link and banner are also shown below so

20

00:02:12,309 --> 00:02:07,439

thanks for your consideration

21

00:02:16,550 --> 00:02:14,229

an interesting one this was

22

00:02:18,630 --> 00:02:16,560

i got this back in

23

00:02:19,750 --> 00:02:18,640

i went it wasn't even about a month ago

24

00:02:23,350 --> 00:02:19,760

but um

25

00:02:25,990 --> 00:02:23,360

an orlando florida man

26

00:02:28,630 --> 00:02:26,000

was driving home and encountered

27

00:02:32,390 --> 00:02:28,640

what he said was a truck size flying

28

00:02:35,430 --> 00:02:32,400

back near the orange county jail

29

00:02:38,630 --> 00:02:35,440

he described it as a 10 plus foot long

30

00:02:43,509 --> 00:02:38,640

and with massive membrane wings and

31

00:02:44,710 --> 00:02:43,519

interestingly enough a gorilla like face

32

00:02:47,509 --> 00:02:44,720

so um

33

00:02:51,830 --> 00:02:47,519

he tells me he said early morning around

34

00:02:55,589 --> 00:02:51,840

4 30 a.m on sunday april 3rd

35

00:02:58,229 --> 00:02:55,599

2022 i was on my way to work at tires

36

00:03:01,190 --> 00:02:58,239

plus in orlando florida

37

00:03:02,550 --> 00:03:01,200

the route i drove every day was on a

38

00:03:04,790 --> 00:03:02,560

large

39

00:03:06,630 --> 00:03:04,800

mostly busy street called john young

40

00:03:09,270 --> 00:03:06,640

parkway

41

00:03:11,270 --> 00:03:09,280

about halfway through my drive

42

00:03:13,030 --> 00:03:11,280

i always drive underneath an overpass

43

00:03:15,990 --> 00:03:13,040

for the i4

44

00:03:18,550 --> 00:03:16,000

and immediately after the overpress pass

45

00:03:21,830 --> 00:03:18,560

on my left side is the orange county

46

00:03:27,030 --> 00:03:24,789

john young parkway is normally very busy

47

00:03:28,229 --> 00:03:27,040

during the day but since it was early

48

00:03:33,830 --> 00:03:28,239

sunday

49

00:03:33,840 --> 00:03:38,390

yeah he said being in a warm day

50

00:03:42,789 --> 00:03:40,630

warm april morning i had my

51  
00:03:44,630 --> 00:03:42,799  
window rolled down

52  
00:03:47,350 --> 00:03:44,640  
and i was listening to

53  
00:03:49,830 --> 00:03:47,360  
an audio book and just before

54  
00:03:54,229 --> 00:03:49,840  
i got to the i4 overpass i started

55  
00:03:55,830 --> 00:03:54,239  
hearing a very loud flapping noise

56  
00:03:58,390 --> 00:03:55,840  
said it sounded like one of those

57  
00:04:00,710 --> 00:03:58,400  
enormous american flags that fly outside

58  
00:04:02,949 --> 00:04:00,720  
of big car dealerships

59  
00:04:05,429 --> 00:04:02,959  
when i first heard it i thought it was

60  
00:04:08,789 --> 00:04:05,439  
maybe a truck with a flat tire driving

61  
00:04:10,789 --> 00:04:08,799  
on the i-4 but as i got closer

62  
00:04:13,190 --> 00:04:10,799  
it kept getting louder and my car

63  
00:04:16,949 --> 00:04:13,200

started shaking

64

00:04:19,430 --> 00:04:16,959

and he says that he drives a midsize suv

65

00:04:21,349 --> 00:04:19,440

as soon as i began going

66

00:04:23,909 --> 00:04:21,359

under the overpass i see something in

67

00:04:26,870 --> 00:04:23,919

the quarter my eye to my left

68

00:04:29,030 --> 00:04:26,880

and when i look to turn out my look turn

69

00:04:31,110 --> 00:04:29,040

to look out my window i see a

70

00:04:33,830 --> 00:04:31,120

monster-sized bat

71

00:04:35,270 --> 00:04:33,840

flying next to me under the overpass for

72

00:04:38,629 --> 00:04:35,280

i

73

00:04:40,469 --> 00:04:38,639

four on a busy orlando street

74

00:04:43,430 --> 00:04:40,479

i realize

75

00:04:45,749 --> 00:04:43,440

that is probably the most obscure place

76  
00:04:48,070 --> 00:04:45,759  
something like this could be in and it's

77  
00:04:49,590 --> 00:04:48,080  
a very unbelievable story

78  
00:04:52,710 --> 00:04:49,600  
but that's the reason i won't even be

79  
00:04:56,070 --> 00:04:52,720  
able to tell a handful of people

80  
00:04:58,469 --> 00:04:56,080  
now this bat was larger than a truck it

81  
00:05:00,790 --> 00:04:58,479  
had light brown fur the body looked at

82  
00:05:03,029 --> 00:05:00,800  
least 10 foot long and its wingspan

83  
00:05:05,510 --> 00:05:03,039  
could have been twice that

84  
00:05:08,550 --> 00:05:05,520  
its face didn't necessarily look like a

85  
00:05:10,469 --> 00:05:08,560  
regular bat face it had a flat snub nose

86  
00:05:13,350 --> 00:05:10,479  
like a vampire bag

87  
00:05:17,590 --> 00:05:13,360  
but looked like a gorilla or almost

88  
00:05:20,710 --> 00:05:17,600

man-like except for the two large fangs

89

00:05:22,710 --> 00:05:20,720

hanging from the top of its mouth

90

00:05:23,749 --> 00:05:22,720

now the fangs were only about six inches

91

00:05:26,310 --> 00:05:23,759

long

92

00:05:28,390 --> 00:05:26,320

and they curved out a little kind of

93

00:05:30,390 --> 00:05:28,400

like a tusk

94

00:05:31,749 --> 00:05:30,400

it was flying almost 20 foot away from

95

00:05:35,430 --> 00:05:31,759

me but

96

00:05:38,150 --> 00:05:35,440

it never looked at me or acknowledged me

97

00:05:40,150 --> 00:05:38,160

um each time they flapped its wings and

98

00:05:43,350 --> 00:05:40,160

made the loudest noise i've ever heard

99

00:05:45,830 --> 00:05:43,360

and [h\_\_h] my car violently

100

00:05:47,909 --> 00:05:45,840

while it was next to me it looked like

101  
00:05:50,310 --> 00:05:47,919  
it was struggling to fly like it was too

102  
00:05:52,629 --> 00:05:50,320  
heavy to keep itself airborne

103  
00:05:54,310 --> 00:05:52,639  
now when its wings were up i could see

104  
00:05:56,870 --> 00:05:54,320  
the veins and cartilage through the

105  
00:05:59,029 --> 00:05:56,880  
membrane portion of its wings

106  
00:06:01,670 --> 00:05:59,039  
its legs were long and skinny covered

107  
00:06:02,629 --> 00:06:01,680  
with the same light brown fur as its

108  
00:06:05,430 --> 00:06:02,639  
body

109  
00:06:06,950 --> 00:06:05,440  
and his feet had long toes with claws on

110  
00:06:08,309 --> 00:06:06,960  
edn

111  
00:06:10,870 --> 00:06:08,319  
i don't know how many toes it had i

112  
00:06:13,110 --> 00:06:10,880  
never thought to count

113  
00:06:16,070 --> 00:06:13,120

i had a thin tail

114

00:06:19,189 --> 00:06:16,080

a four foot long and a patch of darker

115

00:06:20,390 --> 00:06:19,199

black fur on the end almost like a cow's

116

00:06:22,710 --> 00:06:20,400

tail

117

00:06:24,870 --> 00:06:22,720

now after uh we got it from under the

118

00:06:27,670 --> 00:06:24,880

underpass he shot straight upward and

119

00:06:30,230 --> 00:06:27,680

started flying higher and higher

120

00:06:32,790 --> 00:06:30,240

until was almost out of sight it turned

121

00:06:34,950 --> 00:06:32,800

left and flew along the i-4

122

00:06:36,710 --> 00:06:34,960

at this point i had already rolled my

123

00:06:37,749 --> 00:06:36,720

window up and pulled to the side of the

124

00:06:40,230 --> 00:06:37,759

road

125

00:06:42,870 --> 00:06:40,240

i started dowing 9-1-1 but i stopped

126

00:06:45,590 --> 00:06:42,880

myself and tried to think i knew i

127

00:06:47,670 --> 00:06:45,600

wasn't tired or half asleep i don't take

128

00:06:49,510 --> 00:06:47,680

any drug prescriptions or

129

00:06:51,350 --> 00:06:49,520

and i don't drink

130

00:06:53,029 --> 00:06:51,360

i just don't know what

131

00:06:55,510 --> 00:06:53,039

what to tell the police or anybody so i

132

00:06:57,270 --> 00:06:55,520

knew nobody would believe or think i was

133

00:06:59,430 --> 00:06:57,280

drunk or intoxicated

134

00:07:01,110 --> 00:06:59,440

and if the police did come i didn't know

135

00:07:04,070 --> 00:07:01,120

what they would you know

136

00:07:06,309 --> 00:07:04,080

would do or what they could do

137

00:07:09,270 --> 00:07:06,319

uh i was shaking for the entire day the

138

00:07:12,469 --> 00:07:09,280

first person i was told i told was my

139

00:07:15,189 --> 00:07:12,479

fiancee although she was considerate

140

00:07:17,270 --> 00:07:15,199

about how i felt

141

00:07:20,070 --> 00:07:17,280

i don't think she believes any of it or

