monsters

00:00:20,870 --> 00:00:19,680

win

6  
00:00:26,710 --> 00:00:24,160

00:00:36,790 --> 00:00:34,800

and existence of cryptids in the

11  
00:00:40,150 --> 00:00:36,800

13  
00:00:44,709 --> 00:00:42,480

and accepted boundaries

chestnut ridge report

44

00:02:04,310 --> 00:02:01,680

uh this is something he's been working

45

00:02:05,749 --> 00:02:04,320

on the past couple months so i i figured

46

00:02:07,670 --> 00:02:05,759

i'd bring him in here since we got the

47

00:02:09,910 --> 00:02:07,680

pennsylvania crowd in here

48

00:02:11,350 --> 00:02:09,920

00:02:13,910 --> 00:02:11,360

going on

50

00:02:15,990 --> 00:02:13,920

114

00:04:37,430 --> 00:04:36,000

i appreciate you all coming in tonight

115

00:04:39,350 --> 00:04:37,440

oh thank you

116

00:04:40,390 --> 00:04:39,360

thanks for having me i want to be here

117

00:04:43,189 --> 00:04:40,400

one

118

00:04:46,310 --> 00:04:43,199

so first of all i i'm going to have eric

119

00:04:49,189 --> 00:04:46,320

give his report now

120

00:04:51,670 --> 00:04:49,199

he has been investigating

121

00:04:53,749 --> 00:04:51,680

some strange going-ons in chestnut ridge

122

00:04:57,670 --> 00:04:53,759

which for the chestnut ridge that's kind

123

00:04:59,670 --> 00:04:57,680

of part and parcel over there uh but uh

124

00:05:01,830 --> 00:04:59,680

he made me aware of what's been going

125

00:05:04,070 --> 00:05:01,840

over there back in april and he's been

126

00:05:06,790 --> 00:05:04,080

continuing on so i'll go ahead and let

127

00:05:08,710 --> 00:05:06,800

eric come forward and and tell us what

128

00:05:10,469 --> 00:05:08,720

he has discovered over there

129

00:05:16,629 --> 00:05:10,479

and some of the phenomena associated

130

00:05:16,639 --> 00:05:21,029

go ahead eric

131

00:05:25,510 --> 00:05:22,870

okay to start off for people who don't

132

00:05:27,350 --> 00:05:25,520

know what the chestnut ridge is um it is

133

00:05:29,350 --> 00:05:27,360

uh part of the

134

00:05:31,270 --> 00:05:29,360

western allegheny mountain range

135

00:05:33,430 --> 00:05:31,280

also known as the laurel highlands and

136

00:05:35,270 --> 00:05:33,440

it's the furthest western ridge

137

00:05:37,670 --> 00:05:35,280

of the allegheny mountain range in

138

00:05:39,590 --> 00:05:37,680

southwestern pennsylvania it runs from

139

00:05:42,390 --> 00:05:39,600

southern indiana county

140

00:05:44,390 --> 00:05:42,400

southwest in through westmoreland county

141

00:05:46,469 --> 00:05:44,400

down through fayette county and comes to

142

00:05:50,950 --> 00:05:46,479

a rest in the foothills near morgantown

143

00:05:54,310 --> 00:05:50,960

west virginia it's about 75 miles long

144

00:05:57,270 --> 00:05:54,320

it probably has close to 70 000 acreage

145

00:06:00,629 --> 00:05:57,280

of forests and wildlands and it covers

146

00:06:02,070 --> 00:06:00,639

such towns as blairsville latrobe

147

00:06:06,469 --> 00:06:02,080

um

148

00:06:07,909 --> 00:06:06,479

mount pleasant

149

00:06:10,150 --> 00:06:07,919

um

150

00:06:11,990 --> 00:06:10,160

uniontown connellsville just to name a

151

00:06:13,749 --> 00:06:12,000

few of the cities the major cities and

152

00:06:17,909 --> 00:06:13,759

towns that it runs through

153

00:06:19,350 --> 00:06:17,919

um it has a long um historic history of

154

00:06:22,070 --> 00:06:19,360

all types of paranormal phenomena

155

00:06:24,230 --> 00:06:22,080

whether it be ufo sightings

156

00:06:25,749 --> 00:06:24,240

haunted locations

157

00:06:27,749 --> 00:06:25,759

a variety of different cryptids have

158

00:06:29,590 --> 00:06:27,759

been seen and reported

159

00:06:30,790 --> 00:06:29,600

there have been a number of dogman

160

00:06:32,629 --> 00:06:30,800

sightings that encounters throughout the

161

00:06:35,510 --> 00:06:32,639

ridge over the years

162

00:06:38,150 --> 00:06:35,520

bigfoot has been the uh main crypt

163

00:06:41,110 --> 00:06:38,160

that's been cited in the ridge for

164

00:06:42,870 --> 00:06:41,120

centuries um i have documented cases

165

00:06:44,550 --> 00:06:42,880

newspaper reports that date back to the

166

00:06:47,189 --> 00:06:44,560

late 1800s

167

00:06:49,430 --> 00:06:47,199

so my fascination with the ridge itself

168

00:06:51,589 --> 00:06:49,440

has gone back for decades and i've been

169

00:06:53,589 --> 00:06:51,599

studying stan gordon's work and paul

170

00:06:55,990 --> 00:06:53,599

johnson's work in the ridge going back

171

00:06:57,909 --> 00:06:56,000

to the 70s they've been probably the key

172

00:06:59,670 --> 00:06:57,919

researchers in the ridge

173

00:07:01,749 --> 00:06:59,680

dating that far back

174

00:07:04,710 --> 00:07:01,759

and they've investigated

175

00:07:06,550 --> 00:07:04,720

hundreds if not thousands of ufo reports

176

00:07:08,230 --> 00:07:06,560

and sightings and claims

177

00:07:09,589 --> 00:07:08,240

hundreds of bigfoot sightings and claims

178

00:07:11,270 --> 00:07:09,599

up in that area

179

00:07:12,550 --> 00:07:11,280

our good friend ron murphy who's with us

180

00:07:13,990 --> 00:07:12,560

tonight has written a book about the

181

00:07:16,629 --> 00:07:14,000

chestnut ridge

182

00:07:18,469 --> 00:07:16,639

so it's a pretty well known area in

183

00:07:19,909 --> 00:07:18,479

southwestern pennsylvania for a variety

184

00:07:21,510 --> 00:07:19,919

of phenomena

185

00:07:23,029 --> 00:07:21,520

and as i said i've been investigating

186

00:07:25,029 --> 00:07:23,039

this area for a while i've become very

187

00:07:27,350 --> 00:07:25,039

familiar with the variety of phenomenon

188

00:07:29,029 --> 00:07:27,360

that goes on up there i've looked into a

189

00:07:30,790 --> 00:07:29,039

variety of different claims on different

190

00:07:33,670 --> 00:07:30,800

paranormal subjects

191

00:07:35,909 --> 00:07:33,680

and um this most recent

192

00:07:36,950 --> 00:07:35,919

spout of activity if you want to call it

193

00:07:38,710 --> 00:07:36,960

that or

194

00:07:41,189 --> 00:07:38,720

flap of activity

195

00:07:43,189 --> 00:07:41,199

actually started last year in may of

196

00:07:45,990 --> 00:07:43,199

2021

197

00:07:48,230 --> 00:07:46,000

in indian head pennsylvania where an

198

00:07:51,589 --> 00:07:48,240

ambulance crew was driving down route

199

00:07:54,390 --> 00:07:51,599

711 at night about midnight and had what

200

00:07:56,230 --> 00:07:54,400

they claimed was a very tall

201  
00:07:58,309 --> 00:07:56,240  
dark-haired covered creature

202  
00:07:59,589 --> 00:07:58,319  
run across the roadway in front of their

203  
00:08:01,510 --> 00:07:59,599  
ambulance

204  
00:08:03,909 --> 00:08:01,520  
took about three steps across an eight

205  
00:08:05,430 --> 00:08:03,919  
foot wide road ran up an embankment and

206  
00:08:07,350 --> 00:08:05,440  
disappeared into the forest on the right

207  
00:08:08,469 --> 00:08:07,360  
side of the roadway

208  
00:08:10,309 --> 00:08:08,479  
i got the

209  
00:08:13,110 --> 00:08:10,319  
facebook message from one of the

210  
00:08:14,629 --> 00:08:13,120  
ambulance crew members i was down there

211  
00:08:16,869 --> 00:08:14,639  
the next morning probably about eight

212  
00:08:18,469 --> 00:08:16,879  
o'clock in the morning to investigate

213  
00:08:19,510 --> 00:08:18,479

we did find some large impressions in

214

00:08:21,749 --> 00:08:19,520

the ground

215

00:08:23,749 --> 00:08:21,759

but that's all we really found no other

216

00:08:26,070 --> 00:08:23,759

conclusive proof but their story and

217

00:08:28,390 --> 00:08:26,080

their testimony was quite compelling and

218

00:08:29,990 --> 00:08:28,400

i was convinced they saw something

219

00:08:32,310 --> 00:08:30,000

i know one of the

220

00:08:34,149 --> 00:08:32,320

ambulance personnel very well

221

00:08:37,190 --> 00:08:34,159

and i know that she's extremely credible

222

00:08:38,790 --> 00:08:37,200

so i took the case very seriously

223

00:08:40,389 --> 00:08:38,800

from that point forward we began to

224

00:08:43,990 --> 00:08:40,399

monitor the area because i know of the

225

00:08:46,150 --> 00:08:44,000

history of activity in the area not just

226

00:08:47,670 --> 00:08:46,160

of bigfoot sightings but as i mentioned

227

00:08:49,269 --> 00:08:47,680

all the other phenomena going on in the

228

00:08:51,110 --> 00:08:49,279

area so we began to monitor this area

229

00:08:53,350 --> 00:08:51,120

pretty closely

230

00:08:55,590 --> 00:08:53,360

jump forward about

231

00:08:56,630 --> 00:08:55,600

nine months into march

232

00:08:58,470 --> 00:08:56,640

and

233

00:09:00,470 --> 00:08:58,480

i was contacted by

234

00:09:02,310 --> 00:09:00,480

the same person who had a sighting back

235

00:09:04,150 --> 00:09:02,320

in may of 2021

236

00:09:06,829 --> 00:09:04,160

and she informed me that on a break

237

00:09:10,310 --> 00:09:06,839

outside the fire department about 3

238

00:09:12,150 --> 00:09:10,320

a.m on a saturday night she had heard on

239

00:09:13,910 --> 00:09:12,160

a forested wooded hillside across from

240

00:09:15,990 --> 00:09:13,920

the fire department something was

241

00:09:16,870 --> 00:09:16,000

whistling very loudly

242

00:09:18,630 --> 00:09:16,880

and

243

00:09:21,030 --> 00:09:18,640

my first question of course was is it

244

00:09:23,190 --> 00:09:21,040

possible it was a screech owl or a bard

245

00:09:24,630 --> 00:09:23,200

owl or something like that and she's

246

00:09:27,430 --> 00:09:24,640

very familiar with the outdoors she said

247

00:09:28,389 --> 00:09:27,440

she'd heard nothing like it ever before

248

00:09:30,550 --> 00:09:28,399

so

249

00:09:32,630 --> 00:09:30,560

um the following night i believe it was

250

00:09:33,990 --> 00:09:32,640

a sunday night that she heard something

251

00:09:37,110 --> 00:09:34,000

up on the same hillside that was

252

00:09:39,030 --> 00:09:37,120

screaming very high pitched female

253

00:09:41,190 --> 00:09:39,040

terror or female being murdered type of

254

00:09:43,750 --> 00:09:41,200

stream as she described it

255

00:09:45,670 --> 00:09:43,760

so with these kind of audible reports

256

00:09:47,590 --> 00:09:45,680

coming in i decided to go down to the

257

00:09:48,870 --> 00:09:47,600

fire department meet her in person have

258

00:09:51,910 --> 00:09:48,880

her show me

259

00:09:53,190 --> 00:09:51,920

the area the sounds were coming from and

260

00:09:55,030 --> 00:09:53,200

she agreed

261

00:09:56,550 --> 00:09:55,040

and her and her husband agreed to take

262

00:09:58,230 --> 00:09:56,560

me up into that forested area at the

263

00:09:59,590 --> 00:09:58,240

hillside above the fire department to

264

00:10:00,550 --> 00:09:59,600

show me around

265

00:10:03,350 --> 00:10:00,560

so

266

00:10:04,790 --> 00:10:03,360

this was late march we we took a drive

267

00:10:07,910 --> 00:10:04,800

up into some of these back mountainous

268

00:10:10,550 --> 00:10:07,920

roadways up in this area to investigate

269

00:10:12,150 --> 00:10:10,560

and our first trip up there we really

270

00:10:13,269 --> 00:10:12,160

didn't expect anything to happen we

271

00:10:15,509 --> 00:10:13,279

thought we'd just drive around these

272

00:10:17,509 --> 00:10:15,519

back dirt roads this mountain gravel

273

00:10:20,230 --> 00:10:17,519

muddy roads and just to get a look at

274

00:10:21,670 --> 00:10:20,240

the area and and see if we could maybe

275

00:10:23,110 --> 00:10:21,680

make some sense of what these sounds

276  
00:10:24,630 --> 00:10:23,120  
were possibly

277  
00:10:26,710 --> 00:10:24,640  
find a

278  
00:10:28,389 --> 00:10:26,720  
rational logical source for the animal

279  
00:10:31,269 --> 00:10:28,399  
sounds that she was hearing

280  
00:10:33,110 --> 00:10:31,279  
well as we were coming up this uh

281  
00:10:35,430 --> 00:10:33,120  
knoll we dropped down into the knolls we

282  
00:10:36,710 --> 00:10:35,440  
were coming up the other side of it uh

283  
00:10:38,790 --> 00:10:36,720  
her and her husband were driving the

284  
00:10:40,710 --> 00:10:38,800  
jeep in front of my pickup truck

285  
00:10:42,470 --> 00:10:40,720  
and i had tom mihawk in the truck with

286  
00:10:44,550 --> 00:10:42,480  
me he's one of my research partners and

287  
00:10:46,550 --> 00:10:44,560  
my son sitting in the back seat

288  
00:10:48,150 --> 00:10:46,560

and the jeep in front of us came to an

289

00:10:48,949 --> 00:10:48,160

abrupt halt

290

00:10:53,750 --> 00:10:48,959

and

291

00:10:54,710 --> 00:10:53,760

me that

292

00:10:56,710 --> 00:10:54,720

um

293

00:10:58,389 --> 00:10:56,720

she had seen something very large and

294

00:10:59,990 --> 00:10:58,399

black started across the road in front

295

00:11:01,430 --> 00:11:00,000

of the vehicle so quickly that she

296

00:11:03,110 --> 00:11:01,440

didn't get a good enough look at it but

297

00:11:04,230 --> 00:11:03,120

she saw something definitely run across

298

00:11:05,910 --> 00:11:04,240

the road

299

00:11:07,430 --> 00:11:05,920

so at that point we all decided to jump

300

00:11:09,829 --> 00:11:07,440

out of the vehicle i grabbed my thermal

301  
00:11:11,269 --> 00:11:09,839  
flare decided to investigate and see

302  
00:11:12,790 --> 00:11:11,279  
what we could see

303  
00:11:14,470 --> 00:11:12,800  
and as we're looking on the right side

304  
00:11:15,670 --> 00:11:14,480  
of the road in the direction of this

305  
00:11:17,430 --> 00:11:15,680  
animal went

306  
00:11:20,710 --> 00:11:17,440  
um we were seeing a heat signature in

307  
00:11:21,990 --> 00:11:20,720  
the forest about 50 to 75 yards down the

308  
00:11:23,030 --> 00:11:22,000  
hill in the forest but we couldn't

309  
00:11:25,110 --> 00:11:23,040  
really tell what it was it looked

310  
00:11:26,389 --> 00:11:25,120  
stationary i personally thought it was a

311  
00:11:28,470 --> 00:11:26,399  
rock they thought it might have been a

312  
00:11:30,150 --> 00:11:28,480  
deer that kind of hunkered down but

313  
00:11:32,230 --> 00:11:30,160

we're watching this animal

314

00:11:34,790 --> 00:11:32,240

and i mentioned to tom i said go back in

315

00:11:36,310 --> 00:11:34,800

the back of my pickup truck and get um

316

00:11:37,509 --> 00:11:36,320

an axe handle out we're gonna try some

317

00:11:39,590 --> 00:11:37,519

wood knocks

318

00:11:41,110 --> 00:11:39,600

so tom was in the back of my pickup

319

00:11:43,269 --> 00:11:41,120

truck digging around looking for an ax

320

00:11:45,750 --> 00:11:43,279

handle while he was in there

321

00:11:47,750 --> 00:11:45,760

within maybe 15 to 20 feet on the

322

00:11:49,910 --> 00:11:47,760

opposite side of the road behind my

323

00:11:50,949 --> 00:11:49,920

pickup truck we heard a very loud wood

324

00:11:53,030 --> 00:11:50,959

knock

325

00:11:55,269 --> 00:11:53,040

and we all stopped and looked thinking

326

00:11:57,430 --> 00:11:55,279

it was tom with that axe handle i sent

327

00:11:59,350 --> 00:11:57,440

him to get doing that wood knock

328

00:12:00,949 --> 00:11:59,360

and here tom is still digging around the

329

00:12:02,069 --> 00:12:00,959

back of my pickup truck looking for the

330

00:12:03,670 --> 00:12:02,079

axe handle

331

00:12:05,110 --> 00:12:03,680

so we knew it wasn't him

332

00:12:06,949 --> 00:12:05,120

so our attention turned from the right

333

00:12:08,790 --> 00:12:06,959

side of the road to the opposite side of

334

00:12:10,790 --> 00:12:08,800

the left side of the road and i began to

335

00:12:13,670 --> 00:12:10,800

scan with a thermal flare

336

00:12:15,509 --> 00:12:13,680

and um the five of us uh

337

00:12:17,750 --> 00:12:15,519

the woman her husband

338

00:12:19,190 --> 00:12:17,760

my son myself

339

00:12:20,550 --> 00:12:19,200

um

340

00:12:22,230 --> 00:12:20,560

tom we were all looking across the

341

00:12:24,550 --> 00:12:22,240

roadway we could hear something walking

342

00:12:27,030 --> 00:12:24,560

around we could hear footfalls

343

00:12:29,269 --> 00:12:27,040

they're branches breaking at times very

344

00:12:31,590 --> 00:12:29,279

large branches breaking we can never see

345

00:12:33,829 --> 00:12:31,600

the heat source and as you guys know in

346

00:12:36,629 --> 00:12:33,839

march there's not any foliage on the

347

00:12:38,310 --> 00:12:36,639

trees everything is still pretty barren

348

00:12:39,990 --> 00:12:38,320

we should be able to see we were seeing

349

00:12:40,870 --> 00:12:40,000

with with the naked eye and flashlights

350

00:12:42,949 --> 00:12:40,880

a good

351

00:12:44,230 --> 00:12:42,959

75 to 100 yards into the trees but with

352

00:12:47,030 --> 00:12:44,240

thermal flare we should have seen

353

00:12:48,710 --> 00:12:47,040

something but we weren't seeing anything

354

00:12:50,550 --> 00:12:48,720

so after about 15 to 20 minutes of

355

00:12:52,629 --> 00:12:50,560

looking and not seeing anything and the

356

00:12:54,949 --> 00:12:52,639

noises quieted down we decided to

357

00:12:56,470 --> 00:12:54,959

proceed on this dirt road and continue

358

00:12:59,030 --> 00:12:56,480

on our journey

359

00:13:01,110 --> 00:12:59,040

we drove about probably 300 yards up the

360

00:13:03,269 --> 00:13:01,120

road and once again the jeep came to an

361

00:13:04,310 --> 00:13:03,279

abrupt stop

362

00:13:05,670 --> 00:13:04,320

and

363

00:13:06,470 --> 00:13:05,680

within four or five minutes we thought

364

00:13:09,110 --> 00:13:06,480

maybe

365

00:13:11,110 --> 00:13:09,120

they saw something again um however the

366

00:13:13,190 --> 00:13:11,120

husband got out and came back

367

00:13:14,710 --> 00:13:13,200

and said at this point um there was

368

00:13:15,670 --> 00:13:14,720

something on the right side of the road

369

00:13:16,870 --> 00:13:15,680

that caught

370

00:13:18,710 --> 00:13:16,880

um

371

00:13:21,190 --> 00:13:18,720

his wife's attention she saw a bright

372

00:13:23,750 --> 00:13:21,200

flash in the forest like a bright white

373

00:13:27,269 --> 00:13:23,760

light that shrunk down to the size of

374

00:13:29,030 --> 00:13:27,279

what she described as a firefly

375

