uh your consideration is very much

34

00:01:46,789 --> 00:01:44,079

needed and appreciated so tonight

35

00:01:47,910 --> 00:01:46,799

before i introduce tonight's guest

36

00:01:49,670 --> 00:01:47,920

we're gonna do something a little bit

37

00:01:53,109 --> 00:01:49,680

different

38

00:01:54,789 --> 00:01:53,119

uh we're going to have an opening party

39

00:01:57,429 --> 00:01:54,799

if you want to call it that that's what

40

00:01:59,429 --> 00:01:57,439

it was told to me what it was but uh

41

00:02:00,550 --> 00:01:59,439

and this is going to be to present my

42

00:02:03,190 --> 00:02:00,560

order

43

00:02:05,429 --> 00:02:03,200

of original prints from our friend

44

00:02:07,670 --> 00:02:05,439

artist sam sheeran

45

00:02:11,029 --> 00:02:07,680

uh you know i was hooked on sam's work

46

00:02:13,750 --> 00:02:11,039

ever since i saw his amazing cover work

47

00:02:16,309 --> 00:02:13,760

uh that he had been used on many of

48

00:02:19,830 --> 00:02:16,319

david weatherly's books

49

00:02:23,190 --> 00:02:19,840

and when sam created the chicago mothman

50

00:02:24,550 --> 00:02:23,200

piece well you know i had to have one so

51
00:02:26,949 --> 00:02:24,560
i'm going to have one i'm going to put

52
00:02:28,869 --> 00:02:26,959
it up on my wall and i plan to display

53
00:02:32,710 --> 00:02:28,879
much of sam's art

54
00:02:33,509 --> 00:02:32,720
in the future so um now you can order

55
00:02:39,750 --> 00:02:33,519
at

56
00:02:43,110 --> 00:02:42,390
he has also started a youtube channel

57
00:02:46,150 --> 00:02:43,120
where

58
00:02:48,869 --> 00:02:46,160
you can observe sam create his art

59
00:02:51,670 --> 00:02:48,879
and his channel is featured on the

60
00:02:54,150 --> 00:02:51,680
phantoms of monsters radio youtube

61
00:02:57,509 --> 00:02:54,160
channel page so

62
00:03:03,430 --> 00:03:00,869
i hope i don't cut myself

63
00:03:07,750 --> 00:03:03,440

we're gonna um

64

00:03:07,760 --> 00:03:16,640

very nicely

65

00:03:25,509 --> 00:03:17,210

[Applause]

66

00:03:25,519 --> 00:03:40,070

so

67

00:03:40,080 --> 00:03:45,270

wow sam nothing's gonna happen to this

68

00:03:45,280 --> 00:04:10,869

well packed

69

00:04:10,879 --> 00:04:20,629

let's move things out

70

00:04:26,670 --> 00:04:22,870

he threw a few ones a few extra ones in

71

00:04:49,110 --> 00:04:34,470

[Music]

