

PHANTOMS & MONSTERS

R A D I O

GINETTE MATAACIA LUCAS

FORENSIC PSYCHIC, CRIME PROFILER, &
TREASURE HUNTER

FRIDAY, JUNE 17TH AT 9PM EASTERN / 6PM PACIFIC

1
00:00:11,990 --> 00:00:08,210

[Music]

2
00:00:17,990 --> 00:00:14,910
we live in a reality of phantoms and

3
00:00:20,550 --> 00:00:18,000
monsters they exist among us and

4
00:00:23,830 --> 00:00:20,560
sometimes they win

5
00:00:26,390 --> 00:00:23,840
even the devil was an angel once

6
00:00:29,349 --> 00:00:26,400
the world has its own rules

7
00:00:32,229 --> 00:00:29,359
and these rules are not human

8
00:00:34,470 --> 00:00:32,239
some of us seek answers to the origin

9
00:00:36,470 --> 00:00:34,480
and existence of cryptids in the

10
00:00:39,830 --> 00:00:36,480
unexplained

11
00:00:42,150 --> 00:00:39,840
join us as we venture beyond the known

12
00:00:44,869 --> 00:00:42,160
and accepted boundaries

13
00:00:50,440 --> 00:00:44,879

welcome to our nightmare i think you're

14

00:01:01,670 --> 00:00:59,510

[Music]