00:13:31,670 --> 00:13:29,040

maybe smaller but it didn't look like a

376

00:13:33,269 --> 00:13:31,680

firefly it stayed solid lit it floated

377

00:13:34,870 --> 00:13:33,279

through the trees for several feet and

378

00:13:36,710 --> 00:13:34,880

then disappeared

379

00:13:38,470 --> 00:13:36,720

and shortly after that she heard very

380

00:13:39,990 --> 00:13:38,480

heavy footballs come they both heard

381

00:13:41,430 --> 00:13:40,000

very heavy footballs come running at

382

00:13:43,670 --> 00:13:41,440

their jeep

383

00:13:44,710 --> 00:13:43,680

and they kind of panicked

384

00:13:45,990 --> 00:13:44,720

uh they didn't know what to do and

385

00:13:48,389 --> 00:13:46,000

that's when he jumped out and came back

386

00:13:50,069 --> 00:13:48,399

to us to report what they heard

387

00:13:51,430 --> 00:13:50,079

um we didn't hear the any of this

388

00:13:53,590 --> 00:13:51,440

commotion we didn't see the bright

389

00:13:54,550 --> 00:13:53,600

flashlight we didn't see the

390

00:13:57,189 --> 00:13:54,560

small

391

00:13:58,870 --> 00:13:57,199

whatever greenish yellow light they saw

392

00:14:01,910 --> 00:13:58,880

we didn't hear the footballs we saw him

393

00:14:03,350 --> 00:14:01,920

come back he reported what he had heard

394

00:14:05,350 --> 00:14:03,360

and we decided okay well let's wait a

395

00:14:06,949 --> 00:14:05,360

few minutes to see if anything happens

396

00:14:09,670 --> 00:14:06,959

nothing happened so we decided to move

397

00:14:12,550 --> 00:14:09,680

on and as he started to proceed to drive

398

00:14:14,150 --> 00:14:12,560

away he stopped again for the third time

399

00:14:15,990 --> 00:14:14,160

got out came back and reported to me

400

00:14:17,269 --> 00:14:16,000

that something in the woods on the left

401  
00:14:19,670 --> 00:14:17,279  
side of the road

402  
00:14:21,910 --> 00:14:19,680  
threw something and hit his driver's

403  
00:14:24,310 --> 00:14:21,920  
side of the truck about shoulder length

404  
00:14:26,470 --> 00:14:24,320  
on the the driver's side door

405  
00:14:28,310 --> 00:14:26,480  
he got out to look and there was no

406  
00:14:30,310 --> 00:14:28,320  
damage to the vehicle he did find a

407  
00:14:31,910 --> 00:14:30,320  
piece of wood laying on the roadway next

408  
00:14:34,150 --> 00:14:31,920  
to the truck but he wasn't sure if that

409  
00:14:35,829 --> 00:14:34,160  
was what caused the thump that he had

410  
00:14:38,150 --> 00:14:35,839  
heard on the side of the truck

411  
00:14:39,829 --> 00:14:38,160  
so it was a pretty eventful night that

412  
00:14:42,230 --> 00:14:39,839  
first night in march

413  
00:14:44,949 --> 00:14:42,240

we can't say what happened during that

414

00:14:46,949 --> 00:14:44,959

good maybe half an hour 45 minute

415

00:14:49,430 --> 00:14:46,959

time frame but we definitely heard a

416

00:14:50,870 --> 00:14:49,440

wood knock we saw some kind of heat

417

00:14:53,110 --> 00:14:50,880

signature in the woods

418

00:14:55,350 --> 00:14:53,120

um the woman in the jeep saw something

419

00:14:56,389 --> 00:14:55,360

black and very quick dart in front of

420

00:14:58,470 --> 00:14:56,399

the vehicle

421

00:15:00,150 --> 00:14:58,480

she saw a bright white

422

00:15:02,310 --> 00:15:00,160

light flash in the trees on the right

423

00:15:05,030 --> 00:15:02,320

side of the road that shrunk down to the

424

00:15:07,430 --> 00:15:05,040

size of i guess you call it a green or

425

00:15:08,949 --> 00:15:07,440

yellowish firefight type light that

426

00:15:10,629 --> 00:15:08,959

eventually vanished

427

00:15:12,629 --> 00:15:10,639

we heard footfalls we heard branches

428

00:15:13,750 --> 00:15:12,639

breaking and something was thrown at the

429

00:15:15,829 --> 00:15:13,760

jeep

430

00:15:17,829 --> 00:15:15,839

so it was it was very intriguing to me

431

00:15:19,430 --> 00:15:17,839

at least enough to make me want to come

432

00:15:21,350 --> 00:15:19,440

back and continue to look at this area

433

00:15:22,629 --> 00:15:21,360

and see if there's a cause for any of

434

00:15:24,629 --> 00:15:22,639

this

435

00:15:26,150 --> 00:15:24,639

so after we explored the area for a

436

00:15:27,910 --> 00:15:26,160

little bit more we decided to continue

437

00:15:29,269 --> 00:15:27,920

on nothing else event will happen that

438

00:15:31,910 --> 00:15:29,279

night

439

00:15:33,430 --> 00:15:31,920

we agreed to come back in late march and

440

00:15:35,829 --> 00:15:33,440

we did

441

00:15:37,430 --> 00:15:35,839

when we came back um we were up there

442

00:15:38,550 --> 00:15:37,440

probably this was our second or third

443

00:15:40,470 --> 00:15:38,560

visit

444

00:15:42,790 --> 00:15:40,480

we heard some wood knocks we heard some

445

00:15:45,269 --> 00:15:42,800

distant howls in the forest a couple of

446

00:15:47,269 --> 00:15:45,279

high-pitched whoop sounds very primate

447

00:15:49,189 --> 00:15:47,279

sounding whoop sounds which were even

448

00:15:50,790 --> 00:15:49,199

more intriguing because there's

449

00:15:53,189 --> 00:15:50,800

indications there was something up there

450

00:15:55,670 --> 00:15:53,199

moving around these are all

451  
00:15:57,910 --> 00:15:55,680  
commonly reported sounds of bigfoot and

452  
00:15:59,670 --> 00:15:57,920  
commonly reported bigfoot activities so

453  
00:16:01,350 --> 00:15:59,680  
there's something up there that's

454  
00:16:04,230 --> 00:16:01,360  
drawing our attention

455  
00:16:07,430 --> 00:16:04,240  
so we continue to monitor this area

456  
00:16:09,990 --> 00:16:07,440  
and um it was probably in

457  
00:16:12,230 --> 00:16:10,000  
i want to say maybe mid april that we

458  
00:16:15,590 --> 00:16:12,240  
brought in a film crew that's filming a

459  
00:16:18,230 --> 00:16:15,600  
documentary on the ridge and uh at that

460  
00:16:21,829 --> 00:16:18,240  
point in time we brought ron murphy in

461  
00:16:24,470 --> 00:16:21,839  
um myself we had the film crew with us

462  
00:16:26,310 --> 00:16:24,480  
um tom mihawk was with us the husband

463  
00:16:28,550 --> 00:16:26,320

and wife couple who were with us

464

00:16:29,829 --> 00:16:28,560

in that first couple of weeks in march

465

00:16:31,990 --> 00:16:29,839

late march

466

00:16:33,430 --> 00:16:32,000

um my son was back with us and we had

467

00:16:34,870 --> 00:16:33,440

some other investigators with ricky

468

00:16:37,030 --> 00:16:34,880

cherby and a couple other people were

469

00:16:38,710 --> 00:16:37,040

with us um

470

00:16:40,150 --> 00:16:38,720

the first hour or so of the

471

00:16:41,910 --> 00:16:40,160

investigation

472

00:16:43,670 --> 00:16:41,920

it was rather dead

473

00:16:44,790 --> 00:16:43,680

there wasn't much in the way of activity

474

00:16:47,590 --> 00:16:44,800

there were some weird things that

475

00:16:49,670 --> 00:16:47,600

happened some loud thumps on the ground

476

00:16:52,230 --> 00:16:49,680

some loud um

477

00:16:54,069 --> 00:16:52,240

possibles i guess you call them stomping

478

00:16:56,629 --> 00:16:54,079

sounds it sounded like something would

479

00:16:59,509 --> 00:16:56,639

stop its feet but nothing real

480

00:17:02,069 --> 00:16:59,519

conclusive to make us get excited

481

00:17:05,350 --> 00:17:02,079

it wasn't till probably around 9 30 10

482

00:17:06,870 --> 00:17:05,360

o'clock then all hell broke loose

483

00:17:10,069 --> 00:17:06,880

um

484

00:17:11,990 --> 00:17:10,079

we had split up into several teams

485

00:17:12,870 --> 00:17:12,000

and we wanted to try to cover some more

486

00:17:17,750 --> 00:17:12,880

area

487

00:17:19,669 --> 00:17:17,760

we first had our first experience that

488

00:17:22,789 --> 00:17:19,679

march evening

489

00:17:24,309 --> 00:17:22,799

where we heard the wood knock and we

490

00:17:26,309 --> 00:17:24,319

had the uh

491

00:17:28,309 --> 00:17:26,319

thing thrown at the jeep and we heard

492

00:17:29,750 --> 00:17:28,319

the footfalls and all that activity that

493

00:17:32,710 --> 00:17:29,760

happened in march

494

00:17:35,029 --> 00:17:32,720

we'd split up into several teams um we

495

00:17:37,830 --> 00:17:35,039

had film crews with several of these

496

00:17:40,150 --> 00:17:37,840

teams filming as we were out there

497

00:17:42,870 --> 00:17:40,160

and um

498

00:17:43,909 --> 00:17:42,880

at first things started off rather

499

00:17:46,950 --> 00:17:43,919

subtle

500

00:17:48,630 --> 00:17:46,960

with um some howls some knocks some

501  
00:17:49,909 --> 00:17:48,640  
whooping sounds

502  
00:17:51,270 --> 00:17:49,919  
and then things started getting a little

503  
00:17:57,029 --> 00:17:51,280  
strange

504  
00:17:58,789 --> 00:17:57,039  
that was down um probably a good

505  
00:18:01,990 --> 00:17:58,799  
three quarters of a mile away from our

506  
00:18:04,710 --> 00:18:02,000  
group began to report hearing

507  
00:18:06,310 --> 00:18:04,720  
a metal sound

508  
00:18:09,110 --> 00:18:06,320  
the best way i can describe it is if you

509  
00:18:11,510 --> 00:18:09,120  
take an empty beer bottle with a pork

510  
00:18:14,070 --> 00:18:11,520  
you would hit that beer bottle

511  
00:18:16,310 --> 00:18:14,080  
a clanging sound and it was happening

512  
00:18:17,590 --> 00:18:16,320  
all around them in the forest they

513  
00:18:18,789 --> 00:18:17,600

couldn't couldn't pinpoint where the

514

00:18:21,190 --> 00:18:18,799

location it was coming from but it

515

00:18:23,510 --> 00:18:21,200

sounded like somebody was taking a fork

516

00:18:25,669 --> 00:18:23,520

and a beer bottle and just making that

517

00:18:27,029 --> 00:18:25,679

tink sound and it was happening all

518

00:18:28,870 --> 00:18:27,039

around them but they were radio and

519

00:18:31,510 --> 00:18:28,880

reporting in what they were hearing

520

00:18:33,350 --> 00:18:31,520

then they began hearing murmuring sounds

521

00:18:35,590 --> 00:18:33,360

or mumbling sounds

522

00:18:36,789 --> 00:18:35,600

like the sound of something talking in

523

00:18:38,470 --> 00:18:36,799

the forest

524

00:18:40,070 --> 00:18:38,480

but again they couldn't make out what it

525

00:18:41,750 --> 00:18:40,080

was saying they couldn't pinpoint where

526

00:18:43,830 --> 00:18:41,760

it was coming from but it was coming

527

00:18:46,150 --> 00:18:43,840

from all around them

528

00:18:48,310 --> 00:18:46,160

and then the lights began

529

00:18:50,310 --> 00:18:48,320

and what i mean by lights we started

530

00:18:52,470 --> 00:18:50,320

seeing as a collective group that split

531

00:18:53,669 --> 00:18:52,480

up in different areas lights appearing

532

00:18:56,470 --> 00:18:53,679

in the forest

533

00:18:58,310 --> 00:18:56,480

um it wasn't just one group the groups

534

00:19:01,110 --> 00:18:58,320

were seeing lights coming from different

535

00:19:02,950 --> 00:19:01,120

locations in the forest um

536

00:19:06,150 --> 00:19:02,960

my group that consisted of me the

537

00:19:08,470 --> 00:19:06,160

husband um and his son

538

00:19:12,390 --> 00:19:08,480

where to pick up truck ron and my son

539

00:19:13,909 --> 00:19:12,400

were together the film crew

540

00:19:15,590 --> 00:19:13,919

walked down the path towards the lower

541

00:19:18,230 --> 00:19:15,600

group that were three quarters of a mile

542

00:19:20,310 --> 00:19:18,240

away they had seen lights

543

00:19:24,310 --> 00:19:20,320

um the group that was down at the bottom

544

00:19:28,390 --> 00:19:25,669

it was just happening all around and

545

00:19:30,310 --> 00:19:28,400

these lights can best be described as a

546

00:19:31,270 --> 00:19:30,320

variety of different colors the ones i

547

00:19:33,350 --> 00:19:31,280

saw

548

00:19:35,110 --> 00:19:33,360

were three

549

00:19:37,430 --> 00:19:35,120

greenish blue lights floating through

550

00:19:39,430 --> 00:19:37,440

the trees it almost looked like

551  
00:19:41,909 --> 00:19:39,440  
people were walking through the forest

552  
00:19:44,390 --> 00:19:41,919  
carrying cell phones with the white the

553  
00:19:45,190 --> 00:19:44,400  
cell phone lights exposed facing towards

554  
00:19:48,630 --> 00:19:45,200  
me

555  
00:19:50,870 --> 00:19:48,640  
they were joined by a fourth red light

556  
00:19:52,390 --> 00:19:50,880  
and they've just all disappeared

557  
00:19:54,150 --> 00:19:52,400  
um

558  
00:19:55,110 --> 00:19:54,160  
while we were all standing on the main

559  
00:19:56,310 --> 00:19:55,120  
road

560  
00:19:59,190 --> 00:19:56,320  
together

561  
00:20:00,390 --> 00:19:59,200  
we saw and one feel free to jump in and

562  
00:20:02,070 --> 00:20:00,400  
add it any time because you were there

563  
00:20:05,430 --> 00:20:02,080

you witnessed this yourself

564

00:20:08,390 --> 00:20:05,440

we saw a light about 10 to 15 feet high

565

00:20:09,909 --> 00:20:08,400

in the trees that resembled a very

566

00:20:13,029 --> 00:20:09,919

bright

567

00:20:13,909 --> 00:20:13,039

flashlight beam that was facing towards

568

00:20:15,590 --> 00:20:13,919

us

569

00:20:17,190 --> 00:20:15,600

but the odd thing is the group that was

570

00:20:20,710 --> 00:20:17,200

three quarters of a mile away we're

571

00:20:22,070 --> 00:20:20,720

seeing the beam facing towards them

572

00:20:24,149 --> 00:20:22,080

so

573

00:20:25,669 --> 00:20:24,159

that was witnessed by all the groups

574

00:20:27,750 --> 00:20:25,679

everybody was seeing it and no matter

575

00:20:30,549 --> 00:20:27,760

how close we tried to get to it

576

00:20:32,390 --> 00:20:30,559

we couldn't get to it

577

00:20:35,029 --> 00:20:32,400

we would even radio out to each other to

578

00:20:37,350 --> 00:20:35,039

confirm that no one had headlamps on

579

00:20:39,510 --> 00:20:37,360

know what had camera lights on

580

00:20:41,990 --> 00:20:39,520

no one had any kind of

581

00:20:43,830 --> 00:20:42,000

um thermal equipment on nothing was on

582

00:20:45,350 --> 00:20:43,840

to show any kind of lights being on in

583

00:20:46,870 --> 00:20:45,360

the forest we get these lights were

584

00:20:47,990 --> 00:20:46,880

surrounding us

585

00:20:49,909 --> 00:20:48,000

why do you want to jump in and add

586

00:20:52,630 --> 00:20:49,919

anything yeah you know yeah so i was

587

00:20:54,470 --> 00:20:52,640

with josh i was with his son and uh we

588

00:20:56,390 --> 00:20:54,480

were kind of like at a base camp where

589

00:20:57,830 --> 00:20:56,400

everybody else was doing their thing

590

00:20:59,990 --> 00:20:57,840

and we saw the lights which we

591

00:21:02,390 --> 00:21:00,000

immediately thought were flashlights i

592

00:21:03,830 --> 00:21:02,400

mean what else you think um and we were

593

00:21:06,149 --> 00:21:03,840

walking through the woods you can see

594

00:21:09,110 --> 00:21:06,159

that they were walking level uh then all

595

00:21:10,549 --> 00:21:09,120

of a sudden they were starting to escape

596

00:21:12,870 --> 00:21:10,559

into the streets until they were

597

00:21:15,430 --> 00:21:12,880

approximately 30 feet off the fourth

598

00:21:18,549 --> 00:21:15,440

route so whatever was going on was

599

00:21:20,310 --> 00:21:18,559

changing altitude and it was really

600

00:21:22,549 --> 00:21:20,320

pervasive now

601  
00:21:25,350 --> 00:21:22,559  
what i found so fascinating about it

602  
00:21:27,190 --> 00:21:25,360  
is that these lights also and this is

603  
00:21:29,190 --> 00:21:27,200  
where it starts getting a little uh you

604  
00:21:30,789 --> 00:21:29,200  
know the hair kind of raises up

605  
00:21:32,310 --> 00:21:30,799  
um there would probably would you say

606  
00:21:33,990 --> 00:21:32,320  
there was a dozen people there eric

607  
00:21:35,430 --> 00:21:34,000  
probably something like that

608  
00:21:37,750 --> 00:21:35,440  
yeah there was at least a dozen people

609  
00:21:40,149 --> 00:21:37,760  
with the film crew everybody

610  
00:21:43,029 --> 00:21:40,159  
ended up that night with having a

611  
00:21:45,510 --> 00:21:43,039  
personal experience which kind of blows

612  
00:21:47,510 --> 00:21:45,520  
my mind so we were all there as a group

613  
00:21:49,750 --> 00:21:47,520

and we were all witnessing these

614

00:21:52,470 --> 00:21:49,760

anomalies as a group

615

00:21:55,110 --> 00:21:52,480

but each person was perceiving things

616

00:21:57,029 --> 00:21:55,120

differently than the other person uh

617

00:21:59,510 --> 00:21:57,039

which really is kind of shocking um i

618

00:22:02,630 --> 00:21:59,520

had talked to eric about this and if it

619

00:22:04,710 --> 00:22:02,640

was under a different context this could

620

00:22:07,190 --> 00:22:04,720

have almost been written off as a

621

00:22:09,590 --> 00:22:07,200

religious experience but because we were

622

00:22:11,990 --> 00:22:09,600

investigating the paranormal we have to

623

00:22:14,870 --> 00:22:12,000

look at something else um

624

00:22:16,870 --> 00:22:14,880

tom one of our investigators uh these

625

00:22:19,270 --> 00:22:16,880

lights came so close to him that he

626

00:22:21,750 --> 00:22:19,280

actually reached out to touch one and it

627

00:22:24,870 --> 00:22:21,760

vanished before he did

628

00:22:28,390 --> 00:22:24,880

so you know what is going on um i know i

629

00:22:31,909 --> 00:22:28,400

was investigating a dogman sighting um

630

00:22:35,430 --> 00:22:31,919

probably it was about 2005 i suppose

631

00:22:37,110 --> 00:22:35,440

and we were in a location um uh you're

632

00:22:39,270 --> 00:22:37,120

very near the chestnut ridge but

633

00:22:40,470 --> 00:22:39,280

probably about 30 miles from this

634

00:22:42,310 --> 00:22:40,480

particular site

635

00:22:46,549 --> 00:22:42,320

and um this was my first dogman

636

00:22:48,870 --> 00:22:46,559

investigation and it it also dealt with

637

00:22:51,990 --> 00:22:48,880

a light anomaly uh behind us on the

638

00:22:54,070 --> 00:22:52,000

trail another investigator and i a light

639

00:22:55,590 --> 00:22:54,080

just lit up it looked as if somebody

640

00:22:58,230 --> 00:22:55,600

opened up a door

641

00:23:00,310 --> 00:22:58,240

and the light kind of peered through or

642