72

00:04:49,120 --> 00:04:57,350

right on top

73

00:04:57,360 --> 00:05:00,070

is

74

00:05:00,080 --> 00:05:05,670

the chicago mothman

75

00:05:05,680 --> 00:05:10,390

beautiful

76

00:05:16,710 --> 00:05:14,469

uh the sizes of these prints are 12x17

77

00:05:18,950 --> 00:05:16,720

with the uh i think that's about an inch

78

00:05:23,670 --> 00:05:18,960

border on there somewhere like that

79

00:05:23,680 --> 00:05:28,870

excellent

80

00:05:32,310 --> 00:05:30,950

i think this was designed was also used

81

00:05:35,029 --> 00:05:32,320

on um

82

00:05:38,550 --> 00:05:35,039

when the advertising

83

00:05:41,510 --> 00:05:38,560

flyers that um

84

00:05:46,230 --> 00:05:41,520

the small town monsters used in their

85

00:05:46,240 --> 00:05:49,830

oh what is this

86

00:05:49,840 --> 00:05:56,870

now this is an interesting one

87

00:06:01,189 --> 00:05:59,110

maybe vincent can look onto the website

88

00:06:02,230 --> 00:06:01,199

and tell me what the um

89

00:06:05,670 --> 00:06:02,240

what the

90

00:06:09,029 --> 00:06:05,680

name of the print is but it's um

91

00:06:11,189 --> 00:06:09,039

may be the vietnamese

92

00:06:12,950 --> 00:06:11,199

bat woman or the vietnamese human flying

93

00:06:15,749 --> 00:06:12,960

humanoid

94

00:06:18,710 --> 00:06:15,759

uh y'all don't know that story

95

00:06:22,710 --> 00:06:18,720

uh during the vietnam war

96

00:06:27,110 --> 00:06:24,309

that they that's what they called the

97

00:06:29,510 --> 00:06:27,120

vietnamese or the uh

98

00:06:35,830 --> 00:06:29,520

flying humanoid

99

00:06:40,390 --> 00:06:38,070

then we have

100

00:06:49,830 --> 00:06:40,400

the point pleasant moth man you can see

101
00:06:53,749 --> 00:06:51,350
very nice

102
00:06:55,830 --> 00:06:53,759
boy sam sam does a great job on this

103
00:07:01,350 --> 00:06:55,840
stuff

104
00:07:06,870 --> 00:07:04,309
and we had the lawndale

105
00:07:16,469 --> 00:07:06,880
thunderbird abduction

106
00:07:16,479 --> 00:07:25,909
very cool

107
00:07:39,430 --> 00:07:28,790
and we have another

108
00:07:43,589 --> 00:07:42,150
now sam's got all these prints and

109
00:07:46,629 --> 00:07:43,599
many more

110
00:08:02,950 --> 00:07:46,639
up on his website again it's mr

111
00:08:17,110 --> 00:08:06,230
um this is like a pterodon

112
00:08:17,120 --> 00:08:22,230
excellent

113
00:08:22,240 --> 00:08:34,630

that's so cool

114

00:08:39,909 --> 00:08:36,870

i should know what this oh is this the

115

00:08:42,870 --> 00:08:39,919

uh is this the van meter visitor i think

116

00:08:50,310 --> 00:08:45,990

from van meter iowa

117

00:08:56,389 --> 00:08:50,320

the book that was written by chad lewis

118

00:09:01,590 --> 00:08:59,430

now here's a new one by sam he just

119

00:09:03,190 --> 00:09:01,600

did this about a month or so ago i'm

120

00:09:05,829 --> 00:09:03,200

glad he threw it in here

121

00:09:08,310 --> 00:09:05,839

the uh the fresno night walker or he

122

00:09:12,389 --> 00:09:08,320

calls it the night strider

123

00:09:17,750 --> 00:09:14,949

that goes right along with my uh

124

00:09:24,470 --> 00:09:17,760

meme humanoid book

125

00:09:29,350 --> 00:09:27,350

and of course another part of the book

126

00:09:33,350 --> 00:09:29,360

included the um

127

00:09:38,710 --> 00:09:36,630

i wrote a bit about that as well

128

00:09:40,949 --> 00:09:38,720

so uh

129

00:09:42,949 --> 00:09:40,959

yeah folks if you uh if you want your

130

00:09:45,430 --> 00:09:42,959

own print go in there look at the um

131

00:09:49,030 --> 00:09:45,440

look at the variety he has

132

00:09:51,670 --> 00:09:49,040

uh he also has done some zodiac

133

00:09:54,550 --> 00:09:51,680

figures and a few other

134

00:09:59,430 --> 00:09:54,560

well-known cryptids maybe a few other

135

00:09:59,440 --> 00:10:02,949

very very cool

136

00:10:05,750 --> 00:10:04,230

hold on i'm gonna put you i don't want

137

00:10:21,430 --> 00:10:05,760

to bend them up so i'm gonna go ahead

138

00:10:26,230 --> 00:10:24,470

but i plan on continuing to uh

139

00:10:28,550 --> 00:10:26,240

bring his art we're all you know when

140

00:10:32,550 --> 00:10:28,560

the holidays come up

141

00:10:33,750 --> 00:10:32,560

every year sam puts out a uh

142

00:10:38,389 --> 00:10:33,760

a

143

00:10:41,509 --> 00:10:38,399

we uh

144

00:10:44,069 --> 00:10:41,519

we purchased them last year

145

00:10:45,670 --> 00:10:44,079

and handed them out to associates and

146

00:10:48,389 --> 00:10:45,680

friends

147

00:10:49,670 --> 00:10:48,399

and they were very much appreciated so

148

00:10:52,150 --> 00:10:49,680

um sam

149

00:10:53,430 --> 00:10:52,160

great again great work

150

00:10:55,430 --> 00:10:53,440

uh

151

00:10:57,750 --> 00:10:55,440

i am so glad

152

00:10:59,910 --> 00:10:57,760

to have you associated with us

153

00:11:02,069 --> 00:10:59,920

and i'm gonna start putting them up

154

00:11:03,509 --> 00:11:02,079

behind me here when i get them get them

155

00:11:08,389 --> 00:11:03,519

framed out

156

00:11:11,910 --> 00:11:08,399

so again that's uh mr sam sheeran.com

157

00:11:13,750 --> 00:11:11,920

and um go to the website and look it up

158

00:11:16,150 --> 00:11:13,760

it's cool website

159

191

00:12:51,030 --> 00:12:48,310

hey look good to be here it's an honor

192

00:12:53,509 --> 00:12:51,040

to be able to join you and be on the

193

00:12:55,269 --> 00:12:53,519

show i'm excited to be able to share a

194

00:12:56,230 --> 00:12:55,279

little bit about aurora and i'm sure a

195

00:12:57,350 --> 00:12:56,240

lot of the

196

00:12:59,350 --> 00:12:57,360

guests who

197

00:13:01,590 --> 00:12:59,360

tune in frequently are familiar with

198

00:13:03,509 --> 00:13:01,600

this case but you know i'm looking

199

00:13:05,670 --> 00:13:03,519

forward to sharing it because of this

200

00:13:08,470 --> 00:13:05,680

anniversary here at the

201
00:13:10,949 --> 00:13:08,480
you know 125th anniversary is a great

202
00:13:13,030 --> 00:13:10,959
way to kind of celebrate and acknowledge

203
00:13:14,629 --> 00:13:13,040
and chronicle this interesting case

204
00:13:15,750 --> 00:13:14,639
throughout the years and i'm really glad

205
00:13:18,389 --> 00:13:15,760
you also

206
00:13:21,509 --> 00:13:18,399
did a really cool tribute and uh you

207
00:13:23,750 --> 00:13:21,519
know opening of sam's work i'm a big fan

208
00:13:25,990 --> 00:13:23,760
of sam's as well which is really cool

209
00:13:28,790 --> 00:13:26,000
that uh you got to open up some of those

210
00:13:30,629 --> 00:13:28,800
prints there he actually inspired me to

211
00:13:32,150 --> 00:13:30,639
do the artwork for

212
00:13:34,710 --> 00:13:32,160
the piece that you're seeing here on the

213
00:13:36,790 --> 00:13:34,720

screen because i really think that his

214

00:13:39,189 --> 00:13:36,800

hyper realism that you know the realism

215

00:13:41,269 --> 00:13:39,199

to his approach is just so striking and

216

00:13:42,870 --> 00:13:41,279

dramatic i thought wow i want to be able

217

00:13:45,670 --> 00:13:42,880

to you know capture

218

00:13:47,269 --> 00:13:45,680

just a you know

219

00:13:49,430 --> 00:13:47,279

some kind of uh

220

00:13:51,829 --> 00:13:49,440

way to show that and depict it with the

221

00:13:53,430 --> 00:13:51,839

aurora incident so here's what i threw

222

00:13:56,629 --> 00:13:53,440

together for the cover of the

223

00:13:59,269 --> 00:13:56,639

publication that i'm uh involved with

224

00:14:01,030 --> 00:13:59,279

here with aurora and so i'm honored to

225

00:14:03,590 --> 00:14:01,040

be able to be here with you alon and all

226

00:14:05,350 --> 00:14:03,600

of your listeners great to be here well

227

00:14:07,350 --> 00:14:05,360

we're we're really privileged to have

228

00:14:09,910 --> 00:14:07,360

you we thank you for coming on

229

00:14:12,870 --> 00:14:09,920

this uh this phenomena now you know i

230

00:14:14,710 --> 00:14:12,880

had known about this for a while

231

00:14:16,629 --> 00:14:14,720

but i guess the first time i really saw

232

00:14:19,110 --> 00:14:16,639

it presented was with the old ufo

233

00:14:21,269 --> 00:14:19,120

hunters tv show

234

00:14:23,910 --> 00:14:21,279

and uh

235

00:14:28,710 --> 00:14:23,920

it's kind of a wild story

236

00:14:31,990 --> 00:14:28,720

uh basically a uh a ufo or craft hits a

237

00:14:34,470 --> 00:14:32,000

water mill and crashes into either

238

00:14:36,310 --> 00:14:34,480

cemetery or nearby cemetery and it's

239

00:14:38,310 --> 00:14:36,320

actually

240

00:14:40,870 --> 00:14:38,320

there was a being that was supposedly

241

00:14:44,629 --> 00:14:40,880

found and it's buried there so why don't

242

00:14:50,069 --> 00:14:44,639

you tell us the story itself and uh

243

00:14:54,790 --> 00:14:52,470

yeah glad to so what i find interesting

244

00:14:56,710 --> 00:14:54,800

about this case this historic case you

245

00:14:58,069 --> 00:14:56,720

know over a century old now is that a

246

00:15:00,230 --> 00:14:58,079

lot of people who i've encountered over

247

00:15:02,150 --> 00:15:00,240

the years they know bits and pieces they

248

00:15:04,550 --> 00:15:02,160

know this part of that part something

249

00:15:06,629 --> 00:15:04,560

about the windmill or the grave but

250

00:15:07,910 --> 00:15:06,639

there's actually a lot to the story in

251

00:15:09,750 --> 00:15:07,920

this legend that i think is really

252

00:15:11,750 --> 00:15:09,760

fascinating and how it may

253

00:15:14,629 --> 00:15:11,760

really give us an idea about what

254

00:15:17,910 --> 00:15:14,639

ufologists or any ufo hunters are really

255

00:15:18,870 --> 00:15:17,920

trying to find today so as the story

256

00:15:21,590 --> 00:15:18,880

goes

257

00:15:23,189 --> 00:15:21,600

in the 1800s you know we're really told

258

00:15:25,829 --> 00:15:23,199

that there wasn't supposed to be

259

00:15:27,829 --> 00:15:25,839

anything up in the sky nothing really

260

00:15:29,350 --> 00:15:27,839

known to be flying around by

261

00:15:31,110 --> 00:15:29,360

conventional standards and that the

262

00:15:34,389 --> 00:15:31,120

wright brothers really didn't come into

263

00:15:36,470 --> 00:15:34,399

the scene until 1903 with the flyer

264

00:15:37,990 --> 00:15:36,480

right so it's really interesting to

265

00:15:40,790 --> 00:15:38,000

consider that anything would have been

266

00:15:43,350 --> 00:15:40,800

up in the sky uh much less crashing down

267

00:15:45,670 --> 00:15:43,360

and all of this so it seems like there

268

00:15:48,310 --> 00:15:45,680

are some interesting groups maybe

269

00:15:49,910 --> 00:15:48,320

producing these secret inventions some

270

00:15:52,150 --> 00:15:49,920

uh you know some people describe this

271

00:15:53,269 --> 00:15:52,160

group called nimza or the sonora aero

272

00:15:55,590 --> 00:15:53,279

club

273

00:15:58,230 --> 00:15:55,600

which may have been a group of you know

274

00:16:00,310 --> 00:15:58,240

elite engineers or inventors who were

275

00:16:02,550 --> 00:16:00,320

trying to come up with ways to make

276

00:16:03,990 --> 00:16:02,560

lighter-than-air craft and i think that

277

00:16:05,990 --> 00:16:04,000

there could be something to that

278

00:16:07,670 --> 00:16:06,000

although this particular story with

279

00:16:08,550 --> 00:16:07,680

aurora depicts something a little bit

280

00:16:10,470 --> 00:16:08,560

more

281

00:16:12,870 --> 00:16:10,480

uh inhuman and i think that that's uh

282

00:16:15,430 --> 00:16:12,880

really an interesting concept because

283

00:16:18,230 --> 00:16:15,440

when we're dealing with the late

284

00:16:20,470 --> 00:16:18,240

19th century and getting into

285

00:16:22,949 --> 00:16:20,480

what seems to be the case with

286

00:16:24,550 --> 00:16:22,959

early aviation uh it's something that it

287

00:16:26,629 --> 00:16:24,560

makes us wonder

288

00:16:28,230 --> 00:16:26,639

what would have been possible for any of

289

00:16:30,230 --> 00:16:28,240

these types of uh

290

00:16:32,870 --> 00:16:30,240

hot air balloons these dirigibles these

291

00:16:35,030 --> 00:16:32,880

blimps these zephyrs zeppelins whatever

292

00:16:36,310 --> 00:16:35,040

might have been actually around

293

00:16:38,790 --> 00:16:36,320

and how that could be different than

294

00:16:42,030 --> 00:16:38,800

what this story is about so getting into

295

00:16:45,430 --> 00:16:42,040

the late 1800s into the

296

00:16:48,230 --> 00:16:45,440

1870s really 1870s 80s and 90s you start

297

00:16:50,629 --> 00:16:48,240

having what are known as airships appear

298

00:16:51,990 --> 00:16:50,639

and i'll mention this quickly because i

299

00:16:53,990 --> 00:16:52,000

think it's an important part about what

300

00:16:55,910 --> 00:16:54,000

we're dealing with even today you know

301

00:16:58,150 --> 00:16:55,920

uh we just had the

302

00:17:00,870 --> 00:16:58,160

uh anniversary of kenneth arnold's

303

00:17:03,030 --> 00:17:00,880

siding up at mount rainier washington of

304

00:17:06,150 --> 00:17:03,040

these crescent-shaped objects which he

305

00:17:08,470 --> 00:17:06,160

described moved in a saucer type

306

00:17:10,549 --> 00:17:08,480

pattern and that got spun in the media

307

00:17:12,230 --> 00:17:10,559

to what we now have is the trope of

308

00:17:13,669 --> 00:17:12,240

flying saucers so what's really

309

00:17:15,590 --> 00:17:13,679

interesting to consider is that while he

310

00:17:16,789 --> 00:17:15,600

was not describing the orientation or

311

00:17:19,429 --> 00:17:16,799

shape of these

312

00:17:22,150 --> 00:17:19,439

objects these unknown aerial phenomena

313

00:17:24,789 --> 00:17:22,160

that he witnessed but this is something

314

00:17:26,630 --> 00:17:24,799

that pretty much got uh it stuck and we

315

00:17:29,830 --> 00:17:26,640

call these things flying saucers but

316

00:17:31,990 --> 00:17:29,840

back in 1878 and denison texas up by the

317

00:17:35,029 --> 00:17:32,000

red river by the border of texas and

318

00:17:36,870 --> 00:17:35,039

oklahoma you have a farmer who describes

319

00:17:40,390 --> 00:17:36,880

something that he saw which actually

320

00:17:42,230 --> 00:17:40,400

looked like a flying saucer and so here

321

00:17:43,909 --> 00:17:42,240

in texas maybe we can claim steak to

322

00:17:45,990 --> 00:17:43,919

having been you know the first to

323

00:17:47,990 --> 00:17:46,000

attribute that name to the shape of a

324

00:17:49,430 --> 00:17:48,000

craft rather than its motion or movement

325

00:17:51,990 --> 00:17:49,440

so i thought that was an interesting

326

00:17:54,630 --> 00:17:52,000

part about uh you know ufo history going

327

00:17:55,830 --> 00:17:54,640

back before modern aviation but even

328

00:17:57,110 --> 00:17:55,840

beyond that

329

00:17:59,270 --> 00:17:57,120

here in texas you have all kinds of

330

00:18:01,190 --> 00:17:59,280

mystery lights and things like in marfa

331

00:18:02,950 --> 00:18:01,200

or the saratoga light which are very

332

00:18:06,310 --> 00:18:02,960

mysterious but these don't seem to be

333

00:18:08,390 --> 00:18:06,320

articulated craft so getting past some

334

00:18:09,590 --> 00:18:08,400

of these interesting mystery lights or

335

00:18:10,789 --> 00:18:09,600

orbs

336

00:18:14,710 --> 00:18:10,799

later in

337

00:18:16,390 --> 00:18:14,720

you have the 1890s and 1896 1897 you

338

00:18:18,710 --> 00:18:16,400

have what's known as the great aerial

339

00:18:20,470 --> 00:18:18,720

wanderer or the great airship mystery

340

00:18:22,310 --> 00:18:20,480

and a lot has been written about these

341

00:18:24,710 --> 00:18:22,320

cases but i think one that stands out

342

00:18:26,789 --> 00:18:24,720

probably the most out of all of them

343

00:18:29,029 --> 00:18:26,799

perhaps if not the single most important

344

00:18:30,310 --> 00:18:29,039

airship mystery is the as you can see

345

00:18:33,350 --> 00:18:30,320

the aurora

346

00:18:35,590 --> 00:18:33,360

ufo crash of 1897. now

347

00:18:37,750 --> 00:18:35,600

this is an interesting story because

348

00:18:40,630 --> 00:18:37,760

there's a lot of uh confusion about the

349

00:18:42,470 --> 00:18:40,640

origins and really how this got spread

350

00:18:44,230 --> 00:18:42,480

around or if there's any validity to it

351

00:18:47,029 --> 00:18:44,240

if it was all a hoax or if it's the real

352

00:18:49,270 --> 00:18:47,039

deal and you know it's very interesting

353

00:18:51,110 --> 00:18:49,280

of course i wasn't there and no one who

354

00:18:52,470 --> 00:18:51,120

was there is alive now so it's really

355

00:18:54,549 --> 00:18:52,480

hard to track down

356

00:18:57,190 --> 00:18:54,559