142

00:07:22,230 --> 00:07:20,080

at least thinks i was seeing things

143

00:07:24,390 --> 00:07:22,240

i had also told my younger brother the

144

00:07:26,230 --> 00:07:24,400

next day because he had always been a

145

00:07:28,309 --> 00:07:26,240

firm believer in cryptids and anything

146

00:07:29,110 --> 00:07:28,319

supernatural

147

00:07:31,830 --> 00:07:29,120

um

148

00:07:34,230 --> 00:07:31,840

he told me it sounded like i might have

149

00:07:36,790 --> 00:07:34,240

seen an eyou

150

00:07:39,670 --> 00:07:36,800

i had never heard of any rule before but

151  
00:07:41,909 --> 00:07:39,680  
after he told me about i looked online

152  
00:07:43,110 --> 00:07:41,919  
as to what it was description and it

153  
00:07:45,830 --> 00:07:43,120  
matched

154  
00:07:47,749 --> 00:07:45,840  
it's almost exactly what i saw i have

155  
00:07:49,830 --> 00:07:47,759  
never been a believer a bigfoot mothman

156  
00:07:51,909 --> 00:07:49,840  
or anything of that nature

157  
00:07:53,430 --> 00:07:51,919  
i had always thought that something that

158  
00:07:56,070 --> 00:07:53,440  
big living in the area would be

159  
00:07:58,629 --> 00:07:56,080  
discovered and documented easily

160  
00:08:00,629 --> 00:07:58,639  
but after seeing a truckside bat flying

161  
00:08:03,670 --> 00:08:00,639  
under a busy interstate in the middle of

162  
00:08:04,869 --> 00:08:03,680  
orlando i believe any if anybody can be

163  
00:08:06,790 --> 00:08:04,879

real

164

00:08:08,390 --> 00:08:06,800

i'm doubtful that anyone will ever

165

00:08:10,790 --> 00:08:08,400

actually believe me

166

00:08:12,869 --> 00:08:10,800

on this story uh i wouldn't even believe

167

00:08:13,830 --> 00:08:12,879

myself if somebody told me

168

00:08:16,070 --> 00:08:13,840

but

169

00:08:17,909 --> 00:08:16,080

i had to be at least i had to at least

170

00:08:19,749 --> 00:08:17,919

try to tell someone i don't want to

171

00:08:20,869 --> 00:08:19,759

sound dramatic but that morning changed

172

00:08:24,150 --> 00:08:20,879

my life

173

00:08:25,510 --> 00:08:24,160

and changed how i see the world

174

00:08:27,510 --> 00:08:25,520

now actually

175

00:08:31,430 --> 00:08:27,520

yeah

176

00:08:34,870 --> 00:08:32,709

is a winged

177

00:08:37,589 --> 00:08:34,880

bat like cryptid that

178

00:08:40,709 --> 00:08:37,599

has been described

179

00:08:42,469 --> 00:08:40,719

fairly similar to what he he states uh i

180

00:08:44,790 --> 00:08:42,479

think the sightings for the most part

181

00:08:48,070 --> 00:08:44,800

have been in the jungles

182

00:08:50,790 --> 00:08:48,080

uh mostly in central and south america

183

00:08:55,030 --> 00:08:50,800

don't quote me on that but

184

00:08:58,150 --> 00:08:55,040

i have had maybe one or two uh

185

00:09:01,829 --> 00:08:58,160

citing reports over the time

186

00:09:03,670 --> 00:09:01,839

so uh i don't know what he saw

187

00:09:06,150 --> 00:09:03,680

but it's pretty interesting and quite

188

00:09:08,310 --> 00:09:06,160

frankly if this was a winged humanoid of

189

00:09:11,509 --> 00:09:08,320

some type it's probably bigger than any

190

00:09:13,829 --> 00:09:11,519

of the ones that we've had before so

191

00:09:16,710 --> 00:09:13,839

um i don't know i don't know what he saw

192

00:09:18,710 --> 00:09:16,720

but it's interesting so um

193

00:09:20,790 --> 00:09:18,720

and and just by the way he presented to

194

00:09:22,310 --> 00:09:20,800

me and and you know

195

00:09:24,630 --> 00:09:22,320

i think he's telling the truth i think

196

00:09:26,389 --> 00:09:24,640

he actually saw something

197

00:09:29,190 --> 00:09:26,399

so um

198

00:09:31,990 --> 00:09:29,200

again if you um if you have questions

199

00:09:33,670 --> 00:09:32,000

about this and you know when they ask me

200

00:09:34,790 --> 00:09:33,680

feel free to do so

201  
00:09:36,949 --> 00:09:34,800  
um

202  
00:09:39,990 --> 00:09:36,959  
or we can just wait to the end of the

203  
00:09:43,269 --> 00:09:40,000  
end of the presentation

204  
00:09:47,670 --> 00:09:43,279  
so um the next one i have here

205  
00:09:53,750 --> 00:09:50,630  
the person i wrote in stated uh

206  
00:09:55,350 --> 00:09:53,760  
regarding one of your mantis stories

207  
00:09:56,870 --> 00:09:55,360  
i thought i thought i would share my

208  
00:09:59,430 --> 00:09:56,880  
tale

209  
00:10:02,389 --> 00:09:59,440  
now this i tell you this

210  
00:10:04,470 --> 00:10:02,399  
got this uh report gotta generate a lot

211  
00:10:06,630 --> 00:10:04,480  
of interest from

212  
00:10:09,430 --> 00:10:06,640  
a lot of people within the ufo community

213  
00:10:11,829 --> 00:10:09,440

i got a lot of inquiries about this

214

00:10:13,110 --> 00:10:11,839  
and apparently the individual

215

00:10:14,870 --> 00:10:13,120  
who uh

216

00:10:17,590 --> 00:10:14,880  
who are involved

217

00:10:20,069 --> 00:10:17,600  
is a real person i have tried to contact

218

00:10:23,110 --> 00:10:20,079  
them without much

219

00:10:25,430 --> 00:10:23,120  
uh success but uh

220

00:10:26,310 --> 00:10:25,440  
and i'm not gonna name them but uh they

221

00:10:28,310 --> 00:10:26,320  
um

222

00:10:30,150 --> 00:10:28,320  
they are real and they are who they say

223

00:10:31,350 --> 00:10:30,160  
they are

224

00:10:33,670 --> 00:10:31,360  
uh

225

00:10:36,150 --> 00:10:33,680  
years ago my wife and i were at a

226

00:10:38,230 --> 00:10:36,160

conference if i remember correctly

227

00:10:40,790 --> 00:10:38,240

and talked to a well-known ufo

228

00:10:43,030 --> 00:10:40,800

researcher named gw

229

00:10:46,550 --> 00:10:43,040

he is known as a physicist

230

00:10:48,630 --> 00:10:46,560

gw told us the following story

231

00:10:51,269 --> 00:10:48,640

he was attending a discussion of some

232

00:10:53,590 --> 00:10:51,279

kind concerning ufos

233

00:10:55,509 --> 00:10:53,600

it took place in a building where the

234

00:10:56,470 --> 00:10:55,519

rose chairs were closed and tightly

235

00:10:58,389 --> 00:10:56,480

packed

236

00:11:00,470 --> 00:10:58,399

he was in the audience listening to the

237

00:11:03,269 --> 00:11:00,480

presentation

238

00:11:06,389 --> 00:11:03,279

he noticed a family of three sitting in

239

00:11:08,870 --> 00:11:06,399

front of him a father mother and a child

240

00:11:11,350 --> 00:11:08,880

now during the lecture the presenter was

241

00:11:13,190 --> 00:11:11,360

discussing possible ufo

242

00:11:15,990 --> 00:11:13,200

propulsion systems

243

00:11:19,030 --> 00:11:16,000

it was discussing how a ufo traveling

244

00:11:22,230 --> 00:11:19,040

in atmosphere might use a ram jet design

245

00:11:24,710 --> 00:11:22,240

to assist during flight

246

00:11:27,350 --> 00:11:24,720

the child of the family leaned over to

247

00:11:29,590 --> 00:11:27,360

his mother and started to say

248

00:11:32,710 --> 00:11:29,600

but that's how our ship runs

249

00:11:35,030 --> 00:11:32,720

the mother quickly shushed the child

250

00:11:36,790 --> 00:11:35,040

but not before gw had heard what was

251  
00:11:40,550 --> 00:11:36,800  
said

252  
00:11:42,949 --> 00:11:40,560  
now after the presentation concluded

253  
00:11:44,630 --> 00:11:42,959  
everyone was leaving gw managed to

254  
00:11:47,269 --> 00:11:44,640  
locate the woman by herself and

255  
00:11:49,269 --> 00:11:47,279  
discreetly asked her about what he had

256  
00:11:51,509 --> 00:11:49,279  
heard

257  
00:11:54,790 --> 00:11:51,519  
she was friendly and verified that she

258  
00:11:56,949 --> 00:11:54,800  
and her family were not native to earth

259  
00:11:58,949 --> 00:11:56,959  
he was excited and started to ask

260  
00:11:59,990 --> 00:11:58,959  
questions but she didn't want to go into

261  
00:12:01,829 --> 00:12:00,000  
detail

262  
00:12:05,110 --> 00:12:01,839  
but did admit that her appearance was

263  
00:12:08,310 --> 00:12:05,120

not what she really looked like

264

00:12:11,750 --> 00:12:08,320

uh he asked her to show him the truth

265

00:12:15,350 --> 00:12:11,760