00:23:01,190 --> 00:23:00,320

just as soon as it opened it closed

643

00:23:03,430 --> 00:23:01,200

again

644

00:23:04,870 --> 00:23:03,440

and almost immediately after this

645

00:23:06,870 --> 00:23:04,880

particular time

646

00:23:09,110 --> 00:23:06,880

something was now in the woods making a

647

00:23:10,710 --> 00:23:09,120

sound and moving and following us to the

648

00:23:13,590 --> 00:23:10,720

point that we can also even hear it

649

00:23:14,390 --> 00:23:13,600

vocalizing we're growling as well too

650

00:23:16,789 --> 00:23:14,400

so

651

00:23:19,029 --> 00:23:16,799

if if you were a bigfoot investing

652

00:23:20,950 --> 00:23:19,039

holder you could say well i had a

653

00:23:23,669 --> 00:23:20,960

bigfoot experience or if you were a

654

00:23:25,510 --> 00:23:23,679

ghost investigator i saw the orb i had

655

00:23:28,430 --> 00:23:25,520

some sort of haunting experience same

656

00:23:31,110 --> 00:23:28,440

way with a ufo investigator this was an

657

00:23:33,750 --> 00:23:31,120

all-encompassing paranormal experience

658

00:23:37,350 --> 00:23:33,760

in which whoever was there perceived it

659

00:23:40,149 --> 00:23:37,360

in a different way than the entire group

660

00:23:41,750 --> 00:23:40,159

yeah it's fascinating to me because

661

00:23:43,269 --> 00:23:41,760

as long as i've been investigating this

662

00:23:45,909 --> 00:23:43,279

i've experienced a variety of different

663

00:23:48,070 --> 00:23:45,919

phenomenon in the forest and

664

00:23:48,789 --> 00:23:48,080

you know whether it be haunted locations

665

00:23:49,669 --> 00:23:48,799

or

666

00:23:51,750 --> 00:23:49,679

seeing

667

00:23:53,269 --> 00:23:51,760

strange lights in this sky that i can't

668

00:23:55,350 --> 00:23:53,279

explain but i've never been in a

669

00:23:57,190 --> 00:23:55,360

situation where i have had that much

670

00:23:58,789 --> 00:23:57,200

phenomenon happen

671

00:24:00,710 --> 00:23:58,799

at one time

672

00:24:03,350 --> 00:24:00,720

at one location

673

00:24:05,750 --> 00:24:03,360

we had wood knocks happening howls

674

00:24:06,789 --> 00:24:05,760

whoops we heard voices that we couldn't

675

00:24:08,630 --> 00:24:06,799

explain

676

00:24:10,710 --> 00:24:08,640

we had strange and light anomalies

677

00:24:12,870 --> 00:24:10,720

happening around us we had

678

00:24:15,110 --> 00:24:12,880

metallic sounds happening around us that

679

00:24:16,710 --> 00:24:15,120

sounded like like i mentioned a beer

680

00:24:19,110 --> 00:24:16,720

bottle and someone taking a fork or a

681

00:24:21,110 --> 00:24:19,120

spoon and clanking it together

682

00:24:22,710 --> 00:24:21,120

there was just so much phenomenon and as

683

00:24:23,990 --> 00:24:22,720

ron mentioned everybody had their own

684

00:24:25,909 --> 00:24:24,000

perceptions

685

00:24:27,830 --> 00:24:25,919

the the good thing

686

00:24:29,750 --> 00:24:27,840

we were lucky we had a film crew with us

687

00:24:32,710 --> 00:24:29,760

because talking with the some of the

688

00:24:35,510 --> 00:24:32,720

cameramen and the producer they did

689

00:24:37,430 --> 00:24:35,520

capture some of this phenomenon on film

690

00:24:38,789 --> 00:24:37,440

so when this documentary is released

691

00:24:40,710 --> 00:24:38,799

hopefully they're going to release that

692

00:24:42,870 --> 00:24:40,720

footage that they captured

693

00:24:44,390 --> 00:24:42,880

but that was the night in april that i

694

00:24:46,710 --> 00:24:44,400

talked to you about

695

00:24:47,909 --> 00:24:46,720

just overwhelming amount of activity

696

00:24:49,029 --> 00:24:47,919

that night

697

00:24:51,350 --> 00:24:49,039

yeah since

698

00:24:53,669 --> 00:24:51,360

since that night we've continued to

699

00:24:55,190 --> 00:24:53,679

investigate and monitor this area we've

700

00:24:56,950 --> 00:24:55,200

been up that area

701  
00:24:57,750 --> 00:24:56,960  
gosh sometimes three or four nights a

702  
00:25:00,789 --> 00:24:57,760  
week

703  
00:25:03,029 --> 00:25:00,799  
um just continually going back

704  
00:25:05,190 --> 00:25:03,039  
spending hours and day and night up in

705  
00:25:07,029 --> 00:25:05,200  
that area and we've had

706  
00:25:08,070 --> 00:25:07,039  
continued activity going on in that area

707  
00:25:10,390 --> 00:25:08,080  
whether it be

708  
00:25:11,590 --> 00:25:10,400  
bigfoot related activity or seeing the

709  
00:25:14,870 --> 00:25:11,600  
lights again

710  
00:25:17,190 --> 00:25:14,880  
not in the same frequency or the same

711  
00:25:19,350 --> 00:25:17,200  
brightness or context but other people

712  
00:25:21,750 --> 00:25:19,360  
have seen the lights in the forest

713  
00:25:23,110 --> 00:25:21,760

sometimes they appear as pinpoint lights

714

00:25:25,350 --> 00:25:23,120

in the distance that appear to move

715

00:25:27,430 --> 00:25:25,360

around other times they appear as laser

716

00:25:29,029 --> 00:25:27,440

lights in the force like if you point a

717

00:25:30,549 --> 00:25:29,039

laser in the force and you see it

718

00:25:33,909 --> 00:25:30,559

zipping around

719

00:25:34,789 --> 00:25:33,919

multiple colors blue green yellow orange

720

00:25:36,230 --> 00:25:34,799

red

721

00:25:38,390 --> 00:25:36,240

white

722

00:25:39,830 --> 00:25:38,400

sometimes they're very large sometimes

723

00:25:41,190 --> 00:25:39,840

they're very small

724

00:25:42,470 --> 00:25:41,200

sometimes they're close sometimes

725

00:25:43,590 --> 00:25:42,480

they're distant

726  
00:25:45,269 --> 00:25:43,600  
um

727  
00:25:47,350 --> 00:25:45,279  
there's some really strange phenomenon

728  
00:25:49,430 --> 00:25:47,360  
going up there and the most recent we

729  
00:25:51,269 --> 00:25:49,440  
were very fortunate to capture and i

730  
00:25:53,750 --> 00:25:51,279  
actually released a very documented

731  
00:25:56,870 --> 00:25:53,760  
report on it that included um

732  
00:25:58,950 --> 00:25:56,880  
an analysis of the sounds was um at the

733  
00:26:01,669 --> 00:25:58,960  
beginning of june we went up with and

734  
00:26:04,310 --> 00:26:01,679  
set up some audio equipment um in the

735  
00:26:06,230 --> 00:26:04,320  
same area where the uh the

736  
00:26:08,390 --> 00:26:06,240  
voices were captured or heard i should

737  
00:26:11,029 --> 00:26:08,400  
say the lights were seen

738  
00:26:13,190 --> 00:26:11,039

the strange metallic sound was was heard

739

00:26:15,510 --> 00:26:13,200

we set up a several parabolic mics and

740

00:26:17,430 --> 00:26:15,520

digital recorders and we in the first

741

00:26:18,549 --> 00:26:17,440

night we were there we heard coming out

742

00:26:21,190 --> 00:26:18,559

of the hollow

743

00:26:23,909 --> 00:26:21,200

only could be described as a dog or a

744

00:26:26,630 --> 00:26:23,919

canine type of animal that would bark

745

00:26:29,029 --> 00:26:26,640

and howl for almost a good half an hour

746

00:26:30,470 --> 00:26:29,039

it was unprovoked it was unsolicited as

747

00:26:32,950 --> 00:26:30,480

soon as we got out of the vehicles it

748

00:26:35,029 --> 00:26:32,960

was barking and howling in that ravine

749

00:26:36,549 --> 00:26:35,039

the ring was so thick with foliage and

750

00:26:38,630 --> 00:26:36,559

growth we couldn't see what it was but

751

00:26:41,350 --> 00:26:38,640

we could hear it it was close

752

00:26:43,750 --> 00:26:41,360

and after a good half an hour it left it

753

00:26:45,830 --> 00:26:43,760

just went away we tried to get it to

754

00:26:48,230 --> 00:26:45,840

respond to us by doing wood knocks doing

755

00:26:50,070 --> 00:26:48,240

our own predator calls rabbit wounded

756

00:26:52,070 --> 00:26:50,080

rabbit roon wounded

757

00:26:54,549 --> 00:26:52,080

deer anything we could think of to get

758

00:26:56,470 --> 00:26:54,559

it to respond it never responded to us

759

00:26:58,950 --> 00:26:56,480

that was on a friday night i think june

760

00:27:00,710 --> 00:26:58,960

the third if i'm not mistaken

761

00:27:02,470 --> 00:27:00,720

and then the following night saturday

762

00:27:03,669 --> 00:27:02,480

when we returned again

763

00:27:05,669 --> 00:27:03,679

the same

764

00:27:07,510 --> 00:27:05,679

type of howls were heard but these were

765

00:27:09,510 --> 00:27:07,520

different um they were similar but

766

00:27:11,029 --> 00:27:09,520

different and what i mean by that is

767

00:27:14,789 --> 00:27:11,039

they were higher pitched

768

00:27:16,310 --> 00:27:14,799

longer howls in in length um higher

769

00:27:18,470 --> 00:27:16,320

pitch and frequency

770

00:27:20,630 --> 00:27:18,480

they almost sounded canine like but not

771

00:27:23,029 --> 00:27:20,640

quite but we were able to capture those

772

00:27:24,710 --> 00:27:23,039

sounds on the parabolic mics and with

773

00:27:27,190 --> 00:27:24,720

the digital recorders

774

00:27:29,029 --> 00:27:27,200

and we sent them off for analysis and

775

00:27:31,510 --> 00:27:29,039

the analysis said the first sounds from

776

00:27:35,190 --> 00:27:31,520

friday night came back in the canine

777

00:27:37,350 --> 00:27:35,200

range in the 450 to 500

778

00:27:38,710 --> 00:27:37,360

hertz range which they confirmed is in

779

00:27:41,590 --> 00:27:38,720

the the canine

780

00:27:43,430 --> 00:27:41,600

um hurts sound range the sounds that

781

00:27:46,830 --> 00:27:43,440

were captured on saturday night were a

782

00:27:51,269 --> 00:27:46,840

dual frequency or due tonal frequency of

783

00:27:53,909 --> 00:27:51,279

650 to 700 hertz and 1300 hertz which is

784

00:27:55,590 --> 00:27:53,919

up in the infrasound frequency range so

785

00:27:57,830 --> 00:27:55,600

whatever was making the sounds on

786

00:27:59,510 --> 00:27:57,840

saturday night was not a canine it was

787

00:28:01,669 --> 00:27:59,520

much higher than the human frequency

788

00:28:04,549 --> 00:28:01,679

range it was making it was emitting two

789

00:28:08,149 --> 00:28:04,559

frequency sounds it's 650 to 700

790

00:28:10,710 --> 00:28:08,159

frequency range and the seven uh 1300

791

00:28:13,029 --> 00:28:10,720

hertz range we have um

792

00:28:15,510 --> 00:28:13,039

spectrograph pictures to document and

793

00:28:17,750 --> 00:28:15,520

show that and we also have

794

00:28:18,710 --> 00:28:17,760

the audio sounds captured as well

795

00:28:20,549 --> 00:28:18,720

and

796

00:28:22,230 --> 00:28:20,559

the people that analyze that gave us

797

00:28:24,310 --> 00:28:22,240

their feedback that those sound

798

00:28:26,230 --> 00:28:24,320

frequencies from saturday night do fall

799

00:28:28,149 --> 00:28:26,240

in the range of suspected sasquatch

800

00:28:30,070 --> 00:28:28,159

audio recordings

801  
00:28:31,269 --> 00:28:30,080  
we can't validate that we can't confirm

802  
00:28:32,549 --> 00:28:31,279  
that because we didn't see the animal

803  
00:28:34,630 --> 00:28:32,559  
that made the call

804  
00:28:35,830 --> 00:28:34,640  
but they fit into what's been captured

805  
00:28:37,750 --> 00:28:35,840  
before and

806  
00:28:39,510 --> 00:28:37,760  
and documented so we don't know what we

807  
00:28:41,350 --> 00:28:39,520  
capture saturday night but they do fall

808  
00:28:43,669 --> 00:28:41,360  
into what other others have reported and

809  
00:28:46,389 --> 00:28:43,679  
collected is commonly reported sasquatch

810  
00:28:47,990 --> 00:28:46,399  
sounds that was at the beginning of june

811  
00:28:49,430 --> 00:28:48,000  
we've been back multiple times since

812  
00:28:51,510 --> 00:28:49,440  
then and the activity has seemed to kind

813  
00:28:53,350 --> 00:28:51,520

of died off but we're going to continue

814

00:28:55,110 --> 00:28:53,360

to monitor this area for more activity

815

00:28:57,750 --> 00:28:55,120

and see what we can find see this is

816

00:28:59,110 --> 00:28:57,760

typical this is typical chestnut ridge

817

00:29:01,110 --> 00:28:59,120

stuff you know

818

00:29:03,510 --> 00:29:01,120

like you know you get all this crazy

819

00:29:04,950 --> 00:29:03,520

stuff going on one time

820

00:29:07,190 --> 00:29:04,960

um

821

00:29:08,630 --> 00:29:07,200

it just seems like you hit the jackpot

822

00:29:10,870 --> 00:29:08,640

actually

823

00:29:13,830 --> 00:29:10,880

because uh you may be dealing with a lot

824

00:29:16,149 --> 00:29:13,840

of different aspects there

825

00:29:17,430 --> 00:29:16,159

it's weird well like i said this is i've

826

00:29:19,669 --> 00:29:17,440

been up and you know i've been up in the

827

00:29:22,870 --> 00:29:19,679

ridge for gosh almost

828

00:29:24,630 --> 00:29:22,880

25 30 years now investigating and i've

829

00:29:26,950 --> 00:29:24,640

investigated all sorts of phenomenon up

830

00:29:29,029 --> 00:29:26,960

there mainly the bigfoot phenomenon but

831

00:29:31,190 --> 00:29:29,039

this is the first time in all those

832

00:29:33,350 --> 00:29:31,200

years that i've been in a location where

833

00:29:35,830 --> 00:29:33,360

there's been that much activity of a

834

00:29:38,950 --> 00:29:35,840

variety of phenomenon just not just one

835

00:29:40,389 --> 00:29:38,960

phenomenon occurring but a variety and

836

00:29:42,710 --> 00:29:40,399

thank goodness there were 12 other

837

00:29:44,870 --> 00:29:42,720

independent sources there that could

838

00:29:46,630 --> 00:29:44,880

validate ron was there he he witnessed

839

00:29:48,230 --> 00:29:46,640

it he heard it yeah there were other

840

00:29:49,830 --> 00:29:48,240

people who could validate it yeah and

841

00:29:53,269 --> 00:29:49,840

this is one of those things because it

842

00:29:54,950 --> 00:29:53,279

sounds so outlandish that unless it was

843

00:29:57,029 --> 00:29:54,960

you were there i really wouldn't expect

844

00:29:59,029 --> 00:29:57,039

anybody to believe it i mean it sounds

845

00:30:01,430 --> 00:29:59,039

like the ravings of people that go out

846

00:30:04,630 --> 00:30:01,440

there wide-eyed and expect all this kind

847

00:30:06,710 --> 00:30:04,640

of stuff to happen um but as eric said

848

00:30:08,710 --> 00:30:06,720

you know we do hopefully have all this

849

00:30:10,710 --> 00:30:08,720

stuff documented to the point that we

850

00:30:12,789 --> 00:30:10,720

could actually present it um the way

851  
00:30:14,549 --> 00:30:12,799  
that we saw it but i think that all of

852  
00:30:17,110 --> 00:30:14,559  
us sitting here together in this round

853  
00:30:18,789 --> 00:30:17,120  
table all of us being from pennsylvania

854  
00:30:20,630 --> 00:30:18,799  
i think that we all probably have dealt

855  
00:30:22,870 --> 00:30:20,640  
with some sort of light anomaly before

856  
00:30:24,789 --> 00:30:22,880  
is that correct you've got something out

857  
00:30:27,269 --> 00:30:24,799  
there can't explain

858  
00:30:29,750 --> 00:30:27,279  
what was so incredible

859  
00:30:31,909 --> 00:30:29,760  
is that this was compounded by the other

860  
00:30:35,350 --> 00:30:31,919  
things as well too the wood knocks you

861  
00:30:38,549 --> 00:30:35,360  
know the the house um and a general

862  
00:30:40,310 --> 00:30:38,559  
sense of foreboding as well eric i i'm

863  
00:30:41,190 --> 00:30:40,320

sure that you thought it was well too

864

00:30:45,510 --> 00:30:41,200

that

865

00:30:47,029 --> 00:30:45,520

was something out of our element

866

00:30:47,909 --> 00:30:47,039

but i also

867

00:30:50,710 --> 00:30:47,919

felt

868

00:30:52,870 --> 00:30:50,720

as if whatever this was out there in the

869

00:30:55,190 --> 00:30:52,880

woods whatever these lights were

870

00:30:56,870 --> 00:30:55,200

there was a certain intelligence

871

00:31:00,310 --> 00:30:56,880

attached to it as well

872

00:31:03,190 --> 00:31:00,320

and i'm not sure if it was kind of

873

00:31:06,230 --> 00:31:03,200

checking us out observing us surveying

874

00:31:08,950 --> 00:31:06,240

us um i'm not sure if that was going on

875

00:31:11,590 --> 00:31:08,960

but there was a a definite attempt for

876

00:31:13,750 --> 00:31:11,600

some sort of interaction i'm not sure if

877

00:31:15,990 --> 00:31:13,760

i would go as far as say communication

878

00:31:17,750 --> 00:31:16,000

but there was definitely a chance there

879

00:31:19,269 --> 00:31:17,760

to say hey

880

00:31:21,350 --> 00:31:19,279

we're here

881

00:31:24,310 --> 00:31:21,360

what do you want to do with us i truly

882

00:31:26,870 --> 00:31:24,320

believe that that happened

883

00:31:29,110 --> 00:31:26,880

well eric keep us oppressed to this

884

00:31:31,509 --> 00:31:29,120

stuff because uh

885

00:31:34,470 --> 00:31:31,519

i i find it fascinating when we first

886

00:31:35,909 --> 00:31:34,480

started talking about it and um

887

00:31:38,070 --> 00:31:35,919

i want to thank you for coming on and

888

00:31:40,630 --> 00:31:38,080

talking and letting us know any updates

889

00:31:43,590 --> 00:31:40,640

and this is bizarre

890

00:31:46,070 --> 00:31:43,600

yeah it's it's certainly been a strange

891

00:31:47,909 --> 00:31:46,080

first half of the year and uh we're not

892

00:31:50,310 --> 00:31:47,919

letting up on this area we're out there

893

00:31:53,430 --> 00:31:50,320

like i said a couple days a week

894

00:31:55,350 --> 00:31:53,440

as time permits and uh if i'm not there

895

00:31:57,430 --> 00:31:55,360

part of my team is there we have people

896

00:31:59,350 --> 00:31:57,440

up there all the time so we're

897

00:32:01,269 --> 00:31:59,360

definitely monitoring the area we'll

898

00:32:03,590 --> 00:32:01,279

continue to update you as things happen

899

00:32:06,310 --> 00:32:03,600

and hopefully we get more activity more

900

00:32:08,310 --> 00:32:06,320

strangeness you know as it goes on

901  
00:32:11,590 --> 00:32:08,320  
well i appreciate it

902  
00:32:14,230 --> 00:32:11,600  
so uh we've got james west and for

903  
00:32:15,830 --> 00:32:14,240  
everyone who's on here right now james

904  
00:32:19,110 --> 00:32:15,840  
is a two-time

905  
00:32:20,350 --> 00:32:19,120  
experiencer with the with a dog man

906  
00:32:24,070 --> 00:32:20,360  
yeah unfortunately

907  
00:32:26,070 --> 00:32:24,080  
[Laughter]