15

00:01:03,510 --> 00:01:01,680

hey folks good evening and welcome to

16

00:01:06,070 --> 00:01:03,520

another episode of phantoms of monsters

17

00:01:07,750 --> 00:01:06,080

radio where we explore the strange

18

00:01:09,990 --> 00:01:07,760

and the unexplained

19

00:01:12,710 --> 00:01:10,000

i'm your host lon strickler thanks for

20

00:01:14,789 --> 00:01:12,720

joining us now if you enjoy our content

21

00:01:17,109 --> 00:01:14,799

then please subscribe like and share our

22

00:01:18,149 --> 00:01:17,119

presentation super chat is active during

23

00:01:20,310 --> 00:01:18,159

the show

24

00:01:22,149 --> 00:01:20,320

so please show your support for fans of

25

00:01:23,590 --> 00:01:22,159

monsters by clicking the dollar icon

26

00:01:25,749 --> 00:01:23,600

under the chat

27

00:01:27,830 --> 00:01:25,759

you can also support the channel by

28

00:01:29,990 --> 00:01:27,840

using the buy me a coffee link or banner

29

00:01:32,310 --> 00:01:30,000

on the description below now your

30

00:01:34,230 --> 00:01:32,320

consideration is very much needed and

31

00:01:35,990 --> 00:01:34,240

appreciated

32

00:01:39,109 --> 00:01:36,000

so tonight i welcome my friend and

33

00:01:42,870 --> 00:01:39,119

colleague jeanette matacia lucas who is

34

00:01:44,789 --> 00:01:42,880

a forensic psychic crime profiler and

35

00:01:47,190 --> 00:01:44,799

treasure hunter now judet will be

36

00:01:49,510 --> 00:01:47,200

sharing some of her life adventures

37

00:01:52,149 --> 00:01:49,520

uh which is is like an open book with

38

00:01:55,109 --> 00:01:52,159

multiple chapters on the paranormal

39

00:01:57,590 --> 00:01:55,119

her work includes recovery of treasures

40

00:01:59,429 --> 00:01:57,600

owned by my boss al capone and his

41

00:02:01,910 --> 00:01:59,439

associate frank nitti

42

00:02:03,429 --> 00:02:01,920

the investigation of uh missing toddler

43

00:02:05,830 --> 00:02:03,439

kaylee anthony

44

00:02:08,469 --> 00:02:05,840

and yes the locating of the remains of

45

00:02:09,589 --> 00:02:08,479

missing congressional intern chandra

46

00:02:11,190 --> 00:02:09,599

levy

47

00:02:13,910 --> 00:02:11,200

these are just a few names in her

48

00:02:16,070 --> 00:02:13,920

chapters of successes uh jeanette is

49

00:02:18,550 --> 00:02:16,080

going to share with us some of her old

50

00:02:20,150 --> 00:02:18,560

and new finds both treasure hunting and

51
00:02:21,910 --> 00:02:20,160
missing persons

52
00:02:24,710 --> 00:02:21,920
now jeannette has been interviewed on

53
00:02:26,150 --> 00:02:24,720
cnn nbc fox tv

54
00:02:27,910 --> 00:02:26,160
and has

55
00:02:31,350 --> 00:02:27,920
uh been written about the washington

56
00:02:34,070 --> 00:02:31,360
post l a times new york huffington post

57
00:02:35,750 --> 00:02:34,080
in orlando sentinel mag uh smithsonian

58
00:02:37,670 --> 00:02:35,760
magazine as well as numerous books and

59
00:02:40,229 --> 00:02:37,680
other media outlets

60
00:02:42,790 --> 00:02:40,239
jeannette uses her dowsing skills

61
00:02:45,350 --> 00:02:42,800
intuition and dream incubation talent to

62
00:02:47,190 --> 00:02:45,360
successfully solve projects

63
00:02:49,430 --> 00:02:47,200

she is internationally known for high

64

00:02:51,190 --> 00:02:49,440

profile true crime cases

65

00:02:54,229 --> 00:02:51,200

treasure hunting and dream studies to

66

00:02:56,390 --> 00:02:54,239

predict future world events

67

00:02:58,949 --> 00:02:56,400

typically both believers and skeptics

68

00:03:01,670 --> 00:02:58,959

follow her postings and predictions

69

00:03:04,470 --> 00:03:01,680

so follows as we hear what she and her

70

00:03:05,670 --> 00:03:04,480

team are up to in 2022

71

00:03:07,910 --> 00:03:05,680

in the future

72

00:03:10,149 --> 00:03:07,920

and jeanette's website can be found at

73

00:03:12,630 --> 00:03:10,159

reach jeannette at

74

00:03:14,470 --> 00:03:12,640

reachjeannette.com

75

00:03:15,509 --> 00:03:14,480

so jeanette thank you for coming on this

76

00:03:17,030 --> 00:03:15,519

evening

77

00:03:19,430 --> 00:03:17,040

hey thanks lon

78

00:03:21,350 --> 00:03:19,440

it's good to talk to you uh well you and

79

00:03:22,869 --> 00:03:21,360

i talk a lot but

80

00:03:25,030 --> 00:03:22,879

i haven't interviewed haven't

81

00:03:26,949 --> 00:03:25,040

interviewed you much i think the last

82

00:03:28,550 --> 00:03:26,959

time was about two two and a half years

83

00:03:31,110 --> 00:03:28,560

ago

84

00:03:33,750 --> 00:03:31,120

so uh for those who aren't familiar with

85

00:03:35,910 --> 00:03:33,760

you kind of give us a thumbnail what

86

00:03:38,309 --> 00:03:35,920

how you got started and

87

00:03:40,550 --> 00:03:38,319

your background your father's background

88

00:03:41,670 --> 00:03:40,560

and such

89

00:03:44,229 --> 00:03:41,680

sure so

90

00:03:45,910 --> 00:03:44,239

my father in the early 1960s learned

91

00:03:48,070 --> 00:03:45,920

about a thing called dowsing and some of

92

00:03:50,149 --> 00:03:48,080

your listeners might know what that is

93

00:03:52,070 --> 00:03:50,159

and he was so fascinated by it he

94

00:03:53,350 --> 00:03:52,080

learned that you could find water using

95

00:03:55,509 --> 00:03:53,360

an I rod

96

00:03:57,910 --> 00:03:55,519

uh to to locate the water and then you

97

00:04:00,949 --> 00:03:57,920

could also use the same elrod

98

00:04:03,670 --> 00:04:00,959

to find missing persons or to find

99

00:04:05,350 --> 00:04:03,680

missing objects and the list is long and

100

00:04:07,350 --> 00:04:05,360

he thought well gosh the vietnam war is

101

00:04:09,990 --> 00:04:07,360

going on which ages us

102

00:04:12,550 --> 00:04:10,000

and he said why can't i use the same

103

00:04:14,470 --> 00:04:12,560

thing the same technique of dowsing to

104

00:04:18,310 --> 00:04:14,480

help with the vietnam booby traps and

105

00:04:21,189 --> 00:04:18,320

communication devices and rat tunnelers

106

00:04:22,390 --> 00:04:21,199

and uh so he decided to

107

00:04:23,270 --> 00:04:22,400

have the

108

00:04:25,030 --> 00:04:23,280

uh

109

00:04:27,430 --> 00:04:25,040

general staff

110

00:04:29,189 --> 00:04:27,440

from the pentagon come out and he showed

111

00:04:31,430 --> 00:04:29,199

him how it worked and said let's find

112

00:04:33,830 --> 00:04:31,440

water first that's the the starting of

113

00:04:36,469 --> 00:04:33,840

the foundation and then let's do this

114

00:04:39,510 --> 00:04:36,479

this and this and each one was a buildup

115

00:04:42,230 --> 00:04:39,520

of talent and then you would learn the

116

00:04:44,469 --> 00:04:42,240

the method of this is yes this is no

117

00:04:46,469 --> 00:04:44,479

this is danger this is a step away and

118

00:04:48,310 --> 00:04:46,479

so forth um and and anything in the

119

00:04:49,590 --> 00:04:48,320

paranormal has a pattern in my opinion i

120

00:04:52,390 --> 00:04:49,600

don't know what you think

121

00:04:54,230 --> 00:04:52,400

lon but oh absolutely i i you know

122

00:04:57,270 --> 00:04:54,240

everybody goes oh i get the vibe you

123

00:05:00,550 --> 00:04:57,280

know there is a vibe there really is so

124

00:05:01,990 --> 00:05:00,560

he uh sent the uh filming of the

125

00:05:04,870 --> 00:05:02,000

training classes

126

00:05:07,189 --> 00:05:04,880

to various militaries

127

00:05:09,270 --> 00:05:07,199

and at that time i was seven

128

00:05:11,990 --> 00:05:09,280

and he was also into

129

00:05:14,550 --> 00:05:12,000

uh dream work and because he dealt with

130

00:05:15,350 --> 00:05:14,560

the are organization

131

00:05:17,909 --> 00:05:15,360

um

132

00:05:20,790 --> 00:05:17,919

you know the edgar cayce group

133

00:05:23,350 --> 00:05:20,800

which was very big into dream

134

00:05:26,790 --> 00:05:23,360

incubation or dream dreaming

135

00:05:29,590 --> 00:05:26,800

and then he was big into uh he had just

136

00:05:31,189 --> 00:05:29,600

started learning about the machines or

137

00:05:33,590 --> 00:05:31,199

the i guess

138

00:05:35,350 --> 00:05:33,600

tools equipment to hear the other side

139

00:05:37,430 --> 00:05:35,360

so that's something else that was way

140

00:05:40,629 --> 00:05:37,440

back in the 60s and he was hanging

141

00:05:44,150 --> 00:05:40,639

around some political uh figures

142

00:05:47,909 --> 00:05:44,160

at the time and some were cia fbi

143

00:05:50,790 --> 00:05:47,919

and um a couple senators office offices

144

00:05:52,469 --> 00:05:50,800

and so i was sort of thrown into it it's

145

00:05:53,830 --> 00:05:52,479

like oh you know you grow up and your

146

00:05:56,390 --> 00:05:53,840

dad's a cop you're going to be thrown

147

00:05:57,670 --> 00:05:56,400

into the criminology your dad's you know

148

00:06:00,150 --> 00:05:57,680

a teacher you're going to learn more

149

00:06:02,629 --> 00:06:00,160

about education so i sort of fell into

150

00:06:04,870 --> 00:06:02,639

the paranormal and the next thing you

151
00:06:06,950 --> 00:06:04,880
know when i was about seven i had my

152
00:06:08,629 --> 00:06:06,960
first near-death experience

153
00:06:11,510 --> 00:06:08,639
um and and

154
00:06:13,110 --> 00:06:11,520
i almost drowned and um i was saved by a

155
00:06:17,590 --> 00:06:13,120
woman

156
00:06:19,189 --> 00:06:17,600
who was uh angelic-looking and um so

157
00:06:20,469 --> 00:06:19,199
you know being seven years old you have

158
00:06:21,350 --> 00:06:20,479
to be able to recognize what you're

159
00:06:23,749 --> 00:06:21,360
seeing

160
00:06:25,430 --> 00:06:23,759
so i really didn't tell anybody but i i

161
00:06:27,510 --> 00:06:25,440
finally told my sister and she said you

162
00:06:29,670 --> 00:06:27,520
know i almost drowned in the same lake

163
00:06:31,830 --> 00:06:29,680

and i had the same experience

164

00:06:34,390 --> 00:06:31,840

and i thought okay so then your mind

165

00:06:37,029 --> 00:06:34,400

starts clicking i know it's early at age

166

00:06:39,270 --> 00:06:37,039

seven but uh both of us and that was my

167

00:06:41,270 --> 00:06:39,280

twin at the time

168

00:06:43,590 --> 00:06:41,280

and she said it was angelic and i

169

00:06:45,510 --> 00:06:43,600

thought it was a ghost or is it an angel

170

00:06:48,870 --> 00:06:45,520

but it had wings so i'm gonna put it in

171

00:06:50,870 --> 00:06:48,880

the category of angel and after that my

172

00:06:53,270 --> 00:06:50,880

life sort of just spiraled in the

173

00:06:55,270 --> 00:06:53,280

direction of the paranormal but

174

00:06:56,469 --> 00:06:55,280

it didn't pay the bills when you grow up

175

00:06:59,990 --> 00:06:56,479

i mean

176
00:07:01,510 --> 00:07:00,000
you know i was in high school

177
00:07:03,430 --> 00:07:01,520
and i was

178
00:07:05,830 --> 00:07:03,440
i got a laugh i was in like third grade

179
00:07:08,309 --> 00:07:05,840
and doing psychic readings periodically

180
00:07:09,990 --> 00:07:08,319
and i i was making 20 bucks a client

181
00:07:12,469 --> 00:07:10,000
which was really pretty darn good back

182
00:07:14,629 --> 00:07:12,479
in the 60s and 70s

183
00:07:16,710 --> 00:07:14,639
um but it wasn't consistent so i took a

184
00:07:18,550 --> 00:07:16,720
job as a secretary

185
00:07:20,710 --> 00:07:18,560
and of course that's a

186
00:07:23,029 --> 00:07:20,720
different career in itself

187
00:07:24,150 --> 00:07:23,039
and um i eventually thought you know i

188
00:07:25,270 --> 00:07:24,160

got into

189

00:07:27,670 --> 00:07:25,280

uh

190

00:07:29,909 --> 00:07:27,680

an accident and i was in the hospital

191

00:07:31,510 --> 00:07:29,919

and had a near death in the hospital my

192

00:07:33,189 --> 00:07:31,520

kidneys collapsed

193

00:07:35,990 --> 00:07:33,199

and um

194

00:07:38,390 --> 00:07:36,000

i had a very lengthy near death

195

00:07:40,710 --> 00:07:38,400

and um i haven't written about it yet

196

00:07:43,350 --> 00:07:40,720

but i'll get there you know um i have

197

00:07:45,350 --> 00:07:43,360

another book i'm uh the proposal is i'm

198

00:07:47,189 --> 00:07:45,360

on five chapter five so that's coming

199

00:07:48,950 --> 00:07:47,199

along

200

00:07:51,830 --> 00:07:48,960

so you know so we'll jump around a

201

00:07:54,390 --> 00:07:51,840

little bit but um each experience i

202

00:07:56,390 --> 00:07:54,400

think we have and anything we do um adds

203

00:07:59,990 --> 00:07:56,400

on to your abilities as an expert

204

00:08:02,230 --> 00:08:00,000

eventually and i i really adore the uh

205

00:08:04,070 --> 00:08:02,240

paranormal the whole plethora it's just

206

00:08:05,510 --> 00:08:04,080

amazing to me and that's why i call you

207

00:08:08,629 --> 00:08:05,520

and bug you hey what's going on with

208

00:08:10,469 --> 00:08:08,639

bigfoot because i i i definitely

209

00:08:12,550 --> 00:08:10,479

i'm definitely not an expert but i'm

210

00:08:14,309 --> 00:08:12,560

always dying to hear what's going on and

211

00:08:15,189 --> 00:08:14,319

what are they up to what do they find

212

00:08:17,909 --> 00:08:15,199

you know

213

00:08:19,589 --> 00:08:17,919

it's it's it's like going to a museum oh

214

00:08:20,710 --> 00:08:19,599

what's down that hall you know what's

215

00:08:24,070 --> 00:08:20,720

down that hall

216

00:08:25,270 --> 00:08:24,080

and um so i had some odd experiences

217

00:08:27,350 --> 00:08:25,280

and um

218

00:08:30,710 --> 00:08:27,360

so i guess a total of at least three or

219

00:08:31,909 --> 00:08:30,720

four near deaths and uh dealt with it

220

00:08:33,430 --> 00:08:31,919

just

221

00:08:35,029 --> 00:08:33,440

it it was like reading a chapter of a

222

00:08:37,190 --> 00:08:35,039

book or reading a book

223

00:08:40,389 --> 00:08:37,200

and then um eventually they told me my

224

00:08:43,350 --> 00:08:40,399

whole life would change at 27 which was

225

00:08:45,350 --> 00:08:43,360

uh the experience in the hospital very

226

00:08:46,949 --> 00:08:45,360

lengthy uh near death

227

00:08:49,190 --> 00:08:46,959

and they told me my whole life was going

228

00:08:52,070 --> 00:08:49,200

to change right then

229

00:08:54,470 --> 00:08:52,080

and at 27 i became a full-time psychic

230

00:08:57,030 --> 00:08:54,480

and i made enough to survive

231

00:08:59,670 --> 00:08:57,040

being a psychic with an income

232

00:09:01,829 --> 00:08:59,680

so i i was one of the lucky ones but

233

00:09:03,509 --> 00:09:01,839

apparently i had a pretty highly

234

00:09:04,710 --> 00:09:03,519

accurate ratio

235

00:09:06,470 --> 00:09:04,720

and i

236

00:09:08,230 --> 00:09:06,480

unfortunately gave some predictions

237

00:09:09,670 --> 00:09:08,240

which i should have been a little bit

238

00:09:11,829 --> 00:09:09,680

softer on

239

00:09:14,150 --> 00:09:11,839

i would do regular radio shows in the dc

240

00:09:15,829 --> 00:09:14,160

area because i'm from the dc area and

241

00:09:16,870 --> 00:09:15,839

people would would call in and say what

242

00:09:19,030 --> 00:09:16,880

do you think about this what do you

243

00:09:21,430 --> 00:09:19,040

think about that

244

00:09:22,949 --> 00:09:21,440

and people would call and say

245

00:09:25,269 --> 00:09:22,959

are there going to be any plane crashes

246

00:09:26,070 --> 00:09:25,279

and i would give some very serious

247

00:09:28,630 --> 00:09:26,080

uh

248

00:09:30,710 --> 00:09:28,640

commitments and dates and airplanes and

249

00:09:33,509 --> 00:09:30,720

airlines and say oh there's going to be

250

00:09:36,150 --> 00:09:33,519

a plane crash this date it's leaving

251
00:09:37,829 --> 00:09:36,160
chicago o'hare and it's crashing in

252
00:09:40,949 --> 00:09:37,839
sioux city iowa

253
00:09:43,430 --> 00:09:40,959
and you know when when i predicted that

254
00:09:45,110 --> 00:09:43,440
particular one it was three in a row so

255
00:09:47,030 --> 00:09:45,120
there is a good bad and ugly in the

256
00:09:49,110 --> 00:09:47,040
paranormal and i tell people it's a

257
00:09:52,070 --> 00:09:49,120
really hard job it's not fun

258
00:09:53,269 --> 00:09:52,080
i i wouldn't push anybody into it it's

259
00:09:58,790 --> 00:09:53,279
not

260
00:10:00,550 --> 00:09:58,800
regularly that's 50 of the business

261
00:10:03,829 --> 00:10:00,560
but um

262
00:10:06,389 --> 00:10:03,839
with um with the plane crash for example

263
00:10:08,870 --> 00:10:06,399

i noticed some of my abilities were just

264

00:10:09,590 --> 00:10:08,880