he described what she very slow that she

266

00:12:17,750 --> 00:12:15,360

very slowly lowered her cloaking device

267

00:12:20,470 --> 00:12:17,760

to show her real form

268

00:12:23,030 --> 00:12:20,480

he described her as a praying mantis

269

00:12:25,670 --> 00:12:23,040

insectoid type alien

270

00:12:26,710 --> 00:12:25,680

only he saw it no one else in the area

271

00:12:29,110 --> 00:12:26,720

did

272

00:12:31,670 --> 00:12:29,120

he said that she was amused that he

273

00:12:33,670 --> 00:12:31,680

didn't react to her form

274

00:12:36,629 --> 00:12:33,680

he had more questions but she declined

275

00:12:39,350 --> 00:12:36,639

to answer and then left

276

00:12:41,750 --> 00:12:39,360

uh i don't think this story was

277

00:12:43,509 --> 00:12:41,760

published anywhere because he told it to

278

00:12:45,509 --> 00:12:43,519

us in person

279

00:12:47,670 --> 00:12:45,519

maybe you could locate him and ask him

280

00:12:49,350 --> 00:12:47,680

for more detailed account keep up the

281

00:12:50,150 --> 00:12:49,360

great work

282

00:12:52,230 --> 00:12:50,160

uh

283

00:12:54,150 --> 00:12:52,240

i never knew so much of this happened

284

00:12:56,870 --> 00:12:54,160

i'm always looking behind me when

285

00:12:59,509 --> 00:12:56,880

walking in the woods now

286

00:13:02,230 --> 00:12:59,519

and uh yeah gw is actually a physicist

287

00:13:03,750 --> 00:13:02,240

and a ufo researcher and uh i'm just

288

00:13:05,590 --> 00:13:03,760

trying to get a hold of some

289

00:13:07,350 --> 00:13:05,600

clarification

290

00:13:10,150 --> 00:13:07,360

but just the way it was presented to me

291

00:13:13,670 --> 00:13:10,160

in the the person who did present it to

292

00:13:17,670 --> 00:13:13,680

me is is very worth right

293

00:13:19,269 --> 00:13:17,680

so uh yeah it makes you think um

294

00:13:21,829 --> 00:13:19,279

you know it's funny this is something we

295

00:13:23,910 --> 00:13:21,839

thought about a lot especially with the

296

00:13:26,949 --> 00:13:23,920

chicago sightings that

297

00:13:29,350 --> 00:13:26,959

it does seem that

298

00:13:31,509 --> 00:13:29,360

maybe certain people or have the ability

299

00:13:33,670 --> 00:13:31,519

or able i've been giving the privilege

300

00:13:35,190 --> 00:13:33,680

to look at these things to see these

301  
00:13:37,509 --> 00:13:35,200

things

302  
00:13:42,150 --> 00:13:39,910

and also the question they asked is are

303  
00:13:44,230 --> 00:13:42,160

some of these beings actually camouflage

304  
00:13:46,389 --> 00:13:44,240

their cloak somehow while they're on our

305  
00:13:49,829 --> 00:13:46,399

earth plane

306  
00:13:50,870 --> 00:13:49,839

hard to tell but apparently through that

307  
00:13:52,710 --> 00:13:50,880

account

308  
00:13:55,829 --> 00:13:52,720

it seems to be a possibility that they

309  
00:13:58,470 --> 00:13:56,790

uh

310  
00:14:00,829 --> 00:13:58,480

vincent wants to know are the madness

311  
00:14:05,509 --> 00:14:00,839

beings in charge

312  
00:14:08,470 --> 00:14:05,519

well you know when we go through a

313  
00:14:09,910 --> 00:14:08,480

it's an abduction scenario

314

00:14:12,550 --> 00:14:09,920

for the most part

315

00:14:16,069 --> 00:14:12,560

uh and more recent years past two

316

00:14:21,350 --> 00:14:16,079

decades i would say

317

00:14:25,350 --> 00:14:22,150

a

318

00:14:27,509 --> 00:14:25,360

different type of group of

319

00:14:29,269 --> 00:14:27,519

people or beings involved with the

320

00:14:32,310 --> 00:14:29,279

abduction and when i say people there do

321

00:14:35,189 --> 00:14:32,320

seem to be humans involved sometimes too

322

00:14:37,670 --> 00:14:35,199

and there does seem to be a hierarchy

323

00:14:40,310 --> 00:14:37,680

and at the top of the list is is usually

324

00:14:41,829 --> 00:14:40,320

an insectoid type being

325

00:14:42,829 --> 00:14:41,839

okay they seem to be the ones that are

326  
00:14:45,110 --> 00:14:42,839  
running the

327  
00:14:48,069 --> 00:14:45,120  
show uh

328  
00:14:50,230 --> 00:14:48,079  
i do believe

329  
00:14:52,870 --> 00:14:50,240  
personally that from the information

330  
00:14:54,389 --> 00:14:52,880  
i've received over the years

331  
00:14:56,710 --> 00:14:54,399  
that

332  
00:14:58,790 --> 00:14:56,720  
these insectoid beings are actually

333  
00:15:00,949 --> 00:14:58,800  
metamorphosized

334  
00:15:03,350 --> 00:15:00,959  
reptilians

335  
00:15:04,629 --> 00:15:03,360  
they just look they look mantis-like but

336  
00:15:06,069 --> 00:15:04,639  
i think

337  
00:15:08,870 --> 00:15:06,079  
when they reach

338  
00:15:11,750 --> 00:15:08,880

that certain high status as far as being

339

00:15:13,829 --> 00:15:11,760

in charge they metamorphosize into these

340

00:15:14,949 --> 00:15:13,839

beings

341

00:15:16,629 --> 00:15:14,959

um

342

00:15:19,269 --> 00:15:16,639

and you know we get more and more

343

00:15:21,350 --> 00:15:19,279

settings of insectoid type beings mostly

344

00:15:23,110 --> 00:15:21,360

the praying mantis or the praying mantis

345

00:15:25,430 --> 00:15:23,120

like head

346

00:15:27,750 --> 00:15:25,440

but uh

347

00:15:29,430 --> 00:15:27,760

i don't know i mean you know if that is

348

00:15:31,430 --> 00:15:29,440

that the truth is that what's going on i

349

00:15:33,509 --> 00:15:31,440

don't know but um

350

00:15:35,430 --> 00:15:33,519

it does seem that the mantis beings are

351  
00:15:37,509 --> 00:15:35,440  
the one running the show for the most

352  
00:15:42,470 --> 00:15:37,519  
part so um

353  
00:15:47,030 --> 00:15:45,110  
now another uh i got another report here

354  
00:15:49,590 --> 00:15:47,040  
which was sent to me it's interesting

355  
00:15:52,150 --> 00:15:49,600  
another interesting one a couple

356  
00:15:54,710 --> 00:15:52,160  
are spending a late midnight

357  
00:15:58,069 --> 00:15:54,720  
or late night time

358  
00:16:00,870 --> 00:15:58,079  
romp on a local remote beach near big

359  
00:16:03,509 --> 00:16:00,880  
sur california

360  
00:16:04,310 --> 00:16:03,519  
when they know the splashing in the surf

361  
00:16:06,790 --> 00:16:04,320  
and

362  
00:16:08,389 --> 00:16:06,800  
it is followed by a hairless pale

363  
00:16:11,670 --> 00:16:08,399

humanoid

364

00:16:15,030 --> 00:16:11,680

that stumbled onto the beach

365

00:16:19,990 --> 00:16:18,310

the witness states that back in 2012 my

366

00:16:21,670 --> 00:16:20,000

wife and i were living in monterey

367

00:16:25,350 --> 00:16:21,680

california

368

00:16:27,509 --> 00:16:25,360

i was a doi as a linguist

369

00:16:29,269 --> 00:16:27,519

we had a little beach that we would

370

00:16:31,590 --> 00:16:29,279

often go to

371

00:16:33,990 --> 00:16:31,600

it was right before officially entering

372

00:16:35,269 --> 00:16:34,000

big sur and you would park in a little

373

00:16:37,509 --> 00:16:35,279

pull off

374

00:16:39,829 --> 00:16:37,519

and walk a short hike on a game trail

375

00:16:41,829 --> 00:16:39,839

through some trees and bushes down the

376

00:16:43,749 --> 00:16:41,839

hill to the beach

377

00:16:45,990 --> 00:16:43,759

because it wasn't noticeable from the

378

00:16:47,590 --> 00:16:46,000

road or anything it was

379

00:16:50,230 --> 00:16:47,600

almost always empty

380

00:16:52,389 --> 00:16:50,240

the most crowded it ever was in all the

381

00:16:54,310 --> 00:16:52,399

two years we were there were maybe four

382

00:16:57,030 --> 00:16:54,320

people

383

00:17:00,550 --> 00:16:57,040

well it was about a week or so before we

384

00:17:02,389 --> 00:17:00,560

had to move to my next base so my wife

385

00:17:04,789 --> 00:17:02,399

and i decided to make a late night

386

00:17:07,189 --> 00:17:04,799

romantic trip to the beach

387

00:17:09,429 --> 00:17:07,199

now prior to this the latest we had ever

388

00:17:11,270 --> 00:17:09,439

gone to the beach was at sunset to watch

389

00:17:13,029 --> 00:17:11,280

the sunset over the ocean

390

00:17:15,909 --> 00:17:13,039

but this time we decided to go all

391