908  
00:32:27,750 --> 00:32:26,080  
uh

909  
00:32:29,750 --> 00:32:27,760  
i mean if you want to briefly let

910  
00:32:30,789 --> 00:32:29,760  
everybody know what happened to you i

911  
00:32:33,750 --> 00:32:30,799  
mean you

912  
00:32:35,750 --> 00:32:33,760  
you recently were out uh out in arizona

913  
00:32:38,710 --> 00:32:35,760

for unexplained

914

00:32:40,230 --> 00:32:38,720

and uh and told them about what happened

915

00:32:42,389 --> 00:32:40,240

to you

916

00:32:44,470 --> 00:32:42,399

and uh we look forward to that being

917

00:32:46,070 --> 00:32:44,480

presented sometime

918

00:32:47,669 --> 00:32:46,080

yeah i'll let everybody know they're

919

00:32:51,269 --> 00:32:47,679

they're supposed to let me know when the

920

00:32:53,190 --> 00:32:51,279

episode's gonna air good good

921

00:32:55,430 --> 00:32:53,200

so uh

922

00:32:56,950 --> 00:32:55,440

tell us give everybody a kind of a taste

923

00:32:58,710 --> 00:32:56,960

what you went through

924

00:33:00,870 --> 00:32:58,720

okay well

925

00:33:02,870 --> 00:33:00,880

my first encounter

926  
00:33:05,669 --> 00:33:02,880  
uh and vincent put up the picture that's

927  
00:33:08,389 --> 00:33:05,679  
that's close to what i encountered the

928  
00:33:11,350 --> 00:33:08,399  
his verbatim drawing of my description

929  
00:33:14,149 --> 00:33:11,360  
right um

930  
00:33:16,389 --> 00:33:14,159  
if to sum it up that's because you know

931  
00:33:19,190 --> 00:33:16,399  
i could talk for an hour about it

932  
00:33:21,509 --> 00:33:19,200  
um but i was out hunting one night

933  
00:33:23,269 --> 00:33:21,519  
and it was snowing real heavy and i

934  
00:33:25,029 --> 00:33:23,279  
packed all my gear out

935  
00:33:27,590 --> 00:33:25,039  
out from my house behind my house up a

936  
00:33:29,110 --> 00:33:27,600  
slate dump and i was sitting there and i

937  
00:33:30,389 --> 00:33:29,120  
started getting cold

938  
00:33:32,389 --> 00:33:30,399

and um

939

00:33:34,710 --> 00:33:32,399

i turned on my spotlight to leave and

940

00:33:37,269 --> 00:33:34,720

about 10 feet away from me there's

941

00:33:38,870 --> 00:33:37,279

there's a dog man on all fours sniffing

942

00:33:40,789 --> 00:33:38,880

the ground

943

00:33:42,630 --> 00:33:40,799

and whenever i turned that light on it

944

00:33:44,389 --> 00:33:42,640

must have saw the light and just it

945

00:33:45,430 --> 00:33:44,399

lifted its head up and looked right at

946

00:33:46,710 --> 00:33:45,440

me

947

00:33:48,070 --> 00:33:46,720

it uh

948

00:33:56,789 --> 00:33:48,080

it

949

00:34:00,549 --> 00:33:56,799

casually and stretched his chest out and

950

00:34:02,149 --> 00:34:00,559

its chest made one loud pop

951  
00:34:03,909 --> 00:34:02,159  
and it stood there and just looked at me

952  
00:34:05,909 --> 00:34:03,919  
and now mind you i'm i'm

953  
00:34:07,830 --> 00:34:05,919  
16 years old you know i'm sitting on the

954  
00:34:10,950 --> 00:34:07,840  
ground

955  
00:34:11,990 --> 00:34:10,960  
and this thing just towered over me

956  
00:34:14,470 --> 00:34:12,000  
um

957  
00:34:17,030 --> 00:34:14,480  
it took one step towards me and i shot

958  
00:34:20,069 --> 00:34:17,040  
it in the right side of its chest

959  
00:34:22,149 --> 00:34:20,079  
and it took off running it it cleared

960  
00:34:24,389 --> 00:34:22,159  
the light circle that i was

961  
00:34:27,030 --> 00:34:24,399  
that i had hit it with in about two

962  
00:34:30,389 --> 00:34:27,040  
steps and i've figured it out since then

963  
00:34:31,510 --> 00:34:30,399

it it made about a ten foot straw or two

964

00:34:35,589 --> 00:34:31,520

strides

965

00:34:38,310 --> 00:34:35,599

a ten foot straight path in two steps

966

00:34:40,149 --> 00:34:38,320

um since now i've also done

967

00:34:42,149 --> 00:34:40,159

size comparisons i

968

00:34:43,030 --> 00:34:42,159

went back with my father were the same

969

00:34:45,510 --> 00:34:43,040

height

970

00:34:47,909 --> 00:34:45,520

so we went back and i took pictures and

971

00:34:49,430 --> 00:34:47,919

from it's my best guess that this thing

972

00:34:51,030 --> 00:34:49,440

was between

973

00:34:52,629 --> 00:34:51,040

uh

974

00:34:54,710 --> 00:34:52,639

seven foot

975

00:34:55,990 --> 00:34:54,720

and eight foot tall closer to the eight

976  
00:34:57,109 --> 00:34:56,000  
foot um

977  
00:35:00,150 --> 00:34:57,119  
around

978  
00:35:02,550 --> 00:35:00,160  
seven foot ten is what i've been able to

979  
00:35:03,589 --> 00:35:02,560  
figure out going over and over and over

980  
00:35:04,790 --> 00:35:03,599  
and it

981  
00:35:07,349 --> 00:35:04,800  
um

982  
00:35:10,230 --> 00:35:07,359  
but after i shot it it like i said it

983  
00:35:13,109 --> 00:35:10,240  
took off and i i followed after it for

984  
00:35:15,670 --> 00:35:13,119  
about 30 or 40 feet and

985  
00:35:18,710 --> 00:35:15,680  
i decided to give it up for the night

986  
00:35:21,190 --> 00:35:18,720  
because it was wounded and it was dark

987  
00:35:23,589 --> 00:35:21,200  
and it was just a little bit too much

988  
00:35:26,069 --> 00:35:23,599

for me at the time you know

989

00:35:28,950 --> 00:35:26,079

so that that was the first time

990

00:35:31,349 --> 00:35:28,960

that i had an encounter um the second

991

00:35:33,750 --> 00:35:31,359

time was the following summer

992

00:35:36,310 --> 00:35:33,760

i was walking to a friend's house and

993

00:35:37,910 --> 00:35:36,320

about 50 to 60 feet down the road in

994

00:35:39,109 --> 00:35:37,920

front of me and i was right on a main

995

00:35:39,990 --> 00:35:39,119

road

996

00:35:42,829 --> 00:35:40,000

um

997

00:35:44,710 --> 00:35:42,839

i went off shoot of the main road

998

00:35:46,870 --> 00:35:44,720

and

999

00:35:48,710 --> 00:35:46,880

this large it was probably about the

1000

00:35:51,030 --> 00:35:48,720

size if you take two or three bull

1001  
00:35:51,829 --> 00:35:51,040  
mastiffs and put them together

1002  
00:35:53,510 --> 00:35:51,839  
uh

1003  
00:35:55,829 --> 00:35:53,520  
bulk wise

1004  
00:35:59,270 --> 00:35:55,839  
um it come out of the woods i thought it

1005  
00:36:02,630 --> 00:35:59,280  
was just a huge black dog at first and

1006  
00:36:05,510 --> 00:36:02,640  
it decided to come running up at me

1007  
00:36:07,109 --> 00:36:05,520  
and it lunged at me and when it lunged i

1008  
00:36:11,109 --> 00:36:07,119  
just turned

1009  
00:36:13,030 --> 00:36:11,119  
pushed made a fist and pushed my arm

1010  
00:36:15,910 --> 00:36:13,040  
straight out in front of me like this

1011  
00:36:17,829 --> 00:36:15,920  
and its mouth went right over my fist

1012  
00:36:19,510 --> 00:36:17,839  
and went down to my elbow down its

1013  
00:36:24,390 --> 00:36:19,520

throat

1014

00:36:26,310 --> 00:36:24,400

fell on top of it and just laid on it

1015

00:36:28,150 --> 00:36:26,320

for like three minutes until it quit

1016

00:36:29,270 --> 00:36:28,160

moving

1017

00:36:31,990 --> 00:36:29,280

and

1018

00:36:34,150 --> 00:36:32,000

after it quit moving i i shuffled off of

1019

00:36:36,550 --> 00:36:34,160

it and stood up and i was standing there

1020

00:36:39,510 --> 00:36:36,560

scraping this stuff off of my arm and it

1021

00:36:41,349 --> 00:36:39,520

was it was like maybe 20 to 30 seconds

1022

00:36:43,109 --> 00:36:41,359

and it was gagging already getting back

1023

00:36:44,950 --> 00:36:43,119

up

1024

00:36:46,950 --> 00:36:44,960

and i've had people ask me well how do

1025

00:36:50,230 --> 00:36:46,960

you know that it was a dog man and not

1026  
00:36:52,230 --> 00:36:50,240  
just a big dog and i said well because

1027  
00:36:54,230 --> 00:36:52,240  
at first i thought it was a dog until it

1028  
00:36:56,390 --> 00:36:54,240  
grabbed me by the legs while i had it in

1029  
00:36:57,990 --> 00:36:56,400  
the headlock like that it grabbed me by

1030  
00:37:01,109 --> 00:36:58,000  
my thighs

1031  
00:37:04,069 --> 00:37:01,119  
and luckily i had briarguard pants on

1032  
00:37:07,030 --> 00:37:04,079  
and it prevented it from digging into my

1033  
00:37:09,750 --> 00:37:07,040  
upper thighs like that

1034  
00:37:12,069 --> 00:37:09,760  
but after i got off of it like i said it

1035  
00:37:13,990 --> 00:37:12,079  
was like 20 to 30 seconds it was already

1036  
00:37:15,750 --> 00:37:14,000  
waking back up from being choked out i

1037  
00:37:17,030 --> 00:37:15,760  
know me i'd have been laying there i'd

1038  
00:37:19,349 --> 00:37:17,040

have been done if i would have been

1039

00:37:20,710 --> 00:37:19,359

choked out like that you know

1040

00:37:22,310 --> 00:37:20,720

and it just

1041

00:37:24,950 --> 00:37:22,320

like it seemed like it knocked it out

1042

00:37:27,190 --> 00:37:24,960

and it it was just enough to phase it to

1043

00:37:29,030 --> 00:37:27,200

knock it out and before i even realized

1044

00:37:31,030 --> 00:37:29,040

that it was getting back up already but

1045

00:37:33,109 --> 00:37:31,040

it it was on all fours and it just

1046

00:37:34,790 --> 00:37:33,119

stared into my eyes

1047

00:37:36,710 --> 00:37:34,800

and the thing that i'll always remember

1048

00:37:38,950 --> 00:37:36,720

until the day i die i'll never forget

1049

00:37:41,430 --> 00:37:38,960

the color of those eyes is just they're

1050

00:37:43,589 --> 00:37:41,440

they're like a yellow ambush color but

1051

00:37:46,390 --> 00:37:43,599

they're just so beautiful

1052

00:37:48,310 --> 00:37:46,400

i mean i don't know how you could

1053

00:37:51,829 --> 00:37:48,320

how you could replicate that color it

1054

00:37:52,710 --> 00:37:51,839

was just so unnaturally beautiful

1055

00:37:54,950 --> 00:37:52,720

um

1056

00:37:55,829 --> 00:37:54,960

but it it looked at me like that for a

1057

00:37:58,790 --> 00:37:55,839

second

1058

00:38:02,069 --> 00:37:58,800

and it ran around me and ran back into

1059

00:38:04,230 --> 00:38:02,079

the woods and i've never seen them since

1060

00:38:07,510 --> 00:38:04,240

um

1061

00:38:10,150 --> 00:38:07,520

it is a pretty remarkable story yeah i

1062

00:38:13,750 --> 00:38:10,160

i've since then i've had

1063

00:38:15,510 --> 00:38:13,760

um more than 15 or 20 times

1064

00:38:17,430 --> 00:38:15,520

of stuff coming up to my house in the

1065

00:38:19,670 --> 00:38:17,440

middle of the night banging on my walls

1066

00:38:21,109 --> 00:38:19,680

and my windows trying to unlock the

1067

00:38:24,310 --> 00:38:21,119

front door

1068

00:38:26,310 --> 00:38:24,320

and i don't leave a key outside

1069

00:38:28,230 --> 00:38:26,320

and

1070

00:38:29,270 --> 00:38:28,240

you know something was trying to unlock

1071

00:38:32,470 --> 00:38:29,280

my door

1072

00:38:33,670 --> 00:38:32,480

and the porch light went out this just

1073

00:38:34,470 --> 00:38:33,680

happened

1074

00:38:36,870 --> 00:38:34,480

uh

1075

00:38:39,589 --> 00:38:36,880

since i was on the show that so like in

1076

00:38:41,270 --> 00:38:39,599

the last month i i sleep on the couch

1077

00:38:43,589 --> 00:38:41,280

right by the front door

1078

00:38:45,990 --> 00:38:43,599

and i heard the doorknob jiggle

1079

00:38:48,230 --> 00:38:46,000

and i don't lock the the knob part i

1080

00:38:50,710 --> 00:38:48,240

just locked the deadbolt and something

1081

00:38:52,230 --> 00:38:50,720

was messing with that knob so i went

1082

00:38:53,750 --> 00:38:52,240

over and flipped my porch light on and

1083

00:38:55,750 --> 00:38:53,760

it didn't come on

1084

00:38:57,589 --> 00:38:55,760

and i'm going now what the heck is going

1085

00:38:59,990 --> 00:38:57,599

on you know so i went and i grabbed my

1086

00:39:01,990 --> 00:39:00,000

12 gauge and a flashlight and i opened

1087

00:39:04,390 --> 00:39:02,000

up the door real slow and

1088

00:39:06,950 --> 00:39:04,400

my front gate is normally locked to keep

1089

00:39:09,109 --> 00:39:06,960

my big dogs from running off the porch

1090

00:39:12,790 --> 00:39:09,119

well the the gate was swinging and it

1091

00:39:16,470 --> 00:39:14,470

do you feel that uh

1092

00:39:18,230 --> 00:39:16,480

that it actually tracked you back home

1093

00:39:20,870 --> 00:39:18,240

do you feel that that's what happened

1094

00:39:22,310 --> 00:39:20,880

yeah definitely well from where i had my

1095

00:39:24,470 --> 00:39:22,320

first encounter it was only

1096

00:39:27,270 --> 00:39:24,480

approximately 500 yards from where i

1097

00:39:28,790 --> 00:39:27,280

live i say okay okay

1098

00:39:31,829 --> 00:39:28,800

yeah now what did you shoot this

1099

00:39:32,710 --> 00:39:31,839

creature with with the same 12 gauge

1100

00:39:34,950 --> 00:39:32,720

wow

1101

00:39:36,950 --> 00:39:34,960

number two number two coyote loads as

1102

00:39:38,950 --> 00:39:36,960

well and at that close of range i mean

1103

00:39:41,349 --> 00:39:38,960

that could conceivably blow a human

1104

00:39:42,950 --> 00:39:41,359

being's head off of its shoulders oh a

1105

00:39:44,790 --> 00:39:42,960

human being you would have had a hole

1106

00:39:47,670 --> 00:39:44,800

the size of a pie plate through you

1107

00:39:49,589 --> 00:39:47,680

right absolutely absolutely

1108

00:39:51,190 --> 00:39:49,599

yeah wow

1109

00:39:53,190 --> 00:39:51,200

this is such an interesting field though

1110

00:39:55,109 --> 00:39:53,200

one you know because now there's all

1111

00:39:57,190 --> 00:39:55,119

these questions because i've never

1112

00:39:59,910 --> 00:39:57,200

experienced anything like this you know

1113

00:40:01,510 --> 00:39:59,920

i've had anecdotal uh things happen but

1114

00:40:03,670 --> 00:40:01,520

i've never experienced this kind of you

1115

00:40:05,349 --> 00:40:03,680

know hands-on with the creature so let

1116

00:40:06,069 --> 00:40:05,359

me just ask a couple questions did you

1117

00:40:09,030 --> 00:40:06,079

feel

1118

00:40:10,870 --> 00:40:09,040

that this was a flesh and blood creature

1119

00:40:13,589 --> 00:40:10,880

that was this something that was a

1120

00:40:15,270 --> 00:40:13,599

transforming type of thing what was your

1121

00:40:17,510 --> 00:40:15,280

initial feeling did you feel that it was

1122

00:40:19,030 --> 00:40:17,520

naturally belonging in the forest that

1123

00:40:21,349 --> 00:40:19,040

you were

1124

00:40:23,670 --> 00:40:21,359

i mean i i didn't think that it was

1125

00:40:26,230 --> 00:40:23,680

natural as far as it should be there

1126

00:40:28,470 --> 00:40:26,240

right right right right but it didn't

1127

00:40:30,710 --> 00:40:28,480

seem like it was an apparition type

1128

00:40:31,510 --> 00:40:30,720

thing or it was uh

1129

00:40:33,910 --> 00:40:31,520

like

1130

00:40:36,069 --> 00:40:33,920

the only thing i go by is the physical

1131

00:40:39,190 --> 00:40:36,079

evidence because when i shot it it did

1132

00:40:40,550 --> 00:40:39,200

leave blood okay okay i mean when i was

1133

00:40:42,150 --> 00:40:40,560

that age

1134

00:40:44,390 --> 00:40:42,160

the last thing i was thinking of was

1135

00:40:46,390 --> 00:40:44,400

collecting dna at

1136

00:40:47,990 --> 00:40:46,400

quarter after 12 in the morning with

1137

00:40:49,589 --> 00:40:48,000

this thing running around out here with

1138

00:40:52,470 --> 00:40:49,599

me you know what i mean i i didn't even

1139

00:40:53,829 --> 00:40:52,480

know this kind of stuff existed i mean i

1140

00:40:56,950 --> 00:40:53,839

i didn't even know that there was such a

1141

00:40:57,829 --> 00:40:56,960

word as dog man right right you know

1142

00:40:59,990 --> 00:40:57,839

and

1143

00:41:01,510 --> 00:41:00,000

i mean everybody knows about werewolves

1144

00:41:03,430 --> 00:41:01,520

they've heard of werewolves from myths