perception and then some of my abilities

265

00:10:12,550 --> 00:10:09,600

were

266

00:10:14,710 --> 00:10:12,560

dreams and so i i did what i call drink

267

00:10:16,550 --> 00:10:14,720

dream incubation

268

00:10:19,590 --> 00:10:16,560

which i sometimes teach on the on the

269

00:10:22,069 --> 00:10:19,600

side and then i noticed that i could

270

00:10:23,990 --> 00:10:22,079

actually figure out a date and a time

271

00:10:26,230 --> 00:10:24,000

and so i predicted the fall of the

272

00:10:28,069 --> 00:10:26,240

berlin wall at a party and people

273

00:10:29,670 --> 00:10:28,079

thought it was crazy because at that

274

00:10:32,230 --> 00:10:29,680

time nobody thought the berlin wall was

275

00:10:35,509 --> 00:10:32,240

going to fall

276

00:10:37,590 --> 00:10:35,519

then i predicted 9 11 and i said well

277

00:10:39,670 --> 00:10:37,600

unfortunately it's going to happen

278

00:10:41,990 --> 00:10:39,680

september 11

279

00:10:44,949 --> 00:10:42,000

but it'll be in the newspaper september

280

00:10:47,030 --> 00:10:44,959

12th so i decided to start touching the

281

00:10:49,430 --> 00:10:47,040

top of a newspaper

282

00:10:50,710 --> 00:10:49,440

and i started seeing more vision so i

283

00:10:53,509 --> 00:10:50,720

applied

284

00:10:56,069 --> 00:10:53,519

my talent with more tools

285

00:10:57,910 --> 00:10:56,079

so for example i tell people when you

286

00:11:00,550 --> 00:10:57,920

try to develop your skills

287

00:11:02,150 --> 00:11:00,560

you can use a newspaper you can do touch

288

00:11:04,710 --> 00:11:02,160

um you know they they have in the

289

00:11:06,790 --> 00:11:04,720

dictionary your clairvoyant your clear

290

00:11:08,710 --> 00:11:06,800

audience your clear click you know the

291

00:11:11,350 --> 00:11:08,720

list goes on again

292

00:11:14,389 --> 00:11:11,360

and i have a lot of those skills and i

293

00:11:16,470 --> 00:11:14,399

thought oh this is working so i just did

294

00:11:17,990 --> 00:11:16,480

add-ons and the next thing you know

295

00:11:20,550 --> 00:11:18,000

um i had

296

00:11:23,030 --> 00:11:20,560

bigger and better skills and then i kept

297

00:11:24,949 --> 00:11:23,040

produ predicting more and more things

298

00:11:26,630 --> 00:11:24,959

and for example if a client called me

299

00:11:29,750 --> 00:11:26,640

and said hey when am i going to start my

300

00:11:32,150 --> 00:11:29,760

new job and they'll i heard a date

301
00:11:34,949 --> 00:11:32,160
and so i actually hear information and

302
00:11:37,750 --> 00:11:34,959
i'll say oh feels like october second

303
00:11:39,990 --> 00:11:37,760
week of the month so i'll go october 9th

304
00:11:41,509 --> 00:11:40,000
around the ninth and i said it has to do

305
00:11:44,069 --> 00:11:41,519
with a company that feels like three

306
00:11:45,110 --> 00:11:44,079
letters so i'll say maybe ibm or

307
00:11:47,190 --> 00:11:45,120
you know

308
00:11:48,710 --> 00:11:47,200
exm or something like that so that

309
00:11:50,790 --> 00:11:48,720
helped a lot because clients knew what

310
00:11:52,470 --> 00:11:50,800
they were looking for and they know they

311
00:11:55,030 --> 00:11:52,480
would know which clients would respond

312
00:11:56,629 --> 00:11:55,040
with a good offer

313
00:11:58,389 --> 00:11:56,639

and so

314

00:12:00,790 --> 00:11:58,399

again i'm jumping around but i'm trying

315

00:12:03,110 --> 00:12:00,800

to give a broad perspective of you know

316

00:12:04,629 --> 00:12:03,120

in my world it's um it's a little bit of

317

00:12:06,790 --> 00:12:04,639

everything but

318

00:12:09,269 --> 00:12:06,800

i'm just super fascinated by cryptoids

319

00:12:10,870 --> 00:12:09,279

so that's why we talk periodically um

320

00:12:13,430 --> 00:12:10,880

but uh

321

00:12:16,069 --> 00:12:13,440

you know in my world i don't uh

322

00:12:17,750 --> 00:12:16,079

i don't run into kryptoids

323

00:12:20,949 --> 00:12:17,760

and uh you do

324

00:12:23,350 --> 00:12:20,959

and it's uh certainly very fascinating

325

00:12:25,509 --> 00:12:23,360

um but i gotta tell you i was talking to

326

00:12:26,790 --> 00:12:25,519

a friend of yours a new mutual friend of

327

00:12:28,310 --> 00:12:26,800

ours

328

00:12:30,629 --> 00:12:28,320

and we were talking about your talent

329

00:12:33,590 --> 00:12:30,639

there lon that you would get street

330

00:12:34,310 --> 00:12:33,600

names and dates and and information

331

00:12:36,790 --> 00:12:34,320

and

332

00:12:39,350 --> 00:12:36,800

i i learned from a journalist by the

333

00:12:42,550 --> 00:12:39,360

name of maureen seberg that that kind of

334

00:12:44,310 --> 00:12:42,560

psychic ability is uh only

335

00:12:46,150 --> 00:12:44,320

you can only own it by four percent of

336

00:12:48,710 --> 00:12:46,160

the the world only four percent of the

337

00:12:50,550 --> 00:12:48,720

world has it and i thought wow that's

338

00:12:53,030 --> 00:12:50,560

weird and because i used to call it my

339

00:12:54,790 --> 00:12:53,040

cray-cray ability and

340

00:12:57,509 --> 00:12:54,800

she said well your cray-cray ability is

341

00:12:59,430 --> 00:12:57,519

called synesthesia and i said oh my god

342

00:13:01,829 --> 00:12:59,440

lon has synesthesia

343

00:13:04,389 --> 00:13:01,839

and she said well what is that so i sent

344

00:13:07,030 --> 00:13:04,399

her a note on it and i said maureen

345

00:13:09,030 --> 00:13:07,040

seberg the journalist

346

00:13:10,949 --> 00:13:09,040

was writing for or may still be writing

347

00:13:14,069 --> 00:13:10,959

for psychology today

348

00:13:16,550 --> 00:13:14,079

and she writes about the various people

349

00:13:18,829 --> 00:13:16,560

that have synesthesia or they got into

350

00:13:20,790 --> 00:13:18,839

an accident and came down with

351
00:13:21,750 --> 00:13:20,800
synesthesia um

352
00:13:23,829 --> 00:13:21,760
now

353
00:13:25,509 --> 00:13:23,839
uh you might have gotten your you may

354
00:13:28,150 --> 00:13:25,519
have already had your synesthesia for a

355
00:13:30,150 --> 00:13:28,160
long time which is the numbers and the

356
00:13:31,590 --> 00:13:30,160
names and all that or either because you

357
00:13:32,389 --> 00:13:31,600
saw bigfoot and you were standing there

358
00:13:34,470 --> 00:13:32,399
and

359
00:13:36,150 --> 00:13:34,480
uh you might you might have gotten

360
00:13:37,910 --> 00:13:36,160
scared to death

361
00:13:40,230 --> 00:13:37,920
look at mr bigfoot

362
00:13:42,069 --> 00:13:40,240
and and and gotten synesthesia i'm not

363
00:13:44,230 --> 00:13:42,079

really quite sure how it happens or

364

00:13:46,629 --> 00:13:44,240

affects the brain but apparently

365

00:13:49,829 --> 00:13:46,639

according to maureen there's um

366

00:13:52,230 --> 00:13:49,839

a hundred different types of synesthesia

367

00:13:54,389 --> 00:13:52,240

but um i definitely think it's a uh

368

00:13:56,470 --> 00:13:54,399

add-on to your chromosomes it's super

369

00:13:59,189 --> 00:13:56,480

interesting i believe she's writing more

370

00:14:01,189 --> 00:13:59,199

than one book about it and she has it of

371

00:14:03,509 --> 00:14:01,199

course she has it of course

372

00:14:06,470 --> 00:14:03,519

so uh how do you feel about do you are

373

00:14:09,189 --> 00:14:06,480

you of in fear of seeing names and

374

00:14:10,710 --> 00:14:09,199

and hearing i assume you hear uh

375

00:14:13,269 --> 00:14:10,720

information right

376

00:14:14,829 --> 00:14:13,279

i see it in my mind's eye

377

00:14:17,350 --> 00:14:14,839

uh it's just like

378

00:14:20,150 --> 00:14:17,360

well you know you've been talking to my

379

00:14:22,710 --> 00:14:20,160

friend jen the last couple of days

380

00:14:25,750 --> 00:14:22,720

and it's interesting enough when i when

381

00:14:28,629 --> 00:14:25,760

she first called me

382

00:14:31,910 --> 00:14:28,639

a name of her her previous boyfriend

383

00:14:34,150 --> 00:14:31,920

popped up and uh i asked her about it

384

00:14:36,150 --> 00:14:34,160

and i think i bought her over with it

385

00:14:38,230 --> 00:14:36,160

but uh yeah i mean that's what happens

386

00:14:40,310 --> 00:14:38,240

to me it happens a lot of times when i'm

387

00:14:43,110 --> 00:14:40,320

talking to people on the phone i start

388

00:14:44,710 --> 00:14:43,120

seeing images i start seeing past past

389

00:14:45,509 --> 00:14:44,720

events with them

390

00:14:47,750 --> 00:14:45,519

uh

391

00:14:50,150 --> 00:14:47,760

so yeah i don't know how that it i now i

392

00:14:52,230 --> 00:14:50,160

had near death when i was about three

393

00:14:54,069 --> 00:14:52,240

i uh i was drowned

394

00:14:55,269 --> 00:14:54,079

and um

395

00:14:56,470 --> 00:14:55,279

now i don't know if it has anything to

396

00:14:59,750 --> 00:14:56,480

do with it

397

00:15:01,110 --> 00:14:59,760

but my first my first actual

398

00:15:03,670 --> 00:15:01,120

encounter

399

00:15:05,670 --> 00:15:03,680

with the with the unknown the paranormal

400

00:15:08,550 --> 00:15:05,680

was i was about nine years old at

401
00:15:10,710 --> 00:15:08,560
gettysburg and that's really when it

402
00:15:12,790 --> 00:15:10,720
opened up for me and i started realizing

403
00:15:14,790 --> 00:15:12,800
yeah there's something going on

404
00:15:17,269 --> 00:15:14,800
uh-huh yeah so i've kind of you know

405
00:15:18,870 --> 00:15:17,279
it's kind of expanded and uh

406
00:15:20,949 --> 00:15:18,880
you know it's going through different

407
00:15:22,870 --> 00:15:20,959
levels you know but i've kind of worked

408
00:15:24,710 --> 00:15:22,880
on it and i use it for you know for what

409
00:15:27,030 --> 00:15:24,720
i do

410
00:15:29,590 --> 00:15:27,040
yeah you've written what eight books now

411
00:15:31,509 --> 00:15:29,600
nine books yeah nine books yeah and

412
00:15:33,430 --> 00:15:31,519
they're they're they're again you open

413
00:15:34,550 --> 00:15:33,440

it up and it's a museum you're walking

414

00:15:35,749 --> 00:15:34,560

in and

415

00:15:38,150 --> 00:15:35,759

you know unfortunately some of your

416

00:15:40,710 --> 00:15:38,160

stuff is super scary so you know a lot

417

00:15:43,030 --> 00:15:40,720

of people are apprehensive you know i'm

418

00:15:44,949 --> 00:15:43,040

i'm i'm not on the fence with most of it

419

00:15:46,710 --> 00:15:44,959

some of it it's i'd like to stay on the

420

00:15:49,110 --> 00:15:46,720

fence so i'm not too scared

421

00:15:50,069 --> 00:15:49,120

um because some of the cryptoids are

422

00:15:51,990 --> 00:15:50,079

certainly

423

00:15:53,749 --> 00:15:52,000

unexplainable like

424

00:15:55,509 --> 00:15:53,759

you're sitting there watching the

425

00:15:58,389 --> 00:15:55,519

scenario if you see a documentary and

426

00:16:01,350 --> 00:15:58,399

you're thinking to yourself what is that

427

00:16:02,069 --> 00:16:01,360

and you can't explain it it's it's it's

428

00:16:05,829 --> 00:16:02,079

it's

429

00:16:08,310 --> 00:16:05,839

but well

430

00:16:09,910 --> 00:16:08,320

you know the thing is uh with cryptids

431

00:16:11,509 --> 00:16:09,920

uh

432

00:16:13,749 --> 00:16:11,519

for those who have been fortunate enough

433

00:16:15,829 --> 00:16:13,759

to have an encounter and i've been

434

00:16:17,030 --> 00:16:15,839

fortunate enough to have two encounters

435

00:16:19,030 --> 00:16:17,040

uh

436

00:16:23,590 --> 00:16:19,040

i i i know that i'm dealing with some

437

00:16:28,230 --> 00:16:25,590

it's it's not that easy even for people

438

00:16:30,790 --> 00:16:28,240

that do investigate it and have been you

439

00:16:33,590 --> 00:16:30,800

know caught the bug and investigated

440

00:16:35,030 --> 00:16:33,600

uh they have a lot of questions uh

441

00:16:36,550 --> 00:16:35,040

are i mean

442

00:16:39,110 --> 00:16:36,560

dude are they really investigating

443

00:16:42,550 --> 00:16:39,120

something that's actually there

444

00:16:43,749 --> 00:16:42,560

uh i know for a fact that it it does

445

00:16:45,670 --> 00:16:43,759

exist

446

00:16:47,110 --> 00:16:45,680

and uh

447

00:16:49,030 --> 00:16:47,120

i i think that makes it different but

448

00:16:50,710 --> 00:16:49,040

then again my perspective i get a better

449

00:16:52,710 --> 00:16:50,720

perspective than most people because

450

00:16:55,269 --> 00:16:52,720

i've had the encounter so i know how

451
00:16:56,629 --> 00:16:55,279
people deal with it and how they react

452
00:16:59,269 --> 00:16:56,639
to it

453
00:17:01,749 --> 00:16:59,279
so um that i think that's a big help and

454
00:17:03,670 --> 00:17:01,759
i think it kind of helps me expanding

455
00:17:05,750 --> 00:17:03,680
myself

456
00:17:07,189 --> 00:17:05,760
i've been through a lot of

457
00:17:08,630 --> 00:17:07,199
a lot of different like i said a lot of

458
00:17:10,870 --> 00:17:08,640
different levels

459
00:17:11,909 --> 00:17:10,880
in as far as uh

460
00:17:13,429 --> 00:17:11,919
using

461
00:17:16,630 --> 00:17:13,439
my intuition

462
00:17:19,590 --> 00:17:16,640
my clear sentence to to work

463
00:17:21,750 --> 00:17:19,600

work cases and investigation

464

00:17:24,069 --> 00:17:21,760

yeah i i think it definitely helps you

465

00:17:26,069 --> 00:17:24,079

can watch some of these tv shows

466

00:17:27,909 --> 00:17:26,079

and i give them kudos for doing some of

467

00:17:29,750 --> 00:17:27,919

the things they do because

468

00:17:31,909 --> 00:17:29,760

you know you got to have

469

00:17:34,150 --> 00:17:31,919

the kudos to get out there and say okay

470

00:17:35,990 --> 00:17:34,160

i'm gonna do this but those people and

471

00:17:38,070 --> 00:17:36,000

and people joke about them you know some

472

00:17:40,310 --> 00:17:38,080

of them are heavy and and i say listen

473

00:17:41,750 --> 00:17:40,320

they're out there kicking it doing an

474

00:17:44,470 --> 00:17:41,760

investigation

475

00:17:47,430 --> 00:17:44,480

they're in the thick of the scary stuff

476

00:17:49,270 --> 00:17:47,440

getting scratched um

477

00:17:50,870 --> 00:17:49,280

you know all sorts of strange things

478

00:17:53,190 --> 00:17:50,880

from screams

479

00:17:54,950 --> 00:17:53,200

to to um

480

00:17:57,110 --> 00:17:54,960

go into your car after you're done and

481

00:17:59,830 --> 00:17:57,120

all of a sudden you see something in the

482

00:18:00,950 --> 00:17:59,840

in the driveway and one minute it'll be

483

00:18:01,909 --> 00:18:00,960

the shadow

484

00:18:03,029 --> 00:18:01,919

person

485

00:18:04,310 --> 00:18:03,039

um

486

00:18:06,470 --> 00:18:04,320

or it'll be

487

00:18:08,630 --> 00:18:06,480

you know some kind of ghostly apparition

488

00:18:10,310 --> 00:18:08,640

or sometimes it's 4d where you can see

489

00:18:12,789 --> 00:18:10,320

through the person and you're thinking

490

00:18:14,549 --> 00:18:12,799

to yourself okay did i see that so you

491

00:18:16,710 --> 00:18:14,559

always have to ask your friend hey did

492

00:18:18,870 --> 00:18:16,720

you see what i just saw

493

00:18:20,630 --> 00:18:18,880

yeah are we insane or what but no

494

00:18:22,070 --> 00:18:20,640

collectively i think i think there's

495

00:18:23,270 --> 00:18:22,080

definitely a lot out there we can't

496

00:18:25,510 --> 00:18:23,280

explain

497

00:18:27,029 --> 00:18:25,520

um but it's certainly fascinating you

498

00:18:28,549 --> 00:18:27,039

know

499

00:18:32,630 --> 00:18:28,559

so when did you start getting involved

500

00:18:38,070 --> 00:18:34,870

well i really probably haven't told a

501
00:18:41,190 --> 00:18:38,080
lot of people about this but when i was

502
00:18:43,510 --> 00:18:41,200
14 i went with my father to a class

503
00:18:44,870 --> 00:18:43,520
in maryland where he was teaching a

504
00:18:46,710 --> 00:18:44,880
dowsing class

505
00:18:47,430 --> 00:18:46,720
and we got to spend the night at one of

506
00:18:49,669 --> 00:18:47,440
the

507
00:18:51,510 --> 00:18:49,679
attendees houses

508
00:18:53,510 --> 00:18:51,520
and um so

509
00:18:56,310 --> 00:18:53,520
i was in my own room as a guest i was a

510
00:18:59,750 --> 00:18:56,320
big house

511
00:19:01,990 --> 00:18:59,760
and i woke up from a very extreme dream

512
00:19:03,750 --> 00:19:02,000
and i had to run over and wake up my dad

513
00:19:06,390 --> 00:19:03,760

i said dad i had the most frightening

514

00:19:07,909 --> 00:19:06,400

dream and i explained i was seeing a

515

00:19:10,470 --> 00:19:07,919

family of five

