to remain anonymous

264

00:10:29,990 --> 00:10:27,760

for instance he and his friend who

265

00:10:33,590 --> 00:10:30,000

worked for the government in the 1970s

266

00:10:36,630 --> 00:10:33,600

were working in the desert and

267

00:10:39,590 --> 00:10:36,640

at a facility there and they saw a ufo

268

00:10:42,230 --> 00:10:39,600

and they got so close that they were

269

00:10:43,190 --> 00:10:42,240

able to touch it if they wanted to that

270

00:10:46,710 --> 00:10:43,200

close

271

00:10:48,630 --> 00:10:46,720

and they saw markings on that ufo and

272

00:10:51,829 --> 00:10:48,640

they claim it said

273

00:10:54,470 --> 00:10:51,839

u.s air force experimental

274

00:10:57,350 --> 00:10:54,480

so i think there's

275

00:11:00,389 --> 00:10:57,360

some of the ufos we see this is just my

276

00:11:03,430 --> 00:11:00,399

opinion now some of the ufos we see are

277

00:11:06,389 --> 00:11:03,440

our stuff reverse engineered some of it

278

00:11:08,069 --> 00:11:06,399

from other worlds some of it is mistaken

279

00:11:10,550 --> 00:11:08,079

phenomena you know

280

00:11:11,750 --> 00:11:10,560

venus whatever it's um it's a hodgepodge

281

00:11:14,150 --> 00:11:11,760

it's a mix

282

00:11:16,470 --> 00:11:14,160

all together i'd say you know basically

283

00:11:19,269 --> 00:11:16,480

if you're seeing a craft out there and

284

00:11:21,829 --> 00:11:19,279

it has no jet engine it's making no

285

00:11:24,230 --> 00:11:21,839

noise and it's making fantastic

286

00:11:26,949 --> 00:11:24,240

maneuvers it's either one of ours that

287

00:11:29,670 --> 00:11:26,959

we just reverse engineer and we have and

288

00:11:32,790 --> 00:11:29,680

we're testing or it's probably an alien

289

00:11:35,269 --> 00:11:32,800

ship that's my opinion

290

00:11:39,110 --> 00:11:35,279

and what are your thoughts luke

291

00:11:42,550 --> 00:11:39,120

well my thoughts are straight up um

292

00:11:44,630 --> 00:11:42,560

these things are real because thousands

293

00:11:45,990 --> 00:11:44,640

if not millions of people have seen

294

00:11:48,310 --> 00:11:46,000

these things

295

00:11:50,949 --> 00:11:48,320

and they're not

296

00:11:53,910 --> 00:11:50,959

are craft and they can't they do

297

00:11:54,949 --> 00:11:53,920

maneuvers that our craft can't keep up

298

00:11:57,670 --> 00:11:54,959

with

299

00:12:00,230 --> 00:11:57,680

and it's

300

00:12:03,670 --> 00:12:00,240

you know even out of a million cases if

301
00:12:05,829 --> 00:12:03,680
one is real they are real so

302
00:12:06,790 --> 00:12:05,839
in my basic opinion

303
00:12:09,350 --> 00:12:06,800
um

304
00:12:11,030 --> 00:12:09,360
they are real they're coming to

305
00:12:14,150 --> 00:12:11,040
this planet

306
00:12:16,389 --> 00:12:14,160
for whatever reason scientific reasons

307
00:12:18,550 --> 00:12:16,399
uh you get a lot of a lot of arguments

308
00:12:22,150 --> 00:12:18,560
of people you know why would they want

309
00:12:24,550 --> 00:12:22,160
to visit this planet well

310
00:12:25,829 --> 00:12:24,560
maybe they're curious they're like us

311
00:12:27,750 --> 00:12:25,839
they're curious

312
00:12:30,470 --> 00:12:27,760
they want to

313
00:12:31,910 --> 00:12:30,480

know what we're about what we do

314

00:12:35,509 --> 00:12:31,920

how we act

315

00:12:38,790 --> 00:12:35,519

our behavior everything um so

316

00:12:39,829 --> 00:12:38,800

yeah i i believe a hundred percent that

317

00:12:42,150 --> 00:12:39,839

these

318

00:12:44,150 --> 00:12:42,160

this phenomenon is

319

00:12:46,310 --> 00:12:44,160

100 percent real

320

00:12:48,389 --> 00:12:46,320

i guess you have um beyond the

321

00:12:50,230 --> 00:12:48,399

extraterrestrial sort of hypothesis you

322

00:12:52,310 --> 00:12:50,240

also have two other options which have

323

00:12:54,069 --> 00:12:52,320

been banded about in recent years and

324

00:12:55,910 --> 00:12:54,079

you have the kind of ultra-terrestrials

325

00:12:58,069 --> 00:12:55,920

i believe that's the phrase so they're

326

00:12:59,670 --> 00:12:58,079

more of us people who live with us and

327

00:13:01,910 --> 00:12:59,680

that we're not really aware of them but

328

00:13:03,190 --> 00:13:01,920

they've been here maybe forever or the

329

00:13:05,590 --> 00:13:03,200

time travelers from the future they're

330

00:13:08,069 --> 00:13:05,600

us from the future coming back to see us

331

00:13:09,829 --> 00:13:08,079

so as as mark said there it's all of the

332

00:13:11,269 --> 00:13:09,839

above it could be any one of them or it

333

00:13:13,750 --> 00:13:11,279

could be all of them or it could be one

334

00:13:15,990 --> 00:13:13,760

of them and we're not at the point yet i

335

00:13:18,310 --> 00:13:16,000

think and this is my personal opinion as

336

00:13:19,509 --> 00:13:18,320

to what which one of them

337

00:13:21,670 --> 00:13:19,519

or it could be something completely

338

00:13:23,750 --> 00:13:21,680

different that we're still not aware of

339

00:13:26,150 --> 00:13:23,760

you know we're not at that point yet but

340

00:13:28,230 --> 00:13:26,160

with great respect to our australian

341

00:13:30,150 --> 00:13:28,240

guests here yes that could be quite that

342

00:13:31,350 --> 00:13:30,160

could be quite right and a lot of people

343

00:13:32,710 --> 00:13:31,360

for years have

344

00:13:34,230 --> 00:13:32,720

you know that's where their focus has

345

00:13:36,870 --> 00:13:34,240

been but i don't think we should rule

346

00:13:39,269 --> 00:13:36,880

other things out either um because it's

347

00:13:40,710 --> 00:13:39,279

you know from a kind of um historian's

348

00:13:42,389 --> 00:13:40,720

point of view you you don't rule

349

00:13:44,310 --> 00:13:42,399

everything out until you rule everything

350

00:13:46,310 --> 00:13:44,320

out to kind of thing so

351
00:13:48,069 --> 00:13:46,320
you have to keep things in mind

352
00:13:50,150 --> 00:13:48,079
just because you might want something to

353
00:13:51,590 --> 00:13:50,160
happen or you believe it doesn't mean to

354
00:13:54,470 --> 00:13:51,600
say you should also rule out other

355
00:13:56,150 --> 00:13:54,480
stuff as well uh but yes you know it

356
00:13:57,350 --> 00:13:56,160
could be aliens it could be it could be

357
00:13:59,670 --> 00:13:57,360
us from the future it could be almost

358
00:14:00,629 --> 00:13:59,680
anything really

359
00:14:03,030 --> 00:14:00,639
okay

360
00:14:03,829 --> 00:14:03,040
um

361
00:14:06,629 --> 00:14:03,839
now

362
00:14:08,790 --> 00:14:06,639
as far as uh let's let's talk about the

363
00:14:11,509 --> 00:14:08,800

the more recent

364

00:14:12,949 --> 00:14:11,519

so-called disclosures by the government

365

00:14:14,389 --> 00:14:12,959

or the military especially here in the

366

00:14:17,110 --> 00:14:14,399

united states

367

00:14:19,269 --> 00:14:17,120

uh with the the tic tac

368

00:14:22,150 --> 00:14:19,279

sightings or whatever with the nimitz

369

00:14:23,590 --> 00:14:22,160

group and all and and i know mark has

370

00:14:26,310 --> 00:14:23,600

looked into that

371

00:14:29,030 --> 00:14:26,320

uh are they kind of speed feeding us uh

372

00:14:30,550 --> 00:14:29,040

this information or is this something

373

00:14:33,110 --> 00:14:30,560

that uh

374

00:14:34,389 --> 00:14:33,120

is was done to generate some type of

375

00:14:39,189 --> 00:14:34,399

excitement or

376

00:14:44,310 --> 00:14:41,590

well i i think that

377

00:14:46,790 --> 00:14:44,320

it's very you have to be very careful in

378

00:14:47,990 --> 00:14:46,800

analyzing this data i mean they

379

00:14:49,670 --> 00:14:48,000

obviously

380

00:14:51,110 --> 00:14:49,680

presented some

381

00:14:54,069 --> 00:14:51,120

real good

382

00:14:56,310 --> 00:14:54,079

uh data that we can see there's radar

383

00:14:59,189 --> 00:14:56,320

it's on infrared it's on regular

384

00:15:02,389 --> 00:14:59,199

photography it's visual sightings it's

385

00:15:03,990 --> 00:15:02,399

confirmed and even the government admits

386

00:15:05,910 --> 00:15:04,000

it's something they don't know they

387

00:15:08,150 --> 00:15:05,920

won't admit what it is and i have a

388

00:15:10,310 --> 00:15:08,160

feeling they probably know

389

00:15:12,470 --> 00:15:10,320

and uh they're at this point where

390

00:15:13,509 --> 00:15:12,480

they're boxed in they're painted into a

391

00:15:15,910 --> 00:15:13,519

corner

392

00:15:17,350 --> 00:15:15,920

and they got to admit well okay yeah

393

00:15:20,389 --> 00:15:17,360

that's something

394

00:15:22,470 --> 00:15:20,399

you can't deny all that rock-solid data

395

00:15:24,949 --> 00:15:22,480

that's coming out of the system that's

396

00:15:26,470 --> 00:15:24,959

leaking out of their system

397

00:15:28,949 --> 00:15:26,480

and so they're just going to put their

398

00:15:30,629 --> 00:15:28,959

hands up in the air and say i don't know

399

00:15:32,870 --> 00:15:30,639

i don't know what it is

400

00:15:34,150 --> 00:15:32,880

and and and so we're still kind of left

401
00:15:36,550 --> 00:15:34,160
hanging

402
00:15:38,710 --> 00:15:36,560
because we we want more we want them to

403
00:15:40,550 --> 00:15:38,720
admit something but

404
00:15:42,870 --> 00:15:40,560
i'm thinking this is

405
00:15:45,269 --> 00:15:42,880
good data and we have to be careful that

406
00:15:47,350 --> 00:15:45,279
because they also i know our government

407
00:15:49,829 --> 00:15:47,360
the u.s government

408
00:15:52,470 --> 00:15:49,839
probably in conjunction with the

409
00:15:56,230 --> 00:15:52,480
other nations has a disinformation

410
00:15:59,430 --> 00:15:56,240
bureau going on so we you know we

411
00:16:01,990 --> 00:15:59,440
we have to be very careful when they're

412
00:16:04,629 --> 00:16:02,000
putting this stuff out to really examine

413
00:16:06,949 --> 00:16:04,639

it think about it analyze it discuss it

414

00:16:09,269 --> 00:16:06,959

as we're doing here to make sure we get

415

00:16:10,949 --> 00:16:09,279

it right we get the best information

416

00:16:13,430 --> 00:16:10,959

possible

417

00:16:16,230 --> 00:16:13,440

yeah uh luke you know you you've been in

418

00:16:18,470 --> 00:16:16,240

australia and uh familiar with what they

419

00:16:20,389 --> 00:16:18,480

uh have

420

00:16:21,990 --> 00:16:20,399

disclosed in your country

421

00:16:24,389 --> 00:16:22,000

and of course the united states great

422

00:16:25,350 --> 00:16:24,399

britain in australia have been very

423

00:16:28,150 --> 00:16:25,360

tight

424

00:16:29,509 --> 00:16:28,160

militarily and and government-wise for

425

00:16:31,590 --> 00:16:29,519

for years and i'm quite sure they're

426
00:16:34,870 --> 00:16:31,600
working a lot of things together

427
00:16:36,470 --> 00:16:34,880
when it involves the ufo question but

428
00:16:38,230 --> 00:16:36,480
what what has been different in

429
00:16:41,990 --> 00:16:38,240
australia as compared to the united

430
00:16:43,350 --> 00:16:42,000
states or the uk as far as disclosure

431
00:16:46,389 --> 00:16:43,360
um well

432
00:16:47,189 --> 00:16:46,399
not a lot different to be honest um i'm

433
00:16:50,629 --> 00:16:47,199
sure

434
00:16:53,670 --> 00:16:50,639
every every country sees it as a similar

435
00:16:55,670 --> 00:16:53,680
kind of um phenomena

436
00:16:57,670 --> 00:16:55,680
it's just the way certain countries

437
00:17:00,949 --> 00:16:57,680
handle it the governments

438
00:17:07,750 --> 00:17:03,670

and it all depends on

439

00:17:08,870 --> 00:17:07,760

the amount of sightings and

440

00:17:12,789 --> 00:17:08,880

what

441

00:17:15,990 --> 00:17:12,799

america has

442

00:17:19,750 --> 00:17:16,000

yet taken a good slice of the cake

443

00:17:24,949 --> 00:17:19,760

with a phenomenon at the moment um

444

00:17:28,309 --> 00:17:24,959

with the tic tacs and um actual military

445

00:17:30,390 --> 00:17:28,319

uh confirmation that these things

446

00:17:31,669 --> 00:17:30,400

are potentially uh

447

00:17:37,830 --> 00:17:31,679

from

448

00:17:39,029 --> 00:17:37,840

the question is

449

00:17:41,909 --> 00:17:39,039

poses

450

00:17:44,070 --> 00:17:41,919

who are they and who's operating these

451
00:17:46,950 --> 00:17:44,080
craft

452
00:17:48,630 --> 00:17:46,960
you know it's also interesting that um

453
00:17:50,950 --> 00:17:48,640
especially here in the united states and

454
00:17:52,789 --> 00:17:50,960
in australia you've got the indigenous

455
00:17:54,630 --> 00:17:52,799
people that seem

456
00:17:55,590 --> 00:17:54,640
you know the aborigines in in your

457
00:17:57,270 --> 00:17:55,600
country

458
00:17:59,270 --> 00:17:57,280
where uh there does seem to be

459
00:18:01,750 --> 00:17:59,280
connection between uh

460
00:18:04,870 --> 00:18:01,760
uh other beings from other worlds and

461
00:18:09,029 --> 00:18:07,590
where does that fit in the equation

462
00:18:11,350 --> 00:18:09,039
uh well

463
00:18:14,950 --> 00:18:11,360

you you can um

464

00:18:18,470 --> 00:18:14,960

yeah it's aboriginal um they they go

465

00:18:20,150 --> 00:18:18,480

back a long time a long time um

466

00:18:22,070 --> 00:18:20,160

thousands of years

467

00:18:24,870 --> 00:18:22,080

and um

468

00:18:26,470 --> 00:18:24,880

even swapping over to america you know

469

00:18:30,310 --> 00:18:26,480

you got your hopey

470

00:18:33,029 --> 00:18:30,320

tribes that have uh mentioned the uh the

471

00:18:36,150 --> 00:18:33,039

ant people uh the underground people

472

00:18:38,710 --> 00:18:36,160

which researchers may not know about

473

00:18:41,029 --> 00:18:38,720

uh that actually helped the hobie try

474

00:18:42,950 --> 00:18:41,039

about with so

475

00:18:45,270 --> 00:18:42,960

um

476

00:18:48,630 --> 00:18:45,280

these particular entities could have

477

00:18:52,150 --> 00:18:48,640

been visiting us for thousands of years

478

00:18:53,830 --> 00:18:52,160

possibly i i won't confirm that but

479

00:18:55,590 --> 00:18:53,840

during my research

480

00:18:58,310 --> 00:18:55,600

it is possible

481

00:19:00,950 --> 00:18:58,320

it may have happened um i

482

00:19:03,270 --> 00:19:00,960

can't or cannot prove that that is

483

00:19:05,430 --> 00:19:03,280

correct

484

00:19:07,350 --> 00:19:05,440

uh graham or mark you having to say

485

00:19:09,990 --> 00:19:07,360

about that

486

00:19:12,070 --> 00:19:10,000

if you're asking about you the uk stands

487

00:19:13,909 --> 00:19:12,080

for its public stance on

488

00:19:15,830 --> 00:19:13,919

on ufos in terms of the ministry of

489

00:19:18,230 --> 00:19:15,840

defenses there's nothing of a defense

490

00:19:20,310 --> 00:19:18,240

significance in the last 50 years that

491

00:19:23,270 --> 00:19:20,320

was um the announcement that was made in

492

00:19:25,029 --> 00:19:23,280

the house of lords debate last last july

493

00:19:27,110 --> 00:19:25,039

after the release of the preliminary

494

00:19:29,830 --> 00:19:27,120

reassessment in america at the end of

495

00:19:31,190 --> 00:19:29,840

the end of june so the

496

00:19:32,710 --> 00:19:31,200

as far as the uk government are

497

00:19:34,630 --> 00:19:32,720

concerned there's nothing to see here

498

00:19:35,990 --> 00:19:34,640

move along but obviously we know the

499

00:19:37,510 --> 00:19:36,000

reality is different because there have

500

00:19:41,430 --> 00:19:37,520

been case after case especially in the

501
00:19:42,630 --> 00:19:41,440
1990s in terms of calvin in 1990 and

502
00:19:45,029 --> 00:19:42,640
there was a couple of other things that

503
00:19:46,230 --> 00:19:45,039
happened afterwards that have suggested

504
00:19:48,630 --> 00:19:46,240
that there have been certain types of

505
00:19:50,310 --> 00:19:48,640
craft whether or not they're secret us

506
00:19:52,150 --> 00:19:50,320
platforms or not or there's something

507
00:19:55,029 --> 00:19:52,160
you know much more exotic that are

508
00:19:57,830 --> 00:19:55,039
flying in uk airspace possibly without

509
00:20:01,350 --> 00:19:57,840
the uk no knowledge of it so therefore

510
00:20:02,870 --> 00:20:01,360
that is defense significance um but

511
00:20:04,390 --> 00:20:02,880
in terms of the three videos that you

512
00:20:06,310 --> 00:20:04,400
mentioned earlier

513
00:20:07,909 --> 00:20:06,320