some of these types of uh things to

357

00:18:59,430 --> 00:18:57,200

really pinpoint what was going on but

358

00:19:01,510 --> 00:18:59,440

having spent a great deal of time with

359

00:19:03,350 --> 00:19:01,520

my buddy the late jim mars i think it's

360

00:19:05,190 --> 00:19:03,360

really important to see that

361

00:19:07,029 --> 00:19:05,200

while he was able to talk with some

362

00:19:09,190 --> 00:19:07,039

people who were alive well it happened

363

00:19:10,950 --> 00:19:09,200

there aren't any more today so we can

364

00:19:11,750 --> 00:19:10,960

just go off of what was reported at the

365

00:19:13,750 --> 00:19:11,760

time

366

00:19:16,470 --> 00:19:13,760

what researchers like jim mars had been

367

00:19:18,150 --> 00:19:16,480

able to track down and research but as

368

00:19:20,870 --> 00:19:18,160

the story goes

369

00:19:22,549 --> 00:19:20,880

uh the early morning of april 17th in

370

00:19:24,710 --> 00:19:22,559

1897

371

00:19:27,190 --> 00:19:24,720

there was an object a metallic

372

00:19:29,190 --> 00:19:27,200

cigar-shaped object that came

373

00:19:32,070 --> 00:19:29,200

down from the south that seemed to be in

374

00:19:35,270 --> 00:19:32,080

distress crashing down into judge

375

00:19:38,870 --> 00:19:35,280

proctor's windmill water tower

376

00:19:41,270 --> 00:19:38,880

and well and crashed into a brilliant

377

00:19:43,190 --> 00:19:41,280

explosion sending debris apparently

378

00:19:46,150 --> 00:19:43,200

scattering for acres

379

00:19:48,230 --> 00:19:46,160

and it destroyed his flower garden and

380

00:19:50,070 --> 00:19:48,240

there was a sort of a ruse in the town

381

00:19:51,909 --> 00:19:50,080

it got a lot of people's attention and

382

00:19:53,669 --> 00:19:51,919

they all came and wanted to check out

383

00:19:56,789 --> 00:19:53,679

what had happened and so

384

00:19:58,549 --> 00:19:56,799

something exploded and i think that

385

00:20:00,630 --> 00:19:58,559

according to the story it got enough

386

00:20:03,029 --> 00:20:00,640

attention that people came from all over

387

00:20:05,110 --> 00:20:03,039

the area to see what happened and what

388

00:20:07,029 --> 00:20:05,120

this calamity must have been

389

00:20:09,190 --> 00:20:07,039

some people were deterred from coming to

390

00:20:11,350 --> 00:20:09,200

view and some people described their

391

00:20:13,990 --> 00:20:11,360

parents coming to see what may have been

392

00:20:16,950 --> 00:20:14,000

wreckage but either way it said that

393

00:20:19,190 --> 00:20:16,960

this object that was a cigar shape came

394

00:20:21,430 --> 00:20:19,200

crashing down into a windmill connected

395

00:20:24,070 --> 00:20:21,440

to a well house and water tower

396

00:20:26,149 --> 00:20:24,080

exploded and not only left a large

397

00:20:27,909 --> 00:20:26,159

amount of metallic debris

398

00:20:31,190 --> 00:20:27,919

but they also found what seemed to be

399

00:20:33,909 --> 00:20:31,200

the remains of one occupant

400

00:20:35,190 --> 00:20:33,919

supposedly the pilot of this craft this

401
00:20:37,350 --> 00:20:35,200
airship

402
00:20:39,669 --> 00:20:37,360
and what's really interesting is that

403
00:20:41,830 --> 00:20:39,679
the newspaper which seemed to repeat the

404
00:20:43,190 --> 00:20:41,840
story which was purported to have been

405
00:20:45,750 --> 00:20:43,200
written in

406
00:20:48,070 --> 00:20:45,760
the aurora newspaper which

407
00:20:49,909 --> 00:20:48,080
it may have not even existed but there

408
00:20:51,270 --> 00:20:49,919
seems to be some discrepancy if that one

409
00:20:52,990 --> 00:20:51,280
actually existed or not but either way

410
00:20:55,510 --> 00:20:53,000
it was

411
00:20:56,870 --> 00:20:55,520
re-produced in the dallas morning news

412
00:20:59,350 --> 00:20:56,880
and in something called the fort worth

413
00:21:01,990 --> 00:20:59,360

register which basically repeated the

414

00:21:03,590 --> 00:21:02,000

story saying that this object crashed

415

00:21:06,549 --> 00:21:03,600

the occupant

416

00:21:09,029 --> 00:21:06,559

was found or at least the remains

417

00:21:10,870 --> 00:21:09,039

and uh enough of the remains which

418

00:21:13,669 --> 00:21:10,880

seemed to be badly disfigured enough

419

00:21:16,470 --> 00:21:13,679

were found to determine that it was

420

00:21:17,909 --> 00:21:16,480

quote not an inhabitant of this world

421

00:21:19,590 --> 00:21:17,919

um and i think that's such an

422

00:21:21,669 --> 00:21:19,600

interesting notion to consider that in

423

00:21:23,430 --> 00:21:21,679

1897 anyone would have considered

424

00:21:26,149 --> 00:21:23,440

something like that um and it's also

425

00:21:27,350 --> 00:21:26,159

said that t.j weems who they had

426
00:21:30,789 --> 00:21:27,360
considered a

427
00:21:32,549 --> 00:21:30,799
uh an expert in astronomy

428
00:21:34,390 --> 00:21:32,559
considered that this was

429
00:21:36,470 --> 00:21:34,400
an inhabitant of the planet mars and

430
00:21:39,029 --> 00:21:36,480
that they also found papers

431
00:21:42,390 --> 00:21:39,039
uh that described his travels but the

432
00:21:44,390 --> 00:21:42,400
papers had strange hieroglyphic writing

433
00:21:47,270 --> 00:21:44,400
that he assumed maybe

434
00:21:49,029 --> 00:21:47,280
told about where this uh ship had been

435
00:21:50,870 --> 00:21:49,039
traveling and going

436
00:21:53,590 --> 00:21:50,880
and so while i think that that's a

437
00:21:55,750 --> 00:21:53,600
pretty fantastic tale

438
00:21:59,190 --> 00:21:55,760

even more so they gathered up the the

439

00:22:01,029 --> 00:21:59,200

remains of this body and brought it down

440

00:22:04,070 --> 00:22:01,039

the street literally to the local

441

00:22:05,110 --> 00:22:04,080

cemetery and gave it a formal christian

442

00:22:08,149 --> 00:22:05,120

burial

443

00:22:10,390 --> 00:22:08,159

and here it is uh in this early tabloid

444

00:22:12,630 --> 00:22:10,400

which of course admittedly many were

445

00:22:14,549 --> 00:22:12,640

written to simply sell papers and write

446

00:22:16,310 --> 00:22:14,559

fantastic stories but another

447

00:22:18,789 --> 00:22:16,320

interesting aspect of this whole tale is

448

00:22:21,750 --> 00:22:18,799

that it was not on the front page and it

449

00:22:24,630 --> 00:22:21,760

wasn't a standalone isolated incident

450

00:22:27,190 --> 00:22:24,640

this was one of over a dozen airship

451
00:22:28,789 --> 00:22:27,200
reports in that same newspaper you can

452
00:22:31,190 --> 00:22:28,799
actually see i've got a

453
00:22:32,390 --> 00:22:31,200
a reproduction here you can kind of tell

454
00:22:34,549 --> 00:22:32,400
or at least if you can make out of

455
00:22:36,470 --> 00:22:34,559
highlighted where the aurora one

456
00:22:38,390 --> 00:22:36,480
actually is here in the middle but the

457
00:22:39,350 --> 00:22:38,400
interesting thing is is almost every

458
00:22:40,390 --> 00:22:39,360
other

459
00:22:42,950 --> 00:22:40,400
column here

460
00:22:45,190 --> 00:22:42,960
depicts these airship reports or

461
00:22:47,990 --> 00:22:45,200
mysteries from all around the state of

462
00:22:50,230 --> 00:22:48,000
texas and so while this one i think the

463
00:22:52,149 --> 00:22:50,240

aurora story stands out the most out of

464

00:22:52,950 --> 00:22:52,159

all of them and depicts somewhat of a

465

00:22:55,510 --> 00:22:52,960

more

466

00:22:57,270 --> 00:22:55,520

otherworldly aspects to it many of the

467

00:22:59,830 --> 00:22:57,280

other airship stories depicted something

468

00:23:02,070 --> 00:22:59,840

more or less of a dirigible or something

469

00:23:05,510 --> 00:23:02,080

with propellers and wings

470

00:23:07,270 --> 00:23:05,520

um and portals for maybe the crew to be

471

00:23:08,630 --> 00:23:07,280

able to kind of utilize as maybe we

472

00:23:12,470 --> 00:23:08,640

would see in

473

00:23:15,350 --> 00:23:12,480

recent airships as far as you know 10 20

474

00:23:16,549 --> 00:23:15,360

years afterward and so this one seems to

475

00:23:18,470 --> 00:23:16,559

be something

476

00:23:21,110 --> 00:23:18,480

a little bit different because of the

477

00:23:23,270 --> 00:23:21,120

notion it has an otherworldly aspect to

478

00:23:25,750 --> 00:23:23,280

it so that is the initial tale something

479

00:23:27,270 --> 00:23:25,760

crashed apparently exploded debris

480

00:23:28,950 --> 00:23:27,280

scattered everywhere

481

00:23:30,390 --> 00:23:28,960

not only did this debris go everywhere

482

00:23:32,230 --> 00:23:30,400

but they gathered up the townsville

483

00:23:34,149 --> 00:23:32,240

gathered up what they could and

484

00:23:35,430 --> 00:23:34,159

discarded much of it it was said that

485

00:23:37,350 --> 00:23:35,440

much of it was

486

00:23:39,669 --> 00:23:37,360

carried away from the town probably on

487

00:23:41,590 --> 00:23:39,679

horse and carriage and buggy um and then

488

00:23:43,430 --> 00:23:41,600

much of it was also discarded and thrown

489

00:23:45,669 --> 00:23:43,440

down the well which was connected to

490

00:23:46,710 --> 00:23:45,679

that windmill so

491

00:23:48,549 --> 00:23:46,720

there are a lot of things that have

492

00:23:50,870 --> 00:23:48,559

happened since then but there's a great

493

00:23:53,430 --> 00:23:50,880

portion from that time in the next few

494

00:23:55,830 --> 00:23:53,440

decades which are very much a shadowy

495

00:23:57,510 --> 00:23:55,840

area that's hard to make sense of but i

496

00:23:58,870 --> 00:23:57,520

managed to track down some historical

497

00:24:02,230 --> 00:23:58,880

records that show that there was

498

00:24:04,230 --> 00:24:02,240

interest before the next big step in the

499

00:24:06,870 --> 00:24:04,240

investigative process which wouldn't

500

00:24:08,630 --> 00:24:06,880

have occurred until the 70s so that's

501
00:24:11,029 --> 00:24:08,640
apparently how the initial story took

502
00:24:14,870 --> 00:24:11,039
place and whether it happened or not is

503
00:24:20,230 --> 00:24:14,880
still widely debated even today

504
00:24:25,110 --> 00:24:22,950
so aurora is northwest of fort worth

505
00:24:26,950 --> 00:24:25,120
about 20 minutes or

506
00:24:29,830 --> 00:24:26,960
about an hour

507
00:24:31,909 --> 00:24:29,840
northwest of dallas

508
00:24:34,470 --> 00:24:31,919
not really even up toward oklahoma it's

509
00:24:37,110 --> 00:24:34,480
it's not something that you know uh most

510
00:24:38,710 --> 00:24:37,120
people would recognize on a map because

511
00:24:39,750 --> 00:24:38,720
it's such a small town that you drive

512
00:24:41,110 --> 00:24:39,760
right through it if you didn't know

513
00:24:42,870 --> 00:24:41,120

where you were going

514

00:24:45,830 --> 00:24:42,880

and it's just

515

00:24:46,789 --> 00:24:45,840

20 or so 30 miles northwest of fort

516

00:24:51,909 --> 00:24:46,799

worth

517

00:24:53,830 --> 00:24:51,919

familiar with the dfw airport one of the

518

00:24:54,630 --> 00:24:53,840

largest airports in the world

519

00:24:56,549 --> 00:24:54,640

then

520

00:24:58,950 --> 00:24:56,559

it's not too far it's within an hour

521

00:25:00,549 --> 00:24:58,960

drive from that airport

522

00:25:03,909 --> 00:25:00,559

you know it's interesting

523

00:25:10,070 --> 00:25:03,919

uh now you stated that this craft had a

524

00:25:13,830 --> 00:25:11,990

apparently the early reports claimed

525

00:25:15,590 --> 00:25:13,840

that that's the orientation of the craft

526

00:25:17,510 --> 00:25:15,600

and as far as what i could track down

527

00:25:19,750 --> 00:25:17,520

it's really difficult to really make

528

00:25:22,390 --> 00:25:19,760

sense of where that comes from outside

529

00:25:24,470 --> 00:25:22,400

of the original reports uh in the dallas

530

00:25:26,789 --> 00:25:24,480

morning news which again really just

531

00:25:29,190 --> 00:25:26,799

repeated a story it said it got from the

532

00:25:30,149 --> 00:25:29,200

aurora newspaper

533

00:25:32,310 --> 00:25:30,159

okay

534

00:25:33,669 --> 00:25:32,320

interesting because i have had reports

535

00:25:34,710 --> 00:25:33,679

in the past

536

00:25:35,430 --> 00:25:34,720

uh

537

00:25:48,950 --> 00:25:35,440

of

538

00:25:50,950 --> 00:25:48,960

uh

539

00:25:52,549 --> 00:25:50,960

well mostly the past 30 years i'm just

540

00:25:54,549 --> 00:25:52,559

wondering if there have been other

541

00:25:55,990 --> 00:25:54,559

sightings of something similar to that

542

00:26:01,029 --> 00:25:56,000

or something similar to what you're

543

00:26:03,909 --> 00:26:03,029

right well i think so um there are a lot

544

00:26:06,149 --> 00:26:03,919

of

545

00:26:08,950 --> 00:26:06,159

or at least a few decent statistical

546

00:26:11,430 --> 00:26:08,960

analysis of whatever types of

547

00:26:13,510 --> 00:26:11,440

orientation or shapes that ufos have

548

00:26:15,510 --> 00:26:13,520

been reported in

549

00:26:17,190 --> 00:26:15,520

and in various organizations and

550

00:26:19,269 --> 00:26:17,200

independent researchers

551
00:26:20,549 --> 00:26:19,279
mufon would be one of the mufon has

552
00:26:22,310 --> 00:26:20,559
attempted to

553
00:26:25,029 --> 00:26:22,320
really make sense of this case over the

554
00:26:27,669 --> 00:26:25,039
years and i think that it's one of those

555
00:26:29,190 --> 00:26:27,679
that uh you know if you look back at

556
00:26:31,909 --> 00:26:29,200
some of the original

557
00:26:34,149 --> 00:26:31,919
investigation reports and those done by

558
00:26:35,990 --> 00:26:34,159
john schussler they really tried to make

559
00:26:37,830 --> 00:26:36,000
sense of not only the

560
00:26:39,990 --> 00:26:37,840
historical record but also what was

561
00:26:41,830 --> 00:26:40,000
still obtainable in the field going out

562
00:26:43,750 --> 00:26:41,840
to the property and location which i've

563
00:26:45,990 --> 00:26:43,760

been on a number of times now and i

564

00:26:48,070 --> 00:26:46,000

think that with other than the word of

565

00:26:49,990 --> 00:26:48,080

mouth and the story in the newspaper and

566

00:26:52,070 --> 00:26:50,000

the anecdotes that you have there there

567

00:26:53,669 --> 00:26:52,080

seems to be some kind of indication that

568

00:26:55,510 --> 00:26:53,679

metallic debris

569

00:26:57,029 --> 00:26:55,520

seems to have been embedded not only in

570

00:26:59,750 --> 00:26:57,039

the ground and trees but maybe even

571

00:27:01,990 --> 00:26:59,760

within the grave as well so i think that

572

00:27:04,630 --> 00:27:02,000

if you look at this story and its full

573

00:27:07,510 --> 00:27:04,640

capacity but you also look at the array

574

00:27:09,750 --> 00:27:07,520

of reports throughout the last century

575

00:27:11,269 --> 00:27:09,760

perhaps just in the state of texas uh

576

00:27:15,350 --> 00:27:11,279

you have a lot of different shapes you

577

00:27:18,149 --> 00:27:15,360

have i think the most recent flap of

578

00:27:20,470 --> 00:27:18,159

a sighting as sometimes we say in the

579

00:27:23,190 --> 00:27:20,480

field of ufology is that of the

580

00:27:24,470 --> 00:27:23,200

stephenville incident back in 2008 where

581

00:27:26,789 --> 00:27:24,480

an enormous

582

00:27:29,669 --> 00:27:26,799

what uh my buddy steve hudgins would say

583

00:27:31,590 --> 00:27:29,679

a flying walmart came through um to

584

00:27:33,669 --> 00:27:31,600

basically you know everyone's surprise

585

00:27:35,510 --> 00:27:33,679

and i don't know that it was necessarily

586

00:27:37,269 --> 00:27:35,520

the same as what we think may have

587

00:27:39,190 --> 00:27:37,279

happened in aurora but something seems

588

00:27:41,430 --> 00:27:39,200

to garner the interest of

589

00:27:43,510 --> 00:27:41,440

the local air base and enough to send up

590

00:27:45,430 --> 00:27:43,520

some f6 16s and i think that's one of

591

00:27:47,590 --> 00:27:45,440

the interesting things that we can see

592

00:27:48,630 --> 00:27:47,600

is a much more modern case but

593

00:27:50,710 --> 00:27:48,640

throughout the years there are

594

00:27:53,510 --> 00:27:50,720

definitely a number of

595

00:27:55,830 --> 00:27:53,520

ufo encounters reports

596

00:27:57,350 --> 00:27:55,840

stories and experiences from

597

00:27:58,549 --> 00:27:57,360

you know many different

598

00:28:01,269 --> 00:27:58,559

angles and i think that it's really

599

00:28:02,710 --> 00:28:01,279

important to see now that we have radar

600

00:28:03,830 --> 00:28:02,720

you have all these different ways to

601
00:28:06,310 --> 00:28:03,840
detect

602
00:28:08,470 --> 00:28:06,320
aerial phenomena outside of word of

603
00:28:10,149 --> 00:28:08,480
mouth it gives much more credence to