00:17:18,309 --> 00:17:15,919

around around midnight

392

00:17:21,350 --> 00:17:18,319

uh we get to the beach and have a little

393

00:17:23,510 --> 00:17:21,360

picnic then as we're just cuddling on

394

00:17:26,150 --> 00:17:23,520

the blanket relax and we notice

395

00:17:28,950 --> 00:17:26,160

something splashing in the water

396

00:17:30,710 --> 00:17:28,960

about 50 or so feet from the shore

397

00:17:32,710 --> 00:17:30,720

i thought it may have been a shark or

398

00:17:34,950 --> 00:17:32,720

maybe a small whale dolphin i got

399

00:17:36,390 --> 00:17:34,960

excited and decided to go get a closer

400

00:17:38,870 --> 00:17:36,400

look

401  
00:17:43,510 --> 00:17:41,270  
the thing the thing began swimming

402  
00:17:45,990 --> 00:17:43,520  
parallel to the shore

403  
00:17:47,669 --> 00:17:46,000  
still around 50 foot or so out and i

404  
00:17:49,350 --> 00:17:47,679  
followed it

405  
00:17:50,470 --> 00:17:49,360  
then i got to the point of the shore

406  
00:17:52,230 --> 00:17:50,480  
that for me

407  
00:17:54,710 --> 00:17:52,240  
then it got to the point of sure that

408  
00:17:57,110 --> 00:17:54,720  
for me it continued falling

409  
00:17:59,190 --> 00:17:57,120  
and i continued falling and i i have to

410  
00:18:01,990 --> 00:17:59,200  
climb over a rock outcropping since it

411  
00:18:04,310 --> 00:18:02,000  
was around 1am and in the dark

412  
00:18:07,510 --> 00:18:04,320  
and the rocks were somewhat wet i didn't

413  
00:18:10,310 --> 00:18:07,520

risk it and just continued watching

414

00:18:12,070 --> 00:18:10,320

the thing swam out to the beach on the

415

00:18:13,669 --> 00:18:12,080

other side of the rocks and came out of

416

00:18:16,070 --> 00:18:13,679

the water

417

00:18:18,549 --> 00:18:16,080

now at this point i thought maybe it was

418

00:18:21,270 --> 00:18:18,559

a seal or something but then the thing

419

00:18:23,990 --> 00:18:21,280

stood up on its hind legs

420

00:18:25,270 --> 00:18:24,000

it was probably between five and six

421

00:18:28,549 --> 00:18:25,280

foot tall

422

00:18:30,870 --> 00:18:28,559

and kind of shambled upon the shore

423

00:18:33,110 --> 00:18:30,880

after a little bit it turned and kind of

424

00:18:36,070 --> 00:18:33,120

stumbled into the bushes and trees that

425

00:18:38,310 --> 00:18:36,080

separated the beach from the road

426

00:18:40,950 --> 00:18:38,320

now it could have been a person but

427

00:18:44,070 --> 00:18:40,960

seems very unlikely it was absolutely

428

00:18:45,830 --> 00:18:44,080

hairs hairless and very pale

429

00:18:46,870 --> 00:18:45,840

to the point it almost glowed in the

430

00:18:49,270 --> 00:18:46,880

dark

431

00:18:51,350 --> 00:18:49,280

it faced me and the moon lit it up

432

00:18:53,909 --> 00:18:51,360

enough that i think

433

00:18:55,190 --> 00:18:53,919

i would have noticed genitalia

434

00:18:57,029 --> 00:18:55,200

because the thing wasn't wearing any

435

00:18:59,669 --> 00:18:57,039

clothing of any kind there was nothing

436

00:19:01,590 --> 00:18:59,679

no features whatsoever

437

00:19:03,029 --> 00:19:01,600

this thing creeped me out especially the

438

00:19:05,590 --> 00:19:03,039

way it moved

439

00:19:08,070 --> 00:19:05,600

it seemed like walking on land wasn't

440

00:19:09,750 --> 00:19:08,080

something it was accustomed to

441

00:19:12,470 --> 00:19:09,760

i ended up going back to the blanket and

442

00:19:13,830 --> 00:19:12,480

telling my wife and we hurried back the

443

00:19:15,430 --> 00:19:13,840

car and left

444

00:19:16,870 --> 00:19:15,440

i wanted to go back the next day to

445

00:19:18,950 --> 00:19:16,880

check for tracks and then the other

446

00:19:21,270 --> 00:19:18,960

clues but due to the fact that we slept

447

00:19:23,430 --> 00:19:21,280

in and being busy packing

448

00:19:24,470 --> 00:19:23,440

and getting prepped for our move by that

449

00:19:28,710 --> 00:19:24,480

time it

450

00:19:33,190 --> 00:19:28,720

sunset so i went the next day but i

451

00:19:36,830 --> 00:19:34,870

you know i don't i don't think i

452

00:19:41,270 --> 00:19:36,840

remember any

453

00:19:43,990 --> 00:19:41,280

other of these crawler humanoids or

454

00:19:45,029 --> 00:19:44,000

pale humanoids

455

00:19:46,870 --> 00:19:45,039

seen

456

00:19:48,549 --> 00:19:46,880

walking out of the water though i could

457

00:19:50,950 --> 00:19:48,559

be wrong you know

458

00:19:52,710 --> 00:19:50,960

if anybody's read the book my book means

459

00:19:54,390 --> 00:19:52,720

humanoids you'll know

460

00:19:57,590 --> 00:19:54,400

um

461

00:19:59,830 --> 00:19:57,600

but i uh i i don't remember but they're

462

00:20:02,789 --> 00:19:59,840

they're seeing all kinds of different

463

00:20:05,350 --> 00:20:02,799

situations and locations so i mean this

464

00:20:06,710 --> 00:20:05,360

really doesn't surprise me

465

00:20:09,669 --> 00:20:06,720

um

466

00:20:11,110 --> 00:20:09,679

you know this whole phenomena still

467

00:20:12,470 --> 00:20:11,120

is kind of

468

00:20:14,470 --> 00:20:12,480

unknown

469

00:20:17,270 --> 00:20:14,480

uh there there are different theories i

470

00:20:19,510 --> 00:20:17,280

i don't know what it is uh but um

471

00:20:21,750 --> 00:20:19,520

you know of course i i think it might be

472

00:20:24,789 --> 00:20:21,760

in some cases a manifestation of my

473

00:20:28,230 --> 00:20:24,799

manifestation thought form

474

00:20:31,270 --> 00:20:28,240

but you know there are situations where

475

00:20:34,390 --> 00:20:31,280

a person isn't even thinking anything

476

00:20:38,310 --> 00:20:34,400

close to what they see and uh that's

477

00:20:41,029 --> 00:20:38,320

where this whole phenomenon intrigues me

478

00:20:43,029 --> 00:20:41,039

as to are we seeing another a nexus of

479

00:20:45,190 --> 00:20:43,039

another type of humanoid

480

00:20:46,390 --> 00:20:45,200

i don't know

481

00:20:48,789 --> 00:20:46,400

i mean are they

482

00:20:51,669 --> 00:20:48,799

or are they interdimensional travelers

483

00:20:54,149 --> 00:20:51,679

like what i believe most cryptids are

484

00:20:55,510 --> 00:20:54,159

are they ultra terrestrial as well hard

485

00:20:57,590 --> 00:20:55,520

to tell

486

00:20:58,390 --> 00:20:57,600

so

487

00:20:59,430 --> 00:20:58,400

our

488

00:21:04,549 --> 00:20:59,440

richard

489

00:21:06,950 --> 00:21:04,559

crawlers k being stuck for i don't know

490

00:21:08,070 --> 00:21:06,960

that's just it i have no idea what they

491

00:21:10,789 --> 00:21:08,080

are

492

00:21:12,950 --> 00:21:10,799

you know if it's a cave being

493

00:21:15,270 --> 00:21:12,960

maybe at the location there are some

494

00:21:17,430 --> 00:21:15,280

caves there at the edge of the water

495

00:21:19,750 --> 00:21:17,440

are even in the water maybe it's got the

496

00:21:21,909 --> 00:21:19,760

ability to breathe under water to some

497

00:21:24,470 --> 00:21:21,919

degree

498

00:21:26,070 --> 00:21:24,480

um you know the more and more i hear

499

00:21:28,070 --> 00:21:26,080

these accounts

500

00:21:29,350 --> 00:21:28,080

i think the more questions we really

501  
00:21:30,470 --> 00:21:29,360  
have

502  
00:21:35,430 --> 00:21:30,480  
um

503  
00:21:37,750 --> 00:21:35,440  
who talk about them

504  
00:21:40,310 --> 00:21:37,760  
um

505  
00:21:41,669 --> 00:21:40,320  
i i be honest with you i i think there i

506  
00:21:44,149 --> 00:21:41,679  
don't even know if there's any other

507  
00:21:46,549 --> 00:21:44,159  
books other than mine that have dealt

508  
00:21:49,590 --> 00:21:46,559  
with this subject maybe cursory there

509  
00:21:50,870 --> 00:21:49,600  
have been some mentions of it but uh

510  
00:21:52,710 --> 00:21:50,880  
you know it's

511  
00:21:54,630 --> 00:21:52,720  
that's why i wrote it i just don't know

512  
00:21:57,350 --> 00:21:54,640  
you know i'm trying to get ideas and get

513  
00:21:57,890 --> 00:21:57,360

thoughts of what people think they are

514

00:22:00,390 --> 00:21:57,900

so

515

00:22:04,390 --> 00:22:00,400

[Music]