they didn't come out willingly in terms

514

00:20:09,350 --> 00:20:07,919

it wasn't a case of the us government or

515

00:20:10,390 --> 00:20:09,360

the u.s department of defense saying oh

516

00:20:12,549 --> 00:20:10,400

yeah we're going to put these out for

517

00:20:15,029 --> 00:20:12,559

public consumption that was that was

518

00:20:17,029 --> 00:20:15,039

louis elizondo and chris

519

00:20:19,909 --> 00:20:17,039

christopher mellon that they were behind

520

00:20:21,909 --> 00:20:19,919

putting those out so it was a kind of

521

00:20:24,230 --> 00:20:21,919

you know let's get this out so people

522

00:20:26,549 --> 00:20:24,240

can discuss it um you know i'm not going

523

00:20:28,390 --> 00:20:26,559

to rehash the the discussion about why

524

00:20:30,390 --> 00:20:28,400

they came out for and why they did it

525

00:20:32,549 --> 00:20:30,400

their motivation but it happened that

526

00:20:34,630 --> 00:20:32,559

way it wasn't it wasn't an official

527

00:20:36,710 --> 00:20:34,640

release by any means in terms of you

528

00:20:38,149 --> 00:20:36,720

know an orchestrated campaign by the

529

00:20:39,270 --> 00:20:38,159

department of defense to say yes we're

530

00:20:40,789 --> 00:20:39,280

going to put these out in the public

531

00:20:43,590 --> 00:20:40,799

realm that they came out through the

532

00:20:45,350 --> 00:20:43,600

back door effectively

533

00:20:49,350 --> 00:20:45,360

mark do you think they're compelled to

534

00:20:51,510 --> 00:20:49,360

go forward and start releasing more well

535

00:20:53,430 --> 00:20:51,520

not unless somebody gets them by the arm

536

00:20:56,149 --> 00:20:53,440

and pulls it behind their back and

537

00:20:58,549 --> 00:20:56,159

forces it to they they have taken a

538

00:21:01,110 --> 00:20:58,559

closed stance to this from the get-go

539

00:21:04,310 --> 00:21:01,120
from 1947 on

540

00:21:06,149 --> 00:21:04,320
and uh there i don't see that changing

541

00:21:06,950 --> 00:21:06,159
anytime soon

542

00:21:09,270 --> 00:21:06,960
for

543

00:21:29,270 --> 00:21:09,280
i

544

00:21:33,270 --> 00:21:29,280
you take you know the bob lazar

545

00:21:36,630 --> 00:21:33,280
information the information i have

546

00:21:39,270 --> 00:21:36,640
obviously these craft are flying around

547

00:21:41,990 --> 00:21:39,280
that is not something that you know

548

00:21:44,630 --> 00:21:42,000
we've made homegrown here without some

549

00:21:46,789 --> 00:21:44,640
sort of help i mean there's

550

00:21:49,350 --> 00:21:46,799
they're flying around with

551
00:21:52,230 --> 00:21:49,360
mach 20

552
00:21:54,549 --> 00:21:52,240
and they're making right turns

553
00:21:57,110 --> 00:21:54,559
at 10 000 miles an hour

554
00:21:59,110 --> 00:21:57,120
there's no aircraft we have that can do

555
00:22:01,350 --> 00:21:59,120
that so let's let's

556
00:22:03,510 --> 00:22:01,360
let's move beyond that you know wonder

557
00:22:05,750 --> 00:22:03,520
where they are wonder where they're here

558
00:22:06,950 --> 00:22:05,760
they've been here for tens of thousands

559
00:22:08,950 --> 00:22:06,960
of years

560
00:22:11,029 --> 00:22:08,960
and there's lots of testimony from

561
00:22:14,390 --> 00:22:11,039
people who you know claim to have been

562
00:22:17,270 --> 00:22:14,400
taken aboard either they're all lying or

563
00:22:18,950 --> 00:22:17,280

some of them are telling the truth and

564

00:22:21,430 --> 00:22:18,960

it's time to just

565

00:22:22,870 --> 00:22:21,440

take that information and say keep an

566

00:22:24,710 --> 00:22:22,880

open mind

567

00:22:27,029 --> 00:22:24,720

and let's try to figure out how they

568

00:22:29,430 --> 00:22:27,039

work so i've moved beyond

569

00:22:32,549 --> 00:22:29,440

are they here are they not here who it

570

00:22:36,230 --> 00:22:32,559

is i'm saying yeah okay there's advanced

571

00:22:39,110 --> 00:22:36,240

alien technology we're using it

572

00:22:41,590 --> 00:22:39,120

we've developed it to some point

573

00:22:44,630 --> 00:22:41,600

since we've been scooping up all the

574

00:22:46,630 --> 00:22:44,640

crashed aircraft all around the world

575

00:22:49,430 --> 00:22:46,640

before anybody else can get them in most

576
00:22:51,270 --> 00:22:49,440
cases taking them back here and reverse

577
00:22:54,630 --> 00:22:51,280
engineering them

578
00:22:55,669 --> 00:22:54,640
it's time to try to figure out how they

579
00:22:59,190 --> 00:22:55,679
work

580
00:23:01,669 --> 00:22:59,200
so we can advance our civilization i'm

581
00:23:03,750 --> 00:23:01,679
taking this thing to the next step

582
00:23:06,310 --> 00:23:03,760
and that's what i'm i want to get on

583
00:23:07,510 --> 00:23:06,320
with i'm interested in what you guys

584
00:23:09,750 --> 00:23:07,520
have studied

585
00:23:11,029 --> 00:23:09,760
any kind of information

586
00:23:13,750 --> 00:23:11,039
about

587
00:23:16,390 --> 00:23:13,760
the the capabilities

588
00:23:17,669 --> 00:23:16,400

and any type of interference did these

589

00:23:19,830 --> 00:23:17,679

aircraft

590

00:23:21,830 --> 00:23:19,840

have given to the

591

00:23:22,950 --> 00:23:21,840

other people who have watched their cars

592

00:23:25,110 --> 00:23:22,960

stalling

593

00:23:27,590 --> 00:23:25,120

radio's not working

594

00:23:29,750 --> 00:23:27,600

humming sounds they hear all that's

595

00:23:32,950 --> 00:23:29,760

information we need to

596

00:23:34,950 --> 00:23:32,960

put together and build some sort of

597

00:23:38,310 --> 00:23:34,960

idea how they work

598

00:23:41,909 --> 00:23:38,320

and that's that's my main focus now

599

00:23:43,750 --> 00:23:41,919

and working with gravity and antigravity

600

00:23:45,830 --> 00:23:43,760

so this is a question to all yours and

601
00:23:49,029 --> 00:23:45,840
if you've got something to say just just

602
00:23:52,070 --> 00:23:49,039
chime in um

603
00:23:53,269 --> 00:23:52,080
the techno technology advance that we've

604
00:23:55,909 --> 00:23:53,279
gone through

605
00:23:57,510 --> 00:23:55,919
especially in the past

606
00:23:59,909 --> 00:23:57,520
50-plus years

607
00:24:02,310 --> 00:23:59,919
do you think it's because

608
00:24:05,510 --> 00:24:02,320
of the ufo phenomena that has been

609
00:24:07,990 --> 00:24:05,520
collected uh and you talk about reverse

610
00:24:09,830 --> 00:24:08,000
engineering but other aspects that they

611
00:24:11,669 --> 00:24:09,840
may have discovered you think there's

612
00:24:14,470 --> 00:24:11,679
something there that we have taken

613
00:24:16,789 --> 00:24:14,480

advantage of or been given somehow

614

00:24:20,390 --> 00:24:16,799

i'd actually like to hear graeme's

615

00:24:22,789 --> 00:24:20,400

response first before we respond

616

00:24:25,510 --> 00:24:22,799

okay so in terms of marcus mentioning

617

00:24:27,830 --> 00:24:25,520

effects on you know butter from craft or

618

00:24:28,630 --> 00:24:27,840

from objects um

619

00:24:31,590 --> 00:24:28,640

my

620

00:24:33,750 --> 00:24:31,600

sort of looking at the the wartime cases

621

00:24:36,149 --> 00:24:33,760

there are certainly cases of where

622

00:24:38,630 --> 00:24:36,159

aircraft were affected by things that

623

00:24:40,149 --> 00:24:38,640

were seen by pilots and aircrew there's

624

00:24:42,230 --> 00:24:40,159

one particular case that happened right

625

00:24:43,830 --> 00:24:42,240

at the end of the war in europe where a

626

00:24:45,669 --> 00:24:43,840

huge object went past the front of a

627

00:24:47,190 --> 00:24:45,679

lancaster bomber and all the engines

628

00:24:49,669 --> 00:24:47,200

failed

629

00:24:50,870 --> 00:24:49,679

but there are other stories of um you

630

00:24:52,549 --> 00:24:50,880

know sort of

631

00:24:54,390 --> 00:24:52,559

the foo fighters not being picked up on

632

00:24:56,230 --> 00:24:54,400

radar and that's another and that's a

633

00:24:58,630 --> 00:24:56,240

quite a common theme these things were

634

00:25:00,710 --> 00:24:58,640

not picked up either by airborne radar

635

00:25:03,430 --> 00:25:00,720

from the night fighters or by ground

636

00:25:06,390 --> 00:25:03,440

radar so you can look at that as well as

637

00:25:08,230 --> 00:25:06,400

to why that's the case but back then

638

00:25:09,909 --> 00:25:08,240

that wasn't the case when

639

00:25:12,230 --> 00:25:09,919

we were affected we were allegedly

640

00:25:13,590 --> 00:25:12,240

recovering craft of descriptions unless

641

00:25:16,230 --> 00:25:13,600

of course you believe the stories from

642

00:25:17,909 --> 00:25:16,240

italy in the 19th early 1930s

643

00:25:19,669 --> 00:25:17,919

and there are also stories that the the

644

00:25:21,190 --> 00:25:19,679

nazis are supposed to have reverse

645

00:25:22,710 --> 00:25:21,200

engineered stuff that they've picked up

646

00:25:25,350 --> 00:25:22,720

over the years there were stories about

647

00:25:26,950 --> 00:25:25,360

something crashed in poland in 1938 that

648

00:25:29,590 --> 00:25:26,960

was supposed to be recovered but these

649

00:25:31,909 --> 00:25:29,600

are stories and there are a whole load

650

00:25:33,590 --> 00:25:31,919

of um if you look at websites etc you'll

651

00:25:35,190 --> 00:25:33,600

see stories about the the germans

652

00:25:36,710 --> 00:25:35,200

building their own flying discs

653

00:25:38,789 --> 00:25:36,720

unfortunately when you look at that in

654

00:25:40,549 --> 00:25:38,799

in greater detail you find it boils down

655

00:25:42,710 --> 00:25:40,559

to a whole load of people claiming stuff

656

00:25:44,710 --> 00:25:42,720

in the early 1950s through newspaper

657

00:25:46,950 --> 00:25:44,720

articles and there's no substance to it

658

00:25:49,029 --> 00:25:46,960

whatsoever so anybody who thinks that

659

00:25:50,149 --> 00:25:49,039

you know the nazis built flying sources

660

00:25:51,750 --> 00:25:50,159

they're gonna have to do a hell of a lot

661

00:25:54,070 --> 00:25:51,760

better than that to come up with

662

00:25:55,590 --> 00:25:54,080

information that actually can prove that

663

00:25:57,510 --> 00:25:55,600

that ever happened

664

00:25:59,269 --> 00:25:57,520

now in terms of

665

00:26:00,789 --> 00:25:59,279

did recoveries and things happen

666

00:26:03,590 --> 00:26:00,799

afterwards

667

00:26:05,669 --> 00:26:03,600

i'm not entirely sure that reverse

668

00:26:07,029 --> 00:26:05,679

engineering has happened i mean with a

669

00:26:08,950 --> 00:26:07,039

great deal of respect to mark and what

670

00:26:11,830 --> 00:26:08,960

he's found out that that might be the

671

00:26:12,870 --> 00:26:11,840

case but my sort of you know sort of

672

00:26:18,390 --> 00:26:12,880

suspect

673

00:26:20,310 --> 00:26:18,400

then it's things they can't understand

674

00:26:22,149 --> 00:26:20,320

and they're still looking at it and they

675

00:26:24,549 --> 00:26:22,159

may not be able to actually you know

676
00:26:27,190 --> 00:26:24,559
reverse engineer it and fly it it's

677
00:26:29,590 --> 00:26:27,200
almost like my analogy is give sir isaac

678
00:26:30,870 --> 00:26:29,600
newton an iphone

679
00:26:32,630 --> 00:26:30,880
he'll look at it and you won't even know

680
00:26:35,269 --> 00:26:32,640
what the concept of it is never mind how

681
00:26:37,750 --> 00:26:35,279
it works or how you power it up and then

682
00:26:40,470 --> 00:26:37,760
once the battery goes it's just a hunk

683
00:26:42,230 --> 00:26:40,480
of metal and glass you can't use it if

684
00:26:44,310 --> 00:26:42,240
he opens it up you won't understand

685
00:26:46,390 --> 00:26:44,320
what's inside it because it's way beyond

686
00:26:49,830 --> 00:26:46,400
these ken you can't understand how it

687
00:26:51,909 --> 00:26:49,840
works and then so if the americans say

688
00:26:54,310 --> 00:26:51,919

got things from the roswell crash in 47

689

00:26:55,669 --> 00:26:54,320

if that happened then it might be stuff

690

00:26:57,110 --> 00:26:55,679

that they simply can't understand and

691

00:26:58,710 --> 00:26:57,120

all they do is with a current

692

00:27:00,310 --> 00:26:58,720

understanding and even with the best

693

00:27:01,190 --> 00:27:00,320

people in the world they look at it and

694

00:27:03,110 --> 00:27:01,200

think

695

00:27:05,190 --> 00:27:03,120

don't know what this is they put it away

696

00:27:06,630 --> 00:27:05,200

for a few years and then go back to it

697

00:27:07,830 --> 00:27:06,640

when there's more developments and

698

00:27:09,909 --> 00:27:07,840

developments in science and

699

00:27:11,750 --> 00:27:09,919

understanding and knowledge etc and then

700

00:27:12,950 --> 00:27:11,760

that just keeps happening every so often

701
00:27:14,549 --> 00:27:12,960
and they might get a little bit more the

702
00:27:15,990 --> 00:27:14,559
puzzle each time but they're probably

703
00:27:18,470 --> 00:27:16,000
still not the point where they can fly

704
00:27:20,310 --> 00:27:18,480
these things or if they are they're much

705
00:27:23,110 --> 00:27:20,320
less capable than whatever they've

706
00:27:25,029 --> 00:27:23,120
picked up in the first place um i'm not

707
00:27:26,789 --> 00:27:25,039
entirely sure that our developments have

708
00:27:28,549 --> 00:27:26,799
got the point where they're replicating

709
00:27:30,950 --> 00:27:28,559
things from other worlds i don't think

710
00:27:33,590 --> 00:27:30,960
our understanding is that far advanced

711
00:27:37,029 --> 00:27:33,600
but i do agree that there are stuff

712
00:27:39,510 --> 00:27:37,039
flying around there that we have built

713
00:27:41,669 --> 00:27:39,520

that does simulate some of the

714

00:27:44,149 --> 00:27:41,679

capabilities that have been observed

715

00:27:45,909 --> 00:27:44,159

over the years and as far as the

716

00:27:48,389 --> 00:27:45,919

phenomenon goes yes

717

00:27:50,549 --> 00:27:48,399

it's admitted in documents that it is

718

00:27:52,149 --> 00:27:50,559

real that something is is you know out

719

00:27:53,750 --> 00:27:52,159

there something's happening you look

720

00:27:57,029 --> 00:27:53,760

back to the project signed technical

721

00:27:58,870 --> 00:27:57,039

report from february 1949 and it says in

722

00:28:00,950 --> 00:27:58,880

that that you know there is a real

723

00:28:02,870 --> 00:28:00,960

phenomenon here the grudge or technical

724

00:28:04,310 --> 00:28:02,880

report says exactly the same thing so

725

00:28:05,430 --> 00:28:04,320

it's not as if you know nobody's

726

00:28:07,029 --> 00:28:05,440

admitted that there's something

727

00:28:11,830 --> 00:28:07,039

happening it's just a question of what

728

00:28:18,549 --> 00:28:15,350

sorry that's not necessarily palatable

729

00:28:20,149 --> 00:28:18,559

anybody want to follow up on that

730

00:28:21,990 --> 00:28:20,159

well

731

00:28:24,230 --> 00:28:22,000

other people have said

732

00:28:26,789 --> 00:28:24,240

made this claim is there's technology

733

00:28:29,269 --> 00:28:26,799

let's face it they're not likely just to

734

00:28:30,630 --> 00:28:29,279

be a hundred years ahead of us or a

735

00:28:31,990 --> 00:28:30,640

thousand

736

00:28:34,070 --> 00:28:32,000

it's probably going to be in the

737

00:28:36,789 --> 00:28:34,080

millions

738

00:28:39,029 --> 00:28:36,799

and and so yeah that stuff is going to

739

00:28:42,230 --> 00:28:39,039

be really hard

740

00:28:45,750 --> 00:28:42,240

to the technology itself because of the

741

00:28:47,830 --> 00:28:45,760

advancements of of how they develop

742

00:28:51,830 --> 00:28:47,840

their hardware

743

00:28:53,269 --> 00:28:51,840

advanced it's going to look like magic

744

00:28:54,470 --> 00:28:53,279

to us

745

00:28:56,870 --> 00:28:54,480

but

746

00:29:00,230 --> 00:28:56,880

they're bound by the same laws of

747

00:29:03,350 --> 00:29:00,240

physics that we already know about now

748

00:29:04,470 --> 00:29:03,360

magnetism electrostatic fields and

749

00:29:09,350 --> 00:29:04,480

gravity

750

00:29:11,750 --> 00:29:09,360

they're going to have to use

751

00:29:14,389 --> 00:29:11,760

one of those three fields or a

752

00:29:15,750 --> 00:29:14,399

combination in order to achieve that

753

00:29:19,510 --> 00:29:15,760

they're bound to that because this

754