516

00:19:13,190 --> 00:19:10,480

i was seeing that one of the kids out of

517

00:19:15,350 --> 00:19:13,200

the family of five was murdered

518

00:19:17,590 --> 00:19:15,360

and everybody thought the parents did it

519

00:19:20,230 --> 00:19:17,600

but i said no it's not the parents he

520

00:19:22,549 --> 00:19:20,240

was in the orchard and got killed but i

521

00:19:24,950 --> 00:19:22,559

i think i thought it was a neighbor and

522

00:19:26,870 --> 00:19:24,960

that was what was implied and they were

523

00:19:30,710 --> 00:19:26,880

i said they're living on a hill

524

00:19:32,870 --> 00:19:30,720

in a trailer and not very far from here

525

00:19:33,750 --> 00:19:32,880

and uh it's a young boy so i'm going to

526

00:19:36,549 --> 00:19:33,760

say

527

00:19:38,710 --> 00:19:36,559

i'll guesstimate from my memory about 10

528

00:19:40,390 --> 00:19:38,720

and i said i think the person that

529

00:19:41,270 --> 00:19:40,400

killed him might have been an autistic

530

00:19:43,270 --> 00:19:41,280

kid

531

00:19:45,110 --> 00:19:43,280

and the family hid the body because they

532

00:19:47,669 --> 00:19:45,120

didn't want the autistic kid to get in

533

00:19:49,350 --> 00:19:47,679

trouble and you know autistic children

534

00:19:51,110 --> 00:19:49,360

if it's severe enough

535

00:19:53,270 --> 00:19:51,120

they're not fully aware of the fact that

536

00:19:55,830 --> 00:19:53,280

they have tremendous strength

537

00:19:57,590 --> 00:19:55,840

and um you know people do prosecute them

538

00:20:00,870 --> 00:19:57,600

but they really don't belong in a person

539

00:20:02,710 --> 00:20:00,880

they belong in a you know a

540

00:20:05,590 --> 00:20:02,720

psychiatric hospital i mean i do have

541

00:20:07,270 --> 00:20:05,600

compassion for that situation

542

00:20:09,350 --> 00:20:07,280

but um

543

00:20:12,310 --> 00:20:09,360

so i gave a lot more detail

544

00:20:13,909 --> 00:20:12,320

and um i guess that morning about eight

545

00:20:15,510 --> 00:20:13,919

o'clock so i went back to bed and about

546

00:20:17,110 --> 00:20:15,520

eight o'clock the woman where we were

547

00:20:19,110 --> 00:20:17,120

staying as a guest

548

00:20:21,669 --> 00:20:19,120

got a phone call from a local police

549

00:20:23,270 --> 00:20:21,679

officer saying we have a missing kid can

550

00:20:25,830 --> 00:20:23,280

you come out and help us

551
00:20:28,630 --> 00:20:25,840
and marlene said really and she had

552
00:20:30,710 --> 00:20:28,640
heard what what the the dream i had

553
00:20:33,029 --> 00:20:30,720
mentioned to my father

554
00:20:35,669 --> 00:20:33,039
and um she goes well come on over here

555
00:20:36,870 --> 00:20:35,679
and let me tell you what my little guest

556
00:20:39,190 --> 00:20:36,880
just said

557
00:20:40,789 --> 00:20:39,200
and i had what i had done was in the

558
00:20:42,630 --> 00:20:40,799
morning at breakfast i was drawing

559
00:20:44,230 --> 00:20:42,640
pictures of everything

560
00:20:46,149 --> 00:20:44,240
not because of the police i didn't know

561
00:20:48,950 --> 00:20:46,159
they were coming

562
00:20:50,549 --> 00:20:48,960
so he comes over and has coffee and

563
00:20:52,870 --> 00:20:50,559

he picks up one of the pictures and he

564

00:20:55,830 --> 00:20:52,880

goes what is this and it was a house

565

00:20:58,149 --> 00:20:55,840

that was square it was made of stone and

566

00:20:59,909 --> 00:20:58,159

it had a half moon driveway

567

00:21:02,950 --> 00:20:59,919

and in the center of the driveway was

568

00:21:03,830 --> 00:21:02,960

the only tree on the lot and um a water

569

00:21:05,830 --> 00:21:03,840

fountain

570

00:21:08,310 --> 00:21:05,840

and i said oh this is where we're going

571

00:21:10,310 --> 00:21:08,320

next and he goes what do you mean we i

572

00:21:11,590 --> 00:21:10,320

said i i don't know i guess we're just

573

00:21:14,630 --> 00:21:11,600

going here

574

00:21:16,870 --> 00:21:14,640

and i was 13 or 14 and

575

00:21:18,390 --> 00:21:16,880

he goes uh okay so let's go there and i

576
00:21:20,230 --> 00:21:18,400
said well what do you mean and he goes

577
00:21:22,230 --> 00:21:20,240
let's go so my father

578
00:21:24,070 --> 00:21:22,240
uh marlene who was also a psychic and

579
00:21:26,149 --> 00:21:24,080
did work for the police department we

580
00:21:28,789 --> 00:21:26,159
got in the car and went to

581
00:21:30,710 --> 00:21:28,799
this house with the stone building it

582
00:21:32,789 --> 00:21:30,720
was very specific well it turns out they

583
00:21:35,190 --> 00:21:32,799
caught that was the cops house and he

584
00:21:37,029 --> 00:21:35,200
was a little floored oh my god you she

585
00:21:37,909 --> 00:21:37,039
she drew this house that's exactly

586
00:21:40,950 --> 00:21:37,919
square

587
00:21:43,110 --> 00:21:40,960
only one tree one water fountain

588
00:21:44,789 --> 00:21:43,120

all the details he he just said i've

589

00:21:48,630 --> 00:21:44,799

never seen anything like that

590

00:21:51,270 --> 00:21:48,640

so um so that was my first police job

591

00:21:53,510 --> 00:21:51,280

and the story of the missing boy was

592

00:21:55,669 --> 00:21:53,520

all true and accurate but

593

00:21:57,669 --> 00:21:55,679

um at the time um

594

00:22:00,710 --> 00:21:57,679

in maryland i'm not sure that was in the

595

00:22:03,270 --> 00:22:00,720

early 70s i guess they didn't use canine

596

00:22:05,350 --> 00:22:03,280

that much i think had to use canine or

597

00:22:06,310 --> 00:22:05,360

if they use k9 now they'll probably find

598

00:22:07,110 --> 00:22:06,320

the boy

599

00:22:12,149 --> 00:22:07,120

but

600

00:22:14,630 --> 00:22:12,159

hill they did live in a trailer um they

601
00:22:16,470 --> 00:22:14,640
did have five kids and their neighbor at

602
00:22:18,310 --> 00:22:16,480
the other side of the the apple orchard

603
00:22:20,710 --> 00:22:18,320
was autistic and he was one of the

604
00:22:22,310 --> 00:22:20,720
suspects they originally suspected the

605
00:22:24,310 --> 00:22:22,320
family but i said no it's the artistic

606
00:22:26,149 --> 00:22:24,320
boy on the other side of the apple apple

607
00:22:27,830 --> 00:22:26,159
orchard and they said well how would you

608
00:22:29,430 --> 00:22:27,840
know about that i said i was told in a

609
00:22:31,270 --> 00:22:29,440
dream last night

610
00:22:33,830 --> 00:22:31,280
now i don't know how what happened to

611
00:22:35,270 --> 00:22:33,840
you after you're drowning but i think

612
00:22:37,830 --> 00:22:35,280
there's some kind of

613
00:22:39,669 --> 00:22:37,840

oxygen deprivation or

614

00:22:41,430 --> 00:22:39,679

uh change in the brain cells i'm not

615

00:22:44,070 --> 00:22:41,440

really quite sure but

616

00:22:46,950 --> 00:22:44,080

definitely the pictures the

617

00:22:48,870 --> 00:22:46,960

the um the visions grew

618

00:22:50,310 --> 00:22:48,880

bigger and better all the time year

619

00:22:52,070 --> 00:22:50,320

after year

620

00:22:53,110 --> 00:22:52,080

because the drowning

621

00:22:55,990 --> 00:22:53,120

so

622

00:22:57,510 --> 00:22:56,000

you said you're getting pictures too in

623

00:22:59,350 --> 00:22:57,520

your head correct

624

00:23:01,590 --> 00:22:59,360

oh yeah i get a um

625

00:23:05,990 --> 00:23:01,600

i i get specific

626

00:23:08,630 --> 00:23:06,000

uh images of things or people and

627

00:23:10,789 --> 00:23:08,640

the names just kind of pop up there i

628

00:23:13,270 --> 00:23:10,799

mean i mean i literally see the

629

00:23:15,029 --> 00:23:13,280

the names and block letters

630

00:23:17,510 --> 00:23:15,039

and um

631

00:23:19,430 --> 00:23:17,520

i see a lot of colors too and every time

632

00:23:20,870 --> 00:23:19,440

i've been able to associate the colors

633

00:23:25,510 --> 00:23:20,880

with certain

634

00:23:27,990 --> 00:23:25,520

spared energy vibrations and such so

635

00:23:30,710 --> 00:23:28,000

i i define it too which i i think is

636

00:23:31,750 --> 00:23:30,720

very helpful i mean i joke with people i

637

00:23:33,430 --> 00:23:31,760

say

638

00:23:35,270 --> 00:23:33,440

green is one of my favorite colors it's

639

00:23:37,350 --> 00:23:35,280

kelly green whenever i see that in an

640

00:23:40,470 --> 00:23:37,360

immense amount of color i know i'm going

641

00:23:42,870 --> 00:23:40,480

to get a big job in a big project

642

00:23:44,710 --> 00:23:42,880

because i am a treasure hunter

643

00:23:47,190 --> 00:23:44,720

it also means to me that i might be

644

00:23:49,190 --> 00:23:47,200

finding the treasure

645

00:23:51,590 --> 00:23:49,200

uh immediately

646

00:23:54,630 --> 00:23:51,600

to this morning i saw green and i saw

647

00:23:56,390 --> 00:23:54,640

like cobalt blue cobalt blue can be

648

00:23:57,669 --> 00:23:56,400

multiple amount of things which is like

649

00:24:04,789 --> 00:23:57,679

a

650

00:24:06,549 --> 00:24:04,799

person who's ill

651
00:24:08,390 --> 00:24:06,559
and so i know a person is going to call

652
00:24:10,630 --> 00:24:08,400
them up and want to talk to me about

653
00:24:13,029 --> 00:24:10,640
their illness and that kind of thing i

654
00:24:15,190 --> 00:24:13,039
don't like talking about illness i don't

655
00:24:17,029 --> 00:24:15,200
like like talking about the fact that

656
00:24:19,029 --> 00:24:17,039
people are going to pass and all that

657
00:24:21,350 --> 00:24:19,039
but sometimes we have stories and i'll

658
00:24:23,269 --> 00:24:21,360
explain you know one of them for example

659
00:24:25,590 --> 00:24:23,279
so let's say i saw purple and i have a

660
00:24:28,630 --> 00:24:25,600
client that came in and i said oh you're

661
00:24:30,630 --> 00:24:28,640
gonna talk to me about your um

662
00:24:33,510 --> 00:24:30,640
your ill husband and she goes no he's

663
00:24:36,149 --> 00:24:33,520

fine and i and i this was years ago and

664

00:24:37,029 --> 00:24:36,159

i said uh okay so

665

00:24:39,590 --> 00:24:37,039

i'm going to tell you right now you

666

00:24:41,590 --> 00:24:39,600

better insure him i don't know that he

667

00:24:43,350 --> 00:24:41,600

even has a year left

668

00:24:45,190 --> 00:24:43,360

and i said you know he's seeing other

669

00:24:47,990 --> 00:24:45,200

women no i didn't know that and i said

670

00:24:50,230 --> 00:24:48,000

well when he dies you're going to find

671

00:24:52,470 --> 00:24:50,240

he has presents for the girl underneath

672

00:24:54,310 --> 00:24:52,480

the passenger seat that he didn't get

673

00:24:56,950 --> 00:24:54,320

the chance to deliver

674

00:24:59,750 --> 00:24:56,960

and she said what i said yes so go

675

00:25:01,350 --> 00:24:59,760

insure him she was so pissed she insured

676
00:25:02,149 --> 00:25:01,360
him for a couple million and he signed

677
00:25:04,230 --> 00:25:02,159
it

678
00:25:05,669 --> 00:25:04,240
and um he

679
00:25:07,990 --> 00:25:05,679
in about eight months he died of a

680
00:25:09,430 --> 00:25:08,000
massive heart attack so she put her son

681
00:25:11,350 --> 00:25:09,440
through law school

682
00:25:13,750 --> 00:25:11,360
and he had screwed up the will and

683
00:25:15,990 --> 00:25:13,760
everything so she couldn't get anything

684
00:25:18,390 --> 00:25:16,000
and the son was a lawyer so he he made

685
00:25:20,789 --> 00:25:18,400
sure she got her money

686
00:25:23,190 --> 00:25:20,799
and they went through his car and in the

687
00:25:25,029 --> 00:25:23,200
passenger seat underneath the seat he

688
00:25:27,029 --> 00:25:25,039

had some jewelry for his new girlfriend

689

00:25:29,750 --> 00:25:27,039

with her name and everything

690

00:25:31,350 --> 00:25:29,760

and you gotta laugh lonnie it's it's a

691

00:25:33,190 --> 00:25:31,360

part of life you know

692

00:25:35,350 --> 00:25:33,200

and um i mean i have a lot of those

693

00:25:37,990 --> 00:25:35,360

weird stories sometimes i can say oh

694

00:25:39,750 --> 00:25:38,000

yeah the death is very very soon um

695

00:25:40,710 --> 00:25:39,760

sometimes it's drawn out sometimes it's

696

00:25:42,950 --> 00:25:40,720

not

697

00:25:44,710 --> 00:25:42,960

i had a sad story with a client where

698

00:25:46,950 --> 00:25:44,720

purple came in and

699

00:25:49,750 --> 00:25:46,960

um this was a regular client of mine

700

00:25:52,470 --> 00:25:49,760

from south carolina and i said

701
00:25:54,070 --> 00:25:52,480
did she had come in um

702
00:25:55,510 --> 00:25:54,080
when she had first got married and i

703
00:25:58,470 --> 00:25:55,520
said your husband doesn't have a long

704
00:26:00,710 --> 00:25:58,480
life if you can afford it purchase

705
00:26:02,870 --> 00:26:00,720
really big life insurance because you

706
00:26:05,269 --> 00:26:02,880
will be on your own i said i your sons

707
00:26:08,070 --> 00:26:05,279
look really short so i i don't it might

708
00:26:10,390 --> 00:26:08,080
be when they're 10 ages 10 to 15. i said

709
00:26:13,269 --> 00:26:10,400
that's a broad year time frame but

710
00:26:15,510 --> 00:26:13,279
i didn't even know her sons were short

711
00:26:17,750 --> 00:26:15,520
and that's why they look so young

712
00:26:20,870 --> 00:26:17,760
but but he actually died when they were

713
00:26:23,110 --> 00:26:20,880

15 and she had insured him

714

00:26:25,110 --> 00:26:23,120

and so she won like you know like 2

715

00:26:27,909 --> 00:26:25,120

million or something with the with the

716

00:26:30,310 --> 00:26:27,919

insurance um and she got to retire early

717

00:26:33,029 --> 00:26:30,320

because it was so stressful he had um

718

00:26:35,750 --> 00:26:33,039

extreme diabetes and

719

00:26:38,870 --> 00:26:35,760

oh it was terrible arthritis

720

00:26:41,750 --> 00:26:38,880

so that was a unique search circumstance

721

00:26:44,310 --> 00:26:41,760

um so that was the purple

722

00:26:47,029 --> 00:26:44,320

sometimes purple comes in also when and

723

00:26:48,789 --> 00:26:47,039

here's a couple little stories um

724

00:26:50,549 --> 00:26:48,799

i saw purple one morning and it kept

725

00:26:52,310 --> 00:26:50,559

coming in and coming in and i thought

726
00:26:54,470 --> 00:26:52,320
wow that's a big emergency because it

727
00:26:55,590 --> 00:26:54,480
was so impacting on me

728
00:26:57,430 --> 00:26:55,600
and

729
00:26:58,710 --> 00:26:57,440
that morning i woke up from my daughter

730
00:27:01,669 --> 00:26:58,720
screaming

731
00:27:03,830 --> 00:27:01,679
and she apparently had pulled a muscle

732
00:27:07,350 --> 00:27:03,840
so bad i had to literally put her in the

733
00:27:09,350 --> 00:27:07,360
car rush her to the hospital and she she

734
00:27:10,549 --> 00:27:09,360
i guess it was just so incredibly

735
00:27:11,350 --> 00:27:10,559
painful

736
00:27:13,909 --> 00:27:11,360
that

737
00:27:15,669 --> 00:27:13,919
i'm the so the purple is a confirmation

738
00:27:18,950 --> 00:27:15,679

to me oh yes you're going to have to

739

00:27:20,789 --> 00:27:18,960

deal with a client or a family member

740

00:27:22,549 --> 00:27:20,799

with a medical problem and that's what i

741

00:27:24,389 --> 00:27:22,559

had to do that morning

742

00:27:25,990 --> 00:27:24,399

um i mean i've had those weird

743

00:27:28,230 --> 00:27:26,000

circumstances

744

00:27:31,110 --> 00:27:28,240

um and then of course i have

745

00:27:32,950 --> 00:27:31,120

odd situations where somebody will call

746

00:27:34,549 --> 00:27:32,960

and say how long do you think my husband

747

00:27:35,350 --> 00:27:34,559

has and i'll say well here's the good

748

00:27:37,590 --> 00:27:35,360

news

749

00:27:39,350 --> 00:27:37,600

if you consider looking at these five

750

00:27:41,110 --> 00:27:39,360

doctors in these different categories

751
00:27:43,750 --> 00:27:41,120
you could save your husband

752
00:27:46,070 --> 00:27:43,760
and so some women will do whatever they

753
00:27:48,070 --> 00:27:46,080
got to do to save their husband i have

754
00:27:50,149 --> 00:27:48,080
one right now who's trying really hard

755
00:27:52,630 --> 00:27:50,159
to get him to the right people and i'm

756
00:27:54,549 --> 00:27:52,640
gonna cross my fingers because uh

757
00:27:56,549 --> 00:27:54,559
he is severely ill

758
00:27:59,510 --> 00:27:56,559
and um but there's so many good

759
00:28:03,190 --> 00:27:59,520
alternative options for cancer or

760
00:28:05,590 --> 00:28:03,200
for whatever else he has so um that

761
00:28:08,710 --> 00:28:05,600
that's the good news on on the cancer

762
00:28:10,389 --> 00:28:08,720