516

00:22:10,230 --> 00:22:06,870

now here's another one i got a lot of

517

00:22:13,430 --> 00:22:10,240

response to and uh you know these ferry

518

00:22:15,669 --> 00:22:13,440

accounts these fey accounts

519

00:22:17,909 --> 00:22:15,679

really grab a lot of interest

520

00:22:20,310 --> 00:22:17,919

um

521

00:22:22,549 --> 00:22:20,320

this one really did as well

522

00:22:24,470 --> 00:22:22,559

you know involved where a woman or grown

523

00:22:27,029 --> 00:22:24,480

daughter were actually sitting in their

524

00:22:29,029 --> 00:22:27,039

car in a parking lot

525

00:22:31,909 --> 00:22:29,039

when they noticed a five to six inch

526

00:22:33,750 --> 00:22:31,919

flying female fairy

527

00:22:36,710 --> 00:22:33,760

fluttering near them and his facial

528

00:22:39,590 --> 00:22:36,720

expression was out of anger

529

00:22:43,990 --> 00:22:39,600

so um here's what the uh the witness

530

00:22:46,470 --> 00:22:44,000

wrote to me in 2004 in southeast texas

531

00:22:48,710 --> 00:22:46,480

my granddaughter and i were seated in

532

00:22:50,789 --> 00:22:48,720

the car at in late summer the heat was

533

00:22:51,669 --> 00:22:50,799

rather unbearable so we were letting the

534

00:22:57,029 --> 00:22:51,679

car

535

00:22:59,350 --> 00:22:57,039

before we headed home from the market

536

00:23:02,390 --> 00:22:59,360

now prior to this event neither of us

537

00:23:05,190 --> 00:23:02,400

believed in fairies or pixies

538

00:23:06,470 --> 00:23:05,200

we read about such things as folklore or

539

00:23:08,549 --> 00:23:06,480

magical

540

00:23:11,029 --> 00:23:08,559

but what i'm about to

541

00:23:13,430 --> 00:23:11,039

but what it uh

542

00:23:15,270 --> 00:23:13,440

but what was about to happen changed us

543

00:23:17,830 --> 00:23:15,280

forever uh

544

00:23:19,830 --> 00:23:17,840

here we were in the land of rattlesnakes

545

00:23:23,190 --> 00:23:19,840

and armadillos

546

00:23:25,270 --> 00:23:23,200

uh we sat talking and my back was to the

547

00:23:28,230 --> 00:23:25,280

side window

548

00:23:30,950 --> 00:23:28,240

and my daughter suddenly went very still

549

00:23:33,750 --> 00:23:30,960

and said mom look behind you

550

00:23:36,149 --> 00:23:33,760

very slowly i turned and saw nothing but

551  
00:23:37,990 --> 00:23:36,159  
suddenly i saw it tail

552  
00:23:41,029 --> 00:23:38,000  
it flew right

553  
00:23:42,149 --> 00:23:41,039  
at our right windscreen windshield

554  
00:23:44,310 --> 00:23:42,159  
a human

555  
00:23:46,310 --> 00:23:44,320  
looking creature approximately five to

556  
00:23:48,470 --> 00:23:46,320  
six inches long

557  
00:23:50,870 --> 00:23:48,480  
it had a gossamer like

558  
00:23:52,470 --> 00:23:50,880  
wings that span properly six to seven

559  
00:23:55,029 --> 00:23:52,480  
inches wide

560  
00:23:57,669 --> 00:23:55,039  
and its wings were beating quite rapidly

561  
00:24:00,390 --> 00:23:57,679  
like a hummingbirds

562  
00:24:02,789 --> 00:24:00,400  
it was directly in front of my face as i

563  
00:24:03,750 --> 00:24:02,799

suddenly saw it it poked its tiny face

564

00:24:05,990 --> 00:24:03,760

in me

565

00:24:08,310 --> 00:24:06,000

craning towards the window

566

00:24:10,310 --> 00:24:08,320

i was in shock

567

00:24:12,549 --> 00:24:10,320

think of the last time you saw a fairy

568

00:24:14,630 --> 00:24:12,559

painting you probably are remembering a

569

00:24:15,590 --> 00:24:14,640

creature that was wearing some sort of

570

00:24:17,590 --> 00:24:15,600

garment

571

00:24:22,070 --> 00:24:17,600

that was revealing it's rather lengthy

572

00:24:23,510 --> 00:24:22,080

legs in its buster chess yep tinkerbells

573

00:24:26,950 --> 00:24:23,520

well

574

00:24:29,110 --> 00:24:26,960

but hers was was nicer actually

575

00:24:32,070 --> 00:24:29,120

this little creatures clothing was an

576

00:24:34,070 --> 00:24:32,080

amber and wood colored costume

577

00:24:36,549 --> 00:24:34,080

and before you asked neither of us were

578

00:24:38,710 --> 00:24:36,559

on drugs or alcohol

579

00:24:41,110 --> 00:24:38,720

i'm saying this was a female creature

580

00:24:44,950 --> 00:24:41,120

due to her bust size

581

00:24:47,669 --> 00:24:44,960

and she was obviously very upset

582

00:24:48,870 --> 00:24:47,679

her tiny face was scrunched up in a deep

583

00:24:51,110 --> 00:24:48,880

fram

584

00:24:52,549 --> 00:24:51,120

and although we couldn't hear her in her

585

00:24:55,430 --> 00:24:52,559

closed up car

586

00:24:58,390 --> 00:24:55,440

she was very sincerely giving us a

587

00:25:00,390 --> 00:24:58,400

lecture she was quite angry

588

00:25:03,110 --> 00:25:00,400

now after she did this for several

589

00:25:05,990 --> 00:25:03,120

seconds she looked over at my daughter

590

00:25:08,230 --> 00:25:06,000

shook her head and turned and flew away

591

00:25:12,070 --> 00:25:08,240

mom did you see what i saw

592

00:25:14,630 --> 00:25:12,080

my daughter asked and i said yes i did

593

00:25:16,950 --> 00:25:14,640

when we came out of our shock we talked

594

00:25:19,909 --> 00:25:16,960

about the little creature

595

00:25:21,990 --> 00:25:19,919

we still do 17 years later

596

00:25:24,390 --> 00:25:22,000

everyone we have mentioned it to thinks

597

00:25:26,789 --> 00:25:24,400

we've lost our minds

598

00:25:28,870 --> 00:25:26,799

and i might have thought it was the heat

599

00:25:31,190 --> 00:25:28,880

induced delirium but not for the fact

600

00:25:33,510 --> 00:25:31,200

that my daughter saw it too

601  
00:25:36,549 --> 00:25:33,520  
the actress encounter we have both been

602  
00:25:38,149 --> 00:25:36,559  
seriously watching for another event or

603  
00:25:40,710 --> 00:25:38,159  
even some

604  
00:25:44,470 --> 00:25:40,720  
one else who may have ever seen them in

605  
00:25:47,269 --> 00:25:44,480  
here in america so far no luck

606  
00:25:48,870 --> 00:25:47,279  
so i question are there's others in the

607  
00:25:52,149 --> 00:25:48,880  
united states

608  
00:25:54,070 --> 00:25:52,159  
now i now live in west virginia

609  
00:25:56,549 --> 00:25:54,080  
and if you

610  
00:25:58,870 --> 00:25:56,559  
if they were native to this country

611  
00:26:01,029 --> 00:25:58,880  
why doesn't anyone else talk about them

612  
00:26:03,830 --> 00:26:01,039  
and if they they aren't

613  
00:26:06,870 --> 00:26:03,840

where do they originate from how might

614

00:26:09,269 --> 00:26:06,880

they have ended up here well

615

00:26:12,149 --> 00:26:09,279

i guess it's just like everything else

616

00:26:15,269 --> 00:26:12,159

people who see something like that

617

00:26:19,029 --> 00:26:15,279

especially something that

618

00:26:21,909 --> 00:26:19,039

imitates a a well-known

619

00:26:23,590 --> 00:26:21,919

disney character i guess uh

620

00:26:27,269 --> 00:26:23,600

they're not they're apt not to say a

621

00:26:33,269 --> 00:26:28,710

you know

622

00:26:34,470 --> 00:26:33,279

been for for over a century or more

623

00:26:36,789 --> 00:26:34,480

there have been

624

00:26:38,070 --> 00:26:36,799

these uh these fairy sightings that

625

00:26:41,590 --> 00:26:38,080

people people's

626

00:26:44,390 --> 00:26:41,600

so-called photograph fairy sightings

627

00:26:46,230 --> 00:26:44,400

in the in great britain and in other

628

00:26:48,630 --> 00:26:46,240

places

629

00:26:52,710 --> 00:26:50,310

i don't know i don't know what to think

630

00:26:55,830 --> 00:26:52,720

about it i'm not i'm not much

631

00:26:57,029 --> 00:26:55,840

read into fairies and little beings like

632

00:26:58,310 --> 00:26:57,039

that

633

00:27:00,789 --> 00:26:58,320

uh

634

00:27:03,190 --> 00:27:00,799

timothy renner and joshua cutchen are

635

00:27:05,990 --> 00:27:03,200

two guys i know that really have looked

636

00:27:07,029 --> 00:27:06,000

into this phenomena

637

00:27:08,789 --> 00:27:07,039

so

638

00:27:13,350 --> 00:27:08,799

you might if you have any questions you

639

00:27:17,990 --> 00:27:14,549

i uh

640

00:27:20,149 --> 00:27:18,000

if i get actually if i do get tim on the

641

00:27:20,950 --> 00:27:20,159

show again which i probably will not too

642

00:27:23,430 --> 00:27:20,960

long

643

00:27:25,510 --> 00:27:23,440

not to in the near future anyway because

644

00:27:26,310 --> 00:27:25,520

uh he does a lot of investigating he's

645

00:27:31,669 --> 00:27:26,320

actually

646

00:27:33,430 --> 00:27:31,679

we're doing now here in pennsylvania

647

00:27:35,669 --> 00:27:33,440

of a uh

648

00:27:37,110 --> 00:27:35,679

possible upgrade canine setting near

649

00:27:39,909 --> 00:27:37,120

ready

650

00:27:42,230 --> 00:27:39,919

so um

651

00:27:43,669 --> 00:27:42,240

if we can get that pinned down talk

652

00:27:45,669 --> 00:27:43,679

about that maybe i'll get him on there

653

00:27:48,789 --> 00:27:45,679

and i ask him about the uh

654

00:27:51,510 --> 00:27:48,799

the fairy phenomena and see what he says

655

00:27:52,710 --> 00:27:51,520

but joshua joshua kutcher has also been

656

00:27:54,389 --> 00:27:52,720

involved with that they've written

657

00:27:55,909 --> 00:27:54,399

several books together

658

00:27:58,470 --> 00:27:55,919

so you may want to

659

00:28:00,389 --> 00:27:58,480

check them out on amazon because they do

660

00:28:03,830 --> 00:28:00,399

a lot of very good research they're

661

00:28:03,840 --> 00:28:06,710

so

662

00:28:12,149 --> 00:28:09,669