00:29:20,310 --> 00:29:19,520

universe is just not that complicated

755

00:29:22,630 --> 00:29:20,320

so

756

00:29:25,990 --> 00:29:22,640

even though we might look at like their

757

00:29:29,110 --> 00:29:26,000

power supply and say how does this work

758

00:29:31,990 --> 00:29:29,120

it's just a slab of plexiglass

759

00:29:34,070 --> 00:29:32,000

and and somehow there's no wires coming

760

00:29:36,789 --> 00:29:34,080

out of it but it's feeding all the other

761

00:29:38,070 --> 00:29:36,799

circuits this is according to bob lazar

762

00:29:40,389 --> 00:29:38,080

and others

763

00:29:42,470 --> 00:29:40,399

who have made the same claim okay so

764

00:29:45,110 --> 00:29:42,480

that's really confusing we don't know

765

00:29:47,190 --> 00:29:45,120

how this zero point energy system works

766

00:29:49,350 --> 00:29:47,200

but apparently it does

767

00:29:51,029 --> 00:29:49,360

and

768

00:29:52,230 --> 00:29:51,039

so

769

00:29:53,269 --> 00:29:52,240

we can

770

00:29:55,110 --> 00:29:53,279

take

771

00:29:56,710 --> 00:29:55,120

some information that's why i'm

772

00:29:58,389 --> 00:29:56,720

interested in these reports where the

773

00:30:01,990 --> 00:29:58,399

engines cut off

774

00:30:03,830 --> 00:30:02,000

and and the radios go off and and and

775

00:30:06,070 --> 00:30:03,840

there's interference because that's an

776

00:30:08,310 --> 00:30:06,080

indication of electromagnetic

777

00:30:10,950 --> 00:30:08,320

interference this is something we know

778

00:30:13,669 --> 00:30:10,960

about or magnetic interference with

779

00:30:18,230 --> 00:30:13,679

circuitry which can cause engines to cut

780

00:30:24,230 --> 00:30:20,789

these things we could

781

00:30:25,909 --> 00:30:24,240

reverse engineer and figure out so

782

00:30:28,630 --> 00:30:25,919

basically

783

00:30:31,029 --> 00:30:28,640

as i have researched in my book i i

784

00:30:33,750 --> 00:30:31,039

i'm very sure

785

00:30:36,470 --> 00:30:33,760

that the entry-level anti-gravity

786

00:30:38,870 --> 00:30:36,480

technology has to do with um

787

00:30:41,110 --> 00:30:38,880

high magnetics and in particular

788

00:30:43,510 --> 00:30:41,120

magnetics in motion

789

00:30:44,870 --> 00:30:43,520

and this has an effect on space and i

790

00:30:47,590 --> 00:30:44,880

you know i can get into a lot of

791

00:30:50,630 --> 00:30:47,600

technical stuff here but the bottom line

792

00:30:53,590 --> 00:30:50,640

is that's understandable

793

00:30:57,029 --> 00:30:53,600

now maybe they've out sophisticated us

794

00:30:59,430 --> 00:30:57,039

with their advanced molecular and atomic

795

00:31:01,830 --> 00:30:59,440

uh technology their integrated circuits

796

00:31:04,389 --> 00:31:01,840

are so well beyond us it you know we

797

00:31:06,470 --> 00:31:04,399

can't fathom what's going on but if we

798

00:31:07,269 --> 00:31:06,480

put sensors around this stuff and i'm

799

00:31:09,269 --> 00:31:07,279

sure

800

00:31:10,870 --> 00:31:09,279

if i thought of it the government has

801
00:31:12,149 --> 00:31:10,880
thought of it and all the physicists

802
00:31:14,310 --> 00:31:12,159
they've hired

803
00:31:17,350 --> 00:31:14,320
that they're going to reverse engineer

804
00:31:19,190 --> 00:31:17,360
this by what the things are emitting how

805
00:31:21,110 --> 00:31:19,200
they're emitting at what frequencies and

806
00:31:23,669 --> 00:31:21,120
so forth and they're eventually going to

807
00:31:25,509 --> 00:31:23,679
get to the point especially if they've

808
00:31:27,029 --> 00:31:25,519
had contact

809
00:31:29,669 --> 00:31:27,039
this is one thing that we're not

810
00:31:33,350 --> 00:31:29,679
considering here well some of these

811
00:31:36,070 --> 00:31:33,360
people or these crashes they have

812
00:31:37,350 --> 00:31:36,080
been claimed that they have uh on

813
00:31:38,870 --> 00:31:37,360

survivors

814

00:31:41,029 --> 00:31:38,880

and they've been able to communicate

815

00:31:43,909 --> 00:31:41,039

with it well this gives us a big

816

00:31:46,070 --> 00:31:43,919

advantage to figuring out exactly how

817

00:31:49,190 --> 00:31:46,080

these things work because they could say

818

00:31:52,310 --> 00:31:49,200

well works like this doing this and that

819

00:31:54,470 --> 00:31:52,320

and so i think it's entirely possible

820

00:31:56,470 --> 00:31:54,480

and i'm really beyond the point we're

821

00:31:58,870 --> 00:31:56,480

wondering about it or not

822

00:32:01,350 --> 00:31:58,880

i'm pretty pretty confident that we have

823

00:32:02,710 --> 00:32:01,360

it we know about it we we know a lot

824

00:32:05,590 --> 00:32:02,720

more than

825

00:32:07,110 --> 00:32:05,600

than most people realize and

826
00:32:10,149 --> 00:32:07,120
that's why i

827
00:32:11,269 --> 00:32:10,159
built my own lab and i'm building my own

828
00:32:12,789 --> 00:32:11,279
equipment

829
00:32:15,269 --> 00:32:12,799
to verify

830
00:32:17,750 --> 00:32:15,279
the process of making an anti-gravity

831
00:32:20,310 --> 00:32:17,760
field so interesting

832
00:32:21,190 --> 00:32:20,320
well you know regular scientists they

833
00:32:22,470 --> 00:32:21,200
want

834
00:32:24,549 --> 00:32:22,480
data

835
00:32:26,470 --> 00:32:24,559
they want evidence that they can

836
00:32:28,630 --> 00:32:26,480
comprehend so

837
00:32:30,789 --> 00:32:28,640
okay all right you know what it's it's

838
00:32:33,750 --> 00:32:30,799

time to stop talking about this stuff

839

00:32:36,789 --> 00:32:33,760

and take action and so that's the next

840

00:32:38,630 --> 00:32:36,799

logical step i said i know how this all

841

00:32:41,269 --> 00:32:38,640

works i worked it out

842

00:32:44,070 --> 00:32:41,279

and and now i got to prove it so that's

843

00:32:46,950 --> 00:32:44,080

that's the deal there so

844

00:32:48,630 --> 00:32:46,960

you know i'm gonna just say i'm beyond

845

00:32:50,710 --> 00:32:48,640

wondering if they're here or not

846

00:32:53,269 --> 00:32:50,720

wondering if there's advanced technology

847

00:32:56,549 --> 00:32:53,279

so i'm i'm pretty on board with that

848

00:32:58,549 --> 00:32:56,559

yeah and um and i agree with you i i

849

00:32:59,909 --> 00:32:58,559

think there there is definitely some

850

00:33:01,990 --> 00:32:59,919

something here or

851
00:33:03,990 --> 00:33:02,000
has been or has been involved with this

852
00:33:07,909 --> 00:33:04,000
you know

853
00:33:11,110 --> 00:33:07,919
my my father was in the air force and um

854
00:33:14,549 --> 00:33:11,120
he was in the 509th bomber wing

855
00:33:16,789 --> 00:33:14,559
now this was after roswell he was he was

856
00:33:18,630 --> 00:33:16,799
stationed in 52

857
00:33:20,470 --> 00:33:18,640
and um

858
00:33:22,870 --> 00:33:20,480
but he heard a lot of stories from guys

859
00:33:24,470 --> 00:33:22,880
who were in the in that were there at

860
00:33:26,870 --> 00:33:24,480
roswell

861
00:33:28,470 --> 00:33:26,880
now my dad never talked much about it he

862
00:33:31,350 --> 00:33:28,480
he just decided he would never do it he

863
00:33:35,110 --> 00:33:31,360

was also with strategic air command

864

00:33:36,630 --> 00:33:35,120

and uh but i used to tag along

865

00:33:38,310 --> 00:33:36,640

with him

866

00:33:39,909 --> 00:33:38,320

to the reunions because the five and

867

00:33:42,149 --> 00:33:39,919

ninth used to have the reunions at

868

00:33:43,029 --> 00:33:42,159

wright patterson so my dad would take me

869

00:33:45,110 --> 00:33:43,039

there

870

00:33:46,470 --> 00:33:45,120

and i got to talk to a few of these guys

871

00:33:49,029 --> 00:33:46,480

and um

872

00:33:50,830 --> 00:33:49,039

they were never very specific but when

873

00:33:54,470 --> 00:33:50,840

you did mention

874

00:33:55,750 --> 00:33:54,480

it you could always see that something

875

00:33:57,990 --> 00:33:55,760

happened

876
00:33:59,669 --> 00:33:58,000
that they didn't really want to comment

877
00:34:00,870 --> 00:33:59,679
on so i believe

878
00:34:02,470 --> 00:34:00,880
personally

879
00:34:05,110 --> 00:34:02,480
that something really did happen at

880
00:34:06,789 --> 00:34:05,120
roswell and of course i i believe there

881
00:34:10,710 --> 00:34:06,799
have been other

882
00:34:11,990 --> 00:34:10,720
you know other crash retrievals as well

883
00:34:14,389 --> 00:34:12,000
do you have anything do you think

884
00:34:16,310 --> 00:34:14,399
anything about that luke

885
00:34:18,790 --> 00:34:16,320
absolutely um

886
00:34:20,629 --> 00:34:18,800
well now that our technology is coming

887
00:34:24,470 --> 00:34:20,639
into uh

888
00:34:26,869 --> 00:34:24,480

a new new form um with especially with

889

00:34:30,869 --> 00:34:26,879

the jwst

890

00:34:32,829 --> 00:34:30,879

jones web space telescope

891

00:34:35,109 --> 00:34:32,839

we're discovering more

892

00:34:36,069 --> 00:34:35,119

exoplanets than ever

893

00:34:39,109 --> 00:34:36,079

and

894

00:34:41,909 --> 00:34:39,119

scientists can't confirm at the moment

895

00:34:42,790 --> 00:34:41,919

that intelligent life exists

896

00:34:44,069 --> 00:34:42,800

but

897

00:34:46,629 --> 00:34:44,079

i believe

898

00:34:49,669 --> 00:34:46,639

we're in the golden era of

899

00:34:52,470 --> 00:34:49,679

we we could possibly prove this

900

00:34:54,470 --> 00:34:52,480

with this technology so

901
00:34:57,430 --> 00:34:54,480
um

902
00:34:59,829 --> 00:34:57,440
it's very close to fully operational the

903
00:35:02,150 --> 00:34:59,839
jwst

904
00:35:05,109 --> 00:35:02,160
it'll be operational in the next month

905
00:35:07,589 --> 00:35:05,119
and they'll be sending through

906
00:35:13,109 --> 00:35:07,599
the first

907
00:35:17,030 --> 00:35:13,119
ones because it'll be fully operational

908
00:35:18,710 --> 00:35:17,040
and i believe that these exoplanets will

909
00:35:21,349 --> 00:35:18,720
harbor life

910
00:35:22,710 --> 00:35:21,359
um we're actually going to find life for

911
00:35:23,990 --> 00:35:22,720
the first time

912
00:35:27,670 --> 00:35:24,000
and

913
00:35:30,790 --> 00:35:27,680

i'll rather dice with this one i'll

914

00:35:33,190 --> 00:35:30,800

i'll back myself up and i think this

915

00:35:36,230 --> 00:35:33,200

will happen and it will change

916

00:35:38,150 --> 00:35:36,240

everything that we believe in

917

00:35:39,670 --> 00:35:38,160

it'll also change

918

00:35:41,670 --> 00:35:39,680

that

919

00:35:43,670 --> 00:35:41,680

we can only look back

920

00:35:48,310 --> 00:35:43,680

with the hubble

921

00:35:50,470 --> 00:35:48,320

about 3.8 billion years in the unit 13.8

922

00:35:51,910 --> 00:35:50,480

billion years correction

923

00:35:55,109 --> 00:35:51,920

um

924

00:35:58,390 --> 00:35:55,119

now we'll be able to look even further

925

00:36:01,510 --> 00:35:58,400

perhaps 15 16 billion years

926

00:36:05,829 --> 00:36:01,520

so what's past that point um

927

00:36:09,750 --> 00:36:08,069

now graham you wrote about foo fighters

928

00:36:11,829 --> 00:36:09,760

and i'm fascinated with the foo fighter

929

00:36:14,069 --> 00:36:11,839

phenomena that

930

00:36:16,390 --> 00:36:14,079

happened over during world war ii

931

00:36:18,390 --> 00:36:16,400

uh after going back and looking at the

932

00:36:20,870 --> 00:36:18,400

korean war and other wars there there's

933

00:36:23,109 --> 00:36:20,880

been always been some type of ufo

934

00:36:25,190 --> 00:36:23,119

phenomena that has been associated with

935

00:36:27,750 --> 00:36:25,200

with these conflicts

936

00:36:30,390 --> 00:36:27,760

uh do you believe that uh they are

937

00:36:32,390 --> 00:36:30,400

somehow monitor monitoring you know

938

00:36:33,670 --> 00:36:32,400

these conflicts

939

00:36:35,829 --> 00:36:33,680

there's a school of thought that thinks

940

00:36:38,069 --> 00:36:35,839

they're attracted to that kind of um you

941

00:36:39,910 --> 00:36:38,079

know kind of warfare or that they've

942

00:36:42,310 --> 00:36:39,920

been attracted to the the sort of

943

00:36:44,630 --> 00:36:42,320

development of that of atomic technology

944

00:36:46,630 --> 00:36:44,640

atom bombs etc um

945

00:36:48,069 --> 00:36:46,640

the real the possibility is there's just

946

00:36:49,510 --> 00:36:48,079

there's so many people flying around i

947

00:36:51,349 --> 00:36:49,520

mean world war ii you're looking at tens

948

00:36:53,589 --> 00:36:51,359

of thousands of people flying around at

949

00:36:55,430 --> 00:36:53,599

night um looking out you know

950

00:36:57,030 --> 00:36:55,440

desperately for other aircraft because

951
00:36:58,550 --> 00:36:57,040
that was their job and then people on

952
00:37:00,390 --> 00:36:58,560
the ground who were looking for aircraft

953
00:37:02,550 --> 00:37:00,400
you know in a heightened state of alert

954
00:37:03,829 --> 00:37:02,560
and their job was to observe the skies

955
00:37:05,109 --> 00:37:03,839
and if they're in an aircraft you'd be

956
00:37:07,589 --> 00:37:05,119
looking out for night fighters or other

957
00:37:10,710 --> 00:37:07,599
aircraft etc etc so a lot of highly

958
00:37:12,230 --> 00:37:10,720
motivated highly trained uh people who

959
00:37:14,550 --> 00:37:12,240
would be able to report stuff and they

960
00:37:16,230 --> 00:37:14,560
were encouraged to report things as well

961
00:37:18,550 --> 00:37:16,240
so you know you've got everything coming

962
00:37:20,550 --> 00:37:18,560
together at once to have a perfect storm

963
00:37:22,710 --> 00:37:20,560

for people to actually report stuff like

964

00:37:24,870 --> 00:37:22,720

this anything out of the ordinary would

965

00:37:26,390 --> 00:37:24,880

have been suspected to be a new form of

966

00:37:28,870 --> 00:37:26,400

enemy secret weapons whether they were

967

00:37:30,310 --> 00:37:28,880

german or japanese or whatever so you

968

00:37:31,829 --> 00:37:30,320

know that's when you're going to get

969

00:37:32,630 --> 00:37:31,839

these kind of reports

970

00:37:35,190 --> 00:37:32,640

and

971

00:37:36,790 --> 00:37:35,200

the the the allied air intelligence did

972

00:37:38,470 --> 00:37:36,800

actually take them seriously and they

973

00:37:40,470 --> 00:37:38,480

did do a lot of kind of you know

974

00:37:42,069 --> 00:37:40,480

analysis of various reports to try and

975

00:37:44,230 --> 00:37:42,079

find out what was at the bottom of this

976

00:37:47,190 --> 00:37:44,240

they got nowhere because there was

977

00:37:48,950 --> 00:37:47,200

nothing to actually um to prove it

978

00:37:50,790 --> 00:37:48,960

wasn't like they were looking at v1s or

979

00:37:52,710 --> 00:37:50,800

v2s where you could get photographs you

980

00:37:54,310 --> 00:37:52,720

could get hardware crash bits that they

981

00:37:56,390 --> 00:37:54,320

could hold in their hands and look at

982

00:37:58,230 --> 00:37:56,400

and do the kind of reverse engineering

983

00:37:59,589 --> 00:37:58,240

that your mark's been talking about they

984

00:38:02,069 --> 00:37:59,599

could actually put these bits together

985

00:38:03,670 --> 00:38:02,079

and see how these things worked because

986

00:38:06,310 --> 00:38:03,680

these would end ended up just being

987

00:38:08,950 --> 00:38:06,320

stories there were no real photographs

988

00:38:10,790 --> 00:38:08,960

there are a lot and um you know stories

989

00:38:12,230 --> 00:38:10,800

by photographs being taken at the time

990

00:38:13,829 --> 00:38:12,240

but those photographs have never

991

00:38:15,670 --> 00:38:13,839

appeared and the ones that you see in

992

00:38:17,030 --> 00:38:15,680

the media at the moment who knows what

993

00:38:19,270 --> 00:38:17,040

the hell they are they could just be

994

00:38:21,349 --> 00:38:19,280

defects on the film the japanese

995

00:38:22,710 --> 00:38:21,359

pictures the japanese had a shortage of

996

00:38:24,310 --> 00:38:22,720

certain materials for the development

997

00:38:26,230 --> 00:38:24,320

process and that's why their pictures

998

00:38:27,670 --> 00:38:26,240

are a certain fashion so therefore it

999

00:38:29,589 --> 00:38:27,680

was a case of you know these things

1000

00:38:31,270 --> 00:38:29,599

could just be defects on the film for

1001
00:38:33,109 --> 00:38:31,280
all people know and there's no context

1002
00:38:34,230 --> 00:38:33,119