604
00:28:11,510 --> 00:28:10,159
these historical cases where there

605
00:28:13,590 --> 00:28:11,520
wasn't really any technological

606
00:28:16,230 --> 00:28:13,600
sophistication to allow for

607
00:28:17,990 --> 00:28:16,240
such an investigation to be done what's

608
00:28:20,389 --> 00:28:18,000
really interesting though is that

609
00:28:23,350 --> 00:28:20,399
throughout the years after a number of

610
00:28:25,510 --> 00:28:23,360
years actually up into the 40s a new

611
00:28:28,870 --> 00:28:25,520
family moved on to that property having

612
00:28:30,549 --> 00:28:28,880
no idea and would describe troves as

613
00:28:33,350 --> 00:28:30,559

people coming up and wanting to ask

614

00:28:35,510 --> 00:28:33,360

about the alien spaceship and the crash

615

00:28:36,789 --> 00:28:35,520

and all these things and to which their

616

00:28:38,630 --> 00:28:36,799

surprise they really didn't know

617

00:28:40,549 --> 00:28:38,640

anything and they learned inadvertently

618

00:28:42,149 --> 00:28:40,559

because of these people

619

00:28:44,789 --> 00:28:42,159

they actually

620

00:28:47,029 --> 00:28:44,799

it seems took whatever debris and mel uh

621

00:28:48,870 --> 00:28:47,039

metal was in the well out

622

00:28:50,950 --> 00:28:48,880

and used the well for drinking and

623

00:28:53,110 --> 00:28:50,960

drinking water and things for a number

624

00:28:55,350 --> 00:28:53,120

of years about another decade

625

00:28:56,310 --> 00:28:55,360

and the unfortunate thing is that later

626

00:28:58,389 --> 00:28:56,320

on

627

00:29:01,510 --> 00:28:58,399

they attribute a lot of their health

628

00:29:04,630 --> 00:29:01,520

defects and maladies to having drink

629

00:29:07,669 --> 00:29:04,640

this water which they described was

630

00:29:09,510 --> 00:29:07,679

poisoned uh by that alien in his

631

00:29:12,710 --> 00:29:09,520

spaceship and there we have there's

632

00:29:15,350 --> 00:29:12,720

braley oates from the oats family as he

633

00:29:16,950 --> 00:29:15,360

appeared in 1973 which is when the the

634

00:29:18,630 --> 00:29:16,960

next investigation

635

00:29:21,029 --> 00:29:18,640

would have taken place

636

00:29:23,269 --> 00:29:21,039

and you have uh aviation writer for the

637

00:29:24,549 --> 00:29:23,279

dallas morning news as well as

638

00:29:27,510 --> 00:29:24,559

the mufon

639

00:29:30,710 --> 00:29:27,520

coordinator bill case who went

640

00:29:32,389 --> 00:29:30,720

n73 along with jim mars and a number of

641

00:29:35,510 --> 00:29:32,399

other people from the international ufo

642

00:29:37,190 --> 00:29:35,520

bureau and mufon to try to make sense of

643

00:29:40,470 --> 00:29:37,200

what happened there

644

00:29:41,750 --> 00:29:40,480

even at that point many decades earlier

645

00:29:43,669 --> 00:29:41,760

and at that point they found the

646

00:29:46,310 --> 00:29:43,679

headstone they attempted to locate the

647

00:29:48,470 --> 00:29:46,320

original headstone which is a really

648

00:29:50,870 --> 00:29:48,480

interesting notion today uh but the

649

00:29:53,830 --> 00:29:50,880

original headstone seems to be a broken

650

00:29:56,389 --> 00:29:53,840

portion of stone that has an etching of

651
00:29:58,710 --> 00:29:56,399
some kind of shape that jim suspected if

652
00:30:00,789 --> 00:29:58,720
you had another mirroring image part to

653
00:30:01,990 --> 00:30:00,799
the stone that you would see a full

654
00:30:03,909 --> 00:30:02,000
possible

655
00:30:05,669 --> 00:30:03,919
cylindrical shape that could have been

656
00:30:07,110 --> 00:30:05,679
uh could have been a depiction of the

657
00:30:08,549 --> 00:30:07,120
original craft

658
00:30:10,789 --> 00:30:08,559
and

659
00:30:13,909 --> 00:30:10,799
the interesting thing is is that hayden

660
00:30:16,070 --> 00:30:13,919
hughes with the international ufo bureau

661
00:30:16,870 --> 00:30:16,080
and a number of other investigators who

662
00:30:19,029 --> 00:30:16,880
came

663
00:30:21,750 --> 00:30:19,039

ready to try to you know understand

664

00:30:24,149 --> 00:30:21,760

what's going on with this case this

665

00:30:26,789 --> 00:30:24,159

historic case ready to dig up what could

666

00:30:29,110 --> 00:30:26,799

have been that alien grave they tried to

667

00:30:32,230 --> 00:30:29,120

take all the legal

668

00:30:34,710 --> 00:30:32,240

steps necessary to exhume the body

669

00:30:36,870 --> 00:30:34,720

and i know this is a big part about what

670

00:30:39,909 --> 00:30:36,880

is often asked when we're dealing with

671

00:30:41,669 --> 00:30:39,919

this case the aurora legend why is it

672

00:30:43,590 --> 00:30:41,679

someone dug up that body

673

00:30:45,909 --> 00:30:43,600

now half a century ago there was an

674

00:30:47,510 --> 00:30:45,919

attempt to do so legally but the aurora

675

00:30:49,669 --> 00:30:47,520

cemetery association threatened to

676
00:30:51,750 --> 00:30:49,679
counter anyone who came digging with a

677
00:30:53,350 --> 00:30:51,760
lawsuit saying that number one we don't

678
00:30:55,510 --> 00:30:53,360
want anyone to

679
00:30:56,789 --> 00:30:55,520
accidentally dig up grandma

680
00:30:57,990 --> 00:30:56,799
and we don't want to bring up any

681
00:30:58,870 --> 00:30:58,000
hazardous

682
00:31:00,470 --> 00:30:58,880
um

683
00:31:02,710 --> 00:31:00,480
you know diseases back because

684
00:31:05,110 --> 00:31:02,720
unfortunately they had a bad fever right

685
00:31:05,830 --> 00:31:05,120
before all of this and not to mention

686
00:31:08,070 --> 00:31:05,840
that

687
00:31:09,509 --> 00:31:08,080
kind of putting things into context

688
00:31:11,909 --> 00:31:09,519

aurora at the time had a number of

689

00:31:14,630 --> 00:31:11,919

saloons it was sort of a you know up and

690

00:31:16,070 --> 00:31:14,640

come town but the railroad passed it and

691

00:31:17,590 --> 00:31:16,080

so everyone was hoping that maybe they'd

692

00:31:20,310 --> 00:31:17,600

have some you know a boost in the

693

00:31:22,389 --> 00:31:20,320

economy but because it passed the town

694

00:31:23,830 --> 00:31:22,399

it became somewhat of a ghost town and a

695

00:31:24,870 --> 00:31:23,840

lot of people were dying because of this

696

00:31:25,669 --> 00:31:24,880

disease

697

00:31:29,350 --> 00:31:25,679

so

698

00:31:31,029 --> 00:31:29,360

considered that the aurora legend was a

699

00:31:33,269 --> 00:31:31,039

hoax was because they wanted to boost

700

00:31:35,110 --> 00:31:33,279

tourism just the economy get people you

701
00:31:36,549 --> 00:31:35,120
know back into aurora and get things up

702
00:31:38,149 --> 00:31:36,559
and running again and i think that

703
00:31:41,269 --> 00:31:38,159
that's really an interesting idea to

704
00:31:42,630 --> 00:31:41,279
concoct a story of an otherworldly being

705
00:31:44,310 --> 00:31:42,640
in order to

706
00:31:46,230 --> 00:31:44,320
you know in an attempt to boost the town

707
00:31:48,310 --> 00:31:46,240
why not say we struck gold or better yet

708
00:31:50,870 --> 00:31:48,320
we're in texas we struck oil you know

709
00:31:52,389 --> 00:31:50,880
but no an alien and it's spaceship and

710
00:31:55,110 --> 00:31:52,399
technically they didn't even say alien

711
00:31:55,990 --> 00:31:55,120
they just said a uh you know a martian

712
00:31:57,430 --> 00:31:56,000
so

713
00:31:59,110 --> 00:31:57,440

you know one of the the interesting

714

00:32:01,029 --> 00:31:59,120

tropes that i've looked into when

715

00:32:02,950 --> 00:32:01,039

researching this topic is that of the

716

00:32:05,029 --> 00:32:02,960

what we call the little green men which

717

00:32:07,909 --> 00:32:05,039

has been used as a way to discredit

718

00:32:09,990 --> 00:32:07,919

early ufologists and ufo researchers and

719

00:32:11,750 --> 00:32:10,000

anyone who's looking into this for

720

00:32:13,350 --> 00:32:11,760

decades right but the interesting thing

721

00:32:14,870 --> 00:32:13,360

is just that little green men had been

722

00:32:17,590 --> 00:32:14,880

used for

723

00:32:20,310 --> 00:32:17,600

uh a long time before its association in

724

00:32:21,990 --> 00:32:20,320

the early 1900s with extraterrestrial

725

00:32:23,830 --> 00:32:22,000

life and martians

726
00:32:24,710 --> 00:32:23,840
but the closest relation we have is that

727
00:32:27,190 --> 00:32:24,720
this

728
00:32:29,269 --> 00:32:27,200
guy named guy named tj williams said

729
00:32:30,710 --> 00:32:29,279
that it was a martian to his

730
00:32:32,630 --> 00:32:30,720
understanding which you know that could

731
00:32:33,350 --> 00:32:32,640
have totally been made up as well

732
00:32:34,870 --> 00:32:33,360
so

733
00:32:37,909 --> 00:32:34,880
because of how

734
00:32:39,750 --> 00:32:37,919
the grave situation became a focal point

735
00:32:41,350 --> 00:32:39,760
for investigators all the way down into

736
00:32:43,830 --> 00:32:41,360
the 70s

737
00:32:45,750 --> 00:32:43,840
it became such a sensation that

738
00:32:47,669 --> 00:32:45,760

newspapers were spinning it with

739

00:32:49,509 --> 00:32:47,679

headlines and just garnering the

740

00:32:51,430 --> 00:32:49,519

interests of people all around and once

741

00:32:53,509 --> 00:32:51,440

again probably for the better part of

742

00:32:54,789 --> 00:32:53,519

selling tabloids in newspapers and

743

00:32:56,870 --> 00:32:54,799

write-ups

744

00:32:59,269 --> 00:32:56,880

interestingly enough as ironic as that

745

00:33:02,950 --> 00:32:59,279

sounds it really um showcased the

746

00:33:04,710 --> 00:33:02,960

division of the town and of people

747

00:33:06,549 --> 00:33:04,720

in the community itself trying to make

748

00:33:08,950 --> 00:33:06,559

sense of this happened or it didn't

749

00:33:10,389 --> 00:33:08,960

happen they were there they weren't or

750

00:33:12,149 --> 00:33:10,399

they were it happened or they were and

751
00:33:15,509 --> 00:33:12,159
it didn't happen and so even throughout

752
00:33:18,630 --> 00:33:15,519
the the se the 60s and 70s

753
00:33:20,789 --> 00:33:18,640
past the advent of project blue book

754
00:33:22,389 --> 00:33:20,799
which apparently there just seemed to be

755
00:33:24,710 --> 00:33:22,399
some indication that

756
00:33:27,509 --> 00:33:24,720
people posing as government agents had

757
00:33:30,230 --> 00:33:27,519
come into the town as early as the 50s

758
00:33:31,990 --> 00:33:30,240
and 60s to intimidate people and inquire

759
00:33:33,590 --> 00:33:32,000
about the metallic debris that people

760
00:33:35,110 --> 00:33:33,600
have been keeping in shoe boxes and

761
00:33:37,269 --> 00:33:35,120
things like this so

762
00:33:39,350 --> 00:33:37,279
that's very speculative but apparently

763
00:33:41,029 --> 00:33:39,360

there does seem to be some some rumored

764

00:33:43,990 --> 00:33:41,039

uh indication that that had happened and

765

00:33:46,470 --> 00:33:44,000

maybe an association with blue book um

766

00:33:49,430 --> 00:33:46,480

early on you know with dr jalen heineck

767

00:33:51,430 --> 00:33:49,440

and the air force's early attempt at uh

768

00:33:53,509 --> 00:33:51,440

maybe not only discrediting the ufo

769

00:33:55,430 --> 00:33:53,519

issue but also maybe misdirecting it

770

00:33:57,909 --> 00:33:55,440

overall the interesting thing with all

771

00:34:00,549 --> 00:33:57,919

of this is that soon after this initial

772

00:34:02,669 --> 00:34:00,559

investigation the cemetery declining any

773

00:34:04,710 --> 00:34:02,679

attempt at exhuming the supposed

774

00:34:07,269 --> 00:34:04,720

extraterrestrial body

775

00:34:08,069 --> 00:34:07,279

they put on a cemetery watch for a few

776
00:34:10,310 --> 00:34:08,079
weeks

777
00:34:12,149 --> 00:34:10,320
which kept anyone barring anyone out of

778
00:34:13,109 --> 00:34:12,159
the cemetery but as soon as that watch

779
00:34:15,030 --> 00:34:13,119
ended

780
00:34:16,310 --> 00:34:15,040
the gravestone went missing and three

781
00:34:18,629 --> 00:34:16,320
drill hole

782
00:34:20,869 --> 00:34:18,639
marks were found in the grave

783
00:34:21,829 --> 00:34:20,879
and when jim mars asked his buddy bill

784
00:34:24,310 --> 00:34:21,839
case

785
00:34:26,470 --> 00:34:24,320
what he thought who we thought did it he

786
00:34:29,109 --> 00:34:26,480
said the government and unfortunately

787
00:34:31,030 --> 00:34:29,119
bill passed away a year after that and

788
00:34:33,990 --> 00:34:31,040

just a few years later in 76 a

789

00:34:39,270 --> 00:34:34,000

historical marker was erected there at

790

00:34:43,829 --> 00:34:41,510

um

791

00:34:46,149 --> 00:34:43,839

now more recently has there been any

792

00:34:48,149 --> 00:34:46,159

tangible evidence found

793

00:34:50,470 --> 00:34:48,159

other you know other than anecdotal

794

00:34:54,869 --> 00:34:50,480

evidence uh anything tangible have been

795

00:34:59,829 --> 00:34:58,069

well i think that because of how

796

00:35:02,550 --> 00:34:59,839

much interest this

797

00:35:04,550 --> 00:35:02,560

was able to produce and generate

798

00:35:07,030 --> 00:35:04,560

and really grab people's attention from

799

00:35:09,589 --> 00:35:07,040

that initial investigation

800

00:35:11,990 --> 00:35:09,599

that interest never died down maybe here

801
00:35:15,109 --> 00:35:12,000
and there but going into the 80s

802
00:35:17,990 --> 00:35:15,119
it even got enough attention for a b or

803
00:35:19,109 --> 00:35:18,000
even c film to be made called the aurora

804
00:35:20,550 --> 00:35:19,119
encounter

805
00:35:23,109 --> 00:35:20,560
what i think is really interesting about

806
00:35:27,030 --> 00:35:23,119
this is that getting into more recent

807
00:35:29,829 --> 00:35:27,040
times um while that movie was just a fun

808
00:35:32,310 --> 00:35:29,839
and more fictionalized portrayal of the

809
00:35:34,790 --> 00:35:32,320
alien not just crashing and dying and

810
00:35:37,030 --> 00:35:34,800
exploding um but that this being got out

811
00:35:38,470 --> 00:35:37,040
and walked around and wandered the town

812
00:35:41,750 --> 00:35:38,480
and interacted and mingled with

813
00:35:43,349 --> 00:35:41,760

townsfolk and it had special abilities

814

00:35:45,190 --> 00:35:43,359

and i'll just mention quickly that the

815

00:35:46,630 --> 00:35:45,200

actor who played the alien as you can

816

00:35:49,750 --> 00:35:46,640

see here in the picture his name was

817

00:35:51,349 --> 00:35:49,760

mickey hayes and he had progeria which

818

00:35:53,990 --> 00:35:51,359

uh you know was this

819

00:35:55,750 --> 00:35:54,000

sort of disfiguring condition which a

820

00:35:57,670 --> 00:35:55,760

lot of people had wondered why they

821

00:36:01,109 --> 00:35:57,680

would make him play an alien that seems

822

00:36:02,790 --> 00:36:01,119

so disrespectful but in reality mickey

823

00:36:03,910 --> 00:36:02,800

as a a

824

00:36:06,390 --> 00:36:03,920

a young man

825

00:36:07,270 --> 00:36:06,400

actually just a boy at the time his

826

00:36:10,710 --> 00:36:07,280

wish

827

00:36:13,430 --> 00:36:10,720

foundation was to play in a hollywood

828

00:36:14,870 --> 00:36:13,440

movie and so probably because of the you

829

00:36:16,950 --> 00:36:14,880

know trying to write on the tail and

830

00:36:20,230 --> 00:36:16,960

success of the et movie which had come

831

00:36:22,710 --> 00:36:20,240

out just prior um this aurora encounter

832

00:36:24,230 --> 00:36:22,720

movie i think helped to inspire this

833

00:36:26,710 --> 00:36:24,240

jack elims probably the most well-known

834

00:36:28,710 --> 00:36:26,720

star of that movie as well and uh and so

835

00:36:31,270 --> 00:36:28,720

this is something i think that continued

836

00:36:33,190 --> 00:36:31,280

to generate interest up into the 90s and

837

00:36:36,550 --> 00:36:33,200

i'll just mention this because

838

00:36:39,109 --> 00:36:36,560

the 90s really presented ufology with a

839

00:36:40,630 --> 00:36:39,119

number of other prevalent cases that i

840

00:36:43,190 --> 00:36:40,640

think are really important to consider

841

00:36:44,710 --> 00:36:43,200

because of how it relates back to

842

00:36:48,069 --> 00:36:44,720

investigating

843

00:36:50,470 --> 00:36:48,079

all older historical cases in a way that

844

00:36:52,870 --> 00:36:50,480

maybe wasn't available at the time

845

00:36:55,190 --> 00:36:52,880

especially you know before

846

00:36:57,270 --> 00:36:55,200

the you know 20th century and so what's

847

00:36:59,670 --> 00:36:57,280

more relevant with us now in getting up

848

00:37:02,470 --> 00:36:59,680

into the modern time frame is that

849

00:37:05,190 --> 00:37:02,480

the the 100th anniversary of the aurora

850

00:37:07,430 --> 00:37:05,200

legend would have been 1997.