level um there was just for your your

763
00:28:13,110 --> 00:28:10,399

clients or listeners there's so many

764

00:28:16,389 --> 00:28:13,120

good cbd gummies out there now that are

765

00:28:18,470 --> 00:28:16,399

very helpful with cancer and legally i

766

00:28:21,190 --> 00:28:18,480

can't give diagnosis no treatment but

767

00:28:22,950 --> 00:28:21,200

they can do the research and see what

768

00:28:25,350 --> 00:28:22,960

they need for their loved one or

769

00:28:28,789 --> 00:28:25,360

themselves but there are some really

770

00:28:31,350 --> 00:28:28,799

great uh gummies or cbds that will will

771

00:28:33,510 --> 00:28:31,360

really make a difference

772

00:28:35,350 --> 00:28:33,520

yep good good stuff

773

00:28:37,750 --> 00:28:35,360

so those are you know the so the first

774

00:28:40,230 --> 00:28:37,760

case i worked on was when i was really

775

00:28:44,070 --> 00:28:40,240

young and my father wasn't one to go

776

00:28:46,710 --> 00:28:44,080

public um on my casework because um my

777

00:28:50,549 --> 00:28:46,720

mom kept saying she called me a freak i

778

00:28:52,070 --> 00:28:50,559

was uh one of uh five and um i think my

779

00:28:54,149 --> 00:28:52,080

both my parents had a little bit of the

780

00:28:58,470 --> 00:28:54,159

ability um

781

00:29:00,230 --> 00:28:58,480

my i'm a twin she has a little bit um my

782

00:29:02,149 --> 00:29:00,240

brother used to call me with a dream and

783

00:29:04,789 --> 00:29:02,159

say oh i had a dream about this this and

784

00:29:06,630 --> 00:29:04,799

this and i would i would analyze it and

785

00:29:08,710 --> 00:29:06,640

say oh it means this

786

00:29:10,310 --> 00:29:08,720

um and then other times my brother

787

00:29:13,190 --> 00:29:10,320

wouldn't move on it he would tell me

788

00:29:15,750 --> 00:29:13,200

about after the fact we had an aunt who

789

00:29:18,310 --> 00:29:15,760

got killed um and you could almost say

790

00:29:20,470 --> 00:29:18,320

murdered and what happened was he had

791

00:29:22,630 --> 00:29:20,480

the dream and he um

792

00:29:24,830 --> 00:29:22,640

he had a dream that they were going down

793

00:29:27,510 --> 00:29:24,840

to the basement and he said the flu was

794

00:29:29,510 --> 00:29:27,520

clogged and because of that there was a

795

00:29:31,269 --> 00:29:29,520

death that he didn't know who and he

796

00:29:33,669 --> 00:29:31,279

knew which house it was because i had a

797

00:29:34,789 --> 00:29:33,679

grandmother with a victorian home

798

00:29:36,950 --> 00:29:34,799

and

799

00:29:39,669 --> 00:29:36,960

my aunt died he didn't

800

00:29:40,470 --> 00:29:39,679

he didn't move on it and clean the flu

801
00:29:41,350 --> 00:29:40,480

so

802
00:29:42,870 --> 00:29:41,360

um

803
00:29:44,710 --> 00:29:42,880

you know these are some of the weird

804
00:29:47,830 --> 00:29:44,720

things that do happen

805
00:29:50,149 --> 00:29:47,840

um so of course my my my abilities i

806
00:29:52,149 --> 00:29:50,159

mean i stick to where i'm an expert i

807
00:29:53,990 --> 00:29:52,159

mean lately people have been calling me

808
00:29:55,190 --> 00:29:54,000

for some things and i do turn them away

809
00:29:57,909 --> 00:29:55,200

sometimes

810
00:29:58,950 --> 00:29:57,919

or i can refer them to someone or i just

811
00:30:01,430 --> 00:29:58,960

say

812
00:30:02,230 --> 00:30:01,440

this kind of job doesn't interest me

813
00:30:06,149 --> 00:30:02,240

um

814

00:30:07,029 --> 00:30:06,159

yeah you know it's a

815

00:30:08,549 --> 00:30:07,039

it's

816

00:30:10,230 --> 00:30:08,559

my work is a little

817

00:30:12,710 --> 00:30:10,240

more weirder than yours in the sense

818

00:30:14,549 --> 00:30:12,720

that i have to deal with these clients i

819

00:30:16,870 --> 00:30:14,559

mean you have to deal with witnesses i

820

00:30:19,190 --> 00:30:16,880

have to deal with people that are in the

821

00:30:21,830 --> 00:30:19,200

thick of it that are so traumatic

822

00:30:23,269 --> 00:30:21,840

they're just so traumatized i mean

823

00:30:25,830 --> 00:30:23,279

they're emotionally out of control

824

00:30:28,230 --> 00:30:25,840

sometimes with the true crime case work

825

00:30:30,470 --> 00:30:28,240

um so thank god i do treasure hunting

826

00:30:32,630 --> 00:30:30,480

because it's a lot more fun yeah what's

827

00:30:35,269 --> 00:30:32,640

that all about i mean i didn't i didn't

828

00:30:36,950 --> 00:30:35,279

really realize you were into that until

829

00:30:39,830 --> 00:30:36,960

last few years

830

00:30:41,590 --> 00:30:39,840

so uh what uh how did you get started

831

00:30:43,269 --> 00:30:41,600

and how that progressed and what you

832

00:30:44,710 --> 00:30:43,279

doing now

833

00:30:47,590 --> 00:30:44,720

so um

834

00:30:49,269 --> 00:30:47,600

years ago i what i did with my father is

835

00:30:50,389 --> 00:30:49,279

i would do a lot of his marketing and

836

00:30:51,909 --> 00:30:50,399

booking for

837

00:30:53,830 --> 00:30:51,919

lectures and that kind of thing and i

838

00:30:56,549 --> 00:30:53,840

said well let's you know so i would sort

839

00:30:57,909 --> 00:30:56,559

of i would cheat like while i give world

840

00:31:00,549 --> 00:30:57,919

world events i would give him

841

00:31:02,470 --> 00:31:00,559

predictions on his events and his

842

00:31:05,269 --> 00:31:02,480

marketing and see what was coming up in

843

00:31:07,350 --> 00:31:05,279

the world you know for the um things

844

00:31:09,830 --> 00:31:07,360

that were of interest to people or what

845

00:31:11,029 --> 00:31:09,840

were the new hobbies and i said dad

846

00:31:13,190 --> 00:31:11,039

you're not going to believe it treasure

847

00:31:15,350 --> 00:31:13,200

hunting is going to become a thing and i

848

00:31:18,470 --> 00:31:15,360

said ghost hunting is going to be big

849

00:31:21,430 --> 00:31:18,480

big big but not big yet and i said but

850

00:31:23,190 --> 00:31:21,440

it's coming and so i got involved with

851
00:31:24,230 --> 00:31:23,200
the fortian organization you know who

852
00:31:26,789 --> 00:31:24,240
they are

853
00:31:29,430 --> 00:31:26,799
and loved that stuff that was really

854
00:31:31,430 --> 00:31:29,440
quite concrete people were great

855
00:31:33,830 --> 00:31:31,440
authentic um

856
00:31:36,070 --> 00:31:33,840
just the facts ma'am you know and and

857
00:31:38,310 --> 00:31:36,080
then um

858
00:31:40,549 --> 00:31:38,320
my dad i got my dad into treasure

859
00:31:42,389 --> 00:31:40,559
hunting and he sort of

860
00:31:44,789 --> 00:31:42,399
he sort of fell into it he was giving

861
00:31:47,669 --> 00:31:44,799
classes on dowsing and people would ask

862
00:31:49,909 --> 00:31:47,679
him to work on their treasure hunt and

863
00:31:51,750 --> 00:31:49,919

sometimes he found things um our most

864

00:31:53,350 --> 00:31:51,760

successful stuff other than the al

865

00:31:56,149 --> 00:31:53,360

capone job i did

866

00:31:58,149 --> 00:31:56,159

was at the beach i mean we've my dad

867

00:32:00,789 --> 00:31:58,159

found buckets of stuff

868

00:32:02,549 --> 00:32:00,799

and um we would we would narrow down the

869

00:32:05,669 --> 00:32:02,559

day the time

870

00:32:08,230 --> 00:32:05,679

the depth um and of course we have you

871

00:32:09,509 --> 00:32:08,240

know america sells great metal detecting

872

00:32:10,310 --> 00:32:09,519

equipment now

873

00:32:12,310 --> 00:32:10,320

um

874

00:32:14,630 --> 00:32:12,320

and i have a couple of guys that have

875

00:32:17,269 --> 00:32:14,640

purchased expensive as it is it's still

876

00:32:21,269 --> 00:32:17,279

worth it um they have purchased the

877

00:32:23,269 --> 00:32:21,279

drones that have lidar or the

878

00:32:26,310 --> 00:32:23,279

um magnetometers

879

00:32:30,070 --> 00:32:26,320

and i mean so you can narrow down

880

00:32:33,110 --> 00:32:30,080

literally with the gps so all gps areas

881

00:32:35,029 --> 00:32:33,120

and fine stuff and um they're using the

882

00:32:36,870 --> 00:32:35,039

same equipment to double check it you go

883

00:32:39,190 --> 00:32:36,880

out in the field and within seven

884

00:32:42,789 --> 00:32:39,200

minutes you have treasure i mean it's

885

00:32:44,789 --> 00:32:42,799

it's utterly amazing

886

00:32:45,909 --> 00:32:44,799

do you ever do every metal detector you

887

00:32:51,430 --> 00:32:45,919

don't

888

00:32:53,990 --> 00:32:51,440

i have thought about it in the past

889

00:32:56,470 --> 00:32:54,000

but i haven't done it um

890

00:32:58,389 --> 00:32:56,480

i'm fascinated by it you know it's just

891

00:33:00,630 --> 00:32:58,399

like this whole oak island thing that's

892

00:33:04,070 --> 00:33:00,640

been going on now for whenever you know

893

00:33:07,750 --> 00:33:05,430

and uh

894

00:33:10,070 --> 00:33:07,760

you know what's going on there now

895

00:33:13,430 --> 00:33:10,080

and supposedly that something to do with

896

00:33:16,630 --> 00:33:13,440

portugal and the templars and whatever

897

00:33:18,149 --> 00:33:16,640

but um i i'm more interested i i could

898

00:33:19,830 --> 00:33:18,159

care less if they find anything be

899

00:33:21,509 --> 00:33:19,840

honest with you i'm more interested in

900

00:33:24,789 --> 00:33:21,519

the history and some of some of the

901
00:33:26,789 --> 00:33:24,799
things that are coming up with it uh but

902
00:33:28,149 --> 00:33:26,799
um i mean if they find something they

903
00:33:30,149 --> 00:33:28,159
find something

904
00:33:31,909 --> 00:33:30,159
uh do you have any thoughts on that

905
00:33:34,149 --> 00:33:31,919
incident

906
00:33:36,870 --> 00:33:34,159
um they did call my dad and asked us to

907
00:33:39,990 --> 00:33:36,880
work on their project uh years like in

908
00:33:41,430 --> 00:33:40,000
their first year and they did not offer

909
00:33:43,269 --> 00:33:41,440
compensation

910
00:33:45,110 --> 00:33:43,279
and they they originally went to the

911
00:33:46,789 --> 00:33:45,120
american society of dowsers which i

912
00:33:48,230 --> 00:33:46,799
promote frequently because if you want

913
00:33:50,549 --> 00:33:48,240

to learn dowsing that's where you got to

914

00:33:53,110 --> 00:33:50,559

go what's so great about it it helps you

915

00:33:54,310 --> 00:33:53,120

pinpoint both true crime missing objects

916

00:33:55,750 --> 00:33:54,320

and treasure

917

00:33:57,350 --> 00:33:55,760

and so

918

00:33:59,430 --> 00:33:57,360

so they originally went there and they

919

00:34:01,029 --> 00:33:59,440

heard about my father from his

920

00:34:02,950 --> 00:34:01,039

goings-on with

921

00:34:04,630 --> 00:34:02,960

some true crime he didn't he quit doing

922

00:34:06,310 --> 00:34:04,640

true crime he wasn't comfortable with it

923

00:34:08,629 --> 00:34:06,320

after a while he didn't like the

924

00:34:10,069 --> 00:34:08,639

attitude with the police departments

925

00:34:12,629 --> 00:34:10,079

um and

926
00:34:15,109 --> 00:34:12,639
so he he stuck with the treasure hunting

927
00:34:17,510 --> 00:34:15,119
and with uh we did we did a lot of good

928
00:34:19,990 --> 00:34:17,520
work with uh crystal mining

929
00:34:23,270 --> 00:34:20,000
and we work with a guy out of arkansas

930
00:34:25,829 --> 00:34:23,280
and um we would douse an area and dig

931
00:34:28,790 --> 00:34:25,839
and sometimes we would find crystals

932
00:34:31,430 --> 00:34:28,800
40 pounds 20 pounds 60 pounds i mean

933
00:34:33,349 --> 00:34:31,440
solid solid crystal shocking but

934
00:34:35,829 --> 00:34:33,359
it was really great stuff

935
00:34:38,310 --> 00:34:35,839
um so on treasure hunting the thing

936
00:34:40,230 --> 00:34:38,320
about uh for example one of my projects

937
00:34:42,710 --> 00:34:40,240
i'll talk about two of them

938
00:34:46,230 --> 00:34:42,720

and one of them is we recently found

939

00:34:49,349 --> 00:34:46,240

last september um an oil lamp

940

00:34:52,950 --> 00:34:49,359

uh from the 300s a.d in the new england

941

00:34:56,389 --> 00:34:52,960

area and then he had his friends go out

942

00:34:58,230 --> 00:34:56,399

with a boat with magnetometers and lidar

943

00:34:59,589 --> 00:34:58,240

and they actually found the ship that

944

00:35:02,390 --> 00:34:59,599

went with the

945

00:35:04,069 --> 00:35:02,400

uh the lamp the oil lamp so in the 380

946

00:35:06,150 --> 00:35:04,079

time frame what they did was of course

947

00:35:08,470 --> 00:35:06,160

they didn't like light bulbs so they

948

00:35:10,790 --> 00:35:08,480

used an oil and a lamp and they would

949

00:35:12,390 --> 00:35:10,800

light themselves like light the way to

950

00:35:14,790 --> 00:35:12,400

to get wherever they were going or get

951
00:35:18,230 --> 00:35:14,800
to see the water and what was happening

952
00:35:19,829 --> 00:35:18,240
um but we have not moved forward yet

953
00:35:22,150 --> 00:35:19,839
with that with the

954
00:35:24,310 --> 00:35:22,160
the state curator but we're going to

955
00:35:26,310 --> 00:35:24,320
have to eventually um they're going to

956
00:35:28,790 --> 00:35:26,320
go out and do some more and the reason

957
00:35:30,710 --> 00:35:28,800
we haven't moved to forward too quickly

958
00:35:32,230 --> 00:35:30,720
is we've only found a few things the

959
00:35:34,390 --> 00:35:32,240
lamp in itself there's only two in the

960
00:35:38,390 --> 00:35:34,400
world that was amazing

961
00:35:39,750 --> 00:35:38,400
um there was a a knife uh the ship is

962
00:35:42,550 --> 00:35:39,760
intact

963
00:35:44,790 --> 00:35:42,560

there was um

964

00:35:45,750 --> 00:35:44,800

a penny well i can't call it a penny a

965

00:35:48,550 --> 00:35:45,760

coin

966

00:35:50,310 --> 00:35:48,560

and it was labeled 328

967

00:35:52,870 --> 00:35:50,320

a.d

968

00:35:54,390 --> 00:35:52,880

what civilization was it

969

00:35:56,790 --> 00:35:54,400

i don't know it's you know i you know i

970

00:35:58,150 --> 00:35:56,800

have a picture of everything um

971

00:35:59,670 --> 00:35:58,160

you know and if you get to the point

972

00:36:01,589 --> 00:35:59,680

where you're just too curious i'll hook

973

00:36:02,950 --> 00:36:01,599

you up to my trailer hunter a lot of

974

00:36:05,510 --> 00:36:02,960

them um

975

00:36:06,710 --> 00:36:05,520

keep their cards close to their chest

976

00:36:09,750 --> 00:36:06,720

um

977

00:36:11,349 --> 00:36:09,760

for example so so on that one we're he's

978

00:36:14,710 --> 00:36:11,359

going back out but we're going after

979

00:36:16,870 --> 00:36:14,720

knight's templar we're going after

980

00:36:18,950 --> 00:36:16,880

let's see some more al capone

981

00:36:21,349 --> 00:36:18,960

items um

982

00:36:24,150 --> 00:36:21,359

i not bugsy siegel i'm one of the other

983

00:36:27,589 --> 00:36:24,160

guys that that traveled north i mean the

984

00:36:29,109 --> 00:36:27,599

the um italians were pretty amazing

985

00:36:31,109 --> 00:36:29,119

with their

986

00:36:32,630 --> 00:36:31,119

um

987

00:36:35,349 --> 00:36:32,640

hiding of money

988

00:36:37,750 --> 00:36:35,359

and um you know and i can't say much my

989

00:36:39,190 --> 00:36:37,760

dad was italian

990

00:36:41,430 --> 00:36:39,200

and um

991

00:36:44,069 --> 00:36:41,440

i mean they just i mean he he always

992

00:36:45,589 --> 00:36:44,079

taught us to hide stuff um i have i have

993

00:36:48,230 --> 00:36:45,599

a little bit of a problem when i hide

994

00:36:49,829 --> 00:36:48,240

stuff if i hide five items sometimes it

995

00:36:51,510 --> 00:36:49,839

takes me a year to find the fifth one

996

00:36:52,950 --> 00:36:51,520

because i hide it so well

997

00:36:55,030 --> 00:36:52,960

um

998

00:36:56,790 --> 00:36:55,040

yeah i unders i get that

999

00:36:58,230 --> 00:36:56,800

yeah you put you like oh this is a

1000

00:37:01,109 --> 00:36:58,240

really safe place

1001
00:37:02,870 --> 00:37:01,119
um i just hit the tv remote and i'm

1002
00:37:03,829 --> 00:37:02,880
thinking i can't it's been missing for a

1003
00:37:05,670 --> 00:37:03,839
month

1004
00:37:07,750 --> 00:37:05,680
five other things i found them you know

1005
00:37:09,589 --> 00:37:07,760
yay but

1006
00:37:12,550 --> 00:37:09,599
after a while it's like stop hiding it

1007
00:37:14,790 --> 00:37:12,560
so well um and i do i do use the dowsing

1008
00:37:15,750 --> 00:37:14,800
to locate stuff which does happen it's

1009
00:37:17,349 --> 00:37:15,760
great

1010
00:37:21,670 --> 00:37:17,359