1145

00:41:04,710 --> 00:41:03,440

and movies and books and games and you

1146

00:41:08,630 --> 00:41:04,720

name it there's something about a

1147

00:41:10,950 --> 00:41:10,150

i don't think

1148

00:41:13,270 --> 00:41:10,960

that

1149

00:41:15,750 --> 00:41:13,280

it was your traditional what you would

1150

00:41:17,270 --> 00:41:15,760

call a werewolf it i it didn't seem like

1151

00:41:19,510 --> 00:41:17,280

it would

1152

00:41:21,430 --> 00:41:19,520

it like whenever it stood up on both of

1153

00:41:23,670 --> 00:41:21,440

its back legs like that it just made one

1154

00:41:25,910 --> 00:41:23,680

popping sound out of its sternum

1155

00:41:29,109 --> 00:41:25,920

like a like if you hit a 50 gallon drum

1156

00:41:30,710 --> 00:41:29,119

with a bat it was like bunk real loud

1157

00:41:33,430 --> 00:41:30,720

and but that's all it did it didn't make

1158

00:41:35,270 --> 00:41:33,440

any joint popping or you know like like

1159

00:41:37,589 --> 00:41:35,280

it was literally

1160

00:41:40,630 --> 00:41:37,599

uh correcting its posture it's like it

1161

00:41:43,430 --> 00:41:40,640

it can just go from all fours to upright

1162

00:41:44,710 --> 00:41:43,440

like it doesn't have to

1163

00:41:46,630 --> 00:41:44,720

you know what i'm saying like it doesn't

1164

00:41:49,430 --> 00:41:46,640

have to necessarily

1165

00:41:50,790 --> 00:41:49,440

try to transform it's all ready to go it

1166

00:41:53,030 --> 00:41:50,800

can just go

1167

00:41:54,950 --> 00:41:53,040

that's and that's my personal opinion

1168

00:41:57,270 --> 00:41:54,960

just because of how it moved like the

1169

00:41:59,910 --> 00:41:57,280

fluidity and its movements it wasn't

1170

00:42:01,990 --> 00:41:59,920

jerky it wasn't trying to like

1171

00:42:04,069 --> 00:42:02,000

stretching itself out it just stood up

1172

00:42:05,829 --> 00:42:04,079

and it went like this pulled its chest

1173

00:42:07,750 --> 00:42:05,839

out and popped and then it was like it

1174

00:42:09,750 --> 00:42:07,760

was like ready it just started taking a

1175

00:42:11,349 --> 00:42:09,760

step towards me and

1176

00:42:13,030 --> 00:42:11,359

if it would have stood there i might not

1177

00:42:14,550 --> 00:42:13,040

have done nothing you know if it would

1178

00:42:16,550 --> 00:42:14,560

have just stood there and looked at me

1179

00:42:18,230 --> 00:42:16,560

it might have got away with it but when

1180

00:42:20,630 --> 00:42:18,240

it took a step towards me i just viewed

1181

00:42:22,390 --> 00:42:20,640

that as aggression you know because

1182

00:42:23,990 --> 00:42:22,400

you're already close enough to reach out

1183

00:42:26,630 --> 00:42:24,000

and grab me practically why do you need

1184

00:42:28,710 --> 00:42:26,640

to get closer to him right right so i

1185

00:42:31,270 --> 00:42:28,720

want you guys to hear something that i

1186

00:42:33,510 --> 00:42:31,280

got a call on the other day

1187

00:42:36,069 --> 00:42:33,520

and i got eric involved with this

1188

00:42:37,910 --> 00:42:36,079

because it was so bizarre

1189

00:42:39,750 --> 00:42:37,920

uh

1190

00:42:42,710 --> 00:42:39,760

now you all remember butch now butch

1191

00:42:44,710 --> 00:42:42,720

lived up in birdsboro pennsylvania and

1192

00:42:46,150 --> 00:42:44,720

there's an area not far from him called

1193

00:42:48,470 --> 00:42:46,160

french creek

1194

00:42:50,470 --> 00:42:48,480

it's a you know it's a natural area

1195

00:42:51,990 --> 00:42:50,480

and butch has been investigating that

1196

00:42:54,230 --> 00:42:52,000

for years

1197

00:42:56,790 --> 00:42:54,240

and he swore there were dog men in there

1198

00:43:00,069 --> 00:42:56,800

or upright canines

1199

00:43:02,390 --> 00:43:00,079

so now butch passes away in february

1200

00:43:04,950 --> 00:43:02,400

and now i get a call from a guy by the

1201

00:43:08,230 --> 00:43:04,960

name of matt

1202

00:43:09,670 --> 00:43:08,240

and this guy is describing

1203

00:43:11,030 --> 00:43:09,680

i don't know what the hell this thing

1204

00:43:13,430 --> 00:43:11,040

was

1205

00:43:15,829 --> 00:43:13,440

so i asked eric

1206

00:43:16,950 --> 00:43:15,839

to give this guy a call and run it by

1207

00:43:20,069 --> 00:43:16,960

him

1208

00:43:21,750 --> 00:43:20,079

and eric tell us what he told you and

1209

00:43:24,710 --> 00:43:21,760

what's your assessment of what's going

1210

00:43:29,190 --> 00:43:24,720

on because i've got a i've got uh

1211

00:43:31,670 --> 00:43:29,200

timothy renner and and uh uh

1212

00:43:33,270 --> 00:43:31,680

one of our other investigators in going

1213

00:43:34,390 --> 00:43:33,280

on with this as well

1214

00:43:36,710 --> 00:43:34,400

but uh

1215

00:43:39,670 --> 00:43:36,720

eric what do you think's going on

1216

00:43:42,710 --> 00:43:39,680

well i just sent uh i just sent uh

1217

00:43:44,790 --> 00:43:42,720

vincent the uh photo that this gentleman

1218

00:43:48,150 --> 00:43:44,800

i talked to his name is matt

1219

00:43:49,510 --> 00:43:48,160

he drew a description of this thing and

1220

00:43:50,630 --> 00:43:49,520

before we go

1221

00:43:53,030 --> 00:43:50,640

into that

1222

00:43:56,230 --> 00:43:53,040

you know i talked to this guy he's 53

1223

00:43:59,910 --> 00:43:56,240

he's uh you know he's avid outdoorsman

1224

00:44:02,790 --> 00:43:59,920

um he's a aerospace engineer you know

1225

00:44:04,630 --> 00:44:02,800

found the guy very easy to talk to but

1226

00:44:06,550 --> 00:44:04,640

was very

1227

00:44:08,950 --> 00:44:06,560

very agitated and very like you could

1228

00:44:10,790 --> 00:44:08,960

tell that this experience really shook

1229

00:44:13,990 --> 00:44:10,800

him you know you could tell that

1230

00:44:14,870 --> 00:44:14,000

um he was basically out in

1231

00:44:18,470 --> 00:44:14,880

uh

1232

00:44:19,829 --> 00:44:18,480

that's

1233

00:44:21,829 --> 00:44:19,839

it's over near

1234

00:44:23,589 --> 00:44:21,839

i guess it's in birdsboro it's in it's

1235

00:44:24,470 --> 00:44:23,599

in berks county pennsylvania it's burst

1236

00:44:25,910 --> 00:44:24,480

county

1237

00:44:28,309 --> 00:44:25,920

so he had been over there with his

1238

00:44:30,630 --> 00:44:28,319

daughter fishing and uh they had to walk

1239

00:44:32,309 --> 00:44:30,640

down this trail and go fishing at the

1240

00:44:34,550 --> 00:44:32,319

spot that they were fishing

1241

00:44:37,190 --> 00:44:34,560

so as they're fishing he's

1242

00:44:39,670 --> 00:44:37,200

hearing this like it sounds like trees

1243

00:44:41,430 --> 00:44:39,680

knocking down you know like trees

1244

00:44:42,790 --> 00:44:41,440

getting knocked over just and it's been

1245

00:44:44,069 --> 00:44:42,800

going on for like an hour and a half

1246

00:44:45,750 --> 00:44:44,079

while they're fishing

1247

00:44:47,270 --> 00:44:45,760

and he just he doesn't see it he could

1248

00:44:50,470 --> 00:44:47,280

hear it you know

1249

00:44:52,230 --> 00:44:50,480

and so as they get done fishing

1250

00:44:54,470 --> 00:44:52,240

and all of a sudden he's hearing it

1251  
00:44:55,670 --> 00:44:54,480  
again and he looks up and what he's what

1252  
00:44:57,990 --> 00:44:55,680  
he sees

1253  
00:45:00,150 --> 00:44:58,000  
is up in this pine tree i guess there

1254  
00:45:01,430 --> 00:45:00,160  
was there's a rock ledge there was a

1255  
00:45:02,309 --> 00:45:01,440  
rock wall

1256  
00:45:03,910 --> 00:45:02,319  
and yeah

1257  
00:45:06,390 --> 00:45:03,920  
he was on the other side of a small

1258  
00:45:08,230 --> 00:45:06,400  
quarry up there yeah and he was looking

1259  
00:45:09,990 --> 00:45:08,240  
on the other side of the quarry yeah it

1260  
00:45:12,150 --> 00:45:10,000  
was like three or four hundred feet away

1261  
00:45:14,950 --> 00:45:12,160  
yeah and he's looking up and he sees all

1262  
00:45:17,270 --> 00:45:14,960  
this commotion going on in the treetops

1263  
00:45:18,790 --> 00:45:17,280

and here he looks at it he sees what he

1264

00:45:21,349 --> 00:45:18,800

thinks is an arm

1265

00:45:23,670 --> 00:45:21,359

reaching out to grab this bird

1266

00:45:25,750 --> 00:45:23,680

it was like it was grabbing this bird

1267

00:45:27,510 --> 00:45:25,760

well as it did that

1268

00:45:30,470 --> 00:45:27,520

he said it fell

1269

00:45:33,270 --> 00:45:30,480

out of this tree like 60 feet

1270

00:45:35,670 --> 00:45:33,280

flat onto this rock ledge

1271

00:45:38,470 --> 00:45:35,680

and i mean it would kill a human being

1272

00:45:40,309 --> 00:45:38,480

you know this thing flattened out

1273

00:45:42,230 --> 00:45:40,319

and then stood up and when it stood up

1274

00:45:43,589 --> 00:45:42,240

it stood up on two legs

1275

00:45:45,349 --> 00:45:43,599

and this is kind of what he what he

1276

00:45:48,390 --> 00:45:45,359

described what he saw

1277

00:45:51,190 --> 00:45:48,400

um and he said the legs themselves were

1278

00:45:54,069 --> 00:45:51,200

like just from the hip to the heel was

1279

00:45:55,910 --> 00:45:54,079

like six feet and the the arms were like

1280

00:45:58,390 --> 00:45:55,920

six feet from his you know from his

1281

00:46:00,390 --> 00:45:58,400

direction from his perspective so if

1282

00:46:02,470 --> 00:46:00,400

this thing reached up like put it in it

1283

00:46:03,910 --> 00:46:02,480

would be like 12 feet tall

1284

00:46:05,109 --> 00:46:03,920

um

1285

00:46:07,430 --> 00:46:05,119

and that was kind of like he said it

1286

00:46:10,390 --> 00:46:07,440

looked like sort of like a like it kept

1287

00:46:11,430 --> 00:46:10,400

like a hyena uh you know head to it and

1288

00:46:13,349 --> 00:46:11,440

snout

1289

00:46:14,710 --> 00:46:13,359

and these low ears

1290

00:46:17,430 --> 00:46:14,720

you know pretty much like what he's

1291

00:46:19,670 --> 00:46:17,440

drawn there and it was like a um and

1292

00:46:20,710 --> 00:46:19,680

like almost like cheetah type markings

1293

00:46:22,069 --> 00:46:20,720

there

1294

00:46:22,950 --> 00:46:22,079

so um

1295

00:46:26,150 --> 00:46:22,960

you know

1296

00:46:28,390 --> 00:46:26,160

then he got really really nervous

1297

00:46:31,589 --> 00:46:28,400

um because what he heard so

1298

00:46:32,870 --> 00:46:31,599

he had his car and his truck were were

1299

00:46:35,270 --> 00:46:32,880

basically

1300

00:46:38,069 --> 00:46:35,280

where this thing disappeared into he had

1301  
00:46:40,550 --> 00:46:38,079  
to go the same way to go get his truck

1302  
00:46:42,309 --> 00:46:40,560  
so he got really nervous going back into

1303  
00:46:44,470 --> 00:46:42,319  
that area but you know people were

1304  
00:46:45,829 --> 00:46:44,480  
coming up the trail and he's asking them

1305  
00:46:48,390 --> 00:46:45,839  
did you see anything

1306  
00:46:49,589 --> 00:46:48,400  
and he was trying to warn people um you

1307  
00:46:50,950 --> 00:46:49,599  
know and just

1308  
00:46:53,750 --> 00:46:50,960  
you know and i think more people

1309  
00:46:55,750 --> 00:46:53,760  
nowadays are more open to these type of

1310  
00:46:56,550 --> 00:46:55,760  
sightings than maybe even like 10 years

1311  
00:46:58,309 --> 00:46:56,560  
ago

1312  
00:46:59,990 --> 00:46:58,319  
uh whereas you know people have had

1313  
00:47:01,510 --> 00:47:00,000

those experiences

1314

00:47:03,670 --> 00:47:01,520

but a couple of the people that he

1315

00:47:05,750 --> 00:47:03,680

talked to didn't uh hadn't seen anything

1316

00:47:07,829 --> 00:47:05,760

so for all intents and purposes this

1317

00:47:10,309 --> 00:47:07,839

thing disappeared

1318

00:47:12,630 --> 00:47:10,319

so um he didn't know what it was you

1319

00:47:15,030 --> 00:47:12,640

know he he wasn't i think he said he

1320

00:47:17,910 --> 00:47:15,040

wasn't really carrying a weapon

1321

00:47:20,309 --> 00:47:17,920

so it was one of those things and i mean

1322

00:47:21,910 --> 00:47:20,319

it goes back to my dog man encounter in

1323

00:47:24,150 --> 00:47:21,920

elkhorn wisconsin

1324

00:47:26,069 --> 00:47:24,160

you know and it's uh it's along the

1325

00:47:27,670 --> 00:47:26,079

similar lines of like

1326

00:47:29,430 --> 00:47:27,680

not being prepared

1327

00:47:30,630 --> 00:47:29,440

which you know i thought you know i

1328

00:47:33,190 --> 00:47:30,640

don't know if you want me to tell that

1329

00:47:35,670 --> 00:47:33,200

story lon but that was sure go ahead

1330

00:47:38,710 --> 00:47:35,680

you know for you guys ron and james that

1331

00:47:41,750 --> 00:47:38,720

don't know and and the listeners um so

1332

00:47:43,670 --> 00:47:41,760

my team did a investigation in elkhorn

1333

00:47:45,589 --> 00:47:43,680

wisconsin of the beast of bray road

1334

00:47:46,390 --> 00:47:45,599

which i'm sure a lot of you have heard

1335

00:47:48,150 --> 00:47:46,400

of

1336

00:47:51,190 --> 00:47:48,160

uh and again that's supposed to be an

1337

00:47:52,390 --> 00:47:51,200

upright canine dog man werewolf-like

1338

00:47:54,950 --> 00:47:52,400

creature

1339

00:47:56,390 --> 00:47:54,960

so we go out and i'm like thinking oh

1340

00:47:58,150 --> 00:47:56,400

we're gonna do this great you know

1341

00:48:00,230 --> 00:47:58,160

documentary video it's gonna be great

1342

00:48:01,990 --> 00:48:00,240

you know one of our fans you know got us

1343

00:48:02,790 --> 00:48:02,000

out there and she sponsored the entire

1344

00:48:05,990 --> 00:48:02,800

thing

1345

00:48:07,910 --> 00:48:06,000

and uh and we get out there not thinking

1346

00:48:09,990 --> 00:48:07,920

that i'd actually encounter that we

1347

00:48:11,990 --> 00:48:10,000

would actually encounter this thing on

1348

00:48:14,710 --> 00:48:12,000

the night of october third

1349

00:48:16,950 --> 00:48:14,720

and so to preface the entire thing we

1350

00:48:20,230 --> 00:48:16,960

were on the farm of lee hampel

1351

00:48:23,670 --> 00:48:20,240

lee is a retired math teacher uh he has

1352

00:48:26,470 --> 00:48:23,680

a 35 acre hayfield that it's a hay farm

1353

00:48:28,630 --> 00:48:26,480

and he he's a hay farmer great guy him

1354

00:48:31,430 --> 00:48:28,640

and his brother fred awesome people

1355

00:48:32,950 --> 00:48:31,440

um so the night of october 3rd and

1356

00:48:36,390 --> 00:48:32,960

earlier in the day

1357

00:48:38,230 --> 00:48:36,400

i decided well let's bait the area let's

1358

00:48:39,430 --> 00:48:38,240

go down to this area that lee calls the

1359

00:48:41,510 --> 00:48:39,440

bait area

1360

00:48:44,470 --> 00:48:41,520

where i'll tell you you know he's got

1361

00:48:46,549 --> 00:48:44,480

you talk about lights ron you talk about

1362

00:48:48,870 --> 00:48:46,559

lights going through the woods

1363

00:48:51,430 --> 00:48:48,880

lee has pictures of

1364

00:48:54,150 --> 00:48:51,440

literally like ufo lights going through

1365

00:48:55,510 --> 00:48:54,160

the woods video from his trail cam and

1366

00:48:57,589 --> 00:48:55,520

we went over to those woods and there

1367

00:48:59,510 --> 00:48:57,599

was no way that could be like vehicles

1368

00:49:01,589 --> 00:48:59,520

or atvs or anything like that going

1369

00:49:03,109 --> 00:49:01,599

through there because it's really thick

1370

00:49:05,750 --> 00:49:03,119

and they were just smoothly going

1371

00:49:07,510 --> 00:49:05,760

through the trees like that huge orbs

1372

00:49:10,710 --> 00:49:07,520

and just incredible

1373

00:49:13,510 --> 00:49:10,720

so those were on the trail cams and uh

1374

00:49:15,750 --> 00:49:13,520

before before we had our encounter with

1375

00:49:18,630 --> 00:49:15,760

the with the dog man

1376

00:49:20,470 --> 00:49:18,640

we get out there it's about 8 30.