851
00:37:09,750 --> 00:37:07,440
ironically it would have been the

852
00:37:12,550 --> 00:37:09,760
the 50th anniversary at the same time of

853
00:37:15,270 --> 00:37:12,560
the roswell incident so roswell happened

854
00:37:17,349 --> 00:37:15,280
50 years later and we know and many of

855
00:37:19,510 --> 00:37:17,359
the the people tuning in are probably

856
00:37:22,310 --> 00:37:19,520
well familiar with the scrutiny that's

857
00:37:23,990 --> 00:37:22,320
gone in to the roswell investigation

858
00:37:25,990 --> 00:37:24,000
even on an official level and all the

859
00:37:29,030 --> 00:37:26,000
different explanations that have been

860
00:37:31,190 --> 00:37:29,040
considered and uh and so the level of

861
00:37:33,829 --> 00:37:31,200
ridicule is very real when it comes to

862
00:37:36,790 --> 00:37:33,839
investigating these types of cases and

863
00:37:38,069 --> 00:37:36,800

also in 97 you had the phoenix lights

864

00:37:39,670 --> 00:37:38,079

incident which a lot of people still

865

00:37:43,270 --> 00:37:39,680

find to be very

866

00:37:43,990 --> 00:37:43,280

um very much a prevalent case in ufology

867

00:37:47,670 --> 00:37:44,000

so

868

00:37:49,109 --> 00:37:47,680

at the 100th anniversary marker

869

00:37:50,790 --> 00:37:49,119

not only was

870

00:37:53,030 --> 00:37:50,800

jim mars still very interested in

871

00:37:55,829 --> 00:37:53,040

pursuing this case but a number of other

872

00:37:58,710 --> 00:37:55,839

investigators took the time to

873

00:38:01,829 --> 00:37:58,720

look into it and produce some early

874

00:38:03,589 --> 00:38:01,839

documentaries and work that showed that

875

00:38:05,190 --> 00:38:03,599

there could be some

876

00:38:07,910 --> 00:38:05,200

leads to follow up with people

877

00:38:10,950 --> 00:38:07,920

describing having bits of the metal

878

00:38:13,589 --> 00:38:10,960

still finding parts of metal embedded in

879

00:38:14,790 --> 00:38:13,599

trees and things and so in the following

880

00:38:17,270 --> 00:38:14,800

years

881

00:38:20,150 --> 00:38:17,280

the history channel actually came out

882

00:38:22,710 --> 00:38:20,160

and began an investigation

883

00:38:24,710 --> 00:38:22,720

it was a few years after the 100th

884

00:38:26,310 --> 00:38:24,720

anniversary and in an attempt to also

885

00:38:28,550 --> 00:38:26,320

commemorate that they tried to get

886

00:38:30,310 --> 00:38:28,560

access to the property in which the

887

00:38:32,310 --> 00:38:30,320

crash was said to have happened where

888

00:38:35,270 --> 00:38:32,320

the windmill would have been where the

889

00:38:37,750 --> 00:38:35,280

well actually is and is still today

890

00:38:40,310 --> 00:38:37,760

when the history channel originally came

891

00:38:42,550 --> 00:38:40,320

onto the property they were not granted

892

00:38:44,710 --> 00:38:42,560

access to the well but a few years later

893

00:38:47,510 --> 00:38:44,720

on another show that they had going the

894

00:38:49,750 --> 00:38:47,520

ufo hunters they did get access and so

895

00:38:51,750 --> 00:38:49,760

they tried to find what they could

896

00:38:54,710 --> 00:38:51,760

by unsealing the well

897

00:38:56,230 --> 00:38:54,720

which the oats family had been using for

898

00:38:58,310 --> 00:38:56,240

decades earlier

899

00:39:00,069 --> 00:38:58,320

but they had since sealed it up and so

900

00:39:03,750 --> 00:39:00,079

they removed the well house they removed

901
00:39:05,589 --> 00:39:03,760
the seal they sent pat usgert one of the

902
00:39:08,390 --> 00:39:05,599
hosts on the ufo hunters down there to

903
00:39:09,190 --> 00:39:08,400
ascertain the fate of that mystery medal

904
00:39:11,109 --> 00:39:09,200
um

905
00:39:11,910 --> 00:39:11,119
to which unfortunately he did not find

906
00:39:13,670 --> 00:39:11,920
any

907
00:39:15,430 --> 00:39:13,680
other than a snake which had sort of

908
00:39:17,750 --> 00:39:15,440
fallen in um

909
00:39:20,390 --> 00:39:17,760
they didn't really find any substantial

910
00:39:21,750 --> 00:39:20,400
metal in the well but they did go over

911
00:39:23,270 --> 00:39:21,760
down the street

912
00:39:25,670 --> 00:39:23,280
literally not even a mile away to the

913
00:39:26,790 --> 00:39:25,680

cemetery and do some ground penetrating

914

00:39:28,630 --> 00:39:26,800

radar

915

00:39:30,710 --> 00:39:28,640

over the gravesite

916

00:39:32,550 --> 00:39:30,720

not only did they find what seemed to be

917

00:39:35,270 --> 00:39:32,560

metallic alloy

918

00:39:37,270 --> 00:39:35,280

probably at some point in a molten state

919

00:39:39,990 --> 00:39:37,280

hardened and embedded in the ground and

920

00:39:42,790 --> 00:39:40,000

in the trees nearby but they found what

921

00:39:45,430 --> 00:39:42,800

was uh some kind of indication of a

922

00:39:48,069 --> 00:39:45,440

small child-sized grave

923

00:39:49,829 --> 00:39:48,079

at the location of the gravesite and so

924

00:39:51,990 --> 00:39:49,839

while they weren't able to really

925

00:39:54,550 --> 00:39:52,000

figure out what the contents of that

926
00:39:56,390 --> 00:39:54,560
container or grave might have been they

927
00:39:59,430 --> 00:39:56,400
did seem to think that there was good

928
00:40:01,190 --> 00:39:59,440
indication that something was down there

929
00:40:04,309 --> 00:40:01,200
and so because of that that's probably

930
00:40:06,470 --> 00:40:04,319
the best credence given to that there

931
00:40:09,430 --> 00:40:06,480
being something having had happened or

932
00:40:11,670 --> 00:40:09,440
maybe an explosion of some sort and that

933
00:40:13,670 --> 00:40:11,680
there is still maybe good reason to look

934
00:40:15,510 --> 00:40:13,680
into this historic case

935
00:40:17,589 --> 00:40:15,520
i think that if you look into what's

936
00:40:20,390 --> 00:40:17,599
gone on in more recent years you know

937
00:40:21,910 --> 00:40:20,400
going throughout the uh more recent last

938
00:40:24,150 --> 00:40:21,920

decade actually

939

00:40:26,470 --> 00:40:24,160

um in the time frame in which i was more

940

00:40:28,630 --> 00:40:26,480

readily involved and my my buddy jim

941

00:40:30,309 --> 00:40:28,640

took me out to the side on a number of

942

00:40:32,390 --> 00:40:30,319

times we got to the point where we said

943

00:40:35,190 --> 00:40:32,400

let's approach the city and see if we

944

00:40:35,990 --> 00:40:35,200

can commemorate this historical event

945

00:40:37,670 --> 00:40:36,000

with

946

00:40:39,750 --> 00:40:37,680

a conference that the city might be able

947

00:40:43,270 --> 00:40:39,760

to take part in as well to acknowledge

948

00:40:45,910 --> 00:40:43,280

at an official capacity so we did that

949

00:40:47,349 --> 00:40:45,920

um and i'm so glad that jim got to take

950

00:40:49,510 --> 00:40:47,359

part in that because unfortunately he

951
00:40:51,910 --> 00:40:49,520
passed away a year later but as you can

952
00:40:54,630 --> 00:40:51,920
see here he is holding up this paper

953
00:40:56,550 --> 00:40:54,640
right here that has the aurora story

954
00:40:58,630 --> 00:40:56,560
within the very center

955
00:41:01,829 --> 00:40:58,640
and we got to share

956
00:41:04,470 --> 00:41:01,839
this type of uh you know celebrated uh

957
00:41:06,069 --> 00:41:04,480
event with about 400 people at the

958
00:41:07,430 --> 00:41:06,079
building's capacity and one of the only

959
00:41:08,550 --> 00:41:07,440
buildings that could house that many

960
00:41:10,790 --> 00:41:08,560
people

961
00:41:12,870 --> 00:41:10,800
and host this wonderful event that we

962
00:41:15,109 --> 00:41:12,880
did back in 2016

963
00:41:16,630 --> 00:41:15,119

to really try to bring forward anyone

964

00:41:18,150 --> 00:41:16,640
from the woodwork that had any

965

00:41:19,270 --> 00:41:18,160
information about this which we got

966

00:41:20,950 --> 00:41:19,280
quite a few

967

00:41:22,950 --> 00:41:20,960
some people said you know what i

968

00:41:24,550 --> 00:41:22,960
remember seeing that mystery medal so

969

00:41:26,550 --> 00:41:24,560
and so had it down the street in a

970

00:41:28,470 --> 00:41:26,560
shoebox i remember having it here i

971

00:41:30,230 --> 00:41:28,480
remember my the alzheimer's would tell

972

00:41:32,390 --> 00:41:30,240
us about it so

973

00:41:35,190 --> 00:41:32,400
working with the city at that time

974

00:41:36,870 --> 00:41:35,200
it was still very divided even all these

975

00:41:37,990 --> 00:41:36,880
years later and people who lived out

976
00:41:40,150 --> 00:41:38,000
there

977
00:41:42,309 --> 00:41:40,160
out in the country pretty much are

978
00:41:44,069 --> 00:41:42,319
living out there probably because either

979
00:41:45,829 --> 00:41:44,079
their family had been there forever or

980
00:41:48,230 --> 00:41:45,839
they went out to get away from the noise

981
00:41:49,670 --> 00:41:48,240
of the city and to be bothered by people

982
00:41:51,510 --> 00:41:49,680
otherwise who wanted to know about the

983
00:41:53,349 --> 00:41:51,520
alien in that grave or that spaceship

984
00:41:55,109 --> 00:41:53,359
crash and all these things

985
00:41:56,790 --> 00:41:55,119
so the challenge was finding anyone who

986
00:41:58,230 --> 00:41:56,800
was really interested in opening up

987
00:41:59,990 --> 00:41:58,240
about it who had

988
00:42:01,990 --> 00:42:00,000

not only been sincere but maybe some

989

00:42:03,750 --> 00:42:02,000

kind of way to corroborate any of these

990

00:42:06,550 --> 00:42:03,760

incredible claims

991

00:42:08,230 --> 00:42:06,560

so as you can see here this that is a

992

00:42:09,829 --> 00:42:08,240

picture of the original

993

00:42:13,109 --> 00:42:09,839

crash site where the windmill would have

994

00:42:14,710 --> 00:42:13,119

been where the well house water tower

995

00:42:16,309 --> 00:42:14,720

and the well

996

00:42:17,829 --> 00:42:16,319

is today the well's about the only

997

00:42:20,230 --> 00:42:17,839

remaining thing

998

00:42:21,990 --> 00:42:20,240

we held the event and it was enough for

999

00:42:24,550 --> 00:42:22,000

the city to generate

1000

00:42:26,710 --> 00:42:24,560

um a little bit of uh interest and

1001
00:42:28,309 --> 00:42:26,720
funding by way of

1002
00:42:29,670 --> 00:42:28,319
uh the historical

1003
00:42:32,069 --> 00:42:29,680
society there

1004
00:42:34,630 --> 00:42:32,079
to put together a city monument

1005
00:42:37,190 --> 00:42:34,640
that has the new stylized city logo

1006
00:42:39,750 --> 00:42:37,200
which has a um not a cigar-shaped object

1007
00:42:41,349 --> 00:42:39,760
but a flying saucer and a windmill

1008
00:42:43,670 --> 00:42:41,359
um and the thing is that historically

1009
00:42:46,470 --> 00:42:43,680
speaking it might not have actually been

1010
00:42:49,589 --> 00:42:46,480
a windmill as we think in our standard

1011
00:42:51,030 --> 00:42:49,599
today but more like a windlass or a

1012
00:42:52,550 --> 00:42:51,040
um

1013
00:42:55,430 --> 00:42:52,560

a derrick which would have been like a

1014

00:42:57,910 --> 00:42:55,440

tower that worked with a sump um to help

1015

00:42:58,710 --> 00:42:57,920

generate uh water current for the well

1016

00:43:00,550 --> 00:42:58,720

now

1017

00:43:02,550 --> 00:43:00,560

because of the iconography of the flying

1018

00:43:04,550 --> 00:43:02,560

saucer in a windmill it's easier for

1019

00:43:06,069 --> 00:43:04,560

people to recognize it so they have this

1020

00:43:08,790 --> 00:43:06,079

uh at the

1021

00:43:10,870 --> 00:43:08,800

uh foothold the basin of this

1022

00:43:13,349 --> 00:43:10,880

uh crash site they have the monument and

1023

00:43:16,550 --> 00:43:13,359

they have a downed spaceship with a

1024

00:43:18,710 --> 00:43:16,560

mock-up windmill and a little alien and

1025

00:43:21,750 --> 00:43:18,720

and so they had a little dummy there at

1026

00:43:23,829 --> 00:43:21,760

city hall which uh the city admin having

1027

00:43:26,150 --> 00:43:23,839

been a local growing up there one of the

1028

00:43:28,230 --> 00:43:26,160

old timers names was ned so she has this

1029

00:43:31,349 --> 00:43:28,240

little dummy alien he was sort of the

1030

00:43:33,190 --> 00:43:31,359

mascot there who we called ned and she

1031

00:43:35,510 --> 00:43:33,200

was generous enough to let me

1032

00:43:37,190 --> 00:43:35,520

wheel him around and take him on tour so

1033

00:43:39,109 --> 00:43:37,200

to speak and so ned got a lot of

1034

00:43:41,109 --> 00:43:39,119

notoriety a lot of events

1035

00:43:43,510 --> 00:43:41,119

um he was a lot of fun i took him to a

1036

00:43:46,710 --> 00:43:43,520

lot of different things like alien khan

1037

00:43:48,150 --> 00:43:46,720

and area 51 and just everywhere

1038

00:43:49,990 --> 00:43:48,160

and he was the

1039

00:43:51,910 --> 00:43:50,000

you know highlight of the show here he

1040

00:43:53,750 --> 00:43:51,920

is at his own grave on one of the

1041

00:43:55,990 --> 00:43:53,760

anniversaries and of course he's in a

1042

00:43:58,150 --> 00:43:56,000

wheelchair because he was in a bad wreck

1043

00:44:00,309 --> 00:43:58,160

so you know it only makes sense that you

1044

00:44:02,870 --> 00:44:00,319

know he's uh you know situated like that

1045

00:44:05,670 --> 00:44:02,880

but the fun thing was is that it it gave

1046

00:44:07,109 --> 00:44:05,680

some uh you know way for people to to

1047

00:44:09,349 --> 00:44:07,119

see a face

1048

00:44:10,630 --> 00:44:09,359

uh to the name of the town because

1049

00:44:12,309 --> 00:44:10,640

that's again people would always say you

1050

00:44:14,550 --> 00:44:12,319

know i heard about that alien grave or i

1051

00:44:16,710 --> 00:44:14,560

heard about that windmill ufo crash or

1052

00:44:18,390 --> 00:44:16,720

something so people throughout the years

1053

00:44:20,710 --> 00:44:18,400

knew bits and pieces but maybe not the

1054

00:44:23,270 --> 00:44:20,720

whole story and so now

1055

00:44:25,109 --> 00:44:23,280

in more recent times uh the city