um so

1011
00:37:22,870 --> 00:37:21,680
we're we're gonna go to press on that

1012
00:37:24,470 --> 00:37:22,880
eventually

1013
00:37:26,470 --> 00:37:24,480

um so

1014

00:37:29,030 --> 00:37:26,480

i have another one where

1015

00:37:31,270 --> 00:37:29,040

i have a guy out in the southwest and

1016

00:37:33,030 --> 00:37:31,280

we're going after nephilim's which are

1017

00:37:36,470 --> 00:37:33,040

the giant people

1018

00:37:38,470 --> 00:37:36,480

and um years ago i guess in the 40s they

1019

00:37:40,390 --> 00:37:38,480

found a few skulls

1020

00:37:42,310 --> 00:37:40,400

from scientists and they rushed them

1021

00:37:43,910 --> 00:37:42,320

away and and hid them

1022

00:37:46,310 --> 00:37:43,920

uh i guess they thought the public

1023

00:37:48,829 --> 00:37:46,320

couldn't handle the idea of

1024

00:37:51,910 --> 00:37:48,839

somebody being you know eight or 13 feet

1025

00:37:53,510 --> 00:37:51,920

tall um so and that's one of the

1026

00:37:56,230 --> 00:37:53,520

dilemmas you know the good the bad and

1027

00:37:58,550 --> 00:37:56,240

the ugly of the paranormal is you know

1028

00:38:01,829 --> 00:37:58,560

um it's it's so complicated on my end

1029

00:38:05,030 --> 00:38:01,839

it's it's typically very complicated um

1030

00:38:05,829 --> 00:38:05,040

on on the al capone case i used dowsing

1031

00:38:08,390 --> 00:38:05,839

and

1032

00:38:09,750 --> 00:38:08,400

found over 60 bars of silver among other

1033

00:38:11,589 --> 00:38:09,760

things

1034

00:38:13,670 --> 00:38:11,599

in southern illinois

1035

00:38:15,349 --> 00:38:13,680

and the client

1036

00:38:18,310 --> 00:38:15,359

i wasn't there the client went to the

1037

00:38:20,310 --> 00:38:18,320

area and i pinpointed a radius i said do

1038

00:38:23,750 --> 00:38:20,320

a 10 by 10 box

1039

00:38:26,150 --> 00:38:23,760

and um 10 foot by 10 foot and go there

1040

00:38:29,349 --> 00:38:26,160

and he took lidar out um not i'm sorry

1041

00:38:30,310 --> 00:38:29,359

not lidar um ground penetrating radar

1042

00:38:33,190 --> 00:38:30,320

and

1043

00:38:36,710 --> 00:38:33,200

um their first hit they dug like two

1044

00:38:39,990 --> 00:38:36,720

feet and they found a trunk hood

1045

00:38:41,670 --> 00:38:40,000

and um when they did they pulled it up

1046

00:38:43,829 --> 00:38:41,680

and they said jeanette oh it's only an

1047

00:38:45,510 --> 00:38:43,839

old trunk hood that's all you found and

1048

00:38:47,190 --> 00:38:45,520

i said no why would i put you in the

1049

00:38:49,670 --> 00:38:47,200

middle of nowhere

1050

00:38:51,829 --> 00:38:49,680

on a farm and we know for a fact they

1051

00:38:53,670 --> 00:38:51,839

were there we know for a fact this was

1052

00:38:55,910 --> 00:38:53,680

one of their bed and breakfast

1053

00:38:58,069 --> 00:38:55,920

and they said okay i said do the ground

1054

00:39:00,069 --> 00:38:58,079

penetrating radar again

1055

00:39:02,230 --> 00:39:00,079

and they did and when they did they dug

1056

00:39:04,950 --> 00:39:02,240

two more feet they had a reaction dug

1057

00:39:06,950 --> 00:39:04,960

two more feet and found over 60 bars of

1058

00:39:08,870 --> 00:39:06,960

silver from a

1059

00:39:10,390 --> 00:39:08,880

robbery from the u.s government from the

1060

00:39:12,150 --> 00:39:10,400

mint

1061

00:39:13,270 --> 00:39:12,160

and that had to be an inside job i'm

1062

00:39:14,550 --> 00:39:13,280

sure

1063

00:39:16,630 --> 00:39:14,560

you know

1064

00:39:18,550 --> 00:39:16,640

but i mean i do i do find stuff i mean i

1065

00:39:19,430 --> 00:39:18,560

had a client in austria he found some

1066

00:39:20,550 --> 00:39:19,440

things

1067

00:39:22,710 --> 00:39:20,560

um

1068

00:39:25,030 --> 00:39:22,720

so we find them periodically but for

1069

00:39:25,910 --> 00:39:25,040

example i get calls on missing animals

1070

00:39:28,150 --> 00:39:25,920

which

1071

00:39:31,430 --> 00:39:28,160

are pretty tough that that work is

1072

00:39:33,270 --> 00:39:31,440

really tough stuff um the people are

1073

00:39:35,510 --> 00:39:33,280

it's almost you know like let's say i

1074

00:39:37,589 --> 00:39:35,520

have the client betty and she calls and

1075

00:39:40,470 --> 00:39:37,599

her dog is missing i'm seeing a lot of

1076

00:39:43,349 --> 00:39:40,480

kidnapping of cats and dogs um

1077

00:39:44,790 --> 00:39:43,359

especially if it's a you know a purebred

1078

00:39:46,630 --> 00:39:44,800

or something

1079

00:39:48,790 --> 00:39:46,640

and it's it's really bizarre i mean

1080

00:39:50,790 --> 00:39:48,800

people are reselling them you know oh i

1081

00:39:51,990 --> 00:39:50,800

found this beautiful dog and well i'm

1082

00:39:53,510 --> 00:39:52,000

sorry they don't say they found it they

1083

00:39:54,790 --> 00:39:53,520

said oh yeah my mom doesn't want her dog

1084

00:39:57,190 --> 00:39:54,800

anymore lie

1085

00:39:59,430 --> 00:39:57,200

and they sell it for a couple grand um

1086

00:40:01,990 --> 00:39:59,440

for example russian blues those cats are

1087

00:40:05,030 --> 00:40:02,000

worth two thousand dollars i know

1088

00:40:07,829 --> 00:40:05,040

it's crazy i mean you've got a tomcat i

1089

00:40:09,109 --> 00:40:07,839

i'd rather have my tomcat cries or not

1090

00:40:11,030 --> 00:40:09,119

you know

1091

00:40:13,430 --> 00:40:11,040

but i don't let my cat out let's put it

1092

00:40:15,750 --> 00:40:13,440

that way

1093

00:40:17,829 --> 00:40:15,760

your cat's an inside cat

1094

00:40:19,109 --> 00:40:17,839

yeah well yeah yeah they have to get

1095

00:40:21,030 --> 00:40:19,119

tortured by us

1096

00:40:23,030 --> 00:40:21,040

but uh so there's some of the things

1097

00:40:25,270 --> 00:40:23,040

that i do um

1098

00:40:27,430 --> 00:40:25,280

i i'm trying to think what else i do i

1099

00:40:30,230 --> 00:40:27,440

am yeah and i'm not always perfect at

1100

00:40:31,910 --> 00:40:30,240

all my case work i mean i i do laugh i

1101
00:40:33,750 --> 00:40:31,920
mean i had a woman call about some

1102
00:40:35,270 --> 00:40:33,760
missing gold coins

1103
00:40:37,910 --> 00:40:35,280
and

1104
00:40:40,069 --> 00:40:37,920
here's one of the complications she said

1105
00:40:41,750 --> 00:40:40,079
no i live by myself she lied she was

1106
00:40:44,710 --> 00:40:41,760
living with mom and dad

1107
00:40:46,309 --> 00:40:44,720
and i said so i need your street address

1108
00:40:48,390 --> 00:40:46,319
and i believe at first she gave me her

1109
00:40:50,309 --> 00:40:48,400
apartment address where she lived by

1110
00:40:51,990 --> 00:40:50,319
herself and then she moved back in with

1111
00:40:54,069 --> 00:40:52,000
her parents and that's where all the

1112
00:40:57,030 --> 00:40:54,079
gold coins were from don't give me the

1113
00:40:58,870 --> 00:40:57,040

wrong information give me

1114

00:41:01,270 --> 00:40:58,880

how am i going to find your stuff if

1115

00:41:03,349 --> 00:41:01,280

you're giving me the wrong location i i

1116

00:41:06,309 --> 00:41:03,359

get that too you know when i'm at people

1117

00:41:08,630 --> 00:41:06,319

you know i don't know why but people for

1118

00:41:09,510 --> 00:41:08,640

whatever reason i don't know you know

1119

00:41:11,750 --> 00:41:09,520

they just

1120

00:41:13,510 --> 00:41:11,760

yeah it's complicated it's like come on

1121

00:41:14,790 --> 00:41:13,520

dude you don't have to

1122

00:41:15,829 --> 00:41:14,800

i'm not coming to your house i'm not

1123

00:41:17,670 --> 00:41:15,839

going to knock on your door i'm not

1124

00:41:20,230 --> 00:41:17,680

going to drive you crazy

1125

00:41:22,309 --> 00:41:20,240

you know you met the alien okay i'll

1126

00:41:23,589 --> 00:41:22,319

write up the witness information that's

1127

00:41:25,990 --> 00:41:23,599

all i want to do

1128

00:41:28,630 --> 00:41:26,000

yeah i um i just had a nasty grant from

1129

00:41:31,349 --> 00:41:28,640

a client this is a funny one this is the

1130

00:41:33,990 --> 00:41:31,359

ugly on on some of the paranormal um i

1131

00:41:36,309 --> 00:41:34,000

did a job and she wrote her sister a

1132

00:41:37,829 --> 00:41:36,319

nasty note about me

1133

00:41:41,349 --> 00:41:37,839

and i gave her a really really good

1134

00:41:43,030 --> 00:41:41,359

price on on her missing child adult

1135

00:41:44,870 --> 00:41:43,040

child

1136

00:41:46,630 --> 00:41:44,880

and um

1137

00:41:48,470 --> 00:41:46,640

the daughter was found

1138

00:41:50,069 --> 00:41:48,480

deceased unfortunately

1139

00:41:51,109 --> 00:41:50,079

and the only reason they looked in the

1140

00:41:53,030 --> 00:41:51,119

river

1141

00:41:55,910 --> 00:41:53,040

with canine was because i said she's in

1142

00:41:57,670 --> 00:41:55,920

the river further up west i said i can't

1143

00:42:00,790 --> 00:41:57,680

tell how far because when a body is in

1144

00:42:02,950 --> 00:42:00,800

the water it moves all over the place

1145

00:42:05,430 --> 00:42:02,960

it can be thrown into little holes it

1146

00:42:07,270 --> 00:42:05,440

can be thrown up on land everything well

1147

00:42:09,270 --> 00:42:07,280

she wrote her sister nasty gram about me

1148

00:42:10,470 --> 00:42:09,280

but guess what she accidentally sent it

1149

00:42:12,069 --> 00:42:10,480

to me

1150

00:42:14,069 --> 00:42:12,079

and i thought oh my god

1151

00:42:16,309 --> 00:42:14,079

oh god what that

1152

00:42:19,349 --> 00:42:16,319

you know so so i was like okay gotta

1153

00:42:21,270 --> 00:42:19,359

back off from this family so again good

1154

00:42:23,510 --> 00:42:21,280

bad and ugly you know other and other

1155

00:42:26,309 --> 00:42:23,520

people uh i will tell you i have people

1156

00:42:28,870 --> 00:42:26,319

that treat me really great um i don't

1157

00:42:29,670 --> 00:42:28,880

charge a ton of money and i love what i

1158

00:42:30,790 --> 00:42:29,680

do

1159

00:42:32,390 --> 00:42:30,800

you know

1160

00:42:34,630 --> 00:42:32,400

yeah i know you do

1161

00:42:37,349 --> 00:42:34,640

uh i've got some people asking in the

1162

00:42:38,390 --> 00:42:37,359

chat about the uh the nephilim and the

1163

00:42:39,670 --> 00:42:38,400

giants

1164

00:42:41,990 --> 00:42:39,680

can you kind of

1165

00:42:45,430 --> 00:42:42,000

go into more detail with that

1166

00:42:46,870 --> 00:42:45,440

well um what i do is um first what i

1167

00:42:49,990 --> 00:42:46,880

like to do with any kind of treasure and

1168

00:42:52,470 --> 00:42:50,000

nephilim's or treasure is um you have to

1169

00:42:55,510 --> 00:42:52,480

say all right so with was there previous

1170

00:42:58,710 --> 00:42:55,520

uh remains found in the area so i have a

1171

00:43:01,270 --> 00:42:58,720

guy in in the southwest and he said yeah

1172

00:43:03,990 --> 00:43:01,280

they they have it we've got proof um the

1173

00:43:06,630 --> 00:43:04,000

smithsonian has some of the bones

1174

00:43:10,309 --> 00:43:06,640

and um i have a new contact there

1175

00:43:11,349 --> 00:43:10,319

and um so they dug up some of the bones

1176

00:43:13,109 --> 00:43:11,359

uh

1177

00:43:15,270 --> 00:43:13,119

now it could be there's ten bodies but

1178

00:43:17,750 --> 00:43:15,280

they only dug up five and they shipped

1179

00:43:19,030 --> 00:43:17,760

him off to dc but dc shipped him off to

1180

00:43:21,270 --> 00:43:19,040

front royal

1181

00:43:22,630 --> 00:43:21,280

and so that was the chain of command

1182

00:43:25,270 --> 00:43:22,640

and so

1183

00:43:28,390 --> 00:43:25,280

um i he and i are gonna go after it only

1184

00:43:31,030 --> 00:43:28,400

for the historical part of it

1185

00:43:32,550 --> 00:43:31,040

and hoping that the smithsonian stops

1186

00:43:34,790 --> 00:43:32,560

hiding it and

1187

00:43:35,910 --> 00:43:34,800

shares it with the public

1188

00:43:38,390 --> 00:43:35,920

i don't think there's going to be any

1189

00:43:41,430 --> 00:43:38,400

money in it but it's fun

1190

00:43:43,589 --> 00:43:41,440

and the client has the magnetometer and

1191

00:43:46,069 --> 00:43:43,599

it's a drone um and i want to tell your

1192

00:43:47,430 --> 00:43:46,079

cl your your listeners whenever you have

1193

00:43:49,430 --> 00:43:47,440

a drone

1194

00:43:51,030 --> 00:43:49,440

whenever you're treasure hunting you

1195

00:43:54,790 --> 00:43:51,040

have to be really careful every state

1196

00:43:57,510 --> 00:43:54,800

has a different law on uh drones

1197

00:43:58,630 --> 00:43:57,520

so out west if you want to go to utah

1198

00:44:01,109 --> 00:43:58,640

for example

1199

00:44:03,030 --> 00:44:01,119

if you don't register your drone

1200

00:44:04,950 --> 00:44:03,040

and tell them what areas you're going to

1201

00:44:06,870 --> 00:44:04,960

you could get a ten thousand two hundred

1202

00:44:08,790 --> 00:44:06,880

thousand dollar fine

1203

00:44:10,230 --> 00:44:08,800

so i tell people be very careful because

1204

00:44:11,349 --> 00:44:10,240

i know treasure hunters are always at

1205

00:44:14,550 --> 00:44:11,359

the water

1206

00:44:15,349 --> 00:44:14,560

um but they're now using the drones and

1207

00:44:17,829 --> 00:44:15,359

um

1208

00:44:19,990 --> 00:44:17,839

it's not worth getting arrested or not

1209

00:44:21,910 --> 00:44:20,000

it's it's not worth to turn the stuff in

1210

00:44:23,910 --> 00:44:21,920

if you find something historical take

1211

00:44:25,430 --> 00:44:23,920

pictures of it send a press release out

1212

00:44:27,270 --> 00:44:25,440

hey we found this

1213

00:44:29,750 --> 00:44:27,280

and then turn it in but get your

1214

00:44:31,670 --> 00:44:29,760

pictures or videos like your friend said

1215

00:44:33,430 --> 00:44:31,680

jennifer

1216

00:44:34,870 --> 00:44:33,440

and um

1217

00:44:37,270 --> 00:44:34,880

don't get in trouble it's not worth the

1218

00:44:41,190 --> 00:44:37,280

consequences

1219

00:44:43,430 --> 00:44:41,200

so on the nephilims um all i know is

1220

00:44:45,510 --> 00:44:43,440

we're looking for bones so i create a

1221

00:44:46,470 --> 00:44:45,520

list and a protocol in order to find

1222

00:44:48,790 --> 00:44:46,480

them

1223

00:44:51,510 --> 00:44:48,800

unfortunately my guy in the southwest

1224

00:44:53,349 --> 00:44:51,520

broke his leg in several places so as

1225

00:44:55,910 --> 00:44:53,359

soon as he gets well he's gonna go out

1226

00:44:59,109 --> 00:44:55,920

and we're gonna go after some uh

1227

00:45:00,309 --> 00:44:59,119

we've got like five states utah

1228

00:45:03,030 --> 00:45:00,319

let's see

1229

00:45:04,390 --> 00:45:03,040

new mexico arizona

1230

00:45:07,430 --> 00:45:04,400

colorado

1231

00:45:10,950 --> 00:45:07,440

um and so we have definite sites and

1232

00:45:13,910 --> 00:45:10,960

areas but i again i i pinpoint a gps

1233

00:45:19,190 --> 00:45:13,920

area and say i want you to do a 5 foot

1234

00:45:21,589 --> 00:45:19,200

radius or a 10 by 10 foot radius

1235

00:45:23,910 --> 00:45:21,599

and i said just remember once you touch

1236

00:45:25,990 --> 00:45:23,920

one you either have to stop depending on

1237

00:45:27,109 --> 00:45:26,000

what the state law is

1238

00:45:29,589 --> 00:45:27,119

and uh

1239

00:45:31,589 --> 00:45:29,599

you can either move forward or you know

1240

00:45:33,109 --> 00:45:31,599

you can call the smithsonian or whoever

1241

00:45:35,349 --> 00:45:33,119

but you got to have your documents ready

1242

00:45:37,190 --> 00:45:35,359

to go so you protect yourself yeah i

1243

00:45:38,790 --> 00:45:37,200

think you mentioned me earlier today

1244

00:45:41,030 --> 00:45:38,800

about uh

1245

00:45:42,470 --> 00:45:41,040

the guys you'll work with jim vieira and

1246

00:45:43,990 --> 00:45:42,480

those guys

1247

00:45:46,470 --> 00:45:44,000

yeah i'm not working with him i wanted

1248

00:45:49,109 --> 00:45:46,480

to talk to him about the fact

1249

00:45:50,069 --> 00:45:49,119

that um i have some stuff in new england

1250

00:45:52,870 --> 00:45:50,079

that is

1251

00:45:55,349 --> 00:45:52,880

300 a.d i mean it certainly helps the

1252

00:45:57,670 --> 00:45:55,359

state know that someone was there in 300

1253

00:45:59,349 --> 00:45:57,680

a.d yeah

1254

00:46:01,910 --> 00:45:59,359

i mean i think they'd be interested to

1255

00:46:04,069 --> 00:46:01,920

be quite honest with you oh yeah

1256

00:46:05,589 --> 00:46:04,079

you know because you know even you know