to these pitches either so the one where

1003
00:38:36,310 --> 00:38:34,240
you see the two aircraft with that

1004
00:38:38,950 --> 00:38:36,320
little blob in the middle um you know

1005
00:38:41,910 --> 00:38:38,960
who knows what the hell that is but the

1006
00:38:43,510 --> 00:38:41,920
the actual the phenomenon itself is real

1007
00:38:44,950 --> 00:38:43,520
because you see it reported in squadron

1008
00:38:47,109 --> 00:38:44,960
records you see it reported near

1009
00:38:49,190 --> 00:38:47,119
intelligence records in operational

1010
00:38:51,270 --> 00:38:49,200
research obama command records where

1011
00:38:53,589 --> 00:38:51,280
they did the operational analysis

1012
00:38:55,190 --> 00:38:53,599
and the germans are supposed to have

1013
00:38:57,750 --> 00:38:55,200

come across the same things before

1014

00:39:00,069 --> 00:38:57,760

however there's a problem because

1015

00:39:01,990 --> 00:39:00,079

those reports are few and far between

1016

00:39:03,990 --> 00:39:02,000

there's lots of anecdotal evidence about

1017

00:39:05,349 --> 00:39:04,000

all the germans saw them too and here's

1018

00:39:07,270 --> 00:39:05,359

a whole load of stuff about them but

1019

00:39:09,510 --> 00:39:07,280

when you delve into it you can't find

1020

00:39:11,750 --> 00:39:09,520

them because they just

1021

00:39:13,430 --> 00:39:11,760

seemingly don't exist but there are

1022

00:39:15,190 --> 00:39:13,440

stories about them i did find some

1023

00:39:17,510 --> 00:39:15,200

reports for the book but there aren't

1024

00:39:20,710 --> 00:39:17,520

many but yes there are tons of american

1025

00:39:22,310 --> 00:39:20,720

reports and raf reports uh the raf

1026
00:39:24,390 --> 00:39:22,320
reports are much earlier than the war as

1027
00:39:26,230 --> 00:39:24,400
well in the american ones um the

1028
00:39:28,470 --> 00:39:26,240
american reports are only for a certain

1029
00:39:30,790 --> 00:39:28,480
area in parts of europe and italy but

1030
00:39:32,950 --> 00:39:30,800
the rf reports are all over europe

1031
00:39:34,950 --> 00:39:32,960
including the balkans north africa uh

1032
00:39:37,670 --> 00:39:34,960
you know you name it sort of thing so

1033
00:39:39,510 --> 00:39:37,680
it's a very wide-ranging phenomenon and

1034
00:39:42,069 --> 00:39:39,520
it's not just lights you're talking

1035
00:39:44,870 --> 00:39:42,079
about structured craft as well some 200

1036
00:39:46,390 --> 00:39:44,880
to 300 foot long torpedo shed objects

1037
00:39:48,390 --> 00:39:46,400
from you know which

1038
00:39:50,230 --> 00:39:48,400

are appear to be airships but why would

1039

00:39:52,470 --> 00:39:50,240

there be airships in a war zone the

1040

00:39:53,829 --> 00:39:52,480

other the two who are too vulnerable and

1041

00:39:55,510 --> 00:39:53,839

and a lot of other things that happened

1042

00:39:57,589 --> 00:39:55,520

in the daytime as well it wasn't just a

1043

00:40:00,150 --> 00:39:57,599

nighttime phenomenon so yes there was a

1044

00:40:01,670 --> 00:40:00,160

lot going on um it doesn't make any

1045

00:40:03,670 --> 00:40:01,680

sense whatsoever when you look at the

1046

00:40:06,230 --> 00:40:03,680

kind of german secret technology that

1047

00:40:08,230 --> 00:40:06,240

they were developing you can't match it

1048

00:40:09,750 --> 00:40:08,240

um from a historian's point of view and

1049

00:40:12,390 --> 00:40:09,760

what people know about the war and what

1050

00:40:14,630 --> 00:40:12,400

people investigated and the records they

1051
00:40:16,390 --> 00:40:14,640
don't match and i know people in your

1052
00:40:18,790 --> 00:40:16,400
chat have been mentioning about german

1053
00:40:20,390 --> 00:40:18,800
flying sources and about the bell which

1054
00:40:22,710 --> 00:40:20,400
is supposed to have happened

1055
00:40:24,309 --> 00:40:22,720
unfortunately that's shaky because

1056
00:40:25,990 --> 00:40:24,319
although the polish guy who was

1057
00:40:27,829 --> 00:40:26,000
investigated listen to the towson has

1058
00:40:30,069 --> 00:40:27,839
come up with all this information

1059
00:40:32,710 --> 00:40:30,079
it's necessary just based on

1060
00:40:34,550 --> 00:40:32,720
one person's um kind of being

1061
00:40:36,710 --> 00:40:34,560
interviewed by polish military

1062
00:40:38,710 --> 00:40:36,720
intelligence after the war and he was

1063
00:40:40,390 --> 00:40:38,720

allegedly sent to norway anyway because

1064

00:40:43,510 --> 00:40:40,400

he fell out he fell out of favor he was

1065

00:40:45,589 --> 00:40:43,520

an ss police leader um so it's on shaky

1066

00:40:47,589 --> 00:40:45,599

ground and there's not that much you

1067

00:40:49,109 --> 00:40:47,599

know sort of documentary evidence to

1068

00:40:50,870 --> 00:40:49,119

actually suggest that anything like that

1069

00:40:53,190 --> 00:40:50,880

was ever built there but these are great

1070

00:40:54,390 --> 00:40:53,200

stories and all the stories about nazi

1071

00:40:55,990 --> 00:40:54,400

uh you know flying saucers and

1072

00:40:58,069 --> 00:40:56,000

antarctica bases and all the rest of it

1073

00:41:00,069 --> 00:40:58,079

are wonderful stories but when you try

1074

00:41:02,069 --> 00:41:00,079

and dig down into it and try to get some

1075

00:41:04,630 --> 00:41:02,079

actual evidence and proof

1076

00:41:06,630 --> 00:41:04,640

you just don't find it so you know

1077

00:41:08,710 --> 00:41:06,640

what can you say yeah i agree with you

1078

00:41:10,950 --> 00:41:08,720

you know i had i had someone who wanted

1079

00:41:12,069 --> 00:41:10,960

me to write a book about the nazis as

1080

00:41:14,150 --> 00:41:12,079

far as

1081

00:41:15,750 --> 00:41:14,160

ufo technology and other technologies

1082

00:41:17,030 --> 00:41:15,760

and i just told i said well there's not

1083

00:41:19,109 --> 00:41:17,040

really that much out there it's all

1084

00:41:20,390 --> 00:41:19,119

conjecture for the most part

1085

00:41:21,829 --> 00:41:20,400

and uh

1086

00:41:24,550 --> 00:41:21,839

you know and this is another question

1087

00:41:27,190 --> 00:41:24,560

i've got for all of you um

1088

00:41:29,109 --> 00:41:27,200

whoever wants to answer it

1089

00:41:31,190 --> 00:41:29,119

there does seem to be some evidence that

1090

00:41:32,870 --> 00:41:31,200

these craft

1091

00:41:34,950 --> 00:41:32,880

seem to be uh

1092

00:41:37,750 --> 00:41:34,960

attracted to

1093

00:41:39,109 --> 00:41:37,760

uh nuclear sites or nuclear storage

1094

00:41:40,390 --> 00:41:39,119

facilities

1095

00:41:42,550 --> 00:41:40,400

uh

1096

00:41:44,870 --> 00:41:42,560

do you think there is a reason behind

1097

00:41:47,349 --> 00:41:45,670

yeah

1098

00:41:50,870 --> 00:41:47,359

i do you know

1099

00:41:52,790 --> 00:41:50,880

yeah here here's the worst case scenario

1100

00:41:55,030 --> 00:41:52,800

assuming we're going to imagine that

1101

00:41:56,309 --> 00:41:55,040

there really are aliens

1102

00:41:59,109 --> 00:41:56,319

et's

1103

00:42:01,510 --> 00:41:59,119

and they're observing us in our warlike

1104

00:42:05,270 --> 00:42:01,520

activities to see what capabilities we

1105

00:42:06,470 --> 00:42:05,280

have right are we a threat to them

1106

00:42:12,150 --> 00:42:06,480

now

1107

00:42:15,270 --> 00:42:12,160

pretty serious weapon

1108

00:42:18,230 --> 00:42:15,280

but it's not a problem from for them

1109

00:42:20,950 --> 00:42:18,240

unless we have the technology that can

1110

00:42:23,430 --> 00:42:20,960

get us off this planet

1111

00:42:26,390 --> 00:42:23,440

now if we have

1112

00:42:29,270 --> 00:42:26,400

the same technology as they have where

1113

00:42:30,950 --> 00:42:29,280

they can go to other star systems

1114

00:42:32,950 --> 00:42:30,960

now we are a threat

1115

00:42:34,150 --> 00:42:32,960

because we could deliver missiles or we

1116

00:42:36,710 --> 00:42:34,160

can deliver

1117

00:42:38,309 --> 00:42:36,720

uh spacecraft that can

1118

00:42:40,550 --> 00:42:38,319

uh unleash

1119

00:42:41,829 --> 00:42:40,560

untold amounts of damage on their home

1120

00:42:43,990 --> 00:42:41,839

planets

1121

00:42:45,990 --> 00:42:44,000

so i would think they'd be very

1122

00:42:47,190 --> 00:42:46,000

interested in our

1123

00:42:50,069 --> 00:42:47,200

atomic

1124

00:42:51,750 --> 00:42:50,079

bombs and hydrogen bombs and so forth

1125

00:42:54,150 --> 00:42:51,760

and that

1126

00:42:56,870 --> 00:42:54,160

they really don't want that off of this

1127

00:42:58,390 --> 00:42:56,880

planet so i would think yeah that's a

1128

00:43:00,630 --> 00:42:58,400

good reason for them to

1129

00:43:03,510 --> 00:43:00,640

to see how advanced we are

1130

00:43:06,150 --> 00:43:03,520

understand or take over our systems as

1131

00:43:08,710 --> 00:43:06,160

it's been reported

1132

00:43:10,630 --> 00:43:08,720

and so forth i definitely think they

1133

00:43:13,990 --> 00:43:10,640

have a legitimate

1134

00:43:15,589 --> 00:43:14,000

good reason for investigating our

1135

00:43:18,870 --> 00:43:15,599

facilities

1136

00:43:21,270 --> 00:43:18,880

because there's a concern if we do have

1137

00:43:22,630 --> 00:43:21,280

the uh interstellar

1138

00:43:25,430 --> 00:43:22,640

capability

1139

00:43:27,109 --> 00:43:25,440

uh then we are a threat

1140

00:43:29,589 --> 00:43:27,119

well let me follow up with that do you

1141

00:43:31,589 --> 00:43:29,599

think we do have the propulsion

1142

00:43:33,430 --> 00:43:31,599

capabilities or

1143

00:43:35,270 --> 00:43:33,440

in the near future to to be able to

1144

00:43:38,790 --> 00:43:35,280

handle that

1145

00:43:41,510 --> 00:43:38,800

yeah um my opinion based on my

1146

00:43:44,069 --> 00:43:41,520

my theory and how to create an

1147

00:43:46,710 --> 00:43:44,079

anti-gravity field

1148

00:43:48,870 --> 00:43:46,720

all you need is a lot of current

1149

00:43:50,390 --> 00:43:48,880

a lot

1150

00:43:53,430 --> 00:43:50,400

megawatts

1151
00:43:56,950 --> 00:43:53,440
in a small package so maybe a power

1152
00:43:59,030 --> 00:43:56,960
supply with the size of a basketball

1153
00:44:01,589 --> 00:43:59,040
something of that nature

1154
00:44:03,190 --> 00:44:01,599
delivering to the emitters the coils

1155
00:44:05,430 --> 00:44:03,200
that they use

1156
00:44:08,950 --> 00:44:05,440
that i believe they use in their ships

1157
00:44:11,190 --> 00:44:08,960
in the design that i'm making

1158
00:44:13,430 --> 00:44:11,200
the enough current to

1159
00:44:15,910 --> 00:44:13,440
have the high magnetic capability

1160
00:44:18,550 --> 00:44:15,920
probably using superconductor technology

1161
00:44:21,270 --> 00:44:18,560
as well that i'm sure they already have

1162
00:44:23,109 --> 00:44:21,280
and you put all this together

1163
00:44:25,829 --> 00:44:23,119

and you can develop

1164

00:44:27,349 --> 00:44:25,839

a warp field what i call in my book the

1165

00:44:32,470 --> 00:44:27,359

slip wave

1166

00:44:34,470 --> 00:44:32,480

this particular field

1167

00:44:36,710 --> 00:44:34,480

not only allows you to break the light

1168

00:44:37,990 --> 00:44:36,720

speed barrier which is absolutely

1169

00:44:39,910 --> 00:44:38,000

essential

1170

00:44:41,589 --> 00:44:39,920

to get beyond

1171

00:44:43,670 --> 00:44:41,599

this solar system

1172

00:44:45,510 --> 00:44:43,680

you can't just go at the speed of light

1173

00:44:48,470 --> 00:44:45,520

it's way too slow

1174

00:44:50,950 --> 00:44:48,480

you have to go not just a few times like

1175

00:44:54,710 --> 00:44:50,960

in star trek eight or nine times you

1176
00:44:57,910 --> 00:44:54,720
have to go tens of thousands of times

1177
00:45:00,390 --> 00:44:57,920
faster than uh the speed of light if you

1178
00:45:02,230 --> 00:45:00,400
want to get anywhere in a reasonable

1179
00:45:04,309 --> 00:45:02,240
amount of time

1180
00:45:05,990 --> 00:45:04,319
so

1181
00:45:08,069 --> 00:45:06,000
this i believe

1182
00:45:10,870 --> 00:45:08,079
we have the capability of doing that

1183
00:45:13,430 --> 00:45:10,880
we're right on the edge even without the

1184
00:45:16,390 --> 00:45:13,440
help of alien technology and reverse

1185
00:45:18,309 --> 00:45:16,400
engineering we're almost at or if not

1186
00:45:21,430 --> 00:45:18,319
already discovered superconductor

1187
00:45:24,150 --> 00:45:21,440
technology which is absolutely essential

1188
00:45:27,030 --> 00:45:24,160

to build the coils necessary to build

1189

00:45:28,630 --> 00:45:27,040

the magnetic field necessary

1190

00:45:30,710 --> 00:45:28,640

to

1191

00:45:33,670 --> 00:45:30,720

surround the craft

1192

00:45:35,349 --> 00:45:33,680

with a spatial bias drive

1193

00:45:37,750 --> 00:45:35,359

and

1194

00:45:39,750 --> 00:45:37,760

that i think we've i think we've we have

1195

00:45:41,829 --> 00:45:39,760

all that or we're very close on all of

1196

00:45:44,069 --> 00:45:41,839

that

1197

00:45:46,790 --> 00:45:44,079

um

1198

00:45:49,109 --> 00:45:46,800

just now let me ask this uh as far as

1199

00:45:50,150 --> 00:45:49,119

interstellar travel

1200

00:45:52,790 --> 00:45:50,160

uh

1201

00:45:55,349 --> 00:45:52,800

will it require us to

1202

00:45:58,309 --> 00:45:55,359

be able to

1203

00:46:00,470 --> 00:45:58,319

go through wormholes or through other

1204

00:46:03,670 --> 00:46:00,480

types of passageways

1205

00:46:05,589 --> 00:46:03,680

to get to where we want to go

1206

00:46:07,990 --> 00:46:05,599

there's multiple ways i think that's

1207

00:46:10,150 --> 00:46:08,000

what everybody's finding out in these

1208

00:46:13,829 --> 00:46:10,160

stephen greer interviews where all these

1209

00:46:16,550 --> 00:46:13,839

leakers are coming out of the government

1210

00:46:18,069 --> 00:46:16,560

they never foresaw happening apparently

1211

00:46:20,550 --> 00:46:18,079

over the years

1212

00:46:23,190 --> 00:46:20,560

now we have a lot of leakage in our own

1213

00:46:26,309 --> 00:46:23,200

government coming out and testifying

1214

00:46:27,190 --> 00:46:26,319

about stargates interstellar travel

1215

00:46:29,030 --> 00:46:27,200

by

1216

00:46:31,349 --> 00:46:29,040

inter-dimensional which is a highly

1217

00:46:34,790 --> 00:46:31,359

efficient way to go right

1218

00:46:36,230 --> 00:46:34,800

along with my technology which i call an

1219

00:46:38,950 --> 00:46:36,240

entry-level

1220

00:46:42,150 --> 00:46:38,960

interstellar technology

1221

00:46:45,670 --> 00:46:42,160

uh which the basic which is the basic

1222

00:46:47,829 --> 00:46:45,680

technology that any ufo

1223

00:46:49,430 --> 00:46:47,839

any alien group is going to have to use

1224

00:46:51,750 --> 00:46:49,440

in order to break the light speed

1225

00:46:54,470 --> 00:46:51,760

barrier you have to use high magnetics

1226
00:46:56,550 --> 00:46:54,480
in a rotating field of some sort

1227
00:46:58,470 --> 00:46:56,560
and um

1228
00:47:00,710 --> 00:46:58,480
it it's

1229
00:47:02,230 --> 00:47:00,720
it's gotta it's got to be half

1230
00:47:06,230 --> 00:47:02,240
it has to happen

1231
00:47:09,109 --> 00:47:06,240
because this planet isn't going to last

1232
00:47:11,190 --> 00:47:09,119
forever and neither are their planets

1233
00:47:13,270 --> 00:47:11,200
you have to buy locate

1234
00:47:15,190 --> 00:47:13,280
you have to set up systems you have to

1235
00:47:17,349 --> 00:47:15,200
set up civilizations

1236
00:47:19,430 --> 00:47:17,359
somewhere not here

1237
00:47:21,589 --> 00:47:19,440
because this place could go at any time

1238
00:47:24,309 --> 00:47:21,599

just ask the dinosaurs

1239

00:47:27,190 --> 00:47:24,319

that isn't true right

1240

00:47:29,270 --> 00:47:27,200

and so we will not be safe until we

1241

00:47:31,430 --> 00:47:29,280

develop this technology

1242

00:47:32,630 --> 00:47:31,440

it's a number one assignment for

1243

00:47:34,390 --> 00:47:32,640

humanity

1244

00:47:37,030 --> 00:47:34,400

we have to be able

1245

00:47:39,829 --> 00:47:37,040

to bi-locate to some other world some

1246

00:47:42,309 --> 00:47:39,839

other systems as i sure

1247

00:47:43,589 --> 00:47:42,319

as i'm sure other aliens

1248

00:47:45,750 --> 00:47:43,599

are doing

1249

00:47:48,069 --> 00:47:45,760

you know either here in underground