1056

00:44:26,550 --> 00:44:25,119

we tried to do another event it really

1057

00:44:27,349 --> 00:44:26,560

just didn't happen there had been a lot

1058

00:44:29,750 --> 00:44:27,359

of

1059

00:44:32,390 --> 00:44:29,760

uh conflict in the city about the whole

1060

00:44:33,990 --> 00:44:32,400

thing even now and uh because of that we

1061

00:44:37,349 --> 00:44:34,000

weren't able to do another city event

1062

00:44:40,390 --> 00:44:37,359

but i had held uh meetups and tours

1063

00:44:42,309 --> 00:44:40,400

uh in the last several years that got a

1064

00:44:43,829 --> 00:44:42,319

lot of attention as well we had about a

1065

00:44:46,069 --> 00:44:43,839

hundred people show up for some of these

1066

00:44:48,309 --> 00:44:46,079

meetups and in doing so

1067

00:44:50,069 --> 00:44:48,319

one of the one of the the guests that we

1068

00:44:50,790 --> 00:44:50,079

had come out was a lawyer from dallas

1069

00:44:53,430 --> 00:44:50,800

who

1070

00:44:56,390 --> 00:44:53,440

offered a reward for the original

1071

00:44:57,750 --> 00:44:56,400

headstone or any whereabouts of it um

1072

00:44:59,270 --> 00:44:57,760

and it started out as being like a

1073

00:45:01,349 --> 00:44:59,280

thousand dollar reward and it went up to

1074

00:45:03,510 --> 00:45:01,359

like 2500 now i think it's like at five

1075

00:45:05,109 --> 00:45:03,520

thousand dollars so that's a very real

1076

00:45:06,870 --> 00:45:05,119

thing for anyone i don't know that it's

1077

00:45:07,910 --> 00:45:06,880

actually going to come up but if anyone

1078

00:45:10,150 --> 00:45:07,920

has

1079

00:45:11,670 --> 00:45:10,160

any information about the original

1080

00:45:13,430 --> 00:45:11,680

headstone which i've had someone tell me

1081

00:45:14,950 --> 00:45:13,440

that they know where it is

1082

00:45:16,870 --> 00:45:14,960

um so variable could be out there

1083

00:45:18,710 --> 00:45:16,880

whether it was real or not

1084

00:45:20,470 --> 00:45:18,720

and as you can see here we are at that

1085

00:45:21,829 --> 00:45:20,480

monument there at the foothold of the

1086

00:45:24,470 --> 00:45:21,839

crash site

1087

00:45:26,870 --> 00:45:24,480

and it's right off the highway uh which

1088

00:45:27,829 --> 00:45:26,880

is highway 114

1089

00:45:29,670 --> 00:45:27,839

and so

1090

00:45:31,270 --> 00:45:29,680

because of that interest the city threw

1091

00:45:35,349 --> 00:45:31,280

together a little what they called a

1092

00:45:36,390 --> 00:45:35,359

party patio which they dubbed area 114

1093

00:45:38,230 --> 00:45:36,400

and so

1094

00:45:40,230 --> 00:45:38,240

to have some fun with it because this

1095

00:45:42,150 --> 00:45:40,240

the city is such a small little place

1096

00:45:44,630 --> 00:45:42,160

they don't really have any commerce or

1097

00:45:46,550 --> 00:45:44,640

much industry at all they threw together

1098

00:45:48,630 --> 00:45:46,560

some little businesses one of them was

1099

00:45:51,109 --> 00:45:48,640

called martian margaritas and another

1100

00:45:52,630 --> 00:45:51,119

was smoking windmill barbecue they're on

1101
00:45:54,630 --> 00:45:52,640
this party patio where they would have

1102
00:45:57,990 --> 00:45:54,640
live music and a bunch of cool things

1103
00:46:01,990 --> 00:45:58,000
they even came up with uh uh their own

1104
00:46:04,069 --> 00:46:02,000
brood ale called the alien ale and uh it

1105
00:46:04,950 --> 00:46:04,079
was a limited run there's not any more

1106
00:46:06,950 --> 00:46:04,960
ever

1107
00:46:09,430 --> 00:46:06,960
um and unfortunately getting into the

1108
00:46:12,630 --> 00:46:09,440
last literally the last year

1109
00:46:14,309 --> 00:46:12,640
um i went up there with uh a news team

1110
00:46:16,309 --> 00:46:14,319
that was interested in doing a story

1111
00:46:19,510 --> 00:46:16,319
because of at the time what would have

1112
00:46:22,710 --> 00:46:19,520
been the upcoming uh report

1113
00:46:25,030 --> 00:46:22,720

on the uap issue within the government

1114

00:46:27,589 --> 00:46:25,040

and the transparency being provided by

1115

00:46:29,829 --> 00:46:27,599

what was going to be come to be known as

1116

00:46:32,069 --> 00:46:29,839

the uh the preliminary assessment right

1117

00:46:33,990 --> 00:46:32,079

which talks about the uap task force and

1118

00:46:36,230 --> 00:46:34,000

all of this stuff which now is still

1119

00:46:38,470 --> 00:46:36,240

actually um underway and is doing a lot

1120

00:46:39,910 --> 00:46:38,480

now we went up there at the time and

1121

00:46:42,470 --> 00:46:39,920

everything seemed fine i actually saw

1122

00:46:45,670 --> 00:46:42,480

the city admin up there a month later i

1123

00:46:47,270 --> 00:46:45,680

found out that the city hall burnt down

1124

00:46:49,190 --> 00:46:47,280

that unfortunately there had been a lot

1125

00:46:53,910 --> 00:46:49,200

of um

1126
00:46:56,309 --> 00:46:53,920
uh huge fraud and and thefts monetarily

1127
00:46:59,510 --> 00:46:56,319
in the city from

1128
00:47:01,910 --> 00:46:59,520
from the city administration and that

1129
00:47:04,230 --> 00:47:01,920
unfortunately it seems like ned

1130
00:47:06,790 --> 00:47:04,240
burned down with the city hall

1131
00:47:08,790 --> 00:47:06,800
and that property the area 114 party

1132
00:47:09,750 --> 00:47:08,800
patio has now been acquired by the

1133
00:47:11,910 --> 00:47:09,760
county

1134
00:47:13,829 --> 00:47:11,920
and likely to be auctioned off um and

1135
00:47:15,190 --> 00:47:13,839
it's such a weird tragic twist to the

1136
00:47:16,630 --> 00:47:15,200
whole thing

1137
00:47:18,630 --> 00:47:16,640
because the city admin was a big

1138
00:47:20,390 --> 00:47:18,640

proponent of the story and getting the

1139

00:47:22,150 --> 00:47:20,400

the knowledge out there and just to be

1140

00:47:24,870 --> 00:47:22,160

able to kind of help us with the event

1141

00:47:27,030 --> 00:47:24,880

was really cool um stealing

1142

00:47:29,750 --> 00:47:27,040

uh possibly a million or more dollars is

1143

00:47:32,309 --> 00:47:29,760

not very cool and a lot of people don't

1144

00:47:34,150 --> 00:47:32,319

think so either um and so now that

1145

00:47:35,670 --> 00:47:34,160

unfortunately hopefully doesn't

1146

00:47:38,230 --> 00:47:35,680

overshadow the

1147

00:47:41,190 --> 00:47:38,240

fun legend that is the story of this

1148

00:47:43,030 --> 00:47:41,200

aurora crash but i think that what's

1149

00:47:45,270 --> 00:47:43,040

happened in more recent times and i was

1150

00:47:49,349 --> 00:47:45,280

there on the anniversary back in april

1151
00:47:50,150 --> 00:47:49,359
to do um a live stream feed of the site

1152
00:47:51,510 --> 00:47:50,160
and

1153
00:47:53,910 --> 00:47:51,520
going over to the gravesite doing a

1154
00:47:56,390 --> 00:47:53,920
little bit of metal detecting over the

1155
00:47:57,910 --> 00:47:56,400
grave and getting some pings of what

1156
00:47:58,790 --> 00:47:57,920
very well could be some of that mystery

1157
00:48:02,150 --> 00:47:58,800
metal

1158
00:48:03,510 --> 00:48:02,160
and alien body so i think that while

1159
00:48:05,750 --> 00:48:03,520
there may be something there in the

1160
00:48:06,950 --> 00:48:05,760
grave i don't really know what it is and

1161
00:48:08,790 --> 00:48:06,960
while the whole thing may have been

1162
00:48:10,470 --> 00:48:08,800
concocted as a hoax to drive in tourism

1163
00:48:12,390 --> 00:48:10,480

to the town it very well could have been

1164

00:48:14,950 --> 00:48:12,400

something that

1165

00:48:17,990 --> 00:48:14,960

actually happened to be a very real

1166

00:48:19,829 --> 00:48:18,000

crash case from the 1890s and what's

1167

00:48:22,390 --> 00:48:19,839

really interesting is that jim mars

1168

00:48:25,030 --> 00:48:22,400

thought it was as he said and in that

1169

00:48:26,950 --> 00:48:25,040

conference the smoking gun of ufos and

1170

00:48:28,069 --> 00:48:26,960

i'd like to think that that very well is

1171

00:48:29,829 --> 00:48:28,079

the case but

1172

00:48:31,270 --> 00:48:29,839

i'm not too sure and i'd like to say

1173

00:48:32,309 --> 00:48:31,280

that there could be some other ways to

1174

00:48:34,309 --> 00:48:32,319

follow up

1175

00:48:35,990 --> 00:48:34,319

there's the city logo it's still there i

1176

00:48:38,870 --> 00:48:36,000

hope that the city doesn't tear that

1177

00:48:41,109 --> 00:48:38,880

down because of this recent mishap with

1178

00:48:43,270 --> 00:48:41,119

mismanagement but

1179

00:48:46,309 --> 00:48:43,280

my efforts to chronicle the history of

1180

00:48:48,710 --> 00:48:46,319

this are within this publication that

1181

00:48:51,430 --> 00:48:48,720

i've been working on and i'd like to

1182

00:48:53,829 --> 00:48:51,440

share that it's not just showcasing one

1183

00:48:55,270 --> 00:48:53,839

side to say believe it it happened but

1184

00:48:57,190 --> 00:48:55,280

also show that there have been many

1185

00:48:58,870 --> 00:48:57,200

detractors a lot of people have been

1186

00:49:00,150 --> 00:48:58,880

very dismissive of the whole thing from

1187

00:49:01,910 --> 00:49:00,160

the beginning and i think there's good

1188

00:49:03,910 --> 00:49:01,920

reason for that because we have to have

1189

00:49:07,109 --> 00:49:03,920

a degree of skepticism when it comes to

1190

00:49:09,190 --> 00:49:07,119

very sensational stories that otherwise

1191

00:49:09,910 --> 00:49:09,200

you know sound wonderful sound amazing

1192

00:49:11,670 --> 00:49:09,920

but

1193

00:49:13,670 --> 00:49:11,680

aren't necessarily to be i think taken

1194

00:49:15,990 --> 00:49:13,680

at face value because as an investigator

1195

00:49:18,950 --> 00:49:16,000

and as a researcher and reporter we need

1196

00:49:21,109 --> 00:49:18,960

to do better than just to go with or

1197

00:49:23,030 --> 00:49:21,119

take the word for or do whatever you

1198

00:49:25,829 --> 00:49:23,040

know just based on uh something that

1199

00:49:27,670 --> 00:49:25,839

sounds fun or good or believable but

1200

00:49:29,430 --> 00:49:27,680

maybe there are ways to still cooperate

1201
00:49:31,750 --> 00:49:29,440
based upon

1202
00:49:32,950 --> 00:49:31,760
not just the historical testimony

1203
00:49:34,950 --> 00:49:32,960
not just the

1204
00:49:37,430 --> 00:49:34,960
uh trace evidence of metal embedded

1205
00:49:41,829 --> 00:49:37,440
within the crash site not just the

1206
00:49:44,390 --> 00:49:41,839
uh the allegations of the effects by the

1207
00:49:46,630 --> 00:49:44,400
the poisoned or affected water

1208
00:49:48,950 --> 00:49:46,640
from the brawlies uh or the oats family

1209
00:49:51,030 --> 00:49:48,960
broly oats specifically um the

1210
00:49:53,109 --> 00:49:51,040
cooperation of what the city admin said

1211
00:49:55,910 --> 00:49:53,119
was recorded in the minutes of the

1212
00:49:57,270 --> 00:49:55,920
masons of the local lodge i think that

1213
00:49:59,030 --> 00:49:57,280

there are a lot of contributing factors

1214

00:50:00,710 --> 00:49:59,040

that if you took into a court of law you

1215

00:50:02,870 --> 00:50:00,720

could put before a

1216

00:50:04,790 --> 00:50:02,880

a jury and say

1217

00:50:06,150 --> 00:50:04,800

this is a pretty convincing case but

1218

00:50:09,270 --> 00:50:06,160

that doesn't necessarily mean that it'll

1219

00:50:11,270 --> 00:50:09,280

hold up in a a laboratory setting that's

1220

00:50:12,870 --> 00:50:11,280

uh demonstrable so

1221

00:50:14,309 --> 00:50:12,880

some of the metal has been tested over

1222

00:50:16,470 --> 00:50:14,319

the years they found high traces of

1223

00:50:19,430 --> 00:50:16,480

aluminum and zinc which were not

1224

00:50:21,109 --> 00:50:19,440

uh widely available in the 1890s that's

1225

00:50:23,030 --> 00:50:21,119

curious to say the least and if there's

1226

00:50:24,710 --> 00:50:23,040

anything left in that grave would it

1227

00:50:27,109 --> 00:50:24,720

still be testable today i think that

1228

00:50:28,950 --> 00:50:27,119

there could be some non-invasive ways to

1229

00:50:30,870 --> 00:50:28,960

try to figure that out and i'm very

1230

00:50:33,430 --> 00:50:30,880

interested in that it's helped to

1231

00:50:37,109 --> 00:50:33,440

springboard my interest in anthropology

1232

00:50:38,630 --> 00:50:37,119

and archaeology and this sort of

1233

00:50:41,270 --> 00:50:38,640

new study of what we can refer to as

1234

00:50:42,630 --> 00:50:41,280

zinology coming out of the fringe of

1235

00:50:45,270 --> 00:50:42,640

science fiction into more of the

1236

00:50:46,950 --> 00:50:45,280

forefront of actual science you know so

1237

00:50:48,630 --> 00:50:46,960

i think that it's really cool to see

1238

00:50:50,390 --> 00:50:48,640

that as you can see here on this

1239

00:50:52,390 --> 00:50:50,400

historical marker it talks about it says

1240

00:50:54,870 --> 00:50:52,400

this site is also well known because of

1241

00:50:57,589 --> 00:50:54,880

the legend that a spaceship crashed

1242

00:51:00,150 --> 00:50:57,599

nearby in 1897 and the pilot killed in

1243

00:51:02,470 --> 00:51:00,160

the crash was buried here that's right

1244

00:51:04,230 --> 00:51:02,480

there at the rohr cemetery

1245

00:51:05,670 --> 00:51:04,240

anyone can go see it at any time and i

1246

00:51:08,470 --> 00:51:05,680

think that's super cool because it's the

1247

00:51:10,230 --> 00:51:08,480

only historical marker probably um that

1248

00:51:11,990 --> 00:51:10,240

says something about this in this kind

1249

00:51:14,470 --> 00:51:12,000

of context now there are other stories

1250

00:51:16,710 --> 00:51:14,480

that relate to this sort of situation

1251
00:51:18,549 --> 00:51:16,720
the cape girard and these other types of

1252
00:51:20,870 --> 00:51:18,559
alien encounters but

1253
00:51:23,510 --> 00:51:20,880
with how far this predates everything

1254
00:51:26,470 --> 00:51:23,520
and not to mention the curious notion of

1255
00:51:28,630 --> 00:51:26,480