1257

00:46:07,190 --> 00:46:05,599

even these these guys that have been

1258

00:46:09,589 --> 00:46:07,200

able to go to the island

1259

00:46:10,630 --> 00:46:09,599

they're finding dates

1260

00:46:12,790 --> 00:46:10,640

you know

1261

00:46:14,390 --> 00:46:12,800

uh pre-templar and and a lot of other

1262

00:46:15,510 --> 00:46:14,400

dates for a lot of other different

1263

00:46:17,190 --> 00:46:15,520

things so

1264

00:46:18,790 --> 00:46:17,200

i don't know you know there's a lot of

1265

00:46:21,670 --> 00:46:18,800

there's a lot we don't know about the

1266

00:46:23,910 --> 00:46:21,680

history here here in our country i mean

1267

00:46:25,589 --> 00:46:23,920

yeah it's just so much of that now you

1268

00:46:27,589 --> 00:46:25,599

mentioned i i heard you say something

1269

00:46:29,270 --> 00:46:27,599

about front royal do you

1270

00:46:30,710 --> 00:46:29,280

does the smithsonian have a place in

1271

00:46:33,190 --> 00:46:30,720

front rural too

1272

00:46:35,990 --> 00:46:33,200

uh yeah when i was a kid um i was

1273

00:46:39,109 --> 00:46:36,000

invited to the smithsonian to work on

1274

00:46:41,589 --> 00:46:39,119

some um i think it was afghanistan um

1275

00:46:42,550 --> 00:46:41,599

dowsing for them for water with my

1276
00:46:46,630 --> 00:46:42,560
father

1277
00:46:47,670 --> 00:46:46,640
and also some archaeological digs and um

1278
00:46:49,349 --> 00:46:47,680
you know

1279
00:46:51,190 --> 00:46:49,359
one thing about working for some people

1280
00:46:52,870 --> 00:46:51,200
is they give you immediate feedback no

1281
00:46:54,870 --> 00:46:52,880
you're right about this or you're wrong

1282
00:46:56,550 --> 00:46:54,880
about that that kind of thing

1283
00:46:58,390 --> 00:46:56,560
and um we were standing there and he

1284
00:46:59,750 --> 00:46:58,400
goes well some of the stuff we have has

1285
00:47:00,950 --> 00:46:59,760
to get shipped to front royal for

1286
00:47:04,390 --> 00:47:00,960
warehousing

1287
00:47:05,829 --> 00:47:04,400
and um so then we did the uh my my

1288
00:47:07,670 --> 00:47:05,839

client out of

1289

00:47:09,030 --> 00:47:07,680

the southwest

1290

00:47:11,430 --> 00:47:09,040

in new mexico

1291

00:47:13,270 --> 00:47:11,440

said that the nephilims that they had

1292

00:47:14,470 --> 00:47:13,280

were all shipped to front royal

1293

00:47:16,390 --> 00:47:14,480

and that was

1294

00:47:18,470 --> 00:47:16,400

some documents and then i talked to a

1295

00:47:20,630 --> 00:47:18,480

friend of mine who's on the board

1296

00:47:22,150 --> 00:47:20,640

as i got lucky and

1297

00:47:22,950 --> 00:47:22,160

she goes yeah they have a warehouse out

1298

00:47:23,829 --> 00:47:22,960

there

1299

00:47:26,069 --> 00:47:23,839

um

1300

00:47:28,069 --> 00:47:26,079

i'm sure it's covert you know i mean

1301
00:47:29,910 --> 00:47:28,079
nobody wants you to know it's there yeah

1302
00:47:32,390 --> 00:47:29,920
i never knew about it

1303
00:47:33,510 --> 00:47:32,400
oh yeah so again i get lucky right place

1304
00:47:36,470 --> 00:47:33,520
right time

1305
00:47:37,990 --> 00:47:36,480
you know it's interesting

1306
00:47:39,430 --> 00:47:38,000
you know front row i used to hang out

1307
00:47:41,030 --> 00:47:39,440
the front row a lot for a lot of

1308
00:47:42,390 --> 00:47:41,040
different reasons but there's some weird

1309
00:47:44,790 --> 00:47:42,400
energy out there

1310
00:47:46,150 --> 00:47:44,800
you know for a lot of different reasons

1311
00:47:47,829 --> 00:47:46,160
and i don't know if it has to do with

1312
00:47:50,470 --> 00:47:47,839
the shenandoah and everything around

1313
00:47:53,910 --> 00:47:50,480

there plus all the caverns and

1314

00:47:55,670 --> 00:47:53,920

it's just a really bizarre area i get a

1315

00:47:56,710 --> 00:47:55,680

lot of weird energy i feel when i'm

1316

00:47:59,030 --> 00:47:56,720

there

1317

00:48:02,470 --> 00:47:59,040

well when i was a kid my father owned a

1318

00:48:06,790 --> 00:48:04,230

outdoor outfitting company you ever

1319

00:48:08,950 --> 00:48:06,800

heard of appalachian outfitters

1320

00:48:12,549 --> 00:48:08,960

okay so my dad was the

1321

00:48:14,549 --> 00:48:12,559

original appalachian outfitters

1322

00:48:16,309 --> 00:48:14,559

and so i mean i have pictures of us

1323

00:48:17,990 --> 00:48:16,319

camping and that kind of thing

1324

00:48:21,829 --> 00:48:18,000

that that's true child abuse we're going

1325

00:48:24,150 --> 00:48:21,839

to take a mile walk eight miles later

1326
00:48:25,829 --> 00:48:24,160
so he was into backpacking he was a

1327
00:48:28,309 --> 00:48:25,839
former

1328
00:48:30,710 --> 00:48:28,319
cub scout leader boy scout leader eagle

1329
00:48:33,030 --> 00:48:30,720
scout leader

1330
00:48:36,790 --> 00:48:33,040
he was definitely into the outdoors

1331
00:48:39,190 --> 00:48:36,800
and so he helped sell canoes kayaks

1332
00:48:41,670 --> 00:48:39,200
um parkas all that kind of good stuff

1333
00:48:43,750 --> 00:48:41,680
and he wrote four books on canoeing

1334
00:48:45,190 --> 00:48:43,760
and those were quite good they were

1335
00:48:47,270 --> 00:48:45,200
really good books because they were very

1336
00:48:49,109 --> 00:48:47,280
detail-oriented

1337
00:48:51,109 --> 00:48:49,119
his other books on treasure hunting and

1338
00:48:52,630 --> 00:48:51,119

that kind of thing were edited by

1339

00:48:53,829 --> 00:48:52,640

someone who didn't put a lot of effort

1340

00:48:55,670 --> 00:48:53,839

in so

1341

00:48:58,069 --> 00:48:55,680

the books will be helpful for treasure

1342

00:49:00,069 --> 00:48:58,079

hunters there's not a lot around

1343

00:49:02,309 --> 00:49:00,079

i i don't have a lot

1344

00:49:03,109 --> 00:49:02,319

i am working on a a new treasure hunting

1345

00:49:05,990 --> 00:49:03,119

book

1346

00:49:07,670 --> 00:49:06,000

um but there are definitely tricks to

1347

00:49:09,829 --> 00:49:07,680

treasure hunting um

1348

00:49:11,430 --> 00:49:09,839

but i will tell you some people

1349

00:49:13,349 --> 00:49:11,440

it's not that they're not meant to find

1350

00:49:15,829 --> 00:49:13,359

treasure it's like hitting the lottery

1351
00:49:17,589 --> 00:49:15,839
um i have a guy out of arkansas and he

1352
00:49:18,549 --> 00:49:17,599
keeps hitting tin cans

1353
00:49:19,829 --> 00:49:18,559
so

1354
00:49:23,510 --> 00:49:19,839
but

1355
00:49:25,910 --> 00:49:23,520
detector that only goes two feet you

1356
00:49:28,630 --> 00:49:25,920
know maybe i mean he was going after

1357
00:49:30,630 --> 00:49:28,640
jesse james stuff i mean i can work on

1358
00:49:32,870 --> 00:49:30,640
some cases and i say

1359
00:49:34,710 --> 00:49:32,880
uh yeah yeah yeah you got something

1360
00:49:36,150 --> 00:49:34,720
historical here

1361
00:49:37,670 --> 00:49:36,160
you know but you have to make sure you

1362
00:49:39,990 --> 00:49:37,680
get all the right

1363
00:49:41,430 --> 00:49:40,000

contracts dot your eyes and cross your

1364

00:49:44,230 --> 00:49:41,440

teeth so you don't get arrested for

1365

00:49:45,270 --> 00:49:44,240

being on the wrong property

1366

00:49:47,670 --> 00:49:45,280

so

1367

00:49:48,710 --> 00:49:47,680

yeah i go after almost anything within

1368

00:49:49,750 --> 00:49:48,720

reason

1369

00:49:51,670 --> 00:49:49,760

um

1370

00:49:52,710 --> 00:49:51,680

i get some really really wild phone

1371

00:49:54,870 --> 00:49:52,720

calls

1372

00:49:55,589 --> 00:49:54,880

no i imagine do

1373

00:49:59,270 --> 00:49:55,599

so

1374

00:50:01,030 --> 00:49:59,280

what's probably the most unusual case

1375

00:50:03,990 --> 00:50:01,040

you've been involved with

1376

00:50:07,990 --> 00:50:06,390

oh i don't know i'm trying to i can tell

1377

00:50:09,589 --> 00:50:08,000

you two or three short stories because

1378

00:50:11,030 --> 00:50:09,599

we don't have the time

1379

00:50:12,870 --> 00:50:11,040

um i

1380

00:50:15,750 --> 00:50:12,880

one of my favorite good stories feel

1381

00:50:17,270 --> 00:50:15,760

good stories um was a little girl went

1382

00:50:19,670 --> 00:50:17,280

missing

1383

00:50:21,910 --> 00:50:19,680

i guess she was in falls church

1384

00:50:24,950 --> 00:50:21,920

and i i knew the father didn't really

1385

00:50:27,109 --> 00:50:24,960

know the mom um they were separating and

1386

00:50:29,349 --> 00:50:27,119

they called me you know terribly boo

1387

00:50:31,349 --> 00:50:29,359

hooing beautiful little girl

1388

00:50:32,870 --> 00:50:31,359

and um

1389

00:50:35,109 --> 00:50:32,880

i had to stop everything i was doing

1390

00:50:36,790 --> 00:50:35,119

because the feds had already flown in so

1391

00:50:39,349 --> 00:50:36,800

apparently the kid had been missing for

1392

00:50:41,109 --> 00:50:39,359

i think two days she left the elementary

1393

00:50:43,270 --> 00:50:41,119

school so let's say it was monday she

1394

00:50:45,109 --> 00:50:43,280

left the elementary school she was

1395

00:50:46,390 --> 00:50:45,119

walking home and she disappeared on the

1396

00:50:49,829 --> 00:50:46,400

way home

1397

00:50:51,670 --> 00:50:49,839

and so they came in so i guess they came

1398

00:50:52,549 --> 00:50:51,680

in maybe thursday

1399

00:50:56,470 --> 00:50:52,559

and

1400

00:50:58,470 --> 00:50:56,480

stop crying let's focus

1401
00:51:01,190 --> 00:50:58,480
and you know i mean i you know it's

1402
00:51:03,430 --> 00:51:01,200
frightening and um i said let me think

1403
00:51:05,349 --> 00:51:03,440
let me think and i don't remember if i

1404
00:51:08,470 --> 00:51:05,359
had a piece of her clothing it just it's

1405
00:51:09,990 --> 00:51:08,480
just an added plus to have that essence

1406
00:51:11,109 --> 00:51:10,000
or that vibe

1407
00:51:13,589 --> 00:51:11,119
and i said

1408
00:51:15,270 --> 00:51:13,599
oh my god and she goes what did the

1409
00:51:17,510 --> 00:51:15,280
pedophile get her

1410
00:51:19,109 --> 00:51:17,520
i said no or you get it and i got the

1411
00:51:21,109 --> 00:51:19,119
chills i get the chills every time i

1412
00:51:22,790 --> 00:51:21,119
talk about it and she goes i got the

1413
00:51:24,390 --> 00:51:22,800

chills what is it

1414

00:51:25,829 --> 00:51:24,400

i said she's at her girlfriend's house

1415

00:51:27,589 --> 00:51:25,839

hiding from you

1416

00:51:29,670 --> 00:51:27,599

she goes what

1417

00:51:30,549 --> 00:51:29,680

she goes that's not true she's six years

1418

00:51:33,589 --> 00:51:30,559

old

1419

00:51:35,910 --> 00:51:33,599

and i said nope she is living in the

1420

00:51:38,710 --> 00:51:35,920

shed behind her girlfriend's house

1421

00:51:40,549 --> 00:51:38,720

because mommy and daddy are divorcing

1422

00:51:41,670 --> 00:51:40,559

and she doesn't want to leave mommy or

1423

00:51:44,630 --> 00:51:41,680

daddy

1424

00:51:46,870 --> 00:51:44,640

and she's so upset all her girlfriends

1425

00:51:49,190 --> 00:51:46,880

and i i said these are the girlfriends

1426

00:51:52,470 --> 00:51:49,200

they all know and they're feeding her

1427

00:51:54,950 --> 00:51:52,480

there so she's got a cot in the shed

1428

00:51:57,510 --> 00:51:54,960

and so the mother was just burst out

1429

00:51:59,750 --> 00:51:57,520

crying she ran over talked to the feds

1430

00:52:01,829 --> 00:51:59,760

they go this girl's full of crap

1431

00:52:03,910 --> 00:52:01,839

so they went back to the four little

1432

00:52:06,150 --> 00:52:03,920

girls that were her best friends and

1433

00:52:08,069 --> 00:52:06,160

they broke down crying

1434

00:52:09,510 --> 00:52:08,079

yeah she was in the shed

1435

00:52:13,109 --> 00:52:09,520

who would have thought

1436

00:52:15,829 --> 00:52:13,119

years old so um that was a really really

1437

00:52:18,069 --> 00:52:15,839

good story um

1438

00:52:20,230 --> 00:52:18,079

it uh it breaks your hearts kids you

1439

00:52:23,829 --> 00:52:20,240

know can be highly affected by a divorce

1440

00:52:25,270 --> 00:52:23,839

but um that that really did happen and

1441

00:52:27,109 --> 00:52:25,280

um

1442

00:52:28,950 --> 00:52:27,119

you know uh i don't know if it ever made

1443

00:52:30,790 --> 00:52:28,960

that one ever it i didn't go public on

1444

00:52:33,510 --> 00:52:30,800

that one because it was

1445

00:52:35,910 --> 00:52:33,520

for the poor mom who was so um

1446

00:52:38,069 --> 00:52:35,920

freaked out about it that absolutely

1447

00:52:40,549 --> 00:52:38,079

that was pretty rough i did work on one

1448

00:52:42,630 --> 00:52:40,559

in woodbridge which was a sad one

1449

00:52:44,710 --> 00:52:42,640

um i

1450

00:52:47,750 --> 00:52:44,720

that one was that one was a learning

1451
00:52:50,549 --> 00:52:47,760
experience the shed thing was easy to me

1452
00:52:53,030 --> 00:52:50,559
um and maybe the vibe was so good that i

1453
00:52:55,510 --> 00:52:53,040
i it was easy for me to pick up on

1454
00:52:58,150 --> 00:52:55,520
the one in woodbridge was very very easy

1455
00:53:00,230 --> 00:52:58,160
but it was sad because i had to tell the

1456
00:53:02,069 --> 00:53:00,240
parents their little two-year-old was

1457
00:53:03,510 --> 00:53:02,079
deceased and drowned

1458
00:53:04,950 --> 00:53:03,520
um

1459
00:53:06,790 --> 00:53:04,960
i said at first

1460
00:53:08,950 --> 00:53:06,800
so what i do is i go by the first few

1461
00:53:10,870 --> 00:53:08,960
pictures and i saw a man looking at the

1462
00:53:12,630 --> 00:53:10,880
little girl which made me worry about a

1463
00:53:14,790 --> 00:53:12,640

pedophile

1464

00:53:16,710 --> 00:53:14,800

but i said let me just keep looking at

1465

00:53:19,270 --> 00:53:16,720

the slideshow i'm seeing

1466

00:53:22,069 --> 00:53:19,280

and uh i guess

1467

00:53:24,470 --> 00:53:22,079

what had happened was i saw her

1468

00:53:26,309 --> 00:53:24,480

walking and walking and walking and she

1469

00:53:28,470 --> 00:53:26,319

was by the river

1470

00:53:30,390 --> 00:53:28,480

and then i saw her in water

1471

00:53:32,470 --> 00:53:30,400

and she kept i kept hearing the word

1472

00:53:34,870 --> 00:53:32,480

washing machine and you have to think

1473

00:53:36,870 --> 00:53:34,880

outside the box well

1474

00:53:39,030 --> 00:53:36,880

i said i i don't know why i want to say

1475

00:53:41,190 --> 00:53:39,040

this but i want to go to the dam but the

1476

00:53:43,349 --> 00:53:41,200

dam was like one to two miles from the

1477

00:53:44,710 --> 00:53:43,359

house where she went missing and i said

1478

00:53:47,670 --> 00:53:44,720

i want to go to the dam and i think

1479

00:53:49,589 --> 00:53:47,680

she's right there well i was unaware of

1480

00:53:52,630 --> 00:53:49,599

the fact and firemen know this and cops

1481

00:53:54,630 --> 00:53:52,640

know this but if children fall off a dam

1482

00:53:57,109 --> 00:53:54,640

and they fall off a uh you know fall

1483

00:53:59,670 --> 00:53:57,119

into the water or even an adult

1484

00:54:02,790 --> 00:53:59,680

um think of it this way the dam

1485

00:54:04,790 --> 00:54:02,800

curls the water of the person in it like

1486

00:54:06,950 --> 00:54:04,800

a washing machine

1487

00:54:07,910 --> 00:54:06,960

so the body doesn't always get spit out

1488

00:54:10,150 --> 00:54:07,920

quickly

1489

00:54:12,390 --> 00:54:10,160

um the water the water cases are the

1490

00:54:14,870 --> 00:54:12,400

hardest because sometimes it's stuck

1491

00:54:17,589 --> 00:54:14,880

like i said in a hole or it's stuck in

1492

00:54:19,829 --> 00:54:17,599

that washing machine or some you know

1493

00:54:21,829 --> 00:54:19,839

like i have a that i had that other case

1494

00:54:24,150 --> 00:54:21,839

and i think the body was caught up

1495

00:54:26,630 --> 00:54:24,160

underneath boats and eventually the

1496

00:54:29,190 --> 00:54:26,640

pressure from the water pushed her out

1497

00:54:31,030 --> 00:54:29,200

on this particular one eventually she

1498

00:54:33,750 --> 00:54:31,040

was spit out

1499

00:54:36,069 --> 00:54:33,760

but i had to tell the family that um i

1500

00:54:37,589 --> 00:54:36,079

think they used canine on that one i had

1501
00:54:40,549 --> 00:54:37,599
to tell the family because the husband

1502
00:54:43,030 --> 00:54:40,559
was pissed the mother was on the phone

1503
00:54:46,309 --> 00:54:43,040
uh this one did hit the papers with nbc

1504
00:54:50,150 --> 00:54:48,390
and i said okay she's two years old

1505
00:54:51,510 --> 00:54:50,160
she's not being watched she's walking