1250

00:47:49,910 --> 00:47:48,079

bases or in other places on the on the

1251
00:47:52,549 --> 00:47:49,920
moon or whatever you have to be in more

1252
00:47:56,230 --> 00:47:52,559
than one spot just in case something

1253
00:47:58,710 --> 00:47:56,240
really goes wrong on your home planet

1254
00:48:01,589 --> 00:47:58,720
it's a necessity it's it's

1255
00:48:02,630 --> 00:48:01,599
we have to evolve to this and it's high

1256
00:48:03,829 --> 00:48:02,640
time

1257
00:48:04,829 --> 00:48:03,839
that

1258
00:48:07,829 --> 00:48:04,839
the

1259
00:48:09,910 --> 00:48:07,839
government stopped covering this up and

1260
00:48:12,069 --> 00:48:09,920
you know i i don't know how to get them

1261
00:48:14,230 --> 00:48:12,079
to stop it but

1262
00:48:15,910 --> 00:48:14,240
the humanity itself is going to have to

1263
00:48:17,990 --> 00:48:15,920

start figuring this out maybe with the

1264

00:48:20,950 --> 00:48:18,000

work graham's doing in luke

1265

00:48:22,549 --> 00:48:20,960

we're going to get enough information

1266

00:48:24,549 --> 00:48:22,559

you know and i'm

1267

00:48:26,630 --> 00:48:24,559

and what i'm doing and working on we can

1268

00:48:29,270 --> 00:48:26,640

solve this problem and develop this

1269

00:48:32,150 --> 00:48:29,280

technology

1270

00:48:35,109 --> 00:48:32,160

luke do you having to add to that

1271

00:48:40,470 --> 00:48:35,119

absolutely um i i think

1272

00:48:44,069 --> 00:48:40,480

mark is correct i mean um to become

1273

00:48:46,790 --> 00:48:44,079

a uh an advanced species um a type two

1274

00:48:48,549 --> 00:48:46,800

or type three civilization

1275

00:48:50,470 --> 00:48:48,559

we have to we have to really push

1276
00:48:52,230 --> 00:48:50,480
forward in technology

1277
00:48:53,910 --> 00:48:52,240
and um

1278
00:48:58,390 --> 00:48:53,920
we're currently at

1279
00:49:01,109 --> 00:49:00,230
on that scale

1280
00:49:03,910 --> 00:49:01,119
which is

1281
00:49:05,910 --> 00:49:03,920
not really good um

1282
00:49:07,990 --> 00:49:05,920
so maybe maybe for everybody who's

1283
00:49:10,309 --> 00:49:08,000
listening can you describe the three

1284
00:49:13,270 --> 00:49:10,319
levels uh the three types of

1285
00:49:14,630 --> 00:49:13,280
civilizations that are defined in that

1286
00:49:19,589 --> 00:49:14,640
theory

1287
00:49:22,710 --> 00:49:19,599
so um yeah type one can harness the um

1288
00:49:26,549 --> 00:49:22,720

our own sun all the energy

1289

00:49:30,069 --> 00:49:26,559

of our own sun and utilize that

1290

00:49:31,270 --> 00:49:30,079

and then type two can

1291

00:49:34,470 --> 00:49:31,280

utilize

1292

00:49:37,030 --> 00:49:34,480

all the energy of

1293

00:49:40,069 --> 00:49:37,040

our own galaxy

1294

00:49:43,430 --> 00:49:40,079

meaning we can harness stars planets

1295

00:49:46,230 --> 00:49:43,440

manipulate power as we wish

1296

00:49:49,349 --> 00:49:46,240

and then type three that goes next level

1297

00:49:50,230 --> 00:49:49,359

that goes universal so

1298

00:49:52,309 --> 00:49:50,240

um

1299

00:49:54,390 --> 00:49:52,319

that's harnessing everything in our

1300

00:49:55,190 --> 00:49:54,400

universe

1301
00:49:58,309 --> 00:49:55,200
so

1302
00:50:01,430 --> 00:49:58,319
yeah it's um

1303
00:50:02,710 --> 00:50:01,440
it's pretty big call but um

1304
00:50:05,990 --> 00:50:02,720
unless

1305
00:50:08,549 --> 00:50:06,000
humanity gets its stuff together uh

1306
00:50:11,589 --> 00:50:08,559
we're stuck in this rut of

1307
00:50:14,230 --> 00:50:11,599
not moving forward and that goes all the

1308
00:50:16,230 --> 00:50:14,240
way back to tesla and i don't need to

1309
00:50:18,630 --> 00:50:16,240
really mention that too much right

1310
00:50:21,190 --> 00:50:18,640
because he he could have

1311
00:50:22,870 --> 00:50:21,200
made us a hundred years advance more

1312
00:50:24,230 --> 00:50:22,880
than what we could have with his

1313
00:50:27,829 --> 00:50:24,240

technology

1314

00:50:31,190 --> 00:50:27,839

uh for anyone that's researched tesla

1315

00:50:34,790 --> 00:50:31,200

so uh yeah that is the basic

1316

00:50:39,190 --> 00:50:34,800

fundamentals of their civilizations and

1317

00:50:41,030 --> 00:50:39,200

we are at about 0.7 roughly

1318

00:50:43,510 --> 00:50:41,040

so how long is it going to take for us

1319

00:50:45,750 --> 00:50:43,520

to get to a type 1 to where we can

1320

00:50:47,030 --> 00:50:45,760

actually harness the energy of our own

1321

00:50:49,910 --> 00:50:47,040

sun

1322

00:50:53,589 --> 00:50:49,920

that is up to uh our governments and

1323

00:50:56,470 --> 00:50:53,599

humanity to come together as a coalition

1324

00:50:58,470 --> 00:50:56,480

and organizer um

1325

00:51:03,349 --> 00:50:58,480

it's

1326

00:51:07,349 --> 00:51:05,430

yeah i mean um

1327

00:51:10,069 --> 00:51:07,359

you know we can we can sit here and talk

1328

00:51:10,950 --> 00:51:10,079

about what needs to be done

1329

00:51:12,950 --> 00:51:10,960

but

1330

00:51:15,510 --> 00:51:12,960

geopolitically

1331

00:51:17,829 --> 00:51:15,520

just for one level how well

1332

00:51:20,950 --> 00:51:17,839

how realistic is that i mean even in the

1333

00:51:25,109 --> 00:51:22,790

going to have uh countries vying with

1334

00:51:26,549 --> 00:51:25,119

each other or regimes or or groups of

1335

00:51:28,790 --> 00:51:26,559

countries vying with each other to be

1336

00:51:30,710 --> 00:51:28,800

the top dog the ones who exploit this

1337

00:51:32,309 --> 00:51:30,720

technology you can imagine if russia at

1338

00:51:34,390 --> 00:51:32,319

the moment the way they are if they got

1339

00:51:35,910 --> 00:51:34,400

their hands on on something like this or

1340

00:51:37,990 --> 00:51:35,920

managed to develop something like this

1341

00:51:39,750 --> 00:51:38,000

you know well how would they use it they

1342

00:51:41,750 --> 00:51:39,760

possibly wouldn't use it for good they

1343

00:51:44,230 --> 00:51:41,760

might use it to dominate the world

1344

00:51:45,510 --> 00:51:44,240

um would america do the same you know

1345

00:51:47,990 --> 00:51:45,520

that that's a question that you could

1346

00:51:52,470 --> 00:51:48,000

ask as well so

1347

00:51:57,030 --> 00:51:54,710

we're too much of a warring factions we

1348

00:51:58,630 --> 00:51:57,040

we don't get along as a species we

1349

00:52:00,069 --> 00:51:58,640

always find some way to have division

1350

00:52:02,230 --> 00:52:00,079

between each other whether it's on

1351
00:52:04,470 --> 00:52:02,240
social or religious or economic or

1352
00:52:06,549 --> 00:52:04,480
political grounds uh we haven't solved

1353
00:52:08,470 --> 00:52:06,559
that particular question yet so until

1354
00:52:09,750 --> 00:52:08,480
that's solved then unfortunately we're

1355
00:52:12,309 --> 00:52:09,760
not going to make the progress that you

1356
00:52:13,510 --> 00:52:12,319
know people desire to to get ahead um

1357
00:52:14,950 --> 00:52:13,520
and just going back the previous

1358
00:52:17,589 --> 00:52:14,960
question if you don't mind the things

1359
00:52:20,150 --> 00:52:17,599
about the the atom bomb and and the kind

1360
00:52:21,430 --> 00:52:20,160
of connections between ufos and nukes

1361
00:52:23,510 --> 00:52:21,440
it might just be a yardstick with

1362
00:52:25,270 --> 00:52:23,520
technology it might not be as dramatic

1363
00:52:27,589 --> 00:52:25,280

as as mark was saying about the threat

1364

00:52:29,109 --> 00:52:27,599

that it poses that could be a literally

1365

00:52:30,630 --> 00:52:29,119

a kind of right we're gonna sit up and

1366

00:52:32,870 --> 00:52:30,640

take notes of you now you're not just

1367

00:52:34,230 --> 00:52:32,880

monkeys you're banging stick or rocks

1368

00:52:36,069 --> 00:52:34,240

together you know you've actually come

1369

00:52:38,150 --> 00:52:36,079

to a point where your technology has got

1370

00:52:40,230 --> 00:52:38,160

the point where you can split an atom so

1371

00:52:42,150 --> 00:52:40,240

um and and even the other foo fighters

1372

00:52:44,829 --> 00:52:42,160

were before 1945 and the dropping of the

1373

00:52:47,750 --> 00:52:44,839

atomic bombs fusion was invented in what

1374

00:52:50,630 --> 00:52:47,760

1938 and the manhattan project started

1375

00:52:51,670 --> 00:52:50,640

kicking off in earnest in 1942 so the

1376

00:52:54,309 --> 00:52:51,680

foo fighters could have been a

1377

00:52:56,069 --> 00:52:54,319

manifestation of you know interest in

1378

00:52:58,470 --> 00:52:56,079

what was going on in the plan on the

1379

00:53:00,470 --> 00:52:58,480

planet in terms of that certainly

1380

00:53:02,950 --> 00:53:00,480

sightings over the hanford facility in

1381

00:53:05,349 --> 00:53:02,960

1945 they sent fighters up after an

1382

00:53:07,829 --> 00:53:05,359

object that was seen over over the plant

1383

00:53:10,150 --> 00:53:07,839

and then you've got sightings in over

1384

00:53:13,349 --> 00:53:10,160

oak ridge tennessee and hanford in in

1385

00:53:15,109 --> 00:53:13,359

the late 40s and early 50s so there's

1386

00:53:17,589 --> 00:53:15,119

plenty of you know evidence even much

1387

00:53:20,710 --> 00:53:17,599

earlier than the milestone um things in

1388

00:53:22,950 --> 00:53:20,720

1970 to suggest that there was a link

1389

00:53:26,829 --> 00:53:22,960

um and and certainly an interest in what

1390

00:53:32,309 --> 00:53:30,630

um do you think after world war ii

1391

00:53:34,230 --> 00:53:32,319

that the human race was put on a

1392

00:53:36,950 --> 00:53:34,240

priority list somehow

1393

00:53:37,829 --> 00:53:36,960

basically that we were given technology

1394

00:53:39,270 --> 00:53:37,839

or

1395

00:53:43,190 --> 00:53:39,280

shown the way

1396

00:53:45,829 --> 00:53:44,630

going back from what i just said before

1397

00:53:47,349 --> 00:53:45,839

about the fact that we're still trying

1398

00:53:48,950 --> 00:53:47,359

you know trying to kill each other yeah

1399

00:53:50,950 --> 00:53:48,960

i don't think we're at that position yet

1400

00:53:52,390 --> 00:53:50,960

i think that they're keeping tabs on us

1401

00:53:53,829 --> 00:53:52,400

you know it's like it's like a lab

1402

00:53:55,750 --> 00:53:53,839

experiment we're watching a whole load

1403

00:53:58,230 --> 00:53:55,760

of you know soldier ants fighting it

1404

00:53:59,750 --> 00:53:58,240

with each other kind of thing um it's a

1405

00:54:00,950 --> 00:53:59,760

it's a nice experiment but i think we're

1406

00:54:03,190 --> 00:54:00,960

not the position yet where they would

1407

00:54:04,790 --> 00:54:03,200

trust us with anything because you know

1408

00:54:06,549 --> 00:54:04,800

if you give us something like that

1409

00:54:08,150 --> 00:54:06,559

radical technology

1410

00:54:09,589 --> 00:54:08,160

chances are would use it against each

1411

00:54:11,829 --> 00:54:09,599

other we wouldn't actually use it for

1412

00:54:14,150 --> 00:54:11,839

good yeah mark

1413

00:54:14,870 --> 00:54:14,160

i just have a question for graham do you

1414

00:54:17,030 --> 00:54:14,880

are

1415

00:54:19,750 --> 00:54:17,040

do you believe in the possibility of

1416

00:54:22,230 --> 00:54:19,760

some sort of cabal

1417

00:54:24,710 --> 00:54:22,240

i don't discount it um i can't prove it

1418

00:54:27,190 --> 00:54:24,720

exists but yeah sure it's a concept i've

1419

00:54:29,109 --> 00:54:27,200

heard of um some kind of galactic

1420

00:54:30,870 --> 00:54:29,119

confederation

1421

00:54:32,390 --> 00:54:30,880

oh you mean something inside you mean

1422

00:54:33,750 --> 00:54:32,400

something more internal

1423

00:54:36,789 --> 00:54:33,760

people

1424

00:54:39,030 --> 00:54:36,799

orchestrating things before um here

1425

00:54:41,190 --> 00:54:39,040

yes i've heard those stories i don't

1426
00:54:44,470 --> 00:54:41,200
know whether to believe them i can i can

1427
00:54:46,309 --> 00:54:44,480
imagine how it buys into it

1428
00:54:48,390 --> 00:54:46,319
it kind of feeds into what you're saying

1429
00:54:50,630 --> 00:54:48,400
because they're gonna their number one

1430
00:54:52,630 --> 00:54:50,640
thing is to keep this technology out of

1431
00:54:54,230 --> 00:54:52,640
the hands of the masses

1432
00:54:55,829 --> 00:54:54,240
well yes if you're buying conspiracy

1433
00:54:58,069 --> 00:54:55,839
theories i'm sure that's a great thing

1434
00:55:00,309 --> 00:54:58,079
for people to do it but it doesn't even

1435
00:55:02,069 --> 00:55:00,319
need to get that far we're simply a

1436
00:55:05,190 --> 00:55:02,079
species that just likes to kill each

1437
00:55:07,190 --> 00:55:05,200
other yeah when it comes down to it

1438
00:55:09,910 --> 00:55:07,200

if there isn't a reason already we will

1439

00:55:11,430 --> 00:55:09,920

find one so that's what happens and it

1440

00:55:13,349 --> 00:55:11,440

doesn't happen between nations it could

1441

00:55:14,870 --> 00:55:13,359

be just your neighbor it can be a person

1442

00:55:16,549 --> 00:55:14,880

down the street you don't like it

1443

00:55:18,710 --> 00:55:16,559

because you want might want what they

1444

00:55:20,470 --> 00:55:18,720

have you know that's enough in america

1445

00:55:22,309 --> 00:55:20,480

for people to kill each other isn't it

1446

00:55:24,309 --> 00:55:22,319

so therefore you know it's the same the

1447

00:55:25,990 --> 00:55:24,319

world over so therefore we're not in a

1448

00:55:28,069 --> 00:55:26,000

position yet you don't even need to get

1449

00:55:29,750 --> 00:55:28,079

the the kind of level of

1450

00:55:31,430 --> 00:55:29,760

deep conspiracies and the deep state and

1451

00:55:33,670 --> 00:55:31,440

all the rest of it we're just that kind

1452

00:55:35,190 --> 00:55:33,680

of species that just like to hurt each

1453

00:55:37,349 --> 00:55:35,200

other to kill each other to have

1454

00:55:39,510 --> 00:55:37,359

advantage over each other i'm afraid

1455

00:55:41,589 --> 00:55:39,520

until we get past that all the kind of

1456

00:55:43,589 --> 00:55:41,599

things that we dream and we aspire to

1457

00:55:44,789 --> 00:55:43,599

simply aren't going to happen

1458

00:55:47,190 --> 00:55:44,799

well

1459

00:55:49,510 --> 00:55:47,200

there is a counter movement to get it

1460

00:55:52,309 --> 00:55:49,520

goes beyond this discussion really with

1461

00:55:54,390 --> 00:55:52,319

ndes and and that sort of a spiritual

1462

00:55:56,630 --> 00:55:54,400

realm that's fighting

1463

00:55:57,670 --> 00:55:56,640

to fix the problem you're just talking

1464

00:56:00,870 --> 00:55:57,680

about

1465

00:56:03,190 --> 00:56:00,880

where the solution to all this is

1466

00:56:06,230 --> 00:56:03,200

very simple

1467

00:56:07,510 --> 00:56:06,240

and it's one thing learn to love one

1468

00:56:09,910 --> 00:56:07,520

another

1469

00:56:11,750 --> 00:56:09,920

if we succeed in that if we practice

1470

00:56:14,470 --> 00:56:11,760

that we live that

1471

00:56:16,789 --> 00:56:14,480

all the problems you just said go away

1472

00:56:20,309 --> 00:56:16,799

every one of them gets solved because we

1473

00:56:23,670 --> 00:56:20,319

stop this abusing each other

1474

00:56:26,630 --> 00:56:23,680

across the world this hatred this anger

1475

00:56:29,510 --> 00:56:26,640

and then we could advance so a spiritual

1476

00:56:31,270 --> 00:56:29,520

advancement would be one of the greatest

1477

00:56:35,270 --> 00:56:31,280

things to help us

1478

00:56:37,030 --> 00:56:35,280

to advance technologically

1479

00:56:39,510 --> 00:56:37,040

yeah we'd stop fighting each other a

1480

00:56:41,750 --> 00:56:39,520

spiritual advantage a spiritual way of

1481

00:56:42,789 --> 00:56:41,760

looking at it is religion because they

1482

00:56:45,349 --> 00:56:42,799

they hold themselves up with

1483

00:56:46,870 --> 00:56:45,359

spiritualism however religions tend to

1484

00:56:48,150 --> 00:56:46,880

end up warring with each other as well

1485

00:56:50,789 --> 00:56:48,160

because they have different ways of

1486

00:56:54,789 --> 00:56:50,799

looking at the same thing so mankind

1487

00:56:57,230 --> 00:56:54,799

gets in the mess and misinterprets it

1488

00:56:59,349 --> 00:56:57,240

the greatest problem in religion is to

1489

00:57:01,030 --> 00:56:59,359