the next account

663

00:28:13,590 --> 00:28:12,159

is where a teen and his family were deer

664

00:28:15,430 --> 00:28:13,600

hunting in the mountains of north

665

00:28:17,669 --> 00:28:15,440

central pennsylvania

666

00:28:21,909 --> 00:28:17,679

the witness was in a boggy area when he

667

00:28:25,510 --> 00:28:21,919

observed a man dressed as a 16th century

668

00:28:32,149 --> 00:28:27,430

now

669

00:28:35,350 --> 00:28:32,159

is an interesting one

670

00:28:38,389 --> 00:28:35,360

back in the early 1990s during my early

671

00:28:40,310 --> 00:28:38,399

teens my clan had headed into the north

672

00:28:42,470 --> 00:28:40,320

central mountains of pennsylvania for

673

00:28:44,630 --> 00:28:42,480

our annual book hunt

674

00:28:46,950 --> 00:28:44,640

and most of us had never hunted this

675

00:28:50,149 --> 00:28:46,960

area but my dad and his brother my uncle

676  
00:28:52,230 --> 00:28:50,159  
had hunted here many years before

677  
00:28:54,389 --> 00:28:52,240  
but just one time

678  
00:28:56,710 --> 00:28:54,399  
we had decided the night before opening

679  
00:28:58,549 --> 00:28:56,720  
day that we would hunt a remote area

680  
00:29:00,070 --> 00:28:58,559  
that required a hike about two and a

681  
00:29:03,190 --> 00:29:00,080  
half miles

682  
00:29:05,750 --> 00:29:03,200  
back on an old logging road

683  
00:29:07,669 --> 00:29:05,760  
now using topographical maps everyone

684  
00:29:09,510 --> 00:29:07,679  
had decided

685  
00:29:11,430 --> 00:29:09,520  
where they would go once we reached the

686  
00:29:15,190 --> 00:29:11,440  
end of the trail now my uncle and his

687  
00:29:16,789 --> 00:29:15,200  
his son were headed up into a saddle

688  
00:29:18,230 --> 00:29:16,799

slightly to the right and ahead of the

689

00:29:20,470 --> 00:29:18,240

trail

690

00:29:22,310 --> 00:29:20,480

and while my other uncle and his two

691

00:29:23,909 --> 00:29:22,320

sons are spread out below the ridge on

692

00:29:25,750 --> 00:29:23,919

the right

693

00:29:27,909 --> 00:29:25,760

my dad was headed to the left of the

694

00:29:29,990 --> 00:29:27,919

saddle and my younger brother was headed

695

00:29:31,510 --> 00:29:30,000

to the left of the trail into this

696

00:29:34,310 --> 00:29:31,520

shallow hall

697

00:29:37,430 --> 00:29:34,320

i had chosen to head for a bog

698

00:29:39,669 --> 00:29:37,440

between my brother and dad uh when i

699

00:29:42,149 --> 00:29:39,679

when i had chosen area the night before

700

00:29:44,630 --> 00:29:42,159

i noticed a glance

701  
00:29:47,510 --> 00:29:44,640  
between my dad and uncle and i promised

702  
00:29:49,669 --> 00:29:47,520  
them that i would only skirt the edge

703  
00:29:51,830 --> 00:29:49,679  
i knew better to wander into a northern

704  
00:29:54,070 --> 00:29:51,840  
bog even a small bog like that what

705  
00:29:56,149 --> 00:29:54,080  
could be very dangerous

706  
00:29:58,710 --> 00:29:56,159  
uh we headed out

707  
00:30:00,389 --> 00:29:58,720  
after a hearty breakfast and hit the end

708  
00:30:03,029 --> 00:30:00,399  
of the logging route about a half an

709  
00:30:05,510 --> 00:30:03,039  
hour so before dawn

710  
00:30:09,110 --> 00:30:05,520  
as we wished each other luck and spr

711  
00:30:10,470 --> 00:30:09,120  
split up my dad looked at me and sternly

712  
00:30:12,149 --> 00:30:10,480  
he looked at me sternly and said be

713  
00:30:14,149 --> 00:30:12,159

careful in there boy

714

00:30:15,590 --> 00:30:14,159

i shored him i would and headed for the

715

00:30:17,909 --> 00:30:15,600

bog

716

00:30:19,590 --> 00:30:17,919

it was a dreary misty morning with

717

00:30:21,269 --> 00:30:19,600

temperatures hovering just above

718

00:30:23,669 --> 00:30:21,279

freezing

719

00:30:26,389 --> 00:30:23,679

the ground was wet so moving through the

720

00:30:28,470 --> 00:30:26,399

forest was especially quiet

721

00:30:30,789 --> 00:30:28,480

i figured i would angle in and hit the

722

00:30:32,549 --> 00:30:30,799

bog's edge at about midpoint and then

723

00:30:35,350 --> 00:30:32,559

still hunt the edge until i hit the

724

00:30:37,909 --> 00:30:35,360

midpoint on the other side

725

00:30:40,149 --> 00:30:37,919

in the way in as the woods slowly lit up

726

00:30:41,750 --> 00:30:40,159

with an overcast dawn i slipped past a

727

00:30:43,750 --> 00:30:41,760

pair of squirrels

728

00:30:46,470 --> 00:30:43,760

heard a woodpecker up the ridge and had

729

00:30:48,470 --> 00:30:46,480

spotted a few chickadees a blue jape

730

00:30:50,549 --> 00:30:48,480

spotted me however and sounded the alarm

731

00:30:52,070 --> 00:30:50,559

which really upset me

732

00:30:53,590 --> 00:30:52,080

but it was a typical morning in the

733

00:30:56,389 --> 00:30:53,600

woods

734

00:30:58,070 --> 00:30:56,399

and as i approached the edge of the bog

735

00:31:00,310 --> 00:30:58,080

nature called

736

00:31:01,509 --> 00:31:00,320

or more accurately the heavy breakfast

737

00:31:03,909 --> 00:31:01,519

called

738

00:31:06,549 --> 00:31:03,919

reluctantly but hurriedly i dug a small

739

00:31:09,029 --> 00:31:06,559

hole the bases huge hemlock

740

00:31:11,190 --> 00:31:09,039

dropped my drawers and fertilized three

741

00:31:13,750 --> 00:31:11,200

now as i was squatting there i realized

742

00:31:15,990 --> 00:31:13,760

that something had changed

743

00:31:17,750 --> 00:31:16,000

not only had the blue jay disappeared

744

00:31:19,269 --> 00:31:17,760

but it seemed like everything else had

745

00:31:21,509 --> 00:31:19,279

two

746

00:31:23,669 --> 00:31:21,519

there wasn't a sound anywhere and i had

747

00:31:25,269 --> 00:31:23,679

the unshakable feeling that i was being

748

00:31:27,350 --> 00:31:25,279

watched

749

00:31:29,750 --> 00:31:27,360

in my rather exposed and vulnerable

750

00:31:31,350 --> 00:31:29,760

condition i tried to make myself smaller

751  
00:31:32,950 --> 00:31:31,360  
while at the same time scanning the

752  
00:31:35,909 --> 00:31:32,960  
woods around me

753  
00:31:37,750 --> 00:31:35,919  
and strain to hear the slightest rust or

754  
00:31:39,909 --> 00:31:37,760  
twig snap

755  
00:31:42,149 --> 00:31:39,919  
i fully expected to see one of two

756  
00:31:43,990 --> 00:31:42,159  
things either deer standing behind me or

757  
00:31:45,110 --> 00:31:44,000  
my brother or dad slipping between the

758  
00:31:48,149 --> 00:31:45,120  
trees

759  
00:31:50,230 --> 00:31:48,159  
trying to pull a practical joke on me

760  
00:31:51,669 --> 00:31:50,240  
there was no one to be seen or heard

761  
00:31:53,590 --> 00:31:51,679  
nothing

762  
00:31:54,950 --> 00:31:53,600  
my focus had been behind me and to

763  
00:31:57,750 --> 00:31:54,960

either side

764

00:32:01,029 --> 00:31:57,760

not ahead into the box and no one in my

765

00:32:03,430 --> 00:32:01,039

their right mind would be there but as i

766

00:32:06,070 --> 00:32:03,440

shifted my position slightly

767

00:32:09,190 --> 00:32:06,080

i noticed straight into

768

00:32:12,310 --> 00:32:09,200

the desolate looking bog

769

00:32:14,710 --> 00:32:12,320

there next to a dead fall approximately

770

00:32:16,789 --> 00:32:14,720

30 to 35 yards out in the bog and

771

00:32:18,549 --> 00:32:16,799

staring right at me

772

00:32:20,710 --> 00:32:18,559

was what appeared to be the torso and

773

00:32:22,710 --> 00:32:20,720

the head of a man

774

00:32:25,029 --> 00:32:22,720

the rest was hidden behind a bush and

775

00:32:26,470 --> 00:32:25,039

downed trees between him and between him

776

00:32:29,110 --> 00:32:26,480

and i

777

00:32:32,310 --> 00:32:29,120

that alone would have been weird enough

778

00:32:34,470 --> 00:32:32,320

what really shook me was his garb

779

00:32:37,430 --> 00:32:34,480

he had a metal breastplate and what

780

00:32:41,350 --> 00:32:37,440

looked like a 16th century conquistador

781

00:32:45,110 --> 00:32:43,350

now my first thought was okay you're

782

00:32:46,470 --> 00:32:45,120

hallucinating your eyes are playing

783

00:32:48,549 --> 00:32:46,480

tricks for you

784

00:32:50,389 --> 00:32:48,559

i shifted position again quickly

785

00:32:51,509 --> 00:32:50,399

finished my business filled the hole and

786

00:32:53,350 --> 00:32:51,519

stepped

787

00:32:55,110 --> 00:32:53,360

behind the tree

788

00:32:57,190 --> 00:32:55,120

the whole time that

789

00:33:00,389 --> 00:32:57,200

being watch feeling never left but i

790

00:33:02,549 --> 00:33:00,399

avoid looking back into the bog

791

00:33:04,870 --> 00:33:02,559

as i settle myself down i began to work

792

00:33:05,990 --> 00:33:04,880

my way along the bog's edge but slightly

793

00:33:10,070 --> 00:33:06,000

faster

794

00:33:12,630 --> 00:33:10,080

than i normally still hunt

795

00:33:14,710 --> 00:33:12,640

the woods remain early still and that

796

00:33:17,110 --> 00:33:14,720

feeling just wouldn't go away

797

00:33:20,310 --> 00:33:17,120

so after i had gone about 30 yards i

798

00:33:23,269 --> 00:33:20,320

mentioned it another look into the log

799

00:33:25,830 --> 00:33:23,279

as i scanned through it i slowly looked

800

00:33:28,470 --> 00:33:25,840

back towards where i had been i thought

801

00:33:31,029 --> 00:33:28,480

i'd seen the uh man

802

00:33:32,149 --> 00:33:31,039

and easily picked out the deadfall and

803

00:33:34,389 --> 00:33:32,159

sure enough

804

00:33:36,710 --> 00:33:34,399

there slightly to the left of it was the