the roswell debris being taken pretty

1256
00:51:31,030 --> 00:51:28,640
much right over into this area of fort

1257
00:51:32,549 --> 00:51:31,040
worth n47

1258
00:51:33,829 --> 00:51:32,559
i find that really an interesting

1259
00:51:36,150 --> 00:51:33,839
connection over

1260
00:51:38,470 --> 00:51:36,160
you know half a century later you have

1261
00:51:40,630 --> 00:51:38,480
another probably the best

1262
00:51:43,190 --> 00:51:40,640
well-known most popular

1263
00:51:45,190 --> 00:51:43,200

ufo and crash case of all of history

1264

00:51:48,630 --> 00:51:45,200

roswell

1265

00:51:51,510 --> 00:51:48,640

to be associated with this aurora story

1266

00:51:53,910 --> 00:51:51,520

because of the proximity of the location

1267

00:51:56,230 --> 00:51:53,920

of which the roswell debris was taken

1268

00:51:58,309 --> 00:51:56,240

before probably uh also being taken up

1269

00:51:59,990 --> 00:51:58,319

to wright patterson and dayton ohio so a

1270

00:52:01,430 --> 00:52:00,000

lot of interesting connections here

1271

00:52:03,990 --> 00:52:01,440

there's so much i think we would still

1272

00:52:07,030 --> 00:52:04,000

learn about what we're looking for by

1273

00:52:09,030 --> 00:52:07,040

way of evidence when it comes to modern

1274

00:52:10,950 --> 00:52:09,040

ufology and our understanding of what

1275

00:52:12,790 --> 00:52:10,960

we're now calling uap in all of these

1276

00:52:14,549 --> 00:52:12,800

things we're trying to find hard

1277

00:52:16,790 --> 00:52:14,559

evidence of mystery metals we're trying

1278

00:52:18,390 --> 00:52:16,800

to find more than just anomalous objects

1279

00:52:20,950 --> 00:52:18,400

in the sky we're trying to understand

1280

00:52:21,750 --> 00:52:20,960

occupants or the intelligence behind

1281

00:52:23,829 --> 00:52:21,760

these

1282

00:52:25,750 --> 00:52:23,839

uh objects and we're trying to find

1283

00:52:28,470 --> 00:52:25,760

maybe a way of communication which

1284

00:52:30,870 --> 00:52:28,480

obviously you know is going to be a a

1285

00:52:32,390 --> 00:52:30,880

really groundbreaking thing for us to

1286

00:52:34,309 --> 00:52:32,400

even come across

1287

00:52:36,069 --> 00:52:34,319

and we're trying to also figure out how

1288

00:52:38,710 --> 00:52:36,079

it relates to our own

1289

00:52:41,109 --> 00:52:38,720

uh history of humanity with all of these

1290

00:52:42,790 --> 00:52:41,119

things we see that embedded within this

1291

00:52:44,309 --> 00:52:42,800

legend and i like to call it a legend

1292

00:52:46,150 --> 00:52:44,319

because essentially that's what it is we

1293

00:52:48,470 --> 00:52:46,160

see all of these different aspects

1294

00:52:50,630 --> 00:52:48,480

embedded within the legend of aurora and

1295

00:52:52,309 --> 00:52:50,640

i find that fascinating so

1296

00:52:55,109 --> 00:52:52,319

that there you have it that's the story

1297

00:52:56,950 --> 00:52:55,119

of the aurora 1897

1298

00:52:58,470 --> 00:52:56,960

case that i think you know has still

1299

00:53:00,069 --> 00:52:58,480

stood the test of time i'm very

1300

00:53:01,990 --> 00:53:00,079

fascinated with it i live nearby and

1301
00:53:03,349 --> 00:53:02,000
it's a fun place to be able to go to see

1302
00:53:05,109 --> 00:53:03,359
the historical marker to see the

1303
00:53:06,630 --> 00:53:05,119
monument and maybe to see if there's

1304
00:53:08,950 --> 00:53:06,640
something that we can still learn that

1305
00:53:11,510 --> 00:53:08,960
can help us with what we're dealing with

1306
00:53:12,829 --> 00:53:11,520
in this uh modern you know outlook that

1307
00:53:15,910 --> 00:53:12,839
we have

1308
00:53:18,230 --> 00:53:15,920
now uh yeah i want to thank nancy

1309
00:53:24,309 --> 00:53:18,240
malcolm in peace for their donations is

1310
00:53:28,230 --> 00:53:26,309
how much how much fact you think is

1311
00:53:29,670 --> 00:53:28,240
involved with the so-called legend do

1312
00:53:31,349 --> 00:53:29,680
you think there there really was

1313
00:53:33,990 --> 00:53:31,359

something that happened

1314

00:53:36,309 --> 00:53:34,000

it may not be exactly what

1315

00:53:38,150 --> 00:53:36,319

this the story is but uh

1316

00:53:44,230 --> 00:53:38,160

do you think there is a possibility that

1317

00:53:48,390 --> 00:53:46,230

i think that the the weight of the

1318

00:53:49,750 --> 00:53:48,400

evidence would indicate that something

1319

00:53:51,750 --> 00:53:49,760

did happen

1320

00:53:53,030 --> 00:53:51,760

in the form of

1321

00:53:54,710 --> 00:53:53,040

metallic

1322

00:53:56,549 --> 00:53:54,720

dispersion

1323

00:53:59,270 --> 00:53:56,559

what i mean specifically by that is that

1324

00:54:01,190 --> 00:53:59,280

the the the investigations that not only

1325

00:54:04,470 --> 00:54:01,200

i have done the minimal work that i've

1326

00:54:07,910 --> 00:54:04,480

done in the field but on the mountains

1327

00:54:10,950 --> 00:54:07,920

uh of of evidence and anecdotes

1328

00:54:13,750 --> 00:54:10,960

discovered by jim mars by john schussler

1329

00:54:15,910 --> 00:54:13,760

by mufon by the international ufo bureau

1330

00:54:17,589 --> 00:54:15,920

by other independent investigators that

1331

00:54:21,109 --> 00:54:17,599

that show

1332

00:54:24,390 --> 00:54:21,119

that not only had there been significant

1333

00:54:27,270 --> 00:54:24,400

eyewitness testimony and an allegation

1334

00:54:30,069 --> 00:54:27,280

as far as something having occurred

1335

00:54:33,190 --> 00:54:30,079

that would indicate an aerial object

1336

00:54:36,230 --> 00:54:33,200

aerial objects one

1337

00:54:38,470 --> 00:54:36,240

crash would be the second

1338

00:54:40,230 --> 00:54:38,480

a collection of debris would be the

1339

00:54:42,870 --> 00:54:40,240

third thing

1340

00:54:44,390 --> 00:54:42,880

uh the the eyewitness testimony for a

1341

00:54:46,470 --> 00:54:44,400

body is very

1342

00:54:49,190 --> 00:54:46,480

difficult to track down but you do have

1343

00:54:51,270 --> 00:54:49,200

testimony about people moving graves and

1344

00:54:52,870 --> 00:54:51,280

burial so that definitely is the case

1345

00:54:54,390 --> 00:54:52,880

that we did find something in the

1346

00:54:56,150 --> 00:54:54,400

gravesite whether there's an alien or

1347

00:54:57,750 --> 00:54:56,160

not we don't know

1348

00:54:59,190 --> 00:54:57,760

someone might but i don't know that we

1349

00:55:00,950 --> 00:54:59,200

do but there definitely seemed to be the

1350

00:55:03,190 --> 00:55:00,960

ground penetrating radar that indicated

1351
00:55:05,190 --> 00:55:03,200
something in the grave you do have this

1352
00:55:06,870 --> 00:55:05,200
recorded in the minutes of the masons

1353
00:55:09,589 --> 00:55:06,880
and the local masonic lodge that's at

1354
00:55:11,670 --> 00:55:09,599
least five good valid points that i

1355
00:55:14,069 --> 00:55:11,680
would say could sit again in a court of

1356
00:55:16,309 --> 00:55:14,079
law and and be outweighed with

1357
00:55:18,870 --> 00:55:16,319
uh the the other issue of it having been

1358
00:55:23,030 --> 00:55:18,880
a hoax i think that something could be

1359
00:55:24,069 --> 00:55:23,040
shown that uh like you said if if it's

1360
00:55:24,870 --> 00:55:24,079
factual

1361
00:55:27,510 --> 00:55:24,880
then

1362
00:55:29,510 --> 00:55:27,520
it's hard to really debate that there

1363
00:55:30,870 --> 00:55:29,520

wasn't a well for instance when we know

1364

00:55:32,470 --> 00:55:30,880

that there is

1365

00:55:34,870 --> 00:55:32,480

some people debated that

1366

00:55:35,750 --> 00:55:34,880

judge proctor never had a will but they

1367

00:55:37,510 --> 00:55:35,760

but

1368

00:55:40,309 --> 00:55:37,520

recent investigations found that there

1369

00:55:42,150 --> 00:55:40,319

was a base for uh or a windmill i should

1370

00:55:44,150 --> 00:55:42,160

say some people say that judge proctor

1371

00:55:46,549 --> 00:55:44,160

never had a windmill well we know that

1372

00:55:47,990 --> 00:55:46,559

that isn't really the case because they

1373

00:55:50,549 --> 00:55:48,000

found the base for what would have been

1374

00:55:51,910 --> 00:55:50,559

a well uh or a windmill connected to a

1375

00:55:53,589 --> 00:55:51,920

well house

1376

00:55:55,910 --> 00:55:53,599

so these are facts

1377

00:55:59,030 --> 00:55:55,920

um and then we know that there was a

1378

00:56:01,670 --> 00:55:59,040

grave site with an unknown marker

1379

00:56:03,510 --> 00:56:01,680

for something that's a fact what's in

1380

00:56:05,990 --> 00:56:03,520

the grave

1381

00:56:08,230 --> 00:56:06,000

it could be an alien if i said an alien

1382

00:56:09,990 --> 00:56:08,240

is in the grave i don't know that that's

1383

00:56:11,990 --> 00:56:10,000

a fact but we do know that something's

1384

00:56:13,910 --> 00:56:12,000

down there um i would say that the

1385

00:56:17,910 --> 00:56:13,920

discovery of

1386

00:56:20,309 --> 00:56:17,920

of of molten or uh hardened

1387

00:56:22,549 --> 00:56:20,319

alloy embedded in the ground and in the

1388

00:56:24,789 --> 00:56:22,559

trees that's a fact

1389

00:56:27,109 --> 00:56:24,799

discovering a high concentration of

1390

00:56:27,990 --> 00:56:27,119

aluminum in this metal that's also a

1391

00:56:28,950 --> 00:56:28,000

fact

1392

00:56:30,470 --> 00:56:28,960

um

1393

00:56:32,710 --> 00:56:30,480

to show that

1394

00:56:34,230 --> 00:56:32,720

the proximity in which

1395

00:56:40,549 --> 00:56:34,240

the

1396

00:56:45,349 --> 00:56:40,559

roswell

1397

00:56:48,069 --> 00:56:45,359

taken extremely nearby

1398

00:56:50,150 --> 00:56:48,079

aurora to the cars wheel

1399

00:56:51,510 --> 00:56:50,160

carswell army airfield

1400

00:56:52,470 --> 00:56:51,520

that's a fact

1401

00:56:53,910 --> 00:56:52,480

um

1402

00:56:56,150 --> 00:56:53,920

and whether there's any strong

1403

00:56:58,069 --> 00:56:56,160

correlation or not not to really just

1404

00:57:00,789 --> 00:56:58,079

seek out confirmation bias with anything

1405

00:57:02,710 --> 00:57:00,799

i i try to find also ways to to throw

1406

00:57:05,030 --> 00:57:02,720

this all out and say it very well could

1407

00:57:06,309 --> 00:57:05,040

have been a hoax um was there an aurora

1408

00:57:07,990 --> 00:57:06,319

newspaper

1409

00:57:09,829 --> 00:57:08,000

that's really hard to track down even

1410

00:57:12,630 --> 00:57:09,839

looking into the historical directors

1411

00:57:14,470 --> 00:57:12,640

there's little to go off of um

1412

00:57:15,750 --> 00:57:14,480

is there are there people who were alive

1413

00:57:17,589 --> 00:57:15,760

at the time who claimed that it did

1414

00:57:19,030 --> 00:57:17,599

happen yes that is a fact are there

1415

00:57:21,030 --> 00:57:19,040

people who were alive at the time who

1416

00:57:23,190 --> 00:57:21,040

claimed it did not happen yes that is

1417

00:57:25,270 --> 00:57:23,200

also a fact that has been documented

1418

00:57:26,870 --> 00:57:25,280

that's an historical record

1419

00:57:30,150 --> 00:57:26,880

these things can be

1420

00:57:32,470 --> 00:57:30,160

shown to i think uh sway opinion and

1421

00:57:35,109 --> 00:57:32,480

that's what i'm trying to not really do

1422

00:57:35,990 --> 00:57:35,119

i'm not really trying to say

1423

00:57:39,270 --> 00:57:36,000

uh

1424

00:57:40,870 --> 00:57:39,280

you know as many people might to say now

1425

00:57:42,230 --> 00:57:40,880

it's up to you to make up your mind

1426
00:57:44,150 --> 00:57:42,240
whether it happened or not i don't think

1427
00:57:45,750 --> 00:57:44,160
that it it works that way i mean if it

1428
00:57:47,829 --> 00:57:45,760
happened didn't happen if it didn't it

1429
00:57:49,910 --> 00:57:47,839
didn't whether you wanted to or not

1430
00:57:52,549 --> 00:57:49,920
obviously not you lon or your listeners

1431
00:57:54,390 --> 00:57:52,559
but anyone i think who kind of gives the

1432
00:57:56,309 --> 00:57:54,400
impression that here's the evidence now

1433
00:57:58,150 --> 00:57:56,319
make up your mind

1434
00:57:59,589 --> 00:57:58,160
that's kind of how a jury works

1435
00:58:01,349 --> 00:57:59,599
unfortunately it's not the same as a

1436
00:58:03,430 --> 00:58:01,359
scientific method

1437
00:58:05,510 --> 00:58:03,440
um and i think that that's really where

1438
00:58:07,910 --> 00:58:05,520

we're challenged is that people say this

1439

00:58:09,990 --> 00:58:07,920

is the real deal oh i believe it i know

1440

00:58:10,950 --> 00:58:10,000

what happens some people they they do

1441

00:58:13,750 --> 00:58:10,960

um

1442

00:58:15,670 --> 00:58:13,760

more metaphysically oriented practices

1443

00:58:17,589 --> 00:58:15,680

in an attempt to gain information who

1444

00:58:19,829 --> 00:58:17,599

claim that this is the real deal some

1445

00:58:21,190 --> 00:58:19,839

people say that no there's no indication

1446

00:58:22,789 --> 00:58:21,200

that because of the

1447

00:58:25,829 --> 00:58:22,799

you know the ways that we can document

1448

00:58:27,990 --> 00:58:25,839

and corroborate stories and claims

1449

00:58:30,390 --> 00:58:28,000

that it shows that this didn't happen so

1450

00:58:32,069 --> 00:58:30,400

i think that unfortunately it's still

1451

00:58:35,349 --> 00:58:32,079

very divided

1452

00:58:36,390 --> 00:58:35,359

um halfway down and i'd like to really

1453

00:58:39,589 --> 00:58:36,400

say that

1454

00:58:41,910 --> 00:58:39,599

with what all we can find and until

1455

00:58:44,150 --> 00:58:41,920

maybe there's a better way to ascertain

1456

00:58:45,750 --> 00:58:44,160

information it'll continue to be a

1457

00:58:47,510 --> 00:58:45,760

legend and i'm not trying to sway

1458

00:58:49,589 --> 00:58:47,520

people's opinion either way because

1459

00:58:51,430 --> 00:58:49,599

that's not going to change the fact that

1460

00:58:54,150 --> 00:58:51,440

whether you believe it or not is going

1461

00:58:55,829 --> 00:58:54,160