misinterpretation of those religions

1490

00:57:04,069 --> 00:57:01,040

because everybody has their own take on

1491

00:57:04,870 --> 00:57:04,079

what what somebody has said years ago um

1492

00:57:06,309 --> 00:57:04,880

yeah

1493

00:57:07,510 --> 00:57:06,319

religion has a lot to answer for

1494

00:57:10,870 --> 00:57:07,520

unfortunately

1495

00:57:13,349 --> 00:57:10,880

yeah but it's fixable if they fall back

1496

00:57:15,190 --> 00:57:13,359

to the primary principle

1497

00:57:17,510 --> 00:57:15,200

love one another that's the one

1498

00:57:19,589 --> 00:57:17,520

commandment from god i don't know if you

1499

00:57:21,670 --> 00:57:19,599

believe in god or not but

1500

00:57:25,190 --> 00:57:21,680

i just thought i'd introduce that in

1501
00:57:28,069 --> 00:57:25,200
there as well uh um i'm a intelligent

1502
00:57:29,990 --> 00:57:28,079
design theorist so

1503
00:57:32,789 --> 00:57:30,000
the creator is

1504
00:57:34,630 --> 00:57:32,799
is ultimately behind all this is what i

1505
00:57:37,589 --> 00:57:34,640
believe so

1506
00:57:40,150 --> 00:57:37,599
i'm not only looking at moving

1507
00:57:43,030 --> 00:57:40,160
the world along technologically but we

1508
00:57:44,950 --> 00:57:43,040
have to move along spiritually as well

1509
00:57:46,950 --> 00:57:44,960
so we can solve the kind of problems

1510
00:57:50,230 --> 00:57:46,960
that you're bringing up i mean they're

1511
00:57:52,549 --> 00:57:50,240
real they're valid you're right

1512
00:57:54,950 --> 00:57:52,559
we just can't stop killing each other

1513
00:57:58,230 --> 00:57:54,960

and shooting each other and

1514

00:58:01,349 --> 00:57:58,240

and you name it warring for political

1515

00:58:05,750 --> 00:58:01,359

religious uh we're you know we're our

1516

00:58:11,510 --> 00:58:08,789

i mean can we ever change you know um

1517

00:58:13,109 --> 00:58:11,520

i i was i was always a very strict

1518

00:58:15,190 --> 00:58:13,119

evolutionist

1519

00:58:17,430 --> 00:58:15,200

but as time is going on as i've looked

1520

00:58:20,309 --> 00:58:17,440

into more and more phenomena

1521

00:58:22,390 --> 00:58:20,319

i i believe there there is a

1522

00:58:24,630 --> 00:58:22,400

intelligent design thing i mean where

1523

00:58:27,589 --> 00:58:24,640

there has been intervention at some

1524

00:58:30,309 --> 00:58:27,599

point in the distant past i mean even

1525

00:58:33,670 --> 00:58:30,319

now they may be actually intervening and

1526
00:58:34,829 --> 00:58:33,680
changing or trying to change things

1527
00:58:36,390 --> 00:58:34,839
thoughts on

1528
00:58:40,950 --> 00:58:36,400
that

1529
00:58:43,589 --> 00:58:40,960
i think we can change as possible sure

1530
00:58:45,589 --> 00:58:43,599
that's all about the life experience

1531
00:58:47,109 --> 00:58:45,599
learning from your mistakes and moving

1532
00:58:50,150 --> 00:58:47,119
forward hopefully

1533
00:58:51,230 --> 00:58:50,160
if you can wake up enough to to do that

1534
00:58:53,990 --> 00:58:51,240
to start

1535
00:58:55,990 --> 00:58:54,000
self-evaluating and thinking about what

1536
00:58:59,910 --> 00:58:56,000
you can do to improve things improve

1537
00:59:02,309 --> 00:58:59,920
your life improve other people's lives

1538
00:59:03,109 --> 00:59:02,319

yeah the problem is

1539

00:59:05,670 --> 00:59:03,119

we're

1540

00:59:06,789 --> 00:59:05,680

in these avatars these what we call

1541

00:59:07,910 --> 00:59:06,799

humans

1542

00:59:12,230 --> 00:59:07,920

and and

1543

00:59:14,390 --> 00:59:12,240

all this materialistic

1544

00:59:16,230 --> 00:59:14,400

things going on in our heads that that

1545

00:59:18,870 --> 00:59:16,240

kind of mess things up

1546

00:59:20,630 --> 00:59:18,880

but uh it's part of the process we just

1547

00:59:23,270 --> 00:59:20,640

have to learn to

1548

00:59:26,150 --> 00:59:23,280

rise above that you know

1549

00:59:28,549 --> 00:59:26,160

it's tough tough assignment but uh here

1550

00:59:30,309 --> 00:59:28,559

we are right i think we lost luke but

1551

00:59:31,349 --> 00:59:30,319

hopefully we can get back in

1552

00:59:35,990 --> 00:59:31,359

um

1553

00:59:37,670 --> 00:59:36,000

i don't know i i i just feel that uh

1554

00:59:39,910 --> 00:59:37,680

myself that

1555

00:59:40,870 --> 00:59:39,920

maybe

1556

00:59:42,710 --> 00:59:40,880

we are

1557

00:59:44,870 --> 00:59:42,720

get giving been giving some

1558

00:59:47,349 --> 00:59:44,880

opportunities and really haven't taken

1559

00:59:50,309 --> 00:59:47,359

advantage of it i think we've been shown

1560

00:59:51,990 --> 00:59:50,319

things in the past uh

1561

00:59:54,630 --> 00:59:52,000

and just

1562

00:59:56,230 --> 00:59:54,640

ignored them

1563

00:59:57,670 --> 00:59:56,240

i think you can say that for a lot of

1564

00:59:59,270 --> 00:59:57,680

things a lot of technological

1565

01:00:00,870 --> 00:59:59,280

advancements that could have happened

1566

01:00:03,109 --> 01:00:00,880

but for whatever reason social or

1567

01:00:04,950 --> 01:00:03,119

political or military reasons just

1568

01:00:07,030 --> 01:00:04,960

simply haven't happened i mean look at

1569

01:00:08,710 --> 01:00:07,040

the moon exploration you know you sort

1570

01:00:11,030 --> 01:00:08,720

of ran out of uh you know right out of

1571

01:00:12,789 --> 01:00:11,040

steam in the mid 70s right didn't you

1572

01:00:14,309 --> 01:00:12,799

you know you went to the moon saw it did

1573

01:00:15,750 --> 01:00:14,319

a few apollo missions then went right

1574

01:00:18,870 --> 01:00:15,760

that's enough we don't need to do any

1575

01:00:20,950 --> 01:00:18,880

more um and then public interest waned

1576

01:00:23,109 --> 01:00:20,960

as well people were complaining that

1577

01:00:24,789 --> 01:00:23,119

there were live apollo coverage where

1578

01:00:27,430 --> 01:00:24,799

and they were missing reruns of i love

1579

01:00:29,670 --> 01:00:27,440

lucy so

1580

01:00:32,150 --> 01:00:29,680

it was okay if that's the case then god

1581

01:00:34,390 --> 01:00:32,160

help us really so

1582

01:00:35,270 --> 01:00:34,400

but i i look at things that i can sort

1583

01:00:37,670 --> 01:00:35,280

of

1584

01:00:39,510 --> 01:00:37,680

i can prove uh in this i look at

1585

01:00:42,309 --> 01:00:39,520

documents i try to build a picture when

1586

01:00:43,829 --> 01:00:42,319

i try to tell a story but also there's

1587

01:00:45,589 --> 01:00:43,839

things that i don't understand there's

1588

01:00:46,950 --> 01:00:45,599

things i can't prove that i have just

1589

01:00:49,030 --> 01:00:46,960

have to set aside

1590

01:00:51,670 --> 01:00:49,040

and i think i really can't sort of

1591

01:00:53,270 --> 01:00:51,680

comprehend them or i can't prove them so

1592

01:00:55,190 --> 01:00:53,280

they just have to wait or they have to

1593

01:00:57,030 --> 01:00:55,200

be looked at by people like mark who who

1594

01:00:59,430 --> 01:00:57,040

maybe has a better take on this than i

1595

01:01:01,270 --> 01:00:59,440

do um so i'm afraid i'm only restricted

1596

01:01:03,750 --> 01:01:01,280

to a certain you know subset of what's

1597

01:01:05,829 --> 01:01:03,760

happening um and i keep my focus quite

1598

01:01:08,630 --> 01:01:05,839

quite narrow because then at least i can

1599

01:01:10,549 --> 01:01:08,640

com i can contain what's going on and i

1600

01:01:12,069 --> 01:01:10,559

can devote more time to it whereas

1601
01:01:13,510 --> 01:01:12,079
there's just so much going on here

1602
01:01:15,750 --> 01:01:13,520
there's so much so many fascinating

1603
01:01:18,230 --> 01:01:15,760
things it's just not enough to keep on

1604
01:01:20,870 --> 01:01:18,240
top of unfortunately

1605
01:01:21,910 --> 01:01:20,880
well i i can see you you're taking a

1606
01:01:27,270 --> 01:01:21,920
very

1607
01:01:29,349 --> 01:01:27,280
disciplined scient and i have great

1608
01:01:31,910 --> 01:01:29,359
apprecia appreciation for that but you

1609
01:01:34,549 --> 01:01:31,920
brought up the apollo project

1610
01:01:35,589 --> 01:01:34,559
and how they just sort of stopped

1611
01:01:37,829 --> 01:01:35,599
now it's

1612
01:01:40,230 --> 01:01:37,839
are you aware that buzz aldrin has come

1613
01:01:42,470 --> 01:01:40,240

out and admitted that they saw

1614

01:01:44,230 --> 01:01:42,480

uh alien spacecraft when they were on

1615

01:01:47,030 --> 01:01:44,240

the moon no

1616

01:01:48,549 --> 01:01:47,040

well he's certainly been said that

1617

01:01:49,910 --> 01:01:48,559

there's been stories about him saying

1618

01:01:52,950 --> 01:01:49,920

that i'm not entirely sure that he's

1619

01:01:55,029 --> 01:01:52,960

actually said it for definitely i saw it

1620

01:01:56,309 --> 01:01:55,039

i saw the video with him speaking the

1621

01:01:59,190 --> 01:01:56,319

words

1622

01:02:01,510 --> 01:01:59,200

so i know for sure okay

1623

01:02:04,150 --> 01:02:01,520

and along with that another guy from

1624

01:02:05,589 --> 01:02:04,160

nasa who was uh working at the time at

1625

01:02:08,230 --> 01:02:05,599

the

1626

01:02:09,029 --> 01:02:08,240

cape canaveral cape kennedy

1627

01:02:09,990 --> 01:02:09,039

uh

1628

01:02:12,069 --> 01:02:10,000

also

1629

01:02:14,549 --> 01:02:12,079

spoke to them through the medical

1630

01:02:16,950 --> 01:02:14,559

channel and said that they were on the

1631

01:02:18,630 --> 01:02:16,960

horizon just above where they were

1632

01:02:19,910 --> 01:02:18,640

they're all on the horizon watching us i

1633

01:02:23,109 --> 01:02:19,920

remember reading a book called the

1634

01:02:25,910 --> 01:02:23,119

secret our spaceship moon by don wilson

1635

01:02:27,589 --> 01:02:25,920

back in the 1970s and thinking it was a

1636

01:02:29,589 --> 01:02:27,599

bit of a joke really because nothing

1637

01:02:31,349 --> 01:02:29,599

could be proved in it but if you if

1638

01:02:33,190 --> 01:02:31,359

you're saying that bert aldrin has said

1639

01:02:34,630 --> 01:02:33,200

those words i'd love somebody to be able

1640

01:02:36,309 --> 01:02:34,640

to send me a link

1641

01:02:38,470 --> 01:02:36,319

my twitter address is there please

1642

01:02:40,069 --> 01:02:38,480

somebody dmv yeah

1643

01:02:42,069 --> 01:02:40,079

send me the link to it so i can see it

1644

01:02:44,789 --> 01:02:42,079

i'll send you the link

1645

01:02:46,950 --> 01:02:44,799

because that should be huge

1646

01:02:49,349 --> 01:02:46,960

yeah that's why

1647

01:02:51,670 --> 01:02:49,359

why isn't that on every news channel

1648

01:02:53,670 --> 01:02:51,680

across the world if he said that and if

1649

01:02:55,589 --> 01:02:53,680

people just take it seriously the second

1650

01:02:57,190 --> 01:02:55,599

man on the moon saying that why is that

1651
01:02:59,430 --> 01:02:57,200
not everywhere

1652
01:03:01,270 --> 01:02:59,440
i think he was talking to stephen greer

1653
01:03:03,109 --> 01:03:01,280
i'm not sure

1654
01:03:04,230 --> 01:03:03,119
but i just saw it the other day and i'm

1655
01:03:05,430 --> 01:03:04,240
saying

1656
01:03:08,630 --> 01:03:05,440
now that's

1657
01:03:11,029 --> 01:03:08,640
because my wife thinks more like you

1658
01:03:13,510 --> 01:03:11,039
and and she's i don't believe until

1659
01:03:16,710 --> 01:03:13,520
there's rock solid proof and evidence

1660
01:03:18,870 --> 01:03:16,720
and i said well take a look at this

1661
01:03:20,870 --> 01:03:18,880
well you believe

1662
01:03:23,029 --> 01:03:20,880
him saying it would be evidence like at

1663
01:03:26,470 --> 01:03:23,039

least for a start to go i mean that's

1664

01:03:28,230 --> 01:03:26,480

high credibility exactly yeah but as far

1665

01:03:29,270 --> 01:03:28,240

as i was aware until you said that i'm

1666

01:03:32,069 --> 01:03:29,280

not going to tell you where he's

1667

01:03:33,829 --> 01:03:32,079

actually said it you know um

1668

01:03:35,109 --> 01:03:33,839

for real so there's been there's

1669

01:03:37,349 --> 01:03:35,119

certainly been illusions to the fact

1670

01:03:39,029 --> 01:03:37,359

that they've said things like that

1671

01:03:41,670 --> 01:03:39,039

yeah

1672

01:03:51,109 --> 01:03:41,680

make sure that i get your your email or

1673

01:03:55,029 --> 01:03:53,270

do any of you believe that the

1674

01:03:56,870 --> 01:03:55,039

mainstream media

1675

01:03:59,510 --> 01:03:56,880

particularly here in the united states

1676

01:04:02,069 --> 01:03:59,520

now i know you've got the tabloids in in

1677

01:04:04,870 --> 01:04:02,079

the uk and i don't know what they have

1678

01:04:06,789 --> 01:04:04,880

in in australia but do you think they've

1679

01:04:11,109 --> 01:04:06,799

been held back from reporting some of

1680

01:04:14,710 --> 01:04:13,589

who are you asking in general

1681

01:04:16,069 --> 01:04:14,720

anyone

1682

01:04:21,190 --> 01:04:16,079

any of you

1683

01:04:23,910 --> 01:04:21,200

um yeah i would say absolutely um

1684

01:04:27,589 --> 01:04:23,920

yeah the the media the media gets strip

1685

01:04:28,710 --> 01:04:27,599

fed what they are needed to

1686

01:04:29,990 --> 01:04:28,720

believe

1687

01:04:31,270 --> 01:04:30,000

and

1688

01:04:35,349 --> 01:04:31,280

um

1689

01:04:41,990 --> 01:04:38,309

you know a smoke screen beyond that

1690

01:04:42,950 --> 01:04:42,000

but yes uh to answer your question yes

1691

01:04:43,829 --> 01:04:42,960

okay

1692

01:04:46,549 --> 01:04:43,839

and

1693

01:04:50,390 --> 01:04:46,559

why do you think that is

1694

01:04:52,870 --> 01:04:50,400

um i i think it is because

1695

01:04:54,789 --> 01:04:52,880

we're still not

1696

01:04:57,109 --> 01:04:54,799

quite ready to

1697

01:04:59,270 --> 01:04:57,119

handle the truth

1698

01:05:02,630 --> 01:04:59,280

as a publicity

1699

01:05:03,510 --> 01:05:02,640

maybe maybe maybe some are maybe some

1700

01:05:04,789 --> 01:05:03,520

aren't

1701
01:05:06,870 --> 01:05:04,799
but

1702
01:05:09,190 --> 01:05:06,880
uh yeah you you just

1703
01:05:10,630 --> 01:05:09,200
you just go on social media

1704
01:05:14,549 --> 01:05:10,640
and your

1705
01:05:16,870 --> 01:05:14,559
i run two big big groups and just get

1706
01:05:17,829 --> 01:05:16,880
ripped apart if you ask questions like

1707
01:05:20,470 --> 01:05:17,839
that

1708
01:05:21,670 --> 01:05:20,480
they'll rip you apart so

1709
01:05:22,789 --> 01:05:21,680
is that right

1710
01:05:25,430 --> 01:05:22,799
yep

1711
01:05:28,230 --> 01:05:25,440
absolutely

1712
01:05:29,109 --> 01:05:28,240
so um you've got to be very careful

1713
01:05:33,510 --> 01:05:29,119

in

1714

01:05:35,589 --> 01:05:33,520
on social media

1715

01:05:37,829 --> 01:05:35,599
because uh yeah

1716

01:05:39,990 --> 01:05:37,839
certain uh you get a bunch

1717

01:05:43,510 --> 01:05:40,000
heaps of trolls

1718

01:05:46,150 --> 01:05:43,520
and um yeah you get people that actually

1719

01:05:46,870 --> 01:05:46,160
research and do their work they'll send

1720

01:05:48,710 --> 01:05:46,880
you

1721

01:05:51,190 --> 01:05:48,720
a link through

1722

01:05:53,430 --> 01:05:51,200
with all the descriptions

1723

01:05:56,309 --> 01:05:53,440
now that's

1724

01:05:58,870 --> 01:05:56,319
what i expect but you get people with

1725

01:06:01,270 --> 01:05:58,880
their opinions and i'll just go

1726

01:06:03,589 --> 01:06:01,280

blah blah blah i'll say something that

1727

01:06:05,910 --> 01:06:03,599

someone else has said and

1728

01:06:08,549 --> 01:06:05,920

yeah it's kind of a big cliché and

1729

01:06:12,950 --> 01:06:08,559

boring that they um

1730

01:06:16,870 --> 01:06:14,630

as far as the uk goes in terms of the

1731

01:06:19,190 --> 01:06:16,880

media uh the suspicion that there was a

1732

01:06:21,430 --> 01:06:19,200

d notice which is a kind of it's almost

1733

01:06:23,750 --> 01:06:21,440

like a voluntary gag order on the

1734

01:06:25,670 --> 01:06:23,760

media to report things was actually put

1735

01:06:27,349 --> 01:06:25,680

in place for the calvin object that was

1736

01:06:29,029 --> 01:06:27,359

seen in 1990

1737

01:06:30,630 --> 01:06:29,039

but in terms of the rest of the media

1738

01:06:32,789 --> 01:06:30,640

you have to get a lot of click bait kind

1739

01:06:34,390 --> 01:06:32,799

of stories from the tabloids yeah in