805

00:33:38,710 --> 00:33:36,720

conquistador again

806

00:33:39,990 --> 00:33:38,720

but he had shifted and was still staring

807

00:33:42,470 --> 00:33:40,000

right at me

808

00:33:45,430 --> 00:33:42,480

this time i had the presence of mind to

809

00:33:47,669 --> 00:33:45,440

use my rifle scope to get a better look

810

00:33:49,990 --> 00:33:47,679

when the optics rested on where he

811

00:33:51,509 --> 00:33:50,000

should have been there was nothing but

812

00:33:54,549 --> 00:33:51,519

a small dead

813

00:33:57,029 --> 00:33:54,559

bush back at the end of the deadfall

814

00:33:59,509 --> 00:33:57,039

when i lowered the scope there he was

815

00:34:01,269 --> 00:33:59,519

and the bush was obscured

816

00:34:04,149 --> 00:34:01,279

the hair on the back my neck stood up

817

00:34:06,389 --> 00:34:04,159

and my hands went clammy on me i freaked

818

00:34:07,590 --> 00:34:06,399

i made a beeline for the far edge of the

819

00:34:10,790 --> 00:34:07,600

bog

820

00:34:12,950 --> 00:34:10,800

there just off the edge was a small rise

821

00:34:15,829 --> 00:34:12,960

which i crested

822

00:34:17,990 --> 00:34:15,839

it gave me a good view into the the dead

823

00:34:19,190 --> 00:34:18,000

standing and fallen trees that littered

824

00:34:21,109 --> 00:34:19,200

the bog

825

00:34:22,710 --> 00:34:21,119

i shifted around until i could pick out

826

00:34:25,270 --> 00:34:22,720

the deadfall again

827

00:34:27,270 --> 00:34:25,280

there beside it was the man

828

00:34:29,589 --> 00:34:27,280

and now i could see that he was holding

829

00:34:32,950 --> 00:34:29,599

something long in his hand

830

00:34:34,869 --> 00:34:32,960

but i couldn't make out the details

831

00:34:37,349 --> 00:34:34,879

he was still staring directly at me

832

00:34:39,190 --> 00:34:37,359

having shifted yet again

833

00:34:41,030 --> 00:34:39,200

at that moment a small break in the

834

00:34:42,950 --> 00:34:41,040

clouds allowed the sun to shine through

835

00:34:44,470 --> 00:34:42,960

for a brief moment and as it hit the

836

00:34:47,030 --> 00:34:44,480

area of the deadfall

837

00:34:49,589 --> 00:34:47,040

it glinted brightly off his metal

838

00:34:52,550 --> 00:34:49,599

breastplate and helmet

839

00:34:54,389 --> 00:34:52,560

and then it was gone it just vanished

840

00:34:56,310 --> 00:34:54,399

the clouds closed up again but he was

841

00:34:57,750 --> 00:34:56,320

nowhere to be seen

842

00:34:59,190 --> 00:34:57,760

now

843

00:35:01,430 --> 00:34:59,200

i left the bog and headed up the

844

00:35:03,589 --> 00:35:01,440

mountain to find my dad

845

00:35:05,829 --> 00:35:03,599

now he wasn't happy with me showing up

846

00:35:06,950 --> 00:35:05,839

so early but when i told him what had

847

00:35:08,630 --> 00:35:06,960

happened

848

00:35:11,109 --> 00:35:08,640

he stared me in the eyes for a few

849

00:35:12,870 --> 00:35:11,119

seconds and said boggs can be strange

850

00:35:15,510 --> 00:35:12,880

places boy

851  
00:35:17,510 --> 00:35:15,520  
he never he never mentioned it again but

852  
00:35:19,430 --> 00:35:17,520  
i have no doubt the reason he and my

853  
00:35:20,310 --> 00:35:19,440  
uncle had come back

854  
00:35:24,230 --> 00:35:20,320  
here

855  
00:35:26,069 --> 00:35:24,240  
because of that bog

856  
00:35:28,230 --> 00:35:26,079  
now i re told the story to the rest of

857  
00:35:31,910 --> 00:35:28,240  
the group later that night at the old

858  
00:35:33,829 --> 00:35:31,920  
hotel where we were staying no one left

859  
00:35:36,470 --> 00:35:33,839  
the next day and for the rest of the

860  
00:35:39,109 --> 00:35:36,480  
trip we hunted a different area we never

861  
00:35:42,630 --> 00:35:39,119  
went back there again

862  
00:35:45,190 --> 00:35:42,640  
i uh i have tried to find out the

863  
00:35:46,390 --> 00:35:45,200

location the exact location where this

864

00:35:48,069 --> 00:35:46,400

occurred

865

00:35:49,030 --> 00:35:48,079

and i'm just not getting anything i

866

00:35:51,430 --> 00:35:49,040

don't know

867

00:35:53,829 --> 00:35:51,440

he's just not answering or

868

00:35:55,750 --> 00:35:53,839

you know what the deal is

869

00:35:58,470 --> 00:35:55,760

but

870

00:36:00,710 --> 00:35:58,480

pretty interesting and quite frankly it

871

00:36:02,390 --> 00:36:00,720

doesn't surprise me i get i get a few of

872

00:36:06,230 --> 00:36:02,400

these um

873

00:36:10,829 --> 00:36:08,310

stories

874

00:36:12,790 --> 00:36:10,839

uh and uh it's interesting

875

00:36:15,910 --> 00:36:12,800

um

876

00:36:18,790 --> 00:36:15,920

i i believe that there there is uh there

877

00:36:20,710 --> 00:36:18,800

are time slips i think it does happen

878

00:36:22,550 --> 00:36:20,720

uh vince wants to know why do some

879

00:36:24,230 --> 00:36:22,560

spirits to be stuck in an area for a

880

00:36:26,069 --> 00:36:24,240

long time well

881

00:36:27,670 --> 00:36:26,079

i don't know if this was a spirit it

882

00:36:29,990 --> 00:36:27,680

doesn't seem to me it would have been i

883

00:36:32,310 --> 00:36:30,000

mean i know have no idea of any

884

00:36:34,950 --> 00:36:32,320

conquistadors

885

00:36:37,190 --> 00:36:34,960

being in north central pennsylvania any

886

00:36:43,589 --> 00:36:37,200

time period you know

887

00:36:47,430 --> 00:36:45,750

i don't know maybe it just uh showed up

888

00:36:49,349 --> 00:36:47,440

there for some reason

889

00:36:53,030 --> 00:36:49,359

through a time slip or you know

890

00:36:53,040 --> 00:36:56,870

but it's an interesting account

891

00:37:02,950 --> 00:36:59,510

so anyway let's go to the i think this

892

00:37:08,150 --> 00:37:05,910

and uh in may 2015 i received a

893

00:37:10,710 --> 00:37:08,160

telephone message from a woman in muncie

894

00:37:13,109 --> 00:37:10,720

indiana

895

00:37:15,750 --> 00:37:13,119

she and a companion had witnessed a

896

00:37:18,150 --> 00:37:15,760

frightening and unexplained lizard-like

897

00:37:19,430 --> 00:37:18,160

humanoid while touring a cavern in

898

00:37:21,670 --> 00:37:19,440

harrison

899

00:37:23,670 --> 00:37:21,680

county indiana

900

00:37:26,710 --> 00:37:23,680

now i conducted two interviews with the

901  
00:37:28,950 --> 00:37:26,720  
witness who i would refer to as gigi

902  
00:37:29,670 --> 00:37:28,960  
and have listed the events described to

903  
00:37:32,630 --> 00:37:29,680  
me

904  
00:37:34,390 --> 00:37:32,640  
now gigi is the dominican national and

905  
00:37:36,230 --> 00:37:34,400  
her english is fair

906  
00:37:38,390 --> 00:37:36,240  
so it was a bit of a challenge obtaining

907  
00:37:39,990 --> 00:37:38,400  
the information so what i'll do is i'll

908  
00:37:41,670 --> 00:37:40,000  
just list

909  
00:37:44,310 --> 00:37:41,680  
what she told me

910  
00:37:46,710 --> 00:37:44,320  
and uh you know you make up your own

911  
00:37:49,790 --> 00:37:46,720  
mind what you think what's going on

912  
00:37:53,109 --> 00:37:49,800  
now this occurred on tuesday august 26

913  
00:37:55,829 --> 00:37:53,119

2014 at 2 30 p.m

914

00:37:59,829 --> 00:37:55,839

during a tour at the squire boone

915

00:38:02,390 --> 00:37:59,839

caverns in southern indiana

916

00:38:04,470 --> 00:38:02,400

the witness and her friend

917

00:38:06,710 --> 00:38:04,480

were with a group from muncie indiana

918

00:38:08,550 --> 00:38:06,720

the cavern tour was part

919

00:38:10,230 --> 00:38:08,560

of the itinerary after spending the

920

00:38:12,790 --> 00:38:10,240

previous day shopping and touring in

921

00:38:15,030 --> 00:38:12,800

louisville kentucky

922

00:38:17,829 --> 00:38:15,040

the tour had reached an area where the

923

00:38:20,630 --> 00:38:17,839

small underground

924

00:38:22,550 --> 00:38:20,640

there were a few flat rocks on the right

925

00:38:23,990 --> 00:38:22,560

side of the waterfalls including a few

926  
00:38:26,710 --> 00:38:24,000  
overhangs

927  
00:38:29,349 --> 00:38:26,720  
gigi noticed that what appeared to be

928  
00:38:32,710 --> 00:38:29,359  
bright yellow eye

929  
00:38:34,870 --> 00:38:32,720  
shining from under one of the overhangs

930  
00:38:37,109 --> 00:38:34,880  
she immediately got chills all over her

931  
00:38:40,150 --> 00:38:37,119  
friend asked what she was looking at so

932  
00:38:42,870 --> 00:38:40,160  
she pointed toward the rocks

933  
00:38:44,870 --> 00:38:42,880  
she saw the same eye look back at her

934  
00:38:46,470 --> 00:38:44,880  
they stood there for about five minutes

935  
00:38:49,430 --> 00:38:46,480  
watching the eyes appeared and

936  
00:38:54,069 --> 00:38:51,910  
they were about 30 foot from the rock

937  
00:38:58,069 --> 00:38:54,079  
there was movement as well but very hard

938  
00:39:02,230 --> 00:39:00,470

so when the tour started to move on gigi

939

00:39:03,990 --> 00:39:02,240

looked back in the direction the eye and

940

00:39:06,230 --> 00:39:04,000

saw something exit

941

00:39:07,750 --> 00:39:06,240

from under the overhang she briefly

942

00:39:09,990 --> 00:39:07,760

stopped and watched

943

00:39:12,230 --> 00:39:10,000

it crawled out onto the open rock

944

00:39:15,430 --> 00:39:12,240

surface that stood and then stood up on

945

00:39:17,430 --> 00:39:15,440

its back legs almost immediately it

946

00:39:19,589 --> 00:39:17,440

scurried away into another crevice in

947

00:39:21,910 --> 00:39:19,599

the rock

948

00:39:24,950 --> 00:39:21,920