1377

00:49:22,230 --> 00:49:20,480

lee had just gotten done showing us a

1378

00:49:24,230 --> 00:49:22,240

lot of the anomalies and stuff that he's

1379

00:49:26,790 --> 00:49:24,240

had on the property over the years

1380

00:49:28,710 --> 00:49:26,800

and we go out to the field

1381

00:49:30,390 --> 00:49:28,720

it's about 8 30 so it's october so it's

1382

00:49:31,510 --> 00:49:30,400

got dark early

1383

00:49:34,390 --> 00:49:31,520

and uh

1384

00:49:36,309 --> 00:49:34,400

don and it had been kind of cloudy so we

1385

00:49:37,750 --> 00:49:36,319

were not sure we might it was going to

1386

00:49:38,790 --> 00:49:37,760

rain we thought maybe we'd have to scrub

1387

00:49:41,510 --> 00:49:38,800

the whole thing

1388

00:49:43,510 --> 00:49:41,520

so anyway we get out there and the skies

1389

00:49:44,549 --> 00:49:43,520

cleared up and dominic's to tell my

1390

00:49:46,470 --> 00:49:44,559

teammate

1391

00:49:48,549 --> 00:49:46,480

uh and it was me dominic and ellen

1392

00:49:49,829 --> 00:49:48,559

collins and scott chrysler who was doing

1393

00:49:51,829 --> 00:49:49,839

the filming

1394

00:49:54,790 --> 00:49:51,839

um dominic looks up because what the

1395

00:49:57,589 --> 00:49:54,800

hell is that and you could see it was a

1396

00:49:58,549 --> 00:49:57,599

solid white orb just going over the

1397

00:50:00,230 --> 00:49:58,559

field

1398

00:50:01,670 --> 00:50:00,240

and you could see other planes there

1399

00:50:04,390 --> 00:50:01,680

were planes in the air you could see

1400

00:50:06,950 --> 00:50:04,400

other planes 30 000 feet flying this

1401  
00:50:08,150 --> 00:50:06,960  
thing was a solid orb of light that went

1402  
00:50:10,470 --> 00:50:08,160  
over the field

1403  
00:50:11,910 --> 00:50:10,480  
silent no no sound

1404  
00:50:13,349 --> 00:50:11,920  
and as it's going over we're trying to

1405  
00:50:15,270 --> 00:50:13,359  
figure out what the hell it is you know

1406  
00:50:18,390 --> 00:50:15,280  
and then all of a sudden it does this

1407  
00:50:20,150 --> 00:50:18,400  
little 45 degree angle and disappears

1408  
00:50:22,630 --> 00:50:20,160  
and you can see it all on video it's our

1409  
00:50:24,790 --> 00:50:22,640  
it's on our video called the vista great

1410  
00:50:27,190 --> 00:50:24,800  
road alive and well it's on our youtube

1411  
00:50:29,349 --> 00:50:27,200  
channel that was the first thing

1412  
00:50:32,230 --> 00:50:29,359  
so we were like what we could believe

1413  
00:50:33,270 --> 00:50:32,240

that that was just very crazy then after

1414

00:50:38,470 --> 00:50:33,280

that

1415

00:50:40,950 --> 00:50:38,480

howl in the distance

1416

00:50:42,710 --> 00:50:40,960

and then it we heard one closer

1417

00:50:44,950 --> 00:50:42,720

and then the third one

1418

00:50:46,630 --> 00:50:44,960

the third howl and i think vincent i

1419

00:50:48,790 --> 00:50:46,640

gave you a video

1420

00:50:50,309 --> 00:50:48,800

um of this howl and i also give you the

1421

00:50:52,230 --> 00:50:50,319

the ufo video i don't know if you could

1422

00:50:53,430 --> 00:50:52,240

play that um

1423

00:50:55,270 --> 00:50:53,440

but

1424

00:50:57,990 --> 00:50:55,280

this howl to me

1425

00:51:01,109 --> 00:50:58,000

it was not a fox it wasn't an owl it

1426

00:51:03,589 --> 00:51:01,119

wasn't a screech owl nothing like that

1427

00:51:05,589 --> 00:51:03,599

um this was more like a man screaming in

1428

00:51:11,109 --> 00:51:05,599

the field so that's flashing here's the

1429

00:51:15,030 --> 00:51:12,790

that's a plane that's a plane there's a

1430

00:51:15,910 --> 00:51:15,040

plane over here that is just solid

1431

00:51:18,230 --> 00:51:15,920

lights

1432

00:51:20,870 --> 00:51:18,240

going away from us

1433

00:51:22,710 --> 00:51:20,880

well actually it was getting brighter

1434

00:51:24,230 --> 00:51:22,720

holy now it's gone really gone well look

1435

00:51:25,430 --> 00:51:24,240

at that yeah it's gone it's gone it's

1436

00:51:27,109 --> 00:51:25,440

gone

1437

00:51:29,190 --> 00:51:27,119

and we're like that's what and that was

1438

00:51:31,430 --> 00:51:29,200

real time there that was just real time

1439

00:51:33,829 --> 00:51:31,440

uh what we were seeing and what we were

1440

00:51:35,750 --> 00:51:33,839

experiencing at that point uh and like i

1441

00:51:37,670 --> 00:51:35,760

said the howls then this third hell it

1442

00:51:39,910 --> 00:51:37,680

to me it sounded like a man screaming in

1443

00:51:41,349 --> 00:51:39,920

the field it was really this something

1444

00:51:42,390 --> 00:51:41,359

i've never heard before it's like a

1445

00:51:43,349 --> 00:51:42,400

guttural

1446

00:51:46,390 --> 00:51:43,359

like

1447

00:51:48,390 --> 00:51:46,400

growl yell combination

1448

00:51:57,030 --> 00:51:48,400

and check this out

1449

00:51:57,040 --> 00:52:00,390

that's getting closer

1450

00:52:06,470 --> 00:52:03,510

you can if you go to the video it sounds

1451

00:52:08,069 --> 00:52:06,480

a lot better i gotta tell you though

1452

00:52:12,950 --> 00:52:08,079

that sound

1453

00:52:15,829 --> 00:52:12,960

we had little lavalier microphones on

1454

00:52:18,150 --> 00:52:15,839

those tiny mics it was that loud to pick

1455

00:52:20,630 --> 00:52:18,160

it up and it was about three maybe 400

1456

00:52:21,750 --> 00:52:20,640

yards away maybe even more

1457

00:52:23,589 --> 00:52:21,760

um

1458

00:52:25,670 --> 00:52:23,599

it was it was

1459

00:52:28,230 --> 00:52:25,680

wolf like but and definitely not a

1460

00:52:32,630 --> 00:52:28,240

coyote no it's not a coyote definitely

1461

00:52:34,950 --> 00:52:32,640

not a coyote it had this like raspy

1462

00:52:36,390 --> 00:52:34,960

you know guttural kind of uh

1463

00:52:38,790 --> 00:52:36,400

sound to it

1464

00:52:40,230 --> 00:52:38,800

so right off the bat we that put us on

1465

00:52:42,150 --> 00:52:40,240

high alert and it changed my whole

1466

00:52:44,549 --> 00:52:42,160

perspective on what's out there

1467

00:52:45,829 --> 00:52:44,559

because like i said i i went into this

1468

00:52:47,589 --> 00:52:45,839

thinking we were going to go and do this

1469

00:52:49,750 --> 00:52:47,599

great documentary not

1470

00:52:50,710 --> 00:52:49,760

realizing that we'd actually encounter

1471

00:52:52,470 --> 00:52:50,720

this thing

1472

00:52:56,710 --> 00:52:52,480

um and of course i wasn't prepared i

1473

00:53:00,309 --> 00:52:58,309

i hope we had a flashlight and a radio

1474

00:53:03,109 --> 00:53:00,319

that was it that was and that would not

1475

00:53:04,950 --> 00:53:03,119

do it uh but even like with stan gordon

1476

00:53:07,030 --> 00:53:04,960

you know we talked about stan gordon um

1477

00:53:09,589 --> 00:53:07,040

stan's had you know accounts of some of

1478

00:53:11,990 --> 00:53:09,599

these uh some of these even bigfoot uh

1479

00:53:13,510 --> 00:53:12,000

creatures that they come in light and

1480

00:53:14,549 --> 00:53:13,520

all of a sudden you know that they

1481

00:53:16,950 --> 00:53:14,559

appear

1482

00:53:18,950 --> 00:53:16,960

and who knows if a gun will even like

1483

00:53:20,950 --> 00:53:18,960

work on them you know if they're

1484

00:53:23,109 --> 00:53:20,960

interdimensional type things

1485

00:53:25,430 --> 00:53:23,119

i will say the third

1486

00:53:27,109 --> 00:53:25,440

uh we had a trifecta that night of

1487

00:53:28,950 --> 00:53:27,119

activity so the third thing that

1488

00:53:32,069 --> 00:53:28,960

happened was third thing

1489

00:53:33,589 --> 00:53:32,079

was this weird mist started coming up

1490

00:53:35,510 --> 00:53:33,599

from the field

1491

00:53:38,390 --> 00:53:35,520

and it was the strangest thing man and

1492

00:53:41,270 --> 00:53:38,400

it was like i call it an electronic fog

1493

00:53:42,390 --> 00:53:41,280

because what happened was it started

1494

00:53:44,790 --> 00:53:42,400

cutting our

1495

00:53:46,630 --> 00:53:44,800

our lava our mics in and out it was

1496

00:53:47,589 --> 00:53:46,640

messing with the with the electronics

1497

00:53:49,510 --> 00:53:47,599

there

1498

00:53:50,470 --> 00:53:49,520

and this is a thing that i found out

1499

00:53:52,470 --> 00:53:50,480

later

1500

00:53:54,390 --> 00:53:52,480

from stan was there people are getting a

1501  
00:53:56,790 --> 00:53:54,400  
lot of reports of this mist along with

1502  
00:53:58,150 --> 00:53:56,800  
the bigfoot sightings so i didn't know

1503  
00:53:59,910 --> 00:53:58,160  
that there was a connection there so

1504  
00:54:01,670 --> 00:53:59,920  
there is some kind of weird connection

1505  
00:54:04,069 --> 00:54:01,680  
but you're talking about portals we're

1506  
00:54:06,470 --> 00:54:04,079  
talking about interdimensional things

1507  
00:54:07,510 --> 00:54:06,480  
lee has thousands and thousands of

1508  
00:54:08,309 --> 00:54:07,520  
pictures

1509  
00:54:10,390 --> 00:54:08,319  
of

1510  
00:54:12,150 --> 00:54:10,400  
weird lights portals he's got pictures

1511  
00:54:13,270 --> 00:54:12,160  
of portals there's a picture where

1512  
00:54:14,710 --> 00:54:13,280  
literally

1513  
00:54:15,750 --> 00:54:14,720

there's something standing in this

1514

00:54:17,670 --> 00:54:15,760

doorway

1515

00:54:18,870 --> 00:54:17,680

you know in lon you've had leon you know

1516

00:54:21,349 --> 00:54:18,880

you know lee

1517

00:54:23,349 --> 00:54:21,359

um and he's he's kept a lot of pictures

1518

00:54:25,349 --> 00:54:23,359

very close to the vest there's a lot of

1519

00:54:27,270 --> 00:54:25,359

things that he hasn't shown people which

1520

00:54:28,309 --> 00:54:27,280

are will just blow you away i've seen a

1521

00:54:30,230 --> 00:54:28,319

few of them

1522

00:54:33,349 --> 00:54:30,240

and we usually put them in some of our

1523

00:54:34,630 --> 00:54:33,359

videos and there he is right there

1524

00:54:36,390 --> 00:54:34,640

so

1525

00:54:38,950 --> 00:54:36,400

you know gotta love vincent man we love

1526

00:54:40,470 --> 00:54:38,960

the artists in the paranormal too

1527

00:54:42,150 --> 00:54:40,480

i have another good friend of mine i

1528

00:54:44,390 --> 00:54:42,160

gotta give a shout out timothy wayne

1529

00:54:45,910 --> 00:54:44,400

williams he does a lot of our artwork

1530

00:54:47,430 --> 00:54:45,920

for a lot of our videos and does

1531

00:54:49,190 --> 00:54:47,440

reenactments of some of the scenes that

1532

00:54:51,270 --> 00:54:49,200

we've been in so it's always good to

1533

00:54:52,870 --> 00:54:51,280

have a great artist on your team as well

1534

00:54:55,670 --> 00:54:52,880

because i'll tell you you know to be

1535

00:54:57,990 --> 00:54:55,680

able to to get your descriptions of

1536

00:54:59,829 --> 00:54:58,000

these creatures is really really really

1537

00:55:01,430 --> 00:54:59,839

important um

1538

00:55:03,109 --> 00:55:01,440

but you know

1539

00:55:05,670 --> 00:55:03,119

there were so many weird things that

1540

00:55:06,789 --> 00:55:05,680

happened that in that couple of day time

1541

00:55:09,030 --> 00:55:06,799

frame

1542

00:55:11,190 --> 00:55:09,040

so the other thing was we left the

1543

00:55:13,270 --> 00:55:11,200

investigation that night

1544

00:55:16,150 --> 00:55:13,280

the weirdest thing the entire town of

1545

00:55:19,030 --> 00:55:16,160

elkhorn lost power

1546

00:55:20,630 --> 00:55:19,040

it was completely out of power so you

1547

00:55:22,069 --> 00:55:20,640

had that so the next morning i got a

1548

00:55:24,870 --> 00:55:22,079

call from lee

1549

00:55:26,549 --> 00:55:24,880

saying oh by the way the trail cams that

1550

00:55:27,910 --> 00:55:26,559

i had on

1551  
00:55:29,829 --> 00:55:27,920  
on you guys

1552  
00:55:32,150 --> 00:55:29,839  
they stopped at five o'clock the night

1553  
00:55:33,589 --> 00:55:32,160  
of the investigation and didn't turn on

1554  
00:55:34,470 --> 00:55:33,599  
again until seven o'clock the next

1555  
00:55:35,990 --> 00:55:34,480  
morning

1556  
00:55:37,589 --> 00:55:36,000  
so it's like something went out there

1557  
00:55:39,750 --> 00:55:37,599  
and shut it off

1558  
00:55:42,069 --> 00:55:39,760  
and it was just the strangest thing and

1559  
00:55:44,230 --> 00:55:42,079  
then on the on top of that the bones

1560  
00:55:46,710 --> 00:55:44,240  
were gone i we had steak bones that i

1561  
00:55:48,789 --> 00:55:46,720  
had baited in that area they were gone

1562  
00:55:50,710 --> 00:55:48,799  
so you know maybe coyotes took those who

1563  
00:55:53,510 --> 00:55:50,720

i don't know but that would they were

1564

00:55:56,069 --> 00:55:53,520

gone and i'll tell you you know the just

1565

00:55:58,309 --> 00:55:56,079

the weirdest thing and uh so in my hotel

1566

00:56:00,870 --> 00:55:58,319

room we always laugh about this but uh

1567

00:56:03,349 --> 00:56:00,880

the hotel lost power too and i i found

1568

00:56:04,789 --> 00:56:03,359

on the floor of my hotel room a stick i

1569

00:56:06,150 --> 00:56:04,799

might i must have brought back from

1570

00:56:07,589 --> 00:56:06,160

lee's field

1571

00:56:10,390 --> 00:56:07,599

and dominic goes you brought it back

1572

00:56:13,190 --> 00:56:10,400

with you didn't you so

1573

00:56:15,589 --> 00:56:13,200

but it was just crazy i mean um

1574

00:56:17,190 --> 00:56:15,599

and you guys are i mean this is and this

1575

00:56:18,789 --> 00:56:17,200

is elkhorn now

1576

00:56:19,910 --> 00:56:18,799

let's fast forward to just a couple of

1577

00:56:21,750 --> 00:56:19,920

weeks ago

1578

00:56:23,589 --> 00:56:21,760

uh lon i don't know you guys probably

1579

00:56:25,829 --> 00:56:23,599

know tom carrey too

1580

00:56:28,630 --> 00:56:25,839

tom carrey is he's the he's out in

1581

00:56:31,910 --> 00:56:28,640

roswell right now for the roswell uh

1582

00:56:34,630 --> 00:56:31,920

festival but uh tom is you know the

1583

00:56:37,030 --> 00:56:34,640

authority of roswell he did so much uh

1584

00:56:38,549 --> 00:56:37,040

he's written seven books on roswell

1585

00:56:41,190 --> 00:56:38,559

talked to the people who actually saw

1586

00:56:42,630 --> 00:56:41,200

the bodies handled the wreckage i mean

1587

00:56:44,630 --> 00:56:42,640

if you have it if you don't know tom

1588

00:56:47,430 --> 00:56:44,640

carrey go check him out he's incredible

1589

00:56:48,950 --> 00:56:47,440

but tom is also an anthropologist which

1590

00:56:51,829 --> 00:56:48,960

we didn't realize

1591

00:56:54,069 --> 00:56:51,839

and tom gave us a really great uh idea

1592

00:56:55,829 --> 00:56:54,079

of what bigfoot could be

1593

00:56:58,470 --> 00:56:55,839

and it's in another video we did in the

1594

00:57:01,270 --> 00:56:58,480

bigfoot in the pine barrens but tom and

1595

00:57:03,750 --> 00:57:01,280

i right now are investigating

1596

00:57:05,910 --> 00:57:03,760

a dogman sighting in montgomery county

1597

00:57:07,589 --> 00:57:05,920

pennsylvania called the beast of bryn

1598

00:57:11,030 --> 00:57:07,599

athen it's around the bryn athen

1599

00:57:12,470 --> 00:57:11,040

pennsylvania area that's around like um

1600

00:57:14,470 --> 00:57:12,480

you want to say you know huntington

1601  
00:57:16,390 --> 00:57:14,480  
valley lawn like around that area yeah

1602  
00:57:18,230 --> 00:57:16,400  
it's up near penn state

1603  
00:57:20,309 --> 00:57:18,240  
and the weirdest thing is it's we're

1604  
00:57:21,910 --> 00:57:20,319  
getting these reports of these people

1605  
00:57:23,510 --> 00:57:21,920  
and witness descriptions too where

1606  
00:57:25,990 --> 00:57:23,520  
they're drawing them out

1607  
00:57:28,230 --> 00:57:26,000  
this thing's on four legs very very

1608  
00:57:30,309 --> 00:57:28,240  
strange way of walking

1609  
00:57:31,990 --> 00:57:30,319  
but then it gets up on two legs and when

1610  
00:57:34,950 --> 00:57:32,000  
it's on two legs

1611  
00:57:36,630 --> 00:57:34,960  
it's like gliding it just glides

1612  
00:57:38,470 --> 00:57:36,640  
people have seen this thing in the field

1613  
00:57:42,390 --> 00:57:38,480

it's gliding in the field and it stops

1614

00:57:43,589 --> 00:57:42,400

goes down for all fours and takes off

1615

00:57:47,990 --> 00:57:43,599

also

1616

00:57:49,990 --> 00:57:48,000

some portal activity they're seeing this

1617

00:57:52,150 --> 00:57:50,000

thing and all of a sudden it's gone it

1618

00:57:53,829 --> 00:57:52,160

disappears and the way it's running and

1619

00:57:56,390 --> 00:57:53,839

jumping it's jumping and kind of

1620

00:57:58,230 --> 00:57:56,400

bouncing in different areas so it's it's

1621

00:57:59,430 --> 00:57:58,240

just very very strange so we're looking

1622

00:58:00,630 --> 00:57:59,440

into that now

1623

00:58:02,710 --> 00:58:00,640

and uh

1624

00:58:03,990 --> 00:58:02,720

even talked to the mayor down there and

1625

00:58:05,750 --> 00:58:04,000

uh he's

1626

00:58:07,190 --> 00:58:05,760

he's intrigued by the whole thing so

1627

00:58:08,549 --> 00:58:07,200

there's a lot of witnesses that we still

1628

00:58:11,030 --> 00:58:08,559

need to talk to so this is a really

1629

00:58:13,670 --> 00:58:11,040

fresh case well that huntington valley

1630

00:58:15,349 --> 00:58:13,680

huntington valley um

1631

00:58:16,870 --> 00:58:15,359

there's a lot of bigfoot activity up

1632

00:58:18,069 --> 00:58:16,880

there because i've been called to cases

1633

00:58:19,589 --> 00:58:18,079

before

1634

00:58:22,309 --> 00:58:19,599

uh

1635

00:58:23,510 --> 00:58:22,319

that's near raystown lake yeah that area

1636

00:58:25,349 --> 00:58:23,520

around there

1637

00:58:27,510 --> 00:58:25,359

and that whole valley's got some spooky

1638

00:58:29,910 --> 00:58:27,520

stuff i mean you know even before before

1639

00:58:32,390 --> 00:58:29,920

they damned up the river and put the

1640

00:58:34,710 --> 00:58:32,400

lake in there well you know here we are

1641

00:58:37,750 --> 00:58:34,720

in bucks county here and marks county

1642

00:58:39,910 --> 00:58:37,760

had the huge ufo flap in 2008 that we're

1643

00:58:41,510 --> 00:58:39,920

still talking about people still can't

1644

00:58:42,950 --> 00:58:41,520

and there i mean there was thousands of

1645

00:58:43,829 --> 00:58:42,960

reports and people are still talking

1646

00:58:45,990 --> 00:58:43,839

about it

1647

00:58:48,789 --> 00:58:46,000

uh you know and the week after we got

1648

00:58:51,190 --> 00:58:48,799

back from elkhorn we went to investigate

1649

00:58:53,510 --> 00:58:51,200

reports of juvenile bigfoot sightings in

1650

00:58:54,309 --> 00:58:53,520

the new jersey time barons

1651  
00:58:58,230 --> 00:58:54,319  
and

1652  
00:59:00,069 --> 00:58:58,240  
that's in the video as well i mean so

1653  
00:59:02,710 --> 00:59:00,079  
ron you're talking about like pinpoints

1654  
00:59:04,950 --> 00:59:02,720  
of light and things like that we dominic

1655  
00:59:06,069 --> 00:59:04,960  
we kept seeing and this is a phenomenon

1656  
00:59:08,470 --> 00:59:06,079  
going on too

1657  
00:59:09,270 --> 00:59:08,480  
red pinpoints of light that people are

1658  
00:59:11,270 --> 00:59:09,280  
seeing

1659  
00:59:13,670 --> 00:59:11,280  
along with these bigfoot sightings could

1660  
00:59:14,549 --> 00:59:13,680  
it be i shine we don't know

1661  
00:59:16,230 --> 00:59:14,559  
um

1662  
00:59:19,190 --> 00:59:16,240  
i meant to say and i forgot to say this

1663  
00:59:20,950 --> 00:59:19,200

too we shined where we heard the dog man

1664

00:59:24,230 --> 00:59:20,960

and when and james you're talking about

1665

00:59:27,190 --> 00:59:24,240

the yellow eyes we saw eye shine

1666

00:59:28,950 --> 00:59:27,200

over in the in the cornfield now the

1667

00:59:30,870 --> 00:59:28,960

corn was up at this time

1668

00:59:32,710 --> 00:59:30,880

um and we saw these eyes like just

1669

00:59:35,109 --> 00:59:32,720

darting like back and forth like this

1670

00:59:36,470 --> 00:59:35,119

and it was about six seven feet up into

1671

00:59:39,030 --> 00:59:36,480

the tree line

1672

00:59:40,549 --> 00:59:39,040

so it was very it was there something

1673

00:59:43,430 --> 00:59:40,559

was definitely there

1674

00:59:45,750 --> 00:59:43,440

um but in the pine barrens we're sitting

1675

00:59:48,150 --> 00:59:45,760

there talking to art mac one of the eric

1676  
00:59:49,270 --> 00:59:48,160  
spinner and art mac you know bigfoot

1677  
00:59:51,190 --> 00:59:49,280  
researchers

1678  
00:59:53,030 --> 00:59:51,200  
and just real quick that we were talking

1679  
00:59:54,549 --> 00:59:53,040  
to art talking about their protocols and

1680  
00:59:56,230 --> 00:59:54,559  
what they do when they're doing their

1681  
00:59:59,510 --> 00:59:56,240  
investigation

1682  
01:00:01,990 --> 00:59:59,520  
as we're doing that we heard a whoop

1683  
01:00:03,990 --> 01:00:02,000  
and i i stopped we stopped

1684  
01:00:06,390 --> 01:00:04,000  
and we heard it again

1685  
01:00:08,069 --> 01:00:06,400  
and here eric has these hi you can hear

1686  
01:00:10,309 --> 01:00:08,079  
it on the camera but eric had the high

1687  
01:00:12,549 --> 01:00:10,319  
powered uh microphones going on at the

1688  
01:00:15,750 --> 01:00:12,559

same time so we listened back and sure

1689

01:00:19,190 --> 01:00:15,760

enough you can hear that and as we're

1690

01:00:21,829 --> 01:00:19,200

hearing these whoops eric's wife

1691

01:00:23,990 --> 01:00:21,839

goes and starts answering it back

1692

01:00:25,349 --> 01:00:24,000

and so she starts going whoop and it

1693

01:00:26,870 --> 01:00:25,359

answers back

1694

01:00:28,309 --> 01:00:26,880

and this was going back and forth for

1695

01:00:30,950 --> 01:00:28,319

like four or five times so they were

1696

01:00:33,109 --> 01:00:30,960

having a conversation so this was there

1697

01:00:35,270 --> 01:00:33,119

was definitely something there

1698

01:00:39,030 --> 01:00:35,280

and i mean we're five miles into the

1699

01:00:41,270 --> 01:00:39,040

pine barrens there is not a soul around

1700

01:00:43,750 --> 01:00:41,280

no houses no nothing

1701

01:00:45,990 --> 01:00:43,760

uh when we parked the truck we went

1702

01:00:46,870 --> 01:00:46,000

about 600 feet into this area called the

1703

01:00:48,150 --> 01:00:46,880

bowl

1704

01:00:50,390 --> 01:00:48,160

and it's an area that's kind of like

1705

01:00:52,710 --> 01:00:50,400

it's up on either side you look it looks

1706

01:00:54,710 --> 01:00:52,720

you know for all intense purposes

1707

01:00:57,270 --> 01:00:54,720

and it's high on sides so we were down

1708

01:00:59,270 --> 01:00:57,280

in this area and i'll tell you man that

1709

01:01:01,990 --> 01:00:59,280

was just and then we we kept hearing

1710

01:01:03,990 --> 01:01:02,000

rustling sounds there was no wind it was

1711

01:01:06,470 --> 01:01:04,000

dead calm but we kept hearing this

1712

01:01:08,390 --> 01:01:06,480

rustling and that whoop kept going

1713

01:01:09,829 --> 01:01:08,400

further and further away

1714

01:01:11,829 --> 01:01:09,839

and all of a sudden we heard this big

1715

01:01:14,390 --> 01:01:11,839

rustling sound but we figured that was

1716

01:01:16,069 --> 01:01:14,400

maybe the mama coming to go get it you

1717

01:01:17,430 --> 01:01:16,079

know and uh and then it just kind of

1718

01:01:19,190 --> 01:01:17,440

faded out

1719

01:01:21,910 --> 01:01:19,200

spooky night man it was and that was

1720

01:01:23,829 --> 01:01:21,920

like all within the first half hour same

1721

01:01:25,430 --> 01:01:23,839

thing with will that elkhorn it was like

1722

01:01:27,430 --> 01:01:25,440

we get out there and within a half hour

1723

01:01:30,069 --> 01:01:27,440

we're getting all this activity

1724

01:01:32,470 --> 01:01:30,079

we had a question uh from andrew ball

1725

01:01:34,069 --> 01:01:32,480

and it it yeah he asked about it we and

1726

01:01:36,309 --> 01:01:34,079

the guests the reported

1727

01:01:38,630 --> 01:01:36,319

huge hyena-like creatures and we have

1728

01:01:40,390 --> 01:01:38,640

gotten hyena creatures sightings

1729

01:01:42,150 --> 01:01:40,400

throughout pennsylvania

1730

01:01:45,030 --> 01:01:42,160

um

1731

01:01:46,789 --> 01:01:45,040

up in tuscarora around there we've had

1732

01:01:49,750 --> 01:01:46,799

sighting of two of them

1733

01:01:52,549 --> 01:01:49,760

had one of them corner a hunter up into

1734

01:01:55,029 --> 01:01:52,559

a tree a deer hunter up into a tree

1735

01:01:56,630 --> 01:01:55,039

sat there and watched the guy for like a

1736

01:01:58,230 --> 01:01:56,640

10-15 minutes

1737

01:02:00,230 --> 01:01:58,240

the hunter got stuck there he wasn't

1738

01:02:01,349 --> 01:02:00,240