1740

01:06:36,230 --> 01:06:34,400

terms of the what the broad sheets the

1741

01:06:38,390 --> 01:06:36,240

more serious newspapers there's just

1742

01:06:40,630 --> 01:06:38,400

apathy really they don't want to know i

1743

01:06:42,950 --> 01:06:40,640

mean in terms of uap media uk a group

1744

01:06:44,789 --> 01:06:42,960

that i'm part of in the uk we try to get

1745

01:06:47,829 --> 01:06:44,799

journalists involved in sensible

1746

01:06:49,430 --> 01:06:47,839

reporting for ufo for ufology but the

1747

01:06:50,470 --> 01:06:49,440

the likes of the guardian and the times

1748

01:06:52,549 --> 01:06:50,480

et cetera the more heavyweight

1749

01:06:54,230 --> 01:06:52,559

newspapers in the uk they simply won't

1750

01:06:56,069 --> 01:06:54,240

touch the stories because they're just

1751

01:06:58,549 --> 01:06:56,079

not interested you can't get the

1752

01:07:01,270 --> 01:06:58,559

journalists engaged they just won't look

1753

01:07:02,630 --> 01:07:01,280

at it

1754

01:07:05,190 --> 01:07:02,640

well now

1755

01:07:06,870 --> 01:07:05,200

i'd like to start in into and then vince

1756

01:07:09,670 --> 01:07:06,880

is just put up there about the phoenix

1757

01:07:11,510 --> 01:07:09,680

lights uh maybe we can talk about some

1758

01:07:13,430 --> 01:07:11,520

incidents what are your thoughts on that

1759

01:07:15,190 --> 01:07:13,440

on that incident or supposedly of

1760

01:07:17,029 --> 01:07:15,200

incident and of course there's been

1761

01:07:17,910 --> 01:07:17,039

photographic

1762

01:07:20,789 --> 01:07:17,920

uh

1763

01:07:23,349 --> 01:07:20,799

evidence if you can call it that of a

1764

01:07:26,549 --> 01:07:24,470

craft

1765

01:07:28,549 --> 01:07:26,559

uh what do you think about those uh let

1766

01:07:30,390 --> 01:07:28,559

me start with uh let me start with mark

1767

01:07:33,910 --> 01:07:30,400

on that

1768

01:07:39,190 --> 01:07:33,920

well if if it's the real deal it's very

1769

01:07:43,510 --> 01:07:41,589

uh unfortunately you couldn't really

1770

01:07:44,470 --> 01:07:43,520

make out the eyeline you just had the

1771

01:07:46,549 --> 01:07:44,480

lights

1772

01:07:48,789 --> 01:07:46,559

going on and off

1773

01:07:51,270 --> 01:07:48,799

they look like they weren't moving

1774

01:07:55,029 --> 01:07:51,280

relative to each other they were just

1775

01:07:57,270 --> 01:07:55,039

locked in place so that suggests a solid

1776

01:07:59,829 --> 01:07:57,280

object

1777

01:08:02,150 --> 01:07:59,839

the size of it well that's impressive

1778

01:08:05,349 --> 01:08:02,160

and i've often wondered about that

1779

01:08:08,829 --> 01:08:05,359

particular sighting is this is this like

1780

01:08:12,230 --> 01:08:08,839

a pre-introduction maybe they're in

1781

01:08:14,549 --> 01:08:12,240

stages visiting and you know allowing us

1782

01:08:16,950 --> 01:08:14,559

to see a little more a little more but

1783

01:08:19,910 --> 01:08:16,960

it would have really been impressive

1784

01:08:22,870 --> 01:08:19,920

if it was in the daytime yeah where we

1785

01:08:26,390 --> 01:08:22,880

could really make out that ship so it

1786

01:08:27,510 --> 01:08:26,400

was no accident that it was at night and

1787

01:08:29,269 --> 01:08:27,520

it was

1788

01:08:30,950 --> 01:08:29,279

dark enough where you couldn't get a

1789

01:08:32,550 --> 01:08:30,960

real fix

1790

01:08:35,669 --> 01:08:32,560

on the

1791

01:08:37,910 --> 01:08:35,679

the full image of that craft i i wish

1792

01:08:40,309 --> 01:08:37,920

but that's that's the case any good

1793

01:08:42,550 --> 01:08:40,319

photographs we get

1794

01:08:45,669 --> 01:08:42,560

seem to disappear

1795

01:08:48,630 --> 01:08:45,679

uh with our government my government

1796

01:08:52,149 --> 01:08:48,640

uh and and then the the rest out there

1797

01:08:54,709 --> 01:08:52,159

is just very little really close up high

1798

01:08:56,789 --> 01:08:54,719

detail i have a camera charged here all

1799

01:08:58,789 --> 01:08:56,799

the time hoping

1800

01:09:00,390 --> 01:08:58,799

that something comes by the house that i

1801

01:09:02,630 --> 01:09:00,400

could get a good

1802

01:09:04,630 --> 01:09:02,640

decent picture of

1803

01:09:07,269 --> 01:09:04,640

something that you could really

1804

01:09:09,269 --> 01:09:07,279

sink your teeth into and say wow

1805

01:09:11,829 --> 01:09:09,279

if that's not faked

1806

01:09:12,630 --> 01:09:11,839

then that's really the real deal and you

1807

01:09:15,189 --> 01:09:12,640

know

1808

01:09:17,510 --> 01:09:15,199

even with video and and photographs

1809

01:09:20,309 --> 01:09:17,520

everybody's if it looks too good well

1810

01:09:21,749 --> 01:09:20,319

it's fake you know we we keep going back

1811

01:09:23,349 --> 01:09:21,759

and forth and

1812

01:09:25,669 --> 01:09:23,359

it's going to be hard to get that

1813

01:09:28,789 --> 01:09:25,679

convincing data

1814

01:09:32,070 --> 01:09:28,799

yeah i agree i agree mark um

1815

01:09:33,269 --> 01:09:32,080

yeah if we had some ir shots on that

1816

01:09:35,269 --> 01:09:33,279

actual

1817

01:09:36,950 --> 01:09:35,279

um uh

1818

01:09:38,070 --> 01:09:36,960

the fenix lights

1819

01:09:40,470 --> 01:09:38,080

oh yeah

1820

01:09:41,910 --> 01:09:40,480

that would have been fantastic because

1821

01:09:46,149 --> 01:09:41,920

that would have shown

1822

01:09:47,110 --> 01:09:46,159

maybe the whole craft yeah in its whole

1823

01:09:49,910 --> 01:09:47,120

um

1824

01:09:51,510 --> 01:09:49,920

other than raw video footage from the

1825

01:09:53,349 --> 01:09:51,520

90s

1826

01:09:55,669 --> 01:09:53,359

so um

1827

01:09:59,430 --> 01:09:57,830

i i agree there was something there and

1828

01:10:00,870 --> 01:09:59,440

it's so it's something that seems to

1829

01:10:03,910 --> 01:10:00,880

defy

1830

01:10:05,669 --> 01:10:03,920

maybe our understanding in terms of our

1831

01:10:07,189 --> 01:10:05,679

ability to be able to realize something

1832

01:10:09,110 --> 01:10:07,199

like that ourselves

1833

01:10:10,630 --> 01:10:09,120

um the best person you want to talk to

1834

01:10:12,229 --> 01:10:10,640

is probably david mahler he's a

1835

01:10:13,990 --> 01:10:12,239

respected researcher on triangular

1836

01:10:16,229 --> 01:10:14,000

shaped ufos

1837

01:10:19,669 --> 01:10:16,239

but also he's come up with cases of

1838

01:10:21,750 --> 01:10:19,679

football shape field sized objects in

1839

01:10:23,270 --> 01:10:21,760

this kind of configuration and ones

1840

01:10:24,470 --> 01:10:23,280

which you know despite the fact that

1841

01:10:26,310 --> 01:10:24,480

they've got a point on them like a

1842

01:10:29,189 --> 01:10:26,320

triangle they don't fly that way they

1843

01:10:32,070 --> 01:10:29,199

fly with a blunt side forward

1844

01:10:34,790 --> 01:10:32,080

which is to our mind is quite strange

1845

01:10:37,189 --> 01:10:34,800

mark's gonna come and jump in here

1846

01:10:39,030 --> 01:10:37,199

i wasn't gonna say about that anything

1847

01:10:40,950 --> 01:10:39,040

because i thought it was odd because i

1848

01:10:42,390 --> 01:10:40,960

was out one night in my backyard i'm

1849

01:10:43,910 --> 01:10:42,400

always looking up

1850

01:10:45,510 --> 01:10:43,920

you know when you're in this business

1851
01:10:47,510 --> 01:10:45,520
you're always looking at the stars to

1852
01:10:49,669 --> 01:10:47,520
see what you can see and i saw a

1853
01:10:51,990 --> 01:10:49,679
triangular shape going

1854
01:10:53,510 --> 01:10:52,000
across the sky and i got excited i'm

1855
01:10:55,350 --> 01:10:53,520
yelling at my wife

1856
01:10:57,030 --> 01:10:55,360
she's inside on the computer and i'm

1857
01:10:59,350 --> 01:10:57,040
screaming come on you got to see this

1858
01:11:00,229 --> 01:10:59,360
come out you got to see this

1859
01:11:03,030 --> 01:11:00,239
and

1860
01:11:05,270 --> 01:11:03,040
the ship it wasn't going like you would

1861
01:11:07,430 --> 01:11:05,280
expect with the point

1862
01:11:09,430 --> 01:11:07,440
the main front point going it was going

1863
01:11:12,470 --> 01:11:09,440

sideways

1864

01:11:13,910 --> 01:11:12,480

this is that what you're saying this one

1865

01:11:16,070 --> 01:11:13,920

well not necessarily the one that was

1866

01:11:18,229 --> 01:11:16,080

seen there but certainly other reports

1867

01:11:20,550 --> 01:11:18,239

where that the kind of blunt end is is

1868

01:11:22,630 --> 01:11:20,560

going forward so from our our

1869

01:11:24,070 --> 01:11:22,640

aerodynamic kind of sensibilities you

1870

01:11:26,149 --> 01:11:24,080

would expect the point would be the bit

1871

01:11:28,709 --> 01:11:26,159

that goes first but it was another way

1872

01:11:30,149 --> 01:11:28,719

around so you know there's some strange

1873

01:11:33,750 --> 01:11:30,159

contradictions in other words in terms

1874

01:11:36,229 --> 01:11:33,760

of the testimony but you know yes um i i

1875

01:11:37,510 --> 01:11:36,239

i agree there's something there uh as to

1876

01:11:38,870 --> 01:11:37,520

what it was again that's just one of

1877

01:11:40,229 --> 01:11:38,880

those things you can't really you know

1878

01:11:42,550 --> 01:11:40,239

it's interesting because here in

1879

01:11:45,030 --> 01:11:42,560

pennsylvania uh we got a lot of these

1880

01:11:47,430 --> 01:11:45,040

triangular corsair shaped

1881

01:11:48,310 --> 01:11:47,440

sightings a lot of them

1882

01:11:49,270 --> 01:11:48,320

um

1883

01:11:51,669 --> 01:11:49,280

so

1884

01:11:53,669 --> 01:11:51,679

in fact i i did give vincent a

1885

01:11:56,149 --> 01:11:53,679

photograph that was taken

1886

01:11:58,550 --> 01:11:56,159

along the chestnut ridge not too long

1887

01:12:00,229 --> 01:11:58,560

ago like a corsair like crap that was

1888

01:12:01,669 --> 01:12:00,239

taken during the day

1889

01:12:03,030 --> 01:12:01,679

and uh i don't know if they can bring

1890

01:12:05,750 --> 01:12:03,040

that up or not

1891

01:12:07,189 --> 01:12:05,760

but uh it was that real long

1892

01:12:09,189 --> 01:12:07,199

image

1893

01:12:11,189 --> 01:12:09,199

vincent but that seems to be something

1894

01:12:13,030 --> 01:12:11,199

that a lot of people are reporting here

1895

01:12:15,030 --> 01:12:13,040

now i don't know how they are what

1896

01:12:17,350 --> 01:12:15,040

they're doing other places

1897

01:12:21,990 --> 01:12:17,360

but uh it does seem to be happening here

1898

01:12:25,990 --> 01:12:24,310

happening all around the world yeah

1899

01:12:28,310 --> 01:12:26,000

yeah well no doubt i mean like the

1900

01:12:31,669 --> 01:12:28,320

belgian the belgian triangle that was an

1901

01:12:33,669 --> 01:12:31,679

amazing an amazing photograph

1902

01:12:35,910 --> 01:12:33,679

oh that's not it but yeah

1903

01:12:37,990 --> 01:12:35,920

the belgian photograph there's also

1904

01:12:40,070 --> 01:12:38,000

extra evidence in that photograph which

1905

01:12:42,470 --> 01:12:40,080

i think was in the 80s 1980s somewhere

1906

01:12:43,510 --> 01:12:42,480

in there they were still using regular

1907

01:12:46,550 --> 01:12:43,520

film

1908

01:12:48,550 --> 01:12:46,560

uh at that time right the the high-tech

1909

01:12:50,790 --> 01:12:48,560

cameras hadn't come out yet

1910

01:12:52,310 --> 01:12:50,800

and that film was analyzed by a

1911

01:12:55,030 --> 01:12:52,320

physicist

1912

01:12:57,510 --> 01:12:55,040

and uh he looked

1913

01:13:00,149 --> 01:12:57,520

very closely at that uh

1914

01:13:01,510 --> 01:13:00,159
photograph or or the actually the

1915

01:13:02,830 --> 01:13:01,520
emulsion

1916

01:13:06,070 --> 01:13:02,840
on

1917

01:13:08,870 --> 01:13:06,080
the the negative

1918

01:13:11,350 --> 01:13:08,880
and he found something very unusual this

1919

01:13:13,270 --> 01:13:11,360
is the evidence i'm always looking for

1920

01:13:14,740 --> 01:13:13,280
he said the emulsion itself was

1921

01:13:16,390 --> 01:13:14,750
magnetized

1922

01:13:18,550 --> 01:13:16,400
[Music]

1923

01:13:20,310 --> 01:13:18,560
so he was close enough for the magnetic

1924

01:13:22,790 --> 01:13:20,320
field that was coming off of that ship

1925

01:13:26,790 --> 01:13:22,800
to magnetize the emulsion

1926

01:13:26,800 --> 01:13:30,310

yeah that's the one right there

1927

01:13:35,510 --> 01:13:33,510

that was taken about a month ago

1928

01:13:37,669 --> 01:13:35,520

above the chests and ridges which is in

1929

01:13:40,070 --> 01:13:37,679

western pennsylvania

1930

01:13:42,870 --> 01:13:40,080

uh and from what i understand that this

1931

01:13:44,149 --> 01:13:42,880

thing was moving

1932

01:13:46,390 --> 01:13:44,159

now i don't know if it looks like

1933

01:13:47,910 --> 01:13:46,400

there's a point area there or something

1934

01:13:50,870 --> 01:13:47,920

but it seems to be something like a

1935

01:13:54,550 --> 01:13:50,880

corsair or maybe a triangular shaped

1936

01:13:57,430 --> 01:13:54,560

uh object but uh it was uh

1937

01:13:59,030 --> 01:13:57,440

it was moving slowly i know that

1938

01:14:01,830 --> 01:13:59,040

but that's similar to what we get around

1939

01:14:03,990 --> 01:14:01,840

here black triangles aren't a modern uh

1940

01:14:05,430 --> 01:14:04,000

onto a new phenomenon either there was a

1941

01:14:07,430 --> 01:14:05,440

case of the spitfire pilot over

1942

01:14:11,030 --> 01:14:07,440

northumberland the county i live in in

1943

01:14:14,149 --> 01:14:11,040

england in january 1944 coming across

1944

01:14:16,310 --> 01:14:14,159

four of them at 22 000 feet

1945

01:14:18,790 --> 01:14:16,320

in the daytime well

1946

01:14:20,790 --> 01:14:18,800

look at that and blow that up again

1947

01:14:23,510 --> 01:14:20,800

graham luke what do you think about

1948

01:14:25,910 --> 01:14:23,520

these i'm pointing with my no you can't

1949

01:14:27,590 --> 01:14:25,920

see my pointer but around

1950

01:14:30,550 --> 01:14:27,600

the edge of it there seems to be

1951

01:14:31,510 --> 01:14:30,560

something going on with the light yeah

1952

01:14:34,149 --> 01:14:31,520

um

1953

01:14:36,790 --> 01:14:34,159

as if there's some sort of field there

1954

01:14:38,870 --> 01:14:36,800

magnetic field correct

1955

01:14:40,709 --> 01:14:38,880

it all right that's what i believe the

1956

01:14:42,790 --> 01:14:40,719

guy who took the photograph did mention

1957

01:14:44,310 --> 01:14:42,800

and of course he made note of it there

1958

01:14:46,390 --> 01:14:44,320

on the photograph

1959

01:14:48,470 --> 01:14:46,400

yeah he did note that when he was

1960

01:14:50,149 --> 01:14:48,480

actually looking at it there did look

1961

01:14:51,110 --> 01:14:50,159

like there was some type of field around

1962

01:14:53,830 --> 01:14:51,120

it

1963

01:14:56,310 --> 01:14:53,840

and well that makes sense and

1964

01:14:58,070 --> 01:14:56,320

that kind of evidence is you know really

1965

01:15:00,470 --> 01:14:58,080

excites me because there's

1966

01:15:03,750 --> 01:15:00,480

because a magnetic field

1967

01:15:06,470 --> 01:15:03,760

this is known since michael faraday

1968

01:15:09,189 --> 01:15:06,480

will polarize light

1969

01:15:11,590 --> 01:15:09,199

so in that case you're going to get some

1970

01:15:14,550 --> 01:15:11,600

lights and darks is the polarization of

1971

01:15:16,709 --> 01:15:14,560

the light right around the uh the

1972

01:15:19,590 --> 01:15:16,719

magnetic field that's coming off of this

1973

01:15:22,229 --> 01:15:19,600

thing so there's more evidence there if

1974

01:15:24,709 --> 01:15:22,239

you can properly interpret it that

1975

01:15:26,229 --> 01:15:24,719

suggests that these things are not being

1976

01:15:29,990 --> 01:15:26,239

powered by

1977

01:15:33,430 --> 01:15:30,000

uh jet engines or any other kind of uh

1978

01:15:36,070 --> 01:15:33,440

system that we normally associate with

1979

01:15:39,350 --> 01:15:36,080

aircraft in this world well i'll send a

1980

01:15:42,390 --> 01:15:39,360

link to you then later on if you want

1981

01:15:43,690 --> 01:15:42,400

um can i can i just bring up something

1982

01:15:45,030 --> 01:15:43,700

briefly between

1983

01:15:46,950 --> 01:15:45,040

[Music]