it looked like a lizard of some kind it

949

00:39:27,030 --> 00:39:24,960

had a short tail and was dark in color

950

00:39:29,589 --> 00:39:27,040

the arms and legs were long almost

951  
00:39:32,069 --> 00:39:29,599  
human-like gigi thinks it was about a

952  
00:39:33,990 --> 00:39:32,079  
foot and a half in height

953  
00:39:36,390 --> 00:39:34,000  
she quickly rejoined the group but

954  
00:39:38,550 --> 00:39:36,400  
continued to watch behind her

955  
00:39:41,109 --> 00:39:38,560  
her friend did not see the lizard but

956  
00:39:43,670 --> 00:39:41,119  
gigi described it to her after a return

957  
00:39:45,990 --> 00:39:43,680  
to the bus

958  
00:39:48,390 --> 00:39:46,000  
the friend gave her a valium

959  
00:39:49,910 --> 00:39:48,400  
to help calm her down gigi was shaking

960  
00:39:51,589 --> 00:39:49,920  
badly and others on the bus were

961  
00:39:53,589 --> 00:39:51,599  
noticing her

962  
00:39:55,349 --> 00:39:53,599  
she did not mention what she saw the

963  
00:39:56,790 --> 00:39:55,359

other people in the group now the next

964

00:39:59,510 --> 00:39:56,800

day

965

00:40:00,950 --> 00:39:59,520

gigi felt very ill

966

00:40:02,710 --> 00:40:00,960

now it may have been from the pill but

967

00:40:04,630 --> 00:40:02,720

she thinks something happened to her

968

00:40:06,710 --> 00:40:04,640

physically and mentally because of what

969

00:40:08,710 --> 00:40:06,720

she saw

970

00:40:12,150 --> 00:40:08,720

gigi doesn't think

971

00:40:12,870 --> 00:40:12,160

she was supposed to see the lizard being

972

00:40:14,950 --> 00:40:12,880

now

973

00:40:16,870 --> 00:40:14,960

she after i talked to her and said she

974

00:40:18,309 --> 00:40:16,880

eventually allowed me to post her

975

00:40:21,190 --> 00:40:18,319

experience

976

00:40:24,470 --> 00:40:21,200

and details uh the course the personal

977

00:40:26,950 --> 00:40:24,480

information but wasn't disclosed

978

00:40:28,790 --> 00:40:26,960

she was curious if others may have seen

979

00:40:30,470 --> 00:40:28,800

something similar and if they did what

980

00:40:33,190 --> 00:40:30,480

was the result

981

00:40:38,710 --> 00:40:35,030

could this be an underground population

982

00:40:41,109 --> 00:40:38,720

of soaring humanoids aliens on earth

983

00:40:43,190 --> 00:40:41,119

you know i always get back to what david

984

00:40:46,150 --> 00:40:43,200

eckhart described to me over the years

985

00:40:51,030 --> 00:40:48,550

maybe this is some type of

986

00:40:54,230 --> 00:40:51,040

non-terrestrial i don't know

987

00:40:56,950 --> 00:40:54,240

but uh it's an interesting account

988

00:40:59,109 --> 00:40:56,960

so um

989

00:41:00,550 --> 00:40:59,119

before we go if you've got questions put

990

00:41:03,910 --> 00:41:00,560

them up there and let me know what you

991

00:41:05,670 --> 00:41:03,920

have and i can answer anything you want

992

00:41:08,150 --> 00:41:05,680

it doesn't have to necessarily be what

993

00:41:10,870 --> 00:41:08,160

we talked about but uh

994

00:41:12,790 --> 00:41:10,880

or what i described

995

00:41:14,550 --> 00:41:12,800

uh have ripped convincing have

996

00:41:16,950 --> 00:41:14,560

reptilians shared the planet with us

997

00:41:18,630 --> 00:41:16,960

since beginning of civilization are they

998

00:41:20,870 --> 00:41:18,640

native to earth

999

00:41:23,190 --> 00:41:20,880

i i guess they could be you know there's

1000

00:41:25,109 --> 00:41:23,200

no real evidence of that you know i

1001  
00:41:27,510 --> 00:41:25,119  
again i go back to what david has told

1002  
00:41:34,390 --> 00:41:31,670  
they do seem there does seem to be

1003  
00:41:37,910 --> 00:41:34,400  
some groups inhabitants of these

1004  
00:41:43,270 --> 00:41:40,710  
in underground caverns

1005  
00:41:45,270 --> 00:41:43,280  
and uh some people including david have

1006  
00:41:48,309 --> 00:41:45,280  
been taken there

1007  
00:41:51,190 --> 00:41:48,319  
uh i have had a couple

1008  
00:41:54,150 --> 00:41:51,200  
of other witnesses state similar

1009  
00:41:57,349 --> 00:41:55,270  
but

1010  
00:41:59,670 --> 00:41:57,359  
there's no real proof as to

1011  
00:42:00,829 --> 00:41:59,680  
why they're there and why they continue

1012  
00:42:02,470 --> 00:42:00,839  
to live

1013  
00:42:04,630 --> 00:42:02,480

there um

1014

00:42:06,470 --> 00:42:04,640

but um you know

1015

00:42:08,630 --> 00:42:06,480

when you get accounts like this of you

1016

00:42:10,150 --> 00:42:08,640

know being in let's say a cavern or in

1017

00:42:12,069 --> 00:42:10,160

an area that's

1018

00:42:13,510 --> 00:42:12,079

got caves and such and people see these

1019

00:42:16,390 --> 00:42:13,520

type of things you got though you got to

1020

00:42:21,589 --> 00:42:16,400

wonder if there if there's a population

1021

00:42:25,750 --> 00:42:23,990

yeah jeff adams asked it says that the

1022

00:42:27,829 --> 00:42:25,760

frogman sightings in love land near

1023

00:42:29,589 --> 00:42:27,839

cincinnati yeah that's the uh little

1024

00:42:31,829 --> 00:42:29,599

miami river and

1025

00:42:33,030 --> 00:42:31,839

actually people still see these things

1026

00:42:35,349 --> 00:42:33,040

there

1027

00:42:38,150 --> 00:42:35,359

so um

1028

00:42:40,230 --> 00:42:38,160

that whole frogman loveland frogman

1029

00:42:42,150 --> 00:42:40,240

phenomena is pretty interesting

1030

00:42:44,069 --> 00:42:42,160

uh i've gotten a few reports over the

1031

00:42:49,270 --> 00:42:44,079

years and quite frankly we've had some

1032

00:42:53,349 --> 00:42:51,349

how many books about rip town there are

1033

00:42:56,630 --> 00:42:53,359

a few out there

1034

00:43:01,750 --> 00:42:59,109

i probably have enough to write a book

1035

00:43:06,550 --> 00:43:01,760

but i haven't got to that point

1036

00:43:06,560 --> 00:43:11,510

so okay there are no other questions um

1037

00:43:15,109 --> 00:43:13,430

i just want to say uh

1038

00:43:16,069 --> 00:43:15,119

if you have an unexplained encounter

1039

00:43:17,910 --> 00:43:16,079

setting

1040

00:43:20,230 --> 00:43:17,920

you know feel free to contact me through

1041

00:43:21,670 --> 00:43:20,240

the farms phantoms and mockers blog site

1042

00:43:23,030 --> 00:43:21,680

and uh

1043

00:43:24,870 --> 00:43:23,040

thanks to each and all of you for

1044

00:43:27,430 --> 00:43:24,880

watching and chatting if you make a

1045

00:43:29,270 --> 00:43:27,440

donation it's truly appreciated

1046

00:43:31,990 --> 00:43:29,280

uh your support is what makes this all

1047

00:43:34,550 --> 00:43:32,000

possible please like

1048

00:43:36,630 --> 00:43:34,560

and please subscribe and uh you have

1049

00:43:37,910 --> 00:43:36,640

friends bring them over share the

1050

00:43:40,470 --> 00:43:37,920

content

1051

00:43:42,870 --> 00:43:40,480

ask them to subscribe to the channel

1052

00:43:44,550 --> 00:43:42,880

the more we get the faster we get to 10

1053

00:43:46,309 --> 00:43:44,560

000 to where we can do a lot of

1054

00:43:48,630 --> 00:43:46,319

different things here

1055

00:43:50,870 --> 00:43:48,640

and uh we are planning on setting up

1056

00:43:53,190 --> 00:43:50,880

merchandise and people who do become

1057

00:43:54,390 --> 00:43:53,200

members of the website

1058

00:43:55,670 --> 00:43:54,400

will receive

1059

00:43:58,230 --> 00:43:55,680

very

1060

00:43:59,670 --> 00:43:58,240

deeply discounted merchandise when it

1061

00:44:01,829 --> 00:43:59,680

becomes available

1062

00:44:03,030 --> 00:44:01,839

we're working on it now we're

1063

00:44:04,470 --> 00:44:03,040

actually

1064

00:44:05,910 --> 00:44:04,480

been talking we were talking about it

1065

00:44:06,870 --> 00:44:05,920

last night

1066

00:44:08,790 --> 00:44:06,880

and

1067

00:44:11,910 --> 00:44:08,800

we're looking to

1068

00:44:14,230 --> 00:44:11,920

offer some unique stuff as well as other

1069

00:44:15,430 --> 00:44:14,240

material like you know shirts mugs and

1070

00:44:17,589 --> 00:44:15,440

whole thing

1071

00:44:19,750 --> 00:44:17,599

but uh we're trying to uh we're trying

1072

00:44:22,309 --> 00:44:19,760

to make it

1073

00:44:26,950 --> 00:44:22,319

uh conducive to uh

1074

00:44:31,190 --> 00:44:28,950

uh and look if you have a side in your

1075

00:44:33,349 --> 00:44:31,200

encounter report that you'd like to be

1076

00:44:35,670 --> 00:44:33,359

daniel allen jones to the show his book

1084

00:44:59,510 --> 00:44:55,599

aurora 125 years ufos aliens

1085

00:45:02,069 --> 00:44:59,520

and a texas legend from 1897 examines

1086

00:45:05,430 --> 00:45:02,079

the 125 year old encounter and ufo

1087

00:45:06,710 --> 00:45:05,440

mystery from aurora texas

1088

00:45:09,510 --> 00:45:06,720

uh

1089

00:45:11,109 --> 00:45:09,520

that's a crazy story i um

1090

00:45:13,990 --> 00:45:11,119

i've

1091

00:45:15,910 --> 00:45:14,000

i have seen some presentations of this

1092

00:45:17,910 --> 00:45:15,920

phenomena but

1093

00:45:19,750 --> 00:45:17,920

i'll be interested to see what daniel

1094

00:45:21,910 --> 00:45:19,760

says about it

1095

00:45:24,710 --> 00:45:21,920

uh he also discussed other

1096

00:45:26,230 --> 00:45:24,720

investigations including this like giant

1097

00:45:28,630 --> 00:45:26,240

salamander

1098

00:45:31,510 --> 00:45:28,640

investigation that ken gerhart had

1099

00:45:32,870 --> 00:45:31,520

mentioned he was involved with so um

1100

00:45:34,069 --> 00:45:32,880