1506
00:54:53,670 --> 00:54:51,520
and walking and walking she sees the

1507
00:54:55,750 --> 00:54:53,680
water you know how that is water water

1508
00:54:57,349 --> 00:54:55,760
water flowers next to the water next

1509
00:54:59,670 --> 00:54:57,359
thing you know she falls

1510
00:55:01,270 --> 00:54:59,680
into the water and she drowns

1511
00:55:04,549 --> 00:55:01,280
and um

1512
00:55:06,309 --> 00:55:04,559
it broke up that marriage um it it was a

1513
00:55:08,870 --> 00:55:06,319

tragedy that that mom was just

1514

00:55:10,950 --> 00:55:08,880

preoccupied yeah and i'm not going to

1515

00:55:11,750 --> 00:55:10,960

blame the mom because she lost her child

1516

00:55:13,270 --> 00:55:11,760

too

1517

00:55:15,349 --> 00:55:13,280

but um

1518

00:55:17,190 --> 00:55:15,359

yeah water is not a little one's friend

1519

00:55:19,109 --> 00:55:17,200

you know for sure

1520

00:55:20,789 --> 00:55:19,119

so those are two of my

1521

00:55:22,710 --> 00:55:20,799

children ones

1522

00:55:24,549 --> 00:55:22,720

um

1523

00:55:27,430 --> 00:55:24,559

i mean i could certainly go on and on i

1524

00:55:28,950 --> 00:55:27,440

mean i i have case work that

1525

00:55:30,950 --> 00:55:28,960

you know

1526

00:55:33,430 --> 00:55:30,960

some of your clients you become close to

1527

00:55:36,230 --> 00:55:33,440

because they're just so nice

1528

00:55:37,990 --> 00:55:36,240

um and they just they're relying on you

1529

00:55:39,190 --> 00:55:38,000

to find their loved one

1530

00:55:42,549 --> 00:55:39,200

um

1531

00:55:44,230 --> 00:55:42,559

but i mean i had a case where uh

1532

00:55:46,470 --> 00:55:44,240

well i had two cases i'll tell you this

1533

00:55:49,430 --> 00:55:46,480

when i it's a pennsylvania case that i

1534

00:55:50,950 --> 00:55:49,440

haven't gone public on yet um a woman

1535

00:55:52,150 --> 00:55:50,960

disappeared i think it was right near

1536

00:55:54,789 --> 00:55:52,160

pittsburgh

1537

00:55:58,789 --> 00:55:54,799

and i was working with a community

1538

00:56:01,349 --> 00:55:58,799

member and a friend of the family and um

1539

00:56:02,789 --> 00:56:01,359

i was working a little bit with

1540

00:56:05,510 --> 00:56:02,799

in in pennsylvania i don't think they

1541

00:56:07,910 --> 00:56:05,520

call them cops they call them

1542

00:56:10,069 --> 00:56:07,920

marshals or sheriffs or something yeah

1543

00:56:11,030 --> 00:56:10,079

they they have different jurisdictions

1544

00:56:13,910 --> 00:56:11,040

uh

1545

00:56:14,950 --> 00:56:13,920

well every township has a police

1546

00:56:16,390 --> 00:56:14,960

department

1547

00:56:19,910 --> 00:56:16,400

to it seems

1548

00:56:21,990 --> 00:56:19,920

right so so what had happened was um i

1549

00:56:22,950 --> 00:56:22,000

was talking to the sheriff and i said

1550

00:56:24,390 --> 00:56:22,960

okay

1551
00:56:25,670 --> 00:56:24,400
you know the reason i'm calling is the

1552
00:56:27,270 --> 00:56:25,680
family member asked me to call you and

1553
00:56:29,190 --> 00:56:27,280
talk to you and they said you would

1554
00:56:30,710 --> 00:56:29,200
listen to me

1555
00:56:32,870 --> 00:56:30,720
all right this is a murder this is a

1556
00:56:35,270 --> 00:56:32,880
homicide and he goes are you sure

1557
00:56:36,710 --> 00:56:35,280
because we think she just ran off and i

1558
00:56:39,270 --> 00:56:36,720
said well you're prejudging this

1559
00:56:41,589 --> 00:56:39,280
situation because she was a stockbroker

1560
00:56:43,829 --> 00:56:41,599
who who had moved down so she's making a

1561
00:56:45,270 --> 00:56:43,839
ton of money from new york city and she

1562
00:56:47,270 --> 00:56:45,280
moved down to like pittsburgh or

1563
00:56:49,510 --> 00:56:47,280

something and she totally freaking

1564

00:56:52,309 --> 00:56:49,520

disappeared house full of furniture

1565

00:56:55,589 --> 00:56:52,319

everything was there her purse was there

1566

00:56:59,030 --> 00:56:55,599

and um i said okay so here's the deal i

1567

00:57:01,030 --> 00:56:59,040

am picking up a location

1568

00:57:03,109 --> 00:57:01,040

i said do you have a park there called

1569

00:57:04,710 --> 00:57:03,119

george washington park and i don't even

1570

00:57:06,549 --> 00:57:04,720

know why i said it i just said i'm

1571

00:57:09,109 --> 00:57:06,559

hearing so you have to pay attention to

1572

00:57:11,750 --> 00:57:09,119

your perception so i said i see george

1573

00:57:13,430 --> 00:57:11,760

washington and i think it's a park

1574

00:57:15,750 --> 00:57:13,440

and in the park there's all sorts of

1575

00:57:17,670 --> 00:57:15,760

roads but she's

1576

00:57:19,750 --> 00:57:17,680

next to the road that is a t

1577

00:57:22,870 --> 00:57:19,760

intersection and it's the only road in

1578

00:57:24,870 --> 00:57:22,880

the park that is a t intersection and i

1579

00:57:26,789 --> 00:57:24,880

said next to it on the corner is a

1580

00:57:29,190 --> 00:57:26,799

building that looks like it might have

1581

00:57:31,670 --> 00:57:29,200

been a church at one time then it was a

1582

00:57:33,270 --> 00:57:31,680

museum and then it was an abandoned

1583

00:57:35,430 --> 00:57:33,280

building and then it was something else

1584

00:57:36,950 --> 00:57:35,440

so you get my drift

1585

00:57:39,190 --> 00:57:36,960

but i said it's on the corner that's the

1586

00:57:40,390 --> 00:57:39,200

intersection and i said either she's

1587

00:57:43,109 --> 00:57:40,400

right there

1588

00:57:43,990 --> 00:57:43,119

or let's do this let's go three houses

1589

00:57:46,069 --> 00:57:44,000

back

1590

00:57:47,430 --> 00:57:46,079

on the road walking up to the t

1591

00:57:50,309 --> 00:57:47,440

intersection

1592

00:57:52,950 --> 00:57:50,319

and um

1593

00:57:56,150 --> 00:57:52,960

i i didn't go that the community member

1594

00:57:57,670 --> 00:57:56,160

got 60 people and they walked from the

1595

00:58:00,230 --> 00:57:57,680

third house down

1596

00:58:02,470 --> 00:58:00,240

or six house down not very far so

1597

00:58:04,390 --> 00:58:02,480

they're they're like middle of a hill

1598

00:58:07,270 --> 00:58:04,400

and they're walking up hill

1599

00:58:09,190 --> 00:58:07,280

and i said look all around

1600

00:58:10,950 --> 00:58:09,200

and when you get to that church you know

1601
00:58:12,950 --> 00:58:10,960
you're gonna between now and then you're

1602
00:58:14,309 --> 00:58:12,960
gonna see you don't even have to get to

1603
00:58:16,390 --> 00:58:14,319
the dead end you don't have to get to

1604
00:58:17,670 --> 00:58:16,400
the t intersection it's right there

1605
00:58:19,190 --> 00:58:17,680
and so

1606
00:58:20,710 --> 00:58:19,200
they asked me well who killed her and i

1607
00:58:23,270 --> 00:58:20,720
said well on this one

1608
00:58:25,109 --> 00:58:23,280
she had a gay lover at one time

1609
00:58:27,190 --> 00:58:25,119
and i believe the gay lover killed her

1610
00:58:28,710 --> 00:58:27,200
but don't quote me because i see

1611
00:58:30,069 --> 00:58:28,720
something to do with a man that's

1612
00:58:32,309 --> 00:58:30,079
involved too

1613
00:58:35,030 --> 00:58:32,319

and they told me that she did have a gay

1614

00:58:36,470 --> 00:58:35,040

lover and i said does the gay lover have

1615

00:58:39,270 --> 00:58:36,480

a brother she dated

1616

00:58:41,430 --> 00:58:39,280

so the woman let's call her susan she

1617

00:58:44,069 --> 00:58:41,440

was dating the brother periodically and

1618

00:58:46,950 --> 00:58:44,079

she was so she was bisexual and she was

1619

00:58:49,030 --> 00:58:46,960

dating the the gay lover which caused a

1620

00:58:51,270 --> 00:58:49,040

spat of course

1621

00:58:53,510 --> 00:58:51,280

and then um but the gay lover wanted to

1622

00:58:56,230 --> 00:58:53,520

borrow some money and killed her but i

1623

00:58:57,430 --> 00:58:56,240

said the one who drives the green car is

1624

00:58:58,549 --> 00:58:57,440

the killer

1625

00:59:04,789 --> 00:58:58,559

the

1626
00:59:06,390 --> 00:59:04,799
house that looks like a um i said i

1627
00:59:08,230 --> 00:59:06,400
think one of them lives in a house with

1628
00:59:10,789 --> 00:59:08,240
their mother and it looks like a split

1629
00:59:13,750 --> 00:59:10,799
level and she went up in the attic and

1630
00:59:15,990 --> 00:59:13,760
put the gun right right inside the attic

1631
00:59:18,950 --> 00:59:16,000
and um it was just like a slideshow boom

1632
00:59:21,510 --> 00:59:18,960
boom boom boom boom and um so the good

1633
00:59:24,630 --> 00:59:21,520
news is uh the 60 people were paying

1634
00:59:26,950 --> 00:59:24,640
attention and the girl who killed her

1635
00:59:28,230 --> 00:59:26,960
this is was in the search looking for

1636
00:59:34,789 --> 00:59:28,240
her

1637
00:59:35,910 --> 00:59:34,799
think don't quote me i think three

1638
00:59:38,470 --> 00:59:35,920

months

1639

00:59:40,150 --> 00:59:38,480

and so we were going in from october to

1640

00:59:42,230 --> 00:59:40,160

to like this

1641

00:59:43,589 --> 00:59:42,240

december january like right right at the

1642

00:59:45,589 --> 00:59:43,599

end of december

1643

00:59:47,190 --> 00:59:45,599

and she had start know what do you call

1644

00:59:48,950 --> 00:59:47,200

it she had turned into you know she had

1645

00:59:50,309 --> 00:59:48,960

rigored you know she was really

1646

00:59:51,829 --> 00:59:50,319

um

1647

00:59:53,510 --> 00:59:51,839

like frozen in time because they had

1648

00:59:56,630 --> 00:59:53,520

already had some snow

1649

00:59:58,390 --> 00:59:56,640

and so she goes here she is well

1650

01:00:00,710 --> 00:59:58,400

when you walk up to the building that

1651

01:00:02,630 --> 01:00:00,720

was like a church it was an old church

1652

01:00:06,710 --> 01:00:02,640

had been a museum had been all sorts of

1653

01:00:08,630 --> 01:00:06,720

stuff um there was an oil um you know

1654

01:00:10,390 --> 01:00:08,640

one of those oil containers to heat the

1655

01:00:12,470 --> 01:00:10,400

building

1656

01:00:14,390 --> 01:00:12,480

and she had placed the body between the

1657

01:00:17,510 --> 01:00:14,400

oil and the building

1658

01:00:18,870 --> 01:00:17,520

and so they found the body in 20 minutes

1659

01:00:21,510 --> 01:00:18,880

and um

1660

01:00:23,829 --> 01:00:21,520

it was a sad story because you know

1661

01:00:25,109 --> 01:00:23,839

anger you know she needed money so she

1662

01:00:26,069 --> 01:00:25,119

went to her girlfriend the girlfriend

1663

01:00:28,789 --> 01:00:26,079

said no

1664

01:00:30,230 --> 01:00:28,799

so she killed her and she killed her

1665

01:00:32,549 --> 01:00:30,240

with a gun they found the gun in the

1666

01:00:36,630 --> 01:00:32,559

house and she was the girl the gay lover

1667

01:00:38,470 --> 01:00:36,640

was the girl driving the blue green car

1668

01:00:40,829 --> 01:00:38,480

yeah yeah so you know that one just went

1669

01:00:42,710 --> 01:00:40,839

to like a domino everything fell into

1670

01:00:44,549 --> 01:00:42,720

place um

1671

01:00:46,950 --> 01:00:44,559

and and of course again i'm not always

1672

01:00:49,589 --> 01:00:46,960

perfect i mean again i'll say no i won't

1673

01:00:51,589 --> 01:00:49,599

take the case or um like this past year

1674

01:00:53,349 --> 01:00:51,599

i just got a call on a very famous

1675

01:00:55,990 --> 01:00:53,359

worldwide case

1676
01:00:57,750 --> 01:00:56,000
and um to be honest with you i i said

1677
01:00:58,710 --> 01:00:57,760
i'll call you back and i haven't called

1678
01:01:01,589 --> 01:00:58,720
them back

1679
01:01:03,910 --> 01:01:01,599
um the people are very scary

1680
01:01:05,750 --> 01:01:03,920
and i i just don't if i want to move

1681
01:01:08,390 --> 01:01:05,760
forward on that one

1682
01:01:11,030 --> 01:01:08,400
you know because so far what three

1683
01:01:11,910 --> 01:01:11,040
people are dead um oh god

1684
01:01:14,950 --> 01:01:11,920
yeah

1685
01:01:16,950 --> 01:01:14,960
fourth so i was like i'm going to let

1686
01:01:19,030 --> 01:01:16,960
that sit you know

1687
01:01:19,910 --> 01:01:19,040
exactly you know

1688
01:01:23,190 --> 01:01:19,920

yeah

1689

01:01:24,789 --> 01:01:23,200

so well jeanette i i'm gonna i we're

1690

01:01:26,150 --> 01:01:24,799

gonna go ahead and end the show just

1691

01:01:27,190 --> 01:01:26,160

tell people how they can get in touch

1692

01:01:28,309 --> 01:01:27,200

with you

1693

01:01:29,910 --> 01:01:28,319

and sure

1694

01:01:32,109 --> 01:01:29,920

yeah sure

1695

01:01:35,950 --> 01:01:32,119

well i have a website

1696

01:01:37,670 --> 01:01:35,960

reachjeannet.com r-e-a-c-h jeanette

1697

01:01:40,950 --> 01:01:37,680

g-i-n-e-t-t-e

1698

01:01:44,150 --> 01:01:40,960

com or they can call me direct tomorrow

1699

01:01:49,030 --> 01:01:44,160

um i i start working at noon so eastern

1700

01:01:52,870 --> 01:01:49,040

standard time on 571 358 1444

1701

01:01:55,190 --> 01:01:52,880

571 358 fourteen forty four

1702

01:01:56,950 --> 01:01:55,200

and uh thanks for having me lon

1703

01:01:58,309 --> 01:01:56,960

i appreciate you coming on we hadn't

1704

01:02:00,710 --> 01:01:58,319

talked you know i haven't had on the

1705

01:02:03,190 --> 01:02:00,720

show a while uh we talk about a lot of

1706

01:02:05,670 --> 01:02:03,200

different things but uh

1707

01:02:07,430 --> 01:02:05,680

yeah so but i know we'll be talking so

1708

01:02:08,230 --> 01:02:07,440

you know anything interesting comes up

1709

01:02:14,470 --> 01:02:08,240

and

1710

01:02:16,230 --> 01:02:14,480

talk about it that's very nice of you

1711

01:02:18,829 --> 01:02:16,240

thank you elon have a nice night you

1712

01:02:22,789 --> 01:02:21,349

bye now if you have an unexplained

1713

01:02:24,470 --> 01:02:22,799

encounter or something feel free to

1714

01:02:27,589 --> 01:02:24,480

contact me through the phantoms monster

1715

01:02:29,990 --> 01:02:27,599

blog site i want to again thank jeanette

1716

01:02:31,750 --> 01:02:30,000

for joining me this evening

1717

01:02:32,829 --> 01:02:31,760

and thanks to each and all you for

1718

01:02:35,589 --> 01:02:32,839

watching and

1719

01:02:37,430 --> 01:02:35,599

chatting uh your support is what makes

1720

01:02:39,750 --> 01:02:37,440

all this possible so please like

1721

01:02:42,230 --> 01:02:39,760

subscribe and share

1722

01:02:43,270 --> 01:02:42,240

if uh you have a sighting or encounter

1723

01:02:45,589 --> 01:02:43,280

report

1724

01:02:47,910 --> 01:02:45,599

that you would like to be considered for

1725

01:02:49,670 --> 01:02:47,920

a personal report show or post to the

1726

01:02:51,750 --> 01:02:49,680

phantoms of monsters

1727

01:02:53,069 --> 01:02:51,760

feel free to uh forward it to my email

1728

01:02:55,510 --> 01:02:53,079

lawn strickler

1729

01:02:57,109 --> 01:02:55,520

familymonsters.com so

1730

01:03:00,630 --> 01:02:57,119

next friday

1731

01:03:03,109 --> 01:03:00,640

i welcome researcher producer and author

1732

01:03:07,109 --> 01:03:03,119

daniel allen jones to the show

1733

01:03:08,710 --> 01:03:07,119

his book aurora 125 years

1734

01:03:12,710 --> 01:03:08,720

of ufos

1735

01:03:16,470 --> 01:03:12,720

aliens and a texas legend is from uh

1736

01:03:20,789 --> 01:03:16,480

i mean from 1897 examines the 125 year

1737

01:03:23,510 --> 01:03:20,799

old alien encountering ufo mystery from

1738

01:03:25,109 --> 01:03:23,520

the cemetery at aurora texas so we'll be

1739

01:03:27,270 --> 01:03:25,119

discussing that

1740

01:03:29,510 --> 01:03:27,280

and a few other his investigations so

1741

01:03:30,789 --> 01:03:29,520

make sure you uh join us next friday

1742

01:03:33,589 --> 01:03:30,799

night

1743

01:03:36,630 --> 01:03:33,599

and uh then next wednesday we're going

1744

01:03:39,510 --> 01:03:36,640

to have another personal reports

1745

01:03:41,750 --> 01:03:39,520

uh edition so i'll go ahead and post i

1746

01:03:43,990 --> 01:03:41,760

have that posted pretty soon

1747

01:03:46,150 --> 01:03:44,000

and uh you know we'll have that up there

1748

01:03:47,029 --> 01:03:46,160

for you all to get a hold of it so um

1749

01:03:48,789 --> 01:03:47,039

again

1750

01:03:51,029 --> 01:03:48,799

until next week

1751

01:03:55,770 --> 01:03:51,039

stay healthy have a safe and enjoyable

1752

01:04:33,029 --> 01:04:01,030

[Music]

1753

01:04:49,130 --> 01:04:35,440

so

1754

01:04:49,140 --> 01:04:53,750

[Music]