1984

01:15:51,750 --> 01:15:46,960

um us and

1985

01:15:53,830 --> 01:15:51,760

that is the randallstrom incident

1986

01:15:56,790 --> 01:15:53,840

as graeme

1987

01:15:58,390 --> 01:15:56,800

will probably be very aware of

1988

01:16:03,750 --> 01:15:58,400

um

1989

01:16:07,669 --> 01:16:03,760

yes 1980

1990

01:16:11,750 --> 01:16:07,679

was the incident and it was with jim

1991

01:16:13,430 --> 01:16:11,760

patterson and jim jim burroughs

1992

01:16:16,310 --> 01:16:13,440

and

1993

01:16:18,709 --> 01:16:16,320

um amongst it was a three

1994

01:16:20,950 --> 01:16:18,719

three-day incident

1995

01:16:25,830 --> 01:16:20,960

between

1996

01:16:28,390 --> 01:16:25,840

ufos so

1997

01:16:30,709 --> 01:16:28,400

um anyone that says it's one one day

1998

01:16:33,110 --> 01:16:30,719

incident is incorrect

1999

01:16:35,430 --> 01:16:33,120

that's three days

2000

01:16:37,750 --> 01:16:35,440

so

2001

01:16:41,350 --> 01:16:37,760

tell me um

2002

01:16:43,189 --> 01:16:41,360

how these guys are trained military

2003

01:16:45,270 --> 01:16:43,199

experts and

2004

01:16:46,790 --> 01:16:45,280

don't know the difference between a

2005

01:16:49,830 --> 01:16:46,800

lighthouse

2006

01:16:51,910 --> 01:16:49,840

and a ufo

2007

01:16:53,430 --> 01:16:51,920

that's what i want to know

2008

01:16:54,390 --> 01:16:53,440

because that

2009

01:16:59,910 --> 01:16:54,400

is

2010

01:17:05,830 --> 01:17:02,709

when it was a three-day incident of a

2011

01:17:08,229 --> 01:17:05,840

ufo landing uh they confirmed that it

2012

01:17:11,669 --> 01:17:08,239

wasn't a ufo because

2013

01:17:17,430 --> 01:17:11,679

sergeant jim pederson actually walked up

2014

01:17:21,270 --> 01:17:18,950

and

2015

01:17:22,870 --> 01:17:21,280

during the time that they touched this

2016

01:17:25,750 --> 01:17:22,880

ufo

2017

01:17:28,630 --> 01:17:25,760

they had a time distortion and they went

2018

01:17:31,430 --> 01:17:28,640

into a time bubble

2019

01:17:33,189 --> 01:17:31,440

and um

2020

01:17:41,270 --> 01:17:33,199

that

2021

01:17:43,910 --> 01:17:41,280

you know the uh the time

2022

01:17:45,910 --> 01:17:43,920

translates differently when you

2023

01:17:49,430 --> 01:17:45,920

manipulate

2024

01:17:52,310 --> 01:17:50,550

and

2025

01:17:55,110 --> 01:17:52,320

these

2026

01:17:56,310 --> 01:17:55,120

whoever they were time travelers or

2027

01:17:57,350 --> 01:17:56,320

whatever

2028

01:18:01,669 --> 01:17:57,360

have

2029

01:18:05,110 --> 01:18:01,679

got the technology to do so and

2030

01:18:05,990 --> 01:18:05,120

the actual case gets very interesting um

2031

01:18:09,590 --> 01:18:06,000

when

2032

01:18:10,870 --> 01:18:09,600

jim actually touched the uh

2033

01:18:15,510 --> 01:18:10,880

the craft

2034

01:18:18,070 --> 01:18:15,520

he got an encoded message in his head

2035

01:18:20,390 --> 01:18:18,080

now this is going

2036

01:18:23,350 --> 01:18:20,400

beyond what a lot of people would go

2037

01:18:24,470 --> 01:18:23,360

yeah that's just nuts but that's what

2038

01:18:28,070 --> 01:18:24,480

happened

2039

01:18:31,669 --> 01:18:28,080

and then um i spoke to the author of

2040

01:18:34,709 --> 01:18:31,679

jim's book um gary osbourne

2041

01:18:38,550 --> 01:18:34,719

uh who translated the binary code that

2042

01:18:44,070 --> 01:18:38,560

got downloaded into jim's head

2043

01:18:48,709 --> 01:18:44,080

who he wrote down on a diary

2044

01:18:51,189 --> 01:18:48,719

and um he decoded them as major

2045

01:18:53,110 --> 01:18:51,199

points on earth like

2046

01:18:54,790 --> 01:18:53,120

the geezer and

2047

01:18:58,390 --> 01:18:54,800

so forth

2048

01:19:02,310 --> 01:18:59,830

um yeah

2049

01:19:07,750 --> 01:19:05,430

it's fascinating the whole subject

2050

01:19:10,229 --> 01:19:07,760

luke mentions about trained military

2051

01:19:12,550 --> 01:19:10,239

observers like you know how how can they

2052

01:19:13,750 --> 01:19:12,560

mistake you know mundane objects for

2053

01:19:16,390 --> 01:19:13,760

ufos

2054

01:19:18,870 --> 01:19:16,400

um yeah i mean those kind of things have

2055

01:19:20,630 --> 01:19:18,880

happened you know in the late 1940s and

2056

01:19:22,390 --> 01:19:20,640

in the early 1950s the kind of things i

2057

01:19:24,149 --> 01:19:22,400

was researching for the second book i

2058

01:19:26,709 --> 01:19:24,159

wrote flying sort of fever there's

2059

01:19:28,149 --> 01:19:26,719

plenty of stories where you know pilots

2060

01:19:30,950 --> 01:19:28,159

have seen things they simply don't

2061

01:19:32,630 --> 01:19:30,960

understand and yet their testimony when

2062

01:19:34,470 --> 01:19:32,640

it comes down to the the actual

2063

01:19:37,030 --> 01:19:34,480

intelligence reporting and then on to

2064

01:19:39,030 --> 01:19:37,040

bloop etc it bears no relation to what

2065

01:19:41,030 --> 01:19:39,040

they actually said in terms of what they

2066

01:19:42,870 --> 01:19:41,040

said oh this is what our evaluation oh

2067

01:19:45,030 --> 01:19:42,880

it's a weather balloon or it's another

2068

01:19:46,950 --> 01:19:45,040

aircraft or or some kind of weather

2069

01:19:48,630 --> 01:19:46,960

phenomena like the northern lights and

2070

01:19:50,870 --> 01:19:48,640

you've got experienced aircraft flying

2071

01:19:52,470 --> 01:19:50,880

over a cruise flying over the north

2072

01:19:54,070 --> 01:19:52,480

atlantic and they're seeing things they

2073

01:19:55,990 --> 01:19:54,080

don't understand they're reporting them

2074

01:19:58,229 --> 01:19:56,000

in detail and yet oh it's just the

2075

01:20:00,310 --> 01:19:58,239

northern lights or it's just a weather

2076

01:20:03,030 --> 01:20:00,320

you've had a dog fight with a weather

2077

01:20:05,990 --> 01:20:03,040

balloon um in the george gorman case

2078

01:20:07,350 --> 01:20:06,000

from uh from october 1948. you know so

2079

01:20:09,270 --> 01:20:07,360

there's a whole load of things happening

2080

01:20:11,350 --> 01:20:09,280

from back then yeah that's the notebook

2081

01:20:13,750 --> 01:20:11,360

that james uh from james pettison uh

2082

01:20:15,750 --> 01:20:13,760

that uh luke was mentioning the um you

2083

01:20:18,470 --> 01:20:15,760

know the stories throughout history from

2084

01:20:20,709 --> 01:20:18,480

modern ufology history anyway of trained

2085

01:20:22,550 --> 01:20:20,719

observers seeing things that they can't

2086

01:20:24,310 --> 01:20:22,560

understand yet they're reporting in

2087

01:20:26,550 --> 01:20:24,320

detail and which are then being

2088

01:20:28,149 --> 01:20:26,560

misinterpreted by people who are

2089

01:20:30,229 --> 01:20:28,159

supposed to be investigating them

2090

01:20:33,030 --> 01:20:30,239

officially for the u.s government and

2091

01:20:35,430 --> 01:20:33,040

other and other agencies and you just

2092

01:20:36,870 --> 01:20:35,440

wonder why you know why are they saying

2093

01:20:39,270 --> 01:20:36,880

oh yeah they're just weather balloons

2094

01:20:40,629 --> 01:20:39,280

why are they this why are they that um

2095

01:20:45,030 --> 01:20:40,639

and yet other

2096

01:20:50,790 --> 01:20:48,390

well at what since i have you three here

2097

01:20:52,390 --> 01:20:50,800

i i want your i want your thoughts on

2098

01:20:54,870 --> 01:20:52,400

something i've been investigating for

2099

01:20:59,990 --> 01:20:54,880

about over a decade now

2100

01:21:02,070 --> 01:21:00,000

and that's what i term as the manta ray

2101

01:21:03,430 --> 01:21:02,080

entities let's put it this way

2102

01:21:06,390 --> 01:21:03,440

uh and

2103

01:21:09,669 --> 01:21:06,400

i i do have a sketch that was sent to me

2104

01:21:11,990 --> 01:21:09,679

um and i've had this reported these

2105

01:21:15,350 --> 01:21:12,000

these um

2106

01:21:17,669 --> 01:21:15,360

bio craft possibly that undulate

2107

01:21:20,709 --> 01:21:17,679

they're shaped like a uh like a manta

2108

01:21:21,990 --> 01:21:20,719

ray or something very similar to that

2109

01:21:23,830 --> 01:21:22,000

uh and

2110

01:21:25,590 --> 01:21:23,840

the cases that i have

2111

01:21:28,950 --> 01:21:25,600

been have been reported may have been

2112

01:21:30,149 --> 01:21:28,960

mostly in the united states uh it used

2113

01:21:32,310 --> 01:21:30,159

to be

2114

01:21:34,390 --> 01:21:32,320

several that were in the ohio river

2115

01:21:36,229 --> 01:21:34,400

valley but i've gotten them all over the

2116

01:21:38,070 --> 01:21:36,239

country since then

2117

01:21:42,550 --> 01:21:38,080

do you believe

2118

01:21:49,030 --> 01:21:42,560

that any of these craft or ufos may

2119

01:21:52,310 --> 01:21:50,629

anyone

2120

01:21:53,990 --> 01:21:52,320

yeah why not

2121

01:21:55,030 --> 01:21:54,000

yeah i've heard that

2122

01:21:59,110 --> 01:21:55,040

but

2123

01:22:00,629 --> 01:21:59,120

through mainly through um abductee type

2124

01:22:02,229 --> 01:22:00,639

people

2125

01:22:05,430 --> 01:22:02,239

and mediums

2126
01:22:06,709 --> 01:22:05,440
i investigate every avenue so

2127
01:22:09,189 --> 01:22:06,719
um

2128
01:22:10,950 --> 01:22:09,199
just to see what's going on out there

2129
01:22:12,229 --> 01:22:10,960
and yeah they've mentioned that some of

2130
01:22:13,750 --> 01:22:12,239
these

2131
01:22:17,030 --> 01:22:13,760
you're talking

2132
01:22:19,350 --> 01:22:17,040
millions of years more advanced right

2133
01:22:21,910 --> 01:22:19,360
and not just technically but

2134
01:22:24,870 --> 01:22:21,920
psychically because

2135
01:22:26,709 --> 01:22:24,880
their their crafts are guided

2136
01:22:28,870 --> 01:22:26,719
by their thoughts

2137
01:22:31,669 --> 01:22:28,880
so you have to be very well disciplined

2138
01:22:35,750 --> 01:22:31,679

if you're gonna steer a craft at light

2139

01:22:37,510 --> 01:22:35,760

speeds with your mind but um

2140

01:22:39,270 --> 01:22:37,520

yeah i've heard of them i don't know you

2141

01:22:41,430 --> 01:22:39,280

know if they're real or not i you know i

2142

01:22:43,830 --> 01:22:41,440

haven't seen anything like that but

2143

01:22:45,590 --> 01:22:43,840

i believe in the possibility yeah sure

2144

01:22:49,430 --> 01:22:45,600

that could there's no reason why that

2145

01:22:53,590 --> 01:22:50,390

um

2146

01:22:55,669 --> 01:22:53,600

well and also i had an associate that

2147

01:22:57,030 --> 01:22:55,679

lived in southern wales

2148

01:23:01,430 --> 01:22:57,040

uh

2149

01:23:05,910 --> 01:23:03,910

they had taken several photographs and

2150

01:23:08,550 --> 01:23:05,920

there's basically like a flyway there

2151
01:23:09,830 --> 01:23:08,560
that runs from wales down south across

2152
01:23:11,990 --> 01:23:09,840
into uh

2153
01:23:14,229 --> 01:23:12,000
into cornwall down across the channel

2154
01:23:15,830 --> 01:23:14,239
into spain but there seemed to be like a

2155
01:23:17,669 --> 01:23:15,840
flyway there and

2156
01:23:19,510 --> 01:23:17,679
there have been a lot of photographs

2157
01:23:22,629 --> 01:23:19,520
that they have sent to me

2158
01:23:24,629 --> 01:23:22,639
they seem to be like blobs basically

2159
01:23:28,470 --> 01:23:24,639
high up in the air very colorful but

2160
01:23:33,030 --> 01:23:28,480
they do morph as they're flying

2161
01:23:36,229 --> 01:23:34,870
there are stories of things happening in

2162
01:23:37,830 --> 01:23:36,239
south wales it's certainly a bit of a

2163
01:23:39,910 --> 01:23:37,840

hot spot and there's been there was a

2164

01:23:41,350 --> 01:23:39,920

school landing in broadhaven back in the

2165

01:23:44,550 --> 01:23:41,360

1970s

2166

01:23:47,030 --> 01:23:44,560

um so there are so is certainly an area

2167

01:23:49,669 --> 01:23:47,040

where there's been lots of activity

2168

01:23:51,510 --> 01:23:49,679

these kind of lights have been reported

2169

01:23:53,189 --> 01:23:51,520

there's one particular case out of south

2170

01:23:54,310 --> 01:23:53,199

wales which has got a lot of controversy

2171

01:23:56,709 --> 01:23:54,320

behind it which i'm not going to get

2172

01:23:58,470 --> 01:23:56,719

into for various reasons but there have

2173

01:23:59,830 --> 01:23:58,480

been other things seen as well and

2174

01:24:01,990 --> 01:23:59,840

there's certainly one particular chap

2175

01:24:03,590 --> 01:24:02,000

who i know who has photographed a lot of

2176

01:24:06,229 --> 01:24:03,600

things like this

2177

01:24:06,950 --> 01:24:06,239

so there's clearly something going on

2178

01:24:09,910 --> 01:24:06,960

but

2179

01:24:11,350 --> 01:24:09,920

in terms of one particular case that's

2180

01:24:13,669 --> 01:24:11,360

developed a bit of notoriety over the

2181

01:24:15,830 --> 01:24:13,679

last few years i don't think that one

2182

01:24:17,830 --> 01:24:15,840

has much merit to it but these ones

2183

01:24:19,669 --> 01:24:17,840

these other things definitely there's

2184

01:24:21,110 --> 01:24:19,679

something going on and i'm not entirely

2185

01:24:22,870 --> 01:24:21,120

sure we can understand what it is

2186

01:24:24,550 --> 01:24:22,880

because we don't know enough about it

2187

01:24:27,270 --> 01:24:24,560

and seeing some like kind of pictures

2188

01:24:28,629 --> 01:24:27,280

like this you know they're great to see

2189

01:24:30,310 --> 01:24:28,639

but i'm not entirely sure how much

2190

01:24:32,310 --> 01:24:30,320

information they give us i'm not

2191

01:24:34,310 --> 01:24:32,320

qualified as a photo interpretation

2192

01:24:36,149 --> 01:24:34,320

expert anyway uh so i couldn't tell you

2193

01:24:38,310 --> 01:24:36,159

what's happening well these are some of

2194

01:24:39,990 --> 01:24:38,320

the photographs that were taken in south

2195

01:24:41,590 --> 01:24:40,000

wales and um

2196

01:24:43,350 --> 01:24:41,600

you know i was just curious since i had

2197

01:24:45,030 --> 01:24:43,360

you three here what your thoughts were

2198

01:24:46,790 --> 01:24:45,040

on that so uh

2199

01:24:49,270 --> 01:24:46,800

you know it kind of it really intrigued

2200

01:24:51,590 --> 01:24:49,280

me i mean these were taken like about

2201

01:24:53,590 --> 01:24:51,600

about nine or ten years ago

2202

01:24:56,310 --> 01:24:53,600

but uh you know as we watched them

2203

01:24:59,030 --> 01:24:56,320

because they were videotaped uh they

2204

01:25:00,470 --> 01:24:59,040

they did change the shape and uh it was

2205

01:25:01,350 --> 01:25:00,480

pretty obvious they were changing its

2206

01:25:04,390 --> 01:25:01,360

shape

2207

01:25:06,310 --> 01:25:04,400

so i i you know i wanted your thoughts

2208

01:25:08,470 --> 01:25:06,320

on if there were they may have been some

2209

01:25:09,669 --> 01:25:08,480

type of bio form or some type of living

2210

01:25:11,110 --> 01:25:09,679

organism

2211

01:25:16,470 --> 01:25:11,120

that's

2212

01:25:19,270 --> 01:25:16,480

did they ever at any point

2213

01:25:21,030 --> 01:25:19,280

develop a structure a solid structure

2214

01:25:24,149 --> 01:25:21,040

from being just

2215

01:25:26,149 --> 01:25:24,159

a glowing orb

2216

01:25:28,709 --> 01:25:26,159

yeah not that we know this not that i

2217

01:25:31,110 --> 01:25:28,719

noticed um and i was looking for that

2218

01:25:35,510 --> 01:25:33,510

well there could it could be a lot of

2219

01:25:36,870 --> 01:25:35,520

explanations for that

2220

01:25:38,830 --> 01:25:36,880

um

2221

01:25:41,430 --> 01:25:38,840

anything i would say would just be

2222

01:25:43,350 --> 01:25:41,440

speculation my only idea would with

2223

01:25:44,669 --> 01:25:43,360

those kind of things is

2224

01:25:46,950 --> 01:25:44,679

that might be something

2225

01:25:49,189 --> 01:25:46,960

inter-dimensional but it could also be

2226

01:25:51,430 --> 01:25:49,199

ball lightning it could be

2227

01:25:53,270 --> 01:25:51,440

who knows what there's a precedent for

2228

01:25:55,510 --> 01:25:53,280

these there was a case from the 1950s of

2229

01:25:57,510 --> 01:25:55,520

an airliner crew

2230

01:25:59,430 --> 01:25:57,520

off newfoundland had seen something that

2231

01:26:01,590 --> 01:25:59,440

changed shape during the course of the

2232

01:26:04,070 --> 01:26:01,600

encounter so you know it's not as if

2233

01:26:05,350 --> 01:26:04,080

it's something new but yeah as mark says

2234

01:26:08,550 --> 01:26:05,360

you know anything we would say about

2235

01:26:10,790 --> 01:26:08,560

this is only speculation really okay

2236

01:26:13,350 --> 01:26:10,800

well you know i'd like to have each

2237

01:26:15,590 --> 01:26:13,360

one of you tell the audience

2238

01:26:17,669 --> 01:26:15,600

oh now that one was actually taken above

2239

01:26:20,070 --> 01:26:17,679

lancaster pennsylvania

2240

01:26:23,350 --> 01:26:20,080

uh that was taken by my uh associate

2241

01:26:25,270 --> 01:26:23,360

butch witkowski

2242

01:26:27,510 --> 01:26:25,280

i'd like for each one of you to

2243

01:26:29,430 --> 01:26:27,520

individually tell the folks

2244

01:26:31,270 --> 01:26:29,440

what you've been working on how they can

2245

01:26:33,030 --> 01:26:31,280

contact you where they can find your

2246

01:26:35,189 --> 01:26:33,040

books and anything you've got coming up

2247

01:26:36,550 --> 01:26:35,199

in the future let's start out with let's

2248

01:26:38,229 --> 01:26:36,560

start out with graham

2249

01:26:40,310 --> 01:26:38,239

okay so i've written two books on the

2250

01:26:42,229 --> 01:26:40,320

ufo subject the first is ufos before

2251

01:26:44,709 --> 01:26:42,239

roswell it's about the foo fighters of

2252

01:26:46,070 --> 01:26:44,719

world war ii and i came out with another

2253

01:26:47,669 --> 01:26:46,080

book earlier this year called flying

2254

01:26:50,470 --> 01:26:47,679

saucer fever which is about aerial

2255

01:26:52,870 --> 01:26:50,480

encounters between 1950 and 52. i've

2256

01:26:56,390 --> 01:26:52,880

also worked just off about to release

2257

01:26:58,390 --> 01:26:56,400

one for 46 to 49 encounters uh my books

2258

01:26:59,910 --> 01:26:58,400

are available by amazon so if you do a

2259

01:27:01,750 --> 01:26:59,920

search for my find my name graham

2260

01:27:04,149 --> 01:27:01,760

rendell you'll find them if you're on

2261

01:27:05,830 --> 01:27:04,159

twitter you can find me at border 750

2262

01:27:08,550 --> 01:27:05,840

that's the easiest way to contact me i

2263

01:27:11,750 --> 01:27:08,560

accept the end so it's no problem um and

2264

01:27:13,830 --> 01:27:11,760

yes i work on using historical documents

2265

01:27:16,149 --> 01:27:13,840

to to build up a picture about uh old

2266

01:27:18,310 --> 01:27:16,159

cases so i'm trying to inform the public

2267

01:27:20,310 --> 01:27:18,320

more about what happened years ago and

2268

01:27:22,390 --> 01:27:20,320

also drawing parallels what happened

2269

01:27:24,629 --> 01:27:22,400

then to what's happening now as well so

2270

01:27:26,790 --> 01:27:24,639

that's my prime focus

2271

01:27:31,110 --> 01:27:26,800

uh luke

2272

01:27:33,510 --> 01:27:31,120

yeah i work on educated people such as

2273

01:27:37,270 --> 01:27:33,520

graham and other people

2274

01:27:41,990 --> 01:27:37,280

to do my research so

2275

01:27:44,390 --> 01:27:42,000

my to keep it short my groups are into

2276

01:27:47,430 --> 01:27:44,400

the dimensional rift and ufo files

2277

01:27:50,310 --> 01:27:47,440

groups which

2278

01:27:54,229 --> 01:27:50,320

are highly successful we're up to about

2279

01:27:56,070 --> 01:27:54,239

30 000 members so you can contact me on

2280

01:27:57,350 --> 01:27:56,080

either of the groups

2281

01:28:01,270 --> 01:27:57,360

including

2282

01:28:04,870 --> 01:28:01,280

graeme and mark um or any members

2283

01:28:06,390 --> 01:28:04,880

hopefully uh yes so

2284

01:28:07,990 --> 01:28:06,400

yep uh

2285

01:28:12,950 --> 01:28:08,000

that

2286

01:28:14,550 --> 01:28:12,960

we'll keep it short

2287

01:28:17,830 --> 01:28:14,560

and mark

2288

01:28:25,669 --> 01:28:19,990

um

2289

01:28:27,270 --> 01:28:25,679

here it is right here

2290

01:28:30,229 --> 01:28:27,280

um

2291

01:28:34,149 --> 01:28:30,239

that was to complete all the notes i've

2292

01:28:37,189 --> 01:28:34,159

amassed over the 45 years of study

2293

01:28:38,709 --> 01:28:37,199

of einstein's work and and some of the

2294

01:28:40,870 --> 01:28:38,719

other masters

2295

01:28:42,629 --> 01:28:40,880

to complete the unified field theory

2296

01:28:45,030 --> 01:28:42,639

solution which i've uploaded to

2297

01:28:46,870 --> 01:28:45,040

researchgate that goes along with the

2298

01:28:48,470 --> 01:28:46,880

book to back up what i've said in the

2299

01:28:50,470 --> 01:28:48,480

book

2300

01:28:53,030 --> 01:28:50,480

i worked on gravity so that i could

2301
01:28:54,950 --> 01:28:53,040
figure out antigravity so the short

2302
01:28:56,790 --> 01:28:54,960
short story on that is gravity is a

2303
01:28:57,750 --> 01:28:56,800
contraction of space

2304
01:28:59,990 --> 01:28:57,760
so

2305
01:29:01,189 --> 01:29:00,000
anti-gravity has to be an expansion of

2306
01:29:03,350 --> 01:29:01,199
space

2307
01:29:05,669 --> 01:29:03,360
so i worked out

2308
01:29:08,629 --> 01:29:05,679
how exactly

2309
01:29:10,390 --> 01:29:08,639
gravity is formed

2310
01:29:12,709 --> 01:29:10,400
by the the use of

2311
01:29:15,510 --> 01:29:12,719
accelerated particles

2312
01:29:17,270 --> 01:29:15,520
uh in in an accelerated motion on

2313
01:29:19,669 --> 01:29:17,280

unbalanced charged particles and

2314

01:29:23,510 --> 01:29:19,679

accelerating motion causes gravity so i

2315

01:29:25,990 --> 01:29:23,520

use a similar technique electrons moving

2316

01:29:28,390 --> 01:29:26,000

within wires

2317

01:29:29,669 --> 01:29:28,400

which is not accelerated

2318

01:29:32,149 --> 01:29:29,679

to

2319

01:29:34,149 --> 01:29:32,159

generate a magnetic field which causes a

2320

01:29:36,709 --> 01:29:34,159

stretching of space so that

2321

01:29:38,790 --> 01:29:36,719

i could confirm that anti-gravity comes

2322

01:29:40,229 --> 01:29:38,800

from a magnetic field and i'm currently

2323

01:29:41,990 --> 01:29:40,239

working on that

2324

01:29:44,470 --> 01:29:42,000

in my lab now

2325

01:29:45,750 --> 01:29:44,480

to see if i can detect

2326

01:29:47,830 --> 01:29:45,760

any

2327

01:29:50,950 --> 01:29:47,840

gravity shielding or

2328

01:29:52,870 --> 01:29:50,960

anti-gravity effect so that's what i'm

2329

01:29:55,590 --> 01:29:52,880

working on currently and you can find my

2330

01:29:57,510 --> 01:29:55,600

book on amazon as well

2331

01:29:59,590 --> 01:29:57,520

well gentlemen i really appreciate you

2332

01:30:01,910 --> 01:29:59,600

taking the time to come on here tonight

2333

01:30:03,189 --> 01:30:01,920

uh from all corners of the globe

2334

01:30:06,070 --> 01:30:03,199

and uh

2335

01:30:07,990 --> 01:30:06,080

you know if you ever wish to contact me

2336

01:30:09,750 --> 01:30:08,000

feel free to do so i'm very interested

2337

01:30:12,790 --> 01:30:09,760

in what you're all doing

2338

01:30:14,709 --> 01:30:12,800

and uh you all have a great weekend and

2339

01:30:16,629 --> 01:30:14,719

we will talk soon

2340

01:30:17,830 --> 01:30:16,639

thank you thanks

2341

01:30:23,189 --> 01:30:17,840

very good

2342

01:30:26,390 --> 01:30:24,790

now if you've had an unexplained

2343

01:30:27,910 --> 01:30:26,400

encounter setting

2344

01:30:30,390 --> 01:30:27,920

feel free to contact me through the

2345

01:30:33,110 --> 01:30:30,400

phantoms and monsters blog site

2346

01:30:34,470 --> 01:30:33,120

i once again thank my guests for joining

2347

01:30:36,629 --> 01:30:34,480

me this evening

2348

01:30:38,229 --> 01:30:36,639

and thanks to each and all of you for

2349

01:30:40,870 --> 01:30:38,239

watching and chatting

2350

01:30:43,110 --> 01:30:40,880

uh it's it's truly appreciated when you

2351

01:30:44,870 --> 01:30:43,120

come on here and spend your time with us

2352

01:30:47,030 --> 01:30:44,880

uh your support is what makes this

2353

01:30:49,750 --> 01:30:47,040

possible so please like subscribe and

2354

01:30:51,430 --> 01:30:49,760

share now if you have a sighting or

2355

01:30:53,830 --> 01:30:51,440

encounter report that you would like to

2356

01:30:54,950 --> 01:30:53,840

be considered for the personal report

2357

01:30:57,990 --> 01:30:54,960

show

2358

01:31:00,790 --> 01:30:58,000

and or posted at fam's a monster please

2359

01:31:03,229 --> 01:31:00,800

feel free to uh forward to my email

2360

01:31:04,790 --> 01:31:03,239

at lon strickler at

2361

01:31:06,870 --> 01:31:04,800

phantomsandmonsters.com

2362

01:31:08,950 --> 01:31:06,880

now next week

2363

01:31:11,669 --> 01:31:08,960

uh or this friday

2364

01:31:13,510 --> 01:31:11,679

my friend and colleague uh

2365

01:31:16,950 --> 01:31:13,520

well next friday my friend and colleague

2366

01:31:19,990 --> 01:31:16,960

janette lucas will join me now jeanette

2367

01:31:21,910 --> 01:31:20,000

is a forensic psychic who uses her gifts

2368

01:31:25,030 --> 01:31:21,920

to find missing persons

2369

01:31:27,350 --> 01:31:25,040

and assists police in solving cases she

2370

01:31:28,950 --> 01:31:27,360

is also involved in treasure hunting and

2371

01:31:31,990 --> 01:31:28,960

other pursuits where she uses her

2372

01:31:33,510 --> 01:31:32,000

abilities so make sure to join us next

2373

01:31:35,590 --> 01:31:33,520

friday i think you'll find it very

2374

01:31:37,910 --> 01:31:35,600

interesting so until next week stay

2375

01:31:42,740 --> 01:31:37,920

healthy and have a safe and enjoyable