coming down for two hours at the front

1739

01:02:02,309 --> 01:02:01,359

left

1740

01:02:04,950 --> 01:02:02,319

uh

1741

01:02:07,349 --> 01:02:04,960

we got a um

1742

01:02:09,270 --> 01:02:07,359

we had a hyena

1743

01:02:11,910 --> 01:02:09,280

they said the witness said it was the

1744

01:02:16,309 --> 01:02:11,920

size of a cow

1745

01:02:18,150 --> 01:02:16,319

up in um near shippensburg pennsylvania

1746

01:02:19,829 --> 01:02:18,160

that's up in cumberland county is that

1747

01:02:23,750 --> 01:02:19,839

cumberland county maybe i don't know

1748

01:02:26,309 --> 01:02:23,760

maybe did but anyway uh shippensburg

1749

01:02:28,789 --> 01:02:26,319

uh we had another one in new oxford

1750

01:02:31,510 --> 01:02:28,799

which is just north of me

1751

01:02:33,430 --> 01:02:31,520

that's in uh that's in adams county york

1752

01:02:37,029 --> 01:02:33,440

county adams county

1753

01:02:38,789 --> 01:02:37,039

so uh yeah the the hyena

1754

01:02:40,789 --> 01:02:38,799

like creatures

1755

01:02:42,870 --> 01:02:40,799

have been have been seen and you know

1756

01:02:45,109 --> 01:02:42,880

we've had these um

1757

01:02:47,270 --> 01:02:45,119

we've had reports up in western

1758

01:02:49,670 --> 01:02:47,280

pennsylvania too

1759

01:02:51,029 --> 01:02:49,680

of the quadrupeds that people said look

1760

01:02:52,710 --> 01:02:51,039

a lot like uh

1761

01:02:54,870 --> 01:02:52,720

they call them dog man but they look a

1762

01:02:56,069 --> 01:02:54,880

lot like hyenas you heard anything like

1763

01:02:58,390 --> 01:02:56,079

that ron

1764

01:03:00,710 --> 01:02:58,400

oh absolutely yeah without a doubt um

1765

01:03:02,309 --> 01:03:00,720

the idea that whenever you use the word

1766

01:03:03,990 --> 01:03:02,319

dogman i think that's a bit of a

1767

01:03:06,950 --> 01:03:04,000

misnomer but there's nothing else that

1768

01:03:08,630 --> 01:03:06,960

fits into the category you know

1769

01:03:11,670 --> 01:03:08,640

that is just a way that you can describe

1770

01:03:13,829 --> 01:03:11,680

it now as as a historian and somebody

1771

01:03:15,109 --> 01:03:13,839

that likes to connect the dots if we

1772

01:03:18,470 --> 01:03:15,119

think about the events that was

1773

01:03:21,190 --> 01:03:18,480

happening over in uh in france you know

1774

01:03:24,309 --> 01:03:21,200

in the 1700s uh the beast of jealous dog

1775

01:03:27,270 --> 01:03:24,319

was actually uh often um described as

1776

01:03:30,390 --> 01:03:27,280

being very much like a hyena as well so

1777

01:03:33,349 --> 01:03:30,400

it seems as if there is a history

1778

01:03:35,990 --> 01:03:33,359

of these type of creatures coming into

1779

01:03:36,710 --> 01:03:36,000

our reality every now and then um you

1780

01:03:39,190 --> 01:03:36,720

know

1781

01:03:41,190 --> 01:03:39,200

whatever might be happening but whatever

1782

01:03:43,349 --> 01:03:41,200

like eric has said about this

1783

01:03:45,510 --> 01:03:43,359

electrified missed or whatever

1784

01:03:48,870 --> 01:03:45,520

there definitely seems to be a component

1785

01:03:51,829 --> 01:03:48,880

attached to these things that requires

1786

01:03:54,230 --> 01:03:51,839

the manifestation through some sort of

1787

01:03:56,789 --> 01:03:54,240

electrical impulse or some sort of

1788

01:03:58,630 --> 01:03:56,799

almost as if you need to have a circuit

1789

01:03:59,829 --> 01:03:58,640

in order for these things to have an

1790

01:04:01,750 --> 01:03:59,839

appearance

1791

01:04:03,190 --> 01:04:01,760

you know it's funny ron you say that too

1792

01:04:05,750 --> 01:04:03,200

because in the

1793

01:04:08,150 --> 01:04:05,760

lee has a picture which is just it'll it

1794

01:04:10,710 --> 01:04:08,160

blows you away and it's you see it

1795

01:04:13,109 --> 01:04:10,720

briefly in our video but it's it's of an

1796

01:04:15,349 --> 01:04:13,119

all there is about five or six orbs in

1797

01:04:18,390 --> 01:04:15,359

the sky in the middle of the day

1798

01:04:20,309 --> 01:04:18,400

and in these orbs it's you can it looks

1799

01:04:22,549 --> 01:04:20,319

like there's a creature inside this

1800

01:04:24,789 --> 01:04:22,559

translucent orb it looks like it's like

1801

01:04:27,430 --> 01:04:24,799

cross like it's like just like this

1802

01:04:29,190 --> 01:04:27,440

and it's so my thought was the night we

1803

01:04:31,190 --> 01:04:29,200

saw the ufo and then right after we

1804

01:04:32,789 --> 01:04:31,200

heard the howl could this thing have

1805

01:04:35,510 --> 01:04:32,799

deposited

1806

01:04:36,630 --> 01:04:35,520

this creature from a ufo

1807

01:04:38,390 --> 01:04:36,640

you know

1808

01:04:41,109 --> 01:04:38,400

because we hear i mean i'm a big

1809

01:04:42,870 --> 01:04:41,119

believer in the bigfoot ufo connection

1810

01:04:44,870 --> 01:04:42,880

there's a lot of there's a lot of

1811

01:04:47,829 --> 01:04:44,880

evidence to to corroborate that there's

1812

01:04:50,150 --> 01:04:47,839

also another theory too about that but

1813

01:04:51,589 --> 01:04:50,160

that to me was was one of the plausible

1814

01:04:54,870 --> 01:04:51,599

answers was like what could this thing

1815

01:04:56,710 --> 01:04:54,880

have been deposited from from the ufo

1816

01:04:58,630 --> 01:04:56,720

there was a one of one of the

1817

01:05:00,390 --> 01:04:58,640

researchers actually said you know how

1818

01:05:02,470 --> 01:05:00,400

people are getting you know reports of

1819

01:05:06,549 --> 01:05:02,480

being abducted by ufos

1820

01:05:09,349 --> 01:05:06,559

why couldn't a ufo abduct bigfoot or a

1821

01:05:11,349 --> 01:05:09,359

cryptid and do experiments on that and

1822

01:05:12,870 --> 01:05:11,359

then when you see the bigfoot in ufo

1823

01:05:15,670 --> 01:05:12,880

that's because they've just dropped off

1824

01:05:17,670 --> 01:05:15,680

the uf you know the bigfoot from you

1825

01:05:19,829 --> 01:05:17,680

know being examined or whatever i mean

1826

01:05:22,309 --> 01:05:19,839

that's well they do it with all kinds of

1827

01:05:24,870 --> 01:05:22,319

other animals as it is already why not

1828

01:05:25,990 --> 01:05:24,880

anything that we're not aware of yeah

1829

01:05:28,390 --> 01:05:26,000

exactly

1830

01:05:30,630 --> 01:05:28,400

yeah in my experience that i had with

1831

01:05:32,710 --> 01:05:30,640

what i described as a dog man even

1832

01:05:36,230 --> 01:05:32,720

though i did not physically see it and

1833

01:05:38,710 --> 01:05:36,240

again i you said about the eyes although

1834

01:05:40,870 --> 01:05:38,720

i did not physically see this creature i

1835

01:05:44,069 --> 01:05:40,880

could tell in my mind's eyes that that

1836

01:05:45,910 --> 01:05:44,079

that that on that unnatural amber color

1837

01:05:48,870 --> 01:05:45,920

that you were talking about i saw that

1838

01:05:51,270 --> 01:05:48,880

very readily um but whenever

1839

01:05:53,589 --> 01:05:51,280

that light kind of

1840

01:05:57,029 --> 01:05:53,599

came on and then and then flickered off

1841

01:05:59,990 --> 01:05:57,039

again i am convinced that that creature

1842

01:06:01,510 --> 01:06:00,000

was not in this plane of existence until

1843

01:06:03,589 --> 01:06:01,520

that light came on

1844

01:06:06,069 --> 01:06:03,599

somehow it came through and whenever

1845

01:06:07,750 --> 01:06:06,079

that light went off at that point it was

1846

01:06:10,950 --> 01:06:07,760

now in a physical form within this

1847

01:06:12,870 --> 01:06:10,960

reality the the red glowing eyes of this

1848

01:06:15,349 --> 01:06:12,880

creature is that's what we're getting

1849

01:06:18,630 --> 01:06:15,359

reports of now to have those red glowing

1850

01:06:21,349 --> 01:06:18,640

eyes you've got to be generating some

1851  
01:06:23,670 --> 01:06:21,359  
kind of energy there and you know our um

1852  
01:06:26,870 --> 01:06:23,680  
our uh team member ellen collins did a

1853  
01:06:29,109 --> 01:06:26,880  
lot of work on the uh uh tap it and

1854  
01:06:31,270 --> 01:06:29,119  
lucidum i think that's what they call it

1855  
01:06:33,109 --> 01:06:31,280  
as far as the the eye shine

1856  
01:06:35,829 --> 01:06:33,119  
um and for this creature to have that

1857  
01:06:37,589 --> 01:06:35,839  
red glowing eyes to be just seen and you

1858  
01:06:39,349 --> 01:06:37,599  
know look we get bigfoot reports with

1859  
01:06:42,710 --> 01:06:39,359  
the right glowing eyes as well we get

1860  
01:06:44,230 --> 01:06:42,720  
those with green eyes too um so

1861  
01:06:46,870 --> 01:06:44,240  
you know there's a there's some kind of

1862  
01:06:49,270 --> 01:06:46,880  
connection there but is it i always say

1863  
01:06:50,950 --> 01:06:49,280

too could it be interdimensional

1864

01:06:53,270 --> 01:06:50,960

you know that's the other thing like ron

1865

01:06:55,750 --> 01:06:53,280

you bring up a great point it's like it

1866

01:06:57,510 --> 01:06:55,760

maybe it's in another part of reality

1867

01:06:59,990 --> 01:06:57,520

and it's coming into our reality and

1868

01:07:02,230 --> 01:07:00,000

that's how it's able to generate such

1869

01:07:03,829 --> 01:07:02,240

energy there absolutely and i think

1870

01:07:05,029 --> 01:07:03,839

that's the case because a lot of people

1871

01:07:07,309 --> 01:07:05,039

can kind of

1872

01:07:09,349 --> 01:07:07,319

nonchalantly say you know

1873

01:07:11,589 --> 01:07:09,359

bioluminescence but in order for

1874

01:07:13,430 --> 01:07:11,599

bioluminescence to be proven you have to

1875

01:07:15,990 --> 01:07:13,440

have correlations within the natural

1876

01:07:17,990 --> 01:07:16,000

world and we know that primates do not

1877

01:07:19,589 --> 01:07:18,000

produce it we know that bioluminescence

1878

01:07:23,430 --> 01:07:19,599

are very specific to certain types of

1879

01:07:25,589 --> 01:07:23,440

creatures but the idea that there is an

1880

01:07:27,589 --> 01:07:25,599

energy that is if you're almost looking

1881

01:07:29,670 --> 01:07:27,599

into they say that the windows are the

1882

01:07:31,829 --> 01:07:29,680

eyes of the soul it's almost as if

1883

01:07:34,069 --> 01:07:31,839

you're looking into whatever is powering

1884

01:07:36,470 --> 01:07:34,079

these creatures you know and

1885

01:07:38,950 --> 01:07:36,480

and that is the the case now

1886

01:07:41,109 --> 01:07:38,960

you know we don't want to go so far

1887

01:07:43,589 --> 01:07:41,119

afield that it becomes sounding like

1888

01:07:45,589 --> 01:07:43,599

it's a science fiction program but

1889

01:07:49,109 --> 01:07:45,599

whenever all other explanations don't

1890

01:07:51,670 --> 01:07:49,119

make any sense it really is kind of the

1891

01:07:54,230 --> 01:07:51,680

our conclusion that we're coming up with

1892

01:07:55,829 --> 01:07:54,240

is that whatever is out there is nothing

1893

01:07:57,750 --> 01:07:55,839

that you can really go out there and

1894

01:07:59,990 --> 01:07:57,760

track there's nothing like that because

1895

01:08:01,990 --> 01:08:00,000

they're not here all the time

1896

01:08:03,589 --> 01:08:02,000

now this is another uh theory that i

1897

01:08:05,910 --> 01:08:03,599

have as well too and i want to i want to

1898

01:08:08,470 --> 01:08:05,920

kind of bounce this off of you guys

1899

01:08:10,390 --> 01:08:08,480

do you feel that those people who

1900

01:08:12,710 --> 01:08:10,400

witness these creatures

1901

01:08:14,710 --> 01:08:12,720

have some sort of

1902

01:08:16,550 --> 01:08:14,720

uh

1903

01:08:17,829 --> 01:08:16,560

it's it's hard to find the words for it

1904

01:08:20,390 --> 01:08:17,839

but almost

1905

01:08:24,070 --> 01:08:20,400

a written type of contract with it like

1906

01:08:26,709 --> 01:08:24,080

it it is so it's dependent upon you to

1907

01:08:29,510 --> 01:08:26,719

manifest and it's kind of like that

1908

01:08:30,870 --> 01:08:29,520

you're giving an energy and it's

1909

01:08:33,510 --> 01:08:30,880

exactly right

1910

01:08:34,470 --> 01:08:33,520

right thought transparency yeah yeah i

1911

01:08:36,470 --> 01:08:34,480

mean

1912

01:08:38,390 --> 01:08:36,480

that has been raised that question has

1913

01:08:39,990 --> 01:08:38,400

been raised it's that that thought

1914

01:08:42,470 --> 01:08:40,000

transfers you know it's like what people

1915

01:08:44,470 --> 01:08:42,480

want to see and what what's there

1916

01:08:46,789 --> 01:08:44,480

you know in our case

1917

01:08:50,309 --> 01:08:46,799

we didn't physically see it but we we

1918

01:08:52,229 --> 01:08:50,319

knew it was there it's it was there

1919

01:08:54,550 --> 01:08:52,239

right it was there you saw it it was

1920

01:08:56,789 --> 01:08:54,560

there you said james you saw it you

1921

01:08:59,430 --> 01:08:56,799

experienced do you physically felt it

1922

01:09:01,430 --> 01:08:59,440

you know so it's there um

1923

01:09:02,709 --> 01:09:01,440

yeah you know that's the other thing too

1924

01:09:05,030 --> 01:09:02,719

and a lot of people

1925

01:09:06,870 --> 01:09:05,040

i think are connected i think there's

1926

01:09:08,470 --> 01:09:06,880

people i think there's people connected

1927

01:09:10,550 --> 01:09:08,480

to the spirit world i think there's

1928

01:09:13,990 --> 01:09:10,560

people connected to the cryptid world

1929

01:09:15,669 --> 01:09:14,000

there's there is a thin veil i believe

1930

01:09:18,149 --> 01:09:15,679

to the here and there

1931

01:09:20,550 --> 01:09:18,159

and for some odd reason whatever that is

1932

01:09:22,149 --> 01:09:20,560

if it's a is some kind of resonance some

1933

01:09:23,349 --> 01:09:22,159

kind of frequency

1934

01:09:25,269 --> 01:09:23,359

there are certain people that are

1935

01:09:26,630 --> 01:09:25,279

connected that see these things more

1936

01:09:28,630 --> 01:09:26,640

often

1937

01:09:30,149 --> 01:09:28,640

oh yeah i mean this is this has been

1938

01:09:32,789 --> 01:09:30,159

something that

1939

01:09:34,709 --> 01:09:32,799

has been shown to happen just like

1940

01:09:36,870 --> 01:09:34,719

what's going on in chicago we've had so

1941

01:09:38,470 --> 01:09:36,880

many sightings where there's been lots

1942

01:09:40,390 --> 01:09:38,480

and lots of people

1943

01:09:42,630 --> 01:09:40,400

where this thing shows up

1944

01:09:45,110 --> 01:09:42,640

and one or two people see it nobody else

1945

01:09:46,870 --> 01:09:45,120

sees it it's like they're predisposed to

1946

01:09:48,709 --> 01:09:46,880

see something

1947

01:09:50,390 --> 01:09:48,719

i'll tell you something that happened to

1948

01:09:52,070 --> 01:09:50,400

me and i want to see if you guys ever

1949

01:09:53,910 --> 01:09:52,080

experienced this too

1950

01:09:55,590 --> 01:09:53,920

and you know i i

1951

01:09:57,430 --> 01:09:55,600

i you know when i do a ghost

1952

01:09:59,350 --> 01:09:57,440

investigation i'm i've got to be honest

1953

01:10:00,630 --> 01:09:59,360

with you i'm very i go into those very

1954

01:10:01,669 --> 01:10:00,640

skeptical

1955

01:10:02,550 --> 01:10:01,679

and

1956

01:10:03,750 --> 01:10:02,560

you know

1957

01:10:05,430 --> 01:10:03,760

until

1958

01:10:07,430 --> 01:10:05,440

but i gotta also say the more i've been

1959

01:10:10,070 --> 01:10:07,440

doing that investigation the more i'm

1960

01:10:12,550 --> 01:10:10,080

becoming a believer in that realm but

1961

01:10:14,630 --> 01:10:12,560

with ufos i've had more experience in

1962

01:10:16,950 --> 01:10:14,640

that and personal experiences

1963

01:10:19,189 --> 01:10:16,960

um my girlfriend and i were going over

1964

01:10:21,110 --> 01:10:19,199

this was in february of 2016. we're

1965

01:10:23,110 --> 01:10:21,120

going over this bridge that's crosses

1966

01:10:25,270 --> 01:10:23,120

the delaware river where washington

1967

01:10:27,669 --> 01:10:25,280

across the delaware we're up in stockton

1968

01:10:30,070 --> 01:10:27,679

new jersey and right outside of new hope

1969

01:10:32,630 --> 01:10:30,080

pennsylvania and we're going from uh new

1970

01:10:34,229 --> 01:10:32,640

uh pennsylvania into new jersey as we're

1971

01:10:36,550 --> 01:10:34,239

going over this bridge

1972

01:10:38,310 --> 01:10:36,560

something caught my eye and and i've

1973

01:10:39,750 --> 01:10:38,320

seen it more and more now we're seeing

1974

01:10:40,709 --> 01:10:39,760

these more and more

1975

01:10:42,709 --> 01:10:40,719

five

1976

01:10:46,310 --> 01:10:42,719

orange plasma

1977

01:10:48,390 --> 01:10:46,320

balls of you know ufos they just

1978

01:10:49,830 --> 01:10:48,400

appeared out of nowhere these five

1979

01:10:52,229 --> 01:10:49,840

orange orbs

1980

01:10:54,070 --> 01:10:52,239

out of nowhere now in my mind as i'm

1981

01:10:56,790 --> 01:10:54,080

looking at this i'm trying to debunk it

1982

01:10:58,470 --> 01:10:56,800

as i look at it i'm trying to say well

1983

01:11:00,229 --> 01:10:58,480

are these chinese lanterns because

1984

01:11:01,910 --> 01:11:00,239

there's a restaurant over there could

1985

01:11:04,390 --> 01:11:01,920

there be a wedding that they just maybe

1986

01:11:06,790 --> 01:11:04,400

just put out this is all within a period

1987

01:11:09,669 --> 01:11:06,800

of like two three minutes so this

1988

01:11:11,910 --> 01:11:09,679

thing's no i'm sorry a minute so this

1989

01:11:13,430 --> 01:11:11,920

these appear and i'm like i'm trying to

1990

01:11:14,310 --> 01:11:13,440

fumble with my phone to try to take a

1991

01:11:17,669 --> 01:11:14,320

picture

1992

01:11:19,189 --> 01:11:17,679

and she's looking at this and one by one

1993

01:11:21,669 --> 01:11:19,199

it looked like they were doing a search

1994

01:11:22,709 --> 01:11:21,679

pattern over the river and then one by

1995

01:11:24,470 --> 01:11:22,719

one

1996

01:11:27,350 --> 01:11:24,480

they just disappeared

1997

01:11:29,110 --> 01:11:27,360

one by one i was able to get one picture

1998

01:11:30,870 --> 01:11:29,120

uh and i'll send that to you lon i gotta

1999

01:11:33,270 --> 01:11:30,880

send that to you and it's you could see

2000

01:11:35,910 --> 01:11:33,280

this red it's a red orb

2001

01:11:37,910 --> 01:11:35,920

and it was the strangest thing i mean it

2002

01:11:39,270 --> 01:11:37,920

was and we're still trying to figure out

2003

01:11:41,189 --> 01:11:39,280

what it was

2004

01:11:43,270 --> 01:11:41,199

so i went online to see if anybody else

2005

01:11:45,430 --> 01:11:43,280

had this uh experience and there were

2006

01:11:49,110 --> 01:11:45,440

people in pennsylvania in the harrisburg

2007

01:11:51,189 --> 01:11:49,120

area that saw that same anomaly

2008

01:11:53,110 --> 01:11:51,199

so you know and similar to that and i've

2009

01:11:55,350 --> 01:11:53,120

seen on a lot of these shows

2010

01:11:57,590 --> 01:11:55,360

that people are getting these

2011

01:11:59,189 --> 01:11:57,600

you know we all know what those military

2012

01:12:01,910 --> 01:11:59,199

flares look like

2013

01:12:03,430 --> 01:12:01,920

this was not that and this like anyway

2014

01:12:05,669 --> 01:12:03,440

if that if that was flares they were

2015

01:12:07,669 --> 01:12:05,679

over a populated area that was not and

2016

01:12:09,350 --> 01:12:07,679

they couldn't do that anyway but it was

2017

01:12:12,149 --> 01:12:09,360

uh these were just the weirdest thing

2018

01:12:15,270 --> 01:12:12,159

man and it looked like they were like uh

2019

01:12:17,270 --> 01:12:15,280

undulating it looked like like lava like

2020

01:12:19,030 --> 01:12:17,280

when you see lava it was like that and

2021

01:12:20,950 --> 01:12:19,040

then it was just kind of like

2022

01:12:23,189 --> 01:12:20,960

and then it disappeared and i remember

2023

01:12:24,630 --> 01:12:23,199

you know john keel talking about the

2024

01:12:26,870 --> 01:12:24,640

living lights

2025

01:12:29,110 --> 01:12:26,880

you know and this is a phenomena that is

2026

01:12:32,310 --> 01:12:29,120

people are seeing a lot more of this now

2027

01:12:35,990 --> 01:12:32,320

you know yeah i i call them bio forms

2028

01:12:38,870 --> 01:12:36,000

yeah basically because um

2029

01:12:42,070 --> 01:12:38,880

you know i i've i've even had people

2030

01:12:44,870 --> 01:12:42,080

send me video of these things as their

2031

01:12:46,870 --> 01:12:44,880

uh like piece of plasma or ram plasma

2032

01:12:50,630 --> 01:12:46,880

and they kind of undulate and they

2033

01:12:52,630 --> 01:12:50,640

change and as they're flying by uh

2034

01:12:54,149 --> 01:12:52,640

some of these pictures are some that

2035

01:12:56,149 --> 01:12:54,159

people have sent me

2036

01:12:59,030 --> 01:12:56,159

and um

2037

01:13:02,229 --> 01:12:59,040

also with like the um you know these

2038

01:13:04,470 --> 01:13:02,239

flying manta rays where these uh

2039

01:13:07,590 --> 01:13:04,480

uh that they they seem to be like a

2040

01:13:09,750 --> 01:13:07,600

bioform type of craft yeah

2041

01:13:12,229 --> 01:13:09,760

you know where they see them undulate

2042

01:13:13,910 --> 01:13:12,239

like they're actual animals but

2043

01:13:15,830 --> 01:13:13,920

well what are you know but what is it

2044

01:13:19,830 --> 01:13:15,840

are they what is it that's just it are

2045

01:13:21,189 --> 01:13:19,840

they probes are they like drones from

2046

01:13:22,790 --> 01:13:21,199

i mean and

2047

01:13:24,950 --> 01:13:22,800

look at the name i mean we've all heard

2048

01:13:26,470 --> 01:13:24,960

the navy tic tac ufos and that's like

2049

01:13:28,790 --> 01:13:26,480

everybody nowadays that's all they want

2050

01:13:31,270 --> 01:13:28,800

to go is with the navy tic-tac-toe

2051

01:13:33,510 --> 01:13:31,280

it's like there's so much more out there

2052

01:13:36,070 --> 01:13:33,520

you know i mean i mean you go way back

2053

01:13:38,709 --> 01:13:36,080

to betty and barney hill i mean that

2054

01:13:40,870 --> 01:13:38,719

account is just terrifying you know and

2055

01:13:43,750 --> 01:13:40,880

uh and i talked to betty and barney's

2056

01:13:45,350 --> 01:13:43,760

niece kathleen martin right uh i've even

2057

01:13:46,950 --> 01:13:45,360

talked to calvin parker from the

2058

01:13:48,070 --> 01:13:46,960

pascagoula

2059

01:13:50,390 --> 01:13:48,080

production

2060

01:13:52,550 --> 01:13:50,400

i mean these people are really genuine

2061

01:13:54,390 --> 01:13:52,560

people that still ha to this day have no

2062

01:13:56,390 --> 01:13:54,400

idea what happened even betty and barney

2063

01:13:57,990 --> 01:13:56,400

are not with us anymore but kathleen had

2064

01:13:59,990 --> 01:13:58,000

said that for years they were just you

2065

01:14:02,709 --> 01:14:00,000

know perplexed by the whole thing yeah

2066

01:14:05,270 --> 01:14:02,719

you know kathleen's told me she said

2067

01:14:07,669 --> 01:14:05,280

betty you know barney died before betty

2068

01:14:09,910 --> 01:14:07,679

did but yeah you know she really had no

2069

01:14:14,070 --> 01:14:09,920

explanation as to why

2070

01:14:15,590 --> 01:14:14,080

or what she or they encountered yeah

2071

01:14:17,910 --> 01:14:15,600

yeah i mean but you know most

2072

01:14:18,950 --> 01:14:17,920

experiences go through that eventually i

2073

01:14:21,270 --> 01:14:18,960

mean you know

2074

01:14:23,830 --> 01:14:21,280

they it's interesting

2075

01:14:25,910 --> 01:14:23,840

in a lot of the abductions now people

2076  
01:14:26,950 --> 01:14:25,920  
will experience something not knowing

2077  
01:14:29,669 --> 01:14:26,960  
about it

2078  
01:14:31,350 --> 01:14:29,679  
and then eventually something pops up

2079  
01:14:33,830 --> 01:14:31,360  
something reminds them of something and

2080  
01:14:35,110 --> 01:14:33,840  
all of a sudden they recall it

2081  
01:14:36,870 --> 01:14:35,120  
that was betty and barney they were

2082  
01:14:38,950 --> 01:14:36,880  
having the same dream

2083  
01:14:41,830 --> 01:14:38,960  
simultaneously not knowing that they had

2084  
01:14:43,830 --> 01:14:41,840  
the same dream exactly and that was just

2085  
01:14:46,229 --> 01:14:43,840  
incredible right there you know just not

2086  
01:14:48,149 --> 01:14:46,239  
even talking about it and back in i mean

2087  
01:14:51,270 --> 01:14:48,159  
look we're talking like the early 60s

2088  
01:14:53,030 --> 01:14:51,280

too man that was like a crazy job

2089

01:14:53,830 --> 01:14:53,040

well you know basically that that was

2090

01:14:55,990 --> 01:14:53,840

when

2091

01:14:56,950 --> 01:14:56,000

ufos went mainstream then because you

2092

01:15:01,669 --> 01:14:56,960

know

2093

01:15:05,030 --> 01:15:01,679

they had their encounter with 62 or 63.