to make it having uh you know any more

1462

00:58:57,670 --> 00:58:55,839

evidence or not i think that we just

1463

00:59:00,069 --> 00:58:57,680

have to make sure that however we're

1464

00:59:03,109 --> 00:59:00,079

going about investigating this case

1465

00:59:05,510 --> 00:59:03,119

has to be done from a neutral unbiased

1466

00:59:07,430 --> 00:59:05,520

standpoint and hey as much as i like it

1467

00:59:09,430 --> 00:59:07,440

as much as i have all the memorabilia

1468

00:59:11,910 --> 00:59:09,440

that i can about this

1469

00:59:13,190 --> 00:59:11,920

there's so many books about it um you

1470

00:59:15,430 --> 00:59:13,200

know there are so many different fun

1471

00:59:17,670 --> 00:59:15,440

things about it i think it's awesome i

1472

00:59:19,990 --> 00:59:17,680

like to encourage that but i also have

1473

00:59:21,670 --> 00:59:20,000

to keep that in check with my own

1474

00:59:23,030 --> 00:59:21,680

outlook by saying

1475

00:59:25,589 --> 00:59:23,040

you know we have to be reasonable about

1476

00:59:27,430 --> 00:59:25,599

this there's no reason we should just

1477

00:59:28,789 --> 00:59:27,440

outright believe it again at face value

1478

00:59:30,950 --> 00:59:28,799

but we need to make sure we're doing

1479

00:59:33,190 --> 00:59:30,960

what we can as as researchers as

1480

00:59:35,510 --> 00:59:33,200

investigators and using our discernment

1481

00:59:37,349 --> 00:59:35,520

to make sense of these extraordinary

1482

00:59:38,870 --> 00:59:37,359

claims and as carl sagan said you know

1483

00:59:40,710 --> 00:59:38,880

extraordinary claims require

1484

00:59:41,910 --> 00:59:40,720

extraordinary evidence that's the sagan

1485

00:59:43,670 --> 00:59:41,920

standard and

1486

00:59:46,470 --> 00:59:43,680

you know he was a proponent of

1487

00:59:48,230 --> 00:59:46,480

extraterrestrial life more than probably

1488

00:59:49,990 --> 00:59:48,240

most people in the scientific community

1489

00:59:52,470 --> 00:59:50,000

is definitely the probably the biggest

1490

00:59:54,549 --> 00:59:52,480

proponent and popularizer of these ideas

1491

00:59:56,950 --> 00:59:54,559

even though people are dismissive of him

1492

00:59:58,470 --> 00:59:56,960

and say he was a you know he just

1493

01:00:00,950 --> 00:59:58,480

pooh-poohed it all and all this i think

1494

01:00:02,789 --> 01:00:00,960

that you know okay sure but he made a

1495

01:00:04,390 --> 01:00:02,799

lot of valid points too

1496

01:00:06,710 --> 01:00:04,400

i think that it's important to consider

1497

01:00:08,549 --> 01:00:06,720

that while there's a lot of uh

1498

01:00:12,150 --> 01:00:08,559

dismissing of this

1499

01:00:14,950 --> 01:00:12,160

case as just historical hoaxing

1500

01:00:16,630 --> 01:00:14,960

that's an important part to play in the

1501

01:00:18,630 --> 01:00:16,640

overall history which i'm just trying to

1502

01:00:20,549 --> 01:00:18,640

show that there is a great deal of

1503

01:00:22,470 --> 01:00:20,559

history however you look at it so i'd

1504

01:00:24,230 --> 01:00:22,480

say that there are hard facts

1505

01:00:26,549 --> 01:00:24,240

but anyone that tells you

1506

01:00:29,030 --> 01:00:26,559

that they know for certain that there's

1507

01:00:31,430 --> 01:00:29,040

something down there um i would be wary

1508

01:00:33,510 --> 01:00:31,440

of that and you know i like to entertain

1509

01:00:34,710 --> 01:00:33,520

ideas and be open-minded about things

1510

01:00:36,549 --> 01:00:34,720

but

1511

01:00:38,230 --> 01:00:36,559

probably admittedly being probably the

1512

01:00:41,030 --> 01:00:38,240

closest person to this case at this

1513

01:00:43,589 --> 01:00:41,040

point with uh the involvement that i

1514

01:00:46,789 --> 01:00:43,599

have and and sort of inheriting much of

1515

01:00:48,309 --> 01:00:46,799

jim's work my my buddy the late jim mars

1516

01:00:49,190 --> 01:00:48,319

i really miss him i think about him all

1517

01:00:52,230 --> 01:00:49,200

the time

1518

01:00:54,549 --> 01:00:52,240

i'm glad to see the work that he did uh

1519

01:00:57,030 --> 01:00:54,559

helped to contribute and was meaningful

1520

01:00:59,510 --> 01:00:57,040

enough to make sense of the things that

1521

01:01:00,870 --> 01:00:59,520

i think we can still use today he was he

1522

01:01:03,430 --> 01:01:00,880

had a lot of integrity when it came to

1523

01:01:05,030 --> 01:01:03,440

investigating otherwise very challenging

1524

01:01:06,710 --> 01:01:05,040

situations

1525

01:01:08,470 --> 01:01:06,720

not even ufos but all kinds of things

1526

01:01:09,510 --> 01:01:08,480

and i'm glad to see that he was

1527

01:01:11,670 --> 01:01:09,520

interested

1528

01:01:13,349 --> 01:01:11,680

but not only that he lived nearby and so

1529

01:01:14,549 --> 01:01:13,359

we got to go on several occasions i

1530

01:01:17,030 --> 01:01:14,559

think that there's still something we

1531

01:01:18,950 --> 01:01:17,040

can learn about this case so they're

1532

01:01:21,109 --> 01:01:18,960

definitely facts they're definitely

1533

01:01:22,950 --> 01:01:21,119

sensationalized claims um and there's

1534

01:01:24,870 --> 01:01:22,960

definitely some fun to be had in it too

1535

01:01:27,349 --> 01:01:24,880

i think it's okay to see it in all of

1536

01:01:29,270 --> 01:01:27,359

those ways

1537

01:01:30,789 --> 01:01:29,280

well i tell you i hope you do get more

1538

01:01:31,670 --> 01:01:30,799

information

1539

01:01:33,750 --> 01:01:31,680

uh

1540

01:01:36,069 --> 01:01:33,760

that where you can actually get some

1541

01:01:38,230 --> 01:01:36,079

more evidence and uh

1542

01:01:40,710 --> 01:01:38,240

even though it may be anecdotal i i hope

1543

01:01:41,750 --> 01:01:40,720

you you do find out more and add to the

1544

01:01:42,870 --> 01:01:41,760

story

1545

01:01:44,390 --> 01:01:42,880

um

1546

01:01:47,349 --> 01:01:44,400

how about telling the folks how they get

1547

01:01:50,069 --> 01:01:47,359

in contact with you and uh you know any

1548

01:01:54,549 --> 01:01:50,079

other things you want to tell about your

1549

01:01:59,270 --> 01:01:57,910

yeah uh sure i am really uh you know

1550

01:02:01,589 --> 01:01:59,280

interested in a number of different

1551
01:02:03,990 --> 01:02:01,599
subjects and and areas of interest and

1552
01:02:05,670 --> 01:02:04,000
study that i find

1553
01:02:07,589 --> 01:02:05,680
you know if i can get out in the field

1554
01:02:09,829 --> 01:02:07,599
if i can connect with people like you

1555
01:02:11,990 --> 01:02:09,839
guys and and really just figure out

1556
01:02:13,990 --> 01:02:12,000
what's going on and make the little bit

1557
01:02:16,069 --> 01:02:14,000
of contribution that i can into this

1558
01:02:17,910 --> 01:02:16,079
meaningful work um i do a lot of that

1559
01:02:19,589 --> 01:02:17,920
through my media through my video

1560
01:02:22,470 --> 01:02:19,599
interviews through my on location

1561
01:02:23,430 --> 01:02:22,480
segments and full presentation

1562
01:02:26,230 --> 01:02:23,440
um

1563
01:02:28,069 --> 01:02:26,240

format on the youtube channel the vortex

1564

01:02:31,029 --> 01:02:28,079

as you can see here that's again you can

1565

01:02:33,670 --> 01:02:31,039

just find on youtube and i have a lot of

1566

01:02:35,750 --> 01:02:33,680

ways to get a hold of me on social media

1567

01:02:38,069 --> 01:02:35,760

facebook instagram twitter things like

1568

01:02:39,670 --> 01:02:38,079

that um i'm always interested in finding

1569

01:02:41,190 --> 01:02:39,680

out anything i can about the aurora

1570

01:02:43,829 --> 01:02:41,200

story

1571

01:02:46,230 --> 01:02:43,839

wherever or however it's been

1572

01:02:49,029 --> 01:02:46,240

embedded in any newspaper in any

1573

01:02:53,029 --> 01:02:49,039

magazine and any news article

1574

01:02:55,670 --> 01:02:53,039

and any video any show podcast anything

1575

01:02:57,510 --> 01:02:55,680

here we are at the 125th anniversary

1576

01:02:59,670 --> 01:02:57,520

earlier this year right there at the

1577

01:03:02,950 --> 01:02:59,680

cemetery um i'm interested in hearing

1578

01:03:05,029 --> 01:03:02,960

people's thoughts their theories to also

1579

01:03:08,150 --> 01:03:05,039

include in this work because again it's

1580

01:03:10,230 --> 01:03:08,160

a chronology i am just chronicling all

1581

01:03:12,950 --> 01:03:10,240

the ways that this story has been shown

1582

01:03:15,029 --> 01:03:12,960

to be of interest um in any form of

1583

01:03:18,150 --> 01:03:15,039

media and obviously

1584

01:03:21,029 --> 01:03:18,160

that has uh become more and more

1585

01:03:23,349 --> 01:03:21,039

exponential in the last decade i mean we

1586

01:03:24,390 --> 01:03:23,359

we had a great time

1587

01:03:35,589 --> 01:03:24,400

in

1588

01:03:37,270 --> 01:03:35,599

and so it's more widespread than ever

1589

01:03:40,309 --> 01:03:37,280

and so i'm trying to do what i can to

1590

01:03:42,870 --> 01:03:40,319

include every way that that's been

1591

01:03:44,950 --> 01:03:42,880

shared and embedded into pop culture and

1592

01:03:47,910 --> 01:03:44,960

everything and even shows like this and

1593

01:03:49,910 --> 01:03:47,920

this one specifically will be included

1594

01:03:51,270 --> 01:03:49,920

in that publication so you know i think

1595

01:03:52,789 --> 01:03:51,280

that for anyone who's interested in

1596

01:03:54,950 --> 01:03:52,799

continuing the discussion

1597

01:03:57,109 --> 01:03:54,960

i'm very accessible and very easy to get

1598

01:03:58,630 --> 01:03:57,119

a hold of there's the artwork i threw

1599

01:04:01,109 --> 01:03:58,640

together as i mentioned at the beginning

1600

01:04:03,910 --> 01:04:01,119

uh very much inspired by the the realism

1601
01:04:05,349 --> 01:04:03,920
of the artwork of sam sheeran and

1602
01:04:06,470 --> 01:04:05,359
and many others that i think are a lot

1603
01:04:08,470 --> 01:04:06,480
of fun so it's supposed to be very

1604
01:04:10,710 --> 01:04:08,480
dramatic you can see the crashing of the

1605
01:04:12,950 --> 01:04:10,720
cylindrical cigar-shaped object into the

1606
01:04:15,910 --> 01:04:12,960
windmill with the water tower and the

1607
01:04:18,470 --> 01:04:15,920
well there's ned the alien in pieces

1608
01:04:20,390 --> 01:04:18,480
he's exploding you can see his papers

1609
01:04:22,069 --> 01:04:20,400
with the strange writings

1610
01:04:24,789 --> 01:04:22,079
and you know i just wanted to make it a

1611
01:04:25,990 --> 01:04:24,799
very dramatic over-the-top depiction um

1612
01:04:27,990 --> 01:04:26,000
you know because to me that's that's

1613
01:04:29,750 --> 01:04:28,000

cool i like artwork it's fun but it's

1614

01:04:31,750 --> 01:04:29,760

also sort of uh you know just supposed

1615

01:04:34,230 --> 01:04:31,760

to be based upon

1616

01:04:36,470 --> 01:04:34,240

the claims within the legend itself so

1617

01:04:37,829 --> 01:04:36,480

i'd be glad to connect with anyone on

1618

01:04:40,549 --> 01:04:37,839

whatever it is that they're interested

1619

01:04:42,630 --> 01:04:40,559

in i have a lot of other areas that i

1620

01:04:43,910 --> 01:04:42,640

try to focus on as well just like you

1621

01:04:45,990 --> 01:04:43,920

guys cover a number of interesting

1622

01:04:48,069 --> 01:04:46,000

topics i do what i can to kind of keep

1623

01:04:49,589 --> 01:04:48,079

up with all of that too and i'm involved

1624

01:04:51,190 --> 01:04:49,599

with a lot of events and i think it's a

1625

01:04:53,589 --> 01:04:51,200

great way for people to connect together

1626

01:04:55,270 --> 01:04:53,599

with other like-minded people to network

1627

01:04:56,950 --> 01:04:55,280

to share their thoughts and you know you

1628

01:04:59,190 --> 01:04:56,960

guys are doing a great job of providing

1629

01:05:01,190 --> 01:04:59,200

a supportive network for people to share

1630

01:05:03,190 --> 01:05:01,200

otherwise extremely what most people

1631

01:05:06,390 --> 01:05:03,200

would call like a bizarre encounter of

1632

01:05:08,950 --> 01:05:06,400

some sort so i'm thankful that you uh

1633

01:05:11,349 --> 01:05:08,960

you lon and uh vincent and you know

1634

01:05:13,829 --> 01:05:11,359

everyone that's a part of the team here

1635

01:05:16,789 --> 01:05:13,839

listening and just being able to kind of

1636

01:05:19,109 --> 01:05:16,799

keep this going in a way that i think uh

1637

01:05:20,630 --> 01:05:19,119

is a great job and so i definitely

1638

01:05:22,630 --> 01:05:20,640

commend you guys for keeping up the good

1639

01:05:24,470 --> 01:05:22,640

work and uh you know i hope to be able

1640

01:05:25,349 --> 01:05:24,480

to just continue to do the little that i

1641

01:05:27,910 --> 01:05:25,359

can

1642

01:05:30,549 --> 01:05:27,920

um to you know be involved in and so i'm

1643

01:05:31,589 --> 01:05:30,559

just uh i'm i'm glad to to be around and

1644

01:05:33,910 --> 01:05:31,599

you know it's just it's always a good

1645

01:05:36,390 --> 01:05:33,920

time so really appreciate your uh

1646

01:05:37,990 --> 01:05:36,400

inviting me onto the show

1647

01:05:39,430 --> 01:05:38,000

well daniel's great having you on here

1648

01:05:41,589 --> 01:05:39,440

and i appreciate you coming on and

1649

01:05:43,750 --> 01:05:41,599

telling us about this legend

1650

01:05:46,950 --> 01:05:43,760

and uh we'll have to have you come back

1651

01:05:48,630 --> 01:05:46,960

again uh and see if you

1652

01:05:52,069 --> 01:05:48,640

uh talk about some of your other

1653

01:05:53,430 --> 01:05:52,079

adventures and uh investigations

1654

01:05:55,589 --> 01:05:53,440

and uh

1655

01:06:01,029 --> 01:05:55,599

yeah so you have a good weekend and

1656

01:06:05,750 --> 01:06:04,549

sounds great same with you guys and

1657

01:06:12,870 --> 01:06:05,760

we'll see you

1658

01:06:15,750 --> 01:06:14,309

uh now if you have an unexplained

1659

01:06:17,190 --> 01:06:15,760

encounter or something feel free to

1660