2094

01:15:06,950 --> 01:15:05,040

the first flying uh manta ray

2095

01:15:10,149 --> 01:15:06,960

that was sent to me the woman was an

2096

01:15:12,070 --> 01:15:10,159

artist she did the uh she did the uh the

2097

01:15:14,870 --> 01:15:12,080

artwork of it but this thing was flying

2098

01:15:17,350 --> 01:15:14,880

in front of their car wow down the road

2099

01:15:19,750 --> 01:15:17,360

and it was you know it was undulating

2100

01:15:23,189 --> 01:15:19,760

just like a uh and where was this

2101

01:15:26,630 --> 01:15:25,350

right across the river

2102

01:15:28,070 --> 01:15:26,640

from

2103

01:15:30,950 --> 01:15:28,080

point pleasant

2104

01:15:34,070 --> 01:15:30,960

while in ohio

2105

01:15:35,110 --> 01:15:34,080

wow yeah

2106

01:15:37,350 --> 01:15:35,120

no

2107

01:15:38,709 --> 01:15:37,360

it wouldn't uh

2108

01:15:40,390 --> 01:15:38,719

of catapults or whatever you call that

2109

01:15:42,550 --> 01:15:40,400

it was down the road further it was into

2110

01:15:45,510 --> 01:15:42,560

the woods further but it was um

2111

01:15:47,350 --> 01:15:45,520

it was a long stream or a small creek i

2112

01:15:49,350 --> 01:15:47,360

just read one of your comments from your

2113

01:15:50,950 --> 01:15:49,360

your listeners here if it was thought

2114

01:15:53,189 --> 01:15:50,960

transference and everybody would see

2115

01:15:55,510 --> 01:15:53,199

santa claus in the easter bunny yeah

2116

01:15:57,590 --> 01:15:55,520

well there you go yeah but you know what

2117

01:15:59,910 --> 01:15:57,600

and it's true i mean that's just one

2118

01:16:01,510 --> 01:15:59,920

idea we're talking about different ideas

2119

01:16:03,590 --> 01:16:01,520

here i mean you know we've all been

2120

01:16:05,270 --> 01:16:03,600

watching you know skinwalker ranch and

2121

01:16:07,510 --> 01:16:05,280

things like that and what these guys are

2122

01:16:09,510 --> 01:16:07,520

finding or what they're not finding it's

2123

01:16:11,750 --> 01:16:09,520

that's why this this research that we're

2124

01:16:14,149 --> 01:16:11,760

doing is ongoing because that's what

2125

01:16:16,310 --> 01:16:14,159

we're ultimately trying to find is that

2126

01:16:18,470 --> 01:16:16,320

that truth whatever that is

2127

01:16:20,390 --> 01:16:18,480

and what this could be i mean i'm sure

2128

01:16:22,149 --> 01:16:20,400

you guys have been like scratching your

2129

01:16:23,110 --> 01:16:22,159

heads too like what the hell could that

2130

01:16:25,189 --> 01:16:23,120

have been

2131

01:16:26,790 --> 01:16:25,199

i mean james what you experienced ron

2132

01:16:27,830 --> 01:16:26,800

what you experienced i mean it's like

2133

01:16:29,910 --> 01:16:27,840

you know

2134

01:16:32,390 --> 01:16:29,920

what's what's the answer yeah well

2135

01:16:34,470 --> 01:16:32,400

that's like still to this day i

2136

01:16:35,990 --> 01:16:34,480

if i had never run across the term dog

2137

01:16:38,390 --> 01:16:36,000

man and started doing the research i

2138

01:16:39,669 --> 01:16:38,400

would have had no idea what i was seeing

2139

01:16:43,750 --> 01:16:39,679

yeah

2140

01:16:45,830 --> 01:16:43,760

that's what i was asking before dogman

2141

01:16:47,510 --> 01:16:45,840

came into the vernacular what did you

2142

01:16:49,270 --> 01:16:47,520

call it what was the experience that you

2143

01:16:52,470 --> 01:16:49,280

had

2144

01:16:55,270 --> 01:16:52,480

whenever i saw i never talked to anybody

2145

01:16:57,910 --> 01:16:55,280

until 2019 about it and that happened in

2146

01:16:59,189 --> 01:16:57,920

2002 and three okay

2147

01:17:01,350 --> 01:16:59,199

and i

2148

01:17:03,750 --> 01:17:01,360

kind of just in my own mindset was

2149

01:17:05,830 --> 01:17:03,760

telling myself that you saw a werewolf

2150

01:17:08,149 --> 01:17:05,840

you encountered a werewolf because i i

2151

01:17:10,229 --> 01:17:08,159

didn't know what to think about it you

2152

01:17:12,870 --> 01:17:10,239

know because it does

2153

01:17:16,950 --> 01:17:12,880

at least what i experienced looks

2154

01:17:21,510 --> 01:17:18,630

i got to tell you this real quick here

2155

01:17:23,750 --> 01:17:21,520

the uh we went back to elkhorn in april

2156

01:17:26,470 --> 01:17:23,760

for another uh for a follow-up

2157

01:17:28,310 --> 01:17:26,480

and i'll tell you guys i mean it was

2158

01:17:30,470 --> 01:17:28,320

unbelievable

2159

01:17:33,430 --> 01:17:30,480

uh what happened we did a town hall

2160

01:17:36,790 --> 01:17:33,440

meeting on the night of april 28th

2161

01:17:38,390 --> 01:17:36,800

over 140 people showed up wow to tell

2162

01:17:40,390 --> 01:17:38,400

their story

2163

01:17:42,070 --> 01:17:40,400

of seeing this thing i mean these are

2164

01:17:43,189 --> 01:17:42,080

people that were credible they were as

2165

01:17:45,110 --> 01:17:43,199

frightened

2166

01:17:47,830 --> 01:17:45,120

they didn't know what was going on some

2167

01:17:50,149 --> 01:17:47,840

of the reports so i just put out the

2168

01:17:52,149 --> 01:17:50,159

part one video of that follow-up it's

2169

01:17:54,229 --> 01:17:52,159

called the sprayer of the follow-up part

2170

01:17:56,229 --> 01:17:54,239

one i'm working on part two where we're

2171

01:17:58,709 --> 01:17:56,239

doing the investigation and i'm not

2172

01:18:00,790 --> 01:17:58,719

going to tell you what we found but uh

2173

01:18:03,430 --> 01:18:00,800

but it was it was incredible and the

2174

01:18:05,990 --> 01:18:03,440

people that we encountered there

2175

01:18:10,229 --> 01:18:06,000

very genuine people i mean really really

2176  
01:18:12,390 --> 01:18:10,239  
nice people um and just for them to to

2177  
01:18:14,790 --> 01:18:12,400  
be able to be on camera and telling

2178  
01:18:17,030 --> 01:18:14,800  
their story and we have to think back

2179  
01:18:19,910 --> 01:18:17,040  
too the beast of ray road goes back to

2180  
01:18:22,229 --> 01:18:19,920  
1936 maybe even before that

2181  
01:18:24,470 --> 01:18:22,239  
but there was a long period of time that

2182  
01:18:25,910 --> 01:18:24,480  
no one talked about it and the reason

2183  
01:18:27,669 --> 01:18:25,920  
why nobody talked about it was because

2184  
01:18:29,110 --> 01:18:27,679  
there was a whole period of people they

2185  
01:18:31,110 --> 01:18:29,120  
didn't want to get ridiculed they didn't

2186  
01:18:33,430 --> 01:18:31,120  
want to you know talk about it

2187  
01:18:35,189 --> 01:18:33,440  
so now fast forward to the 90s where

2188  
01:18:36,950 --> 01:18:35,199

linda godfrey brought that back into the

2189

01:18:38,149 --> 01:18:36,960

public conscience because people were

2190

01:18:39,910 --> 01:18:38,159

seeing it again

2191

01:18:42,310 --> 01:18:39,920

and had been seeing it over that time

2192

01:18:45,350 --> 01:18:42,320

frame but you know like you know and i'm

2193

01:18:48,470 --> 01:18:45,360

sure you guys will agree people are more

2194

01:18:50,630 --> 01:18:48,480

uh comfortable now talking about the the

2195

01:18:51,669 --> 01:18:50,640

paranormal than they were maybe even 10

2196

01:18:53,750 --> 01:18:51,679

years ago

2197

01:18:54,709 --> 01:18:53,760

you know so we're in a good time period

2198

01:18:57,030 --> 01:18:54,719

now

2199

01:18:59,270 --> 01:18:57,040

i and i got to tell you me being a jazz

2200

01:19:01,669 --> 01:18:59,280

musician right i'll say to my jazz

2201

01:19:02,709 --> 01:19:01,679

audience you know i wrote a new tune and

2202

01:19:04,390 --> 01:19:02,719

i'm going to i'm going to play it

2203

01:19:06,310 --> 01:19:04,400

tonight and it goes like this and

2204

01:19:08,550 --> 01:19:06,320

they'll half-heartedly listen to it but

2205

01:19:12,470 --> 01:19:08,560

the minute i mention paranormal you can

2206

01:19:17,430 --> 01:19:15,030

you know it's amazing

2207

01:19:20,470 --> 01:19:17,440

but that's a good point so you know as

2208

01:19:22,870 --> 01:19:20,480

far as music goes how frequency howard

2209

01:19:24,390 --> 01:19:22,880

plays upon the human body and you had

2210

01:19:26,310 --> 01:19:24,400

said that earlier i think that that's

2211

01:19:28,630 --> 01:19:26,320

really something that we need to

2212

01:19:31,590 --> 01:19:28,640

investigate even more the idea of how

2213

01:19:34,070 --> 01:19:31,600

frequency travels how it vibrates the

2214

01:19:37,350 --> 01:19:34,080

body and how it can actually really

2215

01:19:39,110 --> 01:19:37,360

manifest itself uh across a distance you

2216

01:19:40,870 --> 01:19:39,120

know these are great things to think

2217

01:19:43,110 --> 01:19:40,880

about uh the other thing i want to point

2218

01:19:45,510 --> 01:19:43,120

out too as far as researchers go and

2219

01:19:47,750 --> 01:19:45,520

what i'm really excited to see happening

2220

01:19:49,669 --> 01:19:47,760

is at one time whenever i first got into

2221

01:19:51,430 --> 01:19:49,679

this there used to be the flesh and

2222

01:19:54,390 --> 01:19:51,440

blood researchers and there used to be

2223

01:19:57,110 --> 01:19:54,400

the you know ufo researchers but and if

2224

01:19:58,630 --> 01:19:57,120

they got a report that was out of what

2225

01:20:00,550 --> 01:19:58,640

they believed to be

2226

01:20:02,070 --> 01:20:00,560

valid they would just simply toss it

2227

01:20:04,310 --> 01:20:02,080

away it was

2228

01:20:06,310 --> 01:20:04,320

somebody was lying we have to keep it up

2229

01:20:08,390 --> 01:20:06,320

and keep an open mind and i think the

2230

01:20:10,629 --> 01:20:08,400

more that we keep an open mind and start

2231

01:20:12,629 --> 01:20:10,639

seeing these reports that are coming in

2232

01:20:14,629 --> 01:20:12,639

all this stuff if you can connect the

2233

01:20:17,110 --> 01:20:14,639

thoughts guys again i i keep on

2234

01:20:19,270 --> 01:20:17,120

stressing this that it all makes sense

2235

01:20:21,030 --> 01:20:19,280

james what you experienced

2236

01:20:23,350 --> 01:20:21,040

it's very possible these were the same

2237

01:20:26,229 --> 01:20:23,360

things that were manifesting in europe

2238

01:20:28,390 --> 01:20:26,239

in the 1400s to give rise to you know

2239

01:20:31,270 --> 01:20:28,400

these might have been had something that

2240

01:20:33,270 --> 01:20:31,280

we have dealt with from the very time we

2241

01:20:35,830 --> 01:20:33,280

left africa you know this might have

2242

01:20:37,910 --> 01:20:35,840

always been part of our human condition

2243

01:20:40,950 --> 01:20:37,920

and as we move farther and farther away

2244

01:20:43,830 --> 01:20:40,960

from the woods we become civilized we we

2245

01:20:46,709 --> 01:20:43,840

step out of that natural vibration

2246

01:20:49,030 --> 01:20:46,719

now everything seems to be paranormal

2247

01:20:50,870 --> 01:20:49,040

because at one time it was normal you

2248

01:20:52,790 --> 01:20:50,880

know that we've walked ourselves up

2249

01:20:55,590 --> 01:20:52,800

behind walls we're giving ourselves

2250

01:20:57,990 --> 01:20:55,600

electricity we are out of any kind of

2251  
01:21:00,070 --> 01:20:58,000  
rhythm of nature so whenever any of this

2252  
01:21:02,149 --> 01:21:00,080  
kind of stuff happens oh immediately

2253  
01:21:04,229 --> 01:21:02,159  
it's paranormal but it's quite possible

2254  
01:21:06,390 --> 01:21:04,239  
200 years ago this was just par for the

2255  
01:21:07,590 --> 01:21:06,400  
course my friends yeah oh absolutely

2256  
01:21:09,110 --> 01:21:07,600  
totally agree

2257  
01:21:10,950 --> 01:21:09,120  
you know and the other thing ron i'll

2258  
01:21:13,110 --> 01:21:10,960  
take that a step further

2259  
01:21:15,669 --> 01:21:13,120  
you know we still need people boots on

2260  
01:21:18,229 --> 01:21:15,679  
the ground in the field like

2261  
01:21:20,070 --> 01:21:18,239  
you know you are james's lawn you know

2262  
01:21:21,990 --> 01:21:20,080  
we all have to be out in the field

2263  
01:21:23,510 --> 01:21:22,000

because we're doing the research we're

2264

01:21:26,149 --> 01:21:23,520

in the field doing it we're not sitting

2265

01:21:29,430 --> 01:21:26,159

behind the computer we're out there in

2266

01:21:30,950 --> 01:21:29,440

sometimes dangerous situations

2267

01:21:33,030 --> 01:21:30,960

i definitely want to party with you guys

2268

01:21:34,229 --> 01:21:33,040

we're going to have to get together

2269

01:21:36,070 --> 01:21:34,239

pennsylvania we're going to have to do

2270

01:21:39,910 --> 01:21:36,080

that what the hell yeah really what the

2271

01:21:42,390 --> 01:21:39,920

hell exactly that's right that's right

2272

01:21:44,550 --> 01:21:42,400

i'm going to be speaking out uh well

2273

01:21:48,790 --> 01:21:44,560

i'll be kind of north of you guys uh on

2274

01:21:50,390 --> 01:21:48,800

march 23rd of of next year um and it's a

2275

01:21:51,669 --> 01:21:50,400

paranormal convention that's going to be

2276

01:21:53,990 --> 01:21:51,679

happening out there

2277

01:21:55,590 --> 01:21:54,000

and uh man i want to tell you what what

2278

01:21:57,990 --> 01:21:55,600

it is um

2279

01:22:00,790 --> 01:21:58,000

if i could find it here but it's uh yeah

2280

01:22:02,310 --> 01:22:00,800

it's gonna be a really great event and

2281

01:22:04,550 --> 01:22:02,320

i'll let you guys know i'll put i'll

2282

01:22:06,070 --> 01:22:04,560

post this on your on your uh website and

2283

01:22:08,310 --> 01:22:06,080

if you haven't if you guys haven't

2284

01:22:11,270 --> 01:22:08,320

friended me yet send me a friend request

2285

01:22:13,990 --> 01:22:11,280

so we could all uh connect together here

2286

01:22:16,310 --> 01:22:14,000

oh i will i certainly will but yeah you

2287

01:22:18,229 --> 01:22:16,320

know there is just so much going on we

2288

01:22:20,709 --> 01:22:18,239

were out in well sort of your area we

2289

01:22:23,030 --> 01:22:20,719

were out in newcastle

2290

01:22:26,310 --> 01:22:23,040

right yeah we were just out there in

2291

01:22:29,350 --> 01:22:26,320

november of 2020 and we investigated

2292

01:22:31,189 --> 01:22:29,360

haunted hill view manor oh yes yes and

2293

01:22:33,030 --> 01:22:31,199

we had some really crazy experiences

2294

01:22:34,070 --> 01:22:33,040

there with a with an entity known as the

2295

01:22:35,830 --> 01:22:34,080

creeper

2296

01:22:36,950 --> 01:22:35,840

and we actually caught that thing on

2297

01:22:40,629 --> 01:22:36,960

video

2298

01:22:43,669 --> 01:22:40,639

and it was just spooky that's a 85 000

2299

01:22:44,950 --> 01:22:43,679

square feet of pure paranormal

2300

01:22:47,750 --> 01:22:44,960

spookiness

2301

01:22:50,149 --> 01:22:47,760

crazy stuff but uh that air i don't know

2302

01:22:52,629 --> 01:22:50,159

why but that area out there is a lot

2303

01:22:55,030 --> 01:22:52,639

more paranormal prone you know for for

2304

01:22:57,750 --> 01:22:55,040

some odd reason even you go way back to

2305

01:22:59,430 --> 01:22:57,760

uh to injured cold

2306

01:23:01,350 --> 01:22:59,440

you know uh with though do you know that

2307

01:23:04,070 --> 01:23:01,360

story wally um

2308

01:23:05,990 --> 01:23:04,080

darren berger and yeah woody derenberger

2309

01:23:08,149 --> 01:23:06,000

woody up meeting this alien that was in

2310

01:23:10,550 --> 01:23:08,159

uh that was sort of i guess in west

2311

01:23:13,270 --> 01:23:10,560

virginia it was parkersburg just

2312

01:23:16,070 --> 01:23:13,280

actually about 40 miles north of uh

2313

01:23:17,990 --> 01:23:16,080

point pleasant yeah there you go

2314

01:23:20,470 --> 01:23:18,000

so you know we've only hit the tip of

2315

01:23:22,310 --> 01:23:20,480

the iceberg on this guys we have let's

2316

01:23:23,750 --> 01:23:22,320

go

2317

01:23:26,149 --> 01:23:23,760

so um

2318

01:23:27,510 --> 01:23:26,159

so let me uh do the roll call here and

2319

01:23:29,030 --> 01:23:27,520

let you guys

2320

01:23:31,510 --> 01:23:29,040

tell the folks what you've been up to

2321

01:23:33,590 --> 01:23:31,520

how they get in contact with you

2322

01:23:34,950 --> 01:23:33,600

and what's going on in the future i'll

2323

01:23:37,830 --> 01:23:34,960

start with you ron

2324

01:23:41,590 --> 01:23:37,840

all right well in august uh 13th uh as

2325

01:23:43,750 --> 01:23:41,600

it happens i will be in paris uh not uh

2326

01:23:46,070 --> 01:23:43,760

tennessee around then between late

2327

01:23:48,470 --> 01:23:46,080

tonight will be at the dogman werewolf

2328

01:23:52,229 --> 01:23:48,480

conference uh again that is going to be

2329

01:23:54,149 --> 01:23:52,239

august the 13th in paris um uh tennessee

2330

01:23:56,229 --> 01:23:54,159

which i've never been before so i'm very

2331

01:24:00,950 --> 01:23:56,239

excited about that and i've also uh

2332

01:24:03,750 --> 01:24:00,960

written a uh a report on a book on uh

2333

01:24:06,310 --> 01:24:03,760

the history of dogman uh entitled uh

2334

01:24:08,709 --> 01:24:06,320

appropriately enough on dogman tracking

2335

01:24:10,470 --> 01:24:08,719

the werewolf through history uh and if

2336

01:24:12,149 --> 01:24:10,480

you would buy my book the unexplained

2337

01:24:15,189 --> 01:24:12,159

world of the chestnut bridge but you

2338

01:24:17,270 --> 01:24:15,199

were so uh very kind to show earlier um

2339

01:24:19,510 --> 01:24:17,280

that shows that goes uh that documents

2340

01:24:21,189 --> 01:24:19,520

my research uh into the dog man on the

2341

01:24:22,790 --> 01:24:21,199

chestnut ridge area up here in western

2342

01:24:24,310 --> 01:24:22,800

pennsylvania and everything that you

2343

01:24:26,390 --> 01:24:24,320

need from me is always going to be found

2344

01:24:28,310 --> 01:24:26,400

on amazon

2345

01:24:31,510 --> 01:24:28,320

how about you james

2346

01:24:34,390 --> 01:24:31,520

um you can uh contact me through greene

2347

01:24:36,229 --> 01:24:34,400

county pa cryptids on facebook i have my

2348

01:24:37,350 --> 01:24:36,239

own facebook page

2349

01:24:40,790 --> 01:24:37,360

um

2350

01:24:44,070 --> 01:24:40,800

also i'm in the process of uh

2351  
01:24:45,830 --> 01:24:44,080  
writing a book called 50 cryptids in 50

2352  
01:24:46,870 --> 01:24:45,840  
states i'm about halfway through it

2353  
01:24:48,709 --> 01:24:46,880  
right now

2354  
01:24:51,590 --> 01:24:48,719  
man some of the stuff that you come

2355  
01:24:53,750 --> 01:24:51,600  
across you never even would

2356  
01:24:55,830 --> 01:24:53,760  
or the human imagination for some of it

2357  
01:24:59,030 --> 01:24:55,840  
you have to have because you'd never

2358  
01:25:01,189 --> 01:24:59,040  
believe it you know and just doing the

2359  
01:25:03,189 --> 01:25:01,199  
research for this book has just opened

2360  
01:25:04,709 --> 01:25:03,199  
my eyes to so many things i never

2361  
01:25:06,149 --> 01:25:04,719  
thought about

2362  
01:25:07,750 --> 01:25:06,159  
um but that's that's what i've been

2363  
01:25:09,110 --> 01:25:07,760

getting to and then uh like you

2364

01:25:11,750 --> 01:25:09,120  
mentioned before being on the

2365

01:25:14,790 --> 01:25:11,760  
unexplained with william shatner that

2366

01:25:16,790 --> 01:25:14,800  
i just talked to the the assistant to

2367

01:25:18,950 --> 01:25:16,800  
the director

2368

01:25:21,270 --> 01:25:18,960  
he said yesterday he said that they're

2369

01:25:23,430 --> 01:25:21,280  
in the stages of um

2370

01:25:25,430 --> 01:25:23,440  
editing it right now and putting it all

2371

01:25:27,669 --> 01:25:25,440  
together so it should be probably a

2372

01:25:30,790 --> 01:25:27,679  
month or two that episode will be out

2373

01:25:33,189 --> 01:25:30,800  
good i'm excited for it that's awesome

2374

01:25:35,270 --> 01:25:33,199  
congratulations that's awesome oh thank

2375

01:25:38,149 --> 01:25:35,280  
you and a big thanks to lon cause he got

2376

01:25:41,270 --> 01:25:38,159

me hooked up with the guy to to do it

2377

01:25:43,750 --> 01:25:41,280

and i'm just glad that i could you know

2378

01:25:45,669 --> 01:25:43,760

put put our face out there for phantoms

2379

01:25:47,750 --> 01:25:45,679

and monsters that's what that's why i

2380

01:25:49,270 --> 01:25:47,760

did it i was so nervous doing it but i

2381

01:25:50,709 --> 01:25:49,280

was like i have to do it for the group

2382

01:25:54,470 --> 01:25:50,719

you know

2383

01:25:56,470 --> 01:25:54,480

vincent too man for making this

2384

01:25:59,750 --> 01:25:56,480

available for everybody um

2385

01:26:01,510 --> 01:25:59,760

and uh folks could find uh my group on

2386

01:26:04,149 --> 01:26:01,520

we have facebook pages eric intel

2387

01:26:06,550 --> 01:26:04,159

investigates uh we're also on youtube

2388

01:26:08,310 --> 01:26:06,560

channel eric mintel investigates uh if

2389

01:26:10,070 --> 01:26:08,320

you guys like jazz out there you could

2390

01:26:12,149 --> 01:26:10,080

check out my website it's eric mintel

2391

01:26:13,750 --> 01:26:12,159

quartet and we do a lot of original

2392

01:26:16,310 --> 01:26:13,760

music we do a lot of music of dave

2393

01:26:18,070 --> 01:26:16,320

brubach a lot of really cool stuff and

2394

01:26:19,990 --> 01:26:18,080

traveling all over the place with that

2395

01:26:20,790 --> 01:26:20,000

so that's uh it's good to be working

2396

01:26:23,590 --> 01:26:20,800

again

2397

01:26:25,830 --> 01:26:23,600

musically and venues being open um but

2398

01:26:28,790 --> 01:26:25,840

we're thriving with video and i

2399

01:26:30,790 --> 01:26:28,800

in our videos we uh we were

2400

01:26:31,750 --> 01:26:30,800

i guess you would say paranormal tourism

2401  
01:26:33,030 --> 01:26:31,760  
company

2402  
01:26:34,149 --> 01:26:33,040  
and what we're doing showing people

2403  
01:26:36,390 --> 01:26:34,159  
where to go

2404  
01:26:38,629 --> 01:26:36,400  
uh where to experience these incredible

2405  
01:26:42,550 --> 01:26:38,639  
venues uh we work with a lot of bed and

2406  
01:26:44,149 --> 01:26:42,560  
breakfasts um inns restaurants um and

2407  
01:26:46,870 --> 01:26:44,159  
then we'll do some other stuff with the

2408  
01:26:49,189 --> 01:26:46,880  
cryptids and bigfoot encounters so we've

2409  
01:26:52,070 --> 01:26:49,199  
got a lot of uh we've got a

2410  
01:26:53,110 --> 01:26:52,080  
building from 1759 a

2411  
01:26:55,030 --> 01:26:53,120  
house

2412  
01:26:56,870 --> 01:26:55,040  
in the boyer town area that we're going

2413  
01:26:58,149 --> 01:26:56,880

to be investigating next

2414

01:26:59,750 --> 01:26:58,159

and

2415

01:27:02,229 --> 01:26:59,760

a haunted church

2416

01:27:04,790 --> 01:27:02,239

in ewing new jersey that we're going to

2417

01:27:06,550 --> 01:27:04,800

be doing after that and a whole slew of

2418

01:27:08,149 --> 01:27:06,560

other things we might be going back out

2419

01:27:10,470 --> 01:27:08,159

to elkhorn again

2420

01:27:12,390 --> 01:27:10,480

and uh and just a lot of really great

2421

01:27:14,790 --> 01:27:12,400

things and i just got a chance to speak

2422

01:27:16,550 --> 01:27:14,800

at the mufon conference back in may

2423

01:27:18,790 --> 01:27:16,560

and had a great time there there was

2424

01:27:21,110 --> 01:27:18,800

about 200 people that showed up to hear

2425

01:27:22,709 --> 01:27:21,120

my story on the on the elkhorn

2426

01:27:24,629 --> 01:27:22,719

experience so it was really great and i

2427

01:27:27,030 --> 01:27:24,639

was i'm really happy that you know we

2428

01:27:29,030 --> 01:27:27,040

have forums like this lawn and and

2429

01:27:30,229 --> 01:27:29,040

making this available for people so

2430

01:27:31,750 --> 01:27:30,239

thank you

2431

01:27:33,750 --> 01:27:31,760

yeah i know that's what we're trying to

2432

01:27:35,910 --> 01:27:33,760

2433

2434

01:27:40,070 --> 01:27:38,480

are are popular with the listeners and

2435

01:27:41,270 --> 01:27:40,080

uh we're going to make them available

2436

01:27:42,070 --> 01:27:41,280

when we can

2437

01:27:44,870 --> 01:27:42,080
